PART 501—SCOPE OF RULES

Sec.

501.1 Bureau of Prisons emergencies.

501.2 National security cases.

501.3 Prevention of acts of violence and terrorism.

AUTHORITY: 5 U.S.C. 301; 18 U.S.C. 3621, 3622, 3624, 4001, 4042, 4081, 4082 (Repealed in part as to offenses committed on or after November 1, 1987), 4161-4166 (Repealed as to offenses committed on or after November 1, 1987), 5006-5024 (Repealed October 12, 1984 as to offenses committed after that date), 5039; 28 U.S.C. 509, 510.

§ 501.1 Bureau of Prisons emergencies.

(a) *Suspension of rules during an emergency.* The Director of the Bureau of Prisons (Bureau) may suspend operation of the rules in this chapter as necessary to handle an institutional emergency or an emergency affecting the Bureau. When there is an institutional emergency which the Director or Warden considers a threat to human life or safety, the Director or Warden may suspend the operation of the rules in this chapter as necessary to handle the emergency.

(b) *Responsibilities of the Warden—(1) Notifying the Director.* If the Warden suspends operation of the rules, the Warden must, within 24 hours of the suspension or as soon as practicable, notify the Director by providing written documentation which:

(i) Describes the institutional emergency that threatens human life or safety;

§ 501.2

(ii) Sets forth reasons why suspension of the rules is necessary to handle the institutional emergency;

(iii) Estimates how long suspension of the rules will last; and

(iv) Describes criteria which would allow normal rules application to resume.

(2) *Submitting certification to Director of continuing emergency.* 30 days after the Warden suspends operation of the rules, and every 30 days thereafter, the Warden must submit to the Director written certification that an institutional emergency threatening human life or safety and warranting suspension of the rules continues to exist. If the Warden does not submit this certification to the Director, or if the Director so orders at any time, the suspension of the rules will cease.

[70 FR 29191, May 20, 2005]

§ 501.2 National security cases.

(a) Upon direction of the Attorney General, the Director, Bureau of Prisons, may authorize the Warden to implement special administrative measures that are reasonably necessary to prevent disclosure of classified information upon written certification to the Attorney General by the head of a member agency of the United States intelligence community that the unauthorized disclosure of such information would pose a threat to the national security and that there is a danger that the inmate will disclose such information. These special administrative measures ordinarily may include housing the inmate in administrative detention and/or limiting certain privileges, including, but not limited to, correspondence, visiting, interviews with representatives of the news media, and use of the telephone, as is reasonably necessary to prevent the disclosure of classified information. The authority of the Director under this paragraph may not be delegated below the level of Acting Director.

(b) Designated staff shall provide to the affected inmate, as soon as practicable, written notification of the restrictions imposed and the basis for these restrictions. The notice's statement as to the basis may be limited in the interest of prison security or safety or national security. The inmate shall

28 CFR Ch. V (7-1-16 Edition)

sign for and receive a copy of the notification.

(c) Initial placement of an inmate in administrative detention and/or any limitation of the inmate's privileges in accordance with paragraph (a) of this section may be imposed for a period of time as determined by the Director, Bureau of Prisons, up to one year. Special restrictions imposed in accordance with paragraph (a) of this section may be extended thereafter by the Director, Bureau of Prisons, in increments not to exceed one year, but only if the Attorney General receives from the head of a member agency of the United States intelligence community an additional written certification that, based on the information available to the agency, there is a danger that the inmate will disclose classified information and that the unauthorized disclosure of such information would pose a threat to the national security. The authority of the Director under this paragraph may not be delegated below the level of Acting Director.

(d) The affected inmate may seek review of any special restrictions imposed in accordance with paragraph (a) of this section through the Administrative Remedy Program, 28 CFR part 542.

(e) Other appropriate officials of the Department of Justice having custody of persons for whom special administrative measures are required may exercise the same authorities under this section as the Director of the Bureau of Prisons and the Warden.

[62 FR 33732, June 20, 1997, as amended at 66 FR 55065, Oct. 31, 2001]

§ 501.3 Prevention of acts of violence and terrorism.

(a) Upon direction of the Attorney General, the Director, Bureau of Prisons, may authorize the Warden to implement special administrative measures that are reasonably necessary to protect persons against the risk of death or serious bodily injury. These procedures may be implemented upon written notification to the Director, Bureau of Prisons, by the Attorney General or, at the Attorney General's direction, by the head of a federal law enforcement agency, or the head of a member agency of the United States intelligence community, that there is a

substantial risk that a prisoner's communications or contacts with persons could result in death or serious bodily injury to persons, or substantial damage to property that would entail the risk of death or serious bodily injury to persons. These special administrative measures ordinarily may include housing the inmate in administrative detention and/or limiting certain privileges, including, but not limited to, correspondence, visiting, interviews with representatives of the news media, and use of the telephone, as is reasonably necessary to protect persons against the risk of acts of violence or terrorism. The authority of the Director under this paragraph may not be delegated below the level of Acting Director.

(b) Designated staff shall provide to the affected inmate, as soon as practicable, written notification of the restrictions imposed and the basis for these restrictions. The notice's statement as to the basis may be limited in the interest of prison security or safety or to protect against acts of violence or terrorism. The inmate shall sign for and receive a copy of the notification.

(c) Initial placement of an inmate in administrative detention and/or any limitation of the inmate's privileges in accordance with paragraph (a) of this section may be imposed for up to 120 days or, with the approval of the Attorney General, a longer period of time not to exceed one year. Special restrictions imposed in accordance with paragraph (a) of this section may be extended thereafter by the Director, Bureau of Prisons, in increments not to exceed one year, upon receipt by the Director of an additional written notification from the Attorney General, or, at the Attorney General's direction, from the head of a federal law enforcement agency or the head of a member agency of the United States intelligence community, that there continues to be a substantial risk that the inmate's communications or contacts with other persons could result in death or serious bodily injury to persons, or substantial damage to property that would entail the risk of death or serious bodily injury to persons. The authority of the Director under this

paragraph may not be delegated below the level of Acting Director.

(d) In any case where the Attorney General specifically so orders, based on information from the head of a federal law enforcement or intelligence agency that reasonable suspicion exists to believe that a particular inmate may use communications with attorneys or their agents to further or facilitate acts of terrorism, the Director, Bureau of Prisons, shall, in addition to the special administrative measures imposed under paragraph (a) of this section, provide appropriate procedures for the monitoring or review of communications between that inmate and attorneys or attorneys' agents who are traditionally covered by the attorney-client privilege, for the purpose of deterring future acts that could result in death or serious bodily injury to persons, or substantial damage to property that would entail the risk of death or serious bodily injury to persons.

(1) The certification by the Attorney General under this paragraph (d) shall be in addition to any findings or determinations relating to the need for the imposition of other special administrative measures as provided in paragraph (a) of this section, but may be incorporated into the same document.

(2) Except in the case of prior court authorization, the Director, Bureau of Prisons, shall provide written notice to the inmate and to the attorneys involved, prior to the initiation of any monitoring or review under this paragraph (d). The notice shall explain:

(i) That, notwithstanding the provisions of part 540 of this chapter or other rules, all communications between the inmate and attorneys may be monitored, to the extent determined to be reasonably necessary for the purpose of deterring future acts of violence or terrorism;

(ii) That communications between the inmate and attorneys or their agents are not protected by the attorney-client privilege if they would facilitate criminal acts or a conspiracy to commit criminal acts, or if those communications are not related to the seeking or providing of legal advice.

Pt. 503

(3) The Director, Bureau of Prisons, with the approval of the Assistant Attorney General for the Criminal Division, shall employ appropriate procedures to ensure that all attorney-client communications are reviewed for privilege claims and that any properly privileged materials (including, but not limited to, recordings of privileged communications) are not retained during the course of the monitoring. To protect the attorney-client privilege and to ensure that the investigation is not compromised by exposure to privileged material relating to the investigation or to defense strategy, a privilege team shall be designated, consisting of individuals not involved in the underlying investigation. The monitoring shall be conducted pursuant to procedures designed to minimize the intrusion into privileged material or conversations. Except in cases where the person in charge of the privilege team determines that acts of violence or terrorism are imminent, the privilege team shall not disclose any information unless and until such disclosure has been approved by a federal judge.

(e) The affected inmate may seek review of any special restrictions imposed in accordance with paragraph (a) of this section through the Administrative Remedy Program, 28 CFR part 542.

(f) Other appropriate officials of the Department of Justice having custody of persons for whom special administrative measures are required may exercise the same authorities under this section as the Director of the Bureau of Prisons and the Warden.

SOURCE: 64 FR 43881, Aug. 11, 1999, unless otherwise noted.

§ 505.1 Purpose and scope.

This part establishes procedures for the assessment and collection of a fee to cover the cost of incarceration. The Director of the Bureau of Prisons has been delegated the authority of the Attorney General (see 28 CFR 0.96c) to assess and collect a fee imposed by the Bureau in the event the court neither imposes nor waives a fine pursuant to the Sentencing Guidelines 5E1.2(d). For purposes of this part, revocation of parole or supervised release is to be treated as a separate period of incarceration for which a fee may be imposed.

Bureau of Prisons, Justice

§ 506.1

§ 505.2 Annual determination of average cost of incarceration.

Pursuant to 28 CFR 0.96c, the Bureau of Prisons staff is responsible for calculating the annual average cost of incarceration. This calculation is reviewed annually and the revised figure is published as a notice in the FEDERAL REGISTER.

§ 505.3 Inmates exempted from fee assessment.

Inmates who began service of sentence before January 1, 1995, or who have had a fine either imposed or expressly waived by the United States District Court, pursuant to Section 5E1.2 (e) of the United States Sentencing Guidelines, or any successor provisions, are exempt from fee assessment otherwise required by this part.

§ 505.4 Calculation of assessment by unit staff.

Bureau of Prisons Unit Team staff are responsible for computing the amount of the fee to be paid by each inmate who has not been exempted from fee assessment. The inmate will only be assessed an amount once for the cost of incarceration for each separate period of incarceration.

(a) Unit Team staff are to rely exclusively on the information contained in the Presentence Investigation Report and findings and orders of the sentencing court in order to determine the extent of an inmate's assets, liabilities and dependents.

(b) The fee is assessed in accordance with the following formula: If an inmate's assets are equal to or less than the poverty level, as established by the United States Department of Health and Human Services and published annually in the FEDERAL REGISTER, no fee is to be imposed. If an inmate's assets are above the poverty level, Unit Team staff are to impose a fee equal to the inmate's assets above the poverty level up to the average cost to the Bureau of Prisons of confining an inmate for one year.

(c) If the amount of time that the inmate is in custody is less than 334 days (including pretrial custody time), the maximum fee to be imposed is to be computed by prorating the fee on a monthly basis.

§ 505.5 Waiver of fee by Warden.

The Warden may reduce or waive the fee if the inmate establishes that:

(a) He or she is not able and, even with the use of a reasonable installment schedule, is not likely to become able to pay all or part of the fee, or

(b) Imposition of a fee would unduly burden the inmate's dependents.

§ 505.6 Procedures for payment.

Fees imposed pursuant to this part are due and payable after notice of the Unit Team actions. When the inmate participates in the inmate financial responsibility program (see 28 CFR part 545, subpart B), fees are to be included under the category "other federal government obligations" and are to be paid before other financial obligations included in that same category. Fees may be subject to interest charges.

§ 505.7 Procedures for final disposition.

Before the inmate completes his or her sentence, Unit Team staff must review the status of the inmate's fee. Any unpaid amount will be referred for collection in accordance with Federal Claims Collection Standards (4 CFR Chapter II).

Subpart A [Reserved]

28 CFR Ch. V (7–1–16 Edition)

Subpart B—Searching and Detaining or Arresting Non-Inmates

SOURCE: 72 FR 31180, June 6, 2007, unless otherwise noted.

§ 511.10 Purpose and scope.

(a) This subpart facilitates our legal obligations to ensure the safety, security, and orderly operation of Bureau of Prisons (Bureau) facilities, and protect the public. These goals are furthered by carefully managing non-inmates, the objects they bring, and their activities, while inside a Bureau facility or upon the grounds of any Bureau facility (Bureau grounds).

(b) *Purpose*. This subpart covers:

(1) Searching non-inmates and their belongings (for example, bags, boxes, vehicles, containers in vehicles, jackets or coats, etc.) to prevent prohibited objects from entering a Bureau facility or Bureau grounds;

(2) Authorizing, denying, and/or terminating a non-inmate's presence inside a Bureau facility or upon Bureau grounds; and

(3) Authorizing Bureau staff to remove from inside a Bureau facility or upon Bureau grounds, and possibly arrest and detain, non-inmates suspected of engaging in prohibited activity.

(c) *Scope/Application*. This subpart applies to all persons who wish to enter, or are present inside a Bureau facility or upon Bureau grounds, other than inmates in Bureau custody. This subpart applies at all Bureau facilities and Bureau grounds, including administrative offices.

§ 511.11 Prohibited activities.

(a) “Prohibited activities” include any activities that could jeopardize the Bureau's ability to ensure the safety, security, and orderly operation of Bureau facilities, and protect the public, whether or not such activities are criminal in nature.

(b) Examples of “prohibited activities” include, but are not limited to: Introducing, or attempting to introduce, prohibited objects into a Bureau facility or upon Bureau grounds; assisting an escape; and any other conduct that violates criminal laws or is prohibited by federal regulations or Bureau policies.

§ 511.12 Prohibited objects.

(a) "Prohibited objects," as defined in 18 U.S.C. 1791(d)(1), include any objects that could jeopardize the Bureau's ability to ensure the safety, security, and orderly operation of Bureau facilities, and protect the public.

(b) Examples of "prohibited objects" include, but are not limited to, the following items and their related paraphernalia: Weapons; explosives; drugs; intoxicants; currency; cameras of any type; recording equipment; telephones; radios; pagers; electronic devices; and any other objects that violate criminal laws or are prohibited by Federal regulations or Bureau policies.

§ 511.13 Searches before entering, or while inside, a Bureau facility or Bureau grounds.

Bureau staff may search you and your belongings (for example, bags, boxes, vehicles, containers in vehicles, jackets or coats, etc.) before entering, or while inside, any Bureau facilities or Bureau grounds, to keep out prohibited objects.

§ 511.14 Notification of possible search.

We display conspicuous notices at the entrance to all Bureau facilities, informing all non-inmates that they, and their belongings, are subject to search before entering, or while inside, Bureau facilities or grounds. Furthermore, these regulations and Bureau national and local policies provide additional notice that you and your belongings may be searched before entering, or while inside, Bureau facilities or grounds. By entering or attempting to enter a Bureau facility or Bureau grounds, non-inmates consent to being searched in accordance with these regulations and Bureau policy.

§ 511.15 When searches will be conducted.

You and your belongings may be searched, either randomly or based on reasonable suspicion, before entering, or while inside, a Bureau facility or Bureau grounds, as follows:

(a) *Random Searches.* This type of search may occur at any time, and is not based on any particular suspicion that a non-inmate is attempting to

bring a prohibited object into a Bureau facility or Bureau grounds.

(1) Random searches must be impartial and not discriminate among non-inmates on the basis of age, race, religion, national origin, or sex.

(2) Non-inmates will be given the option of either consenting to random searches as a condition of entry, or refusing such searches and leaving Bureau grounds. However, if a non-inmate refuses to submit to a random search and expresses an intent to leave Bureau grounds, he or she may still be required to be searched if "reasonable suspicion" exists as described in paragraph (b) of this section.

(b) *Reasonable Suspicion Searches.* Notwithstanding staff authority to conduct random searches, staff may also conduct *reasonable suspicion* searches to ensure the safety, security, and orderly operation of Bureau facilities, and protect the public. "Reasonable suspicion" exists if a staff member knows of facts and circumstances that warrant rational inferences by a person with correctional experience that a non-inmate may be engaged in, attempting, or about to engage in, criminal or other prohibited activity.

§ 511.16 How searches will be conducted.

You may be searched by any of the following methods before entering, or while inside, a Bureau facility or Bureau grounds:

(a) *Electronically.* (1) You and your belongings may be electronically searched for the presence of contraband, either randomly or upon reasonable suspicion.

(2) Examples of electronic searches include, but are not limited to, metal detectors and ion spectrometry devices.

(b) *Pat Search.* (1) You and your belongings may be pat searched either randomly or upon reasonable suspicion.

(2) A pat search of your person or belongings involves a staff member pressing his/her hands on your outer clothing, or the outer surface of your belongings, to determine whether prohibited objects are present.

(3) Whenever possible, pat searches of your person will be performed by staff members of the same sex. Pat searches

§511.17

may be conducted by staff members of the opposite sex only in emergency situations with the Warden's authorization.

(c) *Visual Search.* You and your belongings may be visually searched as follows:

(1) *Person.* (i) A visual search of your person involves removing all articles of clothing, including religious headwear, to allow a visual (non-tactile) inspection of your body surfaces and cavities.

(ii) Visual searches of your person must always be authorized by the Warden or his/her designee and based on reasonable suspicion; random visual searches are prohibited.

(iii) When authorized, visual searches will be performed discreetly, in a private area away from others, and by staff members of the same sex as the non-inmate being searched. Visual searches may be conducted by staff members of the opposite sex in emergency situations with the Warden's authorization.

(iv) Body cavity (tactile) searches of non-inmates are prohibited.

(2) *Belongings.* A visual search of your belongings involves opening and exposing all contents for visual and manual inspection, and may be done either as part of a random search or with reasonable suspicion.

(d) *Drug Testing.* (1) You may be tested for use of intoxicating substances by any currently reliable testing method, including, but not limited to, breathalyzers and urinalysis.

(2) Drug testing must always be authorized by the Warden or his/her designee and must be based on reasonable suspicion that you are under the influence of an intoxicating substance upon entering, or while inside, a Bureau facility or Bureau grounds.

(3) Searches of this type will always be performed discreetly, in a private area away from others, and by staff members adequately trained to perform the test. Whenever possible, urinalysis tests will be conducted by staff members of the same sex as the non-inmate being tested. Urinalysis tests may be conducted by staff members of the opposite sex only in emergency situations with the Warden's authorization.

28 CFR Ch. V (7-1-16 Edition)

§511.17 When a non-inmate will be denied entry to or required to leave a Bureau facility or Bureau grounds.

At the Warden's, or his/her designee's, discretion, and based on this subpart, you may be denied entry to, or required to leave, a Bureau facility or Bureau grounds if:

(a) You refuse to be searched under this subpart; or

(b) There is reasonable suspicion that you may be engaged in, attempting, or about to engage in, prohibited activity that jeopardizes the Bureau's ability to ensure the safety, security, and orderly operation of its facilities, or protect the public. "Reasonable suspicion," for this purpose, may be based on the results of a search conducted under this subpart, or any other reliable information.

§511.18 When Bureau staff can arrest and detain a non-inmate.

(a) You may be arrested and detained by Bureau staff anytime there is probable cause indicating that you have violated or attempted to violate applicable criminal laws while at a Bureau facility, as authorized by 18 U.S.C. 3050.

(b) "Probable cause" exists when specific facts and circumstances lead a reasonably cautious person (not necessarily a law enforcement officer) to believe a violation of criminal law has occurred, and warrants consideration for prosecution.

(c) Non-inmates arrested by Bureau staff under this regulation will be physically secured, using minimally necessary force and restraints, in a private area of the facility away from others. Appropriate law enforcement will be immediately summoned to investigate the incident, secure evidence, and commence criminal prosecution.

Subpart B—Research

SOURCE: 59 FR 13860, Mar. 23, 1994, unless otherwise noted.

§ 512.10 Purpose and scope.

General provisions for the protection of human subjects during the conduct of research are contained in 28 CFR part 46. The provisions of this subpart B specify additional requirements for prospective researchers (both employees and non-employees) to obtain approval to conduct research within the Bureau of Prisons (Bureau) and responsibilities of Bureau staff in processing proposals and monitoring research projects. Although some research may be exempt from 28 CFR part 46 under § 46.101(b)(5), as determined by the Office of Research and Evaluation (ORE) of the Bureau, no research is exempt from 28 CFR part 512. For the purpose of this subpart, implementation of Bureau programmatic or operational initiatives made through pilot projects is not considered to be research.

[59 FR 13860, Mar. 23, 1994, as amended at 62 FR 6661, Feb. 12, 1997]

§ 512.11 Requirements for research projects and researchers.

(a) Except as provided for in paragraph (b) of this section, the Bureau requires the following:

- (1) In all research projects the rights, health, and human dignity of individuals involved must be respected.
- (2) The project must have an adequate research design and contribute

to the advancement of knowledge about corrections.

(3) The project must not involve medical experimentation, cosmetic research, or pharmaceutical testing.

(4) The project must minimize risk to subjects; risks to subjects must be reasonable in relation to anticipated benefits. The selection of subjects within any one institution must be equitable. When applicable, informed consent must be sought and documented (see §§ 512.15 and 512.16).

(5) Incentives may not be offered to help persuade inmate subjects to participate. However, soft drinks and snacks to be consumed at the test setting may be offered. Reasonable accommodations such as nominal monetary recompense for time and effort may be offered to non-confined research subjects who are both:

- (i) No longer in Bureau of Prisons custody, and
- (ii) Participating in authorized research being conducted by Bureau employees or contractors.

(6) The researcher must have academic preparation or experience in the area of study of the proposed research.

(7) The researcher must assume responsibility for actions of any person engaged to participate in the research project as an associate, assistant, or subcontractor to the researcher.

(8) Except as noted in the informed consent statement to the subject, the researcher must not provide research information which identifies a subject to any person without that subject's prior written consent to release the information. For example, research information identifiable to a particular individual cannot be admitted as evidence or used for any purpose in any action, suit or other judicial, administrative, or legislative proceeding without the written consent of the individual to whom the data pertains.

(9) The researcher must adhere to applicable provisions of the Privacy Act of 1974 and regulations pursuant to this Act.

(10) The research design must be compatible with both the operation of prison facilities and protection of human subjects. The researcher must observe the rules of the institution or

§512.12

28 CFR Ch. V (7-1-16 Edition)

office in which the research is conducted.

(11) Any researcher who is a non-employee of the Bureau must sign a statement in which the researcher agrees to adhere to the provisions of this subpart.

(12) Except for computerized data records maintained at an official Department of Justice site, records which contain nondisclosable information directly traceable to a specific person may not be stored in, or introduced into, an electronic retrieval system.

(13) If the researcher is conducting a study of special interest to the Office of Research and Evaluation (ORE), but the study is not a joint project involving ORE, the researcher may be asked to provide ORE with the computerized research data, not identifiable to individual subjects, accompanied by detailed documentation. These arrangements must be negotiated prior to the beginning of the data collection phase of the project.

(14) The researcher must submit planned methodological changes in a research project to the IRB for approval, and may be required to revise study procedures in accordance with the new methodology.

(b) Requests from Federal agencies, the Congress, the Federal judiciary, or State or local governments to collect information about areas for which they are responsible and requests by private organizations for organizational rather than personal information from Bureau staff shall be reviewed by ORE to determine which provisions of this subpart may be waived without jeopardizing the safety of human subjects. ORE shall document in writing the waiver of any specific provision along with the justification.

[62 FR 6661, Feb. 12, 1997]

§512.12 Content of research proposal.

When submitting a research proposal, the applicant shall provide the following information:

(a) A summary statement which includes:

- (1) Name(s) and current affiliation(s) of the researcher(s);

(9) Indication of risk or discomfort involved as a result of participation.

(b) A comprehensive statement which includes:

- (1) Review of related literature;
- (2) Detailed description of the research method;
- (3) Significance of anticipated results and their contribution to the advancement of knowledge;
- (4) Specific resources required from the Bureau;

(5) Description of all possible risks, discomforts, and benefits to individual subjects or a class of subjects, and a discussion of the likelihood that the risks and discomforts will actually occur;

(6) Description of steps taken to minimize any risks described in (b)(5) of this section.

(7) Description of physical and/or administrative procedures to be followed to:

- (i) Ensure the security of any individually identifiable data that are being collected for the project, and
- (ii) Destroy research records or remove individual identifiers from those records when the research has been completed.

(8) Description of any anticipated effects of the research project on institutional programs and operations; and

(9) Relevant research materials such as vitae, endorsements, sample informed consent statements, questionnaires, and interview schedules.

(c) A statement regarding assurances and certification required by 28 CFR part 46, if applicable.

§512.13 Institutional Review Board.

(a) The Bureau of Prisons' central institutional review board shall be called the Bureau Research Review Board (BRRB). It shall consist of the Chief, ORE, at least four other members, and one alternate, appointed by the Director, and shall meet a sufficient number of times to insure that each project covered by 28 CFR part 46 receives an annual review. A majority of members

Bureau of Prisons, Justice

§ 512.15

shall not be Bureau employees. The BRRB shall include an individual with legal expertise and a representative for inmates whom the Director determines is able to identify with inmate concerns and evaluate objectively a research proposal's impact on, and relevance to, inmates and to the correctional process.

(b) The Chief, ORE, shall serve as chairperson of the BRRB. If a potential conflict of interest exists for the BRRB chairperson on a particular research proposal, the Assistant Director, Information, Policy, and Public Affairs Division, shall appoint another individual to serve as chairperson on matters pertaining to that project.

§ 512.14 Submission and processing of proposal.

(a) An applicant may submit a preliminary research proposal for review by the Office of Research and Evaluation, Federal Bureau of Prisons, 320 First Street, NW., Washington, DC 20534. Staff response to the preliminary proposal does not constitute a final decision.

(b) If the study is to be conducted at only one institution, the applicant shall submit a formal proposal to the warden of that institution. Proposal processing will be as follows:

(1) The warden shall appoint a local research review board to consult with operational staff, to evaluate the proposal for compliance with research policy, and to make recommendations to the warden. The local research review board is encouraged, but not required, to meet the membership requirements of an IRB, as specified in 28 CFR part 46.

(2) The warden shall review the comments of the board, make a recommendation regarding the proposal, and forward the proposal package to the Regional Director, with a copy to the Chief, ORE.

(3) The Regional Director shall review the proposal and forward recommendations to the Chief, ORE.

(c) If the study is to be conducted at more than one institution or at any other Bureau location, the applicant shall submit the research proposal to the Chief, Office of Research and Evaluation, Federal Bureau of Prisons, 320

First Street, NW., Washington, DC 20534. The Chief, ORE, shall determine an appropriate review process.

(d) All formal proposals will be reviewed by the BRRB.

(e) The BRRB chairperson may exercise the authority of the full BRRB under an expedited review process when another official IRB (either within or outside the Bureau) has approved the research, or when, in his/her judgment, the research proposal meets the minimal risk standard and involves only the following:

(1) The study of existing data, documents, or records; and/or

(2) The study of individual or group behavior or characteristics of individuals, where the investigator does not manipulate subjects' behavior and the research will not involve stress to subjects. Such research would include test development and studies of perception, cognition, or game theory. If a proposal is processed under expedited review, the BRRB chairperson must document in writing the reason for that determination.

(f) The Chief, ORE, shall review all recommendations made and shall submit them in writing to the Director, Bureau of Prisons.

(g) The Director, Bureau of Prisons, has final authority to approve or disapprove all research proposals. The Director may delegate this authority to the Assistant Director, Information, Policy, and Public Affairs Division.

(h) The approving authority shall notify in writing the involved region(s), institution(s), and the prospective researcher of the final decision on a research proposal.

[59 FR 13860, Mar. 23, 1994, as amended at 62 FR 6661, Feb. 12, 1997]

§ 512.15 Access to Bureau of Prisons records.

(a) Employees, including consultants, of the Bureau who are conducting authorized research projects shall have access to those records relating to the subject which are necessary to the purpose of the research project without having to obtain the subject's consent.

(b) A non-employee of the Bureau is limited in access to information available under the Freedom of Information Act (5 U.S.C. 552).

§512.16

28 CFR Ch. V (7-1-16 Edition)

(c) A non-employee of the Bureau may receive records in a form not individually identifiable when advance adequate written assurance that the record will be used solely as a statistical research or reporting record is provided to the agency (5 U.S.C. 552a(b)(5)).

§512.16 Informed consent.

(a) Before commencing a research project requiring participation by staff or inmates, the researcher shall give each participant a written informed consent statement containing the following information:

(1) Identification of the principal investigator(s);

(2) Objectives of the research project;

(3) Procedures to be followed in the conduct of research;

(4) Purpose of each procedure;

(5) Anticipated uses of the results of the research;

(6) A statement of benefits reasonably to be expected;

(7) A declaration concerning discomfort and risk, including a description of anticipated discomfort and risk;

(8) A statement that participation is completely voluntary and that the participant may withdraw consent and end participation in the project at any time without penalty or prejudice (the inmate will be returned to regular assignment or activity by staff as soon as practicable);

(9) A statement regarding the confidentiality of the research information and exceptions to any guarantees of confidentiality required by federal or state law. For example, a researcher may not guarantee confidentiality when the subject indicates an intent to commit future criminal conduct or harm himself/herself or someone else, or, if the subject is an inmate, indicates an intent to leave the facility without authorization.

(10) A statement that participation in the research project will have no effect on the inmate participant's release date or parole eligibility;

(11) An offer to answer questions about the research project; and

(12) Appropriate additional information as needed to describe adequately the nature and risks of the research.

(b) A researcher who is an employee of the Bureau shall include in the informed consent statement a declaration of the authority under which the research is conducted.

(c) A researcher who is an employee of the Bureau, in addition to presenting the statement of informed consent to the subject, shall also obtain the subject's signature on the statement of informed consent, when:

(1) The subject's activity requires something other than response to a questionnaire or interview; or

(2) The Chief, ORE, determines the research project or data-collection instrument is of a sensitive nature.

(d) A researcher who is a non-employee of the Bureau, in addition to presenting the statement of informed consent to the subject, shall also obtain the subject's signature on the statement of informed consent prior to initiating the research activity. The researcher may not be required to obtain the signature if the researcher can demonstrate that the only link to the subject's identity is the signed statement of informed consent or that there is significantly more risk to the subject if the statement is signed. The signed statement shall be submitted to the chairperson of the appropriate local research review board.

§512.17 Monitoring approved research projects.

The BRRB shall monitor all research projects for compliance with Bureau policies. At a minimum, yearly reviews will be conducted.

§512.18 Termination or suspension.

The Director, Bureau of Prisons, may suspend or terminate a research project if it is believed that the project violates research policy or that its continuation may prove detrimental to the inmate population, the staff, or the orderly operation of the institution.

§512.19 Reports.

The researcher shall prepare reports of progress on the research and at least one report of findings.

(a) At least once a year, the researcher shall provide the Chief, ORE, with a report on the progress of the research.

(b) At least 12 working days before any report of findings is to be released, the researcher shall distribute one copy of the report to each of the following: the chairperson of the BRRB, the regional director, and the warden of each institution which provided data or assistance. The researcher shall include an abstract in the report of findings.

§ 512.20 Publication of results of research project.

(a) A researcher may publish in book form and professional journals the results of any research project conducted under this subpart.

(1) In any publication of results, the researcher shall acknowledge the Bureau's participation in the research project.

(2) The researcher shall expressly disclaim approval or endorsement of the published material as an expression of the policies or views of the Bureau.

(b) Prior to submitting for publication the results of a research project conducted under this subpart, the researcher shall provide two copies of the material, for informational purposes only, to the Chief, Office of Research and Evaluation, Central Office, Bureau of Prisons.

§ 512.21 Copyright provisions.

(a) An employee of the Bureau may not copyright any work prepared as part of his/her official duties.

(b) As a precondition to the conduct of research under this subpart, a non-employee shall grant in writing to the Bureau a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, translate, and otherwise use and authorize others to publish and use original materials developed as a result of research conducted under this subpart.

(c) Subject to a royalty-free, non-exclusive and irrevocable license, which the Bureau of Prisons reserves, to reproduce, publish, translate, and otherwise use and authorize others to publish and use such materials, a non-employee may copyright original mate-

rials developed as a result of research conducted under this subpart.

GENERAL PROVISIONS AND PROCEDURES

§ 513.30 Purpose and scope.

This subpart establishes procedures for the release of requested records in possession of the Federal Bureau of Prisons ("Bureau"). It is intended to implement provisions of the Freedom of Information Act (FOIA), 5 U.S.C. 552, and the Privacy Act, 5 U.S.C. 552a, and to supplement Department of Justice (DOJ) regulations concerning the production or disclosure of records or information, 28 CFR part 16.

§ 513.31 Limitations.

(a) *Social Security Numbers.* As of September 27, 1975, Social Security Numbers may not be used in their entirety as a method of identification for any Bureau record system, unless such use is authorized by statute or by regulation adopted prior to January 1, 1975.

(b) *Employee records.* Access and amendment of employee personnel records under the Privacy Act are governed by Office of Personnel Management regulations published in 5 CFR part 297 and by Department of Justice regulations published in 28 CFR part 16.

§ 513.32 Guidelines for disclosure.

The Bureau provides for the disclosure of agency information pursuant to applicable laws, e.g. the Freedom of Information Act (5 U.S.C. 552), and the Privacy Act (5 U.S.C. 552a).

§ 513.33 Production of records in court.

Bureau records are often sought by subpoena, court order, or other court demand, in connection with court proceedings. The Attorney General has directed that these records may not be produced in court without the approval of the Attorney General or his or her

designee. The guidelines are set forth in 28 CFR part 16, subpart B.

§ 513.34 Protection of individual privacy—disclosure of records to third parties.

(a) Information that concerns an individual and is contained in a system of records maintained by the Bureau shall not be disclosed to any person, or to another agency except under the provisions of the Privacy Act, 5 U.S.C. 552a, the Freedom of Information Act, 5 U.S.C. 552, and Departmental regulations.

INMATE REQUESTS TO INSTITUTION FOR INFORMATION

§ 513.40 Inmate access to Inmate Central File.

Inmates are encouraged to use the simple access procedures described in this section to review disclosable records maintained in his or her Inmate Central File, rather than the FOIA procedures described in §§ 513.60 through 513.68 of this subpart. Disclosable records in the Inmate Central File include, but are not limited to, documents relating to the inmate's

§513.41

28 CFR Ch. V (7-1-16 Edition)

sentence, detainer, participation in Bureau programs such as the Inmate Financial Responsibility Program, classification data, parole information, mail, visits, property, conduct, work, release processing, and general correspondence. This information is available without filing a FOIA request. If any information is withheld from the inmate, staff will provide the inmate with a general description of that information and also will notify the inmate that he or she may file a FOIA request.

(a) *Inmate review of his or her Inmate Central File.* An inmate may at any time request to review all disclosable portions of his or her Inmate Central File by submitting a request to a staff member designated by the Warden. Staff are to acknowledge the request and schedule the inmate, as promptly as is practical, for a review of the file at a time which will not disrupt institution operations.

(b) *Procedures for inmate review of his or her Inmate Central File.* (1) Prior to the inmate's review of the file, staff are to remove the Privacy Folder which contains documents withheld from disclosure pursuant to §513.32.

(2) During the file review, the inmate is to be under direct and constant supervision by staff. The staff member monitoring the review shall enter the date of the inmate's file review on the Inmate Activity Record and initial the entry. Staff shall ask the inmate to initial the entry also, and if the inmate refuses to do so, shall enter a notation to that effect.

(3) Staff shall advise the inmate if there are documents withheld from disclosure and, if so, shall advise the inmate of the inmate's right under the provisions of §513.61 to make a FOIA request for the withheld documents.

§513.41 Inmate access to Inmate Central File in connection with parole hearings.

A parole-eligible inmate (an inmate who is currently serving a sentence for an offense committed prior to November 1, 1987) may review disclosable portions of the Inmate Central File prior to the inmate's parole hearing, under the general procedures set forth in

§513.40. In addition, the following guidelines apply:

(a) A parole-eligible inmate may request to review his or her Inmate Central File by submitting the appropriate Parole Commission form. This form ordinarily shall be available to each eligible inmate within five work days after a list of eligible inmates is prepared.

(b) Bureau staff ordinarily shall schedule an eligible inmate for a requested Inmate Central File review within seven work days of the request after the inmate has been scheduled for a parole hearing. A reasonable extension of time is permitted for documents which have been provided (prior to the inmate's request) to originating agencies for clearance, or which are otherwise not available at the institution.

(c) A report received from another agency which is determined to be nondisclosable (see §513.40(b)) will be summarized by that agency, in accordance with Parole Commission regulations. Bureau staff shall place the summary in the appropriate disclosable section of the Inmate Central File. The original report (or portion which is summarized in another document) will be placed in the portion of the Privacy File for Joint Use by the Bureau and the Parole Commission.

(d) Bureau documents which are determined to be nondisclosable to the inmate will be summarized for the inmate's review. A copy of the summary will be placed in the disclosable section of the Inmate Central File. The document from which the summary is taken will be placed in the Joint Use Section of the Privacy Folder. Nondisclosable documents not summarized for the inmate's review are not available to the Parole Commission and are placed in a nondisclosable section of the Inmate Central File.

(e) When no response regarding disclosure has been received from an originating agency in time for inmate review prior to the parole hearing, Bureau staff are to inform the Parole Commission Hearing Examiner.

Bureau of Prisons, Justice

§ 513.50

§ 513.42 Inmate access to medical records.

(a) Except for the limitations of paragraphs (c) and (d) of this section, an inmate may review records from his or her medical file (including dental records) by submitting a request to a staff member designated by the Warden.

(b) Laboratory reports which contain only scientific testing results and which contain no staff evaluation or opinion (such as Standard Form 514A, Urinalysis) are ordinarily disclosable. Lab results of HIV testing may be reviewed by the inmate. However, an inmate may not retain a copy of his or her test results while the inmate is confined in a Bureau facility or a Community Corrections Center. A copy of an inmate's HIV test results may be forwarded to a third party outside the institution and chosen by the inmate, provided that the inmate gives written authorization for the disclosure.

(c) Medical records containing subjective evaluations and opinions of medical staff relating to the inmate's care and treatment will be provided to the inmate only after the staff review required by paragraph (d) of this section. These records include, but are not limited to, outpatient notes, consultation reports, narrative summaries or reports by a specialist, operative reports by the physician, summaries by specialists as the result of laboratory analysis, or in-patient progress reports.

(d) Prior to release to the inmate, records described in paragraph (c) of this section shall be reviewed by staff to determine if the release of this information would present a harm to either the inmate or other individuals. Any records determined not to present a harm will be released to the inmate at the conclusion of the review by staff. If any records are determined by staff not to be releasable based upon the presence of harm, the inmate will be so advised in writing and provided the address of the agency component to which the inmate may address a formal request for the withheld records. An accounting of any medical records will be maintained in the inmate's medical file.

§ 513.43 Inmate access to certain Bureau Program Statements.

Inmates are encouraged to use the simple local access procedures described in this section to review certain Bureau Program Statements, rather than the FOIA procedures described in §§ 513.60 through 513.68 of this subpart.

(a) For a current Bureau Program Statement containing rules (regulations published in the FEDERAL REGISTER and codified in 28 CFR), local access is available through the institution law library.

(b) For a current Bureau Program Statement not containing rules (regulations published in the FEDERAL REGISTER and codified in 28 CFR), inmates may request that it be placed in the institution law library. Placement of a requested Program Statement in the law library is within the discretion of the Warden, based upon local institution conditions.

(c) Inmates are responsible for the costs of making personal copies of any Program Statements maintained in the institution law library. For copies of Program Statements obtained under the FOIA procedures described in §§ 513.60 through 513.68 of this subpart, fees will be calculated in accordance with 28 CFR 16.10.

§ 513.44 Fees for copies of Inmate Central File and Medical Records.

Within a reasonable time after a request, Bureau staff are to provide an inmate personal copies of requested disclosable documents maintained in the Inmate Central File and Medical Record. Fees for the copies are to be calculated in accordance with 28 CFR 16.10.

PRIVACY ACT REQUESTS FOR INFORMATION

§ 513.50 Privacy Act requests by inmates.

Because inmate records are exempt from disclosure under the Privacy Act (see 28 CFR 16.97), inmate requests for records under the Privacy Act will be processed in accordance with the FOIA. See §§ 513.61 through 513.68.

§513.60

FREEDOM OF INFORMATION ACT REQUESTS FOR INFORMATION

§513.60 Freedom of Information Act requests.

Requests for any Bureau record (including Program Statements and Operations Memoranda) ordinarily shall be processed pursuant to the Freedom of Information Act, 5 U.S.C. 552. Such a request must be made in writing and addressed to the Director, Federal Bureau of Prisons, 320 First Street, NW., Washington, D.C. 20534. The requester shall clearly mark on the face of the letter and the envelope "FREEDOM OF INFORMATION REQUEST," and shall clearly describe the records sought. See §§513.61 through 513.63 for additional requirements.

§513.61 Freedom of Information Act requests by inmates.

(a) Inmates are encouraged to use the simple access procedures described in §513.40 to review disclosable records maintained in his or her Inmate Central File.

(b) An inmate may make a request for access to documents in his or her Inmate Central File or Medical File (including documents which have been withheld from disclosure during the inmate's review of his or her Inmate Central File pursuant to §513.40) and/or other documents concerning the inmate which are not contained in the Inmate Central File or Medical File. Staff shall process such a request pursuant to the applicable provisions of the Freedom of Information Act, 5 U.S.C. 552.

(c) The inmate requester shall clearly mark on the face of the letter and on the envelope "FREEDOM OF INFORMATION ACT REQUEST", and shall clearly describe the records sought, including the approximate dates covered by the record. An inmate making such a request must provide his or her full name, current address, date and place of birth. In addition, if the inmate requests documents to be sent to a third party, the inmate must provide with the request an example of his or her signature, which must be verified and dated within three (3) months of the date of the request.

28 CFR Ch. V (7-1-16 Edition)

§513.62 Freedom of Information Act requests by former inmates.

Former federal inmates may request copies of their Bureau records by writing to the Director, Federal Bureau of Prisons, 320 First Street, NW., Washington, D.C. 20534. Such requests shall be processed pursuant to the provisions of the Freedom of Information Act. The request must be clearly marked on the face of the letter and on the envelope "FREEDOM OF INFORMATION ACT REQUEST", and must describe the record sought, including the approximate dates covered by the record. A former inmate making such a request must provide his or her full name, current address, date and place of birth. In addition, the requester must provide with the request an example of his or her signature, which must be either notarized or sworn under penalty of perjury, and dated within three (3) months of the date of the request.

§513.63 Freedom of Information Act requests on behalf of an inmate or former inmate.

A request for records concerning an inmate or former inmate made by an authorized representative of that inmate or former inmate will be treated as in §513.61, on receipt of the inmate's or former inmate's written authorization. This authorization must be dated within three (3) months of the date of the request letter. Identification data, as listed in 28 CFR 16.41, must be provided.

§513.64 Acknowledgment of Freedom of Information Act requests.

(a) All requests for records under the Freedom of Information Act received by the FOI/PA Administrator, Office of General Counsel, will be reviewed and may be forwarded to the appropriate Regional Office for proper handling. Requests for records located at a Bureau facility other than the Central Office or Regional Office may be referred to the appropriate staff at that facility for proper handling.

(b) The requester shall be notified of the status of his or her request by the office with final responsibility for processing the request.

Bureau of Prisons, Justice

§ 513.68

§ 513.65 Review of documents for Freedom of Information Act requests.

If a document is deemed to contain information exempt from disclosure, any reasonably segregable portion of the record shall be provided to the requester after deletion of the exempt portions. If documents, or portions of documents, in an Inmate Central File have been determined to be nondisclosable by institution staff but are later released by Regional or Central Office staff pursuant to a request under this section, appropriate instructions will be given to the institution to move those documents, or portions, from the Inmate Privacy Folder into the disclosable section of the Inmate Central File.

§ 513.66 Denials and appeals of Freedom of Information Act requests.

If a request made pursuant to the Freedom of Information Act is denied in whole or in part, a denial letter must be issued and signed by the Director or his or her designee, and shall

state the basis for denial under § 513.32. The requester who has been denied such access shall be advised that he or she may appeal that decision to the Office of Information and Privacy, U.S. Department of Justice, Suite 570, Flag Building, Washington, D.C. 20530. Both the envelope and the letter of appeal itself should be clearly marked: "Freedom of Information Act Appeal."

§ 513.67 Fees for Freedom of Information Act requests.

Fees for copies of records disclosed under the FOIA, including fees for a requester's own records, may be charged in accordance with Department of Justice regulations contained in 28 CFR 16.10.

§ 513.68 Time limits for responses to Freedom of Information Act requests.

Consistent with sound administrative practice and the provisions of 28 CFR 16.1, the Bureau strives to comply with the time limits set forth in the Freedom of Information Act.

Subpart A [Reserved]

Subpart B—Civil Contempt of Court Commitments

SOURCE: 70 FR 67092, Nov. 4, 2005, unless otherwise noted.

§ 522.10 Purpose.

(a) This subpart describes the procedures for federal civil contempt of court commitments (civil contempt commitments) referred to the Bureau of Prisons (Bureau). These cases are not commitments to the custody of the Attorney General for service of terms of imprisonment following criminal convictions.

(b) We cooperate with the federal courts to implement civil contempt commitments by making our facilities and resources available. When we receive notification from the federal court that the reason for the civil contempt commitment has ended or that the inmate is to be released for any other reason, we will terminate the inmate's civil contempt commitment.

§ 522.11 Civil contempt commitments.

Inmates can come into Bureau custody for civil contempt commitments in two ways:

(a) The U.S. Marshals Service may request a designation from the Bureau for a civil contempt commitment if local jails are not suitable due to medical, security or other reasons; or

(b) The committing court may specify a Bureau institution as the place of incarceration in its contempt order. We will designate the facility specified in the court order unless there is a reason for not placing the inmate in that facility.

§ 522.12 Relationship between existing criminal sentences imposed under the U.S. or D.C. Code and new civil contempt commitment orders.

