It is prohibited to use NARA’s official seal and the stylized Code of Federal Regulations logo on any republication of this material without the express, written permission of the Archivist of the United States or the Archivist’s designee. Any person using NARA’s official seals and logos in a manner inconsistent with the provisions of 36 CFR part 1200 is subject to the penalties specified in 18 U.S.C. 506, 701, and 1017.

To cite the regulations in this volume use title, part and section number. Thus, 22 CFR 1.1 refers to title 22, part 1, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16 as of January 1
- Title 17 through Title 27 as of April 1
- Title 28 through Title 41 as of July 1
- Title 42 through Title 50 as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, April 1, 2016), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a “List of CFR Sections Affected” is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

“[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not accidentally dropped due to a printing or computer error.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material published in the Federal Register.
(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.
(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.
An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

PART 2—PROTECTION OF FOREIGN DIGNITARIES AND OTHER OFFICIAL PERSONNEL

§ 2.1 Designation of personnel to carry firearms and exercise appropriate power of arrest.

(a) The Deputy Assistant Secretary of State for Security is authorized to designate certain employees of the Department of State and the Foreign Service, as well as employees of other departments and agencies detailed to and under the supervision and control of the Department of State, as Security Officers, as follows.

(1) Persons so designated shall be authorized to carry firearms when engaged in the performance of the duties prescribed in section (1) of the act of June 28, 1955, 69 Stat. 188, as amended. No person shall be so designated unless he has either qualified in the use of firearms in accordance with standards established by the Deputy Assistant Secretary of State for Security, or in accordance with standards established by the department or agency from which he is detailed.

(2) Persons so designated shall also be authorized, when engaged in the performance of duties prescribed in section (1) of the act of June 28, 1955, 69 Stat. 188, as amended, to arrest without warrant and deliver into custody any person violating the provisions of section 111 or 112 of title 18, United States Code, in their presence or if they have reasonable grounds to believe that the person to be arrested has
§ 2.2 Purpose.

Section 1116(b)(2) of title 18 of the United States Code, as added by Pub. L. 92–539, An Act for the Protection of Foreign Officials and Official Guests of the United States, as amended by title 80 Stat. 1071, defines the term “foreign official” for purposes of that Act as “any person of a foreign nationality who is duly notified to the United States as an officer or employee of a foreign government or international organization, and who is in the United States on official business, and any member of his family whose presence in the United States is in connection with the presence of such officer or employee.” Section 1116(c)(4) of the same Act defines the term “official guest” for the purposes of that Act as “a citizen or national of a foreign country present in the United States as an official guest of the Government of the United States pursuant to designation as such by the Secretary of State.” It is the purpose of this regulation to specify the officer of the Department of State who shall be responsible for receiving notification of foreign officials under the Act and determining whether persons are “duly notified” to the United States and who shall be responsible for processing official guest designations by the Secretary of State.

(18 U.S.C. 1116(b)(2), 1116(c)(4); sec. 4 of the Act of May 26, 1949, as amended (22 U.S.C. 2658))

For persons normally accredited to the United States in diplomatic or consular capacities and also for persons normally notified to the Department of State, the procedure for placing a person in the statutory category of being “duly notified to the United States” shall be the current procedure for accreditation, with notification in turn when applicable. The Chief of the Office of Protocol will place on the roster of persons “duly notified to the United States” the names of all persons currently accredited and, when applicable, notified in turn, and will maintain the roster as part of the official files of the Department of State adding to and deleting therefrom as changes in accreditations occur.
(b) For those persons not normally accredited, the Chief of Protocol shall determine upon receipt of notification, by letter from the foreign government or international organization concerned, whether any person who is the subject of such a notification has been duly notified under the Act. 18 U.S.C. 1116(b)(2), 1116(c)(4); sec. 4 of the Act of May 26, 1949, as amended (22 U.S.C. 2658)

37 FR 24818, Nov. 22, 1972

PART 3—GIFTS AND DECORATIONS FROM FOREIGN GOVERNMENTS

Sec. 3.1 Purpose.

These regulations provide basic standards for employees of the Department of State, the United States International Development Cooperation Agency (IDCA), the Agency for International Development (AID), and the International Communication Agency (USICA), their spouses (unless separated) and their dependents to accept and retain gifts and decorations from foreign governments.

3.2 Authority.

(a) Section 515(a)(1) of the Foreign Relations Authorization Act of 1978 (91 Stat. 862-866), approved August 17, 1977,
§ 3.3 Definitions.

When used in this part, the following terms have the meanings indicated:

(a) **Employee** means (1) an officer or employee of the Department, AID, IDCA, or USICA, including an expert or consultant, however appointed, and (2) a spouse (unless separated) or a dependent of such a person, as defined in section 152 of the Internal Revenue Code of 1954 (26 U.S.C. 152).

(b) **Foreign government** means: (1) Any unit of foreign governmental authority, including any foreign national, State, local, or municipal government; (2) any international or multinational organization whose membership is composed of any unit of foreign government as described in paragraph (b)(1) of this section; (3) any agent or representative of any such unit or organization, while acting as such;

(c) **Gift** means a tangible or intangible present (other than a decoration) tendered by, or received from, a foreign government;

(d) **Decoration** means an order, device, medal, badge, insignia, emblem or award tendered by, or received from, a foreign government;

(e) **Minimal value** means retail value in the United States at the time of acceptance of $100 or less, except that on January 1, 1981, and at 3-year intervals thereafter, “minimal value” is to be redefined in regulations prescribed by the Administrator of General Services, in consultation with the Secretary of State, to reflect changes in the consumer price index for the immediately preceding 3-year period.

§ 3.4 Restriction on acceptance of gifts and decorations.

(a) An employee is prohibited from requesting or otherwise encouraging the tender of a gift or decoration from a foreign government. An employee is also prohibited from accepting a gift or decoration from a foreign government, except in accordance with these regulations.

(b) An employee may accept and retain a gift of minimal value tendered and received as a souvenir or mark of courtesy, subject, however, to the following restrictions—

(1) Where more than one tangible item is included in a single presentation, the entire presentation shall be considered as one gift, and the aggregate value of all items taken together must not exceed “minimal value”.

(2) The donee is responsible for determining that a gift is of minimal value in the United States at the time of acceptance. However, should any dispute result from a difference of opinion concerning the value of a gift, the employing agency will secure the services of an outside appraiser to establish whether the gift is one of “minimal value”. If, after an appraisal has been made, it is established that the value of the gift in question is $200 or more at retail in the United States, the donee will bear the costs of the appraisal. If, however, the appraised value is established to be less than $200, the employing agency will bear the costs.

(c) An employee may accept a gift of more than minimal value when (1) such gift is in the nature of an educational scholarship or medical treatment, or (2) it appears that to refuse the gift would likely cause offense or embarrassment or otherwise adversely affect the foreign relations of the United States, except that a tangible gift of more than minimal value is deemed to have been accepted on behalf of the United States and, upon acceptance, shall become the property of the United States.

(d) An employee may accept gifts of travel or expenses for travel taking place entirely outside the United States (such as transportation, food, and lodging) of more than minimal value if such acceptance is appropriate, consistent with the interests of the United States, and permitted by the employing agency. Except where the employing agency has specific interests which may be favorably affected by employee travel wholly outside the United States,
§ 3.5 Designation of officials and offices responsible for administration of foreign gifts and decorations.

(a) The Act effects a significant degree of decentralization of administration relative to the disposal of foreign gifts and decorations which become U.S. Government property. Each agency is now responsible for receiving from its employees deposits of foreign gifts of more than minimal value, as well as of foreign decorations not meeting the statutory criteria for retention by the recipient. The agency is also responsible for disposing of this property by return to the donor, for retaining it in the agency if official use of it is approved, for reporting to the General Services Administration within 30 calendar days after deposit items neither disposed of nor retained, and for assuming custody, proper care and handling of such property pending removal from that custody pursuant to disposal arrangements by the General Services Administration. The Secretary of State, however, is made responsible for providing guidance to other executive agencies in the development of their own regulations to implement the Act, as well as for the annual publication of lists of all gifts of more than minimal value deposited by Federal employees during the preceding year. (See §3.5(c).) Authority for the discharge of the Secretary’s responsibilities is delegated by these regulations to the Chief of Protocol.

(b) The Office of the Chief of Protocol retains primary responsibility for administration of the Act within the Department of State. That Office will, however, serve as the depository only for those foreign gifts and decorations which are turned in by State Department employees. The Director of Personnel Services of the USICA will have responsibility for administration of the Act within that agency and will serve as the depository of foreign gifts and decorations. Employees of the other
§ 3.6 Procedure to be followed by employees in depositing gifts of more than minimal value and reporting acceptance of travel or travel expenses.

(a) An employee who has accepted a tangible gift of more than minimal value shall, within 60 days after acceptance, relinquish it to the designated depository office for the employing agency for disposal or, with the approval of that office, deposit it for official use at a designated location in the employing agency or at a specified Foreign Service post. The designated depository offices are:

(1) For the Department of State, the Office of Protocol;
(2) For IDCA, the General Services Division of the Office of Management Planning in AID;
(3) For AID, the General Services Division of the Office of Management Planning; and
(4) For USICA, the Office of Personnel Services.

(b) At the time that an employee deposits gifts of more than minimal value for disposal or for official use pursuant to paragraph (a) of this section, or within 30 days after accepting a gift of travel or travel expenses as provided in §3.4(d) (unless the gift of such travel or travel expenses has been accepted in accordance with specific instructions from the Department or agency), the employee shall file a statement with the designated depository office with the following information:

(1) For each tangible gift reported:
   (i) The name and position of the employee;
   (ii) A brief description of the gift and the circumstances justifying acceptance;
   (iii) The identity of the foreign government and the name and position of the individual who presented the gift;
   (iv) The date of acceptance of the gift;
   (v) The donee’s best estimate in specific dollar terms of the value of the gift in the United States at the time of acceptance; and
   (vi) Disposition or current location of the gift. (For State Department employees, forms for this purpose are available in the Office of Protocol.)

(b) For each gift of travel or travel expenses:

   (i) The name and position of the employee;
   (ii) A brief description of the gift and the circumstances justifying acceptance; and
   (iii) The identity of the foreign government and the name and position of the individual who presented the gift.

(c) The information contained in the statements called for in paragraph (b) of this section is needed to comply with the statutory requirement that, not later than January 31 of each year, the Secretary of State publish in the FEDERAL REGISTER a comprehensive listing of all such statements filed by Federal employees concerning gifts of more than minimal value received by them during the preceding year.

§ 3.7 Decorations.

(a) Decorations tendered in recognition of active field service in time of combat operations or awarded for other outstanding or unusually meritorious performance may be accepted, retained, and worn by an employee, subject to the approval of the employing agency. Without such approval, the decoration is deemed to have been accepted on behalf of the United States and, like tangible gifts of more than minimal value, must be deposited by the employee with the designated depository office for the employing agency within sixty days after acceptance, for retention for official use or for disposal in accordance with §3.9.
§ 3.8 Approval of retention of gifts or decorations with employing agency for official use.

(a) At the request of an overseas post or an office within the employing agency, a gift or decoration deemed to have been accepted on behalf of the United States may be retained for official use. Such retention should be approved:

(1) For the Department of State, by the Chief of Protocol;
(2) For IDCA, by AID’s Director of Management Operations;
(3) For AID, by the Director of Management Operations; and
(4) For USICA, by the Associate Director for Management.

(b) To qualify for such approval, the gift or decoration should be an item which can be used in the normal conduct of agency business, such as a rug or a tea service, or an art object meriting display, such as a painting or sculpture. Personal gift items, such as wristwatches, jewelry, or wearing apparel, should not be regarded as suitable for “official use”. Only under unusual circumstances will retention of a decoration for official use be authorized. Every effort should be made to place each “official use” item in a location that will afford the largest number of employees, and, if feasible, members of the public, the maximum opportunity to receive the benefit of its display, provided the security of the location is adequate.

§ 3.9 Disposal of gifts and decorations which become the property of the United States.

(a) Gifts and decorations which have been reported to an employing agency shall either be returned to the donor or kept in safe storage pending receipt of instructions from the General Services Administration for transfer, donation or other disposal under the provisions of the Federal Property and Administrative Services Act of 1949, 63 Stat. 377, as amended, and the Federal Property Management Regulations (41 CFR part 101–49). The employing agency shall examine each gift or decoration and the circumstances surrounding its donation and assess whether any adverse effect upon the foreign relations of the United States might result from a return of the gift (or decoration) to the donor, which shall be the preferred
§ 3.10 Enforcement.

(a) Each employing agency is responsible under the Act for reporting to the Attorney General cases in which there is reason to believe that one of its employees has violated the Act. The Attorney General in turn may file a civil action in any United States District Court against any Federal employee who has knowingly solicited or accepted a gift from a foreign government in violation of the Act, or who has failed to deposit or report such gift, as an Act required by the Act. In such case, the court may assess a maximum penalty of the retail value of a gift improperly solicited or received, plus $5,000.

(b) Supervisory officials at all levels within employing agencies shall be responsible for providing periodic reorientation of all employees under their supervision on the basic features of the Act and these regulations, and for ensuring that those employees observe the requirements for timely reporting and deposit of any gifts of more than minimal value they may have accepted.

(c) Employees are advised of the following actions which may result from failure to comply with the requirements of the Act and these regulations:

(1) Any supervisor who has substantial reason to believe that an employee under his or her supervision has violated the reporting or other compliance provisions of the Act shall report the facts and circumstances in writing to the senior official in charge of administration within the cognizant bureau or office or at the post abroad. If that official upon investigation decides that an employee who is the donee of a gift or is the recipient of travel or travel expenses has, through actions within the employee’s control, failed to comply with the procedures established by the Act and these regulations, the case shall be referred to the Attorney General for appropriate action.

(2) In cases of confirmed evidence of a violation, whether or not such violation results in the taking of action by the Attorney General, the senior administrative official referred to in paragraph (c)(1) of this section shall institute appropriate disciplinary action against an employee who has failed to:

(i) Deposit tangible gifts within 60 days after acceptance,
(ii) account properly for the acceptance of travel expenses or
(iii) comply with the Act’s requirements respecting disposal of gifts and decorations retained for official use.

(3) In cases where there is confirmed evidence of a violation, but no evidence that the violation was willful on the part of the employee, the senior administrative official referred to in paragraph (c)(1) of this section shall institute appropriate disciplinary action of a lesser degree than that called for in

§ 3.10 Enforcement.

means of disposal. If this is not deemed feasible, the employing agency is required by GSA regulations to report deposit of the gift or decoration within 30 calendar days, using Standard Form 120, Report of Excess Personal Property and, as necessary, Standard Form 120A, Continuation Sheet, and citing section 7342 of title 5, U.S. Code (1976), on the reporting document. Such reports shall be submitted to the General Services Administration, Washington National Capital Region (WDPO), Attention: Federal Property Resources Service, Seventh and D Streets, SW., Washington, DC 20407.

(b) No gift or decoration deposited with the General Services Administration for disposal may be sold without the approval of the Secretary of State, upon a determination that the sale will not adversely affect the foreign relations of the United States. When depositing gifts or decorations with the designated depository office of their employing agency, employees may indicate their interest in participating in any subsequent sale of the items by the Government. Before gifts and decorations may be considered for sale by the General Services Administration, however, they must first have been offered for transfer to Federal agencies and for donation to the States. Consequently, employees should understand that there is no assurance that an item will be offered for sale, or, if so offered, that it will be feasible for an employee to participate in the sale. Employees are reminded in this connection that the primary aim of the Act is to discourage employees’ acceptance of gifts of more than minimal value.

§ 3a.2 Requirement for approval of foreign government employment.

(a) The United States Constitution (Article I, section 9, clause 8) prohibits the acceptance of civil employment with a foreign government by an officer of the United States without the consent of Congress. Congress has consented to the acceptance of civil employment (and compensation therefor) by any person described in §3a.1(b) subject to the approval of the Secretary concerned and the Secretary of State (37 U.S.C. 801, Note). Civil employment with a foreign government may not be accepted without such approval by any person so described.

(b) The Secretary of State has no authority to approve employment with a foreign government by any officer of the United States other than a person described in §3a.1(a). The acceptance of employment with a foreign government by any other officer of the United States remains subject to the constitutional prohibition described in paragraph (a) of this section.

(c) Any person described in §3a.1(a) who accepts employment with a foreign government without the approval required by this section or otherwise obtaining the consent of Congress is subject to forfeiture of retired pay to the extent of his or her compensation from the foreign government, according to the Comptroller General of the United States (44 Comp. Gen. 139 (1964)). This forfeiture is in addition to any other penalty which may be imposed under law or regulation.¹

²Approval under this part does not constitute an exception to the provisions of the Immigration and Nationality Act concerning loss of United States citizenship, for example, by becoming a citizen of or taking an oath of allegiance to another country. See 8 U.S.C. 1481 et seq.
§ 3a.6 Notification of approval.

The Director, Bureau of Politico-Military Affairs, will notify the Secretary concerned when an applicant’s proposed foreign government employment is approved. Notification of approval to the applicant will be made by the Secretary concerned or his designee.

§ 3a.7 Notification of disapproval and reconsideration.

(a) The Director, Bureau of Politico-Military Affairs, will notify the applicant directly when an applicant’s proposed foreign employment is disapproved, and will inform the Secretary concerned.

(b) Each notification of disapproval under this section must include a statement of the reasons for the disapproval, with as much specificity as security and foreign policy considerations permit, together with a notice of the applicant’s right to seek reconsideration of the disapproval under paragraph (c) of this section.

(c) Within 60 days after receipt of the notice of disapproval, an applicant whose request has been disapproved may submit a request for reconsideration by the Director, Bureau of Politico-Military Affairs. A request for reconsideration should provide information relevant to the reasons set forth in the notice of disapproval.

(d) The disapproval of a request by the Director, Bureau of Politico-Military Affairs, will be final, unless a timely request for reconsideration is received. In the event of a request for reconsideration, the Director, Bureau of Politico-Military Affairs, will make a final decision after reviewing the record of the request. A final decision after reconsideration to approve the applicant’s proposed employment with a foreign government will be communicated to the Secretary concerned as provided in §3a.6. A final decision after reconsideration to disapprove the applicant’s proposed employment with a foreign government will be communicated directly to the applicant as provided in paragraph (a) of this section and the Secretary concerned will be informed. The Director’s authority to make a final decision after reconsideration may not be redelegated.

§ 3a.8 Change in status.

In the event that an applicant’s foreign government employment approved under this part is to be materially changed, either by a substantial change in duties from those described in the request upon which the original approval was based, or by a change of employer, the applicant must obtain further approval in accordance with this part for such changed employment.

§ 9.1 Basis.
The regulations in this part, taken together with 32 CFR part 2001 and Volume 5 of the Department’s Foreign Affairs Manual, provide the basis for the security classification program of the U.S. Department of State (“the Department”) implementing Executive Order 13526 on Classified National Security Information (“the Executive Order” or “the Order”).

§ 9.2 Objective.
The objective of the Department’s classification program is to ensure that national security information is protected from unauthorized disclosure, but that it remains classified only to the extent and for such a period as is necessary.

§ 9.3 Senior agency official.
The Executive Order requires that each agency that originates or handles classified information designate a Senior Agency Official to direct and administer its information security program. The Department’s senior agency official is the Under Secretary of State for Management. The Senior Agency Official is assisted in carrying out the provisions of the Executive Order and the Department’s information security program by the Assistant Secretary for Diplomatic Security, the Assistant Secretary for Administration, and the Deputy Assistant Secretary for Global Information Services.

§ 9.4 Original classification.
(a) Definition. Original classification is the initial determination that certain information requires protection against unauthorized disclosure in the interest of national security (i.e., national defense or foreign relations of the United States), together with a designation of the level of classification.

(b) Classification levels. (1) Top Secret shall be applied to information the unauthorized disclosure of which reasonably could be expected to cause exceptionally grave damage to the national security that the original classification authority is able to identify or describe.

(2) Secret shall be applied to information the unauthorized disclosure of which reasonably could be expected to cause serious damage to the national security that the original classification authority is able to identify or describe.

(3) Confidential shall be applied to information the unauthorized disclosure of which reasonably could be expected to cause damage to the national security that the original classification authority is able to identify or describe.

(c) Classification requirements and considerations. (1) Information may not be considered for classification unless its unauthorized disclosure could reasonably be expected to cause identifiable or describable damage to the national security in accordance with section 1.2 of the Executive Order; and it pertains to one or more of the following:

(i) Military plans, weapons systems, or operations;
(ii) Foreign government information;
(iii) Intelligence activities (including covert action), intelligence sources or methods, or cryptology;
(iv) Foreign relations or foreign activities of the United States, including confidential sources;
(v) Scientific, technological, or economic matters relating to the national security;
(vi) United States Government programs for safeguarding nuclear materials or facilities;
(vii) Vulnerabilities or capabilities of systems, installations, infrastructures, projects, plans, or protection services relating to the national security; or
(viii) The development, production, or use of weapons of mass destruction.

(2) In classifying information, the public's interest in access to government information must be balanced against the need to protect national security information.

(3) The unauthorized disclosure of foreign government information is presumed to cause damage to national security.

(d) Classification limitations and prohibitions. (1) In no case shall information be classified in order to conceal violations of law, inefficiency, or administrative error, or to prevent embarrassment to a person, organization, or agency, to restrain competition, or to prevent or delay the release of information that does not require protection in the interest of the national security.

(2) A reference to classified documents that does not directly or indirectly disclose classified information may not be classified or used as a basis for classification.

(3) Only information owned by, produced by or for, or under the control of the U.S. Government may be originally classified.

(e) Duration of classification. (1) Information shall be classified for as long as is required by national security considerations, subject to the limitations set forth in section 1.5 of the Executive Order. When it can be determined, a specific date or event for declassification in less than 10 years shall be set by the original classification authority at the time the information is originally classified. If a specific date or event for declassification cannot be determined, information shall be marked for declassification 10 years from the date of the original decision, unless the original classification authority determines that the sensitivity of the information requires that it be marked for declassification for up to 25 years from the date of the original decision except for:

(i) Information that would reveal the identity of a confidential human source or a human intelligence source, or key design concepts of weapons of mass destruction, in which case the duration of classification shall be up to 75 years and shall be designated with the markings “50X1–HUM” and “50X2–WMD,” respectively; and

(ii) Specific information incorporated into the classification guide under section 2.2(e) of the Executive Order relating to exemptions from automatic declassification.

(2) An original classification authority may extend the duration of classification up to 25 years from the date of origin of the document, change the level of classification, or reclassify specific information only when the standards and procedures for classifying information under the Executive Order are met.

(3) No information may remain classified indefinitely. Information marked for an indefinite duration of classification under predecessor orders, such as “Originating Agency’s Determination Required” (OADR) or classified information that contains incomplete declassification instructions or lacks declassification instructions, shall be declassified in accordance with Part 3 of the Order.

§ 9.5 Original classification authority.

(a) Authority for original classification of information as Top Secret may be exercised by the Secretary and those officials delegated this authority in writing by the Secretary. Such authority has been delegated to the Deputy Secretaries, the Under Secretaries, the Counselor, Assistant Secretaries and equivalents; Chiefs of Mission and U.S. representatives to international organizations; and certain other officers within the Department and at posts abroad.

(b) Authority for original classification of information as Secret or Confidential may be exercised only by the Secretary, the Senior Agency Official, and those officials delegated this authority in writing by the Secretary or
the Senior Agency Official. Such authority has been delegated to Deputy Assistant Secretaries, Principal Officers at consulates general and consulates abroad, and certain other officers within the Department and at posts abroad. In the absence of the Secretary or Confidential classification authority, the person designated to act for that official may exercise that authority.

§ 9.6 Derivative classification.

(a) **Definition.** Derivative classification is: the incorporating, paraphrasing, restating, or generating in new form information that is already classified and the marking of the new material consistent with the classification of the source material, or the marking of the information in accordance with an authorized classification guide. Duplication or reproduction of existing classified information is not derivative classification. Persons who apply classification markings derived from source material or as directed by a classification guide need not possess original classification authority.

(b) **Responsibility.** Information classified derivatively from other classified information shall be classified and marked in accordance with instructions from an authorized classifier or in accordance with an authorized classification guide and shall comply with the standards set forth in sections 2.1–2.3 of the Executive Order and 32 CFR 2001.22. The duration of classification of a document classified by a derivative classifier using a classification guide shall not exceed 25 years except for:

1. Information that would reveal the identity of a confidential human source or a human intelligence source (50X1–HUM) or key design concepts of weapons of mass destruction (50X2–WMD), and
2. Specific information incorporated into the classification guide under section 2.2(e) of the Executive Order relating to exemptions from automatic declassification.

(c) **Department of State Classification Guide.** The Department of State Classification Guide (DSCG) is the primary authority for the classification of information in documents created by Department of State personnel. The Guide is classified “Confidential” and is found on the Department of State’s classified Web site.

§ 9.7 Identification and marking.

(a) Classified information shall be marked pursuant to the standards set forth in section 1.6 of the Executive Order, 32 CFR part 2001, subpart C, and internal Department guidance in 5 Foreign Affairs Manual.

(b) Foreign government information shall retain its original classification markings or be marked and classified at a U.S. classification level that provides a degree of protection at least equivalent to that required by the entity that furnished the information. Foreign government information retaining its original classification markings need not be assigned a U.S. classification marking provided the responsible agency determines that the foreign government markings are adequate to meet the purposes served by U.S. classification markings.

(c) Information assigned a level of classification under predecessor executive orders shall be considered as classified at that level of classification despite the omission of other required markings.

(d) Prior to public release, all declassified records shall be appropriately marked to reflect their declassification.

§ 9.8 Classification challenges.

(a) **Challenges.** Authorized holders of information pertaining to the Department of State who believe that its classification status is improper are expected and encouraged to challenge the classification status of the information. Such persons making challenges to the classification status of information shall not be subject to retribution for such action. Informal, usually oral, challenges are encouraged. Formal challenges to classification actions shall be in writing to an original classification authority (OCA) with jurisdiction over the information and a copy of the challenge shall be sent to the Office of Information Programs and Services (IPS) of the Department of State, SA–2, 515 22nd St. NW., Washington, DC 20522–8100. The Department (either the
OCA or IPS) shall provide an initial response in writing within 60 calendar days.

(b) Appeal procedures and time limits. A negative response may be appealed to the Department’s Appeals Review Panel (ARP) and should be sent to: Chairman, Appeals Review Panel, c/o Director, Office of Information Programs and Services/Appeals Officer, at the IPS address given above. The appeal shall include a copy of the original challenge, the response, and any additional information the appellant believes would assist the ARP in reaching its decision. The ARP shall respond within 90 calendar days of receipt of the appeal. A negative decision by the ARP may be appealed to the Interagency Security Classification Appeals Panel (ISCAP) referenced in section 5.3 of Executive Order 13526. If the Department fails to respond to a formal challenge within 120 calendar days or if the ARP fails to respond to an appeal within 90 calendar days, the challenge may be sent directly to the ISCAP.

(c) Pre-publication review materials. The provisions for classification challenges do not apply to material required to be submitted for pre-publication review, or other administrative action, pursuant to a non-disclosure agreement.

§ 9.9 Declassification and downgrading.

(a) Declassification processes. Declassification of classified information may occur:

(1) After review of material in response to a Freedom of Information Act (FOIA) request, mandatory declassification review request, discovery request, subpoena, classification challenge, or other information access or declassification request;

(2) After review as part of the Department’s systematic declassification review program;

(3) As a result of the elapse of the time or the occurrence of the event specified at the time of classification;

(4) By operation of the automatic declassification provisions of section 3.3 of the Executive Order with respect to material more than 25 years old.

(b) Downgrading. When material classified at the Top Secret level is reviewed for declassification and it is determined that classification continues to be warranted, a determination shall be made whether downgrading to a lower level of classification is appropriate. If downgrading is determined to be warranted, the classification level of the material shall be changed to the appropriate lower level.

(c) Authority to downgrade and declassify. (1) Classified information may be downgraded or declassified by:

(i) The official who originally classified the information if that official is still serving in the same position and has original classification authority;

(ii) A successor in that capacity if that individual has original classification authority;

(iii) A supervisory official of either if the supervisory official has original classification authority;

(iv) Other Department officials specifically delegated declassification authority in writing by the Secretary or the Senior Agency Official; or

(v) The Director of the Information Security Oversight Office pursuant to Sec. 3.1(a) of E.O. 13526.

(2) The Department shall maintain a record of Department officials specifically designated as declassification and downgrading authorities.

(d) Declassification in the public interest. Although information that continues to meet the classification criteria of the Executive Order or a predecessor order normally requires continued protection, in some exceptional cases the need to protect information may be outweighed by the public interest in disclosure of the information. When such a question arises, it shall be referred to the Secretary or the Senior Agency Official for decision on whether, as an exercise of discretion, the information should be declassified and disclosed. This provision does not amplify or modify the substantive criteria or procedures for classification or create any substantive or procedural right subject to judicial review.

(e) Public disclosure of declassified information. Declassification of information is not, by itself, authorization for its public disclosure. Previously classified information that is declassified may be exempt from public disclosure under the FOIA, the Privacy Act, or
various statutory confidentiality provisions. There also may be treaties or other international agreements that would preclude public disclosure of declassified information.

§ 9.10 Mandatory declassification review

(a) Scope. All information classified under E.O. 13526 or predecessor orders shall be subject to mandatory declassification review upon request by a member of the public or a U.S. government employee or agency with the following exceptions:

(1) Information originated by the incumbent President or the incumbent Vice President; the incumbent President’s White House staff or the incumbent Vice President’s staff; committees, commissions, or boards appointed by the incumbent President; other entities within the Executive Office of the President that solely advise and assist the incumbent President;

(2) Information that is the subject of pending litigation; and

(3) Information that has been reviewed for declassification within the past two years which need not be reviewed again, but the requester shall be given appeal rights.

(b) Requests. Requests for mandatory declassification review should be addressed to the Office of Information Programs and Services, U.S. Department of State, SA–2, 515 22nd St. NW., Washington, DC 20522–8100.

(c) Description of information. In order to be processed, a request for mandatory declassification review must describe the document or the material containing the information sought with sufficient specificity to enable the Department to locate the document or material with a reasonable amount of effort. Whenever a request does not sufficiently describe the material, the Department shall notify the requester that no further action will be taken unless additional description of the information sought is provided.

(d) Refusal to confirm or deny existence of information. The Department may refuse to confirm or deny the existence or nonexistence of requested information whenever the fact of existence or nonexistence is itself classified.

(e) Processing. In responding to mandatory declassification review requests, the Department shall make a review determination as promptly as possible, but in no case more than one year from the date of receipt of the request, and notify the requester accordingly. When the requested information cannot be declassified in its entirety, the Department shall release all meaningful portions that can be declassified and that are not exempt from disclosure on other grounds.

(f) Other agency information. When the Department receives a request for information in its possession that was originally classified by another agency, it shall refer the request and the pertinent information to the other agency unless that agency has agreed that the Department may review such information for declassification on behalf of that agency. In any case, the Department is responsible for responding to the requester with regard to any responsive information, including other-agency information, unless a prior arrangement has been made with the originating agency.

(g) Foreign government information. In the case of a request for material containing foreign government information, the Department shall determine whether the information may be declassified and may, if appropriate, consult with the relevant foreign government on that issue. If the Department is not the agency that initially received the foreign government information, it may consult with the original receiving agency.

(h) Documents or material containing RD or Transclassified Foreign Nuclear Information (TFNI). Documents or material containing RD or TFNI will be submitted to DOE for review. Documents containing FRD will be submitted to DOE or DoD for review.

(i) Appeals. Any denial of a mandatory declassification review request may be appealed to the ARP. A denial by the ARP of a mandatory declassification review appeal may be further appealed to the ISCAP. A failure of the Department to make a determination on a mandatory declassification review request within one year from the date of its receipt or to respond to an appeal
§ 9.11 Systematic declassification review.

The Director of the Office of Information Programs and Services shall be responsible for conducting a program for systematic declassification review of historically valuable records that: were exempted from the automatic declassification provisions of section 3.3 of the Executive Order; or will soon become subject to the automatic declassification provisions of section 3.3 of the Order. The Director shall prioritize such review in accordance with priorities established by the National Declassification Center.

§ 9.12 Sharing other-agency classified information.

The long-standing third-agency rule has required prior originating agency approval before a receiving agency could further disseminate classified information. Under the Executive Order, unless the originating agency indicates on the material that prior approval is required and provided that the criteria for access under section 4.1(a) of the Order are met, a receiving agency may further disseminate classified information in documents created subsequent to the effective date of the Order to another agency or U.S. entity without consultation with the originating agency. “U.S. entity” includes cleared state, local, tribal, and private sector entities. Similarly, under certain circumstances, receiving agencies may pass such classified information to foreign governments.

§ 9.13 Access to classified information by historical researchers and certain former government personnel.

(a) The restriction in E.O. 13526 and predecessor orders on limiting access to classified information to individuals who have a need-to-know the information may be waived, under the conditions set forth below, for persons who: are engaged in historical research projects; have served as President or Vice President; have occupied senior policy-making positions in the Department of State or other U.S. government agencies to which they were appointed or designated by the President or the Vice President. It does not include former Foreign Service Officers as a class or persons who merely received assignment commissions as Foreign Service Officers, Foreign Service Reserve Officers, Foreign Service Staff Officers, and employees.

(b) Requests by such persons must be submitted in writing to the Office of Information Programs and Services at the address set forth above and must include a general description of the records sought, the time period covered by the records that are the subject of the request, and an explanation why access is sought. Requests for access by such requesters may be granted if:

1. The Secretary or the Senior Agency Official determines in writing that access is consistent with the interests of national security;
2. The requester agrees in writing to safeguard the information from unauthorized disclosure or compromise;
3. The requester submits a statement in writing authorizing the Department to review any notes and manuscripts created as a result of access;
4. The requester submits a statement in writing that any information obtained from review of the records will not be disseminated without the express written permission of the Department;
(c) If a requester uses a research assistant, the requester and the research assistant must both submit a statement in writing acknowledging that the same access conditions set forth in paragraphs (b)(2) through (b)(4) of this section apply to the research assistant. Such a research assistant must be working for the applicant and not gathering information for publication on his or her own behalf.
(d) Access granted under this section shall be limited to items the official originated, reviewed, signed, or received while serving as a Presidential or Vice Presidential appointee or designee or as President or Vice President.
(e) Such requesters may seek declassification and release of material to which they have been granted access under this section through either the
§ 9.14 Pre-publication review of writings by former Department personnel.

The Department provides pre-publication review of writings on foreign relations topics by former Department personnel, including contractors and detailees, who had security clearances to try to ensure that former personnel do not violate their agreements on non-disclosure of classified national security information in such writings. Manuscripts (including articles, speeches, books, etc.) should be sent to the Director, Office of Information Programs and Services, 515 22nd St. NW., Washington, DC 20522–8100. Questions about pre-publication clearance may be sent to Classification@state.gov.

§ 9.15 Assistance to the Historian's Office.

All elements of the Department shall assist the Historian’s Office in its preparation of the Foreign Relations of the United States (FRUS) series such as by providing prompt access to and, when possible, declassification of information deemed appropriate for inclusion in the FRUS.

§ 9.16 Safeguarding.

Specific controls on the use, processing, storage, reproduction, and transmittal of classified information within the Department to provide protection for such information and to prevent access by unauthorized persons are contained in Volume 12 of the Department’s Foreign Affairs Manual.

§ 11.10 Links to relevant provisions of the Foreign Affairs Manual.

(a) The Foreign Affairs Manual (FAM) is the formal written document for recording, maintaining, and issuing Department of State (Department) directives that address personnel and other matters. It is the primary authority for appointment of current Department employees to the Foreign Service. This part is the primary authority for the appointment of non-employees to the Foreign Service. The FAM provides Department procedures and policies that are not repeated in this part. It is an important resource for understanding the provisions of this part.

(b) The two FAM volumes relevant to this part are Volume 3, Personnel, and Volume 16, Medical. FAM provisions are cited by volume followed by chapter or subchapter—for example, Chapter 210 of Volume 16 would be cited 16 FAM 210. All of the relevant FAM provisions are on the Department’s public Web site. The links for the relevant FAM provisions are as follows:

§ 11.20 Entry-level Foreign Service Officer career candidate appointments.

(a) General considerations—(1) Authority. Pursuant to section 302 of the Foreign Service Act of 1980 (hereinafter referred to as “the Act”), all Foreign Service Officers shall be appointed by the President, by and with the advice and consent of the Senate. All appointments shall be made to a class and not to a particular post. No person shall be eligible for appointment as a Foreign Service Officer unless that person is a citizen of the United States, is twenty-one, and is world-wide available. Pursuant to section 306 of the Act, such appointment is initially a career-candidate appointment. The tenuring of Foreign Service Officer career candidates is governed by the provisions of 3 FAM 2245.

(2) Veterans’ preference. Pursuant to section 301 of the Act, the fact that an applicant for appointment as a Foreign Service Officer candidate is a veteran or disabled veteran, as defined in 5 U.S.C. 2108, must be considered as an affirmative factor in making such appointments.

(3) Policy. Appointment as an Entry Level Foreign Service Officer career candidate of class 6, 5, or 4 is governed by these regulations. Successful applicants will be appointed as career candidates for a period not to exceed 5...
Department of State

§ 11.20

years. Under precepts of the Commissioning and Tenure Board, career candidates may be granted tenure and recommended for appointment as career Foreign Service Officers. Those who are not granted tenure prior to the expiration of their career-candidate appointments will be separated from the Foreign Service. Separated candidates who originally were employees of an agency and who accepted a limited appointment to the Foreign Service with the consent of the head of the agency in which they were employed will be entitled to reemployment rights in their former agency in accordance with section 310 of the Act.

(b) The Foreign Service Officer Test (FSOT). The following regulations apply to the FSOT:

(1) Purpose. The FSOT is designed to enable the Board of Examiners for the Foreign Service to test the applicant’s knowledge, skills, and abilities, including writing skills that are necessary to the work of a Foreign Service Officer.

(2) Eligibility. Before each FSOT, the Board of Examiners will establish a closing date for the receipt of applications for designation to take the test. No person will be designated to take the test who has not, as of that closing date, filed a complete application with the Board. To be designated to take the FSOT, an applicant, as of the date of the test, must be a citizen of the United States and at least 20 years of age.

(3) When and where given. The FSOT will be given periodically, in designated cities in the United States and at selected locales abroad, on dates established by the Board of Examiners and publicly announced on careers.state.gov.

(4) Scoring. The several parts of the FSOT will be weighted and graded according to standards established by the Board of Examiners. The Board of Examiners may adjust the passing score of the FSOT to reflect the projected hiring needs of the Foreign Service.

(c) Qualifications Evaluation Panel (QEP). The following regulations apply to the QEP:

(1) Purpose. Each QEP is designed to enable the Board of Examiners for the Foreign Service to review each candidate’s file and evaluate it against established precepts of successful Foreign Service Officer performance. The QEPs rank order candidates within each career track.

(2) Panels. QEPs are career track specific and are staffed by panelists approved by the Board of Examiners from a roster of qualified active duty and retired Foreign Service Officers. At least one of the panelists will be from the same career track as those in the candidate pool.

(3) Eligibility. Candidates whose score on the FSOT is at or above the passing level set by the Board of Examiners will be invited to submit their responses to Personal Narrative Questions. The questions, linked to the Foreign Service performance precepts, are designed to elicit specific examples of past performance where the candidate demonstrated the requisite precept.

(4) When administered. The Board of Examiners holds one session of QEPs following each FSOT.

(5) Scoring. Panelists will score files according to standards established by the Board of Examiners. The candidacy of anyone whose score is at or above the passing level set by the Board of Examiners will continue. The candidacy of anyone whose score is below the passing level will be ended and may not be considered again until the candidate has passed a new FSOT, at minimum of a year later. The Board of Examiners sets the passing score for each QEP based on the projected hiring needs of the Foreign Service. All candidates exempt from the FSOT, except Mustang applicants, are also exempt from review by a QEP.

(i) The Board of Examiners may authorize QEPs to give special consideration in the selection of candidates to certain factors, e.g., demonstrating language ability, which the Board will publicly announce on careers.state.gov.

(ii) The Board of Examiners may choose to verify accounts given by candidates in their personal narratives.

(d) Foreign Service Oral Assessment (FSOA). The following regulations apply to the FSOA:

(1) Purpose. The FSOA is designed to enable the Board of Examiners for the Foreign Service to test the candidate’s ability to demonstrate the qualities or dimensions that are essential to the
successful performance of Foreign Service work. The FSOA for the Entry Level Foreign Service Officer Career Candidate Program will consist of an assessment procedure publicly announced by the Board of Examiners on careers.state.gov. The process is generally referred to as the Foreign Service Oral Assessment or FSOA.

(2) Eligibility—(i) Through the FSOT and QEP review. (A) Candidates who pass the FSOT and whose score on the QEP review is at or above the passing level set by the Board of Examiners will be invited to take the FSOA.

(B) Candidates must schedule the FSOA within 12 months of receiving their invitation to take the FSOA unless they receive an extension of time. Candidates may request an extension of up to an additional 12 months. Active duty military have unrestricted time to take an FSOA if they notify the Board of Examiners of their active duty status. Failure to take the FSOA within 12 months of the invitation will result in the cancellation of the candidacy, unless the candidate has requested and obtained an extension of eligibility. The candidacy of anyone for whom the scheduling period is extended by the Board due to being outside of the United States will automatically be terminated if the candidate fails to notify his or her registrar of the change in status within three months of returning to the United States. The candidate must schedule an FSOA, but if a candidate fails to appear for a scheduled FSOA, the candidacy is automatically terminated. The Director of the Office of Recruitment, Examination, and Employment in the Bureau of Human Resources, or his/her designee, will consider requests to reschedule on a case-by-case basis if a candidate so requests prior to his/her scheduled FSOA.

(ii) Through the Mustang Program. Career employees of the Department of State in classes FS-6 and above or grades GS-5 and above who are at least 21 years of age and who have at least three years of service with the Department may be selected by the Board of Examiners for admission to the FSOA for Entry Level Career Candidates under the Department’s Mustang Program. Mustang candidates must meet all program requirements and submit all application material to be considered for the Mustang Program. See the procedures set forth in 3 FAM 2216.2-4 (Foreign Service Officer Oral Assessment (FSOA)).

(iii) Through a mid-level conversion program. Employees of the Department of State in grade GS-13 and above are eligible to apply to enter the Foreign Service through a mid-level conversion program (see 3 FAM 2216.3-2) whenever held.

(iv) Through other programs. (A) Under programs established pursuant to section 105(d)(1) of the Act, which addresses diversity within the Foreign Service.

(B) Under any other special entry programs created by the Department to meet specific needs of the Foreign Service.

(3) When and where given. The FSOA will be held intermittently in Washington, DC, and may be held in selected cities in the United States or abroad as necessary, as publicly announced.

(4) Assessment panel. (i) The FSOA will be given by a panel of assessors approved by the Board of Examiners from a roster of active duty and/or retired Foreign Service Officers.

(ii) Service as an assessor shall be limited to a maximum of 5 years, unless a further period is specifically authorized by the Board. Normally assessment panels shall be chaired by a career officer of the Foreign Service, trained in personnel testing and evaluation. Determinations of duly constituted panels of assessors are final unless modified by specific action of the Board of Examiners.

(5) Scoring. Candidates taking the FSOA will be scored numerically according to standards established and publicly announced by the Board of Examiners, in places such as careers.state.gov. The candidacy of anyone whose score is at or above the passing level set by the Board will be continued. The candidacy of anyone whose score is below the passing level will be terminated.

(e) Background investigation. Candidates who pass the FSOA and elect to continue the hiring process will be subject to a background investigation. The
background investigation must be conducted to determine the candidate’s eligibility for a security clearance and serves as the basis for determining suitability for appointment to the Foreign Service (see 3 FAM 2212.1 (Security Investigation)).

(f) Medical examination—(1) Eligibility. Candidates who pass the oral assessment and elect to continue the hiring process must undergo a medical examination. See the procedures in of 16 FAM 210 (Medical Clearances).

(2) [Reserved]

(g) Suitability Review Panel. Generally after the medical clearance has been issued and the background investigation is received, the candidate’s entire file (excluding any medical records) is reviewed and evaluated by the Suitability Review Panel to determine the candidate’s suitability for the Foreign Service. See the procedures in 3 FAM 2215 (Suitability Review). The candidacy of any candidate who is determined by the Suitability Review Panel to be unsuitable for appointment shall be terminated and the candidate so informed. According to procedures established by the Board of Examiners, a candidate may appeal this decision to the Board of Examiners Staff Director or designee whose decision will be final. The Bureau of Diplomatic Security (DS) will re-submit applicants to the Suitability Review Panel if they are found to have falsified information in the application process or are found to have disqualifying factors.

(h) Certification for appointment—(1) Eligibility. (i) A candidate will not be certified as eligible for appointment as a Foreign Service Officer Career Candidate unless that candidate is at least 21 years of age and a citizen of the United States.

(ii) Except for preference eligible individuals, career candidate appointments must be made before the candidate’s 65th birthday. Preference eligible individuals must be appointed before their 65th birthday. The maximum age for appointment under this program is based on the requirement that all career candidates must be able to:

(A) Complete at least two full tours of duty, exclusive of orientation and training; (B) Complete the requisite eligibility period for tenure consideration; and (C) Complete the requisite eligibility period to receive retirement benefits, prior to reaching the mandatory retirement age of 65 prescribed by the Act.

(iii) A candidate may be certified as eligible for direct appointment to classes FS–6, FS–5 or FS–4 based on established, publicly available, criteria.

(iv) Employees who receive a career candidate appointment, i.e., who are untenured, have five years to obtain tenure. These career-candidate appointments, including the appointment of an individual who is the employee of any agency, may not exceed five years in duration, and may not be renewed or be extended beyond five years. A candidate denied tenure under 3 FAM 2250 may not be reappointed as a career candidate to become a generalist.

(2) Career-track rank-order registers. The Board of Examiners maintains separate rank-order registers for career candidates in administrative, consular, economic, public diplomacy and political career tracks within the Department of State. Appointments from each career-track register will be made in rank order according to hiring needs.

(3) Special programs. Mustang candidates who are career employees of the Department of State and who have satisfactorily completed all aspects of the assessment process will be certified by the Board of Examiners for placement on the Hiring Register to compete for a hiring opportunity as a Foreign Service Officer. Mustang candidates who have previously passed the FSOT/QEP will continue in the career track they selected when registering for the FSOT and be placed on the appropriate career track register.

(4) Foreign language requirement. A candidate may be certified for appointment to classes FS–6, FS–5, or FS–4 without first having passed an examination in a foreign language, but the appointment will be subject to the condition that the newly appointed career candidate may not be appointed as a career Foreign Service Officer unless, within a specified period of time, proficiency in a foreign language is achieved.
§ 11.30 Mid-level Foreign Service Officer career candidate appointments.

(1) Termination of eligibility—(1) Time limit. Candidates who have qualified but have not been appointed because of lack of openings will be removed from the rank-order register 18 months after the date of placement on the rank-order register. Time spent in civilian Federal Government service abroad (to a maximum of 2 years of such service), including Peace Corps volunteer service, spouses of Foreign Service officers, or in active regular or reserve military service (no maximum), will not be counted as part of the 18-month eligibility period.

(2) Extension. The Board of Examiners may extend the eligibility period when such extension is, in its discretion, justified by the needs of the Foreign Service.

(3) Postponement of entrance on duty. Postponement of entrance on duty because of civilian Federal Government service abroad (to a maximum of 2 years of such service), including Peace Corps volunteer service, or as spouse of a Foreign Service Officer, or active regular or reserve military service (to a maximum of the limit of such required service), may be authorized by the Board.

(j) Travel expenses. The travel and other personal expenses of candidates incurred in connection with the written and oral examination will not be borne by the Government. However, the participating foreign affairs departments may issue round-trip invitational travel orders to bring candidates to Washington, DC, at government expense, when it is determined by the agencies that this is necessary in the interest of the Foreign Service.

§ 11.40 Senior Foreign Service Officer career candidate appointments.

[Reserved]

§ 11.50 Foreign Service specialist career candidate appointments.

(a) General considerations. (1) Pursuant to section 306 of the Act, such appointment is initially a career candidate appointment. Section 303 governs the appointment by the Department of State of Foreign Service specialist candidates to classes FS–1 and all classes below. Specialist candidates comprise all candidates for career appointment in all career tracks other than generalist career tracks (i.e., management, consular, economic, political, and public diplomacy). The tenuring of specialist candidates is governed by the procedures in 3 FAM 2250.

(2) Veterans’ preference shall apply to the selection and appointment of Foreign Service specialist career candidates. Veterans’ preference is an affirmative factor once the candidate has been qualified for the position. As soon as veterans go on the Hiring Register, they may apply for additional points to increase their rank order standing.

(b) Specialist career candidate appointments—(1) Certification of need. (i) Candidates for appointment as specialist career candidates must be worldwide available and must have a professional or a functional skill for which there is a continuing need in the Foreign Service. No applicant shall be appointed for which there is no certified need established at a specific class level. Either the Director General may determine in advance which specialties are routinely or frequently in shortage or need periodic recruitment through publicly posted vacancy announcements, or the Director General may certify that there is a need for an applicant in a specific specialist category and at a specific class.

(ii) Candidates who receive a career candidate appointment, i.e., who are untenured, have four years with the possibility of five years (see 3 FAM 2251.3) to obtain tenure. These appointments, including the appointment of an individual who is the employee of any agency, may not exceed five years in duration, and may not be renewed or be extended beyond five years. A specialist candidate denied tenure under 3 FAM 2250 generally may not be reappointed as a career candidate in the same career track.

(2) Eligibility. An applicant must be a citizen of the United States and at
least 20 years of age. The minimum age for appointment as a career candidate is 21. Except for preference eligible candidates, all career candidate appointments shall be made before the candidate’s 60th birthday. Preference eligible candidates may be appointed up to their 65th birthday. The maximum age for appointment under the program is based on the requirement that all career candidates shall be able to:

(i) Complete at least two full tours of duty, exclusive of orientation and training.

(ii) Complete the requisite eligibility period for tenure consideration, and

(iii) Complete the requisite eligibility period to receive retirement benefits, prior to reaching the mandatory retirement age of 65 prescribed by the Act.

(3) Screening. (i) Specialist career candidates will be screened initially on the basis of education and experience.

(ii) Based on a job analysis, the Board of Examiners, in coordination with any bureau responsible for the specialty, will establish the knowledge, skills, and abilities required to perform successfully the tasks and duties of Foreign Service specialists in that functional field. Assessors working for the Board of Examiners will screen applications under those approved criteria and select those who meet the requirements to invite to an oral assessment.

(4) Oral assessment. Candidates are selected through the initial screening process. The oral assessment will be given by a panel of assessors, at least one of whom will be a career Foreign Service employee proficient in the functional field for which the candidate is being tested. The assessment may include a writing sample. Candidates taking the oral assessment will be scored numerically according to standards set by the Board of Examiners. The candidacy of anyone whose score is at or above the passing level set by the Board will be continued. The candidacy of anyone whose score is below the passing level will be terminated. The candidate may only reapply after the first anniversary date of the original application.

(5) Background investigation. Specialist candidates who pass the oral assessment and elect to continue the hiring process will be subject to a background investigation. The background investigation must be conducted to determine the candidate’s eligibility for a security clearance and serves as the basis for determining suitability for appointment to the Foreign Service (see 3 FAM 2212.1–1 (Security Investigation)).

(6) Medical examination. Candidates who pass the oral assessment and elect to continue the hiring process must undergo a medical examination. See the procedures in 16 FAM 210 (Medical Clearances).

(7) Suitability Review Panel. After the medical examination clearance has been issued and the background investigation is received, the candidate’s entire file (excluding any medical records) is reviewed and evaluated by a Suitability Review Panel to determine the candidate’s suitability for the Foreign Service. See the procedures in 3 FAM 2215 (Suitability Review). According to procedures established by the Board of Examiners, a candidate may appeal this decision to the Board of Examiners Staff Director or designee, whose decision will be final. DS will re-submit applicants to the Suitability Review Panel if they are found to have falsified information on their application or are found to have disqualifying factors.

§ 11.60 Limited non-career appointments.

Consistent with section 303 of the Act (22 U.S.C. 3943), the Secretary of State may also appoint Civil Service employees and other individuals to the Foreign Service, and, consistent with section 309 of the Act (22 U.S.C. 3949), such appointments may include limited non-career appointments (LNAs). After meeting the job specific requirements, candidates must meet applicable medical, security, and suitability requirements. Limited non-career appointments are covered under 3 FAM 2290.

PART 13—PERSONNEL

Sec.
13.1 Improper exaction of fees.
13.2 Embezzlement.
13.3 [Reserved]
13.4 False certificate as to ownership of property.

Source: 22 FR 10789, Dec. 27, 1957, unless otherwise noted.

§ 13.1 Improper exaction of fees.

Any consular officer who collects, or knowingly allows to be collected, for any services any other or greater fees than are allowed by law for such services, shall, besides his or her liability to refund the same, be liable to pay to the person by whom or in whose behalf the same are paid, treble the amount of the unlawful charge so collected, as a penalty. The refund and penalty may be recovered with costs, in any proper form of action, by such person for his or her own use. The amount of such overcharge and penalty may at the discretion of the Secretary of the Treasury be ordered withheld from the compensation of such officer for payment to the person entitled to the same (22 U.S.C. 4209).

Note: The foregoing relates to improper collection and personal withholding of funds by consular officers. For procedure where a collection, having been erroneously made, has been returned by the officer to the Treasury in good faith, making a subsequent accounting adjustment necessary, see § 22.6, Refund of fees of this chapter.

§ 13.2 Embezzlement.

Every consular officer who shall receive money, property, or effects belonging to a citizen of the United States and shall not within a reasonable time after demand made upon him or her by the Secretary of State or by such citizen, his or her executor, administrator, or legal representative, account for and pay over all moneys, property, and effects, less his or her lawful fees, due to such citizen, shall be deemed guilty of embezzlement, and shall be punishable by imprisonment for not more than five years, and by a fine of not more than $2,000 (22 U.S.C. 4217). Penalties of imprisonment and fine are also prescribed for embezzlement in connection with the acceptance, without execution of a prescribed form of bond, of appointment from any foreign state as administrator, guardian, or to any other office of trust for the settlement or conservation of estates of deceased persons or of their heirs or of persons under legal disabilities (22 U.S.C. 4198 and 4199). Acceptance of such appointments is not ordinarily permitted under existing regulations. See § 92.81 of this chapter.

§ 13.4 False certificate as to ownership of property.

If any consul of vice consul falsely and knowingly certifies that property belonging to foreigners is property belonging to citizens of the United States, he or she shall be punishable by imprisonment for not more than three years, and by a fine of not more than $10,000 (22 U.S.C. 4218).

has been denied arbitrarily, capriciously or contrary to applicable law or regulation.

(d) Grievance does not include the following:

(1) Complaints against individual assignment or transfers of Foreign Service officers or employees, which are ordered in accordance with law and regulation (see also paragraph (c)(2) of this section);

(2) Judgments of Selection Boards rendered pursuant to section 623 of the Act, or of equivalent bodies, in ranking Foreign Service officers and employees for promotion on the basis of merit, or judgments in examinations prescribed by the Board of Examiners pursuant to section 516 or 517 of the Act (see also paragraph (c)(2) of this section);

(3) Termination of time-limited appointments pursuant to 22 U.S.C. 929 and 1008, and the pertinent regulations prescribed by the employing agency (see also paragraph (c)(2) of this section);

(4) Any complaints or appeals for which a specific statutory appeals procedure exists (see appendix A for examples).

A grievance filed under these procedures may be based on matters for which there is a specific statutory appeals procedure which is applicable to the Foreign Service grievant. Should the jurisdiction of the Grievance Board over a specific grievance be placed into question on grounds that the basis of the grievance is not encompassed within the Board's authority (§16.1(d)(4) and Appendix A), the Board shall consult with the other statutory body concerned, transmitting the views of the parties concerned before determining whether it has jurisdiction.

(e) Employee organization means any employee organization accorded recognition as the exclusive employee representative pursuant to Executive Order 11636 dated December 17, 1971.

(f) Grievance Board or Board means the full Foreign Service Grievance Board, or a Panel or member thereof, as appropriate.

(g) Party means the grievant or the Foreign Affairs agency having control over the act or condition forming the subject matter of the grievance.

(h) Bureau means equivalent organizational elements in State and USIA, and includes offices in AID.

(i) Days means calendar days.

§ 16.2 General provisions.

(a) Statement of purpose. These regulations establish procedures as required by law to provide Foreign Service officers and employees (and their survivors) of the Foreign Affairs agencies, a grievance procedure to insure a full measure of due process, and to provide for the just consideration and resolution of grievances of such officers, employees, and survivors. No regulation promulgated in this part shall be interpreted or applied in any manner which would alter or abridge the provisions of the due process established by the Congress in Pub. L. 94–141, 22 U.S.C. 1037, section 691.

(b) Discussion of complaints. (1) Every effort should be made to settle any employee complaint informally, promptly, and satisfactorily.

(2) Supervisors and other responsible officers should encourage employees to discuss complaints with them and should respond in a timely manner to resolve the complaints.

(3) An employee initially should discuss a complaint with the employee's current supervisor or with the responsible officer who has immediate jurisdiction over the complaint to give that person an opportunity to resolve the matter, before further steps are taken under these procedures.

(c) Guidance. Nothing in these procedures prevents a grievant from seeking guidance from any official who might be helpful respecting the submission of a grievance or its resolution.

(d) Freedom of action. (1) Any grievant, witness, representative or other person involved in a proceeding hereunder shall be free from any restraint, interference, coercion, harassment, discrimination, or reprisal in those proceedings or by virtue of them. The Foreign Affairs agencies recognize their obligation to insure compliance with this section. Any person involved or having immediate knowledge of any alleged breach of this section should call it to the attention of the pertinent foreign affairs agency through appropriate channels for corrective action as
necessary. Normally such allegations should be brought to the attention of the senior agency official at the post; and at Washington, DC, to the Director, Grievance Staff for State; Chief, Employee Relations Branch for AID and Chief, Employee-Management Relations Division for USIA.

(2) The grievant has the right to a representative of the grievant’s own choosing at every stage of the proceedings. The grievant and representative(s) who are under the control, supervision, or responsibility of the Foreign Affairs agencies shall be granted reasonable periods of administrative leave to prepare, to be present, and to present the grievance.

(3) Any witness under the control, supervision, or responsibility of a Foreign Affairs agency shall be granted reasonable periods of administrative leave to appear and testify at any such proceeding.

(4) The Foreign Service Grievance Board established hereunder shall have authority to ensure that no copy of the determination of the agency head or designee to reject a Grievance Board recommendation, no notation of the failure of the Grievance Board to find for the grievant, and no notation that a proceeding is pending or has been held, shall be entered in the personnel records of the grievant (unless by order of the Grievance Board as a remedy for the grievance) or those of any other officer or employee connected the grievance. The Foreign Affairs agencies shall maintain grievance records under appropriate safeguards to preserve confidentiality (§16.9).

§ 16.4 Time limits for grievance filing.

(a) A grievance concerning a continuing practice or condition may be presented at any time if its adverse effect is presently continuing. Documents contained in official employee personnel files, for example, shall be deemed to constitute a continuing condition.

(b) Subject to paragraph (a) of this section, a grievance under these regulations is forever barred, and the Grievance Board shall not consider or resolve the grievance, unless the grievance is presented within a period of 3 years after the occurrence or occurrences giving rise to the grievance, except that if the grievance arose earlier than 2 years prior to the effective date of these regulations, the grievance shall be so barred, and no considered and resolved, unless it is presented within a period of 2 years after the effective date of these regulations. There shall be excluded from the computation of any such period any time during which the grievant was unaware of the grounds which are the basis of the grievance and could not have discovered such grounds if the grievant had exercised, as determined by the Grievance Board, reasonable diligence.

(c) A grievance shall be deemed presented to the responsible official
§ 16.5 Relationship to other remedies.

(a) A grievant may not file a grievance under these procedures if the grievant has formally requested, prior to filing a grievance, that the matter or matters which are the basis of the grievance be considered or resolved and relief be provided, under another provision of law, regulation, or executive order, and the matter has been carried to final decision thereunder on its merits or is still under consideration.

(b) If a grievant is not prohibited from filing a grievance under these regulations by paragraph (a) of this section, the grievant may file under these regulations notwithstanding the fact that such grievance may be eligible for consideration, resolution, and relief under a regulation or executive order other than under these regulations, but such election of remedies shall be final upon the acceptance of jurisdiction by the Board.

§ 16.6 Security clearances.

The agencies shall use their best endeavors to expedite security clearances whenever necessary to ensure a fair and prompt investigation and hearing.

§ 16.7 Agency procedures.

(a) Initial consideration. (1) Grievances shall be considered through the steps provided in this section before they are filed with the Grievance Board.

(2) During the pendency of agency procedures under this section, the grievant may request a suspension of the proposed action of the character of separation or termination of the grievant, disciplinary action against the grievant, or recovery from the grievant of alleged overpayment of salary, expenses or allowances, which is related to the grievance. The request must be in writing and addressed to the responsible official of the agencies, as designated in §16.8(a)(2) stating the reasons for such suspension. If the request is related to separation or termination of the grievant, and the agency considers that the grievance is not frivolous and is integral to the proposed action, the agency shall suspend its proposed action until completion of agency procedures, and for a period thereafter if necessary, consistent with paragraph (a) of §16.11, to permit the grievant to file a grievance with the Board, and to request interim relief under paragraph (c) of §16.11. If a request is denied, the agency shall provide the grievant in writing the reason for denial. Nothing in these regulations shall be deemed to preclude an employee from requesting the suspension of any proposed action.

(b) Consideration by responsible officer. (1) While every effort should be made to resolve a complaint by an initial discussion between an employee and the supervisor or responsible officer, an employee may present the complaint as a grievance by submitting it in writing, to that person. (The term “responsible officer” as used herein includes any appropriate officer who has immediate jurisdiction over the complaint.) The presentation shall include a description of the act or condition which is the subject of the grievance; its effect on the grievant; any provision of law, regulation, or agency policy which the grievant may believe was violated or misapplied; any documentary evidence readily available to the grievant on which the grievance rests; the identity of individuals having knowledge of relevant facts; and a statement of the remedial action requested.

(2) The responsible officer, whenever possible, shall use independent judgment in deciding whether the grievance is meritorious and what the resolution of it should be. Within 15 days from receipt of the written grievance, the responsible officer shall provide the grievant with a written response, which shall include a statement of any proposed resolution of the grievance.

(3) If the response denies in whole or in part the remedial action requested, such response shall notify the grievant of the time within which to appeal the
decision, and identity of the senior official, or designee, to whom the appeal should be addressed. In those cases in which the senior official, or designee, is the responsible officer to whom the grievance was initially presented or has participated in the decision process and has formally approved the written response of the responsible officer, the grievant shall be so notified and advised that the grievance may be submitted directly to the agency for review under §16.8.

(c) Bureau or post review. (1) If the responsible officer’s written response does not resolve the grievance to the grievant’s satisfaction, within 10 days of receiving it (or, if no response is received, within 25 days after first presenting the grievance), the grievant may pursue the grievance by transmitting it in writing to the senior official, or the designee in the bureau or post which has authority to resolve the grievance. The written transmission shall include all the information required by paragraph (b)(1) of this section and copies of any correspondence under paragraphs (b) (2) and (3) of this section.

(2) Within 15 days from receipt of the grievance that official shall provide the grievant with a written decision, including any proposed resolution of the grievance. If the decision denies in whole or in part the remedial action requested, the communication shall notify the grievant of the time within which to submit the grievance for agency review and the identity of the appropriate agency official to whom the grievance should be addressed.

§ 16.8 Agency review.

(a) Submission. (1) An employee may submit the grievance for agency review if the grievance (i) is not within the jurisdiction of a post or bureau, or (ii) the grievance has been considered but not resolved to the grievant’s satisfaction within the post or bureau as provided in §16.7(c) within 10 days after receipt of the post’s or bureau’s decision (or, if no response is received, within 25 days after presenting it to the senior official or the designee). The grievant shall submit it in writing to the responsible official of the agency which has control of the act or condition which is the subject of the grievance.

(2) Responsible officials. The responsible officials of the agencies are the Deputy Assistant Secretary for Personnel (State), the Director of Personnel and Manpower (AID), and the Chief, Employee-Management Relations Division (USIA).

(b) Contents. (i) A request for agency review shall include a description of the act or condition which is the subject of the grievance; its effect on the grievant; any provision of law, regulation or agency policy which the grievant may believe was violated or misapplied; copies of any correspondence under §16.7(a); any documentary evidence readily available to the grievant on which the grievance rests; the identity of individuals having knowledge of relevant facts; and a statement of the remedial action requested.

(ii) The responsible official shall review the grievance on the basis of available documentary evidence, and, in that official’s discretion, interview persons having knowledge of the facts.

The agency review shall be completed and its decision dispatched within 90 days from the date of the initial written presentation of the grievance. The grievant shall be informed in writing of the findings of the responsible official and any proposed resolution of the grievance. The communication shall also include the time within which the grievant may file a grievance with the Grievance Board and the appropriate procedure to be followed in this respect.

§ 16.9 Records.

All official records concerning agency consideration of grievances, except those appropriate to implementation of decisions favorable to grievants, shall be kept separate from the official personnel record of the grievant and any other individuals connected with the grievance, and shall not be accessible to agency personnel other than the grievant, the grievant’s representative, and those responsible for consideration of grievances.
§ 16.10 Foreign Service Grievance Board.

(a) Establishment and composition. There is hereby established a Foreign Service Grievance Board for the Department of State, the Agency for International Development and the U.S. Information Agency to consider and resolve grievances under these procedures.

(b) The Grievance Board shall consist of not less than 5 members nor more than 15 members (including a chairperson) who shall be independent, distinguished citizens of the United States, well known for their integrity, who are not active officers, employees, or consultants of the Foreign Affairs agencies (except consultants who served as public members of the Interim Grievance Board previously established under section 660, Volume 3, Foreign Affairs Manual) but may be retired officers or employees. On its initial establishment, the Board shall consist of 15 members including chairperson.

(c) The Board may act by or through panels or individual members designated by the chairperson, except that hearings within the continental United States shall be held by panels of at least three members unless the parties agree otherwise. Reference in these regulations to the Grievance Board shall be considered to be reference to a panel or member of the Grievance Board where appropriate. All members of the Grievance Board shall act as impartial individuals in considering grievances.

(d) The members of the Grievance Board, including the chairperson, shall be appointed by the Secretary of State after being designated by the written agreement of the Foreign Affairs agencies and the employee organization.

(e) The Board chairperson and other members shall be appointed for terms of 2 years, subject to renewal upon the agreement of the Foreign Affairs agencies and the employee organization; except that the terms of 7 of the initially appointed members shall expire at the end of one year.

(f) Any vacancies shall be filled by the Secretary of State upon the nomination by the Board following the agreement of the agencies and the employee organization.

(g) Compensation. Members, including the chairperson, who are not employees of the Federal Government shall receive compensation for each day they are performing their duties as members of the Grievance Board (including travel time) at the daily rate paid an individual at GS–18 level of the General Schedule under section 5332 of title 5 of the United States Code.

(h) Removal. Grievance Board members shall be subject to removal by the Secretary of State for corruption, other malfeasance, or the demonstrated incapacity to perform their functions. No member shall be removed from office until after the Board of the Foreign Service has conducted a hearing and made its recommendations in writing to the Secretary of State, except where the right to a hearing is waived in writing. The Board of the Foreign Service shall provide a member with full notice of the charges against that member, and afford a member the right to counsel, to examine and cross-examine witnesses, and to present documentary evidence.

(i) Grievance Board procedures. In accordance with part J, title VI of the Act, the Board may adopt regulations concerning the organization of the Board and such other regulations as may be necessary to govern its proceedings.

(j) Board facilities and staff support. The Grievance Board may obtain facilities, services, and supplies through the general administrative services of the Department of State. All expenses of the Board, including necessary costs of the grievant’s travel and travel-related expenses, shall be paid out of funds appropriated to the Department for obligation and expenditure by the Board. At the request of the Board, officers and employees on the rolls of the Foreign Affairs agencies may be assigned as staff employees to the Grievance Board. Within the limit of appropriated funds, the Board may appoint and fix the compensation of such other employees as the Board considers necessary to carry out its functions. The officers and employees so appointed or assigned shall be responsible solely to the Grievance Board and the Board.
shall prepare the performance evaluation reports for such officers and employees. The records of the Grievance Board shall be maintained by the Board and shall be separate from all other records of the Foreign Affairs agencies.

§ 16.11 Grievance Board consideration of grievances.

(a) Filing of grievance. A grievant whose grievance is not resolved satisfactorily under agency procedures (§16.7) shall be entitled to file a grievance with the Grievance Board no later than 60 days after receiving the agency decision. In the event that an agency has not provided its decision within 90 days of presentation, the grievant shall be entitled to file a grievance with the Grievance Board no later than 150 days after the date of presentation to the agency. The Board may extend or waive, for good cause, the time limits stated in this section.

(b) Exhaustion of agency procedures. In the event that the Grievance Board finds that a grievance has not been presented for agency consideration or that a grievance has been expanded or modified to include materially different elements, the Board shall return the grievance to the official responsible for final agency review unless the agency waives any objection to Board consideration of the grievance without such review.

(c) Prescription of interim relief. If the Grievance Board determines that the agency is considering any action of the character of separation or termination of the grievant, disciplinary action against the grievant, or recovery from the grievant of alleged overpayment of salary, expenses, or allowances, which is related to a grievance pending before the Board, and that such action should be suspended, the agency shall suspend such action until the Board has ruled upon the grievance. Notwithstanding such suspension of action, the head of the agency concerned or a chief of mission or principal officer may exclude an officer or employee from official premises or from the performance of specified duties when such exclusion is determined in writing to be essential to the functioning of the post or office to which the officer or employee is assigned.

(d) Inquiry into grievances. The Board shall conduct a hearing at the request of a grievant in any case which involves disciplinary action, or a grievant’s retirement from the Service under sections 633 and 634 of the Act, or which in the judgment of the Board can best be resolved by a hearing or by presentation of oral argument. In those grievances in which the Board holds no hearing, the Board shall offer to each party the opportunity to review and to supplement, by written submission, the record of proceedings prior to its decision.

§ 16.12 Hearing.

(a) Appearances and representation. The grievant, a reasonable number of representatives of the grievant’s own choosing, and a reasonable number of agency representatives, are entitled to be present at the hearing. The Grievance Board may, after considering the views of the parties and any other individuals connected with the grievance, decide that a hearing should be open to others.

(b) Conduct of hearing. (1) Testimony at a hearing shall be given by oath or affirmation which any Board member or person designated by the Board shall have authority to administer.

(2) Each party shall be entitled to examine and cross-examine witnesses at the hearing or by deposition, and to serve interrogatories answered by the other party unless the Board finds such interrogatory irrelevant or immaterial. Upon request of the Board, or upon a request of the grievant deemed relevant and material by the Board, the agency shall promptly make available at the hearing or by deposition any witness under its control, supervision or responsibility, except that if the Board determines that the presence of such witness at the hearing is required for just resolution of the grievance, then the witness shall be made available at the hearing, with necessary costs and travel expenses provided by the agency.

(3) During any hearings held by the Board, any oral or documentary evidence may be received but the Board
shall exclude any irrelevant, immaterial, or unduly repetitious evidence normally excluded in hearings conducted under the Administrative Procedures Act (5 U.S.C. 556).

(4) A verbatim transcript shall be made of any hearing and shall be part of the record of proceedings.

§ 16.13 Decisions.

(a) Upon completion of the hearing or the compilation of such record as the Board may find appropriate in the absence of a hearing, the board shall expeditiously decide the grievance on the basis of the record of proceedings. In each case the decision of the Board shall be in writing, shall include findings of fact, and shall include the reasons for the Board’s decision.

(b) If the Grievance Board finds that the grievance is meritorious, the Board shall have the authority within the limitations of the authority of the head of the agency, to direct the agency:

(1) To correct any official personnel record relating to the grievant which the Board finds to be inaccurate, erroneous, or falsely prejudicial;

(2) To reverse and administrative decision denying the grievant compensation including related within-class salary increases pursuant to section 625 of the Act or any other perquisite of employment authorized by law or regulation when the Board finds that such denial was arbitrary, capricious, or contrary to law or regulation;

(3) To retain in service and employee whose termination would be in consequence of the matter by which the employee is aggrieved;

(4) To reinstate with back pay, under applicable law and regulations, an employee where it is clearly established that the separation or suspension without pay of the employee was unjustified or unwarranted;

(5) To order an extension of the time of an employee’s eligibility for promotion to a higher class where the employee suffered career impairment in consequence of the matter by which the employee is aggrieved;

(6) To order that an employee be provided with facilities relating to the physical working environment which the employee has been denied arbitrarily, capriciously or in violation of applicable regulation.

(c) Such orders of the Board shall be final, subject to judicial review as provided for in section 694 of the Act, except that reinstatement of former officers who have filed grievances under §16.1(c)(7) shall be presented as Board recommendations, the decision on which shall be subject to the sole discretion of the agency head or designee, who shall take into account the needs of the Service in deciding on such recommendations, and shall not be subjected to judicial review under section 694 of the Act. The reason(s) for the agency head’s (or designee’s) decision will be conveyed in writing to the Board and the grievant.

(d) If the Board finds that the grievance is meritorious and that remedial action should be taken that directly relates to promotion or assignment of the grievant, or to other remedial action, including additional step increases, not provided for in paragraph (b) of this section, or if the Board finds that the evidence before it warrants disciplinary action against any officer or employee, it shall make an appropriate recommendation to the head of the agency, and forward to the head of the agency the record of the Board’s proceedings, including the transcript of the hearing, if any. The head of the agency (or designee, who shall not have direct responsibility for administrative management) shall make a written decision to the parties and to the Board on the Board’s recommendation within 30 days from receipt of the recommendation. A recommendation of the Board may be rejected in part or in whole if the action recommended would be contrary to law, would adversely affect the foreign policy or security of the United States, or would substantially impair the efficiency of the Service. If the decision rejects the Board’s recommendation in part or in whole, the decision shall state specifically any and all reasons for such action. Pending the decision, there shall be no ex parte communications concerning the grievance between the agency head, or designee, and any person involved in the grievance proceeding.
§ 16.14 Reconsideration of a grievance.

A grievant whose grievance is found not to be meritorious by the Board may obtain reconsideration by the Board only upon presenting newly discovered or previously unavailable material evidence not previously considered by the Board and then only upon approval of the Board.

§ 16.15 Judicial review.

Any aggrieved party may obtain judicial review of these regulations, and revisions thereto, and final actions of the agency head (or designee) or the Grievance Board hereunder, in the District Courts of the United States, in accordance with the standards set forth in chapter 7 of title 5 of the United States Code. Section 706 of title 5 shall apply without limitation or exception.

PART 17—OVERPAYMENTS FROM THE FOREIGN SERVICE RETIREMENT AND DISABILITY FUND UNDER THE FOREIGN SERVICE RETIREMENT AND DISABILITY SYSTEM (FSRDS) AND THE FOREIGN SERVICE PENSION SYSTEM (FSPS)

§ 17.1 General.

This part establishes procedures for notifying individuals of their rights if they have received an overpayment from the Foreign Service Retirement and Disability Fund under Chapter 8 of the Foreign Service Act of 1980, as amended, including their right to contest the determination that there has been an overpayment and the right to request a waiver of recovery of the overpayment. This part also provides the procedures for administrative determination of these rights and for appeals of negative determinations.

§ 17.2 Conditions for waiver of recovery of an overpayment.

(a) Foreign Service Retirement and Disability System. Recovery of an overpayment from the Foreign Service Retirement and Disability Fund under the Foreign Service Retirement and Disability System may be waived pursuant to section 4047(d), of title 22, United States Code when the individual is without fault and recovery would be against equity and good conscience or administratively infeasible.

(b) Foreign Service Pension System. Recovery of an overpayment from the Foreign Service Retirement and Disability Fund under the Foreign Service Pension System may be waived pursuant to section 4071(b) of title 22, United States Code and section 8470(b) of title 5, United States Code when the individual is without fault and recovery would be against equity and good conscience.

(c) When it has been determined that the recipient of an overpayment is ineligible for waiver, the individual is nevertheless entitled to an adjustment in the recovery schedule if he or she shows that it would cause him or her financial hardship to make payment at the rate scheduled.

§ 17.3 Fault.

A recipient of an overpayment is without fault if he or she performed no act of commission or omission that resulted in the overpayment. The fact that the Department of State or other agency may have been at fault in initiating an overpayment will not necessarily relieve the individual from liability.

(a) Considerations. Pertinent considerations in finding fault are—

(1) Whether payment resulted from the individual’s incorrect but not necessarily fraudulent statement, which he/she should have known to be incorrect;

(2) Whether payment resulted from the individual’s failure to disclose material facts in his/her possession which
§ 17.4 Equity and good conscience.

(a) Defined. Recovery is against equity and good conscience when—

(1) It would cause financial hardship to the person from whom it is sought;

(2) The recipient of the overpayment can show (regardless of his or her financial circumstances) that due to the notice that such payment would be made or because of the incorrect payment either he/she has relinquished a valuable right or changed positions for the worse; or

(3) Recovery could be unconscionable under the circumstances.

(b) Mitigation factors. The individual’s age, physical and mental condition or the nature of the information supplied to him or her by the Department of State or a Federal agency may mitigate against finding fault if one or more contributed to his or her submission of an incorrect statement, a statement which did not disclose material facts in his or her possession, or his or her acceptance of an erroneous overpayment.

§ 17.5 Financial hardship.

(a) Waiver of overpayment will not be allowed in any case prior to receipt and evaluation of a completed Statement of Financial Status, duly sworn by the recipient of the overpayment.

(b) Financial hardship may be deemed to exist in, but not limited to, those situations where the recipient from whom collection is sought needs substantially all of his or her current income and liquid assets to meet current ordinary and necessary living expenses and liabilities.

(c) Considerations. Some pertinent considerations in determining whether recovery would cause financial hardship are as follows:

(i) The individual’s financial ability to pay at the time collection is scheduled to be made.

(ii) Income to other family member(s), if such member’s ordinary and necessary living expenses are included in expenses reported by the individual.

(c) Exemptions. Assets exempt from execution under State law should not be considered in determining an individual’s ability to repay the indebtedness, rather primary emphasis shall be placed upon the individual’s liquid assets and current income in making such determinations.

§ 17.6 Ordinary and necessary living expenses.

An individual’s ordinary and necessary living expenses include rent, mortgage payments, utilities, maintenance, food, clothing, insurance (life, health and accident), taxes, installment payments, medical expenses, support expenses when the individual is legally responsible, and other miscellaneous expenses which the individual can establish as being ordinary and necessary.

§ 17.7 Waiver precluded.

(a) Waiver of an overpayment cannot be granted when:

(1) The overpayment was obtained by fraud; or

(2) The overpayment was made to an estate.

(b) [Reserved]

§ 17.8 Burdens of proof.

(a) Burden of the Department of State. The Bureau of Resource Management, Department of State, must establish by the preponderance of the evidence that an overpayment occurred.

(b) Burden of individual. The recipient of an overpayment must establish by substantial evidence that he or she is eligible for waiver or an adjustment in the recovery schedule.

§ 17.9 Procedures.

(a) Notice. The Bureau of Resource Management, Department of State, shall give written notification to any individual who has received an overpayment promptly by first-class mail to the individual at the individual’s most current address in the records of the Bureau of Resource Management. The written notice shall inform the individual of:

(1) The amount of the overpayment;

(2) The cause of the overpayment;

(3) Whether he/she accepted a payment which he/she knew or should have known to be erroneous.

(4) Whether he/she should have known to be material; or

(5) Whether he/she accepted a payment which he/she knew or should have known to be erroneous.

(b) Mitigation factors. The individual’s age, physical and mental condition or the nature of the information supplied to him or her by the Department of State or a Federal agency may mitigate against finding fault if one or more contributed to his or her submission of an incorrect statement, a statement which did not disclose material facts in his or her possession, or his or her acceptance of an erroneous overpayment.
(3) The intention of the Department to seek repayment of the overpayment;
(4) The date by which payment should be made to avoid the imposition of interest, penalties, and administrative costs;
(5) The applicable standards for the imposing of interest, penalties, and administrative costs;
(6) The department’s willingness to discuss alternative payment arrangements and how the individual may offer to enter into a written agreement to repay the amount of the overpayment under terms acceptable to the Department; and
(7) The name, address and telephone number of a contact person within the Bureau of Resource Management. The written notice also shall inform the individual of their right to contest the overpayment, their right to request a waiver of recovery of the overpayment, and the procedures to follow in case of such contest or request for waiver of recovery. The notification shall allow at least 30 days from its date within which the individual may contest in writing the overpayment or request a waiver of recovery, including with their submission all evidence and arguments in support of their position.

(b) Administrative file. The Bureau of Resource Management will prepare an administrative file as a basis for determination in each case where an individual contests a claim to recover overpayment or requests waiver of recovery of the overpayment. On the basis of the administrative file, the Chief Financial Officer or his or her delegate, shall make the final administrative determination.

(c) Additional information. At any time before the final administrative decision, the Department may request the individual to supplement his or her submission with additional factual information and may request that the individual authorize the Department of State to have access to bank and other financial records bearing on the application of these regulations. If the individual, without good cause shown, fails or refuses to produce the requested additional information or authorization, the Department of State is entitled to make adverse inferences with respect to the matters sought to be amplified, clarified, or verified.

(d) Decision and right of appeal. The final administrative decision shall be reduced to writing and sent to the individual. If the decision is adverse to the individual, the notification of the decision shall include a written description of the individual’s rights of appeal to the Foreign Service Grievance Board. The Foreign Service Grievance Board shall consider any appeal under this part in accordance with the regulations of the Board set forth in 22 CFR part 901.

§ 18.1 Scope.
This part contains rules governing disciplinary action against a former officer or employee of the Department of State, including the Foreign Service, because of a violation of the post employment conflict of interest prohibitions. Such disciplinary action may include prohibition from practice before the Department of State and any component thereof as defined in this part.

§ 18.2 Definitions.
For the purpose of this part—
(a) The term Department means the Department of State and includes the Foreign Service.
(b) The term Director General means the Director General of the Foreign Service and Director of Personnel.
(c) The term practice means any informal or formal appearance before, or, with the intent to influence, any oral or written communication to the Department on a pending matter of business on behalf of any other person (except the United States).

§ 18.3 Director General.
The Director General shall institute and provide for the conduct of disciplinary proceedings involving former employees of the Department as authorized by 18 U.S.C. 207(j), and perform such other duties as are necessary or appropriate to carry out his/her functions under this part.

§ 18.4 Records.
The roster of all persons prohibited from practice before the Department shall be available to public inspection at the Office of Director General. Other records may be disclosed upon specific request, in accordance with appropriate disclosure regulations of the Department.

Subpart B—Applicable Rules
§ 18.5 Interpretative standards; advisory opinions.
(a) A determination that a former officer or employee of the Department violated 18 U.S.C. 207(a), (b) or (c) will be made in conformance with the standards established in the interpretative regulations promulgated, either in interim or final form by the Office of Government Ethics and published at 5 CFR part 737.
(b) Former officers and employees of the Department wanting to know whether a proposed course of conduct would be in conformity with the Act or the interpretive regulations thereunder may contact the Assistant Legal Adviser for Management to request an advisory opinion.

Subpart C—Administrative Enforcement Proceedings
§ 18.6 Authority to prohibit appearances.
Pursuant to 18 U.S.C 207(j), if the Director General finds, after notice and opportunity for a hearing, that a former officer or employee of the Department has violated 18 U.S.C. 207(a), (b) or (c), the Director General in his/her discretion may prohibit that person from engaging in practice before the Department for a period not to exceed five years, or may take other appropriate disciplinary action.

§ 18.7 Report of violation by a former employee.
(a) If an officer or employee of the Department has reason to believe that a former officer or employee of the Department has violated any provision of this part, or if any such officer or employee receives information to that effect, he/she shall promptly make a written report thereof, which report or a copy thereof shall be forwarded to the Director General. If any other person has information of such violations, he/she may make a report thereof to the Director General or to any officer or employee of the Department.
(b) The Director General shall coordinate proceedings under this part with the Department of Justice in cases where it initiates criminal prosecution.

§ 18.8 Institution of proceeding.
Whenever the Director General determines that there is sufficient reason to believe that any former officer or employee of the Department has violated 18 U.S.C. 207(a), (b) or (c), he/she may
institute an administrative disciplinary proceeding. The proceeding may be for that person’s suspension from practice before the Department or for some lesser penalty. The proceeding shall be instituted by a complaint which names the respondent and is signed by the Director General and filed in his/her office. Except in cases of willfulness, or where time, the nature of the proceeding, or the public interest does not permit, a proceeding will not be instituted under this section until facts or conduct which may warrant such action have been called to the attention of the proposed respondent in writing and he/she has been accorded the opportunity to provide his/her position on the matter.

§ 18.9 Contents of complaint.
A complaint shall plainly and concisely describe the allegations which constitute the basis for the proceeding. A complaint shall be deemed sufficient if it fairly informs the respondent of the charges against him/her so that the respondent is able to prepare a defense. Written notification shall be given of the place and of the time within which the respondent shall file his/her answer, which time shall not be less than 15 days from the date of service of the complaint. Notice shall be given that a decision by default may be rendered against the respondent in the event he/she fails to file an answer.

§ 18.10 Service of complaint and other papers.
(a) Complaint. The complaint or a copy thereof may be served upon the respondent by certified mail; by delivering it to the respondent or his/her attorney or agent of record either in person; or by leaving it at the office or place of business of the respondent, attorney or agent; in any other manner which has been agreed to by the respondent; or by first-class mail in case of a person resident abroad.
(b) Service of papers other than complaint. Any paper other than the complaint may be served upon a respondent as provided in paragraph (a) of this section or by mailing the paper by first-class mail to the respondent’s attorney or agent of record. Such mailing shall constitute complete service.
(c) Whenever the filing of a paper is required or permitted in connection with a proceeding, and the place of filing is not specified by this subpart or by rule or order of the hearing examiner, the paper shall be filed with the Director General, Department of State, Washington, DC 20520. All papers shall be filed in duplicate.

§ 18.11 Answer.
(a) Filing. The respondent’s answer shall be filed in writing within the time specified in the complaint or notice of institution of the proceeding, unless on application the time is extended by the Director General. The answer shall be filed in duplicate with the Director General.
(b) Contents. The answer shall contain a statement of facts which constitute the grounds of defense, and it shall specifically admit or deny each allegation set forth in the complaint. The respondent may also state affirmatively special matters of defense.
(c) Failure to deny or answer allegations in the complaint. Every allegation in the complaint which is not denied in the answer shall be deemed to be admitted and may be considered as proved. Failure to file an answer within the time prescribed in the notice to the respondent, except as the time for answer is extended by the Director General shall constitute a waiver of hearing, and the Director General may make his/her decision by default without a hearing or further procedure.

§ 18.12 Motions and requests.
Motions and requests, including requests to intervene, may be filed with the Director General.

§ 18.13 Representation.
A respondent or proposed respondent may appear in person or he/she may be represented by counsel or other representative. The Director General may be represented by an attorney or other employee of the Department.

§ 18.14 Hearing examiner.
(a) After an answer is filed, if the Director General decides to continue the
§ 18.15 Hearings.

Hearings shall be stenographically recorded and transcribed and the testimony of witnesses shall be taken under oath or affirmation. Hearings will be closed unless an open hearing is requested by the respondent, except that if classified information or protected information of third parties is likely to be adduced at the hearing, it will remain closed. If either party to the proceeding fails to appear at the hearing, after due notice thereof has been sent to him/her, he/she shall be deemed to have waived the right to a hearing and the hearing examiner may make a decision against the absent party by default.

§ 18.16 Evidence.

The rules of evidence prevailing in courts of law and equity are not controlling in hearings under this part. However, the hearing examiner shall exclude evidence which is irrelevant, immaterial, or unduly repetitious.

§ 18.17 Depositions.

Depositions for use at a hearing may, with the consent of the parties in writing or the written approval of the hearing examiner, be taken by either the Director General or the respondent or their duly authorized representatives. Depositions may be taken upon oral or written interrogatories. There shall be at least 10 days written notice to the other party. The requirement of a 10-day written notice may be waived by the parties in writing. When a deposition is taken upon written interrogatories, any cross-examination shall be upon written interrogatories. Copies of such written interrogatories shall be served upon the other party with the notice, and copies of any written cross-interrogation shall be mailed or delivered to the opposing party at least 5 days before the date of taking the depositions, unless the parties mutually agree otherwise. Expenses in the reporting of depositions shall be borne by the party at whose instance the deposition is taken.

§ 18.18 Proposed findings and conclusions.

Except in cases where the respondent has failed to answer the complaint or where a party has failed to appear at the hearing, the hearing examiner, prior to making his/her decision, shall afford the parties a reasonable opportunity to submit proposed findings and conclusions and supporting reasons therefor.

§ 18.19 Decision of the hearing examiner.

As soon as practicable after the conclusion of a hearing and the receipt of any proposed findings and conclusions timely submitted by the parties, the hearing examiner shall make the initial decision. The decision shall include

(a) A statement of findings and conclusions, as well as the reasons or basis therefor, upon all the material issues of fact, law, or discretion presented on the record, and
(b) An order of suspension from practice before the Department or other appropriate disciplinary action, or an order of dismissal of the complaint. The hearing examiner shall file the decision with the Director General and shall transmit a copy thereof to the respondent or his/her attorney of record. A party adversely affected by the decision shall be given notice of his or her right to appeal to the Board of Appellate Review (part 7 of this chapter) within 30 days from the date of the hearing examiner's decision.

§ 18.20 Appeal to the Board of Appellate Review.

Within 30 days from the date of the hearing examiner's decision, either party may appeal to the Board of Appellate Review. The appeal shall be taken by filing notice of appeal, in triplicate, with the Board of Appellate Review, which shall state with particularity exceptions to the decision of the hearing examiner and reasons for such exceptions. If an appeal is by the Director General, he/she shall transmit a copy thereof to the respondent. Within 30 days after receipt of an appeal or copy thereof, the other party may file a reply brief, in triplicate, with the Board of Appellate Review. If the reply brief is filed by the Director General, he/she shall transmit a copy of it to the respondent. The Director General shall transmit the entire case record to the Board of Appellate Review within 30 days after an appeal has been taken.

§ 18.21 Decision of the Board of Appellate Review.

The Board of Appellate Review shall decide the appeal on the basis of the record. The decision of the Board shall be final, and not subject to further administrative review. Copies of the Board's decision shall be forwarded promptly to the parties by the Board.

§ 18.22 Notice of disciplinary action.

Upon the issuance of a final order suspending a former officer or employee from practice before the Department, the Director General shall give notice thereof to appropriate officers and employees of the Department. Officers and employees of the Department shall refuse to participate in any appearance by such former officer or employee or to accept any communication which constitutes the prohibited practice before the Department during the period of suspension. The Director General shall take other appropriate disciplinary action as may be required by the final order.

It includes the salary fixed by sections 401, 402, 403, and 406 of the Act and salary incident to assignment under section 503 of the Act. (d) Chief of Mission means a principal officer in charge of a diplomatic mission of the United States or of a United States Office abroad which has been designated diplomatic in nature or any member of the Foreign Service assigned under the terms of the Act to be chargé d’affaires or head of such a mission or office.

In addition to the offspring of the participant, the term includes:

(1) An adopted child;

A former spouse will be considered married to a participant for any extra period of creditable service provided under section 817 of the Act for service at an unhealthful post during which the former spouse resided with the participant. If a participant or former participant becomes divorced on or after February 15, 1981, he/she shall notify the Department (PER/ER/RET) of the divorce on or prior to its effective date. The notice shall include the effective date of the divorce, the full name, mailing address, and date of birth of the former spouse and the date of the member’s marriage to that person, and enclose a certified copy of the divorce decree. If there is a court order or spousal agreement concerning payment or non-payment of Foreign Service benefits to the former spouse, the original or a certified copy of the order or agreement shall also be forwarded to PER/ER/RET. In the absence of a court order or spousal agreement providing otherwise, the Department will pay a pro rata share of the member’s benefits to the former spouse. (A former spouse of a former participant who separated from the Service on or before February 15, 1981 is not eligible for a pension under §19.9, i.e., not eligible for a pro rata share of the principal’s annuity.) Upon receipt of notice of a divorce, a court order, or spousal agreement, the Department will proceed as indicated in §19.6 or §19.7. Delinquent notice to the Department of the divorce of an annuitant will result in retroactive payments to any qualified former spouse.
§ 19.6–1 Orders by a court.

(a) A court may—

(1) Fix the amount of any pension to a former spouse under §19.9, or order that none be paid;

(2) Fix the amount of any regular survivor annuity to a former spouse under paragraphs (a) and (b) of §19.11, or order that none be paid;

(5) Fix the amount of any lump-sum payable to a former spouse under §19.13 or order that none be paid;

The statement shall be signed by the principal and his/her spouse or former spouse whenever possible.

(c) In the event of a disagreement between a principal and his/her spouse or former spouse concerning residency at an unhealthful post, or the submission of a report or statement by a principal showing a period of nonresidence at a post by a spouse which is not signed by the spouse, the determination of residency will be made by PER/ER/RET and based on records in the Department of payments for travel and allowances plus any other evidence that can be adduced. In the absence of any evidence to the contrary, the assumption will be made that the spouse resided at the post.
§ 19.6–2 Qualifying court order.

(a) To be valid for purposes of this section, a court order must be found to be “qualified” by PER/ER/RET acting for the Secretary of State. A qualifying court order must—

(1) Be consistent with the terms of the Act and applicable regulations;

(2) Not direct payment of an amount in excess of the maximum amount authorized to be paid by the relevant regulation;

(3) Direct that payments be made to an eligible beneficiary from a principal’s Foreign Service retirement benefit or survivor benefit. If a court directs or implies that a principal, rather than the Secretary of State or the Government, make the payments, the order will not be considered qualified unless the principal does not object during the 30-day notice period provided under §19.6–6;

(4) Define the amount to be paid to a beneficiary in way so that it can be readily calculated from information in the normal files of the Department;

(5) Not make payment contingent upon events other than those on which other payments from the Fund are based such as age, marital status and school attendance; and

(6) Not be in conflict with any previously issued court order which remains valid.

(b) No apportionment of annuity to a beneficiary under §19.6–1(a) (1) or (6) shall exceed the net annuity of the principal. The net annuity is computed by excluding from the gross annuity the amounts which are:

(1) Owed by the individual to the United States;

(2) Deducted for health benefits premiums pursuant to section 8906 of Title 5, United States Code;

(3) Deducted for life insurance premiums under the Government Life Insurance Program;

(4) Owed due to overpayment of annuity;

(5) Properly withheld for Federal income tax purposes, if amounts withheld are not greater than they would be if the individual claimed all dependents to which he/she was entitled.

§ 19.6–3 Application for payment.

(a) To receive payment from the Fund pursuant to a court award, the beneficiary must submit an application in writing to the Chief of the Retirement Division (PER/ER/RET), Department of State, Washington, DC 20520. The application must be typed or printed, signed by the beneficiary, and include—

(1) The full name, date of birth, current address and current marital status of the beneficiary;

(2) Full name and date of birth of the participant or former participant and his/her date of birth or other identifying information;

(3) Relationship to the beneficiary, and if a spouse or former spouse, date of marriage to and/or divorce from the participant;

(4) A statement that the court order has not been amended, superseded, or set aside;

The original of the court order or a recently certified copy must be enclosed with the application, or a statement appended that such a copy has been sent to the Department by other means.
(b) When payments are subject to termination upon the occurrence of a condition subsequent, such as marriage, remarriage or termination of schooling, or death of the principal, no payment will be made until the beneficiary submits a statement to PER/ER/RET that—
(1) The condition has not occurred;
(2) He/she will notify the Department (PER/ER/RET) within 15 calendar days of the occurrence of the condition subsequent; and
(3) He/she will be personally liable for any overpayment to him/her resulting from the occurrence of the condition subsequent. PER/ER/RET may require periodic recertification of these statements.

§ 19.6–4 Date of court orders.
(a) A court order directing or barring payment of a pension to a former spouse under §19.9 may not be given effect by the Department if it is issued more than 12 months after the divorce becomes final. A court order adjusting the amount of a regular or additional survivor annuity to a former spouse under §19.11–2 or §19.10–5 may not be given effect by the Department if it is issued after the death of the principal.
(b) A court order issued within 12 months after a divorce becomes final directing payment of a pension to a former spouse in an amount other than provided in §19.9 may be made retroactively effective to the first of the month in which the divorce becomes final if so specified by the court. In such event, the Department will adjust any future payments that may become due to an annuitant and a former spouse by increasing one and correspondingly reducing the other in order to give effect to the order of the court. However, if future payments to one party are not due, as for example if a court orders that no payments be made to a former spouse, or that 100 percent of an annuity be paid as pension to a former spouse, the Department will not give retroactive effect to a court order by collecting overpayments from one party in order to pay them to the other party and will not make overpayments from the Fund.
(c) A court order under this chapter involving any payment other than a pension to a former spouse under §19.9 may not be given retroactive effect and shall not be effective until it is determined to be a qualifying order under §19.6–5.

§ 19.6–5 Preliminary review.
(a) Upon receipt of an application for payment under §19.6–3, PER/ER/RET will determine whether—
(1) The application is complete;
(2) The applicant is an eligible beneficiary under this chapter; and
(3) The court order is a qualifying order. If the application is completed, the beneficiary is eligible and the court order appears on its face to be a qualifying order, PER/ER/RET will provide the notification required by §19.6–6, otherwise, it will notify the applicant of any deficiency or requirement for additional information, and if the order is determined to be non-qualifying, the basis for such determination.
(b) Upon receipt of a certified copy of a final decree of divorce, PER/ER/RET will determine whether—
(1) It is a valid decree. Any decree recognized as valid by the parties will be considered valid for this purpose. In addition, any non-recognized decree will be considered valid for this purpose unless:
   (i)(A) Neither party was domiciled within the court’s jurisdiction, and
   (B) The party denying recognition did not participate in the proceedings, or
   (ii) The party denying recognition was not afforded notice of the proceedings (actual or constructive);
(2) A related court order has been submitted by either party; and
(3) A pro rata share payment is or may become due the former spouse. If a divorce decree is deemed valid under this paragraph, a pro rata share payment is due a former spouse unless PER/ER/RET is in receipt of a court order which it has deemed qualified under paragraph (a) of this section, or a valid spousal agreement providing otherwise. If it determines that a pro rata share payment is due, it will provide the notification required by §19.6–6, otherwise, unless action is being taken pursuant to a related court order, it will notify both parties to the
§ 19.6–6 Notification.

(a) Notification to a principal. Whenever PER/ER/RET receives from a former spouse or other eligible beneficiary—

(1) a court order which it deems qualified that requires payment to the beneficiary; or

(2) A final decree of divorce which it deems valid together with a request for a pro rata share payment—PER/ER/RET will send a copy of the document to the principal and a notice stating:

(i) That PER/ER/RET deems the order qualified or the divorce decree valid, (ii) that payments will be made from the principal’s account to the beneficiary and the effective date of such payments, (iii) the effect of such payments on the principal’s retirement benefit. In the case of any court order with retroactive or immediate effect, and in the case of pro rata share payments, the amounts will be withheld from future payments to the principal but will not be paid to the beneficiary for 30 days from the notice date in order to give the principal an opportunity to contest the court order or the validity of the divorce.

PER/ER/RET will provide the former spouse or other beneficiary the same information, stating the exact amount that will be payable to the beneficiary and explaining how that amount was calculated.

(b) Notification to a former spouse. When PER/ER/RET receives from a principal—(1) a court order which it deems qualified that requires or forbids payment to a former spouse; or (2) a final decree of divorce which it deems valid without an accompanying court order—PER/ER/RET will send a copy of the document to the former spouse and a notice stating: (i) That PER/ER/RET deems the order qualified or the divorce decree valid, (ii) that PER/ER/RET intends to honor the court decree or to make pro rata share payments because of the divorce, (iii) the effective date, exact amount, and method of calculation of any payments to the former spouse.

§ 19.6–7 Decision.

(a) When a response has not been received by PER/ER/RET from a principal within the 30-day period under §19.6–6a, payment will be made in accordance with the notification. When a response is received, the Chief, PER/ER/RET will consider the response. If it is shown that a court order is not qualifying or that a divorce is not valid under terms of the Act and these regulations, payment proposed in the notification will not be made. In such a case, PER/ER/RET will advise both parties of the basis for its decision and the alternative action, if any, that it proposes to take.

(b) If a principal responding to a notification under §19.6–6a objects to the payment or other action proposed by the Department in the notification based on the validity of the court order or divorce decree, and the record contains support for the objection, PER/ER/RET will grant the principal 30 days to initiate formal legal action to determine the validity of the objection, will continue to delay payment to the former spouse or other beneficiary during this period, and will notify the beneficiary of this action. If evidence is submitted that formal legal action has been started within the 30-day period, the amount of any proposed payment to a former spouse or other beneficiary will continue to be withheld from any payments due the principal, but no payment will be made to the former spouse or other beneficiary until a judicial decision is rendered or agreement reached between the parties.

§ 19.6–8 Allotment to beneficiary.

If a court order is not a qualifying court order because it directs or implies that payment to the beneficiary is to be made by the principal rather than the Secretary of State, the principal may make an allotment to the beneficiary from his/her annuity. An annuitant may also make an allotment
§ 19.6–9 Limitations.
(a) Retirement benefits are subject to apportionment by court order under §19.6–1(a)(6) only while the principal is living. Payment of apportioned amounts will be made only to a previous spouse and/or the children of the principal. Such payments will not be made to any of the following:
   (1) Heirs or legatees of the previous spouse;
   (2) Creditors of either the principal or the previous spouse; or
   (3) Assignees of either the principal or the previous spouse.
(b) The amount of any court ordered payment may not be less than one dollar and, in the absence of compelling circumstances, shall be in whole dollars.
(c) In honoring and complying with a court order, the Department shall not be required to disrupt the scheduled method of accruing retirement benefits or the normal timing for making such payments, despite the existence of any special schedule relating to a previous spouse or other beneficiary.
(d) In cases where the court order apportions a percentage of the retirement benefits, PER/ER/RET will initially determine the amount of proper payment. That amount will only be increased by future cost-of-living increases unless the court directs otherwise.

§ 19.6–10 Liability.
(a) The Department shall not be liable for any payment made from retirement benefits pursuant to a court order if such payment is made in accordance with the provisions of this chapter.
(b) In the event that the Secretary is served with more than one court order with respect to the same retirement benefits, the benefits shall be available to satisfy the court orders on a first-come, first-served basis.
(c) A previous spouse or other beneficiary may request that an amount be withheld from the retirement benefits of a principal or survivor of a principal which is less than the amount stipulated in a court order, or otherwise scheduled to be paid to the beneficiary under this chapter. This lower amount will be deemed a complete fulfillment of the obligation of the Department for the period in which the request is in effect. See §19.14.

§ 19.7 Spousal agreements.
§ 19.7–1 Purpose.
A spousal agreement may be used by both parties to establish an agreed-upon level of benefits to a spouse or a former spouse and to relieve the participant of responsibility for providing a higher level of benefits.

§ 19.7–2 Agreement with spouse.
(a) A spousal agreement between a participant and a spouse may waive or fix the level of a regular survivor annuity under §19.11–3. If an agreement is filed, it will assure the spouse that the agreed-upon level of survivor annuity will be paid, irrespective of a future divorce provided the survivor meets the definition of “former spouse” in §19.2(k). If an agreement is not filed, the participant’s annuity will be reduced under §19.10–2 to provide the maximum regular survivor annuity for the spouse, but in the event of a future divorce if the spouse meets the definition of “former spouse,” that person will be entitled only to a pro rata share of the survivor annuity. An agreement under this paragraph may be filed with PER/ER/RET at any time prior to retirement (commencement of the principal’s annuity).
(b) A spousal agreement between an annuitant and a spouse filed with PER/ER/RET before commencement of a supplemental annuity for recall service may waive a supplemental survivor annuity that would otherwise be provided for a spouse under §19.10–6.
(c) A spousal agreement between a participant or former participant and a spouse may be filed with PER/ER/RET at any time in accordance with §19.10–5 and provide for an additional survivor annuity for the spouse.
(d) A spousal agreement filed under paragraph (a), (b), or (c) remains valid and binding in the event of divorce if the spouse qualifies as a former spouse.
§ 19.7–3 Agreement with former spouse.

(a) A spousal agreement between a participant or former participant and a former spouse may waive, reduce or increase the following benefits for a former spouse;

(1) A pension under § 19.9;
(2) A regular survivor annuity under §19.11–2;
(3) A supplemental survivor annuity under §19.10–6;
(4) A lump sum payment for regular or recall service under §19.13.

A spousal agreement shall also be used by a participant or former participant who has a former spouse on February 15, 1981, to elect a regular survivor annuity for such former spouse in accordance with §19.11–2(e). An agreement to establish or increase any benefit for a former spouse entered into while the principal is married to someone else, must be signed and agreed to by both the spouse and the former spouse. An agreement affecting pension benefits may be filed at any time and will govern payments made after its acceptance by PER/ER/RET. An agreement affecting a regular survivor annuity must be filed before the end of the 12-month period after the divorce involving that former spouse or at the time of retirement, whichever occurs first, except as authorized in §19.11–2(b) for persons retired on February 15, 1981, or in §19.11–2(e) with respect to persons who were former spouses on February 15, 1981. This filing requirement stated in the Act makes it impossible to adjust, other than by court order, a regular survivor annuity for a former spouse when the divorce occurs after a retirement which occurs on or after February 15, 1981. The survivor annuity for the former spouse in such case is fixed by any spousal agreement entered into prior to the divorce, by §19.11-2 or by court order. An agreement affecting supplemental survivor benefits or lump-sum payments must be filed before the supplemental annuity of the principal begins or lump-sum payment is made.

(b) A spousal agreement between a participant or former participant and a former spouse may be filed with PER/ER/RET at any time in accordance with §19.10-5 to provide an additional survivor annuity for the former spouse.

§ 19.7–4 Form of agreement.

(a) A spousal agreement is any legal agreement between the parties accepted by PER/ER/RET as meeting the requirements of this section. If in accordance with the regulations, PER/ER/RET will accept as a valid spousal agreement a property settlement agreement entered into by the parties and approved by a court regardless of the date of the agreement.

(b) A spousal agreement must either be authenticated by a court or notarized.

§ 19.7–5 Limitations.

(a) A spousal agreement may not provide for any payment from the Fund in excess of the amount otherwise authorized to be paid, or at a time not authorized by these regulations, or to a person other than a spouse or former spouse.

(b) A spousal agreement must be filed with the Department, Attention PER/ER/RET, and accepted by that office as in conformance with the Act and these regulations prior to the times specified in §§19.7–2 and 19.7–3. That office will provide advice to the parties on the validity of any proposed agreement and on proper form.

(c) A spousal agreement may apply only to payments from the Fund for periods after receipt of a valid agreement by the Department.

(d) Paragraphs (b), (c) and (d) of §§19.6-9 and 19.6-10 apply to spousal agreements and payments made pursuant to spousal agreements to the same extent that they apply to court orders and court ordered payments.

§ 19.7–6 Duration and precedence of spousal agreements.

(a) A spousal agreement may be revised or voided by agreement of the parties (by filing a new agreement under this section) at any time prior to the last day for filing an agreement determined in accordance with §19.7–2 or §19.7–3, except spousal agreements for additional survivor annuities are irrevocable. After the last day for filing a particular agreement, such agreement is irrevocable.
(b) A valid spousal agreement entered into subsequent to the issuance of a court order affecting the same parties will override the court order, and shall govern payments from the Fund.

(c) A spousal agreement may not override a previous spousal agreement involving the same principal but a different spouse or former spouse without agreement of such spouse or former spouse.

§ 19.9 Pension benefits for former spouses.

§ 19.9–1 Entitlement.

(a) Unless otherwise expressly provided by a spousal agreement under §19.7 or a court order under §19.6, a person who, after February 15, 1981, becomes a former spouse of a participant (or former participant who separated from the Service after February 15, 1981) and who has not remarried prior to becoming 60 years of age, becomes entitled to a monthly pension benefit effective on a date determined under §19.9–2 in an amount determined under §19.9–3.

(b) A former spouse shall not be qualified for a pension under this subsection if, before the commencement of that pension, the former spouse remarries before becoming 60 years of age.

(c) A pension benefit under this section is treated the same as a survivor annuity for purposes of §§19.11–5(b); a former spouse who elects to receive a pension under this section must waive simultaneous receipt of any survivor annuity.

§ 19.9–2 Commencement and termination.

(a) The pension of a former spouse under this subsection commences on the latter of the day the principal becomes entitled to a Foreign Service annuity or on the first day of the month in which the divorce becomes final. (Suspension or reduction of a Foreign Service annuity because or reemployment does not affect the commencement of a pension to a former spouse.) In the case of any former spouse of a disability annuitant, the pension of such former spouse shall commence on the latter of:

(1) The date the principal would qualify for an annuity (other than a disability annuity) on the basis of his/her creditable service;

(2) The date the disability annuity begins; or

(3) The first of the month in which the divorce becomes final.

(b) The pension of a former spouse and the right thereto terminate on:

(1) The last day of the month before the former spouse dies or remarries before 60 years of age; or

(2) The date the annuity of the former participant terminates unless the termination results from recall, reappointment or reinstatement in the Foreign Service or reemployment in Government service.

§ 19.9–3 Computation and payment of pension to former spouse.

(a) A pension to a former spouse is paid monthly on the same date that annuity is paid to the principal.
(b) No spousal agreement or court order may provide for a pension or any combination of pensions to former spouses of any one principal which exceeds the net annuity of the principal as defined in §19.6–2(b).

(c) A pension to a former spouse not fixed by a spousal agreement or court order shall equal the former spouse's pro rata share of 50 percent of the annuity to which the principal is entitled on the date the divorce becomes final, or, if not then entitled to an annuity, 50 percent of the annuity to which the principal first becomes entitled following that date. A pension to a former spouse of a disability annuitant shall be calculated on the basis of an annuity for which the participant would qualify if not disabled. A pension to a former spouse will be increased by the same percentage of each cost-of-living adjustment received by the principal.

(d) The Department will initiate payment of a pension to a former spouse after complying with the notification and other procedures described in §19.6.

(e) If a pension can not be paid because a former spouse is missing, the principal may file an affidavit with PER/ER/RET that he/she does not know the whereabouts of the former spouse. In such an event, the principal and the Department will follow the procedures in §19.11–4 in an effort to locate the former spouse. The annuity of the principal will be reduced by the amount of the pension to the former spouse even though the latter is not being paid. If the former spouse has not been located during the 12-month period following the date the principal files an affidavit under this section, the annuity of the principal shall be recomputed effective as of the date of discontinuance of the pension, and paid as if the pension to the former spouse had never been deducted.

§ 19.10 Types of annuities to members.

§ 19.10–1 Full annuity.

If a participant retires and does not provide a survivor annuity to a spouse, former spouse or designated beneficiary, the participant receives a “full” annuity. A full annuity means an annuity computed without any survivorship reduction. Example: Average salary $20,000 and maximum of 35 years of service.

Average basic annual salary for high 3 consecutive years of service ................................................. $20,000
Multiplied by 2 pct .................................................... .02
$400.00
Multiplied by 35 years of creditable service ............ .35
Full annuity .............................................................. $14,000

§ 19.10–2 Reduced annuity with regular survivor annuity to spouse or former spouse.

(a) At commencement of annuity, a participant or former participant may
provide a regular survivor annuity for any eligible former spouse and, within the limits of paragraph (b) of this section, a regular survivor annuity to any spouse to whom he/she is then married as described in §§ 19.11–2 and 19.11–3, respectively. A regular survivor annuity for a spouse or former spouse equals 55 percent of the portion of the retiree’s annuity (up to the full amount) designated as the base for the survivor annuity. To provide the survivor annuity, the participant must accept a reduction in his/her full annuity equal to 2 1/2 percent of the first $3,600 of the designated base, plus 10 percent of the balance of the base. If a regular survivor annuity is being provided for both a spouse and a former spouse, the bases for each are added and the calculation made as in the following example:

**Participant’s full annuity as computed in § 19.10–1: $14,000.**

**Maximum regular survivor annuity is 55 percent of full annuity:** $7,700.

**Case I (Participant has a spouse and former spouse at retirement):** If the pro rata share for a former spouse is 75 percent, the base for this benefit will be 75 percent of $14,000: $10,500.

The base for the maximum regular survivor annuity for a spouse would then be 25 percent of $14,000, or $3,500.

**Combined base:** $14,000.

**Participant’s full annuity reduced as follows:**

- 2 1/2 percent of first $3,600 of the base: $90.
- Plus 10 percent of the amount over $3,600 ($14,000–$3,600): $10,400 or $1,040.
- Total reduction in participant’s full annuity: $1,130.
- Participant’s reduced annuity: $12,870.
- Survivor annuity for former spouse: 55 percent of $10,500 or $5,775.
- Survivor annuity for spouse: 55 percent of $3,500 or $1,925.

**Case II (Participant married at retirement with no former spouse. All calculations made without reference to cost-of-living increases described in § 19.11–5d.):**

Joint election of base for regular survivor annuity of 90 percent of the maximum, or 90 percent of $14,000: $12,600.

**Participant’s full annuity reduced as follows:**

- 2 1/2 percent of first $3,600 of the base: $90.
- Plus 10 percent of the amount over $3,600 ($12,600–$3,600): $9,000 or $900.
- Total reduction in participant’s full annuity: $990.
- Participant’s reduced annuity: $13,010.

**In this example, if divorce occurs subsequent to retirement and a court orders a 75 percent share for the former spouse, the base for the survivor annuity for the former spouse would be 75 percent of $14,000: $10,500.**

The participant’s full annuity would then be reduced by $780 in accordance with the above formula for this survivor benefit, and the reduced annuity would be $14,000–780: $13,220.

If the former spouse qualifies for a pension as described in § 19.9 based on a pro rata share of 75 percent, the pension would equal 50 percent of the participant’s reduced annuity times 75 percent (50% × $13,220 × 75%): $4,957.50.

The participant’s reduced annuity would then be further reduced by this pension ($13,220–$4,957.50) to provide an annuity to the former participant of $8,262.50.

If this annuitant later remarried, the maximum base for the regular survivor annuity for the new spouse would be the amount designated at retirement: $12,600, less the amount committed to the former spouse, $10,500: $12,600–10,500 or $2,100.

The survivor annuity for this spouse: 55 percent of $2,100 or $1,155.

The election of this benefit for the new spouse would be made individually by the annuitant since a marriage after retirement does not give a spouse a right to participate in the election.

If the election is made to provide a regular survivor annuity to the new spouse, all of the above calculations would be recomputed effective the first day of the month beginning one year after the date of the remarriage, as follows:

- **Base for survivor annuity for former spouse:** 75% of $14,000 or $10,500.
- **Survivor annuity for former spouse:** 55% of $10,500 or $5,775.
- **Base for survivor annuity for spouse:** 15% of $14,000 or $2,100.
- **Survivor annuity for spouse:** 55% of $2,100 or $1,155.

The combined base for the survivor benefit is $10,500 plus $2,100 or $12,600. The annuity reduction on this combined base as computed above is $990.

The participant’s annuity after reduction for survivor benefit would be $14,000–$990 or $13,010.

The pension for the former spouse would be 50% × $13,010 × 75% or $4,878.75.

The participant’s annuity would be further reduced by this amount: $13,010–$4,878.75 to provide an annuity after this recalculation of $8,131.25.

(b) The maximum regular survivor annuity or combination of regular survivor annuities that may be provided under this section is limited to 55% of the principal’s full annuity computed at retirement. If an annuitant is recalled to active duty in the Foreign Service, he/she may provide additional
§ 19.10–3 Marriage after retirement.

If an annuitant who was unmarried at the time of retirement, marries, he/she may within one year after such marriage irrevocably elect to receive a reduced annuity and to provide, subject to any obligation to provide a survivor annuity for a former spouse, a survivor annuity for the new spouse. If such an election is made, the principal’s annuity shall be reduced in accordance with §19.10–2 effective on the first day of the first month which begins at least one year after the date of the marriage. The reduction is computed on the commencing rate of the principal’s annuity.

§ 19.10–4 Death or divorce of a spouse and remarriage after retirement.

(a) If the marriage of an annuitant who received a reduced annuity at retirement under §19.10–2 to provide a survivor annuity for a spouse is dissolved by divorce or by death of the spouse, the retiree’s annuity shall be recomputed, if necessary, as of the first of the month following the death or divorce. If the marriage was dissolved by death, the annuity shall be recomputed and paid at its full amount. If the marriage is dissolved by divorce, procedures in §19.11–2(b) shall be followed.

(b) In the event an annuitant affected by this paragraph remarries, the annuitant may elect within one year of remarriage to provide a survivor annuity for the new spouse equal in amount to the survivor benefit formerly in effect for the previous spouse less any amount committed for a former spouse. The annuity of a retiree making such an election shall be reduced effective on the first day of the first month which begins at least one year after the remarriage to the amount that would have been payable had there been no recomputation under paragraph (a) of this section.

§ 19.10–5 Reduced annuity with additional survivor annuity to spouse or former spouse.

(a) General. This section provides an opportunity for a participant or former participant who has provided a regular survivor annuity to a former spouse to provide a survivor annuity to a second spouse or to another former spouse. The additional survivor annuity provided under this section generally is more costly than the regular survivor annuity because the participant is required to pay it’s full cost by deduction from salary or annuity, or otherwise, as specified in paragraph (e) of this section. The participant must also be in normal health for his/her age and pass a physical examination prescribed by the Secretary of State (M/MED) to be eligible to provide an additional survivor annuity under this section.

(b) Limitation on amount. Neither the total amount of additional survivor annuity or annuities under this section provided by any participant or former participant nor any combination of regular or additional survivor annuities for any one surviving spouse or former spouse of a principal may exceed 55 percent of the principal’s full annuity counting any supplemental annuity or recomputation of annuity because of recall service. An additional survivor annuity provided by any principal shall be further limited to the amount that can be provided by a monthly payment which is not greater than the principal’s net annuity described in §19.6–2(b). The amount of any additional survivor annuity provided by any principal shall be further limited to the amount that can be provided by a monthly payment which is not greater than the principal’s net annuity described in §19.6–2(b). The amount of any additional survivor annuity provided by any principal shall be further limited to the amount that can be provided by a monthly payment which is not greater than the principal’s net annuity described in §19.6–2(b). The amount of any additional survivor annuity provided by any principal shall be further limited to the amount that can be provided by a monthly payment which is not greater than the principal’s net annuity described in §19.6–2(b).
Service without entitlement to any annuity is not entitled to provide an additional survivor annuity. Payments in such a case would be discontinued as described in paragraph (e) of this section.

(c) Procedures to grant additional survivor annuity. A participant or former participant who has provided a regular survivor annuity to a former spouse who wishes to provide, or who is ordered by a court to provide an additional survivor annuity under this section to a spouse or another former spouse, shall do so by filing a spousal agreement with PER/ER/RET on a form acceptable to PER/ER/RET. Such an agreement will be irrevocable when accepted by PER/ER/RET unless the beneficiary of the additional survivor annuity is subsequently made a beneficiary of a regular survivor annuity in equal amount. Within the limitations specified in paragraph (b) of this section, an individual may be made the beneficiary of both a regular and an additional survivor annuity. A spousal agreement granting an additional survivor annuity to a spouse will remain valid in the event the marriage is dissolved and the spouse qualifies as a former spouse under the definition § 19.2(k).

(d) Eligibility for additional survivor annuity. A spouse or former spouse must meet the same criteria (§ 19.2(v) or § 19.2(k)) to be eligible for an additional survivor annuity as a spouse or former spouse must meet to be eligible for a regular survivor annuity. Payment of a special survivor annuity will commence on the day after the participant dies and shall terminate on the last day of the month before death or remarriage before attaining age 60. If it is discontinued because of remarriage, it will not be resumed.

(e) Payment for additional survivor annuity. (1) Payment for an additional survivor annuity will commence on the first of the month following the effective date of a spousal agreement providing the additional survivor annuity. The effective date will be the date of acceptance of the spousal agreement by PER/ER/RET (upon a finding that the agreement conforms to the law and regulations) or such later date as may be specified in the agreement. No payment will be made to a beneficiary under the agreement if the principal dies before its effective date. Accordingly, in order to give protection to a beneficiary during active service, the agreement must be made effective, and payment commence, during active service. Payment will be made by a participant or annuitant by deduction from salary or annuity. Payment will be made by a former participant while awaiting commencement of a deferred annuity by direct payment to the Department, Office of Financial Operations (M/COMP/FO). Payments not received by the due date may, at the option of M/COMP/FO and with notice to the principal and the beneficiary be collected from the principal’s lump-sum account. Amounts so collected must be repaid by the principal with interest compounded at 10 percent annually to prevent exhaustion of the lump-sum account. If the lump-sum account does become exhausted, any rights to the lump-sum payment under §19.13 and survivorship rights under this paragraph will expire on that date. If the principal dies with an amount owing, it shall be collected by set off from the survivor annuity or lump-sum account. (2) Monthly payments may be reduced or eliminated by direct payment to M/COMP/FO by any participant or former participant under terms mutually agreed upon by the participant and PER/ER/RET. Minimum monthly payments will be based upon actuarial tables prescribed from time to time by the Director General of the Foreign Service (M/DGP) with the advice of the Secretary of Treasury. Such tables will be calculated so that the present value of all payments equal the present value of the survivor annuity. If new tables are prescribed, they would be applicable to additional survivor annuities provided by spousal agreements that become effective on or after the effective date of the new tables. Additional survivor annuities will be increased by regular cost-of-living adjustments from their commencing dates only when so specified at the option of the participant or former participant in a spousal agreement. Monthly payments will be higher if cost-of-living adjustments are provided.
(3) In the event of the disqualification of a beneficiary for an additional survivor annuity because of death, remarriage prior to age 60 or divorce from the principal and failure to meet the definition of “former spouse,” or in the event of an authorized reduction or cancellation of an election for an additional survivor annuity, the monthly payment for such discontinued or reduced additional survivor annuity will be discontinued or reduced, as appropriate, effective at the beginning of the first month following termination or reduction of the benefit. Except as otherwise specified in paragraph (b) of this section, any amount paid for such discontinued or reduced benefit by a participant or former participant in excess of the minimum monthly payments described above shall be refunded to the participant or former participant with interest calculated at the annual rate used in the last evaluation of the System or at such higher rate as may be authorized by M/COMP/FO as will not cause a loss to the Fund. The following table illustrates the minimum monthly payments schedule in effect February 15, 1981.

(4) Reduction from annuity to a principal to pay for an additional survivor annuity will be in the nature of an allotment and will not affect computations of cost-of-living adjustments to the principal.

§ 19.10–6 Benefits for recall service.

(a) Annuity of recalled participant. Any participant who is recalled to the Service under section 308 of the Act, shall, while serving, be entitled in lieu of annuity to the full salary of the class in which serving. During such service, the recalled annuitant shall make contributions to the Fund under section 805(a) of the Act. If a share of the annuity is being paid as a pension to a former spouse under §19.9, that share shall be deducted from the salary of the recalled annuitant during the period of the recall service. Upon reversion of the annuitant to retired status, any pension payable to a former spouse that was being deducted from the salary of the principal shall again be deducted from the annuity of the principal which shall be determined as follows:

(1) If the recall service lasts less than one year, a refund of retirement contributions made during the recall period will be refunded under §19.13 and the former annuity will be resumed at the previous rate adjusted by any cost-of-living increases that became effective during recall service.

(2) If the recall service lasts between one and five years, the annuitant will be entitled to elect benefits under paragraph (a)(1) of this section or receive both the former annuity adjusted by cost-of-living increases and a supplemental annuity computed under §19.10 on the basis of service credit and average salary earned during the recall period, irrespective of the number of years of service credit previously earned.

(3) If the recall service lasts five years or more, the annuitant will be entitled to recomputation of the annuity as if there had been no previous retirement, or elect benefits under paragraph (a)(3) of this section or a recomputed annuity under paragraph (a)(4) of this section.

(4) An annuitant may receive credit in any computation under paragraph (a) (2) or (3) of this section for any Federal service performed subsequent to the separation upon which the original annuity was computed provided a special contribution is made for such service under section 805 of the Act.

(5) An annuitant entitled to a supplemental annuity under paragraph (a)(3) of this section or a recomputed annuity under paragraph (a)(4) of this section is obligated, in the absence of a court order or spousal agreement to the contrary, to have those annuities reduced to provide the benefits described in §19.8 to any spouse or former spouse to whom married during any portion of the recall service. An annuitant must accept a reduction of 10 percent of his/her supplemental annuity in order to provide a supplemental survivor annuity to a spouse or former.
spouse. The maximum supplemental survivor annuity equals 55 percent of the supplemental annuity. If, upon reversion to retired status, an annuitant has a former spouse entitled to a pro rata share or some other share of the supplemental survivor annuity, but no spouse, the appropriate share of the supplemental annuity shall be reduced by 10 percent to provide such former spouse a share of the maximum supplemental survivor annuity.

(b) Survivor benefit for death during recall service.

(1) If an annuitant entitled to a reduced annuity under § 19.10–2 dies in service after being recalled and is survived by a spouse or former spouse entitled to a survivor annuity based on the service of such annuitant, such survivor annuity shall be computed as if the recall service had otherwise terminated on the day of death and the annuity of the deceased had been resumed in accordance with paragraph (a) of this section. If such death occurs after the annuitant had completed sufficient recall service to attain eligibility for a supplemental annuity, a surviving spouse or surviving former spouse who was married to the participant at any time during a period of recall service shall be entitled to elect, in addition to any other benefits and in lieu of a refund of retirement contributions made during the recall service, a supplemental survivor annuity computed and paid under § 19.11–6a as if the recall service had otherwise terminated. If the annuitant had completed sufficient recall service to attain eligibility to have his/her annuity determined anew, a surviving spouse or surviving former spouse may elect, in lieu of any other survivor benefit under § 19.11, to have the rights of the annuitant redetermined and to receive a survivor annuity computed under § 19.11–2 or § 19.11–3 on the basis of the total service of the annuitant. In the event such an annuitant is survived both by a spouse and such a former spouse, the former spouse will be entitled to a pro rata share of any refund or supplemental survivor benefit under this section computed on the basis of total service during the recall period and months of marriage during such period. If the surviving spouse and surviving former spouse elect different benefits under this paragraph, the former spouse will receive the pro rata share of the benefit he/she elects and the spouse will receive the reciprocal share of the benefit he/she elects.

(2) In the event an annuitant dies during recall service and is survived by a former spouse to whom not married during any period of the recall service, such former spouse will not be entitled to any benefits based on the recall service.

§ 19.11 Survivor benefits.

§ 19.11–1 Kinds of survivor benefits.

If a participant or former participant dies in active service or after retirement, regular survivor annuities are payable under terms of this section to an eligible surviving spouse, former spouse or child. Also, if all rights to annuity and survivor annuity terminate prior to exhaustion of the participant’s lump-sum credit, a lump-sum payment is made pursuant to § 19.13. In addition to the above, an additional survivor annuity, and a supplemental survivor annuity may be payable to an eligible survivor under §§ 19.10–5 and 19.10–6, respectively. If any participant or former participant makes an election, files a spousal agreement or becomes subject to a court order to provide a regular survivor annuity for a spouse or former spouse and does not subsequently become entitled to leave a survivor annuity under these regulations (because of separation from the Service and withdrawal of contributions, death after separation but before commencement of a deferred annuity, or for any other reason), none will be paid and such election, spousal agreement or court order to provide such survivor annuity will have no force or effect.

§ 19.11–2 Regular survivor annuity for a former spouse.

(a) Divorce prior to retirement. If a participant or former participant is divorced prior to commencement of annuity, any former spouse shall be entitled to a pro rata share of any refund or supplemental survivor annuity (based on service performed prior to the first date the principal becomes
eligible for an annuity following the divorce) unless a different amount is elected in a spousal agreement filed with PER/ER/RET within 12 months after the divorce becomes final or at the time of the retirement, whichever occurs first, or unless a different amount is specified by a court prior to the death of the principal. The principal’s annuity shall be reduced at the commencing date under §19.10–2 in order to provide the survivor annuity committed to the former spouse.

(b) Divorce after retirement. In the event an annuitant is divorced after retirement (commencement of annuity), the maximum survivor annuity that may be provided for that former spouse is limited to the amount provided for that person at the time of retirement. Within that limit, the former spouse is entitled to a pro rata share of the participant’s maximum survivor benefit (based on service performed prior to the divorce) unless a different amount was elected in a spousal agreement filed with PER/ER/RET at the time of retirement, or in the case of retirement before February 15, 1981, filed with PER/ER/RET within 12 months after the divorce becomes final, or unless a different amount is specified by a court prior to the death of the principal. For this purpose, a joint election filed with PER/ER/RET at the time of retirement is considered a spousal agreement. If the survivor annuity for the former spouse is reduced at the time of the divorce (because the pro rata share or the amount specified in a spousal agreement or court order is less than the amount elected at retirement), the principal’s annuity shall be recomputed and paid, effective on the date the survivor benefit is reduced, as if the lower amount had been elected at the outset of retirement.

(c) Death or remarriage of former spouse and transfer of survivor benefit to a spouse. Remarriage below age 60 or death of a former spouse while a principal is alive will disqualify the former spouse for benefits under this section. In the event of such a remarriage or death of a former spouse, the portion of a principal’s survivor annuity committed to that person will become available for transfer to any spouse. If such a remarriage or death of the former spouse occurs after the principal’s annuity commences, any reduction in the principal’s annuity for that former spouse will be discontinued effective at the beginning of the first month following the remarriage or death unless the annuitant elects to provide or to increase a survivor benefit for a spouse. Such an election may be made within one year after the annuitant receives notice of the remarriage or death of his/her former spouse. The Department (PER/ER/RET) and the annuitant shall each notify the other promptly whenever either receives independent notice of such a remarriage or death. If an election to transfer survivor benefits to a spouse is not made by the annuitant, his/her annuity will be recomputed and paid as if there had been no reduction for the discontinued survivor benefit. If an annuity is so recomputed and an election is subsequently made to designate as beneficiary a spouse to whom married for at least one year at the time the election is made, the principal’s annuity shall be restored retroactively to its former, lower rate and then adjusted by cost-of-living increases that have occurred since the date of the first recomputation. If an election is made for a spouse when the marriage has not yet lasted a year, the procedures in §19.10–4 shall be followed.

(d) Amount of survivor annuity. The amount of a regular survivor annuity is determined under §19.11–3(c).

(e) Special rules for election of survivor annuity for a person who is a former spouse on February 15, 1981. (1) Any participant, or former participant eligible for a deferred annuity which has not yet commenced, who, on February 15, 1981 has a former spouse, may at any time prior to commencement of annuity, elect with the consent of any spouse to whom married at the time of the election, to receive a reduced annuity and provide a regular survivor annuity for such former spouse. Such survivor annuity shall be limited by §19.10–2(b). An election under this paragraph for a former spouse will reduce the amount of any regular survivor annuity that may subsequently be provided for any spouse or other former spouse.
(2) Any former participant in receipt of an annuity who has a former spouse on February 15, 1981 and who has not committed his/her entire annuity as a base for a regular survivor annuity for a spouse or any other former spouse, may, prior to December 31, 1982, designate any portion of the uncommitted base as the base for a regular survivor annuity for such former spouse.

(3) The annuity of a former participant making an election under this paragraph shall be reduced under §19.10–2(a) effective February 15, 1981, or from its commencing date if later.

(4) An election under this paragraph shall be made by filing a spousal agreement with PER/ER/RET under §19.7. A spousal agreement to provide a regular survivor annuity under this paragraph for a former spouse may be revoked or amended after its acceptance by PER/ER/RET as in accordance with the Act and these regulations, only by agreement of the parties up to the last day allowed by this paragraph for filing such an agreement. Thereafter, it is irrevocable. If a participant dies in service after having filed a valid election under this section, a survivor annuity will be paid to an eligible former surviving spouse in accordance with the terms of the election.

§ 19.11–3 Regular survivor annuity for a spouse.

(a) In the absence of a joint election or a spousal agreement to the contrary, a participant or former participant who is separated from active service on or after February 15, 1981 who is married at the commencement of his/her annuity shall provide a regular survivor annuity for a spouse under §19.10–2 equal to the maximum amount that remains available under limitations stated in paragraph (b) of that section after allowing for any commitment of a regular survivor annuity for a former spouse who has not remarried prior to age 60 and who is alive on the date the former participant becomes eligible for an annuity.

(b) A regular survivor annuity is also payable to a surviving spouse for whom a principal elected an annuity under §19.10–3, §19.10–4, or §19.11–2(c) following a marriage after commencement of his/her annuity.

(c) The amount of a regular survivor annuity equals 55 percent of the base designated for the benefit at the time the principal’s annuity commenced, adjusted by the total percentage of cost-of-living increases the principal was receiving at death.

(d) A survivor annuity is payable to a surviving spouse only if that person was married to the principal at the time of his/her death or if the spouse became a former spouse under the definition in §19.2(k).

§ 19.11–4 Procedure in event a spouse or former spouse is missing.

If a participant or former participant has a spouse or former spouse whose whereabouts are unknown, such participant may elect to reduce or eliminate the share of a regular survivor annuity provided for that person under §19.11–2 or §19.11–3 by filing an affidavit with PER/ER/RET stating that his/her spouse or former spouse is missing and giving full name, last known address, date last heard from, circumstances of the disappearance and a description of the effort that has been made to locate the individual. Thereafter, the participant shall take such additional steps to locate the missing person as may be directed by PER/ER/RET. That Office shall also attempt to locate the missing person by sending a letter to the individual’s last known address given in the Department’s files, to the address given on the affidavit, and, if a Social Security number is known, to the Social Security Administration for forwarding. The election and affidavit may be filed at any time before commencement of annuity. It must remain on file with PER/ER/RET for at least one year before being given irrevocable effect by the Department. If the annuity to the former participant becomes effective prior to the expiration of this one year period, the annuity shall be computed and paid without reference to the election filed under this section. Following this one-year period, or at the commencement of annuity, if later, if the missing person has not been located, the affidavit may be reaffirmed by the participant, after which an election by the participant to reduce or
eliminate the share of regular survivor annuity for the missing person shall be given irrevocable effect by the Department. If the annuity to the former participant has commenced, it shall be recomputed and paid retroactively to give effect to any election made under this section.

§ 19.11–5 Commencement, termination and adjustment of annuities.

(a) An annuity payable from the Fund to a surviving spouse or former spouse begins on the day after the participant or annuitant dies and stops on the last day of the month before the survivor’s (1) marriage before age 60, or (2) death. If a survivor annuity is terminated because of remarriage, the annuity is restored at the same rate effective on the date such remarriage is terminated, provided any lump-sum paid upon termination of the annuity is returned to the Fund. The termination of a surviving spouse annuity due to remarriage does not apply to a surviving spouse of a participant who died in service or retired before October 1, 1976, unless elected following a marriage after retirement under circumstances described in §19.10–3 or §19.10–4.

(b) A surviving spouse or former spouse shall not become entitled to a survivor annuity or to the restoration of a survivor annuity payable from the Fund unless the survivor elects to receive it instead of any other survivor annuity to which entitled under this or any other retirement system for Government employees. (For this purpose, neither the Social Security system nor the military retirement system is considered a retirement system for Government employees.) This restriction does not apply to a survivor annuitant who is a surviving spouse of a participant who died in service or retired before October 1, 1976, unless elected following a marriage after retirement under circumstances described in §19.10–3 or §19.10–4.

(c) A child’s annuity begins on the day after the participant dies, or if a child is not then qualified, on the first day of the month in which the child becomes eligible. A child’s annuity shall terminate on the last day of the month which precedes the month in which eligibility ceases.

(d) Regular and supplemental survivor annuities to a spouse or former spouse of an annuitant described in §§19.11–2, 19.11–3 and 19.10–6(b) are increased from their effective date by the cumulative percentage of cost-of-living increases the annuitant was receiving under section 826 of the Act at death. All annuities payable to survivors on the date a cost-of-living adjustment becomes effective are increased by that percentage except (1) the first increase to a surviving spouse of a participant who dies in service shall be pro rated and (2) additional survivor annuities under §19.10–5 when the spousal agreement authorizing the annuity makes no provision for cost-of-living increases.

(e) The annuity of survivors becomes effective as specified in this section but is not paid until the survivor submits Form JF-38, Application for Death Benefits, supported by such proof as may be required, for example, death, marriage, and/or divorce certificates. In the event that such is not submitted during an otherwise eligible beneficiary’s lifetime, no annuity is due or payable to the beneficiary’s estate.

§ 19.11–6 Death during active duty.

(a) Annuity for surviving former spouse. In the event a participant dies before separation from the Service and leaves a former spouse, such former spouse is entitled to a regular survivor annuity under §19.11–2 computed as if the participant had retired on the date of death unless a court order or spousal agreement is on file in the Department waiving such entitlement or providing for some other computation, or unless the former spouse had been found missing and an election filed under the procedures of §19.11–4 waiving a survivor benefit for that person. Any assumed service authorized to be used under paragraph (b) of this section in computing the annuity for a surviving spouse may not be counted as “years of marriage” when determining whether the previous spouse qualifies as a “former spouse” under the definition in §19.2(k) or when computing the pro
rata share under §19.2(s). A former spouse is entitled to an additional survivor annuity under §19.10–5 provided death occurs on or after the effective date of a spousal agreement providing for the additional annuity.

(b) Annuity for surviving spouse. If a participant who has at least 19 months of civilian service credit toward retirement under the System, excluding extra service credited for unhealthful post duty in accordance with section 816 of the Act, dies before separation from the Service, and is survived by a spouse as defined in §19.2(v) such survivor shall be entitled to an annuity equal to 55 percent of the annuity computed in accordance with §19.10–1 less any annuity payable to a former spouse under paragraph a. If the participant had less than three years of creditable civilian service at the time of death, the survivor annuity is computed on the basis of the average salary for the entire period of such service. If, at time of death, the participant had less than 20 years of creditable service, the annuity shall be computed on the assumption that the participant has had 20 years of service, but such additional service credit shall in no case exceed the difference between the participant’s age on the date of death and age 65. A spouse is entitled to an additional survivor annuity under §19.10–5 provided death occurs on or after the effective date of a spousal agreement providing for the additional annuity.

(c) Annuity for a child or children. If a participant described in paragraph (b) of this section is survived by a child or children, each surviving child is entitled to an annuity as described in §19.11–7.

(d) Annuity changes. Annuities based on a death in service are subject to the provisions of §19.11–5 governing commencement, adjustment, termination and resumption of annuities.

§ 19.11–7 Annuity payable to surviving child or children.

(a) If a participant who has at least 18 months of civilian service credit under the System dies in service, or if an annuitant who was a former participant dies, annuities are payable to a surviving child or children, as defined in §19.2(e) as follows:

1. When survived by spouse and child or children. If a principal is survived by a wife or husband and by a child or children, in addition to any other annuity, there shall be paid to or on behalf of each child an annuity equal to the smallest of:
   (i) $900
   (ii) $2,700 divided by the number of children—adjusted under paragraph (b).

2. When survived by a child or children but no spouse. If the principal is not survived by a wife or husband, but by a child or children, each surviving child shall be paid an annuity equal to the smallest of:
   (i) $1,080
   (ii) $3,240 divided by the number of children—adjusted under paragraph (b) of this section.

(b) Adjusted rates. In order to reflect cost-of-living increases, the amounts referred to in paragraphs (a)(1) and (2) are increased from the commencing date of the annuity to each child by the cumulative percentage of all cost-of-living increases that have occurred under 5 U.S.C. 8340 since October 31, 1969.

(c) Recomputation of annuity for child or children. If a surviving wife or husband dies or the annuity of a child is terminated, the annuities of any remaining children shall be recomputed and paid as though such spouse or child had not survived the participant. If the annuity to a surviving child who has not been receiving an annuity is initiated or resumed, the annuities of any other children shall be recomputed and paid from that date as though the annuities to all currently eligible children in the family were then being initiated.

§ 19.11–8 Required elections between survivor benefits.

(a) Bar against concurrent payment under this Act and Workers’ Compensation Act. Except as stated below, survivor annuities and survivors’ compensation for work injuries under 5 U.S.C. 8102 are not payable concurrently if both are based on the death of the same employee. A survivor entitled to both must elect which of the two benefits he/she prefers. Should all eligible survivors of a deceased employee

An annuitant who is reemployed by a Federal Government agency may not receive a combination of salary and annuity which exceeds his/her Foreign Service salary at the time of retirement. Refer to §19.9–4.

§ 19.13 Lump-sum payment.

§ 19.13–1 Lump-sum credit.

“Lump-sum credit” is the compulsory and special contributions to a participant’s or former participant’s credit in the Fund for his/her first 35 years of service plus interest thereon computed from the midpoint of each service period and compounded at four percent annually to the date of separation or December 31, 1976, whichever is earlier, and after such date, for a participant who separates from the Service after completing at least one year of civilian service and before completing 5 years of such service, at the rate of three percent annually to the date of separation. Interest shall not be paid for a fractional part of a month in the total service or on compulsory and special contributions from the annuitant for recall service or other service performed after the date of separation which forms the basis for annuity.

§ 19.13–2 Share payable to a former spouse.

A former spouse of a participant or annuitant is entitled to a prorata share of 50 percent of any lump-sum payment authorized to be paid to a former participant under this section who separated from the Service on or after February 15, 1981, unless otherwise directed in a court order or a spousal agreement.

§ 19.13–3 Payment after death of principal.

If a participant or former participant dies and no claim for annuity is payable, the lump-sum credit is paid to surviving beneficiaries.

§ 19.14 Waiver of annuity.

An individual entitled to be paid an annuity may, for personal reasons, decline to accept all or any part of the annuity. However, a principal may not waive the portion of his/her annuity authorized to be paid to a former spouse under §19.7 or §19.9 or to a beneficiary under §19.6. An annuity waiver shall be in writing and sent to the Department (PER/ER/RET). A waiver may be revoked in writing at any time. Payment of the annuity waived may not be made for the period during which the waiver was in effect.

In the total period, 30 days constitutes a month and any period of less than 30 days is not counted. When making this calculation for a former spouse married to a participant during a period the participant earned extra service credit under section 817 of the Act, the number of months of such extra service credit earned during that period of the marriage shall be added to the total number of months of the marriage.

§ 20.9 Application procedure.

(a) Submission of application. To be eligible for retirement or survivor benefits under this part, a former spouse must submit a properly executed and completed application to the Department of State by June 22, 1990 or, if an exception is made for compelling cause to this deadline, within 60 days following the date of the letter from the Department transmitting the application to the former spouse. The application must be delivered or mailed to the Retirement Division (PER/ER/RET), Department of State, Washington, DC 20520.

(b) Effect of election of alternate form annuity. If a principal elects an alternate form annuity under section 829 of the Act or 5 U.S.C. 8420a, survivor benefits for a former spouse under this section shall, nevertheless, be based on what the principal's annuity would have been had the principal not withdrawn retirement contributions in a lump sum.

(c) Reduction because of receipt of other survivor benefits. If a former spouse is in receipt of a survivor annuity based on an election by the principal under section 806(f) or 2109 of the Act, the survivor benefits for the former spouse under this section shall be reduced on the effective date by the amount of such elected survivor annuity.

(d) Commencement and Termination. Entitlement to survivor benefits under this section—

(1) Shall commence on the latter of—

(i) The date the principal dies;

(ii) December 22, 1987; and

(2) Shall terminate on the last day of the month before the former spouse dies or remarries before attaining age 55.

§ 20.6 COLA.

(a) Retirement benefits. A retirement annuity payable to a former spouse under §20.4 is adjusted for cost-of-living increases under section 826 or 858 of the Act in the same manner as the annuity of the principal. The first such increase for a former spouse shall be prorated under the applicable section in the same way the first increase for the principal is adjusted, irrespective of whether the annuity to the former spouse commences on the same date as the annuity to the principal. If the benefit of a former spouse is based in part on an annuity supplement payable to a principal under 5 U.S.C. 8421 which is not adjusted by COLA, then that portion of the benefit payable to a former spouse is not adjusted by COLA.

(b) Survivor benefits. (1) Survivor annuities payable to a former spouse are adjusted for COLA under section 826 or 858 of the Act in the same manner as annuities are or would be adjusted for other survivors of the principal. (2) A survivor annuity payable to a former spouse under §20.5–1(A) shall be increased from its commencing date pursuant to paragraph (c)(2) of section 826 of the Act or 8462 of Title 5. U.S. Code, by all COLA received by the principal at death, irrespective of the date of death and in instances where death occurred prior to December 22, 1987, by all COLA that would have been paid to a survivor annuitant from the date of death until December 22, 1987.

§ 20.7 Waiver.

A former spouse entitled to an annuity under this part may decide to decline all or any part of the annuity for personal reasons. An annuity waiver shall be in writing and sent to the Retirement Division (PER/ER/RET), Department of State, Washington, DC 20520. A waiver may be revoked in writing at any time. Payment of the annuity waived prior to receipt by the Retirement Division of the renovation may not be made.

§ 20.8 Effect on other benefits.

Payment to a former spouse under this part shall not impair, reduce, or otherwise affect benefits paid under the Act to the principal or other persons.

§ 20.9 Application procedure.

(a) Submission of application. To be eligible for retirement or survivor benefits under this part, a former spouse must submit a properly executed and completed application to the Department of State by June 22, 1990 or, if an exception is made for compelling cause to this deadline, within 60 days following the date of the letter from the Department transmitting the application to the former spouse. The application must be delivered or mailed to the Retirement Division (PER/ER/RET), Department of State, Washington, DC 20520. A waiver may be revoked in writing at any time. Payment of the annuity waived prior to receipt by the Retirement Division of the renovation may not be made.
Pt. 21

Room 1251, Department of State, Washington, DC 20520.

(b) Request for application. The Department of State has attempted to mail applications to all former spouses of whom it is aware that it believes may be eligible for benefits under this part. Any eligible former spouse who does not have an application at the time this part is published in the Federal Register (October 7, 1988) must communicate with the Department as soon as possible and request an application. Request may be in person or by mail to the address in §20.9(a) or by telephoning the Retirement Division on area code 202–647–9315. A request by letter must include the typed or printed full name and current address of the former spouse.

It shall also give the dates of marriage and divorce or annulment that establish eligibility and fully identify the Foreign Service employee or former employee in question and state the agency of current or last employment.

(c) Payment of benefits delayed. Payment of benefits cannot be made to a former spouse until the application for benefits is approved by the Retirement Division of the Department. Upon such approval, benefits will be paid to an eligible former spouse retroactively, if necessary, back to the commencing date determined under this part.

§ 22.2 Requests for services in the United States.

(a) Requests for records. Requests by the file subject or the individual’s authorized agent for services involving U.S. passport applications and related records, including consular birth, marriage and death records and authentication of other passport file documents, as well as records of births, marriages and deaths within the former Canal Zone of Panama recorded and maintained by the Canal Zone Government from 1904 to September 30, 1979, shall be addressed to Passport Services, Correspondence Branch, Department of State, Washington, D.C. 20524. Requests for consular birth records should specify whether a Consular Report of Birth (Form FS 240, or long form) or Certification of Birth (Form DS 135, or short form) is desired. Advance remittance of the exact fee is required for each service.

(b) Authentication services. Requests for Department of State authentication of documents other than passport file documents must be accompanied by remittance of the exact total fee.
§ 22.3 Remittances in the United States.

(a) Type of remittance. Remittances shall be in the form of: (1) Check or bank draft drawn on a bank in the United States; (2) money order—postal, international or bank; or (3) U.S. currency. Remittances shall be made payable to the order of the Department of State. The Department will assume no responsibility for cash which is lost in the mail.

(b) Exact payment of fees. Fees must be paid in full prior to issuance of requested documents. If uncertainty as to the existence of a record or as to the number of sheets to be copied precludes remitting the exact fee chargeable with the request, the Department of State will inform the interested party of the exact amount required.

§ 22.4 Requests for services, Foreign Service.

Officers of the Foreign Service shall charge for official services performed abroad at the rates prescribed in this schedule, in coin of the United States or at its representative value in exchange (22 U.S.C. 1202). For definition of representative value in exchange, see §23.4 of this chapter. No fees named in this schedule shall be charged or collected for the official services to American vessels and seamen (22 U.S.C. 1186). The term “American vessels” is defined to exclude, for the purposes of this schedule, undocumented American vessels and the fees prescribed herein shall be charged and collected for such undocumented vessels. However, the fees prescribed herein shall not be charged or collected for American public vessels, which includes any vessel owned or operated by a U.S. Government department or agency and engaged exclusively in official business on a non-commercial basis. This schedule of fees shall be kept posted in a conspicuous place in each Foreign Service consular office, subject to the examination by all persons interested therein (22 U.S.C. 1197).

§ 22.5 Remittances to Foreign Service posts.

Remittances to Foreign Service posts from persons in the United States in payment of official fees and charges or for the purpose of establishing deposits in advance of rendition of services shall be in a form acceptable to the post, drawn payable to the American Embassy (name of city), American Consulate General (name of city) or American Consulate (name of city), as the case may be. This will permit cashing of negotiable instruments for deposit in the Treasury when not negotiated locally. See §23.2 of this chapter.

(a) Time at which fees become payable. Fees are due and payable prior to issue or delivery to the interested party of a signed document, a copy of a record, or other paper representative of a service performed.

(b) Receipt for fees; register of services. Every officer of the Foreign Service responsible for the performance of services as enumerated in the Schedule of Fees for Consular Services, Department of State and Foreign Service (§22.1), shall give receipts for fees collected for the official services rendered, specifying the nature of the service and numbered to correspond with entries in a register maintained for the purpose (22 U.S.C. 1192, 1193, and 1194). The register serves as a record of official acts performed by officers of the Foreign Service in a governmental or notarial capacity, corresponding in this regard with the record which notaries are usually expected or required to keep of their official acts. See §92.2 of this chapter.

(c) Deposits to guarantee payment of fees or incidental costs. When the amount of any fee is determinable only after initiation of the performance of a service, or if incidental costs are involved, the total fee and incidental costs shall be carefully estimated and an advance deposit required, subject to refund of any unused balance to the person making the deposit.

§ 22.6 Refund of fees.

(a) Fees which have been collected for deposit in the Treasury are refundable:

(1) As specifically authorized by law (See 22 U.S.C. 214a concerning passport
fees erroneously charged persons excused from payment and 46 U.S.C. 8 concerning fees improperly imposed on vessels and seamen;)

(2) When the principal officer at the consular post where the fee was collected (or the officer in charge of the consular section at a combined diplomatic/consular post) finds upon review of the facts that the collection was erroneous under applicable law; and

(3) Where determination is made by the Department of State with a view to payment of a refund in the United States in cases which it is impracticable to have the facts reviewed and refund effected by and at the direction of the responsible consular office. See §13.1 of this chapter concerning refunds of fees improperly exacted by consular officers who have neglected to return the same.

(b) Refunds of $5.00 or less will not be paid to the remitter unless a claim is specifically filed at the time of payment for the excess amount. An automatic refund on overpayments due to misinformation or mistakes on the part of the Department of State will be made.

§ 23.1 Remittances made payable to the Department of State.

§ 23.2 Endorsing remittances for deposit in the Treasury.

§ 23.3 Refunds.

(a) Rectifications and readjustments. See §22.6 of this chapter for outline of circumstances under which fees which have been collected for deposit in the Treasury may be refunded.

(b) Refund of wrongful exactions. See §13.1 of this chapter concerning recovery from consular officers of amounts wrongfully exacted and withheld by them.

§ 23.4 Representative value in exchange.

Representative value in exchange for the collection of a fee means foreign currency equivalent to the prescribed United States dollar fee at the current rate of exchange at the time and place of payment of the fee. “Current rate” of exchange for this purpose means the bank selling rate at which the foreign bank will sell the number of United States dollars required to liquidate the obligation to the United States for the Foreign Service fee.

§ 23.5 Claims for settlement by Department of State or General Accounting Office.

Claims for settlement by the Department of State or by the General Accounting Office shall be submitted to the Department in duplicate over the handwritten signature, together with the post office address of the claimant, and with appropriate recommendations of the officer of the Foreign Service, for items such as:

(a) Refunds of amounts representing payroll deductions such as for any retirement and disability fund;
(b) Amounts due deceased, incompetent, or insolvent persons including payees or bona fide holders of unpaid Government checks;
(c) Amounts claimed from the Government when questions of fact affect either the amount payable or the terms of payment, when for any reason settlement cannot or should not be affected at the Foreign Service office; and
(d) Amounts of checks, owned by living payees or bona fide holders, which have been covered into outstanding liabilities. The Foreign Service post or the Department of State shall be consulted before preparing the claim to ascertain whether any special form is required to be used. Claims for unpaid compensation of deceased alien employees shall be forwarded to the respective Foreign Service post.
§ 33.1 Purpose.
These rules clarify procedures for the administration of Section 7 of the Fishermen’s Protective Act of 1967. Section 7 of the Act establishes a Fishermen’s Guaranty Fund to reimburse owners and charterers of United States commercial fishing vessels for certain losses and costs caused by the seizure and detention of their vessels by foreign countries under certain claims to jurisdiction not recognized by the United States.

§ 33.2 Definitions.
For the purpose of this part, the following terms mean:

Capital equipment. Equipment or other property which may be depreciated for income tax purposes.
Depreciated replacement costs. The present replacement cost of capital equipment after being depreciated on a straight line basis over the equipment’s depreciable life, which is standardized at ten years.
Downtime. The time a vessel normally would be in port or transiting to and from the fishing grounds.
Expendable items. Any property, excluding that which may be depreciated for income tax purposes, which is maintained in inventory or expensed for tax purposes.
Fund. The Fishermen’s Guaranty Fund established in the U.S. Treasury under section 7(c) of the Act (22 U.S.C. 1977(c)).
Market value. The price property would command in a market, at the time of property loss, assuming a seller willing to sell and buyer willing to buy.
Other direct charge. Any levy which is imposed in addition to, or in lieu of any fine, license fee, registration fee, or other charge.
Owner. The owner or charterer of a commercial fishing vessel.
Secretary. The Secretary of State or the designee of the Secretary of State.
Seizure. Arrest of a fishing vessel by a foreign country for allegedly illegal fishing.
U.S. fishing vessel. Any private vessel documented or certified under the laws of the United States as a commercial fishing vessel.

§ 33.3 Eligibility.
Any owner or charterer of a U.S. fishing vessel is eligible to apply for an agreement with the Secretary providing for a guarantee in accordance with section 7 of the Act.

§ 33.4 Applications.
(a) Applicant. An eligible applicant for a guaranty agreement must:
(1) Own or charter a U.S. fishing vessel; and
(2) Submit with his application the fee specified in § 33.6 below.
(b) Application forms. Application forms may be obtained by contacting the Office of Marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs, Room 7820, U.S. Department of State, Washington, DC 20520–7818; Telephone 202–647–3941.
(c) Where to apply. Applications must be submitted to the Director, Office of marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs, Room 7820, U.S. Department of State, Washington, DC 20520–7818.
§ 33.5 Guaranty agreements.

(a) Period in effect. Agreements are effective for a Fiscal Year beginning October 1 and ending on the next September 30. Applications submitted after October 1 are effective from the date the application and fee are mailed (determined by the postmark) through September 30.

(b) Guaranty agreement transfer. A guaranty agreement may, with the Secretary’s prior consent, be transferred when a vessel which is the subject of a guaranty agreement is transferred to a new owner if the transfer occurs during the agreement period.

(c) Guaranty agreement renewal. A guaranty agreement may be renewed for the next agreement year by submitting an application form with the appropriate fee for the next year in accordance with the Secretary’s annually published requirements regarding fees. Renewals are subject to the Secretary’s approval.

(d) Provisions of the agreement. The agreement will provide for reimbursement for certain losses caused by foreign countries’ seizure and detention of U.S. fishing vessels on the basis of claims to jurisdiction which are not recognized by the United States. Recent amendments to the Magnuson Fishery Conservation and Management Act (16 U.S.C. 1801 et seq.) assert U.S. jurisdiction over highly migratory species of tuna in the U.S. exclusive economic zone (EEZ). Accordingly, as a matter of international law, the United States now recognizes other coastal states’ claims to jurisdiction over tuna in their EEZ’s. This change directly affects certification of claims filed under the Fishermen’s Protective Act. Participants are advised that this means that the Department will no longer certify for payment claims resulting from the seizure of a U.S. vessel while such vessel was fishing for tuna within the exclusive economic zone of another country in violation of that country’s laws. Claims for detentions or seizures based on other claims to jurisdiction not recognized by the United States, or on the basis of claims to jurisdiction recognized by the United States but exercised in a manner inconsistent with international law as recognized by the United States, may still be certified by the Department.

§ 33.6 Fees.

(a) General. Fees provide for administrative costs and payment of claims. Fees are set annually on the basis of past and anticipated claim experience. The annual agreement year for which fees are payable starts on October 1 and ends on September 30 of the following year.

(b) Amount and payment. The amount of each annual fee or adjusted fee will be established by the Office Director of the Office of Marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs, by publication of a notice in the FEDERAL REGISTER. Each notice will establish the amount of the fee, when the fee is due, when the fee is payable, and any special conditions surrounding extension of prior agreements or execution of new agreements. Unless otherwise specified in such notices, agreement coverage will commence with the postmarked date of the fee payment and application.

(c) Adjustment and refund. Fees may be adjusted at any time to reflect actual seizure and detention experience for which claims are anticipated. Failure to submit adjusted fees will result in agreement termination as of the date the adjusted fee is payable. No fees will be refunded after an agreement is executed by the Secretary.

(d) Disposition. All fees will be deposited in the Fishermen’s Guaranty Fund. They will remain available without fiscal year limitation to carry out section 7 of the Act. Claims will be paid from fees and from appropriated funds, if any. Fees not required to pay administrative costs or claims may be invested in U.S. obligations. All earnings will be credited to the Fishermen’s Guaranty Fund.

§ 33.7 Conditions for claims.

(a) Unless there is clear and convincing credible evidence that the seizure did not meet the requirements of
the Act, payment of claims will be made when:

(1) A covered vessel is seized by a foreign country under conditions specified in the Act and the guaranty agreement; and

(2) The incident occurred during the period the guaranty agreement was in force for the vessel involved.

(b) Payments will be made to the owner for:

(1) All actual costs (except those covered by section 3 of the Act or reimbursable from some other source) incurred by the owner during the seizure or detention period as a direct result thereof, including:
  (i) Damage to, or destruction of, the vessel or its equipment; or
  (ii) Loss or confiscation of the vessel or its equipment; and
  (iii) Dockage fees or utilities;

(2) The market value of fish or shellfish caught before seizure of the vessel and confiscated or spoiled during the period of detention; and

(3) Up to 50 percent of the vessel’s gross income lost as a direct result of the seizure and detention.

(c) The exceptions are that no payment will be made from the Fund for a seizure which is:

(1) Covered by any other provision of law (for example, fines, license fees, registration fees, or other direct charges payable under section 3 of the Act);

(2) Made by a country at war with the United States;

(3) In accordance with any applicable convention or treaty, if that treaty or convention was made with the advice and consent of the Senate and was in force and effect for the United States and the seizing country at the time of the seizure;

(4) Which occurs before the guaranty agreement’s effective date or after its termination;

(5) For which other sources of alternative reimbursement have not first been fully pursued (for example, the insurance coverage required by the agreement and valid claims under any law);

(6) For which material requirements of the guaranty agreement, the Act, or the program regulations have not been fully fulfilled; or

(7) In the view of the Department of State occurred because the seized vessel was undermining or diminishing the effectiveness of international conservation and management measures recognized by the United States, or otherwise contributing to stock conservation problems pending the establishment of such measures.

§ 33.8 Claim procedures.

(a) Where and when to apply. Claims must be submitted to the Office Director, Office of Marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs, Room 7820, U.S. Department of State, Washington, DC 20520–7818. Claims must be submitted within ninety (90) days after the vessel’s release. Requests for extension of the filing deadline must be in writing and approved by the Office Director, Office of Marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs.

(b) Contents of claim. All material allegations of a claim must be supported by documentary evidence. Foreign language documents must be accompanied by an authenticated English translation. Claims must include:

(1) The captain’s sworn statement about the exact location and activity of the vessel when seized;

(2) Certified copies of charges, hearings, and findings by the government seizing the vessel;

(3) A detailed computation of all actual costs directly resulting from the seizure and detention, supported by receipts, affidavits, or other documentation acceptable to the Office Director, Office of Marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs;

(4) A detailed computation of lost income claimed, including:
  (i) The date and time seized and released;
  (ii) The number of miles and running time from the point of seizure to the point of detention;
  (iii) The total fishing time lost (explain in detail if lost fishing time claimed is any greater than the elapsed time from seizure to the time required after release to return to the point of seizure);
§ 33.9 Amount of award.

(a) Lost fishing time. Compensation is limited to 50 percent of the gross income lost as a direct result of the seizure and detention, based on the value of the average catch-per-day’s fishing during the three most recent calendar years immediately preceding the seizure as determined by the Secretary, based on catch rates on comparable vessels in comparable fisheries. The compensable period for cases of seizure and detention not resulting in vessels confiscation is limited to the elapsed time from seizure to the time after release when the vessel could reasonably be expected to return to the point of seizure. The compensable period in cases where the vessel is confiscated is limited to the elapsed time from seizure through the date of confiscation, plus an additional period to purchase a replacement vessel and return to the point of seizure. In no case can the additional period exceed 120 days.

(b) Fuel expense. Compensation for fuel expenses will be based on the purchase price, the time required to run to and from the fishing grounds, the detention time in port, and the documented fuel consumption of the vessel.

(c) Stolen or confiscated property. If the claimant was required to buy back confiscated property from the foreign country, the claimant may apply for reimbursement of such charges under section 3 of the Act. Any other property confiscated is reimbursable from this Guaranty Fund. Confiscated property is divided into the following categories:

(1) Compensation for confiscation of vessels, where no buy-back has occurred, will be based on market value which will be determined by averaging estimates of market value obtained from as many vessel surveyors or brokers as the Secretary deems practicable;

(2) Compensation for capital equipment other than vessel, will be based on depreciated replacement cost;

(3) Compensation for expendable items and crew’s belongings will be 50 percent of their replacement costs; and

(4) Compensation for confiscated catch will be for full value, based on the price-per-pound.

(d) Insurance proceeds. No payments will be made from the Fund for losses covered by any policy of insurance or other provisions of law.

(e) [Reserved]

(f) Appeals. All determinations under this section are final and are not subject to arbitration or appeal.
§ 33.10 Payments.

The Office Director, Office of Marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs, will pay the claimant the amount calculated under §33.9. Payment will be made as promptly as practicable, but may be delayed pending the appropriation of sufficient funds, should fee collections not be adequate to sustain the operation of the Fund. The Director shall notify the claimant of the amount approved for payment as promptly as practicable and the same shall thereafter constitute a valid, but non-interest bearing obligation of the Government. Delays in payments are not a direct consequence of seizure and detention and cannot therefore be construed as increasing the compensable period for lost fishing time. If there is a question about distribution of the proceeds of the claim, the Director may request proof of interest from all parties, and will settle this issue.

§ 33.11 Records.

The Office Director, Office of Marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs will have the right to inspect claimants’ books and records as a precondition to approving claims. All claims must contain written authorization of the guaranteed party for any international, federal, state, or local governmental Agencies to provide the Office Director, Office of Marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs any data or information pertinent to a claim.

§ 33.12 Penalties.

Persons who willfully make any false or misleading statement or representation to obtain compensation from the Fund are subject to criminal prosecution under 22 U.S.C. 1980(g). This provides penalties up to $25,000 or imprisonment for up to one year, or both. Any evidence of criminal conduct will be promptly forwarded to the United States Department of Justice for action. Additionally, misrepresentation, concealment, or fraud, or acts intentionally designed to result in seizure, may void the guaranty agreement.

Subpart A—General Provisions

§ 34.1 Purpose.

These regulations prescribe the procedures to be used by the United States Department of State (STATE) in the collection of debts owed to STATE and to the United States.

§ 34.2 Scope.

(a) Except as set forth in this part or otherwise provided by law, STATE will conduct administrative actions to collect debts (including offset, compromise, suspension, termination, disclosure and referral) in accordance
§ 34.3 Exceptions.

(a) Debts arising from the audit of transportation accounts pursuant to 31 U.S.C. 3726 shall be determined, collected, compromised, terminated, or settled in accordance with the regulations published at 41 CFR part 102–118.

(b) Debts arising out of acquisition contracts subject to the Federal Acquisition Regulation (FAR) shall be determined, collected, compromised, terminated, or settled in accordance with those regulations (see 48 CFR part 32).

(c) Debts based in whole or in part on conduct in violation of the antitrust laws, or in regard to which there is an indication of fraud, presentation of a false claim, or misrepresentation on the part of the debtor or any other party having an interest in the claim, shall be referred to the Department of Justice for compromise, suspension, or termination of collection action.

(d) Tax debts are excluded from the coverage of this regulation.

§ 34.4 Definitions.

For purposes of the section:

(a) Administrative offset means withholding funds payable by the United States to, or held by the United States for, a person to satisfy a debt owed by the person to the United States.

(b) Administrative wage garnishment means the process by which a Federal agency orders a non-Federal employer to withhold amounts from a debtor’s wages to satisfy a debt owed to the United States.

(c) Compromise means that the creditor agency accepts less than the full amount of an outstanding debt in full satisfaction of the entire amount of the debt.

(d) Creditor agency means the Federal agency to which a debt is owed.

(e) Debt or claim means an amount of money which has been determined to be owed to the United States from any person. A debtor’s liability arising from a particular contract or transaction shall be considered a single claim for purposes of the monetary ceilings of the FCCS.

(f) Debtor means a person who owes the Federal government money.

(g) Delinquent debt means a debt that has not been paid by the date specified in STATE’s written notification or applicable contractual agreement, unless other satisfactory arrangements have been made by that date, or that has not been paid in accordance with a payment agreement with STATE.

(h) Discharge means the release of a debtor from personal liability for a debt. Further collection action is prohibited.

(i) Disposable pay means the amount that remains from an employee’s current basic pay, special pay, incentive pay, retired pay, retainer pay, or in the case of an employee not entitled to basic pay, other authorized pay remaining after required deductions for Federal, State and local income taxes; Social Security taxes, including Medicare taxes; Federal retirement programs; normal premiums for life and health insurance benefits and such other deductions that are required by law to be withheld, excluding garnishments.

(j) FCCS means the Federal Claims Collection Standards published jointly by the Departments of the Treasury and Justice and codified at 31 CFR parts 900–904.

(k) Person means an individual, corporation, partnership, association, organization, State or local government, or any other type of entity other than a Federal agency, Foreign Government, or public international organization.

(l) Salary offset means the withholding of amounts from the current pay account of a Federal employee to satisfy a debt owed by that employee to the United States.

(m) Suspension means the temporary cessation of active debt collection pending the occurrence of an anticipated event.

(n) Termination means the cessation of all active debt collection action for the foreseeable future.

(o) Waiver means a decision to forgo collection of a debt owed to the United
States, as provided for by a specific statute and according to the standards set out under that statute.

§ 34.5 Other procedures or actions.

(a) Nothing contained in this regulation is intended to require STATE to duplicate administrative proceedings required by contract or other laws or regulations.

(b) Nothing in this regulation is intended to preclude utilization of informal administrative actions or remedies which may be available.

(c) Nothing contained in this regulation is intended to deter STATE from demanding the return of specific property or from demanding the return of the property or the payment of its value.

(d) The failure of STATE to comply with any provision in this regulation shall not serve as defense to the debt.

§ 34.6 Interest, penalties, and administrative costs.

Except as otherwise provided by statute, contract or excluded in accordance with the FCCS, STATE will assess:

(a) Interest on delinquent debts in accordance with 31 CFR 901.9.

(b) Penalties at the rate of 6 percent a year or such other rate as authorized by law on any portion of a debt that is delinquent for more than 90 days.

(c) Administrative costs to cover the costs of processing and calculating delinquent debts.

(d) Late payment charges under paragraphs (a) and (b) of this section shall be computed from the date of delinquency.

(e) When a debt is paid in partial or installment payments, amounts received shall be applied first to outstanding penalty and administrative cost charges, second to accrued interest, and then to outstanding principal.

(f) STATE shall consider waiver of interest, penalties and/or administrative costs in accordance with the FCCS, 31 CFR 901.9(g).

§ 34.7 Collection in installments.

Whenever feasible, and except as required otherwise by law, debts owed to the United States, together with interest, penalties, and administrative costs as required by this regulation, should be collected in one lump sum. This is true whether the debt is being collected under administrative offset, including salary offset, or by another method, including voluntary payment. However, if the debtor is financially unable to pay the indebtedness in one lump sum, payment may be accepted in regular installments. If STATE agrees to accept payment in installments, it may require a legally enforceable written agreement from the debtor that specifies all of the terms of the arrangement and which contains a provision accelerating the debt in the event the debtor defaults. The size and frequency of the payments should bear a reasonable relation to the size of the debt and ability of the debtor to pay. If possible, the installment payments should be sufficient in size and frequency to liquidate the Government's claim within 3 years.

EDITORIAL NOTES: At 79 FR 35283, June 20, 2014, § 34.7 was amended; however, the amendment could not be incorporated due to inaccurate amendatory instruction.

Subpart B—Collection Actions

§ 34.8 Notice and demand for payment.

(a) STATE shall promptly hand deliver, send by first class mail to the debtor’s most current address in the records of STATE, or, in appropriate circumstances, send by electronic mail to the debtor's most current address in the records of STATE, at least one written notice. Written demand under this subpart may be preceded by other appropriate actions under this part and or the FCCS, including but not limited to actions taken under the procedures applicable to administrative offset, including salary offset.

(b) The written notice shall inform the debtor of:

(1) The basis of the debt;

(2) The amount of the debt;

(3) The date by which payment should be made to avoid the imposition of interest, penalties and administrative costs, and the enforced collection actions described in paragraph (b)(7) of this section;

(4) The applicable standards for imposing interest, penalties and administrative costs to delinquent debts;
§ 34.9 Requests for internal administrative review.

(a) For all collection methods for debts owed to STATE, the debtor may request a review within State of the existence or the amount of the debt. For offset of current Federal salary under 5 U.S.C. 5514 for certain debts, debtors may also request an outside hearing. See subpart C of this part. The subpart rather than subpart C applies to collections by salary offset for debts arising under 5 U.S.C. 5705 (travel advances), 5 U.S.C. 4108 (training expenses), and other statutes specifically providing for collection by salary offset.

(b) A debtor requesting an internal review shall do so in writing to the contact office by the payment due date stated within the initial notice sent under 34.8(b) or other applicable provision. The debtor’s written request shall state the basis for the dispute and include any relevant documentation in support.

(1) STATE will provide for an internal review of the debt by an appropriate official. The review may include examination of documents, internal discussions with relevant officials and discussion by letter or orally with the debtor, at STATE’s discretion. An oral hearing may be provided when the matter cannot be decided on the documentary record because it involves issues of credibility or veracity. Unless otherwise required by law, such oral hearing shall not be a formal evidentiary hearing. If an oral hearing is appropriate, the time and location of the hearing shall be established by STATE. An oral hearing may be conducted, at the debtor’s option, either in-person or by telephone conference. All travel expenses incurred by the debtor in connection with an in-person hearing will be borne by the debtor. All telephonic charges incurred during the hearing will be the responsibility of STATE. During the period of review, STATE may suspend collection activity, including the accrual of interest and penalties, on any disputed portion of the debt if STATE determines that suspension is in the

prior notice, applicable agreement, or contract.

[71 FR 16482, Apr. 3, 2006, as amended at 79 FR 35283, June 20, 2014]
Department of State § 34.10

Department's best interest or would serve equity and good conscience.

(2) If after review STATE either sustains or amends its determination, it shall notify the debtor of its intent to collect the sustained or amended debt. If previously suspended, collection actions will be re-instituted unless payment of the sustained or amended amount is received or the debtor has made a proposal for a payment plan to which STATE agrees, by the date specified in the notification of STATE's decision.

§ 34.10 Collection methods.

Upon completion of notice and provision of all due process rights as listed in 34.8(b) of this section and upon final determination of the existence and amount of a debt, unless other acceptable payment arrangements have been made or procedures under a specific statute apply, STATE shall collect the debt by one or more of the following methods:

(a) **Administrative offset.** (1) Payments otherwise due the debtor from the United States shall be offset from the debt in accordance with 31 CFR 901.3. These may be funds under the control of the Department of State or other Federal agencies. Collection may be made through centralized offset by the Financial Management Service ("FMS") of the Department of the Treasury.

(2) Such payments include but are not limited to vendor payments, salary, retirement, lump sum payments due upon Federal employment separation, travel reimbursements, tax refunds, loans or other assistance. For offset of Federal salary payments under 5 U.S.C. 5514 for certain types of debt see subpart C of this part.

(3) Administrative offset under this subsection does not apply to debts specified in the FCCS, 31 CFR 901.3(a)(2).

(4) Before administrative offset is instituted by another Federal agency or the FMS, STATE shall certify in writing to that entity that the debt is past due and legally enforceable and that STATE has complied with all applicable due process and other requirements as described in this part and other Federal law and regulations.

(5) Administrative offset of anticipated or future benefit payments under the Civil Service Retirement and Disability Fund will be requested by STATE pursuant to 5 CFR 831.1801–1808.

(6) ** Expedited offset.** STATE may effect an offset against a debtor prior to sending a notice to the debtor as described in §34.8, when:

(i) The offset is in the nature of a recoupment,

(ii) Offset is executed pursuant to procedures set out in the Contracts Disputes Act,

(iii) Previous notice and opportunity for review have been given, or

(iv) There is insufficient time before payment would be made to the debtor/payee to allow prior notice and an opportunity for review. In such case, STATE shall give the debtor notice and an opportunity for review as soon as practicable and shall promptly refund any money ultimately found not to have been owed to the Government.

(b) **Referral to private collection agency.** STATE may contract for collection services to recover delinquent debts, or transfer a delinquent debt to FMS for private collection action, pursuant to 31 U.S.C. 3716, 22 U.S.C. 2716 and the FCCS, 31 CFR 901.5, as applicable.

STATE will not use a collection agency to collect a debt owed by a currently employed or retired Federal employee, if collection by salary or annuity offset is available.

(c) **Disclosure to consumer reporting agencies.** STATE may disclose delinquent debts to consumer reporting agencies and other automated databases in accordance with 31 U.S.C. 3711(e) and the FCCS, 31 CFR 901.4, and in compliance with the Bankruptcy Code and the Privacy Act 5 U.S.C. 552a.

(d) **Liquidation of Collateral.** If applicable, in accordance with the FCCS, 31 CFR 901.7.

(e) **Suspension or revocation of eligibility for loans and loan guaranties, licenses, permits, or privileges in accordance with the FCCS, 31 CFR 901.6.**

(f) **Litigation.** Debts may be referred to the Department of Justice for litigation for collection in accordance with the standards set forth in the FCCS, 31 CFR part 904.

(g) **Transfer to FMS.** Debts delinquent more than 180 days shall be transferred
to the Financial Management Service of the Department of the Treasury for collection by all available means. Debts delinquent less than 180 days may also be so transferred.

(h) Administrative wage garnishment. STATE may collect debts from a non-Federal employee’s wages by means of administrative wage garnishment in accordance with the requirements of 31 U.S.C. 3720D and 31 CFR 285.11. All parts of 31 CFR 285.11 are incorporated by reference into these regulations, including the hearing procedures described in 31 CFR 285.11(f).

(i) Salary offset. See subpart C of this part.

Subpart C—Salary Offset

§ 34.11 Scope.

(a) This subpart sets forth STATE’s procedures for the collection of a Federal employee’s current pay by salary offset to satisfy certain debts owed to the United States.

(b) This subpart applies to:

1. Current employees of STATE and other agencies who owe debts to STATE;

2. Current employees of STATE who owe debts to other agencies.

(c) This subpart does not apply to:

1. Offset of a separating employee’s final payments or Foreign Service annuity payments which are covered under administrative offset (See §34.10(a));

3. Any adjustment to pay arising out of an employee’s election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over 4 pay periods or less.

4. Any routine intra-agency adjustment of pay that is made to correct an overpayment of pay attributable to clerical or administrative errors or delays in processing pay documents, if the overpayment occurred within the 4 pay periods preceding the adjustment and, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and point of contact for contesting such adjustment.

5. Any adjustment to collect a debt amounting to $50 or less, if, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and a point of contact for contesting such adjustment.

(d) These regulations do not preclude the compromise, suspension or termination of collection actions where appropriate under subpart D of this part or by other regulations or statutes.

§ 34.12 Coordinating offset with another Federal agency.

(a) When STATE is owed a debt by an employee of another agency, the other agency shall not initiate the requested offset until STATE provides the agency with a written certification that the debtor owes STATE a debt (including the amount and basis of the debt and the due date of payment) and that STATE has complied with these regulations.

(b) When another agency is owed the debt, STATE may use salary offset against one of its employees who is indebted to another agency, if requested to do so by that agency. Such request must be accompanied by a certification that the person owes the debt (including the amount and basis of the debt and the due date of payment) and that the agency has complied with its regulations as required by 5 U.S.C. 5514 and 5 CFR part 550, subpart K.

§ 34.13 Notice requirements before offset.

Except as provided in §34.16, salary offset deductions will not be made unless STATE first provides the employee with a written notice that he/she owes a debt to the Federal Government at
least 30 calendar days before salary offset is to be initiated. When STATE is the creditor agency, this notice of intent to offset an employee’s salary shall be hand-delivered or sent by electronic mail to the employee’s STATE issued electronic mail address and will state:

(a) That STATE has reviewed the records relating to the debt and has determined that the debt is owed, its origin and nature, and the amount due;

(b) The intention of STATE to collect the debt by means of deduction from the employee’s current pay until the debt and any and all accumulated interest, penalties and administrative costs are paid in full;

(c) The amount, frequency, approximate beginning date, and duration of the intended deductions;

(d) The requirement to assess and collect interest, penalties, and administrative costs in accordance with §34.6, unless waived in accordance with §34.6(f);

(e) The employee’s right to inspect and copy any STATE records relating to the debt, or, if the employee or their representative cannot personally inspect the records, to request and receive a copy of such records;

(f) The opportunity to voluntarily repay the debt or to enter into a written agreement (under terms agreeable to STATE) to establish a schedule for repayment of the debt in lieu of offset;

(g) Right to an internal review or outside hearing. (1) An internal review under §34.9 may be requested in cases of collections by salary offset for debts arising under 5 U.S.C. 5705 (travel advances), 5 U.S.C. 4108 (training expenses), and other statutes specifically providing for collection by salary offset.

(2) For all other debts, an internal review or an outside hearing conducted by an official not under the supervision or control of STATE may be requested with respect to the existence of the debt, the amount of the debt, or the repayment schedule (i.e., the percentage of disposable pay to be deducted each pay period);

(h) That the timely filing of a request for an outside hearing or internal review within 30 calendar days after the date of the notice of intent to offset will stay the commencement of collection proceedings;

(i) The method and time period for requesting an internal review or outside hearing;

(j) That a final decision on the internal review or outside hearing (if one is requested) will be issued at the earliest practical date, but not later than 60 days after the filing of the request, unless the employee requests and the outside hearing official grants a delay in the proceedings;

(k) That any knowingly false or frivolous statements, representation, or evidence may subject the employee to disciplinary procedures (5 U.S.C. Chapter 75, 5 CFR part 752 or other applicable statutes or regulations); penalties (31 U.S.C. 3729–3731 or other applicable statutes or regulations); or criminal penalties (18 U.S.C. 266, 287, 1001, and 1002 or other applicable statutes or regulations);

(l) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made;

(m) That the amounts paid on the debt which are later waived or found not owed to the United States will be promptly refunded to the employee, unless there are applicable contractual or statutory provisions to the contrary; and

(n) The name and address of the STATE official to whom communications should be directed.

§34.14 Request for an outside hearing for certain debts.

(a) Except as provided in paragraph (d) of this section, an employee must file a request that is received by STATE not later than 30 calendar days from the date of STATE’s notice described in §34.13 if an employee wants an outside hearing pursuant to §34.13(g)(2) concerning:

(1) The existence or amount of the debt; or

(2) STATE’s proposed offset schedule.

(b) The request must be signed by the employee and should identify and explain with reasonable specificity and
brevity the facts, evidence and witnesses which the employee believes support his or her position. If the employee objects to the percentage of disposable pay to be deducted from each check, the request should state the objection and the reasons for it.

(c) The employee must also specify whether an oral or paper hearing is requested. If an oral hearing is desired, the request should explain why the matter cannot be resolved by review of the documentary evidence alone.

(d) If the employee files a request for an outside hearing later than the required 30 calendar days as described in paragraph (a) of this section, STATE may accept the request if the employee can show that the delay was because of circumstances beyond his or her control or because of failure to receive notice of the filing deadline (unless the employee has actual notice of the filing deadline).

(e) An employee waives the right to an outside hearing and will have his or her pay offset if the employee fails to file a petition for a hearing as prescribed in paragraph (a) of this section.

§ 34.15 Outside hearings.

(a) If an employee timely files a request for an outside hearing under §34.13(g)(2), pursuant to 5 U.S.C. 5514(a)(2), STATE shall select the time, date, and location of the hearing.

(b) Outside hearings shall be conducted by a hearing official not under the supervision or control of STATE.

(c) Procedure. (1) After the employee requests a hearing, the hearing official shall notify the employee of the form of the hearing to be provided. If the hearing will be oral, notice shall set forth the date, time and location of the hearing. If the hearing will be paper, the employee shall be notified that he or she should submit arguments in writing to the hearing official by a specified date after which the record shall be closed. This date shall give the employee reasonable time to submit documentation.

(2) Oral hearing. An employee who requests an oral hearing shall be provided an oral hearing if the hearing official determines that the matter cannot be resolved by review of documentary evidence alone (e.g., when an issue of credibility or veracity is involved). The hearing is not an adversarial adjudication, and need not take the form of an evidentiary hearing.

(3) Paper hearing. If the hearing official determines that an oral hearing is not necessary, he or she will make a decision based upon a review of the available written record.

(4) Record. The hearing official must maintain a summary record of any hearing provided by this subpart. Witnesses who provide testimony will do so under oath or affirmation.

(5) Content of decision. The written decision shall include:

(i) A statement of the facts presented to support the origin, nature, and amount of the debt;

(ii) The hearing official’s findings, analysis, and conclusions; and

(iii) The terms of any repayment schedules, or the date salary offset will commence, if applicable.

(6) Failure to appear. In the absence of good cause shown (e.g., excused illness), an employee who fails to appear at a hearing shall be deemed, for the purpose of this subpart, to admit the existence and amount of the debt as described in the notice of intent. The hearing official shall schedule a new hearing date upon the request of the creditor agency representative when good cause is shown.

(d) A hearing official’s decision is considered to be an official certification regarding the existence and amount of the debt for purposes of executing salary offset under 5 U.S.C. 5514 only. It does not supersede the finding by STATE that a debt is owed and does not affect the Government’s ability to recoup the indebtedness through alternative collection methods under §34.10.

§ 34.16 Procedures for salary offset.

Unless otherwise provided by statute or contract, the following procedures apply to salary offset:

(a) Method. Salary offset will be made by deduction at one or more officially established pay intervals from the current pay account of the employee without his or her consent.

(b) Source. The source of salary offset is current disposable pay.
(c) Types of collection. (1) Lump sum payment. Ordinarily debts will be collected by salary offset in one lump sum if possible. However, if the amount of the debt exceeds 15 percent of disposable pay for an officially established pay interval, the collection by salary offset must be made in installment deductions.

(2) Installment deductions. (i) The size of installment deductions must bear a reasonable relation to the size of the debt and the employee’s ability to pay. If possible, the size of the deduction will be that necessary to liquidate the debt in no more than 1 year. However, the amount deducted for any period must not exceed 15 percent of the disposable pay from which the deduction is made, except as provided by other regulations or unless the employee has agreed in writing to a greater amount.

(ii) Installment payments of less than $25 per pay period will be accepted only in the most unusual circumstances.

(iii) Installment deductions will be made over a period of not greater than the anticipated period of employment.

§ 34.17 Non-waiver of rights by payments.

So long as there are no statutory or contractual provisions to the contrary, no employee payment (of all or a portion of a debt) collected under this subpart will be interpreted as a waiver of any rights that the employee may have under 5 U.S.C. 5514.

Subpart D—Collection Adjustments

§ 34.18 Waivers of indebtedness.

(a) Waivers of indebtedness may be granted only as provided for certain types of debt by specific statutes and according to the standards set out under those statutes.

(b) Authorities—(1) Debts arising out of erroneous payments of pay and allowances. 5 U.S.C. 5584 provides authority for waiving in whole or in part debts arising out of erroneous payments of pay and allowances, and travel, transportation and relocation expenses and allowances, if collection would be against equity and good conscience and not in the best interests of the United States.

(i) Waiver may not be granted if there exists in connection with the claim an indication of fraud, misrepresentation, fault, or lack of good faith on the part of the employee or any other person having an interest in obtaining a waiver.

(ii) Fault is considered to exist if in light of the circumstances the employee knew or should have known through the exercise of due diligence that an error existed but failed to take corrective action. What an employee should have known is evaluated under a reasonable person standard. Employees are, however, expected to have a general understanding of the Federal pay system applicable to them.

(iii) An employee with notice that a payment may be erroneous is expected to make provisions for eventual repayment. Financial hardship is not a basis for granting a waiver for an employee who was on notice of an erroneous payment.

(iv) If the deciding official finds no indication of fraud, misrepresentation, fault, or lack of good faith on the part of the employee or any other person having an interest in obtaining a waiver of the claim, the employee is not automatically entitled to a waiver. Before a waiver can be granted, the deciding official must also determine that collection of the claim against an employee would be against equity and good conscience and not in the best interests of the United States. Factors to consider when determining if collection of a claim against an employee would be against equity and good conscience and not in the best interests of the United States include, but are not limited to:

(A) Whether collection of the claim would cause serious financial hardship to the employee from whom collection is sought.

(B) Whether, because of the erroneous payment, the employee either has relinquished a valuable right or changed positions for the worse, regardless of the employee’s financial circumstances.

(C) The time elapsed between the erroneous payment and discovery of the error and notification of the employee;
(D) Whether failure to make restitution would result in unfair gain to the employee;

(E) Whether recovery of the claim would be unconscionable under the circumstances.

(2) Debts arising out of advances in pay. 5 U.S.C. 5524a provides authority for waiving in whole or in part a debt arising out of an advance in pay if it is shown that recovery would be against equity and good conscience or against the public interest.

(i) Factors to be considered when determining if recovery of an advance payment would be against equity and good conscience or against the public interest include, but are not limited to:

(A) Death of the employee;

(B) Retirement of the employee for disability;

(C) Inability of the employee to return to duty because of disability (supported by an acceptable medical certificate); and

(D) Whether failure to repay would result in unfair gain to the employee.

(ii) [Reserved]

(3) Debts arising out of advances in situations of authorized or ordered departures. 5 U.S.C. 5522 provides authority for waiving in whole or in part a debt arising out of an advance payment of pay, allowances, and differentials provided under this section if it is shown that recovery would be against equity and good conscience or against the public interest.

(i) Factors to be considered when determining if recovery of an advance payment would be against equity and good conscience or against the public interest include, but are not limited to:

(A) Death of the employee;

(B) Retirement of the employee for disability;

(C) Inability of the employee to return to duty because of disability (supported by an acceptable medical certificate); and

(D) Whether failure to repay would result in unfair gain to the employee.

(ii) [Reserved]

(4) Debts arising out of advances of allowances and differentials for employees stationed abroad. 5 U.S.C. 5922 provides authority for waiving in whole or in part a debt arising out of an advance of allowances and differentials provided under this subchapter if it is shown that recovery would be against equity and good conscience or against the public interest.

(i) Factors to be considered when determining if recovery of an advance payment would be against equity and good conscience or against the public interest include, but are not limited to:

(A) Death of the employee;

(B) Retirement of the employee for disability;

(C) Inability of the employee to return to duty because of disability (supported by an acceptable medical certificate); and

(D) Whether failure to repay would result in unfair gain to the employee.

(ii) [Reserved]

(5) Debts arising out of employee training expenses. 5 U.S.C. 4108 provides authority for waiving in whole or in part a debt arising out of employee training expenses if it is shown that recovery would be against equity and good conscience or against the public interest.

(i) Factors to be considered when determining if recovery of a debt arising out of employee training expenses would be against equity and good conscience or against the public interest include, but are not limited to:

(A) Death of the employee;

(B) Retirement of the employee for disability;

(C) Inability of the employee to return to duty because of disability (supported by an acceptable medical certificate); and

(D) Whether failure to repay would result in unfair gain to the employee.

(ii) [Reserved]

(6) Under-withholding of life insurance premiums. 5 U.S.C. 8707(d) provides authority for waiving the collection of unpaid deductions resulting from under-withholding of Federal Employees’ Group Life Insurance Program premiums if the individual is without fault and recovery would be against equity and good conscience.

(i) Fault is considered to exist if in light of the circumstances the employee knew or should have known through the exercise of due diligence that an error existed but failed to take corrective action.

(ii) Factors to be considered when determining whether recovery of unpaid
deduction resulting from under-withholding would be against equity and good conscience include, but are not limited to:
(A) Whether collection of the claim would cause serious financial hardship to the individual from whom collection is sought.
(B) The time elapsed between the failure to properly withhold and discovery of the failure and notification of the individual;
(C) Whether failure to make restitution would result in unfair gain to the individual;
(D) Whether recovery of the claim would be unconscionable under the circumstances.
(7) Overpayments of Foreign Service annuities. For waiver of debts arising from overpayments from the Foreign Service Retirement and Disability Fund under the Foreign Service Retirement and Disability System or the Foreign Service Pension System see 22 CFR part 17.
(8) As otherwise provided by law.
(c) Waiver of indebtedness is an equitable remedy and as such must be based on an assessment of the facts involved in the individual case under consideration.
(d) The burden is on the employee to demonstrate that the applicable waiver standard has been met.
(e) Requests. A debtor requesting a waiver shall do so in writing to the contact office by the payment due date stated within the initial notice sent under §34.8(b) or other applicable provision. The debtor’s written response shall state the basis for the dispute and include any relevant documentation in support.
(f) While a waiver request is pending, STATE may suspend collection, including the accrual of interest and penalties, on the debt if STATE determines that suspension is in the Department’s best interest or would serve equity and good conscience.

§ 34.19 Compromise.
STATE may attempt to effect compromise in accordance with the standards set forth in the FCCS, 31 CFR part 902.

§ 34.20 Suspension.
The suspension of collection action shall be made in accordance with the standards set forth in the FCCS, 31 CFR 903.1–903.2

§ 34.21 Termination.
The termination of collection action shall be made in accordance with the standards set forth in the FCCS, 31 CFR 903.1 and 903.3–903.4.

§ 34.22 Discharge.
Once a debt has been closed out for accounting purposes and collection has been terminated, the debt is discharged. STATE must report discharged debt as income to the debtor to the Internal Revenue Service per 26 U.S.C. 6050P and 26 CFR 1.6050P–1.

§ 34.23 Bankruptcy.
A debtor should notify STATE at the contact office provided in the original notice of the debt, if the debtor has filed for bankruptcy. STATE will require documentation from the applicable court indicating the date of filing and type of bankruptcy. Pursuant to the laws of bankruptcy, STATE will suspend debt collection upon such filing unless the automatic stay is no longer in effect or has been lifted. In general, collection of a debt discharged in bankruptcy shall be terminated unless otherwise provided for by bankruptcy law.

§ 34.24 Refunds.
(a) STATE will refund promptly to the appropriate individual amounts offset under this regulation when:
(1) A debt is waived or otherwise found not owing the United States (unless expressly prohibited by statute or regulation); or
(2) STATE is directed by an administrative or judicial order to make a refund.
(b) Refunds do not bear interest unless required or permitted by law or contract.

PART 35—PROGRAM FRAUD CIVIL REMEDIES

Sec.
35.1 General.
§ 35.1 General.

(b) Purpose. This part establishes administrative procedures for imposing civil penalties and assessments against persons who make, submit, or present, or cause to be made, submitted, or presented, false fictitious, or fraudulent claims or written statements to authorities or to their agents; and specifies the hearing and appeal rights of persons subject to allegations of liability for such penalties and assessments.

(c) Special considerations abroad. Where a party, witness or material evidence in a proceeding under these regulations is located abroad, the investigating official, reviewing official or ALJ, as the case may be, may adjust the provisions below for service, filing of documents, time limitations, and related matters to meet special problems arising out of that location.

§ 35.2 Definitions.

(a) ALJ means an Administrative Law Judge in the authority appointed pursuant to 5 U.S.C. 3105 or detailed to the authority pursuant to 5 U.S.C. 3344.

§ 35.5 Review by the reviewing official.

(a) If, based on the report of the investigating official under § 35.4(b), the reviewing official determines that there is adequate evidence to believe that a person is liable under § 35.3 of this part, the reviewing official shall transmit to the Attorney General a written notice of the reviewing official’s intention to issue a complaint under § 35.7.

(b) Such notice shall include—

(2) In the case of allegations of liability under § 35.3(a) with respect to a claim, the reviewing official determines that, with respect to such claim or a group of related claims submitted at the same time such claim is submitted (as defined in paragraph (b) of this section), the amount of money or the value of property or services demanded or requested in violation of § 35.3(a) does not exceed $150,000.

(b) For purposes of this section, a related group of claims submitted at the same time shall include only those claims arising from the same transaction (e.g., grant, loan, application, or contract) that are submitted simultaneously as part of a single request, demand or submission.

(c) Nothing in this section shall be construed to limit the reviewing official’s authority to join in a single complaint against a person’s claims that are unrelated or were not submitted simultaneously, regardless of the amount of money, or the value of property or services, demanded or requested.

§ 35.7 Complaint.

(a) On or after the date the Department of Justice approves the issuance of a complaint in accordance with 31 U.S.C. 3803(b)(1), the reviewing official
may serve a complaint on the defendant, as provided in §35.8.

(b) The complaint shall state—

(1) The allegations of liability against the defendant, including the statutory basis for liability, an identification of the claims or statements that are the basis for the alleged liability, and the reasons why liability allegedly arises from such claims or statements;

(2) The maximum amount of penalties and assessments for which the defendant may be held liable;

(3) Instructions for filing an answer to request a hearing, including a specific statement of the defendant’s right to request a hearing by filing an answer and to be represented by a representative; and

(c) At the same time the reviewing official serves the complaint, he or she shall serve the defendant with a copy of these regulations.

§ 35.8 Service of complaint.

(a) Service of a complaint must be made by certified or registered mail or by delivery in any manner authorized by Rule 4(d) of the Federal Rules of Civil Procedure. Service is complete upon receipt.

(b) Proof of service, stating the name and address of the person on whom the complaint was served, and the manner and date of service, may be made by—

(2) A United States Postal Service return receipt card acknowledging receipt;

(3) Written acknowledgment of receipt by the defendant or his or her representative; or

(2) Shall state any defense on which the defendant intends to rely;

(3) May state any reasons why the defendant contends that the penalties and assessments should be less than the statutory maximum; and

(4) Shall state the name, address and telephone number of the person authorized by the defendant to act as defendant’s representative, if any.

(c) If the defendant is unable to file an answer meeting the requirements of paragraph (b) of this section within the time provided, the defendant may, before the expiration of 30 days from service of the complaint, file with the reviewing official a general answer denying liability and requesting a hearing, and a request for an extension of time within which to file an answer meeting the requirements of paragraph (b) of this section. The reviewing official shall file promptly with the ALJ the complaint, the general answer denying liability, and the request for an extension of time as provided in §35.10. For good cause shown, the ALJ may grant the defendant up to 30 additional days within which to file an answer meeting the requirements of paragraph (b) of this section.

§ 35.10 Default upon failure to file an answer.

(a) If the defendant does not file an answer within the time prescribed in §35.9(a), the reviewing official may refer the complaint to the ALJ.

(b) Upon the referral of the complaint, the ALJ shall promptly serve on defendant in the manner prescribed in §35.8, a notice that an initial decision will be issued under this section.

(c) If the defendant fails to answer, the ALJ shall assume the facts alleged in the complaint to be true, and, if such facts established liability under §35.3, the ALJ shall issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.
(d) Except as otherwise provided in this section, by failing to file a timely answer, the defendant waives any right to further review of the penalties and assessments imposed under paragraph (c) of this section, and the initial decision shall become final and binding upon the parties 30 days after it was issued.

(e) If, before such an initial decision becomes final, the defendant files a motion with the ALJ seeking to reopen on the grounds that extraordinary circumstances prevented the defendant from filing an answer, the initial decision shall be stayed pending the ALJ’s decision on the motion.

(f) If, on such motion, the defendant can demonstrate extraordinary circumstances excusing the failure to file a timely answer, the ALJ shall withdraw the initial decision in paragraph (c) of this section, if such a decision has been issued, and shall grant the defendant an opportunity to answer the complaint.

(g) A decision of the ALJ denying a defendant’s motion under paragraph (e) of this section is not subject to reconsideration under §35.38.

(h) The defendant may appeal to the authority head the decision denying a motion to reopen by filing a notice of appeal with the authority head within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the authority head decides the issue.

(i) If the defendant files a timely notice of appeal with the authority head, the ALJ shall forward the record of the proceeding to the authority head.

(j) The authority head shall decide expeditiously whether extraordinary circumstances excuse the defendant’s failure to file a timely answer based solely on the record before the ALJ.

(k) If the authority head decides that extraordinary circumstances excused the defendant’s failure to file a timely answer, the authority head shall remand the case to the ALJ with instructions to grant the defendant an opportunity to answer.

(l) If the authority head decides that the defendant’s failure to file a timely answer is not excused, the authority head shall reinstate the initial decision of the ALJ, which shall become final and binding upon the parties 30 days after the authority head issues such decision.

§ 35.11 Referral of complaint and answer to the ALJ.

Upon receipt of an answer, the reviewing official shall file the complaint and answer with the ALJ.

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon, testimony relating to the information sought; and

(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this part commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief or other document which is not filed in a timely fashion.

§ 35.30 The hearing and burden of proof.

(a) The ALJ shall conduct a hearing on the record in order to determine whether the defendant is liable for a civil penalty or assessment under §35.3 and, if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) The authority shall prove defendant's liability and any aggravating factors by a preponderance of the evidence.

