any writedown on a loan covered by an interest assistance agreement.

(k) Rescheduling and deferral. When a borrower defaults on a loan with interest assistance or the loan otherwise requires rescheduling or deferral, the interest assistance agreement will remain in effect for that loan at its existing terms. The lender may reschedule the loan in accordance with §762.145. For Interest Assistance Agreements dated June 8, 2007 or later increases in the restructured loan amount above the amount originally obligated do not require additional funding; however, interest assistance is not available on that portion of the loan as interest assistance is limited to the original loan amount.

(l) Bankruptcy. In cases where the interest on a loan covered by an interest assistance agreement is reduced by court order in a reorganization plan under the bankruptcy code, interest assistance will be terminated effective on the date of the court order. Guaranteed loans which have had their interest reduced by bankruptcy court order are not eligible for interest assistance.

(m) Termination of interest assistance payments. Interest assistance payments will cease upon termination of the loan guarantee, upon reaching the expiration date contained in the agreement, or upon cancellation by the Agency under the terms of the interest assistance agreement. In addition, for loan guarantees sold into the secondary market, Agency purchase of the guaranteed portion of a loan will terminate the interest assistance.

(n) Excessive interest assistance. Upon written notice to the lender, borrower, and any holder, the Agency may amend or cancel the interest assistance agreement and collect from the lender any amount of interest assistance granted which resulted from incomplete or inaccurate information, an error in computation, or any other reason which resulted in payment that the lender was not entitled to receive.

(o) Condition for cancellation. The Interest Assistance Agreement is uncontestable except for fraud or misrepresentation, of which the lender or borrower have actual knowledge at the time the interest assistance agreement is executed, or which the lender or borrower participates in or condones.

(p) Substitution. If there is a substitution of lender, the original lender will prepare and submit to the Agency a claim for its final interest assistance payment calculated through the effective date of the substitution. This final claim will be submitted for processing at the time of the substitution.

(1) Interest assistance will continue automatically with the new lender.

(2) The new lender must follow paragraph (i) of this section to receive their initial and subsequent interest assistance payments.

(q) Exception Authority. The Deputy Administrator for Farm Loan Programs has the authority to grant an exception to any requirement involving interest assistance if it is in the best interest of the Government and is not inconsistent with other applicable law.
