free from hazards such as sliding or wind damage.

(b) *Acceptability criteria.* A manufactured home must be securely anchored by a tie-down device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist wind overturning and sliding.

**MANUFACTURED HOME SPACE RENTAL**

**§ 982.622 Manufactured home space rental: Rent to owner.**

(a) *What is included.* (1) Rent to owner for rental of a manufactured home space includes payment for maintenance and services that the owner must provide to the tenant under the lease for the space.

(2) Rent to owner does not include the costs of utilities and trash collection for the manufactured home. However, the owner may charge the family a separate fee for the cost of utilities or trash collection provided by the owner.

(b) *Reasonable rent.* (1) During the assisted tenancy, the rent to owner for the manufactured home space may not exceed a reasonable rent as determined in accordance with this section. Section 982.503 is not applicable.

(2) The PHA may not approve a lease for a manufactured home space until the PHA determines that the initial rent to owner for the space is a reasonable rent. At least annually during the assisted tenancy, the PHA must re-determine that the current rent to owner is a reasonable rent.

(3) The PHA must determine whether the rent to owner for the manufactured home space is a reasonable rent in comparison to rent for other comparable manufactured home spaces. To make this determination, the PHA must consider the location and size of the space, and any services and maintenance to be provided by the owner in accordance with the lease (without a fee in addition to the rent).

(4) By accepting each monthly housing assistance payment from the PHA, the owner of the manufactured home space certifies that the rent to owner for the space is not more than rent charged by the owner for unassisted rental of comparable spaces in the same manufactured home park or else-

where. The owner must give the PHA information, as requested by the PHA, on rents charged by the owner for other manufactured home spaces.

**§ 982.623 Manufactured home space rental: Housing assistance payment.**

(a) There is a separate fair market rent for a manufactured home space. The FMR for a manufactured home space is determined in accordance with § 888.113(e) of this title. The FMR for a manufactured home space is generally 40 percent of the published FMR for a two-bedroom unit.

(b) The payment standard shall be determined in accordance with § 982.505.

(c) The PHA shall pay a monthly housing assistance payment on behalf of the family that is equal to the lower of:

(1) The payment standard minus the total tenant payment; or

(2) The rent paid for rental of the real property on which the manufactured home owned by the family is located ("space rent") minus the total tenant payment.

(d) The space rent is the sum of the following as determined by the PHA:

(1) Rent to owner for the manufactured home space;

(2) Owner maintenance and management charges for the space;

(3) The utility allowance for tenant-paid utilities.

**§ 982.624 Manufactured home space rental: Utility allowance schedule.**

The PHA must establish utility allowances for manufactured home space rental. For the first twelve months of the initial lease term only, the allowances must include a reasonable amount for utility hook-up charges payable by the family if the family actually incurs the expenses because of a move. Allowances for utility hook-up charges do not apply to a family that leases a manufactured home space in place. Utility allowances for manufactured home space must not cover costs payable by a family to cover the digging of a well or installation of a septic system.

## HOMEOWNERSHIP OPTION

SOURCE: 65 FR 55163, Sept. 12, 2000, unless otherwise noted.

**§ 982.625 Homeownership option: General.**

(a) The homeownership option is used to assist a family residing in a home purchased and owned by one or more members of the family.

(b) A family assisted under the homeownership option may be a newly admitted or existing participant in the program.

(c) *Forms of homeownership assistance.*

(1) A PHA may provide one of two forms of homeownership assistance for a family:

(i) Monthly homeownership assistance payments; or

(ii) A single downpayment assistance grant.

(2) *Prohibition against combining forms of homeownership assistance.* A family may only receive one form of homeownership assistance. Accordingly, a family that includes a person who was an adult member of a family that previously received either of the two forms of homeownership assistance may not receive the other form of homeownership assistance from any PHA.

(d) *PHA choice to offer homeownership options.* (1) The PHA may choose to offer either or both forms of homeownership assistance under this subpart, or choose not to offer either form of assistance. However, the PHA must offer either form of homeownership assistance if necessary as a reasonable accommodation for a person with disabilities in accordance with § 982.601(b)(3).

(2) It is the sole responsibility of the PHA to determine whether it is reasonable to implement a homeownership program as a reasonable accommodation. The PHA will determine what is reasonable based on the specific circumstances and individual needs of the person with a disability. The PHA may determine that it is not reasonable to offer homeownership assistance as a reasonable accommodation in cases where the PHA has otherwise opted not to implement a homeownership program.

(e) *Family choice.* (1) The family chooses whether to participate in the homeownership option if offered by the PHA.

(2) If the PHA offers both forms of homeownership assistance, the family chooses which form of homeownership assistance to receive.

(f) The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and useable by persons with disabilities in accordance with part 8 of this title. (See § 982.316 concerning occupancy by a live-in aide.)

(g) The PHA must have the capacity to operate a successful Section 8 homeownership program. The PHA has the required capacity if it satisfies either paragraph (g)(1), (g)(2), or (g)(3) of this section.

(1) The PHA establishes a minimum homeowner downpayment requirement of at least 3 percent of the purchase price for participation in its Section 8 homeownership program, and requires that at least one percent of the purchase price come from the family's personal resources;

(2) The PHA requires that financing for purchase of a home under its Section 8 homeownership program:

(i) Be provided, insured, or guaranteed by the state or Federal government;

(ii) Comply with secondary mortgage market underwriting requirements; or

(iii) Comply with generally accepted private sector underwriting standards; or

(3) The PHA otherwise demonstrates in its Annual Plan that it has the capacity, or will acquire the capacity, to successfully operate a Section 8 homeownership program.

(h) *Recapture of homeownership assistance.* A PHA shall not impose or enforce any requirement for the recapture of voucher homeownership assistance on the sale or refinancing of a home purchased with assistance under the homeownership option.

(i) *Applicable requirements.* The following specify what regulatory provisions (under the heading "homeownership option") are applicable to either or both forms of homeownership assistance (except as otherwise specifically provided):
