§ 950.304 Responsibilities of local federations.

(a) Local federations must ensure that only those member organizations that comply with all eligibility requirements included in these regulations are certified for participation in the CFC.

(b) If the LFCC requests information supporting a certification of local eligibility, that information shall be furnished promptly. Failure to furnish such information within 10 business days of the receipt of the request constitutes grounds for the denial of local eligibility.

(c) Each federation, as fiscal agent for its member organizations, must ensure that Federal employee designations are honored in that each member...
§ 950.401 Campaign and publicity information.

(a) The specific campaign and publicity information, such as the official Charity List, will be developed locally, except as specified in these regulations. All information must be reviewed by the LFCC for compliance with these regulations and will be developed and supplied by the PCFO. All publicity information must have the approval of the LFCC before being used. Federations must notify the PCFO in writing of their desire to participate in the development of campaign and publicity information. The PCFO must respond in a timely manner to a federation’s request to participate in the development of campaign and publicity information. Federations must also respond in a timely fashion in the development of campaign and publicity information.

(b) During the CFC solicitation period, participating CFC organizations may distribute bona fide educational information describing its services or programs. The organization must be granted permission by the Federal agency installation head, or designee to distribute the material. CFC Coordinators, Keyworkers or members of the LFCC, are not authorized to grant permission for the distribution of such information. If one organization is granted permission to distribute educational information, then the Federal agency installation head must allow any other requesting CFC organization to distribute educational information.

(c) Organizations and federations are encouraged to publicize their activities outside Federal facilities and to broadcast messages aimed at Federal employees in an attempt to solicit their contributions through the media and other outlets.

(d) Agency Heads are further authorized to permit the distribution by organizations of promotional information to Federal personnel in public areas of Federal workplaces in connection with the CFC, provided that the manner of distribution accords equal treatment to all charitable organizations furnishing such information for local use, and further provided that no such distribution shall utilize Federal personnel on official duty or interfere with Federal government activities. LFCC members and other campaign personnel are to be particularly aware of the prohibition of assisting any charitable organization or federated group in distributing any type of literature, especially during the campaign period. Nothing in this section shall be construed to require an LFCC to distribute or arrange for the distribution of any material other than the Campaign Charity List and the pledge form.

(e) The Campaign Charity List and pledge form is the official source of CFC information and shall be made available either in hard copy or electronic format to all potential contributors. All CFC Charity Lists must inform employees of their right to make a choice to contribute or not to contribute; to designate or not to designate; and to give a confidential gift in a sealed envelope.

(f) Campaign information must constitute a simple and attractive design that has fundraising appeal and essential working information. The design should focus on the CFC without undue use of charitable organization symbols and logos or other distractions that compete for the donor’s attention. Excessive instructions concerning the routing of forms, tallying of contributor’s receipt, and similar reports, which are primarily for keyworkers must be avoided.

(g) The following applies specifically to the campaign Charity List:

(1) OPM will include in the annual distribution of the National/International and International parts of the Charity List explicit instructions for the production of the Charity List and language to be reproduced verbatim in the introductory section. The general information provided will include:
