Subpart E—Admission to Tenant-Based Program

§ 982.201 Eligibility and targeting.

(a) *When applicant is eligible: In general.* The PHA may admit only eligible families to the program. To be eligible, an applicant must be a “family;” must be income-eligible in accordance with paragraph (b) of this section and 24 CFR part 5, subpart F; and must be a citizen or a noncitizen who has eligible immigration status as determined in accordance with 24 CFR part 5, subpart E. If the applicant is a victim of domestic violence, dating violence, or stalking, 24 CFR part 5, subpart L, applies.

(b) *Income—(1) Income-eligibility.* To be income-eligible, the applicant must be a family in any of the following categories:

(i) A “very low income” family;

(ii) A low-income family that is “continuously assisted” under the 1937 Housing Act;

(iii) A low-income family that meets additional eligibility criteria specified in the PHA administrative plan. Such additional PHA criteria must be consistent with the PHA plan and with the consolidated plans for local governments in the PHA jurisdiction;

(iv) A low-income family that qualifies for voucher assistance as a non-purchasing family residing in a HOPE 1 (HOPE for public housing homeownership) or HOPE 2 (HOPE for homeownership of multifamily units) project. (Section 8(o)(4)(D) of the 1937 Act (42 U.S.C. 1437f(o)(4)(D));

(v) A low-income or moderate-income family that is displaced as a result of

the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing as defined in § 248.101 of this title;

(vi) A low-income family that qualifies for voucher assistance as a non-purchasing family residing in a project subject to a resident homeownership program under § 248.173 of this title.

(2) *Income-targeting.* (i) Not less than 75 percent of the families admitted to a PHA's HCV program during the PHA fiscal year from the PHA waiting list shall be extremely low income families. Annual income of such families shall be verified within the period described in paragraph (e) of this section.

(ii) A PHA may admit a lower percent of extremely low income families during a PHA fiscal year (than otherwise required under paragraph (b)(2)(i) of this section) if HUD approves the use of such lower percent by the PHA, in accordance with the PHA plan, based on HUD's determination that the following circumstances necessitate use of such lower percent by the PHA:

(A) The PHA has opened its waiting list for a reasonable time for admission of extremely low income families residing in the same metropolitan statistical area (MSA) or non-metropolitan county, both inside and outside the PHA jurisdiction;

(B) The PHA has provided full public notice of such opening to such families, and has conducted outreach and marketing to such families, including outreach and marketing to extremely low income families on the Section 8 and public housing waiting lists of other PHAs with jurisdiction in the same MSA or non-metropolitan county;

(C) Notwithstanding such actions by the PHA (in accordance with paragraphs (b)(2)(ii)(A) and (B) of this section), there are not enough extremely low income families on the PHA's waiting list to fill available slots in the program during any fiscal year for which use of a lower percent is approved by HUD; and

(D) Admission of the additional very low income families other than extremely low income families to the PHA's tenant-based voucher program will substantially address worst case housing needs as determined by HUD.

(iii) If approved by HUD, the admission of a portion of very low income welfare-to-work (WTW) families that are not extremely low income families may be disregarded in determining compliance with the PHA's income-targeting obligations under paragraph (b)(2)(i) of this section. HUD will grant such approval only if and to the extent that the PHA has demonstrated to HUD's satisfaction that compliance with such targeting obligations with respect to such portion of WTW families would interfere with the objectives of the welfare-to-work voucher program. If HUD grants such approval, admission of that portion of WTW families is not counted in the base number of families admitted to a PHA's tenant-based voucher program during the fiscal year for purposes of income targeting.

(iv) Admission of families as described in paragraphs (b)(1)(ii) or (b)(1)(v) of this section is not subject to targeting under paragraph (b)(2)(i) of this section.

(v) If the jurisdictions of two or more PHAs that administer the HCV program cover an identical geographic area, such PHAs may elect to be treated as a single PHA for purposes of targeting under paragraph (b)(2)(i) of this section. In such a case, the PHAs shall cooperate to assure that aggregate admissions by such PHAs comply with the targeting requirement. If such PHAs do not have a single fiscal year, HUD will determine which PHA's fiscal year is used for this purpose.

(vi) If a family initially leases a unit outside the PHA jurisdiction under portability procedures at admission to the HCV program, such admission shall be counted against the targeting obligation of the initial PHA (unless the receiving PHA absorbs the portable family into the receiving PHA's HCV program from the point of admission).

(3) The annual income (gross income) of an applicant family is used both for determination of income-eligibility under paragraph (b)(1) of this section and for targeting under paragraph (b)(2)(i) of this section. In determining annual income of an applicant family that includes a person with disabilities, the determination must include the

disallowance of increase in annual income as provided in 24 CFR 5.617, if applicable.