(c) The defendant shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.
(d) The hearing shall be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 35.31 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the authority head, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, ordinarily double damages and a significant civil penalty should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the authority head in determining the amount of penalties and assessments to impose with respect to the misconduct (i.e., the false, fictitious, or fraudulent claims or statements) charged in the complaint:

(1) The number of false, fictitious, or fraudulent claims or statements;
(2) The time period over which such claims or statements were made;
(3) The degree of the defendant’s culpability with respect to the misconduct;
(4) The amount of money or the value of the property, services, or benefit falsely claimed;
(5) The value of the Government’s actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;
(6) The relationship of the amount imposed as civil penalties to the amount of the Government’s loss;
(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of government programs and operations, including particularly the impact on the intended beneficiaries of such programs;
(8) Whether the defendant has engaged in a pattern of the same or similar misconduct;
(9) Whether the defendant attempted to conceal the misconduct;
(10) The degree to which the defendant has involved others in the misconduct or in concealing it;
(11) Where the misconduct of employees or agents is imputed to the defendant, the extent to which the defendant’s practices fostered or attempted to preclude such misconduct;
(12) Whether the defendant cooperated in or obstructed an investigation of the misconduct;
(13) Whether the defendant assisted in identifying and prosecuting other wrongdoers;
(14) The complexity of the program or transaction, and the degree of the defendant’s sophistication with respect to it, including the extent of the defendant’s prior participation in the program or in similar transactions;
(15) Whether the defendant has been found, in any criminal, civil, or administrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a state, directly or indirectly; and
(16) The need to deter the defendant and others from engaging in the same or similar misconduct.

(c) Nothing in this section shall be construed to limit the ALJ or the authority head from considering any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

§ 35.32 Location of hearing.

(a) The hearing may be held—
(1) In any judicial district of the United States in which the defendant resides or transacts business;
(2) In any judicial district of the United States in which the claim or statement in issue was made; or
(3) In such other place within the United States as may be agreed upon by the defendant and the ALJ.

(b) Each party shall have the opportunity to present argument with respect to the location of the hearing.

(c) The hearing shall be held at the place and at the time ordered by the ALJ.

§ 35.33 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the
§ 35.34 Evidence.

(a) The ALJ shall determine the admissibility of evidence.

(b) Except as provided herein, the ALJ shall not be bound by the Federal Rules of Evidence. However, the ALJ may apply the Federal Rules of Evidence where appropriate, e.g., to exclude unreliable evidence.

(c) The ALJ shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is classified or otherwise privileged under Federal law.

(f) Evidence concerning offers or compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

(g) The ALJ shall permit the parties to introduce rebuttal witnesses and evidence.

(h) All documents and other evidence offered or taken for the record shall be open to examination by all parties, unless otherwise ordered by the ALJ pursuant to § 35.24.

§ 35.35 The record.

(a) The ALJ shall order that the hearing be recorded and transcribed. Transcripts may be obtained following the hearing from the ALJ at a cost not to exceed the actual cost of duplication.

(b) The transcript of testimony, exhibits and other evidence admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the authority head.

(c) The record may be inspected and copied (upon payment of a reasonable fee) by anyone, unless otherwise ordered by the ALJ pursuant to § 35.24.

§ 35.36 Post-hearing briefs.

The ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief.
The ALJ shall fix the time for filing such briefs, not to exceed 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

§ 35.37 Initial decision.

(a) The ALJ shall issue an initial decision based only on the record, which shall contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(b) The findings of fact shall include a finding on each of the following issues:

(1) Whether the claims or statements identified in the complaint, or any portions thereof, violate § 35.3; and

(2) If the person is liable for penalties or assessments, the appropriate amount of any such penalties or assessments considering any mitigating or aggravating factors that he or she finds in the case, such as those described in § 35.31.

(c) The ALJ shall promptly serve the initial decision on all parties within 90 days after the time for submission of post-hearing briefs and reply briefs (if permitted) has expired. The ALJ shall at the same time serve all defendants with a statement describing the right of any defendant determined to be liable for a civil penalty or assessment to file a motion for reconsideration with the ALJ or a notice of appeal with the authority head. If the ALJ fails to meet the deadline contained in this paragraph, he or she shall notify the parties of the reason for the delay and shall set a new deadline.

(d) Unless the initial decision of the ALJ is timely appealed to the authority head, or a motion for reconsideration of the initial decision is timely filed, the initial decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after it is issued by the ALJ.

§ 35.38 Reconsideration of initial decision.

(a) Except as provided in paragraph (d) of this section, any party may file a motion for reconsideration of the initial decision within 20 days of receipt of the initial decision. If service was made by mail within the United States, receipt will be presumed to be five days from the date of mailing in the absence of contrary proof.

(b) Every such motion must set forth the matters claimed to have been erroneously decided and the nature of the alleged errors. Such motion shall be accompanied by a supporting brief.

(c) Responses to such motions shall be allowed only upon request of the ALJ.

(d) No party may file a motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.

(e) The ALJ may dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(f) If the ALJ denies a motion for reconsideration of the initial decision, the initial decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after the ALJ denies the motion, unless the initial decision is timely appealed to the authority head in accordance with § 35.39.

(g) If the ALJ issues a revised initial decision, that decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after it is issued, unless it is timely appealed to the authority head in accordance with § 35.39.

§ 35.39 Appeal to authority head.

(a) Any defendant who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal such decision to the authority head by filing a notice of appeal with the authority head in accordance with this section.

(b)(1) No notice of appeal may be filed until the time period for filing a motion for reconsideration under § 35.38 has expired.

(2) If a motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ denies the motion or issues a revised initial decision, whichever applies.

(3) If no motion for reconsideration is timely filed, a notice of appeal must be
§ 35.40 Stays ordered by the Department of Justice.

If at any time the Attorney General or an Assistant Attorney General designated by the Attorney General transmits to the authority head a written finding that continuation of the administrative process described in this part with respect to a claim or statement may adversely affect any pending or potential criminal or civil action related to such claim or statement, the authority head shall stay the process immediately. The authority head may order the process resumed only upon receipt of the written authorization of the Attorney General.

§ 35.41 Stay pending appeal.

(a) An initial decision is stayed automatically pending disposition of a motion for reconsideration or of an appeal to the authority head.

(b) No administrative stay is available following a final decision of the authority head.

§ 35.42 Judicial review.

Sections 3806 and 3808(b) of title 31, United States Code, authorize actions for collection of civil penalties and assessments imposed under this part and specify the procedures for such actions.

§ 35.44 Right to administrative offset.

The amount of any penalty or assessment which has become final, or for which a judgment has been entered under §35.42 or §35.43, or any amount agreed upon in a compromise or settlement under §35.46, may be collected by
§ 35.45 Deposit in Treasury of United States.

All amounts collected pursuant to this part shall be deposited as miscellaneous receipts in the Treasury of the United States, except as provided in 31 U.S.C. 3806(g).

§ 35.46 Compromise or settlement.

(a) Parties may make offers of compromise or settlement at any time.

(b) The reviewing official has the exclusive authority to compromise or settle a case under this part at any time after the date on which the reviewing official is permitted to issue a complaint and before the date on which the ALJ issues an initial decision.

(c) The authority head has exclusive authority to compromise or settle a case under this part at any time after the date on which the ALJ issues an initial decision, except during the pendency of any action to recover penalties and assessments under §35.43 or during the pendency of any action to collect penalties and assessments under §35.44.

(d) The Attorney General has exclusive authority to compromise or settle a case under this part during the pendency of any review under §35.42 or of any action to recover penalties and assessments under 31 U.S.C. 3806.

(e) The investigating official may recommend settlement terms to the reviewing official, the authority head, or the Attorney General, as appropriate. The reviewing official may recommend settlement terms to the authority head, or the Attorney General, as appropriate.

(f) Any compromise or settlement must be in writing.

§ 35.47 Limitations.

(a) The notice of hearing with respect to a claim or statement must be served in the manner specified in §35.8 within six years after the date on which such claim or statement is made.

(b) If the defendant fails to file a timely answer, service of notice under §35.10(b) shall be deemed a notice of hearing for purposes of this section.

(c) The statute of limitations may be extended by agreement of the parties.

Subpart A—General Provisions

§ 40.1 Definitions.

The following definitions supplement definitions contained in the Immigration and Nationality Act (INA). As used in the regulations in parts 40, 41, 42, 43 and 45 of this subchapter, the term:

(a)(1) Accompanying or accompanied by means not only an alien in the physical company of a principal alien but also an alien who is issued an immigrant visa within 6 months of:

(i) The date of issuance of a visa to the principal alien;

(ii) The date of adjustment of status in the United States of the principal alien; or

(iii) The date on which the principal alien personally appears and registers before a consular officer abroad to confer alternate foreign state chargeability or immigrant status upon a spouse or child.

(2) An “accompanying” relative may not precede the principal alien to the United States.

(b) Act means the Immigration and Nationality Act (or INA), as amended.

(c) Competent officer, as used in INA 101(a)(26), means a “consular officer” as defined in INA 101(a)(9).

(d) Consular officer, as defined in INA 101(a)(9) includes commissioned consular officers and the Deputy Assistant Secretary for Visa Services, and such other officers as the Deputy Assistant Secretary may designate for the purpose of issuing nonimmigrant and immigrant visas, but does not include a consular agent, an attaché or an assistant attaché. For purposes of this regulation, the term “other officers” includes civil service visa examiners employed by the Department of State for duty at visa-issuing offices abroad, upon certification by the chief of the consular section under whose direction such examiners are employed that the examiners are qualified by knowledge and experience to perform the functions of a consular officer in the issuance or refusal of visas. The designation of visa examiners shall expire upon termination of the examiners’ employment for such duty and may be terminated at any time for cause by the Deputy Assistant Secretary. The assignment by the Department of any foreign service officer to a diplomatic or consular office abroad in a position administratively designated as requiring, solely, partially, or principally, the performance of consular functions, and the initiation of a request for a consular commission, constitutes designation of the officer as a “consular officer” within the meaning of INA 101(a)(9).

(e) Department means the Department of State of the United States of America.

(f) Dependent area means a colony or other component or dependent area overseas from the governing foreign state.

(g) DHS means the Department of Homeland Security.

(h) Documentarily qualified means that the alien has reported that all the documents specified by the consular officer as sufficient to meet the requirements of INA 222(b) have been obtained, and the consular office has completed the necessary clearance procedures. This term is used only with respect to the alien’s qualification to apply formally for an immigrant visa; it bears no connotation that the alien is eligible to receive a visa.

(i) Entitled to immigrant classification means that the alien:

(1) Is the beneficiary of an approved petition granting immediate relative or preference status;

(2) Has satisfied the consular officer as to entitlement to special immigrant status under INA 101(a)(27) (A) or (B);

(3) Has been selected by the annual selection system to apply under INA 203(c); or

(4) Is an alien described in §40.51(c).
(j) **Foreign state**, for the purposes of alternate chargeability pursuant to INA 202(b), is not restricted to those areas to which the numerical limitation prescribed by INA 202(a) applies but includes dependent areas, as defined in this section.

(k) **INA** means the Immigration and Nationality Act, as amended.

(l) **Make or file an application for a visa** means:

(1) For a nonimmigrant visa applicant, submitting for formal adjudication by a consular officer of an electronic application, Form DS–160, signed electronically by clicking the box designated “Sign Application” in the certification section of the application or, as directed by a consular officer, a completed Form DS–156, with any required supporting documents and biometric data, as well as the requisite processing fee or evidence of the prior payment of the processing fee when such documents are received and accepted for adjudication by the consular officer.

(2) For an immigrant visa applicant, personally appearing before a consular officer and verifying by oath or affirmation the statements contained on Form DS–230 or Form DS–260 and in all supporting documents, having previously submitted all forms and documents required in advance of the appearance and paid the visa application processing fee.

(m) **Native** means born within the territory of a foreign state, or entitled to be charged for immigration purposes to that foreign state pursuant to INA section 202(b).

(n) **Not subject to numerical limitation** means that the alien is entitled to immigrant status as an immediate relative within the meaning of INA 201(b)(2)(i), or as a special immigrant within the meaning of INA 101(a)(27)(A) and (B), unless specifically subject to a limitation other than under INA 201(a), (b), or (c).

(o) **Parent, father, and mother**, as defined in INA 101(b)(2), are terms which are not changed in meaning if the child becomes 21 years of age or marries.

(p) **Port of entry** means a port or place designated by the DHS at which an alien may apply to DHS for admission into the United States.

(q) **Principal alien** means an alien from whom another alien derives a privilege or status under the law or regulations.

(r) **Regulation** means a rule which is established under the provisions of INA 104(a) and is duly published in the Federal Register.

(s) **Son or daughter** includes only a person who would have qualified as a “child” under INA 101(b)(1) if the person were under 21 and unmarried.

(t) **Western Hemisphere** means North America (including Central America), South America and the islands immediately adjacent thereto including the places named in INA 101(b)(5).

§ 40.2 **Documentation of nationals.**

(a) **Nationals of the United States.** A national of the United States shall not be issued a visa or other documentation as an alien for entry into the United States.

(b) **Former Nationals of the United States.** A former national of the United States who seeks to enter the United States must comply with the documentary requirements applicable to aliens under the INA.

§ 40.3 **Entry into areas under U.S. administration.**

An immigrant or nonimmigrant seeking to enter an area which is under U.S. administration but which is not within the “United States”, as defined in INA 101(a)(38), is not required by the INA to be documented with a visa unless the authority contained in INA 215 has been invoked.

§ 40.4 **Furnishing records and information from visa files for court proceedings.**

Upon receipt of a request for information from a visa file or record for use in court proceedings, as contemplated in INA 222(f), the consular officer must, prior to the release of the information, submit the request together with a full report to the Department.
§ 40.5 Limitations on the use of National Crime Information Center (NCIC) criminal history information.

(a) Authorized access. The FBI’s National Crime Information Center (NCIC) criminal history records are law enforcement sensitive and can only be accessed by authorized consular personnel with visa processing responsibilities.

(b) Use of information. NCIC criminal history record information shall be used solely to determine whether or not to issue a visa to an alien or to admit an alien to the United States. All third party requests for access to NCIC criminal history record information shall be referred to the FBI.

(c) Confidentiality and protection of records. To protect applicants’ privacy, authorized Department personnel must secure all NCIC criminal history records, automated or otherwise, to prevent access by unauthorized persons. Such criminal history records must be destroyed, deleted or overwritten upon receipt of updated versions.

§ 40.6 Basis for refusal.

A visa can be refused only upon a ground specifically set out in the law or implementing regulations. The term “reason to believe”, as used in INA 221(g), shall be considered to require a determination based upon facts or circumstances which would lead a reasonable person to conclude that the applicant is ineligible to receive a visa as provided in the INA and as implemented by the regulations. Consideration shall be given to any evidence submitted indicating that the ground for a prior refusal of a visa may no longer exist. The burden of proof is upon the applicant to establish eligibility to receive a visa under INA 212 or any other provision of law or regulation.

§§ 40.7–40.8 [Reserved]

§ 40.9 Classes of inadmissible aliens.

Subparts B through L describe classes of inadmissible aliens who are ineligible to receive visas and who shall be ineligible for admission into the United States, except as otherwise provided in the Immigration and Nationality Act, as amended.

[61 FR 59184, Nov. 21, 1996]

Subpart B—Medical Grounds of Ineligibility

§ 40.11 Medical grounds of ineligibility.

(a) Decision on eligibility based on findings of medical doctor. A finding of a panel physician designated by the post in whose jurisdiction the examination is performed pursuant to INA 212(a)(1) shall be binding on the consular officer, except that the officer may refer a panel physician finding in an individual case to USPHS for review.

(b) Waiver of ineligibility—INA 212(g). If an immigrant visa applicant is inadmissible under INA 212(a)(1)(A)(i), (ii), or (iii) but is qualified to seek the benefits of INA 212(g)(1)(A) or (B), 212(g)(2)(C), or 212(g)(3), the consular officer shall inform the alien of the procedure for applying to DHS for relief under the applicable provision of law. A visa may not be issued to the alien until the consular officer has received notification from DHS of the approval of the alien’s application under INA 212(g), unless the consular officer has been delegated authority by the Secretary of Homeland Security to grant the particular waiver under INA 212(g).

(c) Waiver authority—INA 212(g)(2)(A) and (B). The consular officer may waive section 212(a)(1)(A)(ii) visa ineligibility if the alien qualifies for such waiver under the provisions of INA 212(g)(2)(A) or (B).

§§ 40.12–40.19 [Reserved]

Subpart C—Criminal and Related Grounds—Conviction of Certain Crimes

§ 40.21 Crimes involving moral turpitude and controlled substance violators.

(a) Crimes involving moral turpitude—

(1) Acts must constitute a crime under criminal law of jurisdiction where they occurred. A Consular Officer may make a
§ 40.21

finding of ineligibility under INA 212(a)(2)(A)(i)(I) based upon an alien’s admission of the commission of acts which constitute the essential elements of a crime involving moral turpitude, only if the acts constitute a crime under the criminal law of the jurisdiction where they occurred. However, a Consular Officer must base a determination that a crime involves moral turpitude upon the moral standards generally prevailing in the United States.

(2) Conviction for crime committed under age 18. (i) An alien will not be ineligible to receive a visa under INA 212(a)(2)(A)(i)(I) by reason of any offense committed:

(A) Prior to the alien’s fifteenth birthday; or

(B) Between the alien’s fifteenth and eighteenth birthdays unless such alien was tried and convicted as an adult for a felony involving violence as defined in section 1(1) and section 16 of Title 18 of the United States Code.

(ii) An alien tried and convicted as an adult for a violent felony offense, as so defined, committed after having attained the age of fifteen years, will be subject to the provisions of INA 212(a)(2)(A)(i)(I) regardless of whether at the time of conviction juvenile courts existed within the convicting jurisdiction.

(3) Two or more crimes committed under age 18. An alien convicted of a crime involving moral turpitude or admitting the commission of acts which constitute the essential elements of such a crime and who has committed an additional crime involving moral turpitude shall be ineligible under INA 212(a)(2)(A)(i)(I), even though the crimes were committed while the alien was under the age of 18 years.

(5) Effect of pardon by appropriate U.S. authorities/foreign states. An alien shall not be considered ineligible under INA 212(a)(2)(A)(i)(I) by reason of a conviction of a crime involving moral turpitude for which a full and unconditional pardon has been granted by the President of the United States, by the Governor of a State of the United States, by the former High Commissioner for Germany acting pursuant to Executive Order 10062, or by the United States Ambassador to the Federal Republic of Germany acting pursuant to Executive Order 10608. A legislative pardon or a pardon, amnesty, expungement of penal record or any other act of clemency granted by a foreign state shall not serve to remove a ground of ineligibility under INA 212(a)(2)(A)(i)(I).

(6) Political offenses. The term “purely political offense”, as used in INA 212(a)(2)(A)(i)(I), includes offenses that resulted in convictions obviously based on fabricated charges or predicated upon repressive measures against racial, religious, or political minorities.

(7) Waiver of ineligibility—INA 212(h). If an immigrant visa applicant is ineligible under INA 212(a)(2)(A)(i)(I) but is qualified to seek the benefits of INA 212(h), the consular officer shall inform the alien of the procedure for applying to DHS for relief under that provision of law. A visa may not be issued to the alien until the consular officer has received notification from DHS of the approval of the alien’s application under INA 212(h).

(b) Controlled substance violators—(1) Date of conviction not pertinent. An alien shall be ineligible under INA 212(a)(2)(A)(i)(II) irrespective of whether the conviction for a violation of or for conspiracy to violate any law or regulation relating to a controlled substance, as defined in the Controlled Substance Act (21 U.S.C. 802), occurred before, on, or after October 27, 1986.

(2) Waiver of ineligibility—INA 212(h). If an immigrant visa applicant is ineligible under INA 212(a)(2)(A)(i)(II) but is qualified to seek the benefits of INA 212(h), the consular officer shall inform the alien of the procedure for applying to DHS for relief under that provision of law. A visa may not be issued to the alien until the consular officer has received notification from DHS of the approval of the alien’s application under INA 212(h).

§ 40.22 Multiple criminal convictions.

(a) Conviction(s) for crime(s) committed under age 18. An alien shall not be ineligible to receive a visa under INA 212(a)(2)(B) by reason of any offense committed prior to the alien’s fifteenth birthday. Nor shall an alien be ineligible under INA 212(a)(2)(B) by reason of any offense committed between the alien’s fifteenth and eighteenth birthdays unless such alien was tried and convicted as an adult for a felony involving violence as defined in section 1111 and section 16 of Title 18 of the United States Code. An alien, tried and convicted as an adult for a violent felony offense, as so defined, committed after having attained the age of fifteen years, and who has also been convicted of at least one other such offense or any other offense committed as an adult, shall be subject to the provisions of INA 212(a)(2)(B) regardless of whether at that time juvenile courts existed within the jurisdiction of the conviction.

(b) Conviction in absentia. A conviction in absentia shall not constitute a conviction within the meaning of INA 212(a)(2)(B).

(c) Effect of pardon by appropriate U.S. authorities/foreign states. An alien shall not be considered ineligible under INA 212(a)(2)(B) by reason of having been convicted of an offense for which a full and unconditional pardon has been granted by the President of the United States, by the Governor of a State of the United States, by the former High Commissioner for Germany acting pursuant to Executive Order 10062, or by the United States Ambassador to the Federal Republic of Germany acting pursuant to Executive Order 10068. A legislative pardon or a pardon, amnesty, expungement of penal record or any other act of clemency granted by a foreign state shall not serve to remove a ground of ineligibility under INA 212(a)(2)(B).

(d) Political offense. The term “purely political offense”, as used in INA 212(a)(2)(B), includes offenses that resulted in convictions obviously based on fabricated charges or predicated upon repressive measures against racial, religious, or political minorities.

(2) The alien has performed one of the activities listed in §40.24(a)(1) within the last ten years.

(b) Prostitution defined. The term “prostitution” means engaging in promiscuous sexual intercourse for hire. An organization which gives, loans, or promises support, money, or other thing of value for any purpose to any proscribed association or party is presumed to be an affiliate of such association or party, but nothing contained in this paragraph shall be construed as an exclusive definition of the term affiliate.

(b) Service in Armed Forces. Service, whether voluntary or not, in the armed forces of any country shall not be regarded, of itself, as constituting or establishing an alien’s membership in, or affiliation with, any proscribed party or organization, and shall not, of itself, constitute a ground of ineligibility to receive a visa.

(c) Voluntary Service in a Political Capacity. Voluntary service in a political capacity shall constitute affiliation with the political party or organization in power at the time of such service.

(d) Voluntary Membership After Age 16. If an alien continues or continued membership in or affiliation with a proscribed organization on or after reaching 16 years of age, only the alien’s activities after reaching that age shall be pertinent to a determination of whether the continuation of membership or affiliation is or was voluntary.

(e) Operation of Law Defined. The term operation of law, as used in INA 212(a)(3)(D), includes any case wherein the alien automatically, and without personal acquiescence, became a member of or affiliated with a proscribed party or organization by official act, proclamation, order, edict, or decree.

§ 40.41 Public charge.

(a) Basis for Determination of Ineligibility. Any determination that an alien is ineligible under INA 212(a)(4) must be predicated upon circumstances indicating that, notwithstanding any affidavit of support that may have been filed on the alien’s behalf, the alien is likely to become a public charge after admission, or, if applicable, that the alien has failed to fulfill the affidavit of support requirement of INA 212(a)(4)(C).

(b) Affidavit of support. Any alien seeking an immigrant visa under INA 201(b)(2), 203(a), or 203(b), based upon a petition filed by a relative of the alien (or in the case of a petition filed under INA 203(b) by an entity in which a relative has a significant ownership interest), shall be required to present to the consular officer an affidavit of support (AOS) on a form that complies with terms and conditions established by the Secretary of Homeland Security. Petitioners for applicants at a post designated by the Deputy Assistant Secretary for Visa Services for initial review of and assistance with such an AOS will be charged a fee for such review and assistance pursuant to Item 61 of the Schedule of Fees for Consular Services (22 CFR 22.1).

(c) Joint Sponsors. Submission of one or more additional affidavits of support by a joint sponsor/sponsors is required whenever the relative sponsor’s household income and significant assets, and the immigrant’s assets, do not meet the Federal poverty line requirements of INA 213A.

(d) Posting of Bond. A consular officer may issue a visa to an alien who is within the purview of INA 212(a)(4) (subject to the affidavit of support requirement and attribution of sponsor’s income and resources under section 213A), upon receipt of a notice from DHS of the giving of a bond or undertaking in accordance with INA 213 and INA 221(g), and provided further that the officer is satisfied that the giving of such bond or undertaking removes the likelihood that the alien will become a public charge within the meaning of this section of the law and that the alien is otherwise eligible in all respects.

(e) Prearranged Employment. An immigrant visa applicant relying on an offer of prearranged employment to establish eligibility under INA 212(a)(4), other than an offer of employment certified by the Department of Labor pursuant to INA 212(a)(5)(A), must provide written confirmation of the relevant information sworn and subscribed to before a notary public by the employer or an authorized employee or agent of the employer. A passport is required for Citizens of the British Overseas Territory of Bermuda applying for admission to the United States.

(c) Bahamian nationals and British subjects resident in the Bahamas. A passport is required. A visa is not required if, prior to the embarkation of such an alien for the United States on a vessel or aircraft, the examining U.S. immigration officer at Freeport or Nassau determines that the individual is clearly and beyond a doubt entitled to admission.

(d) British subjects resident in the Cayman Islands or in the Turks and Caicos Islands. A passport is required. The DHS district director may grant a waiver of the visa or passport requirement pursuant to INA 212(d)(4)(A), without the prior concurrence of the Department of State, if the district director concludes that the alien's claim of emergency circumstances is legitimate and that approval of the waiver would be appropriate under all of the attendant facts and circumstances.

(j) Fiancé(e) of a U.S. citizen. Notwithstanding the provisions of paragraphs (a) through (h) of this section, a visa is required of an alien described in such paragraphs who is classified, or who seeks classification, under INA 101(a)(15)(K).

(2) An alien denied admission under the Visa Waiver Program by virtue of a ground of inadmissibility described in INA section 212(a) that is discovered at

Under the authority of INA 212(d)(4), the documentary requirements of INA 212(a)(7)(B)(i)(I), (i)(II) may be waived for any alien in whose case the consular officer serving the port or place of embarkation, or the Deputy Assistant Secretary of State for Visa Services or his or her designee, is satisfied after consultation with, and concurrence by, the appropriate immigration officer, that the case falls within any of the following categories:

(a) Residents of foreign contiguous territory; visa and passport waiver. (b) Aliens for whom passport extension facilities are unavailable; passport waiver. (g) Authorization to individual consular office; visa and/or passport waiver. An alien within the district of a consular office which has been authorized by the Department, because of unusual circumstances prevailing in that district, to join with immigration officers abroad in waivers of documentary requirements in specific categories of cases, and whose case falls within one of those categories.

Subpart B—Classification of Nonimmigrants

§ 41.11 Entitlement to nonimmigrant status.

(a) Presumption of immigrant status and burden of proof. An applicant for a nonimmigrant visa, other than an alien applying for a visa under INA 101(a)(15) (H)(i) or (L), shall be presumed to be an immigrant until the consular officer is satisfied that the alien is entitled to a nonimmigrant status described in INA 101(a)(15) or otherwise established by law or treaty. The burden of proof is upon the applicant to establish entitlement for nonimmigrant status and the type of nonimmigrant visa for which application is made.

(b) Aliens unable to establish nonimmigrant status. (1) A nonimmigrant visa shall not be issued to an alien who has failed to overcome the presumption of immigrant status established by INA 214(b).

(2) In a borderline case in which an alien appears to be otherwise entitled to receive a visa under INA 101(a)(15)(B) or (F) but the consular officer concludes that the maintenance of the alien’s status or the departure of the alien from the United States as required is not fully assured, a visa may nevertheless be issued upon the posting of a bond with the Secretary of Homeland Security under terms and conditions prescribed by the consular officer.

§ 41.12 Classification symbols.

A visa issued to a nonimmigrant alien within one of the classes described in this section shall bear an appropriate visa symbol to show the classification of the alien. The symbol shall be inserted in the space provided on the visa. The following visa symbols shall be used:

(2) Attendants, as used in INA 101(a)(15)(A)(ii), 101(a)(15)(G)(v), and 212(d)(5), and in the definition of the NATO-7 visa symbol, means aliens paid from the public funds of a foreign government or from the funds of an international organization, accompanying or following to join the principal alien to whom a duty or service is owed.

(3) Immediate family, as used in INA 101(a)(15)(A), 101(a)(15)(G), and 212(d)(5), and in classification under the NATO visa symbols, means the spouse and unmarried sons and daughters, whether by blood or adoption, who are not members of some other household, and who will reside regularly in the household of the principal alien. “Immediate family” also includes individuals who:

(i) Are not members of some other household;

(ii) Will reside regularly in the household of the principal alien;

(iii) Are recognized as immediate family members of the principal alien by the sending Government as demonstrated by eligibility for rights and benefits, such as the issuance of a diplomatic or official passport, or travel or other allowances; and

(4) Servants and personal employees, as used in INA 101(a)(15)(A)(ii), 101(a)(15)(G)(v), and 212(d)(5), and in classification under the NATO-7 visa symbol, means aliens employed in a domestic or personal capacity by a principal alien, who are paid from the private funds of the principal alien and seek to enter the United States solely for the purpose of such employment.
§ 41.22 Officials of foreign governments.

(a) Criteria for classification of foreign government officials. (1) An alien is classifiable A–1 or A–2 under INA section 101(a)(15)(A) (i) or (ii) if the principal alien:
   (i) Has been accredited by a foreign government recognized de jure by the United States;
   (ii) Intends to engage solely in official activities for that foreign government while in the United States; and
   (iii) Has been accepted by the President, the Secretary of State, or a consular officer acting on behalf of the Secretary of State.

(2) A member of the immediate family of a principal alien is classifiable A–1 or A–2 under INA section 101(a)(15)(A)(i) or (ii) if the principal alien:

   (ii) Intends to engage solely in official activities for that foreign government while in the United States; and
   (iii) Has been accepted by the President, the Secretary of State, or a consular officer acting on behalf of the Secretary of State.

(b) Classification under INA section 101(a)(15)(A). An alien entitled to classification under INA section 101(a)(15)(A) shall be classified under this section even if eligible for another nonimmigrant classification. An exception may be made where an immediate family member classifiable as A–1 or A–2 under paragraph (a)(2) of this section is also independently classifiable as a principal under INA section 101(a)(15)(A)(i) or (ii) if the principal alien is so classified.

(c) Classification of attendants, servants, and personal employees. An alien is classifiable as a nonimmigrant under INA 101(a)(15)(A)(ii) if the consular officer is satisfied that the alien qualifies under those provisions.

(d) Referral to the Department of special cases concerning principal alien applicants. In any case in which there is uncertainty about the applicability of these regulations to a principal alien...
applicant requesting such nonimmigrant status, the matter shall be immediately referred to the Department for consideration as to whether acceptance of accreditation will be granted.

In the case of an alien in the United States seeking a change of nonimmigrant classification under INA 248 to a classification under INA 101(a)(15)(A) (i) or (ii), the question of acceptance of accreditation is determined by the Department.

(f) Termination of status. The Department may, in its discretion, cease to recognize as entitled to classification under INA 101(a)(15)(A) (i) or (ii) any alien who has nonimmigrant status under that provision.

(a) Alien classifiable as crewman. An alien is classifiable as a nonimmigrant crewman upon establishing to the satisfaction of the consular officer the qualifications prescribed by INA 101(a)(15)(D), provided that the alien has permission to enter some foreign country after a temporary landing in the United States, unless the alien is barred from such classification under the provisions of INA 214(f).

(b) Alien not classifiable as crewman. An alien employed on board a vessel or aircraft in a capacity not required for
normal operation and service, or an alien employed or listed as a regular member of the crew in excess of the number normally required, shall not be classified as a crewman.

§41.42 [Reserved]

Subpart F—Business and Media Visas

§41.51 Treaty trader, treaty investor, or treaty alien in a specialty occupation.

(a) Treaty trader—(1) Classification. An alien is classifiable as a nonimmigrant treaty trader (E–1) if the consular officer is satisfied that the alien qualifies under the provisions of INA 101(a)(15)(E)(i) and that the alien:

(i) Will be in the United States solely to carry on trade of a substantial nature, which is international in scope, either on the alien’s behalf or as an employee of a foreign person or organization engaged in trade, principally between the United States and the foreign state of which the alien is a national, (consideration being given to any conditions in the country of which the alien is a national which may affect the alien’s ability to carry on such substantial trade); and

(ii) Intends to depart from the United States upon the termination of E–1 status.

(2) Employee of treaty trader. An alien employee of a treaty trader may be classified E–1 if the employee is in or is coming to the United States to engage in duties of an executive or supervisory character, or, if employed in a lesser capacity, the employee has special qualifications that make the services to be rendered essential to the efficient operation of the enterprise. The employer must be:

(i) A person having the nationality of the treaty country, who is maintaining the status of treaty trader if in the United States or, if not in the United States, would be classifiable as a treaty trader; or

(ii) An organization at least 50% owned by persons having the nationality of the treaty country who are maintaining nonimmigrant treaty trader status if residing in the United States or, if not residing in the United States, who would be classifiable as treaty traders.

(3) Spouse and children of treaty trader. The spouse and children of a treaty trader accompanying or following to join the principal alien are entitled to the same classification as the principal alien. The nationality of a spouse or child of a treaty trader is not material to the classification of the spouse or child under the provisions of INA 101(a)(15)(E).

(4) Representative of foreign information media. Representatives of foreign information media shall first be considered for possible classification as nonimmigrants under the provisions of INA 101(a)(15)(I), before consideration is given to their possible classification as treaty traders under the provisions of INA 101(a)(15)(E) and of this section.

(5) Treaty country. A treaty country is for purposes of this section a foreign state with which a qualifying Treaty of Friendship, Commerce, and Navigation or its equivalent exists with the United States. A treaty country includes a foreign state that is accorded treaty visa privileges under INA 101(a)(15)(E) by specific legislation (other than the INA).

(6) Nationality of the treaty country. The authorities of the foreign state of which the alien claims nationality determine the nationality of an individual treaty trader. In the case of an organization, ownership must be traced as best as is practicable to the individuals who ultimately own the organization.

(7) Trade. The term “trade” as used in this section means the existing international exchange of items of trade for consideration between the United States and the treaty country. Existing trade includes successfully negotiated contracts binding upon the parties that call for the immediate exchange of items of trade. This exchange must be traceable and identifiable. Title to the trade item must pass from one treaty party to the other.

(8) Item of trade. Items that qualify for trade within these provisions include but are not limited to goods,
services, technology, monies, international banking, insurance, transportation, tourism, communications, and some news gathering activities.

(9) **Substantial trade.** Substantial trade for the purposes of this section entails the quantum of trade sufficient to ensure a continuous flow of trade items between the United States and the treaty country. This continuous flow contemplates numerous exchanges over time rather than a single transaction, regardless of the monetary value. Although the monetary value of the trade item being exchanged is a relevant consideration, greater weight is given to more numerous exchanges of larger value. In the case of smaller businesses, an income derived from the value of numerous transactions that is sufficient to support the treaty trader and his or her family constitutes a favorable factor in assessing the existence of substantial trade.

(10) **Principal trade.** Trade shall be considered to be principal trade between the United States and the treaty country when over 50% of the volume of international trade of the treaty trader is conducted between the United States and the treaty country of the treaty trader’s nationality.

(11) **Executive or supervisory character.** The executive or supervisory element of the employee’s position must be a principal and primary function of the position and not an incidental or collateral function. Executive and/or supervisory duties grant the employee ultimate control and responsibility for the enterprise’s overall operation or a major component thereof.

(i) An executive position provides the employee great authority to determine policy of and direction for the enterprise.

(ii) A position primarily of supervisory character grants the employee supervisory responsibility for a significant proportion of an enterprise’s operations and does not generally involve the direct supervision of low-level employees.

(12) **Special qualifications.** Special qualifications are those skills and/or aptitudes that an employee in a lesser capacity brings to a position or role that are essential to the successful or efficient operation of the enterprise.

(i) The essential nature of the alien’s skills to the employing firm is determined by assessing the degree of proven expertise of the alien in the area of operations involved, the uniqueness of the specific skill or aptitude, the length of experience and/or training with the firm, the period of training or other experience necessary to perform effectively the projected duties, and the salary the special qualifications can command. The question of special skills and qualifications must be determined by assessing the circumstances on a case-by-case basis.

(ii) Whether the special qualifications are essential will be assessed in light of all circumstances at the time of each visa application on a case-by-case basis. A skill that is unique at one point may become commonplace at a later date. Skills required to start up an enterprise may no longer be essential after initial operations are complete and are running smoothly. Some skills are essential only in the short-term for the training of locally hired employees. Long-term essentiality might, however, be established in connection with continuous activities in such areas as product improvement, quality control, or the provision of a service not generally available in the United States.

(13) **Labor disputes.** Citizens of Canada or Mexico shall not be entitled to classification under this section if the Secretary of Homeland Security and the Secretary of Labor have certified that:

(i) There is in progress a strike or lockout in the course of a labor dispute in the occupational classification at the place or intended place of employment; and

(ii) The alien has failed to establish that the alien’s entry will not affect adversely the settlement of the strike or lockout or the employment of any person who is involved in the strike or lockout.

(b) **Treaty investor—(1) Classification.** An alien is classifiable as a non-immigrant treaty investor (E'2) if the consular officer is satisfied that the alien qualifies under the provisions of INA 101(a)(15)(E)(ii) and that the alien:

(i) Has invested or is actively in the process of investing a substantial
amount of capital in bona fide enterprise in the United States, as distinct from a relatively small amount of capital in a marginal enterprise solely for the purpose of earning a living; and

(ii) Is seeking entry solely to develop and direct the enterprise; and

(iii) Intends to depart from the United States upon the termination of E2 status.

(2) Employee of treaty investor. An alien employee of a treaty investor may be classified E–2 if the employee is in or is coming to the United States to engage in duties of an executive or supervisory character, or, if employed in a lesser capacity, the employee has special qualifications that make the services to be rendered essential to the efficient operation of the enterprise. The employer must be:

(i) A person having the nationality of the treaty country, who is maintaining the status of treaty investor if in the United States or, if not in the United States, who would be classifiable as a treaty investor; or

(ii) An organization at least 50% owned by persons having the nationality of the treaty country who are maintaining nonimmigrant treaty investor status if residing in the United States or, if not residing in the United States, who would be classifiable as treaty investors.

(3) Spouse and children of treaty investor. The spouse and children of a treaty investor accompanying or following to join the principal alien are entitled to the same classification as the principal alien. The nationality of a spouse or child of a treaty investor is not material to the classification of the spouse or child under the provisions of INA 101(a)(15)(E).

(4) Representative of foreign information media. Representatives of foreign information media shall first be considered for possible classification as nonimmigrants under the provisions of INA 101(a)(15)(I), before consideration is given to their possible classification as nonimmigrants under the provisions of INA 101(a)(15)(E) and of this section.

(5) Treaty country. A treaty country is for purposes of this section a foreign state with which a qualifying Treaty of Friendship, Commerce, and Navigation or its equivalent exists with the United States. A treaty country includes a foreign state that is accorded treaty visa privileges under INA 101(a)(15)(E) by specific legislation (other than the INA).

(6) Nationality of the treaty country. The authorities of the foreign state of which the alien claims nationality determine the nationality of an individual treaty investor. In the case of an organization, ownership must be traced as best as is practicable to the individuals who ultimately own the organization.

(7) Investment. Investment means the treaty investor’s placing of capital, including funds and other assets, at risk in the commercial sense with the objective of generating a profit. The treaty investor must be in possession of and have control over the capital invested or being invested. The capital must be subject to partial or total loss if investment fortunes reverse. Such investment capital must be the investor’s unsecured personal business capital or capital secured by personal assets. Capital in the process of being invested or that has been invested must be irrevocably committed to the enterprise. The alien has the burden of establishing such irrevocable commitment given to the particular circumstances of each case. The alien may use any legal mechanism available, such as by placing invested funds in escrow pending visa issuance, that would not only irrevocably commit funds to the enterprise but that might also extend some personal liability protection to the treaty investor.

(8) Bona fide enterprise. The enterprise must be a real and active commercial or entrepreneurial undertaking, producing some service or commodity for profit and must meet applicable legal requirements for doing business in the particular jurisdiction in the United States.

(9) Substantial amount of capital. A substantial amount of capital constitutes that amount that is:

(i)(A) Substantial in the proportional sense, i.e., in relationship to the total cost of either purchasing an established enterprise or creating the type of enterprise under consideration;

(B) Sufficient to ensure the treaty investor’s financial commitment to the
successful operation of the enterprise; and

(C) Of a magnitude to support the
likelihood that the treaty investor will
successfully develop and direct the en-
terprise.

(ii) Whether an amount of capital is
substantial in the proportionality
sense is understood in terms of an in-
verted sliding scale; i.e., the lower the
total cost of the enterprise, the higher,
proportionately, the investment must
be to meet these criteria.

(10) Marginal enterprise. A marginal
enterprise is an enterprise that does
not have the present or future capacity
to generate more than enough income
to provide a minimal living for the
entrepreneur and his or her family.
An enterprise that does not have the
capacity to generate such income but
that has a present or future capacity to
make a significant economic contribu-
tion is not a marginal enterprise. The
projected future capacity should gen-
erally be realizable within five years
from the date the alien commences
normal business activity of the enter-
tprise.

(11) Solely to develop and direct. The
business or individual entrepreneur
does or will develop and direct the en-
terprise by controlling the enterprise
through ownership of at least 50% of
the business, by possessing operational
control through a managerial position
or other corporate device, or by other
means.

(12) Executive or supervisory character.
The executive or supervisory element
of the employee’s position must be a
principal and primary function of the
position and not an incidental or col-
lateral function. Executive and/or su-
pervisory duties grant the employee ul-
timate control and responsibility for
the enterprise’s overall operation or a
major component thereof.

(i) An executive position provides the
employee great authority to determine
policy of and direction for the enter-
tprise.

(ii) A position primarily of super-
visory character grants the employee
supervisory responsibility for a signifi-
cant proportion of an enterprise’s oper-
ations and does not generally involve
the direct supervision of low-level em-
ployees.

(13) Special qualifications. Special
qualifications are those skills and/or
aptitudes that an employee in a lesser
capacity brings to a position or role
that are essential to the successful or
efficient operation of the enterprise.

(i) The essential nature of the alien’s
skills to the employing firm is deter-
mimed by assessing the degree of prov-
en expertise of the alien in the area of
operations involved, the uniqueness of
the specific skill or aptitude, the
length of experience and/or training
with the firm, the period of training or
other experience necessary to perform
effectively the projected duties, and
the salary the special qualifications
can command. The question of special
skills and qualifications must be deter-
mimed by assessing the circumstances
on a case-by-case basis.

(ii) Whether the special qualifica-
tions are essential will be assessed in
light of all circumstances at the time
of each visa application on a case-by-
case basis. A skill that is unique at one
point may become commonplace at a
later date. Skills required to start up
an enterprise may no longer be essen-
tial after initial operations are com-
plete and are running smoothly. Some
skills are essential only in the short-
term for the training of locally hired
employees. Long-term essentiality
might, however, be established in con-
nection with continuous activities in
such areas as product improvement,
quality control, or the provision of a
service not generally available in the
United States.

(14) Labor disputes. Citizens of Canada
or Mexico shall not be entitled to clas-
sification under this section if the Sec-
retary of Homeland Security and the

(ii) The alien has failed to establish

lockout.

(c) Posting of bond. In borderline cases involving an alien otherwise qualified for classification under INA 101(a) (15) (F), the consular officer is authorized to require the posting of a bond with the Secretary of Homeland Security in a sum sufficient to ensure that the alien will depart upon the conclusion of studies or in the event of failure to maintain student status.

(4) If an alien is subject to the 2-year foreign residence requirement of INA 212(e), the spouse or child of that alien, accompanying or following to join the alien, is also subject to that requirement if admitted to the United States pursuant to INA 101(a) (15) (J) or if status is acquired pursuant to that section after admission.
(d) Notification to alien concerning 2-year foreign residence requirement. Before the consular officer issues an exchange visitor visa, the consular officer must inform the alien whether the alien will be subject to the 2-year residence and physical presence requirement of INA 212(e) if admitted to the United States under INA 101(a) (15) (J) and, if so, the country in which 2 years’ residence and physical presence will satisfy the requirement.

knowledge or skill in which the alien was engaged [See the most recent “Revised Exchange Visitor Skills List”, at http://exchanges.state.gov/education/jexchanges/participation/skills_list.pdf]; or

(iii) Who came to the United States or acquired such status in order to receive graduate medical education or training, shall be eligible to apply for an immigrant visa, or for permanent residence, or for a nonimmigrant visa under section 101(a)(15)(H) or section 101(a)(15)(L) until it is established that such person has resided and been physically present in the country of his nationality or his last legal permanent residence for an aggregate of at least two years following departure from the United States.

(2) Upon the favorable recommendation of the Secretary of State, pursuant to the request of an interested United States Government agency (or in the case of an alien who is a graduate of a foreign medical school pursuing a program in graduate medical education or training, pursuant to the request of a State Department of Public Health, or its equivalent), or of the Secretary of Homeland Security after the latter has determined that departure from the United States would impose exceptional hardship upon the alien’s spouse or child (if such spouse or child is a citizen of the United States or a legal permanent resident alien), or on the grounds that such requirement would subject the alien to persecution on account of race, religion, or political opinion, the Secretary of Homeland Security may waive the requirement of such two-year foreign residence abroad in the case of an alien who is a graduate of a foreign medical school pursuing a program in graduate medical education or training, the Secretary of Homeland Security, upon the favorable recommendation of the Secretary of State, may also waive such two-year foreign residence requirement in any case in which the foreign country of the alien’s nationality or last legal permanent residence has furnished the Secretary of State a statement in writing that it has no objection to such waiver in the case of such alien. Notwithstanding the foregoing, an alien who is a graduate of a foreign medical school pursuing a program in graduate medical education or training may obtain a waiver of such two-year foreign residence requirements if said alien meets the requirements of section 214(l) of the Immigration and Nationality Act (8 U.S.C. 1184) and paragraphs (a) (2) and (e) of this section.

(b) Request for waiver on the basis of exceptional hardship or probable persecution on account of race, religion, or political opinion. (1) An exchange visitor who seeks a waiver of the two-year home-country residence and physical presence requirement on the grounds that such requirement would impose exceptional hardship upon the exchange visitor’s spouse or child (if such spouse or child is a citizen of the United States or a legal permanent resident alien), or on the grounds that such requirement would subject the exchange visitor to persecution on account of race, religion, or political opinion, shall submit the application for waiver (DHS Form I–612) to the jurisdictional office of the Department of Homeland Security.

(2)(i) If the Secretary of Homeland Security (Secretary of DHS) determines that compliance with the two-year home-country residence and physical presence requirement would impose exceptional hardship upon the spouse or child of the exchange visitor, or would subject the exchange visitor to persecution on account of race, religion, or political opinion, shall submit the application for waiver (DHS Form I–612) to the jurisdictional office of the Department of Homeland Security.

(ii) With respect to those cases in which the Secretary of DHS has determined that compliance with the two-
year home-country residence and physical presence requirement would impose exceptional hardship upon the spouse or child of the exchange visitor, the Waiver Review Division shall review the program, policy, and foreign relations aspects of the case, make a recommendation, and forward it to the appropriate office at DHS. If it deems it appropriate, the Waiver Review Division may request the views of each of the exchange visitors’ sponsors concerning the waiver application. Except as set forth in paragraph (g)(4) of this section, the recommendation of the Waiver Review Division shall constitute the recommendation of the Department of State.

(iii) With respect to those cases in which the Secretary of DHS has determined that compliance with the two-year home-country residence and physical presence requirement would subject the exchange visitor to persecution on account of race, religion, or political opinion, the Waiver Review Division shall review the program, policy, and foreign relations aspects of the case, including consultation if deemed appropriate with the Bureau of Human Rights and Humanitarian Affairs of the United States Department of State, make a recommendation, and forward such recommendation to the Secretary of DHS. Except as set forth in paragraph (g)(4) of this section, the recommendation of the Waiver Review Division shall constitute the recommendation of the Department of State and such recommendation shall be forwarded to DHS.

(c) Requests for waiver made by an interested United States Government Department of State. (1) A United States Government agency may request a waiver of the two-year home-country residence and physical presence requirement on behalf of an exchange visitor if such exchange visitor is actively and substantially involved in a program or activity sponsored by or of interest to the requesting agency if the exchange visitor is unable to continue his or her involvement with the program or activity.

(3) A request by a United States Government agency shall be signed by the head of the agency, or his or her designee, and shall include copies of all IAP 66 or DS–2019 forms issued to the exchange visitor, his or her current address, and his or her country of nationality or last legal permanent residence.

(4) A request by a United States Government agency, excepting the Department of Veterans Affairs, on behalf of an exchange visitor who is a foreign medical graduate who entered the United States to pursue graduate medical education or training, and who is willing to provide primary care or specialty medicine in a designated primary care Health Professional shortage Area, or a Medically Underserved Area, or psychiatric care in a Mental Health Professional Shortage Area, shall, in additional to the requirement set forth in paragraphs (c)(2) and (3) of this section, include:

(i) A copy of the employment contract between the foreign medical graduate and the health care facility at which he or she will be employed. Such contract shall specify a term of employment of not less than three years and that the foreign medical graduate is to be employed by the facility for the purpose of providing not less than 40 hours per week of primary medical care, i.e., general or family practice, general internal medicine, pediatrics, or obstetrics and gynecology, in a designated primary care Health Professional Shortage Area or designated Medically Underserved Area (“MUA”) or psychiatric care in a designated Mental Health Professional Shortage Area. Further, such employment contract shall not include a non-compete clause enforceable against the foreign medical graduate.

(ii) A statement, signed and dated by the head of the health care facility at which the foreign medical graduate will be employed, that the facility is located in an area designated by the Secretary of Health and Human Services as a Medically Underserved Area or Primary Medical Care Health Professional Shortage Area or Mental...
Health Professional Shortage Area and provides medical care to both Medicaid or Medicare eligible patients and indigent uninsured patients. The statement shall also list the primary care Health Professional Shortage Area, Mental Health Professional Shortage Area, or Medically Underserved Area/Population identifier number of the designation (assigned by the Secretary of Health and Human Services), and shall include the FIPS county code and census tract or block numbering area number (assigned by the Bureau of the Census) or the 9-digit zipcode of the area where the facility is located.

(iii) A statement, signed and dated by the foreign medical graduate exchange visitor that shall read as follows:

I, (name of exchange visitor) hereby declare and certify, under penalty of the provisions of 18 U.S.C. 1001, that I do not now have pending nor am I submitting during the pendency of this request, another request to any United States Government department or agency or any State Department of Public Health, or equivalent, other than (insert name of United States Government Agency requesting waiver) to act on my behalf in any matter relating to a waiver of my two-year home-country physical presence requirement.

(iv) Evidence that unsuccessful efforts have been made to recruit an American physician for the position to be filled.

(5) Except as set forth in paragraph (g)(4) of this section, the recommendation of the Waiver Review Division shall constitute the recommendation of the Department of State and such recommendation shall be forwarded to the Secretary of DHS.

(d) Requests for waiver made on the basis of a statement from the exchange visitor’s home-country that it has no objection to the waiver. (1) Applications for waiver of the two-year home-country residence and physical presence requirement may be supported by a statement of no objection by the exchange visitor’s country of nationality or last legal permanent residence. The statement of no objection shall be directed to the Secretary of State through diplomatic channels; i.e., from the country’s Foreign Office to the Department of State through the U.S. Mission in the foreign country concerned, or through the foreign country’s head of mission or duly appointed designee in the United States to the Secretary of State in the form of a diplomatic note. This note shall include applicant’s full name, date and place of birth, and present address. If deemed appropriate, the Department of State may request the views of each of the exchange visitor’s sponsors concerning the waiver application.

(2) The Waiver Review Division shall review the program, policy, and foreign relations aspects of the case and forward its recommendation to the Secretary of DHS. Except as set forth in §41.63(g)(4), infra, the recommendation of the Waiver Review Division shall constitute the recommendation of the Department of State.

(3) An exchange visitor who is a graduate of a foreign medical school and who is pursuing a program in graduate medical education or training in the United States is prohibited under section 212(e) of the Immigration and Nationality Act from applying for a waiver solely on the basis of no objection from his or her country of nationality or last legal permanent residence. However, an alien who is a graduate of a foreign medical school pursuing a program in graduate medical education or training may obtain a waiver of such two-year foreign residence requirements if said alien meets the requirements of section 214(l) of the Immigration and Nationality Act (8 U.S.C. 1184) and paragraphs (a)(2) and (e) of this section.

(e) Requests for waiver from a State Department of Public Health, or its equivalent, on the basis of Public Law 103–416. (1) Pursuant to Public Law 103–416, in the case of an alien who is a graduate of a medical school pursuing a program in graduate medical education or training, a request for a waiver of the two-year home-country residence and physical presence requirement may be made by a State department of Public Health, or its equivalent. Such waiver shall be subject to the requirements of section 214(l) of the Immigration and Nationality Act (8 U.S.C. 1194(l)) and this §41.63.

(2) With respect to such waiver under Public Law 104–416, if such alien is contractually obligated to return to his or
her home country upon completion of the graduate medical education or training, the Secretary of State is to be furnished with a statement in writing that the country to which such alien is required to return has no objection to such waiver. The no objection statement shall be furnished to the Secretary of State in the manner and form set forth in paragraph (d) of this section and, additionally, shall bear a notation that it is being furnished pursuant to Public Law 103-416.

(3) The State Department of Public Health, or equivalent agency, shall include in the waiver application the following:

(i) A completed DS–3035. Copies of these forms may be obtained from the Visa Office or online at http://www.travel.state.gov.

(ii) A letter from the Director of the designated State Department of Public Health, or its equivalent, which identifies the foreign medical graduate by name, country of nationality or country of last legal permanent residence, and date of birth, and states that it is in the public interest that a waiver of the two-year home residence requirement be granted;

(iii) An employment contract between the foreign medical graduate and the health care facility named in the waiver application, to include the name and address of the health care facility, and the specific geographical area or areas in which the foreign medical graduate will practice medicine. The employment contract shall include a statement by the foreign medical graduate that he or she agrees to meet the requirements set forth in section 214(l) of the Immigration and Nationality Act. The term of the employment contract shall be at least three years and the geographical areas of employment shall only be in areas, within the respective state, designated by the Secretary of Health and Human Services as having a shortage of health care professionals, unless the waiver request is for an alien who will practice medicine in a facility that serves patients who reside in one or more geographic areas so designated by the Secretary of Health and Human Services as having a shortage of health care professionals.

(iv) Evidence establishing that the geographic area or areas in the state in which the foreign medical graduate will practice medicine or where patients who will be served by the foreign medical graduates reside, are areas which have been designated by the Secretary of Health and Human Services as having a shortage of health care professionals. For purposes of this paragraph, the geographic area or areas must be designated by the Department of Health and Human Services as a Health Professional Shortage Area ("HPSA") or as a Medically Underserved Area/Medically Underserved Population ("MUA/MUP").

(v) Copies of all forms IAP 66 or DS-2019 issued to the foreign medical graduate seeking the waiver;

(vi) A copy of the foreign medical graduate’s curriculum vitae;

(vii) If the foreign medical graduate is otherwise contractually required to return to his or her home country at the conclusion of the graduate medical education or training, a copy of the statement of no objection from the foreign medical graduate’s country of nationality or last residence; and,

(viii) Because of the numerical limitations on the approval of waivers under Public Law 103-416, i.e., no more than the maximum number of waivers for each State each fiscal year as mandated by law, each application from a State Department of Public Health, or its equivalent, shall be numbered sequentially, beginning on October 1 of each year. The “non-designated” requests will also be numbered sequentially with appropriate identifier.

(4) The Waiver Review Division shall review the program, policy, and foreign relations aspects of the case and forward its recommendation to the Secretary of DHS. Except as set forth in
paragraph (g)(4) of this section, the recommendation of the Waiver Review Division shall constitute the recommendation of the Department of State.

(f) Changed circumstances. An applicant for a waiver on the grounds of exceptional hardship or probable persecution on account of race, religion, or political opinion, has a continuing obligation to inform the Department of Homeland Security of changed circumstances material to his or her pending application.

(g) The Waiver Review Board. (1) The Waiver Review Board ("Board") shall consist of the following persons or their designees:

(i) The Principal Deputy Assistant Secretary of the Bureau of Consular Affairs;

(ii) The Director of Office of Public Affairs for the Bureau of Consular Affairs;

(iii) The Legislative Management Officer for Consular Affairs, Bureau of Legislative Affairs;

(iv) The Director of the Office of Exchange Coordination and Designation in the Bureau of Educational and Cultural Affairs; and

(v) The Director of the Office of Policy and Evaluation in the Bureau of Educational and Cultural Affairs.

(2) A person who has had substantial prior involvement in a particular case referred to the Board may not be appointed to, or serve on, the Board for that particular case unless the Bureau of Consular Affairs determines that the individual’s inclusion on the Board is otherwise necessary or practically unavoidable.

(3) The Principal Deputy Assistant Secretary of Consular Affairs, or his or her designee, shall serve as Board Chairman. No designee under this paragraph (g)(3) shall serve for more than 2 years.

(4) Cases will be referred to the Board at the discretion of the Chief, Waiver Review Division, of the Visa Office. The Chief, Waiver Review Division, or his or her designee may, at the Chairman’s discretion, appear and present facts related to the case but shall not participate in Board deliberations.

(5) The Chairman of the Board shall be responsible for convening the Board and distributing all necessary information to its members. Upon being convened, the Board shall review the case file and weigh the request against the program, policy, and foreign relations aspects of the case.

(6) The Bureau of Consular Affairs shall appoint, on a case-by-case basis, from among the attorneys in the State Department’s Office of Legal Advisor one attorney to serve as legal advisor to the Board.

(7) At the conclusion of its review of the case, the Board shall make a written recommendation either to grant or to deny the waiver application. The written recommendation of a majority of the Board shall constitute the recommendation of the Board. Such recommendation shall be promptly transmitted by the Chairman to the Chief, Waiver Review Division.

(8) At the conclusion of its review of the case, the Board shall make a written recommendation either to grant or to deny the waiver application. The written recommendation of a majority of the Board shall constitute the recommendation of the Board. Such recommendation shall be promptly transmitted by the Chairman to the Chief, Waiver Review Division.

Subpart H—Transit Aliens

§41.71 Transit aliens.

(a) Transit aliens—general. An alien is classifiable as a nonimmigrant transit alien under INA 101(a)(15)(C) if the consular officer is satisfied that the alien:

(1) Intends to pass in immediate and continuous transit through the United States;

(2) Is in possession of a common carrier ticket or other evidence of transportation arrangements to the alien’s destination;

(3) Is in possession of sufficient funds to carry out the purpose of the transit journey, or has sufficient funds otherwise available for that purpose; and
(4) Has permission to enter some country other than the United States following the transit through the United States, unless the alien submits satisfactory evidence that such advance permission is not required.

(b) Certain aliens in transit to United Nations. An alien within the provisions of paragraph (3), (4), or (5) of section 11 of the Headquarters Agreement with the United Nations, to whom a visa is to be issued for the purpose of applying for admission solely in transit to the United Nations Headquarters District, may upon request or at the direction of the Secretary of State be issued a nonimmigrant visa bearing the symbol C-2. If such a visa is issued, the recipient shall be subject to such restrictions on travel within the United States as may be provided in regulations prescribed by the Secretary of Homeland Security.

Subpart I—Fiance(e)s and Other Nonimmigrants

§41.81 Fiancé(e) or spouse of a U.S. citizen and derivative children.

(a) Fiancé(e). An alien is classifiable as a nonimmigrant fiancé(e) under INA 101(a)(15)(K)(i) if:

(1) The consular officer is satisfied that the alien is qualified under that provision and the consular officer has received a petition filed by a U.S. citizen to confer nonimmigrant status as a fiancé(e) on the alien, which has been approved by the DHS under INA 214(d), or a notification of such approval from that Service;

(2) The consular officer has received from the alien the alien’s sworn statement of ability and intent to conclude a valid marriage with the petitioner within 90 days of arrival in the United States; and

(3) The alien has met all other qualifications in order to receive a nonimmigrant visa, including the requirements of paragraph (d) of this section.

(b) Spouse. An alien is classifiable as a nonimmigrant spouse under INA 101(a)(15)(K)(ii) when all of the following requirements are met:

(1) The consular officer is satisfied that the alien is the child of an alien classified under INA 101(a)(15)(K)(i) or (ii) and is accompanying or following to join the principal alien; and

(2) The alien otherwise has met all other applicable requirements in order to receive a nonimmigrant visa, including the requirements of paragraph (d) of this section.

(c) Child. An alien is classifiable under INA 101(a)(15)(K)(iii) if:

(1) The consular officer is satisfied that the alien is the child of an alien classified under INA 101(a)(15)(K)(i) or (ii) and is accompanying or following to join the principal alien; and

(2) The alien otherwise has met all other applicable requirements in order to receive a nonimmigrant visa, including the requirements of paragraph (d) of this section.

(d) Eligibility as an immigrant required. The consular officer, insofar as is practicable, must determine the eligibility of an alien to receive a nonimmigrant visa under paragraphs (a), (b) or (c) of this section as if the alien were an applicant for an immigrant visa, except that the alien must be exempt from the vaccination requirement of INA 212(a)(1) and the labor certification requirement of INA 212(a)(5).

[66 FR 19393, Apr. 16, 2001]

(1) The consular officer is satisfied that the alien qualifies under the provisions of that section; and

(2)(i) The consular officer has received verification from the Department of State, Visa Office, that:

(A) in the case of INA 101(a)(15)(S)(i) the DHS has certified that the alien is accorded such classification, or

(B) in the case of INA 101(a)(15)(S)(ii) the Assistant Secretary of State for Consular Affairs on behalf of the Secretary of State and the DHS have certified that the alien is accorded such classification;

(ii) and the alien is granted an INA 212(d)(1) waiver of any INA 212(a) ground of ineligibility known at the time of verification.

(b) Certification of S visa status. The certification of status under INA 101(a)(15)(S)(i) by the Secretary of Homeland Security or of status under INA 101(a)(15)(S)(ii) by the Secretary of State and the Secretary of Homeland Security acting jointly does not establish that the alien is eligible to receive a nonimmigrant visa.

(c) Validity of visa. The period of validity of a visa authorized on the basis of paragraph (a) of this section shall not exceed the period indicated in the certification required in paragraph (b) and shall not in any case exceed the period of three years.

A qualifying family member may apply for a nonimmigrant visa under INA(a)(15)(T)(ii) only during the period in which the principal applicant is in status under INA 101(a)(15)(T)(i). Any visa issued pursuant to such application shall be valid only for a period of three years or until the expiration of the principal alien’s status as an alien classified under INA 101(a)(15)(T)(i), whichever is shorter.

§ 41.86 Certain spouses and children of lawful permanent resident aliens.

(a) Definition of “remains pending”. For the purposes of this section, a visa application “remains pending” if the applicant has applied for an immigrant visa in accordance with the definition in part 40, § 40.1(l)(2) and the visa has neither been issued, nor refused for any reason under applicable law and regulation.

(b) Entitlement to classification. A consular officer may classify an alien as a nonimmigrant under INA 101(a)(15)(V) if:

(1) The consular officer has received notification from the Department of State or the Department of Justice that a petition to accord status to the alien as a spouse or child pursuant to INA 203(a)(2)(A) was filed on or before December 21, 2000; or

(2) The alien is eligible to derive benefits pursuant to INA 203(d) as a child of an alien described in paragraph (b)(1) of this section and such alien has qualified for V classification; and

(3) It has been three years or more since the filing date of the petition described in paragraph (b)(1) of this section and applicable to paragraph (b)(2) of this section and either:

(i) The petition has not been approved; or

(ii) If it has been approved, either no immigrant visa number is immediately available or the alien’s application for adjustment of status or the alien’s application for a visa remains pending.

(c) Eligibility as an immigrant required. The consular officer, insofar as practicable, must determine the eligibility of an alien described in paragraph (b) of this section to receive a nonimmigrant visa under INA 101(a)(15)(V), other than an alien who previously has been
§41.101

granted V status in the United States by DHS, as if the alien were an applicant for an immigrant visa, except that the alien is exempt from the vaccination requirement of INA 212(a)(1), the labor certification requirement of INA 212(a)(5) and the unlawful presence ineligibility of INA 212(a)(9)(B).

(d) Place of application. Notwithstanding the requirements of §41.101, in determining the place of application for an alien seeking a visa pursuant to INA 101(a)(15)(V) the requirements of part 42, §§42.61(a) and (b)(1) of this chapter will apply.

Subpart J—Application for Nonimmigrant Visa

§41.101 Place of application.

(a) Application for regular visa made at jurisdictional consular office of alien’s residence or physical presence. (1) An alien applying for a nonimmigrant visa shall make application at a consular office having jurisdiction over the alien’s place of residence, or if the alien is a resident of Taiwan, at the American Institute in Taiwan, unless—

(i) The alien is physically present in the United States and is entitled to apply for issuance or reissuance of a visa under the provisions of §41.111(b); or

(ii) A consular office having jurisdiction in the area in which the alien is physically present but not resident has agreed, as a matter of discretion or at the direction of the Department, to accept the alien’s application; or

(iii) The alien is subject to INA 222(g) and must apply as set forth in paragraph (b) or (c) of this section.

(2) The Deputy Assistant Secretary of State for Visa Services is authorized to designate the geographical area for which each consular office possesses jurisdiction to process nonimmigrant visa applications.

(b) Place of application for persons subject to INA 222(g). Notwithstanding the requirements of paragraph (a) of this section, an alien whose prior nonimmigrant visa has been voided pursuant to INA 222(g), who is applying for a new nonimmigrant visa, shall make application at a consular office which has jurisdiction in or for the country of the alien’s nationality unless extraordinary circumstances have been determined to exist with respect to that alien as set forth in paragraph (c) of this section.

(c) Exceptions based on extraordinary circumstances. (1) An alien physician serving in underserved areas of the United States under the provisions of INA 214(l) for whom an application for a waiver of the 2-year foreign residence requirement and/or a petition to accord H-1B status was filed prior to the end of the alien’s authorized period of stay and was subsequently approved, but whose authorized stay expired during the adjudication of such application(s), shall make application in accordance with paragraph (a) of this section.

(2) Any other individual or group whose circumstances are determined to be extraordinary, in accordance with paragraph (d)(1) of this section, by the Deputy Assistant Secretary for Visa Services upon the favorable recommendation of an immigration or consular officer, shall make application in accordance with paragraph (a) of this section.

(3) An alien who has, or immediately prior to the alien’s last entry into the United States had, a residence in a country other than the country of the alien’s nationality shall apply at a consular office with jurisdiction in or for the country of residence.

(4) An alien who is a national and resident of a country in which there is no United States consular office shall apply at a consular office designated by the Deputy Assistant Secretary for Visa Services to accept immigrant visa applications from persons of that nationality.

(5) An alien who possesses more than one nationality and who has, or immediately prior to the alien’s last entry into the United States had, a residence in one of the countries of the alien’s nationality shall apply at a consular office in the country of such residence.

(d) Definitions relevant to INA 222(g).

(1) Extraordinary circumstances—Extraordinary circumstances may be found where compelling humanitarian or national interests exist or where
necessary for the effective administration of the immigration laws. Extraordinary circumstances shall not be found upon the basis of convenience or financial burden to the alien, the alien’s relative, or the alien’s employer.

(2) Nationality—For purposes of paragraph (b) of this section, a stateless person shall be considered to be a national of the country which issued the alien’s travel document.

(e) Regular visa defined. “Regular visa” means a nonimmigrant visa of any classification which does not bear the title “Diplomatic” or “Official.” A nonimmigrant visa is issued as a regular visa unless the alien falls within one of the classes entitled to a diplomatic or an official visa as described in §41.26(c) or §41.27(c).

(f) Q–2 nonimmigrant visas. The American Consulate General at Belfast is designated to accept applications for the Q–2 visa from residents of the geographic area of Northern Ireland. The American Embassy at Dublin is designated to accept applications for Q–2 visas from residents of the geographic area of the counties of Louth, Monaghan, Cavan, Leitrim, Sligo, and Donegal in the Republic of Ireland. Notwithstanding any other provision of this section, an applicant for a Q–2 visa may not apply at any other consular post. Consular officers at the Consulate General at Belfast and at the Embassy at Dublin have discretion to accept applications for Q–2 visas from aliens who are resident in a qualifying geographic area outside of their respective consular districts, but who are physically present in their consular district.

§41.102 Personal appearance of applicant.

(a) Except when the requirement of personal appearance has been waived pursuant to paragraph (b), (c), or (d) of this section, each applicant for a nonimmigrant visa who is at least 14 years of age and not more than 79 years of age must personally appear before and be interviewed by a consular officer, who shall determine on the basis of the applicant’s representations, the visa application and other relevant documentation:

(1) The proper nonimmigrant classification, if any, of the alien; and

(2) The alien’s eligibility to receive a visa.

(b) Waivers of personal appearance by consular officers. Except as provided in paragraph (e) of this section or as otherwise instructed by the Deputy Assistant Secretary of State for Visa Services, a consular officer may waive the requirement of personal appearance if the consular officer concludes the alien presents no national security concerns requiring an interview and:

(1) Is within a class of nonimmigrants classifiable under the visa symbols A–1, A–2, C–2, C–3 (except attendants, servants, or personal employees of accredited officials), G–1, G–2, G–3, G–4, NATO–1, NATO–2, NATO–3, NATO–4, NATO–5, NATO–6, or is a Taipai Economic and Cultural Representative Office (TECRO) nonimmigrant classifiable under visa symbol E–1, and is seeking a visa in such classification; or

(2) Is an applicant for a diplomatic or official visa as described in §41.26 or §41.27 of this chapter; or

(ii) Is applying at the consular post of the applicant’s usual residence; and

(iii) Is an applicant for whom the consular officer has no indication of visa ineligibility or of noncompliance with U.S. immigration laws and regulations.

(c) Waivers of personal appearance in the national interest. Except as provided in paragraph (e) of this section, the Secretary may waive the requirement of personal appearance of an individual applicant or a class of applicants if the Secretary determines that such waiver is in the national interest of the United States.

(d) Waivers of personal appearance in unusual or emergent circumstances. Except as provided in paragraph (e) of
this section, the Deputy Assistant Secretary for Visa Services may waive the requirement of personal appearance of an individual applicant or a class of applicants if the Deputy Assistant Secretary determines that such waiver is necessary as a result of unusual or emergent circumstances.

(e) Cases in which personal appearance may not be waived. Except for a nonimmigrant applicant whose personal appearance is waived under paragraphs (b)(1), (b)(2), or (c) of this section, the personal appearance requirement may not be waived for:

1. Any nonimmigrant applicant who is not a national or resident of the country in which he or she is applying.
2. Any nonimmigrant applicant who was previously refused a visa, is listed in CLASS, or otherwise requires a Security Advisory Opinion, unless:
   (i) The visa was refused and the refusal was subsequently overcome; or
   (ii) The alien was found inadmissible, but the inadmissibility was waived.
3. Any nonimmigrant applicant who is from a country designated by the Secretary of State as a state sponsor of terrorism, regardless of age, or who is a member of a group or sector designated by the Secretary of State under section 222(h)(2)(F) of the Immigration and Nationality Act.

§ 41.103 Filing an application.

(a) Filing an application—(1) Filing of application required. Every alien seeking a nonimmigrant visa must make an electronic application on Form DS–160 or, as directed by a consular officer, an application on Form DS–156. The Form DS–160 must be signed electronically by clicking the box designated “Sign Application” in the certification section of the application.

(2) Filing of an electronic application (Form DS–160) or Form DS–156 by alien under 16 or physically incapable. The application for an alien under 16 years of age or one physically incapable of completing an application may be completed and executed by the alien’s parent or guardian, or if the alien has no parent or guardian, by any person having legal custody of, or a legitimate interest in, the alien.

(3) Waiver of filing of application when personal appearance is waived. Even if personal appearance of a visa applicant is waived pursuant to 22 CFR 41.102, the requirement for filing an application is not waived.

(b) Application—(1) Preparation of Electronic Nonimmigrant Visa Application (Form DS–160) or, alternatively, Form DS–156. The consular officer shall ensure that the application is fully and properly completed in accordance with the applicable regulations and instructions.

(2) Additional requirements and information as part of application. Applicants who are required to appear for a personal interview must provide a biometric, which will serve to authenticate identity and additionally verify the accuracy and truthfulness of the statements in the application at the time of interview. The consular officer may require the submission of additional necessary information or question an alien on any relevant matter whenever the consular officer believes that the information provided in the application is inadequate to permit a determination of the alien’s eligibility to receive a nonimmigrant visa. Additional statements made by the alien become a part of the visa application. All documents required by the consular officer under the authority of §41.105(a) are considered papers submitted with the alien’s application within the meaning of INA 221(g)(1).

(3) Signature. The Form DS–160 shall be signed electronically by clicking the box designated “Sign Application” in the certification section of the application. This electronic signature attests to the applicant’s familiarity with and intent to be bound by all statements in the NIV application under penalty of perjury. Alternatively, except as provided in paragraph (a)(2) of this section, the Form DS–156 shall be signed by the applicant, with intent to be bound by all statement in the NIV application under penalty of perjury.

(4) Registration. The Form DS–160 or the Form DS–156, when duly executed, constitutes the alien’s registration for the purposes of INA 221(b).
§ 41.104 Passport requirements.

(a) Passports defined. “Passport” as defined in INA 101(a)(30) is not limited to a national passport or to a single document. A passport may consist of two or more documents which, when considered together, fulfill the requirements of a passport, provided that the documentary evidence of permission to enter a foreign country has been issued by a competent authority and clearly meets the requirements of INA 101(a)(30).

(b) Passport requirement. Except for certain persons in the A, C–3, G, and NATO classifications and persons for whom the passport requirement has been waived pursuant to the provisions of INA 212(d)(4), every applicant for a nonimmigrant visa is required to present a passport, as defined above and in INA 101(a)(30), which is valid for the period required by INA 212(a)(7)(B)(i)(I).

(c) A single passport including more than one person. The passport requirement for a nonimmigrant visa may be met by the presentation of a passport including more than one person, if such inclusion is authorized under the laws or regulations of the issuing authority and if a photograph of each visa applicant 16 years of age or over has been attached to the passport by the issuing authority.

(d) Applicants for diplomatic visas. Every applicant for a diplomatic visa must present a diplomatic passport, or the equivalent thereof, having the period of validity required by INA 212(a)(7)(B)(i)(I), unless such requirement has been waived pursuant to the authority contained in INA 212(d)(4) or unless the case falls within the provisions of § 41.21(b).

§ 41.105 Supporting documents and fingerprinting.

(a) Supporting documents—(1) Authority to require documents. The consular officer is authorized to require documents considered necessary to establish the alien’s eligibility to receive a nonimmigrant visa. All documents and other evidence presented by the alien, including briefs submitted by attorneys or other representatives, shall be considered by the consular officer.

(2) Unobtainable documents. If the consular officer is satisfied that a document or record required under the authority of this section is unobtainable, the consular officer may accept satisfactory alternative pertinent evidence. A document or other record shall be considered unobtainable if it cannot be procured without causing the applicant or a member of the applicant’s family actual hardship as distinct from normal delay and inconvenience.

(3) Photographs required. Every applicant for a nonimmigrant visa must furnish a photograph in such numbers as the consular officer may require. Photographs must be a reasonable likeness, 1 1/2 by 1 1/2 inches in size, unmounted, and showing a full, front-face view of the applicant against a light background. At the discretion of the consular officer, head coverings may be permitted provided they do not interfere with the full, front-face view of the applicant. The applicant must sign (full name) on the reverse side of the photographs. The consular officer may use a previously submitted photograph, if he is satisfied that it bears a reasonable likeness to the applicant.

(4) Police certificates. A police certificate is a certification by the police or other appropriate authorities stating what, if anything, their records show concerning the alien. An applicant for a nonimmigrant visa is required to present a police certificate if the consular officer has reason to believe that a police or criminal record exists, except that no police certificate is required in the case of an alien who is within a class of nonimmigrants classifiable under visa symbols A–1, A–2, C–3, G–1 through G–4, NATO–1 through NATO–4 or NATO–6.

(b) Fingerprinting. Every applicant for a nonimmigrant visa must furnish fingerprints, as required by the consular officer.
§ 41.106 Processing.

Consular officers must ensure that the Form DS–160 or, alternatively, Form DS–156 is properly and promptly processed in accordance with the applicable regulations and instructions.

§ 41.107 Visa fees.

(a) Fees based on reciprocity. The fees for the issuance of visas, including official visas, to nonimmigrant nationals or stateless residents of each foreign country shall be collected in the amounts prescribed by the Secretary of State unless, on the basis of reciprocity, no fee is chargeable. If practicable, fees will correspond to the total amount of all visa, entry, residence, or other similar fees, taxes or charges assessed or levied against nationals of the United States by the foreign countries of which such nonimmigrants are nationals or stateless residents.

(b) Fees when more than one alien included in visa. A single nonimmigrant visa may be issued to include all eligible family members if the spouse and unmarried minor children of a principal alien are included in one passport. Each alien must execute a separate application. The name of each family member shall be inserted in the space provided in the visa stamp. The visa fee to be collected shall equal the total of the fees prescribed by the Secretary of State for each alien included in the visa, unless upon a basis of reciprocity a lesser fee is chargeable.

(c) Certain aliens exempted from fees. (1) Upon a basis of reciprocity, or as provided in section 13(a) of the Headquarters Agreement with the United Nations (61 Stat. 716; 22 U.S.C. 237, Note), no fee shall be collected for the application for or issuance of a nonimmigrant visa to an alien who is within a class of nonimmigrants classifiable under the visa symbols A, G, C–2, C–3, or NATO, or B–1 issued for participation in an official observer mission to the United Nations, or who is issued a diplomatic visa as defined in § 41.26.

(2) The consular officer shall waive the nonimmigrant visa application and issuance fees for an alien who will be engaging in charitable activities for a charitable organization upon the written request of the charitable organization claiming that it will find the fees a financial burden, if the consular officer is satisfied that:

(i) The organization seeking relief from the fees is, if based in the United States, tax-exempt as a charitable organization under the provisions of section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)); if a foreign organization based outside the United States in a country having laws according recognition to charitable institutions, that it establishes that it is recognized as a charitable institution by that government; and if a foreign organization based in a country without such laws, that it is engaged in activities substantially similar to those underlying section 501(c)(3), and

(ii) The charitable activities in which the alien will engage are specified and will be a part of, or will be related to and in support of, the organization’s provision of services, including but not limited to health care, food and housing, job training, and similar direct services and assistance to the poor and needy, and

(iii) The request includes the location of the proposed activities, the number and identifying data of each of the alien(s) who will be applying for visas, and

(iv) The proposed duration of the alien(s)’s temporary stay in the United States is reasonably consistent with the charitable purpose for which the alien(s) seek to enter the United States.

(3) Foreign national employees of the U. S. Government who are travelling to the United States on official business in connection with that employment.

(d) Refund of fees. A fee collected for the issuance of a nonimmigrant visa is refundable only if the principal officer at a post or the officer in charge of a consular section determines that the visa was issued in error or could not be used as a result of action taken by the U.S. Government for which the alien was not responsible and over which the alien had no control.

(e)(1) Visa processing surcharge. In addition to the collection of the fee prescribed in paragraph (a) of this section,
a consular officer shall collect or ensure the collection of a surcharge for the processing of applications for machine readable nonimmigrant visas and for machine readable combined border crossing cards in the amount specified by the Secretary of State from such applicants as the Secretary of State shall designate. Such surcharge is refundable only if, as a result of action taken by the U.S. Government for which the alien was not responsible and over which the alien had no control, the alien’s application is not processed.

(2) Notwithstanding paragraph (e)(1) of this section, a consular officer shall collect or insure the collection of a processing fee for a machine-readable combined border crossing card and nonimmigrant visa in an amount determined by the Secretary and set forth in 22 CFR 22.1 to be sufficient only to cover the cost for manufacturing the combined card and visa if:

(i) The alien is a Mexican citizen under the age of 15;

(ii) The alien is applying in Mexico; and

(iii) The alien has at least one parent or guardian who has a visa or is applying for a machine-readable combined border crossing card and visa.

§ 41.111 Authority to issue visa.

(a) Issuance outside the United States. Any consular officer is authorized to issue regular and official visas. Diplomatic visas may be issued only by:

(1) A consular officer attached to a U.S. diplomatic mission, if authorized to do so by the Chief of Mission; or

(2) A consular officer assigned to a consular office under the jurisdiction of a diplomatic mission, if so authorized by the Department or the Chief, Deputy Chief, or Counselor for Consular Affairs of that mission, or, if assigned to a consular post not under the jurisdiction of a diplomatic mission, by the principal officer of that post.

(b) Issuance in the United States in certain cases. The Deputy Assistant Secretary for Visa Services and such officers of the Department as the former may designate are authorized, in their discretion, to issue nonimmigrant visas, including diplomatic visas, to:

(1) Qualified aliens who are currently maintaining status and are properly classifiable in the A, C-2, C-3, G or NATO category and intend to reenter the United States in that status after a temporary absence abroad and who also present evidence that:

(i) They have been lawfully admitted in that status or have, after admission, had their classification changed to that status; and
(i) Their period of authorized stay in the United States in that status has not expired; and
(2) Other qualified aliens who:
(i) Are currently maintaining status in the E, H, I, L, O, or P nonimmigrant category;
(ii) Intend to reenter the United States in that status after a temporary absence abroad; and
(iii) Who also present evidence that:
(A) They were previously issued visas at a consular office abroad and admitted to the United States in the status which they are currently maintaining; and
(B) Their period of authorized admission in that status has not expired.

§41.112 Validity of visa.

(a) Significance of period of validity of visa. The period of validity of a nonimmigrant visa is the period during which the alien may use it in making application for admission. The period of visa validity has no relation to the period of time the immigration authorities at a port of entry may authorize the alien to stay in the United States.

(b) Validity of visa and number of applications for admission. (1) Except as provided in paragraphs (c) and (d) of this section, a nonimmigrant visa shall have the validity prescribed in schedules provided to consular officers by the Department, reflecting insofar as practicable the reciprocal treatment accorded U.S. nationals, U.S. permanent residents, or aliens granted refugee status in the U.S. by the government of the country of which the alien is a national, permanent resident, refugee or stateless resident.

(2) Notwithstanding paragraph (b)(1) of this section, United States nonimmigrant visas shall have a maximum validity period of 10 years.

(3) An unexpired visa is valid for application for admission even if the passport in which the visa is stamped has expired, provided the alien is also in possession of a valid passport issued by the authorities of the country of which the alien is a national.

(c) Limitation on validity. If warranted in an individual case, a consular officer may issue a nonimmigrant visa for:
(1) A period of validity that is less than that prescribed on a basis of reciprocity,
(2) A number of applications for admission within the period of the validity of the visa that is less than that prescribed on a basis of reciprocity,
(3) Application for admission at a specified port or at specified ports of entry, or
(4) Use on and after a given date subsequent to the date of issuance.

(d) Automatic extension of validity at ports of entry. (1) Provided that the requirements set out in paragraph (d)(2) of this section are fully met, the following provisions apply to nonimmigrant aliens seeking readmission at ports of entry:
(i) The validity of an expired nonimmigrant visa issued under INA 101(a)(15) may be considered to be automatically extended to the date of application for readmission; and
(ii) In cases where the original nonimmigrant classification of an alien has been changed by DHS to another nonimmigrant classification, the validity of an expired or unexpired nonimmigrant visa may be considered to be automatically extended to the date of application for readmission, and the visa may be converted as necessary to that changed classification.

(2) The provisions in paragraph (d)(1) of this section are applicable only in the case of a nonimmigrant alien who:
(i) Is in possession of a Form I–94, Arrival-Departure Record, endorsed by DHS to show an unexpired period of initial admission or extension of stay, or, in the case of a qualified F or J student or exchange visitor or the accompanying spouse or child of such an alien, is in possession of a current Form I–20, Certificate of Eligibility for Nonimmigrant Student Status, or Form IAP-66, Certificate of Eligibility for Exchange Visitor Status, issued by the school the student has been authorized to attend by DHS, or by the sponsor of the exchange program in which the alien has been authorized to participate by DHS, and endorsed by the
issuing school official or program sponsor to indicate the period of initial admission or extension of stay authorized by DHS;

(ii) Is applying for readmission after an absence not exceeding 30 days solely in contiguous territory, or, in the case of a student or exchange visitor or accompanying spouse or child meeting the stipulations of paragraph (d)(2)(i) of this section, after an absence not exceeding 30 days in contiguous territory or adjacent islands other than Cuba;

(iii) Has maintained and intends to resume nonimmigrant status;

(iv) Is applying for readmission within the authorized period of initial admission or extension of stay;

(v) Is in possession of a valid passport;

(vi) Does not require authorization for admission under INA 212(d)(3); and

(vii) Has not applied for a new visa while abroad.

(3) The provisions in paragraphs (d)(1) and (d)(2) of this section shall not apply to the nationals of countries identified as supporting terrorism in the Department’s annual report to Congress entitled Patterns of Global Terrorism.

§ 41.113 Procedures in issuing visas.

(a) Evidence of visa. Except as provided in paragraph (b) of this section, a nonimmigrant visa shall be evidenced by a physical visa placed in the alien’s passport or by an electronic visa located in the Department’s records. The appropriate symbol as prescribed in §41.12, showing the classification of the alien, shall be entered on the visa.

(b) Cases in which a physical visa is not placed in passport. In the following cases a physical visa shall be placed on the prescribed Form DS–232. In issuing such a visa, a notation shall be made on the Form DS–232 on which the visa is placed, specifying the pertinent subparagraph of this paragraph under which the action is taken.

(1) The alien’s passport was issued by a government with which the United States does not have formal diplomatic relations, unless the Department has specifically authorized the placing of the visa in such passport;

(2) The passport requirement has been waived; or

(3) In other cases as authorized by the Department.

(c) Visa format. A machine-readable visa shall be in the format designated by the Department, and contain, at a minimum, the following data:

(1) Full name of the applicant;

(2) Visa type/class;

(3) Location of the visa issuing office;

(4) Passport number;

(5) Sex;

(6) Date of birth;

(7) Nationality;

(8) Number of applications for admission authorized, or the letter “M” for multiple applications for admission authorized;

(9) Date of issuance;

(10) Date of expiration;

(11) Visa control number.

(d) Insertion of name, petition, and derivative status notation. (1) The surname and given name of the visa recipient shall be shown on the visa in the space provided.

(2) If the visa is being issued upon the basis of a petition approved by the Secretary of Homeland Security, the number of the petition, if any, the period for which the alien’s admission has been authorized, and the name of the petitioner shall be reflected in the annotation field on the visa.

(3) In the case of an alien who derives status from a principal alien, the name of the principal alien and of the petitioner shall be reflected in the annotation field of the visa.

(e) Period of validity. If a nonimmigrant visa is issued for an unlimited number of applications for admission within the period of validity, the letter “M” shall be shown under the word “entries”. Otherwise the number of permitted applications for admission shall be identified numerically. The date of issuance and the date of expiration of the visa shall be shown at the appropriate places in the visa by day, month, and year in that order. The standard three letter abbreviation for the month shall be used in all cases.

(f) Restriction to specified port(s) of entry. If a nonimmigrant visa is valid
§ 41.121  Refusal of individual visas.

(a) Grounds for refusal. Nonimmigrant visa refusals must be based on legal grounds, such as one or more provisions of INA 212(a), INA 212(e), INA 214(b), (f) or (l) (as added by Section 625 of Pub. L. 104–208), INA 221(g), or INA 222(g) or other applicable law. Certain classes of nonimmigrant aliens are exempted from specific provisions of INA 212(a) under INA 102 and, upon a basis of reciprocity, under INA 212(d)(8). When a visa application has been properly completed and executed in accordance with the provisions of INA and the implementing regulations, the consular officer must either issue or refuse the visa.

(b) Refusal procedure. (1) When a consular officer knows or has reason to believe a visa applicant is ineligible and refuses the issuance of a visa, he or she must inform the alien of the ground(s) of ineligibility (unless disclosure is barred under INA 212(b)(2) or (3)) and whether there is, in law or regulations, a mechanism (such as a waiver) to overcome the refusal. The officer shall note the reason for the refusal on the application. Upon refusing the nonimmigrant visa, the consular officer shall retain the original of each document upon which the refusal was based, as well as each document indicating a possible ground of ineligibility, and should return all other supporting documents supplied by the applicant.

(2) If an alien, who has not yet filed a visa application, seeks advice from a consular officer, who knows or has reason to believe that the alien is ineligible to receive a visa on grounds which cannot be overcome by the presentation of additional evidence, the officer shall so inform the alien. The consular officer shall inform the applicant of the provision of law or regulations upon which a refusal of a visa, if applied for, would be based (subject to the exception in paragraph (b)(1) of this section). If practicable, the consular officer should request the alien to execute a nonimmigrant visa application in order to make a formal refusal. If the individual fails to execute a visa application in these circumstances, the consular officer shall treat the matter as if a visa had been refused and create a record of the presumed ineligibility which shall be filed in the consular office.

(3) If an alien, who has not yet filed a visa application, seeks advice from a consular officer, who knows or has reason to believe that the alien is ineligible to receive a visa on grounds which cannot be overcome by the presentation of additional evidence, the officer shall so inform the alien. The consular officer shall inform the applicant of the provision of law or regulations upon which a refusal of a visa, if applied for, would be based (subject to the exception in paragraph (b)(1) of this section). If practicable, the consular officer should request the alien to execute a nonimmigrant visa application in order to make a formal refusal. If the individual fails to execute a visa application in these circumstances, the consular officer shall treat the matter as if a visa had been refused and create a record of the presumed ineligibility which shall be filed in the consular office.
evidence, a review of the refusal may be deferred for not more than 120 days. If the reviewing officer disagrees with the decision and he or she has a consular commission and title, the reviewing officer can assume responsibility and readjudicate the case. If the reviewing officer does not have a consular commission and title, he or she must consult with the adjudicating officer, or with the Visa Office, to resolve any disagreement.

(d) Review of refusal by Department. The Department may request a consular officer in a specific case or in specified classes of cases to submit a report if a visa has been refused. The Department will review each report and may furnish an advisory opinion to the consular officer for assistance in considering the case further. If the officer believes that action contrary to an advisory opinion should be taken, the case shall be resubmitted to the Department with an explanation of the proposed action. Rulings of the Department concerning an interpretation of law, as distinguished from an application of the law to the facts, shall be binding upon consular officers.

§ 41.122 Revocation of visas.

(a) Grounds for revocation by consular officers. A consular officer, the Secretary, or a Department official to whom the Secretary has delegated this authority is authorized to revoke a nonimmigrant visa at any time, in his or her discretion.

(b) Provisional revocation. A consular officer, the Secretary, or any Department official to whom the Secretary has delegated this authority may provisionally revoke a nonimmigrant visa while considering information related to whether a visa holder is eligible for the visa. Provisional revocation shall have the same force and effect as any other visa revocation under INA 221(i).

(c) Notice of revocation. Unless otherwise instructed by the Department, a consular officer shall, if practicable, notify the alien to whom the visa was issued that the visa was revoked or provisionally revoked. Regardless of delivery of such notice, once the revocation has been entered into the Department’s Consular Lookout and Support System (CLASS), the visa is no longer to be considered valid for travel to the United States. The date of the revocation shall be indicated in CLASS and on any notice sent to the alien to whom the visa was issued.

(d) Procedure for physically canceling visas. A nonimmigrant visa that is revoked shall be canceled by writing or stamping the word “REVOKED” plainly across the face of the visa, if the visa is available to the consular officer. The failure or inability to physically cancel the visa does not affect the validity of the revocation.

(e) Revocation of visa by immigration officer. An immigration officer is authorized to revoke a valid visa by physically canceling it in accordance with the procedure described in paragraph (d) of this section if:

(1) The alien obtains an immigrant visa or an adjustment of status to that of permanent resident;

(2) The alien is ordered excluded from the United States under INA 236, as in effect prior to April 1, 1997, or removed from the United States pursuant to INA 235;

(3) The alien is notified pursuant to INA 235 by an immigration officer at a port of entry that the alien appears to be inadmissible to the United States, and the alien requests and is granted permission to withdraw the application for admission;

(4) A final order of deportation or removal or a final order granting voluntary departure with an alternate order of deportation or removal is entered against the alien;

(5) The alien has been permitted by DHS to depart voluntarily from the United States;

(6) DHS has revoked a waiver of inadmissibility granted pursuant to INA 212(d)(3)(A) in relation to the visa that was issued to the alien;

(7) The visa is presented in connection with an application for admission to the United States by a person other than the alien to whom the visa was issued;

(8) The visa has been physically removed from the passport in which it was issued; or
(9) The visa has been issued in a combined Mexican or Canadian B–1/B–2 visa and border crossing identification card, and the immigration officer makes the determination specified in §41.32(c) with respect to the alien’s Mexican citizenship and/or residence or the determination specified in §41.33(b) with respect to the alien’s status as a permanent resident of Canada.

§ 42.12 Rules of chargeability.

(a) Applicability. An immigrant shall be charged to the numerical limitation for the foreign state or dependent area of birth, unless the case falls within one of the exceptions to the general rule of chargeability provided by INA 202(b) and paragraphs (b) through (e) of this section to prevent the separation of families or the alien is classifiable under:

(1) INA 201(b);
§ 42.21 Immediate relatives.

(a) Entitlement to status. An alien who is a spouse or child of a United States citizen, or a parent of a U.S. citizen at least 21 years of age, shall be classified as an immediate relative under INA 201(b) if the consular officer has received from DHS an approved Petition to Classify Status of Alien Relative for Issuance of an Immigrant Visa, filed on the alien’s behalf by the U.S. citizen and approved in accordance with INA 204, and the officer is satisfied that the alien has the relationship claimed in the petition. An immediate relative shall be documented as such unless the U.S. citizen refuses to file the required petition, or unless the immediate relative is also a special immigrant under INA 101(a)(27) (A) or (B) and not subject to any numerical limitation.

(b) Spouse of a deceased U.S. citizen. The spouse of a deceased U.S. citizen, and each child of the spouse, will be entitled to immediate relative status after the date of the citizen’s death provided the spouse or child meets the criteria of INA 201(b)(2)(A)(i) or of section 423(a)(1) of Public Law 107–56 (USA Patriot Act) and the Consular Officer has received an approved petition from the DHS which accords such status, or official notification of such approval, and the Consular Officer is satisfied that the alien meets those criteria.

(c) Child of a U.S. citizen victim of terrorism. The child of a U.S. citizen slain in the terrorist actions of September 11, 2001, shall retain the status of an immediate relative child (regardless of changes in age or marital status) if the child files a petition for such status within two years of the citizen’s death pursuant to section 423(a)(2) of Public Law 107–56, and the consular officer has received an approved petition according to such status or official notification of such approval.

§ 42.22 Returning resident aliens.

(a) Requirements for returning resident status. An alien shall be classifiable as a special immigrant under INA 101(a)(27)(A) if the consular officer is satisfied from the evidence presented that:

(1) The alien had the status of an alien lawfully admitted for permanent residence at the time of departure from the United States;

(2) The alien departed from the United States with the intention of returning and has not abandoned this intention; and

(3) The alien is returning to the United States from a temporary visit abroad and, if the stay abroad was protracted, this was caused by reasons beyond the alien's control and for which the alien was not responsible.

(b) Documentation needed. Unless the consular officer has reason to question the legality of the alien's previous admission for permanent residence or the alien's eligibility to receive an immigrant visa, only those records and documents required under INA 222(b) which relate to the period of residence in the United States and the period of the temporary visit abroad shall be required. If any required record or document is unobtainable, the provisions of §42.65(d) shall apply.

(c) Returning resident alien originally admitted under the Act of December 28, 1945. An alien admitted into the United States under Section 1 of the Act of December 28, 1945 ("GI Brides Act") shall not be refused an immigrant visa, only those records and documents required under INA 222(b) which relate to the period of residence in the United States and the period of the temporary visit abroad shall be required. If any required record or document is unobtainable, the provisions of §42.65(d) shall apply.

§ 42.23 Certain former U.S. citizens.

(a) Women expatriates. An alien woman, regardless of marital status, shall be classifiable as a special immigrant under INA 101(a)(27)(B) if the consular officer is satisfied by appropriate evidence that the alien was formerly a U.S. citizen and that the alien lost citizenship under the circumstances set forth in INA 327.

(b) Military expatriates. An alien shall be classifiable as a special immigrant under INA 101(a)(27)(B) if the consular officer is satisfied by appropriate evidence that the alien was formerly a U.S. citizen and that the alien lost citizenship under the circumstances set forth in INA 327.

(a) Except as described in paragraph (n), for purposes of this section, the definitions in 22 CFR 96.2 apply.

(b) On or after the Convention effective date, as defined in 22 CFR 96.17, a child habitually resident in a Convention country who is adopted by a United States citizen deemed to be habitually resident in the United States in accordance with applicable DHS regulations must qualify for visa status under the provisions of INA section 101(b)(1)(G) as provided in this section. Such a child shall not be accorded status under INA section 101(b)(1)(F), provided that a child may be accorded status under INA section 101(b)(1)(F) if Form I-600A or I-600 was filed before the Convention effective date. Although this part 42 generally applies to the issuance of immigrant visas, this section 42.24 may also provide the basis for issuance of a nonimmigrant visa to permit a Convention adoptee to travel to the United States for purposes of naturalization under INA section 322.

(c) The provisions of this section govern the operations of consular officers in processing cases involving children for whom classification is sought under INA section 101(b)(1)(G), unless the Secretary of State has personally waived any requirement of the IAA or these regulations in a particular case in the interests of justice or to prevent grave physical harm to the child, to the extent consistent with the Convention.

(d) An alien child shall be classifiable under INA section 101(b)(1)(G) only if, before the child is adopted or legal custody for the purpose of adoption is granted, a petition for the child has been received and provisionally approved by a DHS officer or, where authorized by DHS, by a consular officer, and a visa application for the child has been received and annotated in accordance with paragraph (h) of this section.
by a consular officer. No alien child shall be issued a visa pursuant to INA section 101(b)(1)(G) unless the petition and visa application are finally approved.

(e) If a petition for a child under INA section 101(b)(1)(G) is properly filed with a consular officer, the consular officer will review the petition for the purpose of determining whether it can be provisionally approved in accordance with applicable DHS requirements. If a properly completed application for waiver of inadmissibility is received by a consular officer at the same time that a petition for a child under INA section 101(b)(1)(G) is received, provisional approval cannot take place unless the waiver is approved, and therefore the consular officer, pursuant to 8 CFR 204.313(i)(3) and 8 CFR 212.7, will forward the petition and the waiver application to DHS for decisions as to approval of the waiver and provisional approval of the petition. If a petition for a child under INA section 101(b)(1)(G) is received by a DHS officer, the consular officer will conduct any reviews, determinations or investigations requested by DHS with regard to the petition and classification determination in accordance with applicable DHS procedures.

(f) A petition shall be provisionally approved by the consular officer if, in accordance with applicable DHS requirements, it appears that the child will be classifiable under INA section 101(b)(1)(G) and that the proposed adoption or grant of legal custody will be in compliance with the Convention. If the consular officer knows or has reason to believe the petition is not provisionally approvable, the consular officer shall forward it to DHS pursuant to 8 CFR 204.313(i)(3).

(g) After a petition has been provisionally approved, a completed visa application form, any supporting documents required pursuant to §42.63 and §42.65, and any required fees must be submitted to the consular officer in accordance with §42.61 for a provisional review of visa eligibility. The requirements in §§42.62, 42.64, 42.66 and 42.67 shall also be satisfied to the extent practicable.

(h) A consular officer shall provisionally determine visa eligibility based on a review of the visa application, submitted supporting documents, and the provisionally approved petition. In so doing, the consular officer shall follow all procedures required to adjudicate the visa to the extent possible in light of the degree of compliance with §§42.62 through 42.67. If it appears, based on the available information, that the child would not be ineligible under INA section 212 or other applicable law to receive a visa, the consular officer shall so annotate the visa application. If evidence of an ineligibility is discovered during the review of the visa application, and the ineligibility was not waived in conjunction with provisional approval of the petition, the prospective adoptive parents shall be informed of the ineligibility and given an opportunity to establish that it will be overcome. If the visa application cannot be annotated as described above, the consular officer shall deny the visa in accordance with §42.81, regardless of whether the application has yet been executed in accordance with §42.67(a); provided however that, in cases in which a waiver may be available under the INA and the consular officer determines that the visa application appears otherwise approvable, the consular officer shall inform the prospective adoptive parents of the procedure for applying to DHS for a waiver. If in addition the consular officer comes to know or have reason to believe that the petition is not clearly approvable as provided in 8 CFR 204.313(i)(3), the consular officer shall forward the petition to DHS pursuant to that section.

(i) If the petition has been provisionally approved and the visa application has been annotated in accordance with subparagraph (h), the consular officer shall notify the country of origin that the steps required by Article 5 of the Convention have been taken.

(j) After the consular officer has received appropriate notification from the country of origin that the adoption or grant of legal custody has occurred and any remaining requirements established by DHS or §§42.61 through 42.67 have been fulfilled, the consular officer, if satisfied that the requirements of the IAA and the Convention have been met with respect to the adoption or grant of legal custody, shall affix to
the adoption decree or grant of legal custody a certificate so indicating. This certificate shall constitute the certification required by IAA section 301(a) and INA section 204(d)(2). For purposes of determining whether to issue a certificate, the fact that a consular officer notified the country of origin pursuant to paragraph (i) of this section that the steps required by Article 5 of the Convention had been taken and the fact that the country of origin has provided appropriate notification that the adoption or grant of legal custody has occurred shall together constitute prima facie evidence of compliance with the Convention and the IAA.

(k) If the consular officer is unable to issue the certificate described in paragraph (j) of this section, the consular officer shall notify the country of origin of the consular officer’s decision.

(l) After the consular officer determines whether to issue the certificate described in paragraph (j) of this section, the consular officer shall finally adjudicate the petition and visa application in accordance with standard procedures.

(m) If the consular officer is unable to give final approval to the visa application or the petition, then the consular officer shall forward the petition to DHS, pursuant to §42.43 or 8 CFR 204.313(i)(3), as applicable, for appropriate action in accordance with applicable DHS procedures, and/or refuse the visa application in accordance with §42.43.

(n) Notwithstanding paragraphs (d) through (m) of this section, an alien described in paragraph (n)(1) of this section may qualify for visa status under INA section 101(b)(1)(G)(i)(V)(aa) without meeting the requirements set forth in paragraphs (d) through (m) of this section.

(1) Per Section 4(b) of the Intercountry Adoption Simplification Act, Public Law 111-287 (IAA), an alien otherwise described in INA section 101(b)(1)(G)(ii) who attained the age of 18 on or after January 1, 1977, the petitioner must be at least twenty-one years of age.

(b) Entitlement to derivative status. Pursuant to INA 203(d), and whether or not named in the petition, the child of a family-sponsored first, second, third or fourth preference immigrant or the
spouse of a family-sponsored third or fourth preference immigrant, if not otherwise entitled to an immigrant status and the immediate issuance of a visa, is entitled to a derivative status corresponding to the classification and priority date of the beneficiary of the petition.

No fee will be collected at the time of submission of a petition, but a processing fee may be collected at a later date, as provided in paragraph (i) of this section. The Department will establish a period of not less than thirty days during each fiscal year within which aliens may submit petitions for approval of eligibility to apply for visa issuance during the following fiscal year. Each fiscal year the Department will give timely notice of both the website address and the exact dates of the petition submission period, as well as other pertinent information, through publication in the FEDERAL REGISTER and such other methods as will ensure the widest possible dissemination of the information, both abroad and within the United States.

(c) Processing of petitions. Entries received during the petition submission period established for the fiscal year in question and meeting all of the requirements of paragraph (b) of this section will be assigned a number in a separate numerical sequence established for each regional area specified in INA 203(c)(1)(F). Upon completion of the numbering of all petitions, all numbers assigned for each region will be separately rank-ordered at random by a computer using standard computer software for that purpose. The Department will then select in the rank orders determined by the computer program a quantity of petitions for each region estimated to be sufficient to ensure, to the extent possible, usage of all immigrant visas authorized under INA 203(c) for the fiscal year in question. The Department will consider petitions selected in this manner to have been approved for the purposes of this section.

(d) Validity of approved petitions. A petition approved pursuant to paragraph (c) of this section will be valid for a period not to exceed Midnight of the last day of the fiscal year for which the petition was approved. (e) Order of consideration. Consideration for visa issuance to aliens whose petitions have been approved pursuant to paragraph (c) of this section will be in the regional rank orders established pursuant that paragraph.

(f) Allocation of visa numbers. To the extent possible, diversity immigrant visa numbers will be allocated in accordance with INA 203(c)(1)(E) and will be allotted only during the fiscal year for which a petition to accord diversity immigrant status was submitted and approved. Under no circumstances will immigrant visa numbers be allotted after midnight of the last day of the fiscal year for which the petition was submitted and approved.

(g) Further processing. The Department will inform applicants whose petitions have been approved pursuant to paragraph (c) of this section of the steps necessary to meet the requirements of INA 222(b) in order to apply formally for an immigrant visa.

§ 42.41 Effect of approved petition.

Consular officers are authorized to grant to an alien the immediate relative or preference status accorded in a petition approved in the alien’s behalf upon receipt of the approved petition or official notification of its approval. The status shall be granted for the period authorized by law or regulation. The approval of a petition does not relieve the alien of the burden of establishing the satisfaction of the consular officer that the alien is eligible in all respects to receive a visa.

§ 42.42 Petitions for immediate relative or preference status.

Petition for immediate relative or preference status. The consular officer may not issue a visa to an alien as an immediate relative entitled to status under 203(b), a family-sponsored immigrant entitled to preference status under 203(a)(1)–(4), or an employment-based preference immigrant entitled to status under INA 203(b)(1)–(5), unless the officer has received a petition filed and approved in accordance with INA 204 or official notification of such filing and approval.

§ 42.43 Suspension or termination of action in petition cases.

(a) Suspension of action. The consular officer shall suspend action in a petition case and return the petition, with a report of the facts, for reconsideration by DHS if the petitioner requests suspension of action, or if the officer knows or has reason to believe that approval of the petition was obtained by fraud, misrepresentation, or other unlawful means, or that the beneficiary is not entitled, for some other reason, to the status approved.

(b) Termination of action. (1) The consular officer shall terminate action in a petition case upon receipt from DHS of notice of revocation of the petition in accordance with DHS regulations.

(2) The consular officer shall terminate action in a petition case subject to the provisions of INA 203(g) in accordance with the provisions of § 42.83.

Source: 56 FR 51174, Oct. 19, 1991, unless otherwise noted.

§ 42.51 Department control of numerical limitations.

(a) Centralized control. Centralized control of the numerical limitations on immigration specified in INA 201, 202, and 203 is established in the Department. The Department shall limit the number of immigrant visas that may be issued and the number of adjustments of status that may be granted to aliens subject to these numerical limitations to a number:

(1) Not to exceed 27 percent of the world-wide total made available under INA 203 (a), (b) and (c) in any of the first three quarters of any fiscal year; and

(2) Not to exceed, in any month of a fiscal year, 10% of the world-wide total
made available under INA 203 (a), (b) and (c) plus any balance remaining from authorizations for preceding months in the same fiscal year.

(b) Allocation of numbers. Within the foregoing limitations, the Department shall allocate immigrant visa numbers for use in connection with the issuance of immigrant visas and adjustments based on the chronological order of the priority dates of visa applicants classified under INA 203 (a) and (b) reported by consular officers pursuant to §42.55(b) and of applicants for adjustment of status as reported by officers of the DHS, taking into account the requirements of INA 202(e) in such allocations. In the case of applicants under INA 203(c), visa numbers shall be allocated within the limitation for each specified geographical region in the random order determined in accordance with sec. 42.33(c) of this part.

(c) Recaptured visa numbers. An immigrant visa number shall be returned to the Department for reallocation within the fiscal year in which the visa was issued when:

1. An immigrant having an immigrant visa is excluded from the United States and deported;
2. An immigrant does not apply for admission to the United States before the expiration of the validity of the visa;
3. An alien having a preference immigrant visa is found not to be a preference immigrant; or
4. An immigrant visa is revoked pursuant to §42.82.

§42.52 Post records of visa applications.

(a) Waiting list. Records of individual visa applicants entitled to an immigrant classification and their priority dates shall be maintained at posts at which immigrant visas are issued. These records shall indicate the chronological and preferential order in which consideration may be given to immigrant visa applications within the several immigrant classifications subject to the numerical limitations specified in INA 201(b)(2) and 101(a)(27) (A) and (B) which are not subject to numerical limitations. The records which pertain to applicants subject to numerical limitations constitute "waiting lists" within the meaning of INA 203(e)(3) as redesignated by the Immigration Act of 1990.

(b) Entitlement to immigrant classification. An alien shall be entitled to immigrant classification if the alien:
1. Is the beneficiary of an approved petition according immediate relative or preference status;
2. Has satisfied the consular officer that the alien is entitled to special immigrant status under INA 101(a)(27) (A) or (B);
3. Is entitled to status as a Vietnam Amerasian under section 584(b)(1) of section 101(e) of Public Law 100–202 as amended by Public Law 101–167 and re-amended by Public Law 101–513; or
4. Beginning in FY–95, is entitled to status as a diversity immigrant under INA 203(c).

(c) Record made when entitlement to immigrant classification is established. (1) A record that an alien is entitled to an immigrant visa classification shall be made whenever the consular officer is satisfied—or receives evidence—that the alien is within the criteria set forth in paragraph (b) of this section.

2. A separate record shall be made of family members entitled to derivative immigrant status whenever the consular officer determines that a spouse or child is chargeable to a different foreign state or other numerical limitation than the principal alien. The provisions of INA 202(b) are to be applied as appropriate when either the spouse or parent is reached on the waiting list.

3. A separate record shall be made of a spouse or child entitled to derivative immigrant status whenever the consular officer determines that the principal alien intends to precede the family.

§42.53 Priority date of individual applicants.

(a) Preference applicant. The priority date of a preference visa applicant under INA 203 (a) or (b) shall be the
§ 42.54 Order of consideration.

(a) General. Consular officers shall request applicants to take the steps necessary to meet the requirements of INA 222(b) in order to apply formally for a visa as follows:

(1) In the chronological order of the priority dates of all applicants within each of the immigrant classifications specified in INA 203 (a) and (b); and

(2) In the random order established by the Secretary of State for each region for the fiscal year for applicants entitled to status under INA 203(c).

(b) Documentarily qualified applicants. Consular officers shall also report periodically, as the Department may direct, the number and priority dates of all applicants described in paragraph (a) of this section who have informed the consular office that they have obtained the documents required under INA 222(b), for whom the necessary clearance procedures have been completed.

§ 42.55 Reports on numbers and priority dates of applications on record.

(a) Consular officers shall report periodically, as the Department may direct, the number and priority dates of all applicants subject to the numerical limitations prescribed in INA 201, 202, and 203 whose immigrant visa applications have been recorded in accordance with §42.52(c).

(b) Derivative priority date for spouse or child of principal alien. A spouse or child of a principal alien acquired prior to the principal alien’s admission shall be entitled to the priority date of the principal alien, whether or not named in the immigrant visa application of the principal alien. A child born of a marriage which existed at the time of a principal alien’s admission to the United States is considered to have been acquired prior to the principal alien’s admission.

Subpart G—Application for Immigrant Visas

§ 42.61 Place of application.

(a) Alien to apply in consular district of residence. Unless otherwise directed by the Department, an alien applying for an immigrant visa shall make application at the consular office having jurisdiction over that area if the alien can establish that he or she will be able to remain in the area for the period required to process the application. Finally, a consular office may, as a matter of discretion, or shall, at the direction of the Department, accept an immigrant visa application from an alien who is neither a resident of, nor physically present in, the United States shall be considered to be a resident of the area of his or her last residence prior to entry into the United States.

(b) Transfer of immigrant visa cases. (1) All documents, papers, and other evidence relating to an applicant whose case is pending or has been refused at one post may be transferred to another post at the applicant’s request and risk when there is reasonable justification for the transfer and the transferring post has no reason to believe that the alien will be unable to appear at the receiving post.
(2) Any approved petition granting immediate relative or preference status should be included among the documents when a case is transferred from one post to another.

(3) In no case may a visa number be transferred from one post to another. A visa number which cannot be used as a result of the transfer must be returned to the Department immediately.

§ 42.62 Personal appearance and interview of applicant.

(a) Personal appearance of applicant before consular officer. Every alien applying for an immigrant visa, including an alien whose application is executed by another person pursuant to § 42.63(a)(2), shall be required to appear personally before a consular officer for the execution of the application or, if in Taiwan, before a designated officer of the American Institute in Taiwan, except that the personal appearance of any child under the age of 14 may be waived at the officer’s discretion.

(b) Interview by consular officer. Every alien executing an immigrant visa application must be interviewed by a consular officer who shall determine on the basis of the applicant’s representations and the visa application and other relevant documentation—

(1) The proper immigrant classification, if any, of the visa applicant, and

(2) The applicant’s eligibility to receive a visa.

The officer has the authority to require that the alien answer any question deemed material to these determinations.

§ 42.63 Definitions.

(a) Application forms—(1) Application on Form DS–230 or Form DS–260 required. Every alien applying for an immigrant visa must make application, as directed by the consular officer, on Form DS–230, Application for Immigrant Visa and Alien Registration, or on Form DS–260, Electronic Application for Immigrant Visa and Alien Registration. This requirement may not be waived. Form DS–230 consists of parts I and II which, together, are meant in any reference to this Form.

(2) Application of alien under 14 or physically incapable. The application on Form DS–230 or on Form DS–260 for an alien under 14 years of age or one physically incapable of completing an application may be executed by the alien’s parent or guardian, or, if the alien has no parent or guardian, by any person having legal custody of, or a legitimate interest in, the alien.

(b) Preparation of forms. The consular officer shall ensure that Form DS–230 or Form DS–260 and all other forms an alien is required to submit are fully and properly completed in accordance with the applicable regulations and instructions.

(c) Additional information as part of application. The officer may require the submission of additional information or question the alien on any relevant matter whenever the officer believes that the information provided in Form DS–230 or Form DS–260 is inadequate to determine the alien’s eligibility to receive an immigrant visa. Additional statements made by the alien become a part of the visa application. All documents required under the authority of § 42.62 are considered papers submitted with the alien’s application within the meaning of INA 221(g)(1).

[75 FR 45476, Aug. 3, 2010]

§ 42.64 Passport requirements.

(a) Passport defined. Passport, as defined in INA 101(a)(30), is not limited to a national passport or to a single document. A passport may consist of two or more documents which, when considered together, fulfill the requirements of a passport, provided that documentary evidence of permission to enter a foreign country has been issued by a competent authority and clearly meets the requirements of INA 101(a)(30).

(b) Passport validity requirements. Except as provided in § 42.2, every applicant for an immigrant visa shall present a passport, as defined in INA 101(a)(30), that is valid for at least 60 days beyond the period of validity of the visa. The 60-day additional validity requirement does not apply to an applicant who would be excepted as provided in § 42.2 were it not for the fact that the applicant is applying in the country of
which the applicant is a national and the possession of a passport is required for departure. Such an applicant may be issued a visa valid for 6 months or for such shorter period as will assure its expiration in unison with the passport.

(c) A single passport including more than one person. The passport requirement of this section may be met by the presentation of a passport including more than one person, if such inclusion is authorized under the laws or regulations of the issuing authority and if a photograph of each person 16 years of age or over is attached to the passport by the issuing authority.

§ 42.65 Supporting documents.

(a) Authority to require documents. The consular officer is authorized to require documents considered necessary to establish the alien’s eligibility to receive an immigrant visa. All such documents submitted and other evidence presented by the alien, including briefs submitted by attorneys or other representatives, shall be considered by the officer.

(b) Basic documents required. An alien applying for an immigrant visa shall be required to furnish, if obtainable: A copy of a police certificate or certificates; a certified copy of any existing prison record, military record, and record of birth; and a certified copy of all other records or documents which the consular officer considers necessary.

(c) Definitions. (1) Police certificate means a certification by the police or other appropriate authorities reporting information entered in their records relating to the alien. In the case of the country of an alien’s nationality and the country of an alien’s current residence (as of the time of visa application) the term “appropriate police authorities” means those of a country, area or locality in which the alien has resided for at least six months. In the case of all other countries, areas, or localities, the term “appropriate police authorities” means the authorities of any country, area, or locality in which the alien has resided for at least one year. A consular officer may require a police certificate regardless of length of residence in any country if he or she has reason to believe that a police record exists in the country, area, or locality concerned.

(2) Prison record means an official document containing a report of the applicant’s record of confinement and conduct in a penal or correctional institution.

(3) Military record means an official document containing a complete record of the applicant’s service and conduct while in military service, including any convictions of crime before military tribunals as distinguished from other criminal courts. A certificate of discharge from the military forces or an enrollment book belonging to the applicant shall not be acceptable in lieu of the official military record, unless it shows the alien’s complete record while in military service. The applicant may, however, be required to present for inspection such a discharge certificate or enrollment book if deemed necessary by the consular officer to establish the applicant’s eligibility to receive a visa.

(4) A certified copy of an alien’s record of birth means a certificate issued by the official custodian of birth records in the country of birth showing the date and place of birth and the parentage of the alien, based upon the original registration of birth.

(5) Other records or documents include any records or documents establishing the applicant’s relationship to a spouse or children, if any, and any records or documents pertinent to a determination of the applicant’s identity, classification, or any other matter relating to the applicant’s visa eligibility.

(d) Unobtainable documents. (1) If the consular officer is satisfied, or the catalogue of available documents prepared by the Department indicates, that any document or record required under this section is unobtainable, the officer may permit the immigrant to submit other satisfactory evidence in lieu of such document or record. A document or other record shall be considered unobtainable if it cannot be procured without causing to the applicant or a family member actual hardship as
opposed to normal delay and inconvenience.

(2) If the consular officer determines that a supporting document, as described in paragraph (b) of this section, is in fact unobtainable, although the catalogue of available documents shows it is available, the officer shall affix to the visa application a signed statement describing in detail the reasons for considering the record or document unobtainable and for accepting the particular secondary evidence attached to the visa.

(e) Authenticity of records and documents. If the consular officer has reason to believe that a required record or document submitted by an applicant is not authentic or has been altered or tampered with in any material manner, the officer shall take such action as may be necessary to determine its authenticity or to ascertain the facts to which the record or document purports to relate.

(f) Photographs. Every alien shall furnish color photographs of the number and specifications prescribed by the Department, except that, in countries where facilities for producing color photographs are unavailable as determined by the consular officer, black and white photographs may be substituted.

§ 42.66 Medical examination.

(a) Medical examination required of all applicants. Before the issuance of an immigrant visa, the consular officer shall require every alien, regardless of age, to undergo a medical examination in order to determine eligibility to receive a visa.

(b) Examination by physician from approved panel. The required examination shall be conducted in accordance with requirements and procedures established by the United States Public Health Service and by a physician selected by the alien from a panel of physicians approved by the consular officer.

(c) Facilities required for panel physician. A consular officer shall not include the name of a physician on the panel of physicians referred to in paragraph (b) of this section unless the physician has facilities to perform required serological and X-ray tests or is in a position to refer applicants to a qualified laboratory for such tests.

§ 42.67 Execution of application, registration, and fingerprinting.

(a) Execution of visa application—(1) Application fee. A fee is prescribed for each application for an immigrant visa. It shall be collected prior to the execution of the application and a receipt shall be issued.

(2) Oath and signature on Form DS–230. The applicant shall be required to read the Form DS–230, Application for Immigrant Visa and Alien Registration, when it is completed, or it shall be read to the applicant in the applicant’s language, or the applicant shall otherwise be informed of its full contents. Applicants shall be asked whether they are willing to subscribe thereto. If the applicant is not willing to subscribe to the application unless changes are made in the information stated therein, the required changes shall be made. The application shall then be sworn to or affirmed and signed by or on behalf of the applicant before a consular officer, or a designated officer of the American Institute of Taiwan, who shall then sign the application over the officer’s title.

(3) Oath and signature on Form DS–260. The applicant shall be required to read the Form DS–260, Electronic Application for Immigrant Visa and Alien Registration, when it has been completed, or it shall be read to the applicant in the applicant’s language, or the applicant shall otherwise be informed of its full contents, before the applicant electronically signs and submits the application to the Department. At the time of the applicant’s interview the applicant shall be asked whether they are willing to subscribe thereto to the information provided on Form DS–260. If the alien is not willing to subscribe to the application unless changes are made in the information stated therein, the required changes shall be made. The application shall then be sworn to or affirmed and signed, biometrically, by or on behalf of the applicant before
§ 42.68 Informal evaluation of family members if principal applicant preceeds them.

(a) Preliminary determination of visa eligibility. If a principal applicant proposes to precede the family to the United States, the consular officer may arrange for an informal examination of the other members of the principal applicant’s family in order to determine whether there exists at that time any mental, physical, or other ground of ineligibility on their part to receive a visa.

(b) When family member ineligible. In the event the consular officer finds that any member of such family would be ineligible to receive an immigrant visa, the principal applicant shall be informed and required to acknowledge receipt of this information in writing.

(c) No guarantee of future eligibility. A determination in connection with an informal examination that an alien appears to be eligible for a visa carries no assurance that the alien will be issued an immigrant visa in the future. The principal applicant shall be so informed and required to acknowledge receipt of this information in writing. The question of visa eligibility can be determined definitively only at the time the family member applies for a visa.

§ 42.71 Authority to issue visas; visa fees.

(a) Authority to issue visas. Consular officers may issue immigrant visas at designated consular offices abroad pursuant to the authority contained in INA 101(a)(16), 221(a), and 224. (Consular offices designated to issue immigrant visas are listed periodically in Visa Office Bulletins published at www.travel.state.gov by the Department of State.) A consular officer assigned to duty in the territory of a country against which the sanctions provided in INA 243(d) have been invoked must not issue an immigrant visa to an alien who is a national, citizen, subject, or resident of that country, unless the officer has been informed that the sanction has been waived by DHS in the case of an individual alien or a specified class of aliens.

(b) Immigrant visa fees. The Secretary of State prescribes a fee for the processing of immigrant visa applications. An individual registered for immigrant visa processing at a post designated for this purpose by the Deputy Assistant Secretary for Visa Services must pay the processing fee upon being notified that a visa is expected to become available in the near future and being requested to obtain the supporting documentation needed to apply formally for a visa. A fee collected for the processing of an immigrant visa application is refundable only if the principal officer of a post or the officer in charge of a consular section determines that the application was not adjudicated as a result of action by the U. S. Government over which the alien had no control and for which the alien was not responsible, that precluded the applicant from benefiting from the processing.

§ 42.72 Validity of visas.

(a) Period of validity. With the exception indicated herein, the period of validity of an immigrant visa shall not exceed six months, beginning with the date of issuance. Any visa issued to a child lawfully adopted by a U.S. citizen and spouse while such citizen is serving
§ 42.73 Procedure in issuing visas.

(a) Insertion of data. In issuing an immigrant visa, the issuing office shall insert the pertinent information in the designated blank spaces provided on Form OF–55B, Immigrant Visa and Alien Registration, in accordance with the instructions contained in this section.

(1) A symbol as specified in § 42.11 shall be used to indicate the classification of the immigrant.

(2) An immigrant visa issued to an alien subject to numerical limitations shall bear a number allocated by the Department. The foreign state or dependent area limitation to which the alien is chargeable shall be entered in the space provided.

(3) No entry need be made in the space provided for foreign state or other applicable area limitation on visas issued to aliens in the classifications set forth in § 42.12(a)(1)–(7), but such visas may be numbered if a post voluntarily uses a consecutive post numbering system.

(4) The date of issuance and the date of expiration of the visa shall be inserted in the proper places on the visa and show the day, month, and year in that order, with the name of the month spelled out, as in “24 December 1986.”

(5) In the event the passport requirement has been waived under § 42.2, a notation shall be inserted in the space provided for the passport number, setting forth the authority (section and paragraph) under which the passport was waived.

(6) A signed photograph shall be attached in the space provided on Form OF–55B by the use of a legend machine, unless specific authorization has been granted by the Department to use the impression seal.

(b) Documents comprising an immigrant visa. An immigrant visa consists of Form OF–55B and Form DS–230, Application for Immigrant Visa and Alien Registration, properly executed, and a
§ 42.74 Issuance of new or replacement visas.

(a) New immigrant visa for a special immigrant under INA 101(a)(27)(A) and (B).

(1) The consular officer may issue a new immigrant visa to a qualified alien entitled to status under 101(a)(27)(A) or (B), who establishes:
   (i) That the original visa has been lost, mutilated or has expired, or
   (ii) The alien will be unable to use it during the period of its validity;

(2) Provided:
   (i) The alien pays anew the application processing fees prescribed in the Schedule of Fees; and
   (ii) The consular officer ascertains whether the original issuing office knows of any reason why a new visa should not be issued.

(b) Replacement immigrant visa for an immediate relative or for an alien subject to numerical limitation.

(1) A consular officer may issue a replacement visa under the original number of a qualified alien entitled to status as an immediate relative (INA 201(b)(2)), a family or employment preference immigrant (INA 203(a) or (b)), or a diversity immigrant (INA 203(c)), if—
   (i) The alien is unable to use the visa during the period of its validity due to reasons beyond the alien’s control;
   (ii) The visa is issued during the same fiscal year in which the original visa was issued, or in the following year, in the case of an immediate relative only, if the original number had been reported as recaptured;
   (iii) The number has not been returned to the Department as a “recaptured visa number” in the case of a preference or diversity immigrant;
   (iv) The alien pays anew the application and processing fees prescribed in the Schedule of Fees; and
   (v) The consular officer ascertains whether the original issuing office knows of any reason why a new visa should not be issued.

(2) In issuing a visa under this paragraph (b), the consular officer shall insert the word “REPLACE” on Form OF–155B, Immigrant Visa and Alien Registration, before the word “IMMIGRANT” in the title of the visa.

(c) Duplicate visas issued within the validity period of the original visa. If the validity of a visa previously issued has not yet terminated and the original visa has been lost or mutilated, a duplicate visa may be issued containing all of the information appearing on the original visa, including the original issuance and expiration dates. The applicant shall execute a new application and provide copies of the supporting documents submitted in support of the original application. The alien must pay anew the application processing fees prescribed in the Schedule of Fees. In issuing a visa under this paragraph, the consular officer shall insert the word “DUPLICATE” on Form OF–155B.
Subpart I—Refusal, Revocation, and Termination of Registration

§ 42.81 Procedure in refusing individual visas.

(a) Issuance or refusal mandatory. When a visa application has been properly completed and executed before a consular officer in accordance with the provisions of INA and the implementing regulations, the consular officer must either issue or refuse the visa under INA 212(a) or INA 221(g) or other applicable law. Every refusal must be in conformance with the provisions of 22 CFR 40.6.

(b) Refusal procedure. A consular officer may not refuse an immigrant visa until either Form DS–230, Application for Immigrant Visa and Alien Registration, or Form DS–260, Electronic Application for Immigrant Visa and Alien Registration, has been executed by the applicant. When an immigrant visa is refused, an appropriate record shall be made in duplicate on a form prescribed by the Department. The form shall be signed and dated by the consular officer. The consular officer shall inform the applicant of the provision of law or implementing regulation on which the refusal is based and of any statutory provision of law or implementing regulation under which administrative relief is available. Each document related to the refusal shall be attached to Form DS–230 for retention in the refusal files. Alternatively, each document related to the refusal shall be electronically scanned and electronically attached to Form DS–260 for retention in the electronic refusal files. Any documents not related to the refusal shall be returned to the applicant. The original copy of a document that was scanned and attached to the DS–260 for the refusal file shall be returned to the applicant. If the ground of ineligibility may be overcome by the presentation of additional evidence and the applicant indicates an intention to submit such evidence, all documents may, with the consent of the alien, be retained in the consular files for a period not to exceed one year. If the refusal as not been overcome within one year, any documents not relating to the refusal shall be removed from the file and returned to the alien.

(c) Review of refusal at consular office. If the grounds of ineligibility upon which the visa was refused cannot be overcome by the presentation of additional evidence, the principal consular officer at a post, or a specifically designated alternate, shall review the case without delay, record the review decision, and sign and date the prescribed form. If the grounds of ineligibility may be overcome by the presentation of additional evidence and the applicant indicates the intention to submit such evidence, a review of the refusal may be deferred. If the principal consular officer or alternate does not concur in the refusal, that officer shall either (1) refer the case to the Department for an advisory opinion, or (2) assume responsibility for final action on the case.

(d) Review of refusal by Department. The Department may request a consular officer in an individual case or in specified classes of cases to submit a report if an immigrant visa has been refused. The Department will review each report and may furnish an advisory opinion to the consular officer for assistance in considering the case further. If the officer believes that action contrary to an advisory opinion should be taken, the case shall be resubmitted to the Department with an explanation of the proposed action. Rulings of the Department concerning an interpretation of law, as distinguished from an application of the law to the facts, are binding upon consular officers.

(e) Reconsideration of refusal. If a visa is refused, and the applicant within one year from the date of refusal adduces further evidence tending to overcome the ground of ineligibility on which the refusal was based, the case shall be reconsidered. In such circumstance, an
§ 42.82 Revocation of visas.

(a) Grounds for revocation by consular officers. A consular officer, the Secretary, or any Department official to whom the Secretary has delegated this authority is authorized to revoke an immigrant visa at any time, in his or her discretion.

(b) Provisional revocation. A consular officer, the Secretary, or any Department official to whom the Secretary has delegated this authority may provisionally revoke an immigrant visa while considering information related to whether a visa holder is eligible for the visa. Provisional revocation shall have the same force and effect as any other visa revocation under INA 221(i).

(c) Notice of revocation. Unless otherwise instructed by the Department, a consular officer shall, if practicable, notify the alien to whom the visa was issued that the visa was revoked or provisionally revoked. Regardless of delivery of such notice, once the revocation has been entered into the Department’s Consular Lookout and Support System (CLASS), the visa is no longer to be considered valid for travel to the United States. The date of the revocation shall be indicated in CLASS and on any notice sent to the alien to whom the visa was issued.

(d) Procedure for physically canceling visas. An immigrant visa that is revoked shall be canceled by writing or stamping the word “REVOKED” plainly across the face of the visa, if the visa is available to the consular officer. The failure or inability to physically cancel the visa does not affect the validity of the revocation.

§ 42.83 Termination of registration.

(a) Termination following failure of applicant to apply for visa. In accordance with INA 204(g), an alien’s registration for an immigrant visa shall be terminated if, within one year after transmission of a notification of the availability of an immigrant visa, the applicant fails to apply for an immigrant visa.

(b) Termination following visa refusal. An alien’s registration for an immigrant visa shall be terminated if, within one year following the refusal of the immigrant visa application under INA 221(g), the alien has failed to present to a consular officer evidence purporting to overcome the basis for refusal.

(c) Notice of termination. Upon the termination of registration under paragraph (a) of this section, the National Visa Center (NVC) shall notify the alien of the termination. The NVC shall also inform the alien of the right to have the registration reinstated if the alien, before the end of the second year after the missed appointment date if paragraph (a) applies, establishes to the satisfaction of the consular officer at the post where the alien is registered that the failure to apply for an immigrant visa was due to circumstances beyond the alien’s control. If paragraph (b) applies, the consular officer at the post where the alien is registered shall, upon the termination of registration, notify the alien of the termination and the right to have the registration reinstated if the alien, before the end of the second year after the INA 221(g) refusal, establishes to the satisfaction of the consular officer at such post that the failure to present evidence purporting to overcome the ineligibility under INA 221(g) was due to circumstances beyond the alien’s control.

(d) Reinstatement of registration. If the consular officer is satisfied that an alien, as provided for in paragraph (c) of this section, has established that failure to apply as scheduled for an immigrant visa or to present evidence purporting to overcome ineligibility under INA 221(g) was due to circumstances beyond the alien’s control, the consular officer shall reinstate the alien’s registration for an immigrant visa. Any petition approved under INA 204(b) which had been automatically revoked as a result of the termination of registration shall be considered to be automatically reinstated if the registration is reinstated.

(e) Interpretation of “circumstances beyond alien’s control”. For the purpose of
this section, the term “circumstances beyond the alien’s control” includes, but is not limited to, an illness or other physical disability preventing the alien from traveling, a refusal by the authorities of the country of an alien’s residence to grant the alien permission to depart as an immigrant, and foreign military service.

§ 46.5 Hearing procedure before special inquiry officer.

(a) The hearing before the special inquiry officer shall be conducted in accordance with the following procedure:

(1) The special inquiry officer shall advise the alien of the rights and privileges accorded him under the provisions of § 46.4.

(2) The special inquiry officer shall enter of record (i) a copy of the order served upon the alien temporarily preventing his departure from the United States, and (ii) a copy of the notice of hearing furnished the alien.

(3) The alien shall be interrogated by the special inquiry officer as to the matters considered pertinent to the proceeding, with opportunity reserved to the alien to testify thereafter in his own behalf, if he so chooses.

(4) The special inquiry officer shall present on behalf of the Government such evidence, including the testimony of witnesses and the certificates or written statements of Government officials or other persons, as may be necessary and available. In the event such certificates or statements are received in evidence, the alien may request and, in the discretion of the special inquiry officer, be given an opportunity to interrogate such officials or persons, by deposition or otherwise, at a time and place and in a manner fixed by the special inquiry officer: Provided, That when in the judgment of the special inquiry officer any evidence relative to the disposition of the case is of a confidential or security nature the disclosure of which would be prejudicial to the interests of the United States, such evidence shall not be presented at the hearing but shall be taken into consideration in arriving at a decision in the case.

(5) The alien may present such additional evidence, including the testimony of witnesses, as is pertinent and available.

(b) A complete verbatim transcript of the hearing, except statements made off the record, shall be recorded. The alien shall be entitled, upon request, to the loan of a copy of the transcript, without cost, subject to reasonable conditions governing its use.

(c) Following the completion of the hearing, the special inquiry officer shall make and render a recommended decision in the case, which shall be governed by and based upon the evidence presented at the hearing and any evidence of a confidential or security nature which the Government may have in its possession. The decision of the special inquiry officer shall recommend (1) that the temporary order preventing the departure of the alien from the United States be made final, or (2) that the temporary order preventing the departure of the alien from the United States be revoked. This recommended decision of the special inquiry officer shall be made in writing and shall set forth the officer's reasons for such decision. The alien concerned shall at his request be furnished a copy...
of the recommended decision of the special inquiry officer, and shall be allowed a reasonable time, not to exceed 10 days, in which to submit representations with respect thereto in writing.

(d) As soon as practicable after the completion of the hearing and the rendering of a decision by the special inquiry officer, the district director shall forward the entire record of the case, including the recommended decision of the special inquiry officer and any written representations submitted by the alien, to the regional commissioner having jurisdiction over his district. After reviewing the record, the regional commissioner shall render a decision in the case, which shall be based upon the evidence in the record and on any evidence or information of a confidential or security nature which he deems pertinent. Whenever any decision is based in whole or in part on confidential or security information not included in the record, the decision shall state that such information was considered. A copy of the regional commissioner’s decision shall be furnished the alien, or his attorney or representative. No administrative appeal shall lie from the regional commissioner’s decision.

(e) Notwithstanding any other provision of this part, the Administrator of the Bureau of Security and Consular Affairs referred to in section 104(b) of the Immigration and Nationality Act, or such other officers of the Department of State as he may designate, after consultation with the Commissioner, or such other officers of the Immigration and Naturalization Service as he may designate, may at any time permit the departure of an individual alien or of a group of aliens from the United States if he determines that such action would be in the national interest. If the Administrator specifically requests the Commissioner to prevent the departure of a particular alien or of a group of aliens, the Commissioner shall not permit the departure of such alien or aliens until he has consulted with the Administrator.

(f) In any case arising under §§ 46.1 to 46.7, the Administrator shall, at his request, be kept advised, in as much detail as he may indicate is necessary, of the facts and of any action taken or proposed.

§ 46.6 Departure from the Canal Zone, the Trust Territory of the Pacific Islands, or outlying possessions of the United States.

(a) In addition to the restrictions and prohibitions imposed by the provisions of this part upon the departure of aliens from the United States, any alien who seeks to depart from the Canal Zone, the Trust Territory of the Pacific Islands, or an outlying possession of the United States shall comply with such other restrictions and prohibitions as may be imposed by regulations prescribed, with the concurrence of the Administrator of the Bureau of Security and Consular Affairs and the Commissioner, by the Governor of the Canal Zone, the High Commissioner of the Trust Territory of the Pacific Islands, or by the governor of an outlying possession of the United States, respectively. No alien shall be prevented from departing from such zone, territory, or possession without first being accorded a hearing as provided in §§ 46.4 and 46.5.

(b) The Governor of the Canal Zone, the High Commissioner of the Trust Territory of the Pacific Islands, or the governor of any outlying possession of the United States shall have the authority to designate any employee or class of employees of the United States as hearing officers for the purpose of conducting the hearing referred to in paragraph (a) of this section. The hearing officer so designated shall exercise the same powers, duties, and functions as are conferred upon special inquiry officers under the provisions of this part. The chief executive officer of such zone, territory, or possession shall, in lieu of the regional commissioner, review the recommended decision of the hearing officer, and shall render a decision in any case referred to him, basing it on evidence in the record and on any evidence or information of a confidential or a security nature which he deems pertinent.

(b) Department means the Department of State of the United States of America.

(c) Secretary means the Secretary of State.

(e) Passport means a travel document issued under the authority of the Secretary of State attesting to the identity and nationality of the bearer.

(g) Designated nationality examiner means a United States citizen employee of the Department of State assigned or employed abroad (permanently or temporarily) and designated by the Deputy Assistant Secretary of State for Overseas Citizen Services, to grant, issue and verify U.S. passports. A designated nationality examiner may adjudicate claims of acquisition and loss of United States nationality and citizenship as required for the purpose of providing passport and related services. The authority of designated nationality examiners shall include the authority to examine, adjudicate, approve and deny passport applications and applications for related services. The authority of designated nationality examiners shall expire upon termination of the employee’s assignment for such duty and may also be terminated at any time by the Deputy Assistant Secretary for Overseas Citizen Services.

§ 50.3 Application for registration.

(a) A person abroad who claims U.S. nationality, or a representative on his behalf, may apply at a consular post for registration to establish his claim to U.S. nationality or to make his residence in the particular consular area a matter of record.

(b) The applicant shall execute the registration form prescribed by the Department and shall submit the supporting evidence required by subpart C of part 51 of this chapter. A diplomatic or consular officer or a designated nationality examiner shall determine the period of time for which the registration will be valid.

§ 50.4 Application for passport.

A claim to U.S. nationality in connection with an application for passport shall be determined by posts abroad in accordance with the regulations contained in part 51 of this chapter.

§ 50.5 Application for registration of birth abroad.

Upon application by the parent(s) or the child’s legal guardian, a consular officer or designated nationality examiner may accept and adjudicate the application for a Consular Report of Birth Abroad of a Citizen of the United States of America for a child born in their consular district. In specific instances, the Department may authorize consular officers and other designated employees to adjudicate the application for a Consular Report of Birth Abroad of a child born outside his/her consular district. Under the supervision of a consular officer, designated nationality examiners shall accept, adjudicate, disapprove and provisionally approve applications for the Consular Report of Birth Abroad. A Consular Report of Birth Abroad may only be issued by a consular officer, who will review a designated nationality examiner’s provisional approval of an application for such report and issue the report if satisfied that the claim to nationality has been established.

§ 50.6 Registration at the Department of birth abroad.

In the time of war or national emergency, passport agents may be designated to complete consular reports of birth for children born at military facilities which are not under the jurisdiction of a consular office. An officer of the Armed Forces having authority to administer oaths may take applications for registration under this section.

(a) Upon application and the submission of satisfactory proof of birth, identity and nationality, and at the time of the reporting of the birth, the consular officer may issue to the parent or legal guardian, when approved and upon payment of a prescribed fee, a Consular Report of Birth Abroad of a Citizen of the United States of America.

(b) Amended and replacement Consular Reports of Birth Abroad of a Citizen of the United States of America may be issued by the Department of State’s Passport Office upon written request and payment of the required fee.

(c) When it reports a birth under §50.6, the Department shall furnish the Consular Report of Birth Abroad of a Citizen of the United States of America to the parent or legal guardian upon application and payment of required fees.

(d) A consular report of birth, or a certification thereof, may be canceled if it appears that such document was illegally, fraudulently, or erroneously obtained, or was created through illegality or fraud. The cancellation under this paragraph of such a document purporting to show the citizenship status of the person to whom it was issued shall affect only the document and not the citizenship status of the person in whose name the document was issued.

A person for or to whom such document has been issued or made shall be given at such person’s last known address, written notice of the cancellation of such document, together with the specific reasons for the cancellation and the procedures for review available under the provisions in 22 CFR 51.81 through 51.89.

(2) In addition, the person shall submit to the Department a statement reciting the person’s identity and acquisition or derivation of U.S. nationality, the facts pertaining to the performance of any act which would otherwise have been expatriative, and his desire to retain his U.S. nationality.

§ 50.30 Resumption of nationality.

(a) Section 324(c) of the Immigration and Nationality Act. (1) A woman formerly a citizen of the United States at birth who wishes to regain her citizenship under section 324(c) of the Immigration and Nationality Act may apply abroad to a diplomatic or consular officer on the form prescribed by the Department to take the oath of allegiance prescribed by section 337 of that Act.

(2) The applicant shall submit documentary evidence to establish eligibility to take the oath of allegiance. If the diplomatic or consular officer or the Department determines, when the application is submitted to the Department, that the applicant is ineligible for resumption of citizenship under section 313 of the Immigration and Nationality Act, the oath shall not be administered.

(b) The Act of June 25, 1936. (1) A woman who has been restored to citizenship by the Act of June 25, 1936, as amended by the Act of July 2, 1940, but who failed to take the oath of allegiance prior to December 24, 1952, as prescribed by the nationality laws, may apply abroad to any diplomatic or consular officer to take the oath of allegiance as prescribed by section 337 of the Immigration and Nationality Act.

(2) The applicant shall submit documentary evidence to establish her eligibility to take the oath of allegiance. If the diplomatic or consular officer or the Department determines, when the application is submitted to the Department, that the applicant is ineligible for resumption of citizenship under section 313 of the Immigration and Nationality Act, the oath shall not be administered.

(c) Certification of repatriation. Upon request and payment of the prescribed fee, a diplomatic or consular officer or the Department shall issue a certified copy of the application and oath administered to a woman repatriated under this section.

(1) A former citizen of the United States who did not retain U.S. citizenship by failure to fulfill residency requirements as set out in Section 201(g) of the 1940 Nationality Act or former 301(b) of the 1952 Immigration and Nationality Act, may regain his/her U.S. citizenship pursuant to Section 324(d) INA, by applying abroad at a diplomatic or consular post, or in the U.S. at any Immigration and Naturalization Service office in the form and manner prescribed by the Department of State and the Immigration and Naturalization Service (INS).

(2) The applicant shall submit documentary evidence to establish eligibility to take the oath of allegiance, which includes proof of birth abroad to a U.S. citizen parent between May 24, 1934 and December 24, 1952. If the diplomatic, consular, INS, or passport officer determines that the applicant is ineligible to regain citizenship under section 313 INA, the oath shall not be administered.

Subpart C—Loss of Nationality

§ 50.40 Certification of loss of U.S. nationality.

(a) Administrative presumption. In adjudicating potentially expatriating
acts pursuant to INA 349(a), the Department has adopted an administrative presumption regarding certain acts and the intent to commit them. U.S. citizens who naturalize in a foreign country, take a routine oath of allegiance; or accept non-policy level employment with a foreign government need not submit evidence of intent to retain U.S. nationality. In these three classes of cases, intent to retain U.S. citizenship will be presumed. A person who affirmatively asserts to a consular officer, after he or she has committed a potentially expatriating act, that it was his or her intent to relinquish U.S. citizenship will lose his or her U.S. citizenship. In other loss of nationality cases, the consular officer will ascertain whether or not there is evidence of intent to relinquish U.S. nationality. (b) Whenever a person admits that he or she had the intent to relinquish citizenship by the voluntary and intentional performance of one of the acts specified in Section 349(a) of the Immigration and Nationality Act, and the person consents to the execution of an affidavit to that effect, the diplomatic or consular officer shall attach such affidavit to the certificate of loss of nationality. (c) Whenever a diplomatic or consular officer has reason to believe that a person, while in a foreign country, has lost his U.S. nationality under any provision of chapter 3 of title III of the Immigration and Nationality Act of 1952, or under any provision of chapter IV of the Nationality Act of 1940, as amended, he shall prepare a certificate of loss of nationality containing the facts upon which such belief is based and shall forward the certificate to the Department. (d) If the diplomatic or consular officer determines that any document containing information relevant to the statements in the certificate of loss of nationality should not be attached to the certificate, the person may summarize the pertinent information in the appropriate section of the certificate and send the documents together with the certificate to the Department. (e) If the certificate of loss of nationality is approved by the Department, a copy shall be forwarded to the Immigration and Naturalization Service, Department of Justice. The diplomatic or consular office in which the certificate was prepared shall then forward a copy of the certificate to the person to whom it relates or his representative.
concerned or another person determined in accordance with guidance issued by the Department to have a legitimate interest.

(b) The primary grounds on which the Department will consider reversing a finding of loss of nationality and vacating a Certificate of Loss of Nationality are:

(1) The law under which the finding of loss was made has been held unconstitutional; or

(2) A major change in the interpretation of the law of expatriation is made as a result of a U.S. Supreme Court decision; or

(3) A major change in the interpretation of the law of expatriation is made by the Department, or is made by a court or another agency and adopted by the Department; and/or

(4) The person presents substantial new evidence, not previously considered, of involuntariness or absence of intent at the time of the expatriating act.

(c) When the Department reverses a finding of loss of nationality, the person concerned shall be considered not to have lost U.S. nationality as of the time the expatriating act was committed, and the Certificate of Loss of Nationality shall be vacated.

(d) Requesting the Department to reverse a finding of loss of nationality and vacate a Certificate of Loss of Nationality is not a prescribed “procedure for administrative appeal” for purposes of §358 of the Immigration and Nationality Act (8 U.S.C. 1501). The Department’s decision in response to such a request is not a prescribed “procedure for administrative appeal” for purposes of §358 of the Immigration and Nationality Act (8 U.S.C. 1501). The issuance of a Certificate of Loss of Nationality by the Department is a “final administrative determination” and “final administrative denial” for purposes of §§338 and 360 of the Immigration and Nationality Act (8 U.S.C. 1501 and 1503), respectively.

The evidence must include three or more public documents, including one government-issued identification with photograph and other acceptable public documents prescribed by the Department.

§ 51.26 Photographs.

The applicant must submit with his or her application photographs as prescribed by the Department that are a good likeness of and satisfactorily identify the applicant.

§ 51.27 Incompetents.

A legal guardian or other person with the legal capacity to act on behalf of a person declared incompetent may execute a passport application on the incompetent person’s behalf.

§ 51.28 Minors.

(a) Minors under age 16—(1) Personal appearance. Minors under 16 years of age applying for a passport must appear in person, unless the personal appearance of the minor is specifically excused by a senior passport authorizing officer, pursuant to guidance issued by the Department. In cases where personal appearance is excused, the person(s) executing the passport application on behalf of the minor shall appear in person and verify the application by oath or affirmation before a person authorized by the Secretary to administer oaths or affirmations, unless these requirements are also excused by a senior passport authorizing officer pursuant to guidance issued by the Department.
(2) Execution of passport application by both parents or by each legal guardian. Except as specifically provided in this section, both parents or each of the minor’s legal guardians, if any, whether applying for a passport for the first time or for a renewal, must execute the application on behalf of a minor under age 16 and provide documentary evidence of parentage or legal guardianship showing the minor’s name, date and place of birth, and the names of the parent or parents or legal guardian.

(3) Execution of passport application by one parent or legal guardian. A passport application may be executed on behalf of a minor under age 16 by only one parent or legal guardian if such person provides:

(i) A notarized written statement or affidavit from the non-applying parent or legal guardian, if applicable, consenting to the issuance of the passport, or

(ii) Documentary evidence that such person is the sole parent or has sole custody of the minor. Such evidence includes, but is not limited to, the following:

(A) A birth certificate providing the minor’s name, date and place of birth and the name of only the applying parent;

(B) A Consular Report of Birth Abroad of a Citizen of the United States of America or a Certification of Report of Birth of a United States Citizen providing the minor’s name, date and place of birth and the name of only the applying parent;

(C) A copy of the death certificate for the non-applying parent or legal guardian;

(D) An adoption decree showing the name of only the applying parent;

(E) An order of a court of competent jurisdiction granting sole legal custody to the applying parent or legal guardian containing no travel restrictions inconsistent with issuance of the passport; or, specifically authorizing the applying parent or legal guardian to obtain a passport for the minor, regardless of custodial arrangements; or specifically authorizing the travel of the minor with the applying parent or legal guardian;

(F) An order of a court of competent jurisdiction terminating the parental rights of the non-applying parent or declaring the non-applying parent or legal guardian to be incompetent.

(G) An order of a court of competent jurisdiction providing for joint legal custody or requiring the permission of both parents or the court for important decisions will be interpreted as requiring the permission of both parents or the court, as appropriate. Notwithstanding the existence of any such court order, a passport may be issued when compelling humanitarian or emergency reasons relating to the welfare of the minor exist.

(4) Execution of passport application by a person acting in loco parentis. (i) A person may apply in loco parentis on behalf of a minor under age 16 by submitting a notarized written statement or notarized affidavit from both parents or each legal guardian, if any, specifically authorizing the application.

(ii) If only one parent or legal guardian provides the notarized written statement or notarized affidavit, the applicant must provide documentary evidence that an application may be made by one parent or legal guardian, consistent with §51.28(a)(3)

(5) Exigent or special family circumstances. A passport may be issued when only one parent, legal guardian or person acting in loco parentis executes the application, in cases of exigent or special family circumstances.

(i) “Exigent circumstances” are defined as time-sensitive circumstances in which the inability of the minor to obtain a passport would jeopardize the health and safety or welfare of the minor or would result in the minor being separated from the rest of his or her traveling party. “Time sensitive” generally means that there is not enough time before the minor’s emergency travel to obtain either the required consent of both parents/legal guardians or documentation reflecting a sole parent’s/legal guardian’s custody rights.

(ii) “Special family circumstances” are defined as circumstances in which the minor’s family situation makes it exceptionally difficult for one or both of the parents to execute the passport
application; and/or compelling humanitarian circumstances where the minor’s lack of a passport would jeopardize the health, safety, or welfare of the minor; or, pursuant to guidance issued by the Department, circumstances in which return of a minor to the jurisdiction of his or her home state or habitual residence is necessary to permit a court of competent jurisdiction to adjudicate or enforce a custody determination. A passport issued due to such special family circumstances may be limited for direct return to the United States in accordance with §51.60(e).

(iii) A parent, legal guardian, or person acting in loco parentis who is applying for a passport for a minor under age 16 under this paragraph must submit a written statement with the application describing the exigent or special family circumstances he or she believes should be taken into consideration in applying an exception.

(iv) Determinations under §51.28(a)(5) must be made by a senior passport authorizing officer pursuant to guidance issued by the Department.

(6) Nothing contained in this section shall prohibit any Department official adjudicating a passport application filed on behalf of a minor from requiring an applicant to submit other documentary evidence deemed necessary to establish the applying adult’s entitlement to obtain a passport on behalf of a minor under the age of 16 in accordance with the provisions of this regulation.

(b) Minors 16 years of age and above.

(1) A minor 16 years of age and above applying for a passport must appear in person and may execute the application for a passport on his or her own behalf unless the personal appearance of the minor is specifically excused by a senior passport authorizing officer pursuant to guidance issued by the Department, or unless, in the judgment of the person before whom the application is executed, it is not advisable for the minor to execute his or her own application. In such case, it must be executed by a parent or legal guardian of the minor, or by a person in loco parentis, unless the personal appearance of the parent, legal guardian or person in loco parentis is excused by the senior passport authorizing officer pursuant to guidance issued by the Department.

(2) The passport authorizing officer may at any time require a minor 16 years of age and above to submit the notarized consent of a parent, a legal guardian, or a person in loco parentis to the issuance of the passport.

(c) Rules applicable to all minors—(1) Objections. At any time prior to the issuance of a passport to a minor, the application may be disapproved and a passport may be denied upon receipt of a written objection from a parent or legal guardian of the minor, or from another party claiming authority to object, so long as the objecting party provides sufficient documentation of his or her custodial rights or other authority to object.

(2) An order from a court of competent jurisdiction providing for joint legal custody or requiring the permission of both parents or the court for important decisions will be interpreted as requiring the permission of both parents or the court as appropriate.

(3) The Department will consider a court of competent jurisdiction to be a U.S. state or federal court or a foreign court located in the minor’s home state or place of habitual residence.

(4) The Department may require that conflicts regarding custody orders, whether domestic or foreign, be settled by the appropriate court before a passport may be issued.

(5) Access by parents and legal guardians to passport records for minors. Either parent or any legal guardian of a minor may upon written request obtain information regarding the application for and issuance of a passport to a minor, unless the requesting parent’s parental rights have been terminated by an order of a court of competent jurisdiction, a copy of which has been provided to the Department. The Department may deny such information to a parent or legal guardian if it determines that the minor objects to disclosure and the minor is 16 years of age or older or if the Department determines that the minor is of sufficient age and maturity to invoke his or her own privacy rights.

The surcharge will be recovered by the Department of State from within the passport application fee reflected in the Schedule of Fees for Consular Services.

(c) A fee is charged for expedited passport processing (see 22 CFR 51.51(c)). The fee does not cover any costs of mailing above the normal level of service regularly provided by the Department. The cost of expedited mailing must be paid by the applicant.

(d) The Department may refuse to issue a passport in a case in which the Department is informed by an appropriate foreign government authority or international organization that the applicant is the subject of a warrant of arrest for a felony.

(e) The Department may refuse to issue a passport, except a passport for direct return to the United States, in any case in which the Department determines or is informed by a competent authority that the applicant is a minor who has been abducted, wrongfully removed or retained in violation of a court order or decree and return to his or her home state or habitual residence is necessary to permit a court of competent jurisdiction to determine custody matters.

§51.61 Denial of passports to certain convicted drug traffickers.

(a) A passport may not be issued in any case in which the Department determines or is informed by competent authority that the applicant is subject to imprisonment or supervised release as the result of a felony conviction for a Federal or state drug offense, if the individual used a U.S. passport or otherwise crossed an international border in committing the offense, including a felony conviction arising under:

The Department may present witnesses, offer evidence, and make arguments in its behalf. The Department is responsible for all costs associated with the presentation of its case.  

(d) Formal rules of evidence will not apply, but the hearing officer may impose reasonable restrictions on relevancy, materiality, and competency of evidence presented. A qualified reporter will make a complete verbatim transcript of the hearing. The person requesting the hearing and/or his or her attorney may review and purchase a copy of the transcript. The Department will promptly notify the person requesting the hearing in writing of the decision. A sponsor must verify an applicant’s English language proficiency through a recognized English language test, by signed documentation from an academic institution or English language school, or through a documented interview conducted by the sponsor either in-person or by videoconferencing, or by telephone if videoconferencing is not a viable option.

(b) Pre-arrival information. At the pre-arrival stage, sponsors must provide exchange visitors clear information and materials on, but not limited to, the following topics: Program activities, cultural goals and components of the program, employment information and terms and conditions of employment (including employer name and address, position duration, job duties, number of work hours, wages, other compensation and benefits, deductions from wages, including those taken for housing and transportation), insurance costs, and other conditions and restrictions of their exchange visitor. In addition, sponsors must provide clear information and materials on:

(d) Monitoring of exchange visitors. Exchange visitors' participation in their exchange program must be monitored by employees of the sponsor. Monitoring activities must not include any retaliation or discrimination against exchange visitors who make adverse comments related to the program. No sponsor or employee of a sponsor may threaten program termination, remove from the program, ban from the program, adversely annotate an exchange visitor’s SEVIS record, or otherwise retaliate against an exchange visitor solely because he/she has filed a complaint; instituted or caused to be instituted any proceeding; testified or is about to testify; consulted with an advocacy organization, community organization, legal assistance program or attorney about a grievance or other work-related legal matter; or exercised or asserted on behalf of himself/herself any right or protection. § 62.13 Notification requirements.

(a) Valid program status of exchange visitor. Sponsors must notify the Department of State via SEVIS of the following:

(1) Validation of program participation. Sponsors must promptly validate an exchange visitor’s participation in their program. This will change the status of the exchange visitor’s SEVIS record from “Initial” to “Active.” SEVIS records with program durations (e.g., the period between the “Program Begin Date” and “Program End Date”) of 30 days or more must be validated within 30 days following the “Program Begin Date” identified in SEVIS. SEVIS records with program durations that are less than 30 days must be validated prior to the “Program End Date” reflected in SEVIS. As part of the validation process, sponsors may amend the program begin date and must update the SEVIS record to reflect the actual and current U.S. address and site of activity in SEVIS. The status of SEVIS records that are not validated according to this schedule will automatically change to “Invalid” or “No Show.” Accompanying spouses and dependents’ SEVIS records are automatically validated upon validation of the exchange visitors’ SEVIS records.

(2) Failure of an exchange visitor to begin program. Sponsors must report in SEVIS, no later than 30 calendar days after the “Program Begin Date” listed in SEVIS, the failure of an exchange visitor to report to his or her sponsor upon entry in the United States (i.e., failure of exchange visitor to begin an exchange visitor program as scheduled). This will change the status of the exchange visitor’s SEVIS record from “Initial” to “No Show.”

(3) End of an exchange visitor’s program. Sponsors must report in SEVIS any withdrawal from or early completion of an exchange visitor’s program that occurs prior to the “Program End Date” listed in SEVIS on the exchange visitor’s Form DS–2019. Sponsors must not alter the “Program End Date” field, but should enter the date of program completion in the “Effective Date of Completion” field. This will change the status of the SEVIS record from “Active” to “Inactive.” Such notification in SEVIS ends a sponsor’s programmatic obligations to the exchange visitor and/or his or her accompanying spouse and dependents.

(4) Accompanying spouse and dependent records. Sponsors must report in SEVIS if accompanying spouses and/or dependents depart from the United States prior to the exchange visitors’ departure dates.

(5) Termination of an exchange visitor’s program. Sponsors must promptly report in SEVIS the involuntary termination of an exchange visitor’s program. Sponsors must not alter the “Program End Date” field, but should enter the date of program termination in the “Effective Date of Termination” field. This will change the status of the SEVIS record from “Active” to “Terminated.” Such notification in SEVIS ends a sponsor’s programmatic obligation to the exchange visitor and his or her accompanying spouse and dependents, if any, and prevents the sponsor from thereafter extending the exchange visitor’s duration of participation, transferring the exchange visitor to another program, or changing the exchange visitor’s category. Sponsors must not terminate the program of an exchange visitor who voluntarily ends his or her program.

(b) Change of circumstance of an exchange visitor. Sponsors must promptly notify the Department of State via SEVIS of any of the following circumstances:

(1) Change in the actual and current U.S. address. Sponsors must ensure that the actual and current U.S. addresses of an exchange visitor are reported in SEVIS:

(i) Sponsors must report the U.S. mailing address (i.e., provide a P.O. Box number) in SEVIS in those limited cases where mail cannot be delivered to the exchange visitor’s actual and current U.S. address (e.g., the exchange visitor resides in a campus setting); and

(ii) If a U.S. mailing address is reported to SEVIS, sponsors must also maintain records in SEVIS of actual and current U.S. addresses (e.g., dormitory, building and room number) for such exchange visitors.

(2) Change in site of activity. Sponsors must report in SEVIS any change
§ 62.14 Insurance.

(a) Sponsors must require that all exchange visitors have insurance in effect that covers the exchange visitors for sickness or accidents during the period of time that they participate in the sponsor’s exchange visitor program. In addition, sponsors must require that accompanying spouses and dependents of exchange visitors have insurance for sickness and accidents. Sponsors must inform all exchange visitors that they, and any accompanying spouse and dependent(s), also may be subject to the requirements of the Affordable Care Act.

(b) The period of required coverage is the actual duration of the exchange visitor’s participation in the sponsor’s exchange visitor program as recorded in SEVIS in the “Program Begin Date,” and as applicable, the “Program End Date,” “Effective Program End Date,” or “Effective Date of Termination” fields. Sponsors are not authorized to charge fees to their sponsored exchange visitors for the provision of insurance coverage beyond any demonstrable and justifiable staff time. Sponsors are not required to, but may, offer supplemental “entry to exit” coverage (i.e., coverage from the time the exchange visitor departs his or her home country until he or she returns). If the sponsor provides health insurance, or arranges for health insurance to be offered the exchange visitor, via payroll deduction at the host organization, the exchange visitor must voluntarily authorize this action in writing and also be given the opportunity to make other arrangements to obtain insurance. These authorizations must be kept on file by the sponsor. Minimum coverage must provide:

to an exchange visitor’s site of activity by entering the new site within ten business days of notification of such a change where sponsor rules or regulations permit such a change. Sponsors must promptly enter any change in the site of activity in those instances where the sponsor is responsible for the placement. Sponsors must identify the “primary” site of activity of an exchange visitor if multiple sites of activity are reported in SEVIS.

(c) Change in sponsor’s circumstance. Sponsors must report within ten business days in SEVIS or directly to the Department of State, if appropriate, any material changes to their exchange visitor program as follows:

(1) Change of business and/or mailing address, telephone number, facsimile number, or email address;

(2) Change in the composition of the sponsor organization that affects its status as a United States Person as defined in §62.2, which includes a new Employment Identification Number (EIN);

(3) Change of Responsible Officer or Alternate Responsible Officer;

(4) Major change of ownership or control of the sponsor’s organization as defined in §62.60(e);

(5) Change of the sponsor’s principal place of business to a location outside the United States;

(6) Change in financial circumstances that may render the sponsor unable to comply with its obligations as set forth in §62.9(e);

(7) Loss of licensure or accreditation;

(8) Loss or theft of Forms DS–2019, in which case a sponsor must notify the Department of State promptly by telephone or email of the SEVIS identification numbers of such Forms DS–2019 that have been lost or stolen;

(9) A decision by the sponsor to voluntarily cancel (withdraw) its exchange visitor program designation; or

(10) Any other material facts or events that may have an impact on the sponsor’s ability to properly administer or conduct its exchange visitor program.

(d) Serious problem or controversy. Sponsors must inform the Department of State on or before the next business day by telephone (confirmed promptly in writing by facsimile or email) of any investigations of an exchange visitor’s site of activity or serious problem or controversy that could be expected to bring the Department of State, the Exchange Visitor Program, or the sponsor’s exchange visitor program into notoriety or disrepute, including any potential litigation related to a sponsor’s exchange visitor program, in which the sponsor or an exchange visitor may be a named party.

[79 FR 60307, Oct. 6, 2014]
(1) Medical benefits of at least $100,000 per accident or illness;
(2) Repatriation of remains in the amount of $25,000;
(3) Expenses associated with the medical evacuation of exchange visitors to his or her home country in the amount of $50,000; and
(4) Deductibles not to exceed $500 per accident or illness.

(c) Insurance policies secured to fulfill the requirements of this section:
(1) May require a waiting period for pre-existing conditions that is reasonable as determined by current industry standards;
(2) May include provisions for co-insurance under the terms of which the exchange visitor may be required to pay up to 25% of the covered benefits per accident or illness; and
(3) Must not unreasonably exclude coverage for perils inherent to the activities of the exchange program in which the exchange visitor participates.

(d) Any policy, plan, or contract secured to fulfill the above requirements must, at a minimum, be:
(1) Underwritten by an insurance corporation having an A.M. Best rating of "A−" or above; a McGraw Hill Financial/Standard & Poor's Claims-paying Ability rating of "A−" or above; a Weiss Research, Inc. rating of "B + " or above; a Fitch Ratings, Inc. rating of "A−" or above; a Moody's Investor Services rating of "A3" or above; or such other rating as the Department of State may from time to time specify;
or
(2) Backed by the full faith and credit of the government of the exchange visitor's home country; or
(3) Part of a health benefits program offered on a group basis to employees or enrolled students by a designated sponsor; or
(4) Offered through or underwritten by a federally qualified Health Maintenance Organization or eligible Competitive Medical Plan as determined by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services.

(e) Federal, state or local government agencies; state colleges and universities; and public community colleges may, if permitted by law, self-insure any or all of the above-required insurance coverage.

(f) At the request of a non-governmental sponsor of an exchange visitor program, and upon a showing that such sponsor has funds readily available and under its control sufficient to meet the requirements of this section, the Department of State may permit the sponsor to self-insure or to accept full financial responsibility for such requirements.

(g) The Department of State may, in its sole discretion, condition its approval of self-insurance or the acceptance of full financial responsibility by the non-governmental sponsor by requiring such sponsor to secure a payment bond in favor of the Department of State guaranteeing the sponsor's obligations hereunder.

(h) Accompanying spouses and dependents are required to be covered by insurance in the amounts set forth in paragraph (b) of this section. Sponsors must inform exchange visitors of this requirement, in writing, in advance of the exchange visitor's arrival in the United States.

(i) Exchange visitors who willfully fail to maintain the insurance coverage set forth above while a participant in an exchange visitor program or who make material misrepresentations to the sponsor concerning such coverage will be deemed to be in violation of these regulations and will be subject to termination as an exchange visitor.

(j) Sponsors must terminate an exchange visitor’s participation in their program if the sponsor determines that the exchange visitor or any accompanying spouse or dependent willfully fails to remain in compliance with this section.

(79 FR 60307, Oct. 6, 2014)

§ 62.15 Reporting requirements.

(a) Sponsors must submit annual reports to the Department of State that are generated through SEVIS on Form DS–3097. Such reports must be filed on an academic, calendar, or fiscal year basis, as directed by the Department of State in the sponsor’s letter of designation or redesignation, and must contain the following:
§ 62.16 Employment.

(a) An exchange visitor may receive compensation from the sponsor or the sponsor's appropriate designee, such as the host organization, when employment activities are part of the exchange visitor's program.

(b) An exchange visitor who engages in unauthorized employment shall be deemed to be in violation of his or her program status and is subject to termination as a participant in an exchange visitor program.

(c) The acceptance of employment by the accompanying spouse and dependents of an exchange visitor is governed by Department of Homeland Security regulations.

§ 62.17 Fees and charges.

(a) Remittances. Fees prescribed within the framework of 31 U.S.C. 9701 must be submitted as directed by the Department and must be in the amount prescribed by law or regulation.

(b) Amounts of fees. The following fees are prescribed.

(1) For filing an application for program designation and/or redesignation (Form DS–3036)—$3,982.00.

(2) For filing an application for exchange visitor status changes (i.e., extension beyond the maximum duration, change of category, reinstatement, reinstatement-update SEVIS status, ECFMG sponsorship authorization, and permission to issue)—$367.00.

Subpart B—Specific Program Provisions

§ 62.20 Professors and research scholars.

(a) Introduction. These regulations govern Exchange Visitor Program participants in the categories of professor and research scholar, except:

(1) Alien physicians in graduate medical education or training, who are governed by regulations set forth at § 62.27; and

(2) Short-term scholars, who are governed by regulations set forth at § 62.21.

(b) Purpose. The purpose of the Exchange Visitor Program, in part, is to foster the exchange of ideas between
Department of State § 62.20

Americans and foreign nationals and to stimulate international collaborative teaching, lecturing and research efforts. The exchange of professors and research scholars promotes the exchange of ideas, research, mutual enrichment, and linkages between research and educational institutions in the United States and foreign countries. It does so by providing foreign professors and research scholars the opportunity to engage in research, teaching and lecturing with their American colleagues, to participate actively in cross-cultural activities with Americans, and ultimately to share with their countrymen their experiences and increased knowledge of the United States and their substantive fields.

(c) Designation. The Department of State may, in its sole discretion, designate bona fide exchange visitor programs, which offer foreign nationals the opportunity to engage in research, teaching, lecturing, observing, or consulting at research institutions, corporate research facilities, museums, libraries, post-secondary accredited educational institutions, or similar types of institutions in the United States.

(d) Visitor eligibility. An individual may be selected for participation in the Exchange Visitor Program as a professor or research scholar subject to the following conditions:

(1) The participant must not be a candidate for a tenure track position;

(2) The participant has not been physically present in the United States as a nonimmigrant pursuant to the provisions of 8 U.S.C. 1101(a)(15)(J) for all or part of the twelve-month period immediately proceeding the date of program commencement set forth on his or her Form DS–2019, unless:

(i) The participant is transferring to the sponsor’s program pursuant to provisions set forth in §62.42;

(ii) The participant’s presence in the United States was of less than six months duration; or

(iii) The participant’s presence in the United States was pursuant to a short-term scholar exchange activity as authorized by §62.21; and

(3) The participant is not subject to the prohibition against repeat participation set forth at §62.20(1)(2).

(e) Issuance of Form DS–2019. The Form DS–2019 must be issued only after the professor or research scholar has been accepted by the institution where he or she will participate in an exchange visitor program.

(f) Location of the exchange. Professors or research scholars must conduct their exchange activity at the site(s) of activity identified in SEVIS, which may be either the location of the exchange visitor program sponsor or the site of a third party facilitating the exchange with permission of the Responsible Officer. An exchange visitor may also engage in activities at other locations if such activities constitute occasional lectures or consultations permitted by paragraph (g) of this section. All such sites of activity must be entered into SEVIS while the exchange visitor’s SEVIS record is in Initial or Active status.

(g) Occasional lectures or consultations. Professors and research scholars may participate in occasional lectures and short-term consultations, if authorized to do so by his or her sponsor. Such lectures and consultations must be incidental to the exchange visitor’s primary program activities. If wages or other remuneration are received by the exchange visitor for such activities, the exchange visitor must act as an independent contractor, as such term is defined in 8 CFR 274a.1(j), and the following criteria and procedures must be satisfied:

(1) Criteria. The occasional lectures or short-term consultations must:

(i) Be directly related to the objectives of the exchange visitor’s program;

(ii) Be incidental to the exchange visitor’s primary program activities;

(iii) Not delay the completion date of the exchange visitor’s program; and

(iv) Be documented in SEVIS.

(2) Procedures. (i) To obtain authorization to engage in occasional lectures or short-term consultations involving wages or other remuneration, the exchange visitor must present to the responsible officer:

(A) A letter from the offeror setting forth the terms and conditions of the offer to lecture or consult, including the duration, number of hours, field or subject, amount of compensation, and description of such activity; and
§ 62.21 Short-term scholars.

(a) Introduction. These regulations govern scholars coming to the United States for a period of up to four months to lecture, observe, consult, and to participate in seminars, workshops, conferences, study tours, professional meetings, or similar types of educational and professional activities.

(b) Purpose. The Exchange Visitor Program promotes the interchange of knowledge and skills among foreign and American scholars. It does so by providing foreign scholars the opportunity to exchange ideas with their American colleagues, participate in educational and professional programs, confer on common problems and projects, and promote professional relationships and communications.

(c) Designation. The Department of State may, in its sole discretion, designate bona fide programs which offer foreign nationals the opportunity to...
engage in short-term visits for the purpose of lecturing, observing, consulting, training, or demonstrating special skills at research institutions, museums, libraries, post-secondary accredited educational institutions, or similar types of institutions.

(d) Visitor eligibility. A person participating in the Exchange Visitor Program under this section shall satisfy the definition of a short-term scholar as set forth in §62.4.

(e) Cross-cultural activities and orientation. Due to the nature of such exchanges, sponsors of programs for short-term scholars shall be exempted from the requirements of providing cross-cultural activities and orientation as set forth in §62.8(d) and §62.10(c). However, sponsors are encouraged to provide such programs for short-term scholars whenever appropriate.

(f) Location of exchange. The short-term scholar shall participate in the Exchange Visitor Program at the conferences, workshops, seminars, or other events or activities stated on his or her Form DS–2019. A participant may also lecture or consult at institutions not listed on the Form DS–2019 if his or her Responsible Officer issues a written authorization of such activity. Such written authorization must be attached to the participant’s Form DS–2019.

(g) Duration of participation. The short-term scholar shall be authorized to participate in the Exchange Visitor Program for the length of time necessary to complete the program, which time shall not exceed six months. Programs under this section are exempted from §62.8(b) governing the minimum duration of a program. Extensions beyond the duration of participation are not permitted under this category.

§ 62.22 Trainees and interns.

(a) Introduction. These regulations govern Exchange Visitor Programs under which foreign nationals with significant experience in their occupational field have the opportunity to receive training in the United States in such field. These regulations also establish a new internship program under which foreign national students and recent graduates of foreign post-secondary academic institutions have the opportunity to receive training in the United States in their field of academic study. These regulations include specific requirements to ensure that both trainees and interns receive hands-on experience in their specific fields of study/expertise and that they do not merely participate in work programs.

Regulations dealing with training opportunities for certain foreign students who are studying at post-secondary accredited educational institutions in the United States are located at §62.23 (“College and University Students”). Regulations governing alien physicians in graduate medical education or training are located at §62.27 (“Alien Physicians”).

(b) Purpose. (1)(i) The primary objectives of the programs offered under these regulations are to enhance the skills and expertise of exchange visitors in their academic or occupational fields through participation in structured and guided work-based training and internship programs and to improve participants’ knowledge of American techniques, methodologies, and technology. Such training and internship programs are also intended to increase participants’ understanding of American culture and society and to enhance Americans’ knowledge of foreign cultures and skills through an open interchange of ideas between participants and their American associates. A key goal of the Fulbright-Hays Act, which authorizes these programs, is that participants will return to their home countries and share their experiences with their countrymen.

(ii) Exchange Visitor Program training and internship programs must not be used as substitutes for ordinary employment or work purposes; nor may they be used under any circumstances to displace American workers. The requirements in these regulations for trainees are designed to distinguish between bona fide training, which is permitted, and merely gaining additional work experience, which is not permitted. The requirements in these regulations for interns are designed to distinguish between a period of work-
based learning in the intern’s academic field, which is permitted (and which requires a substantial academic framework in the participant’s field), and unskilled labor, which is not.

(2) In addition, a specific objective of the new internship program is to provide foreign nationals who are currently enrolled full-time and pursuing studies at a degree- or certificate-granting post-secondary academic institution or graduated from such an institution no more than 12 months prior to their exchange visitor program begin date a period of work-based learning to allow them to develop practical skills that will enhance their future careers. Bridging the gap between formal education and practical work experience and gaining substantive cross-cultural experience are major goals in educational institutions around the world. By providing training opportunities for current foreign students and recent foreign graduates at formative stages of their development, the U.S. Government will build partnerships, promote mutual understanding, and develop networks for relationships that will last through generations as these foreign nationals move into leadership roles in a broad range of occupational fields in their own societies. These results are closely tied to the goals, themes, and spirit of the Fulbright-Hays Act.

(c) Designation. (1) The Department may, in its sole discretion, designate as sponsors those entities it deems to meet the eligibility requirements set forth in Subpart A of 22 CFR part 62 and to have the organizational capacity successfully to administer and facilitate training and internship programs.

(2) Sponsors must provide training and internship programs only in the occupational category or categories for which the Department has designated them as sponsors. The Department may designate training and internship programs in any of the following occupational categories:

(i) Agriculture, Forestry, and Fishing;

(ii) Arts and Culture;

(iii) Construction and Building Trades;

(iv) Education, Social Sciences, Library Science, Counseling and Social Services;

(v) Health Related Occupations;

(vi) Hospitality and Tourism;

(vii) Information Media and Communications;

(viii) Management, Business, Commerce and Finance;

(ix) Public Administration and Law; and

(d) Selection criteria. (1) In addition to satisfying the general requirements set forth in §62.10(a), sponsors must ensure that trainees and interns have verifiable English language skills sufficient to function on a day-to-day basis in their training environment. Sponsors must verify an applicant’s English language proficiency through a recognized English language test, by signed documentation from an academic institution or English language school, or through a documented interview conducted by the sponsor either in-person or by videoconferencing, or by telephone if videoconferencing is not a viable option.

(2) Sponsors of training programs must verify that all potential trainees are foreign nationals who have either a degree or professional certificate from a foreign post-secondary academic institution and at least one year of prior related work experience in their occupational field acquired outside the United States or five years of work experience in their occupational field acquired outside the United States.

(3) Sponsors of internship programs must verify that all potential interns are foreign nationals who are currently enrolled full-time and pursuing studies in their advanced chosen career field at a degree- or certificate-granting post-secondary academic institution outside the United States or graduated from such an institution no more than 12 months prior to their exchange visitor program begin date.

(e) Issuance of Forms DS–2019. In addition to the requirements set forth in Subpart A, sponsors must ensure that:

(1) They do not issue Forms DS–2019 to potential participants in training
and internship programs until they secure placements for trainees or interns and complete and secure requisite signatures on Form DS–7002, Training/Internship Placement Plan (T/IPP);

(2) Trainees and interns have sufficient finances to support themselves for their entire stay in the United States, including housing and living expenses; and

(3) The training and internship programs expose participants to American techniques, methodologies, and technology and expand upon the participants’ existing knowledge and skills. Programs must not duplicate the participants’ prior work experience or training received elsewhere.

(f) Obligations of training and internship program sponsors.

(1) Sponsors designated by the Department to administer training and internship programs must:

(i) Ensure that trainees and interns are appropriately selected, placed, oriented, supervised, and evaluated;

(ii) Be available to trainees and interns (and host organizations, as appropriate) to assist as facilitators, counselors, and information resources;

(iii) Ensure that training and internship programs provide a balance between the trainees’ and interns’ learning opportunities and their contributions to the organizations in which they are placed;

(iv) Ensure that the training and internship programs are full-time (minimum of 32 hours a week); and

(v) Ensure that any host organizations and third parties involved in the recruitment, selection, screening, placement, orientation, evaluation for, or the provision of training and internship programs are sufficiently educated on the goals, objectives, and regulations of the Exchange Visitor Program and adhere to all regulations set forth in this part as well as all additional terms and conditions governing Exchange Visitor Program administration that the Department may from time to time impose.

(2) Sponsors must certify that they or any host organization acting on the sponsor’s behalf:

(i) Have sufficient resources, plant, equipment, and trained personnel available to provide the specified training and internship program;

(ii) Provide continuous on-site supervision and mentoring of trainees and interns by experienced and knowledgeable staff;

(iii) Ensure that trainees and interns obtain skills, knowledge, and competencies through structured and guided activities such as classroom training, seminars, rotation through several departments, on-the-job training, attendance at conferences, and similar learning activities, as appropriate in specific circumstances;

(iv) Conduct periodic evaluations of trainees and interns, as set forth in §62.22(l);

(v) Do not displace full- or part-time or temporary or permanent American workers or serve to fill a labor need and ensure that the positions that trainees and interns fill exist primarily to assist trainees and interns in achieving the objectives of their participation in training and internship programs; and

(vi) Certify that training and internship programs in the field of agriculture meet all the requirements of the Fair Labor Standards Act, as amended (29 U.S.C. 201 et seq.) and the Migrant and Seasonal Agricultural Worker Protection Act, as amended (29 U.S.C. 1801 et seq.).

(3) Sponsors or any third parties acting on their behalf must complete thorough screening of potential trainees or interns, including a documented interview conducted by the sponsor either in-person or by videoconferencing, or by telephone if videoconferencing is not a viable option.

(4) Sponsors must retain all documents referred to in §62.22(f) for at least three years following the completion of all training and internship programs. Documents and any requisite signatures may be retained in either hard copy or electronic format.

(g) Use of third parties—(1) Sponsors use of third parties. Sponsors may engage third parties (including, but not limited to host organizations, partners, local businesses, governmental entities, academic institutions, and other foreign or domestic agents) to assist them in the conduct of their designated training and internship programs. Such
third parties must have an executed written agreement with the sponsor to act on behalf of the sponsor in the conduct of the sponsor’s program. This agreement must outline the obligations and full relationship between the sponsor and third party on all matters involving the administration of their exchange visitor program. A sponsor’s use of a third party does not relieve the sponsor of its obligations to comply with and to ensure third party compliance with Exchange Visitor Program regulations. Any failure by any third party to comply with the regulations set forth in this part or with any additional terms and conditions governing Exchange Visitor Program administration that the Department may from time to time impose will be imputed to the sponsors engaging such third party.

(2) Screening and vetting third parties operating outside the United States. Sponsors must ascertain that third parties operating outside the United States are legitimate entities within the context of their home country environment. For third parties that operate as businesses, sponsors must obtain relevant home country documentation, such as a business registration or certification. Such home country documentation must include an English Language translation for any business registration or certification documents submitted in a foreign language. Written agreements between sponsors and third parties operating outside the United States must include annually updated price lists for training and internship programs offered by each third party, and must indicate that such overseas third parties are sufficiently trained in all aspects of the programs they represent, including the regulations set forth in this part.

(3) Screening and vetting host organizations. Sponsors must adequately screen all potential host organizations at which a trainee or intern will be placed by obtaining the following information:

(i) Employer Identification Number (EIN) used for tax purposes;
(ii) Third party verification of telephone number, address, and professional activities, e.g., via advertising, brochures, Web site, and/or feedback from prior participants; and
(iii) Verification of Worker’s Compensation Insurance Policy or equivalent in each state or, if applicable, evidence of state exemption from requirement of coverage.

(4) Site visits of host organizations. Sponsors must conduct site visits of host organizations that have not previously participated successfully in the sponsor’s training and internship programs and that have fewer than 25 employees or less than three million dollars in annual revenue. Placements at academic institutions or at federal, state, or local government offices are specifically excluded from this requirement. The purpose of the site visits is for the sponsors to ensure that host organizations possess and maintain the ability and resources to provide structured and guided work-based learning experiences according to individualized T/IPPs and that host organizations understand and meet their obligations set forth in this part.

(h) Host organization obligations. Sponsors must ensure that:

(1) Host organizations sign a completed Form DS–7002 to verify that all placements are appropriate and consistent with the objectives of the trainees or interns as outlined in their program applications and as set forth in their T/IPPs. All parties involved in internship programs should recognize that interns are seeking entry-level training and experience. Accordingly, all placements must be tailored to the skills and experience level of the individual intern;

(2) Host organizations notify sponsors promptly of any concerns about, changes in, or deviations from T/IPPs during training and internship programs and contact sponsors immediately in the event of any emergency involving trainees or interns;

(3) Host organizations abide by all federal, state, and local occupational health and safety laws; and

(4) Host organizations abide by all program rules and regulations set forth by the sponsors, including the completion of all mandatory program evaluations.

(i) Training/internship placement plan (Form DS–7002). (1) Sponsors must fully complete and obtain all requisite signatures on a Form DS–7002 for each
trainee or intern before issuing a Form DS–2019. Sponsors must provide each signatory an executed copy of the Form DS–7002. Upon request, trainees and interns must present their fully executed Form DS–7002 to Consular Officials during their visa interview.

(2) To further distinguish between bona fide training for trainees or work-based learning for interns, which are permitted, and unskilled or casual labor positions which are not, all T/IPPs must:

(i) State the specific goals and objectives of the training and internship program (for each phase or component, if applicable);

(ii) Detail the knowledge, skills, or techniques to be imparted to the trainee or intern (for each phase or component, if applicable); and

(iii) Describe the methods of performance evaluation and the supervision for each phase or component, if applicable.

(3) A T/IPP for trainees must be divided into specific and various phases or components, and for each phase or component must:

(i) Describe the methodology of training and

(ii) Provide a chronology or syllabus.

(4) A T/IPP for interns must:

(i) Describe the role of the intern in the organization and, if applicable, identify various departments or functional areas in which the intern will work; and

(ii) Identify the specific tasks and activities the intern will complete.

(j) Program exclusions. Sponsors designated by the Department to administer training and internship programs must not:

(1) Place trainees or interns in unskilled or casual labor positions, in positions that require or involve child care or elder care; or in clinical or any other kind of work that involves patient care or patient contact, including any work that would require trainees or interns to provide therapy, medication, or other clinical or medical care (e.g., sports or physical therapy, psychological counseling, nursing, dentistry, veterinary medicine, social work, speech therapy, early childhood education);

(2) Place trainees or interns in positions, occupations, or businesses that could bring the Exchange Visitor Program or the Department into notoriety or disrepute; or

(3) Engage or otherwise cooperate or contract with a Staffing/Employment Agency to recruit, screen, orient, place, evaluate, or train trainees or interns, or in any other way involve such agencies in an Exchange Visitor Program training and internship program.

(4) Issue a T/IPP for any trainee or intern for which the duties involve more than 20 per cent clerical work.

(5) Have less than three departmental or functional rotations for “Hospitality and Tourism” training and internship programs of six months or longer.

(k) Duration. The duration of participation in a training and internship program must be established before a sponsor issues a Form DS–2019 and must not exceed the sponsor’s authorized designation as set forth in the sponsor’s letter of designation or most recent letter of redesignation. Except as noted below, the maximum duration of a training program is 18 months, and the maximum duration of an internship program is 12 months. For training programs in the field of agriculture and in the occupational category of Hospitality and Tourism, the maximum duration of program participation is 12 months. If an original T/IPP specifies that at least six months of a program includes related classroom participation and studies, training programs in the field of agriculture may be designated for a total duration of 18 months. Program extensions are permitted within the maximum duration as set forth in the letter of designation/redesignation provided that the need for an extended training or internship program is documented by the full completion and execution of a new Form DS–7002. 12-month training programs in the field of agriculture may not be extended to 18 months by adding six months of classroom participation and studies at the end of the original 12-month program duration. Per above, the six months of related classroom participation and studies must have been part of the trainee’s original T/IPP.
§ 62.23 College and university students.

(a) Purpose. A program under this section provides foreign students the opportunity to participate in a designated exchange visitor program while studying at a degree-granting post-secondary accredited academic institution or participating in a student internship program which fulfills the student’s academic study. A student sponsored in this category may participate in a degree, non-degree, or student internship program. Such an exchange is intended to promote mutual understanding by fostering the exchange of ideas between foreign students and their American counterparts.

(b) Designation. The Department of State may, in its sole discretion, designate bona fide programs which offer foreign students the opportunity to study in the United States at a post-secondary accredited academic institution or to participate in a student internship program.

(c) Selection criteria. A sponsor selects the college and university students who participate in its exchange visitor program. A sponsor must secure sufficient background information on the students to ensure that they have the academic credentials required for its program. A student is eligible for participation in the Exchange Visitor Program if at any time during his or her educational program in the United States:

1. The student or his or her program is financed directly or indirectly by:

264
(i) The United States Government;
(ii) The government of the student’s home country; or

(B) A description of the academic training program, including its location, the name and address of the training supervisor, number of hours per week, and dates of the training;

(C) How the academic training relates to the student’s major field of study; and

(D) Why it is an integral or critical part of the academic program of the student.

(ii) The responsible officer must:

(A) Determine if and to what extent the student has previously participated in academic training as a student, in order to ensure the student does not exceed the period permitted in paragraph (f) of this section;

(B) Review the letter of recommendation required in paragraph (f)(5)(i) of this section; and

   (i) Studying at the post-secondary accredited academic institution listed on his or her Form DS–2019 and:
      (A) Pursuing a full course of study as set forth in paragraph (e) of this section, and
      (B) Maintaining satisfactory advancement towards the completion of the student’s academic program; or

   (ii) Maintaining satisfactory advancement towards the completion of his or her student internship program.

(i) Student intern. The student intern is a foreign national enrolled in and pursuing a degree at an accredited post-secondary academic institution outside the United States and is participating in a student internship program in the United States that will fulfill the educational objectives for his or her current degree program at his or her home institution. The student intern must meet the following requirements:
   (1) Criteria. (i) In addition to satisfying the general requirements set forth in §62.10(a), a sponsor must ensure that the student intern has verifiable English language skills sufficient to function on a day-to-day basis in the internship environment. English language proficiency must be verified through a sponsor-conducted interview, by a recognized English language test, or by signed documentation from an academic institution or English language school.
   (ii) The student intern is primarily in the United States to engage in a student internship program rather than to engage in employment or provide services to an employer;
   (iii) The student intern has been accepted into a student internship program at the post-secondary accredited academic institution listed on his or her Form DS–2019;
   (iv) The student intern is in good academic standing with the post-secondary academic institution outside the United States from which he or she is enrolled in and pursuing a degree;
   (v) The student intern will return to the academic program and fulfill and obtain a degree from such academic institution after completion of the student internship program.

(2) Program requirements. In addition to the requirements set forth in Subpart A, a sponsor must ensure that:
   (i) It does not issue Form DS–2019 to a potential participant in a student internship program until it has secured a placement for the student intern and it completes and secures the requisite signatures on Form DS–7002 (T/IPP);
   (ii) A student intern has sufficient finances to support himself or herself and dependants for their entire stay in the United States, including housing and living expenses; and
   (iii) The student internship program exposes participants to American techniques, methodologies, and technology and expands upon the participants’ existing knowledge and skills. A program must not duplicate the student intern’s prior experience.
(3) Obligations of student internship program sponsors. (i) A sponsor designated by the Department to administer a student internship program must:

(A) Ensure that the student internship program is full-time (minimum of 32 hours a week); and

(B) Ensure that any host organization or other third party involved in the recruitment, selection, screening, placement, orientation, evaluation, or provision of a student internship program is sufficiently educated on the goals, objectives, and regulations of the Exchange Visitor Program and adheres to all regulations set forth in this part as well as all additional terms and conditions governing Exchange Visitor Program administration that the Department may from time to time impose.

(ii) A sponsor must ensure that it or any host organization acting on the sponsor’s behalf:

(A) Has sufficient resources, plant, equipment, and trained personnel available to provide the specified student internship program;

(B) Does not displace full- or part-time or temporary or permanent American workers or serve to fill a labor need and ensures that the position that the student interns fills exists solely to assist the student intern in achieving the objectives of his or her participation in a student internship program; and

(C) Certifies that student internship programs in the field of agriculture meet all the requirements of the Fair Labor Standards Act, as amended (29 U.S.C. 201 et seq.) and the Migrant and Seasonal Agricultural Worker Protection Act, as amended (29 U.S.C. 1801 et seq.).

(iii) Screening and vetting host organizations. A sponsor must adequately screen all potential host organizations at which a student intern will be placed by obtaining the following information:

(A) The Dun & Bradstreet identification number (unless the host organization is an academic institution, government entity, or family farm);

(B) Employer Identification Number (EIN) used for tax purposes;

(C) Verification of telephone number, address, and professional activities via advertising, brochures, Web site, and/or feedback from prior participants; and

(iv) Site visits. A sponsor must conduct a site visit of any host organization that has not previously participated successfully in the sponsor’s student internship program, has fewer than 25 employees, or has less than three million dollars in annual revenue. Any placement at an academic institution or at a Federal, State, or local government office is specifically excluded from this requirement. The purpose of the site visit is for the sponsor to ensure that each host organization possesses and maintains the ability and resources to provide structured and guided work-based learning experiences according to individualized T/IPPs, and that each host organization understands and meets its obligations set forth in this part.

(iv) Use of third parties. A sponsor may engage a third party (including, but not limited to a host organization, partner, local business, governmental entity, academic institution, or any other foreign or domestic agent) to assist it in the conduct of its designated student internship program. Such a third party must have an executed written agreement with the sponsor to act on behalf of the sponsor in the conduct of the sponsor’s program. This agreement must outline the full relationship between the sponsor and third party on all matters involving the administration of its exchange visitor program. A sponsor’s use of a third party does not relieve the sponsor of its obligations to comply with and to ensure third party compliance with Exchange Visitor Program regulations. Any failure by any third party to comply with the regulations set forth in this part or with any additional terms and conditions governing Exchange Visitor Program administration that the Department may from time to time impose will be imputed to the sponsor.

(5) Evaluation requirements. In order to ensure the quality of a student internship program, a sponsor must develop procedures for evaluating all student interns. All required evaluations
must be completed prior to the conclusion of a student internship program, and the student intern and his or her immediate supervisor must sign the evaluation forms. At a minimum, all programs require a concluding evaluation, and programs lasting longer than six months also require a midpoint evaluation. For programs exceeding six months’ duration, at a minimum, midpoint and concluding evaluations are required. A sponsor must retain student intern evaluations (electronic or hard copy) for a period of at least three years following the completion of each student internship program.

(6) Employment, wages, or remuneration. A student intern is permitted to engage in full-time employment during the student internship program as outlined on his or her T/IPP, with or without wages or other compensation. Employment is not required for participation in the program. A student intern may be employed, however, only with the approval of the responsible officer and the student's home institution's dean or academic advisor.

(7) Training/Internship Placement Plan (Form DS–7002). (i) A sponsor must fully complete and obtain requisite signatures for a Form DS–7002 for each student intern before issuing a Form DS–2019. A sponsor must provide to each signatory an executed copy of the Form DS–7002. Upon request, a student intern must present his or her fully executed Form DS–7002 to a Consular Official during the visa interview.

(ii) To further distinguish between work-based learning for student interns, which is permitted, and ordinary employment or unskilled labor which is not, a T/IPP must:

(A) State the specific goals and objectives of the student internship program (for each phase or component, if applicable);

(B) Detail the knowledge, skills, or techniques to be imparted to the student intern (for each phase or component, if applicable); and

(C) Describe the methods of performance evaluation and the frequency of supervision (for each phase or component, if applicable).

(8) Program exclusions. A sponsor designated by the Department to administer a student internship program must:

(i) Not place a student intern in an unskilled or casual labor position, in a position that requires or involves child care or elder care, a position in the field of aviation, or, in clinical positions or engaging in any other kind of work that involves patient care or contact, including any work that would require student interns to provide therapy, medication, or other clinical or medical care (e.g., sports or physical therapy, psychological counseling, nursing, dentistry, veterinary medicine, social work, speech therapy, or early childhood education);

(ii) Not place a student intern in a position, occupation, or business that could bring the Exchange Visitor Program or the Department into notoriety or disrepute;

(iii) Not engage or otherwise cooperate or contract with a staffing/employment agency to recruit, screen, orient, place, evaluate, or train student interns, or in any other way involve such agencies in an Exchange Visitor Program student internship program;

(iv) Ensure that the duties of a student intern as outlined in the T/IPP will not involve more than 20 per cent clerical work, and that all tasks assigned to a student intern are necessary for the completion of the student internship program; and

(v) Ensure that all “Hospitality and Tourism” student internship programs of six months or longer contain at least three departmental or functional rotations.

§ 62.24 Teachers.

(a) Purpose. The regulations in this section govern exchange visitors who teach full-time in accredited public and private U.S. primary and secondary schools (K–12), including pre-kindergarten language immersion programs offered as regular courses of study by accredited primary schools. Programs in this category promote the interchange of U.S. and foreign teachers and enhance mutual understanding between the people of the United States and other countries. Exchange teachers sharpen their professional skills and participate in cross-cultural activities.
in schools and communities, and they return home after the exchange to share their experiences and increased knowledge of the United States and the U.S. educational system. Such exchanges enable foreign teachers to understand better U.S. culture, society and teaching practices at the primary and secondary levels, and enhance U.S. students’ knowledge of foreign cultures, customs and teaching approaches.

(b) Designation. The Department may, in its discretion, designate bona fide programs satisfying the objectives in paragraph (a) of this section as exchange visitor programs in the Teacher category.

(c) Definitions. In addition to those definitions set forth in §62.2, the following definitions apply to the Teacher category of the Exchange Visitor Program:

(1) Accredited primary or accredited secondary school: Any publicly or privately operated primary or secondary institution for educating children in the United States that offers mainly academic programs and is duly accredited by the appropriate academic accrediting authority of the jurisdiction in which such institution is located.

(2) Full-time teaching: A minimum of 32 hours per week of teaching or teaching-related administrative activities.

(3) Home country school: An exchange teacher’s school in his or her country of nationality or last legal country of residence.

(4) Host school: The U.S.-accredited primary or secondary school in which a sponsor places an exchange teacher pursuant to the exchange teacher’s written acceptance of the placement.

(5) International school: A school that is so designated by its school district, state, or other applicable governing authority, or one whose curriculum focuses predominantly on international aspects of the subject matter taught and/or language immersion, or one that predominantly follows a national curriculum of a foreign country.

(6) Language immersion program: A program that is a regular course of study offered by an accredited school having sustained and enriched instruction, in a language not native to the majority of the student population, that occurs for at least fifty percent of the school day.

(7) Virtual exchange: A technology-enabled, sustained, people-to-people cross-cultural educational program that may supplement the goals of an in-person exchange and integrates global knowledge, cultural awareness, and/or foreign language into the classroom or other setting.

(d) Teacher eligibility. Foreign nationals are eligible to participate in exchange visitor programs as full-time teachers if, at the time of initial application to the sponsor, an individual making such application demonstrates to the satisfaction of the sponsor that he or she:

(1) Either:

(i) Meets the qualifications for teaching at the primary, including pre-kindergarten, or secondary levels in schools in his or her home country; is working as a teacher in his or her home country at the time of application; and has at least two years of full-time teaching experience; or

(ii) Is not working as a teacher in his or her home country at the time of application, but otherwise meets the qualifications for teaching at the primary (including pre-kindergarten) or secondary levels in schools in the home country; has had at least two years of full-time teaching experience; and has, within 12 months of his or her application submission date for the program, has or will have completed an advanced degree (beyond a degree equivalent to a U.S. bachelor’s degree) in education or in an academic subject matter that he or she intends to teach or that is directly related to his or her teaching subject field;

(2) Possesses, at a minimum, a degree equivalent to a U.S. bachelor’s degree in either education or the academic subject field in which he or she intends to teach;

(3) Satisfies the teaching eligibility standards of the U.S. state in which he or she will teach (e.g., meets minimum educational requirements, has passed teacher training coursework at a sufficiently proficient level, has provided an evaluation of foreign teaching preparation coursework, has demonstrated
the requisite prior teaching experience, to include any required criminal background or other checks;
(4) Is of good reputation and character; and
(5) Agrees to come to the United States temporarily as a full-time teacher of record in an accredited primary or secondary school. Exchange teachers may teach a variety of subjects and levels at their host school or schools, if qualified, but at the pre-kindergarten level, may teach only in language immersion programs.
(e) Teacher selection. Sponsors must screen foreign teachers carefully before accepting them for the program. In addition to the requirements set forth in §62.10 and all security checks required by U.S. state departments of education and host schools, sponsors also must:
(1) Verify the qualifications of each foreign teacher to determine whether he or she satisfies the criteria set forth in paragraph (d) of this section;
(2) Secure references from one colleague and one current or former supervisor of each foreign teacher, attesting to that teacher's good reputation, character and teaching skills;
(3) Verify that each selected foreign teacher applicant possesses sufficient proficiency in the English language to function in U.S. classrooms and to function on a day-to-day basis, in accordance with the provision for selection of exchange visitors set forth at §62.10(a)(2); and
(4) Verify that each foreign teacher who is eligible for the program under paragraph (d)(1)(ii) of this section has a letter from the head of a school in another country, preferably that teacher's home country, which states that school's willingness to work with the exchange teacher on the cross-cultural activity component set forth in paragraph (h)(1)(ii). The foreign school with which the exchange teacher plans to work must be at the same academic level as the foreign teacher's proposed host school. The letter submitted as part of the foreign teacher's application package must be signed by the head of the school or another individual in an appropriate position of authority to speak for the school within the foreign country's school system; the official signing the letter must list both email and telephone contact information. The letter may be submitted in English or in the original language of the home country with an English translation; the name, title/organization and contact information of the translator must be noted on the translation.
(f) Teaching position. Sponsors must ensure that:
(1) Forms DS–2019 are not issued until foreign teacher applicants have received and accepted written offers of full-time teaching positions from the accredited primary (including pre-kindergarten level) or secondary schools in which they will teach;
(2) Program dates coincide with the U.S. academic year cycle to ensure a smooth transition as exchange teachers arrive and depart, unless the sponsor notifies, and receives approval from, the Department for other exchange dates before the sponsor issues any Form DS–2019; sponsors should ensure that these dates are included in the exchange teacher's contract;
(3) Exchange teachers comply with any applicable collective bargaining agreement;
(4) Exchange teacher appointments to positions within accredited primary or secondary schools are temporary, even if the teaching positions are permanent, and do not lead to tenure; exchange teachers must be employees of either the host or home school during their exchange;
(5) Teaching positions, including duties, responsibilities, hours of employment, and compensation, are commensurate with those of similarly-situated U.S. teachers in the school district or host school where that exchange teacher is assigned to teach; an exchange teacher, unless he or she is on a program where the Department is the sponsor, must be employed by and under the direct supervision and guidance of his or her host school and, where applicable, host school district; and
(6) A pre-kindergarten level exchange teacher is assigned to teach full-time in an accredited host school (or in several schools within the same host school district, including at several academic levels, with prior permission from the Department). If an exchange
§ 62.24

22 CFR Ch. I (4–1–16 Edition)

A teacher is placed in a private school where there is no host school district, then he or she must teach a full-time schedule of at least 32 hours in a school or schools located no more than 25 miles from the main host school; in such a situation, sponsors must ensure that reasonable and effective modes of transportation exist to such additional sites of activity. An exchange teacher may teach at the pre-kindergarten level only in a language immersion program offered as regular course of study by an accredited primary school.

