free from hazards such as sliding or wind damage.

(b) *Acceptability criteria.* A manufactured home must be securely anchored by a tie-down device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist wind overturning and sliding.

MANUFACTURED HOME SPACE RENTAL

§ 982.622 Manufactured home space rental: Rent to owner.

(a) *What is included.* (1) Rent to owner for rental of a manufactured home space includes payment for maintenance and services that the owner must provide to the tenant under the lease for the space.

(2) Rent to owner does not include the costs of utilities and trash collection for the manufactured home. However, the owner may charge the family a separate fee for the cost of utilities or trash collection provided by the owner.

(b) *Reasonable rent.* (1) During the assisted tenancy, the rent to owner for the manufactured home space may not exceed a reasonable rent as determined in accordance with this section. Section 982.503 is not applicable.

(2) The PHA may not approve a lease for a manufactured home space until the PHA determines that the initial rent to owner for the space is a reasonable rent. At least annually during the assisted tenancy, the PHA must re-determine that the current rent to owner is a reasonable rent.

(3) The PHA must determine whether the rent to owner for the manufactured home space is a reasonable rent in comparison to rent for other comparable manufactured home spaces. To make this determination, the PHA must consider the location and size of the space, and any services and maintenance to be provided by the owner in accordance with the lease (without a fee in addition to the rent).

(4) By accepting each monthly housing assistance payment from the PHA, the owner of the manufactured home space certifies that the rent to owner for the space is not more than rent charged by the owner for unassisted rental of comparable spaces in the same manufactured home park or else-

where. The owner must give the PHA information, as requested by the PHA, on rents charged by the owner for other manufactured home spaces.

§ 982.623 Manufactured home space rental: Housing assistance payment.

(a) There is a separate fair market rent for a manufactured home space. The FMR for a manufactured home space is determined in accordance with § 888.113(e) of this title. The FMR for a manufactured home space is generally 40 percent of the published FMR for a two-bedroom unit.

(b) The payment standard shall be determined in accordance with § 982.505.

(c) The PHA shall pay a monthly housing assistance payment on behalf of the family that is equal to the lower of:

(1) The payment standard minus the total tenant payment; or

(2) The rent paid for rental of the real property on which the manufactured home owned by the family is located ("space rent") minus the total tenant payment.

(d) The space rent is the sum of the following as determined by the PHA:

(1) Rent to owner for the manufactured home space;

(2) Owner maintenance and management charges for the space;

(3) The utility allowance for tenant-paid utilities.

§ 982.624 Manufactured home space rental: Utility allowance schedule.

The PHA must establish utility allowances for manufactured home space rental. For the first twelve months of the initial lease term only, the allowances must include a reasonable amount for utility hook-up charges payable by the family if the family actually incurs the expenses because of a move. Allowances for utility hook-up charges do not apply to a family that leases a manufactured home space in place. Utility allowances for manufactured home space must not cover costs payable by a family to cover the digging of a well or installation of a septic system.
