§ 870.505 Optional insurance: Waiver/cancellation of insurance.

(a) An insured individual may cancel entirely any type of Optional insurance, or reduce the number of multiples of his/her Option B insurance, at any time by filing a waiver of Optional insurance coverage. An employee files with the employing office. An annuitant files with OPM or other office that administers his/her retirement system. If still employed, a compensationer files with the employing office, and if not still employed, with OPM. Exception: an individual who has assigned his/her insurance under subpart I of this part cannot cancel Option A or Option B coverage.

(b) A cancellation of Optional insurance becomes effective, and Optional insurance stops, at the end of the pay period in which the waiver is properly filed. Exception: if Option C is cancelled because there are no eligible family members, the effective date is retroactive to the end of the pay period in which there stopped being any eligible family members.

(c) A waiver of Optional insurance remains in effect until it is cancelled as provided in §870.506.

§ 870.506 Optional insurance: Canceling a waiver.

(a) When there is a change in family circumstances (see §870.503(b)(3)). (1) An employee may cancel a waiver of Options A, B, and C due to a change in family circumstances as provided in paragraphs (a)(2) through (6) of this section.

(2) An employee who has waived Options A and B coverage may elect coverage, and an employee who has fewer than 5 multiples of Option B may increase the number of multiples, upon his or her marriage or divorce, upon a spouse’s death, or upon acquisition of an eligible child.

(3) An employee electing or increasing Option B coverage may elect any number of multiples, as long as the total number of multiples does not exceed 5.

(4)(i) An employee who has waived Option C coverage may elect it, and an employee who has fewer than 5 multiples of Option C may increase the number of multiples, upon his or her marriage or acquisition of an eligible child. An employee may also elect or increase Option C coverage upon divorce or death of a spouse, if the employee has any eligible children.

(ii) An employee electing or increasing Option C coverage may elect any number of multiples, as long as the total number of multiples does not exceed 5.

(5)(i) Except as stated in paragraph (a)(5)(iii) of this section, the employee must file an election under paragraph (a)(2) or (a)(4) of this section with the employing office, in a manner designated by OPM, along with proof of the event, no later than 60 calendar days following the date of the event that permits the election; the employee may also file the election before the event and provide proof no later than 60 calendar days following the event.

(ii) An employee making an election under paragraph (a)(4)(i) of this section following the acquisition of an eligible foster child must file the election with the employing office no later than 60 calendar days after completing the required certification.

(iii) In the case of an employee who had a change in family circumstances between October 30, 1998, and April 23, 1999, an election under this section must have been made on or before June 23, 1999.

(iv) Within 6 months after an employee becomes eligible to make an election due to a change in family circumstances, an employing office may determine that the employee was unable, for reasons beyond his or her control, to elect or increase Optional insurance within the time limit. In this case, the employee must elect or increase Optional insurance within 60 calendar days after he or she is notified of the determination. The insurance is retroactive to the 1st day of the first pay period beginning after the date the individual became eligible if the employee was in pay and duty status that day. If the employee was not in pay and duty status that day, the coverage becomes effective the 1st day after that date the employee returned to pay and duty status. The individual must pay the full cost of the Optional insurance.
§ 870.506

from that date for the time that he or she is in pay status.

(6)(i) The effective date of Options A and B insurance elected under paragraph (a)(1) of this section is the 1st day the employee actually enters on duty in pay status on or after the day the employing office receives the election.

(ii) Except as provided in paragraphs (a)(5)(ii) and (a)(6)(iv) of this section, the effective date of Option C coverage elected because of marriage, divorce, death of a spouse, or acquisition of an eligible child is the day the employing office receives the election, or the date of the event, whichever is later. Exception: Coverage elected under paragraph (a)(5)(iii) of this section was effective April 24, 1999.

(iii) The effective date of Option C coverage elected because of the acquisition of a foster child is the date the employing office receives the election or the date the employee completes the certification, whichever is later.

(iv) If the employee does not elect Basic insurance and Option C together (and did not have Basic insurance before), then Option C becomes effective the same day as his or her Basic insurance becomes effective.

(b) When there is no change in family circumstances. (1) An employee who has waived Option A or Option B coverage may cancel the waiver and elect coverage if:

(i) The employee makes an election during an open enrollment period; or

(ii) At least 1 year has passed since the effective date of the waiver, and the employee provides satisfactory medical evidence of insurability.

(2) An employee who has Option B coverage of fewer than five multiples of annual pay may increase the number of multiples if at least 1 year has passed since the effective date of his or her last election of fewer than five multiples (including a reduction in the number of multiples), and the employee provides satisfactory medical evidence of insurability.

(3) A waiver of Option C may be cancelled only if there is a change in family circumstances or during an open enrollment period.

