§ 33.11 Inspection and certification.

(a) Each person shipping, or offering for shipment, apples to any foreign destination shall cause them to be inspected by the Federal or Federal-State Inspection Service in accordance with regulations governing the inspection and certification of fresh fruits, and vegetables and other products (Part 51 of this chapter) and certified as meeting the requirements of the Act and this part. No carrier shall transport, or receive for transportation, apples to any foreign destination unless they have been so inspected and certified. Inspection and certification may be obtained at any time prior to exportation of the apples. Such a Federal or Federal-State certificate shall be designated as an “Export Form Certificate” and shall include the following:

(1) The name and address of the grower, packer, or domestic distributor: Provided, That the name of the foreign distributor may be placed on consumer unit packages shipped in a master container if such master container is marked with the name and address of the grower, packer, or domestic distributor;

(2) The variety of the apples;

(3) The name of the U.S. grade or the name of a state grade if the fruit meets each minimum requirement of a U.S. grade specified in this section.

(b) Decay, scald or any other deterioration which may have developed on apples after they have been in storage or transit shall be considered as affecting condition and not the grade.

(c) Each package of apples is packed so that the apples in the top layer shall be reasonably representative in size, color, and quality of the contents of the package; and

(d) Each package of apples is marked plainly and conspicuously with:

(1) The name and address of the grower, packer, or domestic distributor: Provided, That the name of the foreign distributor may be placed on consumer unit packages shipped in a master container if such master container is marked with the name and address of the grower, packer, or domestic distributor;

(2) The variety of the apples;

(3) The name of the U.S. grade or the name of a state grade if the fruit meets each minimum requirement of a U.S. grade specified in this section.

§ 33.10 Minimum requirements.

No person shall ship, or offer for shipment, apples to any foreign destination unless:

(a) Apples grade at least U.S. No. 1 or U.S. No. 1 Early: Provided, That apples for export to Pacific ports of Russia shall grade at least U.S. Utility or U.S. No. 1 Early, and shall be free of damage, and infestation of any insects, and air-dried to 7.5% or less moisture, and shall be held no more than two years.

(b) Each person shipping, or offering for shipment, apples to any foreign destination shall cause them to be inspected by the Federal or Federal-State Inspection Service in accordance with regulations governing the inspection and certification of fresh fruits, and vegetables and other products (Part 51 of this chapter) and certified as meeting the requirements of the Act and this part. No carrier shall transport, or receive for transportation, apples to any foreign destination unless they have been so inspected and certified. Inspection and certification may be obtained at any time prior to exportation of the apples. Such a Federal or Federal-State certificate shall be designated as an “Export Form Certificate” and shall include the following:

(1) The name and address of the grower, packer, or domestic distributor; Provided, That the name of the foreign distributor may be placed on consumer unit packages shipped in a master container if such master container is marked with the name and address of the grower, packer, or domestic distributor;

(2) The variety of the apples;

(3) The name of the U.S. grade or the name of a state grade if the fruit meets each minimum requirement of a U.S. grade specified in this section.

§ 33.7 Less than carload lot.

Less than carload lot means a quantity of apples in packages not exceeding 20,000 pounds gross weight or 400 standard boxes or equivalent.
