

Subpart O—Escheat and Unclaimed Property Claims by States

§ 353.88 Payment to a State claiming title to abandoned bonds.

(a) *General.* The Department of the Treasury may, in its discretion, recognize an escheat judgment that purports to vest a State with title to a definitive savings bond that has reached final maturity and is in the State's possession, when the State presents evidence satisfactory to Treasury that the bond has been abandoned by all persons entitled to payment under Treasury regulations. A State claiming title to a definitive savings bond as the heir to a deceased owner must comply with the requirements of subpart L, and not this section. Treasury will not recognize an escheat judgment that purports to vest a State with title to a bond that has not reached its final maturity. Treasury also will not recognize an escheat judgment that purports to vest a State with title to a bond that the State does not possess, or a judgment that purports to grant the State custody of a bond, but not title.

(b) *Due process.* At a minimum, a State requesting payment under this section must demonstrate to Treasury's satisfaction that it made reasonable efforts to provide actual and constructive notice of the escheat proceeding to all persons listed on the face of the bond and all persons who may have an interest in the bond, and that those persons had an opportunity to be heard before the escheat judgment was entered.

(c) *Fulfillment of obligation.* Payment to a State claiming title under this section fulfills the United States' obligations to the same extent as if payment had been made to the registered owner.

[62 FR 622, Jan. 6, 1997, as amended at 69 FR 18803, Apr. 9, 2004]

§ 354.2 Law governing rights and obligations of Federal Reserve Banks, and Sallie Mae; rights of any Person against Federal Reserve Banks and Sallie Mae.

(a) Except as provided in paragraph (b) of this section, the following are governed solely by the book-entry regulations contained in this part 354, the Securities Documentation (to the extent not inconsistent with these regulations) and Federal Reserve Bank Operating Circulars:

(1) The rights and obligations of Sallie Mae and the Federal Reserve Banks with respect to:

(i) A Book-entry Sallie Mae Security or Security Entitlement; and

(ii) The operation of the Book-entry System as it applies to Sallie Mae Securities; and

(2) The rights of any Person, including a Participant, against Sallie Mae and the Federal Reserve Banks with respect to:

(i) A Book-entry Sallie Mae Security or Security Entitlement; and

(ii) The operation of the Book-entry System as it applies to Sallie Mae Securities.

(b) A security interest in a Security Entitlement that is in favor of a Federal Reserve Bank from a Participant and that is not recorded on the books of a Federal Reserve Bank pursuant to § 354.4(c)(1), is governed by the law (not including the conflict-of-law rules) of

the jurisdiction where the head office of the Federal Reserve Bank maintaining the Participant's Securities Account is located. A security interest in a Security Entitlement that is in favor of a Federal Reserve Bank from a Person that is not a Participant, and that is not recorded on the books of a Federal Reserve Bank pursuant to §354.14(c)(1), is governed by the law determined in the manner specified in §354.3.

(c) If the jurisdiction specified in the first sentence of paragraph (b) of this section is a State that has not adopted Revised Article 8 (incorporated by reference, see §354.1), then the law specified in paragraph (b) shall be the law of that State as though Revised Article 8 had been adopted by that State.

§354.3 Law governing other interests.

(a) To the extent not inconsistent with the regulations in this part, the law (not including the conflict-of-law rules) of a Securities Intermediary's jurisdiction governs:

(1) The acquisition of a Security Entitlement from the Securities Intermediary;

(2) The rights and duties of the Securities Intermediary and Entitlement Holder arising out of a Security Entitlement;

(3) Whether the Securities Intermediary owes any duties to an adverse claimant to a Security Entitlement;

(4) Whether an Adverse Claim can be asserted against a Person who acquires a Security Entitlement from the Securities Intermediary or a Person who purchases a Security Entitlement or interest therein from an Entitlement Holder; and

(5) Except as otherwise provided in paragraph (c) of this section, the perfection, effect of perfection or non-perfection and priority of a security interest in a Security Entitlement.

(b) The following rules determine a "Securities Intermediary's jurisdiction" for purposes of this section:

(1) If an agreement between the Securities Intermediary and its Entitlement Holder specifies that it is governed by the law of a particular jurisdiction, that jurisdiction is the Securities Intermediary's jurisdiction.

(2) If an agreement between the Securities Intermediary and its Entitlement Holder does not specify the governing law as provided in paragraph (b)(1) of this section, but expressly specifies that the securities account is maintained at an office in a particular jurisdiction, that jurisdiction is the Securities Intermediary's jurisdiction.

