must specify in detail the relief requested. The importer or entity requesting the appeal will bear the cost of any subsequent sampling and testing. Subsequent samples will be selected only from tobacco which is in the original package and from tobacco which has not been mixed, blended, or altered in any manner since the initial sampling.

[51 FR 30199, Aug. 22, 1986]

§ 29.431 Handling of imported tobacco pending test results.

After an individual shipment of imported flue-cured or burley tobacco has been sampled, regardless of whether it is certified as being free from prohibited pesticide residues, it must be kept in the original packages, and not be mixed, blended, manipulated, or altered in any manner, or moved, shipped, or transported from the point of entry until it has been determined that the tobacco does not contain prohibited pesticide residues.

[54 FR 24663, June 9, 1989]

§ 29.500 Fees and charges for inspection and acceptance of imported tobacco.

(a) The fee for inspection of imported tobacco is $.0099 per kilogram and shall be paid by the importer. This inspection fee applies to all tobacco imported into the United States except as provided in §29.400. Fees for services rendered shall be remitted by check or draft in accordance with a statement issued by the Director, and shall be made payable to “Agricultural Marketing Service.”

(b) The fee for sampling, accepting, and certification of imported flue-cured and burley tobacco for prohibited pesticide residues is $.0077 per kilogram and shall be paid by the importer.

(c) The fee for accepting imported flue-cured and burley tobacco not accompanied by a certification that it is free of prohibited pesticide residues shall be an additional $.0077 per kilogram. The minimum fee assessed pursuant to this paragraph shall be $162.00 per lot. Fees for services rendered shall be remitted by check or draft in accordance with a statement issued by the Director, and shall be made payable to “Agricultural Marketing Service.”
