EDITORIAL NOTE: At 64 FR 26649, May 14, 1999, §982.516 was amended in paragraph (e) by removing the reference to "and family unit size"; however paragraph (e) does not contain this phrase.

EFFECTIVE DATE NOTE: At 81 FR 12376, March 8, 2016, §982.516 was amended by revising the section heading; revising the introductory text of paragraph (a)(2) and adding paragraph (a)(3) in paragraph (a); removing paragraph (e); redesignating paragraphs (b), (c), and (d) as paragraphs (c), (d), and (e), respectively; adding a new paragraph (b); in redesignated paragraph (c), revising the paragraph heading; and revising redesignated paragraph (e)(2), effective April 7, 2016. For the convenience of the user, the added and revised text is set forth as follows:

§982.516 Family income and composition: Annual and interim examinations.

(a) * * *

(2) Except as provided in paragraph (a)(3) of this section, the PHA must obtain and document in the tenant file third-party verification of the following factors, or must document in the tenant file why third-party verification was not available:

* * * * *

(3) For a family with net assets equal to or less than \$5,000, a PHA may accept a family's declaration that it has net assets equal to or less than \$5,000, without taking additional steps to verify the accuracy of the declaration.

(i) The declaration must state the amount of income the family expects to receive from such assets; this amount must be included in the family's income.

(ii) A PHA must obtain third-party verification of all family assets every 3 years.

(b) Streamlined income determination. For any family member with a fixed source of in-

come, a PHA may elect to determine that family member's income by means of a streamlined income determination. A streamlined income determination must be conducted by applying, for each fixed-income source, the verified cost of living adjustment (COLA) or current rate of interest to the previously verified or adjusted income amount.

(1) Family member with a fixed source of income is defined as a family member whose income includes periodic payments at reasonably predictable levels from one or more of the following sources:

(i) Social Security, Supplemental Security Income, Supplemental Disability Insurance;

(ii) Federal, state, local, or private pension plans;

(iii) Annuities or other retirement benefit programs, insurance policies, disability or death benefits, or other similar types of periodic receipts; or

(iv) Any other source of income subject to adjustment by a verifiable COLA or current rate of interest.

(2) A PHA must use a COLA or current rate of interest specific to the fixed source of income in order to adjust the income amount. The PHA must verify the appropriate COLA or current rate of interest from a public source or through tenant-provided, third party-generated documentation. If no such verification is available, then the PHA must obtain third-party verification of income amounts in order to calculate the change in income for the source.

(3) For any family member whose income is determined pursuant to a streamlined income determination, a PHA must obtain third-party verification of all income amounts every 3 years.

(c) Interim reexaminations. * * *

(2) At the effective date of a regular or interim reexamination, the PHA must make appropriate adjustments in the housing assistance payment in accordance with §982.505.

§982.517 Utility allowance schedule.

(a) Maintaining schedule. (1) The PHA must maintain a utility allowance schedule for all tenant-paid utilities (except telephone), for cost of tenant-supplied refrigerators and ranges, and for other tenant-paid housing services (e.g., trash collection (disposal of waste and refuse)).

(2) The PHA must give HUD a copy of the utility allowance schedule. At

§982.517

24 CFR Ch. IX (4-1-16 Edition)

HUD's request, the PHA also must provide any information or procedures used in preparation of the schedule.

(b) *How allowances are determined.* (1) The utility allowance schedule must be determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the PHA must use normal patterns of consumption for the community as a whole and current utility rates.

(2)(i) a PHA's utility allowance schedule, and the utility allowance for an individual family, must include the utilities and services that are necessary in the locality to provide housing that complies with the housing quality standards. However, the PHA may not provide any allowance for non-essential utility costs, such as costs of cable or satellite television.

(ii) In the utility allowance schedule, the PHA must classify utilities and other housing services according to the following general categories: space heating; air conditioning; cooking; water heating; water; sewer; trash collection (disposal of waste and refuse); other electric; refrigerator (cost of tenant-supplied refrigerator); range (cost of tenant-supplied range); and other specified housing services. The PHA must provide a utility allowance for tenant-paid air-conditioning costs if the majority of housing units in the market provide centrally air-conditioned units or there is appropriate wiring for tenant-installed air conditioners.

(3) The cost of each utility and housing service category must be stated separately. For each of these categories, the utility allowance schedule must take into consideration unit size (by number of bedrooms), and unit types (e.g., apartment, row-house, town house, single-family detached, and manufactured housing) that are typical in the community.

(4) The utility allowance schedule must be prepared and submitted in accordance with HUD requirements on the form prescribed by HUD.

(c) *Revisions of utility allowance schedule.* (1) A PHA must review its schedule of utility allowances each year, and must revise its allowance for a utility

category if there has been a change of 10 percent or more in the utility rate since the last time the utility allowance schedule was revised. The PHA must maintain information supporting its annual review of utility allowances and any revisions made in its utility allowance schedule.

(2) At HUD's direction, the PHA must revise the utility allowance schedule to correct any errors, or as necessary to update the schedule.

(d) *Use of utility allowance schedule.* (1) The PHA must use the appropriate utility allowance for the size of dwelling unit actually leased by the family (rather than the family unit size as determined under the PHA subsidy standards).

(2) At reexamination, the PHA must use the PHA current utility allowance schedule.

(e) *Higher utility allowance as reasonable accommodation for a person with disabilities.* On request from a family that includes a person with disabilities, the PHA must approve a utility allowance which is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation in accordance with 24 CFR part 8 to make the program accessible to and usable by the family member with a disability.

[63 FR 23861, Apr. 30, 1998, as amended at 80 FR 8247, Feb. 17, 2015]

EFFECTIVE DATE NOTE: At 81 FR 12377, March 8, 2016, §982.517 was amended by capitalizing the first word in paragraph (b)(2)(i) and revising paragraph (d), effective April 7, 2016. For the convenience of the user, the revised text is set forth as follows:

§982.517 Utility allowance schedule.

* * * * *

(d) *Use of utility allowance schedule.* The PHA must use the appropriate utility allowance for the lesser of the size of dwelling unit actually leased by the family or the family unit size as determined under the PHA subsidy standards. In cases where the unit size leased exceeds the family unit size

as determined under the PHA subsidy standards as a result of a reasonable accommodation, the PHA must use the appropriate utility allowance for the size of the dwelling unit actually leased by the family.

§ 982.521 Rent to owner in subsidized project.

(a) *Applicability to subsidized project.* This section applies to a program tenancy in any of the following types of federally subsidized project:

- (1) An insured or non-insured Section 236 project;
- (2) A Section 202 project;
- (3) A Section 221(d)(3) below market interest rate (BMIR) project; or
- (4) A Section 515 project of the Rural Development Administration.

(b) *How rent to owner is determined.* The rent to owner is the subsidized rent as determined in accordance with requirements for the applicable federal program listed in paragraph (a) of this section. This determination is not subject to the prohibition against increasing the rent to owner during the initial lease term (see § 982.309).