(g) Program disclosure. (1) As part of recruitment, in addition to the information required by § 62.10(b)–(c), sponsors must provide on their main Web sites and in their recruiting materials a general summary of fees and other costs for the program. This summary should include, but not be limited to, the sponsor fee; foreign or domestic third party or partner fees; visa fee; the Student and Exchange Visitor Information System (SEVIS) fee; insurance costs; estimates for food, housing and local transportation costs; expected work-related deductions; and estimates or ranges for all other fees charged for and significant general costs related to participation in the teacher exchange program.

(2) At the time a foreign teacher is selected for the program, and before the exchange visitor signs any contracts with the host school, sponsors and/or the host school must provide each individual exchange teacher the following information, either within the teacher’s contract or in a separate document: The name, location, and brief description of the host school; the terms and conditions of compensation (with deductions from gross salary); any provisions affecting the ability of the exchange teacher to be accompanied abroad by a spouse or dependents (including any related assistance and allowances); a summary of the significant components of the program (including a statement of the teaching requirements and related professional obligations, as well as the required cross-cultural activity component as set forth in paragraph (h) of this section); specific information on the fees and costs for which the exchange teacher will be responsible while on exchange in that school district in accordance with paragraph (g)(1); anticipated housing options and cost implications; specific local transportation options between the exchange teacher’s residence and the host school and transportation cost estimates; insurance costs for accident or illness coverage, repatriation of remains and medical evacuation as required by §62.14; estimated personal expense money for initial costs the exchange teacher may incur upon arrival in the United States prior to receiving his or her first paycheck; certification or licensure procedures and costs at the host school; administrative fees; and any placement fees. Exchange teacher compensation, unless provided directly to the exchange teacher through government funding, through continued support from the exchange teacher’s home school, or from both the teacher’s home and host school in a shared cost arrangement, must be paid directly by the host school or host school district in which the exchange teacher is placed.

(h) Cross-cultural activity component. In addition to the requirements of §62.10:

(1) Sponsors must require each exchange teacher to complete, within the United States, and during each academic year of program participation, at least one cross-cultural activity from each of the following two categories:

(i) An activity for the teacher’s classroom, larger host school or host school district population, or the community at large designed to give an overview of the history, traditions, heritage, culture, economy, educational system and/or other attributes of his or her home country. Sponsors of exchange teachers placed at international schools must require their exchange teachers to conduct at least one cross-cultural activity per academic year outside the host school in nearby schools or communities where international opportunities may be more limited than those found in their host school; and

(ii) An activity that involves U.S. student dialogue with schools or students in another country, preferably in the exchange teacher’s home school,
through virtual exchange or other means, in order to supplement the goals of the in-person exchange.

(2) Sponsors must collect annual reports from their exchange teachers detailing the cross-cultural activity component of their exchange program. The annual report does not have to be in a specific format, but must include the exchange teacher’s full name and the program sponsor’s name. The report section about the cross-cultural activity component must contain the following information:

(i) The date(s) of each activity;
(ii) The location of each activity;
(iii) The audience for and participants in each activity;
(iv) A general overview of each activity, including the topic; and
(v) The estimated impact of each activity.

(i) Location of the exchange. Exchange teachers must participate in exchange visitor programs at the accredited primary or secondary schools listed on their Forms DS-2019 or at location(s) where the institutions are involved in official school activities (e.g., school field trips, teacher development programs);

(j) Duration of participation. Exchange teachers may be authorized to participate in the Exchange Visitor Program for the length of time necessary to complete the program, which may not exceed three years unless a specific extension of one or two years is authorized by the Department as set forth in paragraph (k) of this section.

(k) Program extensions. (1) Sponsors may request from the Department an extension of an exchange teacher’s exchange by either one or two years, but not by a semester or by other fractions of academic years.

(2) The sponsor’s request for extension must include:

(i) A letter of reference on official letterhead written by the host school or host school district administrator responsible for overseeing the exchange teacher that describes the exchange teacher’s performance during the previous three years of the exchange and how the host school has benefited from the exchange teacher’s presence; and

(ii) a document describing how the exchange teacher over the previous three years has engaged his or her classroom, the wider host school or host school district, or community through the cross-cultural activity component, if these activities are not already detailed in the exchange teacher’s annual reports.

(3) Sponsors must submit their extension request and supporting documentation for the extension to the Department no later than three months prior to the beginning of the desired extension period for the exchange teacher.

(4) Sponsor requests for extension must include proof of payment of the required non-refundable extension fee as set forth in §62.17.

(5) The Department, at its discretion, may authorize a sponsor to extend an exchange teacher’s participation for either one or two additional years beyond the initial three-year exchange period. Sponsors must comply with all Department guidance on creating an extension record for the teacher within SEVIS.

(6) Sponsors that applied for a two-year extension on behalf of a host school and its exchange teacher and received permission from the Department only for a one-year extension may apply again to extend the program of that host school’s exchange teacher for one additional year by following the procedures set forth in paragraphs (k)(2)-(4) of this section. The sponsor should include with such additional extension request a copy of the prior extension request submitted to enable the initial one-year extension.

(l) Repeat participation. Foreign nationals who have successfully completed teacher exchange programs are eligible to participate in additional teacher exchange programs, provided that they have resided outside the United States for at least two years following the successful completion of their most recent teacher exchange program and continue to meet the eligibility requirements set forth in paragraph (d) of this section.

[81 FR 4955, Jan. 29, 2016]
secondary school students are afforded the opportunity to study in the United States at accredited public or private secondary schools for an academic semester or an academic year, while living with American host families or residing at accredited U.S. boarding schools.

(b) Program sponsor eligibility. Eligibility for designation as a secondary school student exchange visitor program sponsor is limited to organizations:

(1) With tax-exempt status as conferred by the Internal Revenue Service pursuant to section 501(c)(3) of the Internal Revenue Code; and

(2) Which are United States citizens as such term is defined in §62.2.

(c) Program eligibility. Secondary school student exchange visitor programs designated by the Department of State must:

(1) Require all exchange students to be enrolled and participating in a full course of study at an accredited academic institution;

(2) Allow entry of exchange students for not less than one academic semester (or quarter equivalency) and not more than two academic semesters (or quarter equivalency) duration; and

(3) Ensure that the program is conducted on a U.S. academic calendar year basis, except for students from countries whose academic year is opposite that of the United States. Exchange students may begin an exchange program in the second semester of a U.S. academic year only if specifically permitted to do so, in writing, by the school in which the exchange student is enrolled. In all cases, sponsors must notify both the host family and school prior to the exchange student’s arrival in the United States whether the placement is for an academic semester, an academic year, or a calendar year.

(d) Program administration. Sponsors must ensure that all organizational officers, employees, representatives, agents, and volunteers acting on their behalf:

(1) Are adequately trained. Sponsors must administer training for local coordinators that specifically includes, at a minimum, instruction in: Conflict resolution; procedures for handling and reporting emergency situations; awareness or knowledge of child safety standards; information on sexual conduct codes; procedures for handling and reporting allegations of sexual misconduct or any other allegations of abuse or neglect; and the criteria to be used to screen potential host families and exercise good judgment when identifying what constitutes suitable host family placements. In addition to their own training, sponsors must ensure that all local coordinators complete the Department of State mandated training module prior to their appointment as a local coordinator or assumption of duties. The Department of State training module will include instruction designed to provide a comprehensive understanding of the Exchange Visitor Program; its public diplomacy objectives; and the Secondary School Student category rules and regulations. Sponsors must demonstrate the individual’s successful completion of all initial training requirements and that annual refresher training is also successfully completed.

The form must include a statement stating that: “The income data collected will be used solely for the purposes of determining that the basic needs of the exchange student can be met, including three quality meals and transportation to and from school activities.” Such application form must be signed and dated at the time of application by all potential host family applicants. The host family application must be designed to provide a detailed summary and profile of the host family, the physical home environment (to include photographs of the host family home’s exterior and grounds, kitchen, student’s bedroom, bathroom, and family or living room), family composition, and community environment. Exchange students are not permitted to reside with their relatives.

(3) Conduct an in-person interview with all family members residing in the home where the student will be living;

Such secondary review should include demonstrated evidence of the individual’s friends or family who can provide an additional support network for the exchange student and evidence of the individual’s ties to his/her community. Both the exchange student and his or her natural parents must agree in writing in advance of the student’s placement with a single adult host parent without a child in the home.

(k) Host family orientation. In addition to the orientation requirements set forth in §62.10, sponsors must:

Sponsors may not place students from the same countries or with the same native languages in a single home.

(ii) Prior to the student’s departure from his or her home country, sponsors must advise both the exchange student and host family, in writing, of the respective family compositions and backgrounds of each, whether the host family placement is a permanent or arrival placement, and facilitate and encourage the exchange of correspondence between the two.

(3) In the event of unforeseen circumstances that necessitate a change of host family placement, the sponsor must document the reason(s) necessitating such change and provide the Department of State with an annual statistical summary reflecting the number and reason(s) for such change in host family placement in the program’s annual report.

(m) Advertising and marketing for the recruitment of host families. In addition to the requirements set forth in § 62.9 in advertising and promoting for host family recruiting, sponsors must:

(1) Utilize only promotional materials that professionally, ethically, and accurately reflect the sponsor’s purposes, activities, and sponsorship;

(1) Sponsors must immediately report to the Department any incident or allegation involving the actual or alleged sexual exploitation or any other allegations of abuse or neglect of an exchange student. Sponsors must also report such allegations as required by local or state statute or regulation. (2) Short-term scholars, who are governed by regulations set forth at §62.21; and

(3) Alien physicians in graduate medical education or training, who are governed by regulations set forth in §62.27.

(b) Purpose. The Exchange Visitor Program promotes the interchange of knowledge and skills among foreign and American specialists, who are defined as experts in a field of specialized knowledge or skills, and who visit the United States for the purpose of observing, consulting, or demonstrating their special skills. It does so by providing foreign specialists the opportunity to observe American institutions and methods of practice in their professional fields, and to share their specialized knowledge with their American colleagues. The exchange of specialists promotes mutual enrichment, and further linkages among scientific institutions, government agencies, museums, corporations, libraries, and similar types of institutions. Such exchanges also enable visitors to better understand American culture and society and enhance American knowledge of foreign cultures and skills. This category is intended for exchanges with experts in such areas, for example, as mass media communication, environmental science, youth leadership, international educational exchange, museum exhibitions, labor law, public administration, and library science. This category is not intended for experts covered by the exchange visitor categories listed in paragraphs (a) (1) through (3) of this section.

(c) Designation. The Department of State may, in its discretion, designate bona fide programs satisfying the objectives in section (b) above as an exchange visitor program in the specialist category.

(d) Visitor eligibility. A foreign national shall be eligible to participate in an exchange visitor program as a specialist if the individual:

(1) Is an expert in a field of specialized knowledge or skill;

Such statement must provide written assurance, satisfactory to the Secretary of Health and Human Services, that there is a need in that country for persons with the skills the alien physician seeks to acquire and shall be submitted to the Educational Commission for Foreign Medical Graduates by the participant’s government. The statement of need must bear the seal of the concerned government and be signed by a duly designated official of the government. The text of such statement of need shall read as follows:

§ 62.30 Camp counselors.

(a) Introduction. In order to promote diverse opportunities for participation in educational and cultural exchange programs, the Department of State designates exchange sponsors to facilitate the entry of foreign nationals to serve as counselors in U.S. summer camps. These programs promote international understanding by improving American knowledge of foreign cultures while enabling foreign participants to increase their knowledge of American culture. The foreign participants are best able to carry out this objective by serving as counselors per se, that is, having direct responsibility for supervision of groups of American youth and of activities that bring them into interaction with their charges. While it is recognized that some non-counseling chores are an essential part of camp life for all counselors, this program is not intended to assist American camps in bringing in foreign nationals to serve as administrative personnel, cooks, or menial laborers, such as dishwashers or janitors.

(b) Participant eligibility. Participation in camp counselor exchange programs is limited to foreign nationals who:

(1) Are at least 18 years of age;
(2) Are bona fide youth workers, students, teachers, or individuals with specialized skills; and

(c) Participant selection. In addition to satisfying the requirements in §62.10(a), sponsors shall adequately screen all international candidates for camp counselor programs and at a minimum:

(1) Conduct an in-person interview; and
(2) Secure references from a participant’s employer or teacher regarding his or her suitability for participation in a camp counselor exchange.

(d) Participant orientation. Sponsors shall provide participants, prior to their departure from the home country, detailed information regarding:

(1) Duties and responsibilities relating to their service as a camp counselor;
(2) Contractual obligations relating to their acceptance of a camp counselor position; and
(3) Financial compensation for their service as a camp counselor.

(e) Participant placements. Sponsors shall place eligible participants at camping facilities which are:

(1) Accredited;
(2) A member in good standing of the American Camping Association;
(3) Officially affiliated with a nationally recognized non-profit organization; or
(4) Have been inspected, evaluated, and approved by the sponsor.

(f) Participant compensation. Sponsors shall ensure that international participants receive pay and benefits commensurate with those offered to their American counterparts.

(g) Participant supervision. Sponsors shall provide all participants with a phone number which allows 24 hour immediate contact with the sponsor.

(h) Program administration. Sponsors shall:

(1) Comply with all provisions set forth in subpart A of this part;
(2) Not facilitate the entry of any participant for a program of more than four months duration; and
(3) Under no circumstance facilitate the entry into the United States of a participant for whom a camp placement has not been pre-arranged.

(i) Placement report. In lieu of listing the name and address of the camp facility at which the participant is placed on Form DS–2019, sponsors shall submit to the Department of State, no later than July 1st of each year, a report of all participant placements. § 62.32 Summer work travel.

(a) Introduction. The regulations in this section (in combination with any other provisions of 22 CFR part 62, as applicable) govern participation in Summer Work Travel programs conducted by Department of State-designated sponsors pursuant to the authority granted the Department of State under Public Law 105–277.

(b) Purpose. The purpose of this program is to provide foreign college and university students with opportunities to interact with U.S. citizens, experience U.S. culture while sharing their own cultures with Americans they meet, travel in the United States, and work in jobs that require minimal training and are seasonal or temporary in order to earn funds to help defray a portion of their expenses. Employment is of a seasonal nature when the required service is tied to a certain time of the year by an event or pattern and requires labor levels above and beyond existing worker levels. Employment is of a temporary nature when an employer’s need for the duties to be performed is a one-time occurrence, a peak load need, or an intermittent need. It is the nature of employers’ needs, not the nature of the duties that is controlling.

(c) Duration of participation. Summer Work Travel participants are authorized to participate in the Exchange Visitor Program for up to four months during the long break between academic years as determined by the Department of State. Extensions of program participation are not permitted.

(d) Participant screening and selection. In addition to satisfying the requirements set forth at §62.10(a), sponsors are solely responsible for adequately screening and making the final selection. The screening process requires that sponsors (or vetted foreign entities acting on their behalf) at a minimum must:

1. Conduct and document interviews with potential participants either in-person or by video-conference;
2. Confirm proficiency in conversational English and reading comprehension through either recognized language tests administered by academic institutions or English language schools or through the required documented interviews;
3. Select applicants who demonstrate their intention to participate in the cultural aspects of the Summer Work Travel Program.
4. Confirm that at the time of application, applicants (including final year students) are enrolled full-time and
pursuing studies at accredited post-secondary, classroom-based, academic institutions physically located outside of the United States and have successfully completed at least one semester, or equivalent, of post-secondary academic study.

(e) Participant orientation. In addition to satisfying the requirements set forth at §62.10(b) and (c), sponsors must provide program participants, prior to participants’ departures from their home countries, the following information and/or documentation:

1. A copy of the Department of State’s Summer Work Travel Participant Letter;

2. A copy of the Department of State’s Summer Work Travel Program Brochure;

3. The Department of State’s toll-free help line telephone number;

4. The sponsor’s 24/7 immediate contact telephone number;

5. Information advising participants of their obligations to notify their sponsors within ten days after they arrive in the United States and within ten days after they initially secure or change residences;

6. Information advising participants that they may not begin working at initial, replacement, or additional jobs until their sponsors have verified the terms and conditions of such employment and fully vetted their host employers as set forth at paragraph (n) of this section;

7. For participants with jobs secured prior to departing from selected home countries, documentation explaining the terms and conditions of such jobs and providing information about available housing and transportation to and from work;

8. Information explaining the cultural component of the Summer Work Travel Program, including guidance on how to best experience U.S. culture and/or descriptions of cultural opportunities arranged by the sponsor; and

9. Information explaining that sponsors will terminate the programs of participants who fail to comply with enumerated program regulations (i.e., reporting their arrivals, reporting changes of residence, not starting work at unverified jobs, responding to sponsor monthly outreach/monitoring efforts).

(f) Cultural exchange. (1) Sponsors must ensure that all participants have opportunities to work alongside U.S. citizens and interact regularly with U.S. citizens to experience U.S. culture during the workday portion of their Summer Work Travel programs; and

2. Sponsors must ensure that all participants have opportunities to engage in cultural activities or events outside of work by planning, initializing, and carrying out events or other activities that provide participants’ exposure to U.S. culture.

(g) Participant placement. (1) Sponsors and third parties acting on their behalf may not pay or otherwise provide any incentive to employers to accept program participants for job placements with such employers.

2. Sponsors must confirm initial, replacement, and additional jobs placements of all Summer Work Travel Program participants before participants may start work by verifying, at a minimum, the terms and conditions of such employment and fully vetting their host employers as set forth at paragraph (n) of this section. Once participants have arrived in the United States and identified initial, replacement, or additional jobs, sponsors must vet such jobs within 72 hours.

3. Sponsors must not pose obstacles to job changes, but must offer reasonable assistance to participants wishing to change jobs regardless of whether their jobs were secured by the sponsors (direct-placed) or by the participants (self-placed).

4. Sponsors may place participants only in jobs that:

1. Are seasonal or temporary as defined in paragraph (b) of this section; and

2. Provide opportunities for regular communication and interaction with U.S. citizens and allow participants to experience U.S. culture.

5. Sponsors may not place participants in jobs:

1. That require licensing;

2. That are on the program exclusion list set forth at paragraph (h) of this section; or
(iii) For which there is another specific J visa category (e.g., Camp Counselor, Trainee, Intern).

   (i) Participants must be employees of and paid by the staffing agencies;
   (ii) Staffing agencies must provide full-time, primary, on-site supervision of the participants;
   (iii) Staffing agencies must effectively control the work sites, e.g., have hands-on management responsibility for the participants.

(7) Sponsors may not place participants with employers that fill non-seasonal or non-temporary job openings with exchange visitors with staggered vacation schedules.

(8) Sponsors must use extra caution when placing students in positions at employers in lines of business that are frequently associated with trafficking persons (e.g., modeling agencies, housekeeping, janitorial services).

(9) Sponsors must consider the availability of suitable, affordable housing (e.g., that meets local codes and ordinances) and reliable, affordable, and convenient transportation to and from work when making job placements.

(i) If employers do not provide or arrange housing and/or transportation, or if participants decline employer-provided housing or transportation, sponsors must actively and immediately assist participants with arranging appropriate housing and transportation.

(ii) If employers provide housing and/or transportation to and from work, job offers must include details of all such arrangements, including the cost to participants; whether such arrangements deduct such costs from participants’ wages; and the market value of housing and/or transportation in accordance with the Fair Labor Standards Act regulations set forth at 29 CFR part 531, if they are considered part of the compensation packages.

(10) For participants who are nationals of non-Visa Waiver Program countries and participants who are nationals of Visa Waiver Program countries with job placements screened in advance by the sponsors (direct placement) or jobs found by the participants (self-placement), prior to issuing Form DS–2019, sponsors must vet the potential employers as set forth at paragraph (n) of this section, confirm the terms and conditions of the job offers, and input complete and correct data into the Student and Exchange Visitor Information System (SEVIS) pursuant to the requirements set forth in §62.70(f).

(11) Sponsors of applicants who are nationals of Visa Waiver Program countries and who have not secured jobs prior to departing from their home countries must:
   (i) Ensure that such participants receive pre-departure information that explains how to seek employment and secure lodging in the United States, and clearly identifies the criteria for appropriate jobs set forth at paragraph (g) of this section and the categories of employment and positions that are on the program exclusion list set forth at paragraph (h) of this section;
   (ii) Ensure that such participants have sufficient financial resources to support themselves during their searches for employment;
   (iii) Assist participants who have not found suitable employment within one week of commencing their job searches;
   (iv) Instruct participants of their obligation to notify their sponsors when they obtain job offers (and that they cannot start such jobs until the sponsors vet them); and
   (v) Promptly (i.e., within 72 hours) confirm the initial jobs of such participants, at a minimum, by verifying the terms and conditions of such employment and fully vetting their host employers as set forth at paragraph (n) of this section.

(h) Program exclusions. Sponsors must not place participants:
   (1) In positions that could bring notoriety or disrepute to the Exchange Visitor Program;
   (2) In sales positions that require participants to purchase inventory that they must sell in order to support themselves;
   (3) In domestic help positions in private homes (e.g., child care, elder care, gardener, chauffeur);
   (4) As pedicab or rolling chair drivers or operators;
(5) As operators or drivers of vehicles or vessels for which drivers’ licenses are required regardless of whether they carry passengers or not;

(6) In positions related to clinical care that involves patient contact;

(7) In any position in the adult entertainment industry (including, but not limited to jobs with escort services, adult book/video stores, and strip clubs);

(8) In positions requiring work hours that fall predominantly between 10:00 p.m. and 6:00 a.m.;

(9) In positions declared hazardous to youth by the Secretary of Labor at Subpart E of 29 CFR part 570;

(10) In positions that require sustained physical contact with other people and/or adherence to the Centers for Disease Control and Prevention's Universal Blood and Body Fluid Precautions guidelines (e.g., body piercing, tattooing, massage, manicure);

(11) In positions that are substantially commission-based and thus do not guarantee that participants will be paid minimum wage in accordance with federal and state standards;

(12) In positions involved in gaming and gambling that include direct participation in wagering and/or betting;

(13) In positions in chemical pest control, warehousing, catalogue/online order distribution centers;

(14) In positions with travelling fairs or itinerant concessionaires;

(15) In positions for which there is another specific J category (e.g., camp counselor, intern, trainee); or

(i) Participant compensation. (1) Sponsors must inform program participants of Federal, State, and Local Minimum Wage requirements, and ensure that at a minimum, participants are compensated at the higher of:

(i) The applicable Federal, State, or Local Minimum Wage (including overtime); or

(ii) Pay and benefits commensurate with those offered to their similarly situated U.S. counterparts.

(2) Sponsors must demonstrate that participants are also compensated according to the above standards in the following (and similar) situations:

(i) The host employers provide housing and/or transportation as part of participants’ compensation, but the compensation package does not explain that the lower hourly wage reflects such benefits; or

(ii) The employers compensate participants on a “piece” basis (e.g., number of rooms cleaned). If at the end of each pay period, the participant’s earnings under the piece rate do not equal at least the amount the participant would have earned had the participant been paid the predominant local wage as provided in subparagraph (1), the participant’s pay must be supplemented at that time so that the participant’s earnings are at least as much as the required local wage as provided in subparagraph (1).

(3) Sponsors must ensure that appropriate assistance is provided to participants on an as-needed basis and that sponsors are available to participants (and host employers) to assist as facilitators, counselors, and information resources.

(j) Monitoring. Sponsors must:

(1) Maintain, at a minimum, monthly personal contacts with program participants. Such contact may be in-person, by telephone, or via exchanges of electronic mail (including a response from the participant) and must be properly documented. Sponsors must promptly and appropriately address issues affecting the participants' health, safety, and welfare identified through such contacts; and

(2) Provide appropriate assistance to participants on an as-needed basis and be available to participants (and host employers) to assist as facilitators, counselors, and information resources.

(k) Internal controls. Sponsors must utilize organization-specific standard operating procedures for training and supervising all organization employees. In addition, sponsors must establish internal controls to ensure that employers and/or foreign entities comply with the terms of agreements with such
third parties involved in the administration of the sponsors’ exchange visitor programs (i.e., affect the core programmatic functions).

(i) **Sponsors’ use of third parties.** (1) If sponsors utilize foreign third party entities to assist in fulfilling the core programmatic functions of screening and orientation that may be conducted outside the United States, they must first obtain written and executed agreements with such third parties. For the purpose of this section, U.S. entities operating outside the United States (or its possessions or territories) are considered foreign entities. At a minimum, these written agreements must:

(i) Outline the obligations and full relationship between the sponsors and such third parties on all matters involving the administration of the sponsors’ exchange visitor programs; and

(ii) Delineate the parties’ respective responsibilities.

(m) **Vetting third party foreign entities.** Sponsors must undertake appropriate due diligence in the review of potential overseas agents or partners (i.e., foreign entities) who assist in fulfilling the sponsors’ core programmatic functions that may be conducted outside the United States (i.e., screening and orientation) and must, at a minimum, annually review and maintain the following documentation for potential or existing foreign entities:

(1) Proof of business licensing and/or registration to enable them to conduct business in the venue(s) where they operate;

(n) **Vetting domestic third party entities.** Annually, sponsors must undertake appropriate due diligence in the vetting of domestic third parties who assist in the promotion of mutual understanding and potential host employers.

(1) Sponsors must ensure that third parties assisting in promoting mutual understanding (i.e., providing opportunities for participants to engage in cultural activities) are reputable individuals or organizations that are qualified to perform the activities agreed to and
that they have sufficient liability insurance, if appropriate. All third parties that are registered business entities must be vetted according to the host employer procedures set forth in paragraphs (n)(2)(i) through (iii) of this section.

(2) Sponsors must ensure that potential host employers are legitimate and reputable businesses by, at a minimum:

(i) Making direct contact in person or by telephone with potential employers to verify the business owners’ and/or managers’ names, telephone numbers, email addresses, street addresses, and professional activities;

(ii) Utilizing publicly available information, for example, but not limited to, state registries, advertisements, brochures, Web sites, and/or feedback from prior participants to confirm that all job offers have been made by viable business entities;

(iii) Obtaining potential host employers’ Employer Identification Numbers and copies of their current business licenses; and

(iv) Verifying the potential host employers’ Worker’s Compensation Insurance Policy or equivalent in each state where a participant will be placed or, if applicable, evidence of that state’s exemption from requirement of such coverage.

(2) Pay eligible participants for overtime worked in accordance with applicable State or Federal law;

(3) Notify sponsors promptly when participants arrive at the work sites to begin their programs; when there are any changes or deviations in the job placements during the participants’ programs; when participants are not meeting the requirements of their job placements; or when participants leave their positions ahead of their planned departures;

(4) Contact sponsors immediately in the event of any emergency involving participants or any situations that impact their health, safety, or welfare; and

(5) In those instances when the employer provides housing or transportation, agree to provide suitable and acceptable accommodations and/or reliable, affordable, and convenient transportation.

(p) Reporting requirements. Sponsors must electronically comply with the following reporting requirements utilizing Department-provided templates:

(1) Submit placement reports on January 31 and July 31 of each year, identifying all Summer Work Travel Program participants who began exchange programs during the preceding six-month period. The reports must include the exchange visitors’ names, SEVIS Identification Numbers, countries of citizenship or legal permanent residence, names of host employers, and the length of time it took non-preplaced participants to secure job placements. For participants who change jobs or have multiple jobs during their programs, the report must include all such placements;

(2) Maintain listings of all active foreign agents or partners on the Foreign Entity Report by promptly informing the Department of any additions, deletions, or changes to foreign entity information by submitting new versions of their reports that reflect all current information. Reports must include the names, addresses, and contact information, including physical and mailing addresses, telephone numbers, and email addresses of all foreign entities that assist the sponsors in fulfilling the provision of core programmatic services. promptly when and why they have cancelled contractual arrangements with foreign entities; and

(3) Submit annual participant price lists to the Department on January 31 of each year in a format approved by the Department to provide itemized breakdowns of the costs that exchange visitors must pay to both foreign agents and sponsors to participate in the Summer Work Travel Program on a country-specific (and, if appropriate, foreign agent-specific) basis.

§ 62.42 Transfer of program.

(a) Program sponsors may, pursuant to the provisions set forth in this section, permit an exchange visitor to transfer from one designated program to another designated program.

(b) The responsible officer of the program to which the exchange visitor is transferring:

(c) Upon return of the completed Form DS–2019, the responsible officer of the program to which the exchange visitor has transferred shall provide:

(1) Adequately document the reasons which justify such extension; and

(2) Secure the prior written approval of the Department of State for such extension.

§ 62.45 Reinstatement to valid program status.

(a) Definitions. For purpose of this section—

You means the Responsible Officer or Alternate Responsible Officer;

Exchange visitor means the person who enters the United States on a J visa in order to participate in an exchange program designated by the Secretary of State of the Department of State.

Fails or failed maintain valid program status means the status of an exchange visitor who has completed, concluded, ceased, interrupted, graduated from, or otherwise terminated the exchange visitor’s participation in the exchange program, or who remains in the United States beyond the end date on the exchange visitor’s current Form DS–2019.

Unauthorized employment means any employment not properly authorized by you or by the Attorney General, i.e., the Immigration and Naturalization Service, prior to commencement of employment. Unauthorized employment does not include activities that are normally approvable, as described in paragraph (c)(3) of this section.

We, our, or us means the office of Exchange Visitor Program Services of the Department of State.

(b) Who is authorized to correct minor or technical infractions of the Exchange Visitor Program regulations? (1) If the exchange visitor committed a technical or minor infraction of the regulations, you are authorized to correct the exchange visitor’s records with respect to such technical or minor infractions of the regulations in this part. Your correction of such an infraction(s) returns the exchange visitor to the status quo ante, i.e., it is as if the infraction never occurred.

(2) You may only correct the exchange visitor’s record with respect to a technical or minor infraction of the regulations in this part if the exchange visitor is pursuing or intending to pursue the exchange visitor’s original program objective.

(3) You may not correct the exchange visitor’s records with respect to a technical or minor infraction of the regulations in this part if the exchange visitor has willfully failed to maintain insurance coverage during the period for which the record is being corrected; if the exchange visitor has engaged in unauthorized employment during that period, as defined in paragraph (a) of this section, of if the exchange visitor was involuntarily suspended or terminated from his or her program during the period.

(4) If the exchange visitor has failed to maintain valid program status because of a substantive violation of the regulations in this part, you must apply to us for reinstatement.

(c) What violations or infractions of the regulations in this part do we consider to be technical or minor ones, and how do you correct the record? We consider the following to be examples of technical or minor infractions which you are authorized to correct:

(1) Failure to extend the Form DS–2019 in a timely manner (i.e., prior to the end date on the current Form DS–2019) due to inadvertence or neglect on your part or on the part of the exchange visitor.

(2) Failure on the part of the exchange visitor to conclude a transfer of program prior to the end date on the
current Form DS–2019 due to administrative delay or oversight, inadvertence or neglect on your part or on the part of the exchange visitor;

(3) Failure to receive your prior approval and/or an amended Form DS–2019 before accepting an honorarium or other type of payment for engaging in a normally approvable and appropriate activity. Example, a lecture, consultation, or other activity appropriate to the category which is provided by a professor, research scholar, short-term scholar or specialist without prior approval or an amended Form DS–2019 issued prior to the occurrence of the activity.

(4) You correct the record status quo ante by issuing a Form DS–2019 or by writing an authorization letter to reflect the continuity in the program or the permission to engage in the activity that a timely issued document would have reflected.

(i) Forms DS–2019 should be:
(A) Issued to show continued authorized stay without interruption;
(B) Marked in the “purpose” box with the appropriate purpose (i.e., extension, transfer, etc.) and with the additional notation of “correct the record” typed in;
(C) Dated as of the date the Form was actually executed; and,
(D) Submitted to the Department of State in the same way as any other notification.

(ii) Letters or other authorization documents should be:
(A) Issued according to the regulations in this part appropriate to the category and the activity;
(B) Marked or annotated to show “correct the record,”
(C) Dated as of the date the letter or document was actually executed; and,
(D) Attached to the exchange visitor’s Form DS–2019 and/or retained in the sponsor’s file as required by the regulations in this part for that particular type of letter or document.

(d) How do you determine if an infraction, other than those examples listed above is a technical or minor infraction? It is impossible to list every example of a technical or minor infraction. To guide you in making a determination, you are to examine the following criteria:

(1) Regardless of the reason, has the exchange visitor failed to maintain valid program status for more than 120 calendar days after the end date on the current Form DS–2019?
(2) Has the exchange visitor, by his or her actions, failed to maintain, at all relevant times, his or her original program objective?
(3) Has the exchange visitor willfully failed to comply with our insurance coverage requirements (§ 62.14)?
(4) Has the exchange visitor engaged in unauthorized employment, as that term is defined in paragraph (a) of this section?
(5) Has the exchange visitor category been involuntarily suspended or terminated from his or her program?
(6) Has an exchange visitor in the student category failed to maintain a full course of study (as defined in § 62.2) without prior consultation with you and the exchange visitor’s academic advisor?
(7) Has the exchange visitor failed to pay the fee mandated by Public Law 104–208 (the “CIPRIS” fee)?
(8) If the answer to any of the above questions is “yes,” then the infraction is not a technical or minor one and you are not authorized to reinstate the exchange visitor to valid program status.

(e) Which violations or infractions do we consider to be substantive ones requiring you to apply to us for reinstatement? The following are substantive violations or infractions of the regulations in this part by the exchange visitor which require you to apply to us for reinstatement to valid program status:

(1) Failure to maintain valid program status for more than 120 days after the end date on the current Form DS–2019.
(2) If a student, failure to maintain a full course of study (as defined in § 62.2) without prior consultation with you and the exchange visitor’s academic advisor.

(f) Which, if any, violations of the regulations in this part or other conditions preclude reinstatement and will result in a denial if application is made? We will not consider requests for reinstatement (nor should you) when an exchange visitor has:

(1) Knowingly or willfully failed to obtain or maintain the required health
§ 62.45 22 CFR Ch. I (4–1–16 Edition)

insurance (§ 62.14) at all times while in the United States;

(2) Engaged in unauthorized employment, as that term is defined in paragraph (a) of this section;

(3) Been suspended or terminated from the most recent exchange visitor program;

(4) Failed to maintain valid program status for more than 270 calendar days;

(5) Received a favorable recommendation from the Department of State on an application for waiver of section 212(e) of the Immigration and Nationality Act [8 U.S.C. 1182(e)]; or,

(6) Failed to pay the fee mandated by Public Law 104–208 (the “CIPRIS” fee.)

(g) What if you cannot determine which category (technical, substantive, or non-reinstatable) the violation or infraction falls within? If you cannot determine which category the violation or condition falls within, then you must, on behalf of the exchange visitor, apply to us for reinstatement.

(h) If you determine that the exchange visitor’s violation of the regulations in this part is a substantive one, how do you apply for a reinstatement to valid program status?

(1) If you determine that the violation of the regulations in this part is a substantive one, and that the exchange visitor has failed to maintain valid program status for 120 days or less, you must apply to us for reinstatement of the exchange visitor to valid program status. Your application must include:

(i) All copies of the exchange visitor’s Forms DS–2019 issued to date;

(ii) A new, completed Form DS–2019, showing in Block 3 the date for which reinstatement is sought, i.e., the new program end date;

(iii) A copy of the receipt showing that the Public Law 104–208 fee has been paid; and,

(iv) A written statement (and documentary information supporting such statement):

(A) Declaring that the exchange visitor is pursuing or was at all times intending to pursue the original exchange visitor program activity for which the exchange visitor was admitted to the United States; and,

(B) Showing that the exchange visitor failed to maintain valid program status due to circumstances beyond the control of the exchange visitor, or from administrative delay or oversight, inadvertence, or excusable neglect on your part or the exchange visitor’s part; or,

(C) Showing that it would be an unusual hardship to the exchange visitor if we do not grant the reinstatement to valid program status.

(2) If you determine that the violation of the regulations is a substantive one, and that the exchange visitor has failed to maintain valid program status for more than 120 days, then you must apply to us for reinstatement of the exchange visitor to valid program status. Your application must include:

(i) Copies of all the exchange visitor’s Forms DS–2019 issued to date;

(ii) A new, completed Form DS–2019, showing in Block 3 the date for which reinstatement is sought, i.e., the new program end date;

(iii) A copy of the receipt showing that the Pub. L. 104–208 fee has been paid; and,

(iv) A written statement (together with documentary evidence supporting such statement):

(A) Declaring that the exchange visitor is pursuing or was at all times intending to pursue the exchange visitor program activity for which the exchange visitor was admitted to the United States; and,

(B) Showing that the exchange visitor failed to maintain valid program status due to circumstances beyond the control of the exchange visitor, or from administrative delay or oversight, inadvertence, or excusable neglect on your part or the exchange visitor’s part; and,

(C) Showing that it would be an unusual hardship to the exchange visitor if we do not grant the reinstatement to valid program status.

(i) How will we notify you of our decision on your request for reinstatement? (1) If we deny your request for reinstatement, we will notify you by letter.

(2) If we approve your request for reinstatement, we will notify you:

(i) By stamping Box 6 on the new Form DS–2019 to show that reinstatement was granted, effective as of the
date on which the application for reinstatement was received by the Exchange Visitor Program Services office; and
(ii) By returning the new Form DS–2019 for the exchange visitor.

(j) How long will it take us to act on your request for reinstatement? We will act on your request for reinstatement within forty-five days from the date on which we receive the request and supporting documentation.

(k) Are you required to notify us each time that you correct a record? No special notification is necessary. Submission of the notification copy of Form DS–2019 to the Department of State serves as notice that a record has been corrected. Following the regulations in this part in issuing a letter or document serves as correction in the sponsor’s file for those items not normally sent to the Department of State under existing notification procedures.

Subpart D—Sanctions

§ 62.50 Sanctions.

(a) Reasons for sanctions. The Department of State (Department) may impose sanctions against a sponsor upon a finding by its Office of Exchange Coordination and Designation (Office) that the sponsor has:

(1) Violated one or more provisions of this Part;

(2) Evidenced a pattern of failure to comply with one or more provisions of this Part;

(3) Committed an act of omission or commission, which has or could have the effect of endangering the health, safety, or welfare of an exchange visitor; or

(4) Otherwise conducted its program in such a way as to undermine the foreign policy objectives of the United States, compromise the national security interests of the United States, or bring the Department or the Exchange Visitor Program into notoriety or disrepute.

(b) Lesser sanctions. (1) In order to ensure full compliance with the regulations in this Part, the Department, in its discretion and depending on the nature and seriousness of the violation, may impose any or all of the following sanctions (“lesser sanctions”) on a sponsor upon a finding that the sponsor engaged in any of the acts or omissions set forth in paragraph (a) of this section:

(i) A written reprimand to the sponsor, with a warning that repeated or persistent violations of the regulations in this part may result in suspension or revocation of the sponsor’s Exchange Visitor Program designation, or other sanctions as set forth herein;

(ii) A declaration placing the exchange visitor sponsor’s program on probation, for a period of time determined by the Department in its discretion, signifying a pattern of violation of regulations such that further violations could lead to suspension or revocation of the sponsor’s Exchange Visitor Program designation, or other sanctions as set forth herein;

(iii) A corrective action plan designed to cure the sponsor’s violations; or

(iv) Up to a 15 percent (15%) reduction in the authorized number of exchange visitors in the sponsor’s program or in the geographic area of its recruitment or activity. If the sponsor continues to violate the regulations in this Part, the Department may impose subsequent additional reductions, in ten-percent (10%) increments, in the authorized number of exchange visitors in the sponsor’s program or in the geographic area of its recruitment or activity.

(2) Within ten (10) days after service of the written notice to the sponsor imposing any of the sanctions set forth in paragraph (b)(1) of this section, the sponsor may submit to the Office a statement in opposition to or mitigation of the sanction. Such statement may not exceed 20 pages in length, double-spaced and, if appropriate, may include additional documentary material. Sponsors shall include with all documentary material an index of the documents and a summary of the relevance of each document presented. Upon review and consideration of such submission, the Office may, in its discretion, modify, withdraw, or confirm such sanction. All materials the sponsor submits will become a part of the sponsor’s file with the Office.
(3) The decision of the Office is the final Department decision with regard to lesser sanctions in paragraphs (b)(1)(i) through (iv) of this section.

(c) Suspension. (1) Upon a finding that a sponsor has committed a serious act of omission or commission which has or could have the effect of endangering the health, safety, or welfare of an exchange visitor, or of damaging the national security interests of the United States, the Office may serve the sponsor with written notice of its decision to suspend the designation of the sponsor’s program for a period not to exceed one hundred twenty (120) days. Such notice must specify the grounds for the sanction and the effective date thereof, advise the sponsor of its right to oppose the suspension, and identify the procedures for submitting a statement of opposition thereto. Suspension under this paragraph need not be preceded by the imposition of any other sanction or notice.

(2)(i) Within five (5) days after service of such notice, the sponsor may submit to the Principal Deputy Assistant Secretary for Educational and Cultural Affairs (Principal Deputy Assistant Secretary, or PDAS) a statement in opposition to the Office’s decision. Such statement may not exceed 20 pages in length, double-spaced and, if appropriate, may include additional documentary material. A sponsor shall include with all documentary material an index of the documents and a summary of the relevance of each document presented. The submission of a statement in opposition to the Office’s decision will not serve to stay the suspension.

(ii) Within ten (10) days after service of such written notice of intent to revoke designation, the sponsor may submit to the Principal Deputy Assistant Secretary a statement in opposition to or mitigation of the proposed sanction, which may include a request for a meeting.

(iii) The Principal Deputy Assistant Secretary shall provide a copy of the statement in opposition to or mitigation of the proposed sanction to the Office. The Office shall submit a statement in response, and shall provide the sponsor with a copy thereof.

(iv) A statement in opposition to or mitigation of the proposed sanction, or statement in response thereto, may not exceed 25 pages in length, double-spaced and, if appropriate, may include additional documentary material. Any additional documentary material may include an index of the documents and a summary of the relevance of each document presented.

(v) Upon consideration of such statements, the Principal Deputy Assistant Secretary shall modify, withdraw, or confirm the proposed sanction by serving the sponsor with a written decision. Such decision shall specify the grounds therefor, identify its effective date, advise the sponsor of its right to

§62.50 22 CFR Ch. I (4–1–16 Edition)
request a review, and identify the procedures for requesting such review.

(vi) All materials the sponsor submits will become a part of the sponsor's file with the Office.

(3) Within ten (10) days after service of such written notice of the decision of the Principal Deputy Assistant Secretary, the sponsor may submit a request for review with the Principal Deputy Assistant Secretary. The submission of such request for review will serve to stay the effective date of the decision pending the outcome of the review.

(4) Within ten (10) days after receipt of such request for review, the Department shall designate a panel of three Review Officers pursuant to paragraph (g) of this section, and the Principal Deputy Assistant Secretary shall forward to each panel member all notices, statements, and decisions submitted or provided pursuant to the preceding paragraphs of paragraph (d) of this section. Thereafter, the review will be conducted pursuant to paragraphs (g) and (h) of this section.

(e) Denial of application for redesignation. Upon a finding of any act or omission set forth at paragraph (a) of this section, the Office may serve a sponsor with not less than thirty (30) days' written notice of its intent to deny the sponsor's application for redesignation. Such notice must specify the grounds on which the sponsor asserts that the decision of the Principal Deputy Assistant Secretary should be reversed or modified. Any such statement may not exceed 25 pages in length, double-spaced; and any attachments thereto shall not exceed 50 pages. A sponsor shall include with all attachments an index of the documents and a summary of the relevance of each document presented. The Review Officers shall transmit one (1) copy of any such statement to the Principal Deputy Assistant Secretary, who shall, within fifteen (15) days after receipt of such statement, submit four (4) copies of a statement in response. Any such statement may not exceed 25 pages in length, double-spaced; and any attachments thereto shall not exceed 50 pages. The Principal Deputy Assistant Secretary shall include with all attachments an index of the documents and a summary of the relevance of each document presented. The Review Officers shall transmit one (1) copy of any such statement to the sponsor. No other

(g) Review officers. A panel of three Review Officers shall hear a sponsor's request for review pursuant to paragraphs (c), (d), (e), and (f) of this section. The Under Secretary of State for Public Diplomacy and Public Affairs shall designate one senior official from an office reporting to him/her, other than from the Bureau of Educational and Cultural Affairs, as a member of the Panel. The Assistant Secretary of State for Consular Affairs and the Legal Adviser shall each designate one senior official from their bureaus as members of the Panel.

(h) Review. The Review Officers may affirm, modify, or reverse the sanction imposed by the Principal Deputy Assistant Secretary. The following procedures shall apply to the review:

(1) Upon its designation, the panel of Review Officers shall promptly notify the Principal Deputy Assistant Secretary and the sponsor in writing of the identity of the Review Officers and the address to which all communications with the Review Officers shall be directed.

(2) Within fifteen (15) days after service of such notice, the sponsor may submit to the Review Officers four (4) copies of a statement identifying the grounds on which the sponsor asserts that the decision of the Principal Deputy Assistant Secretary should be reversed or modified. Any such statement may not exceed 25 pages in length, double-spaced; and any attachments thereto shall not exceed 50 pages. A sponsor shall include with all attachments an index of the documents and a summary of the relevance of each document presented. The Review Officers shall transmit one (1) copy of any such statement to the Principal Deputy Assistant Secretary, who shall, within fifteen (15) days after receipt of such statement, submit four (4) copies of a statement in response. Any such statement may not exceed 25 pages in length, double-spaced; and any attachments thereto shall not exceed 50 pages. The Principal Deputy Assistant Secretary shall include with all attachments an index of the documents and a summary of the relevance of each document presented. The Review Officers shall transmit one (1) copy of any such statement to the sponsor. No other
submissions may be made unless specifically authorized by the Review Officers.

(3) If the Review Officers determine, in their sole discretion, that a meeting for the purpose of clarification of the written submissions should be held, they shall schedule a meeting to be held within twenty (20) days after the receipt of the last written submission. The meeting will be limited to no more than two (2) hours. The purpose of the meeting will be limited to the clarification of the written submissions. No transcript may be taken and no evidence, either through documents or by witnesses, will be received. The sponsor and the representative of the Principal Deputy Assistant Secretary may attend the meeting on their own behalf and may be accompanied by counsel.

(4) Following the conclusion of the meeting, or the submission of the last written submission if no meeting is held, the Review Officers shall promptly review the submissions of the sponsor and the Principal Deputy Assistant Secretary, and shall issue a signed written decision within thirty (30) days, stating the basis for their decision. A copy of the decision will be delivered to the Principal Deputy Assistant Secretary and the sponsor.

(5) If the Review Officers decide to affirm or modify the sanction, a copy of their decision shall also be delivered to the Department of Homeland Security and to the Bureau of Consular Affairs of the Department of State. The Office, at its discretion, may further distribute the decision.

(6) Unless otherwise indicated, the sanction, if affirmed or modified, is effective as of the date of the Review Officers’ written decision, except in the case of suspension of program designation, which is effective as of the date specified pursuant to paragraph (c) of this section.

(j) Miscellaneous—(1) Computation of time. In computing any period of time prescribed or allowed by these regulations, the day of the act or event from which the designated period of time begins to run is not included. The last day of the period so computed is included unless it is a Saturday, a Sunday, or a Federal legal holiday, in which event the period runs until the end of the next day which is not one of the aforementioned days. When the period of time prescribed or allowed is fewer than eleven (11) days, intermediate Saturdays, Sundays, or Federal legal holidays are excluded in the computation.

(2) Service of notice to sponsor. Service of notice to a sponsor pursuant to this section may be accomplished through written notice by mail, delivery, or facsimile, upon the president, chief executive officer, managing director, General Counsel, responsible officer, or alternate responsible officer of the sponsor.

Subpart E—Termination and Revocation of Programs

SOURCE: 72 FR 72249, Dec. 20, 2007, unless otherwise noted.

§ 62.60 Termination of designation

Designation will be terminated upon the occurrence of any of the circumstances set forth in this section.

(a) Voluntary termination. A sponsor notifies the Department of its intent to terminate its designation voluntarily and withdraws its program in SEVIS via submission of a “cancel program” request. The sponsor’s designation shall terminate upon submission of such notification. Such sponsor may apply for a new program designation.

(b) Inactivity. A sponsor fails to comply with the minimum program size or duration requirements, as specified in
§ 62.8 (a) and (b), in any 12-month period. Such sponsor may apply for a new program designation.

(c) Failure to file annual reports. A sponsor fails to file annual reports for two (2) consecutive years. Such sponsor is eligible to apply for a new program designation.

(d) Failure to file an annual management audit. A sponsor fails to file an annual management audit, if such audits are required in the relevant program category. Such sponsor is eligible to apply for a new program designation upon the filing of the past due management audit.

(e) Change in ownership or control. An exchange visitor program designation is not assignable or transferable. A major change in ownership or control automatically terminates the designation. However, the successor sponsor may apply for designation of the new entity, and it may continue to administer the exchange visitor activities of the previously-designated program while the application for designation is pending before the Department of State:

(1) With respect to a for-profit corporation, a major change in ownership or control is deemed to have occurred when one-third (33.33%) or more of its stock is sold or otherwise transferred within a 12-month period;

(2) With respect to a not-for-profit corporation, a major change of control is deemed to have occurred when 51 percent (51%) or more of the board of trustees or other like body, vested with its management, is replaced within a 12-month period.

(f) Non-compliance with other requirements. A sponsor fails to remain in compliance with Federal, State, local, or professional requirements necessary to carry out the activity for which it is designated, including loss of accreditation, or licensure.

(g) Failure to apply for redesignation. A sponsor fails to apply for redesignation, pursuant to the terms and conditions of §62.7, prior to the conclusion of its current designation period. If so terminated, the former sponsor may apply for a new program designation, but the program activity will be suspended during the pendency of the application.

§ 62.61 Revocation.

The Department may terminate a sponsor’s program designation by revocation for cause as specified in §62.50. Such sponsor may not apply for a new designation for five (5) years following the effective date of the revocation.

§ 62.62 Termination of, or denial of redesignation for, a class of designated programs.

The Department may, in its sole discretion, determine that a class of designated programs compromises the national security of the United States or no longer furthers the public diplomacy mission of the Department of State. Upon such a determination, the Office shall:

(a) Give all sponsors of such class of designated programs not less than thirty (30) days’ written notice of the revocation of Exchange Visitor Program designations for such programs, specifying therein the grounds and effective date for such revocations; or

(b) Give any sponsor of such class of designated programs not less than thirty (30) days’ written notice of its denial of the sponsor’s application for redesignation, specifying therein the grounds for such denial and effective date of such denial. Revocation of designation or denial of redesignation on the above-specified grounds for a class of designated programs is the final decision of the Department.

§ 62.63 Responsibilities of the sponsor upon termination or revocation.

Upon termination or revocation of its program designation, a sponsor must:

(a) Fulfill its responsibilities to all exchange visitors who are in the United States at the time of the termination or revocation; and

(b) Notify exchange visitors who have not entered the United States that the program has been terminated or revoked, unless a transfer to another designated program can be obtained.

PART 66—AVAILABILITY OF THE RECORDS OF THE NATIONAL ENDOWMENT FOR DEMOCRACY

§ 66.1 Introduction.
These regulations amend the Code of Federal Regulations to conform with Pub. L. 99–93. Pub. L. 99–93 amended the National Endowment for Democracy Act (22 U.S.C. 4411, et. seq.) to require the National Endowment for Democracy (hereinafter “NED”) to comply fully with the provisions of the Freedom of Information Act (5 U.S.C. 552) (hereinafter “FOIA”), notwithstanding that NED is not an agency or establishment of the United States Government. NED will make information about its operation, organization, procedures and records available to the public in accordance with the provisions of FOIA.

§ 66.2 Location of description of organization and substantive rules of general applicability adopted as authorized by law, and statements of general applicability formulated and adopted by NED.
See 22 CFR part 527 for a description of the organization of NED and substantive rules of general applicability formulated and adopted by NED.

§ 66.3 Places at which forms and instructions for use by the public may be obtained.
(a) All forms and instructions pertaining to procedures under FOIA may be obtained from the FOIA officer of the National Endowment for Democracy, 1101 15th St., NW; Suite 700, Washington, D.C. 20005–5000.
(b) Grant guidelines may be obtained from the Program Office of NED to the address shown in paragraph (a) of this section.
(c) General information may be obtained from the Public Affairs Office of NED at the address shown in paragraph (a) of this section.

§ 66.4 Availability of final opinions, orders, policies, interpretations, manuals and instructions.
NED is not an adjudicatory organization and therefore does not issue final opinions and orders made in the adjudication of cases. NED will, however, in
§ 66.5 Availability of NED records.

Except with respect to the records made available under §526.4, NED will, upon request that reasonably describes records in accordance with the requirements of this section, and subject to the exemptions listed in 5 U.S.C. 552(b), make such records promptly available to any person.

(a) Requests for records—How made and addressed. (1) Requesters seeking access to NED records under FOIA should direct all requests in writing to: Freedom of Information Act Officer, National Endowment for Democracy, 1101 15th St., NW, Suite 700, Washington, D.C. 20005–5000.

Although requesters are encouraged to make their requests for access to NED records directly to NED, requests for access to NED records also may be submitted to Department of State’s Office of General Counsel and Congressional Liaison at the following address: Freedom of Information/Privacy Acts Coordinator, U.S. Information Agency, Room M–04, 301 Fourth Street SW., Washington, DC 20547.

(2) Appeals of denials of initial requests must be addressed to NED in the same manner or to the Department of State pursuant to the procedures set forth at part 171 of this Title, with the addition of the word “APPEAL” preceding the address on the envelope. Appeals addressed directly to the Department of State will not be deemed to have been received by NED for purposes of the time period set forth in 5 U.S.C. 552(a)(6)(A)(I) until actually received by NED. The Department of State shall forward any appeal received by it to NED within 2 working days from the actual day of receipt by the Department of State.

(b) Administrative time limits. (1) Within 10 working days after NED’s receipt of any request for access to NED records in compliance with paragraph (a) of this section, NED shall make an initial determination whether to provide the requested information and NED shall notify the requester in writing of its initial determination. In the event of an adverse determination, notification shall include the reasons for the adverse determination, the officials responsible for such determination, the right of the requester to appeal within NED, and that the final determination by NED to deny a request for records in whole or in part shall be submitted to the Secretary of State of Department of State for review. NED shall also provide Department of State a copy of its response as soon as practicable after it responds to the requester.

(2) When a request for records has been denied in whole or in part, the requester may, within 30 days of the date of receipt by the requester of the adverse determination from NED, appeal the denial to the President of NED or his designee, who will make a determination whether to grant or deny such appeal within 20 working days of receipt thereof. All appeals should be addressed in compliance with paragraph (a) of this section. If on appeal,
the denial of the request for records is upheld, in whole or in part, NED shall notify the requester in writing of such determination, the reasons therefor, the officials responsible for such determination, the right of the requester to judicial review, and that the final determination by NED whether to deny a request for records in whole or in part shall be submitted to the Secretary of State of Department of State for review.

(3) If the requester elects not to appeal to the President of NED or his designee within the appeal period specified above, NED’s initial determination will become the final NED determination upon expiration of said appeal period or receipt by NED of notice from the requester that he does not elect to appeal, whichever is earlier. If the requester chooses to appeal NED’s initial determination within NED, the decision on appeal will become NED’s final determination.

(4)(i) Once NED’s determination to deny a request in whole or in part becomes final, NED shall submit a report to the Secretary of State of Department of State explaining the reasons for such denial no later than 5 working days thereafter.

(ii) The Secretary of State of Department of State shall review NED’s final determination within 20 working days. If the Secretary of State of Department of State or his designee approves NED’s denial in whole or in part, Department of State shall inform the requester and NED in writing of such determination, the reasons therefor, the officials responsible for such determination, and the right of the requester to judicial review of NED’s determination. In the event of such a determination, Department of State shall assume full responsibility, including financial responsibility, for defending NED in any litigation relating to such request.

(iii) If the Secretary of State of Department of State or his designee disapproves NED’s denial in whole or in part, Department of State shall promptly notify NED and thereafter NED shall promptly comply with the request for the pertinent records.

(iv) Because review by the Secretary of State of Department of State may resolve any dispute over access to NED records in the requester’s favor, the requester is encouraged (but not required) to wait for the determination on review by the Secretary of State of Department of State before seeking judicial review of NED’s final determination.

(5) In unusual circumstances as defined in 5 U.S.C. 552(a)(6)(B), the time limit provisions noted in paragraphs (b)(1) and (b)(2) of this section may be extended by written notice to the requester setting forth the reasons for such extension and the date on which a determination can be expected. Such extensions of the time limits may not exceed 10 working days in the aggregate.

(6) Any person making a request for records pursuant to §526.5 may consider administrative remedies exhausted if NED fails to comply within the applicable time limit provisions of this section. When no determination can be dispatched within the applicable time limits set forth in this section, NED shall nevertheless continue to process the request. On the expiration of the time limit, NED shall inform the requester of the reason for the delay, of the date on which a determination may be expected to be dispatched, and of the requester’s right to treat the delay as a denial and of the requester’s right to appeal. NED may ask the requester to forego appeal until a determination is made. A copy of any such notice of delay will be sent to the Secretary of State of Department of State or to his designee no later than 2 working days after it has been sent to the requester. A court may retain jurisdiction and allow NED additional time to complete its review of the records, if it can be determined that exceptional circumstances exist and that NED is exercising due diligence in responding to the request.

(c) Definitions governing schedule of standard fees and fee waivers. For purposes of these regulations governing fees and fee waivers:

(1) All of the terms defined in FOIA apply;

(2) A statute specifically providing for setting the level of fees for particular types of records means any statute that specifically requires the NED to set the
level of fees for particular types of records:

(3) The term direct costs means those expenditures that NED actually incurs in searching for and duplicating (and in the case of commercial requesters, reviewing) documents, photographs, drawings or any other material to respond to a FOIA request. (Direct costs include the salary of the employee performing the work (the basic rate of pay for the employee plus 16% of that rate to cover benefits) and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space, any heating or lighting, the facility in which the records are stored).

(4) The term search includes all time spent looking for material that is responsive to a request, including page by page or line by line identification of material within documents. Searches shall be conducted to ensure that they are undertaken in the most efficient and least expensive manner so as to minimize costs for both NED and the requester. “Search” is distinguished from “review” of material in order to determine whether the material is exempt from disclosure (see subparagraph (c)(6) below);

(5) The term duplication refers to the process of making a copy of a document, drawing, photograph, or any other material necessary to respond to a FOIA request. The copy provided by NED will be in a form that is reasonably usable by requesters;

(6) The term review refers to the process of examining documents that are located in response to a request that is for a commercial use (see subparagraph (c)(7) below) to determine whether any portion of any document located is permitted to be withheld. It also includes processing any documents for disclosure, e.g., doing all that is necessary to excise them and otherwise prepare them for release. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions;

(7) The term commercial use requests refers to a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, NED will determine the use to which a requester will put the documents requested. Where NED has reasonable cause to doubt the use to which a requester will put the records sought, or where that use is not clear from the request itself, NED will seek additional clarification before assigning the request to a specific category;

(8) The term educational institution refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, that operates a program or programs of scholarly study and/or research;

(9) The term non-commercial scientific institution refers to an institution that is not operated on a “commercial” basis as that term is referenced in paragraph (c)(7) of this section and that is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry;

(10) The term representative of the news media refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term “news” means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations that broadcast to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of “news”) who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. In the case of “free-lance” journalists, such journalists may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization even though they are not actually employed by a news organization. A publication contract would be the clearest proof, but NED will also look to the
past publication record of a requester in making this determination.

(d) Fees to be charged—general. NED shall charge fees that recoup the full allowable direct costs it incurs. NED shall use the most efficient and least costly methods to comply with requests for documents, drawings, photographs, and any other materials made under the FOIA.

(e) Specific fees. The specific fees for which NED shall charge the requester when so required by the FOIA are as follows:

(1) Manual searches for records—$8.00 per hour for clerical personnel; $15.00 per hour for supervisory personnel;

(2) Computer searches for records—In any case where a computer search is possible and the most efficient means by which to conduct a search, NED will charge the cost of operating the central processing unit for that portion of operating time that is directly attributable to searching for records responsive to a FOIA request and the operator-programmer salary apportionable to the search. The charge for the cost of the operator-programmer time shall be based on the salary of the operator-programmer plus 16 percent;

(3) Review of records—Requesters who seek documents for commercial use shall be charged for the time NED spends reviewing records to determine whether such records are exempt from mandatory disclosure. These charges shall be assessed only for the initial review; i.e., the review undertaken the first time NED analyzes the applicability of a specific exemption to a particular record or portion of a record. Neither NED nor the Department of State will charge for review at the administrative appeal level for an exemption already applied. However, NED will charge for review of records or portions of records withheld in full under an exemption that is subsequently determined not to apply. The fee for review as that term is used in these regulations shall be $15.00 per hour;

(4) Duplication of records—(i) making photocopies—15¢ per page; (ii) for copies prepared by computer, such as tapes or printouts, NED shall charge the actual cost, including operator time, of production of the tape or printout; (iii) for other methods of reproduction or duplication, NED shall charge the actual direct costs of producing the document(s);

(5) Other charges—(i) there shall be no fee for a signed statement of non-availability of a record; (ii) NED will not incur expenses arising out of sending records by special methods such as express mail;

(6) Restrictions on assessing fees—With the exception of requesters seeking documents for a commercial use, section (a)(4)(A)(iv) of the Freedom of Information Act, as amended, requires NED to provide the first 100 pages of duplication and the first two hours of search time without charge. NED shall not charge fees to any requester, including commercial use requesters, if the cost of collecting a fee would be equal to or greater than the fee itself. NED will not begin to assess fees until it has first provided the above-referenced free search and reproduction. The elements to be considered in determining the “cost of collecting a fee” are the administrative costs to NED of receiving and recording a requester’s remittance and processing the fee for deposit in NED’s account. For purposes of these restrictions on assessment of fees, the word “pages” refers to paper copies of a standard size, which will normally be 8½ × 11 or 11 × 14. Thus, for example, requesters shall not be entitled to 100 microfiche or 100 computer disks without charge.

(f) Fees to be charged—categories of requesters. There are four categories of FOIA requesters: commercial use requesters; educational and non-commercial scientific institutions; representatives of the news media; and all other requesters. The fees to be charged each of these categories of requesters are as follows:

(1) Commercial use requesters—when NED receives a request for documents for commercial use, it shall assess charges that recover the full direct costs of searching for, reviewing for release, and duplicating the records sought. Commercial use requesters are entitled to neither two hours of free
search time nor 100 free pages of reproduction of documents, NED shall recover the cost of searching for and reviewing records even if there is ultimately no disclosure of records. Requesters must reasonably describe the records sought;

(2) Educational and non-commercial scientific institution requesters—NED shall provide documents to educational and non-commercial scientific institution requesters for the cost of reproduction alone, excluding charges for the first 100 pages of duplication. To be eligible for inclusion in this category, requesters must show that the request is being made as authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research. Requesters must reasonably describe the records sought;

(3) Requesters who are representatives of the news media—NED shall provide documents to requesters who are representatives of the news media for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, a requester must meet the criteria in subsection (c)(10) above, and the request must not be made for a commercial use. A request for records supporting the news-dissemination function of the requester shall not be considered to be a request that is for a commercial use. Requesters must reasonably describe the records sought;

(4) All other requesters—NED shall charge requesters who do not fit into any of the above categories those fees that recover the full reasonable direct costs of searching for and reproducing records that are responsive to the request, except that the first 100 pages of reproduction and the first two hours of search time shall be furnished without charge. Requesters must reasonably describe the records sought.

(g) Assessment and collection of fees. (1) NED shall assess interest charges on an unpaid bill starting on the 31st day following the day on which the billing was sent. The fact that the fee has been received by NED, even if not processed, will suffice to stay the accrual of interest. Interest will be at the rate prescribed in section 3717 of title 31 of the United States Code and will accrue from the date of the billing.

(2) Charges for unsuccessful searches—If NED estimates that search charges are likely to exceed $25.00, it shall notify the requester of the estimated amount of fees unless the requester has indicated in advance a willingness to pay fees as high as those anticipated. Such notice shall offer the requester the opportunity to confer with agency personnel with the object of reformulating the request to meet the requester’s needs at a lower cost. Dispatch of such a notice of request shall suspend the running of the period for response by NED until a reply is received from the requester.

(3) Aggregating requests—Except for requests that are for a commercial use, NED shall not charge for the first two hours of search time or for the first 100 pages of reproduction. However, a requester may not file multiple requests at the same time, each seeking portions of a document or documents, solely in order to avoid payment of fees. When NED reasonably believes that a requester or a group of requesters acting in concert are attempting to divide a request into a series of requests for the purpose of evading the assessment of fees, NED shall aggregate any such requests and charge accordingly. One element to be considered in determining whether a belief would be reasonable is the time period in which the requests have been made. Before aggregating requests from more than one requester, NED must have a concrete basis on which to conclude that the requesters are acting in concert and are acting specifically to avoid payment of fees. In no case shall NED aggregate multiple requests on unrelated subjects from one requester.

(4) Advance payments—NED shall not require payment for fees before work has commenced or continued on a request unless:

(i) NED estimates or determines that allowable charges that a requester may be required to pay are likely to exceed $250.00. In this event, NED shall notify the requester of the likely cost and may require an advance payment of an
(ii) A requester has previously failed to pay a fee charged within 30 days of the date of billing.

In this event, NED shall require the requester to pay the full amount owed plus any applicable interest as provided above or demonstrate that he or she has, in fact, paid the fee, and to make an advance payment of the full amount of the estimated fee before NED begins to process a new request or a pending request from that requester.

(iii) When NED acts under paragraphs (g)(4)(i) or (ii) above, the administrative time limits prescribed in subsection (a)(6) of the FOIA will begin only after NED has received fee payments described above.

(5) Form of payment—Remittances shall be in the form of a personal check or bank draft drawn on any bank in the United States, a postal money order, or cash. Remittances shall be made payable to the order of National Endowment for Democracy. NED will assume no responsibility for cash lost in the mail.

(h) Fee waiver or reduction. NED shall furnish documents without charge or at a charge reduced below the fees established by these regulations if disclosure of the information is in the public interest because the disclosure of the information is likely to contribute significantly to public understanding of the operations or activities of government and is not primarily in the commercial interest of the requester. In making a determination under this subsection, NED shall consider these factors in the following order:

(1) Whether the subject of the request for documents concerns the operations or activities of the government. For purposes of determining whether this factor is met:

(i) Records generated by a non-government entity are less likely to respond to a request for documents concerning the operations or activities of the government;

(ii) Records that are sought for their intrinsic informational content apart from their informative value with respect to specific activities or operations of government are less likely to meet this factor.

(2) Whether the information requested is likely to contribute to an understanding of government operations or activities. For purposes of determining whether the request meets this factor:

(i) NED will consider the extent to which the information requested already exists in the public domain;

(ii) NED will consider the extent to which the value of the information relates to an understanding of government operations or activities as opposed to the extent to which the information relates to other subjects.

(3) Whether the information requested will contribute to public understanding of government operations or activities. For purposes of determining whether the request meets this factor:

(i) NED will consider whether the disclosure will contribute to a public understanding as opposed to a primarily personal understanding of the requester;

(ii) NED will consider the identity of the requester to determine whether such requester is in a position to contribute to public understanding through disclosure of the information. Requesters shall describe their qualifications to satisfy this consideration;

(iii) NED will consider the expertise of the requester and the extent to which the expertise will enable the requester to extract, synthesize and convey the information to the public. Requesters shall describe their qualifications to satisfy this consideration;

(4) Whether the contribution to public understanding will be significant. In determining whether this factor has been met:

(i) NED will consider whether the public’s understanding of the subject matter in question is likely to be enhanced by the disclosure of information by a significant extent;

(ii) NED will compare the likely level of public understanding of the subject matter of the request before and after disclosure.

(5) After NED is satisfied that factors (h)(1) through (4) have been met, it will consider whether the requested disclosure is primarily in the commercial interest of the requester.
(i) For purposes of this subsection, commercial interest is one that furthers a commercial, trade, or profit interest as those terms are commonly understood. Under this subsection, a “commercial interest” shall not be an interest served by a request for records supporting the news dissemination function of the requester. All requesters who seek a fee waiver under section (h) of these regulations must disclose any and all commercial interests that would be furthered by the requested disclosure. NED shall use this information, in its possession, reasonable inferences drawn from the requester’s identity, and the circumstances surrounding the request to determine whether the requester has any commercial interest that would be furthered by the disclosure. If information that NED obtains from a source other than the requester or reasonable inferences or other circumstances are used in making a determination under this paragraph (h)(5), NED shall inform the requester of the information, inferences or circumstances that were used in its initial determination. The requester may, prior to filing an appeal of the initial determination with the President of NED or his designee under paragraph (a)(2) of this section, provide further information or circumstances surrounding the request to the person responsible for the initial determination. Such action by the requester must occur within 20 days of the initial determination by NED. Within 10 days of receipt of such further information, clarification, or rebuttal, NED shall respond to the additional information, reverse or affirm its original position and state the reasons for the reversal or affirmation. Receipt of an affirmation by the requester shall constitute an initial denial of a request for purposes of the appeal process described in paragraphs (a) and (b) of this section.

(ii) NED shall consider the magnitude of the requester’s commercial interest. In making a determination under this factor, NED shall consider the role that the disclosed information plays with respect to the requester’s commercial interests and the extent to which the disclosed information serves the range of commercial interests of the requester.

(iii) NED shall weigh the magnitude of the identified commercial interest of the requester against the public interest in disclosure in order to determine whether the disclosure is primarily in the commercial interest of the requester. If the magnitude of the public interest in disclosure is greater than the magnitude of the requester’s commercial interest, NED shall grant a full or partial fee waiver.

(iv) In determining whether to grant a full or partial fee waiver, NED shall, to the extent possible, identify the portion of the information sought by the requester that satisfies the standard governing fee waivers set forth in FOIA, as amended, 5 U.S.C. 552(a)(4)(A)(iii), and in paragraphs (h)(1) through (6) of this section, and grant a fee waiver with respect to those documents. Fees for reproduction of documents that do not satisfy these standards shall be assessed as provided in paragraphs (c) through (g) of this section.

(i) Except as provided in paragraph (h)(5)(i) of this section, a requester may appeal a determination of the fees to be charged or waived under these regulations as he or she would appeal an initial determination of documents to be disclosed under paragraphs (a) and (b) of this section.

§ 66.7 Limitation of exemptions.

FOIA does not authorize withholding of information or limit the availability of NED records to the public except as specifically stated in this part. Nor is authority granted to withhold information from Congress.

§ 66.8 Reports.

On or before March 1 of each calendar year, NED shall submit a reporting covering the preceding calendar year to
§ 67.1 Introduction.

(a) The National Endowment for Democracy (hereinafter "NED") was created in 1983 to strengthen democratic values and institutions around the world through nongovernmental efforts. Incorporated in the District of Columbia and governed by a bipartisan Board of Directors, NED is tax-exempt, nonprofit, private corporation as defined in section 501(c)(3) of the Internal Revenue Code. Through its worldwide grant program, NED seeks to enlist the energies and talents of private citizens and groups to work with partners abroad who wish to build for themselves a democratic future.

(b) Since its establishment in 1983, NED has received an annual appropriation approved by the United States Congress as part of the United States Information Agency budget. Appropriations for NED are authorized in the National Endowment for Democracy Act (the "Act"), 22 U.S.C. 4411 et seq.

(c) The activities supported by NED are guided by the six purposes set forth in NED's Articles of Incorporation and the National Endowment for Democracy Act. These six purposes are:

1. To encourage free and democratic institutions throughout the world through private-sector initiatives, including activities which promote the individual rights and freedoms (including internationally recognized human rights) which are essential to the functioning of democratic institutions;
2. To facilitate exchanges between U.S. private sector groups (especially the two major American political parties, labor and business) and democratic groups abroad;
3. To promote U.S. nongovernmental participation (especially through the two major American political parties, labor, and business) in democratic training programs and democratic institution-building abroad;
4. To strengthen democratic electoral processes abroad through timely measures in cooperation with indigenous democratic forces;
5. To support the participation of the two major American political parties, labor, business, and other U.S. private-sector groups in fostering cooperation with those abroad dedicated to the cultural values, institutions, and organizations of democratic pluralism; and
6. To encourage the establishment and growth of democratic development in a manner consistent both with the broad concerns of United States national interests and with the specific requirements of the democratic groups in other countries which are aided by NED-supported programs.

§ 67.2 Board of Directors.

(a) NED is governed by a bipartisan board of Directors of not fewer than thirteen and not more than twenty-five members reflecting the diversity of American society. The officers of the corporation are Chairman and Vice Chairman of the Board, who shall be members of the Board, a President, Secretary and Treasurer, and such other officers as the Board of Directors may from time to time appoint. Meetings of the Board of Directors are held at times determined by the Board, but in no event fewer than four times each year. A current list of members of the Board of Directors and a schedule of upcoming meetings is available from NED's office at 1101 15th Street, NW; Suite 700, Washington, DC 20005-5000.

(b) All major policy and funding decisions are made by the Board of Directors. The primary statement of NED's
operating philosophy, general principles and priorities is contained in the National Endowment for Democracy’s Statement of Principles and Objectives, adopted by the Board of Directors in December 1984. Copies of this statement as well as other general information concerning the organization are available from NED on request.

(c) As a grantmaking organization, NED does not carry out programs directly. All grants made by the corporation shall be by a two-thirds vote of those voting at a meeting at which a quorum is present. Notwithstanding the foregoing, the Board may from time to time, upon a two-thirds vote of those voting at a meeting at which a quorum is present, procedures to address emergency funding requests between meetings of the Board. In addition, "[a]ny Board member who is an officer or director of an organization seeking to receive grants from the Corporation must abstain from consideration of and any vote on such grant." (Article VI, Section 6). Copies of the bylaws are available from NED’s offices.

§ 67.3 Management.

(a) NED’s operations and staff are managed by a President selected by the Board of Directors. The President is the chief executive officer of the corporation and manages the business of the corporation under the policy direction of the Board of Directors. The President directs a staff whose functions are divided among the Office of the President, a Program Section and a Finance Office.

(b) The Office of the President provides policy direction and is responsible for day-to-day management of the organization, including personnel management, liaison with the Board of Directors and preparation of meetings of the Board and Board committees. The President’s office also provides information concerning NED’s activities to the press and public. The Program Section, under the direction of the Director of Program, is responsible for the review and preparation of proposals submitted to the Endowment and for the monitoring and evaluation of all programs funded by NED.

(c) The Finance Office, under the direction of the Comptroller, is responsible, with the President and the Board of Directors, for financial management of NED’s affairs, including both administrative financial management and grant management. The Director of Program and the Comptroller report to the NED President.

§ 67.4 Description of functions and procedures.

(a) In accordance with the Statement of Principles and Objectives, NED is currently developing and funding programs in five substantive areas:

(1) Pluralism. NED encourages the development of strong, independent private-sector organizations, especially trade unions and business associations. It also supports cooperatives, civic and women’s organizations, and youth groups, among other organizations. Programs in the areas of labor and business are carried out, respectively, through the Free Trade Union Institute and the Center for International Private Enterprise.

(2) Democratic governance and political processes. NED seeks to promote strong, stable political parties committed to the democratic process. It also supports programs in election administration and law, as well as programs that promote dialogue among different sectors of society and advance democratic solutions to national problems.

(3) Education, culture and communications. NED funds programs that nourish a strong democratic civic culture, including support for publications and other communications media and training programs for journalists; the production and dissemination of books and other materials to strengthen popular understanding and intellectual advocacy of democracy; and programs of democratic education.

(4) Research. A modest portion of NED’s resources is reserved for research, including studies of particular regions or countries where NED has a special interest, and evaluations of previous or existing efforts to promote democracy.
5) International cooperation. NED seeks to encourage regional and international cooperation in promoting democracy, including programs that strengthen cohesion among democracies and enhance coordination among democratic forces.

(b) As a grantmaking organization, NED has certain responsibilities that govern its relationship with all potential and actual grantees. Briefly, these are:

(1) Setting program priorities within the framework of the purposes outlined in NED’s articles of incorporation and contained in the legislation, and guided by the general policy Statement of the Board of Directors;

(2) Reviewing and vetting proposals, guided by the general guidelines and selection criteria adopted by the NED Board;

(3) Coordinating among all grantees to avoid duplication and to assure maximum program effectiveness;

(4) Negotiating a grant agreement which ensures a high standard of accountability on the part of each grantee;

(5) Financial and programmatic monitoring following the approval and negotiation of a grant, and ongoing and/or follow-up evaluation of programs prior to any subsequent funding of either a particular grantee or a specific program. Grantees will also be expected to monitor projects, to provide regular reports to NED on the progress of programs, and to inform NED promptly of any significant problems that could affect the successful implementation of the project. NED grantees will also conduct their own evaluations of programs.

As a recipient of congressionally appropriated funds, NED has a special responsibility to:

(i) Operate openly,

(ii) Provide relevant information on programs and operations to the public, and

(iii) Ensure that funds are spent wisely, efficiently, and in accordance with all relevant regulations.

(c) Institutes representing business, labor, and the major political parties carry out programs which are central to NED’s purposes. As a result of their unique relationship to NED, institute programs are an integral part of NED’s priorities and the institutes themselves are “core” grantees. As such, the institutes, while subject to all the normal procedures governing NED’s relationships with grantees, will be treated differently in the following respects:

(1) The institutes will have the mandate to carry out programs funded by NED in their respective sectors of business, labor and political parties.

(2) As an integral part of the process of budgeting and setting program priorities, the NED Board will target a certain amount of its annual resources for institute programs in their respective fields of activity.

(3) Unlike its practice for the majority of its grantees, NED will fund significant administrative costs for each of the core grantees.

(4) Institute staff will assume responsibility for program development and preparation of proposals for the Board in each field of activity for which it has a special mandate.

(5) NED will expect its core grantees to perform their monitoring/evaluation function described in programmatic monitoring under Financial and programmatic monitoring above in a manner that will minimize the need to devote NED resources for these purposes. (Individual copies of the Grants Policy are available from the NED office.)

(d) Selection criteria. In determining the relative merit of a particular proposal NED considers whether the grant application:

(1) Proposes a program that will make a concrete contribution to assisting foreign individuals or groups who
are working for democratic ends and who need NED’s assistance.

(2) Proposes a program, project or activity which is consistent with current NED program priorities and contributes to overall program balance and effectiveness.

(3) Proposes an activity that meets an especially urgent need.

(4) Does not overlap with what others are doing well.

(5) Proposes a program that will encourage an intellectual climate which is favorable to the growth of democratic institutions.

(6) Proposes a program that is not only culturally or intellectually appealing, but will affect the education and the awareness of minorities and/or the less privileged members of a society.

(7) Originates from an organization within a particular country representing the group whose needs are to be addressed.

(8) Appears to be well thought out, avoiding imprudent activities and possibilities for negative repercussions.

(9) Takes into consideration not only what objectively could be significant to a certain society, but how the cultural traditions and values of that society will react to the project.

(10) Incorporates an analysis of the problem of democracy in the area in question and the method by which the proposed program will have a constructive impact on the problem.

(11) Proposes a program that will enhance our understanding of what really helps in aiding democracy.

(12) Creatively enlists supports for foreign democratic organizations.

(13) Encourages democratic solutions and peaceful resolution of conflict in situations otherwise fraught with violence.

(14) Proposes a program, project or activity that is clearly relevant to NED program objectives and not better funded by other government or private organizations. (Proposing organizations will be referred to other funding organizations where substantial overlap exists.)

(15) Proposes a program or strategy that is appropriate to the circumstances in the country concerned.

(16) Proposes a program that can be expected to have a multiplier effect, hence having an impact broader than that of the specific project itself; or establishes a model that could be readily replicated in other countries or institutions.

(17) Proposes appropriate, qualified staff who have a demonstrated ability to administer programs capably so as to accomplish stated goals and objectives.

(18) Proposes an appropriate ratio of administrative to program funds.

(19) Is responsive to NED suggestions with regard to program revisions.

(20) Proposes a realistic budget that is consistent with NED perceptions of project value and is performed within a stated and realistic time frame; and

(21) Proposes a program that has, as one of its principal aspects, a major impact on the role of women and/or minorities.

(e) The following guidelines also apply to all projects funded by NED.

(1) The proposing organization must be able to show that it is a responsible, credible organization or group that has a serious and demonstrable commitment to democratic values. (Various factors may be considered in this regard: recognized democratic orientation; established professional reputation; proven ability to perform; existence of organization charter, board of directors, regular audits, etc.);

(2) The proposing organization must be willing to comply with all provisions of the National Endowment for Democracy Act as well as all provisions of current and subsequent agreements between the USIA and NED;

(3) The proposing organization must agree not to use grant funds for the purpose of educating, training, or informing United States audiences of any U.S. political party’s policy or practice, or candidate for office. (This condition does not exclude making grants or expenditures for the purpose of educating, training or informing audiences of other countries on the institutions and values of democracy that may incidentally educate, train, or inform American participants);

(4) The proposing organization must agree that no NED funds will be used
for lobbying or propaganda that is directed at influencing public policy decisions of the government of the United States or of any state or locality thereof;

(5) The proposing organization must agree that there shall be no expenditure of NED funds for the purpose of supporting physical violence by individuals, groups or governments;

(6) The proposing organization may not employ any person engaged in intelligence activity on behalf of the United States government or any other government;

(7) NED will not normally reimburse grantees for expenses incurred prior to the signing of a grant agreement with NED;

(8) Each grant made by NED will be an independent action implying no future commitment on NED’s part to a project or program;

(9) NED may, from time to time, fund feasibility studies. Applications for grants in this category should include, but not be limited to, the following: Scope, method and objective of the study; Calendar; Proposed administration of the study; and Detailed budget. The funding of a feasibility study by NED does not imply support for any project growing out of the study. It does, however, imply interest by NED in the area under study and a willingness to entertain a project proposal growing out of the study; and

(10) The proposing organization may not use NED funds to finance the campaigns of candidates for public office.

(f) All proposals received by NED are reviewed by the staff in order to determine their congruence with NED’s purposes as stated in the organization’s Articles of Incorporation and the NED Act.

(g) Grant applications must contain the following information:

(1) A one-page summary of the proposed program;

(2) Organizational background and biographical information on staff and directors in the U.S. and abroad;

(3) A complete project description, including a statement of objectives, a project calendar, and a description of anticipated results;

(4) A statement describing how the project relates to NED’s purposes;

(5) A description of the methods to be used to evaluate the project in relation to its objectives;

(6) A detailed budget, including an explanation of any counterpart support anticipated by the applicant, whether monetary or in-kind, domestic or foreign; and

(7) The names and addresses of all other funding organizations to which the proposal has been submitted or will be submitted.

(h) After an award determination has been made by the Board, NED enters into a grant agreement with the recipient. That agreement is made in accordance with NED policy, the terms of NED’s grant agreement with USIA, and the terms of NED’s Act, and the terms of NED’s standard grant agreement as they apply to the specific project in question. The NED Board of Directors approved a revised Statement of General Procedures and Guidelines on September 12, 1986. The statement, outlined above, is available from the NED office.

(i) NED Staff welcomes preliminary letters of inquiry prior to submission of a formal proposal. Letters of inquiry and formal proposals should be submitted to: Director of Program, National Endowment for Democracy 1101 15th Street, NW, Suite 700, Washington, DC 20005–5000.

Subpart A—General Activities

§ 71.1 Protection of Americans abroad.
Officers of the Foreign Service shall perform such duties in connection with the protection of American nationals abroad as may be imposed upon them by rules and regulations prescribed by the Secretary of State.

§ 71.2 Requests for naval force in foreign port.
Diplomatic representatives and consular officers shall not request the presence of a naval force in a foreign port unless a public emergency so necessitates. The request may be addressed to the officers in command of the naval force, in which event responsibility of action rests with them, or it may be addressed to the Department of State. In either case, the request should contain detailed reasons for its submission.

§ 71.3 American claimants to foreign estates and inheritances.
Where treaty provisions, local laws, or established usage permit, a consular officer should protect the interests of American citizens claiming foreign estates and inheritances.

§ 71.4 Real property of deceased American citizens.
In the absence of special provisions by treaty the devolution and transfer of real property are covered by the law of the place where the property is situated. When real property is left by the decedent within the country where death occurs, or where the decedent was domiciled at the time of death, the consular officer, or diplomatic officer, if there be no consular officer, should if feasible informally observe the proceedings and report to the diplomatic mission or the Department any apparent irregularity or unnecessary delay in settling the estate.

§ 71.5 Storage or safekeeping of private property.
Except in a public emergency, no officer of the Foreign Service shall accept private property for storage or safekeeping in the office or for transmission to some other destination, unless it is property belonging to the estate of a deceased American citizen, or property over which the officer has jurisdiction as a result of a catastrophe at sea. In public emergencies, officers may accept private property for storage and safekeeping or for transmission to another destination, provided the owner signs a statement to the effect that the property is being accepted for deposit at his request, at his own risk, and with full knowledge that neither the Government of the United States nor any of its officers assumes responsibility therefor.
§ 71.6 Services for distressed Americans.

Officers of the Foreign Service shall extend every possible aid and assistance within their power to distressed American citizens within their districts, but they shall not expend the funds nor pledge the credit of the Government of the United States for this purpose, except in the case of American seamen, or except as authorized by the Department of State.

§ 71.7 Reports on catastrophes abroad.

Whenever a great catastrophe occurs abroad, either on land or on sea, the officer within whose district the catastrophe takes place or into whose district the survivors are brought shall report immediately by telegraph the names of any American citizens who have been killed or injured and the names of American citizens known to be safe.

§ 71.8 Assistance to American Red Cross.

Officers and employees of the Foreign Service may cooperate fully with the American Red Cross within their respective districts and subject to the limitations prescribed in §102.806 (22 CFR, 1947 Supp.). They shall, however, avoid taking an active part in the solicitation of memberships or the collection of funds.

§ 71.9 Presentation of Americans at foreign courts.

The chief of the mission concerned may exercise his discretion in the matter of procuring the presentation of American citizens at the court of the country to which he is accredited.

Subpart B—Emergency Medical/Dietary Assistance for U.S. Nationals Incarcerated Abroad

Source: 42 FR 60141, Nov. 25, 1977, unless otherwise noted.

§ 71.10 Emergency medical assistance.

(a) Eligibility criteria. A U.S. national incarcerated abroad is considered eligible to receive funded medical treatment under the following general criteria:

(1) Adequate treatment cannot or will not be provided by prison authorities or the host government;

(2) All reasonable attempts to obtain private resources (prisoner’s family, friends, etc.) have failed, or such resources do not exist;

(3) There are medical indications that the emergency medical assistance is necessary to prevent, or attempt to prevent, the death of the prisoners, or failure to provide the serviced will cause permanent disablement.

(b) Services covered. Funds, once approved, may be expended for:

(1) Medical examination, when required;

(2) Emergency treatment;

(3) Non-elective surgery;

(4) Medications and related medical supplies and equipment required on a routine basis to sustain life;

(5) Preventive or protective medications and medical supplies and equipment (vaccinations, inoculations, etc.) required to combat epidemic conditions (general or intramural);

(6) Childbirth attendance, including necessary medical care of newborn children; and

(7) Within the consular district, transportation for the U.S. national and attendant(s) designated by incarcerating officials between the place of incarceration and the place(s) of treatment.

(c) Consular responsibility. As soon as the consular officer is aware that a U.S. national prisoner in the consular district faces a medical crisis, the officer should take the following actions, setting forth the order or priority based on an evaluation of the facts received:

(1) Make every effort to contact the ill or injured prisoner as soon as possible;

(2) Take steps to obtain a professional medical diagnosis and prognosis of the ill or injured prisoner;

(3) Determine as accurately as possible the estimated costs of recommended treatment or surgery;

(4) Obtain the names and addresses of family or friends who might serve as a source of private funds for medical services, and attempt to obtain the necessary funds;
§ 71.11 Short-term full diet program.

(a) Eligibility criteria. A prisoner is considered eligible for the short-term full diet program under the following general criteria:

1. The prisoner is to be or has been held in excess of one day in a holding jail or other facility;
2. Incarcerating officials do not provide the prisoner food, and food is not available from any other sources, including private funding from family or friends; and
3. If the funds exceed an amount to be established by the Department, the prisoner signs a promissory note for funds expended, since the assistance is on a normally reimbursable basis.

(b) Consular responsibility. As soon as the consular officer is aware that a U.S. national is incarcerated in a facility wherein food is not routinely provided, the consular officer should:

(1) Contact the prisoner in accordance with existing procedures;
(2) Determine the normal cost of basic diet and best method of effecting payment;
(3) Attempt to secure funds from private sources such as family or friends;
(4) Because funds expended by the Department to cover the short-term full diet program normally are on a reimbursable basis, have the prisoner execute a promissory note; and
(5) Contact the Department, providing the above information, for approval and authorization.

(d) Emergency expenditure authorization. When a medical emergency prohibits the delay inherent in contacting the Department and receiving authority to expend funds, the consular officer can expend up to an amount to be established by the Department without prior Departmental approval if:

1. Symptoms determine eligibility for emergency medical treatment; or
2. An immediate medical examination is warranted in order to verify the alleged abuse of a U.S. national prisoner by arresting or confining authorities; or
3. Immediate emergency medical treatment or surgery is necessary to prevent death or permanent disablement, and there is insufficient time to explore private funds or obtain Department approval; and
4. A promissory note already has been executed by the prisoner, or if the circumstances warrant, by the consular officer without recourse.

§ 71.12 Dietary supplements.

(a) Eligibility criteria. A prisoner is considered eligible for the dietary supplement program under the following general criteria:

1. An evaluation by a private physician, prison doctor, or other host country medical authority reveals that the prison diet does not meet the minimum requirements to sustain adequate health; or
2. If the evaluation in paragraph (a)(1) of this section is not available, an evaluation by either a regional medical officer or Departmental medical officer reveals that the prison diet does not provide the minimum requirements to sustain adequate health.

(b) Consular responsibility. (1) When the consular officer is aware that the U.S. prisoner’s diet does not meet the minimum requirements to sustain adequate health, the consular officer shall obtain the necessary dietary supplements and distribute them to the prisoner on a regular basis.

(2) As soon as the consular officer believes that dietary supplements are being misused, the consular officer...
shall suspend provision of the dietary supplements and report the incident in full to the Department.

REPORTING DEATHS OF UNITED STATES NATIONALS

§ 72.1 Definitions.

For purposes of this part:

(a) Consular officer includes any United States citizen employee of the Department of State who is designated by the Department of State to perform consular services relating to the deaths and estates abroad of United States nationals.

(b) Legal representative means—

(1) An executor designated by will intended to operate locally in the country where the death occurred or in the country where the deceased was residing at the time of death to take possession and dispose of the decedent’s personal estate;

(2) An administrator appointed by a court of law in intestate proceedings in the country where the death occurred or in the country where the deceased was residing at the time of death to take possession and dispose of the decedent’s personal estate;

(3) The next of kin, if authorized in the country where the death occurred or in the country where the deceased was residing at the time of death to take possession and dispose of the decedent’s personal estate;

(4) An authorized agent of the individuals described in paragraphs (b)(1), (b)(2) and (b)(3) of this section.

(c) Department means the United States Department of State.

§ 72.2 Consular responsibility.

When a consular officer learns that a United States citizen or non-citizen national has died in the officer’s consular district, the officer must—

(a) Report the death to the Department; and

(b) The officer must also try to notify, or assist the Secretary of State in
§ 72.3 Exception.

If a consular office learns that a United States citizen or non-citizen national employee or dependent of an employee of the United States Armed Forces, or a United States citizen or non-citizen national employee of another department or agency or a dependent of such an employee, or a Peace Corps volunteer as defined in 22 U.S.C. 1504(a) or dependent of a Peace Corps volunteer has died while in the officer’s consular district while the employee or volunteer is on assignment abroad, the officer should notify the Department. The consular officer should not attempt to notify the next of kin (or legal guardian) and legal representative of the death, but rather should assist, as needed, the appropriate military, other department of agency or Peace Corps authorities in making notifications of death with respect to such individual.

§ 72.4 Notifications of death.

The consular officer should make best efforts to notify the next of kin (or legal guardian), if any, and the legal representative (if any, and if different from the next of kin), of the death of a United States citizen or non-citizen by telephone as soon as possible, and then should follow up with a written notification of death.

§ 72.5 Final report of death.

(a) Preparation. Except in the case of the death of an active duty member of the United States Armed Forces, when there is a local death certificate or finding of death by a competent local authority, the consular officer should prepare a consular report of death (“CROD”) on the form prescribed by the Department. The CROD will list the cause of death that is specified on the local death certificate or finding of death. The consular officer must prepare an original Report of Death, which will be filed with the Vital Records Section of Passport Services at the Department of State. The consular officer will provide a certified copy of the Report of Death to the next of kin or other person with a valid need for the Report within six months of the time of death. The next of kin or other person with a valid need for the Report may obtain additional certified copies after six months by contacting the Department of State, Vital Records, Passport Services, 1111 19th St., NW., Rm. 510, Washington, DC 20036.

(b) Provision to Department. The consular officer must send the original of the CROD to the Department, with one additional copy for each agency concerned, if the deceased was:

(1) A recipient of continuing payments other than salary from the Federal Government; or
(2) An officer or employee of the Federal Government (other than a member of the United States Armed Services); or
(3) A Selective Service registrant of inductable age.

(c) Provision to next of kin/legal representative. The consular officer must provide a copy of the CROD to the next of kin (or legal guardian) or to each of the next of kin, in the event there is more than one (e.g. more than one surviving child) and to any known legal representative who is not the next of kin.

(d) Transmission of form to other consular districts. If the consular officer knows that a part of the personal estate of the deceased is in a consular district other than that in which the death occurred, the officer should send a copy of the CROD to the consular officer in the other district.

(e) The Department may revoke a CROD if it determines in its sole discretion that the CROD was issued in error.

§ 72.6 Report of presumptive death.

(a) Local finding. When there is a local finding of presumptive death by a competent local authority, a consular officer should prepare a consular report of presumptive death on the form prescribed by the Department.

(b) No local finding. (1) A United States citizen or non-citizen national may disappear or be missing in circumstances where it appears likely that the individual has died, but there
is no local authority able or willing to issue a death certificate or a judicial finding of death. This may include, for example, death in a plane crash where there are no identifiable remains, death in a plane crash beyond the territory of any country, death in an avalanche, disappearance/death at sea, or other sudden disaster where the body is not immediately (or perhaps ever) recoverable.

(2) Authorization of issuance. The Department may authorize the issuance of a consular report of presumptive death in such circumstances. A consular report of presumptive death may not be issued without the Department’s authorization.

(3) Considerations in determining whether the Department will authorize issuance of a Report of Presumptive Death. The Department’s decision whether to issue a Report of Presumptive Death is discretionary, and will be based on the totality of circumstances in each particular case. Although no one factor is conclusive or determinative, the Department will consider the factors cited below, among other relevant considerations, when deciding whether to authorize issuance in a particular case:

(i) Whether the death is believed to have occurred within a geographic area where no sovereign government exercises jurisdiction;

(ii) Whether the government exercising jurisdiction over the place where the death is believed to have occurred lacks laws or procedures for making findings of presumptive death;

(iii) Whether the government exercising jurisdiction over the place where the death is believed to have occurred requires a waiting period exceeding five years before findings of presumptive death may be made;

(iv) Whether the person who is believed to have died was seen to be in imminent peril by credible witnesses;

(v) Whether the person who is believed to have died is reliably known to have been in a place which experienced a natural disaster, or catastrophic event, that was capable of causing death;

(vi) Whether the person believed to have died was listed on the certified manifest of, and was confirmed to have boarded, an aircraft, or vessel, which was destroyed and, despite diligent search by competent authorities, some or all of the remains were not recovered or could not be identified;

(vii) Whether there is evidence of fraud, deception, or malicious intent.

(c) Consular reports of presumptive death should be processed and issued in accordance with §72.5.

(d) The Department may revoke a report of presumptive death if it determines in its sole discretion that the report was issued in error.

DISPOSITION OF REMAINS

§ 72.7 Consular responsibility.

(a) A consular officer has no authority to create Department or personal financial obligations in connection with the disposition of the remains of a United States citizen or non-citizen national who dies abroad. Responsibility for the disposition of the remains and all related costs (including but not limited to costs of embalming or cremation, burial expenses, cost of a burial plot or receptacle for ashes, markers, and grave upkeep), rests with the legal representative of the deceased. In the absence of a legal representative (including when the next of kin is not a legal representative), the consular officer should ask the next of kin to provide funds and instructions for disposition of remains. If the consular officer cannot locate a legal representative or next of kin, the consular officer may ask friends or other interested parties to provide the funds and instructions.

(b) Arrangements for the disposition of remains must be consistent with the law and regulations of the host country and any relevant United States laws and regulations. Local law may, for example, require an autopsy, forbid cremation, require burial within a certain period of time, or specify who has the legal authority to make arrangements for the disposition of remains.

(c) If funds are not available for the disposition of the remains within the period provided by local law for the interment or preservation of dead bodies, the remains must be disposed of by the local authorities in accordance with local law or regulations.
§ 72.8 Regulatory responsibility of consular officer.

(a) A consular officer should act as provisional conservator of the personal estate of a United States citizen or non-citizen national who dies abroad in accordance with, and subject to, the provisions of §§72.9 through 72.27. The consular officer may act as provisional conservator only with respect to the portion of the personal estate located within the consular officer’s district.

(b) A consular officer may act as provisional conservator only to the extent that doing so is:

(1) Authorized by treaty provisions;

(2) Not prohibited by the laws or authorities of the country where the personal estate is located; or

(3) Permitted by established usage in that country.

§ 72.9 Responsibility if legal representative is present.

(a) A consular officer should not act as provisional conservator if the consular officer knows that a legal representative is present in the foreign country.

(b) If the consular officer learns that a legal representative is present after the consular officer has taken possession and/or disposed of the personal estate but prior to transmission of the proceeds and effects to the Secretary of State pursuant to §72.25, the consular officer should follow the procedures specified in §72.22.

§ 72.10 Responsibility if a will intended to operate locally exists.

(a) If a will that is intended to operate in the foreign country is discovered and the legal representative named in the will qualifies promptly and takes charge of the personal estate in the foreign country, the consular officer should assume no responsibility for the estate, and should not take possession, inventory and dispose of the personal property and effects or in any way serve as agent for the legal representative.

(b) If the legal representative does not qualify promptly and if the laws of the country where the personal estate is located permit, however, the consular officer should take appropriate protective measures such as—

(1) Requesting local authorities to provide protection for the property under local procedures; and/or

(2) Placing the consular officer’s seal on the personal property of the decedent, such seal to be broken or removed only at the request of the legal representative.

(c) If prolonged delays are encountered by the local or domiciliary legal representative in qualifying and/or making arrangements to take charge of the personal estate, the consular officer should consult the Department concerning whether the will should be offered for probate.

§ 72.11 Responsibility if a will intended to operate in the United States exists.

The consular officer immediately should forward any will that is intended to operate in the United States and that is among the effects taken into possession to the person or persons designated as executor(s). When the executor(s) cannot be located, the consular officer should send the will to the appropriate court in the State of the decedent’s domicile. Until the consular officer knows that a legal representative is present in the foreign country and has qualified or made arrangements to take charge of the personal estate, the consular officer should act as provisional conservator in accordance with §72.8.

§ 72.12 Bank deposits in foreign countries.

(a) A consular officer is not authorized to withdraw or otherwise dispose of bank accounts and other assets deposited in financial institutions left by a deceased United States citizen or non-citizen national in a foreign country. Such deposits or other assets are not considered part of the personal estate of a decedent.

(b) The consular officer should report the existence of bank accounts and other assets deposited in financial institutions of which the officer becomes aware to the legal representative, if any. The consular officer should inform
the legal representative of the procedures required by local law and the financial institution to withdraw such deposits, and should provide a list of local attorneys in the event counsel is necessary to assist in withdrawing the funds.

(c) A consular officer must not under any circumstances withdraw funds left by a deceased United States citizen or non-citizen national in a bank or financial institution in a foreign country without express approval and specific instructions from the Department.

§ 72.13 Effects to be taken into physical possession.

(a) A consular officer normally should take physical possession of articles such as the following:

(1) Convertibles assets, such as currency, unused transportation tickets, negotiable evidence of debts due and payable in the consular district, and any other instruments that are negotiable by the consular officer;

(2) Luggage;

(3) Wearing apparel;

(4) Jewelry, heirlooms, and articles generally by sentimental value (such as family photographs);

(5) Non-negotiable instruments, which include any document or instrument not negotiable by the consular officer because it requires either the signatures of the decedent or action by, or endorsement of, the decedent’s legal representative. Nonnegotiable instruments include, but are not limited to, transportation tickets not redeemable by the consular officer, traveler’s checks, promissory notes, stocks, bonds or similar instruments, bank books, and books showing deposits in building and loan associations, and

(6) Personal documents and papers.

(b) All articles taken into physical possession by a consular officer should be kept in a locked storage area on post premises. If access to storage facilities on the post premises cannot be adequately restricted, the consular officer may explore the possibility of renting a safe deposit box if there are funds available in the estate or from other sources (such as the next of kin).

§ 72.14 Nominal possession; property not normally taken into physical possession.

(a) When a consular officer take articles of a decedent’s personal property from a foreign official or other persons for the explicit purpose of immediate release to the legal representative such action is not a taking of physical possession by the officer. Before releasing the property, the consular officer must require the legal representative to provide a release on the form prescribed by the Department discharging the consular officer of any responsibility for the articles transferred.

(b) A consular officer is not normally expected to take physical possession of items of personal property such as:

(1) Items of personal property found in residences and places of storage such as furniture, household effects and furnishings, works of art, and book and wine collections, unless such items are of such nature and quantity that they can readily be taken into physical possession with the rest of the personal effects;

(2) Motor vehicles, airplanes or watercraft;

(3) Toiletries, such as toothpaste or razors;

(4) Perishable items.

(c) The consular officer should in his or her discretion take appropriate steps permitted under the laws of the country where the personal property is located to safeguard property in the personal estate that is not taken into the officer’s physical possession including such actions as:

(1) Placing the consular officer’s seal on the premises or on the property (whichever is appropriate);

(2) Placing such property in safe storage such as a bonded warehouse, if the personal estate contains sufficient funds to cover the costs of such safekeeping; and/or

(3) If property that normally would be sealed by the consular officer is not immediately accessible, requesting local authorities to seal the premises or the property or otherwise ensure that the property remains intact until consular seals can be placed thereon, the property can be placed in safe storage, or the legal representative can assume responsibility for the property.
§ 72.15 Action when possession is impractical.

(a) A consular officer should not take physical possession of the personal estate of a deceased United States citizen or non-citizen national in his or her consular district when the consular officer determines in his or her discretion that it would be impractical to do so.

(b) In such cases, the consular officer must take action that he or she determines in his or her discretion would be appropriate to protect the personal estate such as:

(1) Requesting the persons, officials or organizations having custody of the personal estate to ship the property to the consular officer, if the personal estate contains sufficient funds to cover the costs of such shipment; or

(2) Requesting local authorities to safeguard the property until a legal representative can take physical possession.

§ 72.16 Procedure for inventorying and appraising effects.

(a) After taking physical possession of the personal estate of a deceased United States citizen or non-citizen national, the consular officer should promptly inventory the personal effects.

(b) If the personal estate taken into physical possession includes apparently valuable items, the consular officer may, in his or her discretion, seek a professional appraisal for such items, but only to the extent that there are funds available in the estate or from other sources (such as the next of kin) to cover the cost of appraisal.

(c) The consular officer must also prepare a list of articles not taken into physical possession, with an indication of any measures taken by the consular office to safeguard such items for submission with the inventory of effects.

§ 72.17 Final statement of account.

The consular officer may have to account directly to the parties in interest and to the courts of law in estate matters. Consequently, the officer must keep an account of receipts and expenditures for the personal estate of the deceased, and must prepare a final statement of account when turning over the estate to the legal representative, a claimant, or the Department.

§ 72.18 Payment of debts owed by decedent.

The consular officer may pay debts of the decedent which the consular officer believes in his or her discretion are legitimately owed in the country in which the death occurred, or in the country in which the decedent was residing at the time of death, including expenses incident to the disposition of the remains and the personal effects, out of the convertible assets of the personal estate taken into possession by the consular officer.

§ 72.19 Consular officer is ordinarily not to act as administrator of estate.

(a) A consular officer is not authorized to accept appointment from any foreign state or from a court in the United States and/or to act as administrator or to assist (except as provided in §§ 72.8 to 72.30) in administration of the personal estate of a United States citizen or non-citizen national who has died, or was residing at the time of death, in his or her consular district, unless the Department has expressly authorized the appointment. The Department will authorize such an appointment only in exceptional circumstances and will require the consular officer to execute bond consistent with 22 U.S.C. 4198 and 4199.

(b) The Department will not authorize a consular officer to serve as an administrator unless:

(1) Exercise of such responsibilities is:

(i) Authorized by treaty provisions or permitted by the laws or authorities of the country where the United States citizen or national died or was domiciled at the time of death; or

(ii) Permitted by established usage in that country; and

(2) The decedent does not have a legal representative in the consular district.
§ 72.20 Prohibition against performing legal services or employing counsel.

A consular officer may not act as an attorney or agent for the estate of a deceased United States citizen or non-citizen national overseas or employ counsel at the expense of the United States Government in taking possession and disposing of the personal estate of a United States citizen or non-citizen national who dies abroad, unless specifically authorized in writing by the Department. If the legal representative or other interested person wishes to obtain legal counsel, the consular officer may furnish a list of attorneys.

§ 72.21 Consular officer may not assume financial responsibility for the estate.

A consular officer is not authorized to assume any financial responsibility or to incur any expense on behalf of the United States Government in collecting and disposing of the personal estate of a United States citizen or national who dies abroad. A consular officer may incur expenses on behalf of the estate only to the extent that there are funds available in the estate or from other sources (such as the next of kin).

§ 72.22 Release of personal estate to legal representative.

(a) If a person or entity claiming to be a legal representative comes forward at any time prior to transmission of the decedent’s personal estate to the Secretary of State under 22 CFR 72.25, the consular officer may release the personal estate in his or her custody to the legal representative provided that:

(1) The legal representative presents satisfactory evidence of the legal representative’s right to receive the estate;

(2) The legal representative pays any fees prescribed for consular services provided in connection with the disposition of remains or protection of the estate (see 22 CFR 22.1);

(3) The legal representative executes a release in the form prescribed by the Department; and

(4) The Department approves the release of the personal estate.

(b) Satisfactory evidence of the right to receive the estate may include:

(1) In the case of an executor, a certified copy of letters testamentary or other evidence of legal capacity to act as executor;

(2) In the case of an administrator, a certified copy of letters of administration or other evidence of legal capacity to act as administrator;

(3) In the case of the agent of an executor or administrator, a power of attorney or other document evidencing agency (in addition to evidence of the executor’s or administrator’s legal capacity to act).

§ 72.23 Affidavit of next of kin.

If the United States citizen or non-citizen national who has died abroad did not leave a will that applies locally, and the personal estate in the consular district consists only of clothing and other personal effects that the consular officer concludes in his or her discretion is worth less than $2000 and/or cash of a value equal to or less than $2000, the consular officer may decide in his or her discretion to accept an affidavit from the decedent’s next of kin as satisfactory evidence of the next of kin’s right to take possession of the personal estate. The Department must approve any release based on an affidavit of next of kin where the consular officer concludes that the personal estate effects are worth more than $2000 and/or the cash involved is of a value more than $2000 and generally will consider approving such releases only in cases where state law prohibits the appointment of executors or administrators for estates that are valued at less than a specified amount and the law of the foreign country where the personal property is located would not prohibit such a release.

§ 72.24 Conflicting claims.

Neither the consular officer nor the Department of State has the authority or responsibility to mediate or determine the validity or order of contending claims to the personal estate of a deceased United States citizen or non-citizen national. If rival claimants, executors or administrators demand the personal estate in the consular officer’s possession, the officer should not release the estate to any
§ 72.25 Transfer of personal estate to Department of State.

(a) If no claimant with a legal right to the personal estate comes forward, or if conflicting claims are not resolved, within one year of the date of death, the consular officer should sell or dispose of the personal estate (except for financial instruments, jewelry, heirlooms, and other articles of obvious sentimental value) in the same manner as United States Government-owned foreign excess property under Title IV of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 511 et seq.). If, however, a reasonable amount of additional time is likely to permit final settlement of the estate, the consular officer may in his or her discretion postpone the sale for that period of additional time.

(b) The consular officer should send to the custody of the Department the proceeds of any sale, together with all financial instruments (including bonds, shares of stock and notes of indebtedness), jewelry, heirlooms and other articles of obvious sentimental value, to be held in trust for the legal claimant(s).

(c) After receipt of a personal estate, the Department may seek payment of all outstanding debts to the estate as they become due, may receive any balances due on such estate, may endorse all checks, bills of exchange, promissory notes, and other instruments of indebtedness payable to the estate for the benefit thereof, and may take such other action as is reasonably necessary for the conservation of the estate.

§ 72.26 Vesting of personal estate in United States.

(a) If no claimant with a legal right to the personal estate comes forward within the period of five fiscal years beginning on October 1 after the consular officer took possession of the personal estate, title to the personal estate shall be conveyed to the United States, the property in the estate shall be under the custody of the Department, and the Department may dispose of the estate under as if it were surplus United States Government-owned property under title II of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 481 et seq. or by such means as may be appropriate as determined by Department in its discretion in light of the nature and value of the property involved. The expenses of sales shall be paid from the estate, and any lawful claim received thereafter shall be payable to the extent of the value of the net proceeds of the estate as a refund from the appropriate Treasury appropriations account.

(b) The net cash estate shall be transferred to the miscellaneous receipts account of the Treasury of the United States.

§ 72.27 Export of cultural property; handling other property when export, possession, or import may be illegal.

(a) A consular officer should not ship, or assist in the shipping, of any archeological, ethnological, or cultural property, as defined in 19 U.S.C. 2601, that the consular officer is aware is part of the personal estate of a United States citizen or non-citizen national to the United States in order to avoid conflict with laws prohibiting or conditioning such export.

(b) A consular officer may refuse to ship, or assist in the shipping, of any property that is part of the personal estate of a United States citizen or non-citizen national if the consular officer has reason to believe that possession or shipment of the property would be illegal.

§ 72.28 Claims for lost, stolen, or destroyed personal estate.

(a) The legal representative of the estate of a decreased United States citizen or national may submit a claim to the Secretary of State for any personal property of the estate with respect to which a consular officer acted as provisional conservator, and that was lost, stolen, or destroyed while in the custody of officers or employees of the Department of State. Any such claim should be submitted to the Office of Legal Adviser, Department of State, in the manner prescribed by 28 CFR part...
§ 72.31 Fees for consular death and estates services.

(a) Fees for consular death and estates services are prescribed in the Schedule of Fees, 22 CFR 22.1.

(b) The personal estates of all officers and employees of the United States who die abroad while on official duty, including military and civilian personnel of the Department of Defense and the United States Coast Guard are exempt from the assessment of any fees prescribed by the Schedule of Fees.

(c) The term notarial certificate may be defined as the signed and sealed statement to which a “notarial act” is almost invariably reduced. The “notarial certificate” attests to the performance of the act by the notary, and may be an independent document or as in general American notarial practice, may be placed on or attached to the notarized document.

(d) For purposes of this part, except §§92.36 through 92.42 relating to the authentication of documents, the term notarizing officer includes consular officers, officers of the Foreign Service who are secretaries of embassy or legation under Section 24 of the Act of August 18, 1856, 11 Stat. 61, as amended (22 U.S.C. 4221), and such U.S. citizen Department of State employees as the Deputy Assistant Secretary of State for Overseas Citizens Services may designate for the purpose of performing notarial acts overseas pursuant to section 127(b) of the Foreign Relations Authorization Act, Fiscal Years 1994–1995, Pub. L. 103–236, April 30, 1994 (“designated employees”). The authority of designated employees to perform notarial services shall not include the authority to perform authentications, to notarize patent applications, or take testimony in a criminal action or proceeding pursuant to a commission issued by a court in the United States, but shall otherwise encompass all notarial acts, including but not limited to administering or taking oaths, affirmations, affidavits or depositions.

The notarial authority of a designated employee shall expire upon termination of the employee’s assignment to such duty and may also be terminated at any time by the Deputy Assistant Secretary for Overseas Citizens Services.

§ 92.2 Description of overseas notarial functions of the Department of State, record of acts.

The overseas notarial function of notarizing officers of the Department of State is similar to the function of a notary public in the United States. See §22.5(b) of this chapter concerning the giving of receipts for fees collected and the maintenance of a register serving the same purposes as the record which notaries are usually expected or required to keep of their official acts.

§ 92.3 Consular districts.

Where consular districts have been established, the geographic limits of the district determine the area in which notarial acts can be performed by the notarizing officer. See §92.31 (b) regarding authentication of the seals and signatures of foreign officials outside the consular district.

§ 92.4 Authority of notarizing officers of the Department of State under Federal law.

(a) All notarizing officers are required, when application is made to them within the geographic limits of their consular district, to administer to and take from any person any oath, affirmation, affidavit, or deposition, and to perform any notarial act which
any notary public is required or authorized by law to perform within the United States. The term “notarial act” as used herein shall not include the performance of extraordinary acts, such as marriages, that have not been traditionally regarded as notarial, notwithstanding that notary publics may be authorized to perform such acts in some of the states of the United States. If a request is made to perform an act that the notarizing officer believes is not properly regarded as notarial within the meaning of this regulation, the officer shall not perform the act unless expressly authorized by the Department upon its determination that the act is a notarial act within the meaning of 22 U.S.C. 4215 and 4221. The language “within the limits of the consulate” is construed to mean within the geographic limits of a consular district. With respect to notarial acts performed by notarizing officers away from their office, see §92.7. Notarial acts shall be performed only if their performance is authorized by treaty provisions or is permitted by the laws or authorities of the country wherein the notarizing officer is stationed.

(b) These acts may be performed for any person regardless of nationality so long as the document in connection with which the notarial service is required is for use within the jurisdiction of the Federal Government of the United States or within the jurisdiction of one of the States or Territories of the United States. (However, see also §92.6.) Within the Federal jurisdiction of the United States, these acts, when certified under the hand and seal of office of the notarizing officer are valid and of like force and effect as if performed by any duly authorized and competent person within the United States. Documents bearing the seal and signature of a secretary of embassy or legation, consular officer (including consul general, vice consul or consular agent) are admissible in evidence within the Federal jurisdiction without proof of any such seal or signature being genuine or of the official character of the notarizing officer.

(c) Every notarizing officer may perform notarial acts for use in countries occupied by the United States or under its administrative jurisdiction, provided the officer has reason to believe that the notarial act will be recognized in the country where it is intended to be used. These acts may be performed for United States citizens and for nationals of the occupied or administered countries, who reside outside such countries, except in areas where another government is protecting the interests of the occupied or administered country.

(d) Chiefs of mission, that is, ambassadors and ministers, have no authority under Federal law to perform notarial acts except in connection with the authentication of extradition papers (see §92.40).

(e) Consular agents have authority to perform notarial services but acting consular agents do not.

§92.5 Acceptability of notarial acts under State or territorial law.

The acceptability with the jurisdiction of a State or Territory of the United States of a certificate of a notarial act performed by a notarizing officer depends upon the laws of the State or Territory.

[60 FR 51721, Oct. 3, 1995]

§92.6 Authority of notarizing officers under international practice.

Although such services are not mandatory, notarizing officers may, as a courtesy, perform notarial acts for use in countries with which the United States has formal diplomatic and consular relations. Generally the applicant for such service will be a United States citizen or a national of the country in which the notarized document will be used. The notarizing officer’s compliance with a request for a notarial service of this type should be based on the reasonableness of the request and the absence of any apparent irregularity. When a notarizing officer finds it advisable to do so, the officer may question the applicant to such extent as may be necessary to be assured of the reasonableness of the request and the absence of irregularity.

(a) That his notarial certificate may reasonably be expected to satisfy the legal requirements of the country in
which the notarized document will be used; 

(b) That the notarial service is legally necessary and cannot be obtained otherwise than through a United States notarizing officer without loss or serious inconvenience to the applicant; and 

(c) That the notarial certificate will be used solely for a well-defined purpose, as represented by the applicant for the service. (See also §92.4(c) regarding notarial services for use in countries occupied by the United States or under its administrative jurisdiction.)

§ 92.7 Responsibility of notarizing officers of the Department of State.

(a) As a rule notarial acts should be performed at the consular office. Where required by the circumstances of a particular case and subject to the reasonableness of the request notarial acts may be performed elsewhere within the limits of the consulate subject to the assessment of the applicable fees under subheading “Services Rendered Outside of Office” of the Tariff of Fees (§22.1(a) of this chapter), as well as to payment by the interested party of the officer’s expenses in going to the place where the service is performed and returning to his office (§22.1(b) of this chapter).

(b) As indicated in §§92.4, 92.5, and 92.6, the authority of secretaries of embassy or legation as well as consular officers to perform notarial acts is generally recognized. However, the function is essentially consular, and notarial powers are in practice exercised by diplomatic officers only in the absence of a consular officer or U.S. citizen State Department employee designated to perform notarial functions as provided in §92.1(d). Performance of notarial acts by an officer assigned in dual diplomatic and consular capacity shall be performed in his/her consular capacity, except in special circumstances.

§ 92.8 Compliance with request for notarial services.

A notarizing officer should comply with all proper requests for the performance of notarial services within the limitations prescribed in this part. (See particularly §§92.3 to 92.7). Moreover, as a representative of the United States Government, the notarizing officer, when acting in a notarial capacity, should take great care to prevent the use of his official seal in furthering any unlawful or clearly improper purpose. (See §92.9 regarding refusal to perform notarial services in certain cases.)

§ 92.9 Refusals of requests for notarial services.

(a) A notarizing officer should refuse requests for notarial services, the performance of which is not authorized by treaty provisions or permitted by the laws or authorities of the country in which he is stationed. (See §92.4(a).) Also, a notarizing officer should refuse to perform notarial acts for use in transactions which may from time to time be prohibited by law or by regulations of the United States Government such, for example, as regulations based on the “Trading With the Enemy Act of 1917,” as amended.

(b) A notarizing officer is also authorized to refuse to perform a notarial act if he had reasonable grounds for believing that the document in connection with which his notarial act is requested will be used for a purpose patently unlawful, improper or inimical to the best interests of the United States. Requests for notarial services should be refused only after the most careful deliberation.

§ 92.10 Specific waiver in notarial certificate.

If the notarizing officer has reason to believe that material statements in a document presented for notarization are false, and if no basis exists for refusing the notarial service in accordance with §92.9, he may consider the advisability of informing the applicant
§ 92.11 Preparation of legal documents.

(a) By attorneys. When a document has been prepared by an attorney for signature, a notarizing officer should not question the form of document unless it is obviously incorrect.

(b) By notarizing officers. A notarizing officer should not usually prepare for private persons legal documents for signature and notarization. (However, see the provisions in §92.24 regarding the preparation of affidavits.) When asked to perform such a service, the notarizing officer should explain that the preparation of legal forms is normally the task of an attorney, that the forms used and the purposes for which they are used vary widely from jurisdiction to jurisdiction and that he could not guarantee the legal effectiveness of any document which he might prepare. The person desiring the preparation of a legal document should be referred to such publications as Jones Legal Forms and The Lawyers Directory with the suggestion that he select or adapt the form which appears best suited to his needs. The notarizing officer may, in his discretion, arrange to have a member of his office staff type the document. If the document is typed in the Foreign Service office, the fee for copying shall be collected as prescribed under the caption “Copying and Recording” of the Tariff of Fees, Foreign Service of the United States of America (§22.1 of this chapter).

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.12 Necessity for certification of notarial acts.

A notarizing officer must execute a written certificate attesting to the performance of a notarial act. This certificate may be inserted on or appended to the notarized document (see §92.17 regarding the fastening of sheets). The certificate evidences the performance of the notarial act. Failure to execute this certificate renders the notarial act legally ineffective. Each notarial act should be evidenced by a separate certificate; two or more distinct notarial acts should not be attested to by one certificate.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51721, Oct. 3, 1995]

§ 92.13 Form of notarial certificate.

The form of a notarial certificate depends on the nature of the notarial act it attests. (See §§92.18 to 92.48 for discussions of the various forms of notarial certificates.) Rules pertaining to venue, and signing and sealing, are common to all notarial certificates.

§ 92.14 Venue on notarial certificates.

(a) The term venue means the place where the certificate is executed. The venue must be shown on all notarial certificates to establish the qualifications and sphere of authority of the notarizing officer to perform the notarial act. The items characteristic of a typical venue, in the order of their appearance in the certificate, are as follows:

(1) Name of the country (or dominion, Territory, colony, island, as appropriate);
(2) Name of province or major administrative region (if none, this may be omitted);
(3) Name of local community (city, town, or village);
(4) Name of the Foreign Service post.
(b) When a notarial act is performed, and the notarial certificate executed, at a locality in a consular district other than the locality in which the Foreign Service office is situated, the venue should mention only the name of the country (or dominion, territory, colony, island, as appropriate), and the name of the consular district.

(c) The venue used at a Foreign Service post which has not been officially designated as an embassy, legation, consulate general, consulate, or consular agency should bear the notation "American Consular Service" in place of the post name.

§ 92.15 Signing notarial certificate.

The notarizing officer should sign a notarial certificate on the lower right-hand side. The name and full official title of the notarizing officer should be typed, stamped with a rubber stamp, or printed in ink on two separate lines immediately below his signature. When the notarizing officer is assigned to a Foreign Service post in both a diplomatic and consular capacity, he should use his consular title in the notarial certificate. (See §92.7.)

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.16 Sealing the notarial certificate.

The notarizing officer should seal a notarial certificate with the impression seal of the post on the lower left-hand side of the certificate. A notarial certificate executed at a Foreign Service post which has not been officially designated as an embassy, legation, consulate general, consulate, or consular agency should be sealed with an impression seal bearing the legend "American Consular Service" and the name of the locality.

§ 92.17 Fastening of pages.

When the instrument or document to which a notarial act relates consists of more than one sheet, or when the notarial certificate will be attached and not written on the document itself, the notarizing officer should bring all the sheets comprising the document together under his official seal.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.18 Oaths and affirmations defined.

(a) Oath. An oath is an outward pledge given by the person taking it that his attestation or promise is made under an immediate sense of his responsibility to God. In a broad sense the word "oath" includes all forms of attestation by which a person signifies that he is bound in conscience to perform an act faithfully and truly, and in this sense it includes "affirmation".

(b) Affirmation. An affirmation is a solemn and formal declaration or asseveration in the nature of an oath that a statement, or series of statements, is true. When an oath is required or authorized by law, an affirmation in lieu thereof may be taken by any person having conscientious scruples against taking an oath. As a general rule, an affirmation has the same legal force and effect as an oath.

§ 92.19 Administering an oath.

The usual formula for administering an oath is as follows: The officer administering the oath requests the person taking the oath to raise his right hand while the officer repeats the following words: "You do solemnly swear that the statements set forth in this paper which you have here signed before me are true. So help you God." Whereupon the person taking the oath answers, "I do."

§ 92.20 Administering an affirmation.

In administering an affirmation the procedure followed is generally the same as in the case of an oath, but the formula is varied by the use of the following words: "You do solemnly, sincerely, and truly affirm and declare that . . . , and this you do under the pains and penalties of perjury."

§ 92.21 Notarial certificate to oath or affirmation.

The written statement attesting to the administration of an oath or affirmation is known as a jurat. The jurat must be signed and sealed by the notarizing officer (see §§92.15 and 92.16 on signing and sealing notarial certificates).
§ 92.22 “Affidavit” defined.

An affidavit is a written declaration under oath made before some person who has authority to administer oaths, without notice to any adverse party that may exist. One test of the sufficiency of an affidavit is whether it is so clear and certain that it will sustain an indictment for perjury, if found to be false. An affidavit differs from a deposition in that it is taken ex parte and without notice, while a deposition is taken after notice has been furnished to the opposite party, who is given an opportunity to cross-examine the witness.

§ 92.23 Taking an affidavit.

The notarizing officer taking an affidavit should:

(a) Satisfy himself, as far as possible, that his notarial act will be acceptable under the laws of the jurisdiction where the affidavit is to be used (see § 92.5);
(b) Require the personal appearance of the affiant at the time the affidavit is taken;
(c) Require satisfactory identification of the affiant; and
(d) Administer the oath to the affiant before the affiant signs the affidavit.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.24 Usual form of affidavit.

Affidavits are usually drawn by competent attorneys or are set out in established forms. The form and substantive requirements of an affidavit depend principally upon the purpose for which it is made and the statutes of the jurisdiction where it is intended to be used. When a notarizing officer finds it necessary in the discharge of his official duties to prepare an affidavit, or when he assists a private person in preparing an affidavit (see § 92.11(b)), he should, where possible, consult the pertinent statutory provisions.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.25 Title of affidavit.

Generally an affidavit taken for use in a pending cause must be entitled in that cause so that it will show to what proceedings it is intended to apply, and may support an indictment for perjury in case it proves to be false. If there is no suit pending at the time the affidavit is taken or if the affidavit is not to be used in any cause in court, no title need be given.

§ 92.26 Venue on affidavit.

The venue must always be given and should precede the body of the affidavit. (See § 92.14 regarding venue on notarial certificates generally.)

§ 92.27 Affiant’s allegations in affidavit.

(a) Substance of allegations. Although a notarizing officer is generally not responsible for the correctness of the form of an affidavit or the manner in which the allegations therein are set forth (see § 92.11(a) regarding the preparation of legal documents by attorneys; § 92.11(b) regarding the preparation of legal documents by notarizing officers; and § 92.24 regarding the form of an affidavit), he may, in appropriate instances, draw the affiant’s attention to the following generally accepted criteria as regards the substance of the allegations:

(1) Material facts within the personal knowledge of the affiant should be alleged directly and positively. Facts are not to be inferred where the affiant has it in his power to state them positively and fully.

(2) If the matters stated in the affiant’s affidavit rest upon information derived from others rather than on facts within his personal knowledge, he should aver that such matters are true to the best of his knowledge and belief.

(3) If the allegations made on information and belief are material, the sources of information and grounds of belief should be set out and a good reason given why a positive statement could not be made.

(4) If the conclusions of the affiant are drawn from the contents of documents, such contents should be set out or exhibited, so that the authority to whom the affidavit is presented may determine whether the affiant’s deductions are well founded.

(b) Veracity of allegations. Notarizing officers are not required to examine into the truth of the affiant’s allegations or to pass upon any contentious
questions involved. In many instances the matters referred to in an affidavit will be of a technical or special nature beyond the officer’s general knowledge or experience. However, he may, in certain circumstances, refuse to take an affidavit. (See §92.9 regarding the types of situations in which an officer might properly refuse to perform a notarial service; also see §92.10 regarding the waiver and other statements which may be included in a notarial certificate where evidence exists of falsity in the affiant’s declaration.)

§ 92.28 Signature of affiant on affidavit.

The signature of the affiant is indispensable. The affiant should always sign the affidavit in the presence of the notarizing officer.

§ 92.29 Oath or affirmation to affidavit.

Affidavits made before notarizing officers must be sworn to or affirmed (see §92.23(d)).

§ 92.30 Acknowledgment defined.

An acknowledgment is a proceeding by which a person who has executed an instrument goes before a competent officer or court and declares it to be his act and deed to entitle it to be recorded or to be received in evidence without further proof of execution. An acknowledgment is almost never made under oath and should not be confused with an oath (see §92.18(a) for definition of oath). Moreover, an acknowledgment is not the same as an attestation, the latter being the act of witnessing the execution of an instrument and then signing it as a witness. Instruments requiring acknowledgment generally are those relating to land, such as deeds, mortgages, leases, contracts for the sale of land, and so on.

§ 92.31 Taking an acknowledgment.

(a) Officers’ assurance of acceptability of notarial act. A notarizing officer taking an acknowledgment should, if possible, ascertain the requirements of the jurisdiction in which the acknowledged document is to be used and execute the certificate in accordance with those requirements. Not all States or Territories will accept certificates of acknowledgment executed by notarizing officers other than consuls. Therefore, notarizing officers and consular agents who are called upon to perform this notarial act should consult the applicable State or territorial law to ascertain whether certificates of acknowledgment will be acceptable. (See §92.5 regarding acceptability of consular notarial acts under state or territorial law.) Furthermore, public policy generally forbids that the act of taking and certifying an acknowledgment be performed by a person financially or beneficially interested in the transaction to which the acknowledged document relates. Notarizing officers should keep this point in mind, especially in connection with acknowledgments by members of their families.

(b) Personal appearance of grantor(s). A notarizing officer taking an acknowledgment should always require the personal appearance of the grantor(s), i.e., the person or persons who have signed the instrument to be acknowledged. Since the officer states in his certificate that the parties did personally appear before him, failure to observe this requirement invalidates the notarial act and makes the officer liable to the charge of negligence and of having executed a false certificate. A notarizing officer should never take an acknowledgment by telephone.

(c) Satisfactory identification of grantor(s). The notarizing officer must be certain of the identity of the parties making an acknowledgment. If he is not personally acquainted with the parties, he should require from each some evidence of identity, such as a passport, police identity card, or the like. The laws of some States and Territories require that the identity of an acknowledger be proved by the oath of one or more “credible witnesses”, and that a statement regarding the proving of identity in this manner be included in the certificate of acknowledgment. (See §92.32(b) regarding forms of certificates of acknowledgment generally.) Mere introduction of a person not known to the notarizing officer, without further proof of identity, is
§ 92.32 Notarial certificate to acknowledgment.

(a) Title. The notarial certificate evidencing the taking of an acknowledgment is commonly known as a “certificate of acknowledgment” or sometimes simply as an “acknowledgment.”

(b) Form. The form of a certificate of acknowledgment varies widely depending on the laws of the jurisdiction where the acknowledged document is intended to be used, the purpose for which the document is intended, and the legal position of the persons who have executed it. Instruments to be acknowledged are frequently prepared on printed forms, the entire contract or deed being on one sheet together with the certificate of acknowledgment. Often the document, including the certificate of acknowledgment, is drawn up in advance by an attorney. In these cases, the notarizing officer may use the certificate which is already on the document, making whatever modifications are manifestly required to show that the certificate was executed by a notarizing officer. However, if he finds it necessary to prepare the certificate of acknowledgment, the officer should consult the appropriate reference work for guidance as to the proper form. When no prescribed form can be found, the officer should use the language in Form FS-88, Certificate of Acknowledgment of Execution of an Instrument, inserting the certificate immediately at the close of the deed on the last page if space permits, or, if a separate sheet is necessary, using the printed Form FS-88 itself.

§ 92.33 Execution of certificate of acknowledgment.

(a) When certificate should be executed. A notarizing officer should execute a certificate of acknowledgment immediately after the parties to the instrument have made their acknowledgment. Allowing several days or weeks to elapse between the time the acknowledgment is made and the certificate is executed is undesirable, even though the officer may remember the acknowledgment act.

(b) Venue. The venue must be shown as prescribed in §92.14.

(c) Date. The date in the certificate must be the date the acknowledgment was made. This is not necessarily the same as the date the instrument was executed. In fact, there is no reason why an instrument may not be acknowledged a year or more after the date of its execution, or at different times and places by various grantors.

(d) Names of parties. The name or names of the person or persons making the acknowledgment should appear in the certificate in the same form as they are set out in the acknowledged document, and in the same form as their signature on the instrument.

(e) Additional statements. When executing a certificate of acknowledgment on Form FS-88, the notarizing officer may include any necessary additional statements in the blank space below the body of the certificate.

(f) Signing and sealing certificate. The certificate of acknowledgment shall be signed and sealed as prescribed in §§92.15 and 92.16.

§ 92.34 Fastening certificate to instrument.

The proper place for the certificate of acknowledgment is after the signature of the parties to the instrument. If the instrument is a printed form, the certificate will almost invariably be a part of the form. When Form FS–88 is used or when the certificate must be prepared on a sheet separate from the instrument, it should be fastened to the instrument as the last sheet. The method of fastening notarial certificates is prescribed in §92.17.

§ 92.35 Errors in certificate of acknowledgment.

A notarizing officer having taken an acknowledgment of an instrument and made a certificate of that fact cannot afterwards amend or change his certificate for the purpose of correcting a mistake. This can be done only by the parties reacknowledging the instrument. However, typographical errors may be corrected by striking out the erroneous characters and inserting the correct ones above. Such changes should be initiated by the parties who executed the instrument and by the notarizing officer.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.36 Authentication defined.

An authentication is a certification of the genuineness of the official character, i.e., signature and seal, or position of a foreign official. It is an act done with the intention of causing a document which has been executed or issued in one jurisdiction to be recognized in another jurisdiction. Documents which may require authentication include legal instruments notarized by foreign notaries or other officials, and copies of public records, such as birth, death, and marriage certificates, issued by foreign record keepers.

§ 92.37 Authentication procedure.

(a) The consular officer must compare the foreign official’s seal and signature on the document he is asked to authenticate with a specimen of the same official’s seal and signature on file either in the Foreign Service office or in a foreign public office to which he has access. If no specimen is available to the consular officer, he should require that each signature and seal be authenticated by some higher official or officials of the foreign government until there appears on the document a seal and signature which he can compare with a specimen available to him. However, this procedure of having a document authenticated by a series of foreign officials should be followed only where unusual circumstances, or the laws or regulations of the foreign country require it.

(b) Where the State law requires the consular officer’s certificate of authentication to show that the foreign official is empowered to perform a particular act, such as administering an oath or taking an acknowledgment, the consular officer must verify the fact that the foreign official is so empowered.

(c) When the consular officer has satisfactorily identified the foreign seal and signature (and, where required, has verified the authority of the foreign official to perform a particular act), he may then execute a certificate of authentication, either placing this certificate on the document itself if space is available, or appending it to the document on a separate sheet (see §92.17 on the fastening of notarial certificates).

§ 92.38 Forms of certificate of authentication.

The form of a certificate of authentication depends on the statutory requirements of the jurisdiction where the authenticated document will be used (see §92.39 regarding the provisions of Federal law). Before authenticating a document for use in a State or Territory of the United States, a consular officer should consult the pertinent law digest to ascertain what specific requirements must be met, or he should be guided by any special information he may receive from the attorney or other person requesting the document with regard to the applicable statutory requirements. (See §92.41(e) regarding material which should not be in the certificate of authentication.) If no provisions relating to authentications can be found in a particular State
or Territorial law digest, and in the absence of any special information from the attorney or other person requesting the document, the officer should prepare the certificate of authentication in the form which seems best suited to the needs of the case. When in his opinion the circumstances seem to warrant, and always in connection with certificates of marriage or divorce decrees, a consular officer should include in the body of his certificate of authentication a qualifying statement reading as follows: "For the contents of the annexed document I assume no responsibility."

§ 92.39 Authenticating foreign public documents (Federal procedures).  
(a) A copy of a foreign public document intended to be used as evidence within the jurisdiction of the Federal Government of the United States must be authenticated in accordance with the provisions of section 1 of the act of June 25, 1948, as amended (sec. 1, 62 Stat. 948, sec. 92(b), 63 Stat. 103; 28 U.S.C. 1741). This provision of Federal law provides that a copy of any foreign document of record, or on file in a public office of a foreign country or political subdivision thereof, if certified, by the lawful custodian thereof, may be admitted in evidence when authenticated by a certificate of a United States consular officer resident in the foreign country, under the seal of his office.

(b) The consular officer’s certificate should indicate that the copy has been certified by the lawful custodian.

(c) In the absence of a consular officer of the United States as an officer resident in the State of the Vatican City, a copy of any document of record or on file in a public office of said State of the Vatican City, certified by the lawful custodian of such document may be authenticated by a consular officer of the United States resident in Rome, Italy (22 U.S.C. 1204).

§ 92.40 Authentication of foreign extradition papers. 
Foreign extradition papers are authenticated by chiefs of mission.  

§ 92.41 Limitations to be observed in authenticating documents. 
(a) Unknown seals and signatures. A consular officer should not authenticate a seal and signature not known to him. See §92.37(a) regarding the necessity for making a comparison with a specimen seal and signature.

(b) Foreign officials outside consular district. A consular officer should not authenticate the seals and signatures of foreign officials outside his consular district.

(c) Officials in the United States. Consular officers are not competent to authenticate the seals and signatures of notaries public or other officials in the United States. However, diplomatic and consular officers stationed at a United States diplomatic mission may certify to the seal of the Department of State (not the signature of the Secretary of State) if this is requested or required in particular cases by the national authorities of the foreign country.

(d) Photostat copies. Consular officers should not authenticate facsimiles of signatures and seals on photographic reproductions of documents. They may, however, authenticate original signatures and seals on such photographic reproductions.

(e) Matters outside consular officer’s knowledge. A consular officer should not include in his certificate of authentication statements which are not within his power or knowledge to make. Since consular officers are not expected to be familiar with the provisions of foreign law, except in a general sense, they are especially cautioned not to certify that a document has been executed or certified in accordance with foreign law, nor to certify that a document is a valid document in a foreign country.

(f) United States officials in foreign countries. An authentication by a United States consular officer is performed primarily to cause the official characters and positions of foreign officials to be known and recognized in the United States. Consular officers should not, therefore, undertake to authenticate the seals and signatures of other United States officials who may be residing in their consular districts.
(g) Officers of the Foreign Service in other countries. An officer of the Foreign Service stationed in one country is not expected to authenticate the signature or seal of an officer of the Foreign Service stationed in another country. When it is necessary for the seal and signature of an officer of the Foreign Service to be authenticated, such authentication will be done in the Department of State. An official of a foreign government requesting the authentication of the seal and signature of an officer of the United States Foreign Service who is, or was, stationed in another country should be informed that the document to be authenticated will have to be sent to the Department for this purpose. Any document bearing the seal and signature of an officer of the Foreign Service which is received at a Foreign Service post from a person in the United States with the request that it be further authenticated should be referred to the Department of State.

§ 92.42 Certification of copies of foreign records relating to land titles.

In certifying documents of the kind described in title 28, section 1742, of the United States Code, diplomatic and consular officers of the United States will conform to the Federal procedures for authenticating foreign public documents (§92.39), unless otherwise instructed in a specific case.

§ 92.43 Fees for notarial services and authentications.

The fees for administering an oath or affirmation and making a certificate thereof, for the taking of an acknowledgment of the execution of a document and executing a certificate thereof, for certifying to the correctness of a copy of or an extract from a document, official or private, for authenticating a foreign document, or for the notting of a bill of exchange, certifying to protest, etc., are as prescribed under the caption Documentary services in the Schedule of Fees (§22.1 of this chapter), unless the service is performed under a "no fee" item of the same caption of the Schedule. If an oath or affirmation is administered concurrently to several persons and only one consular certificate (jurat) is executed, only one fee is collectible. If more than one person joins in making an acknowledgment but only one certificate is executed, only one fee shall be charged.

DEPOSITIONS AND LETTERS ROGATORY

§ 92.49 “Deposition” defined.

A deposition is the testimony of a witness taken in writing under oath or affirmation, before some designated or appointed person or officer, in answer to interrogatories, oral or written. (For the distinction between a deposition and an affidavit see §92.22.)

§ 92.50 Use of depositions in court actions.

Generally depositions may be taken and used in all civil actions or suits. In criminal cases in the United States, a deposition cannot be used, unless a statute has been enacted which permits a defendant in a criminal case to have a deposition taken in his own behalf, or unless the defendant consents to the taking of a deposition by the State for use by the prosecution. (For exception in connection with the proving of foreign documents for use in criminal actions, see §92.65.)

§ 92.51 Methods of taking depositions in foreign countries.

Rule 28(b) of the Rules of Civil Procedure for the District Courts of the United States provides that depositions may be taken in foreign countries by any of the following four methods:

(a) Pursuant to any applicable treaty or convention, or

(b) Pursuant to a letter of request (whether or not captioned a letter rogatory), or

(c) On notice before a person authorized to administer oaths in the place in which the examination is held, either by the law thereof or by the law of the United States. Notarizing officials as defined by 22 CFR 92.1 are so authorized by the law of the United States, or

(d) Before a person commissioned by the court, and a person so commissioned shall have the power by virtue of the commission to administer any necessary oath and take testimony.

[60 FR 51722, Oct. 3, 1995]
§ 92.52 “Deposition on notice” defined.

A deposition on notice is a deposition taken before a competent official after reasonable notice has been given in writing by the party or attorney proposing to take such deposition to the opposing party or attorney of record. Notarizing officers, as defined by 22 CFR 92.1, are competent officials for taking depositions on notice in foreign countries (see §92.51). This method of taking a deposition does not necessarily involve the issuance of a commission or other court order.

[60 FR 51722, Oct. 3, 1995]

§ 92.53 “Commission to take depositions” defined.

A commission to take depositions is a written authority issued by a court of justice, or by a quasi-judicial body, or a body acting in such capacity, giving power to take the testimony of witnesses who cannot appear personally to be examined in the court or before the body issuing the commission. In Federal practice, a commission to take depositions is issued only when necessary or convenient, on application and notice. The commission indicates the action or hearing in which the depositions are intended to be used, and the person or persons required to take the depositions, usually by name or descriptive title (see §92.55 for manner of designating notarizing officers). Normally a commission is accompanied by detailed instructions for its execution.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.54 “Letters rogatory” defined.

In its broader sense in international practice, the term letters rogatory denotes a formal request from a court in which an action is pending, to a foreign court to perform some judicial act. Examples are requests for the taking of evidence, the serving of a summons, subpoena, or other legal notice, or the execution of a civil judgment. In United States usage, letters rogatory have been commonly utilized only for the purpose of obtaining evidence. Requests rest entirely upon the comity of courts toward each other, and customarily embody a promise of reciprocity.

The legal sufficiency of documents executed in foreign countries for use in judicial proceedings in the United States, and the validity of the execution, are matters for determination by the competent judicial authorities of the American jurisdiction where the proceedings are held, subject to the applicable laws of that jurisdiction. See §92.66 for procedures in the use of letters rogatory requesting the taking of depositions in foreign jurisdictions.

§ 92.55 Consular authority and responsibility for taking depositions.

(a) Requests to take depositions or designations to execute commissions to take depositions. Any United States notarizing officer may be requested to take a deposition on notice, or designated to execute a commission to take depositions. A commission or notice should, if possible, identify the officer who is to take depositions by his official title only in the following manner: “Any notarizing officer of the United States of America at (name of locality)”. The notarizing officer responsible for the performance of notarial acts at a post should act on a request to take a deposition on notice, or should execute the commission, when the documents are drawn in this manner, provided local law does not preclude such action. However, when the officer (or officers) is designated by name as well as by title, only the officer (or officers) so designated may take the depositions. In either instance, the officer must be a disinterested party. Rule 28(c) of the Rules of Civil Procedure for the district courts of the United States prohibits the taking of a deposition before a person who is a relative, employee, attorney or counsel of any of the parties, or who is a relative or employee of such attorney or counsel, or who is financially interested in the action.

(b) Authority in Federal law. The authority for the taking of depositions, charging the appropriate fees, and imposing the penalty for giving false evidence is generally set forth in 22 U.S.C. 4215 and 4221. The taking of depositions for federal courts of the United States is further governed by the Federal Rules of Civil Procedure. For the provisions of law which govern particularly the taking of depositions to prove the
genuineness of foreign documents which it is desired to introduce in evidence in any criminal action or proceeding is a United States federal court, see 18 U.S.C. 3491 through 3496.

(c) Procedure where laws of the foreign country do not permit the taking of depositions. In countries where the right to take depositions is not secured by treaty, notarizing officers may take depositions only if the laws or authorities of the national government will permit them to do so. Notarizing officers in countries where the taking of depositions is not permitted who receive notices or commissions for taking depositions should return the documents to the parties from whom they are received explaining why they are returning them, and indicating what other method or methods may be available for obtaining the depositions, whether by letters rogatory or otherwise.

[60 FR 51722, Oct. 3, 1995]

§ 92.56 Summary of procedure for taking depositions.

In taking a deposition on notice or executing a commission to take depositions, a notarizing officer should conform to any statutory enactments on the subject in the jurisdiction in which the depositions will be used. He should also comply with any special instructions which accompany the request for a deposition on notice or a commission. Unless otherwise directed by statutory enactments or special instructions, the officer should proceed as follows in taking depositions:

(a) Request the witnesses, whose testimony is needed, to appear before him; or, at the request of any party to the action, or proceeding, request designated persons to supply him or the requesting party with needed records or documents in their possession, or copies thereof;

(b) When necessary, act as interpreter or translator, or see that arrangements are made for some qualified person to act in this capacity;

(c) Before the testimony is taken, administer oaths (or affirmations in lieu thereof) to the interpreter or translator (if there is one), to the stenographer taking down the testimony, and to each witness;

(d) Have the witnesses examined in accordance with the procedure described in §§ 92.57 to 92.60:

(e) Either record, or have recorded in his presence and under his direction, the testimony of the witnesses;

(f) Take the testimony, or have it taken, stenographically in question-and-answer form and transcribed (see §92.58) unless the parties to the action agree otherwise (rules 30(c) and 31(b), Rules of Civil Procedure for the District Courts of the United States);

(g) Be actually present throughout the examination of the witnesses, but recess the examination for reasonable periods of time and for sufficient reasons;

(h) Mark or cause to be marked, by identifying exhibit numbers or letters, all documents identified by a witness or counsel and submitted for the record.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.57 Oral examination of witnesses.

When a witness is examined on the basis of oral interrogatories, the counsel for the party requesting the deposition has the right to conduct a direct examination of the witness without interruption except in the form of objection by opposing counsel. The opposing counsel has the same right on cross-examination. Cross-examination may be followed by redirect and recross-examinations until the interrogation is complete. The notarizing officer taking the deposition should endeavor to restrain counsel from indulging in lengthy colloquies, digressions, or asides, and from attempts to intimidate or mislead the witness. The notarizing officer has no authority to sustain or overrule objections but should have them recorded as provided in §92.59. Instead of taking part in the oral examination of a witness, the parties notified of the taking of a deposition may transmit written interrogatories to the notarizing officer. The notarizing officer should then question the witness on the basis of the written interrogatories and should record the answers verbatim. (Rules 30 (c) and 31
§ 92.58 Examination on basis of written interrogatories.

Written interrogatories are usually divided into three parts:

(a) The direct interrogatories or interrogatories in chief;
(b) The cross-interrogatories; and
(c) The redirect interrogatories.

Recross-interrogatories sometimes follow redirect interrogatories. The notarizing officer should not furnish the witness with a copy of the interrogatories in advance of the questioning, nor should he allow the witness to examine the interrogatories in advance of the questioning. Although it may be necessary for the officer, when communicating with the witness for the purpose of asking him to appear to testify, to indicate in general terms the nature of the evidence which is being sought, this information should not be given in such detail as to permit the witness to formulate his answers to the interrogatories prior to his appearance before the notarizing officer. The notarizing officer should put the interrogatories to the witness separately and in order. The written interrogatories should not be repeated in the record (unless special instructions to that effect are given), but an appropriate reference should be made thereto. These references should, of course, be followed by the witness’ answers. All of the written interrogatories must be put to the witness, even though at some point during the examination the witness disclaims further knowledge of the subject. When counsel for all of the parties attend an examination conducted on written interrogatories, the notarizing officer may, all counsel having consented thereto, permit oral examination of the witness following the close of the examination upon written interrogatories. The oral examination should be conducted in the same manner and order as if not preceded by an examination upon written interrogatories.

§ 92.59 Recording of objections.

All objections made at the time of the examination to the qualifications of the officer taking the deposition, or to the manner of taking it, or to the evidence presented, or to the conduct of any party, and any other objection to the proceedings must be noted in the deposition. Evidence objected to will be taken subject to the objections. (Rules 30 (c) and 31 (b), Rules of Civil Procedure for the District Courts of the United States.)
§ 92.61 Transcription and signing of record of examination.

After the examination of a witness is completed, the stenographic record of the examination must be fully transcribed and the transcription attached securely to any document or documents to which the testimony in the record pertains. (See §92.63 regarding the arrangement of papers.) The transcribed deposition must then be submitted to the witness for examination and read to or by him, unless such examination and reading are waived by the witness and by the parties to the action. Any changes in form or substance desired by the witness should be entered upon the deposition by the notarizing officer with a statement of the reasons given by the witness for making the changes. The witness should then sign the transcript of his deposition and should initial in the margin each correction made at his request. However, the signature and initials of the witness may be omitted if the parties to the action by stipulation waive the signing or if the witness is ill, refuses to sign, or cannot be found. If the deposition is not signed by the witness, the notarizing officer should sign it and should state on the record the reason for his action, i.e., the waiver of the parties, the illness or absence of the witness, or the refusal of the witness to sign, giving the reasons for such refusal. The deposition may then be used as though signed by the witness except when, on the motion to suppress, the court holds that the reasons given for the refusal to sign require the rejection of the deposition in whole or in part. (Rules 30 (e) and 31 (b), Rules of Civil Procedure for the District Courts of the United States.)

§ 92.62 Captioning and certifying depositions.

The notarizing officer should prepare a caption for every deposition; should certify on the deposition that the witness was duly sworn by him and that the deposition is a true record of the testimony given by the witness; and should sign and seal the certification in the manner prescribed in §§92.15 and 92.16. (Rules 30 (f) (1) and 31 (b), Rules of Civil Procedures for the District Courts of the United States.)

§ 92.63 Arrangement of papers.

Unless special instructions to the contrary are received, the various papers comprising the completed record of the depositions should usually be arranged in the following order from bottom to top:

(a) Commission to take depositions (or notice of taking depositions), with interrogatories, exhibits, and other supporting documents fastened thereto.

(b) Statement of fees charged, if one is prepared on a separate sheet.

(c) Record of the responses of the various witnesses, including any exhibits the witnesses may submit.

(d) Closing certificate.

All of these papers should be fastened together with ribbon, the ends of which should be secured beneath the notarizing officer’s seal affixed to the closing certificate.

§ 92.64 Filing depositions.

(a) Preparation and transmission of envelope. The notice or commission, the interrogatories, the record of the witnesses’ answers, the exhibits, and all other documents and papers pertaining to the depositions should be fastened together (see §92.63 regarding the arrangement of papers) and should be enclosed in an envelope sealed with the wax engraving seal of the post. The envelope should be endorsed with the title of the action and should be marked and addressed. The sealed envelope should then be transmitted to the court in which the action is pending.

(b) Furnishing copies. The original completed depositions should not be sent to any of the parties to the action or to their counsel. However, the notarizing officer may furnish a copy of a deposition to the deponent or to any party to the action upon the payment of the copying fee and if certification is desired under official seal that the copy is a true copy, the certification

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.65 Depositions to prove genuineness of foreign documents.

(a) Authority to execute commission. Under the provisions of section 1 of the act of June 25, 1948, as amended (sec. 1, 62 Stat. 834, sec. 53, 63 Stat. 96; 18 U.S.C. 3492), a diplomatic or consular officer may be commissioned by an United States court to take the testimony of a witness in a foreign country either on oral or written interrogatories, or partly on oral and partly on written interrogatories, for the purpose of determining the genuineness of any foreign document (any book, paper, statement, record, account, writing, or other document, or any portion thereof, of whatever character and in whatever form, as well as any copy thereof equally with the original, which is not in the United States) which it is desired to introduce in evidence in any criminal action or proceeding in any United States court under the provisions of section 1 of the act of June 25, 1948, as amended (sec. 1, 62 Stat. 834, sec. 53, 63 Stat. 96; 18 U.S.C. 3492), and in accordance with any special instructions which may accompany the commission. For details not covered by such section or by special instructions, officers of the Foreign Service should be guided by such instructions as may be issued by the Department of State in connection with the taking of depositions generally. (§§ 92.55 to 92.64.)

(b) Disqualification to execute commission. Any diplomatic or consular officer to whom a commission is addressed to take testimony, who is interested in the outcome of the criminal action or proceeding in which the foreign documents in question are intended to be used or who has participated in the prosecution of such action or proceeding, whether by investigations, preparation of evidence, or otherwise, may be disqualified on his own motion or on that of the United States or any other party to such criminal action or proceeding made to the court from which the commission issued at any time prior to the execution thereof. If, after notice and hearing, the court grants the motion, it will instruct the diplomatic or consular officer thus disqualified to send the commission to any other diplomatic or consular officer of the United States named by the court, and such other officer should execute the commission according to its terms and will for all purposes be deemed the officer to whom the commission is addressed. (Section 1, 62 Stat. 834, sec. 53, 63 Stat. 96; 18 U.S.C. 3492.)

(c) Execution and return of commission. (1) Commissions issued in criminal cases under the authority of the act of June 25, 1948, as amended, to take testimony in connection with foreign documents should be executed and returned by officers of the Foreign Service in accordance with section 1 of that act, as amended (sec. 1, 62 Stat. 835; 18 U.S.C. 3493, 3494), and in accordance with any special instructions which may accompany the commission. For details not covered by such section or by special instructions, officers of the Foreign Service should be guided by such instructions as may be issued by the Department of State in connection with the taking of depositions generally. (See §§ 92.55 to 92.64.)

(2) Section 1 of the act of June 25, 1948 (sec. 1, 62 Stat. 835; 18 U.S.C. 3493) provides that every person whose testimony is taken should be cautioned and sworn to testify the whole truth and should be carefully examined. The testimony should be reduced to writing or typewriting by the consular officer, or by some person under his personal supervision, or by the witness himself in the presence of the consular officer, and by no other person. After it has been reduced to writing or typewriting by the consular officer, or by some person under his personal supervision, or by the witness himself, the testimony must be signed by the witness. Every foreign document with respect to which testimony is taken must be annexed to such testimony and must be signed by each witness who appears for the purpose of establishing the genuineness of such document.

(3) When counsel for all of the parties attend the examination of any witness whose testimony will be taken on written interrogatories, they may consent that oral interrogatories, in addition to those accompanying the commission, be put to the witness. The consular officer taking the testimony
should require an interpreter to be present when his services are needed or are requested by any party or his attorney. (Section 1, 62 Stat. 835, 18 U.S.C. 3493.)

(4) Section 1 of the act of June 25, 1948 (sec. 1, 62 Stat. 835; 18 U.S.C. 3494) provides that the consular officer, who executes any commission authorized under the same section, as amended (sec. 1, 62 Stat. 834, sec. 53, 63 Stat. 96; 18 U.S.C. 3492) and who is satisfied, upon all the testimony taken, that a foreign document is genuine, should certify such document to be genuine under the seal of his office. This certification must include a statement that the officer is not subject to disqualification under the provisions of section 1 of the act of June 25, 1948, as amended (sec. 1, 62 Stat. 834, sec. 53, 63 Stat. 96; 18 U.S.C. 3492). For purposes of assessment of fees, the issuance of this certificate shall be regarded as a part of the consular service of executing the commission, and no separate fee shall be charged for the certificate.

(5) The consular officer should then forward such foreign documents, together with the record of all testimony taken and the commission which has been executed, to the Department of State for transmission to the clerk of the court from which the commission issued. (Section 1, 62 Stat. 835; 18 U.S.C. 3494.) (See § 92.64 regarding the filing of depositions generally.)

§ 92.66 Depositions taken before foreign officials or other persons in a foreign country.

(a) Customary practice. Under Federal law (Rule 28(b), Rules of Civil Procedure for the District Courts of the United States) and under the laws of some of the States, a commission to take depositions can be issued to a foreign official or to a private person in a foreign country. However, this method is rarely used; commissions are generally issued to U.S. notarizing officers. In those countries where U.S. notarizing officers are not permitted to take testimony (see §92.55(c)) and where depositions must be taken before a foreign authority, letters rogatory are usually issued to a foreign court.

(b) Transmission of letters rogatory to foreign officials. Letters rogatory may often be sent direct from court to court. However, some foreign governments require that these requests for judicial aid be submitted through the diplomatic channel (i.e., that they be submitted to the Ministry for Foreign Affairs by the American diplomatic representative). A usual requirement is that the letters rogatory as well as the interrogatories and other papers included with them be accompanied by a complete translation into the language (or into one of the languages) of the country of execution. Another requirement is that provision be made for the payment of fees and expenses. Inquiries from interested parties or their attorneys, or from American courts, as to customary procedural requirements in given countries, may be addressed direct to the respective American embassies and legations in foreign capitals, or to the Department of State, Washington, DC 20520.

(c) Return of letters rogatory executed by foreign officials. (1) Letters rogatory executed by foreign officials are returned through the same channel by which they were initially transmitted. When such documents are returned to a United States diplomatic mission, the responsible officer should endorse thereon a certificate stating the date and place of their receipt. This certificate should be appended to the documents as a separate sheet. The officer should then enclose the documents in an envelope sealed with the wax engraving seal of the post and bearing an endorsement indicating the title of the action to which the letters rogatory pertain. The name and address of the American judicial body from which the letters rogatory issued should also be placed on the envelope.

(2) If the executed letters rogatory are returned to the diplomatic mission from the Foreign Office in an envelope bearing the seals of the foreign judicial authority who took the testimony, that sealed envelope should not be opened at the mission. The responsible officer should place a certificate on the envelope showing the date it was received at his office and indicating that
§ 92.67 Taking of depositions in United States pursuant to foreign letters rogatory.

(a) Authority and procedure. The taking of depositions by authority of State courts for use in the courts of foreign countries is governed by the laws of the individual States. As respects Federal practice, the district court of the district in which a person resides or is found may order him to give his testimony or statement or to produce a document or other thing for use in a proceeding in a foreign or international tribunal. The order may be made pursuant to a letter rogatory issued, or request made, by a foreign or international tribunal or upon the application of any interested person and may direct that the testimony or statement be given, or the document or other thing be produced, before a person appointed by the court. By virtue of his appointment, the person appointed has power to administer any necessary oath and take the testimony or statement. The order may prescribe the practice and procedure, which may be in whole or part the practice and procedure of the foreign country or the international tribunal, for taking the testimony or statement or producing the document or other thing. To the extent that the order does not prescribe otherwise, the testimony or statement shall be taken, and the document or other thing produced, in accordance with the Federal Rules of Civil Procedure. A person may not be compelled to give his testimony or statement, or to produce a document or other thing in violation of any legally applicable privilege. This does not preclude a person within the United States from voluntarily giving his testimony or statement, or producing a document or other thing, for use in a proceeding in a foreign or international tribunal before any person or in any manner acceptable to him (28 U.S.C. 1782).

(b) Formulation of letters rogatory. A letter rogatory customarily states the nature of the judicial assistance sought by the originating court, prays that this assistance be extended, incorporates an undertaking of future reciprocity in like circumstances, and makes some provision for payment of fees and costs entailed in its execution. As respects Federal practice, it is not
required that a letter rogatory emanating from a foreign court be authenticated by a diplomatic or consular officer of the United States or that it be submitted through the diplomatic channel; the seal of the originating court suffices. When testimony is desired, the letter rogatory should state whether it is intended to be taken upon oral or written interrogatories. If the party on whose behalf the testimony is intended to be taken will not be represented by counsel, written interrogatories should be attached. Except where manifestly unneeded (e.g. a Spanish-language letter rogatory intended for execution in Puerto Rico) or dispensed with by arrangement with the court, letters rogatory and interrogatories in a foreign language should be accompanied by English translations.

(c) Addressing letters rogatory. To avert uncertainties and minimize possibilities for refusal of courts to comply with requests contained in letters rogatory in the form in which they are presented, it is advisable that counsel for the parties in whose behalf testimony is sought ascertain in advance if possible, with the assistance of correspondent counsel in the United States or that of a consular representative or agent of his nation in the United States, the exact title of the court, Federal or State as the case may be, which will be prepared to entertain the letter rogatory. In Federal practice the following form of address is acceptable:

The U.S. District Court for the (e.g. Northern, Southern) District of ___________ (City) _________, (State)

In instances where it is not feasible to ascertain the correct form of address at the time of preparation of the letter rogatory, and it will be left for counsel in the United States, or a consul or agent in the United States of the nation of origin of the letter rogatory to effect its transmission to an appropriate court, the following form may be used: “To the Appropriate Judicial Authority at (name of locality).”

(d) Submitting letters rogatory to courts in the United States. A letter rogatory may be submitted to the clerk of the court of which assistance is sought, either in person or by mail. This may be direct by international mail from the originating foreign court. Alternatively, submission to the clerk of court may be effected in person or by mail by any party to the action at law or his attorney or agent, or by a consular officer or agent in the United States of the foreign national concerned. Finally, the Department of State has been authorized (62 Stat. 949; 28 U.S.C. 1781) to receive a letter rogatory issued, or request made, by a foreign or international tribunal, to transmit it to the tribunal, officer, or agency in the United States to whom it is addressed, and to receive and return it after execution. This authorization does not preclude—

1. The transmittal of a letter rogatory or request directly from a foreign or international tribunal to the tribunal, officer, or agency in the United States to whom it is addressed and its return in the same manner; or

2. The transmittal of a letter rogatory or request directly from a tribunal in the United States to the foreign or international tribunal, officer, or agency to whom it is addressed and its return in the same manner.

§ 92.68 Foreign Service fees and incidental costs in the taking of evidence.

The fees for the taking of evidence by officers of the Foreign Service are as prescribed by the Tariff or Fees, Foreign Service of the United States of America (§ 22.1 of this chapter), under the caption “Services Relating to the Taking of Evidence,” unless the service is performed for official use, which comes under the caption “Exemption for Federal Agencies and Corporations” of the same Tariff. See §22.6 of this chapter concerning the requirement for advance deposit of estimated fees. When the party on whose behalf the evidence is sought or his local representative is not present to effect direct payment of such incidental costs as postage or travel of witnesses, the advance deposit required by the officer shall be in an amount estimated as sufficient to cover these in addition to the fees proper. The same rule shall apply
§ 92.69 Charges payable to foreign officials, witnesses, foreign counsel, and interpreters.

(a) Execution of letters rogatory by foreign officials. Procedures for payment of foreign costs will be by arrangement with the foreign authorities.

(b) Execution of commissions by foreign officials or other persons abroad. Procedures for the payment of foreign costs will be as arranged, by the tribunal requiring the evidence, with its commissioner.

(c) Witness fees and allowances when depositions are taken pursuant to commission from a Federal court. A witness attending in any court of the United States, or before a United States commissioner, or before any person authorized to take his deposition pursuant to any rule or order of a court of the United States, shall receive $4 for each day's attendance and for the time necessarily occupied in going to and returning from the same, and 8 cents per mile for going from and returning to his place of residence. Witnesses who are not salaried employees of the Government and who are not in custody and who attend at points so far removed from their respective residence as to prohibit their return thereto from day to day shall be entitled to an additional allowance of $8 per day for expenses of subsistence, including the time necessarily occupied in going to and returning from the place of attendance (28 U.S.C. 1821, Supp. IV). Witnesses giving depositions before consular officers pursuant to a commission issued by the Federal Court are entitled to these fees and allowances, and the officer shall make payment thereof in the same manner as payment is made of other expenses involved in the execution of the commission, charging the advance deposit provided by the party at whose request the depositions are taken (see §92.68). In any case to which the Government of the United States, or an officer or agency thereof, is a party, the United States marshal for the district will pay all fees of witnesses on the certificate of the United States Attorney or Assistant United States Attorney, and in the proceedings before a United States Commissioner, on the certificate of such commissioner (28 U.S.C. 1825).

§ 92.70 Special fees for depositions in connection with foreign documents.

(a) Fees payable to witnesses. Each witness whose testimony is obtained under a commission to take testimony in connection with foreign documents for use in criminal cases shall be entitled to receive compensation at the rate of $15 a day for each day of attendance, plus 8 cents a mile for going from his place of residence or business to the place of examination, and returning, by the shortest feasible route (18 U.S.C. 3495 and 3496, and E.O. 10307, 3 CFR, 1949–1953 Comp.). When, however, it is necessary to procure the attendance of a witness on behalf of the United States or an indigent party, an officer or agent of the United States may negotiate with the witness to pay compensation at such higher rate as may be approved by the Attorney General, plus the mileage allowance stated above (5 U.S.C. 341). The expense of the compensation and mileage of each witness will be borne by the party, or parties, applying for the commission unless the commission is accompanied by an order of court (18 U.S.C. 3495(b) that all fees, compensations, and other expenses authorized by these regulations are chargeable to the United States (18 U.S.C. 3495).

(b) Fee payable to counsel. Each counsel who represents a party to the action or proceeding in the examination before the commissioner will receive compensation for each day of attendance at a rate of not less than $15 a day and not more than $50 a day, as agreed between him and the party whom he represents, plus such actual and necessary expenses as may be allowed by the commissioner upon verified statements filed with him. If the commission is issued on application of the United States, the compensation and expenses of counsel representing each party are chargeable to the United States under section 3495(b) of title 18 of the United States Code (18 U.S.C. 3495).
§ 92.72

(c) Fees payable to interpreters and translators. Each interpreter and translator employed by the commissioner under these regulations shall receive an allowance of $10 a day, plus 8 cents a mile for going from his place of residence or business to the place of examination and returning, by the shortest feasible route. The compensation and mileage of interpreters and translators shall be chargeable to the United States.

(d) Time for paying fees. Witnesses, counsel, interpreters, and translators will be paid, in accordance with the foregoing regulations, by the commissioner at the conclusion of their services. Other expenses authorized by these regulations will be paid by the commissioner as they are incurred.

(e) Payment of fees by the United States. When it appears that the commission was issued on application of the United States or when the commission is accompanied by an order of court that all fees, compensation, and other expenses authorized by these regulations are chargeable to the United States under section 3495(b) of title 18 of the United States Code, the commissioner shall execute the commission without charge for his service in connection therewith. The Commissioner shall pay witnesses, counsel, interpreter, or translator, and other expenses authorized by this section through the disbursing officer in his area in accordance with instructions which will be issued in each case.

(f) Payment of fees by other parties. When fees, compensation, and other expenses authorized by this section are chargeable to any party other than the United States, the commissioner shall undertake the execution of the commission only if such party deposits with the Department of State or with the appropriate Foreign Service post, in advance, an amount to be set by the court as apparently adequate to defray all fees, compensation, and other expenses authorized by this part. If the amount of the deposit is later found to be insufficient, the depositor shall be so notified, and the commissioner shall retain the commission and other papers until a sufficient supplemental amount has been deposited. If the amount of the deposit exceeds the aggregate amount of fees, compensation, and other expenses authorized by this part, the excess shall be returned to the party, or parties, entitled thereto. The commissioner shall pay witnesses, counsel, interpreter, or translator, and other expenses authorized by this section, from the proceeds of a check which the disbursing officer for his area will be authorized to draw on the Treasurer of the United States.

§ 92.71 Fees for letters rogatory executed by officials in the United States.

Arrangements for the payment of fees should be made directly with the court in the United States by the party in the foreign country at whose request the depositions are taken, either through his legal representative in the United States or through the appropriate diplomatic or consular officer of his country in the United States. (See §92.67 regarding the execution of letters rogatory in the United States.)

Miscellaneous Notarial Services

§ 92.72 Services in connection with patents and patent applications.

(a) Affidavit of applicant. The form of the affidavit of an applicant for a United States patent depends on who is making the application, the type of invention, and the circumstances of the case. Officers of the Foreign Service are not responsible for the correctness of form of such affidavits, and should not endeavor to advise in their preparation. Persons who inquire at a Foreign Service post regarding the filing of patent applications may be referred to the pamphlet entitled “General Information Concerning Patents,” if copies thereof are available at the post.

(b) Oath or affirmation of applicant—

(1) Authority to administer oath or affirmation. When an applicant for a patent resides in a foreign country, his oath or affirmation may be made before any diplomatic or consular officer of the United States authorized to administer oaths, or before any officer having an official seal and authorized to administer oaths in the foreign country in which the applicant may be, whose authority shall be proved by certificate of
a diplomatic or consular officer of the United States (35 U.S.C. 115). See paragraph (c) of this section regarding authentication of the authority of a foreign official. A notary or other official in a foreign country who is not authorized to administer oaths is not qualified to notarize an application for a United States patent.

2. Form of oath or affirmation. See §§92.19 and 92.20 for usual forms of oaths and affirmations.

3. Execution of jurat. In executing the jurat, the officer should carefully observe the following direction with regard to ribboning and sealing: When the oath is taken before an officer in a country foreign to the United States, all the application papers, except the drawings, must be attached together and a ribbon passed one or more times through all the sheets of the application, except the drawings, and the ends of said ribbon brought together under the seal before the latter is affixed and impressed, or each sheet must be impressed with the official seal of the officer before which the oath is taken. If the papers as filed are not properly ribboned or each sheet impressed with the seal, the case will be accepted for examination but before it is allowed, duplicate papers, prepared in compliance with the foregoing sentence, must be filed. (Rule 66, Rules of Practice of the United States Patent Office.)

(c) Authentication of authority of foreign official—(1) Necessity for authentication. When the affidavit required in connection with a patent application been sworn to or affirmed before an official in a foreign country other than a diplomatic or consular officer of the United States, an officer of the Foreign Service authenticate the authority of the official administering the oath or affirmation (35 U.S.C. 115). If the officer of the Foreign Service cannot authenticate the oath or affirmation, the document should be authenticated by a superior foreign official, or by a series of superior foreign officials if necessary. The seal and signature of the foreign official who affixes the last foreign authentication to the document should then be authenticated by the officer of the Foreign Service.

(2) Use of permanent ink. All papers which will become a part of a patent application filed in the United States Patent Office must be legibly written or printed in permanent ink. (Rule 52, Rules of Practice of the United States Patent Office.) Consular certificates of authentication executed in connection with patent applications should preferably be prepared on a typewriter; they should not be prepared on a hectograph machine.

(d) Authority of a foreign executor or administrator acting for deceased inventor. Legal representatives of deceased inventors and of those under legal incapacity may make application for patent upon compliance with the requirements and on the same terms and conditions applicable to the inventor (35 U.S.C. 117). The rules of the Patent Office require proof of the power or authority of the legal representative. See paragraph (c) of this section for procedure for authenticating the authority of a foreign official.

(e) Assignments of patents and applications for patents. An application for a patent, or a patent, or any interest therein, may be assigned in law by an instrument in writing. The applicant, or the patentee, or his assigns or legal representatives, may grant and convey an exclusive right under the application for patent, or under the patent, to the whole or any specified part of the United States. Any such assignment, grant, or conveyance of any application for patent, or of any patent, may be acknowledged, in a foreign country, before “a diplomatic or consular officer of the United States or an officer authorized to administer oaths whose authority is proved by a certificate of a diplomatic or consular officer of the United States’” (35 U.S.C. 261). See §92.37 regarding authentication of the authority of a foreign official.

(f) Fees. The fee for administering an oath, taking an acknowledgment, or supplying an authentication, in connection with patent applications is as prescribed in item 49 of the Tariff of Fees, Foreign Service of the United States of America (§22.1 of this chapter).

§92.73 Services in connection with trademark registrations.

(a) Authority and responsibility. Acknowledgments and oaths required in
connection with applications for registration of trademarks may be made, in a foreign country, before any diplomatic or consular officer of the United States or before any official authorized to administer oaths in the foreign country whose authority must be proved by a certificate of a diplomatic or consular officer of the United States (15 U.S.C. 1061). The responsibility of officers of the Foreign Service in this connection is the same as that where notarial services in connection with patent applications are involved (see § 92.72(a)). (See § 92.72(c) regarding the authentication of the authority of a foreign official who performs a notarial service in connection with a patent application.)

(b) Fees. The fee for administering an oath, taking an acknowledgment, or supplying an authentication, in connection with an application for registration of a trademark, or with the assignment or transfer of rights thereunder, is as prescribed in item 49 of the Tariff of Fees, Foreign Service of the United States of America (§ 22.1 of this chapter).

§ 92.74 Services in connection with United States securities or interests therein.

(a) Authority and responsibility. Assignments or requests for payment of United States securities, or securities for which the Treasury Department acts as transfer agent, or powers of attorney in connection therewith where authorized by the Treasury Department, should, in a foreign country, be executed before a United States consular or diplomatic officer. However, if they are executed before a foreign official having power to administer oaths, the Treasury Department requires that the official character and jurisdiction on the foreign official be certified by a United States diplomatic or consular officer. (See §§ 92.36 to 92.41 on authentication.)

(b) Fees. Officers of the Foreign Service should charge no fees for notarial services they perform in connection with the execution of documents, including the certification or authentication of documents where necessary, which affect United States securities or securities for which the Treasury Department acts as transfer agent, or which may be required in the collection of interest thereon. Item 58(b) of the Tariff of Fees, Foreign Service of the United States of America (§ 22.1 of this chapter) applies in cases of this nature.

§ 92.75 Services in connection with income tax returns.

(a) Responsibility. Officers of the Foreign Service are authorized to perform any and all notarial services which may be required in connection with the execution of Federal, state, territorial, municipal, or insular income tax returns. Officers should not give advice on the preparation of tax returns.

(b) Fees. No charge under the caption “Notarial Services and Authentications” should be made for services performed in connection with the execution of tax returns for filing with the Federal or State Governments or political subdivisions thereof. When requested, see item 58(d) of the Tariff of Fees, Foreign Service of the United States of America (§ 22.1 of this chapter).

§ 92.76 Copying documents.

(a) Consular authority. The consular officer is authorized to have documents, or abstracts therefrom, copied at a Foreign Service post, if he deems it advisable and it is practicable to do so. This service frequently is necessary in connection with the performance of certain notarial acts, such as the certification of copies of documents.

(b) Fees. The charges for making copies of documents are as prescribed by the Tariff of Fees, Foreign Service of the United States of America (§ 22.1 of this chapter), under the caption “Copying and Recording,” unless the service is performed for official use, which comes under the caption Exemption for Federal Agencies and Corporations of the same Tariff.

§ 92.77 Recording documents.

(a) Consular authority. Consular officers may, at their discretion, accept for recording in the Miscellaneous Record Book of the office concerned
unofficial documents such as deeds, leases, agreements, wills, and so on. The object of this service is primarily to afford United States citizens and interests the means of preserving, in official custody, records of their business and other transactions where other suitable facilities are not available locally for making such records. The recording of unofficial documents is not a notarial service, strictly speaking; however, the certifying of copies of documents thus recorded is a notarial service.

(b) Recording procedure. Generally, before accepting a document for recording the consular officer should require satisfactory proof of its genuineness. The document should be copied, word for word, in the Miscellaneous Record Book. At the close of the record a statement that it is a true copy of the original should be entered and signed by the consular officer who copies or compares the record. In the margin of the first page where the document is recorded, the consular officer should note the following data:

1. By whom the document is presented for recording;
2. On whose behalf the service is requested;
3. Date and hour of presentation for recording;
4. How the authenticity of the document was proved (where appropriate); and
5. The name of the person by whom recorded (in his proper signature) and the name of the consular officer with whom compared (in his proper signature).

(c) Certificate of recording. Ordinarily, a certificate of recording need not be issued. The original document may simply be endorsed: “Recorded at (name and location of consular office) this ____ day of ____ , 19____, in (here insert appropriate reference to volume of Miscellaneous Record Book)”. Below the endorsement should appear the notation regarding the service number, the Tariff item number, and the amount of the fee collected. When a certificate of recording is requested, the consular officer may issue it, if he sees fit to do so. The certificate may be either entered on the document, if space permits, or appended to the document as a separate sheet in the manner prescribed in §92.17.

(d) Fees. The fee for recording unofficial documents at a Foreign Service post is as prescribed under the caption “Copying and Recording” of the Tariff of Fees, Foreign Service of the United States of America (§22.1 of this chapter). For purposes of assessment of fees, the issuance of certificates of recording, when requested, shall be regarded as part of the consular service of recording unofficial documents, and no separate fee shall be charged for the certificate.

§92.78 Translating documents.

Officers of the Foreign Service are not authorized to translate documents or to certify to the correctness of translations. (However, see §92.56 with regard to interpreting and translating services which may be performed in connection with depositions.) They are authorized to administer to a translator an oath as to the correctness of a translation; to take an acknowledgment of the preparation of a translation; and to authenticate the seal and signature of a local official affixed to a translation. Separate fees should be charged for each of these services, as indicated under the caption “Notarial Services and Authentications” of the Tariff of Fees, Foreign Service of the United States of America (§22.1 of this chapter).

§92.79 Procuring copies of foreign public documents.

(a) Nature of services. When requested to do so by United States citizens or by persons acting in behalf of United States citizens, a consular officer should endeavor to obtain from foreign officials copies of birth, death, and marriage certificates, or copies of other public records such as divorce decrees, probated wills, and so on. The interest of the party requesting the document should be clearly indicated, and there should be good reason for asking for the consular officer’s assistance. Persons requesting documents for use in the preparation of family trees or in the compilation of genealogical studies should be referred to a local attorney.
or to a genealogical research bureau if one is available.

(b) Payment of expenses involved—(1) Official funds not to be used. The use of official funds to pay for copies of or extracts from foreign public records obtained at the request of private persons is prohibited.

(2) Payment of costs by Federal Government. In instances of requests emanating from departments or agencies of the Federal Government for copies of or extracts from foreign public records, the Department will issue to Foreign Service posts concerned appropriate instructions with respect to the payment of whatever local costs may be entailed if the documents cannot be obtained gratis from the local authorities.

(3) Payment of costs by State or municipal governments. Should State, county, municipal or other authorities in the United States besides the Federal Government request the consular officer to obtain foreign documents, and express willingness to supply documents gratis in analogous circumstances, the consular officer may endeavor on that basis to obtain the desired foreign documents gratis. Otherwise, such authorities should be informed that they must pay the charges of the foreign officials, as well as any fees which it may be necessary for the consular officer to collect under the provisions of the Tariff of Fees, Foreign Service of the United States of America (§ 22.1 of this chapter).

(4) Payment of costs by private persons. Before a consular officer endeavors to obtain a copy of a foreign public document in behalf of a private person, the person requesting the document should be required to make a deposit of funds in an amount sufficient to defray any charges which may be made by the foreign authorities, as well as the Foreign Service fee for authenticating the document, should authentication be desired.

§ 92.80 Obtaining American vital statistics records.

Individuals who inquire as to means of obtaining copies of or extracts from American birth, death, marriage, or divorce records may be advised generally to direct their inquiries to the Vital Statistics Office at the place where the record is kept, which is usually in the capital city of the State or Territory. Legal directories and other published works of references at the post may be of assistance in providing exact addresses, information about fees, etc. An inquirer who is not an American citizen may write directly to the diplomatic or appropriate consular representative of his own country for any needed assistance in obtaining a desired document.

QUASI-LEGAL SERVICES

§ 92.81 Performance of legal services.

(a) Legal services defined. The term "legal services" means services of the kind usually performed by attorneys for private persons and includes such acts as the drawing up of wills, powers of attorney, or other legal instruments.

(b) Performance usually prohibited—(1) General prohibition; exceptions. Officers of the Foreign Service should not perform legal services except when instructed to do so by the Secretary of State, or in cases of sudden emergency when the interests of the United States Government, might be involved, or in cases in which no lawyer is available and refusal to perform the service would result in the imposition of extreme hardship upon a United States citizen. There is no objection, however, to permitting persons to use the legal references in the Foreign Service office giving specimen forms of wills, powers of attorney, etc.

(2) Specific prohibitions and restrictions. See § 72.41 of this chapter for prohibition of performance of legal services by consular officers in connection with decedents’ estates. See § 92.11 restricting the preparation for private parties of legal documents for signature and notarization.

(3) Acceptance of will for deposit prohibited. Wills shall not be accepted for safekeeping in the office safe. If a person desires to have his last will and testament made a matter of record in a Foreign Service establishment, the officer to whom application is made shall have the will copied in the Miscellaneous Record Book (§ 92.77) and charge the prescribed fee therefor.

(c) Refusal of requests. In refusing requests for the performance of legal
services, an officer of the Foreign Service should cite these regulations and should state clearly his reasons for refusing to act. In appropriate cases, the officer may furnish the inquirer with a copy of the annual list of attorneys (see §92.82) practicing in the consular district or he may refer the inquirer to the Department for a list of attorneys.

(d) Waiver of responsibility. When an officer of the Foreign Service accedes to a request for the performance of a legal service, he should inform the applicant that the service is performed at the latter's risk and without any responsibility on the part of the United States Government or the officer performing the service.

(e) Fees. No fee should be charged for any legal services which may be performed under these regulations, beyond the fees or charges for specific services enumerated in the Tariff of Fees, Foreign Service of the United States of America (§22.1 of this chapter).

§ 92.82 Recommending attorneys or notaries.

(a) Assistance in selecting American lawyers. When any person in the district of a Foreign Service post desires to have the name of an attorney in the United States, the officer at the post may refer him to American law directories or other published references at his disposal, but he shall refrain from recommending any particular attorney.

(b) Assistance in selecting foreign attorneys or notaries. Persons applying to a Foreign Service post for services of a legal or fiduciary character or for assistance in selecting an attorney or notary capable of rendering the services in view, may be furnished the names of several attorneys or notaries in the district, or referred to the lists to be found in American or foreign law directories or other published references. Alternatively, they may be referred to bar associations or, where applicable, to the organization charged by local law with the responsibility for providing legal assistance.

(c) Agreements for referral of legal business prohibited. Officers of the Foreign Service shall not recommend particular attorneys or notaries to persons who apply to a Foreign Service post for legal assistance, nor shall they make agreements with attorneys or notaries for the referral to them of inquiries for legal assistance.

§ 92.84 Legal process defined.

Legal process means a writ, warrant, mandate, or other process issuing from a court of justice. The term includes subpoenas, citations, and complaints.

§ 92.85 Service of legal process usually prohibited.

The service of process and legal papers is not normally a Foreign Service function. Except when directed by the Department of State, officers of the Foreign Service are prohibited from serving process or legal papers or appointing other persons to do.

[32 FR 11776, Aug. 16, 1967]

§ 92.86 Consular responsibility for serving subpoenas.

When directed by the Department of State, officers of the Foreign Service will serve a subpoena issued by a court of the United States on a national or resident of the United States who is in a foreign country unless such action is prohibited by the law of the foreign country.

[32 FR 11776, Aug. 16, 1967]

§ 92.87 Consular responsibility for serving orders to show cause.

Officers of the Foreign Service are required to serve orders to show cause issued in contempt proceedings on a person who has failed or neglected to appear in answer to a subpoena served in accordance with the provisions of §92.86. (Section 1, 62 Stat. 949; 28 U.S.C. 1784.)

§ 92.88 Consular procedure.

With regard to the serving of subpoenas and orders to show cause referred to in §§92.86 and 92.87, section 1 of the act of June 25, 1948 (sec. 1, 62 Stat. 819, 28 U.S.C. 1783), provides that the subpoena shall designate the time and place for appearance before the court of the United States, and shall issue to any consular officer of the United States in the foreign country. The consular officer is required to make personal service of the subpoena
§ 92.94 Replying to inquiries regarding service of process or other documents.

Officers of the Foreign Service have no authority to serve upon persons in their consular districts legal process such as subpoenas or citations in connection with Congressional investigations. All requests for such service should be referred to the Department of State.

§ 92.92 Service of legal process under provisions of State law.

It may be found that a State statute purporting to regulate the service of process in foreign countries is so drawn as to mention service by an American consular officer or a person appointed by him, without mention of or provision for alternate methods of service. State laws of this description do not operate in derogation of the laws of the foreign jurisdiction wherein it may be sought to effect service of legal process, and such State laws do not serve to impose upon American consular officers duties or obligations which they are unauthorized to accept under Federal law, or require them to perform acts contrary to Federal regulations (see § 92.85).

§ 92.93 Notarial services or authentications connected with service of process by other persons.

An officer of the Foreign Service may administer an oath to a person making an affidavit to the effect that legal process has been served. When an affidavit stating that legal process has been served is executed before a foreign notary or other official, an officer of the Foreign Service may authenticate the official character of the person administering the oath. The fee for administering an oath to a person making an affidavit or for an authentication, as the case may be, is as prescribed under the caption “Notarial Services and Authentications” in the Tariff of Fees, Foreign Service of the United States of America (§ 22.1 of this chapter), unless the case is of such nature as to fall under the caption, “Exemption for Federal Agencies and Corporations” of the same Tariff.

§ 92.91 Service of documents at request of Congressional committees.

Officers of the Foreign Service have no authority to serve upon persons in their consular districts legal process such as subpoenas or citations in connection with Congressional investigations. All requests for such service should be referred to the Department of State.
can to the court and to interested parties. Such assistance could include furnishing information as to the standard procedure of the locality for service of legal papers, with the name and address of the local office having a bailiff authorized to effect and make return of service; it could include furnishing a list of local attorneys capable of making necessary arrangements; or it could, where appropriate, include a suggestion that the request of the American court might be presented to the foreign judicial authorities in the form of letters rogatory (see definition, §92.54, and procedures, §92.66 (b)). If the person upon whom the process is intended to be served is known to be willing to accept service, or if it is clear that it would be in his interest at least to be informed of the matter, the consular officer may suggest to the interested parties in the United States the drawings up of papers for voluntary execution by such person, such as a waiver of service or a document which would be acceptable to the American court to signify the person's entering an appearance in the action pending therein.

§92.95 Transportation of witnesses to the United States.

Officers of the Foreign Service may at times be called upon to assist in arranging for the transportation to the United States of persons in foreign countries whose testimony is desired by the Attorney General in a case pending in a Federal court. Requests that the travel of such persons be facilitated originate in the Department of Justice, and special instructions in each case are transmitted to the appropriate Foreign Service post by the Department of State.

PART 95—IMPLEMENTATION OF TORTURE CONVENTION IN EXTRADITION CASES

AUTHORITY: 18 U.S.C. 3181 et seq.; Convention Against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment.

SOURCE: 64 FR 9437, Feb. 26, 1999, unless otherwise noted.

§ 95.1 Definitions.

(a) Convention means the United Nations Convention Against Torture and Other Forms of Cruel, Inhuman or Degrading Treatment or Punishment, done at New York on December 10, 1984, entered into force for the United States on November 10, 1994. Definitions provided below in paragraphs (b) and (c) of this section reflect the language of the Convention and understandings set forth in the United States instrument of ratification to the Convention.

(b) Torture means:

(1) Any act by which severe pain or suffering, whether physical or mental, is intentionally inflicted on a person for such purposes as obtaining from him or a third person information or a confession, punishing him for an act he or a third person has committed or is suspected of having committed, or intimidating or coercing him or a third person, or for any reason based on discrimination of any kind, when such pain or suffering is inflicted by or at the instigation of or with the consent or acquiescence of a public official or other person acting in an official capacity. It does not include pain or suffering arising only from, inherent in or incidental to lawful sanctions.

(2) In order to constitute torture, an act must be specifically intended to inflict severe physical or mental pain or suffering and that mental pain or suffering refers to prolonged mental harm caused by or resulting from:

(i) The intentional infliction or threatened infliction of severe physical pain or suffering;

(ii) The administration or application, or threatened administration or application, of mind altering substances or other procedures calculated to disrupt profoundly the senses or the personality;

(iii) The threat of imminent death; or

(iv) The threat that another person will imminently be subjected to death, severe physical pain or suffering, or the administration or application of mind altering substances or other procedures calculated to disrupt profoundly the senses or personality.

(3) Noncompliance with applicable legal procedural standards does not per se constitute torture.

(4) This definition of torture applies only to acts directed against persons in the offender’s custody or physical control.

(5) The term “acquiescence” as used in this definition requires that the public official, prior to the activity constituting torture, have awareness of such activity and thereafter breach his or her legal responsibility to intervene to prevent such activity.

(6) The term “lawful sanctions” as used in this definition includes judicially imposed sanctions and other enforcement actions authorized by law, provided that such sanctions or actions were not adopted in order to defeat the object and purpose of the Convention to prohibit torture.

(7) Torture is an extreme form of cruel and inhuman treatment and does not include lesser forms of cruel, inhuman or degrading treatment or punishment.

(c) Where there are substantial grounds for believing that a fugitive would be in danger of being subjected to torture means if it is more likely than not that the fugitive would be tortured.

(d) Secretary means Secretary of State and includes, for purposes of this
rule, the Deputy Secretary of State, by delegation.

§ 95.2 Application.

(a) Article 3 of the Convention imposes on the parties certain obligations with respect to extradition. That Article provides as follows:

(1) No State party shall expel, return ("refouler") or extradite a person to another State where there are substantial grounds for believing that he would be in danger of being subjected to torture.

(2) For the purpose of determining whether there are such grounds, the competent authorities shall take into account all relevant considerations including, where applicable, the existence in the State concerned of a consistent pattern of gross, flagrant or mass violations of human rights.

(b) Pursuant to sections 3184 and 3186 of Title 18 of the United States Criminal Code, the Secretary is the U.S. official responsible for determining whether to surrender a fugitive to a foreign country by means of extradition. In order to implement the obligation assumed by the United States pursuant to Article 3 of the Convention, the Department considers the question of whether a person facing extradition from the U.S. "is more likely than not" to be tortured in the State requesting extradition when appropriate in making this determination.

§ 95.3 Procedures.

(a) Decisions on extradition are presented to the Secretary only after a fugitive has been found extraditable by a United States judicial officer. In each case where allegations relating to torture are made or the issue is otherwise brought to the Department's attention, appropriate policy and legal offices review and analyze information relevant to the case in preparing a recommendation to the Secretary as to whether or not to sign the surrender warrant.

(b) Based on the resulting analysis of relevant information, the Secretary may decide to surrender the fugitive to the requesting State, to deny surrender of the fugitive, or to surrender the fugitive subject to conditions.

§ 95.4 Review and construction.

Decisions of the Secretary concerning surrender of fugitives for extradition are matters of executive discretion not subject to judicial review. Furthermore, pursuant to section 2242(d) of the Foreign Affairs Reform and Restructuring Act of 1998, P.L. 105–277, notwithstanding any other provision of law, no court shall have jurisdiction to review these regulations, and nothing in section 2242 shall be construed as providing any court jurisdiction to consider or review claims raised under the Convention or section 2242, or any other determination made with respect to the application of the policy set forth in section 2242(a), except as part of the review of a final order of removal pursuant to section 242 of the Immigration and Nationality Act (8 U.S.C. 1252), which is not applicable to extradition proceedings.

§ 96.5 Requirement that accrediting entity be a nonprofit or public entity.

An accrediting entity must qualify as either:

(a) An organization described in section 501(c)(3) of the Internal Revenue Code of 1986, as amended, that has expertise in developing and administering standards for entities providing child welfare services; or
(b) A public entity (other than a Federal entity), including, but not limited to, any State or local government or governmental unit or any political subdivision, agency, or instrumentality thereof, that is responsible for licensing adoption agencies in a State and that has expertise in developing and administering standards for entities providing child welfare services.

§ 96.6 Performance criteria for designation as an accrediting entity.

An entity that seeks to be designated as an accrediting entity must demonstrate to the Secretary:

(a) That it has a governing structure, the human and financial resources, and systems of control adequate to ensure its reliability;
(b) That it is capable of performing the accreditation or approval functions or both on a timely basis and of administering any renewal cycle authorized under § 96.60;
(c) That it can monitor the performance of agencies it has accredited and persons it has approved (including their use of any supervised providers) to ensure their continued compliance with the Convention, the IAA, the UAA, and the regulations implementing the IAA or UAA;
(d) That it has the capacity to take appropriate adverse actions against agencies it has accredited and persons it has approved;
(e) That it can perform the required data collection, reporting, and other similar functions;
(f) Except in the case of a public entity, that it operates independently of any agency or person that provides adoption services, and of any membership organization that includes agencies or persons that provide adoption services;
(g) That it has the capacity to conduct its accreditation and approval functions fairly and impartially;
(h) That it can comply with any conflict-of-interest prohibitions set by the Secretary in its agreement;
(i) That it prohibits conflicts of interest with agencies or persons or with any membership organization that includes agencies or persons that provide adoption services; and
(j) That it prohibits its employees or other individuals acting as site evaluators, including, but not limited to, volunteer site evaluators, from becoming employees or supervised providers of an agency or person for at least one year after they have evaluated such agency or person for accreditation or approval.

§ 96.8 Fees charged by accrediting entities.

(a) An accrediting entity may charge fees for accreditation or approval services under this part only in accordance with a schedule of fees approved by the Secretary. Before approving a schedule of fees proposed by an accrediting entity, or subsequent proposed changes to an approved schedule, the Secretary will require the accrediting entity to demonstrate:

(1) That its proposed schedule of fees reflects appropriate consideration of the relative size and geographic location and volume of intercountry adoption cases of the agencies or persons it expects to serve;

(2) That the total fees the accrediting entity expects to collect under the schedule of fees will not exceed the full costs of accreditation or approval.
§ 96.9 Agreement between the Secretary and the accrediting entity.

An accrediting entity must perform its functions pursuant to a written agreement with the Secretary that will be published in the Federal Register. The agreement will address:

(a) The responsibilities and duties of the accrediting entity;

(b) The method by which the costs of delivering the accreditation or approval services may be recovered through the collection of fees from those seeking accreditation or approval, and how the entity’s schedule of fees will be approved;

(c) How the accrediting entity will address complaints about accredited agencies and approved persons (including their use of supervised providers) and complaints about the accrediting entity itself;

(d) Data collection requirements;

(e) Matters of communication and accountability between both the accrediting entity and the applicant(s) and between the accrediting entity and the Secretary; and

(f) Other matters upon which the parties have agreed.

§ 96.10 Suspension or cancellation of the designation of an accrediting entity by the Secretary.

(a) The Secretary will suspend or cancel the designation of an accrediting entity if the Secretary concludes that it is substantially out of compliance with the Convention, the IAA, the UAA, the regulations implementing the IAA or UAA, other applicable laws, or the agreement with the Secretary. Complaints regarding the performance of the accrediting entity may be submitted to the Department of State, Bureau of Consular Affairs. The Secretary will consider complaints in determining whether an accrediting entity’s designation should be suspended or canceled.

(b) The Secretary will notify an accrediting entity in writing of any deficiencies in the accrediting entity’s performance that could lead to the suspension or cancellation of its designation, and will provide the accrediting entity with an opportunity to demonstrate that suspension or cancellation is unwarranted, in accordance with procedures established in the agreement entered into pursuant to § 96.9.

(c) An accrediting entity may be considered substantially out of compliance under circumstances that include, but are not limited to:

(1) Failing to act in a timely manner when presented with evidence that an accredited agency or approved person is substantially out of compliance with the standards in subpart F of this part;

(4) Violating prohibitions on conflicts of interest;
(5) Failing to meet its reporting requirements;
(6) Failing to protect information or documents that it receives in the course of performing its responsibilities; and

(d) An accrediting entity that is subject to a final action of suspension or cancellation may petition the United States District Court for the District of Columbia or the United States district court in the judicial district in which the accrediting entity is located to set aside the action as provided in section 204(d) of the IAA (42 U.S.C. 14924(d)).

§96.11 [Reserved]

Subpart C—Accreditation and Approval Requirements for the Provision of Adoption Services

§96.12 Authorized adoption service providers.
(a) Except as provided in section 505(b) of the IAA (relating to transitional cases), and once the UAA becomes effective, except as provided in section 2(c) of the UAA (relating to transitional cases), an agency or person may not offer, provide, or facilitate the provision of any adoption service in the United States in connection with an intercountry adoption unless it is:
(1) An accredited agency or an approved person;
(2) A supervised provider; or
(3) An exempted provider, if the exempted provider’s home study or child background study will be reviewed and approved by an accredited agency pursuant to §96.47(c) or §96.53(b).

(b) A public domestic authority may also offer, provide, or facilitate the provision of any such adoption service.
(c) Neither conferral nor maintenance of accreditation or approval, nor status as an exempted or supervised provider, nor status as a public domestic authority shall be construed to imply, warrant, or establish that, in any specific case, an adoption service has been provided consistently with the Convention, the IAA, the UAA, or the regulations implementing the IAA or UAA. Conferral and maintenance of accreditation or approval under this part establishes only that the accrediting entity has concluded, in accordance with the standards and procedures of this part, that the agency or person conducts adoption services in substantial compliance with the applicable standards set forth in this part; it is not a guarantee that in any specific case the accredited agency or approved person is providing adoption services consistently with the Convention, the IAA, the UAA, the regulations implementing the IAA or UAA, or any other applicable law, whether Federal, State, or foreign. Neither the Secretary nor any accrediting entity shall be responsible for any acts of an accredited agency, approved person, exempted provider, supervised provider, or other entity providing services in connection with an intercountry adoption.

§96.13 Circumstances in which accreditation, approval, or supervision is not required.
(a) Home studies and child background studies. Home studies and child background studies, when performed by exempted providers, may be performed without accreditation, approval, or supervision; provided, however, that an exempted provider’s home study must be approved by an accredited agency in accordance with §96.47(c), and an exempted provider’s child background study must be approved by an accredited agency in accordance with §96.53(b).
§ 96.14 Providing adoption services using other providers.

(b) Child welfare services. An agency or person does not need to be accredited, approved, or operate as a supervised provider if it is providing only child welfare services, and not providing any adoption services, in connection with an intercountry adoption. If the agency or person provides both a child welfare service and any adoption service in the United States in an intercountry adoption case, it must be accredited, approved or operate as a supervised provider unless the only adoption service provided is preparation of a home study and/or a child background study.

