### APPENDIX A TO PART 265—FEES FOR COMPUTER SERVICES

AUTHORITY: 5 U.S.C. 552; 5 U.S.C. App. 3; 39 U.S.C. 401, 403, 410, 1001, 2601.

#### § 265.1 Purpose and scope.

(a) This part contains the regulations of the Postal Service relating to the availability to the public of Postal Service records. Included in this part are the regulations which implement section 552 of title 5, U.S.C., the "Freedom of Information Act," insofar as it applies to the Postal Service.

(b) Official records of the Postal Service made available pursuant to the requirements of the Act shall be furnished to members of the public as prescribed by this part.

[40 FR 7331, Feb. 19, 1975]

#### § 265.2 Policy.

(a) It is the policy of the Postal Service to make its official records available to the public to the maximum extent consistent with the public interest. This policy requires a practice of full disclosure subject only to the specific exemptions required or authorized by law.

(b) The exemptions from mandatory disclosure provided by section 552(b) of title 5, and section 410(c) of title 39, U.S.C., for various types of records, reflect the fact that under some cir-

cumstances the public interest may be better served by leaving the disclosure of particular records to the discretion of the Postal Service than by requiring their disclosure. As to those records the disclosure of which is not prohibited by statute, Executive Order, or regulation, the discretion vested in the Postal Service is exercised after giving consideration to the following: The effect of non-disclosure on the public's right to know about a particular matter; the effect of disclosure on the right of privacy of any affected individuals; the effect of disclosure on the public interest in the economical, efficient, and orderly operation of the nation's mail system; and any other factors that may be relevant under the circumstances.

[40 FR 7331, Feb. 19, 1975, as amended at 45 FR 44270, July 1, 1980]

#### § 265.3 Responsibility.

(a) *Custodian*. Official records are in the custody of the postmaster or other head of a facility or department at which they are maintained, as defined at § 262.2(c) of this chapter. These custodians are responsible for responding in the first instance to requests from members of the public for Postal Service records.

(b) *Manager, Records Office*. The Postal Service Manager, Records Office, under the Privacy Office, is responsible for the overall administration of this part, including the issuance of detailed instructions to custodians.

(c) *General Counsel*. The General Counsel decides timely appeals authorized by this part.

[40 FR 7331, Feb. 19, 1975, as amended at 45 FR 44270, July 1, 1980; 60 FR 57344, Nov. 15, 1995; 63 FR 6481, Feb. 9, 1998; 64 FR 41290, July 30, 1999; 68 FR 56558, Oct. 1, 2003]

#### § 265.4 Inquiries.

Inquiries regarding the availability of Postal Service records should be directed to the appropriate records custodian. If the appropriate records custodian is not known, inquiries should be directed to the Manager, Records Office, U.S. Postal Service, 475 L'Enfant

Such of this material as has been created by the Postal Service on or after November 1, 1996, and has not been published and offered for sale, also will be available in electronic format at the Postal Service's world wide web site at <http://www.usps.com/foia>.

### § 265.6 Availability of records.

(a) *Records available to the public on request*—(1) *General*. Postal Service records are available for inspection or copying at the request of any person, in accordance with the provisions of this part, except as otherwise provided by law or regulations, including but not limited to paragraphs (b) through (g) of this section. Certain categories of records of particular interest are available on a continuing basis as provided in paragraphs (a)(2), (3), and (4) of this section and are listed in a public index as provided in paragraphs (a)(4) and (5) of this section. Access to other records may be requested on an individual basis in accordance with the procedures provided in § 265.7. Official records which are maintained on an electronic storage medium will normally be made available, in accordance with this part, as an exact duplicate of the requested original in a form readable by the human eye, such as a computer print-out. On request, records will be provided in a different form or format if they are maintained in the requested form or format or if they can be readily reproduced in the requested form or format.

(2) *Opinions*. All final opinions and orders made in the adjudication of cases by the Judicial Officer and Ad-

ministrative Law Judges, all final determinations pursuant to section 404(b) of title 39, United States Code, to close or consolidate a post office, or to disapprove a proposed closing or consolidation, all advisory opinions concerning the private express statutes issued pursuant to 39 CFR 310.6, and all bid protest decisions are on file and available for inspection and copying at the Headquarters Library and, if created on or after November 1, 1996, also at the Postal Service's world wide web site identified at § 265.5.

(3) *Administrative manuals and instructions to staff*. The manuals, instructions, and other publications of the Postal Service that affect members of the public are available through the Headquarters Library and at many post offices and other postal facilities. Those which are available to the public but are not listed for sale may be inspected in the Headquarters Library, at any postal facility which maintains a copy, or, if created on or after November 1, 1996, through the world wide web site identified at § 265.5. Copies of publications which are not listed as for sale or as available free of charge may be obtained by paying a fee in accordance with § 265.9.

(4) *Previously released records*. Records processed and disclosed after March 31, 1997, in response to a Freedom of Information Act request, which the Postal Service determines have become or are likely to become the subject of subsequent requests for substantially the same records, are available for inspection and copying at the Headquarters Library. Any such records created by the Postal Service on or after November 1, 1996, also will be available at the Postal Service's world wide web site identified at § 265.5. Records described in this paragraph that were not created by, or on behalf of, the Postal Service generally will not be available at the world wide web site. Records will be available in the form in which they were originally disclosed, except to the extent that they contain information that is not appropriate for public disclosure and may be withheld pursuant to this section. Any deleted material will be marked and the applicable exemption(s) indicated in accordance with § 265.7(d)(3). A general index of the

records described in this paragraph is available for inspection and copying at the Headquarters Library. [Beginning on or before December 31, 1999, the index also will be available at the Postal Service's world wide web site.]

(5) *Public index.* (i) A public index is maintained in the Headquarters Library and at the world wide web site of all final opinions and orders made by the Postal Service in the adjudication of cases, Postal Service policy statements which may be relied on as precedents in the disposition of cases, administrative staff manuals and instructions that affect the public, and other materials which the Postal Service elects to index and make available to the public on request in the manner set forth in paragraph (a) of this section.

(ii) The index contains references to matters issued after July 4, 1967, and may reference matters issued prior to that date.

(iii) Any person may arrange for the inspection of any matter in the public index in accordance with the procedures of § 265.7.

(iv) Copies of the public index and of matters listed in the public index may be purchased through the Headquarters Library with payment of fees as listed in the index or as provided in § 265.9.

(v) Materials listed in the public index that were created on or after November 1, 1996, will also be available in electronic format at the Postal Service's world wide web site at <http://www.usps.gov>.

(6) *Listings of employees' names.* Upon written request, the Postal Service will, to the extent required by law, provide a listing of postal employees working at a particular postal facility.

(b) *Records not subject to mandatory public disclosure.* Certain classes of records are exempt from mandatory disclosure under exemptions contained in the Freedom of Information Act and in section 410(c) of title 39, U.S.C. The Postal Service will exercise its discretion, in accordance with the policy stated in § 265.2, as implemented by instructions issued by the Records Office with the approval of the General Counsel in determining whether the public interest is served by the inspection or copying of records that are:

(1) Related solely to the internal personnel rules and practices of the Postal Service.

(2) Trade secrets, or privileged or confidential commercial or financial information, obtained from any person.

(3) Information of a commercial nature, including trade secrets, whether or not obtained from a person outside the Postal Service, which under good business practice would not be publicly disclosed. This class includes, but is not limited to:

(i) Information pertaining to methods of handling valuable registered mail.

(ii) Records of money orders, except as provided in R900 of the *Domestic Mail Manual (DMM)*.

(iii) Technical information concerning postage meters and prototypes submitted for Postal Service approval prior to leasing to mailers.

(iv) Reports of market surveys conducted by or under contract in behalf of the Postal Service.

(v) Records indicating rural carrier lines of travel.

(vi) Records compiled within the Postal Service which would be of potential benefit to persons or firms in economic competition with the Postal Service.

(vii) Information which, if publicly disclosed, could materially increase procurement costs.

(viii) Information which, if publicly disclosed, could compromise testing or examination materials.

(4) Interagency or internal memoranda or letters that would not be available by law to a private party in litigation with the Postal Service.

(5) Reports and memoranda of consultants or independent contractors, except to the extent they would be required to be disclosed if prepared within the Postal Service.

(6) Files personal in nature, including medical and personnel files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

(7) Information prepared for use in connection with proceedings under chapter 36 of title 39, U.S.C., relating to rate, classification, and service changes.

## § 265.6

## 39 CFR Ch. I (7–1–15 Edition)

(8) Information prepared for use in connection with the negotiation of collective bargaining agreements under chapter 12 of title 39, U.S.C., or minutes of, or notes kept during, negotiating sessions conducted under such chapter.

(9) Other matter specifically exempted from disclosure by statute.

