Subpart A—General Provisions

§ 0.735-1 Purpose.

The purpose of this part is to set forth Department of Commerce policy and procedure relating to employee responsibilities and conduct.

§ 0.735-2 Cross-references to ethical conduct, financial disclosure, and other applicable regulations.

Employees of the Department of Commerce should refer to the executive branch-wide Standards of Ethical Conduct at 5 CFR part 2635 and the executive branch-wide financial disclosure regulations at 5 CFR part 2634.

[68 FR 24879, May 9, 2003]

§ 0.735-3 Applicability.

This part applies to all persons included within the term “employee” as defined in § 0.735-4, except as otherwise provided in this part.

§ 0.735-4 Definitions.

For purposes of this part, except as otherwise indicated in this part:

(a) *Employee*. (1) Shall include: (i) Every officer and employee of the Department of Commerce (regardless of location), including commissioned officers of the Environmental Science Services Administration; and

(ii) Every other person who is retained, designated, appointed, or employed by a Federal officer or employee, who is engaged in the performance of a function of the Department under authority of law or an Executive act, and who is subject to the supervision of a Federal officer or employee while engaged in the performance of the duties of his position not only as to what he does but also as to how he performs his duties, regardless of whether the relationship to the Department is created by assignment, detail, contract, agreement or otherwise.

(2) Shall not include: (i) Members of the Executive Reserve except when they are serving as employees of the

§0.735-10

Department under the circumstances described in paragraph (a)(1) of this section;

(ii) Members of crews of vessels owned or chartered to the Government and operated by or for the Maritime Administration under a General Agency Agreement; or

(iii) Any other person who is determined legally not to be an officer or employee of the United States.

(b) *Special Government employee* shall mean an employee as defined in paragraph (a) of this section who is retained, designated, appointed, or employed to perform with or without compensation, for not to exceed 130 days during any period of 365 consecutive days, temporary duties on either a full-time or intermittent basis.

(c) *Personnel officer* means a personnel official to whom the power of appointment is redelegated under Administrative Order 202-250.

(d) *Operating unit* means, for purposes of this part, primary and constituent operating units designated as such in the Department Order Series of the Department of Commerce and, in addition, the Office of the Secretary.

(e) *Head of an operating unit*, for the purposes of this part, includes the Assistant Secretary for Administration with respect to the performance of functions under this part for the Office of the Secretary.

Subparts B-C [Reserved]

Subpart D—Regulatory Limitations Upon Employee Conduct

§0.735-10 Administrative extension of statutory limitations.

The provisions of the statutes identified in this part which relate to the ethical and other conduct of Federal employees are adopted and will be enforced as administrative regulations, violations of which may in appropriate cases be the basis for disciplinary action, including removal. The fact that a statute which may relate to employee conduct is not identified in this part does not mean that it may not be the basis for disciplinary action against an employee.

15 CFR Subtitle A (1-1-17 Edition)

§§ 0.735-10a—0.735-15 [Reserved]

§0.735-16 Indebtedness.

(a) An employee shall pay each just financial obligation in a proper and timely manner, especially one imposed by law such as Federal, State, or local taxes. For purposes of this section, “a just financial obligation” means one acknowledged by the employee or reduced to judgment by a court, and “in a proper and timely manner” means in a manner which, in the view of the Department, does not, under the circumstances, reflect adversely on the Government as his employer.

(b) In the event of dispute between an employee and an alleged creditor, this section does not require the Department to determine the validity or amount of the disputed debt.

§0.735-17 Gambling, betting, and lotteries.

An employee shall not participate while on Government-owned or leased property or while on duty for the Government, in any gambling activity including the operation of a gambling device, in conducting a lottery or pool, in a game for money or property or in selling or purchasing a numbers slip or ticket. However, this section does not preclude activities

(a) Necessitated by an employee’s law enforcement duties, or

(b) Under section 3 of Executive Order 10927 (relating to solicitations conducted by organizations composed of civilian employees or members of the armed forces among their own members for organizational support or for benefit or welfare funds for their own members) and similar agency-approved activities.

§0.735-18 General conduct prejudicial to the Government.

(a) *General policy.* Officers and employees of the Federal Government are servants of the people. Because of this, their conduct must, in many instances, be subject to more restrictions and to higher standards than may be the case in certain private employments. They are expected to conduct themselves in a manner which will reflect favorably upon their employer. Although the

Government is not particularly interested in the private lives of its employees, it does expect them to be honest, reliable, trustworthy, and of good character and reputation. They are expected to be loyal to the Government, and to the department or agency in which they are employed.

(b) *Specific policy.* An employee shall not engage in criminal, infamous, dishonest, immoral, or notoriously disgraceful conduct, or other conduct prejudicial to the Government.

(c) *Regulations applicable to public buildings and grounds.* Each employee is responsible for knowing and complying with regulations of the General Services Administration and of the Department of Commerce applicable to public buildings and grounds.

§ 0.735-19 Reporting undue influence to superiors.

Each employee shall report to his superior any instance in which another person inside or outside the Federal Government uses or attempts to use undue influence to induce, by reason of his official Government position, former Government employment, family relationship, political position, or otherwise, the employee to do or omit to do any official act in derogation of his official duty.

Subpart E [Reserved]

§ 0.735-34 Effective date of supplementary regulations.

(j) Take action to impress upon each employee required to submit a statement of employment and financial interests, upon his supervisor, and upon employees with whom the employee works, their responsibility as follows:

(1) The employee's supervisor is responsible (i) for excluding from the range of duties of the employee any contracts or other transactions between the Government and his outside employer, clients, or entities in which he has an interest within the purview of this part, and (ii) for overseeing the employee's activities in order to insure that the public interest is protected from improper conduct on his part and that he will not, through ignorance or inadvertence, embarrass the Government or himself.

(b) Where the statement raises any question of compliance with the requirements of this part, it shall be submitted to a deputy counselor for the organization unit concerned. In the case of a new employee appointed after the foregoing notification, notification shall be made at the time of his entrance on duty.

(d) In each operating unit a deputy counselor shall advise and counsel each employee concerning any adjustments necessary in his financial interests or activities, or in any contemplated interests or activities, in order to meet the requirements established by or pursuant to this part.

Reports concerning such requests, if approved, shall be forwarded to the program Secretarial Officer concerned and to the Assistant Secretary for Administration by the head of the operating unit concerned.

Subpart H—Disciplinary Actions Concerning Post-Employment Conflict of Interest Violations

AUTHORITY: 18 U.S.C. 207(j); 5 CFR 737.27.

SOURCE: 49 FR 32057, Aug. 10, 1984; 50 FR 928, Jan. 8, 1985, unless otherwise noted.

§ 0.735-42 Scope.

(a) These regulations establish procedures for imposing sanctions against a former employee for violating the post-employment restrictions of the conflict of interest laws and regulations set

forth in 18 U.S.C. 207 and 5 CFR Part 737. These procedures are established pursuant to the requirement in 18 U.S.C. 207(j). The General Counsel is responsible for resolving questions on the legal interpretation of 18 U.S.C. 207 or regulations issued thereunder and for advising employees on these provisions.

(b) For purposes of this subpart, (1) “Former employee” means a former Government employee as defined in 5 CFR 737.3(a)(4) who had served in the Department;

(2) “Lesser included sanctions” means sanctions of the same type but more limited scope as the proposed sanction; thus a bar on communication with an operating unit is a lesser included sanction of a proposed bar on communication with the Department and a bar on communication for one year is a lesser included sanction of a proposed five year bar;

(3) “Assistant Secretary” means the Assistant Secretary for Administration or designee;

(4) “Director” means the Director for Personnel and Civil Rights, Office of the Secretary, or designee;

(5) “Inspector General” and “General Counsel” include any persons designated by them to perform their functions under this subpart; and

(6) “Days” means calendar days except that a dead-line which falls on a weekend or holiday shall be extended to the next working day.

§ 0.735-43 Report of violations and investigation.

(a) If an employee has information which indicates that a former employee has violated any provisions of 18 U.S.C. 207 or regulations thereunder, that employee shall report such information to the Inspector General.

(b) Upon receiving information as set forth in paragraph (a) of this section from an employee or any other person, the Inspector General, upon a determination that it is nonfrivolous, shall expeditiously provide the information to the Director, Office of Government Ethics, and to the Criminal Division, Department of Justice. The Inspector General shall coordinate any investigation under this subpart with the Department of Justice, unless the Depart-

ment of Justice informs the Inspector General that it does not intend to initiate criminal prosecution.

(c) All investigations under this subpart shall be conducted in such a way as to protect the privacy of former employees. To ensure this, to the extent reasonable and practical, any information received as a result of an investigation shall remain confidential except as necessary to carry out the purposes of this subpart, including the conduct of an investigation, hearing, or judicial proceeding arising thereunder, or as may be required to be released by law.

(d) The Inspector General shall report the findings of the investigation to the Director.

§ 0.735-44 Initiation of proceedings.

If the Director determines, after an investigation by the Inspector General, that there is reasonable cause to believe that a former employee has violated post-employment statutes or regulations, the Director shall initiate administrative proceedings under this subpart by proposing sanctions against the former employee and by providing notice to the former employee as set forth in § 0.735-45.

§ 0.735-45 Notice.

(a) The Director shall notify the former employee of the proposed disciplinary action in writing by registered or certified mail, return receipt requested, or by any means which gives actual notice or is reasonably calculated to give actual notice. Notice shall be considered received if sent to the last known address of the former employee.

(b) The notice shall include:

(1) A statement of allegations and the basis thereof sufficiently detailed to enable the former employee to prepare a defense;

(2) A statement that the former employee is entitled to a hearing if requested within 20 days from date of notice;

(3) An explanation of the method by which the former employee may request a hearing under this subpart including the name, address, and telephone number of the person to contact if there are further questions;

§ 0.735-46

(4) A statement that the former employee has the right to submit documentary evidence to the Director if a hearing is not requested and an explanation of the method of submitting such evidence and the date by which it must be received; and

(5) A statement of the sanctions which have been proposed.

§ 0.735-46 Hearing.

(a) *Examiner.* (1) Upon timely receipt of a request for a hearing, the Director shall refer the matter to the Assistant Secretary who shall appoint an examiner to conduct the hearing and render an initial decision.

(2) The examiner shall be impartial, shall not be an individual who has participated in any manner in the decision to initiate the proceedings, and shall not have been employed under the immediate supervision of the former employee or have been employed under a common immediate supervisor. The examiner shall be admitted to practice law and have suitable experience and training to conduct the hearing, reach a determination and render an initial decision in an equitable manner.

(b) *Time, date, and place.* The hearing shall be conducted at a reasonable time, date, and place as set by the examiner. In setting the date, the examiner shall give due regard to the need for both parties to adequately prepare for the hearing and the importance of expeditiously resolving allegations that may be damaging to the former employee's reputation.

(c) *Former employee's rights.* At a hearing, the former employee shall have the right:

(1) To represent himself or herself or to be represented by counsel,

(2) To introduce and examine witnesses and to submit physical evidence,

(3) To confront and cross-examine adverse witnesses,

(4) To present oral argument, and

(5) To receive a transcript or recording of the proceedings, on request.

(d) *Procedure and evidence.* In a hearing under this subpart, the Federal Rules of Evidence and Civil Procedure do not apply but the examiner shall exclude irrelevant or unduly repetitious evidence and all testimony shall be taken under oath or affirmation. The

15 CFR Subtitle A (1-1-17 Edition)

examiner may make such orders and determinations regarding the admissibility of evidence, conduct of examination and cross-examination, and similar matters which the examiner deems necessary or appropriate to ensure orderliness in the proceedings and fundamental fairness to the parties. There shall be no discovery unless agreed to by the parties and ordered by the examiner. The hearing shall not be open to the public unless the former employee or the former employee's representative waives the right to a closed hearing, in which case the examiner shall determine whether the hearing will be open to the public.

(e) *Ex-parte communications.* The former employee, the former employee's representative, and the agency representative shall not make any ex-parte communications to the examiner concerning the merits of the allegations against the former employee prior to the issuance of the initial decision.

(f) *Initial decision.* (1) The proposed sanctions shall be sustained in an initial decision upon a determination by the examiner that the preponderance of the evidence indicated a violation of post-employment statutes or regulations.

(2) The examiner shall issue an initial decision which is based exclusively on the transcript of testimony and exhibits together with all papers and requests filed in connection with the proceeding and which sets forth all findings of fact and conclusions of law relevant to the matter at issue.

(3) The initial decision shall become final thirty days after issuance if there has been no appeal filed under § 0.735-48.

§ 0.735-47 Decision absent a hearing.

(a) If the former employee does not request a hearing in a timely manner, the Director shall make an initial decision on the basis of information compiled in the investigation, and any submissions made by the former employee.

(b) The proposed sanction or a lesser included sanction shall be imposed if the record indicates a violation of post-employment statutes or regulations by a preponderance of the evidence.

(c) The initial decision shall become final thirty days after issuance if there has been no appeal filed under §0.735-48.

§ 0.735-48 Administrative appeal.

(a) Within 30 days after issuance of the initial decision, either party may appeal the initial decision or any portion thereof to the Assistant Secretary. The opposing party shall have 20 days to respond.

(b) If an appeal is filed, the Assistant Secretary shall issue a final decision which shall be based solely on the record, or portions thereof cited by the parties to limit issues, and the appeal and response. The Assistant Secretary shall also decide whether to impose the proposed sanction or a lesser included sanction.

(c) If the final decision modifies or reverses the initial decision, it shall state findings of fact and conclusions of law which differ from the initial decision.

§ 0.735-49 Sanctions.

(a) If there has been a final determination that the former employee has violated post-employment statutes or regulations, the Director shall impose, subject to the authority of the Assistant Secretary under §0.735-48(b), the sanction which was proposed in the notice to the former employee or a lesser included sanction.

APPENDIX A TO PART 0—STATUTES GOVERNING CONDUCT OF FEDERAL EMPLOYEES

.02 Section 201 also prohibits a public official's solicitation or acceptance of, or agreement to take, a bribe. In addition, it forbids offers or payments to, and solicitations or receipt by, a public official of anything of value "for or because of" any official act performed or to be performed by him.

.03 Section 201 further prohibits the offering to or the acceptance by a witness of anything of value involving intent to influence his testimony at a trial, Congressional hearing, or agency proceeding. A similar provision applies to witnesses "for or because of" testimony given or to be given. The provisions summarized in this section do not preclude lawful witness fees, travel and subsistence expenses, or reasonable compensation for expert testimony.

B. COMPENSATION TO OFFICERS AND EMPLOYEES IN MATTERS AFFECTING THE GOVERNMENT

.03 Section 205 does not preclude:

a. An employee, if not inconsistent with faithful performance of his duties, from acting without compensation as agent or attorney for any person who is the subject of disciplinary, loyalty, or other personnel administration proceedings, in connection with those proceedings; or

Subpart A—Freedom of Information Act

§ 4.1 General provisions.

(a) The information in this part is furnished for the guidance of the public and in compliance with the requirements of the Freedom of Information Act (FOIA), as amended (5 U.S.C. 552). This part sets forth the procedures the Department of Commerce (Department) and its components follow to make publicly available materials and indices specified in 5 U.S.C. 552(a)(2) and records requested under 5 U.S.C. 552(a)(3). Information routinely provided to the public as part of a regular Department activity (for example, press releases issued by the Office of Public Affairs) may be provided to the public without following this part. In addition, as a matter of policy, the Department shall make discretionary releases of records or information exempt from disclosure under the FOIA when required to do so in accordance with current law and/or Executive Branch policy. This policy does not create any right enforceable in court.

(b) As used in this subpart, *component* means any office, division, bureau or other unit of the Department listed in Appendix A to this part (except that a

regional office of a larger office or other unit does not constitute a separate component).

(c) The Office of Government Information Services (OGIS) within the National Archives and Records Administration offers mediation services to resolve disputes between requesters and agencies as a non-exclusive alternative to litigation. Requesters with concerns about the handling of their requests may contact OGIS.

§ 4.2 Public reading rooms.

(a) Records that the FOIA requires to be made available for public inspection and copying are accessible electronically through the Department's "Electronic FOIA Library" on the Department's Web site, <http://www.doc.gov>, which includes links to Web sites for those components that maintain Electronic FOIA Libraries. These records may also be accessible at the FOIAonline Web site, <http://foiaonline.regulations.gov>. Each component of the Department is responsible for determining which of its records are required to be made available, as well as identifying additional records of interest to the public that are appropriate for disclosure, and for making those records available either in its own Electronic Library or in the Department's central Electronic FOIA Library. Components that maintain their own Electronic FOIA Library are designated as such in Appendix A to this part. Each component shall also maintain and make available electronically a current subject-matter index of the records made available electronically. Each component shall ensure that posted records and indices are updated regularly, at least quarterly.

(b) If the requester does not have access to the Internet and wishes to obtain information regarding publicly available information, he or she may contact the component's FOIA office. Appendix A to this part contains the contact information for the components' FOIA offices. Some components may also maintain physical public reading rooms. These components and their contact information are listed in Appendix A to this part.

§ 4.3

(c) The Department and its components shall maintain and make available electronically for public inspection:

(1) A current index providing information for the public as to any matter that is issued, adopted, or promulgated after July 4, 1997, and that is retained as a record and is required to be made available or published. Copies of the index are available upon request after payment of the direct cost of duplication;

(2) Copies of records that have been released and that the component that maintains them determines, because of their subject matter, have become or are likely to become the subject of subsequent requests for substantially the same records;

(3) A general index of the records described in paragraph (c)(2) of this section;

(4) Final opinions and orders, including concurring and dissenting opinions made in the adjudication of cases;

(5) Those statements of policy and interpretations that have been adopted by a component and are not published in the FEDERAL REGISTER; and

(6) Administrative staff manuals and instructions to staff that affect a member of the public.

§ 4.3 Records under the FOIA.

(a) Records under the FOIA include all Government records, regardless of format, medium or physical characteristics, and electronic records and information, audiotapes, videotapes, Compact Disks, DVDs, and photographs.

(b) In response to a FOIA request, the Department has no obligation to create, compile, or obtain from outside the Department a record to satisfy a request (for example, extrapolating information from existing agency records, reformatting available information, preparing new electronic programs or databases, or creating data through calculations of ratios, proportions, percentages, trends, frequency distributions, correlations, or comparisons). In complying with a request for records (including data and other electronically-stored information), whether the Department creates or compiles records (as by undertaking

15 CFR Subtitle A (1–1–17 Edition)

significant programming work) or merely extracts them from an existing database is fact dependent. The Department shall undertake reasonable efforts to search for records stored in electronic format (including data and other electronically-stored information).

(c) Department officials may, upon request, create and provide new records to the public pursuant to statutes that authorize the creation and provision of new records for a fee, such as the first paragraph of 15 U.S.C. 1525, or in accordance with authority otherwise provided by law. Such creation and provision of records is outside the scope of the FOIA.

(d) Components shall preserve all correspondence pertaining to the requests they receive under this subpart, as well as copies of all requested records, until disposition or destruction is authorized by Title 44 of the United States Code or the National Archives and Records Administration's General Records Schedule 14. Components shall not dispose of records while they are the subject of a pending request, appeal, or lawsuit under the FOIA.

[66 FR 65632, Dec. 20, 2001, as amended at 79 FR 62558, Oct. 20, 2014]

§ 4.4 Requirements for making requests.

(a) *How made and addressed.* The Department has a decentralized system for responding to FOIA requests, with each component designating a FOIA office to process records from that component. All components have the capability to receive requests electronically either through electronic mail (email) or the FOIAonline Web site, <http://www.foiaonline.regulations.gov>. A request for Department records that are not customarily made available to the public as part of the Department's regular informational services (or pursuant to a user fee statute), must be in writing and shall be processed under the FOIA, regardless of whether the FOIA is mentioned in the request. Requests must include the requester's full name and a legible return address. Requesters may also include other contact information, such as an email address and a telephone number. For the

quickest handling, the request (and envelope, if the request is mailed or hand delivered) should be marked “Freedom of Information Act Request.” Requests may be submitted by U.S. mail, delivery service, email, facsimile, or online at the FOIAonline Web site, <http://foiaonline.regulations.gov>. Requests made by mail, delivery service, email, or facsimile should be sent to the Department component identified in Appendix A to this part that maintains those records requested, and should be sent to the addresses, email addresses, or numbers listed in Appendix A to this part or the Department’s Web site, <http://www.doc.gov>.¹ If the proper component cannot be determined, the request should be sent to the central facility identified in Appendix A to this part. The central facility will forward the request to the component(s) it believes most likely to have the requested records. Requests will be considered received for purposes of the 20-day time limit of § 4.6 as of the date it is received by the proper component’s FOIA office.

(b) *Requests for records about an individual or oneself.* For requests for records about oneself, § 4.24 of this part contains additional requirements. For requests for records about another individual, either written authorization signed by the individual permitting disclosure of his or her records to the requester or proof that the individual is deceased (for example, a copy of a death certificate or an obituary) will facilitate processing the request.

(c) *Description of records sought.* A FOIA request must reasonably describe the agency records sought, to enable Department personnel to locate them with a reasonable amount of effort. Whenever possible, a request should include specific information about each record sought, such as the date, title or name, author, recipient, and subject matter of the record, and the name and location of the office where the record

might be found. In addition, if records about a court case are sought, the title of the case, the court in which the case was filed, and the nature of the case should be included. If known, any file designations or descriptions of the requested records should be included. As a general rule, the more specifically the request describes the records sought, the greater the likelihood that the Department will be able to locate those records. Before submitting their requests, requesters may contact the component’s FOIA contact to discuss the records they are seeking and to receive assistance in describing the records (contact information for these individuals is contained in Appendix A to this part and on the Department’s Web site, <http://www.doc.gov>). If a component determines that a request does not reasonably describe the records sought, it shall inform the requester what additional information is needed or how the request is otherwise insufficient, to enable the requester to modify the request to meet the requirements of this section. Requesters who are attempting to reformulate or modify such a request may discuss their request with the component’s designated FOIA contact. When a requester fails to provide sufficient detail within 30 calendar days after having been asked to reasonably describe the records sought, the component shall notify the requester in writing that the request has not been properly made, that no further action will be taken, and that the FOIA request is closed. Such a notice constitutes an adverse determination under § 4.7(d) for which components shall follow the procedures for a denial letter under § 4.7(e). In cases where a requester has modified his or her request, the date of receipt for purposes of the 20-day time limit of § 4.6 shall be the date of receipt of the modified request.

§ 4.5 Responsibility for responding to requests.

(a) *In general.* Except as stated in paragraph (b) of this section, the proper component of the Department to respond to a request for records is the

¹The United States Patent and Trademark Office (USPTO), which is established as an agency of the United States within the Department of Commerce, operates under its own FOIA regulations at 37 CFR part 102, subpart A. Accordingly, requests for USPTO records, and any appeals thereof, should be sent directly to the USPTO.

§4.6

component that first receives the request and has responsive records (or in the instance of where no records exist, the component that first receives the request and is likely to have responsive records), or the component to which the Departmental FOIA Officer or component FOIA Officer assigns lead responsibility for responding to the request. Where a component's FOIA office determines that a request was misdirected within the Department, the receiving component's FOIA office shall route the request to the FOIA office of the proper component(s). Records responsive to a request shall include those records within the Department's possession and control as of the date the Department begins its search for them.

(b) *Consultations and referrals.* When a component receives a request for a record (or a portion thereof) in its possession that originated with another Federal agency subject to the FOIA, the component shall refer the record to that agency for direct response to the requester (see §4.8 for additional information about referrals of classified information). In instances where a record is requested that originated with the Department and another Federal agency has a significant interest in the record (or a portion thereof), the component shall consult with that Federal agency before responding to a requester. When a component receives a request for a record (or a portion thereof) in its possession that originated with another Federal agency that is not subject to the FOIA, the component shall consult with that Federal agency before responding to the requester.

(c) *Notice of referral.* Whenever a component refers a record to another Federal agency for direct response to the requester, the component's FOIA Officer shall notify the requester in writing of the referral and inform the requester of the name of the agency to which the record was referred.

(d) *Timing of responses to consultations and referrals.* All consultations and referrals shall be handled in chronological order, based on when the FOIA request was received by the first Federal agency.

15 CFR Subtitle A (1-1-17 Edition)

(e) *Agreements regarding consultations and referrals.* Components may make agreements with other Federal agencies to eliminate the need for consultations or referrals for particular types of records.

[66 FR 65632, Dec. 20, 2001, as amended at 71 FR 31073, June 1, 2006; 79 FR 62559, Oct. 20, 2014]

§4.6 Time limits and expedited processing.

(a) *In general.* Components ordinarily shall respond to requests according to their order of receipt.

(b) *Initial response and appeal.* Unless the component and the requester have agreed otherwise, or when "unusual circumstances" exist as provided for in paragraph (d) of this section, a determination whether to comply with a FOIA request shall be made by components within 20 working days (*i.e.*, excluding Saturdays, Sundays, and legal public holidays) of the receipt of a request for a record under this part by the proper component identified in accordance with §4.5(a). In instances involving misdirected requests that are re-routed pursuant to §4.5(a), the response time shall commence on the date that the request is received by the proper component, but in any event not later than ten working days after the request is first received by any designated component. An administrative appeal, other than an appeal from a request made to the Office of the Inspector General, shall be decided within 20 working days of its receipt by the Office of the General Counsel. An administrative appeal from a request made to the Office of the Inspector General shall be decided within 20 working days of its receipt by the Office of the Inspector General Office of Counsel. The Department's failure to comply with the time limits identified in this paragraph constitutes exhaustion of the requester's administrative remedies for the purposes of judicial action to compel disclosure.

(c) *Clarification of request.* Components may seek a one-time clarification of a request for records under this part. The component's request for clarification must be in writing. When a

component seeks clarification of a request, the time for responding to a request set forth in § 4.6(b) is tolled until the requester responds to the clarification request. The tolled period will end when the component that sought the clarification receives a response from the requester. If a component asks for clarification and does not receive a written response from the requester within 30 calendar days from the date of the component's clarification request, the component will presume that the requester is no longer interested and notify the requester that the request will be closed.

(d) *Unusual circumstances.* (1) Components may extend the time period for processing a FOIA request only in "unusual circumstances," as described in paragraph (d)(2) of this section, in which the component shall, before expiration of the twenty-day period to respond, notify the requester of the extension in writing of the unusual circumstances involved and of the date by which processing of the request is expected to be completed. If the extension is for more than ten working days, the component shall provide the requester with an opportunity to modify the request or agree to an alternative time period for processing the original or modified request.

(2) For purposes of this section, *unusual circumstances* include:

(i) The need to search for and collect the requested agency records from field facilities or other establishments that are separate from the office processing the request;

(ii) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are the subject of a single request; or

(iii) The need to consult with another Federal agency having a substantial interest in the determination of the FOIA request or among two or more components of the Department having substantial subject-matter interest in the determination of the request.

(3) If a component reasonably believes that multiple requests submitted by a requester, or by a group of requesters acting in concert, constitute a single request that would otherwise involve unusual circumstances, and the

requests involve clearly related matters, the component may aggregate them. Multiple requests involving unrelated matters will not be aggregated.

(e) *Multi-track processing.* (1) A component must use two or more processing tracks by distinguishing between simple and more complex requests based on the amount of work and/or time needed to process the request, including the amount of pages involved, and whether the request qualifies for expedited processing as described in paragraph (f) of this section.

(2) A component using multi-track processing may provide requesters in its slower track(s) with an opportunity to limit the scope of their requests in order to qualify for faster processing. A component doing so shall contact the requester by telephone, email, letter, or through the FOIAonline Web site, <http://foiaonline.regulations.gov>, whichever is the most efficient in each case.

(f) *Expedited processing.* (1) Requests and appeals shall be taken out of order and given expedited treatment whenever it is determined that they involve:

(i) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;

(ii) The loss of substantial due process rights;

(iii) A matter of widespread and exceptional media interest involving questions about the Government's integrity which affect public confidence; or

(iv) An urgency to inform the public about an actual or alleged Federal Government activity, if made by a person primarily engaged in disseminating information.

(2) A request for expedited processing may be made at the time of the initial request for records or at any later time. For a prompt determination, a request for expedited processing should be sent to the component listed in Appendix A to this part that maintains the records requested.

(3) A requester who seeks expedited processing must submit a statement, certified to be true and correct to the best of that person's knowledge and belief, explaining in detail the basis for requesting expedited processing. For

§ 4.7

example, a requester within the category described in paragraph (f)(1)(iv) of this section, if not a full-time member of the news media, must establish that he or she is a person whose primary professional activity or occupation is information dissemination, though it need not be his or her sole occupation. A requester within the category described in paragraph (f)(1)(iv) of this section must also establish a particular urgency to inform the public about the Government activity involved in the request—one that extends beyond the public's right to know about Government activity generally. The existence of numerous articles published on a given subject can be helpful to establishing the requirement that there be an "urgency to inform" the public on a topic. As a matter of administrative discretion, a component may waive the formal certification requirement.

(4) Within ten calendar days of its receipt of a request for expedited processing, the proper component shall decide whether to grant it and shall notify the requester of the decision. Solely for purposes of calculating the foregoing time limit, any request for expedited processing shall always be considered received on the actual date of receipt by the proper component. If a request for expedited processing is granted, the request shall be given priority and processed as soon as practicable, subject to § 4.11(i). If a request for expedited processing is denied, any appeal of that decision shall be acted on expeditiously.

[66 FR 65632, Dec. 20, 2001, as amended at 79 FR 62559, Oct. 20, 2014]

§ 4.7 Responses to requests.

(a) *Acknowledgment of requests.* Upon receipt of a request, a component ordinarily shall send an acknowledgement letter to the requester which shall provide an assigned request number for further reference and, if necessary, confirm whether the requester is willing to pay fees.

(b) *Interim responses.* If a request involves voluminous records or requires searches in multiple locations, to the extent feasible, a component shall provide the requester with interim re-

15 CFR Subtitle A (1–1–17 Edition)

sponses consisting of fully releasable records.

(c) *Grants of requests.* If a component makes a determination to grant a request in whole or in part, it shall notify the requester in writing of such determination and disclose records to the requester promptly upon payment of any applicable fees. Records disclosed in part shall be marked or annotated to show the applicable FOIA exemption(s) and the amount of information deleted, unless doing so would harm an interest protected by an applicable exemption. The location of the information deleted shall also be indicated on the record, if feasible.

(d) *Adverse determinations of requests.* If a component makes an adverse determination regarding a request, it shall notify the requester of that determination in writing. An adverse determination is a denial of a request and includes decisions that: The requested record is exempt, in whole or in part; the request does not reasonably describe the records sought; the information requested is not a record subject to the FOIA; the requested record does not exist, cannot be located, or has previously been destroyed; or the requested record is not readily reproducible in the form or format sought by the requester. Adverse determinations also include denials involving fees or fee waiver matters or denials of requests for expedited processing.

(e) *Content of denial.* The denial letter shall be signed by an official listed in Appendix B to this part (or a designee), and shall include:

(1) The name and title or position of the person responsible for the denial;

(2) A brief statement of the reason(s) for the denial, including any FOIA exemption(s) applied by the component in denying the request;

(3) An estimate of the volume of any records or information withheld, by providing the number of pages or some other reasonable form of estimation. This estimate is not required if the volume is otherwise indicated by deletions marked on records that are disclosed in part, or if providing an estimate would harm an interest protected by an applicable FOIA exemption; and

(4) A statement that the denial may be appealed under § 4.10, and a list of

the requirements for filing an appeal set forth in § 4.10(b).

[79 FR 62560, Oct. 20, 2014]

§ 4.8 Classified information.

In processing a request for information classified under Executive Order 13526 or any other executive order concerning the classification of records, the information shall be reviewed to determine whether it should remain classified. Ordinarily the component or other Federal agency that classified the information should conduct the review, except that if a record contains information that has been derivatively classified by a component because it contains information classified by another component or agency, the component shall refer the responsibility for responding to the request to the component or agency that classified the underlying information. Information determined to no longer require classification shall not be withheld on the basis of FOIA exemption (b)(1) (5 U.S.C. 552(b)(1)), but should be reviewed to assess whether any other FOIA exemption should be invoked. Appeals involving classified information shall be processed in accordance with § 4.10(c).

[79 FR 62560, Oct. 20, 2014]

§ 4.9 Business Information.

(a) *In general.* Business information obtained by the Department from a submitter will be disclosed under the FOIA only under this section.

(b) *Definitions.* For the purposes of this section:

(1) *Business information* means commercial or financial information, obtained by the Department from a submitter, which may be protected from disclosure under FOIA exemption (b)(4) (5 U.S.C. 552(b)(4)).

(2) *Submitter* means any person or entity outside the Federal Government from which the Department obtains business information, directly or indirectly. The term includes corporations; state, local and tribal governments; and foreign governments.

(c) *Designation of business information.* A submitter of business information must use good-faith efforts to designate, by appropriate markings, either at the time of submission or at a rea-

sonable time thereafter, any portions of its submission that it considers to be protected from disclosure under FOIA exemption (b)(4). These designations will expire ten years after the date of the submission unless the submitter requests, and provides justification for, a longer period.

(d) *Notice to submitters.* A component shall provide a submitter with prompt written notice of a FOIA request or administrative appeal that seeks its business information whenever required under paragraph (e) of this section, except as provided in paragraph (h) of this section, in order to give the submitter an opportunity under paragraph (f) of this section to object to disclosure of any specified portion of that information. Such written notice shall be sent via certified mail, return receipt requested, or similar means. The notice shall either describe the business information requested or include copies of the requested records containing the information. If notification of a large number of submitters is required, notification may be made by posting or publishing the notice in a place reasonably likely to accomplish notification.

(e) *When notice is required.* Notice shall be given to the submitter whenever:

(1) The submitter has designated the information in good faith as protected from disclosure under FOIA exemption (b)(4); or

(2) The component has reason to believe that the information may be protected from disclosure under FOIA exemption (b)(4).

(f) *Opportunity to object to disclosure.* A component shall allow a submitter seven working days (*i.e.*, excluding Saturdays, Sundays, and legal public holidays) from the date of receipt of the written notice described in paragraph (d) of this section to provide the component with a statement of any objection to disclosure. The statement must identify any portions of the information the submitter requests to be withheld under FOIA exemption (b)(4), and describe how each qualifies for protection under the exemption: that is, why the information is a trade secret, or commercial or financial information that is privileged or confidential. If a submitter fails to respond to the notice

§ 4.10

within the time specified, the submitter will be considered to have no objection to disclosure of the information. Information a submitter provides under this paragraph may itself be subject to disclosure under the FOIA.

(g) *Notice of intent to disclose.* A component shall consider a submitter's objections and specific grounds under the FOIA for nondisclosure in deciding whether to disclose business information. If a component decides to disclose business information over a submitter's objection, the component shall give the submitter written notice via certified mail, return receipt requested, or similar means, which shall include:

(1) A statement of reason(s) why the submitter's objections to disclosure were not sustained;

(2) A description of the business information to be disclosed; and

(3) A statement that the component intends to disclose the information seven working days from the date the submitter receives the notice.

(h) *Exceptions to notice requirements.* The notice requirements of paragraphs (d) and (g) of this section shall not apply if:

(1) The component determines that the information is exempt and will be withheld under a FOIA exemption, other than exemption (b)(4);

(2) The information has been lawfully published or has been officially made available to the public;

(3) Disclosure of the information is required by statute (other than the FOIA) or by a regulation issued in accordance with Executive Order 12600; or

(4) The designation made by the submitter under paragraph (c) of this section appears obviously frivolous, except that, in such a case, the component shall provide the submitter written notice of any final decision to disclose the information seven working days from the date the submitter receives the notice.

(i) *Notice to submitter of FOIA lawsuit.* Whenever a requester files a lawsuit seeking to compel the disclosure of business information, the component shall promptly notify the submitter.

(j) *Corresponding notice to requester.* Whenever a component provides a submitter with notice and an opportunity

15 CFR Subtitle A (1-1-17 Edition)

to object to disclosure under paragraph (d) of this section, the component shall notify the requester that the request is being processed under the provisions of this regulation and, as a consequence, there may be a delay in receiving a response. The notice to the requester will not include any of the specific information contained in the records being requested. Whenever a submitter files a lawsuit seeking to prevent the disclosure of business information, the component shall notify the requester of such action and, as a consequence, there may be further delay in receiving a response.

[66 FR 65632, Dec. 20, 2001, as amended at 79 FR 62561, Oct. 20, 2014]

§ 4.10 Appeals from initial determinations or untimely delays.

(a)(1) If a request for records to a component other than the Office of Inspector General is initially denied in whole or in part, or has not been timely determined, or if a requester receives an adverse determination regarding any other matter listed under this subpart (as described in § 4.7(c)), the requester may file an appeal. Appeals can be submitted in writing or electronically, as described in paragraph (b)(1) of this section. The appeal must be received by the Office of the General Counsel during normal business hours (8:30 a.m. to 5:00 p.m., Eastern Time, Monday through Friday) within 30 calendar days of the date of the written denial of the adverse determination or, if there has been no determination, an appeal may be submitted any time after the due date, including the last extension under § 4.6(d), of the adverse determination. Written or electronic appeals arriving after normal business hours will be deemed received on the next normal business day. If the 30th calendar day falls on a Saturday, Sunday, or a legal public holiday, an appeal received by 5:00 p.m., Eastern Time, the next business day will be deemed timely. Appeals received after the 30-day limit will not be considered.

(2) If a request for records to the Office of Inspector General is initially denied in whole or in part, or has not been timely determined, or if a requester receives an adverse determination regarding any other matter listed

under this subpart (as described in § 4.7(c)), the requester may file an appeal. Appeals can be submitted in writing or electronically, as described in paragraph (b)(2) of this section. The appeal must be received by the Office of Inspector General, Office of Counsel, during normal business hours (8:30 a.m. to 5:00 p.m., Eastern Time, Monday through Friday) within 30 calendar days of the date of the written denial of the adverse determination or, if there has been no determination, an appeal may be submitted any time after the due date, including the last extension under § 4.6(d), of the adverse determination. Written or electronic appeals arriving after normal business hours will be deemed received on the next normal business day. If the 30th calendar day falls on a Saturday, Sunday, or a legal public holiday, an appeal received by 5:00 p.m., Eastern Time, the next business day will be deemed timely. Appeals received after the 30-day limit will not be considered.

(b)(1) Appeals, other than appeals from requests made to the Office of Inspector General, shall be decided by the Assistant General Counsel for Litigation, Employment, and Oversight. Written appeals should be addressed to the Assistant General Counsel for Litigation, Employment, and Oversight, at U.S. Department of Commerce, Office of the General Counsel, Room 5875, 14th and Constitution Avenue NW., Washington, DC 20230. An appeal may also be sent via facsimile at 202-482-2552. For a written appeal, both the letter and the appeal envelope should be clearly marked "Freedom of Information Act Appeal." Appeals may also be submitted electronically either by email to FOIAAppeals@doc.gov or online at the FOIAonline Web site, <http://foiaonline.regulations.gov>, if requesters have a FOIAonline account. In all cases, the appeal (written or electronic) should include a copy of the original request and initial denial, if any. All appeals should include a statement of the reasons why the records requested should be made available and why the adverse determination was in error. No opportunity for personal appearance, oral argument or hearing on appeal is provided. Upon receipt of an appeal, the Assistant General Counsel

for Litigation, Employment, and Oversight ordinarily shall send an acknowledgement letter to the requester which shall confirm receipt of the requester's appeal.

(2) Appeals of initial and untimely determinations by the Office of Inspector General shall be decided by the Counsel to the Inspector General, except that appeals for records which were initially denied by the Counsel to the Inspector General shall be decided by the Deputy Inspector General. Written appeals should be addressed to the Counsel to the Inspector General, or the Deputy Inspector General if the records were initially denied by the Counsel to the Inspector General. The address of both is: U.S. Department of Commerce, Office of Counsel, Room 7898C, 14th and Constitution Avenue NW., Washington, DC 20230. An appeal may also be sent via facsimile at 202-501-7335. For a written appeal, both the letter and the appeal envelope should be clearly marked "Freedom of Information Act Appeal." Appeals may also be submitted electronically either by email to FOIA@oig.doc.gov or online at the FOIAonline Web site, <http://foiaonline.regulations.gov>, if requesters have a FOIAonline account. In all cases, the appeal (written or electronic) should include a copy of the original request and initial denial, if any. All appeals should include a statement of the reasons why the records requested should be made available and why the adverse determination was in error. No opportunity for personal appearance, oral argument or hearing on appeal is provided. Upon receipt of an appeal, the Counsel to the Inspector General, or the Deputy Inspector General if the records were initially denied by the Counsel to the Inspector General, ordinarily shall send an acknowledgement letter to the requester which shall confirm receipt of the requester's appeal.

(c) Upon receipt of an appeal involving records initially denied on the basis of FOIA exemption (b)(1), the records shall be forwarded to the Deputy Assistant Secretary for Security (DAS) for a declassification review. The DAS may overrule previous classification determinations in whole or in part if continued protection in the interest of

§4.11

15 CFR Subtitle A (1–17 Edition)

national security is no longer required, or no longer required at the same level. The DAS shall advise the Assistant General Counsel for Litigation, Employment, and Oversight, the General Counsel, the General Counsel to the Inspector General, or Deputy Inspector General, as appropriate, of his or her decision.

(d) If an appeal is granted, the person who filed the appeal shall be immediately notified and copies of the releasable documents shall be made available promptly thereafter upon receipt of appropriate fees determined in accordance with §4.11.

(e) If no determination on an appeal has been sent to the requester within the twenty working day period specified in §4.6(b) or the last extension thereof, the requester is deemed to have exhausted all administrative remedies with respect to the request, giving rise to a right of judicial review under 5 U.S.C. 552(a)(6)(C). If the requester initiates a court action against the Department based on the provision in this paragraph, the administrative appeal process may continue.

(f) The determination on an appeal shall be in writing and, when it denies records in whole or in part, the letter to the requester shall include:

(1) A brief explanation of the basis for the denial, including a list of the applicable FOIA exemptions and a description of how they apply;

(2) A statement that the decision is final for the Department;

(3) Notification that judicial review of the denial is available in the district court of the United States in the district in which the requester resides, or has his or her principal place of business, or in which the agency records are located, or in the District of Columbia; and

(4) The name and title or position of the official responsible for denying the appeal.

§4.11 Fees.

(a) *In general.* Components shall charge fees for processing requests under the FOIA in accordance with paragraph (c) of this section, except

where fees are limited under paragraph (d) of this section or when a waiver or reduction is granted under paragraph (k) of this section. A component shall collect all applicable fees before processing a request if a component determines that advance payment is required in accordance with paragraphs (i)(2) and (i)(3) of this section. If advance payment of fees is not required, a component shall collect all applicable fees before sending copies of requested records to a requester. Requesters must pay fees by check or money order made payable to the Treasury of the United States.

(b) *Definitions.* For purposes of this section:

(1) *Commercial use request* means a request from or on behalf of a person who seeks information for a use or purpose that furthers his or her commercial, trade, or profit interests, which can include furthering those interests through litigation. Components shall determine, whenever reasonably possible, the use to which a requester will put the requested records. If it appears that the requester will put the records to a commercial use, or if a component has reasonable cause to doubt a requester's asserted non-commercial use, the component shall provide the requester a reasonable opportunity to submit further clarification.

(2) *Direct costs* means those expenses a component incurs in searching for and duplicating (and, in the case of commercial use requests, reviewing) records to respond to a FOIA request. Direct costs include, for example, the salary of the employee performing the work (the basic rate of pay for the employee, plus 16% of that rate to cover benefits) and the cost of operating computers and other electronic equipment, such as photocopiers and scanners. Direct costs do not include overhead expenses such as the costs of space, heating, or lighting of the facility in which the service is performed.

(3) *Duplication* means the making of a copy of a record, or of the information contained in it, necessary to respond to a FOIA request. Copies may take the form of paper, microform, audiovisual materials, or electronic records, among others. A component shall honor a requester's specified preference of form

or format of disclosure if the record is readily reproducible with reasonable efforts in the requested form or format.

(4) *Educational institution* means a preschool, a public or private elementary or secondary school, an institution of undergraduate higher education, an institution of graduate higher education, an institution of professional education, or an institution of vocational education, that operates a program of scholarly research. A requester in this fee category must show that the request is authorized by, and is made under the auspices of, an educational institution and that the records are not sought for a commercial use, but rather are sought to further scholarly research. To fall within this fee category, a request must serve the scholarly research goal of the institution rather than an individual research goal.

Example 1. A request from a professor of geology at a university for records relating to soil erosion, written on letterhead of the Department of Geology, would be presumed to be from an educational institution.

Example 2. A request from the same professor of geology seeking drug information from the Food and Drug Administration in furtherance of a murder mystery he is writing would not be presumed to be an institutional request, regardless of whether it was written on institutional letterhead.

Example 3. A student who makes a request in furtherance of the completion of a course of instruction would be presumed to be carrying out an individual research goal, rather than a scholarly research goal of the institution, and would not qualify as part of this fee category.

(5) *Noncommercial scientific institution* means an institution that is not operated on a "commercial" basis, as that term is defined in paragraph (b)(1) of this section, and that is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry. To be in this category, a requester must show that the request is authorized by and is made under the auspices of a qualifying institution and that the records are

sought to further scientific research rather than for a commercial use.

(6) *Representative of the news media, or news media requester*, means any person or entity organized and operated to publish or broadcast news to the public that actively gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. The term "news" means information that is about current events or that would be of current interest to the public. Examples of news-media entities are television or radio stations broadcasting to the public at-large and publishers of periodicals that disseminate "news" and make their products available through a variety of means to the general public including news organizations that disseminate solely on the Internet. To be in this category, a requester must not be seeking the requested records for a commercial use. A request for records that supports the news-dissemination function of the requester shall not be considered to be for a commercial use. A freelance journalist shall be regarded as working for a news-media entity if the journalist can demonstrate a solid basis for expecting publication through that entity, whether or not the journalist is actually employed by the entity. A publication contract would be the clearest proof, but components shall also look to the past publication record of a requester in making this determination. A component's decision to grant a requester media status will be made on a case-by-case basis based upon the requester's intended use of the material.

(7) *Review* means the examination of a record located in response to a request in order to determine whether any portion of it is exempt from disclosure. Review time includes processing any record for disclosure, such as doing all that is necessary to prepare the record for disclosure, including the process of redacting it and marking any applicable exemptions. Review costs are recoverable even if a record ultimately is not disclosed. Review time includes time spent obtaining and considering any formal objection to disclosure made by a business submitter under §4.9, but does not include

§4.11

15 CFR Subtitle A (1–17 Edition)

time spent resolving general legal or policy issues regarding the application of exemptions.

(8) *Search* means the process of looking for and retrieving records or information responsive to a request. It includes page-by-page or line-by-line identification of information within records and also includes reasonable efforts to locate and retrieve information from records maintained in electronic form or format. Components shall ensure that searches are done in the most

efficient and least expensive manner reasonably possible.

(c) *Fees.* In responding to FOIA requests, components shall charge the fees summarized in chart form in paragraphs (c)(1) and (c)(2) of this section and explained in paragraphs (c)(3) through (c)(5) of this section, unless a waiver or reduction of fees has been granted under paragraph (k) of this section.

(1) The four categories and chargeable fees are:

Category	Chargeable fees
(i) Commercial Use Requesters	Search, Review, and Duplication.
(ii) Educational and Non-commercial Scientific Institution Requesters.	Duplication (excluding the cost of the first 100 pages).
(iii) Representatives of the News Media	Duplication (excluding the cost of the first 100 pages).
(iv) All Other Requesters	Search and Duplication (excluding the cost of the first 2 hours of search and 100 pages).

(2) Uniform fee schedule.

Service	Rate
(i) Manual search	Actual salary rate of employee conducting review, plus 16 percent of salary rate.
(ii) Computerized search	Actual direct cost, including operator time.
(iii) Review of records	Actual salary rate of employee involved, plus 16 percent of salary rate.
(iv) Duplication of records:	
(A) Paper copy reproduction	\$.08 per page.
(B) Other reproduction (e.g., converting paper into an electronic format (e.g., scanning), computer disk or printout, or other electronically-formatted reproduction (e.g., uploading records made available to the requester into FOIAonline)).	Actual direct cost, including operator time.

(3) *Search.* (i) Search fees shall be charged for all requests—other than requests made by educational institutions, noncommercial scientific institutions, or representatives of the news media—subject to the limitations of paragraph (d) of this section. Components shall charge for time spent searching even if they do not locate any responsive records or if they withhold any records located as entirely exempt from disclosure. Search fees shall be the direct costs of conducting the search by the involved employees.

(ii) For computer searches of records, requesters will be charged the direct costs of conducting the search, although certain requesters (as provided in paragraph (d)(1) of this section) will be charged no search fee and certain other requesters (as provided in para-

graph (d)(3) of this section) are entitled to the cost equivalent of two hours of manual search time without charge. These direct costs will include the costs of the operator/programmer salary apportionable to the search and any other tangible direct costs associated with a computer search.

(4) *Duplication.* Duplication fees shall be charged to all requesters, subject to the limitations of paragraph (d) of this section. A component shall honor a requester’s preference for receiving a record in a particular form or format where it is readily producible by the component in the form or format requested. For either a photocopy or a computer-generated printout of a record (no more than one copy of which need be supplied), the fee shall be \$.08 per page. Requesters may reduce costs

by specifying double-sided duplication, except where this is technically not feasible. For electronic forms of duplication, other than a computer-generated printout, components will charge the direct costs of that duplication. Such direct costs will include the costs of the requested electronic medium on which the copy is to be made and the actual operator time and computer resource usage required to produce the copy, to the extent they can be determined.

(5) *Review.* Review fees shall be charged to requesters who make a commercial use request. Review fees shall be charged only for the initial record review, in which a component determines whether an exemption applies to a particular record at the initial request level. No charge shall be imposed for review at the administrative appeal level for an exemption already applied. However, records withheld under an exemption that is subsequently determined not to apply may be reviewed again to determine whether any other exemption not previously considered applies, and the costs of that review are chargeable. Review fees shall be the direct costs of conducting the review by the involved employees.

(d) *Limitations on charging fees.* (1) No search fees shall be charged for requests from educational institutions, non-commercial scientific institutions, or representatives of the news media.

(2) No search fee or review fee shall be charged for a quarter-hour period unless more than half of that period is required for search or review.

(3) Except for requesters seeking records for a commercial use, components shall provide without charge:

(i) The first 100 pages of duplication (or the cost equivalent); and

(ii) The first two hours of search (or the cost equivalent).

(4) If a total fee calculated under paragraph (c) of this section is \$20.00 or less for any request, no fee shall be charged. If such total fee is more than \$20.00, the full amount of such fee shall be charged.

(5) The provisions of paragraphs (d) (3) and (4) of this section work together. This means that for requesters other than those seeking records for a commercial use, no fee shall be charged

unless the cost of search in excess of two hours plus the cost of duplication in excess of 100 pages totals more than \$20.00.

(6) No search fees shall be charged to a FOIA requester when a component does not comply with the statutory time limits at 5 U.S.C. 552(a)(6) in which to respond to a request, unless unusual or exceptional circumstances (as those terms are defined by the FOIA) apply to the processing of the request.

(7) No duplication fees shall be charged to requesters in the fee category of a representative of the news media or an educational or non-commercial scientific institution when a component does not comply with the statutory time limits at 5 U.S.C. 552(a)(6) in which to respond to a request, unless unusual or exceptional circumstances (as those terms are defined by the FOIA) apply to the processing of the request.

(e) *Notice of anticipated fees in excess of \$20.00.* (1) When a component determines or estimates that the fees for processing a FOIA request will total more than \$20.00 or total more than the amount the requester indicated a willingness to pay, the component shall notify the requester of the actual or estimated amount of the fees, unless the requester has stated in writing a willingness to pay fees as high as those anticipated. If only a portion of the fee can be estimated readily, the component shall advise the requester that the estimated fee may be only a portion of the total fee. A notice under this paragraph shall offer the requester an opportunity to discuss the matter with Departmental personnel in order to modify the request in an effort to meet the requester's needs at a lower cost.

