§ 792.201 Purpose.

The purpose of this subpart is to implement section 590(g) of title 40, United States Code, which permits an Executive agency to use appropriated funds to improve the affordability of child care for lower-income employees. The law applies to child care in the United States and in overseas locations. Employees can benefit from reduced child care rates at Federal child care centers, non-Federal child care centers, and in family child care homes.

§ 792.202 Definitions.

The provider must be licensed or regulated, and the provider's services can be provided in a Federally-sponsored child care center, a non-Federal center, or a family child care home.

Child care subsidy program means the program established by an agency in using appropriated funds, as provided

in this subpart, to assist lower-income employees with child care costs. The program can include such activities as determining which employees receive a subsidy and the size of their subsidies; distributing agency funds to participating providers; and tracking and reporting information to OPM such as total cost and employee use of the program.

Disabled child means a child who is unable to care for himself or herself because of a physical or mental condition as determined by a physician or licensed or certified psychologist.

Domestic partner means a person in a domestic partnership with an employee of the same sex.

Domestic partnership means a committed relationship between two adults of the same sex in which the partners—

(3) Are at least 18 years of age and mentally competent to consent to a contract;

(4) Share responsibility for a significant measure of each other's financial obligations;

(5) Are not married or joined in a civil union to anyone else;

(6) Are not the domestic partner of anyone else;

(7) Are not related in a way that, if they were of opposite sex, would prohibit legal marriage in the U.S. jurisdiction in which the domestic partnership was formed;

(8) Are willing to certify, if required by the agency, that they understand that willful falsification of any documentation required to establish that an individual is in a domestic partnership may lead to disciplinary action and the recovery of the cost of benefits received related to such falsification, as well as constitute a criminal violation under 18 U.S.C. 1001, and that the method for securing such certification, if required, will be determined by the agency; and

(9) Are willing promptly to disclose, if required by the agency, any dissolution or material change in the status of the domestic partnership.

Employee means an employee as defined in section 2105 of title 5, United States Code.

Executive agency means an Executive agency as defined in 5 U.S.C. 105 but does not include the Government Accountability Office.

§ 792.203 Child care subsidy programs; eligibility.

(a)(1) An Executive agency may establish a child care subsidy program in which the agency uses appropriated funds, in accordance with this subpart, to assist lower-income employees of the agency with their child care costs. The assistance may be provided for both full-time and part-time child care, and may include before-and-after-school programs and daytime summer programs.

(2) Two or more agencies may pool their funds to establish a child care subsidy program for the benefit of employees who are served by a Federally-sponsored child care center in a multi-tenant facility.

(3)(i) Except as provided under paragraph (a)(3)(ii) of this section, an agency may impose restrictions on the use of appropriated funds for its child care subsidy program based on consideration of employees' needs, its own staffing needs, the local availability of child care, and other factors as determined by the agency. For example, an agency may decide to restrict eligibility for subsidies to—

- (A) Full-time permanent employees;
- (B) Employees using an agency on-site child care center;
- (C) Employees using full-time child care; or
- (D) Employees using child care in specific locations.

(ii) An agency may not limit the payment of subsidies to accredited child care providers.

§ 792.204

5 CFR Ch. I (1–1–16 Edition)

(b) Subject to any restrictions applicable under paragraph (a)(3)(i) of this section, an employee who qualifies as a lower-income employee under the agency’s child care subsidy program is eligible to receive a child care subsidy for the care of each child under age 13 or, in the case of a disabled child, under age 18.

for establishing how eligibility and subsidy amounts will be determined.

(b) An agency contract must specify that any unexpended funds will be returned to the agency after the contract is completed.

§ 792.204 Agency responsibilities; reporting requirement.

§ 792.206 Payment of subsidies.

(a) Before funds may be obligated as provided in this subpart, an agency intending to initiate a child care subsidy program must provide notice to the Subcommittees on Financial Services and General Government of the House and Senate Appropriations Committees, as well as to OPM.

(a) Payment of child care subsidies must be made directly to child care providers, unless one of the following exceptions applies:

(1) In overseas locations, the agency may pay the employee if the provider deals only in foreign currency.

(2) In unique circumstances, an agency may obtain written permission from OPM to pay the employee directly.

(b) Agencies must notify the committees referred to in paragraph (a) of this section and OPM annually of their intention to provide child care subsidies. Funds may be obligated immediately after the notifications have been made.

(b) An agency may make advance payments to a child care provider in certain circumstances, such as when the provider requires payment up to one month in advance of rendering services. An agency may not make advance payments for more than one month before the employee receives child care services except where an agency has contracted with another entity to administer the child care subsidy program, in which case the agency may advance payments to the entity administering the program as long as the requirements in § 792.205(b) are met.

(c) Agencies are responsible for tracking the utilization of their funds and reporting the results to OPM in a manner prescribed by OPM.

(d) OPM will produce a biannual report on agencies’ use of the authority to pay child care subsidies; however, OPM will collect annual data from the agencies.
