SUBCHAPTER A—THE BOARD OF GOVERNORS OF THE U.S. POSTAL SERVICE

Bylaws of the Board of Governors

PART 1—POSTAL POLICY (ARTICLE I)

Sec. 1.1 Establishment of the U.S. Postal Service.

1.2 Delegation of authority.

SOURCE: 73 FR 78983, Dec. 24, 2008, unless otherwise noted.

§ 1.1 Establishment of the U.S. Postal Service.

The U.S. Postal Service is established under the provisions of the Postal Reorganization Act (the Reorganization Act) of 1970, Public Law 91–375, 84 Stat. 719, as amended by the Postal Accountability and Enhancement Act of 2006 (PAEA), Public Law 109–435, 120 Stat. 3198, as an independent establishment of the executive branch of the Government of the United States, under the direction of a Board of Governors, with the Postmaster General as its chief executive officer. The Board of Governors of the Postal Service (the Board) directs the exercise of its powers through management that is expected to be honest, efficient, economical, and mindful of the competitive business environment in which the Postal Service operates. The Board consists of nine Governors appointed by the President, by and with the advice and consent of the Senate, to represent the public interest generally, together with the Postmaster General and Deputy Postmaster General.

§ 1.2 Delegation of authority.

Except for powers, duties, or obligations specifically vested in the Governors by law, the Board may delegate its authority to the Postmaster General under such terms, conditions, and limitations, including the power of re-delegation, as it finds desirable. The bylaws of the Board are the framework of the system through which the Board monitors the exercise of the authority it has delegated, measures progress toward the goals it has set, and shapes the policies to guide the future development of the Postal Service. Delegations of authority do not relieve the Board of full responsibility for carrying out its duties and functions, and are revocable by the Governors in their exclusive judgment.

Sec. 2.1 Office of the Board of Governors.

2.2 Agent for receipt of process.

2.3 Offices

2.4 Seal.

2.5 Authority.

2.6 Severability, amendment, repeal, and waiver of bylaws.

§ 2.1 Office of the Board of Governors.

There shall be located in Washington, DC an Office of the Board of Governors of the United States Postal Service. It shall be the function of this Office to provide staff support for the Board, as directed by the Chairman of the Board, to enable the Board to carry out effectively its duties and responsibilities.

§ 2.2 Agent for receipt of process.

The General Counsel of the Postal Service shall act as agent for the receipt of legal process against the Postal Service, and as agent for the receipt of legal process against the Board of Governors or a member of the Board, in his or her official capacity, and all other officers and employees of the Postal Service to the extent that the process arises out of the official functions of those officers and employees. The General Counsel shall also issue public certifications concerning closed meetings of the Board as appropriate under 5 U.S.C. 552b(f).
§ 2.3 Offices.

The principal office of the Postal Service is located in Washington, DC, with such regional and other offices and places of business as the Postmaster General establishes from time to time, or the business of the Postal Service requires.

§ 2.4 Seal.

(a) The Seal of the Postal Service is filed by the Board in the Office of the Secretary of State, and is required by 39 U.S.C. 207 to be judicially noticed. The Seal shall be in the custody of the General Counsel, who shall affix it to all commissions of officers of the Postal Service, and use it to authenticate records of the Postal Service and for other official purposes. The following describes the Seal adopted for the Postal Service:

(1) A stylized bald eagle is poised for flight, facing to the viewer’s right, above two horizontal bars between which are the words “U.S. MAIL”, surrounded by a square border with rounded corners consisting of the words “UNITED STATES POSTAL SERVICE” on the left, top, and right, and consisting of nine five-pointed stars on the base.

(2) The color representation of the Seal shows, a white field on which the bald eagle appears in dark blue, the words “U.S. MAIL” in black, the bar above the words in red, the bar below in blue, and the entire border consisting of the words “UNITED STATES POSTAL SERVICE” and stars in ochre.

(b) The location and description of the Postal Service emblem is described at 39 CFR 221.7.

§ 2.5 Authority.

These bylaws are adopted by the Board under the authority conferred upon the Postal Service by 39 U.S.C. 401(2) and 5 U.S.C. 552b(g).

§ 2.6 Severability, amendment, repeal, and waiver of bylaws.

The invalidity of any provision of these bylaws does not affect the validity of the remaining provisions, and for this purpose these bylaws are severable. The Board may amend or repeal these bylaws at any special or regular meeting, provided that each member of the Board has received a written notice containing a statement of the proposed amendment or repeal at least 5 days before the meeting. The members of the Board may waive the 5 days’ notice or the operation of any other provision of these bylaws by unanimous consent, if that action is not prohibited by law. The Secretary shall submit the text of any amendment to these bylaws for publication in the FEDERAL REGISTER as soon as practicable after the amendment is adopted by the Board.

Consistent with the provisions of §§6.6 and 7.5 of these bylaws, the Chairman may call a special meeting of the Board at any place in the United States, with the earliest practicable notice to the other members of the Board and to the Secretary, specifying the time, date, place, and subject matter of the meeting. Consistent with the
provisions of §§6.6 and 7.5 of these bylaws, by recorded vote a majority of the members of the Board may call a special meeting of the Board at any place in the United States, with the earliest practicable notice to the other members of the Board and to the Secretary, specifying the time, date, place and subject matter of the meeting.

§ 6.3 Notice of meetings.

The Chairman or the members of the Board may give the notice required under §6.1 or §6.2 of these bylaws in oral, written, or e-mail form. Oral notice to a member may be delivered by telephone and is sufficient if made to the member personally or to a responsible person in the member’s home or office. Any oral notice to a member must be subsequently confirmed by written or e-mail notice. Written notice to a member may be delivered by mail addressed to the member’s mailing address of record filed with the Secretary. Notice by e-mail may be addressed to the member’s e-mail address of record filed with the Secretary. Except for written or e-mail notice confirming a previous oral notice, a written or e-mail notice must be sent in sufficient time to reach the address of record at least 2 days before the meeting date under normal delivery conditions. A member waives notice of any meeting by attending the meeting, and may otherwise waive notice of any meeting at any time. No notice—whether oral, written, or e-mail—to the Secretary is sufficient until actually received by the Secretary. The Secretary may not waive notice of any meeting.

§ 6.4 Attendance by conference telephone call.

For regularly scheduled meetings of the Board, members are expected to attend in person. Unless prohibited by law or by these bylaws, however, a member of the Board, under exceptional circumstances, may participate in a meeting of the Board by conference telephone or similar communications equipment which enables all persons participating in the meeting to hear each other and which permits full compliance with the provisions of these bylaws concerning public observation of meetings. Attendance at a meeting by this method constitutes presence at the meeting and a member of the Board may be paid for his or her participation provided such meeting addresses substantive, as opposed to procedural or administrative, matters on which the Board has decisionmaking authority.

§ 6.5 Minutes of meetings.

The Secretary shall preserve the minutes of Board meetings prepared under §4.6 of these bylaws. After the minutes of any meeting are approved by the Board, the Secretary shall promptly make available to the public, in the Corporate Communications Department at Postal Service Headquarters, or in another place easily accessible to the public, copies of the minutes, except for those portions which contain information inappropriate for public disclosure under 5 U.S.C. 552(b) or 39 U.S.C. 410(c).

§ 6.6 Quorum and voting.

As provided by 39 U.S.C. 205(c), and except for routine, non-controversial, and administrative matters considered through the notation voting process described in §6.7, the Board acts by resolution upon a majority vote of those members who attend a meeting in person or by teleconference. No proxies are allowed in any vote of the members of the Board. Any 6 members constitute a quorum for the transaction of business by the Board, except:

(a) In the appointment or removal of the Postmaster General, and in setting the compensation and benefits of the Postmaster General and Deputy Postmaster General, 39 U.S.C. 205(c)(1) requires a favorable vote of an absolute majority of the Governors in office;

(b) In the appointment or removal of the Deputy Postmaster General, 39 U.S.C. 205(c)(2) requires a favorable vote of an absolute majority of the Governors in office and the Postmaster General;

(c) In the appointment, removal, or in the setting of the compensation and benefits of the Secretary, Assistant Secretary, or other necessary staff, a favorable vote of an absolute majority of the Governors in office is required;
§ 6.7  
(d) In the determination to close a portion of a meeting or to withhold information concerning a meeting, 5 U.S.C. 552b(d)(1) requires a vote of a majority of the entire membership of the Board; and
(e) In the decision to call a meeting with less than a week’s notice, 5 U.S.C. 552b(e)(1) requires a vote of a majority of the members of the Board. In the decision to change the subject matter of a meeting, or the determination to open or close a meeting, 5 U.S.C. 552b(e)(2) requires a vote of a majority of the entire membership of the Board.
(f) In establishing rates or classes of competitive products of both general and not of general applicability in §§ 3.9 and 3.10 of these bylaws, 39 U.S.C. 3632(a) requires the concurrence of a majority of all of the Governors then holding office.
(g) In removing the Inspector General for cause, 39 U.S.C. 202(e) requires the written concurrence of at least 7 Governors.

PART 7—PUBLIC OBSERVATION
(ARTICLE VII)

§ 7.1 Definitions.
(a) The term Board means the Board of Governors, and any subdivision or committee of the Board authorized to take action on behalf of the Board.
(b) The term meeting means the deliberations of at least the number of individual members required to take action on behalf of the Board. The term meeting does not include any procedural deliberations required or permitted by §§6.1, 6.2, 7.4, or 7.5 of these bylaws, where such deliberations determine or result in the joint conduct or disposition of the official business of the Board. The term meeting does not include any procedural deliberations required or permitted by §§6.1, 6.2, 7.4, or 7.5 of these bylaws in this chapter, or the notation voting process described in §6.7 of the bylaws in this chapter.

§ 6.7  
Notation voting.
(a) General. Notation voting consists of the circulation of written memoranda and voting sheets to each member of the Board simultaneously and the tabulation of submitted responses. Notation voting may be used only for routine, non-controversial, and administrative matters.
(b) Administrative Responsibility. The Secretary of the Board is responsible for:
(1) Distributing notation voting memoranda and voting sheets;
(2) Establishing deadlines for notation voting sheets to be completed and returned;
(3) Processing and tabulating all notation voting sheets; and
(4) Determining whether further action is required.
(c) Veto of notation voting. In view of the public policy for openness reflected in the Government in the Sunshine Act and in these bylaws, each Board member is authorized to veto the use of notation voting for the consideration of any matter. If a Board member vetoes the use of notation voting, the Secretary must notify all members of such action, and must promptly take action to place the particular matter on the agenda of the next regularly scheduled Board meeting following the date of the veto, or to schedule a teleconference to consider the matter, as appropriate.
(d) Disclosure of result. The Secretary shall maintain all records pertaining to Board actions taken pursuant to the notation voting process, and shall make such records available for public inspection, consistent with the Freedom of Information Act, 5 U.S.C. 552.

[77 FR 17334, Mar. 26, 2012]
§ 7.2 Open meetings.

(a) It is the policy of the United States, established in section 2 of the Government in the Sunshine Act, Public Law 94–409, 90 Stat. 1241, that the public is entitled to the fullest practicable information regarding the decisionmaking processes of the Federal Government. The Postal Service is charged to provide the public with this information while protecting the rights of individuals and the ability of the Government to carry out its responsibilities. Accordingly, except as specifically permitted by statute, every portion of every meeting of the Board of Governors is open to public observation.

(b) Except as provided in § 7.3 of these bylaws, every portion of every meeting of the Board is open to public observation. Members of the Board may not jointly conduct or dispose of business of the Board without complying with §§7.2 through 7.8 of these bylaws. Members of the public may obtain access to documents considered at meetings to the extent provided in the regulations of the Postal Service concerning the release of information.

(c) Without the permission of a majority of the Board, no person may participate in, film, televise, or broadcast any portion of any meeting of the Board. Any person may electronically record or photograph a meeting, as long as that action does not tend to impede or disturb the members of the Board in the performance of their duties, or members of the public while attempting to attend or observe a meeting of the Board. The rules and penalties of 39 CFR Part 232, concerning conduct on postal property, apply with regard to meetings of the Board.

§ 7.3 Exceptions.

Section 7.2 of these bylaws does not apply to a portion of a meeting, and §§7.4 and 7.5 do not apply to information concerning the meeting which otherwise would be required to be disclosed to the public, if the Board properly determines that the public interest does not require otherwise, and that such portion of the meeting or the disclosure of such information is likely to:

(a) Disclose matters that are:

(1) Specifically authorized under criteria established by an Executive order to be kept secret in the interests of national defense or foreign policy, and
(2) In fact properly classified under that Executive order;
(b) Relate solely to the internal personnel rules and practices of the Postal Service, including the Postal Service position in negotiations or consultations with employee organizations,
(c) Disclose matters specifically exempted from disclosure by statute (other than the Freedom of Information Act, 5 U.S.C. 552), provided that the statute:

(1) Requires that the matters be withheld from the public in such manner as to leave no discretion on the issue, or
(2) Establishes particular criteria for withholding or refers to particular types of matters to be withheld;
(d) Disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential, such as market information pertinent to Postal Service borrowing or investments, technical or patent information related to postal mechanization, or commercial information related to purchases of real estate;
(e) Involve accusing any person of a crime, or formally censuring any person;
(f) Disclose information of a personal nature, such as personal or medical data regarding any individual if disclosure would constitute a clearly unwarranted invasion of personal privacy;
(g) Disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in those records, but only to the extent that the production of those records or information would:

(1) Interfere with enforcement proceedings,
(2) Deprive a person of a right to a fair trial or an impartial adjudication,
(3) Constitute an unwarranted invasion of personal privacy,
(4) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security
§ 7.4 Procedure for closing a meeting.

(a) A majority of the entire membership of the Board may vote to close a portion of a meeting or to withhold information concerning a meeting under the provisions of § 7.3 of these bylaws. The members shall take a separate vote with respect to each meeting a portion of which is proposed to be closed to the public, or with respect to any information which is proposed to be withheld, and shall make every reasonable effort to take any such vote at least 8 days before the date of the meeting involved. The members may take a single vote with respect to a series of meetings, portions of which are proposed to be closed to the public, or with respect to information concerning the series, so long as each portion of a meeting in the series involves the same particular matters, and no portion of any meeting is scheduled to be held more than 30 days after the initial portion of the first meeting in the series.

(b) Whenever any person whose interest may be directly affected by a portion of a meeting requests that the Board close that portion to the public for any of the reasons referred to in § 7.3(e), (f), or (g) of these bylaws, upon request of any one of its members the Board shall vote by recorded vote whether to close that portion of the meeting.

(c) The Secretary shall record the vote of each member participating in a vote under paragraph (a) or (b) of this section. Within 1 day of any vote under paragraph (a) or (b) of this section, the Secretary shall make publicly available a written copy of the vote showing the vote of each member on the question. If a portion of a meeting is to be closed to the public, the Secretary shall, within 1 day of the vote, make publicly available a full written explanation of the action closing the portion, together with a list of all persons expected to attend the meeting and their affiliation.

§ 7.5 Public notice of meetings, subsequent changes.

(a) At least one week before any meeting of the Board, the Secretary shall publicly announce the time, date, place, and subject matter of the meeting, whether it is to be open or closed to the public, and the name and phone number of the official designated by the Board to respond to requests for information about the meeting.

(b) By a recorded vote, a majority of the members of the Board may determine that the business of the Board requires a meeting to be called with less than a week’s notice. At the earliest practicable time, the Secretary shall publicly announce the time, date, place, and subject matter of the meeting, and whether it is to be open or closed to the public.
(c) Following the public announcement required by paragraphs (a) or (b) of this section:

(1) As provided in §6.1 of these bylaws, the Board may change the time or place of a meeting. At the earliest practicable time, the Secretary shall publicly announce the change.

(2) A majority of the entire membership of the Board may change the subject matter of a meeting, or the determination to open or close a meeting to the public, if it determines by a recorded vote that the change is required by the business of the Board and that no earlier announcement of the change was possible. At the earliest practicable time, the Secretary shall publicly announce the change, and the vote of each member upon the change.

(d) Immediately following each public announcement required under paragraphs (a), (b), or (c) of this section, the Secretary shall submit for publication in the FEDERAL REGISTER a notice of the time, date, place, and subject matter of the meeting, whether the meeting is open or closed, any change in the preceding, and the name and phone number of the official designated by the Board to respond to requests for information about the meeting. The Secretary shall also submit the announcement and information to the Corporate Communications Department for dissemination to the public.

§ 7.6 Certification and transcripts of closed meetings.

(a) At the beginning of every meeting or portion of a meeting closed under §7.3(a) through (j) of these bylaws, the General Counsel shall publicly certify that, in his or her opinion, the meeting or portion of the meeting may be closed to the public, stating each relevant exemptive provision. The Secretary shall also submit the announcement and information to the Corporate Communications Department for dissemination to the public.

(b) The Secretary shall arrange for a complete transcript or electronic recording adequate to record fully the proceedings to be made of each meeting or portion of a meeting of the Board which is closed to the public. The Secretary shall maintain a complete verbatim copy of the transcript, or a complete electronic recording of each meeting or portion of a meeting closed to the public for at least 2 years after the meeting, or for 1 year after the conclusion of any Postal Service proceeding with respect to which the meeting was held, whichever occurs later.

(c) Except for those items of discussion or testimony which the Board, by a majority vote of those members who are present, determines to contain information which may be withheld under §7.3 of these bylaws, the Secretary shall promptly make available to the public, in the Corporate Communications Department at Postal Service Headquarters, or in another place easily accessible to the public, the transcript or electronic recording of a closed meeting, including the testimony of any witnesses received at the meeting. The Secretary shall furnish a copy of this transcript, or a transcription of this electronic recording disclosing the identity of each speaker, to any person at the actual cost of duplication or transcription.

§ 7.7 Enforcement.

(a) Under 5 U.S.C. 552b(g), any person may bring a proceeding in the United States Court of Appeals for the District of Columbia to set aside any provisions of these bylaws which are not in accord with the requirements of 5 U.S.C. 552b (a)–(f) and to require the promulgation of provisions that are in accord with those requirements.

(b) Under 5 U.S.C. 552b(h) any person may bring a civil action against the Board in an appropriate U.S. District Court to obtain judicial review of the alleged failure of the Board to comply with 5 U.S.C. 552b(a)–(f). The burden is on the Board to sustain its action. The court may grant appropriate equitable relief, including enjoining future violations, or ordering the Board to make public information improperly withheld from the public.

(c) Under 5 U.S.C. 552b(i) the court may assess against any party reasonable attorney fees and other litigation costs reasonably incurred by any other party who substantially prevails, except that the court may assess costs against the plaintiff only if the court
finds that he initiated the suit primarily for frivolous or dilatory purposes.

§ 7.8 Open meetings, Freedom of Information, and Privacy of Information.

The provisions of 5 U.S.C. 552b(c) (1)–(10), enacted by Public Law 94–409, the Government in the Sunshine Act, govern in the case of any request under the Freedom of Information Act, 5 U.S.C. 552, to copy or to inspect the transcripts or electronic recordings described in §7.6 of these bylaws. Nothing in 5 U.S.C. 552b authorizes the Board to withhold from any individual any record, including the transcripts or electronic recordings described in §7.6 of these bylaws, to which the individual may otherwise have access under 5 U.S.C. 552a, enacted by the Privacy Act of 1974, Public Law 93–579.

PART 10—RULES OF CONDUCT FOR POSTAL SERVICE GOVERNORS (ARTICLE X)

Sec.
10.1 Applicability.
10.2 Advisory service.
10.3 Post-employment activities.
10.4 Financial disclosure reports.

SOURCE: 73 FR 78983, Dec. 24, 2008, unless otherwise noted.

§ 10.1 Applicability.

This part contains rules of conduct for the members of the Board of Governors of the United States Postal Service. As special employees within the meaning of 18 U.S.C. 202(a), the members of the Board are also subject to the Standards of Ethical Conduct for Employees of the Executive Branch, 5 CFR part 2635, and Postal Service regulations supplemental thereto, 5 CFR part 7001.

§ 10.2 Advisory service.

(a) The General Counsel is the Ethical Conduct Officer of the Postal Service and the Designated Agency Ethics Official for purposes of the Ethics in Government Act, as amended, and the implementing regulations of the Office of Government Ethics, including 5 CFR part 2638.

(b) A Governor may obtain advice and guidance on questions of conflicts of interest, and may request any ruling provided for by either the Standards of Ethical Conduct for Employees of the Executive Branch, or the Postal Service regulations supplemental thereto, from the General Counsel or a designated assistant.

(c) If the General Counsel determines that a Governor is engaged in activity which involves a violation of federal statute or regulation, including the ethical conduct regulations contained in 5 CFR parts 2635 and 7001, or conduct which creates the appearance of such a violation, he or she shall bring this to the attention of the Governor or shall notify the Chairman of the Board of Governors, or the Vice Chairman, as appropriate.

§ 10.3 Post-employment activities.

Governors are subject to the restrictions on the post-employment activities of special Government employees imposed by 18 U.S.C. 207. Guidance concerning post-employment restrictions applicable to Governors may be obtained in accordance with section 10.2(b).

§ 10.4 Financial disclosure reports.

(a) Requirement of submission of reports. At the time of their nomination, Governors complete a financial disclosure report which, under the practice of the Senate Governmental Affairs Committee, is kept confidential. Because the Director of the Office of Government Ethics has ruled that Governors who do not perform the duties of their office for more than 60 days in any calendar year are not required to file financial disclosure reports that are open to the public, Governors file non-public reports annually, in accordance with this section. A Governor who performs the duties of his or her office for more than 60 days in a particular calendar year is required to file a public report in accordance with 5 CFR 2634.204(c).

(b) Person with whom reports should be filed and time for filing. (1) A Governor shall file a financial disclosure report with the General Counsel on or before
May 15 of each year when the Governor has been in office for more than 60 consecutive calendar days during the previous year.

(2) The General Counsel may, for good cause shown, grant to a Governor an extension of up to 45 days. An additional extension of up to 45 days may be granted by the Director of the Office of Government Ethics for good cause shown.

(c) Information required to be reported. Each report shall be a full and complete statement, on the form prescribed by the General Counsel and the Office of Government Ethics and in accordance with instructions issued by him or her. The form currently in use is Standard Form 278.

(d) Reviewing reports. (1) Financial disclosure reports filed in accordance with the provisions of this section shall, within 60 days after the date of filing, be reviewed by the General Counsel who shall either approve the report, or make an initial determination that a conflict or appearance thereof exists. If the General Counsel determines initially that a conflict or the appearance of a conflict exists, he or she shall inform the Governor of his determination.

(2) If the General Counsel considers that additional information is needed to complete the report or to allow an adequate review to be conducted, he or she shall request the reporting Governor to furnish that information by a specified date.

(3) The General Counsel shall refer to the Chairman of the Board of Governors or the Vice Chairman the name of any Governor he or she has reasonable cause to believe has wrongfully failed to file a report or has falsified or wrongfully failed to report required information.

(e) Custody of and public access to reports. (1) Retention of reports. Each report filed with the General Counsel shall be retained by him or her for a period of six years. After the six-year period, the report shall be destroyed unless needed in connection with an investigation then pending.

(2) Confidentiality of reports. Unless a public report is required by this section, the financial disclosure reports filed by Governors shall not be made public.

PART 11—ADVISORY BOARDS (ARTICLE XI)

§ 11.1 Establishment.

The Board of Governors may create such advisory boards as it may deem appropriate and may appoint persons to serve thereon or may delegate such latter authority to the Postmaster General.

SUBCHAPTER D—ORGANIZATION AND ADMINISTRATION

PART 211—APPLICATION OF REGULATIONS

Sec.

211.2 Regulations of the Postal Service.
211.3 Executive orders and other executive pronouncements; circulars, bulletins, and other issuances of the Office of Management and Budget.
211.4 Interim personnel regulations.

SOURCE: 38 FR 20402, July 31, 1973, unless otherwise noted.

§ 211.1 Disposition of former title 39, U.S.C.

Except as otherwise continued in effect as postal regulations, all provisions of former title 39, U.S.C., which were continued in effect as regulations of the Postal Service by section 5(f) of the Postal Reorganization Act, are revoked. This revocation does not apply to postal regulations which embody or are derived from provisions of former title 39.

