Agricultural Marketing Service, USDA

§ 110.5

(i) County, range, township, and section;
(ii) An identification system utilizing maps and/or written descriptions which accurately identify location;
(iii) An identification system established by a United States Department of Agriculture agency which utilizes maps and numbering system to identify field locations; or
(iv) The legal property description.
(4) The month, day, and year on which the restricted use pesticide application occurred; and
(5) The name and certification number (if applicable) of the certified applicator who applied or who supervised the application of the restricted use pesticide.
(b) Certified applicators shall maintain records of the application of restricted use pesticides made on the same day in a total area of less than one-tenth (1/10) of an acre. Except for applications of restricted use pesticides in greenhouses and nurseries, to which the requirements of paragraph (a) of this section apply, these records shall include the following information for the application:
(1) The brand or product name, and the EPA registration number of the restricted use pesticide that was applied;
(2) The total amount of the restricted use pesticide applied;
(3) The location of the application, designated as “spot application,” followed by a concise description of location and treatment; and
(4) The month, day, and year on which the restricted use pesticide application occurred.
(c) The information required in this section shall be recorded within 14 days following the pesticide application. However, whether or not the written record has been completed, the certified applicator shall provide the information to be recorded in accordance with §110.5(a).
(d) The records required in this section shall be retained for a period of 2 years from the date of the restricted use pesticide application and be maintained in a manner that is accessible by authorized representatives.
(e) A commercial applicator shall, within 90 days of a restricted use pesticide application, provide a copy of records required under this section or under State or Federal regulations (whichever is applicable) under which the commercial applicator is holding certification, to the person for whom the restricted use pesticide was applied.
(f) A certified applicator shall, upon oral request and presentation of credentials by an authorized representative, make available to the authorized representative the records required to be maintained under this section and permit the authorized representative to copy any of the records. The original of the records required to be maintained under this section shall be retained by the certified pesticide applicators.
(g) No Federal or State agency shall release information obtained under this part that would directly or indirectly reveal the identity of producers of commodities to which restricted use pesticides have been applied.
(h) Certified applicators who apply restricted use pesticides in States where they are required to maintain records on applications of restricted use pesticides, comparable to those for commercial applicators in that State, and such records are maintained in accordance with State requirements, are not subject to paragraphs (a), (b), and (c) of this section.

§ 110.4 Demonstration of compliance.

The Secretary is authorized to inspect and copy any record required to be maintained by this part in order to determine whether a certified applicator is complying with this part.

§ 110.5 Availability of records to facilitate medical treatment.

(a) When the attending licensed health care professional, or an individual acting under the direction of the attending licensed health care professional, determines that any record of the application of any restricted use pesticide required to be maintained under §110.3 is necessary to provide medical treatment or first aid to an individual who may have been exposed to the restricted use pesticide for which the record is or will be maintained, the
§ 110.6 Federal cooperation with States.

(a) For the purpose of carrying out this part, the Administrator may enter into agreements with States.

(b) The Administrator may, after entering a State-Federal cooperative agreement with a State, utilize employees and facilities of the State to carry out any provisions of this part in that State. This State-Federal cooperative agreement shall specify:

(1) The agency of the State that is designated as the State lead agency;

(2) The responsibilities of State agencies for the enforcement of this part and the imposition of penalties under this part;

(3) The qualifications required of the State employees administering and enforcing this part;

(4) That the State-Federal cooperative agreement may be terminated at any time by the mutual agreement of the parties to the agreement;

(5) That the State-Federal cooperative agreement may be terminated by either party by giving written notice to the other party at least 90 days before a specified date of termination; and

(6) The provisions for liaison between the State and the Administrator concerning the administration and enforcement of this part as may be agreed by the Administrator and the State.

(c) If at any time the Administrator shall determine that the State lead agency or other State agencies charged with carrying out the terms of the State-Federal cooperative agreement are unable or unwilling to carry out the terms of the agreement, or, if for any reason the Administrator or State shall determine that the agreement is no longer in effect, the Administrator shall administer and enforce this part in the State.

(d) If a State shall notify the Administrator of its readiness to enter into a State-Federal cooperative agreement prior to passage of State legislation and regulations governing recordkeeping by certified applicators of restricted use pesticides, the Administrator may enter into a State-Federal cooperative agreement with the State on an annual basis.

(e) For a State to be eligible for Federal technical or financial assistance under a State-Federal cooperative agreement, the State requirements for recordkeeping by all certified applicators of restricted use pesticides must be comparable to the recordkeeping requirements under this part.

§ 110.7 Penalties.

Any certified applicator who violates 7 U.S.C. 136l-1(a), (b), or (c) or this part shall be subject to a civil penalty of not more than the amount specified in section §3.91(b)(1)(i)(A) of this title in the case of the first offense, and in the case of subsequent offenses, be subject to a civil penalty of not less than the