(c) Legal services. An agency or person does not need to be accredited, approved, or to operate as a supervised provider if it is providing only legal services, and not providing any adoption services, in connection with an intercountry adoption. If the agency or person provides both a legal service and any adoption service in the United States in an intercountry adoption case, it must be accredited, approved or operate as a supervised provider unless the only adoption service provided is preparation of a home study and/or a child background study. Nothing in this part shall be construed:

(1) To permit an attorney to provide both legal services and adoption services in an adoption case where doing so is prohibited by State law; or

(2) To require any attorney who is providing one or more adoption services as part of his or her employment by a public domestic authority to be accredited or approved or operate as a supervised provider.

(d) Prospective adoptive parent(s) acting on own behalf. Prospective adoptive parent(s) may act on their own behalf without being accredited, or approved unless so acting is prohibited by State law or the law of the foreign country. In the case of a child immigrating to the United States in connection with his or her adoption, such conduct must be permissible under the laws of the State in which the prospective adoptive parent(s) reside and the laws of the foreign country from which the parent(s) seek to adopt. In the case of a child emigrating from the United States in connection with his or her adoption, such conduct must be permissible under the laws of the State where the child resides and the laws of the Convention country in which the parent(s) reside.

Example 1. Identifying a child for adoption and arranging an adoption. Agency X identifies children eligible for adoption in the United States on a TV program in an effort to recruit prospective adoptive parent(s). A couple in a foreign country calls Agency X about one of the children. Agency X refers them to an agency or person in the United States who arranges intercountry adoptions. Agency X does not require accreditation, temporarily accreditation, approval or supervision because it is not both identifying and arranging the adoption. In contrast, Agency Y, located in the United States, provides information about children eligible for adoption in a foreign country on a website and then arranges for interested U.S. parents to adopt those children. Agency Y must be accredited, approved, or supervised because, in addition to identifying children eligible for adoption, it is also helping to arrange the adoption.

Example 2. Child welfare services exemption. Doctor X evaluates the medical records and a video of Child Y. The evaluation will be used in an intercountry adoption as part of the placement of Child Y and is the only service that Doctor X provides in the United States with regard to Child Y’s adoption. Doctor X (not employed with an accredited agency or approved person) does not need to be approved or supervised because she is not providing an adoption service as defined in §96.2.

Example 3. Home study exemption. Social Worker X, in the United States, (not employed with an accredited agency or approved person) interviews Prospective Adoptive Parent Y, obtains a criminal background study, and checks the references of Prospective Adoptive Parent Y, then composes a report and submits the report to an accredited agency for use in an intercountry adoption. Social Worker X does not provide any other services to Prospective Adoptive Parent Y. Social Worker X qualifies as an exempted provider and therefore need not be approved or operate as supervised provider. In contrast, Social Worker Z, in the United States, (not employed with an accredited agency or approved person) prepares a home study report for Prospective Adoptive Parent(s) W, and in addition re-enters the house after Child V has been placed with Prospective Adoptive Parent(s) W to assess how V and W are adjusting to life as a family. This assessment is post-placement monitoring, which is an adoption service. Therefore, Social Worker Z would need to become approved before providing this assessment for this intercountry adoption or else operate as a supervised provider. If an agency or person provides an adoption service in addition to a home study or child background study, the agency or person needs to become accredited, approved, or supervised before providing that adoption service.

Example 4. Child background study exemption. An employee of Agency X interviews Child Y in the United States and compiles a
§ 96.15 22 CFR Ch. I (4–1–16 Edition)

report concerning Child Y’s social and developmental history for use in an intercountry adoption. Agency X provides no other adoption services on behalf of Child Y. Agency X does not need to be accredited, approved, or supervised. Agency X is only conducting and creating a child background study, and therefore is an exempted provider. In contrast, Attorney Z interviews Child W in the United States and creates a child background study for use in an intercountry adoption. Agency Z subsequently identifies prospective adoptive parent(s) and arranges a new adoption when Child W’s previous adoption becomes disrupted. Agency Z needs to be accredited, approved, or supervised before providing this service. If an agency or person provides an adoption service in addition to a child background study or home study, the agency or person needs to be accredited, approved, or supervised before providing the additional service.

Example 3. Home study and child welfare services exemptions. Agency X interviews Prospective Adoptive Parent Y, obtains a criminal background check, checks the references of Prospective Adoptive Parent Y, then composes a home study and submits it to an accredited agency for use in an intercountry adoption in the United States. Parent Y later joins a post-adoption support group for adoptive parents sponsored by Agency X. If Agency X performs no other adoption services, Agency X does not need to be accredited, approved, or supervised. If an agency or person provides a home study or child background study as well as other services in the United States that do not require accreditation, approval, or supervision, and no other adoption services, the agency or person is an exempted provider.

Example 4. Exempted provider. Agency X interviews Prospective Adoptive Parent(s) Y, obtains a criminal background check, checks the references of Prospective Adoptive Parent(s) Y, and then composes a home study and submits the report to an accredited agency. In addition, Agency X interviews Child Z and compiles a report concerning Child Z’s social and developmental history. All of Agency X’s work is done in the United States. Both reports will be used in an intercountry adoption. If Agency X performs no other adoption services, Agency X does not need to be accredited, approved, or supervised. If an agency or person provides a home study and child background study as well as other services that do not require accreditation, approval or supervision, and no other adoption services, the agency or person is an exempted provider.

Example 5. Legal services exemption. Attorney X (not employed with an accredited agency or approved person) provides advice and counsel to Prospective Adoptive Parent(s) Y on filling out DHS paperwork required for an intercountry adoption. Among other papers. Attorney X prepares an affidavit of consent to termination of parental rights and to adoption of Child W to be signed by the birth mother in the United States. Attorney X prepares the affidavit because securing consent to termination of parental rights is an adoption service. In contrast, Attorney Z (not employed with an accredited agency or approved person) assists Adoptive Parent(s) T to complete an adoption in the State in which they reside, after they have been granted an adoption in Child V’s foreign country of origin. Attorney Z is exempt from approval or supervision because she is providing legal services, but no adoption services.

Example 6. Post-placement monitoring. A court in a foreign country has granted custody of Child W to Prospective Adoptive Parent(s) Y pending the completion of W’s adoption. Agency X interviews both Prospective Adoptive Parent(s) Y and Child W in their home in the United States. Agency X gathers information on the adjustment of Child W and does not need to be accredited, approved, or supervised. Agency X’s activities constitute post-placement monitoring, which is an adoption service. In contrast, Attorney Z (not employed with an accredited agency or approved person) provides counseling for Prospective Adoptive Parent(s) Y and/or Child W, but provided no adoption services in the United States to the family. Person Z would not need to be approved or supervised. Post-placement counseling is different than post-placement monitoring because it does not relate to evaluating the adoption placement. Post-placement counseling is not an adoption service and does not trigger the accreditation/approval requirements of the IAA or the UAA and this part.

Example 7. Post-adoption services. Foreign Country H requires that post-adoption reports be completed and sent to its Central Authority every year until adopted children reach the age of 18. Agency X provides support groups and a newsletter for U.S. parents that have adopted children from Country H and encourages parents to complete their post-adoption reports annually. Agency X does not need to be accredited, approved, or supervised because it is providing only post-adoption services. Post-adoption services are not included in the definition of adoption services, and therefore, do not trigger accreditation/approval requirements of the IAA or the UAA and this part.

Example 8. Assuming custody and providing services after a disruption. Agency X provides counseling for Prospective Adoptive Parent(s) Y and for Child W pending the completion of Child W’s intercountry adoption. The adoption eventually disrupts. Agency X helps recruit and identify new prospective adoptive parent(s) for Child W, but it is Agency Y that assumes custody of Child
W and places him in foster care until an alternative adoptive placement can be found. Agency X is not required to be accredited, approved, or supervised because it is not providing an adoption service in the United States as defined in §96.2. Agency P, on the other hand, is providing an adoption service and would have to be accredited, approved, or supervised.

Example 11. Making non-judicial determinations of best interest of child and appropriateness of adoptive placement of child. Agency X receives information about and a videotape of Child W from the institution where Child W lives in a foreign country. Based on the age, sex, and health problems of Child W, Agency X matches Prospective Adoptive Parent(s) Y with Child W. Prospective Adoptive Parent(s) Y receive a referral from Agency X and agree to accept the referral and proceed with the adoption of Child W. Agency X determines that Prospective Adoptive Parent(s) Y are a good placement for Child W and notifies the competent authority in W’s country of origin that it has found a match for Child W and will start preparing adoption paperwork. All of Agency X’s services are provided in the United States. Agency X is performing an adoption service and must be accredited, approved, or supervised.

Example 12. Securing necessary consent to termination of parental rights and to adoption. Facilitator Y is accredited by Convention Country Z. He has contacts at several orphanages in Foreign Country Z and helps Agency X match children eligible for adoption with prospective adoptive parent(s) in the United States. Facilitator Y works with the institution that is the legal guardian of Child W in order to get the documents showing the institution’s legal consent to the adoption of Child W. Agency X is the only U.S. agency providing adoption services in the case. Agency X must be accredited, approved, and must either treat Facilitator Y as a foreign supervised provider in accordance with §96.46(a) or (b) or verify the consents Facilitator Y secured, in accordance with §96.46(c).

Subpart D—Application Procedures for Accreditation and Approval

§96.18 Scope.

(a) Agencies are eligible to apply for “accreditation.” Persons are eligible to apply for “approval.” Applications for accreditation or approval will be processed in accordance with §§96.19 and 96.20.

(b) If an agency or person is reapplying for accreditation or approval following cancellation of its accreditation or approval by an accrediting entity or refusal by an accrediting entity to renew its accreditation or approval, it must comply with the procedures in §96.78.

(c) If an agency or person that has been accredited or approved is seeking renewal, it must comply with the procedures in §96.63.

[79 FR 40634, July 14, 2014]

§96.19 First-time application procedures for accreditation and approval.

(a) Agencies or persons seeking accreditation or approval for the first
§ 96.20 Choosing an accrediting entity.

(a) An agency that seeks to become accredited must apply to an accrediting entity that is designated to provide accreditation services and that has jurisdiction over its application. A person that seeks to become approved must apply to an accrediting entity that is designated to provide approval services and that has jurisdiction over its application. The agency or person may apply to only one accrediting entity at a time.

(b) (1) If the agency or person is applying for accreditation or approval pursuant to this part for the first time, it may apply to any accrediting entity with jurisdiction over its application. However, the agency or person must apply to the same accrediting entity that handled its prior application when it next applies for accreditation or approval, if the agency or person:
   (i) Has been denied accreditation or approval;
   (ii) Has withdrawn its application in anticipation of denial;
   (iii) Has had its accreditation or approval cancelled by an accrediting entity or the Secretary;
   (iv) Has been temporarily debarred by the Secretary; or
   (v) Has been refused renewal of its accreditation or approval by an accrediting entity.

(2) If the prior accrediting entity is no longer providing accreditation or approval services, the agency or person may apply to any accrediting entity with jurisdiction over its application.

§ 96.26 Protection of information and documents by the accrediting entity.

(a) The accrediting entity must protect from unauthorized use and disclosure all documents and information about the agency or person it receives including, but not limited to, documents and proprietary information about the agency's or person's finances, management, and professional practices received in connection with the performance of its accreditation or approval, oversight, enforcement, renewal, data collection, and other functions under its agreement with the Secretary and this part, or to provide information to the Secretary, the Complaint Registry, or an appropriate Federal, State, or local authority, including, but not limited to, a public domestic authority or local law enforcement authority unless:

(1) Otherwise authorized by the agency or person in writing;

(2) Otherwise required under Federal or State laws; or

(3) Required pursuant to subpart M of this part.

(b) The documents and information received may not be disclosed to the public and may be used only for the purpose of performing the accrediting entity's accreditation or approval functions and related tasks under its agreement with the Secretary and this part.

(c) Unless the names and other information that identifies the birth parent(s), prospective adoptive parent(s), and adoptee(s) are requested by the accrediting entity for an articulated reason, the agency or person may withhold from the accrediting entity such information and substitute individually assigned codes in the documents it provides. The accrediting entity must have appropriate safeguards to protect from unauthorized use and disclosure of any information in its files.
that identifies birth parent(s), prospective adoptive parent(s), and adoptee(s). The accrediting entity must ensure that its officers, employees, contractors, and evaluators who have access to information or documents provided by the agency or person have signed a non-disclosure agreement reflecting the requirements of §96.26(a) and (b). The accrediting entity must maintain an accurate record of the agency’s or person’s application, the supporting documentation, and the basis for its decision.

§ 96.27 Substantive criteria for evaluating applicants for accreditation or approval.

(a) The accrediting entity may not grant an agency accreditation or a person approval, or permit an agency’s or person’s accreditation or approval to be maintained, unless the agency or person demonstrates to the satisfaction of the accrediting entity that it is in substantial compliance with the standards in subpart F of this part.

(b) When the agency or person makes its initial application for accreditation or approval under the standards contained in subpart F of this part, the accrediting entity may measure the capacity of the agency or person to achieve substantial compliance with these standards where relevant evidence of its actual performance is not yet available. Once the agency or person has been accredited or approved pursuant to this part, the accrediting entity must, for the purposes of monitoring, renewal, enforcement, and re-application after adverse action, consider the agency’s or person’s actual performance in deciding whether the agency or person is in substantial compliance with the standards contained in subpart F of this part, unless the accrediting entity determines that it is still necessary to measure capacity because adequate evidence of actual performance is not available.

(c) The standards contained in subpart F of this part apply during all the stages of accreditation and approval, including, but not limited to, when the accrediting entity is evaluating an applicant for accreditation or approval, when it is determining whether to renew an agency’s or person’s accreditation or approval, when it is monitoring the performance of an accredited agency or approved person, and when it is taking adverse action against an accredited agency or approved person. Except as provided in §96.25 and paragraphs (e) and (f) of this section, the accrediting entity may only use the standards contained in subpart F of this part when determining whether an agency or person may be granted or permitted to maintain accreditation or approval.

(d) The Secretary will ensure that each accrediting entity performs its accreditation and approval functions using only a method approved by the Secretary that is substantially the same as the method approved for use by each other accrediting entity. Each such method will include: an assigned value for each standard (or element of a standard); a method of rating an agency’s or person’s compliance with each applicable standard; and a method of evaluating whether an agency’s or person’s overall compliance with all applicable standards establishes that the agency or person is in substantial compliance with the standards and can be accredited or approved. The Secretary will ensure that the value assigned to each standard reflects the relative importance of that standard to compliance with the Convention, the IAA, and the UAA and is consistent with the value assigned to the standard by other accrediting entities. The accrediting entity must advise applicants of the value assigned to each standard (or elements of each standard) at the time it provides applicants with the application materials.

(e) If an agency or person has previously been denied accreditation or approval, has withdrawn its application in anticipation of denial, or is re-applying for accreditation or approval after cancellation, refusal to renew, or temporary debarment, the accrediting entity may take the reasons underlying such actions into account when evaluating the agency or person for accreditation or approval, and may deny accreditation or approval on the basis of the previous action.
(f) If an agency or person that has an ownership or control interest in the applicant, as that term is defined in section 1124 of the Social Security Act (42 U.S.C. 1320a-3), has been debarred pursuant to §96.85, the accrediting entity may take into account the reasons underlying the debarment when evaluating the agency or person for accreditation or approval, and may deny accreditation or approval or refuse to renew accreditation or approval on the basis of the debarment.

(g) The standards contained in subpart F of this part do not eliminate the need for an agency or person to comply fully with the laws of the jurisdictions in which it operates. An agency or person must provide adoption services in intercountry adoption cases consistent with the laws of any State in which it operates and with the Convention, the IAA and the UAA. Persons that are approved to provide adoption services may only provide such services in States that do not prohibit persons from providing adoption services. Nothing in the application of subparts E and F should be construed to require a State to allow persons to provide adoption services if State law does not permit them to do so.

§ 96.30 State licensing.

(a) The agency or person is properly licensed or otherwise authorized by State law to provide adoption services in at least one State.

(b) The agency or person follows applicable State licensing and regulatory requirements in all jurisdictions in which it provides adoption services.

(c) If it provides adoption services in a State in which it is not itself licensed or authorized to provide such services, the agency or person does so only:

(1) Through agencies or persons that are licensed or authorized by State law to provide adoption services in that State and that are exempted providers or acting as supervised providers; or

(2) Through public domestic authorities.

(d) In the case of a person, the individual or for-profit entity is not prohibited by State law from providing adoption services in any State where it is providing adoption services, and does not provide adoption services in foreign countries that prohibit individuals or for-profit entities from providing adoption services.

§ 96.31 Corporate structure.

(a) The agency qualifies for nonprofit tax treatment under section 501(c)(3) of the Internal Revenue Code of 1986, as amended, or qualifies for nonprofit status under the laws of any State.

(b) The person is an individual or is a for-profit entity organized as a corporation, company, association, firm, partnership, society, or joint stock company, or other legal entity under the laws of any State.

§ 96.32 Internal structure and oversight.

(a) The agency or person has (or, in the case of an individual, is) a chief executive officer or equivalent official who is qualified by education, adoption service experience, and management credentials to ensure effective use of resources and coordinated delivery of the services provided by the agency or person, and has authority and responsibility for management and oversight of the staff and any supervised providers in carrying out the adoption-related functions of the organization.

(b) The agency or person has a board of directors or a similar governing body that establishes and approves its mission, policies, budget, and programs; provides leadership to secure
the resources needed to support its programs; includes one or more individuals with experience in adoption, including but not limited to, adoptees, birth parents, prospective adoptive parent(s), and adoptive parents; and appoints and oversees the performance of its chief executive officer or equivalent official. This standard does not apply where the person is an individual practitioner.

(c) The agency or person keeps permanent records of the meetings and deliberations of its governing body and of its major decisions affecting the delivery of adoption services.

(d) The agency or person has in place procedures and standards, pursuant to §96.45 and §96.46, for the selection, monitoring, and oversight of supervised providers.

(e) The agency or person discloses to the accrediting entity the following information:

(1) Any other names by which the agency or person is or has been known, under either its current or any former form of organization, and the addresses and phone numbers used when such names were used;

(2) The name, address, and phone number of each current director, manager, and employee of the agency or person, and, for any such individual who previously served as a director, manager, or employee of another provider of adoption services, the name, address, and phone number of such other provider; and

(3) The name, address, and phone number of any entity it uses or intends to use as a supervised provider.

FINANCIAL AND RISK MANAGEMENT

§96.33 Budget, audit, insurance, and risk assessment requirements.

(a) The agency or person operates under a budget approved by its governing body, if applicable, for management of its funds. The budget discloses all remuneration (including perquisites) paid to the agency’s or person’s board of directors, managers, employees, and supervised providers.

(b) The agency’s or person’s finances are subject to annual internal review and oversight and are subject to independent audits every four years. The agency or person submits copies of internal financial review reports for inspection by the accrediting entity each year.

(c) The agency or person submits copies of each audit, as well as any accompanying management letter or qualified opinion letter, for inspection by the accrediting entity.

(d) The agency or person meets the financial reporting requirements of Federal and State laws and regulations.

(e) The agency’s or person’s balance sheets show that it operates on a sound financial basis and maintains on average sufficient cash reserves, assets, or other financial resources to meet its operating expenses for two months, taking into account its projected volume of cases and its size, scope, and financial commitments. The agency or person has a plan to transfer its intercountry adoption cases if it ceases to provide or is no longer permitted to provide adoption services in intercountry adoption cases. The plan includes provisions for an organized closure and reimbursement to clients of funds paid for services not yet rendered.

(f) If it accepts charitable donations, the agency or person has safeguards in place to ensure that such donations do not influence child placement decisions in any way.

(g) The agency or person assesses the risks it assumes, including by reviewing information on the availability of insurance coverage for intercountry adoption-related activities. The agency or person uses the assessment to meet the requirements in paragraph (h) of this section and as the basis for determining the type and amount of professional, general, directors’ and officers’, errors and omissions, and other liability insurance to carry.

(h) The agency or person maintains professional liability insurance in amounts reasonably related to its exposure to risk, but in no case in an amount less than $1,000,000 in the aggregate.

(i) The agency’s or person’s chief executive officer, chief financial officer, and other officers or employees with direct responsibility for financial
transactions or financial management of the agency or person are bonded.

§ 96.34 Compensation.
(a) The agency or person does not compensate any individual who provides intercountry adoption services with an incentive fee or contingent fee for each child located or placed for adoption.
(b) The agency or person compensates its directors, officers, employees, and supervised providers who provide intercountry adoption services only for services actually rendered and only on a fee-for-service, hourly wage, or salary basis rather than a contingent fee basis.
(c) The agency or person does not make any payments, promise payment, or give other consideration to any individual directly or indirectly involved in provision of adoption services in a particular case, except for salaries or fees for services actually rendered and reimbursement for costs incurred. This does not prohibit an agency or person from providing in-kind or other donations not intended to influence or affect a particular adoption.
(d) The fees, wages, or salaries paid to the directors, officers, employees, and supervised providers of the agency or person are not unreasonably high in relation to the services actually rendered, taking into account the country in which the adoption services are provided and norms for compensation within the intercountry adoption community in that country, to the extent that such norms are known to the accrediting entity; the location, number, and qualifications of staff; workload requirements; budget; and size of the agency or person.
(e) Any other compensation paid to the agency’s or person’s directors or members of its governing body is not unreasonably high in relation to the services rendered, taking into account the same factors listed in paragraph (d) of this section and its for-profit or non-profit status.
(f) The agency or person identifies all vendors to whom clients are referred for non-adoption services and discloses to the accrediting entity any corporate or financial arrangements and any family relationships with such vendors.

§ 96.35 Suitability of agencies and persons to provide adoption services consistent with the Convention.
(a) The agency or person provides adoption services ethically and in accordance with the Convention’s principles of:
1. Ensuring that intercountry adoptions take place in the best interests of children; and
2. Preventing the abduction, exploitation, sale, or trafficking of children.
(b) In order to permit the accrediting entity to evaluate the suitability of an agency or person for accreditation or approval, the agency or person discloses to the accrediting entity the following information related to the agency or person, under its current or any former name:
(1) Any instances in which the agency or person has lost the right to provide adoption services in any State or country, including the basis for such action(s); 
(2) Any instances in which the agency or person was debarred or otherwise denied the authority to provide adoption services in any State or country, including the basis and disposition of such action(s);
(3) Any licensing suspensions for cause or other negative sanctions by oversight bodies against the agency or person, including the basis and disposition of such action(s);
(4) For the prior ten-year period, any disciplinary action(s) against the agency or person by a licensing or accrediting body, including the basis and disposition of such action(s);
(5) For the prior ten-year period, any written complaint(s) related to the provision of adoption-related services, including the basis and disposition of such complaints, against the agency or person filed with any State or Federal or foreign regulatory body and of which the agency or person was notified;
(6) For the prior ten-year period, any known past or pending investigation(s) (by Federal authorities or by public domestic authorities), criminal charge(s),
§ 96.36 Prohibition on child buying.

(a) The agency or person prohibits its employees and agents from giving money or other consideration, directly or indirectly, to a child’s parent(s), other individual(s), or an entity as payment for the child or as an inducement to release the child. If permitted or required by the child’s country of origin, an agency or person may remit reasonable payments for activities related to the adoption proceedings, pre-birth and birth medical costs, the care of the child, the care of the birth mother.
while pregnant and immediately following birth of the child, or the provision of child welfare and child protection services generally. Permitted or required contributions shall not be remitted as payment for the child or as an inducement to release the child.

(b) The agency or person has written policies and procedures in place reflecting the prohibitions in paragraph (a) of this section and reinforces them in its employee training programs.

PROFESSIONAL QUALIFICATIONS AND TRAINING FOR EMPLOYEES

§ 96.37 Education and experience requirements for social service personnel.

(a) The agency or person only uses employees with appropriate qualifications and credentials to perform, in connection with an intercountry adoption, adoption-related social service functions that require the application of clinical skills and judgment (home studies, child background studies, counseling, parent preparation, post-placement, and other similar services).

(b) The agency’s or person’s employees meet any State licensing or regulatory requirements for the services they are providing.

c) The agency’s or person’s executive director, the supervisor overseeing a case, or the social service employee providing adoption-related social services that require the application of clinical skills and judgment (home studies, child background studies, counseling, parent preparation, post-placement, and other similar services) has experience in the professional delivery of intercountry adoption services.

(d) Supervisors. The agency’s or person’s social work supervisors have prior experience in family and children’s services, adoption, or intercountry adoption and either:

(1) A master’s degree from an accredited program of social work;

(2) A master’s degree (or doctorate) in a related human service field, including, but not limited to, psychology, psychiatry, psychiatric nursing, counseling, rehabilitation counseling, or pastoral counseling; or

(3) In the case of a social work supervisor who is or was an incumbent at the time the Convention enters into force for the United States, the supervisor has significant skills and experience in intercountry adoption and has regular access for consultation purposes to an individual with the qualifications listed in paragraph (d)(1) or paragraph (d)(2) of this section.

(e) Non-supervisory employees. The agency’s or person’s non-supervisory employees providing adoption-related social services that require the application of clinical skills and judgment other than home studies or child background studies have either:

(1) A master’s degree from an accredited program of social work or in another human service field; or

(2) A bachelor’s degree from an accredited program of social work; or a combination of a bachelor’s degree in any field and prior experience in family and children’s services, adoption, or intercountry adoption; and

(3) Are supervised by an employee of the agency or person who meets the requirements for supervisors in paragraph (d) of this section.

(f) Home studies. The agency’s or person’s employees who conduct home studies:

(1) Are authorized or licensed to complete a home study under the laws of the States in which they practice; and

(2) Meet the requirements for home study preparers in 8 CFR 204.301; and

(3) Are supervised by an employee of the agency or person who meets the requirements in paragraph (d) of this section.

(g) Child background studies. The agency’s or person’s employees who prepare child background studies:

(1) Are authorized or licensed to complete a child background study under the laws of the States in which they practice; and

(2) Are supervised by an employee of the agency or person who meets the requirements in paragraph (d) of this section.

§ 96.38 Training requirements for social service personnel.

(a) The agency or person provides newly hired employees who have adoption-related responsibilities involving
the application of clinical skills and judgment (home studies, child background studies, counseling services, parent preparation, post-placement and other similar services) with a comprehensive orientation to intercountry adoption that includes training on:

(1) The requirements of the Convention, the IAA, the UAA, the regulations implementing the IAA or UAA, and other applicable Federal regulations;

(2) The INA regulations applicable to the immigration of children described in INA 101(b)(1)(F) and 101(b)(1)(G);

(3) The adoption laws of any foreign country where the agency or person provides adoption services;

(4) Relevant State laws;

(5) Ethical considerations in intercountry adoption and prohibitions on child-buying;

(6) The agency’s or person’s goals, ethical and professional guidelines, organizational lines of accountability, policies, and procedures; and

(7) The cultural diversity of the population(s) served by the agency or person.

(b) In addition to the orientation training required under paragraph (a) of this section, the agency or person provides initial training to newly hired or current employees whose responsibilities include providing adoption-related social services that involve the application of clinical skills and judgment (home studies, child background studies, counseling services, parent preparation, post-placement and other similar services) that addresses:

(1) The factors in the countries of origin that lead to children needing adoptive families;

(2) Feelings of separation, grief, and loss experienced by the child with respect to the family of origin;

(3) Attachment and post-traumatic stress disorders;

(4) Psychological issues facing children who have experienced abuse or neglect and/or whose parents’ rights have been terminated because of abuse or neglect;

(5) The impact of institutionalization on child development;

(6) Outcomes for children placed for adoption internationally and the benefits of permanent family placements over other forms of government care;

(7) The most frequent medical and psychological problems experienced by children from the countries of origin served by the agency or person;

(8) The process of developing emotional ties to an adoptive family;

(9) Acculturation and assimilation issues, including those arising from factors such as race, ethnicity, religion, and culture and the impact of having been adopted internationally; and

(10) Child, adolescent, and adult development as affected by adoption.

(c) The agency or person ensures that employees who provide adoption-related social services that involve the application of clinical skills and judgment (home studies, child background studies, counseling services, parent preparation, post-placement and other similar services) also receive, in addition to the orientation and initial training described in paragraphs (a) and (b) of this section, no less than thirty hours of training every two years, or more if required by State law, on current and emerging adoption practice issues through participation in seminars, conferences, documented distance learning courses, and other similar programs. Continuing education hours required under State law may count toward the thirty hours of training as long as the training is related to current and emerging adoption practice issues.

(d) The agency or person exempts newly hired and current employees from elements of the orientation and initial training required in paragraphs (a) and (b) of this section only where the employee has demonstrated experience with intercountry adoption and knowledge of the Convention, the IAA, and the UAA.

§ 96.39 Information disclosure and quality control policies and practices

(a) The agency or person fully discloses in writing to the general public upon request and to prospective client(s) upon initial contact:
(1) Its adoption service policies and practices, including general eligibility criteria and fees;
(2) The supervised providers with whom the prospective client(s) can expect to work in the United States and in the child’s country of origin and the usual costs associated with their services; and
(3) A sample written adoption services contract substantially like the one that the prospective client(s) will be expected to sign should they proceed.

(b) The agency or person discloses to client(s) and prospective client(s) that the following information is available upon request and makes such information available when requested:
(1) The number of its adoption placements per year for the prior three calendar years, and the number and percentage of those placements that remain intact, are disrupted, or have been dissolved as of the time the information is provided;
(2) The number of parents who apply to adopt on a yearly basis, based on data for the prior three calendar years; and
(3) The number of children eligible for adoption and awaiting an adoptive placement referral via the agency or person.

(c) The agency or person does not give preferential treatment to its board members, contributors, volunteers, employees, agents, consultants, or independent contractors with respect to the placement of children for adoption and has a written policy to this effect.

(d) The agency or person requires a client to sign a waiver of liability as part of the adoption service contract only where that waiver complies with applicable State or Federal law or by the laws of the child’s country of origin;

(e) The agency or person cooperates with reviews, inspections, and audits by the accrediting entity or the Secretary.

(f) The agency or person uses the internet in the placement of individual children eligible for adoption only where:

§ 96.40 Fee policies and procedures.

(a) The agency or person provides to all applicants, prior to application, a written schedule of expected total fees and estimated expenses and an explanation of the conditions under which fees or expenses may be charged, waived, reduced, or refunded and of when and how the fees and expenses must be paid.

(b) Before providing any adoption service to prospective adoptive parent(s), the agency or person itemizes and discloses in writing the following information for each separate category of fees and estimated expenses that the prospective adoptive parent(s) will be charged in connection with an intercountry adoption:

(1) Home study. The expected total fees and estimated expenses for home study preparation and approval, whether the home study is to be prepared directly by the agency or person itself, or prepared by a supervised provider, exempted provider, or approved person and approved as required under §96.47;

(2) Adoption expenses in the United States. The expected total fees and estimated expenses for all adoption services other than the home study that will be provided in the United States. (e) The agency or person notifies the accrediting entity and the Secretary in writing within thirty days of the time it ceases to provide or is no longer permitted to provide adoption services and provides information about the transfer of its adoption records.

for accreditation and approval (for example: home study (§ 96.47); parent training (§ 96.48); child background studies and consent (§ 96.53));

(4) States clearly the compensation arrangement for the services to be provided and the fees and expenses to be charged by the supervised provider;

(5) Specifies whether the supervised provider’s fees and expenses will be billed to and paid by the client(s) directly or billed to the client through the primary provider;

(6) Provides that, if billing the client(s) directly for its service, the supervised provider will give the client(s) an itemized bill of all fees and expenses to be paid, with a written explanation of how and when such fees and expenses will be refunded if the service is not completed, and will return any funds collected to which the client(s) may be entitled within sixty days of the completion of the delivery of services;

(7) Requires the supervised provider to meet the same personnel qualifications as accredited agencies and approved persons, as provided for in § 96.37, except that, for purposes of §§ 96.37(e)(3), (f)(3), and (g)(2), the work of the employee must be supervised by an employee of an accredited agency or approved person;

(5) Is accredited in the foreign country in which it operates, if such accreditation is required by the laws of that
Convention country to perform the adoption services it is providing.

(b) The agency or person, when acting as the primary provider and using foreign supervised providers to provide adoption services in foreign countries, ensures that each such foreign supervised provider operates under a written agreement with the primary provider that:

(b) Where the home study is not performed in the first instance by an accredited agency, the agency or person ensures that the home study is reviewed and approved in writing by an accredited agency. The written approval must include a determination that the home study:

1. Includes all of the information required by paragraph (a) of this section and is performed in accordance with 8 CFR 204.311, and applicable State law; and

2. Was performed by an individual who meets the requirements in §96.37(f), or, if the individual is an exempted provider, ensures that the individual meets the requirements for home study providers established by 8 CFR 204.301.

(d) The agency or person takes all appropriate measures to ensure the timely transmission of the same home study that was provided to the prospective adoptive parent(s) or to DHS to the Central Authority of the child’s country of origin (or to an alternative authority designated by that Central Authority).

1. The name and credentials of the physician who performed the examination or the individual who observed the child;
2. The date of the examination or observation; how the report’s information was retained and verified; and if anyone directly responsible for the child’s care has reviewed the report;

(g) Where any of the information listed in paragraphs (d) and (f) of this section cannot be obtained, the agency or person documents in the adoption record the efforts made to obtain the information and why it was not obtainable. The agency or person continues to use reasonable efforts to secure those medical or social records that could not be obtained up until the adoption is finalized.

(h) Where available, the agency or person provides information for contacting the examining physician or the individual who made the observations to any physician engaged by the prospective adoptive parent(s), upon request.

(i) The agency or person ensures that videotapes and photographs of the child are identified by the date on which the videotape or photograph was recorded or taken and that they were made in compliance with the laws in the country where recorded or taken.

Subpart G—Decisions on Applications for Accreditation or Approval

§ 96.57 Scope.

The provisions in this subpart establish the procedures for when the accrediting entity issues decisions on applications for accreditation or approval.

[79 FR 40635, July 14, 2014]

§ 96.58 Notification of accreditation and approval decisions.

(a) The accrediting entity must routinely inform applicants in writing of its accreditation and approval decisions—whether an application has been granted or denied—as those decisions are finalized. The accrediting entity must routinely provide this information to the Secretary in writing.

(b) The accrediting entity may, in its discretion, communicate with agencies and persons that have applied for accreditation or approval about the status of their pending applications to afford them an opportunity to correct deficiencies that may hinder or prevent accreditation or approval.

[79 FR 40635, July 14, 2014]

§ 96.59 Review of decisions to deny accreditation or approval.

(a) There is no administrative or judicial review of an accrediting entity’s decision to deny an application for accreditation or approval. As provided in
§ 96.79, a decision to deny for these purposes includes:
(1) A denial of the agency’s or person’s initial application for accreditation or approval;
(2) A denial of an application made after cancellation or refusal to renew by the accrediting entity; and
(3) A denial of an application made after cancellation or debarment by the Secretary.
(b) The agency or person may petition the accrediting entity for reconsideration of a denial. The accrediting entity must establish internal review procedures that provide an opportunity for an agency or person to petition for reconsideration of the denial.

§ 96.60 Length of accreditation or approval period.
(a) The accrediting entity will accredit or approve an agency or person for a period of four years, except as provided in paragraph (b) of this section. The accreditation or approval period will commence on the date that the agency or person is granted accreditation or approval.
(b) In order to stagger the renewal requests from agencies and persons applying for accreditation or approval and to prevent the renewal requests from coming due at the same time, the accrediting entity may extend the period of accreditation it has previously granted for no more than one year and such that the total period of accreditation does not exceed five years, as long as the agency or person remains in substantial compliance with the applicable standards in subpart F of this part. The only agencies and persons that may qualify for an extension are: Those that have no pending Complaint Registry investigations or adverse actions (see §96.70); and those that have not undergone a change in corporate or internal structure (such as a merger or change in chief executive or financial officer) during their current accreditation or approval period. For agencies and persons that meet these two criteria, the Secretary, in his or her discretion, may consider additional factors in deciding upon an extension including, but not limited to, the agency’s or person’s volume of intercountry adoption cases in the year preceding the application for renewal or extension, the agency’s or person’s state licensure record, and the number of extensions available.

[80 FR 50196, Aug. 19, 2015]

§ 96.61 [Reserved]

Subpart H—Renewal of Accreditation or Approval

§ 96.62 Scope.
The provisions in this subpart establish the procedures for renewal of an agency’s accreditation or a person’s approval.

§ 96.63 Renewal of accreditation or approval.
(a) The accrediting entity must advise accredited agencies and approved persons that it monitors of the date by which they should seek renewal of their accreditation or approval so that the renewal process can reasonably be completed prior to the expiration of the agency’s or person’s current accreditation or approval. If the accredited agency or approved person does not wish to renew its accreditation or approval, it must immediately notify the accrediting entity and take all necessary steps to complete its intercountry adoption cases and to transfer its pending intercountry adoption cases and adoption records to other accredited agencies, approved persons, or a State archive, as appropriate, under the oversight of the accrediting entity, before its accreditation or approval expires.
(b) The accredited agency or approved person may seek renewal from a different accrediting entity than the one that handled its prior application. If it changes accrediting entities, the accredited agency or approved person must so notify the accrediting entity that handled its prior application by the date on which the agency or person must (pursuant to paragraph (a) of this section) seek renewal of its status. The accredited agency or approved person...
must follow the new accrediting entity’s instructions when submitting a request for renewal and preparing documents and other information for the new accrediting entity to review in connection with the renewal request.

(c) The accrediting entity must process the request for renewal in a timely fashion. Before deciding whether to renew the accreditation or approval of an agency or person, the accrediting entity may, in its discretion, advise the agency or person of any deficiencies that may hinder or prevent its renewal and defer a decision to allow the agency or person to correct the deficiencies. The accrediting entity must notify the accredited agency, approved person, and the Secretary in writing when it renews or refuses to renew an agency’s or person’s accreditation or approval.

(d) Sections 96.24, 96.25, and 96.26, which relate to evaluation procedures and to requests for and use of information, and §96.27, which relates to the substantive criteria for evaluating applicants for accreditation or approval, other than §96.27(e), will govern determinations about whether to renew accreditation or approval. In lieu of §96.27(e), if the agency or person has been suspended by an accrediting entity or the Secretary during its most current accreditation or approval cycle, the accrediting entity may take the reasons underlying the suspension into account when determining whether to renew accreditation or approval and may refuse to renew accreditation or approval based on the prior suspension.

§ 96.66 Oversight of accredited agencies and approved persons by the accrediting entity.

(a) The accrediting entity must monitor agencies it has accredited and persons it has approved at least annually to ensure that they are in substantial compliance with the standards in subpart F of this part, as determined using a method approved by the Secretary in accordance with §96.27(d). The accrediting entity must investigate complaints about accredited agencies and approved persons, as provided in subpart J of this part.

(b) An accrediting entity may, on its own initiative, conduct site visits to inspect an agency’s or person’s premises or programs, with or without advance notice, for purposes of random verification of its continued compliance or to investigate a complaint. The accrediting entity may consider any information about the agency or person that becomes available to it about the compliance of the agency or person. The provisions of §§96.23 and 96.26 govern requests for and use of information.

(c) The accrediting entity must require accredited agencies or approved persons to attest annually that they have remained in substantial compliance and to provide supporting documentation to indicate such ongoing compliance with the standards in subpart F of this part.

§ 96.67 [Reserved]

Subpart J—Oversight Through Review of Complaints

§ 96.68 Scope.

The provisions in this subpart establish the procedures that the accrediting entity will use for processing complaints against accredited agencies and approved persons (including complaints concerning their use of supervised providers) that raise an issue of compliance with the Convention, the IAA, the UAA, or the regulations implementing the IAA or UAA, as determined by the accrediting entity or the
§ 96.69 Filing of complaints against accredited agencies and approved persons.

(a) Complaints described in §96.68 will be subject to review by the accrediting entity pursuant to §§96.71 and 96.72, when submitted as provided in this section and §96.70.

(b) Complaints against accredited agencies and approved persons by parties to specific intercountry adoption cases and relating to that case must first be submitted by the complainant in writing to the primary provider and to the agency or person providing adoption services, if a U.S. provider different from the primary provider. If the complaint cannot be resolved through the complaint processes of the primary provider or the agency or person providing the services, if a U.S. provider different from the primary provider. If the complaint cannot be resolved through the complaint processes of the primary provider or the agency or person providing the services (if different), or if the complaint was resolved by an agreement to take action but the primary provider or the agency or person providing the service (if different) failed to take such action within thirty days of agreeing to do so, the complaint may then be filed with the Complaint Registry in accordance with §96.70.

(c) An individual who is not party to a specific intercountry adoption case but who has information about an accredited agency or approved person may provide that information by filing it in the form of a complaint with the Complaint Registry in accordance with §96.70.

(d) A Federal, State, or local government official or a foreign Central Authority may file a complaint with the Complaint Registry in accordance with §96.70, or may raise the matter in writing directly with the accrediting entity, who will record the complaint in the Complaint Registry, or with the Secretary, who will record the complaint in the Complaint Registry, if appropriate, and refer it to the accrediting entity for review pursuant to §96.71 or take such other action as the Secretary deems appropriate.

§ 96.70 Operation of the Complaint Registry.

(a) The Secretary will establish a Complaint Registry to support the accrediting entities in fulfilling their oversight responsibilities, including the responsibilities of recording, screening, referring, and otherwise taking action on complaints received, and to support the Secretary in the Secretary's oversight responsibilities as the Secretary deems appropriate. The Secretary may provide for the Complaint Registry to be funded in whole or in part from fees collected by the Secretary pursuant to section 403(b) of the IAA (42 U.S.C. 14943(b)) or by the accrediting entities.

(b) The Complaint Registry will:

(1) Receive and maintain records of complaints about accredited agencies, approved persons and agencies temporarily accredited for one or two years after the Convention entered into force (including complaints concerning their use of supervised providers) and make such complaints available to the appropriate accrediting entity and the Secretary;

(2) Receive and maintain information regarding action taken to resolve each complaint by the accrediting entity or the Secretary;

(3) Track compliance with any deadlines applicable to the resolution of complaints;

(4) Generate reports designed to show possible patterns of complaints; and

(5) Perform such other functions as the Secretary may determine.

(c) Forms and information necessary to submit complaints to the Complaint Registry electronically or by such other means as the Secretary may determine will be accessible through the Department's website to persons who wish to file complaints. Such forms will be designed to ensure that each complaint complies with the requirements of §96.69.

(d) Accrediting entities will have access to, and the capacity to enter data into, the Complaint Registry as the Secretary deems appropriate.
(e) Nothing in this part shall be construed to limit the Secretary’s authority to take such action as the Secretary deems appropriate with respect to complaints.

§ 96.71 Review by the accrediting entity of complaints against accredited agencies and approved persons.

(a) The accrediting entity must establish written procedures, including deadlines, for recording, investigating, and acting upon complaints it receives pursuant to §§96.69 and 96.70(b)(1). The procedures must be consistent with this section and be approved by the Secretary. The accrediting entity must make written information about its complaint procedures available upon request.

(b) If the accrediting entity determines that a complaint implicates the Convention, the IAA, the UAA, or the regulations implementing the IAA or UAA:

(1) The accrediting entity must verify that the complainant has already attempted to resolve the complaint as described in §96.69(b) and, if not, may refer the complaint to the agency or person, or to the primary provider, for attempted resolution through its internal complaint procedures;

(2) The accrediting entity may conduct whatever investigative activity (including site visits) it considers necessary to determine whether any relevant accredited agency or approved person may maintain accreditation or approval as provided in §96.27. The provisions of §§96.25 and 96.26 govern requests for and use of information. The accrediting entity must give priority to complaints submitted pursuant to §96.69(d);

(3) If the accrediting entity determines that the agency or person may not maintain accreditation or approval, it must take adverse action pursuant to subpart K of this part.

(c) When the accrediting entity has completed its complaint review process, it must provide written notification of the outcome of its investigation, and any actions taken, to the complainant, or to any other entity that referred the information.

(d) The accrediting entity will enter information about the outcomes of its investigations and its actions on complaints into the Complaint Registry as provided in its agreement with the Secretary.

(e) The accrediting entity may not take any action to discourage an individual from, or retaliate against an individual for, making a complaint, expressing a grievance, questioning the conduct of, or expressing an opinion about the performance of an accredited agency, an approved person, or the accrediting entity.

§ 96.72 Referral of complaints to the Secretary and other authorities.

(a) An accrediting entity must report promptly to the Secretary any substantiated complaint that:

(1) Reveals that an accredited agency or approved person has engaged in a pattern of serious, willful, grossly negligent, or repeated failures to comply with the standards in subpart F of this part; or

(2) Indicates that continued accreditation or approval would not be in the best interests of the children and families concerned.

(b) An accrediting entity must, after consultation with the Secretary, refer, as appropriate, to a State licensing authority, the Attorney General, or other law enforcement authorities any substantiated complaints that involve conduct that is:

(1) Subject to the civil or criminal penalties imposed by section 404 of the IAA (42 U.S.C. 14944);

(2) In violation of the Immigration and Nationality Act (8 U.S.C. 1101 et seq.); or

(3) Otherwise in violation of Federal, State, or local law.

(c) When an accrediting entity makes a report pursuant to paragraphs (a) or (b) of this section, it must indicate whether it is recommending that the Secretary take action to debar the agency or person, either temporarily or permanently.
§ 96.73 [Reserved]

Subpart K—Adverse Action by the Accrediting Entity

§ 96.74 Scope.

The provisions in this subpart establish the procedures governing adverse action by an accrediting entity against accredited agencies and approved persons.

§ 96.75 Adverse action against accredited agencies or approved persons not in substantial compliance.

The accrediting entity must take adverse action when it determines that an accredited agency or approved person may not maintain accreditation or approval as provided in §96.27. The accrediting entity is authorized to take any of the following actions against an accredited agency or approved person whose compliance the entity oversees. Each of these actions by an accrediting entity is considered an adverse action for purposes of the IAA, the UAA, and the regulations in this part:

(a) Suspending accreditation or approval;

(b) Canceling accreditation or approval;

(c) Refusing to renew accreditation or approval;

(d) Requiring an accredited agency or approved person to take a specific corrective action to bring itself into compliance; and

(e) Imposing other sanctions including, but not limited to, requiring an accredited agency or approved person to cease providing adoption services in a particular case or in a specific foreign country.

§ 96.76 Procedures governing adverse action by the accrediting entity.

(a) The accrediting entity must decide which adverse action to take based on the seriousness and type of violation and on the extent to which the accredited agency or approved person has corrected or failed to correct deficiencies of which it has been previously informed. The accrediting entity must notify an accredited agency or approved person in writing of its decision to take an adverse action against the agency or person. The accrediting entity’s written notice must identify the deficiencies prompting imposition of the adverse action.

(b) Before taking adverse action, the accrediting entity may, in its discretion, advise an accredited agency or approved person in writing of any deficiencies in its performance that may warrant an adverse action and provide it with an opportunity to demonstrate that an adverse action would be unwarranted before the adverse action is imposed. If the accrediting entity takes the adverse action without such prior notice, it must provide a similar opportunity to demonstrate that the adverse action was unwarranted after the adverse action is imposed, and may withdraw the adverse action based on the information provided.

(c) The provisions in §§96.25 and 96.26 govern requests for and use of information.

§ 96.77 Responsibilities of the accredited agency, approved person, and accrediting entity following adverse action by the accrediting entity.

(a) If the accrediting entity takes an adverse action against an agency or person, the action will take effect immediately unless the accrediting entity agrees to a later effective date.

(b) If the accrediting entity suspends or cancels the accreditation or approval of an agency or person, the agency or person must immediately, or by any later effective date set by the accrediting entity, cease to provide adoption services in all intercountry adoption cases. In the case of suspension, it must consult with the accrediting entity about whether to transfer its intercountry adoption cases and adoption records. In the case of cancellation, it must execute the plans required by §§96.33(e) and 96.42(d) under the oversight of the accrediting entity, and transfer its intercountry adoption cases and adoption records to other accredited agencies, approved persons, or a State archive, as appropriate. When the agency or person is unable to transfer such intercountry adoption
cases or adoption records in accordance
with the plans or as otherwise agreed
by the accrediting entity, the accred-
iting entity will so advise the Sec-
retary who, with the assistance of the
accrediting entity, will coordinate ef-
forts to identify other accredited agen-
cies or approved persons to assume re-
sponsibility for the cases, and to trans-
fer the records to other accredited
agencies or approved persons, or to
public domestic authorities, as appro-
priate.

(c) If the accrediting entity refuses to
renew the accreditation or approval of
an agency or person, the agency or per-
son must cease to provide adoption
services in all intercountry adoption
cases upon expiration of its existing ac-
creditation or approval. It must take
all necessary steps to complete its
intercountry adoption cases before its
accreditation or approval expires. It
must also execute the plans required
by §§96.33(e) and 96.42(d) under the
oversight of the accrediting entity, and
transfer its pending intercountry adop-
tion cases and adoption records to
other accredited agencies, approved
persons, or a State archive, as appro-
priate. When the agency or person is
unable to transfer such intercountry
adoption cases or adoption records in
accordance with the plans or as other-
wise agreed by the accrediting entity,
the accrediting entity will so advise
the Secretary who, with the assistance
of the accrediting entity, will coordi-
nate efforts to identify other accred-
ited agencies or approved persons to as-
sume responsibility for the cases and
to transfer the records to other accred-
ited agencies or approved persons, or to
public domestic authorities, as appro-
riate.

(d) The accrediting entity must no-
tify the Secretary, in accordance with
procedures established in its agree-
ment with the Secretary, when it takes
an adverse action that changes the ac-
creditation or approval status of an
agency or person. The accrediting enti-
ity must also notify the relevant State
licensing authority as provided in the
agreement.

§96.78 Accrediting entity procedures
to terminate adverse action.

(a) The accrediting entity must
maintain internal petition procedures,
approved by the Secretary, to give ac-
credited agencies and approved persons
an opportunity to terminate adverse
actions on the grounds that the defi-
ciciencies necessitating the adverse ac-
tion have been corrected. The accred-
iting entity must inform the agency or
person of these procedures when it in-
forms them of the adverse action pur-
suant to §96.76(a). An accrediting enti-
ity is not required to maintain proce-
dures to terminate adverse actions on
any other grounds, or to maintain pro-
cedures to review its adverse actions,
and must obtain the consent of the
Secretary if it wishes to make such
procedures available.

(b) An accrediting entity may termi-
nate an adverse action it has taken
only if the agency or person dem-
onstrates to the satisfaction of the ac-
crediting entity that the deficiencies
that led to the adverse action have
been corrected. The accrediting entity
must notify an agency or person in
writing of its decision on the petition
to terminate the adverse action.

(c) If the accrediting entity described
in paragraph (b) of this section is no
longer providing accreditation or ap-
proval services, the agency or person
may petition any accrediting entity
with jurisdiction over its application.

(d) If the accrediting entity cancels
or refuses to renew an agency’s or per-
son’s accreditation or approval, and
does not terminate the adverse action
pursuant to paragraph (b) of this sec-
tion, the agency or person may reapply
for accreditation or approval. Before
doing so, the agency or person must re-
quest and obtain permission to make a
new application from the accrediting
entity that cancelled or refused to
renew its accreditation or approval or,
if such entity is no longer designated
as an accrediting entity, from any al-
ternate accrediting entity designated
by the Secretary to give such permis-
sion. The accrediting entity may grant
such permission only if the agency or
person demonstrates to the satisfac-
tion of the accrediting entity that the
specific deficiencies that led to the

[71 FR 8131, Feb. 15, 2006, as amended at 79
FR 40636, July 14, 2014]
cancellation or refusal to renew have been corrected.

(e) If the accrediting entity grants the agency or person permission to reapply, the agency or person may file an application with that accrediting entity in accordance with subpart D of this part.

(f) Nothing in this section shall be construed to prevent an accrediting entity from withdrawing an adverse action if it concludes that the action was based on a mistake of fact or was otherwise in error. Upon taking such action, the accrediting entity will take appropriate steps to notify the Secretary and the Secretary will take appropriate steps to notify the Permanent Bureau of the Hague Conference on Private International Law.

§ 96.79 Administrative or judicial review of adverse action by the accrediting entity.

(a) Except to the extent provided by the procedures in § 96.78, an adverse action by an accrediting entity shall not be subject to administrative review.

(b) Section 202(c)(3) of the IAA (42 U.S.C. 14922(c)(3)) provides for judicial review in Federal court of adverse actions by an accrediting entity, regardless of whether the entity is described in § 96.5(a) or (b). When any petition brought under section 202(c)(3) raises as an issue whether the deficiencies necessitating the adverse action have been corrected, the procedures maintained by the accrediting entity pursuant to § 96.78 must first be exhausted. Adverse actions are only those actions listed in § 96.75. There is no judicial review of an accrediting entity’s decision to deny accreditation or approval, including:

(1) A denial of an initial application;
(2) A denial of an application made after cancellation or refusal to renew by the accrediting entity; and
(3) A denial of an application made after cancellation or debarment by the Secretary.

(c) In accordance with section 202(c)(3) of the IAA (42 U.S.C. 14922(c)(3)), an accredited agency or approved person that is the subject of an adverse action by an accrediting entity may petition the United States district court in the judicial district in which the agency is located or the person resides to set aside the adverse action imposed by the accrediting entity. The United States district court shall review the adverse action in accordance with 5 U.S.C. 706. When an accredited agency or approved person petitions a United States district court to review the adverse action of an accrediting entity, the accrediting entity will be considered an agency as defined in 5 U.S.C. 701 for the purpose of judicial review of the adverse action.

§ 96.80 [Reserved]

Subpart L—Oversight of Accredited Agencies and Approved Persons by the Secretary

§ 96.81 Scope.

The provisions in this subpart establish the procedures governing adverse action by the Secretary against accredited agencies and approved persons.

§ 96.82 The Secretary’s response to actions by the accrediting entity.

(a) There is no administrative review by the Secretary of an accrediting entity’s decision to deny accreditation or approval, nor of any decision by an accrediting entity to take an adverse action.

(b) When informed by an accrediting entity that an agency has been accredited or a person has been approved, the Secretary will take appropriate steps to ensure that relevant information about the accredited agency or approved person is provided to the Permanent Bureau of the Hague Conference on Private International Law. When informed by an accrediting entity that it has taken an adverse action that impacts an agency’s or person’s accreditation or approval status, the Secretary will take appropriate steps to inform the Permanent Bureau of the Hague Conference on Private International Law.

§ 96.83 Suspension or cancellation of accreditation or approval by the Secretary.

(a) The Secretary must suspend or cancel the accreditation or approval
§ 96.85 Reinstatement of accreditation or approval after suspension or cancellation by the Secretary.

(a) An agency or person may petition the Secretary for relief from the Secretary’s suspension or cancellation of its accreditation or approval on the grounds that the deficiencies necessitating the suspension or cancellation have been corrected. If the Secretary is satisfied that the deficiencies that led to the suspension or cancellation have been corrected, the Secretary shall, in the case of a suspension, terminate the suspension or, in the case of a cancellation, notify the agency or person that it may reapply for accreditation or approval to the same accrediting entity that handled its prior application for accreditation or approval. If that accrediting entity is no longer providing accreditation or approval services, the agency or person may reapply to any accrediting entity with jurisdiction over its application. If the Secretary terminates a suspension or permits an agency or person to reapply for accreditation or approval, the Secretary will so notify the appropriate accrediting entity. If the Secretary terminates a suspension, the Secretary will also take appropriate steps to notify the Permanent Bureau of the Hague Conference on Private International Law of the reinstatement.

(b) Nothing in this section shall be construed to prevent the Secretary from withdrawing a cancellation or suspension if the Secretary concludes that the action was based on a mistake of fact or was otherwise in error. Upon taking such action, the Secretary will take appropriate steps to notify the accrediting entity and the Permanent Bureau of the Hague Conference on Private International Law.

§ 96.85 Temporary and permanent debarment by the Secretary.

(a) The Secretary may temporarily or permanently debar an agency from accreditation or a person from approval on the Secretary’s own initiative, at the request of DHS, or at the request of an accrediting entity. A debarment of an accredited agency or approved person will automatically result in the cancellation of accreditation or approval by the Secretary, and the accrediting entity shall deny any pending request for renewal of accreditation or approval.

(b) The Secretary may issue a debarment order only if the Secretary, in the Secretary’s discretion, determines that:

1. There is substantial evidence that the agency or person is out of compliance with the standards in subpart F of this part; and

2. There has been a pattern of serious, willful, or grossly negligent failures to comply, or other aggravating circumstances indicating that continued accreditation or approval would not be in the best interests of the children and families concerned. For purposes of this paragraph:

(i) “The children and families concerned” include any children and any families whose interests have been or may be affected by the agency’s or person’s actions;

(ii) A failure to comply with §96.47 (home study requirements) shall constitute a “serious failure to comply” unless it is shown by clear and convincing evidence that such noncompliance had neither the purpose nor the effect of determining the outcome of a
decision or proceeding by a court or other competent authority in the United States or the child’s country of origin; and

(iii) Repeated serious, willful, or grossly negligent failures to comply with §96.47 (home study requirements) by an agency or person after consultation between the Secretary and the accrediting entity with respect to previous noncompliance by such agency or person shall constitute a pattern of serious, willful, or grossly negligent failures to comply.

§ 96.86 Length of debarment period and reapplication after temporary debarment.

(a) In the case of a temporary debarment order, the order will take effect on the date specified in the order and will specify a date, not earlier than three years later, on or after which the agency or person may petition the Secretary for withdrawal of the temporary debarment. If the Secretary withdraws the temporary debarment, the agency or person may then reapply for accreditation or approval to the same accrediting entity that handled its prior application for accreditation or approval. If that accrediting entity is no longer providing accreditation or approval services, the agency or person may apply to any accrediting entity with jurisdiction over its application.

(b) In the case of a permanent debarment order, the order will take effect on the date specified in the order. The agency or person will not be permitted to apply again to an accrediting entity for accreditation or approval, or to the Secretary for termination of the debarment.

(c) Nothing in this section shall be construed to prevent the Secretary from withdrawing a debarment if the Secretary concludes that the action was based on a mistake of fact or was otherwise in error. Upon taking such action, the Secretary will take appropriate steps to notify the accrediting entity and the Permanent Bureau of the Hague Conference on Private International Law.

§ 96.87 Responsibilities of the accredited agency, approved person, and accrediting entity following suspension, cancellation, or debarment by the Secretary.

If the Secretary suspends or cancels the accreditation or approval of an agency or person, or debars an agency or person, the agency or person must cease to provide adoption services in all intercountry adoption cases. In the case of suspension, it must consult with the accrediting entity about whether to transfer its intercountry adoption cases and adoption records. In the case of cancellation or debarment, it must execute the plans required by §§96.33(e) and 96.42(d) under the oversight of the accrediting entity, and transfer its intercountry adoption cases and adoption records to other accredited agencies, approved persons, or a State archive, as appropriate. When the agency or person is unable to transfer such intercountry adoption cases or adoption records in accordance with the plans or as otherwise agreed by the accrediting entity, the accrediting entity will so advise the Secretary who, with the assistance of the accrediting entity, will coordinate efforts to identify other accredited agencies or approved persons to assume responsibility for the cases, and to transfer the records to other accredited agencies or approved persons, or to public domestic authorities, as appropriate.

§ 96.88 Review of suspension, cancellation, or debarment by the Secretary.

(a) Except to the extent provided by the procedures in §96.84, an adverse action by the Secretary shall not be subject to administrative review.

(b) Section 204(d) of the IAA (42 U.S.C. 14624(d)) provides for judicial review of final actions by the Secretary. When any petition brought under section 204(d) raises as an issue whether the deficiencies necessitating a suspension or cancellation of accreditation or approval have been corrected, procedures maintained by the Secretary pursuant to §96.84(a) must first be exhausted. A suspension or cancellation
of accreditation or approval, and a debarment (whether temporary or permanent) by the Secretary are final actions subject to judicial review. Other actions by the Secretary are not final actions and are not subject to judicial review.

(c) In accordance with section 204(d) of the IAA (42 U.S.C. 14924(d)), an agency or person that has been suspended, cancelled, or temporarily or permanently debarred by the Secretary may petition the United States District Court of the District of Columbia, or the United States district court in the judicial district in which the person resides or the agency is located, pursuant to 5 U.S.C. 706, to set aside the action.

§ 96.89 [Reserved]

(b) The accrediting entity must have procedures for disclosing information about complaints that are substantiated.

§ 96.93 Reports to the Secretary about accredited agencies and approved persons and their activities.

(a) The accrediting entity must make annual reports to the Secretary on the information it collects from accredited agencies and approved persons pursuant to §96.43. (b) The accrediting entity must report to the Secretary within thirty days of the time it learns that an accredited agency or approved person:
(1) Has ceased to provide adoption services; or
(2) Has transferred its intercountry adoption cases and adoption records.

(c) In addition to the reporting requirements contained in §96.72, an accrediting entity must immediately notify the Secretary in writing:

(a) Once the Convention has entered into force for the United States, any party to an outgoing Convention adoption or custody proceeding may apply to the Secretary for a Hague Adoption Certificate or a Hague Custody Declaration. Any other interested person may also make such application, but such application will not be processed unless such applicant demonstrates that a Hague Adoption Certificate or Hague Custody Declaration is needed to obtain a legal benefit or for purposes of a legal proceeding, as determined by the Secretary in the Secretary’s discretion.

(b) Applicants for a Hague Adoption Certificate or Hague Custody Declaration shall submit to the Secretary:

(1) A completed application form in such form as the Secretary may prescribe, with any required fee;

(c) If the applicant fails to submit all of the documentation and information required pursuant to paragraph (b)(4) of this section within 120 days of the Secretary’s request, the Secretary may consider the application abandoned.

An accredited agency, temporarily accredited agency, or public domestic authority must complete or approve a child background study that includes information about the child’s identity, adoptability, background, social environment, family history, medical history (including that of the child’s family), and any special needs of the child.

(b) Transmission of child data. A U.S. authorized entity must conclude that the child is eligible for adoption and, without revealing the identity of the birth mother or the birth father if these identities may not be disclosed under applicable State law, transmit to a foreign authorized entity the background study, proof that the necessary consents have been obtained, and the reason for its determination that the proposed placement is in the child’s best interests, based on the home study and child background study and giving due consideration to the child’s upbringing and his or her ethnic, religious, and cultural background.

(c) Reasonable efforts to find domestic placement. Reasonable efforts pursuant to 22 CFR §96.54 must be made to actively recruit and make a diligent search for prospective adoptive parent(s) to adopt the child in the United States and a timely adoptive placement in the United States not found.

(f) Consent by foreign authorized entity. A foreign authorized entity or competent authority must declare that it consents to the adoption, if its consent is necessary under the law of the relevant foreign country for the adoption to become final.

(g) Guardian counseling and consent. Each person, institution, and authority (other than the child) whose consent is necessary for the adoption must be counseled as necessary and duly informed of the effects of the consent (including whether or not an adoption will terminate the legal relationship between the child and his or her family of origin); must freely give consent expressed or evidenced in writing in the required legal form without any inducement by compensation of any kind; and consent must not have been subsequently withdrawn. If the consent of the mother is required, it may be given only after the birth of the child.

(h) Child counseling and consent. As appropriate in light of the child’s age and maturity, the child must be counseled and informed of the effects of the adoption and the child’s views must be considered. (j) Contacts. Unless the child is being adopted by a relative, there may be no contact between the prospective adoptive parent(s) and the child’s birthparent(s) or any other person who has care of the child prior to the competent authority’s determination that the prospective adoptive parent(s) are eligible and suited to adopt and the adoption court’s determinations that the child is eligible for adoption, that the requirements in paragraphs (c) and (g) of this section have been met, and that an intercountry adoption is in the child’s best interests, provided that this prohibition on contacts shall not apply if the relevant State or public domestic authority has established conditions under which such contact may occur and any such contact occurred in accordance with such conditions.

(k) Improper financial gain. No one may derive improper financial or other gain from an activity related to the adoption, and only costs and expenses (including reasonable professional fees of persons involved in the adoption) may be charged or paid.
Secretary shall issue a Hague Adoption Certificate or a Hague Custody Declaration if the Secretary, in the Secretary’s discretion, is satisfied that the adoption or grant of custody was made in compliance with the Convention and the IAA.

(b) If compliance with the Convention can be certified but it is not possible to certify compliance with the IAA, the Secretary personally may authorize issuance of an appropriately modified Hague Adoption Certificate or Hague Custody Declaration, in the interests of justice or to prevent grave physical harm to the child.

§ 97.5 Certification of Hague Convention Compliance in an incoming convention case where final adoption occurs in the United States.

(2) An official copy of the adoption court’s order granting the final adoption; and

(3) Such additional documentation and information as the Secretary may request at the Secretary’s discretion.

(c) If a person seeking the certification described in paragraph (a) of this section fails to submit all the documentation and information required pursuant to paragraph (b) of this section within 120 days of the Secretary’s request, the Department may consider the request abandoned.

(d) The Secretary may issue the certification if the Secretary, in the Secretary’s discretion, is satisfied that the adoption was made in compliance with the Convention. The Secretary may decline to issue a certification, including to a party to the adoption, in the Secretary’s discretion. A certification will not be issued to a non-party requestor unless the requestor demonstrates that the certification is needed to obtain a legal benefit or for purposes of a legal proceeding, as determined by the Secretary in the Secretary’s discretion.

(e) A State court’s final adoption decree, when based upon the certificate issued by a consular officer pursuant to 22 CFR 42.24(j), certifying that the grant of custody of the child has occurred in compliance with the Convention, or upon its determination that the requirements of Article 17 of the Convention have been met constitutes the certification of the adoption under Article 23 of the Convention.

Each day the violation continues constitutes a separate violation.

Subpart C—Recordkeeping and Inspection Requirements

§103.4 General.

This subpart implements the enforcement of the civil penalty provisions of section 501 of the Chemical Weapons Convention Implementation Act of 1998 (CWCIA), and sets forth relevant administrative proceedings by which such violations are adjudicated. Both the Department of State (in this subpart), and the Department of Commerce (in part 719 of the CWCR at 15 CFR parts 710 through 722) are involved in the implementation and enforcement of section 501.

§103.5 Violations.

(a) Refusal to permit entry or inspection. No person may willfully fail or refuse to permit entry or inspection, or disrupt, delay or otherwise impede an inspection, authorized by the CWCIA.

(b) Failure to establish or maintain records. No person may willfully fail or refuse:

(1) To establish or maintain any record required by the CWCIA or the Chemical Weapons Convention Regulations (CWCR, 15 CFR parts 710 through 722) of the Department of Commerce; or

(2) To submit any report, notice, or other information to the United States Government in accordance with the CWCIA or CWCR; or

(3) To permit access to or copying of any record that is exempt from disclosure under the CWCIA or the CWCR.

§103.6 Penalties.

(a) Civil penalties—(1) Civil penalty for refusal to permit entry or inspection. Any person that is determined to have willfully failed or refused to permit entry or inspection, or to have willfully disrupted, delayed or otherwise impeded an authorized inspection, as set forth in §103.5(a), shall pay a civil penalty in an amount not to exceed $25,000 for each violation. Each day the violation continues constitutes a separate violation.

(2) Civil penalty for failure to establish or maintain records. Any person that is
determined to have willfully failed or refused to establish or maintain any record, or to submit any report, notice, or other information required by the CWCIA or the CWCR, or to permit access to or copying of any record exempt from disclosure under the CWCIA or CWCR, as set forth in §103.5(b), shall pay a civil penalty in an amount not to exceed $5,000 for each violation.

(b) Criminal penalties. Any person that knowingly violates the CWCIA by willfully failing or refusing to permit entry or inspection; or by disrupting, delaying or otherwise impeding an inspection authorized by the CWCIA; or by willfully failing or refusing to establish or maintain any required record, or to submit any required report, notice, or other information; or by willfully failing or refusing to permit access to or copying of any record exempt from disclosure under the CWCIA or CWCR, shall, in addition to or in lieu of any civil penalty that may be imposed, be fined under Title 18 of the United States Code, or be imprisoned for not more than one year, or both.

(c) Other remedial action—(1) Injunction. The United States may, in a civil action, obtain an injunction against:
   (i) The conduct prohibited under 18 U.S.C. 229 or 229C; or
   (ii) The preparation or solicitation to engage in conduct prohibited under 18 U.S.C. 229 or 229D.

(2) In addition, the United States may, in a civil action, restrain any violation of section 306 or section 405 of the CWCIA, or compel the taking of any action required by or under the CWCIA or the Convention.

§ 103.7 Initiation of administrative enforcement proceedings.

(a) Issuance of Notice of Violation and Assessment (NOVA). The Director of the Office of Export Enforcement, Bureau of Export Administration, Department of Commerce, may request that the Secretary initiate an administrative enforcement proceeding under this section and 15 CFR 719.5. If the request is in accordance with applicable law, the Secretary shall serve the NOVA as directed by the Secretary.

(b) Content of NOVA. The NOVA shall constitute a formal complaint, and will set forth the basis for the issuance of the proposed order. It will set forth the alleged violation(s) and the essential facts with respect to the alleged violation(s), reference the relevant statutory, regulatory or other provisions, and state the amount of the civil penalty to be assessed. The NOVA will inform the respondent of the right to request a hearing pursuant to paragraph (e) of this section and the CWCR (15 CFR parts 710 through 722) at 15 CFR 719.6, inform the respondent that failure to request such a hearing shall result in the proposed order becoming final and unappealable on signature of the Secretary of State, and provide payment instructions. A copy of the regulations that govern the administrative proceedings will accompany the NOVA.

(c) Proposed order. A proposed order shall accompany every NOVA. It will briefly set forth the substance of the alleged violation(s) and the statutory, regulatory or other provisions violated. It will state the amount of the civil penalty to be assessed.

(d) Notice. The Secretary shall notify, via the Department of Commerce, the respondent (or respondent’s agent for service of process or attorney) of the initiation of administrative proceedings by sending, via first class mail, facsimile, or by personal delivery, the relevant documents.

(e) Time to answer. If the respondent wishes to contest the NOVA and proposed order issued by the Secretary, the respondent must request a hearing in writing within 15 days from the date of the NOVA. If the respondent requests a hearing, the respondent must answer the NOVA within 30 days from the date of the request for hearing. The request for hearing and answer must be filed with the Administrative Law Judge (ALJ), along with a copy of the NOVA and proposed order, and served on the Office of Chief Counsel for Export Administration, Department of Commerce, and any other address(es) specified in the NOVA, in accordance with 15 CFR 719.8.
(f) Content of answer. The respondent’s answer must be responsive to the NOVA and proposed order, and must fully set forth the nature of the respondent’s defense(s). The answer must specifically admit or deny each separate allegation in the NOVA; if the respondent is without knowledge, the answer will so state and will operate as a denial. Failure to deny or controvert a particular allegation will be deemed an admission of that allegation. The answer must also set forth any additional or new matter the respondent believes supports a defense or claim of mitigation. Any defense or partial defense not specifically set forth in the answer shall be deemed waived, and evidence thereon may be refused, except for good cause shown.

(g) English required. The request for hearing, answer, and all other papers and documentary evidence must be submitted in English.

(h) Waiver. The failure of the respondent to file a request for a hearing and an answer within the times provided constitutes a waiver of the respondent’s right to appear and contest the allegations set forth in the NOVA and proposed order. If no hearing is requested and no answer is provided, the Secretary will sign the proposed order, which shall, upon signature, become final and unappealable.

(i) Administrative procedures. The regulations that govern the administrative procedures that apply when a hearing is requested are set forth in the CWCR at 15 CFR part 719.

§ 103.8 Final agency decision after administrative proceedings.

(a) Review of initial decision—(1) Petition for review. Any party may, within 7 days of the Administrative Law Judge’s (ALJ) certification of the initial decision and order, petition the Secretary for review of the initial decision. A petition for review shall be addressed to and served on the Executive Director of the Office of the Legal Adviser, U.S. Department of State, 2201 C Street, N.W., Room 5519, Washington D.C. 20520, and shall also be served on the Chief Counsel for Export Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Room H–3839, Washington, D.C. 20230, and on the respondent. Petitions for review may be filed only on one or more of the following grounds:

(i) That a necessary finding of fact is omitted, erroneous or not supported by substantial evidence of record;

(ii) That a necessary legal conclusion or finding is contrary to law;

(iii) That a prejudicial procedural error has occurred; or

(iv) That the decision or the extent of sanctions is arbitrary, capricious or an abuse of discretion.

(2) Content of petition for review. The petition must specifically set forth the grounds on which review is requested and be supported by citations to the record, statutes, regulations, and principal authorities.

(3) Decision to review. Review of the initial decision by the Secretary is discretionary, and is not a matter of right. The Secretary shall accept or decline review of the initial decision and order within 3 days after a petition for review is filed. If no such petition is filed, the Secretary may, on his or her own initiative, notify the parties within 10 days after the ALJ’s certification of the initial decision and order that he or she intends to exercise his or her discretion to review the initial decision.

(4) Effect of decision to review. The initial decision is stayed until further order of the Secretary upon a timely petition for review, or upon action to review taken by the Secretary on his or her own initiative.

(5) Review declined. If the Secretary declines to exercise discretionary review, such order, and the resulting final agency decision, will be served on all parties personally, by overnight mail, or by registered or certified mail, return receipt requested. The Secretary need not give reasons for declining review.

(6) Review accepted. If the Secretary grants a petition for review or decides to review the initial decision on his or her own initiative, he or she will issue an order confirming that acceptance and specifying any issues to be briefed by all parties within 10 days after the order. Briefing shall be limited to the issues specified in the order. Only those issues specified in the order will be
considered by the Secretary. The parties may, within 5 days after the filing of any brief of the issues, file and serve a reply to that brief. The Department of Commerce shall review all written submissions, and, based on the record, make a recommendation to the Secretary as to whether the ALJ’s initial decision should be modified or vacated. The Secretary will make a final decision within 30 days after the ALJ’s certification of the initial decision and order.

(b) Final decision. Unless the Secretary, within 30 days after the date of the ALJ’s certification of the initial decision and order, modifies or vacates the decision and order, with or without conditions, the ALJ’s initial decision and order shall become effective as the final decision and order of the United States Government. If the Secretary does modify or vacate the initial decision and order, that decision and order of the Secretary shall become the final decision and order of the United States Government. The final decision and order shall be served on the parties and will be made available to the public.

(c) Computation of time for the purposes of this section. In computing any period of time prescribed or allowed by this section, the day of the act, event, or default from which the designated period of time begins to run is not included. The last day of the period is computed to be included unless it is a Saturday, a Sunday, or a legal holiday (as defined in Rule 6(a) of the Federal Rules of Civil Procedure), in which case the period runs until the end of the next day that is neither a Saturday, a Sunday, nor a legal holiday. Intermediate Saturdays, Sundays, and legal holidays are excluded from the computation when the period of time prescribed or allowed is 7 days or less.

§ 103.9 Final agency decision after settlement negotiations.

(a) Settlements based on letter of intent to charge—(1) Approval of settlement. Pursuant to §719.5(b) of the CWCR (15 CFR parts 710 through 722), the Department of Commerce may notify a respondent by letter of the intent to charge. If, following the issuance of such a letter of intent to charge, the Department of Commerce and respondent reach an agreement to settle a case, the Department of Commerce will recommend the proposed settlement to the Secretary. If the recommended settlement is in accordance with applicable law the Secretary will approve and sign it. No action is required by the ALJ in cases where the Secretary approves and signs such a settlement agreement and order.

(2) Refusal to approve settlement. If the Secretary refuses to approve the recommended settlement, the Secretary will notify the parties and the case will proceed as though no settlement proposal had been made.

(b) Settlements following issuance of a NOVA—(1) Approval of settlement. When the Department of Commerce and respondent reach an agreement to settle a case after administrative proceedings have been initiated before an ALJ, the Department of Commerce will recommend the settlement to the Secretary of State. If the recommended settlement is in accordance with applicable law, the Secretary will approve and sign it. If the Secretary approves the settlement, the Secretary shall notify the ALJ that the case is withdrawn from adjudication.

(2) Refusal to approve settlement. If the Secretary of State refuses to approve the recommended settlement, the Secretary will notify the parties of the disapproval, and the case will proceed as though no settlement proposal had been made.

(c) Scope of settlement. Any respondent who agrees to an order imposing any administrative sanction does so solely for the purpose of resolving the claims in the administrative enforcement proceeding brought pursuant to this part. This reflects the fact that the Government officials involved have neither the authority nor the responsibility for initiating, conducting, settling, or otherwise disposing of criminal proceedings. That authority and responsibility is vested in the Attorney General and the Department of Justice.

(d) Finality. Cases that are settled may not be reopened or appealed.

§ 103.10 Appeals.

Any person adversely affected by a final order respecting an assessment may, within 30 days after the final
order is issued, file a petition in the Court of Appeals for the District of Columbia Circuit or for any other circuit in which the person resides or transacts business, to appeal the order.

§ 103.11 Payment of final assessment.

(a) Time for payment. Full payment of the civil penalty must be made within 30 days of the date upon which the final order becomes effective, or within the time specified in the order. Payment shall be made in the manner specified in the NOVA.

(b) Enforcement of order. The Secretary, through the Attorney General, may file suit in an appropriate district court if necessary to enforce compliance with a final order issued pursuant to this part. This suit will include a claim for interest at current prevailing rates from the date payment was due or ordered or, if an appeal was filed pursuant to §103.10, from the date of final judgment.

(c) Offsets. The amount of any civil penalty imposed by a final order may be deducted from any sum(s) owed by the United States to a respondent.

§ 103.12 Reporting a violation.

If a person learns that a violation of the Convention, the CWCIA, this part, or the CWCR (15 CFR parts 710 through 722) has occurred or may occur, that person may notify: United States National Authority, Office of Chemical and Biological Weapons Conventions, Bureau of Arms Control, U.S. Department of State, Washington, DC 20520, Telephone: (703) 235–1204 or toll-free (877) CWC-NACS ((877) 292–6227), Facsimile: (703) 235–1065.

PART 104—INTERNATIONAL TRAFFICKING IN PERSONS: INTERAGENCY COORDINATION OF ACTIVITIES AND SHARING OF INFORMATION

§ 104.1 Coordination of implementation of the Trafficking Victims Protection Act of 2000, as amended.

The Director of the Office to Monitor and Combat Trafficking in Persons of the Department of State, who is the Chairperson of the Senior Policy Operating Group of the President’s Interagency Task Force to Monitor and Combat Trafficking in Persons, shall call meetings of the Senior Policy Operating Group on a regular basis to coordinate activities of Federal departments and agencies regarding policies (including grants and grant policies) involving the international trafficking in persons and the implementation of the Trafficking Victims Protection Act of 2000, as amended.

§ 104.2 Sharing of information regarding international trafficking in persons.

Each Federal Department or agency represented on the Senior Policy Operating Group shall, to the extent permitted by law, share information on all matters relating to grants, grant policies, or other significant actions regarding the international trafficking in persons. In its coordinating role, the Senior Policy Operating Group shall establish appropriate mechanisms to effect such information sharing.

§ 120.1 General authorities, receipt of licenses, and ineligibility.

(a) Section 38 of the Arms Export Control Act (22 U.S.C. 2778), as amended, authorizes the President to control the export and import of defense articles and defense services. The statutory authority of the President to promulgate regulations with respect to exports of defense articles and defense services is delegated to the Secretary of State by Executive Order 13637. This subchapter implements that authority, as well as other relevant authorities in the Arms Export Control Act (22 U.S.C. 2751 et seq.). By virtue of delegations of authority by the Secretary of State, these regulations are primarily administered by the Deputy Assistant Secretary of State for Defense Trade Controls, Bureau of Political-Military Affairs.

(b)(1) Authorized officials. All authorities administered by the Deputy Assistant Secretary of State for Defense Trade Controls pursuant to this subchapter may be exercised at any time by the Under Secretary of State for Arms Control and International Security or the Assistant Secretary of State for Political-Military Affairs.

(2) The Deputy Assistant Secretary of State for Defense Trade Controls supervises the Directorate of Defense Trade Controls, which is comprised of the following offices:

(i) The Office of Defense Trade Controls Licensing and the Director, Office
of Defense Trade Controls Licensing, which have responsibilities related to licensing or other approvals of defense trade, including references under parts 120, 123, 124, 125, 126, 129, and 130 of this subchapter.

(ii) The Office of Defense Trade Controls Compliance and the Director, Office of Defense Trade Controls Compliance, which have responsibilities related to violations of law or regulation and compliance therewith, including references contained in parts 122, 126, 127, 128, and 130 of this subchapter, and that portion under part 129 of this subchapter pertaining to registration.

(iii) The Office of Defense Trade Controls Policy and the Director, Office of Defense Trade Controls Policy, which have responsibilities related to the general policies of defense trade, including references under parts 120 and 126 of this subchapter, and the commodity jurisdiction procedure under part 120 of this subchapter.

(c) Receipt of licenses and eligibility. (1) A U.S. person may receive a license or other approval pursuant to this subchapter. A foreign person may not receive such a license or other approval, except as follows:

(i) A foreign governmental entity in the U.S. may receive a license or other approval;

(ii) A foreign person may receive a reexport or retransfer approval; or

(iii) A foreign person may receive a prior approval for brokering activities.

A request for a license or other approval by a U.S. person or by a person referred to in paragraphs (c)(1)(i) and (c)(1)(ii) of this section will be considered only if the applicant has registered with the Directorate of Defense Trade Controls pursuant to part 122 or 129 of this subchapter, as appropriate.

(2) Persons who have been convicted of violating the U.S. criminal statutes enumerated in §120.27, who have been debarred pursuant to part 127 or 128 of this subchapter, who are subject to indictment or are otherwise charged (e.g., charged by criminal information in lieu of indictment) with violating the U.S. criminal statutes enumerated in §120.27, who are ineligible to contract with or to receive a license or other form of authorization to import defense articles or defense services from any agency of the U.S. Government, who are ineligible to receive an export license or other approval from any other agency of the U.S. Government, or who are subject to a Department of State policy of denial, suspension, or revocation under §126.7(a) of this subchapter, are generally ineligible to be involved in activities regulated under the subchapter.

(d) The exemptions provided in this subchapter do not apply to transactions in which the exporter, any party to the export (see §126.7(e) of this subchapter), any source or manufacturer, broker or other participant in the brokering activities, is generally ineligible as set forth in paragraph (c)(2) of this section, unless prior written authorization has been granted by the Directorate of Defense Trade Controls.

§ 120.2 Designation of defense articles and defense services.

The Arms Export Control Act (22 U.S.C. 2778(a) and 2794(7)) provides that the President shall designate the articles and services deemed to be defense articles and defense services for purposes of import or export controls. The President has delegated to the Secretary of State the authority to control the export and temporary import of defense articles and services. The items designated by the Secretary of State for purposes of export and temporary import control constitute the U.S. Munitions List specified in part 121 of this subchapter. Defense articles on the U.S. Munitions List specified in part 121 of this subchapter are also subject to permanent import control by the Attorney General on the U.S. Munitions Import List enumerated in 27 CFR part 447. The Arms Export Control Act (22 U.S.C. 2778) provides that the President shall designate the articles and services deemed to be defense articles and defense services for purposes of import or export controls. The items designated by the Secretary of State for purposes of export and temporary import control constitute the U.S. Munitions List specified in part 121 of this subchapter. Defense articles on the U.S. Munitions List specified in part 121 of this subchapter are also subject to permanent import control by the Attorney General on the U.S. Munitions Import List enumerated in 27 CFR part 447 are subject to temporary import controls administered by the Secretary of State. Designations of defense articles and defense services are made by the Department of State with the concurrence of the Department of Defense. The scope of the U.S. Munitions List shall be changed only by amendments made pursuant to section 38 of the Arms Export Control Act (22 U.S.C. 2778).
§ 120.3 Policy on designating or determining defense articles and services on the U.S. Munitions List.

(a) For purposes of this subchapter, a specific article or service may be designated a defense article (see §120.6 of this subchapter) or defense service (see §120.9 of this subchapter) if it:

(1) Meets the criteria of a defense article or defense service on the U.S. Munitions List; or

(2) Provides the equivalent performance capabilities of a defense article on the U.S. Munitions List.

(b) For purposes of this subchapter, a specific article or service shall be determined in the future as a defense article or defense service if it provides a critical military or intelligence advantage such that it warrants control under this subchapter.

NOTE TO PARAGRAPHS (a) AND (b): An article or service determined in the future pursuant to this subchapter as a defense article or defense service, but not currently on the U.S. Munitions List, will be placed in U.S. Munitions List Category XXI until the appropriate U.S. Munitions List category has been amended to provide the necessary entry.

(c) A specific article or service is not a defense article or defense service for purposes of this subchapter if it:

(1) Is determined to be under the jurisdiction of another department or agency of the U.S. Government (see §120.5 of this subchapter) pursuant to a commodity jurisdiction determination (see §120.4 of this subchapter) unless superseded by changes to the U.S. Munitions List or by a subsequent commodity jurisdiction determination; or

(2) Meets one of the criteria of §120.41(b) of this subchapter when the article is used in or with a defense article and specially designed is used as a control criteria (see §120.41 of this subchapter).

Note to §120.3: The intended use of the article or service after its export (i.e., for a military or civilian purpose), by itself, is not a factor in determining whether the article or service is subject to the controls of this subchapter.

§ 120.4 Commodity jurisdiction.

(a) The commodity jurisdiction procedure is used with the U.S. Government if doubt exists as to whether an article or service is covered by the U.S. Munitions List. It may also be used for consideration of a redesignation of an article or service currently covered by the U.S. Munitions List. The Department must provide notice to Congress at least 30 days before any item is removed from the U.S. Munitions List. Upon electronic submission of a Commodity Jurisdiction (CJ) Determination Form (Form DS–4076), the Directorate of Defense Trade Controls shall provide a determination of whether a particular article or service is covered by the U.S. Munitions List. The determination, consistent with §§120.2, 120.3, and 120.4, entails consultation among the Departments of State, Defense, Commerce, and other U.S. Government agencies and industry in appropriate cases.

(b) Registration with the Directorate of Defense Trade Controls as defined in part 122 of this subchapter is not required prior to submission of a commodity jurisdiction request. If it is determined that the commodity is a defense article or defense service covered by the U.S. Munitions List, registration is required for exporters, manufacturers, and furnishers of such defense articles and defense services (see part 122 of this subchapter), as well as for brokers who are engaged in brokering activities related to such articles or services.

(c) Requests shall identify the article or service, and include a history of this product’s design, development, and use. Brochures, specifications, and any other documentation related to the article or service should be submitted as electronic attachments per the instructions for Form DS–4076.

(1) A designation that an article or service meets the criteria of a defense article or defense service, or provides the equivalent performance capabilities of a defense article on the U.S. Munitions List set forth in this subchapter, is made on a case-by-case basis by the Department of State, taking into account:
(i) The form and fit of the article; and
(ii) The function and performance capability of the article.

(3) A designation that an article or service has a critical military or intelligence advantage such that it warrants control under this subchapter is made, on a case-by-case basis, by the Department of State, taking into account:

(i) The function and performance capability of the article; and

(ii) The nature of controls imposed by other nations on such items (including the Wassenaar Arrangement and other multilateral controls).

NOTE 1 TO PARAGRAPH (d): The form of a commodity is defined by its configuration (including the geometrically measured configuration), material, and material properties that uniquely characterize it. The fit of a commodity is defined by its ability to physically interface or connect with or become an integral part of another commodity. The function of a commodity is the action or actions it is designed to perform. Performance capability is the measure of a commodity's effectiveness to perform a designated function in a given environment (e.g., measured in terms of speed, durability, reliability, pressure, accuracy, efficiency).

NOTE 2 TO PARAGRAPH (d): For software, the form means the design, logic flow, and algorithms. The fit is defined by its ability to interface or connect with a defense article. The function means the action or actions the software performs directly related to a defense article or as a standalone application.

Performance capability means the measure of the software's effectiveness to perform a designated function.

(e) The Directorate of Defense Trade Controls will provide a preliminary response within 10 working days of receipt of a complete request for commodity jurisdiction. If after 45 days the Directorate of Defense Trade Controls has not provided a final commodity jurisdiction determination, the applicant may request in writing to the Director, Office of Defense Trade Controls Policy that this determination be given expedited processing.

(f) State, Defense and Commerce will resolve commodity jurisdiction disputes in accordance with established procedures. State shall notify Defense and Commerce of the initiation and conclusion of each case.

(g) A person may appeal a commodity jurisdiction determination by submitting a written request for reconsideration to the Deputy Assistant Secretary of State for Defense Trade Controls. The Deputy Assistant Secretary's determination of the appeal will be provided, in writing, within 30 days of receipt of the appeal. If desired, an appeal of the Deputy Assistant Secretary's decision can then be made to the Assistant Secretary for Political-Military Affairs.

§ 120.5 Relation to regulations of other agencies.

(a) If a defense article or service is covered by the U.S. Munitions List set forth in this subchapter, its export and temporary import is regulated by the Department of State (see also §120.2 of this subchapter). The President has delegated the authority to control defense articles and services for purposes of permanent import to the Attorney General. The defense articles and services controlled by the Secretary of State and the Attorney General collectively comprise the U.S. Munitions List under the Arms Export Control Act (AECA). As the Attorney General exercises independent delegated authority to designate defense articles and services for purposes of permanent import controls, the permanent import control list administered by the Department of Justice has been separately labeled the U.S. Munitions Import List (27 CFR part 447) to distinguish it from the list set out in this subchapter. In carrying out the functions delegated to the Attorney General pursuant to the AECA, the Attorney General shall be guided by the views of the Secretary of State on matters affecting world peace and the external security and foreign policy of the United States. The Department of Commerce regulates the export, reexport, and in-country transfer of items on the Commerce Control List and other items subject to its jurisdiction, as well as the provision of certain proliferation activities, under the Export Administration Regulations (EAR) (15

Section 71(a) of the Arms Export Control Act (22 U.S.C. 2797) refers to the establishment as part of the U.S. Munitions List of a list of all items on the MTCR Annex, the export of which is not controlled under Section 6(1) of the Export Administration Act of 1979 (50 U.S.C. App. 2405(1)), as amended. MTCR Annex items specified in the U.S. Munitions List shall be identified in §121.16 of this subchapter or annotated by the parenthetical “(MT)” at the end of each applicable paragraph.

§ 120.30 The Automated Export System (AES).

The Automated Export System (AES) is the Department of Commerce, Bureau of Census, electronic filing of export information. The AES shall serve as the primary system for collection of export data for the Department of State. In accordance with this subchapter, U.S. exporters are required to report export information using AES for all hardware exports. Exports of technical data and defense services shall be reported directly to the Directorate of Defense Trade Controls (DDTC). Also, requests for special reporting may be made by DDTC on a case-by-case basis, e.g., compliance, enforcement, congressional mandates.

§ 120.31 North Atlantic Treaty Organization.

North Atlantic Treaty Organization (NATO) is comprised of the following member countries: Albania, Belgium, Bulgaria, Canada, Croatia, Czech Republic, Denmark, Estonia, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Lithuania, Luxembourg, the Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Turkey, United Kingdom, and the United States.

§ 120.32 Major non-NATO ally.

Major non-NATO ally, as defined in section 644(q) of the Foreign Assistance Act of 1961 (22 U.S.C. 2403(q)), means a country that is designated in accordance with section 517 of the Foreign Assistance Act of 1961 (22 U.S.C.
§ 120.38 Maintenance levels.

(a) Organizational-level maintenance (or basic-level maintenance) is the first level of maintenance that can be performed “on-equipment” (directly on the defense article or support equipment) without specialized training. It consists of repairing, inspecting, servicing, calibrating, lubricating, or adjusting equipment, as well as replacing minor parts, components, assemblies, and line-replaceable spares or units. This includes modifications, enhancements, or upgrades that would result in improving only the reliability or maintainability of the commodity (e.g., an increased mean time between failure (MTBF)) and does not enhance the basic performance or capability of the defense article.

(b) Intermediate-level maintenance is second-level maintenance performed...
“off-equipment” (on removed parts, components, or equipment) at or by designated maintenance shops or centers, tenders, or field teams. It may consist of calibrating, repairing, testing, or replacing damaged or unserviceable parts, components, or assemblies. This includes modifications, enhancements, or upgrades that would result in improving only the reliability or maintainability of the commodity (e.g., an increased mean time between failure (MTBF)) and does not enhance the basic performance or capability of the defense article.

(c) **Depot-level maintenance** is third-level maintenance performed on- or off-equipment at or by a major repair facility, shipyard, or field team, each with necessary equipment and personnel of requisite technical skill. It consists of providing evaluation or repair beyond unit or organization capability. This maintenance consists of inspecting, testing, calibrating, repairing, overhauling, refurbishing, reconditioning, and one-to-one replacing of any defective parts, components or assemblies. This includes modifications, enhancements, or upgrades that would result in improving only the reliability or maintainability of the commodity (e.g., an increased mean time between failure (MTBF)) and does not enhance the basic performance or capability of the defense article.

§ 120.39 **Regular employee.**

(a) A regular employee means for purposes of this subchapter:

(1) An individual permanently and directly employed by the company, or

(2) An individual in a long term contractual relationship with the company where the individual works at the company’s facilities, works under the company’s direction and control, works full time and exclusively for the company, and executes nondisclosure certifications for the company, and where the staffing agency that has seconded the individual has no role in the work the individual performs (other than providing that individual for that work) and the staffing agency would not have access to any controlled technology (other than where specifically authorized by a license).

(b) [Reserved]

§ 120.40 **Affiliate.**

An affiliate of a registrant is a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such registrant.

**Note to §120.40:** For purposes of this section, “control” means having the authority or ability to establish or direct the general policies or day-to-day operations of the firm. Control is rebuttably presumed to exist where there is ownership of 25 percent or more of the outstanding voting securities if no other person controls an equal or larger percentage.

[78 FR 52686, Aug. 26, 2013]

§ 120.41 **Specially designed.**

(a) Except for commodities or software described in paragraph (b) of this section, a commodity or software (see §120.45(f)) is specially designed if it:

(1) As a result of development, has properties peculiarly responsible for achieving or exceeding the controlled performance levels, characteristics, or functions described in the relevant U.S. Munitions List paragraph; or

(2) Is a part (see §120.45(d)), component (see §120.45(b)), accessory (see §120.45(c)), attachment (see §120.45(c)), or software for use in or with a defense article.

(b) For purposes of this subchapter, a part, component, accessory, attachment, or software is not specially designed if it:

(1) Is subject to the EAR pursuant to a commodity jurisdiction determination;

(2) Is, regardless of form or fit, a fastener (e.g., screws, bolts, nuts, nut plates, studs, inserts, clips, rivets, pins), washer, spacer, insulator, grommet, bushing, spring, wire, or solder;

(3) Has the same function, performance capabilities, and the same or “equivalent” form and fit as a commodity or software used in or with a commodity that:

(i) Is or was in production (i.e., not in development); and

(ii) Is not enumerated on the U.S. Munitions List;

(4) Was or is being developed with knowledge that it is or would be for use...
in or with both defense articles enumerated on the U.S. Munitions List and also commodities not on the U.S. Munitions List; or

(5) Was or is being developed as a general purpose commodity or software, i.e., with no knowledge for use in or with a particular commodity (e.g., a F/A-18 or HMMWV) or type of commodity (e.g., an aircraft or machine tool).

NOTE TO PARAGRAPHS (a) AND (b): The term “commodity” refers to any article, material, or supply, except technology/technical data or software.

NOTE TO PARAGRAPHS (a)(1): An example of a commodity that has properties peculiarly responsible for achieving or exceeding the controlled performance levels, functions, or characteristics in a U.S. Munitions List category would be a swimmer delivery vehicle specially designed to dock with a submarine to provide submerged transport for swimmers or divers from submarines.

NOTE TO PARAGRAPH (b): The term “enumerated” refers to any article on the U.S. Munitions List or the Commerce Control List and not in a “catch-all” control. A “catch-all” control is one that does not refer to specific types of parts, components, accessories, or attachments, but rather controls unspecified parts, components, accessories, or attachments only if they were specially designed for an enumerated item.

NOTE 1 TO PARAGRAPH (b)(3): With respect to a commodity, “equivalent” means its form has been modified solely for fit purposes.

NOTE 2 TO PARAGRAPHS (b)(4) AND (5): For a defense article not to be specially designed on the basis of paragraph (b)(4) or (5) of this section, documents contemporaneous with its development, in their totality, must establish the elements of paragraph (b)(4) or (5). Such documents may include concept design information, marketing plans, declarations in patent applications, or contracts. Absent such documents, the commodity may not be excluded from being specially designed by either paragraph (b)(4) or (5).

NOTE 2 TO PARAGRAPH (b)(3): Commodities in “production” that are subsequently subject to “development” activities, such as those that would result in enhancements or improvements only in the reliability or maintainability of the commodity (e.g., an increased mean time between failure (MTBF)), including those pertaining to quality improvements, cost reductions, or feature enhancements, remain in “production.” However, any new models or versions of such commodities developed from such efforts that change the basic performance or capability of the commodity are in “development” until and unless they enter into “production.”

NOTE 4 TO PARAGRAPH (b)(3): The form of a commodity is defined by its configuration (including the geometrically measured configuration), material, and material properties that uniquely characterize it. The fit of a commodity is the action or actions it is designed to perform. Performance capability is the measure of a commodity’s effectiveness to perform a designated function in a given environment (e.g., measured in terms of speed, durability, reliability, pressure, accuracy, efficiency). For software, the form means the design, logic flow, and algorithms. The fit is defined by its ability to interface or connect with a defense article. The function means the action or actions the software performs directly related to a defense article or as a standalone application. Performance capability means the measure of the software’s effectiveness to perform a designated function.

NOTE 5 TO PARAGRAPH (b)(3): For the purpose of this definition, “knowledge” includes not only the positive knowledge a circumstance exists or is substantially certain to occur, but also an awareness of a high probability of its existence or future occurrence. Such awareness is inferred from evidence of the conscious disregard of facts known to a person and is also inferred from a person’s willful avoidance of facts.

§ 120.42 Subject to the Export Administration Regulations (EAR).

Items “subject to the EAR” are those items listed on the Commerce Control List in part 774 of the EAR and all...
other items that meet the definition of that term in accordance with §734.3 of the EAR. The EAR is found at 15 CFR parts 730 through 774.

[78 FR 22755, Apr. 16, 2013]

§ 120.43 [Reserved]

§ 120.44 Foreign defense article or defense service.

Foreign defense article or defense service means any article or service described on the U.S. Munitions List of non-U.S. origin. Unless otherwise provided in this subchapter, the terms defense article and defense service refer to both U.S. and foreign origin defense articles and defense services described on the U.S. Munitions List. A defense article or defense service is determined exclusively in accordance with the Arms Export Control Act and this subchapter, regardless of any designation (either affirming or contrary) that may be attributed to the same article or service by any foreign government or international organization.

[78 FR 52686, Aug. 26, 2013]

§ 120.45 End-items, components, accessories, attachments, parts, firmware, software, systems, and equipment.

(a) An end-item is a system, equipment, or an assembled article ready for its intended use. Only ammunition or fuel or other energy source is required to place it in an operating state.

(b) A component is an item that is useful only when used in conjunction with an end-item. A major component includes any assembled element that forms a portion of an end-item without which the end-item is inoperable. A minor component includes any assembled element of a major component.

(c) Accessories and attachments are associated articles for any component, equipment, system, or end-item, and which are not necessary for its operation, but which enhance its usefulness or effectiveness.

(d) A part is any single unassembled element of a major or a minor component, accessory, or attachment which is not normally subject to disassembly without the destruction or the impairment of designed use.

(e) Firmware and any related unique support tools (such as computers, linkers, editors, test case generators, diagnostic checkers, library of functions, and system test diagnostics) directly related to equipment or systems covered under any category of the U.S. Munitions List are considered as part of the end-item or component. Firmware includes but is not limited to circuits into which software has been programmed.

(f) Software includes but is not limited to the system functional design, logic flow, algorithms, application programs, operating systems, and support software for design, implementation, test, operation, diagnosis and repair. A person who intends to export only software should, unless it is specifically enumerated in §121.1 of this subchapter (e.g., USML Category XIII(b)), apply for a technical data license pursuant to part 125 of this subchapter.

(g) A system is a combination of parts, components, accessories, attachments, firmware, software, equipment, or end-items that operate together to perform a function.

Note to paragraph (g): The industrial standards established by INCOSE and NASA provide examples for when commodities and software operate together to perform a function as a system. References to these standards are included in this note to provide examples for when commodities or software operate together to perform a function as a system. See the INCOSE standards for what constitutes a system at: [http://g2sebok.incose.org/app/mss/asset.cfm?ID=INCOSE%20G2SEBOK%202.00&amp;ST=F](http://g2sebok.incose.org/app/mss/asset.cfm?ID=INCOSE%20G2SEBOK%202.00&amp;ST=F), and in INCOSE SE Handbook v3.1 2007: ISO/IEC 15288:2008. See the NASA standards for examples of what constitutes a system in NASA SE Handbook SP-2007-6105 Rev 1.

(h) Equipment is a combination of parts, components, accessories, attachments, firmware, or software that operate together to perform a function of, as, or for an end-item or system. Equipment may be a subset of an end-item based on the characteristics of the equipment. Equipment that meets the definition of an end-item is an end-item. Equipment that does not meet
the definition of an end-item is a component, accessory, attachment, firmware, or software.

PART 121—THE UNITED STATES MUNITIONS LIST

ENUMERATION OF ARTICLES

§ 121.1 The United States Munitions List.

(a) The following articles, services, and related technical data are designated as defense articles and defense services pursuant to sections 38 and 47(7) of the Arms Export Control Act. Changes in designations will be published in the FEDERAL REGISTER. Information and clarifications on whether specific items are defense articles and services under this subchapter may appear periodically through the Internet Web site of the Directorate of Defense Trade Controls.

(b) (1) Order of review. In order to classify your article on the U.S. Munitions List, you should begin with a review of the general characteristics of your item. This will usually guide you to the appropriate category on the U.S. Munitions List. Once the appropriate category is identified, you should match the particular characteristics and functions of your article to a specific entry within the appropriate category.

(2) Composition of an entry. Within each U.S. Munitions List category, defense articles are described by an alpha paragraph designation. These designations may include subparagraph(s) to further define the described defense article. Each U.S. Munitions List category starts with end-platform designations followed by major systems and equipment, and parts, components, accessories, and attachments. Most U.S. Munitions List categories contain an entry on technical data (see §120.10 of this subchapter) and defense services (see §120.9 of this subchapter) related to the defense articles described in that U.S. Munitions List category.

(3) Significant military equipment. An asterisk may precede an entry in a U.S. Munitions List category. The asterisk means the enumerated defense article is deemed to be “Significant Military Equipment” to the extent specified in §120.7 of this subchapter. Note that technical data directly related to the manufacture or production of any defense articles enumerated in any category designated as Significant Military Equipment (SME) is also designated as SME.

(c) Missile Technology Control Regime (MTCR) Annex. Inclusion in §121.16 of this subchapter, or annotation with the parenthetical “(MT)” at the end of a U.S. Munitions List paragraph, indicates those defense articles and defense services that are on the MTCR Annex. See §120.29 of this subchapter.

(d) Specially designed. When applying the definition of specially designed (see §120.41 of this subchapter), follow the sequential analysis set forth as follows:

(1) if your commodity or software is controlled for reasons other than having a specially designed control parameter on the U.S. Munitions List, no further review of the definition of specially designed is required.

(2) if your commodity or software is not enumerated on the U.S. Munitions List, it may be controlled because of a specially designed control parameter. If so, begin any analysis with §120.41(a) and proceed through each subsequent paragraph. If a commodity or software would not be controlled as a result of the application of the standards in §120.41(a), then it is not necessary to work through §120.41(b).

(3) if a commodity or software is controlled as a result of §120.41(a), then it is necessary to continue the analysis and to work through each of the elements of §120.41(b).

(4) commodities or software described in any §120.41(b) subparagraph are not
specially designed commodities or software controlled on the U.S. Munitions List, but may be subject to the jurisdiction of another U.S. Government regulatory agency (see §120.5 of this subchapter).

(e) **Classified.** For the purpose of this subchapter, “classified” means classified pursuant to Executive Order 13526, or predecessor order, and a security classification guide developed pursuant thereto or equivalent, or to the corresponding classification rules of another government or international organization.

**CATEGORY I—FIREARMS, CLOSE ASSAULT WEAPONS AND COMBAT SHOTGUNS**

Technical data directly related to the manufacture or production of any defense articles described elsewhere in this category that are designated as Significant Military Equipment (SME) shall itself be designated SME.

(j) The following interpretations explain and amplify the terms used in this category and throughout this subchapter:

1. A firearm is a weapon not over .50 caliber (12.7 mm) which is designed to expel a projectile by the action of an explosive or which may be readily converted to do so.

The maximum capability based on the design characteristics of the system, when fully loaded with fuel or propellant, will be taken into consideration in determining range. The range for rocket systems will be determined independently of any external factors such as operational restrictions, limitations imposed by telemetry, data links, or other external constraints. For rocket systems, the range will be determined using the trajectory that maximizes range, assuming International Civil Aviation Organization (ICAO) standard atmosphere with zero wind.

(1) Developmental explosives, propellants, pyrotechnics, fuels, oxidizers, binders, additives, or precursors therefor funded by the Department of Defense via contract or other funding authorization.

NOTE 1 TO PARAGRAPH (f): This paragraph does not control explosives, propellants, pyrotechnics, fuels, oxidizers, binders, additives, or precursors therefor (a) in production, (b) determined to be subject to the EAR via a commodity jurisdiction determination (see §120.4 of this subchapter), or (c) identified in the relevant Department of Defense contract or other funding authorization as being developed for both civil and military applications.

NOTE 2 TO PARAGRAPH (f): Note 1 does not apply to defense articles enumerated on the U.S. Munitions List, whether in production or development.

NOTE 3 TO PARAGRAPH (f): This paragraph is applicable only to those contracts and funding authorizations that are dated January 5, 2015, or later.

(j) Technical data (as defined in §120.10 of this subchapter) and defense services (as defined in §120.9 of this subchapter) directly related to the defense articles described in paragraphs (a) through (i) of this category (see also §121.20 of this subchapter) (MT for articles designated as such).

(k) The following interpretations explain and amplify the terms used in this category and elsewhere in this subchapter:

(1) USML Category V contains explosives, energetic materials, propellants, and pyrotechnics and specially formulated fuels for aircraft, missile, and naval applications. Explosives are solid, liquid, or gaseous substances or mixtures of substances, which, in their primary, booster, or main charges in warheads, demolition, or other military applications, are required to detonate.

(2) The resulting product of the combination or conversion of any substance controlled by this category into an item not controlled will no longer be controlled by this category provided the controlled item cannot easily be recovered through dissolution, melting, sieving, etc. As an example, beryllium converted to a near net shape using hot isostatic processes will result in an uncontrolled part. A cured thermoset containing beryllium powder is not controlled unless meeting an explosive or propellant control. The mixture of beryllium powder in a cured thermoset shape is not controlled by this category. The mixture of controlled beryllium powder with a typical propellant binder will remain controlled by this category. The addition of dry silica powder to dry beryllium powder will remain controlled.

(3) Paragraph (c)(1)(ii)(A) of this category does not apply to boron and boron carbide enriched with boron-10 (20% or more of total boron-10 content).

(4) Theoretical specific impulse (Isp) is calculated using standard conditions (1000 psi chamber pressure expanded to 14.7 psi) and measured in units of pound-force-seconds per pound-mass (lbf·s/lbm) or simplified to seconds (s). Calculations will be based on shifting equilibrium.

(5) Particle size is the mean particle diameter on a weight basis. Best industrial
practices will be used in determining particle size and the controls may not be undermined by addition of larger or smaller sized material to shift the mean diameter.

(x) Commodities, software, and technical data subject to the EAR (see §120.42 of this subchapter) used in or with defense articles controlled in this category.

NOTE TO PARAGRAPH (x): Use of this paragraph is limited to license applications for defense articles controlled in this category where the purchase documentation includes commodities, software, or technical data subject to the EAR (see §123.1(b) of this subchapter).

NOTE 1 TO USML CATEGORY V: To assist the exporter, an item has been categorized by the most common use. Also, where appropriate, references have been provided to the related controlled precursors.

NOTE 2 TO USML CATEGORY V: Chemical Abstract Service (CAS) registry numbers do not cover all the substances and mixtures controlled by this category. The numbers are provided as examples to assist government agencies in the license review process and exporters when completing their license application and export documentation.

NOTE 1 TO PARAGRAPH (e): Parts, components, accessories, attachments, equipment, or systems specially designed for spacecraft
or other articles enumerated in this category but not listed in paragraph (e) are subject to the EAR.

NOTE 2 TO PARAGRAPH (e): The articles described in paragraph (f) are subject to the EAR when, prior to export, reexport, retransfer, or temporary import, they are integrated into and included as an integral part of the EAR (see note 2 to paragraph (e)(17) of this category). Articles do not become subject to the EAR until integrated into the item subject to the EAR. Export, reexport, retransfer, or temporary import of, and technical data and defense services directly related to defense articles intended to be integrated remain subject to the ITAR.

NOTE 3 TO PARAGRAPH (e): For the purposes of this paragraph, an article is space-qualified if it is designed, manufactured, or qualified through successful testing, for operation at altitudes greater than 100 km above the surface of the Earth. The use of an altitude of 100 km above the surface of the Earth in this paragraph does not represent a legal demarcation between national air space and outer space under United States or international law.

NOTE 4 TO PARAGRAPH (e): (1) A determination that a specific article (or commodity) (e.g., by product serial number) is space-qualified by virtue of testing alone does not mean that other articles in the same production run or model series are space-qualified if not individually tested. (2) “Article” is synonymous with “commodity,” as defined in EAR §722.1. (3) A specific article not designed or manufactured for use at altitudes greater than 100 km above the surface of the Earth is not space-qualified before it is successfully tested. (4) The terms “designed” and “manufactured” in this definition are synonymous with “specially designed.”

(f) Technical data (see §120.10 of this subchapter) and defense services (see §120.9 of this subchapter) directly related to the defense articles described in paragraphs (a) through (e) of this category and classified technical data directly related to items controlled in ECCNs 9A515, 9B515, or 9D515 and defense services using the classified technical data. Defense services include the furnishing of assistance (including training) in the integration of a satellite or spacecraft to a launch vehicle, including both planning and onsite support, regardless of the jurisdiction, ownership, or origin of the satellite or spacecraft, or whether technical data is used. It also includes the furnishing of assistance (including training) in the launch failure analysis of a satellite or spacecraft, regardless of the jurisdiction, ownership, or origin of the satellite of spacecraft, or whether technical data is used. (See §125.4 of this subchapter for exemptions, and §124.15 of this subchapter for special export controls for satellites and satellite launches.) (MT for technical data and defense services related to articles designated as such.)

NOTE 1 TO PARAGRAPH (f): The technical data control of this paragraph does not apply to certain technical data directly related to articles described in paragraphs (c) or (e) of this category when such articles are integrated into and included as an integral part of a satellite subject to the EAR. For controls in these circumstances, see ECCN 9E515. This only applies to that level of technical data (including marketing data) necessary and reasonable for a purchaser to have assurance that a U.S. built item intended to operate in space has been designed, manufactured, and tested in conformance with specified contract requirements (e.g., operational performance, reliability, lifetime, product quality, or delivery expectations) as well as data necessary for normal orbit satellite operations, to evaluate in-orbit anomalies, and to operate and maintain associated ground station equipment (except encryption hardware).

NOTE 2 TO PARAGRAPH (f): Activities and technology/technical data directly related to or required for the spaceflight (e.g., sub-orbital, orbital, lunar, interplanetary, or otherwise beyond Earth orbit) passenger or participant experience, regardless of whether the passenger or participant experience is for space tourism, scientific or commercial research, commercial manufacturing/production activities, educational, media, or commercial transportation purposes, are not subject to the ITAR or the EAR. Such activities and technology/technical data include the following: (1) Physiological training (e.g., human-rated centrifuge training or parabolic flights, pressure suit or spacesuit training/operation); (2) medical evaluation or assessment of the spaceflight passenger or participant; (3) training for and operation by the passenger or participant of health and safety related hardware (e.g., seating, environmental control and life support, hygiene facilities, food preparation, exercise equipment, fire suppression, communications equipment, safety-related clothing or headgear) or emergency procedures; (e) viewing of the interior and exterior of the spacecraft or terrestrial mock-ups; (f) observing spacecraft operations (e.g., pre-flight checks, landing, in-flight status); (g) training in spacecraft or terrestrial mock-ups for connecting to or operating passenger or participant equipment used for purposes other than operating the spacecraft; or (h) donning, wearing, or utilizing the passenger’s or participant’s flight suit, pressure suit, or spacesuit, and personal equipment.

NOTE 3 TO PARAGRAPH (f): Neither paragraph (f) nor ECCN 9E515 controls the data.
transmitted to or from a satellite or spacecraft, whether real or simulated, when limited to information about the health, operational status, or function of, or measurements of raw sensor output from, the spacecraft, spacecraft payload(s), or their associated subsystems or components. Such data or technology is subject to the EAR and is designated EAR99. Examples of such data and technology, which are commonly referred to as “housekeeping data,” include (a) system, hardware, component configuration, and operation status information pertaining to temperatures, pressures, power, currents, voltages, and battery charges; (b) spacecraft or payload orientation or position information, such as state vector or ephemeris information; (c) payload raw mission or science output, such as images, spectra, particle measurements, or field measurements; (d) command responses; (e) accurate timing information; and (f) link budget data. The act of processing such telemetry data—i.e., converting raw data into engineering units or readable products—or encrypting it does not, in and of itself, cause the telemetry data to become subject to the ITAR or to ECCN 9D515. All classified technical data directly related to items controlled in USML Category XV or ECCNs 9A515, and defense services using the classified technical data, remain subject to the ITAR. This note does not affect controls in paragraph (f), ECCN 9D515, or ECCN 9E515 on software source code or commands that control a spacecraft, payload, or associated subsystem.

**NOTE TO PARAGRAPH (c):** “Range” is the maximum distance that the specified rocket system is capable of traveling in the mode of stable flight as measured by the projection of its trajectory over the surface of the Earth. The maximum capability based on the design characteristics of the system, when fully loaded with fuel or propellant, will be taken into consideration in determining range. The range for rocket systems will be determined independently of any external factors such as operational restrictions, limitations imposed by telemetry, data links, or other external constraints. For rocket systems, the range will be determined using the trajectory that maximizes range, assuming International Civil Aviation Organization (ICAO) standard atmosphere with zero wind.

PART 122—REGISTRATION OF MANUFACTURERS AND EXPORTERS

Sec. 122.1 Registration requirements. 
122.2 Submission of registration statement. 
122.3 Registration fees. 
122.4 Notification of changes in information furnished by registrants. 
122.5 Maintenance of records by registrants. 

SOURCE: 58 FR 39298, July 22, 1993, unless otherwise noted.

§ 122.1 Registration requirements.

(a) Any person who engages in the United States in the business of manufacturing or exporting or temporarily importing defense articles, or furnishing defense services, is required to register with the Directorate of Defense Trade Controls under §122.2. For the purpose of this subchapter, engaging in such a business requires only one occasion of manufacturing or exporting or temporarily importing a defense article or furnishing a defense service. A manufacturer who does not engage in exporting must nevertheless register. (See part 129 of this subchapter for requirements for registration of persons who engage in brokering activities.)

(b) Exemptions. The registration requirements of paragraph (a) of this section do not apply to:

(1) Officers and employees of the U.S. Government acting in an official capacity;

(2) Persons whose pertinent business activity is confined to the production of unclassified technical data only;

(3) Persons all of whose manufacturing and export activities are licensed under the Atomic Energy Act of 1954, as amended; or

(4) Persons who engage in the fabrication of articles solely for experimental or scientific purposes, including research and development.

NOTE TO PARAGRAPH (b): Persons who qualify for the exemptions in paragraphs (b)(2) or (b)(4) of this section remain subject to the requirements for licenses or other approvals for exports of defense articles and defense services and may not receive an export license or approval unless registered under §122.2.

(c) Purpose. Registration is primarily a means to provide the U.S. Government with necessary information on who is involved in certain manufacturing and exporting activities. Registration does not confer any export rights or privileges. It is generally a precondition to the issuance of any license or other approval under this subchapter, unless an exception is granted by the Directorate of Defense Trade Controls.

[78 FR 52686, Aug. 26, 2013]

§ 122.2 Submission of registration statement.

(a) General. An intended registrant must submit a Statement of Registration (Department of State form DS-2032) to the Office of Defense Trade Controls Compliance by following the submission guidelines available on the Directorate of Defense Trade Controls Web site at www.pmddtc.state.gov. The Statement of Registration must be signed by a U.S. person senior officer (e.g., chief executive officer, president, secretary, partner, member, treasurer, general counsel) who has been empowered by the intended registrant to sign such documents. The Statement of Registration may include subsidiaries and affiliates when more than 50 percent of the voting securities are owned by the registrant or the subsidiaries and affiliates are otherwise controlled by the registrant (see §120.40 of this subchapter). The intended registrant also shall submit documentation that demonstrates that it is incorporated or otherwise authorized to do business in the U.S. The Directorate of Defense Trade Controls will notify the registrant if the Statement of Registration is incomplete either by notifying the registrant of what information is required or through the return of the entire registration package. Registrants may not establish new entities
§ 122.4 Notification of changes in information furnished by registrants.

(a) A registrant must, within five days of the event, provide to the Directorate of Defense Trade Controls a written notification, signed by a senior officer (e.g., chief executive officer, president, secretary, partner, member, treasurer, general counsel), if:

(1) Any of the persons referred to in §122.2(b) is indicted or otherwise charged (e.g., by criminal information in lieu of indictment) for or convicted of violating any of the U.S. criminal statutes enumerated in §120.27 of this subchapter or violating a foreign criminal law on exportation of defense articles where conviction of such law carries a minimum term of imprisonment of greater than 1 year, or becomes ineligible to contract with, or to receive a license or other approval to export or temporarily import defense articles or defense services.

(2) Whether the intended registrant is foreign owned or foreign controlled (see §120.37 of this subchapter). If the intended registrant is foreign owned or foreign controlled, the certification shall include an explanation of such ownership or control, including the identities of the foreign person or persons who ultimately own or control the registrant. This requirement applies to a registrant who is a U.S. person and is owned or controlled by a foreign person. It also applies to a registrant who is a foreign person and is owned or controlled by a foreign person from the same country or a foreign person from another country.

§ 122.3 Registration fees.

(a) Frequency of registration and fee. A person who is required to register must do so on an annual basis by submitting a completed Statement of Registration (form DS–2032) and payment of a fee following the payment guidelines available on the Directorate of Defense Trade Controls Web site at www.pmdtc.state.gov. For those renewing a registration, notice of the fee due for the next year’s registration will be sent to the registrant of record at least 60 days prior to its expiration date.

(b) Expiration of registration. A registrant must submit its request for registration renewal at least 30 days but no earlier than 60 days prior to the expiration date.

(c) Lapse in registration. A registrant who fails to renew a registration and, after an intervening period, seeks to register again must pay registration fees for any part of such intervening period during which the registrant engaged in the business of manufacturing or exporting defense articles or defense services.

§ 122.4 Notification of changes in information furnished by registrants.

(a) A registrant must, within five days of the event, provide to the Directorate of Defense Trade Controls a written notification, signed by a senior officer (e.g., chief executive officer, president, secretary, partner, member, treasurer, general counsel), if:

(1) Any of the persons referred to in §122.2(b) is indicted or otherwise charged (e.g., by criminal information in lieu of indictment) for or convicted of violating any of the U.S. criminal statutes enumerated in §120.27 of this subchapter or violating a foreign criminal law on exportation of defense articles where conviction of such law carries a minimum term of imprisonment of greater than 1 year, or becomes ineligible to contract with, or to receive a license or other approval to export or temporarily import defense articles or defense services from any agency of the U.S. Government; or

3. Unclassified temporary imports must be made on Form DSP–61; or
4. Classified exports or temporary imports must be made on Form DSP–85.

(b) Applications for Department of State export or temporary import licenses for proposed exports or temporary imports of defense articles, including technical data, may include commodities, software, and technical data subject to the EAR (see § 120.42 of this subchapter) if:

1. The purchase documentation (e.g., purchase order, contract, letter of intent, or other appropriate documentation) includes both defense articles described on the U.S. Munitions List and items on the Commerce Control List;
2. The commodities, software, and technical data subject to the EAR are for end-use in or with the U.S. Munitions List defense article(s) proposed for export; and
3. The license application separately enumerates the commodities, software, and technical data subject to the EAR in a U.S. Munitions List “(x)” paragraph entry.

(c) As a condition to the issuance of a license or other approval, the Directorate of Defense Trade Controls may require all pertinent documentation regarding the proposed transaction and proper completion of the application form as follows:

1. Form DSP–5, DSP–61, DSP–73, and DSP–85 applications must have an entry in each block where space is provided for an entry. All requested information must be provided. Stating “Not Applicable” or “See Attached” is not acceptable. See the Directorate of Defense Trade Controls Internet Web site for additional guidance on the completion of a license application form;
2. Attachments and supporting technical data or brochures should be submitted with the license application. All freight forwarders and U.S. consignors must be listed in the license application. See the Directorate of Defense Trade Controls Internet Web site for instructions and limitations on attaching documentation;
3. Certification by an empowered official must accompany all application submissions (see § 126.13 of this subchapter);
4. An application for a license for the permanent export of defense articles sold commercially must be accompanied by purchase documentation (e.g., purchase order, contract, letter of intent, or other appropriate documentation). In cases involving the Foreign Military Sales program, a copy of the relevant Letter of Offer and Acceptance is required, unless the procedures of § 126.4(c) or § 126.6 of this subchapter are followed;
5. Form DSP–83, duly executed, must accompany all license applications for the permanent export of significant military equipment, including classified defense articles or classified technical data (see §§ 123.10 and 125.3 of this subchapter); and
6. A statement concerning the payment of political contributions, fees, and commissions must accompany a permanent export application if the export involves defense articles or defense services valued in an amount of $500,000 or more and is being sold commercially to or for the use of the armed forces of a foreign country or international organization (see part 130 of this subchapter).

(d) Provisions for furnishing the type of defense services described in § 120.9(a) of this subchapter are contained in part 124 of this subchapter. Provisions for the export or temporary import of technical data and classified
defense articles are contained in part 125 of this subchapter.

(e) A request for a license for the export of unclassified technical data (DSP–5) related to a classified defense article should specify any classified technical data or material that subsequently will be required for export in the event of a sale.

§ 123.2 Import jurisdiction.

The Department of State regulates the temporary import of defense articles. Permanent imports of defense articles into the United States are regulated by the Department of the Justice’s Bureau of Alcohol, Tobacco, Firearms and Explosives under the direction of the Attorney General (see 27 CFR parts 447, 478, 479, and 555).

§ 123.3 Temporary import licenses.

(a) A license (DSP–61) issued by the Directorate of Defense Trade Controls is required for the temporary import and subsequent export of unclassified defense articles, unless exempted from this requirement pursuant to §123.4. This requirement applies to:

(1) Temporary imports of unclassified defense articles that are to be returned directly to the country from which they were shipped to the United States;

(2) Temporary imports of unclassified defense articles in transit to a third country;

(b) A bond may be required as appropriate (see part 125 of this subchapter for license requirements for technical data and classified defense articles.)

(c) A DSP–61 license may be obtained by a U.S. importer in satisfaction of §123.4(c)(4) of this subchapter. If a foreign exporter requires documentation for a permanent import, the U.S. importer must contact the Department of Justice’s Bureau of Alcohol, Tobacco, Firearms and Explosives for the appropriate documentation. A DSP–61 will not be approved to support permanent import requirements.

[58 FR 39299, July 22, 1993, as amended at 71 FR 20540, Apr. 21, 2006; 77 FR 22670, Apr. 17, 2012]

§ 123.4 Temporary import license exemptions.

(a) Port Directors of U.S. Customs and Border Protection shall permit the temporary import (and subsequent export) without a license, for a period of up to 4 years, of unclassified U.S.-origin defense items (including any items manufactured abroad pursuant to U.S. Government approval) if the item temporarily imported:

(1) Is serviced (e.g., inspection, testing, calibration or repair, including overhaul, reconditioning and one-to-one replacement of any defective items, parts or components, but excluding any modifications, enhancement, upgrade or other form of alteration or improvement that changes the basic performance of the item), and is subsequently returned to the country from which it was imported. Shipment may be made by the U.S. importer or a foreign government representative of the country from which the goods were imported; or

(2) Is to be enhanced, upgraded or incorporated into another item which has already been authorized by the Directorate of Defense Trade Controls for permanent export; or

(3) Is imported for the purpose of exhibition, demonstration or marketing in the United States and is subsequently returned to the country from which it was imported; or

(4) Has been rejected for permanent import by the Department of the Treasury and is being returned to the country from which it was shipped; or

(5) Is approved for such import under the U.S. Foreign Military Sales (FMS) program pursuant to an executed U.S. Department of Defense Letter of Offer and Acceptance (LOA).

Note: These Exceptions do not apply to shipments that transit the U.S. to or from Canada (see §123.19 and §128.3 of this subchapter for exceptions).

(b) Port Directors of U.S. Customs and Border Protection shall permit the
§ 123.5 Temporary export licenses.

(a) The Directorate of Defense Trade Controls may issue a license for the temporary export of unclassified defense articles (DSP–73). Such licenses are valid only if the article will be exported for a period of less than 4 years and will be returned to the United States and transfer of title will not occur during the period of temporary export. Accordingly, articles exported pursuant to a temporary export license may not be sold or otherwise permanently transferred to a foreign person while they are overseas under a temporary export license. A renewal of the license or other written approval must be obtained from the Directorate of Defense Trade Controls if the article is to remain outside the United States beyond the period for which the license is valid.

(b) Requirements. Defense articles authorized for temporary export under this section may be shipped only from a port in the United States where a Port Director of U.S. Customs and Border Protection is available, or from a U.S. Post Office (see 39 CFR part 20), as appropriate. The license for temporary export must be presented to the Port Director of U.S. Customs and Border Protection at the time of temporary export.

§ 123.5 Temporary export licenses.

(a) The Directorate of Defense Trade Controls may issue a license for the temporary export of unclassified defense articles (DSP–73). Such licenses are valid only if the article will be exported for a period of less than 4 years and will be returned to the United States and transfer of title will not occur during the period of temporary export. Accordingly, articles exported pursuant to a temporary export license may not be sold or otherwise permanently transferred to a foreign person while they are overseas under a temporary export license. A renewal of the license or other written approval must be obtained from the Directorate of Defense Trade Controls if the article is to remain outside the United States beyond the period for which the license is valid.

(b) Requirements. Defense articles authorized for temporary export under this section may be shipped only from a port in the United States where a Port Director of U.S. Customs and Border Protection is available, or from a U.S. Post Office (see 39 CFR part 20), as appropriate. The license for temporary export must be presented to the Port Director of U.S. Customs and Border Protection at the time of temporary export.

Department of State

§ 123.9 Country of ultimate destination and approval of reexports or retransfers.

(a) The country designated as the country of ultimate destination on an application for an export license, or in an Electronic Export Information filing where an exemption is claimed under this subchapter, must be the country of ultimate end-use. The written approval of the Directorate of Defense Trade Controls must be obtained before reselling, transferring, reexporting, retransferring, transshipping, or disposing of a defense article to any end-user, end-use, or destination other than as stated on the export license, or in the Electronic Export Information filing in cases where an exemption is claimed under this subchapter, except in accordance with the provisions of an exemption under this subchapter that

§ 123.8 Special controls on vessels, aircraft and satellites covered by the U.S. Munitions List.

(a) Transferring registration or control to a foreign person of any aircraft, vessel, or satellite on the U.S. Munitions List is an export for purposes of this subchapter and requires a license or written approval from the Directorate of Defense Trade Controls. This requirement applies whether the aircraft, vessel, or satellite is physically located in the United States or abroad.

(b) The registration in a foreign country of any aircraft, vessel or satellite covered by the U.S. Munitions List which is not registered in the United States but which is located in the United States constitutes an export. A license or written approval from the Directorate of Defense Trade Controls is therefore required. Such transactions may also require the prior approval of the U.S. Department of Transportation's Maritime Administration, the Federal Aviation Administration or other agencies of the U.S. Government.

§ 123.7 Exports to warehouses or distribution points outside the United States.

Unless the exemption under §123.16(b)(1) is used, a license is required to export defense articles to a warehouse or distribution point outside the United States for subsequent resale and will normally be granted only if an agreement has been approved pursuant to §124.14 of this subchapter.

§ 123.6 Foreign trade zones and U.S. Customs and Border Protection bonded warehouses.

Foreign trade zones in the United States and U.S. Customs and Border Protection bonded warehouses are considered integral parts of the United States for the purpose of this subchapter. An export license is therefore not required for shipment between the United States and a foreign trade zone or a U.S. Customs and Border Protection bonded warehouse. In the case of classified defense articles, the provisions of the Department of Defense National Industrial Security Program Operating Manual will apply. An export license is required for all shipments of articles on the U.S. Munitions List from foreign trade zones and U.S. Customs and Border Protection bonded warehouses to foreign countries, regardless of how the articles reached the zone or warehouse.

§ 123.9 Country of ultimate destination and approval of reexports or retransfers.

(a) The country designated as the country of ultimate destination on an application for an export license, or in an Electronic Export Information filing where an exemption is claimed under this subchapter, must be the country of ultimate end-use. The written approval of the Directorate of Defense Trade Controls must be obtained before reselling, transferring, reexporting, retransferring, transshipping, or disposing of a defense article to any end-user, end-use, or destination other than as stated on the export license, or in the Electronic Export Information filing in cases where an exemption is claimed under this subchapter, except in accordance with the provisions of an exemption under this subchapter that...
explicitly authorizes the resell, transfer, reexport, retransfer, transshipment, or disposition of a defense article without such approval. Exporters must determine the specific end-user, end-use, and destination prior to submitting an application to the Directorate of Defense Trade Controls or claiming an exemption under this subchapter.

**NOTE TO PARAGRAPH (a):** In making the aforementioned determination, a person is expected to review all readily available information, including information readily available to the public generally as well as information readily available from other parties to the transaction.

(b) The exporter, U.S. or foreign, must inform the end-user and all consignees that the defense articles being exported are subject to U.S. export laws and regulations as follows:

(1) The exporter, U.S. or foreign, must incorporate the following statement as an integral part of the bill of lading, air waybill, or other shipping document, and the purchase documentation or invoice whenever defense articles are to be exported, retransferred, or reexported pursuant to a license or other approval under this subchapter: ''These commodities are authorized by the U.S. Government for export only to [country of ultimate destination] for use by [end-user] under [license or other approval number or exemption citation]. They may not be resold, diverted, transferred, or otherwise be disposed of, to any other country or to any person other than the authorized end-user or consignee(s), either in their original form or after being incorporated into other end-items, without first obtaining approval from the U.S. Department of State or use of an applicable exemption.''

(2) When exporting items subject to the EAR (see §§120.42 and 123.1(b) of this subchapter) on a Department of State license or other approval, the U.S. exporter must provide to the end-user and consignees in the purchase documentation or other support documentation submitted with the Department of State license or other approval request the appropriate EAR classification information for each item exported pursuant to a U.S. Munitions List (‘‘x’’) paragraph. This includes the appropriate ECCN or EAR99 designation.

(c) Any U.S. person or foreign person requesting written approval from the Directorate of Defense Trade Controls for the reexport, retransfer, other disposition, or change in end-use, end-user, or destination of a defense article initially exported or transferred pursuant to a license or other written approval, or an exemption under this subchapter, must submit all the documentation required for a permanent export license (see §123.1 of this subchapter) and shall also submit the following:

(1) The license number, written authorization, or exemption under which the defense article or defense service was previously authorized for export from the United States (NOTE: For exports under exemptions at §126.16 or §126.17 of this subchapter, the original end-use, program, project, or operation under which the item was exported must be identified);

(2) A precise description, quantity, and value of the defense article or defense service;

(3) A description and identification of the new end-user, end-use, and destination; and

(4) With regard to any request for such approval relating to a defense article or defense service initially exported pursuant to an exemption contained in §126.16 or §126.17 of this subchapter, written request for the prior approval of the transaction from the Directorate of Defense Trade Controls must be submitted: By the original U.S. exporter, provided a written request is received from a member of the Australian Community, as identified in §126.16 of this subchapter, or the United Kingdom Community, as identified in §126.17 of this subchapter (where such a written request includes a written certification from the member of the Australian Community or the United Kingdom Community providing the information set forth in §126.17 of this subchapter); or by a member of the Australian Community or the United Kingdom Community, where such request provides the information set forth in this section. All persons must continue to comply with statutory and regulatory requirements outside of this

506
subchapter concerning the import of defense articles and defense services or the possession or transfer of defense articles, including, but not limited to, regulations issued by the Bureau of Alcohol, Tobacco, Firearms and Explosives found at 27 CFR parts 447, 478, and 479, which are unaffected by the Defense Trade Cooperation Treaty between the United States and the United Kingdom and continue to apply fully to defense articles and defense services subject to either of the aforementioned treaties and the exemptions contained in §126.17 of this subchapter.

(d) [Reserved]

(e) Reexports or retransfers of U.S.-origin components incorporated into a foreign defense article to NATO, NATO agencies, a government of a NATO country, or the governments of Australia, Israel, Japan, New Zealand, or the Republic of Korea are authorized without the prior written approval of the Directorate of Defense Trade Controls, provided:

1. The U.S.-origin components were previously authorized for export from the United States, either by a license, written authorization, or an exemption other than those described in either §126.16 or §126.17 of this subchapter;
2. The U.S.-origin components are not significant military equipment, the items are not major defense equipment sold under contract in the amount of $25,000,000 ($25 million) or more; the articles are not defense articles or defense services sold under a contract in the amount of $100,000,000 ($100 million) or more; and are not identified in part 121 of this subchapter as Missile Technology Control Regime (MTCR) items; and
3. The person reexporting the defense article provides written notification to the Directorate of Defense Trade Controls of the retransfer not later than 30 days following the reexport. The notification must state the articles being reexported and the recipient government.
4. The original license or other approval of the Directorate of Defense Trade Controls did not include retransfer or reexport restrictions prohibiting use of this exemption.

§ 123.10 Non-transfer and use assurances.

(a) A nontransfer and use certificate (Form DSP–83) is required for the export of significant military equipment and classified articles, including classified technical data. A license will not be issued until a completed Form DSP–83 has been received by the Directorate of Defense Trade Controls. This form is to be executed by the foreign consignee, foreign end-user, and the applicant. The certificate stipulates that, except as specifically authorized by prior written approval of the Department of State, the foreign consignee and foreign end-user will not reexport, resell or otherwise dispose of the significant military equipment enumerated in the application outside the country named as the location of the foreign end-use or to any other person.

(b) The Directorate of Defense Trade Controls may also require a DSP–83 for the export of any other defense articles, including technical data, or defense services.

(c) When a DSP–83 is required for an export of any defense article or defense service to a non-governmental foreign end-user, the Directorate of Defense Trade Controls may require as a condition of issuing the license that the appropriate authority of the government of the country of ultimate destination also execute the certificate.

§ 123.11 Movements of vessels and aircraft covered by the U.S. Munitions List outside the United States.

(a) A license issued by the Directorate of Defense Trade Controls is required whenever a privately-owned aircraft or vessel on the U.S. Munitions List makes a voyage outside the United States.

(b) Exemption. An export license is not required when a vessel or aircraft referred to in paragraph (a) of this section departs from the United States.

§ 123.12 Shipments between U.S. possessions.

An export license is not required for the shipment of defense articles between the United States, the Commonwealth of Puerto Rico, and U.S. possessions. A license is required, however, for the export of defense articles from these areas to foreign countries.

§ 123.13 Domestic aircraft shipments via a foreign country.

A license is not required for the shipment by air of a defense article from one location in the United States to another location in the United States via a foreign country. The pilot of the aircraft must, however, file a written statement with the Port Director of U.S. Customs and Border Protection at the port of exit in the United States. The original statement must be filed at the time of exit with the Port Director of U.S. Customs and Border Protection. A duplicate must be filed at the port of reentry with the Port Director of U.S. Customs and Border Protection, who will duly endorse it and transmit it to the Port Director of U.S. Customs and Border Protection at the port of exit. The statement will be as follows:

§ 123.14 Import certificate/delivery verification procedure.

(a) The Import Certificate/Delivery Verification Procedure is designed to assure that a commodity imported into the territory of those countries participating in IC/DV procedures will not be diverted, transshipped, or reexported to another destination except in accordance with export control regulations of the importing country.

(b) Exports. The Directorate of Defense Trade Controls may require the IC/DV procedure on proposed exports of defense articles to non-government entities in those countries participating in IC/DV procedures. In such cases, U.S. exporters must submit both an export license application (the completed Form DSP–5) and the original Import Certificate, which must be provided and authenticated by the government of the importing country. This document verifies that the foreign importer complied with the import regulations of the government of the importing country and that the importer declared the intention not to divert, transship or reexport the material described therein without the prior approval of that government. After delivery of the commodities to the foreign consignee, the Directorate of Defense Trade Controls may also require U.S. exporters to furnish Delivery Verification documentation from the government of the importing country. This documentation verifies that the delivery was in accordance with the terms of the approved export license. Both the Import Certificate and the Delivery Verification must be furnished to the U.S. exporter by the foreign importer.

(c) Triangular transactions. When a transaction involves three or more
countries that have adopted the IC/DV procedure, the governments of these countries may stamp a triangular symbol on the Import Certificate. This symbol is usually placed on the Import Certificate when the applicant for the Import Certificate (the importer) states either (1) that there is uncertainty whether the items covered by the Import Certificate will be imported into the country issuing the Import Certificate; (2) that he or she knows that the items will not be imported into the country issuing the Import Certificate; or (3) that, if the items are to be imported into the country issuing the Import Certificate, they will subsequently be reexported to another destination. All parties, including the ultimate consignee in the country of ultimate destination, must be shown on the completed Import Certificate.

§ 123.15 Congressional certification pursuant to Section 36(c) of the Arms Export Control Act.

(a) The Arms Export Control Act requires that a certification be provided to the Congress prior to the granting of any license or other approval for transactions, in the amounts described below, involving exports of any defense articles and defense services and for exports of major defense equipment, as defined in §120.8 of this subchapter. Approvals may not be granted when the Congress has enacted a joint resolution prohibiting the export. Certification is required for any transaction involving:

(1) A license for the export of major defense equipment sold under a contract in the amount of $14,000,000 or more, or for defense articles and defense services sold under a contract in the amount of $50,000,000 or more, to any country that is not a member of the North Atlantic Treaty Organization (NATO), or Australia, Israel, Japan, New Zealand, or the Republic of Korea, that does not authorize a new sales territory; or

(2) A license for export to a country that is a member country of NATO, or Australia, Israel, Japan, New Zealand, or the Republic of Korea, of major defense equipment sold under a contract in the amount of $25,000,000 or more, or for defense articles and defense services sold under a contract in the amount of $100,000,000 or more, and provided the transfer does not include any other countries; or

(3) A license for export of a firearm controlled under Category 1 of the United States Munitions List, of this subchapter, in an amount of $1,000,000 or more.

(b) Unless an emergency exists which requires the final export in the national security interests of the United States, approval may not be granted for any transaction until at least 15 calendar days have elapsed after receipt by the Congress of the certification required by 22 U.S.C. 2776(c)(1) involving NATO, or Australia, Israel, Japan, New Zealand, or the Republic of Korea or at least 30 calendar days have elapsed for any other country; in the case of a license for an export of a commercial communications satellite for launch from, and by nationals of, the Russian Federation, Ukraine, or Kazakhstan, until at least 15 calendar days after the Congress receives such certification.

(c) Persons who intend to export defense articles and defense services pursuant to any exemption in this subchapter under the circumstances described in this section must provide written notification to the Directorate of Defense Trade Controls and include a signed contract and a DSP-83 signed by the applicant, the foreign consignee and the end-user.

§ 123.16 Exemptions of general applicability.

(a) The following exemptions apply to exports of unclassified defense articles for which no approval is needed from the Directorate of Defense Trade Controls. These exemptions do not apply to: Proscribed destinations under §126.1 of this subchapter; exports for which Congressional notification is required (see §123.15 of this subchapter); MTCR articles; Significant Military Equipment (SME); and may not be used by persons who are generally ineligible
as described in §120.1(c) of this subchapter. All shipments of defense articles, including but not limited to those to Australia, Canada, and the United Kingdom, require an Electronic Export Information (EEI) filing or notification letter. If the export of a defense article is exempt from licensing, the EEI filing must cite the exemption. Refer to §123.22 of this subchapter for EEI filing and letter notification requirements.

(b) The following exports are exempt from the licensing requirements of this subchapter.

(1) Port Directors of U.S. Customs and Border Protection shall permit the export without a license of defense hardware being exported in furtherance of a manufacturing license agreement, technical assistance agreement, distribution agreement or an arrangement for distribution of items identified in Category XIII(b)(1), approved in accordance with part 124, provided that:

(i) The defense hardware to be exported supports the activity and is identified by item, quantity and value in the agreement or arrangement; and

(ii) Any provisos or limitations placed on the authorized agreement or arrangement are adhered to; and

(iii) The exporter identifies in the EEI filing by selecting the appropriate code that the export is exempt from the licensing requirements of this subchapter; and

(iv) The total value of all shipments does not exceed the value authorized in the agreement or arrangement.

(v) In the case of a distribution agreement, export must be made directly to the approved foreign distributor.

(2) Port Directors of U.S. Customs and Border Protection shall permit the export of components or spare parts (for exemptions for firearms and ammunition see §123.17) without a license when the total value does not exceed $500 in a single transaction and:

(i) The components or spare parts are being exported to support a defense article previously authorized for export; and

(ii) The spare parts or components are not going to a distributor, but to a previously approved end-user of the defense articles; and

(iii) The spare parts or components are not to be used to enhance the capability of the defense article;

(iv) Exporters shall not split orders so as not to exceed the dollar value of this exemption;

(v) The exporter may not make more than 24 shipments per calendar year to the previously authorized end user;

(vi) The exporter must certify on the invoice, the bill of lading, air waybill, or shipping documents that the export is exempt from the licensing requirements of this subchapter. This is done by writing "22 CFR 123.16(b)(2) applicable."

(3) Port Directors of U.S. Customs and Border Protection shall permit the export without a license of, packing cases specially designed to carry defense articles.

(4) Port Directors of U.S. Customs and Border Protection shall permit the export without a license, of unclassified models or mock-ups of defense articles, provided that such models or mock-ups are inoperable and do not reveal any technical data in excess of that which is exempt from the licensing requirements of §125.4(b) of this subchapter and do not contain components (see §120.45(b) of this subchapter) covered by the U.S. Munitions List (see §121.1 of this subchapter). Some models or mockups built to scale or constructed of original materials can reveal technical data. U.S. persons who avail themselves of this exemption must provide a written certification to the Port Director of U.S. Customs and Border Protection that these conditions are met. This exemption does not imply that the Directorate of Defense Trade Controls will approve the export of any defense articles for which models or mock-ups have been exported pursuant to this exemption.

(5) Port Directors of U.S. Customs and Border Protection shall permit the temporary export without a license of unclassified defense articles to any public exhibition, trade show, air show or related event if that article has previously been licensed for a public exhibition, trade show, air show or related event and the license is still valid. U.S. persons who avail themselves of this exemption must provide a written certification to the Port Director of U.S.
Department of State

(k) To use the exemptions in this section, individuals are not required to be registered with the Department of State (the registration requirement is described in part 122 of this subchapter). All other entities must be registered and eligible, as provided in §§120.1(c) and (d) and part 122 of this subchapter.

§123.20 Nuclear related controls.

(a) The provisions of this subchapter do not apply to articles, technical data, or services in Category VI, Category XV, Category XVI, or Category XX of §121.1 of this subchapter to the extent that exports of such articles, technical data, or services are controlled by the Department of Energy or the Nuclear Regulatory Commission pursuant to the Atomic Energy Act of 1954, as

(1) They are consigned to service-
men’s clubs abroad for uniformed mem-
bers of the U.S. Armed Forces; or,

(2) In the case of a uniformed mem-
ber of the U.S. Armed Forces or a civilian
employee of the Department of De-
fense, they are for personal use and not
for resale or other transfer of owner-
ship, and if the firearms are accom-
panied by a written authorization from
the commanding officer concerned; or

(3) In the case of other U.S. Govern-
ment employees, they are for personal
use and not for resale or other transfer
of ownership, and the Chief of the U.S.
Diplomatic Mission or his designee in
the country of destination has ap-
proved in writing to Department of
State the import of the specific types
and quantities of firearms into that

copy of this written statement to the
Port Director of U.S. Customs and Bor-

§123.20 Nuclear related controls.

(a) The provisions of this subchapter
do not apply to articles, technical data,
or services in Category VI, Category
XV, Category XVI, or Category XX of
§121.1 of this subchapter to the extent
that exports of such articles, technical
data, or services are controlled by the
Department of Energy or the Nuclear
Regulatory Commission pursuant to
the Atomic Energy Act of 1954, as
amended, and the Nuclear Non-Proliferation Act of 1978, as amended, or is a government transfer authorized pursuant to these Acts. For Department of Commerce controls, see 15 CFR 742.3 and 744.2, administered pursuant to Section 309(c) of the Nuclear Nonproliferation Act of 1978, as amended (42 U.S.C. 2139a(c)), and 15 CFR 744.5, which are not subject to this subchapter.

(b) The transfer of materials, including special nuclear materials, nuclear parts of nuclear weapons, or other nonnuclear parts of nuclear weapons systems involving Restricted Data or of assistance involving any person directly or indirectly engaging in the production or use thereof is prohibited except as authorized by the Atomic Energy Act of 1954, as amended. The transfer of Restricted Data or such assistance is prohibited except as authorized by the Atomic Energy Act of 1954, as amended. The technical data or defense services relating to nuclear weapons, nuclear weapons systems or related defense purposes (and such data or services relating to applications of atomic energy for peaceful purposes, or related research and development) may constitute Restricted Data or such assistance, subject to the foregoing prohibition.

(c) A license for the export of a defense article, technical data, or the furnishing of a defense service relating to defense articles referred to in Category VI(e) or Category XX(b)(1) of §121.1 of this subchapter will not be granted unless the defense article, technical data, or defense service comes within the scope of an existing Agreement for Cooperation for Mutual Defense Purposes concluded pursuant to the Atomic Energy Act of 1954, as amended, with the government of the country to which the defense article, technical data, or defense service is to be exported. Licenses may be granted in the absence of such an agreement only:

(1) If the proposed export involves an article which is identical to that in use in an unclassified civilian nuclear power plant,

(2) If the proposed export has no relationship to naval nuclear propulsion, and

(3) If it is not for use in a naval propulsion plant.

§ 123.21 Duration, renewal, and disposition of licenses.

(a) A license is valid for four years. The license expires when the total value or quantity authorized has been shipped or when the date of expiration has been reached, whichever occurs first. Defense articles to be shipped thereafter require a new application and license. The new application should refer to the expired license. It should not include references to any defense articles other than those of the unshipped balance of the expired license.

(b) Unused, expired, suspended, or revoked licenses must be handled in accordance with §123.22(c) of this subchapter.

§ 123.22 Filing, retention, and return of export licenses and filing of export information.

(a) Any export, as defined in this subchapter, of a defense article controlled by this subchapter, to include defense articles transiting the United States, requires the electronic reporting of export information. The reporting of the export information shall be to the U.S. Customs and Border Protection using the Automated Export System (AES) or directly to the Directorate of Defense Trade Controls (DDTC). Any license or other approval authorizing the permanent export of hardware must be filed at a U.S. Port before any export. Licenses or other approvals for the permanent export of technical data and defense services shall be retained by the applicant who will send the export information directly to DDTC. Temporary export or temporary import licenses for such items need not be filed with the U.S. Customs and Border Protection, but must be presented to the U.S. Customs and Border Protection for decrementing of the shipment prior to departure and at the time of entry.
The U.S. Customs and Border Protection will only decrement a shipment after the export information has been filed correctly using the AES. Before the export of any hardware using an exemption in this subchapter, the DDTC registered applicant/exporter, or an agent acting on the filer’s behalf, must electronically provide export information using the AES (see paragraph (b) of this section). In addition to electronically providing the export information to the U.S. Customs and Border Protection before export, all the mandatory documentation must be presented to the port authorities (e.g., attachments, certifications, proof of AES filing; such as the Internal Transaction Number (ITN)). Export authorizations shall be filed, retained, decremented or returned to DDTC as follows:

(b) Filing and reporting of export information—(1) Filing of export information with the U.S. Customs and Border Protection. Before exporting any hardware controlled by this subchapter, using a license or exemption, the DDTC registered applicant/exporter, or an agent acting on the filer’s behalf, must electronically file the export information with the U.S. Customs and Border Protection using the Automated Export System (AES) in accordance with the following timelines:

(i) Air or truck shipments. The export information must be electronically filed at least 8 hours prior to departure.

(ii) Sea or rail Shipments. The export information must be electronically filed at least 24 hours prior to departure.

(2) Emergency shipments of hardware that cannot meet the pre-departure filing requirements. U.S. Customs and Border Protection may permit an emergency export of hardware by truck (e.g., departures to Mexico or Canada) or air, by a U.S. registered person, when the exporter is unable to comply with the Electronic Export Information (EEI) filing timeline in paragraph (b)(1)(i) of this section. The applicant, or an agent acting on the applicant’s behalf, in addition to providing the EEI using the AES, must provide documentation required by U.S. Customs and Border Protection and this subchapter. The documentation provided to U.S. Customs and Border Protection at the port of exit must include the Internal Transaction Number (ITN) for the shipment and a copy of a notification to the Directorate of Defense Trade Controls stating that the shipment is urgent and must be accompanied by an explanation for the urgency. The original of the notification must be immediately provided to the Directorate of Defense Trade Controls. The AES filing of the export information must be made at least two hours prior to any departure by air from the United States. When shipping via ground, the AES filing must be made at the time the exporter provides the articles to the carrier or at least one hour prior.
to departure from the United States, when the permanent export of the hardware has been authorized for export:

(i) In accordance with §126.4 of this subchapter, or

(ii) On a valid license (i.e., DSP–5, DSP–94) and the ultimate recipient and ultimate end user identified on the license is a foreign government.

(3) Reporting of export information on technical data and defense service. When an export is being made using a DDTC authorization (e.g., technical data license, agreement or a technical data exemption provided in this subchapter), the DDTC registered exporter will retain the license or other approval and provide the export information electronically to DDTC as follows:

(i) Technical data license. Prior to the permanent export of technical data licensed using a Form DSP–5, the applicant shall electronically provide export information using the system for direct electronic reporting to DDTC of export information and self validate the original of the license. When the initial export of all the technical data authorized on the license has been made, the license must be returned to DDTC. Exports of copies of the licensed technical data should be made in accordance with existing exemptions in this subchapter. Should an exemption not apply, the applicant may request a new license.

(ii) Manufacturing license and technical assistance agreements. Prior to the initial export of any technical data and defense services authorized in an agreement the U.S. agreement holder must electronically inform DDTC that exports have begun. In accordance with this subchapter, all subsequent exports of technical data and services are not required to be filed electronically with DDTC except when the export is done using a U.S. Port. Records of all subsequent exports of technical data and services are not required to be filed electronically with DDTC upon request. Exports of technical data in furtherance of an agreement using a U.S. Port shall be made in accordance with §125.4 of this subchapter and made in accordance with the procedures in paragraph (b)(3)(iii) of this section.

(iii) Technical data and defense service exemptions. In any instance when technical data is exported using an exemption in this subchapter (e.g., §§125.4(b)(2), 125.4(b)(4), 125.5) from a U.S. port, the exporter is not required to report using AES, but must, effective January 18, 2004, provide export data electronically to DDTC. A copy of the electronic notification to DDTC must accompany the technical data shipment and be made available to the U.S. Customs and Border Protection upon request.

NOTE TO PARAGRAPH (b)(3)(iii): Future changes to the electronic reporting procedure will be amended by publication of a rule in the Federal Register. Exporters are reminded to continue maintaining records of all export transactions, including exemption shipments, in accordance with this subchapter.

(c) Return of licenses. Per §123.21 of this subchapter, all DSP licenses issued by the Directorate of Defense Trade Controls (DDTC) must be disposed of in accordance with the following:

(1) A DSP–5 license issued electronically by DDTC and decremented electronically by the U.S. Customs and Border Protection through the Automated Export System (AES) is not required to be returned to DDTC. If a DSP–5 license issued electronically is decremented physically in one or more instances the license must be returned to DDTC. A copy of the DSP–5 license must be maintained by the applicant in accordance with §122.5 of this subchapter.

(2) DSP–5, DSP–61, DSP–73, and DSP–85 licenses issued by DDTC but not decremented electronically by the U.S. Customs and Border Protection through AES (e.g., oral or visual technical data releases or temporary import and export licenses retained in accordance with paragraph (a)(2) of this section), must be returned by the applicant, or the government agency with which the license was filed, to DDTC upon expiration, to include when the total authorized value or quantity has been shipped. A copy of the license must be maintained by the applicant in accordance with §122.5 of this subchapter. AES does not decrement the DSP–61, DSP–73, and DSP–85 licenses.
§ 123.25 Amendments to licenses.

(a) The Directorate of Defense Trade Controls may approve an amendment to a license for permanent export, temporary export and temporary import of unclassified defense articles. A suggested format is available from the Directorate of Defense Trade Controls.

(b) The following types of amendments to a license will be considered: Addition of U.S. freight forwarder or U.S. consignor; change due to an obvious typographical error; change in source of commodity; and change of foreign intermediate consignee if that party is only transporting the equipment and will not process (e.g., integrate, modify) the equipment. § 123.27 Special licensing regime for export to U.S. allies of commercial communications satellite components, systems, parts, accessories, attachments and associated technical data.

(a) U.S. persons engaged in the business of exporting specifically designed or modified components, systems, parts, accessories, attachments, associated equipment and certain associated technical data for commercial communications satellites, and who are so registered with the Directorate of Defense Trade Controls pursuant to part 122 of this subchapter, may submit license applications for multiple permanent and temporary exports and temporary imports of such articles for expeditious consideration without meeting the documentary requirements of §123.1(c)(4) and (5) concerning purchase orders, letters of intent, contracts and non-transfer and end use certificates, or the documentary requirements of §123.9, concerning approval of re-exports or re-transfers, when all of the following requirements are met:

(1) The proposed exports or re-exports concern exclusively one or more countries of the North Atlantic Treaty Organization (see §120.31 of this subchapter) and/or one or more countries which have been designated in accordance with section 517 of the Foreign Assistance Act of 1961 and with section 1206 of the Foreign Relations Authorization Act, Fiscal Year 2003 as a major non-NATO ally (see §120.32 of this subchapter).

(2) The proposed exports concern exclusively one or more foreign persons (e.g., companies or governments) located within the territories of the countries identified in paragraph (a)(1) of this section, and one or more commercial communications satellite programs included within a list of such persons and programs approved by the U.S. Government for purposes of this section, as signified in a list of such persons and programs that will be publicly available through the Internet Web site of the Directorate of Defense Trade Controls and by other means.

(3) The articles are not major defense equipment sold under a contract in the amount of $14,000,000 or more or defense articles or defense services sold under a contract in the amount of $50,000,000 or more (for which purpose, as is customary, exporters may not split contracts or purchase orders). Items meeting these statutory thresholds must be submitted on a separate
license application to permit the required notification to Congress pursuant to section 36(c) of the Arms Export Control Act.

(4) The articles are not detailed design, development, manufacturing or production data and do not involve the manufacture abroad of significant military equipment.

(5) The U.S. exporter provides complete shipment information to the Directorate of Defense Trade Controls within 15 days of shipment by submitting a report containing a description of the item and the quantity, value, port of exit, and end-user and country of destination of the item, and at that time meets the documentary requirements of §123.1(c)(4) and (5), the documentary requirements of §123.9 in the case of re-exports or re-transfers, and, other documentary requirements that may be imposed as a condition of a license (e.g., parts control plans for MTCR-controlled items). The shipment information reported must include a description of the item and quantity, value, port of exit and end user and country of destination of the item.

(6) At any time in which an item exported pursuant to this section is proposed for re-transfer outside of the approved territory, programs or persons (e.g., such as in the case of an item included in a satellite for launch beyond the approved territory), the detailed requirements of §123.9 apply with regard to obtaining the prior written consent of the Directorate of Defense Trade Controls.

(c) The Directorate of Defense Trade Controls will consider, on a case-by-case basis, requests to include additional foreign companies and satellite programs within the geographic coverage of a license application submitted pursuant to this section from countries not otherwise covered, who are members of the European Space Agency or the European Union. In no case, however, can the provisions of this section apply or be relied upon by U.S. exporters in the case of countries who are subject to the mandatory requirements of Section 1514 of the Strom Thurmond National Defense Authorization Act for Fiscal Year 1999 (Pub. L. 105–261), concerning national security controls on satellite export licensing.

(d) Registered U.S. exporters may request at the time of a license application submitted pursuant to this section that additional foreign persons or communications satellite programs be added to the lists referred to in paragraph (a)(2) of this section, which additions, if approved, will be included within the publicly available lists of authorized recipients and programs.

§ 124.1 Manufacturing license agreements and technical assistance agreements.

(a) Approval. The approval of the Directorate of Defense Trade Controls must be obtained before the defense services described in §120.9(a) of this subchapter may be furnished. In order to obtain such approval, the U.S. person must submit a proposed agreement to the Directorate of Defense Trade Controls. Such agreements are generally characterized as manufacturing license agreements, technical assistance agreements, distribution agreements, or off-shore procurement agreements, and may not enter into force without the prior written approval of the Directorate of Defense Trade Controls. Once approved, the defense services described in the agreements may generally be provided without further licensing in accordance with §§124.3 and 125.4(b)(2) of this subchapter. The requirements of this section apply whether or not technical data is to be disclosed or used in the performance of the defense services described in §120.9(a) of this subchapter (e.g., all the information relied upon by the U.S. person in performing the defense service is in the public domain or is otherwise exempt from licensing requirements of this subchapter pursuant to §125.4 of this subchapter). This requirement also applies to the training of any foreign military forces, regular and irregular, in the use of defense articles. Technical assistance agreements must be submitted in such cases. In exceptional cases, the Directorate of Defense Trade Controls, upon written request, will consider approving the provision of defense services described in §120.9(a) of this subchapter by granting a license under part 125 of this subchapter.

(b) Classified articles. Copies of approved agreements involving the release of classified defense articles will be forwarded by the Directorate of Defense Trade Controls to the Defense Security Service of the Department of Defense.

(c) Amendments. Changes to the scope of approved agreements, including modifications, upgrades, or extensions must be submitted for approval. The amendments may not enter into force until approved by the Directorate of Defense Trade Controls.

(d) Minor amendments. Amendments which only alter delivery or performance schedules, or other minor administrative amendments which do not affect in any manner the duration of the agreement or the clauses or information which must be included in such agreements because of the requirements of this part, do not have to be submitted for approval. One copy of all such minor amendments must be submitted to the Directorate of Defense Trade Controls within thirty days after they are concluded.

§ 124.2 Exemptions for training and military service.

(a) Technical assistance agreements are not required for the provision of training in the basic operation and maintenance of defense articles lawfully exported or authorized for export to the same recipient. This does not include training in intermediate and depot level maintenance.

(b) Services performed as a member of the regular military forces of a foreign nation by U.S. persons who have been drafted into such forces are not deemed to be defense services for purposes of §120.9 of this subchapter.

(c) NATO countries, Australia, Japan, and Sweden, in addition to the basic maintenance training exemption provided in §124.2(a) and basic maintenance information exemption in §125.4(b)(5) of this subchapter, no technical assistance agreement is required.
for maintenance training or the performance of maintenance, including the export of supporting technical data, when the following criteria can be met:

(1) Defense services are for unclassified U.S.-origin defense articles lawfully exported or authorized for export and owned or operated by and in the inventory of NATO or the Federal Governments of NATO countries, Australia, Japan or Sweden.

(2) This defense service exemption does not apply to any transaction involving defense services for which congressional notification is required in accordance with §123.15 and §124.11 of this subchapter.

(3) Maintenance training or the performance of maintenance must be limited to inspection, testing, calibration or repair, including overhaul, reconditioning and one-to-one replacement of any defective items, parts or components; and excluding any modification, enhancement, upgrade or other form of alteration or improvement that enhances the performance or capability of the defense article. This does not preclude maintenance training or the performance of maintenance that would result in enhancements or improvements only in the reliability or maintainability of the defense article, such as an increased mean time between failure (MTBF).

(4) Supporting technical data must be unclassified and must not include software documentation on the design or details of the computer software, software source code, design methodology, engineering analysis or manufacturing know-how such as that described in paragraphs (c)(4)(i) through (c)(4)(iii) as follows:

(i) Design methodology, such as: The underlying engineering methods and design philosophy utilized (i.e., the “why”) or information that explains the rationale for particular design decision, engineering feature, or performance requirement; engineering experience (e.g., lessons learned); and the rationale and associated databases (e.g., design allowables, factors of safety, component life predictions, failure analysis criteria) that establish the operational requirements (e.g., performance, mechanical, electrical, electronic, reliability and maintainability) of a defense article.

(ii) Engineering analysis, such as: Analytical methods and tools used to design or evaluate a defense article’s performance against the operational requirements. Analytical methods and tools include the development and/or use of mockups, computer models and simulations, and test facilities.

(iii) Manufacturing know-how, such as: Information that provides detailed manufacturing processes and techniques needed to translate a detailed design into a qualified, finished defense article.

(5) This defense service exemption does not apply to maintenance training or the performance of maintenance and service or the transfer of supporting technical data for the following defense articles:

(i) All Missile Technology Control Regime Annex Items;

(ii) Firearms listed in Category I; and ammunition listed in Category III for the firearms in Category I;

(iii) [Reserved]

(iv) Naval nuclear propulsion equipment listed in USML Category VI and USML Category XX;

(v) Gas turbine engine hot sections covered by Categories VI(f) and VIII(b);

(vi) Category VIII(f);

(vii) Category XII(c);

(viii) Chemical agents listed in Category XIV (a), biological agents in Category XIV (b), and equipment listed in Category XIV (c) for dissemination of the chemical agents and biological agents listed in Categories XIV (a) and (b);

(ix) [Reserved]

(x) Category XV;

(xi) [Reserved]

(xii) Submersible and semi-submersible vessels and related articles covered in USML Category XX; or

(xiii) Miscellaneous articles covered by Category XXI.

§ 124.3 Exports of technical data in furtherance of an agreement.

(a) Unclassified technical data. The U.S. Customs and Border Protection or U.S. Postal authorities shall permit the export without a license of unclassified technical data if the export is in furtherance of a manufacturing license or technical assistance agreement which has been approved in writing by the Directorate of Defense Trade Controls (DDTC) and the technical data does not exceed the scope or limitations of the relevant agreement. The approval of the DDTC must be obtained for the export of any unclassified technical data that may exceed the terms of the agreement.

(b) Classified technical data. The export of classified information in furtherance of an approved manufacturing license or technical assistance agreement which provides for the transmittal of classified information does not require further approval from the Directorate of Defense Trade Controls when:

(1) The United States party certifies to the Department of Defense transmittal authority that the classified information does not exceed the technical or product limitations in the agreement; and

(2) The U.S. party complies with the requirements of the Department of Defense National Industrial Security Program Operating Manual concerning the transmission of classified information (unless such requirements are in direct conflict with guidance provided by the Directorate of Defense Trade Controls, in which case the latter guidance must be followed) and any other requirements of cognizant U.S. departments or agencies.

§ 124.4 Deposit of signed agreements with the Directorate of Defense Trade Controls.

(a) The United States party to a manufacturing license or a technical assistance agreement must file one copy of the concluded agreement with the Directorate of Defense Trade Controls not later than 30 days after it enters into force. If the agreement is not concluded within one year of the date of approval, the Directorate of Defense Trade Controls must be notified in writing and be kept informed of the status of the agreement until the requirements of this paragraph or the requirements of §124.5 are satisfied.

(b) In the case of concluded agreements involving coproduction or licensed production outside of the United States of defense articles of United States origin, a written statement must accompany filing of the concluded agreement with the Directorate of Defense Trade Controls, which shall include:

(1) The identity of the foreign countries, international organization, or foreign firms involved;

(2) A description and the estimated value of the articles authorized to be produced, and an estimate of the quantity of the articles authorized to be produced;

(3) A description of any restrictions on third-party transfers of the foreign-manufactured articles; and

(4) If any such agreement does not provide for United States access to and verification of quantities of articles produced overseas and their disposition in the foreign country, a description of alternative measures and controls to ensure compliance with restrictions in the agreement on production quantities and third-party transfers.

§ 124.5 Proposed agreements that are not concluded.

The United States party to any proposed manufacturing license agreement or technical assistance agreement must inform the Directorate of Defense Trade Controls if a decision is made not to conclude the agreement. The information must be provided.
within 60 days of the date of the decision. These requirements apply only if the approval of the Directorate of Defense Trade Controls was obtained for the agreement to be concluded (with or without any provisos).

§ 124.6 Termination of manufacturing license agreements and technical assistance agreements.

The U.S. party to a manufacturing license or a technical assistance agreement must inform the Directorate of Defense Trade Controls in writing of the impending termination of the agreement not less than 30 days prior to the expiration date of such agreement.

§ 124.7 Information required in all manufacturing license agreements and technical assistance agreements.

The following information must be included in all proposed manufacturing license agreements and technical assistance agreements. The information should be provided in terms which are as precise as possible. If the applicant believes that a clause or that required information is not relevant or necessary, the applicant may request the omission of the clause or information. The transmittal letter accompanying the agreement must state the reasons for any proposed variation in the clauses or required information.

(1) The agreement must describe the defense article to be manufactured and all defense articles to be exported, including any test and support equipment or advanced materials. They should be described by military nomenclature, contract number, National Stock Number, nameplate data, or other specific information. Only defense articles listed in the agreement will be eligible for export under the exemption in §123.16(b)(1) of this subchapter.

(2) The agreement must specifically describe the assistance and technical data, including the design and manufacturing know-how involved, to be furnished and any manufacturing rights to be granted;

(3) The agreement must specify its duration; and

(4) The agreement must specifically identify the countries or areas in which manufacturing, production, processing, sale or other form of transfer is to be licensed.

§ 124.8 Clauses required both in manufacturing license agreements and technical assistance agreements.

The following statements must be included both in manufacturing license agreements and in technical assistance agreements:

(1) “This agreement shall not enter into force, and shall not be amended or extended, without the prior written approval of the Department of State of the U.S. Government.”

(2) “This agreement is subject to all United States laws and regulations relating to exports and to all administrative acts of the U.S. Government pursuant to such laws and regulations.”

(4) “No liability will be incurred by or attributed to the U.S. Government in connection with any possible infringement of privately owned patent or proprietary rights, either domestic or foreign, by reason of the U.S. Government’s approval of this agreement.”

(5) The technical data or defense service exported from the United States in furtherance of this agreement and any defense article which may be produced or manufactured from such technical data or defense service may not be transferred to a foreign person except pursuant to §§124.16 and 126.18, as specifically authorized in this agreement, or where prior written approval of the Department of State has been obtained.

(6) “All provisions in this agreement which refer to the United States Government and the Department of State will remain binding on the parties after the termination of the agreement.”

§ 124.9 Additional clauses required only in manufacturing license agreements.

(a) Clauses for all manufacturing license agreements. The following clauses must be included only in manufacturing license agreements:

(1) ‘‘No export, sale, transfer, or other disposition of the licensed article is authorized to any country outside the territory wherein manufacture or sale is herein licensed without the prior written approval of the U.S. Government unless otherwise exempted by the U.S. Government. Sales or other transfers of the licensed article shall be limited to governments of countries wherein manufacture or sale is hereby licensed and to private entities seeking to procure the licensed article pursuant to a contract with any such government unless the prior written approval of the U.S. Government is obtained.’’

(2) ‘‘It is agreed that sales by licensee or its sub-licensees under contracts made through the U.S. Government will not include either charges for patent rights in which the U.S. Government holds a royalty-free license, or charges for data which the U.S. Government has a right to use and disclose to others, which are in the public domain, or which the U.S. Government has acquired or is entitled to acquire without restrictions upon their use and disclosure to others.’’

(3) ‘‘If the U.S. Government is obligated or becomes obligated to pay to the licensor royalties, fees, or other charges for the use of technical data or patents which are involved in the manufacture, use, or sale of any licensed article, any royalties, fees or other charges in connection with purchases of such licensed article from licensee or its sub-licensees with funds derived through the U.S. Government may not exceed the total amount the U.S. Government would have been obligated to pay the licensor directly.’’

(4) ‘‘If the U.S. Government has made financial or other contributions to the design and development of any licensed article, any charges for technical assistance or know-how relating to the item in connection with purchases of such articles from licensee or sub-licensees with funds derived through the U.S. Government must be proportionately reduced to reflect the U.S. Government contributions, and subject to the provisions of paragraphs (a) (2) and (3) of this section, no other royalties, or fees or other charges may be assessed against U.S. Government funded purchases of such articles. However, charges may be made for reasonable reproduction, handling, mailing, or similar administrative costs incident to the furnishing of such data.’’

(5) ‘‘The parties to this agreement agree that an annual report of sales or other transfers pursuant to this agreement of the licensed articles, by quantity, type, U.S. dollar value, and purchaser or recipient, shall be provided by (applicant or licensee) to the Department of State.’’ This clause must specify which party is obligated to provide the annual report. Such reports may be submitted either directly by the licensee or indirectly through the licensor, and may cover calendar or fiscal years. Reports shall be deemed proprietary information by the Department of State and will not be disclosed to unauthorized persons. See §126.10(b) of this subchapter.

(6) (Licensee) agrees to incorporate the following statement as an integral provision of a contract, invoice or other appropriate document whenever the licensed articles are sold or otherwise transferred:

These commodities are authorized for export by the U.S. Government only to (country of ultimate destination or approved sales territory). They may not be resold, diverted, transferred, transshipped, or otherwise be disposed of in any other country, either in their original form or after being incorporated through an intermediate process into other end-items, without the prior written approval of the U.S. Department of State.

(b) Special clause for agreements relating to significant military equipment. With respect to an agreement for the production of significant military equipment, the following additional provisions must be included in the agreement:

(1) ‘‘A completed nontransfer and use certificate (DSP–83) must be executed by the foreign end-user and submitted to the Department of State of the
United States before any transfer may take place.’’
(2) ‘‘The prior written approval of the U.S. Government must be obtained before entering into a commitment for the transfer of the licensed article by sale or otherwise to any person or government outside of the approved sales territory.’’

§ 124.10 Nontransfer and use assurances.
(a) Types of agreements requiring assurances. With respect to any manufacturing license agreement or technical assistance agreement which relates to significant military equipment or classified defense articles, including classified technical data, a Nontransfer and Use Certificate (Form DSP–83) (see § 123.10 of this subchapter) signed by the applicant and the foreign party must be submitted to the Directorate of Defense Trade Controls. With respect to all agreements involving classified articles, including classified technical data, an authorized representative of the foreign government must sign the DSP–83 (or provide the same assurances in the form of a diplomatic note), unless the Directorate of Defense Trade Controls has granted an exception to this requirement. The Directorate of Defense Trade Controls may require that a DSP–83 be provided in conjunction with an agreement that does not relate to significant military equipment or classified defense articles. The Directorate of Defense Trade Controls may also require with respect to any agreement that an appropriate authority of the foreign party’s government also sign the DSP–83 (or provide the same assurances in the form of a diplomatic note).

(b) Timing of submission of assurances. Submission of a Form DSP–83 and/or diplomatic note must occur as follows:
(1) Agreements which have been signed by all parties before being submitted to the Directorate of Defense Trade Controls may only be submitted along with any required DSP–83 and/or diplomatic note.
(2) If an agreement has not been signed by all parties before being submitted, the required DSP–83 and/or diplomatic note must be submitted along with the signed agreement.

NOTE TO PARAGRAPH (b): In no case may a transfer occur before a required DSP–83 and/or diplomatic note has been submitted to the Directorate of Defense Trade Controls.

§ 124.11 Congressional certification pursuant to Section 36(d) of the Arms Export Control Act.
(a) The Arms Export Control Act requires that a certification be provided to the Congress prior to the granting of any approval of a manufacturing license agreement or technical assistance agreement as defined in Sections 120.21 and 120.22 respectively for the manufacturing abroad of any item of significant military equipment (see § 120.7 of this subchapter) that is entered into with any country regardless of dollar value. Additionally, any manufacturing license agreement or technical assistance agreement providing for the export of major defense equipment, as defined in § 120.8 of this subchapter shall also require a certification when meeting the requirements of § 123.15 of this subchapter.

(b) Unless an emergency exists which requires the immediate approval of the agreement in the national security interests of the United States, approval may not be granted until at least 15 calendar days have elapsed after receipt by the Congress of the certification required by 22 U.S.C. 2776(d)(1) involving the North Atlantic Treaty Organization, any member country of that Organization, or Australia, Israel, Japan, New Zealand, or the Republic of Korea or at least 30 calendar days have elapsed for any other country. Approvals may not be granted when the Congress has enacted a joint resolution prohibiting the export.

(c) Persons who intend to export defense articles and defense services pursuant to any exemption in this subchapter under the circumstances described in this section and section 123.15 must provide written notification to the Directorate of Defense Trade Controls and include a signed contract and a DSP–83 signed by the
§ 124.12 Required information in letters of transmittal.

(a) An application for the approval of a manufacturing license or technical assistance agreement with a foreign person must be accompanied by an explanatory letter. The original letter and seven copies of the letter and eight copies of the proposed agreement shall be submitted to the Directorate of Defense Trade Controls. The explanatory letter shall contain:

1. A statement giving the applicant’s Directorate of Defense Trade Controls registration number.

2. A statement identifying the license and the scope of the agreement.

3. A statement identifying the U.S. Government contract under which the equipment or technical data was generated, improved, or developed and supplied to the U.S. Government, and whether the equipment or technical data was derived from any bid or other proposal to the U.S. Government.

4. A statement giving the military security classification of the equipment or technical data.

5. A statement identifying any patent application which discloses any of the subject matter of the equipment or technical data covered by an invention secrecy order issued by the U.S. Patent and Trademark Office.

6. A statement of the actual or estimated value of the agreement, including the estimated value of all defense articles to be exported in furtherance of the agreement or amendments thereto. If the value is $500,000 or more, an additional statement must be made regarding the payment of political contributions, fees or commissions, pursuant to part 130 of this subchapter.

7. A statement indicating whether any foreign military sales credits or loan guarantees are or will be involved in financing the agreement.

8. The agreement must describe any classified information involved and identify, from Department of Defense form DD254, the address and telephone number of the U.S. Government office that classified the information.

9. For agreements that may require the export of classified information, the Defense Investigative Service cognizant security offices that have responsibility for the facilities of the U.S. parties to the agreement shall be identified. The facility security clearance codes of the U.S. parties shall also be provided.

10. A statement specifying whether the applicant is requesting retransfer of defense articles and defense services pursuant to §124.16 of this subchapter.

(b) The following statements must be made in the letter of transmittal:

1. “If the agreement is approved by the Department of State, such approval will not be construed by (the applicant) as passing on the legality of the agreement from the standpoint of antitrust laws or other applicable statutes, nor will (the applicant) construe the Department’s approval as constituting either approval or disapproval of any of the business terms or conditions between the parties to the agreement.”

2. “The (applicant) will not permit the proposed agreement to enter into force until it has been approved by the Department of State.”

3. “The (applicant) will furnish the Department of State with one copy of the signed agreement (or amendment) within 30 days from the date that the agreement is concluded and will inform the Department of its termination not less than 30 days prior to expiration and provide information on the continuation of any foreign rights or the flow of technical data to the foreign party. If a decision is made not to conclude the proposed agreement, the applicant will so inform the Department within 60 days.”

4. “If this agreement grants any rights to sub-license, it will be amended to require that all sub-licensing arrangements incorporate all the provisions of the basic agreement that refer to the U.S. Government and the Department of State (i.e., 22 CFR 124.9 and 124.10).”
§ 124.13 Procurement by United States persons in foreign countries (offshore procurement).

Notwithstanding the other provisions in part 124 of this subchapter, the Directorate of Defense Trade Controls may authorize by means of a license (DSP–5) the export of unclassified technical data to foreign persons for offshore procurement of defense articles, provided that:

(a) The contract or purchase order for offshore procurement limits delivery of the defense articles to be produced only to the person in the United States or to an agency of the U.S. Government; and

(b) The technical data of U.S.-origin to be used in the foreign manufacture of defense articles does not exceed that required for bid purposes on a build-to-print basis (build-to-print means producing an end-item (i.e., system, subsystem or component) from technical drawings and specifications (which contain no process or know-how information) without the need for additional technical assistance). Release of supporting documentation (e.g., acceptance criteria, object code software for numerically controlled machines) is permissible. Build-to-print does not include the release of any information which discloses design methodology, engineering analysis, detailed process information or manufacturing know-how; and

(c) The contract or purchase order between the person in the United States and the foreign person:

(1) Limits the use of the technical data to the manufacture of the defense articles required by the contract or purchase order only; and

(2) Prohibits the disclosure of the data to any other person except subcontractors within the same country; and

(3) Prohibits the acquisition of any rights in the data by any foreign person; and

(4) Provides that any subcontracts between foreign persons in the approved country for manufacture of equipment for delivery pursuant to the contract or purchase order contain all the limitations of this paragraph (c); and

(5) Requires the foreign person, including subcontractors, to destroy or return to the person in the United States all of the technical data exported pursuant to the contract or purchase order upon fulfillment of their terms; and

(6) Requires delivery of the defense articles manufactured abroad only to the person in the United States or to an agency of the U.S. Government; and

(d) The person in the United States provides the Directorate of Defense Trade Controls with a copy of each contract, purchase order or subcontract for offshore procurement at the time it is accepted. Each such contract, purchase order or subcontract must clearly identify the article to be produced and must identify the license number or exemption under which the technical data was exported; and

(e) Licenses issued pursuant to this section must be renewed prior to their expiration if offshore procurement is to be extended beyond the period of validity of the original approved license. In all instances a license for offshore procurement must state as the purpose “Offshore procurement in accordance with the conditions established in the ITAR, including §124.13. No other use will be made of the technical data.” If the technical data involved in an offshore procurement arrangement is otherwise exempt from the licensing requirements of this subchapter (e.g., §126.4), the DSP–5 referred to in the first sentence of this section is not required. However, the exporter must comply with the other requirements of this section and provide a written certification to the Directorate of Defense Trade Controls annually of the offshore procurement activity and cite the exemption under which the technical data was exported. The exemptions under §125.4 of this subchapter may not be used to establish offshore procurement arrangements.

(a) Agreements. Agreements (e.g., contracts) between U.S. persons and foreign persons for the warehousing and distribution of defense articles must be approved by the Directorate of Defense Trade Controls before they enter into force. Such agreements will be limited to unclassified defense articles and must contain conditions for special distribution, end-use and reporting. Licenses for exports pursuant to such agreements must be obtained prior to exports of the defense articles unless an exemption under §123.16(b)(1) of this subchapter is applicable.

(b) Required information. Proposed warehousing and distribution agreements (and amendments thereto) shall be submitted to the Directorate of Defense Trade Controls for approval. The following information must be included in all such agreements:

1. A description of the defense articles involved including test and support equipment covered by the U.S. Munitions List. This shall include when applicable the military nomenclature, the Federal stock number, nameplate data, and any control numbers under which the defense articles were developed or procured by the U.S. Government. 2. A detailed statement of the terms and conditions under which the defense articles will be exported and distributed;

3. The duration of the proposed agreement;

4. Specific identification of the country or countries that comprise the distribution territory. Distribution must be specifically limited to the governments of such countries or to private entities seeking to procure defense articles pursuant to a contract with a government within the distribution territory or to other eligible entities as specified by the Directorate of Defense Trade Controls. Consequently, any deviation from this condition must be fully explained and justified. A non-transfer and use certificate (DSP–83) will be required to the same extent required in licensing agreements under §124.9(b).

(c) Required statements. The following statements must be included in all warehousing and distribution agreements:

1. “This agreement shall not enter into force, and may not be amended or extended, without the prior written approval of the Department of State of U.S. Government.”

2. “This agreement is subject to all United States laws and regulations related to exports and to all administrative acts of the United States Government pursuant to such laws and regulations.

4. “No liability will be incurred by or attributed to the U.S. Government in connection with any possible infringement of privately owned patent or proprietary rights, either domestic or foreign by reason of the U.S. Government’s approval of this agreement.”

5. “No export, sale, transfer, or other disposition of the defense articles covered by this agreement is authorized to any country outside the distribution territory without the prior written approval of the Directorate of Defense Trade Controls of the U.S. Department of State.”

6. “The parties to this agreement agree that an annual report of sales or other transfers pursuant to this agreement of the licensed articles, by quantity, type, U.S. dollar value, and purchaser or recipient shall be provided by (applicant or licensee) to the Department of State.” This clause must specify which party is obligated to provide the annual report. Such reports may be submitted either directly by the licensee or indirectly through the licensor, and may cover calendar or fiscal years. Reports shall be deemed proprietary information by the Department of State and will not be disclosed to unauthorized persons. (See §126.10(b) of this subchapter.)
(7) (Licensee) agrees to incorporate the following statement as an integral provision of a contract, invoice or other appropriate document whenever the articles covered by this agreement are sold or otherwise transferred:

These commodities are authorized for export by the U.S. Government only to (country of ultimate destination or approved sales territory). They may not be resold, diverted, transferred, transshipped, or otherwise be disposed of in any other country, either in their original form or after being incorporated through an intermediate process into other end-items, without the prior written approval of the U.S. Department of State.

(8) “All provisions in this agreement which refer to the United States Government and the Department of State will remain binding on the parties after the termination of the agreement.”

(9) Additional clause. Unless the articles covered by the agreement are in fact intended to be distributed to private persons or entities (e.g., sporting firearms for commercial resale, cryptographic devices and software for financial and business applications), the following clause must be included in all warehousing and distribution agreements: “Sales or other transfers of the licensed article shall be limited to governments of the countries in the distribution territory and to private entities seeking to procure the licensed article pursuant to a contract with a government within the distribution territory, unless the prior written approval of the U.S. Department of State is obtained.”

(d) Special clauses for agreements relating to significant military equipment. With respect to agreements for the warehousing and distribution of significant military equipment, the following additional provisions must be included in the agreement:

(1) A completed nontransfer and use certificate (DSP–83) must be executed by the foreign end-user and submitted to the U.S. Department of State before any transfer may take place.

(2) The prior written approval of the U.S. Department of State must be obtained before entering into a commitment for the transfer of the licensed article by sale or otherwise to any person or government outside the approved distribution territory.

(e) Transmittal letters. Requests for approval of warehousing and distribution agreements with foreign persons must be made by letter. The original letter and seven copies of the letter and seven copies of the proposed agreement shall be submitted to the Directorate of Defense Trade Controls. The letter shall contain:

(1) A statement giving the applicant’s Directorate of Defense Trade Controls registration number.

(2) A statement identifying the foreign party to the agreement.

(3) A statement identifying the defense articles to be distributed under the agreement.

(4) A statement identifying any U.S. Government contract under which the equipment may have been generated, improved, developed or supplied to the U.S. Government, and whether the equipment was derived from any bid or other proposal to the U.S. Government.

(5) A statement that no classified defense articles or classified technical data are involved.

(6) A statement identifying any patent application which discloses any of the subject matter of the equipment or related technical data covered by an invention secrecy order issued by the U.S. Patent and Trademark Office.

(1) “If the agreement is approved by the Department of State, such approval will not be construed by (applicant) as passing on the legality of the agreement from the standpoint of antitrust laws or other applicable statutes, nor will (the applicant) construe the Department’s approval as constituting either approval or disapproval of any of the business terms or conditions between the parties to the agreement.”

(2) “The (applicant) will not permit the proposed agreement to enter into force until it has been approved by the Department of State.”

(3) “[Applicant] will furnish the Department of State with one copy of the signed agreement (or amendment thereto) within 30 days from the date that the agreement is concluded, and
§ 124.15 Special Export Controls for Defense Articles and Defense Services Controlled under Category XV: Space Systems and Space Launches.

(a) The export of a satellite or related item controlled by Category XV of part 121 of this subchapter or any defense service controlled by this subchapter associated with the launch in, or by nationals of, a country that is not a member of the North Atlantic Treaty Organization (NATO) or a major non-NATO ally of the United States always requires special export controls, in addition to other export controls required by this subchapter, as follows:

(1) All licenses and other requests for approval require a technology transfer control plan (TTCP) approved by the Department of Defense and an encryption technology control plan approved by the National Security Agency. Drafts reflecting advance discussions with both agencies must accompany submission of the license application or proposed technical assistance agreement, and the letter of transmittal required in § 124.12 must identify the U.S. Government officials familiar with the preparation of the draft TTCPs. The TTCP must require any U.S. person or entity involved in the export to notify the Department of Defense in advance of all meetings and interactions with any foreign person or entity that is a party to the export and require such U.S. person or entity to certify that it has complied with this notification requirement within 30 days after launch.

(2) The U.S. person must make arrangements with the Department of Defense for monitoring. The costs of such monitoring services must be fully reimbursed to the Department of Defense by the U.S. person receiving such services. The letter of transmittal required under § 124.12 must also state that such reimbursement arrangements have been made with the Department of Defense and identify the specific Department of Defense official with whom these arrangements have been made. As required by Public Law 105–261, such monitoring will cover, but not be limited to—

(i) Technical discussions and activities, including the design, development, operation, maintenance, modification, and repair of satellites, satellite components, missiles, other equipment, launch facilities, and launch vehicles;

(ii) Satellite processing and launch activities, including launch preparation, satellite transportation, integration of the satellite with the launch vehicle, testing and checkout prior to launch, satellite launch, and return of equipment to the United States;

(iii) Activities relating to launch failure, delay, or cancellation, including post-launch failure investigations or analyses with regard to either the launcher or the satellite; and

(iv) All other aspects of the launch.

(b) Mandatory licenses for launch failure (crash) investigations or analyses of any satellite controlled pursuant to this subchapter or subject to the EAR: In the event of a failure of a launch from a foreign country (including a post liftoff failure to reach proper orbit)—

(1) The activities of U.S. persons or entities in connection with any subsequent investigation or analysis of the failure continue to be subject to the controls established under section 38 of the Arms Export Control Act, including the requirements under this subchapter for express approval prior to participation in such investigations or analyses, regardless of whether a license was issued under this subchapter for the initial export of the satellite or satellite component;

(2) Officials of the Department of Defense must monitor all activities associated with the investigation or analyses to insure against unauthorized transfer of technical data or services and U.S. persons must follow the procedures set forth in paragraphs (a)(1) and (a)(2) of this section.

(c) Although Public Law 105–261 does not require the application of special export controls for the launch of U.S.-
origin satellites and components from or by nationals of countries that are members of NATO or major non-NATO allies, such export controls may nonetheless be applied, in addition to any other export controls required under this subchapter, as appropriate in furtherance of the security and foreign policy of the United States. Further, the export of any article or defense service controlled under this subchapter to any destination may also require that the special export controls identified in paragraphs (a)(1) and (a)(2) of this section be applied in furtherance of the security and foreign policy of the United States.

(d) Mandatory licenses for exports to insurance providers and underwriters: None of the exemptions or sub-licensing provisions available in this subchapter may be used for the export of technical data in order to obtain or satisfy insurance requirements. Such exports are always subject to the prior approval and re-transfer requirements of sections 3 and 38 of the Arms Export Control Act, as applied by relevant provisions of this subchapter.

SOURCE: 58 FR 38310, July 22, 1993, unless otherwise noted.

§ 125.1 Exports subject to this part.

(a) The controls of this part apply to the export of technical data and the export of classified defense articles. Information which is in the public domain (see §120.11 of this subchapter and §125.4(b)(13)) is not subject to the controls of this subchapter.

(b) A license for the export of technical data and the exemptions in §125.4 may not be used for foreign production purposes or for technical assistance unless the approval of the Directorate of Defense Trade Controls has been obtained. Such approval is generally provided only pursuant to the procedures specified in part 124 of this subchapter.

(c) Technical data authorized for export may not be reexported, transferred or diverted from the country of ultimate end-use or from the authorized foreign end-user (as designated in the license or approval for export) or disclosed to a national of another country without the prior written approval of the Directorate of Defense Trade Controls.
§ 125.2 Exports of unclassified technical data.

(a) License. A license (DSP-5) is required for the export of unclassified technical data unless the export is exempt from the licensing requirements of this subchapter. In the case of a plant visit, details of the proposed discussions must be transmitted to the Directorate of Defense Trade Controls for an appraisal of the technical data. Seven copies of the technical data or the details of the discussion must be provided.

(b) Patents. A license issued by the Directorate of Defense Trade Controls is required for the export of technical data whenever the data exceeds that which is used to support a domestic filing of a patent application or to support a foreign filing of a patent application whenever no domestic application has been filed. Requests for the filing of patent applications in a foreign country, and requests for the filing of amendments, modifications or supplements to such patents, should follow the regulations of the U.S. Patent and Trademark Office in accordance with 37 CFR part 5. The export of technical data to support the filing and processing of patent applications in foreign countries is subject to regulations issued by the U.S. Patent and Trademark Office pursuant to 35 U.S.C. 184.

(c) Disclosures. Unless otherwise expressly exempted in this subchapter, a license is required for the oral, visual or documentary disclosure of technical data by U.S. persons to foreign persons. A license is required regardless of the manner in which the technical data is transmitted (e.g., in person, by telephone, correspondence, electronic means, etc.). A license is required for such disclosures by U.S. persons in connection with visits to foreign diplomatic missions and consular offices.

§ 125.3 Exports of classified technical data and classified defense articles.

(a) A request for authority to export defense articles, including technical data, classified by a foreign government or pursuant to Executive Order 12356, successor orders, or other legal authority must be submitted to the Directorate of Defense Trade Controls for approval. The application must contain full details of the proposed transaction. It should also list the facility security clearance code of all U.S. parties on the license and include the Defense Security Service cognizant security office of the party responsible for packaging the commodity for shipment. A non-transfer and use certificate (Form DSP-83) executed by the applicant, foreign consignee, end-user and an authorized representative of the foreign government involved will be required.

(b) Classified technical data which is approved by the Directorate of Defense Trade Controls either for export or re-export after a temporary import will be transferred or disclosed only in accordance with the requirements in the Department of Defense National Industrial Security Program Operating Manual (unless such requirements are in direct conflict with guidance provided by the Directorate of Defense Trade Controls, in which case the latter guidance must be followed). Any other requirements imposed by cognizant U.S. departments and agencies must also be satisfied.

(c) The approval of the Directorate of Defense Trade Controls must be obtained for the export of technical data by a U.S. person to a foreign person in the U.S. or in a foreign country unless the proposed export is exempt under the provisions of this subchapter.

(d) All communications relating to a patent application covered by an invention secrecy order are to be addressed...
to the U.S. Patent and Trademark Office (see 37 CFR 5.11).

[58 FR 39310, July 22, 1993, as amended at 71 FR 20544, Apr. 21, 2006]

§ 125.4 Exemptions of general applicability.

(a) The following exemptions apply to exports of technical data for which approval is not needed from the Directorate of Defense Trade Controls. The exemptions, except for paragraph (b)(13) of this section, do not apply to exports to proscribed destinations under §126.1 of this subchapter or for persons considered generally ineligible under §120.1(c) of this subchapter. The exemptions are also not applicable for purposes of establishing offshore procurement arrangements or producing defense articles offshore (see §124.13), except as authorized under §125.4(c).

Transmission of classified information must comply with the requirements of the Department of Defense National Industrial Security Program Operating Manual (unless such requirements are in direct conflict with guidance provided by the Directorate of Defense Trade controls, in which case the latter guidance must be followed) and the exporter must certify to the transmittal authority that the technical data does not exceed the technical limitation of the authorized export.

(b) The following exports are exempt from the licensing requirements of this subchapter.

(1) Technical data, including classified information, to be disclosed pursuant to an official written request or directive from the U.S. Department of Defense;

(2) Technical data, including classified information, in furtherance of a manufacturing license or technical assistance agreement approved by the Department of State under part 124 of this subchapter and which meet the requirements of §124.3 of this subchapter;

(3) Technical data, including classified information, in furtherance of a contract between the exporter and an agency of the U.S. Government, if the contract provides for the export of the data and such data does not disclose the details of design, development, production, or manufacture of any defense article;

(4) Copies of technical data, including classified information, previously authorized for export to the same recipient. Revised copies of such technical data are also exempt if they pertain to the identical defense article, and if the revisions are solely editorial and do not add to the content of technology previously exported or authorized for export to the same recipient;

(5) Technical data, including classified information, in the form of basic operations, maintenance, and training information relating to a defense article lawfully exported or authorized for export to the same recipient. Intermediate or depot-level repair and maintenance information may be exported only under a license or agreement approved specifically for that purpose;

(6) Technical data, including classified information, related to firearms not in excess of caliber .50 and ammunition for such weapons, except detailed design, development, production or manufacturing information;

(7) Technical data, including classified information, being returned to the original source of import;

(8) Technical data directly related to classified information which has been previously exported or authorized for export in accordance with this part to the same recipient, and which does not disclose the details of the design, development, production, or manufacture of any defense article;

(9) Technical data, including classified information, and regardless of media or format, sent or taken by a U.S. person who is an employee of a U.S. corporation or a U.S. Government agency to a U.S. person employed by that U.S. corporation or a U.S. Government agency outside the United States. This exemption is subject to the limitations of §125.1(b) of this subchapter and may be used only if:

(i) The technical data is to be used outside the United States solely by a U.S. person;

(ii) The U.S. person outside the United States is an employee of the U.S. Government or is directly employed by the U.S. corporation and not by a foreign subsidiary; and

(iii) The classified information is sent or taken outside the United States
in accordance with the requirements of the Department of Defense National Industrial Security Program Operating Manual (unless such requirements are in direct conflict with guidance provided by the Directorate of Defense Trade Controls, in which case the latter guidance must be followed).

(10) Disclosures of unclassified technical data in the U.S. by U.S. institutions of higher learning to foreign persons who are their bona fide and full time regular employees. This exemption is available only if:
(i) The employee’s permanent abode throughout the period of employment is in the United States;
(ii) The employee is not a national of a country to which exports are prohibited pursuant to §126.1 of this subchapter; and
(iii) The institution informs the individual in writing that the technical data may not be transferred to other foreign persons without the prior written approval of the Directorate of Defense Trade Controls;

(11) Technical data, including classified information, for which the exporter, pursuant to an arrangement with the Department of Defense, Department of Energy or NASA which requires such exports, has been granted an exemption in writing by the Directorate of Defense Trade Controls.

Such an exemption will normally be granted only if the arrangement directly implements an international agreement to which the United States is a party and if multiple exports are contemplated. The Directorate of Defense Trade Controls, in consultation with the relevant U.S. Government agencies, will determine whether the interests of the United States Government are best served by expediting exports under an arrangement through an exemption (see also paragraph (b)(3) of this section for a related exemption);

(12) Technical data which is specifically exempt under part 126 of this subchapter; or

(13) Technical data approved for public release (i.e., unlimited distribution) by the cognizant U.S. Government department or agency or Office of Freedom of Information and Security Review. This exemption is applicable to information approved by the cognizant U.S. Government department or agency for public release in any form. It does not require that the information be published in order to qualify for the exemption.

(c) Defense services and related unclassified technical data are exempt from the licensing requirements of this subchapter, to nationals of NATO countries, Australia, Japan, and Sweden, for the purposes of responding to a written request from the Department of Defense for a quote or bid proposal. Such exports must be pursuant to an official written request or directive from an authorized official of the U.S. Department of Defense. The defense services and technical data are limited to paragraphs (c)(1), (c)(2), and (c)(3) of this section and must not include paragraphs (c)(4), (c)(5), and (c)(6) of this section which follow:

(1) Build-to-Print. "Build-to-Print" means that a foreign consignee can produce a defense article from engineering drawings without any technical assistance from a U.S. exporter. This transaction is based strictly on a "hands-off" approach since the foreign consignee is understood to have the inherent capability to produce the defense article and only lacks the necessary drawings. Supporting documentation such as acceptance criteria, and specifications, may be released on an as-required basis (i.e., "must have") such that the foreign consignee would not be able to produce an acceptable defense article without this additional supporting documentation. Documentation which is not absolutely necessary to permit manufacture of an acceptable defense article (i.e., "nice to have") is not considered within the boundaries of a "Build-to-Print" data package;

(2) Build/Design-to-Specification. "Build/Design-to-Specification" means that a foreign consignee can design and produce a defense article from requirement specifications without any technical assistance from the U.S. exporter. This transaction is based strictly on a "hands-off" approach since the foreign consignee is understood to have the inherent capability to both design and produce the defense article and only
lacks the necessary requirement information;

(3) Basic Research. “Basic Research” means a systemic study directed toward greater knowledge or understanding of the fundamental aspects of phenomena and observable facts without specific applications towards processes or products in mind. It does not include “Applied Research” (i.e. a systemic study to gain knowledge or understanding necessary to determine the means by which a recognized and specific need may be met. It is a systematic application of knowledge toward the production of useful materials, devices, and systems or methods, including design, development, and improvement of prototypes and new processes to meet specific requirements.);

(4) Design Methodology, such as: The underlying engineering methods and design philosophy utilized (i.e., the “why” or information that explains the rationale for particular design decision, engineering feature, or performance requirement); engineering experience (e.g., lessons learned); and the rationale and associated databases (e.g., design allowables, factors of safety, component life predictions, failure analysis criteria) that establish the operational requirements (e.g., performance, mechanical, electrical, electronic, reliability and maintainability) of a defense article. (Final analytical results and the initial conditions and parameters may be provided.)

(5) Engineering Analysis, such as: Analytical methods and tools used to design or evaluate a defense article’s performance against the operational requirements. Analytical methods and tools include the development and/or use of mockups, computer models and simulations, and test facilities. (Final analytical results and the initial conditions and parameters may be provided.)

(6) Manufacturing Know-how, such as: Information that provides detailed manufacturing processes and techniques needed to translate a detailed design into a qualified, finished defense article. (Information may be provided in a build-to-print package that is necessary in order to produce an acceptable defense article.)

(d) [Reserved]

§ 125.5 Exemptions for plant visits.

(a) A license is not required for the oral and visual disclosure of unclassified technical data during the course of a classified plant visit by a foreign person, provided: The classified visit has itself been authorized pursuant to a license issued by the Directorate of Defense Trade Controls; or the classified visit was approved in connection with an actual or potential government-to-government program or project by a U.S. Government agency having classification jurisdiction over the classified defense article or classified technical data involved under Executive Order 12356 or other applicable Executive Order; and the unclassified information to be released is directly related to the classified defense article or technical data for which approval was obtained and does not disclose the details of the design, development, production or manufacture of any other defense articles. In the case of visits involving classified information, the requirements of the Department of Defense National Industrial Security Program Operating Manual must be met (unless such requirements are in direct conflict with guidance provided by the Directorate of Defense Trade Controls, in which case the latter guidance must be followed).

(b) The approval of the Directorate of Defense Trade Controls is not required for the disclosure of oral and visual classified information to a foreign person during the course of a plant visit approved by the appropriate U.S. Government agency if: The requirements of the Department of Defense National Industrial Security Program Operating Manual have been met (unless such requirements are in direct conflict with guidance provided by the Directorate of Defense Trade Controls, in which case the latter guidance must be followed); the classified information is directly related to that which was approved by the U.S. Government agency;
§ 125.6 Certification requirements for exemptions.