(c) *Records or information compiled for law enforcement purposes.* (1) Investigatory files compiled for law enforcement purposes, whether or not considered closed, are exempt by statute from mandatory disclosure except to the extent otherwise available by law to a party other than the Postal Service, 39 U.S.C. 410(c)(6). As a matter of policy, however, the Postal Service will normally make records or information compiled for law enforcement purposes available upon request unless the production of these records:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority (such as the Postal Inspection Service) in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(2) Whenever a request is made which involves access to records described in § 265.6(c)(1)(i), and

(i) The investigation or proceeding involves a possible violation of criminal law; and

(ii) There is reason to believe that,

(A) The subject of the investigation or proceeding is not aware of its pendency, and

(B) Disclosure of the existence of the records could reasonably be expected to interfere with enforcement proceedings, the Postal Service may, during only such time as that circumstance continues, treat the records as not subject to the requirements of the Freedom of Information Act.

(3) Whenever informant records maintained by a criminal law enforcement agency (such as the Postal Inspection Service) under an informant's name or personal identifier are requested by a third party according to the informant's name or personal identifier, the records may be treated as not subject to the requirements of the Freedom of Information Act unless the informant's status as an informant has been officially confirmed.

(4) Authority to disclose records or information compiled for law enforcement purposes to persons outside the Postal Service must be obtained from the Chief Postal Inspector, U.S. Postal Service, Washington, DC 20260–2100, or designee.

(d) *Disclosure of names and addresses of customers.* Upon request, the names and addresses of specifically identified Postal Service customers will be made available only as follows:

(1) *Change of address.* The new address of any specific customer who has filed a permanent or temporary change of address order (by submitting PS Form 3575, a hand-written order, or an electronically communicated order) will be furnished to any person, except that the new address of a specific customer who has indicated on the order that the address change is for an individual or an entire family will be furnished only in those circumstances stated at paragraph (d)(5) of this section. Disclosure will be limited to the address of the specifically identified individual about whom the information is requested

(not other family members or individuals whose names may also appear on the change of address order). The Postal Service reserves the right not to disclose the address of an individual for the protection of the individual's personal safety. Other information on PS Form 3575 or copies of the form will not be furnished except in those circumstances stated at paragraphs (d)(5)(i), (d)(5)(iii), or (d)(5)(iv) of this section.

(2) *Name and address of permit holder.* The name and address of the holder of a particular bulk mail permit, permit imprint or similar permit (but not including postage meter licenses), and the name of any person applying for a permit in behalf of a holder will be furnished to any person upon the payment of any fees authorized by paragraph (b) of §265.9. For the name and address of a postage meter license holder, see paragraph (d)(3) of this section. (Lists of permit holders may not be disclosed to members of the public. See paragraph (e)(1) of this section.)

(3) *Name and address of postage evidencing user.* The name and address of an authorized user of a postage meter or PC Postage product (postage evidencing systems) printing a specified indicium will be furnished to any person upon the payment of any fees authorized by paragraph (b) of §265.9, provided the user is using the postage meter or PC Postage product for business purposes. The request for this information must be sent to the manager of Postage Technology Management, Postal Service Headquarters. The request must include the original or a photocopy of the envelope or wrapper on which the postage meter or PC postage indicium in question is printed, and a copy or description of the contents to support that the sender is a business or firm and not an individual. (Lists of authorized users of postage meters or PC Postage products may not be disclosed to members of the public.)

(4) *Post Office boxholder information.* Information from PS Form 1093, *Application for Post Office Box or Caller Service*, will be provided as follows:

(i) Except as provided in paragraph (d)(4)(iii) of this section, the boxholder applicant name and address from PS

Form 1093 will be provided only in those circumstances stated in paragraphs (d)(5)(i) through (d)(5)(iii) of this section.

(ii) Except as provided in paragraph (d)(4)(iii) of this section, the names of persons listed as receiving mail, other than the boxholder applicant, will be furnished from PS Form 1093 only in those circumstances stated in paragraphs (d)(5)(i) and (d)(5)(iii) of this section.

(iii) When a copy of a protective order has been filed with the postmaster, information from PS Form 1093 will not be disclosed except pursuant to the order of a court of competent jurisdiction.

(5) *Exceptions.* Except as otherwise provided in these regulations, names or addresses of Postal Service customers will be furnished only as follows:

(i) To a federal, state or local government agency upon prior written certification that the information is required for the performance of its duties. The Postal Service requires government agencies to use the format appearing at the end of this section when requesting the verification of a customer's current address or a customer's new mailing address. If the request lacks any of the required information or a proper signature, the postmaster will return the request to the agency, specifying the deficiency in the space marked 'OTHER'. A copy of PS Form 1093 may be provided.

(ii) To a person empowered by law to serve legal process, or the attorney for a party in whose behalf service will be made, or a party who is acting *pro se*, upon receipt of written information that specifically includes all of the following: (A) A certification that the name or address is needed and will be used solely for service of legal process in connection with actual or prospective litigation; (B) a citation to the statute or regulation that empowers the requester to serve process, if the requester is other than the attorney for a party in whose behalf service will be made, or a party who is acting *pro se*; (C) the names of all known parties to the litigation; (D) the court in which the case has been or will be commenced; (E) the docket or other identifying number, if one has been issued;

## § 265.6

## 39 CFR Ch. I (7–1–15 Edition)

and (F) the capacity in which the boxholder is to be served, *e.g.*, defendant or witness. By submitting such information, the requester certifies that it is true. The address of an individual who files with the postmaster a copy of a protective court order will not be disclosed except as provided under paragraphs (d)(5)(i), (d)(5)(iii), or (d)(5)(iv) of this section. A copy of Form 1093 will not be provided.

The Postal Service suggests use of the standard format appearing at the end of this section when requesting information under this paragraph. When using the standard format on the submitter's own letterhead, the standard format must be used in its entirety. The warning statement and certification specifically must be included immediately before the signature block. If the request lacks any of the required information or a proper signature, the postmaster will return it to the requester specifying the deficiency.

NOTE: The term *pro se* means that a party is not represented by an attorney but by himself or herself.

(iii) In compliance with a subpoena or court order, except that change of address or boxholder information which is not otherwise subject to disclosure under these regulations may be disclosed only pursuant to a court order.

(iv) To a law enforcement agency, for oral requests made through the Inspection Service, but only after the Inspection Service has confirmed that the information is needed in the course of a criminal investigation. (All other requests from law enforcement agencies should be submitted in writing to the postmaster as in paragraph (d)(5)(i) of this section.)

(6) *Jury service.* The mailing address of any customer sought in connection with jury service, if known, will be furnished without charge upon prior written request to a court official, such as a judge, court clerk or jury commissioner.

(7) *Address verification.* The address of a postal customer will be verified at the request of a Federal, State, or local government agency upon written certification that the information is required for the performance of the agency's duties. "Verification" means ad-

vising such an agency whether or not its address for a postal customer is one at which mail for that customer is currently being delivered. "Verification" neither means nor implies knowledge on the part of the Postal Service as to the actual residence of the customer or as to the actual receipt by the customer of mail delivered to that address. The Postal Service requires government agencies to use the format appearing at the end of this section when requesting the verification of a customer's current address or a customer's new mailing address. If the request lacks any of the required information or a proper signature, the postmaster will return the request to the agency, specifying the deficiency in the space marked "OTHER".

(8) *Business/Residence location.* If the location of a residence or a place of business is known to a Postal Service employee, whether as a result of official duties or otherwise, the employee may, but need not, disclose the location or give directions to it. No fee is charged for such information.

(9) *Private mailbox information.* Information from PS Form 1583, *Application for Delivery of Mail Through Agent*, will be provided as follows:

(i) Except as provided in paragraph (d)(9)(iii) of this section, information from PS Form 1583 will be provided only in the circumstance stated in paragraph (d)(5)(iii) of this section.

(ii) To the public only for the purpose of identifying a particular address as an address of an agent to whom mail is delivered on behalf of other persons. No other information, including, but not limited to, the identities of persons on whose behalf agents receive mail, may be disclosed to the public from PS Form 1583.

(iii) Information concerning an individual who has filed a protective court order with the postmaster will not be disclosed except pursuant to the order of a court of competent jurisdiction.

(e) *Information not available for public disclosure.* (1) Except as provided by paragraph (a)(6) of this section, the Postal Service and its officers and employees shall not make available to the public by any means or for any purpose any mailing list or other list of names

or addresses (past or present) of postal patrons or other persons.

(2) Records or other documents which are classified or otherwise specifically authorized by Executive Order 12356 and implementing regulations to be kept secret in the interest of the national defense or foreign policy are not subject to disclosure pursuant to this part.

(3) Records consisting of trade secrets or confidential financial data, the disclosure of which is prohibited by section 1905 of title 18, U.S.C., are not subject to disclosure pursuant to this part.

(4) Other records, the disclosure of which is prohibited by statute, are not subject to disclosure pursuant to this part.

(f) *Protection of the right of privacy.* If any record required or permitted by this part to be disclosed contains the name of, or other identifying details concerning, any person, including an employee of the Postal Service, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, the name or other identifying details shall be deleted before the record is disclosed and the requester so informed.