If a criminal sentence imposed under the U.S. Code or D.C. Code exists when a civil contempt commitment is ordered, we delay or suspend credit towards service of the criminal sentence for the duration of the civil contempt commitment, unless the committing judge orders otherwise.

§ 522.13 Relationship between existing civil contempt commitment orders and new criminal sentences imposed under the U.S. or D.C. Code.

(a) Except as stated in (b), if a civil contempt commitment order is in effect when a criminal sentence of imprisonment is imposed under the U.S. or D.C. Code, the criminal sentence runs consecutively to the commitment order, unless the sentencing judge orders otherwise.

(b) *For federal criminal sentences imposed for offenses committed before November 1, 1987, under 18 U.S.C. Chapter 227:* If a civil contempt commitment order is in effect when a criminal sentence of imprisonment is imposed, the criminal sentence runs concurrent with the commitment order, unless the sentencing judge orders otherwise.

§ 522.14 Inmates serving civil contempt commitments.

We treat inmates serving civil contempt commitments in Bureau institutions the same as pretrial inmates. If an inmate is serving a civil contempt commitment and a concurrent criminal sentence, we treat the inmate the same as a person serving a criminal sentence.

§ 522.15 No good time credits for inmates serving only civil contempt commitments.

While serving only the civil contempt commitment, an inmate is not entitled to good time sentence credit.

Subpart C—Intake Screening

§ 522.20 Purpose and scope.

Bureau of Prisons staff screen newly arrived inmates to ensure that Bureau health, safety, and security standards are met.

[45 FR 44229, June 30, 1980]

§ 522.21 Procedures.

(a) Except for such camps and other satellite facilities where segregating a newly arrived inmate in detention is not feasible, the Warden shall ensure that a newly arrived inmate is cleared by the Medical Department and provided a social interview by staff before assignment to the general population.

(1) Immediately upon an inmate's arrival, staff shall interview the inmate to determine if there are non-medical reasons for housing the inmate away from the general population. Staff shall evaluate both the general physical appearance and emotional condition of the inmate.

(2) Within 24 hours after an inmate's arrival, medical staff shall medically screen the inmate in compliance with Bureau of Prisons' medical procedures to determine if there are medical reasons for housing the inmate away from the general population or for restricting temporary work assignments.

(3) Staff shall place recorded results of the intake medical screening and the social interview in the inmate's central file.

[45 FR 44229, June 30, 1980]

Subpart D—Unescorted Transfers and Voluntary Surrenders

§ 522.30 Purpose and scope.

When the court orders or recommends an unescorted commitment to a Bureau of Prisons institution, the Bureau of Prisons authorizes the commitment and designates the institution for service of sentence. The Bureau of Prisons also authorizes furlough transfers of inmates between Bureau of Prisons institutions or to nonfederal institutions in appropriate circumstances in accordance with 18 U.S.C. 3622 or 4082, and within the guidelines of the Bureau of Prisons policy on furloughs, which allows inmates to travel unescorted and to report voluntarily to an assigned institution.

SOURCE: 54 FR 32028, Aug. 3, 1989, unless otherwise noted.

Subpart A—Good Time**§ 523.1 Definitions.**

(a) *Statutory good time* means a credit to a sentence as authorized by 18 U.S.C. 4161. The total amount of statutory good time which an inmate is entitled to have deducted on any given sentence, or aggregate of sentences, is calculated and credited in advance, when the sentence is computed.

(b) *Extra good time* means a credit to a sentence as authorized by 18 U.S.C. 4162 for performing exceptionally meritorious service or for performing duties of outstanding importance in an institution or for employment in a Federal Prison Industry or Camp. “Extra Good Time” thus includes Meritorious Good Time, Work/Study Release Good Time, Community Corrections Center Good Time, Industrial Good Time, Camp or Farm Good Time, and Lump Sum Awards. Extra good time and seniority are inseparable with the exception of lump sum awards for which no seniority is earned.

(c) *Seniority* refers to the time accrued in an extra good time earning status. Twelve months of “seniority” automatically cause the earning rate to increase from three days per month to five days per month and seniority is then vested.

(d) *Earning status* refers to the status of an inmate who is in an assignment or employment which accrues extra good time.

§ 523.2 Good time credit for violators.

(a) An inmate conditionally released from imprisonment either by parole or mandatory release can earn statutory good time, upon being returned to custody for violation of supervised release, based on the number of days remaining to be served on the sentence. The rate of statutory good time for the violator term is computed at the rate of the total sentence from which released.

(b) An inmate whose special parole term is revoked can earn statutory good time based on the number of days remaining to be served on the special parole violator term. The rate of statutory good time for the violator term is computed at the rate of the initial special parole term plus the total sentence that was served prior to the special parole term and to which the special parole term was attached.

(c) Once an inmate is conditionally released from imprisonment, either by parole, including special parole, or mandatory release, the good time earned (extra or statutory) during that period of imprisonment is of no further effect either to shorten the period of supervision or to shorten the period of imprisonment which the inmate may be required to serve for violation of parole or mandatory release.

Subpart B—Extra Good Time**§ 523.10 Purpose and scope.**

(a) The Bureau of Prisons awards extra good time credit for performing exceptionally meritorious service, or for performing duties of outstanding importance or for employment in an industry or camp. An inmate may earn only one type of extra good time award at a time (e.g., an inmate earning industrial or camp good time is not eligible for meritorious good time), except

that a lump sum award as provided in § 523.16 may be given in addition to another extra good time award. The Warden or the Discipline Hearing Officer may not forfeit or withhold extra good time. The Warden may disallow or terminate the awarding of any type of extra good time (except lump sum awards), but only in a nondisciplinary context and only upon recommendation of staff. The Discipline Hearing Officer may disallow or terminate the awarding of any type of extra good time (except lump sum awards), as a disciplinary sanction. Once an awarding of meritorious good time has been terminated, the Warden must approve a new staff recommendation in order for the award to recommence. A "disallowance" means that an inmate does not receive an extra good time award for only one calendar month. Unless other action is taken, the award resumes the following calendar month. A "disallowance" must be for the entire amount of extra good time for that calendar month. There may be no partial disallowance. A decision to disallow or terminate extra good time may not be suspended pending future consideration. A retroactive award of meritorious good time may not include a month in which extra good time has been disallowed or terminated.

(b) The provisions of this rule do not apply to inmates sentenced under the Sentencing Reform Act provisions of the Comprehensive Crime Control Act of 1984. This means that inmates sentenced under the Sentencing Reform Act provisions for offenses committed on or after November 1, 1987 are not eligible for either statutory or extra good time, but may be considered for a maximum of 54 days of good conduct time credit per year (see 18 U.S.C. 3624(b)).

§ 523.11 Meritorious good time.

(a) Staff are responsible for recommending meritorious good time based upon work performance. Each recommendation must include a justification which clearly shows that the work being performed is of an exceptionally meritorious nature or is of outstanding importance in connection with institutional operations. Work performance and the importance of the work per-

formed are the only criteria for awarding meritorious good time.

(b) A retroactive award of meritorious good time is ordinarily limited to three months, excluding the month in which the recommendation is made. A retroactive award in excess of three months requires the approval of the Warden or designee (may not be delegated below the level of Associate Warden). Staff are to include with any recommendation for an inmate to receive a retroactive award of meritorious good time, a written statement confirming the inmate's eligibility for the retroactive award.

(c) Meritorious good time continues uninterrupted regardless of work assignment changes unless the Warden or the Discipline Hearing Officer takes specific action to terminate or disallow the award.

§ 523.12 Work/study release good time.

Extra good time for an inmate in work or study release programs is awarded automatically, beginning on the date the inmate is assigned to the program and continuing without further approval as long as the inmate is participating in the program, unless the award is disallowed.

§ 523.13 Community corrections center good time.

Extra good time for an inmate in a Federal or contract Community Corrections Center is awarded automatically, beginning on arrival at the facility and continuing as long as the inmate is confined at the Center, unless the award is disallowed.

§ 523.14 Industrial good time.

Extra good time for an inmate employed in Federal Prison Industries, Inc., is automatically awarded, beginning on the first day of such employment, and continuing as long as the inmate is employed by Federal Prison Industries, unless the award is disallowed. An inmate on a waiting list for employment in Federal Prison Industries is not awarded industrial good time until actually employed.

§ 523.15 Camp or farm good time.

An inmate assigned to a farm or camp is automatically awarded extra

§ 523.16

28 CFR Ch. V (7-1-16 Edition)

good time, beginning on the date of commitment to the camp or farm, and continuing as long as the inmate is assigned to the farm or camp, unless the award is disallowed.

§ 523.16 Lump sum awards.

Any staff member may recommend to the Warden the approval of an inmate for a lump sum award of extra good time. Such recommendations must be for an exceptional act or service that is not part of a regularly assigned duty. The Warden may make lump sum awards of extra good time not to exceed thirty days. If the recommendation is for an award in excess of thirty days and the Warden concurs, the Warden shall refer the recommendation to the Regional Director who may approve the award. No award may be approved which would exceed the maximum number of days allowed under 18 U.S.C. 4162. The actual length of time served on the sentence, to the date that the exceptional act or service terminated, is the basis on which the maximum amount possible to award is calculated. No seniority is accrued for such awards. Staff may recommend lump sum awards of extra good time for the following reasons:

- (a) An act of heroism;
- (b) Voluntary acceptance and satisfactory performance of an unusually hazardous assignment;
- (c) An act which protects the lives of staff or inmates or the property of the United States; this is to be an act and not merely the providing of information in custodial or security matters;
- (d) A suggestion which results in substantial improvement of a program or operation, or which results in significant savings; or
- (e) Any other exceptional or outstanding service.

§ 523.17 Procedures.

(a) Extra good time is awarded at a rate of three days per month during the first twelve months of seniority in an earning status and at the rate of five days per month thereafter. The first twelve months of seniority need not be based on a continuous period of twelve months. If the beginning or termination date of an extra good time

award occurs after the first day of a month, a partial award of days is made.

(b) An inmate may be awarded extra good time even though some or all of the inmate's statutory good time has been forfeited or withheld.

(c) Parole and mandatory release violators may earn extra good time the same as other inmates. Once an inmate is conditionally released from imprisonment, either by parole, including special parole, or mandatory release, the good time earned during that period of imprisonment is of no further effect either to shorten the period of supervision or to shorten the period of imprisonment which the inmate may be required to serve for violation of parole or mandatory release.

(d) Staff working in the community have the same extra good time authority as the Warden when approving the award of good time for an inmate confined in a non-federal facility and may approve meritorious good time or lump sum awards in accordance with this rule upon recommendations made by a responsible person employed by the non-federal facility. The appropriate staff in the Regional Office may review all such awards if the Regional Director requires the review.

(e) An inmate who is transferred remains in the earning status at time of transfer, unless the reason for transfer would otherwise have caused removal from an earning status, and provided the inmate's behavior is such while in transit that it does not justify removal. Where the receiving institution is a camp, farm, or community corrections center, the extra good time continues automatically upon the inmate's arrival. Where the receiving institution is other than a camp, farm, or community corrections center, the extra good time is terminated upon arrival, and staff at the receiving institution shall review each case to determine if the inmate should continue in meritorious good time earning status if not immediately employed in Federal Prison Industries or assigned to a work/study release program. If the inmate then is not continued in meritorious good time earning status, later awards must comply with procedures outlined in § 523.11.

Bureau of Prisons, Justice

§ 523.17

(f) An inmate serving a life sentence may earn extra good time even though there is no mandatory release date from which to deduct the credit since the possibility exists that the sentence may be reduced or commuted to a definite term.

(g) Extra good time is not automatically discontinued while an inmate is hospitalized, on furlough, out of the institution on a writ of habeas corpus, or removed under the Interstate Agreement on Detainers. Extra good time may be terminated or disallowed during such absences if the Warden or the Discipline Hearing Officer finds that the inmate's behavior warrants such action.

(h) Extra good time earned by an inmate in a District of Columbia Department of Corrections facility is treated the same as if earned in a Bureau of Prisons institution, upon transfer to a Bureau institution.

(i) An inmate committed under the provisions of 18 U.S.C. 3651 (split sentence) may earn extra good time credits provided the sentence imposed is not under the provisions of 18 U.S.C. 5010 (b) or (c) (YCA). All extra good time and seniority earned is carried over to any subsequent probation violator sentence based on the original split sentence.

(j) An inmate committed under the provisions of 18 U.S.C. 4205(c) may earn extra good time credits towards the final sentence that may be imposed. Such extra good time credits do not reduce the three months allowed for study. An inmate committed under the provisions of 18 U.S.C. 4244, as amended effective October 12, 1984, may earn extra good time credits toward the final sentence that may be imposed. Such extra good time credits do not reduce the provisional sentence. Extra good time may continue during a commitment for examination of hospitalization and treatment under 18 U.S.C. 4245, as amended effective October 12, 1984.

(k) Inmates committed under the provisions of 18 U.S.C. 4244, 4246-47, 4252, 5010 (b), (c), (e), or 5037(c) as these sections were in effect prior to October 12, 1984, are not entitled to extra good time deductions. Inmates committed under the provisions of 18 U.S.C. 4241,

4242, 4243, or 4246 as these sections were amended effective October 12, 1984, are not entitled to extra good time deductions.

(l) A pretrial detainee may not earn good time while in pretrial status. A pretrial detainee, however, may be recommended for good time credit. This recommendation shall be considered in the event that the pretrial detainee is later sentenced on the crime for which he or she was in pretrial status.

(m) An inmate committed for civil contempt is not entitled to extra good time deductions while serving the civil contempt sentence.

(n) A military or Coast Guard inmate may earn extra good time. Extra good time earned in Federal Prison Industries in a military or Coast Guard installation is treated the same as if earned in Federal Prison Industries in the Bureau of Prisons. Other forms of military or Coast Guard extra good time, such as Army Abatement time, are fully credited, but no seniority is allowed.

(o) American citizens who are serving sentences in foreign countries and who are subsequently returned to this country under the provisions of 18 U.S.C. chapter 306 (Pub. L. 95-144) may have earned work, labor, or program time credits in the foreign country similar to extra good time earned under 18 U.S.C. 4162. Such foreign "extra good time" credits shall be treated as if awarded under §523.16, Lump Sum Awards, with any future lump sum award consideration in this country calculated on the basis of time served in custody of the Bureau of Prisons. After return to this country an inmate may earn extra good time at the three-day rate and advance to the five-day rate after one year of seniority is accrued. No seniority is accrued for foreign "extra good time" credits.

(p) An inmate in extra good time earning status may not waive or refuse extra good time credits.

(q) Once extra good time is awarded, it becomes vested and may not be forfeited or withheld, or retroactively terminated or disallowed.

Subpart C—Good Conduct Time**§ 523.20 Good conduct time.**

(a) For inmates serving a sentence for offenses committed on or after November 1, 1987, but before September 13, 1994, the Bureau will award 54 days credit toward service of sentence (good conduct time credit) for each year served. This amount is prorated when the time served by the inmate for the sentence during the year is less than a full year.

(b) For inmates serving a sentence for offenses committed on or after September 13, 1994, but before April 26, 1996, all yearly awards of good conduct time will vest for inmates who have earned, or are making satisfactory progress (see § 544.73(b) of this chapter) toward earning a General Educational Development (GED) credential.

(c) For inmates serving a sentence for an offense committed on or after April 26, 1996, the Bureau will award

(1) 54 days credit for each year served (prorated when the time served by the inmate for the sentence during the year is less than a full year) if the inmate has earned or is making satisfactory progress toward earning a GED credential or high school diploma; or

(2) 42 days credit for each year served (prorated when the time served by the inmate for the sentence during the year is less than a full year) if the inmate has not earned or is not making satisfactory progress toward earning a GED credential or high school diploma.

(d) Notwithstanding the requirements of paragraphs (b) and (c) of this section, an alien who is subject to a final order of removal, deportation, or exclusion is eligible for, but is not required to, participate in a literacy program, or to be making satisfactory progress toward earning a General Educational Development (GED) credential, to be eligible for a yearly award of good conduct time.

(e) The amount of good conduct time awarded for the year is also subject to disciplinary disallowance (see tables 3 through 6 in § 541.13 of this chapter).

§ 523.30 What is educational good time sentence credit?

Educational good time sentence credit is authorized by District of Columbia (D.C.) Code § 24-221.01, and reduces the amount of time to serve under a term of imprisonment. In these rules, we refer to D.C. educational good time as “DCEGT.”

§ 523.31 Who is eligible for DCEGT?

You are eligible for DCEGT if:

(a) You are incarcerated in a Bureau of Prisons’ (Bureau) institution or a Bureau contract facility;

(b) You are serving a term of imprisonment for a D.C. criminal code violation committed before August 5, 2000;

(c) Your Unit Team approved or designed a plan for you to complete a program designated by the Bureau as eligible for DCEGT;

(d) The Supervisor of Education (SOE) finds that you successfully completed a Bureau-designated education program on or after August 5, 1997; and

(e) You did not violate prison discipline rules while enrolled in the program (see § 523.33).

§ 523.32 How much DCEGT can I earn?

(a) You can earn 5 days DCEGT for each month you were enrolled in a designated program, up to the maximum amount designated by the Bureau for the type of program successfully completed.

(b) You are limited to 5 days per month DCEGT, even if enrolled in more than one designated program.

(c) Enrollment in a designated program for any portion of a calendar month earns one full month’s worth of DCEGT.

(d) You are not eligible for DCEGT which, if awarded, would make you past due for release.

(e) Once appropriately awarded, DCEGT vests, and cannot be forfeited.

Bureau of Prisons, Justice

§ 524.11

§ 523.33 How is eligibility for DCEGT limited?

Eligibility for DCEGT is limited in two ways:

(a) If you violate prison rules, you are not eligible for one month's worth of DCEGT for each disciplinary incident committed during the program enrollment period. A Discipline Hearing Officer, or other staff using procedures similar to those in 28 CFR 541.17, must determine that you committed a prohibited act.

(b) The nature of your offense may limit your eligibility for DCEGT under D.C. Code 24-221.01b or 24-221.06.

§ 523.34 How can I challenge DCEGT award decisions?

You can use the Administrative Remedy Program, 28 CFR 542.10 through 542.19, to challenge Bureau of Prisons decisions regarding DCEGT.

Subpart A [Reserved]

Subpart B—Classification and Program Review of Inmates

SOURCE: 71 FR 36007, June 23, 2006, unless otherwise noted.

§ 524.10 Purpose.

The purpose of this subpart is to explain the Bureau of Prisons (Bureau) process for classifying newly committed inmates and conducting program reviews for all inmates except:

(a) Pretrial inmates, covered in 28 CFR part 551; and

(b) Inmates committed for study and observation.

§ 524.11 Process for classification and program reviews.

(a) *When:*

(1) Newly committed inmates will be classified within 28 calendar days of arrival at the institution designated for service of sentence.

(2) Inmates will receive a program review at least once every 180 calendar days. When an inmate is within twelve months of the projected release date, staff will conduct a program review at least once every 90 calendar days.

(b) *Inmate appearance before classification team:*

(1) Inmates will be notified at least 48 hours before that inmate's scheduled appearance before the classification team (whether for the initial classification or later program reviews).

(2) Inmates may submit a written waiver of the 48-hour notice requirement.

(3) The inmate is expected to attend the initial classification and all later program reviews. If the inmate refuses to appear at a scheduled meeting, staff must document on the Program Review Report the inmate's refusal and, if

§ 524.20

known, the reasons for refusal, and give a copy of this report to the inmate.

(c) *Program Review Report*: Staff must complete a Program Review Report at the inmate's initial classification. This report ordinarily includes information on the inmate's apparent needs and offers a correctional program designed to meet those needs. The Unit Manager and the inmate must sign the Program Review Report, and a copy must be given to the inmate.

(d) *Work Programs*: Each sentenced inmate who is physically and mentally able is assigned to a work program at initial classification. The inmate must participate in this work assignment and any other program required by Bureau policy, court order, or statute. The inmate may choose not to participate in other voluntary programs.

Subpart C—Youth Corrections Act (YCA) Programs

SOURCE: 58 FR 50808, Sept. 28, 1993, unless otherwise noted.

§ 524.20 Purpose and scope.

This subpart establishes procedures for designation, classification, parole, and release of Youth Corrections Act (YCA) inmates. In keeping with court findings, and in accord with the repeal of 18 U.S.C. chapter 402, sections 5011 and 5015(b), all offenders sentenced under the provisions of the YCA presently in custody, those retaken into custody as parole violators, and those yet to be committed (probation violators, appeal bond cases, etc.) may be transferred to or placed in adult institutions under the provisions of this policy.

§ 524.21 Definitions.

(a) *YCA inmate*: An inmate sentenced under provision of the Youth Corrections Act who has not received an in-person "no further benefit" finding by his or her sentencing judge, and whose YCA sentence has not been completely absorbed by an adult federal sentence.

(b) *No further benefit*: An in-person finding by the inmate's sentencing court that YCA treatment will not be of further benefit to the inmate. An inmate receiving such court finding is

28 CFR Ch. V (7-1-16 Edition)

accordingly not considered to be a YCA inmate.

§ 524.22 YCA program.

(a) Wardens are to ensure each committed youth offender is scheduled for a three-phase program plan which will include a classification phase, a treatment phase, and a pre-release phase. A program plan for each YCA inmate will be developed by the Unit Team as a part of the classification phase. The Warden may exempt a YCA inmate from program participation when individual circumstances warrant such exceptions. Such exceptions must be requested and acknowledged by the inmate, and the reason(s) for exemption must be documented in the inmate's central file.

(1) *Classification phase*: The classification phase begins upon the inmate's arrival at the designated institution. It consists of evaluation, orientation, unit assignment, and concludes when the inmate has attended the initial classification (or transfer classification) meeting with the Unit Team. YCA inmates are to participate in the classification process prior to the development of their individual program plans. The YCA inmate is to have received a psychological screening prior to attending the initial classification meeting. YCA program plans will include specific goals relative to:

- (i) Behavior;
- (ii) Treatment/self improvement;
- (iii) Pre-release.

(2) *Treatment phase*: YCA inmates are to be exposed to unit-based and community-based (if otherwise eligible) programs. Each YCA inmate shall be periodically reviewed during this phase. The treatment phase begins when the inmate attends the programs and activities described in the program plan which were established at the culmination of the classification phase. Each YCA inmate shall be assigned programs in accordance with the inmate's needs and the established program plan. The "program day" shall consist of morning, afternoon, and evening time periods, during which the inmate shall be scheduled for treatment programs, work, and leisure-time activities. The inmate shall be expected to comply with the program

plan. The inmate's participation in a treatment program is required, not optional. An inmate's failure to participate may result in disciplinary action.

(3) *Pre-release phase:* The YCA inmate shall enter the pre-release phase approximately 9 months prior to release. The pre-release phase is ordinarily divided into two segments: participation in the institution pre-release program and a stay at a Community Corrections Center (CCC), if otherwise eligible. Institution pre-release programs shall focus on the types of problems the inmate may face upon return to the community, such as re-establishing family relationships, managing a household, finding and keeping a job, and developing a successful life style. In addition, the pre-release phase may include visits from prospective employers.

(b) Staff shall establish incentives to motivate YCA inmates and to encourage program completion. Examples of such incentives which may be used are special recognition, awards, and "vacation days".

(c) The program plan, and the YCA inmate's participation in fulfilling goals contained within the plan, are fundamental factors considered by the U.S. Parole Commission in determining when a YCA inmate should be paroled. Given the importance and joint use of the YCA programming process, the current program plan and a summary of the inmate's progress in meeting established treatment goals must be made available for review and discussion by the Commission at each parole hearing. In addition, a staff member familiar with the YCA inmate's case should be present at any parole hearing to clarify any questions concerning the plan or the inmate's progress in completing the plan.

(d) Upon full and satisfactory completion of the program plan, the Warden will notify the U.S. Parole Commission and make a specific recommendation for release.

§ 524.23 Program reviews.

Staff shall conduct periodic reviews of the inmate's program plan and shall modify the plan in accordance with the level of progress shown. Each YCA inmate shall be afforded a review at least once each 90 days, and shall have a for-

mal progress report prepared every year summarizing the inmate's level of achievement. If the inmate's program plan needs to be modified in light of the progress made, or the lack thereof, appropriate changes will be made and a revised program plan will be developed and documented. Staff shall ordinarily notify the inmate of the 90-day review at least 48 hours prior to the inmate's scheduled appearance before the Unit Team. An inmate may waive in writing the requirement of 48 hours notice.

§ 524.24 Parole hearings.

All YCA inmates have been extended the parole procedures present in *Watts vs. Hadden*. YCA inmates shall be scheduled for interim hearings on the following schedules:

(a) For those inmates serving YCA sentences of less than 7 years, an in-person hearing will be scheduled every 9 months.

(b) For those inmates serving YCA sentences of 7 years or more, an in-person hearing will be scheduled every 12 months.

(c) Upon notification of a response to treatment/certified completion of a program plan by the Bureau of Prisons, the Parole Commission will schedule the inmate for an in-person hearing on the next available docket, unless the inmate is paroled on the record. If a hearing is held and the inmate is denied parole, the next hearing shall be scheduled in accordance with the schedule outlined in paragraphs (a) and (b) of this section.

(d) The hearings mentioned in paragraphs (a) and (b) of this section are not required for inmates who have been continued to expiration or mandatory parole who have less than one year remaining to serve or to a CCC placement date.

§ 524.25 U.S. Parole Commission.

The U.S. Parole Commission is the releasing authority for all YCA inmates except for full term and conditional releases. The Commission shall be provided a progress report:

(a) Upon request of the Commission,
 (b) Prior to any interim hearing or pre-release record review, or

(c) Upon determination by the inmate's Unit Team, with concurrence by

§ 524.40

28 CFR Ch. V (7-1-16 Edition)

the Warden, that the inmate has completed his or her program plan.

Subpart D [Reserved]

Subpart E—Progress Reports

SOURCE: 55 FR 49977, Dec. 3, 1990, unless otherwise noted.

§ 524.40 Purpose and scope.

The Bureau of Prisons maintains current information on each inmate through progress reports completed by staff. The progress report summarizes information relating to the inmate's adjustment during confinement, program participation, and readiness for release.

§ 524.41 Types of progress reports.

The Bureau of Prisons prepares the following types of progress reports.

(a) Initial Hearing—prepared for an inmate's initial parole hearing when progress has not been summarized within the previous 180 days.

(b) Statutory Interim/Two-Thirds Review—prepared for a parole hearing conducted 18 or 24 months following a hearing at which no effective parole date was established, or for a two-thirds review (see 28 CFR 2.53) unless the inmate has waived the parole hearing.

(c) Pre-Release—

(1) Record Review—prepared for and mailed to the appropriate Parole Commission office at least eight months prior to the inmate's presumptive parole date.

(2) Final—prepared at least 90 days prior to the release of an offender to a term of supervision.

(d) *Transfer report*—prepared on an inmate transferring to community confinement or any non-Bureau facility.

(e) Other—prepared for any reason other than those previously stated in this section. The reason (e.g., court request, clemency review) is specified in the report.

§ 524.42 Content of progress reports.

Staff shall include the following in each progress report:

- (c) Committed name;
- (d) Registration number;
- (e) Age;
- (f) Present security and custody level;
- (g) Offense(s) for which committed;
- (h) Sentence;
- (i) Date sentence began;
- (j) Time served to date, including jail time credit;
- (k) Good conduct time/Extra good time earned;

 - (1) Program plans;
 - (2) Work assignments and skills acquired;
 - (3) Educational/vocational participation;
 - (4) Counseling programs;
 - (5) Incident reports;
 - (6) Institutional movement;
 - (7) Physical and mental health, including any significant mental or physical health problems, and any corrective action taken; and
 - (8) Financial responsibility.
- (q) Release planning:
 - (1) Where appropriate, staff shall request that the inmate provide a specific release plan;
 - (2) Staff shall identify available release resources (including CCC) and any particular problem that may be present in release planning.

[59 FR 6857, Feb. 11, 1994]

§ 524.43 Inmate's access to progress reports.

Upon request, an inmate may read and receive a copy of any progress report retained in the inmate's central file which had been prepared on that inmate after October 15, 1974. Staff

shall allow the inmate the opportunity to read a newly prepared progress report and shall request the inmate sign and date the report. If the inmate refuses to do so, staff witnessing the refusal shall document this refusal on the report. Staff shall then offer to provide a copy of the progress report to the inmate.

Subpart F—Central Inmate Monitoring (CIM) System

SOURCE: 61 FR 40143, July 31, 1996, unless otherwise noted.

§ 524.70 Purpose and scope.

The Bureau of Prisons monitors and controls the transfer, temporary release (e.g., on writ), and community activities of certain inmates who present special needs for management. Such inmates, known as central inmate monitoring (CIM) cases, require a higher level of review which may include Central Office and/or Regional Office clearance for transfers, temporary releases, or community activities. This monitoring is not to preclude a CIM case from such activities, when the inmate is otherwise eligible, but rather is to provide protection to all concerned and to contribute to the safe and orderly operation of federal institutions.

§ 524.71 Responsibility.

Authority for actions relative to the CIM system is delegated to the Assistant Director, Correctional Programs Division, to Regional Directors, and to Wardens. The Assistant Director, Correctional Programs Division, and Regional Directors shall assign a person responsible for coordinating CIM activities. The Case Management Coordinator (CMC) shall provide oversight and coordination of CIM activities at the institutional level, and the Community Corrections Manager shall assume these responsibilities for contract facilities.

§ 524.72 CIM assignment categories.

CIM cases are classified according to the following assignments:

(a) *Witness Security cases.* Individuals who agree to cooperate with law en-

forcement, judicial, or correctional authorities, frequently place their lives or safety in jeopardy by being a witness or intended witness against persons or groups involved in illegal activities. Accordingly, procedures have been developed to help ensure the safety of these individuals. There are two types of Witness Security cases: Department of Justice (authorized by the Attorney General under title V of Public Law 91-452, 84 Stat. 933); and Bureau of Prisons Witness Security cases (authorized by the Assistant Director, Correctional Programs Division).

(b) *Threats to government officials.* Inmates who have made threats to government officials or who have been identified, in writing, by the United States Secret Service as requiring special surveillance.

(c) *Broad publicity.* Inmates who have received widespread publicity as a result of their criminal activity or notoriety as public figures.

(d) *Disruptive group.* Inmates who belong to or are closely affiliated with groups (e.g., prison gangs), which have a history of disrupting operations and security in either state or federal penal (which includes correctional and detention facilities) institutions. This assignment also includes those persons who may require separation from a specific disruptive group.

(e) *State prisoners.* Inmates, other than Witness Security cases, who have been accepted into the Bureau of Prisons for service of their state sentences. This assignment includes cooperating state witnesses and regular state boarders.

(f) *Separation.* Inmates who may not be confined in the same institution (unless the institution has the ability to prevent any physical contact between the separatees) with other specified individuals who are presently housed in federal custody or who may come into federal custody in the future. Factors to consider in classifying an individual to this assignment include, but are not limited to, testimony provided by or about an individual (in open court, to a grand jury,

etc.), and whether the inmate has exhibited aggressive or intimidating behavior towards other specific individuals, either in the community or within the institution. This assignment also includes those inmates who have provided authorities with information concerning the unauthorized or illegal activities of others. This assignment may also include inmates from whom there is no identifiable threat, but who are to be separated from others at the request of the Federal Judiciary or U.S. Attorneys.

(g) *Special supervision.* Inmates who require special management attention, but who do not ordinarily warrant assignment in paragraphs (a) through (f) of this section. For example, this assignment may include an inmate with a background in law enforcement or an inmate who has been involved in a hostage situation. Others may include those who are members of a terrorist group with a potential for violence.

§ 524.73 Classification procedures.

(a) *Initial assignment.* Except as provided for in paragraphs (a) (1) through (4) of this section, an inmate (including pretrial inmates) may be classified as a CIM case at any time by a Community Corrections Manager or by appropriate staff at the Central Office, Regional Office, or institution. This initial classification is effective upon documentation in the inmate's record.

(1) *Witness Security cases.* Witness Security cases are designated by the Central Office only. An inmate's participation in the Department of Justice Witness Security Program is voluntary. A commitment interview and an admission and orientation interview are to be conducted with the Witness Security inmate to ensure that the inmate understands the conditions of confinement within the Bureau of Prisons. Central Office classification of an individual as a Witness Security case, under either the Department of Justice or Bureau of Prisons, does not require additional review, and overrides any other CIM assignment.

(2) *State prisoners.* Appropriate staff in the Central Office or Regional Office designate state prisoners accepted into the Bureau of Prisons from state or territorial jurisdictions. All state pris-

oners while solely in service of the state sentence are automatically included in the CIM system to facilitate designations, transfers, court appearances, and other movements.

(3) *Special supervision.* Placement in this assignment may be made only upon the authorization of a Regional Director or the Assistant Director, Correctional Programs Division.

(4) *Recommitted offenders.* An inmate who is recommitted to federal custody, who at the time of release was classified as a CIM case, retains this classification pending a review of the CIM status in accordance with paragraph (c) of this section.

(b) *Notification.* The case manager shall ensure that the affected inmate is notified in writing as promptly as possible of the classification and the basis for it. Witness Security cases will be notified through a commitment interview. The notice of the basis may be limited in the interest of security or safety. For example, in separation cases under § 524.72, notice will not include the names of those from whom the inmate must be separated. The inmate shall sign for and receive a copy of the notification form. If the inmate refuses to sign the notification form, staff witnessing the refusal shall indicate this fact on the notification form and then sign the form. Notification is not required for pretrial inmates. Any subsequent modification of a CIM assignment or removal from the CIM system requires separate notification to the inmate.

(c) *Initial review.* A classification may be made at any level to achieve the immediate effect of requiring prior clearance for an inmate's transfer, temporary release, or participation in community activities. Except for Central Office or Regional Office classification of an individual as a state prisoner in sole service of the state sentence or for classification of pretrial inmates made by designated staff at the institution, a review by designated staff (ordinarily within 60 days of notification to the inmate) is required to determine whether a sound basis exists for the classification. Staff making the initial classification shall forward to the reviewing authority complete information regarding the inmate's classification. An

inmate not notified of a change in the classification by the reviewing authority within 60 days from the date of the initial notification may consider the CIM classification final. Reviewing authorities for CIM classification are:

(1) *Central Office Inmate Monitoring Section*—reviews classification decisions for all future separation assignments (including recommitments) for Witness Security cases and for any combination of assignments involving Witness Security cases.

(2) *Regional Office*—reviews CIM classification decisions for Disruptive Group, Broad Publicity, Threat to Government Officials, Special Supervision, State Prisoners not in sole service of state sentence and initial multiple assignments except Witness Security Cases.

(3) *Warden, or Designee*—reviews CIM classification decisions for all separation assignments.

(d) *Removal.* (1) Because participation in the Department of Justice Witness Security Program is voluntary, such participants may request removal from this assignment at any time. Such request shall be forwarded to the Central Office Inmate Monitoring Section. Actual removal of the CIM assignment will not occur until after approval from the Department of Justice is received.

(2) The reviewing authority is responsible for determining if removal or modification of any CIM classification other than a Department of Justice Witness Security case is appropriate. The inmate retains the CIM classification pending a decision by the reviewing authority.

(3) When an inmate is removed for any reason from a CIM classification (for example, because the reviewing authority either disapproves the CIM classification or approves removal of a CIM classification based on new information), the appropriate staff member shall ensure that the relevant portions of the inmate central file are either removed or, when part of a larger document, are amended to clearly reflect removal of the CIM assignment. Staff shall notify the inmate of the decision and document any change in the inmate's record, and supportive documentation and the written basis for re-

moval are to be retained in the inmate privacy file.

§ 524.74 Activities clearance.

(a) Except as provided for in paragraph (b) of this section, the Warden is the clearance authority on all transfers, temporary releases, community activities, and escorted trips.

(b) *Witness Security cases.* Central Office Inmate Monitoring Section staff shall be the clearance authority on all transfers, temporary releases, community activities, and escorted trips for Witness Security cases, except in a medical emergency. In a medical emergency, the Warden may transfer a Witness Security case to a local hospital for emergency medical care without prior clearance.

§ 524.75 Periodic review.

The Warden shall ensure that the status of an inmate's CIM assignment is considered at each program review. When staff believe that removal or modification of a CIM classification is appropriate, the institution's CMC and the appropriate reviewing authority must be notified. Only the reviewing authority shall determine if removal or modification of the CIM classification is appropriate.

§ 524.76 Appeals of CIM classification.

An inmate may at any time appeal (through the Administrative Remedy Program) the inmate's classification as a CIM case. Inmates identified as Witness Security cases may choose to address their concerns directly to the Inmate Monitoring Section, Central Office, rather than use the Administrative Remedy Program.

Subpart D—Transfer of Inmates to State Agents for Production on State Writs

SOURCE: 46 FR 34549, July 1, 1981, unless otherwise noted.

§ 527.30 Purpose and scope.

The Bureau of Prisons will consider a request made on behalf of a state or local court that an inmate be transferred to the physical custody of state or local agents pursuant to state writ of habeas corpus *ad prosequendum* or *ad testificandum*. The Warden at the institution in which the inmate is confined is authorized to approve this transfer in accordance with the provisions of this rule.

§ 527.31 Procedures.

(a) These procedures apply to state and federal inmates serving sentences in federal institutions, and shall be followed prior to an inmate's transfer to state or local agents other than through the Interstate Agreement on Detainers.

(b) The Warden shall authorize transfer only when satisfied that the inmate's appearance is necessary, that state and local arrangements are satisfactory, that the safety or other interests of the inmate (such as an imminent parole hearing) are not seriously

28 CFR Ch. V (7-1-16 Edition)

jeopardized, and that federal interests, which include those of the public, will not be interfered with, or harmed. Authorization may not be given where substantial concern exists over any of these considerations.

(c) The request for transfer of custody to state agents shall be made by the prosecutor or other authority who acts on behalf of the court and shall be directed to the Warden of the institution in which the inmate is confined. The request shall be made by letter. The request shall indicate the need for appearance of the inmate, name of the court, nature of the action, date of the requested appearance, name and phone number of the state agency or other organization with responsibility for transporting the inmate, the name and location where the inmate will be confined during legal proceedings, and anticipated date of return. For civil cases, the request shall also indicate the reason that production on writ is necessary and some other alternative is not available. The applying authority shall provide either at the time of application or with the agent assuming custody, a statement signed by an authorized official that state or local officials with custody will provide for the safekeeping, custody, and care of the inmate, will assume full responsibility for that custody, and will return the inmate to Bureau of Prisons' custody promptly on conclusion of the inmate's appearance in the state or local proceedings for which the writ is issued.

(d) A certified copy of the writ (one with the Seal of the Court) must be received at the institution prior to release of the inmate. Institution staff shall verify the authenticity of the writ.

(e) Institution staff shall maintain contact with the state or local law enforcement agency with responsibility for transfer of the inmate to determine the exact date and time for transfer of custody. If the inmate is awaiting federal trial or has federal civil proceedings pending, staff must clear the transfer through the U.S. Attorney.

(f) Institution staff shall determine from the state or local agency the names of the agents assuming custody.

Bureau of Prisons, Justice

§ 527.45

Staff must carefully examine the credentials of the agents assuming custody. In any doubtful case, verification should be sought.

(g) Transfers in civil cases pursuant to a writ of habeas corpus ad testificandum must be cleared through both the Regional Counsel and the Warden. Transfer ordinarily shall be recommended only if the case is substantial, where testimony cannot be obtained through alternative means such as depositions or interrogatories, and where security arrangements permit. Postponement of the production until after the inmate's release from federal custody will always be considered, particularly if release is within twelve months.

(h) Release of inmates classified as Central Inmate Monitoring Cases requires review with and/or coordination by appropriate authorities in accordance with the provisions of 28 CFR part 524, subpart F.

§ 527.40 Purpose and scope.

This subpart describes the Bureau of Prisons (Bureau) procedures regarding its role in the transfer of offenders to foreign countries and the transfer of American offenders back to the United States pursuant to 18 U.S.C. 4100, *et seq.*, and applicable transfer treaties and conventions.

§ 527.41 Definitions.

For the purpose of this subpart, the following definitions apply.

(a) *Treaty nation.* A country with which the United States has a transfer treaty relationship either through a bilateral treaty or a multilateral transfer convention.

(b) *State prisoner.* An inmate serving a sentence imposed in a court in one of the states of the United States, or in a territory or commonwealth of the United States.

(c) *Departure institution.* The Bureau of Prisons institution to which an eligible inmate is finally transferred for return to the country of which the inmate is a citizen or national.

(d) *Admission institution.* The Bureau of Prisons institution where a United States citizen or national-inmate is first received from a treaty nation.

§ 527.42 Limitations on transfer of offenders to foreign countries.

The transfer treaties and conventions, as well as 18 U.S.C. 4100–4115, impose specific requirements that an inmate must satisfy in order to be returned to his or her country of citizenship or nationality.

§ 527.43 Notification of inmates.

Foreign national inmates will be notified about the International Prisoner Transfer Program and the procedures to follow to apply for transfer as follows:

(a) Through information provided in the institution's admission and orientation program; and

(b) Through individual notice given to an inmate who is a citizen or national of a treaty nation. The notice must:

(1) Reiterate the availability of the transfer program;

(2) Provide the inmate with an opportunity to inquire about transfer to the country of which the inmate is a citizen or national; and

(3) Inform the inmates of the procedures set forth in this part.

§ 527.44 Request for transfer to country of which inmate is a citizen or national.

An inmate who is eligible for and desires to transfer to the country of which the inmate is a citizen or national for service of a sentence imposed in a United States Court must indicate the inmate's interest by completing and signing the appropriate form and giving it to Bureau staff for further processing.

§ 527.45 Bureau determination on request for transfer.

The following is the process by which determinations are made on an inmate's request to be transferred to the

§ 527.46

country of which the inmate is a citizen or national to serve a sentence imposed in a United States Court.

(a) *Warden's determination.* Upon verifying that the inmate is eligible for transfer, the Warden forwards all relevant information, including a complete application package, to the Assistant Director, Correctional Programs Division, Central Office.

(b) *Central Office and Department of Justice determination.*

(1) The Assistant Director, Correctional Programs Division reviews the submitted material and forwards the application package to the Department of Justice for review.

(2) The Department of Justice notifies the inmate of the determinations made.

§ 527.46 Transfer procedures.

(a) *Treaty nation determination.* If the Department of Justice approves the transfer request, the treaty nation will be asked if it consents to the transfer of its citizen or national. The inmate will be informed of the determination made by the treaty nation.

(b) *Transfer to departure institution.* The Bureau and the Department of Justice will arrange for the inmate to be transferred to an appropriate departure institution.

(c) *Consent verification hearing.* If the treaty nation consents to the transfer, the United States will arrange a consent verification hearing for the prisoner as required by 18 U.S.C. 4107, 4108. This hearing is held before a U.S. Magistrate Judge or other judicial officer as specified in sections 4107 and 4108. The Bureau must ensure that the pris-

oner is available and present at the consent verification hearing.

(d) *Transfer to departure institution and foreign retrieval of inmate.* If the foreign national prisoner gives consent to transfer at the consent verification hearing, the Department of Justice will notify the treaty transfer nation.

§ 527.47 Transfer of state prisoners to other countries.

The Bureau of Prisons may assume custody of a state prisoner who has been approved for transfer to a treaty nation for the purpose of facilitating the transfer to the treaty nation. Once the state prisoner has consented to the transfer at the consent verification hearing, the Bureau assumes custody of the prisoner. The state is not required to contract for the placement of the prisoner in federal custody, nor to reimburse the United States for the cost of confinement (as would ordinarily be required by 18 U.S.C. 5003).

§ 527.48 Transfer of American national prisoners from foreign countries.

The Bureau of Prisons is responsible for:

(a) Sending escorts to foreign countries to retrieve American national prisoners who have been approved for transfer to the United States and who have had their consent verified at the consent verification hearing specified in 18 U.S.C. 4108; and

(b) Making logistical arrangements for the transfer and coordinating with the United States Parole Commission for proceedings to determine how the sentence will be administered.

Subpart A—General

SOURCE: 50 FR 40108, Oct. 1, 1985, unless otherwise noted.

§ 540.2 Definitions.

(a) *General correspondence* means incoming or outgoing correspondence other than *special mail*. *General correspondence* includes packages sent through the mail.

(1) *Open general correspondence* means general correspondence which is not limited to a list of authorized correspondents, except as provided in § 540.17.

(2) *Restricted general correspondence* means general correspondence which is limited to a list of authorized correspondents.

§ 540.10

(b) *Representatives of the news media* means persons whose principal employment is to gather or report news for:

(1) A newspaper which qualifies as a general circulation newspaper in the community in which it is published. A newspaper is one of “general circulation” if it circulates among the general public and if it publishes news of a general character of general interest to the public such as news of political, religious, commercial, or social affairs. A key test to determine whether a newspaper qualifies as a “general circulation” newspaper is to determine whether the paper qualifies for the purpose of publishing legal notices in the community in which it is located or the area to which it distributes;

(2) A news magazine which has a national circulation and is sold by newsstands and by mail subscription to the general public;

(3) A national or international news service; or

(4) A radio or television news program, whose primary purpose is to report the news, of a station holding a Federal Communications Commission license.

(c) *Special mail* means correspondence sent to the following: President and Vice President of the United States, the U.S. Department of Justice (including the Bureau of Prisons), U.S. Attorneys Offices, Surgeon General, U.S. Public Health Service, Secretary of the Army, Navy, or Air Force, U.S. Courts (including U.S. Probation Officers), Members of the U.S. Congress, Embassies and Consulates, Governors, State Attorneys General, Prosecuting Attorneys, Directors of State Departments of Corrections, State Parole Commissioners, State Legislators, State Courts, State Probation Officers, other Federal and State law enforcement offices, attorneys, and representatives of the news media.