(4) The applicable income limit for issuance of a voucher when a family is selected for the program is the highest income limit (for the family size) for areas in the PHA jurisdiction. The applicable income limit for admission to the program is the income limit for the area where the family is initially assisted in the program. At admission, the family may only use the voucher to rent a unit in an area where the family is income eligible.

(c) *Family composition.* See definition of “family” in 24 CFR 5.403.

(d) *Continuously assisted.* (1) An applicant is continuously assisted under the 1937 Housing Act if the family is already receiving assistance under any 1937 Housing Act program when the family is admitted to the voucher program.

(2) The PHA must establish policies concerning whether and to what extent a brief interruption between assistance under one of these programs and admission to the voucher program will be considered to break continuity of assistance under the 1937 Housing Act.

(e) *When PHA verifies that applicant is eligible.* The PHA must receive information verifying that an applicant is eligible within the period of 60 days before the PHA issues a voucher to the applicant.

(f) *Decision to deny assistance—(1) Notice to applicant.* The PHA must give an applicant prompt written notice of a decision denying admission to the program (including a decision that the applicant is not eligible, or denying assistance for other reasons). The notice must give a brief statement of the reasons for the decision. The notice must also state that the applicant may request an informal review of the decision, and state how to arrange for the informal review.

(2) For description of the grounds for denying assistance because of action or inaction by the applicant, see § 982.552(b) and (c) (requirement and au-

thority to deny admission) and § 982.553(a) (crime by family members).

§ 982.202 How applicants are selected: General requirements.

(a) *Waiting list admissions and special admissions.* The PHA may admit an applicant for participation in the program either:

(1) As a special admission (see § 982.203).

(2) As a waiting list admission (see § 982.204 through § 982.210).

(b) *Prohibited admission criteria—(1) Where family lives.* Admission to the program may not be based on where the family lives before admission to the program. However, the PHA may target assistance for families who live in public housing or other federally assisted housing, or may adopt a residency preference (see § 982.207).

(2) *Where family will live.* Admission to the program may not be based on where the family will live with assistance under the program.

(3) *Family characteristics.* The PHA preference system may provide a preference for admission of families with certain characteristics from the PHA waiting list. However, admission to the program may not be based on:

(i) Discrimination because members of the family are unwed parents, recipients of public assistance, or children born out of wedlock;

(ii) Discrimination because a family includes children (familial status discrimination);

(iii) Discrimination because of age, race, color, religion, sex, or national origin;

(iv) Discrimination because of disability; or

(v) Whether a family decides to participate in a family self-sufficiency program.

(c) *Applicant status.* An applicant does not have any right or entitlement to be listed on the PHA waiting list, to any particular position on the waiting list,

§ 982.203

or to admission to the programs. The preceding sentence does not affect or prejudice any right, independent of this rule, to bring a judicial action challenging an PHA violation of a constitutional or statutory requirement.

(d) *Admission policy.* The PHA must admit applicants for participation in accordance with HUD regulations and other requirements, including, but not limited to, 24 CFR part 5, subpart L, protection for victims of domestic violence, dating violence, or stalking, and with PHA policies stated in the PHA administrative plan and the PHA plan. The PHA admission policy must state the system of admission preferences that the PHA uses to select applicants from the waiting list, including any residency preference or other local preference.

§ 982.203 Special admission (non-waiting list): Assistance targeted by HUD.

(a) If HUD awards a PHA program funding that is targeted for families living in specified units:

(1) The PHA must use the assistance for the families living in these units.

(2) The PHA may admit a family that is not on the PHA waiting list, or without considering the family's waiting list position. The PHA must maintain records showing that the family was admitted with HUD-targeted assistance.

(b) The following are examples of types of program funding that may be targeted for a family living in a specified unit:

(1) A family displaced because of demolition or disposition of a public housing project;

(2) A family residing in a multifamily rental housing project when HUD sells, forecloses or demolishes the project;

(3) For housing covered by the Low Income Housing Preservation and Resident Homeownership Act of 1990 (41 U.S.C. 4101 *et seq.*):

(i) A non-purchasing family residing in a project subject to a homeownership program (under 24 CFR 248.173); or

24 CFR Ch. IX (4-1-16 Edition)

(ii) A family displaced because of mortgage prepayment or voluntary termination of a mortgage insurance contract (as provided in 24 CFR 248.165);

(4) A family residing in a project covered by a project-based Section 8 HAP contract at or near the end of the HAP contract term; and

(5) A non-purchasing family residing in a HOPE 1 or HOPE 2 project.

[59 FR 36682, July 18, 1994, as amended at 64 FR 26643, May 14, 1999]

§ 982.204 Waiting list: Administration of waiting list.

(a) *Admission from waiting list.* Except for special admissions, participants must be selected from the PHA waiting list. The PHA must select participants from the waiting list in accordance with admission policies in the PHA administrative plan.