(2) When a requester has been notified that the actual or estimated fees will amount to more than \$20.00, or amount to more than the amount the requester indicated a willingness to pay, the component will do no further work on the request until the requester agrees in writing to pay the actual or estimated total fee. The component will toll the processing of the request while it notifies the requester of the actual or estimated amount of fees and this time will be excluded from the

§4.11

twenty (20) working day time limit (as specified in §4.6(b)). The requester's agreement to pay fees must be made in writing, must designate an exact dollar amount the requester is willing to pay, and must be received within 30 calendar days from the date of the notification of the fee estimate. If the requester fails to submit an agreement to pay the anticipated fees within 30 calendar days from the date of the component's fee notice, the component will presume that the requester is no longer interested and notify the requester that the request will be closed.

(f) *Charges for other services.* Apart from the other provisions of this section, if a component decides, as a matter of administrative discretion, to comply with a request for special services, the component shall charge the direct cost of providing them. Such services could include certifying that records are true copies or sending records by other than ordinary mail.

(g) *Charging interest.* Components shall charge interest on any unpaid bill starting on the 31st calendar day following the date of billing the requester. Interest charges shall be assessed at the rate provided in 31 U.S.C. 3717 and accrue from the date of the billing until the component receives payment. Components shall take all steps authorized by the Debt Collection Act of 1982, as amended by the Debt Collection Improvement Act of 1996, to effect payment, including offset, disclosure to consumer reporting agencies, and use of collection agencies.

(h) *Aggregating requests.* If a component reasonably believes that a requester or a group of requesters acting together is attempting to divide a request into a series of requests for the purpose of avoiding fees, the component may aggregate those requests and charge accordingly. Among the factors a component shall consider in deciding whether to aggregate are the closeness in time between the component's receipt of the requests, and the relatedness of the matters about which the requests are made. A component may generally presume that multiple requests that involve related matters made by the same requester or a closely related group of requesters within a 30 calendar day period have been made

15 CFR Subtitle A (1-1-17 Edition)

in order to avoid fees. If requests are separated by a longer period, a component shall aggregate them only if a solid basis exists for determining that aggregation is warranted under all the circumstances involved. Multiple requests involving unrelated matters shall not be aggregated.

(i) *Advance payments.* (1) For requests other than those described in paragraphs (i)(2) and (3) of this section, a component shall not require the requester to make an advance payment (*i.e.*, a payment made before a component begins to process or continues work on a request). Payment owed for work already completed (*i.e.*, a pre-payment before copies of responsive records are sent to a requester) is not an advance payment.

(2) When a component determines or estimates that the total fee for processing a FOIA request will be \$250.00 or more, the component shall notify the requester of the actual or estimated fee and require the requester to make an advance payment of the entire anticipated fee before beginning to process the request. A notice under this paragraph shall offer the requester an opportunity to discuss the matter with Departmental personnel in order to modify the request in an effort to meet the requester's needs at a lower cost.

(3) When a requester has previously failed to pay a properly charged FOIA fee to any component or other Federal agency within 30 calendar days of the date of billing, the component shall notify the requester that he or she is required to pay the full amount due, plus any applicable interest, and to make an advance payment of the full amount of any anticipated fee, before the component begins to process a new request or continues to process a pending request from that requester. A notice under this paragraph shall offer the requester an opportunity to discuss the matter with Departmental personnel in order to modify the request in an effort to meet the requester's needs at a lower cost.

(4) When the component requires advance payment or payment due under paragraphs (i)(2) and (i)(3) of this section, the component will not further process the request until the required payment is made. The component will

toll the processing of the request while it notifies the requester of the advanced payment due and this time will be excluded from the twenty (20) working day time limit (as specified in §4.6(b)). If the requester does not pay the advance payment within 30 calendar days from the date of the component's fee notice, the component will presume that the requester is no longer interested and notify the requester that the request will be closed.

(j) *Tolling*. When necessary for the component to clarify issues regarding fee assessment with the FOIA requester, the time limit for responding to the FOIA request is tolled until the component resolves such issues with the requester.

(k) *Other statutes specifically providing for fees*. The fee schedule of this section does not apply to fees charged under any statute (except for the FOIA) that specifically requires an agency to set and collect fees for particular types of records. If records responsive to requests are maintained for distribution by agencies operating such statutorily based fee schedule programs, components shall inform requesters how to obtain records from those sources. Provision of such records is not handled under the FOIA.

(l) *Requirements for waiver or reduction of fees*. (1) Records responsive to a request will be furnished without charge, or at a charge reduced below that established under paragraph (c) of this section, if the requester asks for such a waiver in writing and the responsible component determines, after consideration of information provided by the requester, that the requester has demonstrated that:

(i) Disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government; and

(ii) Disclosure of the information is not primarily in the commercial interest of the requester.

(2) To determine whether the first fee waiver requirement is met, components shall consider the following factors:

(i) *The subject of the request*: whether the subject of the requested records concerns the operations or activities of

the Government. The subject of the requested records must concern identifiable operations or activities of the Federal Government, with a connection that is direct and clear, not remote or attenuated.

(ii) *The informative value of the information to be disclosed*: whether the disclosure is "likely to contribute" to an understanding of Government operations or activities. The disclosable portions of the requested records must be meaningfully informative about Government operations or activities in order to be "likely to contribute" to an increased public understanding of those operations or activities. The disclosure of information that already is in the public domain, in either a duplicative or a substantially identical form, would not be likely to contribute to such understanding.

(iii) *The contribution to an understanding of the subject by the public likely to result from disclosure*: whether disclosure of the requested information will contribute to the understanding of a reasonably broad audience of persons interested in the subject, as opposed to the individual understanding of the requester. A requester's expertise in the subject area and ability and intention to effectively convey information to the public shall be considered. It shall be presumed that a representative of the news media satisfies this consideration. Merely providing information to media sources is insufficient to satisfy this consideration.

(iv) *The significance of the contribution to public understanding*: whether the disclosure is likely to contribute "significantly" to public understanding of Government operations or activities. The public's understanding of the subject in question prior to the disclosure must be significantly enhanced by the disclosure.

(3) To determine whether the second fee waiver requirement (*i.e.*, that disclosure is not primarily in the commercial interest of the requester) is met, components shall consider the following factors:

(i) *The existence and magnitude of a commercial interest*: whether the requester has a commercial interest that would be furthered by the requested disclosure. Components shall consider

§4.21

15 CFR Subtitle A (1–1–17 Edition)

any commercial interest of the requester (with reference to the definition of “commercial use request” in paragraph (b)(1) of this section), or of any person on whose behalf the requester may be acting, that would be furthered by the requested disclosure. Requesters shall be given an opportunity to provide explanatory information regarding this consideration.

(ii) *The primary interest in disclosure:* whether any identified commercial interest of the requester is sufficiently great, in comparison with the public interest in disclosure, that disclosure is “primarily in the commercial interest of the requester.” A fee waiver or reduction is justified if the public interest standard (paragraph (k)(1)(i) of this section) is satisfied and the public interest is greater than any identified commercial interest in disclosure. Components ordinarily shall presume that if a news media requester has satisfied the public interest standard, the public interest is the primary interest served by disclosure to that requester. Disclosure to data brokers or others who merely compile and market Government information for direct economic return shall not be presumed to primarily serve the public interest.

(4) If only some of the records to be released satisfy the requirements for a fee waiver, a waiver shall be granted for those records.

(5) Requests for the waiver or reduction of fees should address the factors listed in paragraphs (k)(2) and (3) of this section, insofar as they apply to each request.

Subpart B—Privacy Act

§ 4.21 Purpose and scope.

(a) This subpart establishes policies and procedures for implementing the Privacy Act of 1974, as amended (5 U.S.C. 552a). The main objectives of the subpart are to facilitate full exercise of rights conferred on individuals under the Act, and to protect the privacy of individuals on whom the Department maintains records in systems of records under the Act.

(b) The Department shall act promptly and in accordance with the Act upon

receipt of any inquiry, request or appeal from a citizen of the United States or an alien lawfully admitted for permanent residence into the United States, regardless of the individual’s age. Further, the Department shall maintain only such information on individuals as is relevant and necessary to the performance of its lawful functions; maintain that information with such accuracy, relevancy, timeliness, and completeness as is reasonably necessary to assure fairness in determinations made by the Department about the individual; obtain information from the individual to the extent practicable; and take every reasonable step to protect that information from unwarranted disclosure. The Department shall maintain no record describing how an individual exercises rights guaranteed by the First Amendment unless expressly authorized to do so by statute or by the individual about whom the record is maintained, or unless to do so is pertinent to and within the scope of an authorized law enforcement activity. An individual’s name and address shall not be sold or rented by the Department unless such action is specifically authorized by law.

(c) This subpart applies to all components of the Department. Components may promulgate supplementary orders and rules not inconsistent with this subpart.

(d) The Assistant Secretary for Administration is delegated responsibility for maintaining this subpart, for issuing such orders and directives internal to the Department as are necessary for full compliance with the Act, and for publishing all required notices concerning systems of records.

(e) Matters outside the scope of this subpart include:

(1) Requests for records that do not pertain to the requester, or to the individual about whom the request is made if the requester is the parent or guardian of the individual;

(2) Requests involving information pertaining to an individual that is in a record or file but not within the scope of a system of records notice published in the FEDERAL REGISTER;

(3) Requests to correct a record if a grievance procedure is available to the individual either by regulation or

through a provision in a collective bargaining agreement with the Department or a component of the Department, and the individual has initiated, or expressed in writing the intention of initiating, such a grievance procedure; and

(4) Requests for employee-employer services and counseling that were routinely granted prior to enactment of the Act, including, but not limited to, test calculations of retirement benefits, explanations of health and life insurance programs, and explanations of tax withholding options.

(f) Any request for records that pertains to the requester, or to the individual about whom the request is made if the requester is the parent or guardian of the individual, shall be processed under the Act and this subpart and under the Freedom of Information Act and the Department's implementing regulations at subpart A of this part, regardless whether the Act or the Freedom of Information Act is mentioned in the request.

§ 4.22 Definitions.

(a) All terms used in this subpart which are defined in 5 U.S.C. 552a shall have the same meaning herein.

(b) As used in this subpart:

(1) *Act* means the "Privacy Act of 1974, as amended (5 U.S.C. 552a)".

(2) *Appeal* means a request by an individual to review and reverse an initial denial of a request from that individual for correction or amendment.

(3) *Component* means any office, division, bureau or other unit of the Department listed in Appendix A to this part (except that a regional office of a larger office or other unit does not constitute a separate component).

(4) *Department* means the Department of Commerce.

(5) *Inquiry* means either a request for general information regarding the Act and this subpart or a request from an individual (or that individual's parent or guardian) that the Department determine whether it has any record in a system of records that pertains to that individual.

(6) *Person* means any human being and also shall include, but is not limited to, corporations, associations, partnerships, trustees, receivers, per-

sonal representatives, and public or private organizations.

(7) *Privacy Officer* means those officials, identified in Appendix B to this part, who are authorized to receive and act upon inquiries, requests for access, and requests for correction or amendment.

(8) *Request for access* means a request from an individual or an individual's parent or guardian to see a record pertaining to that individual in a particular system of records.

(9) *Request for correction or amendment* means a request from an individual or an individual's parent or guardian that the Department change (by correction, amendment, addition or deletion) a particular record pertaining to that individual in a system of records.

§ 4.23 Procedures for making inquiries.

(a) Any individual, regardless of age, who is a citizen of the United States or an alien lawfully admitted for permanent residence into the United States may submit an inquiry to the Department. The inquiry should be made either in person or by mail addressed to the appropriate component identified in Appendix A to this part or to the official identified in the notification procedures paragraph of the systems of records notice published in the FEDERAL REGISTER.² If an individual believes the Department maintains a record pertaining to him or her but does not know which system of records might contain such a record and/or which component of the Department maintains the system of records, assistance in person or by mail will be provided at the first address listed in Appendix A to this part.

(b) Inquiries submitted by mail should include the words "PRIVACY ACT INQUIRY" in capital letters at the top of the letter and on the face of the envelope. If the inquiry is for general information regarding the Act and

²The United States Patent and Trademark Office (USPTO), which is established as an agency of the United States within the Department of Commerce, operates under its own PA regulations at 37 CFR part 102, subpart B. Accordingly, requests concerning records maintained by the USPTO should be sent directly to the USPTO.

§4.23

this subpart, no particular information is required. The Department reserves the right to require compliance with the identification procedures appearing at §4.24(d). If the inquiry is a request that the Department determine whether it has a record pertaining to the individual, the following information should be submitted:

(1) Name of individual whose record is sought;

(2) Statement that individual whose record is sought is either a U.S. citizen or an alien lawfully admitted for permanent residence;

(3) Identifying data that will help locate the record (for example, maiden name, occupational license number, period or place of employment, etc.);

(4) Record sought, by description and by record system name, if known;

(5) Action requested (that is, sending information on how to exercise rights under the Act; determining whether requested record exists; gaining access to requested record; or obtaining copy of requested record);

(6) Copy of court guardianship order or minor's birth certificate, as provided in §4.24(d)(3), but only if requester is guardian or parent of individual whose record is sought;

(7) Requester's name (printed), signature, address, and (optional) telephone number;

(8) Date; and,

(9) Certification of request by notary or other official, but only if

(i) Request is for notification that requested record exists, for access to requested record, or for copy of requested record;

(ii) Record is not available to any person under 5 U.S.C. 552; and

(iii) Requester does not appear before an employee of the Department for verification of identity.

(c) Any inquiry which is not addressed as specified in paragraph (a) of this section or which is not marked as specified in paragraph (b) of this section will be so addressed and marked by Department personnel and forwarded immediately to the responsible Privacy Officer. An inquiry which is not properly addressed by the individual will not be deemed to have been "received" for purposes of measuring the time period for response until ac-

tual receipt by the Privacy Officer. In each instance when an inquiry so forwarded is received, the Privacy Officer shall notify the individual that his or her inquiry was improperly addressed and the date the inquiry was received at the proper address.

(d)(1) Each inquiry received shall be acted upon promptly by the responsible Privacy Officer. Every effort will be made to respond within ten working days (*i.e.*, excluding Saturdays, Sundays and legal public holidays) of the date of receipt at the proper address. If a response cannot be made within ten working days, the Privacy Officer shall send an acknowledgment during that period providing information on the status of the inquiry and asking for such further information as may be necessary to process the inquiry. The first correspondence sent by the Privacy Officer to the requester shall contain the Department's control number assigned to the request, as well as a statement that the requester should use that number in all future contacts with the Department. The Department shall use that control number in all subsequent correspondence.

(2) If the Privacy Officer fails to send an acknowledgment within ten working days, as provided in paragraph (d)(1) of this section, the requester may ask the Assistant General Counsel for Litigation, Employment, and Oversight to take corrective action. No failure of a Privacy Officer to send an acknowledgment shall confer administrative finality for purposes of judicial review.

(e) An individual shall not be required to state a reason for or otherwise justify his or her inquiry.

(f) Special note should be taken that certain agencies are responsible for publishing notices of systems of records having Government-wide application to other agencies, including the Department. The agencies known to be publishing these general notices and the types of records covered therein appear in Appendix C to this part. These general notices do not identify the Privacy Officers in the Department to whom inquiries should be presented or mailed. The provisions of this section, and particularly paragraph (a) of this section, should be followed in making inquiries with respect to such records.

Such records in the Department are subject to the provisions of this part to the extent indicated in Appendix C to this part. The exemptions, if any, determined by the agency publishing a general notice shall be invoked and applied by the Department after consultation, as necessary, with that other agency.

§ 4.24 Procedures for making requests for records.

(a) Any individual, regardless of age, who is a citizen of the United States or an alien lawfully admitted for permanent residence into the United States may submit a request to the Department for access to records. The request should be made either in person or by mail addressed to the appropriate office listed in Appendix A to this part.

(b) Requests submitted by mail should include the words "PRIVACY ACT REQUEST" in capital letters at the top of the letter and on the face of the envelope. Any request which is not addressed as specified in paragraph (a) of this section or which is not marked as specified in this paragraph will be so addressed and marked by Department personnel and forwarded immediately to the responsible Privacy Officer. A request which is not properly addressed by the individual will not be deemed to have been "received" for purposes of measuring time periods for response until actual receipt by the Privacy Officer. In each instance when a request so forwarded is received, the Privacy Officer shall notify the individual that his or her request was improperly addressed and the date the request was received at the proper address.

(c) If the request follows an inquiry under § 4.23 in connection with which the individual's identity was established by the Department, the individual need only indicate the record to which access is sought, provide the Department control number assigned to the request, and sign and date the request. If the request is not preceded by an inquiry under § 4.23, the procedures of this section should be followed.

(d) The requirements for identification of individuals seeking access to records are:

(1) *In person.* Each individual making a request in person shall be required to

present satisfactory proof of identity. The means of proof, in the order of preference and priority, are:

(i) A document bearing the individual's photograph (for example, driver's license, passport or military or civilian identification card);

(ii) A document, preferably issued for participation in a Federally-sponsored program, bearing the individual's signature (for example, unemployment insurance book, employer's identification card, national credit card, and professional, craft or union membership card); and,

(iii) A document bearing neither the photograph nor the signature of the individual, preferably issued for participation in a Federally-sponsored program (for example, Medicaid card). If the individual can provide no suitable documentation of identity, the Department will require a signed statement asserting the individual's identity and stipulating that the individual understands the penalty provision of 5 U.S.C. 552a(i)(3) recited in § 4.32(a). In order to avoid any unwarranted disclosure of an individual's records, the Department reserves the right to determine the adequacy of proof of identity offered by any individual, particularly if the request involves a sensitive record.

(2) *Not in person.* If the individual making a request does not appear in person before a Privacy Officer or other employee authorized to determine identity, then identity must be determined by:

(i) A certification of a notary public or equivalent officer empowered to administer oaths must accompany the request under the circumstances prescribed in § 4.23(b)(9). The certification in or attached to the letter must be substantially in accordance with the following text:

City of _____ County of _____. (Name of individual), who affixed (his) (her) signature below in my presence, came before me, a (title), in and for the aforesaid County and State, this ____ day of ____, 20__, and established (his) (her) identity to my satisfaction. My commission expires _____.

Signature: _____; or

(ii) Statement of identity made under 28 U.S.C. 1746, a law that permits statements to be made under penalty

§ 4.25

of perjury as a substitute for notarization.

(3) *Parents of minors and legal guardians.* An individual acting as the parent of a minor or the legal guardian of the individual to whom a record pertains shall establish his or her personal identity in the same manner prescribed in either paragraph (d)(1) or (d)(2) of this section. In addition, such other individual shall establish his or her identity in the representative capacity of parent or legal guardian. In the case of the parent of a minor, the proof of identity shall be a certified or authenticated copy of the minor's birth certificate. In the case of a legal guardian of an individual who has been declared incompetent due to physical or mental incapacity or age by a court of competent jurisdiction, the proof of identity shall be a certified or authenticated copy of the court's order. For purposes of the Act, a parent or legal guardian may represent only a living individual, not a decedent. A parent or legal guardian may be accompanied during personal access to a record by another individual, provided the provisions of § 4.25(f) are satisfied.

(e) If the provisions of this subpart are alleged to impede an individual in exercising his or her right to access, the Department will consider, from an individual making a request, alternative suggestions regarding proof of identity and access to records.

(f) An individual shall not be required to state a reason for or otherwise justify his or her request for access to a record.

§ 4.25 Disclosure of requested records to individuals.

(a)(1) The responsible Privacy Officer shall act promptly upon each request. Every effort will be made to respond within ten working days (*i.e.*, excluding Saturdays, Sundays and legal public holidays) of the date of receipt. If a response cannot be made within ten working days due to unusual circumstances, the Privacy Officer shall send an acknowledgment during that period providing information on the status of the request and asking for any further information that may be

15 CFR Subtitle A (1-1-17 Edition)

necessary to process the request. "Unusual circumstances" shall include circumstances in which:

(i) A search for and collection of requested records from inactive storage, field facilities or other establishments is required;

(ii) A voluminous amount of data is involved;

(iii) Information on other individuals must be separated or expunged from the particular record; or

(iv) Consultations with other agencies having a substantial interest in the determination of the request are necessary.

(2) If the Privacy Officer fails to send an acknowledgment within ten working days, as provided in paragraph (a)(1) of this section, the requester may ask the Assistant General Counsel for Litigation, Employment, and Oversight to take corrective action. No failure of a Privacy Officer to send an acknowledgment shall confer administrative finality for purposes of judicial review.

(b) Grant of access: (1) *Notification.* An individual shall be granted access to a record pertaining to him or her, unless the provisions of paragraph (g)(1) of this section apply. The Privacy Officer shall notify the individual of a determination to grant access, and provide the following information:

(i) The methods of access, as set forth in paragraph (b)(2) of this section;

(ii) The place at which the record may be inspected;

(iii) The earliest date on which the record may be inspected and the period of time that the records will remain available for inspection. In no event shall the earliest date be later than thirty calendar days from the date of notification;

(iv) The estimated date by which a copy of the record will be mailed and the fee estimate pursuant to § 4.31. In no event shall the estimated date be later than thirty calendar days from the date of notification;

(v) The fact that the individual, if he or she wishes, may be accompanied by another individual during personal access, subject to the procedures set forth in paragraph (f) of this section; and,

(vi) Any additional prerequisites for granting access to a specific record.

(2) *Methods of access.* The following methods of access to records by an individual may be available depending on the circumstances of a given situation:

(i) Inspection in person may be had in the office specified by the Privacy Officer granting access, during the hours indicated in Appendix A to this part;

(ii) Transfer of records to a Federal facility more convenient to the individual may be arranged, but only if the Privacy Officer determines that a suitable facility is available, that the individual's access can be properly supervised at that facility, and that transmittal of the records to that facility will not unduly interfere with operations of the Department or involve unreasonable costs, in terms of both money and manpower; and,

(iii) Copies may be mailed at the request of the individual, subject to payment of the fees prescribed in § 4.31. The Department, at its own initiative, may elect to provide a copy by mail, in which case no fee will be charged the individual.

(c) Access to medical records is governed by the provisions of § 4.26.

(d) The Department shall supply such other information and assistance at the time of access as to make the record intelligible to the individual.

(e) The Department reserves the right to limit access to copies and abstracts of original records, rather than the original records. This election would be appropriate, for example, when the record is in an automated data medium such as tape or disc, when the record contains information on other individuals, and when deletion of information is permissible under exemptions (for example, 5 U.S.C. 552a(k)(2)). In no event shall original records of the Department be made available to the individual except under the immediate supervision of the Privacy Officer or his or her designee.

(f) Any individual who requests access to a record pertaining to that individual may be accompanied by another individual of his or her choice. "Accompanied" includes discussing the record in the presence of the other individual. The individual to whom the record pertains shall authorize the presence of the other individual in writing. The authorization shall in-

clude the name of the other individual, a specific description of the record to which access is sought, the Department control number assigned to the request, the date, and the signature of the individual to whom the record pertains. The other individual shall sign the authorization in the presence of the Privacy Officer. An individual shall not be required to state a reason or otherwise justify his or her decision to be accompanied by another individual during personal access to a record.

(g) Initial denial of access: (1) *Grounds.* Access by an individual to a record that pertains to that individual will be denied only upon a determination by the Privacy Officer that:

(i) The record is exempt under § 4.33 or 4.34, or exempt by determination of another agency publishing notice of the system of records, as described in § 4.23(f);

(ii) The record is information compiled in reasonable anticipation of a civil action or proceeding;

(iii) The provisions of § 4.26 pertaining to medical records have been invoked; or

(iv) The individual unreasonably has failed to comply with the procedural requirements of this part.

(2) *Notification.* The Privacy Officer shall give notice of denial of access to records to the individual in writing, and the notice shall include the following information:

(i) The Privacy Officer's name and title or position;

(ii) The date of the denial;

(iii) The reasons for the denial, including citation to the appropriate section of the Act and this part;

(iv) The individual's opportunities, if any, for further administrative consideration, including the identity and address of the responsible official. If no further administrative consideration within the Department is available, the notice shall state that the denial is administratively final; and,

(v) If stated to be administratively final within the Department, the individual's right to judicial review provided under 5 U.S.C. 552a(g)(1), as limited by 5 U.S.C. 552a(g)(5).

(3) *Administrative review.* If a Privacy Officer issues an initial denial of a request, the individual's opportunities

§ 4.26

for further consideration shall be as follows:

(i) As to denial under paragraph (g)(1)(i) of this section, two opportunities for further consideration are available in the alternative:

(A) If the individual contests the application of an exemption to the records, the review procedures in § 4.25(g)(3)(ii) shall apply; or,

(B) If the individual challenges the validity of the exemption itself, the individual must file a petition for the issuance, amendment, or repeal of a rule under 5 U.S.C. 553(e). If the exemption was determined by the Department, such petition shall be filed with the Assistant Secretary for Administration. If the exemption was determined by another agency (as described in § 4.23(f)), the Department will provide the individual with the name and address of the other agency and any relief sought by the individual shall be that provided by the regulations of the other agency. Within the Department, no such denial is administratively final until such a petition has been filed by the individual and disposed of on the merits by the Assistant Secretary for Administration.

(ii) As to denial under paragraphs (g)(1)(ii) of this section, (g)(1)(iv) of this section or (to the limited extent provided in paragraph (g)(3)(i)(A) of this section) paragraph (g)(1)(i) of this section, the individual may file for review with the Assistant General Counsel for Litigation, Employment, and Oversight, as indicated in the Privacy Officer's initial denial notification. The individual and the Department shall follow the procedures in § 4.28 to the maximum extent practicable.

(iii) As to denial under paragraph (g)(1)(iii) of this section, no further administrative consideration within the Department is available because the denial is not administratively final until expiration of the time period indicated in § 4.26(a).

(h) If a request is partially granted and partially denied, the Privacy Officer shall follow the appropriate procedures of this section as to the records within the grant and the records within the denial.

15 CFR Subtitle A (1-1-17 Edition)

§ 4.26 Special procedures: Medical records.

When a request for access involves medical or psychological records, the records will be reviewed by the Department's medical officer for a determination on whether disclosure would be harmful to the individual to whom they relate. If it is determined that disclosure would be harmful, the Department may refuse to disclose the records directly to the requester but shall transmit them to a doctor authorized in writing by the individual to whom the records relate to receive the documents. If an individual refuses to provide written authorization to release his or her medical records to a doctor, barring any applicable exemption, the Department shall give the individual access to his or her records by means of a copy, provided without cost to the requester, sent registered mail, return receipt requested.

[79 FR 62564, Oct. 20, 2014]

§ 4.27 Procedures for making requests for correction or amendment.

(a) Any individual, regardless of age, who is a citizen of the United States or an alien lawfully admitted for permanent residence into the United States may submit a request for correction or amendment to the Department. The request should be made either in person or by mail addressed to the Privacy Officer who processed the individual's request for access to the record, and to whom is delegated authority to make initial determinations on requests for correction or amendment. The offices of Privacy Officers are open to the public between the hours of 9 a.m. and 4 p.m. Monday through Friday (excluding Saturdays, Sundays, and legal public holidays).

(b) Requests submitted by mail should include the words "PRIVACY ACT REQUEST" in capital letters at the top of the letter and on the face of the envelope. Any request that is not addressed as specified in paragraph (a) of this section or that is not marked as specified in this paragraph will be so addressed and marked by Department personnel and forwarded immediately to the responsible Privacy Officer. A request that is not properly addressed

by the individual will not be deemed to have been "received" for purposes of measuring the time period for response until actual receipt by the Privacy Officer. In each instance when a request so forwarded is received, the Privacy Officer shall notify the individual that his or her request was improperly addressed and the date the request was received at the proper address.

(c) Since the request, in all cases, will follow a request for access under § 4.25, the individual's identity will be established by his or her signature on the request and use of the Department control number assigned to the request.

(d) A request for correction or amendment should include the following:

(1) Specific identification of the record sought to be corrected or amended (for example, description, title, date, paragraph, sentence, line and words);

(2) The specific wording to be deleted, if any;

(3) The specific wording to be inserted or added, if any, and the exact place at which it is to be inserted or added; and,

(4) A statement of the basis for the requested correction or amendment, with all available supporting documents and materials that substantiate the statement. The statement should identify the criterion of the Act being invoked, that is, whether the information in the record is unnecessary, inaccurate, irrelevant, untimely or incomplete.

§ 4.28 Agency review of requests for correction or amendment.

(a)(1)(i) Not later than ten working days (*i.e.*, excluding Saturdays, Sundays and legal public holidays) after receipt of a request to correct or amend a record, the Privacy Officer shall send an acknowledgment providing an estimate of time within which action will be taken on the request and asking for such further information as may be necessary to process the request. The estimate of time may take into account unusual circumstances as described in § 4.25(a). No acknowledgment will be sent if the request can be reviewed, processed and

the individual notified of the results of review (either compliance or denial) within the ten working days. Requests filed in person will be acknowledged in writing at the time submitted.

(ii) If the Privacy Officer fails to send the acknowledgment within ten working days, as provided in paragraph (a)(1)(i) of this section, the requester may ask the Assistant General Counsel for Litigation, Employment, and Oversight, or in the case of a request to the Office of the Inspector General, the Counsel to the Inspector General, to take corrective action. No failure of a Privacy Officer to send an acknowledgment shall confer administrative finality for purposes of judicial review.

(2) Promptly after acknowledging receipt of a request, or after receiving such further information as might have been requested, or after arriving at a decision within the ten working days, the Privacy Officer shall either:

(i) Make the requested correction or amendment and advise the individual in writing of such action, providing either a copy of the corrected or amended record or, in cases in which a copy cannot be provided, a statement as to the means by which the correction or amendment was effected; or

(ii) Inform the individual in writing that his or her request is denied and provide the following information:

(A) The Privacy Officer's name and title or position;

(B) The date of the denial;

(C) The reasons for the denial, including citation to the appropriate sections of the Act and this subpart; and

(D) The procedures for appeal of the denial as set forth in § 4.29, including the address of the Assistant General Counsel for Litigation, Employment, and Oversight, or in the case of a request to the Office of the Inspector General, the address of the Counsel to the Inspector General.

(3) The term *promptly* in this section means within thirty working days (*i.e.*, excluding Saturdays, Sundays and legal public holidays). If the Privacy Officer cannot make the determination within thirty working days, the individual will be advised in writing of the reason for the delay and of the estimated date by which the determination will be made.

§ 4.29

(b) Whenever an individual's record is corrected or amended pursuant to a request from that individual, the Privacy Officer shall notify all persons and agencies to which the corrected or amended portion of the record had been disclosed prior to its correction or amendment, if an accounting of such disclosure required by the Act was made. The notification shall require a recipient agency maintaining the record to acknowledge receipt of the notification, to correct or amend the record, and to apprise any agency or person to which it had disclosed the record of the substance of the correction or amendment.

(c) The following criteria will be considered by the Privacy Officer in reviewing a request for correction or amendment:

(1) The sufficiency of the evidence submitted by the individual;

(2) The factual accuracy of the information to be corrected or amended;

(3) The relevance and necessity of the information in terms of the purpose for which it was collected;

(4) The timeliness and currency of the information in light of the purpose for which it was collected;

(5) The completeness of the information in terms of the purpose for which it was collected;

(6) The degree of risk that denial of the request could unfairly result in determinations adverse to the individual;

(7) The character of the record sought to be corrected or amended; and,

(8) The propriety and feasibility of complying with the specific means of correction or amendment requested by the individual.

(d) The Department will not undertake to gather evidence for the individual, but does reserve the right to verify the evidence the individual submits.

(e) Correction or amendment of a record requested by an individual will be denied only upon a determination by the Privacy Officer that:

(1) The individual has failed to establish, by a preponderance of the evidence, the propriety of the correction or amendment in light of the criteria set forth in paragraph (c) of this section;

15 CFR Subtitle A (1-1-17 Edition)

(2) The record sought to be corrected or amended is part of the official record in a terminated judicial, quasi-judicial or quasi-legislative proceeding to which the individual was a party or participant;

(3) The information in the record sought to be corrected or amended, or the record sought to be corrected or amended, is the subject of a pending judicial, quasi-judicial or quasi-legislative proceeding to which the individual is a party or participant;

(4) The correction or amendment would violate a duly enacted statute or promulgated regulation; or,

(5) The individual unreasonably has failed to comply with the procedural requirements of this part.

(f) If a request is partially granted and partially denied, the Privacy Officer shall follow the appropriate procedures of this section as to the records within the grant and the records within the denial.

§ 4.29 Appeal of initial adverse agency determination on correction or amendment.

(a) If a request for correction or amendment is denied initially under § 4.28, the individual may submit a written appeal within thirty calendar days of the date of the initial denial. The appeal must be received by the General Counsel, or by the Counsel to the Inspector General in the case of an appeal of an initial adverse determination by the Office of Inspector General, during normal business hours (8:30 a.m. to 5:00 p.m., Eastern Time, Monday through Friday) within 30 calendar days of the date of the initial denial. Appeals arriving after normal business hours will be deemed received on the next normal business day. If the 30th calendar day falls on a Saturday, Sunday, or a legal public holiday, an appeal received by 5:00 p.m., Eastern Time, the next business day will be deemed timely.

(b)(1) An appeal from a request to a component other than the Office of the Inspector General should be addressed to the Assistant General Counsel for Litigation, Employment, and Oversight, U.S. Department of Commerce,

Room 5875, 14th and Constitution Avenue NW., Washington, DC 20230. An appeal should include the words "Privacy Act Appeal" at the top of the letter and on the face of the envelope. An appeal not addressed and marked as provided herein will be so marked by Department personnel when it is so identified, and will be forwarded immediately to the Assistant General Counsel for Litigation, Employment, and Oversight. An appeal which is not properly addressed by the individual will not be deemed to have been "received" for purposes of measuring the time periods in this section until actual receipt by the Assistant General Counsel for Litigation, Employment, and Oversight. In each instance when an appeal so forwarded is received, the Assistant General Counsel for Litigation, Employment, and Oversight shall notify the individual that his or her appeal was improperly addressed and the date on which the appeal was received at the proper address.

(2) An appeal of an initial adverse determination on correction or amendment by the Office of Inspector General should be addressed to the Counsel to the Inspector General, U.S. Department of Commerce, Room 7898C, 14th and Constitution Avenue NW., Washington, DC 20230. An appeal should include the words "Privacy Act Appeal" at the top of the letter and on the face of the envelope. An appeal not addressed and marked as provided herein will be so marked by Department personnel when it is so identified, and will be forwarded immediately to the Counsel to the Inspector General. An appeal which is not properly addressed by the individual will not be deemed to have been "received" for purposes of measuring the time periods in this section until actual receipt by the Counsel to the Inspector General. In each instance when an appeal so forwarded is received, the Counsel to the Inspector General shall notify the individual that his or her appeal was improperly addressed and the date on which the appeal was received at the proper address.

(c) The individual's appeal shall be signed by the individual, and shall include a statement of the reasons for why the initial denial is believed to be in error, and the Department's control

number assigned to the request. The Privacy Act Officer who issued the initial denial shall furnish to the Assistant General Counsel for Litigation, Employment, and Oversight, or in the case of an initial denial by the Office of the Inspector General, to the Counsel to the Inspector General, the record(s) the individual requests to be corrected or amended, and all correspondence between the Privacy Officer and the requester. Although the foregoing normally will comprise the entire record on appeal, the Assistant General Counsel for Litigation, Employment, and Oversight, or in the case of an initial denial by the Office of the Inspector General, the Counsel to the Inspector General, may seek any additional information necessary to ensure that the final determination is fair and equitable and, in such instances, disclose the additional information to the individual to the greatest extent possible, and provide an opportunity for comment thereon.

(d) No personal appearance or hearing on appeal will be allowed.

(e) The Assistant General Counsel for Litigation, Employment, and Oversight, or in the case of an initial denial by the Office of the Inspector General, the Counsel to the Inspector General, shall act upon the appeal and issue a final determination in writing not later than thirty working days (*i.e.*, excluding Saturdays, Sundays and legal public holidays) from the date on which the appeal is received, except that the Assistant General Counsel for Litigation, Employment, and Oversight, or in the case of an initial denial by the Office of the Inspector General, the Counsel to the Inspector General, may extend the thirty days upon deciding that a fair and equitable review cannot be made within that period, but only if the individual is advised in writing of the reason for the extension and the estimated date by which a final determination will be issued. The estimated date should not be later than the sixtieth day after receipt of the appeal unless unusual circumstances, as described in § 4.25(a), are met.

(f) If the appeal is determined in favor of the individual, the final determination shall include the specific corrections or amendments to be made

§ 4.30

and a copy thereof shall be transmitted promptly to the individual and to the Privacy Officer who issued the initial denial. Upon receipt of such final determination, the Privacy Officer shall promptly take the actions set forth in § 4.28(a)(2)(i) and (b).

(g) If the appeal is denied, the final determination shall be transmitted promptly to the individual and state the reasons for the denial. The notice of final determination shall inform the individual that:

(1) The individual has a right under the Act to file with the Assistant General Counsel for Litigation, Employment, and Oversight, or in the case of an initial denial by the Office of the Inspector General, the Counsel to the Inspector General, a concise statement of reasons for disagreeing with the final determination. The statement ordinarily should not exceed one page and the Department reserves the right to reject an excessively lengthy statement. It should provide the Department control number assigned to the request, indicate the date of the final determination and be signed by the individual. The Assistant General Counsel for Litigation, Employment, and Oversight, or in the case of an initial denial by the Office of the Inspector General, the Counsel to the Inspector General, shall acknowledge receipt of such statement and inform the individual of the date on which it was received;

(2) Any such disagreement statement submitted by the individual would be noted in the disputed record, and filed with it;

(3) The purposes and uses to which the statement would be put are those applicable to the record in which it is noted, and that a copy of the statement would be provided to persons and agencies to which the record is disclosed subsequent to the date of receipt of such statement;

(4) The Department would append to any such disagreement statement a copy of the final determination or summary thereof, which also would be provided to persons and agencies to which the disagreement statement is disclosed; and

(5) The individual has a right to judicial review of the final determination

15 CFR Subtitle A (1–1–17 Edition)

under 5 U.S.C. 552a(g)(1)(A), as limited by 5 U.S.C. 552a(g)(5).

(h) In making the final determination, the Assistant General Counsel for Litigation, Employment, and Oversight, or in the case of an initial denial by the Office of the Inspector General, the Counsel to the Inspector General, shall employ the criteria set forth in § 4.28(c) and shall deny an appeal only on grounds set forth in § 4.28(e).

(i) If an appeal is partially granted and partially denied, the Assistant General Counsel for Litigation, Employment, and Oversight, or in the case of an initial denial by the Office of the Inspector General, the Counsel to the Inspector General, shall follow the appropriate procedures of this section as to the records within the grant and the records within the denial.

(j) Although a copy of the final determination or a summary thereof will be treated as part of the individual's record for purposes of disclosure in instances where the individual has filed a disagreement statement, it will not be subject to correction or amendment by the individual.

(k) The provisions of paragraphs (g)(1) through (g)(3) of this section satisfy the requirements of 5 U.S.C. 552a(e)(3).

(ix) To either House of Congress, or, to the extent of matter within its jurisdiction, any committee or subcommittee thereof, any joint committee of Congress or subcommittee of any such joint committee;

§4.31 Fees.

(a) The only fee to be charged to an individual under this part is for duplication of records at the request of the individual. Components shall charge a fee for duplication of records under the Act in the same way in which they charge a duplication fee under §4.11, except as provided in this section. Accordingly, no fee shall be charged or collected for: search, retrieval, or review of records; copying at the initiative of the Department without a request from the individual; transportation of records; or first-class postage.

(b) The Department shall provide an individual one copy of each record corrected or amended pursuant to the individual's request without charge as evidence of the correction or amendment.

§ 4.32

(c) As required by the United States Office of Personnel Management in its published regulations implementing the Act, the Department shall charge no fee for a single copy of a personnel record covered by that agency's Government-wide published notice of systems of records.

§ 4.32 Penalties.

(a) The Act provides, in pertinent part:

Any person who knowingly and willfully requests or obtains any record concerning an individual from an agency under false pretenses shall be guilty of a misdemeanor and fined not more than \$5,000. (5 U.S.C. 552a(i)(3)).

(b) A person who falsely or fraudulently attempts to obtain records under the Act also may be subject to prosecution under such other criminal statutes as 18 U.S.C. 494, 495 and 1001.

§ 4.33 General exemptions.

(a) Individuals may not have access to records maintained by the Department but which were provided by another agency which has determined by regulation that such information is subject to general exemption under 5 U.S.C. 552a(j). If such exempt records are within a request for access, the Department will advise the individual of their existence and of the name and address of the source agency. For any further information concerning the record and the exemption, the individual must contact that source agency.

(b) The general exemptions determined to be necessary and proper with respect to systems of records maintained by the Department, including the parts of each system to be exempted, the provisions of the Act from which they are exempted, and the justification for the exemption, are as follows:

(1) *Individuals identified in Export Transactions—COMMERCE/BIS-1.* Pursuant to 5 U.S.C. 552a(j)(2), these records are hereby determined to be exempt from all provisions of the Act, except 5 U.S.C. 552a(b), (c)(1) and (2), (e)(4)(A) through (F), (e)(6), (7), (9), (10), and (11), and (i). These exemptions are necessary to ensure the proper functioning of the law enforcement activity, to protect confidential sources of

15 CFR Subtitle A (1-1-17 Edition)

information, to fulfill promises of confidentiality, to maintain the integrity of the law enforcement process, to avoid premature disclosure of the knowledge of criminal activity and the evidentiary bases of possible enforcement actions, to prevent interference with law enforcement proceedings, to avoid disclosure of investigative techniques, and to avoid endangering law enforcement personnel. Section 12(c) of the Export Administration Act of 1979, as amended, also protects this information from disclosure.

(2) *Fisheries Law Enforcement Case Files—COMMERCE/NOAA-5.* Pursuant to 5 U.S.C. 552a(j)(2), these records are hereby determined to be exempt from all provisions of the Act, except 5 U.S.C. 552a (b), (c) (1) and (2), (e) (4) (A) through (F), (e) (6), (7), (9), (10), and (11), and (i). These exemptions are necessary to ensure the proper functioning of the law enforcement activity, to protect confidential sources of information, to fulfill promises of confidentiality, to prevent interference with law enforcement proceedings, to avoid the disclosure of investigative techniques, to avoid the endangering of law enforcement personnel, to avoid premature disclosure of the knowledge of criminal activity and the evidentiary bases of possible enforcement actions, and to maintain the integrity of the law enforcement process.

(3) *Investigative and Inspection Records—COMMERCE/DEPT-12.* Pursuant to 5 U.S.C. 552a(j)(2), these records are hereby determined to be exempt from all provisions of the Act, except 5 U.S.C. 552a (b), (c) (1) and (2), (e)(4) (A) through (F), (e) (6), (7), (9), (10), and (11), and (i). These exemptions are necessary to ensure the proper operation of the law enforcement activity, to protect confidential sources of information, to fulfill promises of confidentiality, to prevent interference with law enforcement proceedings, to avoid the disclosure of investigative techniques, to avoid the endangering of law enforcement personnel, to avoid premature disclosure of the knowledge of criminal activity and the evidentiary bases of possible enforcement actions, and to maintain the integrity of the law enforcement process.

(4) *Access Control and Identity Management System*—COMMERCE/DEPT-25. Pursuant to 5 U.S.C. 552a(j)(2), these records are hereby determined to be exempt from all provisions of the Act, except 5 U.S.C. 552a(b), (c)(1) and (2), (e)(4)(A) through (F), (e)(6), (7), (9), (10), and (11), and (i). These exemptions are necessary to ensure the proper functioning of the law enforcement activity, to protect confidential sources of information, to fulfill promises of confidentiality, to maintain the integrity of the law enforcement process, to avoid premature disclosure of the knowledge of criminal activity and the evidentiary bases of possible enforcement actions, to prevent interference with law enforcement proceedings, to avoid disclosure of investigative techniques, and to avoid endangering law enforcement personnel.

[66 FR 65632, Dec. 20, 2001, as amended at 79 FR 62565, Oct. 20, 2014; 80 FR 68443, Nov. 5, 2015]

§ 4.34 Specific exemptions.

(a)(1) Certain systems of records under the Act that are maintained by the Department may occasionally contain material subject to 5 U.S.C. 552a(k)(1), relating to national defense and foreign policy materials. The systems of records published in the FEDERAL REGISTER by the Department that are within this exemption are: COMMERCE/BIS-1, COMMERCE/ITA-2, COMMERCE/ITA-3, COMMERCE/NOAA-11, COMMERCE-PAT-TM-4, COMMERCE/DEPT-12, COMMERCE/DEPT-13, COMMERCE/DEPT-14, and COMMERCE/DEPT-25.

(2) The Department hereby asserts a claim to exemption of such materials wherever they might appear in such systems of records, or any systems of records, at present or in the future. The materials would be exempt from 5 U.S.C. 552a (c)(3), (d), (e)(1), (e)(4) (G), (H), and (I), and (f), because the materials are required by Executive order to be kept secret in the interest of the national defense and foreign policy.

(b) The specific exemptions determined to be necessary and proper with respect to systems of records maintained by the Department, including the parts of each system to be exempted, the provisions of the Act from

which they are exempted, and the justification for the exemption, are as follows:

(1) Exempt under 5 U.S.C. 552a(k)(1). The systems of records exempt hereunder appear in paragraph (a) of this section. The claims for exemption of COMMERCE/DEPT-12, COMMERCE/BIS-1, COMMERCE/NOAA-5, and COMMERCE/DEPT-25 under this paragraph are subject to the condition that the general exemption claimed in § 4.33(b) is held to be invalid.

(2)(i) Exempt under 5 U.S.C. 552a(k)(2). The systems of records exempt (some only conditionally), the sections of the Act from which exempted, and the reasons therefor are as follows:

(A) Individuals identified in Export Administration compliance proceedings or investigations—COMMERCE/BIS-1, but only on condition that the general exemption claimed in § 4.33(b)(1) is held to be invalid;

(B) Individuals involved in export transactions—COMMERCE/ITA-2;

(C) Fisheries Law Enforcement Case Files—COMMERCE/NOAA-5, but only on condition that the general exemption claimed in § 4.33(b)(2) is held to be invalid;

(D) Investigative and Inspection Records—COMMERCE/DEPT-12, but only on condition that the general exemption claimed in § 4.33(b)(3) is held to be invalid;

(E) Investigative Records—Persons Within the Investigative Jurisdiction of the Department—COMMERCE/DEPT-13;

(F) Access Control and Identity Management System—COMMERCE/DEPT-25, but only on condition that the general exemption claimed in § 4.33(b)(4) is held to be invalid;

(ii) The foregoing are exempted from 5 U.S.C. 552a (c)(3), (d), (e)(1), (e)(4)(G), (H), and (I), and (f). The reasons for asserting the exemption are to prevent subjects of investigation from frustrating the investigatory process; to ensure the proper functioning and integrity of law enforcement activities; to prevent disclosure of investigative techniques; to maintain the ability to obtain necessary information; to fulfill

§ 4.34

commitments made to sources to protect their identities and the confidentiality of information; and to avoid endangering these sources and law enforcement personnel. Special note is taken that the proviso clause in this exemption imports due process and procedural protections for the individual. The existence and general character of the information exempted shall be made known to the individual to whom it pertains.

(3)(i) Exempt under 5 U.S.C. 552a(k)(4). The systems of records exempt, the sections of the Act from which exempted, and the reasons therefor are as follows:

(A) Special Censuses, Surveys, and Other Studies—COMMERCE/CENSUS-3;

(B) Economic Survey Collection—COMMERCE/CENSUS-4;

(C) Decennial Census Program—COMMERCE/CENSUS-5;

(D) Population Census Records for 1910 & All Subsequent Decennial Censuses—COMMERCE/CENSUS-6;

(E) Other Agency Surveys & Reimbursable—COMMERCE/CENSUS-7;

(F) Statistical Administrative Records System—COMMERCE/CENSUS-8;

(G) Longitudinal Employer-Household Dynamics System—COMMERCE/CENSUS-9; and

(H) Foreign Trade Statistics—COMMERCE/CENSUS-12.

(ii) The foregoing are exempted from 5 U.S.C. 552a(c)(3), (d), (e)(1), (e)(4)(G) (H), and (I), and (f). The reasons for asserting the exemption are to comply with the prescription of Title 13 of the United States Code, especially sections 8 and 9 relating to prohibitions against disclosure, and to avoid needless consideration of these records whose sole statistical use comports fully with a basic purpose of the Act, namely, that no adverse determinations are made from these records as to any identifiable individual.

(4)(i) Exempt under 5 U.S.C. 552a(k)(5). The systems of records exempt (some only conditionally), the sections of the Act from which exempted, and the reasons therefor are as follows:

(A) Applications to U.S. Merchant Marine Academy (USMMA)—COMMERCE/MA-1;

15 CFR Subtitle A (1-1-17 Edition)

(B) USMMA Midshipman Medical Files—COMMERCE/MA-17;

(C) USMMA Midshipman Personnel Files—COMMERCE/MA-18;

(D) USMMA Non-Appropriated Fund Employees—COMMERCE/MA-19;

(E) Applicants for the NOAA Corps—COMMERCE/NOAA-1;

(F) Commissioned Officer Official Personnel Folders—COMMERCE/NOAA-3;

(G) Conflict of Interest Records, Appointed Officials—COMMERCE/DEPT-3;

(H) Investigative and Inspection Records—COMMERCE/DEPT-12, but only on condition that the general exemption claimed in § 4.33(b)(3) is held to be invalid;

(I) Investigative Records—Persons within the Investigative Jurisdiction of the Department COMMERCE/DEPT-13;

(J) Litigation, Claims, and Administrative Proceeding Records—COMMERCE/DEPT-14; and

(K) Access Control and Identity Management System—COMMERCE/DEPT-25, but only on condition that the general exemption claimed in § 4.33(b)(4) is held to be invalid.

(ii) The foregoing are exempted from 5 U.S.C. 552a (c)(3), (d), (e)(1), (e)(4) (G), (H), and (I), and (f). The reasons for asserting the exemption are to maintain the ability to obtain candid and necessary information, to fulfill commitments made to sources to protect the confidentiality of information, to avoid endangering these sources and, ultimately, to facilitate proper selection or continuance of the best applicants or persons for a given position or contract. Special note is made of the limitation on the extent to which this exemption may be asserted. The existence and general character of the information exempted will be made known to the individual to whom it pertains.

(c) At the present time, the Department claims no exemption under 5 U.S.C. 552a(k) (3), (6) and (7).

AUTHORITY: E.O. 12958; 47 FR 14874, April 6, 1982; 47 FR 15557, April 12, 1982.

SOURCE: 66 FR 65650, Dec. 20, 2001, unless otherwise noted.

§ 4a.1 General.

Executive Order 12958 provides the only basis for classifying information within the Department of Commerce (Department), except as provided in the Atomic Energy Act of 1954, as amended. The Department's policy is to make information concerning its activities available to the public, consistent with

the need to protect the national defense and foreign relations of the United States. Accordingly, security classification shall be applied only to protect the national security.

§ 4a.2 Deputy Assistant Secretary for Security.

The Deputy Assistant Secretary for Security (DAS) is responsible for implementing E.O. 12958 and this part.

§ 4a.3 Classification levels.

Information may be classified as national security information by a designated original classifier of the Department if it is determined that the information concerns one or more of the categories described in § 1.5 of E.O. 12958. The levels established by E.O. 12958 (Top Secret, Secret, and Confidential) are the only terms that may be applied to national security information. Except as provided by statute, no other terms shall be used within the Department for the three classification levels.

