agricultural producer served—matching funds should be clearly identified as cash;

(5) The geographic scope of the proposed project;

(6) Applicant’s experience as follows:

(i) If applying for a renewable energy development assistance grant, the applicant’s experience in completing similar renewable energy development assistance activities, including the number of similar projects the applicant has performed and the number of years the applicant has been performing a similar service.

(ii) If applying for an energy audit grant, the number of energy audits and assessments the applicant has completed and the number of years the applicant has been performing those services;

(iii) For all applicants, the amount of experience in administering energy audit, renewable energy development assistance, or similar activities using State or Federal support.

(7) Applicant’s resources, including personnel, finances, and technology, to complete what is proposed. If an application is for projects located in multiple states, resources must be sufficient to complete all projects;

(8) Leveraging and commitment of other sources of funding being brought to the project. Leveraged funds should be clearly identified as cash and by source. Written documentation/confirmation from the party committing a specific amount of leveraged funds is required;

(9) Outreach activities/marketing efforts specific to conducting energy audit and renewable energy development assistance including:

(i) Project title;

(ii) Goals of the project;

(iii) Identified need;

(iv) Target audience;

(v) Timeline and type of activities/action plan; and

(vi) Marketing strategies.

(10) Method and rationale used to select the areas and businesses that will receive the service.

(11) Brief description of how the work will be performed, including whether organizational staff, consultants, or contractors will be used.

(f) The most recent financial audit (not more than 18 months old) of the applicant, or subdivision thereof, that will be performing the proposed work. If such an audit is not available, the latest financial information that shows the financial capacity of the applicant, or subdivision thereof, to perform the proposed work. Such information may include, but is not limited to, the most recent year-end balance sheet, income statement, and other appropriate data that identify the applicant’s resources.

(g) The applicant’s Dun and Bradstreet Data Universal Numbering System (DUNS) number.

§ 4280.191 Evaluation of energy audit and renewable energy development assistance grant applications.

Upon receipt of an application, the Agency will conduct a review to determine if the applicant and project are eligible. The Agency will notify the applicant in writing of the Agency’s findings. If the Agency has determined that either the applicant or project is ineligible, it will include in the notification the reason(s) for its determination(s).

§ 4280.192 Scoring energy audit and renewable energy development assistance grant applications.

Agency personnel will score each application using the criteria specified in paragraphs (a) through (h) of this section, with a maximum score of 100 points possible.

(a) Project proposal (maximum score of 10 points). The applicant will be scored based on its in-house ability to conduct audits versus using third party auditing organizations as illustrated in the application.

(1) If the applicant proposes to use at least 51 percent of the awarded funding to employ internal, qualified auditors and/or renewable energy specialists for program implementation, up to 10 points will be awarded as follows:

(i) If the percentage is between 51 percent and 75 percent (inclusive), 5 points will be awarded.

(ii) If the percentage is more than 75 percent, 10 points will be awarded.

(2) If the applicant proposes to use less than 51 percent of the awarded funding to employ internal, qualified
auditors and/or renewable energy specialists for program implementation, zero points will be awarded.

(b) Use of Grant Funds for Administrative Expenses (maximum score of 10 points). Grantees selected to participate may use up to 5 percent of their award for administrative expenses.

1) If the applicant proposes to use none of the grant funds for Administrative Expenses, 10 points will be awarded.

2) If the applicant proposes to use a portion (up to 5 percent) of the grant funds for Administrative Expenses, zero points will be awarded.

(c) Applicant’s organizational experience in completing proposed activity (maximum score of 15 points). The applicant will be scored on the experience of the organization in meeting the benchmarks below. This means that an organization must have been in business and provided services as noted in the scoring requirements. An organization’s experience must be documented with references and resumes. Points will be awarded as follows:

1) More than 3 years of experience, 15 points will be awarded.

2) At least 2 years and up to and including 3 years of experience, 10 points will be awarded.

3) At least 1 year but less than 2 years of experience, 5 points will be awarded.

4) Less than 1 year of experience, zero points will be awarded.

(d) Geographic scope of project in relation to identified need (maximum score of 10 points). (1) If the applicant’s proposed or existing service area is State-wide or includes all or parts of multiple states, and the marketing and outreach plan has identified needs throughout that service area, 10 points will be awarded.

2) If the applicant’s proposed or existing service area consists of multiple counties in a single State and the marketing and outreach plan has identified needs throughout that service area, 7.5 points will be awarded.

