

Small Business Administration

§ 124.509

(ii) In order for a Participant to establish a bona fide place of business in a particular geographic location, the SBA district office serving the geographic area of that location must determine if that location in fact qualifies as a bona fide place of business under SBA's requirements.

(A) A Participant must submit a request for a bona fide business determination to the SBA district office servicing it.

(B) The servicing district office will forward the request to the SBA district office serving the geographic area of the particular location for processing.

(iii) The effective date of a bona fide place of business is the date that the evidence (paperwork) shows that the business in fact regularly maintained its business at the new geographic location.

(iv) In order for a Participant to be eligible to submit an offer for a 8(a) procurement limited to a specific geographic area, it must receive from SBA a determination that it has a bona fide place of business within that area prior to submitting its offer for the procurement.

(3) *Competition for all non-construction requirements.* Except for construction requirements, all eligible Participants regardless of location may submit offers in response to competitive 8(a) solicitations. The only geographic restrictions pertaining to 8(a) competitive requirements, other than those for construction requirements, are any imposed by the solicitations themselves.

(d) *Award to firms whose program terms have expired.* A concern that has completed its term of participation in the 8(a) BD program may be awarded a competitive 8(a) contract if it was a Participant eligible for award of the contract on the initial date specified for receipt of offers contained in the contract solicitation, and if it continues to meet all other applicable eligibility criteria.

(1) Amendments to the solicitation extending the date for submissions of offers will be disregarded.

Example to paragraph (d)(1). The program term for 8(a) Participant X is scheduled to expire on December 19. A solicitation for a competitive 8(a) procurement specifies that initial offers are due on December 15. The

procuring activity amends the solicitation to extend the date for the receipt of offers to January 5. X submits its offer on January 5 and is selected as the apparent successful offeror. X is eligible for award because it was an eligible 8(a) Participant on the initial date set forth in the solicitation for the receipt of offers.

(2) For a negotiated procurement, a Participant may submit revised offers, including a best and final offer, and be awarded a competitive 8(a) contract if it was eligible as of the initial date specified for the receipt of offers in the solicitation, even though its program term may expire after that date.

§ 124.508 How is an 8(a) contract executed?

(a) An 8(a) contract can be awarded in the following ways:

(1) As a tripartite agreement in which the procuring activity, SBA and the Participant all sign the appropriate contract documents. There may be separate prime and subcontract documents (i.e., a prime contract between the procuring activity and SBA and a subcontract between SBA and the selected 8(a) concern) or a combined contract document representing both the prime and subcontract relationships; or

(2) Where SBA has delegated contract execution authority to the procuring activity, directly by the procuring activity through a contract between the procuring activity and the Participant.

(b) Where SBA receives a contract for signature valued at or below the simplified acquisition threshold, it will sign the contract and return it to the procuring activity within three (3) days of receipt.

(c) In order to be eligible to receive a sole source 8(a) contract, a firm must be a current Participant on the date of award. (See § 124.507(d) for competitive 8(a) awards.)

§ 124.509 What are non-8(a) business activity targets?

(a) *General.* (1) To ensure that Participants do not develop an unreasonable reliance on 8(a) awards, and to ease their transition into the competitive marketplace after graduating from
