#### Subpart A—Appraisals Generally

##### § 323.1 Authority, purpose, and scope.

(a) *Authority.* This subpart is issued under 12 U.S.C. 1818, 1819 [“Seventh” and “Tenth”] and title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (“FIRREA”) (Pub. L. 101-73, 103 Stat. 183, 12 U.S.C. 3331 *et seq.* (1989)).

(b) *Purpose and scope.* (1) title XI provides protection for federal financial and public policy interests in real estate related transactions by requiring real estate appraisals used in connection with federally related transactions to be performed in writing, in accordance with uniform standards, by ap-

praisers whose competency has been demonstrated and whose professional conduct will be subject to effective supervision. This subpart implements the requirements of title XI and applies to all federally related transactions entered into by the FDIC or by institutions regulated by the FDIC (*regulated institutions*).

(2) This subpart: (i) Identifies which real estate-related financial transactions require the services of an appraiser;

(ii) Prescribes which categories of federally related transactions shall be appraised by a State certified appraiser and which by a State licensed appraiser; and

(iii) Prescribes minimum standards for the performance of real estate appraisals in connection with federally related transactions under the jurisdiction of the FDIC.

Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

(1) Buyer and seller are typically motivated;

(2) Both parties are well informed or well advised, and acting in what they consider their own best interests;

(3) A reasonable time is allowed for exposure in the open market;

In addition, the Appraisal Subcommittee must not have issued a finding that the policies, practices, or procedures of a State or territory are inconsistent with title XI of FIRREA. #### **§ 323.3 Appraisals required; transactions requiring a State certified or licensed appraiser.**

(a) *Appraisals required.* An appraisal performed by a State certified or licensed appraiser is required for all real estate-related financial transactions except those in which:

(1) The transaction value is \$250,000 or less;

(2) A lien on real estate has been taken as collateral in an abundance of caution;

(3) The transaction is not secured by real estate;

(4) A lien on real estate has been taken for purposes other than the real estate's value;

(5) The transaction is a business loan that:

(i) Has a transaction value of \$1 million or less; and

(ii) Is not dependent on the sale of, or rental income derived from, real estate as the primary source of repayment;

(6) A lease of real estate is entered into, unless the lease is the economic equivalent of a purchase or sale of the leased real estate;

(7) The transaction involves an existing extension of credit at the lending institution, provided that:

(i) There has been no obvious and material change in market conditions or physical aspects of the property that threatens the adequacy of the institution's real estate collateral protection after the transaction, even with the advancement of new monies; or

(ii) There is no advancement of new monies, other than funds necessary to cover reasonable closing costs;

(8) The transaction involves the purchase, sale, investment in, exchange of, or extension of credit secured by, a loan or interest in a loan, pooled loans, or interests in real property, including mortgage-backed securities, and each loan or interest in a loan, pooled loan,

or real property interest met FDIC regulatory requirements for appraisals at the time of origination;

(9) The transaction is wholly or partially insured or guaranteed by a United States government agency or United States government sponsored agency;

(10) The transaction either:

(i) Qualifies for sale to a United States government agency or United States government sponsored agency; or

(ii) Involves a residential real estate transaction in which the appraisal conforms to the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation appraisal standards applicable to that category of real estate;

(11) The regulated institution is acting in a fiduciary capacity and is not required to obtain an appraisal under other law; or

(12) The FDIC determines that the services of an appraiser are not necessary in order to protect Federal financial and public policy interests in real estate-related financial transactions or to protect the safety and soundness of the institution.

(b) *Evaluations required.* For a transaction that does not require the services of a State certified or licensed appraiser under paragraph (a)(1), (a)(5) or (a)(7) of this section, the institution shall obtain an appropriate evaluation of real property collateral that is consistent with safe and sound banking practices.

(c) *Appraisals to address safety and soundness concerns.* The FDIC reserves the right to require an appraisal under this subpart whenever the agency believes it is necessary to address safety and soundness concerns.

(d) *Transactions requiring a State certified appraiser—*(1) *All transactions of \$1,000,000 or more.* All federally related transactions having a transaction value of \$1,000,000 or more shall require an appraisal prepared by a State certified appraiser.

(2) *Nonresidential transactions of \$250,000 or more.* All federally related transactions having a transaction value of \$250,000 or more, other than those involving appraisals of 1-to-4

## § 323.5

family residential properties, shall require an appraisal prepared by a State certified appraiser.

(3) *Complex residential transactions of \$250,000 or more.* All complex 1-to-4 family residential property appraisals rendered in connection with federally related transactions shall require a State certified appraiser if the transaction value is \$250,000 or more. A regulated institution may presume that appraisals of 1-to-4 family residential properties are not complex, unless the institution has readily available information that a given appraisal will be complex. The regulated institution shall be responsible for making the final determination of whether the appraisal is complex. If during the course of the appraisal a licensed appraiser identifies factors that would result in the property, form of ownership, or market conditions being considered atypical, then either:

(i) The regulated institution may ask the licensed appraiser to complete the appraisal and have a certified appraiser approve and co-sign the appraisal; or

(ii) The institution may engage a certified appraiser to complete the appraisal.

(e) *Transactions requiring either a State certified or licensed appraiser.* All appraisals for federally related transactions not requiring the services of a State certified appraiser shall be prepared by either a State certified appraiser or a State licensed appraiser.

(f) *Effective date.* Regulated institutions are required to use state certified or licensed appraisers as set forth in this section no later than December 31, 1992, unless otherwise required by law.

