§ 258.3 Action upon arrival.

(a) The master or agent of the vessel shall state on the manifest at the first port of entry:

(1) Whether or not nonimmigrant crewmen aboard the vessel will perform longshore work at any port before departing the United States; and

(2) If nonimmigrant crewmen will perform longshore work, which exception in section 258 of the Act permits them to do so.

(b) If nonimmigrant crewmen will perform longshore work, the master or agent of the vessel shall present with the manifest any documentation required by 8 CFR 258.2 for the exception invoked.

(c) If, at the time of inspection, the master or agent fails to present the documentation required for the exception invoked, then the vessel is prohibited from using nonimmigrant crewmen to perform longshore work. If crewmen aboard the vessel perform longshore work despite the prohibition, the vessel is subject to fine under section 251(d) of the Act.

(d) The examining immigration officer shall give the master or agent a Receipt for Crew List, Form I–410, on which the officer shall note whether or not nonimmigrant crewmen will do longshore work at any port of call and, if so, under which exception. The officer shall also note which documentation supporting the exception accompanied the manifest, and any failure to present documentation which failure would prohibit crewmen from performing longshore work under the exception that the vessel invoked.

(e) If a vessel’s crewmen perform longshore activity not sanctioned by an exception but performed to prevent the imminent destruction of goods or property; severe damage to vessels, docks, or real estate; possible environmental contamination; or possible injury or death to a person, a concise report of the incident shall be made within 14 days of the incident to the Immigration and Naturalization Service seaport office that performed the inspection. If the Service agrees that the situation was one of imminent danger requiring immediate action, no fine will be imposed for the performance of a longshore activity in this isolated instance.

(f) Failure to deliver true and complete information on the manifest or any documentation required to support an exception may result in a fine against the owner, agent, consignee, master, or commanding officer under section 251(d) of the Act.

(c) Replacement of alien registration. Any alien whose registration document is not available for any reason must immediately apply for a replacement document in the manner prescribed by USCIS.

(d) Surrender of registration. If an alien is naturalized, dies, permanently departs, or is deported from the United States, or evidence of registration is found by a person other than the one to whom such evidence was issued, the person in possession of the document shall forward it to a USCIS office.

(e) Fingerprinting waiver. (1) Fingerprinting is waived for nonimmigrant aliens admitted as foreign government officials and employees; international organization representatives, officers and employees; NATO representatives, officers and employees, and holders of diplomatic visas while they maintain such nonimmigrant status. Fingerprinting is also waived for other nonimmigrant aliens, while they maintain nonimmigrant status, who are nationals of countries which do not require fingerprinting of United States citizens temporarily residing therein.

(2) Fingerprinting is waived for every nonimmigrant alien not included in paragraph (e)(1) of this section who departs from the United States within one year of his admission, provided he maintains his nonimmigrant status during that time; each such alien not previously fingerprinted shall apply therefor at once if he remains in the United States in excess of one year.

(3) Every nonimmigrant alien not previously fingerprinted shall apply therefor at once upon his failure to maintain his nonimmigrant status.
§ 264.1  

(1) The Secretary of State to indicate that such aliens’ presence in the United States warrants monitoring in the national security interests, as defined in section 219 of the Act (8 U.S.C. 1189), or law enforcement interests of the United States.

(2) Obligations regarding registration.

(i) Any nonimmigrant alien who is included in paragraph (f)(2) of this section, and who applies for admission to the United States, shall be specially registered by providing information required by the Department of Homeland Security, shall be fingerprinted, and shall be photographed, by Department of Homeland Security, at the point-of-entry at such time the nonimmigrant alien applies for admission to the United States. The Department of Homeland Security shall advise the nonimmigrant alien subject to special registration that the nonimmigrant alien may, upon ten days notice, and at the Department of Homeland Security’s discretion, be required to appear at a U.S. Immigration and Customs Enforcement office in person to verify information by providing additional information or documentation confirming compliance with the conditions of his or her visa status and admission. The Department of Homeland Security will determine on a case-by-case basis which aliens must appear in person to verify information. The nonimmigrant alien subject to special registration must appear at the designated office location, and on the specified date and time, unless otherwise specified in the notice.

(ii) At the time of verification of information for registration pursuant to paragraph (f)(3)(i) of this section, the nonimmigrant alien subject to special registration shall provide the Department of Homeland Security with proof of compliance with the conditions of his or her nonimmigrant visa status and admission, including, but not limited to, proof of residence, employment, or registration and matriculation at an approved school or educational institution. The nonimmigrant alien subject to special registration shall provide any additional information required by the Department of Homeland Security.

(3) Registration of aliens present in the United States. (i) The Secretary of
Homeland Security, by publication of a notice in the Federal Register, also may impose such special registration, fingerprinting, and photographing requirements upon nonimmigrant aliens who are nationals, citizens, or residents of specified countries or territories (or a designated subset of such nationals, citizens, or residents) who have already been admitted to the United States or who are otherwise in the United States. A notice under this paragraph (f)(4) shall explain the procedures for appearing in person and providing the information required by the Department of Homeland Security, providing fingerprints, photographs, or submitting supplemental information or documentation.

(ii) Any nonimmigrant alien who is currently subject to special registration as a result of the publication of any previous Federal Register notice may, while he or she remains in the United States, upon 10 days notice and at the Department of Homeland Security’s discretion, be required to appear at a Department of Homeland Security Office in person to provide additional information or documentation confirming compliance with his or her visa and admission. The Department of Homeland Security will determine on a case-by-case basis which aliens must appear in person to verify information. The nonimmigrant alien subject to special registration must appear at the designated office location, and on the specified date and time, unless otherwise specified in the notice.