Special mail also includes correspondence received from the following: President and Vice President of the United States, attorneys, Members of the U.S. Congress, Embassies and Consulates, the U.S. Department of Justice (excluding the Bureau of Prisons but including U.S. Attorneys), other Federal law enforcement officers, State Attorneys General, Prosecuting Attorneys,

28 CFR Ch. V (7–1–16 Edition)

Governors, U.S. Courts (including U.S. Probation Officers), and State Courts. For incoming correspondence to be processed under the special mail procedures (see §§ 540.18–540.19), the sender must be adequately identified on the envelope, and the front of the envelope must be marked “Special Mail—Open only in the presence of the inmate”.

Subpart B—Correspondence

SOURCE: 50 FR 40109, Oct. 1, 1985, unless otherwise noted.

§ 540.10 Purpose and scope.

The Bureau of Prisons encourages correspondence that is directed to socially useful goals. The Warden shall establish correspondence procedures for inmates in each institution, as authorized and suggested in this rule.

§ 540.11 Mail depositories.

The Warden shall establish at least one mail depository within the institution for an inmate to place outgoing correspondence. The Warden may establish a separate mail depository for outgoing special mail. Each item placed in a mail depository must contain a return address (see § 540.12(d)).

[50 FR 40109, Oct. 1, 1985, as amended at 64 FR 32171, June 15, 1999]

§ 540.12 Controls and procedures.

(a) The Warden shall establish and exercise controls to protect individuals, and the security, discipline, and good order of the institution. The size, complexity, and security level of the institution, the degree of sophistication of the inmates confined, and other variables require flexibility in correspondence procedures. All Wardens shall establish open general correspondence procedures.

(b) Staff shall inform each inmate in writing promptly after arrival at an institution of that institution’s rules for handling of inmate mail. This notice includes the following statement:

The staff of each institution of the Bureau of Prisons has the authority to open all mail addressed to you before it is delivered to

Bureau of Prisons, Justice

you. "Special Mail" (mail from the President and Vice President of the U.S., attorneys, Members of the U.S. Congress, Embassies and Consulates, the U.S. Department of Justice (excluding the Bureau of Prisons but including U.S. Attorneys), other Federal law enforcement officers, State Attorneys General, Prosecuting Attorneys, Governors, U.S. Courts (including U.S. Probation Officers), and State Courts) may be opened only in your presence to be checked for contraband. This procedure occurs only if the sender is adequately identified on the envelope and the front of the envelope is marked "Special Mail—Open only in the presence of the inmate." Other mail may be opened and read by the staff.

If you do not want your *general* correspondence opened and read, the Bureau will return it to the Postal Service. This means that you will not receive such mail. You may choose whether you want your general correspondence delivered to you subject to the above conditions, or returned to the Postal Service. Whatever your choice, special mail will be delivered to you, after it is opened in your presence and checked for contraband. You can make your choice by signing part I or part II.

PART I—GENERAL CORRESPONDENCE TO BE RETURNED TO THE POSTAL SERVICE

I have read or had read to me the foregoing notice regarding mail. I do not want my general correspondence opened and read. I REQUEST THAT THE BUREAU OF PRISONS RETURN MY GENERAL CORRESPONDENCE TO THE POSTAL SERVICE. I understand that special mail will be delivered to me, after it is opened in my presence and checked for contraband.

ceive general correspondence subject to the conditions in part II above.

(c) Staff shall inform an inmate that letters placed in the U.S. Mail are placed there at the request of the inmate and the inmate must assume responsibility for the contents of each letter. Correspondence containing threats, extortion, etc., may result in prosecution for violation of federal laws. When such material is discovered, the inmate may be subject to disciplinary action, the written material may be copied, and all material may be referred to the appropriate law enforcement agency for prosecution.

(d) The inmate is responsible for filling out the return address completely on envelopes provided for the inmate's use by the institution. If the inmate uses an envelope not provided by the institution, the inmate is responsible for ensuring that the envelope used contains all return address information listed on the envelope provided by the institution.

§ 540.13 Notification of rejections.

When correspondence is rejected, the Warden shall notify the sender in writing of the rejection and the reasons for the rejection. The Warden shall also give notice that the sender may appeal the rejection. The Warden shall also notify an inmate of the rejection of any letter addressed to that inmate, along with the reasons for the rejection and shall notify the inmate of the right to appeal the rejection. The Warden shall refer an appeal to an official other than the one who originally disapproved the correspondence. The Warden shall return rejected correspondence to the sender unless the correspondence includes plans for or discussion of commission of a crime or evidence of a crime, in which case there is no need to return the correspondence or give notice of the rejection, and the correspondence should be referred to appropriate law enforcement authorities. Also, contraband need not be returned to the sender.

§ 540.14

28 CFR Ch. V (7-1-16 Edition)

§ 540.14 General correspondence.

(a) Institution staff shall open and inspect all incoming general correspondence. Incoming general correspondence may be read as frequently as deemed necessary to maintain security or monitor a particular problem confronting an inmate.

(b) Except for "special mail," outgoing mail from a pretrial inmate may not be sealed by the inmate and may be read and inspected by staff.

(c)(1) Outgoing mail from a sentenced inmate in a minimum or low security level institution may be sealed by the inmate and, except as provided for in paragraphs (c)(1)(i) through (iv) of this section, is sent out unopened and uninspected. Staff may open a sentenced inmate's outgoing general correspondence:

(i) If there is reason to believe it would interfere with the orderly running of the institution, that it would be threatening to the recipient, or that it would facilitate criminal activity;

(ii) If the inmate is on a restricted correspondence list;

(iii) If the correspondence is between inmates (see § 540.17); or

(iv) If the envelope has an incomplete return address.

(2) Except for "special mail," outgoing mail from a sentenced inmate in a medium or high security level institution, or an administrative institution may not be sealed by the inmate and may be read and inspected by staff.

(d) The Warden may reject correspondence sent by or to an inmate if it is determined detrimental to the security, good order, or discipline of the institution, to the protection of the public, or if it might facilitate criminal activity. Correspondence which may be rejected by a Warden includes, but is not limited to, correspondence which contains any of the following:

(1) Matter which is nonmailable under law or postal regulations;

(2) Matter which depicts, describes, or encourages activities which may lead to the use of physical violence or group disruption;

(3) Information of escape plots, of plans to commit illegal activities, or to violate Bureau rules or institution guidelines;

(4) Direction of an inmate's business (See § 541.13, Prohibited Act No. 408). An inmate, unless a pre-trial detainee, may not direct a business while confined.

This does not, however, prohibit correspondence necessary to enable an inmate to protect property and funds that were legitimately the inmate's at the time of commitment. Thus, for example, an inmate may correspond about refinancing an existing mortgage or sign insurance papers, but may not operate a mortgage or insurance business while in the institution.

(5) Threats, extortion, obscenity, or gratuitous profanity;

(6) A code;

(7) Sexually explicit material (for example, personal photographs) which by its nature or content poses a threat to an individual's personal safety or security, or to institution good order; or

(8) Contraband. (See § 500.1 of this chapter. A package received without prior authorization by the Warden is considered to be contraband.)

[50 FR 40109, Oct. 1, 1985, as amended at 56 FR 4159, Feb. 1, 1991; 62 FR 65186, Dec. 10, 1997]

§ 540.15 Restricted general correspondence.

(a) The Warden may place an inmate on restricted general correspondence based on misconduct or as a matter of classification. Determining factors include the inmate's:

(1) Involvement in any of the activities listed in § 540.14(d);

(2) Attempting to solicit funds or items (e.g., samples), or subscribing to a publication without paying for the subscription;

(3) Being a security risk;

(4) Threatening a government official; or

(5) Having committed an offense involving the mail.

(b) The Warden may limit to a reasonable number persons on the approved restricted general correspondence list of an inmate.

(c) The Warden shall use one of the following procedures before placing an inmate on restricted general correspondence.

(1) Where the restriction will be based upon an incident report, procedures must be followed in accordance

Bureau of Prisons, Justice

§ 540.18

with inmate disciplinary regulations (part 541, subpart B of this chapter).

(2) Where there is no incident report, the Warden:

(i) Shall advise the inmate in writing of the reasons the inmate is to be placed on restricted general correspondence;

(ii) Shall give the inmate the opportunity to respond to the classification or change in classification; the inmate has the option to respond orally or to submit written information or both; and

(iii) Shall notify the inmate of the decision and the reasons, and shall advise the inmate that the inmate may appeal the decision under the Administrative Remedy Procedure.

(d) When an inmate is placed on restricted general correspondence, the inmate may, except as provided in §§ 540.16 and 540.17:

(1) Correspond with the inmate's spouse, mother, father, children, and siblings, unless the correspondent is involved in any violation of correspondence regulations, or would be a threat to the security or good order of the institution;

(2) Request other persons also to be placed on the approved correspondence list, subject to investigation, evaluation, and approval by the Warden; with prior approval, the inmate may write to a proposed correspondence to obtain a release authorizing an investigation; and

(3) Correspond with former business associates, unless it appears to the Warden that the proposed correspondent would be a threat to the security or good order of the institution, or that the resulting correspondence could reasonably be expected to result in criminal activity. Correspondence with former business associates is limited to social matters.

(e) The Warden may allow an inmate additional correspondence with persons other than those on the inmate's approved mailing list when the correspondence is shown to be necessary and does not require an addition to the mailing list because it is not of an ongoing nature.

§ 540.16 Inmate correspondence while in segregation and holdover status.

(a) The Warden shall permit an inmate in holdover status (i.e., enroute to a designated institution) to have correspondence privileges similar to those of other inmates insofar as practical.

(b) The Warden shall permit an inmate in segregation to have full correspondence privileges unless placed on restricted general correspondence under § 540.15.

§ 540.17 Correspondence between confined inmates.

An inmate may be permitted to correspond with an inmate confined in any other penal or correctional institution if the other inmate is either a member of the immediate family, or is a party or witness in a legal action in which both inmates are involved. Such correspondence may be approved in other exceptional circumstances, with particular regard to the security level of the institution, the nature of the relationship between the two inmates, and whether the inmate has other regular correspondence. The following additional limitations apply:

(a) Such correspondence at institutions of all security levels may always be inspected and read by staff at the sending and receiving institutions (it may not be sealed by the inmate); and

(b)(1) The appropriate unit manager at each institution must approve of the correspondence if both inmates are housed in Federal institutions and both inmates are members of the same immediate family or are a party or witness in a legal action in which both inmates are involved.

(2) The Wardens of both institutions must approve of the correspondence if one of the inmates is housed at a non-Federal institution or if approval is being granted on the basis of exceptional circumstances.

[50 FR 40109, Oct. 1, 1985, as amended at 61 FR 65204, Dec. 18, 1995]

§ 540.18 Special mail.

(a) The Warden shall open incoming special mail only in the presence of the inmate for inspection for physical contraband and the qualification of any

§ 540.19

28 CFR Ch. V (7-1-16 Edition)

enclosures as special mail. The correspondence may not be read or copied if the sender is adequately identified on the envelope, and the front of the envelope is marked "Special Mail—Open only in the presence of the inmate".

(b) In the absence of either adequate identification or the "special mail" marking indicated in paragraph (a) of this section appearing on the envelope, staff may treat the mail as general correspondence and may open, inspect, and read the mail.

(c)(1) Except as provided for in paragraph (c)(2) of this section, outgoing special mail may be sealed by the inmate and is not subject to inspection.

(2) Special mail shall be screened in accordance with the provisions of paragraph (c)(2)(iii) of this section when the special mail is being sent by an inmate who has been placed on restricted special mail status.

(i) An inmate may be placed on restricted special mail status if the Warden, with the concurrence of the Regional Counsel, documents in writing that the special mail either has posed a threat or may pose a threat of physical harm to the recipient (e.g., the inmate has previously used special mail to threaten physical harm to a recipient).

(ii) The Warden shall notify the inmate in writing of the reason the inmate is being placed on restricted special mail status.

(iii) An inmate on restricted special mail status must present all materials and packaging intended to be sent as special mail to staff for inspection. Staff shall inspect the special mail material and packaging, in the presence of the inmate, for contraband. If the intended recipient of the special mail has so requested, staff may read the special mail for the purpose of verifying that the special mail does not contain a threat of physical harm. Upon completion of the inspection, staff shall return the special mail material to the inmate if the material does not contain contraband, or contain a threat of physical harm to the intended recipient. The inmate must then seal the special mail material in the presence of staff and immediately give the sealed special mail material to the observing staff for delivery. Special mail deter-

mined to pose a threat to the intended recipient shall be forwarded to the appropriate law enforcement entity. Staff shall send a copy of the material, minus the contraband, to the intended recipient along with notification that the original of the material was forwarded to the appropriate law enforcement entity.

(iv) The Warden shall review an inmate's restricted special mail status at least once every 180 days. The inmate is to be notified of the results of this review. An inmate may be removed from restricted special mail status if the Warden determines, with the concurrence of the Regional Counsel, that the special mail does not threaten or pose a threat of physical harm to the intended recipient.

(v) An inmate on restricted mail status may seek review of the restriction through the Administrative Remedy Program.

(d) Except for special mail processed in accordance with paragraph (c)(2) of this section, staff shall stamp the following statement directly on the back side of the inmate's outgoing special mail: "The enclosed letter was processed through special mailing procedures for forwarding to you. The letter has neither been opened nor inspected. If the writer raises a question or problem over which this facility has jurisdiction, you may wish to return the material for further information or clarification. If the writer encloses correspondence for forwarding to another addressee, please return the enclosure to the above address."

[50 FR 40108, Oct. 1, 1985, as amended at 62 FR 65185, Dec. 10, 1997]

§ 540.19 Legal correspondence.

(a) Staff shall mark each envelope of incoming legal mail (mail from courts or attorneys) to show the date and time of receipt, the date and time the letter is delivered to an inmate and opened in the inmate's presence, and the name of the staff member who delivered the letter. The inmate may be asked to sign as receiving the incoming legal mail. This paragraph applies only if the sender has marked the envelope as specified in § 540.18.

(b) The inmate is responsible for advising any attorney that correspondence will be handled as special mail only if the envelope is marked with the attorney's name and an indication that the person is an attorney, and the front of the envelope is marked "Special Mail—Open only in the presence of the inmate". Legal mail shall be opened in accordance with special mail procedures (see § 540.18).

(c) Grounds for the limitation or denial of an attorney's correspondence rights or privileges are stated in part 543, subpart B. If such action is taken, the Warden shall give written notice to the attorney and the inmate affected.

(d) In order to send mail to an attorney's assistant or to a legal aid student or assistant, an inmate shall address the mail to the attorney or legal aid supervisor, or the legal organization or firm, to the attention of the student or assistant.

(e) Mail to an inmate from an attorney's assistant or legal aid student or assistant, in order to be identified and treated by staff as special mail, must be properly identified on the envelope as required in paragraph (b) of this section, and must be marked on the front of the envelope as being mail from the attorney or from the legal aid supervisor.

§ 540.20 Inmate correspondence with representatives of the news media.

(a) An inmate may write through "special mail" to representatives of the news media specified by name or title (see § 540.2(b)).

(b) The inmate may not receive compensation or anything of value for correspondence with the news media. The inmate may not act as reporter.

(c) Representatives of the news media may initiate correspondence with an inmate. Staff shall open incoming correspondence from representatives of the media and inspect for contraband, for its qualification as media correspondence, and for content which is likely to promote either illegal activity or conduct contrary to Bureau regulations.

[50 FR 40109, Oct. 1, 1985, as amended at 75 FR 21164, Apr. 23, 2010]

§ 540.21 Payment of postage.

(a) Except as provided in paragraphs (d), (e), (f), and (i) of this section, postage charges are the responsibility of the inmate. The Warden shall ensure that the inmate commissary has postage stamps available for purchase by inmates.

(b) Writing paper and envelopes are provided at no cost to the inmate. Inmates who use their own envelopes must place a return address on the envelope (see § 540.12(d)).

(c) Inmate organizations will purchase their own postage.

(d) An inmate who has neither funds nor sufficient postage and who wishes to mail legal mail (includes courts and attorneys) or Administrative Remedy forms will be provided the postage stamps for such mailing. To prevent abuses of this provision, the Warden may impose restrictions on the free legal and administrative remedy mailings.

(e) When requested by an inmate who has neither funds nor sufficient postage, and upon verification of this status by staff, the Warden shall provide the postage stamps for mailing a reasonable number of letters at government expense to enable the inmate to maintain community ties. To prevent abuses of this provision, the Warden may impose restrictions on the free mailings.

(f) Mailing at government expense is also allowed for necessary correspondence in verified emergency situations for inmates with neither funds nor sufficient postage.

(g) Inmates must sign for all stamps issued to them by institution staff.

(h) Mail received with postage due is not ordinarily accepted by the Bureau of Prisons.

(i) Holdovers and pre-trial commitments will be provided a reasonable number of stamps for the mailing of letters at government expense.

(j) Inmates may not be permitted to receive stamps or stamped items (e.g., envelopes embossed with stamps, postal cards with postage affixed) other than by issuance from the institution or by purchase from commissary.

§ 540.22

§ 540.22 Special postal services.

(a) An inmate, at no cost to the government, may send correspondence by registered, certified, or insured mail, and may request a return receipt.

(b) An inmate may insure outgoing personal correspondence (e.g., a package containing the inmate's hobbycrafts) by completing the appropriate form and applying sufficient postage.

(1) In the event of loss or damage, any claim relative to this matter is made to the U.S. Postal Service, either by the inmate or the recipient. The U.S. Postal Service will only indemnify a piece of insured mail for the actual value of an item, regardless of declared value.

(2) Inmate packages forwarded as a result of institution administration are considered official mail, except as otherwise specified (for example, hobbycraft articles mailed out of the institution). Official mail is not insured. If such an item is subsequently lost or damaged in the mail process the inmate may file a tort claim with the Bureau of Prisons (see part 543, subpart C of this chapter).

(c) Certified mail is sent first class at the inmate's expense.

(d) An inmate may not be provided such services as express mail, COD, private carriers, or stamp collecting while confined.

§ 540.23 Inmate funds received through the mails.

Except as provided for in part 506 of this chapter, funds enclosed in inmate correspondence are to be rejected. Deposits intended for the inmate's commissary account must be mailed directly to the centralized commissary account (see 28 CFR part 506).

[69 FR 40317, July 2, 2004]

§ 540.24 Returned mail.

Staff shall open and inspect for contraband all undelivered mail returned to an institution by the Post Office before returning it to the inmate. The purpose of this inspection is to determine if the content originated with the inmate sender identified on the letter or package; to prevent the transmission of material, substances, and

28 CFR Ch. V (7-1-16 Edition)

property which an inmate is not permitted to possess in the institution; and to determine that the mail was not opened or tampered with before its return to the institution. Any remailing is at the inmate's expense. Any returned mail qualifying as "special mail" is opened and inspected for contraband in the inmate's presence.

§ 540.25 Change of address and forwarding of mail for inmates.

(a) Staff shall make available to an inmate who is being released or transferred appropriate Bureau of Prisons and U.S. Postal Service forms for change of address.

(b) Inmates are responsible for informing their correspondents of a change of address.

(c) Postage for mailing change of address cards is paid by the inmate.

(d) Except as provided in paragraphs (e) through (g) of this section, all mail received for a released or transferred inmate will be returned to the U.S. Postal Service for disposition in accordance with U.S. Postal Service regulations.

(e) Staff shall use all means practicable to forward special mail.

(f) Staff shall forward inmate general correspondence to the new address for a period of 30 days.

(g) Staff shall permit an inmate released temporarily on writ to elect either to have general correspondence held at the institution for a period not to exceed 30 days, or returned to the U.S. Postal Service for disposition.

(1) If the inmate refuses to make this election, staff at the institution shall document this refusal, and any reasons, in the inmate's central file. Staff shall return to the U.S. Postal Service all general correspondence received for such as inmate after the inmate's departure.

(2) If the inmate does not return from writ within the time indicated, staff shall return to the U.S. Postal Service all general correspondence being held for that inmate for disposition in accordance with postal regulations.

Subpart C [Reserved]

Subpart D—Visiting Regulations

SOURCE: 45 FR 44232, June 30, 1980, unless otherwise noted.

§ 540.40 Purpose and scope.

The Bureau of Prisons encourages visiting by family, friends, and community groups to maintain the morale of the inmate and to develop closer relationships between the inmate and family members or others in the community. The Warden shall develop procedures consistent with this rule to permit inmate visiting. The Warden may restrict inmate visiting when necessary to ensure the security and good order of the institution.

[45 FR 44232, June 30, 1980, as amended at 58 FR 39095, July 21, 1993]

§ 540.41 Visiting facilities.

The Warden shall have the visiting room arranged so as to provide adequate supervision, adapted to the degree of security required by the type of institution. The Warden shall ensure that the visiting area is as comfortable and pleasant as practicable, and appropriately furnished and arranged. If space is available, the Warden shall have a portion of the visiting room equipped and set up to provide facilities for the children of visitors.

(a) Institutions of minimum and low security levels may permit visits beyond the security perimeter, but always under supervision of staff.

(b) Institutions of medium and high security levels, and administrative institutions may establish outdoor visiting, but it will always be inside the security perimeter and always under supervision of staff.

[45 FR 44232, June 30, 1980, as amended at 51 FR 26127, July 18, 1986; 56 FR 4159, Feb. 1, 1991]

§ 540.42 Visiting times.

(a) Each Warden shall establish a visiting schedule for the institution. At a minimum, the Warden shall establish visiting hours at the institution on Saturdays, Sundays, and holidays. The restriction of visiting to these days may be a hardship for some families and arrangements for other suitable hours shall be made to the extent prac-

ticable. Where staff resources permit, the Warden may establish evening visiting hours.

(b) Consistent with available resources, such as space limitations and staff availability, and with concerns of institution security, the Warden may limit the visiting period. With respect to weekend visits, for example, some or all inmates and visitors may be limited to visiting on Saturday or on Sunday, but not on both days, in order to accommodate the volume of visitors. There is no requirement that every visitor has the opportunity to visit on both days of the weekend, nor that every inmate has the opportunity to have visits on both days of the weekend.

[51 FR 26127, July 18, 1986]

§ 540.43 Frequency of visits and number of visitors.

The Warden shall allow each inmate a minimum of four hours visiting time per month. The Warden may limit the length or frequency of visits only to avoid chronic overcrowding. The Warden may establish a guideline for the maximum number of persons who may visit an inmate at one time, to prevent overcrowding in the visiting room or unusual difficulty in supervising a visit. Exceptions may be made to any local guideline when indicated by special circumstances, such as distance the visitor must travel, frequency of the inmate's visits, or health problems of the inmate or visitor.

§ 540.44 Regular visitors.

An inmate desiring to have regular visitors must submit a list of proposed visitors to the designated staff. See § 540.45 for qualification as special visitor. Staff are to compile a visiting list for each inmate after suitable investigation in accordance with § 540.51(b) of this part. The list may include:

(a) *Members of the immediate family.* These persons include mother, father, step-parents, foster parents, brothers and sisters, spouse, and children. These individuals are placed on the visiting list, absent strong circumstances which preclude visiting.

(b) *Other relatives.* These persons include grandparents, uncles, aunts, in-laws, and cousins. They may be placed

§ 540.45

on the approved list if the inmate wishes to have visits from them regularly and if there exists no reason to exclude them.

(c) *Friends and associates.* The visiting privilege ordinarily will be extended to friends and associates having an established relationship with the inmate prior to confinement, unless such visits could reasonably create a threat to the security and good order of the institution. Exceptions to the prior relationship rule may be made, particularly for inmates without other visitors, when it is shown that the proposed visitor is reliable and poses no threat to the security or good order of the institution.

(d) *Persons with prior criminal convictions.* The existence of a criminal conviction alone does not preclude visits. Staff shall give consideration to the nature, extent and recentness of convictions, as weighed against the security considerations of the institution. Specific approval of the Warden may be required before such visits take place.

(e) *Children under sixteen.* Children under the age of 16 may not visit unless accompanied by a responsible adult. Children shall be kept under supervision of a responsible adult or a children's program. Exceptions in unusual circumstances may be made by special approval of the Warden.

[45 FR 44232, June 30, 1980, as amended at 56 FR 4159, Feb. 1, 1991; 68 FR 10658, Mar. 6, 2003]

§ 540.45 Qualification as special visitor.

Persons in the categories listed in this section may qualify as special visitors rather than as regular visitors. Visits by special visitors ordinarily are for a specific purpose and ordinarily are not of a recurring nature. Except as specified, the conditions of visiting for special visitors are the same as for regular visitors.

(a) *Business visitor.* Except for pretrial inmates, an inmate is not permitted to engage actively in a business or profession. An inmate who was engaged in a business or profession prior to commitment is expected to assign authority for the operation of such business or profession to a person in the community. Pretrial inmates may be allowed special visitors for the purpose of protecting the pretrial inmate's business

28 CFR Ch. V (7-1-16 Edition)

interests. In those instances where an inmate has turned over the operation of a business or profession to another person, there still may be an occasion where a decision must be made which will substantially affect the assets or prospects of the business. The Warden accordingly may permit a special business visit in such cases. The Warden may waive the requirement for the existence of an established relationship prior to confinement for visitors approved under this paragraph.

(b) *Consular visitors.* When it has been determined that an inmate is a citizen of a foreign country, the Warden must permit the consular representative of that country to visit on matters of legitimate business. The Warden may not withhold this privilege even though the inmate is in disciplinary status. The requirement for the existence of an established relationship prior to confinement does not apply to consular visitors.

(c) *Representatives of community groups.* The Warden may approve visits on a recurring basis to representatives from community groups (for example, civic, volunteer, or religious organizations) who are acting in their official capacity. These visits may be for the purpose of meeting with an individual inmate or with a group of inmates. The requirement for the existence of an established relationship prior to confinement for visitors does not apply to representatives of community groups.

(d) *Clergy, former or prospective employers, sponsors, and parole advisors.* Visitors in this category ordinarily provide assistance in release planning, counseling, and discussion of family problems. The requirement for the existence of an established relationship prior to confinement for visitors does not apply to visitors in this category.

[68 FR 10658, Mar. 6, 2003]

§ 540.46 Attorney visits.

Requirements for attorney visits are governed by the provisions on inmate legal activities (see §§ 543.12 through 543.16 of this chapter). Provisions pertinent to attorney visits for pretrial inmates are contained in § 551.117 of this chapter.

[68 FR 10658, Mar. 6, 2003]

§ 540.47 Media visits.

Requirements for media visits are governed by the provisions on contact with news media (see subpart E of this part). A media representative who wishes to visit outside his or her official duties, however, must qualify as a regular visitor or, if applicable, a special visitor.

[68 FR 10658, Mar. 6, 2003]

§ 540.48 [Reserved]**§ 540.49 Transportation assistance.**

The Warden shall ensure that directions for transportation to and from the institution are provided for the approved visitor (see § 540.51(b)(4)). Directions for transportation to and from the institution and pay phone service, with commercial transportation phone numbers posted, are also to be made available at the institution to assist visitors.

§ 540.50 Visits to inmates not in regular population status.

(a) *Admission and holdover status.* The Warden may limit to the immediate family of the inmate visits during the admission-orientation period or for holdovers where there is neither a visiting list from a transferring institution nor other verification of proposed visitors.

(b) *Hospital patients.* (1) When visitors request to see an inmate who is hospitalized in the institution, the Chief Medical Officer (or, in his absence, the Health Services Administrator), in consultation with the Captain, shall determine whether a visit may occur, and if so, whether it may be held in the hospital.

(2) Visits to inmates hospitalized in the community may be restricted to only the immediate family and are subject to the general visiting policy of that hospital.

(c) *Detention or segregation status.* Ordinarily, an inmate retains visiting privileges while in detention or segregation status. Visiting may be restricted or disallowed, however, when an inmate, while in detention or segregation status, is charged with, or has been found to have committed, a prohibited act having to do with visiting

guidelines or has otherwise acted in a way that would reasonably indicate that he or she would be a threat to the orderliness or security of the visiting room. Loss of an inmate's visiting privileges for other reasons may not occur unless the inmate is provided a hearing before the Discipline Hearing Officer (DHO) in accordance with the provisions of § 541.17 of this chapter, following those provisions which are appropriate to the circumstances, which results in a finding by the DHO that the inmate committed a prohibited act and that there is a lack of other appropriate sanctions or that imposition of an appropriate sanction previously has been ineffective. The Unit Discipline Committee (UDC) may not impose a loss of visiting privileges for inmates in detention or segregation status. The provisions of this paragraph (c) do not interrupt or delay a loss of visiting sanction imposed by the UDC or DHO prior to the inmate's placement in detention or segregation status.

[45 FR 44232, June 30, 1980, as amended at 51 FR 26128, July 18, 1986; 58 FR 39095, July 21, 1993]

§ 540.51 Procedures.

(a) *Responsibility.* The Warden of the institution shall establish and enforce local visiting guidelines in accordance with the rules and regulations of the Bureau of Prisons.

(b) *Preparation of the list of visitors.* (1) Staff shall ask each inmate to submit during the admission-orientation process a list of proposed visitors. After appropriate investigation, staff shall compile a visiting list for each inmate and distribute that list to the inmate and the visiting room officer.

(2) Staff may request background information from potential visitors who are not members of the inmate's immediate family, before placing them on the inmate's approved visiting list. When little or no information is available on the inmate's potential visitor, visiting may be denied, pending receipt and review of necessary information, including information which is available on the inmate and/or the inmate's offense, including alleged offenses.

(3) If a background investigation is necessary before approving a visitor,

the inmate shall be held responsible for mailing a release authorization form to the proposed visitor. That form must be signed and returned to staff by the proposed visitor prior to any further action regarding visiting. Upon receipt of the authorization form, staff may then forward a questionnaire, along with the release authorization, to the appropriate law enforcement or crime information agency.

(4) Staff shall notify the inmate of each approval or disapproval of a requested person for the visiting list. Upon approval of each visitor, staff shall provide the inmate a copy of the visiting guidelines and with directions for transportation to and from the institution. The inmate is responsible for notifying the visitor of the approval or disapproval to visit and is expected to provide the approved visitors with a copy of the visiting guidelines and directions for transportation to and from the institution. The visiting guidelines shall include specific directions for reaching the institution and shall cite 18 U.S.C. 1791, which provides a penalty of imprisonment for not more than twenty years, a fine, or both for providing or attempting to provide to an inmate anything whatsoever without the knowledge and consent of the Warden.

(5) An inmate's visiting list may be amended at any time in accordance with the procedures of this section.

(c) *Verification of special visitor credentials.* Staff must verify the qualifications of special visitors. Staff may request background information and official assignment documentation from the potential visitor for this purpose.

(d) *Identification of visitors.* Staff shall verify the identity of each visitor (through driver's license, photo identification, etc.) prior to admission of the visitor to the institution.

(e) *Notification to visitors.* Staff shall make available to all visitors written guidelines for visiting the institution. Staff shall have the visitor sign a statement acknowledging that the guidelines were provided and declaring that the visitor does not have any articles in his/her possession which the visitor knows to be a threat to the security of the institution. Staff may deny

the visiting privilege to a visitor who refuses to make such a declaration.

(f) *Searching visitors.* Staff may require a visitor to submit to a personal search, including a search of any items of personal property, as a condition of allowing or continuing a visit.

(g) *Record of visitors.* The Warden shall maintain a record of visitors to each inmate. The visitor's signature may be required on that record and shall be required on at least one visiting log or record maintained by the institution.

(h) *Supervision of visits.* Staff shall supervise each inmate visit to prevent the passage of contraband and to ensure the security and good order of the institution. The Warden may establish procedures to enable monitoring of the visiting area, including restrooms located within the visiting area. The Warden must provide notice to both visitors and inmates of the potential for monitoring the visiting area. The Warden may monitor a visitor restroom within the visiting area when there is reasonable suspicion that a visitor and/or an inmate is engaged, or attempting or about to engage, in criminal behavior or other prohibited behavior.

(1) The visiting room officer shall ensure that all visits are conducted in a quiet, orderly, and dignified manner. The visiting room officer may terminate visits that are not conducted in the appropriate manner. See 28 CFR 541.12, item 5, for description of an inmate's responsibility during visits.

(2) Staff shall permit limited physical contact, such as handshaking, embracing, and kissing, between an inmate and a visitor, unless there is clear and convincing evidence that such contact would jeopardize the safety or security of the institution. Where contact visiting is provided, handshaking, embracing, and kissing are ordinarily permitted within the bounds of good taste and only at the beginning and at the end of the visit. The staff may limit physical contact to minimize opportunity for the introduction of contraband and to maintain the orderly operation of the visiting area.

(3) The visiting room officer may not accept articles or gifts of any kind for an inmate, except packages which have

Bureau of Prisons, Justice

§ 540.62

had prior approval by the Warden or a designated staff member.

(4) The visiting room officer shall be aware of any articles passed between the inmate and the visitor. If there is any reasonable basis to believe that any item is being passed which constitutes contraband or is otherwise in violation of the law or Bureau regulations, the visiting room officer may examine the item.

[45 FR 44232, June 30, 1980, as amended at 51 FR 26128, July 18, 1986; 58 FR 39095, July 21, 1993; 64 FR 25795, May 12, 1999; 68 FR 10658, Mar. 6, 2003; 69 FR 40317, July 2, 2004]

§ 540.52 Penalty for violation of visiting regulations.

Any act or effort to violate the visiting guidelines of an institution may result in disciplinary action against the inmate, which may include the denial of future visits, possibly over an extended period of time. Moreover, criminal prosecution may be initiated against the visitor, the inmate, or both, in the case of criminal violations.

Subpart E—Contact With News Media

SOURCE: 44 FR 38247, June 29, 1979, unless otherwise noted.

§ 540.60 Purpose and scope.

The Bureau of Prisons recognizes the desirability of establishing a policy that affords the public information about its operations via the news media. Representatives of the news media (see § 540.2) may visit institutions for the purpose of preparing reports about the institution, programs, and activities. It is not the intent of this rule to provide publicity for an inmate or special privileges for the news media, but rather to insure a better informed public. The Bureau of Prisons also has a responsibility to protect the privacy and other rights of inmates and members of the staff. Therefore, an interview in an institution must be regulated to insure the orderly and safe operation of the institution.

§ 540.61 Authorization.

(a) A news media representative who desires to make a visit or conduct an

interview at an institution must make application in writing to the Warden, indicating that he or she is familiar with the rules and regulations of the institution and agrees to comply with them.

(b) As a condition of authorizing interviews and making facilities available to conduct an interview, the news media representative shall recognize a professional responsibility to make reasonable attempts to verify any allegations regarding an inmate, staff member or institution.

(c) A representative of the news media is requested to provide the Bureau of Prisons an opportunity to respond to any allegation, which might be published or broadcast prior to distribution.

(d) A representative of the news media shall collect information only from the primary source. A representative of the news media may not obtain and use personal information from one inmate about another inmate who refuses to be interviewed.

(e) The Warden may be contacted concerning discussions or comments regarding applicability of any rule or order.

(f) Failure to adhere to the standards of conduct set forth by this rule for the news media representative constitutes grounds for denying that news media representative, or the news organization which he or she represents, permission to conduct an interview.

(g) Any questions as to the meaning or application of this subpart are resolved by the Director of the Bureau of Prisons.

§ 540.62 Institutional visits.

(a) A media representative shall make advance appointments for visits.

(b) When media representatives visit the institutions, photographs of programs and activities may be taken, and media representatives may meet with groups of inmates engaged in authorized programs and activities. An inmate has the right not to be photographed and not to have his or her voice recorded by the media. A visiting representative of the media is required to obtain written permission from an

§ 540.63

28 CFR Ch. V (7-1-16 Edition)

inmate before photographing or recording the voice of an inmate participating in authorized programs and activities.

(c) The Warden may suspend all media visits during an institutional emergency and for a reasonable time after the emergency.

(d) An inmate currently confined in an institution may not be employed or act as a reporter.

(e) Interviews by reporters and others not included in § 540.2 may be permitted only by special arrangement and with approval of the Warden.

[44 FR 38247, June 29, 1979, as amended at 75 FR 21164, Apr. 23, 2010]

§ 540.63 Personal interviews.

(a) An inmate may not receive compensation or anything of value for interviews with the news media.

(b) Either an inmate or a representative of the news media may initiate a request for a personal interview at an institution.

(c) Visits by the news media to conduct personal interviews are subject to the same conditions stated in § 540.62. A media representative shall make a request for personal interview within a reasonable time prior to the personal interview.

(d) Staff shall notify an inmate of each interview request, and shall, as a prerequisite, obtain from the inmate written consent for the interview prior to the interview taking place. The written consent or denial becomes part of the inmate's central file.

(e) As a prerequisite to granting the interview, an inmate must authorize the institutional staff to respond to comments made in the interview and to release information to the news media relative to the inmate's comments.

(f) The Warden shall normally approve or disapprove an interview request within 24 to 48 hours of the request.

(g) The Warden shall document any disapproval. A request for interview may be denied for any of the following reasons.

(1) The news media representative, or the news organization which he or she represents, does not agree to the conditions established by this subpart or

has, in the past, failed to abide by the required conditions.

(2) The inmate is physically or mentally unable to participate. This must be supported by a medical officer's statement (a psychologist may be used to verify mental incapacity) to be placed in the inmate's record, substantiating the reason for disapproval.

(3) The inmate is a juvenile (under age 18) and written consent has not been obtained from the inmate's parent or guardian. If the juvenile inmate's parents or guardians are not known or their addresses are not known, the Warden of the institution shall notify the representative of the news media of the inmate's status as a juvenile, and shall then consider the request.

(4) The interview, in the opinion of the Warden, would endanger the health or safety of the interviewer, or would probably cause serious unrest or disturb the good order of the institution.

(5) The inmate is involved in a pending court action and the court having jurisdiction has issued an order forbidding such interviews.

(6) In the case of unconvicted persons (including competency commitments under 18 U.S.C. 4244 and 4246) held in federal institutions, interviews are not authorized until there is clearance with the court having jurisdiction, ordinarily through the U.S. Attorney's Office.

(7) The inmate is a "protection" case and revelation of his or her whereabouts would endanger the inmate's safety.

(h) Interviews are normally held in the institution visiting room during normal weekday business hours. The Warden may:

(1) Determine that another location is more suitable for conducting the interview;

(2) Limit interview time for the entire institution if the Warden determines that the interviews are imposing a serious drain on staff or use of the facilities;

(3) Limit to one one-hour interview per month for an inmate in segregation, restricted, holdover, control unit, or hospital status if required by special security, custodial, or supervisory needs; and

Bureau of Prisons, Justice

§ 540.70

(4) Limit the amount of audio, video, and film equipment or number of media personnel entering the institution if the Warden determines that the requested equipment or personnel would create a disruption within the institution.

(i) In conjunction with the personal interview, if the member of the media wishes to tour the institution, he or she must comply with the provisions of § 540.61.

(j) Interviews are not subject to auditory supervision.

§ 540.64 Press pools.

(a) The Warden may establish a press pool whenever he or she determines that the frequency of requests for interviews and visits reaches a volume that warrants limitations.

(b) Whenever the Warden establishes a press pool, the Warden shall notify all news media representatives who have requested interviews or visits that have not been conducted. Selected representatives are admitted to the institution to conduct the interviews under the specific guidelines established by the Warden.

(c) All members of the press pool are selected by their peers and consist of not more than one representative from each of the following groups:

(1) The national and international news services;

(2) The television and radio networks and outlets;

(3) The news magazines and newspapers; and

(4) All media in the local community where the institution is located. If no interest has been expressed by one or more of these groups, no representative from such group need be selected.

(d) All news material generated by such a press pool is made available to all media without right of first publication or broadcast.

§ 540.65 Release of information.

(a) The Warden shall promptly make announcements stating the facts of unusual, newsworthy incidents to local news media. Examples are deaths, inside escapes, and institution emergencies.

(b) The Warden shall provide information about an inmate that is a mat-

ter of public record to the representatives of the media upon request. The information is limited to the inmate's:

(1) Name;

(2) Register number;

(3) Place of incarceration;

(4) Age;

(5) Race;

(6) Conviction and sentencing data: this includes the offense(s) for which convicted, the court where convicted, the date of sentencing, the length of sentence(s), the amount of good time earned, the parole eligibility date and parole release (presumptive or effective) date, and the date of expiration of sentence, and includes previous Federal, state, and local convictions;

(7) Past movement via transfers or writs;

(8) General institutional assignments.

(c) Information in paragraphs (b)(1) through (8) of this section may not be released if confidential for protection cases.

(d) A request for additional information concerning an inmate by a representative of the news media is referred to the Public Information Officer, Central Office, Washington, DC.

(e) The Public Information Officer, Central Office, Washington, DC shall release all announcements related to:

(1) Bureau of Prisons policy;

(2) Changes in an institutional mission;

(3) Type of inmate population; or

(4) Changes in executive personnel.

Subpart F—Incoming Publications

§ 540.70 Purpose and scope.

Except when precluded by statute (see § 540.72), the Bureau of Prisons permits an inmate to subscribe to or to receive publications without prior approval and has established procedures to determine if an incoming publication is detrimental to the security, discipline, or good order of the institution or if it might facilitate criminal activity. The term publication, as used in this subpart, means a book, booklet, pamphlet, or similar document, or a single issue of a magazine, periodical, newsletter, newspaper, plus such other

§ 540.71

28 CFR Ch. V (7-1-16 Edition)

materials addressed to a specific inmate such as advertising brochures, flyers, and catalogs.

[61 FR 57568, Nov. 6, 1996]

§ 540.71 Procedures.

(a)(1) At all Bureau institutions, an inmate may receive hardcover publications and newspaper only from the publisher, from a book club, or from a bookstore.

(2) At medium security, high security, and administrative institutions, an inmate may receive softcover publications (for example, paperback books, newspaper, clippings, magazines, and other similar items) only from the publisher, from a book club, or from a bookstore.

(3) At minimum security and low security institutions, an inmate may receive softcover publications (other than newspapers) from any source.

(4) The Unit Manager may make an exception to the provisions of paragraphs (a)(1) and (2) of this section of the publication is no longer available from the publisher, book club, or bookstore. The Unit Manager shall require that the inmate provide written documentation that the publication is no longer available from these sources. The approval or disapproval of any request for an exception is to be documented, in writing, on an Authorization to Receive a Package form which will be used to secure the item.

(b) The Warden may reject a publication only if it is determined detrimental to the security, good order, or discipline of the institution or if it might facilitate criminal activity. The Warden may not reject a publication solely because its content is religious, philosophical, political, social or sexual, or because its content is unpopular or repugnant. Publications which may be rejected by a Warden include but are not limited to publications which meet one of the following criteria:

(1) It depicts or describes procedures for the construction or use of weapons, ammunition, bombs or incendiary devices;

(2) It depicts, encourages, or describes methods of escape from correctional facilities, or contains blueprints, drawings or similar descriptions of Bureau of Prisons institutions;

(3) It depicts or describes procedures for the brewing of alcoholic beverages, or the manufacture of drugs;

(4) It is written in code;

(5) It depicts, describes or encourages activities which may lead to the use of physical violence or group disruption;

(6) It encourages or instructs in the commission of criminal activity;

(7) It is sexually explicit material which by its nature or content poses a threat to the security, good order, or discipline of the institution, or facilitates criminal activity.

(c) The Warden may not establish an excluded list of publications. This means the Warden shall review the individual publication prior to the rejection of that publication. Rejection of several issues of a subscription publication is not sufficient reason to reject the subscription publication in its entirety.

(d) Where a publication is found unacceptable, the Warden shall promptly advise the inmate in writing of the decision and the reasons for it. The notice must contain reference to the specific article(s) or material(s) considered objectionable. The Warden shall permit the inmate an opportunity to review this material for purposes of filing an appeal under the Administrative Remedy Program unless such review may provide the inmate with information of a nature which is deemed to pose a threat or detriment to the security, good order or discipline of the institution or to encourage or instruct in criminal activity.

(e) The Warden shall provide the publisher or sender of an unacceptable publication a copy of the rejection letter. The Warden shall advise the publisher or sender that he may obtain an independent review of the rejection by writing to the Regional Director within 20 days of receipt of the rejection letter. The Warden shall return the rejected publication to the publisher or sender of the material unless the inmate indicates an intent to file an appeal under the Administrative Remedy Program, in which case the Warden shall retain the rejected material at the institution for review. In case of appeal, if the rejection is sustained, the rejected publication shall be returned when appeal or legal use is completed.

Bureau of Prisons, Justice

§ 540.100

(f) The Warden may set limits locally (for fire, sanitation or housekeeping reasons) on the number or volume of publications an inmate may receive or retain in his quarters. The Warden may authorize an inmate additional storage space for storage of legal materials in accordance with the Bureau of Prisons procedures on personal property of inmates.

(a) When commercially published information or material may not be distributed by staff or made available to inmates due to statutory restrictions (for example, a prohibition on the use of appropriated funds to distribute or make available to inmates information or material which is sexually explicit or features nudity), the Warden or designee shall return the information or material to the publisher or sender. The Warden or designee shall advise the publisher or sender that an independent review of the decision may be obtained by writing to the Regional Director within 20 days of receipt of the notification letter. Staff shall provide the inmate with written notice of the action.

(b) *Definitions.* For the purpose of this section:

(1) *Commercially published information or material* means any book, booklet, pamphlet, magazine, periodical, newsletter, photograph or other pictorial depiction, or similar document, including stationery and greeting cards, published by any individual, organization, company, or corporation which is distributed or made available through any means or media for a commercial purpose. Subparts G–H [Reserved]

Subpart I—Telephone Regulations for Inmates

SOURCE: 44 FR 38249, June 29, 1979, unless otherwise noted.

§ 540.100 Purpose and scope.