(b) *Organization of waiting list.* The PHA must maintain information that permits the PHA to select participants from the waiting list in accordance with the PHA admission policies. The waiting list must contain the following information for each applicant listed:

(1) Applicant name;

(2) Family unit size (number of bedrooms for which family qualifies under PHA occupancy standards);

(3) Date and time of application;

(4) Qualification for any local preference;

(5) Racial or ethnic designation of the head of household.

(c) *Removing applicant names from the waiting list.* (1) The PHA administrative plan must state PHA policy on when applicant names may be removed from the waiting list. The policy may provide that the PHA will remove names of applicants who do not respond to PHA requests for information or updates.

(2) An PHA decision to withdraw from the waiting list the name of an applicant family that includes a person with disabilities is subject to reasonable accommodation in accordance with 24 CFR part 8. If the applicant did not respond to the PHA request for information or updates because of the family member's disability, the PHA must reinstate the applicant in the family's former position on the waiting list.

(d) *Family size.* (1) The order of admission from the waiting list may not be based on family size, or on the family unit size for which the family qualifies under the PHA occupancy policy.

(2) If the PHA does not have sufficient funds to subsidize the family unit size of the family at the top of the waiting list, the PHA may not skip the top family to admit an applicant with a smaller family unit size. Instead, the family at the top of the waiting list will be admitted when sufficient funds are available.

(e) *Funding for specified category of waiting list families.* When HUD awards a PHA program funding for a specified category of families on the waiting list, the PHA must select applicant families in the specified category.

(f) *Number of waiting lists.* A PHA must use a single waiting list for admission to its Section 8 tenant-based assistance program. However, the PHA may use a separate single waiting list for such admissions for a county or municipality.

§ 982.205 Waiting list: Different programs.

(a) *Merger and cross-listing—(1) Merged waiting list.* A PHA may merge the waiting list for tenant-based assistance with the PHA waiting list for admission to another assisted housing program, including a federal or local program. In admission from the merged waiting list, admission for each federal program is subject to federal regulations and requirements for the particular program.

(2) *Non-merged waiting list: Cross-listing.* If the PHA decides not to merge the waiting list for tenant-based assistance with the waiting list for the PHA's public housing program, project-based voucher program or moderate rehabilitation program:

(i) If the PHA's waiting list for tenant-based assistance is open when an applicant is placed on the waiting list for the PHA's public housing program, project-based voucher program or mod-

erate rehabilitation program, the PHA must offer to place the applicant on its waiting list for tenant-based assistance.

(ii) If the PHA's waiting list for its public housing program, project-based voucher program or moderate rehabilitation program is open when an applicant is placed on the waiting list for its tenant-based program, and if the other program includes units suitable for the applicant, the PHA must offer to place the applicant on its waiting list for the other program.

(b) *Other housing assistance: Effect of application for, receipt or refusal.* (1) For purposes of this section, "other housing subsidy" means a housing subsidy other than assistance under the voucher program. Housing subsidy includes subsidy assistance under a federal housing program (including public housing), a State housing program, or a local housing program.

(2) The PHA may not take any of the following actions because an applicant has applied for, received, or refused other housing assistance:

(i) Refuse to list the applicant on the PHA waiting list for tenant-based assistance;

(ii) Deny any admission preference for which the applicant is currently qualified;

(iii) Change the applicant's place on the waiting list based on preference, date and time of application, or other factors affecting selection under the PHA selection policy; or

(iv) Remove the applicant from the waiting list.

§ 982.206 Waiting list: Opening and closing; public notice.

(a) *Public notice.* (1) When the PHA opens a waiting list, the PHA must give public notice that families may apply for tenant-based assistance. The public notice must state where and when to apply.

(2) The PHA must give the public notice by publication in a local newspaper of general circulation, and also by minority media and other suitable

means. The notice must comply with HUD fair housing requirements.

(3) The public notice must state any limitations on who may apply for available slots in the program.

(b) *Criteria defining what families may apply.* (1) The PHA may adopt criteria defining what families may apply for assistance under a public notice.

(2) If the waiting list is open, the PHA must accept applications from families for whom the list is open unless there is good cause for not accepting the application (such as denial of assistance because of action or inaction by members of the family) for the grounds stated in §§ 982.552 and 982.553.

(c) *Closing waiting list.* If the PHA determines that the existing waiting list contains an adequate pool for use of available program funding, the PHA may stop accepting new applications, or may accept only applications meeting criteria adopted by the PHA.

§ 982.207 Waiting list: Local preferences in admission to program.

(a) *Establishment of PHA local preferences.* (1) The PHA may establish a system of local preferences for selection of families admitted to the program. PHA selection preferences must be described in the PHA administrative plan.

