Commodity Credit Corporation, USDA

§ 1427.10 Approved storage.

(a) Eligible cotton may be pledged as collateral for loans only if stored at warehouses approved by CCC, unless the producer agrees to provisions of §1427.5(n).

(1) Persons desiring approval of their facilities should contact the Kansas City Commodity Office Beacon Facility-Mail Stop 8748, P.O. Box 419205, Kansas City, Missouri 64141–6205.

(2) The names of approved warehouses may be obtained from the Kansas City Commodity Office or from State or county offices.

(b) When the operator of a warehouse receives notice from CCC that a loan has been made on a bale of cotton, the operator shall, if such cotton is not stored within the warehouse, as directed by CCC place such cotton within such warehouse.

(c) An approved cotton storage warehouse may temporarily store cotton pledged as collateral for a CCC loan outside, subject to the following conditions:

(1) The warehouse submits a request for approval of outside storage in a format prescribed by CCC.

(2) The warehouse is located in a storage deficit area as determined by CCC.

(3) The warehouse complies with all outside storage requirements established by CCC including but not limited to the duration of such outside storage as granted by CCC for the individual application, all-risk insurance for the loan value of the cotton with CCC as loss payee, and use of additional protective coverings and materials that elevate the entire bottom surface of the bale to protect such cotton from damage by water or airborne contaminants.

(4) The electronic warehouse receipt for any bale or bales of cotton pledged as collateral for a CCC loan must include the dates that the bale was initially stored outside, and the date that outside storage stopped.

(5) The warehouse operator provides CCC:

(1) A weekly report in a format prescribed by CCC identifying individual bales of cotton pledged as collateral for a CCC loan that are stored outside, and
§ 1427.11 Warehouse receipts.

(a) Producers may obtain loans on eligible cotton represented by warehouse receipts only if the warehouse receipts meet the definition of a warehouse receipt and provide for delivery of the cotton to bearer or are properly assigned by endorsement in blank, so as to vest title in the holder of the receipt or are otherwise acceptable to CCC. The warehouse receipt must:

(1) Contain the gin bale number;
(2) Contain the warehouse receipt number;
(3) Be dated on or before the date the producer signs the note and security agreement.

(b) Warehouse receipts, under §1427.3, when issued as block warehouse receipts will be accepted when authorized by CCC only if the owner of the warehouse issuing the block warehouse receipt owns the cotton represented by the block warehouse receipt and the warehouse is not licensed under the U.S. Warehouse Act.

(c) Each receipt must set out in its terms the tare and the net weight of the bale represented by the receipt. The net weight shown on the warehouse receipt must be the difference between the gross weight as determined by the warehouse at the warehouse site and the tare weight. The warehouse receipt may show the net weight established at a gin if gin weights are permitted by the licensing authority for the warehouse.

(d) If warehouse storage charges have been paid, the receipt must show that date through which the storage charges have been paid.

(e) If warehouse receiving charges have been paid or waived, the warehouse receipt must show such fact.

(f) The warehouse receipt must show the compression status of the bale; i.e., flat, modified flat, standard, gin standard, standard density (short), gin universal, universal density (short), or warehouse universal density. The receipt must show if the compression charge has been paid, or if the warehouse claims no lien for such compression.

§ 1427.12 Liens.

(a) Waivers that fully protect the interest of CCC must be obtained before loan disbursement, notwithstanding provisions in §1427.19(h), if there are any liens or encumbrances on the cotton tendered as collateral for a loan.
