

for this bond will begin in May, 2004. Series I bonds issued in May begin new semiannual rate periods in the months of May and November. In this example, the inflation rate will have its earliest impact in June 2004, when interest from May accrues, three months after the end of the six-month CPI-U period that ends in March, 2004.

Example 2. The May 1, 2004, rate will apply similarly to a bond purchased in October 1999. Series I bonds issued in October begin new semiannual rate periods in the months of April and October. Thus, for this bond, the May 1, 2004, composite rate (which includes the inflation rate) will not go into effect until a new semiannual rate period begins on October 1, 2004. This rate, therefore, will determine the inflation-indexed portion of each interest accrual from November, 2004, through April, 2005. In this example, the inflation rate will have its latest impact in April 2005, 13 months following the six-month CPI-U period that ended March 31, 2004.

APPENDIX D TO PART 359—TAX CONSIDERATIONS

1. *What are some general tax considerations?*

General. Interest is subject to all taxes imposed under the Internal Revenue Code of 1986, as amended. The bonds are also subject to Federal and State estate, inheritance, gift, or other excise taxes. The bonds are exempt from all other taxation by any State or local taxing authority.

2. *What reporting methods are available for savings bonds?*

(a) *Reporting methods.* You may use either of the following two methods for reporting the increase in the redemption value of the bond for Federal income tax purposes:

(1) *Cash basis method.* You may defer reporting the increase to the year of final maturity, redemption, or other disposition, whichever is earliest; or

(2) *Accrual basis method.* You may elect to report the increase each year, in which case the election applies to all Series I bonds that you then own, those subsequently acquired, and to any other obligations purchased on a discount basis, such as savings bonds of Series E or EE.

(b) *Changing methods.* If you use the cash basis method, you may change to the accrual basis method without obtaining permission from the Internal Revenue Service. However, once you elect to use the accrual basis method in paragraph (a)(2), you may change the method of reporting the increase only by following the specific procedures prescribed by the Internal Revenue Service for making an automatic method change. For further information, you may contact the Internal Revenue Service director for your area, or the Internal Revenue Service, Washington, DC 20224.

3. *What transactions have potential tax consequences?*

The following types of transactions, among others, may have potential tax consequences:

(a) A reissue that affects the rights of any of the persons named on a definitive Series I savings bonds may have tax consequences for the owner.

(b) The transfer of a book-entry Series I savings bonds from one owner to another may have tax consequences for the purchaser.

Subpart B—Registration

§ 360.5 General rules.

(a) *Registration is conclusive of ownership.* Definitive savings bonds were issued only in registered form. The registration must express the actual ownership of, and interest in, the bond. The registration is conclusive of ownership, except as provided in § 360.49.

(b) *Requests for registration.* (1) Registrations requested must be clear, accurate and complete, conform substantially with one of the forms set forth in this subpart, and include the taxpayer identifying number of the owner or first-named coowner. The registration of all bonds owned by the same indi-

vidual or fiduciary estate should be uniform with respect to the name of the owner and any description of the fiduciary capacity.

(2) An individual should be designated by the name he or she is ordinarily known by or uses in business, including at least one full given name. The name may be preceded or followed by any applicable title, such as Mr., Mrs., Ms., Miss, Dr., Rev., M.D., or D.D. A suffix, such as Sr. or Jr., must be included when ordinarily used or when necessary to distinguish the owner from another member of his family. A married woman's own first name, not that of her husband, must be used, for example, Mary A. Jones or Mrs. Mary A. Jones, NOT Mrs. Frank B. Jones. The address must include, where appropriate, the number and street, route, or any other local feature, city, State, and ZIP Code.

(c) *Registration of bonds purchased as gifts.* If the bonds were purchased as gifts, awards, prizes, etc., and the taxpayer identifying numbers of the intended owners are not known, the purchaser's number must be furnished. Bonds so registered will not be associated with the purchaser's own holdings. A bond registered in the name of a purchaser with another person as co-owner or beneficiary is not considered a gift or an award. If the purchaser so requests, a bond may be inscribed to provide a "Mail to" instruction, followed by a delivery name and address. No rights of ownership are conferred on such designee.

[63 FR 38049, July 14, 1998, as amended at 71 FR 46858, Aug. 15, 2006; 76 FR 66856, Oct. 28, 2011]

§ 360.6 Authorized forms of registration.

Subject to any limitations or restrictions contained in these regulations on the right of any person to be named as owner, coowner, or beneficiary, bonds should be registered as indicated in this section. A savings bond registered in a form not substantially in agreement with one of the forms authorized by this subpart is not considered validly issued.

(a) *Natural persons.* A bond may be registered in the names of individuals in their own right, but only in one of

If the instrument creating the trust provides that the trustees shall serve for a limited term, their names may be omitted.

(a) General annual limitation, \$5,000 (par value).

(b) Special limitation, \$4,000 (par value) multiplied by the highest number of employees participating in an eligible employee plan, as defined in § 360.13, at any time during the calendar year in which the bonds are issued.

[63 FR 38049, July 14, 1998, as amended at 72 FR 67854, Dec. 3, 2007]

§ 360.11 Computation of amount.

(a) *General.* The purchases of bonds in the name of any person in an individual capacity are computed separately from purchases in a fiduciary capacity, e.g., as representative for the estate of an individual.

(b) *Bonds included in computation.* In computing the purchases for each person, the following outstanding bonds are included:

(1) All bonds registered in the name and bearing the taxpayer identifying number of that person alone;

(2) All bonds registered in the name of the representative of the estate of that person and bearing that person's taxpayer identifying number; and

(3) All bonds registered in the name of that person as coowner that also bear that person's taxpayer identifying number.

