§ 322.7 Notice of arrival.

(a) At least 10 business days prior to the arrival in the United States of any shipment of bees or honeybee germ plasm imported into the United States under this subpart, you must notify APHIS of the impending arrival. Your notification must include the following information:

(1) Your name, address, and telephone number;

(2) The name and address of the receiving apiary;

(3) The name, address, and telephone number of the producer;

(4) The U.S. port where you expect the shipment to arrive. The port must be available at the U.S. port.

(b) Notice of departure.

If you intend to export bees or honeybee germ plasm from the United States, you must notify APHIS at least 10 business days prior to the departure of your shipment. Your notification must include the following information:

(1) Your name, address, and telephone number;

(2) The name and address of the exporter;

(3) The name, address, and telephone number of the producer;

(4) The U.S. port of departure;

(5) The date of departure;

(6) The type of bees or honeybee germ plasm;

(7) The quantity and number of hives or containers;

(8) The port of exportation.

§ 322.8 Import permit.

(a) Import permit required.

You must obtain an import permit from APHIS before importing bees or honeybee germ plasm into the United States. The import permit must contain the following information:

(1) Your name, address, and telephone number;

(2) The name and address of the importer;