(a) To claim an exemption for the export of technical data under the provisions of this subchapter (e.g., §§125.4 and 125.5), the exporter must certify that the proposed export is covered by a relevant section of this subchapter, to include the paragraph and applicable subparagraph. Certifications consist of clearly marking the package or letter containing the technical data “22 CFR [insert ITAR exemption] applicable.” This certification must be made in written form and retained in the exporter’s files for a period of 5 years (see §123.22 of this subchapter).

(b) For exports that are oral, visual, or electronic the exporter must also complete a written certification as indicated in paragraph (a) of this section and retain it for a period of 5 years.

[88 FR 61102, Oct. 27, 2003]

§ 125.7 Procedures for the export of classified technical data and other classified defense articles.

(a) All applications for the export or temporary import of classified technical data or other classified defense articles must be submitted to the Directorate of Defense Trade Controls on Form DSP–85.

(b) An application for the export of classified technical data or other classified defense articles must be accompanied by seven copies of the data and a completed Form DSP–83 (see §123.10 of this subchapter). Only one copy of the data or descriptive literature must be provided if a renewal of the license is requested. All classified materials accompanying an application must be transmitted to the Directorate of Defense Trade Controls in accordance with the procedures contained in the Department of Defense National Industrial Security Program Operating Manual (unless such requirements are in direct conflict with guidance provided by the Directorate of Defense Trade Controls, in which case the latter guidance must be followed).

[71 FR 20546, Apr. 21, 2006]
§ 126.1 Prohibited exports, imports, and sales to or from certain countries.

(a) General. It is the policy of the United States to deny licenses and other approvals for exports and imports of defense articles and defense services, destined for or originating in certain countries. This policy applies to Belarus, Cuba, Eritrea, Iran, North Korea, Syria, and Venezuela. This policy also applies to countries with respect to which the United States maintains an arms embargo (e.g., Burma, China, and the Republic of the Sudan) or whenever an export would not otherwise be in furtherance of world peace and the security and foreign policy of the United States. Information regarding certain other embargoes appears elsewhere in this section. Comprehensive arms embargoes are normally the subject of a Department of State notice published in the FEDERAL REGISTER. The exemptions provided in this subchapter, except §§123.17, 126.4, and 126.6 of this subchapter or when the recipient is a U.S. Government department or agency, do not apply with respect to defense articles or defense services originating in or for export to any proscribed countries, areas, or persons identified in this section or to brokering activities involving such countries, areas, or persons. (See §129.7 of this subchapter, which imposes restrictions on brokering activities similar to those in this section.)

(b) Shipments. A defense article licensed or otherwise authorized for export, temporary import, reexport, or retransfer under this subchapter may not be shipped on a vessel, aircraft, spacecraft, or other means of conveyance that is owned by, operated by, leased to, or leased from any of the proscribed countries, areas, or other persons referred to in this section.

(c) Exports and sales prohibited by United Nations Security Council embargoes. Whenever the United Nations Security Council mandates an arms embargo, all transactions that are prohibited by the embargo and that involve U.S. persons (see §120.15 of this subchapter) anywhere, or any person in the United States, and defense articles or services of a type described on the United States Munitions List (22 CFR part 121), irrespective of origin, are prohibited under the ITAR for the duration of the embargo, unless the Department of State publishes a notice in the FEDERAL REGISTER specifying different measures. This would include, but is not limited to, transactions involving trade by U.S. persons who are located inside or outside of the United States in defense articles or services of U.S. or foreign origin that are located inside or outside of the United States. United Nations Security Council arms embargoes include, but are not necessarily limited to, the following countries:
§ 126.1

(1) Cote d’Ivoire (see also paragraph (q) of this section).

(2) Democratic Republic of Congo (see also paragraph (i) of this section).

(3) Eritrea.

(4) Iraq (see also paragraph (f) of this section).

(5) Iran.

(6) Lebanon (see also paragraph (t) of this section).

(7) Liberia (see also paragraph (o) of this section).

(8) Libya (see also paragraph (k) of this section).

(9) North Korea.

(10) Somalia (see also paragraph (m) of this section).

(11) The Republic of the Sudan (see also paragraph (v) of this section).

(12) Terrorist. Exports to countries which the Secretary of State has determined to have repeatedly provided support for acts of international terrorism are contrary to the foreign policy of the United States and are thus subject to the policy specified in paragraph (a) of this section and the requirements of section 40 of the Arms Export Control Act (22 U.S.C. 2780) and the Omnibus Diplomatic Security and Anti-Terrorism Act of 1986 (22 U.S.C. 4801, note). The countries in this category are: Cuba, Iran, the Republic of the Sudan, and Syria.

(e)(1) Proposed and final sales. No sale, export, transfer, reexport, or retransfer of, and no proposal or presentation to sell, export, transfer, reexport, or retransfer, any defense articles or defense services subject to this subchapter may be made to any country referred to in this section (including the embassies or consulates of such a country), or to any person acting on its behalf, whether in the United States or abroad, without first obtaining a license or written approval of the Directorate of Defense Trade Controls. However, in accordance with paragraph (a) of this section, it is the policy of the Department of State to deny licenses and approvals in such cases.

(2) Duty to notify. Any person who knows or has reason to know of a proposed, final, or actual sale, export, transfer, reexport, or retransfer of articles, services, or data as described in paragraph (e)(1) of this section must immediately inform the Directorate of Defense Trade Controls. Such notifications should be submitted to the Office of Defense Trade Controls Compliance, Directorate of Defense Trade Controls.

Note to paragraph (e): “Proposal” and “presentation” mean the communication of information in sufficient detail that it would permit an intended purchaser to decide to acquire the article in question or to enter into an agreement as described in part 124 of this subchapter. For example, communicating information on the equipment’s performance characteristics, price, and probable availability for delivery would be a proposal or presentation requiring a license or other approval.

(f) Iraq. It is the policy of the United States to deny licenses or other approvals for exports and imports of defense articles and defense services, destined for or originating in Iraq, except that a license or other approval may be issued, on a case-by-case basis for:

(1) Non-lethal military equipment; and

(2) Lethal military equipment required by the Government of Iraq or coalition forces.

(g) Afghanistan. It is the policy of the United States to deny licenses or other approvals for exports and imports of defense articles and defense services, destined for or originating in Afghanistan, except that a license or other approval may be issued, on a case-by-case basis, for the Government of Afghanistan or coalition forces. In addition, the names of individuals, groups, undertakings, and entities subject to arms embargoes, due to their affiliation with the Taliban, Al-Qaeda, or those associated with them, are published in lists maintained by the United Nations Security Council’s Sanctions Committees (established pursuant to United Nations Security Council resolutions (UNSCR) 1267, 1988, and 1989).

(h) [Reserved]

(i) Democratic Republic of the Congo. It is the policy of the United States to deny licenses or other approvals for exports or imports of defense articles and defense services destined for or originating in the Democratic Republic of the Congo, except that a license or other approval may be issued, on a case-by-case basis, for:
(1) Defense articles and defense services for the Government of the Democratic Republic of the Congo as notified in advance to the Committee of the Security Council concerning the Democratic Republic of the Congo;

(2) Defense articles and defense services intended solely for the support of or use by the United Nations Organization Mission in the Democratic Republic of the Congo (MONUC);

(3) Personal protective gear temporarily exported to the Democratic Republic of the Congo by United Nations personnel, representatives of the media, and humanitarian and development workers and associated personnel, for their personal use only; and

(4) Non-lethal military equipment intended solely for humanitarian or protective use, and related technical assistance and training, as notified in advance to the Committee of the Security Council concerning the Democratic Republic of the Congo.

(j) Haiti. (1) It is the policy of the United States to deny licenses or other approvals for exports or imports of defense articles and defense services destined for or originating in Haiti, except that a license or other approval may be issued, on a case-by-case basis, for:

(i) Defense articles and defense services intended solely for the support of or use by security units that operate under the command of the Government of Haiti, to include the Coast Guard;

(ii) Defense articles and defense services intended solely for the support of or use by the United Nations or a United Nations-authorized mission; and

(iii) Personal protective gear for use by personnel from the United Nations and other international organizations, representatives of the media, and humanitarian and development workers and associated personnel.

(2) All shipments of arms and related materials consistent with the above exceptions shall only be made to Haitian security units as designated by the Government of Haiti, in coordination with the U.S. Government.

(k) Libya. It is the policy of the United States to deny licenses or other approvals for exports or imports of defense articles and defense services destined for or originating in Libya, except that a license or other approval may be issued, on a case-by-case basis, for:

(1) Arms and related materiel intended solely for security or disarmament assistance to the Libyan government, notified to the Committee of the Security Council concerning Libya in advance and in the absence of a negative decision by the Committee within five working days of such a notification;

(2) Non-lethal military equipment when intended solely for security or disarmament assistance to the Libyan government;

(3) The provision of any technical assistance or training when intended solely for security or disarmament assistance to the Libyan government;

(4) Small arms, light weapons, and related materiel temporarily exported to Libya for the sole use of United Nations personnel, representatives of the media, and humanitarian and development workers and associated personnel, notified to the Committee of the Security Council concerning Libya in advance and in the absence of a negative decision by the Committee within five working days of such a notification;

(5) Non-lethal military equipment intended solely for humanitarian or protective use, and related technical assistance or training; or

(6) Other sales or supply of arms and related materiel, or provision of assistance or personnel, as approved in advance by the Committee of the Security Council concerning Libya.

(l) Vietnam. It is the policy of the United States to deny licenses or other approvals for exports or imports of defense articles and defense services destined for or originating in Vietnam, except that a license or other approval may be issued, on a case-by-case basis, for:

(1) Lethal defense articles and defense services to enhance maritime security capabilities and domain awareness;

(2) Non-lethal defense articles and defense services; or

(3) Non-lethal, safety-of-use defense articles (e.g., cartridge actuated devices, propellant actuated devices and technical manuals for military aircraft
for purposes of enhancing the safety of the aircraft crew) for lethal end-items.  

Note to Paragraph (l). For non-lethal defense end-items, no distinction will be made between Vietnam’s existing and new inventory.  

(m) Somalia. It is the policy of the United States to deny licenses or other approvals for exports or imports of defense articles and defense services destined for or originating in Somalia, except that a license or other approval may be issued, on a case-by-case basis, for:  

(1) Defense articles and defense services intended solely for support for the African Union Mission to Somalia (AMISOM); and  

(2) Defense services for the purpose of helping develop security sector institutions in Somalia that further the objectives of peace, stability and reconciliation in Somalia, after advance notification of the proposed export by the United States Government to the UNSC Somalia Sanctions Committee and the absence of a negative decision by that committee.  

Exemptions from the licensing requirement may not be used with respect to any export to Somalia unless specifically authorized in writing by the Directorate of Defense Trade Controls.  

(n) Sri Lanka. It is the policy of the United States to deny licenses or other approvals for exports or imports of defense articles and defense services destined for or originating in Sri Lanka, except that a license or other approval may be issued, on a case-by-case basis, for humanitarian demining and aerial or maritime surveillance.  

(o) Liberia. It is the policy of the United States to deny licenses or other approvals for exports or imports of defense articles and defense services destined for or originating in Liberia, except that a license or other approval may be issued, on a case-by-case basis, for:  

(1) Defense articles and defense services for the Government of Liberia as notified in advance to the Committee of the Security Council concerning Liberia;  

(2) Defense articles and defense services intended solely for support of or use by the United Nations Mission in Liberia (UNMIL);  

(3) Personal protective gear temporarily exported to Liberia by United Nations personnel, representatives of the media and humanitarian and development workers and associated personnel, for their personal use only; and  

(4) Non-lethal military equipment intended solely for humanitarian or protective use, and related technical assistance and training, as notified in advance to the Committee of the Security Council concerning Liberia.  

(p) [Reserved]  

(q) Côte d’Ivoire. It is the policy of the United States to deny licenses or other approvals for exports or imports of defense articles and defense services destined for or originating in Côte d’Ivoire, except that a license or other approval may be issued, on a case-by-case basis, for:  

(1) Defense articles and defense services intended solely for support of or use by the United Nations Operations in Côte d’Ivoire (UNOCI) and the French forces that support them;  

(2) Non-lethal military equipment intended solely for humanitarian or protective use, and related technical assistance and training, as approved in advance to the Committee of the Security Council concerning Côte d’Ivoire;  

(3) Personal protective gear temporarily exported to Côte d’Ivoire by United Nations personnel, representatives of the media and humanitarian and development workers and associated personnel, for their personal use only;

Such exports may meet the licensing exemptions of §123.17 of this subchapter.

(t) Lebanon. It is the policy of the United States to deny licenses or other approvals for exports or imports of defense articles and defense services destined for or originating in Lebanon, except that a license or other approval may be issued, on a case-by-case basis, for the United Nations Interim Force in Lebanon (UNIFIL) or as authorized by the Government of Lebanon.

[79 FR 8085, Feb. 11, 2014]

§ 126.4 Shipments by or for United States Government agencies.

(a) A license is not required for the temporary import, or temporary export, of any defense article, including technical data or the performance of a defense service, by or for any agency of the U.S. Government for official use by such an agency, or for carrying out any foreign assistance, cooperative project or sales program authorized by law and subject to control by the President by other means. This exemption applies only when all aspects of a transaction (export, carriage, and delivery abroad) are affected by a United States Government agency or when the export is covered by a United States Government Bill of Lading. This exemption, however, does not apply when a U.S. Government agency acts as a transmittal agent on behalf of a private individual or firm, either as a convenience or in satisfaction of security requirements. The approval of the Directorate of Defense Trade Controls must be obtained before defense articles previously exported pursuant to this exemption are permanently transferred (e.g., property disposal of surplus defense articles overseas) unless the transfer is pursuant to a grant, sale, lease, loan or cooperative project under the Arms Export Control Act or a sale, lease or loan under the Foreign Assistance Act of 1961, as amended, or the defense articles have been rendered useless for military purposes beyond the possibility of restoration.

NOTE: Special definition. For purposes of this section, defense articles exported abroad for incorporation into a foreign launch vehicle or for use on a foreign launch vehicle or satellite that is to be launched from a foreign country shall be considered a permanent export.

(b) This section does not authorize any department or agency of the U.S. Government to make any export which is otherwise prohibited by virtue of other administrative provisions or by any statute.

(c) A license is not required for the temporary import, or temporary or permanent export, of any classified or unclassified defense articles, including technical data or the performance of a defense service, for end-use by a U.S. Government Agency in a foreign country under the following circumstances:

(1) The export or temporary import is pursuant to a contract with, or written direction by, an agency of the U.S. Government; and

(2) The end-user in the foreign country is a U.S. Government agency or facility, and the defense articles or technical data will not be transferred to any foreign person; and

(3) The urgency of the U.S. Government requirement is such that the appropriate export license or U.S. Government Bill of Lading could not have been obtained in a timely manner.

(d) An Electronic Export Information (EEI) filing, required under §123.22 of this subchapter, and a written statement by the exporter certifying that these requirements have been met must be presented at the time of export.
to the appropriate Port Directors of U.S. Customs and Border Protection or Department of Defense transmittal authority. A copy of the EEI filing and the written certification statement shall be provided to the Directorate of Defense Trade Controls immediately following the export.

§ 126.5 Canadian exemptions.

(a) Temporary import of defense articles. Port Directors of U.S. Customs and Border Protection and postmasters shall permit the temporary import and return to Canada without a license of any unclassified defense articles (see §120.6 of this subchapter) that originate in Canada for temporary use in the United States and return to Canada. All other temporary imports shall be in accordance with §§123.3 and 123.4 of this subchapter.

(b) Permanent and temporary export of defense articles. Except as provided in Supplement No. 1 to part 126 of this subchapter and for exports that transit third countries, Port Directors of U.S. Customs and Border Protection and postmasters shall permit, when for end-use in Canada by Canadian Federal or Provincial governmental authorities acting in an official capacity or by a Canadian-registered person, or for return to the United States, the permanent and temporary export to Canada without a license of unclassified defense articles and defense services identified on the U.S. Munitions List (22 CFR 121.1). The exceptions are subject to meeting the requirements of this section (i.e., a retransfer within Canada to another eligible Canadian recipient under this section) if exported directly from the U.S. company to a Canadian registered person or for export to an end user in accordance with §123.3 of this subchapter. Reexport/retransfer approval is acquired by:

(1) If the reexport/retransfer being requested could be made pursuant to this section (i.e., a retransfer within Canada to another eligible Canadian recipient under this section) if exported directly from the U.S., upon receipt by the U.S. company of a request by a Canadian end user, the original U.S. exporter is authorized to grant on behalf of the U.S. Government by confirming in writing to the Canadian requestor that the reexport/retransfer is authorized subject to the conditions of this section; or

(2) If the reexport/retransfer is to an end use or end user that, if directly exported from the U.S. requires a license, retransfer must be handled in accordance with §123.9 of this subchapter.

(c) [Reserved]

(d) Reexports/retransfer. Reexport/retransfer in Canada to another end-user or end-use or from Canada to another destination, except the United States, must in all instances have the prior approval of the Directorate of Defense Trade Controls. Unless otherwise exempt in this subchapter, the original exporter is responsible, upon request from a Canadian-registered person, for obtaining a license or retransfer approval. In any instance when the U.S. exporter is no longer available to the Canadian end-user the request for reexport/retransfer may be made directly to the Directorate of Defense Trade Controls. All requests must include the information in §123.9(c) of this subchapter. Reexport/retransfer approval is acquired by:

(1) If the reexport/retransfer being requested could be made pursuant to this section (i.e., a retransfer within Canada to another eligible Canadian recipient under this section) if exported directly from the U.S., upon receipt by the U.S. company of a request by a Canadian registered person, or for export to an end use in accordance with §123.3 of this subchapter, the original U.S. exporter is authorized to grant on behalf of the U.S. Government by confirming in writing to the Canadian requestor that the reexport/retransfer is authorized subject to the conditions of this section; or

(2) If the reexport/retransfer is to an end use or end user that, if directly exported from the U.S. requires a license, retransfer must be handled in accordance with §123.9 of this subchapter.

NOTES TO §126.5: 1. In any instance when the exporter has knowledge that the defense article exempt from licensing is being exported for use other than by a qualified Canadian-registered person or for export to another foreign destination, other than the United States, in its original form or incorporated into another item, an export license must be obtained prior to the transfer to Canada.

2. Additional exemptions exist in other sections of this subchapter that are applicable to Canada, for example §§123.9, 125.4, and
§ 126.6

124.2, that allow for the performance of defense services related to training in basic operations and maintenance, without a license, for certain defense articles lawfully exported, including those identified in Supplement No. 1 to part 126 of this subchapter.

§ 126.6 Foreign-owned military aircraft and naval vessels, and the Foreign Military Sales program.

(a) A license from the Directorate of Defense Trade Controls is not required if:

(1) Transfers of the defense articles, technical data or defense services using this exemption may take place only during the period which the FMS Letter of Offer and Acceptance (LOA) and implementing USG FMS contracts and subcontracts are in effect and serve as authorization for the transfers hereunder in lieu of a license. After the USG FMS contracts and subcontracts have expired and the LOA no longer serves as such authorization, any further provision of defense articles, technical data or defense services shall not be covered by this section and shall instead be subject to other authorization requirements of this subchapter; and

(2) The defense article, technical data or defense service to be transferred are specifically identified in an executed LOA, in furtherance of the Foreign Military Sales Program signed by an authorized Department of Defense Representative and an authorized representative of the foreign government, and

(3) The transfer of the defense article and related technical data is effected during the duration of the relevant Letter of Offer and Acceptance (LOA), similarly a defense service is to be provided only during the duration of the USG FMS contract or subcontract and not to exceed the specified duration of the LOA, and

(ii) At the time of shipment, the Port Director of U.S. Customs and Border Protection is provided an original and properly executed DSP–94 accompanied by a copy of the LOA and any other documents required by U.S. Customs and Border Protection in carrying out
its responsibilities. The Electronic Export Information (EEI) or, if authorized, the outbound manifest, must be annotated “This shipment is being exported under the authority of Department of State Form DSP–94. It covers FMS Case [insert case identification], expiration [insert date]. 22 CFR 126.6 applicable. The U.S. Government point of contact is ________, telephone number ________,” and

(iii) If, classified hardware and related technical data are involved the transfer must have the requisite USG security clearance and transportation plan and be shipped in accordance with the Department of Defense National Industrial Security Program Operating Manual, or

(6) For transfers of defense services:

(A) Specifically defines the scope of the defense service to be transferred;

(B) Identifies the FMS case identifier;

(C) Identifies the foreign recipients of the defense service

(D) Identifies any other U.S. or foreign parties that may be involved and their roles/responsibilities, to the extent known when the contract is executed,

(E) Provides a specified period of duration in which the defense service may be performed, and

(ii) The U.S. person(s) identified in the contract maintain a registration with the Directorate of Defense Trade Controls for the entire time that the defense service is being provided. (iii) In instances when the defense service involves the transfer of classified technical data, the U.S. person transferring the defense service must have the appropriate USG security clearance and a transportation plan, if appropriate, in compliance with the Department of Defense National Industrial Security Program Operating Manual, and

§126.7 Denial, revocation, suspension, or amendment of licenses and other approvals.

(a) Policy. Licenses or approvals shall be denied or revoked whenever required by any statute of the United States (see §§127.7 and 127.11 of this subchapter). Any application for an export license or other approval under this subchapter may be disapproved, and any license or other approval or exemption granted under this subchapter may be revoked, suspended, or amended without prior notice whenever:

(1) The Department of State deems such action to be in furtherance of world peace, the national security or the foreign policy of the United States, or is otherwise advisable; or

(2) The Department of State believes that 22 U.S.C. 2778, any regulation contained in this subchapter, or the terms of any U.S. Government export authorization (including the terms of a manufacturing license or technical assistance agreement, or export authorization granted pursuant to the Export Administration Act, as amended) has been violated by any party to the export or other person having significant interest in the transaction; or

§ 126.8 [Reserved]

§ 126.9 Advisory opinions and related authorizations.

(a) Advisory opinion. Any person desiring information as to whether the Directorate of Defense Trade Controls would be likely to grant a license or other approval for the export or approval of a particular defense article or defense service to a particular country may request an advisory opinion from the Directorate of Defense Trade Controls. Advisory opinions are issued on a case-by-case basis and apply only to the particular matters presented to the Directorate of Defense Trade Controls. These opinions are not binding on the Department of State, and may not be used in future matters before the Department. A request for an advisory opinion must be made in writing and must outline in detail the equipment, its usage, the security classification (if any) of the articles or related technical data, and the country or countries involved. An original and seven copies of the letter must be provided along with seven copies of suitable descriptive information concerning the defense article or defense service.

(b) Related authorizations. The Directorate of Defense Trade Controls may, as appropriate, in accordance with the procedures set forth in paragraph (a) of
this section, provide export authorization, subject to all other relevant requirements of this subchapter, both for transactions that have been the subject of advisory opinions requested by prospective U.S. exporters, or for the Directorate's own initiatives. Such initiatives may cover pilot programs, or specifically anticipated circumstances for which the Directorate considers special authorizations appropriate.

§ 126.10 Disclosure of information.

(a) Freedom of information. Subchapter R of this title contains regulations on the availability to the public of information and records of the Department of State. The provisions of subchapter R apply to such disclosures by the Directorate of Defense Trade Controls.

(b) Determinations required by law. Section 38(e) of the Arms Export Control Act (22 U.S.C. 2778) provides by reference to certain procedures of the Export Administration Act that certain information required by the Department of State in connection with the licensing process may generally not be disclosed to the public unless certain determinations relating to the national interest are made in accordance with the procedures specified in that provision, except that the names of the countries and types and quantities of defense articles for which licenses are issued under this section shall not be withheld from public disclosure unless the President determines that release of such information would be contrary to the national interest. Registration with the Directorate of Defense Trade Controls is required of certain persons, in accordance with Section 38 of the Arms Export Control Act. The requirements and guidance are provided in the ITAR pursuant to parts 122 and 129. Registration is generally a precondition to the issuance of any license or other approvals under this subchapter, to include the use of any exemption. Therefore, information provided to the Department of State to effect registration, as well as that regarding actions taken by the Department of State related to registration, may not generally be disclosed to the public. Determinations required by Section 38(e) shall be made by the Assistant Secretary for Political-Military Affairs.

(c) Information required under part 130. Part 130 of this subchapter contains specific provisions on the disclosure of information described in that part.

(d) National Interest Determinations. In accordance with section 38(e) of the Arms Export Control Act (22 U.S.C. 2778(e)), the Secretary of State has determined that the following disclosures are in the national interest of the United States:

(1) Furnishing information to foreign governments for law enforcement or regulatory purposes; and

(2) Furnishing information to foreign governments and other agencies of the U.S. Government in the context of multilateral or bilateral export regimes (e.g., the Missile Technology Control Regime, the Australia Group, and Wassenaar Arrangement).

§ 126.11 Relations to other provisions of law.

The provisions in this subchapter are in addition to, and are not in lieu of, any other provisions of law or regulations. The sale of firearms in the United States, for example, remains subject to the provisions of the Gun Control Act of 1968 and regulations administered by the Department of Justice. The performance of defense services on behalf of foreign governments by retired military personnel continues to require consent pursuant to part 3a of this title. Persons who intend to export defense articles or furnish defense services should not assume that satisfying the requirements of this subchapter relieves one of other requirements of law.

[71 FR 20547, Apr. 21, 2006]

§ 126.12 Continuation in force.

All determinations, authorizations, licenses, approvals of contracts and agreements and other action issued, authorized, undertaken, or entered into by the Department of State pursuant to section 414 of the Mutual Security Act of 1954, as amended, or under the
§ 126.13 Required information.

(a) All applications for licenses (DSP–5, DSP–61, DSP–73, and DSP–85), all requests for approval of agreements and amendments thereto under part 124 of this subchapter, and all requests for other written authorizations (including requests for retransfer or reexport pursuant to §123.9 of this subchapter) must include a letter signed by a responsible official empowered by the applicant and addressed to the Directorate of Defense Trade Controls, stating whether:

1. The applicant or the chief executive officer, president, vice-presidents, secretary, partner, member, other senior officers or officials (e.g., comptroller, treasurer, general counsel) or any member of the board of directors is the subject of an indictment or has been otherwise charged (e.g., by criminal information in lieu of indictment) for, or has been convicted of, violating any of the U.S. criminal statutes enumerated in §120.27 of this subchapter;

2. The applicant or the chief executive officer, president, vice-presidents, secretary, partner, member, other senior officers or officials (e.g., comptroller, treasurer, general counsel) or any member of the board of directors is ineligible to contract with, or to receive a license or other approval to temporarily import or export defense articles or defense services from any agency of the U.S. Government;

3. To the best of the applicant’s knowledge, any party to the export as defined in §126.7(e) has been convicted of violating any of the U.S. criminal statutes enumerated in §120.27 of this subchapter, or is ineligible to contract with, or to receive a license or other approval to temporarily import or export defense articles or defense services from any agency of the U.S. Government; and

4. The natural person signing the application, notification, or other request for approval (including the statement required by this subchapter) is a citizen or national of the United States, has been lawfully admitted to the United States for permanent residence (and maintains such lawful permanent residence status) under the Immigration and Nationality Act, as amended (8 U.S.C. 1101(a)(20), 66 Stat. 163), or is an official of a foreign government entity in the United States, or is a foreign person making a request pursuant to §123.9 of this subchapter.

(b) In addition, all applications for licenses must include the complete names and addresses of all U.S. consignors and freight forwarders, and all foreign consignees and foreign intermediate consignees involved in the transaction. Port Directors of U.S. Customs and Border Protection and Department of Defense transmittal authorities will permit only those U.S. consignors or freight forwarders listed on the license to make shipments under the license, and only to those foreign consignees and foreign intermediate consignees listed on the license. Applicants should list all freight forwarders who may be involved with shipments under the license to ensure that the list is complete and to avoid the need for amendments after the license has been approved. If there are unusual or extraordinary circumstances that preclude the specific identification of all the U.S. consignors and freight forwarders and all foreign consignees and foreign intermediate consignees, the applicant must provide a letter of explanation with each application.

(c) In cases when natural foreign persons are employed at or assigned to security-cleared facilities, provision by the applicant of a technology control plan will facilitate processing.

§ 126.14 Special comprehensive export authorizations for NATO, Australia, Japan, and Sweden.

(a) Comprehensive authorizations. With respect to NATO members, Australia, Japan, and Sweden, the Directorate of Defense Trade Controls may provide the comprehensive authorizations described in paragraphs (a) and (b) of this section for circumstances where the full parameters of a commercial export endeavor including the needed defense
exports can be well anticipated and described in advance, thereby making use of such comprehensive authorizations appropriate.

(1) Major project authorization. With respect to NATO members, Australia, Japan, and Sweden, the Directorate of Defense Trade Controls may provide comprehensive authorizations for well circumscribed commercially developed “major projects”, where a principal registered U.S. exporter/prime contractor identifies in advance the broad parameters of a commercial project including defense exports needed, other participants (e.g., exporters with whom they have “teamed up,” or subcontractors), and foreign government end users. Projects eligible for such authorization may include a commercial export of a major weapons system for a foreign government involving, for example, multiple U.S. suppliers under a commercial teaming agreement to design, develop and manufacture defense articles to meet a foreign government’s requirements. U.S. exporters seeking such authorization must provide detailed information concerning the scope of the project, including other exporters, U.S. subcontractors, and planned exports (including re-exports) of defense articles, defense services, and technical data, and meet the other requirements set forth in paragraph (b) of this section.

(2) Major program authorization. With respect to NATO members, Australia, Japan, and Sweden, the Directorate of Defense Trade Controls may provide comprehensive authorizations for well circumscribed commercially developed “major program”. This variant would be available where a single registered U.S. exporter defines in advance the parameters of a broad commercial program for which the registrant will be providing all phases of the necessary support (including the needed hardware, technical data, defense services, development, manufacturing, and logistic support). U.S. exporters seeking such authorization must provide detailed information concerning the scope of the program, including planned exports (including re-exports) of defense articles, defense services, and technical data, and meet the other requirements set forth in paragraph (b) of this section.

(3)(i) Global project authorization. With respect to NATO members, Australia, Japan, and Sweden, the Directorate of Defense Trade Controls may provide a comprehensive “Global Project Authorization” to registered U.S. exporters for exports of defense articles, technical data or defense services in support of government to government cooperative projects (covering research and development or production) with one of these countries undertaken pursuant to an agreement between the U.S. Government and the government of such country, or a memorandum of understanding/agreement between the Department of Defense and the country’s Ministry of Defense.

(ii) A set of standard terms and conditions derived from and corresponding to the breadth of the activities and phases covered in such a cooperative MOU will provide the basis for this comprehensive authorization for all U.S. exporters (and foreign end users) identified by DoD as participating in such cooperative project. Such authorizations may cover a broad range of defined activities in support of such programs including multiple shipments of defense articles and technical data and performance of defense services for extended periods, and re-exports to approved end users.

(iii) Eligible end users will be limited to ministries of defense of MOU signatory countries and foreign companies serving as contractors of such countries.

(iv) Any requirement for non-transfer and use assurances from a foreign government may be deemed satisfied by the signature by such government of a cooperative agreement or by its ministry of defense of a cooperative MOU/ MOA where the agreement or MOU contains assurances that are comparable to that required by a DSP–83 with respect to foreign governments and that clarifies that the government is undertaking responsibility for all its participating companies. The authorized non-government participants or end users (e.g., the participating government’s contractors) will still be required to execute DSP–83s.
(4) Technical data supporting an acquisition, teaming arrangement, merger, joint venture authorization. With respect to NATO member countries, Australia, Japan, and Sweden, the Directorate of Defense Trade Controls may provide a registered U.S. defense company a comprehensive authorization to export technical data in support of the U.S. exporter’s consideration of entering into a teaming arrangement, joint venture, merger, acquisition, or similar arrangement with prospective foreign partners. Specifically, the authorization is designed to permit the export of a broadly defined set of technical data to qualifying well established foreign defense firms in NATO countries, Australia, Japan, or Sweden in order to better facilitate a sufficiently in depth assessment of the benefits, opportunities and other relevant considerations presented by such prospective arrangements. U.S. exporters seeking such authorization must provide detailed information concerning the arrangement, joint venture, merger or acquisition, including any planned exports of defense articles, defense services, and technical data, and meet the other requirements set forth in paragraph (b) of this section.

(b) Provisions and requirements for comprehensive authorizations. Requests for the special comprehensive authorizations set forth in paragraph (a) of this section should be by letter addressed to the Directorate of Defense Trade Controls. With regard to a commercial major program or project authorization, or technical data supporting a teaming arrangement, merger, joint venture or acquisition, registered U.S. exporters may consult the Deputy Assistant Secretary of State for Defense Trade Controls about eligibility for and obtaining available comprehensive authorizations set forth in paragraph (a) of this section or pursuant to §126.9(b) of this subchapter.

(1) Requests for consideration of all such authorizations should be formulated to correspond to one of the authorizations set out in paragraph (a) of this section, and should include:

(i) A description of the proposed program or project, including where appropriate a comprehensive description of all phases or stages; and

(ii) Its value; and

(iii) Types of exports needed in support of the program or project; and

(iv) Projected duration of same, within permissible limits; and

(v) Description of the exporter’s plan for record keeping and auditing of all phases of the program or project; and

(vi) In the case of authorizations for exports in support of government to government cooperative projects, identification of the cooperative project.

(2) Amendments to the requested authorization may be requested in writing as appropriate, and should include a detailed description of the aspects of the activities being proposed for amendment.

(3) The comprehensive authorizations set forth in paragraph (a) of this section may be made valid for the duration of the major commercial program or project, or cooperative project, not to exceed 10 years.

(4) Included among the criteria required for such authorizations are those set out in part 124, e.g., §§124.7, 124.8 and 124.9, as well as §§125.4 (technical data exported in furtherance of an agreement) and 123.16 (hardware being included in an agreement). Provisions required will also take into account the congressional notification requirements in §§123.15 and 124.11 of the ITAR. Specifically, comprehensive congressional notifications corresponding to the comprehensive parameters for the major program or project or cooperative project should be possible, with additional notifications such as those required by law for changes in value or other significant modifications.

Once removed, the defense article or defense service will no longer be subject to this section, and such defense article or defense service previously exported shall remain on the U.S. Munitions List and be subject to the requirements of this subchapter unless the applicable Federal Register notice states otherwise. (a) Subject to the requirements of paragraphs (b) and (c) of this section and notwithstanding any other provisions of this part, and where the exemption provided in §124.16 cannot be implemented because of applicable domestic laws, no approval is needed from the Directorate of Defense Trade Controls (DDTC) for the transfer of unclassified defense articles, which includes technical data (see §120.6), to or within a foreign business entity, foreign governmental entity, or international organization that is an authorized end-user or consignee (including approved sub-licensees) for those defense articles, including the transfer to dual nationals or third-country nationals who are bona fide regular employees, directly employed by the foreign consignee or end-user. The transfer of defense articles pursuant to this section must take place completely within the physical territory of the country where the end-user is located, where the governmental entity or international organization conducts official business, or where the consignee operates, and be within the scope of an approved export license, other export authorization, or license exemption.

(b) The provisions of §127.1(b) are applicable to any transfer under this section. As a condition of transferring to foreign person employees described in paragraph (a) of this section any defense article under this provision, any foreign business entity, foreign governmental entity, or international organization, as a “foreign person” within the meaning of §120.16, that receives a defense article, must have effective procedures to prevent diversion to destinations, entities, or for purposes other than those authorized by the applicable export license or other authorization (e.g., written approval or exemption) in order to comply with the applicable provisions of the Arms Export Control Act and the ITAR.

(2) The end-user or consignee to have in place a process to screen its employees and to have executed a Non-Disclosure Agreement that provides assurances that the employee will not transfer any defense articles to persons or entities unless specifically authorized by the consignee or end-user. The end-user or consignee must screen its employees for substantive contacts with restricted or prohibited countries listed in §126.1. Substantive contacts include regular travel to such countries, recent or continuing contact with agents, brokers, and nationals of such countries, continued demonstrated allegiance to such countries, maintenance of business relationships with persons from such countries, maintenance of a residence in such countries, receiving salary or other continuing monetary compensation from such countries, or acts otherwise indicating a risk of diversion. Although nationality does not, in and of itself, prohibit access to defense articles, an employee who has substantive contacts with persons from countries listed in §126.1(a) shall be presumed to raise a risk of diversion, unless DDTC determines otherwise. End-users and consignees must maintain a technology security/clearance plan that includes procedures for screening employees for substantive contacts and maintain records of such screening for five years. The technology security/clearance plan and screening records shall be made available to DDTC or its agents for civil and criminal law enforcement purposes upon request.

Note 1: Classified defense articles and services are not eligible for export under the Canadian exemptions. U.S. origin articles, technical data, and services controlled in USML Category XVII are not eligible for export under the UK Treaty exemption. U.S. origin classified defense articles and services are not eligible for export under either the UK or AS Treaty exemptions except when being released pursuant to a U.S. Department of Defense written request, directive, or contract that provides for the export of the defense article or service.

Note 2: The phrase "any part of the spectrum" includes radio frequency (RF), infrared (IR), electro-optical, visual, ultraviolet (UV), acoustic, and magnetic. Defense articles related to reduced observables or counter reduced observables are defined as:

(a) Signature reduction (radio frequency (RF), infrared (IR), Electro-Optical, visual, ultraviolet (UV), acoustic, magnetic, RF emissions) of defense platforms, including systems, subsystems, components, materials, dual-purpose materials used for Electromagnetic Interference (EM) reduction, technologies, and signature prediction, test and measurement equipment and software, and material transmissivity/reflectivity prediction codes and optimization software.

(b) Electronically scanned array radar, high power radars, radar processing algorithms, periscope-mounted radar systems (PATRIOT), LADAR, multistatic and IR focal plane array-based sensors, to include systems, subsystems, components, materials, and technologies.

Note 3: Defense articles and services related to sensor fusion beyond that required for display or identification correlation is defined as techniques designed to automatically combine information from two or more sensors/sources for the purpose of target identification, tracking, designation, or passing of data in support of surveillance or weapons engagement. Sensor fusion involves sensors such as acoustic, infrared, electro optical, frequency, etc. Display or identification correlation refers to the combination of target detections from multiple sources for assignment of common target track designation.

Note 4: Software source code beyond that source code required for basic operation, maintenance, and training for programs, systems, and/or subsystems is not eligible for use of the UK or AS Treaty exemptions, unless such export is pursuant to a written solicitation or contract issued or awarded by the U.S. Department of Defense for an end-use identified in paragraph (e)(1), (e)(2), or (e)(4) of § 126.16 or § 126.17 of this subchapter and is consistent with other exclusions of this supplement.

Note 5: Manufacturing know-how, as defined in § 125.4(c)(6) of this subchapter, is not eligible for use of the UK or AS Treaty exemptions, unless such export is pursuant to a written solicitation or contract issued or awarded by the U.S. Department of Defense for an end-use identified in paragraph (e)(1), (e)(2), or (e)(4) of § 126.16 or § 126.17 of this subchapter and is consistent with other exclusions of this supplement.

Note 6: Defense articles and services specific to Man Portable Air Defense Systems (MANPADS) includes missiles that can be used without modification in other applications. It also includes production and test equipment and components specifically designed or modified for MANPAD systems, as well as training equipment specifically designed or modified for MANPAD systems.

Note 7: Naval nuclear propulsion plants includes all of USML Category VI(e). Naval nuclear propulsion information consists of technical data that concern the design, arrangement, development, manufacture, testing, operation, administration, training, maintenance, and repair of the propulsion plants of naval nuclear-powered ships and prototypes, including the associated shipboard and shore-based nuclear support facilities. Examples of defense articles covered by this exclusion include nuclear propulsion plants and nuclear submarine technologies or systems; nuclear powered vessels (see USML, Categories VI and XX).
§ 126.18  22 CFR Ch. I (4–1–16 Edition)

Note 8: A complete gas turbine engine with embodied hot section components or digital engine controls is eligible for export or transfer under the TREATIES. Technical data, other than those data required for routine external maintenance and operation, related to the hot section of such an engine is not eligible for export under the Canadian exemption. Technical data, other than those data required for routine external maintenance and operation, related to the hot section or digital engine controls, as well as individual hot section parts or components are not eligible for the Treaty exemption whether shipped separately or accompanying a complete engine. Gas turbine engine hot section exempted defense article components and technology are combustors, high pressure turbine blades, vanes, disks and related cooled structure; cooled low pressure turbine blades, vanes, disks and related cooled structure; coolant nozzles. Examples of gas turbine engine hot section developmental technologies are Integrated High Performance Turbine Engine Technology (IPTET), Versatile, Affordable Advanced Turbine Engine (VAATE) and Ultra-Efficient Engine Technology (UEET), which are also excluded from export under the exemptions.

Note 9: Examples of countermeasures and counter-countermeasures related to defense articles not exportable under the AS or UK Treaty exemptions are:

(a) IR countermeasures;
(b) Classified techniques and capabilities;
(c) Exports for precision radio frequency location that directly or indirectly supports fire control and is used for situation awareness, target identification, target acquisition, and weapons targeting and Radio Direction Finding (RDF) capabilities. Precision RF location is defined as angle of arrival accuracy of less than five degrees (RMSE) and RF emitter location of less than ten percent range error;
(d) Providing the capability to reprogram; and
(e) Acoustics (including underwater), active and passive countermeasures, and counter-countermeasures that address of in-buoy signal processing for target detection and classification; autonomous underwater vehicles capable of long endurance in ocean environments (manned submarines excluded); automated control algorithms embodied in on-board autonomous platforms which enable (a) group behaviors for target detection and classification, (b) adaptation to the environment or tactical situation for enhancing target detection and classification; "intelligent autonomy" algorithms that define the status, group (greater than 2) behaviors, and responses to detection stimuli by autonomous, underwater vehicles; and low frequency, broad band "acoustic color," active acoustic "fingerprint" sensing for the purpose of long range, single pass identification of ocean bottom objects, buried or otherwise (controlled under Category USML X(a)(1), (a)(2), (b), (c), and (d)).

Note 10: This exclusion does not apply to the platforms, e.g., vehicles for which the armored plates are applied. For exclusions related to the platforms, refer to the other exclusions in this list, particularly for the category in which the platform is controlled.

The excluded defense articles include constructions of metallic or non-metallic materials or combinations thereof specially designed to provide protection for military systems. The phrase "suitable for military use" applies to any articles or materials which have been tested to level IIIA or above IAW NJU standard 0108.01 or comparable national standard. This exclusion does not include military helmets, body armor, or other protective garments which may be exported IAW the terms of the AS or UK Treaty.

Note 11: The term "libraries" (parametric technical databases) means a collection of technical information of a military nature, reference to which may enhance the performance of military equipment or systems.

Note 12: In order to utilize the authorized defense services under the Canadian exemption, the following must be complied with:

(a) The Canadian contractor and subcontractor must certify, in writing, to the U.S. exporter that the technical data and defense services being exported will be used only for an activity identified in Supplement No. 1 to part 126 of this subchapter and in accordance with § 126.5 of this subchapter; and
(b) A written arrangement between the U.S. exporter and the Canadian recipient must:

(1) Limit delivery of the defense services being produced directly to an identified manufacturer in the United States registered in accordance with part 126 of this subchapter; a department or agency of the United States Federal Government; a Canadian-registered person authorized in writing to manufacture defense services by and for the Government of Canada; a Canadian Federal, Provincial, or Territorial Government entity that requires in writing the technical data be maintained. The U.S. exporter must provide written certification that the technical data is being retained or destroyed; and
(2) Include a clause requiring that all documentation created by U.S. origin technical data contain the statement that, "This document contains technical data, the use of which is restricted by the U.S. Arms Export Control Act. This data has been provided in accordance with, and is subject to, the limitations specified in § 126.5 of the International Traffic in Arms Regulations (ITAR). By accepting this data, the consignee agrees to honor the requirements of the ITAR.";
(c) The U.S. exporter must provide the Directorate of Defense Trade Controls a semi-annual report regarding all of their ongoing activities authorized under § 126.5 of this subchapter. The report shall include the activity(ies) being produced; the end-user(s); the end-item into which the product is to be incorporated; the intended end-use of the product; and the names and addresses of all the Canadian contractors and subcontractors.

Note 13: This exclusion does not apply to demining equipment in support of the clearance of landmines and unexploded ordnance for humanitarian purposes. As used in this exclusion, "anti-personnel landmine" means any mine placed under, on, or near the ground or other surface area, or delivered by artillery, rocket, mortar, or similar means or dropped from an aircraft and which is designed to be detonated or exploded by the presence, proximity, or contact of a person; any device or material which is designed, constructed, or adapted to kill or injure and which functions unexpectedly when a person disturbs or approaches an apparently harmless object or performs an apparently safe act; any manually-emplaced munition or device designed to kill, injure, or damage and which is activated by remote control or automatically after a lapse of time.

Note 14: The radar systems described are controlled in USML Category X(a)(9)(ii) through (v). As used in this entry, the term "systems" includes equipment, devices, software, assemblies, modules, components, practices, processes, methods, approaches, schema, frameworks, and models.

Note 15: This exclusion does not apply to the export of defense services previously notified to Congress pursuant to § 123.15 or § 124.11 of this subchapter. For use of the Australian and UK exemptions for congressional notification, see § 126.16(o) and § 126.17(o).
§ 127.1 Violations.

(a) Without first obtaining the required license or other written approval from the Directorate of Defense Trade Controls, it is unlawful:

(1) To export or attempt to export from the United States any defense article, technical data, or defense service for which a license or written approval is required by this subchapter;

(2) To reexport or retransfer any defense article, technical data, or defense service from one foreign end-user, end-use, or destination to another foreign end-user, end-use, or destination for which a license or written approval is required by this subchapter, any defense article, technical data, or defense service that was exported from the United States without a license pursuant to any exemption under this subchapter;

(3) To import or attempt to import any defense article whenever a license is required by this subchapter;

(4) To conspire to export, import, reexport, retransfer, furnish or cause to be exported, imported, reexported, retransferred or furnished, any defense article, technical data, or defense service for which a license or written approval is required by this subchapter; or

(5) To possess or attempt to possess any defense article with intent to export or transfer such defense article in violation of 22 U.S.C. 2778 and 2779, or any regulation, license, approval, or order issued thereunder.

(2) To engage in the business of brokering activities for which registration and a license or written approval is required by this subchapter without first registering or obtaining the required license or written approval from the Directorate of Defense Trade Controls. For the purposes of this subchapter, engaging in the business of brokering activities requires only one occasion of engaging in an activity as reflected in § 129.2(b) of this subchapter.

(3) To engage in the United States in the business of either manufacturing or exporting defense articles or furnishing defense services without complying with the registration requirements. For the purposes of this subchapter, engaging in the business of manufacturing or exporting defense articles or furnishing defense services requires only one occasion of manufacturing or exporting a defense article or furnishing a defense service.

(c) Any person who is granted a license or other approval or acts pursuant to an exemption under this subchapter is responsible for the acts of employees, agents, brokers, and all authorized persons to whom possession of the defense article, which includes technical data, has been entrusted with regard to the operation, use, possession, transportation, and handling of such defense article abroad. All persons abroad subject to U.S. jurisdiction who obtain custody of a defense article exported from the United States or produced under an agreement described in part 124 of this subchapter, and regardless of the number of intermediate transfers, are bound by the regulations of this subchapter in the same manner as if they were in the United States.
§ 127.2 Misrepresentation and omission of facts.

(a) It is unlawful to use or attempt to use any export or temporary import control document containing a false statement or misrepresenting or omitting a material fact for the purpose of exporting, transferring, reexporting, retransferring, obtaining, or furnishing any defense article, technical data, or defense service. Any false statement, misrepresentation, or omission of material fact in an export or temporary import control document will be considered as made in a matter within the jurisdiction of a department or agency of the United States for the purposes of 18 U.S.C. 1001, 22 U.S.C. 2778, and 22 U.S.C. 2779.

(5) Delivery verification.

(6) Application for temporary export.

(7) Application for registration.

(8) Purchase order.

(9) Foreign import certificate.

(10) Bill-of-lading.

(11) Airway bill.

(12) Nontransfer and use certificate.

(13) Any other document used in the regulation or control of a defense article, defense service, or brokering activity regulated by this subchapter.

(14) Any other shipping document that has information related to the export of the defense article or defense service.

§ 127.3 Penalties for violations.

Any person who willfully:

(a) Violates any provision of §38 or §39 of the Arms Export Control Act (22 U.S.C. 2778 and 2779) or any rule or regulation issued under either §38 or §39 of the Act, or any undertaking specifically required by part 124 of this subchapter; or

(b) In a registration, license application, or report required by §38 or §39 of the Arms Export Control Act (22 U.S.C. 2778 and 2779) or by any rule or regulation issued under either section, makes any untrue statement of a material fact or omits a material fact required to be stated therein or necessary to make the statements therein not misleading, shall upon conviction be subject to a fine or imprisonment, or both, as prescribed by 22 U.S.C. 2778(c).
§ 127.4 Authority of U.S. Immigration and Customs Enforcement and U.S. Customs and Border Protection officers.

(a) U.S. Immigration and Customs Enforcement and U.S. Customs and Border Protection officers may take appropriate action to ensure observance of this subchapter as to the export or the attempted export or the temporary import of any defense article or technical data, including the inspection of loading or unloading of any vessel, vehicle, or aircraft. This applies whether the export is authorized by license or by written approval issued under this subchapter or by exemption.

(b) U.S. Immigration and Customs Enforcement and U.S. Customs and Border Protection officers have the authority to investigate, detain or seize any export or attempted export of defense articles or technical data contrary to this subchapter.

(c) Upon the presentation to a U.S. Customs and Border Protection Officer of a license or written approval, or claim of an exemption, authorizing the export of any defense article, the customs officer may require the production of other relevant documents and information relating to the final export. This includes an invoice, order, packing list, shipping document, correspondence, instructions, and the documents otherwise required by the U.S. Customs and Border Protection or U.S. Immigration and Customs Enforcement.

(d) If an exemption under this subchapter is used or claimed to export, transfer, reexport or retransfer, furnish, or obtain a defense article, technical data, or defense service, law enforcement officers may rely upon the authorities noted, additional authority identified in the language of the exemption, and any other lawful means or authorities to investigate such a matter.

[70 FR 50965, Aug. 29, 2005, as amended at 77 FR 16642, Mar. 21, 2012]

§ 127.5 Authority of the Defense Security Service.

In the case of exports involving classified technical data or defense articles, the Defense Security Service may take appropriate action to ensure compliance with the Department of Defense National Industrial Security Program Operating Manual (unless such requirements are in direct conflict with guidance provided by the Directorate of Defense Trade Controls, in which case the latter guidance must be followed). Upon a request to the Defense Security Service regarding the export of any classified defense article or technical data, the Defense Security Service official or a designated government transmittal authority may require the production of other relevant documents and information relating to the proposed export.

[71 FR 20549, Apr. 21, 2006]

§ 127.6 Seizure and forfeiture in attempts at illegal exports.

(a) An attempt to export from the United States any defense articles in violation of the provisions of this subchapter constitutes an offense punishable under section 401 of title 22 of the United States Code. Whenever it is known or there is probable cause to believe that any defense article is intended to be or is being or has been exported or removed from the United States in violation of law, such article and any vessel, vehicle or aircraft involved in such attempt is subject to seizure, forfeiture and disposition as provided in section 401 of title 22 of the United States Code.

(b) Similarly, an attempt to violate any of the conditions under which a temporary export or temporary import license was issued pursuant to this subchapter or to violate the requirements of §123.2 of this subchapter also constitutes an offense punishable under section 401 of title 22 of the United States Code, and such article, together with any vessel, vehicle or aircraft involved in any such attempt is subject to seizure, forfeiture, and disposition as provided in section 401 of title 22 of the United States Code.

§ 127.7 Debarment.

(a) Administrative debarment. In implementing section 38 of the Arms Export Control Act, the Assistant Secretary of State for Political-Military Affairs may debar and thereby prohibit any person from participating directly or indirectly in any activities that are
§ 127.8  
subject to this subchapter for any of the reasons listed below. Any such prohibition is referred to as an administrative debarment for purposes of this subchapter. The Assistant Secretary of State for Political-Military Affairs shall determine the appropriate period of time for administrative debarment, which generally shall be for a period of three years. Reinstatement is not automatic, however, and in all cases the debarred persons must submit a request for reinstatement before engaging in any activities subject to this subchapter. (See part 128 of this subchapter for administrative procedures.)

(b) Statutory debarment. Section 38(g)(4) of the Arms Export Control Act prohibits the issuance of licenses to persons who have been convicted of violating the U.S. criminal statutes enumerated in section 38(g)(1) of the Arms Export Control Act. Discretionary authority to issue licenses is provided, but only if certain statutory requirements are met. It is the policy of the Department of State not to consider applications for licenses or requests for approvals involving any person who has been convicted of violating the Arms Export Control Act or convicted of conspiracy to violate that Act for a three year period following conviction. Such individuals shall be notified in writing that they are statutorily debarred pursuant to this policy. A list of persons who have been convicted of such offenses and debarred for this reason shall be published periodically in the FEDERAL REGISTER. Statutory debarment in such cases is based solely upon the outcome of a criminal proceeding, conducted by a court of the United States, that established guilt beyond a reasonable doubt in accordance with due process. The procedures of part 128 of this subchapter are not applicable in such cases.

(c) Grounds. (1) The basis for statutory debarment, as described in paragraph (b) of this section, is any conviction for violating the Arms Export Control Act (see §127.3) or any conspiracy to violate the Arms Export Control Act.

(2) The basis for administrative debarment, as described in paragraph (a) of this section and in part 128 of this subchapter, is any violation of 22 U.S.C. 2778 or any rule or regulation issued thereunder when such a violation is of such a character as to provide a reasonable basis for the Directorate of Defense Trade Controls to believe that the violator cannot be relied upon to comply with the statute or these rules or regulations in the future, and when such violation is established in accordance with part 128 of this subchapter.

(d) Appeals. Any person who is ineligible pursuant to paragraph (b) of this section may appeal to the Under Secretary of State for Arms Control and International Security for reconsideration of the ineligibility determination. The procedures specified in §128.13 of this subchapter will be used in submitting a reconsideration appeal.

[78 FR 52689, Aug. 26, 2013]

§ 127.9  
Applicability of orders.

For the purpose of preventing evasion, orders of the Assistant Secretary of State for Political-Military Affairs debarring a person under §127.7 may be made applicable to any other person who may then or thereafter (during the term of the order) be related to the debarred person by affiliation, ownership, control, position of responsibility, or other commercial connection. Appropriate notice and opportunity to respond to the basis for the suspension will be given.

[78 FR 52689, Aug. 26, 2013]

§ 127.10  
Civil penalty.

(a) The Assistant Secretary of State for Political-Military Affairs is authorized to impose a civil penalty in an amount not to exceed that authorized by 22 U.S.C. 2778, 2779a, and 2780 for each violation of 22 U.S.C. 2778, 2779a, and 2780, or any regulation, order, license, or written approval issued thereunder. This civil penalty may be either in addition to, or in lieu of, any other liability or penalty which may be imposed.

(b) The Directorate of Defense Trade Controls may make:

(1) The payment of a civil penalty under this section or
Department of State

§ 127.12

(2) The completion of any administrative action pursuant to this part 127 or 128 of this subchapter a prior condition for the issuance, restoration, or continuing validity of any export license or other approval.

§ 127.11 Past violations.

(a) Presumption of denial. Pursuant to section 38 of the Arms Export Control Act, licenses or other approvals may not be granted to persons who have been convicted of violating any of the U.S. criminal statutes enumerated in §120.27 of this subchapter or who are ineligible to receive any export licenses from any agency of the U.S. Government, subject to a narrowly defined statutory exception. This provision establishes a presumption of denial for licenses or other approvals involving such persons. This presumption is applied by the Directorate of Defense Trade Controls to all persons convicted or deemed ineligible in this manner since the effective date of the Arms Export Control Act (Public Law 94–329; 90 Stat. 729) (June 30, 1976).

(b) Policy. An exception to the policy of the Department of State to deny applications for licenses or other approvals that involve persons described in paragraph (a) of this section shall not be considered unless there are extraordinary circumstances surrounding the conviction or ineligibility to export, and only if the applicant demonstrates, to the satisfaction of the Assistant Secretary of State for Political-Military Affairs, that the applicant has taken appropriate steps to mitigate any law enforcement and other legitimate concerns, and to deal with the causes that resulted in the conviction, ineligibility, or debarment. Any person described in paragraph (a) of this section who wishes to request consideration of any application must explain, in a letter to the Deputy Assistant Secretary of State for Defense Trade Controls the reasons why the application should be considered. If the Assistant Secretary of State for Political-Military Affairs concludes that the application and written explanation have sufficient merit, the Assistant Secretary shall consult with the Office of the Legal Adviser and the Department of the Treasury regarding law enforcement concerns, and may also request the views of other departments, including the Department of Justice, if the Directorate of Defense Trade Controls does grant the license or other approval, subsequent applications from the same person need not repeat the information previously provided but should instead refer to the favorable decision.

[71 FR 20550, Apr. 21, 2006, as amended at 79 FR 8088, Feb. 11, 2014]

§ 127.12 Voluntary disclosures.

(a) General policy. The Department strongly encourages the disclosure of information to the Directorate of Defense Trade Controls by persons (see §120.14 of this subchapter) that believe they may have violated any export control provision of the Arms Export Control Act, or any regulation, order, license, or other authorization issued under the authority of the Arms Export Control Act. The Department may consider a voluntary disclosure as a mitigating factor in determining the administrative penalties, if any, that should be imposed. Failure to report a violation may result in circumstances detrimental to U.S. national security and foreign policy interests, and will be an adverse factor in determining the appropriate disposition of such violations.

(b) Limitations. (1) The provisions of this section apply only when information is provided to the Directorate of Defense Trade Controls for its review in determining whether to take administrative action under part 128 of this subchapter concerning a violation of the export control provisions of the Arms Export Control Act and these regulations.

(2) The provisions of this section apply only when information is received by the Directorate of Defense Trade Controls for review prior to such
§ 127.12 22 CFR Ch. I (4–1–16 Edition)

time that either the Department of State or any other agency, bureau, or department of the United States Government obtains knowledge of either the same or substantially similar information from another source and commences an investigation or inquiry that involves that information, and that is intended to determine whether the Arms Export Control Act or these regulations, or any other license, order, or other authorization issued under the Arms Export Control Act has been violated.

(3) The violation(s) in question, despite the voluntary nature of the disclosure, may merit penalties, administrative actions, sanctions, or referrals to the Department of Justice to consider criminal prosecution. In the latter case, the Directorate of Defense Trade Controls will notify the Department of Justice of the voluntary nature of the disclosure, although the Department of Justice is not required to give that fact any weight. The Directorate of Defense Trade Controls has the sole discretion to consider whether “voluntary disclosure,” in context with other relevant information in a particular case, should be a mitigating factor in determining what, if any, administrative action will be imposed. Some of the mitigating factors the Directorate of Defense Trade Controls may consider are:

(i) Whether the transaction would have been authorized, and under what conditions, had a proper license request been made;

(ii) Why the violation occurred;

(iii) The degree of cooperation with the ensuing investigation;

(iv) Whether the person has instituted or improved an internal compliance program to reduce the likelihood of future violation;

(v) Whether the person making the disclosure did so with the full knowledge and authorization of the person’s senior management. (If not, then the Directorate will not deem the disclosure voluntary as covered in this section.)

(4) The provisions of this section do not, nor should they be relied on to, create, confer, or grant any rights, benefits, privileges, or protection enforceable at law or in equity by any person in any civil, criminal, administrative, or other matter.

(5) Nothing in this section shall be interpreted to negate or lessen the affirmative duty pursuant to §§126.1(e), 126.16(h)(5), and 126.17(h)(5) of this subchapter upon persons to inform the Directorate of Defense Trade Controls of the actual or final sale, export, transfer, re-export, or retransfer of a defense article, technical data, or defense service to any country referred to in §126.1 of this subchapter, any citizen of such country, or any person acting on its behalf.

(c) Notification. (1) Any person wanting to disclose information that constitutes a voluntary disclosure should, in the manner outlined below, initially notify the Directorate of Defense Trade Controls immediately after a violation is discovered and then conduct a thorough review of all defense trade transactions where a violation is suspected.

(i) If the notification does not contain all the information required by 127.12(c)(2) of this section, a full disclosure must be submitted within 60 calendar days of the notification, or the Directorate of Defense Trade Controls will not deem the notification to qualify as a voluntary disclosure.

(ii) If the person is unable to provide a full disclosure within the 60 calendar day deadline, an empowered official (see §120.25 of this subchapter) or a senior officer may request an extension of time in writing. A request for an extension must specify what information required by §127.12(c)(2) of this section could not be immediately provided and the reasons why.

(iii) Before approving an extension of time to provide the full disclosure, the Directorate of Defense Trade Controls may require the requester to certify in writing that they will provide the full disclosure within a specific time period.

(iv) Failure to provide a full disclosure within a reasonable time may result in a decision by the Directorate of Defense Trade Controls not to consider the notification as a mitigating factor in determining the appropriate disposition of the violation. In addition, the Directorate of Defense Trade Controls may direct the requester to furnish all
relevant information surrounding the violation.

(2) Notification of a violation must be in writing and should include the following information:

(i) A precise description of the nature and extent of the violation (e.g., an unauthorized shipment, doing business with a party denied U.S. export privileges, etc.);

(ii) The exact circumstances surrounding the violation (a thorough explanation of why, when, where, and how the violation occurred);

(iii) The complete identities and addresses of all persons known or suspected to be involved in the activities giving rise to the violation (including mailing, shipping, and e-mail addresses; telephone and fax/facsimile numbers; and any other known identifying information);

(iv) Department of State license numbers, exemption citation, or description of any other authorization, if applicable;

(v) U.S. Munitions List category and subcategory, product description, quantity, and characteristics or technological capability of the hardware, technical data or defense service involved;

(vi) A description of corrective actions already undertaken that clearly identifies the new compliance initiatives implemented to address the causes of the violations set forth in the voluntary disclosure and any internal disciplinary action taken; and how these corrective actions are designed to deter those particular violations from occurring again;

(vii) The name and address of the person making the disclosure and a point of contact, if different, should further information be needed.

(3) Factors to be addressed in the voluntary disclosure include, for example, whether the violation was intentional or inadvertent; the degree to which the person responsible for the violation was familiar with the laws and regulations, and whether the person was the subject of prior administrative or criminal action under the AECA; whether the violations are systemic; and the details of compliance measures, processes and programs, including training, that were in place to prevent such violations, if any. In addition to immediately providing written notification, persons are strongly urged to conduct a thorough review of all export-related transactions where a possible violation is suspected.

(d) Documentation. The written disclosure should be accompanied by copies of substantiating documents. Where appropriate, the documentation should include, but not be limited to:

(1) Licensing documents (e.g., license applications, export licenses, and end-user statements), exemption citation, or other authorization description, if any;

(2) Shipping documents (e.g., Electronic Export Information filing, including the Internal Transaction Number, air waybills, and bills of laden, invoices, and any other associated documents); and

(3) Any other relevant documents must be retained by the person making the disclosure until the Directorate of Defense Trade Controls requests them or until a final decision on the disclosed information has been made.

(e) Certification. A certification must be submitted stating that all of the representations made in connection with the voluntary disclosure are true and correct to the best of that person’s knowledge and belief. Certifications should be executed by an empowered official (See §120.25 of this subchapter), or by a senior officer (e.g. chief executive officer, president, vice-president, comptroller, treasurer, general counsel, or member of the board of directors). If the violation is a major violation, reveals a systemic pattern of violations, or reflects the absence of an effective compliance program, the Directorate of Defense Trade Controls may require that such certification be made by a senior officer of the company.

(f) Oral presentations. Oral presentation is generally not necessary to augment the written presentation. However, if the person making the disclosure believes a meeting is desirable, a request should be included with the written presentation.

(g) Send voluntary disclosures to the Office of Defense Trade Controls Compliance, Directorate of Defense Trade Controls. Consult the Directorate of Defense Trade Controls Web site at

§ 128.1 Exclusion of functions from the Administrative Procedure Act.

The Arms Export Control Act authorizes the President to control the import and export of defense articles and services in furtherance of world peace and the security and foreign policy of the United States. It authorizes the Secretary of State to make decisions on whether license applications or other written requests for approval shall be granted, or whether exemptions may be used. It also authorizes the Secretary of State to revoke, suspend or amend licenses or other written approvals whenever the Secretary deems such action to be advisable. The administration of the Arms Export Control Act is a foreign affairs function encompassed within the meaning of the military and foreign affairs exclusion of the Administrative Procedure Act and is thereby expressly exempt from various provisions of that Act. Because the exercising of the foreign affairs function, including the decisions required to implement the Arms Export Control Act, is highly discretionary, it is excluded from review under the Administrative Procedure Act.

§ 128.2 Administrative Law Judge.

The Administrative Law Judge referred to in this part is an Administrative Law Judge appointed by the Department of State. The Administrative Law Judge is authorized to exercise the powers and perform the duties provided for in §§127.7 and 128.3 through 128.16 of this subchapter.

§ 128.3 Institution of Administrative Proceedings.

(a) Charging letters. The Deputy Assistant Secretary of State for Defense Trade Controls or the Director, Office of Defense Trade Controls Compliance, with the concurrence of the Office of the Legal Adviser, Department of State, may initiate proceedings to impose debarment or civil penalties in accordance with §127.7 or §127.10 of this subchapter, respectively. Administrative proceedings shall be initiated by means of a charging letter. The charging letter will state the essential facts constituting the alleged violation and refer to the regulatory or other provision involved. It will give notice to the respondent to answer the charges within 30 days, as provided in §128.5(a), and indicate that a failure to answer will be taken as an admission of the truth of the charges. It will inform the respondent that he or she is entitled to an oral hearing if a written demand for one is filed with the answer or within seven days after service of the answer. The respondent will also be informed that he or she may, if so desired, be represented by counsel of his or her choosing. Charging letters may be amended from time to time, upon reasonable notice.

(b) Service. A charging letter is served upon a respondent:
§ 128.5 Answer and demand for oral hearing.

(a) When to answer. The respondent is required to answer the charging letter within 30 days after service.

(b) Contents of answer. An answer must be responsive to the charging letter. It must fully set forth the nature of the respondent’s defense or defenses. In the answer, the respondent must admit or deny specifically each separate allegation of the charging letter, unless the respondent is without knowledge, in which case the respondent’s answer shall so state and the statement shall operate as denial. Failure to deny or controvert any particular allegation will be deemed an admission thereof. The answer may set forth such additional or new matter as the respondent believes support a defense or claim of mitigation. Any defense or partial defense not specifically set forth in an answer shall be deemed waived. Evidence offered thereon by the respondent at a hearing may be refused except upon good cause being shown. If the respondent does not demand an oral hearing, he or she shall transmit, within seven (7) days after the service of his or her answer, original or photocopies of all correspondence, papers, records, affidavits, and other documentary or written evidence having any bearing upon or connection with the matters in issue. If any such materials are in language other than English, translations into English shall be submitted at the same time.

(c) Submission of answer. The answer, written demand for oral hearing (if any) and supporting evidence required by paragraph (b) of this section shall be in duplicate and mailed or delivered to the designated Administrative Law Judge. A copy shall be simultaneously mailed to the Deputy Assistant Secretary of State for Defense Trade Controls, SA–1, Room 1200, Department of State, Washington, DC 20522–0112, or delivered to 2401 Street NW., Washington, DC addressed to the Deputy Assistant Secretary of State for Defense Trade Controls.

§ 128.4 Default.

(a) Failure to answer. If the respondent fails to answer the charging letter, the respondent may be held in default. The case shall then be referred to the Administrative Law Judge for consideration in a manner as the Administrative Law Judge may consider appropriate. Any order issued shall have the same effect as an order issued following the disposition of contested charges.

(b) Petition to set aside defaults. Upon showing good cause, any respondent against whom a default order has been issued may apply to set aside the default and vacate the order entered thereon. The petition shall be submitted to duplicate to the Assistant Secretary for Political-Military Affairs, U.S. Department of State, 2201 C Street, NW., Washington, DC 20520. The Director will refer the petition to the Administrative Law Judge for consideration and a recommendation. The Administrative law Judge will consider the application and may order a hearing and require the respondent to submit further evidence in support of his or her petition. The filing of a petition to set aside a default does not in any manner affect an order entered upon default and such order continues in full force and effect unless a further order is made modifying or terminating it.

[61 FR 48832, Sept. 17, 1996]
§ 128.6 Discovery.

(a) Discovery by the respondent. The respondent, through the Administrative Law Judge, may request from the Directorate of Defense Trade Controls any relevant information, not privileged or otherwise not authorized for release, that may be necessary or helpful in preparing a defense. The Directorate of Defense Trade Controls may provide any relevant information, not privileged or otherwise not authorized for release, that may be necessary or helpful in preparing a defense. The Directorate of Defense Trade Controls may supply summaries in place of original documents and may withhold information from discovery if the interests of national security or foreign policy so require, or if necessary to comply with any statute, executive order or regulation requiring that the information not be disclosed. The respondent may request the Administrative Law Judge to request any relevant information, books, records, or other evidence, from any other person or government agency so long as the request is reasonable in scope and not unduly burdensome.

(b) Discovery by the Directorate of Defense Trade Controls. The Directorate of Defense Trade Controls or the Administrative Law Judge may make reasonable requests from the respondent of admissions of facts, answers to interrogatories, the production of books, records, or other evidence, so long as the request is reasonable in scope and not unduly burdensome.

(c) Subpoenas. At the request of any party, the Administrative Law Judge may issue subpoenas, returnable before him, requiring the attendance of witnesses and the production of books, records, and other documentary or physical evidence determined by the Administrative Law Judge to be relevant and material to the proceedings, reasonable in scope, and not unduly burdensome.

(d) Enforcement of discovery rights. If the Directorate of Defense Trade Controls fails to provide the respondent with information in its possession which is not otherwise available and which is necessary to the respondent’s defense, the Administrative Law Judge may dismiss the charges on her or his own motion or on a motion of the respondent. If the respondent fails to respond with reasonable diligence to the requests for discovery by the Directorate of Defense Trade Controls or the Administrative Law Judge, on her or his own motion or motion of the Directorate of Defense Trade Controls, and upon such notice to the respondent as the Administrative Law Judge may direct, may strike respondent’s answer and declare the respondent in default, or make any other ruling which the Administrative Law Judge deems necessary and just under the circumstances. If a third party fails to respond to the request for information, the Administrative Law Judge shall consider whether the evidence sought is necessary to a fair hearing, and if it is so necessary that a fair hearing may not be held without it, the Administrative Law Judge shall determine whether substitute information is adequate to protect the rights of the respondent. If the Administrative Law Judge decides that a fair hearing may be held with the substitute information, then the proceedings may continue. If not, then the Administrative Law Judge may dismiss the charges.

§ 128.7 Prehearing conference.

(a)(1) The Administrative Law Judge may, upon his own motion or upon motion of any party, request the parties or their counsel to a prehearing conference to consider:
   (i) Simplification of issues;
   (ii) The necessity or desirability of amendments to pleadings;
   (iii) Obtaining stipulations of fact and of documents to avoid unnecessary proof; or
   (iv) Such other matter as may expedite the disposition of the proceeding.

22 CFR Ch. I (4–1–16 Edition)
agreed upon or taken at the conference, and will incorporate therein any written stipulations or agreements made by the parties.

(3) The conference proceedings may be recorded magnetically or taken by a reporter and transcribed, and filed with the Administrative Law Judge.

(b) If a conference is impracticable, the Administrative Law Judge may request the parties to correspond with the person to achieve the purposes of a conference. The Administrative Law Judge shall prepare a summary of action taken as in the case of a conference.

§ 128.8 Hearings.

(a) A respondent who had not filed a timely written answer is not entitled to a hearing, and the case may be considered by the Administrative Law Judge as provided in §128.4(a). If any answer is filed, but no oral hearing demanded, the Administrative Law Judge may proceed to consider the case upon the written pleadings and evidence available. The Administrative Law Judge may provide for the making of the record in such manner as the Administrative Law Judge deems appropriate. If respondent answers and demands an oral hearing, the Administrative Law Judge, upon due notice, shall set the case for hearing, unless a respondent has raised in his answer no issues of material fact to be determined. If respondent fails to appear at a scheduled hearing, the hearing nevertheless may proceed in respondent’s absence. The respondent’s failure to appear will not affect the validity of the hearing or any proceedings or action thereafter.

(b) The Administrative Law Judge may administer oaths and affirmations. Respondent may be represented by counsel. Unless otherwise agreed by the parties and the Administrative Law Judge the proceeding will be taken by a reporter or by magnetic recording, transcribed, and filed with the Administrative Law Judge. Respondent may examine the transcript and may obtain a copy upon payment of proper costs.

§ 128.9 Proceedings before and report of Administrative Law Judge.

(a) The Administrative Law Judge may conform any part of the proceedings before him or her to the Federal Rules of Civil Procedure. The record may be made available in any other administrative or other proceeding involving the same respondent.

(b) The Administrative Law Judge, after considering the record, will prepare a written report. The report will include findings of fact, findings of law, a finding whether a law or regulation has been violated, and the Administrative Law Judge’s recommendations. It shall be transmitted to the Assistant Secretary for Political-Military Affairs, Department of State.

§ 128.10 Disposition of proceedings.

Where the evidence is not sufficient to support the charges, the Deputy Assistant Secretary of State for Defense Trade Controls or the Administrative Law Judge will dismiss the charges. Where the Administrative Law Judge finds that a violation has been committed, the Administrative Law Judge’s recommendation shall be advisory only. The Assistant Secretary of State for Political-Military Affairs will review the record, consider the report of the Administrative Law Judge, and make an appropriate disposition of the case. The Deputy Assistant Secretary of State for Defense Trade Controls may issue an order debarring the respondent from participating in the export of defense articles or technical data or the furnishing of defense services as provided in §127.7 of this subchapter, impose a civil penalty as provided in §127.10 of this subchapter, or take such action as the Administrative Law Judge may recommend. Any debarment order will be effective for the period of time specified therein and may contain such additional terms and conditions as are deemed appropriate. A copy of the order together with a copy of the Administrative Law
§ 128.11 Consent agreements.

(a) The Directorate of Defense Trade Controls and the respondent may, by agreement, submit to the Administrative Law Judge a proposal for the issuance of a consent order. The Administrative Law Judge will review the facts of the case and the proposal and may conduct conferences with the parties and may require the presentation of evidence in the case. If the Administrative Law Judge does not approve the proposal, the Administrative Law Judge will notify the parties and the case will proceed as though no consent proposal had been made. If the proposal is approved, the Administrative Law Judge will report the facts of the case along with recommendations to the Assistant Secretary of State for Political-Military Affairs. If the Assistant Secretary of State for Political-Military Affairs does not approve the proposal, the case will proceed as though no consent proposal had been made. If the proposal is approved, the Administrative Law Judge will report the facts of the case along with recommendations to the Assistant Secretary of State for Political-Military Affairs. If the Assistant Secretary of State for Political-Military Affairs approves the proposal, an appropriate order may be issued.

(b) Cases may also be settled prior to service of a charging letter. In such an event, a proposed charging letter shall be prepared, and a consent agreement and order shall be submitted for the approval and signature of the Assistant Secretary for Political-Military Affairs. If the Assistant Secretary of State for Political-Military Affairs does not approve the proposal, the case will proceed as though no consent proposal had been made. If the Assistant Secretary of State for Political-Military Affairs approves the proposal, an appropriate order may be issued.

§ 128.12 Rehearings.

The Administrative Law Judge may grant a rehearing or reopen a proceeding at any time for the purpose of hearing any relevant and material evidence which was not known or obtainable at the time of the original hearing. A report for rehearing or reopening must contain a summary of such evidence, and must explain the reasons why it could not have been presented at the original hearing. The Administrative Law Judge will inform the parties of any further hearing, and will conduct such hearing and submit a report and recommendations in the same manner as provided for the original proceeding (Described in §128.10).

§ 128.13 Appeals.

(a) Filing of appeals. An appeal must be in writing, and be addressed to and filed with the Under Secretary of State for Arms Control and International Security, Department of State, Washington, DC 20520. An appeal from a final order denying export privileges or imposing civil penalties must be filed within 30 days after receipt of a copy of the order. If the Under Secretary cannot for any reason act on the appeal, he or she may designate another Department of State official to receive and act on the appeal.

(b) Grounds and conditions for appeal. The respondent may appeal from the debarment or from the imposition of a civil penalty (except the imposition of civil penalties pursuant to a consent order pursuant to §128.11) upon the ground: (1) That the findings of a violation are not supported by any substantial evidence; (2) that a prejudicial error of law was committed; or (3) that the provisions of the order are arbitrary, capricious, or an abuse of discretion. The appeal must specify upon which of these grounds the appeal is based and must indicate from which provisions of the order the appeal is taken. An appeal from an order issued upon default will not be entertained if the respondent has failed to seek relief as provided in §128.4(b).

(c) Matters considered on appeal. An appeal will be considered upon the basis of the assembled record. This record consists of (but is not limited to) the charging letter, the respondent’s answer, the transcript or magnetic recording of the hearing before the Administrative Law Judge, the report of the Administrative Law Judge, the order of the Assistant Secretary of State for Political-Military Affairs, and any other relevant documents involved in the proceedings before the Administrative Law Judge. The Under Secretary of State for Arms Control
and International Security may direct a rehearing and reopening of the proceedings before the Administrative Law Judge if he or she finds that the record is insufficient or that new evidence is relevant and material to the issues and was not known and was not reasonably available to the respondent at the time of the original hearings.

(d) Effect of appeals. The taking of an appeal will not stay the operation of any order.

(e) Preparation of appeals—(1) General requirements. An appeal shall be in letter form. The appeal and accompanying material should be filed in duplicate, unless otherwise indicated, and a copy simultaneously mailed to the Deputy Assistant Secretary of State for Defense Trade Controls, SA–1, Room 1200, Department of State, Washington, DC 20522–0112 or delivered to 2401 E Street NW., Washington, DC addressed to the Deputy Assistant Secretary of State for Defense Trade Controls, SA–1, Room 1200, Department of State, Washington, DC 20037.

(2) Oral presentation. The Under Secretary of State for Arms Control and International Security may grant the appellant an opportunity for oral argument and will set the time and place for oral argument and will notify the parties, ordinarily at least 10 days before the date set.

(f) Decisions. All appeals will be considered and decided within a reasonable time after they are filed. An appeal may be granted or denied in whole or in part, or dismissed at the request of the appellant. The decision of the Under Secretary of State for Arms Control and International Security will be final.

§ 128.15 Orders containing probationary periods.

(a) Revocation of probationary periods. A debarment order may set a probationary period during which the order may be held in abeyance for all or part of the debarment period, subject to the conditions stated therein. The Deputy Assistant Secretary of State for Defense Trade Controls may apply, without notice to any person to be affected thereby, to the Administrative Law Judge for a recommendation on the appropriateness of revoking probation when it appears that the conditions of the probation have been breached. The facts in support of the application will be presented to the Administrative Law Judge, who will report thereon and make a recommendation to the Assistant Secretary of State for Political-Military Affairs. The latter will make a determination whether to revoke probation and will issue an appropriate order. The party affected by this action may request the Assistant Secretary of State for Political-Military Affairs to reconsider the decision by submitting a request within 10 days of the date of the order.

(b) Hearings—(1) Objections upon notice. Any person affected by an application upon notice to revoke probation, within the time specified in the notice, may file objections with the Administrative Law Judge.

(2) Objections to order without notice. Any person adversely affected by an order revoking probation, without notice, may request that the order be set aside by filing his objections thereto with the Administrative Law Judge. The request will not stay the effective date of the order or revocation.

(3) Requirements for filing objections. Objections filed with the Administrative Law Judge must be submitted in writing and in duplicate. A copy must be simultaneously submitted to the Directorate of Defense Trade Controls. Denials and admissions, as well as any mitigating circumstances, which the person affected intends to present must be set forth in or accompany the letter of objection and must be supported by

Government agency showing a proper interest therein.

§ 128.14 Confidentiality of proceedings.

Proceedings under this part are confidential. The documents referred to in §128.17 are not, however, deemed to be confidential. Reports of the Administrative Law Judge and copies of transcripts or recordings of hearings will be available to parties and, to the extent of their own testimony, to witnesses. All records are available to any U.S. Government agency showing a proper interest therein.

evidence. A request for an oral hearing may be made at the time of filing objections.

(4) **Determination.** The application and objections thereto will be referred to the Administrative Law Judge. An oral hearing if requested, will be conducted at an early convenient date, unless the objections filed raise no issues of material fact to be determined. The Administrative Law Judge will report the facts and make a recommendation to the Assistant Secretary for Political-Military Affairs, who will determine whether the application should be granted or denied and will issue an appropriate order. A copy of the order and of the Administrative Law Judge's report will be furnished to any person affected thereby.

(5) **Effect of revocation on other actions.** The revocation of a probationary period will not preclude any other action concerning a further violation, even where revocation is based on the further violation.

§ 128.16 Extension of time.

The Administrative Law Judge, for good cause shown, may extend the time within which to prepare and submit an answer to a charging letter or to perform any other act required by this part.

129.5 Exemption from requirement for approval.

129.6 Procedures for obtaining approval.

§ 129.1 Purpose.

(a) Section 38(b)(1)(A)(ii) of the Arms Export Control Act (22 U.S.C. 2778) provides that persons engaged in the business of brokering activities shall register and pay a registration fee as prescribed in regulations, and that no person may engage in the business of brokering activities without a license issued in accordance with the Act.

(b) The brokering activities identified in this subchapter apply to those defense articles and defense services controlled for purposes of export on the U.S. Munitions List (see part 121 of this subchapter) or for purposes of permanent import on the U.S. Munitions Import List (see 27 CFR part 447).

[78 FR 52690, Aug. 26, 2013]

§ 129.2 Definitions.

As used in this part:

(a) **Broker** means any person (see §120.14 of this subchapter) described below who engages in the business of brokering activities:

(1) Any U.S. person (see §120.15 of this subchapter) wherever located;

(2) Any foreign person (see §120.16 of this subchapter) located in the United States; or

(3) Any foreign person located outside the United States where the foreign person is owned or controlled by a U.S. person.

NOTE TO PARAGRAPH (a)(3): For purposes of this paragraph, “owned by a U.S. person” means more than 50 percent of the outstanding voting securities of the firm are owned by a U.S. person, and “controlled by a U.S. person” means one or more U.S. persons have the authority or ability to establish or
direct the general policies or day-to-day operations of the firm. U.S. person control is rebuttably presumed to exist where U.S. persons own 25 percent or more of the outstanding voting securities unless one foreign person controls an equal or larger percentage.

(b) Brokering activities means any action on behalf of another to facilitate the manufacture, export, permanent import, transfer, reexport, or retransfer of a U.S. or foreign defense article or defense service, regardless of its origin.

(1) Such action includes, but is not limited to:

(i) Financing, insuring, transporting, or freight forwarding defense articles and defense services; or

(ii) Soliciting, promoting, negotiating, contracting for, arranging, or otherwise assisting in the purchase, sale, transfer, loan, or lease of a defense article or defense service.

(2) Such action does not include:

(i) Activities by a U.S. person in the United States that are limited exclusively to U.S. domestic sales or transfers (e.g., not for export);

(ii) Activities by employees of the U.S. Government acting in an official capacity;

(iii) Activities by regular employees (see §120.39 of this subchapter) acting on behalf of their employer, including those regular employees who are dual nationals or third-country nationals that satisfy the requirements of §126.18 of this subchapter;

NOTE TO PARAGRAPH (b)(2)(iii): The exclusion does not apply to persons subject to U.S. jurisdiction with respect to activities involving a defense article or defense service originating in or destined for any proscribed country, area, or person identified in §126.1 of this subchapter.

(iv) Activities that do not extend beyond administrative services, such as providing or arranging office space and equipment, hospitality, advertising, or clerical, visa, or translation services, collecting product and pricing information to prepare a response to Request for Proposal, generally promoting company goodwill at trade shows, or activities by an attorney that do not extend beyond the provision of legal advice to clients;

(v) Activities performed by an affiliate, as defined in §120.40 of this subchapter, on behalf of another affiliate; or

(vi) Activities by persons, including their regular employees (see §120.39 of this subchapter), that do not extend beyond acting as an end-user of a defense article or defense service exported pursuant to a license or other approval under parts 123, 124, or 125 of this subchapter, or subsequently acting as a reexporter or retransferor of such article or service under such license or other approval, or under an approval pursuant to §123.9 of this subchapter.

(c) For the purposes of this subchapter, engaging in the business of brokering activities requires only one occasion of brokering as described in paragraph (b) of this section.

§ 129.3 Requirement to register.

(a) Except as provided in paragraph (b) of this section, any person who engages in brokering activities (see §129.2) is required to register with the Directorate of Defense Trade Controls. Registration under this section is generally a precondition for the issuance of approval for brokering activities required under this part 129 or the use of exemptions.

(b) Exemptions. Registration, approval, recordkeeping, and reporting under this section are not required for:

(1) Foreign governments or international organizations, including their employees, acting in an official capacity; or

(2) Persons exclusively in the business of financing, insuring, transporting, customs brokering, or freight forwarding, whose activities do not extend beyond financing, insuring, transporting, customs brokering, or freight forwarding. Examples include air carriers or freight forwards that merely transport or arrange transportation for licensed defense articles, and banks or credit companies who merely provide commercially available lines or letters of credit to persons registered or required to register in accordance with parts 122 or 129 of this subchapter.

However, banks, firms, or other persons providing financing for defense articles or defense services are required
to register under certain circumstances, such as when the bank or its employees are directly involved in arranging transactions involving defense articles or defense services or hold title to defense articles, even when no physical custody of defense articles is involved. In such circumstances, the banks, firms, or other persons providing financing for defense articles or defense services are not exempt.

(c) Persons exempt from registration, approval, recordkeeping, and reporting as provided in §129.3(b) are subject to the policy on embargoes and other proscriptions as outlined in §129.7.

(d) U.S. persons who are registered as a manufacturer or exporter in accordance with part 122 of this subchapter, including their U.S. or foreign subsidiaries and other affiliates listed on their Statement of Registration who are required to register under this part, are not required to submit a separate broker registration or pay a separate broker registration fee when more than 50 percent of the voting securities are owned by the registrant or such subsidiaries and affiliates are otherwise controlled by the registrant (see §120.40 of this subchapter), and they are listed and identified as brokers within their manufacturer or exporter Statement of Registration. All other requirements of this part apply to such brokers and their brokering activities.

(e) Registration under this section is a precondition for the issuance of approval for brokering activities required under this section or the use of exemptions, unless an exception is granted by the Directorate of Defense Trade Controls.

§129.5 Exemption from requirement for approval.

(a) Except as provided in §129.5, no person who is required to register as a broker pursuant to §129.3 of this subchapter may engage in the business of brokering activities pursuant to §129.2(b) without first obtaining the approval of the Directorate of Defense Trade Controls for the brokering of any of the following:

(1) Any foreign defense article or defense service (see §120.44 of this subchapter, and §129.5 for exemptions); or

(2) Any of the following U.S. origin defense articles or defense services:

(i) Firearms and other weapons of a nature described by Category I(a) through (d), Category II(a) and (d), and Category III(a) of §121.1 of this subchapter;

(ii) Rockets, bombs, and grenades as well as launchers for such defense articles of a nature described by Category IV(a), and launch vehicles and missile and anti-missile systems of a nature described by Category IV(b) of §121.1 of this subchapter (including man-portable air-defense systems);

(iii) Vessels of war described by Category VI of §121.1 of this subchapter;

(iv) Tanks and military vehicles described by Category VII of §121.1 of this subchapter;

(v) Aircraft and unmanned aerial vehicles described by Category VIII of §121.1 of this subchapter;

(vi) Night vision-related defense articles and inertial platform, sensor, and guidance-related systems of a nature described by Category XII(c) and (d) of §121.1 of this subchapter;

(vii) Chemical agents and precursors described by Category XIV(a), (c), and (e) of §121.1 of this subchapter, biological agents and biologically derived substances described by Category XIV(b) of §121.1 of this subchapter, and equipment described by Category XIV(f) of §121.1 of this subchapter for dissemination of the chemical agents and biological agents described by Category XIV(a), (b), and (e) of §121.1 of this subchapter;

(viii) Submersible vessels described by Category XX of §121.1 of this subchapter; and

(ix) Miscellaneous articles of a nature described by Category XXI of §121.1 of this subchapter.

(b) [Reserved]
(1) The brokering activities concern defense articles or defense services solely for the use of the agency; or

(2) The brokering activities are undertaken for carrying out a foreign assistance or sales program authorized by law and subject to control by the President by other means, as demonstrated by one of the following conditions being met:

(i) The U.S. Government agency contract with the broker contains an explicit provision stating the contract supports a foreign assistance or sales program authorized by law and the contracting agency has established control of the activity covered by the contract by other means equivalent to that established under this subchapter; or

(ii) The Directorate of Defense Trade Controls provides written concurrence in advance that the condition is met.

(b) Unless paragraph (c) of this section applies, brokering activities regarding a foreign defense article or defense service (see §120.44 of this subchapter) are exempt from the requirement for approval when arranged wholly within and destined exclusively for the North Atlantic Treaty Organization, any member country of that organization, Australia, Israel, Japan, New Zealand, or the Republic of Korea, except in the case of the defense articles or defense services specified in §129.4(a)(2), for which approval is required.

(c) Brokers engaging in brokering activities described in paragraph (a) or (b) of this section are not exempt from obtaining approval from the Directorate of Defense Trade Controls if:

(1) The broker is not registered as required by §129.3;

(2) The broker or any person who has a direct or indirect interest in or may benefit from the brokering activities, including any related defense article or defense service transaction, is ineligible as defined in §120.1(c)(2) of this subchapter; or

(3) A country or person referred to in §126.1 of this subchapter is involved in the brokering activities or such activities are otherwise subject to §129.7.

(d) Brokers who use the exemptions in this section must comply with all other provisions of this part 129.

[78 FR 52691, Aug. 26, 2013]

§129.6 Procedures for obtaining approval.

(a) All requests for approval of brokering activities must be made to the Directorate of Defense Trade Controls, be signed by an empowered official, and include the following information:

§ 129.7  Policy on embargoes and other proscriptions.
(a) This section applies to brokering activities defined in §129.2, regardless of whether the person involved in such activities has registered or is exempt from registration under §129.3. (c) The empowered official signing the request for approval shall include a certification that the request is complete and accurate.
(d) If at the time of submission certain information required by paragraph (b) of this section is not yet available, this fact must be stated and explained in the certification required by paragraph (c) of this section. (e) The period of validity for an approval may not exceed four years.

§ 129.8  Submission of Statement of Registration, registration fees, and notification of changes in information furnished by registrants.
(a) An intended registrant must submit a Department of State form DS-2032 (Statement of Registration) to the Office of Defense Trade Controls Compliance by following the submission guidelines available on the Directorate of Defense Trade Controls Web site at www.pmddtc.state.gov. The Statement of Registration must be signed by a U.S. person senior officer (e.g., chief executive officer, president, secretary, partner, member, treasurer, general counsel) who has been empowered by
the intended registrant to sign such documents, with the exception that a foreign senior officer may sign the Statement of Registration if the intended registrant seeks only to register as a foreign broker. The Statement of Registration may include subsidiaries and affiliates when more than 50 percent of the voting securities are owned by the registrant or the subsidiaries and affiliates are otherwise controlled by the registrant (see §120.40 of this subchapter). The intended registrant, whether a U.S. or foreign person, shall submit documentation that demonstrates it is incorporated or otherwise authorized to do business in its respective country. Foreign persons who are required to register shall provide information that is substantially similar in content to that which a U.S. person would provide under this provision (e.g., foreign business license or similar authorization to do business). The Directorate of Defense Trade Controls will notify the registrant if the Statement of Registration (form DS–2032) is incomplete either by notifying the registrant of what information is required or through the return of the entire registration package.

(b)(1) Frequency of registration and fee. A person who is required to register must do so on an annual basis by submitting a completed Statement of Registration (form DS–2032) and a fee following the fee guidelines available on the Directorate of Defense Trade Controls Web site at www.pmddtc.state.gov. Registrants are not required to submit a separate statement of registration and pay an additional fee when provisions in §129.3(d) are met.

(2) Expiration of registration. A registrant must submit its request for registration renewal at least 30 days, but no earlier than 60 days, prior to the expiration date.

(3) Lapse in registration. A registrant who fails to renew a registration and, after an intervening period, seeks to register again must pay registration fees for any part of such intervening period during which the registrant engaged in the business of brokering defense articles or defense services.

(c) Statement of Registration Certification. The Statement of Registration (form DS–2032) of the intended registrant shall include a certification by an authorized senior officer of the following:

(1) Whether the intended registrant or its parent, subsidiary, or other affiliate listed in the Statement of Registration, or any of its chief executive officers, presidents, vice presidents, secretaries, partners, members, other senior officers or officials (e.g., comptroller, treasurer, general counsel), or any member of the board of directors of the intended registrant, of any parent, subsidiary, or other affiliate listed in the Statement of Registration:

(i) Has ever been indicted or otherwise charged (e.g., charged by criminal information in lieu of indictment) for or has been convicted of violating any U.S. criminal statutes enumerated in §120.27 of this subchapter or violating a foreign criminal law on exportation of defense articles where conviction of such law carries a minimum term of imprisonment of greater than 1 year; or

(ii) Is ineligible to contract with, or to receive a license or other approval to import defense articles or defense services from, or to receive an export license or other approval from, any agency of the U.S. Government; and

(2) Whether the intended registrant is foreign owned or foreign controlled (see §120.37 of this subchapter). If the intended registrant is foreign owned or foreign controlled, the certification shall include an explanation of such ownership or control, including the identities of the foreign person or persons who ultimately own or control the registrant. This requirement applies to a registrant who is a U.S. person and is owned or controlled by a foreign person. It also applies to a registrant who is a foreign person and is owned or controlled by a foreign person from the same country or a foreign person from another country.

(d) A registrant must, within five days of the event, provide to the Directorate of Defense Trade Controls a written notification, signed by a senior officer (e.g., chief executive officer, president, secretary, partner, member, treasurer, general counsel), if:

(1) Any of the persons referred to in §129.8(c) is indicted or otherwise
§ 129.9 Guidance.

(a) Any person desiring guidance on whether an activity constitutes a brokering activity within the scope of this part 129 may request in writing guidance from the Directorate of Defense Trade Controls. The request for guidance shall identify the applicant and registrant code (if applicable) and describe fully the activities that will be undertaken, including:

(1) The specific activities to be undertaken by the applicant and any other U.S. or foreign person;
(2) The name, nationality, and geographic location of all U.S. and foreign persons who may participate in the activities;
(3) A description of each defense article or defense service that may be involved, including:
   (i) The U.S. Munitions List category and sub-category for each article;
   (ii) The name or military nomenclature of each defense article;
   (iii) Whether the defense article is significant military equipment;
   (iv) Estimated quantity of each defense article;
   (v) The establishment, acquisition or divestment of a U.S. or foreign subsidiary or other affiliate who is engaged in brokering activities or otherwise required to be listed in the registrant’s Statement of Registration; or
   (vi) Board of directors, senior officers, partners and owners.

NOTE 1 TO PARAGRAPH (d): All other changes in the Statement of Registration must be provided as part of annual registration renewal.

NOTE 2 TO PARAGRAPH (d): For one year from October 25, 2013, “Amendment to the International Traffic in Arms Regulations: Registration and Licensing of Brokers, Brokering Activities, and Related Provisions,” RIN 1400–AC37, the following changes must be provided as part of the annual registration renewal: pursuant to §129.8(a), changes to an existing registration to remove partially owned and not otherwise controlled subsidiaries or affiliates, which are not the subject of an internal reorganization, merger, acquisition, or divestiture.

(e) A U.S. or foreign registrant must provide written notification to the Directorate of Defense Trade Controls at least sixty (60) days in advance of any intended sale or transfer to a foreign person of ownership or control of the registrant or any parent, subsidiary, or other affiliate listed and covered in its Statement of Registration. Such notice does not relieve the registrant from obtaining any prior approval required under this subchapter.

(f) The new entity formed when a registrant merges with another company or acquires, or is acquired by, another company or a subsidiary or division of another company, shall advise the Directorate of Defense Trade Controls of the following:

(1) The new firm name and all previous firm names;
(2) The registration number that will continue and those that are to be discontinued (if any); and
(3) The numbers of all approvals for brokering activities under the continuing registration number, since any approval not the subject of notification will be considered invalid.

(g) A registrant whose registration lapses because of failure to renew and, after an intervening period, seeks to register again must pay registration fees for any part of such intervening period during which the registrant engaged in the business of brokering activities.

(v) Estimated U.S. dollar value of defense articles and defense services; and
(vi) Security classification;
(4) End-user and end-use; and
(5) A copy of any agreement or documentation, if available, between or among the requester and other persons who will be involved in the activity or related transactions that describes the activity to be taken by such persons.
(b) If at the time of submission certain information is not yet available, this circumstance must be stated and explained. The Directorate of Defense Trade Controls will take the completeness of the information into account in providing guidance on whether the activities constitute brokering activities. The guidance will constitute an official determination by the Department of State. The guidance shall not substitute for approval when required under §129.4.
(c) Persons desiring guidance on other aspects of this part may also request guidance from the Directorate of Defense Trade Controls in a similar manner by submitting a description of the relevant facts or copies of relevant documentation.

§129.10 Reports.

(a) Any person required to register under this part (including those registered in accordance with §129.3(d)) shall provide to the Directorate of Defense Trade Controls on an annual basis a report of its brokering activities in the previous twelve months. Such report shall be submitted along with the registrant’s annual renewal submission or, if not renewing, within 30 days after expiration of registration.
(b) The report shall include brokering activities that received or were exempt from approval as follows:
(1) The report shall identify the broker’s name, address, and registration code and be signed by an empowered official who shall certify that the report is complete and accurate. The report shall describe each of the brokering activities, including the number assigned by the Directorate of Defense Trade Controls to the approval or the exemption claimed; and
(2) For each of the brokering activities, the report shall identify all persons who participated in the activities, including each person’s name, address, nationality, and country where located and role or function; the quantity, description, and U.S. dollar value of the defense articles or defense services; the type and U.S. dollar value of any consideration received or expected to be received, directly or indirectly, by any person who participated in the brokering activities, and the source thereof.
(c) If there were no brokering activities, the report shall certify that there were no such activities.

PART 130—POLITICAL CONTRIBUTIONS, FEES AND COMMISSIONS
§ 130.1 Purpose.

Section 39(a) of the Arms Export Control Act (22 U.S.C. 2779) provides that the Secretary of State shall prescribe regulations with respect to reporting on certain payments relating to sales of defense articles and defense services. The provisions of this part implement that requirement. Definitions which apply to this part are contained in §§130.2 through 130.8.

§ 130.2 Applicant.

Applicant means any person who applies to the Directorate of Defense Trade Controls for any license or approval required under this subchapter for the export of defense articles or defense services valued in an amount of $500,000 or more which are being sold commercially to or for the use of the armed forces of a foreign country or international organization. This term also includes a person to whom the required license or approval has been given.

§ 130.3 Armed forces.

Armed forces means the army, navy, marine, air force, or coast guard, as well as the national guard and national police, of a foreign country. This term also includes any military unit or military personnel organized under or assigned to an international organization.

§ 130.4 Defense articles and defense services.

Defense articles and defense services have the meaning given those terms in paragraphs (3), (4) and (7) of section 47 of the Arms Export Control Act (22 U.S.C. 2794 (3), (4), and (7)). When used with reference to commercial sales, the definitions in §§120.6 and 120.9 of this subchapter apply.

§ 130.5 Fee or commission.

(a) Fee or commission means, except as provided in paragraph (b) of this section, any loan, gift, donation or other payment of $1,000 or more made, or offered or agreed to be made directly or indirectly, whether in cash or in kind, and whether or not pursuant to a written contract, which is:

(1) To or at the direction of any person, irrespective of nationality, whether or not employed by or affiliated with an applicant, a supplier or a vendor; and

(2) For the solicitation or promotion or otherwise to secure the conclusion of a sale of defense articles or defense services to or for the use of the armed forces of a foreign country or international organization.

(b) The term fee or commission does not include:

(1) A political contribution or a payment excluded by §130.6 from the definition of political contribution;

(2) A normal salary (excluding contingent compensation) established at an annual rate and paid to a regular employee of an applicant, supplier or vendor;

(3) General advertising or promotional expenses not directed to any particular sale or purchaser; or

(4) Payments made, or offered or agreed to be made, solely for the purchase by an applicant, supplier or vendor of specific goods or technical, operational or advisory services, which payments are not disproportionate in amount with the value of the specific goods or services actually furnished.

§ 130.6 Political contribution.

Political contribution means any loan, gift, donation or other payment of $1,000 or more made, or offered or agreed to be made, directly or indirectly, whether in cash or in kind, which is:

(a) To or for the benefit of, or at the direction of, any foreign candidate, committee, political party, political faction, or government or governmental subdivision, or any individual elected, appointed or otherwise designated as an employee or officer thereof; and

(b) For the solicitation or promotion or otherwise to secure the conclusion of a sale of defense articles or defense services to or for the use of the armed forces of a foreign country or international organization. Taxes, customs duties, license fees, and other charges
required to be paid by applicable law or regulation are not regarded as political contributions.

§ 130.7 Supplier.

Supplier means any person who enters into a contract with the Department of Defense for the sale of defense articles or defense services valued in an amount of $500,000 or more under section 22 of the Arms Export Control Act (22 U.S.C. 2762).

§ 130.8 Vendor.

(a) Vendor means any distributor or manufacturer who, directly or indirectly, furnishes to an applicant or supplier defense articles valued in an amount of $500,000 or more which are end-items or major components as defined in §120.45 of this subchapter. It also means any person who, directly or indirectly, furnishes to an applicant or supplier defense articles or services valued in an amount of $500,000 or more when such articles or services are to be delivered (or incorporated in defense articles or defense services to be delivered) to or for the use of the armed forces of a foreign country or international organization under:

(1) A sale requiring a license or approval from the Directorate of Defense Trade Controls under this subchapter; or

(2) A sale pursuant to a contract with the Department of Defense under section 22 of the Arms Export Control Act (22 U.S.C. 2762).

(b) [Reserved]

§ 130.9 Obligation to furnish information to the Directorate of Defense Trade Controls.

(a)(1) Each applicant must inform the Directorate of Defense Trade Controls as to whether the applicant or its vendors have paid, or offered or agreed to pay, in respect of any sale for which a license or approval is requested:

(i) Political contributions in an aggregate amount of $5,000 or more, or

(ii) Fees or commissions in an aggregate amount of $100,000 or more. If so, applicant must furnish to the Directorate of Defense Trade Controls the information specified in §130.10. The furnishing of such information or an explanation satisfactory to the Director of the Office of Defense Trade Controls Licensing as to why all the information cannot be furnished at that time is a condition precedent to the granting of the relevant license or approval.

(2) The requirements of this paragraph do not apply in the case of an application with respect to a sale for which all the information specified in §130.10 which is required by this section to be reported shall already have been furnished.

(b) Each supplier must inform the Directorate of Defense Trade Controls as to whether the supplier or its vendors have paid, or offered or agreed to pay, in respect of any sale:

(1) Political contributions in an aggregate amount of $5,000 or more, or

(2) Fees or commissions in an aggregate amount of $100,000 or more. If so, the supplier must furnish to the Directorate of Defense Trade Controls the information specified in §130.10. The information required to be furnished pursuant to this paragraph must be so furnished no later than 30 days after the contract award to such supplier, or such earlier date as may be specified by the Department of Defense. For purposes of this paragraph, a contract award includes a purchase order, exercise of an option, or other procurement action requiring a supplier to furnish defense articles or defense services to the Department of Defense for the purposes of §22 of the Arms Export Control Act (22 U.S.C. 2762).

(c) In determining whether an applicant or its vendors, or a supplier or its vendors, as the case may be, have paid, offered or agreed to pay, political contributions in an aggregate amount of $5,000 or more in respect of any sale so as to require a report under this section, there must be included in the computation of such aggregate amount any political contributions in respect of the sale which are paid by or on behalf of, or at the direction of, any person to whom the applicant, supplier or vendor has paid, or offered or agreed to pay, a fee or commission in respect of the sale. Any such political contributions are deemed for purposes of this
part to be political contributions by
the applicant, supplier or vendor who
paid or offered or agreed to pay the fee
or commission.

(d) Any applicant or supplier which
has informed the Directorate of De-
fense Trade Controls under this section
that neither it nor its vendors have
paid, or offered or agreed to pay, polit-
ical contributions or fees or commis-
sions in an aggregate amount requiring
the information specified in §130.10 to
be furnished, must subsequently fur-
nish such information within 30 days
after learning that it or its vendors had
paid, or offered or agreed to pay, polit-
ical contributions or fees or commis-
sions in respect of a sale in an aggre-
gate amount which, if known to appli-
cant or supplier at the time of its pre-
vious communication with the Direc-
torate of Defense Trade Controls,
would have required the furnishing of
information under §130.10 at that time.
Any report furnished under this para-
graph must, in addition to the informa-
tion specified in §130.10, include a de-
tailed statement of the reasons why ap-
plicant or supplier did not furnish the
information at the time specified in
paragraph (a) or paragraph (b) of this
section, as applicable.

§130.10 Information to be furnished
by applicant or supplier to the Di-
rectorate of Defense Trade Con-
trols.

(a) Every person required under
§130.9 to furnish information specified
in this section in respect to any sale
must furnish to the Directorate of De-
fense Trade Controls:

(1) The total contract price of the
sale to the foreign purchaser;

(2) The name, nationality, address
and principal place of business of the
applicant or supplier, as the case may
be, and, if applicable, the employer and
title;

(3) The name, nationality, address
and principal place of business, and if
applicable, employer and title of each
foreign purchaser, including the ulti-
mate end-user involved in the sale;

(4) Except as provided in paragraph
(c) of this section, a statement setting
forth with respect to such sale:

(i) The amount of each political con-
tribution paid, or offered or agreed to
be paid, or the amount of each fee or
commission paid, or offered or agreed
to be paid;

(ii) The date or dates on which each
reported amount was paid, or offered or
agreed to be paid;

(iii) The recipient of each such
amount paid, or intended recipient if
not yet paid;

(iv) The person who paid, or offered
or agreed to pay such amount; and

(v) The aggregate amounts of polit-
ical contributions and of fees or com-
mission, respectively, which shall have
been reported.

(b) In responding to paragraph (a)(4)
of this section, the statement must:

(1) With respect to each payment re-
ported, state whether such payment
was in cash or in kind. If in kind, it
must include a description and valu-
ation thereof. Where precise amounts
are not available because a payment
has not yet been made, an estimate of
the amount offered or agreed to be paid
must be provided;

(2) With respect to each recipient,
state:

(i) Its name;

(ii) Its nationality;

(iii) Its address and principal place of
business;

(iv) Its employer and title; and

(v) Its relationship, if any, to appli-
cant, supplier, or vendor, and to any
foreign purchaser or end-user.

(c) In submitting a report required by
§130.9, the detailed information speci-
fied in paragraph (a)(4) and (b) of this
section need not be included if the pay-
ments do not exceed:

(1) $2,500 in the case of political con-
tributions; and

(2) $50,000 in the case of fees or com-
missions.

In lieu of reporting detailed informa-
tion with respect to such payments,
the aggregate amount thereof must be
reported, identified as miscellaneous
political contributions or miscella-
neous fees or commissions, as the case
may be.

(d) Every person required to furnish
the information specified in paragraphs

§ 130.10

22 CFR Ch. I (4–1–16 Edition)
(a) and (b) of this section must respond fully to each subdivision of those paragraphs and, where the correct response is “none” or “not applicable,” must so state.

§ 130.11 Supplementary reports.

(a) Every applicant or supplier who is required under §130.9 to furnish the information specified in §130.10 must submit a supplementary report in connection with each sale in respect of which applicant or supplier has previously been required to furnish information if:

(1) Any political contributions aggregating $2,500 or more or fees or commissions aggregating $50,000 or more not previously reported or paid, or offered or agreed to be paid by applicant or supplier or any vendor;

(2) Subsequent developments cause the information initially reported to be no longer accurate or complete (as in the case where a payment actually made is substantially different in amount from a previously reported estimate of an amount offered or agreed to be paid); or

(3) Additional details are requested by the Directorate of Defense Trade Controls with respect to any miscellaneous payments reported under §130.10(c).

(b) Supplementary reports must be sent to the Directorate of Defense Trade Controls within 30 days after the payment, offer or agreement reported therein or, when requested by the Directorate of Defense Trade Controls, within 30 days after such request, and must include:

(1) Any information specified in §130.10 required or requested to be reported and which was not previously reported; and

(2) The Directorate of Defense Trade Controls license number, if any, and the Department of Defense contract number, if any, related to the sale.

[58 FR 39323, July 22, 1993, as amended at 71 FR 20554, Apr. 21, 2006]

§ 130.12 Information to be furnished by vendor to applicant or supplier.

(a) In order to determine whether it is obliged under §130.9 to furnish the information specified in §130.10 with respect to a sale, every applicant or supplier must obtain from each vendor, from or through whom the applicant acquired defense articles or defense services forming the whole or a part of the sale, a full disclosure by the vendor of all political contributions or fees or commission paid, by vendor with respect to such sale. Such disclosure must include responses to all the information pertaining to vendor required to enable applicant or supplier, as the case may be, to comply fully with §§130.9 and 130.10. If so required, they must include the information furnished by each vendor in providing the information specified.

(b) Any vendor which has been requested by an applicant or supplier to furnish an initial statement under paragraph (a) of this section must, except as provided in paragraph (c) of this section, furnish such statement in a timely manner and not later than 20 days after receipt of such request.

(c) If the vendor believes that furnishing information to an applicant or supplier in a requested statement would unreasonably risk injury to the vendor’s commercial interests, the vendor may furnish in lieu of the statement an abbreviated statement disclosing only the aggregate amount of all political contributions and the aggregate amount of all fees or commissions which have been paid, or offered or agreed to be paid, or offered or agreed to be paid, by the vendor with respect to the sale. Any abbreviated statement furnished to an applicant or supplier under this paragraph must be accompanied by a certification that the requested information has been reported by the vendor directly to the Directorate of Defense Trade Controls. Each such report must clearly identify the sale with respect to which the reported information pertains.

(d)(1) If upon the 25th day after the date of its request to vendor, an applicant or supplier has not received from
the vendor the initial statement required by paragraph (a) of this section, the applicant or supplier must submit to the Directorate of Defense Trade Controls a signed statement attesting to:

(i) The manner and extent of applicant’s or supplier’s attempt to obtain from the vendor the initial statement required under paragraph (a) of this section;

(ii) Vendor’s failure to comply with this section; and

(iii) The amount of time which has elapsed between the date of applicant’s or supplier’s request and the date of the signed statement;

(2) The failure of a vendor to comply with this section does not relieve any applicant or supplier otherwise required by §130.9 to submit a report to the Directorate of Defense Trade Controls from submitting such a report.

[58 FR 39323, July 22, 1993, as amended at 71 FR 20555, Apr. 21, 2006]

§ 130.13 Information to be furnished to applicant, supplier or vendor by a recipient of a fee or commission.

(a) Every applicant or supplier, and each vendor thereof;

(1) In order to determine whether it is obliged under §130.9 or §130.12 to furnish information specified in §130.10 with respect to a sale; and

(2) Prior to furnishing such information, must obtain from each person, if any, to whom it has paid, or offered or agreed to pay, a fee or commission in respect of such sale, a timely statement containing a full disclosure by such a person of all political contributions paid, or offered or agreed to be paid, by it or on its behalf, or at its direction, in respect of such sale. Such disclosure must include responses to all the information required to enable the applicant, supplier or vendor, as the case may be, to comply fully with §§130.9, 130.10, and 130.12.

(b) In obtaining information under paragraph (a) of this section, the applicant, supplier or vendor, as the case may be, must also require each person to whom a fee or commission is paid, or offered or agreed to be paid, to furnish from time to time such reports of its political contributions as may be necessary to enable the applicant, supplier or vendor, as the case may be, to comply fully with §§130.9, 130.10, 130.11, and 130.12.

(c) The applicant supplier or vendor, as the case may be, must include any political contributions paid, or offered or agreed to be paid, by or on behalf of, or at the direction of, any person to whom it has paid, or offered or agreed to pay a fee or commission in determining whether applicant, supplier or vendor is required by §§130.9, 130.11, and 130.12 to furnish information specified in §130.10.

§ 130.14 Recordkeeping.

Each applicant, supplier and vendor must maintain a record of any information it was required to furnish or obtain under this part and all records upon which its reports are based for a period of not less than five years following the date of the report to which they pertain.

§ 130.15 Confidential business information.

(a) Any person who is required to furnish information under this part may identify any information furnished hereunder which the person considers to be confidential business information. No person, including any applicant or supplier, shall publish, divulge, disclose, or make known in any manner, any information so identified by a vendor or other person unless authorized by law or regulation.

(b) For purposes of this section, confidential business information means commercial or financial information which by law is entitled to protection from disclosure. (See, e.g., 5 U.S.C. 552(b) (3) and (4); 18 U.S.C. 1905; 22 U.S.C. 2778(e); Rule 26(c)(7), Federal Rules of Civil Procedure.)

§ 130.16 Other reporting requirements.

The submission of reports under this part does not relieve any person of any requirements to furnish information to any federal, state, or municipal agency, department or other instrumentality as required by law, regulation or contract.
§ 130.17 Utilization of and access to reports and records.

(a) All information reported and records maintained under this part will be made available, upon request for utilization by standing committees of the Congress and subcommittees thereof, and by United States Government agencies, in accordance with §39(d) of the Arms Export Control Act (22 U.S.C. 2779(d)), and reports based upon such information will be submitted to Congress in accordance with sections 36(a)(7) and 36(b)(1) of that Act (22 U.S.C. 2776(a)(7) and (b)(1)) or any other applicable law.

(b) All confidential business information provided pursuant to this part shall be protected against disclosure to the extent provided by law.

(c) Nothing in this section shall preclude the furnishing of information to foreign governments for law enforcement or regulatory purposes under international arrangements between the United States and any foreign government.

133.105 Does this part apply to me?
133.110 Are any of my Federal assistance awards exempt from this part?
133.115 Does this part affect the Federal contracts that I receive?
§ 133.110 Are any of my Federal assistance awards exempt from this part?

This part does not apply to any award that the Procurement Executive determines that the application of this part would be inconsistent with the international obligations of the United States or the laws or regulations of a foreign government.
§ 133.115 Does this part affect the Federal contracts that I receive?

It will affect future contract awards indirectly if you are debarred or suspended for a violation of the requirements of this part, as described in §133.510(c). However, this part does not apply directly to procurement contracts. The portion of the Drug-Free Workplace Act of 1988 that applies to Federal procurement contracts is carried out through the Federal Acquisition Regulation in chapter 1 of Title 48 of the Code of Federal Regulations (the drug-free workplace coverage currently is in 48 CFR part 23, subpart 23.5).

Subpart B—Requirements for Recipients Other Than Individuals

§ 133.200 What must I do to comply with this part?

There are two general requirements if you are a recipient other than an individual.

(a) First, you must make a good faith effort, on a continuing basis, to maintain a drug-free workplace. You must agree to do so as a condition for receiving any award covered by this part. The specific measures that you must take in this regard are described in more detail in subsequent sections of this subpart. Briefly, those measures are to—

(1) Publish a drug-free workplace statement and establish a drug-free awareness program for your employees (see §§133.205 through 133.220); and

(2) Take actions concerning employees who are convicted of violating drug statutes in the workplace (see §133.225).

(b) Second, you must identify all known workplaces under your Federal awards (see §133.230).

§ 133.205 What must I include in my drug-free workplace statement?

You must publish a statement that—

(a) Tells your employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in your workplace;

(b) Specifies the actions that you will take against employees for violating that prohibition; and

(c) Lets each employee know that, as a condition of employment under any award, he or she:

(1) Will abide by the terms of the statement; and

(2) Must notify you in writing if he or she is convicted for a violation of a criminal drug statute occurring in the workplace and must do so no more than five calendar days after the conviction.

§ 133.210 To whom must I distribute my drug-free workplace statement?

You must require that a copy of the statement described in §133.205 be given to each employee who will be engaged in the performance of any Federal award.

§ 133.215 What must I include in my drug-free awareness program?

You must establish an ongoing drug-free awareness program to inform employees about—

(a) The dangers of drug abuse in the workplace;

(b) Your policy of maintaining a drug-free workplace; and

(c) Any available drug counseling, rehabilitation, and employee assistance programs; and

(d) The penalties that you may impose upon them for drug abuse violations occurring in the workplace.

§ 133.220 By when must I publish my drug-free workplace statement and establish my drug-free awareness program?

If you are a new recipient that does not already have a policy statement as described in §133.205 and an ongoing awareness program as described in §133.215, you must publish the statement and establish the program by the time given in the following table:

<table>
<thead>
<tr>
<th>If . . .</th>
<th>then you . . .</th>
</tr>
</thead>
<tbody>
<tr>
<td>(a) The performance period of the award is less than 30 days</td>
<td>must have the policy statement and program in place as soon as possible, but before the date on which performance is expected to be completed.</td>
</tr>
<tr>
<td>(b) The performance period of the award is 30 days or more</td>
<td>must have the policy statement and program in place within 30 days after award.</td>
</tr>
</tbody>
</table>
§ 133.225 What actions must I take concerning employees who are convicted of drug violations in the workplace?

There are two actions you must take if an employee is convicted of a drug violation in the workplace:

(a) First, you must notify Federal agencies if an employee who is engaged in the performance of an award informs you about a conviction, as required by §133.205(c)(2), or you otherwise learn of the conviction. Your notification to the Federal agencies must:

1. Be in writing;
2. Include the employee’s position title;
3. Include the identification number(s) of each affected award;
4. Be sent within ten calendar days after you learn of the conviction; and
5. Be sent to every Federal agency on whose award the convicted employee was working. It must be sent to every awarding official or his or her official designee, unless the Federal agency has specified a central point for the receipt of the notices.

(b) Second, within 30 calendar days of learning about an employee’s conviction, you must either:

1. Take appropriate personnel action against the employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended; or
2. Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for these purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

§ 133.230 How and when must I identify workplaces?

(a) You must identify all known workplaces under each Department of State award. A failure to do so is a violation of your drug-free workplace requirements. You may identify the workplaces:

1. To the Department of State official that is making the award, either at the time of application or upon award; or
2. In documents that you keep on file in your offices during the performance of the award, in which case you must make the information available for inspection upon request by Department of State officials or their designated representatives.

(b) Your workplace identification for an award must include the actual address of buildings (or parts of buildings) or other sites where work under the award takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

(c) If you identified workplaces to the Department of State awarding official at the time of application or award, as described in paragraph (a)(1) of this section, and any workplace that you identified changes during the performance of the award, you must inform the Department of State awarding official.

Subpart C—Requirements for Recipients Who Are Individuals

§ 133.300 What must I do to comply with this part if I am an individual recipient?

As a condition of receiving a Department of State award, if you are an individual recipient, you must agree that—

(a) You will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity related to the award; and

(b) If you are convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity, you will report the conviction:

1. In writing.
2. Within 10 calendar days of the conviction.
§ 133.301

(3) To the Department of State awarding official or other designee for each award that you currently have, unless §133.301 or the award document designates a central point for the receipt of the notices. When notice is made to a central point, it must include the identification number(s) of each affected award.

§ 133.301 [Reserved]

Subpart D—Responsibilities of Department of State Awarding Officials

§ 133.400 What are my responsibilities as a Department of State awarding official?

As a Department of State awarding official, you must obtain each recipient’s agreement, as a condition of the award, to comply with the requirements in—

(a) Subpart B of this part, if the recipient is not an individual; or

(b) Subpart C of this part, if the recipient is an individual.

Subpart E—Violations of this Part and Consequences

§ 133.500 How are violations of this part determined for recipients other than individuals?

A recipient other than an individual is in violation of the requirements of this part if the Procurement Executive determines, in writing, that—

(a) The recipient has violated the requirements of subpart B of this part; or

(b) The number of convictions of the recipient’s employees for violating criminal drug statutes in the workplace is large enough to indicate that the recipient has failed to make a good faith effort to provide a drug-free workplace.

§ 133.505 How are violations of this part determined for recipients who are individuals?

An individual recipient is in violation of the requirements of this part if the Procurement Executive determines, in writing, that—

(a) The recipient has violated the requirements of subpart C of this part; or

(b) The recipient is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity.

§ 133.510 What actions will the Federal Government take against a recipient determined to have violated this part?

If a recipient is determined to have violated this part, as described in §133.500 or §133.505, the Department of State may take one or more of the following actions—

(a) Suspension of payments under the award;

(b) Suspension or termination of the award; and

(c) Suspension or debarment of the recipient under 2 CFR part 601, for a period not to exceed five years.

§ 133.515 Are there any exceptions to those actions?

The Procurement Executive may waive with respect to a particular award, in writing, a suspension of payments under an award, suspension or termination of an award, or suspension or debarment of a recipient if the Procurement Executive determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

Subpart F—Definitions

§ 133.605 Award.

Award means an award of financial assistance by the Department of State or other Federal agency directly to a recipient.

(a) The term award includes:

(1) A Federal grant or cooperative agreement, in the form of money or property in lieu of money.

(2) A block grant or a grant in an entitlement program, whether or not the grant is exempted from coverage under the Government-wide rule 22 CFR part 135 that implements OMB Circular A–102 (for availability, see 5 CFR 1310.3) and specifies uniform administrative requirements.

(b) The term award does not include:

(1) Technical assistance that provides services instead of money.
(2) Loans.
(3) Loan guarantees.
(4) Interest subsidies.
(5) Insurance.
(6) Direct appropriations.

§ 133.610 Controlled substance.

§ 133.615 Conviction.

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes.

§ 133.620 Cooperative agreement.

Cooperative agreement means an award of financial assistance that, consistent with 31 U.S.C. 6305, is used to enter into the same kind of relationship as a grant (see definition of grant in §133.650), except that substantial involvement is expected between the Federal agency and the recipient when carrying out the activity contemplated by the award. The term does not include cooperative research and development agreements as defined in 15 U.S.C. 3710a.

§ 133.625 Criminal drug statute.

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance.

§ 133.630 Debarment.

Debarment means an action taken by a Federal agency to prohibit a recipient from participating in Federal Government procurement contracts and covered nonprocurement transactions. A recipient so prohibited is debarred, in accordance with the Federal Acquisition Regulation for procurement contracts (48 CFR part 9, subpart 9.4) and the common rule, Government-wide Debarment and Suspension (Nonprocurement), that implements Executive Order 12549 and Executive Order 12689.

§ 133.635 Drug-free workplace.

Drug-free workplace means a site for the performance of work done in connection with a specific award at which employees of the recipient are prohibited from engaging in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance.

§ 133.640 Employee.

(a) Employee means the employee of a recipient directly engaged in the performance of work under the award, including—

(1) All direct charge employees;
(2) All indirect charge employees, unless their impact or involvement in the performance of work under the award is insignificant to the performance of the award; and
(3) Temporary personnel and consultants who are directly engaged in the performance of work under the award and who are on the recipient’s payroll.

(b) This definition does not include workers not on the payroll of the recipient (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the payroll; or employees of subrecipients or subcontractors in covered workplaces).

§ 133.645 Federal agency or agency.

Federal agency or agency means any United States executive department, military department, government corporation, government controlled corporation, any other establishment in the executive branch (including the Executive Office of the President), or any independent regulatory agency.

§ 133.650 Grant.

Grant means an award of financial assistance that, consistent with 31 U.S.C. 6304, is used to enter into a relationship—

(a) The principal purpose of which is to transfer a thing of value to the recipient to carry out a public purpose of
support or stimulation authorized by a law of the United States, rather than to acquire property or services for the Federal Government's direct benefit or use; and

(b) In which substantial involvement is not expected between the Federal agency and the recipient when carrying out the activity contemplated by the award.

§ 133.655 Individual.

Individual means a natural person.

§ 133.665 State.

State means any of the States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or any territory or possession of the United States.

§ 133.670 Suspension.

Suspension means an action taken by a Federal agency that immediately prohibits a recipient from participating in Federal Government procurement contracts and covered non-procurement transactions for a temporary period, pending completion of an investigation and any judicial or administrative proceedings that may ensue. A recipient so prohibited is suspended, in accordance with the Federal Acquisition Regulation for procurement contracts (48 CFR part 9, subpart 9.4) and the common rule, Government-wide Debarment and Suspension (Non-procurement), that implements Executive Order 12549 and Executive Order 12689. Suspension of a recipient is a distinct and separate action from suspension of an award or suspension of payments under an award.

PART 134—EQUAL ACCESS TO JUSTICE ACT; IMPLEMENTATION

Subpart A—General Provisions

Sec. 134.1 Purpose of these rules.
§ 134.2 When the Act applies.

The Act applies to any adversary adjudication pending before the Department of State at any time between October 1, 1981 and September 30, 1984. This includes proceedings begun before October 1, 1981 if final agency action has not been taken before that date, and proceedings pending on September 30, 1984, regardless of when they were initiated or when final agency action occurs.

§ 134.3 Proceedings covered.

(a) The Act applies to adversary adjudications conducted by the Department of State. These are adjudications under 5 U.S.C. 554 in which the position of the Department of State is presented by an attorney or other representative who enters an appearance and participates in the proceeding. For the Department of State, the type of proceeding covered are proceedings relative to controlling export of defense articles through administrative sanctions pursuant to 22 U.S.C. 2778 and 50 U.S.C. App. 2410 (c)(2)(B).

(b) The Department of State may also designate a proceeding not listed in paragraph (a) of this section as an adversary adjudication for purposes of the Act by so stating in an order initiating the proceeding or designating the matter for hearing. The failure to designate a proceeding as an adversary adjudication shall not preclude the filing of an application by a party who believes the proceeding is covered by the Act; whether the proceeding is covered will then be an issue for resolution in proceedings on the application.

(c) If a proceeding includes matters covered by the Act and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered issues.

§ 134.4 Eligibility of applicants.

(a) To be eligible for an award of attorney fees and other expenses under the Act, the applicant must be a party to the adversary adjudication for which it seeks an award. The term “party” is defined in 5 U.S.C. 551(3). The applicant must show by clear and convincing evidence that it meets all conditions of eligibility set out in this subpart and in subpart B and must submit additional information to verify its eligibility upon order by the adjudicative officer.

(b) The types of eligible applicants are as follows:

(1) An individual with a net worth of not more than $1 million;

(2) The sole owner of an unincorporated business who has a net worth of not more than $5 million, including both personal and business interests, and not more than 500 employees;

(3) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(4) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141(a)) with not more than 500 employees; and

(5) Any other partnership, corporation, association, or public or private organization with a net worth of not more than $5 million and not more than 500 employees.

(c) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the proceeding was initiated.

(d) An applicant who owns an unincorporated business will be considered as an “individual” rather than a “sole owner of an unincorporated business” if the issues on which the applicant prevails are related primarily to personal interests rather than to business interests.

(e) The employees of an applicant include all persons who regularly perform services for remuneration for the applicant, under the applicant’s direction and control. Part-time employees shall be included on a proportional basis.

(f) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual, corporation or other entity that directly or indirectly controls or owns a majority of the voting shares or other interest of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interest, will be considered an affiliate for purposes of this part, unless the adjudicative officer determines
that such treatment would be unjust and contrary to the purposes of the Act in light of the actual relationship between the affiliated entities. In addition, the adjudicative officer may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(g) An applicant that participates in a proceeding primarily on behalf of one or more other persons or entities that would be ineligible is not itself eligible for an award.

§ 134.5 Standard for awards.

(a) A prevailing applicant may receive an award for fees and expenses incurred in connection with a proceeding, or in a significant and discrete substantive portion of the proceeding, unless the position of the agency over which the applicant has prevailed was substantially justified. The burden of proof that an award should not be made to an eligible prevailing applicant is on the Department of State which may avoid an award by showing that its position was reasonable in law and fact.

(b) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding or if special circumstances make the award sought unjust.

§ 134.6 Allowable fees and expenses.

(a) Awards will be based on rates customarily charged by persons engaged in the business of acting as attorneys, agents and expert witnesses, even if the services were made available without charge or at a reduced rate to the applicant.

(b) No award for the fee of an attorney or agent under these rules may exceed $75.00 per hour. No award to compensate an expert witness may exceed the highest rate at which the Department of State pays expert witnesses, which is generally $50.00 per hour. However, an award may also include the reasonable expenses of the attorney, agent or witness as a separate item, if the attorney, agent or witness ordinarily charges clients separately for such expenses.

(c) In determining the reasonableness of the fee sought for an attorney, agent or expert witness, the adjudicative officer shall consider the following:

(1) If the attorney, agent or witness is in private practice, his or her customary fee for similar services, or, if an employee of the applicant, the fully allocated cost of the services;

(2) The prevailing rate for similar services in the community in which the attorney, agent or witness ordinarily performs services;

(3) The time actually spent in the representation of the applicant;

(4) The time reasonably spent in light of the difficulty or complexity of the issues in the proceeding; and

(5) Such other factors as may bear on the value of the services provided.

(d) The reasonable cost of any study, analysis, engineering report, test, project or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the service does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of applicant’s case.

§ 134.7 Rulemaking on maximum rates for attorney fees.

(a) If warranted by an increase in the cost of living or by special circumstances (such as limited availability of attorneys qualified to handle certain types of proceedings), the Department of State may adopt regulations providing that attorney fees may be awarded at a rate higher than $75 per hour in some or all of the types of proceedings covered by this part. The Department of State will conduct any rulemaking proceedings for this purpose under the informal rulemaking procedures of the Administrative Procedure Act.

(b) Any person may request the Department of State to initiate a rulemaking proceeding to increase the maximum rate for attorney fees. The request should identify the rate the person believes the Department of State should establish and the types of proceedings in which the rate should be used. It should also explain fully the reasons why the higher rate is warranted. The Department of State will respond to the request within 60 days.
Department of State

§ 134.12 Net worth exhibit.
(a) Each applicant except a qualified tax-exempt organization or cooperative association must provide with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in §960.4(f)) when the proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant’s assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in this part. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(b) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled “Confidential Financial Information”, accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 551(b)(1)–(9), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the agency against which the applicant seeks an award, but need not be served on any other party to the proceeding. If the
§ 134.13 Adjudicative officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the Department of State established procedures under the Freedom of Information Act, part 6 of this title.

§ 134.13 Documentation of fees and expenses.

The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test project or similar matter, for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rate at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The adjudicative officer may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

§ 134.14 When application may be filed.

(a) An application may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after the Department of State's final disposition of the proceeding.

(b) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy.

(c) For purposes of this rule, final disposition means the later of (1) the date on which an initial decision or other recommended disposition of the merits of the proceeding by an adjudicative officer or intermediate review board becomes administratively final; (2) issuance of an order disposing of any petitions for reconsideration of the Department of State's final order in the proceeding; (3) if no petition for reconsideration is filed, the last date on which such a petition could have been filed; or (4) issuance of a final order or any other final resolution of a proceeding, such as a settlement or voluntary dismissal, which is not subject to a petition for reconsideration or to a petition for judicial review; or (5) completion of judicial action on the underlying controversy and any subsequent Department of State action pursuant to judicial mandate.

Subpart C—Procedures for Considering Applications

§ 134.21 Filing and service of documents.

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding, except as provided in §134.12(b) for confidential financial information.

§ 134.22 Answer to application.

(a) Within 30 days after service of an application, counsel representing the Department of State may file an answer to the application. Unless the Department of State counsel requests an extension of time for filing or files a statement of intent to negotiate under paragraph (b) of this section, failure to file an answer within the 30 day period may be treated as a consent to the award requested.

(b) If the Department of State counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the adjudicative officer upon request by Department of State counsel and the applicant.

(c) The answer shall explain in detail any objections to the award requested.
§ 134.29

and identify the facts relied on in support of the Department of State position. If the answer is based on any alleged facts not already in the record of the proceeding the Department of State shall include with the answer either supporting affidavits or a request for further proceedings under §134.26.

§ 134.23  Reply.

Within 15 days after service of an answer, the applicant may file a reply. If the reply is based on any alleged facts not already in the record of the proceeding, the applicant shall include with the reply either supporting affidavits or a request for further proceedings under §134.26.

§ 134.24  Comments by other parties.

Any party to a proceeding other than the applicant and Department of State may file comments on an application within 30 days after it is served or on an answer within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the adjudicative officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comment.

§ 134.25  Settlement.

The applicant and the Department of State may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded. If a prevailing party and Department of State counsel agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

§ 134.26  Further proceedings.

(a) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or Department of State counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions, or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible.

(b) A request that the adjudicative officer order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

§ 134.27  Decision.

The adjudicative officer shall issue an initial decision on the application as promptly as possible after completion of proceedings on the application. The decision shall include written fundings and conclusions on the applicant’s eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The decision shall also include, if at issue, findings on whether the Department of State position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust. If the applicant has sought an award against the Department of State and another agency, the decision shall allocate responsibility for payment of any award made between the Department of State and the other agency, and shall explain the reasons for the allocation made.

§ 134.28  Further Department of State review.

Either the applicant or Department of State counsel may seek review of the initial decision. If neither the applicant nor the Department of State counsel seeks review, the initial decision shall become a final decision of the Department of State 30 days after it is issued. If review is taken the Judicial Officer will issue a final decision on the application or remand the application to the adjudicative officer for further proceedings.

§ 134.29  Judicial review.

Judicial review of final Department of State decisions on awards as may be sought as provided in 5 U.S.C. 504(c)(2).
§ 134.30 Payment of award.

An applicant seeking payment of an award shall submit to the Comptroller or other disbursing official of the Department of State a copy of the final decision granting the award accompanied by a statement that the applicant will not seek review of the decision in the United States courts. Requests for payment should be sent to: Executive Director, Office of the Comptroller, Room 1328, Department of State, 2201 C Street, NW., Washington, DC 20520. The Department of State will pay the amount awarded to the applicant within 60 days, unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.

(e) Employee means an individual who is under the jurisdiction of a chief of mission to a foreign country as provided under section 207 of the Foreign Service Act of 1980. (22 U.S.C. 3927) and who is—

(2) An officer or employee of the United States Postal Service or of the Postal Rate Commission;
(3) A member of a uniformed service who is not under the command of an area military commander, or

For purposes of determining “minimal value,” all constituent parts of components of an audio or visual system, automobile, boat, computer system, or other integrated machine, system or item of equipment must be valued as a single item even if acquired separately, except that spare or superseded parts (e.g., an old set of tires that has been replaced on vehicle) may be valued as separate items.

(i) Personal property means any item of personal property, including automobiles, computers, boats, audio and video equipment and any other items acquired for personal use, except that items properly determined to be of “minimal value” shall not be subject to limitations on disposition except for purposes of §136.4(d) or as prescribed in policies, rules or procedures issued by a chief of mission.

(j) Profit means any proceeds (including cash and other valuable consideration but not including amounts of such proceeds given as charitable contributions) for the sale, disposition or assignment of personal property in excess of the basis for such property.

§136.4 Restrictions on dispositions of personal property.

(b) An employee or family member shall not retain any profit from the sale, assignment or other disposition within a foreign country of personal property that was imported into or purchased in that foreign country and that, by virtue of the official status of the employee, was exempt from import restrictions, customs duties, or taxes which would otherwise apply, when such sale, assignment or other disposition is made to persons not entitled to exemptions from import restrictions, duties, or taxes. An employee or family member shall not profit from an indirect disposition to persons not entitled to such exemptions, such as sale through a third country diplomat acting as a middleman, where the employee or family member knows or should know that the property is being acquired by the third party for resale to persons not entitled to exemptions, except that this restriction shall not apply to sales of personal property to official agencies of the foreign country in accordance with the laws or regulations of that country.

(c) Profits obtained from dispositions of personal property by an employee or family member that cannot be retained under paragraph (b) of this section including any interest earned by the employee or family member on such profits, shall be disposed of within 90 days of receipt by contribution or gift as defined in section 170(c) of the Internal
Revenue Code or by other similar contribution or gift to a bona fide charitable foreign entity as designated by the chief of mission pursuant to §136.5(b)(11) of this part.

(d) Except as authorized in advance by the chief of mission on a case-by-case basis, no employee or family member shall sell, assign or otherwise dispose of personal property within a foreign country that was not acquired for bona fide personal use. There shall be a presumption that property that is new, unused or held by the employer or family member in unusual or commercial quantities was not acquired for bona fide personal use. Employees shall be responsible for ensuring compliance with these regulations by family members.

(g) For purposes of computing profits on personal property disposals subject to these regulations, where acquisition and disposition of the property were transacted in different currencies, proceeds received and costs incurred in a foreign currency shall be valued in United States dollars at the time of receipt or payment at the rate of exchange that was in effect for reverse accommodation exchanges at U.S. missions at the time of such receipt or payment. Where property was acquired and sold in the same currency, no conversion is required.

§ 136.5 Chief of mission policies, rules or procedures.

(a) Each chief of mission shall establish a procedure under which employees may request approval for the sale of personal property and for conversion of proceeds of such sale from local currency into U.S. dollars, if applicable. This procedure may be modified to meet local conditions, but must produce a documentary record to be held by the post of the following:

1. The employee’s signed request for permission to sell personal property, and, if applicable, to convert local currency proceeds to U.S. dollars;
2. A description of each item of personal property having more than minimal value, and the cost basis and actual sales price for each item;
3. All profits received and whether profit is retainable;
4. Donation to charities or other authorized recipients of non-retainable profits;
5. Approvals to sell and, if applicable, to exchange proceeds, with any restrictions or refusals of the employee’s request noted, signed by the chief of mission or designee; and
6. For privately owned vehicle transactions, data on purchaser and statement that customs requirements have been met and title has been transferred or arranged with an agent identified on document.

(b) In order to ensure that due account is taken of local conditions, including applicable laws, markets, exchange rate factors, and accommodation exchange facilities, the chief of mission to each foreign country is authorized to establish policies, rules, and procedures governing the disposition of personal property by employees and family members in that country under the chief of mission’s jurisdiction. Policies, rules and procedures issued by the chief of mission shall be consistent with the general restrictions set forth in §136.4 and may include at least the following:

1. Identification of categories of dispositions (e.g., sales of minimal value items) that may be made without prior written approval;
2. Identification of categories of individuals or entities to whom sales of personal property can be made without restrictions on profits (e.g., other employees, third country diplomats), individuals or entities to whom sales can be made but profits not retained, and individuals or entities to whom sales may not be made;
3. Requirements to report the total estimated and actual proceeds for all
minimal value items, even if such
items are otherwise exempted from
limitations on profits of sale;
(4) Categories of items of personal
property excluded from restrictions on
disposition because generally exempt
from taxation and import duties under
local law;
(5) More restrictive definition of
“minimal value” (see §136.3(h) of this
part);
(6) Limitations on manner of disposi-
tion (e.g., restrictions on advertising or
yard sales);
(7) Limitations on total proceeds
that may be generated by dispositions
of personal property, including limita-
tions on proceeds from disposition of
“minimal value” items;
(8) Limitations on total profits that
may be generated by dispositions of
personal property, including limita-
tions on profits from dispositions of
“minimal value” items;
(9) Limitations on total proceeds
from dispositions of personal property
that may be converted into dollars by
reverse accommodation exchange;
(10) Limitations on the timing and
number of reverse accommodation ex-
changes permitted for proceeds of dis-
positions of personal property (e.g.,
only in last six months of tour and no
more than two exchange conversions);
(11) Designation of bona fide chari-
table foreign entities to whom an em-
ployee or family member may donate
profits that cannot be retained under
these regulations.
(12) Designation of post officials au-
thorized to approve on behalf of chief
of mission employee requests for per-
mission to sell personal property and
requests to convert local currency pro-
ceeds of sale to U.S. dollars by reverse
accommodation exchange.
(c) All policies, rules, and procedures
that are issued by the chief of mission
pursuant to paragraphs (a) and (b) of this
section shall be grounds for disciplinary ac-
tions against the employee in accord-
ance with the employing agency’s pro-
cedures and regulations. Employees
shall ensure compliance by family
members with policies, rules or proce-
dures issued by the chief of mission.
§ 136.6 Contractors.
To the extent that contractors enjoy
importation or tax privileges in a for-
eign country because of their contrac-
tual relationship to the United States
Government, contracting agencies
shall include provisions in their con-
tracts that require the contractors to
observe the requirements of these regu-
lations and all policies, rules, and pro-
cedures issued by the chief of mission
in that foreign country.

(c) Each person who requests or receives from an agency a Federal contract, grant, loan, or cooperative agreement shall file with that agency a certificate, set forth in Appendix B, if that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

§ 138.105 Definitions.

For purposes of this part:

Covered Federal action does not include receiving from an agency a commitment providing for the United States to insure or guarantee a loan. Loan guarantees and loan insurance are addressed independently within this part.

(c) **Federal contract** means an acquisition contract awarded by an agency, including those subject to the Federal Acquisition Regulation (FAR), and any other acquisition contract for real or personal property or services not subject to the FAR.

(d) **Federal cooperative agreement** means a cooperative agreement entered into by an agency.

(l) Person means an individual, corporation, company, association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit or not for profit. This term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000.

Unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. Shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraphs (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.
(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§ 138.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in §138.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

1. Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person’s products or services, conditions or terms of sale, and service capabilities; and,

2. Technical discussions and other activities regarding the application or adaptation of the person’s products or services for an agency’s use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

1. Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

2. Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

3. Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95–507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 138.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §138.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of...
his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 138.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other than Own Employees

§ 138.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §138.100(a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §138.110(a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.
§ 138.600

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 138.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of $10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between $10,000 and $100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

§ 138.405 Penalty procedures.

A agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

Subpart E—Exemptions

§ 138.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§ 138.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.
(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. PART 139—IRISH PEACE PROCESS CULTURAL AND TRAINING PROGRAM

§ 139.1 Purpose.

(a) The regulations set forth in this part implement, in part, the “Irish Peace Process Cultural and Training Program Act of 1998 (the “IPPCTPA’’), Public Law 105–319, 112 Stat. 3013. The purpose of the IPPCTPA is to establish a program to “allow young people from disadvantaged areas of designated counties suffering from sectarian violence and high structural unemployment to enter the United States for the purpose of developing job skills and conflict resolution abilities in a diverse, cooperative, peaceful, and prosperous environment, so that those young people can return to their homes better able to contribute toward economic regeneration and the Irish peace process.” This part describes the Irish Peace Process Cultural and Training Program (the “IPPCTP”) hereby established by the Department, the procedures for its operation and the requirements for participation.

(b) The Department, in consultation with the Immigration and Naturalization Service (“INS”), will implement the program specified in the IPPCTPA by working with the relevant governmental authorities in the Republic of Ireland and in Northern Ireland to further the goals of the IPPCTPA, by selecting a Program Administrator to carry out the day-to-day operation of the IPPCTP, by approving, upon the recommendation of the Program Administrator, employers in the United States to carry out the training and employment elements of the IPPCTP and by providing general oversight of the IPPCTP.

§ 139.2 Definitions.

The following definitions apply to this part:

Accompanying family members means the spouse and minor children of the principal alien.

Applicant sponsor means FAS, T&EA, or an employer in the border counties or in Northern Ireland who has nominated an employee to participate in the IPPCTP.

Border counties means the counties of Louth, Monaghan, Cavan, Leitrim, Sligo and Donegal in the Republic of Ireland.

FAS means the Training and Employment Authority of the Republic of Ireland.

IPPCTP means the Irish Peace Process Cultural and Training Program.

Program Administrator means the organization selected by the Department to carry out the Department’s responsibilities for the day-to-day management of the IPPCTP.

Program Participant means an individual selected to participate in the IPPCTP.

T&EA means the Training and Employment Agency of Northern Ireland.

United States employer means an employer with operations in the United States that has been recommended by the Program Administrator and approved by the Department of State for participation in the IPPCTP.

§ 139.3 Responsibilities of the Department.

The Department of State retains overall authority for all IPPCTP activities, including, but not limited to:

(a) The design of the program mandated by IPPCTPA;

(b) The formulation of policies and procedures concerning the IPPCTP;

(c) The selection and oversight of the Program Administrator;

(d) Coordination with other U.S. Government agencies and representatives of the governments of the Republic of Ireland and Northern Ireland;

(e) Establishment of the requirements for and approval of the United States to carry out training.
§ 139.4 Responsibilities of the Program Administrator.

The Program Administrator will be responsible for the following:

(a) Identifying job/training opportunities in designated economic sectors, and recommending to the Department employers in the United States who meet the criteria of §139.7 and who wish to participate in the IPPCTP. Job/training opportunities will be located in a number of geographic areas across the United States, depending on the availability of jobs, relative cost of living, support infrastructure, and other relevant factors. The Program Administrator, from time to time, will recommend to the Department of State the addition or deletion of, or exceptions to, designated economic sectors and geographic areas for participants.

(b) Making available, through electronic or other means, information about job/training openings to potential program participants and assisting them in securing job placements in the United States.

(c) Certifying in writing to a United States consular officer in the United States Embassy in Dublin or the United States Consulate General in Belfast, or to an officer of the INS, that a principal alien has been selected to participate in the IPPCTP. This certification will be used only to assist in:

(1) Nonimmigrant visa issuance to and adjudication of an application for admission made by the principal alien and accompanying family members; or

(2) Adjudicating a request made by the principal alien to change employers under the IPPCTP while in the United States. Unless otherwise authorized, the Program Administrator may approve only one change of approved employer per participant per period of stay.

(d) Providing pre-departure and pre-employment orientation seminars to program participants, as appropriate, and otherwise assisting participants in a smooth transition to life in the United States.

(e) Monitoring participants’ compliance with Program requirements while in the United States, and verifying that participants are receiving the agreed training and skills. Issuing replacement certification documents to participants whose original has been lost, stolen, or mutilated. In addition, making available training in personal and professional development to participants and verifying that such training has been undertaken; arranging with approved employers as a condition of assignment of participants that each such employer: will give the Program Administrator advance notice of intention to discharge a participant for cause and the reasons therefor; will permit the Program Administrator an opportunity to mediate between the employer and the participant; and give the Program Administrator written notice when employment of a participant is terminated and the reason. The Program Administrator, if mediation is not successful and the participant is terminated for cause in the judgment of the employer, will promptly (normally within two business days after termination of employment) reach a decision on validity of the cause for the employer’s decision and, if the decision is favorable to the participant, may assist in finding another approved employment.

(f) Cooperating with FAS and T&EA in all aspects of the program, including assisting participants in finding jobs in their home countries upon completion of their U.S. training.

(g) Reporting to the Department and INS on various aspects of the program and on program participants as directed. In particular, promptly (normally within five business days) giving a written report to the Department of

(d)(1) Be unemployed for at least 3 months, or have completed or currently be enrolled in a training/program sponsored by T&EA or FAS, or by other such publicly funded programs, or have been made redundant in their employment (i.e., lost his/her job) or have received a notice of redundancy (termination of employment); or

(2) Be a currently employed person whose employer has at least 90 days (unless otherwise authorized) of employment relationship with that person, whose nomination is in writing and contains the following: the employer in the United States, the length and type of occupational training contemplated, a justification for why the length of stay requested is necessary, and the benefits to the nominee and the nominator, including a job offer for the participant upon return to Northern Ireland or Ireland; provided, however, that the Program Administrator may waive the requirements of at least 90 days of employment and for a job offer upon return from a sponsor that is a Northern Ireland institution of further or higher learning for a student in that institution who needs on the job experience to qualify for a degree or certificate from the institution.

(e) Has read, understood, and signed a “participant code of conduct” prepared by the Program Administrator in consultation with the Department of State and the Immigration and Naturalization Service and with FAS and T & EA; obtains and maintains adequate, continuous health insurance; is expected to remain with his or her original or

In any such case the physical residence requirement may be waived for participants who have been admitted to the United States for the program, and personal and professional development training previously completed need not be repeated; however, all other application requirements for a participant do apply, and the Program Administrator, with the approval of the Department of State in consultation with the Immigration and Naturalization Service, and upon being satisfied that reinstatement serves the purpose of the program, may issue a new or amended certification letter.

§ 139.6 Requesting participation in the IPPCTP.

Requests for participation as a trainee in the IPPCTP must be made to FAS or T&EA in the case of §139.5(d)(1); or, in the case of §139.5(d)(2), directly to the Program Administrator by the prospective participant’s employer having at least 90 days (unless otherwise authorized) of employment relationship with that participant. Neither FAS, T & EA, nor the Program Administrator are to consider requests from a former participant.

§ 139.7 Qualifications for participation as an employer in the United States.

To participate in the Irish Peace Process Cultural and Training Program, U.S. employers must:

(a) Provide job/training opportunities that:

(1) Correspond to one of the occupational areas identified by the governments of Northern Ireland and the Republic of Ireland except as otherwise approved by the Program Administrator under §139.5(d)(2); and

(2) Include a career path comprising work assignment rotations, and/or training opportunities, which offer promotion potential if job performance is satisfactory.

(b) Offer health insurance, which, at a minimum, provides:

(1) Medical benefits of at least $50,000 per accident or illness (major medical); and

(2) A deductible not to exceed $500 per accident or illness.

As a condition of qualification as an employer, undertakes to provide advance notice to the Program Administrator of intention to terminate a participant for cause, with a written statement of reasons, and to provide the Program Administrator a reasonable opportunity to mediate between the employer and the participant, if possible before actual termination, and to offer employment to any selected participant for at least six months. The employer must also undertake in writing to provide no less than the Federal minimum wage and a 40 hour work week or equivalent.

(g) Prepare a written record describing the work experience gained, and make it available to each participant.

§ 139.8 Target economic sectors.

Job/training under the IPPCTP will be authorized for preferred economic...
sectors prescribed by the Department of State, upon agreement of FAS and/or T&EA. As noted in §139.3, the list will be published in the FEDERAL REGISTER, as will additions or deletions. In the case of participants under §139.5(d)(2), the Program Administrator, with the approval of the Department of State, is authorized to approve different employers in different economic sectors.

§ 140.1 Purpose.

(a) This part implements Section 487 of the Foreign Assistance Act of 1961, as amended (22 U.S.C. Sec. 2291f).

(b) Section 487(a) directs the President to “take all reasonable steps” to ensure that assistance under the Foreign Assistance Act of 1961 (FAA) and the Arms Export Control Act (AECA) “is not provided to or through any individual or entity that the President knows or has reason to believe”:

(1) Has been convicted of a violation of, or a conspiracy to violate, any law or regulation of the United States, a State or the District of Columbia, or a foreign country relating to narcotic or psychotropic drugs or other controlled substances; or

(2) Is or has been an illicit trafficker in any such controlled substance or is or has been a knowing assistant, abettor, conspirator, or colluder with others in the illicit trafficking in any such substance.

§ 140.2 Authorities.

Authority to implement FAA Section 487 was delegated by the President to the Secretary of State by E.O. 12163, as amended, and further delegated by the Secretary to the Assistant Secretary of State for International Narcotics and Law Enforcement Affairs by Delegation of Authority No. 145, dated Feb. 4, 1980 (45 FR 11655), as amended.

§ 140.3 Definitions.

The following definitions shall apply for the purpose of this part:

(c) Covered assistance. Any assistance provided by an agency of the United States government under the FAA or AECA, except that it does not include:

(1) Assistance that by operation of the law is not subject to FAA Section 487, such as:

based alternative development program under Part I or Chapter 4 of Part II of the FAA;

(2) Assistance in a total amount less than $100,000 regarding a specific activity, program, or agreement, except that the procedures in §140.8 for recipients of scholarships, fellowships, and participant training shall apply regardless of amount. However, assistance shall be deemed covered assistance regardless of amount if the agency providing assistance has reasonable grounds to suspect that a covered individual or entity may be or may have been involved in drug trafficking; or

(3) Payments of dues or other assessed contributions to an international organization.

(d) Covered country. A country that has been determined by the President to be either a “major illicit drug producing” or “major drug-transit” country under Chapter 8 of Part I of the FAA. The process whereby proceeds of criminal activity are transported, transferred, transformed, converted, or intermingled with legally acquired funds, for the purpose of concealing or disguising the true nature, source, disposition, movement, or ownership of those proceeds. (g) Narcotics offense. A violation of, or a conspiracy to violate, any law or regulation of the United States, a State or the District of Columbia, or a foreign country relating to narcotic or psychotropic drugs or other controlled substances.

Subpart B—Applicability

§ 140.4 Applicability.

Except as otherwise provided herein or as otherwise specially determined by the Secretary of State or the Secretary’s designee (except that decisions on notification and/or disclosure shall in all cases be subject to the provisions of §§140.13 through 140.14), the procedures prescribed by this part apply to any “covered individual or entity,” i.e., any individual or entity, including a foreign government entity, a multilateral institution or international organization, or a U.S. or foreign non-governmental entity:

(a)(1) That is receiving or providing covered assistance as a party to a grant, loan, guarantee, cooperative agreement, contract, or other direct agreement with an agency of the United States (a “first-tier” recipient); or

(2) That is receiving covered assistance

(A) Beyond the first tier if specifically designated to receive such assistance by a U.S. government agency; or

(B) In the form of a scholarship, fellowship, or participant training, except certain recipients funded through a multilateral institution or international organization, as provided in §140.7(c); and

(b)(1) That is located in or providing covered assistance within a covered country or within any other country, or portion thereof, that the Secretary of State or the Secretary’s designee may at any time determine should be treated, in order to fulfill the purpose of this part, as if it were a covered country; or

(2) As to which the agency providing assistance or any other interested agency has reasonable grounds to suspect current or past involvement in drug trafficking or conviction of a narcotics offense, regardless of whether the assistance is provided within a covered country.

Examples: (1) Under a $500,000 bilateral grant agreement with the Agency for International Development providing covered assistance, Ministry Y of Government A, the government of a covered country, enters into...
§ 140.6 Foreign government entities.

(a) Determination Procedures. (1) The Country Narcotics Coordinator shall be responsible for establishing a system for reviewing available information regarding narcotics offense convictions and drug trafficking of proposed assistance recipients under this section and, except under the circumstances described in §140.6(a)(6), determining whether a proposed recipient is to be denied such assistance or other measures are to be taken as a result of the application of FAA Section 487.

(2) Prior to providing covered assistance to or through a proposed recipient, the agency providing the assistance shall provide the Country Narcotics Coordinator in the country in which the proposed recipient is located or, as appropriate, where assistance is to be provided, the information specified in §140.6(a)(3) in order that the Country Narcotics Coordinator may carry out his or her responsibilities under this part.

(3) In each case, the agency proposing the assistance shall provide to the Country Narcotics Coordinator the name of each key individual within the recipient entity who may be expected to control or benefit from assistance as well as other relevant identifying information (e.g., address, date of birth) that is readily available. If a question arises concerning who should be included within the group of key individuals of an entity, the agency providing the assistance shall consult with the Country Narcotics Coordinator, and the decision shall be made by the Country Narcotics Coordinator. If the agency proposing the assistance disagrees with the Country Narcotics Coordinator’s decision regarding who should be included within the group of key individuals, the agency may request that the decision be reviewed by the Assistant Secretary of State for International Narcotics and Law Enforcement Affairs in consultation with other appropriate bureaus and agencies. Any such review undertaken by the Assistant Secretary of State for International Narcotics and Law Enforcement Affairs shall be completed expeditiously.

(4) Within fourteen calendar days after receiving the name of a proposed recipient and other relevant information, the Country Narcotics Coordinator shall determine whether any available information may warrant withholding assistance or taking other measures under this part, based on the
§ 140.6

22 CFR Ch. I (4–1–16 Edition)

criteria set forth in §140.6(b). If, during that period, the Country Narcotics Coordinator determines that available information does not so indicate, he or she shall notify the proposing agency that the assistance may be provided to the proposed recipient.

(5) If, during the initial fourteen-day period, the Country Narcotics Coordinator determines that information exists that may warrant withholding assistance or taking other measures under this part, then the Country Narcotics Coordinator shall have another fourteen calendar days to make a final determination whether the assistance shall be provided or withheld or such other measures taken.

(6) A decision to withhold assistance or to take other measures based on information or allegations that a key individual who is a senior government official of the host nation has been convicted of a narcotics offense or has been engaged in drug trafficking shall be made by the Assistant Secretary of State for International Narcotics and Law Enforcement Affairs, or by a higher ranking official of the Department of State, in consultation with other appropriate bureaus and agencies. For the purpose of this part, “senior government official” includes host nation officials at or above the vice minister level, heads of host nation law enforcement agencies, and general or flag officers of the host nation armed forces.

(b) Criteria to be Applied. (1) A decision to withhold assistance or take other measures shall be based on knowledge or reason to believe that the proposed recipient, within the past ten years, has:

(i) Been convicted of a narcotics offense as defined in this part; or

(ii) Been engaged in drug trafficking, regardless of whether there has been a conviction.

(2) Factors that may support a decision to withhold assistance or take other measures based on reason to believe that the proposed recipient has been engaged in drug trafficking activities within the past ten years when there has been no conviction of such an offense may include, but are not limited to, the following:

(i) Admission of participation in such activities;

(ii) A long record of arrests for drug trafficking activities with an unexplained failure to prosecute by the local government;

(iii) Adequate reliable information indicating involvement in drug trafficking.

(3) If the Country Narcotics Coordinator knows or has reason to believe that a key individual (as described in §140.6(a)(3)) within a proposed recipient entity has been convicted of a narcotics offense or has been engaged in drug trafficking under the terms of this part, the Country Narcotics Coordinator must then decide whether withholding assistance from the entity or taking other measures to structure the provision of assistance to meet the requirements of section 487 is warranted. This decision shall be made in consultation with the agency proposing the assistance and other appropriate bureaus and agencies. In making this determination, the Country Narcotics Coordinator shall take into account:

(i) The extent to which such individual would have control over assistance received;

(ii) The extent to which such individual could benefit personally from the assistance;

(iii) Whether such individual has acted alone or in collaboration with others associated with the entity;

(iv) The degree to which financial or other resources of the entity itself have been used to support drug trafficking; and

(v) Whether the provision of assistance to the entity can be structured in such a way as to exclude from the effective control or benefit of the assistance any key individuals with respect to whom a negative determination has been made.

(c) Violations Identified Subsequent to Obligation. The foregoing procedures provide for a determination before funds are obligated. If, however, subsequent to an obligation of funds an assistance recipient or a key individual of such recipient is found to have been convicted of a narcotics offense or to have been engaged in drug trafficking (e.g., the head of a recipient entity changes during the course of an activity and the new head is found to have
been engaged in drug trafficking), appropriate action should be taken, including, if necessary, termination of the assistance. Agreements shall be written to permit termination of assistance in such circumstances.

§140.7 Multilateral institutions and international organizations.
Assistance provided to or through multilateral institutions or international organizations is subject to this part as follows:

(a) Where the government agency providing assistance has reasonable grounds to suspect that a recipient multilateral institution or international organization may be or may have been involved in drug trafficking, the provisions of §140.6 shall apply.

(b) Where the government agency providing assistance designates the recipient of assistance from the multilateral institution or international organization and the designated recipient is a covered individual or entity, the provisions of this part shall apply as if the assistance were provided directly to the designated recipient.

(c) Where the government agency providing assistance does not designate the recipient of assistance from the multilateral institution or international organization, this part do not apply, other than as provided in paragraph (a) of this section, except that the agency’s agreement with the multilateral institution or international organization shall stipulate that such entity is to make reasonable efforts, as necessary, to ensure that the assistance is not diverted in support of drug trafficking.

Example: The State Department provides $600,000 to the United Nations for the United Nations Drug Control Program, specifically designating that Government D of a covered country receive $150,000 and Corporation E receive $20,000 for training programs in a covered country. Individuals who will receive training are not specifically designated by the State Department. The United Nations is a covered entity based on §140.4(a)(1); Government D is a covered entity based on §§140.4(b) and 140.7(b); Corporation E is not a covered entity under §§140.4(b) and 140.7(b) because it has been designated to receive less than $100,000 in assistance (§140.3(c)(2)). Participant trainees are not covered individuals because they fall under the exception contained in §140.8(c) (see also §140.4(a)(2)).

§140.8 Recipients of scholarships, fellowships, and participant training.

(a) Procedures. Individuals who are located in a covered country and who are proposed recipients of scholarships, fellowships, or participant training, except those falling under the exception contained in §140.7(c), are subject to the review procedures, criteria, and procedures concerning violations identified subsequent to obligation of funds set forth in §140.6. Such review of recipient individuals is in addition to the provisions applicable to the recipient entity providing the assistance.

(b) Certifications. Individuals who are located in a covered country and who are proposed recipients of scholarships, fellowships, or participant training shall also be required to certify prior to approval that, within the last ten years, they have not been convicted of a narcotics offense, have not been engaged in drug trafficking, and have not knowingly assisted, abetted, conspired, or collided with others in drug trafficking. False certification may subject the assistance recipient to U.S. criminal prosecution under 18 U.S.C. Sec. 1001 and to withdrawal of assistance under this part.

§140.9 Other non-governmental entities and individuals.

(a) Procedures. Section 140.9 applies to private voluntary agencies, educational institutions, for-profit firms, other non-governmental entities and private individuals. A non-governmental entity that is not organized under the laws of the United States shall be subject to the review procedures and criteria set forth in §140.6(a) and (b). A non-governmental entity that is organized under the laws of the United States shall not be subject to such review procedures and criteria. However, an agency providing assistance shall follow such review procedures and criteria, as modified by section §140.14, if the agency has reasonable grounds to suspect that a proposed U.S. non-governmental entity or a key individual of such entity may be or may have been involved in drug trafficking or may have been convicted of a narcotics offense. Procedures set forth in §140.6(c) concerning violations identified subsequent to obligation
§ 140.10 Intermediate credit institutions.

(a) Treatment as non-governmental entity or as a foreign government entity. Intermediate credit institutions ("ICIs") shall be subject to either the procedures applicable to foreign government entities or those applicable to non-governmental entities, depending on the nature of the specific entity. The Assistant Secretary of State for International Narcotics and Law Enforcement Affairs or the Assistant Secretary's designee, in consultation with the agency proposing the assistance and other appropriate bureaus and agencies, shall determine (consistent with the definition of "foreign state" set forth in the Foreign Sovereign Immunities Act, 28 U.S.C. 1603(a) and made applicable by §140.5) whether the ICI will be treated as a non-governmental entity or a foreign government entity.

(b) Refunds. In addition to measures required as a consequence of an ICI’s treatment as a non-governmental entity or a foreign government entity, a clause shall be included in agreements with all ICIs requiring that any loan greater than $1,000 provided by the ICI to an individual or entity subsequently found to have been convicted of a narcotics offense or engaged in drug trafficking, as defined in this part, shall be subject to refund or recall.

§ 140.11 Minimum enforcement procedures.

Sections 140.6 through 140.10 represent the minimum procedures that each agency providing assistance must apply in order to implement FAA Section 487. Under individual circumstances, however, additional measures may be appropriate. In those cases, agencies providing assistance are encouraged to take additional steps, as necessary, to ensure that the statutory restrictions are enforced.

§ 140.12 Interagency review procedures.

If the agency proposing the assistance disagrees with a determination by the Country Narcotics Coordinator to withhold assistance or take other measures, the agency may request that the determination be reviewed by the Assistant Secretary of State for International Narcotics and Law Enforcement Affairs in coordination with other appropriate bureaus and agencies. Unless otherwise determined by the Assistant Secretary of State for International Narcotics and Law Enforcement Affairs, the assistance shall continue to be withheld pending resolution of the review.

§ 140.13 Notification to foreign entities and individuals.

(a) Unless otherwise determined under §140.13(b), if a determination has been made that assistance to a foreign entity or individual is to be withheld, suspended, or terminated under this
part, the agency administering such assistance shall so inform the affected entity or individual. Except as the agency administering such assistance, the Country Narcotics Coordinator, and the agency or agencies that are the source of information that formed the basis for withholding, suspending, or terminating assistance may otherwise agree, the entity or individual shall be notified solely of the statutory basis for withholding, suspending, or terminating assistance.

(b) Before such notification, the Country Narcotics Coordinator shall be responsible for ascertaining, in coordination with the investigating agency, that notification would not interfere with an on-going criminal investigation. If the investigating agency believes that there is a significant risk of such interference, the Country Narcotics Coordinator, in coordination with the investigating agency, shall determine the means of compliance with this statute that best minimizes such risk.

§ 140.14 Special procedures for U.S. entities and individuals.

(a) If the Country Narcotics Coordinator makes a preliminary decision that evidence exists to justify withholding, suspending, or terminating assistance to a U.S. entity, U.S. citizen, or permanent U.S. resident, the matter shall be referred immediately to the Assistant Secretary of State for International Narcotics and Law Enforcement Affairs for appropriate action, to be taken in consultation with the agency proposing the assistance and the agency or agencies that provided information reviewed or relied upon in making the preliminary decision.

(b) If a determination is made that assistance is to be withheld, suspended, or terminated under this part, the Assistant Secretary of State for International Narcotics and Law Enforcement Affairs, or the Assistant Secretary's designee, shall notify the affected U.S. entity, U.S. citizen, or permanent U.S. resident and provide such entity or individual with an opportunity to respond before action is taken. In no event, shall this part be interpreted to create a right to classified information or law enforcement investigatory information by such entity or individual.
§ 141.1 Purpose.

The purpose of this part is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereinafter referred to as the "Act") to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance from the Department of State.

§ 141.2 Application of this part.

This part applies to any program for which Federal financial assistance, as defined in this part, is authorized under a law administered by the Department including, but not limited to, the types of Federal financial assistance listed in appendix A of this part. It applies to Federal financial assistance of any form, including property which may be acquired as a result of and in connection with such assistance, extended program after the effective date of this regulation, even if the application is approved prior to such effective date. This part does not apply to (a) any Federal financial assistance by way of insurance of guaranty contracts; (b) money paid, property transferred, or other assistance extended before the effective date of this regulation; (c) any assistance to any individual who is the ultimate beneficiary; or (d) any employment practice, under any such program, of any employer, employment agency, or labor organization, except to the extent described in §141.3(d), or (e) any assistance to an activity carried on outside the United States by a person, institution, or other entity not located in the United States. The fact that a type of Federal financial assistance is not listed in appendix A of this part shall not mean, if title VI of the Act is otherwise applicable, that a program is not covered. Transfers of surplus property in the United States are subject to regulations issued by the Administrator of General Services (41 CFR 101–6.2).

[38 FR 17945, July 5, 1973]

§ 141.3 Discrimination prohibited.

(a) General. No person in the United States shall, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program to which this part applies.

(b) Specific discriminatory actions prohibited. (1) A recipient to which this part applies may not, directly or through contractual or other arrangements on ground of race, color or national origin:

(i) Deny an individual any service, financial aid, or other benefits provided under the program;

(ii) Provide any service, financial aid, or other benefits to an individual which is different, or is provided in a different manner, from that provided to others under the program;
(iii) Subject an individual to segregation or separate treatment in any matter related to his receipt of any service, financial aid, or other benefit under the program;

(iv) Restrict an individual in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service, financial aid, or other benefit under the program;

(v) Treat an individual differently from others in determining whether he satisfies any admission, enrollment, quota, eligibility, membership or other requirement or condition which individuals must meet in order to be provided any service, financial aid, or other benefit provided under the program;

(vi) Deny an individual an opportunity to participate in the program through the provision of services or otherwise afford him an opportunity to do so which is different from that afforded others under the program, including the opportunity to participate in the program as an employee in accordance with paragraph (d) of this section.

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any such program, or the location or site of any facilities, or services, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program or the class of individuals to be afforded an opportunity to participate in any such program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration or select locations or sites for any facilities or services, which have the effect of subjecting individuals to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program as respect individuals of a particular race, color, or national origin.

(3) As used in this section the services, financial aid, or other benefits provided under a program receiving Federal financial assistance shall be deemed to include any service, financial aid, or other benefit provided in or through a facility provided with the aid of Federal financial assistance.

(4) The enumeration of specific forms of prohibited discrimination in this paragraph does not limit the generality of the prohibition in paragraph (a) of this section.

(5)(i) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, or national origin, the recipient must take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of such prior discrimination, a recipient in administering a program may take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color, or national origin.

(c) Special benefits. An individual shall not be deemed subjected to discrimination by reason of his exclusion from benefits limited by Federal law to individuals of a particular race, color, or national origin different from his.

(d) Employment practices. (1) Where a primary objective of the Federal financial assistance to a program to which this part applies is to provide employment, a recipient may not (directly or through contractual or other arrangements) subject an individual to discrimination on the ground of race, color, or national origin in its employment practices under such program (including recruitment or recruitment advertising, employment layoff or termination, upgrading, demotion, or transfer, rates of pay or other forms of compensation, and use of facilities), including programs where a primary objective of the Federal financial assistance is: (i) To reduce the unemployment of such individuals or to help them through employment to meet subsistence needs; (ii) to assist such individuals through employment to meet expenses incident to the commencement or continuation of their education or training; (iii) to provide work experience which contributes to the education or training of such individuals;
§ 141.4 Assurances required.

(a) General. (1) Every application for Federal financial assistance to which this part applies, as a condition to its approval and the extension of any Federal financial assistance pursuant to the application, shall contain or be accompanied by an assurance that the program will be conducted or the facility operated in compliance with all requirements imposed by or pursuant to this part. The assurance shall obligate the recipient for the period during which Federal financial assistance is extended pursuant to the application.

(2) In any case where the Federal assistance is to provide, or is in the form of personal property, or real property or structures or any interest therein, or such property is acquired as a result of and in connection with such assistance, the assurance shall obligate the recipient, or, in case of subsequent transfers, the transferees, for the period during which the property is used for a purpose for which the Federal assistance was, or is extended, or for another purpose involving the provision of similar services and benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. Any assurance relating to property provided under or acquired as a result of or in connection with such assistance shall as appropriate require any instrument effecting or recording transfer, title or other evidence of ownership or right to possession, to include a covenant or condition assuring nondiscrimination for the period of obligation of the recipient or any transferee, which may contain a right to be reserved to the Department to revert title or right to possession. Where no transfer of property is involved, but property is improved or any interest of the recipient or transferee therein is increased as a result of Federal financial assistance, the recipient or transferee shall agree to include such covenant or condition in any subsequent transfer of such property. Failure to comply with any such conditions or requirements contained in such assurances shall render the recipient and the transferees, where appropriate, presumptively in noncompliance.

(3) The responsible Departmental official shall specify the form of the foregoing assurances, and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants. Any such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

(b) Assurances from institutions. (1) In the case of any application for Federal financial assistance to an institution of higher education, including assistance for construction, for research, for a special training project, for student loans, or for any other purpose, the assurance required by this section shall extend to admission practices and to all other practices relating to the treatment of students.

(2) The assurance required with respect to an institution of higher education, including assistance for construction, for research, for a special training project, for student loans, or for any other purpose, the assurance required by this section shall extend to admission practices and to all other practices relating to the treatment of students.
(c) Elementary and secondary schools. The requirements of paragraph (a)(1) of this section, with respect to any elementary or secondary school or school system shall be deemed to be satisfied if such school or school system (1) is subject to a final order of a court of the United States for the desegregation of such school or school system, and provides an assurance that it will comply with such order, or (2) submits a plan the desegregation of such school or school system which the responsible official of the Department of Health, Education, and Welfare determines is adequate to accomplish the purposes of the Act and this part within the earliest practicable time, and provides reasonable assurance that it will carry out such plan; in any case of continuing Federal financial assistance the responsible official of the Department of Health, Education, and Welfare may reserve the right to redetermine, after such period as may be specified by him the adequacy of the plan to accomplish the purposes of the Act and this part. In any case in which a final order of a court of the United States for the desegregation of such school or school system is entered after submission of such a plan, such plan shall be revised to conform to such final order, including any future modification of such order.

§ 141.5 Compliance information.

(a) Cooperation and assistance. Each responsible Department official shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this regulation and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) Compliance reports. Each recipient shall keep such records and submit to the responsible Departmental official or his designee timely, complete and accurate compliance reports at such times, and in such form and containing such information, as a responsible Departmental official or his designee may determine to be necessary to enable him to ascertain whether the recipient has complied or is complying with this part. In general, recipients should have available for the Department racial and ethnic data showing the extent to which members of minority groups are beneficiaries of Federally assisted programs. In the case in which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out his obligations under this part.

§ 141.6 Conduct of investigation.

(a) Periodic compliance reviews. The responsible Department official or his designee shall from time to time review the practices of recipients to determine whether they are complying with this part.

(b) Complaints. Any person who believes himself or any specific class of individual to be subjected to discrimination prohibited by this part may by himself or by a representative file with the responsible Departmental official a
§ 141.7 Procedure for effecting compliance.

(a) General. If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) Noncompliance with §141.4. If an applicant fails or refuses to furnish an assurance required under §141.4 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph except that the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefor approved prior to the effective date of this part.

(c) Termination of or refusal to grant or to continue Federal financial assistance. No order suspending, terminating or refusing to grant or continue Federal financial assistance shall become effective until (1) the responsible Department official has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part, (3) the action has been approved by the Secretary pursuant to §141.9(e), and (4)
the expiration of 30 days after the Secretary has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) Other means authorized by law. No action to effect compliance by any other means authorized by law shall be taken until (1) the responsible Department official has determined that compliance cannot be secured by voluntary means, (2) the action has been approved by the Deputy Under Secretary for Administration, (3) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (4) the expiration of at least 10 days from the mailing of such notice to the recipient or other person. During this period of at least 10 days additional efforts shall be made to persuade the recipient or other person to comply with this part and to take such corrective action as may be appropriate.

§ 141.8 Hearings.

(a) Opportunity for hearing. Whenever an opportunity for a hearing is required by §141.7(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date or such notice within which the applicant or recipient may request of the responsible Department official that the matter be scheduled for hearing or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and §141.7(c) of this part and consent to the making of a decision on the basis of such information as is available.

(b) Time and place of hearing. Hearings shall normally be held at the offices of the Department in Washington, DC, at a time fixed by the responsible Department official. Hearings shall be held before an official designated by the Secretary other than the responsible Department official, in accordance with 5 U.S.C. 3105 and 3344 (formerly Section 11 of the Administrative Procedure Act).

(c) Right to counsel. In all proceedings under this section, the applicant or recipient and the Department shall have the right to be represented by counsel.

(d) Procedures, evidence, and record. (1) The hearing, decision, and any administrative review thereof shall be conducted with as much conformity as is practicable with 5 U.S.C. 554–557 (formerly sections 5–8 of the Administrative Procedure Act) and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Department and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to this part, but rules or principles
designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the officer conducting the hearing. The officer presiding at the hearing may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) Consolidated or joint hearings; hearings before other agencies. In cases in which the same or related facts are asserted to constitute noncompliance with this part with respect to two or more Federal statutes, authorities, or other means by which Federal financial assistance is extended and to which this part applies, or noncompliance with this part and regulations of one or more other Federal departments or agencies issued under title VI of the Act, the Secretary may, by agreement with such other departments or agencies where applicable, provide for the conduct of consolidated or joint hearings, and for the application to such hearings of rules of procedures not inconsistent with this part, except that procedural requirements of the hearing agency if other than this Department may be adopted insofar as it is determined by the Secretary that variations from the procedures described in this section or elsewhere as may be required under this part do not impair the rights of the parties. The Secretary may also transfer the hearing of any complaint to any other department or agency, with the consent of that Department or Agency (1) where Federal financial assistance to the applicant or recipient of the other Department or Agency is substantially greater than that of the Department of State, or (2) upon determination by the Secretary that such transfer would be in the best interests of the Government of effectuating this part. Final decisions in all such cases, insofar as this part is concerned, shall be made in accordance with §141.9.

§ 141.9 Decisions and notices.

(a) Decisions on record or review by the responsible Department official. The applicant or recipient shall be given reasonable opportunity to file with the officer presiding at the hearing briefs or other written statements of its contents, and a copy of the final decision shall be given in writing to the applicant or recipient and to the complainant, if any. The officer presiding at the hearing shall render a decision on the matter.

(b) Decisions on record where a hearing is waived. Whenever a hearing is waived pursuant to §141.8(a) a decision shall be made by the responsible Departmental official on the record and a copy of such decision shall be given in writing to the applicant or recipient, and to the complainant, if any.

(c) Rulings required. Each decision of an officer presiding at the hearing shall set forth his ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this part with which it is found that the applicant or recipient has failed to comply.

(d) Appeal. Either party may appeal from a decision of the officer presiding at the hearing to the responsible Department official within 30 days of the mailing of the officer's decision. In the absence of such an appeal the decision of the officer presiding at the hearings shall constitute the final decision of the Department subject to paragraph (e) of this section.

(e) Approval by Secretary. Any final decision by an officer (other than the Secretary) which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under this part or the Act, shall promptly be transmitted to the Secretary who may approve such decision, may vacate it, or remit or mitigate any sanction imposed.
(f) Content of orders. The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which this regulation applies, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this part, including provisions designed to assure that no Federal financial assistance to which this regulation applies will thereafter be extended to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to this part, or to have otherwise failed to comply with this part, unless and until it corrects its noncompliance and satisfies the responsible Department official that it will fully comply with this part.

(g) Post-termination proceedings. (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with this regulation and provides reasonable assurance that it will fully comply with this regulation.

(2) Any applicant or recipient adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request the responsible Department official to restore fully its eligibility to receive Federal financial assistance. Any such request shall be supported by information establishing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If the responsible Department official determines that those requirements have been satisfied, he shall restore such eligibility, but such determination shall be in writing and shall be supported by evidence and findings of fact which shall be retained by the Department.

(3) If the responsible Department official denies any such request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes such official to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record, in accordance with rules of procedure issued by the responsible Department official. The burden of substantiating compliance with the requirements of paragraph (g)(1) of this section shall be on the applicant or recipient. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section shall remain in effect.

§ 141.10 Judicial review.

Action taken pursuant to section 602 of the Act is subject to judicial review as provided in section 603 of the Act.

§ 141.11 Effect on other regulations; forms and instructions.

(b) Discriminatory actions prohibited.

(1) A recipient, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap:

(i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped person unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Aid or perpetuate discrimination against a qualified handicapped person by providing significant assistance to any agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefit, or service to beneficiaries of the recipient’s program or activity;

(vi) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vii) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving an aid, benefit, or service.

(2) For purposes of this part, aids, benefits, and services to be effective, are not required to produce identical result or level of achievement for handicapped and nonhandicapped persons, but must afford handicapped person equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement, in the most integrated setting appropriate to the person’s needs.

(3) Despite the existence of separate or different programs or activities provided in accordance with this part, a recipient may not deny a qualified handicapped person equal opportunity to participate in such aid, benefits, or services that are not separate or different.

(4) A recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration (i) that have the effect of subjecting qualified handicapped persons to discrimination on the basis of handicap, (ii) that have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the recipient’s program or activity with respect to handicapped persons, or (iii) that perpetuate the discrimination with respect to another recipient if both recipients are subject to common administrative control or are agencies of the same State.

(5) In determining the site or location or a facility, an applicant for assistance or a recipient may not make selections (i) that have the effect of excluding handicapped persons from, denying them the benefits of, or otherwise subjecting them to discrimination...
under any program or activity that receives Federal financial assistance of (ii) that have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity with respect to handicapped persons.

(6) As used in this section, the aid, benefit, or service provided under a program or activity receiving Federal financial assistance includes any aid, benefit, or service provided in or through a facility that has been constructed, expanded, altered, leased or rented, or otherwise acquired, in whole or in part with Federal financial assistance.

(c) Aid, benefits, or services limited by Federal law. The exclusion of a handicapped person from aid, benefits, or services limited by Federal statute or executive order to a different class of handicapped persons is not prohibited by this part.

(d) Recipients shall administer programs or activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

(e) Recipients shall ensure that communications with their applicants, employees, and handicapped persons participating in their programs or activities, or receiving aids, or benefits of services, are available to persons with impaired vision and hearing in appropriate modes, including braille, enlarged type, sign language and telecommunication devices for the deaf.

§ 142.5 Assurances required.

(a) Assurances. An applicant for Federal financial assistance to which this part applies shall submit an assurance on a form specified by the Secretary, that the program or activity will be operated in compliance with this part. An applicant may incorporate these assurances by reference in subsequent applications to the Department.

(b) Duration of obligations. (1) In the case of Federal financial assistance extended in the form of real property or to provide real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purposes for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) Where no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (c)(1) of this section in the instrument effecting or recording any subsequent transfer of the property.

(3) Where Federal financial assistance is provided by the Department in the form of real property or interest in real property, the covenant shall also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant. If a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing facilities on the property for the purposes for which the property was transferred, the Secretary may, upon request of the transferee and if necessary to accomplish such financing and upon such conditions as the Secretary deems appropriate, agree to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective.

§ 142.6 Remedial action, voluntary action, and self-evaluation.

(a) Remedial action. (1) If the Secretary finds that a recipient has discriminated against persons on the basis of handicap in violation of section 504 of the Act or this part, the recipient shall take such remedial action as the Secretary deems necessary to overcome the effects of the discrimination.

(2) Where a recipient is found to have discriminated against persons on the basis of handicap in violation of section 504 of the Act or this part and where another recipient exercises control over the recipient that has discriminated, the Secretary, where appropriate, may require either or both recipients to take remedial action.

(3) The Secretary may, where necessary to overcome the effects of discrimination in violation of section 504 of the Act or this part, require a recipient to take action (i) with respect to
handicapped persons who are no longer participants in the recipient’s program or activity but who were participants in the program when such discrimination occurred, or (ii), with respect to handicapped persons who would have been participants in the program or activity had the discrimination not occurred.

(b) Voluntary action. A recipient may take steps, in addition to any action required by this part, to overcome the effects of conditions that resulted in limited participation in the recipient’s program or activity by qualified handicapped persons.

(c) Self-evaluation. (1) A recipient shall, within six months of the effective date of this part:
   (i) Evaluate, with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons, its current policies and practices and the effects thereof that do not or may not meet the requirements of this part;
   (ii) Modify, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, any policies and practices that do not meet the requirements of this part; and
   (iii) Take, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, appropriate remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices.

(2) A recipient shall, for at least three years following completion of the evaluation required under paragraph (c)(1) of this section, maintain on file, make available for public inspection, and provide to the Secretary upon request: (i) A list of the interested persons consulted, (ii) a description of areas examined and any problems identified, and (iii) a description of any modifications made and of any remedial steps taken.

§142.7 Designation of responsible employee and adoption of grievance procedures.

(a) Designation of responsible employee. A recipient that employs 15 or more persons shall designate at least one person to coordinate its efforts to comply with this part.

(b) Adoption of grievance procedures. A recipient that employs 15 or more persons shall adopt grievance procedures that incorporate appropriate due process for the prompt and equitable resolution of complaints alleging any action prohibited by this part.

§142.8 Notice.

(a) A recipient shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient that it does not discriminate on the basis of handicap in violation of section 504 of the Act or this part. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment or employment in, its programs or activities. The notification shall also include an identification of the responsible employee designated pursuant to §142.7(a). A recipient shall make the initial notification required by this paragraph within 90 days of the effective date of this part. Methods of initial and continuing notification may include but are not limited to the posting of notices, publication in newspapers and magazines, placement of notices in recipients’ publications, distribution of memoranda or other written communications; and with persons with impaired vision and hearing, through appropriate modes including braille, enlarged type, sign language, and telecommunication devices for the deaf.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of the paragraph either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications.
§ 142.9 Administrative requirements for small recipients.

The Secretary may require any recipient with fewer than fifteen employees, or any class of such recipients, to comply with §142.7, in whole or in part, when the Secretary finds a violation of this part or finds that such compliance will not significantly impair the ability of the recipient or class of recipients to provide benefits or services.

§ 142.10 Effect of State or local law or other requirements and effect of employment opportunities.

(a) The obligation to comply with this part is not obviated or alleviated by the existence of any State or local law or other requirement that, on the basis of handicap, imposes prohibitions or limits upon the eligibility of qualified handicapped persons to receive services or to practice any occupation or profession.

(b) The obligation to comply with this part is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for handicapped persons than for nonhandicapped persons.

Subpart B—Employment Practices

§ 142.11 Discrimination prohibited.

(a) General. (1) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity receiving Federal financial assistance.

(2) A recipient shall make all decisions concerning employment under any program or activity to which this part applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(3) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants or employees to discrimination prohibited by this subpart. This includes relationships with employment and referral agencies, with labor unions, with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeships.

(b) Specific activities. The provisions of this part apply to:

(1) Recruitment, advertising, and the processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right to return from layoff, and rehiring;

(4) Job assignments, job classification, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

(8) Employer sponsored activities, including those that are social or recreational; and

(9) Any other condition, or privilege of employment.

(c) A recipient’s obligation to comply with this subpart is not affected by any inconsistent term of any collective bargaining agreement to which it is a party.

§ 142.12 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of the program or activity.

(b) Reasonable accommodation may include: (1) Making facilities used by employees readily accessible to and usable by handicapped persons, and (2) job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices,
the provision of readers or interpreters, and other similar actions.

(c) In determining pursuant to paragraph (a) of this section whether an accommodation would impose an undue hardship on the operation of a recipient’s program or activity, factors to be considered include:

(1) The overall size of the recipient’s program with respect to number and type of facilities, and size of budget;

(2) Job restructuring, part-time or modified work schedules, acquisition and or modification of equipment of devices such as telecommunication devices for the deaf, the provision of readers or interpreters and other similar actions including the use of braille, enlarged type, and sign language, when appropriate.

(3) The nature and cost of the accommodation needed.

(d) A recipient may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is the need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

§ 142.14 Preemployment inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not conduct a preemployment medical examination or may not make preemployment inquiry of an applicant as to whether the applicant is a handicapped person or as to the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant’s ability to perform job-related functions.

(b) When a recipient is taking remedial action to correct the effects of past discrimination pursuant to §142.6(a), when a recipient is taking voluntary action to overcome the effect of conditions that resulted in limited participation in its federally assisted program or activity pursuant to §142.6(b), or when a recipient is taking affirmative action pursuant to section 503 of the Act, the recipient may invite applicants for employment to indicate whether and to what extent they are handicapped: Provided, That:

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally, if no written questionnaire is used, that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary or affirmative action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to provide it will not subject the applicant or employee to any adverse treatment, and that it will be used only in accordance with this part.

(c) Nothing in this section shall prohibit a recipient from conditioning an offer of employment on the results of a medical examination conducted prior to the employee’s entrance on duty. Provided, That: (1) All entering employees are subjected to such an examination regardless of handicap, and (2) the results of such an examination are used only in accordance with the requirement of this part.

(d) Information obtained in accordance with this section as to the medical condition or history of the applicant shall be collected and maintained
on separate forms that shall be accorded confidentiality as medical records except that:

(1) Supervisors and managers may be informed regarding restrictions on the work or duties of handicapped persons and regarding necessary accommodation;

(2) First aid and safety personnel may be informed, where appropriate, if the condition might require emergency treatment; and

(3) Government officials investigating compliance with the Act shall be provided relevant information upon request.

Subpart C—Accessibility

§ 142.15 Discrimination prohibited.

No qualified handicapped person shall, because a recipient’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which the part applies.

§ 142.16 Existing facilities.

(a) Accessibility. A recipient shall operate each program or activity to which this part applies so that when each part is viewed in its entirety it is readily accessible to and usable by handicapped persons. This paragraph does not require a recipient to make each of its existing facilities or every part of an existing facility accessible to and usable by handicapped persons.

(b) Methods. A recipient may comply with the requirement of paragraph (a) of this section through such means as the addition of equipment (e.g., telecommunication device for the deaf) re-design of equipment, reassignment of classes or other services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of health, welfare, or other social services at alternate accessible sites, alteration of existing facilities and construction of new facilities in conformance with the requirement of § 142.18, or any other method that results in making its program or activity accessible to handicapped persons. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with paragraph (a) of this section. In choosing among available methods for meeting the requirement of paragraph (a) of this section, a recipient shall give priority to those methods that serve handicapped persons in the most integrated setting appropriate.

(c) Time period. A recipient shall comply with the requirement of paragraph (a) of this section within 60 days of the effective date of this part except that where structural changes in facilities are necessary, such changes shall be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities are necessary to meet the requirement of paragraph (a) of this section, a recipient shall develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum:

(1) Identify physical obstacles in the recipient’s facilities that limit the accessibility of its program or activity to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve full accessibility under paragraph (a) of this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period;

(4) Indicate the person responsible for implementation of the plan; and

(5) A list of all handicapped persons and organizations consulted in the plan formulation process.

(e) Notice. The recipient shall adopt and implement procedures to ensure that interested persons, including persons with impaired vision or hearing,
can obtain information as to the exist-
ence and location of services, activi-
ties, and facilities that are accessible
to and usable by handicapped persons.

this part.

(b) Alteration. Each facility or part of
a facility which is altered by, on behalf
of, or for the use of a recipient after
the effective date of this part in a man-
ner that affects or could affect the
usability of the facility or part of the
facility shall, to the maximum extent
feasible, be altered so that the altered
portion of the facility is readily acces-
sible to and usable by persons with
handicaps.

(c) Conformance with Uniform Federal
Accessibility Standards. (1) Effective as
of January 18, 1991, design, construc-
tion, or alteration of buildings in con-
formance with sections 3-8 of the Uni-
form Federal Accessibility Standards
(USAF) (appendix A to 41 CFR subpart
101-19.6) shall be deemed to comply
with the requirements of this section
with respect to those buildings. Depart-
tures from particular technical and
scoping requirements of UFAS by the
use of other methods are permitted
where substantially equivalent or
greater access to and usability of the
building is provided.

(2) For purposes of this section, sec-
tion 4.1.6(1)(g) of UFAS shall be inter-
preted to exempt from the require-
ments of UFAS only mechanical rooms
and other spaces that, because of their
intended use, will not require accessi-
bility to the public or beneficiaries or
result in the employment or residence
therein of persons with physical handi-
caps.

(3) This section does not require re-
cipients to make building alterations
that have little likelihood of being ac-
complished without removing or alter-
ing a load-bearing structural member.

§§ 142.18–142.40 [Reserved]

Subpart D—Postsecondary
Education

§ 142.41 Application of this subpart.

Subpart D applies to postsecondary
education programs and activities, in-
cluding postsecondary vocational edu-
cation programs or activities, that re-
ceive Federal financial assistance from
the Department of State, and to recipi-
ents that operate, or that receive or
benefit from Federal financial assist-
ance for the operation of, such pro-
grams or activities.

§ 142.42 Admissions and recruitment.

(a) General. Qualified handicapped
persons may not, on the basis of handi-
cap, be denied admission or be sub-
jected to discrimination in admission
or recruitment by a recipient to which
this subpart applies:

(1) May not apply limitations upon
the number or proportion of handi-
capped persons who may be admitted;

(2) May not make use of any test or
criterion for admission that has a dis-
proportionate, adverse effect on handi-
capped persons or any class of handi-
capped persons unless (i) the test or
criterion, as used by the recipient, has
been validated as a predictor of success
in the education program of activity in
question and (ii) alternate tests or cri-
teria that have a less disproportionate,
adverse effect are not shown by the
Secretary to be available;

(3) Shall assure itself that (i) admis-
sions tests are selected and adminis-
tered so as to ensure that, when a test
is administered to an applicant who
has a handicap that impairs sensory,
manual, or speaking skills, the test re-
sults accurately reflect the applicant’s
aptitude or achievement level or what-
ever other factor the test purports to
measure, rather than reflecting the ap-
plicant’s impaired sensory, manual,
speaking or other skills (except where
those skills are the factors that the test purports to measure); (ii) admissions tests that are designed for persons with impaired sensory, manual, speaking or other skills are offered as often and in as timely a manner as are other admissions tests; and (iii) admissions tests are administered in facilities that are accessible to handicapped persons; and

(4) Except as provided in paragraph (c) of this section, may not make preadmission inquiry as to whether an applicant for admission is a handicapped person but, after admission, may make inquiries on a confidential basis as to handicaps that may require accommodation.

(c) Preadmission inquiry exception. When a recipient is taking remedial action to correct the effects of past discrimination pursuant to §142.6(a) or when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to §142.6(b), the recipient may invite applicants for admissions to indicate whether and to what extent they are handicapped; Provided, That: (1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential, that refusal to provide it will not subject the applicant to any adverse treatment, and that it will be used only in accordance with this part.

(d) Validity studies. For the purpose of paragraph (c)(2) of this section, a recipient may base prediction equations on first year grades, but shall conduct periodic validity studies against the criterion of overall success in the education program or activity in question in order to monitor the general validity of the test scores.

§ 142.43 Treatment of students; general.

(a) No qualified handicapped student shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any academic, research, occupational, training, housing, health, insurance, counseling, financial aid, physical education, athletics, recreation, transportation, other extracurricular, or other postsecondary education aid, benefits, or services to which this subpart applies.

(b) A recipient to which this subpart applies that considers participation by students in education programs or activities not operated wholly by the recipient as part of, or equivalent to, an education program or activity operated by the recipient shall assure itself that the other education program or activity, as a whole, provides an equal opportunity for the participation of qualified handicapped persons.

(c) A recipient to which this subpart applies may not, on the basis of handicap, exclude any qualified handicapped student from any course, course of study, or other part of its education program or activity.

(d) A recipient to which this subpart applies shall operate its programs or activities in the most integrated setting appropriate.

§ 142.44 Academic adjustments.

(a) Academic requirements. A recipient to which this subpart applies shall make such modifications to its academic requirements as are necessary to ensure that such requirements do not discriminate or have the effect of discrimination, on the basis of handicap, against a qualified handicapped applicant or student. Academic requirements that the recipient can demonstrate are essential to the instruction being pursued by such student or to any directly related licensing requirement will not be regarded as discriminatory within the meaning of this section. Modifications may include changes in the length of time permitted for the completion of degree requirements, substitution of specific courses required for the completion of degree requirements, and adaptation of the manner in which specific courses are conducted.

(b) Other rules. A recipient to which this subpart applies may not impose
upon handicapped students other rules, such as the prohibition of tape recorders in classrooms or of dog guides in campus buildings, that have the effect of limiting the participation of handicapped students in the recipient’s education program or activity.

(c) Course examinations. In its examinations or other procedures for evaluating students’ academic achievement, a recipient to which this subpart applies shall provide such methods for evaluating the achievement of students who have a handicap that impairs sensory, manual, speaking or other skills as will best ensure that the results of the evaluation represent the student’s achievement in the course, rather than reflecting the student’s impaired sensory, manual, speaking or other skills (except where such skills are the factors that the test purports to measure).

(d) Auxiliary aids. (1) A recipient to which this subpart applies shall take such steps as are necessary to ensure that no handicapped student is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination because of the absence of educational auxiliary aids for students with impaired sensory, manual, speaking or other skills.

(2) Auxiliary aids may include taped texts, interpreters, telecommunication devices for the deaf or other effective methods of making orally delivered materials available to students with hearing impairments, readers in libraries for students with visual impairments, classroom equipment adapted for use by students with manual impairments, and other similar services and actions. Recipients need not provide attendants, individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

§ 142.45 Housing.  
(a) Housing provided by the recipient. A recipient that provides housing to its nonhandicapped students shall provide comparable, convenient, and accessible housing to handicapped students at the same cost as to others. At the end of the transition period provided for in subpart C of this part, such housing shall be available in sufficient quantity and variety so that the scope of handicapped students’ choice of living accommodation is, as a whole, comparable to that of nonhandicapped students.

(b) Other housing. A recipient that assists any agency, organization, or person in making housing available to any of its students shall take such action as may be necessary to assure itself that such housing is, as a whole, made available in a manner that does not result in discrimination on the basis of handicap.

§ 142.46 Financial and employment assistance to students.  
(a) Provisions of financial assistance.  
(1) In providing financial assistance of qualified handicapped persons, a recipient to which this subpart applies may not:

(i) On the basis of handicap, provide less assistance than is provided to nonhandicapped persons, limit eligibility for assistance, or otherwise discriminate; or

(ii) Assist any entity or person that provides assistance to any of the recipient’s students in a manner that discriminates against qualified handicapped persons on the basis of handicap.

(2) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established under wills, trusts, bequests, or similar legal instruments that require awards to be made on the basis of factors that discriminate or have the effect of discriminating on the basis of handicap only if the overall effect of the award of scholarships, fellowships, and other forms of financial assistance is not discriminatory on the basis of handicap.

(b) Assistance in making available outside employment. A recipient that assists any agency, organization, or person in providing employment opportunities to any of its students shall assure itself that such employment opportunities, as a whole, are made available in a manner that would not violate subpart B if they were provided by the recipient.

(c) Employment of students by recipients. A recipient that employs any of its students may not do so in a manner that violates subpart B.
§ 142.47 Non-academic services.
(a) Physical education and athletics. (1) In providing physical education courses, athletics and similar aids, benefits, or services to any of its students, a recipient to which this subpart applies may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors intercollegiate, club, or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation in these activities.
(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different only if separate or differentiation is consistent with the requirements of §142.43(d) and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.
(b) Counseling and placement services. A recipient to which this subpart applies that provides personal, academic or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap. The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities. This requirement does not preclude a recipient from providing factual information about licensing and certification requirements that may present obstacles to handicapped persons in their pursuit of particular careers.
(c) Social organizations. A recipient that provides significant assistance to fraternities, sororities, or similar organizations shall assure itself that the membership practices of such organizations do not permit discrimination otherwise prohibited by this subpart.

§§ 142.48–142.60 [Reserved]

Subpart E—Health, Welfare, Social, and Other Services

§ 142.62 Health, welfare, social, and other services.
(a) General. In providing health, welfare, social and other services or benefits, a recipient may not, on the basis of handicap:
(1) Deny a qualified handicapped person these benefits or services;
(2) Afford a qualified handicapped person an opportunity to receive benefits or services that are not equal to those offered nonhandicapped persons;
(3) Provide a qualified handicapped person with benefits or services that are not as effective (as defined in §142.4(b)) as the benefits or services provided to others;
(4) Provide benefits or services in a manner that limits or has the effect of limiting the participation of qualified handicapped persons; or
(5) Provide different or separate benefits or services to handicapped persons except where necessary to provide qualified handicapped persons with benefits and services that are as effective as those provided to others.
(b) Notice. A recipient that provides notice concerning benefits or services or written material concerning waivers of rights or consent to treatment shall take such steps as are necessary to ensure that qualified handicapped persons, including those with impaired sensory or speaking skills, are not denied effective notice because of their handicap.
(c) Emergency treatment for the hearing impaired. A recipient hospital that provides health services or benefits shall establish a procedure for effective communication with persons with impaired hearing for the purpose of providing emergency health care.
(d) Auxiliary aids. (1) A recipient to which this subpart applies that employs 15 or more persons shall provide appropriate auxiliary aids to persons with impaired sensory, manual, speaking or other skills (where necessary) to afford such persons an equal opportunity to benefit from the service in question.
§ 142.63 Drug and alcohol addicts.

