States Code, to establish a demonstration project under which certain Medicare and other eligible Department of Defense (DoD) beneficiaries can enroll in health benefit plans offered under the Federal Employees Health Benefits (FEHB) Program in certain geographic areas. The legislation was signed into law on October 17, 1998. The demonstration project will run for a period of three years. The legislation requires the Office of Personnel Management (OPM) and DoD to jointly produce and submit two reports to Congress designed to assess the viability of expanding access to the FEHB Program to certain Medicare and other eligible DoD beneficiaries permanently. OPM is authorizing certain differences from regular FEHB Program practices in order to ensure the successful implementation of the demonstration project. This regulation authorizes those differences.

§ 890.1302 Duration.

The demonstration project will run from January 1, 2000, through December 31, 2002.

§ 890.1303 Eligibility.

(a) To enroll in the demonstration project, an individual must live within one of the demonstration areas and meet the definition of an eligible beneficiary in 10 U.S.C. 1108(b). An eligible beneficiary under this subpart is—

(1) A member or former member of the uniformed services described in section 1074(b) of title 10, United States Code, who is entitled to hospital insurance benefits under part A of title XVIII of the Social Security Act (42 U.S.C. 1395c et seq.);

(2) An individual who is an unremarried former spouse of a member or former member described in section 1072(2)(F) or section 1072(2)(G) of title 10, United States Code;

(3) An individual who is—

(i) A dependent of a deceased member or former member described in section 1076(b) or 1076(a)(2)(B) of title 10, United States Code, or of a member who died while on active duty for a period of more than 30 days; and

(ii) A “member of family” as defined in section 8901(5) of title 5, United States Code; or

(4) An individual who is—

(i) A dependent of a living member or former member described in section 1076(b)(1) of title 10, United States Code, who is entitled to hospital insurance benefits under part A of title XVIII of the Social Security Act, regardless of the member’s or former member’s eligibility for such hospital insurance benefits; and

(ii) A “member of family” as defined in section 8901(5) of title 5, United States Code.

(b) An eligible beneficiary may enroll in an FEHB plan under chapter 89 of title 5, United States Code, for self-only coverage or for self and family coverage. A self and family enrollment will include coverage of a dependent of the military member or former member who meets the definition of a “member of family” in section 8901(5) of title 5, United States Code. A self and family enrollment will not cover a person related to the eligible beneficiary that does not qualify as a “member of family” (as defined in section 8901(5) of title 5, United States Code) of the military member or former member.

(c) A person eligible for coverage under this subpart shall not be required to satisfy any eligibility criteria specified in chapter 89 of title 5, United States Code, or in other subparts of this part (except as provided in paragraphs (a)(3), (a)(4), and (b) of this section) as a condition for enrollment in health benefit plans offered through the FEHB Program under the demonstration project.

(d) When determining whether an individual is a “member of family” under section 8901(5) of title 5, United States Code, for purposes of paragraph (a)(3) and (a)(4) of this section, a DoD member or former member described in section 1076(b) or 1076(a)(2)(B) of title 10, United States Code, shall be deemed to be an employee under chapter 89 of title 5, United States Code. The sole purpose for deeming these members or former members of the uniformed services employees under chapter 89 of title 5, United States Code, is to determine which of their dependents can enroll as eligible beneficiaries in the demonstration project.