(c) *Bonds excluded from computation.* In computing the purchases for each person, the following are excluded:

(1) Bonds on which that person is named beneficiary;

(2) Bonds to which that person has become entitled—

(i) Under § 360.70 as surviving beneficiary upon the death of the registered owner;

(ii) As an heir or a legatee of the deceased owner;

(iii) By virtue of the termination of a trust or the happening of a similar event; and

(3) Bonds that are purchased and redeemed within the same calendar year.

§ 360.12 Disposition of excess.

If any person at any time has savings bonds issued during any one calendar year in excess of the prescribed amount, instructions should be obtained from the Bureau of the Fiscal Service, Parkersburg, WV 26106-1328, for appropriate adjustment of the excess. Under the conditions specified in § 360.90, the Commissioner of the Fiscal Service may permit excess purchases to stand in any particular case or class of cases.

§ 360.13 Employee plans—Conditions of eligibility.

(a) *Definition of plan.* Employee thrift, savings, vacation, 401(k), and similar plans are contributory plans established by the employer for the exclusive and irrevocable benefit of its employees or their beneficiaries. Each plan must afford employees the means of making regular savings from their wages through payroll deductions and provide for employer contributions to be added to these savings.

(b) *Definition of terms used in this section.* (1) The term *assets* means all the employees' contributions and assets purchased with them and the employer's contributions and assets purchased with them, as well as accretions, such as dividends on stock, the increment in value on bonds and all other income; but, notwithstanding any other provision of this section, the right to demand and receive all assets credited to the account of an employee shall not be construed to require the distribution of assets in kind when it would not be possible or practicable to make such a distribution; for example, Series I bonds may not be reissued in unauthorized denominations.

(2) The word *beneficiary* means:

(i) The person or persons, if any, designated by the employee in accordance

§ 360.15

with the terms of the plan to receive the benefits of the plan upon the employee's death; or

(ii) The estate of the employee.

(c) *Conditions of eligibility.* An employee plan must conform to the following rules in order to be eligible for the special limitation provided in § 360.10.

(1) *Crediting of assets.* All assets of a plan must be credited to the individual accounts of participating employees and may be distributed only to them or their beneficiaries, except as provided in paragraph (c)(3) of this section.

(2) *Purchase of bonds.* Bonds may be purchased only with assets credited to the accounts of participating employees and only if the amount taken from any account at any time for that purpose is equal to the purchase price of a \$50 bond or bonds in an authorized denomination or denominations, and shares in the bonds are credited to the accounts of the individuals from which the purchase price was derived, in amounts corresponding with their shares. For example, if \$100 credited to the account of John Jones is commingled with funds credited to the accounts of other employees to make a total of \$5,000 with which a Series I bond in the denomination of \$5,000 (face amount) is purchased in December 1998 and registered in the name and title of the trustee, the plan must provide, in effect, that John Jones' account be credited to show that he is the owner of a Series I bond in the denomination of \$100 (face amount) bearing an issue date of December 1, 1998.

(3) *Irrevocable right of withdrawal.* Each participating employee has an irrevocable right to request and receive from the trustee all assets credited to the employee's account (or their value, if the employee prefers) without regard to any conditions other than the loss or suspension of the privilege of participating further in the plan. A plan may limit or modify such right in any manner required for qualification of the plan under section 401 of the Internal Revenue Code of 1986, as amended (26 U.S.C. 401).

(4) *Rights of beneficiary.* Upon the death of an employee, his or her beneficiary shall have the absolute and unconditional right to demand and re-

31 CFR Ch. II (7-1-16 Edition)

ceive from the trustee all assets credited to the account of the employee or their value, if he or she so prefers.

(5) *Reissue or payment upon distribution.* (i) When settlement is made with an employee or his or her beneficiary with respect to any bond registered in the name and title of the plan trustee in which the employee has a share, the bond must be paid or reissued to the extent of the share.

(ii) If an employee or the beneficiary is to receive distribution in kind, bonds bearing the same issue dates as those credited to the employee's account will be reissued in the name of the employee or the employee's beneficiary to the extent entitled, in authorized denominations, in any authorized form of registration, upon the request and certification of the trustee.

(d) *Application for special limitation.* A trustee of an employee plan who desires to purchase bonds under the special limitation should submit to the designated Federal Reserve Bank or Branch a copy of:

(1) The plan;

(2) Any instructions issued under the plan that concern Series I bonds; and

(3) The trust agreement, in order to establish the plan's eligibility.

(e) *Vacation plans.* Savings bonds may be purchased under certain vacation plans. Questions concerning the eligibility of these plans to purchase bonds in excess of the general limitation should be addressed to the Bureau of the Fiscal Service, Parkersburg, WV 26106-1328.

Subpart D—Limitations on Transfer or Pledge

§ 360.15 Transfer.

Savings bonds are not transferable and are payable only to the owners named on the bonds, except as specifically provided in these regulations and then only in the manner and to the extent so provided.

§ 360.16 Pledge.

A savings bond may not be hypothecated, pledged, or used as security for the performance of an obligation.

Subpart E—Judicial Proceedings**§ 360.20 General.**

(a) The Department of the Treasury will not recognize a judicial determination that gives effect to an attempted voluntary inter vivos transfer of a bond, or a judicial determination that impairs the rights of survivorship conferred by the regulations in this part upon a coowner or beneficiary. All provisions of this subpart are subject to these restrictions, except as provided in § 360.24.