(g) *Disclosure in part of otherwise exempt record.* Any reasonably segregable portion of a record shall be provided after deleting the information which is neither subject to mandatory disclosure nor available as a matter of discretion.

**§ 265.7 Procedure for inspection and copying of records.**

(a) *Submission of requests*—(1) *Form and content of request.* To permit expeditious handling and timely response in accordance with the provisions of this part, a request to inspect or to obtain a copy of an identifiable Postal Service record shall be in writing and bear the caption "Freedom of Information Act

Request" or otherwise be clearly and prominently identified as a request for records pursuant to the Freedom of Information Act. A request shall be clearly and prominently identified as such on the envelope or other cover. Other requests for information will be considered informal requests and will be handled as expeditiously as practicable but not necessarily within the

## § 265.7

## 39 CFR Ch. I (7–1–15 Edition)

time limitations set forth in § 265.7(b). An informal request will be granted or denied according to the substantive rules in § 265.6, if found to be a request for a record. A Freedom of Information Act request shall identify the record sought as completely as possible, by name, description, or subject matter, and be sufficient to permit the custodian to locate it with a reasonable amount of effort. The request may state the maximum amount of fees for which the requester is willing to accept liability without prior notice. See paragraph (f)(2) of § 265.8. If no amount is stated, the requester will be deemed willing to accept liability for fees not to exceed \$25.

(2) *To whom submitted.* A request shall be submitted to the custodian of the requested record. If the location of the record is not known, inquiry should be directed to the Manager, Records Office, U.S. Postal Service, 475 L'Enfant Plaza, SW., Washington, DC 20260, telephone (202) 268-2608. If a request is submitted to a facility other than that at which the record is maintained, it shall be promptly transmitted to the appropriate custodian with a copy of the transmittal furnished to the requester. A request which is not initially submitted to the appropriate custodian shall be deemed to have been received by the Postal Service for purposes of computing the time for response in accordance with § 265.7(b) at the time that it is actually received by the appropriate custodian. If a request seeks records maintained at two or more facilities, the custodian shall be deemed to be the next senior common supervisor of the heads of the facilities, e.g., district manager, area vice president. The Records Office is deemed to be the custodian, for purposes of this part, in all instances in which a request is for a listing of postal employees. See § 265.6(a)(6).

(3) *Reasons for request.* In view of the possibility that some or all of the records may be exempt from mandatory disclosure, the requester may state any reasons why the record should nevertheless be made available to him even if exempt.

(4) *Request for waiver of fees.* The requester may ask that fees or the advance payment of fees be waived in

whole or in part. A fee waiver request shall indicate how the information will be used; to whom it will be provided; whether the requester intends to use the information for resale at a fee above actual cost; any personal or commercial benefit that the requester expects as a result of disclosure; in what manner the general public will benefit from disclosure; and information as to the intended user's identity, qualifications, expertise in the subject area, and ability and intention to disseminate the information to the public. (See § 265.9(g)(3).)

(5) *Categorical requests.* A request for all or substantially all of the records within a specific category will be deemed a reasonable description of those records only if it is possible, without further information, to determine which particular records are sought. See paragraph (b)(3) of this section concerning the providing of additional information.

(6) *Request for records located at numerous facilities.* A request for records which are, or may be, located at all or a substantial number of post offices or other postal facilities will be deemed to be a reasonable description only of such of those records as are maintained at the post office or other facility to which the request is submitted, and of those records maintained at any other post offices or facilities specifically identified in the request. See paragraph (a)(2) of this section concerning the custodian of records of two or more facilities.

(b) *Responsibilities of the custodian.* (1) The custodian of the requested record is the person responsible for determining whether to comply with or to deny the request. A custodian who is not an Officer as defined in § 221.8 of this chapter, however, should not deny a request until he has obtained the advice of Chief Field Counsel. If denial of a request appears necessary, the custodian should seek advice as soon as possible after receipt of the request so as to provide adequate time for legal review. Denial must be made in accordance with paragraph (d) of this section.

(2) The custodian shall make the determination whether to release or deny the record(s) within 20 working days (i.e., exclusive of Saturdays, Sundays,

and holidays) of receiving the request, and more rapidly if feasible. The custodian and the requester may, by mutual agreement, preferably in writing, establish a different response period.

(3) If a requested record cannot be located from the information supplied, the requester should be given an opportunity to supply additional information and, if feasible, to confer with the custodian or his/her representative, in an attempt to provide a reasonable description of the records sought. If additional information is furnished, the request will be deemed to have been received by the custodian when sufficient additional information to identify and locate the record with a reasonable amount of effort has been received.

(4) The custodian shall make reasonable efforts to search for the records in electronic form or format, except when such efforts would significantly interfere with the operation of the automated information system.

(5) The 20 working day response period allowed in paragraph (b)(2) of this section may be extended by the custodian, after consultation with Chief Field Counsel or with the General Counsel if the custodian is at Headquarters, for a period not to exceed an additional 10 working days, except as provided in paragraph (b)(7) of this section, when, and to the extent, reasonably necessary to permit the proper processing of a particular request, under one or more of the following unusual circumstances:

(i) The request requires a search for and collection of records from a facility other than that processing the request.

(ii) The request requires the search for, and collection and appropriate examination of, a voluminous amount of separate and distinct records.

(iii) The request requires consultation:

(A) With another agency having a substantial interest in the determination of whether to comply with the request or

(B) Among two or more components of the Postal Service having substantial subject matter interest in the determination of whether to comply with the request.

(6) When the custodian finds that the additional time is required, he shall acknowledge the request in writing within the initial 20-day response period, state the reason for the delay, and indicate the date on which a decision as to disclosure is expected.

(7) If a request cannot be processed within the additional time provided by paragraph (b)(5) of this section, in spite of the exercise of due diligence, the custodian shall notify the requester of the exceptional circumstances preventing timely compliance and of the date by which it is expected that the determination will be made. The custodian also shall provide the requester an opportunity to limit the scope of the request so that it may be processed within the extended time limit, or an opportunity to arrange with the custodian an alternative time frame for processing the request or a modified request. The custodian shall nonetheless make a determination on the request as promptly as possible.

(8) If a requested record is known to have been destroyed, disposed of, or otherwise not to exist, the requester shall be so notified.

(c) *Compliance with request upon affirmative determination by custodian.* (1) When a requested record has been identified and is to be disclosed in whole or in part, the custodian shall ensure that the record is made available promptly and shall immediately notify the requester where and when and under what reasonable conditions, if any, including the payment of fees, the record will be available for inspection or copies will be available. Postal Service records will normally be available for inspection and copying during regular business hours at the postal facilities at which they are maintained. The custodian may, however, designate other reasonable locations and times for inspection and copying of some or all of the records within his custody.

(2) Any fees authorized or required to be paid in advance by § 265.9(f)(3) shall be paid by the requester before the record is made available or a copy is furnished unless payment is waived or deferred pursuant to § 265.9(g).

(3) A custodian complying with a request may designate a representative to monitor any inspection or copying.

§ 265.7

39 CFR Ch. I (7-1-15 Edition)

(d) *Denial of request.* (1) A reply denying a request in whole or in part shall be in writing, signed by the custodian or his designee, and shall include:

(i) A statement of the reason for, or justification of, the denial (e.g., records personal in nature), including, if applicable, a reference to the provision or provisions of §265.6 authorizing the withholding of the record and a brief explanation of how each provision applies to the records requested.

(ii) If entire records or pages are withheld, a reasonable estimate of the number of records or pages, unless providing such estimate would harm an interest protected by the exemption relied upon.

(iii) A statement of the right to appeal and of the appeal procedure within the Postal Service (described in paragraph (e) of this section).

(2) The custodian is ordinarily the person responsible for the denial of the request. If the denial of a particular request has been directed by higher authority, however, the name and title or position of the person directing the denial shall be given in the reply to the requester in place of the custodian as the person responsible for the denial, and a copy of the denial shall be sent to that person.

(3) When information is deleted from a record that is disclosed in part, the custodian shall indicate, on the released portion of the record, the amount of information deleted, unless including that indication would harm an interest protected by the exemption relied on. The indication must appear, if technically feasible, at the place in the record where such deletion is made.

(e) *Appeal procedure.* (1) If a request to inspect or to copy a record, or a request for expedited processing of the request, is denied, in whole or in part, if no determination is made within the period prescribed by this section, or if a request for waiver of fees is not granted, the requester may appeal to the General Counsel, U.S. Postal Service, Washington, DC 20260-1100.

(2) The requester shall submit his appeal in writing within 30 days of the date of the denial or of the other action complained of, or within a reasonable time if the appeal is from a failure of the custodian to act. The General

Counsel may, in his discretion, consider late appeals.

(3) In the event of the denial of a request or of other action or failure to act on the part of a custodian from which no appeal is taken, the General Counsel may, if he considers that there is doubt as to the correctness of the custodian's action or failure to act, review the action or failure to act as though an appeal pursuant to this section had been taken.