(3) If an agreement between the Securities Intermediary and its Entitlement Holder does not specify a jurisdiction as provided in paragraph (b)(1) or (b)(2) of this section, the Securities Intermediary's jurisdiction is the jurisdiction in which is located the office identified in an account statement as the office serving the Entitlement Holder's account.

(4) If an agreement between the Securities Intermediary and its Entitlement Holder does not specify a jurisdiction as provided in paragraph (b)(1) or (b)(2) of this section and an account statement does not identify an office serving the Entitlement Holder's account as provided in paragraph (b)(3) of this section, the Securities Intermediary's jurisdiction is the jurisdiction in which is located the chief executive office of the Securities Intermediary.

(c) Notwithstanding the general rule in paragraph (a)(5) of this section, the law (but not the conflict-of-law rules) of the jurisdiction in which the Person creating a security interest is located governs whether and how the security interest may be perfected automatically or by filing a financing statement.

(d) If the jurisdiction specified in paragraph (b) of this section is a State that has not adopted Revised Article 8 (incorporated by reference, see §354.1), then the law for the matters specified in paragraph (a) of this section shall be the law of that State as though Revised Article 8 had been adopted by that State. For purposes of the application of the matters specified in paragraph (a) of this section, the Federal Reserve Bank maintaining the Participant's Securities Account is a clearing corporation, and the Participant's interest in a Book-entry Security is a Security Entitlement.

§ 354.4

§ 354.4 Creation of Participant's Security Entitlement; security interests.

(a) A Participant's Security Entitlement is created when a Federal Reserve Bank indicates by book-entry that a Book-entry Sallie Mae Security has been credited to a Participant's Securities Account.

(b) A security interest in a Security Entitlement of a Participant in favor of the United States to secure deposits of public money, including without limitation deposits to the Treasury tax and loan accounts, or other security interest in favor of the United States that is required by Federal statute, regulation, or agreement, and that is marked on the books of a Federal Reserve Bank is thereby effected and perfected, and has priority over any other interest in the securities. Where a security interest in favor of the United States in a Security Entitlement of a Participant is marked on the books of a Federal Reserve Bank, such Federal Reserve Bank may rely, and is protected in relying, exclusively on the order of an authorized representative of the United States directing the transfer of the security. For purposes of this paragraph, an "authorized representative of the United States" is the official designated in the applicable regulations or agreement to which a Federal Reserve Bank is a party, governing the security interest.

(c)(1) Sallie Mae and the Federal Reserve Banks have no obligation to agree to act on behalf of any Person or to recognize the interest of any transferee of a security interest or other limited interest in favor of any Person except to the extent of any specific requirement of Federal law or regulation or to the extent set forth in any specific agreement with the Federal Reserve Bank on whose books the interest of the Participant is recorded. To the extent required by such law or regulation or set forth in an agreement with a Federal Reserve Bank, or the Federal Reserve Bank Operating Circular, a security interest in a Security Entitlement that is in favor of a Federal Reserve Bank, Sallie Mae, or a Person may be created and perfected by a Federal Reserve Bank marking its books to record the security interest. Except as provided in paragraph (b) of this sec-

31 CFR Ch. II (7-1-17 Edition)

tion, a security interest in a Security Entitlement marked on the books of a Federal Reserve Bank shall have priority over any other interest in the securities.

(2) In addition to the method provided in paragraph (c)(1) of this section, a security interest, including a security interest in favor of a Federal Reserve Bank, may be perfected by any method by which a security interest may be perfected under applicable law as described in § 354.2(b) or § 354.3. The perfection, effect of perfection or non-perfection and priority of a security interest are governed by such applicable law. A security interest in favor of a Federal Reserve Bank shall be treated as a security interest in favor of a clearing corporation in all respects under such law, including with respect to the effect of perfection and priority of such security interest. A Federal Reserve Bank Operating Circular shall be treated as a rule adopted by a clearing corporation for such purposes.

§ 354.5 Obligations of Sallie Mae; no adverse claims.

(a) Except in the case of a security interest in favor of the United States or a Federal Reserve Bank or otherwise as provided in § 354.4(c)(1), for the purposes of this part 354, Sallie Mae and the Federal Reserve Banks shall treat the Participant to whose Securities Account an interest in a Book-entry Sallie Mae Security has been credited as the person exclusively entitled to issue a Transfer Message, to receive interest and other payments with respect thereof and otherwise to exercise all the rights and powers with respect to such Security, notwithstanding any information or notice to the contrary. Neither the Federal Reserve Banks nor Sallie Mae is liable to a Person asserting or having an Adverse Claim to a Security Entitlement or to a Book-entry Sallie Mae Security in a Participant's Securities Account, including any such claim arising as a result of the transfer or disposition of a Book-entry Sallie Mae Security by a Federal Reserve Bank pursuant to a Transfer Message that the Federal Reserve Bank reasonably believes to be genuine.