(a) The Bureau of Prisons extends telephone privileges to inmates as part of its overall correctional management. Telephone privileges are a supplemental means of maintaining community and family ties that will contribute to an inmate's personal development. An inmate may request to call a person of his or her choice outside the institution on a telephone provided for that purpose. However, limitations and conditions may be imposed upon an inmate's telephone privileges to ensure that these are consistent with other aspects of the Bureau's correctional management responsibilities. In addition to the procedures set forth in this subpart, inmate telephone use is subject to those limitations which the Warden determines are necessary to ensure the security or good order, including discipline, of the institution or to protect the public. Restrictions on inmate telephone use may also be imposed as a disciplinary sanction (see 28 CFR part 541).

(b) Except as provided in this rule, the Warden shall permit an inmate who has not been restricted from telephone use as the result of a specific institutional disciplinary sanction to make at least one telephone call each month.

[59 FR 15824, Apr. 4, 1994, as amended at 61 FR 90, Jan. 2, 1996]

§ 540.101

28 CFR Ch. V (7-1-16 Edition)

§ 540.101 Procedures.

(a) *Telephone list preparation.* An inmate telephone call shall ordinarily be made to a number identified on the inmate's official telephone list. This list ordinarily may contain up to 30 numbers. The Associate Warden may authorize the placement of additional numbers on an inmate's telephone list based on the inmate's individual situation, e.g., size of family.

(1) During the admission and orientation process, an inmate who chooses to have telephone privileges shall prepare a proposed telephone list. At the time of submission, the inmate shall acknowledge that, to the best of the inmate's knowledge, the person or persons on the list are agreeable to receiving the inmate's telephone call and that the proposed calls are to be made for a purpose allowable under Bureau policy or institution guidelines.

(2) Except as provided in paragraph (a)(3) of this section, telephone numbers requested by an inmate will ordinarily be placed on the inmate's telephone list. When an inmate requests the placement of numbers for persons other than for immediate family or those persons already approved for the inmate's visiting list, staff ordinarily will notify those persons in writing that their numbers have been placed on the inmate's telephone list. The notice advises the recipient that the recipient's number will be removed from the list if the recipient makes a written request to the institution, or upon the written request of the inmate, or as provided in paragraph (a)(3) of this section.

(3) The Associate Warden may deny placement of a telephone number on an inmate's telephone list if the Associate Warden determines that there is a threat to institution security or good order, or a threat to the public. Any disapproval must be documented in writing to both the inmate and the proposed recipient. As with concerns about any correctional issue, including any portion of these telephone regulations, an inmate may appeal the denial through the administrative remedy procedure (see 28 CFR part 542). The Associate Warden will notify the denied recipient that he or she may appeal the denial by writing to the War-

den within 15 days of the receipt of the denial.

(b) *Telephone list update.* Each Warden shall establish procedures to allow an inmate the opportunity to submit telephone list changes on at least a quarterly basis.

(c) *Telephone access codes.* An inmate may not possess another inmate's telephone access code number. An inmate may not give his or her telephone access code number to another inmate, and is to report a compromised telephone access code number immediately to unit staff.

(d) *Placement and duration of telephone call.* The placement and duration of any telephone call is subject to availability of inmate funds. Ordinarily, an inmate who has sufficient funds is allowed at least three minutes for a telephone call. The Warden may limit the maximum length of telephone calling based on the situation at that institution (e.g., institution population or usage demand).

(e) *Exception.* The Warden may allow the placement of collect calls for good cause. Examples of good cause include, but are not limited to, inmates who are new arrivals to the institution, including new commitments and transfers; inmates confined at Metropolitan Correctional Centers, Metropolitan Detention Centers, or Federal Detention Centers; pretrial inmates; inmates in hold-over status; inmates who are without funds (see § 540.105(b)); and in cases of family emergencies.

[59 FR 15824, Apr. 4, 1994]

§ 540.102 Monitoring of inmate telephone calls.

The Warden shall establish procedures that enable monitoring of telephone conversations on any telephone located within the institution, said monitoring to be done to preserve the security and orderly management of the institution and to protect the public. The Warden must provide notice to the inmate of the potential for monitoring. Staff may not monitor an inmate's properly placed call to an attorney. The Warden shall notify an inmate of the proper procedures to have

an unmonitored telephone conversation with an attorney.

[48 FR 24622, June 1, 1983. Redesignated at 59 FR 15824, Apr. 4, 1994]

§ 540.103 Inmate telephone calls to attorneys.

The Warden may not apply frequency limitations on inmate telephone calls to attorneys when the inmate demonstrates that communication with attorneys by correspondence, visiting, or normal telephone use is not adequate.

[44 FR 38249, June 29, 1979. Redesignated at 59 FR 15824, Apr. 4, 1994]

§ 540.104 Responsibility for inmate misuse of telephones.

The inmate is responsible for any misuse of the telephone. The Warden shall refer incidents of unlawful inmate telephone use to law enforcement authorities. The Warden shall advise an inmate that violation of the institution's telephone regulations may result in institutional disciplinary action (See part 541, subpart B).

[44 FR 38249, June 29, 1979. Redesignated at 59 FR 15824, Apr. 4, 1994]

§ 540.105 Expenses of inmate telephone use.

(a) An inmate is responsible for the expenses of inmate telephone use. Such expenses may include a fee for replacement of an inmate's telephone access code that is used in an institution which has implemented debit billing for inmate telephone calls. Each inmate is responsible for staying aware of his or her account balance through the automated process provided by the system. Third party billing and electronic transfer of a call to a third party are prohibited.

(b) The Warden shall provide at least one collect call each month for an inmate who is without funds. An inmate without funds is defined as an inmate who has not had a trust fund account balance of \$6.00 for the past 30 days. The Warden may increase the number of collect calls based upon local institution conditions (e.g., institution population, staff resources, and usage demand). To prevent abuses of this provision (e.g., inmate shows a pattern of depleting his or her commissary funds

prior to placing collect calls), the Warden may impose restrictions on the provisions of this paragraph (b).

(c) [Reserved]

(d) The Warden may direct the government to bear the expense of inmate telephone use or allow a call to be made collect under compelling circumstances such as when an inmate has lost contact with his family or has a family emergency.

Subpart J—Communications Management Housing Units

SOURCE: 80 FR 3177, Jan. 22, 2015, unless otherwise noted.

§ 540.200 Purpose and scope.

(a) *Purpose of this subpart.* This subpart defines the Federal Bureau of Prisons' (Bureau) authority to operate, and designate inmates to, Communications Management Housing Units (CMUs) within Bureau facilities.

(b) *CMU.* A CMU is a general population housing unit where inmates ordinarily reside, eat, and participate in all educational, recreational, religious, visiting, unit management, and work programming, within the confines of the CMU. Additionally, CMUs may contain a range of cells dedicated to segregated housing of inmates in administrative detention or disciplinary segregation status.

(c) *Purpose of CMUs.* The purpose of CMUs is to provide an inmate housing unit environment that enables staff to more effectively monitor communication between inmates in CMUs and persons in the community. The ability to monitor such communication is necessary to ensure the safety, security, and orderly operation of correctional facilities, and protection of the public. The volume, frequency, and methods, of CMU inmate contact with persons in the community may be limited as necessary to achieve the goal of total monitoring, consistent with this subpart.

(d) *Application.* Any inmate (as defined in 28 CFR 500.1(c)) meeting criteria prescribed by this subpart may be designated to a CMU.

§ 540.201

(e) *Relationship to other regulations.* The regulations in this subpart supersede and control to the extent they conflict with, are inconsistent with, or impose greater limitations than the regulations in this part, or any other regulations in this chapter, except 28 CFR part 501.

§ 540.201 Designation criteria.

Inmates may be designated to a CMU if evidence of the following criteria exists:

(a) The inmate's current offense(s) of conviction, or offense conduct, included association, communication, or involvement, related to international or domestic terrorism;

(b) The inmate's current offense(s) of conviction, offense conduct, or activity while incarcerated, indicates a substantial likelihood that the inmate will encourage, coordinate, facilitate, or otherwise act in furtherance of illegal activity through communication with persons in the community;

(c) The inmate has attempted, or indicates a substantial likelihood that the inmate will contact victims of the inmate's current offense(s) of conviction;

(d) The inmate committed prohibited activity related to misuse or abuse of approved communication methods while incarcerated; or

(e) There is any other substantiated/credible evidence of a potential threat to the safe, secure, and orderly operation of prison facilities, or protection of the public, as a result of the inmate's communication with persons in the community.

§ 540.202 Designation procedures.

Inmates may be designated to CMUs only according to the following procedures:

(a) *Initial consideration.* Initial consideration of inmates for CMU designation begins when the Bureau becomes aware of information relevant to the criteria described in § 540.201.

(b) *Assistant Director authority.* The Bureau's Assistant Director, Correctional Programs Division, has authority to approve CMU designations. The Assistant Director's decision must be based on a review of the evidence, and a conclusion that the inmate's designa-

28 CFR Ch. V (7-1-16 Edition)

tion to a CMU is necessary to ensure the safety, security, and orderly operation of correctional facilities, or protection of the public.

(c) *Written notice.* Upon arrival at the designated CMU, inmates will receive written notice from the facility's Warden explaining that:

(1) Designation to a CMU allows greater Bureau staff management of communication with persons in the community through complete monitoring of telephone use, written correspondence, and visiting. The volume, frequency, and methods of CMU inmate contact with persons in the community may be limited as necessary to achieve the goal of total monitoring, consistent with this subpart;

(2) General conditions of confinement in the CMU may also be limited as necessary to provide greater management of communications;

(3) Designation to the CMU is not punitive and, by itself, has no effect on the length of the inmate's incarceration. Inmates in CMUs continue to earn sentence credit in accordance with the law and Bureau policy;

(4) Designation to the CMU follows the Assistant Director's decision that such placement is necessary for the safe, secure, and orderly operation of Bureau institutions, or protection of the public. The inmate will be provided an explanation of the decision in sufficient detail, unless the Assistant Director determines that providing specific information would jeopardize the safety, security, and orderly operation of correctional facilities, or protection of the public;

(5) Continued designation to the CMU will be reviewed regularly by the inmate's Unit Team under circumstances providing the inmate notice and an opportunity to be heard, in accordance with the Bureau's policy on Classification and Program Review of Inmates;

(6) The inmate may challenge the CMU designation decision, and any aspect of confinement therein, through the Bureau's administrative remedy program.

§ 540.203 Written correspondence limitations.

(a) *General correspondence.* General written correspondence as defined by

this part, may be limited to six pieces of paper (not larger than 8.5 x 11 inches), double-sided writing permitted, once per calendar week, to and from a single recipient at the discretion of the Warden, except as stated in (c) below. This correspondence is subject to staff inspection for contraband and for content.

(b) *Special mail.* (1) Special mail, as defined in this part, is limited to privileged communication with the inmate's attorney.

(2) All such correspondence is subject to staff inspection in the inmate's presence for contraband and to ensure its qualification as privileged communication with the inmate's attorney. Inmates may not seal such outgoing mail before giving it to staff for processing. After inspection for contraband, the inmate must then seal the approved outgoing mail material in the presence of staff and immediately give the sealed material to the observing staff for further processing.

(c) *Frequency and volume limitations.* Unless the quantity to be processed becomes unreasonable or the inmate abuses or violates these regulations, there is no frequency or volume limitation on written correspondence with the following entities:

- (1) U.S. courts;
- (2) Federal judges;
- (3) U.S. Attorney's Offices;
- (4) Members of U.S. Congress;
- (5) The Bureau of Prisons;
- (6) Other federal law enforcement entities; or
- (7) The inmate's attorney (privileged communications only).

(d) Electronic messaging may be limited to two messages, per calendar week, to and from a single recipient at the discretion of the Warden.

§ 540.204 Telephone communication limitations.

(a) *Monitored telephone communication* may be limited to immediate family members only. The frequency and duration of telephone communication may also be limited to three connected calls per calendar month, lasting no longer than 15 minutes. The Warden may require such communication to be in English, or translated by an approved interpreter.

(b) *Unmonitored telephone communication* is limited to privileged communication with the inmate's attorney. Unmonitored privileged telephone communication with the inmate's attorney is permitted as necessary in furtherance of active litigation, after establishing that communication with the verified attorney by confidential correspondence or visiting, or monitored telephone use, is not adequate due to an urgent or impending deadline.

§ 540.205 Visiting limitations.

(a) *Regular visiting* may be limited to immediate family members. The frequency and duration of regular visiting may also be limited to four one-hour visits each calendar month. The number of visitors permitted during any visit is within the Warden's discretion. Such visits must occur through no-contact visiting facilities.

(1) Regular visits may be simultaneously monitored and recorded, both visually and auditorily, either in person or electronically.

(2) The Warden may require such visits to be conducted in English, or simultaneously translated by an approved interpreter.

(b) *Attorney visiting* is limited to attorney-client privileged communication as provided in this part. These visits may be visually, but not auditorily, monitored. Regulations and policies previously established under 28 CFR part 543 are applicable.

(c) For convicted inmates (as defined in 28 CFR part 551), regulations and policies previously established under 28 CFR part 543 are applicable.

Subpart A—Inmate Discipline Program

SOURCE: 75 FR 76267, Dec. 8, 2010, unless otherwise noted.

§ 541.1 Purpose.

This subpart describes the Federal Bureau of Prisons' (Bureau) inmate discipline program. This program helps ensure the safety, security, and orderly operation of correctional facilities, and the protection of the public, by allowing Bureau staff to impose sanctions on inmates who commit prohibited acts. Sanctions will not be imposed in a capricious or retaliatory manner. The Bureau's inmate discipline program is authorized by 18 U.S.C. 4042(a)(3).

§ 541.2 Application.

This program applies to sentenced and unsentenced inmates in Bureau custody. It also applies to sentenced and unsentenced inmates designated to any prison, institution, or facility in which persons are held in custody by direction of, or under an agreement with, the Bureau of Prisons.

§ 541.3 Prohibited acts and available sanctions.

(a) *Prohibited acts.* The list of prohibited acts are divided into four separate categories based on severity: Greatest; High; Moderate; and Low. We describe the prohibited acts in Table 1—Prohibited Acts and Available Sanctions. Aiding, attempting, abetting, or making plans to commit any of the prohibited acts is treated the same as committing the act itself.

(b) *Available sanctions.* The list of available sanctions for committing prohibited acts is listed in Table 1—Prohibited Acts and Available Sanctions. § 541.4 Loss of good conduct sentence credit as a mandatory sanction.

(a) You will lose good conduct sentence credit as a mandatory disciplinary sanction if you are in one of the following two groups:

(1) *VCCLEA-violent inmates*. The date of your U.S. Code offense was on or after September 13, 1994, but before April 26, 1996, and you committed a “crime of violence” as defined by the Violent Crime Control and Law Enforcement Act of 1994 (VCCLEA); or

(2) *PLRA inmates and DC Code offenders*. The date of your U.S. Code offense was on or after April 26, 1996, and, therefore, under the Prison Litigation Reform Act (PLRA), or the date of your District of Columbia (DC) Code offense was on or after August 5, 2000.

(b) If you are an inmate in one of the above groups and commit a prohibited act, you will lose good conduct sentence credit as a mandatory disciplinary sanction. The amount of good conduct sentence credit you will lose depends on the severity level of the

§541.5

prohibited act(s) committed, as follows:

(1) *Greatest Severity Level Offenses.* You will lose at least 41 days, or 75% of available credit if less than 54 days are available for the prorated period, for each act committed.

(2) *High Severity Level Offenses.* You will lose at least 27 days, or 50% of available credit if less than 54 days are available for the prorated period, for each act committed.

(3) *Moderate Severity Level Offenses.* You will lose at least 14 days, or 25% of available credit if less than 54 days are available for the prorated period, after committing two or more Moderate severity acts during the current year of your good conduct sentence credit availability.

(4) *Low Severity Level Offenses.* You will lose at least 7 days, or 12.5% of available credit if less than 54 days are available for the prorated period, after committing three or more Low severity acts during the current year of your good conduct sentence credit availability.

§541.5 Discipline process.

(a) *Incident report.* The discipline process starts when staff witness or reasonably believe that you committed a prohibited act. A staff member will issue you an incident report describing the incident and the prohibited act(s) you are charged with committing. You will ordinarily receive the incident report within 24 hours of staff becoming aware of your involvement in the incident.

(b) *Investigation.* After you receive an incident report, a Bureau staff member will investigate it.

(1) *Information:* The investigator will specifically inform you:

(A) of the charge(s) against you; and

(B) that you may remain silent at all stages of the discipline process, but that your silence may be used to draw an adverse inference against you at any stage of the process. Your silence alone, however, cannot be the basis for finding you committed the prohibited act(s).

(2) *Statement:* When the investigator asks for your statement, you may give an explanation of the incident, request any witnesses be interviewed, or re-

28 CFR Ch. V (7-1-16 Edition)

quest that other evidence be obtained and reviewed. However, the staff investigation of the incident report may be suspended before requesting your statement if it is being investigated for possible criminal prosecution.

(3) *Informally resolving the incident report.* The incident report may be informally resolved at any stage of the disciplinary process, except for prohibited acts in the Greatest and High severity levels, or as otherwise required by law or these regulations. If the incident report is informally resolved, it will be removed from your records.

§541.6 Mentally ill inmates.

If it appears you are mentally ill at any stage of the discipline process, you will be examined by mental health staff.

(a) *Competency to Participate in Disciplinary Proceedings.* If evidence indicates that you cannot understand the nature of the disciplinary proceedings, or cannot help in your own defense, disciplinary proceedings may be postponed until you are competent to participate. The Unit Disciplinary Committee or Discipline Hearing Officer will make this decision based on evidence, including evidence presented by mental health staff.

(b) *Responsibility for Conduct.* You will not be disciplined for conduct committed when, as the result of a severe mental disease or defect, you were unable to appreciate the nature and quality, or wrongfulness of the act. The UDC or DHO will make this decision based on evidence, including evidence presented by mental health staff.

§541.7 Unit Discipline Committee (UDC) review of the incident report.

A Unit Discipline Committee (UDC) will review the incident report once the staff investigation is complete. The UDC's review involves the following:

(a) *Available dispositions.* The UDC will make one of the following decisions after reviewing the incident report:

(1) You committed the prohibited act(s) charged, and/or a similar prohibited act(s) as described in the incident report;

(2) You did not commit the prohibited act(s) charged; or

(3) The incident report will be referred to the Discipline Hearing Officer (DHO) for further review, based on the seriousness of the prohibited act(s) charged.

(4) If you are charged with a Greatest or High severity prohibited act, or are an inmate covered by § 541.4, the UDC will automatically refer the incident report to the DHO for further review.

(b) *UDC members.* The UDC ordinarily consists of two or more staff. UDC members will not be victims, witnesses, investigators, or otherwise significantly involved in the incident.

(c) *Timing.* The UDC will ordinarily review the incident report within five work days after it is issued, not counting the day it was issued, weekends, and holidays. UDC review of the incident report may also be suspended if it is being investigated for possible criminal prosecution.

(d) *Inmate appearance.* You are permitted to appear before the UDC during its review of the incident report, except during UDC deliberations or when your presence would jeopardize institution security, at the UDC's discretion. Also:

(1) You may appear either in person or electronically (for example, by video or telephone conferencing) at the UDC's discretion.

(2) You may waive your appearance before the UDC. If you waive your appearance, the UDC will review the incident report in your absence.

(3) If you escape or are otherwise absent from custody, the UDC will conduct a review in your absence at the institution where you were last confined.

(e) *Evidence.* You are entitled to make a statement and present documentary evidence to the UDC on your own behalf. The UDC will consider all evidence presented during its review. The UDC's decision will be based on at least some facts and, if there is conflicting evidence, on the greater weight of the evidence.

(f) *Sanctions.* If you committed a prohibited act(s), the UDC can impose any of the available sanctions listed in Tables 1 and 2, except loss of good conduct sentence credit, disciplinary segregation, or monetary fines.

(g) *Referral to the DHO.* If the UDC refers the incident report to the DHO for further review, the UDC will advise you of your rights at the upcoming DHO hearing, as detailed in § 541.8.

(h) *Written report.* You will receive a written copy of the UDC's decision following its review of the incident report.

(i) *Appeals.* You may appeal the UDC's action(s) through the Administrative Remedy Program, 28 CFR part 542, subpart B.

[75 FR 76267, Dec. 8, 2010; 75 FR 81854, Dec. 29, 2010]

§ 541.8 Discipline Hearing Officer (DHO) hearing.

The Discipline Hearing Officer (DHO) will only conduct a hearing on the incident report if referred by the UDC. The DHO's hearing involves the following:

(a) *Available dispositions.* The DHO will make one of the following decisions after a hearing on the incident report:

(1) You committed the prohibited act(s) charged, and/or a similar prohibited act(s) as described in the incident report;

(2) You did not commit the prohibited act(s) charged; or

(3) The incident report will be referred back for further investigation, review, and disposition.

(b) *Discipline Hearing Officer.* The DHO will be an impartial decision maker who was not a victim, witness, investigator, or otherwise significantly involved in the incident.

(c) *Timing.* You will receive written notice of the charge(s) against you at least 24 hours before the DHO's hearing. You may waive this requirement, in which case the DHO's hearing can be conducted sooner.

(d) *Staff Representative.* You are entitled to have a staff representative during the DHO hearing process as follows:

(1) *How to get a staff representative.* You may request the staff representative of your choice, so long as that person was not a victim, witness, investigator, or otherwise significantly involved in the incident. If your request(s) cannot be fulfilled, and you still want a staff representative, the Warden will appoint one. The Warden will also appoint a staff representative

if it appears you are unable to adequately represent yourself before the DHO, for example, if you are illiterate or have difficulty understanding the charges against you.

(2) *How the staff representative will help you.* Prior to the DHO's hearing, the staff representative will be available to help you understand the incident report charges and potential consequences. The staff representative may also assist you by speaking with and scheduling witnesses, obtaining written statements, and otherwise helping you prepare evidence for presentation at the DHO's hearing. During the DHO's hearing, you are entitled to have the staff representative appear and assist you in understanding the proceedings. The staff representative can also assist you in presenting evidence during the DHO's hearing.

(3) *How the staff representative may appear.* Your staff representative may appear either in person or electronically (for example, by video or telephone conferencing) at the DHO's discretion. If your staff representative is not available for the scheduled hearing, you may either select another staff representative, request the hearing be postponed for a reasonable amount of time until your staff representative can appear, or proceed without a staff representative.

(e) *Inmate appearance.* You are permitted to appear before the DHO during the hearing on the incident report as follows:

(1) You may appear either in person or electronically (for example, by video or telephone conferencing), at the DHO's discretion.

(2) Your appearance may be prohibited during DHO deliberations or when your presence would jeopardize institution security, at the DHO's discretion.

(3) You may waive your appearance before the DHO. If you waive your appearance, the DHO hearing will be conducted in your absence.

(4) If you escape or are otherwise absent from custody, the DHO will conduct a hearing in your absence at the institution where you were last confined.

(f) *Evidence and witnesses.* You are entitled to make a statement and present documentary evidence to the DHO on

your own behalf. The DHO will consider all evidence presented during the hearing. The DHO's decision will be based on at least some facts and, if there is conflicting evidence, on the greater weight of the evidence. Witnesses may appear at the DHO's hearing as follows:

(1) Witnesses may appear before the DHO either in person or electronically (for example, by video or telephone conferencing) at the DHO's discretion.

(2) The DHO will call witnesses who have information directly relevant to the charge(s) and who are reasonably available. However, the DHO need not call witnesses adverse to you if their testimony is adequately summarized in the incident report or other investigation materials.

(3) You or your staff representative may request witnesses appear at the hearing to testify on your behalf. Your requested witnesses may not appear if, in the DHO's discretion, they are not reasonably available, their presence at the hearing would jeopardize institution security, or they would present repetitive evidence.

(4) If your requested witnesses are unavailable to appear, written statements can be requested by either the DHO or staff representative. The written statements can then be considered during the DHO's hearing.

(5) Only the DHO may directly question witnesses at the DHO's hearing. Any questions by you or your staff representative must be submitted to the DHO, who will present the question to the witness in his/her discretion.

(6) The DHO may consider evidence provided by a confidential informant (CI) that the DHO finds reliable. You will not be informed of the CI's identity. You will be informed of the CI's testimony to the extent it will not jeopardize institution security, at the DHO's discretion.

(g) *Sanctions.* If you committed a prohibited act(s), the DHO can impose any of the available sanctions listed in Tables 1 and 2.

(h) *Written Report.* You will receive a written copy of the DHO's decision following the hearing. The DHO is not required to prepare a verbatim record of the hearing. The DHO's written report will document the following:

Bureau of Prisons, Justice

§ 541.25

(i) *Appeals.* You may appeal the DHO's action(s) through the Administrative Remedy Program, 28 CFR part 542, subpart B.

Subpart B—Special Housing Units

SOURCE: 75 FR 76267, Dec. 8, 2010, unless otherwise noted.

§ 541.20 Purpose.

This subpart describes the Federal Bureau of Prisons' (Bureau) operation of special housing units (SHU) at Bureau institutions. The Bureau's operation of SHUs is authorized by 18 U.S.C. 4042(a)(2) and (3).

§ 541.21 Special Housing Units (SHUs).

Special Housing Units (SHUs) are housing units in Bureau institutions where inmates are securely separated from the general inmate population, and may be housed either alone or with other inmates. Special housing units help ensure the safety, security, and orderly operation of correctional facilities, and protect the public, by providing alternative housing assignments for inmates removed from the general population.

§ 541.22 Status when placed in the SHU.

When placed in the SHU, you are either in administrative detention status or disciplinary segregation status.

(a) *Administrative detention status.* Administrative detention status is an administrative status which removes you from the general population when necessary to ensure the safety, security, and orderly operation of correctional facilities, or protect the public. Administrative detention status is non-punitive, and can occur for a variety of reasons.

(b) *Disciplinary segregation status.* Disciplinary segregation status is a punitive status imposed only by a Dis-

cipline Hearing Officer (DHO) as a sanction for committing a prohibited act(s).

§ 541.23 Administrative detention status.

You may be placed in administrative detention status for the following reasons:

(a) *Pending Classification or Reclassification.* You are a new commitment pending classification or under review for Reclassification.

(b) *Holdover Status.* You are in holdover status during transfer to a designated institution or other destination.

(c) *Removal from general population.* Your presence in the general population poses a threat to life, property, self, staff, other inmates, the public, or to the security or orderly running of the institution and:

(1) *Investigation.* You are under investigation or awaiting a hearing for possibly violating a Bureau regulation or criminal law;

(2) *Transfer.* You are pending transfer to another institution or location;

(3) *Protection cases.* You requested, or staff determined you need, administrative detention status for your own protection; or

(4) *Post-disciplinary detention.* You are ending confinement in disciplinary segregation status, and your return to the general population would threaten the safety, security, and orderly operation of a correctional facility, or public safety.

[75 FR 76273, Dec. 8, 2010; 75 FR 81854, Dec. 29, 2010]

§ 541.24 Disciplinary segregation status.

You may be placed in disciplinary segregation status only by the DHO as a disciplinary sanction.

§ 541.25 Notice received when placed in the SHU.

You will be notified of the reason(s) you are placed in the SHU as follows:

(a) *Administrative detention status.* When placed in administrative detention status, you will receive a copy of the administrative detention order, ordinarily within 24 hours, detailing the reason(s) for your placement. However,

§ 541.26

when placed in administrative detention status pending classification or while in holdover status, you will not receive an administrative detention order.

(b) *Disciplinary segregation status.* When you are to be placed in disciplinary segregation status as a sanction for violating Bureau regulations, you will be informed by the DHO at the end of your discipline hearing.

§ 541.26 Review of placement in the SHU.

Your placement in the SHU will be reviewed by the Segregation Review Official (SRO) as follows:

(a) *Three day review.* Within three work days of your placement in administrative detention status, not counting the day you were admitted, weekends, and holidays, the SRO will review the supporting records. If you are in disciplinary segregation status, this review will not occur.

(b) *Seven day reviews.* Within seven continuous calendar days of your placement in either administrative detention or disciplinary segregation status, the SRO will formally review your status at a hearing you can attend. Subsequent reviews of your records will be performed in your absence by the SRO every seven continuous calendar days thereafter.

(c) *Thirty day reviews.* After every 30 calendar days of continuous placement in either administrative detention or disciplinary segregation status, the SRO will formally review your status at a hearing you can attend.

(d) *Administrative remedy program.* You can submit a formal grievance challenging your placement in the SHU through the Administrative Remedy Program, 28 CFR part 542, subpart B.

§ 541.27 Protection case—placement in Administrative Detention status.

You may be placed in administrative detention status as a protection case in the following circumstances.

(a) *Victim of inmate assault or threats.* You were the victim of an inmate assault, or are being threatened by other inmates, including threats of harm if you do not act in a certain way, for example, threats of harm unless you engage in sexual activity.

28 CFR Ch. V (7–1–16 Edition)

(b) *Inmate informant.* Your safety is threatened because you provided, or are perceived as having provided, information to staff or law enforcement authorities regarding other inmates or persons in the community.

(c) *Inmate refusal to enter general population.* You refuse to enter the general population because of alleged pressures or threats from unidentified inmates, or for no expressed reason.

(d) *Staff concern.* Based on evidence, staff believe your safety may be seriously jeopardized by placement in the general population.

§ 541.28 Protection case—review of placement in the SHU.

(a) *Staff investigation.* Whenever you are placed in the SHU as a protection case, whether requested by you or staff, an investigation will occur to verify the reasons for your placement.

(b) *Hearing.* You will receive a hearing according to the procedural requirements of § 541.26(b) within seven calendar days of your placement. Additionally, if you feel at any time your placement in the SHU as a protection case is unnecessary, you may request a hearing under this section.

(c) *Periodic review.* If you remain in administrative detention status following such a hearing, you will be periodically reviewed as an ordinary administrative detention case under § 541.26.

§ 541.29 Staff verification of need for protection.

If a staff investigation verifies your need for placement in the SHU as a protection case, you may remain in the SHU or be transferred to another institution where your status as a protection case may not be necessary, at the Warden's discretion.

§ 541.30 Lack of verification of need for protection.

If a staff investigation fails to verify your need for placement in the SHU as a protection case, you will be instructed to return to the general population. If you refuse to return to the general population under these circumstances, you may be subject to disciplinary action.

§ 541.31 Conditions of confinement in the SHU.

Your living conditions in the SHU will meet or exceed standards for healthy and humane treatment, including, but not limited to, the following specific conditions:

(a) *Environment.* Your living quarters will be well-ventilated, adequately lighted, appropriately heated, and maintained in a sanitary condition.

(b) *Cell Occupancy.* Your living quarters will ordinarily house only the amount of occupants for which it is designed. The Warden, however, may authorize more occupants so long as adequate standards can be maintained.

(c) *Clothing.* You will receive adequate institution clothing, including footwear, while housed in the SHU. You will be provided necessary opportunities to exchange clothing and/or have it washed.

You will have access to hair care services as necessary.

(g) *Exercise.* You will receive the opportunity to exercise outside your individual quarters at least five hours per week, ordinarily on different days in one-hour periods. You can be denied these exercise periods for a week at a time by order of the Warden if it is determined that your use of exercise privileges threatens safety, security, and orderly operation of a correctional facility, or public safety.

(h) *Personal property.* In either status, your amount of personal property may be limited for reasons of fire safety or sanitation.

(1) In administrative detention status you are ordinarily allowed a reasonable amount of personal property and reasonable access to the commissary.

(2) In disciplinary segregation status your personal property will be impounded, with the exception of limited reading/writing materials, and religious articles. Also, your commissary privileges may be limited.

(m) *Staff monitoring.* You will be monitored by staff assigned to the SHU, including program and unit team staff.

(n) *Programming Activities.* In administrative detention status, you will have access to programming activities to the extent safety, security, orderly operation of a correctional facility, or public safety are not jeopardized. In disciplinary segregation status, your participation in programming activities, *e.g.*, educational programs, may be suspended.

(o) *Administrative remedy program.* You can submit a formal grievance challenging any aspect of your confinement in the SHU through the Administrative Remedy Program, 28 CFR part 542, subpart B.

§ 541.40

28 CFR Ch. V (7-1-16 Edition)

(b) *Disciplinary segregation status.* You will be released from disciplinary segregation status after satisfying the sanction imposed by the DHO. The SRO may release you earlier if it is determined you no longer require disciplinary segregation status.

Subpart C [Reserved]

Subpart D—Control Unit Programs

SOURCE: 49 FR 32991, Aug. 17, 1984, unless otherwise noted.

§ 541.40 Purpose and scope.

(a) In an effort to maintain a safe and orderly environment within its institutions, the Bureau of Prisons operates control unit programs intended to place into a separate unit those inmates who are unable to function in a less restrictive environment without being a threat to others or to the orderly operation of the institution. The Bureau of Prisons provides written criteria for the:

- (1) Referral of an inmate for possible placement within a control unit;
- (2) Selection of an inmate for placement within a control unit;
- (3) Regular review of an inmate while housed in a control unit; and
- (4) Release of an inmate from a control unit.

(b) The Bureau of Prisons provides an inmate confined within a control unit the opportunity to participate in programs and activities restricted as necessary to protect the security, good order, or discipline of the unit.

§ 541.41 Institutional referral.

(a) The Warden shall submit a recommendation for referral of an inmate for placement in a control unit to the Regional Director in the region where the inmate is located.

(b) The Warden shall consider the following factors in a recommendation for control unit placement.

- (1) Any incident during confinement in which the inmate has caused injury to other persons.
- (2) Any incident in which the inmate has expressed threats to the life or well-being of other persons.

(3) Any incident involving possession by the inmate of deadly weapons or dangerous drugs.

(4) Any incident in which the inmate is involved in a disruption of the orderly operation of a prison, jail or other correctional institution.

(5) An escape from a correctional institution.

(6) An escape attempt. Depending on the circumstances, an escape attempt, considered alone or together with an inmate's prior history, may warrant consideration for a control unit placement.

(7) The nature of the offense for which committed. An inmate may not be considered solely on the nature of the crime which resulted in that inmate's incarceration; however, the nature of the crime may be considered in combination with other factor(s) as described in paragraph (b) of this section.

(c) The Warden may not refer an inmate for placement in a control unit:

(1) If the inmate shows evidence of significant mental disorder or major physical disabilities as documented in a mental health evaluation or a physical examination;

(2) On the basis that the inmate is a protection case, e.g., a homosexual, an informant, etc., unless the inmate meets other criteria as described in paragraph (b) of this section.

§ 541.42 Designation of Hearing Administrator.

(a) The Regional Director in the region where the inmate is located shall review the institution's recommendation for referral of an inmate for placement in a control unit. If the Regional Director concurs with the recommendation, the Regional Director shall forward a written request, together with the institution's referral material, to the Regional Director of the region where the control unit is located. The Regional Director of the region where the control unit is located shall designate a person in the Regional Office to review the referral material and to conduct a hearing on the appropriateness of an inmate's placement in a control unit.

(b) The Hearing Administrator shall have the following qualifications:

(1) Correctional experience, including institutional work with inmates, processing of inmate disciplinary actions, significant institutional experience in observing and evaluating inmate adjustment and disruptive behavior, and knowledge of the options available in the Bureau of Prisons for dealing with such conduct;

(2) Lack of former personal involvement in an Institution Discipline Committee action involving the particular inmate in incident(s) referred; and

(3) Familiarity with Bureau of Prisons policies and operations, including the criteria for placement of inmates in different institutions and in a control unit.

§ 541.43 Hearing procedure.

(a) The Hearing Administrator shall provide a hearing to an inmate recommended for placement in a control unit. The hearing ordinarily shall take place at the recommending or sending institution.

(b) The hearing shall proceed as follows.

(1) Staff shall provide an inmate with an advance written notice of the hearing and a copy of this rule at least 24 hours prior to the hearing. The notice will advise the inmate of the specific act(s) or other evidence which forms the basis for a recommendation that the inmate be transferred to a control unit, unless such evidence would likely endanger staff or others. If an inmate is illiterate, staff shall explain the notice and this rule to the inmate and document that this explanation has occurred.

(2) The Hearing Administrator shall provide an inmate the service of a full-time staff member to represent the inmate, if the inmate so desires. The Hearing Administrator shall document in the record of the hearing an inmate's request for, or refusal of staff representation. The inmate may select a staff representative from the local institution. If the selected staff member declines or is unavailable, the inmate has the option of selecting another representative or, in the case of an absent staff member, of waiting a reasonable period (determined by the Hearing Administrator) for the staff member's return, or of proceeding without a staff

representative. When an inmate is illiterate, the Warden shall provide a staff representative. The staff representative shall be available to assist the inmate and, if the inmate desires, shall contact witnesses and present favorable evidence at the hearing. The Hearing Administrator shall afford the staff representative adequate time to speak with the inmate and to interview available witnesses.

(3) The inmate has the right to be present throughout the hearing, except where institutional security or good order is jeopardized. The Hearing Administrator may conduct a hearing in the absence of the inmate when the inmate refuses to appear. The Hearing Administrator shall document an inmate's refusal to appear, or other reason for non-appearance, in the record of the hearing.

(4) The inmate is entitled to present documentary evidence and to have witnesses appear, provided that calling witnesses would not jeopardize or threaten institutional security or individual safety, and further provided that the witnesses are available at the institution where the hearing is being conducted.

(i) The evidence to be presented must be material and relevant to the issue as to whether the inmate can and would function in a general prison population without being or posing a threat to staff or others or to the orderly operation of the institution. The Hearing Administrator may not consider an attempt to reverse or repeal a prior finding of a disciplinary violation.

(ii) Repetitive witnesses need not be called. Staff who recommend placement in a control unit are not required to appear, provided their recommendation is fully explained in the record. Staff who were involved, in any capacity, in former disciplinary proceedings need not be called as to their involvement in those proceedings, since this hearing is not to go over the factual basis for prior actions which have been decided.

(iii) When a witness is not available within the institution, or not permitted to appear, the inmate may submit a written statement by that witness. The Hearing Administrator shall, upon the inmate's request, postpone

§ 541.44

any decision following the hearing for a reasonable time to permit the obtaining and forwarding of written statements.

(iv) The Hearing Administrator shall document in the record of the hearing the reasons for declining to permit a witness or to receive documentary evidence.

§ 541.44 Decision of the Hearing Administrator.

(a) At the conclusion of the hearing and following review of all material related to the recommendation for placement of an inmate in a control unit, the Hearing Administrator shall prepare a written decision as to whether this placement is warranted. The Hearing Administrator shall:

(1) Prepare a summary of the hearing and of all information presented upon which the decision is based; and

(2) Indicate the specific reasons for the decision, to include a description of the act, or series of acts, or evidence on which the decision is based.

(b) The Hearing Administrator shall advise the inmate in writing of the decision. The inmate shall receive the information described in paragraph (a) of this section unless it is determined that the release of this information could pose a threat to individual safety, or institutional security, in which case that limited information may be withheld. The Hearing Administrator shall advise the inmate that the decision will be submitted for review of the Executive Panel. The Hearing Administrator shall advise the inmate that, if the inmate so desires, the inmate may submit an appeal of the Hearing Administrator's decision to the Executive Panel. This appeal, with supporting documentation and reasons, must be filed within five working days of the inmate's receipt of the Hearing Administrator's decision.

(c) The Hearing Administrator shall send the decision, whether for or against placement in a control unit, and supporting documentation to the Executive Panel. Ordinarily this is done within 20 working days after conclusion of the hearing. Any reason for extension is to be documented.

28 CFR Ch. V (7-1-16 Edition)

§ 541.45 Executive Panel review and appeal.

The Executive Panel is composed of the Regional Director of the region where a control unit is located to which referral is being considered and the Assistant Director, Correctional Programs Division.

(a) The Executive Panel shall review the decision and supporting documentation of the Hearing Administrator and, if submitted, the information contained in an inmate's appeal. The Panel shall accept or reject the Hearing Administrator's decision within 30 working days of its receipt, unless for good cause there is reason for delay, which shall be documented in the record.

(b) The Executive Panel shall provide a copy of its decision to the Warden at the institution to which the inmate is to be transferred, to the inmate, to the referring Warden and region, and to the Hearing Administrator.

(c) An inmate may appeal a decision of the Executive Panel, through the Administrative Remedy Procedure, directly to the Office of General Counsel, Bureau of Prisons, within 30 calendar days of the inmate's receipt of the Executive Panel's decision.

§ 541.46 Programs and services.

The Warden shall provide the following services to a control unit inmate. These services must be provided unless compelling security or safety reasons dictate otherwise. These reasons will be documented and signed by the Warden, indicating the Warden's review and approval.

(a) *Education.* The Warden shall assign a member of the education staff to the control unit on at least a part-time basis to assist in developing an educational program to fulfil each inmate's academic needs. The education staff member is ordinarily a member of the control unit team.

(b) *Work assignments.* Staff may assign inmates to a work assignment, such as range orderly. The manner in which these duties are carried out will reflect the inmate's unit adjustment, and will assist staff in evaluating the inmate.

(c) *Industries (UNICOR).* If an industry program exists in a control unit

each inmate participating in this program may earn industrial pay, subject to the regulations of Federal Prison Industries, Inc. (UNICOR). The industry program is supervised by an industry foreman. The control unit team will determine when or if an industry assignment is appropriate for each inmate who submits a request for possible assignment to industries work.

(d) *Legal.* An inmate assigned to a control unit may use that unit's inmate basic law library, upon request and in rotation. Consistent with security considerations, the law library is to include basic legal reference books, and ordinarily a table and chair, typewriter, paper and carbon. Abuse of materials in the inmate law library (for example, a typewriter) may result in a decision by the Warden to limit the use of legal materials. A decision to limit materials due to abuse must be documented in writing and signed by the Warden.

(e) *Recreation.* The recreation program in a control unit shall include the following requirements:

(1) Each inmate shall have the opportunity to receive a minimum of seven hours weekly recreation and exercise out of the cell.

(2) Staff shall provide various games and exercise materials as consistent with security considerations and orderly operation of the unit. Inmates who alter or intentionally damage recreation equipment may be deprived of the use of that equipment in the future.

(f) *Case management services.* The case manager is responsible for all areas of case management. This ordinarily includes preparation of the visiting list, notarizing documents, preparation of various reports, and other case management duties. The case manager is ordinarily a member of the control unit team.

(g) *Counselor services.* The unit counselor ordinarily handles phone call requests, special concerns and requests of inmates, and requests for administrative remedy forms. The unit counselor is also available for consultation and for counseling as recommended in the mental health evaluation (see paragraph (i) of this section—Mental Health Services).

(h) *Medical services.* A member of the medical staff shall visit control unit inmates daily. A physician will visit the unit as the need arises.

(i) *Mental health services.* During the first 30-day period in a control unit, staff shall schedule the control unit inmate for a psychological evaluation conducted by a psychologist. Additional individual evaluations shall occur every 30 days. The psychologist shall perform and/or supervise needed psychological services. Psychiatric services will be provided when necessary. Inmates requiring prescribed psychotropic medication are not ordinarily housed in a control unit.

(j) *Religion.* Staff shall issue religious materials upon request, limited by security consideration and housekeeping rules in the unit. This material may come from an inmate's personal property or from the chaplain's office. The institutional chaplains shall make at least weekly visits to the control unit. While individual prayer and/or worship is allowed in a control unit, religious assemblies or group meetings are not allowed.

(k) *Food service and personal hygiene.* Staff shall provide food services and personal hygiene care consistent with the requirements of the current rule regarding Special Housing Units.

(l) *Correspondence.* Inmates confined in a control unit are provided correspondence privileges in accordance with the Bureau of Prisons' rule on Inmate Correspondence (see 28 CFR part 540).

(m) *Visiting.* Visits for inmates confined in a control unit are conducted in a controlled visiting area, separated from regular visiting facilities. Staff shall allot a minimum of four hours per month visiting time to a control unit inmate. The number of consecutive hours visiting on a particular day may be limited by the number of visitors waiting to visit. All visitors must be on the inmate's approved visiting list.

(n) *Commissary.* Staff shall establish a commissary purchase schedule. The amount of money which control unit inmates spend per month is comparable to the spending limitation for inmates residing in the general population. Staff may limit commissary items to

§ 541.47

ensure the safety and security of the unit.

(o) *Personal property.* Personal property retained by an inmate in a control unit is to be stored in the space provided. Personal property items shall be limited in number and type to ensure the safety and good order of the unit.

[49 FR 32991, Aug. 17, 1984, as amended at 60 FR 46484, Sept. 6, 1995]

§ 541.47 Admission to control unit.

Staff shall provide an inmate admitted to a control unit with:

(a) Notice of the projected duration of the inmate's confinement in a control unit;

(b) Notice of the type of personal property which is allowable in the unit (items made of glass or metal will not be permitted);

(c) A summary of the guidelines and disciplinary procedures applicable in the unit;

(d) An explanation of the activities in a control unit;

(e) The expectations of the inmate's involvement in control unit activities; and

(f) The criteria for release from the unit, and how those criteria specifically relate to this confinement period in the unit and any specific requirements in the inmate's individual case.

§ 541.48 Search of control unit inmates.

(a) The Warden at an institution housing a control unit may order a digital or simple instrument search for all new admissions to the control unit. The Warden may also order a digital or simple instrument search for any inmate who is returned to the control unit following contact with the public. Authorization for a digital or simple instrument search must be in writing, signed by the Warden, with a copy placed in the inmate central file. The Warden's authority may not be delegated below the level of Acting Warden.

(b) An inmate in a control unit may request in writing that an X-ray be taken in lieu of the digital search discussed in paragraph (a) of this section. The Warden shall approve this request, provided it is determined and stated in writing by the institution's Clinical Di-

28 CFR Ch. V (7-1-16 Edition)

rector or Acting Clinical Director (may not be further delegated) that the amount of X-ray exposure previously received by the inmate, or anticipated to be given the inmate in the immediate future, does not make the proposed X-ray medically unwise. Staff are to place documentation of the X-ray, and the inmate's signed request for it, in the inmate's central and medical files. The Warden's authority may not be delegated below the level of Acting Warden.