(4) A letter of appeal should include, as applicable:

(i) A copy of the request, of any notification of denial or other action, and of any other related correspondence;

(ii) A statement of the action, or failure to act, from which the appeal is taken;

(iii) A statement of the reasons why the requester believes the action or failure to act is erroneous; and

(iv) A statement of the relief sought.

(f) *Action on appeals.* (1) The decision of the General Counsel or his designee constitutes the final decision of the Postal Service on the right of the requester to inspect or copy a record, or to expedited processing of the request, as appropriate. The General Counsel will give prompt consideration to an appeal for expedited processing of a request. All other decisions normally will be made within 20 working days from the time of the receipt by the General Counsel. The 20-day response period may be extended by the General Counsel or his designee for a period not to exceed an additional 10 working days when reasonably necessary to permit the proper consideration of an appeal, under one or more of the unusual circumstances set forth in paragraph (b)(5) of this section. The aggregate number of additional working days utilized pursuant to this paragraph (f)(1) and paragraph (b) of this section, however, may not exceed 10.

(2) The decision on the appeal shall be in writing. If the decision sustains a denial of a record, in whole or in part, or if it denies expedited processing, it shall state the justification therefor and shall inform the requester of his right to judicial review. In the case of records withheld, the decision also shall specify any exemption or exemptions relied on and the manner in

which they apply to the record, or portion thereof, withheld.

(3) If not prohibited by or under law, the General Counsel or his designee may direct the disclosure of a record even though its disclosure is not required by law or regulation.

(g) *Expedited processing*—(1) *Criteria*. A request for expedited processing of a request for records shall be granted when the requester demonstrates compelling need. For purposes of this paragraph, “compelling need” exists if:

(i) Failure of the requester to obtain the records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual or;

(ii) In the case of a request made by a person primarily engaged in disseminating information, there is an urgency to inform the public concerning actual or alleged federal government activity.

(2) *Request*. A request for expedited processing shall be directed in writing to the records custodian. The requester must provide information in sufficient detail to demonstrate compelling need for the records and certify this statement to be true and correct to the best of the requester’s knowledge and belief. The custodian may waive the formality of certification when deemed appropriate.

(3) *Determination*. The records custodian shall make a determination of whether to provide expedited processing and notify the requester within ten days after the date of the request for expedited processing. If the request is granted, the records custodian shall process the request for records as soon as practicable. If the request for expedited processing is denied, the written response will include the procedures at paragraph (d) of this section for appealing the denial.

**§ 265.8 Business information; procedures for predisclosure notification to submitters.**

(a) *In general*. This section provides a procedure by which persons submitting business information to the Postal Service can request that the information not be disclosed pursuant to a request under the Freedom of Information Act. This section does not affect the Postal Service’s right, authority, or obligation to disclose information in any other context, nor is it intended to create any right or benefit, substantive or procedural, enforceable at law by a party against the Postal Service, its officers, or any person. Existing rights of submitters are also unaffected. For purposes of this section, the following definitions apply:

(1) *Business information* means commercial or financial information provided directly or indirectly to the Postal Service by a submitter that arguably is protected from disclosure under Exemption 4 of the Freedom of Information Act, 5 U.S.C. 552(b)(4), which is restated in § 265.6(b)(2).

(2) *Submitter* means any person or entity who provides business information, directly or indirectly, to the Postal Service. The term includes, but is not limited to, corporations, state governments, and foreign governments.

(b) *Notice to submitters*. (1) The custodian shall, to the extent permitted by law, provide a submitter with prompt written notice of a Freedom of Information Act request for the submitter’s business information whenever required under paragraph (c) of this section, except as provided in paragraph (d) of this section, in order to afford the submitter an opportunity to object to disclosure pursuant to paragraph (f) of this section. Such written notice shall either describe the exact nature of the business information requested or provide copies of the records or portions of records containing the business information. In the case of an administrative appeal, the General Counsel shall be responsible for providing such notification as may be appropriate under this section.

(2) When notice is given to a submitter under paragraph (b)(1) of this section, the requester also shall be notified that notice and an opportunity

§ 265.8

39 CFR Ch. I (7–1–15 Edition)

to object are being provided to the submitter pursuant to this section.

(c) *When notice is required.* Notice shall be given to a submitter whenever:

(1) The submitter has in good faith designated the information as information deemed protected from disclosure under Exemption 4, in accordance with the procedure described in paragraph (e) of this section; or

(2) In the opinion of the custodian, or of the General Counsel in the case of an administrative appeal, it is likely that disclosure of the information would result in competitive harm to the submitter.

(d) *Exceptions to notice requirements.* The notice requirements of paragraph (b) of this section shall not apply if:

(1) The Postal Service determines without reference to the submitter that the information will not be disclosed;

(2) The information lawfully has been published or has been officially made available to the public;

(3) Disclosure of the information is required by law (other than the Freedom of Information Act, 5 U.S.C. 552); or

(4) Disclosure of the particular kind of information is required by a Postal Service regulation, except that, in such case, advance written notice of a decision to disclose shall be provided to the submitter if the submitter had provided written justification for protection of the information under Exemption 4 at the time of submission or a reasonable time thereafter.

(e) *Procedure for designating business information at the time of its submission.*

(1) Submitters of business information shall use good-faith efforts to designate, by appropriate markings, either at the time of submission or at a reasonable time thereafter, those portions of their submissions which they deem to be protected from disclosure under Exemption 4. Each record, or portion thereof, to be so designated, shall be clearly marked with a suitable legend such as Privileged Business Information—Do Not Release. When the designated records contain some information for which an exemption is not claimed, the submitter shall clearly indicate the portions for which protection is sought.

(2) At the time a designation is made pursuant to paragraph (e)(1) of this section, the submitter shall furnish the Postal Service with the name, title, address and telephone number of the person or persons to be contacted for the purpose of the notification described in paragraph (b) of this section.

(3) Submitters who provide to a postal facility business information on a recurring basis and in substantially identical form may use the following simplified process: The first submission will provide in full the information required in paragraphs (e)(1) and (2) of this section; shall identify the type of information, *e.g.*, PS Form 3602, to which it is intended to apply; and shall state that it is intended to serve as a designation for all of the information of this type that is submitted to the particular facility. Thereafter when providing this type of information, the submitter need only mark a submission with a reference to the designation, *e.g.*, Privileged; see letter of 4-1-91. By written agreement with the head of the facility, even this marking may be dispensed with if it is not necessary to alert postal employees at that facility of the claim of exemption.

(4) A designation made pursuant to paragraph (e) of this section shall be deemed to have expired ten years after the date the records were submitted unless the submitter requests, and provides reasonable justification for, a designation period of greater duration.

(5) The Postal Service will not determine the validity of any request for confidential treatment until a request for disclosure of the information is received.

(f) *Opportunity to object to disclosure.* Through the notice described in paragraph (b) of this section, the submitter shall be afforded a reasonable period of time within which to provide the Postal Service with a detailed written statement of any objection to disclosure. Such statement shall specify all grounds for withholding any of the information under any exemption of the Freedom of Information Act and, in the case of Exemption 4, shall demonstrate why the information is contended to be a trade secret or commercial or financial information that is privileged or confidential. Whenever possible, the

submitter's claim of confidentiality should be supported by a statement or certification by an officer or authorized representative of the submitter that the information in question is in fact confidential, has not been disclosed to the public by the submitter, and is not routinely available to the public from other sources. Information provided by a submitter pursuant to this paragraph may itself be subject to disclosure under the FOIA.

(g) *Determination that confidential treatment is warranted.* If the custodian determines that confidential treatment is warranted for any part of the requested records, he shall inform the requester in writing in accordance with the procedures set out in §265.7(d) of this chapter, and shall advise the requester of the right to appeal. A copy of the letter of denial shall also be provided to the submitter of the records in any case in which the submitter had been notified of the request pursuant to paragraph (c) of this section.

(h) *Notice of intent to disclose.* The custodian, in the case of an initial request, or the General Counsel, in the case of an appeal, shall consider carefully a submitter's objections and specific grounds for nondisclosure prior to determining whether to disclose business information. In the event of a decision to disclose business information over the objection of the submitter, the submitter shall be furnished a written notice which shall include:

(1) A description of the business information to be disclosed;

(2) A statement of the reasons for which the submitter's disclosure objections were not sustained; and

(3) The specific date upon which disclosure will occur. Such notice of intent to disclose shall be forwarded to the submitter a reasonable number of days prior to the specified disclosure date and the requester shall be notified likewise.

(i) *Notice of FOIA lawsuit.* Whenever a requester brings suit seeking to compel disclosure of business information, the General Counsel shall promptly notify the submitter.

[56 FR 56934, Nov. 7, 1991]

#### § 265.9 Schedule of fees.

(a) *Policy.* The purpose of this section is to establish fair and equitable fees to permit the furnishing of records to members of the public while recovering the full allowable direct costs incurred by the Postal Service. The Postal Service will use the most efficient and least costly methods available to it when complying with requests for records.

(b) *Standard rates—(1) Record retrieval.* Searches may be done manually or by computer using existing programming.