(b) The Department of the Treasury will recognize a claim against an owner of a savings bond and conflicting claims of ownership of, or interest in, a bond between coowners or between the registered owner and the beneficiary, if established by valid, judicial proceedings specifically listed in this subpart. Escheat proceedings will not be recognized under this subpart. Section 360.23 specifies evidence required to establish the validity of judicial proceedings. Treasury may require any other evidence to establish the validity of judicial proceedings, such as evidence that the proceeding provided due process, complied with this part, and complied with relevant state law.

(c) The Department of the Treasury and the agencies that issue, reissue, or redeem savings bonds will not accept a notice of an adverse claim or notice of pending judicial proceedings, nor undertake to protect the interests of a litigant not in possession of a savings bond.

[63 FR 38049, July 14, 1998, as amended at 80 FR 80265, Dec. 24, 2015]

§ 360.21 Payment to judgment creditors.

(a) *Purchaser or officer under levy.* The Department of the Treasury will pay (but not reissue) a savings bond to the purchaser at a sale under a levy or to the officer authorized under appropriate process to levy upon property of the registered owner or coowner to satisfy a money judgment. Payment will be made only to the extent necessary to satisfy the money judgment. The amount paid is limited to the redemption value 60 days after the termination of the judicial proceedings. Except in the case of a levy by the Inter-

nal Revenue Service, payment of a bond registered in coownership form pursuant to a judgment or a levy against only one coowner is limited to the extent of that coowner's interest in the bond. That interest must be established by an agreement between the coowners or by a judgment, decree, or order of a court in a proceeding to which both coowners are parties. Payment of a bond registered in coownership form pursuant to a levy by the Internal Revenue Service will be made if the levy is against either coowner on the bond.

(b) *Trustee in bankruptcy, receiver, or similar court officer.* The Department of the Treasury will pay, at current redemption value, a savings bond to a trustee in bankruptcy, a receiver of an insolvent's estate, a receiver in equity, or a similar court officer under the provisions of paragraph (a) of this section.

§ 360.22 Payment or reissue pursuant to divorce.

(a) *Divorce.* (1) The Department of the Treasury will recognize a divorce decree that ratifies or confirms a property settlement agreement disposing of bonds or that otherwise settles the interests of the parties in a bond. Reissue of a savings bond may be made to eliminate the name of one spouse as owner, coowner, or beneficiary or to substitute the name of one spouse for that of the other spouse as owner, coowner, or beneficiary pursuant to the decree. However, if the bond is registered in the name of one spouse with another person as coowner, there must be submitted either:

(i) A request for reissue by the other person; or

(ii) a certified copy of a judgment, decree, or court order entered in proceedings to which the other person and the spouse named on the bond are parties, determining the extent of the interest of that spouse in the bond. Reissue will be permitted only to the extent of that spouse's interest.

(2) The evidence required under § 360.23 must be submitted in every case. When the divorce decree does not set out the terms of the property settlement agreement, a certified copy of

§ 360.23

31 CFR Ch. II (7-1-16 Edition)

the agreement must be submitted. Payment, rather than reissue, will be made if requested.

(b) *Date for determining rights.* When payment or reissue under this section is to be made, the rights of the parties will be those existing under the regulations current at the time of the entry of the final judgment, decree, or court order.

§ 360.23 Evidence.

(a) *General.* To establish the validity of judicial proceedings, certified copies of the final judgment, decree, or court order, and of any necessary supplementary proceedings, must be submitted. If the judgment, decree, or court order was rendered more than six months prior to the presentation of the bond, there must also be submitted a certification from the clerk of the court, under court seal, dated within six months of the presentation of the bond, showing that the judgment, decree, or court order is in full force.

(b) *Trustee in bankruptcy or receiver of an insolvent's estate.* A request for payment by a trustee in bankruptcy or a receiver of an insolvent's estate must be supported by appropriate evidence of appointment and qualification. The evidence must be certified by the clerk of the court, under court seal, as being in full force on a date that is not more than six months prior to the presentation of the bond.

(c) *Receiver in equity or similar court officer.* A request for payment by a receiver in equity or a similar court officer, other than a receiver of an insolvent's estate, must be supported by a copy of an order that authorizes the presentation of the bond for redemption, certified by the clerk of the court, under court seal, as being in full force on a date that is not more than six months prior to the presentation of the bond.

(a) *Definitions.* As used in this part:

(1) *Contact point* means the individual designated to receive referrals from the Bureau of the Fiscal Service, as provided for in this section, by the Federal investigative agency, United States At-

torney's Office, or forfeiting agency specified in Fiscal Service Form 1522.

(4) *Fiscal Service Form 1522* means the written notification of the forfeiture provided by the forfeiting agency to the Bureau of the Fiscal Service on a Fiscal Service Form 1522 SPECIAL FORM OF REQUEST FOR PAYMENT OF UNITED STATES SAVINGS AND RETIREMENT SECURITIES WHERE USE OF A DETACHED REQUEST IS AUTHORIZED. Fiscal Service Form 1522 must specify: the contact point; the issue date of each bond; the serial number for each bond; the date of forfeiture; the forfeiture fund to which payment is to be made; and be signed by an individual authorized by the forfeiting agency. The forfeited bonds and the completed Fiscal Service Form 1522 are to be mailed to the Department of the Treasury, Bureau of the Fiscal Service, Parkersburg, WV 26106-1328.

(b) *Forfeiture of bond.* (1) Upon receipt and review of the Fiscal Service Form 1522, as described in paragraph (a)(4) of this section, the Bureau of the Fiscal Service will make payment to the forfeiture fund specified on the form.