[55 FR 33888, Aug. 20, 1990, as amended at 57 FR 9050, Mar. 16, 1992; 59 FR 29501, June 7, 1994; 80 FR 32684, June 9, 2015]

### § 323.4 Minimum appraisal standards.

For federally related transactions, all appraisals shall, at a minimum:

(a) Conform to generally accepted appraisal standards as evidenced by the Uniform Standards of Professional Appraisal Practice (USPAP) promulgated by the Appraisal Standards Board of the Appraisal Foundation, 1029 Vermont Ave., NW., Washington, DC 20005, unless principles of safe and

sound banking require compliance with stricter standards;

(b) Be written and contain sufficient information and analysis to support the institution's decision to engage in the transaction;

(c) Analyze and report appropriate deductions and discounts for proposed construction or renovation, partially leased buildings, non-market lease terms, and tract developments with unsold units;

(d) Be based upon the definition of market value as set forth in this subpart; and

(e) Be performed by State licensed or certified appraisers in accordance with requirements set forth in this subpart.

[59 FR 29502, June 7, 1994, as amended at 80 FR 32684, June 9, 2015]

### § 323.5 Appraiser independence.

(a) *Staff appraisers.* If an appraisal is prepared by a staff appraiser, that appraiser must be independent of the lending, investment, and collection functions and not involved, except as an appraiser, in the federally related transaction, and have no direct or indirect interest, financial or otherwise, in the property. If the only qualified persons available to perform an appraisal are involved in the lending, investment, or collection functions of the regulated institution, the regulated institution shall take appropriate steps to ensure that the appraisers exercise independent judgment and that the appraisal is adequate. Such steps include, but are not limited to, prohibiting an individual from performing appraisals in connection with federally related transactions in which the appraiser is otherwise involved and prohibiting directors and officers from participating in any vote or approval involving assets on which they performed an appraisal.

(b) *Fee appraisers.* (1) If an appraisal is prepared by a fee appraiser, the appraiser shall be engaged directly by the regulated institution or its agent, and have no direct or indirect interest, financial or otherwise, in the property or the transaction.

(2) A regulated institution also may accept an appraisal that was prepared by an appraiser engaged directly by another financial services institution, if:

## § 323.6

(i) The appraiser has no direct or indirect interest, financial or otherwise, in the property or the transaction; and

(ii) The regulated institution determines that the appraisal conforms to the requirements of this subpart and is otherwise acceptable.

[55 FR 33888, Aug. 20, 1990, as amended at 59 FR 29502, June 7, 1994; 80 FR 32684, June 9, 2015]

### § 323.6 Professional association membership; competency.

(a) *Membership in appraisal organizations.* A State certified appraiser or a State licensed appraiser may not be excluded from consideration for an assignment for a federally related transaction solely by virtue of membership or lack of membership in any particular appraisal organization.

(b) *Competency.* All staff and fee appraisers performing appraisals in connection with federally related transactions must be State certified or licensed, as appropriate. However, a State certified or licensed appraiser may not be considered competent solely by virtue of being certified or licensed. Any determination of competency shall be based upon the individual's experience and educational background as they relate to the particular appraisal assignment for which he or she is being considered.

### § 323.7 Enforcement.

Institutions and institution-affiliated parties, including staff appraisers and fee appraisers, may be subject to removal and/or prohibition orders, cease and desist orders, and the imposition of civil money penalties pursuant to the Federal Deposit Insurance Act, 12 U.S.C. 1811 *et seq.*, as amended, or other applicable law.

(b) *Purpose.* The purpose of this subpart is to implement sections 1109, 1117, 1121, and 1124 of FIRREA Title XI, 12 U.S.C. 3338, 3346, 3350, and 3353.

(c) *Scope.* This subpart applies to States and to appraisal management companies (AMCs) providing appraisal management services in connection with consumer credit transactions secured by a consumer's principal dwelling or securitizations of those transactions.

(d) *Rule of construction.* Nothing in this subpart should be construed to prevent a State from establishing requirements in addition to those in this subpart. In addition, nothing in this subpart should be construed to alter guidance in, and applicability of, the Interagency Appraisal and Evaluation Guidelines<sup>1</sup> or other relevant agency guidance that cautions banks, bank holding companies, Federal savings associations, state savings association, and credit unions, as applicable, that each such entity is accountable for overseeing the activities of third-party service providers and ensuring that any services provided by a third party comply with applicable laws, regulations, and supervisory guidance applicable directly to the financial institution.

(d) The period for purposes of counting appraisers on an AMC's appraiser panel may be the calendar year or a 12-month period established by law or rule of each State with which the AMC is required to register.

### § 323.11 Appraisal management company registration.

Each State electing to register AMCs pursuant to paragraph (b)(1) of this section must:

(5) Establish and comply with processes and controls reasonably designed to ensure that the AMC conducts its appraisal management services in accordance with the requirements of section 129E(a)-(i) of the Truth in Lending Act, 15 U.S.C. 1639e(a)-(i), and regulations thereunder.

### **§ 323.12 Ownership limitations for State-registered appraisal management companies.**

(a) *Appraiser certification or licensing of owners.* (1) An AMC subject to State registration pursuant to this section shall not be registered by a State or included on the AMC National Registry if such AMC, in whole or in part, directly or indirectly, is owned by any person who has had an appraiser license or certificate refused, denied, cancelled, surrendered in lieu of revocation, or revoked in any State for a substantive cause, as determined by the appropriate State appraiser certifying and licensing agency.

(2) An AMC subject to State registration pursuant to this section is not barred by § 323.11(a)(1) from being registered by a State or included on the AMC National Registry if the license or certificate of the appraiser with an ownership interest was not revoked for a substantive cause and has been reinstated by the State or States in which the appraiser was licensed or certified.