§ 4a.4

§ 4a.4 Classification authority.

Authority to originally classify information as Secret or Confidential may be exercised only by the Secretary of Commerce and by officials to whom such authority is specifically delegated. No official of the Department is authorized to originally classify information as Top Secret.

§ 4a.5 Duration of classification.

(a) Information shall remain classified no longer than ten years from the date of its original classification, except as provided in § 1.6(d) of E.O. 12958. Under E.O. 12958, information may be exempted from declassification within ten years if the unauthorized disclosure of such information could reasonably be expected to cause damage to the national security for more than ten years and meets one of the eight criteria listed in § 1.6 (d).

(b) Department of Commerce originally classified information marked for an indefinite duration of classification under predecessor orders to E.O. 12958 shall be declassified after twenty years. Classified information contained in archive records determined to have permanent historical value under Title 44 of the United States Code shall be automatically declassified no longer than 25 years from the date of its original classification, except as provided in § 3.4(d) of E.O. 12958.

§ 4a.6 General.

National security information over which the Department exercises final classification jurisdiction shall be declassified or downgraded as soon as national security considerations permit. If information is declassified, it may continue to be exempt from public disclosure by the Freedom of Information Act (5 U.S.C. 552) or other applicable law.

§ 4a.7 Mandatory review for declassification.

(a) *Requests.* Classified information under the jurisdiction of the Department is subject to review for declassification upon receipt of a written request that describes the information with sufficient specificity to locate it with a reasonable amount of effort. Requests must be submitted to the Dep-

15 CFR Subtitle A (1-1-17 Edition)

uty Assistant Secretary for Security, U.S. Department of Commerce, Room 1069, 14th and Constitution Avenue, NW., Washington, DC 20230.

(b) *Exemptions.* The following are exempt from mandatory review for declassification:

(1) Information that has been reviewed for declassification within the past two years;

(2) Information that is the subject of pending litigation;

(3) Information originated by the incumbent President, the incumbent President's White House Staff, committees, commissions, or boards appointed by the incumbent President, or other entities within the Executive Office of the President that solely advise and assist the incumbent President; and

(4) Information specifically exempt from such review by law.

(c) *Processing requirements.* (1) The DAS shall acknowledge receipt of the request directly to the requester. If a request does not adequately describe the information sought in accordance with paragraph (a) of this section, the requester shall be notified that unless additional information is provided, no further action will be taken. The request shall be forwarded to the component that originated the information or that has primary interest in the subject matter. The component assigned action shall review the information in accordance with § 4a.7(c)(2) through (4) within twenty working days.

(2) The component assigned action shall determine whether, under the declassification provisions of the U.S. Department of Commerce Security Manual, the entire document or portions thereof may be declassified. Declassification of the information shall be accomplished by a designated declassification authority. Upon declassification the information shall be re-marked. If the information is not partially or entirely declassified, the reviewing official shall provide the reasons for denial by citing the applicable provisions of E.O. 12958. If the classification is a derivative decision based on classified source material of another Federal agency, the component shall provide the information to the originator for review.

(3) If information is declassified, the component shall also determine whether it is releasable under the Freedom of Information Act. If the information is not releasable, the component shall advise the DAS that the information has been declassified but that it is exempt from disclosure, citing the appropriate exemption of the Freedom of Information Act.

(4) If the request for declassification is denied in whole or in part, the requester shall be notified of the right to appeal the determination within sixty calendar days and of the procedures for such an appeal. If declassified information remains exempt from disclosure under the Freedom of Information Act, the requester shall be advised of the appellate procedures under that law.

(d) *Fees.* If the request requires services for which fees are chargeable, the component assigned action shall calculate the anticipated fees to be charged, and may be required to ascertain the requester's willingness to pay the allowable charges as a precondition to taking further action on the request, in accordance with § 4.11 of the Department of Commerce Freedom of Information Act rules and § 4.31 of the Department's Privacy Act rules.

(e) *Right of appeal.* (1) A requester may appeal to the DAS when information requested under this section is not completely declassified and released after expiration of the applicable time limits. Within thirty working days (*i.e.*, excluding Saturdays, Sundays, and legal public holidays) of receipt of a written appeal:

(i) The DAS shall determine whether continued classification of the requested information is required in whole or in part;

(ii) If information is declassified, determine whether it is releasable under the Freedom of Information Act; and

(iii) Notify the requester of his or her determination, making available any information determined to be releasable. If continued classification is required under the provisions of the Department of Commerce National Security Manual, the DAS shall notify the requester of his or her determination, including the reasons for denial based on applicable provisions of E.O. 12958, and of the right of final appeal to the

Interagency Security Classification Appeals Panel.

(2) During the declassification review of information under appeal the DAS may overrule previous determinations in whole or in part if continued protection in the interest of national security is no longer required. If the DAS determines that the information no longer requires classification, it shall be declassified and, unless it is otherwise exempt from disclosure under the Freedom of Information Act, released to the requester. The DAS shall advise the original reviewing component of his or her decision.

§ 4a.8 Access to classified information by individuals outside the Government.

(a) *Industrial, Educational, and Commercial Entities.* Certain bidders, contractors, grantees, educational, scientific, or industrial organizations may receive classified information under the procedures prescribed by the National Industrial Security Program Operating Manual.

(b) *Access by historical researchers and former Presidential appointees.* An individual engaged in historical research projects or who has previously occupied a policy-making position to which he or she was appointed by the President may be authorized access to classified information for a limited period, provided that the head of the component with jurisdiction over the information:

(1) Determines in writing that:

(i) Access is consistent with national security;

(ii) The individual has a compelling need for access; and

(iii) The Department's best interest is served by providing access;

(2) Obtains in writing from the individual:

(i) Consent to a review by the Department of any resultant notes and manuscripts for the purpose of determining that no classified information is contained in them; and

(ii) Agreement to safeguard classified information in accordance with applicable requirements; and

(iii) A detailed description of the individual's research;

(3) Ensures that custody of classified information is maintained at a Department facility;

(4) Limits access granted to former Presidential appointees to items that the individual originated, reviewed, signed, or received while serving as a Presidential appointee; and

(5) Receives from the DAS:

(i) A determination that the individual is trustworthy; and

(ii) Approval to grant access to the individual.

(c) An individual seeking access should describe the information with sufficient specificity to locate and compile it with a reasonable amount of effort. If the access requested by a historical researcher or former Presidential appointee requires services for which fees are chargeable, the responsible component shall notify the individual in advance.

(d) This section applies only to classified information originated by the Department, or to information in the sole custody of the Department. Otherwise, the individual shall be referred to the classifying agency.

§ 5.1 Purpose.

This part prescribes regulations to assure the granting of preference to blind persons licensed under the provisions of the Randolph-Sheppard Vending Stand Act (49 Stat. 1559, as amended by the act of August 3, 1954, 68 Stat. 663; 20 U.S.C. 107) for the operation of vending stands (which term as used in this order includes vending machines).

§ 5.2 Policy.

(a) The Department adopts the Federal policy announced in the Randolph-Sheppard Vending Stand Act, as amended, to provide blind persons with remunerative employment to enlarge the economic opportunities of the blind and to stimulate the blind to greater efforts in striving to make themselves self-supporting.

(b) It shall be the policy of the Department to authorize blind persons licensed under the provisions of the Randolph-Sheppard Vending Stand Act, as amended to operate vending stands without any charge for space or necessary utilities on properties owned and occupied by the Department or on which the Department controls maintenance, operation, and protection.

(c) The Department will cooperate with the Department of Education and State licensing agencies in making surveys to determine whether and where vending stands may be properly and profitably operated by licensed blind persons.

(d) The application of a State licensing agency for a permit may be denied or revoked if it is determined that the interests of the United States would be adversely affected or the Department would be unduly inconvenienced by the issuance of a permit or its continuance.

(e) Disagreements concerning the denial, revocation, or modification of a permit may be appealed by the State licensing agency as set forth in § 5.6.

[28 FR 7772, July 31, 1963, as amended at 55 FR 53489, Dec. 31, 1990]

Where no corrective action is forthcoming, the matter shall be referred to the Office of Vocational Rehabilitation, Department of Education for consideration prior to further action.

[28 FR 7772, July 31, 1963, as amended at 55 FR 53489, Dec. 31, 1990]

§ 5.4 Permits.

(a) No permit, lease, or other arrangement for the operation of a vending stand on property under control of the Department shall be entered into or renewed without first consulting the State licensing agency or equivalent authority.

(b) The permit shall be conditioned upon the vending stand meeting specified standards, including standards relating to appearance, safety, sanitation, maintenance, and efficiency of operation. Due regard shall be given to laws and regulations for the public welfare which are applicable, or would be applicable, if the property involved was not owned or controlled by the Federal Government.

(c) The permit shall specify the types of articles specified in section 2(a)(4) of the Act as amended (newspapers, periodicals, confections, tobacco products, articles dispensed automatically or in containers or wrappings in which they are placed before delivery to the vending stand). Such other related articles as the State licensing agency asks to be included shall be permitted to be sold, unless such factors as inadequacy of available facilities, safety, health, public welfare, or legal requirements demand otherwise.

(d) The permit shall contain a provision that alterations made by other than the United States shall be approved by and conducted under the su-

per vision of an appropriate official of the Department or the primary organization unit concerned.

(e) The permit may contain other reasonable conditions necessary for the protection of the Government and prospective patrons of the stand.

(f) The permit shall describe the location of the stand proper and the location of any vending machines which are operated in conjunction with it.

§ 5.5 Vending machines.

(a) The income from any vending machines which are located within reasonable proximity to and are in direct competition with a vending stand for which a permit has been issued under these regulations shall be assigned to the operator of such stand.

(b) If a vending machine vends articles of a type authorized by the permit and is so located that it attracts customers who would otherwise patronize the vending stand, such machine shall be deemed to be in reasonable proximity to and direct competition with the stand.

§ 5.6 Appeals.

(a) In any instance where the Department of Commerce official as provided in § 5.3(c) and the State licensing agency fail to reach agreement concerning the granting, revocation, or modification of a permit, the location, method of operation, assignment of proceeds, or other terms of a permit (including articles which may be sold), the State licensing agency shall be notified in writing by the Commerce official concerned that it has the right to appeal such disagreements, within 30 days of the notice, to the Assistant Secretary for Administration for investigation and final decision.

(b) Upon receipt of a timely appeal the Assistant Secretary for Administration will cause a full investigation to be made. The State licensing agency shall be given an opportunity to present information pertinent to the facts and circumstances of the case. The complete investigation report including the recommendations of the investigating officer shall be submitted to the Assistant Secretary for Administration within 60 days from the date of the appeal.

§ 5.7

(c) The Assistant Secretary for Administration will render a final decision on the appeal within 90 days of the date of appeal.

(iv) Restricts a person in any way in the enjoyment of services, facilities, or any other advantage, privilege, property, or benefit provided to others under the programs;

(v) Treats a person differently from others in determining whether he satisfies any admission, enrollment, quota, eligibility, membership, or other requirement or condition which persons must meet in order to be provided any service, financial aid, or other benefit provided under the program;

(vi) Denies a person an opportunity to participate in the program through the provision of property or services or otherwise, or affords him an opportunity to do so which is different from that afforded others under the program (including the opportunity to participate in the program as an employee but only to the extent set forth in paragraph (c) of this section);

(vii) Denies a person the same opportunity or consideration given others to be selected or retained or otherwise to participate as a contractor, subcontractor, or subgrantee;

(viii) Denies a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, or other party subject to this part, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any program, or the class of persons to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program, or the class of persons to be afforded an opportunity to participate in any such program, shall not, directly or through contractual or other arrangements,

15 CFR Subtitle A (1-1-17 Edition)

utilize criteria or methods of administration which have the effect of subjecting persons to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program as respect any persons of a particular race, color, or national origin.

(3) In determining the site or location of facilities, a recipient or other party subject to this part may not make selections with the purpose or effect of excluding persons from, denying them the benefits of, or subjecting them to discrimination under any program to which this part applies, on the grounds of race, color or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this part.

(4) As used in this section, the services, financial aid, or other benefits provided under a program receiving Federal financial assistance shall be deemed to include any service, financial aid, or other benefit provided or made available in or through or utilizing a facility provided with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in this paragraph and paragraph (c) of this section does not limit the generality of the prohibition in paragraph (a) of this section.

(6)(i) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, or national origin, the recipient must take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of such prior discrimination, a recipient in administering a program may take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color or national origin.

(c) *Employment practices.* (1) Where a primary objective of the Federal financial assistance to a program to which this part applies is to provide employment, a recipient or other party subject to this part shall not, directly or

through contractual or other arrangements, subject a person to discrimination on the ground of race, color, or national origin in its employment practices under such program (including recruitment or recruitment advertising, hiring, firing, upgrading, promotion, demotion, transfer, layoff, termination, rates of pay or other forms of compensation or benefits, selection for training or apprenticeship, use of facilities, and treatment of employees). Such recipients and other parties subject to this part shall take affirmative action to ensure that applicants are employed, and employees are treated during employment without regard to their race, color, or national origin. Such recipients and other parties subject to this part shall, as may be required by supplemental regulations, develop a written affirmative action plan. The requirements applicable to construction employment under any such program shall be in addition to those specified in or pursuant to Part III of Executive Order 11246 or any Executive order which supersedes it. Federal financial assistance to programs under laws funded or administered by the Department which has as a primary objective the providing of employment include those set forth in Appendix A II of this part.

(2) Where a primary objective of the Federal financial assistance to a program to which this part applies is not to provide employment, but discrimination on the grounds of race, color, or national origin, in the employment practices of the recipient or other party subject to this part, tends, on the grounds of race, color, or national origin, to exclude persons from participating in, to deny them the benefits of, or to subject them to discrimination under any such program, the provisions of paragraph (c)(1) of this section shall apply to the employment practices of the recipient or other party subject to this part, to the extent necessary to assure equality of opportunity to, and nondiscriminatory treatment of such persons.

§ 8.5 Nondiscrimination clause.

(a) *Applicability.* Every application for, and every grant, loan, or contract authorizing approval of, Federal financial assistance and to provide a facility subject to this part, and every modification or amendment thereof, shall, as a condition to its approval and to the extension of any Federal financial assistance pursuant thereto, contain or be accompanied by an assurance that the program will be conducted in compliance with all requirements imposed by or pursuant to this part. The assurances shall be set forth in a nondiscrimination clause. The responsible Department official shall specify the form and contents of the nondiscrimination clause for each program as appropriate.

(b) *Contents.* Without limiting its scope or language in any way, a nondiscrimination clause shall contain, where determined to be appropriate, and in an appropriate form, reference to the following assurances, undertakings, and other provisions:

(1) That the recipient or other party subject to this part will not participate directly or indirectly in the discrimination prohibited by § 8.4, including employment practices when a program covering such is involved.

(2) That when employment practices are covered, the recipient or other party subject to this part will (i) in all solicitations or advertisements for employees placed by or for the recipient, state that qualified applicants will receive consideration for employment without regard to race, color, or national origin; (ii) notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding of the recipient's commitments under this section; (iii) post the nondiscrimination clause and the notice to labor unions in conspicuous places available to employees and applicants for employment; and (iv) otherwise comply with the requirements of § 8.4(c).

(3) When continuing Federal financial assistance is involved, the recipient thereunder (i) will state that the program is (or, in the case of a new program, will be) conducted in compliance with all requirements imposed by

§ 8.5

or pursuant to this part, and (ii) will provide for such methods of administration for the program as are found by the responsible Department official to give reasonable assurance that all recipients of Federal financial assistance under such program and any other parties connected therewith subject to this part will comply with all requirements imposed by or pursuant to this part.

(4) That the recipient agrees to secure the compliance or to cooperate actively with the Department to secure the compliance by others with this part and the nondiscrimination clause as may be directed under an applicable program. For instance, the recipient may be requested by the responsible Department official to undertake and agree (i) to obtain or enforce or to assist and cooperate actively with the responsible Department official in obtaining or enforcing, the compliance of other recipients or of other parties subject to this part with the nondiscrimination required by this part; (ii) to insert appropriate nondiscrimination clauses in the respective contracts with or grants to such parties; (iii) to obtain and to furnish to the responsible Department official such information as he may require for the supervision or securing of such compliance; (iv) to carry out sanctions for noncompliance with the obligations imposed upon recipients and other parties subject to this part; and (v) to comply with such additional provisions as the responsible Department official deems appropriate to establish and protect the interests of the United States in the enforcement of these obligations. In the event that the cooperating recipient becomes involved in litigation with a noncomplying party as a result of such departmental direction, the cooperating recipient may request the Department to enter into such litigation to protect the interests of the United States.

(5) In the case of real property, structures or improvements thereon, or interests therein, which are acquired for a program receiving Federal financial assistance, or in the case where Federal financial assistance is provided in the form of a transfer of real property or interest therein from the Federal

15 CFR Subtitle A (1-1-17 Edition)

Government, the instrument effecting or recording the transfer shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. Where no transfer of property is involved, but property is improved with Federal financial assistance, the recipient shall agree to include such a covenant in any subsequent transfer of such property. Where the property is obtained from the Federal Government, such covenant may also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant where, in the discretion of the responsible Department official, such a condition and right of reverter is appropriate to the statute under which the real property is obtained and to the nature of the grant and the grantee. In such event if a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing facilities on such property for the purposes for which the property was transferred, the responsible Department official may agree, upon request of the transferee and if necessary to accomplish such financing, and upon such conditions as he deems appropriate to forebear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective.

(6) In programs receiving Federal financial assistance in the form, or for the acquisition, of real property or an interest in real property to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance the nondiscrimination requirements of this part shall extend to any facility located wholly or in part in such space.

(7) That a recipient shall not take action that is calculated to bring about

indirectly what this part forbids it to accomplish directly.

(8) Provisions specifying the extent to which like assurances will be required of subgrantees, contractors and subcontractors, lessees, transferees, successors in interest, and other participants in the program.

(9) Provisions which give the United States a right to seek judicial enforcement of the assurances.

(10) In the case where any assurances are required from an academic, a medical care, detention or correctional, or any other institution or facility, insofar as the assurances relate to the institution's practices with respect to the admission, care, or other treatment of persons by the institution or with respect to the opportunity of persons to participate in the receiving or providing of services, treatment, or benefits, such assurances shall be applicable to the entire institution or facility.

(11) In the case where the Federal financial assistance is in the form of or to aid in the acquisition of personal property, or real property or interest therein or structures thereon, the assurance shall obligate the recipients, or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services and benefits, or for as long as the recipient or transferee retains ownership or possession of the property, whichever is longer. In the case of any other type or form of assistance, the assurances shall be in effect for the duration of the period during which Federal financial assistance is extended to the program.

§ 8.6 Applicability of this part to Department assisted programs.

The following examples illustrate the applicability of this part to programs which receive or may receive Federal financial assistance administered by the Department. discrimination referred to is that described in § 8.4 against persons on the ground of race, color, or national origin.

(a) *Assistance to support economic development.* Discrimination in which recipients and other parties subject to this part shall not engage, directly or indirectly, includes discrimination in

§8.6

15 CFR Subtitle A (1-1-17 Edition)

(b) *Assistance to support the training of students.* A current example of such assistance is that received by State maritime academies or colleges, by contract, of facilities (vessels), related equipment and funds to train merchant marine officers. In this and other instances of student training, discrimination which is prohibited by recipients and other parties subject to this part includes discrimination in the selection of persons to be trained and in their treatment by the recipients in any aspect of the educational process and discipline during their training, or in the availability or use of any academic, housing, eating, recreational, or other facilities and services, or in financial assistance to students furnished or controlled by the recipients or incidental to the program. In any case where selection of trainees is made from a predetermined group, such as the students in an institution or area, the group must be selected without discrimination.

(c) *Assistance to support mobile or other trade fairs.* In programs in which operators of mobile trade fairs using U.S. flag vessels and aircraft and designed to exhibit and sell U.S. products abroad, or in which other trade fairs or exhibitions, receive technical and financial assistance, discrimination which is prohibited by recipients and other parties subject to this part includes discrimination in the selection or retention of any actual or potential exhibitors, or in access to or use of the services or accommodations by, or otherwise with respect to treatment of, exhibitors or their owners, officers, employees, or agents.

(d) *Assistance to support business entities eligible for trade adjustment assistance.* In programs in which eligible business entities receive any measure or kind of technical, financial or tax adjustment assistance because of or in connection with the impact of U.S. international trade upon such business, discrimination which is prohibited by recipients and other parties subject to this part includes discrimination in their employment practices as defined in §8.4(c).

(e) *Assistance to support research and development and related activities.* In programs in which individuals, edu-

cational or other institutions, public governmental or business entities receive Federal financial assistance in order to encourage or foster research or development activities as such, or to obtain, promote, develop, or protect thereby technical, scientific, environmental, or other information, products, facilities, resources, or services which are to be made available to or used by others; but where such programs do not constitute Government procurement of property or services, discrimination which is prohibited by recipients and other parties subject to this part includes discrimination with respect to (1) the choice, retention or treatment of contractors, subcontractors, subgrantees or of any other person; (2) the provision of services, facilities, or financial aid; (3) the participation of any party in the research activities; (4) the dissemination to or use by any person of the results or benefits of the research or development, whether in the form of information, products, services, facilities, resources, or otherwise. If research is performed within an educational institution under which it is expected that students or others will participate in the research as a part of their experience or training, on a compensated or uncompensated basis, there shall be no discrimination in admission of students to, or in their treatment by, that part of the school from which such students are drawn or in the selection otherwise of trainees or participants. The recipient educational institutions will be required to give the assurances provided in §8.5(b)(10).

(f) *Assistance to aid in the operations of vessels engaged in U.S. foreign commerce.* In programs in which the operators of American-flag vessels used to furnish shipping services in the foreign commerce of the United States receive Federal financial assistance in the form of operating differential subsidies, discrimination which is prohibited by recipients and other parties subject to this part includes discrimination in soliciting, accepting or serving in any way passengers or shippers of cargo entitled to protection in the United States under the Act.

Subpart B—General Compliance**§ 8.7 Cooperation, compliance reports and reviews and access to records.**

(a) *Cooperation and assistance.* Each responsible Department official shall to the fullest extent practicable seek the cooperation of recipients and other parties subject to this part in obtaining compliance with this part and shall provide assistance and guidance to recipients and other parties to help them comply voluntarily with this part.

(b) *Compliance reports.* Each recipient and other party subject to this part shall keep such records and submit to the responsible Department official timely, complete, and accurate compliance reports at such times and in such form and containing such information as the responsible Department official may determine to be necessary to enable him to ascertain whether the recipient or such other party has complied or is complying with this part. In general, recipients should have available for the department racial and ethnic data showing the extent to which members of minority groups are beneficiaries of federally assisted programs. In the case in which a primary recipient extends Federal financial assistance to any other recipient, or under which a recipient is obligated to obtain or to cooperate in obtaining the compliance of other parties subject to this part, such other recipients or other parties shall also submit such compliance reports to the primary recipient or recipients as may be necessary to enable them to carry out their obligations under this part.

(c) *Access to sources of information.* Each recipient or other party subject to this part shall permit access by the responsible Department official or his designee during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities, as may be pertinent to ascertain compliance with this part. Where any information required of a recipient or other party is in the exclusive possession of another who fails or refuses to furnish this information, the recipient or other party shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) *Information to beneficiaries and participants.* Each recipient or other party subject to this part shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program for which the recipient receives Federal financial assistance, and make such information available to them in such manner as this part and the responsible Department official finds necessary to apprise such persons of the protections against discrimination assured them by the Act and this part.

(e) *Compliance review.* The responsible Department official or his designee shall from time to time review the practices of recipients and other parties subject to this part to determine whether they are complying with this part.

§ 8.8 Complaints.

(a) *Filing complaints.* Any person who believes himself or any specific class of persons to be subjected to discrimination prohibited by this part may by himself or by a representative file with the responsible Department official a written complaint. A complaint shall be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the responsible Department official.

(b) [Reserved]

§ 8.9 Intimidatory or retaliatory acts prohibited.

(a) No recipient or other party subject to this part shall intimidate, threaten, coerce, or discriminate against, any person for the purpose of interfering with any right or privilege secured by section 601 of the Act of this part, or because the person has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part.

(b) The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial or other proceeding arising thereunder.

§ 8.10

15 CFR Subtitle A (1-1-17 Edition)

§ 8.10 Investigations.

(a) *Making the investigation.* The responsible Department official or his designee will make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part. The investigation shall include, where appropriate, a review of the pertinent practices and policies of the recipient or other party subject to this part, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether there has been a failure to comply with this part.

(b) *Resolution of matters.* (1) If an investigation pursuant to paragraph (a) of this section indicates a failure to comply with this part, the responsible Department official will so inform the recipient or other party subject to this part and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in § 8.11.

(2) If an investigation does not warrant action pursuant to paragraph (b)(1) of this section, the responsible Department official will so inform the recipient or other party subject to this part and the complainant, if any, in writing.

§ 8.11 Procedures for effecting compliance.

(a) *General.* If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual under-

taking, and (2) any applicable proceeding under State or local law.

(b) *Noncompliance with § 8.5.* If a recipient or other party subject to this part fails or refuses to furnish an assurance required under § 8.5 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under said paragraph except that the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application or contract therefor approved prior to the effective date of this part.

(c) *Termination of or refusal to grant or to continue Federal financial assistance.* No order suspending, terminating, or refusing to grant or continue Federal financial assistance shall become effective until (1) the responsible Department official has advised the recipient or other party subject to this part of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the record, after opportunity for hearing, of a failure by such recipient or other party to comply with a requirement imposed by or pursuant to this part, (3) the action has been approved by the Secretary pursuant to § 8.13(e), and (4) the expiration of 30 days after the Secretary has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other recipient or other party as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) *Other means authorized by law.* No action to effect compliance by any other means authorized by law shall be

taken until (1) the responsible Department official has determined that compliance cannot be secured by voluntary means, (2) the recipient or other party has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least 10 days from the mailing of such notice to the recipient or other party. During this period of at least 10 days additional efforts shall be made to persuade the recipient or other party to comply with this part and to take such corrective action as may be appropriate.

§ 8.12 Hearings.

(a) *Opportunity for hearing.* Whenever an opportunity for a hearing is required by § 8.11(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected recipient or other party subject to this part. This notice shall advise the recipient or other party of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date of such notice within which the recipient or other party may request of the responsible Department official that the matter be scheduled for hearing, or (2) advise the recipient or other party that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. A recipient or other party may waive a hearing and submit written information and argument for the record. The failure of a recipient or other party to request a hearing under this paragraph of this section or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and § 8.11(c) and consent to the making of a decision on the basis of such information as is available.

(b) *Time and place of hearing.* Hearings shall be held at the offices of the Department in Washington, D.C., at a time fixed by the responsible Depart-

ment official or hearing officer unless he determines that the convenience of the recipient or other party or of the Department requires that another place be selected. Hearings shall be held before the responsible Department official, or at his discretion, before a hearing officer.

(c) *Right to counsel.* In all proceedings under this section, the recipient or other party and the Department shall have the right to be represented by counsel.

(d) *Procedures, evidence, and record.* (1) The hearing, decision, and any administrative review thereof shall be conducted in conformity with 5 U.S.C. 554-557 (sections 5-8 of the Administrative Procedures Act), and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Department and the recipient or other party shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) *Consolidated or joint hearings.* In cases in which the same or related

§ 8.13

facts are asserted to constitute non-compliance with this part with respect to two or more Federal statutes, authorities, or other means by which Federal financial assistance is extended and to which this part applies, or noncompliance with this part and the regulations of one or more other Federal departments or agencies issued under Title VI of the Act, the Secretary may, by agreement with such other departments or agencies where applicable, provide for the conduct of consolidated or joint hearings and for the application to such hearings of rules of procedures not inconsistent with this part. Final decisions in such cases, insofar as this part is concerned, shall be made in accordance with § 8.13.

§ 8.13 Decisions and notices.

(a) *Decision by person other than the responsible Department official.* If the hearing is held by a hearing officer such hearing officer shall either make an initial decision, if so authorized, or certify the entire record including his recommended findings and proposed decision to the responsible Department official for a final decision, and a copy of such initial decision or certification shall be mailed to the recipient or other party subject to this part. Where the initial decision is made by the hearing officer, the recipient or other party may within 30 days of the mailing of such notice of initial decision file with the responsible Department official his exceptions to the initial decision, with his reasons therefor. In the absence of exceptions, the responsible Department official may on his own motion within 45 days after the initial decision serve on the recipient or other party a notice that he will review the decision. Upon the filing of such exceptions or of such notice of review, the responsible Department official shall review the initial decision and issue his own decision thereon including the reasons therefor. In the absence of either exceptions or a notice of review the initial decision shall constitute the final decision of the responsible Department official.

(b) *Decisions on record or review by the responsible Department official.* Whenever a record is certified to the responsible Department official for decision

15 CFR Subtitle A (1-1-17 Edition)

or he reviews the decision of a hearing officer pursuant to paragraph (a) of this section, or whenever the responsible Department official conducts the hearing, the recipient or other party shall be given reasonable opportunity to file with him briefs or other written statements of its contentions, and a copy of the final decision of the responsible Department official shall be given in writing to the recipient or other party and to the complainant, if any.

(c) *Decisions on record where a hearing is waived.* Whenever a hearing is waived pursuant to § 8.12(a) a decision shall be made by the responsible departmental official on the record and a copy of such decision shall be given in writing to the recipient or other party, and to the complainant, if any.

(d) *Ruling required.* Each decision of a hearing officer or responsible Department official shall set forth his ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this part with which it is found that the recipient or other party has failed to comply.

(e) *Approval by Secretary.* Any final decision of a responsible Department official (other than the Secretary) which provides for the suspension or termination of, or the refusal to grant or continue, Federal financial assistance, or the imposition of any other sanction available under this part of the Act, shall promptly be transmitted to the Secretary, who may approve such decision, may vacate it, or remit or mitigate any sanction imposed.

(f) *Content of orders.* The final decision may provide for suspension or termination of, or refusal to grant or continue, Federal financial assistance, in whole or in part, to which this regulation applies, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this part, including provisions designed to assure that no Federal financial assistance to which this regulation applies will thereafter be extended to the recipient or other party determined by such decision to be in default in its performance of an assurance given by it pursuant to this part, or to have otherwise failed to comply with this part,

Office of the Secretary, Commerce

§ 8.15

unless and until it corrects its non-compliance and satisfies the responsible Department official that it will fully comply with this part.

(g) *Posttermination proceedings.* (1) Any recipient or other party which is adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with this part and provides reasonable assurance that it will fully comply with this part.

(2) Any recipient or other party adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request the responsible Department official to restore fully its eligibility to receive Federal financial assistance. Any such request shall be supported by information showing that the recipient or other party has met the requirements of paragraph (g)(1) of this section. If the responsible Department official determines that those requirements have been satisfied, he shall restore such eligibility.

(3) If the responsible Department official denies any such request, the recipient or other party may submit a request for a hearing in writing, specifying why it believes such official to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record in accordance with rules of procedure issued by the responsible Department official. The recipient or other party will be restored to such eligibility if it proves at such a hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section shall remain in effect.

§ 8.14 Judicial review.

Action taken pursuant to section 602 of the Act is subject to judicial review as provided in section 603 of the Act.

§ 8.15 Effect on other laws; supplementary instructions; coordination.

(a) *Effect on other laws.* All regulations, orders, or like directions here-

before issued by any officer of the Department which impose requirements designed to prohibit any discrimination against individuals on the ground of race, color, or national origin under any program to which this part applies, and which authorizes the suspension or termination of or refusal to grant or to continue Federal financial assistance to any recipient or other party subject to this part of such assistance for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this part shall be deemed to relieve any one of any obligations assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to January 9, 1965. The purpose of these Title IX regulations is to effectuate Title IX of the Education Amendments of 1972, as amended (except sections 904 and 906 of those Amendments) (20 U.S.C. 1681, 1682, 1683, 1685, 1686, 1687, 1688), which is designed to eliminate (with certain exceptions) discrimination on the basis of sex in any education program or activity receiving Federal financial assistance, whether or not such program or activity is offered or sponsored by an educational institution as defined in these Title IX regulations. The effective date of these Title IX regulations shall be September 29, 2000.

§ 8a.105 Definitions.

As used in these Title IX regulations, the term:

Administratively separate unit means a school, department, or college of an educational institution (other than a local educational agency) admission to which is independent of admission to any other component of such institution.

Admission means selection for part-time, full-time, special, associate, transfer, exchange, or any other enrollment, membership, or matriculation in or at an education program or activity operated by a recipient.

Applicant means one who submits an application, request, or plan required to be approved by an official of the Federal agency that awards Federal financial assistance, or by a recipient, as a condition to becoming a recipient.

Designated agency official means with respect to any program receiving Federal financial assistance, the Secretary or other official of the Department who by law or by delegation has the principal authority within the Department for the administration of a law extending such assistance. *Designated agency official* also means any officials so designated by due delegation of authority within the Department to act in such

capacity with regard to any program under these Title IX regulations.

Educational institution means a local educational agency (LEA) as defined by 20 U.S.C. 8801(18), a preschool, a private elementary or secondary school, or an applicant or recipient that is an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, or an institution of vocational education, as defined in this section.

Federal financial assistance means any of the following, when authorized or extended under a law administered by the Federal agency that awards such assistance:

(1) A grant or loan of Federal financial assistance, including funds made available for:

(i) The acquisition, construction, renovation, restoration, or repair of a building or facility or any portion thereof; and

(2) A grant of Federal real or personal property or any interest therein, including surplus property, and the proceeds of the sale or transfer of such property, if the Federal share of the fair market value of the property is not, upon such sale or transfer, properly accounted for to the Federal Government.

(3) Provision of the services of Federal personnel.

(4) Sale or lease of Federal property or any interest therein at nominal consideration, or at consideration reduced for the purpose of assisting the recipient or in recognition of public interest to be served thereby, or permission to use Federal property or any interest therein without consideration.

(5) Any other contract, agreement, or arrangement that has as one of its purposes the provision of assistance to any education program or activity, except a contract of insurance or guaranty.

Institution of graduate higher education means an institution that:

(1) Offers academic study beyond the bachelor of arts or bachelor of science

degree, whether or not leading to a certificate of any higher degree in the liberal arts and sciences;

(2) Awards any degree in a professional field beyond the first professional degree (regardless of whether the first professional degree in such field is awarded by an institution of undergraduate higher education or professional education); or

(3) Awards no degree and offers no further academic study, but operates ordinarily for the purpose of facilitating research by persons who have received the highest graduate degree in any field of study.

Institution of professional education means an institution (except any institution of undergraduate higher education) that offers a program of academic study that leads to a first professional degree in a field for which there is a national specialized accrediting agency recognized by the Secretary of Education.

Institution of undergraduate higher education means:

(3) An agency or body that certifies credentials or offers degrees, but that may or may not offer academic study.

Institution of vocational education means a school or institution (except an institution of professional or graduate or undergraduate higher education) that has as its primary purpose preparation of students to pursue a technical, skilled, or semiskilled occupation or trade, or to pursue study in a technical field, whether or not the school or institution offers certificates, diplomas, or degrees and whether or not it offers full-time study.

Recipient means any State or political subdivision thereof, or any instrumentality of a State or political subdivision thereof, any public or private agency, institution, or organization, or other entity, or any person, to whom

§8a.110

Federal financial assistance is extended directly or through another recipient and that operates an education program or activity that receives such assistance, including any subunit, successor, assignee, or transferee thereof.

§8a.110 Remedial and affirmative action and self-evaluation.

(a) *Remedial action*. If the designated agency official finds that a recipient has discriminated against persons on the basis of sex in an education program or activity, such recipient shall take such remedial action as the designated agency official deems necessary to overcome the effects of such discrimination.

(b) *Affirmative action*. In the absence of a finding of discrimination on the basis of sex in an education program or activity, a recipient may take affirmative action consistent with law to overcome the effects of conditions that resulted in limited participation therein by persons of a particular sex. Nothing in these Title IX regulations shall be interpreted to alter any affirmative action obligations that a recipient may have under Executive Order 11246, 3 CFR, 1964-1965 Comp., p. 339; as amend-

15 CFR Subtitle A (1-1-17 Edition)

ed by Executive Order 11375, 3 CFR, 1966-1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966-1970 Comp., p. 803; as amended by Executive Order 12086, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264.

(2) Modify any of these policies and practices that do not or may not meet the requirements of these Title IX regulations; and

(3) Take appropriate remedial steps to eliminate the effects of any discrimination that resulted or may have resulted from adherence to these policies and practices.

(d) *Availability of self-evaluation and related materials*. Recipients shall maintain on file for at least three years following completion of the evaluation required under paragraph (c) of this section, and shall provide to the designated agency official upon request, a description of any modifications made pursuant to paragraph (c)(2) of this section and of any remedial steps taken pursuant to paragraph (c)(3) of this section.

§8a.115 Assurance required.

(a) *General*. Either at the application stage or the award stage, Federal agencies must ensure that applications for Federal financial assistance or awards of Federal financial assistance contain, be accompanied by, or be covered by a specifically identified assurance from the applicant or recipient, satisfactory to the designated agency official, that each education program or activity operated by the applicant or recipient and to which these Title IX regulations apply will be operated in compliance with these Title IX regulations. An assurance of compliance with these Title IX regulations shall not be satisfactory to the designated agency official if the

applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with § 8a.110(a) to eliminate existing discrimination on the basis of sex or to eliminate the effects of past discrimination whether occurring prior to or subsequent to the submission to the designated agency official of such assurance.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended to provide real property or structures thereon, such assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used to provide an education program or activity.

(2) In the case of Federal financial assistance extended to provide personal property, such assurance shall obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases such assurance shall obligate the recipient for the period during which Federal financial assistance is extended.

(c) *Form.* (1) The assurances required by paragraph (a) of this section, which may be included as part of a document that addresses other assurances or obligations, shall include that the applicant or recipient will comply with all applicable Federal statutes relating to nondiscrimination. These include but are not limited to: Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683, 1685-1688).

(2) The designated agency official will specify the extent to which such assurances will be required of the applicant's or recipient's subgrantees, contractors, subcontractors, transferees, or successors in interest.

§ 8a.120 Transfers of property.

If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee that operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government, both the transferor and the transferee shall be

deemed to be recipients, subject to the provisions of §§ 8a.205 through 8a.235(a).

§ 8a.125 Effect of other requirements.

(a) *Effect of other Federal provisions.* The obligations imposed by these Title IX regulations are independent of, and do not alter, obligations not to discriminate on the basis of sex imposed by Executive Order 11246, 3 CFR, 1964-1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966-1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966-1970 Comp., p. 803; as amended by Executive Order 12087, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264; sections 704 and 855 of the Public Health Service Act (42 U.S.C. 295m, 298b-2); Title VII of the Civil Rights Act of 1964 (42 U.S.C. 2000e *et seq.*); the Equal Pay Act of 1963 (29 U.S.C. 206); and any other Act of Congress or Federal regulation.

(b) *Effect of State or local law or other requirements.* The obligation to comply with these Title IX regulations is not obviated or alleviated by any State or local law or other requirement that would render any applicant or student ineligible, or limit the eligibility of any applicant or student, on the basis of sex, to practice any occupation or profession.

(c) *Effect of rules or regulations of private organizations.* The obligation to comply with these Title IX regulations is not obviated or alleviated by any rule or regulation of any organization, club, athletic or other league, or association that would render any applicant or student ineligible to participate or limit the eligibility or participation of any applicant or student, on the basis of sex, in any education program or activity operated by a recipient and that receives Federal financial assistance.

§ 8a.130 Effect of employment opportunities.

The obligation to comply with these Title IX regulations is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for members of one sex than for members of the other sex.

§ 8a.135

§ 8a.135 Designation of responsible employee and adoption of grievance procedures.

(a) *Designation of responsible employee.* Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under these Title IX regulations, including any investigation of any complaint communicated to such recipient alleging its noncompliance with these Title IX regulations or alleging any actions that would be prohibited by these Title IX regulations. Such notification shall contain such information, and be made in such manner, as the designated agency official finds necessary to apprise such persons of the protections against discrimination assured them by Title IX and these Title IX regulations, but shall state at least that the requirement not to discriminate in education programs or activities extends to employment therein, and to admission thereto unless §§ 8a.300 through 8a.310 do not apply to the recipient, and that inquiries concerning the application of Title IX and

15 CFR Subtitle A (1–1–17 Edition)

these Title IX regulations to such recipient may be referred to the employee designated pursuant to § 8a.135, or to the designated agency official.

(2) Each recipient shall make the initial notification required by paragraph (a)(1) of this section within 90 days of September 29, 2000 or of the date these Title IX regulations first apply to such recipient, whichever comes later, which notification shall include publication in:

(ii) Memoranda or other written communications distributed to every student and employee of such recipient.

(b) *Publications.* (1) Each recipient shall prominently include a statement of the policy described in paragraph (a) of this section in each announcement, bulletin, catalog, or application form that it makes available to any person of a type, described in paragraph (a) of this section, or which is otherwise used in connection with the recruitment of students or employees.

(2) A recipient shall not use or distribute a publication of the type described in paragraph (b)(1) of this section that suggests, by text or illustration, that such recipient treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by these Title IX regulations.

(c) *Distribution.* Each recipient shall distribute without discrimination on the basis of sex each publication described in paragraph (b)(1) of this section, and shall apprise each of its admission and employment recruitment representatives of the policy of non-discrimination described in paragraph (a) of this section, and shall require such representatives to adhere to such policy.

(b) *Administratively separate units.* For the purposes only of this section, §§ 8a.225 and 8a.230, and §§ 8a.300 through 8a.310, each administratively separate unit shall be deemed to be an educational institution.

(b) *Provision for transition plans.* An educational institution to which this section applies shall not discriminate

§ 8a.230

on the basis of sex in admission or recruitment in violation of §§ 8a.300 through 8a.310.

§ 8a.230 Transition plans.

(a) *Submission of plans.* An institution to which § 8a.225 applies and that is composed of more than one administratively separate unit may submit either a single transition plan applicable to all such units, or a separate transition plan applicable to each such unit.

(4) Describe in detail the steps necessary to eliminate as soon as practicable each obstacle so identified and indicate the schedule for taking these steps and the individual directly responsible for their implementation.

(5) Include estimates of the number of students, by sex, expected to apply for, be admitted to, and enter each class during the period covered by the plan.

(c) *Nondiscrimination.* No policy or practice of a recipient to which § 8a.225 applies shall result in treatment of applicants to or students of such recipient in violation of §§ 8a.300 through 8a.310 unless such treatment is necessitated by an obstacle identified in paragraph (b)(3) of this section and a schedule for eliminating that obstacle

15 CFR Subtitle A (1-1-17 Edition)

has been provided as required by paragraph (b)(4) of this section.

(d) *Effects of past exclusion.* To overcome the effects of past exclusion of students on the basis of sex, each educational institution to which § 8a.225 applies shall include in its transition plan, and shall implement, specific steps designed to encourage individuals of the previously excluded sex to apply for admission to such institution. Such steps shall include instituting recruitment programs that emphasize the institution's commitment to enrolling students of the sex previously excluded.

§ 8a.235 Statutory amendments.

(a) This section, which applies to all provisions of these Title IX regulations, addresses statutory amendments to Title IX.

(b) These Title IX regulations shall not apply to or preclude:

The pageant, however, must comply with other nondiscrimination provisions of Federal law.

(c) *Program or activity or program* means:

(1) All of the operations of any entity described in paragraphs (c)(1)(i) through (iv) of this section, any part of which is extended Federal financial assistance:

(i)(A) A department, agency, special purpose district, or other instrumentality of a State or of a local government; or

(B) A local educational agency (as defined in section 8801 of title 20), system of vocational education, or other school system;

(B) The entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship; or

(2)(i) *Program or activity* does not include any operation of an entity that is controlled by a religious organization if the application of 20 U.S.C. 1681 to such operation would not be consistent with the religious tenets of such organization.

(ii) For example, all of the operations of a college, university, or other postsecondary institution, including but not limited to traditional educational operations, faculty and student hous-

ing, campus shuttle bus service, campus restaurants, the bookstore, and other commercial activities are part of a “program or activity” subject to these Title IX regulations if the college, university, or other institution receives Federal financial assistance.

(d)(1) Nothing in these Title IX regulations shall be construed to require or prohibit any person, or public or private entity, to provide or pay for any benefit or service, including the use of facilities, related to an abortion. Medical procedures, benefits, services, and the use of facilities, necessary to save the life of a pregnant woman or to address complications related to an abortion are not subject to this section.

(2) Nothing in this section shall be construed to permit a penalty to be imposed on any person or individual because such person or individual is seeking or has received any benefit or service related to a legal abortion. Accordingly, subject to paragraph (d)(1) of this section, no person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, employment, or other educational program or activity operated by a recipient that receives Federal financial assistance because such individual has sought or received, or is seeking, a legal abortion, or any benefit or service related to a legal abortion.

Subpart C—Discrimination on the Basis of Sex in Admission and Recruitment Prohibited

§ 8a.300 Admission.

(a) *General.* No person shall, on the basis of sex, be denied admission, or be subjected to discrimination in admission, by any recipient to which §§ 8a.300 through §§ 8a.310 apply, except as provided in §§ 8a.225 and §§ 8a.230.

(b) *Specific prohibitions.* (1) In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 8a.300 through 8a.310 apply shall not:

(i) Give preference to one person over another on the basis of sex, by ranking

§ 8a.305

applicants separately on such basis, or otherwise;

(ii) Apply numerical limitations upon the number or proportion of persons of either sex who may be admitted; or

(iii) Otherwise treat one individual differently from another on the basis of sex.

(2) A recipient shall not administer or operate any test or other criterion for admission that has a disproportionately adverse effect on persons on the basis of sex unless the use of such test or criterion is shown to predict validly success in the education program or activity in question and alternative tests or criteria that do not have such a disproportionately adverse effect are shown to be unavailable.

(c) *Prohibitions relating to marital or parental status.* In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 8a.300 through 8a.310 apply:

(1) Shall not apply any rule concerning the actual or potential parental, family, or marital status of a student or applicant that treats persons differently on the basis of sex;

(2) Shall not discriminate against or exclude any person on the basis of pregnancy, childbirth, termination of pregnancy, or recovery therefrom, or establish or follow any rule or practice that so discriminates or excludes;

(3) Subject to § 8a.235(d), shall treat disabilities related to pregnancy, childbirth, termination of pregnancy, or recovery therefrom in the same manner and under the same policies as any other temporary disability or physical condition; and

(4) Shall not make pre-admission inquiry as to the marital status of an applicant for admission, including whether such applicant is “Miss” or “Mrs.” A recipient may make pre-admission inquiry as to the sex of an applicant for admission, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§ 8a.305 Preference in admission.

A recipient to which §§ 8a.300 through 8a.310 apply shall not give preference to

15 CFR Subtitle A (1–17 Edition)

applicants for admission, on the basis of attendance at any educational institution or other school or entity that admits as students only or predominantly members of one sex, if the giving of such preference has the effect of discriminating on the basis of sex in violation of §§ 8a.300 through 8a.310.

§ 8a.310 Recruitment.

(a) *Nondiscriminatory recruitment.* A recipient to which §§ 8a.300 through 8a.310 apply shall not discriminate on the basis of sex in the recruitment and admission of students. A recipient may be required to undertake additional recruitment efforts for one sex as remedial action pursuant to § 8a.110(a), and may choose to undertake such efforts as affirmative action pursuant to § 8a.110(b).

(b) *Recruitment at certain institutions.* A recipient to which §§ 8a.300 through 8a.310 apply shall not recruit primarily or exclusively at educational institutions, schools, or entities that admit as students only or predominantly members of one sex, if such actions have the effect of discriminating on the basis of sex in violation of §§ 8a.300 through 8a.310.

Subpart D—Discrimination on the Basis of Sex in Education Programs or Activities Prohibited

§ 8a.400 Education programs or activities.

(a) *General.* Except as provided elsewhere in these Title IX regulations, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by a recipient that receives Federal financial assistance. Sections 8a.400 through 8a.455 do not apply to actions of a recipient in connection with admission of its students to an education program or activity of a recipient to which §§ 8a.300 through 8a.310 do not apply, or an entity, not a recipient, to which §§ 8a.300 through 8a.310 would not apply if the entity were a recipient.

(b) *Specific prohibitions.* Except as provided in §§ 8a.400 through 8a.455, in providing any aid, benefit, or service to a student, a recipient shall not, on the basis of sex:

(1) Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;

(2) Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;

(3) Deny any person any such aid, benefit, or service;

(4) Subject any person to separate or different rules of behavior, sanctions, or other treatment;

(5) Apply any rule concerning the domicile or residence of a student or applicant, including eligibility for in-state fees and tuition;

(6) Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person that discriminates on the basis of sex in providing any aid, benefit, or service to students or employees;

(7) Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

(c) *Assistance administered by a recipient educational institution to study at a foreign institution.* A recipient educational institution may administer or assist in the administration of scholarships, fellowships, or other awards established by foreign or domestic wills, trusts, or similar legal instruments, or by acts of foreign governments and restricted to members of one sex, that are designed to provide opportunities to study abroad, and that are awarded to students who are already matriculating at or who are graduates of the recipient institution; *Provided*, that a recipient educational institution that administers or assists in the administration of such scholarships, fellowships, or other awards that are restricted to members of one sex provides, or otherwise makes available, reasonable opportunities for similar studies for members of the other sex. Such opportunities may be derived from either domestic or foreign sources.

(d) *Aids, benefits or services not provided by recipient.* (1) This paragraph (d) applies to any recipient that requires participation by any applicant, student, or employee in any education program or activity not operated wholly by such recipient, or that facilitates, permits, or considers such participation as part of or equivalent to an education program or activity operated by such recipient, including participation in educational consortia and cooperative employment and student-teaching assignments.

(2) Such recipient:

(i) Shall develop and implement a procedure designed to assure itself that the operator or sponsor of such other education program or activity takes no action affecting any applicant, student, or employee of such recipient that these Title IX regulations would prohibit such recipient from taking; and

(ii) Shall not facilitate, require, permit, or consider such participation if such action occurs.

§ 8a.405 Housing.

(a) *Generally.* A recipient shall not, on the basis of sex, apply different rules or regulations, impose different fees or requirements, or offer different services or benefits related to housing, except as provided in this section (including housing provided only to married students).

(b) *Housing provided by recipient.* (1) A recipient may provide separate housing on the basis of sex.

(2) Housing provided by a recipient to students of one sex, when compared to that provided to students of the other sex, shall be as a whole:

(i) Proportionate in quantity to the number of students of that sex applying for such housing; and

(ii) Comparable in quality and cost to the student.

(c) *Other housing.* (1) A recipient shall not, on the basis of sex, administer different policies or practices concerning occupancy by its students of housing other than that provided by such recipient.

(2)(i) A recipient which, through solicitation, listing, approval of housing, or otherwise, assists any agency, organization, or person in making housing available to any of its students, shall

§ 8a.410

take such reasonable action as may be necessary to assure itself that such housing as is provided to students of one sex, when compared to that provided to students of the other sex, is as a whole:

(A) Proportionate in quantity; and

(B) Comparable in quality and cost to the student.

(ii) A recipient may render such assistance to any agency, organization, or person that provides all or part of such housing to students of only one sex.

§ 8a.410 Comparable facilities.

A recipient may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall be comparable to such facilities provided for students of the other sex.

§ 8a.415 Access to course offerings.

(a) A recipient shall not provide any course or otherwise carry out any of its education program or activity separately on the basis of sex, or require or refuse participation therein by any of its students on such basis, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses.

(b)(1) With respect to classes and activities in physical education at the elementary school level, the recipient shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. With respect to physical education classes and activities at the secondary and post-secondary levels, the recipient shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

(2) This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

(3) This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major

15 CFR Subtitle A (1-1-17 Edition)

activity of which involves bodily contact.