(2) The Bureau of the Fiscal Service will record the forfeiture, the forfeiture fund into which the proceeds were paid, the contact point, and any related information.

(3) The Bureau of the Fiscal Service will rely exclusively upon the information provided by the Federal agency in the Fiscal Service Form 1522 and will not make any independent evaluation of the validity of the forfeiture order, the request for payment, or the authority of the individual signing the request for payment.

(4) The amount paid is limited to the redemption value of the savings bonds

Fiscal Service, Treasury

as of the date of forfeiture specified in the Fiscal Service Form 1522.

(c) *Inquiry from previous owner.* (1) Upon payment made pursuant to paragraph (b) of this section, all inquiries from the previous owner, including requests for payment, reissue, or applications for relief, related to forfeited savings bonds, will be referred by the Bureau of the Fiscal Service to the contact point named in the Fiscal Service Form 1522.

(2) The Bureau of the Fiscal Service will notify the submitter of the inquiry of the referral to the contact point.

(3) The Bureau of the Fiscal Service will not investigate the inquiry and will defer to the forfeiting agency's determination of the appropriate course of action, including settlement where appropriate. Any settlement will be paid from the forfeiture fund into which the proceeds were deposited.

Subpart F—Relief for Loss, Theft, Destruction, Mutilation, Defacement, or Nonreceipt of Bonds

§ 360.25 General.

Relief, by the issue of a substitute bond or by payment, is authorized for the loss, theft, destruction, mutilation, or defacement of a bond after receipt by the owner or his or her representative. As a condition for granting relief, the Commissioner of the Fiscal Service, as designee of the Secretary of the Treasury, may require a bond of indemnity, in the form, and with the surety, or security, he or she considers necessary to protect the interests of the United States. In all cases, the claimant or claimants must identify the lost, stolen, destroyed, mutilated, or defaced savings bond or savings bonds by serial number or serial numbers and must submit satisfactory evidence of the loss, theft, or destruction, or a satisfactory explanation of the mutilation or defacement.

§ 360.26 Application for relief; after receipt of bond.

(a) If the serial numbers of the lost, stolen, or destroyed bonds are known, the claimant should execute an application for relief on the appropriate form and submit it to the Bureau of

the Fiscal Service, Parkersburg, WV 26106-1328.

(b) If the bond serial numbers are not known, the claimant must provide sufficient information to enable the Bureau of the Fiscal Service to identify the bond by serial number. See § 360.29(c). The Bureau will furnish the proper application form and instructions.

(c) A defaced bond and all available fragments of a mutilated bond should be submitted to a Federal Reserve Office listed in § 360.1(b)(2) or the Bureau of the Fiscal Service.

(d) The application must be made by the person or persons (including both coowners, if living) authorized under the regulations in this part to request payment of the bond. In addition:

(1) If the bond is in beneficiary form and the owner and beneficiary are both living, the application must be made by the owner, and the beneficiary may also be required to join in the application to protect the interests of the United States.

(2) If a minor named on a bond as owner, coowner, or beneficiary is not of sufficient competency and understanding to request payment, the parents or other person authorized to request payment under § 360.63 will ordinarily be required to join in the application.

(e) If the application is approved on or before February 14, 2014, relief will be granted either by the issuance of a bond bearing the same issue date as the bond for which the claim was filed or by payment. If the application is approved after February 14, 2014, relief will be granted either by the issuance of a book-entry bond bearing the same issue date as the bond for which the claim was filed or by payment.

[63 FR 38049, July 14, 1998, as amended at 79 FR 8860, Feb. 14, 2014]

§ 360.27 Application for relief; nonreceipt of bond.

If a bond issued on any transaction is not received, the issuing agent must be notified as promptly as possible and given all information available about the nonreceipt. An appropriate form and instructions will be provided. If the application is approved on or before February 14, 2014, relief will be granted

§ 360.28

by the issuance of a bond bearing the same issue date as the bond that was not received. If the application is approved after February 14, 2014, relief will be granted by the issuance of a book-entry bond bearing the same issue date as the bond that was not received or by payment. Also, relief is authorized for the issuance of bonds for which the Secretary has not received payment, in order to preserve public confidence in dealing with issuing agents.

[79 FR 8860, Feb. 14, 2014]

§ 360.28 Recovery or receipt of bond before or after relief is granted.

(a) If a bond reported lost, stolen, destroyed, or not received, is recovered or received before relief is granted, the Bureau of the Fiscal Service, Parkersburg, WV 26106-1328, must be notified promptly.

(b) A bond for which relief has been granted is the property of the United States and, if recovered, must be promptly submitted to the Bureau of the Fiscal Service, Parkersburg, 26106-1328, for cancellation.

§ 360.29 Adjudication of claims.

(a) *General.* The Bureau of the Fiscal Service will adjudicate claims for lost, stolen or destroyed bonds on the basis of records created and regularly maintained in the ordinary course of business.

(c) *Claims filed 10 years after maturity.* Any claim filed 10 years or more after the maturity of a savings bond will be barred.

Subpart G—General Provisions for Payment

lates the delivery of remittances, including checks and electronic payments, drawn against funds of the United States. See Department of the Treasury Circular No. 655, current revision (31 CFR part 211). Payment will be made without regard to any notice of adverse claims to a bond and no stoppage or caveat against payment of a bond will be entered.

(b) *Mandatory initial holding period.* A Series I bond issued on January 1, 2003, or earlier, will be paid at any time after six months from issue date. A Series I bond issued on February 1, 2003, or thereafter, will be paid at any time after 12 months from issue date. Bonds will be paid at the current redemption value determined in the manner described in Department of the Treasury Circular, Fiscal Service Series No. 1-98 (31 CFR part 359).

