§ 51.1824 Firm.

Firm means that the flesh is not soft and the fruit is not badly puffy and that the skin has not become materially separated from the flesh of the tangerine.

§ 51.1825 Well formed.

Well formed means that the fruit has the characteristic tangerine shape and is not deformed.

§ 51.1826 Damage.

Damage means any specific defect described in §51.1837, Table I; or an equally objectionable variation of any one of these defects, any other defect, or any combination of defects, which materially detracts from the appearance, or the edible or marketing quality of the fruit.

§ 51.1827 Highly colored.

Highly colored means that the ground color of each fruit is a deep tangerine color, or characteristic color for the variety, with practically no trace of yellow color.

§ 51.1828 Discoloration.

Discoloration means russetting of a light shade of golden brown caused by rust mite or other means. Lighter shades of discoloration caused by smooth or fairly smooth superficial scars or other means may be allowed on a greater area, or darker shades may be allowed on a lesser area, provided no discoloration caused by speck type melanose or other means may detract from the appearance of the fruit to a greater extent than the shade and amount of discoloration allowed in the grade.

§ 51.1829 Well colored.

Well colored means that a good yellow or better ground color predominates over the green color on the entire fruit surface with no distinct green color present, and that some portion of the surface has a reddish tangerine blush, or characteristic color for the variety.

§ 51.1830 Fairly well colored.

Fairly well colored means that the surface of the fruit may have green color which does not exceed the aggregate area of a circle 1–1⁄4 inches (31.8 mm) in diameter and that the remainder of the surface has a yellow or better ground color with some portion of the surface showing reddish tangerine blush, or characteristic color for the variety.

§ 51.1831 Fairly firm.

Fairly firm means that the flesh may be slightly soft but is not bruised or badly puffy, and that the skin has not
