§ 240.12g5-1 Definition of securities “held of record”.

(a) For the purpose of determining whether an issuer is subject to the provisions of sections 12(g) and 15(d) of the Act, securities shall be deemed to be “held of record” by each person who is identified as the owner of such securities on records of security holders maintained by or on behalf of the issuer, subject to the following:

(1) In any case where the records of security holders have not been maintained in accordance with accepted practice, any additional person who would be identified as such an owner on such records if they had been maintained in accordance with accepted practice shall be included as a holder of record.

(2) Securities identified as held of record by a corporation, a partnership, a trust whether or not the trustees are named, or other organization shall be included as so held by one person.

(3) Securities identified as held of record by one or more persons as trustees, executors, guardians, custodians or in other fiduciary capacities with respect to a single trust, estate or account shall be included as held of record by one person.

(4) Securities held by two or more persons as coowners shall be included as held by one person.

(5) Each outstanding unregistered or bearer certificate shall be included as held of record by a separate person, except to the extent that the issuer can establish that, if such securities were

registered, they would be held of record, under the provisions of this rule, by a lesser number of persons.

(6) Securities registered in substantially similar names where the issuer has reason to believe because of the address or other indications that such names represent the same person, may be included as held of record by one person.

(7) Other than when determining compliance with Rule 257(d)(2) of Regulation A (§230.257(d)(2) of this chapter), the definition of “held of record” shall not include securities issued in a Tier 2 offering pursuant to Regulation A by an issuer that:

(i) Is required to file reports pursuant to Rule 257(b) of Regulation A (§230.257(b) of this chapter);

(ii) Is current in filing annual, semi-annual and special financial reports pursuant to such rule as of its most recently completed fiscal year end;

(iii) Has engaged a transfer agent registered pursuant to Section 17A(c) of the Act to perform the function of a transfer agent with respect to such securities; and

(iv) Had a public float of less than \$75 million as of the last business day of its most recently completed semi-annual period, computed by multiplying the aggregate worldwide number of shares of its common equity securities held by non-affiliates by the price at which such securities were last sold (or the average bid and asked prices of such securities) in the principal market for such securities or, in the event the result of such public float calculation was zero, had annual revenues of less than \$50 million as of its most recently completed fiscal year. An issuer that would be required to register a class of securities under Section 12(g) of the Act as a result of exceeding the applicable threshold in this paragraph (a)(7)(iv), may continue to exclude the relevant securities from the definition of “held of record” for a transition period ending on the penultimate day of the fiscal year two years after the date it became ineligible. The transition period terminates immediately upon the failure of an issuer to timely file any periodic report due pursuant to Rule 257 (§230.257 of this chapter) at which time the issuer must file a registration

statement that registers that class of securities under the Act within 120 days.

(8)(i) For purposes of determining whether an issuer is required to register a class of equity securities with the Commission pursuant to section 12(g)(1) of the Act (15 U.S.C. 78l(g)(1)), an issuer may exclude securities:

(A) Held by persons who received the securities pursuant to an employee compensation plan in transactions exempt from, or not subject to, the registration requirements of section 5 of the Securities Act of 1933 (15 U.S.C. 77e); and

(B) Held by persons who received the securities in a transaction exempt from, or not subject to, the registration requirements of section 5 of the Securities Act (15 U.S.C. 77e) from the issuer, a predecessor of the issuer or an acquired company in substitution or exchange for excludable securities under paragraph (a)(8)(i)(A) of this section, as long as the persons were eligible to receive securities pursuant to § 230.701(c) of this chapter at the time the excludable securities were originally issued to them.

(ii) As a non-exclusive safe harbor under this paragraph (a)(8):

(A) An issuer may deem a person to have received the securities pursuant to an employee compensation plan if such plan and the person who received the securities pursuant to the plan met the plan and participant conditions of § 230.701(c) of this chapter; and

(B) An issuer may, solely for the purposes of Section 12(g) of the Act (15 U.S.C. 78l(g)(1)), deem the securities to have been issued in a transaction exempt from, or not subject to, the registration requirements of Section 5 of the Securities Act (15 U.S.C. 77e) if the issuer had a reasonable belief at the time of the issuance that the securities were issued in such a transaction.

(b) Notwithstanding paragraph (a) of this section:

(1) Securities held, to the knowledge of the issuer, subject to a voting trust, deposit agreement or similar arrangement shall be included as held of record by the record holders of the voting trust certificates, certificates of deposit, receipts or similar evidences of interest in such securities: *Provided*,

however, That the issuer may rely in good faith on such information as is received in response to its request from a non-affiliated issuer of the certificates or evidences of interest.

(2) Whole or fractional securities issued by a savings and loan association, building and loan association, cooperative bank, homestead association, or similar institution for the sole purpose of qualifying a borrower for membership in the issuer, and which are to be redeemed or repurchased by the issuer when the borrower's loan is terminated, shall not be included as held of record by any person.

(3) If the issuer knows or has reason to know that the form of holding securities of record is used primarily to circumvent the provisions of section 12(g) or 15(d) of the Act, the beneficial owners of such securities shall be deemed to be the record owners thereof.

§ 240.12g5-2 Definition of “total assets”.

For the purpose of section 12(g)(1) of the Act, the term *total assets* shall mean the total assets as shown on the issuer's balance sheet or the balance sheet of the issuer and its subsidiaries consolidated, whichever is larger, as required to be filed on the form prescribed for registration under this section and prepared in accordance with the pertinent provisions of Regulation S-X (17 CFR part 210). Where the security is a certificate of deposit, voting trust certificate, or certificate or other evidence of interest in a similar trust or agreement, the “total assets” of the issuer of the security held under the trust or agreement shall be deemed to be the “total assets” of the issuer of such certificate or evidence of interest.