[63 FR 38049, July 14, 1998, as amended at 68 FR 2667, Jan. 17, 2003; 68 FR 7427, Feb. 14, 2003]

§ 360.36 Payment during life of sole owner.

A savings bond registered in single ownership form (i.e., without a co-owner or beneficiary) will be paid to the owner during his or her lifetime upon surrender with an appropriate request.

§ 360.37 Payment during lives of both coowners.

A savings bond registered in co-ownership form will be paid to either coowner upon surrender with an appropriate request, and upon payment (as determined in § 360.43), the other coowner will cease to have any interest in the bond. If both coowners request payment, the payment will be made in the form, “John A. Jones AND Mary C. Jones”.

§ 360.38 Payment during lifetime of owner of beneficiary bond.

A savings bond registered in beneficiary form will be paid to the registered owner during his or her lifetime upon surrender with an appropriate request. Upon payment (as determined in § 360.43) the beneficiary will cease to have any interest in the bond.

§ 360.39 Surrender for payment.

(a) *Procedure for definitive bonds of Series I presented at authorized paying agents.* The owner, coowner, or other person entitled to payment of a definitive Series I bond may present the bond to an authorized paying agent for redemption. The presenter must establish his or her identity and entitlement to payment in accordance with Treasury instructions and identification guidelines. The presenter must sign the request for payment on the bond or, if authorized, on a separate detached request, and add his or her address. If the request for payment has been signed, or signed and certified, before presentation of the bond, the paying agent must be satisfied that the person presenting the bond for payment is the owner, coowner, or other person entitled to payment, and may require the person to sign the request for payment again. If the bond is in order for payment, the paying agent will make payment at the current redemption value without charge to the presenter. Paying agents are not authorized to process any case involving partial redemption.

(b) *Procedure for all other cases.* In the case of definitive bonds to which the procedure in paragraph (a) of this section, does not apply, or if otherwise preferred, the owner or coowner, or other person entitled to payment should establish his or her identity to the satisfaction of an officer authorized by the regulations in this part to certify requests for payment, sign the requests for payment, and provide delivery information for the payment. The bonds must be forwarded to a designated Federal Reserve Bank or Branch or the Bureau of the Fiscal Service. Usually, payment will be expedited by submission to a designated Federal Reserve Bank or Branch. In all cases, the cost and risk of presentation of a bond will be borne by the owner. Payment will be made to the registered owner or other person entitled and will be delivered according to the instructions of the owner or the other person entitled and the regulations in this part.

(c) *Date of request.* Requests executed more than six months before the date of receipt of a bond for payment will

not be accepted. Neither will a bond be accepted if payment is requested as of a date more than three months in the future.

§ 360.40 Special provisions for payment.

(a) *Owner's signature not required.* A bond may be paid by a paying agent or a designated Federal Reserve Bank or Branch without the owner's signature to the request for payment if the bond bears the special endorsement of a paying agent specifically qualified to place such an endorsement on savings bonds.

(b) *Signature by mark.* A signature by mark (X) must be witnessed by at least one disinterested person and a certifying officer. See subpart I of this part. The witness must attest to the signature by mark substantially as follows: "Witness to signature by mark", followed by his or her signature and address.

(c) *Name change.* If the name of the owner, coowner, or other person entitled to payment, as it appears in the registration or in any related evidence or documents has been changed in any legal manner, the signature to the request for payment must show both names and the manner in which the change was made; for example, "Mary T. Jones Smith (Mary T. J. Smith or Mary T. Smith) changed by marriage from Mary T. Jones", or "John R. Young, changed by order of court from Hans R. Jung". See § 360.50.

(d) *Attorneys-in-fact.* A request for payment executed by an attorney-in-fact on behalf of the bond owner or other person entitled to payment of the bond will be recognized if it is accompanied by a copy of the power of attorney which meets the following requirements:

(1) The power of attorney must bear the grantor's signature, properly certified or notarized, in accordance with applicable State law;

(2) The power of attorney must grant, by its terms, authority for the attorney-in-fact to sell or redeem the grantor's securities, sell his or her personal property, or otherwise contain similar authority; and

(3) In the case of a grantor who has become incapacitated, the power of attorney must conform with pertinent

§ 360.41

provisions of State law concerning its durability. Generally, in such circumstances, the power of attorney should provide that the authority granted will not be affected by the subsequent incompetence or incapacity of the grantor. Medical evidence or other proof of the grantor's condition may be required in any case.

§ 360.41 Partial redemption.

A bond may be redeemed in part at current redemption value, but only in amounts corresponding to authorized denominations, upon surrender of the bond to a designated Federal Reserve Bank or Branch or to the Bureau of the Fiscal Service in accordance with § 360.39(b). In any case in which partial redemption is requested, the phrase "to the extent of \$ _____ (face amount) and reissue of the remainder" should be added to the request. Upon partial redemption of the bond, the remainder will be reissued as of the original issue date, as provided in subpart H of this part.

§ 360.42 Nonreceipt or loss of remittance issued in payment.

If a remittance in payment of the redemption value of a bond surrendered for redemption is not received within a reasonable time or is lost after receipt, notice should be given to the same agency to which the bond was surrendered for payment. The notice should give the date the bond was surrendered for payment and describe the bond by series, denomination, serial number, and registration, including the taxpayer identifying number of the owner.

§ 360.43 Effective date of request for payment.

