Commodity Credit Corporation, USDA

§ 1484.31 Who acts on behalf of each Cooperator?

The Cooperator shall designate at least two individuals in its organization to sign program agreements, reimbursement claims, and requests. The Cooperator shall submit the signature card signed by those designated individuals and by the Cooperator’s Chief Executive Officer to the Director, Marketing Operations Staff, FAS, USDA, prior to the start of the marketing plan year. The Cooperator shall immediately notify the Director of any changes in signatories (e.g., removal or addition of individuals, name changes, etc.).

§ 1484.30 How does FAS formalize its working relationship with approved Cooperators?

FAS will notify each applicant in writing of the final disposition of its application. FAS will send a program agreement, allocation approval letter, and a signature card to each approved applicant. The allocation approval letter will specify any special terms and conditions applicable to a Cooperator’s program, including the required level of Cooperator contribution. An applicant that accepts the terms and conditions contained in the program agreement and allocation approval letter should so indicate by having its Chief Executive Officer sign the program agreement and submit it to the Director, Marketing Operations Staff, FAS, USDA. Final agreement shall occur when the Administrator signs the agreement on behalf of FAS. The application, the program agreement, the allocation approval letter, and this part shall establish the terms and conditions of a Cooperator agreement between FAS and the approved applicant.

§ 1484.22 How are Cooperator program funds allocated?

After determining which applications to recommend for approval, the Commodity Divisions recommend funding levels for the approved applicants within their respective divisions. Applications then compete for funds on the basis of the following allocation criteria (the number in parentheses represents a percentage weight factor). Data used in the calculations for contribution levels, past export performance and past demand expansion performance will cover not more than a 6-year period, to the extent such data is available. The method for applying the following criteria will be described in the Cooperator program announcement in the Federal Register:

(a) Contribution Level (40%).
(b) Past Export Performance (30%).
(c) Past Demand Expansion Performance (20%).
(d) Future Demand Expansion Goals (10%).
(e) Accuracy of Past Demand Expansion Projections (10%).