(i) *Manual search.* The fee for a manual search is \$32 per hour (fractions of an hour are rounded to the nearest half hour).

(ii) *Computer search.* The fee for retrieving data by computer is the actual direct cost of the retrieval, including computer search time, and personnel cost in effect at the time that the retrieval services are performed. The fees are subject to periodic revision. A copy of the fees are included within the public index. (See appendix A.)

(2) *Duplication.* (i) Except where otherwise specifically provided in postal regulations, the fee for duplicating any record or publication is \$.15 per page.

(ii) The Postal Service may at its discretion make coin-operated copy machines available at any location or otherwise give the requester the opportunity to make copies of Postal Service records at his own expense. Unless authorized by the Records Office, however, no off-site copying shall be permitted of records which, if lost, could not be replaced without inconvenience to the Postal Service.

(iii) The Postal Service will normally furnish only one copy of any record. If duplicate copies are furnished at the request of the requester, the \$.15 per page fee shall be charged for each copy of each duplicate page without regard to whether the requester is eligible for free copies pursuant to paragraph (c) or (g) of this section. At his or her discretion, when it is reasonably necessary because of a lack of adequate copying facilities or other circumstances, the custodian may make the requested record available to the requester for inspection under reasonable conditions and need not furnish a copy thereof.

(3) *Review.* The fee for reviewing records located in response to a commercial use request is \$32 per hour (fractions of an hour are rounded to the nearest half hour). Only requesters who are seeking documents for commercial use may be charged for review. “Review” is defined in paragraph (h)(4) of this section; “commercial use” is defined in paragraph (h)(5) of this section.

(4) *Micrographics.* Paragraphs (b) (1), (2) and (3) of this section also apply to information stored within micrographic systems.

(c) *Four categories of fees to be charged.* For the purpose of assessing fees under this section, a requester shall be classified into one of four categories: commercial use requesters; educational and noncommercial scientific institutions; representatives of the news media; and all other requesters. Requesters in each category must reasonably describe the records sought. Fees shall be charged requesters in each category in accordance with the following:

(1) *Commercial use requesters.* Fees shall be charged to recover the full direct costs of search, review and duplication in accordance with the rates prescribed in paragraphs (b) (1) through (3) of this section, subject only to the general waiver set out in paragraph (g)(1) of this section. The term “commercial use request” is defined in paragraph (h)(5).

(2) *Educational and noncommercial scientific institutions.* Fees shall be charged only for duplication in accordance with paragraph (b)(2) of this section, except that the first 100 pages furnished in response to a particular request shall be furnished without charge. (See also the general waiver provision in paragraph (g)(1) of this section.) To be eligible for the reduction of fees applicable to this category, the requester must show that the request is being made as authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly or scientific research. These institutions are defined in paragraphs (h)(6) and (h)(7) of this section, respectively.

(3) *Representatives of the news media.* Fees shall be charged only for duplication in accordance with paragraph

(b)(2) of this section, except that the first 100 pages furnished in response to a particular request shall be furnished without charge. (See also the general waiver provision in paragraph (g)(1) of this section.) To be eligible for the reduction of fees applicable to this category, the requester must meet the criteria in paragraph (h)(8) of this section, and the request must not be made for a commercial use.

(4) *All other requesters.* Fees shall be charged for search and duplication in accordance with paragraphs (b) (1) and (2) of this section, except that the first 100 pages of duplication and the first two hours of search time shall be furnished without charge. (See also paragraphs (g)(1) and (g)(2) of this section.)

(d) *Aggregating requests.* When the custodian reasonably believes that a requester is attempting to break a request down into a series of requests in order to evade the assessment of fees, the custodian may aggregate the requests and charge accordingly. The custodian shall not aggregate multiple requests when the requests pertain to unrelated subject matter. Requests made by more than one requester may be aggregated only when the custodian has a concrete basis on which to conclude that the requesters are acting in concert specifically to avoid payment of fees.

(e) *Other costs—(1) Publications.* Publications and other printed materials may, to the extent that they are available in sufficient quantity, be made available at the established price, if any, or at cost to the Postal Service. Fees established for printed materials pursuant to laws, other than the Freedom of Information Act, that specifically provide for the setting of fees for particular types of records are not subject to waiver or reduction under this section.

(2) *Other charges.* When a response to a request requires services or materials other than the common one listed in paragraph (b) of this section, the direct cost of such services or materials to the Postal Service may be charged, but only if the requester has been notified of the nature and estimated amount of such cost before it is incurred.

(f) *Advance notice and payment of fees*—(1) *Liability and payment.* The requester is responsible, subject to limitations on liability provided by this section, for the payment of all fees for services resulting from his request, even if responsive records are not located or are determined to be exempt from disclosure. Checks in payment of fees should be made payable to “U.S. Postal Service.”

(2) *Advance notice.* To protect members of the public from unwittingly incurring liability for unexpectedly large fees, the custodian shall notify the requester if the estimated cost is expected to exceed \$25. When search fees are expected to exceed \$25, but it cannot be determined in advance whether any records will be located or made available, the custodian shall notify the requester of the estimated amount and of the responsibility to pay search fees even through records are not located or are determined to be exempt from disclosure. The notification shall be transmitted as soon as possible after physical receipt of the request, giving the best estimate then available. It shall include a brief explanatory statement of the nature and extent of the services upon which the estimate is based and shall offer the requester an opportunity to confer with the custodian or his representative in an attempt to reformulate the request so as to meet his needs at lower cost. The time period for responding to the request shall not run during the interval between the date such notification is transmitted and the date of receipt of the requester’s agreement to bear the cost. No notification is required if the request specifically states that whatever cost is involved is acceptable or is acceptable up to a specified amount that covers estimated costs or if payment of all fees in excess of \$25 has been waived.

(3) *Advance payment.* Advance payment of fees shall not be required, except: (i) When it is estimated that the fees chargeable under this section are likely to exceed \$250. If the requester has a history of prompt payment of FOIA fees, the custodian shall notify the requester of the likely cost and obtain satisfactory assurance of full payment before commencing work on the

request. If the requester has no history of payment, the custodian may require an advance payment of an amount up to the full estimated charge before commencing work on the request.

(ii) When a requester has previously failed to pay a fee in a timely fashion (i.e., within 30 days of the date of the billing), the requester shall be required to pay the full amount owed, and to make an advance payment of the full amount of the estimated fee before processing will begin on a new or pending request.

(iii) When advance payment is required under paragraphs (f)(3)(i) or (ii) of this section, the time periods for responding to the initial request or to an appeal shall not run during the interval between the date that notice of the requirement is transmitted and the date that the required payment or assurance of payment is received.

(g) *Restrictions on assessing fees*—(1) *General waiver.* No fees shall be charged to any requester if they would amount, in the aggregate, for a request or a series of related requests, to \$10 or less. When the fees for the first 100 pages or the first two hours of search time are excludable under paragraph (c) of this section, additional costs will not be assessed unless they exceed \$10.

(2) *Certain fees not charged*—(i) *All requests except those for commercial use.* Fees shall not be charged for the first 100 pages of duplication and the first two hours of search time except when the request is for a commercial use as defined in paragraph (h)(5) of this section. When search is done by computer, the fees to be excluded for the first two hours of search time shall be determined on the basis of fee for computer searches then in effect. (See appendix A.) Assessment of search fees will begin at the point when the cost of the search (including the cost of personnel and computer processing time) reaches the equivalent dollar amount of personnel fees for 2 hours.

(ii) *Requests of educational and non-commercial scientific institutions, and representatives of the news media.* Fees shall not be charged for time spent searching for records in response to requests submitted by educational and noncommercial scientific institutions or representatives of the news media.

(3) *Public interest waiver.* The custodian shall waive a fee, in whole or in part, and any requirement for advance payment of such a fee, when he determines that furnishing the records is deemed to be in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the federal government, and is not primarily in the commercial interest of the requester. This waiver may be granted notwithstanding the applicability of other fee reductions prescribed by this section for requesters in certain categories. In determining whether disclosure is in the public interest for the purposes of this waiver, the following factors may be considered:

(i) The relation of the records to the operations or activities of the Postal Services;

(ii) The informative value of the information to be disclosed;

(iii) Any contribution to an understanding of the subject by the general public likely to result from disclosure;

(iv) The significance of that contribution to the public understanding of the subject;

(v) The nature of the requester's personal interest, if any, in the disclosure requested; and

(vi) Whether the disclosure would be primarily in the requester's commercial interest.

(4) *Waiver by officer.* Any officer of the Postal Service, as defined in § 221.8, his designee, or the Manager, Records Office may waive in whole or in part any fee required by this part or the requirement for advance payment of any fee.

(5) *Fee for other services.* Waivers do not apply for fees for address correction services performed in accordance with section R900 of the *Domestic Mail Manual*.

(h) *Definitions.* As used in this section, the term:

(1) *Direct costs* include expenditures actually incurred in searching for and duplicating (and in the case of commercial requesters, reviewing) documents to respond to a FOIA request. Direct costs include, for example, the salary of the employee performing work (the basic rate of pay for the employee plus a factor to cover benefits)

and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility in which the records are stored.

