§ 1312.23 Access to classified information.

Classified information may be made available to a person only when the possessor of the information establishes that the person has a valid "need to know" and the access is essential to the accomplishment of official government duties. The proposed recipient is eligible to receive classified information only after he/she has been granted a security clearance by the EOP Security Officer. Cover sheets will be used to protect classified documents from inadvertent disclosure while in use. An SF-703 will be used for Top Secret material; an SF-704 for Secret material, and an SF-705 for Confidential material. The cover sheet should be removed prior to placing the document in the files.

§ 1312.24 Access by historical researchers and former Presidential appointees.

(a) The requirements of Section 4.2(a)(3) of Executive Order 12958 may be waived for persons who are engaged in historical research projects, or who previously have occupied policy-making positions to which they were appointed by the President. Waivers may be granted only if the Associate Director (or Assistant Director) for Administration, in cooperation with the EOP Security Officer:

(1) Determines in writing that access is consistent with the interest of national security;

(2) Takes appropriate steps to protect classified information from unauthorized disclosure or compromise, and ensures that the information is safeguarded in a manner consistent with the order; and

(3) Limits the access granted to former Presidential appointees to items that the person originated, reviewed, signed, or received while serving as a Presidential appointee.

(b) In the instances described in paragraph (a) of this section, the Associate Director (or Assistant Director) for Administration, in cooperation with the EOP Security Officer, will make a determination as to the trustworthiness of the requestor and will obtain written agreement from the requestor to safeguard the information to which access is given. He/She will also obtain written consent to the review by OMB of notes and manuscripts for the purpose of determining that no classified information is contained therein. Upon the completion of these steps, the material to be researched will be reviewed.
