(2) Final performance reports must be submitted no later than 90 days after completion of the project, both electronically (preferably in PDF format) and in hard copy.
(3) Reporting requirements and formats for both quarterly progress reports and final performance reports are specified in the project agreement between CCC and the Recipient entity.
(4) All final performance reports will be made available to the public.
(b) Financial Reports. Final financial reports must be submitted no later than 90 days after completion of the project. The Recipient must advise the Agricultural Counselor(s) or Attache(s) in the country or countries of any planned visits by the Recipient or its consultants or other participants to such country or countries under terms of its agreement. Failure to notify the Counselor/Attache may result in disallowance of the travel expenditures.

§ 1486.502 How is project effectiveness measured?

Project evaluations may be carried out by FAS at its option with or without Recipients. FAS may also seek outside expertise to conduct or participate in evaluations.

§ 1486.503 How is program compliance monitored?

(a) The CRS, FAS, performs periodic on-site reviews of Recipients to ensure compliance with this part, applicable federal regulations, and the terms of the project agreements. Program funds spent inappropriately or on unapproved activities must be returned to CCC. The CRS will review contributions from Recipients for compliance with project budgets as approved and specified in the agreements.