(c) Staff may not conduct a digital or simple instrument search if it is likely to result in physical injury to the inmate. In this situation, the Warden, upon approval of the Regional Director, may authorize the institution physician to order a non-repetitive X-ray for the purpose of determining if contraband is concealed in or on the inmate. The X-ray examination may not be performed if it is determined by the institution physician that such an examination is likely to result in serious or lasting medical injury or harm to the inmate. Staff are to place documentation of the X-ray examination in the inmate's central file and medical file. The authority of the Warden and Regional Director may not be delegated below the level of Acting Warden and Acting Regional Director respectively. If neither a digital or simple instrument search, nor an X-ray examination may be used, the inmate is to be placed in a dry cell until sufficient time has passed to allow excretion.

(d) Staff shall solicit the inmate's written consent prior to conducting a digital or simple instrument search, or, as specified in paragraph (c) of this section, an X-ray examination. However, the inmate's consent is not required.

§ 541.49 Review of control unit placement.

(a) Unit staff shall evaluate informally and daily an inmate's adjustment within the control unit. Once every 30 days, the control unit team, comprised of the control unit manager and other members designated by the

Bureau of Prisons, Justice

§ 541.61

Warden (ordinarily to include the officer-in-charge or lieutenant, case manager, and education staff member assigned to the unit), shall meet with an inmate in the control unit. The inmate is required to attend the team meeting in order to be eligible for the previous month's stay in the control unit to be credited towards the projected duration of confinement in that unit. The unit team shall make an assessment of the inmate's progress within the unit and may make a recommendation as to readiness for release after considering the inmate's:

- (1) Unit status;
- (2) Adjustment; and
- (3) Readiness for release from the unit. (See § 541.50(a))

(b) The Warden shall serve as the review authority at the institutional level for unit team actions.

(c) An inmate may appeal the Warden's decision to the Executive Panel within five working days of receipt of that decision. The inmate will receive a response to this appeal at the inmate's next appearance before the Executive Panel.

(d) At least once every 60 to 90 days, the Executive Panel shall review the status of an inmate in a control unit to determine the inmate's readiness for release from the Unit. The Executive Panel shall consider those factors specified in § 541.50(a), along with any recommendations by the unit team and Warden.

The decision of the Executive Panel is communicated to the inmate. Ordinarily, the inmate is interviewed in person at this review. If the inmate refuses to appear for this review, or if there is other reason for not having an in-person review, this will be documented.

(e) An inmate may appeal a decision of the Executive Panel, through the Administrative Remedy Procedure, directly to the Office of General Counsel, Bureau of Prisons within 30 calendar days from the date of the Executive Panel's response.

§ 541.50 Release from a control unit.

(a) Only the Executive Panel may release an inmate from a control unit.

The following factors are considered in the evaluation of an inmate's readiness for release from a control unit:

(1) Relationship with other inmates and staff members, which demonstrates that the inmate is able to function in a less restrictive environment without posing a threat to others or to the orderly operation of the institution;

(2) Involvement in work and recreational activities and assignments;

(3) Adherence to institution guidelines and Bureau of Prisons rules and policy;

(4) Personal grooming and cleanliness; and

(5) Quarters sanitation.

(b) An inmate released from a control unit may be returned:

(1) To the institution from which the inmate was originally transferred;

(2) To another federal or non-federal institution; or

(3) Into the general population of the institution which has a control unit.

Subpart E—Procedures for Handling of HIV Positive Inmates Who Pose Danger to Others

SOURCE: 54 FR 11323, Mar. 17, 1989, unless otherwise noted.

§ 541.60 Purpose and scope.

In an effort to maintain a safe and orderly environment within its institutions, the Bureau of Prisons may place in controlled housing status an inmate who tests HIV positive when there is reliable evidence that the inmate may engage in conduct posing a health risk to another person.

§ 541.61 Standard for placement in controlled housing status.

An inmate may be placed in a controlled housing status when there is reliable evidence causing staff to believe that the inmate engages in conduct posing a health risk to others. This evidence may be the inmate's behavior, or statements of the inmate, or other reliable evidence.

§ 541.62 Referral for placement.

(a) The Warden shall consider an inmate for controlled housing status when the inmate has been confirmed as testing HIV positive and when there is reliable evidence indicating that the inmate may engage in conduct posing a health risk to others. This evidence may come from the statements of the individual, repeated misconduct (including disciplinary actions), or other behavior suggesting that the inmate may engage in predatory or promiscuous sexual behavior, assaultive behavior where body fluids may be transmitted to another, or the sharing of needles.

(b) The Warden shall submit a recommendation for referral of an inmate for placement in a controlled housing status to the Regional Director in the region where the inmate is located.

(c) Based on the perceived health risk to others posed by the inmate's threatened or actual actions, the Warden may, with the telephonic approval of the Regional Director, temporarily (not to exceed 20 work days) place an inmate in a special housing status (e.g., administrative detention, or a secure health service unit room) pending the inmate's appearance before the Hearing Administrator. Reasons for this placement, and the approval of the Regional Director, shall be documented in the inmate central file. The inmate should be seen daily by case management and medical staff while in this temporary status, and a psychological or psychiatric assessment report should be prepared during this temporary placement period.

[54 FR 11323, Mar. 17, 1989, as amended at 56 FR 31530, July 10, 1991]

§ 541.63 Hearing procedure.

(a) The Regional Director in the region where the inmate is located shall review the institution's recommendation for referral of an inmate for controlled housing status. If the Regional Director concurs with the recommendation, the Regional Director shall designate a person in the Regional Office or a person at department head level or above in the institution to conduct a hearing on the appropriateness of an inmate's placement in

controlled housing status. This Hearing Administrator shall have correctional experience, no former personal involvement in the instant situation, and a knowledge of the type of behavior that poses a health risk to others, and of the options available for dealing with an inmate who poses such a health risk to others.

(b) The Hearing Administrator shall provide a hearing to an inmate recommended for controlled housing status. The hearing ordinarily shall take place at the institution housing the inmate.

(c) The hearing shall proceed as follows:

(1) Staff shall provide an inmate with an advance written notice of the hearing and a copy of this rule at least 24 hours prior to the hearing. The notice will advise the inmate of the specific act(s) or other evidence which forms the basis for a recommendation that the inmate be placed in a controlled housing status, unless such evidence would likely endanger staff or others. If an inmate is illiterate, staff shall explain the notice and this rule to the inmate and document that this explanation has occurred.

(2) The Hearing Administrator shall upon request of the inmate provide an inmate the service of a full-time staff member to represent the inmate. The Hearing Administrator shall document in the record of the hearing an inmate's request for, or refusal of staff representation. The inmate may select a staff representative from the local institution. If the selected staff member declines for good reason or is unavailable, the inmate has the option of selecting another representative or, in the case of an absent staff member, of waiting a reasonable period (determined by the Hearing Administrator) for the staff member's return, or of proceeding without a staff representative. When an inmate is illiterate, the Warden shall provide a staff representative. The staff representative shall be available to assist the inmate and, if the inmate desires, shall contact witnesses and present favorable evidence at the hearing. The Hearing Administrator shall afford the staff representative adequate time to speak with the

inmate and to interview available witnesses.

(3) The inmate has the right to be present throughout the hearing, except where institutional security or good order is jeopardized. The Hearing Administrator may conduct a hearing in the absence of the inmate when the inmate refuses to appear. The Hearing Administrator shall document an inmate's refusal to appear, or other reason for nonappearance, in the record of the hearing.

(4) The inmate is entitled to present documentary evidence and to have witnesses appear, provided that calling witnesses would not jeopardize or threaten institutional security or individual safety, and further provided that the witnesses are available at the institution where the hearing is being conducted.

(i) The evidence to be presented must be material and relevant to the issue as to whether the inmate can and would pose a health risk to others, if allowed to remain in general prison population. This evidence may come from the statements of the individual, repeated misconduct (including disciplinary actions), or other behavior suggesting that the inmate may engage in predatory or promiscuous sexual behavior, assaultive behavior where body fluids may be transmitted to others, or the sharing of needles.

(ii) Repetitive witnesses need not be called. Staff who recommend placement in a controlled housing status are not required to appear, provided their recommendation is fully explained in the record.

(iii) When a witness is not available within the institution, or not permitted to appear, the inmate may submit a written statement by that witness. The Hearing Administrator shall, upon the inmate's request, postpone any decision following the hearing for a reasonable time to permit the obtaining and forwarding of written statements.

(iv) The Hearing Administrator shall document in the record of the hearing the reasons for declining to hear a witness or to receive documentary evidence.

[54 FR 11323, Mar. 17, 1989, as amended at 63 FR 5218, Jan. 30, 1998]

§ 541.64 Decision of the Hearing Administrator.

(a) At the conclusion of the hearing and following review of all material related to the recommendation for placement of an inmate in a controlled housing status, the Hearing Administrator shall prepare a written decision as to whether this placement is warranted. The Hearing Administrator shall:

(1) Prepare a summary of the hearing and of all information presented upon which the decision is based; and

(2) Indicate the specific reasons for the decision, to include a description of the act, or series of acts, or other reliable evidence on which the decision is based, along with evidence of the inmate's HIV positive status.

(b) The Hearing Administrator shall advise the inmate in writing of the decision. The inmate shall receive the information described in paragraph (a) of this section unless it is determined that the release of this information could pose a threat to individual safety, or institutional security, in which case that limited information may be withheld. The Hearing Administrator shall advise the inmate that the decision will be submitted for review of the Regional Director in the region where the inmate is located. The Hearing Administrator shall advise the inmate that, if the inmate so desires, the inmate may submit an appeal of the Hearing Administrator's decision to the Regional Director. This appeal, with supporting documentation and reasons, must be filed within five working days of the inmate's receipt of the Hearing Administrator's decision.

(c) The Hearing Administrator may order the continuation of the inmate in special housing pending review by the Regional Director. The Hearing Administrator should state the reasons for this order in the record of the Hearing.

(d) The Hearing Administrator shall send the decision, whether for or against placement in a controlled housing status, and supporting documentation to the Regional Director. Ordinarily, this is done within 20 working days after conclusion of the hearing. Any reason for extension is to be documented.

28 CFR Ch. V (7-1-16 Edition)

§ 541.65 Regional Director review and appeal.

(a) The Regional Director shall review the decision and supporting documentation of the Hearing Administrator and, if submitted, the information contained in an inmate's appeal. The Regional Director shall accept or reject the Hearing Administrator's decision within 30 working days of its receipt, unless for good cause there is reason for delay, which shall be documented in the record. The authority of the Regional Director may not be delegated below the level of acting Regional Director.

(b) The Regional Director shall provide a copy of his decision to the Warden at the institution housing the inmate, to the inmate, and to the Hearing Administrator.

(c) An inmate may appeal a decision of the Regional Director, through the Administrative Remedy Program, directly to the National Inmate Appeals Administrator, Office of General Counsel, within 30 calendar days of the Regional Director's decision (see 28 CFR 542.15).

§ 541.66 Programs and services.

To the extent consistent with available resources and the security needs of the institution, an inmate in controlled housing status is to be considered for activities and privileges afforded to the general population. This includes, but is not limited to, providing an inmate with the opportunity for participation in an education program, library services, counseling, and religious guidance, as well as access to case management, medical and mental health assistance, and legal services, including access to the institution's law libraries. An inmate in controlled housing status should be afforded at least five hours weekly recreation and exercise out of the cell. The recreation shall be by himself or under close supervision. Unless there are compelling reasons to the contrary, institutions shall provide commissary privileges and reasonable amounts of personal property. The Warden may restrict for reasons of security, fire safety, or

housekeeping the amount of personal property that an inmate may retain while in controlled housing status. An inmate shall be permitted to have a radio, provided it is equipped with ear plugs. Visits shall be carefully monitored.

§ 541.67 Review of controlled housing status.

(a) Staff designated by the Warden shall evaluate regularly an inmate's adjustment while in controlled housing status. A medical staff member shall see the inmate daily, and regularly record medical and behavioral impressions. Once every 90 days, staff, comprised of a correctional and case management supervisor, and a member of the medical staff, shall meet with the inmate. The inmate is required to attend this meeting in order to be considered for release to the general population. Any refusal by the inmate to attend this meeting will be documented. Staff, at this meeting, shall make an assessment of the inmate's adjustment while in controlled housing and the likely health threat the inmate poses to others by his actions.

(b) The Warden shall serve as the review authority at the institutional level, and shall make a recommendation to the Regional Director when he believes the inmate should be considered for release from controlled housing.

(c) An inmate may appeal a Warden's decision not to recommend release from controlled housing to the Regional Director within five working days of receipt of that decision.

(d) Upon recommendation of the Warden, or upon appeal from the inmate, the Regional Director may decide whether or not to release the inmate to general population from controlled housing status.

(e) An inmate may appeal a decision of the Regional Director, through the Administrative Remedy Program, directly to the National Inmate Appeals Administrator, Office of General Counsel, within 30 calendar days of the Regional Director's decision (see 28 CFR 542.15).

[54 FR 11323, Mar. 17, 1989; 54 FR 18198, Apr. 27, 1989, as amended at 63 FR 5218, Jan. 30, 1998]

§ 541.68 Release from controlled housing status.

(a) Only the Regional Director may release an inmate from controlled housing status. The following factors are considered in the evaluation of an inmate's readiness for return to the general population:

(1) Relationship with other inmates and staff members, which demonstrate that the inmate is able to function in a less restrictive environment without posing a health threat to others or to the orderly operation of the institution;

(2) Involvement in work and recreational activities and assignments or other programs; and

(3) Adherence to institution guidelines and Bureau of Prisons rules and policy.

(b) An inmate released from a controlled housing status may be returned to the general population of that institution, or to another federal or non-federal institution.

Subpart A [Reserved]**Subpart B—Administrative Remedy Program****§ 542.10 Purpose and scope.**

(a) *Purpose.* The purpose of the Administrative Remedy Program is to allow an inmate to seek formal review of an issue relating to any aspect of his/her own confinement. An inmate may not submit a Request or Appeal on behalf of another inmate.

(b) *Scope.* This Program applies to all inmates in institutions operated by the Bureau of Prisons, to inmates designated to contract Community Corrections Centers (CCCs) under Bureau of Prisons responsibility, and to former inmates for issues that arose during their confinement. This Program does not apply to inmates confined in other non-federal facilities.

(c) *Statutorily-mandated procedures.* There are statutorily-mandated procedures in place for tort claims (28 CFR part 543, subpart C), Inmate Accident Compensation claims (28 CFR part 301), and Freedom of Information Act or Privacy Act requests (28 CFR part 513, subpart D). If an inmate raises an issue in a request or appeal that cannot be resolved through the Administrative Remedy Program, the Bureau will refer the inmate to the appropriate statutorily-mandated procedures.

[67 FR 50805, Aug. 6, 2002]

§ 542.11 Responsibility.

(a) The Community Corrections Manager (CCM), Warden, Regional Director, and General Counsel are responsible for the implementation and operation of the Administrative Remedy Program at the Community Corrections Center (CCC), institution, regional and Central Office levels, respectively, and shall:

(1) Establish procedures for receiving, recording, reviewing, investigating, and responding to Administrative Remedy Requests (Requests) or Appeals (Appeals) submitted by an inmate;

(2) Acknowledge receipt of a Request or Appeal by returning a receipt to the inmate;

(3) Conduct an investigation into each Request or Appeal;

(4) Respond to and sign all Requests or Appeals filed at their levels. At the

§ 542.12

regional level, signatory authority may be delegated to the Deputy Regional Director. At the Central Office level, signatory authority may be delegated to the National Inmate Appeals Administrator. Signatory authority extends to staff designated as acting in the capacities specified in this § 542.11, but may not be further delegated without the written approval of the General Counsel.

(b) Inmates have the responsibility to use this Program in good faith and in an honest and straightforward manner.

§ 542.12 [Reserved]

§ 542.13 Informal resolution.

(a) *Informal resolution.* Except as provided in § 542.13(b), an inmate shall first present an issue of concern informally to staff, and staff shall attempt to informally resolve the issue before an inmate submits a Request for Administrative Remedy. Each Warden shall establish procedures to allow for the informal resolution of inmate complaints.

(b) *Exceptions.* Inmates in CCCs are not required to attempt informal resolution. An informal resolution attempt is not required prior to submission to the Regional or Central Office as provided for in § 542.14(d) of this part. An informal resolution attempt may be waived in individual cases at the Warden or institution Administrative Remedy Coordinator's discretion when the inmate demonstrates an acceptable reason for bypassing informal resolution.

§ 542.14 Initial filing.

(a) *Submission.* The deadline for completion of informal resolution and submission of a formal written Administrative Remedy Request, on the appropriate form (BP-9), is 20 calendar days following the date on which the basis for the Request occurred.

(b) *Extension.* Where the inmate demonstrates a valid reason for delay, an extension in filing time may be allowed. In general, valid reason for delay means a situation which prevented the inmate from submitting the request within the established time frame. Valid reasons for delay include the following: an extended period in-

28 CFR Ch. V (7-1-16 Edition)

transit during which the inmate was separated from documents needed to prepare the Request or Appeal; an extended period of time during which the inmate was physically incapable of preparing a Request or Appeal; an unusually long period taken for informal resolution attempts; indication by an inmate, verified by staff, that a response to the inmate's request for copies of dispositions requested under § 542.19 of this part was delayed.

(c) *Form.* (1) The inmate shall obtain the appropriate form from CCC staff or institution staff (ordinarily, the correctional counselor).

(2) The inmate shall place a single complaint or a reasonable number of closely related issues on the form. If the inmate includes on a single form multiple unrelated issues, the submission shall be rejected and returned without response, and the inmate shall be advised to use a separate form for each unrelated issue. For DHO and UDC appeals, each separate incident report number must be appealed on a separate form.

(3) The inmate shall complete the form with all requested identifying information and shall state the complaint in the space provided on the form. If more space is needed, the inmate may use up to one letter-size (8½" by 11") continuation page. The inmate must provide an additional copy of any continuation page. The inmate must submit one copy of supporting exhibits. Exhibits will not be returned with the response. Because copies of exhibits must be filed for any appeal (see § 542.15(b)(3)), the inmate is encouraged to retain a copy of all exhibits for his or her personal records.

(4) The inmate shall date and sign the Request and submit it to the institution staff member designated to receive such Requests (ordinarily a correctional counselor). CCC inmates may mail their Requests to the CCM.

(d) *Exceptions to initial filing at institution—(1) Sensitive issues.* If the inmate reasonably believes the issue is sensitive and the inmate's safety or well-being would be placed in danger if the Request became known at the institution, the inmate may submit the Request directly to the appropriate Regional Director. The inmate shall

Bureau of Prisons, Justice

§ 542.16

clearly mark "Sensitive" upon the Request and explain, in writing, the reason for not submitting the Request at the institution. If the Regional Administrative Remedy Coordinator agrees that the Request is sensitive, the Request shall be accepted. Otherwise, the Request will not be accepted, and the inmate shall be advised in writing of that determination, without a return of the Request. The inmate may pursue the matter by submitting an Administrative Remedy Request locally to the Warden. The Warden shall allow a reasonable extension of time for such a re-submission.

(2) *DHO appeals.* DHO appeals shall be submitted initially to the Regional Director for the region where the inmate is currently located.

(3) *Control Unit appeals.* Appeals related to Executive Panel Reviews of Control Unit placement shall be submitted directly to the General Counsel.

(4) *Controlled housing status appeals.* Appeals related to the Regional Director's review of controlled housing status placement may be filed directly with the General Counsel.

(5) *Other requests for formal review of decisions not originating from the Warden.* Other than the exceptions listed above, formal administrative remedy requests regarding initial decisions that did not originate with the Warden, or his/her staff, may be initially filed with the Bureau office which made the original decision, and appealed directly to the General Counsel.

[61 FR 88, Jan. 2, 1996, as amended at 75 FR 34626, June 18, 2010]

§ 542.15 Appeals.

(a) *Submission.* An inmate who is not satisfied with the Warden's response may submit an Appeal on the appropriate form (BP-10) to the appropriate Regional Director within 20 calendar days of the date the Warden signed the response. An inmate who is not satisfied with the Regional Director's response may submit an Appeal on the appropriate form (BP-11) to the General Counsel within 30 calendar days of the date the Regional Director signed the response. When the inmate demonstrates a valid reason for delay, these time limits may be extended. Valid reasons for delay include those

situations described in § 542.14(b) of this part. Appeal to the General Counsel is the final administrative appeal.

(b) *Form.* (1) Appeals to the Regional Director shall be submitted on the form designed for regional Appeals (BP-10) and accompanied by one complete copy or duplicate original of the institution Request and response. Appeals to the General Counsel shall be submitted on the form designed for Central Office Appeals (BP-11) and accompanied by one complete copy or duplicate original of the institution and regional filings and their responses. Appeals shall state specifically the reason for appeal.

(2) An inmate may not raise in an Appeal issues not raised in the lower level filings. An inmate may not combine Appeals of separate lower level responses (different case numbers) into a single Appeal.

(3) An inmate shall complete the appropriate form with all requested identifying information and shall state the reasons for the Appeal in the space provided on the form. If more space is needed, the inmate may use up to one letter-size (8½" × 11") continuation page. The inmate shall provide two additional copies of any continuation page and exhibits with the regional Appeal, and three additional copies with an Appeal to the Central Office (the inmate is also to provide copies of exhibits used at the prior level(s) of appeal). The inmate shall date and sign the Appeal and mail it to the appropriate Regional Director, if a Regional Appeal, or to the National Inmate Appeals Administrator, Office of General Counsel, if a Central Office Appeal (see 28 CFR part 503 for information on locating Bureau addresses).

[61 FR 88, Jan. 2, 1996, as amended at 70 FR 67091, Nov. 4, 2005]

§ 542.16 Assistance.

(a) An inmate may obtain assistance from another inmate or from institution staff in preparing a Request or an Appeal. An inmate may also obtain assistance from outside sources, such as family members or attorneys. However, no person may submit a Request or Appeal on the inmate's behalf, and obtaining assistance will not be considered a valid reason for exceeding a

§ 542.17

time limit for submission unless the delay was caused by staff.

(b) Wardens shall ensure that assistance is available for inmates who are illiterate, disabled, or who are not functionally literate in English. Such assistance includes provision of reasonable accommodation in order for an inmate with a disability to prepare and process a Request or an Appeal.

§ 542.17 Resubmission.

(a) *Rejections.* The Coordinator at any level (CCM, institution, region, Central Office) may reject and return to the inmate without response a Request or an Appeal that is written by an inmate in a manner that is obscene or abusive, or does not meet any other requirement of this part.

(b) *Notice.* When a submission is rejected, the inmate shall be provided a written notice, signed by the Administrative Remedy Coordinator, explaining the reason for rejection. If the defect on which the rejection is based is correctable, the notice shall inform the inmate of a reasonable time extension within which to correct the defect and resubmit the Request or Appeal.

(c) *Appeal of rejections.* When a Request or Appeal is rejected and the inmate is not given an opportunity to correct the defect and resubmit, the inmate may appeal the rejection, including a rejection on the basis of an exception as described in § 542.14(d), to the next appeal level. The Coordinator at that level may affirm the rejection, may direct that the submission be accepted at the lower level (either upon the inmate's resubmission or direct return to that lower level), or may accept the submission for filing. The inmate shall be informed of the decision by delivery of either a receipt or rejection notice.

§ 542.18 Response time.

If accepted, a Request or Appeal is considered filed on the date it is logged into the Administrative Remedy Index as received. Once filed, response shall be made by the Warden or CCM within 20 calendar days; by the Regional Director within 30 calendar days; and by the General Counsel within 40 calendar days. If the Request is determined to be of an emergency nature which

28 CFR Ch. V (7-1-16 Edition)

threatens the inmate's immediate health or welfare, the Warden shall respond not later than the third calendar day after filing. If the time period for response to a Request or Appeal is insufficient to make an appropriate decision, the time for response may be extended once by 20 days at the institution level, 30 days at the regional level, or 20 days at the Central Office level. Staff shall inform the inmate of this extension in writing. Staff shall respond in writing to all filed Requests or Appeals. If the inmate does not receive a response within the time allotted for reply, including extension, the inmate may consider the absence of a response to be a denial at that level.

§ 542.19 Access to indexes and responses.

Inmates and members of the public may request access to Administrative Remedy indexes and responses, for which inmate names and Register Numbers have been removed, as indicated below. Each institution shall make available its index, and the indexes of its regional office and the Central Office. Each regional office shall make available its index, the indexes of all institutions in its region, and the index of the Central Office. The Central Office shall make available its index and the indexes of all institutions and regional offices. Responses may be requested from the location where they are maintained and must be identified by Remedy ID number as indicated on an index. Copies of indexes or responses may be inspected during regular office hours at the locations indicated above, or may be purchased in accordance with the regular fees established for copies furnished under the Freedom of Information Act (FOIA).

Subpart A [Reserved]

Subpart B—Inmate Legal Activities

SOURCE: 44 FR 38263, June 29, 1979, unless otherwise noted.

§ 543.10 Purpose and scope.

The Bureau of Prisons affords an inmate reasonable access to legal materials and counsel, and reasonable opportunity to prepare legal documents. The Warden shall establish an inmate law library, and procedures for access to legal reference materials and to legal counsel, and for preparation of legal documents.

[46 FR 59509, Dec. 4, 1981]

§ 543.11 Legal research and preparation of legal documents.

(a) The Warden shall make materials in the inmate law library available whenever practical, including evening and weekend hours. The Warden shall allow an inmate a reasonable amount of time, ordinarily during the inmate's leisure time (that is, when the inmate is not participating in a scheduled program or work assignment), to do legal research and to prepare legal documents. Where practical, the Warden shall allow preparation of documents in living quarters during an inmate's leisure time.

(b) The Warden shall periodically ensure that materials in each inmate law library are kept intact and that lost or damaged materials are replaced.

(c) Staff shall advise an inmate of rules and local procedures governing

use of the inmate law library. Unauthorized possession of library materials by an inmate constitutes a prohibited act, generally warranting disciplinary action (see part 541 of this chapter).

(d) An inmate's legal materials include but are not limited to the inmate's pleadings and documents (such as a presentence report) that have been filed in court or with another judicial or administrative body, drafts of pleadings to be submitted by the inmate to a court or with other judicial or administrative body which contain the inmate's name and/or case caption prominently displayed on the first page, documents pertaining to an inmate's administrative case, photocopies of legal reference materials, and legal reference materials which are not available in the institution main law library (or basic law library in a satellite camp).

(1) An inmate may solicit or purchase legal materials from outside the institution. The inmate may receive the legal materials in accordance with the provisions on incoming publications or correspondence (see 28 CFR part 540, subparts B and F) or through an authorized attorney visit from a retained attorney. The legal materials are subject to inspection and may be read or copied unless they are received through an authorized attorney visit from a retained attorney or are properly sent as special mail (for example, mail from a court or from an attorney), in which case they may be inspected for contraband or for the purpose of verifying that the mail qualifies as special mail.

(2) Staff may allow an inmate to possess those legal materials which are necessary for the inmate's own legal actions. Staff may also allow an inmate to possess the legal materials of another inmate subject to the limitations of paragraph (f)(2) of this section. The Warden may limit the amount of legal materials an inmate may accumulate for security or housekeeping reasons.

(e) An inmate is responsible for submitting his documents to court. Institution staff who are authorized to administer oaths shall be available to provide necessary witnessing of these documents, as requested by inmates and at times scheduled by staff.

(f)(1) Except as provided for in paragraph (f)(4) of this section, an inmate may assist another inmate in the same institution during his or her leisure time (as defined in paragraph (a) of this section) with legal research and the preparation of legal documents for submission to a court or other judicial body.

(2) Except as provided for in paragraph (f)(4) of this section, an inmate may possess another inmate's legal materials while assisting the other inmate in the institution's main law library and in another location if the Warden so designates.

(i) The assisting inmate may not remove another inmate's legal materials, including copies of the legal materials, from the law library or other designated location. An assisting inmate is permitted to make handwritten notes and to remove those notes from the library or other designated location if the notes do not contain a case caption or document title or the name(s) of any inmate(s). The assisting inmate may also develop and possess handwritten drafts of pleadings, so long as the draft pleadings do not contain a case caption or document title or the name(s) of any inmate(s). These notes and drafts are not considered to be the assisting inmate's legal property, and when the assisting inmate has these documents outside the law library or other designated location, they are subject to the property limitations in § 553.11(a) of this chapter.

(ii) Although the inmate being assisted need not remain present in the law library or other designated location while the assistance is being rendered, that inmate is responsible for providing and retrieving his or her legal materials from the library or other designated location. Ordinarily, the inmate must provide and retrieve his or her legal materials during his or her leisure time. An inmate with an imminent court deadline may request a brief absence from a scheduled program or work assignment in order to provide or retrieve legal materials from an assisting inmate.

(3) The Warden may give special consideration to the legal needs of inmates in mental health seclusion status in

federal medical centers or to inmates in controlled housing.

(4) The Warden at any institution may impose limitations on an inmate's assistance to another inmate in the interest of institution security, good order, or discipline.

(g) The institution staff shall, upon an inmate's request and at times scheduled by staff, duplicate legal documents if the inmate demonstrates that more than one copy must be submitted to court and that the duplication cannot be accomplished by use of carbon paper. The inmate shall bear the cost, and the duplication shall be done so as not to interfere with regular institution operations. Staff may waive the cost if the inmate is without funds or if the material to be duplicated is minimal, and the inmate's requests for duplication are not large or excessive.

(h) Unless clearly impractical, the Warden shall allow an inmate preparing legal documents to use a typewriter, or, if the inmate cannot type, to have another inmate type his documents. The Warden may allow the inmate to hire a public stenographer to type documents outside the institution, but the institution may not assume the expense of hiring the public stenographer. Staff shall advise the inmate of any delay in the typing of which they have received notice from the stenographer.

(i) The Warden shall give special time allowance for research and preparation of documents to an inmate who demonstrates a requirement to meet an imminent court deadline. Otherwise, each inmate shall continue his regular institutional activities without undue disruption by legal activities.

(j) With consideration of the needs of other inmates and the availability of staff and other resources, the Warden shall provide an inmate confined in disciplinary segregation or administrative detention a means of access to legal materials, along with an opportunity to prepare legal documents. The Warden shall allow an inmate in segregation or detention a reasonable amount of personal legal materials. In no case

Bureau of Prisons, Justice

§ 543.14

shall the amount of personal legal materials be such as to pose a fire, sanitation, security, or housekeeping hazard.

[44 FR 38263, June 29, 1979, as amended at 62 FR 4893, Jan. 31, 1997]

§ 543.12 Retention of attorneys.

(a) The Warden shall allow an inmate to contact and retain attorneys. With the written consent of the inmate, staff may advise an attorney of the inmate's available funds. Staff may not interfere with selection and retention of attorneys if the inmate has attained majority and is mentally competent. If the inmate is a mental incompetent or a minor, the Warden shall refer to the inmate's guardian or to the appropriate court all matters concerning the retention and payment of attorneys.

(b) The Bureau of Prisons may not act as guarantor or collector of fees. As to correspondence with attorneys and telephone calls to attorneys, see part 540 of this chapter.

§ 543.13 Visits by attorneys.

(a) The Warden shall, under the conditions of this section, permit visits by the retained, appointed, or prospective attorney of an inmate or by an attorney who wishes to interview an inmate as a witness.

(b) The Warden generally may not limit the frequency of attorney visits since the number of visits necessary is dependent upon the nature and urgency of the legal problems involved. The Warden shall set the time and place for visits, which ordinarily take place during regular visiting hours. Attorney visits shall take place in a private conference room, if available, or in a regular visiting room in an area and at a time designed to allow a degree of privacy. The Warden may make exceptions according to local conditions or for an emergency situation demonstrated by the inmate or visiting attorney.

(c) The attorney shall make an advance appointment for the visit through the Warden prior to each visit; however, the Warden shall make every effort to arrange for a visit when prior notification is not practical.

(d) The Warden may require an attorney to indicate where he is licensed as an attorney and how that fact may be

verified. Prior to each appointment or visit, the Warden shall require each attorney to identify himself and to confirm that he wishes to visit an inmate who has requested his visit or whom he represents or whom he wishes to interview as a witness. The Warden may not ask the attorney to state the subject matter of the law suit or interview. If there is any question about the identity of the visitor or his qualification as an attorney in good standing, the Warden shall refer the matter to the Regional Counsel.

(e) Staff may not subject visits between an attorney and an inmate to auditory supervision. The Warden may permit tape recordings to be used by an attorney during the course of a visit only if the attorney states in writing in advance of the interview that the sole purpose of the recording is to facilitate the attorney-client or attorney-witness relationship.

(f) The Warden may, at any time, subject an attorney to a search of his person and belongings for the purpose of ascertaining if contraband is present, as a condition of visiting an inmate.

§ 543.14 Limitation or denial of attorney visits and correspondence.

(a) An act by an attorney which violates Bureau regulations or institution guidelines and which threatens the security, good order, or discipline of the institution is grounds for limitation or denial by the Warden of the attorney's privileged visitation and correspondence rights. Acts by an attorney which may warrant such limitation or denial include, for example the following:

(1) A false statement as to the attorney's identity or qualifications;

(2) A plan, attempt, or act to introduce contraband into the institution;

(3) A conspiracy to commit, an attempt to commit, or the actual commission of an act of violence within an institution; and

(4) Encouraging an inmate to violate the law, Bureau of Prisons rules, or local implementing guidelines.

(b) Unless the breach of regulations is extreme or repeated, limitation rather than a denial of visitation or correspondence rights is proper, especially where the inmate is represented

§ 543.15

by the attorney and is confronted with a court deadline. For example, the Warden may subject an attorney to a search of his person and belongings or may permit the attorney only non-privileged correspondence. The Warden shall also consider referral of the matter to the state agency regulating the attorney's professional conduct.

(c) An act by an inmate in violation of Bureau regulations or institution guidelines warrants a limitation by the Warden of the inmate's correspondence or visiting rights with attorneys only if necessary to protect institution security, good order, or discipline. The Warden may not deny correspondence or visiting rights with attorneys generally.

(d) The attorney may appeal any limitation or denial by the Warden of attorney visits or correspondence rights to the Regional Director. The inmate affected may appeal through the Administrative Remedy Procedures.

§ 543.15 Legal aid program.

(a) A legal aid program which is funded or approved by the Bureau is expected to provide a broad range of legal assistance to inmates. Staff shall allow these programs generally to operate with the same independence as privately retained attorneys. The Warden shall refer a request or decision to terminate or restrict a program, or individual participants in a program, to the Regional Counsel.

(b) In order to promote the inmate-program relationship, the Warden shall give those students or legal assistants working in legal aid programs the same status as attorneys with respect to visiting and correspondence except where specific exceptions are made in this section and in part 540 of this chapter.

(c) An attorney or law school professor shall supervise students and legal assistants participating in the program. The supervisor shall provide the Warden with a signed statement accepting professional responsibility for acts of each student or legal assistant affecting the institution. The Warden may require each student or legal assistant to complete and sign a personal history statement and a pledge to abide by Bureau regulations and institution guidelines. If necessary to

28 CFR Ch. V (7-1-16 Edition)

maintain security or good order in the institution, the Warden may prohibit a student or legal assistant from visiting or corresponding with an inmate.

§ 543.16 Other paralegals, clerks, and legal assistants.

(a) The Bureau of Prisons recognizes the use of assistants by attorneys to perform legal tasks and, with proper controls and exceptions enumerated in this section and in part 540 of this chapter, accords such assistants the same status as attorneys with respect to visiting and correspondence.

(b) The attorney who employs an assistant and who wishes the assistant to visit or correspond with an inmate on legal matters shall provide the Warden with a signed statement including:

(1) Certification of the assistant's ability to perform in this role and awareness of the responsibility of this position;

(2) A pledge to supervise the assistant's activities; and

(3) Acceptance of personal and professional responsibility for all acts of the assistant which may affect the institution, its inmates, and staff. The Warden may require each assistant to fill out and sign a personal history statement and a pledge to abide by Bureau regulations and institution guidelines. If necessary to maintain security or good order in the institution, the Warden may prohibit a legal assistant from visiting or corresponding with an inmate.

Subpart C—Federal Tort Claims Act

SOURCE: 65 FR 34364, May 26, 2000, unless otherwise noted.

§ 543.30 Purpose and scope.

Pursuant to the Federal Tort Claims Act, a claim for money damages for personal injury or death and/or damage to or loss of property must be filed against the United States by the injured party with the appropriate Federal agency for administrative action. General provisions for processing administrative claims under the Federal Tort Claims Act are contained in 28 CFR part 14. The provisions in this subpart describe the procedures to follow

Bureau of Prisons, Justice

§ 543.32

when filing an administrative tort claim with the Bureau of Prisons.

§ 543.31 Filing a claim.

(a) *Who may file a claim?* You may file a claim if you are the injured person or the owner of the damaged or lost property. A person acting on your behalf as an agent, executor, administrator, parent, guardian, or other representative may file a claim for you if the person provides a written statement signed by you giving that person permission to act for you. A representative may also file a claim for wrongful death. If you hire a lawyer or authorize a representative to act on your behalf, the agency will correspond only with that representative, and will not continue to correspond with you.

(b) *Where do I obtain a form for filing a claim?* You may obtain a form from staff in the Central Office, Regional Offices, Bureau institutions, or staff training centers.

(c) *Where do I file the claim?* You may either mail or deliver the claim to the regional office in the region where the claim occurred. If the loss or injury occurred in a specific regional office or within the geographical boundaries of the region, you may either mail or deliver the claim to that regional office. If the loss or injury occurred in the Central Office, you may either mail or deliver the claim to the Office of General Counsel, Central Office. If the loss or injury occurred in one of the training centers, you may either mail or deliver the claim to the Associate General Counsel, Federal Law Enforcement Training Center. 28 CFR part 503 contains information on locating Bureau of Prisons addresses.

[65 FR 34364, May 26, 2000, as amended at 70 FR 67091, Nov. 4, 2005]

§ 543.32 Processing the claim.

(a) *Will I receive an acknowledgment letter?* Yes. If you have provided all necessary information to process your claim (such as time, date, and place where the incident occurred, and a specific sum of money you are requesting as damages), you will receive an acknowledgment letter indicating the filing date and a claim number. The filing date is the date your claim was first received by either the Department of

Justice or an office of the Bureau of Prisons. You should refer to your claim number in all further correspondences with the agency. Additionally, you must inform the agency of any changes in your address. If you fail to provide all necessary information, your claim will be rejected and returned to you requesting supplemental information.

(b) *Will I be notified if my claim is transferred?* Yes. If your claim is improperly filed, you will be notified by the responsible office that your claim was transferred to another regional office, the Central Office, a training center, or another agency.

(c) *Will an investigation be conducted?* Yes. The regional office ordinarily refers the claim to the appropriate institution or office for investigation. You may also be required to provide additional information during the investigation. Your failure to respond within a reasonable time may result in the rejection or denial of the claim.

(d) *Who will decide my administrative claim?* The Regional Counsel or his or her designee reviews the investigation and the supporting evidence and renders a decision of all claims properly filed in the regional office and within regional settlement authority. The Regional Counsel has limited settlement authority (up to an amount established by the Director, Bureau of Prisons). After considering the merits of the claim, the Regional Counsel may deny or propose a settlement of the claim. The General Counsel will investigate and propose settlement for all claims properly filed in the Central Office in accordance with delegated settlement authority. If the proposed settlement exceeds the General Counsel's authority, the General Counsel will seek approval from the appropriate Department of Justice officers.

(e) *Will my claim be reviewed by or referred to the Central Office?* If the Regional Counsel recommends a proposed settlement in excess of the settlement authority, the claim will be forwarded, with a recommendation, to the Office of General Counsel, Central Office for their review.

(f) *Will appreciation or depreciation be considered?* Yes. Staff will consider appreciation or depreciation of lost or damaged property in settling a claim.

(g) *If my claim is denied or I am dissatisfied with a settlement offer, what are my options?* If your claim is denied or you are dissatisfied with a settlement offer, you may request, in writing, that the Bureau of Prisons reconsider your claim in the administrative stage. You should include additional evidence of injury or loss to support your request for reconsideration. If you are dissatisfied with the final agency action, you may file suit in an appropriate U.S. District Court as no further administrative action is available.

(h) *What if I accept a settlement of my claim?* If you accept a settlement, you give up your right to bring a lawsuit against the United States or against any employee of the government whose action or lack of action gave rise to your claim.

(i) *How long will it take to get a response?* Generally, you will receive a decision regarding your claim within six months of when you properly file the claim. If you have not received a letter either proposing a settlement or denying your claim within six months after the date your claim was filed, you may assume your claim is denied. You may proceed to file a lawsuit in the appropriate U.S. District Court.

Subparts A–B [Reserved]

Subpart C—Postsecondary Education Programs for Inmates

SOURCE: 68 FR 65171, Nov. 19, 2003, unless otherwise noted.

§ 544.20 Purpose and scope.

The Bureau of Prisons offers inmates the opportunity under its postsecondary education program to participate in postsecondary education courses (courses for college credit other than those courses which pertain to occupational education programs) which have been determined to be appropriate in light of the institution's need for discipline, security, and good order. Participation in postsecondary

Bureau of Prisons, Justice

§ 544.34

education courses which are part of occupational education programs is governed by the provisions of the Bureau's occupational education program (see subpart F of this part).

§ 544.21 Procedures.

(a) The Warden or designee must appoint a postsecondary education coordinator (ordinarily an education staff member) for the institution. The postsecondary education coordinator is responsible for coordinating the institution's postsecondary education program.

(b) An inmate who wishes to participate in a postsecondary education course must apply through the postsecondary education coordinator. If the postsecondary education coordinator determines that the course is appropriate in light of the institution's need for discipline, security, and good order, the inmate may enroll provided that:

(1) The inmate meets eligibility requirements for the course which have been set by the course provider,

(2) The inmate is responsible for payment of any tuition either through personal funds, community resources, or scholarships available to the inmate, and

(3) The unit team determines that the course is appropriate for the inmate's apparent needs.

Subpart D—Inmate Recreation Programs

SOURCE: 58 FR 65850, Dec. 16, 1993, unless otherwise noted.

§ 544.30 Purpose and scope.

The Bureau of Prisons encourages inmates to make constructive use of leisure time and offers movies, games, sports, social activities, arts and hobbycrafts, wellness and other group and individual activities.

§ 544.31 Definitions.

(a) *Leisure activities* are a wide range of activities in which inmates may participate when not performing assigned duties. Leisure activities include participation in organized and informal games, sports, physical fitness, table games, hobbycrafts, music programs,

intramural activities, social and cultural organizations, movies, and stage shows. Religious activities, psychological services, and education classes are not included within this definition, except when they are used specifically to encourage knowledge, skills, and attitudes related to leisure activity involvement.

(b) *Organized activities* are those activities accounted for by registration or roster of individual participants, and occur at a scheduled time and place.

(c) *Art work* includes all paintings and sketches rendered in any of the usual media (oils, pastels, crayons, pencils, inks, and charcoal).

(d) *Hobbycraft activities* include ceramics, leatherwork, models, clay, mosaics, crochet, knitting, sculptures, woodworking, lapidary, and other forms consistent with institution guidelines.

(e) *Inmate wellness program activities* include screening, assessments, goal setting, fitness/nutrition prescriptions and counseling.

§ 544.32 Goals.

The Warden is to ensure, to the extent possible, that leisure activities are provided to meet social, physical, psychological, and overall wellness needs of inmates.

(a) Leisure activities are designed to attract inmate participation regardless of ethnic, racial, age, or sex difference, or handicap considerations, and to enhance the potential for post-release involvement.

(b) Leisure activities are designed to ensure that an inmate with the need has the opportunity to complete one or more activities (see 28 CFR 544.81).

§ 544.33 Movies.

If there is a program to show movies, the Supervisor of Education shall ensure that X-rated movies are not shown.

§ 544.34 Inmate running events.

Running events will ordinarily not exceed 10 kilometers or 6.2 miles. Appropriate medical staff and fluid supplies (e.g., water) should be available for all inmate running events.

§ 544.35

28 CFR Ch. V (7-1-16 Edition)

§ 544.35 Art and hobbycraft.

(a) An inmate engaged in art or hobbycraft activities may obtain materials through:

- (1) The institution art program (if one exists);
- (2) The commissary sales unit;
- (3) Special purchase commissary orders, if the sales unit is unable to stock a sufficient amount of the needed materials; or
- (4) Other sources approved by the Warden.

(b) Each inmate shall identify completed art or hobbycraft products by showing the inmate's name and register number on the reverse side of the item.

(c) Completed or abandoned art or hobbycraft articles must be disposed of in one of the following ways:

- (1) Upon approval of the Warden, by giving the item to an authorized visitor. The quantity of items will be determined by the Warden.
- (2) By mailing the item to a verified relative or approved visitor at the inmate's expense.
- (3) By selling, through an institution art and hobbycraft sales program, if one exists, after the institution price committee has determined the sale price.
- (4) Other methods established by the Warden.

(d) *Restrictions.* Art and hobbycraft programs are intended for the personal enjoyment of an inmate and as an opportunity to learn a new leisure skill. They are not for the mass production of art and hobbycraft items by artists or to provide a means of supplementing an inmate's income.

(1) The Warden may restrict, for reasons of security and housekeeping, the size and quantity of all products made in the art and hobbycraft program. Paintings mailed out of the institution must conform to both institution guidelines and postal regulations. If an inmate's art work or hobbycraft is on public display, the Warden may restrict the content of the work in accordance with community standards of decency.

