(2) The Secretary, upon recommendation of the committee, may determine that it is appropriate for the maintenance and functioning of the committee that the funds remaining at the end of a fiscal year which are in excess of the expenses necessary for committee operations during such year may be carried over into following years as a reserve. Such reserve may be established at an amount not to exceed approximately 3 fiscal years’ operational expenses. Funds in the reserve may be used to cover the necessary expenses of liquidation, in the event of termination of this part, and to cover the expenses incurred for the maintenance and functioning of the committee during any fiscal year when there is crop failure, or during any period of suspension of any or all of the provisions of this part. Such reserve may also be used by the committee to finance its operations during any fiscal year prior to the time that assessment income is sufficient to cover such expenses and to cover deficits incurred during any fiscal year when income is less than expenses. Upon termination of this part, any funds not required to defray the necessary expenses of liquidation shall be disposed of in such manner as the Secretary may determine to be appropriate: Provided, That to the extent practical, such funds shall be returned pro rata to the persons from whom such funds were collected.

(b) All funds received by the committee pursuant to the provisions of this part shall be used solely for the purposes specified in this part, and shall be accounted for in the manner provided in this part. The Secretary may, at any time, require the committee and its members to account for all receipts and disbursements.

§ 915.43 Contributions.

The committee may accept voluntary contributions. Such contributions shall be free from any encumbrances by the donor and the committee shall retain complete control of their use.