(4) Where use of a single standard of measuring skill or progress in a physical education class has an adverse effect on members of one sex, the recipient shall use appropriate standards that do not have such effect.

(5) Portions of classes in elementary and secondary schools, or portions of education programs or activities, that deal exclusively with human sexuality may be conducted in separate sessions for boys and girls.

(6) Recipients may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

§ 8a.420 Access to schools operated by LEAs.

A recipient that is a local educational agency shall not, on the basis of sex, exclude any person from admission to:

(a) Any institution of vocational education operated by such recipient; or

(b) Any other school or educational unit operated by such recipient, unless such recipient otherwise makes available to such person, pursuant to the same policies and criteria of admission, courses, services, and facilities comparable to each course, service, and facility offered in or through such schools.

§ 8a.425 Counseling and use of appraisal and counseling materials.

(a) *Counseling.* A recipient shall not discriminate against any person on the basis of sex in the counseling or guidance of students or applicants for admission.

(b) *Use of appraisal and counseling materials.* A recipient that uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials that permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis

of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) *Disproportion in classes.* Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of sex in counseling or appraisal materials or by counselors.

§ 8a.430 Financial assistance.

(a) *General.* Except as provided in paragraphs (b) and (c) of this section, in providing financial assistance to any of its students, a recipient shall not:

(1) On the basis of sex, provide different amounts or types of such assistance, limit eligibility for such assistance that is of any particular type or source, apply different criteria, or otherwise discriminate;

(2) Through solicitation, listing, approval, provision of facilities, or other services, assist any foundation, trust, agency, organization, or person that provides assistance to any of such recipient's students in a manner that discriminates on the basis of sex; or

(3) Apply any rule or assist in application of any rule concerning eligibility for such assistance that treats persons of one sex differently from persons of the other sex with regard to marital or parental status.

(b) *Financial aid established by certain legal instruments.* (1) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established pursuant to domestic or foreign wills, trusts, bequests, or similar legal instruments or by acts of a foreign government that require that awards be made to members of a particular sex specified therein; *Provided*, that the overall effect of the award of such sex-restricted scholarships, fellowships, and other forms of financial

assistance does not discriminate on the basis of sex.

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;

(ii) An appropriate sex-restricted scholarship, fellowship, or other form of financial assistance is allocated to each student selected under paragraph (b)(2)(i) of this section; and

(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student's sex.

(c) *Athletic scholarships.* (1) To the extent that a recipient awards athletic scholarships or grants-in-aid, it must provide reasonable opportunities for such awards for members of each sex in proportion to the number of students of each sex participating in inter-scholastic or intercollegiate athletics.

(2) A recipient may provide separate athletic scholarships or grants-in-aid for members of each sex as part of separate athletic teams for members of each sex to the extent consistent with this paragraph (c) and § 8a.450.

§ 8a.435 Employment assistance to students.

(a) *Assistance by recipient in making available outside employment.* A recipient that assists any agency, organization, or person in making employment available to any of its students:

(1) Shall assure itself that such employment is made available without discrimination on the basis of sex; and

(2) Shall not render such services to any agency, organization, or person that discriminates on the basis of sex in its employment practices.

(b) *Employment of students by recipients.* A recipient that employs any of its students shall not do so in a manner that violates §§ 8a.500 through 8a.550.

§ 8a.440

§ 8a.440 Health and insurance benefits and services.

Subject to § 8a.235(d), in providing a medical, hospital, accident, or life insurance benefit, service, policy, or plan to any of its students, a recipient shall not discriminate on the basis of sex, or provide such benefit, service, policy, or plan in a manner that would violate §§ 8a.500 through 8a.550 if it were provided to employees of the recipient. This section shall not prohibit a recipient from providing any benefit or service that may be used by a different proportion of students of one sex than of the other, including family planning services. However, any recipient that provides full coverage health service shall provide gynecological care.

§ 8a.445 Marital or parental status.

(a) *Status generally.* A recipient shall not apply any rule concerning a student's actual or potential parental, family, or marital status that treats students differently on the basis of sex.

(b) *Pregnancy and related conditions.* (1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extra-curricular activity, on the basis of such student's pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation as long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient that operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section, shall ensure that the separate portion is comparable to that offered to non-pregnant students.

(4) Subject to § 8a.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same

15 CFR Subtitle A (1-1-17 Edition)

manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan, or policy that such recipient administers, operates, offers, or participates in with respect to students admitted to the recipient's educational program or activity.

(5) In the case of a recipient that does not maintain a leave policy for its students, or in the case of a student who does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence for as long a period of time as is deemed medically necessary by the student's physician, at the conclusion of which the student shall be reinstated to the status that she held when the leave began.

§ 8a.450 Athletics.

(a) *General.* No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person, or otherwise be discriminated against in any interscholastic, intercollegiate, club, or intramural athletics offered by a recipient, and no recipient shall provide any such athletics separately on such basis.

(b) *Separate teams.* Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try out for the team offered unless the sport involved is a contact sport. For the purposes of these Title IX regulations, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(c) *Equal opportunity.* (1) A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics shall provide equal athletic opportunity for members of both sexes. In determining whether equal opportunities are available, the designated agency official will consider, among other factors:

- (i) Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;
- (ii) The provision of equipment and supplies;
- (iii) Scheduling of games and practice time;
- (iv) Travel and per diem allowance;
- (v) Opportunity to receive coaching and academic tutoring;
- (vi) Assignment and compensation of coaches and tutors;
- (vii) Provision of locker rooms, practice, and competitive facilities;
- (viii) Provision of medical and training facilities and services;
- (ix) Provision of housing and dining facilities and services;
- (x) Publicity.

(2) For purposes of paragraph (c)(1) of this section, unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams if a recipient operates or sponsors separate teams will not constitute noncompliance with this section, but the designated agency official may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) *Adjustment period.* A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the secondary or postsecondary school level shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

§ 8a.455 Textbooks and curricular material.

Nothing in these Title IX regulations shall be interpreted as requiring or prohibiting or abridging in any way the use of particular textbooks or curricular materials.

§ 8a.500 Employment.

(a) *General.* (1) No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in employment, or recruitment, consideration, or selection therefor, whether full-time or part-time, under any education program or activity operated by a recipient that receives Federal financial assistance.

(2) A recipient shall make all employment decisions in any education program or activity operated by such recipient in a nondiscriminatory manner and shall not limit, segregate, or classify applicants or employees in any way that could adversely affect any applicant's or employee's employment opportunities or status because of sex.

(3) A recipient shall not enter into any contractual or other relationship which directly or indirectly has the effect of subjecting employees or students to discrimination prohibited by §§ 8a.500 through 8a.550, including relationships with employment and referral agencies, with labor unions, and with organizations providing or administering fringe benefits to employees of the recipient.

(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any educational institution or entity that admits as students only or predominantly members of one sex, if the giving of such preferences has the effect of discriminating on the basis of sex in violation of these Title IX regulations.

(b) *Application.* The provisions of §§ 8a.500 through 8a.550 apply to:

- (1) Recruitment, advertising, and the process of application for employment;

§ 8a.505

(2) Hiring, upgrading, promotion, consideration for and award of tenure, demotion, transfer, layoff, termination, application of nepotism policies, right of return from layoff, and rehiring;

(3) Rates of pay or any other form of compensation, and changes in compensation;

(4) Job assignments, classifications, and structure, including position descriptions, lines of progression, and seniority lists;

(5) The terms of any collective bargaining agreement;

(6) Granting and return from leaves of absence, leave for pregnancy, childbirth, false pregnancy, termination of pregnancy, leave for persons of either sex to care for children or dependents, or any other leave;

(7) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(8) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, selection for tuition assistance, selection for sabbaticals and leaves of absence to pursue training;

(9) Employer-sponsored activities, including social or recreational programs; and

(10) Any other term, condition, or privilege of employment.

§ 8a.505 Employment criteria.

A recipient shall not administer or operate any test or other criterion for any employment opportunity that has a disproportionately adverse effect on persons on the basis of sex unless:

(a) Use of such test or other criterion is shown to predict validly successful performance in the position in question; and

(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.

§ 8a.510 Recruitment.

(a) *Nondiscriminatory recruitment and hiring.* A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex

15 CFR Subtitle A (1-1-17 Edition)

in the recruitment or hiring of employees, or has been found to have so discriminated in the past, the recipient shall recruit members of the sex so discriminated against so as to overcome the effects of such past or present discrimination.

(b) *Recruitment patterns.* A recipient shall not recruit primarily or exclusively at entities that furnish as applicants only or predominantly members of one sex if such actions have the effect of discriminating on the basis of sex in violation of §§ 8a.500 through 8a.550.

§ 8a.515 Compensation.

A recipient shall not make or enforce any policy or practice that, on the basis of sex:

(a) Makes distinctions in rates of pay or other compensation;

(b) Results in the payment of wages to employees of one sex at a rate less than that paid to employees of the opposite sex for equal work on jobs the performance of which requires equal skill, effort, and responsibility, and that are performed under similar working conditions.

§ 8a.520 Job classification and structure.

A recipient shall not:

(a) Classify a job as being for males or for females;

(b) Maintain or establish separate lines of progression, seniority lists, career ladders, or tenure systems based on sex; or

(c) Maintain or establish separate lines of progression, seniority systems, career ladders, or tenure systems for similar jobs, position descriptions, or job requirements that classify persons on the basis of sex, unless sex is a bona fide occupational qualification for the positions in question as set forth in § 8a.550.

§ 8a.525 Fringe benefits.

(a) *“Fringe benefits” defined.* For purposes of these Title IX regulations, *fringe benefits* means: Any medical, hospital, accident, life insurance, or retirement benefit, service, policy or plan, any profit-sharing or bonus plan, leave, and any other benefit or service

of employment not subject to the provision of § 8a.515.

(b) *Prohibitions.* A recipient shall not:

(1) Discriminate on the basis of sex with regard to making fringe benefits available to employees or make fringe benefits available to spouses, families, or dependents of employees differently upon the basis of the employee's sex;

(2) Administer, operate, offer, or participate in a fringe benefit plan that does not provide for equal periodic benefits for members of each sex and for equal contributions to the plan by such recipient for members of each sex; or

(3) Administer, operate, offer, or participate in a pension or retirement plan that establishes different optional or compulsory retirement ages based on sex or that otherwise discriminates in benefits on the basis of sex.

§ 8a.530 Marital or parental status.

(a) *General.* A recipient shall not apply any policy or take any employment action:

(1) Concerning the potential marital, parental, or family status of an employee or applicant for employment that treats persons differently on the basis of sex; or

(2) Which is based upon whether an employee or applicant for employment is the head of household or principal wage earner in such employee's or applicant's family unit.

(b) *Pregnancy.* A recipient shall not discriminate against or exclude from employment any employee or applicant for employment on the basis of pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom.

(c) *Pregnancy as a temporary disability.* Subject to § 8a.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, recovery therefrom, and any temporary disability resulting therefrom as any other temporary disability for all job-related purposes, including commencement, duration, and extensions of leave, payment of disability income, accrual of seniority and any other benefit or service, and reinstatement, and under any fringe benefit offered to employees by virtue of employment.

(d) *Pregnancy leave.* In the case of a recipient that does not maintain a

leave policy for its employees, or in the case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status that she held when the leave began or to a comparable position, without decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

§ 8a.535 Effect of state or local law or other requirements.

(a) *Prohibitory requirements.* The obligation to comply with §§ 8a.500 through 8a.550 is not obviated or alleviated by the existence of any State or local law or other requirement that imposes prohibitions or limits upon employment of members of one sex that are not imposed upon members of the other sex.

(b) *Benefits.* A recipient that provides any compensation, service, or benefit to members of one sex pursuant to a State or local law or other requirement shall provide the same compensation, service, or benefit to members of the other sex.

§ 8a.545 Pre-employment inquiries.

(a) *Marital status.* A recipient shall not make pre-employment inquiry as to the marital status of an applicant for employment, including whether such applicant is "Miss" or "Mrs."

(b) *Sex.* A recipient may make pre-employment inquiry as to the sex of an applicant for employment, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§ 8a.550

§ 8a.550 Sex as a bona fide occupational qualification.

A recipient may take action otherwise prohibited by §§8a.500 through 8a.550 provided it is shown that sex is a bona fide occupational qualification for that action, such that consideration of sex with regard to such action is essential to successful operation of the employment function concerned. A recipient shall not take action pursuant to this section that is based upon alleged comparative employment characteristics or stereotyped characterizations of one or the other sex, or upon preference based on sex of the recipient, employees, students, or other persons, but nothing contained in this section shall prevent a recipient from considering an employee's sex in relation to employment in a locker room or toilet facility used only by members of one sex.

[47 FR 17746, Apr. 23, 1982, as amended at 68 FR 51353, Aug. 26, 2003]

§ 8b.4 Discrimination prohibited.

(a) *General.* No qualified handicapped individual shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance.

(b) *Discriminatory actions prohibited.* (1) A recipient, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap:

(i) Deny a qualified handicapped individual the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped individual an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped individual with any aid, benefit, or service that is not as effective as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped individuals or to any class of handicapped individuals, unless such action is necessary to provide qualified handicapped individuals with aid, benefits, or services that are as effective as those provided to others;

(v) Aid or perpetuate discrimination against a qualified handicapped individual by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefit, or service to beneficiaries of the recipient's program or activity;

(vi) Deny a qualified handicapped individual the opportunity to participate as a member of planning or advisory boards; or

(vii) Otherwise limit a qualified handicapped individual in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving any aid, benefits, or services.

(2) For purposes of this part, aid, benefits, and services must afford handicapped individuals an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as afforded to others, in the most integrated set-

ting appropriate to the individual's needs. However, aid, benefits and services, to be equally effective, need not produce the identical result or level of achievement for handicapped and non-handicapped individuals.

(3) A recipient may not deny a qualified handicapped individual the opportunity to participate in its regular aid, benefits, or services, despite the existence of separate or different aid, benefits, or services which are established in accordance with this part.

(4) A recipient may not, directly or through contractual or other arrangements, use criteria or methods of administration:

(i) That have the effect of subjecting qualified handicapped individuals to discrimination on the basis of handicap;

(ii) That have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the recipient's program or activity with respect to handicapped individuals; or

(iii) That perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same state.

(5) In determining the geographic site or location of a facility, an applicant for assistance or a recipient may not make selections:

(i) That have the effect of excluding handicapped individuals from, denying them the benefit of, or otherwise subjecting them to discrimination under any program or activity that receives Federal financial assistance; or

(ii) That have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity with respect to handicapped individuals.

(6) As used in this section, the aid, benefit, or service provided under a program or activity receiving Federal financial assistance includes any aid, benefit, or service provided in or through a facility that has been constructed, expanded, altered, leased, rented or otherwise acquired, in whole or in part, with Federal financial assistance.

(7)(i) In providing services, recipients to which this subpart applies, except

§ 8b.5

small recipients, shall ensure that no handicapped participant is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination under the program or activity operated by the recipient because of the absence of auxiliary aids for participants with impaired sensory, manual or speaking skills. A recipient shall operate each program or activity to which this subpart applies so that, when viewed in its entirety, auxiliary aids are readily available. The Secretary may require small recipients to provide auxiliary aids in order to ensure that no handicapped participant is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination under the program or activity operated by small recipients, when this would not significantly impair the ability of the small recipient to provide benefits or services.

(ii) Auxiliary aids may include brailled and taped materials, interpreters, telecommunications devices, or other equally effective methods of making orally delivered information available to persons with hearing impairments, readers for persons with visual impairments, equipment adapted for use by persons with manual impairments, and other similar devices and actions. Recipients need not provide attendants, individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

(c) *Aid, benefits, or services limited by Federal law.* The exclusion of non-handicapped persons from aid, benefits, or services limited by Federal statute or Executive order to handicapped individuals, or the exclusion of a specific class of handicapped individuals from aid, benefits, or services limited by Federal statute or Executive order to a different class of handicapped individuals is not prohibited by this part.

(d) *Integrated setting.* Recipients shall administer programs or activities in the most integrated setting appropriate to the needs of qualified handicapped individuals.

(e) *Communications with individuals with impaired vision and hearing.* Recipients shall ensure that communications with their applicants, employees and beneficiaries are available to persons

15 CFR Subtitle A (1-1-17 Edition)

with impaired vision or hearing. Appropriate modes of communication may include braille, enlarged type, sign language and telecommunications devices.

[47 FR 17746, Apr. 23, 1982, as amended at 68 FR 51353, Aug. 26, 2003]

§ 8b.5 Assurances required.

(a) *Assurances.* An applicant for Federal financial assistance to which this part applies shall submit an assurance, on a form specified by the Secretary, that the program or activity will be operated in compliance with this part. An applicant may incorporate these assurances by reference in subsequent applications to the Department.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended in the form of real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purpose for which Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits.

(2) In case of Federal financial assistance extended to provide personal property, the assurance will obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases, the assurance will obligate the recipient for the period during which Federal financial assistance is extended or the federally-funded program or activity is operated, whichever is longer.

(c) *Covenants.* (1) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the instrument effecting or recording this transfer shall contain a covenant running with the land to assure non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) Where no transfer or property is involved but property is purchased or

improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (c)(1) of this section in the instrument effecting or recording any subsequent transferee of the property.

(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the covenant shall also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant. If a transferee of real property proposed to mortgage or otherwise encumber the real property as security to finance construction of new, or improvement of existing, facilities on the property for the purposes for which the property was transferred, the Secretary may agree to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective. Such an agreement by the Secretary may be entered into only upon the request of the transferee (recipient) if it is necessary to accomplish such financing and upon such terms and conditions as the Secretary deems appropriate.

(d) *Interagency agreements.* Where funds are granted by the Department to another Federal agency to carry out the objectives of Federal financial assistance under a law administered by the Department, and where the grant obligates the recipient agency to comply with the rules and regulations of the Department applicable to that grant the provisions of this part shall apply to programs or activities operated with such funds.

§8b.6 Remedial action, voluntary action, and self-evaluation.

(a) *Remedial action.* (1) If the Secretary finds that a recipient has discriminated against persons on the basis of handicap in violation of section 504 or this part, the recipient shall take such remedial action as the Secretary deems necessary to overcome the effects of the discrimination.

(2) Where a recipient is found to have discriminated against persons on the basis of handicap in violation of section 504 or this part and where another

recipient exercises control over the recipient that has discriminated, the Secretary, where appropriate, may require either or both recipients to take remedial action.

(3) The Secretary may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action:

(i) With respect to handicapped individuals who would have been participants in the program or activity had the discrimination not occurred; and

(ii) With respect to handicapped persons who are no longer participants in the recipient's program or activity, but who were participants in the program or activity when the discrimination occurred; and

(iii) with respect to employees and applicants for employment.

(b) *Voluntary action.* A recipient may take steps, in addition to any action that is required by this part, to overcome the effects of conditions that resulted in limited participation in the recipient's program or activity by qualified handicapped individuals.

(c) *Self-evaluation.* (1) A recipient shall, within one year of the effective date of this part:

(i) Evaluate, with the assistance of interested persons, including handicapped individuals or organizations representing handicapped individuals, its current policies and practices and the effects thereof that do not or may not meet the requirements of this part;

(ii) Modify, after consultation with interested persons, including handicapped individuals or organizations representing handicapped individuals, any policies and practices that do not meet the requirements of this part; and

(iii) Take, after consultation with interested persons, including handicapped individuals or organizations representing handicapped individuals, appropriate remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices.

(2) A recipient, other than a small recipient, shall for at least three years following completion of the evaluation required under paragraph (c)(1) of this

§8b.7

section, maintain on file, make available for public inspection, and provide to the Secretary upon request:

(i) A list of the interested persons consulted;

(ii) A description of areas examined and any problems identified; and

(iii) A description of any modifications made and of any remedial steps taken.

(3) The Secretary may, as he or she deems necessary, direct recipients to conduct additional self-evaluations, in accordance with the requirements of paragraph (c)(1) of this section.

(Approved by the Office of Management and Budget under control number 0605-0006)

[47 FR 17746, Apr. 23, 1982, as amended at 47 FR 35472, Aug. 16, 1982]

§8b.7 Designation of responsible employee and adoption of grievance procedures.

(a) *Designation of responsible employee.* A recipient, other than a small recipient, shall designate at least one person to coordinate its efforts to comply with this part.

(b) *Adoption of grievance procedures.* A recipient, other than a small recipient, shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by this part. Such procedures need not be established with respect to complaints from applicants for employment or from applicants for admission to post secondary educational institutions.

§8b.8 Notice.

(a) A recipient, other than a small recipient, shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of handicap in violation of Section 504 and of this part. The notification shall state, where appropriate, that the recipient does not discriminate in the admission or access to, or treatment or employment in, its programs or activities. The

15 CFR Subtitle A (1-1-17 Edition)

notification shall also include an identification of the responsible employee designated pursuant to §8b.7(a). A recipient shall make the initial notification required by this paragraph within 90 days of the effective date of this part. Methods of initial and continuing notification may include the posting of notices, publications in newspapers and magazines, placement of notices in recipient's publications, and distribution of memoranda or other written communication. A recipient shall take appropriate steps to ensure that notice is available to persons with impaired vision or hearing.

(b) If a recipient publishes or uses recruitment materials or publications containing general information made available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this paragraph either by including appropriate inserts in existing materials and publications, or by revising and reprinting the materials and publications.

§8b.9 Administrative requirements for small recipients.

The Secretary may require small recipients to comply with §§8b.7 and 8b.8, in whole or in part, when the Secretary finds a violation of this part or finds that such compliance will not significantly impair the ability of the small recipient to provide benefits or services.

§8b.10 Effect of state or local law or other requirements and effect of employment opportunities.

(a) The obligation to comply with this part is not obviated or alleviated by the existence of any state or local law or other requirement that, on the basis of handicap, imposes prohibitions or limits upon the eligibility of qualified handicapped individuals to receive services, participate in programs or activities, or practice any occupation or profession.

(b) The obligation to comply with this part is not obviated or alleviated because employment opportunities in any occupation or profession are or

may be more limited for handicapped individuals than for nonhandicapped persons.

Subpart B—Employment Practices

§ 8b.11 Discrimination prohibited.

(a) *General.* (1) No qualified handicapped individual shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity that receives Federal financial assistance.

(2) A recipient shall make all decisions concerning employment under any program or activity to which this part applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(3) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants or employees to discrimination prohibited by this subpart. The relationships referred to in this subparagraph include relationships with employment and referral agencies, with labor unions, with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeships.

(b) *Specific activities.* The prohibition against discrimination in employment applies to the following activities:

(1) Recruitment, advertising and the processing of applicants for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation; pension or other benefit the applicant or employee receives from any other source.

§ 8b.12 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee unless the recipient can demonstrate that the accommodation

would impose an undue hardship on the operation of its program or activity.

(b) Reasonable accommodation may include:

(1) Making the facilities used by the employees in the area where the program or activity is conducted, including common areas used by all employees such as hallways, restrooms, cafeterias and lounges, readily accessible to and usable by handicapped persons; and

(2) Job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.

(c) In determining pursuant to paragraph (a) of this section whether an accommodation would impose an undue hardship on the operation of a recipient's program or activity, factors to be considered include:

(1) The overall size of the recipient's program or activity with respect to number of employees, number of participants, number and type of facilities, and size of budget;

(2) The type of the recipient's operation, including the composition and structure of the recipient's workforce; and

(3) The nature and cost of the accommodation needed.

(d) A recipient may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is the need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

(e) Nothing in this paragraph shall relieve a recipient of its obligation to make its program or activity accessible as required in subpart C of this part, or to provide auxiliary aids, as required by § 8b.4(b)(7).

§ 8b.13 Employment criteria.

(a) A recipient may not make use of any employment test or other selection criterion that screens out or tends to screen out handicapped individuals or any class of handicapped individuals unless;

(1) The test score or other selection criterion, as used by the recipient, is shown to be job-related for the position in question; and

§8b.14

(2) Alternative job-related tests or criteria that do not screen out or tend to screen out as many handicapped individuals are not shown by the Secretary to be available.

(b) A recipient shall select and administer tests concerning employment so as best to ensure that, when administered to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately to reflect the applicant's or employee's job skills aptitude, or whatever factor the test purports to measure, rather than reflecting the applicant's or employee's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

§8b.14 Preemployment inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not conduct preemployment inquiry of an applicant for employment as to whether the applicant is a handicapped individual, or as to the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant's ability to perform job-related functions.

(b) When a recipient is taking remedial action to correct the effects of past discrimination pursuant to §8b.6(a), when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in this federally assisted program or activity pursuant to §8b.6(b), or when a recipient is taking affirmative action pursuant to section 503 of the Act, the recipient may invite applicants for employment to indicate whether and to what extent they are handicapped, *Provided*, That:

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally, if no written questionnaire is used, that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary or affirmative action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to pro-

15 CFR Subtitle A (1-1-17 Edition)

vide it will not subject the applicant or employee to any adverse treatment, and that it will be used only in accordance with this part.

(c) Nothing in this section shall prohibit a recipient from conditioning an offer of employment on the results of a medical examination conducted prior to the employee's entrance on duty, *Provided*, That:

(1) All employees are subject to such an examination regardless of handicap, and

(2) The results of such an examination are used only in accordance with the requirements of this part.

(d) Information obtained in accordance with this section as to the medical condition or history of the applicant shall be collected and maintained on separate forms that shall be accorded confidentiality as medical records, except:

(1) Employing officials may obtain the information after making a conditional decision to make a job offer to the applicant or the applicant was placed conditionally in a job pool or placed conditionally on an eligibility list;

(2) Supervisors and managers may be informed regarding restrictions on the work or duties of qualified handicapped individuals and regarding necessary accommodations;

(3) First aid and safety personnel may be informed, where appropriate, if the condition might require emergency treatment; and

(4) Government officials investigating compliance with the Act shall be provided information upon request.

§8b.15 Employment on ships.

No qualified handicapped individual possessing an appropriate license or certificate obtained from the United States Coast Guard pursuant to the requirements of 46 CFR 10.01-1 *et seq.* and 12.01-1 *et seq.* shall, on the basis of handicap, be subjected to discrimination in employment on ships under any program or activity to which this part applies.

Subpart C—Accessibility**§ 8b.16 Discrimination prohibited.**

No qualified handicapped individual shall, because a recipient's facilities are inaccessible to or unusable by handicapped individuals, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which this part applies.

§ 8b.17 Existing facilities.

(a) *Accessibility.* A recipient shall operate each program or activity to which this part applies so that when each part is viewed in its entirety it is readily accessible to qualified handicapped individuals. This paragraph does not require a recipient to make each of its existing facilities or every part of a facility accessible to and usable by qualified handicapped individuals. However, if a particular program is available in only one location, that site must be made accessible or the aid, benefit, or service must be made available at an alternative accessible site or sites. Accessibility requires nonpersonal aids to make the aid, benefit, or service accessible to mobility impaired persons.

(b) *Methods.* A recipient may comply with the requirements of paragraph (a) of this section through such means as redesign of equipment, reassignment of classes or other services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities in conformance with the requirement of § 8b.19, or any other method that results in making its program or activity accessible to handicapped individuals. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with paragraph (a) of this section. In choosing among available methods for meeting the requirement of paragraph (a) of this section, a recipient shall give priority to those methods that serve handicapped individuals in the most integrated setting appropriate.

(c) If a small recipient finds, after consultation with a qualified handi-

capped individual seeking its services, that there is no method of complying with paragraph (a) of this section other than making a significant alteration in its existing facilities or facility, the small recipient may, as an alternative, refer the qualified handicapped individual to other providers of those services that are accessible at no additional cost to the handicapped.

(d) *Time period.* A recipient shall comply with the requirement of paragraph (a) of this section within 60 days of the effective date of this part. Where structural changes in facilities are necessary, such changes shall be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(e) *Transition plan.* In the event that structural changes to facilities are necessary to meet the requirement of paragraph (a) of this section, a recipient shall develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum:

(1) Identify physical obstacles in the recipient's facilities that limit the accessibility of its program or activity to qualified handicapped individuals;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve full accessibility under § 8b.17(a) and, if the time period of the transition plan is longer than one year, identify the steps that will be taken during each year of the transition period; and

(4) Indicate the person responsible for implementation of the plan.

(f) *Notice.* The recipient shall adopt and implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of services, activities and facilities that are accessible to and

§8b.18

usable by qualified handicapped individuals.

§8b.18 New construction.

(a) *Design and construction.* Each facility or part of a facility constructed by, on behalf of, or for the use of a recipient shall be designed and constructed in such manner that the facility or part of the facility is readily accessible to and usable by qualified handicapped individuals, if the construction was commenced after the effective date of this part.

(b) *Alteration.* Each facility or part of a facility which is altered by, on behalf of, or for the use of a recipient after the effective date of this part of the facility shall, to the maximum extent feasible, be altered in such manner that the altered portion of the facility is readily accessible to and usable by qualified handicapped individuals.

(c) *Conformance with Uniform Federal Accessibility Standards.* (1) Effective as of August 17, 1990, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (UFAS) (Appendix A to 41 CFR subpart 101-19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being ac-

complished without removing or altering a load-bearing structural member.

Subpart D—Post Secondary Education

§8b.19 Application of this subpart.

Subpart D applies to post secondary education programs or activities, including post secondary vocational education programs or activities, that receive Federal financial assistance for the operation of, such programs or activities.

§8b.20 Admission and recruitment.

(a) *General.* Qualified handicapped may not, on the basis of handicap, be denied admission or be subjected to discrimination in admission or recruitment by a recipient to which this subpart applies.

(b) *Admissions.* In administering its admission policies, a recipient to which this subpart applies:

(1) May not apply limitations upon the number or proportion of handicapped individuals who may be admitted; and

(2) May not make use of any test or criterion for admission that has a disproportionate, adverse effect on handicapped individuals or any class of handicapped individuals unless:

(i) The test or criterion, as used by the recipient, has been validated as a predictor of success in the education program or activity in question; and

(ii) Alternate tests or criteria that have a less disproportionate, adverse effect are not shown by the Secretary to be available.

(3) Shall assure itself that (i) admissions tests are selected and administered so as best to ensure that, when a test is administered to an applicant who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's aptitude or achievement level of whatever other factor the test purports to measure, rather than reflecting the applicant's impaired sensory, manual, or speaking skills (except where those skills are the factors that

the test purports to measure); (ii) admissions tests that are designed for persons with impaired sensory, manual, or speaking skills are offered as often and in as timely a manner as are other admissions tests; and (iii) admissions tests are administered in facilities that, on the whole, are accessible to handicapped individuals; and

(4) Except as provided in paragraph (c) of this section, may not make pre-admission inquiry as to whether an applicant for admission is a handicapped individual but, after admission, may make inquiries on a confidential basis as to handicaps that may require accommodation.

(c) *Pre-admission inquiry exception.* When a recipient is taking remedial action to correct the effects of past discrimination pursuant to §8b.6(a) or when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to §8b.6(b), the recipient may invite applicants for admission to indicate whether and to what extent they are handicapped, *Provided, That:*

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally, if no written questionnaire is used, that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential, that refusal to provide it will not subject the applicant to any adverse treatment, and that it will be used only in accordance with this part.

(d) *Validity studies.* For the purpose of paragraph (b)(2) of this section, a recipient may base prediction equations on first year grades, but shall conduct periodic validity studies against the criterion of overall success in the education program or activity in question in order to monitor the general validity of the test scores.

§ 8b.21 Treatment of students.

(a) *General.* No qualified handicapped student shall, on the basis of handicap, be excluded from participation in, be

denied the benefits of, or otherwise be subjected to discrimination under any academic research, occupational training, housing, health insurance, counseling, financial aid, physical education, athletics, recreation, transportation, other extracurricular, or other post secondary education aid, benefits, or services to which this subpart applies.

(b) A recipient to which this subpart applies that considers participation by students in education programs or activities not operated wholly by the recipient as part of, or equivalent to, education programs or activities operated by the recipient shall assure itself that the other education program or activity, as a whole, provides an equal opportunity for the participation of qualified handicapped persons.

(c) A recipient to which this subpart applies may not, on the basis of handicap exclude any qualified handicapped student from any course or study, or other part of its education program or activity.

(d) A recipient to which this subpart applies shall operate its program or activity in the most integrated setting appropriate.

§ 8b.22 Academic adjustments.

(a) *Academic requirements.* A recipient to which this subpart applies shall make such modifications to its academic requirements as are necessary to ensure that such requirements do not discriminate or have the effect of discriminating, on the basis of handicap, against a qualified handicapped applicant or student. Academic requirements that the recipient can demonstrate are essential to the instruction being pursued by such student or to any directly related licensing requirement will not be regarded as discriminatory within the meaning of this section. Modifications may include changes in the length of time permitted for the completion of degree requirements, substitution of specific courses required for the completion of degree requirements, and adaptation of the manner in which specific courses are conducted.

(b) *Other rules.* A recipient to which this subpart applies may not impose upon handicapped students other rules,

§ 8b.23

such as the prohibition of tape recorders in classrooms or of dog guides in campus buildings, that have the effect of limiting the participation of handicapped students in the recipient's education program or activity.

(c) *Course examinations.* In its course examinations or other procedures for evaluating student's academic achievement, a recipient to which this subpart applies shall provide such methods for evaluating the achievement of students who have a handicap that impairs sensory, manual, or speaking skills as will best ensure that the results of the evaluation represents the student's achievement in the course, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where such skills are the factors that the test purports to measure).

(d) *Auxiliary aids.* (1) A recipient to which this subpart applies shall ensure that no handicapped student is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination because of the absence of educational auxiliary aids for students with impaired sensory, manual, or speaking skills. A recipient shall operate each program or activity to which this subpart applies so that, when viewed in its entirety, auxiliary aids are readily available.

(2) Auxiliary aids may include taped text, interpreters or other effective methods of making orally delivered materials available to students with hearing impairments, readers in libraries for students with visual impairments, classroom equipment adapted for use by students with manual impairments, and other similar services and actions. Recipients need not provide attendants, individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

§ 8b.23 Housing provided by the recipient.

(a) A recipient that provides housing to its nonhandicapped students shall provide comparable, convenient, and accessible housing to handicapped students at the same cost as to others. At the end of transition period provided for in subpart C, such housing shall be available in sufficient quantity and va-

15 CFR Subtitle A (1-1-17 Edition)

riety so that the scope of handicapped students choice of living accommodations is, as a whole, comparable to that of nonhandicapped students.

(b) *Other housing.* A recipient that assists any agency, organization, or person in making housing available to any of its students shall take such action as may be necessary to assure itself that such housing is, as a whole, made available in a manner that does not result in discrimination on the basis of handicap.

§ 8b.24 Financial and employment assistance to students.

(a) *Provision of financial assistance.* (1) In providing financial assistance to qualified handicapped individuals, a recipient to which this subpart applies may not (i) on the basis of handicap, provide less assistance than is provided to nonhandicapped persons, limit eligibility for assistance, or otherwise discriminate or (ii) assist any entity or person that provides assistance to any of the recipient's students in a manner that discriminates against qualified handicapped individuals on the basis of handicap.

(2) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established under wills, trust, bequest, or similar legal instruments that require awards to be made on the basis of factors that discriminate or have the effect of discriminating on the basis of handicap only if the overall effect of the award of scholarships, fellowships, and other forms of financial assistance is not discriminatory on the basis of handicap.

(b) *Assistance in making available outside employment.* A recipient that assists any agency, organization, or person in providing employment opportunities to any of its students shall assure itself that such employment opportunities, as a whole, are made available in a manner that would not violate subpart B if they were provided by the recipient.

(c) *Employment of student by recipients.* A recipient that employs any of its students may not do so in a manner that violates subpart B.

§ 8b.25 Nonacademic services.

(a) *Physical education and athletics.* (1) In providing physical education courses and athletics and similar aid, benefits, or services to any of its students, a recipient to which this subpart applies may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors intercollegiate, club, or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation in these activities.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different only if separation or differentiation is consistent with the requirements of § 8b.22(d) and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

(b) *Counseling and placement services.* A recipient to which this subpart applies that provides personal, academic, or vocational counseling guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap. The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities. This requirement does not preclude a recipient from providing factual information about licensing and certification requirements that may present obstacles to handicapped persons in their pursuit of particular careers.

(c) *Social organizations.* A recipient that provides significant assistance to fraternities, sororities, or similar organizations shall assure itself that the membership practices of such organizations do not permit discrimination otherwise prohibited by this subpart.

Subpart E—Procedures**§ 8b.26 Procedures.**

The enforcement provisions applicable to Title VI of the Civil Rights Act of 1964 found at §§ 8.7 through 8.15 of this subtitle shall apply to this part.

Auxiliary aids means services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities conducted by the agency. For example, auxiliary aids useful for persons with impaired vision include readers, Brailled materials, audio recordings, and other similar services and devices. Auxiliary aids useful for persons with impaired hearing include telephone handset amplifiers, telephones compatible with hearing aids, telecommunication devices for deaf persons (TDD's), interpreters, notetakers, written materials, and other similar services and devices.

Complete complaint means a written statement that contains the complainant's name and address and describes the agency's alleged discriminatory action in sufficient detail to inform the agency of the nature and date of the alleged violation of section 504. It shall be signed by the complainant or by someone authorized to do so on his or her behalf. Complaints filed on behalf of classes or third parties shall describe or identify (by name, if possible) the alleged victims of discrimination.

Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock or other conveyances, or other real or personal property.

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. As used in this definition, the phrase:

(1) "Physical or mental impairment" includes—

(i) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or

(2) "Major life activities" includes functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

(3) "Has a record of such an impairment" means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) "Is regarded as having an impairment" means—

(i) Has a physical or mental impairment that does not substantially limit major life activities but is treated by the agency as constituting such a limitation;

(ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others towards such impairment; or

(iii) Has none of the impairments defined in subparagraph (1) of this definition but is treated by the agency as having such an impairment.

Qualified individual with handicaps means—

(1) With respect to any agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, an individual with handicaps who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature;

(2) With respect to any other program or activity, an individual with handicaps who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity; and

(3) “Qualified handicapped person” as that term is defined for purposes of employment in 29 CFR 1613.702(f), which is made applicable to this part by § 8c.40.

L. 93-516, 88 Stat. 1617); the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978 (Pub. L. 95-602, 92 Stat. 2955); and the Rehabilitation Act Amendments of 1986 (Pub. L. 99-506, 100 Stat. 1810). As used in this part, section 504 applies only to programs or activities conducted by Executive agencies and not to federally assisted programs.

[53 FR 19277, May 27, 1988; 53 FR 25722, July 8, 1988]

§§ 8c.4–8c.9 [Reserved]

§ 8c.10 Self-evaluation.

(a) The agency shall, by July 26, 1989, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part, and, to the extent modification of any such policies and practices is required, the agency shall proceed to make the necessary modifications.

(b) The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, until three years following the completion of the self-evaluation, maintain on file and make available for public inspection:

(1) A description of areas examined and any problems identified, and

(2) A description of any modifications made.

§ 8c.11 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in

such manner as the Secretary of Commerce or the Secretary’s designee finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

§§ 8c.12–8c.29 [Reserved]

§ 8c.30 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of a planning or advisory board; or

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

§§ 8c.31–8c.39

(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicaps; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of

15 CFR Subtitle A (1–1–17 Edition)

individuals with handicaps is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 8c.31–8c.39 [Reserved]

§ 8c.40 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR Part 1613, shall apply to employment in federally conducted programs or activities.

§§ 8c.41–8c.48 [Reserved]

§ 8c.49 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §8c.50, no qualified individual with handicaps shall, because the agency's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 8c.50 Program accessibility: Existing facilities.

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps; or

(2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would

result in undue financial and administrative burdens, the agency has the burden of proving that compliance with section § 8c.50(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Secretary of Commerce or the Secretary's designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) *Methods.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section by September 26, 1988, except that where structural changes in facilities are undertaken, such changes shall be made

by July 26, 1991, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by January 26, 1989, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its program or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 8c.51 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§ 8c.52-8c.59 [Reserved]

§ 8c.60 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

§§ 8c.61–8.69

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applications and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signs at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §8c.60 would result in such alteration or burdens. The decision that compliance would result in such alteration of burdens must be made by the Secretary of Commerce or the Secretary's designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required

15 CFR Subtitle A (1–1–17 Edition)

to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 8c.61–8.69 [Reserved]

§8c.70 Compliance procedures

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR Part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Chief of the Compliance Division shall be responsible for coordinating implementation of this section. Complaints may be sent to Chief, Compliance Division, Office of Civil Rights, Room 6012, Herbert C. Hoover Building, 14th and Constitution Avenue, Washington, DC, 20230.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the

complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §8c.70(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the Assistant Secretary for Administration.

(j) The Assistant Secretary for Administration shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the Assistant Secretary for Administration determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of the section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

SOURCE: 38 FR 29574, Oct. 26, 1973, unless otherwise noted.

§9.0 Purpose.

The purpose of this part is to establish procedures relating to the Department's voluntary labeling program for household appliances and equipment to promote and effect energy conservation.

§9.1 Goal of program.

(a) This program was initiated in response to the direction of President Nixon in his 1973 Energy Message that the Department of Commerce in cooperation with the Council on Environmental Quality and the Environmental Protection Agency develop a voluntary labeling program which would apply to energy-consuming home appliances.

(b) The goal of this program is to encourage manufacturers to provide consumers, at the point of sale, with information on the energy consumption and energy efficiency of household appliances and equipment. Such information, presented in a uniform manner readily understandable to consumers, would be displayed on labels attached to or otherwise provided with the appliances or equipment. The labels will include a system intended to make it possible for consumers to compare by cost or otherwise the energy consumption and energy efficiency characteristics when purchasing household appliances and equipment and to select those that can effect savings in energy consumption.

§9.2 Definitions.

(a) The term *Secretary* means the Secretary of Commerce.

(b) The term *manufacturer* means any person engaged in the manufacturing or assembling of new appliances or equipment in the United States, or in the importing of such products for sale

§9.3

or resale, or any person whose brand or trademark appears on such products who owns such brand or trademark and has authorized its use on such products, if the brand or trademark of the person actually manufacturing or assembling the products does not appear on the products.

(c) The term *energy consumption* means the energy resources used by appliances or equipment under conditions of use approximating actual operating conditions insofar as practical as determined through test procedures contained or identified in a final Voluntary Energy Conservation Specification published under §9.4(e).

(d) The term *energy efficiency* means the energy use of appliances or equipment relative to their output of services, as determined through test procedures contained or identified in a final Voluntary Energy Conservation Specification published under §9.4(e).

(e) The term *consumer* means the first person who purchases a new appliance or item of equipment for purposes other than resale.

(f) The term *class of appliance or equipment* means a group of appliances or equipment whose functions or features are similar, and whose functional output covers a range that may be of interest to consumers.

(g) The term *Specification* means a Voluntary Energy Conservation Specification developed under §9.4.

(h) The term *label* means printed matter affixed to or otherwise provided with appliances or equipment and meeting all the requirements called for in a Voluntary Energy Conservation Specification published under §9.4(e).

[38 FR 29574, Oct. 26, 1973, as amended at 40 FR 33966, Aug. 13, 1975]

§9.3 Appliances and equipment included in program.

The appliances and equipment included in this program are room and central air conditioners, household refrigerators, home freezers, clothes washers, dishwashers, clothes dryers, kitchen ranges and ovens, water heaters, comfort heating equipment, and television receivers. Additional appliances and equipment may be included in the program by the Secretary pursuant to rule making procedures as set

15 CFR Subtitle A (1-1-17 Edition)

out in 5 U.S.C. 553. Individual units of appliances and equipment manufactured for export are not included in this program.

[38 FR 29574, Oct. 26, 1973, as amended at 40 FR 33966, Aug. 13, 1975]

§9.4 Development of voluntary energy conservation specifications.

(a) The Secretary in cooperation with appropriate Federal agencies and in cooperation with affected manufacturers, distributors, retailers, consumers, environmentalists, and other interested parties shall develop proposed Specifications for the specific classes of appliances and equipment covered under §9.3.

(b) Each Specification shall as a minimum include:

(1) A description of the class of appliance or equipment covered by the Specification, listing the distribution of energy efficiencies for that class of appliance or equipment.

(2) Listings or descriptions of test methods to be used in measuring the energy consumption and/or energy efficiency characteristics of the class of appliance or equipment.

(3) A prototype Label and directions for displaying the Label on or with appliances or equipment of that class. The Label shall be prominent, readable, and visible and shall include information that will assist the consumer in comparing by cost or otherwise the energy consumption and/or energy efficiency characteristics of a particular appliance or item of equipment with all others in its class. The Label shall also include the Department of Commerce Energy Conservation Mark specified in §9.7.

(4) Conditions for the participation of manufacturers in the program.

(c) The test methods listed or described in the Specification pursuant to §9.4(b)(2) shall be those described in existing nationally-recognized voluntary standards where such methods are appropriate. Where appropriate test methods do not so exist, they will be developed by the Department of Commerce in cooperation with interested parties.

(d) The Secretary upon development of a proposed Specification shall publish in the FEDERAL REGISTER a notice

giving the complete text of the proposed Specification, and any other pertinent information, and inviting any interested person to submit written comments on the proposed Specification within 30 days after its publication in the FEDERAL REGISTER, unless another time limit is provided by the Secretary. Interested persons wanting to express their views in an informal hearing may do so if, within 15 days after the proposed Specification is published in the FEDERAL REGISTER, they request the Secretary to hold a hearing. Such informal hearings shall be held so as to give all interested persons opportunity for the oral presentation of data, views, or arguments in addition to the opportunity to make written submissions. Notice of such hearings shall be published in the FEDERAL REGISTER. A transcript shall be kept of any oral presentations.

(e) The Secretary, after consideration of all written and oral comments and other materials received in accordance with paragraph (d) of this section, shall publish in the FEDERAL REGISTER within 30 days after the final date for receipt of comments, or as soon as practicable thereafter, a notice either:

(1) Giving the complete text of a final Specification, including conditions of use, and stating that any manufacturer of appliances or equipment in the class concerned desiring voluntarily to use the Label and Energy Conservation Mark with such appliances or equipment must advise the Department of Commerce; or

(2) Stating that the proposed Specification will be further developed before final publication; or

(3) Withdrawing the proposed Specification from further consideration.

§9.5 Participation of manufacturers.

(a) Manufacturers desiring to participate in this program will so notify the Department of Commerce. The notification will identify the particular Specification to be used and the manufacturer's model numbers for the products to be labeled. The notification will also state that the manufacturer will abide by all conditions contained in the Specification and will desist from using the Label and Energy Conservation Mark if requested by the Depart-

ment of Commerce under the provisions of §9.6.

(b) The conditions for participation will be set out in the Specification and will include, but not be limited to, the following:

(1) Prior to the use of a Label the manufacturer will make or have made the measurements to obtain the information required for inclusion on the Label and, if requested, will forward within 30 days such measurement data to the Department of Commerce. Such measurement data will be kept on file by the manufacturer or his agent for two years after that model of appliance or equipment is no longer manufactured unless otherwise provided in the Specification. The use of independent test laboratories or national certification programs available to any manufacturer is acceptable for the purposes of this program.

(2) The manufacturer will describe the test results on the Label as prescribed in the Specification.

(3) The manufacturer will display or arrange to display, in accordance with the appropriate Specification, the Label on or with each individual unit of appliance or equipment within the subject class and with the same brand name manufactured by him except for units exported from the United States. All models with the same brand name that fall within the class must be included in the program unless they are for export only.

(4) The manufacturer agrees at his expense to comply with any reasonable request of the Department of Commerce to have appliances or equipment manufactured by him tested to determine that testing has been done according to the relevant Specification.

(5) Manufacturers may reproduce the Department of Commerce Labels and Energy Conservation Mark in advertising provided that the entire Label, complete with all information required to be displayed at the point of retail sale, is shown legibly.

§9.6 Termination of participation.

(a) The Department of Commerce upon finding that a manufacturer is not complying with the conditions of

§9.7

participation set out in these procedures or in a Specification may terminate upon 30 days notice the manufacturer's participation in the program: *Provided*, That the manufacturer shall first be given an opportunity to show cause why the participation should not be terminated. Upon receipt of a notice of termination, a manufacturer may request within 30 days a hearing under the provisions of 5 U.S.C. 558.

(b) A manufacturer may at any time terminate his participation and responsibilities under this program with regard to a specific class of products by giving written notice to the Secretary that he has discontinued use of the Label and Energy Conservation Mark for all appliances or equipment within that class.

§9.7 Department of Commerce energy conservation mark.

The Department of Commerce shall develop an Energy Conservation Mark which shall be registered in the U.S. Patent Office under 15 U.S.C. 1054 for use on each Label described in a Specification.

§9.8 Amendment or revision of voluntary energy conservation specifications.

The Secretary may by order amend or revise any Specification published under §9.4. The procedure applicable to the establishment of a Specification under §9.4 shall be followed in amending or revising such Specification. Such amendment or revision shall not apply to appliances or equipment manufactured prior to the effective date of the amendment or revision.

§9.9 Consumer education.

The Department of Commerce, in close cooperation and coordination with interested Government agencies, appropriate industry trade associations and industry members, and interested consumers and environmentalists shall carry out a program to educate consumers relative to the significance of the labeling program. Some elements of this program shall also be directed toward informing retailers and other interested groups about the program.

15 CFR Subtitle A (1-1-17 Edition)

§9.10 Coordination with State and local programs.

The Department of Commerce will establish and maintain an active program of communication with appropriate state and local government offices and agencies and will furnish and make available information and assistance that will promote to the greatest practicable extent uniformity in State, local, and Federal programs for the labeling of household appliances and equipment to effect energy conservation.

§9.11 Annual report.

The Secretary will prepare an annual report of activities under the program, including an evaluation of the program and a list of participating manufacturers and classes of appliances and equipment.

SOURCE: 51 FR 22497, June 20, 1986, unless otherwise noted.

§10.0 General.

(a) *Introduction.* The Department of Commerce (hereinafter referred to as

the “Department”) recognizes the importance, the advantages, and the benefits of voluntary standards and standardization activities. Such standards may cover, but are not limited to, terms, classes, sizes (including quantities of packaged consumer commodities), dimensions, capacities, quality levels, performance criteria, inspection requirements, marking requirements, testing equipment, test procedures and installation procedures. Economic growth is promoted through:

- (1) Reduction of manufacturing costs, inventory costs, and distribution costs;
- (2) Better understanding among manufacturers, producers, or packagers (hereinafter referred to as producers), distributors, users, and consumers; and
- (3) Simplification of the purchase, installation, and use of the product being standardized.

(b) *Requirements for Department of Commerce sponsorship.* The Department may sponsor the development of a Voluntary Product Standard if, upon receipt of a request, the Department determines that:

- (1) The proposed standard is likely to have substantial public impact;
- (2) The proposed standard reflects the broad interest of an industry group or an organization concerned with the manufacture, production, packaging, distribution, testing, consumption, or use of the product, or the interest of a Federal or State agency;
- (3) The proposed standard would not duplicate a standard published by, or actively being developed or revised by, a private standards-writing organization to such an extent that it would contain similar requirements and test methods for identical types of products, unless such duplication was deemed by the Department to be in the public interest;
- (4) Lack of government sponsorship would result in significant public disadvantage for legal reasons or reasons of domestic and international trade;
- (5) The proposed standard is not appropriate for development and maintenance by a private standards-writing organization; and
- (6) The proposed standard will be funded by a proponent organization or government agency to cover costs for

administrative and technical support services provided by the Department.

