Subpart A—General

SOURCE: 67 FR 63511, Oct. 11, 2002, unless otherwise noted.

§ 1421.1 Applicability and interest.

(a) The regulations of this subpart are applicable to the 2008 through 2012 crops of barley, small chickpeas, corn, grain sorghum, lentils, oats, dry peas, peanuts, rice, wheat, wool, mohair, oilseeds and other crops designated by Commodity Credit Corporation (CCC). Additionally, large chickpeas are authorized for coverage for the 2009 through 2012 crop years. These regulations specify the general provisions under which marketing assistance loans (MAL) and loan deficiency payments (LDP) will be administered by CCC. Additional terms and conditions are in the note and security agreement and the loan deficiency payment application that must be executed by a producer to receive marketing assistance loans and LDPs. In any case in which money must be refunded to CCC in connection with this part, interest will be due to run from the date of disbursement of the sum to be refunded. This will apply, unless waived by the Deputy Administrator, irrespective of any other rule.

(b)(1) The basic loan rates, the schedule of premiums and discounts, and forms applicable to the marketing assistance and loan deficiency payment programs for the commodities specified in paragraph (a) of this section are available in Farm Service Agency (FSA) State and county offices. The forms for use in these programs will be prescribed by CCC.

(2) Loan deficiency payments shall be available for unshorn pelts, hay and silage.

(c) Marketing assistance loans and loan deficiency payments will not be available for any commodity produced on land owned or otherwise in the possession of the United States if such land is occupied without the consent of the United States.

(d) Producers who produced eligible loan commodities are eligible for marketing assistance loans or loan deficiency payments.

(d) The Executive Vice President, CCC, or a designee, may determine any question arising under these programs, or reverse or modify a determination made by a State or county committee.

(e) The Deputy Administrator for Farm Programs, FSA, may authorize State and county committees to waive or modify deadlines and other program requirements in cases where lateness or failure to meet such other requirements does not adversely affect the operation of the marketing assistance loan and loan deficiency payment program.

(f) A representative of CCC may execute marketing assistance loan and loan deficiency payment applications and related documents only under the terms and conditions determined and announced by CCC. Any document not executed under such terms and conditions, including any purported execution before the date authorized by CCC, shall be null and void.