(2) The Warden may set limits, in compliance with commissary guidelines, on the amount of money an in-

mate may spend on art or hobbycraft items or materials.

(3) The Warden may restrict for reasons of security, fire safety, and housekeeping, the use or possession of art and hobbycraft items or materials.

(4) Appropriate hobbycraft activities shall be encouraged in the inmate living areas. However, the Warden may limit hobbycraft projects in the cell/living areas to those which can be contained/stored in provided personal property containers. Exceptions may be made for such items as a painting where the size would prohibit placement in a locker. Hobbycraft items must be removed from the living area when completed unless they are approved as personal property.

(5) The Warden shall require the inmate to mail completed hobbycraft articles out of the institution at the inmate's expense, or to give them to an authorized visitor within 30 days of completion, or to dispose of them through approved sales. However, articles offered for sale must be sold within 90 days of completion, or must be given to an authorized visitor or mailed out of the institution at the inmate's expense.

(6) Where space and equipment are limited and demand is high, the Warden may set limits on the amount of time an inmate may use a hobbycraft facility, e.g., the Warden may limit an inmate's use of any workshop or classroom to six months to make room for new students. Hobbycraft participants may be rotated to allow for maximum utilization of the resources.

(7) Disciplinary action may be taken against inmates found with unauthorized hobbycraft materials in their possession. This action may include the removal of the inmate from the hobbycraft program.

Subpart E—Mandatory English-as-a-Second Language Program (ESL)

SOURCE: 59 FR 14724, Mar. 29, 1994, unless otherwise noted.

§ 544.40 Purpose and scope.

Pursuant to the Crime Control Act of 1990 (18 U.S.C. 3624(f)), limited English proficient inmates confined in Federal

Bureau of Prisons, Justice

§ 544.51

Bureau of Prisons institutions are required to attend an English-as-a-Second Language (ESL) program until they function at the equivalence of the eighth grade level in competency skills. Waivers to this requirement may be granted by the Warden in accordance with §§ 544.41 and 544.42.

§ 544.41 Applicability: Who must attend the ESL program.

(a) All Federal prisoners who have limited English proficiency skills shall attend an ESL program except:

- (1) Pretrial inmates;
- (2) Inmates committed for purpose of study and observation under the provisions of 18 U.S.C. 4205(c) or, effective November 1, 1987, 18 U.S.C. 3552(b);
- (3) Sentenced aliens with a deportation detainer;
- (4) Other inmates whom, for documented good cause, the Warden may excuse from attending the ESL program.

(b) Staff shall document in the inmate's education file the specific reasons for not requiring the inmate to participate in the ESL program.

§ 544.42 Procedures.

(a) The Warden at each federal institution shall ensure that inmates who at their initial classification are found to be limited English proficient are enrolled in the ESL program. Determination of limited English proficiency is made by staff on the basis of personal interviews and placement testing.

(b) An inmate who returns to the Federal Bureau of Prisons on a new sentence or as a parole violator, and who has not achieved or is unable to demonstrate verified achievement of the eighth grade level, must provide verification or enroll in the ESL program until that inmate achieves such a grade or is granted a waiver for cause.

(c) The Warden or designee shall assign to an education staff member the responsibility to coordinate the institution's ESL program. The ESL coordinator or designee shall meet with the inmate for the purpose of enrolling the inmate in the ESL program. The ESL coordinator shall be responsible for the completion of the official ESL Program Record, and shall place it in the inmate's education file.

(d) Ordinarily, there will be no time limit for completion of the ESL mandatory program. However, after 240 instructional hours of continuous enrollment in an ESL program, excluding sick time, furloughs, and other excused absences from scheduled classes, the Warden shall have the authority to grant a waiver from further program participation. This waiver may be granted when it is determined that the inmate will not benefit from further instruction. Each exemption determination shall be made on an individual basis and shall be supported by documentation.

[59 FR 14724, Mar. 29, 1994, as amended at 62 FR 39916, July 24, 1997]

§ 544.43 Incentives.

The Warden or designee shall establish a system of incentives to encourage an inmate to meet the mandatory ESL program requirements.

§ 544.44 Disciplinary action.

As with any other mandatory programs, such as work assignments, staff may take disciplinary action against an inmate when that inmate refuses to enroll and participate in, or to meet the minimum requirements of the mandatory ESL program.

Subpart F—Occupational Education Programs

SOURCE: 68 FR 65170, Nov. 19, 2003, unless otherwise noted.

§ 544.50 Purpose and scope.

The Bureau of Prisons offers eligible inmates the opportunity under its occupational education programs to participate in occupational education courses for the purpose of obtaining marketable skills designed to enhance post-release employment opportunities.

§ 544.51 Procedures.

(a) *Eligibility.* All inmates are eligible to participate in an institution's occupational education program. An eligible inmate must apply through the inmate's unit team for placement consideration. The unit team will determine whether the occupational education

§ 544.52

course is appropriate for the inmate's apparent needs.

(b) *Special considerations for inmates under orders of deportation, exclusion, or removal:* (1) Generally, inmates under orders of deportation, exclusion, or removal may participate in an institution's occupational education program if Bureau resources permit after meeting the needs of other eligible inmates.

(2) Inmates under orders of deportation, exclusion, or removal who the Attorney General has determined cannot be removed from the United States because the designated country of removal will not accept the inmate's return are exempted from the limitation in paragraph (b)(1) of this section, and may participate in an institution's occupational education in the same manner as other eligible inmates.

§ 544.52 Levels of Occupational Education Programs.

Occupational education programs are offered at the certificate level and the classroom level. Each level may include the following types of training:

(a) *Exploratory Training.* Exploratory training is a study of occupations and industries for the purpose of providing the student with a general knowledge of the occupation and the world of work, rather than specific skill development.

(b) *Marketable Training.* Marketable training provides specific entry-level or advanced job skills. Marketable training may include "live work", that is, the training would result in a product or service produced by the inmate for actual use by the institution, FPI, another federal agency, or community service project.

(c) *Apprentice Training.* Apprentice training provides an inmate the opportunity to participate in training which prepares the inmate for employment in various trades through structured apprenticeship programs approved at the state and national levels by the Bureau of Apprenticeship and Training, U.S. Department of Labor.

Subpart G [Reserved]

28 CFR Ch. V (7-1-16 Edition)

Subpart H—Literacy Program

SOURCE: 62 FR 50793, Sept. 26, 1997, unless otherwise noted.

§ 544.70 Purpose and scope.

Except as provided for in § 544.71, an inmate confined in a federal institution who does not have a verified General Educational Development (GED) credential or high school diploma is required to attend an adult literacy program for a minimum of 240 instructional hours or until a GED is achieved, whichever occurs first.

§ 544.71 Exceptions to required literacy program participation.

(a) The following inmates are not required to attend the literacy program:

(1) Pretrial inmates;

(2) Inmates committed for purpose of study and observation under the provisions of 18 U.S.C. 4205(c), 4241(d), or, effective November 1, 1987, 18 U.S.C. 3552(b);

(3) Sentenced deportable aliens;

(4) Inmates determined by staff to be temporarily unable to participate in the literacy program due to special circumstances beyond their control (e.g., due to a medical condition, transfer on writ, on a waiting list for initial placement). Such inmates, however, shall be required to participate when the special circumstances are no longer applicable.

(b) Inmates who have been determined (on the basis of formal diagnostic assessment) to have a documented emotional, mental, or physical individual impediment to learning shall not be required to complete the literacy program beyond those achievement levels indicated as realistic by the formal diagnostic assessment.

(c) Staff shall document in the inmate's education file the specific reasons for not requiring the inmate to participate in, or to complete, the literacy program.

§ 544.72 Incentives.

The Warden shall establish a system of incentives to encourage an inmate to obtain a GED credential.

§ 544.73 Program participation.

(a) The Warden or designee shall assign to an education staff member the responsibility to coordinate the institution's literacy program. Initially, staff shall meet with the inmate for the purpose of enrolling the inmate in the literacy program. Subsequently, staff shall formally interview each inmate involved in the literacy program when necessary for the purpose of determining a progress assignment. Staff shall place documentation of these interviews in the inmate's education file.

(b)(1) For the purposes of 18 U.S.C. 3624, an inmate subject to the Violent Crime Control and Law Enforcement Act of 1994 (VCCLEA) or the Prison Litigation Reform Act of 1995 (PLRA) shall be deemed to be making satisfactory progress toward earning a GED credential or high school diploma unless and until the inmate receives a progress assignment confirming that:

- (i) The inmate refuses to enroll in the literacy program;
- (ii) The inmate has been found to have committed a prohibited act that occurred in a literacy program during the last 240 instructional hours of the inmate's most recent enrollment in the literacy program; or
- (iii) The inmate has withdrawn from the literacy program.

(2) When an inmate subject to VCCLEA or PLRA receives a progress assignment indicating that the inmate is not making satisfactory progress, the assignment shall be changed to indicate satisfactory progress only after the inmate is currently and continuously enrolled in a literacy program for a minimum of 240 instructional hours. Any further withdrawal or finding that the inmate has committed a prohibited act in a literacy program during the last 240 instructional hours of the inmate's most recent enrollment in the literacy program shall result in a progress assignment indicating that the inmate is again not making satisfactory progress (see paragraphs (b)(1)(ii) and (iii) of this section).

(c) At the end of 240 instructional hours, excluding sick time, furloughs, or other absences from scheduled classes, the unit team during scheduled program review sessions shall meet with

the inmate to encourage continued participation in the literacy program until the inmate earns a GED credential or high school diploma. At these meetings, the inmate may elect not to continue in the literacy program, and no disciplinary action will be taken. The inmate may not discontinue this program when participation is mandated by statute.

§ 544.74 Work assignment limitations.

These limitations on work assignment appointment and promotion apply to all inmates, including those exempted from required participation in the literacy program by § 544.71.

(a) *Appointment.* (1) An inmate who does not meet the literacy requirement may be assigned to a grade 4 position contingent upon the inmate's continued enrollment in the literacy program.

(2) An inmate ordinarily must show prior attainment of a GED credential or high school diploma in order to be considered for a commissary work assignment above minimum pay level, an institution work assignment above grade 4 compensation, or an industrial work assignment above grade four or in a non-graded incentive pay position.

(3) If labor force needs require, an inmate who does not meet the literacy requirement may be assigned to an industrial non-graded incentive pay position if the inmate is simultaneously enrolled in a literacy or related program. Withdrawal from the literacy program shall result in termination of the assignment. Local Federal Prison Industry (FPI) management may elect to retain the reassigned inmate in an hourly rated grade 4 position.

(b) *Promotion.* An inmate ordinarily must show prior attainment of a GED credential or high school diploma to be promoted above the minimum pay level or grade in a commissary work assignment, an institutional work assignment, or an industrial work assignment. An inmate already in an assignment above the minimum pay grade who had met prior literacy requirements when approved for promotion is eligible for further promotion under the prior standard. Such inmate, however, must meet the current standard if, due to demotion based upon a poor

§ 544.75

performance appraisal, he or she needs to reapply for a promotion.

(c) *Exceptions.* The Warden may, for good cause, exempt inmates on a case-by-case basis, from the literacy requirements for work assignment appointment and promotion. Staff shall document such exemption in the inmate's education file and central file.

§ 544.75 Disciplinary action.

As with other mandatory programs, such as work assignments, staff may take disciplinary action against an inmate lacking a GED credential or high school diploma if that inmate refuses to enroll in, and to complete, the mandatory 240 instructional hours of the literacy program.

Subpart I—Education, Training and Leisure-Time Program Standards

SOURCE: 58 FR 65852, Dec. 16, 1993, unless otherwise noted.

All institutions, except satellite camps, detention centers and metropolitan correctional centers, shall operate a full range of activities as outlined in this rule.

§ 544.81 Program goals.

The Warden shall ensure that an inmate with the need, capacity, and sufficient time to serve, has the opportunity to:

(a) Complete an Adult Literacy program leading to a General Educational Development (GED) certificate and/or high school diploma;

(b) Complete one or more levels of English-as-a-Second Language;

(c) Acquire or improve marketable skill through one or more programs of Occupation Education (OE);

28 CFR Ch. V (7–1–16 Edition)

(f) Participate in one or more leisure, fitness, wellness or sport activities;

[58 FR 65852, Dec. 16, 1993, as amended at 61 FR 47795, Sept. 10, 1996]

§ 544.82 General program characteristics.

(a) The Supervisor of Education shall assure that the following minimum criteria are met for the institution's education program set forth in § 544.81.

(1) There is a written curriculum which establishes measurable behavioral objectives and procedures.

(2) There are clear criteria which establish minimum expectations for program completion, as well as provisions for the assessment of student progress.

(3) There are provisions for periodic review of the relevancy and effectiveness of the program.

(4) Unless unusual circumstances (e.g., college credit courses) exist, all programs should allow for open entry and exit, at least on a monthly basis.

(5) The Supervisor of Education may establish other requirements necessary to assure that the stated goals of the program are achieved.

(b) Upon an inmate's completion of a program specified in § 544.81, staff may issue and/or review and file a certificate when it contributes to an inmate's future plans in such a way that it validates the inmate's education and training; supports the inmate's chances of securing employment; improves the inmate's acceptance for advanced education; or enhances the inmate's opportunity for success in any other activity the inmate chooses to pursue. The certificate will confirm that the inmate has completed the requirements to receive a certificate that fits one or a combination of the following categories:

(1) Accredited certificates—high school diplomas and occupation training certificates approved or issued

through local school districts, state departments of education, or other recognized accrediting educational organizations;

(2) Postsecondary certificates and transcripts—postsecondary degrees or course certificates approved or issued through a sponsoring accredited educational institution;

(3) General Educational Development tests—programs sponsored by the American Council on Education;

(4) Private certificates—outside agencies, private business and industry, other than those stated in paragraph (b)(1) of this section;

(5) Institutional certificates—approved general education, occupation training, recreation, adult continuing education and social education certificates, issued to an inmate who completes a program, and when the institution cannot provide a certificate as provided in paragraphs (b) (1) and (4) of this section; or

(6) Transcripts—issued to an inmate who completes general education programs, formal occupation training, on-the-job and apprentice training and work assignments. With the inmate's consent, transcripts may be sent to schools and colleges, business, industries and other agencies.

§ 544.83 Inmate tutors.

Institutions may establish an inmate tutor/aide program. Guidelines shall be developed regarding the training and supervision of inmate tutors/aides where such programs are available.

Subpart J [Reserved]

Subpart K—Inmate Library Services

§ 544.100 Purpose and scope.

The Bureau of Prisons provides inmates within each of its institutions with library services necessary for educational, cultural, and leisure activity. The Warden shall ensure that the inmate library has a wide variety of reading materials. Library services shall ordinarily be available to all inmates daily, including evenings and weekends, except in detention facilities where service shall be scheduled as fre-

quently as possible to ensure reasonable access.

[46 FR 24900, May 1, 1981]

§ 544.101 Procedures.

(a) The Warden shall assign a staff member (ordinarily the Supervisor of Education) responsibility for the inmate library.

(b) The inmate library shall offer an inmate a variety of reading materials, including, but not limited to, periodicals, newspapers, fiction, non-fiction, and reference books.

(c) Where the population of an institution includes inmates of foreign origin, staff shall attempt to provide reading materials in the inmates' language.

(d) Inmate library services shall be made available to inmates in special housing units.

Subpart A [Reserved]

Subpart B—Inmate Financial Responsibility Program

SOURCE: 56 FR 23477, May 21, 1991, unless otherwise noted.

§ 545.10 Purpose and scope.

The Bureau of Prisons encourages each sentenced inmate to meet his or her legitimate financial obligations. As part of the initial classification process, staff will assist the inmate in developing a financial plan for meeting those obligations, and at subsequent program reviews, staff shall consider the inmate's efforts to fulfill those obligations as indicative of that individual's acceptance and demonstrated level of responsibility. The provisions of this rule apply to all inmates in federal facilities, except: Study and observation cases, pretrial detainees, and inmates in holdover status pending designation.

§ 545.11 Procedures.

When an inmate has a financial obligation, unit staff shall help that inmate develop a financial plan and shall monitor the inmate's progress in meeting that obligation.

(a) *Developing a financial plan.* At initial classification, the unit team shall review an inmate's financial obligations, using all available documentation, including, but not limited to, the Presentence Investigation and the Judgment and Commitment Order(s). The financial plan developed shall be documented and will include the following obligations, ordinarily to be paid in the priority order as listed:

- (1) Special Assessments imposed under 18 U.S.C. 3013;
- (2) Court-ordered restitution;
- (3) Fines and court costs;
- (4) State or local court obligations; and
- (5) Other federal government obligations.

(b) *Payment.* The inmate is responsible for making satisfactory progress in meeting his/her financial responsi-

bility plan and for providing documentation of these payments to unit staff. Payments may be made from institution resources or non-institution (community) resources. In developing an inmate's financial plan, the unit team shall first subtract from the trust fund account the inmate's minimum payment schedule for UNICOR or non-UNICOR work assignments, set forth in paragraphs (b)(1) and (b)(2) of this section. The unit team shall then exclude from its assessment \$75.00 a month deposited into the inmate's trust fund account. This \$75.00 is excluded to allow the inmate the opportunity to better maintain telephone communication under the Inmate Telephone System (ITS).

(1) Ordinarily, the minimum payment for non-UNICOR and UNICOR grade 5 inmates will be \$25.00 per quarter. This minimum payment may exceed \$25.00, taking into consideration the inmate's specific obligations, institution resources, and community resources.

(2) Inmates assigned grades 1 through 4 in UNICOR ordinarily will be expected to allot not less than 50% of their monthly pay to the payment process. Any allotment which is less than the 50% minimum must be approved by the Unit Manager. Allotments may also exceed the 50% minimum after considering the individual's specific obligations and resources.

(c) *Monitoring.* Participation and/or progress in the Inmate Financial Responsibility Program will be reviewed each time staff assess an inmate's demonstrated level of responsible behavior.

(d) *Effects of non-participation.* Refusal by an inmate to participate in the financial responsibility program or to comply with the provisions of his financial plan ordinarily shall result in the following:

- (1) Where applicable, the Parole Commission will be notified of the inmate's failure to participate;
- (2) The inmate will not receive any furlough (other than possibly an emergency or medical furlough);
- (3) The inmate will not receive performance pay above the maintenance pay level, or bonus pay, or vacation pay;

Bureau of Prisons, Justice

§ 545.21

(4) The inmate will not be assigned to any work detail outside the secure perimeter of the facility;

(5) The inmate will not be placed in UNICOR. Any inmate assigned to UNICOR who fails to make adequate progress on his/her financial plan will be removed from UNICOR, and once removed, may not be placed on a UNICOR waiting list for six months. Any exceptions to this require approval of the Warden;

(6) The inmate shall be subject to a monthly commissary spending limitation more stringent than the monthly commissary spending limitation set for all inmates. This more stringent commissary spending limitation for IFRP refusees shall be at least \$25 per month, excluding purchases of stamps, telephone credits, and, if the inmate is a common fare participant, Kosher/Halal certified shelf-stable entrees to the extent that such purchases are allowable under pertinent Bureau regulations;

(7) The inmate will be quartered in the lowest housing status (dormitory, double bunking, etc.);

(8) The inmate will not be placed in a community-based program;

(9) The inmate will not receive a release gratuity unless approved by the Warden;

(10) [Reserved]

(11) The inmate will not receive an incentive for participation in residential drug treatment programs.

Subpart C—Inmate Work and Performance Pay Program

SOURCE: 49 FR 38915, Oct. 1, 1984, unless otherwise noted.

§ 545.20 Purpose and scope.

(a) The Bureau of Prisons operates an inmate work program within its institutions. To the extent practicable, the work program:

(1) Reduces inmate idleness, while allowing the inmate to improve and/or develop useful job skills, work habits, and experiences that will assist in post-release employment; and

(2) Ensures that activities necessary to maintain the day-to-day operation of the institution are completed. Sentenced inmates who are physically and mentally able to work are required to participate in the work program. When approved by the Warden or designee, drug treatment programming, education, or vocational training may be substituted for all or part of the work program.

(b) The Warden may recognize an inmate's work performance or productive participation in specified correctional programs by granting performance pay.

[49 FR 38915, Oct. 1, 1984, as amended at 61 FR 379, Jan. 4, 1996]

§ 545.21 Definitions.

(c) *Industry assignment.* A Federal Prison Industries (FPI) work assignment.

(d) *Commissary assignment.* A Trust Fund work assignment.

(e) *Full-time work assignment.* A work assignment to which an inmate is assigned for the entire scheduled work day.

(f) *Part-time work assignment.* A work assignment to which an inmate is assigned for only a portion of the scheduled work day. Part-time work assignments are ordinarily made in conjunction with drug treatment programming, education, and/or vocational training programs.

(g) *Medically unassigned.* An inmate who, because of medical restrictions, is unable to be assigned to any work program.

(h) *Light duty work assignment.* A work assignment in which an inmate may, because of physical limitations, temporary or otherwise, only perform limited work functions, e.g., sedentary

§ 545.22 Institution work and performance pay committee.

(a) The Warden at each Bureau of Prisons institution is to establish an Institution Inmate Work and Performance Pay Committee to administer the institution's work and performance pay program. The Committee is to be comprised of an Associate Warden, the Inmate Performance Pay Coordinator, and any other member(s) the Warden considers appropriate.

(b) The Committee is responsible for approving the following aspects of the institution's inmate work and performance pay program:

- (1) Number of inmates on each work detail;
- (2) Number of pay grades in each detail;
- (3) Job descriptions;
- (4) Performance standards;
- (5) Budgeting for special act awards; and
- (6) Bonus pay/special bonus pay procedures.

§ 545.23 Inmate work/program assignment.

(a) Each sentenced inmate who is physically and mentally able is to be assigned to an institutional, industrial, or commissary work program. Exception shall be made to allow for inmate participation in an education, vocational, or drug abuse treatment program, on either a full or part-time basis, where this involvement is mandated by Bureau policy or statute (for example, the Literacy Program). Where such participation is not required by either policy or statute, exception may be made to allow an inmate to participate in an education, vocational, or drug abuse treatment program rather than work full-time upon the request of the inmate and approval of the Warden or designee.

(b) A pretrial inmate may not be required to work in any assignment or area other than housekeeping tasks in the inmate's own cell and in the community living area, unless the pretrial inmate has signed a waiver of his or

28 CFR Ch. V (7-1-16 Edition)

her right not to work (see 28 CFR part 551, subpart J).

(c) Medically unassigned inmates may be required, to the extent medically possible, to perform housekeeping tasks in the inmate's own cell and in the community living area.

(d) In making the work and/or program assignment(s), staff shall consider the inmate's capacity to learn, interests, requests, needs, and eligibility, and the availability of the assignment(s). An inmate's assignment shall be made with consideration of the institution's security and operational needs, and should be consistent with the safekeeping of the inmate and protection of the public.

§ 545.24 Inmate work conditions.

(a) The scheduled work day for an inmate in a federal institution ordinarily consists of a minimum of seven hours.

(b) An inmate is expected to report to the place of assignment at the required time. An inmate may not leave an assignment without permission.

(c) An inmate, regardless of assignment, is expected to perform all assigned tasks diligently and conscientiously. Disciplinary action may be taken against an inmate who refuses to work, who otherwise evades attendance and performance standards in assigned activities, or who encourages others to do so.

(d) Work, vocational, and education programs are to meet the appropriate minimum standards for health and safety. Safety equipment is to be available where needed.

(e) An inmate is expected to perform the work assignment in a safe manner, using safety equipment as instructed by the work supervisor. In the event of any work related injury, the inmate shall notify the work supervisor so that appropriate action (for example, medical attention, and submission of necessary reports) may be taken.

[49 FR 38915, Oct. 1, 1984, as amended at 56 FR 23478, May 21, 1991; 56 FR 31531, July 10, 1991; 61 FR 379, Jan. 4, 1996]

§ 545.25 Eligibility for performance pay.

(a) An inmate may receive performance pay for accomplishments in one or more of the following areas:

- (1) Institution work assignment;
- (2) Literacy program (GED) participation;
- (3) Apprenticeship training; and
- (4) Vocational training courses (approved by the Bureau of Prisons as certified vocational training instruction).

(b) An inmate is eligible for performance pay from the date of work or program assignment. An inmate is eligible to receive performance pay for each month that the inmate's performance justifies such payment.

(c) An inmate who refuses to participate in the financial responsibility program shall not ordinarily receive performance pay above the maintenance pay level, or bonus pay, or vacation pay in accordance with 28 CFR part 545, subpart B.

(d) An inmate who refuses participation, withdraws, is expelled, or otherwise fails attendance requirements of the drug abuse education course or the RDAP is subject to the limitations specified in § 550.51(e) or § 550.53(g) of this chapter.

(e) Inmates receiving performance pay who are found through the disciplinary process (part 541 of this subchapter) to have committed a level 100 or 200 series drug- or alcohol-related prohibited act will automatically have their performance pay reduced to maintenance pay level and will be removed from any assigned work detail outside the secure perimeter of the institution. This reduction to maintenance pay level, and removal from assigned work detail outside the secure perimeter of the institution, will ordinarily remain in effect for one year, unless otherwise authorized by the Warden.

[49 FR 38915, Oct. 1, 1984. Redesignated and amended at 56 FR 23478, May 21, 1991; 61 FR 379, Jan. 4, 1996; 73 FR 39866, July 11, 2008; 74 FR 1897, Jan. 14, 2009]

§ 545.26 Performance pay provisions.

(a) The Warden shall ensure that all institution work assignments have standardized work descriptions. Each inmate work position is assigned one of

four pay grade levels. Factors to consider in assigning a grade level to the specific work position include the position's educational and vocational requirements, physical demands, working conditions (exposed to dusts, odors, etc.), and the degree of responsibility held by the inmate worker. The inmate assigned to a specific work position shall sign, and, if requested, receive a copy of, that position description.

(b) In recognition of budgetary constraints and for the effective management of the overall performance pay program, the percentage of inmates assigned to each grade level is approximately as follows (Grade 1 is highest pay):

Grade 1—5% of the institution's allotted inmate work assignments;

Grade 2—15% of the institution's allotted inmate work assignments;

Grade 3—25% of the institution's allotted inmate work assignments;

Grade 4—55% of the institution's allotted inmate work assignments.

(c) An inmate may receive performance pay only for that portion of the month that the inmate was working. Performance pay may not be awarded retroactively.

(d) An inmate is eligible to receive performance pay only for those hours during which the inmate is actually performing satisfactory work or actively participating in an education or vocational training program. Absences from an inmate's scheduled assignment for such reasons as call-outs, visits, sick call, interviews, or making telephone calls shall be deducted from the monthly number of hours worked and will accordingly reduce the amount of pay received by the inmate. Any exception to such reduction in pay must be approved by the Assistant Director, Correctional Programs Division, Central Office.

(e) *Work evaluation.* (1) At the end of each month the work detail/program supervisor shall compute the hours worked by the inmate and the pay to be awarded for that month.

(2) An inmate shall receive performance pay only for those hours during which the inmate is actively participating in a work assignment or an education/vocational program.

§ 545.27

(3) The work detail/program supervisor shall rate the inmate's performance in each of several categories on a monthly basis when the inmate's work performance is average or below average or on a quarterly basis when the inmate's work performance is above average. For example, an inmate may be rated in such categories as quality of work, quantity of work, initiative, ability to learn, dependability, response to supervision and instruction, safety and care of equipment, ability to work with others, and overall job proficiency. Any exception to the work performance evaluation procedures cited in this paragraph requires approval of the Assistant Director, Correctional Programs Division, Central Office. The work detail/program supervisor shall review the evaluation with the inmate. The supervisor shall request that the inmate sign the evaluation form. If the inmate refuses to sign the form, the supervisor shall note this refusal on the evaluation and, if known, the reasons for refusal.

(f) *Bonus pay.* When the supervisor of an inmate worker or program participant believes the inmate has made exceptional accomplishments or appreciably contributed to the work assignment, the supervisor may recommend that the inmate receive a bonus. For example, an inmate who works in excess of the scheduled work day can qualify for bonus pay. Written justification for the bonus request must be forwarded to the Department Head for approval.

(g) *Special bonus pay.* An inmate may receive special bonus pay based on the inmate's exceptional work in a temporary job assignment, provided this assignment has been previously identified by the Warden, and approved by the Regional Director, as critical to the institution. When the supervisor of an inmate worker assigned to this temporary job assignment believes the inmate has performed exceptionally well, the supervisor may recommend that the inmate received a special bonus. Written justification for the special bonus request must be forwarded to the Department Head for approval.

(h) An inmate's performance pay, once earned, becomes vested.

28 CFR Ch. V (7-1-16 Edition)

(i) Each inmate in performance pay status shall be notified of monthly earnings.

§ 545.27 Inmate vacations.

(a) An inmate who has worked full-time for 12 consecutive months on an institution work assignment is eligible to take a five-day paid vacation at the inmate's prevailing hourly rate. A recommendation for an inmate to receive vacation credit is made by the inmate's work supervisor, through the Department Head, to the Unit Team, who shall approve the request if the inmate's work performance qualifies for vacation credit.

(b) Staff shall schedule an inmate's vacation so it is compatible with shop production and administrative support requirements.

(c) The Warden or designee may authorize an inmate to accumulate vacation credit when:

(1) The inmate is transferred to another institution for the benefit of the government or because of the inmate's favorable adjustment (custody reduction); or

(2) The inmate is placed in a new work assignment in the institution for the benefit of the government or institution, rather than solely at the inmate's request or because of the inmate's poor performance or adverse behavior.

§ 545.28 Achievement awards.

(a) With prior approval of the Education Department, each inmate who completes the Literacy program, Vocational Training, or related trades classroom work that is part of a certified apprenticeship program may be granted an achievement award from performance pay funds.

(b) With prior approval of the Psychology Services Department, each inmate who is making satisfactory progress or completes a residential drug treatment program may also be

granted an achievement award from performance pay funds.

[61 FR 379, Jan. 4, 1996]

§ 545.29 Special awards.

(a) Inmates who perform exceptional services not ordinarily a part of the inmate's regular assignment may be granted a special award regardless of the inmate's work or program status. Examples of actions which may result in the inmate being considered for a special award are the following:

- (1) An act of heroism.
- (2) Voluntary acceptance and satisfactory performance of an unusually hazardous assignment.
- (3) An act which protects the lives of employees or inmates, or the property of the United States. (This does not apply to informants.)
- (4) Suggestions which result in substantial improvements or cost-savings in institutional programs or operations.
- (5) Other exceptionally meritorious or outstanding services consistent with the general character of the preceding cases.

(b) The special award may be given in the form of a monetary payment in addition to any other award (e.g., extra good time) given.

(c) The Warden of each institution is empowered to approve special awards not exceeding \$150. Awards in excess of this amount may not be made unless approved by the Regional Director.

§ 548.10 Purpose and scope.

(a) The Bureau of Prisons provides inmates of all faith groups with reasonable and equitable opportunities to pursue religious beliefs and practices, within the constraints of budgetary limitations and consistent with the security and orderly running of the institution and the Bureau of Prisons.

(b) When considered necessary for the security or good order of the institution, the Warden may limit attendance at or discontinue a religious activity. Opportunities for religious activities are open to the entire inmate population, without regard to race, color, nationality, or ordinarily, creed. The Warden, after consulting with the institution chaplain, may limit participation in a particular religious activity or practice to the members of that religious group. Ordinarily, when the nature of the activity or practice (e.g., re-

28 CFR Ch. V (7-1-16 Edition)

ligious fasts, wearing of headwear, work proscription, ceremonial meals) indicates a need for such a limitation, only those inmates whose files reflect the pertinent religious preference will be included.

(c) The Bureau of Prisons does not require an inmate to profess a religious belief. An inmate may designate any or no religious preference at his/her initial team screening. By notifying the chaplain in writing, an inmate may request to change this designation at any time, and the change will be effected in a timely fashion.

§ 548.11 Definition.

For purposes of this subpart, the term “religious activity” includes religious diets, services, ceremonies, and meetings.

§ 548.12 Chaplains.

Institution chaplains are responsible for managing religious activities within the institution. Institution chaplains are available upon request to provide pastoral care and counseling to inmates through group programs and individual services. Pastoral care and counseling from representatives in the community are available in accordance with the provisions of §§ 548.14 and 548.19. The chaplain may ask the requesting inmate to provide information regarding specific requested religious activities for the purpose of making an informed decision regarding the request.

[62 FR 44836, Aug. 22, 1997]

§ 548.13 Schedules and facilities.

(a) Under the general supervision of the Warden, chaplains shall schedule and direct the institution’s religious activities.

(b) The Warden may relieve an inmate from an institution program or assignment if a religious activity is also scheduled at that time.

(c) Institutions shall have space designated for the conduct of religious activities.

§ 548.14 Community involvement (volunteers, contractors).

(a) The institution’s chaplain may contract with representatives of faith

Bureau of Prisons, Justice

§ 548.19

groups in the community to provide specific religious services which the chaplain cannot personally deliver due to, ordinarily, religious prescriptions or ecclesiastical constraints to which the chaplain adheres.

(b) The institution's chaplain may secure the services of volunteers to assist inmates in observing their religious beliefs.

(c) The Warden or the Warden's designee (ordinarily the chaplain) may require a recognized representative of the faith group to verify a volunteer's or contractor's religious credentials prior to approving his or her entry into the institution.

§ 548.15 Equity.

No one may disparage the religious beliefs of an inmate, nor coerce or harass an inmate to change religious affiliation. Attendance at all religious activities is voluntary and, unless otherwise specifically determined by the Warden, open to all.

§ 548.16 Inmate religious property.

(a) Inmate religious property includes but is not limited to rosaries and prayer beads, oils, prayer rugs, phylacteries, medicine pouches, and religious medallions. Such items, which become part of an inmate's personal property, are subject to normal considerations of safety and security. If necessary, their religious significance shall be verified by the chaplain prior to the Warden's approval.

(b) An inmate ordinarily shall be allowed to wear or use personal religious items during religious services, ceremonies, and meetings in the chapel, unless the Warden determines that the wearing or use of such items would threaten institution security, safety, or good order. Upon request of the inmate, the Warden may allow the wearing or use of certain religious items throughout the institution, consistent with considerations of security, safety, or good order. The Warden may request the chaplain to obtain direction from representatives of the inmate's faith group or other appropriate sources concerning the religious significance of the items.

(c) An inmate who wishes to have religious books, magazines or periodicals

must comply with the general rules of the institution regarding ordering, purchasing, retaining, and accumulating personal property. Religious literature is permitted in accordance with the procedures governing incoming publications. Distribution to inmates of religious literature purchased by or donated to the Bureau of Prisons is contingent upon the chaplain's granting his or her approval.

[60 FR 46486, Sept. 6, 1995, as amended at 62 FR 44836, Aug. 22, 1997]

§ 548.17 Work assignments.

When the religious tenets of an inmate's faith are violated or jeopardized by a particular work assignment, a different work assignment ordinarily shall be made after it is requested in writing by the inmate, and the specific religious tenets have been verified by the chaplain. Maintaining security, safety, and good order in the institution are grounds for denial of such request for a different work assignment.

§ 548.18 Observance of religious holy days.

Consistent with maintaining security, safety, and good order in the institution, the Warden shall endeavor to facilitate the observance of important religious holy days which involve special fasts, dietary regulations, worship, or work proscription. The inmate must submit a written request to the chaplain for time off from work to observe a religious holy day. The Warden may request the chaplain to consult with community representatives of the inmate's faith group and/or other appropriate sources to verify the religious significance of the requested observance. The chaplain will work with requesting inmates to accommodate a proper observance of the holy day. The Warden will ordinarily allow an inmate to take earned vacation days, or to make up for missed work, or to change work assignments in order to facilitate the observance of the religious holy day.

§ 548.19 Pastoral visits.

If requested by an inmate, the chaplain shall facilitate arrangements for pastoral visits by a clergy person or representative of the inmate's faith.

§ 548.20

(a) The chaplain may request an NCIC check and documentation of such clergy person's or faith group representative's credentials.

(b) Pastoral visits may not be counted as social visits. They will ordinarily take place in the visiting room during regular visiting hours.

§ 548.20 Dietary practices.

(a) The Bureau provides inmates requesting a religious diet reasonable and equitable opportunity to observe their religious dietary practice within the constraints of budget limitations and the security and orderly running of the institution and the Bureau through a religious diet menu. The inmate will provide a written statement articulating the religious motivation for participation in the religious diet program.

(b) An inmate who has been approved for a religious diet menu must notify the chaplain in writing if the inmate wishes to withdraw from the religious diet. Approval for an inmate's religious diet may be withdrawn by the chaplain if the inmate is documented as being in violation of the terms of the religious diet program to which the inmate has agreed in writing. In order to preserve the integrity and orderly operation of the religious diet program and to prevent fraud, inmates who withdraw (or are removed) may not be immediately reestablished back into the program. The process of reapproving a religious diet for an inmate who voluntarily withdraws or who is removed ordinarily may extend up to thirty days. Repeated withdrawals (voluntary or otherwise), however, may result in inmates being subjected to a waiting period of up to one year.

(c) The chaplain may arrange for inmate religious groups to have one appropriate ceremonial or commemorative meal each year for their members as identified by the religious preference reflected in the inmate's file. An inmate may attend one religious ceremonial meal in a calendar year.

Subpart A—Infectious Disease Management

SOURCE: 70 FR 29193, May 20, 2005, unless otherwise noted.

§ 549.10 Purpose and scope.

The Bureau will manage infectious diseases in the confined environment of a correctional setting through a comprehensive approach which includes testing, appropriate treatment, prevention, education, and infection control measures.

§ 549.11 Program responsibility.

Each institution’s Health Services Administrator (HSA) and Clinical Director (CD) are responsible for the operation of the institution’s infectious disease program in accordance with applicable laws and regulations.

§ 549.12 Testing.

(a) *Human Immunodeficiency Virus (HIV)*—(1) *Clinically indicated.* The Bureau tests inmates who have sentences of six months or more if health services staff determine, taking into consideration the risk as defined by the Centers for Disease Control guidelines, that the inmate is at risk for HIV infection. If the inmate refuses testing, staff may initiate an incident report for refusing to obey an order.

(2) *Exposure incidents.* The Bureau tests an inmate, regardless of the length of sentence or pretrial status,

when there is a well-founded reason to believe that the inmate may have transmitted the HIV infection, whether intentionally or unintentionally, to Bureau employees or other non-inmates who are lawfully present in a Bureau institution. Exposure incident testing does not require the inmate’s consent.

(3) *Surveillance Testing.* The Bureau conducts HIV testing for surveillance purposes as needed. If the inmate refuses testing, staff may initiate an incident report for refusing to obey an order.

(4) *Inmate request.* An inmate may request to be tested. The Bureau limits such testing to no more than one per 12-month period unless the Bureau determines that additional testing is warranted.

(5) *Counseling.* Inmates being tested for HIV will receive pre- and post-test counseling, regardless of the test results.

(b) *Tuberculosis (TB).* (1) The Bureau screens each inmate for TB within two calendar days of initial incarceration.

(2) The Bureau conducts screening for each inmate annually as medically indicated.

(3) The Bureau will screen an inmate for TB when health services staff determine that the inmate may be at risk for infection.

(4) An inmate who refuses TB screening may be subject to an incident report for refusing to obey an order. If an inmate refuses skin testing, and there is no contraindication to tuberculin skin testing, then, institution medical staff will test the inmate involuntarily.

(5) The Bureau conducts TB contact investigations following any incident in which inmates or staff may have been exposed to tuberculosis. Inmates will be tested according to paragraph (b)(4) of this section.

(c) *Diagnostics.* The Bureau tests an inmate for an infectious or communicable disease when the test is necessary to verify transmission following exposure to bloodborne pathogens or to infectious body fluid. An inmate who refuses diagnostic testing is subject to an incident report for refusing to obey an order.

§ 549.13

§ 549.13 Programming, duty, and housing restrictions.

(a) The CD will assess any inmate with an infectious disease for appropriateness for programming, duty, and housing. Inmates with infectious diseases that are transmitted through casual contact will be prohibited from work assignments in any area, until fully evaluated by a health care provider.

(b) Inmates may be limited in programming, duty, and housing when their infectious disease is transmitted through casual contact. The Warden, in consultation with the CD, may exclude inmates, on a case-by-case basis, from work assignments based upon the security and good order of the institution.

(c) If an inmate tests positive for an infectious disease, that test alone does not constitute sole grounds for disciplinary action. Disciplinary action may be considered when coupled with a secondary action that could lead to transmission of an infectious agent. Inmates testing positive for infectious disease are subject to the same disciplinary policy that applies to all inmates (*see* 28 CFR part 541, subpart B). Except as provided for in our disciplinary policy, no special or separate housing units may be established for HIV-positive inmates.

§ 549.14 Confidentiality of information.

Any disclosure of test results or medical information is made in accordance with:

(a) The Privacy Act of 1974, under which the Bureau publishes routine uses of such information in the Department of Justice Privacy Act System of Records Notice entitled "Inmate Physical and Mental Health Record System, JUSTICE/BOP-007"; and

(b) The Correction Officers Health and Safety Act of 1998 (codified at 18 U.S.C. 4014), which provides that test results must be communicated to a person requesting the test, the person tested, and, if the results of the test indicate the presence of HIV, to correctional facility personnel consistent with Bureau policy.

28 CFR Ch. V (7-1-16 Edition)

§ 549.15 Infectious disease training and preventive measures.

(a) The HSA will ensure that a qualified health care professional provides training, incorporating a question-and-answer session, about infectious diseases to all newly committed inmates, during Admission and Orientation.

(b) Inmates in work assignments which staff determine to present the potential for occupational exposure to blood or infectious body fluids will receive annual training on prevention of work-related exposures and will be offered vaccination for Hepatitis B.

Subpart B—Over-The-Counter (OTC) Medications

SOURCE: 68 FR 47849, Aug. 12, 2003, unless otherwise noted.

§ 549.30 Purpose and scope.

This subpart establishes procedures governing inmate access to Over-The-Counter (OTC) medications for all inmates except those in inpatient status at Federal Medical Centers. Inmates may buy OTC medications which are available at the commissary. Inmates may also obtain OTC medications at sick call if the inmate does not already have the OTC medication and:

(a) Health services staff determine that the inmate has an immediate medical need which must be addressed before his or her regularly scheduled commissary visit; or

(b) The inmate is without funds.

§ 549.31 Inmates without funds.

(a) The Warden must establish procedures to provide up to two OTC medications per week for an inmate without funds. An inmate without funds is an inmate who has not had a trust fund account balance of \$6.00 for the past 30 days.

(b) An inmate without funds may obtain additional OTC medications at sick call if health services staff determine that he/she has an immediate medical need which must be addressed before the inmate may again apply for OTC medications under this section.

(c) To prevent abuses of this section (*e.g.*, inmate shows a pattern of depleting his or her commissary funds before

Bureau of Prisons, Justice

§ 549.45

requesting OTC medications), the Warden may impose restrictions on the provisions of this section.

Subpart C—Psychiatric Evaluation and Treatment

SOURCE: 76 FR 40231, July 8, 2011, unless otherwise noted.

§ 549.40 Purpose and scope.

(a) This subpart describes procedures for voluntary and involuntary psychiatric evaluation, hospitalization, care, and treatment, in a suitable facility, for persons in Bureau of Prisons (Bureau) custody. These procedures are authorized by 18 U.S.C. Chapter 313 and 18 U.S.C. 4042.

(b) This subpart applies to inmates in Bureau custody, as defined in 28 CFR part 500.

§ 549.41 Hospitalization in a suitable facility.

As used in 18 U.S.C. Chapter 313 and this subpart, “hospitalization in a suitable facility” includes the Bureau’s designation of inmates to medical referral centers or correctional institutions that provide the required care or treatment.

§ 549.42 Use of psychiatric medications.

Psychiatric medications will be used only for treatment of diagnosable mental illnesses and disorders, and their symptoms, for which such medication is accepted treatment. Psychiatric medication will be administered only after following the applicable procedures in this subpart.

§ 549.43 Transfer for psychiatric or psychological examination.

The Bureau may transfer an inmate to a suitable facility for psychiatric or psychological examination to determine whether hospitalization in a suitable facility for psychiatric care or treatment is needed.

§ 549.44 Voluntary hospitalization in a suitable facility for psychiatric care or treatment, and voluntary administration of psychiatric medication.

(a) *Hospitalization.* An inmate may be hospitalized in a suitable facility for psychiatric care or treatment after providing informed and voluntary consent when, in the professional medical judgment of qualified health services staff, such care or treatment is required and prescribed.

(b) *Psychiatric medication.* An inmate may also provide informed and voluntary consent to the administration of psychiatric medication that complies with the requirements of § 549.42 of this subpart.

(c) *Voluntary consent.* An inmate’s ability to provide informed and voluntary consent for both hospitalization in a suitable facility for psychiatric care or treatment, and administration of psychiatric medications, will be assessed by qualified health services staff and documented in the inmate’s medical record. Additionally, the inmate must sign a consent form to accept hospitalization in a suitable facility for psychiatric care or treatment and the administration of psychiatric medications. These forms will be maintained in the inmate’s medical record.

§ 549.45 Involuntary hospitalization in a suitable facility for psychiatric care or treatment.

(a) *Hospitalization of inmates pursuant to 18 U.S.C. Chapter 313.* A court determination is necessary for involuntary hospitalization or commitment of inmates pursuant to 18 U.S.C. Chapter 313, who are in need of psychiatric care or treatment, but are unwilling or unable to voluntarily consent.