§ 211.2 Regulations of the Postal Service.

(a) The regulations of the Postal Service consist of:

(1) The resolutions of the Governors and the Board of Governors of the U.S. Postal Service and the bylaws of the Board of Governors;

(3) Headquarters Circulars, Management Instructions, Regional Instructions, handbooks, delegations of authority, and other regulatory issuances and directives of the Postal Service or the former Post Office Department. Any of the foregoing may be published in the Federal Register and the Code of Federal Regulations.

(b) Except as otherwise provided by law, the resolutions of the Governors and the Board of Governors of the U.S. Postal Service and the bylaws of the Board of Governors take precedence over all regulations issued by other authority.

(c) The adoption, by reference or otherwise, of any rule of law or regulation in this or any other regulation of the Postal Service shall not be interpreted as any expression on the issue of whether such rule of law or regulation would apply to the Postal Service if it were not adopted as a regulation, nor shall it restrict the authority of the Postal Service to amend or revoke the rule so adopted at a subsequent time.

(d) All regulations of the Post Office Department in effect at the time the U.S. Postal Service commenced operations, continue in effect, except as subsequently modified or repealed by the Postal Service. Except as otherwise continued in effect as postal regulations, all regulations of other agencies of the United States continued in effect as postal regulations by section 5(a) of the Postal Reorganization Act are repealed.

§ 211.3 Executive orders and other executive pronouncements; circulars, bulletins, and other issuances of the Office of Management and Budget.

(a) By virtue of the Postal Reorganization Act, certain executive orders, and other executive pronouncements and certain circulars, bulletins, and other issuances of the Office of Management and Budget or particular provisions thereof, or requirements therein, apply to the Postal Service and certain others do not apply.

(b) It is the policy of the Postal Service to continue to comply with issuances of the kind mentioned in paragraph (a) of this section with
which it has previously complied, unless a management decision by an appropriate department head is made to terminate compliance, in whole or in part, following advice from the General Counsel that the issuance is not binding, in whole or in part, on the Postal Service. This policy is not enforceable by any party outside the Postal Service. No party outside the Postal Service is authorized to use the mere non-compliance with this policy against the Postal Service in any way.

§ 211.4 Interim personnel regulations.
(a) Continuation of Personnel Regulations of the Post Office Department. All regulations of the former Post Office Department dealing with officers and employees, in effect at the time the U.S. Postal Service commenced operations, continue in effect according to their terms until modified or repealed by the Postal Service or pursuant to a collective bargaining agreement under the Postal Reorganization Act.

(b) Continuation of Personnel Provisions of Former title 39, U.S.C. Except as they may be inconsistent with other regulations adopted by the Postal Service or with a collective bargaining agreement under the Postal Reorganization Act, all provisions of former title 39, U.S.C., dealing with and applicable to postal officers and employees immediately prior to the commencement of operations of the Postal Service continue in effect as regulations of the Postal Service.

(c) Continuation of Other Laws and Regulations as Postal Regulations. Except as they may be inconsistent with the provisions of the Postal Reorganization Act, with other regulations adopted by the Postal Service, or with a collective bargaining agreement under the Postal Reorganization Act, all regulations of Federal agencies other than the Postal Service or Post Office Department and all laws other than provisions of revised title 39, U.S.C., or provisions of other laws made applicable to the Postal Service by revised title 39, U.S.C., dealing with officers and employees applicable to postal officers and employees immediately prior to the commencement of operations of the Postal Service, continue in effect as regulations of the Postal Service. Any regulation or law the applicability of which is continued by paragraphs (a) through (c) of this section which requires any action by any agency other than the Postal Service or Post Office Department shall be deemed to require such action by the Postal Service, unless by agreement with the Postal Service the other agency involved consents to the continuation of its action.

(d) Effect of Collective Bargaining on Certain Regulations. All rules and regulations continued or established by paragraphs (a) through (c) of this section which establish fringe benefits as defined in title 39, U.S.C. 1005(f) of employees for whom there is a collective bargaining representative continue to apply until modified by a collective bargaining agreement concluded pursuant to the Postal Reorganization Act. Those rules and regulations affecting other terms and conditions of employment encompassed by section 8(d) of the National Labor Relations Act, as amended, shall continue to apply to such employees until such collective bargaining agreement has been concluded, and, unless specifically continued by such agreement, shall apply thereafter until modified or repealed by the Postal Service pursuant to its authority under title 39, U.S.C. 1001(e) and other pertinent provisions of the Postal Reorganization Act. In the event a condition occurs which shall excuse the Postal Service from continuing negotiations prior to the parties thereto concluding an agreement in accordance with the Postal Reorganization Act, the Postal Service reserves the right in accordance with the reorganization measures mandated by the Congress and consistent with the provisions of the Act, and any collective bargaining agreements in existence at that time, insofar as they do not unduly impede such reorganization measures, to continue, discontinue, or revise all compensation, benefits, and terms and conditions of employment of such employees of the Postal Service.

PART 221—GENERAL ORGANIZATION

Sec. 221.1 The United States Postal Service.
§ 221.1 The United States Postal Service.

SOURCE: 68 FR 57372, Oct. 3, 2003, unless otherwise noted.

§ 230.10 What do these rules govern?

(a) Subpart B governs those situations where an employee of the Office of Inspector General has been summoned, subpoenaed, or given a court order in connection with any federal, state, local court, administrative, or legislative proceeding.

(b) The rules in subpart B do not apply to:

(2) Congressional requests or subpoenas for testimony or documents;

(4) Employees making appearances in their private capacities in proceedings that do not relate to their Postal Service employment, such as traffic accidents or domestic relations matters; and do not involve professional or consultative services;

(5) Situations where the Inspector General or an official designated by the Inspector General determines that the best interests of the public or the Office of Inspector General would be served by an exemption from the regulations.

(c) These rules should be read together with the Freedom of Information Act (FOIA), which provides additional information about access to records.

§ 230.11 What special definitions apply to these rules?

The following definitions apply to Subpart B:

any body conducting a judicial or ad-
ministrative proceeding and state-

§ 230.12 Can Office of Inspector Gen-
eral employees testify or produce
documents that would assist me in
my civil proceeding?

No current or former employee with-
in the Office of Inspector General may
testify or produce documents con-
cerning information acquired in the
course of employment or as a result of
his or her relationship with the Postal
Service in any proceeding to which this
subpart applies (see §230.10), unless au-
thorized to do so by an authorizing of-
cial.

§ 230.13 Why are restrictions on Office
of Inspector General employees in
civil proceedings necessary?

The restrictions are intended to re-
duce the risk of inappropriate disclo-
sures that might affect the operations
of the Office of Inspector General; pre-
vent the expenditure of Office of In-
spector General or Postal Service re-
sources for private purposes; and en-
sure that employee time is serving the
best interests of the public.

§ 230.14 Who owns the written or re-
corded notes, memoranda, reports,
and transcriptions made pursuant
to an official investigation, audit, or
review conducted by an employee
of the Office of Inspector General?

Notes, memoranda, reports, and tran-
scriptions, whether written or recorded
and made pursuant to an official inves-
tigation, audit, or review conducted by
an employee of the Office of Inspector
General, are the property of the Office
of Inspector General.

§ 230.15 What must an Office of Inspec-
tor General employee do if served
with a demand requiring the pro-
duction of documents or an appear-
ance in court?

If an Office of Inspector General em-
ployee is served with a demand requir-
ing the production of documents or an
appearance in court, the employee
must promptly inform the authorizing of-

or testimony sought and all relevant
facts and circumstances. Office of In-
spector General employees are directed
to appear as the subpoena or summons
may require, but may not testify or
produce documents unless authorized.

§ 230.16 Is there a prohibition on pre-
senting Office of Inspector General
reports or records during an em-
ployee’s testimony?

Yes, Office of Inspector General re-
ports or records will not be presented
during an employee’s testimony, unless
authorized by an authorizing official.

§ 230.17 If an attempt is made to com-
pel production of reports and
records during the employee’s testi-
mony, what is an Office of Inspector
General employee directed to do?

If an attempt is made to compel pro-
duction of reports and records during
the employee’s testimony, the em-
ployee is directed to decline to produce
the item or information and to state
that the material cannot be disclosed
or produced without the approval of
the authorizing official. All such re-
quests, and any other requests for doc-
uments in judicial or administrative
proceedings in which the United States
is not a party, shall be deemed to be a
request for records under the Freedom
§ 230.18 If authorization to testify or produce documents is not obtained by the employee, what is the employee directed to do?

Absent written authorization from the authorizing official, the employee must respectfully decline to produce the requested documents, testify, or otherwise disclose the requested information. If the authorization is denied or not received by the return date, the employee, together with counsel, where appropriate, shall appear at the stated time and place, produce a copy of this section, and respectfully decline to testify or produce any document on the basis of the regulations in this section.

§ 230.19 What criteria will the authorizing official use to determine whether to authorize testimony or production of documents?

   (2) Relevant legal standards for disclosure of nonpublic information and documents;
   (3) Office of Inspector General rules and regulations;
   (4) The public interest;
   (5) Minimizing or preventing expenditures of Office of Inspector General and Postal Service time and resources solely for private purposes.

   (7) Minimizing the possibility that the public will misconstrue variances between personal opinions of Office of Inspector General employees and agency policy; and
   (8) Preserving the integrity of the administrative process.

(b) Permission to testify or to release documents in all cases will be limited to matters outlined in the affidavit or declaration described in section 230.24 of this part or to such matters as deemed appropriate by the authorizing official. If the authorizing official allows the release of documents or testimony to be given by an employee, arrangements shall be made for the taking of testimony or receipt of documents by the method least disruptive to the employee’s official duties. Testimony may, for example, be provided by affidavits, answers to interrogatories, written depositions, or depositions transcribed, recorded, or preserved by any other means allowable by law.

(c) Upon issuance of an unfavorable final determination by the authorizing official, the party or the party’s counsel seeking testimony or documents may consult or negotiate with the authorizing official to refine and limit the demand.

(d) The Office of Inspector General will offer all possible assistance to the courts, but the question of disclosing information for which an exemption may be claimed is a matter of discretion that rests with the authorizing official. If in the opinion of the authorizing official the documents should not be released or testimony should not be furnished, that determination will be final.

§ 230.20 What records will not be released?

Generally, any record demanded by a subpoena duces tecum or appropriate court order can be released by a properly authorized Office of Inspector General employee, except for the following:

The written notice shall describe the property and the procedure for filing a claim for its return (see, §§ 230.36 and 230.39). Such claims must be filed within 30 days from the date the written notice is postmarked. to be followed to obtain the relief shall 
be set forth. If the claim is denied, the

Counsel prior to rendering a decision.

§ 230.41 Reconsideration of claims.

A written request for reconsideration 
of denied claims must be based on evi-

made. The Office of Inspector General, 
Office of General Counsel shall rule on 
the reconsideration request.

(1) Notice by publication. (i) After seizing property subject to administrative forfeiture, the Appropriate Official shall select from the following options a means of publication reasonably calculated to notify potential claimants of the seizure and intent to forfeit and sell or otherwise dispose of the property:

(A) Publication once each week for at least three successive weeks in a newspaper generally circulated in the judicial district where the property was seized; or
(B) Posting a notice on an official Government Internet site for at least 30 consecutive days.

(ii) The published notice shall:

(D) State the identity of the appropriate official of the Postal Inspection Service and address where the claim must be filed.

(2) Personal written notice—(i) Manner of providing notice. The personal written notice required by paragraph (j)(2) of this section shall be sent as soon as practicable, and in no case more than 60 days after the date of seizure (or 90 days after the date of seizure by a state or local law enforcement agency if the property was turned over to the Postal Inspection Service for the purpose of forfeiture under Federal law).

(ii) Civil judicial forfeiture. If, before the time period for sending notice expires, the Government files a civil judicial forfeiture action against the seized property and provides notice of such action as required by law, personal notice of administrative forfeiture is not required under this paragraph.

(iii) Criminal indictment. If, before the time period for sending notice under this paragraph expires, no civil judicial forfeiture action is filed, but a criminal indictment or information is obtained containing an allegation that the property is subject to forfeiture, the seizing agency shall either:
(A) Send timely personal written notice and continue the administrative forfeiture proceeding; or
(B) After consulting with the U.S. Attorney, terminate the administrative forfeiture proceeding and notify the custodian to return the property to the person having the right to immediate possession unless the U.S. Attorney takes steps necessary to maintain custody of the property as provided in the applicable criminal forfeiture statute.

(D) Subsequent Federal seizure. If property is seized by a state or local law enforcement agency, but personal written notice is not sent to the person from whom the property is seized within the time period for providing notice under paragraph (j)(3)(i) of this section, then
any administrative forfeiture proceeding against the property may commence if:

(i) The property is subsequently seized or restrained by the Postal Inspection Service pursuant to a Federal seizure warrant or restraining order and the Postal Inspection Service sends notice as soon as practicable, and in no case more than 60 days after the date of the Federal seizure; or

(ii) The owner of the property consents to forfeiture of the property.

(5) **Tolling.**

(i) In states or localities where orders are obtained from a state court authorizing the turnover of seized assets to the Postal Inspection Service, the period from the date an application or motion is presented to the state court for the turnover order through the date when such order is issued by the court shall not be included in the time period for providing notice under paragraph (j)(3)(i) of this section.

(ii) If property is detained at an international border or port of entry for the purpose of examination, testing, obtaining documentation, or other investigation relating to the importation of the property into, or the exportation of the property from, the United States, such period of detention shall not be included in the period described in paragraph (j)(3)(i) of this section. In such cases, the 60-day period shall begin to run when the period of detention ends, if a seizing agency seizes the property for the purpose of forfeiture to the United States.

(6) **Identity of interested party.**

If the Postal Inspection Service determines the identity or interest of an interested party after the seizure or adoption of the property, but before entering a declaration of forfeiture, the Postal Inspection Service shall send written notice to such interested party under paragraph (i)(3)(i) of this section.

(7) **Extending deadline for notice.** The Chief Counsel for the Postal Inspection Service may extend the period for sending personal written notice under these regulations in a particular case for a period not to exceed 30 days (which period may not be further extended except by a court pursuant to 18 U.S.C. 983(a)(1)(C), (D)), if the Chief Counsel for the Postal Inspection Service determines, and states in writing, that there is reason to believe that notice may have an adverse result, including: Endangering the life or physical safety of an individual; flight from prosecution; destruction of or tampering with evidence; intimidation of potential witnesses; or otherwise seriously jeopardizing an investigation, or unduly delaying a trial.

(8) **Certification.** The Chief Counsel for the Postal Inspection Service shall provide the written certification required under 18 U.S.C. 983(a)(1)(C) when the Government requests it and the conditions described in 18 U.S.C. 983(a)(1)(D) are present.

(k) **Claims.**

(1) **Filing.** In order to contest the forfeiture of seized property in Federal court, any person asserting an interest in seized property subject to an administrative forfeiture proceeding under these regulations must file a claim with the appropriate official, after the commencement of the administrative forfeiture proceeding as defined in paragraph (h) of this section, and not later than the deadline set forth in a personal notice letter sent pursuant to paragraph (i)(2) of this section. If personal written notice is sent but not received, then the intended recipient must file a claim with the appropriate official not later than 30 days after the date of the final publication of the notice of seizure.

(2) **Contents of claim.** A claim shall:

(i) Identify the specific property being claimed;

(ii) Identify the claimant and state the claimant’s interest in the property; and

(iii) Be made under oath by the claimant, not counsel for the claimant, and recite that it is made under the penalty of perjury, consistent with the requirements of 28 U.S.C. 1746. An acknowledgement, attestation, or certification by a notary public alone is insufficient.

(3) **Availability of claim forms.** The claim need not be made in any particular form. However, the Postal Inspection Service will make claim forms generally available on request. Such
forms shall be written in easily understandable language. A request for a claim form does not extend the deadline for filing a claim. Any person may obtain a claim form by requesting one in writing from the appropriate official.

(4) Cost bond not required. Any person may file a claim under paragraph 233.7(k)(1) without posting bond, except in forfeitures under statutes listed in 18 U.S.C. 983(i).

(5) Referral of claim. Upon receipt of a claim that meets the requirements of paragraphs (k)(1) and (2) of this section, the Postal Inspection Service shall return the property or suspend the administrative forfeiture proceeding and promptly transmit the claim, together with a description of the property and a complete statement of the facts and circumstances surrounding the seizure, to the appropriate U.S. Attorney for commencement of judicial forfeiture proceedings.

(6) Premature filing. If a claim is filed with the appropriate official after the seizure of the property, but before the commencement of the administrative forfeiture proceeding as defined in paragraph (i) of this section, the claim shall be deemed filed on the 30th day after the commencement of the administrative forfeiture proceeding. If such claim meets the requirements of paragraph (k)(2) of this section, the Postal Inspection Service shall suspend the administrative forfeiture proceedings and promptly transmit the claim, together with a description of the property and a complete statement of the facts and circumstances surrounding the seizure to the appropriate U.S. Attorney for commencement of judicial forfeiture proceedings.

(7) Defective claims. If the Postal Inspection Service determines that an otherwise timely claim does not meet the requirements of paragraph (k)(2) of this section, the Postal Inspection Service may notify the claimant of this determination and allow the claimant a reasonable time to cure the defect(s) in the claim. If, within the time allowed by the Postal Inspection Service, the requirements of paragraph (k)(2) of this section are not met, the claim shall be void and the forfeiture proceedings shall proceed as if no claim had been submitted. If the claimant timely cures the deficiency, then the claim shall be deemed filed on the date when the appropriate official receives the cured claim.

(l) Interplay of administrative and criminal judicial forfeiture proceedings. An administrative forfeiture proceeding pending against seized or restrained property does not bar the Government from alleging that the same property is forfeitable in a criminal case. Notwithstanding the fact that an allegation of forfeiture has been included in a criminal indictment or information, the property may be administratively forfeited in a parallel proceeding.

(m) Requests for hardship release of seized property. (1) Under certain circumstances, a claimant may be entitled to immediate release of seized property on the basis of hardship.

(2) Any person filing a request for hardship release must also file a claim to the seized property pursuant to paragraph (k) of this section and as defined in 18 U.S.C. 983(a).

(3) The timely filing of a valid claim pursuant to paragraph (k) of this section does not entitle the claimant to possession of the seized property, but a claimant may request immediate release of the property while forfeiture is pending, based on hardship.
A claimant seeking release of property under 18 U.S.C. 983(f) and these regulations must file a written request with the appropriate official. The request must establish that:

(i) The claimant has a possessory interest in the property;
(ii) The claimant has sufficient ties to the community to provide assurance that the property will be available at the time of trial;
(iii) The continued possession by the Government pending the final disposition of forfeiture proceedings will cause substantial hardship to the claimant, such as preventing the functioning of a business, preventing an individual from working, or leaving an individual homeless;
(iv) The claimant’s likely hardship from the continued possession by the Government of the seized property outweighs the risk that the property will be destroyed, damaged, lost, concealed, or transferred if it is returned to the claimant during the pendency of the proceeding; and
(v) The property is not:
(A) Contraband, any property, the possession of which by the claimant, petitioner, or person from whom it was seized is prohibited by state or Federal law, currency, or other monetary instrument, or electronic funds unless such currency or other monetary instrument or electronic funds constitutes the assets of a legitimate business which has been seized;
(B) Intended to be used as evidence of a violation of law;
(C) By reason of design or other characteristic, particularly suited for use in illegal activities; or
(D) Likely to be used to commit additional criminal acts if returned to the claimant.

A hardship release request pursuant to this paragraph shall be deemed to have been made on the date when it is received by the appropriate official as defined in paragraph (c)(3) of this section, or the date the claim was deemed filed under paragraph (k) of this section. If the request is ruled on and denied by the appropriate official or the property has not been released within the 15-day time limit period, the claimant may file a petition in Federal district court pursuant to 18 U.S.C. 983(f)(3). If a petition is filed in Federal district court, the claimant must send a copy of the petition to the appropriate official to whom the hardship petition was originally submitted and to the U.S. Attorney in the judicial district where the judicial petition was filed.

If a civil forfeiture complaint is filed on property and the claimant files a claim with the court pursuant to 18 U.S.C. 983(a)(4)(A) and Rule G(5) of the Supplemental Rules for Certain Admiralty and Maritime Claims, a hardship petition may be submitted to the individual identified in the public or personal notice of the civil forfeiture action.

Disposition of property before forfeiture. (1) Whenever it appears to the Postal Inspection Service that any seized property is liable to perish or to waste, or to be greatly reduced in value during its detention for forfeiture, or that the expense of keeping the property is or will be disproportionate to its value, the Chief Counsel for the Postal Inspection Service may order destruction, sale, or other disposition of such property prior to forfeiture. In addition, the owner may obtain release of the property by posting a substitute monetary amount with the Postal Inspection Service to be held subject to forfeiture proceedings in place of the seized property to be released. Upon approval by the Chief Counsel for the Postal Inspection Service, the property will be released to the owner upon the payment of an amount equal to the Government appraised value of the property if the property is not evidence of a violation of law, is not contraband, and has no design or other characteristics that particularly suit it for use in illegal activities. This payment must be in the form of a money order, an official bank check, or a cashier’s check made payable to the Postal Inspection Service. A bond in the form of a cashier’s check or official bank check will be considered as paid once the check has been accepted for payment by the financial institution that issued the check. If a substitute amount is posted and the property is administratively forfeited, the Postal Inspection Service will forfeit the substitute amount in lieu of the property. The pre-forfeiture
United States Postal Service

§ 233.8 Expedited forfeiture proceedings for property seizures based on violations involving the possession of personal use quantities of a controlled substance.

(a) Purpose and scope. (1) The following definitions, regulations, and criteria are designed to establish and implement procedures required by section

destruction, sale, or other disposition of seized property pursuant to this subsection shall not extinguish any person’s rights to the value of the property under applicable law. The authority vested in the Chief Counsel for the Postal Inspection Service under this subsection may not be delegated.

(b) Declaration of administrative forfeiture. If the Postal Inspection Service commences a timely proceeding against property subject to administrative forfeiture, and no valid and timely claim is filed, the appropriate official shall declare the property forfeited. The declaration of forfeiture shall have the same force and effect as a final decree and order of forfeiture in a Federal judicial forfeiture proceeding.

(c) Return of property. (1) If, under 18 U.S.C. 983(a)(3), the Postal Inspection Service is notified by the U.S. Attorney in charge of the matter that the 90-day deadline was not met, the Postal Inspection Service is required to release the seized property. Under this subsection, the Postal Inspection Service is not required to return property for which it has an independent basis for continued custody including, but not limited to, contraband or evidence of a violation of law.

(d) Upon becoming aware that the seized property must be released, the Postal Inspection Service shall promptly notify the person with a right to immediate possession of the property, informing that person to contact the property custodian within a specified period for release of the property, and further informing that person that failure to contact the property custodian within the specified period for release of the property may result in the initiation of abandonment proceedings against the property pursuant to 39 CFR part 946. The property custodian will be notified of the identity of the person to whom the property should be released.

(e) The property custodian shall have the right to require presentation of proper identification or to verify the identity of the person who seeks the release of property.

(f) Disposition of forfeited property. (1) Whenever property is forfeited administratively, the Postal Inspection Service may:

(i) Retain the property for official use;

(ii) Transfer ownership of the property to any Federal, state or local law enforcement agency that participated in the investigation leading to the forfeiture;

(iii) Sell any property that is not required to be destroyed by law and that is not harmful to the public;

(iv) Destroy the property; or

(v) Dispose of the property as otherwise permitted by law.

(g) If the laws of a state in which an article of forfeited property is located prohibit the sale or possession of such property, or if the Postal Service and the Marshals Service are of the opinion that it would be more advantageous to sell the forfeited property in another district, the property may be moved to and sold in such other district.

(h) Attorney fees and costs. The Postal Inspection Service is not liable for attorney fees or costs in any administrative forfeiture proceeding, including such proceedings in which a claim is filed, the matter is referred to the U.S. Attorney, and the U.S. Attorney declines to commence judicial forfeiture proceedings.