(c) *Role of the Department.* The Department assists in the establishment of a Voluntary Product Standard as follows:

- (1) Acts as an unbiased coordinator in the development of the standard;
- (2) Provides editorial assistance in the preparation of the standard;
- (3) Supplies such assistance and review as is required to assure the technical soundness of the standard;
- (4) Seeks satisfactory adjustment of valid points of disagreement;
- (5) Determines the compliance with the criteria established in these procedures for such voluntary standards;
- (6) Provides secretarial functions for each committee appointed by the Department under these procedures;
- (7) Publishes the standard as a public document;
- (8) Administers the funds for administrative and technical support services; and
- (9) Seeks listing for standards developed under these procedures as American National Standards through the American National Standards Institute, when deemed appropriate by the Department.

(d) *Role of producers, distributors, users, and consumers.* Producers, distributors, users, consumers, and other interested groups may contribute to the development of a Voluntary Product Standard as follows:

- (1) Initiate and participate in the development of the standard;
- (2) Provide technical or other relevant counsel, as appropriate, relating to the standard;
- (3) Promote the use of, and support for, the standard; and
- (4) Assist in keeping the standard current with respect to advancing technology and marketing practices.

(e) *Role of the National Institute of Standards & Technology.* The National Institute of Standards & Technology (NIST) administers these procedures for the Department. Any communications concerning these procedures (e.g., questions, clarifications, appeals) should be addressed to the Office of

§ 10.1

Product Standards Policy, National Institute of Standards & Technology, Gaithersburg, Maryland 20899.

[51 FR 22497, June 20, 1986, as amended at 55 FR 38315, Sept. 18, 1990]

§ 10.1 Initiating development of a new standard.

(a) Any group or association of producers, distributors, users, or consumers, or a testing laboratory, or a State or Federal agency, may request the Department to initiate the development and publication of a Voluntary Product Standard under these procedures. Requests shall be in writing, signed by a representative of the group or agency, and forwarded to the Department. The initial request may be accompanied by a copy of a draft of the suggested standard.

(b) The request shall include a commitment to provide sufficient funding to cover all costs associated with the development and maintenance of the proposed Voluntary Product Standard.

(c) The Department may require additional information such as technical, marketing, or other appropriate data essential to discussion and development of the proposed standard, including, but not limited to, physical, mechanical, chemical, or performance characteristics, and production figures.

(d) Upon receipt of an appropriate request and after a determination by the Department that the development of a Voluntary Product Standard is justified, the Department may initiate the development by requesting that a draft of the suggested standard be prepared by an appropriate committee, provided such a draft has not previously been submitted under paragraph (a) of this section.

(e) The Department may initiate the development of a Voluntary Product Standard, if such action is deemed by the Department to be in the public interest, notwithstanding the absence of a request from an outside source. A voluntary standard initiated by the Department shall be processed in accordance with all requirements of these procedures and shall be developed in the same manner as a voluntary standard initiated by any group referred to in paragraph (a) of this section.

15 CFR Subtitle A (1-1-17 Edition)

(f) An agreement regarding funding procedures and receipt of a deposit estimated by the Department to be sufficient to cover the first year's costs shall occur prior to the initiation of any project.

§ 10.2 Funding.

Groups who represent producers, distributors, consumers or users, or others that wish to act or continue to act as proponent organizations for the development or maintenance of a Voluntary Product Standard will be required to pay for administrative and technical support services provided by the National Institute of Standards & Technology and such other direct or indirect costs associated with the development or maintenance of that standard as may be deemed appropriate by the Department, including costs to the Department in connection with the operation of the Standard Review Committee and the Standing Committee. Funds may also be provided by a government agency at the request of a proponent organization or when acting on its own behalf for the development or maintenance of a Voluntary Product Standard. Proponents of standards that meet sponsorship criteria established in these procedures shall furnish an initial deposit of funds sufficient to cover the first year's services and other costs. Estimated annual costs will be based on an hourly rate for salary and overhead established by the Department for the National Institute of Standards & Technology's administrative and technical support services plus estimates of direct costs to provide funds for such items as the travel of consumer representatives unable to otherwise attend committee meetings, travel for Department staff, and printing costs. Project funds will be reviewed annually. Excess funds may be refunded or applied to the next accounting period. Should funds from deposits be inadequate during an accounting period, work on the project will continue only if funds are restored to a level estimated adequate to complete the 12-month period.

[51 FR 22497, June 20, 1986, as amended at 55 FR 38315, Sept. 18, 1990]

§ 10.3 Development of a proposed standard.

(a) A proposed standard as submitted to the Department:

(1) Shall be based on adequate technical information, or, in the case of size standards (including standards covering the quantities for packaged consumer commodities), on adequate marketing information, or both, as determined to be appropriate by the Department;

(2) Shall not be contrary to the public interest;

(3) Shall be technically appropriate and such that conformance or non-conformance with the standard can be determined either during or after the manufacturing process by inspection or other procedures which may be utilized by either an individual or a testing facility competent in the particular field;

(4) Shall follow the format prescribed by the National Institute of Standards & Technology. (Copies of the recommended format may be obtained from the Office of Product Standards Policy, National Institute of Standards & Technology, Gaithersburg, Maryland 20899.);

(5) Shall include performance requirements if such are deemed by the Department to be technically sound, feasible, and practical, and the inclusion of such is deemed to be appropriate;

(6) May include dimensions, sizes, material specifications, product requirements, design stipulations, component requirements, test methods, testing equipment descriptions, and installation procedures. The appropriateness of the inclusion in a standard of any particular item listed in this subparagraph shall be determined by the Department; and

(7) Shall be accompanied by rational statements pertaining to the requirements and test methods contained in the standard, if deemed necessary by the Department.

(b) A proposed standard that is determined by the Department to meet the criteria set forth in paragraph (a) of this section may be subjected to further review by an appropriate individual, committee, organization, or agency (either government or non-

government, but not associated with the proponent group).

(c) A proposed standard may be circulated by the Department to appropriate producers, distributors, users, consumers, and other interested groups for consideration and comment as well as to others requesting the opportunity to comment.

(d) The proponent group or appropriate committee which drafted the initial proposal under § 10.1(d) shall consider all comments and suggestions submitted by the reviewer designated under paragraph (b) of this section, and those received by the Department as a result of any circulation under paragraph (c) of this section, and may make such adjustments in the proposal as are technically sound and as are believed to cause the standard to be generally acceptable to producers, distributors, users, consumers, and other interested parties. The proposal will then be submitted to the Department for further processing.

[51 FR 22497, June 20, 1986, as amended at 55 FR 38315, Sept. 18, 1990]

§ 10.4 Establishment of the Standard Review Committee.

(a) The Department shall establish and appoint the members of a Standard Review Committee within a reasonable time after receiving a proposed standard. The committee shall consist of qualified representatives of producers, distributors, and users or consumers of product for which a standard is sought or any other appropriate general interest groups such as State and Federal agencies. When requested by the Standard Review Committee, the Department shall appoint one voting member from among the representatives of the Federal agencies, other than the Department of Commerce. All other representatives of Federal agencies on the Standard Review Committees shall be advisory nonvoting members. (Alternates to committee members may be designated by the Department.) When deemed appropriate by the Department, project funds under § 10.2 may be made available to assure participation by consumer interests on the committee at required meetings.

(b) A Standard Review Committee may remain in existence for a period

§ 10.5

necessary for the final development of the standard, or for 2 years, whichever is less.

(c) The Department shall be responsible for the organization of the committee. Any formal operating procedures developed by the committee shall be subject to approval by the Department. The committee may conduct business either in a meeting or through correspondence, but only if a quorum participates. A quorum shall consist of two-thirds of all voting members of the committee. A majority of the voting members of the committee participating shall be required to approve any actions taken by the committee except for the action of recommending a standard to the Department, the requirements for which are contained in § 10.5(b).

§ 10.5 Development of a recommended standard.

(a) The Standard Review Committee, with the guidance and assistance of the Department and, if appropriate, the reviewer designated under § 10.3(b), shall review a proposed standard promptly. If the committee finds that the proposal meets the requirements set forth in § 10.3(a), it may recommend to the Department that the proposal be circulated for acceptance under § 10.6. If, however, the committee finds that the proposal being reviewed does not meet the requirements set forth in § 10.3(a), the committee shall change the proposal, after consulting with the proponent group, so that these requirements are met, before recommending such proposal to the Department.

(b) The recommendation of a standard by the Standard Review Committee shall be approved by at least three-quarters, or rejected by more than one-quarter, of all of the members of the committee eligible to vote. The voting on the recommendation of a standard shall be conducted by the Department if conducted by letter ballot. If such voting is accomplished at a meeting of the committee, the balloting shall be either by roll call or by signed written ballot conducted by the Department or the chairman of this committee. If conducted by the chairman, a report of the vote shall be made to the Department within 15 days. If the balloting at the

15 CFR Subtitle A (1-1-17 Edition)

meeting does not result in either approval by at least three-quarters of all members (or alternates) eligible to vote (whether present or not), or rejection by more than one-quarter of the members (or alternates) or the committee eligible to vote, the balloting shall be disregarded and the Department shall subsequently conduct a letter ballot of all members of the committee.

(c) Any member of the committee casting a negative ballot shall have the right to support an objection by furnishing the chairman of the committee and the Department with a written statement setting forth the basis for the objection. The written statement of objection shall be filed within 15 days after the date of the meeting during which the voting on the standard was accomplished, or, in the case of a letter ballot, within the time limit established for the return of the ballot.

(d) At the time a recommended standard is submitted to the Department, the Chairman of the Standard Review Committee shall furnish a written report in support of the committee's recommendation. Such report shall include a statement with respect to compliance with the requirements as established by these procedures, a discussion of the manner in which any objections were resolved, and a discussion of any unresolved objections together with the committee's reasons for rejecting such unresolved objections.

§ 10.6 Procedures for acceptance of a recommended standard.

(a) Upon receipt from the Standard Review Committee of a recommended standard and report, the Department shall give appropriate public notice and distribute the recommended standard for acceptance unless:

(1) Upon a showing by any member of the committee who has voted to oppose the recommended standard on the basis of an unresolved objection, the Department determines that if such objection were not resolved, the recommended standard:

- (i) Would be contrary to the public interest, if published;
- (ii) Would be technically inadequate; or

(iii) Would be inconsistent with law or established public policy; or

(2) The Department determines that all criteria and procedures set forth herein have not been met satisfactorily or that there is a legal impediment to the recommended standard.

(b) Distribution for acceptance or rejection for the purpose of determining general concurrence will be made to a list compiled by the Department, which, in the judgment of the Department, shall be representative of producers, distributors, and users and consumers.

(c) Distribution for comment will be made to any party filing a written request with the Department, and to such other parties as the Department may deem appropriate, including testing laboratories and interested State and Federal agencies.

(d) The Department shall analyze the recommended standard and the responses received under paragraphs (b) and (c) of this section. If such analysis indicates that the recommended standard is supported by a consensus, it shall be published as a Voluntary Product Standard by the Department: Provided, That all other requirements listed in these procedures have been satisfied.

(e) The following definitions shall apply to the term used in this section:

(1) "Consensus" means general concurrence and, in addition, no substantive objection deemed valid by the Department.

(2) "General concurrence" means acceptance among those responding to the distribution made under paragraph (b) of this section in accordance with the conditions set forth in paragraph (f) of this section.

(3) "Substantive objection" means a documented objection based on grounds that one or more of the criteria set forth in these procedures has not been satisfied.

(4) "Average industry acceptance" means a percentage equal to the sum of the percentages of acceptance obtained from responses to distribution of the recommended standard in the producer segment, the distributor segment, and the user and consumer segment, divided by three. No consideration will be given to volume of production or

volume of distribution in determining average industry acceptance.

(5) "Producer segment" means those persons who manufacture or produce the product covered by the standard.

(6) "Distributor segment" means those persons who distribute at wholesale or retail the product covered by the standard.

(7) "User and consumer segment" means those persons who use or consume the product covered by the standard.

(8) "Acceptance by volume of production" means the weighted percentage of acceptance of those responding to the distribution in the producer segment. The weighting of each response will be made in accordance with the volume of production represented by each respondent.

(9) "Acceptance by volume of distribution" means the weighted percentage of acceptance of those responding to the distribution in the distributor segment. The weighting of each response will be made in accordance with the volume of distribution represented by each respondent.

(f) A recommended standard shall be deemed to be supported by general concurrence whenever:

(1) An analysis of the responses to the distribution under paragraph (b) of this section indicates:

(i) An average industry acceptance of not less than 75 percent;

(ii) Acceptance of not less than 70 percent by the producer segment, the distributor segment, and the user and consumer segment, each segment being considered separately; and

(iii) Acceptance by volume of production and acceptance by volume of distribution of not less than 70 percent in each case: *Provided*, That the Department shall disregard acceptance by volume of production or acceptance by volume of distribution or both unless, in the judgment of the Department, accurate figures for the volume of production or distribution are reasonably available and an evaluation of either or both of such acceptances is deemed necessary by the Department; or

(2) The Department determines that publication of the standard is appropriate under the procedures set forth in

§ 10.7

paragraph (g) of this section and, in addition, an analysis of the responses to the distribution under paragraph (b) of this section indicates:

(i) An average industry acceptance of not less than 66⅔ percent;

(ii) Acceptance of not less than 60 percent by the producer segment, the distributor segment, and the user and consumer segment, each segment being considered separately; and

(iii) Acceptance by volume of production and acceptance by volume of distribution of not less than 60 percent in each case: *Provided*, That the Department shall disregard acceptance by volume of production or acceptance by volume of distribution or both unless, in the judgment of the Department, accurate figures for the volume of production or distribution are reasonably available and an evaluation of either or both of such acceptances is deemed necessary by the Department.

(g) A recommended standard which fails to achieve the acceptance requirements of paragraph (f)(1) of this section, but which satisfies the acceptance criteria of paragraph (f)(2) of this section, shall be returned to the Standard Review Committee for reconsideration. The committee, by the affirmative vote of not less than three-quarters of all members eligible to vote, may re-submit the recommended standard without change to the Department with a recommendation that the standard be published as a Voluntary Product Standard. The Department shall then conduct a public rulemaking hearing in accordance with the requirements of law as set forth in section 553 of Title 5, United States Code, to assist it in determining whether publication of the standard is in the public interest. If the Department determines that publication of the standard is in the public interest, the standard shall be published as a Voluntary Product Standard.

§ 10.7 Procedure when a recommended standard is not supported by a consensus.

If the Department determines that a recommended standard is not supported by a consensus, the Department may:

15 CFR Subtitle A (1-1-17 Edition)

(a) Return the recommended standard to the Standard Review Committee for further action, with or without suggestions;

(b) Terminate the development of the recommended standard under these procedures; or

(c) Take such other action as it may deem necessary or appropriate under the circumstances.

§ 10.8 Standing Committee.

(a) The Department shall establish and appoint the members of a Standing Committee prior to the publication of a standard. The committee may include members from the Standard Review Committee, and shall consist of qualified representatives of producers, distributors, and users or consumers of the product covered by the standard, and representatives of appropriate general interest groups such as municipal, State, and Federal agencies. When requested by the Standing Committee, the Department shall appoint one voting member from among the representatives of the Federal agencies, other than the Department of Commerce. When requested by the Standing Committee for PS 20-70, "American Softwood Lumber Standard," the Department shall appoint two voting members from among the representatives of the Federal agencies, other than the Department of Commerce. All other representatives of Federal agencies shall be advisory nonvoting members of Standing Committees. (Alternates to committee members may be designated by the Department.) When deemed appropriate by the Department, project funds under § 10.2, may be made available to assure participation by consumer interests on the committee at required meetings.

(b) Appointments to a Standing Committee may not exceed a term of 5 years. However, the committee may be reconstituted by the Department whenever appropriate, and members may be reappointed by the Department to succeeding terms. Appointments to the committee will be terminated upon the withdrawal of the standard.

(c) The Department shall be responsible for the organization of the committee. Any formal operating procedures developed by the committee shall

be subject to approval by the Department. The committee may conduct business either in a meeting or through correspondence, but only if a quorum participates. A quorum shall consist of two-thirds of all voting members of the committee. A majority of the voting members of the committee participating shall be required to approve any actions taken by the committee except for the approval of revisions of the standard which shall be governed by the provisions of §10.5 (b), (c), and (d).

(d) The members of a Standing Committee should be knowledgeable about:

(1) The product or products covered by the standard;

(2) The standard itself; and

(3) Industry and trade practices relating to the standard.

(e) The committee shall:

(1) Keep itself informed of any advancing technology that might affect the standard;

(2) Provide the Department with interpretations of provisions of the standard upon request;

(3) Make recommendations to the Department concerning the desirability or necessity of revising or amending the standard;

(4) Receive and consider proposals to revise or amend the standard; and

(5) Recommend to the Department the revision or amendment of a standard.

§ 10.9 Publication of a standard.

A Voluntary Product Standard published by the department under these procedures shall be assigned an appropriate number for purposes of identification and reference. Public notice shall be given regarding the publication and identification of the standard. A voluntary standard by itself has no mandatory or legally binding effect. Any person may choose to use or not to use such a standard. Appropriate reference in contracts, codes, advertising, invoices, announcements, product labels, and the like may be made to a Voluntary Product Standard published under these procedures. Such reference shall be in accordance with such policies as the Department may establish, but no product may be advertised or represented in any manner which would imply or tend to imply approval

or endorsement of that product by the Department or by the Federal Government.

§ 10.10 Review of published standards.

(a) Each standard published under these or previous procedures shall be reviewed regularly to determine the feasibility of transferring sponsorship to a private standards-writing organization. While the Department encourages the development of standards to replace Voluntary Product Standards by private standards-writing organizations, withdrawal of a Voluntary Product Standard, which meets the requirements of §10.0(b), shall not be considered until a replacement standard is published.

(b) Each standard published under these or previous procedures shall be reviewed by the Department, with such assistance of the Standing Committee or others as may be deemed appropriate by the Department, within 5 years after initial issuance or last revision and at least every 5 years thereafter. The purpose of this review shall be to determine whether the standard has become obsolete, technically inadequate, no longer acceptable to or used by the industry, or inconsistent with law or established public policy.

(c) If any of the above conditions is found to exist, the Department shall initiate action to amend, revise, or withdraw the standard in accordance with §10.11 or §10.13. If none is found to exist, the standard shall be kept in effect provided adequate funding is maintained.

§ 10.11 Revision or amendment of a standard.

(a) A published standard shall be subject to revision or amendment when it is determined to be inadequate by its Standing Committee or by the Department of one or more of the following reasons or for any other appropriate reasons:

(1) Any portion of the standard is obsolete, technically inadequate, or no longer generally acceptable to or used by the industry;

(2) The standard or any part of it is inconsistent with law or established public policy; or

§ 10.12

(3) The standard or any part of it is being used to mislead users or consumers or is determined to be against the interest of users, consumers, or the public in general.

(b) A revision of a standard shall be considered by the Department to include changes which are comprehensive in nature, which have a substantive effect on the standards, which change the level of performance or safety or the design characteristics of the product being standardized, or which cannot reasonably be injected into a standard without disturbing the general applicability of the standard. Each suggestion for revision shall be submitted by the Department to the Standing Committee for appropriate consideration. The Standing Committee shall serve the same functions in the revision of a standard as the Standard Review Committee serves in the development of a new standard. The processing of a revision of a standard shall be dependent upon the age of the standard as computed from its effective date and shall be accomplished as follows:

(1) A proposed revision of a standard older than 5 years at the time such proposed revision is submitted to the Standing Committee by the Department shall be processed as a new standard under these procedures and, when approved for publication, the standard shall be republished and reidentified to indicate the year in which the revision became effective. The revised standard shall supersede the previously published standard.

(2) A proposed revision of a standard less than 5 years at the time such proposed revision is submitted to the Standing Committee by the Department shall be processed as a new standard except that:

(i) Distribution for acceptance or rejection shall be made to an appropriate list of producers, distributors, and users and consumers compiled by the Department;

(ii) If the revision affects only one subsection of the requirement section and/or only one subsection of the test methods section, it may be circulated separately for determining consensus and subsequently published as an addendum to the standard with appro-

15 CFR Subtitle A (1-1-17 Edition)

priate dissemination and public notice of the addendum; and

(iii) If the revision does not change the level of performance or safety or the design characteristics of the product being standardized, the standard need not be reidentified.

(c) An amendment to a standard shall be considered by the Department to be any non-editorial change which is not comprehensive in nature, which has no substantive effect on the standard, which does not change the level of performance or safety or the design characteristics of the product being standardized, and which reasonably can be injected into a standard without disturbing the general applicability of the standard. Each suggestion for amendment shall be submitted by the Department to the Standing Committee for appropriate consideration. An amendment to a standard recommended by not less than 90 percent of the members of the committee eligible to vote and found acceptable by the Department, shall be published as an addendum (until the standard is republished) and distributed to acceptors of record. Public notice of the amendment shall be given and copies of the amendment shall be distributed to those filing written requests.

§ 10.12 Editorial changes.

The Department may, without prior notice, make such editorial or other minor changes as it deems necessary to reduce ambiguity or to improve clarity in any proposed, recommended, or published standard, or revision or amendment thereof.

§ 10.13 Withdrawal of a published standard.

(a) Standards published under these and previous procedures may be withdrawn by the Director of the National Institute of Standards & Technology at any time. Such action will be taken if, after consultation with the Standing Committee as provided in paragraph (a)(1) of this section and after public notice, the Director determines that the standard is: Obsolete; technically inadequate; no longer generally acceptable to and used by the industry; inconsistent with law or established public policy; not in the public interest; or

otherwise inappropriate; and revision or amendment is not feasible or would serve no useful purpose. Additionally, a standard may be withdrawn if it cannot be demonstrated that a particular standard has substantial public impact, that it does not duplicate a standard published by a private standards-writing organization, or that lack of government sponsorship would result in significant public disadvantage for legal reasons or for reasons of domestic and international trade. The Director may withdraw a standard if costs to maintain such a standard are not reimbursed by the proponent or other government agencies.

(1) Before withdrawing a standard published under these procedures, the Director will review the relative advantages and disadvantages of amendment, revision, development of a new standard, or withdrawal with the members of the Standing Committee, if such committee was appointed or reappointed within the previous five years.

(2) Public notice of intent to withdraw an existing standard published under these procedures shall be given and a 30-day period will be provided for the filing with the Director or written objections to the withdrawal. Such objections will be considered and analyzed by the Director before a determination is made to withdraw the standard. If the Director determines that a particular standard does not meet the criteria set out in §10.0(b), the standard will be withdrawn.

(b) The filing under paragraph (a) of this section of a request to retain a standard or standards shall operate to stay the withdrawal of such standard or standards until the Director's determination has been made. If the Director determines that the requested standard or standards shall be withdrawn, the stay will remain in effect, if an appeal is filed in accordance with the requirements of §10.14, until the decision of the Director is announced in the FEDERAL REGISTER. If, however, no appeal is received, the Director shall announce withdrawal of the particular standard or standards.

(c) Notice of the withdrawal action will be published in the FEDERAL REGISTER and such withdrawal will take ef-

fect 60 days from the date the withdrawal notice is published.

§ 10.14 Appeals.

(a) Any person directly affected by a procedural action taken by NIST or the Standard Review Committee under §§10.5, 10.6 or 10.7 regarding the development of a standard, by NIST or the Standing Committee under §10.10 regarding the review of a published standard, or under §10.11 regarding the revision of a standard, or under §10.13 regarding the withdrawal of a standard, may appeal such action.

(b) Such appeal shall be filed in written form with the body taking the action complained of (NIST, the Standard Review Committee, or the Standing Committee) within 30 days after the date of announcement of the action.

(c) If appeal is filed with the Standard Review Committee or the Standing Committee, the Committee shall attempt to resolve the appeal informally. If the appeal is filed with NIST, NIST with the consultation and advice of the Standard Review Committee or the Standing Committee, whichever is appropriate, shall attempt to resolve the appeal informally.

(d) If the appeal is to the Standard Review Committee or the Standing Committee and the Committee is unable to resolve such an appeal informally, the Committee shall hold a hearing regarding the appeal. Announcement of the hearing shall be made to members of the Standard Review Committee or the Standing Committee and all the acceptors of record, when appropriate, as well as other known interests. Notice of the hearing shall be published in the FEDERAL REGISTER. The hearing will be an informal, nonadversary proceeding at which there will be no formal pleadings or adverse parties. Written statements will be furnished by witnesses prior to the hearing. A record of the hearing will be made. Copies of the written statements and the record of the hearing will be available at cost.

(e) Those members of the Committee hearing the appeal will develop a recommendation to the Committee concerning the resolution of the appeal.

§ 10.15

NIST will review the recommendation and if found acceptable will subject it to a letter ballot of the Committee. Approval by three-fourths of the members of the Committee eligible to vote will constitute acceptance by the Committee and by NIST. Notice of the Committee decision will be published in the FEDERAL REGISTER.

(f) If the appeal is to NIST and the attempt to resolve the appeal informally under paragraph (c) of this section is not successful, the Deputy Director of NIST will schedule a hearing with an appeals panel at an appropriate location. Announcement of the hearing shall be made to members of the Standard Review Committee or Standing Committee and all acceptors of record, when appropriate, as well as to other known interests. Notice of the hearing shall be published in the FEDERAL REGISTER.

(g) The Deputy Director of NIST will name two other persons, who have not been directly involved in the matter in dispute and who will not be directly or materially affected by any decision made or to be made in the dispute, to sit on the panel with the Deputy Director, who will act as presiding officer. The presiding officer will have the right to exercise such authority as necessary to ensure the equitable and efficient conduct of the hearing and to maintain an orderly proceeding.

(h) The hearing will be an informal, nonadversary proceeding at which there will be no formal pleadings or adverse parties. The hearing will be open to the public. Witnesses shall submit a written presentation for the record seven days prior to the hearing. A record will be made of the hearing. Copies of the written statements and the record of the hearing will be available at cost.

(i) The appeals panel will make a recommendation to the Director of NIST. The Director's decision on the appeal will be announced within 60 days following the hearing and will be communicated to the complainant and other interested parties by letter. Notice of the Director's decision shall be published in the FEDERAL REGISTER.

§ 10.15 Interpretations.

(a) An interpretation of a Voluntary Product Standard may be obtained through the submission of a written request. The request shall identify the specific section of the standard involved.

(b) In the case of PS 20-70, the "American Softwood Lumber Standard," interpretations shall be made by the American Lumber Standards Committee (ALSC) under the procedures developed by the ALSC and found acceptable to NIST.

(c) In the case of the other Voluntary Product Standards, interpretations shall be made by the appropriate Standing Committees under procedures developed by those committees and found acceptable to NIST.

§ 10.16 Effect of procedures.

Nothing contained in these procedures shall be deemed to apply to the development, publication, revision, amendment, or withdrawal of any standard which is not identified as a "Voluntary Product Standard" by the Department. The authority of the Department with respect to engineering standards activities generally, including the authority to publish appropriate recommendations not identified as "Voluntary Product Standards," is not limited in any way by these procedures.

PART 12—FAIR PACKAGING AND LABELING

Sec.

12.1 Introduction.

12.2 Undue proliferation.

12.3 Development of voluntary product standards.

12.4 Report to the Congress.

AUTHORITY: Secs. 5(d), 5(e), 80 Stat. 1298, 15 U.S.C. 1454; sec. 3, Dept. Order 177 (31 FR 6746), as amended (32 FR 3110).

SOURCE: 32 FR 11074, July 29, 1967, unless otherwise noted.

§ 12.1 Introduction.

(a) These procedures apply to the discharge of the responsibility given to the Secretary of Commerce by sections 5(d) and 5(e) of the Fair Packaging and Labeling Act (Pub. L. 89-755, 80 Stat. 1299), hereinafter called the "Act". The word "Secretary", as used hereinafter, shall refer to the Secretary of Commerce or his authorized delegate.

(b) The Secretary does not have the responsibility or the authority under the Act to issue any regulations governing the packaging or labeling practices of private industry.

(c) The Secretary does have the responsibility and authority to:

(1) Determine whether the reasonable ability of consumers to make value comparisons with respect to any consumer commodity or reasonably comparable consumer commodities is impaired by undue proliferation of the weights, measures, or quantities in which such commodity or commodities are being distributed in packages for sale at retail.

(2) Request manufacturers, packers, and distributors, where a determination of undue proliferation has been made, to participate in the development of a voluntary product standard under the procedures governing the De-

partment's voluntary standards program.

(3) Report to Congress with a recommendation as to whether legislation providing regulatory authority should be enacted, when after 1 year following the date private industry has been requested to participate in the development of a voluntary product standard it is determined that such a standard will not be published, or when following the publication of such a standard it is determined that the standard has not been observed.

(d) The Act does not furnish a detailed, definitive explanation of "undue proliferation". It does, however, point out that the condition of "undue proliferation" must be one which "impairs the reasonable ability of consumers to make value comparisons" with respect to consumer commodities. Generally, therefore, the Department will determine "undue proliferation" on a case-by-case basis, and, accordingly, is establishing by these procedures an orderly process for such determinations.

(e) As used hereinafter the term "undue proliferation" shall refer to such undue proliferation—of the weights, measures or quantities in which any consumer commodity or reasonably comparable consumer commodities are being distributed for sale at retail—as impairs the reasonable ability of consumers to make value comparisons with respect to such consumer commodity or commodities, as set out in section 5(d) of the Act.

§ 12.2 Undue proliferation.

(a) *Information as to possible undue proliferation.* Any person or group, including a State or local governmental entity, is invited to communicate information to the Secretary concerning the possible existence of undue proliferation. Such communications should be in writing and include supporting information and explanations.

(b) *Initiation of inquiry as to undue proliferation.* Upon receipt of information regarding the possible existence of undue proliferation, the Secretary will determine whether there has been a showing of good cause warranting an inquiry. If the Secretary determines that good cause exists, he shall initiate an inquiry for the purpose of finding

§ 12.3

facts concerning the existence of undue proliferation.

(c) *Procedures for inquiry*—(1) *Cooperation with State and local officials.* Any inquiry initiated under paragraph (b) of this section may be conducted in cooperation with State and local weights and measures officials.

(2) *Participation by interested persons.* The Secretary may, during the course of the inquiry, afford interested persons or groups an opportunity to submit in writing comments, data, arguments, views, or other information relevant to the inquiry.

(d) *Proposed determination as to existence of undue proliferation.* (1) If, after consideration of all relevant information, the Secretary concludes that undue proliferation appears to exist, he shall publish a proposed determination to this effect. The proposed determination shall identify the particular consumer commodity or commodities involved and shall be accompanied by a concise statement of the facts upon which it is based.

(2) Within 60 days after publication of the proposed determination, any interested party may submit in writing comments, data, arguments, views, or other information relevant to the proposed determination. All written submissions shall be made a part of the public record.

(3) Within 30 days after the proposed determination has been published, any interested party may request in writing an oral hearing to present his views. The granting of such a hearing shall be at the discretion of the Secretary. Any such hearing shall be public and notice thereof shall be published at least 15 days in advance. A transcript of the hearing shall be made part of the public record.

(e) *Final determination as to undue proliferation.* As soon as practicable following the conclusion of the proceedings described in paragraph (d) of this section, the Secretary shall either publish a final determination of undue proliferation, or he shall publish a notice withdrawing his proposed determination of undue proliferation. In no event shall the withdrawal of a proposed determination operate to preclude the initiation of another inquiry regarding the same or similar subject

15 CFR Subtitle A (1–1–17 Edition)

matter under paragraph (b) of this section.

§ 12.3 Development of voluntary product standards.

(a) *Invitation to participate in the development of a voluntary product standard.* Whenever the Secretary publishes a final determination of undue proliferation under § 12.2(e), he shall invite manufacturers, packers, and distributors of the commodity or commodities involved to participate in the development of a voluntary product standard in accordance with the terms of the Act and the Department's published procedures for voluntary product standards. The term "Voluntary Product Standard" as used in this section means a standard for weights, measures or quantities in which the commodity or commodities are being distributed in packages for sale at retail.

(b) *Determination that voluntary product standard will not be published.* (1) If a voluntary product standard has not been developed within one year from the date on which participation was invited, the Secretary may conclude that a voluntary product standard will not likely be published. Upon reaching such a conclusion, the Secretary will publish a proposed determination that a voluntary product standard will not be published.

(2) Within 60 days after publication of the proposed determination, any interested party may submit in writing comments, data, arguments, views, or other information relevant to the proposed determination. All written submissions shall be made a part of the public record.

(3) Within 30 days after the proposed determination has been published, any interested party may request in writing an oral hearing to present his views. The granting of such a hearing shall be at the discretion of the Secretary. Any such hearing shall be public and notice thereof shall be published at least 15 days in advance. A transcript of the hearing shall be made part of the public record.

(4) As soon as practicable following the conclusion of the proceedings described in paragraphs (b)(2) and (3) of this section, the Secretary shall either publish a final determination that a

voluntary product standard will not be published, or he shall publish a notice withdrawing his proposed determination under paragraph (b)(1) of this section. In no event shall the withdrawal of a proposed determination operate to preclude the publication of another proposed determination under paragraph (b)(1) of this section with respect to the same or similar subject matter.

(c) *Determination that a published voluntary product standard has not been observed.* (1) Whenever the Secretary has reason to believe that a voluntary product standard published under these procedures is not being observed he shall initiate an inquiry to determine such fact.

(2) If, on the basis of the information developed during the inquiry, the Secretary concludes that the voluntary product standard is not being observed, he shall publish a proposed determination to this effect. The proposed determination shall identify the particular standard involved and shall be accompanied by a concise statement of the facts upon which it is based.

(3) Within 60 days after publication of the proposed determination, any interested party may submit in writing comments, data, arguments, views, or other information relevant to the proposed determination. All written submissions shall be made a part of the public record.

(4) Within 30 days after the proposed determination has been published, any interested party may request in writing an oral hearing to present his views. The granting of such a hearing shall be at the discretion of the Secretary. Any such hearing shall be public and notice thereof shall be published at least 15 days in advance. A transcript of the hearing shall be made part of the public record.

(5) As soon as practicable following the conclusion of the proceedings described in paragraphs (c)(3) and (4) of this section, and upon consideration of all relevant information, the Secretary shall either publish a final determination that the voluntary product standard is not being observed, or he shall publish a notice withdrawing his proposed determination under paragraph (c)(2) of this section. In no event shall the withdrawal of a proposed deter-

mination operate to preclude the initiation of another inquiry regarding the same standard under paragraph (c)(1) of this section.

§ 12.4 Report to the Congress.

Whenever the Secretary publishes a final determination under § 12.3(b)(4) or § 12.3(c)(5), he shall promptly report such determination to the Congress with a statement of the efforts that have been made under the voluntary standards program and his recommendation as to whether Congress should enact legislation providing regulatory authority to deal with the situation in question.

§ 13.2 Definitions.

(5) Where state planning and budgeting systems are sufficient and where permitted by law, encourages the substitution of state plans for federally required state plans;

(6) Seeks the coordination of views of affected state and local elected officials in one state with those of another state when proposed Federal financial assistance or direct Federal development has an impact on interstate metropolitan urban centers or other interstate areas; and

(7) Supports state and local governments by discouraging the reauthorization or creation of any planning organization which is federally-funded, which has a limited purpose, and which is not adequately representative of, or accountable to, state or local elected officials.

§ 13.5 Obligations with respect to Federal interagency coordination.

The Secretary, to the extent practicable, consults with and seeks advice from all other substantially affected Federal departments and agencies in an effort to assure full coordination between such agencies and the Department regarding programs and activities covered under these regulations.

§ 13.6 State selection of programs and activities.

(a) A state may select any program or activity published in the FEDERAL REGISTER in accordance with § 13.3 of this part for intergovernmental review under these regulations. Each state, before selecting programs and activities, shall consult with local elected officials.

(c) A state may notify the Secretary of changes in its selections at any time. For each change, the state shall submit to the Secretary an assurance that the state has consulted with elected local elected officials regarding the change. The Department may establish deadlines by which states are required to inform the Secretary of changes in their program selections.

(d) The Secretary uses a state's process as soon as feasible, depending on individual programs and activities, after the Secretary is notified of its selections.

§ 13.7 Communication with state and local officials concerning the Department's programs and activities.

(2) That office or official transmits a state process recommendation for a program selected under § 13.6.

(b)(1) The single point of contact is not obligated to transmit comments from state, areawide, regional or local officials and entities where there is no state process recommendation.

(2) If a state process recommendation is transmitted by a single point of contact, all comments from state, areawide, regional, and local officials and entities that differ from it must also be transmitted.

(c) If a state has not established a process, or is unable to submit a state process recommendation, state, areawide, regional and local officials and entities may submit comments either to the applicant or to the Department.

§ 13.10

In addition, if a state process recommendation for a nonselected program or activity is transmitted to the Department by the single point of contact, the Secretary follows the procedures of § 13.10 of this part.

(e) The Secretary considers comments which do not constitute a state process recommendation submitted under these regulations and for which the Secretary is not required to apply the procedures of § 13.10 of this part, when such comments are provided by a single point of contact, by the applicant, or directly to the Department by a commenting party.

§ 13.10 Accommodation of intergovernmental concerns.

(a) If a state process provides a state process recommendation to the Department through its single point of contact, the Secretary either:

- (1) Accepts the recommendation;
- (2) Reaches a mutually agreeable solution with the state process; or
- (3) Provides the single point of contact with a written explanation of the decision in such form as the Secretary in his or her discretion deems appropriate. (b) In any explanation under paragraph (a)(3) of this section, the Secretary informs the single point of contact that:

- (1) The Department will not implement its decision for at least ten days after the single point of contact receives the explanation; or

(c) For purposes of computing the waiting period under paragraph (b)(1) of this section, a single point of contact is presumed to have received written notification 5 days after the date of mailing of such notification.

The reasons for this policy are as follows:

(a) To conserve the time of Department employees for conducting official business;

(b) To minimize the possibility of involving the Department in controversial issues that are not related to the Department's mission;

(c) To prevent the possibility that the public will misconstrue variances between personal opinions of Department employees and Department policy;

(d) To avoid spending the time and money of the United States for private purposes;

(e) To preserve the integrity of the administrative process; and

(f) To protect confidential, sensitive information and the deliberative process of the Department.

§ 15.14 Demand for testimony or production of documents: Department procedures.

(a) Whenever a demand for testimony or for the production of documents is made upon an employee, the employee shall immediately notify the General Counsel (Room 5890, U. S. Department of Commerce, Washington, DC 20230, (202) 482-1067) or appropriate agency counsel. When a demand for testimony or for the production of documents is made upon an employee of the Patent and Trademark Office, the employee

§ 15.14

should immediately notify the Solicitor, by phone, (703) 305-9035; by mailed addressed Solicitor, Box 8, Patent and Trademark Office, Washington, DC 20231; or in person to 2121 Crystal Drive, Crystal Park 2, Suite 918, Arlington, Virginia 22215.

(b) A Department employee may not give testimony, produce documents, or answer inquiries from a person not employed by the Department regarding testimony or documents subject to a demand or a potential demand under the provisions of this subpart without the approval of the General Counsel, or the Solicitor, or the appropriate agency counsel. A Department employee shall immediately refer all inquiries and Demands to the General Counsel, or the Solicitor, or appropriate agency counsel. Where appropriate, the General Counsel, or the Solicitor, or appropriate agency counsel, may instruct the Department employee, orally or in writing, not to give testimony or produce documents.

(c)(1) *Demand for testimony or documents.* A demand for the testimony of a Department employee shall be addressed to the General Counsel, Room 5890, Department of Commerce, Washington, DC 20230 or appropriate agency counsel. A demand for testimony of an employee of the Patent and Trademark Office shall be mail addressed to the Solicitor, Box 8, Patent and Trademark Office, Washington, DC 20231; or in person to 2121 Crystal Drive, Crystal Park 2, Suite 918, Arlington, Virginia 22215.

(2) *Subpoenas.* A subpoena for testimony by a Department employee or a document shall be served in accordance with the Federal Rules of Civil or Criminal Procedure or applicable state procedure and a copy of the subpoena shall be sent to the General Counsel, or the Solicitor, or appropriate agency counsel.

(3) *Affidavit.* Except when the United States is a party, every demand shall be accompanied by an affidavit or declaration under 28 U.S.C. 1746 or, if an affidavit is not feasible, a statement setting forth the title of the legal proceeding, the forum, the requesting party's interest in the legal proceeding, the reason for the demand, a showing that the desired testimony or document is not reasonably available from

15 CFR Subtitle A (1-1-17 Edition)

any other source, and if testimony is requested, the intended use of the testimony, a general summary of the desired testimony, and a showing that no document could be provided and used in lieu of testimony. The purpose of this requirement is to assist the General Counsel, or the Solicitor, or appropriate agency counsel in making an informed decision regarding whether testimony or the production of a document(s) should be authorized.

(d) A certified copy of a document for use in a legal proceeding may be provided upon written request and payment of applicable fees. Written requests for certification shall be addressed to the agency counsel for the component having possession, custody, or control of the document. Unless governed by another applicable provision of law or component regulation, the applicable fee includes charges for certification and reproduction as set out in 15 CFR part 4.9. Other reproduction costs and postage fees, as appropriate, must also be borne by the requester.

(e) The Secretary retains the authority to authorize and direct testimony in those cases where a statute or Presidential order mandates a personal decision by the Secretary.

(f) The General Counsel, or the Solicitor, or appropriate agency counsel may consult or negotiate with an attorney for a party or the party if not represented by an attorney, to refine or limit a demand so that compliance is less burdensome or obtain information necessary to make the determination required by paragraph (b) of this section. Failure of the attorney to cooperate in good faith to enable the General Counsel, or the Solicitor, or the Secretary, or the appropriate agency counsel to make an informed determination under this subpart may serve, where appropriate, as a basis for a determination not to comply with the demand.

(g) A determination under this subpart to comply or not to comply with a demand is not an assertion or waiver of privilege, lack of relevance, technical deficiency or any other ground for non-compliance.

(h) The General Counsel, or the Solicitor, or appropriate agency counsel may waive any requirements set forth

Office of the Secretary, Commerce

§ 15.16

under this section when circumstances warrant.

§ 15.15 Procedures when a Department employee receives a subpoena.

(a) A Department employee who receives a subpoena shall immediately forward the subpoena to the General Counsel, or the appropriate agency counsel. In the case of an employee of the Patent and Trademark Office, the subpoena shall immediately be forwarded to the Solicitor. The General Counsel, or the Solicitor, or appropriate agency counsel will determine the extent to which a Department employee will comply with the subpoena.

(b) If an employee is served with a subpoena that the General Counsel, or the Solicitor, or appropriate agency counsel determines should not be complied with, the General Counsel, Solicitor or appropriate agency counsel will attempt to have the subpoena withdrawn or modified. If this cannot be done, the General Counsel, Solicitor or appropriate agency counsel will attempt to obtain Department of Justice representation for the employee and move to have the subpoena modified or quashed. If, because of time constraints, this is not possible prior to the compliance date specified in the subpoena, the employee should appear at the time and place set forth in the subpoena. If legal counsel cannot appear on behalf of the employee, the employee should produce a copy of the Department's regulations and inform the legal tribunal that he/she has been advised by counsel not to provide the requested testimony and/or produce documents. If the legal tribunal rules that the demand in the subpoena must be complied with, the employee shall respectfully decline to comply with the demand. *United States ex rel. Touhy v. Ragen*, 340 U. S. 462 (1951).

(c) Where the Department employee is an employee of the Office of the Inspector General, the Inspector General in consultation with the General Counsel, will make a determination under paragraphs (a) and (b) of this section.

§ 15.16 Legal proceedings between private litigants: Expert or opinion testimony.

In addition to the policies and procedures as outlined in §§15.11 through 15.16, the following applies to legal proceedings between private litigants:

(a) If a Department employee is authorized to give testimony in a legal proceeding not involving the United States, the testimony, if otherwise proper, shall be limited to facts within the personal knowledge of the Department employee. Employees, with or without compensation, shall not provide expert testimony in any legal proceedings regarding Department information, subjects or activities except on behalf of the United States or a party represented by the United States Department of Justice. However, upon a showing by the requester that there are exceptional circumstances and that the anticipated testimony will not be adverse to the interest of the Department or the United States, the General Counsel, or the Solicitor, or appropriate agency counsel may, in writing grant special authorization for the employee to appear and give the expert or opinion testimony.

(b)(1) If, while testifying in any legal proceeding, an employee is asked for expert or opinion testimony regarding official DOC information, subjects or activities, which testimony has not been approved in advance in accordance with the regulations in this subpart, the witness shall:

(i) Respectfully decline to answer on the grounds that such expert or opinion testimony is forbidden by the regulations in this subpart;

(ii) Request an opportunity to consult with the General Counsel, or the Solicitor, or appropriate agency counsel before giving such testimony; and

(iii) Explain that upon such consultation, approval for such testimony may be provided.

(2) If the witness is then ordered by the body conducting the proceeding to provide expert or opinion testimony regarding official DOC information, subjects or activities without the opportunity to consult with either the General Counsel, or the Solicitor, or appropriate agency counsel, the witness shall respectfully refuse to provide

§ 15.17

such testimony. See *United States ex rel. Touhy v. Ragen*, 340 U. S. 462 (1951).

(c) If an employee is unaware of the regulations in this subpart and provides expert or opinion testimony regarding official DOC information, subjects or activities in a legal proceeding without the aforementioned consultation, the witness shall, as soon after testifying as possible, inform the General Counsel, or the Solicitor, or appropriate agency counsel that such testimony was given and provide a written summary of the expert or opinion testimony provided.

Demands in legal proceedings for the production of records, or for the testimony of Department employees regarding information protected by the Privacy Act, 5 U.S.C. 552a, the Trade Secrets Act, 18 U.S.C. 1905 or other confidentiality statutes, must satisfy the requirements for disclosure set forth in those statutes before the records may be provided or testimony given. The General Counsel, or the Solicitor, or appropriate agency counsel should first determine if there is a legal basis to provide the testimony or records sought under applicable confidentiality statutes before applying §§15.11 through 15.18. Where an applicable confidentiality statute mandates disclosure, §§15.11 through 15.18 will not apply.

§ 15.24 Policy.

(a) It is the policy of the Department of Commerce to require Commissioned Officers of the NOAA Corps on active duty to make involuntary allotments from pay and allowances as payment of child, or child and spousal, support payments when the officer has failed to make periodic payments under a support order in a total amount equal to the support payable for two months or longer. Failure to make such payments

shall be established by notice from an authorized person to the designated official. Such notice shall specify the name and address of the person to whom the allotment is payable. The amount of the allotment shall be the amount necessary to comply with the support order. If requested, the allotment may include arrearages as well as amounts for current support, except that the amount of the allotment, together with any other amounts withheld for support from the officer as a percentage of pay, shall not exceed the limits prescribed in section 303 (b) and (c) of the Consumer Credit Protection Act (15 U.S.C. 1673). An allotment under this subpart shall be adjusted or discontinued upon notice from an authorized person.

(b) Notwithstanding the above, no action shall be taken to require an allotment from the pay and allowances of any officer until such officer has had a consultation with an attorney from the Office of the Assistant General Counsel for Administration, in person, to discuss the legal and other factors involved with respect to the officer's support obligation and his/her failure to make payments. Where it has not been possible, despite continuing good faith efforts to arrange such a consultation, the allotment shall start the first pay period beginning after 30 days have elapsed since the notice required in paragraph (d)(1) of § 15.25 is given to the affected officer.

(3) The notice is effective when it is received in the office of the designated official.

However, prior to returning the notice if there is sufficient time, an attempt should be made to inform the authorized person who caused the notice to be served, that it will not be honored unless adequate information is supplied.

(5) Upon receipt of effective notice of delinquent support payments, together with all required supplementary documents and information, the designated official shall identify the officer from whom moneys are due and payable. The allotment shall be established in the amount necessary to comply with the support order and to liquidate arrearages if provided by a support order when the maximum amount to be allotted under this provision, together with any other moneys withheld for support from the officer, does not exceed:

15 CFR Subtitle A (1-1-17 Edition)

(i) 50 percent of the officer's disposable earnings for any month where the officer asserts by affidavit or other acceptable evidence, that he/she is supporting a spouse and/or dependent child, other than a party in the support order. If the support claim is contested by the authorized person, that authorized person may refer this matter to the appropriate court or other authority for resolution.

(ii) 60 percent of the officer's disposable earnings for any month where the officer fails to assert by affidavit or other acceptable evidence that he/she is supporting a spouse and/or dependent child.

(iii) Regardless of the limitations above, an additional 5 percent of the officer's disposable earnings shall be withheld when it is stated in the notice that the officer is in arrears in an amount equivalent to 12 or more weeks' support.

(iv) That by submitting supporting affidavits or other necessary documentation, the officer consents to the disclosure of such information to the party requesting the support allotment;

(v) Of the amount or percentage that will be deducted if the officer fails to submit the documentation necessary to enable the designated official to respond to the notice within the prescribed time limits;

(vi) That legal counsel will be provided by the Office of the Assistant General Counsel for Administration; and

(ii) Copies of any other documents submitted with the notice.

(3) The Office of the Assistant General Counsel for Administration will make every effort to see that the officer receives a consultation concerning the support obligation and the consequences of failure to make payments within 30 days of the notice required in paragraph (d)(1). In the event such consultation is not possible, despite continuing good faith efforts to arrange a consultation, no action shall be taken to require an allotment from the pay and allowances of any NOAA Corps Officer until 30 days have elapsed after the notice described in paragraph (d)(1) is given to the affected officer.

(4) If, within 30 days of the date of the notice, the officer has furnished the designated official affidavits or other documentation showing the information in the notice to be in error, the designated official shall consider the officer's response. The designated official may return to the authorized person, without action, the notice for a statutorily required support allotment together with the member's affidavit and other documentation, if the member submits substantial proof of error, such as:

(3) In instances where the officer separates from active duty service, the authorized person shall be informed by the Office of Commissioned Personnel, NOAA Corps that the allotment is discontinued.

(4) Payment of statutorily required allotments shall be enforced over other voluntary deductions and allotments when the gross amount of pay and allowances is not sufficient to permit all authorized deductions and collections.

(f) *Allotment of funds.* (1) The authorized person or allottee shall notify the designated official promptly if the operative court order upon which the allotment is based is vacated, modified, or set aside. The designated official shall also be notified of any events affecting the allottee's eligibility to receive the allotment, such as the former spouse's remarriage, if a part of the payment is for spousal support, and notice of a change in eligibility for child support payments under circumstances of death, emancipation, adoption, or attainment of majority of a child whose support is provided through the allotment.

(2) An allotment established under this Directive shall be adjusted or discontinued upon notice from the authorized person.

(3) Neither the Department of Commerce nor any officer or employee thereof, shall be liable for any payment made from moneys due from, or payable by, the Department of Commerce to any individuals pursuant to notice regular on its face, if such payment is made in accordance with this subpart. If a designated official receives notice based on support which, on its face, appears to conform to the law of the jurisdiction from which it was issued, the designated official shall not be required to ascertain whether the authority that issued the order had obtained personal jurisdiction over the member.

(4) *Effective date of allotment.* The allotment shall start with the first pay period beginning after the officer has had a consultation with an attorney from the Office of the Assistant General Counsel for Administration but

15 CFR Subtitle A (1-1-17 Edition)

§ 15.31 Policy.

(a) The Department of Commerce may indemnify a present or former Department employee who is personally named as a defendant in any civil suit in state or federal court, or other legal proceeding seeking damages against a present or former Department employee personally, for any verdict, judgment or other monetary award which is rendered against such employee, provided that the conduct giving rise to the verdict, judgment or award was taken within the scope of his/her employment and that such indemnification is in the interest of the Department as determined by the Secretary or his/her designee.

(b) The Department may settle or compromise a personal damage claim against a present or former employee by the payment of available funds at any time provided the alleged conduct giving rise to the personal property claim was taken within the employee's scope of employment and such settlement is in the interest of the Department as determined by the Secretary or his/her designee.

(c) Absent exceptional circumstances, as determined by the Secretary or his/her designee, the Department will not consider a request either to indemnify or to settle a personal

damage claim before entry of an adverse verdict, judgment or award.