(b) *Hospitalization of inmates not subject to hospitalization pursuant to 18 U.S.C. chapter 313.* Pursuant to 18 U.S.C. 4042, the Bureau is authorized to provide for the safekeeping, care, and subsistence, of all persons charged with offenses against the United States, or held as witnesses or otherwise. Accordingly, if an examiner determines pursuant to § 549.43 of this subpart that an inmate not subject to hospitalization pursuant to 18 U.S.C. chapter 313 should be hospitalized for psychiatric care or treatment, and the inmate is

unwilling or unable to consent, the Bureau will provide the inmate with an administrative hearing to determine whether hospitalization for psychiatric care or treatment is warranted. The hearing will provide the following procedural safeguards:

(1) The inmate will not be involuntarily administered psychiatric medication before the hearing except in the case of psychiatric emergencies, as defined in § 549.46(b)(1).

(2) The inmate must be provided 24-hours advance written notice of the date, time, place, and purpose, of the hearing, including an explanation of the reasons for the proposal to hospitalize the inmate for psychiatric care or treatment.

(3) The inmate must be informed of the right to appear at the hearing, to present evidence, to have a staff representative, to request witnesses, and to request that witnesses be questioned by the staff representative or by the person conducting the hearing. If the inmate does not request a staff representative, or requests a staff representative with insufficient experience or education, or one who is not reasonably available, the institution mental health division administrator must appoint a qualified staff representative.

(4) The hearing is to be conducted by a psychiatrist other than the attending psychiatrist, and who is not currently involved in the diagnosis or treatment of the inmate.

(5) Witnesses should be called if they are reasonably available and have information relevant to the inmate's mental condition or need for hospitalization. Witnesses who will provide only repetitive information need not be called.

(6) A treating/evaluating psychiatrist/clinician, who has reviewed the case, must be present at the hearing and must present clinical data and background information relative to the inmate's need for hospitalization. Members of the treating/evaluating team may also be called as witnesses at the hearing to provide relevant information.

(7) The psychiatrist conducting the hearing must determine whether involuntary hospitalization is necessary be-

cause the inmate is presently suffering from a mental disease or defect for the treatment of which he is in need of custody for care or treatment in a suitable facility.

(8) The psychiatrist must prepare a written report regarding the initial decision. The inmate must be promptly provided a copy of the initial decision report, and informed that he/she may appeal it to the institution's mental health division administrator. The inmate's appeal, which may be handwritten, must be submitted within 24 hours after receipt of the hearing officer's report. Upon request of the inmate, the staff representative will assist the inmate in preparing and submitting the appeal.

(9) If the inmate appeals the initial decision, hospitalization must not occur before the administrator issues a decision on the appeal. The inmate's appeal will ordinarily be reviewed by the administrator or his designee within 24 hours of its submission. The administrator will review the initial decision and ensure that the inmate received all necessary procedural protections, and that the justification for hospitalization is appropriate.

(c) *Psychiatric medication.* Following an inmate's involuntary hospitalization for psychiatric care or treatment as provided in this section, psychiatric medication may be involuntarily administered only after following the administrative procedures provided in § 549.46 of this subpart.

§ 549.46 Procedures for involuntary administration of psychiatric medication.

Except as provided in paragraph (b) of this section, the Bureau will follow the administrative procedures of paragraph (a) of this section before involuntarily administering psychiatric medication to any inmate.

(a) *Procedures.* When an inmate is unwilling or unable to provide voluntary written informed consent for recommended psychiatric medication, the inmate will be scheduled for an administrative hearing. The hearing will provide the following procedural safeguards:

(1) Unless an exception exists as provided in paragraph (b) of this section,

the inmate will not be involuntarily administered psychiatric medication before the hearing.

(2) The inmate must be provided 24-hours advance written notice of the date, time, place, and purpose, of the hearing, including an explanation of the reasons for the psychiatric medication proposal.

(3) The inmate must be informed of the right to appear at the hearing, to present evidence, to have a staff representative, to request witnesses, and to request that witnesses be questioned by the staff representative or by the person conducting the hearing. If the inmate does not request a staff representative, or requests a staff representative with insufficient experience or education, or one who is not reasonably available, the institution mental health division administrator must appoint a qualified staff representative.

(4) The hearing is to be conducted by a psychiatrist other than the attending psychiatrist, and who is not currently involved in the diagnosis or treatment of the inmate.

(5) Witnesses should be called if they are reasonably available and have information relevant to the inmate's mental condition or need for psychiatric medication. Witnesses who will provide only repetitive information need not be called.

(6) A treating/evaluating psychiatrist/clinician, who has reviewed the case, must be present at the hearing and must present clinical data and background information relative to the inmate's need for psychiatric medication. Members of the treating/evaluating team may also be called as witnesses at the hearing to provide relevant information.

(7) The psychiatrist conducting the hearing must determine whether involuntary administration of psychiatric medication is necessary because, as a result of the mental illness or disorder, the inmate is dangerous to self or others, poses a serious threat of damage to property affecting the security or orderly running of the institution, or is gravely disabled (manifested by extreme deterioration in personal functioning).

(8) The psychiatrist must prepare a written report regarding the initial decision. The inmate must be promptly provided a copy of the initial decision report, and informed that he/she may appeal it to the institution's mental health division administrator. The inmate's appeal, which may be handwritten, must be submitted within 24 hours after receipt of the hearing officer's report. Upon request of the inmate, the staff representative will assist the inmate in preparing and submitting the appeal.

(9) If the inmate appeals the initial decision, psychiatric medication must not be administered before the administrator issues a decision on the appeal, unless an exception exists as provided in paragraph (b) of this section. The inmate's appeal will ordinarily be reviewed by the administrator or his designee within 24 hours of its submission. The administrator will review the initial decision and ensure that the inmate received all necessary procedural protections, and that the justification for administering psychiatric medication is appropriate.

(10) If an inmate was afforded an administrative hearing which resulted in the involuntary administration of psychiatric medication, and the inmate subsequently consented to the administration of such medication, and then later revokes his consent, a follow-up hearing will be held before resuming the involuntary administration of psychiatric medication. All such follow-up hearings will fully comply with the procedures outlined in paragraphs (a)(1) through (10) of this section.

(b) *Exceptions.* The Bureau may involuntarily administer psychiatric medication to inmates in the following circumstances without following the procedures outlined in paragraph (a) of this section:

(1) *Psychiatric emergencies.*

(i) During a psychiatric emergency, psychiatric medication may be administered only when the medication constitutes an appropriate treatment for the mental illness or disorder and its symptoms, and alternatives (*e.g.*, seclusion or physical restraint) are not available or indicated, or would not be effective. If psychiatric medication is

§ 549.50

still recommended after the psychiatric emergency, and the emergency criteria no longer exist, it may only be administered after following the procedures in §§ 549.44 or 549.46 of this subpart.

(ii) For purposes of this subpart, a psychiatric emergency exists when a person suffering from a mental illness or disorder creates an immediate threat of:

(A) Bodily harm to self or others;

(B) Serious destruction of property affecting the security or orderly running of the institution; or

(C) Extreme deterioration in personal functioning secondary to the mental illness or disorder.

(2) *Court orders for the purpose of restoring competency to stand trial.* Absent a psychiatric emergency as defined above, § 549.46(a) of this subpart does not apply to the involuntary administration of psychiatric medication for the sole purpose of restoring a person's competency to stand trial. Only a Federal court of competent jurisdiction may order the involuntary administration of psychiatric medication for the sole purpose of restoring a person's competency to stand trial.

Subpart D—Plastic Surgery

SOURCE: 61 FR 13322, Mar. 26, 1996, unless otherwise noted.

§ 549.50 Purpose and scope.

The Bureau of Prisons does not ordinarily perform plastic surgery on inmates to correct preexisting disfigurements (including tattoos) on any part of the body. In circumstances where plastic surgery is a component of a presently medically necessary standard of treatment (for example, part of the treatment for facial lacerations or for mastectomies due to cancer) or it is necessary for the good order and security of the institution, the necessary surgery may be performed.

§ 549.51 Approval procedures.

The Clinical Director shall consider individually any request from an inmate or a BOP medical consultant.

(a) In circumstances where plastic surgery is a component of the pres-

28 CFR Ch. V (7-1-16 Edition)

ently medically necessary standard of treatment, the Clinical Director shall forward the surgery request to the Office of Medical Designations and Transportation for approval.

(b) If the Clinical Director recommends plastic surgery for the good order and security of the institution, the request for plastic surgery authorization will be forwarded to the Warden for initial approval. The Warden will forward the request through the Regional Director to the Medical Director. The Medical Director shall have the final authority to approve or deny this type of plastic surgery request.

(c) If the Clinical Director is unable to determine whether the plastic surgery qualifies as a component of presently medically necessary standard of treatment, the Clinical Director may forward the request to the Medical Director for a final determination in accordance with the provisions of paragraph (b) of this section.

§ 549.52 Informed consent.

Approved plastic surgery procedures may not be performed without the informed consent of the inmate involved.

Subpart E—Hunger Strikes, Inmate

SOURCE: 45 FR 23365, Apr. 4, 1980, unless otherwise noted.

§ 549.60 Purpose and scope.

The Bureau of Prisons provides guidelines for the medical and administrative management of inmates who engage in hunger strikes. It is the responsibility of the Bureau of Prisons to monitor the health and welfare of individual inmates, and to ensure that procedures are pursued to preserve life.

(b) Medical staff ordinarily shall place the inmate in a medically appropriate locked room for close monitoring.

[59 FR 31883, June 20, 1994]

§ 549.63 Initial medical evaluation and management.

(a) Medical staff shall ordinarily perform the following procedures upon initial referral of an inmate on a hunger strike:

(c) When valid medical reasons exist, the physician may modify, discontinue, or expand any of the medical procedures described in paragraphs (a) and (b) of this section.

(d) When medical staff consider it medically mandatory, an inmate on a hunger strike will be transferred to a Medical Referral Center or to another Bureau institution considered medically appropriate, or to a community hospital.

(b) Prior to medical treatment being administered against the inmate's will, staff shall make reasonable efforts to convince the inmate to voluntarily accept treatment. Medical risks faced by the inmate if treatment is not accepted shall also be explained to the inmate. Staff shall document their treatment efforts in the medical record of the inmate.

(c) When, after reasonable efforts, or in an emergency preventing such efforts, a medical necessity for immediate treatment of a life or health threatening situation exists, the physician may order that treatment be administered without the consent of the inmate. Staff shall document their treatment efforts in the medical record of the inmate.

Subpart F—Fees for Health Care Services

SOURCE: 70 FR 43050, July 26, 2005, unless otherwise noted.

§ 549.70 Purpose and scope.

(a) The Bureau of Prisons (Bureau) may, under certain circumstances, charge you, an inmate under our care and custody, a fee for providing you with health care services.

(b) Generally, if you are an inmate as described in § 549.71, you must pay a fee for health care services of \$2.00 per health care visit if you:

(1) Receive health care services in connection with a health care visit that you requested, (except for services described in § 549.72); or

(2) Are found responsible through the Disciplinary Hearing Process to have injured an inmate who, as a result of the injury, requires a health care visit.

§ 549.71 Inmates affected.

This subpart applies to:

(a) Any individual incarcerated in an institution under the Bureau's jurisdiction; or

(b) Any other individual, as designated by the Director, who has been charged with or convicted of an offense against the United States.

§ 549.72 Services provided without fees.

We will not charge a fee for:

(a) Health care services based on staff referrals;

(b) Staff-approved follow-up treatment for a chronic condition;

(c) Preventive health care services;

(d) Emergency services;

(e) Prenatal care;

(f) Diagnosis or treatment of chronic infectious diseases;

(g) Mental health care; or

(h) Substance abuse treatment.

28 CFR Ch. V (7–1–16 Edition)

§ 549.73 Appealing the fee.

You may seek review of issues related to health service fees through the Bureau's Administrative Remedy Program (see 28 CFR part 542).

§ 549.74 Inmates without funds.

You will not be charged a health care service fee if you are considered indigent and unable to pay the health care service fee. The Warden may establish procedures to prevent abuse of this provision.

Subpart G—Authority To Conduct Autopsies

§ 549.80 Authority to conduct autopsies.

(a) The Warden may order an autopsy and related scientific or medical tests to be performed on the body of a deceased inmate of the facility in the event of homicide, suicide, fatal illness or accident, or unexplained death. The autopsy or tests may be ordered in one of these situations only when the Warden determines that the autopsy or test is necessary to detect a crime, maintain discipline, protect the health or safety of other inmates, remedy official misconduct, or defend the United States or its employees from civil liability arising from the administration of the facility.

(1) The authority of the Warden under this section may not be delegated below the level of Acting Warden.

(2) Where the Warden has the authority to order an autopsy under this provision, no non-Bureau of Prisons authorization (e.g., from either the coroner or from the inmate's next-of-kin) is required. A decision on whether to order an autopsy is ordinarily made after consultation with the attending physician, and a determination by the Warden that the autopsy is in accordance with the statutory provision. Once it is determined that an autopsy is appropriate, the Warden shall prepare a written statement authorizing this procedure. The written statement is to include the basis for approval.

(b) In any situation other than as described in paragraph (a) of this section, the Warden may order an autopsy or

Bureau of Prisons, Justice

§ 549.91

post-mortem operation, including removal of tissue for transplanting, to be performed on the body of a deceased inmate of the facility with the written consent of a person (e.g., coroner, or next-of-kin, or the decedent's consent in the case of tissue removed for transplanting) authorized to permit the autopsy or post-mortem operation under the law of the State in which the facility is located.

(1) The authority of the Warden under this section may not be delegated below the level of Acting Warden.

(2) When the conducting of an autopsy requires permission of the family or next-of-kin, the following message is to be included in the telegram notifying the family or next-of-kin of the death: "Permission is requested to perform a complete autopsy". Also inform the family or next-of-kin that they may telegraph the institution *collect* with their response. Where permission is not received from the person (e.g., coroner or next-of-kin) authorized to permit the autopsy or post-mortem operation, an autopsy or post-mortem operation may not be performed under the conditions of this paragraph (b).

(c) In addition to the provisions of paragraphs (a) and (b) of this section, each institution also is expected to abide by the following procedures.

(1) Staff shall ensure that the state laws regarding the reporting of deaths are followed.

(2) Time is a critical factor in arranging for an autopsy, as this ordinarily must be performed within 48 hours. While a decision on an autopsy is pending, no action should be taken that will affect the validity of the autopsy results. Therefore, while the body may be released to a funeral home, this should be done only with the written understanding from the funeral home that no preparation for burial, including embalming, should be performed until a final decision is made on the need for an autopsy.

(3) Medical staff shall arrange for the approved autopsy to be performed.

(4) To the extent consistent with the needs of the autopsy or of specific scientific or medical tests, provisions of state and local laws protecting reli-

gious beliefs with respect to such autopsies are to be observed.

Subpart H—Civil Commitment of a Sexually Dangerous Person

SOURCE: 73 FR 70279, Nov. 20, 2008, unless otherwise noted.

§ 549.90 Purpose and application.

(a) This subpart provides definitions and standards for review of persons for certification to federal district courts as sexually dangerous persons, as authorized by title 18 U.S.C. Chapter 313, by Bureau of Prisons staff or contractors (collectively referred to in this Part as "the Bureau").

(b) This subpart applies to persons in Bureau custody, including those:

(1) Under a term of imprisonment;

(2) For whom all criminal charges have been dismissed solely for reasons relating to the person's mental condition; or

(3) In Bureau custody pursuant to 18 U.S.C. 4241(d).

(c) The Bureau may certify that a person in Bureau custody is a sexually dangerous person when review under this subpart provides reasonable cause to believe that the person is a sexually dangerous person. In determining whether a person is a sexually dangerous person and should be so certified, the Bureau will consider any available information in its possession and may transfer the person to a suitable facility for psychological examination in order to obtain information for this purpose.

§ 549.91 Definition of "sexually dangerous person."

For purposes of this subpart, a "sexually dangerous person" is a person:

(a) Who has engaged or attempted to engage in:

(1) Sexually violent conduct; or

(2) Child molestation; and

(b) Has been assessed as sexually dangerous to others by a Bureau mental health professional.

§ 549.92

§ 549.92 Definition of “sexually violent conduct.”

For purposes of this subpart, “sexually violent conduct” includes any unlawful conduct of a sexual nature with another person (“the victim”) that involves:

- (a) The use or threatened use of force against the victim;
- (b) Threatening or placing the victim in fear that the victim, or any other person, will be harmed;
- (c) Rendering the victim unconscious and thereby engaging in conduct of a sexual nature with the victim;
- (d) Administering to the victim, by force or threat of force, or without the knowledge or permission of the victim, a drug, intoxicant, or other similar substance, and thereby substantially impairing the ability of the victim to appraise or control conduct; or
- (e) Engaging in such conduct with a victim who is incapable of appraising the nature of the conduct, or physically or mentally incapable of declining participation in, or communicating unwillingness to engage in, that conduct.

§ 549.93 Definition of “child molestation.”

For purposes of this subpart, “child molestation” includes any unlawful conduct of a sexual nature with, or sexual exploitation of, a person under the age of 18 years.

§ 549.94 Definition of “sexually dangerous to others.”

For purposes of this subpart, “sexually dangerous to others” means that a person suffers from a serious mental illness, abnormality, or disorder as a result of which he or she would have serious difficulty in refraining from sexually violent conduct or child molestation if released.

§ 549.95 Determining “serious difficulty in refraining from sexually violent conduct or child molestation if released.”

In determining whether a person will have “serious difficulty in refraining from sexually violent conduct or child molestation if released,” Bureau mental health professionals may consider, but are not limited to, evidence:

- (a) Of the person’s repeated contact, or attempted contact, with one or more victims of sexually violent conduct or child molestation;
- (b) Of the person’s denial of or inability to appreciate the wrongfulness, harmfulness, or likely consequences of engaging or attempting to engage in sexually violent conduct or child molestation;
- (c) Established through interviewing and testing of the person or through other risk assessment tools that are relied upon by mental health professionals;
- (d) Established by forensic indicators of inability to control conduct, such as:
 - (1) Offending while under supervision;
 - (2) Engaging in offense(s) when likely to get caught;
 - (3) Statement(s) of intent to re-offend; or
 - (4) Admission of inability to control behavior; or
- (e) Indicating successful completion of, or failure to successfully complete, a sex offender treatment program.

Subpart B—Alcohol Testing

§ 550.10 Purpose and scope.

The Bureau of Prisons maintains a surveillance program in order to deter and to detect the illegal introduction or use of alcohol in its institutions. In an effort to reduce the introduction or use of alcohol, the Warden shall establish procedures for monitoring and testing individual inmates or groups of inmates who are known or suspected to be users of alcohol, or who are considered high risks based on behavior observed or on information received by staff.

(a) Staff may prepare a disciplinary report on an inmate who shows a positive substantiated test result for alcohol.

(b) Staff may initiate disciplinary action against an inmate who refuses to submit to an alcohol test.

Subpart C [Reserved]

Subpart D—Urine Surveillance

SOURCE: 62 FR 45292, Aug. 26, 1997, unless otherwise noted.

§ 550.30 Purpose and scope.

The Warden shall establish programs of urine testing for drug use, to monitor specific groups or individual inmates who are considered as high risk for drug use, such as those involved in community activities, those with a history of drug use, and those inmates specifically suspected of drug use. Testing shall be performed with frequency determined by the Warden on

at least 50 percent of those inmates who are involved in community activities. In addition, staff shall randomly sample each institution's inmate population during each month to test for drug use.

§ 550.31 Procedures.

(a) Staff of the same sex as the inmate tested shall directly supervise the giving of the urine sample. If an inmate is unwilling to provide a urine sample within two hours of a request for it, staff ordinarily shall file an incident report. No waiting period or extra time need be allowed for an inmate who directly and specifically refuses to provide a urine sample. To eliminate the possibility of diluted or adulterated samples, staff shall keep the inmate under direct visual supervision during this two-hour period, or until a complete sample is furnished. To assist the inmate in giving the sample, staff shall offer the inmate eight ounces of water at the beginning of the two-hour time period. An inmate is presumed to be unwilling if the inmate fails to provide a urine sample within the allotted time period. An inmate may rebut this presumption during the disciplinary process.

(b) Institution staff shall determine whether a justifiable reason exists, (e.g., use of prescribed medication) for any positive urine test result. If the inmate's urine test shows a positive test result for the presence of drugs which cannot be justified, staff shall file an incident report.

Subpart E—Drug Services (Urine Surveillance and Counseling for Sentenced Inmates in Contract CTCs)

SOURCE: 48 FR 24624, June 1, 1983, unless otherwise noted.

§ 550.40 Purpose and scope.

The Bureau of Prisons requires that an inmate who is serving a sentence in a contract community treatment center (CTC) participate in a program of urine testing for drug use. An inmate who is serving a sentence in a contract CTC, and who has drug aftercare as a condition of release also shall receive

§ 550.41

drug counseling during the inmate's stay at the contract CTC.

§ 550.41 Urine surveillance.

A program of urine testing for drug use shall be established in contract CTCs.

(a) Urine surveillance shall be conducted on all inmates serving their sentence in a contract CTC:

(1) Who have drug aftercare as a condition of release;

(2) Who have a known history of drug abuse; or

(3) Who are suspected of using drugs.

Center staff shall collect a minimum of six samples per month from an inmate who meets one or more of the criteria listed in paragraphs (a) (1) through (3) of this section.

(b) The Center Director shall establish a schedule for random collection for all other sentenced inmates not identified in paragraph (a) of this section.

§ 550.42 Procedures for urine surveillance.

(a) Contractor authorized personnel of the same sex as the inmate must witness collection of the inmate's urine sample. Inmates may not be involved in the collection, recording, mailing, or processing of the test results.

(b) If an inmate fails to provide a urine sample within two hours of a request for it, center staff may file a disciplinary report. To eliminate the possibility of diluted or adulterated samples, center staff shall keep the inmate under direct supervision during this two-hour period.

(c) Center staff shall have each positive urine test validated to substantiate the positive result. Center staff shall file a disciplinary report if the inmate's urine test shows a positive result for the presence of drugs which the inmate cannot satisfactorily justify to center staff.

(d) The results of disciplinary hearings and a copy of positive urine testing results which the inmate cannot satisfactorily justify to center staff shall be sent to the appropriate Regional U.S. Parole Commission Office, the Community Programs Manager (CPM), and the U.S. Probation Office.

28 CFR Ch. V (7-1-16 Edition)

§ 550.43 Drug counseling.

(a) Drug counseling shall be provided to sentenced inmates in contract community treatment centers who have drug aftercare as a condition of release.

(b) Counseling shall include a minimum of a 30-minute session each week, provided by qualified staff.

(c) Center staff shall document in the inmate's file the date and time of each counseling session. The counselor must prepare a monthly summary of each inmate's progress. This report shall be placed in the inmate's file.

§ 550.44 Procedures for arranging drug counseling.

The contract center staff shall hold a program planning conference with a sentenced inmate who has drug aftercare as a condition of release. At this meeting, held within one week of the inmate's arrival at the center, plans are made for the inmate to receive drug counseling. The meeting is attended by center staff, the inmate, and the Chief U.S. Probation Officer or designee.

Subpart F—Drug Abuse Treatment Program

SOURCE: 74 FR 1897, Jan. 14, 2009, unless otherwise noted.

§ 550.50 Purpose and scope.

The purpose of this subpart is to describe the Bureau's drug abuse treatment programs for the inmate population, to include drug abuse education, non-residential drug abuse treatment services, and residential drug abuse treatment programs (RDAP). These services are provided by Psychology Services department.

[81 FR 24490, Apr. 26, 2016]

§ 550.51 Drug abuse education course.

(a) *Purpose of the drug abuse education course.* All institutions provide a drug abuse education course to:

(1) Inform inmates of the consequences of drug/alcohol abuse and addiction; and

(2) Motivate inmates needing drug abuse treatment to apply for further drug abuse treatment, both while incarcerated and after release.

Bureau of Prisons, Justice

§ 550.53

(b) *Course placement.* (1) Inmates will get primary consideration for course placement if they were sentenced or returned to custody as a violator after September 30, 1991, when unit and/or drug abuse treatment staff determine, through interviews and file review that:

(i) There is evidence that alcohol or other drug use contributed to the commission of the offense;

(ii) Alcohol or other drug use was a reason for violation either of supervised release (including parole) or Bureau community status;

(iii) There was a recommendation (or evaluation) for drug programming during incarceration by the sentencing judge; or

(iv) There is evidence of a history of alcohol or other drug use.

(2) Inmates may also be considered for course placement if they request to participate in the drug abuse education program but do not meet the criteria of paragraph (b)(1) of this section.

(3) Inmates may not be considered for course placement if they:

(i) Do not have enough time remaining to serve to complete the course; or

(ii) Volunteer for, enter or otherwise complete a RDAP.

(c) *Consent.* Inmates will only be admitted to the drug abuse education course if they agree to comply with all Bureau requirements for the program.

(d) *Completion.* To complete the drug abuse education course, inmates must attend and participate during course sessions and pass a final course exam. Inmates will ordinarily have at least three chances to pass the final course exam before they lose privileges or the effects of non-participation occur (see paragraph (e) of this section).

(e) *Effects of non-participation.* (1) If inmates considered for placement under paragraph (b)(1) of this section refuse participation, withdraw, are expelled, or otherwise fail to meet attendance and examination requirements, such inmates:

(i) Are not eligible for performance pay above maintenance pay level, or for bonus pay, or vacation pay; and

(ii) Are not eligible for a Federal Prison Industries work program assignment (unless the Warden makes an ex-

ception on the basis of work program labor needs).

(2) The Warden may make exceptions to the provisions of this section for good cause.

§ 550.52 Non-residential drug abuse treatment services.

All institutions must have non-residential drug abuse treatment services, provided through the institution's Psychology Services department. These services are available to inmates who voluntarily decide to participate.

§ 550.53 Residential Drug Abuse Treatment Program (RDAP).

(a) *RDAP.* To successfully complete the RDAP, inmates must complete each of the following components:

(1) *Unit-based component.* Inmates must complete a course of activities provided by the Psychology Services Department in a treatment unit set apart from the general prison population. This component must last at least six months.

(2) *Follow-up services.* If time allows between completion of the unit-based component of the RDAP and transfer to a community-based program, inmates must participate in the follow-up services to the unit-based component of the RDAP.

(3) *Community Treatment Services (CTS).* Inmates who have completed the unit-based program and (when appropriate) the follow-up treatment and transferred to a community-based program must complete CTS to have successfully completed RDAP and receive incentives. The Warden, on the basis of his or her discretion, may find an inmate ineligible for participation in a community-based program; therefore, the inmate cannot complete RDAP.

(b) *Admission criteria.* Inmates must meet all of the following criteria to be admitted into RDAP.

(1) Inmates must have a verifiable substance use disorder.

(2) Inmates must sign an agreement acknowledging program responsibility.

(3) When beginning the program, the inmate must be able to complete all three components described in paragraph (a) of this section.

§ 550.54

(c) *Application to RDAP.* Inmates may apply for the RDAP by submitting requests to a staff member (ordinarily, a member of the unit team or the Drug Abuse Program Coordinator).

(d) *Referral to RDAP.* Inmates will be identified for referral and evaluation for RDAP by unit or drug treatment staff.

(e) *Placement in RDAP.* The Drug Abuse Program Coordinator decides whether to place inmates in RDAP based on the criteria set forth in paragraph (b) of this section.

(f) *Completing the unit-based component of RDAP.* To complete the unit-based component of RDAP, inmates must have satisfactory attendance and participation in all RDAP activities.

(g) *Expulsion from RDAP.* (1) Inmates may be removed from the program by the Drug Abuse Program Coordinator because of disruptive behavior related to the program or unsatisfactory progress in treatment.

(2) Ordinarily, inmates must be given at least one formal warning before removal from RDAP. A formal warning is not necessary when the documented lack of compliance with program standards is of such magnitude that an inmate's continued presence would create an immediate and ongoing problem for staff and other inmates.

(3) We may return an inmate who withdraws or is removed from RDAP to his/her prior institution (if we had transferred the inmate specifically to participate in RDAP).

(h) *Effects of non-participation.* (1) If inmates refuse to participate in RDAP, withdraw, or are otherwise removed, they are not eligible for:

(i) A furlough (other than possibly an emergency furlough);

(ii) Performance pay above maintenance pay level, bonus pay, or vacation pay; and/or

(iii) A Federal Prison Industries work program assignment (unless the Warden makes an exception on the basis of work program labor needs).

(2) Refusal, withdrawal, and/or expulsion will be a factor to consider in determining length of community confinement.

(3) Where applicable, staff will notify the United States Parole Commission

28 CFR Ch. V (7-1-16 Edition)

of inmates' needs for treatment and any failure to participate in the RDAP.

[74 FR 1897, Jan. 14, 2009, as amended at 81 FR 24490, Apr. 26, 2016]

§ 550.54 Incentives for RDAP participation.

(a) An inmate may receive incentives for his or her satisfactory participation in the RDAP. Institutions may offer the basic incentives described in paragraph (a)(1) of this section. Bureau-authorized institutions may also offer enhanced incentives as described in paragraph (a)(2) of this section.

(1) *Basic incentives.* (i) Limited financial awards, based upon the inmate's achievement/completion of program phases.

(ii) Consideration for the maximum period of time in a community-based treatment program, if the inmate is otherwise eligible.

(iii) Local institution incentives such as preferred living quarters or special recognition privileges.

(iv) Early release, if eligible under § 550.55.

(2) *Enhanced incentives.* (i) Tangible achievement awards as permitted by the Warden and allowed by the regulations governing personal property (see 28 CFR part 553).

(ii) Photographs of treatment ceremonies may be sent to the inmate's family.

(iii) Formal consideration for a nearer release transfer for medium and low security inmates.

(b) An inmate must meet his/her financial program responsibility obligations (see 28 CFR part 545) and GED responsibilities (see 28 CFR part 544) before being able to receive an incentive for his/her RDAP participation.

(c) If an inmate withdraws from or is otherwise removed from RDAP, that inmate may lose incentives he/she previously achieved.

§ 550.55 Eligibility for early release.

(a) *Eligibility.* Inmates may be eligible for early release by a period not to exceed twelve months if they:

(1) Were sentenced to a term of imprisonment under either:

(i) 18 U.S.C. Chapter 227, Subchapter D for a nonviolent offense; or

(ii) D.C. Code §24-403.01 for a non-violent offense, meaning an offense other than those included within the definition of “crime of violence” in D.C. Code §23-1331(4); and

(2) Successfully complete a RDAP, as described in §550.53, during their current commitment.

(b) *Inmates not eligible for early release.* As an exercise of the Director’s discretion, the following categories of inmates are not eligible for early release:

(1) Immigration and Customs Enforcement detainees;

(2) Pretrial inmates;

(3) Contractual boarders (for example, State or military inmates);

(4) Inmates who have a prior felony or misdemeanor conviction within the ten years prior to the date of sentencing for their current commitment for:

(i) Homicide (including deaths caused by recklessness, but not including deaths caused by negligence or justifiable homicide);

(ii) Forcible rape;

(iii) Robbery;

(iv) Aggravated assault;

(v) Arson;

(vi) Kidnaping; or

(vii) An offense that by its nature or conduct involves sexual abuse offenses committed upon minors;

(5) Inmates who have a current felony conviction for:

(i) An offense that has as an element, the actual, attempted, or threatened use of physical force against the person or property of another;

(ii) An offense that involved the carrying, possession, or use of a firearm or other dangerous weapon or explosives (including any explosive material or explosive device);

(iii) An offense that, by its nature or conduct, presents a serious potential risk of physical force against the person or property of another; or

(iv) An offense that, by its nature or conduct, involves sexual abuse offenses committed upon minors;

(6) Inmates who have been convicted of an attempt, conspiracy, or solicitation to commit an underlying offense listed in paragraph (b)(4) and/or (b)(5) of this section; or

(7) Inmates who previously received an early release under 18 U.S.C. 3621(e).

(c) *Early release time-frame.* (1) Inmates so approved may receive early release up to twelve months prior to the expiration of the term of incarceration, except as provided in paragraphs (c)(2) and (3) of this section.

(2) Under the Director’s discretion allowed by 18 U.S.C. 3621(e), we may limit the time-frame of early release based upon the length of sentence imposed by the Court.

(3) If inmates cannot fulfill their community-based treatment obligations by the presumptive release date, we may adjust provisional release dates by the least amount of time necessary to allow inmates to fulfill their treatment obligations.

§ 550.56 Community Treatment Services (CTS).

(a) For inmates to successfully complete all components of RDAP, they must participate in CTS. If inmates refuse or fail to complete CTS, they fail RDAP and are disqualified for any additional incentives.

(b) Inmates with a documented drug use problem who did not choose to participate in RDAP may be required to participate in CTS as a condition of participation in a community-based program, with the approval of the Supervisory Community Treatment Services Coordinator.

§ 551.12 Eligibility to marry.

An inmate's request to marry shall be approved provided:

(a) The inmate is legally eligible to marry;

Subpart A [Reserved]

Subpart B—Searches of Housing Units, Inmates, and Inmate Work Areas

SOURCE: 45 FR 75134, Nov. 13, 1980, unless otherwise noted.

§ 552.10 Purpose and scope.

In order to further the safe, secure, and orderly running of its institutions, the Bureau of Prisons conducts searches of inmates and of inmate housing and work areas to locate contraband and to deter its introduction and movement. Staff shall employ the least intrusive method of search practicable, as indicated by the type of contraband and the method of suspected introduction.

§ 552.11 Searches of inmates.

(a) *Electronic devices.* Inspection of an inmate's person using electronic devices (for example, metal detector, ion spectrometry device, or body imaging search device) does not require the inmate to remove clothing. The inspection may also include a search of the inmate's clothing and personal effects. Staff may conduct an electronic device search of an inmate on a routine or random basis to control contraband.

(b) *Pat Search.* Inspection of an inmate using the hands does not require

the inmate to remove clothing. The inspection includes a search of the inmate's clothing and personal effects. Staff may conduct a pat search of an inmate on a routine or random basis to control contraband.

(c) *Visual search*—a visual inspection of all body surfaces and body cavities.

(1) Staff may conduct a visual search where there is reasonable belief that contraband may be concealed on the person, or a good opportunity for concealment has occurred. For example, placement in a special housing unit (see 28 CFR part 541, subpart B), leaving the institution, or re-entry into an institution after contact with the public (after a community trip, court transfer, or after a "contact" visit in a visiting room) is sufficient to justify a visual search. The visual search shall be made in a manner designed to assure as much privacy to the inmate as practicable.

(2) Staff of the same sex as the inmate shall make the search, except where circumstances are such that delay would mean the likely loss of contraband. Where staff of the opposite sex makes a visual search, staff shall document the reasons for the opposite sex search in the inmate's central file.

(d) *Digital or simple instrument search*—inspection for contraband or any other foreign item in a body cavity of an inmate by use of fingers or simple instruments, such as an otoscope, tongue blade, short nasal speculum, and simple forceps. A digital or simple instrument search may be conducted only by designated qualified health personnel (for example, physicians, physician assistants, and nurses) upon approval of the Warden or Acting Warden and only if the Warden or Acting Warden has reasonable belief that an inmate is concealing contraband in or on his person. If located, the contraband or foreign item may be removed immediately by medical staff if such removal can easily be effected by use of fingers or the simple instruments referred to above. Staff shall document all digital and simple instrument searches and the reasons for the searches in the inmate's central file.

(1) Staff shall solicit the inmate's written consent prior to conducting a digital or simple instrument search.

However, the inmate's consent is not required.

(2) Staff may not conduct a digital or simple instrument search if it is likely to result in physical injury to the inmate.

§ 552.12 Close observation.

When there is reasonable belief that an inmate has ingested contraband or concealed contraband in a body cavity and the methods of search specified in § 552.11 are inappropriate or likely to result in physical injury to the inmate, the Warden or designee may authorize the placement of an inmate in a room or cell for the purpose of staff's closely observing that inmate until the inmate has voided the contraband or until sufficient time has elapsed to preclude the possibility that the inmate is concealing contraband.

(a) The length of close observation status will be determined on an individual basis. Ordinarily, the Captain, in consultation with qualified health personnel, shall determine when termination is appropriate. The status of an inmate under close observation for as long as three days must be reviewed by the Segregation Review Official according to the provisions in § 541.22(c) of this chapter, and the initial SRO review conducted within three work days shall be a formal hearing. Maintaining an inmate under close observation beyond seven days requires approval of the Warden, who makes this decision in consultation with the Captain and qualified health personnel.

(b) The supervising staff member shall be the same sex as the inmate and shall maintain complete and constant visual supervision of the inmate.

(c) The supervisor responsible for initiating the close observation watch shall advise the inmate of the conditions and of what is expected.

(1) The inmate shall be required to provide a urine sample within two hours of placement under close observation in accordance with the provisions of § 550.30 of this chapter on urine surveillance. A second urine sample is

§ 552.13

required prior to releasing the inmate from close observation.

(2) The light will be kept on at all times.

(3) No inmate under close observation status may be allowed to come into contact with another inmate.

(4) The inmate ordinarily may not be allowed personal property while under close observation status, except legal and personal mail and a reasonable amount of legal materials when requested. Personal hygiene items will be controlled by staff.

(5) When the inmate is lying on a bed, the inmate shall be required to lie on top of the mattress in full view, weather and room temperature permitting. When necessary for the inmate to use cover, hands must remain visible at all times so that staff can observe any attempt to move contraband.

(6) Due to security concerns, the inmate ordinarily may not be permitted recreation outside of the cell.

(7) The inmate is to be served the same meals as those served to the general population, unless medically contraindicated.

(8) No medications may be given to the inmate except for those prescribed and given by hospital personnel. No laxatives may be given except natural laxatives, i.e., coffee, prune juice, etc.

(9) When the inmate needs to urinate and/or defecate, the inmate will be furnished an empty hospital bed pan.

(10) When the inmate requests to shave, to brush teeth, or other such request, a wash pan and container of water is to be provided for use in the cell.

(11) Institution staff shall be available to the inmate upon request, within reason and within the bounds of security concerns.

§ 552.13 Medical x-ray device, major instrument, or surgical intrusion.

(a) The institution physician may authorize use of a major instrument (including anoscope or vaginal speculum) or surgical intrusion for medical reasons only, with the inmate's consent.

(b) The institution physician may authorize use of a medical x-ray device for medical reasons and only with the consent of the inmate. When there ex-

28 CFR Ch. V (7-1-16 Edition)

ists no reasonable alternative, and an examination using a medical x-ray device is determined necessary for the security, good order, or discipline of the institution, the Warden, upon approval of the Regional Director, may authorize the institution physician to order a non-repetitive examination using a medical x-ray device for the purpose of determining if contraband is concealed in or on the inmate (for example: In a cast or body cavity). The examination using a medical x-ray device may not be performed if it is determined by the institution physician that it is likely to result in serious or lasting medical injury or harm to the inmate. Staff shall place documentation of the examination and the reasons for the examination in the inmate's central file and medical file.

(1) The Warden and Regional Director or persons officially acting in that capacity may not redelegate the authority to approve an examination using medical x-ray device for the purpose of determining if contraband is present. An Acting Warden or Acting Regional Director may, however, perform this function.

(2) Staff shall solicit the inmate's consent prior to an examination using a medical x-ray device. However, the inmate's consent is not required.

(c) The Warden may direct searches of inanimate objects using a medical x-ray device where the inmate is not exposed.

[80 FR 32002, June 5, 2015]

§ 552.14 Search of inmate housing and work areas.

(a) Staff may search an inmate's housing and work area, and personal items contained within those areas, without notice to or prior approval from the inmate and without the inmate's presence.

(b) Staff conducting the search shall leave the housing or work area as nearly as practicable in its original order.

Subpart C—Use of Force and Application of Restraints on Inmates

SOURCE: 54 FR 21394, May 17, 1989, unless otherwise noted.

§ 552.20 Purpose and scope.

The Bureau of Prisons authorizes staff to use force only as a last alternative after all other reasonable efforts to resolve a situation have failed. When authorized, staff must use only that amount of force necessary to gain control of the inmate, to protect and ensure the safety of inmates, staff, and others, to prevent serious property damage and to ensure institution security and good order. Staff are authorized to apply physical restraints necessary to gain control of an inmate who appears to be dangerous because the inmate:

- (a) Assaults another individual;
- (b) Destroys government property;
- (c) Attempts suicide;
- (d) Inflicts injury upon self; or
- (e) Becomes violent or displays signs of imminent violence.

This rule on application of restraints does not restrict the use of restraints in situations requiring precautionary restraints, particularly in the movement or transfer of inmates (e.g., the use of handcuffs in moving inmates to and from a cell in detention, escorting an inmate to a Special Housing Unit pending investigation, etc.).

[59 FR 30469, June 13, 1994, as amended at 61 FR 39800, July 30, 1996]

§ 552.21 Types of force.

(a) *Immediate use of force.* Staff may immediately use force and/or apply restraints when the behavior described in § 552.20 constitutes an immediate, serious threat to the inmate, staff, others, property, or to institution security and good order.

(b) *Calculated use of force and/or application of restraints.* This occurs in situations where an inmate is in an area that can be isolated (e.g., a locked cell, a range) and where there is no immediate, direct threat to the inmate or others. When there is time for the calculated use of force or application of restraints, staff must first determine if

the situation can be resolved without resorting to force (see § 552.23).

(c) *Use of Force Team Technique.* If use of force is determined to be necessary, and other means of gaining control of an inmate are deemed inappropriate or ineffective, then the Use of Force Team Technique shall be used to control the inmate and to apply soft restraints, to include ambulatory leg restraints. The Use of Force Team Technique ordinarily involves trained staff, clothed in protective gear, who enter the inmate's area in tandem, each with a coordinated responsibility for helping achieve immediate control of the inmate.

(d) *Exceptions.* Any exception to this rule is prohibited, except where the facts and circumstances known to the staff member would warrant a person using sound correctional judgment to reasonably believe other action is necessary (as a last resort) to prevent serious physical injury, or serious property damage which would immediately endanger the safety of staff, inmates, or others.

[59 FR 30469, June 13, 1994, as amended at 61 FR 39800, July 30, 1996]

§ 552.22 Principles governing the use of force and application of restraints.

(a) Staff ordinarily shall first attempt to gain the inmate's voluntary cooperation before using force.

(b) Force may not be used to punish an inmate.

(c) Staff shall use only that amount of force necessary to gain control of the inmate. Situations when an appropriate amount of force may be warranted include, but are not limited to:

- (1) Defense or protection of self or others;
- (2) Enforcement of institutional regulations; and
- (3) The prevention of a crime or apprehension of one who has committed a crime.

(d) Where immediate use of restraints is indicated, staff may temporarily apply such restraints to an inmate to prevent that inmate from hurting self, staff, or others, and/or to prevent serious property damage. When the temporary application of restraints is determined necessary, and after staff

§ 552.23

have gained control of the inmate, the Warden or designee is to be notified immediately for a decision on whether the use of restraints should continue.

(e) Staff may apply restraints (for example, handcuffs) to the inmate who continues to resist after staff achieve physical control of that inmate, and may apply restraints to any inmate who is placed under control by the Use of Force Team Technique. If an inmate in a forcible restraint situation refuses to move to another area on his own, staff may physically move that inmate by lifting and carrying the inmate to the appropriate destination.

(f) Restraints should remain on the inmate until self-control is regained.

(g) Except when the immediate use of restraints is required for control of the inmate, staff may apply restraints to, or continue the use of progressive restraints on, an inmate while in a cell in administrative detention or disciplinary segregation only with approval of the Warden or designee.

(h) Restraint equipment or devices (e.g., handcuffs) may not be used in any of the following ways:

(1) As a method of punishing an inmate.

(2) About an inmate's neck or face, or in any manner which restricts blood circulation or obstructs the inmate's airways.

(3) In a manner that causes unnecessary physical pain or extreme discomfort.

(4) To secure an inmate to a fixed object, such as a cell door or cell grill, except as provided in § 552.24.

(i) Medication may not be used as a restraint solely for security purposes.

(j) All incidents involving the use of force and the application of restraints (as specified in § 552.27) must be carefully documented.

[54 FR 21394, May 17, 1989. Redesignated and amended at 59 FR 30469, 30470, June 13, 1994; 61 FR 39800, July 30, 1996]

§ 552.23 Confrontation avoidance procedures.

Prior to any calculated use of force, the ranking custodial official (ordinarily the Captain or shift Lieutenant), a designated mental health professional, and others shall confer and gather pertinent information about the

28 CFR Ch. V (7-1-16 Edition)

inmate and the immediate situation. Based on their assessment of that information, they shall identify a staff member(s) to attempt to obtain the inmate's voluntary cooperation and, using the knowledge they have gained about the inmate and the incident, determine if use of force is necessary.

[59 FR 30470, June 13, 1994]

§ 552.24 Use of four-point restraints.

When the Warden determines that four-point restraints are the only means available to obtain and maintain control over an inmate, the following procedures must be followed:

(a) Soft restraints (e.g., vinyl) must be used to restrain an inmate, unless:

(1) Such restraints previously have proven ineffective with respect to that inmate, or

(2) Such restraints are proven ineffective during the initial application procedure.

(b) Inmates will be dressed in clothing appropriate to the temperature.

(c) Beds will be covered with a mattress, and a blanket/sheet will be provided to the inmate.

(d) Staff shall check the inmate at least every 15 minutes, both to ensure that the restraints are not hampering circulation and for the general welfare of the inmate. When an inmate is restrained to a bed, staff shall periodically rotate the inmate's position to avoid soreness or stiffness.

(e) A review of the inmate's placement in four-point restraints shall be made by a Lieutenant every two hours to determine if the use of restraints has had the required calming effect and so that the inmate may be released from these restraints (completely or to lesser restraints) as soon as possible. At every two-hour review, the inmate will be afforded the opportunity to use the toilet, unless the inmate is continuing to actively resist or becomes violent while being released from the restraints for this purpose.