6079 of the Anti-Drug Abuse Act of 1988, Public Law 100–690, 102 Stat. 4181. They are intended to supplement existing law and procedures relative to the forfeiture of property under the identified statutory authority. These regulations do not affect the existing legal and equitable rights and remedies of those with an interest in property seized for forfeiture, nor do these provisions relieve interested parties from their existing obligations and responsibilities in pursuing their interests through such courses of action. These regulations are intended to reflect the intent of Congress to minimize the adverse impact on those entitled to legal or equitable relief occasioned by the prolonged detention of property subject to forfeiture due to violations of law involving personal use quantities of controlled substances. The definition of personal use quantities of a controlled substance as contained herein is intended to distinguish between those small quantities, which are generally considered to be possessed for personal consumption and not for further distribution, and those larger quantities generally considered to be possessed for personal consumption and not for further distribution, and those larger quantities generally considered to be subject to further distribution.

(2) In this regard, for violations involving the possession of personal use quantities of a controlled substance, section 6079(b)(2) requires either that administrative forfeiture be completed within 21 days of the seizure of the property, or alternatively, that procedures are established that provide a means by which an individual entitled to relief may initiate an expedited administrative review of the legal and factual basis of the seizure for forfeiture. Should an individual request relief pursuant to these regulations and be entitled to the return of the seized property, such property shall be returned immediately following that determination, but not later than 20 days after filing of a petition for expedited release by an owner, and the administrative forfeiture process shall cease. Should the individual not be entitled to the return of the seized property, however, the administrative forfeiture of that property shall proceed. The owner may, in any event, obtain release of property pending the administrative forfeiture by submitting to the agency making the determination property sufficient to preserve the Government’s vested interest for purposes of the administrative forfeiture.

(b) Definitions. As used in this section, the following terms shall have the meanings specified:

(1) Commercial fishing industry vessel means a vessel that:

(i) Commercially engages in the catching, taking, or harvesting of fish or an activity that can reasonably be expected to result in the catching, taking, or harvesting of fish;

(ii) Commercially prepares fish or fish products other than by gutting, decapitating, gilling, skinning, shucking, icing, freezing, or brine chilling; or

(iii) Commercially supplies, stores, refrigerates, or transports fish, fish products, or materials directly related to fishing or the preparation of fish to or from a fishing, fish processing, or fish tender vessel or fish processing facility.

(2) Controlled substance has the meaning given in 21 U.S.C. 802(6).

(3) Normal and customary manner means that inquiry suggested by particular facts and circumstances that would customarily be undertaken by a reasonably prudent individual in a like or similar situation. Actual knowledge of such facts and circumstances is unnecessary, and implied, imputed, or constructive knowledge is sufficient. An established norm, standard, or custom is persuasive but not conclusive or controlling in determining whether an owner acted in a normal and customary manner to ascertain how property would be used by another legally in possession of the property. The failure to act in a normal and customary manner as defined herein will result in the denial of a petition for expedited release of the property and is intended to have the desirable effect of inducing owners of the property to exercise greater care in transferring possession of their property.

(4) Owner means one having a legal and possessory interest in the property seized for forfeiture. Even though one may hold primary and direct title to the property seized, such person may not have sufficient actual beneficial interest in the property to support a petition as owner if the facts indicate
that another person had dominion and control over the property.

(5) **Personal use quantities** means those amounts of controlled substances in possession in circumstances where there is no other evidence of an intent to distribute, or to facilitate the manufacturing, compounding, processing, delivering, importing, or exporting of any controlled substance.

(i) Evidence that possession of quantities of a controlled substance is for other than personal use may include, for example:

(A) Evidence, such as drug scales, drug distribution paraphernalia, drug records, drug packaging material, method of drug packaging, drug “cutting” agents and other equipment, that indicates an intent to process, package, or distribute a controlled substance;

(B) Information from reliable sources indicating possession of a controlled substance with intent to distribute;

(C) The arrest or conviction record of the person or persons in actual or constructive possession of the controlled substance for offenses under Federal, state, or local law that indicates an intent to distribute a controlled substance;

(D) Circumstances or reliable information indicating that the controlled substance is related to large amounts of cash or any amount of prerecorded Government funds;

(E) Circumstances or reliable information indicating that the controlled substance is a sample intended for distribution in anticipation of a transaction involving large quantities, or is part of a larger delivery;

(F) Statements by the possessor, or otherwise attributable to the possessor, including statements of conspirators, that indicate possession with intent to distribute; or

(G) The fact that the controlled substance was recovered from sweepings.

(ii) Possession of a controlled substance shall be presumed to be for personal use when there are no indicia of illicit drug trafficking or distribution —such as, but not limited to, the factors listed above—and the amounts do not exceed the following quantities:

(A) One gram of a mixture or substance containing a detectable amount of heroin;

(B) One gram of a mixture or substance containing a detectable amount of the following:

(1) Coca leaves, except coca leaves and extracts of coca leaves from which cocaine, ecgonine, and derivations of ecgonine or their salts have been removed;

(2) Cocaine, its salts, optical and geometric isomers, and salts of isomers;

(3) Ecgonine, its derivatives, their salts, isomers, and salts of isomers; or

(4) Any compound, mixture, or preparation that contains any quantity of any of the substances referred to in (i)(B)(1) through (i)(B)(3) of this definition;

(C) One-tenth gram of a mixture or substance described in (ii)(B) of this definition that contains cocaine base;

(D) One-tenth gram of a mixture or substance containing a detectable amount of phencyclidine (PCP);

(E) Five hundred micrograms of lysergic acid diethylamide (LSD);

(F) One ounce of a mixture or substance containing a detectable amount of marijuana;

(G) One gram of methamphetamine, its salts, isomers, and salts of its isomers, or one gram of a mixture or substance containing a detectable amount of methamphetamine, its salts, isomers, or salts of its isomers.

(iii) The possession of a narcotic, a depressant, a stimulant, a hallucinogen or a cannabis-controlled substance will be considered in excess of personal use quantities if the dosage unit amount possessed provides the same or greater equivalent efficacy as described in (ii)(B) of this definition.

(6) **Property** means property subject to forfeiture under 21 U.S.C. 881(a)(4), (6), or (7); 19 U.S.C. 1595a; or 49 U.S.C. 80303.

(7) **Seizing agency** means the Federal agency that has seized the property or adopted the seizure of another agency and has the responsibility for administratively forfeiting the property.

(8) **Statutory rights or defenses to the forfeiture** means all legal and equitable rights and remedies available to a claimant of property seized for forfeiture.

(c) Petition for expedited release in an administrative forfeiture proceeding. (1)
§ 233.8

Where property is seized for administrative forfeiture involving controlled substances in personal use quantities, the owner may petition the Postal Inspection Service for expedited release of the property.

(2) Where property described in paragraph (c)(1) of this section is a commercial fishing industry vessel proceeding to or from a fishing area or intermediate port of call or actually engaged in fishing operations, which would be subject to seizure for administrative forfeiture for a violation of law involving controlled substances in personal use quantities, a summons to appear shall be issued in lieu of a physical seizure. The vessel shall report to the port designated in the summons. The Postal Inspection Service shall be authorized to effect administrative forfeiture as if the vessel had been physically seized. Upon answering the summons to appear on or prior to the last reporting date specified in the summons, the owner of the vessel may file a petition for expedited release pursuant to paragraph (c)(1) of this section, and the provisions of paragraph (c)(1) and other provisions in this section pertaining to a petition for expedited release shall apply as if the vessel had been physically seized.

(3) The owner filing the petition for expedited release shall establish the following:

(i) The owner has a valid, good faith interest in the seized property as owner or otherwise;

(ii) The owner reasonably attempted to ascertain the use of the property in a normal and customary manner; and

(iii) The owner did not know of or consent to the illegal use of the property, or in the event that the owner knew or should have known of the illegal use, the owner did what reasonably could be expected to prevent the violation.

(4) In addition to those factors listed in paragraph (c)(3) of this section, if an owner can demonstrate that the owner has other statutory rights or defenses that would cause the owner to prevail on the issue of forfeiture, such factors shall also be considered in ruling on the petition for expedited release.

(5) A petition for expedited release must be received by the Postal Inspection Service within 20 days from the date of the first publication of the notice of seizure in order to be considered by the Postal Inspection Service. The petition must be executed and sworn to by the owner, and both the envelope and the request must be clearly marked "PETITION FOR EXPEDITED RELEASE." Such petition shall be filed with the appropriate office or official identified in the personal written notice and the publication notice.

(6) The petition shall include the following:

(i) A complete description of the property, including identification numbers, if any, and the date and place of seizure;

(ii) The petitioner’s interest in the property, which shall be supported by title documentation, bills of sale, contracts, mortgages, or other satisfactory documentary evidence; and

(iii) A statement of the facts and circumstances, to be established by satisfactory proof, relied upon by the petitioner to justify expedited release of the seized property.

(d) Ruling on petition for expedited release in an administrative forfeiture proceeding.

(1) If a final administrative determination of the case, without regard to the provisions of this section, is made within 21 days of the seizure, the Postal Inspection Service need take no further action under this section on a petition for expedited release received pursuant to paragraph (c) of this section.

(2) If no such final administrative determination is made within 21 days of the seizure, the following procedure shall apply. The Postal Inspection Service shall, within 20 days after the receipt of the petition for expedited release, determine whether the petition filed by the owner has established the factors listed in paragraph (c)(3) of this section and:

(i) If the Postal Inspection Service determines that those factors have been established, it shall terminate the administrative proceedings and return the property to the owner (or in the case of a commercial fishing industry vessel for which a summons has been issued shall dismiss the summons), except where it is evidence of a violation of law; or

74
(ii) If the Postal Inspection Service determines that those factors have not been established, the agency shall proceed with the administrative forfeiture.

(e) Posting of substitute monetary amount in an administrative forfeiture proceeding. (1) Where property is seized for administrative forfeiture involving controlled substances in personal use quantities, the owner may obtain release of the property by posting a substitute monetary amount with the Postal Inspection Service to be held subject to forfeiture proceedings in place of the seized property to be released. The property will be released to the owner upon the payment of an amount equal to the Government-appraised value of the property if the property is not evidence of a violation of law and has no design or other characteristics that particularly suit it for use in illegal activities. This payment must be in the form of a traveler’s check, a money order, a cashier’s check, or an irrevocable letter of credit made payable to the Postal Inspection Service. A bond in the form of a cashier’s check will be considered as paid once the check has been accepted for payment by the financial institution that issued the check.

(2) If a substitute monetary amount is posted and the property is administratively forfeited, the Postal Inspection Service will forfeit the substitute amount in lieu of the property.

(f) Notice provisions. At the time of seizure of property defined in paragraph (b)(6) of this section for violations involving the possession of personal use quantities of a controlled substance, the Postal Inspection Service must provide written notice to the possessor of the property specifying the procedures for filing of a petition for expedited release and for the posting of a substitute monetary bond as set forth in section 6079 of the Anti-Drug Abuse Act of 1988 and implementing regulations.

§ 233.9 Regulations governing remission or mitigation of administrative, civil, and criminal forfeitures.

(a) Purpose, authority, and scope—(1) Purpose. This section sets forth the procedures for Postal Inspection Service officials to follow when considering remission or mitigation of administrative forfeitures under the jurisdiction of the Postal Inspection Service. The purpose of these regulations is to provide a basis for the partial or total remission of forfeiture for individuals who have an interest in the forfeited property but who did not participate in, or have knowledge of, the conduct that resulted in the property being subject to forfeiture and, where required, took all reasonable steps under the circumstances to ensure that such property would not be used, acquired, or disposed of contrary to law. Additionally, the regulations provide for partial or total mitigation of the forfeiture and imposition of alternative conditions in appropriate circumstances.

(2) Authority to grant remission and mitigation. (i) Remission and mitigation functions in administrative forfeitures under the jurisdiction of the Postal Inspection Service are performed by the Chief Counsel.

(ii) Remission and mitigation functions in judicial cases are performed by the Criminal Division of the Department of Justice. Within the Criminal Division, authority to grant remission and mitigation is delegated to the Chief, Asset Forfeiture and Money Laundering Section.

(iii) The powers and responsibilities delegated by the regulations in this section may be re-delegated to attorneys or managers working under the supervision of the Chief Counsel.

(3) Scope. This section governs any petition for remission filed with the Postal Inspection Service and supersedes any Postal Service regulation governing petitions for remission, to the extent such regulation is inconsistent with this section.

(4) Applicability. The time periods and internal requirements established in this section are designed to guide the orderly administration of the remission and mitigation process and are not intended to create rights or entitlements in favor of individuals seeking remission or mitigation. The regulations will apply to all forfeiture actions commenced on or after May 1, 2012.
(b) Definitions. As used in this section:

(1) Administrative forfeiture means the process by which property may be forfeited by the Postal Inspection Service rather than through judicial proceedings. Administrative forfeiture has the same meaning as "nonjudicial forfeiture," as that term is used in 18 U.S.C. 983.

(2) Appraised value means the estimated market value of an asset at the time and place of seizure if such or similar property was freely offered for sale between a willing seller and a willing buyer.

(3) Assets Forfeiture Fund means the Department of Justice Assets Forfeiture Fund, Department of the Treasury Assets Forfeiture Fund, or the Postal Service's Assets Forfeiture Fund, depending upon the identity of the seizing agency.

(4) Attorney General means the Attorney General of the United States or that official's designee.

(5) Beneficial owner means a person with actual use of, as well as an interest in, the property subject to forfeiture.

(6) Chief, Asset Forfeiture and Money Laundering Section, and Chief, refer to the Chief of the Asset Forfeiture and Money Laundering Section, Criminal Division, United States Department of Justice.

(7) General creditor means one whose claim or debt is not secured by a specific right to obtain satisfaction against the particular property subject to forfeiture.

(8) Judgment creditor means one who has obtained a judgment against the debtor but has not yet received full satisfaction of the judgment.

(9) Judicial forfeiture means either a civil or a criminal proceeding in a United States District Court that may result in a final judgment and order of forfeiture.

(10) Lienholder means a creditor whose claim or debt is secured by a specific right to obtain satisfaction against the particular property subject to forfeiture. A lien creditor qualifies as a lienholder if the lien:

(i) Was established by operation of law or contract;

(ii) Was created as a result of an exchange of money, goods, or services; and

(iii) Is perfected against the specific property forfeited for which remission or mitigation is sought (e.g., a real estate mortgage; a mechanic's lien).

(11) Net equity means the amount of a lienholder's monetary interest in the property subject to forfeiture. Net equity shall be computed by determining the amount of unpaid principal and unpaid interest at the time of seizure, and by adding to that sum unpaid interest calculated from the date of seizure through the last full month prior to the date of the decision on the petition. Where a rate of interest is set forth in a security agreement, the rate of interest to be used in this computation will be the annual percentage rate so specified in the security agreement that is the basis of the lienholder's interest. In this computation, however, there shall be no allowances for attorneys' fees, accelerated or enhanced interest charges, amounts set by contract as damages, unearned extended warranty fees, insurance, service contract charges incurred after the date of seizure, allowances for dealer's reserve, or any other similar charges.

(12) Nonjudicial forfeiture has the same meaning as administrative forfeiture as defined in this section.

(13) Owner means the person in whose primary title is vested or whose interest is manifested by the actual and beneficial use of the property, even though the title is vested in another. A victim of an offense, as defined in paragraph (b)(22) of this section, may also be an owner if that person has a present legally cognizable ownership interest in the property forfeited. A nominal owner of property will not be treated as its true owner if that person is not its beneficial owner.

(14) Person means an individual, partnership, corporation, joint business enterprise, estate, or other legal entity capable of owning property.

(15) Petition means a petition for remission or mitigation of forfeiture under the regulations in this part. This definition includes a petition for restoration of the proceeds of sale of forfeited property and a petition for the
value of the forfeited property placed into official use.

(16) **Petitioner** means the person applying for remission, mitigation, restoration of the proceeds of sale, or for the appraised value of forfeited property, under this part. A petitioner may be an owner as defined in paragraph (b)(13) of this section, a lienholder as defined in paragraph (b)(10), or a victim as defined in paragraph (b)(22), subject to the limitations of paragraph (h) of this section.

(17) **Property** means real or personal property of any kind capable of being owned or possessed.

(18) **Record** means a series of arrests for related crimes, unless the arrestee was acquitted or the charges were dismissed for lack of evidence, a conviction for a related crime or completion of sentence within 10 years of the acquisition of the property subject to forfeiture, or two convictions for a related crime at any time in the past.

(19) **Related crime** as used in paragraphs (b)(18) and (f) of this section means any crime similar in nature to that which gives rise to the seizure of property for forfeiture. For example, where property is seized for a violation of the Federal laws relating to drugs, a related crime would be any offense involving a violation of the Federal laws relating to drugs, or the laws of any state or political subdivision thereof relating to drugs.

(20) **Related offense** as used in paragraph (h) of this section means:

(i) Any predicate offense charged in a Federal Racketeer Influenced and Corrupt Organizations Act (RICO) count for which forfeiture was ordered; or

(ii) An offense committed as part of the same scheme or design, or pursuant to the same conspiracy, as was involved in the offense for which forfeiture was ordered.

(21) **Ruling Official** means any official to whom decision making authority has been delegated pursuant to paragraph (a)(2) of this section.

(22) **Seizing agency** means any Federal agency that seized the property or adopted the seizure of another agency for Federal forfeiture.

(23) **Victim** means a person who has incurred a pecuniary loss as a direct result of the commission of the offense underlying a forfeiture. A drug user is not considered a victim of a drug trafficking offense under this definition. A victim does not include one who acquires a right to sue the perpetrator of the criminal offense for any loss by assignment, subrogation, inheritance, or otherwise from the actual victim, unless that person has acquired an actual ownership interest in the forfeited property; provided however, that if a victim has received compensation from insurance or any other source with respect to a pecuniary loss, remission may be granted to the third party who provided compensation, up to the amount of the victim's pecuniary loss as defined in paragraph (h)(3) of this section.

(24) **Violator** means the person whose use or acquisition of the property in violation of the law subjected such property to seizure for forfeiture.

(c) **Petitions in administrative forfeiture cases.** (1) **Notice of seizure.** The notice of seizure and intent to forfeit the property shall advise any persons who may have a present ownership interest in the property to submit their petitions for remission or mitigation within 30 days of the date they receive the notice in order to facilitate processing. Petitions shall be considered any time after notice until the property has been forfeited, except in cases involving petitions to restore the proceeds from the sale of forfeited property. A notice of seizure shall include the Ruling Official, the mailing and street address of the official to whom petitions should be sent, and an asset identifier number.

(2) **Persons who may file.** (i) A petition for remission or mitigation must be filed by a petitioner as defined in paragraph (b)(16) of this section, or as prescribed in paragraph (i)(7) and (8) of this section. A person or person acting on their behalf may not file a petition if, after notice or knowledge of the fact that a warrant or process has been issued for his apprehension, in order to avoid criminal prosecution the person:

(A) Purposely leaves the jurisdiction of the United States;

(B) Declines to enter or reenter the United States to submit to its jurisdiction; or

| Page dimensions: 612.0x792.0 |
(c) Otherwise evades the jurisdiction of the court in which a criminal matter is pending against the person.

(ii) Paragraph (c)(2)(i)(A) of this section applies to a petition filed by a corporation if any majority shareholder, or individual filing the claim on behalf of the corporation:

(A) Purposely leaves the jurisdiction of the United States;

(B) Declines to enter or reenter the United States to submit to its jurisdiction;

(C) Otherwise evades the jurisdiction of the court in which a criminal matter is pending against the person.

(3) Contents of petition. (i) All petitions must include the following information in clear and concise terms:

(A) The name, address, and social security or other taxpayer identification number of the person claiming an interest in the seized property who is seeking remission or mitigation;

(B) The name of the seizing agency, the asset identifier number, and the date and place of seizure;

(C) A complete description of the property, including make, model, and serial numbers, if any; and

(D) A description of the petitioner’s interest in the property as owner, lienholder, or otherwise, supported by original or certified bills of sale, contracts, deeds, mortgages, or other documentary evidence. Such documentation includes evidence establishing the source of funds for seized currency or the source of funds used to purchase the seized asset.

(ii) Any factual recitation or documentation of any type in a petition must be supported by a declaration under penalty of perjury that meets the requirements of 28 U.S.C. 1746.

(4) Releases. In addition to the contents of the petition for remission or mitigation set forth in paragraph (c)(3) of this section, upon request, the petitioner shall also furnish the agency with an instrument executed by the titled or registered owner and any other known claimant of an interest in the property releasing interest in such property.

(5) Filing a petition. (i) A petition for remission or mitigation subject to administrative forfeiture is to be sent to the official address provided in the notice of seizure and shall be sworn to by the petitioner or by the petitioner’s attorney upon information and belief, supported by the client’s sworn notice of representation pursuant to 28 U.S.C. 1746, as set out in paragraph (i)(7).

(ii) If the notice of seizure does not provide an official address, the petition shall be addressed to the Asset Forfeiture Unit at the following address: Asset Forfeiture Unit, Criminal Investigations, U.S. Postal Inspection Service, P.O. Box 44373, Washington, DC 20026–4373.

(iii) Submission by facsimile or other electronic means will not be accepted.

(6) Agency investigation. Upon receipt of a petition, the Postal Inspection Service shall investigate the merits of the petition and prepare a written report containing the results of that investigation. This report shall be submitted to the Ruling Official for review and consideration.

(7) Ruling. Upon receipt of the petition and the agency report, the Ruling Official for the Postal Inspection Service shall review the petition and the report, if any, and shall rule on the merits of the petition. No hearing shall be held.

(8) Petitions granted. If the Ruling Official grants a remission or mitigation of the forfeiture, a copy of the decision shall be mailed to the petitioner or, if represented by an attorney, to the petitioner’s attorney. A copy shall also be sent to the U.S. Marshals Service, or other property custodian. The written decision shall include the terms and conditions, if any, upon which the remission or mitigation is granted, and the procedures the petitioner must follow to obtain release of the property or the monetary interest therein.

(9) Petitions denied. If the Ruling Official denies a petition, a copy of the decision shall be mailed to the petitioner or, if represented by an attorney, to the petitioner’s attorney. A copy of the decision shall also be sent to the U.S. Marshals Service, or other property custodian. The decision shall specify the reason that the petition was denied. The decision shall advise the petitioner that a request for reconsideration of the denial of the petition...
may be submitted to the Ruling Official in accordance with paragraph (c)(10) of this section.

(10) Request for reconsideration. (i) A request for reconsideration of the denial of the petition shall be considered if:

(A) It is postmarked or received by the office of the Ruling Official within 10 days from the receipt of the notice of denial of the petition by the petitioner; and

(B) The request is based on information or evidence not previously considered that is material to the basis for the denial or presents a basis clearly demonstrating that the denial was erroneous.

(ii) In no event shall a request for reconsideration be decided by the same Ruling Official who ruled on the original petition.

(iii) Only one request for reconsideration of a denial of a petition shall be considered.

(11) Restoration of proceeds from sale. (i) A petition for restoration of the proceeds from the sale of forfeited property, or for the appraised value of forfeited property when the forfeited property has been retained by or delivered to a Government agency for official use, may be submitted by an owner or lienholder in cases in which the petitioner:

(A) Did not know of the seizure prior to the entry of a declaration of forfeiture; and

(B) Could not reasonably have known of the seizure prior to the entry of a declaration of forfeiture.

(ii) Such a petition shall be submitted pursuant to paragraphs (c)(2) through (c)(5) of this section within 90 days of the date the property is sold or otherwise disposed of.

(d) Petitions in judicial forfeiture cases—(1) Notice of seizure. The notice of seizure and intent to forfeit the property shall advise any persons who may have a present ownership interest in the property to submit their petitions for remission or mitigation within 30 days of the date they receive the notice in order to facilitate processing. Petitions shall be considered any time after notice until such time as the forfeited property is placed in official use, sold, or otherwise disposed of according to law, except in cases involving petitions to restore property. A notice of seizure shall include the title of the Ruling Official and the mailing and street address of the official to whom petitions should be sent, the name of the agency seizing the property, an asset identifier number, and the district court docket number.