A recipient to which this subpart applies that operates a general hospital or outpatient facility may not discriminate in admission or treatment against a drug or alcohol abuser or alcoholic who is suffering from a medical condition, because of the person’s drug or alcohol abuse or alcoholism.

Subpart A—General

§ 143.1 What is the purpose of the age discrimination regulations?

The purpose of these regulations is to set out the policies and procedures for the three foreign affairs agencies (State, USICA and AID) under the Age
Discrimination Act of 1975 and the government-wide age discrimination regulations at 45 CFR part 90 (published at 44 FR 33768, June 12, 1979). The Act and the government-wide regulations prohibit discrimination on the basis of age in programs or activities in the United States receiving federal financial assistance. The Act and the government-wide regulations permit federally assisted programs and activities, and recipients of federal funds, to continue to use age distinctions and factors other than age which meet the requirements of the Act and the government-wide regulations.

§ 143.2 To what programs or activities do these regulations apply?

These regulations apply to each foreign affairs agency recipient and to each program or activity in the United States operated by the recipient which receives or benefits from federal financial assistance provided by any of these agencies.

§ 143.3 Definitions.

(a) The following terms used in this part are defined in the government-wide regulations (45 CFR 90.4, 44 FR 33768):

Act
Action
Age
Age distinction
Age-related term
Federal financial assistance
Recipient (including subrecipients)
United States

(b) As used in this part:

(1) Agency means the Department of State, the U.S. International Communication Agency, and the Agency for International Development.

(2) Program or activity means all of the operations of any entity described in paragraphs (b)(2)(i) and (iv) of this section, any part of which is extended Federal financial assistance:

(i)(A) A department, agency, special purpose district, or other instrumentality of a State or of a local government;

(B) The entity of such State or local government that distributes such assistance and each such department or agency (and each other State or local government entity) to which the assistance is extended, in the case of assistance to a State or local government;

(ii)(A) A college, university, or other postsecondary institution, or a public system of higher education; or

(B) A local educational agency (as defined in 20 U.S.C. 7801), system of vocational education, or other school system;

(iii)(A) An entire corporation, partnership, or other private organization, or an entire sole proprietorship—

(1) If assistance is extended to such corporation, partnership, private organization, or sole proprietorship as a whole; or

(2) Which is principally engaged in the business of providing education, health care, housing, social services, or parks and recreation; or

(B) The entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship; or

(iv) Any other entity which is established by two or more of the entities described in paragraph (b)(2)(i), (ii), or (iii) of this section.

(3) Secretary means the Secretary of State, the Director of the U.S. International Communication Agency, and the Administrator of the Agency for International Development, or the designee of such officer.

(4) Subrecipient means any of the entities in the definition of “recipient” to which a recipient extends or passes on Federal financial assistance. A subrecipient is generally regarded as a recipient of Federal financial assistance and has all the duties of a recipient in these regulations.

§ 143.11 Standards.

The standards each agency uses to determine whether an age distinction or age-related term is prohibited are set out in part 90 (primarily subpart B) of 45 CFR.
§ 143.21 General responsibilities.

Each agency recipient has primary responsibility to ensure that its programs and activities are in compliance with the Act, the government-wide regulations, and these regulations.

§ 143.22 Notice to subrecipients.

Where a recipient passes on Federal financial assistance from an agency to subrecipients, the recipient shall provide the subrecipients written notice to their obligations under these regulations.

§ 143.23 Self-evaluation.

(a) Each recipient employing the equivalent of 15 or more full-time employees shall complete a one-time written self-evaluation of its compliance under the Act within 18 months of the effective date of these regulations.

(b) In its self-evaluation each recipient shall identify each age distinction it uses and justify each age distinction it imposes on the program or activity receiving Federal financial assistance from an agency.

(c) Each recipient shall take corrective action whenever a self-evaluation indicates a violation of these regulations.

(d) Each recipient shall make the self-evaluation available on request to the agency and to the public for a period of three years following its completion.

§ 143.24 Information requirements.

Each recipient shall:

(a) Make available upon request to the agency information necessary to determine whether the recipient is complying with the regulations.

(b) Permit reasonable access by the agency to the books, records, accounts, and other recipient facilities and sources of information to the extent necessary to determine whether a recipient is in compliance with these regulations.

§ 143.31 Compliance reviews.

(a) The agency may conduct compliance reviews and pre-award reviews of recipients that will permit it to investigate and correct violations of these regulations. The agency may conduct these reviews even in the absence of a complaint against a recipient. The review may be as comprehensive as necessary to determine whether a violation of these regulations has occurred.

(b) If a compliance review or pre-award review indicates a violation of this part, the agency will attempt to achieve voluntary compliance with the Act. If voluntary compliance cannot be achieved, the agency will arrange for enforcement as described in §143.36.

§ 143.32 Complaints.

(a) Any person, individually or as a member of a class or on behalf of others, may file a complaint with an agency, alleging discrimination prohibited by these regulations based on an action occurring on or after July 1, 1979. A complainant shall file a complaint within 180 days from the date the complainant first had knowledge of the alleged act of discrimination. However, for good cause shown, the agency may extend this time limit.

(b) The agency will attempt to facilitate the filing of complaints wherever possible, including taking the following measures:

(1) Accepting as a sufficient complaint, any written statement which identifies the parties involved, describes generally the action or practice complained of, and is signed by the complainant.

(2) Freely permitting a complainant to add information to the complaint to meet the requirements of a sufficient complaint.

(3) Widely disseminating information regarding the obligations of recipients under the Act and these regulations.

(4) Notifying the complainant and the recipient of their rights under the complaint procedure, including the right to have a representative at all stages of the complaint process.
§ 143.35 Prohibition against intimidation or retaliation.

A recipient may not engage in acts of intimidation or retaliation against any person who:

(a) Attempts to assert a right protected by these regulations; or

(b) Cooperates in any mediation, investigation, hearing, or other part of the agency’s investigation, conciliation, and enforcement process.

§ 143.34 Investigation.

(a) Informal investigation. (1) The agency will investigate complaints that are unresolved after mediation or are reopened because of a violation of a mediation agreement.

(2) As part of the initial investigation, the agency will use informal fact-finding methods, including joint or separate discussions with the complainant and recipient to establish the facts, and, if possible, settle the complaint on terms that are mutually agreeable. The agency may seek the assistance of any involved State program agency.

(3) The agency will put any agreement in writing and have it signed by the parties and an authorized official of the agency.

(4) The settlement shall not affect the operation of any other enforcement efforts of the agency, including compliance reviews and other individual complaints which may involve the recipient.

(5) The settlement is not a finding of discrimination against a recipient.

(b) Formal investigation. If the agency cannot resolve the complaint through informal investigation, it will begin to develop formal findings through further investigation of the complaint. If the investigation indicates a violation of these regulations, the agency will attempt to obtain voluntary compliance. If the agency cannot obtain voluntary compliance, it will begin enforcement as described in §143.36.

§ 143.33 Mediation.

(a) Referral of complaints for mediation. The agency will refer to the Federal Mediation and Conciliation Service all complaints that:

(1) Fall within the jurisdiction of these regulations; and

(2) Contain all information necessary for further processing.

(b) Both the complainant and the recipient shall participate in the mediation process to the extent necessary to reach an agreement or make an informed judgment that an agreement is not possible. There must be at least one meeting with the mediator, before the agency will accept a judgment that an agreement is not possible. However, the recipient and the complainant need not meet with the mediator at the same time.

(c) If the complainant and the recipient reach an agreement, the mediator shall prepare a written statement of the agreement and have the complainant and recipient sign it. The mediator shall send a copy of the agreement to the agency. The agency shall take no further action on the complaint unless the complainant or the recipient fails to comply with the agreement.

(d) The mediator shall protect the confidentiality of all information obtained in the course of the mediation process. No mediator shall testify in any adjudicative proceeding, produce any document, or otherwise disclose any information obtained in the course of the mediation process without prior approval of the head of the mediation agency.

(e) The agency will use the mediation process for a maximum of 60 days after receiving a complaint. Mediation ends if:

(1) Sixty days elapse from the time the agency receives the complaint; or

(2) Prior to the end of that 60-day period, an agreement is reached; or

(3) Prior to the end of that 60-day period, the mediator determines that an agreement cannot be reached.

(f) The mediator shall return unresolved complaints to the agency.

§ 143.35 Prohibition against intimidation or retaliation.

A recipient may not engage in acts of intimidation or retaliation against any person who:

(a) Attempts to assert a right protected by these regulations; or

(b) Cooperates in any mediation, investigation, hearing, or other part of the agency’s investigation, conciliation, and enforcement process.
§ 143.36  Compliance procedure.

(a) An agency may enforce the Act and these regulations through:

(1) Termination of a recipient's Federal financial assistance from the agency under the program or activity involved where the recipient has violated the Act and these regulations. The determination of the recipient's violation may be made only after a recipient has had an opportunity for a hearing on the record before an administrative law judge. Therefore, cases which are settled in mediation or prior to a hearing, will not involve termination of a recipient's Federal financial assistance from the agency.

(2) Any other means authorized by law including but not limited to:

(i) Referral to the Department of Justice for proceedings to enforce any rights of the United States or obligations by the Act and these regulations.

(ii) Use of any requirement of or referral to any Federal, state, or local government agency which will have the effect of correcting a violation of the Act or these regulations.

(b) The agency will limit any termination under §143.36(a)(1) to the particular recipient and particular program or activity the agency finds in violation of these regulations. The agency will not base any part of a termination on a finding with respect to any program or activity of the recipient which does not receive Federal financial assistance from the agency.

(c) The agency will take no action under paragraph (a) of this section until:

(1) The agency head has advised the recipient of its failure to comply with these regulations and has determined that voluntary compliance cannot be obtained.

(2) Thirty days have lapsed after the agency head has sent a written report of the circumstances and grounds of the action to the committees of the Congress having legislative jurisdiction over the Federal program or activity involved. The agency head shall file a report whenever any action is taken under paragraph (a) of this section.

(d) The agency head also may defer granting new Federal financial assistance from the agency to a recipient when a hearing under §143.36(a)(1) is initiated.

(1) New Federal financial assistance from the agency includes all assistance for which the agency requires an application or approval, including renewal or continuation of existing activities, or authorization of the new activities, during the deferral period. New Federal financial assistance from the agency does not include increases in funding as a result of changed computation of formula awards or assistance approved prior to the beginning of a hearing under §143.36(a)(1).

(2) The agency will not begin a deferral until the recipient has received a notice of opportunity for a hearing under §143.36(a)(1). The agency will not continue a deferral for more than 60 days unless a hearing has begun within that time or the time for beginning the hearing has been extended by mutual consent of the recipient and the agency head. The agency will not continue a deferral for more than 30 days after the close of a hearing unless the hearing results in a finding against the recipient.

§ 143.37  Hearings, decisions, post-termination proceedings.

Certain procedural provisions applicable to Title VI of the Civil Rights Act of 1964 apply to enforcement of this part. They are 22 CFR 141.8 through 141.10.

§ 143.38  Remedial action by recipient.

Where the agency head finds a recipient has discriminated on the basis of age, the recipient shall take any remedial action that the agency head may require to overcome the effects of the discrimination. If another recipient exercises control over the recipient that has discriminated, the agency head may require both recipients to take remedial action.

§ 143.39  Alternate funds disbursal procedure.

(a) When an agency withholds funds from a recipient under these regulations, the agency head may disburse the withheld funds directly to an alternate recipient, any public or non-profit private organization or agency, or

§ 144.102 Application.

This part applies to all programs or activities conducted by the agency.

(c) The agency shall, until three years following the completion of the self-evaluation, maintain on file and make available for public inspection:

(1) A description of areas examined and any problems identified, and

§§ 144.112–144.129 [Reserved]
§§ 144.131–144.139

(v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or
(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—
(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or
(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—
(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or
(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified handicapped persons to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified handicapped persons to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

§§ 144.131–144.139 [Reserved]

§ 144.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 144.141–144.148 [Reserved]

§ 144.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §144.150, no qualified handicapped person shall, because the agency’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 144.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and
usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §144.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §144.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to handicapped persons. In cases where a physical alteration to an historic property is not required because of §144.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide handicapped persons into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by October 21, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by August 22, 1989, but in any event as expeditiously as possible. In choosing other innovative methods.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by February 23, 1987, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan...
shall be made available for public inspection. The plan shall, at a minimum—
(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to handicapped persons;
(2) Describe in detail the methods that will be used to make the facilities accessible;
(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and
(4) Indicate the official responsible for implementation of the plan.

§ 144.151 Program accessibility: New construction and alterations.
Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101-19.600 to 101–19.607, apply to buildings covered by this section.

§§ 144.152–144.159 [Reserved]

§ 144.160 Communications.
(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.
(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.
(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.
(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf person (TDD’s) or equally effective telecommunication systems shall be used.
(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.
(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.
(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §144.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or burdens, the agency shall take any other action that would not result in such an alteration or burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 144.161–144.169 [Reserved]

§ 144.170 Compliance procedures.
(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.
(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Deputy Assistant Secretary for Equal Employment Opportunity and Civil Rights shall be responsible for coordinating implementation of this section. Complaints may be sent to Deputy Assistant Secretary for Equal Employment Opportunity and Civil Rights, Department of State, 2201 C Street, NW., Room 3214, Washington, DC 20520.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §144.170(g). The agency may extend this time period for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

[65 FR 52865, 52878, Aug. 30, 2000]

§ 146.110 Remedial and affirmative action and self-evaluation.

(a) Remedial action. If the designated agency official finds that a recipient has discriminated against persons on the basis of sex in an education program or activity, such recipient shall take such remedial action as the designated agency official deems necessary to overcome the effects of such discrimination.

(b) Affirmative action. In the absence of a finding of discrimination on the basis of sex in an education program or activity, a recipient may take affirmative action consistent with law to overcome the effects of conditions that resulted in limited participation therein by persons of a particular sex. Nothing in these Title IX regulations shall be interpreted to alter any affirmative action obligations that a recipient may have under Executive Order 11246, 3 CFR, 1964–1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966–1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966–1970 Comp., p. 805; as amended by Executive Order 12086, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264.

(c) Self-evaluation. Each recipient education institution shall, within one year of September 29, 2000:

(1) Evaluate, in terms of the requirements of these Title IX regulations, its current policies and practices and the effects thereof concerning admission of students, treatment of students, and employment of both academic and non-academic personnel working in connection with the recipient’s education program or activity;

(2) Modify any of these policies and practices that do not or may not meet the requirements of these Title IX regulations; and

(3) Take appropriate remedial steps to eliminate the effects of any discrimination that resulted or may have resulted from adherence to these policies and practices.

(d) Availability of self-evaluation and related materials. Recipients shall maintain on file for at least three years following completion of the evaluation required under paragraph (c) of this section, and shall provide to the designated agency official upon request, a description of any modifications made pursuant to paragraph (c)(2) of this section and of any remedial steps taken pursuant to paragraph (c)(3) of this section.

§ 146.115 Assurance required.

(a) General. Either at the application stage or the award stage, Federal agencies must ensure that applications for Federal financial assistance or awards of Federal financial assistance contain, be accompanied by, or be covered by a specifically identified assurance from the applicant or recipient, satisfactory to the designated agency official, that each education program or activity operated by the applicant or recipient and to which these Title IX regulations apply will be operated in compliance with these Title IX regulations. An assurance of compliance with these Title IX regulations shall not be satisfactory to the designated agency official if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with §146.110(a) to eliminate existing discrimination on the basis of sex or to eliminate the effects of past discrimination whether occurring prior to or subsequent to the submission to the designated agency official of such assurance.

(b) Duration of obligation. (1) In the case of Federal financial assistance extended to provide real property or structures thereon, such assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used to provide an education program or activity.
Department of State § 146.135

(2) In the case of Federal financial assistance extended to provide personal property, such assurance shall obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases such assurance shall obligate the recipient for the period during which Federal financial assistance is extended.

(c) Form. (1) The assurances required by paragraph (a) of this section, which may be included as part of a document that addresses other assurances or obligations, shall include that the applicant or recipient will comply with all applicable Federal statutes relating to nondiscrimination. These include but are not limited to: Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681–1683, 1685–1688).

(2) The designated agency official will specify the extent to which such assurances will be required of the applicant’s or recipient’s subgrantees, contractors, subcontractors, transferees, or successors in interest.

§ 146.120 Transfers of property.

If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee that operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government, both the transferor and the transferee shall be deemed to be recipients, subject to the provisions of §§146.205 through 146.235(a).

§ 146.125 Effect of other requirements.

(b) Effect of State or local law or other requirements. The obligation to comply with these Title IX regulations is not obviated or alleviated by any State or local law or other requirement that would render any applicant or student ineligible, or limit the eligibility of any applicant or student, on the basis of sex, to practice any occupation or profession.

(c) Effect of rules or regulations of private organizations. The obligation to comply with these Title IX regulations is not obviated or alleviated by any rule or regulation of any organization, club, athletic or other league, or association that would render any applicant or student ineligible to participate or limit the eligibility of participation of any applicant or student, on the basis of sex, in any education program or activity operated by a recipient and that receives Federal financial assistance.

§ 146.130 Effect of employment opportunities.

The obligation to comply with these Title IX regulations is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for members of one sex than for members of the other sex.

§ 146.135 Designation of responsible employee and adoption of grievance procedures.

(a) Designation of responsible employee. Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under these Title IX regulations, including any investigation of any complaint communicated to such recipient alleging its noncompliance with these Title IX regulations or alleging any actions that would be prohibited by these Title IX regulations. The recipient shall notify all its students and employees of the name, office address, and telephone number of the employee or employees appointed pursuant to this paragraph.
§ 146.140 Dissemination of policy.

(a) Notification of policy. (1) Each recipient shall implement specific and continuing steps to notify applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of sex in the educational programs or activities that it operates, and that it is required by Title IX and these Title IX regulations not to discriminate in such a manner. Such notification shall contain such information, and be made in such manner, as the designated agency official finds necessary to apprise such persons of the protections against discrimination assured them by Title IX and these Title IX regulations, but shall state at least that the requirement not to discriminate in education programs or activities extends to employment therein, and to admission thereto unless §§146.300 through 146.310 do not apply to the recipient, and that inquiries concerning the application of Title IX and these Title IX regulations to such recipient may be referred to the employee designated pursuant to §146.135, or to the designated agency official.

(2) Each recipient shall make the initial notification required by paragraph (a)(1) of this section within 90 days of September 29, 2000 or of the date these Title IX regulations first apply to such recipient, whichever comes later, which notification shall include publication in:

(i) Newspapers and magazines operated by such recipient or by student, alumnae, or alumni groups for or in connection with such recipient; and

(ii) Memoranda or other written communications distributed to every student and employee of such recipient.

(b) Publications. (1) Each recipient shall prominently include a statement of the policy described in paragraph (a) of this section in each announcement, bulletin, catalog, or application form that it makes available to any person of a type, described in paragraph (a) of this section, or which is otherwise used in connection with the recruitment of students or employees.

(2) A recipient shall not use or distribute a publication of the type described in paragraph (b)(1) of this section that suggests, by text or illustration, that such recipient treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by these Title IX regulations.

(c) Distribution. Each recipient shall distribute without discrimination on the basis of sex each publication described in paragraph (b)(1) of this section, and shall apprise each of its admission and employment recruitment representatives of the policy of non-discrimination described in paragraph (a) of this section, and shall require such representatives to adhere to such policy.

Subpart B—Coverage

§ 146.200 Application.

Except as provided in §§146.205 through 146.235(a), these Title IX regulations apply to every recipient and to each education program or activity operated by such recipient that receives Federal financial assistance.

§ 146.205 Educational institutions and other entities controlled by religious organizations.

(a) Exemption. These Title IX regulations do not apply to any operation of an educational institution or other entity that is controlled by a religious organization to the extent that application of these Title IX regulations would not be consistent with the religious tenets of such organization.

(b) Exemption claims. An educational institution or other entity that wishes to claim the exemption set forth in paragraph (a) of this section shall do so by submitting in writing to the designated agency official a statement by
the highest-ranking official of the institution, identifying the provisions of these Title IX regulations that conflict with a specific tenet of the religious organization.

Subpart C—Discrimination on the Basis of Sex in Admission and Recruitment Prohibited

§ 146.300 Admission.

(a) General. No person shall, on the basis of sex, be denied admission, or be subjected to discrimination in admission, by any recipient to which §§ 146.300 through §§ 146.310 apply, except as provided in §§ 146.225 and §§ 146.230.

(b) Specific prohibitions. (1) In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 146.300 through 146.310 apply shall not:

(i) Give preference to one person over another on the basis of sex, by ranking applicants separately on such basis, or otherwise;

(ii) Apply numerical limitations upon the number or proportion of persons of either sex who may be admitted; or

(iii) Otherwise treat one individual differently from another on the basis of sex.

(2) A recipient shall not administer or operate any test or other criterion for admission that has a disproportionately adverse effect on persons on the basis of sex unless the use of such test or criterion is shown to predict validly success in the education program or activity in question and alternative tests
or criteria that do not have such a disproportionately adverse effect are shown to be unavailable.

(c) **Prohibitions relating to marital or parental status.** In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§146.300 through 146.310 apply:

1. Shall not apply any rule concerning the actual or potential parental, family, or marital status of a student or applicant that treats persons differently on the basis of sex;
2. Shall not discriminate against or exclude any person on the basis of pregnancy, childbirth, termination of pregnancy, or recovery therefrom, or establish or follow any rule or practice that so discriminates or excludes;
3. Subject to §146.235(d), shall treat disabilities related to pregnancy, childbirth, termination of pregnancy, or recovery therefrom in the same manner and under the same policies as any other temporary disability or physical condition; and
4. Shall not make pre-admission inquiry as to the marital status of an applicant for admission, including whether such applicant is “Miss” or “Mrs.”

A recipient may make pre-admission inquiry as to the sex of an applicant for admission, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§ 146.305 **Preference in admission.**

A recipient to which §§146.300 through 146.310 apply shall not give preference to applicants for admission, on the basis of attendance at any educational institution or other school or entity that admits as students only or predominantly members of one sex, if the giving of such preference has the effect of discriminating on the basis of sex in violation of §§146.300 through 146.310.

§ 146.310 **Recruitment.**

(a) **Nondiscriminatory recruitment.** A recipient to which §§146.300 through 146.310 apply shall not discriminate on the basis of sex in the recruitment and admission of students. A recipient may be required to undertake additional recruitment efforts for one sex as remedial action pursuant to §146.110(a), and may choose to undertake such efforts as affirmative action pursuant to §146.110(b).

(b) **Recruitment at certain institutions.** A recipient to which §§146.300 through 146.310 apply shall not recruit primarily or exclusively at educational institutions, schools, or entities that admit as students only or predominantly members of one sex, if such actions have the effect of discriminating on the basis of sex in violation of §§146.300 through 146.310.

Subpart D—Discrimination on the Basis of Sex in Education Programs or Activities Prohibited

§ 146.400 **Education programs or activities.**

Sections 146.400 through 146.455 do not apply to actions of a recipient in connection with admission of its students to an education program or activity of a recipient to which §§146.300 through 146.310 do not apply, or an entity, not a recipient, to which §§146.300 through 146.310 would not apply if the entity were a recipient.

(b) **Specific prohibitions.** Except as provided in §§146.400 through 146.455, in providing any aid, benefit, or service to a student, a recipient shall not, on the basis of sex:

1. Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;
2. Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;
3. Deny any person any such aid, benefit, or service;
(4) Subject any person to separate or different rules of behavior, sanctions, or other treatment;

(5) Apply any rule concerning the domicile or residence of a student or applicant, including eligibility for in-state fees and tuition;

(6) Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person that discriminates on the basis of sex in providing any aid, benefit, or service to students or employees;

(7) Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

(c) Assistance administered by a recipient educational institution to study at a foreign institution. A recipient educational institution may administer or assist in the administration of scholarships, fellowships, or other awards established by foreign or domestic wills, trusts, or similar legal instruments, or by acts of foreign governments and restricted to members of one sex, that are designed to provide opportunities to study abroad, and that are awarded to students who are already matriculating at or who are graduates of the recipient institution; Provided, that a recipient educational institution that administers or assists in the administration of such scholarships, fellowships, or other awards that are restricted to members of one sex shall take such reasonable action as may be necessary to assure itself that such housing as is provided to students of one sex, when compared to that provided to students of the other sex, shall be as a whole:

(i) Proportionate in quantity to the number of students of that sex applying for such housing; and

(ii) Comparable in quality and cost to the student.

(d) Aids, benefits or services not provided by recipient. (1) This paragraph (d) applies to any recipient that requires participation by any applicant, student, or employee in any education program or activity not operated wholly by such recipient, or that facilitates, permits, or considers such participation as part of or equivalent to an education program or activity operated by such recipient, including participation in educational consortia and cooperative employment and student-teaching assignments.

(2) Such recipient: (i) Shall develop and implement a procedure designed to assure itself that the operator or sponsor of such other education program or activity takes no action affecting any applicant, student, or employee of such recipient that these Title IX regulations would prohibit such recipient from taking; and

(ii) Shall not facilitate, require, permit, or consider such participation if such action occurs.

§ 146.405 Housing.

(a) Generally. A recipient shall not, on the basis of sex, apply different rules or regulations, impose different fees or requirements, or offer different services or benefits related to housing, except as provided in this section (including housing provided only to married students).

(b) Housing provided by recipient. (1) A recipient may provide separate housing on the basis of sex.

(2) Housing provided by a recipient to students of one sex, when compared to that provided to students of the other sex, shall be as a whole:

(i) Proportionate in quantity to the number of students of that sex applying for such housing; and

(ii) Comparable in quality and cost to the student.

(c) Other housing. (1) A recipient shall not, on the basis of sex, administer different policies or practices concerning occupancy by its students of housing other than that provided by such recipient.

(2)(i) A recipient which, through solicitation, listing, approval of housing, or otherwise, assists any agency, organization, or person in making housing available to any of its students, shall take such reasonable action as may be necessary to assure itself that such housing as is provided to students of one sex, when compared to that provided to students of the other sex, is as a whole:

(A) Proportionate in quantity; and

(B) Comparable in quality and cost to the student.

(ii) A recipient may render such assistance to any agency, organization, or person that provides all or part of such housing to students of only one sex.
§ 146.410 Comparable facilities.

A recipient may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall be comparable to such facilities provided for students of the other sex.

§ 146.415 Access to course offerings.

(a) A recipient shall not provide any course or otherwise carry out any of its education program or activity separately on the basis of sex, or require or refuse participation therein by any of its students on such basis, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses.

(b)(1) With respect to classes and activities in physical education at the elementary school level, the recipient shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. With respect to physical education classes and activities at the secondary and post-secondary levels, the recipient shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

(2) This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

(3) This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(4) Where use of a single standard of measuring skill or progress in a physical education class has an adverse effect on members of one sex, the recipient shall use appropriate standards that do not have such effect.

(5) Portions of classes in elementary and secondary schools, or portions of education programs or activities, that deal exclusively with human sexuality may be conducted in separate sessions for boys and girls.

(6) Recipients may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

§ 146.420 Access to schools operated by LEAs.

A recipient that is a local educational agency shall not, on the basis of sex, exclude any person from admission to:

(a) Any institution of vocational education operated by such recipient; or

(b) Any other school or educational unit operated by such recipient, unless such recipient otherwise makes available to such person, pursuant to the same policies and criteria of admission, courses, services, and facilities comparable to each course, service, and facility offered in or through such schools.

§ 146.425 Counseling and use of appraisal and counseling materials.

(a) Counseling. A recipient shall not discriminate against any person on the basis of sex in the counseling or guidance of students or applicants for admission.

(b) Use of appraisal and counseling materials. A recipient that uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials that permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) Disproportion in classes. Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one
sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of sex in counseling or appraisal materials or by counselors.

§ 146.430 Financial assistance.

(a) General. Except as provided in paragraphs (b) and (c) of this section, in providing financial assistance to any of its students, a recipient shall not:

(1) On the basis of sex, provide different amounts or types of such assistance, limit eligibility for such assistance that is of any particular type or source, apply different criteria, or otherwise discriminate;

(2) Through solicitation, listing, approval, provision of facilities, or other services, assist any foundation, trust, agency, organization, or person that provides assistance to any of such recipient’s students in a manner that discriminates on the basis of sex;

(3) Apply any rule or assist in application of any rule concerning eligibility for such assistance that treats persons of one sex differently from persons of the other sex with regard to marital or parental status.

(b) Financial aid established by certain legal instruments. (1) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established pursuant to domestic or foreign wills, trusts, bequests, or similar legal instruments or by acts of a foreign government that require that awards be made to members of a particular sex specified therein; Provided, that the overall effect of the award of such sex-restricted scholarships, fellowships, and other forms of financial assistance does not discriminate on the basis of sex.

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;

(ii) An appropriate sex-restricted scholarship, fellowship, or other form of financial assistance is allocated to each student selected under paragraph (b)(2)(i) of this section; and

(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student’s sex.

(c) Athletic scholarships. (1) To the extent that a recipient awards athletic scholarships or grants-in-aid, it must provide reasonable opportunities for such awards for members of each sex in proportion to the number of students of each sex participating in interscholastic or intercollegiate athletics.

(2) A recipient may provide separate athletic scholarships or grants-in-aid for members of each sex as part of separate athletic teams for members of each sex to the extent consistent with this paragraph (c) and § 146.450.

§ 146.435 Employment assistance to students.

(a) Assistance by recipient in making available outside employment. A recipient that assists any agency, organization, or person in making employment available to any of its students:

(1) Shall assure itself that such employment is made available without discrimination on the basis of sex; and

(2) Shall not render such services to any agency, organization, or person that discriminates on the basis of sex in its employment practices.

(b) Employment of students by recipients. A recipient that employs any of its students shall not do so in a manner that violates §§ 146.500 through 146.550.

§ 146.440 Health and insurance benefits and services.

Subject to § 146.235(d), in providing a medical, hospital, accident, or life insurance benefit, service, policy, or plan to any of its students, a recipient shall not discriminate on the basis of sex, or provide such benefit, service, policy, or plan in a manner that would violate §§ 146.500 through 146.550 if it were provided to employees of the recipient. This section shall not prohibit a recipient from providing any benefit or service that may be used by a different proportion of students of one sex than of
the other, including family planning services. However, any recipient that provides full coverage health service shall provide gynecological care.

§ 146.445 Marital or parental status.

(a) Status generally. A recipient shall not apply any rule concerning a student’s actual or potential parental, family, or marital status that treats students differently on the basis of sex.

(b) Pregnancy and related conditions.

(1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such student’s pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation as long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient that operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section, shall ensure that the separate portion is comparable to that offered to non-pregnant students.

(4) Subject to §146.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom as a justification for a leave of absence for as long a period of time as is deemed medically necessary by the student’s physician, at the conclusion of which the student shall be reinstated to the status that she held when the leave began.

§ 146.450 Athletics.

(a) General. No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person, or otherwise be discriminated against in any interscholastic, intercollegiate, club, or intramural athletics offered by a recipient, and no recipient shall provide any such athletics separately on such basis.

(b) Separate teams. Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try out for the team offered unless the sport involved is a contact sport. For the purposes of these Title IX regulations, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(c) Equal opportunity. (1) A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics shall provide equal athletic opportunity for members of both sexes. In determining whether equal opportunities are available, the designated agency official will consider, among other factors:

(i) Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;

(ii) Whether the provision of equipment and supplies;

(iii) Scheduling of games and practice time;
(iv) Travel and per diem allowance;  
(v) Opportunity to receive coaching and academic tutoring;  
(vi) Assignment and compensation of coaches and tutors;  
(vii) Provision of locker rooms, practice, and competitive facilities;  
(viii) Provision of medical and training facilities and services;  
(ix) Provision of housing and dining facilities and services;  
(x) Publicity.

(2) For purposes of paragraph (c)(1) of this section, unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams if a recipient operates or sponsors separate teams will not constitute noncompliance with this section, but the designated agency official may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) Adjustment period. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the secondary or postsecondary school level shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

(2) A recipient shall make all employment decisions in any education program or activity operated by such recipient in a nondiscriminatory manner and shall not limit, segregate, or classify applicants or employees in any way that could adversely affect any applicant's or employee's employment opportunities or status because of sex.  
(3) A recipient shall not enter into any contractual or other relationship which directly or indirectly has the effect of subjecting employees or students to discrimination prohibited by §§146.500 through 146.550, including relationships with employment and referral agencies, with labor unions, and with organizations providing or administering fringe benefits to employees of the recipient.  
(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any educational institution or entity that admits as students only or predominantly members of one sex, if the giving of such preferences has the effect of discriminating on the basis of sex in violation of these Title IX regulations.

(b) Application. The provisions of §§146.500 through 146.550 apply to:

(1) Recruitment, advertising, and the process of application for employment;  
(2) Hiring, upgrading, promotion, consideration for and award of tenure, demotion, transfer, layoff, termination, application of nepotism policies, right of return from layoff, and rehiring;  
(3) Rates of pay or any other form of compensation, and changes in compensation;  
(4) Job assignments, classifications, and structure, including position descriptions, lines of progression, and seniority lists;

§ 146.505 Employment criteria.

A recipient shall not administer or operate any test or other criterion for any employment opportunity that has a disproportionately adverse effect on persons on the basis of sex unless:

(a) Use of such test or other criterion is shown to predict validly successful performance in the position in question; and

(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.

§ 146.510 Recruitment.

(a) Nondiscriminatory recruitment and hiring. A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex in the recruitment or hiring of employees, or has been found to have so discriminated against so as to overcome the effects of such past or present discrimination.

(b) Recruitment patterns. A recipient shall not recruit primarily or exclusively at entities that furnish as applicants only or predominantly members of one sex if such actions have the effect of discriminating on the basis of sex in violation of §§146.500 through 146.550.

§ 146.515 Compensation.

A recipient shall not make or enforce any policy or practice that, on the basis of sex:

(a) Makes distinctions in rates of pay or other compensation;

(b) Results in the payment of wages to employees of one sex at a rate less than that paid to employees of the opposite sex for equal work on jobs the performance of which requires equal skill, effort, and responsibility, and that are performed under similar working conditions.

§ 146.520 Job classification and structure.

A recipient shall not:

(a) Classify a job as being for males or for females;

(b) Maintain or establish separate lines of progression, seniority lists, career ladders, or tenure systems based on sex; or

(c) Maintain or establish separate lines of progression, seniority systems, career ladders, or tenure systems for similar jobs, position descriptions, or job requirements that classify persons on the basis of sex, unless sex is a bona fide occupational qualification for the positions in question as set forth in §146.550.

§ 146.525 Fringe benefits.

(a) “Fringe benefits” defined. For purposes of these Title IX regulations, fringe benefits means: Any medical, hospital, accident, life insurance, or retirement benefit, service, policy or plan, any profit-sharing or bonus plan, leave, and any other benefit or service of employment not subject to the provision of §146.515.

(b) Prohibitions. A recipient shall not:

(1) Discriminate on the basis of sex with regard to making fringe benefits available to employees or make fringe benefits available to spouses, families, or dependents of employees differently upon the basis of the employee’s sex;

(2) Administer, operate, offer, or participate in a fringe benefit plan that does not provide for equal periodic benefits for members of each sex and for equal contributions to the plan by such recipient for members of each sex; or

(3) Administer, operate, offer, or participate in a pension or retirement plan that establishes different optional or compulsory retirement ages based on sex or that otherwise discriminates in benefits on the basis of sex.
§146.530 Marital or parental status.

(a) General. A recipient shall not apply any policy or take any employment action:

(1) Concerning the potential marital, parental, or family status of an employee or applicant for employment that treats persons differently on the basis of sex; or

(2) Which is based upon whether an employee or applicant for employment is the head of household or principal wage earner in such employee’s or applicant’s family unit.

(b) Pregnancy. A recipient shall not discriminate against or exclude from employment any employee or applicant for employment on the basis of pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom.

(c) Pregnancy as a temporary disability. Subject to §146.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, recovery therefrom, and any temporary disability resulting therefrom as any other temporary disability for all job-related purposes, including commencement, duration, and extensions of leave, payment of disability income, accrual of seniority and any other benefit or service, and reinstatement, and under any fringe benefit offered to employees by virtue of employment.

(d) Pregnancy leave. In the case of a recipient that does not maintain a leave policy for its employees, or in the case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status that she held when the leave began or to a comparable position, without decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

§146.535 Effect of state or local law or other requirements.

(a) Prohibitory requirements. The obligation to comply with §§146.500 through 146.550 is not obviated or alleviated by the existence of any State or local law or other requirement that imposes prohibitions or limits upon employment of members of one sex that are not imposed upon members of the other sex.

(b) Benefits. A recipient that provides any compensation, service, or benefit to members of one sex pursuant to a State or local law or other requirement shall provide the same compensation, service, or benefit to members of the other sex.

§146.540 Advertising.

A recipient shall not in any advertising related to employment indicate preference, limitation, specification, or discrimination based on sex unless sex is a bona fide occupational qualification for the particular job in question.

§146.545 Pre-employment inquiries.

(a) Marital status. A recipient shall not make pre-employment inquiry as to the marital status of an applicant for employment, including whether such applicant is “Miss” or “Mrs.”

(b) Sex. A recipient may make pre-employment inquiry as to the sex of an applicant for employment, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§146.550 Sex as a bona fide occupational qualification.

A recipient may take action otherwise prohibited by §§146.500 through 146.550 provided it is shown that sex is a bona fide occupational qualification for that action, such that consideration of sex with regard to such action is essential to successful operation of the employment function concerned. A recipient shall not take action pursuant to this section that is based upon alleged comparative employment characteristics or stereotyped characterizations of one or the other sex, or upon preference based on sex of the recipient, employees, students, or other persons, but nothing contained in this section shall prevent a recipient from considering an employee’s sex in relation to
to employment in a locker room or toilet facility used only by members of one sex.

This part establishes regulations required under section 6 of the Diplomatic Relations Act (Pub. L. 95–393; 22 U.S.C. 254e). These regulations require all missions, members of missions and their families, and those officials of the United Nations who are entitled to diplomatic immunity to have and maintain liability insurance against the risks of bodily injury, including death, and property damage, including loss of use, arising from the ownership, maintenance, or use in the United States of any motor vehicle, vessel, or aircraft.

§ 151.2 Definitions.

(b) Persons subject to the Act, as defined in section 2 of the Act, means: (1) The head of a mission and members of the diplomatic staff, administrative and technical staff, and service staff of a mission, as such terms are defined in Article 1 of the Vienna Convention on Diplomatic Relations of April 18, 1961 (TIAS 7502, 23 U.S.T. 3227); (2) members of the family of a member of the diplomatic staff of a mission who form part of his or her household if they are not nationals of the United States, and members of the family of a member of the administrative and technical staff of a mission who form part of his or her household if they are not nationals or permanent residents of the United States; and (3) senior officials of the United Nations as defined in paragraph (d) of this section.

(2) Property damage, including loss of use; and
(3) Any additional coverage required to be included in liability insurance policies by the jurisdiction where the motor vehicle, vessel or aircraft is
principally garaged, berthed, or kept, such as uninsured motorist coverage or first party no-fault coverage.

§ 151.4 Minimum limits for motor vehicle insurance.

The insurance shall provide not less than $100,000 per person and $300,000 per incident for bodily injury liability and $100,000 per incident for property damage or $300,000 combined single limit for all bodily injury liability and property damage liability arising from a single incident, except where the Director of the Office of Foreign Missions grants a special exception.

[54 FR 24555, June 8, 1989]

§ 151.6 Authorized insurer.

The insurance must be issued by an insurer licensed or otherwise authorized by applicable law to do business in the jurisdiction where the motor vehicle, vessel or aircraft is principally garaged, berthed or kept.

§ 151.7 Policy terms consistent with the Act.

(a) The insurance shall be construed in conformity with the Act. In particular, no effect shall be given to any policy terms which are inconsistent or in conflict with those provisions of the Act stating that any suit against the insurer under the policy shall not be subject to any of the following defenses:

(1) That the insured is immune from suit;
(2) That the insured is an indispensable party; or
(3) In the absence of fraud or collusion, that the insured has violated a term of the contract, unless the contract was canceled before the claim arose.

(b) Notwithstanding the provisions of paragraph (a) of this section, the insured is expected to respond to reasonable requests from the insurer for cooperation.

§ 151.8 Evidence of insurance for motor vehicles.

(a) Every mission must periodically, and otherwise upon official request, furnish evidence satisfactory to the Department of State that the required insurance is in effect for the mission, its members and their families. Every senior United Nations official must also periodically furnish evidence satisfactory to the Department of State that the required insurance is in effect.

(b) The Department of State will accept as satisfactory evidence that the required insurance is in effect:

(1) A written statement of self-certification signed by the Chief of Mission, indicating that the mission, its members and their families have and will maintain insurance throughout the period of registration of all vehicles owned or leased or otherwise regularly used, and showing the name of the insurance company or companies and identifying each policy by number and name of insured; and
(2) A written statement of self-certification signed by each senior United Nations official, indicating that he or she has and will maintain insurance throughout the period of registration on all motor vehicles owned or leased or otherwise regularly used, and showing the name of the insurance company or companies and identifying each by number and name of insured.

(c) A certification under paragraph (b) of this section by a Chief of a Mission to the United Nations or by a senior United Nations official shall be delivered to the Counselor for host country affairs of the United States Mission to the United Nations. All other certifications shall be delivered to the Chief of Protocol, Department of State.

§ 151.9 Evidence of insurance required for diplomatic license plates and waiver of fees.

§ 151.10 Minimum limits of insurance for aircraft and/or vessels.

Insurance in respect of vessels and/or aircraft shall provide limits of liability
adequate in light of reasonably foreseeable risks from the ownership, maintenance, or other regular use of vessels and/or aircraft.

(a) Each person subject to the Act and each mission must notify the Department of State in writing of the ownership, maintenance or other regular use of a vessel or aircraft in the United States by such mission or person.

(b) Notices under paragraph (a) of this section shall identify the vessel and/or aircraft with specificity, including model and manufacturer’s name, and serial and registration numbers. Each notification shall be accompanied by a copy of the insurance policy or policies issued in respect of the vessel and/or aircraft. Such policy or policies need not be issued by the insurer providing liability insurance for motor vehicles.

(c) With regard to senior United Nations officials, missions to the United Nations and members of such missions as have diplomatic status and their families, notices and evidence of insurance under this section shall be delivered to the counselor for Host Country Affairs of the United States Mission to the United Nations. All other notices under this section shall be delivered to the Chief of Protocol, Department of State.
Subpart A—General

§ 161.1 Purpose and scope.

These Departmental regulations are designed to supplement the CEQ Regulations and provide for the implementation of those provisions identified in §1507.3(b) of the CEQ Regulations. The CEQ Regulations are incorporated herein by reference. The Department’s regulations seek to assure that environmental considerations and values are incorporated into the Department’s decisionmaking process and assign responsibility within the Department for assessing the significant environmental effects in the United States of the Department’s actions.

§ 161.2 Policy.

It is the policy of the Department of State to use all practicable means, consistent with the Department’s statutory authority, available resources and national policy, to:

(a) Protect and enhance the quality of the environment;

(b) Ensure that environmental amenities and values are appropriately considered in Departmental actions;

(c) Integrate planning and environmental review procedures with the Department’s decisionmaking process;

(d) Invite and facilitate, when appropriate, Federal, State and local governmental authorities and public involvement in decisions which affect the quality of the environment; and

(e) Recognize the worldwide and long-range character of environmental concerns and, when consistent with the foreign policy of the United States, lend appropriate support to initiatives, resolutions, and programs designed to maximize international cooperation in anticipating and preventing a decline in the quality of the world environment.

§ 161.3 Applicability.

The provisions of these regulations apply to decisions on all Departmental actions which may affect the quality of the environment within the United States. The Department is establishing separate environmental review procedures under Executive Order 12114 (January 4, 1979) for actions having potential effects on the environment of global commons or areas outside the jurisdiction of any nation, or on the environment of foreign nations.

§ 161.4 Definitions.

Definitions for many terms used in these regulations may be found in section 1508 of the CEQ Regulations. In addition, for the purpose of these regulations, the term:
§ 161.5 Major decision points and timing.

(a) The responsible action officer shall ensure compliance with these regulations at the earliest practicable stage of Departmental study, consideration or planning of a proposed major Federal action which could significantly affect the quality of the human environment. To accomplish this the responsible action officer must ensure that data developed during the review process is collected, analyzed and made available for consideration early in planning and decisionmaking when it will be most valuable in formulating, reviewing and deciding upon proposals for Departmental action.

(b) Environmental analysis and review of a proposed Departmental action shall be conducted as early as practicable so as to be timely, yet late enough to be relevant to the decisionmaking.

(c) Environmental documents should, whenever possible, accompany the principal action memorandum relating to a proposed action. An environmental document required in conjunction with conclusion of an international agreement shall, where possible, be prepared and circulated for review and comment before final negotiations begin. The completed environmental document should thus ordinarily accompany the principal action memorandum or request for authority to negotiate an agreement under the Department’s Circular 175 regulation (11 FAM 720).

(d) To the maximum extent possible an environmental document should be prepared before the establishment of a final United States position on a proposal. In such cases the document should indicate the alternatives under consideration without specifying a Departmental preference. If the content and dimensions of a proposed action will not be clear until after the conclusion of an international negotiation or if a decision to proceed on an action involving another nation or international organization is required on short notice and before the environmental document can be prepared, the environmental document should be prepared as soon as possible after the conclusion of an agreed text of a treaty or agreement on the proposed action. If the Senate’s advice and consent to a treaty with potential significant environmental effects in the United States will be sought, the final environmental impact statement should accompany other decision documentation for ratification. Legislative environmental impact statements on proposed treaties or legislation shall conform to the requirements of §1506.8 of the CEQ Regulations and must be prepared in time for Congressional hearings and deliberations.
§ 161.6 Responsibilities of departmental officials.

(a) General. As a general rule, responsibility for preparing environmental analysis documents will follow the Department’s standard organizational practices; in this way environmental considerations and awareness of environmental responsibilities will be integrated most readily and effectively into the usual decisionmaking processes.

(1) Departmental bureaus. Each bureau within the Department shall be responsible for:

(i) Implementing these regulations and incorporating them into its normal decisionmaking processes;

(ii) Identifying actions it intends to initiate which may affect significantly the environment of the United States and employing the environmental evaluation procedures outlined in these regulations to ensure that necessary actions are taken to meet the requirements of applicable laws and regulations;

(iii) Coordinating environmental assessment-related activities for which it is responsible with the Office of Environment and Health in the Bureau of Oceans and International Environmental and Scientific Affairs and supporting and assisting the Office of Environment and Health in implementing these regulations as required; and

(iv) Providing the personnel required to implement these regulations, informing the Office of Environment and Health and the Office of the Legal Adviser whenever it is anticipated that environmental documents will be prepared under these regulations, and consulting the Office of Environment and Health and the Office of the Legal Adviser as necessary for guidance and assistance in the preparation of such documents.

(2) Bureau of Oceans and International Environmental and Scientific Affairs. Through its Office of Environment and Health the Bureau shall have the primary responsibility for ensuring the Department’s compliance with environmental policies, regulations and procedures. It shall provide policy and professional direction and guidance within the Department for implementing these regulations. It shall also assist other bureaus in obtaining appropriate scientific advice and budgetary resources to implement the regulations. The Office of Environment and Health will act as the focal point for implementation, working closely with the Departmental bureaus and the Office of the Legal Adviser. The Bureau and other involved bureaus will work closely with the Assistant Secretary for Congressional Relations in the preparation of environmental documents relating to legislation. In carrying out its responsibilities the Bureau shall:

(i) Coordinate the formulation, development and revision of Departmental policies and positions on matters pertaining to environmental evaluation and review;

(ii) Develop and ensure the implementation of Departmentwide standards, procedures and working relationships for environmental review and compliance with applicable environmental laws and regulations;

(iii) Develop, as an integral part of the Department’s basic decision processes, procedures to ensure that environmental factors are properly considered in all relevant proposals and decisions;

(iv) Monitor these processes to ensure that Departmental procedures are achieving their purposes;

(v) Advise, assist and inform Departmental bureaus of the technical and management aspects of environmental analysis, and of the relevant expertise available in and outside the Department;
(vi) Establish and maintain working relationships with the Council on Environmental Quality, Environmental Protection Agency, and other federal, State and local governmental agencies concerned with environmental matters;
(vii) Represent the Department in working with other government agencies and organizations to formulate, review and achieve uniform understanding and application of government-wide policies relating to the environment;
(viii) Consolidate and transmit to the appropriate parties Departmental comments on environmental impact statements and other environmental reports prepared by other agencies; and
(ix) Acquire information for and prepare other Departmental reports on environmental assessment matters.

3 Office of the Legal Adviser. The Office of the Legal Adviser is the principal Departmental authority on the legal aspects of environmental matters and the implementation of these regulations and shall advise and assist Departmental Bureaus in these matters.

4 Bureau Environmental Coordinators. Each Departmental bureau and major office shall designate an officer to act as coordinator, adviser and principal point of contact for environmental matters within the bureau. The bureau coordinator will advise and assist the bureau in implementing these regulations and serve as a member of the Departmental Committee of Environmental Coordinators.

5 Departmental Committee of Environmental Coordinators. A Departmental Committee of Environmental Coordinators shall be established to assist in coordinating Departmental implementation of these regulations; in providing advice on major issues, policies and procedures relating to the Department’s implementation of environmental analysis requirements; and in ensuring general conformity of Departmental implementation practices. The Committee’s responsibility will be to exchange information on the implementation of these regulations, assist bureaus in early identification of Departmental actions which should be analyzed for environmental effects and help to coordinate and provide the appropriate analysis. The Committee will be chaired by the Office of Environment and Health and will be comprised of bureau and office coordinators designated by the respective bureaus and offices.

6 Outside contractors. Qualified outside contractors may be employed to assist Departmental officers in preparing environmental documents as required under these regulations.

§ 161.7 Categories of actions.

Departmental officers shall review each major Departmental action having a potentially significant effect on the quality of the environment in the United States. The need to prepare formal environmental documents will depend on the scope of the action and the context and intensity of any environmental effects expected if the action is implemented. Departmental actions can generally be grouped into three categories, as follows:

(a) Actions normally requiring environmental impact statements. Any Departmental action deemed to have a “significant effect upon the quality of the human environment” of the United States requires the preparation of an environmental impact statement. The criteria to be used in determining significance are set forth in §1508.27 of the CEQ Regulations. The Department has reviewed representative actions and has found no common pattern which would enable it to specify actions normally requiring environmental impact statements. If developments later enable such designations to be made the Department will publish a description of proposed actions for such designation in the Federal Register.

(b) Actions categorically excluded from the requirement to prepare environmental impact statements. Categorical exclusion, as defined in §1508.4 of the CEQ Regulations, provides for exclusion from environmental review of specified actions which have as a class been found to have no significant impact on the quality of the human environment. Neither an environmental assessment nor an environmental impact statement is ordinarily required for such actions. Departmental actions categorically excluded from the requirements of these regulations include the following:
(1) Routine conduct of Departmental and overseas political and economic functions, including reporting on political and economic developments, trends and activities, communicating to host governments United States Government views, maintaining contact with foreign officials and individuals, and facilitating trade opportunities abroad and U.S. business expansion in foreign markets;

(2) Provision of consular services—visas, passports and citizenship, and special consular services, such as issuing or reviewing passports and visas, taking legal depositions, notarizing absentee ballots and other documents and delivering retirement checks, social security payments and veterans benefits;

(3) Conduct of routine administrative functions, such as budget and finance, personnel and general services. This includes routine administrative procurements (e.g., general supplies, negotiating leases for office space or staff housing, ordering supplies and arranging for customs clearances); financial transactions, including salaries, expenses and grants; routine management, formulation and allocation of the Department’s budget at all levels (this does not exempt the preparation of environmental documents for proposals included in the Department’s budget when required); and personnel actions (e.g., promotions,hirings, and counseling American and host country employees who work for the Department of State);

(4) Preparing for and participating in conferences, workshops or meetings for information exchange, data collection or research or study activities; and

(5) Document and information exchanges.

Even though an action may be categorically excluded from the need for an environmental impact statement, if information developed during the planning for the actions indicates the possibility that the particular action in question may nonetheless cause significant environmental effects, an environmental assessment shall be prepared to evaluate those effects. Based upon the assessment, a determination will be made whether to prepare an environmental impact statement. The Department may designate additional actions for categorical exclusion by publishing a listing of actions proposed for such designation in the Federal Register.

(c) Actions normally requiring environmental assessments. An environmental assessment shall provide the basis of the determination whether an environmental impact statement is required. A Departmental action shall require the preparation of an environmental assessment if the action is not one known normally to require an environmental impact statement and is not categorically excluded. Departmental actions normally included in this category are actions for which the Department has lead-agency responsibility and which may significantly affect the human environment of the United States, such as those actions involving:

(1) Issuance of permits for construction of international bridges and pipelines (see Executive Order 11423 and the International Bridge Act of 1972 (Pub. L. 92–434, 86 Stat. 23));

(2) Wetlands, floodplains, endangered species and national historical, archeological and recreational sites (see also specific requirements for environmental review and consultation in §161.11 of these regulations); and

(3) Ocean dumping, control of toxic substances, disposal and storage of wastes and radioactive substances.

(d) Emergencies and other exceptional circumstances. Not every Departmental activity will be considered a major Federal action for the purposes of these regulations. Several limited classes of action which might ordinarily be subject to these regulations will not be considered major Federal actions requiring the preparation of an environmental impact statement. Among them are the following:

(1) Actions taken in emergency circumstances and disaster and emergency relief activities as defined in §1506.11 of the CEQ Regulations (in such circumstances the responsible action officer should consult with the Office of Environment and Health which shall consult with the Council on Environmental Quality about appropriate alternative arrangements);

(2) Mandatory actions required under any treaty or international agreement.
to which the United States Government is a party, or required by the decisions of international organizations or authorities in which the United States is a member or participant except when the United States has substantial discretion over implementation of such requirements:

(3) Payment of contributions, either assessed or voluntary, to any international organization of which the United States is a member pursuant to the obligation of a treaty or other international agreement or which is not for the purpose of carrying out a specifically identifiable action which would affect the environment; and

(4) Support for or acquiescence in (by affirmative vote or agreement to consensus) an activity or expenditure of funds by an international organization where the United States has no unilateral right to control such expenditures.

Subpart C—Environmental Review Procedures

§ 161.8 General description of the Department’s NEPA process.

In reviewing proposed actions for potential environmental effects in the United States responsible action officers will follow the procedural steps set forth below. These steps are developed in conjunction with the procedural steps required by the CEQ Regulations which are referenced in the following sections.

(a) Preliminary environmental evaluations. Early in the process of considering any possible action the responsible action officer shall review the action to determine if it may cause potential significant environmental effects on the environment of the United States. A proposed action shall be reviewed initially to determine into which of the following three basic categories of action it falls:

(1) Actions normally requiring environmental impact statements;

(2) Actions categorically excluded from environmental impact statements; or

(3) Actions normally requiring environmental assessments. If the responsible action officer concludes that the proposed action is a major action potentially having significant effects in the United States he should, in cooperation with other appropriate Departmental officials, carry out the steps described in these regulations. If during his review of the location of potential environmental effects or following preparation of an environmental assessment it is determined that the action could affect the environment of the global commons or a foreign nation the officer is responsible for ensuring compliance with the Department’s procedures for implementing Executive Order No. 12114 on Environmental Effects Abroad of Major Federal Actions (Foreign Affairs Manual, Volume 2).

(b) Environmental Assessment. An environmental assessment is a concise document which analyzes potential environmental effects to determine if an environmental impact statement is required (CEQ Regulations §§1501.4 and 1508.9). If the action does not fall into either the category of those actions normally requiring an environmental impact statement or that of actions categorically excluded from the requirement to prepare an environmental impact statement, then the responsible action officer, in cooperation with other Departmental officials, shall prepare an environmental assessment to determine whether it is necessary to prepare an environmental impact statement or a “Finding of no significant impact”. If the action normally requires an environmental impact statement, there is ordinarily no need for the preparation of an environmental assessment and the environmental impact statement process should be initiated without preparing such an assessment. If the action is categorically excluded, no further environmental review is needed. If an environmental assessment is prepared it may also be used to evaluate whether the proposed action may have effects outside the United States.

(c) Finding of no significant impact. If the environmental assessment indicates that the environmental effects of the action in the United States are not significant, then the responsible action officer shall make a “Finding of no significant impact”, thereby concluding the NEPA review process (CEQ Regulations §§1501.4 and 1508.13).
(d) Environmental impact statement. If the environmental assessment demonstrates that the environmental effects of the action with the United States may be "significant" (see §1508.27 of the CEQ Regulations) the Department is required to prepare an environmental impact statement (EIS) in accordance with these regulations (see also CEQ Regulations §1501.8, part 1502 and §§1506.2 through 1506.7). In preparing the environmental impact statement the following steps will be carried out:

1. Notice of intent to prepare an EIS. If an impact statement is required, the Department will publish in the Federal Register a "Notice of intent" to prepare such a statement (CEQ Regulations §§1501.7 and 1508.22).

2. Scoping procedures. The Department will then hold a scoping meeting with interested agencies and individuals to determine the proper content ("scope") of the statement (CEQ Regulations §§1501.7 and 1508.25).

3. Draft environmental impact statement (DEIS). The Department will then prepare a draft EIS (DEIS) which will be filed with the Environmental Protection Agency and circulated to agencies and the public for comment for at least 45 days, except where the CEQ Regulations and these regulations permit the time period to be shortened (CEQ Regulations §1501.8, part 1502. §§1506.2 through 1506.7, 1506.10(d) and 1506.11; 161.7(d), 161.9(n)(2)).

4. Final environmental impact statement (FEIS). In light of the comments and following any revision in the draft EIS, the Department will file with the Environmental Protection Agency and circulate to agencies and the public a final EIS at least 30 days before making a final decision on the action, except where the CEQ Regulations and these regulations permit the time period to be shortened (CEQ Regulations §1501.8, part 1502. §§1506.2 through 1506.7, 1506.10(d) and 1506.11; 161.7(d), 161.9(n)(2)).

5. Record of decision. After making a decision on the action, the Department will make available a formal "Record of decision" (CEQ Regulations §1505.2).
preparing a “Notice of intent” to prepare an EIS (see §1508.22 of the CEQ Regulations). The Office of Environment and Health shall arrange for publication of the notice in the FEDERAL REGISTER (see §1507.3(e) of the CEQ Regulations). The responsible action officer shall then apply the procedures set forth in §161.8 of these regulations to determine the scope of the proposed EIS, and proceed to prepare and release the environmental impact statement in accordance with CEQ and Departmental regulations. If, however, the responsible action officer believes that the proposed action, though included within or closely similar to one which normally requires the preparation of an EIS, will itself have no significant impact, he should conduct an environmental assessment in accordance with the CEQ Regulations (§1508.9). If the assessment demonstrates that there will be no significant impact, he should prepare a “Finding of no significant impact” and provide for public review a notice of this finding in accordance with §§1501.4(e) and 1506.6 of the CEQ Regulations.

(ii) Actions categorically excluded. Separate detailed documentation is not normally required for actions which are categorically excluded and which are therefore exempt from the requirement of preparations of an environmental assessment or environmental impact statement. However, the responsible action officer shall note in the action memorandum concerning the action that the proposed action has been reviewed under the Department’s environmental procedures and determined to be categorically excluded. The Office of Environment and Health shall periodically review actions in the classes categorically excluded under these regulations to determine if the original decision to categorically exclude the class remains valid. If such a review determines that a proposed action may have a significant impact on the human environment the necessary revision in the categorical exclusion shall be made and an environmental assessment shall be prepared to determine the need for the preparation of an environmental impact statement.

(iii) Actions normally requiring environmental assessments. For each action meeting the criteria of this section the responsible action officer shall prepare an environmental assessment (see §§1501.3 and 1508.9 of the CEQ Regulations) and, on the basis of that assessment, determine if an EIS is required. If the determination is that no environmental impact statement is required, the responsible action officer shall, in coordination with the Office of Environment and Health, prepare a “Finding of no significant impact” (see §§1501.4 and 1508.13 of the CEQ Regulations). The “Finding of no significant impact” shall be made available to the public through direct distribution and publication in the FEDERAL REGISTER. If the determination is that an environmental impact statement is required, the official shall proceed with the “Notice of intent” to prepare an EIS and the subsequent steps in the preparation and release of an EIS in accordance with the CEQ Regulations (§§1501.7, 1507.3 and 1508.22) and these regulations.

(2) Preparation of environmental assessments. Environmental assessments, as defined in the CEQ Regulations (§1508.9), should be prepared as directed in §1501.3 of the CEQ Regulations. The environmental assessment shall be used to determine whether to prepare an environmental impact statement or a “Finding of no significant impact”. The assessment shall include a brief discussion of the need for the proposed action, of alternatives and of environmental impacts and a listing of agencies and persons consulted in preparing the assessment.

(3) Notice of intent to prepare an EIS. As soon as practicable after deciding to prepare an environmental impact statement and before initiating the scoping process (see §161.9(b) of these regulations) the Department or another lead agency, if one is designated in accordance with §1501.5 of the CEQ Regulations, shall publish in the FEDERAL REGISTER a “Notice of intent” to prepare an EIS in accordance with §§1501.7 and 1508.22 of the CEQ Regulations. The Office of Environment and Health shall arrange for publishing the notice.

(b) Scoping. The Department shall conduct an early and open meeting with interested agencies and the public
for determining the scope of issues to be addressed in a given environmental impact statement and for identifying the significant issues related to a proposed action. The elements of the scoping process are defined in §1501.7 of the CEQ Regulations and must include consideration of the range of actions, alternatives, and impacts discussed in §1508.25 of the CEQ Regulations.

(c) Cooperation with other agencies. Departmental officials are encouraged to cooperate with other agencies and the public throughout the conduct of the Department’s NEPA process. The Office of Environment and Health shall ensure also that the Department reviews the draft and final impact statements submitted for review by other agencies (§1502.19 of the CEQ Regulations). Where appropriate and to eliminate duplication it shall arrange to prepare environmental assessments and impact statements jointly with other Federal or State agencies. Where possible it will arrange for the department to “adopt” statements prepared by other agencies (§1506.3 of the CEQ Regulations). It shall arrange lead and cooperating agency responsibilities for preparing environmental documents (see §§1501.5 and 1501.6 of CEQ Regulations).

(d) Preparation of draft environmental impact statement. The responsible action officer shall be responsible for the preparation of the draft environmental impact statement in the manner described in §1501.8, part 1502, and §§1506.2 through 1506.7 of the CEQ Regulations. Preliminary copies of the draft environmental impact statement and attachments shall be submitted to the Office of Environment and Health before any formal review is conducted outside the Department. This submission shall be accompanied by a list of Federal, State, and local officials (Part 1503 of the CEQ Regulations) and a list of other interested parties (§1506.6 of the CEQ Regulations) whose comments shall be sought. The Office of Environment and Health shall review the draft and obtain additional comments from other appropriate Departmental bureaus and offices.

(e) Review of and comment on draft EIS. For external review, the Office of Environment and Health shall transmit five copies of the revised draft statement to the Environmental Protection Agency (EPA) Office of Federal Activities. EPA will publish a notice of the statement’s availability the following week in the Federal Register. Upon transmission of the draft statement to EPA, the Office of Environment and Health shall also seek the views of appropriate agencies and individuals in accordance with Part 1503 and §§1506.6 and 1506.9 of the CEQ Regulations. It shall specify that replies are required at a stated date not earlier than 45 days from the date of NEPA publication of the draft statement availability. Any views submitted during the comment period shall be provided to the responsible action officer in the Department for consideration in preparing the final statement. To the fullest extent possible, requirements for review and consultation with other agencies on environmental matters established by statutes other than NEPA, such as the review and consultation requirements of the Endangered Species Act of 1973, as amended, should be met before or through this review process (see §161.11 of these regulations). In addition, the draft EIS shall list all environmentally-related federal permits, licenses or other approvals required to implement the proposal as specified in §1502.25(b) of the CEQ Regulations.

(f) Public involvement. (1) Departmental officials will make diligent efforts to involve the public in implementing these regulations as provided in §§1501.4(e), 1503.1(a)(e) and 1506.6 of the CEQ Regulations.

(2) Interested persons can obtain information on the Department’s environmental impact statements and other aspects of the Department’s NEPA process by contacting the Director, Office of Environment and Health, Room 7820, Department of State, Washington, DC 20520 (tel. 202/632–9266). Information pertaining to the NEPA process may be sent to the above address. Federal Register notices concerning the Department’s environmental documents shall specify where such information relevant to the documents in question may be obtained.
(3) The responsible action officer shall identify those persons, community organizations, environmental interest groups, international organizations or other bodies which may have an interest in or be affected by the proposed Departmental action and who should therefore be involved in the NEPA process. With the assistance of the Office of Environment and Health, the responsible action shall transmit a list of such persons, groups and organizations to the Office of Environment and Health at the same time he submits:

(i) A recommendation regarding a “Finding of no significant impact”;
(ii) A “Notice of intent to prepare an EIS”;
(iii) A recommendation on possible public hearings (see §1506.6(c) of CEQ Regulations);
(iv) A draft EIS, or
(v) A final EIS.

(4) The responsible action officer shall consult with the Office of Environment and Health and make recommendations regarding the need for public hearings. The Office of Environment and Health shall, as necessary, review such recommendations with the Office of the Legal Adviser.

(g) Preparation of final environmental impact statement. (1) After conclusion of the review process with other Federal, State and local agencies and the public, the responsible action officer shall consider suggestions received and revise the draft environmental impact statement as appropriate in accordance with part 1502 and §1501.8 and §§1506.2 through 1506.7 of the CEQ Regulations.

(2) Five copies of the preliminary final environmental impact statement, with attached copies of the comments received and suggested responses, shall be provided to the Office of Environment and Health. The Office of Environment and Health will, as appropriate, obtain additional comments from any other appropriate Departmental bureau or offices and notify the responsible action officer of any further changes required and the number of final statements to be transmitted. The Office of Environment and Health shall submit five copies of the final statement to the Environmental Protection Agency’s Office of Environmental Review. Copies shall also be sent to all parties who commented and to other interested parties in accordance with §1506.9 of the CEQ Regulations.

(3) Each draft and final statement, the supporting documentation, and the “Record of decision” (see §161.9(h) of these regulations) shall be available for public review and copying at the Office of Environment and Health (OES/ENH), Room 7820, Department of State, Washington, DC 20520 (tel. 202/632-9267).

(h) Record of the decision. At the time of the decision on the proposed action, the responsible Departmental official shall consult with the Office of Environment and Health and prepare a concise “Record of decision” (see §1505.2 of the CEQ Regulations).

(i) Timing of EIS preparation and action decision. Preparation of an environmental impact statement shall be initiated as soon as the responsible action officer, in consultation with the Office of Environment and Health and the Office of the Legal Adviser, has determined that the statement shall be prepared. Except where permitted by the CEQ Regulations (§§1506.10(d), 1506.11) and these regulations (§§161.7(d), 161.9(n)(2)), no decision on the proposed action shall be made by the Department until the later of the following dates:

(1) Ninety (90) days after publication by EPA of a notice of availability of a Departmental draft EIS.

(2) Thirty (30) days after publication by EPA of a notice of availability of a departmental final EIS.

(j) Implementing and monitoring the decision. Section 1505.3 of the CEQ Regulations establishes the procedures to be followed by the Department in monitoring to assure that any mitigation measures or other commitments associated with the decision and its implementation are carried out. The Office of Environment and Health will maintain general oversight and cooperate with bureau officers in such monitoring.

(k) Supplemental environmental impact statements. Departmental officials shall supplement a draft EIS whenever an alternative which is substantially different from those discussed in the draft is under consideration or when the
draft is otherwise out of date. A final EIS shall be supplemented when a substantial change is made in the proposed action or when significant new information on the environmental impacts comes to light. A supplemental EIS should be prepared, circulated and approved in accordance with the provisions of §1502.9 of the CEQ Regulations. No supplemental EIS need be prepared when the final decision on the action in question has already been made. If there are reasons not to prepare a supplemental EIS when one ordinarily would be called for, the responsible action officer should consult with the Office of Environment and Health, which shall consult with the Council on Environmental Quality on the matter.

(2) Programmatic and generic environmental impact statements. (1) Before preparing an environmental document under these regulations the responsible action officer should determine if there exists a generic or programmatic environmental document analyzing actions, effects or issues similar to those involved in the proposed action. A generic environmental document reviews the environmental effects that are generic or common to a class of Departmental actions which may not be specific to any single country or area. Where such a document is prepared it could be applied to a number of similar specific country applications. If a generic document exists and if it deals with relevant similarities in the action, such as common timing, environmental impacts, alternatives, methods of implementation or subject matter it will not be necessary to prepare further environmental documentation.

(2) A programmatic environmental document shall focus its analysis on the environmental aspects of an entire program rather than on the specific elements of the program. If a programmatic environmental document has already been prepared the responsible action officer should determine whether it adequately deals with the environmental effects of the particular action under review. If the programmatic document adequately reviews the environmental impacts of the action under consideration, then additional environmental documentation is not required under these regulations.

In preparing environmental documents on specific actions, Departmental officers shall consider the advisability of modifying or expanding the documents so they may serve as generic or programmatic documents for a broader range of actions.

(m) Amendments. Amendments to these regulations may be made by the Assistant Secretary for Oceans and International Environmental and Scientific Affairs in consultation with other Departmental bureaus and the Office of the Legal Adviser. Such amendments will be published in the Federal Register after consultation with the Council on Environmental Quality, in accordance with §1507.3 of the CEQ Regulations, and public review and comment.

(n) Modifications. The Department’s procedures for preparing environmental documents may be modified to accommodate the following circumstances:

(1) Classified material. Most Departmental environmental documents will not normally contain classified or administratively controlled material (see §1507.3(c) of the CEQ Regulations); in some cases, however, an environmental document must include such material to evaluate adequately environmental effects. In such cases Departmental environmental documents, or portions thereof, may be classified. Such material should, if possible, be confined to a classified annex of the environmental document. Approval for classification must be granted with the concurrence of the Assistant Secretary for Oceans and International Environmental and Scientific Affairs and the Office of the Legal Adviser, and the assistant secretary of the bureau with the action responsibility for the proposed action. In these cases, Departmental environmental documents or portions thereof may be classified in accordance with the criteria set forth in Executive Order 12065, dated December 1, 1978. Handling and disclosure of classified or administratively controlled material shall be governed by 22 CFR part 9. The portions of an environmental document which are not classified or administratively controlled will be made available to persons outside the Department, as provided in 22 CFR part 9.
Department of State

Classification does not preclude the obligation to ensure that environmental documents are reviewed by competent scientific and technical experts. Appropriate arrangements will be made through the Office of Environment and Health for Federal agency review of classified or administratively controlled environmental documents.

(2) Time periods for environmental review. When necessary to comply with other specific statutory requirements or for compelling reasons of national policy the Department may, by agreement with the Environmental Protection Agency, modify time periods specified by the CEQ Regulations for preparing environmental documents in accordance with §1506.10 of the CEQ Regulations. See also provisions for emergency circumstances contained in §1506.11 of the CEQ Regulations and §161.7(d) of these regulations.

Subpart D—Coordination of Other Requirements of NEPA

§161.10 Non-Federal applicants for permits.

The Department is responsible for issuing international permits for the construction of bridges and oil pipelines that cross the international boundaries with Canada and Mexico. The Office of Environment and Health will assist in preparation of the required environmental analysis documentation for such permits. Applicants for international permits may obtain information on the type of environmental information needed and the extent of the applicant’s participation in the necessary environmental studies and their documentation from the Office of the Legal Adviser, Department of State, Washington, DC 20520 (tel. 202/632-0349). Applicants are encouraged to consult early with the Department on the necessary environmental and other requirements in order to expedite the NEPA process.

§161.11 Environmental review and consultation requirements.

In addition to the environmental review requirements of NEPA the Department has other statutory environmental review and consultation requirements. Departmental officials, in cooperation with the Office of Environment and Health and the Office of the Legal Adviser shall, to the maximum extent possible, conduct environmental review and consultation for these additional requirements concurrently with and integrated with preparation of assessments, and environmental impact statements. The principal additional requirements affecting the Department of State’s actions are outlined below.

(a) Section 7 of the Endangered Species Act, as amended, 16 U.S.C. 1531 et seq., requires identification of and consultation on aspects of any Departmental action that may have effects in the United States on listed species or their habitat. As appropriate, written request for consultation, along with the draft environmental document, shall be conveyed by the Office of Environment and Health to the Regional Director of the U.S. Fish and Wildlife Service or the National Marine Fisheries Service, as appropriate, for the Region in the United States where the action will be carried out.

(b) Section 106 of the National Historic Preservation Act of 1966, as amended, 16 U.S.C. 470(f), requires identification of National Register properties, eligible properties, or properties in the United States which may be eligible for the National Register within the area of the potential impact of a proposed Departmental action. Evaluation of the impact of the action on such properties shall be discussed in draft environmental impact statements and transmitted to the Advisory Council on Historic Preservation for comments.

(c) Executive Order 11988 (Floodplains Management) and Executive Order 11990 (Wetlands), requires identification of actions which will occur in or affect a floodplain or wetland (e.g., in areas along the boundary with Canada or Mexico). A comparative evaluation of such actions shall be discussed in draft environmental impact statements and transmitted to the U.S. Water Resources Council for comments.

(d) Fish and Wildlife Coordination Act, 16 U.S.C. 661 et seq.

(e) Section 309 of the Clean Air Act of 1955, as amended, 42 U.S.C. 7609.
§ 161.12 Environmental effects abroad of major departmental actions.

Departmental officials shall analyze actions under their cognizance with due regard for the environmental effects in the global commons and areas outside the jurisdiction of any nation and in foreign jurisdictions. Such analysis shall be prepared in accordance with separate Departmental procedures (Foreign Affairs Manual, Volume 2), dated September 4, 1979 for implementing Executive Order 12114, “Environmental Effects Abroad of Major Federal Actions” (44 FR 1957), dated January 4, 1979.

§ 171.3 Public reading room.

A reading room providing public access to certain Department of State material is located in the Department of State, SA–2, 515 22nd Street, NW., Washington, DC. The reading room contains material pertaining to access to information under the Freedom of Information Act, Privacy Act, E.O. 12958 and includes those statutes, regulations, guidelines, and other items required to be made available to the public under 5 U.S.C. 552(a)(2). Also available in the reading room are microfiches of records released by the Department pursuant to requests under the Freedom of Information Act and compilations of documents reviewed and released in certain special projects. The reading room is open during normal Department weekday working hours, 8:15 a.m. to 5 p.m. There are no fees for access by the public to this room or the material contained therein, but fees shall be assessed for the duplication of materials maintained in the reading room at the rate of 15 cents per page and $2.00 per microfiche card. Fees for copies made by other methods of reproduction or duplication, such as tapes, printouts, or CD-ROM, shall be the actual cost of producing the copies, including operator time. Persons wishing to use their own copying equipment must request approval in advance from the Department’s Information and Privacy Coordinator, U.S. Department of State, SA–2, 515 22nd Street, NW., Washington, DC 20522–6001. The use of such equipment must be consistent with security regulations of the Department and is subject to the availability of personnel to monitor such copying.

§ 171.4 Electronic reading room.

The Department has established a site on the Internet with most of the same records and reference materials that are available in the public reading room. This site also contains information on accessing records under the FOIA and the Privacy Act. The site is a valuable source that is easily accessed by the public by clicking on “FOIA” at the Department’s Web site at http://www.state.gov or directly at the FOIA home page at http://foia.state.gov. Included on the FOIA home page are links to other sites where Department information may be available. The Department’s Privacy Act systems of records and the various records disposition schedules may be found on the Department’s FOIA home page under “Reference Materials.”

§ 171.5 Requests for information—types and how made.

(a) Requests for records in accordance with this chapter may be made by mail addressed to the Information and Privacy Coordinator, U.S. Department of State, SA–2, 515 22nd Street, NW., Washington, DC 20522–6001. Facsimile requests under the FOIA only may be sent to: (202) 261–8579. E-mail requests cannot be accepted at this time. Requesters are urged to indicate clearly on their requests the provision of law under which they are requesting information. This will facilitate the processing of the request by the Department. In any case, the Department will process the request under the provision of law that provides the greatest access to the requested records.

(b) Requests may also be made by the public in person from 8:15 a.m. to 5 p.m. at the Department of State, SA–2, 515 22nd Street, NW., Washington, DC.

(c) Although no particular request format is required, it is essential that a request reasonably describe the Department records that are sought. The burden of adequately identifying the record requested lies with the requester. Requests should be specific and include all pertinent details about the request. For FOIA requests, the request should include the subject, timeframe, any individuals involved, and reasons why the Department is believed to have records on the subject of the request. For Privacy Act requests, the request should state the type of records sought, the complete name and
date and place of birth of the subject of the request, and the timeframe for the records. An original signature is required. See §171.12(b) for guidance regarding third party requests. Individuals may seek assistance regarding any aspect of their requests from the Chief, Requester Liaison Division, (202) 261-8494.

(d) While every effort is made to guarantee the greatest possible access to all requesters regardless of the specific statute under which the information is requested, the following guidance is provided for individuals in requesting records:

(1) Freedom of Information Act. Requests for documents concerning the general activities of government and of the Department of State in particular (see subpart B of this part).

(2) E.O. 12958. Requests for mandatory review and declassification of specific Department records and requests for access to such records by historical researchers and certain former government officials (see subpart C of this part).

(3) Privacy Act. Requests from U.S. citizens or legal permanent resident aliens for records that pertain to them and that are maintained by the Department under the individual’s name or personal identifier (see subpart D of this part).

(4) Ethics in Government Act. Requests for the financial Disclosure Statements of Department Employees covered by this Act (see subpart E of this part).

(e) First-in/first-out processing. As a general matter, information access requests are processed in the order in which they are received. However, if the request is specific and the search can be narrowed, it may be processed more quickly.

(f) Cut-off date. In determining which records are responsive to a request, the Department ordinarily will include only records in its possession as of the date the search for responsive documents is initiated, unless the requester has specified an earlier time frame.

(g) Records previously withheld or in litigation. Requests shall not be processed for records that have been reviewed and withheld within the past two years or whose withholding is the subject of litigation.

§ 171.11 Definitions.

As used in this subpart, the following definitions shall apply:

(a) Freedom of Information Act or FOIA means the statute codified at 5 U.S.C. 552, as amended.

(b) Department means the United States Department of State, including its field offices and Foreign Service posts abroad;

(c) Agency means any executive department, military department, Government corporation, Government controlled corporation, or other establishment in the executive branch of the government (including the Executive Office of the President), or any independent regulatory agency;

(d) Information and Privacy Coordinator means the Director of the Department’s Office of Information Programs and Services (IPS) who is responsible for processing requests for access to information under the FOIA, the Privacy Act, E.O. 12958, and the Ethics in Government Act;

(e) Record means all information under the control of the Department, including information created, stored, and retrievable by electronic means,
regardless of physical form or characteristics, made in or received by the Department and preserved as evidence of the organization, functions, policies, decisions, procedures, operations or other activities of the Department or because of the informational value of the data contained therein. It includes records of other Government agencies that have been expressly placed under the control of the Department upon termination of those agencies. It does not include personal records created primarily for the personal convenience of an individual and not used to conduct Department business and not integrated into the Department’s record keeping system or files. It does not include records that are not already in existence and that would have to be created specifically to meet a request. However, information available in electronic form shall be searched and compiled in response to a request unless such search and compilation would significantly interfere with the operation of the Department’s automated information systems.

(f) Control means the Department’s legal authority over a record, taking into account the ability of the Department to use and dispose of the record as it sees fit, to legally determine the disposition of a record, the intent of the record’s creator to retain or relinquish control over the record, the extent to which Department personnel have read or relied upon the record, and the degree to which the record has been integrated into the Department’s record keeping system or files.

(g) Direct costs means those costs the Department incurs in searching for, duplicating, and, in the case of commercial requests, reviewing documents in response to a FOIA request. The term does not include overhead expenses.

(h) Search costs means those costs the Department incurs in looking for, identifying, and retrieving material, in paper or electronic form, that is responsive to a request, including page-by-page or line-by-line identification of material within documents. The Department shall attempt to ensure that searching for material is done in the most efficient and least expensive manner so as to minimize costs for both the Department and the requester.

(i) Duplication costs means those costs the Department incurs in copying a requested record in a form appropriate for release in response to a FOIA request. Such copies may take the form of paper copy, microfiche, audio-visual materials, or machine-readable electronic documentation (e.g., disk or CD-ROM), among others.

(j) Review costs means the Department incurs in examining a record to determine whether and to what extent the record is responsive to the FOIA request and the extent to which it may be disclosed to the requester. It does not include costs of resolving general legal or policy issues that may be raised by a request.

(k) Unusual circumstances. As used herein, but only to the extent reasonably necessary to the proper processing of the particular request, the term “unusual circumstances” means:

(1) The need to search for and collect the requested records from Foreign Service posts or other separate and distinct Department offices;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request; or

(3) The need for consultation with another agency having a substantial interest in the determination of the request or among two or more components of the Department that have a substantial subject matter interest therein. Such consultation shall be conducted with all practicable speed.

(l) Commercial use request means a request from or on behalf of one who requests information for a use or purpose that furthers the commercial, trade, or profit interest of the requester or the person on whose behalf the request is made. In determining whether a requester belongs within this category, the Department will look at the use to which the requester will put the information requested.

(m) Educational institution means a preschool, a public or private elementary or secondary school, an institution of undergraduate or graduate higher education, an institution of professional education, or an institution of vocational education, that operates
Department of State § 171.12

(a) Program or programs of scholarly research.

(n) Non-commercial scientific institution means an institution that is not operated on a “commercial” basis, as that term is used in paragraph (l) of this section and that is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(o) Representative of the news media means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term news means information that is about current events or that would be of current interest to the public. News media include television or radio stations broadcasting to the public at large and publishers of periodicals (but only in those instances when they can qualify as disseminators of “news”) who make their products available for purchase by the general public. Freelance journalists may be regarded as working for a news organization if they can demonstrate, such as by past publication, a likelihood of publication through a representative of the news media, even though not actually employed by it.

(p) All other means an individual or organization not covered by a definition in paragraphs (l), (m), (n), or (o) of this section.

§ 171.12 Processing requests.

The Information and Privacy Coordinator is responsible for acting on all initial requests except for requests for records coming under the jurisdiction of the Bureau of Consular Affairs, the Bureau of Diplomatic Security, the Bureau of Human Resources, the Office of Medical Services, and the Office of the Inspector General.

(a) Third party requests. Except for requests under the Privacy Act by a parent of a minor or by a legal guardian (§ 171.32(c)), requests for records pertaining to another individual shall be processed under the FOIA and must be accompanied by a written authorization for access by the individual, notarized or made under penalty of perjury, or by proof that the individual is deceased (e.g., death certificate or obituary).

(b) Expedited processing. Requests and appeals shall be taken out of order and given expedited treatment whenever a requester has demonstrated that a “compelling need” for the information exists. A request for expedited processing may be made at the time of the initial request for records or at any later time. The request for expedited processing shall set forth with specificity the facts on which the request is based. A notice of the determination whether to grant expedited processing shall be provided to the requester within 10 days of the date of the receipt of the request. A “compelling need” is deemed to exist where the requester can demonstrate one of the following:

(1) Failure to obtain requested information on an expedited basis could reasonably be expected to: Pose an imminent threat to the life or physical safety of an individual; impair substantial due process rights; or harm substantial humanitarian interests.

(ii) Urgently needed. The information has a particular value that will be lost if not disseminated quickly. Ordinarily this means a breaking news story of general public interest. Information of historical interest only, or information sought for litigation or commercial activities would not qualify, nor would a news media publication or broadcast deadline unrelated to the breaking nature of the story.

(ii) Actual or alleged Federal Government activity. The information concerns some actions taken, contemplated, or alleged by or about the government of the United States, or one of its components or agencies, including the Congress.
(c) Appeal of denial of expedited processing. Any denial of a request for expedited processing may be appealed in accordance with the appeal procedure set forth in §171.50.

(d) Time limits. The statutory time limit for responding to a FOIA request or to an appeal from a denial of a FOIA request is 20 days. In unusual circumstances, as defined in §171.11(k), the time limits may be extended by the Information and Privacy Coordinator for not more than 10 days, excepting Saturdays, Sundays, or legal public holidays.

(e) Multitrack processing. The Department may use two or more processing tracks by distinguishing between simple and more complex requests based on the amount of work and/or time needed to process the request. The Department may provide requesters in a slower track an opportunity to limit the scope of their request in order to qualify for faster processing.

(f) Form or format of response. The Department shall provide requested records in any form or format sought by the requester if the record is readily reproducible in that form or format through reasonable efforts.

§ 171.13 Business information.

(a) Business information obtained by the Department from a submitter will be disclosed under the FOIA only in compliance with this section.

(b) Definitions. For purposes of this section:

(1) Business information means information obtained by the Department from a submitter that arguably may be exempt from disclosure as privileged or confidential under Exemption 4 of the FOIA.

(2) Submitter means any person or entity from which the Department obtains business information. The term includes corporations, partnerships, sole proprietorships; State, local, and tribal governments; and foreign governments.

(c) Designation of business information. A submitter of information will use good-faith efforts to designate, by appropriate markings, either at the time of submission or at a reasonable time thereafter, any portions of its submission that it considers exempt from disclosure under Exemption 4. These designations will expire ten years after the date of the submission unless the submitter requests, and provides justification for, a longer designation period.

(d) Notice to submitters. The Department shall provide a submitter with prompt written notice of a FOIA request or administrative appeal of a denial of such a request that seeks its information whenever required under paragraph (e) of this section, except as provided in paragraph (f) of this section, in order to give the submitter an opportunity to object to disclosure of any specified portion of that information. The notice shall either describe the information requested or include copies of the requested records or record portions containing the information.

(e) When notice is required. Notice shall be given to a submitter whenever:

(1) The information has been designated in good faith by the submitter as information considered protected from disclosure under Exemption 4; or

(2) The Department has reason to believe that the information may not be protected from disclosure under Exemption 4.

(f) When notice is not required. The notice requirements of paragraphs (d) and (e) of this section shall not apply if:

(1) The Department determines that the information should not be disclosed;

(2) The information lawfully has been published or has been officially made available to the public;

(3) Disclosure of the information is required by statute (other than the FOIA) or by a regulation issued in accordance with the requirements of Executive Order 12600; or

(4) The designation made by the submitter under paragraph (c) of this section appears obviously frivolous—except that, in such a case, the Department shall, within a reasonable time prior to a specified disclosure date, give the submitter written notice of any final decision to disclose the information.

(g) Opportunity to object to disclosure. The Department will allow a submitter a reasonable time to respond to the notice described in paragraph (d) of this
section and will specify that time period in the notice. If a submitter has any objection to disclosure, a detailed written statement in support of the objection must be submitted. The statement must specify all grounds for withholding any portion of the information under any exemption of the FOIA and, in the case of Exemption 4, it must show why the information is a trade secret or commercial or financial information that is privileged or confidential. In the event that a submitter fails to respond to the notice within the time specified in it, the submitter will be considered to have no objection to disclosure of the information. Information provided by a submitter under this paragraph may itself be subject to disclosure under the FOIA.

(h) Notice of intent to disclose. The Department shall consider a submitter’s objections and specific grounds for non-disclosure in deciding whether to disclose business information. Whenever the Department decides to disclose business information over the objection of a submitter, it shall give the submitter written notice, which shall include:

(1) A statement of the reason why each of the submitter’s disclosure objections was not sustained;
(2) A description of the information to be disclosed; and
(3) A specified disclosure date, which shall be a reasonable time subsequent to the notice.

(i) Notice of lawsuit. Whenever a requester files a lawsuit seeking to compel the disclosure of information, the Department shall promptly notify the submitter.

(j) Notice to requester. Whenever the Department provides a submitter with notice and an opportunity to object to disclosure under paragraph (d) of this section, the Department shall also notify the requester. Whenever the Department notifies a submitter of its intent to disclose requested information under paragraph (h) of this section, the Department shall also notify the requester. Whenever a submitter files a lawsuit seeking to prevent the disclosure of business information, the Department shall notify the requester.

§171.14 Fees to be charged—general.

The Department shall seek to charge fees that recoup the full allowable direct costs it incurs in processing a FOIA request. It shall use the most efficient and least costly methods to comply with requests for documents made under the FOIA. The Department will not charge fees to any requester, including commercial use requesters, if the cost of collecting a fee would be equal to or greater than the fee itself. With the exception of requesters seeking documents for a commercial use, the Department will provide the first two hours of search time and the first 100 pages of duplication without charge. By making a FOIA request, the requester shall be considered to have agreed to pay all applicable fees up to $25.00 unless a fee waiver has been granted.

(a) Searches for responsive records. If the Department estimates that the search costs will exceed $25.00, the requester shall be so notified. Such notice shall offer the requester the opportunity to confer with Department personnel with the object of reformulating the request to meet the requester’s needs at a lower cost. The request shall not be processed further unless the requester agrees to pay the estimated fees. For both manual and computer searches, the Department shall charge the estimated direct cost of each search based on the average current salary rates of the categories of personnel doing the searches. Further information on search fees is available by clicking on “FOIA” at the Department’s Web site at http://www.state.gov or directly at the FOIA home page at http://foia.state.gov.

(1) Manual searches. The Department will charge at the salary rate (i.e., basic pay plus 16 percent of basic pay) of the employee making the search.

(2) Computer searches. The Department will charge at the actual direct cost of providing the service. This will include the cost of operating the central processing unit (CPU) for that portion of operating time that is directly attributable to searching for records responsive to a FOIA request and operator/programmer salary attributable to the search.
(b) **Review of records.** Only requesters who are seeking documents for commercial use may be charged for time spent reviewing records to determine whether they are releasable. Charges may be assessed for the initial review only; i.e., the review undertaken the first time the Department analyzes the applicability of a specific exemption to a particular record or portion of a record.

(c) **Duplication of records.** Records shall be duplicated at a rate of $.15 per page. For copies prepared by computer, such as tapes or printouts, the Department shall charge the actual direct costs of producing the document. If the Department estimates that the duplication costs will exceed $25.00, the requester shall be so informed. The request shall not be processed further unless the requester agrees to pay the estimated fees.

(d) **Other charges.** The Department shall recover the full costs of providing services such as those enumerated below:

1. Certifying that records are true copies (see part 22 of this chapter);
2. Sending records by special methods such as express mail, overnight courier, etc.
3. Payment shall be in the form either of a personal check or bank draft drawn on a bank in the United States, or a postal money order. Remittances shall be made payable to the order of the Treasury of the United States and mailed to the Information and Privacy Coordinator.
4. A receipt for fees paid will be given upon request. Refund of fees paid for services actually rendered will not be made.

§ 171.15 **Fees to be charged—categories of requesters.**

Under the FOIA, there are four categories of requesters: Commercial use requesters, educational and non-commercial scientific institutions, representatives of the news media, and all other requesters. The fees for each of these categories are:

(a) **Commercial use requesters.** When the Department receives a request for documents for commercial use as defined in §171.11(l), it will assess charges that recover the full direct costs of searching for, reviewing for release, and duplicating the record sought. Commercial use requesters are not entitled to two hours of free search time or 100 free pages of reproduction of documents. The Department may recover the cost of searching for and reviewing records even if there is ultimately no disclosure of records (see §171.16(b)).

(b) **Educational and non-commercial scientific institution requesters.** The Department shall provide documents to requesters in this category for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, a requester must show that the request is being made as authorized by and under the auspices of a qualifying institution, as defined in §171.11(m) and (n), and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research.

(c) **Representatives of the news media.** The Department shall provide documents to requesters in this category for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, a requester must meet the criteria in §171.11(o), and the request must not be made for a commercial use. A request for records supporting the news dissemination function of the requester shall not be considered to be a commercial use request.

(d) **All other requesters.** The Department shall charge requesters who do not fit into any of the categories above fees that recover the full reasonable direct cost of searching for and reproducing records that are responsive to the request, except that the first 100 pages of reproduction and the first two hours of search time shall be furnished without charge.
§ 171.16 Miscellaneous fee provisions.

(a) Charging interest. The Department shall begin assessing interest charges on an unpaid bill starting on the 31st day following the day on which the bill was sent. The fact that the fee has been received by the Department within the thirty-day grace period, even if not processed, shall stay the accrual of interest. Interest will be at the rate prescribed in 31 U.S.C. 3717 and shall accrue from the date of the billing.

(b) Charges for unsuccessful search or if records are withheld. The Department may assess charges for time spent searching, even if it fails to locate the records or if the records located are determined to be exempt from disclosure.

(c) Advance payment. The Department may not require a requester to make an advance payment, i.e., payment before work is commenced or continued on a request, unless:

1. It estimates or determines that allowable charges that a requester may be required to pay are likely to exceed $250. In such a case, the Department shall notify the requester of the likely cost and obtain satisfactory assurance of full payment where the requester has a history of prompt payment of FOIA fees, or shall require an advance payment of an amount up to the full estimated charges in the case of requesters with no history of payment; or

2. A requester has previously failed to pay within 30 days of the date of the billing a fee charged. In such a case, the Department shall require the requester to pay the full amount previously owed plus any applicable interest and to make an advance payment of the full amount of the estimated fee before the Department begins to process a new or pending request from that requester. If a requester has failed to pay a fee charged by another U.S. Government agency in an information access case, the Department may require proof that such fee has been paid before processing a new or pending request from that requester.

3. When the Department acts under paragraph (c)(1) or (2) of this section, the administrative time limits prescribed in the FOIA, 5 U.S.C. 552(a)(6) (i.e., 20 working days from receipt of initial requests and 20 working days from receipt of appeals from initial denial, plus permissible extensions of these time limits), will begin only after the Department has received fee payments described in paragraphs (c)(1) and (2) of this section.

(d) Aggregating requests. When the Department reasonably believes that a requester, or a group of requesters acting in concert, has submitted multiple requests involving related matters solely to avoid payment of fees, the Department may aggregate those requests for purposes of assessing processing fees.

(e) Effect of the Debt Collection Act of 1982 (Pub. L. 97–365). The Department shall comply with provisions of the Debt Collection Act, including disclosure to consumer reporting agencies and use of collection agencies, where appropriate, to effect repayment.

§ 171.17 Waiver or reduction of fees.

(a) Fees otherwise chargeable in connection with a request for disclosure of a record shall be waived or reduced where it is determined that disclosure is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government and is not primarily in the commercial interest of the requester.

1. In order to determine whether disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government, the Department will consider the following four factors:

(i) The subject of the request, i.e., whether the subject of the requested records concerns the operations or activities of the government;

(ii) The informative value of the information to be disclosed, i.e., whether the disclosure is likely to contribute to an understanding of government operations or activities;

(iii) The contribution to an understanding of the subject by the general public likely to result from disclosure, i.e., whether disclosure of the requested information will contribute to public understanding, including whether the requester has expertise in the subject
area as well as the intention and ability to disseminate the information to the public; and

(iv) The significance of the contribution to public understanding, i.e., whether the disclosure is likely to contribute significantly to public understanding of government operations or activities.

(2) In order to determine whether disclosure of the information is not primarily in the commercial interest of the requester, the Department will consider the following two factors:

(i) The existence and magnitude of a commercial interest, i.e., whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so,

(ii) The primary interest in disclosure, i.e., whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

(b) The Department may refuse to consider waiver or reduction of fees for requesters (persons or organizations) from whom unpaid fees remain owed to the Department for another information access request.

(c) Where only some of the records to be released satisfy the requirements for a waiver or reduction of fees, a waiver or reduction shall be granted for only those records.

(d) The Department’s decision to refuse to waive or reduce fees may be appealed in accordance with §171.51.

Subpart C—Executive Order 12958 Provisions

§171.20 Definitions.

As used in this subpart, the following definitions shall apply:

(a) Agency means any executive branch agency, as defined in 5 U.S.C. 105, any military department, as defined by 5 U.S.C. 102, and any other entity within the executive branch that comes into possession of classified information.

(b) Classified information means information that has been determined pursuant to E.O. 12958 or any predecessor order on national security information to require protection against unauthorized disclosure and is marked to indicate its classified status when in documentary form.

(c) Declassification means the authorized change in the status of information from classified information to unclassified information.

(d) Department means the U.S. Department of State, including its field offices and Foreign Service posts abroad.

(e) FOIA means the Freedom of Information Act, 5 U.S.C. 552.

(f) Foreign government information means:

(1) Information provided to the United States Government by a foreign government or governments, an international organization of governments, or any element thereof, with the expectation that the information, the source of the information, or both, are to be held in confidence;

(2) Information produced by the United States pursuant to or as a result of a joint arrangement with a foreign government or governments, or an international organization of governments, or any element thereof, requiring that the information, the arrangement, or both, are to be held in confidence; or

(3) Information received and treated as foreign government information under the terms of a predecessor executive order.

(g) Information means any knowledge that can be communicated or documentary material, regardless of its physical form or characteristics that is owned by, produced by or for, or is under the control of the United States Government.

(i) National Security means the national defense or foreign relations of the United States.

(j) Certain former government personnel includes former officials of the Department of State or other U.S. Government agencies who previously have occupied policy-making positions to which they were appointed by the President under 3 U.S.C. 105(a)(2)(A) or
(k) Senior Agency Official means the Under Secretary of State for Management.

§ 171.21 Declassification review.

(a) Scope. All information classified under E.O. 12958 or predecessor orders shall be subject to declassification review upon request by a member of the public or a U.S. government employee or agency with the following exceptions:

(1) Information originated by the incumbent President or, in the performance of executive duties, the incumbent Vice President; the incumbent President’s White House staff or, in the performance of executive duties, the incumbent Vice President’s staff; committees, commissions, or boards appointed by the incumbent President; other entities within the Executive Office of the President that solely advise and assist the incumbent President;

(2) Information that is the subject of litigation;

(3) Information that has been reviewed for declassification within the past two years; and

(4) Information exempted from search and review under the Central Intelligence Agency Information Act.

(b) Requests. Requests for mandatory declassification review should be addressed to the Information and Privacy Coordinator at the address given in Sec. 171.5. E-mail requests are not accepted at this time.

(c) Mandatory declassification review and the FOIA. A mandatory declassification review request is separate and distinct from a request for records under the FOIA. When a requester submits a request under both mandatory declassification review and the FOIA, the Department shall require the requester to elect review under one process or the other. If the requester fails to make such election, the request will be under the process that would result in the greatest disclosure unless the information requested is subject to only mandatory declassification review.

(d) Description of information sought. In order to be processed, a request for declassification review must describe the document or the material containing the information sought with sufficient specificity to enable the Department to locate the document or material with a reasonable amount of effort. Whenever a request does not sufficiently describe the material, the Department shall notify the requester that no further action will be taken unless additional description of the information sought is provided.

(e) Refusal to confirm or deny existence of information. The Department may refuse to confirm or deny the existence or nonexistence of requested information whenever the fact of existence or nonexistence is itself classified.

(f) Processing. In responding to mandatory declassification review requests, the Department shall make a review determination as promptly as possible and notify the requester accordingly. When the requested information cannot be declassified in its entirety, the Department shall release all meaningful portions that can be declassified and that are not exempt from disclosure on other grounds (see §171.25).

(g) Other agency information. When the Department receives a request for information in its possession that was originally classified by another agency, it shall refer the request and the pertinent information to the other agency for processing unless that agency has agreed that the Department may review such information for declassification on behalf of that agency. The Department may, after consultation with the other agency, inform the requester of the referral unless association of the other agency with the information is itself classified.

(h) Foreign government information. In the case of a request for material containing foreign government information, the Department, if it is also the agency that initially received the foreign government information, shall determine whether the information may be declassified and may, if appropriate,
§ 171.22 Appeals.
Any denial of a mandatory declassification review request may be appealed to the Department’s Appeals Review Panel in accordance with §171.52. A denial by the Appeals Review Panel of a mandatory declassification review appeal may be further appealed to the Interagency Security Classification Appeals Panel.

§ 171.23 Declassification in the public interest.
It is presumed that information that continues to meet classification requirements requires continued protection. In exceptional cases, however, the need to protect such information may be outweighed by the public interest in disclosure of the information, and in these cases the information should be declassified. When such questions arise, they shall be referred to the senior Department official with Top Secret authority having primary jurisdiction over the information in question. That official, after consultation with the Assistant Secretary for Public Affairs, will determine whether the public interest in disclosure outweighs the damage to national security that reasonably could be expected from disclosure. If the determination is made that the information should be declassified and disclosed, that official will make such a recommendation to the Secretary or the senior agency official who shall make the decision on declassification and disclosure. This provision does not amplify or modify the substantive criteria or procedures for classification or create any substantive or procedural right subject to judicial review.

§ 171.24 Access by historical researchers and certain former government personnel.
(a) The restriction in E.O. 12958 and predecessor orders on limiting access to classified information to individuals who have a need-to-know the information may be waived, under the conditions set forth below, for persons who:
(1) Are engaged in historical research projects;
(2) Have served as Presidential or Vice Presidential appointees as defined in §171.20(j), or
(3) Served as President or Vice President.
(b) Requests by such persons must be submitted in writing to the Information and Privacy Coordinator at the address set forth in §171.5 and must include a general description of the records sought, the time period covered by the request, and an explanation why access is sought. Requests for access by such requesters may be granted if:
(1) The Secretary or the Senior Agency Official determines in writing that access is consistent with the interests of national security;
(2) The requester agrees in writing to safeguard the information from unauthorized disclosure or compromise;
(3) The requester submits a statement in writing authorizing the Department to review any notes and manuscripts created as a result of access;
(4) The requester submits a statement in writing that any information obtained from review of the records will not be disseminated without the express written permission of the Department;
(c) If a requester uses a research assistant, the requester and the research assistant must both submit a statement in writing acknowledging that the same access conditions set forth in paragraph (b)(4) of this section apply to the research assistant. Such a research assistant must be working for the applicant and not gathering information for publication on his or her own behalf.
(d) Access granted under this section shall be limited to items the appointee originated, reviewed, signed, or received while serving as a Presidential or Vice Presidential appointee or as President or Vice President.

(e) Such requesters may seek declassification and release of material to which they have been granted access under this section through either the FOIA or the mandatory declassification review provisions of E.O. 12958. Such requests shall be processed in the order received, along with other FOIA and mandatory declassification review requests, and shall be subject to the fees applicable to FOIA requests.

§ 171.25 Applicability of other laws.

Exemptions from disclosure set forth in the Freedom of Information Act, the Privacy Act, and other statutes or privileges protecting information from disclosure recognized in discovery or other such litigation-related procedures may be applied to withhold information declassified under the provisions of this subpart.

Subpart D—Privacy Act Provisions

§ 171.30 Purpose and scope.

This subpart contains the rules that the Department follows under the Privacy Act of 1974, 5 U.S.C. 552a. These rules should be read together with the Privacy Act, which provides additional information about records maintained on individuals. The rules in this subpart apply to all records in systems of records maintained by the Department that are retrieved by an individual’s name or personal identifier. They describe the procedures by which individuals may request access to records about themselves, request amendment or correction of those records, and request an accounting of disclosures of those records by the Department. If any records retrieved pursuant to an access request under the Privacy Act are found to be exempt from disclosure under that Act, they will be processed for possible disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. 552. No fees shall be charged for access to or amendment of Privacy Act records.

§ 171.31 Definitions.

As used in this subpart, the following definitions shall apply:

(a) Department means the United States Department of State, including its field offices and Foreign Service posts abroad.

(b) Individual means a citizen of the United States or an alien lawfully admitted for permanent residence.

(c) Maintain includes maintain, collect, use, or disseminate.

(d) Record means any item, collection, or grouping of information about an individual that is maintained by the Department, including, but not limited to education, financial transactions, medical history, and criminal or employment history, that contains the individual’s name or the identifying number, symbol, or other identifying particular assigned to the individual, such as a finger or voice print or photograph.

(e) System of Records means a group of any records under the control of the Department from which information is retrieved by the name of the individual or by some identifying number, symbol, or other identifying particular assigned to an individual.

(f) Control has the meaning set forth in §171.11(f).

(g) Information and Privacy Coordinator has the meaning set forth in §171.11(d).

(h) DS is the abbreviation for the Bureau of Diplomatic Security of the U.S. Department of State.

(i) OIG is the abbreviation for the Office of the Inspector General of the U.S. Department of State.

§ 171.32 Request for access to records.

(a) Description of records sought. All requests for access to a record must reasonably describe the System of Records and the individual’s record within the system in sufficient detail to permit identification of the requested record. At a minimum, requests should include the individual’s full name (including maiden name, if appropriate) and any other names used, present mailing address and ZIP Code, date and place of birth, and any other information that might help in identifying the record. Helpful data includes the approximate time period of the
record and the circumstances that give
the individual reason to believe that
the Department of State maintains a
record under the individual’s name or
personal identifier. In certain in-
stances, it may be necessary for the
Department to request additional in-
formation from the requester, either to
ensure a full search, or to ensure that
a record retrieved does in fact pertain
to the individual.

(b) Verification of personal identity.
The Department will require reason-
able identification of individuals re-
questing records under the Privacy Act
to ensure that records are disclosed
only to the proper persons. Requesters
must state their full name, current ad-
dress, date and place of birth, and, at
the requester’s option, social security
number. The request must be signed,
and the requester’s signature must be
either notarized or submitted under
penalty of perjury (28 U.S.C. 1746) as a
substitute for notarization. If the re-
quester seeks records under another
name the requester has used, a state-
ment, under penalty of perjury, that
the requester has also used the other
name must be included.

(c) Third party access. The Depart-
ment shall allow third party access to
records under certain conditions:
(1) Parents. Upon presentation of doc-
umentation of the parental relation-
ship, a parent of a minor (an unmarried
person under the age of 18) may, on be-
half of the minor, request records per-
taining to the minor and the Depart-
ment may, in its discretion, disclose
such records to the parent to the ex-
tent determined by the Department to
be appropriate in the circumstances of
the case. In any case, minors may re-
quest such records on their own behalf.

(2) Guardians. A guardian of a minor
or of an individual who has been de-
clared by a court to be incompetent
may act for and on behalf of the minor
or the incompetent individual upon
presentation of appropriate docu-
mentation of the guardian relation-
ship.

(3) Authorized representatives or des-
ignees. When an individual wishes to
authorize another person or persons ac-
cess to his or her records, the indi-
vidual shall submit, in addition to the
identifying information described in
paragraph (b) of this section, a signed
statement, either notarized or made
under penalty of perjury, authorizing
and consenting to access by a des-
ignated person or persons. Such re-
quests shall be processed under the
FOIA (see §171.12).

(d) Records relating to civil actions.
Nothing in this subpart entitles an in-
dividual to access to any information
compiled in reasonable anticipation of
a civil action or proceeding.

(e) Time limits. The Department will
acknowledge the request promptly and
furnish the requested information as
soon as possible thereafter.

(f) Information on amending records. At
the time the Department grants access
to a record, it will also furnish guide-
lines for requesting amendment of a
record. These guidelines may also be
obtained by writing to the Information
and Privacy Coordinator at the address
given in §171.5. The guidelines are also
available in the reading room described
in §171.3 and in the electronic reading
room described in §171.4.

§171.33 Request to amend or correct
records.

(a) An individual has the right to re-
quest that the Department amend a
record pertaining to the individual
that the individual believes is not ac-
curate, relevant, timely, or complete.

(b) Requests to amend records must
be in writing and mailed or delivered to
the Information and Privacy Coordi-
nator, at the address given in §171.5,
who will coordinate the review of the
request with the appropriate offices of
the Department. The Department will
require verification of personal iden-
tity as provided in §171.32(b) before it
will initiate action to amend a record.
Amendment requests should contain,
as a minimum, identifying information
needed to locate the record in question,
a description of the specific correction
requested, and an explanation of why
the existing record is not accurate, rel-
evant, timely, or complete. The re-
quester should submit as much perti-
nent documentation, other informa-
tion, and explanation as possible to
support the request for amendment.

(c) All requests for amendments to
records will be acknowledged within 10
days (excluding Saturdays, Sundays, and legal public holidays).

(d) In reviewing a record in response to a request to amend, the Department shall review the record to determine if it is accurate, relevant, timely, and complete.

(e) If the Department agrees with an individual’s request to amend a record, it shall:

(1) Advise the individual in writing of its decision;
(2) Amend the record accordingly; and
(3) If an accounting of disclosure has been made, advise all previous recipients of the record of the amendment and its substance.

(f) If the Department denies, in whole or in part, the individual’s amendment request, it shall advise the individual in writing of its decision, of the reason therefore, and of the individual’s right to appeal the denial in accordance with §171.52.

§ 171.34 Request for an accounting of record disclosures.

(a) How made. Except where accountings of disclosures are not required to be kept, as set forth in paragraph (b) of this section, an individual has a right to request an accounting of any disclosure that the Department has made to another person, organization, or agency of any record about an individual. This accounting shall contain the date, nature, and purpose of each disclosure as well as the name and address of the recipient of the disclosure. Any request for accounting should identify each particular record in question and may be made by writing directly to the Information and Privacy Coordinator at the address given in §171.5.

(b) Where accountings not required. The Department is not required to keep an accounting of disclosures in the case of:

(1) Disclosures made to employees within the Department who have a need for the record in the performance of their duties;
(2) Disclosures required under the FOIA;
(3) Disclosures made to another agency or to an instrumentality of any governmental jurisdiction under the control of or within the United States for authorized civil or criminal law enforcement activities pursuant to a written request from such agency or instrumentality specifying the activities for which the disclosures are sought and the portions of the records sought.

§ 171.35 Denials of requests; appeals.

If the Department denies a request for access to Privacy Act records, for amendment of such records, or for an accounting of disclosure of such records, the requester shall be informed of the reason for the denial and of the right to appeal the denial to the Appeals Review Panel in accordance with §171.52.

§ 171.36 Exemptions.

Systems of records maintained by the Department are authorized to be exempted from certain provisions of the Privacy Act under both general and specific exemptions set forth in the Act. In utilizing these exemptions, the Department is exempting only those portions of systems that are necessary for the proper functioning of the Department and that are consistent with the Privacy Act. Where compliance would not appear to interfere with or adversely affect the law enforcement process, and/or where it may be appropriate to permit individuals to contest the accuracy of the information collected, e.g., public source materials, the applicable exemption may be waived, either partially or totally, by the Department or the OIG, in the sole discretion of the Department or the OIG, as appropriate.

(a) General exemptions. (1) Individuals may not have access to records maintained by the Department that were provided by another agency that has determined by regulation that such information is subject to general exemption under 5 U.S.C. 552a(j)(1). If such exempt records are the subject of an access request, the Department will advise the requester of their existence and of the name and address of the source agency, unless that information is itself exempt from disclosure.
(2) The systems of records maintained by the Bureau of Diplomatic Security (STATE–36), the Office of the Inspector General (STATE–53), the Information Access Program Records system (STATE–35), and the Bureau of Administration (STATE–78) are subject to general exemption under 5 U.S.C. 552a(j)(2). All records contained in record system STATE–36, Security Records, and all records contained the Risk Analysis and Management Records system (STATE–78), are exempt from all provisions of the Privacy Act except sections (b), (c)(1) and (2), (e)(4)(A) through (F), (e)(6), (7), (9), (10), and (11), and (i) to the extent to which they meet the criteria of section (j)(2). These exemptions are necessary to ensure the effectiveness of the investigative, judicial, and protective processes. All records contained in STATE–53, records of the Inspector General and Automated Individual Cross-Reference System, are exempt from all of the provisions of the Privacy Act except sections (b), (c)(1) and (2), (e)(4)(A) through (F), (e)(6), (7), (9), (10), and (11), and (i) to the extent to which they meet the criteria of section (j)(2). These exemptions are necessary to ensure the proper functions of the law enforcement activity, to protect confidential sources of information, to fulfill promises of confidentiality, to prevent interference with the enforcement of criminal laws, to avoid the disclosure of investigative techniques, to avoid the endangering of the life and safety of any individual, to avoid premature disclosure of the knowledge of potential criminal activity and the evidentiary bases of possible enforcement actions, and to maintain the integrity of the law enforcement process. All records contained in the Information Access Program Records system (STATE–35) are exempt from all of the provisions of the Privacy Act except sections (b), (c)(1) and (2), (e)(4)(A) through (F), (e)(6), (7), (9), (10), and (11), and (i) to the extent to which they meet the criteria of section (j)(2). These exemptions are necessary to ensure the protection of law enforcement information retrieved from various sources in response to information access requests.

(b) Specific exemptions. Portions of the following systems of records are exempted from 5 U.S.C. 552a (c)(3), (d), (e)(1), and (4), (G), (H), and (I), and (f). The names of the systems correspond to those published in the FEDERAL REGISTER by the Department.

(1) Exempt under 5 U.S.C. 552a(k)(1). The reason for invoking this exemption is to protect material required to be kept secret in the interest of national defense and foreign policy.

§ 171.40 Purpose and scope.

This subpart sets forth the regulations under which persons may request access to the public financial disclosure reports of employees of the Department as well as limits to such requests and use of such information. The Ethics in Government Act 1978, as amended, and the Office of Government Ethics implementing regulations, 5 CFR part 2634, require that high-level Federal officials disclose publicly their personal financial interests.

§ 171.41 Covered employees.

(a) Officers and employees (including special Government employees as defined in 18 U.S.C. 202) whose positions are classified at grades GS–16 and above of the General Schedule, or the rate of basic pay for which is fixed, other than under the General Schedule, at a rate equal to or greater than the 120% of the minimum rate of basic pay for GS–15 of the General Schedule;

(b) Officers or employees in any other positions determined by the Director of the Office of Government Ethics to be of equal classification to GS–16;

(c) Employees in the excepted service in positions that are of a confidential or policy-making character, unless by regulation their positions have been excluded by the Director of the Office of Government Ethics;

(d) The designated agency official who acts as the Department’s Ethics Officer;

(e) Incumbent officials holding positions referred to above if they have served 61 days or more in the position during the preceding calendar year;

(f) Officials who have terminated employment from a position referred to above and who have not accepted another such position within 30 days of such termination.

§ 171.42 Requests and identifying information.

Requests for access to public financial disclosure reports of covered employees should be made in writing to the Information and Privacy Coordinator at the address given in § 171.5. 

(a) The name and/or position title of the Department of State official who is the subject of the request,
(b) The time period covered by the report requested,
(c) A completed Office of Government Ethics request form. OGE Form 201, October, 1999. This form may be obtained by writing to the Information and Privacy Coordinator or by visiting the Public Reading Room described in §171.3 or http://www.usoge.gov.

§171.43 Time limits and fees.
(a) Reports shall be made available within thirty (30) days from receipt of a request by the Department. The Department does not charge a fee for a single copy of a public financial report. However, the Department will charge for additional copies of a report at a rate of 15 cents per page plus the actual direct cost of mailing the reports. However, the Department will not charge for individual requests if the total charge would be $10.00 or less.
(b) A report shall be retained by the Department and made available to the public for a period of six (6) years after receipt of such report. After such a six year period, the report shall be destroyed, unless needed in an ongoing investigation, except that those reports filed by individuals who are nominated for office by the President to a position that requires the advice and consent of the Senate, and who subsequently are not confirmed by the Senate, will be retained and made available for a one-year period, and then destroyed, unless needed in an ongoing investigation.

§171.44 Improper use of reports.
(a) The Attorney General may bring a civil action against any person who obtains or uses a financial disclosure report:
   (1) For any unlawful purpose;
   (2) For any commercial purpose, other than for news or community dissemination to the general public;
   (3) For determining or establishing the credit rating of any individual;
   (4) For use, directly or indirectly, in the solicitation of money for any political, charitable, or other purpose.
(b) The court in which such action is brought may assess a civil penalty not to exceed $10,000 against any person who obtains or uses the reports for these prohibited purposes. Such remedy shall be in addition to any other remedy available under statutory or common law.

Subpart F—Appeal Procedures

§171.50 Appeal of denials of expedited processing.
(a) A denial of a request for expedited processing may be appealed to the Chief of the Requester Liaison Division of the office of the Information and Privacy Coordinator at the address given in §171.3 within 30 days of receipt of the denial. Appeals should contain as much information and documentation as possible to support the request for expedited processing in accordance with the criteria set forth in §171.12(b).
(b) The Requester Liaison Division Chief will issue a final decision in writing within ten (10) days from the date on which the office of the Information and Privacy Coordinator receives the appeal.

§171.51 Appeals of denials of fee waivers or reductions.
(a) A denial of a request for a waiver or reductions of fees may be appealed to the Chief of the Requester Liaison Division of the Office of the Information and Privacy Coordinator at the address given in §171.3 within 30 days of receipt of the denial. Appeals should contain as much information and documentation as possible to support the request for fee waiver or reduction in accordance with the criteria set forth in §171.17.
(b) The Requester Liaison Division Chief will issue a final decision in writing within 30 days from the date on which the office of the Information and Privacy Coordinator receives the appeal.

§171.52 Appeal of denial of access to, declassification of, amendment of, accounting of disclosures of, or challenge to classification of records.
(a) Right of administrative appeal. Except for records that have been reviewed and withheld within the past
two years or are the subject of litigation, any requester whose request for access to records, declassification of records, amendment of records, accounting of disclosures of records, or any authorized holder of classified information whose classification challenge has been denied, has a right to appeal the denial to the Department’s Appeals Review Panel. This appeal right includes the right to appeal the determination by the Department that no records responsive to an access request exist in Department files. Privacy Act appeals may be made only by the individual to whom the records pertain.

(b) Form of appeal. There is no required form for an appeal. However, it is essential that the appeal contain a clear statement of the decision or determination by the Department being appealed. When possible, the appeal should include argumentation and documentation to support the appeal and to contest the bases for denial cited by the Department. The appeal should be sent to: Chairman, Appeals Review Panel, c/o Information and Privacy Coordinator/Appeals Officer, at the address given in §171.5.

(c) Time limits. The appeal should be received within 60 days of the date of receipt by the requester of the Department’s denial. The time limit for response to an appeal begins to run on the day that the appeal is received. The time limit (excluding Saturdays, Sundays, and legal public holidays) for agency decision on an administrative appeal is 20 days under the FOIA (which may be extended for up to an additional 10 days in unusual circumstances) and 30 days under the Privacy Act (which the Panel may extend an additional 30 days for good cause shown). The Panel shall decide mandatory declassification review appeals as promptly as possible.

(d) Notification to appellant. The Chairman of the Appeals Review Panel shall notify the appellant in writing of the Panel’s decision on the appeal. When the decision is to uphold the denial, the Chairman shall include in his notification the reasons therefore. The appellant shall be advised that the decision of the Panel represents the final decision of the Department and of the right to seek judicial review of the Panel’s decision, when applicable. In mandatory declassification review appeals, the Panel shall advise the requester of the right to appeal the decision to the Interagency Security Classification Appeals Panel under §3.5(d) of E.O. 12958.

(e) Procedures in Privacy Act amendment cases. (1) If the Panel’s decision is that a record shall be amended in accordance with the appellant’s request, the Chairman shall direct the office responsible for the record to amend the record, advise all previous recipients of the record of the amendment and its substance if an accounting of disclosure has been made, and so advise the individual in writing.

(2) If the Panel’s decision is that the request of the appellant to amend the record is denied, in addition to the notification required by paragraph (d) of this section, the Chairman shall advise the appellant:

(i) Of the right to file a concise statement of the reasons for disagreeing with the decision of the Department;

(ii) Of the procedures for filing the statement of disagreement;

(iii) That any statement of disagreement that is filed will be made available to anyone to whom the record is subsequently disclosed, together with, at the discretion of the Department, a brief statement by the Department summarizing its reasons for refusing to amend the record;

(iv) That prior recipients of the disputed record will be provided a copy of any statement of disagreement, to the extent that an accounting of disclosures was maintained.

(3) If the appellant files a statement under paragraph (e)(2) of this section, the Department will clearly annotate the record so that the fact that the record is disputed is apparent to anyone who may subsequently have access to the record. When information that is the subject of a statement of dispute filed by an individual is subsequently disclosed, the Department will note that the information is disputed and provide a copy of the individual’s statement. The Department may also include a brief summary of reasons for not amending the record when disclosing disputed information.
the Department’s statement shall be treated as part of the individual’s record for granting access; however, it will not be subject to amendment by an individual under these regulations.

§ 172.1 Purpose and scope; definitions.
(a) This part sets forth the procedures to be followed with respect to:
(1) Service of summonses and complaints or other requests or demands directed to the Department of State (Department) or to any Department employee or former employee in connection with federal or state litigation arising out of or involving the performance of official activities of the Department; and
(2) The oral or written disclosure, in response to subpoenas, orders, or other requests or demands of federal or state judicial or quasi-judicial authority (collectively, “demands”), whether civil or criminal in nature, or in response to requests for depositions, affidavits, admissions, responses to interrogatories, document production, or other litigation-related matters, pursuant to the Federal Rules of Civil Procedure, the Federal Rules of Criminal Procedure, or applicable state rules (collectively, “requests”), of any material contained in the files of the Department, any information relating to material contained in the files of the Department, or any information acquired while the subject of the demand or request is or was an employee of the Department as part of the performance of that person’s duties or by virtue of that person’s official status.

(b) For purposes of this part, and except as the Department may otherwise determine in a particular case, the term employee includes the Secretary and former Secretaries of State, and all employees and former employees of the Department of State or other federal agencies who are or were appointed by, or subject to the supervision, jurisdiction, or control of the Secretary of State or his Chiefs of Mission, whether residing or working in the United States or abroad, including United States nationals, foreign nationals, and contractors.

(c) For purposes of this part, the term litigation encompasses all pre-trial, trial, and post-trial stages of all judicial or administrative actions, hearings, investigations, or similar proceedings before courts, commissions, boards (including the Board of Appellate Review), or other judicial or quasi-judicial bodies or tribunals, whether criminal, civil, or administrative in nature. This part governs, inter alia, responses to discovery requests, depositions, and other pre-trial, trial, or post-trial proceedings, as well as responses to informal requests by attorneys or others in situations involving litigation. However, this part shall not apply to any claims by Department of State employees (present or former), or applicants for Department employment, for which jurisdiction resides with the U.S. Equal Employment Opportunity Commission; the U.S. Merit Systems Protection Board; the Office of Special Counsel; the Federal Labor
§ 172.2 Service of summonses and complaints.

(a) Only the Executive Office of the Office of the Legal Adviser (L/EX) is authorized to receive and accept summonses or complaints sought to be served upon the Department or Department employees. All such documents should be delivered or addressed to: The Executive Office, Office of the Legal Adviser, Suite 5.600, 600 19th Street NW., Washington DC 20522. (Note that the suite number is 5.600.)

(b) In the event any summons or complaint described in §172.1(a) is delivered to an employee of the Department other than in the manner specified in this part, such attempted service shall be ineffective, and the recipient thereof shall either decline to accept the proffered service or return such document under cover of a written communication which directs the person attempting to make service to the procedures set forth herein.

(c) Except as otherwise provided §§172.2(d) and 173.3(c), the Department is not an authorized agent for service of process upon its employees with respect to purely personal, non-office litigation. Copies of summonses or complaints directed to Department employees in connection with legal proceedings arising out of the performance of official duties may, however, be served upon L/EX.

(d) Although the Department is not an agent for the service of process upon its employees with respect to purely personal, non-office litigation, the Department recognizes that its employees stationed overseas should not use their official positions to evade their personal obligations and will, therefore, counsel and encourage Department employees to accept service of process in appropriate cases, and will waive applicable diplomatic or
consular privileges and immunities when the Department determines that it is in the interest of the United States to do so.

(e) Documents for which L/EX accepts service in official capacity only shall be stamped “Service Accepted in Official Capacity Only”. Acceptance of service shall not constitute an admission or waiver with respect to jurisdiction, propriety of service, improper venue, or any other defense in law or equity available under the laws of rules applicable for the service of process.

§ 172.3 Service of subpoenas, court orders, and other demands or requests for official information or action.

(a) Except in cases in which the Department is represented by legal counsel who have entered an appearance or otherwise given notice of their representation, only L/EX is authorized to receive and accept subpoenas, or other demands or requests directed to the Department, or any component thereof, or its employees, or former employees, whether civil or criminal nature, for:

(1) Material, including documents, contained in the files of the Department;

(2) Information, including testimony, affidavits, declarations, admissions, responses to interrogatories, or informal statements, relating to material contained in the files of the Department or which any Department employee acquired in the course and scope of the performance of his official duties;

(3) Garnishment or attachment of compensation of current or former employees; or

(4) The performance or non-performance of any official Department duty.

(b) In the event that any subpoena, demand, or request is sought to be delivered to a Department employee (including former employees) other than in the manner prescribed in paragraph (a) of this section, such attempted service shall be ineffective. Such employee shall, after consultation with the Office of the Legal Adviser, decline to accept the subpoena, demand or request or shall return them to the server under cover of a written communication referring to the procedures prescribed in this part.

(c) Except as otherwise provided in this part, the Department is not an agent for service, or otherwise authorized to accept on behalf of its employees any subpoenas, show-cause orders, or similar compulsory process of federal or state courts, or requests from private individuals or attorneys, which are not related to the employees’ official duties except upon the express, written authorization of the individual Department employee to whom such demand or request is directed.

(d) Acceptance of such documents by L/EX does not constitute a waiver of any defenses that might otherwise exist with respect to service under the Federal Rules of Civil or Criminal Procedure or other applicable rules.

§ 172.4 Testimony and production of documents prohibited unless approved by appropriate Department officials.

(a) No employee of the Department shall, in response to a demand or request in connection with any litigation, whether criminal or civil, provide oral or written testimony by deposition, declaration, affidavit, or otherwise concerning any information acquired while such person is or was an employee of the Department as part of the performance of that person’s official duties or by virtue of that person’s official status, unless authorized to do so by the Director General of the Foreign Service and Director of Personnel (M/DGP) or the Legal Adviser (L), or delegates of either, following consultation between the two bureaus, or as authorized in §172.4(b).

(b) With respect to the official functions of the Passport Office, the Visa Office, and the Office of Citizens Services, the Assistant Secretary of State for Consular Affairs or delegate thereof may, subject to concurrence by the Office of the Legal Adviser, authorize employees to provide oral or written testimony.

(c) No employee shall, in response to a demand or request in connection with any litigation, produce for use at such
§ 172.5 Procedure when testimony or production of documents is sought; general.

(a) If official Department information is sought, through testimony or otherwise, by a request or demand, the party seeking such release or testimony must (except as otherwise required by federal law or authorized by the Office of the Legal Adviser) set forth in writing, and with as much specificity as possible, the nature and relevance of the official information sought. Where documents or other materials are sought, the party should provide a description using the types of identifying information suggested in 22 CFR 171.10(a) and 171.31. Subject to §172.7, Department employees may only produce, disclose, release, comment upon, or testify concerning those matters which were specified in writing and properly approved by the appropriate Department official designated in §172.4. See United States ex rel. Touhy v. Ragen, 340 U.S. 462 (1951). The Office of the Legal Adviser may waive this requirement in appropriate circumstances.

(b) To the extent it deems necessary or appropriate, the Department may also require from the party seeking such testimony or documents a plan of all reasonably foreseeable demands, including but not limited to the names of all employees and former employees from whom discovery will be sought, areas of inquiry, expected duration of proceedings requiring oral testimony, and identification of potentially relevant documents.

(c) The appropriate Department official designated in §172.2 will notify the Department employee and such other persons as circumstances may warrant of its decision regarding compliance with the request or demand.

(d) The Office of the Legal Adviser will consult with the Department of Justice regarding legal representation for Department employees in appropriate cases.

§ 172.6 Procedure when response to demand is required prior to receiving instructions.

(a) If a response to a demand is required before the appropriate Department official designated in §172.4 renders a decision, the Department will request that either a Department of Justice attorney or a Department attorney designated for the purpose:

1. Appear with the employee upon whom the demand has been made;
2. Furnish the court or other authority with a copy of the regulations contained in this part;
3. Inform the court or other authority that the demand has been, or is being, as the case may be, referred for the prompt consideration of the appropriate Department official; and
4. Respectively request the court or authority to stay the demand pending receipt of the requested instructions.

(b) In the event that an immediate demand for production or disclosure is made in circumstances which would preclude the proper designation or appearance of a Department of Justice or Department attorney on the employee’s behalf, the employee shall respectfully request the demanding court or authority for a reasonable stay of proceedings for the purpose of obtaining instructions from the Department.

§ 172.7 Procedure in the event of an adverse ruling.

If the court or other judicial or quasi-judicial authority declines to stay the effect of the demand in response to a request made pursuant to §172.6, or if the court or other authority rules that the demand must be complied with irrespective of the Department's instructions not to produce the material or disclose the information sought, the employee upon whom the demand has been made shall respectfully decline to comply with the demand, citing this part and United
§ 172.8 Considerations in determining whether the Department will comply with a demand or request.

(a) In deciding whether to comply with a demand or request, Department officials and attorneys shall consider, among others:

(1) Whether such compliance would be unduly burdensome or otherwise inappropriate under the applicable rules of discovery or the rules of procedure governing the case or matter in which the demand arose;

(2) Whether compliance is appropriate under the relevant substantive law concerning privilege or disclosure of information;

(3) The public interest;

(4) The need to conserve the time of Department employees for the conduct of official business;

(5) The need to avoid spending the time and money of the United States for private purposes;

(6) The need to maintain impartiality between private litigants in cases where a substantial government interest is not implicated;

(7) Whether compliance would have an adverse effect on performance by the Department of its mission and duties; and

(8) The need to avoid involving the Department in controversial issues not related to its mission.

(b) Among those demands and requests in response to which compliance will not ordinarily be authorized are those with respect to which, inter alia,

(1) Compliance would violate a statute or a rule of procedure;

(2) Compliance would violate a specific regulation or executive order;

(3) Compliance would reveal information properly classified in the interest of national security;

(4) Compliance would reveal confidential commercial or financial information or trade secrets without the owner’s consent;

(5) Compliance would reveal the internal deliberative processes of the Executive Branch; or

(6) Compliance would potentially impede or prejudice an on-going law enforcement investigation.

§ 172.9 Prohibition on providing expert or opinion testimony.

(a) Except as provided in this section, and subject to 5 CFR 2635.805, Department employees shall not provide opinion or expert testimony based upon information which they acquired in the scope and performance of their official Department duties, except on behalf of the United States or a party represented by the Department of Justice.

(b) Upon a showing by the requestor of exceptional need or unique circumstances and that the anticipated testimony will not be adverse to the interests of the United States, the appropriate Department official designated in §172.4 may, consistent with 5 CFR 2635.805, in their discretion and with the concurrence of the Office of the Legal Adviser, grant special, written authorization for Department employees to appear and testify as expert witnesses at no expense to the United States.

(c) If, despite the final determination of the appropriate Department official designated in §172.4, a court of competent jurisdiction or other appropriate authority orders the appearance and expert or opinion testimony of a Department employee, such employee shall immediately inform the Office of the Legal Adviser of such order. If the Office of the Legal Adviser determines that no further legal review of or challenge to the court’s order will be made, the Department employee shall comply with the order. If so directed by the Office of the Legal Adviser, however, the employee shall respectfully decline to testify. See United States ex rel. Touhy v. Ragen, 340 U.S. 462 (1951).
§ 173.1 Purpose and scope.

This part contains the rules that the Department follows for responding to requests for the release within the United States of public diplomacy program material generated pursuant to the U.S. Information and Educational Exchange Act of 1948, as amended (22 U.S.C. 1461, et seq.; “the Smith-Mundt Act”). It is the Department’s policy to make its program material available on its public Web site or via third-party platforms whenever doing so is consistent with the Department’s mission and all statutory authorities, prohibitions, contractual obligations, principles, and standards. Requests for program material that is not available on the Department’s public Web site or via third-party platforms must be submitted under the Freedom of Information Act (the “FOIA”) pursuant to the FOIA provisions of 22 CFR part 171, subpart B.

§ 173.2 Definitions.

For the purposes of this part,

(a) Program material shall mean information about the United States, its people and policies, intended for foreign audiences abroad, that the Department prepares or assists in preparing using public diplomacy funds and disseminates to foreign audiences outside of the United States pursuant to the Smith-Mundt Act and Section 206 of the Foreign Relations Authorization Act, Fiscal Years 1986 and 1987 (22 U.S.C. 1461–1a), as amended. Program Material includes, but is not limited to, electronic journals, pamphlets, books, maps, posters, videos, presentations, photos, games, curricula and other teaching materials, and certain social media and web-based interactive technology content produced in Washington, DC, as well as such materials and content produced at U.S. embassies abroad.

(b) Request shall mean any attempt to access the Department’s Program Material, including through the Department’s public Web sites and third-party platforms, or through a direct inquiry to a Department official in connection with a speech or other engagement.

(c) Requester shall mean any private person or entity that requests that the Department make Program Material available within the United States.

§ 173.3 Availability of program material.

(a) The Department makes Program Material available to Requesters electronically through Department Web sites and/or various third-party platforms, where such material has been disseminated to audiences abroad. Once Program Material is published, it remains available in digital format until removed or archived by the Department at its discretion (see paragraph (c) of this section). For access to such Program Material, Requesters may visit www.state.gov.

(b) As a general matter, Program Material published both electronically and in hard copy will be made available electronically through Department Web sites and/or various third-party platforms, although the Department reserves the right to make Program Material available in hard copy at its sole discretion. To the extent a Requester seeks Program Material that is not made available online through Department Web sites or third-party platforms, such material must be requested under the FOIA pursuant to the procedures outlined at 22 CFR part 171, subpart B.

(c) The Department will remove Program Material from Department and third-party Web sites when it deems such material no longer relevant to the Department’s public diplomacy mission. The Department will also remove Program Material when required by licensing agreements with third-party copyright holders. To the extent a Requester seeks Program Material that has been removed for whatever reason, such material must be requested under the FOIA pursuant to the procedures outlined at 22 CFR part 171, Subpart B.

(d) Once Program Material has been removed from the Department’s Web
site or third-party platforms, a determination will be made as to whether it is a permanent Department record under the Department's applicable Records Disposition Schedule ("RDS"). Permanent records will be transferred in their entirety to the National Archives and Records Administration ("NARA") according to the RDS; see 36 CFR 1256.98 for information about how to request Department Program Material that has been transferred to NARA. Material designated as "temporary" under the applicable RDS will be destroyed once it has been removed from the Department or third-party sites.

§ 173.4 Terms of use and other compliance.

Requesters and users of Department Web sites, or third-party Web sites containing Program Material, are responsible for complying with the Terms of Use applicable to any such site. Requesters are also solely responsible for complying with any applicable statutes governing the use of such material and securing appropriate licenses for use of such material, if required.

§ 173.5 Fees.

(a) The Department will make Program Material available online (i.e., in digital format) at no cost.

(b) The Department may collect a fee for reimbursement of the reasonable costs incurred to fulfill requests for Program Material not available online. Such requests, including fees applicable thereto, shall be governed by part 171, subpart B of this subchapter.
§ 181.1 Purpose and application.

(a) The purpose of this part is to implement the provisions of 1 U.S.C. 112a and 112b, popularly known as the Case-Zablocki Act (hereinafter “the Act”), on the reporting to Congress, coordination with the Secretary of State and publication of international agreements. This part applies to all agencies of the U.S. Government whose responsibilities include the negotiation and conclusion of international agreements. This part does not, however, constitute a delegation by the Secretary of State of the authority to engage in such activities. Further, it does not affect any additional requirements of law governing the relationship between particular agencies and the Secretary of State in connection with international negotiations and agreements, or any other requirements of law concerning the relationship between particular agencies and the Congress. The term agency as used in this part means each authority of the United States Government, whether or not it is within or subject to review by another agency.

(b) Pursuant to the key legal requirements of the Act—full and timely disclosure to the Congress of all concluded agreements and consultation by agencies with the Secretary of State with respect to proposed agreements—every agency of the Government is required to comply with each of the provisions set out in this part in implementation of the Act. Nevertheless, this part is intended as a framework of measures and procedures which, it is recognized, cannot anticipate all circumstances or situations that may arise. Deviation or derogation from the provisions of this part will not affect the legal validity, under United States law or under international law, of agreements concluded, will not give rise to a cause of action, and will not affect any public or private rights established by such agreements.

§ 181.2 Criteria.

(a) General. The following criteria are to be applied in deciding whether any undertaking, oral agreement, document, or set of documents, including an exchange of notes or of correspondence, constitutes an international agreement within the meaning of the Act, as well as within the meaning of 1 U.S.C. 112a, requiring the publication of international agreements. Each of the criteria except those in paragraph (a)(5) of this section must be met in order for any given undertaking of the United States to constitute an international agreement.

(1) Identity and intention of the parties. A party to an international agreement must be a state, a state agency, or an intergovernmental organization. The parties must intend their undertaking to be legally binding, and not merely of political or personal effect. Documents intended to have political or moral weight, but not intended to be legally binding, are not international agreements. An example of the latter is the Final Act of the Helsinki Conference on Cooperation and Security in Europe. In addition, the parties must intend their undertaking to be governed by international law, although this intent need not be manifested by a third-party dispute settlement mechanism or any express reference to international law. In the absence of any provision in
the arrangement with respect to governing law, it will be presumed to be governed by international law. This presumption may be overcome by clear evidence, in the negotiating history of the agreement or otherwise, that the parties intended the arrangement to be governed by another legal system. Arrangements governed solely by the law of the United States, or one of the states or jurisdictions thereof, or by the law of any foreign state, are not international agreements for these purposes. For example, a foreign military sales loan agreement governed in its entirety by U.S. law is not an international agreement.

(2) Significance of the arrangement. Minor or trivial undertakings, even if couched in legal language and form, are not considered international agreements within the meaning of the Act or of 1 U.S.C. 112a. In deciding what level of significance must be reached before a particular arrangement becomes an international agreement, the entire context of the transaction and the expectations and intent of the parties must be taken into account. The duration of the activities pursuant to the undertaking or the duration of the undertaking itself shall not be a factor in determining whether it constitutes an international agreement. It remains a matter of judgment based on all of the circumstances of the transaction. Determinations are made pursuant to §181.3. Examples of arrangements that may constitute international agreements are agreements that: (i) Are of political significance; (ii) involve substantial grants of funds or loans by the United States or credits payable to the United States; (iii) constitute a substantial commitment of funds that extends beyond a fiscal year or would be a basis for requesting new appropriations; (iv) involve continuing and/or substantial cooperation in the conduct of a particular program or activity, such as scientific, technical, or other cooperation, including the exchange or receipt of information and its treatment, or the pooling of data. However, individual research grants and contracts do not ordinarily constitute international agreements.

(3) Specificity, including objective criteria for determining enforceability. International agreements require precision and specificity in the language setting forth the undertakings of the parties. Undertakings couched in vague or very general terms containing no objective criteria for determining enforceability or performance are not normally international agreements. Most frequently such terms reflect an intent not to be bound. For example, a promise to “help develop a more viable world economic system” lacks the specificity essential to constitute a legally binding international agreement. However, the intent of the parties is the key factor. Undertakings as general as those of, for example, Articles 55 and 56 of the United Nations Charter have been held to create internationally binding obligations intended as such by the parties.

(4) Necessity for two or more parties. While unilateral commitments on occasion may be legally binding, they do not constitute international agreements. For example, a statement by the President promising to send money to Country Y to assist earthquake victims would not be an international agreement. It might be an important undertaking, but not all undertakings in international relations are in the form of international agreements. Care should be taken to examine whether a particular undertaking is truly unilateral in nature, or is part of a larger bilateral or multilateral set of undertakings. Moreover, “consideration,” as that term is used in domestic contract law, is not required for international agreements.

(5) Form. Form as such is not normally an important factor, but it does deserve consideration. Documents which do not follow the customary form for international agreements, as to matters such as style, final clauses, signatures, or entry into force dates, may or may not be international agreements. Failure to use the customary form may constitute evidence of a lack of intent to be legally bound by the arrangement. If, however, the general content and context reveal an intention to enter into a legally binding relationship, a departure from customary form will not preclude the arrangement from being an international agreement. Moreover, the title of the agreement
§ 181.3 Determinations.

(a) Whether any undertaking, document, or set of documents constitutes well be an international agreement. For example, if the underlying agreement calls for the conclusion of “agreements for agricultural assistance,” but without further specificity, then a particular agricultural assistance agreement subsequently concluded in “implementation” of that obligation, provided it meets the criteria discussed in paragraph (a) of this section, would constitute an international agreement independent of the underlying agreement.

(b) Agency-level agreements. Agency-level agreements are international agreements within the meaning of the Act and of 1 U.S.C. 112a if they satisfy the criteria discussed in paragraph (a) of this section. The fact that an agreement is concluded by and on behalf of a particular agency of the United States Government, rather than the United States Government, does not mean that the agreement is not an international agreement. Determinations are made on the basis of the substance of the agency-level agreement in question.

(c) Implementing agreements. An implementing agreement, if it satisfies the criteria discussed in paragraph (a) of this section, may be an international agreement, depending upon how precisely it is anticipated and identified in the underlying agreement. If the terms of the implementing agreement are closely anticipated and identified in the underlying agreement, only the underlying agreement is considered an international agreement. For example, the underlying agreement might call for the sale by the United States of 1000 tractors, and a subsequent implementing agreement might require a first installment on this obligation by the sale of 100 tractors of the brand X variety. In that case, the implementing agreement is sufficiently identified in the underlying agreement, and would not itself be considered an international agreement within the meaning of the Act or of 1 U.S.C. 112a. Project annexes and other documents which provide technical content for an umbrella agreement are not normally treated as international agreements. However, if the underlying agreement is general in nature, and the implementing agreement meets the specified criteria of paragraph (a) of this section, the implementing agreement might well be an international agreement. For example, if the underlying agreement calls for the conclusion of “agreements for agricultural assistance,” but without further specificity, then a particular agricultural assistance agreement subsequently concluded in “implementation” of that obligation, provided it meets the criteria discussed in paragraph (a) of this section, would constitute an international agreement independent of the underlying agreement.

(d) Extensions and modifications of agreements. If an undertaking constitutes an international agreement within the meaning of the Act and of 1 U.S.C. 112a, then a subsequent extension or modification of such an agreement would itself constitute an international agreement within the meaning of the Act and of 1 U.S.C. 112a.

(e) Oral agreements. Any oral arrangement that meets the criteria discussed in paragraphs (a)(1)–(4) of this section is an international agreement and, pursuant to section (a) of the Act, must be reduced to writing by the agency that concluded the oral arrangement. In such written form, the arrangement is subject to all the requirements of the Act and of this part. Whenever a question arises whether an oral arrangement constitutes an international agreement, the arrangement shall be reduced to writing and the decision made in accordance with §181.3.

(f) Notwithstanding the other provisions of this section, arrangements that constitute international agreements within the meaning of this section include

(1) Bilateral or multilateral counter-terrorism agreements and

(2) Bilateral agreements with a country that is subject to a determination under section 6(j)(1)(A) of the Export Administration Act of 1979 (50 U.S.C. App. 2405(j)(1)(A)), section 620A(a) of the Foreign Assistance Act of 1961 (22 U.S.C. 2371(a)), or section 40(d) of the Arms Export Control Act (22 U.S.C. 2780(d)).

or would constitute an international agreement within the meaning of the Act or of 1 U.S.C. 112a shall be determined by the Legal Adviser of the Department of State, a Deputy Legal Adviser, or in most cases the Assistant Legal Adviser for Treaty Affairs. Such determinations shall be made either on a case-by-case basis, or on periodic consultation, as appropriate.

(b) Agencies whose responsibilities include the negotiation and conclusion of international agreements are responsible for transmitting to the Assistant Legal Adviser for Treaty Affairs, for decision pursuant to paragraph (a) of this section, the texts of any document or set of documents that might constitute an international agreement. The transmittal shall be made prior to or simultaneously with the request for consultations with the Secretary of State required by subsection (c) of the Act and §181.4 of this part.

(c) Agencies whose responsibilities include the negotiation and conclusion of large numbers of agency-level and implementing arrangements at overseas posts, only a small number of which might constitute international agreements within the meaning of the Act and of 1 U.S.C. 112a, are required to transmit prior to their entry into force only the texts of the more important of such arrangements for decision pursuant to paragraph (a) of this section. The texts of all arrangements that might constitute international agreements shall, however, be transmitted to the Office of the Assistant Legal Adviser for Treaty Affairs as soon as possible, and in no event to arrive at that office later than 20 days after their signing, for decision pursuant to paragraph (a) of this section.

(d) Agencies to which paragraphs (b) and (c) of this section apply shall consult periodically with the Assistant Legal Adviser for Treaty Affairs in order to determine which categories of arrangements for which they are responsible are likely to be international agreements within the meaning of the Act and of 1 U.S.C. 112a.
the Office of the Legal Adviser, for consultation pursuant to this section, a draft text or summary of the proposed agreement, a precise citation of the Constitutional, statutory, or treaty authority for such agreement, and other background information as requested by the Department of State. The transmittal of the draft text or summary and citation of legal authority shall be made before negotiations are undertaken, or if that is not feasible, as early as possible in the negotiating process. In any event such transmittals must be made no later than 50 days prior to the anticipated date for concluding the proposed agreement. If unusual circumstances prevent this 50-day requirement from being met, the concerned agency shall use its best efforts to effect such transmittal as early as possible prior to the anticipated date for concluding the proposed agreement.

(e)(1) If a proposed agreement embodies a commitment to furnish funds, goods, or services that are beyond or in addition to those authorized in an approved budget, the agency proposing the agreement shall state what arrangements have been planned or carried out concerning consultation with the Office of Management and Budget for such commitment. The Department of State should receive confirmation that the relevant budget approved by the President provides or requests funds adequate to fulfill the proposed commitment, or that the President has made a determination to seek the required funds.

(2) If a proposed agreement embodies a commitment that could reasonably be expected to require (for its implementation) the issuance of a significant regulatory action (as defined in section 3 of Executive Order 12866), the agency proposing the arrangement shall state what arrangements have been planned or carried out concerning consultation with the Office of Management and Budget (OMB) for such commitment. The Department of State should receive confirmation that OMB has been consulted in a timely manner concerning the proposed commitment.

(f) Consultation may encompass a specific class of agreements rather than a particular agreement where a series of agreements of the same general type is contemplated; that is, where a number of agreements are to be negotiated according to a more or less standard formula, such as, for example, Pub. L. 480 Agricultural Commodities Agreements. Any agency wishing to conclude a particular agreement within a specific class of agreements about which consultations have previously been held pursuant to this section shall transmit a draft text of the proposed agreement to the Office of the Legal Adviser as early as possible but in no event later than 20 days prior to the anticipated date for concluding the agreement.

(g) The consultation requirement shall be deemed to be satisfied with respect to proposed international agreements of the United States about which the Secretary of State (or his designee) has been consulted in his capacity as a member of an interagency committee or council established for the purpose of approving such proposed agreements. Designees of the Secretary of State serving on any such interagency committee or council are to provide as soon as possible to the interested offices or bureaus of the Department of State and to the Office of the Legal Adviser copies of draft texts or summaries of such proposed agreements and other background information as requested.

(h) Before an agreement containing a foreign language text may be signed or otherwise concluded, a signed memorandum must be obtained from a responsible language officer of the Department of State or of the U.S. Government agency concerned certifying that the foreign language text and the English language test are in conformity with each other and that both texts have the same meaning in all substantive respects. The signed memorandum is to be made available to the Department of State upon request.

§ 181.5 Twenty-day rule for concluded agreements.

(a) Any agency, including the Department of State, that concludes an international agreement within the meaning of the Act and of 1 U.S.C. 112a, whether entered into in the name of the U.S. Government or in the name of the agency, must transmit the text of the concluded agreement to the Office of the Assistant Legal Adviser for Treaty Affairs as soon as possible and in no event to arrive at that office later than 20 days after the agreement has been signed. The 20-day limit, which is required by the Act, is essential for purposes of permitting the Department of State to meet its obligation under the Act to transmit concluded agreements to the Congress no later than 60 days after their entry into force.

(b) In any case of transmittal after the 20-day limit, the agency or Department of State office concerned may be asked to provide to the Assistant Legal Adviser for Treaty Affairs a statement describing the reasons for the late transmittal. Any such statements will be used, as necessary, in the preparation of the annual report on late transmittals, to be signed by the President and transmitted to the Congress, as required by subsection (b) of the Act.

§ 181.6 Documentation and certification.

(a) Transmittals of concluded agreements to the Assistant Legal Adviser for Treaty Affairs pursuant to §181.5 must include the signed or initialed original texts, together with all accompanying papers, such as agreed minutes, exchanges of notes, or side letters. The texts transmitted must be accurate, legible, and complete, and must include the texts of all languages in which the agreement was signed or initialed. Names and identities of the individuals signing or initialing the agreements, for the foreign government as well as for the United States, must, unless clearly evident in the texts transmitted, be separately provided.

(b) Agreements from overseas posts should be transmitted to the Department of State by priority airgram, marked for the attention of the Assistant Legal Adviser for Treaty Affairs, with the following notation below the enclosure line: FAIM: Please send attached original agreement to LT on arrival.

(c) Where the original texts of concluded agreements are not available, certified copies must be transmitted in the same manner as original texts. A certified copy must be an exact copy of the signed original.

(d) When an exchange of diplomatic notes between the United States and a foreign government constitutes an agreement or has the effect of extending, modifying, or terminating an agreement to which the United States is a party, a properly certified copy of the note from the United States to the foreign government, and the signed original of the note from the foreign government, must be transmitted. If, in conjunction with the agreement signed, other notes related thereto are exchanged (either at the same time, beforehand, or subsequently), properly certified copies of the notes from the United States to the foreign government must be transmitted with the signed originals of the notes from the foreign government.

(e) Copies may be certified either by a certification on the document itself, or by a separate certification attached to the document. A certification on the document itself is placed at the end of the document. It indicates, either typed or stamped, that the document is a true copy of the original signed or initialed by (insert full name of signing officer), and it is signed by the certifying officer. If a certification is typed on a separate sheet of paper, it briefly describes the document certified and states that it is a true copy of the original signed by (full name) and it is signed by the certifying officer.

§ 181.7 Transmittal to the Congress.

(a) International agreements other than treaties shall be transmitted by the Assistant Legal Adviser for Treaty Affairs to the President of the Senate and the Speaker of the House of Representatives as soon as practicable after the entry into force of such agreements, but in no event later than 60 days thereafter.
§ 181.8  Publication.

(a) The following categories of international agreements will not be published in United States Treaties and Other International Agreements:

(1) Bilateral agreements for the rescheduling of intergovernmental debt payments;

Subpart A—General

§ 191.1 Declaration of hostile action.

(a) The Secretary of State from time to time shall declare when and where individuals in the civil or uniformed services of the United States, or a citizen or resident alien of the United States rendering personal services to the United States abroad similar to the service of a civil officer or employee of the United States, have been placed in captive status because of hostile action abroad directed against the United States and occurring or continuing between November 4, 1979, and such date as may be declared by the President under section 101(2)(A) of the Hostage Relief Act of 1980 (Pub. L. 96–449, hereafter “the Act”) or January 1, 1983, whichever is later. Each such declaration shall be published in the FEDERAL REGISTER.

(b) The Secretary of State upon his or her own initiative, or upon application under §191.2 shall determine which individuals in captive status as so declared shall be considered hostages eligible for benefits under the Act. The Secretary shall also determine who is eligible under the Act for benefits as a member of a family or household of a hostage. The determination of the Secretary shall be final, but any interested person may request reconsideration on the basis of information not considered at the time of original determination. The criteria for determination are set forth in sections 101 and 205 of the Act, and in these regulations.

§ 191.2 Application for determination of eligibility.

(a) Any person who believes that they or other persons known to them are either hostages as defined in the Act, or members of the family or household of hostages as defined in §191.3(a)(1), or a child eligible for benefits under subpart D, may apply for benefits under this subchapter for themselves, or on behalf of others entitled thereto.

(b) The application shall be in writing, should contain all identifying and other pertinent data available to the person applying about the person or persons claimed to be eligible, and should be addressed to the Assistant Secretary of State for Administration, Department of State, Washington, DC 20520. Applications may be filed at any time after publication of a declaration under §191.1(a) in the FEDERAL REGISTER, and during the period of its validity, or within 60 days after release from captivity. Later filing may be considered when in the opinion of the Secretary of State there is good cause for the late filing.
§ 191.3 Definitions.

When used in this subchapter, unless otherwise specified, the terms—

(a) **Family member** means (1) a spouse, (2) an unmarried dependent child including a step-child or adopted child, (3) a person designated in official records or determined by the agency head or designee thereof to be a dependent, or (4) other persons such as parents, parents-in-law, persons who stand in the place of a spouse or parents, or other members of a household when fully justified by the circumstances of the hostage situation, as determined by the Secretary of State.

(b) **Agency head** means the head of an agency as defined in the Act (or successor agency) employing an individual determined to be an American hostage. The Secretary of State is the agency head with respect to any hostage not employed by an agency.

(c) **Principal** means the hostage whose captivity forms the basis for benefits under this subchapter for a family member.

§ 191.4 Notification of eligible persons.

The Assistant Secretary of State for Administration shall be responsible for notifying each individual determined to be eligible for benefits under this Act or, if that person is not available, a representative or Family Member of the hostage.

§ 191.5 Relationships among agencies.

(a) The Assistant Secretary of State for Administration shall promptly inform the head of any agency whenever an employee (including a member of the Armed Forces) in that agency, or Family Member of such employee, is determined to be eligible for benefits under this subchapter.

(b) In accordance with inter-agency agreements between the Department of State and relevant agencies—

(1) The Veterans Administration will periodically bill the Department of State for expenses it pays for each eligible person under this subchapter plus the administrative costs of carrying out its responsibilities under this part.

(2) The Department of State will, on a periodic basis, determine the cost for services and benefits it provides to all eligible persons under this subchapter and bill each agency for the costs attributable to Principals (and Family Members) in or acting on behalf of the agency plus a proportionate share of related administrative expenses.

§ 191.6 Effective date.

This regulation is effective as of November 4, 1979. Reimbursement may be made for expenses approved under this subchapter for services rendered on or after such date.

Subpart B—Application of Soldiers’ and Sailors’ Civil Relief Act

§ 191.10 Eligibility for benefits.

A person designated as a hostage under subpart A of this subchapter, other than a member of the Armed Forces covered by the provisions of the Soldiers’ and Sailors’ Civil Relief Act of 1940, shall be eligible for benefits under this part.

§ 191.11 Applicable benefits.

(a) Eligible persons are entitled to the benefits provided by the Soldiers’ and Sailors’ Civil Relief Act of 1940 (50 U.S.C. App. 501, et seq.), including the benefits provided by section 701 (50 U.S.C. App. 591) notwithstanding paragraph (c) thereof, but excluding the benefits provided by sections 104, 105, 106, 400 through 408, 501 through 512, and 514 (50 U.S.C. App. 514, 515, 516, 540 through 548, 561 through 572, and 574).

(b) In applying such Act for purposes of this section—

(1) The term “person in the military service” is deemed to include any such American hostage;

(2) The term “period of military service” is deemed to include the period during which such American hostage is in a captive status;

(3) References therein to the Secretary of the Army, the Secretary of the Navy, the Adjutant General of the Army, the Chief of Naval Personnel, and the Commandant, United States Marine Corps, or other officials of government are deemed to be references to the Secretary of State; and

§ 191.12 Description of benefits.

The following material is included to assist persons affected, by providing a brief description of some of the provisions of the Civil Relief Act. Note that not all of the sections applicable to hostages have been included here. References to sections herein are references to the Civil Relief Act of 1940, as amended, followed by references in parentheses to the same section in the United States Code.

(a) Guarantors, endorsers. Section 103 (50 U.S.C. App. 513) provides that whenever a hostage is granted relief from the enforcement of an obligation, a court, in its discretion, may grant the same relief to guarantors and endorsers of the obligation. Amendments extend relief to accommodation makers and others primarily or secondarily liable on an obligation, and to sureties on a criminal bail bond. They provide, on certain conditions, that the benefits of the section with reference to persons primarily or secondarily liable on an obligation may be waived in writing.

(b) Written agreements. Section 107 (50 U.S.C. App. 517) provides that nothing contained in the Act shall prevent hostages from making certain arrangements with respect to their contracts and obligations, but requires that such arrangements be in writing.

(c) Protection in court. Section 200 (50 U.S.C. App. 520) provides that if a hostage is made defendant in a court action and is unable to appear in court, the court shall appoint an attorney to represent the hostage and protect the hostage’s interests. Further, if a judgment is rendered against the hostage, an opportunity to reopen the case and present a defense, if meritorious, may be permitted within 90 days after release.

(d) Court postponement. Section 201 (50 U.S.C. App. 521) authorizes a court to postpone any court proceedings if a hostage is a party thereto and is unable to participate by reason of being a captive.

(e) Relief against penalties. Section 202 (50 U.S.C. App. 522) provides for relief against fines or penalties when a court proceeding involving a hostage is postponed, or when the fine or penalties are incurred for failure to perform any obligation. In the latter case, relief depends upon whether the hostage’s ability to pay or perform is materially affected by being held captive.

(f) Postponement of action. Section 203 (50 U.S.C. App. 523) authorizes a court to postpone or vacate the execution of any judgment, attachment or garnishment.

(g) Period of postponement. Section 204 (50 U.S.C. App. 524) authorizes a court to postpone proceedings for the period of captivity, and for 3 months thereafter, or any part thereof.

(h) Extended time limits. Section 205 (50 U.S.C. App. 525) excludes the period of captivity from computing time under existing or future statutes of limitation. Amendments extend relief to include actions before administrative agencies, and provide that the period of captivity shall not be included in the period for redemption of real property sold to enforce any obligation, tax, or assessment. Section 207 excludes application of section 205 to any period of limitation prescribed by or under the internal revenue laws of the United States.

(i) Interest rates. Section 206 (50 U.S.C. App. 526) provides that interest on the obligations of hostages shall not exceed a specified per centum per annum, unless the court determines that ability to pay greater interest is not affected by being held captive.

(j) Misuse of benefits. Section 600 (50 U.S.C. App. 580) provides against transfers made with intent to delay the just enforcement of a civil right by taking advantage of the Act.

(k) Further relief. Section 700 (50 U.S.C. App. 590) provides that a person, during a period of captivity or 6 months thereafter, may apply to a court for relief with respect to obligations incurred prior to captivity, or any tax or assessment whether falling due prior to or during the period of captivity. The court may, on certain conditions, stay the enforcement of such obligations.
Stay of eviction. Section 300 (50 U.S.C. App. 530) provides that a hostage’s dependents shall not be evicted from their dwelling if the rental is $150 or less per month, except upon leave of a court. If it is proved that inability to pay rent is a result of being in captivity, the court is authorized to stay eviction proceedings for not longer than 3 months. An amendment extends relief to owners of the premises with respect to payments on mortgage and taxes.

Contract and mortgage obligations. As provided by sections 301 and 302 of the Act (50 U.S.C. App. 531 and 532), as amended, contracts for the purchase of real and personal property, which originated prior to the period of captivity, may not be rescinded, terminated, or foreclosed, or the property repossessed, except as provided in section 107 (50 U.S.C. App. 517), unless by an order of a court. The mentioned sections give the court wide discretionary powers to make such disposition of the particular case as may be equitable in order to conserve the interests of both the hostage and the creditor. The cited sections further provide that the court may stay the proceedings for the period of captivity and 3 months thereafter, if in its opinion the ability of the hostage to perform the obligation is materially affected by reason of captivity. Section 303 (50 U.S.C. App. 533) provides that the court may appoint appraisers and, based upon their report, order such sum as may be just, if any, paid to hostages or their dependents, as a condition to foreclosing a mortgage, resuming possession of property, and rescinding or terminating a contract.

Termination of a lease. Section 304 (50 U.S.C. App. 534) provides, in general, that a lease covering premises occupied for dwelling, business, or agricultural purpose, executed by persons who subsequently become hostages, may be terminated by a notice in writing given to the lessor, subject to such action as may be taken by a court on application of the lessor. Termination of a lease providing for monthly payment of rent shall not be effective until 30 days after the first date on which the next rental payment is due, and, in the case of other leases, on the last day of the month following the month when the notice is served.

Assignment of life insurance policy. Section 305 (50 U.S.C. App. 535) provides that the assignee of a life insurance policy assigned as security, other than the insurer in connection with a policy loan, except upon certain conditions, shall not exercise any right with respect to the assignment during the period of captivity of the insured and one year thereafter, unless upon order of a court.

Real and personal property taxes. Section 500 (50 U.S.C. App. 560) forbids sale of property, except upon court leave, to enforce collection of taxes or assessments (other than taxes on income) on personal property or real property owned and occupied by the hostage or dependents thereof at the commencement of captivity and still occupied by the hostage’s dependents or employees. The court may stay proceedings for a period not more than 6 months after termination of captivity. When by law such property may be sold to enforce collection, the hostage will have the right to redeem it within 6 months after termination of captivity. Unpaid taxes or assessments bear interest at 6 percent.

Income taxes. Section 513 provides for deferment of payment of income taxes. However, section 204 of the Hostage Relief Act of 1980 provides for deferment and certain other relief, and should be referred to in order to determine statutory tax benefits in addition to those in section 513 of the Civil Relief Act.

App. 591) provides that certain powers of attorney executed by a hostage which expire by their terms after the person was captured shall be automatically extended for the period of captivity. Exceptions are made with respect to powers of attorney which by their terms clearly indicate they are to expire on the date specified irrespective of hostage status. (Section 701 applies to American hostages notwithstanding paragraph (c) thereof which states that it applies only to powers of attorney issued during the “Vietnam era”.)

A person designated as a hostage or Family Member of a hostage under subpart A of this subchapter shall be eligible for benefits under this subpart.

§ 191.21 Applicable benefits.
A person eligible for benefits under this part shall be eligible for authorized medical and health care at U.S. Government expense, and for payment of other authorized expenses related to such care or for obtaining such care for any illness or injury which is determined by the Secretary of State to be caused or materially aggravated by the hostage situation, to the extent that such care may not—

The Office will authorize care, or payment for care when it determines the criteria of such section are met. Authorization shall include a determination as to the necessity and reasonableness of medical or health care.

(c) The Office will refer applicants eligible for benefits under other Government health programs to the Government agency administering those programs. Any portion of authorized care not provided or paid for under another Government program will be reimbursed under this subpart.

The Office will request the health care providers to bill the insurance carrier and the Department of State for authorized care, rather than the patient.

§ 192.22 Description of benefits.

The following material is included to assist persons affected, by providing a brief description of some of the provisions of the Civil Relief Act. Note that not all of the sections applicable to captives have been included here. References to sections herein are references to the Civil Relief Act of 1940, as amended, followed by references in parentheses to the same section in the United States Code.

(a) Guarantors, endorsers. Section 103 (50 U.S.C. App 513) provides that whenever a captive is granted relief from the enforcement of an obligation, a court, in its discretion, may grant the same relief to guarantors and endorsers of the obligation. Amendments extend relief to accommodation makers and others primarily or secondarily liable on an obligation, and to sureties on a criminal bail bond. They provide, on certain conditions, that the benefits of the section with reference to persons primarily or secondarily liable on an obligation may be waived in writing.

(b) Written agreements. Section 107 (50 U.S.C. App. 517) provides that nothing contained in the Act shall prevent captives from making certain arrangements with respect to their contracts and obligations, but requires that such arrangements be in writing.

(c) Protection in court. Section 200 (50 U.S.C. App. 517) provides that nothing contained in the Act shall prevent captives from making certain arrangements with respect to their contracts and obligations, but requires that such arrangements be in writing.

(d) Court postponement. Section 201 (50 U.S.C. App. 521) provides that if a captive is made a defendant in a court action and is unable to appear in court, the court shall appoint an attorney to represent the captive and protect the captive’s interests. Further, if a judgment is rendered against the captive, an opportunity to reopen the case and present a defense, if meritorious, may be permitted within 90-days after release.
captive is a party thereto and is unable to participate by reason of being a captive.

(e) Relief against penalties. Section 202 (50 U.S.C. App. 522) provides for relief against fines or penalties when a court proceeding involving a captive is postponed, or when the fine or penalties are incurred for failure to perform any obligation. In the latter case, relief depends upon whether the captive's ability to pay or perform is materially affected by being held captive.

(f) Postponement of action. Section 203 (50 U.S.C. App. 523) authorizes a court to postpone or vacate the execution of any judgment, attachment or garnishment.

(g) Period of postponement. Section 204 (50 U.S.C. App. 524) authorizes a court to postpone proceedings for the period of captivity and for 3 months thereafter, or any part thereof.

(h) Extended time limits. Section 205 (50 U.S.C. App. 525) excludes the period of captivity from computing time under existing or future statutes of limitation. Amendments extend relief to include actions before administrative agencies, and provide that the period of captivity shall not be included in the period for redemption of real property sold to enforce any obligation, tax, or assessment. Section 207 excludes application of section 205 to any period of limitation prescribed by or under the internal revenue laws of the United States.

(i) Interest rates. Section 206 (50 U.S.C. App. 526) provides that interest on the obligations of captives shall not exceed a specified per centum per annum, unless the court determines that ability to pay greater interest is not affected by being held captive.

(j) Misuse of benefits. Section 600 (50 U.S.C. App. 580) provides against transfers made with intent to delay the just enforcement of a civil right by taking advantage of the Act.

(k) Further relief. Section 700 (50 U.S.C. App. 590) provides that a person, during a period of captivity or 6 months thereafter, may apply to a court for relief with respect to obligations incurred prior to captivity, or any tax or assessment whether falling due prior to or during the period of captivity. The court may, on certain conditions, stay the enforcement of such obligations.

(l) Stay of eviction. Section 300 (50 U.S.C. App. 530) provides that a captive's dependents shall not be evicted from their dwelling if the rental is minimal, except upon leave of a court. If it is proved that inability to pay rent is a result of being in captivity, the court is authorized to stay eviction proceedings for not longer than 3 months. An amendment extends relief to owners of the premises with respect to payment on mortgage and taxes.

(m) Contract and mortgage obligations. As provided by sections 301 and 302 of the Act (50 U.S.C. App. 531 and 532), as amended, contracts for the purchase of real and personal property, which originated prior to the period of captivity, may not be rescinded, terminated, or foreclosed, or the property repossessed, except as provided in section 107 (50 U.S.C. App. 517), unless by an order of a court. The mentioned sections give the court wide discretionary powers to make such disposition of the particular case as may be equitable in order to conserve the interests of both the captive and the creditor. The cited sections further provide that the court may stay the proceedings for the period of captivity and 3 months thereafter, if in its opinion the ability of the captive to perform the obligation is materially affected by reason of captivity. Section 303 (50 U.S.C. App. 533) provides that the court may appoint appraisers and, based upon their report, order such sum as may be just, if any, paid to captives or their dependents, as a condition to foreclosing a mortgage, resuming possession of property, and rescinding or terminating a contract.

(n) Termination of a lease. Section 304 (50 U.S.C. App. 534) provides, in general, that a lease covering premises occupied for dwelling, business, or agricultural purpose, executed by persons who subsequently become captives, may be terminated by a notice in writing given to the lessor, subject to such action as may be may be taken by a court on application of the lessor. Termination of a lease providing for monthly payment of rent shall not be effective until 30 days after the first date on which the next rental payment is due, and, in

In the case of coverage by a private or Government health insurance plan, that carrier will be designated as the primary carrier, and benefits under this subpart will serve only to supplement expenses not paid by the primary carrier.

§ 192.32 Administration of benefits.
(a)(1) A person eligible due to hostile action abroad, who desires medical or health care under this subpart or any person acting on behalf thereof, shall submit an application to the Office of Medical Services, Department of State, Washington, DC 20520 (hereafter referred to as the “Office”). That office will handle and process medical applications and claims using the criteria in this subpart. Persons eligible in connection with domestic situations shall make application with the Agency Head, and the Agency Head shall apply the following procedures in a similar manner in administering medical benefits in domestic situations involving the respective agency.
(2) The applicant shall supply all relevant information, including insurance information, requested by the Director of the Office. An eligible person may also submit claims to the Office for payment for emergency care when there is not time to obtain prior authorization as prescribed by this paragraph.
(b) The Office shall evaluate all requests for care and claims for reimbursement and determine, on behalf of the Secretary of State, whether the care in question is authorized under §192.31 of this subpart. The Office will authorize care or payment of care, when it determines the criteria of §192.31 are met. Authorization shall include a determination as to the necessity and reasonableness of medical or health care.
(c) The Office will refer applicants eligible for benefits under other Government health programs to the Government agency administering those programs. Any portion of authorized care not provided or paid for under another Government program or private insurance will be reimbursed under this subpart, subject to a determination of the reasonableness of charges. Such determination shall be made by applying the fee schedule established by the Office of Workers’ Compensation Programs (OWCP), Department of Labor, which is used in paying medical benefits for work-related injuries to employees who are fully covered by OWCP.
(d) Eligible persons may obtain authorized care from any licensed facility or health care provider of their choice approved by the Office. To the extent possible, the Office will attempt to arrange for authorized care to be provided in a Government facility at no cost to the patient.
(e) Authorized care provided by a private facility or health care provider will be paid or reimbursed under this subpart to the extent that the Office determines that costs do not exceed reasonable and customary charges for similar care in the locality.
(f) All bills for authorized medical or health care covered by insurance shall be submitted to the patient’s insurance carrier for payment prior to submission to the Office for payment of the balance authorized by this part. The Office will request the health care providers to bill the insurance carrier and the Department of State for authorized care, rather than the patient.
(g) Eligible persons will be reimbursed by the Office for authorized travel to obtain an evaluation of their claim under paragraph (b) of this section and for other authorized travel to obtain medical or health care authorized by this subpart.

§ 192.33 Dispute.
Any dispute between the Office and eligible persons concerning whether medical or health care is required in a given case, whether required care is incident to the captivity, or whether the cost for any authorized care is reasonable and customary, shall be referred to the Medical Director, Department of State, for a determination. If the person bringing the claim is not satisfied with the decision of the Medical Director, the dispute shall be referred to a
medical board composed of three physicians, one appointed by the Medical Director, one by the eligible person and the third by the first two members. A majority decision by the board shall be binding on all parties.

(b) A Principal designated as a captive under subpart A of this subchapter, who intends to change jobs or careers because of the captive experience and who desires additional training for this purpose, shall be eligible for benefits under §192.42 of this part, unless the Secretary of the Department of Veterans’ Affairs determines that such person is eligible to receive educational assistance for the additional training under either chapters 30, 32, 34, or 35, title 38 U.S.C.

§ 192.41 Applicable family benefits.

(a) An eligible spouse or child shall be paid (by advancement or reimbursement) for expenses incurred for subsistence, tuition, fees, supplies, books and equipment, and other educational expenses while attending an educational or training institution approved in accordance with procedures established by the Department of Veterans’ Affairs, which shall be comparable to procedures established pursuant to chapter 35 and 36 of title 38 U.S.C. Payments shall be available under this subsection for education or training which occurs on or before—

(i) 90 days after the Principal is placed in a captive status, and

(ii) If the educational or training institution is not operated on a semester or quarter system, the earlier of the end of any course which began before such date or the end of the sixteen-week period following that date.

(c) In special circumstances and within the limitation of §192.44, the Secretary of State, under the criteria and procedures set forth in §192.43, may approve payments for education or training under this subsection which occurs after the date determined under paragraph (b) of this section.

(d) In the event a Principal dies and the death is determined by the Agency Head to be incident to that individual being a captive, payments shall be available under this subsection for education or training of a spouse or child of the Principal which occurs after the date of death, up to the maximum that may be authorized under §192.44.

(e) Family benefits under this subsection shall not be available for any spouse or child who is eligible for assistance under chapter 35 of title 38 U.S.C., or similar assistance under any other law.

§ 192.42 Applicable benefits for captives.

(a) When authorized by the Agency Head, a Principal, following release from captivity, may be paid (by advancement or reimbursement) for expenses incurred for subsistence, tuition, fees, supplies, books and equipment, and other educational expenses while attending an educational or training institution approved in accordance with procedures established by the Department of Veterans’ Affairs, which shall be comparable to procedures established pursuant to chapter 35 and 36 of title 38 U.S.C. Payments shall be available under this subsection for education or training which occurs on or before—

(1) The end of any semester or quarter (as appropriate) which begins before the date which is 10 years after the day on which the Principal ceases to be in a captive status, or

(2) If the educational or training institution is not operated on a semester or quarter system, the earlier of the end of any course which began before such date or the end of the sixteen-week period following that date.
(b) A person eligible for benefits under this subsection shall not be required to separate from Government service in order to undertake the training or education. However, no educational assistance allowance shall be paid to any eligible person who is attending a course of education or training paid for under the Government Employees’ Training Act and whose full salary is being paid to such person while so training.

§ 192.43 Administration of benefits.

(a) Any person desiring benefits under this part, shall apply in writing to the Director General of the Foreign Service, Department of State, Washington, DC 20502. The application shall specify the benefits desired and the basis of eligibility for those benefits. The Director General of the Foreign Service, on behalf of the Secretary of State, shall make determinations of eligibility for benefits under this part, and shall forward certified applications to the Department of Veterans’ Affairs and advise the applicant of the name and address of the office in the Department of Veterans’ Affairs that will counsel the eligible persons on how to obtain the benefits that have been approved. Persons whose applications are disapproved shall be advised in writing of the reason for the disapproval. Applications for foreign service nationals and their dependents shall be made with the Office of Foreign Service National Personnel, Department of State. That office will handle the administrative details and benefits using the criteria specified in this subchapter.

(b) The Department of Veterans’ Affairs shall provide the same level and kind of assistance, including payments (by advancement or reimbursement) for authorized expenses up to the same maximum amounts, to spouses and children of captives, and to Principals following their release from captivity as it does to eligible spouses and children of veterans and to eligible veterans, respectively, under chapters 35 and 36 of title 38 U.S.C. The Department of Veterans’ Affairs shall, under procedures it has established to administer section 1724 of title 38, U.S.C., discontinue assistance for any individual whose conduct or progress is unsatisfactory under standards consistent with those established pursuant to such section 1724.

(c) An Advisory Board shall be established to advise on eligibility for benefits under paragraphs (c) and (d) of §192.41. The Board shall be composed of the Under Secretary of State for Management as Chair, the Director of the Office of Medical Services of the Department of State, the Executive Director of the regional bureau of the Department of State in whose region the relevant hostile action occurred, the Director of Personnel or other designee of the applicable employing agency, and a representative of the Department of Veterans’ Affairs designated by the Secretary.

(d) If an application is received from a spouse or child for extended training under §192.41(c), the Director General of the Foreign Service of the Department of State shall determine with the advice of the Advisory Board whether the Principal, following release from captivity, is incapacitated by the captive experience—

(1) To the extent that he or she has not returned to full-time active duty and is unlikely to be able to resume the normal duties of his or her position or career, or

(2) In the event of a separation from Government service, that the Principal is unable to assume a comparable position or career, for at least six months from the date of release from captivity.

If the Secretary makes such a determination, he or she may approve, within the limits of §192.44, an application under §192.41(c) for up to one year of education or training. If the Principal remains incapacitated, the Secretary may approve additional training or education up to the maximum authorized under 192.44.

§ 192.44 Maximum limitation on benefits.

(a) In no event may assistance be provided under this subpart for any individual for a period in excess of 45 months, or the equivalent thereof in part-time education or training.

(b) The eligibility of a spouse for benefits under paragraph (c) or (d) of §192.41 shall expire on a date which is 10 years after the date of the release of
§ 192.50 Eligibility for benefits.

(a)(1) The Federal Employees’ Compensation Act (5 U.S.C. 8101 et seq.) provides for medical coverage and the payment of compensation for wage loss and for permanent impairment of specified members and functions of the body incurred by employees as a result of an injury sustained while in the performance of their duties to the United States. The Office of Workers’ Compensation Programs (OWCP), Department of Labor, administers the program. All individuals employed by the U.S. Government as defined by 5 U.S.C. 8101(1) are eligible to apply for wage-loss and medical benefits under the FECA. Family members of such employees may apply for death benefits. An application must be made with OWCP by such individual or on behalf of such individuals, prior to the determination of eligibility or payment of any benefits under this subpart.

(2) In the case of foreign service national employees covered for work-related injury or death under the local compensation plan established pursuant to 22 U.S.C. 3968, such applications should be filed with the organizational authority in the country of employment which provides such coverage. Benefit levels payable to foreign service national employees under this subpart shall be no less than comparable benefits payable to U.S. citizen employees under FECA. Eligibility determination and payment of supplemental benefits, if any, is the responsibility of the Director General of the Foreign Service for the State Department.

(b) Any death or disability benefit payment made under this section shall be reduced by the amount of any other death or disability benefits funded in whole or in part by the United States, except that the amount shall not be reduced below zero. The cash payment under §192.11(b) of subpart B is excluded from the offset requirement.

(c) Compensation under this section may include payment (whether advancement or reimbursement) for any medical or health expenses relating to the death or disability involved to the extent that such expenses are not covered under subpart D of these regulations. Procedures of subpart D of these regulations shall apply in making such determinations.

§ 192.51 Death benefit.

(a) The Secretary of State or Agency Head may provide for payment, by the employing agency, of a death benefit to the surviving dependents of any eligible individual under §192.1(a) who dies as a result of injuries caused by hostile action whose death was the result of the individual’s relationship with the Government.

(b) The death benefit payment for an employee shall be equal to one year’s salary at the time of death. Such death benefit is subject to the offset provisions under §192.50(b) including the Federal Employees’ Compensation Act. The death benefit for an employee’s spouse and other eligible individuals under §192.1(b) of subpart A shall be equal to one year’s salary of the principal at the time of death.

(c) A death benefit payment for an adult under this section shall be made as follows:

(1) First, to the widow or widower.

(2) Second, to the dependent child, or children in equal shares, if there is no widow or widower.

(3) Third, to the dependent parent, or dependent parents in equal shares, if there is no widow, widower, or dependent child.

(4) Fourth, to adult, non-dependent children in equal shares.

If there is no survivor entitled to payment under this paragraph (c), no payment shall be made.

(d) A death benefit payment for a child under this section shall be made as follows: To the surviving parents or legal guardian. If there are no surviving parents or legal guardian, no payment shall be made.

(e) As used in this section—each of the terms “widow”, “widower”, and “parent” shall have the same meaning given such term by section 8101 of title
§ 192.52 Disability benefits.

(a) Principals who qualify for benefits under §192.1 and are employees of the U.S. Government are considered for disability payments under programs administered by the Office of Workers’ Compensation Programs (OWCP), Department of Labor, or in the case of foreign service national employees, the programs may be administered by either OWCP or the organizational authority in the country of employment which provides similar coverage under the local compensation plan established pursuant to 22 U.S.C. 3968. Normal filing procedures as specified by either OWCP or the local organizational authority which provides such coverage should be followed in determining eligibility. Duplicate benefits may not be received from both OWCP and the local organizational authority for the same claim. Additional benefits to persons qualifying for full FECA or similar benefits would not normally be payable under this subpart, except to foreign service national employees whose benefit levels are below comparable benefits payable to U.S. citizen employees under FECA. Foreign service national employees whose benefit levels are below comparable benefits payable to U.S. citizens under FECA may receive benefits under this subpart so that total benefits received are comparable to the benefits payable to U.S. citizen employees under FECA.

(b) Family members who do not qualify for either OWCP benefits or benefits from the organizational authority in the country of employment which provides similar coverage, and anyone eligible under §192.1(a) who does not qualify for full benefits from OWCP, must file an application for disability benefits with the Office of Medical Services, Department of State, for a determination of eligibility under this subpart, if connected with hostile action abroad. Applications made in connection with hostile action in domestic situations will be directed to the Agency Head. Such applications for disability payments will be considered using the same criteria for determination as established by OWCP.

(c) Family members who are determined to be disabled by the Office of Medical Services, or Agency Head using the OWCP criteria, are eligible to receive a lump-sum payment based on the following guidelines:

(1) Permanent total disability rate. A lump-sum payment equal to two year’s salary of the Principal at the time of the qualifying incident.

(2) Temporary total disability rate. A lump-sum payment computed at 66% percent of the monthly pay rate of the Principal for each month of temporary total disability, not to exceed one year’s salary of the Principal.

(3) Partial disability rate. A lump-sum payment authorized in accordance with 5 U.S.C. 8106, equal to 66% percent of the difference between the estimated monthly wage-earning capacity of the family member after the beginning of the partial disability, not to exceed one year’s salary of the Principal. For family members with no wage-earning history, a lump-sum payment equal to 66% percent of the difference between the estimated monthly wage-earning capacity of the family member at the time of the qualifying incident and the monthly wage-earning capacity after the beginning of the partial disability, not to exceed one year’s salary of the Principal may be authorized, using the criteria established by OWCP for such determination.

(4) Special loss schedule. In addition to the temporary disability benefits payable in accordance with this subpart, if there is permanent disability involving the loss, or loss of use, of a member or function of the body or involving disfigurement, a lump-sum payment may be authorized at the rate of 25 percent of the payment authorized in accordance with the schedule and procedures in 5 U.S.C. 8107 and 20 CFR 10.304. The Director General of the Foreign Service of State or the Agency Head, may at their discretion, authorize payments under this subpart in addition to payments for those organs and members of the body specified in 5 U.S.C. 8107 and in 20 CFR 10.304. The provisions of 20 CFR part 10, subpart D, which prevent the payment
of disability compensation and scheduled compensation simultaneously, shall not apply to these regulations.

Cash payments under this subpart are the responsibility of the employing agency.

Section I. Introductory Rules

Scope of Application

Article 1

1. Where the parties to a contract have agreed in writing that disputes in relation to that contract shall be referred to arbitration under the IACAC Rules of Procedure, then such disputes shall be settled in accordance with these Rules subject to such modification as the parties may agree in writing and the IACAC may approve.

2. These Rules shall govern the arbitration, except that where any such rule is in conflict with any provision of the law applicable to the arbitration from which the parties cannot derogate, that provision shall prevail.
Notice, Calculation of Periods of Time

Article 2

1. For the purposes of these rules, any notice, including a notification, communication or proposal, is deemed to have been received if it is physically delivered to the addressee in person or via fax, telex or any other means agreed to by the parties, or if it is delivered at his habitual residence, place of business or mailing address, or, if none of these can be found after making reasonable inquiry, then at the addressee’s last known habitual residence or at his last known place of business. Notice shall be deemed to have been received on the day it is so delivered by any of the means stated in these rules.

2. For the purposes of calculating a period of time under these rules, such period shall begin on the date on which the notice of arbitration is received by the respondent. Commence on the date on which the notice of arbitration is received by the respondent.

3. The request for arbitration shall at least include the following:

(a) A request that the dispute be submitted to arbitration;

(b) The names and addresses of the parties;

(c) A copy of the arbitration clause or the separate arbitration agreement;

(d) A reference to the contract out of which, or in relation to which, the dispute has arisen, and a copy thereof if the claimant deems it necessary;

(e) The general nature of the claim and an indication of the amount involved, if any;

(f) The relief or remedy sought;

(g) If three arbitrators are to be appointed, designation of one arbitrator, as referred to in Article 5, paragraph 3.

4. The request for arbitration may also include the statement of claim referred to in Article 15.

5. Upon receipt of the notice of arbitration, the Director General of the IACAC or the IACAC National Section shall communicate with all parties with respect to the arbitration and shall acknowledge the commencement of the arbitration.

Representation and Assistance

Article 4

The parties may be represented or assisted by persons of their choice. The names and addresses of such persons must be communicated in writing to the other party; such communication must specify whether the appointment is being made for purposes of representation or assistance.

Section II. Composition of the Arbitral Tribunal

Appointment of Arbitrators

Article 5

1. If the parties have not otherwise agreed, three arbitrators shall be appointed.

2. When the parties have agreed that the dispute will be resolved by a single arbitrator, he may be appointed by the mutual agreement of the parties. If the parties have not done so within thirty (30) days from the date on which the notice of arbitration is received by the respondent, the arbitrator will be designated by the IACAC.

3. If three arbitrators are to be appointed, each party shall appoint one arbitrator. The two arbitrators thus appointed shall choose the third arbitrator, who will act as the presiding arbitrator of the tribunal.

4. If within thirty (30) days after receipt of the claimant’s notification of the appointment of an arbitrator, the other party has not notified the first party with a copy to the Director General of the IACAC either directly or through the IACAC National Section if one exists in his country of domicile, the arbitrator he has appointed, the arbitrator will be designated by the IACAC.

5. If within thirty (30) days after the appointment of the second arbitrator, the two arbitrators have not agreed on the choice of the presiding arbitrator, the presiding arbitrator will be appointed by the IACAC.

6. In making appointments, the IACAC shall have regard to such considerations as are likely to secure the appointment of independent and impartial arbitrators, and shall also take into account the advisability of appointing an arbitrator of a nationality other than the nationalities of the parties.

7. The IACAC may request from either party any information it deems necessary in order to discharge its functions.

Challenge of Arbitrators

Article 6

A prospective arbitrator shall disclose to those who approach him in connection with his possible appointment any circumstances
likely to give rise to justifiable doubts as to his impartiality or independence. An arbitrator, once appointed or chosen, shall disclose such circumstances to the parties and to the IACAC, if appointed by the IACAC, unless they have already been informed by him of these circumstances.

**Article 7**

1. Any arbitrator may be challenged if circumstances exist that give rise to justifiable doubts as to the arbitrator's impartiality or independence.

2. A party may challenge the arbitrator appointed by him only for reasons of which he becomes aware after the appointment has been made.

**Article 8**

1. A party who intends to challenge an arbitrator shall send notice of his challenge within fifteen days after the appointment of the challenged arbitrator has been notified to the challenging party or within fifteen days after the circumstances mentioned in Articles 6 and 7 became known to that party.

2. The challenge shall be notified to the other party, to the arbitrator who is challenged and to the other members of the arbitral tribunal and to the Director General of the IACAC. The notification shall be in writing and shall state the reasons for the challenge.

3. When an arbitrator has been challenged by one party, the other party may agree to the challenge. The arbitrator may also, after the challenge, withdraw from his office. In neither case does this imply acceptance of the validity of the grounds for the challenge. In both cases the procedure provided in article 5 shall be used in full for the appointment of the substitute arbitrator, even if during the process of appointing the challenged arbitrator a party had failed to exercise his right to appoint or to participate in the appointment.

**Article 9**

1. If the other party does not agree to the challenge and the challenged arbitrator does not withdraw, the decision on the challenge will be made by the IACAC.

2. If the IACAC sustains the challenge, a substitute arbitrator shall be appointed or chosen pursuant to the procedure applicable to the appointment or choice of the arbitrator being replaced.

3. In the event that an arbitrator fails to fulfill his functions or in the event of the de jure or de facto impossibility of performing his function, or if the IACAC determines that there are sufficient reasons to accept the resignation of an arbitrator, the procedure in respect of the challenge and replacement of an arbitrator as provided in the preceding articles shall apply.

3. If an arbitrator on a three-person tribunal does not participate in the arbitration, the two other arbitrators shall have the power in their sole discretion to continue the arbitration and make any decision, ruling or award, notwithstanding the refusal of the third arbitrator to participate. In deciding whether to continue the arbitration or to render any decision, ruling or award, the two other arbitrators shall take into account the stage of the arbitration proceedings, the reasons, if any, stated by the third arbitrator for not participating, as well as such other matters they consider appropriate in the circumstances of the case. If the two arbitrators decide not to continue the arbitration without the participation of the third arbitrator, the IACAC on proof satisfactory to it shall declare the office vacant, and the party that initially appointed him shall proceed to appoint a substitute arbitrator within thirty (30) days following the vacancy declaration.

4. If the designation is not made within the stated term, then the substitute arbitrator will be appointed by the IACAC.

**Repetition of Hearings in the Event of the Replacement of an Arbitrator**

**Article 11**

1. Subject to these rules, the arbitral tribunal may conduct the arbitration in such manner as it considers appropriate, provided that the parties are treated with equality and that at any stage of the proceedings each party is given a full opportunity of presenting his case.

2. If either party so requests at any stage of the proceedings, the arbitral tribunal shall hold hearings for the presentation of evidence by witnesses, including expert witnesses, or for oral argument. In the absence of such a request, the arbitral tribunal shall decide whether to hold such hearings or
whether the proceedings shall be conducted on the basis of documents and other evidence.

3. All documents or information supplied to the arbitral tribunal by one party shall at the same time be communicated by that party to the other party.

Place of Arbitration

Article 13

1. If the parties have not reached an agreement regarding the place of arbitration, the place of arbitration may initially be determined by the IACAC, subject to the power of the tribunal to determine finally the place of arbitration within sixty (60) days following the appointment of the last arbitrator. All such determinations shall be made having regard for the contentions of the parties and the circumstances of the case.

2. Notwithstanding the foregoing, the tribunal may meet in any place it may deem appropriate to hold hearings, hold meetings for consultation, hear witnesses, or inspect property or documents. The parties shall be given sufficient written notice to enable them to be present at any such proceeding.

Language

Article 14

1. Subject to an agreement by the parties, the arbitral tribunal shall, promptly after its appointment, determine the language or languages to be used in the proceedings. This determination shall apply to the statement of claim, the statement of defense, and any further written statements and, if oral hearings take place, to the language or languages to be used in such hearings.

2. The arbitral tribunal may order that any documents annexed to the statement of claim or statement of defense, and any supplementary documents or exhibits submitted in the course of the proceedings, delivered in their original language, shall be accompanied by a translation into the language or languages agreed upon by the parties or determined by the arbitral tribunal.

Statement of Claim

Article 15

1. Unless the statement of claim was contained in the request for arbitration, within a period of time to be determined by the arbitral tribunal, the claimant shall communicate his statement of claim in writing to the respondent and to each of the arbitrators, with a copy to the IACAC. A copy of the contract, and of the arbitration agreement if not contained in the contract, shall be annexed thereto.

2. The statement of claim shall include the following particulars:
   
   (a) The names and addresses of the parties;
   
   (b) A statement of the facts supporting the claim;
   
   (c) The points at issue;
   
   (d) The relief or remedy sought.

   The claimant may annex to his statement of claim all documents he deems relevant or may add a reference to the documents or other evidence he will submit.

Statement of Defense

Article 16

1. Within a period of time to be determined by the arbitral tribunal, the respondent shall communicate his statement of defense in writing to the claimant and to each of the arbitrators, with a copy to the IACAC.

2. The statement of defense shall reply to the particulars (b), (c) and (d) of the statement of claim (Article 15, paragraph 2). The respondent may annex to his statement the documents on which he relies for his defense or may add a reference to the documents or other evidence he will submit.

3. In his statement of defense, or at a later stage in the arbitral proceedings if the arbitral tribunal decides that the delay was justified under the circumstances, the respondent may make a counterclaim arising out of the same contract, or rely on a claim arising out of the same contract for the purpose of a set-off.

4. The requirements provided in Article 15, paragraph 2, of these Rules shall apply to both any counterclaim or to any claim presented for the purposes of a set-off.

Amendments to the Claim or Defense

Article 17

During the course of arbitral proceedings either party may amend or supplement his claim or defense unless the arbitral tribunal considers it inappropriate to allow such amendment, having regard to the delay in making it or prejudice to the other party or any other circumstances. However, a claim may not be amended in such a manner that the amended claim falls outside the scope of the arbitration clause or separate arbitration agreement.

Plea as to the Jurisdiction of the Arbitral Tribunal

Article 18

1. The arbitral tribunal shall have the power to rule on objections that it has no jurisdiction, including any objection with respect to the existence or validity of the arbitration clause or of the separate arbitration agreement.

2. The arbitral tribunal shall have the power to determine the existence or the validity of the contract of which an arbitration clause or an arbitration agreement forms a part.
For the purposes of this Article, an arbitration clause that forms part of a contract and that provides for arbitration under these rules shall be treated as an agreement independent of the other terms of the contract. A decision by the arbitral tribunal that the contract is null and void shall not entail ipso jure the invalidity of the arbitration clause or the arbitration agreement.

2. The arbitral tribunal may, if it considers it appropriate, require a party to deliver to the tribunal and to the other party, within such a period of time as the arbitral tribunal shall decide, a summary of the documents and other evidence that that party intends to present in support of the facts in issue set out in his statement of claim or statement of defense or, with respect to a counterclaim, in the reply to the counterclaim. The arbitral tribunal may proceed with the arbitration and rule on such a plea in its final award.

Further Written Statements

Article 19

The arbitral tribunal shall decide which further written statements, in addition to the statement of claim and the statement of defense, shall be required from the parties or may be presented by them and shall fix the periods of time for communicating such statements.

Periods of Time

Article 20

The periods of time fixed by the arbitral tribunal for the communication of written statements (including the statement of claim and statement of defense) should not exceed forty-five days. However, the arbitral tribunal may extend the time limits if it concludes that an extension is justified.

Evidence and Hearings (Articles 21 & 22)

Article 21

1. Each party shall have the burden of proving the facts relied on to support his claim or defense.

2. The arbitral tribunal may, if it considers it appropriate, require a party to produce documents, exhibits or other evidence within such a period of time as the tribunal shall determine.

Article 22

1. In the event of an oral hearing, the arbitral tribunal shall give the parties adequate advance notice of the date, time and place thereof.

2. If witnesses are to be heard, at least fifteen days before the hearing each party shall communicate to the arbitral tribunal and to the other party the names and addresses of the witnesses he intends to present, and the subject upon and the languages in which such witnesses will give their testimony.

3. The arbitral tribunal shall make arrangements for the translation of oral statements made at a hearing and for a record of the hearing if either is deemed necessary by the tribunal under the circumstances of the case, or if the parties have agreed thereto and have communicated such agreement to the tribunal at least fifteen days before the hearing.

4. Hearings shall be held in camera unless the parties agree otherwise. The arbitral tribunal may require the retirement of any witness or witnesses during the testimony of other witnesses. The arbitral tribunal is free to determine the manner in which witnesses are examined.

5. Evidence of witnesses may also be presented in the form of written statements signed by them.

6. The arbitral tribunal shall determine the admissibility, relevance, materiality and weight of the evidence offered.

Interim Measures of Protection

Article 23

1. At the request of either party, the arbitral tribunal may take any interim measures it deems necessary in respect of the subject matter of the dispute, including measures for the conservation of the goods forming the subject matter in dispute, such as ordering their deposit with a third person or the sale of perishable goods.

2. Such interim measures may be established in the form of an interim award. The arbitral tribunal shall be entitled to require security for the costs of such measures.

3. A request for interim measures addressed by any party to a judicial authority shall not be deemed incompatible with the agreement to arbitrate, or as a waiver of that agreement.

Experts

Article 24

1. The arbitral tribunal may appoint one or more experts to report to it, in writing, on specific issues to be determined by the tribunal. A copy of the expert’s terms of reference, established by the arbitral tribunal, shall be communicated to the parties.

2. The parties shall give the expert any relevant information or produce for his inspection any relevant document or goods that he may require of them. Any dispute between a party and such expert as to the relevance of
the required information or production shall be referred to the arbitral tribunal for decision.

3. Upon receipt of the expert’s report, the arbitral tribunal shall communicate a copy of the report to the parties, who shall be given the opportunity to express, in writing, their opinion on the report. A party shall be entitled to examine any document on which the expert has relied in his report.

4. At the request of either party the expert, after delivery of the report, may be heard at a hearing where the parties shall have the opportunity to be present and to interrogate the expert. At this hearing either party may present expert witnesses in order to testify on the points at issue. The provisions of Article 22 shall be applicable to such proceedings.

Default

Article 25

1. If, within the period of time fixed by the arbitral tribunal, the claimant has failed to communicate his claim without showing sufficient cause for such failure, the arbitral tribunal shall issue an order for the termination of the arbitral proceedings.

2. If one of the parties, duly notified under these rules, fails to appear at a hearing without showing sufficient cause for such failure, the arbitral tribunal may proceed with the arbitration.

3. If one of the parties, duly invited to produce documentary evidence, fails to do so within the established period of time, without showing sufficient cause for such failure, the arbitral tribunal may make the award on the evidence before it.

Closure of Hearings

Article 26

1. The arbitral tribunal may inquire of the parties if they have any further proofs to offer or witnesses to be heard or submissions to make and, if there are none, it may declare the hearings closed.

2. The arbitral tribunal may, if it considers it necessary owing to exceptional circumstances, decide, on its own motion or upon application of a party, to reopen the hearings at any time before the award is made.

Waiver of Rules

Article 27

A party who knows that any provision of, or requirement under, these rules has not been complied with and yet proceeds with the arbitration without promptly stating his objection to such non-compliance shall be deemed to have waived his right to object.

Section IV. The Award

Decisions

Article 28

The arbitral tribunal shall adopt its decisions by a majority vote. When there is no majority, the decision shall be made by the president of the tribunal.

Form and Effect of the Award

Article 29

1. In addition to making a final award, the arbitral tribunal shall be entitled to make interim, interlocutory, or partial awards.

2. The award shall be made in writing and shall be final and binding on the parties and subject to no appeal. The parties undertake to carry out the award without delay.

3. The arbitral tribunal shall state the reasons upon which the award is based, unless the parties have agreed that no reasons are to be given.

4. An award shall be signed by the arbitrators and it shall contain the date on which and the place where the award was made, which shall be the place designated in Article 13. Where there are three arbitrators and one of them fails to sign, the award shall state the reasons for the absence of the signature.

5. The award may be made public only with the consent of both parties.

6. Copies of the award signed by the arbitrators shall be communicated to the parties by the arbitral tribunal.

7. If the arbitration law of the country where the award is made requires that the award be filed or registered by the arbitral tribunal, the tribunal shall comply with this requirement within the period of time required by law.

Applicable law, Amiable Compositeur

Article 30

1. The arbitral tribunal shall apply the law designated by the parties as applicable to the substance of the dispute. Failing such designation by the parties, the arbitral tribunal shall apply the law determined by the conflict of laws rules that it considers applicable.

2. The arbitral tribunal shall decide as amiable compositeur or ex aequo et bono only if the parties have expressly authorized the arbitral tribunal to do so and if the law applicable to the arbitral procedure permits such arbitration.

3. In all cases, the arbitral tribunal shall decide in accordance with the terms of the contract and shall take into account the usages of the trade applicable to the transaction.
Settlement or Other Grounds for Termination

Article 31

1. If, before the award is made, the parties agree on a settlement of the dispute, the arbitral tribunal shall either issue an order for the termination of the arbitral proceedings or, if requested by both parties and accepted by the tribunal, record the settlement in the form of an arbitral award on agreed terms. The arbitral tribunal is not obliged to give reasons for such an award.

2. If, before the award is made, the continuation of the arbitral proceedings becomes unnecessary or impossible for any reason not mentioned in paragraph 1, the arbitral tribunal shall inform the parties of its intention to issue an order for the termination of the proceedings. The arbitral tribunal shall have the power to issue such an order unless a party raises justifiable grounds for objection.

3. Copies of the order for termination of the arbitral proceedings or of the arbitral award on agreed terms, signed by the arbitrators, shall be communicated by the arbitral tribunal to the parties. Where an arbitral award on agreed terms is made, the provisions of Article 29, paragraphs 2 and 4, shall apply.

Additional Award

Article 34

1. Within thirty days after the receipt of the award, either party may request the arbitral tribunal, which shall notify the other party, to make an additional award as to claims presented in the arbitral proceedings but omitted from the award.