(f) When the inmate is placed in four-point restraints, qualified health personnel shall initially assess the inmate to ensure appropriate breathing and response (physical or verbal). Staff shall also ensure that the restraints have not restricted or impaired the inmate's

Bureau of Prisons, Justice

§ 552.31

circulation. When inmates are so restrained, qualified health personnel ordinarily are to visit the inmate at least twice during each eight hour shift. Use of four-point restraints beyond eight hours requires the supervision of qualified health personnel. Mental health and qualified health personnel may be asked for advice regarding the appropriate time for removal of the restraints.

(g) When it is necessary to restrain an inmate for longer than eight hours, the Warden (or designee) or institution administrative duty officer shall notify the Regional Director or Regional Duty Officer by telephone.

[54 FR 21394, May 17, 1989. Redesignated and amended at 59 FR 30469, 30470, June 13, 1994; 61 FR 39800, July 30, 1996]

§ 552.25 Use of less-than-lethal weapons, including chemical agents.

(a) The Warden may authorize the use of less-than-lethal weapons, including those containing chemical agents, only when the situation is such that the inmate:

(1) Is armed and/or barricaded; or

(2) Cannot be approached without danger to self or others; and

(3) It is determined that a delay in bringing the situation under control would constitute a serious hazard to the inmate or others, or would result in a major disturbance or serious property damage.

(b) The Warden may delegate the authority under this regulation to one or more supervisors on duty and physically present, but not below the position of Lieutenant.

[76 FR 6056, Feb. 3, 2011]

§ 552.26 Medical attention in use of force and application of restraints incidents.

(a) In immediate use of force situations, staff shall seek the assistance of mental health or qualified health personnel upon gaining physical control of the inmate. When possible, staff shall seek such assistance at the onset of the violent behavior. In calculated use of force situations, the use of force team leader shall seek the guidance of qualified health personnel (based upon a review of the inmate's medical record) to identify physical or mental problems.

When mental health staff or qualified health personnel determine that an inmate requires continuing care, and particularly when the inmate to be restrained is pregnant, the deciding staff shall assume responsibility for the inmate's care, to include possible admission to the institution hospital, or, in the case of a pregnant inmate, restraining her in other than face down four-point restraints.

(b) After any use of force or forcible application of restraints, the inmate shall be examined by qualified health personnel, and any injuries noted, immediately treated.

[61 FR 39801, July 30, 1996]

§ 552.27 Documentation of use of force and application of restraints incidents.

Staff shall appropriately document all incidents involving the use of force, chemical agents, or less-than-lethal weapons. Staff shall also document, in writing, the use of restraints on an inmate who becomes violent or displays signs of imminent violence. A copy of the report shall be placed in the inmate's central file.

Subpart D—Hostage Situation Management

SOURCE: 61 FR 38042, July 22, 1996, unless otherwise noted.

§ 552.30 Purpose and scope.

The Bureau of Prisons primary objectives in all hostage situations are to safely free the hostage(s) and to regain control of the institution.

§ 552.31 Negotiations.

The Warden is not ordinarily involved directly in the negotiation process. Instead, this responsibility is ordinarily assigned to a team of individuals specifically trained in hostage negotiation techniques.

(a) Negotiators have no decision-making authority in hostage situations, but rather serve as intermediaries between hostage takers and command center staff.

§ 552.32

(b) During the negotiation process, the following items are non-negotiable: release of captors from custody, providing of weapons, exchange of hostages, and immunity from prosecution.

§ 552.32 Hostages.

Captive staff have no authority and their directives shall be disregarded.

§ 552.33 Media.

The Warden shall assign staff to handle all news releases and news media inquiries in accordance with the rule on Contact with News Media (see 28 CFR 540.65).

Subpart E—Suicide Prevention Program

SOURCE: 72 FR 12086, Mar. 15, 2007, unless otherwise noted.

§ 552.40 Purpose and scope.

The Bureau of Prisons (Bureau) operates a suicide prevention program to assist staff in identifying and managing potentially suicidal inmates. When staff identify an inmate as being at risk for suicide, staff will place the inmate on suicide watch. Based upon clinical findings, staff will either terminate the suicide watch when the inmate is no longer at imminent risk for suicide or arrange for the inmate's transfer to a medical referral center or contract health care facility.

§ 552.41 Program procedures.

(a) *Program Coordinator.* Each institution must have a Program Coordinator for the institution's suicide prevention program.

(b) *Training.* The Program Coordinator is responsible for ensuring that appropriate training is available to staff and to inmates selected as inmate observers.

(c) *Identification of at risk inmates.* (1) Medical staff are to screen a newly admitted inmate for signs that the inmate is at risk for suicide. Ordinarily, this screening is to take place within twenty-four hours of the inmate's admission to the institution.

(2) Staff (whether medical or non-medical) may make an identification

28 CFR Ch. V (7–1–16 Edition)

at any time based upon the inmate's observed behavior.

(d) *Referral.* Staff who identify an inmate to be at risk for suicide will have the inmate placed on suicide watch.

(e) *Assessment.* A psychologist will clinically assess each inmate placed on suicide watch.

(f) *Intervention.* Upon completion of the clinical assessment, the Program Coordinator or designee will determine the appropriate intervention that best meets the needs of the inmate.

§ 552.42 Suicide watch conditions.

(a) *Housing.* Each institution must have one or more rooms designated specifically for housing an inmate on suicide watch. The designated room must allow staff to maintain adequate control of the inmate without compromising the ability to observe and protect the inmate.

(b) *Observation.* (1) Staff or trained inmate observers operating in scheduled shifts are responsible for keeping the inmate under constant observation.

(2) Only the Warden may authorize the use of inmate observers.

(3) Inmate observers are considered to be on an institution work assignment when they are on their scheduled shift.

(c) *Suicide watch log.* Observers are to document significant observed behavior in a log book.

(d) *Termination.* Based upon clinical findings, the Program Coordinator or designee will:

(1) Remove the inmate from suicide watch when the inmate is no longer at imminent risk for suicide, or

(2) Arrange for the inmate's transfer to a medical referral center or health care facility.

SOURCE: 48 FR 19573, Apr. 29, 1983, unless otherwise noted.

Subpart A [Reserved]

Subpart B—Inmate Personal Property

§ 553.10 Purpose and scope.

It is the policy of the Bureau of Prisons that an inmate may possess ordinarily only that property which the inmate is authorized to retain upon admission to the institution, which is issued while the inmate is in custody, which the inmate purchases in the institution commissary, or which is approved by staff to be mailed to, or otherwise received by an inmate, that does not threaten the safety, security, or good order of the facility or protection of the public. These rules contribute to the management of inmate personal property in the institution, and contribute to a safe environment for staff and inmates by reducing fire hazards, security risks, and sanitation problems which relate to inmate personal property. Consistent with the mission of the institution, each Warden shall identify in writing that personal property which may be retained by an inmate in addition to that personal property which has been approved by the Director for retention at all institutions.

[48 FR 19573, Apr. 29, 1983, as amended at 64 FR 36753, July 7, 1999; 80 FR 45885, Aug. 3, 2015]

§ 553.11 Limitations on inmate personal property.

(a) *Numerical limitations.* Authorized personal property may be subject to numerical limitations. The institution's Admission and Orientation program shall include notification to the inmate of any numerical limitations in effect at the institution and a current list of any numerical limitations shall

be posted on inmate unit bulletin boards.

(b) *Storage space.* Staff shall set aside space within each housing area for use by an inmate. The designated area shall include a locker or other securable area in which the inmate is to store authorized personal property. The inmate shall be allowed to purchase an approved locking device for personal property storage in regular living units. Staff may not allow an inmate to accumulate materials to the point where the materials become a fire, sanitation, security, or house-keeping hazard.

(c) *Clothing.* Civilian clothing (i.e., clothing not issued to the inmate by the Bureau or purchased by the inmate from the commissary) ordinarily is not authorized for retention by the inmate. Civilian clothing which previously had been approved for retention may not be retained after August 6, 1999. Prerelease civilian clothing for an inmate may be retained by staff in the Receiving and Discharge area during the last 30 days of the inmate's confinement.

(d) *Legal materials.* Staff may allow an inmate to possess legal materials in accordance with the provisions on inmate legal activities (see § 543.11 of this chapter).

(e) *Hobbycraft materials.* Staff shall limit an inmate's hobby shop projects within the cell or living area to those projects which the inmate may store in designated personal property containers. Staff may make an exception for an item (for example, a painting) where size would prohibit placing the item in a locker. This exception is made with the understanding that the placement of the item is at the inmate's own risk. Staff shall require that hobby shop items be removed from the living area when completed, and be disposed of in accordance with the provisions of part 544, subpart D, of this chapter.

(f) *Radios and Watches.* An inmate may possess only one approved radio and one approved watch at a time. The inmate must be able to demonstrate proof of ownership. An inmate who purchases a radio or watch through a Bureau of Prisons commissary is ordinarily permitted the use of that radio

§ 553.12

or watch at any Bureau institution if the inmate is later transferred. If the inmate is not allowed to use the radio or watch at the new institution, the inmate shall be permitted to mail, at the receiving institution's expense, the radio or watch to a destination of the inmate's choice. Where the inmate refuses to provide a mailing address, the radio and/or watch may be disposed of through approved methods, including destruction of the property.

(g) *Education Program Materials.* Education program materials or current correspondence courses may be retained even if not stored as provided in paragraph (b) of this section.

(h) *Personal Photos.* An inmate may possess photographs, subject to the limitations of paragraph (b) of this section, so long as they are not detrimental to personal safety or security, or to the good order of the institution.

[64 FR 36753, July 7, 1999]

§ 553.12 Contraband.

(a) Contraband is defined in § 500.1(h) of this chapter. Items possessed by an inmate ordinarily are not considered to be contraband if the inmate was authorized to retain the item upon admission to the institution, the item was issued by authorized staff, purchased by the inmate from the commissary, or purchased or received through approved channels (to include approved for receipt by an authorized staff member or authorized by institution guidelines).

(b) For the purposes of this subpart, there are two types of contraband.

(1) Staff shall consider as hard contraband any item which threatens the safety, security, or good order of the facility or protection of the public and which ordinarily is not approved for possession by an inmate or for admission into the institution. Examples of hard contraband include weapons, intoxicants, and currency (where prohibited).

(2) Staff shall consider as nuisance contraband any item other than hard contraband, which has never been authorized, or which may be, or which previously has been authorized for possession by an inmate, but whose possession is prohibited when it presents a threat to safety, security, or good

28 CFR Ch. V (7-1-16 Edition)

order of the facility or protection of the public, or its condition or excessive quantities of it present a health, fire, or housekeeping hazard. Examples of nuisance contraband include: personal property no longer permitted for admission to the institution or permitted for sale in the commissary; altered personal property; excessive accumulation of commissary, newspapers, letters, or magazines which cannot be stored neatly and safely in the designated area; food items which are spoiled or retained beyond the point of safe consumption; government-issued items which have been altered, or other items made from government property without staff authorization.

[64 FR 36754, July 7, 1999, as amended at 80 FR 45885, Aug. 3, 2015]

§ 553.13 Procedures for handling contraband.

(a) Staff shall seize any item in the institution which has been identified as contraband whether the item is found in the physical possession of an inmate, in an inmate's living quarters, or in common areas of the institution.

(b) Staff shall dispose of items seized as contraband in accordance with the following procedures.

(1) Staff shall return to the institution's issuing authority any item of government property seized as contraband, except where the item is needed as evidence for disciplinary action or criminal prosecution. In such cases, staff may retain the seized property as evidence.

(2) Items of personal property confiscated by staff as contraband are to be inventoried and stored pending identification of the true owner (if in question) and possible disciplinary action. Following an inventory of the confiscated items, staff shall employ the following procedures.

(i) Staff shall provide the inmate with a copy of the inventory as soon as practicable. A copy of this inventory shall also be placed in the inmate's central file.

(ii) The inmate shall have seven days following receipt of the inventory to provide staff with evidence of ownership of the listed items. A claim of ownership may not be accepted for an item made from the unauthorized use

of government property. Items obtained from another inmate (for example, through purchase, or as a gift) without staff authorization may be considered nuisance contraband for which a claim of ownership is ordinarily not accepted.

(iii) If the inmate establishes ownership, but the item is identified as contraband, staff shall mail such items (other than hard contraband), at the inmate's expense, to a destination of the inmate's choice. The Warden or designee may authorize the institution to pay the cost of such mailings when the item had not been altered and originally had been permitted for admission to the institution or had been purchased from the commissary, or where the inmate has insufficient funds and no likelihood of new funds being received. Where the inmate has established ownership of a contraband item, but is unwilling, although financially able to pay postage as required, or refuses to provide a mailing address for return of the property, the property is to be disposed of through approved methods, including destruction of the property.

(iv) If the inmate is unable to establish ownership, staff shall make reasonable efforts to identify the owner of the property before any decision to destroy the property is made.

(v) Staff shall prepare and retain written documentation describing any items destroyed and the reasons for such action.

(vi) Where disciplinary action is appropriate, staff shall delay disposition of property until completion of such action (including appeals).

(c) Staff shall retain items of hard contraband for disciplinary action or prosecution or both. The contraband items may be delivered to law enforcement personnel for official use. When it is determined that the item is not needed for criminal prosecution, the hard contraband shall be destroyed as provided in paragraph (b)(2)(v) of this section. Written documentation of the destruction shall be maintained for at least two years.

(d) Staff may not allow an inmate to possess funds in excess of established institutional limits. Staff shall deliver to the cashier any cash or negotiable

instruments found in an inmate's possession which exceed the institution's allowable limits. Funds determined to be contraband shall be confiscated for crediting to the U.S. Treasury.

(1) Where disciplinary action against the inmate is appropriate, staff shall delay final disposition of the funds until such action (including appeals) is completed.

(2) Prior to a decision on the disposition of funds, staff shall allow the inmate a reasonable amount of time to prove ownership.

[48 FR 19573, Apr. 29, 1983, as amended at 64 FR 36754, July 7, 1999]

§ 553.14 Inmate transfer between institutions and inmate release.

(a) Except as provided for in paragraphs (a)(1) through (3) of this section, authorized personal property shall be shipped by staff to the receiving institution.

(1) The Warden ordinarily shall allow an inmate transferring to another institution to transport personal items determined necessary or appropriate by staff and, if applicable, legal materials for active court cases.

(2) The Warden may require or allow an inmate who is transferring to another institution under furlough conditions to transport all the inmate's authorized personal property with him or her.

(3) An inmate who is being released or who is transferring to a Community Corrections Center may arrange to ship personal property at the inmate's expense. The inmate is responsible for transporting any personal property not so shipped.

(b) If the inmate's personal property is not authorized for retention by the receiving institution, staff at the receiving institution shall arrange for the inmate's excess personal property to be mailed to a non-Bureau destination of the inmate's choice. The inmate shall bear the expense for this mailing.

(c) Whenever the inmate refuses to provide a mailing address for return of the property or, when required, refuses to bear the expense of mailing the property, the property is to be disposed

§ 553.15

28 CFR Ch. V (7-1-16 Edition)

of through approved methods, including destruction of the property.

[64 FR 36754, July 7, 1999]

§ 553.15 Limitations on personal property—medical transfers.

The Warden shall set a limit on the amount of personal property that may accompany an inmate transferring to a medical facility. For purpose of this rule, a medical facility is one which provides observation and/or treatment of a medical, surgical, or psychiatric nature, or any combination of these. Such medical transfers are ordinarily of a short-term duration (30-120 days).

(a) The Wardens of the sending and receiving institutions shall allow the inmate to retain those legal materials specifically needed in respect to ongoing litigation. Questions as to the need for such material may be referred to Regional Counsel.

(b) The Warden of the sending institution shall designate a secure location for storage of all inmate personal property not accompanying the inmate.

(c) Personal property permitted in the sending institution, but not in the receiving institution, shall either be retained at the sending institution or be mailed to a destination of the inmate's choice.

(1) If the inmate is expected to return to the sending institution within 120 days of transfer, staff shall advise the inmate that property not allowed in the medical facility may be held at the sending institution or sent to a destination of the inmate's choice (other than the medical facility), at the inmate's expense. Where lack of space

prevents retention of the inmate's property at the sending institution, that institution shall pay postage costs connected with mailing the inmate's property to a destination of the inmate's choice. Where lack of space prevents the retention of the inmate's property at the sending institution, and the inmate refuses to provide a mailing address for return of the property, the property is to be disposed of through approved methods, including destruction of the property.

(2) The inmate's property may be sent with the inmate to the medical facility when the inmate is not expected to return to the sending institution, will be at the medical facility over 120 days, or for any other justified reason. The Warden at the sending institution shall prepare and place in the inmate's central file written documentation for forwarding the inmate's personal property.

(d) The Warden of the medical facility shall return an inmate's personal property ordinarily in the same or equivalent size container as originally used by the sending institution. Property accumulated over that amount, at the option of the inmate, will either be sent to a destination selected by the inmate, at the inmate's expense, donated, or destroyed. If the inmate is financially able but refuses to pay for the mailing, or if the inmate refuses to provide a mailing address for forwarding of the property, the property is to be disposed of through approved methods, including destruction of the property.

Subpart A [Reserved]

Subpart B—Pre-Release Community Confinement

SOURCE: 73 FR 62443, Oct. 21, 2008, unless otherwise noted.

§ 570.20 Purpose.

The purpose of this subpart is to provide the procedures of the Bureau of Prisons (Bureau) for designating inmates to pre-release community confinement or home detention.

(a) *Community confinement* is defined as residence in a community treatment center, halfway house, restitution center, mental health facility, alcohol or drug rehabilitation center, or other community correctional facility (including residential re-entry centers); and participation in gainful employment, employment search efforts, community service, vocational training, treatment, educational programs, or similar facility-approved programs during non-residential hours.

(b) *Home detention* is defined as a program of confinement and supervision that restricts the defendant to his place of residence continuously, except for authorized absences, enforced by appropriate means of surveillance by the probation office or other monitoring authority.

§ 570.21 Time-frames.

(a) *Community confinement*. Inmates may be designated to community confinement as a condition of pre-release custody and programming during the final months of the inmate's term of imprisonment, not to exceed twelve months.

(b) *Home detention*. Inmates may be designated to home detention as a condition of pre-release custody and programming during the final months of the inmate's term of imprisonment, not to exceed the shorter of ten percent of the inmate's term of imprisonment or six months.

(c) *Exceeding time-frames*. These time-frames may be exceeded when separate statutory authority allows greater periods of community confinement as a condition of pre-release custody.

§ 570.22 Designation.

Inmates will be considered for pre-release community confinement in a manner consistent with 18 U.S.C. section 3621(b), determined on an individual basis, and of sufficient duration to provide the greatest likelihood of successful reintegration into the community, within the time-frames set forth in this part.

Subpart C—Furloughs

SOURCE: 76 FR 1517, Jan. 11, 2011, unless otherwise noted.

§ 570.30 Purpose.

The purpose of this subpart is to describe the procedures governing the furlough program of the Federal Bureau of Prisons (Bureau), which is authorized by 18 U.S.C. 3622. Under the furlough program, the Bureau allows inmates who meet certain requirements to be temporarily released from custody under carefully prescribed conditions.

§ 570.31 Inmate eligibility for furloughs.

(a) *Eligible inmates.* The following types of inmates may be eligible for furloughs:

(1) Sentenced inmates housed in Bureau facilities.

(2) Pretrial inmates housed in Bureau facilities (provided that they comply with the requirements of 28 CFR part 551, Subpart J).

(3) Sentenced inmates housed in Bureau facilities and classified as central inmate monitoring cases (provided that they comply with the requirements of 28 CFR part 524, Subpart F).

(b) *Ineligible inmates.* The following types of inmates are not eligible for furloughs:

(1) Sentenced inmates housed in contract facilities are not eligible to participate in the Bureau's furlough program under these rules, but may apply for furloughs as specified in that facility's written agreement with the Bureau.

(2) Inmates who are U.S. Marshals prisoners housed in contract facilities are not eligible to participate, but must direct any furlough requests to the U.S. Marshals.

§ 570.32 Types of furloughs.

A furlough is an authorized absence from an institution by an inmate who is not under escort of a staff member, U.S. Marshal, or state or federal agents. The two types of furloughs are:

(a) *Transfer furlough*—A furlough for the purpose of transferring an inmate from one Bureau facility to another, a non-federal facility, or community

confinement (including home confinement) as noted below at § 570.33(a).

(b) *Non-transfer furlough*—A furlough for any purpose other than a transfer furlough, and which may be defined based on its nature, as either emergency or routine, as follows:

(1) *Emergency furlough*—A furlough allowing an inmate to address a family crisis or other urgent situation as noted below at § 570.33(b).

(2) *Routine furlough*—A furlough for any of the reasons noted below at § 570.33 (a) and (c) through (j).

(c) *Duration and distance of non-transfer furlough*—

(1) *Day furlough*—A furlough within the geographic limits of the commuting area of the institution, which lasts 16 hours or less and ends before midnight.

(2) *Overnight furlough*—A furlough which falls outside the criteria of a day furlough.

§ 570.33 Justification for furlough.

The Warden or designee may authorize a furlough, for 30 calendar days or less, for an inmate to:

(a) Transfer directly to another Bureau institution, a non-federal facility, or community confinement;

(b) Be present during a crisis in the immediate family, or in other urgent situations;

(c) Participate in the development of release plans;

(d) Establish or reestablish family and community ties;

(e) Participate in selected educational, social, civic, and religious activities which will facilitate release transition;

(f) Appear in court in connection with a civil action;

(g) Comply with an official request to appear before a grand jury, or to comply with a request from a legislative body, or regulatory or licensing agency;

(h) Appear in or prepare for a criminal court proceeding, but only when the use of a furlough is requested or recommended by the applicable court or prosecuting attorney;

(i) Participate in special training courses or in institution work assignments, including Federal Prison Industries (FPI) work assignments, when

daily commuting from the institution is not feasible; or

(j) Receive necessary medical, surgical, psychiatric, or dental treatment not otherwise available.

§ 570.34 Expenses of furlough.

All expenses of a furlough, including transportation, food, lodging, and incidentals, are the responsibility of the inmate, the inmate's family, or other appropriate source approved by the Warden, except that the government may bear the expense of a furlough if it is for the government's primary benefit.

§ 570.35 Transfer furlough eligibility requirements.

(a) Inmates transferring to administrative, low, medium, or high security facilities are generally not eligible for participation in the Bureau's transfer furlough program.

(b) For a transfer furlough, inmates other than those described in paragraph (a) of this section must:

(1) Be physically and mentally capable of completing the furlough; and

(2) Demonstrate sufficient responsibility to provide reasonable assurance that furlough requirements will be met.

(c) Inmates transferring to minimum security facilities must meet the requirements described in paragraph (b) of this section, and must also be:

(1) Transferring from a low or minimum security facility; and

(2) Appropriate for placement in a minimum security facility based on the inmate's security designation and custody classification at the time of transfer.

(d) Inmates transferring to community confinement must meet the requirements described in paragraph (b) of this section, and must also be appropriate for placement in community confinement based on the inmate's security designation and custody classification at the time of transfer.

§ 570.36 Non-transfer furlough eligibility requirements.

(a) An inmate may be eligible for a non-transfer furlough if the inmate meets the criteria described in 570.35(b) and the following additional criteria:

If an inmate has . . .	Then the inmate may only be considered for . . .
been confined at the initially designated institution for less than 90 days.	an emergency furlough.

18 months or less remaining until the projected release date.	an emergency furlough, a routine day furlough, or a routine overnight furlough within the institution's commuting area.
1 year or less remaining until the projected release date.	an emergency furlough, a routine day furlough, or a routine overnight furlough either within or outside the institution's commuting area.

(b) Ordinarily, Wardens will not grant a furlough to an inmate if:

(1) The inmate is convicted of a serious crime against a person;

(2) The inmate's presence in the community could attract undue public attention, create unusual concern, or diminish the seriousness of the offense; or

(3) The inmate has been granted a furlough in the past 90 days.

§ 570.37 Procedures to apply for a furlough.

(a) *Application.* Inmates may submit a furlough application to staff, who will review it for compliance with these regulations and Bureau policy.

(b) *Notification of decision.* An inmate will be notified of the Warden's decision on the furlough application. Where a furlough application is denied, the inmate will be notified of the reasons for the denial.

(c) *Appeal.* An inmate may appeal any aspect of the furlough program through the Administrative Remedy Program, 28 CFR Part 542, Subpart B.

§ 570.38 Conditions of Furlough.

(a) An inmate who violates the conditions of a furlough may be considered an escapee under 18 U.S.C. 4082 or 18 U.S.C. 751, and may be subject to criminal prosecution and institution disciplinary action.

(b) A furlough will only be approved if an inmate agrees to the following

§ 570.40

28 CFR Ch. V (7-1-16 Edition)

conditions and understands that, while on furlough, he/she:

(1) Remains in the legal custody of the U.S. Attorney General, in service of a term of imprisonment;

(2) Is subject to prosecution for escape if he/she fails to return to the institution at the designated time;

(3) Is subject to institution disciplinary action, arrest, and criminal prosecution for violating any condition(s) of the furlough;

The inmate must pre-authorize all testing fee(s) to be withdrawn directly from his/her inmate deposit fund account;

(5) Must contact the institution (or United States Probation Officer) in the event of arrest, or any other serious difficulty or illness; and

(6) Must comply with any other special instructions given by the institution.

(c) While on furlough, the inmate must not:

(9) Drive a motor vehicle without staff's written permission, which can only be obtained if the inmate has proof of a currently valid driver's license and proof of appropriate insurance; or

(10) Return from furlough with anything the inmate did not take out with him/her (for example, clothing, jewelry, or books).

Subpart D—Escorted Trips

SOURCE: 50 FR 48366, Nov. 22, 1985, unless otherwise noted.

§ 570.40 Purpose and scope.

The Bureau of Prisons provides approved inmates with staff-escorted trips into the community for such purposes as receiving medical treatment not otherwise available, for visiting a critically-ill member of the inmate's immediate family, or for participating in program or work-related functions.

§ 570.41 Medical escorted trips.

(a) Medical escorted trips are intended to provide an inmate with medical treatment not available within the institution. There are two types of medical escorted trips.

(1) *Emergency medical escorted trip.* An escorted trip occurring as the result of an unexpected life-threatening medical situation requiring immediate medical treatment not available at the institution. The required treatment may be on either an in-patient or out-patient basis.

(2) *Non-emergency medical escorted trip.* A pre-planned escorted trip for the purpose of providing an inmate with medical treatment ordinarily not available at the institution. The required treatment may be on either an in-patient or out-patient basis.

(b) The Clinical Director or designee is responsible for determining whether a medical escorted trip is appropriate.

(c) *Escorted trip procedures—out-patient medical treatment.* A recommendation for an inmate to receive a medical escorted trip is prepared by medical staff, forwarded through the appropriate staff for screening and clearance, and then submitted to the Warden for review. The Warden may approve an inmate for an out-patient medical escorted trip.

(d) *Escorted trip procedures—in-patient medical treatment.* A recommendation for an inmate to receive a medical escorted trip is prepared by medical staff, forwarded through the appropriate staff for screening and clearance, and then submitted to the Warden. The Warden may approve an inmate for an in-patient medical escorted trip.

[50 FR 48366, Nov. 22, 1985, as amended at 57 FR 21158, May 18, 1992]

§ 570.42 Non-medical escorted trips.

(a) Non-medical escorted trips allow an inmate to leave the institution under staff escort for approved, non-medical reasons. There are two types of non-medical escorted trips.

(1) *Emergency non-medical escorted trip.* An escorted trip for such purposes as allowing an inmate to attend the funeral of, or to make a bedside visit to, a member of an inmate's immediate family. For purposes of this rule, immediate family refers to mother, father, brother, sister, spouse, children, step-parents, and foster parents.

(2) *Non-emergency, non-medical escorted trip.* An escorted trip for such purposes as allowing inmates to participate in program-related functions, such as educational or religious activities, or in work-related functions.

(b) *Escorted trip procedures—emergency non-medical reasons.* Unit staff are to investigate, and determine, the merits of an escorted trip following a review of the available information. This includes contacting those persons (e.g., attending physician, hospital staff, funeral home staff, family members, U.S. Probation Officer) who can contribute to a determination on whether an escorted trip should be approved.

(1) The government assumes the salary expenses of escort staff for the first eight hours of each day. All other expenses, including transportation costs,

are assumed by the inmate, the inmate's family, or other appropriate source approved by the Warden. The necessary funds must be deposited to the inmate's trust fund account prior to the trip. Funds paid by the inmate for purposes of the escorted trip are then drawn, payable to the Treasury of the United States. Unexpended funds are returned to the inmate's trust fund account following the completion of the trip.

(2) A request for an inmate to receive an emergency non-medical escorted trip is prepared by unit staff, forwarded through the appropriate staff for screening and clearance, and then submitted to the Warden. Except as specified in § 570.43, the Warden may approve an inmate for an emergency non-medical escorted trip.

(c) *Escorted trip procedures—non-emergency, non-medical reasons.* This type of escorted trip is considered for an inmate who has been at the institution for at least 90 days, and who is considered eligible for less secure housing and for work details, under minimal supervision, outside the institution's perimeter. A recommendation for an inmate to receive an escorted trip for non-emergency, non-medical reasons is prepared by the recommending staff, forwarded through the appropriate staff for screening and clearance, and then submitted to the Warden. Except as specified in § 570.43, the Warden may approve an inmate for a non-emergency, non-medical escorted trip.

§ 570.43 Inmates requiring a high degree of control and supervision.

Only the Regional Director may approve a non-medical escorted trip (either emergency or non-emergency) for an inmate determined to require a high degree of control and supervision.

§ 570.44 Supervision and restraint requirements.

Inmates under escort will be within the constant and immediate visual supervision of escorting staff at all times. Restraints may be applied to an inmate going on an escorted trip, after considering the purpose of the escorted trip and the degree of supervision required by the inmate. Except for escorted

§ 570.45

trips for a medical emergency, an inmate going on an escorted trip must agree in writing to the conditions of the escorted trip (for example, agrees not to consume alcohol).

§ 570.45 Violation of escorted trip.

(a) Staff shall process as an escapee an inmate who absconds from an escorted trip.

(b) Staff may take disciplinary action against an inmate who fails to comply with any of the conditions of the escorted trip.

Subpart B—Release Preparation Program

SOURCE: 59 FR 35456, July 11, 1994, unless otherwise noted.

§ 571.10 Purpose and scope.

The Bureau of Prisons recognizes that an inmate's preparation for release begins at initial commitment and continues throughout incarceration and until final release to the community. This subpart establishes a standardized release preparation program for all sentenced inmates reintegrating into the community from Bureau facilities. Exception to this subpart may be made by the Warden of a Bureau facility which has been designated as an administrative maximum security institution.

[61 FR 38043, July 22, 1996]

§ 571.11 Program responsibility.

The Warden shall designate to a staff member the responsibility to:

- (a) Determine the general release needs of the inmate population;
- (b) Coordinate the institution release preparation program;

§ 571.13 Institution release preparation program.

(a) The institution release preparation program shall be administered by the Release Preparation Program Committee.

(b) The institution release preparation program will be based on a core curriculum of topics/courses organized into six broad categories. The six categories are:

- (1) Health and nutrition.
 - (2) Employment.
 - (3) Personal finance/consumer skills.
 - (4) Information/community resources.
 - (5) Release requirements and procedures.
 - (6) Personal growth and development.
- (c) To assist in the release process, the Warden may, in accordance with the Bureau of Prisons' rule on furloughs, grant an inmate a furlough for release preparation purposes.

(d) Staff shall help an inmate obtain proper identification (social security card, driver's license, birth certificate, and/or any other documents needed by the inmate) prior to release.

(e) An inmate who is not being released through a Community Corrections Center (CCC) may ask staff to request the assistance of a United States Probation Officer in establishing a release plan. Bureau staff are to encourage the inmate to give at least one employment lead or contact. Where the inmate or the inmate's family has already identified employment, the case manager shall notify the United States Probation Officer so that the usual verification of release plans may be

made. Where employment has not been identified, the case manager shall notify the United States Probation Officer of the employment need. This notification should ordinarily occur at least six weeks prior to the inmate's release.

Subpart C—Release Gratuities, Transportation, and Clothing

SOURCE: 56 FR 23480, May 21, 1991, unless otherwise noted.

§ 571.20 Purpose and scope.

It is the policy of the Bureau of Prisons that an inmate being released to the community will have suitable clothing, transportation to the inmate's release destination, and some funds to use until he or she begins to receive income. Based on the inmate's need and financial resources, a discretionary gratuity up to the amount permitted by statute may be granted.

[61 FR 47795, Sept. 10, 1996]

§ 571.21 Procedures.

(a) An inmate is eligible for a gratuity as determined by the availability of personal and community resources. Greater consideration may be given to an inmate without funds or community resources.

(b) A federal prisoner boarded in a non-federal facility is eligible for a release gratuity. The director of the non-federal facility housing federal inmates or the community corrections manager shall determine the amount of release gratuity in accordance with the purpose and scope of this regulation for federal inmates housed in non-federal facilities.

(c) An inmate who is without personal funds may receive a gratuity when transferred to a community corrections center. The amount shall enable the inmate to care for needs in transit and allow for the purchase of necessary personal items upon arrival.

(d) Staff shall provide the inmate released to a detainer with information on how to apply for a gratuity if released prior to expiration of the federal sentence.

(e) Staff will ensure that each alien released to immigration authorities for

§ 571.22

the purpose of release or transfer to a community corrections center has \$10 cash. This provision does not apply to aliens being released for the purpose of deportation, exclusion, or removal, or to aliens detained or serving 60 days or less in contract facilities.

§ 571.22 Release clothing and transportation.

(a) Staff shall provide release clothing appropriate for the time of year and the inmate's geographical destination. Upon request, work clothing will be provided. Nonavailability of work clothing may limit this practice.

(b) Inmates transferring to a community corrections center will be provided adequate clothing to complete a job search and perform work. Additionally, an outer garment, seasonably suited for the geographical destination will be provided.

(c) Transportation will be provided to an inmate's place of conviction or to his/her legal residence within the United States or its territories.

Subpart D—Release of Inmates Prior to a Weekend or Legal Holiday

§ 571.30 Purpose and scope.

The Bureau of Prisons may release an inmate whose release date falls on a Saturday, Sunday, or legal holiday, on the last preceding weekday unless it is necessary to detain the inmate for another jurisdiction seeking custody under a detainer, or for any other reason which might indicate that the inmate should not be released until the inmate's scheduled release date.

(a) The release authority for inmates convicted of offenses occurring prior to November 1, 1987 is pursuant to 18 U.S.C. 4163. The number of days used under 18 U.S.C. 4163 may not be added to the number of days remaining to be served to release an inmate "as if * * * on parole" (18 U.S.C. 4164) who would otherwise have been released by expiration of sentence.

28 CFR Ch. V (7-1-16 Edition)

(b) When specifically requested by the U.S. Pardon Attorney, the Director, Bureau of Prisons will forward a recommendation on the inmate's petition for commutation of sentence.

[47 FR 9756, Mar. 5, 1982]

§ 571.41 Procedures.

(a) Staff shall suggest that an inmate who wishes to submit a petition for commutation of sentence do so through the Warden to the U.S. Pardon Attorney. This procedure allows institution staff to forward with the application the necessary supplemental information (for example, sentencing information, presentence report, progress report, pertinent medical records if the petition involves the inmate's health, etc.). Except as provided in paragraph (b) of this section, no Bureau of Prisons recommendation is to be forwarded with the package of material submitted to the U.S. Pardon Attorney.

(b) When specifically requested by the U.S. Pardon Attorney, the Director, Bureau of Prisons shall submit a recommendation on the petition. Subpart F—Fines and Costs

SOURCE: 48 FR 48971, Oct. 21, 1983, unless otherwise noted.

§ 571.50 Purpose and scope.

This subpart establishes procedures for processing a fine, or fine and costs ordered by the court with respect to an inmate convicted of an offense committed before November 1, 1987. When the court orders a prisoner's confinement until payment of a fine, or fine and costs under 18 U.S.C. 3565, the Bureau of Prisons shall confine that inmate until the fine, or fine and costs are paid, unless the inmate qualifies for release under 18 U.S.C. 3569.

(a) An inmate held on the sole basis of his/her inability to pay such fine, or fine and costs, and whose non-exempt property does not exceed \$20.00 may request discharge from imprisonment on the basis of indigency (see 18 U.S.C. 3569).

(b) Under 18 U.S.C. 3569, the determination of indigency may be made by a U.S. Magistrate Judge. Where the U.S. Magistrate Judge makes a finding

of non-indigency based on the inmate's application for a determination of his ability to pay the committed fine, or fine and costs, staff shall refer the application to the appropriate United States Attorney for the purpose of making a final decision on the inmate's discharge under 18 U.S.C. 3569. It is to be noted that 18 U.S.C. 3569 provides for confining an inmate for non-payment of a committed fine, or fine and costs.

[63 FR 4357, Jan. 28, 1998]

§ 571.51 Definitions.

(a) *Fine*—a monetary penalty associated with an offense imposed as part of a judgment and commitment. There are two types of fines.

(1) *Committed fine*—a monetary penalty imposed with a condition of imprisonment until the fine is paid.

(2) *Non-committed fine*—a monetary penalty which has no condition of confinement imposed.

(b) *Costs*—Monetary costs of the legal proceeding which the court may levy. Imposition of costs is similar in legal effect to imposition of a fine. The court may also impose costs with a condition of imprisonment.

[48 FR 48971, Oct. 21, 1983, as amended at 63 FR 4357, Jan. 28, 1998]

§ 571.52 Procedures—committed fines.

(a)(1) Promptly after the inmate's commitment, staff shall inform the inmate that there is a committed fine, or fine and costs on file, as part of the sentence. Staff shall then impound the inmate's trust fund account until the fine, or fine and costs is paid, except—

(i) The inmate may spend money from his/her trust fund account for the purchase of commissary items not exceeding the maximum monthly allowance authorized for such purchases.

(ii) Staff may authorize the inmate to make withdrawals from his/her trust fund account for emergency family, emergency personal needs or furlough purposes.

(2) This rule of impounding an inmate's trust fund account applies only when the inmate is confined in a federal institution. It does not apply to a

§ 571.53

federal inmate confined in a state institution or a contract community-based facility.

(b) If the inmate pays the committed fine, or fine and costs, or staff have verified payment, staff shall document payment in the appropriate file and release the inmate's trust fund account from impoundment.

(c) Staff shall interview the inmate with an unpaid committed fine at least 75 days prior to the inmate's release date. Staff shall explain to the inmate that to secure release without paying the committed fine, or fine and costs in full, the inmate must make an application, on the appropriate form, to the U.S. Magistrate Judge for determination as to whether the inmate can be declared indigent under 18 U.S.C. 3569.

[63 FR 4357, Jan. 28, 1998]

§ 571.53 Determination of indigency by U.S. Magistrate—inmates in federal institutions.

(a) An inmate with a committed fine, or fine and costs who is imprisoned in a federal institution may make application for a determination of indigency directly to the U.S. Magistrate Judge in the district where the inmate is imprisoned under 18 U.S.C. 3569.

(b) After completion of the application, staff shall offer to forward the completed forms and any other applicable information the inmate chooses to the U.S. Magistrate Judge.

(c) If the U.S. Magistrate Judge finds that the inmate is indigent, the U.S. Magistrate Judge will administer the oath to the inmate. The inmate shall be released no earlier than the regularly established release date.

(d) If the U.S. Magistrate Judge finds that the inmate is not indigent, Bureau staff shall forward a referral package to the appropriate United States Attorney for a final determination as to the inmate's ability to pay the committed fine, or fine and costs.

§ 571.54 Determination of indigency by U.S. Magistrate Judge—inmates in contract community-based facilities or state institutions.

(a) Inmates with a committed fine, or fine and costs may be transferred to contract community-based facilities,

state institutions as boarders, or state institutions for service of federal sentences running concurrently with state sentences.

(b) Inmates with a committed fine, or fine and costs may be committed directly to contract community-based facilities or state institutions as boarders or may be designated to state institutions for service of federal sentences running concurrently with state sentences.

(c) An inmate with a committed fine, or fine and costs who is imprisoned in a contract community-based facility or state institution and desires to make application for a determination of ability to pay the committed fine, or fine and costs under 18 U.S.C. 3569 may make application directly to the U.S. Magistrate Judge.

(d) Upon receipt of a finding by the U.S. Magistrate Judge that the inmate is not indigent, Bureau staff shall forward a referral package to the appropriate United States Attorney for a final determination as to the inmate's ability to pay the committed fine, or fine and costs.

Subpart G—Compassionate Release (Procedures for the Implementation of 18 U.S.C. 3582(c)(1)(A) and 4205(g))

SOURCE: 59 FR 1238, Jan. 7, 1994, unless otherwise noted.

§ 571.60 Purpose and scope.

Under 18 U.S.C. 4205(g), a sentencing court, on motion of the Bureau of Prisons, may make an inmate with a minimum term sentence immediately eligible for parole by reducing the minimum term of the sentence to time served. Under 18 U.S.C. 3582(c)(1)(A), a sentencing court, on motion of the Director of the Bureau of Prisons, may reduce the term of imprisonment of an inmate sentenced under the Comprehensive Crime Control Act of 1984. The Bureau uses 18 U.S.C. 4205(g) and 18 U.S.C. 3582(c)(1)(A) in particularly extraordinary or compelling circumstances which could not reasonably have been foreseen by the court at the time of sentencing.

§ 571.61 Initiation of request—extraordinary or compelling circumstances.

(a) A request for a motion under 18 U.S.C. 4205(g) or 3582(c)(1)(A) shall be submitted to the Warden. Ordinarily, the request shall be in writing, and submitted by the inmate. An inmate may initiate a request for consideration under 18 U.S.C. 4205(g) or 3582(c)(1)(A) only when there are particularly extraordinary or compelling circumstances which could not reasonably have been foreseen by the court at the time of sentencing. The inmate's request shall at a minimum contain the following information:

(1) The extraordinary or compelling circumstances that the inmate believes warrant consideration.

(2) Proposed release plans, including where the inmate will reside, how the inmate will support himself/herself, and, if the basis for the request involves the inmate's health, information on where the inmate will receive medical treatment, and how the inmate will pay for such treatment.

(b) The Bureau of Prisons processes a request made by another person on behalf of an inmate in the same manner as an inmate's request. Staff shall refer a request received at the Central Office to the Warden of the institution where the inmate is confined.

[59 FR 1238, Jan. 7, 1994, as amended at 78 FR 13479, Feb. 28, 2013]

§ 571.62 Approval of request.

(a) The Bureau of Prisons makes a motion under 18 U.S.C. 4205(g) or 3582(c)(1)(A) only after review of the request by the Warden, the General Counsel, and either the Medical Director for medical referrals or the Assistant Director, Correctional Programs Division for non-medical referrals, and with the approval of the Director, Bureau of Prisons.

(1) The Warden shall promptly review a request for consideration under 18 U.S.C. 4205(g) or 3582(c)(1)(A). If the Warden, upon an investigation of the request determines that the request warrants approval, the Warden shall refer the matter in writing with recommendation to the Office of General Counsel.

(2) If the General Counsel determines that the request warrants approval, the General Counsel shall solicit the opinion of either the Medical Director or the Assistant Director, Correctional Programs Division depending upon the nature of the basis of the request. The General Counsel will solicit the opinion of the United States Attorney in the district in which the inmate was sentenced. With these opinions, the General Counsel shall forward the entire matter to the Director, Bureau of Prisons, for final decision, subject to the general supervision and direction of the Attorney General and Deputy Attorney General.

(3) If the Director, Bureau of Prisons, grants a request under 18 U.S.C. 4205(g), the Director will contact the U.S. Attorney in the district in which the inmate was sentenced regarding moving the sentencing court on behalf of the Bureau of Prisons to reduce the minimum term of the inmate's sentence to time served. If the Director, Bureau of Prisons, grants a request under 18 U.S.C. 3582(c)(1)(A), the Director will contact the U.S. Attorney in the district in which the inmate was sentenced regarding moving the sentencing court on behalf of the Director of the Bureau of Prisons to reduce the inmate's term of imprisonment to time served.

(b) Upon receipt of notice that the sentencing court has entered an order granting the motion under 18 U.S.C. 4205(g), the Warden of the institution where the inmate is confined shall schedule the inmate for hearing on the earliest Parole Commission docket. Upon receipt of notice that the sentencing court has entered an order granting the motion under 18 U.S.C. 3582(c)(1)(A), the Warden of the institution where the inmate is confined shall release the inmate forthwith.

(c) In the event the basis of the request is the medical condition of the inmate, staff shall expedite the request at all levels.

[59 FR 1238, Jan. 7, 1994, as amended at 78 FR 13479, Feb. 28, 2013; 78 FR 73084, Dec. 5, 2013]

§ 571.63 Denial of request.

(a) When an inmate's request is denied by the Warden, the inmate will receive written notice and a statement of

§ 571.64

reasons for the denial. The inmate may appeal the denial through the Administrative Remedy Procedure (28 CFR part 542, subpart B).

(b) When an inmate's request for consideration under 18 U.S.C. 4205(g) or 3582(c)(1)(A) is denied by the General Counsel, the General Counsel shall provide the inmate with a written notice and statement of reasons for the denial. This denial constitutes a final administrative decision.

(c) When the Director, Bureau of Prisons, denies an inmate's request, the Director shall provide the inmate with a written notice and statement of reasons for the denial within 20 work-days after receipt of the referral from the Office of General Counsel. A denial by the Director constitutes a final administrative decision.

(d) Because a denial by the General Counsel or Director, Bureau of Prisons, constitutes a final administrative decision, an inmate may not appeal the denial through the Administrative Remedy Procedure.

Code offenders confined in federal institutions. The Bureau of Prisons cannot initiate such a motion on behalf of federal offenders who committed their offenses prior to November 1, 1987, and received non-parolable sentences.