(d) Any payment under this section either to indemnify a present or former Department employee or to settle a personal damage claim shall be contingent upon the availability of appropriated funds of the Department of Commerce.

The following procedures shall be followed in the event that a civil action or proceeding is brought, in any court, against a present or former employee of the Department (or against his/her estate) for personal injury, loss of property or death, resulting from the Department employee's activities while acting within the scope of his/her office or employment:

(a) After being served with process or pleadings in such an action or proceeding, the employee (or the executor(rix) or administrator(rix)) of the estate shall within five (5) calendar days of receipt, deliver all such process and pleadings or an attested true copy thereof, together with a fully detailed report of the circumstances of the incident giving rise to the court action or proceeding to the General Counsel. Where appropriate, the General Counsel, or his/her designee, may request that the Department of Justice provide legal representation for the present or former Department employee.

(b)(1) Only if a present or former employee of the Department has satisfied the requirements of paragraph (a) of this section in a timely fashion, may the employee subsequently request indemnification to satisfy a verdict, judgment, or award entered against that employee.

(2) No request for indemnification will be considered unless the employee has submitted a written request, with appropriate documentation, including copies of the verdict, judgment, appeal bond, award, or settlement proposal through the employee's supervisory chain to the head of the employee's component. The written request will include an explanation by the employee of how the employee was work-

The request for indemnification shall include a detailed analysis of the basis for the recommendation. The head of the component will also certify to the General Counsel that the component has funds available to pay the indemnification.

(c) The General Counsel or his/her designee will review the circumstances of the incident giving rise to the action or proceeding, and all data bearing upon the question of whether the employee was acting within the scope of his/her employment. § 16.1

SOURCE: 42 FR 26648, May 25, 1977, unless otherwise noted.

§ 16.1 Purpose.

The purpose of this part is to establish procedures under which a voluntary consumer product information labeling program administered by the Department of Commerce will function.

§ 16.2 Description and goal of program.

(a) The Department's Voluntary Consumer Product Information Labeling Program makes available to consumers, at the point of sale, information on consumer product performance in an understandable and useful form so as to facilitate accurate consumer purchasing decisions and enhance consumer satisfaction. It also educates consumers, distributors and retailers in the use of the product performance information displayed and provides manufacturers and other persons who participate in the program with an opportunity to convey to the public the particular advantages of their products. These objectives are accomplished by:

(1) Selecting or developing standardized test methods by which selected product performance characteristics can be measured;

(2) Developing labeling methods by which information concerning product performance can be transmitted in useful form to consumers at the point of sale;

(3) Encouraging manufacturers and other participants in the program voluntarily to test and label their products according to the selected or developed methods; and

(4) Encouraging consumers through various informational and educational programs to utilize the product performance information provided.

(b) The program involves voluntary labeling by enrolled participants of selected categories of consumer products with information concerning selected performance characteristics of those products. The performance characteristics selected are those that are of demonstrable importance to consumers, that consumers cannot evaluate through mere inspection of the prod-

15 CFR Subtitle A (1-1-17 Edition)

uct, and that can be measured objectively and reported understandably to consumers. The consumer products covered include those for which incorrect purchase decision can result in financial loss, dissatisfaction, or inconvenience. The program seeks to avoid the duplication of other Federal programs under which performance characteristics are labeled by exempting those performance characteristics from this program. However, where the Federal agency concerned agrees, the Department of Commerce may include information about those performance characteristics in CPILP labels if, by doing so, product comparison at the point of sale is simplified for consumers, and the complexity of product labeling is reduced for the manufacturers by enabling them to comply with the labeling requirements of other Federal agencies through participation in CPILP.

(c) For selected categories of consumer products, the program includes advertising guidelines covering situations where quantitative performance values are stated in advertising or where qualitative comparisons are made of the performance of different products.

[42 FR 26648, May 25, 1977, as amended at 43 FR 8255, Mar. 1, 1978]

(i) The term *designated agent* means a person as defined in paragraph (e) of this section, who has been designated by the Secretary to carry out appropriate operational procedures on behalf of more than one participant in this program in accordance with rules set out under § 16.9.

§ 16.4 Finding of need to establish a specification for labeling a consumer product.

(a) Any person may request the Secretary to find that there is a need to label a particular consumer product with information concerning one or more specific performance characteristics of that product.

(b) Such a request shall be in writing and will, to the extent practicable, include the following information:

(1) Identification of the consumer product;

(2) Extent that the product identified in paragraph (b)(1) of this section is used by the public and, if known, what the production or sales volume is of such product;

(3) Nature and extent of difficulty experienced by consumers in making informed purchase decisions because of a lack of knowledge regarding the performance characteristics of the identified consumer product;

(4) Potential or actual loss to consumers as a result of an incorrect decision based on an inadequate understanding of the performance characteristics of the identified consumer product;

(8) Estimated cost to participants to test and label the product.

(c) The Secretary may ask for more information to support a request made under paragraph (a) of this section if she feels it is necessary to do so, or, if she deems it to be in the public interest, may develop such information herself as by consultation on a one-time basis with consumers, consumer organizations, and others. The Secretary shall act expeditiously on all requests and shall notify the requester of her decision in writing. If the Secretary determines that there is no need to establish a Specification for labeling the requested consumer product performance characteristics, or because of a lack of resources, she will decline to act further on the request. In those instances where the Secretary declines a request, she shall state the reasons for so declining.

(d) If the Secretary finds that a need exists to establish a Specification for labeling a consumer product under this program, she shall publish a notice in the FEDERAL REGISTER setting out such finding and its basis and stating that she is developing a proposed Specification in accordance with § 16.5.

§ 16.5 Development of performance information labeling specifications.

(a) If the Secretary makes a finding of need pursuant to § 16.4, she will publish a proposed Performance Information Labeling Specification in the FEDERAL REGISTER with a notice giving the

§ 16.6

complete text of the proposed Specification and any other pertinent information. The notice will invite any interested person to submit written comments on the proposed Specification within 45 days after its publication in the FEDERAL REGISTER, unless another time limit is provided by the Secretary. Interested persons wanting to express their views in an informal hearing may do so, if within 15 days after the proposed Specification is published in the FEDERAL REGISTER, they request the Secretary to hold a hearing. Such informal hearings shall be held so as to give all interested persons an opportunity for the oral presentation of data, views, or arguments in addition to the opportunity to make written submissions. Notice of such hearings shall be published in the FEDERAL REGISTER. A transcript shall be kept of any oral presentations.

(b) Each Specification shall as a minimum include:

(1) A description of the performance characteristics of the consumer product covered;

(2) An identification by reference of the test methods to be used in measuring the performance characteristics. The test methods, where they exist and are deemed appropriate for inclusion in the particular Specification involved, shall be those which are described in nationally-recognized voluntary standards. Where appropriate test methods do not exist, they will be developed by the Department of Commerce in cooperation with interested parties and set out in full in the Specification;

(3) A prototype label and directions for displaying the label on or with the consumer product concerned. Such directions will not prohibit the display of additional information by the participant on space adjacent to the marked boundaries of the label; and

(4) Conditions of participation.

(c) The Secretary, after consideration of all written and oral comments and other materials received in accordance with paragraph (a) of this section, shall publish in the FEDERAL REGISTER within 30 days after the final date for receipt of comments, or as soon as practicable thereafter, a notice either:

(1) Giving the complete text of a final Specification, including conditions of

15 CFR Subtitle A (1-1-17 Edition)

use, and stating that any prospective participant in the program desiring voluntarily to use the Department of Commerce Mark developed under §16.10 must advise the Department of Commerce: or

(2) Stating that the proposed Specification will be further developed before final publication; or

(3) Withdrawing the proposed Specification from further consideration.

§ 16.6 Establishment of fees and charges.

(a) The Secretary in conjunction with the use of the Working Capital Fund of the National Institute of Standards & Technology, as authorized under section 12 of the Act of March 3, 1901, as amended (15 U.S.C. 278b), for this program, shall establish fees and charges for use of the Department of Commerce Label and Mark on each product. Such fees and charges shall be related to the number of units of products labeled, where appropriate. The fees and charges established by the Secretary, which may be revised by her when she deems it appropriate to do so, shall be in amounts calculated to make the operation of this program as self-sufficient as reasonable. A separate notice will be published in the FEDERAL REGISTER simultaneously with the notice of each proposed Specification referred to in §16.5(a). Such notice will set out a schedule of estimated fees and charges the Secretary proposes to establish. The notice would be furnished for informational and guidance purposes only in order that the public may evaluate the proposed Specification in light of the expected fees to be charged.

(b) At such time as the Secretary publishes the notice announcing the final Specification referred to in §16.5(c)(1), she shall simultaneously publish a separate notice in the FEDERAL REGISTER setting forth the final schedule of fees that will be charged participants in the program. The effective date of such final schedule of fees shall be the same as the date on which the final Specification takes effect.

(c) Revisions, if any, to the fees and charges established by the Secretary under paragraph (b) of this section shall be published in subsequent FEDERAL REGISTER notices and shall take

effect not less than thirty (30) days after the date of publication of such notice.

(d) The establishment of fees and charges under this section may, at any time, be suspended by the Secretary for any length of time.

[42 FR 26648, May 25, 1977, as amended at 42 FR 57686, Nov. 4, 1977; 55 FR 38315, Sept. 18, 1990]

§ 16.7 Participation in program.

(a) Any manufacturer, assembler, or private brand labeler of consumer products or importer of such products for resale, desiring to participate in this program will so notify the Secretary. The notification will identify the particular Specification to be used and the prospective participant's identification and model numbers for the products to be labeled. The notification must include a statement that if accepted as a participant in the program by the Secretary, the prospective participant will:

(1) Abide by all conditions imposed by these procedures:

(2) Abide by the conditions contained in the Specification, as prescribed in paragraph (d) of this section;

(3) Pay the fees and charges established by the Secretary; and

(4) Desist from using the Department of Commerce label and Mark if his participation is terminated under § 16.8.

(b) The Secretary shall act expeditiously on all requests to participate in the program and shall notify each prospective participant of her decision in writing. In those instances where the Secretary declines a request, she shall state the reasons for so declining.

(c) If a prospective participant seeking to participate in the program is notified by the Secretary that she proposes to deny that prospective participant the right to participate, that prospective participant shall have thirty (30) days from the receipt of such notification to request a hearing under the provisions of 5 U.S.C. 556. The Secretary's proposed denial shall become final through the issuance of a written decision to such prospective participant in the event that he does not appeal such notification by the end of the thirty (30) day period. If however, such prospective participant requests a

hearing within that thirty (30) day period, the Secretary's proposed denial shall be stayed pending the outcome of the hearing held pursuant to 5 U.S.C. 556.

(d) The conditions set out in each Specification will include, but not be limited to, the following:

(1) Prior to the use of a Label, the participant will make or have made the measurements to obtain the information required for inclusion on the Label and, if requested, will forward within 30 days such measurement data to the Secretary. Such measurement data will be kept on file by the participant or his agent for two years after that product is no longer manufactured unless otherwise provided in the Specification.

(2) The participant will describe the test results on the Label as prescribed in the Specification.

(3) The participant will display or arrange to display, in accordance with the appropriate Specification, the Label on or with each individual product of the type covered except for units exported from the U.S. Participants who utilized more than one brand name may participate by labeling some or all of the brand names. All models with the same brand name must be included in the program unless they are for export only.

(4) The participant agrees at his expense to comply with any reasonable request of the Secretary to have consumer products manufactured, assembled, imported, or privately brand labeled by him tested to determine that testing has been done according to the relevant Specification.

(5) Participants may reproduce the Department of Commerce Label and Mark in advertising: *Provided*, That the entire Label, complete with all information required to be displayed at the point of retail sale, is shown legibly and is not combined or associated directly with any other mark or logo.

§ 16.8 Termination of participation.

(a) The Secretary upon finding that a participant is not complying with the conditions set out in these procedures or in a Specification may terminate upon 30 days notice the participant's right to continue his participation in

§ 16.9

the program: *Provided*, That the participant shall first be given an opportunity to show cause why the participation should not be terminated.

(b) Upon receipt of a notice from the Secretary of the proposed termination, which notice shall set forth the reasons for such proposed termination, the participant shall have thirty (30) days from the date of receipt of such notification to request a hearing under the provisions of 5 U.S.C. 556. The Secretary's proposed termination shall become final through the issuance of a written decision to the participant in the event such participant does not appeal the proposed termination within the thirty (30) day period. If, however, the participant requests a hearing within the thirty (30) day period, the Secretary's proposed termination shall be stayed pending the outcome of the hearing held pursuant to 5 U.S.C. 556.

(c) A participant may at any time terminate his participation and responsibilities under this program with regard to a specific type of product by giving written notice to the Secretary that he has discontinued use of the Department of Commerce Label and Mark for all consumer products of the type involved.

§ 16.9 Rules governing designated agents.

(a) The following rules, requirements and tasks shall be applicable with respect to the seeking of designated agent status and the performance of that role after such status has been obtained. Each person desiring to be designated as a designated agent under this program shall:

(1) Make written application to the Secretary;

(2) Provide appropriate information showing his qualifications to represent members within a given product area and that more than one prospective participant in that product area is agreeable to such representation; and

(3) Agree to service any participant in this program in the agent's cognizant product area whether or not such participant is a member of the organization or body which that agent represents.

(b) The Secretary may require a person seeking designated agent status to

15 CFR Subtitle A (1-1-17 Edition)

supply further information before granting such status to that person. The Secretary will notify each person seeking designated agent status, in writing, as expeditiously as possible after evaluating such person's application.

(c) Each person granted designated agent status shall:

(1) Provide the Secretary with a list of the participants that the designated agent services under the program. The Secretary shall also be provided an updated list as soon thereafter as may be practicable whenever there are any changes in the list;

(2) Collect fees and charges from the participants serviced under this program, consolidate such sums, and transmit those fees and charges required under § 16.6 to the Secretary;

(3) Distribute Department of Commerce Marks developed under § 16.10 or instructions for the printing of such Marks to the participants that the designated agent services under this program;

(4) Gather and consolidate such statistical information as may be required by the Secretary from individual participants serviced;

(5) Provide the Secretary with reports, including the consolidated statistical information referred to in paragraph (c)(4) of this section, as may be called for by her, relative to the activities of the participants the designated agent is servicing; and

(6) Perform any additional tasks mutually agreed upon by the designated agent and the Secretary.

(d) If a person seeking designated agent status is notified by the Secretary that she proposes to deny that person such status, that person shall have thirty (30) days from the date of receipt of such notification to request a hearing under the provisions of 5 U.S.C. 556. The Secretary's proposed denial shall become final through the issuance of a written decision to such person in the event that he does not appeal such notification by the end of that thirty (30) day period. If, however, such person requests a hearing within that thirty (30) day period, the Secretary's proposed denial shall be stayed pending the outcome of the hearing held pursuant to 5 U.S.C. 556.

Office of the Secretary, Commerce

§ 17.1

(e) If the Secretary finds that a designated agent has violated the terms of paragraph (c) of this section, she may, after consultations with such designated agent, notify such person that she proposes to revoke his status as a designated agent.

(f) Upon receipt of a notice from the Secretary of the proposed revocation, which notice shall set forth the reasons for such proposed revocation, the designated agent shall have thirty (30) days from the date of receipt of such notification to request a hearing under the provisions of U.S.C. 556. The Secretary's proposed revocation shall become final through the issuance of a written decision to the designated agent in the event such designated agent does not appeal the proposed revocation within that thirty (30) day period. If, however, the designated agent requires a hearing within that thirty (30) day period, the Secretary's proposed revocation shall be stayed pending the outcome of the hearing held pursuant to 5 U.S.C. 556.

§ 16.10 The Department of Commerce Mark.

The Department of Commerce shall develop a Mark which shall be registered in the U.S. Patent and Trademark Office under 15 U.S.C. 1054 for use on each Label described in a Specification.

§ 16.11 Amendment or revision of a performance information labeling specification.

The Secretary may by order amend or revise any Specification published under § 16.5. The procedure applicable to the establishment of a Specification under § 16.5 shall be followed in amending or revising such Specification. Such amendment or revision shall not apply to consumer products manufactured prior to the effective date of the amendment or revision.

§ 16.12 Consumer education.

The Secretary, in close cooperation and coordination with interested Government agencies, appropriate trade associations and industry members, consumer organizations, and other interested persons shall carry out a program to educate consumers relative to

the significance of the labeling program. Some elements of this program shall also be directed toward informing retailers and other interested groups about the program.

§ 16.13 Coordination with State and local programs.

The Secretary will establish and maintain an active program of communication with appropriate State and local government offices and agencies and will furnish and make available information and assistance that will promote uniformity in State and local programs for the labeling of performance characteristics of consumer products.

§ 16.14 Annual report.

The Secretary will prepare an annual report of activities under the program, including an evaluation of the program and a list of participants, designated agents, and types of consumer products covered.

17.1 Scope.

17.2 Definitions.

17.3 Exchange of Federal laboratory personnel with recipients of Federal funding.

17.4 Personnel exchanges from a Federal laboratory.

17.5 Personnel exchanges to a Federal laboratory.

AUTHORITY: 15 U.S.C. 3712.

SOURCE: 81 FR 73025, Oct. 24, 2016, unless otherwise noted.

§ 17.1 Scope.

(a) The Stevenson-Wydler Technology Innovation Act of 1980, Public Law 96-480, as amended (codified at title 15 of the United States Code (U.S.C.), section 3701 *et seq.*) (the Stevenson-Wydler Act), sets forth a national policy to renew, expand, and strengthen cooperation among academia, Federal laboratories, labor, and industry, in forms including personnel

§ 17.2

exchanges (15 U.S.C. 3701(3)). One proven method to ensure that Federal innovations are passed to industry and the public is to encourage frequent interactions among Federal laboratories, academic institutions, and industry, including both large and small businesses. In accordance with applicable ethics regulations and Agency policies, exchanges of personnel between Federal laboratories and outside collaborators should be encouraged (15 U.S.C. 3702(5)). Models that include Federal funding, as well as those that are executed without Federal funding, are encouraged.

(b) This part implements 15 U.S.C. 3712 and provides clarification regarding the appropriate use of personnel exchanges in relation to Federal Laboratory Cooperative Research and Development Agreements (CRADAs) under the authority of 15 U.S.C. 3710a.

(c) This part is applicable to exchanges of personnel between Federal laboratories and parties to a CRADA under 15 U.S.C. 3710a(a)(1).

§ 17.2 Definitions.

(a) The term *funding agreement* shall have the meaning according to it under 35 U.S.C. 201(b).

(b) The term *contractor* shall have the meaning according to it under 35 U.S.C. 201(c).

(c) The term *Federal laboratory* shall have the meaning according to it under 15 U.S.C. 3703(4).

§ 17.3 Exchange of Federal laboratory personnel with recipients of Federal funding.

(a) In accordance with 15 U.S.C. 3710a(b)(3)(A) and 3710a(d)(1), a Federal laboratory may provide personnel, services, property, and other resources to a collaborating party, with or without reimbursement (but not funds to non-Federal parties) for the conduct of specified research or development efforts under a CRADA which are consistent with the missions of the Federal laboratory. The existence of a funding agreement between a Federal laboratory and a contractor shall not preclude the Federal laboratory from using its authority under 15 U.S.C. 3710a to enter into a CRADA with the contractor as a collaborating party for

15 CFR Subtitle A (1-1-17 Edition)

the conduct of specified research or development efforts, where the director of the Federal laboratory determines that the technical subject matter of the funding agreement is sufficiently distinct from that of the CRADA. In no event shall a contractor which is a collaborating party transfer funds to a Federal laboratory under a CRADA using funds awarded to the contractor by that laboratory.

(b) (1) A Federal laboratory may enter into a CRADA with a contractor as a collaborating party for the purpose of exchange of personnel for the conduct of specified research or development efforts where the determination required under paragraph (a) of this section could not be made, provided that:

(i) The CRADA includes at least one collaborating party in addition to the Federal laboratory and that contractor; and

(ii) The Federal laboratory shall not provide services, property or other resources to that contractor under the CRADA.

(2) Where a Federal laboratory enters into a CRADA with a contractor under this paragraph (b), the terms of that contractor's funding agreement shall normally supersede the terms of the CRADA, to the extent that any individual terms conflict, as applied to that contractor and the Federal laboratory only.

(c) In making the determination required under paragraph (a) of this section, the director of a Federal laboratory may consider factors including the following:

(1) Whether the conduct of specified research or development efforts under the CRADA would require the contractor to perform tasks identical to those required under the funding agreement;

(2) Whether existing intellectual property to be provided by the Federal laboratory or the contractor under the CRADA is the same as that provided under, or referenced in, the funding agreement;

(3) Whether the contractor's employees performing the specified research or development efforts under the

CRADA are the same employees performing the tasks required under the funding agreement; and

(4) Whether services, property or other resources contemplated by the Federal laboratory to be provided to the contractor for the specified research or development efforts under the CRADA would materially benefit the contractor in the performance of tasks required under the funding agreement.

§ 17.4 Personnel exchanges from a Federal laboratory.

(a) For personnel exchanges in which a Federal laboratory maintains funding for Federal personnel provided to a collaborating party—

(1) in accordance with 15 U.S.C. 3710a(b)(3)(A), a Federal laboratory may exchange personnel with a collaborating party for the purposes of specified scientific or technical research towards a mutual goal consistent with the mission of the Agency, where no invention currently exists, or

(2) in accordance with 15 U.S.C. 3710a(b)(3)(C), a Federal laboratory may exchange personnel with a non-Federal collaborating party for the purposes of developing or commercializing an invention in which the Federal government has an ownership interest, including an invention made by an employee or former employee while in the employment or service of the Federal government, and such personnel exchanged may include such employee who is an inventor.

(i) Funding may be provided under a CRADA by the non-Federal collaborating party to the Federal laboratory for the participation of the Federal employee in developing or commercializing an invention, including costs for salary and other expenses, such as benefits and travel.

(ii) Royalties from inventions received through a license agreement negotiated with the Federal laboratory and paid by the Federal laboratory to an inventor who is a Federal employee are considered Federal compensation.

(3) Where an employee leaves Federal service in order to receive salary or other compensation from a non-Federal organization, a Federal laboratory may use reinstatement authority in ac-

cordance with 5 CFR 315.401, or other applicable authorities, to rehire the former Federal employee at the conclusion of the exchange.

§ 17.5 Personnel exchanges to a Federal laboratory.

For exchanges in which a Federal laboratory provides funds for the non-federal personnel—

(a) Outside personnel with expertise in scientific commercialization may be brought in to a Federal laboratory through the Presidential Innovation Fellows program or related programs (see 5 CFR 213.3102(r)) for Entrepreneur-In-Residence programs or similar, related programs run by the General Services Administration (GSA) or other Federal Agencies.

(b) A laboratory may engage with the GSA or other relevant Agency to transfer funding for exchanged personnel, and may work with such agency to select and place Entrepreneurs-In-Residence at the laboratory for the purposes of evaluating the laboratory's technologies, and providing technical consulting to facilitate readying a technology for commercialization by an outside entity.

GENERAL PROVISIONS

§ 18.1 Purpose of these rules.

The Equal Access to Justice Act, 5 U.S.C. 504 (called "the Act" in this part), provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings (called "adversary adjudications") before the Department of Commerce (the word Department includes its component agencies). An eligible party may receive an award when it prevails over the Department, unless the Department's position in the proceeding was substantially justified or special circumstances make an award unjust. The rules in this part describe the parties that are eligible for awards and the Department's proceedings that are covered by the Act. They also explain how to apply for awards, and the procedures and standards that the Department will use to make them.

§ 18.2 Definitions.

As used in this part:

(a) *Adversary adjudication* means an adjudication under 5 U.S.C. 554 in which the position of the United States is represented by counsel or otherwise, but excludes an adjudication for the purpose of establishing or fixing a rate or for the purpose of granting or renewing a license.

(b) *Adjudicative officer* means the official, without regard to whether the official is designated as an administrative law judge, a hearing officer or examiner, or otherwise, who presided at the adversary adjudication.

§ 18.3 When the Act applies.

The Act applies to any adversary adjudication pending or commenced before the Department on or after August 5, 1985. It also applies to any adversary adjudication commenced on or after October 1, 1984, and finally disposed of

15 CFR Subtitle A (1-1-17 Edition)

before August 5, 1985, provided that an application for fees and expenses, as described in §§18.11 through 18.14 of this part, has been filed with the Department within 30 days after August 5, 1985, and to any adversary adjudication pending on or commenced on or after October 1, 1981, in which an application for fees and other expenses was timely filed and was dismissed for lack of jurisdiction.

[53 FR 6798, Mar. 3, 1988]

§ 18.4 Proceedings covered.

(a) The Act applies to adversary adjudications conducted by the Department and to appeals of decisions of contracting officers of the Department made pursuant to section 6 of the Contract Disputes Act of 1978 (41 U.S.C. 605) before agency boards of contract appeals as provided in section 8 of that Act (41 U.S.C. 607). Adversary adjudications conducted by the Department are adjudications under 5 U.S.C. 554 in which the position of this or any other agency of the United States, or any component of an agency, is presented by an attorney or other representative who enters an appearance and participates in the proceeding. Pursuant to section 8(c) of the Contract Disputes Act (41 U.S.C. 607(c)), the Department has arranged for appeals from decisions by contracting officers of the Department to be decided by the General Services Administration Board of Contract Appeals. This Board, in accordance with its own procedures, shall be responsible for making determinations on applications pursuant to the Act relating to appeals to the Board from decisions of contracting officers of the Department. Such determinations are final, subject to appeal under §18.23. Any proceeding in which the Department may prescribe a lawful present or future rate is not covered by the Act. Proceedings to grant or renew licenses are also excluded, but proceedings to modify, suspend, or revoke licenses are covered if they are otherwise "adversary adjudications." The Department proceedings covered are:

(1) *Department-wide*. (i) Title VI Civil Rights hearings conducted by the Department under 42 U.S.C. 2000d-1 and 15 CFR 8.12(d).

(ii) Handicap discrimination hearings conducted by the Department under 29 U.S.C. 794(a) and 15 CFR 8.12(d).

(2) National Oceanic and Atmospheric Administration (“NOAA”)

(i) Proceedings concerning suspension, revocation, or modification of a permit or license issued by NOAA.

(ii) Proceedings to assess civil penalties under any of the statutes administered by NOAA.

(3) *International Trade Administration*. Enforcement proceedings under the AntiBoycott provisions of the Export Administration Act of 1979, 50 U.S.C. app. 2407.

(4) *Patent and Trademark Office*. Disbarment proceedings of attorneys and agents under 35 U.S.C. 32.

(b) The Department may also designate a proceeding not listed in paragraph (a) of this section as an adversary adjudication for purposes of the Act by so stating in an order initiating the proceeding or designating the matter for hearing. The Department’s failure to designate a proceeding as an adversary adjudication shall not preclude the filing of an application by a party who believes the proceeding is covered by the Act; whether the proceeding is covered will then be an issue for resolution in proceedings on the application.

(c) If a proceeding includes both matters covered by the Act and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered issues.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6798, Mar. 3, 1988]

§ 18.5 Eligibility of applicants.

(a) To be eligible for an award of attorney fees and other expenses under the Act, the applicant must be a party to the adversary adjudication for which it seeks an award. The term “party” is defined in 5 U.S.C. 551(3). The applicant must show that it meets all conditions of eligibility set out in this part.

(b) The types of eligible applicants are as follows:

(1) An individual with a net worth of not more than \$2 million;

(2) The sole owner of an unincorporated business who has a net worth of not more than \$7 million, including both personal and business interests, and not more than 500 employees;

(3) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(4) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)) with not more than 500 employees; and

(5) Any other partnership, corporation, association, unit of local government, or organization with a net worth of not more than \$7 million and not more than 500 employees.

(c) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the proceeding was initiated.

(d) An applicant who owns an unincorporated business will be considered as an “individual” rather than a “sole owner of an unincorporated business” if the issues on which the applicant prevails are related primarily to personal interests rather than to business interests.

(e) The employees of an applicant include all persons who regularly perform services for remuneration for the applicant, under the applicant’s direction and control. Part-time employees shall be included on a proportional basis.

(f) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual, corporation or other entity that directly or indirectly controls or owns a majority of the voting shares or other interest of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interest, will be considered an affiliate for purposes of this part, unless the adjudicative officer determines that such treatment would be unjust and contrary to the purposes of the Act in light of the actual relationship between the affiliated entities. In addition, the adjudicative officer may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(g) An applicant that participates in a proceeding primarily on behalf of one

§ 18.6

or more other persons or entities that would be ineligible is not itself eligible for an award.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6798, Mar. 3, 1988]

§ 18.6 Standards for awards.

(a) A prevailing applicant may receive an award for fees and expenses incurred in connection with a proceeding, or in a significant and discrete substantive portion of the proceedings, unless the position of the Department over which the applicant has prevailed was substantially justified. The position of the Department includes, in addition to the position taken by the Department in the adversary adjudication, the action or failure to act by the Department upon which the adversary adjudication is based. The burden of proof that an award should not be made to an eligible prevailing applicant because the Department's position was substantially justified is on the agency counsel.

(b) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding or if special circumstances make the award sought unjust.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

§ 18.7 Allowable fees and expenses.

(a) Awards will be based on rates customarily charged by persons engaged in the business of acting as attorneys, agents and expert witnesses, even if the services were made available without charge or at a reduced rate to the applicant.

(b) No award for the fee of an attorney or agent under this rule may exceed \$75.00 per hour. No award to compensate an expert witness may exceed the highest rate at which the Department pays expert witnesses. However, an award may also include the reasonable expenses of the attorney, agent, or witness as a separate item, if the attorney, agent, or witness ordinarily charges clients separately for such expenses.

(c) In determining the reasonableness of the fee sought for an attorney, agent, or expert witness, the adjudica-

15 CFR Subtitle A (1-1-17 Edition)

tive officer shall consider the following:

(1) If the attorney, agent, or witness is in private practice, his or her customary fee for similar services, or, if an employee of the applicant, the fully allocated cost of the services;

(2) The prevailing rate for similar services in the community in which the attorney, agent or witness ordinarily performs services;

(3) The time actually spent in the representation of the applicant;

(4) The time reasonably spent in light of the difficulty or complexity of the issues in the proceedings; and

(5) Such other factors as may bear on the value of the services provided.

(d) The reasonable cost of any study, analysis, engineering report, test, project, or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the service does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of the applicant's case.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

§ 18.8 Rulemaking on maximum rates for attorney fees.

(a) If warranted by an increase in the cost of living or by special circumstances (such as limited availability of attorneys qualified to handle certain types of proceedings), the Department may adopt regulations providing that attorney fees may be awarded at a rate higher than the ceiling set forth in §18.7(b) in some or all of the types of proceedings covered by this part. The Department will conduct any rulemaking proceedings for this purpose under the informal rulemaking procedures of the Administrative Procedure Act.

(b) Any person may file with the Department a petition for rulemaking to increase the maximum rate for attorney fees. The petition should be sent to the General Counsel, Department of Commerce, 14th Street and Constitution Avenue, Room 5870, Washington, D.C. 20230. The petition should identify the rate the petitioner believes the Department should establish and the types of proceedings in which the rate should be used. It should also explain

Office of the Secretary, Commerce

§ 18.12

fully the reasons why higher rate is warranted. The Department will respond to the petition within 60 days after it is filed, by initiating a rule-making proceeding, denying the petition, or taking other appropriate action.

§ 18.9 Awards against other agencies.

If an applicant is entitled to an award because it prevailed over another agency of the United States that participated in a proceeding before the Department and took a position that was not substantially justified, the award or an appropriate portion of the award shall be made against that agency.

§ 18.10 Delegations of authority.

The Secretary delegates to the General Counsel the authority to take final action on matters pertaining to the Act.

INFORMATION REQUIRED FROM APPLICANTS

§ 18.11 Contents of application.

(a) An application for an award of fees and expenses under the Act shall identify the applicant and the proceeding for which an award is sought. The application shall show that the applicant has prevailed and identify the position of the Department or other agency in the proceeding that the applicant alleges was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(b) The application shall also include a statement that the applicant's net worth does not exceed \$2 million (if an individual) or \$7 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)), or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its ex-

empt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(2) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)) and includes a copy of its charter or articles of incorporation.

(c) The application shall state the amount of fees and expenses for which an award is sought.

(d) The application may also include any other matters that the applicant wishes the adjudicative officer to consider in determining whether and in what amount an award should be made.

(e) The application shall be signed by the applicant or an authorized officer or attorney of the applicant. It shall also contain or be accompanied by a written verification under oath or under penalty of perjury that the information provided in the application is true and correct.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

§ 18.12 Net worth exhibit.

(a) Each applicant except a qualified tax-exempt organization or cooperative association must provide with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in §18.5(f) of this part) when the proceeding was initiated. Unless regulations issued by a component of the Department establish particular requirements, the exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in this part. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(b) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled "Confidential

§ 18.13

Financial Information,” accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 552(b)(1)–(9), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the agency against which the applicant seeks an award, but need not be served on any other party to the proceeding. If the adjudicative officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the Department’s established procedures under the Freedom of Information Act (15 CFR Part 4).

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

§ 18.13 Documentation of fees and expenses.

The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project, or similar matter for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rate at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The adjudicative officer may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

15 CFR Subtitle A (1–1–17 Edition)

§ 18.14 When an application may be filed.

(a) An application may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after the Department’s final disposition of the proceeding.

(b) For purposes of this rule, final disposition means the date on which a decision or order disposing of the merits of the proceeding or any other complete resolution of the proceeding, such as a settlement or voluntary dismissal, becomes final and unappealable, both within the agency and to the courts.

(c) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy. When the United States appeals the underlying merits of an adversary adjudication to a court, no decision on an application for fees and other expenses in connection with that adversary adjudication shall be made until a final and unreviewable decision is rendered by the court on the appeal or until the underlying merits of the case have been finally determined pursuant to the appeal.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

PROCEDURES FOR CONSIDERING APPLICATIONS

§ 18.15 Filing and service of documents.

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding, except as provided in § 18.12(b) for confidential financial information.

§ 18.16 Answer to application.

(a) Within 30 calendar days after service of an application, counsel representing the agency against which an award is sought may file an answer to the application. Unless agency counsel requests an extension of time for filing (an extension for an additional 30 days

is available as a matter of right) or files a statement of intent to negotiate under paragraph (b) of this section, failure to file an answer within the 30 calendar day period may be treated as a consent to the award requested.

(b) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the adjudicative officer upon request by agency counsel and the applicant.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of the agency counsel's position. If the answer is based on any alleged facts not already in the record of the proceeding, agency counsel shall include with the answer either supporting affidavits or a request for further proceedings under § 18.20.

§ 18.17 Reply.

Within 15 calendar days after service of an answer, the applicant may file a reply. If the reply is based on any alleged facts not already in the record of the proceeding, the applicant shall include with the reply either supporting affidavits or a request for further proceedings under § 18.20.

§ 18.18 Comments by other parties.

Any party to a proceeding other than the applicant and the agency counsel may file comments on an application within 30 calendar days after it is served or on an answer within 15 calendar days after it is served. A commenting party may not participate further in proceedings on the application unless the adjudicative officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

§ 18.19 Settlement.

The applicant and agency counsel may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded, in accordance with the component agency's standard settlement procedure. If a prevailing party and agency counsel agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

§ 18.20 Further proceedings.

(a) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or agency counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions or, as to issues other than substantial justification (such as the applicant's eligibility or substantiation of fees and expenses), pertinent discovery or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible. Whether or not the position of the agency was substantially justified shall be determined on the basis of the administrative record, as a whole, which is made in the adversary adjudication for which fees and other expenses are sought.

(b) A request that the adjudicative officer order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

§ 18.21 Decision.

The adjudicative officer shall issue an initial decision on the application

§ 18.22

within 30 calendar days after completion of proceedings on the application. The initial decision of the adjudicative officer shall include written findings and conclusions on the applicant's eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The decision shall also include, if at issue, findings on whether the Department's position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust. If the applicant has sought an award against more than one agency, the decision shall allocate responsibility for payment of any award made among the agencies, and shall explain the reasons for the allocation made.

[47 FR 13510, Mar. 31, 1982, as amended at 53 FR 6799, Mar. 3, 1988]

§ 18.22 Agency review.

Either the applicant or agency counsel may file a petition for review of the initial decision on the fee application, or the Department may decide to review the decision on its own initiative. The petition must be filed with the General Counsel, Office of the Assistant General Counsel for Administration, Rm. 5882, U.S. Department of Commerce, 14th Street and Pennsylvania Avenue NW., Washington, DC 20230, not later than 30 calendar days after the initial decision is issued. For purposes of this section, a document will be considered filed with the General Counsel as of the date of the postmark (or for government penalty mail, as shown by a certificate of mailing), if mailed, or if not mailed, as of the date actually delivered to the Office of General Counsel. A petition for review must be accompanied by a full written statement in support thereof, including a precise statement of why the petitioner believes the initial decision should be reversed or modified, and proof of service upon all parties. A response to the petition may be filed by another party to the proceeding and must be filed with the General Counsel at the above address not more than 30 calendar days after the date of service of the petition for review. The General

15 CFR Subtitle A (1-1-17 Edition)

Counsel may request any further submissions deemed helpful in resolving the petition for review. If neither the applicant nor agency counsel seeks review and the Department does not take review on its own initiative, the initial decision on the application shall become a final decision of the Department 30 calendar days after it is issued. Whether to review a decision is a matter within the discretion of the General Counsel. If review is taken, the General Counsel will issue the Department's final decision on the application or remand the application to the adjudicative officer for further proceedings. The standard of review exercised by the General Counsel shall be that which was required for the highest level of Departmental review which could have been exercised on the underlying covered proceeding.

[53 FR 6799, Mar. 3, 1988]

§ 18.23 Judicial review.

Judicial review of final agency decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

§ 18.24 Payment of award.

An applicant seeking payment of an award by the Department shall submit a copy of the final decision granting the award, accompanied by a certification that the applicant will not seek review of the decision in the United States courts to the General Counsel, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Room 5870, Washington, D.C. 20230. The Department will pay the amount awarded to the applicant within 60 calendar days, unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.

Subpart A—General Provisions

§ 19.1 What definitions apply to the regulations in this part?

As used in this part:

Administrative offset or offset means withholding funds payable by the United States (including funds payable by the United States on behalf of a state government) to, or held by the United States for, a person to satisfy a debt owed by the person. The term “administrative offset” can include, but is not limited to, the offset of Federal salary, vendor, retirement, and Social Security benefit payments. The terms “centralized administrative offset” and “centralized offset” refer to the process by which the Treasury Department's Bureau of the Fiscal Service offsets Federal payments through the Treasury Offset Program.

Administrative wage garnishment means the process by which a Federal agency orders a non-Federal employer to withhold amounts from a debtor's wages to satisfy a debt, as authorized by 31 U.S.C. 3720D, 31 CFR 285.11, and this part.

Agency or Federal agency means a department, agency, court, court administrative office, or instrumentality in the executive, judicial, or legislative branch of the Federal Government, including government corporations.

Bureau of the Fiscal Service means the Bureau of the Fiscal Service, a bureau of the Treasury Department, which is responsible for the centralized collection of delinquent debts through the

§ 19.2

offset of Federal payments and other means.

Commerce debt means a debt owed to a Commerce entity by a person.

Commerce Department means the United States Department of Commerce.

Commerce entity means a component of the Commerce Department, including offices or bureaus. Commerce offices currently include the Office of the Secretary of Commerce, and the Office of Inspector General. Commerce bureaus currently include the Bureau of Industry and Security, the Economics and Statistics Administration (including the Bureau of Economic Analysis, and the Bureau of the Census), the Economic Development Administration, the International Trade Administration, the Minority Business Development Agency, the National Oceanic and Atmospheric Administration, the National Telecommunications and Information Administration, the U.S. Patent and Trademark Office, and the Technology Administration (including the National Institute of Standards and Technology, and the National Technical Information Service).

Creditor agency means any Federal agency that is owed a debt.

Day means calendar day except when express reference is made to business day, which reference shall mean Monday through Friday. For purposes of time computation, the last day of the period provided will be included in the calculation unless that day is a Saturday, a Sunday, or a Federal legal holiday; in which case, the next business day will be included.

Debt means any amount of money, funds or property that has been determined by an appropriate official of the Federal Government to be owed to the United States by a person. As used in this part, the term "debt" can include a Commerce debt but does not include debts arising under the Internal Revenue Code of 1986 (26 U.S.C. 1 *et seq.*).

Debtor means a person who owes a debt to the United States.

Delinquent debt means a debt that has not been paid by the date specified in the agency's initial written demand for payment or applicable agreement or instrument (including a post-delinquency payment agreement) unless other satis-

15 CFR Subtitle A (1-1-17 Edition)

factory payment arrangements have been made.

Delinquent Commerce debt means a delinquent debt owed to a Commerce entity.

Disposable pay has the same meaning as that term is defined in 5 CFR 550.1103.

Employee or Federal employee means a current employee of the Commerce Department or other Federal agency, including a current member of the uniformed services, including the Army, Navy, Air Force, Marine Corps, Coast Guard, Commissioned Corps of the National Oceanic and Atmospheric Administration, and Commissioned Corps of the Public Health Service, including the National Guard and the reserve forces of the uniformed services.

FCCS means the Federal Claims Collection Standards, which were jointly published by the Departments of the Treasury and Justice and codified at 31 CFR parts 900-904.

Payment agency or Federal payment agency means any Federal agency that transmits payment requests in the form of certified payment vouchers, or other similar forms, to a disbursing official for disbursement. The payment agency may be the agency that employs the debtor. In some cases, the Commerce Department may be both the creditor agency and payment agency.

Person means an individual, corporation, partnership, association, organization, State or local government or any other type of entity other than a Federal agency.

Salary offset means a type of administrative offset to collect a debt under 5 CFR part 5514 by deductions(s) at one or more officially established pay intervals from the current pay account of an employee without his or her consent.

Secretary means the Secretary of Commerce.

Tax refund offset is defined in 31 CFR 285.2(a).

§ 19.2 Why did the Commerce Department issue these regulations and what do they cover?

(a) *Scope.* This part provides procedures for the collection of Commerce

Department debts. This part also provides procedures for collection of other debts owed to the United States when a request for offset of a payment for which Commerce Department is the payment agency is received by Commerce Department from another agency (for example, when a Commerce Department employee owes a debt to the United States Department of Education).

(b) *Applicability.* (1) This part applies to Commerce Department when collecting a Commerce Department debt, to persons who owe Commerce Department debts, to persons controlled by or controlling persons who owe Federal agency debts, and to Federal agencies requesting offset of a payment issued by Commerce Department as a payment agency (including salary payments to Commerce Department employees).

(2) This part does not apply to tax debts nor to any debt for which there is an indication of fraud or misrepresentation, as described in section 900.3 of the FCCS, unless the debt is returned by the Department of Justice to Commerce Department for handling.

(3) Nothing in this part precludes collection or disposition of any debt under statutes and regulations other than those described in this part. *See*, for example, 5 U.S.C. 5705, Advancements and Deductions, which authorizes Commerce entities to recover travel advances by offset of up to 100 percent of a Federal employee's accrued pay. *See*, also, 5 U.S.C. 4108, governing the collection of training expenses. To the extent that the provisions of laws, other regulations, and Commerce Department enforcement policies differ from the provisions of this part, those provisions of law, other regulations, and Commerce Department enforcement policies apply to the remission or mitigation of fines, penalties, and forfeitures, and to debts arising under the tariff laws of the United States, rather than the provisions of this part.

(c) *Additional policies and procedures.* Commerce entities may, but are not required to, promulgate additional policies and procedures consistent with this part, the FCCS, and other applicable Federal law, policies, and proce-

dures, subject to the approval of Deputy Chief Financial Officer.

(d) *Duplication not required.* Nothing in this part requires a Commerce entity to duplicate notices or administrative proceedings required by contract, this part, or other laws or regulations, including but not limited to those required by financial assistance awards such as grants, cooperative agreements, loans or loan guarantees.

(e) *Use of multiple collection remedies allowed.* Commerce entities and other Federal agencies may simultaneously use multiple collection remedies to collect a debt, except as prohibited by law. This part is intended to promote aggressive debt collection, using for each debt all available and appropriate collection remedies. These remedies are not listed in any prescribed order to provide Commerce entities with flexibility in determining which remedies will be most efficient in collecting the particular debt.

§ 19.3 Do these regulations adopt the Federal Claims Collection Standards (FCCS)?

This part adopts and incorporates all provisions of the FCCS (31 CFR Chapter IX parts 900-904). This part also supplements the FCCS by prescribing procedures consistent with the FCCS, as necessary and appropriate for Commerce Department operations.

Subpart B—Procedures To Collect Commerce Debts

§ 19.4 What notice will Commerce entities send to a debtor when collecting a Commerce debt?

(a) *Notice requirements.* Commerce entities shall aggressively collect Commerce debts. Commerce entities shall promptly send at least one written notice to a debtor informing the debtor of the consequences of failing to pay or otherwise resolve a Commerce debt. The notice(s) shall be sent to the debtor or at the most current address of the debtor in the records of the Commerce entity collecting the Commerce debt. Generally, before starting the collection actions described in §§ 19.5 and 19.9 through 19.17 of this part, Commerce entities will send no more than two

§ 19.4

written notices to the debtor. The notice(s) explain why the Commerce debt is owed, the amount of the Commerce debt, how a debtor may pay the Commerce debt or make alternate repayment arrangements, how a debtor may review non-privileged documents related to the Commerce debt, how a debtor may dispute the Commerce debt, the collection remedies available to Commerce entities if the debtor refuses or otherwise fails to pay the Commerce debt, and other consequences to the debtor if the Commerce debt is not paid. Except as otherwise provided in paragraph (b) of this section, the written notice(s) shall explain to the debtor:

(1) The nature and amount of the Commerce debt, and the facts giving rise to the Commerce debt;

(2) How interest, penalties, and administrative costs are added to the Commerce debt, the date by which payment should be made to avoid such charges, and that such assessments must be made unless excused in accordance with 31 CFR 901.9 (*see* § 19.5 of this part);

(3) The date by which payment should be made to avoid the enforced collection actions described in paragraph (a)(6) of this section;

(4) The Commerce entity's willingness to discuss alternative payment arrangements and how the debtor may enter into a written agreement to repay the Commerce debt under terms acceptable to the Commerce entity (*see* § 19.6 of this part);

(5) The name, address, and telephone number of a contact person or office within the Commerce entity;

(6) The Commerce entity's intention to enforce collection by taking one or more of the following actions if the debtor fails to pay or otherwise resolve the Commerce debt:

(i) *Offset*. Offset the debtor's Federal payments, including income tax refunds, salary, certain benefit payments (such as Social Security), retirement, vendor, travel reimbursements and advances, and other Federal payments (*see* §§ 19.10 through 19.12 of this part);

(ii) *Private collection agency*. Refer the Commerce debt to a private collection agency (*see* § 19.15 of this part);

15 CFR Subtitle A (1-1-17 Edition)

(iii) *Credit bureau reporting*. Report the Commerce debt to a credit bureau (*see* § 19.14 of this part);

(iv) *Administrative wage garnishment*. Garnish the individual debtor's wages through administrative wage garnishment (*see* § 19.13 of this part);

(v) *Litigation*. Refer the Commerce debt to the Department of Justice to initiate litigation to collect the Commerce debt (*see* § 19.16 of this part);

(vi) *Treasury Department's Bureau of the Fiscal Service*. Refer the Commerce debt to the Bureau of the Fiscal Service for collection (*see* § 19.9 of this part);

(7) That Commerce debts over 120 days delinquent must be referred to the Bureau of the Fiscal Service for the collection actions described in paragraph (a)(6) of this section (*see* § 19.9 of this part);

(8) How the debtor may inspect and copy non-privileged records related to the Commerce debt;

(9) How the debtor may request a review of the Commerce entity's determination that the debtor owes a Commerce debt and present evidence that the Commerce debt is not delinquent or legally enforceable (*see* §§ 19.10(c) and 19.11(c) of this part);

(10) How a debtor who is an individual may request a hearing if the Commerce entity intends to garnish the debtor's private sector (*i.e.*, non-Federal) wages (*see* § 19.13(a) of this part), including:

(i) The method and time period for requesting a hearing;

(ii) That a request for a hearing, timely filed on or before the 15th business day following the date of the mailing of the notice, will stay the commencement of administrative wage garnishment, but not other collection procedures; and

(iii) The name and address of the office to which the request for a hearing should be sent.

(11) How a debtor who is an individual and a Federal employee subject to Federal salary offset may request a hearing (*see* § 19.12(e) of this part), including:

(i) The method and time period for requesting a hearing;

(ii) That a request for a hearing, timely filed on or before the 15th day following receipt of the notice, will

stay the commencement of salary offset, but not other collection procedures;

(iii) The name and address of the office to which the request for a hearing should be sent;

(iv) That the Commerce entity will refer the Commerce debt to the debtor's employing agency or to the Bureau of the Fiscal Service to implement salary offset, unless the employee files a timely request for a hearing;

(v) That a final decision on the hearing, if requested, will be issued at the earliest practical date, but not later than 60 days after the filing of the request for a hearing, unless the employee requests and the hearing official grants a delay in the proceedings;

(vi) That any knowingly false or frivolous statements, representations, or evidence may subject the Federal employee to penalties under the False Claims Act (31 U.S.C. 3729–3731) or other applicable statutory authority, and criminal penalties under 18 U.S.C. 286, 287, 1001, and 1002, or other applicable statutory authority;

(vii) That unless prohibited by contract or statute, amounts paid on or deducted for the Commerce debt which are later waived or found not owed to the United States will be promptly refunded to the employee; and

(viii) That proceedings with respect to such Commerce debt are governed by 5 U.S.C. 5514 and 31 U.S.C. 3716.

(12) How the debtor may request a waiver of the Commerce debt, if applicable. *See*, for example, §§ 19.5 and 19.12(f) of this part.

(13) How the debtor's spouse may claim his or her share of a joint income tax refund by filing Form 8379 with the Internal Revenue Service (*see* <http://www.irs.gov>);

(14) How the debtor may exercise other rights and remedies, if any, available to the debtor under programmatic statutory or regulatory authority under which the Commerce debt arose.

(15) That certain debtors and, if applicable, persons controlled by or controlling such debtors, may be ineligible for Federal Government loans, guaranties and insurance, grants, cooperative agreements or other sources of Federal funds (*see* 28 U.S.C. 3201(e); 31 U.S.C.

3720B, 31 CFR 285.13, and § 19.17(a) of this part);

(16) If applicable, the Commerce entity's intention to deny, suspend or revoke licenses, permits or privileges (*see* § 19.17(b) of this part); and

(17) That the debtor should advise the Commerce entity of a bankruptcy proceeding of the debtor or another person liable for the Commerce debt being collected.

(b) *Exceptions to notice requirements.* A Commerce entity may omit from a notice to a debtor one or more of the provisions contained in paragraphs (a)(6) through (17) of this section if the Commerce entity, in consultation with its legal counsel, determines that any provision is not legally required given the collection remedies to be applied to a particular Commerce debt.

(c) *Respond to debtors; comply with FCCS.* Commerce entities should respond promptly to communications from debtors and comply with other FCCS provisions applicable to the administrative collection of debts. *See* 31 CFR part 901.

§ 19.5 How will Commerce entities add interest, penalty charges, and administrative costs to a Commerce debt?

(a) *Assessment and notice.* Commerce entities shall assess interest, penalties and administrative costs on Commerce debts in accordance with the provisions of 31 U.S.C. 3717 and 31 CFR 901.9. Interest shall be charged in accordance with the requirements of 31 U.S.C. 3717(a). Penalties shall accrue at a rate of not more than 6% per year or such other higher rate as authorized by law. Administrative costs, that is, the costs of processing and handling a delinquent debt, shall be determined by the Commerce entity collecting the debt, as directed by the Office of the Deputy Chief Financial Officer. Commerce entities may have additional policies regarding how interest, penalties, and administrative costs are assessed on particular types of debts, subject to the approval of the Deputy Chief Financial Officer. Commerce entities are required to explain in the notice to the debtor described in § 19.4 of this part how interest, penalties, costs, and other

§ 19.6

charges are assessed, unless the requirements are included in a contract or other legally binding agreement.