(2) Persons who may file. A petition for remission or mitigation must be filed by a petitioner as defined in paragraph (b)(16) of this section, or as prescribed in paragraph (i)(7) and (8) of this section.

(3) Contents of petition. (i) All petitions must include the following information in clear and concise terms:

(A) The name, address, and Social Security or other taxpayer identification number of the person claiming an interest in the seized property who is seeking remission or mitigation;

(B) The name of the seizing agency, the asset identifier number, and the date and place of seizure;

(C) The district court docket number;

(D) A complete description of the property, including the address or legal description of real property, and make, model, and serial numbers of personal property, if any; and

(E) A description of the petitioner’s interest in the property as owner, lienholder, or otherwise, supported by original or certified bills of sale, contracts, mortgages, deeds, or other documentary evidence.

(ii) Any factual recitation or documentation of any type in a petition must be supported by a declaration under penalty of perjury that meets the requirements of 28 U.S.C. 1746.

(4) Releases. In addition to the content of the petition for remission or mitigation set forth in paragraph (d)(3) of this section, the petitioner, upon request, also shall furnish the agency with an instrument executed by the titled or registered owner and any other known claimant of an interest in the property releasing the interest in such property.

(5) Filing petition with Department of Justice. A petition for remission or mitigation of a judicial forfeiture shall be addressed to the Attorney General; shall be sworn to by the petitioner or
§ 233.9

by the petitioner’s attorney upon information and belief, supported by the client’s sworn notice of representation pursuant to 28 U.S.C. 1746, as set forth in paragraph (i)(7) of this section; and shall be submitted to the U.S. Attorney for the district in which the judicial forfeiture proceedings are brought.

(6) Agency investigation and recommendation; U.S. Attorney’s recommendation. Upon receipt of a petition, the U.S. Attorney shall direct the seizing agency to investigate the merits of the petition based on the information provided by the petitioner and the totality of the agency’s investigation of the underlying basis for forfeiture. The agency shall submit to the U.S. Attorney a report of its investigation and its recommendation on whether the petition should be granted or denied. Upon receipt of the agency’s report and recommendation, the U.S. Attorney shall forward to the Chief, Asset Forfeiture and Money Laundering Section, the petition, the seizing agency’s report and recommendation, and the U.S. Attorney’s recommendation on whether the petition should be granted or denied.

(7) Ruling. The Chief shall rule on the petition. No hearing shall be held. The Chief shall not rule on any petition for remission if such remission was previously denied by the administrative agency pursuant to paragraph (c) of this section.

(8) Petitions granted. If the Chief grants a remission or mitigates the forfeiture, the Chief shall mail a copy of the decision to the petitioner (or, if represented by an attorney, to the petitioner’s attorney), and shall mail or transmit electronically a copy of the decision to the appropriate U.S. Attorney, the U.S. Marshals Service or other property custodian, and the seizing agency. The written decision shall include the terms and conditions, if any, upon which the remission or mitigation is granted and the procedures the petitioner must follow to obtain release of the property or the monetary interest therein. The Chief shall advise the petitioner or the petitioner’s attorney to consult with the U.S. Attorney as to such terms and conditions. The U.S. Attorney shall confer with the seizing agency regarding the release and shall coordinate disposition of the property with that office and the U.S. Marshals Service or other property custodian.

(9) Petitions denied. If the Chief denies a petition, a copy of that decision shall be mailed to the petitioner (or, if represented by an attorney, to the petitioner’s attorney of record), and mailed or transmitted electronically to the appropriate U.S. Attorney, the U.S. Marshals Service or other property custodian, and the seizing agency. The decision shall specify the reason that the petition was denied. The decision shall advise the petitioner that a request for reconsideration of the denial of the petition may be submitted to the Chief at the address provided in the decision, in accordance with paragraph (d)(10) of this section.

(10) Request for reconsideration. (i) A request for reconsideration of the denial shall be considered if:

(A) It is postmarked or received by the Asset Forfeiture and Money Laundering Section at the address contained in the decision denying the petition within 10 days from the receipt of the notice of denial of the petition by the petitioner;

(B) A copy of the request is also received by the appropriate U.S. Attorney within 10 days of the receipt of the denial by the petitioner; and

(C) The request is based on information or evidence not previously considered that is material to the basis for the denial or presents a basis clearly demonstrating that the denial was erroneous.

(ii) In no event shall a request for reconsideration be decided by the Ruling Official who ruled on the original petition.

(iii) Only one request for reconsideration of a denial of a petition shall be considered.

(iv) Upon receipt of the request for reconsideration of the denial of a petition, disposition of the property will be delayed pending notice of the decision at the request of the Chief. If the request for reconsideration is not received within the prescribed period, the U.S. Marshals Service may dispose of the property.
(11) Restoration of proceeds from sale. (i) A petition for restoration of the proceeds from the sale of forfeited property, or for the appraised value of forfeited property when the forfeited property has been retained by or delivered to a Government agency for official use, may be submitted by an owner or lienholder in cases in which the petitioner:
(A) Did not know of the seizure prior to the entry of a final order of forfeiture; and
(B) Could not reasonably have known of the seizure prior to the entry of a final order of forfeiture.
(ii) Such a petition must be submitted pursuant to paragraphs (d)(2) through (d)(5) of this section within 90 days of the date the property was sold or otherwise disposed of.

(e) Criteria governing administrative and judicial remission and mitigation—(1) Remission. (i) The Ruling Official shall not grant remission of a forfeiture unless the petitioner establishes that the petitioner has a valid, good faith, and legally cognizable interest in the seized property as owner or lienholder as defined in this part and is an innocent owner within the meaning of 18 U.S.C. 983(d)(2)(A) or (d)(3)(A).
(ii) For purposes of this paragraph (e), the knowledge and responsibilities of a petitioner’s representative, agent, or employee are imputed to the petitioner where the representative, agent, or employee was acting in the course of that person’s employment and in furtherance of the petitioner’s business.
(iii) The petitioner has the burden of establishing the basis for granting a petition for remission or mitigation of forfeited property, a restoration of proceeds or appraised value of forfeited property, or a reconsideration of a denial of such a petition. Failure to provide information or documents and to submit to interviews, as requested, may result in a denial of the petition.
(iv) The Ruling Official shall presume a valid forfeiture and shall not consider whether the evidence is sufficient to support the forfeiture.
(v) Willful, materially false statements or information made or furnished by the petitioner in support of a petition for remission or mitigation of forfeited property, the restoration of proceeds or appraised value of forfeited property, or the reconsideration of a denial of any such petition shall be grounds for denial of such petition and possible prosecution for the filing of false statements.
(2) Mitigation. (i) The Ruling Official may grant mitigation to a party not involved in the commission of the offense underlying forfeiture:
(A) Where the petitioner has not met the minimum conditions for remission, but the Ruling Official finds that some relief should be granted to avoid extreme hardship, and that return of the property combined with imposition of monetary or other conditions of mitigation in lieu of a complete forfeiture will promote the interest of justice and will not diminish the deterrent effect of the law. Extenuating circumstances justifying such a finding include those circumstances that reduce the responsibility of the petitioner for knowledge of the illegal activity, knowledge of the criminal record of a user of the property, or failure to take reasonable steps to prevent the illegal use or acquisition by another for some reason, such as a reasonable fear of reprisal; or
(B) Where the minimum standards for remission have been satisfied but the overall circumstances are such that, in the opinion of the Ruling Official, complete relief is not warranted.
(ii) The Ruling Official may as a matter of discretion grant mitigation to a party involved in the commission of the offense underlying the forfeiture where certain mitigating factors exist, including, but not limited to: The lack of a prior record or evidence of similar criminal conduct; if the violation does not include drug distribution, manufacturing, or importation, the fact that the violator has taken steps, such as drug treatment, to prevent further criminal conduct; the fact that the violation was minimal and was not part of a larger criminal scheme; the fact that the violator has cooperated with Federal, state, or local investigations relating to the criminal conduct underlying the forfeiture; or the fact that complete forfeiture of an asset is not necessary to achieve the legitimate purposes of forfeiture.
(iii) Mitigation may take the form of a monetary condition or the imposition
of other conditions relating to the continued use of the property, and the return of the property, in addition to the imposition of any other costs that would be chargeable as a condition to remission. This monetary condition is considered as an item of cost payable by the petitioner, and shall be deposited into the Postal Inspection Service’s Fund as an amount realized from forfeiture in accordance with the applicable statute. If the petitioner fails to accept the Ruling Official’s mitigation decision or any of its conditions, or fails to pay the monetary amount within 20 days of the receipt of the decision, the property shall be sold, and the monetary amount imposed and other costs chargeable as a condition to mitigation shall be subtracted from the proceeds of the sale before transmitting the remainder to the petitioner.

(f) Special rules for specific petitioners—
(1) General creditors. A general creditor may not be granted remission or mitigation of forfeiture unless that person otherwise qualifies as petitioner under this part.

(2) Rival claimants. If the beneficial owner of the forfeited property and the owner of a security interest in the same property each files a petition, and if both petitions are found to be meritorious, the claims of the beneficial owner shall take precedence.

(3) Voluntary bailments. A petitioner who allows another to use the petitioner’s property without cost, and who is not in the business of lending money secured by property or of leasing or renting property for profit, shall be granted remission or mitigation of forfeiture in accordance with the provisions of paragraph (e) of this section.

(4) Lessors. A person engaged in the business of leasing or renting real or personal property on a long-term basis with the right to sublease shall not be entitled to remission or mitigation of a forfeiture of such property unless the lessee can demonstrate compliance with all the requirements of paragraph (e) of this section.

(5) Straw owners. A petition by any person who has acquired a property interest recognizable under this part, and who knew or had reason to believe that the interest was conveyed by the previous owner for the purpose of circumventing seizure, forfeiture, or the regulations in this part, shall be denied. A petition by a person who purchases or owns property for another who has a record for related crimes as defined in paragraph (b)(19), or a petition by a lienholder who knows or has reason to believe that the purchaser or owner of record is not the real purchaser or owner, shall be denied unless both the purchaser of record and the real purchaser or owner meet the requirements of paragraph (e) of this section.

(6) Judgment creditors. (i) A judgment creditor will be recognized as a lienholder if:

(A) The judgment was duly recorded before the seizure of the property for forfeiture;
(B) Under applicable state or other local law, the judgment constitutes a valid lien on the property that attached to it before the seizure of the property for forfeiture; and
(C) The petitioner had no knowledge of the commission of any act or acts giving rise to the forfeiture at the time the judgment became a lien on the forfeited property.

(ii) A judgment creditor will not be recognized as a lienholder if the property in question is not property of which the judgment debtor is entitled to claim ownership under applicable state or other local law (e.g., stolen property). A judgment creditor is entitled under this part to no more than the amount of the judgment, exclusive of any interest, costs, or other fees including attorney’s fees associated with the action that led to the judgment or its collection.

(iii) A judgment creditor’s lien must be registered in the district where the property is located if the judgment was obtained outside the district.

(g) Terms and conditions of remission and mitigation—(1) Owners. (i) An owner’s interest in property that has been forfeited is represented by the property itself or by a monetary interest equivalent to that interest at the time of seizure. Whether the property or a monetary equivalent will be remitted to an owner shall be determined at the discretion of the Ruling Official.

(ii) If a civil judicial forfeiture action against the property is pending, release
of the property must await an appropriate court order.

(iii) Where the Government sells or disposes of the property prior to the grant of the remission, the owner shall receive the proceeds of that sale, less any costs incurred by the Government in the sale. The Ruling Official, as a matter of discretion, may waive the deduction of costs and expenses incident to the forfeiture.

(iv) Where the owner does not comply with the conditions imposed upon release of the property by the Ruling Official, the property shall be sold. Following the sale, the proceeds shall be used to pay all costs of the forfeiture and disposition of the property, in addition to any monetary conditions imposed. The remaining balance shall be paid to the owner.

(2) Lienholders. (i) When the forfeited property is to be retained for official use or transferred to a state or local law enforcement agency or foreign government pursuant to law, and remission or mitigation has been granted to a lienholder, the recipient of the property shall assure that:

(A) In the case of remission, the lien is satisfied as determined through the petition process; or

(B) In the case of mitigation, an amount equal to the net equity, less any monetary conditions imposed, is paid to the lienholder prior to the release of the property to the recipient agency of foreign government.

(ii) When the forfeited property is not retained for official use or transferred to another agency or foreign government pursuant to law, the lienholder shall be notified by the Ruling Official of the right to select either of the following alternatives:

(A) Return of Property. The lienholder may obtain possession of the property after paying the United States, through the Ruling Official, the costs and expenses incident to the forfeiture, the amount, if any, by which the appraised value of the property exceeds the lienholder’s net equity in the property, and any amount specified in the Ruling Official’s decision as a condition to remit the property. The Ruling Official, as a matter of discretion, may waive costs and expenses incident to the forfeiture. The Ruling Official shall forward a copy of the decision, a memorandum of disposition, and the original releases to the division or field office responsible for the seizure and custody of the property or, if applicable, to the U.S. Marshals Service, who shall thereafter release the property to the lienholder; or

(B) Sale of Property and Payment to Lienholder. Subject to the provisions of paragraph (i)(1) of this section, upon sale of the property, the lienholder may receive the payment of a monetary amount up to the sum of the lienholder’s net equity, less the expenses and costs incident to the forfeiture and sale of the property, and any other monetary conditions imposed. The Ruling Official, as a matter of discretion, may waive costs and expenses incident to the forfeiture.

(iii) If the lienholder does not notify the Ruling Official of the selection of one of the two options set forth in this paragraph (g)(2)(ii) within 20 days of the receipt of notification, the Ruling Official shall direct the division or field office responsible for the seizure or custody, or if applicable, the U.S. Marshals Service, to sell the property and pay the lienholder an amount up to the net equity, less the costs and expenses incurred incident to the forfeiture and sale, and any monetary conditions imposed. In the event a lienholder subsequently receives a payment of any kind on the debt owed for which he or she received payment as a result of the granting of remission or mitigation, the lienholder shall reimburse the Postal Service Forfeiture Fund to the extent of the payment received.

(iv) Where the lienholder does not comply with the conditions imposed upon the release of the property, the property shall be sold after forfeiture. From the proceeds of the sale, all costs incident to the forfeiture and sale shall first be deducted, and the balance up to the net equity, less any monetary conditions, shall be paid to the lienholder.

(h) Remission procedures for victims. This section applies to victims of an offense underlying the forfeiture of property, or of a related offense, who do not have a present ownership interest in the forfeited property (or, in the case of multiple victims of an offense, who
§ 233.9

(1) Remission procedure for victims—(i) Where to file. Persons seeking remission as victims shall file petitions for remission with the appropriate deciding official as described in paragraph (c)(5) (administrative forfeiture) or (d)(5) (judicial forfeiture) of this section.

(ii) Time of decision. The Ruling Official or that person’s designee as described in paragraph (a)(2) of this section may consider petitions filed by persons claiming eligibility for remission as victims at any time prior to the disposal of the forfeited property in accordance with law.

(iii) Request for reconsideration. Persons denied remission under this section may request reconsideration of the denial, in accordance with paragraph (c)(10) (administrative forfeiture) or (d)(10) (judicial forfeiture) of this section.

(2) Qualification to file. A victim, as defined in paragraph (b)(22) of this section, may be granted remission, if in addition to complying with the other applicable provisions of this paragraph (h), the victim satisfactorily demonstrates that:

(i) A pecuniary loss of a specific amount has been directly caused by the criminal offense, or related offense, that was the underlying basis for the forfeiture, and that the loss is supported by documentary evidence including invoices and receipts;

(ii) The pecuniary loss is the direct result of the illegal acts and is not the result of otherwise lawful acts that were committed in the course of a criminal offense;

(iii) The victim did not knowingly contribute to, participate in, benefit from, or act in a willfully blind manner towards commission of the offense, or related offense, that was the underlying basis of the forfeiture;

(iv) The victim has not in fact been compensated for the wrongful loss of the property by the perpetrator or others; and

(v) The victim does not have recourse reasonably available to other assets from which to obtain compensation for the wrongful loss of the property.

(3) Pecuniary loss. The amount of the pecuniary loss suffered by a victim for which remission may be granted is limited to the fair market value of the property of which the victim was deprived as of the date of the occurrence of the loss. No allowance shall be made for interest foregone or for collateral expenses incurred to recover lost property or to seek other recompense.

(4) Torts. A tort associated with illegal activity that formed the basis for the forfeiture shall not be a basis for remission, unless it constitutes the illegal activity itself, nor shall remission be granted for physical injuries to a petitioner or for damage to a petitioner’s property.

(5) Denial of petition. As a matter of discretion, the Ruling Official may decline to grant remission where:

(i) There is substantial difficulty in calculating the pecuniary loss incurred by the victim or victims;

(ii) The amount of the remission, if granted, would be small compared with the amount of expenses incurred by the Government in determining whether to grant remission;

(iii) The total number of victims is large and the monetary amount of the remission so small as to make its granting impractical.

(6) Pro rata basis. In granting remission to multiple victims pursuant to this section, the Ruling Official should generally grant remission on a pro rata basis to recognized victims when petitions cannot be granted in full due to the limited value of the forfeited property. However, the Ruling Official may consider, among others, the following factors in establishing appropriate priorities in individual cases:

84

39 CFR Ch. I (7–1–17 Edition)
(i) The specificity and reliability of the evidence establishing a loss;
(ii) The fact that a particular victim is suffering an extreme financial hardship;
(iii) The fact that a particular victim has cooperated with the Government in the investigation related to the forfeiture or to a related persecution or civil action; and
(iv) In the case of petitions filed by multiple victims of related offenses, the fact that a particular victim is a victim of the offense underlying the forfeiture.

(7) Reimbursement. Any petitioner granted remission pursuant to this part shall reimburse the Postal Service Forfeiture Fund for the amount received, to the extent the individual later receives compensation for the loss of property from any other source. The petitioner shall surrender the reimbursement upon payment from any secondary source.

(8) Claims of financial institution regulatory agencies. In cases involving property forfeitable under 18 U.S.C. 981(a)(1)(C) or (D), the Ruling Official may decline to grant a petition filed by a petitioner in whole or in part due to the lack of sufficient forfeitable funds to satisfy both the petitioner and claims of the financial institution regulatory agencies pursuant to 18 U.S.C. 981(e)(3) or (7). Generally, claims of financial institution regulatory agencies pursuant to 18 U.S.C. 981(e)(3) or (7) shall take priority over claims of victims.

(9) Amount of remission. Consistent with the Assets Forfeiture Fund statute (28 U.S.C. 524(c)), the amount of remission shall not exceed the victim’s share of the net proceeds of the forfeitures associated with the activity that caused the victim’s loss. The calculation of net proceeds includes, but is not limited to, the deduction of allowable Government expenses and valid third-party claims.

(i) Miscellaneous provisions.—(1) Priority of payment. Except where otherwise provided in this part, costs incurred by the Postal Inspection Service, the U.S. Marshals Service, and other agencies participating in the forfeiture that were incident to the forfeiture, sale, or other disposition of the property shall be deducted from the amount available for remission or mitigation. Such costs include, but are not limited to, court costs, storage costs, brokerage and other sales-related costs, the amount of any liens and associated costs paid by the Government on the property, costs incurred in paying the ordinary and necessary expenses of a business seized for forfeiture, awards for information as authorized by statute, expenses of trustees or other assistants pursuant to paragraph (i)(3) of this section, investigative or prosecutorial costs specially incurred incident to the particular forfeiture, and costs incurred incident to the processing of petitions for remission or mitigation. The Ruling Official shall direct the distribution of the remaining balance in the following order or priority, except that the Ruling Official may exercise discretion in determining the priority between petitioners belonging to classes described in paragraph (i)(1)(iii) and (iv) of this section in exceptional circumstances:

(i) Owners;
(ii) Lienholders;
(iii) Federal financial institution regulatory agencies (pursuant to paragraph (i)(5) of this section), not constituting owners or lienholders; and
(iv) Victims not constituting owners or lienholders pursuant to paragraph (h) of this part.

(2) Sale or disposition of property prior to ruling. If forfeited property has been sold or otherwise disposed of prior to a ruling, the Ruling Official may grant relief in the form of a monetary amount. The amount realized by the sale of property is presumed to be the value of the property. Monetary relief shall not be greater than the appraised value of the property at the time of seizure and shall not exceed the amount realized from the sale or other disposition. The proceeds of the sale shall be distributed as follows:

(i) Payment of the Government’s expenses incurred incident to the forfeiture and sale, including court costs and storage charges, if any;
(ii) Payment to the petitioner of an amount up to that person’s interest in the property;
(iii) Payment to the Postal Service Forfeiture Fund of all other costs and expenses incident to the forfeiture;

(iv) In the case of victims, payment of any amount up to the amount of that person’s loss; and

(v) Payment of the balance remaining, if any, to the Postal Service Forfeiture Fund.

(3) Trustees and other assistants. As a matter of discretion, the Ruling Official, with the approval of the Chief Postal Inspector, may use the services of a trustee, other Government official, or appointed contractors to notify potential petitioners, process petitions, and make recommendations to the Ruling Official on the distribution of property to petitioners. The expense for such assistance shall be paid out of the forfeited funds.

(4) Other agencies of the United States. Where another agency of the United States is entitled to remission or mitigation of forfeited assets because of an interest that is recognizable under this part or is eligible for such transfer pursuant to 18 U.S.C. 981(e)(6), such agency shall request the transfer in writing, in addition to complying with any applicable provisions of paragraphs (c) through (e) of this section. The decision to make such transfer shall be made in writing by the Ruling Official.

(5) Financial institution regulatory agencies. A Ruling Official may direct the transfer of property under 18 U.S.C. 981(e) to certain federal financial institution regulatory agencies or an entity acting in their behalf, upon receipt of a written request, in lieu of ruling on a petition for remission or mitigation.

(6) Transfers to foreign governments. A Ruling Official may decline to grant remission to any petitioner other than an owner or lienholder so that forfeited assets may be transferred to a foreign government pursuant to 18 U.S.C. 981(1)(1); 19 U.S.C. 1616a(c)(2); or 21 U.S.C. 881(e)(1)(E).

(7) Filing by attorneys. (i) A petition for remission or mitigation may be filed by a petitioner or by that person’s attorney or legal guardian. If an attorney files on behalf of the petitioner, the petition must include a signed and sworn statement by the client-petitioner stating that:

(A) The attorney has the authority to represent the petitioner in this proceeding;

(B) The petitioner has fully reviewed the petition; and

(C) The petition is truthful and accurate in every respect.

(ii) Verbal notification of representation is not acceptable. Responses and notification of rulings shall not be sent to an attorney claiming to represent a petitioner unless a written notice of representation is filed. No extensions of time shall be granted due to delays in submission of the notice of representation.

(8) Consolidated petitions. At the discretion of the Ruling Official in individual cases, a petition may be filed by one petitioner on behalf of other petitioners, provided the petitions are based on similar underlying facts, and the petitioner who files the petition has written authority to do so on behalf of other petitioners. This authority must be either expressed in documents giving the petitioner the authority to file petitions for remission, or reasonably implied from documents giving the petitioner express authority to file claims or lawsuits related to the course of conduct in question on behalf of these petitioners. An insurer or an administrator of an employee benefit plan, for example, which itself has standing to file a petition as a “victim” within the meaning of paragraph (b)(22) of this section, may also file a petition on behalf of its insured or plan beneficiaries for any claims they may have based on co-payments made to the perpetrator of the offense underlying the forfeiture, or the perpetrator of a “related offense” within the meaning of paragraph (b)(20), if the authority to file claims or lawsuits is contained in the document or documents establishing the plan. Where such a petition is filed, any amounts granted as remission must be transferred to the other petitioners, not the party filing the petition; although, as a matter of discretion, the Ruling Official may use the actual petitioner as an intermediary for transferring the amounts authorized as a remission to the other petitioners.

§ 233.11 Mail reasonably suspected of being dangerous to persons or property.