The Department of the Treasury will treat the receipt of a bond with an appropriate request for payment by:

- (a) A Federal Reserve Bank or Branch;
- (b) The Bureau of the Fiscal Service; or
- (c) A paying agent authorized to pay that bond, as the date upon which the rights of the parties are fixed for the purpose of payment.

31 CFR Ch. II (7-1-16 Edition)

§ 360.44 Withdrawal of request for payment.

(a) *Withdrawal by owner or coowner.* An owner or coowner, who has surrendered a bond to a Federal Reserve Bank or Branch or to the Bureau of the Fiscal Service or to an authorized paying agent with an appropriate request for payment, may withdraw the request if notice of intent to withdraw is received by the same agency prior to payment.

(b) *Withdrawal on behalf of deceased owner or incompetent.* A request for payment may be withdrawn under the same conditions as in paragraph (a) of this section by the executor or administrator of the estate of a deceased owner or by the person or persons who could have been entitled to the bond under subpart K of this part, or by the legal representative of the estate of a person under legal disability, unless surrender of the bond for payment has eliminated the interest of a surviving coowner or beneficiary. See § 360.70(b) and (c).

Subpart H—Reissue and Denominational Exchange

§ 360.45 General.

Reissue of a bond may be made only under the conditions specified in these regulations, and only at: A designated Federal Reserve Bank or Branch, or the Bureau of the Fiscal Service. Reissue will not be made if the request is received less than one full calendar month before the maturity date of a bond. See 31 CFR part 359. The request, however, will be effective to establish ownership as though the requested reissue had been made. We reserve the right to reissue savings bonds in book-entry form only. See § 360.48(a).

[63 FR 38049, July 14, 1998, as amended at 76 FR 66856, Oct. 28, 2011; 79 FR 8860, Feb. 14, 2014]

§ 360.46 Effective date of request for reissue.

The Department of the Treasury will treat the receipt by: A Federal Reserve Bank or Branch, or the Bureau of the Fiscal Service of a bond and an acceptable request for reissue as determining the date upon which the rights of the

Fiscal Service, Treasury

§ 360.51

parties are fixed for the purpose of reissue. For example, if the owner or either coowner of a bond dies after the bond has been surrendered for reissue, the bond will be regarded as having been reissued in the decedent's lifetime.

§ 360.47 Authorized reissue; during lifetime.

A bond belonging to a living individual may be reissued in any form of registration authorized by the regulations in this part upon an appropriate request under the conditions and for the purposes outlined in this section.

(a) *Single ownership.* A bond registered in single ownership form may be reissued:

(1) To add a coowner or beneficiary; or

(2) To name a new owner, with or without a coowner or beneficiary as requested by the new owner, but only if the previous owner and the new owner are parties to a divorce or annulment; or

(3) To name as new sole owner the personal trust estate created by the previous owner or which designates as beneficiary the previous owner.

(b) *Coownership.* During the lifetime of both coowners:

(1) A coownership bond may be reissued to name a new owner, with or without a coowner or beneficiary as requested by the new owner, but only if at least one of the coowners and the new owner are parties to a divorce or annulment, but reissue is limited to the extent of that coowner's interest in the bond (See § 360.22(a)); or

(2) To name as new sole owner the personal trust estate created by at least one of the coowners or which designates as beneficiary at least one of the coowners.

(c) *Beneficiary.* A bond registered in beneficiary form may be reissued:

(1) To substitute another individual as beneficiary; or

(2) To eliminate the beneficiary, and, if the beneficiary is eliminated, to effect any of the reissues authorized by paragraph (a) of this section.

§ 360.48 Restrictions on reissue; denominational exchange.

(a) *Elimination of definitive Series I bonds.* After February 14, 2014, the Department of the Treasury will no longer reissue Series I bonds in definitive (paper) form. After that date, a request for reissue of a Series I bond for any reason will only be processed under one of the following conditions:

(1) If the new owner requests payment in the same transaction; or

(2) If the new owner provides instructions to reissue in the form of a book-entry bond in a TreasuryDirect® account. This option is available for persons who are eligible to open a TreasuryDirect® account under the regulations in 31 CFR part 363.

(b) *Denominational exchange.* Reissue is not permitted solely to change denominations.

[79 FR 8860, Feb. 14, 2014]

§ 360.49 Correction of errors.

A bond may be reissued to correct an error in registration upon appropriate request supported by satisfactory proof of the error.

§ 360.50 Change of name.

An owner, coowner, or beneficiary whose name is changed by marriage, divorce, annulment, order of court, or in any other legal manner after the issue of the bond should submit the bond with a request for reissue to substitute the new name for the name inscribed on the bond. Documentary evidence may be required in any appropriate case.

§ 360.51 Requests for reissue.

Subject to the conditions set out in this subpart, a request for reissue of bonds in coownership form must be signed by both coowners, except that a request solely to eliminate the name of one coowner may be signed by that coowner only. A bond registered in beneficiary form may be reissued upon the request of the owner, without the consent of the beneficiary. Fiscal Service forms are available for requesting reissue.

§ 360.64 Payment or reinvestment—voluntary guardian of an incapacitated person.

(a) *Payment of bonds.* (1) When an adult owner of bonds is incapable of requesting payment as a result of incapacity and there is no other person le-

gally qualified to do so, the relative, or other person, responsible for the owner's care and support may submit an application for recognition as voluntary guardian for the purpose of redeeming the owner's bonds, if the total redemption value of all of the owner's bonds does not exceed \$20,000. The bonds and application should be submitted to a designated Federal Reserve Bank or the Bureau of the Fiscal Service.

