§ 4287.101 Introduction.
(a) This subpart supplements part 4279, subparts A and B, by providing additional requirements and instructions for servicing and liquidating all Business and Industry (B&I) Guaranteed Loans. This includes Drought and Disaster (D&D), Disaster Assistance for Rural Business Enterprises (DARBE), and Business and Industry Disaster (BID) loans.
(b) The lender will be responsible for servicing the entire loan and will remain mortgagee and secured party of record notwithstanding the fact that another party may hold a portion of the loan. The entire loan will be secured by the same security with equal lien priority for the guaranteed and unguaranteed portions of the loan. The unguaranteed portion of a loan will neither be paid first nor given any preference or priority over the guaranteed portion of the loan.
(c) Copies of all forms, regulations, and Instructions referenced in this subpart are available in any Agency office. Whenever a form is designated in this subpart, that designation includes predecessor and successor forms, if applicable, as specified by the field or National Office.

§ 4287.107 Routine servicing.
The lender is responsible for servicing the entire loan and for taking all servicing actions that a prudent lender would perform in servicing its own portfolio of loans that are not guaranteed. The Loan Note Guarantee is unenforceable by the lender to the extent any loss is occasioned by violation of usury laws, use of loan funds for unauthorized purposes, negligent servicing, or failure to obtain the required security interest regardless of the time at which the Agency acquires knowledge of the foregoing. This responsibility includes but is not limited to the collection of payments, obtaining compliance with the covenants and provisions in the Loan Agreement, obtaining and analyzing financial statements, checking on payment of taxes and insurance.
premiums, and maintaining liens on collateral.

(a) Lender reports and annual renewal fee. The lender must report the outstanding principal and interest balance on each guaranteed loan semiannually using a USDA-approved status report or other approved format. The lender will transmit the annual renewal fee to the Agency simultaneously with the December 31 semiannual status report in accordance with 7 CFR part 4279, subpart B, §4279.107.

(b) Loan classification. Within 90 days of receipt of the Loan Note Guarantee, the lender must notify the Agency of the loan’s classification or rating under its regulatory standards. Should the classification be changed at a future time, the Agency must be notified immediately.

(c) Agency and lender conference. At the Agency’s request, the lender will meet with the Agency to ascertain how the guaranteed loan is being serviced and that the conditions and covenants of the Loan Agreement are being enforced.

(d) Financial reports. The lender must obtain and forward to the Agency the financial statements required by the Loan Agreement. The lender must submit annual financial statements to the Agency within 120 days of the end of the borrower’s fiscal year. The lender must analyze the financial statements and provide the Agency with a written summary of the lender’s analysis and conclusions, including trends, strengths, weaknesses, extraordinary transactions, and other indications of the financial condition of the borrower. Spreadsheets of the new financial statements must be included.

(e) Additional expenditures. The lender will not make additional loans to the borrower without first obtaining the prior written approval of the Agency, even though such loans will not be guaranteed.

§§ 4287.108–4287.111 [Reserved]

§ 4287.112 Interest rate adjustments.

(a) Reductions. The borrower, lender, and holder (if any) may collectively initiate a permanent or temporary reduction in the interest rate of the guaranteed loan at any time during the life of the loan upon written agreement among these parties. The Agency must be notified by the lender, in writing, within 10 calendar days of the change. If any of the guaranteed portion has been purchased by the Agency, then the Agency will affirm or reject interest rate change proposals in writing. The Agency will concur in such interest-rate changes only when it is demonstrated to the Agency that the change is a more viable alternative than initiating or proceeding with liquidation of the loan or continuing with the loan in its present state.

(1) Fixed rates can be changed to variable rates to reduce the borrower’s interest rate only when the variable rate has a ceiling which is less than or equal to the original fixed rate.

(2) Variable rates can be changed to a fixed rate which is at or below the current variable rate.

(3) The interest rates, after adjustments, must comply with the requirements for interest rates on new loans as established by §4279.125 of subpart B of part 4279 of this chapter.

(4) The lender is responsible for the legal documentation of interest-rate changes by an endorsement or any other legally effective amendment to the promissory note; however, no new notes may be issued. Copies of all legal documents must be provided to the Agency.

(b) Increases. No increases in interest rates will be permitted except the normal fluctuations in approved variable interest rates unless a temporary interest-rate reduction had occurred.

§ 4287.113 Release of collateral.

(a) All releases of collateral with a value exceeding $100,000 must be supported by a current appraisal on the collateral released. The appraisal will be at the expense of the borrower and must meet the requirements of §4279.144 of subpart B of part 4279 of this chapter. The remaining collateral must be sufficient to provide for repayment of the Agency’s guaranteed loan. The Agency may, at its discretion, require an appraisal of the remaining collateral in cases where it is determined