(a) Screening of mail. When the Chief Postal Inspector determines that there is a credible threat that certain mail may contain a bomb, explosives, or other material that would endanger life or property, including firearms which are not mailable under Section C024 of the Domestic Mail Manual, the Chief Postal Inspector may, without a search warrant or the sender’s or addressee’s consent, authorize the screening of such mail by any means capable of identifying explosives, nonmailable firearms, or other dangerous contents in the mails. The screening must be within the limits of this section and without opening mail that is sealed against inspection or revealing the contents of correspondence within mail that is sealed against inspection. The screening is conducted according to these requirements.

(1) Screening of mail authorized by paragraph (a) of this section must be limited to the least quantity of mail necessary to respond to the threat.

(2) Such screening must be done in a manner that does not avoidably delay the screened mail.

(3) The Chief Postal Inspector may authorize screening of mail by postal employees and by persons not employed by the Postal Service under such instruction that require compliance with this part and protect the security of the mail. No information obtained from such screening may be disclosed unless authorized by this part.

(4) Mail of insufficient weight to pose a hazard to air or surface transportation, or to contain firearms which are not mailable under Section C024 of the Domestic Mail Manual, and international transit mail must be excluded from such screening.

(5) After screening conducted under paragraph (a) of this section, mail that is reasonably suspected of posing an immediate and substantial danger to life or limb, or an immediate and substantial danger to property, may be treated by postal employees as provided in paragraph (b) of this section.

(b) Threatening pieces of mail. Mail, sealed or unsealed, reasonably suspected of posing an immediate danger to life or limb or an immediate and substantial danger to property may, without a search warrant, be detained, opened, removed from postal custody, and processed or treated, but only to the extent necessary to determine and eliminate the danger and only if a complete written and sworn statement of the detention, opening, removal, or treatment, and the circumstances that prompted it, signed by the person purporting to act under this section, is promptly forwarded to the Chief Postal Inspector.

(c) Reports. Any person purporting to act under this section who does not report his or her action to the Chief Postal Inspector under the requirements of this section, or whose action is determined after investigation not to have been authorized, is subject to disciplinary action or criminal prosecution or both.

§ 233.12 Civil penalties.

(a) False representations and lottery orders. Under 39 U.S.C. 3005(a)(1)–(3), the Postal Service may issue administrative orders prohibiting persons from using the mail to obtain money through false representations or lotteries. Persons who evade, attempt to evade, or fail to comply with an order to stop such prohibited practices may be liable to the United States for a civil penalty under 39 U.S.C. 3012(a). As adjusted under Public Law 114–74, the penalties are as follows: $69,463 for each mailing less than 50,000 pieces, $138,925 for each mailing of 50,000 to $100,000 pieces, and $13,893 for each additional 10,000 pieces above 100,000 not to exceed $2,778,505.

(b) False representation and lottery penalties in lieu of or as part of an order. In lieu of or as part of an order issued
under 39 U.S.C. 3005(a)(1)–(3), the Postal Service may assess a civil penalty payable under 39 U.S.C. 3012(c)(1). As adjusted under Public Law 114–74, the penalties are as follows: $34,731 for each mailing that is less than 50,000 pieces, $69,463 for each mailing of 50,000 to 100,000 pieces, and an additional $8,946 for each additional 10,000 pieces above 100,000 not to exceed $1,389,252.

A Post Office may be operated or staffed by a postmaster or by another type of postal employee at the direction of the postmaster, including when the postmaster is not physically present. A Remotely Managed Post Office (RMPO) is a Post Office that offers part-time window service hours, is staffed by a Postal Service employee under the direction of a postmaster, and reports to an Administrative Post Office. Unless otherwise specified, all references to “Post Office” include RMPOs and PTPOs.

§ 241.2 Stations and branches.

A Post Office may be operated or staffed by a postmaster or by another type of postal employee at the direction of the postmaster, including when the postmaster is not physically present. A Remotely Managed Post Office (RMPO) is a Post Office that offers part-time window service hours, is staffed by a Postal Service employee under the direction of a postmaster, and reports to an Administrative Post Office. § 241.4 Relocating retail services; adding new retail service facilities.
§241.3 Discontinuance of USPS-operated retail facilities.

(a) Introduction—(1) Coverage. (i) This section establishes the rules governing the Postal Service’s consideration of whether an existing retail Post Office, station, or branch should be discontinued. The rules cover any proposal to:
   (A) Replace a USPS-operated Post Office, station, or branch with a contractor-operated retail facility;
   (B) Combine a USPS-operated Post Office, station, or branch with another USPS-operated retail facility; or
   (C) Discontinue a USPS-operated Post Office, station, or branch without providing a replacement facility.

   (ii) The conversion of a Post Office into, or the replacement of a Post Office with, another type of USPS-operated retail facility is not a discontinuance action subject to this section. A change in the staffing of a Post Office such that it is staffed only part-time by a postmaster, or not staffed at all by a postmaster, but rather by another type of USPS employee, is not a discontinuance action subject to this section.

   (iii) The regulations in this section are mandatory only with respect to discontinuance actions for which initial feasibility studies have been initiated on or after July 14, 2011. Unless otherwise provided by responsible personnel, the rules under §241.3 as in effect prior to July 14, 2011, shall apply to discontinuance actions pending as of December 1, 2011, that pertain to the conversion of a Post Office to another type of USPS-operated facility are no longer subject to these regulations.

   (2) Definitions. As used in this section, the terms listed below are defined as follows:

   (i) “USPS-operated retail facility” includes any Postal Service employee-operated Post Office, station, or branch, but does not include any station, branch, community Post Office, or other retail facility operated by a contractor.

   (ii) “Contractor-operated retail facility” includes any station, branch, community Post Office, or other facility, including a private business, offering retail postal services that is operated by a contractor, and does not include any USPS-operated retail facility.

   (iii) “Closing” means an action in which Post Office operations are permanently discontinued without providing a replacement facility in the community.

   (iv) “Consolidation” means an action that converts a Postal Service-operated retail facility into a contractor-operated retail facility. The resulting contractor-operated retail facility reports to a Postal Service-operated retail facility.

   (v) “Discontinuance” means either a closure or a consolidation.

   (vi) A “Remotely Managed Post Office” (RMPO) is a Post Office that offers part-time window service hours, is staffed by a Postal Service employee at the direction of a postmaster, and reports to an Administrative Post Office. Unless otherwise specified, all references to “Post Office” include RMPOs. The classification of a Post Office as an RMPO is not a discontinuance action under this section.

   (vii) A “Part-Time Post Office” (PTPO) is a Post Office that offers part-time window service hours, is staffed by a Postal Service employee, and reports to a district office. Unless otherwise
specified, all references to "Post Office" include PTPOs. The classification of a Post Office as a PTPO is not a discontinuance action under this section.

(3) Requirements. A District Manager or the responsible Headquarters Vice President, or a designee of either, may initiate a feasibility study of a USPS-operated facility for possible discontinuance. Any decision to close or consolidate a USPS-operated retail facility may be effected only upon the consideration of certain factors. These include the effect on the community served; the effect on employees of the USPS-operated retail facility; compliance with government policy established by law that the Postal Service must provide a maximum degree of effective and regular postal services to rural areas, communities, and small towns where Post Offices are not self-sustaining; the economic savings to the Postal Service; and any other factors the Postal Service determines necessary. In addition, certain mandatory procedures apply as follows:

(i) The public must be given 60 days' notice of a proposed action to enable the persons served by a USPS-operated retail facility to evaluate the proposal and provide comments.

(ii) After public comments are received and taken into account, any final determination to close or consolidate a USPS-operated retail facility must be made in writing and must include findings covering all the required considerations.

(iii) The written determination must be made available to persons served by the USPS-operated retail facility at least 60 days before the discontinuance takes effect.

(iv) Within the first 30 days after the written determination is made available, any person regularly served by a Post Office subject to discontinuance may appeal the decision to the Postal Regulatory Commission. Where persons regularly served by another type of USPS-operated retail facility subject to discontinuance file an appeal with the Postal Regulatory Commission, the General Counsel reserves the right to assert defenses, including the Commission's lack of jurisdiction over such appeals. For purposes of determining whether an appeal is filed within the 30-day period, receipt by the Commission is based on the postmark of the appeal, if sent through the mail, or on other appropriate documentation or indicia, if sent through another lawful delivery method.

(v) The Commission may only affirm the Postal Service determination or return the matter for further consideration but may not modify the determination.

(vi) The Commission is required to make any determination subject to 39 U.S.C. § 404(d)(5) within the 120 days specified by statute.

(vii) The following table summarizes the notice and appeal periods defined by statute.

(4) Additional requirements. This section also includes:

(i) Rules to ensure that the community's identity as a postal address is preserved.

(ii) Rules for consideration of a proposed discontinuance and for its implementation, if approved. These rules are designed to ensure that the reasons leading to discontinuance of a particular USPS-operated retail facility are fully articulated and disclosed at a stage that enables customer participation to make a helpful contribution toward the final decision.

(5) Initial feasibility study. A district manager, the responsible Headquarters vice president, or a designee of either may initiate a feasibility study of a USPS-operated retail facility's potential discontinuance, in order to assist the district manager in determining whether to proceed with a written proposal to discontinue the facility.

(i) Permissible circumstances. The initial feasibility study may be based upon circumstances including, but not limited to, the following:
§ 241.3  

(A) A postmaster vacancy;
(B) Emergency suspension of the USPS-operated retail facility due to cancellation of a lease or rental agreement when no suitable alternate quarters are available in the community, a fire or natural disaster, irreparable damage when no suitable alternate quarters are available in the community, challenge to the sanctity of the mail, or similar reasons;
(C) Earned workload below the minimum established level for the lowest level RMPO;
(D) Insufficient customer demand, evidenced by declining or low volume, revenue, revenue units, local business activity, or local population trends;
(E) The availability of reasonable alternate access to postal services for the community served by the USPS-operated retail facility;
(F) The incorporation of two communities into one or other special circumstances.

(ii) Impermissible circumstances. The following circumstances may not be used to justify initiation of an initial feasibility study:
(A) Any claim that the continued operation of a building without handicapped modifications is inconsistent with the Architectural Barriers Act (42 U.S.C. 1151 et seq.);
(B) The absence of running water or restroom facilities;
(C) Compliance with the Occupational Safety and Health Act of 1970 (29 U.S.C. 651 et seq.); or
(D) In the absence of any circumstances identified in paragraph (a)(5)(i) of this section, the operation of a small Post Office at a deficit.

(iii) Notice to customers. Local management must provide notification and questionnaires to customers at the USPS-operated retail facility under study. Local management may determine whether notification is appropriate through media outlets. In addition, the following customers that receive delivery service from the USPS-operated retail facility must receive notification and questionnaires by mail:
(A) Post Office Box customers at the USPS-operated retail facility under study;
(B) Customers whose delivery carrier is stationed out of the USPS-operated retail facility under study;
(C) Customers in the delivery area of the same ZIP Code as the retail facility under study, regardless of whether the delivery carriers for those customers are stationed out of the retail facility under study or out of a nearby facility; and
(D) Customers whom the retail facility under study serves for allied delivery services such as mail pickup.

(iv) Initial feasibility study due to emergency suspension. Wherever possible when an initial feasibility study is to be initiated under §241.3(a)(5)(i)(B) (for example, when it is anticipated that a lease or rental agreement will be cancelled with no suitable alternate quarters available in the community), responsible personnel should initiate the initial feasibility study sufficiently in advance of the circumstance prompting the emergency suspension to allow a meaningful opportunity for public input to be taken into account. If public input cannot be sought sufficiently in advance of the end date of the lease or rental agreement, responsible personnel should endeavor, to the extent possible, to continue operation of the USPS-operated retail facility for the duration necessary to gather public input and make a more fully informed decision on whether to proceed with a discontinuance proposal. Customers formerly served by the suspended facility should receive notice under paragraph (a)(5)(iii) of this section, including by mail, to the same extent that they would have if the facility were not in suspended status at the time of the initial feasibility study, proposal, or final determination.

(b) Preservation of community address—
(1) Policy. The Postal Service permits the use of a community’s separate address to the extent practicable.
(2) ZIP Code assignment. The ZIP Code for each address formerly served from the discontinued USPS-operated retail facility should receive notice under paragraph (a)(5)(iii) of this section, including by mail, to the same extent that they would have if the facility were not in suspended status at the time of the initial feasibility study, proposal, or final determination.
before any proposal to discontinue the USPS-operated retail facility is posted.

(i) In a consolidation, the ZIP Code for the replacement contractor-operated retail facility is the ZIP Code originally assigned to the discontinued facility.

(ii) If the ZIP Code is changed and the parent or gaining USPS-operated retail facility covers several ZIP Codes, the ZIP Code must be that of the delivery area within which the facility is located.

(3) USPS-operated retail facility’s city name in address. If all the delivery addresses using the city name of the USPS-operated retail facility being discontinued continue to use the same ZIP Code, customers may continue to use the discontinued facility’s city name in their addresses, instead of that of the new delivering USPS-operated retail facility.

(4) Name of facility established by consolidation. If a USPS-operated retail facility is consolidated by establishing in its place a contractor-operated facility, the replacement unit can be given the same name of the facility that is replaced, if appropriate in light of the nature of the contract and level of service provided.

(c) Initial proposal—(1) In general. If a District Manager believes that the discontinuance of a USPS-operated retail facility within his or her responsibility may be warranted, the District Manager:

(i) Must use the standards and procedures in §241.3(c) and (d).

(ii) Must investigate the situation.

(iii) May propose the USPS-operated retail facility be discontinued.

(2) Consolidation. The proposed action may include a consolidation of USPS-operated retail facilities. A consolidation arises when a USPS-operated retail facility is replaced with a contractor-operated retail facility.

(3) Views of postmasters. Whether the discontinuance under consideration involves a consolidation or not, the District Manager must discuss the matter with the postmaster (or the officer in charge) of the USPS-operated retail facility considered for discontinuance, and with the postmaster of any other USPS-operated retail facility affected by the change. The District Manager should make sure that these officials are invited to submit written comments and suggestions as part of the record when the proposal is reviewed.

(4) Preparation of written proposal. The District Manager, or a designee, must gather and preserve for the record all documentation used to assess the proposed change. If the District Manager thinks the proposed action is warranted, he or she, or a designee, must prepare a document titled “Proposal to (Close) (Consolidate) the (Facility Name).” This document must describe, analyze, and justify in sufficient detail to Postal Service management and affected customers the proposed service change. The written proposal must address each of the following matters in separate sections:

(i) Responsiveness to community postal needs. It is the policy of the Government, as established by law, that the Postal Service will provide a maximum degree of effective and regular postal services to rural areas, communities, and small towns where post offices are not self-sustaining. The proposal should:

(A) Contrast the services available before and after the proposed change;

(B) Describe how the changes respond to the postal needs of the affected customers; and

(C) Highlight particular aspects of customer service that might be less advantageous as well as more advantageous.

(ii) Effect on community. The proposal must include an analysis of the effect the proposed discontinuance might have on the community served, and discuss the application of the requirements in §241.3(b).

(iii) Effect on employees. The written proposal must summarize the possible effects of the change on postmasters and other employees of the USPS-operated retail facility considered for discontinuance.

(iv) Savings. The proposal must include an analysis of the economic savings to the Postal Service from the proposed action, including the cost or savings expected from each major factor contributing to the overall estimate.

(v) Other factors. The proposal should include an analysis of other factors
that the District Manager determines are necessary for a complete evaluation of the proposed change, whether favorable or unfavorable.

(vi) Summary. The proposal must include a summary that explains why the proposed action is necessary, and assesses how the factors supporting the proposed change outweigh any negative factors. In taking competing considerations into account, the need to provide regular and effective service is paramount.

(vii) Notice. The proposal must include the following notices:

(A) Supporting materials. “Copies of all materials on which this proposal is based are available for public inspection at (Facility Name) during normal office hours.”

(B) Nature of posting. “This is a proposal. It is not a final determination to (close) (consolidate) this facility.”

(C) Posting of final determination. “If a final determination is made to close or consolidate this facility, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this facility.”

(D) Appeal rights. “The final determination will contain instructions on how affected customers may appeal a decision to close or consolidate a post office to the Postal Regulatory Commission. Any such appeal must be received by the Commission within 30 days of the posting of the final determination.” The notice in this clause is provided when the USPS-operated retail facility under study is a post office. For purposes of this clause, the date of receipt by the Commission is based on the postmark of the appeal, if sent through the mail, or on other appropriate documentation or indicia, if sent through another lawful delivery method.

(d) Notice, public comment, and record—(1) Posting proposal and comment notice. A copy of the written proposal and a signed invitation for comments must be posted prominently, with additional copies to be given to customers upon request, in the following locations:

(i) The USPS-operated retail facility under study, unless service at the facility has been suspended;

(ii) The USPS-operated retail facility proposed to serve as the supervising facility;

(iii) Any USPS-operated retail facility likely to serve a significant number of customers of the USPS-operated retail facility under study; and

(iv) If service at the facility under study has been suspended, any USPS-operated retail facility providing alternative service for former customers of the facility under study.

(2) Contents of comment notice. The invitation for comments must:

(i) Ask interested persons to provide written comments within 60 days, to a stated address, offering specific opinions and information, favorable or unfavorable, on the potential effect of the proposed change on postal services and the community.

(ii) State that copies of the proposal with attached optional comment forms are available in the affected USPS-operated retail facilities.

(iii) Provide a name and telephone number to call for information.

(3) Other steps. In addition to providing notice and inviting comment, the District Manager must take any other steps necessary to ensure that the persons served by affected USPS-operated retail facilities understand the nature and implications of the proposed action. A community meeting must be held to provide outreach and gain public input after the proposal is posted, unless otherwise instructed by the responsible Headquarters Vice President or the applicable Vice President, Area Operations. Authorization to forgo a community meeting should issue only where exceptional circumstances make a community meeting infeasible, such as where the community no longer exists because of a natural disaster or because residents have moved elsewhere.

(i) If oral contacts develop views or information not previously documented, whether favorable or unfavorable to the proposal, the District Manager should encourage persons offering the views or information to provide written comments to preserve them for the record.

(ii) As a factor in making his or her decision, the District Manager may not rely on communications received from
anyone unless submitted in writing for the record.

(4) Record. The District Manager must keep, as part of the record for consideration and review, all documentation gathered about the proposed change.

(i) The record must include all information that the District Manager considered, and the decision must stand on the record. No written information or views submitted by customers may be excluded.

(ii) The docket number assigned to the proposal must be the ZIP Code of the office proposed for closing or consolidation.

(iii) The record must include a chronological index in which each document contained is identified and numbered as filed.

(iv) As written communications are received in response to the public notice and invitation for comments, they are included in the record.

(v) A complete copy of the record must be available for public inspection during normal office hours at the USPS-operated retail facilities where the proposal was posted under paragraph (d)(1) of this section, beginning no later than the date on which notice is posted and extending through the posting period. When appropriate, certain personally identifiable information, such as individual names or residential addresses, may be redacted from the publicly accessible copy of the record.

(vi) Copies of documents in the record (except the proposal and comment form) are provided on request and on payment of fees as noted in chapter 4 of Handbook AS–333, Guide to Privacy, the Freedom of Information Act, and Records Management.

(e) Consideration of public comments and final local recommendation—(1) Analysis of comments. The District Manager or a designee must prepare an analysis of the public comments received for consideration and inclusion in the record. If possible, comments subsequently received should also be included in the analysis. The analysis should list and briefly describe each point favorable to the proposal and each point unfavorable to the proposal. The analysis should identify to the extent possible how many comments support each point listed.

(2) Re-evaluation of proposal. After completing the analysis, the District Manager must review the proposal and re-evaluate all the tentative conclusions previously made in light of additional customer information and views in the record.

(i) Discontinuance not warranted. If the District Manager decides against the proposed discontinuance, he or she must post, in the USPS-operated retail facilities where the proposal was posted under paragraph (d)(1) of this section, a notice stating that the proposed closing or consolidation is not warranted.

(ii) Discontinuance warranted. If the District Manager decides that the proposed discontinuance is justified, the appropriate sections of the proposal must be revised, taking into account the comments received from the public. After making necessary revisions, the District Manager must:

(A) Transmit the revised proposal and the entire record to the responsible Headquarters Vice President.

(B) Certify that all documents in the record are originals or true and correct copies.

(f) Postal Service decision—(1) In general. The responsible Headquarters Vice President or a designee must review the proposal of the District Manager and decide on the merits of the proposal. This review and the decision must be based on and supported by the record developed by the District Manager. The responsible Headquarters Vice President can instruct the District Manager to provide more information to supplement the record. Each instruction and the response must be added to the record. The decision on the proposal of the District Manager, which must also be added to the record, may approve or disapprove the proposal, or return it for further action as set forth in this paragraph (f).

(2) Approval. The responsible Headquarters Vice President or a designee may approve the proposed discontinuance, with or without further revisions. If approved without further revision, the term “Final Determination” is substituted for “Proposal” in the title. A copy of the Final Determination
must be provided to the District Manager. The Final Determination constitutes the Postal Service determination for the purposes of 39 U.S.C. 404(d).

(i) **Supporting materials.** The Final Determination must include the following notice: “Copies of all materials on which this Final Determination is based are available for public inspection at the (Facility Name) during normal office hours.”

(ii) **Appeal rights.** If the USPS-operated retail facility subject to discontinuance is a post office, the Final Determination must include the following notice: “Pursuant to Public Law 94–421 (1976), this Final Determination to (close) (consolidate) the (Facility Name) may be appealed by any person served by that office to the Postal Regulatory Commission, 901 New York Avenue, NW., Suite 200, Washington, DC 20268–0001. Any appeal must be received by the Commission within 30 days of the first day this Final Determination was posted. If an appeal is filed, copies of appeal documents prepared by the Postal Regulatory Commission, or the parties to the appeal, must be made available for public inspection at the (Facility Name) during normal office hours.”

(3) **Disapproval.** The responsible Headquarters Vice President or a designee may disapprove the proposed discontinuance and return it and the record to the District Manager with written reasons for disapproval. The District Manager or a designee must post, in each affected USPS-operated retail facility where the proposal was posted under paragraph (d)(1) of this section, a notice that the proposed closing or consolidation has been determined to be unwarranted.

(4) **Return for further action.** The responsible Headquarters Vice President or a designee may return the proposal of the District Manager with written instructions to give additional consideration to matters in the record, or to obtain additional information. Such instructions must be placed in the record.

(5) **Public file.** Copies of each Final Determination and each disapproval of a proposal by the responsible Headquarters Vice President must be placed on file in the Postal Service Headquarters library.

(g) **Implementation of final determination—**

(1) **Notice of final determination to discontinue USPS-operated retail facility.** The District Manager must:

(i) Provide notice of the Final Determination by posting a copy prominently in the USPS-operated retail facilities in each affected USPS-operated retail facilities where the proposal was posted under paragraph (d)(1) of this section, including the USPS-operated retail facilities likely to be serving the affected customers. The date of posting must be noted on the first page of the posted copy as follows: “Date of posting.”

(ii) Ensure that a copy of the completed record is available for public inspection during normal business hours at each USPS-operated retail facility where the Final Determination is posted for 30 days from the posting date.

(iii) Provide copies of documents in the record on request and payment of fees as noted in chapter 4 of Handbook AS–353, Guide to Privacy, the Freedom of Information Act, and Records Management.

(2) **Implementation of determinations not appealed.** If no appeal is filed, the official closing date of the office must be published in the Postal Bulletin and effective, at the earliest, 60 days after the first day that Final Determination was posted. A District Manager may request a different date for official discontinuance in the Retail Change Announcement document submitted to the responsible Headquarters Vice President or a designee. However, the USPS-operated retail facility may not be discontinued sooner than 60 days after the first day of the posting of the notice required by paragraph (g)(1) of this section.