(2) The PHA system of local preferences must be based on local housing needs and priorities, as determined by the PHA. In determining such needs and priorities, the PHA shall use generally accepted data sources. The PHA shall consider public comment on the proposed public housing agency plan (as received pursuant to § 903.17 of this chapter) and on the consolidated plan for the relevant jurisdiction (as received pursuant to part 91 of this title).

(3) The PHA may limit the number of applicants that may qualify for any local preference.

(4) The PHA shall not deny a local preference, nor otherwise exclude or penalize a family in admission to the program, solely because the family re-

sides in a public housing project. The PHA may establish a preference for families residing in public housing who are victims of a crime of violence (as defined in 18 U.S.C. 16).

(b) *Particular local preferences—(1) Residency requirements or preferences.* (i) Residency requirements are prohibited. Although a PHA is not prohibited from adopting a residency preference, the PHA may only adopt or implement residency preferences in accordance with non-discrimination and equal opportunity requirements listed at § 5.105(a) of this title.

(ii) A residency preference is a preference for admission of persons who reside in a specified geographic area (“residency preference area”). A county or municipality may be used as a residency preference area. An area smaller than a county or municipality may not be used as a residency preference area.

(iii) Any PHA residency preferences must be included in the statement of PHA policies that govern eligibility, selection and admission to the program, which is included in the PHA annual plan (or supporting documents) pursuant to part 903 of this title. Such policies must specify that use of a residency preference will not have the purpose or effect of delaying or otherwise denying admission to the program based on the race, color, ethnic origin, gender, religion, disability, or age of any member of an applicant family.

(iv) A residency preference must not be based on how long an applicant has resided or worked in a residency preference area.

(v) Applicants who are working or who have been notified that they are hired to work in a residency preference area must be treated as residents of the residency preference area. The PHA may treat graduates of, or active participants in, education and training programs in a residency preference area as residents of the residency preference area if the education or training program is designed to prepare individuals for the job market.

(2) *Preference for working families.* The PHA may adopt a preference for admission of working families (families where the head, spouse or sole member is employed). However, an applicant

shall be given the benefit of the working family preference if the head and spouse, or sole member is age 62 or older, or is a person with disabilities.

(3) *Preference for person with disabilities.* The PHA may adopt a preference for admission of families that include a person with disabilities. However, the PHA may not adopt a preference for admission of persons with a specific disability.

(4) *Preference for victims of domestic violence.* The PHA should consider whether to adopt a local preference for admission of families that include victims of domestic violence.

(5) *Preference for single persons who are elderly, displaced, homeless, or persons with disabilities.* The PHA may adopt a preference for admission of single persons who are age 62 or older, displaced, homeless, or persons with disabilities over other single persons.

(c) *Selection among families with preference.* The PHA system of preferences may use either of the following to select among applicants on the waiting list with the same preference status:

(1) Date and time of application; or

(2) A drawing or other random choice technique.

(d) *Preference for higher-income families.* The PHA must not select families for admission to the program in an order different from the order on the waiting list for the purpose of selecting higher income families for admission to the program.

(e) *Verification of selection method.* The method for selecting applicants from a preference category must leave a clear audit trail that can be used to verify that each applicant has been selected in accordance with the method specified in the administrative plan.

Subpart F [Reserved]

Subpart G—Leasing a Unit

SOURCE: 60 FR 34695, July 3, 1995, unless otherwise noted.

§ 982.301 Information when family is selected.

(a) *PHA briefing of family.* (1) When the PHA selects a family to participate in a tenant-based program, the PHA must give the family an oral briefing. The briefing must include information on the following subjects:

(i) A description of how the program works;

(ii) Family and owner responsibilities; and

(iii) Where the family may lease a unit, including renting a dwelling unit inside or outside the PHA jurisdiction, and any information on selecting a unit that HUD provides.

(2) An explanation of how portability works. The PHA may not discourage the family from choosing to live anywhere in the PHA jurisdiction, or outside the PHA jurisdiction under portability procedures, unless otherwise expressly authorized by statute, regulation, PIH Notice, or court order. The family must be informed of how portability may affect the family's assistance through screening, subsidy standards, payment standards, and any other elements of the portability process which may affect the family's assistance.

(3) The briefing must also explain the advantages of areas that do not have a high concentration of low-income families.

(4) In briefing a family that includes any disabled person, the PHA must take appropriate steps to ensure effective communication in accordance with 24 CFR 8.6.

(5) In briefing a welfare-to-work family, the PHA must include specification of any local obligations of a welfare-to-work family and an explanation that failure to meet these obligations is grounds for PHA denial of admission or termination of assistance.

(b) *Information packet.* When a family is selected to participate in the program, the PHA must give the family a packet that includes information on the following subjects:

(1) The term of the voucher, voucher suspensions, and PHA policy on any extensions of the term. If the PHA allows extensions, the packet must explain how the family can request an extension;
