§ 4280.177 Evaluation of feasibility study grant applications.

(a) Agency evaluation. Feasibility study applications submitted under this subpart will be evaluated by the Agency for eligibility, completeness, and scoring.

(b) General review. The Agency will evaluate each application and make a determination as to whether the applicant is eligible, the proposed grant is for an eligible feasibility study, and the proposed grant complies with all applicable statutes and regulations.

(1) Applicant eligibility. The Agency will first determine whether the entity is eligible to compete for a feasibility study grant. Applications for applicants determined by the Agency not to be eligible will not be processed further. The Agency will determine applicant eligibility based on the criteria specified in § 4280.170.

If the application does not contain such certification, it is an ineligible application and the Agency will stop processing the application.

§4280.179 Selecting feasibility study grant applications for award.

The Agency will use the following process to determine which feasibility study grants receive funding under this subpart.

(a) Ranking of applications. All scored applications will be ranked by the Agency as soon after the application deadline as possible. All applications that are ranked will be considered for selection for funding.

(b) Selection of applications for funding. Using the ranking created under paragraph (a) of this section, the Agency will consider the score an application has received compared to the scores of other ranked applications, with higher scoring applications receiving first consideration for funding.

(c) Funding selected applications. As applications are funded, if insufficient funds remain to fund the next highest scoring application, the Agency may elect to fund a lower scoring application. Before this occurs, the Agency will provide the applicant of the higher scoring application the opportunity to reduce the amount of its grant request to the amount of funds available. If the applicant agrees to lower its grant request, it must certify that the purposes of the project can be met, and the Agency must determine the project is financially feasible at the lower amount.

(d) Disposition of ranked applications not funded. Based on the availability of funding, a ranked application may not be funded in the fiscal year in which it was submitted.