(3) **Actions during appeal—**

(i) **Implementation of discontinuance.** If an appeal is filed, only the responsible Headquarters Vice President may direct a discontinuance before disposition of the appeal. However, the USPS-operated retail facility may not be permanently discontinued sooner than 60 days after the first day of the posting of the notice required by paragraph (g)(1) of this section.
Display of appeal documents. The Office of General Counsel must provide the District Manager with copies of all pleadings, notices, orders, briefs, and opinions filed in the appeal proceeding. (A) The District Manager must ensure that copies of all these documents are prominently displayed and available for public inspection in the USPS-operated retail facilities where the Final Determination was posted under paragraph (g)(1)(i) of this section. If the operation of that USPS-operated retail facility has been suspended, the District Manager must ensure that copies are displayed in the USPS-operated retail facilities likely to be serving the affected customers. (B) All documents except the Postal Regulatory Commission's final order and opinion must be displayed until the final order and opinion are issued. The final order and opinion must be displayed at the USPS-operated retail facility to be discontinued for 30 days or until the effective date of the discontinuance, whichever is earlier. The final order and opinion must be displayed for 30 days in all other USPS-operated retail facilities where the Final Determination was posted under paragraph (g)(1)(i) of this section.

Actions following appeal decision—(i) Determination affirmed. If the Commission dismisses the appeal or affirms the Postal Service’s determination, the official closing date of the office must be published in the Postal Bulletin, effective anytime after the Commission renders its opinion, if not previously implemented under §241.3(g)(3)(i). However, the USPS-operated retail facility may not be discontinued sooner than 60 days after the first day of the posting of the notice required under §241.3(g)(1).

(ii) Determination returned for further consideration. If the Commission returns the matter for further consideration, the responsible Headquarters Vice President must direct that either: (A) Notice be provided under paragraph (f)(3) of this section that the proposed discontinuance is determined not to be warranted or (B) The matter be returned to an appropriate stage under this section for further consideration following such instructions as the responsible Headquarters Vice President may provide.

§241.4 Relocating retail services; adding new retail service facilities.

(a) Application. (1) Except as otherwise provided, this section applies when the Postal Service makes a tentative decision to relocate all retail services from a retail service facility to a separate existing physical building, or to add a new retail service facility for a community. As used in this section, “retail services” means the single-piece mail services offered to individual members of the public on a walk-in basis at a retail service facility, and a “retail service facility” is a physical building where Postal Service employees provide such retail services. (2) The rules of this paragraph (a)(2) apply to temporary additions of retail service facilities, temporary or emergency relocations of retail services, and to provisional relocations of retail services.

(i) The Postal Service may implement temporary additions or relocations without undertaking the process in paragraph (c) of this section when necessary to support Postal Service business for holidays, special events, or overflow business. Temporary additions and relocations normally will be limited to 180 days in duration. Any additional incremental time periods of up to 180 days each must be approved by the vice president, Facilities or his designee.

(ii) The Postal Service may implement emergency relocations without first undertaking the process in paragraph (c) of this section when the Postal Service determines relocation is required to protect Postal Service business due to events such as earthquakes, floods, fire, potential or actual OSHA violations, safety factors, environmental causes, other business disrupting events, or as necessary to protect employees, customers, or the security of the mail. Following an emergency relocation, as soon as the Postal Service determines it is feasible to identify the long-term location for the retail services, the Postal Service will
make a tentative decision to remain in the emergency relocation site on a long-term basis, to return to the original retail service facility (if feasible), or to relocate to another site. Unless the decision is to return to the original retail service facility, the Postal Service then will follow the process in paragraph (c) of this section with respect to collecting and considering community input on a proposal to implement that decision.

(iii) The Postal Service may implement provisional relocations in connection with lease terminations or expirations, or in connection with a lessor exercising a right to require the Postal Service to move to alternate premises, when the Postal Service has not already undertaken the process in paragraph (c) of this section for such relocations. Not later than 180 days following a provisional relocation, the Postal Service will make a tentative decision to remain in the provisional relocation site on a long-term basis or to relocate to another site. After that decision, the Postal Service will follow the process in paragraph (c) of this section with respect to collecting and considering community input on a proposal to implement that decision.

This section applies to tentative decisions described in paragraphs (a)(1) and (a)(2) made on or after March 23, 2015. The rules under §241.4 in effect prior to that date shall apply to projects described in paragraph (a) of this section undertaken prior to that date.

(b) Purpose. The purpose of this section is to provide opportunities for community members and their elected local officials to appeal Postal Service tentative decisions described in paragraphs (a)(1) and (a)(2) made on or after March 23, 2015. The rules under §241.4 in effect prior to that date shall apply to projects described in paragraph (a) of this section undertaken prior to that date.

(1) Identify the community and engage local elected officials. The Postal Service representative will identify the community the Postal Service anticipates would be affected by implementing the proposal, taking into account such factors as the Postal Service determines are appropriate for the proposal. The Postal Service representative then will deliver to one or more local elected public officials a written outline of the proposal and offer to discuss the proposal with them. The Postal Service representative may elect to conduct that discussion either in person or using any other appropriate communication tool, including electronic communications. If the officials accept the offer, then the Postal Service representative will identify the need and outline the proposal that is under consideration to meet it, explain the process by which the Postal Service will solicit and consider input from the affected community, and solicit input from the local officials regarding the proposal.

(2) Notify the community and arrange for public presentation. The Postal Service will send an initial news release outlining the proposal to one or more news media serving the community and, if the community has a retail service facility, then the Postal Service also will post a copy of the information given to local officials or the news release in the public lobby of that retail service facility. If the proposal concerns relocating retail services from a leased facility, then, using the most current notice address information in the Postal Service’s file for the site, the Postal Service will deliver to the lessor a copy of the information given to local officials, provided, however, that no such notice will be required when the lessor has terminated the Postal Service’s lease or has declined to renew the Postal Service lease on terms acceptable to the Postal Service. Additionally, the Postal Service representative will ask the local officials to place a Postal Service presentation of the proposal on the regular agenda of the next scheduled public meeting, or will schedule a separate Postal Service public meeting concerning the proposal. At least 15 days...
prior to the meeting, the Postal Service will advertise the date, time, and location of the public meeting in a local news medium and, if the community has an existing retail service facility, then the Postal Service also will post in the public lobby of that retail service facility a notice of the date, time, and location of the public meeting.

(3) Present the proposal to the community. At the public meeting, the Postal Service will identify the need, e.g., to replace an expiring lease or to serve a new population center; identify the tentative decision, e.g., to relocate retail services or add a retail service facility; outline the proposal to meet the need; invite questions; solicit written input on the proposal; and provide an address to which the community and local officials may send written appeals of the tentative decision and comments on the proposal for a period of 30 days following the public meeting. Under exceptional circumstances that would prevent a Postal Service representative from attending or conducting a public meeting to present the proposal within a reasonable time, the Postal Service, in lieu of a public meeting, will mail written notification of the tentative decision and proposal to customers within the community and post a notice of the proposal in the retail service facility that would be affected by the proposal, seeking their written input on the proposal and providing an address to which the community and local officials may send written appeals of the tentative decision and comments on the proposal for a period of 30 days following that notification. An example of exceptional circumstances would be a proposal that would be implemented in a sparsely populated area remote from the seat of local government or any forum where the public meeting reasonably could be held.

(i)(A) If the proposal concerns relocation, then the Postal Service will:
(1) Discuss the reasons for relocating;
(2) Identify the site or area, or both, to which the Postal Service anticipates relocating the retail services; and
(3) Describe the anticipated size of the retail service facility for the relocated retail services, and the anticipated services to be offered at that site or in that area.
(B) The Postal Service may identify more than one potential relocation site and/or area, for example, when the Postal Service has not selected among competing sites.

(ii)(A) If the proposal concerns adding a new retail service facility for a community, then the Postal Service will:
(1) Discuss the reasons for the addition;
(2) Identify the site or area, or both, to which the Postal Service anticipates adding the retail service facility;
(3) Describe the anticipated size of the added retail service facility, and the anticipated services to be offered; and
(4) Outline any anticipated construction (e.g., of a stand-alone building or interior improvements to an existing building (or portion thereof) that will be leased by the Postal Service).

(B) The Postal Service may identify more than one potential site and/or area, for example, when the Postal Service has not selected yet among competing sites.

(4) Consider comments and appeals. After the 30-day comment and appeal period, the Postal Service will consider the comments and appeals received that identify reasons why the Postal Service’s tentative decision and proposal (e.g., to relocate to the selected site, or to add a new retail service facility) is, or is not, the optimal solution for the identified need. Following that consideration, the Postal Service will make a final decision to proceed with, modify, or cancel the proposal. The Postal Service then will inform local officials in writing of its final decision and send an initial news release announcing the final decision to local news media. If the community has a retail service facility, then the Postal Service also will post a copy of the information given to local officials or the news release in the public lobby of that retail service facility. The Postal Service then will implement the final decision.

(5) Identify any new site or area. After the public meeting under paragraph (c)(3) of this section, if the Postal Service decides to use a site or area that it
did not identify at the public meeting, and this section applies with respect to that new site or area, then the Postal Service will undertake the steps in paragraphs (c)(2) through (4) of this section with regard to the new site or area.

(d) Effect on other obligations and policies. (1) Nothing in this section shall add to, reduce, or otherwise modify the Postal Service’s legal obligations or policies for compliance with:

(i) Section 106 of the National Historic Preservation Act, 16 U.S.C. 470, Executive Order 12072, and Executive Order 13006;

(ii) 39 U.S.C. 404(d) and 39 CFR 241.3; or

(iii) 39 U.S.C. 409(f);

(2) These are independent policies or obligations of the Postal Service that are not dependent upon a relocation or addition of a retail service facility.

PART 242—CHANGE OF SITE

§ 242.2 Change of site—fourth-class offices.

Report by memorandum to chief, organization and management branch, when change in site is necessary. Complete Form 1021 when furnished. Retain one copy in files. If new location is one-fourth of a mile or more from existing location, furnish a statement signed by majority of customers approving change. When a change involves moving a post office from one county to another, notify the Deputy Postmaster General, of the circumstances (including a sketch showing present and proposed sites), and await approval of that Division.

§ 242.2 Change of site—fourth-class offices.

(b) Location of offices. Postal units may not be located in, or directly connected to, a room in which intoxicating liquor is sold to be consumed on the premises.

(c) Lost articles. When articles are turned in to employees, the name and address of the finder shall be recorded so the article may be returned to him if not claimed by the loser. If the name of the finder cannot be obtained, and the article is not claimed within 30 days, it must be disposed of in the same manner as unidentified material found loose in the mail. Do not return postal money orders to the finder. Mail to Money Order Branch, Accounting Division, U.S. Postal Service, General Accounting Office Building, Washington, DC 20260, with a memorandum of explanation.

(d) Public use of restrooms. Restrooms off public corridors shall normally be kept open during regular hours of business for the benefit of the public. Where vandalism or loitering cannot be controlled, postmasters may lock restrooms, furnishing those agencies served by the restrooms, keys for employee use. This shall not be construed to permit access by nonpostal personnel to restrooms in restricted postal areas.

(e) Letter drops. At all except fourth-class post offices, provide a regulation letterbox for depositing mail in front of or next to the post office. Show collection time schedules on letterboxes. At fourth-class offices, if a letterbox is not supplied, provide a slot in the outer post office door. When messengers or star route carriers have access to lobbies, door slot deposits must lead to a locked box.

(f) Hour signs. Display hours of window service prominently at all first-, second-, and third-class post offices, classified stations and branches, and annexes. Use Sign 41. Hours decal set, available in supply centers.

(g) Service of process on postal premises. Postmasters or other installation heads shall permit service on postal premises of civil and criminal process affecting employees in personal matters, when such service of process will not interfere with postal operations. Process servers should be directed to the postmaster’s or installation head’s
§ 254.2 Definition of primary function area and criteria used to determine whether an alteration has an effect on an area containing a primary function that is disproportionate to the overall alterations.

(a) **Terminology.** The new accessibility guidelines require that certain terms be defined by the participating federal agencies. In the U.S. Access Board’s 36 CFR part 1191, Appendix C, ABA chapter 2, section F202.6.2 requires that “primary function areas” be defined and Section F202.4 contains requirements for alterations affecting “primary function areas” stating, “* * * an alteration that affects or could affect the usability of or access to an area containing a primary function shall be made so as to ensure that, to the maximum extent feasible, the path of travel to the altered area, including the rest rooms, telephones, and drinking fountains serving the altered area, are readily accessible to and usable by individuals with disabilities, unless such alterations are disproportionate to the overall alterations in terms of cost and scope as determined under criteria established by the Administrator of * * * the United States Postal Service.”

(b) **Primary function areas.** For purposes of this part, the primary function of the Postal Service is to provide mail service for its customers, that is to accept, distribute, transport and deliver the mail. Two essential facilities for fulfilling these functions are customer lobby areas where customers conduct their retail transactions, access mail depositories and post office boxes and work room areas where postal employees distribute the mail and perform other core postal operations. Therefore, for purposes of the accessibility guidelines applicable to the Postal Service under the Architectural Barriers Act, two primary function areas...
are identified: Customer Lobbies and Workroom Areas.

(c) Disproportionality. (1) According to Section F202.6.2, “alteration” of elements in a primary function area can trigger a requirement to make accessibility improvements along the path of travel to the area and improvements to rest rooms, telephones, and drinking fountains that serve the altered area if the alteration “affects or could affect the usability of or access to an area containing a primary function.” It is conceivable that almost any repair or alteration project in a “primary function area” could affect the usability of the area. Therefore a literal interpretation of this provision could require an expansion of the scope of virtually any alteration in a primary function area, regardless of the size and scope of the original project. According to Section F202.6.2, accessibility improvements must be made to the path of travel to the altered area and to rest rooms, telephones, and drinking fountains that serve the altered area “unless such alterations are disproportionate to the overall alterations in terms of cost and scope”.

(2) For purposes of the accessibility guidelines applicable to the Postal Service under the Architectural Barriers Act, two criteria must be considered in making a determination whether accessibility improvements are disproportionate to the cost and scope of the original alteration: a magnitude threshold for the original alteration and a maximum “percentage threshold” for the accessibility alteration.

(d) Magnitude threshold. It is anticipated that, in most cases, a significant additional effort would be required to assess physical conditions along the path of travel and for rest rooms, telephones, and drinking fountains that serve the altered area, and to determine the scope, budget and appropriate design requirements for any corrective alterations. Unless the original alteration is of substantial magnitude, a disproportionate effort would be devoted to such investigation, design, and administration leaving few, if any funds to accomplish corrective work. Accordingly, a “magnitude threshold” is established such that no accessibility improvements to the path of travel, nor to any associated facilities, shall be required under F202.6.2 for alterations that have an estimated total cost less than 20 percent of the fair market value of the facility.

(e) Percentage threshold. For alterations subject to F202.6.2 that meet or exceed the “magnitude threshold,” the maximum cost for accessibility improvements to the path of travel, including all costs for accessibility improvements to rest rooms, telephones, and drinking fountains that serve the altered area, shall not exceed 20 percent of the total cost of the original alteration. Costs for accessibility improvements in excess of the 20 percent threshold shall be deemed “disproportionate.”

§ 255.1 Purpose.

(a) This part implements section 504 of the Rehabilitation Act of 1973, as amended. Section 504 prohibits discrimination on the basis of disability in programs or activities conducted by executive agencies or by the Postal Service. This part also implements section 508 of the Rehabilitation Act of 1973, as amended. Section 508 requires that executive agencies and the Postal Service ensure, absent an undue burden, that individuals with disabilities
have access to electronic and information technology that is comparable to the access of individuals who are not disabled.

(b) The standards relating to electronic and information technology expressed in this part are intended to be consistent with the standards announced by the Architectural and Transportation Barriers Compliance Board on December 21, 2000. Those standards are codified at 36 CFR part 1194.

§ 255.2 Definitions.

(a) Agency as used in this part means the Postal Service.

(b) Area/functional vice president also includes his or her designee.

(c) Electronic and information technology (EIT) includes “information technology” and any equipment or interconnected system or subsystem of equipment that is used in the creation, conversion, or duplication of data or information. The term does not include any equipment that contains embedded information technology that is used as an integral part of the product, but the principal function of which is not the acquisition, storage, manipulation, management, movement, control, display, switching, interchange, transmission, or reception of data or information.

(d) Formal complaint means a written statement that contains the complainant’s name, address, and telephone number, sets forth the nature of the complainant’s disability, and describes the agency’s alleged discriminatory action in sufficient detail to inform the agency of the nature of the alleged violation of section 504 or of section 508. It shall be signed by the complainant or by someone authorized to do so on the complainant’s behalf.

(e) Individual with a disability. For purposes of this part, “individual with a disability” means any person who—

(1) Has a physical or mental impairment that substantially limits one or more of such person’s major life activities;

(2) Has a record of such an impairment; or

(3) Is regarded as having such an impairment.

(f) Information technology means any equipment, or interconnected system or subsystem of equipment, that is used in the automatic acquisition, storage, manipulation, management, movement, control, display, switching, interchange, transmission, or reception of data or information.

(g) Postal manager. As used in this part, “postal manager” means the manager or official responsible for a service, facility, program, or activity.

(h) Qualified individual with a disability. For purposes of this part, “qualified individual with a disability” means—

(1) With respect to any Postal Service program or activity, except for employment, under which a person is required to perform services or to achieve a level of accomplishment, an individual with a disability who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature; or

(2) With respect to any other program or activity, except for employment, an individual with a disability who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity; or

(3) With respect to employment, an individual with a disability who can perform the essential functions of the job in question with or without reasonable accommodation.

(k) Section 508 means section 508 of the Rehabilitation Act of 1973, as amended. Section 508 is codified at 29 U.S.C. 794d.

(l) Undue burden means significant difficulty or expense.

(m) Vice President and Consumer Advocate also includes his or her designee.
§ 255.3 Nondiscrimination under any program or activity conducted by the Postal Service.

In accordance with section 504 of the Rehabilitation Act, no qualified individual with a disability shall, solely by reason of his or her disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity conducted by the Postal Service.

§ 255.4 Accessibility to electronic and information technology.

(a) In accordance with section 508 of the Rehabilitation Act, the Postal Service shall ensure, absent an undue burden, that the electronic and information technology the agency procures allows—

(1) Individuals with disabilities who are Postal Service employees or applicants to have access to and use of information and data that is comparable to the access to and use of information and data by Postal Service employees or applicants who are not individuals with disabilities; and

(2) Individuals with disabilities who are members of the public seeking information or services from the Postal Service to have access to and use of information and data that is comparable to the access to and use of information and data by members of the public who are not individuals with disabilities.

(b) When procurement of electronic and information technology that meets the standards published by the Architectural and Transportation Barriers Compliance Board would pose an undue burden, the Postal Service shall provide individuals with disabilities covered by paragraph (a) of this section with the information and data by an alternative means of access that allows the individuals to use the information and data.

§ 255.5 Employment.

No qualified individual with a disability shall, on the basis of disability, be subjected to discrimination in employment with the Postal Service. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973, as established by the Equal Employment Opportunity Commission in 29 CFR part 1614 shall apply to employment within the Postal Service.

§ 255.6 Processing of complaints.

(a) Section 504 complaints, employment.

The Postal Service shall process complaints of employees and applicants alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1614 pursuant to section 501 of the Rehabilitation Act of 1973, as amended. 29 U.S.C. 791. In accordance with 29 CFR part 1614, the Postal Service has established procedures for processing complaints of alleged employment discrimination, based upon disability, in the agency’s handbook, Equal Employment Opportunity Complaint Processing.

(b) Section 504 complaints, members of the public.

The procedures of this part shall apply to section 504 complaints alleging disability discrimination in any program or activity of the Postal Service and brought by members of the public.

(c) Section 508 complaints, members of the public, employees, and applicants.

The procedures of this part shall apply to section 508 complaints alleging failure to provide access to electronic and information technology and brought by members of the public or by employees or applicants. Section 508 complaints shall be processed to provide the remedies required by section 508 of the Rehabilitation Act.

(d) Complaint Procedures. Any individual with a disability who believes that he or she has been subjected to discrimination prohibited by this part or by the alleged failure of the agency to provide access to electronic and information technology may file a complaint by following the procedures described herein. A complainant shall first exhaust informal administrative procedures before filing a formal complaint.

(1) Informal complaints relating to Postal Service programs or activities and to EIT. (1) A complainant initiates the informal process by informing the responsible postal manager orally or in writing of the alleged discrimination
or inaccessibility of Postal Service programs, activities, or EIT. Postal managers or employees who receive informal complaints that they lack the authority to resolve must promptly refer any such informal complaint to the appropriate postal manager, and at the same time must notify the complainant of the name, address, and telephone number of the person handling the complaint.

(ii) Resolution of the informal complaint and time limits. Within 15 days of receipt of the informal complaint, the responsible postal manager must send the complainant a written acknowledgment of the informal complaint. The written acknowledgment will include the date the complaint was filed and a description of the issue(s). If the matter cannot be resolved within 30 days of its receipt, the complainant must be sent a written interim report which explains the status of the informal complaint and the proposed resolution of the matter. On or before the 60th day from the agency’s receipt of the informal complaint, the appropriate area/functional vice president within the Postal Service shall send a written decision to the complainant detailing the final disposition of the informal complaint and the reasons for that disposition. The decision shall contain the notice that the complainant may challenge an informal decision which denies relief either by proceeding in any other appropriate forum, including the right to file a formal complaint with the Vice President and Consumer Advocate in accordance with the following procedures. If the complainant files a formal complaint with the Vice President and Consumer Advocate, the complainant shall exhaust the formal complaint procedures before filing suit in any other forum.

(i) Where to file. Formal complaints relating to programs or activities conducted by the Postal Service or to access of Postal Service EIT may be filed with the Vice President and Consumer Advocate, United States Postal Service, 475 L’Enfant Plaza, SW., Washington, DC 20260.

(ii) When to file. A formal complaint shall be filed within 30 days of the date the complainant receives the decision of the area/functional vice president to deny relief. For purposes of determining when a formal complaint is timely filed under paragraph (d)(2)(ii) of this section, a formal complaint mailed to the agency shall be deemed filed on the date it is postmarked. Any other formal complaint shall be deemed filed on the date it is received by the Vice President and Consumer Advocate.

(iii) Acceptance of the formal complaint. The Vice President and Consumer Advocate shall accept a timely filed formal complaint that meets the requirements of §255.2(d), that is filed after fulfilling the informal exhaustion procedures of §255.6(d)(1), and over which the agency has jurisdiction. The Vice President and Consumer Advocate shall notify the complainant of receipt and acceptance of the formal complaint within 15 days of the date the Vice President and Consumer Advocate received the formal complaint.

(iv) Resolution of the formal complaint. Within 180 days of receipt and acceptance of a formal complaint over which the agency has jurisdiction, the Vice President and Consumer Advocate
shall notify the complainant of the results of the investigation of the formal complaint. The notice shall be a written decision stating whether or not relief is being granted and the reasons for granting or denying relief. The notice shall state that it is the final decision of the Postal Service on the formal complaint.

(e) No retaliation. No person shall be subject to retaliation for opposing any practice made unlawful by the Rehabilitation Act of 1973, as amended, 29 U.S.C. 791, or for participating in any stage of administrative or judicial proceedings under the statute.

§ 255.7 Special arrangements for postal services.

Members of the public who are unable to use or who have difficulty using certain postal services may be eligible under postal regulations for special arrangements. Some of the special arrangements that the Postal Service has authorized are listed below. No one is required to use any special arrangement offered by the Postal Service, but an individual’s refusal to make use of a particular special arrangement does not require the Postal Service to offer other special arrangements to that individual.

(a) The Postal Operations Manual offers information on special arrangements for the following postal services:
(1) Carrier delivery services and programs,
(2) Postal retail services and programs,
(i) Stamps by mail or phone,
(ii) Retail service from rural carriers,
(iii) Self-service postal centers. Self-service postal centers contain vending equipment for the sale of stamps and stamp items, and deposit boxes for parcels and letter mail. Many centers are accessible to individuals in wheelchairs. Information regarding the location of the nearest center may be obtained from a local post office.

(b) The Domestic Mail Manual, the Administrative Support Manual, and the International Mail Manual contain information regarding postage-free mailing for mailings that qualify.

(c) Inquiries and requests. Members of the public wishing further information about special arrangements for particular postal services may contact their local postal manager.

(d) Response to a request or complaint regarding a special arrangement for postal services. A local postal manager receiving a request or complaint about a special arrangement for postal services must provide any arrangement as required by postal regulations. If no special arrangements are required by postal regulations, the local postal manager, in consultation with the district manager or area manager, as needed, may provide a special arrangement or take any action that will accommodate an individual with a disability as required by section 504 or by this part.