2. If the arbitral tribunal considers the request for an additional award to be justified and considers that the omission can be rectified without any further hearings or evidence, it shall complete its award within sixty days after the receipt of the request.

3. When an additional award is made, the provisions of Article 29, paragraphs 2 to 7, shall apply.

Costs (Articles 35 to 38)

Article 35

The arbitral tribunal shall fix the costs of arbitration in its award. The term “costs” includes only:

(a) The fees of the arbitral tribunal, to be stated separately as to each arbitrator and to be fixed by the tribunal itself in accordance with Article 36;

(b) The travel and other expenses incurred by the arbitrators;

(c) The costs of expert advice and of other assistance required by the arbitral tribunal;

(d) The travel and other expenses of witnesses to the extent such expenses are approved by the arbitral tribunal;

(e) The costs for legal representation and assistance of the successful party if such costs were claimed during the arbitral proceedings, and only to the extent that the arbitral tribunal determines that the amount of such costs is reasonable;

(f) The administrative fee and other service charges of the IACAC, which shall be set by the Arbitrator Nominating Committee of the IACAC in accordance with the schedule in effect at the time of commencement of the arbitration. The committee may set a provisional fee when the proceedings are instituted and the final amount before the award is rendered, so that such amount may be taken into account by the tribunal when rendering its award.

Article 36

1. The fees of the arbitral tribunal and the administrative fees for the IACAC shall be set in accordance with the schedule in effect at the time of commencement of the arbitration. The fees shall be calculated on the basis of the amount involved in the arbitration; if that amount cannot be determined, the fees shall be set discretionally.

2. The amount between the maximum and minimum range in the schedule shall be set in accordance with the nature of the dispute,
the complexity of the subject matter and any other relevant circumstances of the case.

**Article 37**

1. The costs of arbitration shall be borne by the unsuccessful party. However, the arbitral tribunal may apportion each of such costs between the parties if it determines that apportionment is reasonable, taking into account the circumstances of the case.

2. When the arbitral tribunal issues an order for the termination of the arbitral proceedings or makes an award on agreed terms, it shall fix the costs of arbitration referred to in Article 35 in the text of that order or award.

3. No additional fees may be charged by an arbitral tribunal for interpretation or correction or completion of its award under Articles 32 to 34.

**Article 38**

**Deposit of Costs**

1. The arbitral tribunal, on its establishment, or the Arbitrator Nominating Committee of the IACAC within its purview, may request each party to deposit an equal amount as an advance for the costs referred to in Article 35, paragraphs (a), (b), (c) and (f).

2. During the course of the arbitral proceedings the arbitral tribunal may request supplementary deposits from the parties.

3. When a party so requests, the arbitral tribunal shall fix the amounts of any deposits or supplementary deposits only after consultation with the IACAC, which may make any comments to the arbitral tribunal which it deems appropriate concerning the amounts of such deposits and supplementary deposits.

4. If the required deposits are not paid in full within thirty days after the receipt of the request, the arbitral tribunal shall so inform the parties in order that one or another of them may make the required payment. Should one of the parties fail to pay its deposit in full, the other party may do so in its stead. If payment in full is not made, the arbitral tribunal may order the suspension or termination of the arbitral proceedings.

5. After the award has been made, the arbitral tribunal shall render an accounting to the parties of the deposits received and return any unexpended balance to the parties.

**Transitory Article**

**Article 39**

Any disputes arising under contracts that stipulate resolution of such disputes pursuant to the IACAC Rules of Procedure and that have not been submitted to an arbitral tribunal as of the date on which these rules enter into effect shall be subject to these rules in their entirety.

(w) **Schedule B** means the “Schedule B, Statistical Classification of Domestic and Foreign Commodities Exported from the United States” issued and amended from time to time by the U.S. Bureau of the Census, Department of Commerce and available as stated in 15 CFR 30.92.

§ 201.02 Scope and application.

(a) The appropriate implementing documents will indicate whether and the extent to which this part shall apply to the procurement of commodities or commodity-related services or both. Whenever this part is applicable, those terms and conditions of this part will govern which are in effect on the date of issuance of the direct letter of commitment to the supplier; if a bank letter of commitment is applicable, the terms and conditions govern which are in effect on the date of issuance of an irrevocable letter of credit under which payment is made or is to be made from funds made available under the Act, or, if no such letter of credit has been issued, on the date payment instructions for payment from funds made available under the Act are received by the paying bank.

(b) The borrower/grantee is responsible for compliance with the applicable provisions of this part by importers and suppliers and for assuring that importers and suppliers are informed of the extent to which this part applies.

(b) USAID will use the information requested in these sections to verify compliance with statutory and regulatory requirements and to assist in the administration of USAID-financed commodity programs. The information is required from suppliers in order to receive payment for commodities or commodity-related services. The public reporting burden for this collection of information is estimated to average a half hour per response, including the time required for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Procurement, Policy Division (M/OP/P), U.S. Agency for International Development, 1300 Pennsylvania Avenue, Washington, DC 20523–7801, and the Office of Management and Budget, Paperwork Reduction Project (0412–0514), Washington, DC 20503.

[64 FR 17535, Apr. 12, 1999]
the cooperating country shall be insured against marine risks and that such insurance shall be placed in the United States with a company or companies authorized to do marine insurance business in a State of the United States.

(f) Timely submission of documents. All documents required under §201.52 to be submitted by a supplier in order to receive payment or reimbursement shall be submitted to USAID under direct letters of commitment or to a designated bank under bank letters of credit on or before the terminal date specified in the letter of commitment or letter of credit, respectively.

(g) U.S. Treasury Department regulations. Procurement transactions shall comply with the requirements of the U.S. Treasury Department Foreign Assets, Sanctions, Transactions and Funds Control Regulations published in 31 CFR parts 500 through 599, as from time to time amended.

(h) Commodities shipped out of a free port or bonded warehouse. No commodity shipped out of a free port or bonded warehouse is eligible for USAID financing if it was shipped to the free port or bonded warehouse without compliance with the requirements set forth in paragraph (d)(1) of this section, or if it was shipped from the free port or bonded warehouse without compliance with the requirements set forth in paragraphs (d)(1) and (2) of this section.

(i) Purchase price. The purchase price for the commodity shall satisfy the requirements of subpart G.

(j) Purchases from eligible suppliers. Commodities procured with funds made available under this part 201 shall be purchased from eligible suppliers. The rules on the nationality of suppliers of commodities are in section 228.14 of this chapter.

(k) Determination of commodity eligibility. The commodity shall be approved in writing by USAID for each purchase transaction as eligible for USAID financing. Such approval shall be indicated on the Application for Approval of Commodity Eligibility (Form AID 11) submitted to USAID by the supplier.

§ 201.12 Eligibility of incidental services.

Incidental services may be financed under the same implementing document which makes funds available for the procurement of equipment only if:

(a) Such services are specified in the purchase contract relating to the equipment;

(b) The price satisfies the requirements of §201.68;

(c) The portion of the total purchase contract price attributable to such services does not exceed 25 percent; and

(d) The supplier of such services, prior to approval of the USAID Commodity Approval Application, has neither been suspended or debarred by USAID under part 208 of this chapter, nor has been placed on the “Lists of Parties Excluded from Federal Procurement or Nonprocurement Programs,” published by the U.S. General Services Administration.

(e) The supplier of such services meets the requirements of §228.25 of this chapter.

§ 201.13 Eligibility of delivery services.

(a) General. Delivery of USAID-financed commodities may be financed under the implementing document provided the delivery services meet the requirements of this section and the applicable provisions in part 228, subpart C of this chapter.

(b) Transportation costs. USAID will not finance transportation costs:

(1) For shipment beyond the point of entry in the cooperating country except when intermodal transportation service covering the carriage of cargo from point of origin to destination is used, and the point of destination, as stated in the carrier’s through bill of lading, is established in the carrier’s tariff; or

(2) On a transportation medium owned, operated or under the control of any country not included in Geographic Code 935; or
(3) Under any ocean or air charter covering full or part cargo (whether for a single voyage, consecutive voyages, or a time period) which has not received prior approval by USAID/W, Office of Procurement, Transportation Division; or

(4) Which are attributable to brokerage commissions which exceed the limitations specified in §201.65(h) or to address commissions, demurrage or detention.

(c) Inspection services. USAID will finance inspection of USAID-financed commodities when inspection is required by USAID, or in those cases where inspection is required by the importer and such inspection is specified in the purchase contract, performed by independent inspectors and is either customary in export transactions for the commodity involved or is necessary to determine conformity of the commodities to the contract. Section 228.24 of this chapter covers the nationality requirements for suppliers of inspection services.

(d) Marine insurance. (1) Unless otherwise authorized, USAID will finance premiums for marine insurance including war risk on USAID-financed commodities only if:

(i) The insurance is placed in a country included in the authorized Geographic Code: Provided, that if the authorized Geographic Code is any other than USAID Geographic Code 000, the cooperating country itself shall be recognized as an eligible source; and

(ii) Such insurance is placed either in accordance with the terms of the commodity purchase contract or on the written instructions of the importer; and

(iii) Insurance coverage relates only to the period during which the commodities are in transit to the cooperating country, except that it may include coverage under a warehouse-to-warehouse clause; and

(iv) The premiums do not exceed the limitations contained in §201.68; and

(v) The insurance provides that loss payment proceeds shall be paid in U.S. dollars or other freely convertible currency.

(2) Within the meaning of §201.11(e), as well as this paragraph, insurance is placed in a country only if payment of the insurance premium is made to, and the insurance policy is issued by, an insurance company office located in that country.

(e) Suspension and debarment. In order to be eligible for USAID financing, the costs of any delivery services must be paid to carriers, insurers, or suppliers of inspection services who, prior to approval of the USAID Commodity Approval Application, have neither been suspended nor debarred under USAID Regulation 8, 22 CFR part 208, nor included on the “Lists of Parties Excluded from Federal Procurement or Nonprocurement Programs” published by the U.S. General Services Administration.

§ 201.14 Eligibility of bid and performance bonds and guaranties.

The cost of any bid bond or guaranty posted by a successful bidder or of any performance bond or guaranty posted by a supplier is eligible for financing under the implementing document, provided that the bond or guaranty conforms to the requirements of the invitation for bids or the contract, as applicable, and to the extent that the principal amount of the bond or guaranty does not exceed the amount customary in international trade for the type of transaction and commodity involved. Bonds or guaranties may be payable in U.S. dollars, or a freely convertible currency or local currency, and shall be posted in favor of the purchaser. Nationality requirements for sureties, insurance companies or banks who issue bonds or guaranties under USAID-financed transactions are set forth in §228.38(b) of this chapter.

§ 201.15 U.S. flag vessel shipping requirements.

(a) General requirements. Unless USAID determines that privately owned U.S. flag commercial ocean vessels are not available at fair and reasonable rates for such vessels:

(1) At least fifty percent (50%) of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers from each of two geographic
areas—the U.S. and all other countries) of all goods financed by USAID which are transported on ocean vessels shall be transported on privately owned U.S. flag commercial vessels; and

(2) At least fifty percent (50%) of the gross freight revenue generated by all shipments of USAID-financed commodities which are transported to the territory of the borrower/grantee on dry cargo liners shall be paid to or for the benefit of privately owned U.S. flag commercial vessels.

(b) Methods of compliance. (1) Compliance with these requirements with respect to dry cargo liner vessels shall be achieved for the total of liner shipments made during the term of the loan or grant agreement. If USAID determines at any time during the term of the agreement that compliance may not be achieved, USAID may require that all subsequent shipments be made on U.S. flag liners until compliance is assured.

(2) Compliance with these requirements with respect to dry bulk carriers and tankers shall be achieved for each quantitative unit of cargo. A quantitative unit of cargo is the total tonnage of a commodity or commodities included in one invitation for bids or other solicitation of offers from ocean carriers for the transportation of cargo which may move in full shipload lots. USAID shall approve a charter or other contract of affreightment for a non-U.S. flag vessel only if USAID has determined that at least 50% of the quantitative unit will move on U.S. flag vessels, to the extent that such vessels are available at fair and reasonable rates for such vessels. U.S. flag dry cargo liners whose offers are responsive to the terms of the invitation for bids or other solicitation of vessels may be used for achieving compliance for the quantitative unit.

(c) Nonavailability of U.S. flag vessels. Upon application of the borrower/grantee or the supplier, USAID/W, Office of Procurement, Transportation Division, shall determine and advise the applicant whether or not privately owned U.S. flag vessels are available for any specific shipment of commodities at fair and reasonable rates. A determination that U.S. flag vessels are not available does not carry with it the authorization for USAID to finance freight on a vessel not otherwise authorized; this requires a separate waiver approval in accordance with §201.13(b)(1)(ii).

(d) Responsibility. The borrower/grantee is responsible for compliance with the requirements of this section and for imposing upon subborrowers, contractors and importers such requirements regarding shipping arrangements with suppliers as will assure discharge of this responsibility.

(e) Privately owned U.S. flag commercial vessels. For purposes of this section the term “privately owned U.S. flag commercial vessels” shall not include any vessel which, subsequent to September 21, 1961, shall have been either built outside the U.S., rebuilt outside the U.S. or documented under any foreign registry until such vessel shall have been documented under the laws of the U.S. for a period of 3 years.

Subpart C—Procurement Procedures; Responsibilities of Importers

§ 201.20 Purpose.

This subpart prescribes procurement procedures which shall apply to an importer whenever a commodity procurement is to be financed by USAID subject to this part 201.

§ 201.21 Notice to supplier.

The importer is responsible for providing the supplier with the following information (either through the invitation for bids, the request for quotations or otherwise):

(a) Notice that the transaction is to be financed by USAID under this part 201;

(b) The identification number of the implementing document;

(c) All additional information prerequisite to USAID financing and contained in the instructions from the borrower/grantee to the importer (for example, eligible source of commodity, periods during which deliveries must be made, shipping provisions, and documentation requirements); and, where appropriate,

(d) Notice of the marking requirements in §201.31(d), when the importer is the government of the cooperating
§ 201.22 Procurement under public sector procedures.

(a) General requirements. When the importer is the government of the cooperating country or any of its subdivisions, agencies or instrumentalities, all purchase contracts for commodities shall be awarded under public sector procedures in this section unless otherwise authorized by USAID. Such contracts shall be awarded on a competitive basis unless otherwise authorized by USAID under paragraph (g) of this section.

(b) Formal competitive bidding. Formal competitive bidding procedures shall be used for all procurements estimated to exceed $100,000 or the equivalent, exclusive of ocean or air transportation costs, except when other procedures are authorized in accordance with this section. Formal competitive bidding procedures may also be used for procurements under $100,000 at the option of the importer. Formal competitive bidding procedures include advertising the availability of an invitation for bids in accordance with paragraph (h) of this section, issuance of the invitation for bids, public opening of sealed bids, evaluation of bids, and award of the contract, except as provided in §201.22(b)(3), to the lowest responsive bid by a responsible bidder.

(1) Contents of the invitation for bids. The invitation for bids and every attachment and amendment thereto shall be in the English language and shall be available to prospective suppliers free of charge unless otherwise authorized by USAID. The following minimum requirements are applicable:

(i) Statement of requirements. The invitation for bids shall state specifically that the formal competitive bidding procedures set forth in this §201.22 apply. The terms and conditions of the procurement shall be clearly indicated, including any factors other than price to be used in the evaluation. Commodity specifications shall be stated in a non-restrictive manner and in sufficient detail to permit maximum response from prospective suppliers. The metric system of measurements shall be used for specifications unless USAID determines in writing that such use is impractical or is likely to cause significant inefficiencies or the loss of markets to U.S. firms.

(ii) Statement regarding submission of bids. The invitation for bids shall be appropriately numbered and state the complete physical address, as well as any post office box number, to which bids or offers are to be sent, the closing hour and date for submission and the date, hour and place of the public opening of the bids. If additional drawings, details, regulations or forms are necessary for submitting a bid, the invitation shall state where such material may be obtained.

(iii) Statement regarding this part 201. The invitation for bids shall expressly indicate the extent to which any resulting contract is subject to the requirements of this part 201.

(iv) Statement regarding late bids. The invitation for bids shall state that no bid received at the address designated in the invitation after the closing hour and date for submission will be considered for award unless its late arrival at that address is attributable solely to mishandling of the bid documents by the importer or any of its agents directly associated with receiving or processing the bids. In no case will the importer consider a bid which was not received at the place of public opening before the award was made.

(2) Handling bids. Bids received shall be held intact and sealed and shall be safeguarded against disclosure of contents prior to bid opening. The bids shall be opened publicly as specified in the bid invitation, and all properly submitted bids shall be considered. Direct submission of a bid by a prospective supplier, rather than through an agent or other representative of the supplier in the cooperating country, shall not be cause for rejection.

(3) Awards. Every award shall be made to that responsible bidder whose responsive bid is lowest in price. If any factor other than price is used in evaluating bids, each such factor shall be computed in accordance with the formula in the invitation for bids.

(c) Two-stage formal competitive bidding. Subject to the approval of USAID, two-stage formal competitive bidding
may be used in the procurement of specialized equipment, where requirements are stated in performance-type specifications. Two-stage bidding involves a request for technical proposals for the equipment being purchased, submission of proposals without price information, discussions with the offerors as necessary to clarify proposals, followed by a request for priced bids for those proposals found to be fully acceptable following discussions between the offerors and the purchaser. The priced bids shall be publicly opened. Handling and award of the bids shall comply with paragraphs (b) (2) and (3) of this section.

(d) Competitive negotiation procedures. (1) If approved by USAID based on a written record of the reasons therefor, a competitive negotiation procedure may be used. Competitive negotiation procedures include advertising the availability of a request for quotations in accordance with paragraph (h) of this section, issuance of the request for quotations, receipt and evaluation of offers, negotiation (when appropriate), and award of the contract to the offeror submitting the most advantageous offer, price and other factors considered. Competitive negotiation procedures may be approved in the following circumstances:

(i) When it is impossible to develop adequate commodity specifications for use in an invitation for bids;

(ii) When price alone would not be an effective means of determining an award (i.e., when criteria, such as time of delivery or service capability need to be evaluated);

(iii) When emergency procurement is justified by a demonstration that the time required for formal competitive bid procedures would result in an unacceptable delay in delivering the commodities;

(iv) When proprietary procurement is justified; or

(v) When adherence to formal competitive procedures would impair program objectives.

(2) When formal competitive bidding procedures have failed, all bids have been rejected, and further use of such procedures would clearly not be productive, the Mission Director may authorize the use of competitive negotiation procedures. Further advertising is not required. The request for quotations may be prepared as a new document or may incorporate appropriate provisions of the invitation for bids. It shall be submitted to those potential suppliers who originally submitted bids in response to the invitation for bids.

(e) Small value procurement. When the estimated value of the contract does not exceed $100,000 or equivalent (exclusive of ocean and air transportation costs), the purchaser may award a contract by advertising the procurement in accordance with paragraph (h) of this section and soliciting quotations from a reasonable number of sources, including, where feasible, producers of the commodity, taking into consideration:

(1) The nature of the commodities to be purchased;

(2) The number of sources which can supply the commodities;

(3) The value of the procurement; and

(4) The administrative cost of procuring the commodities.

The contract shall be awarded to the offeror with the most advantageous offer, price and other factors considered.

(f) Proprietary procurement. Purchasing by brand or trade name or by a restrictive specification (proprietary procurement) may be justified for reasons such as:

(1) Substantial benefits, such as economies in maintenance of spare parts inventories, stronger local dealer organization, better repair facilities, or greater familiarity by operating personnel, can be achieved through standardizing on a particular brand;

(2) Compatibility with equipment on hand is required; or

(3) Special design or operational characteristics are required.

The need for proprietary procurement may serve as the basis for approving the use of competitive negotiation procedures in accordance with paragraph (d) of this section or a waiver for negotiation with a single source in accordance with paragraph (g) of this section.

(g) Negotiation with a single source—(1) Circumstances. Competition may be waived and negotiation with a single
source authorized by USAID under one of the following circumstances:

(i) the purchaser can demonstrate the existence of an emergency situation in which the requirement for competition would result in an unacceptable delay in the procurement of the commodities;

(ii) proprietary procurement is justified and the necessary commodities or spare parts are available from only one source, taking into account any special requirements such as the need for in-country service capability; or

(iii) adherence to competitive procedures would result in the impairment of the objectives of the United States foreign assistance program or would not be in the best interest of the United States.

(2) Amendments. Negotiation with a single source to amend an existing contract outside the scope of the contract must be justified under one or more of the criteria in paragraph (g)(1) of this section and formally approved by USAID.

(h) Advertising—(1) Requirements. (i) For each procurement estimated to exceed $25,000, or equivalent (exclusive of ocean and air transportation costs), notice of the availability of the invitation for bids, request for quotations or specific information about procurements under $100,000 shall be published by the USAID Office of Small and Disadvantaged Business Utilization/Minority Resource Center in the appropriate USAID Bulletin. The purchaser shall submit three copies of each invitation for bids or request for quotations (if any) to the USAID Mission with its request for advertising. The Mission will forward the request for advertising and the procurement documents to USAID/W. The request for advertising should arrive in the Office of Small and Disadvantaged Business Utilization/Minority Resource Center at least 45 days prior to the final date for receiving bids or quotations. The purchaser may, in addition, advertise in appropriate local, regional, and international journals, newspapers, etc., and otherwise, in accordance with local practice.

(ii) Additionally, if the estimated value of the contract is more than $100,000, or equivalent (exclusive of ocean and air transportation costs), the notice of availability of the invitation for bids or request for quotations shall be published in the “Commerce Business Daily” of the U.S. Department of Commerce.

(2) Exceptions. (i) When negotiation with a single source has been authorized, advertising is not required.

(ii) When formal competitive bid procedures have failed to result in an award pursuant to paragraph (d)(2) of this section and a determination is made to follow competitive negotiation procedures, no further advertising is required.

(iii) The requirements for advertising as set forth above may be waived by USAID to avoid serious procurement delays in certain circumstances, provided, however, that efforts shall be made to secure bids or offers from a reasonable number of potential suppliers.

(i) USAID approvals. (1) Each invitation for bids or request for quotations for an USAID-financed procurement which is estimated to exceed $100,000, or equivalent (exclusive of ocean and air transportation costs), must be approved by USAID prior to issuance.

(2) Each contract in excess of $100,000, or equivalent (exclusive of ocean and air transportation costs), must be formally approved by USAID prior to finalization with the supplier.

(3) USAID may require that contracts under $100,000 be formally approved prior to finalization with the supplier.

§ 201.23 Procurement under private sector procedures.

(a) General requirements. Procurements under private sector procedures will normally be carried out by importers using negotiated procurement procedures, unless the importer chooses to follow the procedures in §201.22. Procurement on a negotiated basis shall be in accordance with good commercial practice. Solicitations by the importer for quotations or offers shall be made uniformly to a reasonable number of prospective suppliers, including, where feasible, producers of a commodity, and all quotations or offers received, whether or not specifically solicited, shall be given consideration before making an award.
(b) Publicizing. To provide suppliers in the United States with an opportunity to participate in furnishing commodities which may be purchased on a negotiated basis under USAID financing, USAID will periodically publish for each cooperating country a list of commodities which may be expected to be imported and the names and contact information for the importers which have traditionally purchased those commodities. Interested suppliers may then make offers or furnish quotations on the products they desire to sell directly to the importers of those products. USAID will not publicize specific proposed purchases which are to be undertaken by private sector importers on a negotiated basis unless specifically requested to do so by the importer in accordance with the provisions of paragraph (c) of this section.

(c) Notification. If the importer elects to solicit quotations and offers for specific proposed purchases through publication by USAID, USAID will notify prospective suppliers of the export opportunity through the appropriate USAID bulletin. Requests for such notification shall be submitted to the Office of Small and Disadvantaged Business Utilization/Minority Resource Center, USAID, Washington, DC 20523-7700, and shall contain the name and contact information for the importer, a full description of the commodities and any commodity related services required, applicable price and delivery terms and other relevant procurement data, in the English language. The metric system of measurements shall be used for specifications unless USAID determines in writing that such use is impractical or is likely to cause significant inefficiencies or the loss of markets to U.S. firms.

(d) Notice of quotations and offers received. USAID may require that the importer furnish an abstract in the English language and identify thereon all offers or quotations received, the offer accepted or order placed, the price, the quantity, the name and address of all persons submitting offers or quotations and of their principals, if any (including manufacturers or processors of the commodity).

(e) Procurement under special supplier-importer relationships—(1) Solicitation of offers from more than one supplier is not required if:
   (i) The importer is purchasing for resale or processing, as the supplier’s regularly authorized distributor or dealer, a commodity which, under the terms of the distributorship or dealer agreement, the importer is precluded from buying from another supplier; or
   (ii) The importer is purchasing for resale a registered brand-name commodity from a supplier who is the exclusive distributor of that commodity to the area of the importer.
   (2) USAID may require the importer to furnish, or cause to be furnished, to USAID documentary evidence of the existence of the relationships described in paragraph (e)(1) of this section.

§ 201.24 Progress and advance payments.

(a) Definitions—(1) Progress payments. Progress payments are payments made prior to shipment under a fixed price procurement contract, which are based on actual costs incurred or on an actual stage or percentage of completion accomplished.  
(2) Advance payments. Advance payments are payments to a supplier prior to, and in anticipation of, performance under a procurement contract. They are not based on actual performance or actual costs incurred.

(b) Progress payments—(1) Conditions for eligibility. USAID will approve progress payments only if:
   (i) The period between the commencement of work and the first required delivery will exceed four months;
   (ii) There will be substantial predelivery costs that may have a material impact on a supplier’s working capital;
   (iii) The total FAS purchase price will exceed $200,000;
   (iv) The supplier must establish a performance bond or guaranty in favor of the borrower/grantee providing adequate security for the amount of the progress payments; and
(v) The amount of the progress payments does not exceed 95 percent of the total FAS purchase price.

(2) Notice. In order for progress payments to be eligible under a competitive procurement, the solicitation document must state that such payments will be allowed and that a request for progress payments will not be considered an adverse factor in the award of the contract.

(3) Approval. All progress payments must be approved in writing by USAID.

(c) Advance payments—(1) Conditions for eligibility. Advance payments may be authorized only if USAID has made a positive determination in writing that:
   (i) USAID will benefit therefrom, in terms of increased competition and/or lower prices, prior to the issuance of the solicitation or prior to award of a noncompetitive contract; and
   (ii) The supplier has a financial management system which is adequate for controlling and accounting for U.S. government funds.

(2) Amount. The amount of the advance is based on an analysis of the working capital required under the procurement contract, taking into consideration the availability of the supplier’s own working capital and shall be limited to the minimum amount needed for immediate disbursing needs.

(3) Security. The supplier must establish an advance payment bond or guaranty in favor of the borrower/grantee providing adequate security for the amount of the advance payment.

(4) Notice. In order for advance payments to be eligible under a competitive procurement, the solicitation document must state that such payments will be allowed and that a request for advance payments will not be considered an adverse factor in the award of the contract.

(5) Approvals. All advance payments must be approved by USAID in writing.

§ 201.25 Bid and performance bonds and guaranties.

Whenever the importer requires the posting of a bid bond or guaranty or performance bond or guaranty, the type of bond or guaranty (certified check, irrevocable letter of credit, bank bond, bank guaranty, or surety bond) shall be at the option of the bidder or supplier. Posted bid bonds or guaranties shall be returned to unsuccessful bidders promptly after an award is made. Unless converted to a required performance bond or guaranty, any bid bond or guaranty posted by the successful bidder shall also be returned promptly. Performance bonds or guaranties (as distinguished from commodity warranties of quality or performance) shall be canceled no later than 30 days after completion of the contract performance guaranteed.

§ 201.26 Expenditure of marine insurance loss payments.

Unless otherwise authorized by USAID, any marine insurance loss payment under a marine insurance policy financed pursuant to this part 201 received by the importer, either directly or indirectly, shall be used by the importer as follows:

(a) To procure from a source specified in the implementing document which originally provided the USAID funds, commodities which have been designated by USAID to the borrower/grantee as eligible for USAID financing; or

(b) To cover the cost of repairs to commodities damaged during shipment.

Subpart D—Responsibilities of Suppliers

§ 201.30 Purpose.

This subpart establishes the responsibilities of suppliers who furnish commodities and/or commodity-related services.

§ 201.31 Suppliers of commodities.

(a) Performance of the sales contract. The supplier of commodities shall comply with the terms and conditions of its contract with the importer and any letter of credit or direct letter of commitment under which it secures payment.

(b) Responsibilities relating to eligibility of commodities. The supplier shall fulfill its responsibilities under §201.11 by assuring that:
   (1) The commodity conforms to the description contained in its contract and letter of credit or direct letter of
commitment and, unless otherwise authorized by USAID in writing, the commodity is unused and has not been disposed of as surplus by any governmental agency;

(2) The source of the commodity complies with the provisions of §201.11(b) relating to source as required by its contract, letter of credit or direct letter of commitment;

(3) The provisions of §201.11(d) relating to the medium of transportation are complied with to the extent that the supplier arranges such transportation;

(4) All documents required by §201.52 to be submitted by the supplier to receive payment are submitted by it on or before the terminal date specified in the letter of credit, direct letter of commitment, or, if payment is to be made at sight, the purchase contract;

(5) The provisions of the U.S. Treasury Department Foreign Assets, Sanctions, Transactions and Funds Control Regulations published in 31 CFR parts 500 through 599, as from time to time amended, are complied with; and

(6) The purchase price of the commodity meets the requirements of subpart G of this part applicable to the supplier.

(c) Responsibilities relating to eligibility of delivery services. The supplier of commodities shall be responsible for assuring that any delivery services obtained by it for its own or for the importer's account comply with the requirements of §201.13 and, if required by USAID, for assuring that any shipping documents obtained by it contain an appropriate diversion clause pursuant to §201.43. The supplier shall deliver to USAID any shipping documents available to it whenever such delivery is requested by USAID.

(d) Marking of shipping containers and commodities—(1) Affixing emblems and identification numbers. The supplier of commodities shall be responsible for assuring that all export packaging, whether shipped from the United States or from any other source country, carries the official USAID (clasped hands) emblem. Additionally, except as USAID may otherwise prescribe, when the supplier is given notice by the importer that the importer is the government of the cooperating country or any of its subdivisions or instrumentalities, the supplier shall also be responsible for assuring that, in addition to the shipping cartons or other export packaging, all commodities carry the USAID emblem. The USAID financing document number shall be marked on each export shipping carton and box in characters at least equal in height to the shipper's marks. When commodities are shipped as containerized freight in a reusable shipping container, the container is not considered export packaging within the meaning of this paragraph and the outside of the container need not be marked; however, the cartons, boxes, etc., inside the container must be marked.

(i) Durability of emblems. Emblems shall be affixed by metal plate, decalcomania, stencil, label, tag or other means, depending upon the type of commodity or export packaging and the nature of the surface to be marked. The emblem placed on commodities shall be as durable as the trademark, commodity or brand name affixed by the producer; the emblem on each export packaging unit shall be affixed in a manner which assures that the emblem will remain legible until the unit reaches the consignee.

(ii) Size of emblems. The size of an emblem may vary depending upon the size of the commodity and the size of the export packaging. The emblem shall in every case be large enough to be clearly visible at a reasonable distance.

(iii) Design and color of emblems. Emblems shall conform in design and color to samples available from the Office of Procurement, Commodity Support Division, USAID, Washington, DC 20523-1415, and from the Mission.

(2) Exception to requirement for affixing emblems. To the extent compliance is impracticable, emblems shall not be required for:

(i) Raw materials shipped in bulk (including grain, coal, petroleum, oil, and lubricants);

(ii) Vegetable fibers packaged in bales; and

(iii) Semifinished products which are not packaged in any way.

(3) Waiver. If compliance with the marking requirement is found to be impracticable with respect to other commodities not excepted by paragraph
(d)(2) of this section, the supplier (or, when appropriate, the borrower/grantee) may request a waiver from USAID (Regional Assistant Administrator or his/her designee).

(e) Export licenses and approvals. The supplier shall be solely responsible for assuring that all necessary export licenses and approvals are obtained.

(f) Distribution of shipping documents. The supplier shall make the customary commercial document distribution, as well as any special distribution (e.g., to the USAID Mission in the importing country) which may be specified in the letter of credit, direct letter of commitment or other payment instruction covering the transaction. Prior to presenting the documents specified in §201.52 for payment, the supplier shall mail not later than 30 days from the date of shipment a legible copy of all rated ocean bill(s) of lading described in §201.52(a)(4)(i) to: Maritime Administration, Division of National Cargo, 400 Seventh Street SW., Washington, DC 20590–0001; and Transportation Division, Office of Procurement, USAID, Washington, DC 20523–7900.

(g) Adjustment refunds, credits, and allowances. All adjustments in the purchase price in an USAID-financed transaction in favor of the importer arising out of the terms of the contract or the customs of the trade shall be made by the supplier in the form of a dollar payment to USAID. Any such payment shall be transmitted to the Office of Financial Management, USAID, Washington, DC 20523–7702, and shall be accompanied by a statement explaining the adjustment and shall specify the name and address of the importer or other person for whom the adjustment is made, the date and amount of the original invoice, and the identification number of the implementing document, if known, under which the original transaction was financed.

(h) Vesting in USAID of title to commodities. The supplier shall be responsible for compliance with the provisions of §201.44 applicable to it.

(i) Termination or modification of USAID-financing. The supplier shall be responsible for compliance with the provisions of §201.45 applicable to it.

§ 201.32 Suppliers of delivery services.

(a) Performance of the service contract. The supplier of delivery services financed by USAID shall comply with the terms and conditions of its contract to supply delivery services.

(b) Adjustment in the price of delivery services. The supplier of delivery services shall pay to the Office of Financial Management, USAID, Washington, DC 20523–7792, all adjustments in the purchase price in favor of the importer (or person purchasing the ocean transportation services) arising out of the terms of the contract or the customs of the trade. Any such payment shall be accompanied by a statement explaining the adjustment and shall specify the name and address of the importer or other person for whom the adjustment is made, the date and amount of the original invoice, and the identification number of the implementing document, if known, under which the original transaction was financed.

(c) Marine insurance reporting requirement. With respect to any loss payment exceeding $10,000 in value which a supplier of marine insurance makes under a marine insurance policy financed pursuant to this part, the supplier of marine insurance shall, within 15 days of making such payment, report to the Commodity Support Division, Office of Procurement, USAID, Washington, DC 20523–7900, the amount and date of the payment, a description of the commodity, the USAID identification number, name of the carrier, vessel, and voyage number (alternatively, flight or inland carrier run number), date of the bill(s) of lading, the identity and address of the assured, and the identity and address of the assignee of the assured to whom payment has actually been made.

Subpart E—General Provisions Relating to USAID Financing of Commodities and Commodity-Related Services

§ 201.40 Purpose.
This subpart sets forth certain provisions of general application to transactions subject to this part.

§ 201.41 Audit and inspection.
The borrower/grantee shall maintain records adequate to document the arrival and disposition in the cooperating country of all commodities financed by USAID, and to identify the importer (or the first purchaser or transferee if the commodity is imported by the borrower/grantee) for a period of 3 years following the date of payment or reimbursement by USAID or for such other period as USAID and the borrower/grantee agree. In addition, the borrower/grantee or the importer shall, to the extent either exercises control or custody over the commodities, permit USAID or any of its authorized representatives at all reasonable times during the 3-year or other agreed period to inspect the commodities at any point, including the point of use, and to inspect all records and documents pertaining to such commodities.

§ 201.42 Reexport of USAID-financed commodities.
Unless specifically authorized by USAID, commodities imported into a cooperating country under USAID-financed may not be exported in the same or substantially in the same form from the cooperating country. In the event of any unauthorized reexport, the borrower/grantee shall pay promptly to USAID, upon demand, the entire amount reimbursed or such lesser or greater amount as USAID may deem appropriate under the circumstances of the particular transaction. Such an amount shall in no event, however, exceed the greater of either the amount reimbursed or the amount realized from the reexport.

§ 201.43 Diversion clause.
USAID may require that charter parties, bills of lading, or other ocean shipping documents covering USAID-financed commodities contain a clause substantially as follows:

USAID may at any time prior to unloading prescribe a different port of discharge from among the ports covered by the applicable tariff. Diversion charges shall apply in accordance with the tariff or contract of affreightment. Deviation insurance and extra handling costs actually incurred shall be reimbursed.

§ 201.44 Vesting in USAID of title to commodities.
(a) Vesting upon order of USAID
USAID may direct that title to USAID-financed commodities in transit to a cooperating country shall be vested in USAID if, in the opinion of USAID, such action is necessary to assure compliance with the provisions or purposes of any act of Congress.

(1) Rights of USAID upon vesting of title. In accordance with instructions by USAID, the borrower/grantee, supplier, and bank shall transfer such negotiable bills of lading, suppliers' invoices, packing lists, inspection certificates or other designated documents relating to the commodities as are in, or may come into, their possession.

(2) Diversion of commodities. USAID may direct the master or operator of a vessel or an inland carrier carrying the commodities to divert them away from the port or other destination specified in the shipping documents and to deliver them at such other destination as USAID may designate.

(b) Financial responsibility of USAID under vesting order.
(1) USAID will reimburse a supplier who has not already received payment under the purchase contract for all commodities with respect to which USAID has taken title under a vesting order.

(2) USAID will assume the responsibility for any extra costs (including the costs of marine insurance and handling) which are incurred as a result of a diversion. Such costs shall not exceed diversion charges as per tariff (linershipments) or contract of affreightment (charters), and shall include only those deviation insurance and extra handling costs which are actually incurred.

(3) USAID shall incur no liability to the borrower/grantee, the importer, or to the approved applicant by reason of any order which vests in USAID title
to commodities, or by reason of any request for the diversion of commodities.

§ 201.45 Termination or modification of a loan, grant or implementing document.

(a) Effect of termination or modification. (1) Except as provided in paragraph (a)(2) of this section, the availability of USAID funds to finance the procurement of commodities and commodity-related services shall terminate or shall be modified, whenever and to the same extent that the implementing document which relates to such delivery is terminated or modified by operation of provisions contained in the document, or by the exercise of rights otherwise reserved to USAID. (2) Unless the supplier and USAID agree otherwise, to the extent that the supplier has received an irrevocable letter of credit from a bank under an USAID letter of commitment, the purchase contract shall be affected only to the extent necessary to comply with any vesting order issued by USAID in accordance with § 201.44.

(b) Responsibilities of parties after termination or modification of USAID-financing. Upon termination or modification of USAID-financing of commodities or commodity-related services, the supplier, importer and approved applicant shall make such arrangements as are necessary to obtain the cancellation or modification of any letter of credit in favor of the supplier.

§ 201.46 Compensation to supplier if shipment is prohibited.

(a) Payment to supplier. USAID shall make appropriate payment to a supplier for the value of USAID-financed commodities available for immediate shipment from the United States if all the following conditions are satisfied:

(1) Shipment is prohibited by order of the U.S. Government and such order has general application to all shipments to the cooperating country.

(2) Payment may not be made by the bank under the terms of the letter of credit or payment instructions.

(3) The supplier is unable to dispose of the commodities without loss.

(4) The supplier tenders to USAID a negotiable warehouse receipt covering the commodities in question and presents to USAID such other documentation required by § 201.52 as may be appropriate under the circumstances.

(b) Other settlement. In lieu of accepting title to the commodities, USAID may negotiate with the supplier such other settlement as may be fair and equitable under the circumstances.

§ 201.47 Use of marine insurance loss proceeds.

The borrower/grantee shall pay promptly to USAID a sum equal to the proceeds received by an importer or its assignee in settlement of a marine insurance claim under a marine insurance policy financed pursuant to this part 201, if such proceeds are not expended in the manner provided by § 201.26 within a reasonable period after receipt by the importer.

Subpart F—Payment and Reimbursement

§ 201.50 Purpose.

This subpart describes:

(a) The methods by which USAID will make payment or reimbursement for commodities and commodity related services which have been furnished;

(b) The documentation required to be submitted to USAID for the purpose of obtaining such payment or reimbursement; and

(c) The terminal date for presentation of documents which USAID requires as a condition for payment or reimbursement.

§ 201.51 Methods of financing.

Under procurements subject to this part 201, the following methods of financing may be employed by USAID in each case, the method of financing shall be consistent with provisions in the pertinent implementing documents.

(a) Direct reimbursement. Upon presentation to USAID of the documents specified in § 201.52, a borrower/grantee will be reimbursed for the cost of commodities and commodity-related services procured by the borrower/grantee directly or procured by other importers with the authorization of the borrower/
grantee, if such commodities or services are eligible under the implementing document and under this part 201 for USAID-financing.

(b) Letter of commitment to a bank. At the request of the borrower/grantee, USAID will issue a letter of commitment to a bank for a specified amount in dollars. Reimbursement to a bank will be in accordance with the terms of such letter of commitment for sight payments made for the account of an approved applicant. Any such payment by a bank made in anticipation of a letter of commitment and falling within the scope of payments authorized by such letter of commitment when issued, will be deemed to be a payment to be reimbursed by USAID thereunder.

(1) Requests for bank letters of commitment. All requests for bank letters of commitment shall be in the English language and shall be submitted to USAID by the borrower/grantee in duplicate. They shall contain the following:

(i) Identification of the loan or grant agreement;
(ii) The dollar amount of the letter of commitment;
(iii) The name and address of the bank to which the letter of commitment is to be issued;
(iv) The name and address of the approved applicant;
(v) The expiration date to be stated in the letter of commitment, which shall be not later than the final date specified in the implementing document for submission of documentation to the bank as a basis for disbursement against the letter of commitment, except that, if a terminal shipping date is provided in the implementing document, the expiration date shall be the last day of the month following the month in which the terminal shipping date occurs.

(vi) Identification of the items to be financed under the letter of commitment (including the Schedule B identification).

(2) Approved applicant’s request to bank—(i) Form and effect of request. An approved applicant may apply to the bank holding a letter of commitment for the issuance, confirmation, or advice of a commercial letter of credit for the benefit of a supplier, or may instruct the bank to make payments at sight to such supplier, or may instruct the bank to make payments at sight to or for the account of the borrower/grantee.

(ii) Borrower/grantee assignment under a letter of commitment. The borrower/grantee’s request to USAID for a letter of commitment shall be deemed notification to USAID of assignment of any rights to receive reimbursement for the specified funds under the related implementing document. USAID, by issuance of the letter of commitment, shall be deemed to have consented to such assignment. Any such assignment or consent shall inure to the benefit of the bank’s legal successors and assignees.

(iii) Requirements imposed by bank. The borrower/grantee and the approved applicant shall be deemed to have consented to imposition by the bank upon the beneficiary of any letter of credit or payment instruction of such requirements as the bank deems necessary in order to comply with its applicable obligations to USAID. Such consent shall be deemed an express condition incorporated in any request of the approved applicant under paragraph (b)(2)(i) of this section.

(3) Reimbursement of bank. Upon presentation to USAID of the documents described in §201.52, USAID will reimburse the bank for any amounts paid by it in dollars to or on behalf of the approved applicant pursuant to a letter of commitment, subject, however, to compliance by the bank with the requirements of subpart H. Such documents in the normal course should be presented to USAID promptly. Bank charges will be eligible for reimbursement if authorized in the letter of commitment. Reimbursement normally will be made within 7 days by an electronic funds transfer.

Each document shall indicate the identification number of the letter of commitment or other applicable implementing document.

(1) Voucher. Voucher SF 1034 with three copies, to be prepared by the borrower/grantee, by the approved applicant, by the bank as assignee or agent for the approved applicant or beneficiary.

(2) Supplier’s invoice. (i) One copy of the supplier’s detailed invoice showing the following:

(A) The name and address of the importer;

(B) The quantity and the description of each item shipped, in sufficient detail, including the U.S. Department of Commerce Schedule B number, for ready identification;

If shipment is made under a consecutive voyage or time charter and the person or organization seeking reimbursement or payment has previously submitted to USAID a copy (or photostat) of said charter party in support of a prior claim for reimbursement or payment, such person or organization may, in lieu of further submission of the charter party, certify to the fact of prior submission.

(4) Evidence of shipment. (i) A copy (or photostat) of the bill(s) of lading (ocean, charter party, air, rail, barge, or truck) or parcel post receipt evidencing shipment from the point of export in the source country or free port or bonded warehouse. The bill(s) of lading shall indicate the carrier’s complete statement of charges, including all relevant weights, cubic measurements, rates and additional charges, whether or not freight is financed by USAID If an NVOCC is used, rated copies of both the NVOCC’s through bill of lading and the bill(s) of lading of all VOCCs must be included.

(ii) When the commodity is transported to the cooperating country under its own power (e.g., a fishing vessel), USAID will require a certificate signed by the importer or its authorized agent, certifying that the commodity has been received by the importer, to be submitted instead of a bill of lading.

(iii) When the supplier is not responsible under the terms of its agreement with the importer for assuring that the commodities are loaded on board the vessel, such as when delivery terms are f.a.s. port of shipment, the importer may request and the Commodity Support Division, Office of Procurement, USAID, Washington, DC 20523–7900 may authorize the following documents, instead of a bill of lading, to be submitted with a claim for reimbursement or payment for the commodities:

(iii) If commodities have been commingled in the warehouse in such a way that shipments out of the warehouse cannot be related to particular shipments into the warehouse, the supplier shall certify to the best of its knowledge and belief that a portion of the commodities was transported to the free port or bonded warehouse as required by §201.13(b)(1)(i)(D), and the quantity for which USAID-financing is sought does not exceed that amount.

(6) Supplier’s Certificate (form AID 282). An original and one copy of the Supplier’s Certificate executed, without modification, by:

(i) The supplier of the commodity for the cost of the commodity and any commodity-related services furnished by the commodity supplier;

(2) The Supplier’s Certificate covering the cost of marine insurance may be executed on behalf of the marine insurer by an insurance broker or by a commodity supplier if the commodity supplier is the assured under an open cargo insurance policy issued by the marine insurer and is authorized under such policy to bind the marine insurer by issuing insurance certificates or policies in favor of importers. In each such case, the insurance broker or commodity supplier shall indicate on the Supplier’s Certificate the name and address of the insurance company which is acting as the supplier of marine insurance and shall describe itself below its signature as a commodity supplier issuing a certificate under an open cargo insurance policy or as an insurance broker.

(1) Payments or negotiations made under letters of credit expiring no later than the expiration date stated in the letter of commitment, or

Subpart G—Price Provisions

§ 201.60 Purpose and applicability of this subpart.

This subpart prescribes rules relating to prices, discounts, commissions, credits, allowances, and other payments. These rules shall be observed in the procurement of commodities and commodity-related services financed under this part. The rules implement and supplement the requirements of the Act relating to prices in such procurement. The general purpose of these rules is to assure the prudent use of USAID funds.

(a) Statutory price limitations. (1) Section 604(a) of the Act provides inter alia that funds made available under this Act may be used for procurement outside the United States only if the price of any commodity procured in bulk is lower than the market price prevailing in the United States at the time of procurement adjusted for differences in the cost of transportation to destination, quality, and terms of payment.

(2) Section 604(b) of the Act provides that no funds made available under this Act shall be used for the purchase in bulk of any commodities at prices higher than the market price prevailing in the United States at the time of purchase, adjusted for differences in the cost of transportation to destination, quality, and terms of payment.

(b) Transactions covered. The rules and conditions prescribed by this subpart apply to all USAID-financed transactions subject to this regulation, whether or not the commodities are purchased in bulk.

(c) Compliance. Compliance with this subpart G and with any additional price requirement contained in the implementing document shall be a condition to the financing by USAID of procurement transactions under this part. Post-audit of transactions will be made by USAID to determine whether there has been such compliance.

§ 201.61 Meaning of terms in this subpart.

(a) Class of purchaser means any group of purchasers which is separately identifiable and which is distinguishable from other purchasers on the basis of quantity purchased, distribution function or established trade practice.

(b) Commission. See § 201.01(h).

(c) Comparable domestic sale means any comparable sale not in export transactions.

(d) Comparable export sale means any comparable sale in export transactions.

(e) Comparable sale means any sale of or bona fide offer to sell the same commodity, or (in the absence of such a sale or offer to sell) any sale of or offer to sell a similar commodity which, with respect to the quantity, quality, grade, period of delivery, supply area, terms of sale, or class of purchaser, either:

(1) Is not sufficiently different from the sale being tested to result customarily in a price different from the price in the sale being tested; or

(2) Can be related to the sale being tested through application of a customary price differential. A sale which is otherwise comparable to another sale is not rendered noncomparable by virtue of its being made out of a free port or bonded warehouse. The fact that a sale is made out of a free port or bonded warehouse shall not cause that
sale to differ from otherwise comparable sales with respect to terms of sale, supply area, or period of delivery.

(f) The date the purchase price is fixed means the date on which the parties agree on the price. If, however, the parties establish the price as of any other date which is subsequent to the date of such agreement and not later than the date of delivery, the term means such other date regardless of whether it precedes, coincides with or follows the legally effective date of the purchase contract.

(g) Export differential means the customary difference in price, if any, between domestic sales and otherwise comparable export sales.

(h) Period of delivery means the length of time between the date the purchase price is fixed or the date of the purchase contract, whichever is later, and the date by which delivery is to be completed.

(i) Producer means any person who grows, mines, manufactures, processes, or assembles a commodity in the form in which it is exported.

(j) Purchase price means the total amount which the purchaser agrees to pay or make available to or for the benefit of the supplier (including any person or organization designated by the supplier to receive such payment) for any commodity or commodity-related service which is wholly or partly financed by USAID.

(k) Representative of the importer means any entity affiliated with the importer by ownership or management ties, and any office or employee of such entity.

(l) Similar commodity means a commodity which is functionally interchangeable with the commodity in the sale being tested, and affords the purchaser substantially equivalent serviceability.

(m) Supply area means the source country, or if the commodity is customarily sold at different prices (exclusive of transportation costs) from different geographic areas within a source country, the specific geographic area within the source country from which the commodity is shipped to the cooperating country.

(n) Time of purchase means that period encompassing the date the purchase price is fixed during which prices in comparable sales remain substantially constant.

(o) Transportation cost means the cost of all transportation by land, sea, or air from the port of export to the destination in the cooperating country, plus the cost of marine insurance, if any, covering such transaction. Such costs are financed by USAID only to the extent provided in §201.13.

§ 201.62 Responsibilities of borrower/grantee and of supplier.

(a) Responsibilities of borrower/grantee. The borrower/grantee shall:

(1) When required by USAID, develop and periodically update, or cooperate with USAID in the development and updating of, lists of importers who have traditionally imported the commodities which may be purchased under the loan or grant. Such listings shall be by commodity groupings selected by USAID, cover all commodities eligible for financing, and, to the extent such information is available, show the names and addresses of all importers, regardless of the source from which their imports originated.

(2) Insure that the importer

(i) Procures in accordance with the conditions set forth in subpart C as applicable, and

(ii) Except as provided otherwise in §201.22, pays no more than the lowest available competitive price, including transportation cost, for the commodity.

(b) Responsibility of supplier. In accordance with the provisions contained in the Supplier's Certificate, which the supplier must execute in order to receive payment, the supplier is responsible for compliance with the provisions of this subpart G, other than paragraph (a) of this section.

§ 201.63 Maximum prices for commodities.

(a) U.S. prevailing market price—U.S. source. The purchase price for a commodity, the source of which is the United States, shall not exceed the market price prevailing in comparable export sales in the United States at the time of purchase, adjusted for differences in the transportation cost. Provided, however, That if there are no
such comparable export sales, then the purchase price, excluding transportation cost, may not exceed the market price prevailing in comparable domestic sales in the United States at the time of purchase, adjusted upward or downward by the appropriate export differential.

(b) U.S. prevailing market price—non-U.S. source. The purchase price, including transportation cost, for a commodity the source of which is not the United States shall be lower than the market price prevailing in comparable export sales in the United States at the time of purchase including transportation cost: Provided, however, That if there are no such comparable export sales in the United States, then the purchase price from the source outside the United States, including transportation cost, must be lower than the market price prevailing in comparable domestic sales in the United States at the time of purchase, adjusted upward or downward by the appropriate export differential and transportation cost.

(c) Supplier’s comparable export price—U.S. and non-U.S. sources. (1) The purchase price excluding transportation cost, shall not exceed prices generally charged by the supplier in comparable export sales from the source country at the time of purchase.

(2) The requirement in paragraph (c)(1) of this section shall not apply to the purchase price:

(i) In any sale under formal competitive bid procedures; or

(ii) In any sale of a commodity generally traded on an organized commodity exchange.

(3) Comparable export sales for the purpose of paragraph (c) of this section shall not include sales:

(i) Under formal competitive bid procedures; or

(ii) Of a commodity by a supplier to affiliates if the supplier demonstrates an established practice of selling the commodity to affiliates at prices lower than the prices it charges to nonaffiliates.

(d) Source country prevailing market price—non-U.S. source. The purchase price, excluding transportation cost, shall not exceed the market price prevailing in the source country in comparable export sales at the time of purchase: Provided, however, That, if there are no such comparable export sales, then the purchase price, excluding transportation cost, shall not exceed the market price prevailing in comparable domestic sales in the source country at the time of purchase, adjusted upward or downward by the appropriate export differential.

(e) Price test in the absence of comparable sales at time of purchase—(1) Sale by supplier who is not the producer. The purchase price shall not exceed the sum of:

(i) The lower of the following: The price paid by the supplier for the commodity or the price charged by the producer in the original sale of that specific commodity; and

(ii) A markup over the amount allowed in paragraph (e)(1)(i) of this section which may not exceed the lower of the following: The markup over direct cost that is usual and customary in sales by the supplier of the same commodity, if any, or the most similar commodity, or, the markup over direct cost that is usual and customary in such sales by the competitors of the supplier; and

(iii) To the extent not included in paragraph (e)(1)(i) of this section an amount not to exceed the cost at prevailing rates of those expenses recognized in §201.64(a) and actually incurred in moving the commodities supplied from the point of purchase to a position alongside or on board the vessel or other export conveyance at point of export.

(2) Sale by a supplier who is the producer. The purchase price shall not exceed a price established in accordance with the customary pricing practices of the supplier for other products of the same general class as the commodity sold.

(f) Additional rules for sales through or out of a free port or bonded warehouse. (1) The purchase price, including transportation costs to a cooperating country, of a commodity which has passed through a free port or bonded warehouse shall not exceed:

(i) The maximum price f.o.b. or f.a.s. source country eligible for USAID-financing under the foregoing provisions of this §201.63: plus
§ 201.64 Application of the price rules to commodities.

(a) Calculation of commodity prices on a common basis. In testing whether the purchase price of a commodity exceeds the price in comparable export sales or in comparable domestic sales, as applicable under §201.63 (a), (c), (d) and (e), it is necessary to insure that the price being tested as well as the prices being used as a test or measurement are calculated on the basis of delivery alongside or on board the vessel or other export conveyance. Such prices will include, therefore, in addition to the price of the commodity at an internal point in the source country, transportation from that point to the port of export in the source country, and to the extent not already included in the price at the internal point, inspection, export packing, forwarder’s fees at customary rates, the cost of placing the commodities on board the vessel or export conveyance (unless this cost is covered in the export freight), and other necessary costs customary in the trade.

(b) Calculation of commodity prices which involve transportation costs. (1) In testing the purchase price which includes transportation cost (customarily known as a c. & f. or c.i.f. price) for compliance with the requirements of §201.62 and §201.63(b), the test or measurement prices shall be:

(i) Prices based upon transportation by a U.S.-flag vessel if the price tested involves transportation by such vessel; or

(ii) Prices based upon transportation by either a U.S.-flag or a foreign-flag vessel, whichever is lower, if the price tested involves transportation by a foreign-flag vessel.

(c) Calculation of amount eligible for financing when shipment is through or out of a free port or bonded warehouse. (1) When a shipment to a cooperating country has passed through a free port or bonded warehouse, USAID will finance no more than the lower of the following:

(i) The maximum price described in §201.63(f)(1), or

(ii) Transportation cost calculated on the basis of the prevailing ocean freight rate for shipments using the most direct route from the source country to the cooperating country on the type and flag of vessel on which the commodity actually moved from the free port or bonded warehouse to the cooperating country.

(2) The purchase price of a commodity f.o.b. or f.a.s. a free port or bonded warehouse shall not exceed the maximum price established in paragraph (f)(1) of this section, minus transportation costs from the free port or bonded warehouse to the cooperating country, calculated on the basis of the prevailing ocean freight rate from the free port or bonded warehouse to the cooperating country for the type and flag of vessel on which the commodity actually moved between those points.

(g) Commodity price subject to escalation. If a purchase contract contains a price escalation clause, USAID will finance:

(1) The purchase price of the commodity before the operation of the escalation clause to the extent that it does not exceed the applicable price limitations contained in this subpart; and

(2) That portion of the commodity price attributable to the operation of the price escalation clause if such clause:

(i) Uses a formula based on variations in a cost factor which is reasonably related to the price of the commodity subject to escalation and is readily determinable;

(ii) Provides for downward as well as upward adjustment of the price; and

(iii) Accords with recognized trade practices.

§ 201.65 Calculation of the price rules to commodities.

(a) Calculation of commodity prices on a common basis. In testing whether the purchase price of a commodity exceeds the price in comparable export sales or in comparable domestic sales, as applicable under §201.63 (a), (c), (d) and (e), it is necessary to insure that the price being tested as well as the prices being used as a test or measurement are calculated on the basis of delivery alongside or on board the vessel or other export conveyance. Such prices will include, therefore, in addition to the price of the commodity at an internal point in the source country, transportation from that point to the port of export in the source country, and to the extent not already included in the price at the internal point, inspection, export packing, forwarder’s fees at customary rates, the cost of placing the commodities on board the vessel or export conveyance (unless this cost is covered in the export freight), and other necessary costs customary in the trade.

(b) Calculation of commodity prices which involve transportation costs. (1) In testing the purchase price which includes transportation cost (customarily known as a c. & f. or c.i.f. price) for compliance with the requirements of §201.62 and §201.63(b), the test or measurement prices shall be:

(i) Prices based upon transportation by a U.S.-flag vessel if the price tested involves transportation by such vessel; or

(ii) Prices based upon transportation by either a U.S.-flag or a foreign-flag vessel, whichever is lower, if the price tested involves transportation by a foreign-flag vessel.

(c) Calculation of amount eligible for financing when shipment is through or out of a free port or bonded warehouse. (1) When a shipment to a cooperating country has passed through a free port or bonded warehouse, USAID will finance no more than the lower of the following:

(i) The maximum price described in §201.63(f)(1), or

(ii) Transportation cost calculated on the basis of the prevailing ocean freight rate for shipments using the most direct route from the source country to the cooperating country on the type and flag of vessel on which the commodity actually moved from the free port or bonded warehouse to the cooperating country.

(2) The purchase price of a commodity f.o.b. or f.a.s. a free port or bonded warehouse shall not exceed the maximum price established in paragraph (f)(1) of this section, minus transportation costs from the free port or bonded warehouse to the cooperating country, calculated on the basis of the prevailing ocean freight rate from the free port or bonded warehouse to the cooperating country for the type and flag of vessel on which the commodity actually moved between those points.

(g) Commodity price subject to escalation. If a purchase contract contains a price escalation clause, USAID will finance:

(1) The purchase price of the commodity before the operation of the escalation clause to the extent that it does not exceed the applicable price limitations contained in this subpart; and

(2) That portion of the commodity price attributable to the operation of the price escalation clause if such clause:

(i) Uses a formula based on variations in a cost factor which is reasonably related to the price of the commodity subject to escalation and is readily determinable;

(ii) Provides for downward as well as upward adjustment of the price; and

(iii) Accords with recognized trade practices.
(ii) The maximum price described in §201.63(f)(1)(i), plus any transportation costs into the free port or bonded warehouse which meet the requirements of §201.13(b)(1)(i)(D), and any transportation costs out of the free port or bonded warehouse on a vessel flying the flag of a country included in the authorized geographic code.

(2) When a shipment is f.o.b. or f.a.s. a free port or bonded warehouse, USAID will finance no more than the lower of the following:

(i) The maximum price described in §201.63(f)(2), or

(ii) The maximum price described in §201.63(f)(1)(i), plus any transportation costs into the free port or bonded warehouse which meet the requirements of §201.13(b)(1)(i)(D).

(d) Determination of prevailing prices. In the determination of any prevailing market price of any commodity or any prevailing price or maximum eligible freight rate for a commodity related service, relevant published and unpublished price information will be considered.

§201.65 Commissions, discounts and other payments, credits, benefits and allowances.

(a) General. This section sets forth the rules which govern the eligibility of commissions, discounts and certain other payments, credits, benefits and allowances for USAID-financing.

(b) Commissions to sales agents. Unless otherwise provided in the implementing document, a commission paid, or to be paid, to a bona fide agent of the supplier is eligible for financing under this part, if such agent either has made a direct and substantial contribution toward securing the purchase contract for the supplier or is engaged on a continuing basis in securing similar contracts for the supplier. Such commissions are eligible to the extent they comply with §201.65(f).

(c) Commissions and other payments, credits, benefits or allowances to importers, purchasing agents and others. Unless otherwise authorized by USAID, no commission or other payment, credit, benefit or allowance of any kind shall be paid, made or given, or agreed to be paid, made or given, in connection with any sale subject to this part by the supplier or its agent:

(1) To or for the benefit of the importer;

(2) To or for the benefit of a purchasing agent or other agent or representative of an importer, even though such agent or representative may also have an agreement with a supplier to represent the supplier; or

(3) To any third party in connection with a sale by the supplier to its dealer, distributor, or established agent in the cooperating country.

(d) Trade discounts. To arrive at the net amount eligible for USAID-financing, all trade discounts, whether in the form of payments, credits, or allowances, to which the importer is entitled shall be deducted from the gross amount of the supplier’s invoice submitted under §201.52(a)(2)(i)(D).

(e) Commissions and other payments or benefits attributable to USAID-financing. Every commission or other payment, credit, benefit, or allowance of any kind paid, made or given, or agreed to be paid, made or given, in connection with the sale of commodities financed under this part to any person described in §201.65(c) (1), (2) or (3) shall be presumed conclusively to have been paid from USAID funds and shall thereby be subject to the requirements of this part 201.

(f) Maximum commission. A commission shall not exceed the lesser of the amount which the supplier customarily pays in connection with similar transactions or the amount which is customary in the trade.

(g) Reporting. All commissions and other payments, credits, benefits or allowances of any kind paid, made or given, or agreed to be paid, made or given, by the supplier in connection with USAID-financed sales of commodities and commodity-related services shall be fully reported on the Invoice-and-Contract Abstract of the Supplier’s Certificate required under §201.52(a)(6). Any such amounts not reported shall be ineligible for USAID-financing.

(h) Brokerage commission. In connection with ocean freight services, USAID will finance a brokerage commission only if:

(1) Such commission does not exceed 2 1/2 percent of the ocean freight charge.
§ 201.66 Side payments.

Any payment which an importer makes to a supplier, whether or not indicated on the supplier's invoice and whether or not financed by USAID, in connection with an USAID-financed transaction, shall be disclosed by the supplier on the Supplier's Certificate and shall be considered as part of the actual purchase price in applying the rules of this subpart G.

§ 201.67 Maximum freight charges.

(a) Ocean freight rates—(1) Similar shipments. Similar shipments means shipments which are similar with respect to type of commodity, commodity rate classification, quantity, vessel flag category (U.S.-or foreign-flag), choice of ports, and other pertinent factors. In determining whether shipments are similar, no effect shall be given to the identity of the shipper or the circumstance that the shipment is or is not financed by the Government of the United States.

(2) Maximum charter rates. (i) USAID will not finance ocean freight under any charter which has not been submitted to and received prior approval by USAID/W. USAID will not approve a charter if the freight rate exceeds:

(A) The rate prevailing for similar shipments; or

(B) The lowest rate charged by the vessel for similar shipments on the same voyage.

(ii) In determining the rate prevailing for similar shipments, recognized sources of charter market rate information will be consulted and, if necessary, will be supplemented by other information which contributes to a realistic determination of the prevailing charter rate.

(3) Effect of USAID approval of a charter. USAID prior approval of a charter shall be confirmed by USAID in writing and shall then be final except in cases where the freight rate exceeds the lowest rate charged by the vessel for similar shipments on the same voyage or where USAID's prior approval is based on false or misleading representations made to USAID by the charterer or vessel owner(s).

(4) Maximum liner rates. USAID will not finance ocean freight for a cargo liner shipment at a rate which exceeds the lowest of the following:

(i) The conference contract rate or the conference noncontract rate, whichever is lower;

(ii) The rate named in any tariff or other rate listing for the same destination and commodities on file at the Federal Maritime Commission; or

(iii) The lowest rate charged by the VOCC for similar shipments on the same voyage.

(5) Despatch. (i) The borrower/grantee, or the supplier with respect to despatch earned by the supplier, shall be responsible for refunding to USAID all despatch earned:

(A) At the port of unloading on c.i.f. or c. & f. shipments, or

(B) At the port of loading or unloading on f.o.b. or f.a.s. shipments, to the extent that despatch exceeds demurrage incurred on the same voyage.

(ii) Refunds of despatch, supported by the vessel's signed laytime statement(s), must be transmitted to the Office of Financial Management, USAID, Washington, DC 20523-7702, within 90 days after date of discharge of cargo on which the despatch was earned.
(b) Airfreight rates. USAID will not finance airfreight which exceeds the following:

(1) The rate under any air charter approved by USAID covering the transaction;
(2) The lowest rate charged by the carrier for similar shipments on the same flight; or
(3) The rate prevailing in the industry for similar shipments. A similar shipment is one which is similar with respect to type of commodity, commodity rate classification, quantity, flag category, choice of airport, and other pertinent factors.

§ 201.68 Maximum prices for commodity-related services.

(a) The price for an USAID-financed commodity-related service, other than ocean or air transportation, shall not exceed the lower of:

(1) The prevailing price, if any, for the same or similar services; or
(2) The price paid to the supplier under similar circumstances by other customers.

(b) The eligible price of services covered by an NVOCC bill of lading is limited to the sum of the costs of individual delivery services eligible under §201.13 of this part, and only to the extent that the cost of each such service is eligible for USAID-financing under §201.67 or §201.68(a) of this part.

§ 201.69 Cooperating country taxes and fees.

USAID will not finance any taxes or fees imposed under the laws in effect in the cooperating country, including customs duties, consular and legalization fees, and other levies.

Subpart H—Rights and Responsibilities of Banks

§ 201.70 Purpose.

This subpart sets forth the rights and responsibilities of banks with regard to reimbursement under a letter of commitment opened pursuant to an USAID request. Banks will not be held responsible for the requirements of subparts B, C, D, E (excluding §201.44(a)(1)), and subpart G except insofar as provisions of these subparts are included in this subpart H or in a letter of commitment issued by USAID to a bank.

§ 201.71 Terms of letters of credit.

Any letter of credit issued, confirmed or advised under an USAID letter of commitment and any agreement relating to such letter of credit or to instructions for payment issued by an approved applicant shall not be inconsistent with or contrary to the terms of the letter of commitment. Any such letter of credit or agreement may be modified or extended at any time in such a manner and to such extent as is acceptable to the approved applicant and the bank: Provided, That such modification or extension may not be inconsistent with or contrary to the terms of the letter of commitment. In the case of any inconsistency or conflict between the terms and conditions of the letter of commitment and the instructions of the approved applicant, the terms and conditions of the letter of commitment shall control.

§ 201.72 Making payments.

(a) Collection of documents. The bank shall be responsible for obtaining the documents specified in subpart F and in the letter of commitment when making payment under a letter of credit pursuant to instructions of an approved applicant.

(b) Examination of documents other than Supplier’s Certificate. The bank shall examine the documents (other than the Supplier’s Certificate and the Commodity Approval Application) to be submitted to USAID in accordance with good commercial practice to determine whether such documents comply with the requirements of paragraphs (b) (1) through (7) of this section in the following particulars, and no other.

(1) Shipment. The documents submitted as evidence of the shipment of commodities under §201.52(a)(4) shall be dated within the shipping period, if any, specified in the letter of commitment. The bill of lading shall contain the carrier’s statement of charges whether or not freight is financed by USAID.
(2) Source of commodities. The documents submitted in connection with the claim for reimbursement on commodities may not indicate that the source of the commodities is inconsistent with the USAID geographic code designation contained in the letter of commitment.

(3) Destination. The documents submitted shall indicate that the destination of the commodities, by shipment, transshipment, or reshipment, is the cooperating country named in the letter of commitment.

(4) Description. The documents shall describe and identify the commodities or services in a manner which, according to good commercial practice, is not inconsistent with the description contained in the letter of credit or payment instructions issued under a letter of commitment. The bank shall not be required to determine whether the supplier's invoice meets the detailed requirements of §201.52(a)(2)(i).

(5) Discounts and purchasing agents' commissions. If the documents disclose that the invoice price includes either discounts or commissions payable to purchasing agents, the bank shall not make payment of such discounts and commissions. In the absence of such information, however, the bank shall not be required to make independent inquiry as to whether the invoice price includes such items.

(6) Certifications. Each supplier's invoice presented for payment shall contain such other certifications as may be required in the letter of commitment. The bank shall accept only certifications which, to the best of its knowledge and belief, have been signed by hand.

(7) Other requirements. The documents submitted shall contain such other information as required by the letter of commitment, except that the bank shall have responsibility in this regard only to the extent specifically indicated in the letter of commitment.

(c) Acceptance of certificates. A bank shall not accept for submission to USAID the original of the Supplier's Certificate or the Commodity Approval Application, unless, to the best knowledge and belief of the bank, each such original has been signed by hand by the supplier and the Commodity Approval Application has been countersigned by USAID.

§ 201.73 Limitations on the responsibilities of banks.

The following general limitations on the responsibilities of banks issuing, advising, or confirming letters of credit and making payments under letters of credit or otherwise shall apply.

(a) Sufficiency and completeness of documents. Any document, including the Supplier's Certificate and the Commodity Approval Application, submitted by a bank to USAID in support of a claim for reimbursement, shall be sufficient if it purports to be the sort required to be delivered and if it has been accepted by the bank in the ordinary course of business in good faith. Except as may be required in the discharge of its responsibilities under §201.72 (b) and (c), the bank's right of reimbursement shall not be affected by the fact that any document required to be submitted by it is incomplete or may indicate noncompliance with any provision of this part.

(b) Reimbursement right notwithstanding certain deficiencies. A bank's right to reimbursement from USAID for payments which the bank has made will not be affected by the fact that the Commodity Approval Application or the Invoice-and-Contract Abstract on the reverse of the Supplier's Certificate may be incomplete, or may indicate noncompliance with any provision of this part 201, the letter of commitment, or any other implementing document, or may be inconsistent with other documents required for reimbursement.

(c) Nonresponsibility of bank for truth or accuracy of statements or certifications. The bank shall not be responsible for the truth or accuracy of any information or statement contained in any Supplier's Certificate or any other document certification to be submitted by it to USAID, notwithstanding any knowledge or information in the actual or constructive possession of the bank to the contrary. The bank shall not be obligated to look beyond the documents, including any certifications endorsed thereon, to be submitted by it or to make any independent investigation as to the truth or accuracy of any

Each such bank shall be relieved of any liability whatsoever to the approved applicant for anything done or omitted to be done under instruction of USAID. Each such bank shall be relieved of any liability whatsoever to the approved applicant for anything done or omitted to be done under instruction of USAID. § 201.80 Purpose.

This subpart sets forth certain USAID rights and remedies against borrower/grantees and suppliers, and prescribes certain general provisions relating to the waiver by USAID of this part.

§ 201.81 Rights of USAID against borrower/grantees.

If any transaction financed hereunder violates the requirements of this part or any U.S. statute or any rule or regulation of USAID promulgated under any such statute, USAID may require the borrower/grantee to refund the amounts USAID determines are attributable to such violation and may exercise any right of acceleration or termination contained in the implementing document. The borrower/grantee shall be deemed to have agreed to make such refund or accelerated payment promptly upon request by USAID and shall be deemed to have consented to any modification of the implementing document determined by USAID to be necessary to reflect any such refund or acceleration.

§ 201.82 Rights of USAID against suppliers.

Without limiting the responsibility of the borrower/grantee or other parties, USAID may require an appropriate refund to it by a supplier under any transaction which violates the requirements of this part, whenever in USAID’s opinion the failure of the supplier to comply with the rules and other requirements of this part has contributed to such violation. Any refund requested will include interest from the time of payment to the supplier. Interest will be charged at the rate established by the Secretary of the Treasury in accordance with the Internal Revenue Code, 26 U.S.C. 6621(b).

§ 201.83 No waiver of alternative rights or remedies by USAID.

No right reserved to USAID in this subpart to seek a refund from a borrower/grantee, and no exercise of such right, whether or not successful, shall in any way limit or affect, under the doctrine of the election of remedies or otherwise, USAID’s rights against a supplier under this subpart I or under the laws of the United States, or of any other country or political subdivision thereof, nor shall any right or remedy herein reserved to USAID against a supplier in any way derogate from or otherwise limit any other rights or remedies which may accrue to USAID under such laws.

§ 201.84 Limitation on period for making refund requests.

USAID will endeavor, but shall not be bound, to make any requests for refunds from a borrower/grantee within three years from the date of the last disbursement of USAID funds for the transaction to which such request relates.

§ 201.85 Legal effect of USAID approvals and decisions.

In any transaction subject to this part 201, USAID may reserve certain rights to approve the transaction for USAID-financing. USAID, in reserving any approval rights, acts solely as a financing entity to assure the proper use of United States Government funds. Any decision by USAID to exercise or refrain from exercising these approval rights shall be made as a financier and shall not be construed as making USAID a party to the contract or incurring any liability to the parties jointly or to any of them.

§ 201.86 Waiver and amendment authority.

USAID may waive, withdraw, or amend at any time any or all of the provisions of this part.

Requirement for Payment. Section 201.11(a) of A.I.D. Regulation 1 declares that a commodity purchase transaction is eligible for A.I.D. financing only if A.I.D. provides a determination of the commodity eligibility on the Commodity Approval Application. Section 201.52(b)(5) of the regulation states that to ensure payment a supplier must submit the signed original of this form, countersigned by A.I.D., as an appropriate, reproduced copy of the validated form, certified as provided in the second paragraph following, is required with each subsequent claim for partial shipments made under the original validated form AID-11. Alterations to Block 15 are not acceptable.

Approval by A.I.D. To secure A.I.D. approval, a supplier must submit the signed and properly executed original and one copy of the form, addressed to the Agency for International Development, Office of Procurement, Washington, D.C. 20523-1412. A.I.D. will indicate its approval in Block 18 of the form if the form is properly executed and if A.I.D. has no objection to financing the described commodity. If A.I.D. refuses approval, the Agency will return the form to the supplier with an explanation for refusal. In either case, an identification number will be assigned by A.I.D. in the upper right-hand corner of the form. Any follow-up correspondence between the supplier and A.I.D. should refer to this number.

Partial Shipments. In the event a supplier expects to make more than one shipment under a single contract, letter of credit, or collection document, it may either submit a separate form AID-11 covering each shipment, or submit a single form AID-11 covering the entire contract. In the latter case, the original AID-approved form will be presented to the paying bank with the supplier's first request for payment and a reproduced copy of the approved form, properly certified in Block 18, will be presented with each request for payment for subsequent partial shipments. See detailed instructions for Block 9.

Duration of A.I.D. Approval. A.I.D. approval remains valid for 6 months as evidenced by the expiration date entered by A.I.D. in Block 17. If the letter of credit is valid for a longer period, upon request from the supplier and submission of a copy of the letter of credit, A.I.D. will provide an approved expiration date corresponding to the expiration date of the letter of credit. If the A.I.D. approval expires prior to delivery, the supplier must reapply for approval, making reference to the transaction number assigned by A.I.D.

Timing of Submission. Under letter of credit financing the application should be submitted subsequent to receiving confirmation or advice of credit, but prior to shipment. The form may, however, be submitted prior to receipt of each credit provided that an original or true copy of the purchase contract accompanies the application. Under any other method of financing, the application will be submitted following receipt of instructions that the transaction is to be A.I.D.-financed and must be accompanied by an original or true copy of the contract with the importer. The form should not be submitted prior to the time supplier is able to furnish all required information in Blocks 12 through 15.

Language. Every commodity description which appears on the form must be stated in English. If a supplier furnishes an attachment to this form a contract in a language other than English, an English translation of the commodity description must also be furnished.

Completeness. All numbered Blocks MUST be fully and appropriately completed. If the application contains incomparable blocks, it will NOT be processed but will be returned for completion.

Obtaining Forms. Forms may be obtained in limited quantities from banks holding A.I.D. letters of commitment, Field offices of the Department of Commerce, the A.I.D. office in the supplier's country, or the Resources Management Division, Agency for International Development, Washington, D.C. 20523-1410. A supplier may reproduce the form provided the reproduction is identical with the original copy in every respect, including size, color, and format. A supplier may overprint its name and address in Block 5.

(i) Loss of Investment respecting any Eligible Note means an amount in Dollars equal to the total of the (1) Outstanding Investment determined as of the Date of Application, (2) Further Guaranteed Payments unpaid as of the Date of Application, and (3) interest accrued at the rate(s) specified in the Note(s) and unpaid on the Outstanding Investment and Further Guaranteed Payments to and including the date on which full payment thereof is made to the Lender or any Assignee.

Subpart B—The Guaranty

§ 204.11 The Guaranty.

Subject to these standard terms and conditions, the United States of America, acting through A.I.D., agrees to pay to any Lender or Assignee who has been determined to be an Eligible Investor compensation in Dollars equal to its Loss of Investment under the Eligible Note; provided, however, that no such payment shall be made for any such loss arising out of fraud or misrepresentation for which such Lender or Assignee is responsible or of which it had knowledge at the time it became such Lender or Assignee.

This Guaranty shall apply to each Eligible Note registered on the Note Register required to be maintained by the Paying Agent.

§ 204.12 Guaranty eligibility.

(a) Eligible Notes only may be guarantied hereunder, and Eligible Investors only are entitled to the benefits of this Guaranty. Notes in order to achieve Eligible Note status must be signed on behalf of the Borrower, manually or in facsimile, by a duly authorized representative of the Borrower; and they must contain a guaranty legend incorporating these standard terms and conditions signed on behalf of A.I.D. by either a manual signature or a facsimile signature or an authorized representative of A.I.D. together with a certificate of authentication manually executed by a Paying Agent whose appointment by the Borrower is consented to by A.I.D. in a Paying and Transfer Agency Agreement.

(b) A.I.D. shall designate in a certificate delivered to the Lender and to the Paying Agent, the person(s) whose signature shall be binding on A.I.D. The certificate of authentication of the Paying Agent issued pursuant to the Paying and Transfer Agency Agreement shall, when manually executed by the Paying Agent, be conclusive evidence binding on A.I.D. that the Note has been duly executed on behalf of the Borrower and delivered.

§ 204.13 Non-impairment of the guaranty.

The full faith and credit of the United States of America is pledged to the performance of this Guaranty. The Guaranty shall not be affected or impaired by any defect in the authorization, execution, delivery or enforceability of any agreement or other document executed by the Lender, A.I.D., the Paying Agent or the Borrower in connection with the transactions contemplated by this Guaranty. This non-impairment of the guaranty provision shall not, however, be operative with respect to any amount arising out of fraud or misrepresentation for which the Lender or Assignee is responsible or of which it had knowledge prior to the time it became such Lender or Assignee.

§ 204.14 Transferability of guaranty; Note Register.

The Lender of any Assignee may assign, transfer or pledge the Eligible Notes to any Eligible Investor. Any such assignment, transfer or pledge shall be effective on the date that the name of the new Assignee is entered on the Note Register required to be maintained by the Paying Agent pursuant to the Paying and Transfer Agency Agreement. A.I.D. shall be entitled to treat the persons in whose names the Eligible Notes are registered as the owners thereof for all purposes of this Guaranty and A.I.D. shall not be affected by notice to the contrary.

§ 204.15 Paying agent obligations.

Failure of the Paying Agent to perform any of its obligations pursuant to the Paying and Transfer Agency Agreement shall not impair the Investor’s or any Assignee’s rights under this Contract of Guaranty, but may be the subject of action for damages against the Paying Agent by A.I.D. as a result of such failure or neglect; provided, however, that the Paying Agent is not authorized to issue and authenticate and have Notes outstanding at any time in

excess of the principal amount of the Loan.

Subpart C—Procedure for Obtaining Compensation

§ 204.21 Event of default; Application for compensation; Payment.

(a) Within one year after an Event of Default, as this term is defined in an Eligible Note, the Lender or Assignee may file with A.I.D. an Application for Compensation in form as provided in Exhibit A. A.I.D. shall make the required payment not later than sixty (60) days after the Date of Application unless A.I.D. has cured the default under §204.22.

(b) Guarannty Payment. On or before the Guaranty Payment Date, the Applicant shall tender assignment of all Applicant’s right, title and interest as of the Date of Application in and to all sums for which Application has been made. A.I.D. shall accept the assignment and pay or cause to be paid to Applicant and compensation due to the Applicant pursuant to the Guaranty.

§ 204.22 Right of A.I.D. to cure default.

Within sixty (60) days after the Date of Application for Compensation, A.I.D. may at any time make payments to the Lender or any Assignee equal to all installments of principal due and unpaid under any Note (other than installments whose maturity has been accelerated), together with interest on the unpaid principal amount of the Note to the date of such payment by A.I.D., and any Further Guaranteed payments due and unpaid, and thereby prevent or cure any default under the Note. Upon such a payment by A.I.D., if the Lender or Assignee shall have accelerated such Note, such acceleration shall be immediately rescinded or, if such Note shall not have been accelerated, such Note shall not thereafter be accelerated as a result of such Event of Default.

§ 204.23 Payment to A.I.D. of excess amounts received by the lender of any assignee.

If the Lender or Assignee shall, as a result of A.I.D. paying compensation under this Guaranty, receive an excess payment, it shall refund the excess to A.I.D.

Subpart D—Covenants

§ 204.31 Prosecution of claims.

After an assignment to A.I.D. by the Lender or any Assignee pursuant to §204.21(b), A.I.D. shall have exclusive power to prosecute all claims related to the outstanding Eligible Notes so assigned. If the Lender or such Assignee continues to have an interest in the outstanding Eligible Notes, the Lender or such Assignee and A.I.D. shall consult with each other with respect to their respective interests in such Eligible Notes and the manner of and responsibility for prosecuting claims.

§ 204.32 Change in agreements.

Neither the Lender nor any Assignee will consent to any change or waiver of any provision of any document contemplated by this Guaranty without the prior written consent of A.I.D.

§ 204.33 A.I.D. approval of acceleration of notes.

Without the prior approval of A.I.D., the Lender or any Assignee shall not accelerate any Eligible Notes held by it on account of the happening of an Event of Default other than failure to make a payment when due on the note.

Subpart E—Administration

§ 204.41 Arbitration.

Any controversy or claim between A.I.D. and the Lender or any Assignee arising out of this Guaranty shall be settled by arbitration to be held in Washington, DC in accordance with the then prevailing rules of the American Arbitration Association, and judgment on the award rendered by the arbitrators may be entered in any court of competent jurisdiction.

§ 205.1 Grants and cooperative agreements.

(a) Religious organizations are eligible, on the same basis as any other organization to participate in any USAID program for which they are otherwise eligible. In the selection of service providers, neither USAID nor entities that make and administer sub-awards of USAID funds shall discriminate for or against an organization on the basis of the organization’s religious character or affiliation. As used in this section, the term “program” refers to Federally funded USAID grants and cooperative agreements, including sub-grants and sub-agreements. The term also includes grants awarded under contracts that have been awarded by USAID for the purpose of administering grant programs. As used in this section, the term “grantee” includes a recipient of a grant or a signatory to a cooperative agreement, as well as sub-recipients of USAID assistance under grants, cooperative agreements and contracts.

(b) Organizations that receive direct financial assistance from USAID under any USAID program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services directly funded with direct financial assistance from USAID. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded with direct financial assistance from USAID, and participation must be voluntary for beneficiaries of the programs or services funded with such assistance. These restrictions on inherently religious activities do not apply to programs where USAID funds are provided to chaplains to work with inmates in prisons, detention facilities, or community correction centers, or where USAID funds are provided to religious or other organizations for programs in prisons, detention facilities, or community correction centers, in which such organizations assist chaplains in carrying out their duties.

(c) A religious organization that participates in USAID-funded programs or services will retain its independence and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct financial assistance from USAID to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, a religious organization that receives financial assistance from USAID may use space in its facilities, without removing religious art, icons, scriptures, or other religious symbols. In addition, a religious organization that receives financial assistance from USAID retains its authority over its internal governance, and it may retain religious terms in its organization’s name, select its board members on a religious basis, and include religious references in its organization’s mission statements and other governing documents.

(d) USAID funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities. USAID funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this part. Where a structure is used for both eligible and inherently religious activities, USAID funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to USAID funds in this part. Sanctuaries, chapels, or other rooms that a USAID-funded religious congregation uses as its principal place of worship, however, are ineligible for USAID-funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition. (See 22 CFR part 226).
(e) An organization that participates in programs funded by financial assistance from USAID shall not, in providing services, discriminate against a program beneficiary or potential program beneficiary on the basis of religion or religious belief.

(f) No grant document, contract, agreement, covenant, memorandum of understanding, policy, or regulation that is used by USAID shall require only religious organizations to provide assurances that they will not use monies or property for inherently religious activities. Any such restrictions shall apply equally to religious and secular organizations. All organizations that participate in USAID programs, including religious ones, must carry out eligible activities in accordance with all program requirements and other applicable requirements governing the conduct of USAID-funded activities, including those prohibiting the use of direct financial assistance from USAID to engage in inherently religious activities. No grant document, agreement, covenant, memorandum of understanding, policy, or regulation that is used by USAID shall disqualify religious organizations from participating in USAID’s programs because such organizations are motivated or influenced by religious faith to provide social services, or because of their religious character or affiliation.

(g) A religious organization’s exemption from the Federal prohibition on employment discrimination on the basis of religion, set forth in Sec. 702(a) of the Civil Rights Act of 1964, 42 U.S.C. 2000e-1, is not forfeited when the organization receives financial assistance from USAID.

(h) Many USAID grant programs require an organization to be a “nonprofit organization” in order to be eligible for funding. Individual solicitations that require organizations to have nonprofit status will specifically so indicate in the eligibility section of a solicitation. Grantees should consult with the appropriate USAID program office to determine the scope of any applicable requirements. In USAID programs in which an applicant must show that it is a nonprofit organization, other than programs which are limited to registered Private and Voluntary Organizations, the applicant may do so by any of the following means:

1. Proof that the Internal Revenue Service currently recognizes the applicant as an organization to which contributions are tax deductible under section 501(c)(3) of the Internal Revenue Code;
2. A statement from a state taxing body or the state secretary of state certifying that:
   i. The organization is a nonprofit organization operating within the State; and
   ii. No part of its net earnings may lawfully benefit any private shareholder or individual;
3. A certified copy of the applicant’s certificate of incorporation or similar document that clearly establishes the nonprofit status of the applicant;
4. Any item described in paragraphs (b)(1) through (3) of this section if that item applies to a state or national parent organization, together with a statement by the State or parent organization that the applicant is a local nonprofit affiliate.

(i) The Secretary of State may waive the requirements of this section in whole or in part, on a case-by-case basis, where the Secretary determines that such waiver is necessary to further the national security or foreign policy interests of the United States.

PART 206—TESTIMONY BY EMPLOYEES AND THE PRODUCTION OF DOCUMENTS IN PROCEEDINGS WHERE A.I.D. IS NOT A PARTY

Sec.
206.1 Purpose and scope.
206.2 Production or disclosure prohibited unless approved by the General Counsel.
206.3 Procedure in the event of a demand for production or disclosure.
206.4 Procedure where a decision concerning a demand is not made prior to the time a response to the demand is required.
206.5 Procedure in the event of an adverse ruling.
206.6 Considerations in determining whether production or disclosure should be made pursuant to a demand.

§ 206.1 Purpose and scope.

(a) This part sets forth the procedures to be followed in proceedings in which the U.S. Agency for International Development (the “Agency”) is not a party, whenever a subpoena, order or other demand (collectively referred to as a “demand”) of a court or other authority set forth in §206.1(d) of this part is issued for the production or disclosure of (1) any material contained in the files of the Agency, (2) any information relating to material contained in the files of the Agency, or (3) any information or material acquired by any person while such person was an employee of the Agency as a part of the performance of his official duties or because of his official status.

(b) For purposes of this part, the term “employee of the Agency” includes all officers and employees of the Agency appointed by, or subject to the supervision, jurisdiction or control of, the Administrator of the Agency, including personal services contractors.

(c) This part is intended to provide instructions regarding the internal operations of the Agency, and is not intended, and does not and may not be relied upon, to create any right or benefit, substantive or procedural, enforceable at law by a party against the Agency.

(d) This part applies to:

(1) State and local court, administrative and legislative proceedings.

(2) Federal court and administrative proceedings.

(e) This part does not apply to:

(1) Congressional requests or subpoenas for testimony or documents.

(2) Employees or former employees making appearances solely in their private capacity in legal or administrative proceedings that do not relate to the Agency (such as cases arising out of traffic accidents, domestic relations, etc.). Any question whether the appearance relates solely to the employee’s or former employee’s private capacity should be referred to the General Counsel or his designee.

(f) Nothing in this part affects disclosure of information under the Freedom of Information Act, 5 U.S.C. 552, the Privacy Act, 5 U.S.C. 552a, the Sunshine Act, 5 U.S.C. 552b, or the Agency’s implementing regulations. Nothing in this part otherwise permits disclosure of information by the Agency except as is provided by statute or other applicable law.

§ 206.2 Production or disclosure prohibited unless approved by the General Counsel.

No employee or former employee of the Agency shall, in response to a demand of a court or other authority set forth in §206.1(d), produce any material or disclose any information described in §206.1(a) without the approval of the General Counsel or his designee.

§ 206.3 Procedure in the event of a demand for production or disclosure.

(a) Whenever an employee or former employee of the Agency receives a demand for the production of material or the disclosure of information described in §206.1(a), he shall immediately notify and provide a copy of the demand to the General Counsel or his designee. The General Counsel, or his designee, in consultation with appropriate Agency officials, and in light of the considerations listed in §206.6, will determine whether the person on whom the demand was served should respond to the demand.

(b) The General Counsel, or his designee, in consultation with appropriate Agency officials, and in light of the considerations listed in §206.6, will determine whether the person on whom the demand was served should respond to the demand.

(c) To the extent he deems it necessary or appropriate, the General Counsel, or his designee, may also require from the party causing such demand to be issued or served a plan of all reasonably foreseeable demands, including but not limited to names of all employees and former employees from whom discovery will be sought, areas of inquiry, length of time of proceedings requiring oral testimony and identification of documents to be used or whose production is sought.
§ 206.4 Procedure where a decision concerning a demand is not made prior to the time a response to the demand is required.

If the response to the demand is required before the instructions from the General Counsel, or his designee, are received, an attorney designated by the Department of Justice for the purpose shall appear with the employee or former employee upon whom the demand has been made, and shall furnish the court or other authority with a copy of the regulations contained in this part and inform the court or other authority that the demand has been, or is being, as the case may be, referred for the prompt consideration of the General Counsel and shall respectfully request the court or other authority to stay the demand pending receipt of the requested instructions.

§ 206.5 Procedure in the event of an adverse ruling.

If the court or other authority declines to stay the effect of the demand in response to a request made in accordance with §206.4 pending receipt of instructions, or if the court or other authority rules that the demand must be complied with irrespective of instructions not to produce the material or disclose the information sought, the employee or former employee upon whom the demand has been made shall respectfully decline to comply with the demand, citing this part and United States ex rel. Touhy v. Ragen, 340 U.S. 462 (1951).

§ 206.6 Considerations in determining whether production or disclosure should be made pursuant to a demand.

(a) In deciding whether to make disclosures pursuant to a demand, the General Counsel, or his designee, may consider, among things:

(1) Whether such disclosure is appropriate under the rules of procedure governing the case or matter in which the demand arose, and

(2) Whether disclosure is appropriate under the relevant substantive law concerning privilege.

(b) Among the demands in response to which disclosure will not be made are those demands with respect to which any of the following factors exist:

(1) Disclosure would violate a statute or a rule of procedure,

(2) Disclosure would violate a specific regulation,

(3) Disclosure would reveal classified information, unless appropriately declassified by the originating agency,

(4) Disclosure would reveal trade secrets or proprietary information without the owner's consent,

(5) Disclosure would otherwise adversely affect the foreign policy interests of the United States or impair the foreign assistance program of the United States, or

(6) Disclosure would impair an ongoing Inspector General or Department of Justice investigation.

PART 207—INDEMNIFICATION OF EMPLOYEES

§ 207.01 Policy.

(a) A.I.D. may indemnify, in whole or in part, its employees (which for the purpose of this regulation includes former employees) for any verdict, judgment or other monetary award which is rendered against any such employee, provided that the conduct giving rise to the verdict, judgment or award was taken within the scope of employment and that such indemnification is in the interest of the United States, as determined by the Administrator, or his or her designee, in his or her discretion.

(b) A.I.D. may settle or compromise a personal damage claim against its employee by the payment of available funds, at any time, provided the alleged conduct giving rise to the personal damage claim was taken within the scope of employment and that such settlement or compromise is in the interest of the United States, as determined by the Administrator, or his or her designee, in his or her discretion.

(c) Absent exceptional circumstances, as determined by the Administrator or his or her designee, A.I.D. will not entertain a request either to agree to indemnify or to settle a personal damage claim before entry of an adverse verdict, judgment or monetary award.
(d) When an employee becomes aware that an action has been filed against the employee in his or her individual capacity as a result of conduct taken within the scope of his or her employment, the employee should immediately notify A.I.D. that such an action is pending.

(e) The employee may, thereafter, request either: (1) Indemnification to satisfy a verdict, judgment or award entered against the employee or (2) payment to satisfy the requirements of a settlement proposal. The employee shall submit a written request, with documentation including copies of the verdict, judgment, award or settlement proposal, as appropriate, to the General Counsel. The General Counsel may also seek the views of the Department of Justice. The General Counsel shall forward the request and the General Counsel’s recommendation to the Administrator for decision.

(f) Any payment under this part either to indemnify an employee or to settle a personal damage claim shall be contingent upon the availability of appropriated funds.

§ 209.2 Application of this part.

This part applies to all programs carried on within the United States by recipients of Federal financial assistance pursuant to any authority held or delegated by the Administrator of the Agency for International Development, including the types of Federal financial assistance listed in appendix A of this part. (appendix A may be revised from time to time by notice in the FEDERAL REGISTER.) It applies to money paid, property transferred, or other Federal financial assistance extended after the effective date of this regulation, even if the application for such assistance is approved prior to such effective date. This part does not apply to (a) any Federal financial assistance by way of insurance or guaranty contracts, (b) money paid, property transferred or other assistance extended before the effective date of this part, (c) any assistance to any individual who is the ultimate beneficiary, (d) any employment practice under any such program of any employer, employment agency, or labor organization, or (e) any procurement of goods or services, including the procurement of training. This part does not bar selection and treatment reasonably related to the foreign assistance objective or such other authorized purpose as the Federal assistance may have. (vii) Deny an individual an opportunity to participate in a program as an employee where a primary objective of the Federal financial assistance is to provide employment.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any such program, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits or facilities will be provided under any such program or the class of individuals to be afforded an opportunity to participate in any such program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting individuals to discrimination because of race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program as respects individuals of a particular race, color, or national origin.

(3) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any program to which this regulation applies, on the grounds of race, color, or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this regulation.

(4) As used in this section the services, financial aid, or other benefit provided under a program receiving Federal financial assistance shall be deemed to include any service, financial aid, or other benefit provided in or through a facility provided with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in this paragraph does not limit the generality of the prohibition in paragraph (a) of this section.

(6) This regulation does not prohibit the consideration of race, color, or national origin if the purpose and effect are to remove or overcome the consequences of practices or impediments which have restricted the availability, or participation in, the program or activity receiving Federal financial assistance, on the grounds of race, color.
or national origin. Where previous discriminatory practice or usage tends, on the
grounds of race, color, or national origin, to exclude individuals from par-
ticipation in, to deny them the benefits of, or to subject them to discrimina-
tion under any program or activity to which this Regulation applies, the ap-
plicant or recipient has an obligation to take reasonable action to remove or
overcome the consequences of the prior discriminatory practice or usage, and
to accomplish the purposes of the Act.

§ 209.5 Assurance required.

(a) General. (1) Every application for
Federal financial assistance to which
this part applies, except an application
to which paragraph (b) of this section
applies, and every application for Fed-
eral financial assistance to provide a
facility shall, as a condition to its ap-
proval and the extension of any Fed-
eral financial assistance pursuant to
the application, contain or be accom-
panied by an assurance that the pro-
gram will be conducted or the facility
operated in compliance with all re-
quirements imposed by or pursuant to
this part. In the case of an application
for Federal financial assistance to pro-
vide real property or structures there-
on, the assurance shall obligate the re-
cipient, or, in the case of a subsequent
transfer, the transferee, for the period
during which the real property or
structures are used for a purpose for
which the Federal financial assistance
is extended or for another purpose in-
volving the provision of similar serv-
ces or benefits. Where no
transfer of property is involved, but
property is improved with Federal fi-
nancial assistance, the recipient shall
agree to include such a covenant in any
subsequent transfer of such property.

Where the property is obtained from
the Federal Government, such coven-
ant may also include a condition
coupled with a right to be reserved by
the Agency to revert title to the prop-
erty in the event of a breach of the cov-
enant where, in the discretion of the
responsible Agency official, such a con-
dition and right of reverter is appro-
priate to the statute under which the
real property is obtained and to the na-
ture of the grant and the grantee. In
such event if a transferee of real prop-
erty proposed to mortgage or otherwise
cumber the real property as security
for financing construction of new or
improvement of existing facilities on
such property for the purposes for
which the property was transferred,
the Administrator may agree, upon re-
quest of the transferee and if necessary
to accomplish such financing, and upon
such conditions as he deems appro-
priate, to forbear the exercise of such
right to revert title for so long as the
lien of such mortgage or other encum-
brance remains effective.

(3) Transfers of surplus property are
subject to regulations issued by the
Administrator of General Services (41
CFR 101–6.2).

(b) Assurances from institutions. (1) In
the case of any application for Federal
financial assistance to an institution of

836
higher education (including assistance for construction, for research, for a special training project, for student assistance, or for any other purpose), the assurance required by this section shall extend to admission practices and to all other practices relating to the treatment of students.

(2) The assurance required with respect to an institution of higher education or any other institution, insofar as the assurance relates to the institution’s practices with respect to admission or other treatment of individuals as students or clients of the institution or to the opportunity to participate in the provision of services or other benefits to such individuals, shall be applicable to the entire institution.

§ 209.6 Compliance information.

(a) Cooperation and assistance. The Administrator shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) Compliance reports. Each recipient shall keep such records and submit to the Administrator timely, complete and accurate compliance reports at such times, and in such form and containing such information, as the Administrator may determine to be necessary to enable him to ascertain whether the recipient has complied or is complying with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution or person and this agency, institution or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) Information to beneficiaries and participants. Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program for which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the Administrator finds necessary to apprise such persons of the protections against discrimination assured them by the Act and this part.

§ 209.7 Conduct of investigations.

(a) Periodic compliance reviews. The Administrator shall from time to time review the practices of recipients to determine whether they are complying with this part.

(b) Complaints. Any person who believes himself or any specific class of individuals to be subjected to discrimination prohibited by this part may by himself or by a representative file with the Administrator a written complaint. A complaint must be filed not later than 90 days from the date of the alleged discrimination, unless the time for filing is extended by the Administrator.

(c) Investigations. The Administrator will make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part. The investigation should include, where appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this part.

(d) Resolution of matters. (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this part, the Administrator will so inform the recipient and the matter will be resolved by informal means whenever possible. If it has been
§ 209.8 Procedure for effecting compliance.

(a) General. If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot not be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance, or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) Noncompliance with § 209.4. If an applicant fails or refuses to furnish an assurance required under § 209.4 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Agency for International Development shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph, except that the Agency shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefor approved prior to the effective date of this part.

(c) Termination of or refusal to grant or to continue Federal financial assistance. No order suspending, terminating, or refusing to grant or to continue Federal financial assistance shall become effective until (1) the head of the bureau or office administering the Federal financial assistance has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part, (3) the action has been approved by the Administrator pursuant to paragraph (e) of § 209.10 and (4) the expiration of 30 days after the Administrator has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) Other means authorized by law. No action to effect compliance by any other means authorized by law shall be taken until (1) the responsible Agency official has determined that compliance cannot be secured by voluntary means, (2) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least 10 days from the mailing of such notice to the recipient or other person. During this period of at least 10 days additional efforts shall be made to
§ 209.9 Hearings.

(a) Opportunity for hearing. Whenever an opportunity for a hearing is required by §209.8(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the Administrator that the matter be scheduled for hearing, or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this section or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and §209.8(c) of this part and shall be subject to the making of a decision on the basis of such information as is available.

(b) Time and place of hearing. Hearings shall be held at the offices of the Agency for International Development in Washington, DC, at a time fixed by the Administrator unless he determines that the convenience of the applicant or recipient or of the Agency requires that another place be selected. Hearings shall be held before the Administrator or before a hearing examiner designated in accordance with 5 U.S.C. 3105 and 3344 (section 11 of the Administrative Procedure Act).

(c) Right to counsel. In all proceedings under this section, the applicant or recipient, and the Agency for International Development shall have the right to be represented by counsel.

(d) Procedures, evidence, and record. (1) The hearing, decision, and any administrative review thereof shall be conducted in conformity with 5 U.S.C. 554-557 (sections 5–8 of the Administrative Procedure Act), and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Agency for International Development and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) Consolidated or joint hearings. In cases in which the same or related facts are asserted to constitute noncompliance with this part with respect to two or more Federal statutes, authorities, or other means by which Federal financial assistance is extended and to which this part applies or noncompliance with this part and the regulations of one or more other Federal departments or agencies issued
§ 209.10 Decisions and notices.

(a) Decision by a hearing examiner. If the hearing is held by a hearing examiner such hearing examiner shall either make an initial decision, if so authorized, or certify the entire record including his recommended findings and proposed decision to the Administrator for a final decision, and a copy of such initial decision or certification shall be mailed to the applicant or recipient and the complainant. Where the initial decision is made by the hearing examiner the applicant or recipient may within 30 days of the mailing of such notice of initial decision file with the Administrator his exceptions to the initial decision, with his reasons therefor. In the absence of exceptions, the Administrator may on his own motion within 45 days after the initial decision serve on the applicant or recipient a notice that he will review the decision. Upon the filing of such exceptions or of such notice of review the Administrator shall review the initial decision and issue his own decision thereon including the reasons therefor. The decision of the Administrator shall be mailed promptly to the applicant or recipient and the complainant, if any. In the absence of either exceptions or a notice of review the initial decision shall constitute the final decision of the Administrator.

(b) Decisions on record or review by the Administrator. Wherever a record is certified to the Administrator for decision or he reviews the decision of a hearing examiner pursuant to paragraph (a) of this section, or whenever the Administrator conducts the hearing, the applicant or recipient shall be given reasonable opportunity to file with him briefs or other written statements of its contentions, and a copy of the final decision of the Administrator shall be given in writing to the applicant or recipient and the complainant, if any.

(c) Decisions on record where a hearing is waived. Wherever a hearing is waived pursuant to § 209.9(a) a decision shall be made by the Administrator on the record and a copy of such decision shall be given in writing to the applicant or recipient, and to the complainant, if any.

(d) Rulings required. Each decision of a hearing officer or the Administrator shall set forth his ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this part with which it is found that the applicant or recipient has failed to comply.

(e) Content of orders. The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which this regulation applies and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this part, including provisions designed to assure that no Federal financial assistance to which this regulation applies will thereafter be extended to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to this part, or to have otherwise failed to comply with this part, unless and until it corrects its noncompliance and satisfies the Administrator that it will fully comply with this part.

(f) Post termination proceedings. (1) An applicant or recipient adversely affected by an order issued under paragraph (e) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with this regulation and provides reasonable assurance that it will fully comply with this regulation.

(2) Any applicant or recipient adversely affected by an order entered pursuant to paragraph (e) of this section may at any time request the responsible Agency official to restore
fully its eligibility to receive Federal financial assistance. Any such request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (f)(1) of this section. If the responsible Agency official determines that those requirements have been satisfied, he shall restore such eligibility.

(3) If the responsible Agency official denies any such request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes such official to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record, in accordance with rules of procedure issued by the responsible Agency official. The applicant or recipient will be restored to such eligibility if it proves at such a hearing that it satisfied the requirements of paragraph (f)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (e) of this section shall remain in effect.

§ 209.11 Judicial review.
Action taken pursuant to section 602 of the Act is subject to judicial review as provided in section 603 of the Act.

§ 209.12 Effect on other regulations; supervision and coordination.
(a) All regulations, orders or like directions heretofore issued by any officer of the Agency for International Development which impose requirements designed to prohibit any discrimination against individuals on the ground of race, color, or national origin under any program to which this part applies, and which authorize the suspension or termination of or refusal to grant or to continue Federal financial assistance to any applicant for or recipient of such assistance for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this part shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to the effective date of this part. Nothing in this part, however, shall be deemed to supersede any of the following (including future amendment thereof): (1) Executive Order 11246, and regulations issued thereunder, or (2) any other regulation or instruction insofar as it prohibits discrimination on the grounds of race, color, or national origin in any program or situation to which this part is inapplicable, or prohibits discrimination on any other ground.

(b) Supervision and coordination. The Administrator may from time to time assign to officials of other departments or agencies of the government (with the consent of such department or agency) responsibilities in connection with the effectuation of the purposes of title VI of the Act and this part (other than responsibility for final decision as provided in §209.10), including the achievement of effective coordination and maximum uniformity within the Agency for International Development and within the Executive branch of the Government in the application of title VI and this part to similar programs and in similar situations. Any action taken, determination made, or requirement imposed by an official of another Department or Agency acting pursuant to an assignment of responsibility under this subsection shall have the same effect as though such action had been taken by the responsible official of this Agency.

§ 209.13 Delegation of authority.
Responsibility for administration and enforcement of this part, with respect to Federal financial assistance administered by another Federal department or agency pursuant to delegation, transfer interagency service agreement, or other arrangement is vested in the head of such department or agency, or his delegate, and subject to such delegations or redelegations as he may make or authorize.

APPENDIX I TO PART 211—OPERATIONAL PLAN

Authority: 7 U.S.C. 1726a(c).

Source: 57 FR 19766, May 7, 1992, unless otherwise noted.

§ 211.1 General purpose and scope; legislation.

(a) Legislation. The Agricultural Trade Development and Assistance Act of 1954, as amended (Pub. L. 480), was further revised by the Agricultural Development and Trade Act of 1990, Public Law 101–624, 104 Stat. 3832–65 (1990). The legislation implemented by the regulation in this part (as of the date of issuance of this part) includes sections of Public Law 480, as follows: Sections 1, 2, 3, 201, 202, 203, 207, 401, 402, 403, 404, 406, 407, 408, 409, 413 and 414. Pursuant to title II of Public Law 480, A.I.D. may transfer agricultural commodities to address famine or other urgent or extraordinary relief requirements; combat malnutrition, especially in children and mothers; carry out activities that attempt to alleviate the causes of hunger, mortality and morbidity; promote economic and community development; promote sound environmental practices; and carry out feeding programs. Agricultural commodities may be provided to meet emergency food needs through foreign governments and private or public organizations, including intergovernmental organizations. Section 202(a) of Public Law 480 authorizes A.I.D., notwithstanding any other provision of law, to provide agricultural commodities for emergency food needs in such manner and on such terms and conditions as A.I.D. determines appropriate to respond to the emergency. Agricultural commodities also may be provided for non-emergency assistance through private voluntary organizations or cooperatives which are, to the extent practicable, registered with A.I.D., and through intergovernmental organizations.

(b) Terms and conditions. This part 211, also known as A.I.D. Regulation 11, provides the standard terms and conditions applicable to title II programs, except those conducted by agencies of the United Nations and the World Food Program. The Operational Plan submitted by a cooperating sponsor may propose, and justify, the waiver of any section of this Regulation that is not required by statute. If A.I.D. approves a waiver, the specific section or subsection waived will be identified in the Transfer Authorization signed by the cooperating sponsor and A.I.D. or in an attachment, prepared by A.I.D., that is appended to the Operational Plan.

All references in this Regulation to the Operational Plan shall include the AER that relates to such Operational Plan.

(r) **Private voluntary organization** means a not-for-profit, nongovernmental organization (in the case of a United States organization, an organization that is exempt from Federal Income Taxes under section 501(c)(3) of the Internal Revenue Code of 1986) that receives funds from private sources, voluntary contributions of money, staff time, or in-kind support from the public, and that is engaged or is planning to engage in voluntary, charitable or development assistance activities (other than religious activities).

(s) **Program income** means gross income earned by the cooperating sponsor or recipient agencies from activities supported under the approved program during the program period, including, but not limited to, interest earned on deposits of monetized proceeds, revenue from income generating activities, funds accruing from the sale of containers and nominal voluntary contributions by recipients made on the basis of ability to pay.

(t) **Recipient agencies** means schools, institutions, welfare agencies, disaster relief organizations, and public or private agencies whose food distribution functions or project activities are sponsored by the cooperating sponsor and which receive for distribution to eligible recipients commodities or monetized proceeds or program income for approved project activities. A cooperating sponsor may be a recipient agency.

(u) **Recipients** means persons who receive food assistance or the benefit of monetized proceeds or program income because of their economic or nutritional condition or who are otherwise eligible to receive commodities for their own use or other assistance in accordance with the terms and conditions of the approved Operational Plan or Transfer Authorization.

(v) **Registered private voluntary organization or cooperative** means a nonprofit private voluntary organization or cooperative registered with, and approved by, A.I.D. The term includes foreign as well as U.S. registered nonprofit voluntary organizations and cooperatives. For discussion of registration, see 22 CFR part 203, A.I.D. Regulation 3, Registration of Agencies for Voluntary Foreign Aid. In reviewing and approving proposals, A.I.D., at its discretion, may give preference to registered private voluntary organizations and cooperatives over those that are not and to U.S. private voluntary organizations and cooperatives over those that are foreign.

(w) **Transfer Authorization or TA** means the document signed by the cooperating sponsor and A.I.D. which describes commodities and the program
Agency for International Development

§ 211.3 Cooperating sponsor agreements; program procedure.

(a) Food for Peace Program Agreement. A nongovernmental organization is eligible to be a cooperating sponsor for regular programs under paragraph (d)(2)(i) of this section only after it has entered into a Food For Peace Program Agreement with A.I.D. that incorporates the terms and conditions set forth in Regulation 11.

(b) Host Country Food for Peace Program Agreement. Nongovernmental and intergovernmental cooperating sponsors shall, in addition to the Food for Peace Program Agreement, enter into a separate written Host Country Food for Peace Agreement with the foreign government of each country for which title II commodities are transferred to the cooperating sponsor. This agreement shall establish the terms and conditions needed by a nongovernmental cooperating sponsor to conduct a title II program in the country in accordance with the applicable requirements of this part. The cooperating sponsor shall provide USAID or the Diplomatic Post a copy of each executed Host Country Food for Peace Agreement.

Where such written agreement is not appropriate or feasible, USAID or the Diplomatic Post shall assure AID/W, in writing, that the program can be effectively implemented in compliance with this Regulation without such an agreement.

(c) Recipient Agency Agreement. Prior to the transfer of commodities, monetized proceeds, or program income to a recipient agency for distribution or implementation of an approved program, the cooperating sponsor shall execute with such agency a written agreement which shall:

(1) Describe the approved uses of commodities, monetized proceeds and program income in a manner consistent with the approved Operational Plan or TA;

(2) Require the recipient agency to pay the cooperating sponsor the value of any commodities, monetized proceeds or program income that are used for purposes not permitted under the Recipient Agency Agreement or that are lost, damaged or misused as a result of the recipient agency’s failure to exercise reasonable care with respect to such commodities, monetized proceeds or program income; and

(3) Incorporate by reference or otherwise the terms and conditions set forth in this Regulation 11.

The Operational Plan may indicate those transfers of commodities, monetized proceeds or program income for which the cooperating sponsor and A.I.D. agree that a Recipient Agency Agreement would not be appropriate or feasible. In any case, the cooperating sponsor shall remain responsible for such commodities, monetized proceeds and program income in accordance with the terms of this Regulation 11 and the Operational Plan or TA. The cooperating sponsor shall provide USAID or the Diplomatic Post a copy of each executed Recipient Agency Agreement.

(d) Program procedure—(1) Requests for programs. A program may be requested by any cooperating sponsor, including private voluntary organizations, cooperatives, foreign governments (for emergencies only), and international organizations.

(2) Approval of programs. There are two basic patterns of decision typically employed in approving a request for title II assistance:

(i) Regular programs. The cooperating sponsor submits to A.I.D. an Operational Plan or multi-year Operational Plan (see appendix I), describing the program proposed. Also, an AER will be submitted to A.I.D. along with the Operational Plan, estimating the quantities of commodities required for each program proposed. AID/W’s approval of and signature on the AER completes this decision process.

(ii) Individual programs. The other basic pattern of decision making results in a Transfer Authorization. The TA is used for all emergency government-to-government programs, and for
nongovernmental cooperating sponsor programs which do not fit within the Program Agreement/AER framework. The TA will include by reference Regulation II.

(3) Subject to availability. A.I.D.'s agreement to transfer commodities is subject to the availability of appropriations and agricultural commodities during each United States Government fiscal year to which it applies.

(4) Timing of decision. Under Public Law 480, section 207(a), within 45 days of its submission to AID/W, a decision must be made on a proposal submitted by a private voluntary organization or cooperative, concurred in by USAID or the Diplomatic Post. The decision shall detail the reasons for approval or denial, and if denied, conditions to be met for approval. In addition, a USAID or Diplomatic Post must decide whether or not to concur in the proposal within 45 days of receiving it or provide a written explanation to the private voluntary organization or cooperative and AID/W of the reasons USAID or the Diplomatic Post needs more time to consider the proposal.

§211.4 Availability and shipment of commodities.

(a) Shipment, distribution and use of commodities. Commodities shall be available for shipment, distribution and use in accordance with the provisions of the approved Operational Plan and AER, or TA and this Regulation II.

(b) Transfer of title and delivery. (1) Unless the approved Operational Plan or TA provides otherwise, title to the commodity shall pass—

(i) For nongovernmental cooperating sponsors, at the point in the United States at which the ocean carrier or its agents take possession of the cargo (generally f.a.s. or f.o.b. vessel U.S. port); or

(ii) For governmental cooperating sponsors, at the destination port of entry, upon completion of discharge by the ocean carrier (non-landlocked countries), or at the destination point of entry, upon completion of delivery by the inland carrier (landlocked countries).

Except as A.I.D. may otherwise agree in writing, the cooperating sponsor shall retain title to commodities, monetized proceeds, and program income transferred to a recipient agency for distribution or use in accordance with the Operational Plan or TA.

(2) Nongovernmental cooperating sponsors shall make the necessary arrangements to accept commodities at the points of availability designated by CCC.

(c) Processing, handling, transportation and other costs. (1) Except as otherwise provided in the Operational Plan or TA, the United States will pay in accordance with this paragraph (c) processing, handling, transportation, and other incidental costs incurred in making commodities available to cooperating sponsors at U.S. ports or U.S. inland destinations, up to the point at which the ocean carrier takes possession of the cargo.

(2) The United States will finance the transfer of commodities at the lowest combination inland and ocean transportation costs as determined by the United States and in sizes and types of packages announced as applicable. If a nongovernmental cooperating sponsor requests changes to these standards which are made by the United States as an accommodation to the cooperating sponsor and these changes result in costs over those the United States otherwise would have incurred, the cooperating sponsor shall reimburse the United States for these increased costs promptly upon request.

(3) All costs and expenses incurred subsequent to the transfer of title to cooperating sponsors shall be borne by them except as otherwise provided herein. Upon the determination that it is in the interests of the program to do so, the United States may pay or reimburse the following additional costs:

(i) Ocean transportation costs from U.S. ports to the designated ports of entry abroad; or

(ii) Ocean transportation costs from U.S. ports to designated points of entry abroad in the case—

(A) Of landlocked countries,

(B) Where ports cannot be used effectively because of natural or other disturbances,

(C) Where carriers to a specific country are unavailable, or
(D) Where a substantial savings in cost or time can be effected by the utilization of points of entry other than ports; or

(iii) In the case of commodities for urgent and extraordinary relief requirements, including prepositioned commodities, transportation costs from designated points of entry or ports of entry abroad to storage and distribution centers and associated storage and distribution costs.

(d) Payment or reimbursement of ocean freight costs. When A.I.D. contracts for ocean carriage, carriers shall be paid by A.I.D., as provided in their contracts of affreightment, upon presentation of Standard Form 1034 and three copies of 1034A (Public Voucher for purchases and services other than personal), together with three copies of the related on-board ocean bill of lading, one copy of which must contain the following certification signed by an authorized representative of the steamship company:

I certify that this document is a true and correct copy of the original on-board ocean bill of lading under which the goods herein described were located on the above-named vessel and that the original and all other copies thereof have been clearly marked as not to be certified for billing.

(Name of steamship co.)

By

(Authorized representative)

Such documents shall be submitted to: Transportation Division, Office of Procurement, (FA/OP/TRANS), Agency for International Development, Washington, DC 20523. Except for duty, taxes and other costs excluded by §211.7 (a) and (b) of this Regulation, non-governmental cooperating sponsors booking their own vessels will be reimbursed as provided in A.I.D. Regulation 2 (part 202 of this chapter) for ocean freight authorized by the United States upon presentation to AID/W of proof of payment to the ocean carrier. However, freight prepaid bills of lading which indicate firm incurrence of freight costs will be accepted by A.I.D. as evidence of payment to the ocean carrier provided that the nongovernmental cooperating sponsor agrees to ensure that such carrier is actually paid no later than 7 calendar days following receipt of U.S. Government funds by the sponsor or its agent. A.I.D. will reimburse nongovernmental cooperating sponsors only up to a maximum of 2½ percent commission paid to their freight forwarders as a result of booking Public Law 480, title II cargo. Similarly, when A.I.D. books cargo, a maximum of 2½ percent commission may be paid by the contracted carrier. Proof of payment of commissions must be submitted with requests for reimbursement.

(e) Shipping instructions—(1) Shipments booked by A.I.D. Requests for shipment of commodities shall originate with the cooperating sponsor and shall be submitted to USAID or the Diplomatic Post for clearance and transmittal to AID/W. AID/W shall, through cables or letters to USAID or the Diplomatic Post, provide cooperating sponsors (and, where applicable, private voluntary organization or cooperative headquarters) with names of vessels, expected times of arrival (ETAs), and other pertinent information on shipments booked by A.I.D. As soon as possible but not later than 7 days from the time of exportation of commodities, A.I.D.’s freight forwarding contractor shall send applicable ocean bills of lading by airmail, or by the fastest means available, to USDA (Chief, Processed Commodities Division, Kansas City ASCS Commodity Office (KCCO), P.O. Box 419205, Kansas City, Missouri 64141–6205), to USAID or the Diplomatic Post (and where applicable to the USAID Controller and nongovernmental cooperating sponsor headquarters and field representative), to AID/W, FA/OP/TRANS (see §211.4(d)), and to the consignee in sufficient time to advise of the arrival of the shipment.

(2) Shipments booked by nongovernmental cooperating sponsor. Requests for shipment of commodities shall originate with the cooperating sponsor and shall be cleared by USAID or the Diplomatic Post before transmittal to the cooperating sponsor’s headquarters for concurrence and issuance. USAID or the Diplomatic Post shall promptly clear such requests for shipment of commodities or, if there is reason for delay or disapproval, advise the cooperating sponsor and AID/W within seven (7) days of receipt of requests for shipment. After the cooperating sponsor
headquarters concurs in the request and issues the order, the original will be sent promptly to AID/W which will forward it to CCC for procurement action with a copy to USAID or the Diplomatic Post. Headquarters of cooperating sponsors which book their own shipments shall provide their representatives and USAID or the Diplomatic Post with the names of vessels, ETAs and other pertinent information on shipments booked. At the time of exportation of commodities, the booking agent representing the cooperating sponsor shall send applicable ocean bills of lading by airmail or by the fastest means available to USDA (Chief, Processed Commodities Division, Kansas City ASCS Commodity Office (KCCO), P.O. Box 419205, Kansas City, Missouri 64141-6205), to USAID or the Diplomatic Post (and where applicable to the USAID Controller and the nongovernmental cooperating sponsor representative), to AID/W, FA/OP/TRANS (see §211.4(d)), and to the consignee in the country of destination in sufficient time to advise of the arrival of the shipment. Nongovernmental cooperating sponsors also will forward cable advice of actual exportation to their program directors in countries within the Caribbean area in view of the short transit time from U.S. port to destination.

(3) Cooperating sponsors awarding USAID-financed ocean transportation bookings of food aid under the Public Law 480, title II program shall follow consistent, transparent, fair and effective procedures. In order to promote these objectives, USAID may formulate, and from time-to-time amend, uniform standard booking guidelines relating to such bookings. Guidelines will be finalized only after consultation with affected cooperating sponsors, freight forwarders and carriers as required by the Agricultural Development and Trade Act of 1990 or other applicable legislation. Copies of the guidelines and any proposed amendments may be obtained from the Transportation Division, Office of Procurement, Agency for International Development, Washington, DC 20523.

(I) Tolerances. Delivery by the United States to the cooperating sponsor at point of transfer of title within a tolerance of 5 percent (2 percent in the case of quantities over 10,000 metric tons) plus or minus, of the quantity ordered for shipment shall be regarded as completion of delivery. There shall be no tolerance with respect to the ocean carrier’s responsibility to deliver the entire cargo shipped and the United States assumes no obligation for failure by an ocean carrier to complete delivery to port of discharge.

(g) Conflict of interest. (1) Pursuant to section 407(c)(4) of Public Law 480, a person may not be an agent, broker, consultant, or other representative of the U.S. Government, an importer, or an importing country in connection with agricultural commodities provided under Public Law 480 during a fiscal year in which such person acts as an agent, broker, consultant or other representative of a person engaged in providing ocean transportation or ocean transportation-related services for such commodities.

(ii) The prohibition does not preclude payment by ocean carriers of compensation or brokerage fees on a shipment-by-shipment basis as provided in governing tariffs or charter parties to persons performing freight forwarding or charter broking services under contract to the U.S. Government.

(2) Pursuant to section 407(d)(3) of Public Law 480, freight agents employed by A.I.D. under title I, II or III of Public Law 480 shall not represent any other foreign government during the period of their contract with the United States Government. This restriction applies both to charter brokers and freight forwarders whether they are prime contractors or subcontractors of A.I.D.

(3) This paragraph (g) does not apply to shipments booked by nongovernmental cooperating sponsors or their agents.
§ 211.5 Obligations of cooperating sponsor.

(a) Operational Plans. Each cooperating sponsor shall submit a description of the programs it is sponsoring or proposes to sponsor to USAID or the Diplomatic Post for its approval. AID/W will prescribe the format and timing for submittals and provide final approval of the Operational Plan. This Operational Plan will include program purposes and goals; criteria for measuring program effectiveness; a description of the activities for which commodities, monetized proceeds, or program income will be provided or used; and other specific provisions in addition to those set forth in this Regulation. Further, this description will include information from which it may be determined that the distribution of commodities in the recipient country will not result in a substantial disincentive to domestic production and that adequate storage facilities will be available in the recipient country at the time of arrival of the commodity to prevent spoilage or waste of the commodity. For preparation of the Operational Plan, see appendix I to this regulation. If a cooperating sponsor submits a multi-year Operational Plan that is approved by A.I.D., the Operational Plan provided with an AER each subsequent year should cover only those components or features which require updating or the cooperating sponsor proposes to change. A.I.D. will issue guidance each year regarding Operational Plans that must be submitted by cooperating sponsors. Within the limits of the total amount of commodities, monetized proceeds and program income approved by A.I.D. in the Operational Plan, the cooperating sponsor may increase or decrease by not to exceed 10 percent the amount of commodities, monetized proceeds or program income allocated to approved program categories or components of the Operational Plan. Such adjustments must be identified specifically in the annual report submitted by a cooperating sponsor under §211.10(b) of the Regulation. A cooperating sponsor may not otherwise deviate from the Operational Plan without the prior written approval of A.I.D.

(b) Program supervision. Cooperating sponsors shall provide adequate supervisory personnel for the efficient operation of the program, including personnel to:

(1) Plan, organize, implement, control, and evaluate programs involving distribution of commodities or use of monetized proceeds and program income,

(2) Make warehouse inspections, physical inventories, and end-use checks of food or funds, and

(3) Review of books and records maintained by recipient agencies that receive monetized proceeds and/or program income.

Cooperating sponsors shall be represented by a person resident in the country of distribution or other nearby country approved by AID/W, who is appointed by and responsible to the cooperating sponsor for distribution of commodities or use of monetized proceeds or program income in accordance with the provisions of this regulation.

(c) Audits—(1) By nongovernmental cooperating sponsors. A nongovernmental cooperating sponsor shall arrange for periodic audits to be conducted in accordance with OMB Circular A–133, including the OMB Compliance Supplement and the Statement of Position Regarding Circular A–133 developed by the American Institute of Certified Public Accountants. Nongovernmental recipient agencies shall be treated as subrecipients under OMB Circular A–133, and governmental recipient agencies shall furnish the cooperating sponsor audits in accordance with the standard in paragraph (c)(2) of this section. The cooperating sponsor may satisfy these audit responsibilities with respect to recipient agencies by relying on independent audits performed of recipient agencies or on appropriate procedures performed by the cooperating sponsor’s internal audit or program staff, by expanding the scope of the independent financial and compliance audit of the cooperating sponsor to encompass testing of recipient agency charges, or by a combination of these procedures. The Generally Accepted Commodity Accounting Principles issued by Food Aid Management, an association of cooperating sponsors, may be used for commodity accounting.

849
§ 211.5

(2) By governmental cooperating sponsors. A governmental cooperating sponsor shall ensure that an audit satisfactory to A.I.D. is conducted annually with respect to donated commodities and monetized proceeds, if commodity sales are authorized under the agreement with A.I.D., including commodities and monetized proceeds transferred to or used by recipient agencies. The audit shall be a financial audit performed by the country’s principal government audit agency or another audit agency or firm acceptable to A.I.D. This audit should be conducted in accordance with generally accepted government auditing standards issued by the United States General Accounting Office, or auditing standards that have been prescribed by the laws of the country or adopted by public accountants or an association of public accountants in the country, or Auditing Standards promulgated by the International Organization of Supreme Audit Institutions or International Auditing Practices Committee of the International Federation of Accountants. Both the auditor and the auditing standards to be used by the cooperating sponsor must be acceptable to A.I.D. The cooperating sponsor may satisfy its audit responsibility with respect to recipient agencies by relying on independent audits of the recipient agency or on appropriate procedures performed by internal audit or program staff of the cooperating sponsor, by expanding the scope of the independent financial audit of the cooperating sponsor to encompass testing of recipient agency charges or actions, or by a combination of these procedures. Recipient agencies that receive less than $25,000 of donated commodities and/or monetized proceeds are excluded from the cooperating sponsor’s audit responsibility.

(d) Commodity requirements; AER. Each cooperating sponsor shall submit to USAID or the Diplomatic Post, within such times and on the AER form prescribed by AID/W, estimates of requirements showing the quantities of commodities required for each program proposed.

(e) No military distribution. Except as A.I.D. may otherwise agree in writing, agricultural commodities donated by A.I.D. shall not be distributed, handled or allocated by any military forces.

(f) Determination of eligibility of recipients. Cooperating sponsors shall be responsible for determining that the recipients and recipient agencies to whom they distribute commodities are eligible in accordance with the Operational Plan or TA and this Regulation. Cooperating sponsors shall impose upon recipient agencies responsibility for determining that the recipients to whom they distribute commodities or provide assistance with monetized proceeds or program income are eligible. Commodities shall be distributed free of charge except as provided in paragraphs (j) and (k) of this section or as otherwise authorized by AID/W, but in no case will recipients be excluded from receiving commodities because of inability to make a contribution to the cooperating sponsor for any purpose.

(g) No discrimination. Cooperating sponsors shall distribute commodities to and conduct operations (with food, monetized proceeds, or program income) only with eligible recipient agencies and eligible recipients without regard to political affiliation, geographic location, ethnic, tribal or religious identity or other factors extraneous to need and the eligibility criteria set forth in the approved Operational Plan or TA, and shall impose similar conditions upon recipient agencies.

(h) Public recognition. To the maximum extent practicable, and with the cooperation of the host government, adequate public recognition shall be given in the press, by radio, and other media that the commodities or assistance financed by monetized proceeds or program income have been provided through the friendship of the American people as food for peace. At distribution and feeding centers or other project sites the cooperating sponsor shall, to the extent feasible, display banners, posters, or similar media which shall contain information similar to that prescribed for containers in paragraph (i) of this section. Recipients’ individual identification cards shall, insofar as practicable, be imprinted to contain such information.
(i) **Containers—(1) Markings.** Unless otherwise specified in the Operational Plan or TA, when commodities are packaged for shipment from the United States, bags and other containers shall be marked with the CCC contract number or other identification, the A.I.D. emblem and the following information stated in English:

(i) Name of commodity;

(ii) Provided through the friendship of the American people as food for peace;

(iii) Not to be sold or exchanged (where applicable).

(2) **Disposal of containers.** Cooperating sponsors may dispose of containers, other than containers provided by carriers, in which commodities are received in countries having approved title II programs, by sale or exchange, or may distribute the containers free of charge to eligible food or fiber recipients for their personal use. If the containers are to be used commercially, the cooperating sponsor must arrange for the removal, obliteration, or cross out of the U.S. Government markings from the containers prior to such use.

(j) **Monetization programs.** Provisions of this Regulation that prohibit or restrict the sale of commodities or require marking or labeling of containers do not apply to the extent the sale of commodities is approved by A.I.D. Cooperating sponsors are not required to monitor, manage, report on or account for the distribution or use of commodities after title to the commodities has passed to buyers or other third parties pursuant to a sale under a monetization program and all sales proceeds have been fully deposited in the special interest-bearing account established by the cooperating sponsor for monetized proceeds. However, the receipt and use of sales proceeds must be monitored, managed, reported and accounted for as provided in this Regulation, with special reference to paragraphs (k)(i) and (l) of this section, and §211.10. It is not mandatory that commodities approved for monetization be imported and sold free from all duties and taxes, but non-governmental cooperating sponsors may negotiate agreements with the host government permitting the tax-free import and sale of such commodities. Even where the cooperating sponsor negotiates tax-exempt status, the prices at which the cooperating sponsor sells the commodities to the purchaser should reflect prices that would be obtained in a commercial transaction, i.e., the prices would include the cost of duties and taxes, except as A.I.D. may otherwise agree in writing. Thus, the amounts normally paid for duties and taxes would accrue for the benefit of the cooperating sponsor’s approved program. Cooperating sponsors should refer to the “Monetization Field Manual” for more comprehensive guidance on setting the sales price. A copy of the Monetization Manual may be obtained from AID/W-FHA/PPE, Washington, DC 20523.

(k) **Use of funds.** (1) Nongovernmental cooperating sponsors and recipient agencies may use monetized proceeds and program income to:

(i) Transport, store, distribute and otherwise enhance the effectiveness of the use of donated commodities and products thereof, including construction or improvement of storage facilities or warehouses, handling, insect and rodent control, payment of personnel employed or used by the cooperating sponsor or recipient agencies in support of approved programs;

(ii) Implement income generating, community development, health, nutrition, cooperative development, agricultural and other developmental activities agreed upon by A.I.D. and the cooperating sponsor;

(iii) Make investments, with the approval of A.I.D., and any interest earned on such investments may be used for purposes described in paragraphs (k)(i) and (ii) of this section;

(iv) Improve their financial and other management systems; and

(v) Pay indirect costs of the cooperating sponsor that are allocable to the monetization program at the indirect cost rate approved by A.I.D. for the cooperating sponsor, the direct and indirect costs of an office maintained by the cooperating sponsor in the country where the monetization program is conducted that are allocable to the title II program there, and the costs of a regional office maintained by a cooperating sponsor that are allocable to the cooperating sponsor’s effort to enhance the effectiveness of the use of
§211.5
22 CFR Ch. II (4–1–16 Edition)

commodities provided by A.I.D. under title II.

(2) Monetized proceeds and program income may be used by the cooperating sponsor and recipient agencies only for the purposes described in the Operational Plan or TA, or otherwise approved by A.I.D., in writing, and only for such costs as would be allowable under OMB Circular A–122, as amended, “Cost Principles for Nonprofit Organizations”. A recipient agency may use not to exceed $500 per year of voluntary contributions for institutional, community or social development or other humanitarian purposes without regard to the Operational Plan or TA or OMB Circular A–122.

(3) Governmental cooperating sponsors shall use monetized proceeds and program income only for emergency purposes as described in the TA with respect to such programs.

(4) Monetized proceeds and program income may not be used to pay for the performance of abortions as a method of family planning or to motivate or coerce any person to practice abortions.

(5) Except as A.I.D. may otherwise agree in writing, monetized proceeds may not be used to finance the production for export of agricultural commodities, or products thereof, that would compete in the world market with similar agricultural commodities, or products thereof, produced in the United States, if such competition would cause substantial injury to the United States producers, as determined by A.I.D.

(6)(i) The cooperating sponsor shall use commercially reasonable practices in construction activities and in purchasing goods and services with monetized proceeds or program income; maintain a code of standards of conduct regarding conflicts of interest; carry out procurement transactions in a manner to provide open and free competition to the maximum extent practicable; and maintain and make available to A.I.D. in accordance with §211.10 records and documents regarding the procurement of goods and services with monetized proceeds and program income. Cooperating sponsors shall follow their own requirements relating to bid guarantees, performance bonds and payment bonds when program income or monetized proceeds are used to finance construction or the improvement of facilities, but shall consult with USAID or the Diplomatic Post regarding such requirements when the estimated cost of such construction or improvements exceeds $100,000. Title to real and personal property shall be vested in the cooperating sponsor, except as provided in the Operational Plan or TA or as A.I.D. may otherwise agree in writing, subject to the requirements of §211.11 upon termination of the program.

(ii) Monetized proceeds and program income may not be used to acquire, construct, alter or upgrade land, buildings or other real property improvements that are used in whole or in part for sectarian purposes or which are owned or managed by a church or other organization engaged exclusively in religious activity. Notwithstanding the preceding sentence, monetized proceeds or program income may be used to finance repair or rehabilitation of an existing structure owned or managed by a church or organization engaged exclusively in religious activity to the extent necessary to avoid spoilage or loss of donated commodities, provided that the structure is not used in whole or in part for any sectarian purpose while donated commodities are stored in it. The use of monetized proceeds or program income to finance construction of such a structure may be approved in the Operational Plan or TA or by USAID or the Diplomatic Post if the structure is needed and will be used for the storage of donated commodities for a sufficient period of time to warrant the expenditure of monetized proceeds or program income and the structure will not be used for any sectarian purpose during this period.

(i) Report on funds. The cooperating sponsor (headquarters, if there is more than one office) shall annually provide AID/W a report on the receipt and disbursement of all monetized proceeds and program income by cooperating sponsors and recipient agencies. This report should include the source of the funds, by country, and how the funds were used. This annual report should be submitted to AID/W by December 31 of each calendar year for the fiscal
(m) *No displacement of sales.* Except in the case of emergency or disaster situations, the donation of commodities furnished for these programs shall not result in increased availability for export by the recipient country of the same or like commodities and shall not interfere with or displace sales in the recipient country which might otherwise take place. A country may be exempt from this proviso if circumstances warrant. USAIDs should seek AID/W guidance on this matter.

(n) *Commodities borrowed or exchanged for programs.* After the date of the program approval by AID/W, but before arrival at the distribution point of the commodities authorized, the cooperating sponsor may, with prior approval of USAID or the Diplomatic Post, borrow the same or similar commodities from available sources to meet program requirements provided that:

1. Borrowed commodities which are used in accordance with the terms of the Operational Plan or TA will be replaced with commodities transferred by A.I.D. The amount of commodities transferred to replace borrowed commodities shall be established by mutual agreement between the cooperating sponsor and USAID or the Diplomatic Post and will be determined on the basis of equivalent value at the time and place of transfer or on some other justifiable basis proposed by the cooperating sponsor and acceptable to USAID or the Diplomatic Post;

2. Packaged commodities which are borrowed shall be appropriately identified insofar as practicable in the language of the country of distribution as having been provided through the friendship of the American people as food for peace; and

3. Suitable publicity shall be given to the exchange of commodities as provided in paragraph (h) of this section and containers for borrowed commodities from available sources to meet program requirements provided that:

(o) *Commodity transfer between programs.* After the date of program approval by AID/W, but before distribution of the commodities, USAID or the Diplomatic Post (or the cooperating sponsor with prior approval of USAID or the Diplomatic Post) may transfer commodities between approved title II programs to meet emergency disaster requirements or to improve efficiency of operation, such as to meet temporary shortages due to delays in ocean transportation or provide for rapid distribution of stocks in danger of deterioration. Transfers also may be made to disaster organizations for use in meeting exceptional circumstances. Commodity transfers shall be made at no cost to the U.S. Government and with the concurrence of the cooperating sponsor and disaster relief organization concerned. A USAID or Diplomatic Post with funds available, however, may pay the costs of transfers to meet extraordinary relief requirements, and AID/W shall be advised promptly of the details of the transfer. Commodities transferred between programs shall not be replaced by the U.S. Government unless AID/W authorizes such replacement.

(p) *Disposal of excessive stock of commodities.* If commodities are on hand which cannot be utilized in accordance with the approved Operational Plan or the TA, the cooperating sponsor shall promptly advise USAID or the Diplomatic Post of the quantities, location and condition of such commodities, and where possible, shall propose an alternate use of the excess stocks; USAID or the Diplomatic Post shall determine the most appropriate use of the excess stocks, and with prior AID/W concurrence, shall issue instructions for disposition. Transportation costs and other charges attributable to transferring commodities from one program to another within the country shall be the responsibility of the cooperating sponsor, except that in case of disaster or emergency, AID/W may authorize the use of disaster or emergency funds to pay for the costs of such transfers. (For discussion of unfit commodity disposal, see §211.8.)

(q) *Trilateral exchange programs.* The restrictions in this Regulation regarding the distribution, use or labeling of commodities shall not apply to commodities furnished by CCC in exchange for other commodities obtained from third parties (“exchanged commodities”) to be distributed in a recipient...
country under a trilateral exchange program. Except as A.I.D. and the cooperating sponsor may otherwise agree in writing, title to the exchanged commodities will pass to the cooperating sponsor upon delivery to and acceptance by the cooperating sponsor at the point of delivery specified in the Operational Plan or TA. After title passes to the cooperating sponsor the exchanged commodities shall be deemed “commodities” covered by this Regulation with respect to all post-delivery obligations of the cooperating sponsor contained in this Regulation, including obligations regarding labeling to the extent practicable, distribution, monitoring, reporting, accounting and use of commodities or monetized proceeds resulting from their sale. In the event of difficulty in satisfying the labeling requirement, the cooperating sponsor will consult with USAID or the Diplomatic Post for guidance.

(r) Landing. Governmental cooperating sponsors shall permit donated commodities to be discharged notwithstanding any dispute or question concerning quality, quantity, or other matters relating to the commodity itself. Any such dispute or question shall be resolved in accordance with procedures stated in this Regulation or in the relevant shipping or other contracts, as applicable.

§ 211.6 Processing, repackaging, and labeling commodities.

(a) Commercial processing and repackaging. Cooperating sponsors or their designees may arrange for processing commodities into different end products and for packaging or repackaging commodities prior to distribution. Commodities may be bartered, or monetized proceeds or program income may be used, to offset such costs if provided for in the Operational Plan or TA or approved by USAID or the Diplomatic Post. When commercial facilities are used for processing, packaging or repackaging, cooperating sponsors or their designees shall enter into written agreements for such services and copies of the agreements must be provided to USAID or the Diplomatic Post. Except as AID/W otherwise agrees, the executed agreements shall provide as a minimum that the party providing such services shall:

1. Fully account to the cooperating sponsor for all commodities delivered to the processor’s possession and shall maintain adequate records and submit periodic reports pertaining to the performance of the agreement;

2. Be liable for the value of all commodities not accounted for as provided in § 211.9(e);

3. Return or dispose of the containers in which the commodity is received from the cooperating sponsor according to instructions from the cooperating sponsor; and

4. Plainly label carton, sacks, or other containers containing the end product in accordance with paragraph (c) of this section.

(b) Use of cooperating sponsor facilities. When cooperating sponsors utilize their own facilities to process, package, or repack age commodities into different end products, and when such products are distributed for consumption off the premises of the cooperating sponsor, the cooperating sponsor shall plainly label the containers as provided in paragraph (c) of this section, and banners, posters, or similar media which shall contain information similar to that prescribed in paragraph (c) of this section, shall be displayed at the distribution center. Recipients’ individual identification cards shall contain such information.

(c) Labeling. If, prior to distribution, the cooperating sponsor arranges for packaging or repackaging donated commodities, the cartons, sacks, or other containers in which the commodities are packed shall be plainly labeled with the A.I.D. emblem, and insofar as practicable, with the following information in the language of the country in which the commodities are to be distributed:

1. Name of commodity;

2. Provided through the friendship of the American people as food for peace;

and

3. Not to be sold or exchanged (where applicable).

Emblems or other identification of nongovernmental cooperating sponsors also may be added.
§ 211.7 Arrangements for entry and handling in foreign country.

(a) Costs at discharge ports. Except as otherwise agreed upon by AID/W and provided in the applicable shipping contract or in paragraph (d) and (e) of this section, the cooperating sponsor shall be responsible for all costs, other than those assessed by the delivering carrier either in accordance with its applicable tariff for delivery to the discharge port or the applicable charter or booking contract. The cooperating sponsor shall be responsible for all costs related to

(1) Distributing the commodity to end users, as provided in the approved Operational Plan or TA;

(2) Demurrage, detention, and overtime;

(3) Obtaining independent discharge survey reports as provided in § 211.9 under which the cooperating sponsor will be reimbursed for the costs of obtaining independent survey reports as provided in § 211.9(c)(1)(iv); and

(4) Wharfage, taxes, dues, and port charges assessed and collected by local authorities from the consignee, lighter-age (when not a custom of the port), and lightening costs when assessed as a charge separate from the freight rate.

(b) Duty, taxes, and consular invoices. Except for commodities which are to be monetized (sold) under an approved Operational Plan or TA, commodities shall be admitted duty free and exempt from all taxes. Consular or legalization invoices shall not be required unless specific provision is made in the Operational Plan or TA. If required, they shall be issued without cost to the cooperating sponsor or to the Government of the United States. The cooperating sponsor shall be responsible for ensuring prompt entry and transit in the foreign country(ies) and for obtaining all necessary import permits, licenses or other appropriate approvals for entry and transit, including phytosanitary, health and inspection certificates.

(c) Storage facilities and transportation in foreign countries. The cooperating sponsors shall provide assurance to USAID or the Diplomatic Post that all necessary arrangements for receiving the commodities have been made, and shall assume full responsibility for storage and maintenance of the commodities from time of delivery at port of entry abroad or, when authorized, at other designated points of entry abroad agreed upon between the cooperating sponsor and AID/W. Before recommending approval of a program to AID/W, USAID or the Diplomatic Post shall obtain, from the cooperating sponsor, assurance that provision has been made for internal transportation, and for storage and handling which are adequate by local commercial standards. The cooperating sponsor shall be responsible for the maintenance of the commodities in such manner as to assure distribution of the commodities in good condition to recipient agencies or eligible recipients.

(d) Inland transportation in intermediate countries. In the case of land-locked countries, transportation in the intermediate country to a designated inland point of entry in the recipient country shall be arranged by the cooperating sponsor unless otherwise provided in the Operational Plan or TA. Nongovernmental cooperating sponsors shall handle claims arising from loss or damage in the intermediate country, in accordance with § 211.9(e). Governmental cooperating sponsors shall assign any rights that they may have to any claims that arise in the intermediate country to USAID or the Diplomatic Post which shall pursue and retain the proceeds of such claims.

(e) Authorization for reimbursement of costs. If, because of packaging damage, a cooperating sponsor determines that commodities must be repackaged to ensure that the commodities arrive at the distribution point in a wholesome condition, the cooperating sponsor may incur expenses for such repackaging up to $500 and such costs will be reimbursed by CCC. If costs will exceed $500, the authority to repack and incur
the costs must be approved by USAID or the Diplomatic Post in advance of repackaging unless such prior approval is specifically waived, in writing, by USAID or the Diplomatic Post. For losses in transit, the $500 limitation shall apply to all commodities which are shipped on the same voyage of the same vessel to the same port of destination, irrespective of the kinds of commodities shipped or the number of different bills of lading issued by the carrier. For other losses, the $500 limitation shall apply to each loss situation, e.g., if 700 bags are damaged in a warehouse due to an earthquake, the $500 limitation applies to the total cost of repackaging the 700 bags. Shipments may not be artificially divided in order to avoid the limitation of $500 or for obtaining prior approval to incur repackaging costs.

(f) Method of reimbursement. (1) Costs of repackaging required because of damage occurring prior to or during discharge from the ocean carrier should be included, as a separate item, in claims filed against the ocean carrier. (See §211.9(c).) Full reimbursement of such costs up to $500 will be made by CCC upon receipt of invoices or other documents to support such costs. For amounts expended in excess of $500, reimbursement will be made upon receipt of supporting invoices or other documents establishing the costs of repackaging and showing the prior approval of USAID or the Diplomatic Post to incur the costs, unless approval is waived under §211.7(e).

(2) Costs of repackaging required because of damage caused after discharge of the cargo from the ocean carrier shall be reimbursed to the cooperating sponsor by CCC (USDA-ASCS Fiscal Division, 14th & Independence Avenue, Washington, DC 20250) upon receipt of supporting invoices or other documentation.

§211.8 Disposition of commodities unfit for authorized use.

(a) Prior to delivery to cooperating sponsor at discharge port or point of entry. If the commodity is damaged prior to delivery to a governmental cooperating sponsor at discharge port or point of entry overseas, USAID or the Diplomatic Post shall immediately arrange for inspection by a public health official or other competent authority.

A nongovernmental cooperating sponsor shall arrange for such an inspection under these circumstances. Commodity that is determined to be unfit for authorized use shall be disposed of in accordance with the priority set forth in paragraph (b). Expenses incidental to the handling and disposition of the damaged commodity shall be paid by USAID or the Diplomatic Post from the sales proceeds, from CCC Account No. 20FT401 or from the special title II, Public Law 480 Agricultural Commodity Account. The net proceeds of sales shall be deposited with the U.S. Disbursing Officer American Embassy, for the credit of CCC Account No. 20FT401.

(b) After delivery to cooperating sponsor. (1) If after arrival in a foreign country it appears that all or part of the commodities, may be unfit for the use authorized in the Operational Plan or TA, the cooperating sponsor shall immediately arrange for inspection of the commodity by a public health official or other competent authority approved by USAID or the Diplomatic Post. If no competent local authority is available, USAID or the Diplomatic Post may determine whether the commodities are unfit, and if so, may direct disposal in accordance with paragraphs (b) (1) through (4) of this section. The cooperating sponsor shall arrange for the recovery for authorized use of that part designated during the inspection as suitable for program use. If, after inspection, the commodity (or any part thereof) is determined to be unfit for authorized use, the cooperating sponsor shall notify USAID or the Diplomatic Post of the circumstances pertaining to the loss or damage as prescribed in §211.9(f).

(2) A cooperating sponsor shall dispose of commodities determined to be unfit for authorized use in the order of priority described in paragraphs (b)(2)(i) through (iv) of this section. The concurrence of USAID or the Diplomatic Post should be requested for disposition of commodities valued at $500 or more. If the USAID or Diplomatic Post does not respond to the cooperating sponsor’s request for concurrence within 15 days, the cooperating sponsor
may dispose of the commodities in the manner described in its request and inform the USAID or Diplomatic Post of its action taken in accordance with this section.

(i) Sale for the most appropriate use, i.e., animal feed, fertilizer, or industrial use, at the highest obtainable price. When the commodity is sold, all U.S. Government markings shall be obliterated, removed or crossed out.

(ii) Transfer to an approved Food for Peace program for use as livestock feed. AID/W shall be advised promptly of any such transfer so that shipments from the United States to the livestock feeding program can be reduced by an equivalent amount.

(iii) Donation to a governmental or charitable organization for use as animal feed or for other nonfood use.

(iv) If the commodity is unfit for any use or if disposal in accordance with paragraphs (b)(2)(i), (ii) or (iii) of this section is not possible, the commodity shall be destroyed in such manner as to prevent its use for any purpose. Commodities valued at $500 or more shall be destroyed under the observation of a representative of the USAID or Diplomatic Post if practicable. When the cooperating sponsor informs the USAID or Diplomatic Post of its intention to destroy commodities, the cooperating sponsor shall indicate the kind and amount of commodities that will be destroyed, the manner of destruction, the representative(s) of local authorities who will witness the destruction, and the date when the commodities will be destroyed. The date shall be established on the basis of programmatic need, but an effort should be made to provide a reasonable opportunity for a representative of the USAID or Diplomatic Post to attend. The commodities may be destroyed on the date indicated even if there is no representative of the USAID or Diplomatic Post to observe this action.

(3) Expenses incidental to the handling and disposition of the damaged commodity shall be paid by the cooperating sponsor unless it is determined by USAID or the Diplomatic Post that the damage could not have been prevented by the proper exercise of the cooperating sponsor's responsibility under the terms of the Operational Plan or TA. Actual expenses incurred, including third party costs, in selling the commodities may be deducted from the sales proceeds and, except for monetization programs, the net proceeds shall be deposited with the U.S. Disbursing Officer, American Embassy, with instructions to credit the deposit to CCC Account No. 20FT401. In monetization programs, net proceeds shall be deposited in the special account used for the approved program.

(4) The cooperating sponsor shall furnish USAID or the Diplomatic Post a written report in accordance with §211.9(f), and the report shall enclose a certification by a public health official or other competent authority of

(i) The exact quantity of the damaged commodity disposed of because it was determined to be unfit for any use and

(ii) The manner in which the commodities were destroyed.

§211.9 Liability for loss damage or improper distribution of commodities.

(Where the instructions in this §211.9 state that the cooperating sponsor should contact USDA or CCC, the contact office is: Kansas City ASCS Commodity Office (KCCO), P.O. Box 41205, Kansas City, Missouri 64141–6205. For Section 211.9 (a) and (b) contact: KCCO, Chief, Processed Commodities Division. For §211.9(c) contact: KCCO, Chief, Claims and Collections Division, Kansas City, Missouri 64141–6105.)

(a) Fault of cooperating sponsor prior to loading on ocean vessel. A cooperating sponsor and A.I.D. shall agree on a schedule for shipping commodities. A nongovernmental cooperating sponsor that books cargo for ocean transportation must notify USDA immediately if the vessel does not arrive at the U.S. port of export in accordance with the agreed shipping schedule. USDA will determine whether the commodity shall be

(1) Moved to another available outlet;

(2) Stored at the port for delivery to the nongovernmental cooperating sponsor when a vessel is available for loading; or

(3) Disposed of as USDA may deem proper.
When CCC incurs additional expenses because the nongovernmental cooperating sponsor, or its agent, fails to meet the agreed shipping schedule or to make necessary arrangements to accept commodities at the points of delivery designated by CCC, and CCC determines that the expenses were incurred because of the fault or negligence of the nongovernmental cooperating sponsor, the cooperating sponsor shall reimburse CCC for such expenses or take such action as directed by CCC.

(b) Fault of others prior to loading on ocean vessel. A nongovernmental cooperating sponsor shall immediately notify CCC if there is a loss of or damage to commodities, between the time title is transferred to the cooperating sponsor and the time the commodities are loaded on board the vessel, that is caused by the act or omission of a third party, such as a warehouseman or carrier, who is or may be legally liable for the loss or damage. The cooperating sponsor also shall promptly assign to CCC any claim it has against the third party and forward to CCC all documents relating to the loss or damage and the claim. CCC shall have the right to initiate, prosecute, and retain the proceeds all claims for such loss or damage.

(c) Ocean carrier loss and damage—(1) Survey and outturn reports. (i) Non-governmental cooperating sponsors shall arrange for an independent cargo surveyor to attend the discharge of the cargo and to count or weigh the cargo and examine its condition, unless USAID or the Diplomatic Post determines that such examination is not feasible, or if CCC has made other provision for such examinations and reports. The surveyor shall prepare a report of its findings showing the quantity and condition of the commodities discharged. The report also shall show the probable cause of any damage noted, and set forth the time and place when the examination was made. If practicable, the examination of the cargo shall be conducted jointly by the surveyor, the consignee, and the ocean carrier, and the survey report shall be signed by all parties. Customs receipts, port authority reports, shortlanding certificates, cargo boat notes, stevedore’s tallies, etc., where applicable, shall be obtained and furnished with the report of the surveyor. Whenever a damaged commodity appears unfit for its intended use, the cooperating sponsor shall obtain

(A) A certification by a public health official or similar competent authority regarding the condition of the commodity; and

(B) A certificate of disposition if the commodity is determined to be unfit for its intended use. These certificates shall be obtained as soon as possible after discharge of the cargo. If the cooperating sponsor can provide a narrative chronology or other commentary to assist in the adjudication of ocean transportation claims, this information should be forwarded as follows: cooperating sponsors shall prepare such a statement in any case where the loss is estimated to be in excess of $5,000; all documentation shall be in English or supported by an English translation and shall be forwarded as set forth in paragraphs (c)(1) (ii) and (iv) of this section; and the cost of an English translation shall be incorporated into the survey fee. The cooperating sponsor may, at its option, also engage the independent surveyor to supervise clearance and delivery of the cargo from customs or port areas to the cooperating sponsor or its agent and to issue delivery survey reports thereon.

(ii) In the event of cargo loss or damage, a nongovernmental cooperating sponsor shall provide the names and addresses of individuals who were present at the time of discharge and during survey and who can verify the quantity lost or damaged. In the case of bulk grain shipments, the cooperating sponsor shall obtain the services of an independent surveyor to:

(A) Observe discharge of the cargo;

(B) Report on discharging method (including whether a scale was used, its type and calibration and other factors affecting its accuracy, or an explanation of why a scale was not used and how weight was determined);

(C) Furnish information as to whether cargo was discharged in accordance with port customs;

(D) Provide actual or estimated (if scales not used) quantity of cargo lost.
during discharge and specify how such losses occurred:

(E) Obtain copies of port and/or ship records including scale weights, where applicable, to show quantity discharged;

(F) Verify that upon conclusion of discharge, cargo holds are empty;

(G) Provide to USDA information as to quantity, type and cause of lost or damaged cargo;

(H) Furnish daily tally totals and any other pertinent information about the bagging of the bulk cargo when cargo is bagged or stacked by vessel interests; and

(I) Notify the cooperating sponsor immediately if additional services are necessary to protect cargo interests or if the surveyor has reason to believe that the correct quantity was not discharged.

The cooperating sponsor, in the case of damage to bulk grain shipments, shall obtain and provide the same documentation regarding quality of cargo as set forth in §211.8(a) and paragraph (c)(1)(i) of this section. In the case of shipments arriving in container vans, cooperating sponsors shall require the independent surveyor to list the container van numbers and seal numbers shown on the container vans, and indicate whether the seals were intact at the time the container vans were opened, and whether the container vans were in any way damaged. To the extent possible, the independent surveyor should observe discharge of container vans from the vessel to ascertain whether any damage to the container van occurred and arrange for surveying the contents of any damaged container vans as they are opened.

(2) Claims against ocean carriers.

(i) Cooperating sponsors shall send to USDA copies of all reports and documents pertaining to the discharge of commodities. For those surveys arranged by CCC, the cooperating sponsors may obtain a copy of the report from the local USAID Food for Peace Officer.

(ii) CCC will reimburse a nongovernmental cooperating sponsor for the costs incurred by it in obtaining the services of an independent surveyor to conduct examinations of the cargo and render the report set forth above. Reimbursement by CCC will be made upon receipt by CCC of the survey report and the surveyor’s invoice or other documents that establish the survey cost. However, CCC will not reimburse a nongovernmental cooperating sponsor for the costs of only a delivery survey, in the absence of a discharge survey, or for any other survey not taken contemporaneously with the discharge of the vessel, unless such deviation from the documentation requirements of paragraph (c)(1) of this section is justified to the satisfaction of CCC.

(iii) CCC normally will contract for the survey of cargo on shipments furnished under Transfer Authorizations, including shipments for which A.I.D. contracts for the ocean transportation services. Survey contracts normally will be let on a competitive bid basis. However, if a USAID or Diplomatic Post desires that CCC limit its consideration to only certain selected surveyors, USAID or the Diplomatic Post shall furnish AID/W a list of eligible surveyors for forwarding to CCC. Surveyors may be omitted from the list, for instance, based on foreign relations considerations, conflicts of interest, and/or lack of demonstrated capability to carry out surveying responsibilities properly as set forth in the requirements of CCC. Upon receipt of written justification for removal of a particular survey firm, CCC will consider removal of such firm and advise the USAID via AID/W of the final determination. AID/W will furnish CCC’s surveying requirements to a USAID or Diplomatic Post upon request. If CCC is unable to find a surveyor at a port to which a shipment has been consigned, CCC may request AID/W to contact USAID or the Diplomatic Post to arrange for a survey. The surveyor’s bill for such services shall be submitted to USAID or the Diplomatic Post for review. After the billing has been approved, USAID or the Diplomatic Post either may pay the bill using funds in CCC account 20PT401, if available, or forward the bill to AID/W for transmittal to CCC for payment. If USAID or the Diplomatic Post pays the bill, AID/W shall be advised of the amount paid, and CCC will reimburse USAID or the Diplomatic Post.

(ii) Claims against ocean carriers. (i) Whether or not title to commodities
§211.9 has transferred from CCC to the co-operating sponsor, if A.I.D. contracted for the ocean transportation, CCC shall have the right to initiate, prosecute, and retain the proceeds of all claims against ocean carriers for cargo loss and/or damage arising out of shipments of commodities transferred or delivered by CCC hereunder.

(ii)(A) Unless otherwise provided in the Operational Plan or TA, non-governmental cooperating sponsors shall file notice of any cargo loss and/or damage with the ocean carrier immediately upon discovery of any such loss and/or damage, promptly initiate claims against the ocean carrier for cargo loss and/or damage, take all necessary action to obtain restitution for losses within any applicable periods of limitations, and transmit to CCC copies of all such claims. However, the nongovernmental cooperating sponsor need not file a claim when the cargo loss and/or damage is not in excess of $100, or in any case when the loss and/or damage is between $100 and $300 and it is determined by the nongovernmental cooperating sponsor that the cost of filing and collecting the claim will exceed the amount of the claim. The nongovernmental cooperating sponsor shall transmit to CCC copies of all claims filed with the ocean carriers for cargo loss and/or damage, as well as information and/or documentation on shipments when no claim is to be filed. When General Average has been declared, no action will be taken by the nongovernmental cooperating sponsor to file or collect claims for loss or damage to commodities. (See paragraph (c)(2)(iii) of this section.)

(B) The value of commodities misused, lost or damaged shall be determined on the basis of the domestic market price at the time and place the misuse, loss or damage occurred, or, in case it is not feasible to obtain or determine such market price, the f.o.b. or f.a.s. commercial export price of the commodity at the time and place of export, plus ocean freight charges and other costs incurred by the U.S. Government in making delivery to the cooperating sponsor. When value is determined on a cost basis, nongovernmental cooperating sponsors may add to the value any provable costs they have incurred prior to delivery by the ocean carrier. In preparing the claim statement, these costs shall be clearly segregated from costs incurred by the U.S. Government. With respect to claims other than ocean carrier loss or damage claims, at the request of the cooperating sponsor or upon the recommendation of USAID or the Diplomatic Post, AID/W may determine that such value may be established on some other justifiable basis. When replacement is made, the value of commodities misused, lost or damaged shall be their value at the time and place the misuse, loss, or damage occurred and the value of the replacement commodities shall be their value at the time and place replacement is made.

(C) Amounts collected by nongovernmental cooperating sponsors on claims against ocean carriers not in excess of $200 may be retained by the nongovernmental cooperating sponsor. On claims involving loss and/or damage having a value in excess of $200, nongovernmental cooperating sponsors may retain from collections received by them, the larger of:

(1) The amount of $200 plus 10 percent of the difference between $200 and the total amount collected on the claim, up to a maximum of $500, or

(2) Actual administrative expenses incurred in collection of the claim if approved by CCC.

Collection costs shall not be deemed to include attorneys fees, fees of collection agencies, and the like. In no event will collection costs in excess of the amount collected on the claim be paid by CCC. The nongovernmental cooperating sponsors may also retain from claim recoveries remaining after allowable deductions for administrative expenses of collection, the amount of any special charges, such as handling, packing, and insurance costs, which the nongovernmental cooperating sponsor has incurred on the lost and/or damaged commodity and which are included in the claims and paid by the liable party.

(D) A nongovernmental cooperating sponsor may redetermine claims on the basis of additional documentation or information, not considered when the claims were originally filed when such documentation or information clearly
changes the ocean carrier's liability. Approval of such changes by CCC is not required regardless of amount. However, copies of redetermined claims and supporting documentation or information shall be furnished to CCC.

(E) A nongovernmental cooperating sponsor may negotiate compromise settlements of claims regardless of the amount thereof, except that proposed compromise settlements of claims having a value in excess of $5,000 shall not be accepted until such action has been approved in writing by CCC. When a claim is compromised, the nongovernmental cooperating sponsor may retain from the amount collected, the amounts authorized in paragraph (c)(2)(ii)(C) and in addition, an amount representing such percentage of the special charges described in paragraph (c)(2)(ii)(C) as the compromised amount is to the full amount of the claim. When a claim is not in excess of $600, the nongovernmental cooperating sponsor may terminate collection activity on the claim according to the standards set forth in the Federal Claims Collection Standards, 4 CFR 104.3. Approval of such termination by CCC is not required, but the nongovernmental cooperating sponsor shall notify CCC when collection activity on a claim is terminated.

(F) All amounts collected in excess of the amounts authorized herein to be retained shall be remitted to CCC. For the purpose of determining the amount to be retained by the nongovernmental cooperating sponsor from the proceeds of claims filed against ocean carriers, the word “claim” shall refer to the loss and/or damage to commodities which are shipped on the same voyage to the same port destination, irrespective of the kinds of commodities shipped or the number of different bills of lading issued by the carrier. If a nongovernmental cooperating sponsor is unable to collect a claim or negotiate an acceptable compromise settlement within the applicable period of limitation or any extension thereof granted in writing by the liable party or parties, the rights of the nongovernmental cooperating sponsor to the claim shall be assigned to CCC in sufficient time to permit the filing of legal action prior to the expiration of the period of limitation or any extension thereof. Nongovernmental cooperating sponsors shall promptly assign their claim rights to CCC upon request. In the event CCC collects or settles the claim after the rights of the nongovernmental cooperating sponsor to the claim have been assigned CCC, CCC shall, except as shown below, pay to the nongovernmental cooperating sponsor the amount the agency or organization would have been entitled to retain had they collected the same amount. However, the additional 10 percent on amounts collected in excess of $200 will be payable only if CCC determines that reasonable efforts were made to collect the claim prior to the assignment, or if payment is deemed to be commensurate with the extra efforts exerted in further documenting claims. In addition, if CCC determines that the documentation requirements of paragraph (c)(1) have not been fulfilled and the lack of such documentation has not been justified to the satisfaction of CCC, CCC reserves the right to deny payment of all allowances to the nongovernmental cooperating sponsor.

(G) When nongovernmental cooperating sponsors fail to file claims, or permit claims to become time-barred, or fail to provide for the right of CCC to assert such claims, as provided in this §211.9, and it is determined by CCC that such failure was due to the fault or negligence of the nongovernmental cooperating sponsor, the agency or organization shall be liable to the United States for the cost and freight (C&F) value of the commodities lost to the program.

(iii) If a cargo loss has been incurred on a nongovernmental cooperating sponsor shipment, and general average has been declared, the nongovernmental cooperating sponsor shall furnish to CCC with a duplicate copy to AID/W—

(A) Copies of booking confirmations and the applicable on-board bill(s) of lading,

(B) The related outturn or survey report(s),

(C) Evidence showing the amount of ocean transportation charges paid to the carrier(s), and
(D) An assignment to CCC of the cooperating sponsor’s right to the claim(s) for such loss. CCC assumes responsibility for general average and marine salvage. 

(iv) A.I.D. will initiate and prosecute claims against ocean carriers and defend claims by such carriers, arising from or relating to affreightment contracts booked by A.I.D. where the claims involve entitlement to freight and related costs from the U.S. Government. Proceeds of such claims received by A.I.D. shall be returned to CCC pursuant to agreed procedures.

(d) Fault of cooperating sponsor in country of distribution. If a commodity, monetized proceeds or program income is used for a purpose not permitted under the Operational Plan or TA or this Regulation, or if a cooperating sponsor causes loss or damage to a commodity, monetized proceeds or program income through any act or omission or failure to provide proper storage, care and handling, the cooperating sponsor shall pay to the United States the value of the commodities, monetized proceeds or program income, lost, damaged, or misused, unless A.I.D. determines that such improper distribution or use, or such loss or damage, could not have been prevented by proper exercise of the cooperating sponsor’s responsibility under the Operational Plan or TA and this Regulation. In determining whether there was a proper exercise of the cooperating sponsor’s responsibility under the Operational Plan or TA and this Regulation, A.I.D. shall consider normal commercial practices in the country of distribution and the problems associated with carrying out programs in developing countries. Payment by the cooperating sponsor shall be made in accordance with paragraph (c)(1)(iv) of this section, except that the USAID or Diplomatic Post may agree to permit a cooperating sponsor to replace commodities lost, damaged, or misused with similar commodities of equal value.

(e) Fault of others in country of distribution and in intermediate country. (1) In addition to survey and/or outturn reports to determine ocean carrier loss and damage, the cooperating sponsor shall, in the case of landlocked countries, arrange for an independent survey at the point of entry into the recipient country and to make a report as set forth in paragraph (c)(1) of this section. CCC will reimburse the cooperating sponsor for the costs of a survey as set forth in paragraph (c)(1)(iv).

(2) If a cooperating sponsor acquires any right against a person or governmental or nongovernmental organization based on an event for which the person or organization is responsible that resulted in the damage, loss or misuse of any commodity, monetized proceeds or program income, the cooperating sponsor shall file a claim against the liable party or parties for the value of the commodities, monetized proceeds or program income lost, damaged or misused and shall make every reasonable effort to collect the claim. A copy of the claim and related documents shall be provided to USAID or the Diplomatic Post. Cooperating sponsors who fail to file or pursue such claims shall be liable to A.I.D. for the value of the commodities or monetized proceeds or program income lost, damaged, or misused; provided, however, that the cooperating sponsor may elect not to file a claim if the loss is less than $500 and such action is not detrimental to the program. Cooperating sponsors may retain $150 of any amount collected on an individual claim. In addition, cooperating sponsors may, with the written approval of USAID or the Diplomatic Post, retain either special costs such as reasonable legal fees that they have incurred in the collection of a claim, or pay such legal fees with monetized proceeds or program income. Any proposed settlement for less than the full amount of the claim must be approved by USAID or the Diplomatic Post prior to acceptance. When the cooperating sponsor has exhausted all reasonable attempts to collect a claim, it shall request USAID or the Diplomatic Post to provide further instructions in accordance with paragraph (e)(4).

(3) Calculation of the amount of a claim against others. A claim is the right a cooperating sponsor has against a third party as a result of an event for which the third party is responsible that caused the loss, damage or misuse of commodities, monetized proceeds or program income. The amount of the
A cooperating sponsor’s decision not to take legal action, and reasons therefore, must be submitted in writing to USAID or the Diplomatic Post for review and approval. USAID or the Diplomatic Post may require the cooperating sponsor to obtain and submit the opinion of competent legal counsel to support its decision. A cooperating sponsor also may request approval to terminate legal action after it has commenced if it is apparent that any of the exceptions described above becomes applicable or if it is otherwise appropriate to terminate legal action prior to judgment. In each instance, USAID or the Diplomatic Post must provide the cooperating sponsor a written explanation of its decision within 45 days from the date the request is received or inform the cooperating sponsor in writing regarding the reason(s) the USAID or Diplomatic Post needs more time to make a decision. If USAID or the Diplomatic Post approves a cooperating sponsor’s decision not to take further action on the claim for reasons described in paragraphs (e)(4)(iv) or (v) of this section, the cooperating sponsor shall assign the claim to A.I.D. and shall provide all documentation relating to the claim. When USAID or the Diplomatic Post takes an assignment of a claim or claims from a cooperating sponsor, the USAID or Diplomatic Post shall consult AID/W regarding the appropriate action to take on the assigned claim(s), unless standing guidance is in effect.

(f) Reporting losses to USAID or the Diplomatic Post. (1) The cooperating sponsor shall provide the USAID or Diplomatic Post a quarterly report regarding any loss, damage or misuse of commodities, monetized proceeds or program income. The report must be provided within 30 days after the close of the calendar quarter and shall contain the following information except...
§211.10 Records and reporting requirements.

(a) Records. Cooperating sponsors and recipient agencies shall maintain records and documents in a manner

(b) General average. CCC shall—

(1) Be responsible for settling general average and marine salvage claims;

(2) Retain the authority to make or authorize any disposition of commodities which have not commenced ocean transit or of which the ocean transit is interrupted, and receive and retain any monetary proceeds resulting from such disposition;

(3) In the event of a declaration of general average, initiate, prosecute, and retain all proceeds of cargo loss and damage claims against ocean carriers; and

(4) Receive and retain any allowance in general average. CCC will pay any general average or marine salvage claims determined to be due.

which accurately reflects the operation of the program and all transactions pertaining to the receipt, storage, distribution, sale, inspection and use of commodities and to receipt and disbursement of any monetized proceeds and program income. Such records shall be retained for a period of 3 years from the close of the U.S. fiscal year to which they pertain, or longer, upon request by A.I.D. for cause, such as in the case of litigation of a claim or an audit concerning such records. The cooperating sponsor shall transfer to A.I.D. any records, or copies thereof, requested by A.I.D.

(b) Reports. Cooperating sponsors shall submit two copies of audits performed in accordance to §211.5(c). In addition, cooperating sponsors shall submit to USAID or the Diplomatic Post, and to AID/W such reports as A.I.D. may reasonably request. The following is a list of the principal types of reports that are to be submitted at least annually:

(1) Periodic summary reports showing receipt, distribution, and inventory of commodities and proposed schedules of shipments or calls forward.

(2) Reports relating to the generation of monetized proceeds and program income and the use of such funds for purposes specified in the Operational Plan or TA. See §211.5(f).

(3) Reports relating to progress and problems in the implementation of the program.

(4) Reports shall be submitted in sufficient detail to enable USAID or the Diplomatic Post to assess and to make recommendations as to the ability of the cooperating sponsors to effectively plan, manage, control and evaluate the Food for Peace programs under their administration.

(5) At the time that an emergency program under Public Law 480, title II is initiated, whether by a governmental or nongovernmental cooperating sponsor, USAID or the Diplomatic Post should

(i) Make a determination regarding the ability of the cooperating sponsor to perform the record-keeping required by this §211.10, and

(ii) In those instances in which those specific record-keeping requirements cannot be followed, due to emergency circumstances, specify exactly which essential information will be recorded in order to account fully for title II commodities and monetized proceeds.

(c) Inspection and audit. Cooperating sponsors and recipient agencies shall cooperate with and assist U.S. Government representatives to enable them at any reasonable time to:

(1) Examine activities and records of the cooperating sponsor, recipient agencies, processors, or others, pertaining to the receipt, storage, distribution, processing, repackaging, sale and use of commodities by recipients;

(2) Inspect commodities in storage, or the facilities used in the handling or storage of commodities;

(3) Examine and audit books and records, including financial books and records and reports pertaining to storage, transportation, processing, repackaging, distribution, sale and use of commodities and pertaining to the deposit and use of any monetized proceeds and program income;

(4) Review the overall effectiveness of the program as it relates to the objectives set forth in the Operational Plan or TA; and

(5) Examine or audit the procedure and methods used in carrying out the requirements of this Regulation.

Inspections and audits of title II emergency programs will take into account the circumstances under which such programs are carried out.

§211.11 Suspension, termination, and expiration of program.

(a) Termination or suspension by A.I.D. All or any part of the assistance provided under the program, including commodities in transit, may be terminated or suspended by A.I.D. at its discretion if AID/W determines that a cooperating sponsor has failed to comply with the provisions of the approved Operational Plan or TA, or of this Regulation, or that the continuation of such assistance is no longer necessary or desirable. If AID/W believes that circumstances permit, AID/W will provide a nongovernmental cooperating sponsor written notice of A.I.D. ’s intention to terminate or suspend the cooperating sponsor’s program, together with an explanation of the reason(s) for A.I.D.’s action, at least 30 days prior to
§ 211.12 Waiver and amendment authority.

The Assistant Administrator for Food and Humanitarian Assistance, A.I.D., may waive, withdraw, or amend, at any time, any or all of the provisions of this Regulation if such provision is not statutory and it is determined to be in the best interest of the U.S. Government to do so. Any cooperating sponsor which has failed to comply with the provisions of this Regulation or any instructions or procedures issued in connection herewith, or any agreements entered into pursuant here-to may at the discretion of A.I.D. be suspended or disqualified from further participation in any distribution program. Reinstatement may be made at the option of A.I.D. Disqualification shall not prevent A.I.D. from taking other action through other available means when considered necessary.

§ 211.13 Participation by religious organizations.

The funds provided under this part shall be administered in compliance with the standards set forth in part 205, Participation by Religious Organizations in USAID Programs, of this chapter.

APPENDIX I TO PART 211—OPERATIONAL PLAN

A. General Outline of Operational Plans for Title II Activities

In addition to any other requirement of law or regulation, the Operational Plan will include information outlined below to the extent it is applicable to the specific activity.

1. Program Goals.
   Describe program goals and criteria for measuring progress toward reaching the goals. Each program should be designed to achieve measurable objectives within a specified period of time.

2. Program Description.
   a. Describe the characteristics, extent and severity of problems that the program will address.
   b. Provide a clear concise statement of specific objectives for each program and of criteria for measuring progress toward reaching the objectives. If there are several objectives, indicate priorities.
   c. Describe the target population by program, including economic/nutrition-related
characteristics for International Development

Agency for International Development  Pt. 211, App. I

characteristics, sufficiently to permit a determination of recipient eligibility for title II commodities. Describe the educational and employment characteristics of the target group relative to program objectives; the rationale for selection of the target group, the rationale for the selection of the geographical areas where programs will be carried out; the scope of the target group and the percent of total target population reached.

d. Describe the intervention including:
   (1) *Ration composition.* A description of rations, rationale for size and composition, assessment of effectiveness (dilution, sharing, acceptance).
   (2) *Complementary program components and inputs.* Identify existing or potential complementary program components, i.e., education, growth monitoring, training, etc., that are necessary to achieve program impact, including determination of financial costs and sources of funding.
   (3) *Monetization.* Describe to whom the commodities will be sold; the sales price (which shall not be less than the value of the food commodities f.a.s. or f.o.b.), arrangements for deposit of the monetization proceeds in a special (segregated), interest-bearing account, pending use of the proceeds plus interest for the program; and the capability of the cooperating sponsor and recipient agencies to use and account for monetized proceeds properly as well as technical assistance the cooperating sponsor intends to obtain or provide if necessary in order to ensure that there are adequate financial and other management systems for the program proposed.
   (4) *Intervention strategy.* Describe how the commodities, monetization proceeds, program income and other program components will address the problems. Indicate the recipient agencies to which commodities, monetized proceeds or program income will be transferred, and identify those recipient agencies which will not be required to execute Recipient Agency Agreements, and provide a brief explanation of the reasons.
   (5) *Linkages with other development activities,* such as health or agricultural extension services. Describe specific areas of collaboration relative to program purposes.
   (6) *Monitoring and evaluation.* Include a description of the evaluation plan, including information to be collected for purposes of assessing program operations and impact. Describe the monitoring system for collection, analysis and utilization of information. Include a schedule for carrying out the evaluation as well as a plan for conducting audits (Regulation 11, section 211.5(o)).
   (7) *Program period.* The Operational Plan should cover enough time for a program to become fully operational and to permit evaluation of its effectiveness, including specific measurement of progress in achieving the stated program goals. Normally this will be a multi-year time frame, such as three to five years. Plans for and considerations involved in phasing-out U.S.G. support, and any phasing-over to non-U.S.G. support, should be discussed.

3. **Program funding.** Provide details of host government, cooperating sponsor and other non-U.S.G. support for the proposed program, with specific budgetary information on how these funds are to be used (e.g. complementary inputs, transport, administration). Where relevant, discussion of arrangements which will be made covering voluntary contributions.

4. **Publicity.** Describe how the requirements for public recognition, container marking, and use of funds set forth in Regulation 11, §§211.5(f)(3), (i) and (k) and in 211.6 (a) and (b), will be met.

5. **Logistics.** Provide a logistics plan that demonstrates the adequacy and availability in recipient country of port facilities, transportation and storage facilities to handle the flow of commodities to recipients to prevent spoilage or waste. A further affirmation must be made at the time of exportation of the commodity from the United States.

6. **Disincentives.** Furnish sufficient information concerning the plan of distribution and the target group of recipients so that a determination can be made as to whether the proposed food distribution would result in substantial disincentive to domestic food production. It is not necessary to provide a disincentive analysis if A.I.D. or USDA has completed such an analysis for another program that is relevant to the program proposed by the cooperating sponsor.

7. **Accountability.** Describe the method to be used to supervise, monitor, and account for the distribution or sale of commodities and the use of monetized proceeds and program income.

8. **Import duty.** Provide information to show approval of foreign government to import the donated commodities duty free.

9. **Voluntary agency regular programs.** An Operational Plan is required for all regular, i.e., non-emergency, title II nongovernmental cooperating sponsor programs as part of their program submission, along with the Annual Estimate of Requirements (AER), to USAID or the Diplomatic Post and AID/W. When new multi-year Operational Plans are required, they should be prepared and submitted in advance of the year in which they are to begin, in order to permit adequate time for substantive review and approval. In any event, nongovernmental cooperating sponsor Operational Plans should be submitted to AID/W no later than the Mission Action Plan covering the following fiscal year’s program. Once an Operational Plan has been approved, only an updating will be required on an annual basis, unless there has been a significant change from the approved
plan’s program directives, methodology, design or magnitudes. Updates should be submitted each year for review with the AERs.

B. Operational Plans for Emergency Programs

The response to emergency situations using title II resources does not usually permit the same degree of detail and certainty of analysis that is expected in planning title II non-emergency programs. However, Operational Plans are required for all nongovernmental cooperating sponsors’ emergency programs, along with the AER. An Operational Plan for an emergency program must cover the same basic elements, set forth above, as for a nonemergency program. Thus, all of the above basic issues set forth in the Operational Plan format must be addressed when proposing title II emergency programs as well as regular nonemergency programs.

C. USAID/Diplomatic Post Responsibilities

A USAID or Diplomatic Post is expected to comment on the substance and adequacy of a nongovernmental cooperating sponsor’s Operational Plan when submitted to AID/W along with a program request, and to address the plan’s relationship to and consistency with the Mission’s Country Development Strategy Statement.

D. Required Approval for Program Change

Cooperating sponsors agree not to deviate from the program as described in the Operational Plan and other program documents approved by A.I.D., without the prior written approval of A.I.D.

E. Emergency Assistance Program Requests

Any cooperating sponsor (governmental or nongovernmental) may initiate an emergency assistance proposal under Public Law 480, title II. Requests are received by a USAID or Diplomatic Post and reviewed and approved before forwarding to AID/W with appropriate recommendations.

a. Nongovernmental emergency program requests can be cable by USAID or the Diplomatic Post for AID/W review based on information provided and using procedures established for regular programs as described in Regulation 11, §211.5(a): AER and Operational Plan.

b. A foreign government or international organization (other than World Food Program) emergency request normally requires more Mission involvement in program design and management. However, as in the case of nongovernmental programs, the approval will be based on a cable program summary based on the program plan outlined in (2) above. On approval, AID/W will prepare a Transfer Authorization (TA) to be signed by the recipient government specifying terms of the program and reporting requirements. Additional guidance in preparing government-to-government or international organizations emergency requests is in chapter 9 and Exhibit A of A.I.D. Handbook 9. The TA serves as (1) the Food for Peace Agreement between the U.S. Government and the cooperating sponsor, (2) the project authorization document, and (3) the authority for the CCC to ship commodities. (Under Pub. L. 480, section 207(a), not later than 15 days after receipt of a call forward from a field mission for commodities, the order shall be transmitted to the CCC.)

F. Local Currency Programs (Public Law 480, Title II Section 203)

Detailed guidance for preparing, approving, implementing and administering these programs is provided in chapters 6, 7, and 11 of A.I.D. Handbook 9.

G. Problems Conducting Programs In Developing Countries

Describe the problems that can be anticipated in implementing the program in the recipient country as a result of it being a developing country.

H. Waivers

A cooperating sponsor should provide a justification for the waiver of any specific section or sections of Regulation 11 that it believes necessary for the program.

212.34 Procedures for responding to requests for records.

212.35 Schedule of fees and methods of payment for services rendered.
§ 212.11 Materials to be published.

(a) USAID separately states and currently publishes in the Federal Register for the information and guidance of the public:

(1) Descriptions of its central and field organization and the established places at which, the officers from whom, and the methods whereby, the public may secure information, make submittals or requests, or obtain decisions;

(2) Statements of the general course and method by which its functions are channelled and determined, including the nature and requirements for all formal and informal procedures available;

(3) Rules of procedure, descriptions of forms available or the places at which forms may be obtained, and instructions as to the scope and contents of all papers, reports, or examinations;
§ 212.12 Effect of nonpublication.

The materials referenced in §212.11 shall not be binding upon or otherwise adversely affect a person unless either
(a) The materials were in fact published in the Federal Register or
(b) The person otherwise had actual and timely notice of the content of such materials.

§ 212.13 Incorporation by reference.

For purposes of this subpart B, USAID matters which are reasonably available to the class of persons affected thereby are deemed to be published in the Federal Register when they have been incorporated by reference therein with the approval of the Director of the Federal Register.

Subpart C—Availability of Information for Public Inspection and Copying

§ 212.21 Public records.

In accordance with this subpart, USAID makes the following information and materials available for public inspection and copying:
(a) All final opinions (including concurring and dissenting opinions), and all orders made in the adjudication of the cases;
(b) those statements of policy and interpretations which have been adopted by the Agency and are not published in the Federal Register; and
(c) Administrative staff manuals and instructions to staff that affect any member of the public.

§ 212.22 Protection of personal privacy.

To the extent required to prevent a clearly unwarranted invasion of personal privacy, USAID may delete identifying details when USAID makes available or publishes an opinion, statement of policy, interpretation, or staff manual or instruction. USAID will, in each such case, explain in writing the justification for the deletion.

§ 212.23 Current index.

USAID maintains and makes available for public inspection and copying a current index providing identifying information for the public as to any matter which has been issued, adopted, or promulgated after July 4, 1967, and which is required by §212.21 to be made available or published. Publication of an index is deemed both unnecessary and impractical. However, copies of the index are available, upon request, for a fee based on the direct cost of duplication.

§ 212.24 Effect of noncompliance.

No final order, opinion, statement of policy, interpretation, or staff manual or instruction that affects any member of the public will be relied upon, used, or cited as precedent by USAID against any private party unless it has been indexed and either made available or published as provided by this subpart, or unless that private party shall have actual and timely notice of the terms thereof.

§ 212.25 Procedures for obtaining materials under this subpart.

(a) The materials required to be made available for public inspection and copying in accordance with this subpart are available to members of the public at USAID’s Public Reading Room, Room 1113, 1621 North Kent Street, Rosslyn, Virginia 22209, which is open from 9 a.m. to 5 p.m., Monday through Friday, except on holidays. All such materials are available in electronic form (disks) only; to a reasonable degree, assistance will be provided in use of necessary equipment.
(b) Requests for materials which are available under this subpart should follow the procedures under §212.39(a) of this part.
(c) The direct costs of any necessary duplication will be charged in accordance with the fee schedule set forth in §212.35.

(d) USAID Missions and offices in countries abroad are not responsible for the maintenance of the index and materials available under this subpart. However, insofar as they do have these materials, they will make them available to citizens of the United States who are present in their respective countries upon application made either or in person in writing to the USAID Director, or other principal USAID officer, c/o American Embassy in the applicable country.

Subpart D—Access to Agency Records

§ 212.31 Availability of agency records.

Upon receiving a request which reasonably describes a USAID record, and which is made in accordance with the provisions of this subpart, USAID will make such records, except the following, promptly available to the requesting party:

(a) Matters published in the Federal Register pursuant to subpart B;

(b) Matters made available to the public pursuant to subpart C; and

(c) Matters exempt from disclosure pursuant to §212.41 or §241.42 of this part.

§ 212.32 Identification of records.

The request for a record by a member of the public must contain a reasonably specific description of the particular record sought so that a USAID officer who is familiar with the subject matter of the request may be able to locate the record with a reasonable amount of effort. A description that includes as much information as possible, such as the subject matter, format, approximate date and, where pertinent, the name of the country or person involved, will facilitate the search for the requested record.

§ 212.33 Procedure for making requests.

(a) Requests for records, other than records available at the Public Reading Room identified in §212.24(a), may be made by a member of the public in writing only to the Chief, Customer Outreach and Oversight Staff, Room 1113, SA–16, Agency for International Development, Department of State, 320 21st Street, N.W., Washington, D.C. 20523–1608. The request and the envelope must be plainly marked “FOIA Request.” Requests may be made orally, that is, in person, only for records and materials available at the Public Reading Room.

(b) Requests for records may be made directly to a USAID mission or office abroad only by a citizen of the United States who is present in that country and must be by written application to the USAID Director (or other principal USAID officer), care of the American Embassy in that country. Any such written request and its envelope must be plainly marked “FOIA Request.”

(c) Only signed original (as opposed to electronically transmitted) requests are acceptable for procedures pursuant to paragraphs (a) and (b) of this section. Telephoned requests, or in-person requests other than to the Public Reading Room, cannot be accepted. If a written request not properly marked “FOIA Request” on both the letter and envelope is thereby delayed in reaching the Chief, Office of Customer Outreach and Oversight Staff, such request will not be deemed received by USAID until actually received by that official. In the event of such a delay, the person making the request will be furnished a notice of the effective date of receipt.

§ 212.34 Procedures for responding to requests for records.

(a) Upon receipt by the Chief, Office of Customer Outreach and Oversight Staff, of a reasonably specific request made pursuant to §212.33 of this part, a maximum of ten working days will normally be taken to determine to what extent the Agency can provide the information requested. Upon the making of that determination, the person making the request will be promptly so informed. Copies of the releasable documents will be made available promptly thereafter upon receipt of applicable fees and charges as set forth in §212.35.

(b)(1) In unusual circumstances, USAID may not be able to determine the availability of the requested documents within ten working days; in
which event the person making the re-
quest will be informed by written no-
tice of the delay, the reasons for the 
delay and the date on which a deter-
mination may be expected. In this con-
text, the term “unusual cir-
cumstances” refers to the following 
situations:

(i) When there is a need to search for 
and collect the requested records from 
field facilities or other establishments 
that are separate from the office proc-
essing the request;

(ii) When there is a need to search 
for, collect, and appropriately examine 
a voluminous amount of separate and 
distinct records which are sought in a 
single request; or

(iii) When there is a need for con-
sultation (which will be conducted with 
all practicable speed) with another 
agency having a substantial interest in 
the determination of the request or 
among two or more components of the 
Agency, each having substantial sub-
ject-matter interest therein.

(2) The maximum time in making a 
determination of availability, in the 
event of such unusual circumstances, 
will be twenty working days from re-
ceipt of the request. In the event that 
only part of the permissible ten work-
ning days extension is used, then USAID 
reserves the right, if necessary, to use 
any remainder of such time for the de-
termination of an appeal, if one is 
made.

(c) If a request is made to USAID for 
material that is controlled or held by 
another agency, the person making the 
request will be immediately notified 
that USAID does not have or control 
the requested material and he/she will 
be advised of the name of the control-
ling agency and of the address from 
which the material may be requested, 
unless the other agency has, by public 
regulation, delegated the release au-
thority to USAID. If release authority 
has been delegated, USAID will follow 
the procedures authorized by the dele-
gation in determining whether to re-
lease the information. If a request for 
material is referred to USAID from an-
other agency, the time period for deter-
mination of release of the information 
will not start until the request is re-
ceived by the Chief, Office of Customer 
Outreach and Oversight Staff; and the 

§ 212.35 Schedule of fees and method 
of payment for services rendered.

(a) Definitions. (1) Direct costs means 
those expenditures which the Agency 
actually incurs in searching for and du-
plicating (and in the case of commer-
cial requesters, reviewing) documents 
in order to respond to a FOIA request.

(2) Search includes all time spent 
looking for material that is responsive 
to a request, including page-by-page or 
line-by-line identification of material 
within documents. Line-by-line search 
will not be done when duplicating an 
etire document would prove the less 
expensive and quicker method of com-
plying with a request. (“Search” for 
this purpose is distinguished from “re-
view” (see paragraph (a)(4) of this sec-
tion).

(3) Duplication refers to the process of 
making a copy of a document available 
to the FOIA requester. Copies can take 
the form of paper copy, microfilm or 
audiovisual materials (among others) 
and will be in a form that is reasonably 
usable by requesters.

(4) Review refers to the process of ex-
amining documents located in response 
to a commercial use request (see para-
graph (a)(5) of this section) to deter-
mine whether any portion of any docu-
ment located is permitted to be with-
held. It also includes processing any 
documents for disclosure, e.g., doing all
that is necessary to redact those documents of exempt material and otherwise preparing them for release. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(5) Commercial use request refers to a request from or on behalf of one who seeks information for a use or purpose that is related to commerce, trade, or the profit interest of the requester or of the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, the Agency will determine the use to which a requester will put the documents requested. Where the Agency has reasonable cause to doubt the use to which a requester will put the records sought, or where that use is not clear from the request itself, the Agency may seek additional clarification before assigning the request to a specific category.

(6) Educational institution refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, or an institution of vocational education which operates a program or programs of scholarly research.

(7) Non-commercial scientific institution refers to an institution that is not operated on a “commercial” basis as that term is referenced in paragraph (a)(5) of this section and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(8) Representative of the news media refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term “news” means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of “news” who make their products available for purchase or subscription by the general public). These examples are not intended to be all-inclusive. Moreover, as traditional methods of news delivery evolve (e.g., electronic dissemination of newspapers through telecommunications services), such alternative media would be included in this category. In the case of “freelance” journalists, they may be regarded as working for a news organization if they can demonstrate a sound basis for expecting publication through such an organization, even though not actually employed by it. A publication contract would be the clearest evidence, but the Agency may also look to the past publication record of the requester in making this determination.

(b) Fees to be charged. The following specific fees shall be applicable with respect to services rendered to members of the public under this part:

(1) Commercial use requesters. Fees are intended to cover the full estimated direct costs of researching for, reviewing for release, and duplicating the records requested. Search costs are computed based on the following formula: hours spent by Agency personnel, whatever their grade and location, and rounded up to the nearest full hour, and including locality pay for Washington-based personnel only, at the basic annual rate then payable to U.S. Government employees at the GS–9/Step 4 level, times 1.17 (to factor in related benefits) and divided by 2080 (hours per work year). Review costs are computed based on the same formula but, instead, using the rate then payable to employees at the GS–13/Step 4 level. Duplicating costs are $0.20 per page. Search costs will be assessed even though no records may be found or even if, after review, there is no disclosure of records.

(2) Educational and non-commercial scientific institution requester. The Agency will provide documents to requesters in this category for the cost of duplication alone ($0.20 per page), excluding charges for the first 100 pages. To be eligible for inclusion in this category, requesters must show that a request is being made under the auspices of a qualifying institution and that the records are sought in furtherance of scholarly research, if the request is
§ 212.35 22 CFR Ch. II (4–1–16 Edition)

from an educational institution or scientific research, if the request is from a non-commercial scientific institution. Requesters eligible for free search must (as with all FOIA requesters) reasonably describe the records sought.

(3) Requesters who are representatives of the news media. The Agency will provide documents to requesters in this category for the cost of reproduction alone ($0.20 per page), excluding charges for the first 100 pages. To be eligible for inclusion in this category a requester must meet the criteria in paragraph (a)(8) of this section, and his/her request must not be made for commercial use. In reference to this class of requesters, a request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use. Requesters eligible for free search must also reasonably describe the records sought.

(4) All other requesters. The Agency will charge requesters who do not fit into any of the categories in paragraphs (b)(1), (2), and (3) of this section fees which recover the full direct cost of search, and for reproducing records that are responsive to the request, except that the first 100 pages and the first two hours of search time shall be furnished without charge. The hourly rates outlined in paragraph (b)(1) of this section will prevail. Requesters must reasonably describe the records sought. Moreover, requests from subjects for records filed in the Agency’s Privacy Act System of Records will continue to be treated under the fee provisions of the Privacy Act of 1975 except that the first 100 pages of reproduction will be furnished without charge.

(c) Non-payment of fees. (1) The Agency will begin assessing interest charges on the thirty-first day following the day on which the requester is advised of the fee charge. Interest will be at the rate prescribed in 31 U.S.C. 3717.

(2) Where a requester has previously failed to copy a fee charged in a timely fashion (i.e., within thirty days of the billing date), the Agency will require the requester to pay the full amount owed plus any applicable interest as provided in paragraph (c)(1) of this section, and to make an advance payment of the full amount of the remaining estimated fee before the Agency begins to process a new request or continues processing a then-pending request from the requester.

(3) When the Agency acts under paragraph (c)(1) or (2) of this section the administrative time limits prescribed in subsection (a)(6) of the FOIA (i.e., ten working days from receipt of initial request and twenty working days from receipt of appeals from initial denial plus permissible extensions of these time limits) will begin only after the Agency has received fee payments described in this section.

(d) Advance payments or confirmation. Where USAID estimates or determines that allowable charges to a requester are likely to exceed $250, USAID will require a requester to make an advance payment of the entire estimated charges before continuing to process the request. Where the estimated charges are in the $25–$250 range, then USAID in its discretion, before processing the request, may require either—

(1) An advance deposit of the entire estimated charges or (2) Written confirmation of the requester’s willingness, when billed, to pay such charges.

(e) Waiving or reducing fee. In accordance with section (4)(A)(ii) of the FOIA, the Agency will furnish documents without charge or at reduced charges if disclosure of the information is “in the public interest” in that such disclosure is likely to contribute significantly to public understanding of the operations or activities of the Government and is not primarily in the commercial interest of the requester. A requester may at any time, up to a period not to exceed thirty days from the final USAID decision concerning his/her request, request such waiver or reduction of fee by letter addressed to the Chief, Customer Outreach and Oversight Staff; such request shall address the above criteria for waiver. Such request will initially be decided by the Chief, Customer Outreach and Oversight Staff, or his/her designee; such decision will normally be made, and the requester so advised, within ten working days of its receipt. The requester, if dissatisfied
with that decision, may appeal pursuant to the same procedures as apply under §212.36 and §212.37 of this part.

(f) Restrictions on assessing fees. With the exception of requesters seeking documents for a commercial use, Section (4)(A)(iv) of the FOIA, as amended, requires agencies to provide the first 100 pages of duplication and the first two hours of search time without charge. Moreover, this section prohibits agencies from charging fees to any requester, including commercial use requesters, if the cost of collecting a fee would be equal to or greater than the fee itself. These provisions work together so that, except for commercial use requesters, the Agency will not begin to assess fees until it has provided such free search and reproduction. For example, for a request that involved two hours and ten minutes of search time and resulted in 105 pages of documents, the Agency will determine the cost of only ten minutes of search time and only five pages of reproduction. If this cost is equal to or less than the cost of processing the payment instrument—a figure which the Agency will from time to time review and determine—then there will be no charge to the requester.

(g) Other provisions—(1) Charges for unsuccessful search. The Agency will assess charges for time spent searching even if the Agency fails to locate the records or if records located are determined to be exempt from disclosure.

(2) Aggregating requesters. When the Agency reasonably believes that a requester or group of requesters is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Agency will aggregate any such requesters and charge accordingly.

(3) Effect of the Debt Collection Act of 1982 (Public Law 97-365). The Agency will use the authorities of the Debt Collection Act, including disclosure to consumer reporting agencies and use of collection agencies, where appropriate, to encourage repayment.

(4) Remittances. (i) Remittances shall be made payable to the order of the U.S. Treasury and mailed to the Chief, Customer Outreach and Oversight Staff, at the address set forth in §212.33(a) of this part.

§212.36 Denial of request for access to records.

(a) If it is determined that the Agency cannot comply with all or part of a request for records, the person making the request shall be immediately notified of the determination, the reasons for the determination, the name and title of each officer responsible for the denial, and the right of the person to appeal the adverse determination.

(b) The denial of a request for records may be made, initially, only by the Chief, Customer Outreach and Oversight Staff, or his/her designee.

(c) (1) Any person who has been denied access to records pursuant to this section may appeal the relevant decision not later than thirty days after the date of the notification of denial or, in the case of a partial denial, not later than thirty days after the date the releasable documents are actually furnished to the person making the request, whichever is later. The appeal shall be in writing addressed to the Agency’s FOIA Appeals Officer, who is:

(2) In order for the Agency to make a timely response to the appeal, both the text of the appeal and its envelope must be plainly marked “FOIA Appeal”. The appeal must contain a reasonable description of the record sought and withheld, a copy of the initial decision to deny access and any other information that will enable the Appeals Officer to make the final decision.

§212.37 Procedures for agency consideration of appeals.

(a) Upon receipt of the appeal by the Appeals Officer, a maximum of twenty working days will normally be taken to decide the appeal. In unusual circumstances, as defined in §212.34, the twenty working days may be extended by ten working days or by the number
§ 212.38 Predisclosure notification procedures for confidential commercial information.

(a) In general. Confidential commercial information provided to the Agency shall not be disclosed pursuant to a FOIA request except in accordance with this section. For purposes of this section, the following definitions apply:

(1) Confidential commercial information means records provided to the Agency by a submitter that arguably contain material exempt from release under Exemption 4 of FOIA, 5 U.S.C. 552(b)(4), because disclosure could reasonably be expected to cause substantial competitive harm.

(2) Submitter means any person or entity who provides confidential commercial information to the Agency. The term “submitter” includes, but is not limited to, corporations, state governments and foreign governments.