(2) *Search* includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents. Searches may be done manually or by computer using existing programming. A line-by-line search will be conducted only when necessary to determine whether the document contains responsive information and will not be employed in those instances in which duplication of the entire document would be the less expensive and quicker method of complying with a request. *Search* does not include review of material to determine whether the material is exempt from disclosure (see paragraph (h)(4) of this section).

(3) *Duplication* refers to the process of making a copy of a document necessary to respond to a FOIA request. Such copies can take the form of paper copy, microform, audio-visual materials, or machine readable documentation (e.g., magnetic tape or disk), among others. The copy provided must be in a form that is reasonably usable by requesters.

(4) *Review* refers to the process of examining documents located in response to a request that is for a commercial use (see paragraph (h)(5) of this section) to determine whether any portion of any document located is exempt from mandatory disclosure. It also includes processing any documents for disclosure, e.g., doing all that is necessary to excise them and otherwise prepare them for release. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions. Charges may be assessed only for the initial review, i.e., the first time the applicability of a specific exemption is analyzed. Costs for a subsequent review are properly assessable only when a record or portion of a record withheld solely on the basis of an exemption later determined not to apply must be reviewed again to determine the applicability of other exemptions not previously considered.

## United States Postal Service

## § 265.11

(5) *Commercial use request* refers to a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a request properly belongs in this category, the Postal Service will look to the use to which the requester will put the documents requested. If the use is not clear from the request itself, or if there is reasonable cause to doubt the requester's stated use, the custodian shall seek additional clarification from the requester before assigning the request to this category.

(6) *Educational institution* refers to a pre-school, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(7) *Noncommercial scientific institution* refers to an institution that is not operated on a "commercial" basis as that term is defined in paragraph (h)(5) of this section, and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(8) *Representative of the news media* refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term "news" means information that is about current events or that would be of current interest to the public. Requests by news organizations for information that will be used for the furtherance of the organization's commercial interests, rather than for the dissemination of news to the public, shall be considered commercial use requests. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of "news") who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. A

"freelance" journalist will be regarded as a representative of the news media if he can demonstrate a solid basis for expecting publication through a news organization, even though not actually employed by it. This may be demonstrated either by a publication contract with the news organization or by the past publication record of the requester.

### § 265.11 Compliance with subpoena duces tecum, court orders, and summonses.

(a) *Compliance with subpoena duces tecum.* (1) Except as required by Part 262, produce other records of the Postal Service only in compliance with a subpoena duces tecum or appropriate court order.

(2) Time, leave, and payroll records of postal employees are subject to production when a subpoena duces tecum or appropriate court order has been properly served. The custodian of the records may designate a postal employee to present the records. The presentation by a designee rather than the employee named in the subpoena or

court order must meet with the approval of the attorneys for each side. In addition, such records may be released if authorized in writing by the employee.

(3) If the subpoena involves a job-connected injury, the records are under the exclusive jurisdiction of the Office of Workers' Compensation Programs, Department of Labor. Requests for authorization to produce these records shall be addressed to: Office of Workers' Compensation Programs, U.S. Department of Labor, Washington, DC 20210-0001. Also notify the attorney responsible for the issuance of the subpoena or court order.

(4) Employee medical records are primarily under the exclusive jurisdiction of the U.S. Civil Service Commission. The Commission has delegated authority to the Postal Service and to the Commission's Regional Directors to release medical information, in response to proper requests and upon competent medical advice, in accordance with the following criteria:

(i) Except in response to a subpoena or court order, do not release any medical information about an employee to any non-Federal entity or individual without authorization from the employee.

(ii) With authorization from the employee, the Area, Information Systems Service Center, or Chief Field Counsel will respond as follows to a request from a non-Federal source for medical information:

(a) If, in the opinion of a Federal medical officer, the medical information indicates the existence of a malignancy, a mental condition, or other condition about which a prudent physician would hesitate to inform a person suffering from such a condition as to its exact nature and probable outcome, do not release the medical information to the employee or to any individual designated by him, except to a physician, designated by the employee in writing. If a subpoena or court order was issued, the responding official shall caution the moving party as to the possible dangers involved if the medical information is divulged.

(b) If, in the opinion of a Federal medical officer, the medical information does not indicate the presence of

any condition which would cause a prudent physician to hesitate to inform a person of the exact nature and probable outcome of his condition, release it in response to a subpoena or court order, or to the employee or to any person, firm, or organization he authorizes in writing.

(c) If a Federal medical officer is not available, refer the request to the Civil Service Commission regional office with the medical certificates or other medical reports concerned.

(5) Do not release any records containing information as to the employee's security or loyalty.

(6) Honor subpoenas or court orders only when disclosure is authorized.

(7) When authorized to comply with a subpoena duces tecum, do not leave the original records with the court.

(b) [Reserved]

**§ 265.12 Demands for testimony or records in certain legal proceedings.**

(ii) Information relating to records contained in the files of the Postal Service; or

(iii) Information or records acquired or produced by the employee in the course of his or her official duties or because of the employee's official status.

(2) This section does not create any right or benefit, substantive or procedural, enforceable by any person against the Postal Service.

(3) This section does not apply to any of the following:

(i) Any legal proceeding in which the United States is a party;

(iv) A demand for testimony or records submitted to the Postal Inspection Service (a demand for Inspection Service records or testimony will be handled in accordance with rules in § 265.11).

(4) This section does not exempt a request from applicable confidentiality requirements, including the requirements of the Privacy Act, 5 U.S.C. 552a.

(b) *Definitions.* The following definitions apply to this section:

(1) *Adjudicative authority* includes, but is not limited to, the following:

(i) A court of law or other judicial forums, whether local, state, or federal; and

(ii) Mediation, arbitration, or other forums for dispute resolution.

(8) *Testimony* means statements made in connection with a legal proceeding, including but not limited to statements in court or other forums, depositions, declarations, affidavits, or responses to interrogatories.

(9) *United States* means the federal government of the United States and any of its agencies, establishments, or instrumentalities, including the United States Postal Service.

(c) *Requirements for submitting a demand for testimony or records.* (1) Ordinarily, a party seeking to obtain records from the Postal Service should submit a request in accordance with the provisions of the Freedom of Information Act (FOIA), 5 U.S.C. 552, and the Postal Service's regulations implementing the FOIA at 39 CFR 265.1 through 265.9 or the Privacy Act, 5 U.S.C. 552a and the Postal Service's regulations implementing the Privacy Act at 39 CFR 266.1 through 266.9.

(2) A demand for testimony or records issued pursuant to the rules governing the legal proceeding in which the demand arises must:

(i) Be in writing;

(ii) Identify the requested record and/or state the nature of the requested testimony, describe the relevance of the record or testimony to the proceeding, and why the information sought is unavailable by any other means; and

(iii) If testimony is requested, contain a summary of the requested testimony and a showing that no document could be provided and used in lieu of testimony.

(3) Procedures for service of demand are made as follows:

(i) Service of a demand for testimony or records (including, but not limited to, personnel or payroll information) relating to a current or former employee must be made in accordance with the applicable rules of civil procedure on the employee whose testimony is requested or the records custodian. The requester also shall deliver a copy of the demand to the District Manager, Customer Services and Sales, for all current employees whose work location is within the geographic boundaries of the manager's district, and any former employee whose last position was within the geographic boundaries of the

manager's district. A demand for testimony or records must be received by the employee whose testimony is requested and the appropriate District Manager, Customer Services and Sales, at least ten (10) working days before the date the testimony or records are needed.

(ii) Service of a demand for testimony or records other than those described in paragraph (c)(3)(i) of this section must be made in accordance with the applicable rules of civil procedure on the employee whose testimony is requested or the records custodian. The requester also shall deliver a copy of the demand to the General Counsel, United States Postal Service, 475 L'Enfant Plaza, SW, Washington DC 20260-1100, or the Chief Field Counsel. A demand for testimony or records must be received by the employee and the General Counsel or Chief Field Counsel at least ten (10) working days before the date testimony or records are needed.

(d) *Procedures followed in response to a demand for testimony or records.* (1) After an employee receives a demand for testimony or records, the employee shall immediately notify the General Counsel or Chief Field Counsel and request instructions.

(2) An employee may not give testimony or produce records without the prior authorization of the General Counsel.

(3)(i) The General Counsel may allow an employee to testify or produce records if the General Counsel determines that granting permission:

(A) Would be appropriate under the rules of procedure governing the matter in which the demand arises and other applicable laws, privileges, rules, authority, and regulations; and

(B) Would not be contrary to the interest of the United States. The interest of the United States includes, but is not limited to, furthering a public interest of the Postal Service and protecting the human and financial resources of the United States.