3) If the applicant’s service area consists of a single county or municipality and the marketing and outreach plan has identified needs throughout that service area, 5 points will be awarded.

(e) Number of agricultural producers/ rural small businesses to be served (maximum score of 15 points). (1) If the applicant plans to provide audits to ultimate recipients with average audit costs of $1,000 or less, 15 points will be awarded.

2) If the applicant plans to provide audits to ultimate recipients with average audit costs over $1,000 but less than $1,500, 10 points will be awarded.

3) If the applicant plans to provide audits to ultimate recipients with average audit costs of at least $1,500 but less than $2,000, 5 points will be awarded.

(f) Potential of project to produce energy savings and its attending environmental benefits (maximum score of 25 points). Applicants can be awarded points under both paragraphs (f)(1) and (f)(2) of this section.

1) If the applicant has an existing program that can demonstrate the achievement of energy savings with the agricultural producers and/or rural small businesses it has served, 13 points will be awarded.

2) If the applicant provides evidence that it has received awards in recognition of its renewable energy, energy savings, or energy-based technical assistance, up to 12 points will be awarded based on number of awards and rigorousness of the competition for each award.

(g) Marketing and outreach plan (maximum score of 10 points). If the applicant includes in the application a marketing and outreach plan and provides a satisfactory discussion of each of the following criteria, two points for each of the following will be awarded:

1) The goals of the project;

2) Identified need;

3) Target beneficiaries;

4) Timeline and action plan; and

5) Marketing strategies and supporting data for strategies.

(h) Level and commitment of other funds for the project (maximum score of 5 points). (1) If the applicant proposes to leverage grant funding with 50 percent or more in non-State and non-Federal government matching funds for the subject grant, and has a written commitment for those funds, 5 points will be awarded.
§ 4280.193 Selecting energy audit and renewable energy development assistance grant applications for award.

Applications will be scored by the State Offices and submitted to the National Office for review. To ensure the equitable geographic distribution of funds, the two highest scoring applications from each State, based on the scoring criteria established under § 4280.192 will be submitted to the National Office to compete for funding.

(a) Ranking of applications. All applications submitted to the National Office will be ranked. All applications that are ranked will be considered for selection for funding.

(b) Selection of applications for funding. Using the ranking created under paragraph (a) of this section, the Agency will consider the score an application has received compared to the scores of other ranked applications, with higher scoring applications receiving first consideration for funding.

(c) Funding selected applications. As applications are funded, if insufficient funds remain to fund the next highest scoring application, the Agency may elect to fund a lower scoring application. Before this occurs, the Agency will provide the applicant of the higher scoring application the opportunity to reduce the amount of its grant request to the amount of funds available. If the applicant agrees to lower its grant request, it must certify that the purposes of the project can be met, and the Administrator must determine the project is financially feasible at the lower amount.

(d) Disposition of ranked applications not funded. Based on the availability of funding, a ranked application submitted under this subpart may not be funded. Such ranked applications will not be carried forward into Fiscal Year 2012 and the Agency will notify the applicant in writing.

§ 4280.194 Actions prior to grant closing.

Applicants expecting funds from other sources for use in completing projects being partially financed with Agency funds must have these funds from other such sources prior to grant closing. Agency funds will not be expended in advance of funds committed to the project from other sources without prior Agency approval.

§ 4280.195 Awarding and administering energy audit and renewable energy development assistance grants.

Energy audit and renewable energy development assistance grants under this subpart will be awarded and administered in accordance with Departmental regulations and with paragraphs (a) through (e) of this section.

(a) Letter of conditions. The Agency will notify the approved applicant in writing, setting out the conditions under which the grant will be made. The notice will include those matters necessary to ensure that the proposed grant is completed in accordance with the terms of the scope of work and budget, that grant funds are expended for authorized purposes, and that the applicable requirements prescribed in the relevant Departmental regulations are complied with. The Letter of Conditions will be sent to the applicant.

(b) Applicant’s intent to meet conditions. Upon reviewing the conditions and requirements in the letter of conditions, the applicant must complete, sign, and return Form RD 1942–46 to the Agency; or if certain conditions cannot be met, the applicant may propose alternate conditions to the Agency. The Agency must concur with any changes proposed to the Letter of Conditions by the applicant before the application will be further processed.

(c) Forms. The forms specified in paragraphs (c)(1) through (c)(6) of this section will be attached to the letter of conditions referenced in paragraph (a) of this section. The forms specified in paragraphs (c)(1) through (c)(5) of this section must be submitted prior to