§ 255.8 Access to postal facilities.

(a) Legal requirements and policy—(1) ABA Standards. Where the design standards of the Architectural Barriers Act (ABA) of 1968, 42 U.S.C. 4151 et seq., do not apply, the Postal Service may perform a discretionary retrofit to a facility in accordance with this part to accommodate individuals with disabilities.

(2) Discretionary modifications. The Postal Service may modify facilities not legally required to conform to ABA standards when it determines that doing so would be consistent with efficient postal operations. In determining whether modifications not legally required should be made, due regard is to be given to:
(i) The cost of the discretionary modification;
(ii) The number of individuals to be benefited by the modification;
(iii) The inconvenience, if any, to the general public;
(iv) The anticipated useful life of the modification to the Postal Service;
(v) Any requirement to restore a leased premises to its original condition at the expiration of the lease, and the cost of such restoration;
(vi) The historic or architectural significance of the property in accordance with the National Historic Preservation Act of 1966, 16 U.S.C. 470 et seq.;
(vii) The availability of other options to foster service accessibility; and
(viii) Any other factor that is relevant and appropriate to the decision.

(b) Inquiries and requests. (1) Inquiries concerning access to postal facilities,
and requests for discretionary alterations of postal facilities not covered by the design standards of the ABA, may be made to the local postal manager of the facility involved.

(2) The local postal manager’s response to a request or complaint regarding an alteration to a facility will be made after consultation with the district manager or the area manager. If the determination is made that modification to meet ABA design standards is not required, a discretionary alteration may be made on a case-by-case basis in accordance with the criteria listed in paragraph (a)(2) of this section. If a discretionary alteration is not made, the local postal manager should determine if a special arrangement for postal services under §255.7 can be provided.

§255.9 Other postal regulations; authority of postal managers and employees.

This part supplements all other postal regulations. Nothing in this part is intended either to repeal, modify, or amend any other postal regulation, to authorize any postal manager or employee to violate or exceed any regulatory limit, or to confer any budgetary authority on any postal official or employee outside normal budgetary procedures.

PART 259—SERVICES PERFORMED FOR OTHER AGENCIES

Sec.
259.1 Government.
259.2 Red Cross.

§259.1 Government.

(a) Policy. The Postal Service cooperates with Federal Agencies whenever the overall costs to Government will be reduced. Assistance in a number of special projects and programs is provided when the knowledge and abilities of postal employees are helpful.

(b) Reimbursement. The Postal Service establishes reasonable fees and charges for nonpostal services performed for agencies of the Federal as well as State governments. In establishing such fees and charges, the Postal Service considers the value of time of the personnel directly involved in the performance of the service, including direct supervision and supporting functions, plus the cost of materials and supplies specifically sold, used or consumed. Also included is an element representing a reasonable share of Postal Service general overhead costs which are not attributable or assignable specifically to any product or service. The establishment of such fees and charges shall be reasonably consistent with the methods employed in establishing rates and fees for postal services then in effect.

(c) Except as provided in paragraph (d) of this section, arrangements for Postal Service participation in special surveys, censuses, and other activities must be made between the national headquarters of the requesting agencies and the Customer Services Department, U.S. Postal Service, Washington, DC 20260. Refer all requests to the Regional Postmaster General for forwarding to Headquarters. Authority to perform services for Government agencies is announced in the Postal Bulletin or by individual letters to the offices involved.

(d) Housing Vacancy Surveys—(1) General. An interagency agreement between the U.S. Postal Service (USPS) and the Federal Home Loan Bank Board (FHLBB) establishes the terms and conditions and reimbursement rates under which USPS will conduct Housing Vacancy Surveys in City Delivery offices when requested by FHLBB.

(2) Restrictions. The Agreement only authorizes the disclosure of aggregate statistical data. Postal managers must not permit the name or address of any past or present postal patron, or any other person to be disclosed unless such disclosure is authorized in writing by USPS Regions or Headquarters and is not in violation of 39 U.S.C. 412.

(3) Postmaster’s Responsibility. (i) A postmaster will receive notification from FHLBB when his office has been selected to conduct a Housing Vacancy Survey. Normally, written notification will be mailed to the postmaster 30 days in advance of the date FHLBB would like USPS to conduct the survey, since USPS is under no obligation to use overtime or auxiliary assistance
§ 259.2 Red Cross.

(a) General. The Postal Service and the Red Cross cooperate to maintain communication between the individual and the community during times of disaster. This applies only to natural disasters such as those caused by floods, tornados, hurricanes, earthquakes, fires, explosions, etc., and not to those caused by enemy action.

(b) Role of Postal Service. The Postal Service and the Red Cross will share information on the whereabouts of persons displaced by disasters, and otherwise cooperate with each other, as follows:

1. The Red Cross will use Form 3575, Change of Address Order, as a standard item in Red Cross disaster relief. It will urge disaster victims displaced from their homes to obtain and complete the forms, it will distribute the forms to disaster victims who need them, and it will collect from the victims and turn over to the Postal Service any completed forms received.

2. The Postal Service will provide the Red Cross the blank forms needed.

3. During each disaster and subsequent disaster relief efforts, the Postal Service will establish a separate file of change of address forms completed by disaster victims, and will make available to the Red Cross information in the file. This information will be used by the Red Cross only to locate individuals and families, to answer inquiries from relatives and friends concerning the whereabouts and welfare of the disaster victims, or to make contact with disaster victims who have applied for assistance from the Red Cross but who cannot be located because of a change of address.

4. The Postal Service and the Red Cross will encourage appropriate local postal officials and Red Cross chapters to maintain contact with each other and to participate in local and community planning for disasters.

5. When appropriate, the Postal Service and the Red Cross will meet and exchange information at the national headquarters level concerning the effectiveness of their joint efforts for disaster relief.

6. Regional Postmasters General and Postal Inspectors in Charge are responsible for seeing that post offices implement these cooperative arrangements in disaster situations.

7. The instructions in §259.2 serve as a broad framework within which field officials of both agencies may coordinate their facilities and resources.
However, postal officials shall cooperate with Red Cross officials to the maximum feasible degree during times of natural disasters.

United States Postal Service

§ 265.2 Proactive disclosure of Postal Service records.

(a) In general. The Postal Service is responsible for determining which of its records must be made publicly available, for identifying additional records of interest to the public that are appropriate for public disclosure, and for posting and indexing such records. The Postal Service’s FOIA Requester Service Centers (RSCs) and FOIA Public Liaisons can assist individuals in locating Postal Service records. Descriptions of, and contact information for, the various FOIA RSCs can be found at http://about.usps.com/who-we-are/foia/welcome.htm.

(b) Records available in an electronic format. Records that the FOIA requires the Postal Service to make available for public inspection in an electronic format pursuant to 5 U.S.C. 552(a)(2) and that are exempt from the requirements of 5 U.S.C. 552(a)(3), may be accessed through the Postal Service’s Web site at http://about.usps.com/who-we-are/foia/welcome.htm. The Postal Service must ensure that its Web site of posted records and indices is reviewed and updated on an ongoing basis. Such records available for public inspection in an electronic format include the following:

(1) Opinions. All final opinions and orders made in the adjudication of cases by the Judicial Officer and Administrative Law Judges, all final determinations pursuant to section 404(b) of title 39, United States Code, to close or consolidate a post office, or to disapprove a proposed closing or consolidation, all advisory opinions concerning the private express statutes issued pursuant to 39 CFR 310.6, and all supplier disagreement decisions are on file and available for inspection and copying at the Headquarters Library and, if created on or after November 1, 1996, also at the Postal Service’s Web site at http://about.usps.com/who-we-are/foia/welcome.htm.

(2) Administrative manuals and instructions. The manuals, instructions, and other publications of the Postal Service that affect members of the public are available through the Headquarters Library and at many post offices and other postal facilities. Those which are available to the public but are not listed for sale or as available free of charge may be requested on an individual basis in accordance with the procedures provided in §265.3.
(3) Previously released records. Copies of all records, regardless of form or format, that have been released to any person pursuant to the FOIA; and that because of the nature of their subject matter, the Postal Service determines have become or are likely to become the subject of subsequent requests for substantially the same records; or that have been requested 3 or more times, as well as a general index of such records. Records processed and disclosed after March 31, 1997, are available for inspection and copying at the Headquarters Library. Any such records created by the Postal Service on or after November 1, 1996, also will be available at the Postal Service’s Web site identified at §265.2(b). Records described in this paragraph that were not created by, or on behalf of, the Postal Service generally will not be available at the Web site. Records will be available in the form in which they were originally disclosed, except to the extent that they contain information that is not appropriate for public disclosure and may be withheld pursuant to this section. Any deleted material will be marked and the applicable exemptions indicated in accordance with §265.6(d).

(iv) Copies of the public index and of matters listed in the public index that were created on or after November 1, 1996, will also be available in electronic format at the Postal Service’s Web site at http://about.usps.com/who-we-are/foia/welcome.htm.

§265.3 Procedure for submitting a FOIA request.

(a) To whom submitted. A request must be submitted to the appropriate FOIA Requester Service Center (RSC). Descriptions of, and contact information for, the various FOIA RSCs can be found at http://about.usps.com/who-we-are/foia/welcome.htm. For assistance in determining the appropriate FOIA RSC, requesters may contact the USPS HQ FOIA Requester Service Center, Privacy and Records Office, U.S. Postal Service, 475 L’Enfant Plaza SW., Washington, DC 20260, telephone (202) 268–2608. Requests for listings of postal employee names should also be sent to the USPS HQ FOIA Requester Service Center.

(b) Form of request. A request to inspect or to obtain a copy of an identifiable Postal Service record must be in writing and bear the caption “Freedom of Information Act Request” or otherwise be clearly and prominently identified as a request for records pursuant to the Freedom of Information Act, both on the letter and on the envelope or other cover. Requests for records that are labeled incorrectly may be delayed in reaching the appropriate FOIA RSC. A requester must provide his or her full name and mailing address. A requester may also provide a daytime telephone number or email address to facilitate communication regarding his or her request.

(c) Content of request. Requesters must describe the records sought in sufficient detail to enable Postal Service personnel to locate them with a reasonable amount of effort. Whenever possible, requesters should include specific information about each record sought, such as the type of record (e.g., contract, report, memorandum, etc.); the title or case number of a specific document or report; the topic or subject matter; the name of the office, facility, functional unit or employees most likely to possess the record; the geographical location, such as a city...
United States Postal Service

§ 265.4 Responsibility for responding to requests.

(a) In general. When a request is received, the FOIA RSC will either respond to the request, or refer the request to the appropriate FOIA RSC or records custodians. The FOIA RSC will advise the requester of any such referral. The Postal Service, the Office of Inspector General of the Postal Service, and the Postal Inspection Service, respectively, are responsible for responding to requests they receive for records they maintain. Records responsive to a request ordinarily will include only records in the Postal Service’s possession as of the date of the search. If any other date is used, the Postal Service shall inform the requester of that date. A record that is excluded from the requirements of the FOIA pursuant to 5 U.S.C. 552(c) is not considered responsive to the request.

(b) Authority to grant or deny requests. The records custodian of the requested record, or his designee, is authorized to grant or to deny the request. FOIA RSC staff may also grant or deny requests.

(c) Receipt and tracking of requests. FOIA RSCs are responsible for the initial receipt and tracking of FOIA requests.

(d) Acknowledgments of requests. FOIA RSCs must acknowledge the request in writing and assign it an individualized tracking number if it will take longer than 10 working days to process. The acknowledgement of the request must include a brief description of the records sought to allow requesters to

and state, where the records are thought to exist; the date or general timeframe of the record’s creation; and any details related to the purpose of the record. Requests for email records should specify the likely senders and recipients, keywords, and a range of dates. If seeking information about a company, requesters should provide the exact name and address of the company (many companies use similar names). Before submitting requests, requesters may contact the relevant Postal Service FOIA Requester Service Center to discuss the records they are seeking and to receive assistance in describing the records. The request may state the maximum amount of fees for which the requester is willing to accept liability without prior notice. If no amount is stated, the requester will be deemed willing to accept liability for fees not to exceed $25.00. See paragraph (e)(2) of § 265.9. The request may also specify the preferred form or format (including electronic formats) of the requested records.

(d) First-party requests. A requester who is making a request for records about himself must provide verification of identity sufficient to satisfy the component as to his identity prior to release of the record. For Privacy Act-protected records, the requester must further comply with the procedures set forth in 39 CFR 266.6.

(e) Third-party requests. Where a FOIA request seeks disclosure of records that pertain to a third party, a requester may receive greater access by submitting a written authorization signed by that individual authorizing disclosure of the records to the requester, or by submitting proof that the individual is deceased (e.g., a copy of a death certificate or an obituary). As an exercise of administrative discretion, each component can require a requester to supply a notarized authorization, a declaration, or other additional information if necessary in order to verify that a particular individual has consented to disclosure.

(f) Improper requests. A request that does not reasonably describe the records sought, or does not comply with the published rules regarding the procedures to be followed for submitting a request, will be deemed to be an improper FOIA request. If after receiving a request, the Postal Service determines that it is improper, the Postal Service will inform the requester as to why the request is improper. If the requester fails to respond to the Postal Service’s request for clarification or additional information within 30 calendar days, the Postal Service will assume the requester is no longer interested in pursuing the request and close its file. The FOIA Requester Service Centers and the FOIA Public Liaisons are available to assist requesters in correcting a request that does not reasonably describe the records sought.
§265.5 Timing of responses to requests.

(a) In general. Requests will ordinarily be responded to according to their order of receipt. A request that is not initially submitted to the appropriate FOIA RSC will be deemed to have been received by the Postal Service at the time it is actually received by the appropriate FOIA RSC or at the time the request is referred to the appropriate records custodian by a FOIA RSC, but in any case a request will be deemed to have been received no later than 10 business days after the request is first received by a FOIA RSC.

(b) Multitrack processing. (1) Unless expedited processing has been granted, the Postal Service places each request in simple or complex tracks based on the amount of work and time involved in processing the request. Factors considered in assigning a request into the complex track may include one or more of the following factors:
   (i) The request involves voluminous documents;
   (ii) The complexity of the material;
   (iii) The request involves record searches at multiple facilities or locations;
   (iv) The request requires consultation among components or other agencies;
   (v) The number of open requests submitted by the same requester.

(2) Within each track, the Postal Service processes requests in the order in which they are received. When appropriate, the FOIA RSC or the component will notify the requester if it has placed the request in the “Complex” track, and provide the requester with an opportunity to limit the scope of the request. If the requester limits the scope of the request, it may result in faster processing.

(c) Expedited processing. (1) Requests and appeals shall be processed on an expedited basis whenever it is determined that they involve:
   (i) Circumstances in which the lack of expedited processing could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;
   (ii) An urgency to inform the public about an actual or alleged Federal Government activity, if made by a person who is primarily engaged in disseminating information.

(2) A requester who seeks expedited processing must submit a statement, certified to be true and correct, explaining in detail the basis for making the request for expedited processing. For example, under paragraph (e)(1)(ii) of this section, a requester who is not a full-time member of the news media must establish that the requester is a person whose primary professional activity or occupation is information dissemination, though it need not be the requester’s sole occupation. Such a requester also must establish a particular urgency to inform the public about the government activity involved in the request—one that extends beyond the public’s right to know about government activity generally. The existence of numerous articles published on a given subject can be helpful in establishing the requirement that there be an “urgency to inform” the public on the topic. As a matter of administrative discretion, a component may waive the formal certification requirement.

(3) A component shall notify the requester within 10 calendar days of the receipt of a request for expedited processing of its decision whether to grant or deny expedited processing. If expedited processing is granted, the request shall be given priority, placed in the processing track for expedited requests, and shall be processed as soon as practicable. If a request for expedited processing is denied, any appeal of that decision shall be acted on expeditiously.

(d) Unusual circumstances. Whenever the statutory time limit for processing a request cannot be met because of “unusual circumstances,” as defined in the FOIA, and the component extends the time limit on that basis, the component shall, before the expiration of the 20-day period to respond, notify the requester in writing of the unusual circumstances involved and of the date by which processing of the request can be...
§ 265.7 Confidential commercial information obtained from submitters.

(a) Definitions.

Confidential commercial information means commercial or financial information obtained by the Postal Service from a submitter that may be protected from disclosure under Exemption 4 of the FOIA, 5 U.S.C. 552(b)(4).
(2) **Submitter** means any person or entity, including a corporation, State, or foreign government, but not including another Federal Government entity, that provides information, either directly or indirectly to the Postal Service.

(b) **Designation of confidential commercial information.** A submitter of confidential commercial information must use good faith efforts to designate by appropriate markings, either at the time of submission or within a reasonable time thereafter, any portion of its submission that it considers to be protected from disclosure under Exemption 4. The Postal Service will not determine the validity of any request for confidential treatment until a request for disclosure of the information is received. These designations shall expire 10 years after the date of the submission unless the submitter requests and provides justification for a longer designation period.

(c) **When notice to submitters is required.** (1) The Postal Service shall promptly provide written notice to a submitter of confidential commercial information whenever records containing such information are requested under the FOIA if, after reviewing the request, the responsive records, and any appeal by the requester, the Postal Service determines that it may be required to disclose the records, provided:

   (i) The requested information has been designated in good faith by the submitter as information considered protected from disclosure under Exemption 4; or

   (ii) The Postal Service has a reason to believe that the requested information may be protected from disclosure under Exemption 4, but has not yet determined whether the information is protected from disclosure under that exemption or any other applicable exemption.

(2) The Postal Service has a reason to believe that the requested information may be protected from disclosure under Exemption 4, but has not yet determined whether the information is protected from disclosure under that exemption or any other applicable exemption.

(2) The notice shall either describe the commercial information requested or include a copy of the requested records or portions of records containing the information. In cases involving a voluminous number of submitters, notice may be made by posting or publishing the notice in a place or manner reasonably likely to accomplish it.

(d) **Exceptions to submitter notice requirements.** The notice requirements of this section shall not apply if:

   (1) The Postal Service determines that the information is exempt under the FOIA or 39 U.S.C. 410(c);

   (2) The information has been lawfully published or has been officially made available to the public;

   (3) Disclosure of the information is required by a statute other than the FOIA or by a Postal Service regulation; if disclosure is required by a Postal Service regulation and the submitter provided written justification for protection of the information under Exemption 4 at the time of submission or a reasonable time thereafter, advanced written notice of the disclosure must be provided to the submitter; or

   (4) The designation made by the submitter under paragraph (b) of this section appears obviously frivolous or overly broad, except that, in such cases, the component shall give the submitter written notice of any final decision to disclose the information within a reasonable number of days prior to a specified disclosure date.

(e) **Opportunity to object to disclosure.** (1) The Postal Service shall specify a reasonable time period within which the submitter must respond to the notice referenced above. If a submitter has any objections to disclosure, it should provide the Postal Service a detailed written statement that specifies all grounds for withholding the particular information under any exemption of the FOIA. In order to rely on Exemption 4 as basis for nondisclosure, the submitter must explain why the information constitutes a trade secret or commercial or financial information that is privileged or confidential. Whenever possible, the submitter’s claim of confidentiality should be supported by a statement or certification by an officer or authorized representative of the submitter that the information in question is in fact confidential, has not been disclosed to the public by the submitter, and is not routinely available to the public from other sources.
United States Postal Service

§ 265.8 Administrative appeals.

(a) Requirements for making an appeal. Requesters may appeal adverse decisions rendered by the Postal Inspection Service or any Postal Service component by mail to the General Counsel, U.S. Postal Service, 475 L'Enfant Plaza SW., Washington, DC 20260; or by email to foiaappeal@usps.gov. The requester must make the appeal in writing and to be considered timely it must be postmarked, or in the case of electronic submissions, transmitted, within 90 calendar days after the date of the response; or within a reasonable time if the appeal is from a failure of the custodian to act. The General Counsel may, in his or her discretion, consider late appeals. In the event of the denial of a request or of other action or failure to act on the part of a custodian from which no appeal is taken, the General Counsel may, if he or she considers that there is doubt as to the correctness of the custodian’s action or failure to act, review the action or failure to act as though an appeal pursuant to this section had been taken. A letter of appeal should include, as applicable:

(1) A copy of the request, of any notification of denial or other action, and of any other related correspondence;

(2) The FOIA tracking number assigned to the request;

(3) A statement of the action, or failure to act, from which the appeal is taken;

(4) A statement identifying the specific redactions to responsive records that the requester is challenging;

(5) A statement of the relief sought; and

(6) A statement of the reasons why the requester believes the action or failure to act is erroneous.

(b) Adjudication of appeals. (1) The decision of the General Counsel or his or her designee constitutes the final decision of the Postal Service on the issue being appealed. The General Counsel will give prompt consideration to an appeal for expedited processing of a request. All other decisions normally will be made within 20 working days from the time of the receipt by the General Counsel. The 20-day response period may be extended by the General Counsel, or his or her designee, for a period...
§ 265.9 Fees.

(a) In general. The Postal Service shall charge for processing requests under the FOIA in accordance with the provisions of this section and with the OMB Guidelines. In order to resolve any fee issues that arise under this section, a component may contact a requester for additional information. The Postal Service will conduct searches, review, and duplication in the most efficient and the least expensive manner. The Postal Service ordinarily will collect all applicable fees before sending copies of records to a requester. Requesters must pay fees by check or money order made payable to "U.S. Postal Service."

(b) Definitions. For purposes of this section:

(1) Commercial-use requester is a requester who asks for information for a use or a purpose that furthers a commercial, trade, or profit interest, which can include furthering those interests through litigation. The Postal Service’s decision to place a requester in the commercial use category will be made on a case-by-case basis based on the requester’s intended use of the information.

(2) Direct costs are those expenses that the Postal Service incurs in searching for and duplicating records in order to respond to a FOIA request. In the case of commercial-use requesters, direct costs include reviewing and taking all other measures needed to prepare the records for disclosure.

(3) Search is the process of looking for and retrieving records or information responsive to a request. Search time includes page-by-page or line-by-line identification of information within records and the reasonable efforts expended to locate and retrieve information from electronic records.

(4) Duplication is reproducing a copy of a record, or of the information contained in it, necessary to respond to a FOIA request. Copies can take the form of paper, audiovisual materials, or electronic records, among others.

(5) Review is the examination of a record located in response to a request in order to determine whether any portion of it is exempt from disclosure. Review time includes processing any record for disclosure, such as doing all that is necessary to prepare the record for disclosure, including the process of redacting the record and marking the appropriate exemptions. Review costs are properly charged even if a record

(2) An appeal ordinarily will not be adjudicated if the request becomes a matter of FOIA litigation.

(3) On receipt of any appeal, the General Counsel, or his or her designee, must take appropriate action to ensure compliance with applicable classification rules.

(c) Decisions on appeals. A decision on an appeal must be made in writing. A decision that upholds a component’s determination in whole or in part will contain a statement that identifies the reasons for the affirmance, including any FOIA exemptions applied. The decision will provide the requester with notification of the statutory right to file a lawsuit and will inform the requester of the mediation services offered by the Office of Government Information Services of the National Archives and Records Administration as a non-exclusive alternative to litigation. If a custodian’s decision is remanded or modified on appeal, the requester will be notified of that determination in writing. The component will further process the request in accordance with that appeal determination and respond directly to the requester. If not prohibited by or under law, the General Counsel, or his designee may direct the disclosure of a record even though its disclosure is not required by law or regulation.

(d) When appeal is required. Before seeking judicial review of a component’s adverse determination, a requester generally must first submit a timely administrative appeal.

ultimately is not disclosed. Review time also includes time spent both obtaining and considering any formal objection to disclosure made by a confidential commercial information submitter under §265.6, but it does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(6) Educational institution is any school that operates a program of scholarly research. A requester in this fee category must show that the request is authorized by, and is made under the auspices of, an educational institution and that the records are not sought for a commercial use, but rather are sought to further scholarly research. To fall within this fee category, the request must serve the scholarly research goals of the institution rather than an individual research goal.