(2) The redemption value of the bonds shall be determined as of the date the bonds are received, accompanied by an appropriate request for payment. If the total redemption value exceeds \$20,000, a legal representative must be appointed, as set forth in § 360.60.

(b) *Reinvestment of bonds.* (1) If the bonds have matured and ceased earning interest, they may be redeemed and the proceeds reinvested in any other savings bonds available. The new bonds must be registered in the name of the incapacitated person, followed by words showing that he or she is under voluntary guardianship; for example, "John Jones 123-45-6789, under voluntary guardianship". A living co-owner or beneficiary named on the matured bonds must be designated on the new bonds, unless such person furnishes a certified statement consenting to omission of his or her name.

(2) If an amount insufficient to purchase an additional bond of any authorized denomination of savings bond remains after the reinvestment, the voluntary guardian may furnish additional funds sufficient to purchase another savings bond of the lowest available denomination. If additional funds are not furnished, the remaining amount will be paid to the voluntary guardian for the use and benefit of the incapacitated person.

§ 360.65 Reissue.

A bond on which a minor or other person under legal disability is named as the owner or coowner, or in which he or she has an interest, may be reissued under the following conditions, but only in accordance with subpart H of this part:

(a) A minor for whose estate no representative has been appointed may request reissue if the minor is of sufficient competency to sign his or her name to the request and to understand the nature of the transaction.

(b) Except to the extent provided in paragraph (a) of this section, reissue will be restricted to a form of registration which does not adversely affect the existing ownership or interest of a minor or other person under legal disability. Requests for reissue should be executed by the person authorized to request payment under §§ 360.60 and 360.63, or the person who may request recognition as voluntary guardian under § 360.64.

Subpart K—Deceased Owner, Coowner or Beneficiary

§ 360.70 General rules governing entitlement.

The rules in this section govern ownership or entitlement where one or both of the persons named on a bond have died without the bond having been surrendered for payment or reissue. Appropriate proof of death will be required.

(a) *Single owner bond.* If the owner of a bond registered in single ownership form has died, the bond becomes the property of that decedent's estate, and payment or reissue will be made as provided in this subpart.

(b) *Coowner bond—(1) One coowner deceased.* If one of the coowners named on a bond has died, the surviving coowner will be recognized as the sole and absolute owner, and payment or reissue will be made as though the bond were registered in the name of the survivor alone. Any request for reissue by the surviving coowner must be supported by proof of death of the other coowner.

(2) *Both coowners deceased.* If both coowners named on a bond have died, the bond becomes the property of the estate of the coowner who died last, and payment or reissue will be made as if the bond were registered in the name of the last deceased coowner alone. Proof of death of both coowners will be required to establish the order of death.

(3) *Simultaneous death of both coowners.* If both coowners die under conditions where it cannot be established,

either by presumption of law or otherwise, which coowner died first, the bond becomes the property of the estates of both equally, and payment or reissue will be made accordingly.

(c) *Beneficiary bond—(1) Owner deceased.* If the owner of a bond registered in beneficiary form has died and is survived by the beneficiary, upon proof of death of the owner, the beneficiary will be recognized as the sole and absolute owner of the bond. Payment or reissue will be made as though the bond were registered in the survivor's name alone. A request for payment or reissue by the beneficiary must be supported by proof of death of the owner.

(2) *Beneficiary deceased.* If the beneficiary's death occurs before, or simultaneously with, that of the registered owner, payment or reissue will be made as though the bond were registered in the owner's name alone. Proof of death of the owner and beneficiary is required to establish the order of death.

(d) *Nonresident aliens.* If the person who becomes entitled to a bond because of the death of an owner is an alien who is a resident of an area with respect to which the Department of the Treasury restricts or regulates the delivery of remittances, including checks and electronic payments, drawn against funds of the United States or its agencies or instrumentalities, delivery of the redemption payment will not be made so long as the restriction applies. See Department of the Treasury Circular No. 655, current revision (31 CFR part 211).

§ 360.71 Decedent's estate.

(a) *Estate is being administered.* (1) A legal representative of a deceased owner's estate may request payment of savings bonds to the estate, or may distribute the savings bonds to the persons entitled.

(2) Appropriate proof of appointment for the legal representative of the estate is required. Letters of appointment must be dated not more than one year prior to the date of submission of the letters of appointment.

(b) *Estate has been settled previously.* If the estate has been settled previously

through judicial proceedings, the persons entitled may request payment or reissue of the savings bonds. A certified copy of the court-approved final accounting for the estate, the court's decree of distribution, or other appropriate evidence is required.

(c) *Special provisions under the law of the jurisdiction of the decedent's domicile.* If there is no formal or regular administration and no representative of the estate is to be appointed, the person appointed to receive or distribute the assets of a decedent's estate without regular administration under applicable local law summary or small estates procedures may request payment or reissue of savings bonds. Appropriate evidence is required.

(d) *When administration is required.* If the total redemption value of the Treasury securities and undelivered payments, if any, held directly on our records that are the property of the decedent's estate is greater than \$100,000, administration of the decedent's estate will be required. The redemption value of savings bonds and the principal amount of marketable securities will be used to determine the value of securities, and will be determined as of the date of death. Administration may also be required at the discretion of the Department for any case.

(e) *Voluntary representative for small estates that are not being otherwise administered—(1) General.* A voluntary representative is a person qualified according to paragraph (e)(3) of this section, to request payment or distribution of a decedent's savings bonds. The voluntary representative procedures are for the convenience of the Department; entitlement to the decedent's savings bonds and held payments, if any, is determined by the law of the jurisdiction in which the decedent was domiciled at the date of death. Voluntary representative procedures may be used only if:

(i) There has been no administration, no administration is contemplated, and no summary or small estate procedures under applicable local law have been used;

(ii) The total redemption value of the Treasury securities and held payments, if any, held directly on our records that are the property of the decedent's

estate is \$100,000 or less as of the date of death; and

(iii) There is a person eligible to serve as the voluntary representative according to paragraph (e)(3) of this section.