(ii) An employee's testimony shall be limited to the information set forth in the statement described at paragraph (c)(2) of this section or to such portions thereof as the General Counsel determines are not subject to objection. An

employee's testimony shall be limited to facts within the personal knowledge of the employee. A Postal Service employee authorized to give testimony under this rule is prohibited from giving expert or opinion testimony, answering hypothetical or speculative questions, or giving testimony with respect to privileged subject matter. The General Counsel may waive the prohibition of expert testimony under this paragraph only upon application and showing of exceptional circumstances and the request substantially meets the requirements of this section.

(4) The General Counsel may establish conditions under which the employee may testify. If the General Counsel authorizes the testimony of an employee, the party seeking testimony shall make arrangements for the taking of testimony by those methods that, in the General Counsel's view, will least disrupt the employee's official duties. For example, at the General Counsel's discretion, testimony may be provided by affidavits, answers to interrogatories, written depositions, or depositions transcribed, recorded, or preserved by any other means allowable by law.

(5) If a response to a demand for testimony or records is required before the General Counsel determines whether to allow an employee to testify, the employee or counsel for the employee shall do the following:

(i) Inform the court or other authority of the regulations in this section; and

(ii) Request that the demand be stayed pending the employee's receipt of the General Counsel's instructions.

(6) If the court or other authority declines the request for a stay, or rules that the employee must comply with the demand regardless of the General Counsel's instructions, the employee or counsel for the employee shall respectfully decline to comply with the demand, citing *United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951), and the regulations in this section.

(7) The General Counsel may request the assistance of the Department of Justice or a U.S. Attorney where necessary to represent the interests of the Postal Service and the employee.

## United States Postal Service

## § 265.13

(8) At his or her discretion, the General Counsel may grant a waiver of any procedure described by this section, where waiver is considered necessary to promote a significant interest of the United States or for other good cause.

(9) If it otherwise is permissible, the records custodian may authenticate, upon the request of the party seeking disclosure, copies of the records. No employee of the Postal Service shall respond in strict compliance with the terms of a subpoena duces tecum unless specifically authorized by the General Counsel.

(e) *Postal Service employees as expert witnesses.* No Postal Service employee may testify as an expert or opinion witness, with regard to any matter arising out of the employee's official duties or the functions of the Postal Service, for any party other than the United States, except that in extraordinary circumstances, the General Counsel may approve such expert testimony in private litigation. A Postal Service employee may not testify as such an expert witness without the express authorization of the General Counsel. A litigant must obtain authorization of the General Counsel before designating a Postal Service employee as an expert witness.

(f) *Substitution of Postal Service employees.* Although a demand for testimony may be directed to a named Postal Service employee, the General Counsel, where appropriate, may designate another Postal Service employee to give testimony. Upon request and for good cause shown (for example, when a particular Postal Service employee has direct knowledge of a material fact not known to the substitute employee designated by the Postal Service), the General Counsel may permit testimony by a named Postal Service employee.

(g) *Fees and costs.* (1) The Postal Service may charge fees, not to exceed actual costs, to private litigants seeking testimony or records by request or demand. The fees, which are to be calculated to reimburse fully the Postal Service for processing the demand and providing the witness or records, may include, among others:

(i) Costs of time spent by employees, including attorneys, of the Postal

Service to process and respond to the demand;

(ii) Costs of attendance of the employee and agency attorney at any deposition, hearing, or trial;

(iii) Travel costs of the employee and agency attorney;

(iv) Costs of materials and equipment used to search for, process, and make available information.

(2) All costs for employee time shall be calculated on the hourly pay of the employee (including all pay, allowance, and benefits) and shall include the hourly fee for each hour, or portion of each hour, when the employee is in travel, in attendance at a deposition, hearing, or trial, or is processing or responding to a request or demand.

(3) At the discretion of the Postal Service, where appropriate, costs may be estimated and collected before testimony is given.

(h) *Acceptance of service.* This section does not in any way abrogate or modify the requirements of the Federal Rules of Civil Procedure (28 U.S.C. Appendix) regarding service of process.

[60 FR 17224, Apr. 5, 1995, as amended at 60 FR 57345, Nov. 15, 1995; 64 FR 41291, July 30, 1999; 68 FR 56559, Oct. 1, 2003]

### **§ 265.13 Compliance with subpoenas, summonses, and court orders by postal employees within the Inspection Service where the Postal Service, the United States, or any other federal agency is not a party.**

(a) *Applicability of this section.* The rules in this section apply to all federal, state, and local court proceedings, as well as administrative and legislative proceedings, other than:

(1) Proceedings where the United States, the Postal Service, or any other federal agency is a party;

(2) Congressional requests or subpoenas for testimony or documents;

(3) Consultative services and technical assistance rendered by the Inspection Service in executing its normal functions;

(4) Employees serving as expert witnesses in connection with professional and consultative services under 5 CFR part 7001, provided that employees acting in this capacity must state for the record that their testimony reflects their personal opinions and should not

§ 265.13

39 CFR Ch. I (7–1–15 Edition)

be viewed as the official position of the Postal Service;

(5) Employees making appearances in their private capacities in proceedings that do not relate to the Postal Service (e.g., cases arising from traffic accidents, domestic relations) and do not involve professional or consultative services; and

(6) When in the opinion of the Counsel or the Counsel's designee, Office of the Chief Postal Inspector, it has been determined that it is in the best interest of the Inspection Service or in the public interest.

(b) *Purpose and scope.* The provisions in this section limit the participation of postal employees within or assigned to the Inspection Service, in private litigation, and other proceedings in which the Postal Service, the United States, or any other federal agency is not a party. The rules are intended to promote the careful supervision of Inspection Service resources and to reduce the risk of inappropriate disclosures that might affect postal operations.

(c) *Definitions.* For the purposes of this section:

(1) *Authorizing official* is the person responsible for giving the authorization for release of documents or permission to testify.

(2) *Case or matter* means any civil proceeding before a court of law, administrative board, hearing officer, or other body conducting a judicial or administrative proceeding in which the United States, the Postal Service, or another federal agency is not a named party.

(4) *Document* means all records, papers, or official files, including, but not limited to, official letters, telegrams, memoranda, reports, studies, calendar and diary entries, graphs, notes, charts, tabulations, data analyses, statistical or information accumulations, records of meetings and conversations, film impressions, magnetic tapes, computer discs, and sound or mechanical reproductions;

(5) *Employee or Inspection Service employee*, for the purpose of this section only, refers to a Postal Service employee currently or formerly assigned

to the Postal Inspection Service, student interns, contractors and employees of contractors who have access to Inspection Service information and records.

(6) *Inspection Service* means the organizational unit within the Postal Service as outlined in § 224.3 of this chapter.

(7) *Inspection Service Legal Counsel* is an attorney authorized by the Chief Postal Inspector to give legal advice to members of the Inspection Service.

(8) *Inspection Service Manual* is the directive containing the standard operating procedures for Postal Inspectors and certain Inspection Service employees.

(9) *Nonpublic* includes any material or information not subject to mandatory public disclosure under § 265.6(b).

(10) *Official case file* means official documents that relate to a particular case or investigation. These documents may be kept at any location and do not necessarily have to be in the same location in order to constitute the file.

(11) *Postal Inspector reports* include all written reports, letters, recordings, or other memorializations made in conjunction with the duties of a Postal Inspector.

(12) *Testify or testimony* includes both in-person oral statements before any body conducting a judicial or administrative proceeding and statements made in depositions, answers to interrogatories, declarations, affidavits, or other similar documents.

(13) *Third-party action* means an action, judicial or administrative, in which the United States, the Postal Service, or any other federal agency is not a named party.

(d) *Policy.* (1) No current or former employee within the Inspection Service may testify or produce documents concerning information acquired in the course of employment or as a result of his or her relationship with the Postal Service in any proceeding to which this section applies (see paragraph (a) of this section), unless authorized to do so. Authorization will be provided by:

(i) The Postal Inspector in Charge of the affected field Division, or designee, for Division personnel and records, after that official has determined through consultation with Inspection

## § 265.13

Service legal counsel that no legal objection, privilege, or exemption applies to such testimony or production of documents.

(ii) The Chief Postal Inspector or designee for Headquarters employees and records, after that official has determined through consultation with Inspection Service legal counsel, that no legal objection, privilege, or exemption applies to such testimony or production of documents.

(2) Consideration shall be given to:

(i) Statutory restrictions, as well as any legal objection, exemption, or privilege that may apply;

(ii) Relevant legal standards for disclosure of nonpublic information and documents;

(iii) Inspection Service rules and regulations and the public interest;

(iv) Conservation of employee time; and

(v) Prevention of the expenditure of Postal Service resources for private purposes.

(3) If additional information is necessary before a determination can be made, the authorizing official may, in coordination with Inspection Service legal counsel, request assistance from the Department of Justice.

(e) *Compliance with subpoena duces tecum.* (1) Except as required by part 262 of this chapter, produce any other record of the Postal Service only in compliance with a subpoena *duces tecum* or appropriate court order.

(2) Do not release any record containing information relating to an employee's security or loyalty.

(3) Honor subpoenas and court orders only when disclosure is authorized.

