Federal Crop Insurance Corporation, USDA § 400.207

Balance Sheet; and the result of operations in the Statement of Profit and Loss or Income Statement.

(j) Processing representative means a person or organization designated by the Contractor to be responsible for data entry and electronic transmission of data contained on crop insurance documents.

(k) Sales means new applications and renewals of FCIC policies.

(l) Suspended Data Notice means a notification of a temporary stop or delay in the processing of data transmitted to the Corporation by the Contractor because the same is incomplete, non-processable, obsolete, or erroneous.

(m) 3780 protocol—means the data communications protocol (standard) that is a binary synchronous communications (BSC), International Business Systems (IBM)-defined, byte controlled communications protocol, using control characters and synchronized transmission of binary coded data.

§ 400.204 Notification of deviation from standards.

A Contractor shall advise the Corporation immediately if the Contractor deviates from the requirements of these standards. The Corporation may require the Contractor to show compliance with these standards during the contract year if the Corporation determines that such submission is necessary. If the Corporation determines that the deviation is temporary, the Corporation may grant a temporary waiver pending compliance within a specified period of time. A waiver of any provision of these standards will not be granted to an applicant for a contract.

§ 400.205 Denial or termination of contract and administrative reassignment of business.

Non-compliance with these standards will result in:

(a) The denial of a Contract; or

(b) Termination of an existing Contract.

In the event of denial or termination of the Contract, all crop insurance policies of the Corporation sold by the Contractor and all business pertaining thereto may be assumed by the Corporation and may be administratively reassigned by the Corporation to another Contractor.

§ 400.206 Financial qualifications for acceptability.

The financial statement of an entity must show total allowable assets in excess of liabilities and the ability of the entity to meet current liabilities by the use of current assets.

§ 400.207 Representative licensing and certification.

(a) A Contractor must maintain twenty-five (25) licensed and certified Contractor Representatives.

(b) A Contractor’s Representative who solicits, sells and services FCIC policies or represents the Contractor in solicitation, sales or service of such policies must hold a license as issued by the State or States in which the policies are issued, which license authorizes the sales of insurance in any one or more of the following lines:

(1) Multiple peril crop insurance;
