

§ 982.515

24 CFR Ch. IX (4-1-16 Edition)

(c) The PHA may elect to establish policies regarding the frequency of utility reimbursement payments for payments made to the family.

(1) The PHA will have the option of making utility reimbursement payments not less than once per calendar-year quarter, for reimbursements totaling \$45 or less per quarter. In the event a family leaves the program in advance of its next quarterly reimbursement, the PHA would be required to reimburse the family for a prorated share of the applicable reimbursement. PHAs exercising this option must have a hardship policy in place for tenants.

(2) If the PHA elects to pay the utility supplier directly, the PHA must notify the family of the amount paid to the utility supplier.

§ 982.515 Family share: Family responsibility.

(a) The family share is calculated by subtracting the amount of the housing assistance payment from the gross rent.

(b) The family rent to owner is calculated by subtracting the amount of the housing assistance payment to the owner from the rent to owner.

(c) The PHA may not use housing assistance payments or other program funds (including any administrative fee reserve) to pay any part of the family share, including the family rent to owner. Payment of the whole family share is the responsibility of the family.

§ 982.516 Family income and composition: Regular and interim examinations.

(a) *PHA responsibility for reexamination and verification.* (1) The PHA must conduct a reexamination of family income and composition at least annually.

(2) The PHA must obtain and document in the tenant file third party verification of the following factors, or must document in the tenant file why third party verification was not available:

- (i) Reported family annual income;
- (ii) The value of assets;
- (iii) Expenses related to deductions from annual income; and
- (iv) Other factors that affect the determination of adjusted income.

(b) *When PHA conducts interim reexamination.* (1) At any time, the PHA may conduct an interim reexamination of family income and composition.

(2) At any time, the family may request an interim determination of family income or composition because of any changes since the last determination. The PHA must make the interim determination within a reasonable time after the family request.

(3) Interim examinations must be conducted in accordance with policies in the PHA administrative plan.

(c) *Family reporting of change.* The PHA must adopt policies prescribing when and under what conditions the family must report a change in family income or composition.

(d) *Effective date of reexamination.* (1) The PHA must adopt policies prescribing how to determine the effective date of a change in the housing assistance payment resulting from an interim redetermination.

(2) At the effective date of a regular or interim reexamination, the PHA must make appropriate adjustments in the housing assistance payment in accordance with § 982.505.

(e) *Family member income.* Family income must include income of all family members, including family members not related by blood or marriage. If any new family member is added, family income must include any income of the additional family member. The PHA must conduct a reexamination to determine such additional income, and must make appropriate adjustments in the housing assistance payment.

(f) *Accuracy of family income data.* The PHA must establish procedures that are appropriate and necessary to assure that income data provided by applicant or participant families is complete and accurate.

(g) *Execution of release and consent.* (1) As a condition of admission to or continued assistance under the program, the PHA shall require the family head, and such other family members as the PHA designates, to execute a HUD-approved release and consent form (including any release and consent as required under § 5.230 of this title) authorizing any depository or private source of income, or any Federal, State or local agency, to furnish or release to

the PHA or HUD such information as the PHA or HUD determines to be necessary.

(2) The PHA and HUD must limit the use or disclosure of information obtained from a family or from another source pursuant to this release and consent to purposes directly in connection with administration of the program.

§982.516 Family income and composition: Annual and interim examinations.

(a) * * *

(2) Except as provided in paragraph (a)(3) of this section, the PHA must obtain and document in the tenant file third-party verification of the following factors, or must document in the tenant file why third-party verification was not available:

* * * * *

(3) For a family with net assets equal to or less than \$5,000, a PHA may accept a family's declaration that it has net assets equal to or less than \$5,000, without taking additional steps to verify the accuracy of the declaration.

(i) The declaration must state the amount of income the family expects to receive from such assets; this amount must be included in the family's income.

(ii) A PHA must obtain third-party verification of all family assets every 3 years.

(b) Streamlined income determination. For any family member with a fixed source of in-

come, a PHA may elect to determine that family member's income by means of a streamlined income determination. A streamlined income determination must be conducted by applying, for each fixed-income source, the verified cost of living adjustment (COLA) or current rate of interest to the previously verified or adjusted income amount.

(1) Family member with a fixed source of income is defined as a family member whose income includes periodic payments at reasonably predictable levels from one or more of the following sources:

(i) Social Security, Supplemental Security Income, Supplemental Disability Insurance;

(ii) Federal, state, local, or private pension plans;

(iii) Annuities or other retirement benefit programs, insurance policies, disability or death benefits, or other similar types of periodic receipts; or

(iv) Any other source of income subject to adjustment by a verifiable COLA or current rate of interest.

(2) A PHA must use a COLA or current rate of interest specific to the fixed source of income in order to adjust the income amount. The PHA must verify the appropriate COLA or current rate of interest from a public source or through tenant-provided, third party-generated documentation. If no such verification is available, then the PHA must obtain third-party verification of income amounts in order to calculate the change in income for the source.

(3) For any family member whose income is determined pursuant to a streamlined income determination, a PHA must obtain third-party verification of all income amounts every 3 years.

(c) Interim reexaminations. * * *