(b) *Waiver of interest, penalties, and administrative costs.* Unless otherwise required by law or contract, Commerce entities may not charge interest if the amount due on the Commerce debt is paid within 30 days after the date from which the interest accrues. *See* 31 U.S.C. 3717(d). Commerce entities may, with legal counsel approval, waive interest, penalties, and administrative costs, or any portion thereof, when it would be against equity and good conscience or not in the United States' best interest to collect such charges, in accordance with Commerce guidelines for such waivers. (*See* Commerce Department Credit and Debt Management Operating Standards and Procedures Handbook, available at <http://www.osec.doc.gov/ofm/credit/cover.html>.)

(c) *Accrual during suspension of debt collection.* In most cases, interest, penalties and administrative costs will continue to accrue during any period when collection has been suspended for any reason (for example, when the debtor has requested a hearing). Commerce entities may suspend accrual of any or all of these charges when accrual would be against equity and good conscience or not in the United States' best interest, in accordance with Commerce guidelines for such waivers. (*See* Commerce Department Credit and Debt Management Operating Standards and Procedures Handbook, available at <http://www.osec.doc.gov/ofm/credit/cover.html>.)

§ 19.6 When will Commerce entities allow a debtor to pay a Commerce debt in installments instead of one lump sum?

If a debtor is financially unable to pay the Commerce debt in one lump sum, a Commerce entity may accept payment of a Commerce debt in regular installments, in accordance with the provisions of 31 CFR 901.8 and the Commerce entity's policies and procedures.

§ 19.7 When will Commerce entities compromise a Commerce debt?

If a Commerce entity cannot collect the full amount of a Commerce debt,

15 CFR Subtitle A (1-1-17 Edition)

the Commerce entity may, with legal counsel approval, compromise the Commerce debt in accordance with the provisions of 31 CFR part 902 and the Commerce entity's policies and procedures. (*See* Commerce Department Credit and Debt Management Operating Standards and Procedures Handbook, available at <http://www.osec.doc.gov/ofm/credit/cover.html>.)

§ 19.8 When will Commerce entities suspend or terminate debt collection on a Commerce debt?

If, after pursuing all appropriate means of collection, a Commerce entity determines that a Commerce debt is uncollectible, the Commerce entity may, with legal counsel approval, suspend or terminate debt collection activity in accordance with the provisions of 31 CFR part 903 and the Commerce entity's policies and procedures. Termination of debt collection activity by a Commerce entity does not discharge the indebtedness. (*See* Commerce Department Credit and Debt Management Operating Standards and Procedures Handbook, available at <http://www.osec.doc.gov/ofm/credit/cover.html>.)

§ 19.9 When will Commerce entities transfer a Commerce debt to the Treasury Department's Bureau of the Fiscal Service for collection?

(a) Commerce entities will transfer any Commerce debt that is more than 120 days delinquent to the Bureau of the Fiscal Service for debt collection services, a process known as "cross-servicing." *See* 31 U.S.C. 3711(g), 31 CFR 285.12, and 31 U.S.C. 3716(c)(6). Commerce entities may transfer Commerce debts delinquent 120 days or less to the Bureau of the Fiscal Service in accordance with the procedures described in 31 CFR 285.12. The Bureau of the Fiscal Service takes appropriate action to collect or compromise the transferred Commerce debt, or to suspend or terminate collection action thereon, in accordance with the statutory and regulatory requirements and authorities applicable to the Commerce debt and the collection action to be taken. *See* 31 CFR 285.12(b) and 285.12(c)(2). Appropriate action can include, but is not limited to, contact with the debtor, referral of the Commerce debt to the

Treasury Offset Program, private collection agencies or the Department of Justice, reporting of the Commerce debt to credit bureaus, and administrative wage garnishment.

(b) At least sixty (60) days prior to transferring a Commerce debt to the Bureau of the Fiscal Service, Commerce entities will send notice to the debtor as required by §19.4 of this part. Commerce entities will certify to the Bureau of the Fiscal Service, in writing, that the Commerce debt is valid, delinquent, legally enforceable, and that there are no legal bars to collection. In addition, Commerce entities will certify their compliance with all applicable due process and other requirements as described in this part and other Federal laws. See 31 CFR 285.12(i) regarding the certification requirement.

(c) As part of its debt collection process, the Bureau of the Fiscal Service uses the Treasury Offset Program to collect Commerce debts by administrative and tax refund offset. See 31 CFR 285.12(g). The Treasury Offset Program is a centralized offset program administered by the Bureau of the Fiscal Service to collect delinquent debts owed to Federal agencies and states (including past-due child support). Under the Treasury Offset Program, before a Federal payment is disbursed, the Bureau of the Fiscal Service compares the name and taxpayer identification number (TIN) of the payee with the names and TINs of debtors that have been submitted by Federal agencies and states to the Treasury Offset Program database. If there is a match, the Bureau of the Fiscal Service (or, in some cases, another Federal disbursing agency) offsets all or a portion of the Federal payment, disburses any remaining payment to the payee, and pays the offset amount to the creditor agency. Federal payments eligible for offset include, but are not limited to, income tax refunds, salary, travel advances and reimbursements, retirement and vendor payments, and Social Security and other benefit payments.

§19.10 How will Commerce entities use administrative offset (offset of non-tax Federal payments) to collect a Commerce debt?

(a) *Centralized administrative offset through the Treasury Offset Program.* (1) In most cases, the Bureau of the Fiscal Service uses the Treasury Offset Program to collect Commerce debts by the offset of Federal payments. See §19.9(c) of this part. If not already transferred to the Bureau of the Fiscal Service under §19.9 of this part, Commerce entities will refer Commerce debt over 120 days delinquent to the Treasury Offset Program for collection by centralized administrative offset. See 31 U.S.C. 3716(c)(6); 31 CFR part 285, subpart A; and 31 CFR 901.3(b). Commerce entities may refer to the Treasury Offset Program for offset any Commerce debt that has been delinquent for 120 days or less.

(2) At least sixty (60) days prior to referring a Commerce debt to the Treasury Offset Program, in accordance with paragraph (a)(1) of this section, Commerce entities will send notice to the debtor in accordance with the requirements of §19.4 of this part. Commerce entities will certify to the Bureau of the Fiscal Service, in writing, that the Commerce debt is valid, delinquent, legally enforceable, and that there are no legal bars to collection by offset. In addition, Commerce entities will certify their compliance with the requirements described in this part.

(b) *Non-centralized administrative offset for Commerce debts.* (1) When centralized administrative offset through the Treasury Offset Program is not available or appropriate, Commerce entities may collect past-due, legally enforceable Commerce debts through non-centralized administrative offset. See 31 CFR 901.3(c). In these cases, Commerce entities may offset a payment internally or make an offset request directly to a Federal payment agency. If the Federal payment agency is another Commerce entity, the Commerce entity making the request shall do so through the Deputy Chief Financial Officer as described in §19.20(c) of this part.

(2) At least thirty (30) days prior to offsetting a payment internally or requesting a Federal payment agency to

§ 19.11

offset a payment, Commerce entities will send notice to the debtor in accordance with the requirements of § 19.4 of this part. When referring a Commerce debt for offset under this paragraph (b), Commerce entities making the request will certify, in writing, that the Commerce debt is valid, delinquent, legally enforceable, and that there are no legal bars to collection by offset. In addition, Commerce entities will certify their compliance with these regulations concerning administrative offset. *See* 31 CFR 901.3(c)(2)(ii).

(c) *Administrative review.* The notice described in § 19.4 of this part shall explain to the debtor how to request an administrative review of a Commerce entity's determination that the debtor owes a Commerce debt and how to present evidence that the Commerce debt is not delinquent or legally enforceable. In addition to challenging the existence and amount of the Commerce debt, the debtor may seek a review of the terms of repayment. In most cases, Commerce entities will provide the debtor with a "paper hearing" based upon a review of the written record, including documentation provided by the debtor. Commerce entities shall provide the debtor with a reasonable opportunity for an oral hearing when the debtor requests reconsideration of the Commerce debt and the Commerce entity determines that the question of the indebtedness cannot be resolved by review of the documentary evidence, for example, when the validity of the Commerce debt turns on an issue of credibility or veracity. Unless otherwise required by law, an oral hearing under this section is not required to be a formal evidentiary hearing, although Commerce entities should carefully document all significant matters discussed at the hearing. Commerce entities may suspend collection through administrative offset and/or other collection actions pending the resolution of a debtor's dispute.

(d) *Procedures for expedited offset.* Under the circumstances described in 31 CFR 901.3(b)(4)(iii), Commerce entities may, with legal counsel approval, effect an offset against a payment to be made to the debtor prior to sending a notice to the debtor, as described in § 19.4 of this part, or completing the

15 CFR Subtitle A (1-1-17 Edition)

procedures described in paragraph (b)(2) and (c) of this section. Commerce entities shall give the debtor notice and an opportunity for review as soon as practicable and promptly refund any money ultimately found not to have been owed to the Government. (*See* Commerce Department Credit and Debt Management Operating Standards and Procedures Handbook, available at <http://www.osec.doc.gov/ofm/credit.cover.html>.)

§ 19.11 How will Commerce entities use tax refund offset to collect a Commerce debt?

(a) *Tax refund offset.* In most cases, the Bureau of the Fiscal Service uses the Treasury Offset Program to collect Commerce debts by the offset of tax refunds and other Federal payments. *See* § 19.9(c) of this part. If not already transferred to the Bureau of the Fiscal Service under § 19.9 of this part, Commerce entities will refer to the Treasury Offset Program any past-due, legally enforceable Commerce debt for collection by tax refund offset. *See* 26 U.S.C. 6402(d), 31 U.S.C. 3720A and 31 CFR 285.2.

(b) *Notice.* At least sixty (60) days prior to referring a Commerce debt to the Treasury Offset Program, Commerce entities will send notice to the debtor in accordance with the requirements of § 19.4 of this part. Commerce entities will certify to the Bureau of the Fiscal Service's Treasury Offset Program, in writing, that the Commerce debt is past due and legally enforceable in the amount submitted and that the Commerce entities have made reasonable efforts to obtain payment of the Commerce debt as described in 31 CFR 285.2(d). In addition, Commerce entities will certify their compliance with all applicable due process and other requirements described in this part and other Federal laws. *See* 31 U.S.C. 3720A(b) and 31 CFR 285.2.

(c) *Administrative review.* The notice described in § 19.4 of this part shall provide the debtor with at least 60 days prior to the initiation of tax refund offset to request an administrative review as described in § 19.10(c) of this part. Commerce entities may suspend collection through tax refund offset and/or

other collection actions pending the resolution of the debtor's dispute.

§ 19.12 How will Commerce entities offset a Federal employee's salary to collect a Commerce debt?

(a) *Federal salary offset.* (1) Salary offset is used to collect debts owed to the United States by Commerce Department and other Federal employees. If a Federal employee owes a Commerce debt, Commerce entities may offset the employee's Federal salary to collect the Commerce debt in the manner described in this section. For information on how a Federal agency other than a Commerce entity may collect debt from the salary of a Commerce Department employee, see §§ 19.20 and 19.21, subpart C, of this part.

(2) Nothing in this part requires a Commerce entity to collect a Commerce debt in accordance with the provisions of this section if Federal law allows otherwise. See, for example, 5 U.S.C. 5705 (travel advances not used for allowable travel expenses are recoverable from the employee or his estate by setoff against accrued pay and other means) and 5 U.S.C. 4108 (recovery of training expenses).

(3) Commerce entities may use the administrative wage garnishment procedure described in § 19.13 of this part to collect a Commerce debt from an individual's non-Federal wages.

(b) *Centralized salary offset through the Treasury Offset Program.* As described in § 19.9(a) of this part, Commerce entities will refer Commerce debts to the Bureau of the Fiscal Service for collection by administrative offset, including salary offset, through the Treasury Offset Program. When possible, Commerce entities should attempt salary offset through the Treasury Offset Program before applying the procedures in paragraph (c) of this section. See 5 CFR 550.1108 and 550.1109.

(c) *Non-centralized salary offset for Commerce debts.* When centralized salary offset through the Treasury Offset Program is not available or appropriate, Commerce entities may collect delinquent Commerce debts through non-centralized salary offset. See 5 CFR 550.1109. In these cases, Commerce entities may offset a payment internally or make a request directly to a Federal

payment agency to offset a salary payment to collect a delinquent Commerce debt owed by a Federal employee. If the Federal payment agency is another Commerce entity, the Commerce entity making the request shall do so through the Deputy Chief Financial Officer as described in § 19.20(c) of this part. At least thirty (30) days prior to offsetting internally or requesting a Federal agency to offset a salary payment, Commerce entities will send notice to the debtor in accordance with the requirements of § 19.4 of this part. When referring a Commerce debt for offset, Commerce entities will certify to the payment agency, in writing, that the Commerce debt is valid, delinquent and legally enforceable in the amount stated, and there are no legal bars to collection by salary offset. In addition, Commerce entities will certify that all due process and other prerequisites to salary offset have been met. See 5 U.S.C. 5514, 31 U.S.C. 3716(a), and this section for a description of the due process and other prerequisites for salary offset.

(d) *When prior notice not required.* Commerce entities are not required to provide prior notice to an employee when the following adjustments are made by a Commerce entity to a Commerce employee's pay:

(1) Any adjustment to pay arising out of any employee's election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less;

(2) A routine intra-agency adjustment of pay that is made to correct an overpayment of pay attributable to clerical or administrative errors or delays in processing pay documents, if the overpayment occurred within the four pay periods preceding the adjustment, and, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and point of contact for contesting such adjustment; or

(3) Any adjustment to collect a Commerce debt amounting to \$50 or less, if, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the

§ 19.12

nature and the amount of the adjustment and a point of contact for contesting such adjustment.

(e) *Hearing procedures*—(1) *Request for a hearing.* A Federal employee who has received a notice that his or her Commerce debt will be collected by means of salary offset may request a hearing concerning the existence or amount of the Commerce debt. The Federal employee also may request a hearing concerning the amount proposed to be deducted from the employee's pay each pay period. The employee must send any request for hearing, in writing, to the office designated in the notice described in § 19.4. *See* § 19.4(a)(11). The request must be received by the designated office on or before the 15th day following the employee's receipt of the notice. The employee must sign the request and specify whether an oral or paper hearing is requested. If an oral hearing is requested, the employee must explain why the matter cannot be resolved by review of the documentary evidence alone. All travel expenses incurred by the Federal employee in connection with an in-person hearing will be borne by the employee. *See* 31 CFR 901.3(a)(7).

(2) *Failure to submit timely request for hearing.* If the employee fails to submit a request for hearing within the time period described in paragraph (e)(1) of this section, the employee will have waived the right to a hearing, and salary offset may be initiated. However, Commerce entities should accept a late request for hearing if the employee can show that the late request was the result of circumstances beyond the employee's control or because of a failure to receive actual notice of the filing deadline.

(3) *Hearing official.* Commerce entities must obtain the services of a hearing official who is not under the supervision or control of the Secretary. Commerce entities may contact the Deputy Chief Financial Officer as described in § 19.20(c) of this part or an agent of any Commerce agency designated in Appendix A to 5 CFR part 581 (List of Agents Designated to Accept Legal Process) to request a hearing official.

(4) *Notice of hearing.* After the employee requests a hearing, the des-

15 CFR Subtitle A (1-1-17 Edition)

ignated hearing official shall inform the employee of the form of the hearing to be provided. For oral hearings, the notice shall set forth the date, time and location of the hearing. For paper hearings, the notice shall notify the employee of the date by which he or she should submit written arguments to the designated hearing official. The hearing official shall give the employee reasonable time to submit documentation in support of the employee's position. The hearing official shall schedule a new hearing date if requested by both parties. The hearing official shall give both parties reasonable notice of the time and place of a rescheduled hearing.

(5) *Oral hearing.* The hearing official will conduct an oral hearing if he or she determines that the matter cannot be resolved by review of documentary evidence alone (for example, when an issue of credibility or veracity is involved). The hearing need not take the form of an evidentiary hearing, but may be conducted in a manner determined by the hearing official, including but not limited to:

(i) Informal conferences with the hearing official, in which the employee and agency representative will be given full opportunity to present evidence, witnesses and argument;

(ii) Informal meetings with an interview of the employee by the hearing official; or

(iii) Formal written submissions, with an opportunity for oral presentation.

(6) *Paper hearing.* If the hearing official determines that an oral hearing is not necessary, he or she will make the determination based upon a review of the available written record, including any documentation submitted by the employee in support of his or her position. *See* 31 CFR 901.3(a)(7).

(7) *Failure to appear or submit documentary evidence.* In the absence of good cause shown (for example, excused illness), if the employee fails to appear at an oral hearing or fails to submit documentary evidence as required for a paper hearing, the employee will have waived the right to a hearing, and salary offset may be initiated. Further, the employee will have been deemed to admit the existence and amount of the

Commerce debt as described in the notice of intent to offset. If the Commerce entity representative fails to appear at an oral hearing, the hearing official shall proceed with the hearing as scheduled, and make his or her determination based upon the oral testimony presented and the documentary evidence submitted by both parties.

(8) *Burden of proof.* Commerce entities will have the initial burden to prove the existence and amount of the Commerce debt. Thereafter, if the employee disputes the existence or amount of the Commerce debt, the employee must prove by a preponderance of the evidence that no such Commerce debt exists or that the amount of the Commerce debt is incorrect. In addition, the employee may present evidence that the proposed terms of the repayment schedule are unlawful, would cause a financial hardship to the employee, or that collection of the Commerce debt may not be pursued due to operation of law.

(9) *Record.* The hearing official shall maintain a summary record of any hearing provided by this part. Witnesses will testify under oath or affirmation in oral hearings. See 31 CFR 901.3(a)(7).

(10) *Date of decision.* The hearing official shall issue a written opinion stating his or her decision, based upon documentary evidence and information developed at the hearing, as soon as practicable after the hearing, but not later than 60 days after the date on which the request for hearing was received by the Commerce entity. If the employee requests a delay in the proceedings, the deadline for the decision may be postponed by the number of days by which the hearing was postponed. When a decision is not timely rendered, the Commerce entity shall waive interest and penalties applied to the Commerce debt for the period beginning with the date the decision is due and ending on the date the decision is issued.

(11) *Content of decision.* The written decision shall include:

(i) A statement of the facts presented to support the origin, nature, and amount of the Commerce debt;

(ii) The hearing official's findings, analysis, and conclusions; and

(iii) The terms of any repayment schedules, if applicable.

(12) *Final agency action.* The hearing official's decision shall be final.

(f) *Waiver not precluded.* Nothing in this part precludes an employee from requesting waiver of an overpayment under 5 U.S.C. 5584 or 8346(b), 10 U.S.C. 2774, 32 U.S.C. 716, or other statutory authority. Commerce entities may grant such waivers when it would be against equity and good conscience or not in the United States' best interest to collect such Commerce debts, in accordance with those authorities, 5 CFR 550.1102(b)(2), and Commerce policies and procedures. (See Commerce Department Credit and Debt Management Operating Standards and Procedures Handbook, available at <http://www.osec.doc.gov/ofm/credit/cover.html>.)

(g) *Salary offset process—(1) Determination of disposable pay.* The Deputy Chief Financial Officer will consult with the appropriate Commerce entity payroll office to determine the amount of a Commerce Department employee's disposable pay (as defined in § 19.1 of this part) and will implement salary offset when requested to do so by a Commerce entity, as described in paragraph (c) of this section, or another agency, as described in § 19.20 of this part. If the debtor is not employed by Commerce Department, the agency employing the debtor will determine the amount of the employee's disposable pay and will implement salary offset upon request.

(2) *When salary offset begins.* Deductions shall begin within three official pay periods following receipt of the creditor agency's request for offset.

(3) *Amount of salary offset.* The amount to be offset from each salary payment will be up to 15 percent of a debtor's disposable pay, as follows:

(i) If the amount of the Commerce debt is equal to or less than 15 percent of the disposable pay, such Commerce debt generally will be collected in one lump sum payment;

(ii) Installment deductions will be made over a period of no greater than the anticipated period of employment. An installment deduction will not exceed 15 percent of the disposable pay from which the deduction is made unless the employee has agreed in writing to the deduction of a greater amount

§ 19.13

or the creditor agency has determined that smaller deductions are appropriate based on the employee's ability to pay.

(4) *Final salary payment.* After the employee has separated either voluntarily or involuntarily from the payment agency, the payment agency may make a lump sum deduction exceeding 15 percent of disposable pay from any final salary or other payments pursuant to 31 U.S.C. 3716 in order to satisfy a Commerce debt.

(h) *Payment agency's responsibilities.*

(1) As required by 5 CFR 550.1109, if the employee separates from the payment agency from which a Commerce entity has requested salary offset, the payment agency must certify the total amount of its collection and notify the Commerce entity and the employee of the amounts collected. If the payment agency is aware that the employee is entitled to payments from the Civil Service Retirement Fund and Disability Fund, the Federal Employee Retirement System, or other similar payments, it must provide written notification to the payment agency responsible for making such payments that the debtor owes a Commerce debt, the amount of the Commerce debt, and that the Commerce entity has complied with the provisions of this section. Commerce entities must submit a properly certified claim to the new payment agency before the collection can be made.

(2) If the employee is already separated from employment and all payments due from his or her former payment agency have been made, Commerce entities may request that money due and payable to the employee from the Civil Service Retirement Fund and Disability Fund, the Federal Employee Retirement System, or other similar funds, be administratively offset to collect the Commerce debt. Generally, Commerce entities will collect such monies through the Treasury Offset Program as described in § 19.9(c) of this part.

(3) When an employee transfers to another agency, Commerce entities should resume collection with the employee's new payment agency in order to continue salary offset.

15 CFR Subtitle A (1-1-17 Edition)

§ 19.13 How will Commerce entities use administrative wage garnishment to collect a Commerce debt from a debtor's wages?

(a) Commerce entities are authorized to collect Commerce debts from an individual debtor's wages by means of administrative wage garnishment in accordance with the requirements of 31 U.S.C. 3720D and 31 CFR 285.11. This part adopts and incorporates all of the provisions of 31 CFR 285.11 concerning administrative wage garnishment, including the hearing procedures described in 31 CFR 285.11(f). Commerce entities may use administrative wage garnishment to collect a delinquent Commerce debt unless the debtor is making timely payments under an agreement to pay the Commerce debt in installments (*see* § 19.6 of this part). At least thirty (30) days prior to initiating an administrative wage garnishment, Commerce entities will send notice to the debtor in accordance with the requirements of § 19.4 of this part, including the requirements of § 19.4(a)(10) of this part. For Commerce debts referred to the Bureau of the Fiscal Service under § 19.9 of this part, Commerce entities may authorize the Bureau of the Fiscal Service to send a notice informing the debtor that administrative wage garnishment will be initiated and how the debtor may request a hearing as described in § 19.4(a)(10) of this part. If a debtor makes a timely request for a hearing, administrative wage garnishment will not begin until a hearing is held and a decision is sent to the debtor. *See* 31 CFR 285.11(f)(4). Even if a debtor's hearing request is not timely, Commerce entities may suspend collection by administrative wage garnishment in accordance with the provisions of 31 CFR 285.11(f)(5). All travel expenses incurred by the debtor in connection with an in-person hearing will be borne by the debtor.

(b) This section does not apply to Federal salary offset, the process by which Commerce entities collect Commerce debts from the salaries of Federal employees (*see* § 19.12 of this part).

§ 19.14 How will Commerce entities report Commerce debts to credit bureaus?

Commerce entities shall report delinquent Commerce debts to credit bureaus in accordance with the provisions of 31 U.S.C. 3711(e), 31 CFR 901.4, and the Office of Management and Budget Circular A-129, "Policies for Federal Credit Programs and Non-tax Receivables." For additional information, see Bureau of the Fiscal Service's "Guide to the Federal Credit Bureau Program," available at https://www.fiscal.treasury.gov/fsreports/fs_reference.htm. At least sixty (60) days prior to reporting a delinquent Commerce debt to a consumer reporting agency, Commerce entities will send notice to the debtor in accordance with the requirements of § 19.4 of this part. Commerce entities may authorize the Bureau of the Fiscal Service to report to credit bureaus those delinquent Commerce debts that have been transferred to the Bureau of the Fiscal Service under § 19.9 of this part.

§ 19.15 How will Commerce entities refer Commerce debts to private collection agencies?

Commerce entities will transfer delinquent Commerce debts to the Bureau of the Fiscal Service to obtain debt collection services provided by private collection agencies. See § 19.9 of this part.

§ 19.16 When will Commerce entities refer Commerce debts to the Department of Justice?

(a) *Compromise or suspension or termination of collection activity.* Commerce entities shall refer Commerce debts having a principal balance over \$100,000, or such higher amount as authorized by the Attorney General, to the Department of Justice for approval of any compromise of a Commerce debt or suspension or termination of collection activity. See §§ 19.7 and 19.8 of this part; 31 CFR 902.1; 31 CFR 903.1.

(b) *Litigation.* Commerce entities shall promptly refer to the Department of Justice for litigation delinquent Commerce debts on which aggressive collection activity has been taken in accordance with this part and that should not be compromised, and on

which collection activity should not be suspended or terminated. See 31 CFR part 904. Commerce entities may authorize the Bureau of the Fiscal Service to refer to the Department of Justice for litigation those delinquent Commerce debts that have been transferred to the Bureau of the Fiscal Service under § 19.9 of this part.

§ 19.17 Will a debtor who owes a Commerce or other Federal agency debt, and persons controlled by or controlling such debtors, be ineligible for Federal loan assistance, grants, cooperative agreements, or other sources of Federal funds or for Federal licenses, permits, or privileges?

(a) Delinquent debtors are ineligible for and barred from obtaining Federal loans or loan insurance or guaranties. As required by 31 U.S.C. 3720B and 31 CFR 901.6, Commerce entities will not extend financial assistance in the form of a loan, loan guarantee, or loan insurance to any person delinquent on a debt owed to a Federal agency. Commerce Department may issue standards under which Commerce Department may determine that persons controlled by or controlling such delinquent debtors are similarly ineligible in accordance with 31 CFR 285.13(c)(2). This prohibition does not apply to disaster loans. Commerce entities may extend credit after the delinquency has been resolved. See 31 CFR 285.13. Waivers of ineligibility may be granted by the Secretary or designee on a person by person basis in accordance with 31 CFR 285.13(g). However, such authority may not be delegated below the Deputy Chief Financial Officer.

(b) A debtor who has a judgment lien against the debtor's property for a debt to the United States is not eligible to receive grants, loans or funds directly or indirectly from the United States until the judgment is paid in full or otherwise satisfied. This prohibition does not apply to funds to which the debtor is entitled as beneficiary. Commerce Department may promulgate regulations to allow for waivers of this ineligibility. See 28 U.S.C. 3201(e).

(c) Suspension or revocation of eligibility for licenses, permits, or privileges. Unless prohibited by law, Commerce entities with the authority to do

§ 19.18

so under the circumstances should deny, suspend or revoke licenses, permits, or other privileges for any inexcusable or willful failure of a debtor to pay a debt. The Commerce entity responsible for distributing the licenses, permits, or other privileges will establish policies and procedures governing suspension and revocation for delinquent debtors. If applicable, Commerce entities will advise the debtor in the notice required by § 19.4 of this part of the Commerce entities' ability to deny, suspend or revoke licenses, permits or privileges. *See* § 19.4(a)(16) of this part.

(d) To the extent that a person delinquent on a Commerce debt is not otherwise barred under § 19.17(a) and § 19.17(c) of this part from becoming or remaining a recipient of a Commerce Department grant or cooperative agreement, it is Commerce Department policy that no award of Federal funds shall be made to a Commerce Department grant or cooperative agreement applicant who has an outstanding delinquent Commerce debt until:

(1) The delinquent Commerce debt is paid in full,

(2) A negotiated repayment schedule acceptable to Commerce Department is established and at least one payment is received, or

(3) Other arrangements satisfactory to Commerce Department are made.

§ 19.18 How does a debtor request a special review based on a change in circumstances such as catastrophic illness, divorce, death, or disability?

(a) *Material change in circumstances.* A debtor who owes a Commerce debt may, at any time, request a special review by the applicable Commerce entity of the amount of any offset, administrative wage garnishment, or voluntary payment, based on materially changed circumstances beyond the control of the debtor such as, but not limited to, catastrophic illness, divorce, death, or disability.

(b) *Inability to pay.* For purposes of this section, in determining whether an involuntary or voluntary payment would prevent the debtor from meeting essential subsistence expenses (e.g., costs incurred for food, housing, clothing, transportation, and medical care), the debtor shall submit a detailed

15 CFR Subtitle A (1-1-17 Edition)

statement and supporting documents for the debtor, his or her spouse, and dependents, indicating:

- (1) Income from all sources;
- (2) Assets;
- (3) Liabilities;
- (4) Number of dependents;
- (5) Expenses for food, housing, clothing, and transportation;
- (6) Medical expenses;
- (7) Exceptional expenses, if any; and
- (8) Any additional materials and information that the Commerce entity may request relating to ability or inability to pay the amount(s) currently required.

(c) *Alternative payment arrangement.* If the debtor requests a special review under this section, the debtor shall submit an alternative proposed payment schedule and a statement to the Commerce entity collecting the Commerce debt, with supporting documents, showing why the current offset, garnishment or repayment schedule imposes an extreme financial hardship on the debtor. The Commerce entity will evaluate the statement and documentation and determine whether the current offset, garnishment, or repayment schedule imposes extreme financial hardship on the debtor. The Commerce entity shall notify the debtor in writing of such determination, including, if appropriate, a revised offset, garnishment, or payment schedule. If the special review results in a revised offset, garnishment, or repayment schedule, the Commerce entity will notify the appropriate Federal agency or other persons about the new terms.

§ 19.19 Will Commerce entities issue a refund if money is erroneously collected on a Commerce debt?

Commerce entities shall promptly refund to a debtor any amount collected on a Commerce debt when the Commerce debt is waived or otherwise found not to be owed to the United States, or as otherwise required by law. Refunds under this part shall not bear interest unless required by law.

Subpart C—Procedures for Offset of Commerce Department Payments To Collect Debts Owed to Other Federal Agencies

§ 19.20 How do other Federal agencies use the offset process to collect debts from payments issued by a Commerce entity?

(a) *Offset of Commerce entity payments to collect debts owed to other Federal agencies.* (1) In most cases, Federal agencies submit debts to the Treasury Offset Program to collect delinquent debts from payments issued by Commerce entities and other Federal agencies, a process known as “centralized offset.” When centralized offset is not available or appropriate, any Federal agency may ask a Commerce entity (when acting as a “payment agency”) to collect a debt owed to such agency by offsetting funds payable to a debtor by the Commerce entity, including salary payments issued to Commerce entity employees. This section and § 19.21 of this subpart C apply when a Federal agency asks a Commerce entity to offset a payment issued by the Commerce entity to a person who owes a debt to the United States.

(2) This subpart C does not apply to Commerce debts. See §§ 19.10 through 19.12 of this part for offset procedures applicable to Commerce debts.

(3) This subpart C does not apply to the collection of non-Commerce debts through tax refund offset. See 31 CFR 285.2 for tax refund offset procedures.

(b) *Administrative offset (including salary offset); certification.* A Commerce entity will initiate a requested offset only upon receipt of written certification from the creditor agency that the debtor owes the past-due, legally enforceable debt in the amount stated, and that the creditor agency has fully complied with all applicable due process and other requirements contained in 31 U.S.C. 3716, 5 U.S.C. 5514, and the creditor agency’s regulations, as applicable. Offsets will continue until the debt is paid in full or otherwise resolved to the satisfaction of the creditor agency.

(c) *Where a creditor agency makes requests for offset.* Requests for offset under this section shall be sent to the

Department of Commerce, ATTN: Deputy Chief Financial Officer, 1401 Constitution Avenue NW., Room D200, Washington, DC 20230. The Deputy Chief Financial Officer will forward the request to the appropriate Commerce entity for processing in accordance with this subpart C.

(d) *Incomplete certification.* A Commerce entity will return an incomplete debt certification to the creditor agency with notice that the creditor agency must comply with paragraph (b) of this section before action will be taken to collect a debt from a payment issued by a Commerce entity.

(e) *Review.* A Commerce entity is not authorized to review the merits of the creditor agency’s determination with respect to the amount or validity of the debt certified by the creditor agency.

(f) *When Commerce entities will not comply with offset request.* A Commerce entity will comply with the offset request of another agency unless the Commerce entity determines that the offset would not be in the best interests of the United States, or would otherwise be contrary to law.

(g) *Multiple debts.* When two or more creditor agencies are seeking offsets from payments made to the same person, or when two or more debts are owed to a single creditor agency, the Commerce entity that has been asked to offset the payments may determine the order in which the debts will be collected or whether one or more debts should be collected by offset simultaneously.

(h) *Priority of debts owed to Commerce entity.* For purposes of this section, debts owed to a Commerce entity generally take precedence over debts owed to other agencies. The Commerce entity that has been asked to offset the payments may determine whether to pay debts owed to other agencies before paying a debt owed to a Commerce entity. The Commerce entity that has been asked to offset the payments will determine the order in which the debts will be collected based on the best interests of the United States.

§ 19.21

15 CFR Subtitle A (1–17 Edition)

§ 19.21 What does a Commerce entity do upon receipt of a request to offset the salary of a Commerce entity employee to collect a debt owed by the employee to another Federal agency?

(a) *Notice to the Commerce employee.* When a Commerce entity receives proper certification of a debt owed by one of its employees, the Commerce entity will begin deductions from the employee's pay at the next officially established pay interval. The Commerce entity will send a written notice to the employee indicating that a certified debt claim has been received from the creditor agency, the amount of the debt claimed to be owed by the creditor agency, the date deductions from salary will begin, and the amount of such deductions.

(b) *Amount of deductions from Commerce employee's salary.* The amount deducted under § 19.20(b) of this part will be the lesser of the amount of the debt certified by the creditor agency or an amount up to 15 percent of the debtor's disposable pay. Deductions shall continue until the Commerce entity knows that the debt is paid in full or until otherwise instructed by the creditor agency. Alternatively, the amount offset may be an amount agreed upon, in writing, by the debtor and the creditor agency. *See* § 19.12(g) (salary offset process).

(c) *When the debtor is no longer employed by the Commerce entity—(1) Offset of final and subsequent payments.* If a Commerce entity employee retires or resigns or if his or her employment ends before collection of the debt is complete, the Commerce entity will continue to offset, under 31 U.S.C. 3716, up to 100 percent of an employee's subsequent payments until the debt is paid or otherwise resolved. Such payments include a debtor's final salary payment, lump-sum leave payment, and other payments payable to the debtor by the Commerce entity. *See* 31 U.S.C. 3716 and 5 CFR 550.1104(1) and 550.1104(m).

(2) *Notice to the creditor agency.* If the employee is separated from the Commerce entity before the debt is paid in full, the Commerce entity will certify to the creditor agency the total amount of its collection. The creditor agency is responsible for submitting a certified claim to the agency responsible for making such payments before collection may begin. Generally, creditor agencies will collect such monies through the Treasury Offset Program as described in § 19.9(c) of this part.

(3) *Notice to the debtor.* The Commerce entity will provide to the debtor a copy of any notices sent to the creditor agency under paragraph (c)(2) of this section.

Subpart A—General

**§ 20.1 The purpose of DOC's age dis-
crimination regulations.**

The purpose of these regulations is to
set out DOC's policies and procedures
under the Age Discrimination Act of
1975 and the general age discrimination
regulations at 45 CFR Part 90. The Act

and the general regulations prohibit
discrimination on the basis of age in
programs or activities receiving Fed-
eral financial assistance. The Act and
the general regulations permit feder-
ally assisted programs or activities,
and recipients of Federal funds, to con-
tinue to use age distinctions and fac-
tors other than age which meet the re-
quirements of the Act and its imple-
menting regulations.

**§ 20.2 Programs or activities to which
these regulations apply.**

(a) The Act and these regulations
apply to each DOC recipient and to
each program or activity operated by
the recipient which receives Federal fi-
nancial assistance provided by any en-
tity of DOC.

(b) The Act and these regulations do
not apply to:

(1) An age distinction contained in
that part of a Federal, State, or local
statute or ordinance adopted by an
elected, general purpose legislative
body which:

(i) Provides benefits or assistance to
persons based on age; or

(ii) Establishes criteria for participa-
tion in age-related terms; or

(iii) Describes intended beneficiaries
or target groups in age-related terms.

(2) Any employment practice or any
employer, employment agency, labor
organization, or any labor-manage-
ment joint apprenticeship training pro-
gram, except for any program or activ-
ity receiving Federal financial assist-
ance for public service employment.

§ 20.3 Definitions.

As used in these regulations, the fol-
lowing terms are defined as follows:

(a) *Act* means the Age Discrimination
Act of 1975, as amended (Title III of
Pub. L. 94-135).

(b) *Action* means any act, activity,
policy, rule, standard, or method of ad-
ministration; or the use of any policy,
rule, standard, or method of adminis-
tration.

(c) *Age* means how old a person is, or
the number of years from the date of a
person's birth.

(d) *Age distinction* means any action
using age or an age-related term.

§ 20.3

(e) *Age-related term* means a word or words which necessarily imply a particular age or range of ages (for example: “children,” “adult,” “older persons,” but not “student”).

(f) *Agency* means a Federal department or agency that is empowered to extend financial assistance.

(g) *DOC* means the U.S. Department of Commerce.

(h) *Federal financial assistance* means any grant, entitlement, loan, cooperative agreement, contract (other than a procurement contract or a contract of insurance or guaranty), or any other arrangement by which the agency provides or otherwise makes available assistance in the form of:

(3) Real and personal property or any interest in or use of property, including:

(i) Transfers or leases of property for less than fair market value or for reduced considerations; and

(ii) Proceeds from a subsequent transfer or lease of property if the Federal share of its fair market value is not returned to the Federal Government.

(i) *Normal operation* means the operation of a program or activity without significant changes that would impair its ability to meet its objectives.

(j) *Program or activity* means all of the operations of any entity described in paragraphs (j)(1) through (4) of this section, any part of which is extended Federal financial assistance:

(1)(i) A department, agency, special purpose district, or other instrumentality of a State or of a local government; or

[51 FR 28926, Aug. 13, 1986, as amended at 68 FR 51354, Aug. 26, 2003]

Subpart B—Standards for Determining Age Discrimination

§ 20.4 Rules against age discrimination.

The rules stated in this section are limited by the exceptions contained in § 20.5.

(a) General rule: No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

(b) Specific rules: A recipient may not, in any program or activity receiving Federal financial assistance, directly or through contractual licensing, or other arrangements, use age distinctions or take any other actions which have the effect, on the basis of age, of:

(1) Excluding individuals from, denying them the benefits of, or subjecting them to discrimination under, a program or activity receiving Federal financial assistance, or

(2) Denying or limiting individuals in their opportunity to participate in any program or activity receiving Federal financial assistance.

(c) The specific forms of age discrimination listed in paragraph (b) of this section do not necessarily constitute a complete list.

(d) If a recipient operating a program or activity provides special benefits to the elderly or to children, such use of age distinctions shall be presumed to be necessary to the normal operation of the program or activity, notwithstanding the provisions of § 20.5.

§ 20.5 Exceptions to the rules.

(a) *Normal operations or statutory objective of any program or activity.* A recipient is permitted to take an action otherwise prohibited by § 20.4 if the action reasonably considers age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity. An action meets this standard if:

(1) Age is used as a measure or approximation of one or more other characteristics; and

(2) The other characteristic(s) must be measured or approximated in order

for the normal operation of the program or activity to continue, or to achieve any statutory objective or the program or activity; and

(3) The other characteristic(s) can be reasonably measured or approximated by the use of age; and

(4) The other characteristic(s) are impractical to measure directly on an individual bases.

(b) *Reasonable factors other than age.* A recipient is permitted to take an action otherwise prohibited by § 20.4 which is based on a factor other than age, even though that action may have a disproportionate effect on persons of different ages. An action may be based on a factor other than age only if the factor bears a direct and substantial relationship to the normal operation of the program or activity or to the achievement of a statutory objective.

§ 20.6 Burden of proof.

The burden of proving that an age distinction or other action falls within the exceptions outlined in § 20.5 is on the recipient of Federal financial assistance.

Subpart C—Responsibilities of DOC Recipients

§ 20.7 General responsibilities.

Each DOC recipient has primary responsibility to ensure that its programs or activities are in compliance with the Act, the general regulations, and these regulations, and shall take steps to eliminate violation of the Act.

(a) Each DOC recipient will provide an assurance that the program or activity for which it is receiving Federal financial assistance will be conducted in compliance with all requirements for the Act and these and other DOC regulations. A recipient also has responsibility to maintain records, provide information, and to afford DOC reasonable access to its records and facilities to the extent necessary to determine whether it is in compliance with the Act and these regulations.

(b) *Recipient assessment of age distinctions.* (1) To assess the recipient's compliance with the Act, DOC may, as part of a compliance review under § 20.10 or a complaint investigation under § 20.11, require a recipient employing the

§ 20.8

equivalent or 15 or more employees, to complete, in a manner specified by the responsible Department official, a written self-evaluation of any age distinction imposed in its program or activity receiving Federal financial assistance from DOC.

(2) Whenever an assessment indicates a violation of the Act and the DOC regulations, the recipient shall take corrective action.

§ 20.8 Notice to subrecipients.

Where a recipient passes on Federal financial assistance from DOC to subrecipients, the recipient shall give subrecipients written notice of their obligations under the Act and these regulations.

§ 20.9 Information requirements.

Upon DOC's request, each recipient shall provide access and make information available for DOC to determine whether the recipient is complying with the Act and these regulations.

Subpart D—Investigation, Conciliation, and Enforcement Procedures

§ 20.10 Compliance reviews.

(a) DOC may conduct compliance reviews and pre-award reviews or use other similar procedures that will permit it to investigate and correct violations of the Act and these regulations. DOC may conduct such review even in the absence of a complaint against a recipient. The review may be as comprehensive as necessary to determine whether a violation of the Act and these regulations has occurred.

(b) If a compliance review of pre-award review indicates a violation of the Act or these regulations, DOC will attempt to achieve voluntary compliance with the Act. If voluntary compliance cannot be achieved, DOC will arrange for enforcement as described in § 20.15.

§ 20.11 Complaints.

(a) Any person, individually, or as a member of a class, or on behalf of others, may file a complaint with DOC alleging discrimination prohibited by the Act or these regulations based on an

15 CFR Subtitle A (1–1–17 Edition)

action occurring on or after July 1, 1979. A complainant shall file a complaint within 180 days from the date the complainant first had knowledge of the alleged act of discrimination. However, for good cause shown, DOC may extend this time limit.

(b) DOC will attempt to facilitate the filing of complaints wherever possible, including taking the following measures:

(1) Accepting as a sufficient complaint, any written statement which: identifies the parties involved and the date the complainant first had knowledge of the alleged violation; describes generally the action or practice complained of; and is signed by the complainant;

(2) Freely permitting a complainant to add information to the complaint to meet the requirements of a sufficient complaint;

(3) Considering as the filing date, the date on which a complaint is sufficient to be processed;

(4) Notifying the complainant and the recipient of their rights and obligations under the complaint procedure, including the right to have a representative at all stages of the process;

(5) Notifying the complainant and the recipient (or their representatives) of their right to contact DOC for information and assistance regarding the complaint resolution process.

(c) DOC will return to the complainant any complaint outside the jurisdiction of these regulations, and will state the reason(s) why it is outside the jurisdiction of these regulations.

§ 20.12 Mediation.

(a) DOC will refer to a mediation service designated by the Secretary all sufficient complaints that:

(1) Fall within the jurisdiction of the Act and these regulations, unless the age distinction complained of is clearly within an exception; and

(2) Contain all information necessary for further processing.

(b) Both the complainant and the recipient shall participate in the mediation process to the extent necessary to reach an agreement or to make an informed judgment that an agreement is not possible.

(c) If the complainant and the recipient reach an agreement, the mediator shall prepare a written statement of the agreement and have the complainant and the recipient sign it. The mediator shall send a copy of the agreement to DOC. DOC will take no further action on the complaint unless the complainant or the recipient fails to comply with the agreement.

(d) The mediator is required to protect the confidentiality of all information obtained in the course of the mediation process. No mediator shall testify in any adjudicative proceeding, produce any document, or otherwise disclose any information obtained, in the course of the mediation process without prior approval of the head or the mediation service.

(e) The mediation will proceed for a maximum of 60 days after a complaint is filed with DOC. Mediation ends if:

(1) 60 days elapse from the time DOC receives the complaint; *or*

(2) Prior to the end of that 60-day period, an agreement is reached; *or*

(3) Prior to the end of that 60-day period, the mediator determines that an agreement cannot be reached.

(f) The mediator shall return unresolved complaints to DOC.

§ 20.13 Investigation.

(a) Informal investigation:

(1) DOC will investigate complaints that are unresolved after mediation or are reopened because of a violation of a mediation agreement.

(2) As part of the initial investigation, DOC will use informal factfinding methods, including joint or separate discussions with the complainant and recipient, to establish the facts and, if possible, settle the complaint on terms that are mutually agreeable to the parties. DOC may seek the assistance of any involved State agency.

(3) DOC will put any agreement in writing and have it signed by the parties and an authorized official at DOC.

(4) The settlement shall not affect the operation of any other enforcement effort of DOC, including compliance reviews and investigation or other complaints which may involve the recipient.

(5) The settlement is not a finding of discrimination against a recipient.

(b) Formal investigation: If DOC cannot resolve the complaint through informal investigation, it will begin to develop formal findings through further investigation of the complaint. If the investigation indicates a violation of these regulations, DOC will attempt to obtain voluntary compliance. If DOC cannot obtain voluntary compliance, it will begin enforcement as described in § 8a.15.

§ 20.14 Prohibition against intimidation or retaliation.

A recipient may not engage in acts of intimidation or retaliation against any person who:

(a) Attempts to assert a right protected by the Act or these regulations; *or*

(b) Cooperates in any mediation, investigation, hearing, or other part of DOC's investigation, conciliation, and enforcement process.

§ 20.15 Compliance procedure.

(a) DOC may enforce the Act and these regulations by:

(1) Terminating the Federal financial assistance to the recipient under the program or activity found to have violated the Act or these regulations. The determination of the recipient's violation may be made only after a recipient has had an opportunity for a hearing on the record before an administrative law judge. If a case is settled during mediation, or prior to hearing, Federal financial assistance to the program or activity will not be terminated.

(2) Any other means authorized by law including but not limited to:

(i) Referral to the Department of Justice for proceedings to enforce any rights of the United States or obligations of the recipient created by the Act or these regulations.

(ii) Use of any requirement of or referral to any Federal, State, or local government agency that will have the effect of correcting a violation of the Act or these regulations.

(b) DOC will limit any termination under this section to the particular recipient and particular program or activity DOC finds in violation of these regulations. DOC will not base any part of

§ 20.16

a termination on a finding with respect to any program or activity of the recipient which does not receive Federal financial assistance from DOC.

(c) DOC will take no action under paragraph (a) until:

(1) The head of the organization providing the financial assistance has advised the recipient of its failure to comply with the Act and these regulations and has determined that voluntary compliance cannot be obtained.

(2) Thirty days have elapsed after the Secretary has sent a written report of the circumstances and grounds of the action to the committees of the Congress having legislative jurisdiction over the program or activity involved. The Secretary will file a report whenever any action is taken under paragraph (a).

(d) DOC also may defer granting new Federal financial assistance to a recipient when a hearing under § 20.16 is initiated.

(1) New Federal financial assistance from DOC includes all assistance for which DOC requires an application or approval, including renewal or continuation of existing activities, or authorization of new activities, during the deferral period. New Federal financial assistance from DOC does not include increases in funding as a result of changed computation of formula awards or assistance approved prior to the beginning of a hearing under § 20.16.

(2) DOC will not begin a deferral until the recipient has received a notice of an opportunity for a hearing under § 20.16. DOC will not continue a deferral for more than 60 days unless a hearing has begun within that time, or the time for beginning the hearing has been extended by mutual consent of the recipient and the head of the organization providing Federal financial assistance. DOC will not continue a deferral for more than 30 days after the close of the hearing, unless the hearing results in a finding against the recipient.

(3) DOC will limit any deferral to the particular recipient and particular program or activity or part of such program or activity DOC finds in violation of these regulations. DOC will not base any part of a deferral on a finding with respect to any program or activity of

15 CFR Subtitle A (1-1-17 Edition)

the recipient which does not, and would not in connection with the new funds, receive Federal financial assistance for DOC.

§ 20.16 Hearings, decisions, post-termination proceedings.

Certain DOC procedural provisions applicable to Title VI of the Civil Rights Act of 1964 apply to DOC enforcement of these regulations. They are found in 15 CFR Part 8, § 8.12 and § 8.13.

§ 20.17 Remedial action by recipients.

(a) Where DOC finds that a recipient has discriminated on the basis of age, the recipient shall take any remedial action that DOC may require to overcome the effects of the discrimination. If another recipient exercises control over the recipient that has discriminated, DOC may require both recipients to take remedial action.

(b) Even in the absence of a finding of discrimination, a recipient may take affirmative action to overcome the effects of conditions that resulted in limited participation in the recipient's program or activity on the basis of age.

§ 20.18 Alternative funds disbursement procedure.

(a) When, under the provisions of these regulations, DOC terminates the funding of a recipient, the Secretary may, using undisbursed funds from the terminated award, make a new award to an alternate recipient, *i.e.* any public or non-profit private organization or agency, or State or political subdivision of the State.

(b) The Secretary will require any alternate recipient to demonstrate:

(1) The ability to comply with these regulations; and

(2) The ability to achieve the goals of the Federal statute authorizing the Federal financial assistance.

§ 20.19 Private lawsuits after exhaustion of administrative remedies.

(a) A complainant may file a civil action following the exhaustion of administrative remedies under the Act. Administrative remedies are exhausted if:

(1) 180 days have elapsed since the complainant filed the complaint and

Office of the Secretary, Commerce

§ 23.3

DOC has made no finding with regard to the complaint; or

(2) DOC issues any finding in favor of the recipient.

(b) If DOC fails to make a finding within 180 days or issues a finding in favor of recipient, DOC shall:

(1) Promptly advise the complainant of this fact; and

(2) Advise the complainant of his or her right to bring civil action for injunctive relief; and

(3) Inform the complainant that:

(i) The complainant may bring a civil action only in a United States district court for the district in which the recipient is located or transacts business;

(ii) A complainant prevailing in a civil action has the right to be awarded the costs of the action, including reasonable attorney's fees, but that the complainant must demand these costs in the complaint;

(iii) Before commencing the action, the complainant shall give 30 days notice by registered mail to the Secretary, the Attorney General of the United States, and the recipient;

(iv) The notice shall contain the alleged violation of the Act, the relief requested, the court in which the complainant is bringing the action, and whether or not attorney's fees are demanded in the event the complainant prevails; and

(v) The complainant may not bring an action if the same alleged violation of the Act by the same recipient is the subject of a pending action in any court of the United States.

§ 23.1 Purpose.

These regulations are intended to comply with 39 U.S.C. 3220(a)(2), and the Office of Juvenile Justice and Delinquency Prevention (OJJDP) guidelines (50 FR 46622), to assist in the location and recovery of missing children through the use of penalty mail.

(a) The Department of Commerce will supplement and expand the national effort to assist in the location and recovery of missing children through the economical use of missing children information in domestic penalty mail directed to the public and Federal employees.