(2) *Authority of voluntary representative.* A voluntary representative may:

(i) Redeem the decedent's savings bonds that are eligible for redemption on behalf of the persons entitled by the law of the jurisdiction in which the decedent was domiciled at the date of death;

(ii) Distribute the decedent's savings bonds to the persons entitled by the law of the jurisdiction in which the decedent was domiciled at the date of death.

(3) *Order of precedence for voluntary representative.* An individual eighteen years of age or older may act as a voluntary representative according to the following order of precedence: A surviving spouse; if there is no surviving spouse, then a child of the decedent; if there are none of the above, then a descendant of a deceased child of the decedent; if there are none of the above, then a parent of the decedent; if there are none of the above, then a brother or sister of the decedent; if there are none of the above, then a descendant of a deceased brother or sister of the decedent; if there are none of the above, then a next of kin of the decedent, as determined by the law of the jurisdiction in which the decedent was domiciled at the date of death. As used in this order of precedence, child means a natural or adopted child of the decedent.

(4) *Liability.* By serving, the voluntary representative warrants that the distribution of payments or savings bonds is to the persons entitled by the law of the jurisdiction in which the decedent was domiciled at the date of death. The United States is not liable to any person for the improper distribution of payments or securities. Upon payment or distribution of the securities at the request of the voluntary representative, the United States is released to the same extent as if it had paid or delivered to a representative of the estate appointed pursuant to the law of the jurisdiction in which the decedent was domiciled at

Fiscal Service, Treasury

§ 360.77

the date of death. The voluntary representative shall indemnify and hold harmless the United States and all creditors and persons entitled to the estate of the decedent. The amount of the indemnification is limited to an amount no greater than the value received by the voluntary representative.

(f) *Creditor*. If there has been no administration, no administration is contemplated, no summary or small estate procedures under applicable local law have been used, and there is no person eligible to serve as a voluntary representative pursuant to paragraph (e) of this section, then a creditor may make a claim for payment of the amount of the debt, providing the debt has not been barred by applicable local law.

§ 360.72 [Reserved]

Subpart L—Fiduciaries

§ 360.75 Payment or reissue during the existence of the fiduciary estate.

(a) *Request from the fiduciaries named in the registration*. A request for reissue or payment signed by at least one, but less than all, of the fiduciaries named in the registration shall be deemed sufficient and acceptable proof that less than all of the fiduciaries may properly execute the request. If the fiduciaries named in the registration are still acting, no further evidence will be required. In other cases, i.e., cases in which the fiduciary is not designated by name and title in the bond registration or a fiduciary designated in the bond registration is no longer acting, the request must be made in accordance with subparts J and K of this part.

(b) *Corporate fiduciaries*. If a bond is registered in the name of a public or private corporation, such as a financial institution, or a governmental body as fiduciary, the request must be signed by an authorized officer in the name of the organization as fiduciary. Ordinarily, a signed and certified request will be accepted without further evidence.

(c) *Trustee of a common trust fund*. A bond held by a financial institution as a trustee may be reissued in the name of the institution as trustee of its com-

mon trust fund to the extent that participation in the common trust fund is authorized by law or regulation. The request for reissue should be executed by the institution and any co-trustee.

(d) *Successor fiduciary*. If the fiduciary in whose name the bond is registered has been replaced by another fiduciary, a properly executed form or satisfactory evidence of successorship should be furnished.

§ 360.76 Payment or reissue after termination of the fiduciary estate.

A bond registered in the name or title of a fiduciary may be paid or reissued to the person who has become entitled by reason of the termination of an estate, other than a decedent's estate (see subpart K of this part). Requests for reissue made by a fiduciary pursuant to the termination of a fiduciary estate should be made on the appropriate form. Requests for payment or reissue by other than the fiduciary must be accompanied by evidence to show that the person has become entitled in accordance with applicable State law or otherwise. When two or more persons have become entitled, the request for payment or reissue must be signed by each of them.

Subpart M—Escheat and Unclaimed Property Claims by States

§ 360.77 Payment to a State claiming title to abandoned bonds.

(a) *General*. The Department of the Treasury may, in its discretion, recognize an escheat judgment that purports to vest a State with title to a definitive savings bond that has stopped earning interest and is in the State's possession, when the State presents evidence satisfactory to Treasury that the bond has been abandoned by all persons entitled to payment under Treasury regulations. A State claiming title to a definitive savings bond as the heir to a deceased owner must comply with the requirements of subpart L of this part, and not this section. Treasury will not recognize an escheat judgment that purports to vest a State

§ 360.90

with title to a bond that is still earning interest. Treasury also will not recognize an escheat judgment that purports to vest a State with title to a bond that the State does not possess, or a judgment that purports to grant the State custody of a bond, but not title.

(b) *Due process.* At a minimum, a State requesting payment under this section must demonstrate to Treasury's satisfaction that it made reasonable efforts to provide actual and constructive notice of the escheat proceeding to all persons listed on the face of the bond and all persons who may have an interest in the bond, and that those persons had an opportunity to be heard before the escheat judgment was entered.

(c) *Fulfillment of obligation.* Payment to a State claiming title under this section fulfills the United States' obligations to the same extent as if payment had been made to the registered owner.