(4) When authorized to comply with a subpoena *duces tecum* or court order, do not leave the originals with the court.

(5) Postal Inspector reports are considered to be confidential internal documents and shall not be released unless there is specific authorization by the Chief Postal Inspector or the Inspector in Charge of the affected field Division, after consulting with Inspection Service legal counsel.

(6) The Inspection Service Manual and other operating instructions issued to Inspection Service employees are considered to be confidential and shall not be released unless there is specific

authorization, after consultation with Inspection Service legal counsel. If the requested information relates to confidential investigative techniques, or release of the information would adversely affect the law enforcement mission of the Inspection Service, the subpoenaed official, through Inspection Service legal counsel, may request an *in camera, ex parte* conference to determine the necessity for the release of the information. The entire Manual should not be given to any party.

(7) Notes, memoranda, reports, transcriptions, whether written or recorded and made pursuant to an official investigation conducted by a member of the Inspection Service, are the property of the Inspection Service and are part of the official case file, whether stored with the official file.

(f) *Compliance with summonses and subpoenas ad testificandum.* (1) If an Inspection Service employee is served with a third-party summons or a subpoena requiring an appearance in court, contact should be made with Inspection Service legal counsel to determine whether and which exemptions or restrictions apply to proposed testimony. Inspection Service employees are directed to comply with summonses, subpoenas, and court orders, as to appearance, but may not testify without authorization.

(2) Postal Inspector reports or records will not be presented during testimony, in either state or federal courts in which the United States, the Postal Service, or another federal agency is not a party in interest, unless authorized by the Chief Postal Inspector or the Postal Inspector in Charge of the affected field Division, who will make the decision after consulting with Inspection Service legal counsel. If an attempt is made to compel production, through testimony, the employee is directed to decline to produce the information or matter and to state that it may be exempted and may not be disclosed or produced without the specific approval of the Chief Postal Inspector or the Postal Inspector in Charge of the affected field Division. The Postal Service will offer all possible assistance to the courts, but the question of disclosing information for which an exemption may be

claimed is a matter of discretion that rests with the appropriate official. Paragraph (e) of this section covers the release of Inspection Service documents in cases where the Postal Service or the United States is not a party.

(g) *General procedures for obtaining Inspection Service documents and testimony from Inspection Service employees.* (1) To facilitate the orderly response to demands for the testimony of Inspection Service employees and production of documents in cases where the United States, the Postal Service, or another federal agency is not a party, all demands for the production of nonpublic documents or testimony of Inspection Service employees concerning matters relating to their official duties and not subject to the exemptions set forth in paragraph (a) of this section shall be in writing and conform to the requirements outlined in paragraphs (g)(2) and (g)(3) of this section.

(2) Before or simultaneously with service of a demand described in paragraph (g)(1) of this section, the requesting party shall serve on the Counsel, Office of the Chief Postal Inspector, 475 L'Enfant Plaza SW., Washington, DC 20260–2181, an affidavit or declaration containing the following information:

- (i) The title of the case and the forum where it will be heard;
- (ii) The party's interest in the case;
- (iii) The reasons for the demand;
- (iv) A showing that the requested information is available, by law, to a party outside the Postal Service;
- (v) If testimony is sought, a summary of the anticipated testimony;
- (vi) If testimony is sought, a showing that Inspection Service records could not be provided and used in place of the requested testimony;
- (vii) The intended use of the documents or testimony; and
- (viii) An affirmative statement that the documents or testimony is necessary for defending or prosecuting the case at issue.

(3) The Counsel, Office of the Chief Postal Inspector, shall act as agent for the receipt of legal process for demands for production of records or testimony of Inspection Service employees where the United States, the Postal Service, or any other federal agency is not a party. A subpoena for testimony or for

the production of documents from an Inspection Service employee concerning official matters shall be served in accordance with the applicable rules of civil procedure. A copy of the subpoena and affidavit or declaration, if not previously furnished, shall also be sent to the Chief Postal Inspector or the appropriate Postal Inspector in Charge.

(4) Any Inspection Service employee who is served with a demand shall promptly inform the Chief Postal Inspector, or the appropriate Postal Inspector in Charge, of the nature of the documents or testimony sought and all relevant facts and circumstances.

(h) *Authorization of testimony or production of documents.* (1) The Chief Postal Inspector or the Postal Inspector in Charge of the affected field Division, after consulting with Inspection Service legal counsel, shall determine whether testimony or the production of documents will be authorized.

(2) Before authorizing the requested testimony or the production of documents, the Chief Postal Inspector or the Postal Inspector in Charge of the affected field Division shall consider the following factors:

- (i) Statutory restrictions, as well as any legal objection, exemption, or privilege that may apply;
- (ii) Relevant legal standards for disclosure of nonpublic information and documents;
- (iii) Inspection Service rules and regulations and the public interest;
- (iv) Conservation of employee time; and
- (v) Prevention of expenditures of government time and resources solely for private purposes.

(3) If, in the opinion of the authorizing official, the documents should not be released or testimony should not be furnished, that official's decision is final.

(4) Inspection Service legal counsel may consult or negotiate with the party or the party's counsel seeking testimony or documents to refine and limit the demand, so that compliance is less burdensome, or obtain information necessary to make the determination whether the documents or testimony will be authorized. If the party

or party's counsel seeking the documents or testimony fails to cooperate in good faith, preventing Inspection Service legal counsel from making an informed recommendation to the authorizing official, that failure may be presented to the court or other body conducting the proceeding as a basis for objection.

(5) Permission to testify or to release documents in all cases will be limited to matters outlined in the affidavit or declaration described in paragraph (g)(2) of this section or to such parts as deemed appropriate by the authorizing official.

(6) If the authorizing official allows the release of documents or testimony to be given by an employee, arrangements shall be made for the taking of testimony or receipt of documents by the least disruptive methods to the employee's official duties. Testimony may, for example, be provided by affidavits, answers to interrogatories, written depositions, or depositions transcribed, recorded, or preserved by any other means allowable by law.

(i) While giving a deposition, the employee may, at the option of the authorizing official, be represented by Inspection Service legal counsel.

(ii) While completing affidavits, or other written reports or at any time during the process of preparing for testimony or releasing documents, the employee may seek the assistance of Inspection Service legal counsel.

(7) Absent written authorization from the authorizing official, the employee shall respectfully decline to produce the requested documents, testify, or, otherwise, disclose the requested information.

(8) If the authorization is denied or not received by the return date, the employee, together with counsel, where appropriate, shall appear at the stated time and place, produce a copy of this section, and respectfully decline to testify or produce any document on the basis of the regulations in this section.

(9) The employee shall appear as ordered by the subpoena, summons, or other appropriate court order, unless:

(i) Legal counsel has advised the employee that an appearance is inappropriate, as in cases where the subpoena, summons, or other court order was not

properly issued or served, has been withdrawn, discovery has been stayed; or

(ii) Where the Postal Service will present a legal objection to furnishing the requested information or testimony.

(i) *Inspection Service employees as expert or opinion witnesses.* No Inspection Service employee may testify as an expert or opinion witness, with regard to any matter arising out of the employee's duties or functions at the Postal Service, for any party other than the United States, except that in extraordinary circumstances, the Counsel, Office of the Chief Postal Inspector, may approve such testimony in private litigation. An Inspection Service employee may not testify as such an expert or opinion witness without the express authorization of the Counsel, Office of the Chief Postal Inspector. A litigant must first obtain authorization of the Counsel, Office of the Chief Postal Inspector, before designating an Inspection Service employee as an expert or opinion witness.

(j) *Postal liability.* This section is intended to provide instructions to Inspection Service employees and does not create any right or benefit, substantive or procedural, enforceable by any party against the Postal Service.

(k) *Fees.* (1) Unless determined by 28 U.S.C. 1821 or other applicable statute, the costs of providing testimony, including transcripts, shall be borne by the requesting party.

(2) Unless limited by statute, such costs shall also include reimbursement to the Postal Service for the usual and ordinary expenses attendant upon the employee's absence from his or her official duties in connection with the case or matter, including the employee's salary and applicable overhead charges, and any necessary travel expenses as follows:

(i) The Inspection Service is authorized to charge reasonable fees to parties demanding documents or information. Such fees, calculated to reimburse the Postal Service for the cost of responding to a demand, may include the costs of time expended by Inspection Service employees, including attorneys, to process and respond to the demand; attorney time for reviewing

the demand and for legal work in connection with the demand; expenses generated by equipment used to search for, produce, and copy the requested information; travel costs of the employee and the agency attorney, including lodging and per diem where appropriate. Such fees shall be assessed at the rates and in the manner specified in §265.9.

(ii) At the discretion of the Inspection Service where appropriate, fees and costs may be estimated and collected before testimony is given.

(iii) The provisions in this section do not affect rights and procedures governing public access to official documents pursuant to the Freedom of Information Act, 5 U.S.C 552a.

(1) *Acceptance of service.* The rules in this section in no way modify the requirements of the Federal Rules of Civil Procedure (28 U.S.C. Appendix) regarding service of process.