(b) The Department of Commerce may include, on or inside authorized types of penalty mail, pictures and biographical data related to missing children, provided such use is determined to be cost effective. The authorized types of penalty mail include:

(1) All envelopes; and

(2) Self-mailer publications (newsletters, bulletins, etc.) with a shelf-life of no more than 90 days.

(c) The manner in which pictures and biographical data may be used includes:

The National Center will be responsible for immediately notifying the Department Contact Person, in writing, of the need to withdraw from circulation penalty mail envelopes and other materials related to a particular child.

(g) The Department of Commerce will give priority:

This report will cover the period from December 24, 1986 through March 31, 1987, and provide detail on:

(b) The estimated total cost to implement the program, with supporting detail, and

(c) Recommendations for changes in the program to make it more effective.

(d) Nothing in this section modifies any responsibility of an investigating official to report violations of criminal law to the Attorney General.

§ 25.5 Review by the reviewing official.

(a) If, based on the report of the investigating official under § 25.4(b), the reviewing official determines that there is adequate evidence to believe that a person is liable under § 25.3, the reviewing official shall transmit to the Attorney General a written notice of the reviewing official's intention to issue a complaint under § 25.7.

(b) Such notice shall include—

(2) In the case of allegations of liability under § 25.3(a) with respect to a claim, the reviewing official determines that, with respect to such claim or a group of related claims submitted at the same time such claim is submitted (as defined in paragraph (b) of this section), the amount of money, or the value of property or services, demanded or requested in violation of § 25.3(a) does not exceed \$150,000.

(b) For the purposes of this section, a related group of claims submitted at the same time shall include only those claims arising from the same transaction (e.g., grant, loan, application, or contract) that are submitted simultaneously as part of a single request, demand, or submission.

(c) Nothing in this section shall be construed to limit the reviewing official's authority to join in a single complaint against a person claims that are unrelated or were not submitted simultaneously, regardless of the amount of money, or the value of property or services, demanded or requested.

§ 25.7 Complaint.

(a) On or after the date the Department of Justice approves the issuance of a complaint in accordance with 31 U.S.C. 3803(b)(1), the reviewing official may serve a complaint on the respondent, as provided in § 25.8.

(b) The complaint shall state—

§ 25.8

(3) Instructions for filing an answer to request a hearing, including a specific statement of the respondent's right to request a hearing by filing an answer and to be represented by a representative; and

(4) That failure to file an answer within 30 days of service of the complaint will result in the imposition of the maximum amount of penalties and assessments without right to appeal.

(c) At the same time the reviewing official serves the complaint, he or she shall serve the respondent with a copy of these regulations.

§ 25.8 Service of complaint.

(a) Service of a complaint must be made by certified or registered mail or by delivery in any manner authorized by Rule 4(d) of the Federal Rules of Civil Procedure.

(a) If the respondent does not file an answer within the time prescribed in

§ 25.9(a), the reviewing official may refer the complaint to the ALJ along with the proof of service, as provided in § 25.8(b).

(b) Upon the referral of the complaint, the ALJ shall promptly serve on the respondent in the manner prescribed in § 25.8, a notice that an initial decision will be issued under this section.

(c) The ALJ shall assume the facts alleged in the complaint to be true and, if such facts establish liability under § 25.3, the ALJ shall issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.

(d) Except as otherwise provided in this section, by failing to file a timely answer, the respondent waives any right to further review of the penalties and assessments imposed under paragraph (c) of this section, and the initial decision shall become final binding upon the parties 30 days after it is issued.

(e) If, before such an initial decision becomes final, the respondent files motion with the ALJ seeking to reopen on the grounds that extraordinary circumstances prevented the respondent from filing an answer, the initial decision shall be stayed pending the ALJ's decision on the motion.

(f) If, on such motion, the respondent can demonstrate extraordinary circumstances excusing the failure to file a timely answer, the ALJ shall withdraw the initial decision in paragraph (c) of this section, if such a decision has been issued, and shall grant the respondent an opportunity to answer the complaint.

(g) A decision of the ALJ denying a respondent's motion under paragraph (e) of this section is not subject to reconsideration under § 25.38.

(h) The respondent may appeal to the authority head the decision denying a motion to reopen by filing a notice of appeal with the authority head within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the authority head decides the issue.

(i) If the respondent files a timely notice of appeal with the authority head,

Office of the Secretary, Commerce

§ 25.16

the ALJ shall forward the record of the proceeding to the authority head.

(j) The authority head shall decide expeditiously whether extraordinary circumstances excuse the respondent's failure to file a timely answer based solely on the record before the ALJ.

(k) If the authority head decides that extraordinary circumstances excused the respondent's failure to file a timely answer, the authority head shall remand the case of the ALJ with instructions to grant the respondent an opportunity to answer.

(l) If the authority head decides that the respondent's failure to file a timely answer is not excused, the authority head shall reinstate the initial decision of the ALJ, which shall become final and binding upon the parties 30 days after the authority head issues such decision.

§ 25.11 Referral of complaint and answer to the ALJ.

Upon receipt of an answer, the reviewing official shall file the complaint and answer with the ALJ.

§ 25.15 Ex parte contacts.

No party or person (except employees of the ALJ's office) shall communicate in any way with the ALJ on any matter at issue in a case, unless on notice and opportunity for all parties to participate. This provision does not prohibit a person or party from inquiring about the status of a case or asking routine questions concerning administrative functions or procedures.

(c) Such motion and affidavit shall be filed promptly upon the party's discovery of reasons requiring disqualification, or such objections shall be deemed waived.

(2) If the ALJ disqualifies himself or herself, the case shall be reassigned promptly to another ALJ.

(2) The party seeking to depose shall serve the subpoena in the manner prescribed in § 25.8.

(3) The deponent may file with the ALJ a motion to quash the subpoena or a motion for a protective order within ten days of service.

(4) The party seeking to depose shall provide for the taking of a verbatim transcript of the deposition, which it shall make available to all other parties for inspection and copying.

(f) Each party shall bear its own costs of discovery.

§ 25.22 Exchange of witness lists, statements, and exhibits.

(a) At least 15 days before the hearing or at such other time as may be ordered by the ALJ, the parties shall exchange witness lists, copies of prior statements of proposed witnesses, and copies of proposed hearing exhibits, including copies of any written statements that the party intends to offer in lieu of live testimony in accordance with § 25.33(b). At the time the above documents are exchanged, any party that intends to rely on the transcript of deposition testimony in lieu of live testimony at the hearing, if permitted by the ALJ, shall provide each party with a copy of the specific pages of the transcript it intends to introduce into evidence.

(b) If a party objects, the ALJ shall not admit into evidence the testimony of any witness whose name does not appear on the witness list or any exhibit not provided to the opposing party as provided above unless the ALJ finds good cause for the failure or that there is no prejudice to the objecting party.

(c) Unless another party objects within the time set by the ALJ, documents exchanged in accordance with paragraph (a) of this section shall be deemed to be authentic for the purpose of admissibility at the hearing.

§ 25.23 Subpoena for attendance at hearing.

(a) A party wishing to procure the appearance and testimony of any individual at the hearing may request that the ALJ issue a subpoena.

15 CFR Subtitle A (1-1-17 Edition)

(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at the hearing.

(c) A party seeking a subpoena shall file a written request therefore not less than 15 days before the date fixed for the hearing unless otherwise allowed by the ALJ for good cause shown: Such request shall specify any documents to be produced and shall designate the witnesses and describe the address and location thereof with sufficient particularity to permit such witnesses to be found.

(d) The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is to produce.

(e) The party seeking the subpoena shall serve it in the manner prescribed in § 25.8. A subpoena on a party or upon an individual under the control of a party may be served by first class mail.

(f) A party or the individual to whom the subpoena is directed may file with the ALJ a motion to quash the subpoena within ten days after service or on or before the time specified in the subpoena for compliance if it is less than ten days after service.

§ 25.24 Protective order.

(a) A party of a prospective witness or deponent may file a motion for a protective order with respect to discovery sought by an opposing party or with respect to the hearing, seeking to limit the availability or disclosure of evidence.

(b) In issuing a protective order, the ALJ may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

(1) That the discovery not be had;

(2) That the discovery may be had only on specified terms and conditions, including a designation of the time or place;

(3) That the discovery may be had only through a method of discovery other than that requested;

(4) That certain matters not be inquired into, or that the scope of discovery be limited to certain matters;

(5) That discovery be conducted with no one present except persons designated by the ALJ;

(6) That the contents of discovery or evidence be sealed;

(7) That a deposition after being sealed be opened only by order of the ALJ;

(8) That a trade secret or other confidential research, development, commercial information, or facts pertaining to any criminal investigation, proceeding, or other administrative investigation not be disclosed or be disclosed only in a designated way; or

(9) That the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the ALJ.

§ 25.25 Fees.

The party requesting a subpoena shall pay the cost of the fees and mileage of any witness subpoenaed in the amounts that would be payable to a witness in a proceeding in United States District Court. A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of the Department of Commerce, a check for witness fees and mileage need not accompany the subpoena.

§ 25.26 Form, filing and service of papers.

(a) *Form.* (1) Documents filed with the ALJ shall include an original and one copy.

(2) Every pleading and paper filed in the proceeding shall contain a caption setting forth the title of the action, the case number assigned by the ALJ, and a designation of the paper (e.g., motion to quash subpoena).

(3) Every pleading and paper shall be signed by, and shall contain the address and telephone number of, the party of the person on whose behalf the paper was filed, or his or her representative.

(4) Papers are considered filed when they are mailed. Date of mailing may be established by a certificate from the party or its representative or by proof that the document was sent by certified or registered mail.

(b) *Service.* A party filing a document with the ALJ shall, at the time of fil-

ing, serve a copy of such document on every other party. Service upon any party of any document other than the complaint or notice of hearing shall be made by delivering or mailing a copy to the party's last known address. When a party is represented by a representative, service shall be made upon such representative in lieu of the actual party.

(c) *Proof of service.* A certificate of the individual serving the document by personal delivery or by mail, setting forth the manner of service, shall be proof of service.

§ 25.27 Computation of time.

(a) In computing any period of time under this part or in an order issued thereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal government, in which event it includes the next business day.

(b) When the period of time allowed is less than seven days, intermediate Saturdays, Sundays, and legal holidays observed by the Federal government shall be excluded from the computation.

(c) Where a document has been served or issued by mail, an additional five days will be added to the time permitted for any response.

§ 25.28 Motions.

(a) Any application to the ALJ for an order or ruling shall be by motion. Motions shall state the relief sought, the authority relied upon, and the facts alleged, and shall be filed with the ALJ and served on all other parties.

(b) Except for motions made during a prehearing conference or at the hearing, all motions shall be in writing. The ALJ may require that oral motions be reduced to writing.

(c) Within 15 days after a written motion is served, or such other time as may be fixed by the ALJ, any party may file a response to such motion.

(d) The ALJ may not grant a written motion before the time for filing responses thereto has expired, except upon consent of the parties or following a hearing on the motion, but

§ 25.29

may overrule or deny such motion without awaiting a response.

(e) The ALJ shall make a reasonable effort to dispose of all outstanding motions prior to the beginning of the hearing.

§ 25.29 Sanctions.

(a) The ALJ may sanction a person, including any party or representative, for—

(1) Failing to comply with an order, rule, or procedure governing the proceeding;

(2) Failing to prosecute or defend an action; or

(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party's control, or a request for admission, the ALJ may—

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, deem each matter of which an admission is requested to be admitted;

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon, testimony relating to the information sought; and

(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this part commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief or other document which is not filed in a timely fashion.

§ 25.30 The hearing and burden of proof.

(a) The ALJ shall conduct a hearing on the record in order to determine

15 CFR Subtitle A (1-1-17 Edition)

whether the respondent is liable for a civil penalty or assessment under § 25.3 and, if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) The authority shall prove respondent's liability and any aggravating factors by a preponderance of the evidence.

(c) The respondent shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing shall be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 25.31 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the authority head, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted ordinarily double assessment, in lieu of damages, and a significant civil penalty should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the authority head in determining the amount of penalties and assessments to impose with respect to the misconduct (*i.e.*, the false, fictitious, or fraudulent claims or statements) charged in the complaint:

(1) The number of false, fictitious, or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the respondent's culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;

(5) The value of the Government's actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;

(6) The relationship of the amount imposed as civil penalties to the amount of the Government's loss;

(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations, including particularly the impact on the intended beneficiaries of such program;

(8) Whether the respondent has engaged in a pattern of the same or similar misconduct;

(9) Whether the respondent attempted to conceal the misconduct;

(10) The degree to which the respondent has involved others in the misconduct or in concealing it;

(11) Where the misconduct of employees or agents is imputed to the respondent, the extent to which the respondent's practices fostered or attempted to preclude such misconduct;

(12) Whether the respondent cooperated in or obstructed an investigation of the misconduct;

(13) Whether the respondent assisted in identifying and prosecuting other wrongdoers;

(14) The complexity of the program or transaction, and the degree of the respondent's sophistication with respect to it, including the extent of the respondent's prior participation in the program or in similar transactions;

(15) Whether the respondent has been found, in any criminal, civil, or administrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a State directly or indirectly; and

(16) The need to deter the respondent and others from engaging in the same or similar misconduct.

(c) Nothing in this section shall be construed to limit the ALJ or the authority head from considering any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

§ 25.32 Location of hearing.

(a) The hearing may be held—

(1) In any judicial district of the United States in which the respondent resides or transacts business;

(2) In any judicial district of the United States in which the claim or statement in issue was made; or

(3) In such other place as may be agreed upon by the respondent and the ALJ.

(b) Each party shall have the opportunity to present arguments with respect to the location of the hearing.

(c) The hearing shall be held at the place and at the time ordered by the ALJ.

§ 25.33 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statements must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts shall be exchanged as provided in § 25.22(a).

(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to—

(1) Make the interrogation and presentation effective for the ascertainment of the truth;

(2) Avoid needless consumption of time; and

(3) Protect witnesses from harassment or undue embarrassment.

(d) The ALJ shall permit the parties to conduct such cross-examination as may be required for a full and true disclosure of the facts.

(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceeding without regard to the scope of his or her direct examination. To the extent permitted by the ALJ, cross-examination shall be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse

§ 25.34

party or a witness identified with an adverse party.

(f) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of—

(1) A party who is an individual;

(2) In the case of a party that is not an individual, an officer or employee of the party designated by the party's representative; or

(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an individual employed by the Government engaged in assisting the representative for the Government.

§ 25.34 Evidence.

(a) The ALJ shall determine the admissibility of evidence.

(b) Except as provided in this part, the ALJ shall not be bound by the Federal Rules of Evidence. However, the ALJ may apply the Federal Rules of Evidence where appropriate, e.g., to exclude unreliable evidence.

(c) The ALJ shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is privileged under Federal law.

(f) Evidence concerning offers of compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

(g) The ALJ shall permit the parties to introduce rebuttal witnesses and evidence.

(h) All documents and other evidence offered or taken for the record shall be open to examination by all parties, unless otherwise ordered by the ALJ pursuant to § 25.24.

§ 25.35 The record.

(a) The hearing will be recorded and transcribed. Transcripts may be obtained following the hearing from the ALJ at a cost not to exceed the actual cost of duplication.

15 CFR Subtitle A (1-1-17 Edition)

(b) The transcript of testimony, exhibits and other evidence admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the authority head.

(c) The record may be inspected and copied (upon payment of a reasonable fee) by anyone, unless otherwise ordered by the ALJ pursuant to § 25.24.

§ 25.36 Post-hearing briefs.

The ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief. The ALJ shall fix the time for filing such briefs, not to exceed 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

§ 25.37 Initial decision.

(a) The ALJ shall issue an initial decision based only on the record, which shall contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(b) The findings of fact shall include a finding on each of the following issues:

(1) Whether the claims or statements identified in the complaint, or any portions thereof, violate § 25.3.

(2) If the person is liable for penalties or assessments, the appropriate amount of any such penalties or assessments considering any mitigating or aggravating factors that he or she finds in the case, such as those described in § 25.31.

(c) The ALJ shall promptly serve the initial decision on all parties within 90 days after the time for submission of post-hearing briefs and reply briefs (if permitted) has expired. The ALJ shall as the same time serve all respondents with a statement describing the right of any respondent determined to be liable for a civil penalty or assessment to file a motion for reconsideration with the ALJ or a notice of appeal with the authority head. If the ALJ fails to meet the deadline contained in this paragraph, he or she shall notify the

parties of the reason for the delay and shall set a new deadline.

(d) Unless the initial decision of the ALJ is timely appealed to the authority head, or a motion for reconsideration of the initial decision is timely filed, the initial decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after it is issued by the ALJ.

§ 25.38 Reconsideration of initial decision.

(a) Except as provided in paragraph (d) of this section, any party may file a motion for reconsideration of the initial decision within 20 days of receipt of the initial decision. If service was made by mail, receipt will be presumed to be five days from the date of mailing in the absence of contrary proof.

(b) Every such motion must set forth the matters claimed to have been erroneously decided and the nature of the alleged errors. Such motion shall be accompanied by a supporting brief.

(c) Responses to such motions shall be allowed only upon request of the ALJ.

(d) No party may file a motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.

(e) The ALJ may dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(f) If the ALJ denies a motion for reconsideration, the initial decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after the ALJ denies the motion, unless the initial decision is timely appealed to the authority head in accordance with § 25.39.

(g) If the ALJ issues a revised initial decision, that decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after it is issued, unless it is timely appealed to the authority head in accordance with § 25.39.

§ 25.39 Appeal to authority head.

(a) Any respondent who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal

such decision to the authority head by filing a notice of appeal with the authority head in accordance with this section.

(b)(1) No notice of appeal may be filed until the time period for filing a motion for reconsideration under § 25.38 has expired.

(2) If a motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ denies the motion or issues a revised initial decision, whichever applies.

(3) If no motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ issues the initial decision.

(4) The authority head may extend the initial 30 day period for an additional 30 days if the respondent files with the authority head a request for an extension within the initial 30 day period and shows good cause.

(c) If the respondent files a timely notice of appeal with the authority head, the ALJ shall forward the record of the proceeding to the authority head.

(d) A notice of appeal shall be accompanied by a written brief specifying exceptions to the initial decision and reasons supporting the exceptions.

(e) The representative for the Government may file a brief in opposition to exceptions within 30 days of receiving the notice of appeal and accompanying brief.

(f) There is no right to appear personally before the authority head.

(g) There is no right to appeal any interlocutory ruling by the ALJ.

(h) In reviewing the initial decision, the authority head shall not consider any objection that was not raised before the ALJ unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection.

(i) If any party demonstrates to the satisfaction of the authority head that additional evidence not presented at such hearing is material and that there was reasonable grounds for the failure to present such evidence at such hearing, the authority head shall remand the matter to the ALJ for consideration of such additional evidence.

(j) The authority head may affirm, reduce, reverse, compromise, remand,

§ 25.40

or settle any penalty or assessment determined by the ALJ in any initial decision.

(k) The authority head shall promptly serve each party to the appeal with a copy of the decision of the authority head and a statement describing the right of any person determined to be liable for a penalty or assessment to seek judicial review.

(l) Unless a petition for review is filed as provided in 31 U.S.C. 3805 after a respondent has exhausted all administrative remedies under this part and within 60 days after the date on which the authority head serves the respondent with a copy of the authority head's decision, a determination that a respondent is liable under §25.3 is final and is not subject to judicial review.

§ 25.40 Stays ordered by the Department of Justice.

If at any time the Attorney General or an Assistant Attorney General designated by the Attorney General transmits to the authority head a written finding that continuation of the administrative process described in this part with respect to a claim or statement may adversely affect any pending or potential criminal or civil action related to such claim or statement, the authority head shall stay the process and it shall be resumed only upon receipt of the written authorization of the Attorney General.

§ 25.41 Stay pending appeal.

(a) An initial decision is stayed automatically pending disposition of a motion for reconsideration or of an appeal to the authority head.

(b) No administrative stay is available following a final decision of the authority head.

§ 25.42 Judicial review.

Section 3805 of title 31, United States Code, authorized judicial review by an appropriate United States District Court of a final decision of the authority head imposing penalties or assessments under this part and specifies the procedures for such review.

15 CFR Subtitle A (1-1-17 Edition)

§ 25.43 Collection of civil penalties and assessments.

Sections 3806 and 3808(b) of title 31, United States Code, authorize actions for collection of civil penalties and assessments imposed under this part and specify the procedures for such actions.

§ 25.44 Right to administrative offset.

The amount of any penalty or assessment which has become final, or for which a judgment has been entered under §§25.42 and 25.43, or any amount agreed upon in a compromise or settlement under §25.46, may be collected by administrative offset under 31 U.S.C. 3716, except that an administrative offset may not be made under this subsection against a refund of an overpayment of Federal taxes, then or later owing by the United States to the respondent.

§ 25.45 Deposit in Treasury of United States.

All amounts collected pursuant to this part shall be deposited as miscellaneous receipts in the Treasury of the United States, except as provided in 31 U.S.C. 3806(g).

§ 25.46 Compromise or settlement.

(a) Parties may make offers of compromise or settlement at any time.

(b) The reviewing official has the exclusive authority to compromise or settle a case under this part at any time after the date on which the reviewing official is permitted to issue a complaint and before the date on which the ALJ issues an initial decision. If the designated representative of the Government is not with the Office of General Counsel, the representative shall forward all settlement offers to the reviewing official and cannot negotiate a compromise or settlement with the respondent except as directed by the reviewing official.

(c) The authority head has exclusive authority to compromise or settle a case under this part at any time after the date on which the ALJ issues an initial decision, except during the pendency of any review under §25.42 or during the pendency of any action to collect penalties and assessments under § 25.43.

(d) The Attorney General has exclusive authority to compromise or settle a case under this part during the pendency of any review under § 25.42 or of any action to recover penalties and assessments under 31 U.S.C. 3806.

(e) The investigating official may recommend settlement terms to the reviewing official, the authority head, or the Attorney General, as appropriate. The reviewing official may recommend settlement terms to the authority head, or the Attorney General, as appropriate.

(f) Any compromise or settlement must be in writing.

§ 25.47 Limitations.

(a) The notice of hearing with respect to a claim or statement must be served in the manner specified in § 25.8 within 6 years after the date on which such claim or statement is made.

(b) If the respondent fails to file a timely answer, service of a notice under § 25.10(b) shall be deemed a notice of hearing for purposes of this section.

(c) The statute of limitations may be extended by agreement of the parties.

SOURCE: 56 FR 28012, 28019, June 18, 1991, unless otherwise noted.

§ 27.101 To what does this policy apply?

(a) Except as provided in paragraph (b) of this section, this policy applies to all research involving human subjects conducted, supported or otherwise subject to regulation by any federal department or agency which takes appropriate administrative action to make the policy applicable to such research. This includes research conducted by federal civilian employees or military personnel, except that each department or agency head may adopt such procedural modifications as may be appropriate from an administrative standpoint. It also includes research conducted, supported, or otherwise subject to regulation by the federal government outside the United States.

(1) Research that is conducted or supported by a federal department or agency, whether or not it is regulated as defined in § 27.102(e), must comply with all sections of this policy.

(2) Research that is neither conducted nor supported by a federal department or agency but is subject to regulation as defined in § 27.102(e) must be reviewed and approved, in compliance with § 27.101, § 27.102, and § 27.107 through § 27.117 of this policy, by an institutional review board (IRB) that operates in accordance with the pertinent requirements of this policy.

(b) Unless otherwise required by department or agency heads, research activities in which the only involvement of human subjects will be in one or more of the following categories are exempt from this policy:

(1) Research conducted in established or commonly accepted educational settings, involving normal educational

§ 27.101

practices, such as (i) research on regular and special education instructional strategies, or (ii) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.

(2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless:

(i) Information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and

(ii) Any disclosure of the human subjects' responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, or reputation.

(3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures, or observation of public behavior that is not exempt under paragraph (b)(2) of this section, if:

(i) The human subjects are elected or appointed public officials or candidates for public office; or

(ii) Federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.

(4) Research, involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in such a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.

(5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine:

(i) Public benefit or service programs;

(ii) Procedures for obtaining benefits or services under those programs;

(iii) Possible changes in or alternatives to those programs or procedures; or

15 CFR Subtitle A (1-1-17 Edition)

(iv) Possible changes in methods or levels of payment for benefits or services under those programs.

(6) Taste and food quality evaluation and consumer acceptance studies,

(i) If wholesome foods without additives are consumed or

(ii) If a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

(c) Department or agency heads retain final judgment as to whether a particular activity is covered by this policy.

(d) Department or agency heads may require that specific research activities or classes of research activities conducted, supported, or otherwise subject to regulation by the department or agency but not otherwise covered by this policy, comply with some or all of the requirements of this policy.

(e) Compliance with this policy requires compliance with pertinent federal laws or regulations which provide additional protections for human subjects.

(f) This policy does not affect any state or local laws or regulations which may otherwise be applicable and which provide additional protections for human subjects.

(g) This policy does not affect any foreign laws or regulations which may otherwise be applicable and which provide additional protections to human subjects of research.

(h) When research covered by this policy takes place in foreign countries, procedures normally followed in the foreign countries to protect human subjects may differ from those set forth in this policy. [An example is a foreign institution which complies with guidelines consistent with the World Medical Assembly Declaration (Declaration of Helsinki amended 1989) issued either by sovereign states or by an organization whose function for the protection of human research subjects is internationally recognized.] In these

circumstances, if a department or agency head determines that the procedures prescribed by the institution afford protections that are at least equivalent to those provided in this policy, the department or agency head may approve the substitution of the foreign procedures in lieu of the procedural requirements provided in this policy. Except when otherwise required by statute, Executive Order, or the department or agency head, notices of these actions as they occur will be published in the FEDERAL REGISTER or will be otherwise published as provided in department or agency procedures.

(i) Unless otherwise required by law, department or agency heads may waive the applicability of some or all of the provisions of this policy to specific research activities or classes of research activities otherwise covered by this policy. Except when otherwise required by statute or Executive Order, the department or agency head shall forward advance notices of these actions to the Office for Human Research Protections, Department of Health and Human Services (HHS), or any successor office, and shall also publish them in the FEDERAL REGISTER or in such other manner as provided in department or agency procedures.¹

§ 27.102 Definitions.

(a) *Department or agency head* means the head of any federal department or agency and any other officer or employee of any department or agency to whom authority has been delegated.

¹Institutions with HHS-approved assurances on file will abide by provisions of title 45 CFR part 46 subparts A-D. Some of the other Departments and Agencies have incorporated all provisions of title 45 CFR part 46 into their policies and procedures as well. However, the exemptions at 45 CFR part 46.101(b) do not apply to research involving prisoners, subpart C. The exemption at 45 CFR part 46.101(b)(2), for research involving survey or interview procedures or observation of public behavior, does not apply to research with children, subpart D, except for research involving observations of public behavior when the investigator(s) do not participate in the activities being observed.

(b) *Institution* means any public or private entity or agency (including federal, state, and other agencies).

(c) *Legally authorized representative* means an individual or judicial or other body authorized under applicable law to consent on behalf of a prospective subject to the subject's participation in the procedure(s) involved in the research.

(d) *Research* means a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge. Activities which meet this definition constitute research for purposes of this policy, whether or not they are conducted or supported under a program which is considered research for other purposes. For example, some demonstration and service programs may include research activities.

(e) *Research subject to regulation*, and similar terms are intended to encompass those research activities for which a federal department or agency has specific responsibility for regulating as a research activity, (for example, Investigational New Drug requirements administered by the Food and Drug Administration). It does not include research activities which are incidentally regulated by a federal department or agency solely as part of the department's or agency's broader responsibility to regulate certain types of activities whether research or non-research in nature (for example, Wage and Hour requirements administered by the Department of Labor).

(f) *Human subject* means a living individual about whom an investigator (whether professional or student) conducting research obtains

(1) Data through intervention or interaction with the individual, or

(2) Identifiable private information.

Intervention includes both physical procedures by which data are gathered (for example, venipuncture) and manipulations of the subject or the subject's environment that are performed for research purposes. Interaction includes communication or interpersonal contact between investigator and subject. "Private information" includes information about behavior that occurs in a

§ 27.103

context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a medical record). Private information must be individually identifiable (*i.e.*, the identity of the subject is or may readily be ascertained by the investigator or associated with the information) in order for obtaining the information to constitute research involving human subjects.

(g) *IRB* means an institutional review board established in accord with and for the purposes expressed in this policy.

(h) *IRB approval* means the determination of the IRB that the research has been reviewed and may be conducted at an institution within the constraints set forth by the IRB and by other institutional and federal requirements.

(i) *Minimal risk* means that the probability and magnitude of harm or discomfort anticipated in the research are not greater in and of themselves than those ordinarily encountered in daily life or during the performance of routine physical or psychological examinations or tests.

(j) *Certification* means the official notification by the institution to the supporting department or agency, in accordance with the requirements of this policy, that a research project or activity involving human subjects has been reviewed and approved by an IRB in accordance with an approved assurance.

§ 27.103 Assuring compliance with this policy—research conducted or supported by any Federal Department or Agency.

(a) Each institution engaged in research which is covered by this policy and which is conducted or supported by a federal department or agency shall provide written assurance satisfactory to the department or agency head that it will comply with the requirements set forth in this policy. In lieu of requiring submission of an assurance, individual department or agency heads shall accept the existence of a current assurance, appropriate for the research

15 CFR Subtitle A (1–1–17 Edition)

in question, on file with the Office for Human Research Protections, HHS, or any successor office, and approved for federalwide use by that office. When the existence of an HHS-approved assurance is accepted in lieu of requiring submission of an assurance, reports (except certification) required by this policy to be made to department and agency heads shall also be made to the Office for Human Research Protections, HHS, or any successor office.

(b) Departments and agencies will conduct or support research covered by this policy only if the institution has an assurance approved as provided in this section, and only if the institution has certified to the department or agency head that the research has been reviewed and approved by an IRB provided for in the assurance, and will be subject to continuing review by the IRB. Assurances applicable to federally supported or conducted research shall at a minimum include:

(1) A statement of principles governing the institution in the discharge of its responsibilities for protecting the rights and welfare of human subjects of research conducted at or sponsored by the institution, regardless of whether the research is subject to federal regulation. This may include an appropriate existing code, declaration, or statement of ethical principles, or a statement formulated by the institution itself. This requirement does not preempt provisions of this policy applicable to department- or agency-supported or regulated research and need not be applicable to any research exempted or waived under § 27.101 (b) or (i).

(2) Designation of one or more IRBs established in accordance with the requirements of this policy, and for which provisions are made for meeting space and sufficient staff to support the IRB's review and recordkeeping duties.

(3) A list of IRB members identified by name; earned degrees; representative capacity; indications of experience such as board certifications, licenses, etc., sufficient to describe each member's chief anticipated contributions to IRB deliberations; and any employment or other relationship between each member and the institution; for

example: full-time employee, part-time employee, member of governing panel or board, stockholder, paid or unpaid consultant. Changes in IRB membership shall be reported to the department or agency head, unless in accord with §27.103(a) of this policy, the existence of an HHS-approved assurance is accepted. In this case, change in IRB membership shall be reported to the Office for Human Research Protections, HHS, or any successor office.

(4) Written procedures which the IRB will follow (i) for conducting its initial and continuing review of research and for reporting its findings and actions to the investigator and the institution; (ii) for determining which projects require review more often than annually and which projects need verification from sources other than the investigators that no material changes have occurred since previous IRB review; and (iii) for ensuring prompt reporting to the IRB of proposed changes in a research activity, and for ensuring that such changes in approved research, during the period for which IRB approval has already been given, may not be initiated without IRB review and approval except when necessary to eliminate apparent immediate hazards to the subject.

(5) Written procedures for ensuring prompt reporting to the IRB, appropriate institutional officials, and the department or agency head of (i) any unanticipated problems involving risks to subjects or others or any serious or continuing noncompliance with this policy or the requirements or determinations of the IRB and (ii) any suspension or termination of IRB approval.

(c) The assurance shall be executed by an individual authorized to act for the institution and to assume on behalf of the institution the obligations imposed by this policy and shall be filed in such form and manner as the department or agency head prescribes.

(d) The department or agency head will evaluate all assurances submitted in accordance with this policy through such officers and employees of the department or agency and such experts or consultants engaged for this purpose as the department or agency head determines to be appropriate. The depart-

ment or agency head's evaluation will take into consideration the adequacy of the proposed IRB in light of the anticipated scope of the institution's research activities and the types of subject populations likely to be involved, the appropriateness of the proposed initial and continuing review procedures in light of the probable risks, and the size and complexity of the institution.

(e) On the basis of this evaluation, the department or agency head may approve or disapprove the assurance, or enter into negotiations to develop an approvable one. The department or agency head may limit the period during which any particular approved assurance or class of approved assurances shall remain effective or otherwise condition or restrict approval.

(f) Certification is required when the research is supported by a federal department or agency and not otherwise exempted or waived under §27.101 (b) or (i). An institution with an approved assurance shall certify that each application or proposal for research covered by the assurance and by §27.103 of this Policy has been reviewed and approved by the IRB. Such certification must be submitted with the application or proposal or by such later date as may be prescribed by the department or agency to which the application or proposal is submitted. Under no condition shall research covered by §27.103 of the Policy be supported prior to receipt of the certification that the research has been reviewed and approved by the IRB. Institutions without an approved assurance covering the research shall certify within 30 days after receipt of a request for such a certification from the department or agency, that the application or proposal has been approved by the IRB. If the certification is not submitted within these time limits, the application or proposal may be returned to the institution.

§§ 27.104–27.106

§§ 27.104–27.106 [Reserved]

§ 27.107 IRB membership.

(a) Each IRB shall have at least five members, with varying backgrounds to promote complete and adequate review of research activities commonly conducted by the institution. The IRB shall be sufficiently qualified through the experience and expertise of its members, and the diversity of the members, including consideration of race, gender, and cultural backgrounds and sensitivity to such issues as community attitudes, to promote respect for its advice and counsel in safeguarding the rights and welfare of human subjects. In addition to possessing the professional competence necessary to review specific research activities, the IRB shall be able to ascertain the acceptability of proposed research in terms of institutional commitments and regulations, applicable law, and standards of professional conduct and practice. The IRB shall therefore include persons knowledgeable in these areas. If an IRB regularly reviews research that involves a vulnerable category of subjects, such as children, prisoners, pregnant women, or handicapped or mentally disabled persons, consideration shall be given to the inclusion of one or more individuals who are knowledgeable about and experienced in working with these subjects.

(b) Every nondiscriminatory effort will be made to ensure that no IRB consists entirely of men or entirely of women, including the institution's consideration of qualified persons of both sexes, so long as no selection is made to the IRB on the basis of gender. No IRB may consist entirely of members of one profession.

(c) Each IRB shall include at least one member whose primary concerns are in scientific areas and at least one member whose primary concerns are in nonscientific areas.

(d) Each IRB shall include at least one member who is not otherwise affiliated with the institution and who is not part of the immediate family of a person who is affiliated with the institution.

(e) No IRB may have a member participate in the IRB's initial or continuing review of any project in which

15 CFR Subtitle A (1–1–17 Edition)

the member has a conflicting interest, except to provide information requested by the IRB.

(f) An IRB may, in its discretion, invite individuals with competence in special areas to assist in the review of issues which require expertise beyond or in addition to that available on the IRB. These individuals may not vote with the IRB.

§ 27.108 IRB functions and operations.

In order to fulfill the requirements of this policy each IRB shall:

(a) Follow written procedures in the same detail as described in § 27.103(b)(4) and, to the extent required by, § 27.103(b)(5).

(b) Except when an expedited review procedure is used (see § 27.110), review proposed research at convened meetings at which a majority of the members of the IRB are present, including at least one member whose primary concerns are in nonscientific areas. In order for the research to be approved, it shall receive the approval of a majority of those members present at the meeting.

§ 27.109 IRB review of research.

(a) An IRB shall review and have authority to approve, require modifications in (to secure approval), or disapprove all research activities covered by this policy.

(b) An IRB shall require that information given to subjects as part of informed consent is in accordance with § 27.116. The IRB may require that information, in addition to that specifically mentioned in § 27.116, be given to the subjects when in the IRB's judgment the information would meaningfully add to the protection of the rights and welfare of subjects.

(c) An IRB shall require documentation of informed consent or may waive documentation in accordance with § 27.117.

(d) An IRB shall notify investigators and the institution in writing of its decision to approve or disapprove the proposed research activity, or of modifications required to secure IRB approval of the research activity. If the IRB decides to disapprove a research activity, it shall include in its written notification a statement of the reasons for its

decision and give the investigator an opportunity to respond in person or in writing.

(e) An IRB shall conduct continuing review of research covered by this policy at intervals appropriate to the degree of risk, but not less than once per year, and shall have authority to observe or have a third party observe the consent process and the research.

§ 27.110 Expedited review procedures for certain kinds of research involving no more than minimal risk, and for minor changes in approved research.

(a) The Secretary, HHS, has established, and published as a Notice in the FEDERAL REGISTER, a list of categories of research that may be reviewed by the IRB through an expedited review procedure. The list will be amended, as appropriate after consultation with other departments and agencies, through periodic republication by the Secretary, HHS, in the FEDERAL REGISTER. A copy of the list is available from the Office for Human Research Protections, HHS, or any successor office.

(b) An IRB may use the expedited review procedure to review either or both of the following:

(1) Some or all of the research appearing on the list and found by the reviewer(s) to involve no more than minimal risk,

(2) Minor changes in previously approved research during the period (of one year or less) for which approval is authorized.

Under an expedited review procedure, the review may be carried out by the IRB chairperson or by one or more experienced reviewers designated by the chairperson from among members of the IRB. In reviewing the research, the reviewers may exercise all of the authorities of the IRB except that the reviewers may not disapprove the research. A research activity may be disapproved only after review in accordance with the non-expedited procedure set forth in § 27.108(b).

(c) Each IRB which uses an expedited review procedure shall adopt a method for keeping all members advised of research proposals which have been approved under the procedure.

(d) The department or agency head may restrict, suspend, terminate, or choose not to authorize an institution's or IRB's use of the expedited review procedure.

§ 27.111 Criteria for IRB approval of research.

(a) In order to approve research covered by this policy the IRB shall determine that all of the following requirements are satisfied:

(1) Risks to subjects are minimized: (i) By using procedures which are consistent with sound research design and which do not unnecessarily expose subjects to risk, and (ii) whenever appropriate, by using procedures already being performed on the subjects for diagnostic or treatment purposes.

(2) Risks to subjects are reasonable in relation to anticipated benefits, if any, to subjects, and the importance of the knowledge that may reasonably be expected to result. In evaluating risks and benefits, the IRB should consider only those risks and benefits that may result from the research (as distinguished from risks and benefits of therapies subjects would receive even if not participating in the research). The IRB should not consider possible long-range effects of applying knowledge gained in the research (for example, the possible effects of the research on public policy) as among those research risks that fall within the purview of its responsibility.

(3) Selection of subjects is equitable. In making this assessment the IRB should take into account the purposes of the research and the setting in which the research will be conducted and should be particularly cognizant of the special problems of research involving vulnerable populations, such as children, prisoners, pregnant women, mentally disabled persons, or economically or educationally disadvantaged persons.

(4) Informed consent will be sought from each prospective subject or the

§ 27.112

subject's legally authorized representative, in accordance with, and to the extent required by § 27.116.

(5) Informed consent will be appropriately documented, in accordance with, and to the extent required by § 27.117.

(6) When appropriate, the research plan makes adequate provision for monitoring the data collected to ensure the safety of subjects.

(7) When appropriate, there are adequate provisions to protect the privacy of subjects and to maintain the confidentiality of data.

(b) When some or all of the subjects are likely to be vulnerable to coercion or undue influence, such as children, prisoners, pregnant women, mentally disabled persons, or economically or educationally disadvantaged persons, additional safeguards have been included in the study to protect the rights and welfare of these subjects.

§ 27.112 Review by institution.

Research covered by this policy that has been approved by an IRB may be subject to further appropriate review and approval or disapproval by officials of the institution. However, those officials may not approve the research if it has not been approved by an IRB.

§ 27.113 Suspension or termination of IRB approval of research.

An IRB shall have authority to suspend or terminate approval of research that is not being conducted in accordance with the IRB's requirements or that has been associated with unexpected serious harm to subjects. Any suspension or termination of approval shall include a statement of the reasons for the IRB's action and shall be reported promptly to the investigator, appropriate institutional officials, and the department or agency head.

§ 27.114 Cooperative research.

Cooperative research projects are those projects covered by this policy

which involve more than one institution. In the conduct of cooperative research projects, each institution is responsible for safeguarding the rights and welfare of human subjects and for complying with this policy. With the approval of the department or agency head, an institution participating in a cooperative project may enter into a joint review arrangement, rely upon the review of another qualified IRB, or make similar arrangements for avoiding duplication of effort.

§ 27.115 IRB records.

(a) An institution, or when appropriate an IRB, shall prepare and maintain adequate documentation of IRB activities, including the following:

(1) Copies of all research proposals reviewed, scientific evaluations, if any, that accompany the proposals, approved sample consent documents, progress reports submitted by investigators, and reports of injuries to subjects.

(2) Minutes of IRB meetings which shall be in sufficient detail to show attendance at the meetings; actions taken by the IRB; the vote on these actions including the number of members voting for, against, and abstaining; the basis for requiring changes in or disapproving research; and a written summary of the discussion of controverted issues and their resolution.

(3) Records of continuing review activities.

(4) Copies of all correspondence between the IRB and the investigators.

(5) A list of IRB members in the same detail as described in § 27.103(b)(3).

(6) Written procedures for the IRB in the same detail as described in § 27.103(b)(4) and § 27.103(b)(5).

(7) Statements of significant new findings provided to subjects, as required by § 27.116(b)(5).

(b) The records required by this policy shall be retained for at least 3 years, and records relating to research which is conducted shall be retained for at least 3 years after completion of

the research. All records shall be accessible for inspection and copying by authorized representatives of the department or agency at reasonable times and in a reasonable manner.

§ 27.116 General requirements for informed consent.

Except as provided elsewhere in this policy, no investigator may involve a human being as a subject in research covered by this policy unless the investigator has obtained the legally effective informed consent of the subject or the subject's legally authorized representative. An investigator shall seek such consent only under circumstances that provide the prospective subject or the representative sufficient opportunity to consider whether or not to participate and that minimize the possibility of coercion or undue influence. The information that is given to the subject or the representative shall be in language understandable to the subject or the representative. No informed consent, whether oral or written, may include any exculpatory language through which the subject or the representative is made to waive or appear to waive any of the subject's legal rights, or releases or appears to release the investigator, the sponsor, the institution or its agents from liability for negligence.

(a) Basic elements of informed consent. Except as provided in paragraph (c) or (d) of this section, in seeking informed consent the following information shall be provided to each subject:

(1) A statement that the study involves research, an explanation of the purposes of the research and the expected duration of the subject's participation, a description of the procedures to be followed, and identification of any procedures which are experimental;

(2) A description of any reasonably foreseeable risks or discomforts to the subject;

(3) A description of any benefits to the subject or to others which may reasonably be expected from the research;

(4) A disclosure of appropriate alternative procedures or courses of treatment, if any, that might be advantageous to the subject;

(5) A statement describing the extent, if any, to which confidentiality of records identifying the subject will be maintained;

(6) For research involving more than minimal risk, an explanation as to whether any compensation and an explanation as to whether any medical treatments are available if injury occurs and, if so, what they consist of, or where further information may be obtained;

(7) An explanation of whom to contact for answers to pertinent questions about the research and research subjects' rights, and whom to contact in the event of a research-related injury to the subject; and

(8) A statement that participation is voluntary, refusal to participate will involve no penalty or loss of benefits to which the subject is otherwise entitled, and the subject may discontinue participation at any time without penalty or loss of benefits to which the subject is otherwise entitled.

(b) Additional elements of informed consent. When appropriate, one or more of the following elements of information shall also be provided to each subject:

(1) A statement that the particular treatment or procedure may involve risks to the subject (or to the embryo or fetus, if the subject is or may become pregnant) which are currently unforeseeable;

(2) Anticipated circumstances under which the subject's participation may be terminated by the investigator without regard to the subject's consent;

(3) Any additional costs to the subject that may result from participation in the research;

(4) The consequences of a subject's decision to withdraw from the research and procedures for orderly termination of participation by the subject;

(5) A statement that significant new findings developed during the course of the research which may relate to the subject's willingness to continue participation will be provided to the subject; and

§ 27.117

(6) The approximate number of subjects involved in the study.

(c) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth above, or waive the requirement to obtain informed consent provided the IRB finds and documents that:

(1) The research or demonstration project is to be conducted by or subject to the approval of state or local government officials and is designed to study, evaluate, or otherwise examine: (i) Public benefit of service programs; (ii) procedures for obtaining benefits or services under those programs; (iii) possible changes in or alternatives to those programs or procedures; or (iv) possible changes in methods or levels of payment for benefits or services under those programs; and

(2) The research could not practically be carried out without the waiver or alteration.

(d) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth in this section, or waive the requirements to obtain informed consent provided the IRB finds and documents that:

(1) The research involves no more than minimal risk to the subjects;

(2) The waiver or alteration will not adversely affect the rights and welfare of the subjects;

(3) The research could not practically be carried out without the waiver or alteration; and

(4) Whenever appropriate, the subjects will be provided with additional pertinent information after participation.

(e) The informed consent requirements in this policy are not intended to preempt any applicable federal, state, or local laws which require additional information to be disclosed in order for informed consent to be legally effective.

(f) Nothing in this policy is intended to limit the authority of a physician to provide emergency medical care, to the extent the physician is permitted to do

15 CFR Subtitle A (1-1-17 Edition)

so under applicable federal, state, or local law.

§ 27.117 Documentation of informed consent.

(a) Except as provided in paragraph (c) of this section, informed consent shall be documented by the use of a written consent form approved by the IRB and signed by the subject or the subject's legally authorized representative. A copy shall be given to the person signing the form.

(b) Except as provided in paragraph (c) of this section, the consent form may be either of the following:

(1) A written consent document that embodies the elements of informed consent required by § 27.116. This form may be read to the subject or the subject's legally authorized representative, but in any event, the investigator shall give either the subject or the representative adequate opportunity to read it before it is signed; or

(2) A short form written consent document stating that the elements of informed consent required by § 27.116 have been presented orally to the subject or the subject's legally authorized representative. When this method is used, there shall be a witness to the oral presentation. Also, the IRB shall approve a written summary of what is to be said to the subject or the representative. Only the short form itself is to be signed by the subject or the representative. However, the witness shall sign both the short form and a copy of the summary, and the person actually obtaining consent shall sign a copy of the summary. A copy of the summary shall be given to the subject or the representative, in addition to a copy of the short form.

(c) An IRB may waive the requirement for the investigator to obtain a signed consent form for some or all subjects if it finds either:

(1) That the only record linking the subject and the research would be the consent document and the principal risk would be potential harm resulting from a breach of confidentiality. Each

subject will be asked whether the subject wants documentation linking the subject with the research, and the subject's wishes will govern; or

(2) That the research presents no more than minimal risk of harm to subjects and involves no procedures for which written consent is normally required outside of the research context.

In cases in which the documentation requirement is waived, the IRB may require the investigator to provide subjects with a written statement regarding the research.

§ 27.118 Applications and proposals lacking definite plans for involvement of human subjects.

Certain types of applications for grants, cooperative agreements, or contracts are submitted to departments or agencies with the knowledge that subjects may be involved within the period of support, but definite plans would not normally be set forth in the application or proposal. These include activities such as institutional type grants when selection of specific projects is the institution's responsibility; research training grants in which the activities involving subjects remain to be selected; and projects in which human subject's involvement will depend upon completion of instruments, prior animal studies, or purification of compounds. These applications need not be reviewed by an IRB before an award may be made. However, except for research exempted or waived under § 27.101 (b) or (i), no human subjects may be involved in any project supported by these awards until the project has been reviewed and approved by the IRB, as provided in this policy, and certification submitted, by the institution, to the department or agency.

§ 27.119 Research undertaken without the intention of involving human subjects.

In the event research is undertaken without the intention of involving human subjects, but it is later proposed to involve human subjects in the research, the research shall first be re-

viewed and approved by an IRB, as provided in this policy, a certification submitted, by the institution, to the department or agency, and final approval given to the proposed change by the department or agency.

§ 27.120 Evaluation and disposition of applications and proposals for research to be conducted or supported by a Federal Department or Agency.

(a) The department or agency head will evaluate all applications and proposals involving human subjects submitted to the department or agency through such officers and employees of the department or agency and such experts and consultants as the department or agency head determines to be appropriate. This evaluation will take into consideration the risks to the subjects, the adequacy of protection against these risks, the potential benefits of the research to the subjects and others, and the importance of the knowledge gained or to be gained.

(b) On the basis of this evaluation, the department or agency head may approve or disapprove the application or proposal, or enter into negotiations to develop an approvable one.

§ 27.121 [Reserved]

§ 27.122 Use of Federal funds.

Federal funds administered by a department or agency may not be expended for research involving human subjects unless the requirements of this policy have been satisfied.

§ 27.123 Early termination of research support: Evaluation of applications and proposals.

(a) The department or agency head may require that department or agency support for any project be terminated or suspended in the manner prescribed in applicable program requirements, when the department or agency head finds an institution has materially failed to comply with the terms of this policy.

(b) In making decisions about supporting or approving applications or proposals covered by this policy the department or agency head may take into account, in addition to all other eligibility requirements and program

§ 27.124

criteria, factors such as whether the applicant has been subject to a termination or suspension under paragraph (a) of this section and whether the applicant or the person or persons who would direct or has have directed the scientific and technical aspects of an activity has have, in the judgment of the department or agency head, materially failed to discharge responsibility for the protection of the rights and welfare of human subjects (whether or not the research was subject to federal regulation).

§ 27.124 Conditions.

With respect to any research project or any class of research projects the department or agency head may impose additional conditions prior to or at the time of approval when in the judgment of the department or agency head additional conditions are necessary for the protection of human subjects.

(d) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a statement, set forth in Appendix A, whether that person has

made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

(e) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a disclosure form, set forth in Appendix B, if that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

(1) Award of a Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(1) A Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000,

unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

(1) A cumulative increase of \$25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

(3) A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(d) Any person who requests or receives from a person referred to in paragraphs (a) or (b) of this section:

(3) A contract or subcontract exceeding \$100,000 at any tier under a Federal loan exceeding \$150,000; or,

(4) A contract or subcontract exceeding \$100,000 at any tier under a Federal cooperative agreement,

shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraphs (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions,

but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§ 28.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in § 28.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

§ 28.205

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 28.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 28.100(a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence

15 CFR Subtitle A (1-1-17 Edition)

made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 28.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 28.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 28.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in § 28.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other re-

quirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 28.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure made on or before October 23, 1996, and of not less than \$11,000 and not more than \$110,000 for each such expenditure made after October 23, 1996.

(b) Any person who fails to file or amend the disclosure form (see Appendix B of this part) to be filed or amended if required herein, shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure occurring on or before October 23, 1996, and of not less than \$11,000 and not more than \$110,000 for each such failure occurring after October 23, 1996.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

§ 28.405

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of \$10,000, absent aggravating circumstances for each such offense committed on or before October 23, 1996, and \$11,000 for each such offense committed after October 23, 1996. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between \$10,000 and \$100,000 for each such offense committed on or before October 23, 1996, and between \$11,000 and \$110,000 for each such offense committed after October 23, 1996, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

[55 FR 6737, 6748, Feb. 26, 1990, as amended at 61 FR 55095, Oct. 24, 1996]

§ 28.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 28.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 28.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

15 CFR Subtitle A (1-1-17 Edition)

Subpart F—Agency Reports

§ 28.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see Appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no

later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 28.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President's Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency's covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.