(b) Notice to submitters. Whenever the Agency receives a FOIA request for confidential commercial information and, pursuant to paragraph (c) of this section, the submitter of such information is entitled to receive notice of that request, then the Agency shall promptly notify the submitter that it has received the request, unless such a notice is not required pursuant to paragraph (g) of this section. The notice shall be in writing and shall either describe the exact nature of the confidential commercial information requested or provide a copy of the records or portion of the records containing the confidential commercial information. The notice shall be addressed to the submitter and mailed, postage prepaid, first class mail, to the submitter’s last known address. Where notice is required to be given to a voluminous number of submitters, in lieu of such a mailing the notice may be posted or published in a manner and place reasonably calculated to provide notice to the submitters.

(c) When notice is required; related matters. (1) For confidential commercial information submitted prior to January 1, 1988, the Agency shall provide a submitter with notice of its receipt of a FOIA request whenever:

(i) The records are less than ten years old and the information has been designated by the submitter as confidential commercial information; or

(ii) The Agency has reason to believe that the disclosure of the information could reasonably be expected to cause substantial competitive harm to the submitter thereof.

(2) For confidential commercial information submitted to the Agency on or after January 1, 1988, the Agency shall provide a submitter with notice of its receipt of a FOIA request whenever:

(i) The submitter has designated the information as confidential commercial information pursuant to the requirements of this section; or

(ii) The Agency has reason to believe that the disclosure of the information could reasonably be expected to cause substantial competitive harm to the submitter.

(3) Notice of a request for confidential commercial information falling within paragraph (c)(2)(i) of this section shall be required for a period of not more than ten years after the date
Agency for International Development

§ 212.38

of submission unless the submitter provides reasonable justification for a designation period of greater duration.

(4) A submitter shall use good-faith efforts to designate by appropriate markings, either at the time a record is submitted to the Agency or within a reasonable period of time thereafter, those portions of the record which it deems to contain confidential commercial information. The designation shall be accompanied by a certification made by the submitter, its agent or designee that to the best of the submitter's knowledge, information and belief, the record does, in fact, contain confidential commercial information that theretofore has not been disclosed to the public.

(5) Whenever the Agency provides notice to the submitter in accordance with paragraph (c) of this section, the Agency shall at the same time provide written notice to the requester that it is affording the submitter a reasonable period of time within which to object to the disclosure, and that, therefore, the Agency may be required to enlarge the time within which it otherwise would respond to the request.

(d) Opportunity to object to disclosure. To the extent permitted by law, the notice required by paragraph (c) of this section shall afford a submitter a reasonable period of time within which the submitter or its authorized representative may provide the Agency with a written objection to the disclosure of the confidential commercial information and demonstrate why the submitter believes that the records contain confidential commercial information whose disclosure would, probably, cause substantial competitive injury to the submitter. Except where a certification already has been made in conformance with the requirements of paragraph (c)(4) of this section, the objection shall be accompanied by certification made by the submitter, its agent or designee, that to the best of the submitter's knowledge, information and belief, the record does, in fact, contain confidential commercial information that theretofore has not been disclosed to the public. Information provided by a submitter pursuant to this paragraph may itself be subject to disclosure under the FOIA.

(e) Notice of intent to disclose. (1) The Agency shall give careful consideration to objections made by a submitter pursuant to paragraph (d) of this section prior to making any administrative determination of the issue. Whenever the Agency decides to disclose information despite the objection of a submitter, the Agency shall forward to the submitter a written notice which shall include:

(i) A statement of the reasons for which a submitter's disclosure objections were not sustained; and

(ii) A description of the information to be disclosed.

(2) To the extent permitted by law, the notice required to be given by paragraph (e)(1) of this section shall be provided to the submitter a reasonable number of days prior to the specific disclosure date.

(3) Whenever the Agency provides notice to the submitter in accordance with paragraphs (e) (1) and (2) of this section, the Agency shall at the same time notify the requester

(i) That such a notice has been given and

(ii) Of the proposed date for disclosure.

(f) Notice of lawsuit. When a requester brings suit seeking to compel the disclosure of information for which notice is required pursuant to paragraph (c) of this section, the Agency shall promptly notify the submitter that such suit has been filed.

(g) Exceptions to notice requirements. The notice requirements of this section shall not apply if:

(1) The Agency determines that the information should not be disclosed;

(2) The information has been published or has been officially made available to the public;

(3) Disclosure of the information is required by an Agency rule that;

(i) Was adopted pursuant to notice and public comment;

(ii) Specifies narrow classes of records submitted to the Agency that are to be released under the FOIA; and

(iii) Provides in exceptional circumstances for notice when the submitter provides written justification, at the time the information is submitted or a reasonable time thereafter, that disclosure of the information
§ 212.41 Exemptions from publication and disclosure requirements of subparts B, C, and D.

None of the provisions of subparts B, C, and D which provide for publication and disclosure of certain information and records shall be applicable to matters that are:

(a) Specifically authorized under criteria established by an Executive Order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive Order;

(b) Related solely to the internal personnel rules and practices of the Agency;

(c) Specifically exempted from disclosure by statute;

(d) Trade secrets and commercial or financial information obtained from a person and privileged and confidential;

(e) Interagency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency;

(f) Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(g) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(1) Would reasonably be expected to interfere with enforcement proceedings;

(2) Would deprive a person of a right to a fair trial or an impartial adjudication;

(3) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(4) Could reasonably be expected to disclose the identity of a confidential source, including a State, local or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful security intelligence investigation, information furnished by a confidential source;

(5) Would disclose techniques and procedures for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(6) Could reasonably be expected to endanger the life or physical safety of any individual.

(h) Contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of any agency responsible for the regulation or supervision of financial institutions; and

(i) Geological and geophysical information and data (including maps) concerning wells.

§ 212.42 Exemption from 5 U.S.C. 552.

Whenever a request is made which involves access to records described in paragraph (g) of §212.41 and the investigation or proceedings involves a possible violation of criminal law; and there is reason to believe that the subject of the investigation or proceeding is not aware of its pendency, and disclosure of the existence of the records could reasonably be expected to interfere with enforcement proceedings, the Agency may, during only such time as that circumstances continues, treat
the records as not subject to the requirements of 5 U.S.C. 552 and this subpart.

### Subpart F—Opening of Records for Nonofficial Research Purposes

§ 212.51 General policy.

(a) The Agency will open its records on an equitable basis to all individuals engaged in private research as soon as such action may be taken without adversely affecting the national security, the maintenance of friendly relations with other nations, the efficient operation of the Agency, or the administrative feasibility of servicing requests for access to such records.

(b) Access for research purposes to the classified foreign policy records in the Agency’s custody will be governed by the regulations of the Department of State with respect thereto, as set forth in part 6, chapter II of title II of the Code of Federal Regulations. Application for such access may be made to the Chief, Customer Outreach and Oversight Staff, at the address listed in § 212.33(a) of this part. That officer, or his/her designee, in consultation with the Director, Historical Office, Department of State, or his/her designee, will determine the action to be taken and will so advise the researcher.

Subpart A—General

§ 213.1 Purpose and scope.

This part prescribes standards and procedures for the United States Agency for International Development’s (USAID) collection and disposal of claims. These standards and procedures are applicable to all claims and debts for which a statute, regulation or contract does not prescribe different standards or procedures. This part covers USAID’s collection, compromise, suspension, termination, and referral of claims to the Department of Justice.

§ 213.2 Definitions.

(a) Administrative offset means the withholding of money payable by the United States to, or held by the United States for, a person to satisfy a debt the person owes the Government.

(b) Administrative wage garnishment means the process by which federal agencies require a private sector employer to withhold up to 15% of an employee’s disposable pay to satisfy a delinquent debt owed to the federal government. A court order is not required.

(c) Agency means the United States Agency for International Development (USAID).

(d) Claim means an amount of money, funds, or property that has been determined by an agency official to be due the United States from any person, organization, or entity, except another Federal agency. As used in this part, the terms debt and claim are synonymous.

(e) CFO means the Chief Financial Officer of USAID or a USAID employee or official designated to act on the CFO’s behalf.

(f) Creditor agency means the Federal agency to which the debt is owed, including a debt collection center when acting on behalf of a creditor agency in matters pertaining to the collection of a debt.

(g) Debtor means an individual, organization, association, corporation, or a State or local government indebted to the United States or a person or entity with legal responsibility for assuming the debtor’s obligation.

(h) Delinquent claim means any claim that has not been paid by the date specified in the agency’s bill for collection or demand letter for payment or which has not been satisfied in accordance with a repayment agreement.

(i) Disposable pay means that part of current basic pay, special pay, incentive pay, retired pay, retainer pay, or in the case of an employee not entitled to basic pay, other authorized pay remaining after the deduction of any amount required by law to be withheld (other than deductions to execute garnishment orders) in accordance with 5 CFR parts 581 and 582. Among the legally required deductions that must be applied first to determine disposable pay are levies pursuant to the Internal Revenue Code (Title 26, United States Code) and deductions described in 5 CFR 581.105 (b) through (f). These deductions include, but are not limited to: Social security withholdings; Federal, State and local tax withholdings; health insurance premiums; retirement contributions; and life insurance premiums.

(j) Employee means a current employee of the Federal Government including a current member of the Armed Forces or a Reserve of the Armed Forces.

(k) Employee salary offset means the administrative collection of a debt by deductions at one or more officially established pay intervals from the current pay account of an employee without the employee’s consent.

(l) Person means an individual, firm, partnership, corporation, association and, except for purposes of administrative offsets under subpart C and interest, penalty and administrative costs under subpart B of this part, includes State and local governments and Indian tribes and components of tribal governments.

(m) Recoupment is a special method for adjusting debts arising under the same transaction or occurrence. For example, obligations arising under the same contract generally are subject to recoupment.

(n) Waiver means the cancellation, remission, forgiveness or non-recovery of a debt or debt-related charge as permitted or required by law.

(o) Withholding order means any order for withholding or garnishment of pay issued by USAID or a judicial or administrative body. For the purposes of
this part, wage garnishment order and garnishment order have the same meaning as withholding order.

§ 213.3 Loans, guarantees, sovereign and interagency claims.
This part does not apply to:
(a) Claims arising out of loans for which compromise and collection authority is conferred by section 635(g)(2) of the Foreign Assistance Act of 1961, as amended;
(b) Claims arising from investment guaranty operations for which settlement and arbitration authority is conferred by section 635(l) of the Foreign Assistance Act of 1961, as amended;
(c) Claims against any foreign country or any political subdivision thereof, or any public international organization;
(d) Claims where the CFO determines that the achievement of the purposes of the Foreign Assistance Act of 1961, as amended, or any other provision of law administered by USAID require a different course of action; and
(e) Claims owed USAID by other Federal agencies. Such debts will be resolved by negotiation between the agencies.

§ 213.4 Other remedies.
(a) This part does not supersede or require omission or duplication of administrative proceedings required by contract, statute, regulation or other Agency procedures, e.g., resolution of audit findings under grants or contracts, informal grant appeals, formal appeals, or review under a procurement contract.
(b) The remedies and sanctions available to the Agency under this part for collecting debts are not intended to be exclusive. The Agency may impose, where authorized, other appropriate sanctions upon a debtor for inexcusable, prolonged or repeated failure to pay a debt. For example, the Agency may stop doing business with a grantee, contractor, borrower or lender; convert the method of payment under a grant or contract from an advance payment to a reimbursement method; or revoke a grantee’s or contractor’s letter-of-credit.

§ 213.5 Fraud claims.
(a) The CFO will refer claims involving fraud, the presentation of a false claim, or misrepresentation on the part of the debtor or any party having an interest in the claim to the USAID Office of Inspector General (OIG). The OIG has the responsibility for investigating or referring the matter, where appropriate, to the Department of Justice (DOJ), and/or returning it to the CFO for further action.
(b) The CFO will not administratively compromise, terminate, suspend or otherwise dispose of debts involving fraud, the presentation of a false claim or misrepresentation on the part of the debtor or any party having an interest in the claim without the approval of DOJ.

§ 213.6 Subdivision of claims not authorized.
A claim will not be subdivided to avoid the $100,000 limit on the Agency’s authority to compromise, suspend, or terminate a debt. A debtor’s liability arising from a particular transaction or contract is a single claim.

§ 213.7 Omission not a defense.
Failure by USAID to comply with any provision of this part is not available to a debtor as a defense against payment of a debt.

Subpart B—Collection
§ 213.8 Collection—general.
(a) The CFO takes action to collect all debts owed the United States arising out of USAID activities and to reduce debt delinquencies. Collection actions may include sending written demands to the debtor’s last known address. Written demand may be preceded by other appropriate action, including immediate referral to DOJ for litigation, when such action is necessary to protect the Government’s interest. The CFO may contact the debtor by telephone, in person and/or in writing to demand prompt payment, to discuss the debtor’s position regarding the existence, amount or repayment of the debt, to inform the debtor of its rights
(e.g., to apply for waiver of the indebtedness or to have an administrative review) and of the basis for the debt and the consequences of nonpayment or delay in payment.

(b) The CFO maintains an administrative file for each debt and/or debtor which documents the basis for the debt, all administrative collection actions regarding the debt (including communications to and from the debtor) and its final disposition. Information on an individual may be disclosed only for purposes that are consistent with this part, the Privacy Act of 1974 and other applicable law.

§ 213.9 Written notice.

(a) When the billing official determines that a debt is owed USAID, he or she provides a written notice in the form of a Bill for Collection or demand letter to the debtor. Unless otherwise provided by agreement, contract or order, the written notice informs the debtor of:

1. The amount, nature and basis of the debt;
2. The right of the debtor to inspect and copy records related to the debt;
3. The right of the debtor to discuss and propose a repayment agreement;
4. Any rights available to the debtor to dispute the validity of the debt or to have recovery of the debt waived (citing the available review or waiver authority, the conditions for review or waiver, and the effects of the review or waiver request on the collection of the debt);
5. The date on which payment is due which will be not more than 30 days from the date of the bill for collection or demand letter;
6. The instructions for making electronic payment;
7. The debt is considered delinquent if it is not paid on the due date;
8. The imposition of interest charges and, except for State and local governments and Indian tribes, penalty charges and administrative costs that may be assessed against a delinquent debt;
9. The intention of USAID to use non-centralized administrative offset to collect the debt if appropriate and, if not, the referral of the debt 90 days after the Bill for Collection or demand letter to the Financial Management Service in the Department of Treasury who will collect their administrative costs from the debtor in addition to the amount owed USAID and use all means available to the Federal Government for debt collection including administrative wage garnishment, use of collection agencies and reporting the indebtedness to a credit reporting bureau (see §213.14);
10. The address, telephone number, and name of the person available to discuss the debt;
11. The possibility of referral to the Department of Justice for litigation if the debt cannot be collected administratively.

(b) USAID will respond promptly to communications from the debtor. Response generally will be within 30 days of receipt of communication from the debtor.

§ 213.10 Review requirements.

(a) For purposes of this section, whenever USAID is required to afford a debtor a review within the agency, USAID shall provide the debtor with a reasonable opportunity for an oral hearing when the debtor requests reconsideration of the debt and the agency determines that the question of the indebtedness cannot be resolved by review of the documentary evidence, for example, when the validity of the debt turns on an issue of credibility or veracity.

(b) Unless otherwise required by law, an oral hearing under this section is not required to be a formal evidentiary hearing, although USAID will carefully document all significant matters discussed at the hearing.

(c) This section does not require an oral hearing with respect to debt collection systems in which a determination of indebtedness rarely involves issues of credibility or veracity and the agency has determined that review of the written record is ordinarily an adequate means to correct prior mistakes.

(d) In those cases when an oral hearing is not required by this section, USAID shall accord the debtor a "paper hearing," that is, a determination of the request for reconsideration based upon a review of the written record.
§ 213.11 Aggressive collection actions; documentation.

(a) USAID takes actions and effective follow-up on a timely basis to collect all claims of the United States for money and property arising out of USAID’s activities. USAID cooperates with other Federal agencies in their debt collection activities.

(b) All administrative collection actions are documented in the claim file, and the basis for any compromise, termination or suspension of collection actions is set out in detail. This documentation, including the Claims Collection Litigation Report required in §213.34, is retained in the appropriate debt file.

§ 213.12 Interest, penalty and administrative costs.

(a) Interest. USAID will assess interest on all delinquent debts unless prohibited by statute, regulation or contract.

(1) Interest begins to accrue on all debts from the payment due date established in the initial notice to the debtor. USAID will assess an annual rate of interest that is equal to the rate of the current value of funds to the United States Treasury (i.e., the Treasury tax and loan account rate) unless a different rate is necessary to protect the interest of the Government. USAID will notify the debtor of the basis for its finding that a different rate is necessary to protect the interest of the Government.

(2) The rate of interest, as initially assessed, remains fixed for the duration of the indebtedness. If a debtor defaults on a repayment agreement, interest may be set at the Treasury rate in effect on the date a new agreement is executed.

(3) Interest will not be assessed on interest charges, administrative costs or late payment penalties. However, where a debtor defaults on a previous repayment agreement and interest, administrative costs and penalties charges have been waived under the defaulted agreement, these charges can be reinstated and added to the debt principal under any new agreement and interest charged on the entire amount of the debt.

(b) Administrative costs of collecting overdue debts. The costs of the Agency’s administrative handling of overdue debts including charges assessed by Treasury in cross-servicing USAID debts, based on either actual or average cost incurred, will be charged on all debts except those owed by State and local governments and Indian tribes. These costs include both direct and indirect costs.

(c) Penalties. As provided by 31 U.S.C. 3717(e)(2), a penalty charge will be assessed on all debts, except those owned by State and local governments and Indian tribes, more than 90 days delinquent. The penalty charge will be at a rate not to exceed 6% per annum and will be assessed monthly.

(d) Allocation of payments. A partial payment by a debtor will be applied first to outstanding administrative costs, second to penalty assessments, third to accrued interest and then to the outstanding debt principal.

(e) Waivers. (1) USAID will waive the collection of interest and administrative charges on the portion of the debt that is paid within 30 days after the date on which interest begins to accrue. The CFO may extend this 30-day period on a case-by-case basis where he determines that such action is in the best interest of the Government. A decision to extend or not to extend the payment period is final and is not subject to further review.

(2) The CFO may (without regard to the amount of the debt) waive collection of all or part of accrued interest, penalty or administrative costs, where he determines that—

(i) Waiver is justified under the criteria of §213.24;

(ii) The debt or the charges resulted from the Agency’s error, action or inaction, and without fault by the debtor; or

(iii) Collection of these charges would be against equity and good conscience or not in the best interest of the United States.

(3) A decision to waive interest, penalty charges or administrative costs may be made at any time.
§ 213.13 Interest and charges pending waiver or review.

Interest, penalty charges and administrative costs will continue to accrue on a debt during administrative appeal, either formal or informal, and during waiver consideration by the Agency; except, that interest, penalty charges and administrative costs will not be assessed where a statute or a regulation specifically prohibits collection of the debt during the period of the administrative appeal or the Agency review.

§ 213.14 Contracting for collection services.

USAID has entered into a cross-servicing agreement with the Financial Management Service (FMS) of the Department of Treasury. FMS is authorized to take all appropriate action to enforce collection of accounts referred to FMS in accordance with applicable statutory and regulatory requirements. The FMS fee ranges from 3% to 18% of the funds collected and will be collected from the debtor along with the original amount of the indebtedness. After referral, FMS will be solely responsible for the maintenance of the delinquent debtor records in its possession and for ensuring that accounts are updated as necessary. In the event that a referred debtor disputes the validity of the debt or any terms and conditions related to any debt not reduced to judgment, FMS may return the disputed debt to USAID for its determination of debt validity. FMS may take any of the following collection actions on USAID's behalf:

(a) Send demand letters on U. S. Treasury letterhead and telephone debtors;
(b) Refer accounts to credit bureaus;
(c) Skiptracing;
(d) Purchase credit reports to assist in the collection effort;
(e) Refer accounts for offset, including tax refund, Federal employee salary, administrative wage garnishment, and general administrative offset under the Treasury Offset Program;
(f) Refer accounts to private collection agencies;
(g) Refer accounts to DOJ for litigation;
(h) Report written off/discharged debts to IRS on the appropriate Form 1099;
(i) Take any additional steps necessary to enforce recovery; and
(j) Terminate collection action, as appropriate.

§ 213.15 Use of credit reporting bureaus.

Delinquent debts owed to USAID are reported to appropriate credit reporting bureaus through the cross-servicing agreement with FMS.

(a) The following information is provided to the credit reporting bureaus:
(1) A statement that the claim is valid and is overdue;
(2) The name, address, taxpayer identification number and any other information necessary to establish the identity of the debtor;
(3) The amount, status and history of the debt; and
(4) The program or pertinent activity under which the debt arose.

(b) Before referring claims to FMS and disclosing debt information to credit reporting bureaus, USAID will have:
(1) Taken reasonable action to locate the debtor if a current address is not available; and
(2) If a current address is available, notified the debtor in writing that:
(i) The designated USAID official has reviewed the claim and has determined that it is valid and overdue;
(ii) That 90 days after the initial billing or demand letter if the debt is not paid, USAID intends to refer the debt to FMS and disclose to a credit reporting agency the information authorized for disclosure by this subpart; and
(iii) The debtor can request a complete explanation of the claim, can dispute the information in USAID's records concerning the claim, and can file for an administrative review, waiver or reconsideration of the claim, where applicable.

(c) Before information is submitted to a credit reporting bureau, USAID will provide a written statement to FMS that all required actions have been taken. Additionally, FMS will, thereafter, ensure that accounts are updated as necessary during the period
that FMS holds the account information.

(d) If a debtor disputes the validity of the debt, the credit reporting bureau will refer the matter to the appropriate USAID official. The credit reporting bureau will exclude the debt from its reports until USAID certifies in written that the debt is valid.

§ 213.16 Use and disclosure of mailing addresses.

(a) When attempting to locate a debtor or in order to collect or compromise a debt, the CFO may obtain a debtor’s current mailing address from the Internal Revenue Service.

(b) Addresses obtained from the Internal Revenue Service will be used by the Agency, its officers, employees, agents or contractors and other Federal agencies only to collect or dispose of debts, and may be disclosed to other agencies and to collection agencies only for collection purposes.

§ 213.17 Liquidation of collateral.

Where the CFO holds a security instrument with a power of sale or has physical possession of collateral, he may liquidate the security or collateral and apply the proceeds to the overdue debt. USAID will exercise this right where the debtor fails to pay within a reasonable time after demand, unless the cost of disposing of the collateral is disproportionate to its value or special circumstances require judicial foreclosure. However, collection from other businesses, including liquidation of security or collateral, is not a prerequisite to requiring payment by a surety or insurance company unless expressly required by contract or statute. The CFO will give the debtor reasonable notice of the sale and an accounting of any surplus proceeds and will comply with any other requirements of law or contract.

§ 213.18 Suspension or revocation of eligibility for loans and loan guarantees, licenses or privileges.

Unless waived by the CFO, USAID will not extend financial assistance in the form of a loan or loan guarantee to any person delinquent on a nontax debt owed to a Federal agency. USAID may also suspend or revoke licenses or other privileges for any inexcusable, prolonged or repeated failure of a debtor to pay a claim. Additionally, the CFO may suspend or disqualify any contractor, lender, broker, borrower, grantee or other debtor from doing business with USAID or engaging in programs USAID sponsors or funds if a debtor fails to pay its debts to the Government within a reasonable time. Debtors will be notified before such action is taken and applicable suspension or debarment procedures will be used. The CFO will report the failure of any surety to honor its obligations to the Treasury Department for action under 31 CFR 332.18.

§ 213.19 Installment payments.

(a) Whenever feasible, and except as otherwise provided by law, debts owed to the United States, together with interest, penalty and administrative costs, as required by §213.11, will be collected in a single payment. However, where the CFO determines that a debtor is financially unable to pay the indebtedness in a single payment or that an alternative payment mechanism is in the best interest of the United States, the CFO may approve repayment of the debt in installments. The debtor has the burden of establishing that it is financially unable to pay the debt in a single payment or that an alternative payment mechanism is warranted. If the CFO agrees to accept payment by installments, the CFO may require a debtor to execute a written agreement which specifies all the terms of the repayment arrangement and which contains a provision accelerating the debt in the event of default. The size and frequency of installment payments will bear a reasonable relation to the size of the debt and the debtor’s ability to pay. The installment payments will be sufficient in size and frequency to liquidate the debt in not more than 3 years, unless the CFO determines that a longer period is required. Installment payments of less than $50 per month generally will not be accepted, but may be accepted where the debtor’s financial or other circumstances justify.

(b) If a debtor owes more than one debt and designates how a voluntary installment payment is to be applied
among the debts, that designation will be approved if the CFO determines that the designation is in the best interest of the United States. If the debtor does not designate how the payment is to be applied, the CFO will apply the payment to the various debts in accordance with the best interest of the United States, paying special attention to applicable statutes of limitations.

Subpart C—Administrative Offset

§ 213.20 Administrative offset of non-employee debts.

This subpart provides for USAID’s collection of debts by administrative offset under the Federal Claims Collection Standards, other statutory authorities and offsets or recoupments under common law. It does not apply to offsets against employee salaries covered by §§ 213.21, 213.22 and 213.23 of this subpart. USAID will collect debts by administrative offsets where it determines that such collections are feasible and are not otherwise prohibited by statute or contract. USAID will decide, on a case-by-case basis, whether collection by administrative offset is feasible and that its use furtherers and protects the interest of the United States.

(a) Standards. (1) The CFO collects debts by administrative offset only after the debtor has been sent written notice in the form of a Bill for Collection or demand letter outlining the type and amount of the debt, the intention of the agency to use administrative offset to collect the debt, and explaining the debtor’s rights under 31 U.S.C. 3716.

(2) Offsets may be initiated only after the debtor has been given:
(i) The opportunity to inspect and copy agency records related to the debt;
(ii) The opportunity for a review within the agency of the determination of indebtedness;
(iii) The opportunity to make a written agreement to repay the debt.

(3) The provisions of paragraphs (a)(1) and (2) of this section may be omitted when:
(i) The offset is in the nature of a recoupment;
(ii) The debt arises under a contract as set forth in Cecile Industries, Inc. v. Cheney, 995 F.2d 1052 (Fed. Cir. 1993) (notice and other procedural protections set forth in 31 U.S.C. 3716(a) do not supplant or restrict established procedures for contractual offsets accommodated by the Contracts Disputes Act); or
(iii) In the case of non-centralized administrative offsets conducted under paragraph (g) of this section, USAID first learns of the existence of the amount owed by the debtor when there is insufficient time before payment would be made to the debtor/payee to allow for prior notice and an opportunity for review. When prior notice and an opportunity for review are omitted, USAID shall give the debtor such notice and an opportunity for review as soon as practicable and shall promptly refund any money ultimately found not to have been owed to the USAID.

(4) When USAID previously has given a debtor any of the required notice and review opportunities with respect to a particular debt, USAID need not duplicate such notice and review opportunities before administrative offset may be initiated.

(b) Interagency offset. The CFO may offset a debt owed to another Federal agency from amounts due or payable by USAID to the debtor, or may request another Federal agency to offset a debt owed to USAID. The CFO through the FMS cross-servicing arrangement may request the Internal Revenue Service to offset an overdue debt from a Federal income tax refund due. The FMS may also garnish the salary of a private sector employee where reasonable attempts to obtain payment have failed. Interagency offsets from employee’s salaries will be made in accordance with the procedures contained in §§ 213.22 and 213.23.

(c) Statutory bar to offset. Administrative offset will not be made more than 10 years after the Government’s right to collect the debt first accrued, unless facts material to the Government’s right to collect the debt were not known and could not have been known through the exercise of reasonable care.
by the officer responsible for discovering or collecting the debt. For purposes of offset, the right to collect a debt accrues when the appropriate USAID official determines that a debt exists (e.g., contracting officer, grant award official, etc.), when it is affirmed by an administrative appeal or a court having jurisdiction, or when a debtor defaults on a payment agreement, whichever is latest. An offset occurs when money payable to the debtor is first withheld or when USAID requests offset from money held by another agency.

(d) Alternative repayment. The CFO may, at the CFO’s discretion, enter into a repayment agreement with the debtor in lieu of offset. In deciding whether to accept payment of the debt by an alternative repayment agreement, the CFO may consider such factors as the amount of the debt, the length of the proposed repayment period, past Agency dealings with the debtor, documentation submitted by the debtor indicating that an offset will cause undue financial hardship, and the debtor’s financial ability to adhere to the terms of a repayment agreement. The CFO may require financial documentation from the debtor before considering the repayment arrangement.

(e) Review of administrative determination of debt’s validity. (1) A debt will not be offset while a debtor is seeking either formal or informal review of the validity of the debt under this section or under another statute, regulation or contract. However, interest, penalty and administrative costs will continue to accrue during this period, unless otherwise waived by the CFO. The CFO may initiate offset as soon as practical after completion of review or after a debtor waives the opportunity to request review.

(2) The debtor must provide a written request for review of the decision to offset the debt no later than 15 days after the date of the notice of the offset unless a different time is specifically prescribed. The debtor’s request must state the basis for the request for review.

(3) The CFO may grant an extension of time for filing a request for review if the debtor shows good cause for the late filing. A debtor who fails timely to file or to request an extension waives the right to review.

(4) The CFO will issue, no later than 60 days after the filing of the request, a written final decision based on the evidence, record and applicable law.

(f) Multiple debts. Where moneys are available for offset against multiple debts of a debtor, it will be applied in accordance with the best interest of the Government as determined by the CFO on a case-by-case basis.

(g) Non-centralized administrative offset. (1) Generally, non-centralized administrative offsets are ad hoc case-by-case offsets that creditor agencies conduct, at the agency’s discretion, internally or in cooperation with the agency certifying or authorizing payments to the debtor. Unless otherwise prohibited by law, when centralized administrative offset is not available or appropriate, past due, legally enforceable nontax delinquent debts may be collected through non-centralized administrative offset. In these cases, a creditor agency may make a request directly to a payment authorizing agency to offset a payment due a debtor to collect a delinquent debt.

(2) Before requesting a payment authorizing agency to conduct a non-centralized administrative offset, USAID’s regulations provides that such offsets may occur only after:

(i) The debtor has been provided due process as set forth in paragraph (a) of this section; and

(ii) The payment authorizing agency has received written certification from the creditor agency that the debtor owes the past due, legally enforceable delinquent debt in the amount stated, and that the creditor agency has fully complied with its regulations concerning administrative offset.

(3) USAID as a payment authorizing agency will comply with offset requests by creditor agencies to collect debts owed to the United States, unless the offset would not be in the best interests of the United States with respect to USAID’s program, or would otherwise be contrary to law.

(4) When collecting multiple debts by non-centralized administrative offset, USAID will apply the recovered amounts to those debts in accordance
§ 213.21 Employee salary offset—general.

(a) Purpose. This section establishes USAID’s policies and procedures for recovery of debts owed to the United States by installment collection from the current pay account of an employee.

(b) Scope. The provisions of this section apply to collection by salary offset under 5 U.S.C. 5514 of debts owed USAID and debts owed to other Federal agencies by USAID employees. USAID will make every effort reasonably and lawfully possible to administratively collect amounts owed by employees prior to initiating collection by salary offset. An amount advanced to an employee for per diem or mileage allowances in accordance with 5 U.S.C. 5705, but not used for allowable travel expenses, is recoverable from the employee by salary offset without regard to the due process provisions in §213.22. This section does not apply to debts where collection by salary offset is explicitly provided for or prohibited by another statute.

(c) References. The following statutes and regulations apply to USAID’s recovery of debts due the United States by salary offset:

1. 5 U.S.C. 5514, as amended, governing the installment collection of debts;
2. 31 U.S.C. 3716, governing the liquidation of debts by administrative offset;
3. 5 CFR part 550, subpart K, setting forth the minimum requirements for executive agency regulations on salary offset; and
4. 31 CFR parts 900 through 904, the Federal Claims Collection Standards.

§ 213.22 Salary offset when USAID is the creditor agency.

(a) Due process requirements—Entitlement to notice, hearing, written response and decision. (1) Prior to initiating collection action through salary offset, USAID will first provide the employee with the opportunity to pay in full the amount owed, unless such notification will compromise the Government’s ultimate ability to collect the debt.

(2) Except as provided in paragraph (b) of this section, each employee from whom the Agency proposes to collect a debt by salary offset under this section is entitled to receive a written notice as described in paragraph (c) of this section.

(3) Each employee owing a debt to the United States that will be collected by salary offset is entitled to a hearing on the debt. This request must be filed as prescribed in paragraph (d) of this section. The Agency will make appropriate hearing arrangements that are consistent with law and regulations. Where a hearing is held, the employee is entitled to a written decision on the following issues:

(i) The determination of the Agency concerning the existence or amount of the debt; and

(ii) The repayment schedule, if it was not established by written agreement between the employee and the Agency.

(b) Exceptions to due process requirements—pay and allowances. The procedural requirements of paragraph (a) of this section are not applicable to overpayments of pay or allowances caused by the following:

1. Any adjustment of pay arising out of an employee’s election of coverage
§ 213.22

or a change in coverage under a Federal benefits program (such as health insurance) requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less. However, if the amount to be recovered was accumulated over more than four pay periods the full procedures prescribed under paragraph (d) of this section will be extended to the employee;

(2) Routine intra-agency adjustment in pay or allowances that is made to correct an overpayment of pay attributable to clerical or administrative errors or delays in processing pay documents, if the overpayment occurred with the 4 pay periods preceding the adjustment and, at the time of such adjustment, or as soon thereafter as practical, the employee is provided written notice of the nature and amount of the adjustment; or

(3) Any adjustment to collect a debt amounting to $50 or less, if at the time of such adjustment, or as soon thereafter as practical, the employee is provided written notice of the nature and amount of the adjustment.

(c) Notification before deductions begin. Except as provided in paragraph (b) of this section, deductions will not be made unless the employee is first provided with a minimum of 30 calendar days written notice. Notice will be sent by mail and must include the following:

(1) The Agency’s determination that a debt is owed, including the origin, nature, and amount of the debt;

(2) The Agency’s intention to collect the debt by means of deductions from the employee’s current disposable pay account;

(3) The amount, frequency, proposed beginning date and duration of the intended deductions. (The proposed beginning date for salary offset cannot be earlier than 30 days after the date of notice, unless this would compromise the Government’s ultimate ability to resolve the debt);

(4) An explanation of the requirements concerning interest, penalty and administrative costs;

(5) The employee’s right to inspect and copy all records relating to the debt or to request and receive a copy of such records;

(6) If not previously provided, the employee’s right to enter into a written agreement for a repayment schedule differing from that proposed by the Agency where the terms of the proposed repayment schedule are acceptable to the Agency. (Such an agreement must be in writing and signed by both the employee and the appropriate USAID official and will be included in the debt file);

(7) The right to a hearing conducted by a hearing official not under the control of USAID, if a request is filed;

(8) The method and time for requesting a hearing;

(9) That the filing of a request for hearing within 15 days of receipt of the original notification will stay the assessment of interest, penalty and administrative costs and the commencement of collection proceedings;

(10) That a final decision on the hearing (if requested) will be issued at the earliest practical date, but no later than 60 days after the filing of the request, unless the employee requests and the hearing official grants a delay in the proceedings;

(11) That any knowingly false or frivolous statements, representations or evidence may subject the employee to—

(i) Disciplinary procedures under 5 U.S.C. chapter 75 or any other applicable statutes or regulations;

(ii) Criminal penalties under 18 U.S.C. 286, 287, 1001 and 1002 or other applicable statutory authority; or

(iii) Penalties under the False Claims Act, 31 U.S.C. 3729–3731, or any other applicable statutory authority;

(12) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made; and

(13) Unless there are applicable contractual or statutory provisions to the contrary, amounts paid or deducted for the debt which are later waived or found not owed to the United States will be promptly refunded to the employee.

(d) Request for hearing. An employee may request a hearing by filing a written, signed request directly with the Deputy Chief Financial Office, M/FM, United States Agency for International
§213.22  22 CFR Ch. II (4–1–16 Edition)

Development, Ronald Reagan Building, 1300 Pennsylvania Avenue NW., Washington, DC 20523–4601. The request must state the basis upon which the employee disputes the proposed collection of the debt. The request must be signed by the employee and be received by USAID within 15 days of the employee’s receipt of the notification of proposed deductions. The employee should submit in writing all facts, evidence and witnesses that support his/her position to the Deputy Chief Financial Officer within 15 days of the date of the request for a hearing. The Deputy Chief Financial Officer will arrange for the services of a hearing official not under the control of USAID and will provide the hearing official with all documents relating to the claim.

(e) Requests for hearing made after time expires. Late requests for a hearing may be accepted if the employee can show that the delay in filing the request for a hearing was due to circumstances beyond the employee’s control.

(f) Form of hearing, written response and final decision. (1) Normally, a hearing will consist of the hearing official making a decision based upon a review of the claims file and any materials submitted by the debtor. However, in instances where the hearing official determines that the validity of the debt turns on an issue of veracity or credibility which cannot be resolved through review of documentary evidence, the hearing official at his discretion may afford the debtor an opportunity for an oral hearing. Such oral hearings will consist of an informal conference before a hearing official in which the employee and the Agency will be given the opportunity to present evidence, witnesses and argument. If desired, the employee may be represented by an individual of his/her choice. The Agency shall maintain a summary record of oral hearings provided under the procedures in this section.

(2) Written decisions provided after a request for hearing will, at a minimum, state the facts evidencing the nature and origin of the alleged debt; and the hearing official’s analysis, findings and conclusions.

(3) The decision of the hearing official is final and binding on the parties.

(g) Request for waiver. In certain instances, an employee may have a statutory right to request a waiver of overpayment of pay or allowances, e.g., 5 U.S.C. 5584 or 5 U.S.C. 5724(i). When an employee requests waiver consideration under a right authorized by statute, further collection on the debt will be suspended until a final administrative decision is made on the waiver request. However, where it appears that the Government’s ability to recover the debt may be adversely affected because of the employee’s resignation, termination or other action, suspension of recovery is not required. During the period of the suspension, interest, penalty charges and administrative costs will not be assessed against the debt. The Agency will not duplicate, for purposes of salary offset, any of the procedures already provided the debtor under a request for waiver.

(h) Method and source of collection. A debt will be collected in a lump sum or by installment deductions at established pay intervals from an employee’s current pay account, unless the employee and the Agency agree to alternative arrangements for payment. The alternative payment schedule must be in writing, signed by both the employee and the CFO and will be documented in the Agency’s files.

(1) Limitation on amount of deduction. The size and frequency of installment deductions generally will bear a reasonable relation to the size of the debt and the employee’s ability to pay. However, the amount deducted for any period may not exceed 15 percent of the disposable pay from which the deduction is made, unless the employee has agreed in writing to the deduction of a greater amount. If possible, the installment payments will be in amounts sufficient to liquidate the debt in three years or less. Installment payments of less than $50 normally will be accepted only in the most unusual circumstances.

(2) Written decisions provided after a request for hearing will, at a minimum, state the facts evidencing the nature and origin of the alleged debt; and the hearing official’s analysis, findings and conclusions.

(3) The decision of the hearing official is final and binding on the parties.

(i) Duration of deduction. If the employee is financially unable to pay a debt in a lump sum or the amount of the debt exceeds 15 percent of disposable pay, collection will be made in installments. Installment deductions will
be made over the period of active duty or employment except as provided in paragraph (a)(1) of this section.

(k) When deductions may begin. (1) Deductions to liquidate an employee’s debt will begin on the date stated in the Agency’s Bill for Collection or demand letter notice of intention to collect from the employee’s current pay unless the debt has been repaid or the employee has filed a timely request for hearing on issues for which a hearing is appropriate.

(2) If the employee has filed a timely request for hearing with the Agency, deductions will begin after the hearing official has provided the employee with a final written decision indicating the amount owed the Government. Following the decision by the hearing official, the employee will be given 30 days to repay the amount owed prior to collection through salary offset, unless otherwise provided by the hearing official.

(l) Liquidation from final check. If the employee retires, resigns, or the period of employment ends before collection of the debt is completed, the remainder of the debt will be offset from subsequent payments of any nature due the employee (e.g., final salary payment, lump-sum leave, etc.).

(m) Recovery from other payments due a separated employee. If the debt cannot be liquidated by offset from any final payment due the employee on the date of separation, USAID will liquidate the debt, where appropriate, by administrative offset from later payments of any kind due the former employee (e.g., retirement pay). Such administrative offset will be taken in accordance with the procedures set forth in §213.20.

(n) Interest, penalty and administrative cost. USAID will assess interest, penalties and administrative costs on debts collected under the procedures in this section. Interest, penalty and administrative costs will continue to accrue during the period that the debtor is seeking either formal or informal review of the debt or requesting a waiver. The following guidelines apply to the assessment of these costs on debts collected by salary offset:

(1) Interest will be assessed on all debts not collected by the payment due date specified in the bill for collection or demand letter. USAID will waive the collection of interest and administrative charges on the portion of the debt that is paid within 30 days after the date on which interest begins to accrue.

(2) Administrative costs will be assessed if the debt is referred to Treasury for cross-servicing.

(3) Deductions by administrative offset normally begin prior to the time for assessment of a penalty. Therefore, a penalty charge will not be assessed unless deductions occur more than 90 days from the due date in the bill for collection or demand letter.

(o) Non-waiver of right by payment. An employee’s payment under protest of all or any portion of a debt does not waive any rights that the employee may have under either the procedures in this section or any other provision of law.

(p) Refunds. USAID will promptly refund to the employee amounts paid or deducted pursuant to this section, the recovery of which is subsequently waived or otherwise found not owing to the United States. Refunds do not bear interest unless specifically authorized by law.

(q) Time limit for commencing recovery by salary setoff. USAID will not initiate salary offset to collect a debt more than 10 years after the Government’s right to collect the debt first accrued, unless facts material to the right to collect the debt were not known and could not have been known through the exercise of reasonable care by the Government official responsible for discovering and collecting such debts.

§ 213.23 Salary offset when USAID is not the creditor agency.

(a) USAID will use salary offset against one of its employees that is indebted to another agency if requested to do so by that agency. Such a request must be accompanied by a certification by the requesting agency that the person owes the debt (including the amount) and that the procedural requirements of 5 U.S.C. 5514 and 5 CFR part 550, subpart K, have been met. The creditor agency must also advise USAID of the number of installments
§ 213.24  

22 CFR Ch. II (4–1–16 Edition)

to be collected, the amount of each installment, and the commencement date of the first installment, if a date other than the next established pay period.

(b) Requests for salary offset must be sent to the Chief Financial Officer, Office of Financial Management (M/FM), United States Agency for International Development, Ronald Reagan Building, 1300 Pennsylvania Avenue NW., Washington, DC 20523–4601.

(c) Processing of the claim by USAID—

(1) Incomplete claims. If USAID receives an improperly completed request, the requesting (creditor) agency will be requested to supply the required information before any salary offset can be taken.

(2) Complete claims. If the claim procedures in paragraph (a) of this section have been properly completed, deduction will begin on the next established pay period. USAID will not review the merits of the creditor agency’s determinations with respect to the amount or validity of the debt as stated in the debt claim form. USAID will not assess a handling or any other related charge to cover the cost of its processing the claim.

(d) Employees separating from USAID before a debt to another agency is collected—(1) Employees separating from Government service. If an employee begins separation action before USAID collects the total debt due the creditor agency, the following actions will be taken:

(i) To the extent possible, the balance owed the creditor agency will be liquidated from subsequent payments of any nature due the employee from USAID in accordance with §213.22;

(ii) If the total amount of the debt cannot be recovered, USAID will certify to the creditor agency and the employee the total amount of USAID’s collection; and

(iii) If USAID is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund, the Foreign Service Retirement Fund, or other similar payments, it will provide such information to the creditor agency so that it can file a certified claim against the payments.

(2) Employees who transfer to another Federal agency. If an USAID employee transfers to another Federal agency before USAID collects the total amount due the creditor agency, USAID will certify the total amount of the collection made on the debt. It is the responsibility of the creditor agency to ensure that the collection is resumed by the new employing agency.

Subpart D—Compromise of Debts

§ 213.24 General.

USAID may compromise claims for money or property where the principal balance of a claim, exclusive of interest, penalty and administrative costs, does not exceed $100,000. Where the claim exceeds $100,000, the authority to accept the compromise rests solely with DOJ. The CFO may reject an offer of compromise in any amount. Where the claim exceeds $100,000 and USAID recommends acceptance of a compromise offer, it will refer the claim with its recommendation to DOJ for approval. The referral will be in the form of the Claims Collection Litigation Report (CCLR) and will outline the basis for USAID’s recommendation. USAID refers compromise offers for claims in excess of $100,000 to the Commercial Litigation Branch, Civil Division, Department of Justice, Washington, DC 20530, unless otherwise provided by Department of Justice delegations or procedures

§ 213.25 Standards for compromise.

(a) USAID may compromise a claim pursuant to this section if USAID cannot collect the full amount because the debtor does not have the financial ability to pay the full amount of the debt within a reasonable time, or the debtor refuses to pay the claim in full and the Government does not have the ability to enforce collection in full within a reasonable time by enforced collection proceedings. In evaluating the acceptability of the offer, the CFO may consider, among other factors, the following:

(1) Age and health of the debtor;

(2) Present and potential income;

(3) Inheritance prospects;
§ 213.29 Suspension—general.

The CFO may suspend or terminate the Agency’s collection actions on a debt where the outstanding debt principal does not exceed $100,000. Unless otherwise provided by DOJ delegations or procedures, the CFO refers requests for suspension of debts exceeding $100,000 to the Commercial Litigation Branch, Civil Division, Department of

Subpart E—Suspension or Termination of Collection Action

§ 213.29 Suspension—general.

The CFO may suspend or terminate the Agency’s collection actions on a debt where the outstanding debt principal does not exceed $100,000. Unless otherwise provided by DOJ delegations or procedures, the CFO refers requests for suspension of debts exceeding $100,000 to the Commercial Litigation Branch, Civil Division, Department of

§ 213.30 Standards for suspension.

(a) The CFO may suspend collection action on a debt when:
(1) The debtor cannot be located;
(2) The debtor’s financial condition is expected to improve; or
(3) The debtor has requested a waiver or review of the debt.

(b) Based on the current financial condition of the debtor, the CFO may suspend collection activity on a debt when the debtor’s future prospects justify retention of the claim for periodic review, and:
(1) The applicable statute of limitations has not expired; or
(2) Future collection can be effected by offset, notwithstanding the 10-year statute of limitations for administrative offsets; or
(3) The debtor agrees to pay interest on the debt and suspension is likely to enhance the debtor’s ability to fully pay the principal amount of the debt with interest at a later date.

(c) The CFO will suspend collection activity during the time required for waiver consideration or administrative review prior to agency collection of a debt if the statute under which the request is sought prohibits USAID from collecting the debt during that time. The CFO will ordinarily suspend collection action during the pendency of his consideration of a waiver request or administrative review where statute and regulation preclude refund of amounts collected by the Agency should the debtor prevail.

(d) The CFO may suspend collection activities on debts of $100,000 or less during the pendency of a permissive waiver or administrative review when there is no statutory requirement where he determines that:
(1) There is a reasonable possibility that waiver will be granted and the debtor may be found not owing the debt (in whole or in part);
(2) The Government’s interest is protected, if suspension is granted, by the reasonable assurance that the debt can be recovered if the debtor does not prevail; or
(3) Collection of the debt will cause undue hardship to the debtor.

(e) The CFO will decline to suspend collection where he determines that the request for waiver or administrative review is frivolous or was made primarily to delay collection.

§ 213.31 Termination—general.

The CFO may terminate collection actions including accrued interest, penalty and administrative costs, where the debt principal does not exceed $100,000. If the debt exceeds $100,000, USAID obtains the approval of DOJ in order to terminate further collection actions. Unless otherwise provided for by DOJ regulations or procedures, requests to terminate collection on debts in excess of $100,000 are referred to the Commercial Litigation Branch, Civil Division, Department of Justice, for approval.

§ 213.32 Standards for termination.

A debt may be terminated where the CFO determines that:
(a) The Government cannot collect or enforce collection of any significant sum from the debtor, having due regard for available judicial remedies, the debtor’s ability to pay, and the exemptions available to the debtor under State and Federal law;

(b) The debtor cannot be located, there is no security remaining to be liquidated, and the prospects of collecting by offset are too remote to justify retention of the claim;

(c) The cost of further collection action is likely to exceed the amount recoverable;

(d) The claim is determined to be legally without merit or enforcement of the debt is barred by any applicable statute of limitations;

(e) The evidence necessary to prove the claim cannot be produced or the
necessary witnesses are unavailable and efforts to induce voluntary payment have failed; or
(f) The debt against the debtor has been discharged in bankruptcy.

§ 213.33 Permitted actions after termination of collection activity.
Termination of collection activity ceases active collection of the debt. Termination does not preclude the agency from retaining a record of the account for purposes of:
(a) Selling the debt if the CFO determines that such sale is in the best interests of USAID;
(b) Pursuing collection at a subsequent date in the event there is a change in the debtor’s status or a new collection tool becomes available;
(c) Offsetting against future income or assets not available at the time of termination of collection activity; or
(d) Screening future applicants for prior indebtedness.

§ 213.34 Debts that have been discharged in bankruptcy.
USAID generally terminates collection activity on a debt that has been discharged in bankruptcy regardless of the amount. USAID may continue collection activity, however, subject to the provisions of the Bankruptcy Code for any payments provided under a plan of reorganization. The CFO will seek legal advice by the General Counsel’s office if he believes that any claims or offsets may have survived the discharge of a debtor.

Subpart F—Discharge of Indebtedness and Reporting Requirements

§ 213.35 Discharging indebtedness—general.
Before discharging a delinquent debt (also referred to as a close out of the debt), USAID will make a determination that collection action is no longer warranted and request that litigation counsel release any liens of record securing the debt. Discharge of indebtedness is distinct from termination or suspension of collection activity and is governed by the Internal Revenue Code. When collection action on a debt is suspended or terminated, the debt remains delinquent and further collection action may be pursued at a later date in accordance with the standards set forth in this part. When a debt is discharged in full or in part, further collection action is prohibited and USAID must terminate debt collection action.

§ 213.36 Reporting to IRS.
Upon discharge of an indebtedness, USAID will report the discharge to the IRS in accordance with the requirements of 26 U.S.C. 6050P and 26 CFR 1.6050P–1. USAID may request FMS to file such a discharge report to the IRS on the agency’s behalf.

Subpart G—Referrals to the Department of Justice

§ 213.37 Referrals to the Department of Justice.
(a) The CFO, through the FMS cross-servicing agreement and by direct action, refers to DOJ for litigation all claims on which aggressive collection actions have been taken but which could not be collected, compromised, suspended or terminated. Referrals are made as early as possible, consistent with aggressive agency collection action, and within the period for bringing a timely suit against the debtor. Unless otherwise provided by DOJ regulations or procedures, USAID refers for litigation debts of more than $2,500 but less than $1,000,000 to the Department of Justice’s Nationwide Central Intake Facility as required by the Claims Collection Litigation Report (CCLR) instructions. Debts of over $1,000,000 shall be referred to the Civil Division at the Department of Justice.
(b) The CFO will clearly indicate on the CCLR the actions the DOJ should take on the referred claim.

Subpart H—Mandatory Transfer of Delinquent Debt to Financial Management Service (FMS) of the Department of Treasury

§ 213.38 Mandatory transfer of debts to FMS—general.
(a) USAID’s procedures call for transfer of legally enforceable debt to FMS 90 days after the Bill for Collection or
demand letter is issued. A debt is legally enforceable if there has been a final agency determination that the debt, in the amount stated, is due and there are no legal bars to collection action. A debt is not considered legally enforceable for purposes of mandatory transfer to FMS if a debt is the subject of a pending administrative review process required by statute or regulation and collection action during the review process is prohibited.

(b) Except as set forth in paragraph (a) of this section, USAID will transfer any debt covered by this part that is more than 180 days delinquent to FMS for debt collection services. A debt is considered 180 days delinquent for purposes of this section if it is 180 days past due and is legally enforceable.

§ 213.39 Exceptions to mandatory transfer.

USAID is not required to transfer a debt to FMS pursuant to §213.37(b) during such period of time that the debt:

(a) Is in litigation or foreclosure;

(b) Is scheduled for sale;

(c) Is at a private collection contractor;

(d) Is at a debt collection center if the debt has been referred to a Treasury-designated debt collection center;

(e) Is being collected by internal offset; or

(f) Is covered by an exemption granted by Treasury

(b) In general, this definition includes any committee, board, commission, council, conference, panel, task force, or other similar group, or any subcommittee or sub-group thereof, which is formed or utilized by the Agency for obtaining advice or recommendations, and which is not composed wholly of full-time Federal employees.

§ 214.3 A.I.D. Advisory Committee Management Officer.

The Advisory Committee Management Officer is responsible to the Administrator for the establishment of uniform administrative guidelines and management controls which must be consistent with directives of the Director of the OMB under sections 7 and 10 of the Act.

Subpart B—Establishment of Advisory Committees

§ 214.11 Establishment and chartering requirements.

Provisions governing the establishment and chartering of Advisory Committees are contained in section 9 of the Act and paragraph 6 of OMB Circular A–63. In summary, these requirements include the following:

(a) Where establishment of an Advisory Committee is not specifically authorized by statute or by the President, the need for a new A.I.D. advisory committee is determined by the A.I.D. Administrator, in accordance with the guidelines set forth in section 5(b) of the Act. The determination also includes a certification that creation of the Committee is in the public interest and a description of the nature and purpose of the Committee.

(b) After written consultation to the OMB Secretariat and notification that the establishment of the Committee would be in accord with the Act, A.I.D. publishes the Administrator’s Determination in the Federal Register at least fifteen (15) days prior to the filing of the Committee’s Charter.

(c) Each advisory committee established or used by A.I.D. is required to file a charter with the A.I.D. Administrator, the House International Relations Committee, and the Senate Foreign Relations Committee, before meeting or taking any action.

(9) Committee’s termination date; and

(10) Date the charter is filed.

(e) A copy of the charter is required to be sent to the Library of Congress, Exchange and Gift Division, Federal Advisory Committee Desk, Washington, DC 20540.

§ 214.13 Responsibilities within A.I.D.

(a) The A.I.D. Office or Bureau seeking establishment of a new A.I.D. advisory committee:

(1) Justifies the need for the advisory committee to the satisfaction of the A.I.D. Advisory Committee Management Officer, the A.I.D. Administrator, and the OMB Secretariat.

(2) Prepares, clears with the Advisory Committee Management Officer and the General Counsel, and submits to the Administrator all documentation necessary to establish or use the advisory committee.
§ 214.14 Charter revision.

(a) Sponsoring A.I.D. Bureaus and Offices initiate revisions to advisory committee charters, as necessary, to reflect current information regarding scope, duties, etc.

(b) Charter revision requires clearances by the advisory committee, the A.I.D. Advisory Committee Management Officer and the General Counsel; consultation with OMB; approval by the A.I.D. Administrator; and notification of the change to the Federal Register, Congressional committees, and the Library of Congress.

§ 214.15 Changes in membership.

Changes in membership of advisory committees are proposed by the Bureau of Office through which the committee reports, are cleared by the Advisory Committee Management Officer and the Office of the General Counsel, and are approved by the A.I.D. Administrator.

Subpart C—Termination and Renewal of Advisory Committees

§ 214.21 Termination and renewal provisions.

Provisions governing the termination and renewal of advisory committees are contained in section 14 of the Act and paragraph 7 of OMB Circular A-63, as amended. As related to A.I.D.-established non-statutory committees, these provisions mean that:

(a) Each such committee which was in existence on January 5, 1973, shall terminate by January 5, 1975, unless it is renewed by the A.I.D. Administrator prior to the latter date.

(b) Each such committee established after January 5, 1973, shall terminate not later than two years after its establishment, unless it is renewed by the A.I.D. Administrator prior to its termination date.

(c) Any committee which is renewed shall continue for not more than two years unless, prior to the expiration of that period, it is renewed.

(d) Renewal requires advance approval of the Administrator in accordance with section 5(c) which requires application of the criteria set forth in section 5(b) of the Act; notification to the OMB Secretariat not more than sixty (60) days nor less than thirty (30) days before the expiration date, and concurrence by the Secretariat; publication of a notice of the renewal; and the filing of a new advisory committee charter with the appropriate House and Senate Committees and to the Library of Congress.

(e) Notification to the OMB Secretariat shall include:

(1) The A.I.D. Administrator’s determination that renewal is necessary and is in the public interest;

(2) The reasons for his determination;

(3) The Agency’s plan to attain or maintain balanced membership of the committee; and

(4) An explanation of why the committee’s functions cannot be performed by the Agency or by an existing advisory committee.
§ 214.22 Responsibilities within A.I.D.
Responsibilities within A.I.D. for the renewal of advisory committees are as follows:

(a) The Office or Bureau through which the advisory committee reports; prepares, clears with the Advisory Committee Management Officer and the General Counsel, and submits to the Administrator all documentation necessary for committee renewal sixty-five (65) days prior to the expiration date of the Committee.

(b) The Office of General Counsel assists in the preparation of charters; reviews and clears the proposal for conformity with the Act and other requirements; and assures publication of the Administrator’s determination of renewal in the Federal Register.

(c) The Office of Legislative Affairs transmits approved advisory committee charters to the House and Senate Committees and to the Library of Congress.

Subpart D—Operation of Advisory Committees
§ 214.31 A.I.D. Advisory Committee Representative.

(a) For each advisory committee used by A.I.D., the Administrator designates an A.I.D., employee to serve as the A.I.D. Advisory Committee Representative.

(b) The designated A.I.D. employee performs functions required by section 10 of the Act and assigned herein. Such functions include:

1. Calling, or giving advance approval to, advisory committee meetings;
2. Approving an agenda for each meeting;
3. Making recommendations on proposals to close meetings, or parts of meetings, to the public; and clearing such recommendation with the Advisory Committee Management Officer and the General Counsel for decisions by the Administrator;

5. Assuring that open meetings are accessible to the public;
6. As specified by the Administrator, chairing or attending each meeting;
7. Determining the number of committee members necessary to be present at any meeting for the transaction of committee business;
8. Adjourning any meeting, whenever he determines adjournment to be in the public interest;
9. Assuring that minutes are kept of each advisory committee meeting and of the meetings of sub-committees and sub-groups, and that such minutes are certified for accuracy by the chairman or presiding officer of the committee; and
10. Assuring that, subject to section 552 of title 5 United States Code, the documents of the advisory committee are made available for public inspection and copying.
11. Maintaining a current list of members of the advisory committee, and furnishing membership information to the A.I.D. Advisory Committee Management Officer on request.

§ 214.32 Calling of advisory committee meetings.

(a) No advisory committee is to hold any meetings except at the call, or with the advance approval, of the designated A.I.D. Advisory Committee Representative.

(b) Each advisory committee meeting is conducted in accordance with an agenda approved by the designated A.I.D. Advisory Committee Representative.

1. The agenda lists the matters to be considered at the meeting and indicates whether any portion of the meeting is to be closed to the public in accordance with subsection (c) of section 552(b) of title 5, United States Code.
2. Copies of the agenda are distributed to members of the committee prior to the date of the meeting and are included in the official records of the Advisory Committee.

[40 FR 32205, Aug. 7, 1975, as amended at 42 FR 26975, May 26, 1977]
§ 214.33 Notice of meetings.

(a) Notice of each advisory committee meeting (whether the meeting is open or closed) shall be published in the Federal Register at least fifteen (15) days before the date of the meeting, and should also be provided through other means such as newspaper advertisements, press releases, and direct mail.

(1) Exceptions to the requirement for public notice are granted only for reasons of national security as determined by the Director, OMB and are requested and justified by the Administrator, A.I.D. at least thirty (30) days prior to the meeting.

(2) Exceptions to the fifteen (15) day advance publication requirement are granted in emergency situations as determined by the Administrator, A.I.D. In such situations, the facts on which exception is based are to be included in the Notice of the meeting.

(3) Requests for exceptions under paragraphs (a)(1) and (2) of this section are prepared by the Advisory Committee Representative and are cleared by the Advisory Committee Management Officer and the General Counsel prior to submission to the Administrator.

(b) Notices include the name of the advisory committee; the time of the meeting; the purposes of the meeting; a statement regarding the extent to which the public will be permitted to attend and, if any portion is closed, why such closure or partial closure is necessary, including citation of the appropriate exemption permitted under subsection (c) of 5 U.S.C. 552b. Thus, A.I.D. Notices of Advisory Committee meetings normally state that the meeting is open to the public and include the place of the meeting; and instructions for gaining access to open meetings which are held in a “secured” building.

(c) Both formal and informal notices are prepared by the A.I.D. Advisory Committee Representative; formal notices to be published in the Federal Register are cleared with the Advisory Committee Management Officer and are sent to the Office of the General Counsel at least thirty-two (32) days before the scheduled meeting date.

(d) Copies of all public notices are provided to the Advisory Committee Management Officer.

§ 214.34 Public participation.

(a) Each advisory committee meeting is to be open to the public except where:

(1) The Director, OMB, has determined that public notice of a meeting would be inconsistent with national security; or

(2) The Administrator, AID, has formally determined that a meeting, or portion of a meeting may be closed to the public in accordance with subsection (c) of section 552b of title 5, United States Code.

(b) Advisory committee requests to close all or part of a meeting or a series of meetings are to include the reasons for proposed closure, citing specific exceptions involved under subsection (c) of section 552b of Title 5, United States Code. Such requests are submitted by the AID Advisory Committee Representative, through the Advisory Committee Management Officer and the General Counsel to the Administrator at least forty (40) days before the scheduled date of the meeting.

(c) The Administrator’s determination is to be in writing and is to contain a brief statement of the reasons for closing the meeting (or portion thereof). The determination itself is to be made available to the public on request.

(d) When all or part of an advisory committee meeting is closed and detailed minutes are not to be made available in their entirety to the public, the Committee shall prepare and make available to the public within thirty (30) days of the close of the meeting a summary of its activities and related matters which are informative to the public consistent with the policy of 5 U.S.C. 552(b). Notice of availability of such a summary shall be incorporated in the notice of the meeting published in the Federal Register.

(e) To facilitate public participation in advisory committee meetings which
are to be open or partially open to the public:
(1) Meetings are to be held at a reasonable time and at a place that is accessible to members of the public.
(2) The size of the meeting room is to be large enough to accommodate the Advisory Committee, its staff, and those members of the public who might be expected to attend.
(3) Any member of the public is permitted to file a written statement with the committee, before or after the meeting.
(4) Interested persons may be permitted to present oral statements at the meeting in accordance with procedures established by the committee, and to the extent time available for the meeting permits.
(5) Other participation by members of the public is not permitted, except in accordance with procedures established by the committee.

(6) The extent of public participation, including a list of those who presented oral or written statements and an estimate of the number of those who attended the meeting.
(d) The chairman or presiding officer of the advisory committee is to certify to the accuracy of the minutes. The certification is to indicate that “the minutes are an accurate and complete summary of the matters discussed and conclusions reached at the meeting held on (date(s)).”

§ 214.36 Records of advisory committees.
(a) The A.I.D. Advisory Committee Representative is to maintain the records of the advisory committee in a location known to the A.I.D. Advisory Committee Management Officer.
(b) Such records are to include the reports, transcripts, minutes, appendices, working papers, drafts, studies, agenda, and other documents which were made available to, or prepared for or by, the advisory committee.

(b) The A.I.D. Advisory Committee Representative provides copies of committee reports to the Office of Legislative Affairs for transmittal to the Library of Congress; and sends a copy to the A.I.D. Advisory Committee Management Officer for inclusion in the Agency’s central file on advisory committees.
(c) As appropriate, the A.I.D. Advisory Committee Representative may also send copies of background papers

(b) A.I.D. reports monthly to OMB on committee terminations or other significant changes in continuing A.I.D. Advisory Committees.
(c) A.I.D. also provides information to the General Services Administration (GSA) for an annual report to Congress. The Agency report is due on February 1 of each year; includes only those advisory committees established by or reporting to A.I.D.; and is submitted on a form prescribed by GSA.

(d) Within A.I.D., the Advisory Committee Management Officer collects required information from the A.I.D. Advisory Committee Representatives; appraises advisory committee activities for the Administrator; and prepares the Agency’s reports for the Administrator.

Subpart F—Administrative Remedies

§ 214.51 Administrative review of denial for public access to records.

§ 216.1 Introduction.

(a) Purpose. In accordance with sections 118(b) and 621 of the Foreign Assistance Act of 1961, as amended, (the FAA) the following general procedures shall be used by A.I.D. to ensure that environmental factors and values are integrated into the A.I.D. decision making process. These procedures also assign responsibility within the Agency for assessing the environmental effects of A.I.D.'s actions. These procedures are consistent with Executive Order 12114, issued January 4, 1979, entitled Environmental Effects Abroad of Major Federal Actions, and the purposes of the National Environmental Policy Act of 1970, as amended (42 U.S.C. 4371 et seq.) (NEPA). They are intended to implement the requirements of NEPA as they effect the A.I.D. program.

(b) Environmental policy. In the conduct of its mandate to help upgrade the quality of life of the poor in developing countries, A.I.D. conducts a broad range of activities. These activities address such basic problems as hunger, malnutrition, overpopulation, disease, disaster, deterioration of the environment and the natural resource base, illiteracy as well as the lack of adequate housing and transportation. Pursuant to the FAA, A.I.D. provides development assistance in the form of technical advisory services, research, training, construction and commodity support. In addition, A.I.D. conducts programs under the Agricultural Trade Development and Assistance Act of 1954 (Pub. L. 480) that are designed to combat hunger, malnutrition and to facilitate economic development. Assistance programs are carried out under the foreign policy guidance of the Secretary of State and in cooperation with the governments of sovereign states. Within this framework, it is A.I.D. policy to:

1. Ensure that the environmental consequences of A.I.D.-financed activities are identified and considered by A.I.D. and the host country prior to a final decision to proceed and that appropriate environmental safeguards are adopted;

2. Assist developing countries to strengthen their capabilities to appreciate and effectively evaluate the potential environmental effects of proposed development strategies and projects, and to select, implement and manage effective environmental programs;

3. Identify impacts resulting from A.I.D.'s actions upon the environment, including those aspects of the biosphere which are the common and cultural heritage of all mankind; and

4. Define environmental limiting factors that constrain development and identify and carry out activities that assist in restoring the renewable resource base on which sustained development depends.

Environmental Coordinator determines that such procedures are adequate.

22 CFR Ch. II (4–1–16 Edition)  

an exemption is made under paragraphs (b)(1) (ii) and (iii) of this section, but is not required for projects, programs or activities under paragraph (b)(1)(i) of this section. The determination shall be made either by the Assistant Administrator having responsibility for the program, project or activity, or by the Administrator, where authority to approve financing has been reserved by the Administrator. The determination shall be made after consultation with CEQ regarding the environmental consequences of the proposed program, project or activity.

(c) Categorical exclusions. (1) The following criteria have been applied in determining the classes of actions including in §216.2(c)(2) for which an Initial Environmental Examination, Environmental Assessment and Environmental Impact Statement generally are not required:

(i) The action does not have an effect on the natural or physical environment;

(ii) A.I.D. does not have knowledge of or control over, and the objective of A.I.D. in furnishing assistance does not require, either prior to approval of financing or prior to implementation of specific activities, knowledge of or control over, the details of the specific activities that have an effect on the physical and natural environment for which financing is provided by A.I.D.;

(iii) Research activities which may have an effect on the physical and natural environment but will not have a significant effect as a result of limited scope, carefully controlled nature and effective monitoring.

(2) The following classes of actions are not subject to the procedures set forth in §216.3, except to the extent provided herein:

(i) Education, technical assistance, or training programs except to the extent such programs include activities directly affecting the environment (such as construction of facilities, etc.);

(ii) Controlled experimentation exclusively for the purpose of research and field evaluation which are confined to small areas and carefully monitored;

(iii) Analyses, studies, academic or research workshops and meetings;

(iv) Projects in which A.I.D. is a minor donor to a multidonor project and there is no potential significant effects upon the environment of the United States, areas outside any nation’s jurisdiction or endangered or threatened species or their critical habitat;

(v) Document and information transfers;

(vi) Contributions to international, regional or national organizations by the United States which are not for the purpose of carrying out a specifically identifiable project or projects;

(vii) Institution building grants to research and educational institutions in the United States such as those provided for under section 122(d) and title XII of chapter 2 of part 1 of the FAA (22 USCA 2151 p. (b) 2220a. (1979));

(viii) Programs involving nutrition, health care or population and family planning services except to the extent designed to include activities directly affecting the environment (such as construction of facilities, water supply systems, waste water treatment, etc.)

(ix) Assistance provided under a Commodity Import Program when, prior to approval, A.I.D. does not have knowledge of the specific commodities to be financed and when the objective in furnishing such assistance requires neither knowledge, at the time the assistance is authorized, nor control, during implementation, of the commodities or their use in the host country.

(x) Support for intermediate credit institutions when the objective is to assist in the capitalization of the institution or part thereof and when such support does not involve reservation of the right to review and approve individual loans made by the institution;

(xi) Programs of maternal or child feeding conducted under title II of Pub. L. 480;

(xii) Food for development programs conducted by food recipient countries under title III of Pub. L. 480, when achieving A.I.D.’s objectives in such programs does not require knowledge of or control over the details of the specific activities conducted by the foreign country under such program;

(xiii) Matching, general support and institutional support grants provided to private voluntary organizations
(PVOs) to assist in financing programs where A.I.D.’s objective in providing such financing does not require knowledge of or control over the details of the specific activities conducted by the PVO;

(xiv) Studies, projects or programs intended to develop the capability of recipient countries to engage in development planning, except to the extent designed to result in activities directly affecting the environment (such as construction of facilities, etc.); and

(xv) Activities which involve the application of design criteria or standards developed and approved by A.I.D.

(3) The originator of a project, program or activity shall determine the extent to which it is within the classes of actions described in paragraph (c)(2) of this section. This determination shall be made in writing and be submitted with the PID, PAIP or comparable document. This determination, which must include a brief statement supporting application of the exclusion shall be reviewed by the Bureau Environmental Officer in the same manner as a Threshold Decision under § 216.3(a)(2) of these procedures. Notwithstanding paragraph (c)(2) of this section, the procedures set forth in § 216.3 shall apply to any project, program or activity included in the classes of actions listed in paragraph (c)(2) of this section, or any aspect or component thereof, if at any time in the design, review or approval of the activity it is determined that the project, program or activity, or aspect or component thereof, is subject to the control of A.I.D. and may have a significant effect on the environment.

(d) Classes of actions normally having a significant effect on the environment.

(1) Programs of river basin development;

(ii) Irrigation or water management projects, including dams and impoundments;

(iii) Agricultural land leveling;

(x) Industrial plants;

(xi) Potable water and sewerage projects other than those that are small-scale.

(2) An Initial Environmental Examination normally will not be necessary for activities within the classes described in § 216.2(d), except when the originator of the project believes that the project will not have a significant effect on the environment. In such cases, the activity may be subjected to the procedures set forth in § 216.3.

(e) Pesticides. The exemptions of paragraph (b)(1) of this section and the categorical exclusions of paragraph (c)(2) of this section are not applicable to assistance for the procurement or use of pesticides.

[45 FR 70244, Oct. 23, 1980]

§ 216.3 Procedures.

(a) General procedures—(1) Preparation of the Initial Environmental Examination. Except as otherwise provided, an Initial Environmental Examination is not required for activities identified in § 216.2(b)(1), (c) (2), and (d). For all other A.I.D. activities described in § 216.2(a) an Initial Environmental Examination will be prepared by the originator of an action. Except as indicated in this section, it should be prepared with the PID or PAIP. For projects including the procurement or use of pesticides, the procedures set forth in paragraph (b) of this section will be followed, in addition to the procedures in this paragraph. Activities which cannot be identified in sufficient detail to permit the completion of an Initial Environmental Examination with the PID or PAIP, shall be described by including with the PID or PAIP: (i) An explanation indicating why the Initial Environmental Examination cannot be completed; (ii) an estimate of the amount of time required to complete the Initial Environmental Examination; and (iii) a recommendation that a Threshold Decision be deferred until the Initial Environmental
Examination is completed. The responsible Assistant Administrator will act on the request for deferral concurrently with action on the PID or PAIP and will designate a time for completion of the Initial Environmental Examination. In all instances, except as provided in paragraph (a)(7) of this section, this completion date will be in sufficient time to allow for the completion of an Environmental Assessment or Environmental Impact Statement, if required, before a final decision is made to provide A.I.D. funding for the action.

(2) **Threshold decision.** (i) The Initial Environmental Examination will include a Threshold Decision made by the officer in the originating office who signs the PID or PAIP. If the Initial Environmental Examination is completed prior to or at the same time as the PID or PAIP, the Threshold Decision will be reviewed by the Bureau Environmental Officer concurrently with approval of the PID or PAIP. The Bureau Environmental Officer will either concur in the Threshold Decision or request reconsideration by the officer who made the Threshold Decision, stating the reasons for the request. Differences of opinion between these officers shall be submitted for resolution to the Assistant Administrator at the same time that the PID is submitted for approval.

(ii) An Initial Environmental Examination, completed subsequent to approval of the PID or PAIP, will be forwarded immediately together with the Threshold Determination to the Bureau Environmental Officer for action as described in this section.

(iii) A Positive Threshold Decision shall result from a finding that the proposed action will have a significant effect on the environment. An Environmental Impact Statement shall be prepared if required pursuant to §216.7. If an impact statement is not required, an Environmental Assessment will be prepared in accordance with §216.6. The cognizant Bureau or Office will record a Negative Determination if the proposed action will not have a significant effect on the environment.

(3) **Negative Declaration.** The Assistant Administrator, or the Administrator in actions for which the approval of the Administrator is required for the authorization of financing, may make a Negative Declaration, in writing, that the Agency will not develop an Environmental Assessment or an Environmental Impact Statement regarding an action found to have a significant effect on the environment when (i) a substantial number of Environmental Assessments or Environmental Impact Statements relating to similar activities have been prepared in the past, if relevant to the proposed action, (ii) the Agency has previously prepared a programmatic Statement or Assessment covering the activity in question which has been considered in the development of such activity, or (iii) the Agency has developed design criteria for such an action which, if applied in the design of the action, will avoid a significant effect on the environment.

(4) **Scope of Environmental Assessment or Impact Statement—(1) Procedure and Content.** After a Positive Threshold Decision has been made, or a determination is made under the pesticide procedures set forth in paragraph (b) of this section that an Environmental Assessment or Environmental Impact Statement is required, the originator of the action shall commence the process of identifying the significant issues relating to the proposed action and of determining the scope of the issues to be addressed in the Environmental Assessment or Environmental Impact Statement. The originator of an action within the classes of actions described in §216.2(d) shall commence this scoping process as soon as practicable. Persons having expertise relevant to the environmental aspects of the proposed action shall also participate in this scoping process. (Participants may include but are not limited to representatives of host governments, public and private institutions, the A.I.D. Mission staff and contractors.) This process shall result in a written statement which shall include the following matters:

(a) A determination of the scope and significance of issues to be analyzed in the Environmental Assessment or Impact Statement, including direct and indirect effects of the project on the environment.
§ 216.3

(b) Identification and elimination from detailed study of the issues that are not significant or have been covered by earlier environmental review, or approved design considerations, narrowing the discussion of these issues to a brief presentation of why they will not have a significant effect on the environment.

(c) A description of (1) the timing of the preparation of environmental analyses, including phasing if appropriate, (2) variations required in the format of the Environmental Assessment, and (3) the tentative planning and decision making schedule; and

d) A description of how the analysis will be conducted and the disciplines that will participate in the analysis.

(ii) These written statements shall be reviewed and approved by the Bureau Environmental Officer.

(iii) Circulation of scoping statement. To assist in the preparation of an Environmental Assessment, the Bureau Environmental Office may circulate copies of the written statement, together with a request for written comments, within thirty days, to selected federal agencies if that Officer believes comments by such federal agencies will be useful in the preparation of an Environmental Assessment. Comments received from reviewing federal agencies will be considered in the preparation of the Environmental Assessment and in the formulation of the design and implementation of the project, and will, together with the scoping statement, will be included in the project file.

(iv) Change in Threshold Decision. If it becomes evident that the action will not have a significant effect on the environment (i.e., will not cause significant harm to the environment), the Positive Threshold Decision may be withdrawn with the concurrence of the Bureau Environmental Officer. In the case of an action included in §216.2(d)(2), the request for withdrawal shall be made to the Bureau Environmental Officer.

(5) Preparation of Environmental Assessments and Environmental Impact Statement. If the PID or PAIP is approved, and the Threshold Decision is positive, or the action is included in §216.2(d), the originator of the action will be responsible for the preparation of an Environmental Assessment or Environmental Impact Statement as required. Draft Environmental Impact Statements will be circulated for review and comment as part of the review of Project Papers and as outlined further in §216.7 of those procedures. Except as provided in paragraph (a)(7) of this section, final approval of the PP or PAAD and the method of implementation will include consideration of the Environmental Assessment of final Environmental Impact Statement.

(6) Processing and review within A.I.D.

(i) Initial Environmental Examinations, Environmental Assessments and final Environmental Impact Statements will be processed pursuant to standard A.I.D. procedures for project approval documents. Except as provided in paragraph (a)(7) of this section, Environmental Assessments and final Environmental Impact Statements will be reviewed as an integral part of the Project Paper or equivalent document. In addition to these procedures, Environmental Assessments will be reviewed and cleared by the Bureau Environmental Officer. They may also be reviewed by the Agency’s Environmental Coordinator who will monitor the Environmental Assessment process.

(ii) When project approval authority is delegated to field posts, Environmental Assessments shall be reviewed and cleared by the Bureau Environmental Officer prior to the approval of such actions.

(iii) Draft and final Environmental Impact Statements will be reviewed and cleared by the Environmental Coordinator and the Office of the General Counsel.

(7) Environmental review after authorization of financing. (i) Environmental review may be performed after authorization of a project, program or activity only with respect to subprojects or significant aspects of the project, program or activity that are unidentified at the time of authorization. Environmental review shall be completed prior to authorization for all subprojects and aspects of a project, program or activity that are identified.

(ii) Environmental review should occur at the earliest time in design or implementation at which a meaningful
review can be undertaken, but in no event later than when previously unidentified subprojects or aspects of projects, programs or activities are identified and planned. To the extent possible, adequate information to undertake deferred environmental review should be obtained before funds are obligated for unidentified subprojects or aspects of projects, programs or activities. (Funds may be obligated for the other aspects for which environmental review has been completed.) To avoid an irreversible commitment of resources prior to the conclusion of environmental review, the obligation of funds can be made incrementally as subprojects or aspects of projects, programs or activities are identified; or if necessary while planning continues, including environmental review, the agreement or other document obligating funds may contain appropriate covenants or conditions precedent to disbursement for unidentified subprojects or aspects of projects, programs or activities.

(iii) When environmental review must be deferred beyond the time some of the funds are to be disbursed (e.g. long lead times for the delivery of goods or services), the project agreement or other document obligating funds shall contain a covenant or covenants requiring environmental review, including an Environmental Assessment or Environmental Impact Statement, when appropriate, to be completed and taken into account prior to implementation of those subprojects or aspects of the project, program or activity for which environmental review is deferred. Such covenants shall ensure that implementation plans will be modified in accordance with environmental review if the parties decide that modifications are necessary.

(iv) When environmental review will not be completed for an entire project, program or activity prior to authorization, the Initial Environmental Examination and Threshold Decision required under paragraphs (a)(1) and (2) of this section shall identify those aspects of the project, program or activity for which environmental review will be completed prior to the time financing is authorized. It shall also include those subprojects or aspects for which environmental review will be deferred, stating the reasons for deferral and the time when environmental review will be completed. Further, it shall state how an irreversible commitment of funds will be avoided until environmental review is completed. The A.I.D. officer responsible for making environmental decisions for such projects, programs or activities shall also be identified (the same officer who has decision making authority for the other aspects of implementation). This deferral shall be reviewed and approved by the officer making the Threshold Decision and the officer who authorizes the project, program or activity. Such approval may be made only after consultation with the Office of General Counsel for the purpose of establishing the manner in which conditions precedent to disbursement or covenants in project and other agreements will avoid an irreversible commitment of resources before environmental review is completed.

(8) Monitoring. To the extent feasible and relevant, projects and programs for which Environmental Impact Statements or Environmental Assessments have been prepared should be designed to include measurement of any changes in environmental quality, positive or negative, during their implementation. This will require recording of baseline data at the start. To the extent that available data permit, originating offices of A.I.D. will formulate systems in collaboration with recipient nations, to monitor such impacts during the life of A.I.D.’s involvement. Monitoring implementation of projects, programs and activities shall take into account environmental impacts to the same extent as other aspects of such projects, programs and activities. If during implementation of any project, program or activity, whether or not an Environmental Assessment or Environmental Impact Statement was originally required, it appears to the Mission Director, or officer responsible for the project, program or activity, that it is having or will have a significant effect on the environment that was not previously studied in an Environmental Assessment or Environmental Impact Statement, the procedures contained in this part shall be followed including, as
appropriate, a Threshold Decision, Scoping and an Environmental Assessment or Environmental Impact Statement.

(9) Revisions. If, after a Threshold Decision is made resulting in a Negative Determination, a project is revised or new information becomes available which indicates that a proposed action might be “major” and its effects “significant”, the Negative Determination will be reviewed and revised by the cognizant Bureau and an Environmental Assessment or Environmental Impact Statement will be prepared, if appropriate. Environmental Assessments and Environmental Impact Statements will be amended and processed appropriately if there are major changes in the project or program, or if significant new information becomes available which relates to the impact of the project, program or activity on the environment that was not considered at the time the Environmental Assessment or Environmental Impact Statement was approved. When on-going programs are revised to incorporate a change in scope or nature, a determination will be made as to whether such change may have an environmental impact not previously assessed. If so, the procedures outlined in this part will be followed.

(10) Other approval documents. These procedures refer to certain A.I.D. documents such as PIDs, PAIPs, PPs and PAAADs as the A.I.D. internal instruments for approval of projects, programs or activities. From time to time, certain special procedures, such as those in §216.4, may not require the use of the aforementioned documents. In these situations, these environmental procedures shall apply to those special approval procedures, unless otherwise exempt, at approval times and levels comparable to projects, programs and activities in which the aforementioned documents are used.

(b) Pesticide procedures—(1) Project Assistance. Except as provided in paragraph (b)(2) of this section, all proposed projects involving assistance for the procurement or use, or both, of pesticides shall be subject to the procedures prescribed in paragraphs (b)(1) (i) through (v) of this section. These procedures shall also apply, to the extent permitted by agreements entered into by A.I.D. before the effective date of these pesticide procedures, to such projects that have been authorized but for which pesticides have not been procured as of the effective date of these pesticide procedures.

(i) When a project includes assistance for procurement or use, or both, of pesticides registered for the same or similar uses by USEPA without restriction, the Initial Environmental Examination for the project shall include a separate section evaluating the economic, social and environmental risks and benefits of the planned pesticide use to determine whether the use may result in significant environmental impact. Factors to be considered in such an evaluation shall include, but not be limited to the following:

(a) The USEPA registration status of the requested pesticide;
(b) The basis for selection of the requested pesticide;
(c) The extent to which the proposed pesticide use is part of an integrated pest management program;
(d) The proposed method or methods of application, including availability of appropriate application and safety equipment;
(e) Any acute and long-term toxicological hazards, either human or environmental, associated with the proposal and measures available to minimize such hazards;
(f) The effectiveness of the requested pesticide for the proposed use;
(g) Compatibility of the proposed pesticide with target and nontarget ecosystems;
(h) The conditions under which the pesticide is to be used, including climate, flora, fauna, geography, hydrology, and soils;
(i) The availability and effectiveness of other pesticides or nonchemical control methods;
(j) The requesting country’s ability to regulate or control the distribution, storage, use and disposal of the requested pesticide;
(k) The provisions made for training of users and applicators; and
(l) The provisions made for monitoring the use and effectiveness of the pesticide.
§216.3

In those cases where the evaluation of the proposed pesticide use in the Initial Environmental Examination indicates that the use will significantly affect the human environment, the Threshold Decision will include a recommendation for the preparation of an Environmental Assessment or Environmental Impact Statement, as appropriate. In the event a decision is made to approve the planned pesticide use, the Project Paper shall include to the extent practicable, provisions designed to mitigate potential adverse effects of the pesticide. When the pesticide evaluation section of the Initial Environmental Examination does not indicate a potentially unreasonable risk arising from the pesticide use, an Environmental Assessment or Environmental Impact Statement shall nevertheless be prepared if the environmental effects of the project otherwise require further assessment.

(ii) When a project includes assistance for the procurement or use, or both, of any pesticide registered for the same or similar uses in the United States but the proposed use is restricted by the USEPA on the basis of user hazard, the procedures set forth in paragraph (b)(1)(i) of this section will be followed. In addition, the Initial Environmental Examination will include an evaluation of the user hazards associated with the proposed USEPA restricted uses to ensure that the implementation plan which is contained in the Project Paper incorporates provisions for making the recipient government aware of these risks and providing, if necessary, such technical assistance as may be required to mitigate these risks. If the proposed pesticide use is also restricted on a basis other than user hazard, the procedures in paragraph (b)(1)(iii) of this section shall be followed in lieu of the procedures in this section.

(iii) If the project includes assistance for the procurement or use, or both of: (a) Any pesticide other than one registered for the same or similar uses by USEPA without restriction or for restricted use on the basis of user hazard; or 

(b) Any pesticide for which a notice of rebuttable presumption against reregistration, notice of intent to cancel, or notice of intent to suspend has been issued by USEPA.

The Threshold Decision will provide for the preparation of an Environmental Assessment or Environmental Impact Statement, as appropriate (§216.6(a)). The EA or EIS shall include, but not be limited to, an analysis of the factors identified in paragraph (b)(1)(i) of this section.

(iv) Notwithstanding the provisions of paragraphs (b)(1) (i) through (iii) of this section, if the project includes assistance for the procurement or use, or both, of a pesticide against which USEPA has initiated a regulatory action for cause, or for which it has issued a notice of rebuttable presumption against reregistration, the nature of the action or notice, including the relevant technical and scientific factors will be discussed with the requesting government and considered in the IEE and, if prepared, in the EA or EIS. If USEPA initiates any of the regulatory actions above against a pesticide subsequent to its evaluation in an IEE, EA or EIS, the nature of the action will be discussed with the recipient government and considered in an amended IEE or amended EA or EIS, as appropriate.

(v) If the project includes assistance for the procurement or use, or both of pesticides but the specific pesticides to be procured or used cannot be identified at the time the IEE is prepared, the procedures outlined in paragraphs (b)(1)(i) through (iv) of this section will be followed when the specific pesticides are identified and before procurement or use is authorized. Where identification of the pesticides to be procured or used does not occur until after Project Paper approval, neither the procurement nor the use of the pesticides shall be undertaken unless approved, in writing, by the Assistant Administrator (or in the case of projects authorized at the Mission level, the Mission Director) who approved the Project Paper.

(2) Exceptions to pesticide procedures. The procedures set forth in paragraph (b)(1) of this section shall not apply to the following projects including assistance for the procurement or use, or both, of pesticides:

(i) Projects under emergency conditions.
Emergency conditions shall be deemed to exist when it is determined by the Administrator, A.I.D., in writing that:

(a) A pest outbreak has occurred or is imminent; and

(b) Significant health problems (either human or animal) or significant economic problems will occur without the prompt use of the proposed pesticide; and

(c) Insufficient time is available before the pesticide must be used to evaluate the proposed use in accordance with the provisions of this regulation.

(ii) Projects where A.I.D. is a minor donor, as defined in §216.1(c)(12) of this part, to a multi-donor project.

(iii) Projects including assistance for procurement or use, or both, of pesticides for research or limited field evaluation purposes by or under the supervision of project personnel. In such instances, however, A.I.D. will ensure that the manufacturers of the pesticides provide toxicological and environmental data necessary to safeguard the health or research personnel and the quality of the local environment in which the pesticides will be used. Furthermore, treated crops will not be used for human or animal consumption unless appropriate tolerances have been established by EPA or recommended by FAO/WHO, and the rates and frequency of application, together with the prescribed preharvest intervals, do not result in residues exceeding such tolerances. This prohibition does not apply to the feeding of such crops to animals for research purposes.

(3) Non-project assistance. In a very few limited number of circumstances A.I.D. may provide non-project assistance for the procurement and use of pesticides. Assistance in such cases shall be provided if the A.I.D. Administrator determines in writing that (i) emergency conditions, as defined in paragraph (b)(2)(i) of this section exist or (ii) that compelling circumstances exist such that failure to provide the proposed assistance would seriously impede the attainment of U.S. foreign policy objectives or the objectives of the foreign assistance program. In the latter case, a decision to provide the assistance will be based to the maximum extent practicable, upon a consideration of the factors set forth in paragraph (b)(1)(i) of this section and, to the extent available, the history of efficacy and safety covering the past use of the pesticide the in recipient country.

§216.4 Private applicants.

Programs, projects or activities for which financing from A.I.D. is sought by private applicants, such as PVOs and educational and research institutions, are subject to these procedures. Except as provided in §216.2(b), (c) or (d), preliminary proposals for financing submitted by private applicants shall be accompanied by an Initial Environmental Examination or adequate information to permit preparation of an Initial Environmental Examination. The Threshold Decision shall be made by the Mission Director for the country to which the proposal relates, if the preliminary proposal is submitted to the A.I.D. Mission, or shall be made by the officer in A.I.D. who approves the preliminary proposal. In either case, the concurrence of the Bureau Environmental Officer is required in the same manner as in §216.3(a)(2), except for PVO projects approved in A.I.D. Missions with total life of project costs less than $500,000. Thereafter, the same procedures set forth in §216.3 including as appropriate scoping and Environmental Assessments or Environmental Impact Statements, shall be applicable to programs, projects or activities submitted by private applicants. The final proposal submitted for financing shall be treated, for purposes of these procedures, as a Project Paper. The Bureau Environmental Officer shall advise private applicants of studies or other information foreseeably required for action by A.I.D.

§216.5 Endangered species.

It is A.I.D. policy to conduct its assistance programs in a manner that is sensitive to the protection of endangered or threatened species and their critical habitats. The Initial Environmental Examination for each project, program or activity having an effect on
§ 216.6 Environmental assessments.

(a) General purpose. The purpose of the Environmental Assessment is to provide Agency and host country decision makers with a full discussion of significant environmental effects of a proposed action. It includes alternatives which would avoid or minimize adverse effects or enhance the quality of the environment so that the expected benefits of development objectives can be weighed against any adverse impacts upon the human environment or any irreversible or irretrievable commitment of resources.

(b) Collaboration with affected nation on preparation. Collaboration in obtaining data, conducting analyses and considering alternatives will help build an awareness of development associated environmental problems in less developed countries as well as assist in building an indigenous institutional capability to deal nationally with such problems. Missions, Bureaus and Offices will collaborate with affected countries to the maximum extent possible, in the development of any Environmental Assessments and consideration of environmental consequences as set forth therein.

(c) Content and form. The Environmental Assessment shall be based upon the scoping statement and shall address the following elements, as appropriate:

(1) Summary. The summary shall stress the major conclusions, areas of controversy, if any, and the issues to be resolved.

(2) Purpose. The Environmental Assessment shall briefly specify the underlying purpose and need to which the Agency is responding in proposing the alternatives including the proposed action.

(3) Alternatives including the proposed action. This section should present the environmental impacts of the proposal and its alternatives in comparative form, thereby sharpening the issues and providing a clear basis for choice among options by the decision maker. This section should explore and evaluate reasonable alternatives and briefly discuss the reasons for eliminating those alternatives which were not included in the detailed study; devote substantial treatment to each alternative considered in detail including the proposed action so that reviewers may evaluate their comparative merits; include the alternative of no action; identify the Agency’s preferred alternative or alternatives, if one or more exists; include appropriate mitigation measures not already included in the proposed action or alternatives.

(4) Affected environment. The Environmental Assessment shall succinctly describe the environment of the area(s) to be affected or created by the alternatives under consideration. The descriptions shall be no longer than is necessary to understand the effects of the alternatives. Data and analyses in the Environmental Assessment shall be commensurate with the significance of the impact with less important material summarized, consolidated or simply referenced.

(5) Environmental consequences. This section forms the analytic basis for the comparisons under paragraph (c)(3) of this section. It will include the environmental impacts of the alternatives including the proposed action; any adverse effects that cannot be avoided should the proposed action be implemented; the relationship between short-term uses of the environment and the maintenance and enhancement
Agency for International Development

§ 216.6

of long-term productivity; and any irreversible or irretrievable commitments of resources which would be involved in the proposal should it be implemented. It should not duplicate discussions in paragraph (c)(3) of this section. This section of the Environmental Assessment should include discussions of direct effects and their significance; indirect effects and their significance; possible conflicts between the proposed action and land use plans, policies and controls for the areas concerned; energy requirements and conservation potential of various alternatives and mitigation measures; natural or depletable resource requirements and conservation potential of various requirements and mitigation measures; urban quality; historic and cultural resources and the design of the built environment, including the reuse and conservation potential of various alternatives and mitigation measures; and means to mitigate adverse environmental impacts.

(6) List of preparers. The Environmental Assessment shall list the names and qualifications (expertise, experience, professional discipline) of the persons primarily responsible for preparing the Environmental Assessment or significant background papers.

(7) Appendix. An appendix may be prepared.

(d) Program assessment. Program Assessments may be appropriate in order to assess the environmental effects of a number of individual actions and their cumulative environmental impact in a given country or geographic area, or the environmental impacts that are generic or common to a class of agency actions, or other activities which are not country-specific. In these cases, a single, programmatic assessment will be prepared in A.I.D./Washington and circulated to appropriate overseas Missions, host governments, and to interested parties within the United States. To the extent practicable, the form and content of the programmatic Environmental Assessment will be the same as for project Assessments. Subsequent Environmental Assessments on major individual actions will only be necessary where such follow-on or subsequent activities may have significant environmental impacts on specific countries where such impacts have not been adequately evaluated in the programmatic Environmental Assessment. Other programmatic evaluations of classes of actions may be conducted in an effort to establish additional categorical exclusions or design standards or criteria for such classes that will eliminate or minimize adverse effects of such actions, enhance the environmental effect of such action or reduce the amount of paperwork or time involved in these procedures. Programmatic evaluations conducted for the purpose of establishing additional categorical exclusions under §216.2(c) or design considerations that will eliminate significant effects for classes of actions shall be made available for public comment before the categorical exclusions or design standards or criteria are adopted by A.I.D. Notice of the availability of such document shall be published in the Federal Register. Additional categorical exclusions shall be adopted by A.I.D. upon the approval of the Administrator, and design consideration in accordance with usual agency procedures.

(e) Consultation and review. (1) When Environmental Assessments are prepared on activities carried out within or focused on specific developing countries, consultation will be held between A.I.D. staff and the host government both in the early stages of preparation and on the results and significance of the completed Assessment before the project is authorized.

(2) Missions will encourage the host government to make the Environmental Assessment available to the general public of the recipient country. If Environmental Assessments are prepared on activities which are not country-specific, the Assessment will be circulated by the Environmental Coordinator to A.I.D.’s Overseas Missions and interested governments for information, guidance and comment and will be made available in the U.S. to interested parties.

(f) Effect in other countries. In a situation where an analysis indicates that potential effects may extend beyond the national boundaries of a recipient country and adjacent foreign nations may be affected, A.I.D. will urge the recipient country to consult with such
§ 216.7 Environmental impact statements.

(a) Applicability. An Environmental Impact Statement shall be prepared when agency actions significantly affect:

(1) The global environment or areas outside the jurisdiction of any nation (e.g., the oceans);

(2) The environment of the United States; or

(3) Other aspects of the environment at the discretion of the Administrator.

(b) Effects on the United States: Content and form. An Environmental Impact Statement relating to paragraph (a)(2) of this section shall comply with the CEQ Regulations. With respect to effects on the United States, the terms environment and significant effect wherever used in these procedures have the same meaning as in the CEQ Regulations rather than as defined in §216.1(c) (12) and (13) of these procedures.

(c) Other effects: Content and form. An Environmental Impact Statement relating to paragraphs (a)(1) and (a)(3) of this section will generally follow the CEQ Regulations, but will take into account the special considerations and concerns of A.I.D. Circulation of such Environmental Impact Statements in draft form will precede approval of a Project Paper or equivalent and comments from such circulation will be considered before final project authorization as outlined in §216.3 of these procedures. The draft Environmental Impact Statement will also be circulated by the Missions to affected foreign governments for information and comment. Draft Environmental Impact Statements generally will be made available for comment to Federal agencies with jurisdiction by law or special expertise with respect to any environmental impact involved, and to public and private organizations and individuals for not less than forty-five (45) days. Notice of availability of the draft Environmental Impact Statements will be published in the Federal Register. Cognizant Bureaus and Offices will submit these drafts for circulation through the Environmental Coordinator who will have the responsibility for coordinating all such communications with persons outside A.I.D. Any comments received by the Environmental Coordinator will be forwarded to the originating Bureau or Office for consideration in final policy decisions and the preparation of a final Environmental Impact Statement. All such comments will be attached to the final Statement, and those relevant comments not adequately discussed in the draft Environmental Impact Statement will be appropriately dealt with in the final Environmental Impact Statement. Copies of the final Environmental Impact Statement, with comments attached, will be sent by the Environmental Coordinator to CEQ and to all other Federal, state, and local agencies and private organizations that made substantive comments on the draft, including affected foreign governments. Where emergency circumstances or considerations of foreign policy make it necessary to take an action without observing the provisions of §1506.10 of the CEQ Regulations, or when there are overriding considerations of expense to the United States or foreign governments, the originating Office will advise the Environmental Coordinator who will consult with Department of State and CEQ concerning appropriate modification of review procedures.

[45 FR 70249, Oct. 23, 1980]
§ 216.8 Public hearings.

(a) In most instances AID will be able to gain the benefit of public participation in the impact statement process through circulation of draft statements and notice of public availability in CEQ publications. However, in some cases the Administrator may wish to hold public hearings on draft Environmental Impact Statements. In deciding whether or not a public hearing is appropriate, Bureaus in conjunction with the Environmental Coordinator should consider:

1. The magnitude of the proposal in terms of economic costs, the geographic area involved, and the uniqueness or size of commitment of the resources involved;

2. The degree of interest in the proposal as evidenced by requests from the public and from Federal, state and local authorities, and private organizations and individuals, that a hearing be held;

3. The complexity of the issue and likelihood that information will be presented at the hearing which will be of assistance to the Agency; and

4. The extent to which public involvement already has been achieved through other means, such as earlier public hearings, meetings with citizen representatives, and/or written comments on the proposed action.

(b) If public hearings are held, draft Environmental Impact Statements to be discussed should be made available to the public at least fifteen (15) days prior to the time of the public hearings, and a notice will be placed in the Federal Register giving the subject, time and place of the proposed hearings.

§ 216.9 Bilateral and multilateral studies and concise reviews of environmental issues.

Notwithstanding anything to the contrary in these procedures, the Administrator may approve the use of either of the following documents as a substitute for an Environmental Assessment (but not a substitute for an Environmental Impact Statement) required under these procedures:

(a) Bilateral or multilateral environmental studies, relevant or related to the proposed action, prepared by the United States and one or more foreign countries or by an international body or organization in which the United States is a member or participant; or

(b) Concise reviews of the environmental issues involved including summary environmental analyses or other appropriate documents.

§ 216.10 Records and reports.

Each Agency Bureau will maintain a current list of activities for which Environmental Assessments and Environmental Impact Statements are being prepared and for which Negative Determinations and Declarations have been made. Copies of final Initial Environmental Examinations, scoping statements, Assessments and Impact Statements will be available to interested Federal agencies upon request. The cognizant Bureau will maintain a permanent file (which may be part of its normal project files) of Environmental Assessments, final Initial Environmental Examinations, scoping statements, Determinations and Declarations which will be available to the public under the Freedom of Information Act. Interested persons can obtain information or status reports regarding Environmental Assessments and Environmental Impact Statements through the A.I.D. Environmental Coordinator.

§217.4 Discrimination prohibited.

(a) General. No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity which receives Federal financial assistance.

(b) Discriminatory actions prohibited.

(1) A recipient, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap:

(i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Aid or perpetuate discrimination against a qualified handicapped person by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefits, or service to beneficiaries of the recipient’s program or activity;

(vi) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards;

(vii) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving an aid, benefit, or service.

(2) For purposes of this part, aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for handicapped and nonhandicapped persons, but must afford handicapped persons equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement, in the most integrated setting appropriate to the person’s needs.

(3) Despite the existence of separate or different programs or activities provided in accordance with this part, a recipient may not deny a qualified handicapped person the opportunity to participate in such aid, benefits, or
service that are not separate or different.

(4) A recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration (i) that have the effect of subjecting qualified handicapped persons to discrimination on the basis of handicap, (ii) that have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the recipient’s program or activity with respect to handicapped persons, or (iii) that perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same State.

(5) In determining the site or location of a facility, an applicant for assistance or a recipient may not make selections (i) that have the effect of excluding handicapped persons from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity that receives Federal financial assistance or (ii) that have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity with respect to handicapped persons.

(6) As used in this section, the aid, benefit, or service provided under a program or activity receiving Federal financial assistance includes any aid, benefit, or service provided in or through a facility that has been constructed, expanded, altered, leased or rented, or otherwise acquired, in whole or in part, with Federal financial assistance.

(c) Aid, benefits, or services limited by Federal law. The exclusion of nonhandicapped persons from aid, benefits, or services program limited by Federal statute or executive order to handicapped persons from aid, benefits, or service provided in or through a facility that has been constructed, expanded, altered, leased or rented, or otherwise acquired, in whole or in part, with Federal financial assistance.

38 CFR 217.5 (c) 10

(c) Aid, benefits, or services limited by Federal law. The exclusion of nonhandicapped persons from aid, benefits, or services program limited by Federal statute or executive order to handicapped persons from aid, benefits, or service provided in or through a facility that has been constructed, expanded, altered, leased or rented, or otherwise acquired, in whole or in part, with Federal financial assistance.

(5) In determining the site or location of a facility, an applicant for assistance or a recipient may not make selections (i) that have the effect of excluding handicapped persons from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity that receives Federal financial assistance or (ii) that have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity with respect to handicapped persons.

(6) As used in this section, the aid, benefit, or service provided under a program or activity receiving Federal financial assistance includes any aid, benefit, or service provided in or through a facility that has been constructed, expanded, altered, leased or rented, or otherwise acquired, in whole or in part, with Federal financial assistance.

§ 217.5 Assurances required.

(a) Assurances. An applicant for Federal financial assistance to which this part applies shall submit an assurance, on a form specified by the Administrator, that the program or activity will be operated in compliance with this part. An applicant may incorporate these assurances by reference in subsequent applications to the Agency.

(b) Duration of obligation. (1) In the case of Federal financial assistance extended in the form of real property or to provide real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purpose for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) In the case of Federal financial assistance extended to provide personal property, the assurance will obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases the assurance will obligate the recipient for the period during which Federal financial assistance is extended.

(c) Covenants. (1) Where Federal financial assistance is provided in the form of real property or interest in the property from the Agency the instrument effecting or recording this transfer shall contain a covenant running with the land to assure nondiscrimination for the period during which the real property is used for a purpose involving the provision of similar services or benefits.

(2) Where no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (c)(1) of this section in the instrument effecting or recording any subsequent transfer of the property.

(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Agency the covenant shall also include a condition coupled with a right to be reserved by the Agency to revert title to the property in the event of a breach of the covenant. If a transferee of real property proposes to mortgage or otherwise encumber the
real property as security for financing construction of new, or improvement of existing, facilities on the property for the purposes for which the property was transferred, the Administrator may, upon request of the transferee and if necessary to accomplish such financing and upon such conditions as he or she deems appropriate, agree to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective.

§ 217.6 Remedial action, voluntary action, and self-evaluation.

(a) Remedial action. (1) If the Administrator finds that a recipient has discriminated against persons on the basis of handicap in violation of section 504 or this part, the recipient shall take such remedial action as the Administrator deems necessary to overcome the effects of the discrimination.

(2) Where a recipient is found to have discriminated against persons on the basis of handicap in violation of section 504 or this part and where another recipient exercises control over the recipient that has discriminated, the Administrator, where appropriate, may require either or both recipients to take remedial action.

(3) The Administrator may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action (i) with respect to handicapped persons who are no longer participants in the recipient’s program or activity but who were participants in the program when such discrimination occurred or (ii) with respect to handicapped persons presently in the program or activity who would have been participants in the program or activity had the discrimination not occurred.

(b) Voluntary action. A recipient may take steps, in addition to any action that is required by this part, to overcome the effect of conditions that resulted in limited participation in the recipient’s program or activity by qualified handicapped persons.

(c) Self-evaluation. (1) A recipient shall, within one year of the effective date of this part:

(i) Evaluate with the assistance of interested persons or organizations representing handicapped persons, its current policies and practices and the effects thereof that do not or may not meet the requirements of this part;

(ii) Modify, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, any policies and practices that do not meet the requirement of this part; and

(iii) Take, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, appropriate remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices.

(2) A recipient that employs fifteen or more persons shall, for at least three years following completion of the evaluation required under paragraph (c)(1) of this section, maintain on file, make available for public inspection, and provide to the Administrator upon request: (i) A list of the interested persons consulted, (ii) a description of areas examined and any problems identified, and (iii) a description of any modifications made and of any remedial steps taken.

§ 217.7 Designation of responsible employee and adoption of grievance procedures.

(a) Designation of responsible employee. A recipient that employs fifteen or more persons shall designate at least one person to coordinate its efforts to comply with this part.

(b) Adoption of grievance procedures. A recipient that employs fifteen or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by this part. Such procedures need not be established with respect to complaints from applicants for employment or from applicants for admission to postsecondary educational institutions.
§ 217.8 Notice.

(a) A recipient that employs fifteen or more persons shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient that it does not discriminate on the basis of handicap in violation of section 504, and this part. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment or employment in, its programs or activities. The notification shall also include an identification of the responsible employee designated pursuant to § 217.7(a). A recipient shall make the initial notification required by this paragraph within 90 days of the effective date of this part. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in recipients’ publication, and distribution of memoranda or other written communications.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this paragraph either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications.

§ 217.9 Administrative requirements for small recipients.

The Administrator may require any recipient with fewer than fifteen employees, or any class of such recipients, to comply with §§ 217.7 and 217.8 in whole or in part, when the Administrator finds a violation of this part or finds that such compliance will not significantly impair the ability of the recipient or class of recipients to provide benefits or services.

§ 217.10 Effect of state or local law or other requirements and effect of employment opportunities.

(a) The obligation to comply with this part is not obviated or alleviated by the existence of any state or local law or other requirement that, on the basis of handicap, imposes prohibitions or limits upon the eligibility of qualified handicapped persons to receive services or to practice any occupation or profession.

(b) The obligation to comply with this part is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for handicapped persons than for nonhandicapped persons.

Subpart B—Employment Practices

§ 217.11 Discrimination prohibited.

(a) General. (1) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity to which this part applies.

(2) A recipient shall make all decisions concerning employment under any program or activity to which this part applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(3) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants or employees to discrimination prohibited by this subpart. The relationships referred to in this subparagraph include relationships with employment and referral agencies, with labor unions, with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeships.

(b) Specific activities. The provisions of this subpart apply to:

(1) Recruitment, advertising, and the processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer,
§ 217.12 Reasonable accommodation.
(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program or activity.
(b) Reasonable accommodation may include: (1) Making facilities used by employees readily accessible to and usable by handicapped persons, and (2) job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.
(c) In determining pursuant to paragraph (a) of this section whether an accommodation would impose an undue hardship on the operation of a recipient’s program or activity, factors to be considered include:
(1) The overall size of the recipient’s program or activity with respect to number of employees, number and type of facilities and size of budget;
(2) The type of the recipient’s operation, including the composition and structure of the recipients workforce; and
(3) The nature and cost of the accommodation needed.
(d) A recipient may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is the need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

§ 217.13 Employment criteria.
(a) A recipient may not make use of any employment test or other selection criterion that screens out or tends to screen out handicapped persons or any class of handicapped persons unless: (1) The test score or other selection criterion, as used by the recipient, is shown to be job-related for the position in question, and (2) alternative job-related tests or criteria that do not screen out or tend to screen out as many handicapped persons are not shown by the Administrator to be available.
(b) A recipient shall select and administer tests concerning employment so as best to ensure that, when administered to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant’s or employee’s job skills, aptitude, or whatever other factor the test purports to measure, rather than reflecting the applicant’s or employee’s impaired sensory, manual or speaking skills (except where those skills are the factors that the test purports to measure).

§ 217.14 Preemployment inquiries.
(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not conduct a preemployment medical examination or may not make preemployment inquiry of an applicant as to whether the applicant is a handicapped person or as to the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant’s ability to perform job-related functions.
(b) When a recipient is taking remedial action to correct the effects of
§ 217.22

Existing facilities.

(a) Accessibility. A recipient shall operate each program or activity to which this part applies so that when each part is viewed in its entirety it is readily accessible to handicapped persons.

(b) Methods. A recipient may comply with the requirement of paragraph (a) of this section through such means as redesign of equipment, reassignment of classes or other services to accessible buildings, alteration of existing facilities, assignment of aids to beneficiaries, and construction of new facilities in conformance with the requirements of §217.23, or any other methods that may result in making its program or activity accessible to handicapped persons.

(c) Time period. A recipient shall comply with the requirement of paragraph (a) of this section within sixty days of the effective date of this part.
be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities are necessary to meet the requirement of paragraph (a) of this section, a recipient shall develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A copy of the transition plan shall be made available for public inspection. The plan shall at a minimum:

(1) Identify physical obstacles in the recipient’s facilities that limit the accessibility of its program or activity to handicapped persons;
(2) Describe in detail the methods that will be used to make the facilities accessible;
(3) Specify the schedule for taking the steps necessary to achieve full accessibility under §217.22(a) and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and
(4) Indicate the person responsible for implementation of the plan.

(e) Notice. The recipient shall adopt and implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of services, activities, and facilities that are accessible to and usable by handicapped persons.

§ 217.23 New construction.

(a) Design and construction. Each facility or part of a facility constructed by, on behalf of, or for the use of a recipient shall be designed and constructed in such manner that the facility or part of the facility is readily accessible to and usable by handicapped persons, if the construction was commenced after the effective date of this part.

(b) Alteration. Each facility or part of a facility which is altered by, on behalf of, or for the use of a recipient after the effective date of this part in a manner that affects or could affect the usability of the facility or part of the facility shall, to the maximum extent feasible, be altered in such manner that the altered portion of the facility is readily accessible to and usable by handicapped persons.

(c) Conformance with Uniform Federal Accessibility Standards. (1) Effective as of January 18, 1991, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (USAF) (appendix A to 41 CFR subpart 101–19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

§§ 217.24–217.40 [Reserved]
§ 217.42 Admissions and recruitment.

(a) General. Qualified handicapped persons may not, on the basis of handicap, be denied admission or be subjected to discrimination in admission or recruitment by a recipient to which this subpart applies.

(b) Admissions. In administering its admission policies, a recipient to which this subpart applies:

(1) May not apply limitation upon the number or proportion of handicapped persons who may be admitted;

(2) May not make use of any test or criterion for admission that has a disproportionate, adverse effect on handicapped persons or any class of handicapped persons unless (i) the test or criterion, as used by the recipient has been validated as a predictor of success in the education program or activity in question and (ii) alternate tests or criteria that have a less disproportionate, adverse effect are not shown by the Administrator to be available;

(3) Shall assure itself that (i) admissions tests are selected and administered so as to best to ensure that, when a test is administered to an applicant who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant’s aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the applicant’s impaired sensory, manual or speaking skills (except where those skills are the factors that the test purports to measure); (ii) admissions tests that are designed for persons with impaired sensory, manual or speaking skills are offered as often and in as timely a manner as are other admissions tests; and (iii) admissions tests are administered in facilities that, on the whole, are accessible to handicapped persons; and

(4) Except as provided in paragraph (c) of this section, may not make preadmission inquiry as to whether an applicant has a handicap that impairs sensory, manual, or speaking skills and, after admission, may make inquiries on a confidential basis as to handicaps that may require accommodation.

(c) Preadmission inquiry exception. When a recipient is taking remedial action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to §217.6(b), the recipient may invite applicants for admission to indicate whether and to what extent they are handicapped, Provided, That:

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential, that refusal to provide it will not subject the applicant to any adverse treatment, and that it will be used only in accordance with this part.

(d) Validity studies. For the purpose of paragraph (b)(2) of this section, a recipient may base prediction equations on first year grades, but shall conduct periodic validity studies against the criterion of overall success in the education program or activity in question in order to monitor the general validity of the test scores.

§ 217.43 Treatment of students; general.

(a) No qualified handicapped student shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any academic, research, occupational training, housing, health, insurance, counseling, financial aid, physical education, athletics, recreation, transportation, other extracurricular, or other postsecondary education aid, benefits, or services to which this subpart applies.

(b) A recipient to which this subpart applies that considers participation by students in education programs or activities not operated wholly by the recipient as part of, or equivalent to, an education program or activity operated by the recipient shall assure itself that the other education program or activity, as a whole, provides an equal opportunity for the participation of qualified handicapped persons.
§ 217.44 Academic adjustments.

(a) **Academic requirements.** A recipient to which this subpart applies shall make such modifications to its academic requirements as are necessary to ensure that such requirements do not discriminate or have the effect of discriminating, on the basis of handicap, against a qualified handicapped applicant or student. Academic requirements that the recipient can demonstrate are essential to the instruction being pursued by such student or to any directly related licensing requirement will not be regarded as discriminatory within the meaning of this section. Modifications may include changes in the length of time permitted for the completion of degree requirements, substitution of specific courses required for the completion of degree requirements, and adaptation of the manner in which specific courses are conducted.

(b) **Other rules.** A recipient to which this subpart applies may not impose upon handicapped students other rules, such as the prohibition of tape recorders in classrooms or of dog guides in campus buildings, that have the effect of limiting the participation of handicapped students in the recipient's education program or activity.

(c) **Course examinations.** In its course examinations or other procedures for evaluating students' academic achievement, a recipient to which this subpart applies shall provide such methods for evaluating the achievement of students who have a handicap that impairs sensory, manual, or speaking skills as will best ensure that the results of the evaluation represents the student's achievement in the course, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where such skills are the factors that the test purports to measure).

(d) **Auxiliary aids.** (1) A recipient to which this subpart applies shall take such steps as are necessary to ensure that no handicapped student is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination because of the absence of educational auxiliary aids for students with impaired sensory, manual, or speaking skills.

(2) Auxiliary aids may include taped texts, interpreters or other effective methods of making orally delivered materials available to students with hearing impairments, readers in libraries for students with visual impairments, classroom equipment adapted for use by students with manual impairments, and other similar services and actions. Recipients need not provide attendants, individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

§ 217.45 Housing.

(a) **Housing provided by the recipient.** A recipient that provides housing to its nonhandicapped students shall provide comparable, convenient, and accessible housing to handicapped students at the same cost as to others. At the end of the transition period provided for in subpart C, such housing shall be available in sufficient quantity and variety so that the scope of handicapped students' choice of living accommodations is, as a whole, comparable to that of nonhandicapped students.

(b) **Other housing.** A recipient that assists any agency, organization, or person in making housing available to any of its students shall take such action as may be necessary to assure itself that such housing is, as a whole, made available in a manner that does not result in discrimination on the basis of handicap.

§ 217.46 Financial and employment assistance to students.

(a) **Provision of financial assistance.** (1) In providing financial assistance to qualified handicapped persons, a recipient to which this subpart applies may not (i), on the basis of handicap, provide less assistance than is provided to
nonhandicapped persons, limit eligibility for assistance, or otherwise discriminate or (ii) assist any entity or person that provides assistance to any of the recipient’s students in a manner that discriminates against qualified handicapped persons on the basis of handicap.

(2) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established under wills, trusts, bequests, or similar legal instruments that require awards to be made on the basis of factors that discriminate or have the effect of discriminating on the basis of handicap only if the overall effect of the award of scholarships, fellowships, and other forms of financial assistance is not discriminatory on the basis of handicap.

(b) Assistance in making available outside employment. A recipient that assists any agency, organization, or person in providing employment opportunities to any of its students shall assure itself that such employment opportunities, as a whole, are made available in a manner that would not violate subpart B if they were provided by the recipient.

(c) Employment of students by recipients. A recipient that employs any of its students may not do so in a manner that violates subpart B.

§ 217.47 Nonacademic services.

(a) Physical education and athletics. (1) In providing physical education courses and athletics and similar aid, benefits, or services to any of its students, a recipient to which this subpart applies may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors intercollegiate, club, or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation in these activities.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different only if separation or differentiation is consistent with the requirements of §217.46(d) and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

(b) Counseling and placement services. A recipient to which this subpart applies that provides personal, academic, or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap. The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interest and abilities. This requirement does not preclude a recipient from providing factual information about licensing and certification requirements that may present obstacles to handicapped persons in their pursuit of particular careers.

(c) Social organizations. A recipient that provides significant assistance to fraternities, sororities, or similar organizations shall assure itself that the membership practices of such organizations do not permit discrimination otherwise prohibited by this subpart.

§ 218.24 Subpart B—Standards for Determining Age Discrimination

§ 218.11 Standards.

The standards each agency uses to determine whether an age distinction or age-related term is prohibited are set out in part 90 (primarily subpart B) of 45 CFR.

§ 218.21 General responsibilities.

Each agency recipient has primary responsibility to ensure that its programs or activities are in compliance with the Act, the government-wide regulations, and these regulations.

§ 218.22 Notice to subrecipients.

Where a recipient passes on Federal financial assistance from an agency to subrecipients, the recipient shall provide the subrecipients written notice to their obligations under these regulations.

§ 218.23 Self-evaluation.

(a) Each recipient employing the equivalent of 15 or more full-time employees shall complete a one-time written self-evaluation of its compliance under the Act within 18 months of the effective date of these regulations.

(b) In its self-evaluation each recipient shall identify each age distinction it uses and justify each age distinction it imposes on the program or activity receiving Federal financial assistance from an agency.

(c) Each recipient shall take corrective action whenever a self-evaluation indicates a violation of these regulations.

(d) Each recipient shall make the self-evaluation available on request to the agency and to the public for a period of three years following its completion.

§ 218.24 Information requirements.

Each recipient shall:

(a) Make available upon request to the agency information necessary to determine whether the recipient is complying with the regulations.
(b) Permit reasonable access by the agency to the books, records, accounts, and other recipient facilities and sources of information to the extent necessary to determine whether a recipient is in compliance with these regulations.

Subpart D—Investigation, Conciliation, and Enforcement Procedures

§ 218.31 Compliance reviews.

(a) The agency may conduct compliance reviews and pre-award reviews of recipients that will permit it to investigate and correct violations of these regulations. The agency may conduct these reviews even in the absence of a complaint against a recipient. The review may be as comprehensive as necessary to determine whether a violation of these regulations has occurred.

(b) If a compliance review or pre-award review indicates a violation of this part, the agency will attempt to achieve voluntary compliance with the Act. If voluntary compliance cannot be achieved, the agency will arrange for enforcement as described in §143.36.

§ 218.32 Complaints.

(a) Any person, individually or as a member of a class or on behalf of others, may file a complaint with an agency, alleging discrimination prohibited by these regulations based on an action occurring on or after July 1, 1978. A complainant shall file a complaint within 180 days from the date the complainant first had knowledge of the alleged act of discrimination. However, for good cause shown, the agency may extend this time limit.

(b) The agency will attempt to facilitate the filing of complaints wherever possible, including taking the following measures:

(1) Accepting as a sufficient complaint, any written statement which identifies the parties involved, describes generally the action or practice complained of, and is signed by the complainant.

(2) Freely permitting a complainant to add information to the complaint to meet the requirements of a sufficient complaint.

(3) Widely disseminating information regarding the obligations of recipients under the Act and these regulations.

(4) Notifying the complainant and the recipient of their rights under the complaint procedure, including the right to have a representative at all stages of the complaint process.

(5) Notifying the complainant and the recipient (or their representatives) of their right to contact the agency for information and assistance regarding the complaint resolution process.

(c) The agency will return to the complainant any complaint outside the jurisdiction of these regulations and will state the reason(s) why it is outside the jurisdiction of these regulations.

§ 218.33 Mediation.

(a) Referral of complaints for mediation. The agency will refer to the Federal Mediation and Conciliation Service all complaints that:

(1) fall within the jurisdiction of these regulations; and

(2) Contain all information necessary for further processing.

(b) Both the complainant and the recipient shall participate in the mediation process to the extent necessary to reach an agreement or make an informed judgment that an agreement is not possible. There must be at least one meeting with the mediator, before the agency will accept a judgment that an agreement is not possible. However, the recipient and the complainant need not meet with the mediator at the same time.

(c) If the complainant and the recipient reach an agreement, the mediator shall prepare a written statement of the agreement and have the complainant and recipient sign it. The mediator shall send a copy of the agreement to the agency. The agency shall take no further action on the complaint unless the complainant or the recipient fails to comply with the agreement.

(d) The mediator shall protect the confidentiality of all information obtained in the course of the mediation process. No mediator shall testify in any adjudicative proceeding, produce any document, or otherwise disclose any information obtained in the course of the mediation process without prior

940
approval of the head of the mediation agency.

(e) The agency will use the mediation process for a maximum of 60 days after receiving a compliant. Mediation ends if:
   (1) Sixty days elapse from the time the agency receives the complaints; or
   (2) Prior to the end of that 60-day period, an agreement is reached; or
   (3) Prior to the end of that 60-day period, the mediator determines that an agreement cannot be reached.

(f) The mediator shall return unresolved complaints to the agency.

§ 218.34 Investigation.

(a) Informal investigation. (1) The agency will investigate complaints that are unresolved after mediation or are reopened because of a violation of a mediation agreement.

(2) As part of the initial investigation, the agency will use informal fact finding methods, including joint or separate discussions with the complainant and recipient to establish the facts, and, if possible, settle the complaint on terms that are mutually agreeable. The agency may seek the assistance of any involved State agency.

(3) The agency will put any agreement in writing and have it signed by the parties and an authorized official of the agency.

(4) The settlement shall not affect the operation of any other enforcement efforts of the agency, including compliance reviews and other individual complaints which may involve the recipient.

(5) The settlement is not a finding of discrimination against a recipient.

(b) Formal investigation. If the agency cannot resolve the complaint through informal investigation, it will begin to develop formal findings through further investigation of the complaint. If the investigation indicates a violation of these regulations, the agency will attempt to obtain voluntary compliance. If the agency cannot obtain voluntary compliance, it will begin enforcement as described in §218.36.

§ 218.35 Prohibition against intimidation or retaliation.

A recipient may not engage in acts of intimidation or retaliation against any person who:

(a) Attempts to assert a right protected by these regulations; or

(b) Cooperates in any mediation, investigation, hearing, or other part of the agency’s investigation, conciliation, and enforcement process.

§ 218.36 Compliance procedure.

(a) An agency may enforce the Act and these regulations through:

(1) Termination of a recipient’s Federal financial assistance from the agency under the program or activity involved where the recipient has violated the Act and these regulations. The determination of the recipient’s violation may be made only after a recipient has had an opportunity for a hearing on the record before an administrative law judge. Therefore, cases which are settled in mediation or prior to a hearing, will not involve termination of a recipient’s Federal financial assistance from the agency.

(2) Any other means authorized by law including but not limited to:

   (i) Referral to the Department of Justice for proceedings to enforce any rights of the United States or obligations by the Act and these regulations.

   (ii) Use of any requirement of or referral to any Federal, state, or local government agency which will have the effect of correcting a violation of the Act or these regulations.

(b) The agency will limit any termination under paragraph (a)(1) of this section to the particular recipient and particular program or activity the agency finds in violation of these regulations. The agency will not base any part of a termination on a finding with respect to any program or activity of the recipient which does not receive Federal financial assistance from the agency.

(c) The agency will take no action under paragraph (a) of this section until:

(1) The agency head has advised the recipient of its failure to comply with these regulations and has determined that voluntary compliance cannot be obtained.
(2) Thirty days have lapsed after the agency head has sent a written report of the circumstances and grounds of the action to the committees of the Congress having legislative jurisdiction over the program or activity involved. The agency head shall file a report whenever any action is taken under paragraph (a) of this section.

(d) The agency head also may defer granting new Federal financial assistance from the agency to a recipient when a hearing under paragraph (a)(1) of this section is initiated.

(1) New Federal financial assistance from the agency includes all assistance for which the agency requires an application or approval, including renewal of continuation of existing activities, or authorization of the new activities, during the deferral period. New Federal financial assistance from the agency does not include increases in funding as a result of changed computation of formula awards or assistance approved prior to the beginning of a hearing under paragraph (a)(1) of this section.

(2) The agency will not begin a deferral until the recipient has received a notice of opportunity for a hearing under paragraph (a)(1) of this section. The agency will not continue a deferral for more than 60 days unless a hearing has begun within that time or the time for beginning the hearing has been extended by mutual consent of the recipient and the agency head. The agency will not continue a deferral for more than 30 days after the close of a hearing unless the hearing results in a finding against the recipient.

§ 218.37 Hearings, decisions, post-termination proceedings.

Certain procedural provisions applicable to title VI of the Civil Rights Act of 1964 apply to enforcement of this part. They are 22 CFR part 209.

§ 218.38 Remedial action by recipient.

Where the agency head finds a recipient has discriminated on the basis of age, the recipient shall take any remedial action that the agency head may require to overcome the effects of the discrimination. If another recipient exercises control over the recipient that has discriminated, the agency head may require both recipients to take remedial action.

§ 218.39 Alternate funds disbursement procedure.

(a) When an agency withholds funds from a recipient under these regulations, the agency head may disburse the withheld funds directly to an alternate recipient, any public or non-profit private organization or agency, or State or political subdivision of the State.

(b) The agency head will require any alternate recipient to demonstrate:

1. The ability to comply with these regulations; and

2. The ability to achieve the goals of the Federal statute authorizing the Federal financial assistance.

§ 219.101 Purpose.

This part effectuates section 119 of the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978, which amended section 504 of the Rehabilitation Act of 1973 to prohibit discrimination on the basis of handicap in programs or activities conducted by Executive agencies or the United States Postal Service.

§ 219.102 Application.

This part applies to all programs or activities conducted by the agency.

§ 219.103 Definitions.

For purposes of this part, the term—

Handicapped person means any person who has a physical or mental impairment that substantially limits one or more major life activities, has a record
of such an impairment, or is regarded as having such an impairment.

As used in this definition, the phrase:
(1) Physical or mental impairment includes—
   (i) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one of more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or
   (ii) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, and drug addiction and alcoholism.

(2) Major life activities includes functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

(3) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) Is regarded as having an impairment means—
   (i) Has a physical or mental impairment that does not substantially limit major life activities but is treated by the agency as constituting such a limitation;
   (ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or
   (iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the agency as having such an impairment.

Qualified handicapped person means—
(1) With respect to any agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, a handicapped person who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature; or
(2) With respect to any other program or activity, a handicapped person who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity.

(3) Qualified handicapped person is defined for purposes of employment in 29 CFR 1613.702(f), which is made applicable to this part by §219.140.

§§219.104–219.109 [Reserved]

§219.110 Self-evaluation.
(a) The agency shall, by April 9, 1987, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part, and, to the extent modification of any such policies and practices is required, the agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the self-evaluation process by submitting comments (both oral and written).
(b) The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the self-evaluation process by submitting comments (both oral and written).
(c) The agency shall, until three years following the completion of the self-evaluation, maintain on file and make available for public inspections:
(1) A description of areas examined and any problems identified, and
(2) A description of any modifications made.

§ 219.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

§§ 219.112–219.129 [Reserved]

§ 219.130 General prohibitions against discrimination.

(a) No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.
(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

§§ 219.131–219.139 [Reserved]

§ 219.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 219.141–219.148 [Reserved]

§ 219.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in § 219.150, no qualified handicapped person shall, because the agency’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 219.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons; or

(2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 219.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) Methods. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by June 6, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by April 7, 1989, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be

§ 219.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

§ 223.2 Report of violations.

On receipt of information regarding a possible violation of the statutory or regulatory post-employment restrictions by a former employee and after determining that such information does not appear to be frivolous, the General Counsel shall provide such information to the Director of the Office of Government Ethics and to the Criminal Division, Department of Justice. Any investigation or administrative action shall be coordinated with the Department of Justice to avoid prejudicing possible criminal proceedings. If the Department of Justice informs the Agency that it does not intend to institute criminal proceedings, such coordination shall no longer be required and the General Counsel is free to decide whether to pursue administrative action.

§ 223.3 Initiation of proceeding.

Whenever the General Counsel has reasonable cause to believe that a former Government employee has violated the statutory or regulatory post-employment restrictions, he or she shall initiate an administrative action by providing the former Government employee with written notice of intention to institute administrative action. Notice must include:

(a) A statement of allegations and the basis thereof sufficiently detailed to enable the former Government employee to prepare an adequate defense;
(b) Notification of the right to respond to the allegations in writing and/or to request a hearing, together with

The Administrator may take appropriate action in the case of any individual who is found in violation of the statutory or regulatory post employment restrictions after a final decision by:

(a) Prohibiting the individual from making, on behalf of any other person (except the United States), any formal or informal appearance before, or with the intent to influence, any oral or written communication to, the Agency on any matter of business for a period not to exceed five years, which may be accomplished by directing Agency employees to refuse to participate in such appearance or to accept any such communication; and

(b) Taking other appropriate disciplinary action.

In any hearing, the agency has the burden of proof and must establish substantial evidence of a violation.

§ 223.8 Initial decision.

The examiner shall issue an initial decision based exclusively on matters of record in the proceedings and shall set forth all findings of fact and conclusions of law relevant to the matters at issue.

§ 223.9 Appeal.

Within twenty days of the date of initial decision, either party may appeal the decision to the Administrator. The opposing party shall have ten days after receipt of a copy of the appeal to reply.

§ 223.10 Final decision.

(a) In cases where the former employee failed to request a hearing after receiving adequate notice, the General Counsel shall decide the matter on its merits based upon the evidence gathered to date, including any written reply made by the former Government employee.

(b) In cases of appeal under § 223.9, the Administrator shall accept, reject or modify the initial decision based solely on the record of the proceedings or those portions cited by the parties to limit the issues.

§ 223.11 Appropriate action.

The Administrator may take appropriate action in the case of any individual who is found in violation of the statutory or regulatory post employment restrictions after a final decision by:

(a) Prohibiting the individual from making, on behalf of any other person (except the United States), any formal or informal appearance before, or with the intent to influence, any oral or written communication to, the Agency on any matter of business for a period not to exceed five years, which may be accomplished by directing Agency employees to refuse to participate in such appearance or to accept any such communication; and

(b) The complaint shall state:

(1) Allegations of liability against the defendant, including the statutory basis for liability, an identification of the claims or statements that are the basis for the alleged liability, and the reasons why liability allegedly arises from such claims or statements;

(2) The maximum amount of penalties and assessments for which the defendant may be held liable;

(3) Instructions for filing an answer to request a hearing, including a specific statement of the defendant's right to request a hearing by filing an answer and to be represented by a representative; and

(4) That failure to file an answer within 30 days of service of the complaint will result in the imposition of the maximum amount of penalties and assessments without right to appeal, as provided in §224.10.
§ 224.8 Service of complaint.

(a) Service of a complaint must be made by certified or registered mail or by delivery in any manner authorized by Rule 4(d) of the Federal Rules of Civil Procedure. Service is complete upon receipt.

(b) Proof of service, stating the name and address of the person on whom the complaint was served, and the manner and date of service, may be made by:

(1) Affidavit of the individual serving the complaint by delivery;

(2) A United States Postal Service return receipt card acknowledging receipt; or

(3) Written acknowledgment of receipt by the defendant or his representative.

§ 224.9 Answer.

(a) The defendant may request a hearing by filing an answer with the reviewing official within 30 days of service of the complaint. An answer shall be deemed to be a request for hearing.

(b) In the answer, the defendant:

(1) Shall admit or deny each of the allegations of liability made in the complaint;

(2) Shall state any defense on which the defendant intends to rely;

(3) May state any reasons why the defendant contends that the penalties and assessments should be less than the statutory maximum; and

(4) Shall state the name, address, and telephone number of the person authorized by the defendant to act as defendant’s representative, if any.

(c) If the defendant is unable to file an answer meeting the requirements of paragraph (b) of this section within the time provided, the defendant may, before the expiration of 30 days from service of the complaint, file with the reviewing official a general answer denying liability and requesting a hearing, and a request for an extension of time within which to file an answer meeting the requirements of paragraph (b) of this section. The reviewing official shall file promptly with the ALJ the complaint, the general answer denying liability, and the request for an extension of time as provided in § 224.11. For good cause shown, the ALJ may grant the defendant up to 30 additional days within which to file an answer meeting the requirements of paragraph (b) of this section.

§ 224.10 Default upon failure to file an answer.

(a) If the defendant does not file an answer within the time prescribed in § 224.9(a), the reviewing official may refer the complaint to the ALJ.

(b) Upon the referral of the complaint, the ALJ shall promptly serve on defendant in the manner prescribed in § 224.8, a notice that an initial decision will be issued under this section.

(c) The ALJ shall assume the facts alleged in the complaint to be true, and, if such facts establish liability under § 224.3, the ALJ shall issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.

(d) Except as otherwise provided in this section, by failing to file a timely answer, the defendant waives any right to further review of the penalties and assessments imposed under paragraph (c) of this section, and the initial decision shall become final and binding upon the parties 30 days after it is issued.

(e) If, before such an initial decision becomes final, the defendant files a motion with the ALJ seeking to reopen on the grounds that extraordinary circumstances prevented the defendant from filing an answer, the initial decision shall be stayed pending the ALJ’s decision on the motion.

(f) If, on such motion, the defendant can demonstrate extraordinary circumstances excusing the failure to file a timely answer the ALJ shall withdraw the initial decision in paragraph (c) of this section, if such a decision has been issued, and shall grant the defendant an opportunity to answer the complaint.

(g) A decision of the ALJ denying defendant’s motion under paragraph (e) of this section is not subject to reconsideration under § 224.38.
(h) The defendant may appeal to the A.I.D. Administrator the decision denying a motion to reopen by filing a notice of appeal with the A.I.D. Administrator within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the A.I.D. Administrator decides the issue.

(i) If the defendant files a timely notice of appeal with the A.I.D. Administrator, the ALJ shall forward the record of the proceeding to the A.I.D. Administrator.

(j) The A.I.D. Administrator shall decide expeditiously whether extraordinary circumstances excuse the defendant’s failure to file a timely answer based solely on the record before the ALJ.

(k) If the A.I.D. Administrator decides that extraordinary circumstances excused the defendant’s failure to file a timely answer, the A.I.D. Administrator shall remand the case to the ALJ with instructions to grant the defendant an opportunity to answer.

(l) If the A.I.D. Administrator decides that the defendant’s failure to file a timely answer is not excused, the A.I.D. Administrator shall reinstate the initial decision of the ALJ, which shall become final and binding upon the parties 30 days after the A.I.D. Administrator issues such decision.

§ 224.11 Referral of complaint and answer to the ALJ.

Upon receipt of an answer, the reviewing official shall file the complaint and answer with the ALJ.

§ 224.12 Notice of hearing.

(a) When the ALJ receives the complaint and answer, the ALJ shall promptly serve a notice of hearing upon the defendant in the manner prescribed by § 224.8. At the same time, the ALJ shall send a copy of such notice to the representative for the Government.

(b) Such notice shall include:

§ 224.15 Ex parte contacts.

No party or person (except employees of the ALJ’s office) shall communicate in any way with the ALJ on any matter at issue in a case, unless on notice and opportunity for all parties to participate. (a) A reviewing official or ALJ in a particular case may disqualify himself or herself at any time.

(c) Such motion and affidavit shall be filed promptly upon the party’s discovery of reasons requiring disqualification, or such objections shall be deemed waived.

(d) Such affidavit shall state specific facts that support the party’s belief that personal bias or other reason for disqualification exists and the time and circumstances of the party’s discovery of such facts. It shall be accompanied by a certificate of the representative of record that it is made in good faith.

(e) Upon the filing of such a motion and affidavit, the ALJ shall proceed no further in the case until he or she resolves the matter of disqualification in accordance with paragraph (f) of this section.

(f)(1) If the ALJ determines that the reviewing official is disqualified, the ALJ shall dismiss the complaint without prejudice.

(2) If the ALJ disqualifies himself or herself, the case shall be reassigned promptly to another ALJ.

(3) If the ALJ denies a motion to disqualify, the A.I.D. Administrator may determine the matter only as part of his or her review of the initial decision upon appeal, if any.

(a) Upon written request to the reviewing official, the defendant may review any relevant and material documents, transcripts, records, and other materials that relate to the allegations set out in the complaint and upon which the findings and conclusions of the investigating official under §224.4(b) are based, unless such documents are subject to a privilege under Federal law. Upon payment of fees for duplication, the defendant may obtain copies of such documents.

(b) Upon written request to the reviewing official, the defendant also may obtain a copy of all exculpatory information in the possession of the reviewing official or investigating official relating to the allegations in the complaint, even if it is contained in a document that would otherwise be privileged. If the document would otherwise be privileged, only that portion containing exculpatory information must be disclosed.

(c) The notice sent to the Attorney General from the reviewing official as described in §224.5 is not discoverable under any circumstances.

(d) The defendant may file a motion to compel disclosure of the documents subject to the provisions of this section. Such a motion may only be filed with the ALJ following the filing of an answer pursuant to § 224.9.

§ 224.21 Discovery.

(1) Requests for production of documents for inspection and copying;

(2) Requests for admissions of the authenticity of any relevant document or the truth of any relevant fact;

(3) Written interrogatories; and

(4) Depositions.

(b) For the purpose of this section and §224.22 and §224.23, the term “documents” includes information, documents, reports, answers, records, accounts, papers, and other data and documentary evidence. Nothing contained herein shall be interpreted to require the creation of a document.

(c) Unless mutually agreed to by the parties, discovery is available only as ordered by the ALJ. The ALJ shall regulate the timing of discovery.

(d) Motions for discovery. (1) A party seeking discovery may file a motion with the ALJ. Such a motion shall be accompanied by a copy of the requested discovery, or in the case of depositions, a summary of the scope of the proposed deposition.

(2) Within ten days of service a party may file an opposition to the motion and/or a motion for protective order as provided in §224.24.

(3) The ALJ may grant a motion for discovery only if he finds that the discovery sought:

(i) Is necessary for the expeditious, fair, and reasonable consideration of the issues;

(ii) Is not unduly costly or burdensome;

(iii) Will not unduly delay the proceeding; and
§ 224.22 Exchange of witness lists, statements, and exhibits.

(a) At least 15 days before the hearing or at such other time as may be ordered by the ALJ, the parties shall exchange witness lists, copies of prior statements of proposed witnesses, copies of proposed hearing exhibits, including copies of any written statements that the party intends to offer in lieu of live testimony at the hearing, if permitted by the ALJ, shall provide each party with a copy of the specific pages of the transcript it intends to introduce into evidence.

(b) If a party objects, the ALJ shall not admit into evidence the testimony of any witness whose name does not appear on the witness list or any exhibit not provided to the opposing party as provided above unless the ALJ finds good cause for the failure or that there is no prejudice to the objecting party.

(c) Unless another party objects within the time set by the ALJ, documents exchanged in accordance with paragraph (a) of this section shall be deemed to be authentic for the purpose of admissibility at the hearing.

§ 224.23 Subpoenas for attendance at hearing.

(a) A party wishing to procure the appearance and testimony of any individual at the hearing may request that the ALJ issue a subpoena.

(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at the hearing.

(c) A party seeking a subpoena shall file a written request therefore not less than 15 days before the date fixed for the hearing unless otherwise allowed by the ALJ for good cause shown. Such request shall specify any documents to be produced and shall designate the witnesses and describe the address and location thereof with sufficient particularity to permit such witnesses to be found.

(d) The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is to produce.

(e) The party seeking the subpoena shall serve it in the manner prescribed in §224.8. A subpoena on a party or upon an individual under the control of a party may be served by first-class mail.

(f) A party or individual to whom the subpoena is directed may file with the ALJ a motion to quash the subpoena within ten days after service or on or before the time specified in the subpoena for compliance if it is less than ten days after service.

§ 224.24 Protective order.

(a) A party or a prospective witness or deponent may file a motion for a protective order with respect to discovery sought by an opposing party or, with respect to the hearing, seeking to limit the availability or disclosure of evidence.

(b) In issuing a protective order, the ALJ may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

(1) That the discovery not be had;
(2) That the discovery may be had only on specified terms and conditions, including a designation of the time or place;
(3) That the discovery may be had only through a method of discovery other than that requested;
(4) That certain matters not be inquired into, or that the scope of discovery be limited to certain matters;

§ 224.25 Fees.

The party requesting a subpoena shall pay the cost of the fee and mileage of any witness subpoenaed in the amounts that would be payable to a witness in a proceeding in the United States District Court. A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of A.I.D., a check for witness fees and mileage need not accompany the subpoena.

§ 224.26 Form, filing and service of papers.

(a) Form. (1) Documents filed with the ALJ shall include an original and two copies.
(2) Every pleading and paper filed in the proceeding shall contain a caption setting forth the title of the action, the case number assigned by the ALJ, and a designation of the paper (e.g., motion to quash subpoena).
(3) Every pleading and paper shall be signed by, and shall contain the address and telephone number of the party or the person on whose behalf the paper was filed, or his or her representative.
(4) Papers are considered filed when they are mailed. Date of mailing may be established by a certificate from the party or its representative or by proof that the document was sent by certified or registered mail.

(b) Service. A party filing a document with the ALJ shall, at the time of filing, serve a copy of such document on every other party. Service upon any party of any document other than those required to be served as prescribed in §224.8, shall be made by delivering a copy or by placing a copy of the document in the United States mail, postage prepaid and addressed, to the party's last known address. When a party is represented by a representative, service shall be made upon such representative in lieu of the actual party.

c) Proof of service. A certificate of the individual serving the document by personal delivery or by mail, setting forth the manner of service, shall be proof of service.

§ 224.27 Computation of time.

(a) In computing any period of time under this part or in an order issued thereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal government, in which event it includes the next business day.

(b) When the period of time allowed is less than seven days, intermediate Saturdays, Sundays, and legal holidays observed by the Federal government shall be excluded from the computation.

(c) Where a document has been served or issued by placing it in the mail, an additional five days will be added to the time permitted for any response.

§ 224.28 Motions.

(a) Any application to the ALJ for an order or ruling shall be by motion. Motions shall state the relief sought, the authority relied upon, and the facts alleged, and shall be filed with the ALJ and served on all other parties.
§ 224.29  Sanctions.

(a) The ALJ may sanction a person, including any party or representative for:

(1) Failing to comply with an order, rule, or procedure governing the proceeding;

(2) Failing to prosecute or defend an action; or

(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party’s control, or a request for admission, the ALJ may:

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, deem each matter of which an admission is requested to be admitted;

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon, testimony relating to the information sought; and

(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this part commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief or other document which is not filed in a timely fashion.

§ 224.30  The hearing and burden of proof.

(a) The ALJ shall conduct a hearing on the record in order to determine whether the defendant is liable for a civil penalty or assessment under §224.3, and if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) A.I.D. shall prove defendant’s liability and any aggravating factors by a preponderance of the evidence.

(c) The defendant shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing shall be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 224.31  Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the A.I.D. Administrator, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, ordinarily double damages and a significant civil penalty should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the A.I.D. Administrator in determining the amount of penalties and assessments to impose with respect to the misconduct (i.e., the false, fictitious, or fraudulent claims or statements) charged in the complaint:
(1) The number of false, fictitious, or fraudulent claims or statements;
(2) The time period over which such claims or statements were made;
(3) The degree of the defendant’s culpability with respect to the misconduct;
(4) The amount of money or the value of the property, services, or benefit falsely claimed;
(5) The value of the Government’s actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;
(6) The relationship of the amount imposed as civil penalties to the amount of the Government’s loss;
(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations, including particularly the impact on the intended beneficiaries of such programs;
(8) Whether the defendant has engaged in a pattern of the same or similar misconduct;
(9) Whether the defendant attempted to conceal the misconduct;
(10) The degree to which the defendant has involved others in the misconduct or in concealing it;
(11) Where the misconduct of employees or agents is imputed to the defendant, the extent to which the defendant’s practices fostered or attempted to preclude such misconduct;
(12) Whether the defendant cooperated in or obstructed an investigation of the misconduct;
(13) Whether the defendant assisted in identifying and prosecuting other wrongdoers;
(14) The complexity of the program or transaction, and the degree of the defendant’s sophistication with respect to it, including the extent of defendant’s prior participation in the program or in similar transactions;
(15) Whether the defendant has been found, in any criminal, civil, or administrative proceeding, to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a State, directly or indirectly; and
(16) The need to deter the defendant and others from engaging in the same or similar misconduct.

(c) Nothing in this section shall be construed to limit the ALJ or the A.I.D. Administrator from considering any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

§ 224.32 Location of hearing.

(a) The hearing may be held:
(1) In any judicial district of the United States in which the defendant resides or transacts business;
(2) In any judicial district of the United States in which the claim or statement in issue was made; or
(3) In such other place as may be agreed upon by the defendant and the ALJ.

(b) Each party shall have the opportunity to present argument with respect to the location of the hearing.

(c) The hearing shall be held at the place and at the time ordered by the ALJ.

§ 224.33 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statement must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts shall be exchanged as provided in §224.22(a).

(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to—
(1) Make the interrogation and presentation effective for the ascertainment of the truth,
(2) Avoid needless consumption of time, and
(3) Protect witnesses from harassment or undue embarrassment.

(d) The ALJ shall permit the parties to conduct such cross-examination as
may be required for a full and true disclosure of the facts.

(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceeding without regard to the scope of his or her direct examination. To the extent permitted by the ALJ cross-examination on matters outside the scope of direct examination shall be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse party, or a witness identified with an adverse party.

(f) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of:

(1) A party who is an individual;
(2) In the case of a party that is not an individual, an officer or employee of the party appearing for the entity pro se or designated by the party’s representative; or
(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an individual employed by the Government engaged in assisting the representative for the Government.

§ 224.34 Evidence.

(a) The ALJ shall determine the admissibility of evidence.

(b) Except as provided in this part, the ALJ shall not be bound by the Federal Rules of Evidence. However, the ALJ may apply the Federal Rules of Evidence, where appropriate, e.g., to exclude unreliable evidence.

(c) The ALJ shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is privileged under Federal law.

(f) Evidence concerning offers of compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

(g) The ALJ shall permit the parties to introduce rebuttal witnesses and evidence.

(h) All documents and other evidence offered or taken for the record shall be open to examination by all parties, unless otherwise ordered by the ALJ pursuant to §224.24.

§ 224.35 The record.

(a) The hearing will be recorded and transcribed. Transcripts may be obtained following the hearing from ALJ at a cost not to exceed the actual cost of duplication.

(b) The transcript of testimony, exhibits and other evidence admitted at the hearing, all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the A.I.D. Administrator.

(c) The record of the hearing may be inspected and copied (upon payment of a reasonable fee) by anyone, unless otherwise ordered by the ALJ pursuant to §224.24.

§ 224.36 Post-hearing briefs.

The ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief. The ALJ shall fix the time for filing briefs, at a time not exceeding 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

§ 224.37 Initial decision.

(a) The ALJ shall issue an initial decision based only on the record, which shall contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(b) The findings of fact shall include a finding on each of the following issues:

(1) Whether the claims or statements identified in the complaint, or any portion thereof, violate §224.3;
(2) If the person is liable for penalties or assessments, the appropriate amount of any such penalties or assessments, considering any mitigating or aggravating factors that he or she finds
§ 224.39 Appeal to A.I.D. Administrator.

(a) Any defendant who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal such decision to the A.I.D. Administrator by filing a notice of appeal with the A.I.D. Administrator in accordance with this section.

(b) (1) A notice of appeal may be filed at any time within 30 days after the ALJ issues an initial decision. However, if another party files a motion for reconsideration under § 224.38, consideration of the appeal shall be stayed automatically pending resolution of the motion for reconsideration.

(2) If a motion for reconsideration is timely filed, a notice of appeal may be filed within 30 days after the ALJ denies the motion or issues a revised initial decision, whichever applies.

(3) The A.I.D. Administrator may extend the initial 30 day period for an additional 30 days if the defendant files with the A.I.D. Administrator a request for an extension within the initial 30 day period and shows good cause.

(c) If the defendant files a timely notice of appeal with the A.I.D. Administrator, and the time for filing motions for reconsideration under § 224.38 has expired, the ALJ shall forward the record of the proceeding to the A.I.D. Administrator.

(d) A notice of appeal shall be accompanied by a written brief specifying exceptions to the initial decision and reasons supporting the exceptions.

(e) The representative for the Government may file a brief in opposition to exceptions within 30 days of receiving the notice of appeal and accompanying brief.
§ 224.40  Stay pending appeal.

(a) An initial decision is stayed automatically pending disposition of a motion for reconsideration or of an appeal to the A.I.D. Administrator.

(b) No administrative stay is available following a final decision of the A.I.D. Administrator.

§ 224.41  Judicial review.

§ 225.101 To what does this policy apply?

(a) Except as provided in paragraph (b) of this section, this policy applies to all research involving human subjects conducted, supported or otherwise subject to regulation by any federal department or agency which takes appropriate administrative action to make the policy applicable to such research. This includes research conducted by federal civilian employees or military personnel, except that each department or agency head may adopt such procedural modifications as may be appropriate from an administrative standpoint. It also includes research conducted, supported, or otherwise subject to regulation by the federal government outside the United States.

(1) Research that is conducted or supported by a federal department or agency, whether or not it is regulated as defined in §225.102(e), must comply with all sections of this policy.

(2) Research that is neither conducted nor supported by a federal department or agency but is subject to regulation as defined in §225.102(e) must be reviewed and approved, in compliance with §§225.101, 225.102, and §§225.107 through 225.117 of this policy.
by an institutional review board (IRB) that operates in accordance with the pertinent requirements of this policy.

(b) Unless otherwise required by department or agency heads, research activities in which the only involvement of human subjects will be in one or more of the following categories are exempt from this policy:

(1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (i) research on regular and special education instructional strategies, or (ii) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.

(2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless:

(i) Information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and

(ii) any disclosure of the human subjects’ responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects’ financial standing, employability, or reputation.

(3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures, or observation of public behavior that is not exempt under paragraph (b)(2) of this section, if:

(i) The human subjects are elected or appointed public officials or candidates for public office; or (ii) federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.

(4) Research, involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in such a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.

(5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine:

(i) Public benefit or service programs; (ii) procedures for obtaining benefits or services under those programs; (iii) possible changes in or alternatives to those programs or procedures; or (iv) possible changes in methods or levels of payment for benefits or services under those programs.

(6) Taste and food quality evaluation and consumer acceptance studies, (i) if wholesome foods without additives are consumed or (ii) if a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

(c) Department or agency heads retain final judgment as to whether a particular activity is covered by this policy.

(d) Department or agency heads may require that specific research activities or classes of research activities conducted, supported, or otherwise subject to regulation by the department or agency but not otherwise covered by this policy, comply with some or all of the requirements of this policy.

(e) Compliance with this policy requires compliance with pertinent federal laws or regulations which provide additional protections for human subjects.

(f) This policy does not affect any state or local laws or regulations which may otherwise be applicable and which provide additional protections for human subjects.

(g) This policy does not affect any foreign laws or regulations which may otherwise be applicable and which provide additional protections for human subjects of research.

(h) When research covered by this policy takes place in foreign countries, procedures normally followed in the foreign countries to protect human
subjects may differ from those set forth in this policy. [An example is a foreign institution which complies with guidelines consistent with the World Medical Assembly Declaration (Declaration of Helsinki amended 1989) issued either by sovereign states or by an organization whose function for the protection of human research subjects is internationally recognized.] In these circumstances, if a department or agency head determines that the procedures prescribed by the institution afford protections that are at least equivalent to those provided in this policy, the department or agency head may approve the substitution of the foreign procedures in lieu of the procedural requirements provided in this policy. Except when otherwise required by statute, Executive Order, or the department or agency head, notices of these actions as they occur will be published in the Federal Register or will be otherwise published as provided in department or agency procedures.

(i) Unless otherwise required by law, department or agency heads may waive the applicability of some or all of the provisions of this policy to specific research activities or classes of research activities otherwise covered by this policy. Except when otherwise required by statute or Executive Order, the department or agency head shall forward advance notices of these actions to the Office for Human Research Protections, Department of Health and Human Services (HHS), or any successor office, and shall also publish them in the Federal Register or in such other manner as provided in department or agency procedures.1

1Institutions with HHS-approved assurances on file will abide by provisions of title 45 CFR part 46 subparts A-D. Some of the other Departments and Agencies have incorporated all provisions of title 45 CFR part 46 into their policies and procedures as well. However, the exemptions at 45 CFR part 46.101(b) do not apply to research involving prisoners, subpart C. The exemption at 45 CFR part 46.101(b)(2), for research involving survey or interview procedures or observation of public behavior, does not apply to research with children, subpart D, except for research involving observations of public behavior when the investigator(s) do not participate in the activities being observed.
Intervention includes both physical procedures by which data are gathered (for example, venipuncture) and manipulations of the subject or the subject’s environment that are performed for research purposes. Interaction includes communication or interpersonal contact between investigator and subject. “Private information” includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a medical record). Private information must be individually identifiable (i.e., the identity of the subject is or may readily be ascertained by the investigator or associated with the information) in order for obtaining the information to constitute research involving human subjects.

(g) IRB means an institutional review board established in accord with and for the purposes expressed in this policy.

(h) IRB approval means the determination of the IRB that the research has been reviewed and may be conducted at an institution within the constraints set forth by the IRB and by other institutional and federal requirements.

(i) Minimal risk means that the probability and magnitude of harm or discomfort anticipated in the research are not greater in and of themselves than those ordinarily encountered in daily life or during the performance of routine physical or psychological examinations or tests.

(j) Certification means the official notification by the institution to the supporting department or agency, in accordance with the requirements of this policy, that a research project or activity involving human subjects has been reviewed and approved by an IRB in accordance with an approved assurance.

§ 225.103 Assuring compliance with this policy—research conducted or supported by any Federal Department or Agency.

(a) Each institution engaged in research which is covered by this policy and which is conducted or supported by a federal department or agency shall provide written assurance satisfactory to the department or agency head that it will comply with the requirements set forth in this policy. In lieu of requiring submission of an assurance, individual department or agency heads shall accept the existence of a current assurance, appropriate for the research in question, on file with the Office for Human Research Protections, HHS, or any successor office, and approved for federal-wide use by that office. When the existence of an HHS-approved assurance is accepted in lieu of requiring submission of an assurance, reports (except certification) required by this policy to be made to department and agency heads shall also be made to the Office for Human Research Protections, HHS, or any successor office.

(b) Departments and agencies will conduct or support research covered by this policy only if the institution has an assurance approved as provided in this section, and only if the institution has certified to the department or agency head that the research has been reviewed and approved by an IRB provided for in the assurance, and will be subject to continuing review by the IRB. Assurances applicable to federally supported or conducted research shall at a minimum include:

(1) A statement of principles governing the institution in the discharge of its responsibilities for protecting the rights and welfare of human subjects of research conducted at or sponsored by the institution, regardless of whether the research is subject to federal regulation. This may include an appropriate existing code, declaration, or statement of ethical principles, or a statement formulated by the institution itself. This requirement does not preempt provisions of this policy applicable to department- or agency-supported or regulated research and need not be applicable to any research exempted or waived under §225.101 (b) or (i).

(2) Designation of one or more IRBs established in accordance with the requirements of this policy, and for which provisions are made for meeting space and sufficient staff to support
Agency for International Development § 225.103

the IRB’s review and recordkeeping duties.

(3) A list of IRB members identified by name; earned degrees; representative capacity; indications of experience such as board certifications, licenses, etc., sufficient to describe each member’s chief anticipated contributions to IRB deliberations; and any employment or other relationship between each member and the institution; for example: full-time employee, part-time employee, member of governing panel or board, stockholder, paid or unpaid consultant. Changes in IRB membership shall be reported to the department or agency head, unless in accord with §225.103(a) of this policy, the existence of an HHS-approved assurance is accepted. In this case, change in IRB membership shall be reported to the Office for Human Research Protections, HHS, or any successor office.

(4) Written procedures which the IRB will follow (i) for conducting its initial and continuing review of research and for reporting its findings and actions to the investigator and the institution; (ii) for determining which projects require review more often than annually and which projects need verification from sources other than the investigators that no material changes have occurred since previous IRB review; and (iii) for ensuring prompt reporting to the IRB of proposed changes in a research activity, and for ensuring that such changes in approved research, during the period for which IRB approval has already been given, may not be initiated without IRB review and approval except when necessary to eliminate apparent immediate hazards to the subject.

(5) Written procedures for ensuring prompt reporting to the IRB, appropriate institutional officials, and the department or agency head of (i) any unanticipated problems involving risks to subjects or others or any serious or continuing noncompliance with this policy or the requirements or determinations of the IRB and (ii) any suspension or termination of IRB approval.

(c) The assurance shall be executed by an individual authorized to act for the institution and to assume on behalf of the institution the obligations imposed by this policy and shall be filed in such form and manner as the department or agency head prescribes.

(d) The department or agency head will evaluate all assurances submitted in accordance with this policy through such officers and employees of the department or agency and such experts or consultants engaged for this purpose as the department or agency head determines to be appropriate. The department or agency head’s evaluation will take into consideration the adequacy of the proposed IRB in light of the anticipated scope of the institution’s research activities and the types of subject populations likely to be involved, the appropriateness of the proposed initial and continuing review procedures in light of the probable risks, and the size and complexity of the institution.

(e) On the basis of this evaluation, the department or agency head may approve or disapprove the assurance, or enter into negotiations to develop an approvable one. The department or agency head may limit the period during which any particular approved assurance or class of approved assurances shall remain effective or otherwise condition or restrict approval.

(f) Certification is required when the research is supported by a federal department or agency and not otherwise exempted or waived under §225.101(b) or (i). An institution with an approved assurance shall certify that each application or proposal for research covered by the assurance and by §225.103 of this Policy has been reviewed and approved by the IRB. Such certification must be submitted with the application or proposal or by such later date as may be prescribed by the department or agency to which the application or proposal is submitted. Under no condition shall research covered by §225.103 of the Policy be supported prior to receipt of the certification that the research has been reviewed and approved by the IRB. Institutions without an approved assurance covering the research shall certify within 30 days after receipt of a request for such a certification from the department or agency, that the application or proposal has been approved by the IRB. If the certification is not submitted within these time limits, the
§§ 225.104–225.106

application or proposal may be returned to the institution.

§§ 225.104–225.106 [Reserved]

§ 225.107 IRB membership.

(a) Each IRB shall have at least five members, with varying backgrounds to promote complete and adequate review of research activities commonly conducted by the institution. The IRB shall be sufficiently qualified through the experience and expertise of its members, and the diversity of the members, including consideration of race, gender, and cultural backgrounds and sensitivity to such issues as community attitudes, to promote respect for its advice and counsel in safeguarding the rights and welfare of human subjects. In addition to possessing the professional competence necessary to review specific research activities, the IRB shall be able to ascertain the acceptability of proposed research in terms of institutional commitments and regulations, applicable law, and standards of professional conduct and practice. The IRB shall therefore include persons knowledgeable in these areas. If an IRB regularly reviews research that involves a vulnerable category of subjects, such as children, prisoners, pregnant women, or handicapped or mentally disabled persons, consideration shall be given to the inclusion of one or more individuals who are knowledgeable about and experienced in working with these subjects.

(b) Every nondiscriminatory effort will be made to ensure that no IRB consists entirely of men or entirely of women, including the institution's consideration of qualified persons of both sexes, so long as no selection is made to the IRB on the basis of gender. No IRB may consist entirely of members of one profession.

(c) Each IRB shall include at least one member whose primary concerns are in scientific areas and at least one member whose primary concerns are in nonscientific areas.

(d) Each IRB shall include at least one member who is not otherwise affiliated with the institution and who is not part of the immediate family of a person who is affiliated with the institution.

(e) No IRB may have a member participate in the IRB's initial or continuing review of any project in which the member has a conflicting interest, except to provide information requested by the IRB.

(f) An IRB may, in its discretion, invite individuals with competence in special areas to assist in the review of issues which require expertise beyond or in addition to that available on the IRB. These individuals may not vote with the IRB.

§ 225.108 IRB functions and operations.

In order to fulfill the requirements of this policy each IRB shall:

(a) Follow written procedures in the same detail as described in §225.103(b)(4) and, to the extent required by, §225.103(b)(5).

(b) Except when an expedited review procedure is used (see §225.110), review proposed research at convened meetings at which a majority of the members of the IRB are present, including at least one member whose primary concerns are in nonscientific areas. In order for the research to be approved, it shall receive the approval of a majority of those members present at the meeting.

(a) An IRB shall review and have authority to approve, require modifications in (to secure approval), or disapprove all research activities covered by this policy.

(b) An IRB shall require that information given to subjects as part of informed consent is in accordance with §225.116. The IRB may require that information, in addition to that specifically mentioned in §225.116, be given to the subjects when in the IRB’s judgment the information would meaningfully add to the protection of the rights and welfare of subjects.

(c) An IRB shall require documentation of informed consent or may waive
Agency for International Development

§ 225.110 Expedited review procedures for certain kinds of research involving no more than minimal risk, and for minor changes in approved research.

(a) The Secretary, HHS, has established, and published as a Notice in the FEDERAL REGISTER, a list of categories of research that may be reviewed by the IRB through an expedited review procedure. The list will be amended, as appropriate after consultation with other departments and agencies, through periodic republication by the Secretary, HHS, in the FEDERAL REGISTER. A copy of the list is available from the Office for Human Research Protections, HHS, or any successor office.

(b) An IRB may use the expedited review procedure to review either or both of the following:

(1) Some or all of the research appearing on the list and found by the reviewer(s) to involve no more than minimal risk.

(2) Minor changes in previously approved research during the period (of one year or less) for which approval is authorized.

Under an expedited review procedure, the review may be carried out by the IRB chairperson or by one or more experienced reviewers designated by the chairperson from among members of the IRB. In reviewing the research, the reviewers may exercise all of the authorities of the IRB except that the reviewers may not disapprove the research. A research activity may be disapproved only after review in accordance with the non-expedited procedure set forth in §225.108(b).

(c) Each IRB which uses an expedited review procedure shall adopt a method for keeping all members advised of research proposals which have been approved under the procedure.

(d) The department or agency head may restrict, suspend, terminate, or choose not to authorize an institution’s or IRB’s use of the expedited review procedure.

§ 225.111 Criteria for IRB approval of research.

(a) In order to approve research covered by this policy the IRB shall determine that all of the following requirements are satisfied:

(1) Risks to subjects are minimized: (i) By using procedures which are consistent with sound research design and which do not unnecessarily expose subjects to risk, and (ii) whenever appropriate, by using procedures already being performed on the subjects for diagnostic or treatment purposes.

(2) Risks to subjects are reasonable in relation to anticipated benefits, if any, to subjects, and the importance of the knowledge that may reasonably be expected to result. In evaluating risks and benefits, the IRB should consider only those risks and benefits that may result from the research (as distinguished from risks and benefits of therapies subjects would receive even if not participating in the research). The IRB should not consider possible long-range effects of applying knowledge gained in the research (for example, the possible effects of the research on public policy) as among those research risks that fall within the purview of its responsibility.

(3) Selection of subjects is equitable. In making this assessment the IRB should take into account the purposes of the research and the setting in
which the research will be conducted and should be particularly cognizant of the special problems of research involving vulnerable populations, such as children, prisoners, pregnant women, mentally disabled persons, or economically or educationally disadvantaged persons.

(4) Informed consent will be sought from each prospective subject or the subject’s legally authorized representative, in accordance with, and to the extent required by §225.116.

(5) Informed consent will be appropriately documented, in accordance with, and to the extent required by §225.117.

(6) When appropriate, the research plan makes adequate provision for monitoring the data collected to ensure the safety of subjects.

(7) When appropriate, there are adequate provisions to protect the privacy of subjects and to maintain the confidentiality of data.

(b) When some or all of the subjects are likely to be vulnerable to coercion or undue influence, such as children, prisoners, pregnant women, mentally disabled persons, or economically or educationally disadvantaged persons, additional safeguards have been included in the study to protect the rights and welfare of these subjects.

§225.112 Review by institution.

Research covered by this policy that has been approved by an IRB may be subject to further appropriate review and approval or disapproval by officials of the institution. However, those officials may not approve the research if it has not been approved by an IRB.

§225.113 Suspension or termination of IRB approval of research.

An IRB shall have authority to suspend or terminate approval of research that is not being conducted in accordance with the IRB’s requirements or that has been associated with unexpected serious harm to subjects. Any suspension or termination of approval shall include a statement of the reasons for the IRB’s action and shall be reported promptly to the investigator, appropriate institutional officials, and the department or agency head.

(Approved by the Office of Management and Budget under control number 0990–0260)

§225.114 Cooperative research.

Cooperative research projects are those projects covered by this policy which involve more than one institution. In the conduct of cooperative research projects, each institution is responsible for safeguarding the rights and welfare of human subjects and for complying with this policy. With the approval of the department or agency head, an institution participating in a cooperative project may enter into a joint review arrangement, rely upon the review of another qualified IRB, or make similar arrangements for avoiding duplication of effort.

§225.115 IRB records.

(a) An institution, or when appropriate an IRB, shall prepare and maintain adequate documentation of IRB activities, including the following:

(1) Copies of all research proposals reviewed, scientific evaluations, if any, that accompany the proposals, approved sample consent documents, progress reports submitted by investigators, and reports of injuries to subjects.

(2) Minutes of IRB meetings which shall be in sufficient detail to show attendance at the meetings: actions taken by the IRB; the vote on these actions including the number of members voting for, against, and abstaining; the basis for requiring changes in or disapproving research; and a written summary of the discussion of controverted issues and their resolution.

(3) Records of continuing review activities.

(4) Copies of all correspondence between the IRB and the investigators.

(5) A list of IRB members in the same detail as described is §225.103(b)(3).

(6) Written procedures for the IRB in the same detail as described in §225.103(b)(4) and §225.103(b)(5).

(7) Statements of significant new findings provided to subjects, as required by §225.116(b)(5).
(b) The records required by this policy shall be retained for at least 3 years, and records relating to research which is conducted shall be retained for at least 3 years after completion of the research. All records shall be accessible for inspection and copying by authorized representatives of the department or agency at reasonable times and in a reasonable manner.

[56 FR 28012, 28020, June 18, 1991, as amended at 70 FR 36328, June 23, 2005]

§ 225.116 General requirements for informed consent.

Except as provided elsewhere in this policy, no investigator may involve a human being as a subject in research covered by this policy unless the investigator has obtained the legally effective informed consent of the subject or the subject’s legally authorized representative. An investigator shall seek such consent only under circumstances that provide the prospective subject or the representative sufficient opportunity to consider whether or not to participate and that minimize the possibility of coercion or undue influence.

The information that is given to the subject or the representative shall be in language understandable to the subject or the representative. No informed consent, whether oral or written, may include any exculpatory language through which the subject or the representative is made to waive or appear to waive any of the subject’s legal rights, or releases or appears to release the investigator, the sponsor, the institution or its agents from liability for negligence.

(a) Basic elements of informed consent. Except as provided in paragraph (c) or (d) of this section, in seeking informed consent the following information shall be provided to each subject:

(1) A statement that the study involves research, an explanation of the purposes of the research and the expected duration of the subject’s participation, a description of the procedures to be followed, and identification of any procedures which are experimental;

(2) A description of any reasonably foreseeable risks or discomforts to the subject;

(3) A description of any benefits to the subject or to others which may reasonably be expected from the research;

(4) A disclosure of appropriate alternative procedures or courses of treatment, if any, that might be advantageous to the subject;

(5) A statement describing the extent, if any, to which confidentiality of records identifying the subject will be maintained;

(6) For research involving more than minimal risk, an explanation as to whether any compensation and an explanation as to whether any medical treatments are available if injury occurs and, if so, what they consist of, or where further information may be obtained;

(7) An explanation of whom to contact for answers to pertinent questions about the research and research subjects’ rights, and whom to contact in the event of a research-related injury to the subject; and

(8) A statement that participation is voluntary, refusal to participate will involve no penalty or loss of benefits to which the subject is otherwise entitled, and the subject may discontinue participation at any time without penalty or loss of benefits to which the subject is otherwise entitled.

(b) Additional elements of informed consent. When appropriate, one or more of the following elements of information shall also be provided to each subject:

(1) A statement that the particular treatment or procedure may involve risks to the subject (or to the embryo or fetus, if the subject is or may become pregnant) which are currently unforeseeable;

(2) Anticipated circumstances under which the subject’s participation may be terminated by the investigator without regard to the subject’s consent;

(3) Any additional costs to the subject that may result from participation in the research;

(4) The consequences of a subject’s decision to withdraw from the research and procedures for orderly termination of participation by the subject;
§ 225.117 Documentation of informed consent.

(a) Except as provided in paragraph (c) of this section, informed consent shall be documented by the use of a written consent form approved by the IRB and signed by the subject or the subject's legally authorized representative. A copy shall be given to the person signing the form.

(b) Except as provided in paragraph (c) of this section, the consent form may be either of the following:

(1) A written consent document that embodies the elements of informed consent required by §225.116. This form may be read to the subject or the subject's legally authorized representative, but in any event, the investigator shall give either the subject or the representative adequate opportunity to read it before it is signed; or

(2) A short form written consent document stating that the elements of informed consent required by §225.116 have been presented orally to the subject or the subject's legally authorized representative. When this method is used, there shall be a witness to the oral presentation. Also, the IRB shall approve a written summary of what is to be said to the subject or the representative adequate opportunity to read it before it is signed; or

(c) An IRB may waive the requirement for the investigator to obtain a signed consent form for some or all subjects if it finds either:

(1) That the only record linking the subject and the research would be the consent document and the principal risk would be potential harm resulting from participation; and

(2) The research or demonstration project is to be conducted by or subject to the approval of state or local government officials and is designed to study, evaluate, or otherwise examine:

(i) Public benefit of service programs;

(ii) procedures for obtaining benefits or services under those programs; (iii) possible changes in or alternatives to those programs or procedures; or (iv) possible changes in methods or levels of payment for benefits or services under those programs; and

(2) The research could not practically be carried out without the waiver or alteration.

(d) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth in this section, or waive the requirement to obtain informed consent provided the IRB finds and documents that:

(1) The research involves no more than minimal risk to the subjects;

(2) The waiver or alteration will not adversely affect the rights and welfare of the subjects;

(3) The research could not practically be carried out without the waiver or alteration; and

(4) Whenever appropriate, the subjects will be provided with additional pertinent information after participation.

(e) The informed consent requirements in this policy are not intended to preempt any applicable federal, state, or local laws which require additional information to be disclosed in order for informed consent to be legally effective.

(f) Nothing in this policy is intended to limit the authority of a physician to provide emergency medical care, to the extent the physician is permitted to do so under applicable federal, state, or local law.

§ 225.117 Documentation of informed consent.

(a) Except as provided in paragraph (c) of this section, informed consent shall be documented by the use of a written consent form approved by the IRB and signed by the subject or the subject’s legally authorized representative. A copy shall be given to the person signing the form.

(b) Except as provided in paragraph (c) of this section, the consent form may be either of the following:

(1) A written consent document that embodies the elements of informed consent required by §225.116. This form may be read to the subject or the subject’s legally authorized representative, but in any event, the investigator shall give either the subject or the representative adequate opportunity to read it before it is signed; or

(2) A short form written consent document stating that the elements of informed consent required by §225.116 have been presented orally to the subject or the subject’s legally authorized representative. When this method is used, there shall be a witness to the oral presentation. Also, the IRB shall approve a written summary of what is to be said to the subject or the representative adequate opportunity to read it before it is signed; or

(c) An IRB may waive the requirement for the investigator to obtain a signed consent form for some or all subjects if it finds either:

(1) That the only record linking the subject and the research would be the consent document and the principal risk would be potential harm resulting from participation; and

(2) The research or demonstration project is to be conducted by or subject to the approval of state or local government officials and is designed to study, evaluate, or otherwise examine:

(i) Public benefit of service programs;

(ii) procedures for obtaining benefits or services under those programs; (iii) possible changes in or alternatives to those programs or procedures; or (iv) possible changes in methods or levels of payment for benefits or services under those programs; and

(2) The research could not practically be carried out without the waiver or alteration.

(d) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth in this section, or waive the requirement to obtain informed consent provided the IRB finds and documents that:

(1) The research involves no more than minimal risk to the subjects;

(2) The waiver or alteration will not adversely affect the rights and welfare of the subjects;

(3) The research could not practically be carried out without the waiver or alteration; and

(4) Whenever appropriate, the subjects will be provided with additional pertinent information after participation.

(e) The informed consent requirements in this policy are not intended to preempt any applicable federal, state, or local laws which require additional information to be disclosed in order for informed consent to be legally effective.

(f) Nothing in this policy is intended to limit the authority of a physician to provide emergency medical care, to the extent the physician is permitted to do so under applicable federal, state, or local law.

§ 225.123 Early termination of research support: Evaluation of applications and proposals.

(a) The department or agency head may require that department or agency support for any project be terminated or suspended in the manner prescribed in applicable program requirements, when the department or agency head finds an institution has materially failed to comply with the terms of this policy.

(b) In making decisions about supporting or approving applications or proposals covered by this policy the department or agency head may take into account, in addition to all other circumstances, whether the research shall first be reviewed and approved by an IRB, as provided in this policy, a certification submitted, by the institution, to the department or agency, and final approval given to the proposed change by the department or agency.

§ 225.120 Evaluation and disposition of applications and proposals for research to be conducted or supported by a Federal Department or Agency.

The department or agency head will evaluate all applications and proposals involving human subjects submitted to the department or agency through such officers and employees of the department or agency and such experts and consultants as the department or agency head determines to be appropriate. This evaluation will take into consideration the risks to the subjects, the adequacy of protection against these risks, the potential benefits of the research to the subjects and others, and the importance of the knowledge gained or to be gained.

§ 225.119 Research undertaken without the intention of involving human subjects.

In the event research is undertaken without the intention of involving human subjects, but it is later proposed to involve human subjects in the research, the research shall first be reviewed and approved by an IRB, as provided in this policy, a certification submitted, by the institution, to the department or agency, and final approval given to the proposed change by the department or agency.

§ 225.118 Applications and proposals lacking definite plans for involvement of human subjects.

Certain types of applications for grants, cooperative agreements, or contracts are submitted to departments or agencies with the knowledge that subjects may be involved within the period of support, but definite plans would not normally be set forth in the application or proposal. These include activities such as institutional type grants when selection of specific projects is the institution's responsibility; research training grants in which the activities involving subjects remain to be selected; and projects in which human subjects’ involvement will depend upon completion of instruments, prior animal studies, or purification of compounds. These applications need not be reviewed by an IRB before an award may be made. However, except for research exempted or waived under §225.101 (b) or (i), no human subjects may be involved in any project supported by these awards until the project has been reviewed and approved by the IRB, as provided in this policy, and certification submitted, by the institution, to the department or agency.

§ 225.121 [Reserved]

§ 225.122 Use of Federal funds.

Federal funds administered by a department or agency may not be expended for research involving human subjects unless the requirements of this policy have been satisfied.

§ 225.123 Early termination of research support: Evaluation of applications and proposals.

(d) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a statement, set forth in appendix A, whether that person has

(e) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a disclosure form, set forth in appendix B, if that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(1) A Federal contract, grant, or cooperative agreement exceeding $100,000; or

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000.

Unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

(1) A cumulative increase of $25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or
(2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.
(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.
(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§ 227.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in §227.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.
(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.
(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:
(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person’s products or services, conditions or terms of sale, and service capabilities; and,
(2) Technical discussions and other activities regarding the application or adaptation of the person’s products or services for an agency’s use.
(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:
(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person’s products or services, conditions or terms of sale, and service capabilities; and,
(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,
(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95–507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 227.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 227.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 227.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 227.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 227.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in § 227.110 (a) and (b) regarding filing a
disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 227.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of $10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between $10,000 and $100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the
§ 227.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 227.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 227.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 227.605 Inspector General report.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

PART 228—RULES FOR PROCUREMENT OF COMMODITIES AND SERVICES FINANCED BY USAID

Subpart A—Definitions and Scope of This Part

§ 228.01 Definitions.

As used in this part, the following terms shall have the following meanings:

Advanced developing countries mean those countries that are categorized by the World Bank as upper middle income countries according to their gross national income per capita, except for those countries in which USAID provides assistance. USAID will maintain a list of advanced developing countries primarily based on the most recent World Bank determinations, and will make the list available in USAID’s Automated Directives System, ADS 310. This list will include determinations made under § 228.17 of this part.

Available for purchase means for commodities, that the commodity is offered for sale in a country in the authorized principal geographic code at the time of purchase from the supplier, irrespective of the place of manufacture or production, unless it is a prohibited source country. If applicable, the commodity must also be able to be serviced, and, if warrantied, have a valid warranty. For services, available for purchase means the service is offered from a vendor which has complied with nationality and foreign government-owned organization requirements of this regulation, and is otherwise organized in a country in the authorized principal geographic code designated in an implementing instrument. This definition does not apply to procurements under the geographic Code 935, see § 228.03 of this part, because that geographic code is for any country or area except for prohibited source countries.

Examples of such services are the following: export packing, local drayage in the source country (including waiting time at the dock), ocean and other freight, loading, heavy lift, wharfage, tollage, switching, dumping and trimming, lighterage, insurance, commodity inspection services, and services of a freight forwarder. “Delivery service” may also include work and materials necessary to meet USAID marking requirements.

(FAA). The authorities and conditions applicable to the procurement of commodities or services shall be those in effect on the effective date of an implementing instrument for procurement of commodities or services. USAID Principal Geographic Code means a USAID code which designates a country, a group of countries, or an otherwise defined area. The USAID principal geographic codes for purposes of procurement are described in §228.03 of this part.
§ 228.03 Identification of the authorized principal geographic procurement codes.

(a) USAID has established principal geographic codes which are used by USAID in implementing instruments. This regulation establishes a presumptive authorized principal geographic code, Code 937, for procurement of commodities and services unless otherwise specified in the implementing instrument. Code 937 is defined as the United States, the cooperating/recipient country, and developing countries other than advanced developing countries, and excluding prohibited sources. USAID maintains a list of developing countries, advanced developing countries, and prohibited sources, which will be available in USAID’s Automated Directives System, ADS 310.

(b) For purposes of procurements under the authority of the Development Fund for Africa, 22 U.S.C. 2293 et seq.; for any waivers authorized under Subpart D of this regulation; and if otherwise designated in an implementing instrument, the authorized principal geographic code shall be Code 935, any area or country but excluding prohibited sources.

(c) For purposes of procurements under the Support for Economic and Democratic Development of the Independent States of the Former Soviet Union, 22 U.S.C. 2295b, the authorized principal geographic codes are Code 937 and Code 110 (New Independent States).

(d) Additional principal geographic codes may be added to this section if authorized by Congress.

Subpart B—Conditions Governing Source and Nationality of Commodity and Service Procurement Transactions for USAID Financing

§ 228.10 Purpose.

Sections 228.11 through 228.19 set forth the rules governing the eligible source of commodities and nationality of commodity and service suppliers for USAID Federal share financing under prime and subawards. These rules may be waived in accordance with the provisions in subpart D of this part.

§ 228.11 Source of commodities.

The source of all commodities financed with Federal program funds appropriated under the Foreign Assistance Act of 1961, as amended, shall be Code 937 (unless Code 935 or 110 are designated in the implementing instrument). Procurements of agricultural commodities, motor vehicles and pharmaceuticals must also comply with the special procurement rules in §228.19 of this part. Recipients and contractors are prohibited from engaging suppliers of commodities in an authorized country to import commodities from a country outside of the authorized principal geographic codes for the purposes of circumventing the requirements of this rule. Any violation of this prohibition will result in the disallowance by USAID of the cost of the procurement of the subject commodity.

§ 228.12 Nationality of suppliers of commodities and services.

The suppliers of all commodities and services financed with federal program funds appropriated under the Foreign Assistance Act of 1961, as amended, shall:

(a) If an individual, except as provided in §228.15, be a citizen or lawful permanent resident (or equivalent immigration status to live and work on a continuing basis) of a country in Code 937 (or other principal geographic procurement code designated in an implementing instrument).

(b) If an organization,

(1) Be incorporated or legally organized under the laws of a country in Code 937 (or other principal geographic procurement code designated in an implementing instrument);

(2) Must be operating as a going concern in a country in Code 937 (or other principal geographic procurement code designated in an implementing instrument); and either

(3) Be managed by a governing body, the majority of whom are citizens or lawful permanent residents (or equivalent immigration status to live and work on a continuing basis) of countries in Code 937 (or other principal geographic procurement code designated in an implementing instrument), or
(4) Employ citizens or lawful permanent residents (or equivalent immigration status to live and work on a continuing basis) of a country in Code 937 (or other principal geographic procurement code designated in an implementing instrument), in more than half of its permanent full-time positions and more than half of its principal management positions.

§ 228.13 Foreign government-controlled organizations.

Firms operated as commercial companies or other organizations or enterprises (including nonprofit organizations) in which foreign governments or their agents or agencies have a controlling interest are not eligible as suppliers of commodities and services, except if their eligibility has been established by a waiver approved by USAID in accordance with the provisions set forth in subpart D of this part. Government ministries or agencies of the cooperating/recipient country, including those at the regional and local levels, and government educational institutions, health care providers, and other technical entities of the cooperating/recipient country not formed primarily for commercial or business purposes, are eligible as suppliers of commodities and services.

§ 228.14 Construction procurement with foreign-owned local firms.

(a) When the estimated cost of a contract for construction is $10 million or less and only local firms will be solicited, a local corporation or partnership which is a foreign-owned (owned or controlling interest by individuals not citizens or permanent residents, or equivalent immigration status, of the United States or the cooperating/recipient country) local firm will be eligible if it is determined by USAID to be an integral part of the local economy, see paragraph (b) of this section. However, such a determination is contingent on first ascertaining that no United States construction company with the required capability is currently operating in the cooperating/recipient country or, if there is such a company, that it is not interested in bidding for the proposed contract.

(b) A foreign-owned local firm is an integral part of the local economy provided:

(1) It has done business in the cooperating/recipient country on a continuing basis for at least three years prior to the issuance date of invitations for bids or requests for proposals to be financed by USAID;

(2) It has a demonstrated capability to undertake the proposed activity;

(3) All, or substantially all, of its directors of local operations, senior staff and operating personnel are lawfully resident (or equivalent immigration status to live and work on a continuing basis) in the cooperating/recipient country; and

(4) Most of its operating equipment and physical plant are in the cooperating/recipient country.

§ 228.15 Nationality of employees and individuals under contracts or subcontracts for services.

§ 228.18 Long-term leases.

Any commodity obtained under a long-term lease agreement as defined in §228.01, including motor vehicles, is subject to the source and nationality requirements of this subpart B of this part, including the special procurement rules as set forth in §228.19.

§ 228.19 Special source rules requiring United States manufacture or procurement.

(22 U.S.C. 2354). USAID maintains a list of restricted agricultural commodities and related policies, which is available in USAID’s Automated Directives System, ADS 312.

(b) Motor vehicles must be manufactured in the United States to be eligible for USAID financing (22 U.S.C. 2396). In addition, USAID shall not finance non-contraceptive pharmaceuticals without prior written approval as provided in USAID’s Automated Directives System Chapter 312. Contraceptives may be financed in accordance with the procedures in ADS 312.

Subpart C—Conditions Governing the Eligibility of Commodity-Related Services for USAID Financing

§ 228.20 Purpose.

Sections 228.21 through 228.24 of this part set forth the rules governing the eligibility of commodity-related services, both delivery services and incidental services, for USAID financing. These rules, except for §§228.21 and 228.22, may be waived in accordance with the provisions in subpart D of this part. The rules on delivery services apply whether or not USAID is also financing the commodities being transported. In order to be identified and eligible as incidental services, such services must be connected with a USAID-financed commodity procurement.

§ 228.21 Ocean transportation.

When transporting commodities subject to the provisions of the Cargo Preference Act, 46 U.S.C. 55305, USAID will administer its programs in accordance with that act and its implementing regulations in 46 CFR part 381 (and any waivers applicable thereto). Subpart D of 22 CFR part 228 does not apply to this provision.
§ 228.22 Air transportation.

The Fly America Act, Title 49 of the United States Code, Subtitle VII, part A, subpart I, Chapter 401, 4018—Government-Financed Air Transportation, is applicable to all transportation of commodities subject to this part. Subpart D of 22 CFR part 228 does not apply to this provision.

§ 228.23 Other delivery services.

No source or nationality rules apply to other delivery services, such as export packing, loading, commodity inspection services, and services of a freight forwarder. Such services are eligible when provided as part of a commodity procurement financed by USAID.

§ 228.24 Incidental services.

Source and nationality rules do not apply to suppliers of incidental services specified in a purchase contract relating to equipment.

Subpart D—Waivers

§ 228.30 General.

USAID may waive the rules contained in subparts A, B and C of this part (except for prohibited sources as defined in §228.01, and §§ 228.21 and 228.22), in order to accomplish project or program objectives. For any waivers authorized, the principal geographic code shall be Code 935, any area or country but excluding prohibited sources. All waivers must be in writing, and where applicable, are limited to the term established by the waiver. All waiver decisions will be made solely on the basis of the following criteria:

(a) Waivers to permit procurement outside of Code 937 or 110 must be based on a case by case determination that

(1) The provision of assistance requires commodities or services of the type that are not produced in and available for purchase in Code 937 or 110, or;
(2) It is important to permit procurement from a country not specified in Code 937 or 110 to meet unforeseen circumstances, or;
(3) To promote efficiency in the use of United States foreign assistance resources, including to avoid impairment of foreign assistance objectives
(b) Case by case waivers under paragraph (a) of this section may be made on the basis of a commodity or service type or category, rather than processing repeat, individual waivers for an identical or substantially similar commodity or service. Such waivers may be approved on a regional, country or program basis. For purposes of paragraph (a)(1) of this section, “produced in and available for purchase in” shall have the same meaning as the definition of “available for purchase” in §228.01. A waiver under paragraph (a)(1) may also be based on the fact that a commodity is not available for purchase in Code 937 or 110 in sufficient, reasonable and adequate quantities or sufficient and reasonable quality that is fit for the intended purpose.
(c) A waiver to authorize procurement from outside the United States of agricultural commodities, motor vehicles, and pharmaceuticals must meet the requirements of §228.19.
(d) Any individual transaction not exceeding $25,000 (excluding those covered by special procurement rules in §228.19 and excluding procurements from prohibited sources) does not require a waiver and is hereby authorized.

§ 228.31 Authority to approve waivers.

The authority to approve waivers of established policies under this regulation is delegated within USAID. Recipients or contractors shall request any necessary waivers through the USAID agreement or contracting officer.

PART 229—Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance

The purpose of these Title IX regulations is to effectuate Title IX of the Education Amendments of 1972, as amended (except sections 904 and 906 of those Amendments) (20 U.S.C. 1681, 1682, 1683, 1685, 1686, 1687, 1688), which is designed to eliminate (with certain exceptions) discrimination on the basis of sex in any education program or activity receiving Federal financial assistance, whether or not such program or activity is offered or sponsored by an educational institution as defined in these Title IX regulations. The effective date of these Title IX regulations shall be September 29, 2000.

§ 229.105 Definitions.

As used in these Title IX regulations, the term:

education, an institution of professional education, or an institution of vocational education, as defined in this section.

Federal financial assistance means any of the following, when authorized or extended under a law administered by the Federal agency that awards such assistance:

(1) A grant or loan of Federal financial assistance, including funds made available for:

(i) The acquisition, construction, renovation, restoration, or repair of a building or facility or any portion thereof; and

(ii) Scholarships, loans, grants, wages, or other funds extended to any entity for payment to or on behalf of students admitted to that entity, or extended directly to such students for payment to that entity.

(2) A grant of Federal real or personal property or any interest therein, including surplus property, and the proceeds of the sale or transfer of such property, if the Federal share of the fair market value of the property is not, upon such sale or transfer, properly accounted for to the Federal Government.

(3) Provision of the services of Federal personnel.

(4) Sale or lease of Federal property or any interest therein at nominal consideration, or at consideration reduced for the purpose of assisting the recipient or in recognition of public interest to be served thereby, or permission to use Federal property or any interest therein without consideration.

(2) Awards any degree in a professional field beyond the first professional degree (regardless of whether the first professional degree in such field is awarded by an institution of undergraduate higher education or professional education); or

(3) Awards no degree and offers no further academic study, but operates ordinarily for the purpose of facilitating research by persons who have received the highest graduate degree in any field of study.

Recipient means any State or political subdivision thereof, or any instrumentality of a State or political subdivision thereof, any public or private agency, institution, or organization, or other entity, or any person, to whom Federal financial assistance is extended directly or through another recipient and that operates an education program or activity that receives such assistance, including any subunit, successor, assignee, or transferee thereof.

Student means a person who has gained admission.
§ 229.110 Remedial and affirmative action and self-evaluation.

(a) Remedial action. If the designated agency official finds that a recipient has discriminated against persons on the basis of sex in an education program or activity, such recipient shall take such remedial action as the designated agency official deems necessary to overcome the effects of such discrimination.

(b) Affirmative action. In the absence of a finding of discrimination on the basis of sex in an education program or activity, a recipient may take affirmative action consistent with law to overcome the effects of conditions that resulted in limited participation therein by persons of a particular sex. Nothing in these Title IX regulations shall be interpreted to alter any affirmative action obligations that a recipient may have under Executive Order 11246, 3 CFR, 1964–1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966–1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966–1970 Comp., p. 803; as amended by Executive Order 12086, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264.

(c) Self-evaluation. Each recipient education institution shall, within one year of September 29, 2000:

(2) Modify any of these policies and practices that do not or may not meet the requirements of these Title IX regulations; and

(3) Take appropriate remedial steps to eliminate the effects of any discrimination that resulted or may have resulted from adherence to these policies and practices.

(d) Availability of self-evaluation and related materials. Recipients shall maintain on file for at least three years following completion of the evaluation required under paragraph (c) of this section, and shall provide to the designated agency official upon request, a description of any modifications made pursuant to paragraph (c)(2) of this section and of any remedial steps taken pursuant to paragraph (c)(3) of this section.

§ 229.115 Assurance required.

(a) General. Either at the application stage or the award stage, Federal agencies must ensure that applications for Federal financial assistance or awards of Federal financial assistance contain, be accompanied by, or be covered by a specifically identified assurance from the applicant or recipient, satisfactory to the designated agency official, that each education program or activity operated by the applicant or recipient and to which these Title IX regulations apply will be operated in compliance with these Title IX regulations. An assurance of compliance with these Title IX regulations shall not be satisfactory to the designated agency official if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with §229.110(a) to eliminate existing discrimination on the basis of sex or to
eliminate the effects of past discrimination whether occurring prior to or subsequent to the submission to the designated agency official of such assurance.

(b) Duration of obligation. (1) In the case of Federal financial assistance extended to provide real property or structures thereon, such assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used to provide an education program or activity.

(2) In the case of Federal financial assistance extended to provide personal property, such assurance shall obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases such assurance shall obligate the recipient for the period during which Federal financial assistance is extended.

(c) Form. (1) The assurances required by paragraph (a) of this section, which may be included as part of a document that addresses other assurances or obligations, shall include that the applicant or recipient will comply with all applicable Federal statutes relating to nondiscrimination. These include but are not limited to: Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681–1683, 1685–1688).

(2) The designated agency official will specify the extent to which such assurances will be required of the applicant’s or recipient’s subgrantees, contractors, subcontractors, transferees, or successors in interest.

§ 229.120 Transfers of property.

If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee that operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government, both the transferor and the transferee shall be deemed to be recipients, subject to the provisions of §§ 229.205 through 229.235(a).

§ 229.125 Effect of other requirements.

(b) Effect of State or local law or other requirements. The obligation to comply with these Title IX regulations is not obviated or alleviated by any State or local law or other requirement that would render any applicant or student ineligible, or limit the eligibility of any applicant or student, on the basis of sex, to practice any occupation or profession.

(c) Effect of rules or regulations of private organizations. The obligation to comply with these Title IX regulations is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for members of one sex than for members of the other sex.

§ 229.130 Effect of employment opportunities.

The obligation to comply with these Title IX regulations is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for members of one sex than for members of the other sex.
§ 229.135 Designation of responsible employee and adoption of grievance procedures.

(a) Designation of responsible employee. Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under these Title IX regulations, including any investigation of any complaint communicated to such recipient alleging its noncompliance with these Title IX regulations or alleging any actions that would be prohibited by these Title IX regulations. The recipient shall notify all its students and employees of the name, office address, and telephone number of the employee or employees appointed pursuant to this paragraph.

(b) Complaint procedure of recipient. A recipient shall adopt and publish grievance procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by these Title IX regulations.

§ 229.140 Dissemination of policy.

(a) Notification of policy. (1) Each recipient shall implement specific and continuing steps to notify applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of sex in the educational programs or activities that it operates, and that it is required by Title IX and these Title IX regulations not to discriminate in such a manner. Such notification shall contain such information, and be made in such manner, as the designated agency official finds necessary to apprise such persons of the protections against discrimination assured them by Title IX and these Title IX regulations, but shall state at least that the requirement not to discriminate in education programs or activities extends to employment thereunto. (2) A recipient shall not use or distribute a publication of the type described in paragraph (b)(1) of this section that suggests, by text or illustration, that such recipient treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by these Title IX regulations.

(b) Publications. A recipient shall prominently include a statement of the policy described in paragraph (a) of this section in each announcement, bulletin, catalog, or application form that it makes available to any person of a type, described in paragraph (a) of this section, or which is otherwise used in connection with the recruitment of students or employees. Such notice shall be published in the same manner as such announcement, bulletin, catalog, or application form.

(c) Distribution. Each recipient shall distribute without discrimination on the basis of sex each publication described in paragraph (b)(1) of this section, and shall apprise each of its admission and employment recruitment representatives of the policy of nondiscrimination described in paragraph (a) of this section, and shall require such representatives to adhere to such policy.

§ 229.405 Housing.

(a) Generally. A recipient shall not, on the basis of sex, apply different rules or regulations, impose different fees or requirements, or offer different services or benefits related to housing, except as provided in this section (including housing provided only to married students).

(b) Housing provided by recipient. (1) A recipient may provide separate housing on the basis of sex.

With respect to physical education classes and activities at the secondary and post-secondary levels, the recipient shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

§ 229.425 Counseling and use of appraisal and counseling materials.

(a) Counseling. A recipient shall not discriminate against any person on the basis of sex in the counseling or guidance of students or applicants for admission.

(b) Use of appraisal and counseling materials. A recipient that uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials that permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis
of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) Disproportion in classes. Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of sex in counseling or appraisal materials or by counselors.

§ 229.430 Financial assistance.
(a) General. Except as provided in paragraphs (b) and (c) of this section, in providing financial assistance to any of its students, a recipient shall not:

(b) Financial aid established by certain legal instruments. (1) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established pursuant to domestic or foreign wills, trusts, bequests, or similar legal instruments or by acts of a foreign government that require that awards be made to members of a particular sex specified therein; Provided, that the overall effect of the award of such sex-restricted scholarships, fellowships, and other forms of financial assistance does not discriminate on the basis of sex.
(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:
(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;
(ii) An appropriate sex-restricted scholarship, fellowship, or other form of financial assistance is allocated to each student selected under paragraph (b)(2)(i) of this section; and
(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student’s sex.
(c) Athletic scholarships. (1) To the extent that a recipient awards athletic scholarships or grants-in-aid, it must provide reasonable opportunities for such awards for members of each sex in proportion to the number of students of each sex participating in interscholastic or intercollegiate athletics.

§ 229.440 Health and insurance benefits and services.

Subject to § 229.235(d), in providing a medical, hospital, accident, or life insurance benefit, service, policy, or plan to any of its students, a recipient shall not discriminate on the basis of sex, or provide such benefit, service, policy, or plan in a manner that would violate §§ 229.500 through 229.550 if it were provided to employees of the recipient. This section shall not prohibit a recipient from providing any benefit or service that may be used by a different proportion of students of one sex than of the other, including family planning services. However, any recipient that provides full coverage health service shall provide gynecological care.

§ 229.445 Marital or parental status.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation as long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient that operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section, shall ensure that the separate portion is comparable to that offered to non-pregnant students.

(4) Subject to § 229.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan, or policy that such recipient administers, operates, offers, or participates in with respect to students admitted to the recipient’s educational program or activity.

(5) In the case of a recipient that does not maintain a leave policy for its students, or in the case of a student who does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence for as long a period of time as is deemed medically necessary by the student’s physician, at the conclusion of which the student shall be reinstated to the status that she held when the leave began.

§ 229.450 Athletics.

(b) Separate teams. Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try out for the team offered unless the sport involved is a contact sport. For the purposes of these Title IX regulations, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.
(c) Equal opportunity. (1) A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics shall provide equal athletic opportunity for members of both sexes. (vi) Assignment and compensation of coaches and tutors;

(vii) Provision of locker rooms, practice, and competitive facilities;

(viii) Provision of medical and training facilities and services;

(ix) Provision of housing and dining facilities and services;

(x) Publicity.

(2) For purposes of paragraph (c)(1) of this section, unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams if a recipient operates or sponsors separate teams will not constitute noncompliance with this section, but the designated agency official may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) Adjustment period. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. § 229.535 Effect of state or local law or other requirements.

(a) Prohibitory requirements. The obligation to comply with §§229.500 through 229.550 is not obviated or alleviated by the existence of any State or local law or other requirement that imposes prohibitions or limits upon employment of members of one sex that are not imposed upon members of the other sex.

(b) Benefits. A recipient that provides any compensation, service, or benefit to members of one sex pursuant to a State or local law or other requirement shall provide the same compensation, service, or benefit to members of the other sex.

(b) Pregnancy. A recipient shall not discriminate against or exclude from employment any employee or applicant for employment on the basis of pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom.

(c) Pregnancy as a temporary disability. Subject to §229.525(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, recovery therefrom, and any temporary disability resulting therefrom as any other temporary disability for all job-related purposes, including commencement, duration, and extensions of leave, payment of disability income, accrual of seniority and any other benefit or service, and reinstatement, and under any fringe benefit offered to employees by virtue of employment.

(d) Pregnancy leave. In the case of a recipient that does not maintain a leave policy for its employees, or in the case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status that she held when the leave began or to a comparable position, without decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

§ 229.535 Effect of state or local law or other requirements.

A recipient may take action otherwise prohibited by §§ 229.500 through 229.550 provided it is shown that sex is a bona fide occupational qualification for that action, such that consideration of sex with regard to such action is essential to successful operation of the employment function concerned. A recipient shall not take action pursuant to this section that is based upon alleged comparative employment characteristics or stereotyped characterizations of one or the other sex, or upon preference based on sex of the recipient, employees, students, or other persons, but nothing contained in this section shall prevent a recipient from considering an employee’s sex in relation to employment in a locker room or toilet facility used only by members of one sex.