(c) OFEGLI reviews the employee’s request and determines whether the employee complied with paragraphs (b)(1)(ii) and (b)(2) of this section. If the employee complied, then OFEGLI approves the Request for Insurance. The Option A and B insurance is effective on the date of OFEGLI’s approval, if the employee is in pay and duty status on that date. If the employee is not in pay and duty status on the date of OFEGLI’s approval, the insurance is effective the first day the employee returns to pay and duty status, as long as it is within 60 calendar days of OFEGLI’s approval. If the employee is not in pay and duty status within 60 calendar days after OFEGLI’s approval, the approval is revoked automatically.

(d) If an employee waived Option A insurance on or before February 28, 1981, the waiver was automatically cancelled effective on the 1st day the employee entered on duty in pay status on or after April 1, 1981. Option A coverage was effective on the date of the waiver’s cancellation, if the employee filed an election of Option A during the March 1, 1981, through March 31, 1981, open enrollment period. If the employee did not file the election with his or her employing office during the March 1981 open enrollment period, the employee is considered to have waived Option A on March 31, 1981.

(e) When an employee who has been separated from service for at least 180 days is reinstated on or after April 1, 1981, a previous waiver of Optional insurance is automatically cancelled, as follows:

(1) An employee who returned to service between April 1, 1981, and December 8, 1983, after a 180-day break in service was permitted to elect any form of Optional insurance by applying to his or her employing office before March 7, 1984.

(2) An employee who returns to service after December 8, 1983, following a 180-day break in service may elect any form of Optional insurance by applying to his or her employing office within 60 calendar days after reinstatement. Coverage is effective on the 1st day the employee actually enters on duty in pay status in a position in which he or she is eligible for insurance on or after the date the employing office receives the election. If the employee does not
file a Life Insurance Election in a manner designated by OPM within the 60-day period, the employee has whatever Optional insurance coverage he or she had immediately before separating from Federal service and is considered to have waived any other Optional insurance. However, an employee who fails to file an election during the 60-day period due to reasons beyond his or her control may enroll belatedly under the conditions stated in §870.504(a)(3).

(f)(1) An employee of the Department of Defense who is designated as “emergency essential” under section 1580 of title 10, United States Code, may cancel a waiver of Option A and Option B insurance.

(2) An election of Option A or Option B insurance under paragraph (f)(1) must be made within 60 days of being designated “emergency essential.” Optional insurance is effective on the date the employing office receives the election, if the employee is in pay and duty status on that date. If the employee is not in pay and duty status on the day the employing office receives the election, the coverage becomes effective on the date the employee returns to pay and duty status.

(g)(1) A civilian employee who is eligible for life insurance coverage and who is deployed in support of a contingency operation as defined by section 101(a)(13) of title 10, United States Code, may cancel a waiver of Option A and/or Option B insurance.

(2) An election of Optional insurance under paragraph (g)(1) of this section must be made within 60 days after the date of notification of deployment in support of a contingency operation. Optional insurance is effective on the date the employing office receives the election, if the employee is in pay and duty status on that date. If the employee is not in pay and duty status on the day the employing office receives the election, the coverage becomes effective on the date the employee returns to pay and duty status.

(h) An annuitant or compensationer is not eligible to cancel a waiver of any type of Optional insurance or to increase multiples of Option B under this section.

§870.507 Open enrollment periods.

(a) There are no regularly scheduled open enrollment periods for life insurance. Open enrollment periods are held only when specifically scheduled by OPM.

(b) During an open enrollment period, unless OPM announces otherwise, eligible employees may cancel their existing waivers of Basic and/or Optional insurance by electing the insurance in a manner designated by OPM.

(c)(1) OPM sets the effective date for all insurance elected during an open enrollment period. The newly elected insurance is effective on the 1st day of the 1st pay period that begins on or after the OPM-established date and that follows a pay period during which the employee was in pay and duty status for at least 32 hours, unless OPM announces otherwise.

(2) A part-time employee must be in pay and duty status for one-half the regularly-scheduled tour of duty shown on his or her current Standard Form 50 for newly-elected coverage to become effective, unless OPM announces otherwise.

(3) An employee who has no regularly-scheduled tour of duty or who is employed on an intermittent basis must be in pay and duty status for one-half the hours customarily worked before newly-elected coverage can become effective, unless OPM announces otherwise. For the purpose of this paragraph, an employing office may determine the number of hours customarily worked by averaging the number of hours worked in the most recent calendar year quarter prior to the start of the open enrollment period.

(d) Within 6 months after an open enrollment period ends, an employing office may determine that an employee was unable, for reasons beyond his or her control, to cancel an existing waiver by electing to be insured during the open enrollment period. An election under this paragraph must be submitted within 60 days after being notified of the determination. Coverage is retroactive to the first pay period that begins on or after the effective date set by OPM and that follows a pay period during which the employee was in pay and duty status for at least 32 hours, unless OPM announces otherwise. If
