§ 1738.203

has been informed of the collection options the Federal Government may use to collect delinquent debt.

(b) Applicants must agree in writing to comply with all Federal, State and local laws, rules, regulations, ordinances, codes, and orders applicable to the project.

§§ 1738.157–1739.200 [Reserved]

Subpart E—Application Review and Underwriting

§ 1738.201 Application submission.

(a) Loan applications must be submitted directly to the Agency's National Office or to the General Field Representative (GFR) that is assigned to the area where the applicant's headquarters are located. A list of GFRs and the areas they are assigned can be found on the Agency's Web site. All applications must contain two hard copies and an electronic copy of the entire application. An application is considered received upon receipt of the hard and electronic copies by the National Office. The date and time of that receipt will establish the application's placement in the processing queue.

(b) The Agency may publish additional application submission requirements in the FEDERAL REGISTER.

§ 1738.202 Elements of a complete application.

An applicant must submit to the Agency a complete application in a format as required by the Agency in the Rural Broadband Access Loan and Loan Guarantee Program Application Guide (the Application Guide). To be considered complete, the application must contain at least the following items, each of which must be completed in a manner acceptable to the Agency:

(a) A completed RUS Form 532, including any additional items required by the form;

(b) Information required for the public notice to determine service area eligibility (see § 1738.204);

(c) Documentation demonstrating how the applicant will meet the equity requirement (see § 1738.207);

(d) A market survey, unless not required by § 1738.209(b);

(e) A competitive analysis (see § 1738.210);

(f) Required financial information (see § 1738.211);

(g) A network design (see § 1738.212);

(h) A legal opinion that addresses the applicant's ability to enter into a loan as requested in the loan application, to pledge security as required by the Agency, to describe all pending litigation matters, and such other requirements as are detailed in the Application Guide;

(i) All required licenses and regulatory approvals for the proposed operation or the status of obtaining these items; and

(j) Additional items that may be required by the Administrator through a notice in the FEDERAL REGISTER.

§ 1738.203 Priority for processing loan applications.

(a) Except as provided in Section 306F of the RE Act (SUTA) and section 1738.3 herein, in making or guaranteeing loans, the Agency shall give priority to applications in the following order:

(1) Applications in which no broadband service is available in any funded service area;

(2) Applications in which at least 75 percent of households in the funded service area have no incumbent service provider. For applications with multiple funded service areas, the 75 percent calculation is based on all funded service areas combined;

(3) Applications in which at least 50 percent of households in the funded service area have no incumbent service provider. For applications with multiple funded service areas, the 50 percent calculation is based on all funded service areas combined;

(4) Applications in which at least 25 percent of households in the funded service area have no incumbent service provider. For applications with multiple funded service areas, the 25 percent calculation is based on all funded service areas combined; and

(5) All other applications.

(b) Once applications have been prioritized according to the criteria listed in paragraph (a) of this section, the applications will be processed on a
