

§ 390.269

outstanding direct investment in obligations under paragraph (b) of this section shall not exceed the amount of the State savings association's total capital.

(c) Each state housing corporation in which a State savings association invests under the authority of paragraph (b) of this section shall agree, before accepting any such investment (including any loan or loan commitment), to make available at any time to the FDIC such information as the FDIC may consider to be necessary to ensure that investments are properly made under this section.

§ 390.269 Prohibition on loan procurement fees.

If you are a director, officer, or other natural person having the power to direct the management or policies of a State savings association, you must not receive, directly or indirectly, any commission, fee, or other compensation in connection with the procurement of any loan made by the State savings association or a subsidiary of the State savings association.

§ 390.270 Asset classification.

(a)(1) Each State savings association must evaluate and classify its assets on a regular basis in a manner consistent with, or reconcilable to, the asset classification system used by the FDIC.

(2) In connection with the examination of a State savings association or its affiliates, the FDIC examiners may identify problem assets and classify them, if appropriate. The association must recognize such examiner classifications in its subsequent reports to the FDIC.

(b) Based on the evaluation and classification of its assets, each State savings association shall establish adequate valuation allowances or charge-offs, as appropriate, consistent with generally accepted accounting principles and the practices of the federal banking agencies.

§ 390.271 Records for lending transactions.

In establishing and maintaining its records pursuant to § 390.350, each State savings association should establish

12 CFR Ch. III (1-1-15 Edition)

and maintain loan documentation practices that:

(a) Ensure that the institution can make an informed lending decision and can assess risk on an ongoing basis;

(b) Identify the purpose and all sources of repayment for each loan, and assess the ability of the borrower(s) and any guarantor(s) to repay the indebtedness in a timely manner;

(c) Ensure that any claims against a borrower, guarantor, security holders, and collateral are legally enforceable;

(d) Demonstrate appropriate administration and monitoring of its loans; and

(e) Take into account the size and complexity of its loans.

§ 390.272 Re-evaluation of real estate owned.

A State savings association shall appraise each parcel of real estate owned at the earlier of in-substance foreclosure or at the time of the State savings association's acquisition of such property, and at such times thereafter as dictated by prudent management policy; such appraisals shall be consistent with the requirements of subpart X of this part. The appropriate regional director or his or her designee may require subsequent appraisals if, in his or her discretion, such subsequent appraisal is necessary under the particular circumstances. The foregoing requirement shall not apply to any parcel of real estate that is sold and reacquired less than 12 months subsequent to the most recent appraisal made pursuant to this subpart. A dated, signed copy of each report of appraisal made pursuant to any provisions of this subpart shall be retained in the State savings association's records.