(5) Obligation to provide updated information. In addition to any additional reregistrations that may be required pursuant to paragraphs (f)(3) and (f)(4) of this section, any nonimmigrant alien subject to special registration under this paragraph (f) who remains in the United States for 30 days or more shall notify the Department of Homeland Security by mail or other such means as determined by the Secretary of Homeland Security, using a notification form designated by the Department of Homeland Security, of any change of address, change of residence or change of educational institution made within 10 days of such a change through the Student and Exchange Visitor Information System (SEVIS) shall constitute notice under this paragraph.

(6) [Reserved]

(7) Relief from registration requirements. A nonimmigrant alien subject to special registration may apply for relief from the registration requirements as follows:

(i) Relief from departure controls set out in 264.1(f) (8). An alien who has been registered under the provisions of this section (f) and has not yet departed the United States may seek relief from the departure control requirement contained in paragraph (f)(8) for that admission by applying to the U.S. Customs and Border Protection field office director for the port from which the alien intends to depart. In making an application for relief, the alien must establish that exigent or unusual circumstances exist and that the alien warrants a favorable exercise of discretion.

(ii) Frequent travelers. An alien who previously has been registered and who would otherwise be subject to registration at a port of entry under the provisions of paragraphs (f)(2) and (3) of this section may seek relief from the registration requirements from the Secretary of Homeland Security after his initial registration if the alien makes frequent trips to the United States. An alien seeking relief under this paragraph from the Secretary of Homeland Security may apply to the U.S. Customs and Border Protection field office director for the port to which the alien most frequently arrives in the United States. The field office director or his designee will make the determination that the frequency of arrival warrants relief from the registration requirements on a case-by-case basis, and will consider in this analysis the mode of travel, business and economic concerns, purpose of travel, or other factors as determined by the director. In making an application for relief, the alien must establish that good cause or exigent or unusual circumstances exist and that the alien warrants a favorable exercise of discretion.
§ 264.1 8 CFR Ch. I (1–1–14 Edition)

(iii) Exemption from registration. At a Department of State consular office abroad, an alien may seek exemption from these regulations from the Department of State by such methods as it may prescribe.

(iv) For all applications for relief. Any decision of a Department of Homeland Security officer or official to grant or deny relief under this paragraph (f)(7) is final and not appealable. Absent receipt of a decision exempting or relieving the nonimmigrant alien from these requirements, he or she shall comply with the special registration requirements contained in this section.

(v) Termination of relief. Relief granted under paragraphs (f)(7)(i) or (ii) of this section may be terminated by notice to the alien by any field office director or other Department of Homeland Security officer or official authorized to grant such relief.

(8) Departure requirements. (i) General requirements When a nonimmigrant alien subject to special registration departs from the United States (other than nonimmigrant crewmen as defined under section 101(a)(15)(D) of the Act) he or she shall report to an inspecting officer of the Department of Homeland Security at any port-of-entry unless the Department of Homeland Security has, by publication of a notice in the FEDERAL REGISTER, specified that nonimmigrant aliens subject to special registration may not depart from specific ports. This paragraph (f)(8) applies only to those nonimmigrant aliens who have been registered under paragraph (f)(3) of this section, or who have been required to register pursuant to paragraph (f)(4) of this section, and who have not been granted relief from the departure requirements under paragraph (f)(7).

(ii) Presumption of inadmissibility. Any nonimmigrant alien subject to special registration who fails, without good cause, to be examined by an inspecting officer at the time of his or her departure and to have his or her departure recorded by the inspecting officer shall thereafter be presumed to be inadmissible under, but not limited to, section 212(a)(3)(A)(ii) of the Act (8 U.S.C. 1182(a)(3)(A)(ii)), as an alien whom the Secretary of Homeland Security has reasonable grounds to believe, based on the alien’s past failure to conform with the requirements for special registration, seeks to enter the United States to engage in unlawful activity.

(iii) Overcoming inadmissibility. An alien may overcome the presumption of inadmissibility set out in paragraph (f)(8)(ii) by making a showing that he or she satisfies conditions set by the Secretary of Homeland Security and the Secretary of State. If a consular officer, in adjudicating a new visa application by an alien that previously failed to register his or her departure from the United States, finds good cause existed for the alien’s failure to register departure or that the alien is not inadmissible under section 212(a)(3)(A)(ii) of the Act, the inspecting officer at the port-of-entry, while not bound by the consular officer’s decision, will consider this finding as a significantly favorable factor in determining whether the alien is admissible.

(9) Completion of registration. Registration under this paragraph (f) is not deemed to be complete unless all of the information required by the Department of Homeland Security and all requested documents are provided in a timely manner. Any additional re-registration that may be required and each change of material fact is a registration that is required under sections 262 and 263 of the Act (8 U.S.C. 1302, 1303). Each change of address required under this paragraph (f) is a change of address required under section 265 of the Act (8 U.S.C. 1305).

(g) Registration and fingerprinting of children who reach age 14. Within 30 days after reaching the age of 14, any alien in the United States not exempt from alien registration under the Act and this chapter must apply for registration and fingerprinting, unless fingerprinting is waived under paragraph (e) of this section, in accordance with applicable form instructions.

(1) Permanent residents. If such alien is a lawful permanent resident of the United States and is temporarily absent from the United States when he reaches the age of 14, he must apply for registration and provide a photograph within 30 days of his or her return to the United States in accordance with applicable form instructions. The alien, if a lawful permanent resident of
the United States, must surrender any prior evidence of alien registration. USCIS will issue the alien new evidence of alien registration.

(2) Others. In the case of an alien who is not a lawful permanent resident, the alien’s previously issued registration document will be noted to show that he or she has been registered and the date of registration.