Fiscal Service, Treasury

§ 354.9

(b) The obligation of Sallie Mae to make payments of interest and principal with respect to Book-entry Sallie Mae Securities is discharged at the time payment in the appropriate amount is made as follows:

(1) Interest on Book-entry Sallie Mae Securities is either credited by a Federal Reserve Bank to a Funds Account maintained at such Bank or otherwise paid as directed by the Participant.

(2) Book-entry Sallie Mae Securities are redeemed at maturity or pursuant to a call for redemption in accordance with their terms by a Federal Reserve Bank withdrawing the securities from the Participant's Securities Account in which they are maintained and by either crediting the amount of the redemption proceeds, including both principal and interest where applicable, to a Funds Account at such Bank or otherwise paying such principal and interest, as directed by the Participant.

§ 354.6 Authority of Federal Reserve Banks.

(a) Each Federal Reserve Bank is hereby authorized as fiscal agent of Sallie Mae to perform functions with respect to the issuance of Book-entry Sallie Mae Securities offered and sold by Sallie Mae, in accordance with the Securities Documentation, and Federal Reserve Bank Operating Circulars; to service and maintain Book-entry Sallie Mae Securities in accounts established for such purposes; to make payments of principal and interest with respect to such Book-entry Sallie Mae Securities as directed by Sallie Mae; to effect transfer of Book-entry Sallie Mae Securities between Participants' Securities Account as directed by the Participants; to effect conversions between Book-entry Sallie Mae securities and Definitive Sallie Mae Securities with respect to those securities as to which conversion rights are available pursuant to the applicable Securities Documentation; and to perform such other duties as fiscal agent as may be requested by Sallie Mae.

(b) Each Federal Reserve Bank may issue Operating Circulars not inconsistent with this part, governing the details of its handling of Book-entry Sallie Mae Securities, Security Enti-

tlements, and the operation of the Book-entry System under this part.

§ 354.7 Withdrawal of eligible Book-entry Sallie Mae Securities for conversion to definitive form.

(a) Eligible Book-entry Sallie Mae Securities may be withdrawn from the Book-entry System by requesting delivery of like Definitive Sallie Mae Securities.

(b) A Federal Reserve Bank shall, upon receipt of appropriate instructions to withdraw Eligible Book-entry Sallie Mae Securities from book-entry in the Book-entry System, convert such securities into Definitive Sallie Mae Securities and deliver them in accordance with such instructions. No such conversion shall affect existing interests in such Sallie Mae Securities.

(c) All requests for withdrawal of Eligible Book-entry Sallie Mae Securities must be made prior to the maturity or date of call of such securities.

(d) Sallie Mae Securities which are to be delivered upon withdrawal may be issued in either registered or bearer form, to the extent permitted by the applicable Securities Documentation.

§ 354.8 Waiver of regulations.

The Secretary reserves the right, in the Secretary's discretion, to waive any provision(s) of the regulations in this part in any case or class of cases for the convenience of Sallie Mae, or in order to relieve any person or entity of unnecessary hardship, if such action is not inconsistent with law, does not adversely affect substantial existing rights, and the Secretary is satisfied that such action will not subject Sallie Mae to any substantial expense or liability.

§ 354.9 Liability of Sallie Mae and Federal Reserve Banks.

Sallie Mae and the Federal Reserve Banks may rely on the information provided in a Transfer Message, and are not required to verify the information. Sallie Mae and the Federal Reserve Banks shall not be liable for any action taken in accordance with the information set out in a Transfer Message or evidence submitted in support thereof.

§ 354.10

31 CFR Ch. II (7-1-17 Edition)

§ 354.10 Additional provisions.

(a) *Additional requirements.* In any case or any class of cases arising under these regulations, Sallie Mae may require such additional evidence and a bond of indemnity, with or without surety, as may in the judgment of Sallie Mae be necessary for the protection of the interests of Sallie Mae.

(b) *Notice of attachment for Sallie Mae Securities in Book-entry System.* The interest of a debtor in a Security Entitlement may be reached by a creditor only by legal process upon the Securities Intermediary with whom the debtor's securities account is maintained, except where a Security Entitlement is maintained in the name of a secured party, in which case the debtor's interest may be reached by legal process upon the secured party. The regulations in this part do not purport to establish whether a Federal Reserve Bank is required to honor an order or other notice of attachment in any particular case or class of cases.
