

## § 982.515

## 24 CFR Ch. IX (4-1-16 Edition)

(c) The PHA may elect to establish policies regarding the frequency of utility reimbursement payments for payments made to the family.

(1) The PHA will have the option of making utility reimbursement payments not less than once per calendar-year quarter, for reimbursements totaling \$45 or less per quarter. In the event a family leaves the program in advance of its next quarterly reimbursement, the PHA would be required to reimburse the family for a prorated share of the applicable reimbursement. PHAs exercising this option must have a hardship policy in place for tenants.

(2) If the PHA elects to pay the utility supplier directly, the PHA must notify the family of the amount paid to the utility supplier.

### **§ 982.515 Family share: Family responsibility.**

(a) The family share is calculated by subtracting the amount of the housing assistance payment from the gross rent.

(b) The family rent to owner is calculated by subtracting the amount of the housing assistance payment to the owner from the rent to owner.

(c) The PHA may not use housing assistance payments or other program funds (including any administrative fee reserve) to pay any part of the family share, including the family rent to owner. Payment of the whole family share is the responsibility of the family.

(e) *Family member income.* Family income must include income of all family members, including family members not related by blood or marriage. If any new family member is added, family income must include any income of the additional family member. The PHA must conduct a reexamination to determine such additional income, and must make appropriate adjustments in the housing assistance payment.