(7) Noncommercial scientific institution is an institution that is not operated on a “commercial” basis, as defined in paragraph (b)(1) of this section and that is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry. A requester in this category must show that the request is authorized by and is made under the auspices of a qualifying institution and that the records are sought to further scientific research and are not for a commercial use.

(8) Representative of the news media is any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. The term news means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations that broadcast “news” to the public at large and publishers of periodicals that disseminate “news” and make their products available through a variety of means to the general public, including news organizations that disseminate solely on the Internet. A request for records supporting the news-dissemination function of the requester shall not be considered to be for a commercial use.

“Freelance” journalists who demonstrate a solid basis for expecting publication through a news media entity shall be considered as a representative of the news media. A publishing contract would provide the clearest evidence that publication is expected; however, the Postal Service shall also consider a requester’s past publication record in making this determination.

(c) Charging fees. In responding to FOIA requests, the Postal Service shall charge the following fees unless a waiver or reduction of fees has been granted under paragraph (j) of this section. Because the fee amounts provided below already account for the direct costs associated with a given fee type, components should not add any additional costs to charges calculated under this section.

(1) Search. (i) Requests made by educational institutions, noncommercial scientific institutions, or representatives of the news media are not subject to search fees. Search fees shall be charged for all other requesters, subject to the restrictions of paragraph (d) of this section. The Postal Service may charge for time spent searching even if no responsive records are located or if it determines that the records are entirely exempt from disclosure.

(ii) For each half hour spent by personnel searching for requested records, including electronic searches that do not require new programming, the fee shall be $21.00.

(iii) Requesters shall be charged the direct costs associated with creating such a program and must agree to pay the associated costs before the costs may be incurred.

(iv) For requests that require the retrieval of records stored at a Federal records center operated by the National Archives and Records Administration (NARA), or other storage facility, additional costs may be charged for their retrieval.

(2) Duplication. Duplication fees shall be charged to all requesters, subject to the restrictions of paragraph (d) of this section. A component shall honor a requester’s preference for receiving a
§265.9  39 CFR Ch. I (7–1–17 Edition)

record in a particular form or format where it is readily reproducible by the component in the form or format requested. Where photocopies are supplied, the component shall provide one copy per request at a cost of fifteen cents per page. For copies of records produced on tapes, disks, or other media, components shall charge the direct costs of producing the copy, including operator time. Where paper documents must be scanned in order to comply with a requester’s preference to receive the records in an electronic format, the requester shall pay the direct costs associated with scanning those materials. For other forms of duplication, components shall charge the direct costs.

(3) Review. Commercial-use requesters shall be charged review fees. Review fees shall be assessed in connection with the initial review of the record, i.e., the review conducted by a component to determine whether an exemption applies to a particular record or portion of a record. No charge will be made for review at the administrative appeal stage of exemptions applied at the initial review stage. However, if a particular exemption is deemed to no longer apply, any costs associated with a component’s re-review of the records in order to consider the use of other exemptions may be assessed as review fees. Review fees shall be charged at the same rates as those charged for a search under paragraph (c)(1)(ii) of this section.

(d) Restrictions on charging fees. (1) No search fees will be charged for educational institutions (unless the records are sought for a commercial use), noncommercial scientific institutions, or representatives of the news media.

(2)(i) If a component fails to comply with the time limits in which to respond to a request, it may not charge search fees, or, in the instances of requests from requesters described in paragraph (d)(1) of this section, may not charge duplication fees.

(ii) If a component has determined that unusual circumstances as defined by the FOIA apply and more than 5,000 pages are necessary to respond to the request, the component may charge search fees, or, in the case of requesters described in paragraph (d)(1) of this section, may charge duplication fees if the following steps are taken:

(A) The component provides timely written notice of unusual circumstances to the requester; and

(B) The component discussed or made three good faith attempts to discuss via mail, email, or telephone how the requester could effectively limit the scope of the request in accordance with 5 U.S.C. 552(a)(6)(B)(ii).

(iv) If a court has determined that exceptional circumstances exist, a failure to comply with the time limits shall be excused for the length of time provided by the court order.

(3) No search or review fees will be charged for a quarter-hour period unless more than half of that period is required for search or review.

(4) Except for requesters seeking records for a commercial use, components shall provide without charge:

(i) The first 100 pages of duplication (or the cost equivalent for other media); and

(ii) The first two hours of search.

(5) When, after first deducting the 100 free pages (or its cost equivalent) and the first two hours of search, a total fee calculated under paragraph (c) of this section is $25.00 or less for any request, no fee will be charged.

(e) Notice of anticipated fees in excess of $25.00. (1) When a component determines or estimates that the fees to be assessed in accordance with this section will exceed $25.00, the component shall notify the requester of the actual or estimated amount of the fees, including a breakdown of the fees for search, review or duplication, unless the requester has indicated a willingness to pay fees as high as those anticipated. If only a portion of the fee can be estimated readily, the component shall advise the requester accordingly. If the requester is a noncommercial use requester, the notice shall specify that
United States Postal Service

§ 265.9

the requester is entitled to the statutory entitlements of 100 pages of duplication at no charge, and, if the requester is charged search fees, two hours of search time at no charge, and shall advise the requester whether those entitlements have been provided.

(2) In cases in which a requester has been notified that the actual or estimated fees are in excess of $25.00, the request shall not be considered received and further work will not be completed until the requester agrees in writing to pay the actual or estimated total fee, or designates some amount of fees the requester is willing to pay, or in the case of a noncommercial use requester who has not yet been provided with the requester's statutory entitlements, designates that the requester seeks only that which can be provided by the statutory entitlements. Components are not required to accept payments in installments.

(3) If the requester has indicated a willingness to pay some designated amount of fees, but the component estimates that the total fee will exceed that amount, the component shall toll the processing of the request when it notifies the requester of the estimated fees in excess of the amount the requester has indicated a willingness to pay. The component shall inquire whether the requester wishes to revise the amount of fees the requester is willing to pay or modify the request. Once the requester responds, the time to respond will resume from where it was at the date of the notification.

(4) Components shall make available their FOIA Public Liaison or other FOIA contact to assist any requester in reformulating a request to meet the requester's needs at a lower cost.

(f) Charges for other services. Although not required to provide special services, if a component chooses to do so as a matter of administrative discretion, the direct costs of providing the service requested by the requester shall be charged. Examples of such services include providing multiple copies of the same document, or sending records by means other than first class mail.

(g) Aggregating requests. In instances where the Postal Service reasonably believes that a requester or a group of requesters acting in concert is attempting to divide a single request into a series of requests for the purpose of avoiding fees, or that a requester or group of requesters acting in concert makes multiple requests for the same records maintained at multiple facilities or components, the Postal Service may aggregate those requests and charge accordingly. Multiple FOIA requests by a single requester related to the same issue will be aggregated for the purpose of assessing fees. Multiple requests involving unrelated matters shall not be aggregated.

(h) Advance payments. (1) For requests other than those described in paragraphs (h)(2) or (3) of this section, a component shall not require the requester to submit an advance payment before work is commenced or continued on a request. Payment owed for work already completed (i.e., payment before copies are sent to a requester) is not an advance payment.

(2) When a component determines or estimates that a total fee to be charged under this section will exceed $250.00, it may require that the requester make an advance payment up to the amount of the entire anticipated fee before beginning to process the request. A component may elect to process the request prior to collecting fees when it receives a satisfactory assurance of full payment from a requester with a history of prompt payment.

(3) Where a requester has previously failed to pay a properly charged FOIA fee within 30 calendar days of the billing date, a component may require that the requester pay the full amount due on that prior request, and the component may require that the requester make an advance payment of the full amount of any anticipated fee before the component begins to process a new request or continues to process a pending request or any pending appeal. Where a component has a reasonable basis to believe that a requester has misrepresented the requester's identity in order to avoid paying outstanding fees, it may require that the requester provide proof of identity.

(4) In cases in which a component requires advance payment, the request shall not be considered received and further work will not be completed until the required payment is received.
§ 265.9  
If the requester does not pay the advance payment within 30 calendar days after the date of the component’s fee determination, the request will be administratively closed.

(i) Other statutes specifically providing for fees. The fee schedule of this section does not apply to fees charged under any statute that specifically requires the Postal Service to set and collect fees for particular types of records. In instances where records responsive to a request are subject to a statutorily-based fee schedule program, the component shall inform the requester of the contact information for that program.

(j) Requirements for waiver or reduction of fees. (1) Records responsive to a request shall be furnished without charge or at a reduced rate below the rate established under paragraph (c) of this section, where a component determines, based on all available information, that the requester has demonstrated that:

(i) Disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Postal Service, and

(ii) Disclosure of the information is not primarily in the commercial interest of the requester.

(2) In deciding whether disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Postal Service, components shall consider all four of the following factors:

(i) The subject of the request must concern identifiable operations or activities of the Postal Service, with a connection that is direct and clear, not remote or attenuated.

(ii) Disclosure of the requested records must be meaningfully informative about government operations or activities in order to be “likely to contribute” to an increased public understanding of those operations or activities. The disclosure of information that already is in the public domain, in either the same or a substantially identical form, would not contribute to such understanding where nothing new would be added to the public’s understanding.

(iii) The disclosure must contribute to the understanding of a reasonably broad audience of persons interested in the subject, as opposed to the individual understanding of the requester. A requester’s expertise in the subject area as well as the requester’s ability and intention to effectively convey information to the public shall be considered. A representative of the news media does not automatically satisfy this consideration.

(iv) The public’s understanding of the subject in question must be enhanced by the disclosure to a significant extent.

(3) To determine whether disclosure of the requested information is primarily in the commercial interest of the requester, components shall consider the following factors:

(i) Components shall identify any commercial interest of the requester, as defined in paragraph (b)(1) of this section, that would be furthered by the requested disclosure. Requesters shall be given an opportunity to provide explanatory information regarding this consideration.

(ii) Disclosure to data brokers or others who merely compile and market government information for direct economic return shall not be presumed to primarily serve the public interest.

(4) Where only some of the records to be released satisfy the requirements for a waiver of fees, a waiver shall be granted for those records.

(5) Requests for a waiver or reduction of fees should be made when the request is first submitted to the component and should address the criteria referenced above. A requester may submit a fee waiver request at a later time so long as the underlying record request is pending or on administrative appeal. When a requester who has committed to pay fees subsequently asks for a waiver of those fees and that waiver is denied, the requester shall be required to pay any costs incurred up to the date the fee waiver request was received.

United States Postal Service

Subpart B—Production or Disclosure in Federal and State Proceedings

§ 265.11 Compliance with subpoena duces tecum, court orders, and summonses.

(a) Compliance with subpoena duces tecum. (1) Except as required by Part 262, produce other records of the Postal Service only in compliance with a subpoena duces tecum or appropriate court order.

(2) Time, leave, and payroll records of postal employees are subject to production when a subpoena duces tecum or appropriate court order has been properly served. The custodian of the records may designate a postal employee to present the records. The presentation by a designee rather than the employee named in the subpoena or court order must meet with the approval of the attorneys for each side. In addition, such records may be released if authorized in writing by the employee.

(3) If the subpoena involves a job-connected injury, the records are under the exclusive jurisdiction of the Office of Workers’ Compensation Programs, Department of Labor. Requests for authorization to produce these records shall be addressed to: Office of Workers’ Compensation Programs, U.S. Department of Labor, Washington, DC 20210–0001. Also notify the attorney responsible for the issuance of the subpoena or court order.

(4) Employee medical records are primarily under the exclusive jurisdiction of the U.S. Civil Service Commission. The Commission has delegated authority to the Postal Service and to the Commission’s Regional Directors to release medical information, in response to proper requests and upon competent medical advice, in accordance with the following criteria:

(i) Except in response to a subpoena or court order, do not release any medical information about an employee to any non-Federal entity or individual without authorization from the employee.

(ii) With authorization from the employee, the Area, Information Systems Service Center, or Chief Field Counsel will respond as follows to a request from a non-Federal source for medical information:

(A) If, in the opinion of a Federal medical officer, the medical information indicates the existence of a malignancy, a mental condition, or other condition about which a prudent physician would hesitate to inform a person suffering from such a condition as to its exact nature and probable outcome, do not release the medical information to the employee or to any individual designated by him, except to a physician, designated by the employee in writing. If a subpoena or court order was issued, the responding official shall caution the moving party as to the possible dangers involved if the medical information is divulged.

(B) If, in the opinion of a Federal medical officer, the medical information does not indicate the presence of any condition which would cause a prudent physician to hesitate to inform a person of the exact nature and probable outcome of his condition, release it in response to a subpoena or court order, or to the employee or to any person, firm, or organization he authorizes in writing.

(C) If a Federal medical officer is not available, refer the request to the Civil Service Commission regional office with the medical certificates or other medical reports concerned.

(5) Do not release any records containing information as to the employee’s security or loyalty.

(6) Honor subpoenas or court orders only when disclosure is authorized.

(7) When authorized to comply with a subpoena duces tecum, do not leave the original records with the court.

(b) [Reserved]

§ 265.12 Demands for testimony or records in certain legal proceedings.

(a) Scope and applicability of this section. (1) This section establishes procedures to be followed if the Postal Service or any Postal Service employee receives a demand for testimony concerning or disclosure of:

(i) Records contained in the files of the Postal Service;

(ii) Information relating to records contained in the files of the Postal Service; or
(iii) Information or records acquired or produced by the employee in the course of his or her official duties or because of the employee's official status.

(2) This section does not create any right or benefit, substantive or procedural, enforceable by any person against the Postal Service.

(3) This section does not apply to any of the following:
(i) Any legal proceeding in which the United States is a party;
(ii) A demand for testimony or records made by either House of Congress or, to the extent of matter within its jurisdiction, any committee or subcommittee of Congress;
(iii) An appearance by an employee in his or her private capacity in a legal proceeding in which the employee's testimony does not relate to the employee's official duties or the functions of the Postal Service; or
(iv) A demand for testimony or records submitted to the Postal Inspection Service (a demand for Inspection Service records or testimony will be handled in accordance with rules in § 265.13).

(4) This section does not exempt a request from applicable confidentiality requirements, including the requirements of the Privacy Act, 5 U.S.C. 552a.
(b) Definitions. The following definitions apply to this section:
(1) Adjudicative authority includes, but is not limited to, the following:
(i) A court of law or other judicial forums, whether local, state, or federal; and
(ii) Mediation, arbitration, or other forums for dispute resolution.

(2) Demand includes a subpoena, subpoena duces tecum, request, order, or other notice for testimony or records arising in a legal proceeding.

(3) Employee means a current employee or official of the Postal Service.

(4) General Counsel means the General Counsel of the United States Postal Service, the Chief Field Counsels, or an employee of the Postal Service acting for the General Counsel under a delegation of authority.

(5) Legal proceeding means:
(i) A proceeding before an adjudicative authority;
(ii) A legislative proceeding, except for a proceeding before either House of Congress or before any committee or subcommittee of Congress; or
(iii) An administrative proceeding.

(6) Private litigation means a legal proceeding to which the United States is not a party.

(7) Records custodian means the employee who maintains a requested record. For assistance in identifying the custodian of a specific record, contact the Manager, Records Office, U.S. Postal Service, 475 L’Enfant Plaza SW., Washington, DC 20260, telephone (202) 268–2608.

(8) Testimony means statements made in connection with a legal proceeding, including but not limited to statements in court or other forums, depositions, declarations, affidavits, or responses to interrogatories.

(9) United States means the federal government of the United States and any of its agencies, establishments, or instrumentalities, including the United States Postal Service.

(c) Requirements for submitting a demand for testimony or records. (1) Ordinarily, a party seeking to obtain records from the Postal Service should submit a request in accordance with the provisions of the Freedom of Information Act (FOIA), 5 U.S.C. 552, and the Postal Service's regulations implementing the FOIA at 39 CFR 265.1 through 265.9, 265.14; or the Privacy Act, 5 U.S.C. 552a and the Postal Service's regulations implementing the Privacy Act at 39 CFR 266.1 through 266.10.

(2) A demand for testimony or records issued pursuant to the rules governing the legal proceeding in which the demand arises must:
(i) Be in writing;
(ii) Identify the requested record and/or state the nature of the requested testimony, describe the relevance of the record or testimony to the proceeding, and why the information sought is unavailable by any other means; and
(iii) If testimony is requested, contain a summary of the requested testimony and a showing that no document could be provided and used in lieu of testimony.

(3) Procedures for service of demand are made as follows:
(i) Service of a demand for testimony or records (including, but not limited to, personnel or payroll information) relating to a current or former employee must be made in accordance with the applicable rules of civil procedure on the employee whose testimony is requested or the records custodian. The requester also shall deliver a copy of the demand to the District Manager, Customer Services and Sales, for all current employees whose work location is within the geographic boundaries of the manager’s district, and any former employee whose last position was within the geographic boundaries of the manager’s district. A demand for testimony or records must be received by the employee whose testimony is requested and the appropriate District Manager, Customer Services and Sales at least ten (10) working days before the date the testimony or records are needed.

(ii) Service of a demand for testimony or records other than those described in paragraph (c)(3)(i) of this section must be made in accordance with the applicable rules of civil procedure on the employee whose testimony is requested or the records custodian. The requester also shall deliver a copy of the demand to the General Counsel, United States Postal Service, 475 L’Enfant Plaza SW., Washington DC 20260–1100, or the Chief Field Counsel. A demand for testimony or records must be received by the employee and the General Counsel or Chief Field Counsel at least ten (10) working days before the date testimony or records are needed.

(d) Procedures followed in response to a demand for testimony or records. (1) After an employee receives a demand for testimony or records, the employee shall immediately notify the General Counsel or Chief Field Counsel and request instructions.

(2) An employee may not give testimony or produce records without the prior authorization of the General Counsel.

(3)(i) The General Counsel may allow an employee to testify or produce records if the General Counsel determines that granting permission:

(A) Would be appropriate under the rules of procedure governing the matter in which the demand arises and other applicable laws, privileges, rules, authority, and regulations; and

(B) Would not be contrary to the interest of the United States. The interest of the United States includes, but is not limited to, furthering a public interest of the Postal Service and protecting the human and financial resources of the United States.

(ii) An employee’s testimony shall be limited to the information set forth in the statement described at paragraph (c)(2) of this section or to such portions thereof as the General Counsel determines are not subject to objection. An employee’s testimony shall be limited to facts within the personal knowledge of the employee. A Postal Service employee authorized to give testimony under this rule is prohibited from giving expert or opinion testimony, answering hypothetical or speculative questions, or giving testimony with respect to privileged subject matter. The General Counsel may waive the prohibition of expert testimony under this paragraph only upon application and showing of exceptional circumstances and the request substantially meets the requirements of this section.

(4) The General Counsel may establish conditions under which the employee may testify. If the General Counsel authorizes the testimony of an employee, the party seeking testimony shall make arrangements for the taking of testimony by those methods that, in the General Counsel’s view, will least disrupt the employee’s official duties. For example, at the General Counsel’s discretion, testimony may be provided by affidavits, answers to interrogatories, written depositions, or depositions transcribed, recorded, or preserved by any other means allowable by law.

(5) If a response to a demand for testimony or records is required before the General Counsel determines whether to allow an employee to testify, the employee or counsel for the employee shall do the following:

(i) Inform the court or other authority of the regulations in this section; and

(ii) Request that the demand be stayed pending the employee’s receipt of the General Counsel’s instructions.
§ 265.13 Compliance with subpoenas, summonses, and court orders by postal employees within the Postal Inspection Service where the Postal Service, the United States, or any other Federal agency is not a party.

(a) Applicability of this section. The rules in this section apply to all federal, state, and local court proceedings, as well as administrative and legislative proceedings, other than:

(1) Proceedings where the United States, the Postal Service, or any other Federal agency is a party;

(2) Congressional requests or subpoenas for testimony or documents;

(3) Proceedings before the Postal Rate Commission, the Postal Regulatory Board, the Federal Maritime Commission, and the Federal Trade Commission.

(b) Fees and costs. (1) The Postal Service may charge fees, not to exceed actual costs, to private litigants seeking testimony or records by request or demand. The fees, which are to be calculated to reimburse fully the Postal Service for processing the demand and providing the witness or records, may include, among others:

(i) Costs of time spent by employees, including attorneys, of the Postal Service to process and respond to the demand;

(ii) Costs of attendance of the employee and agency attorney at any deposition, hearing, or trial;

(iii) Travel costs of the employee and agency attorney;

(iv) Costs of materials and equipment used to search for, process, and make available information.

(2) All costs for employee time shall be calculated on the hourly pay of the employee (including all pay, allowance, and benefits) and shall include the hourly fee for each hour, or portion of each hour, when the employee is in travel, in attendance at a deposition, hearing, or trial, or is processing or responding to a request or demand.

(3) At the discretion of the Postal Service, where appropriate, costs may be estimated and collected before testimony is given.

(c) Acceptance of service. This section does not in any way abrogate or modify the requirements of the Federal Rules of Civil Procedure (28 U.S.C. Appendix) regarding service of process.

(6) If the court or other authority declines the request for a stay, or rules that the employee must comply with the demand regardless of the General Counsel’s instructions, the employee or counsel for the employee shall respectfully decline to comply with the demand, citing United States ex rel. Touhy v. Ragen, 340 U.S. 462 (1951), and the regulations in this section.

(7) The General Counsel may request the assistance of the Department of Justice or a U.S. Attorney where necessary to represent the interests of the Postal Service and the employee.

(8) At his or her discretion, the General Counsel may grant a waiver of any procedure described by this section, where waiver is considered necessary to promote a significant interest of the United States or for other good cause.

(9) If it otherwise is permissible, the records custodian may authenticate, upon the request of the party seeking disclosure, copies of the records. No employee of the Postal Service shall respond in strict compliance with the terms of a subpoena duces tecum unless specifically authorized by the General Counsel.

(e) Postal Service employees as expert witnesses. No Postal Service employee may testify as an expert or opinion witness, with regard to any matter arising out of the employee’s official duties or the functions of the Postal Service, for any party other than the United States, except that in extraordinary circumstances, the General Counsel may approve such expert testimony in private litigation. A Postal Service employee may not testify as such an expert witness without the express authorization of the General Counsel. A litigant must obtain authorization of the General Counsel before designating a Postal Service employee as an expert witness.

(f) Substitution of Postal Service employees. Although a demand for testimony may be directed to a named Postal Service employee, the General Counsel, where appropriate, may designate another Postal Service employee to give testimony. Upon request and for good cause shown (for example, when a particular Postal Service employee has direct knowledge of a material fact not known to the substitute employee designated by the Postal Service), the General Counsel may permit testimony by a named Postal Service employee.

(g) Postal Service employees as expert witnesses. No Postal Service employee may testify as an expert or opinion witness, with regard to any matter arising out of the employee’s official duties or the functions of the Postal Service, for any party other than the United States, except that in extraordinary circumstances, the General Counsel may approve such expert testimony in private litigation. A Postal Service employee may not testify as such an expert witness without the express authorization of the General Counsel. A litigant must obtain authorization of the General Counsel before designating a Postal Service employee as an expert witness.
(3) Consultative services and technical assistance rendered by the Inspection Service in executing its normal functions;

(4) Employees serving as expert witnesses in connection with professional and consultative services under 5 CFR part 7001, provided that employees acting in this capacity must state for the record that their testimony reflects their personal opinions and should not be viewed as the official position of the Postal Service;

(5) Employees making appearances in their private capacities in proceedings that do not relate to the Postal Service (e.g., cases arising from traffic accidents, domestic relations) and do not involve professional or consultative services; and

(6) When in the opinion of the Counsel or the Counsel’s designee, Office of the Chief Postal Inspector, it has been determined that it is in the best interest of the Inspection Service or in the public interest.

(b) Purpose and scope. The provisions in this section limit the participation of postal employees within or assigned to the Inspection Service, in private litigation, and other proceedings in which the Postal Service, the United States, or any other federal agency is not a party. The rules are intended to promote the careful supervision of Inspection Service resources and to reduce the risk of inappropriate disclosures that might affect postal operations.

(c) Definitions. For the purposes of this section:

(1) Authorizing official is the person responsible for giving the authorization for release of documents or permission to testify.

(2) Case or matter means any civil proceeding before a court of law, administrative board, hearing officer, or other body conducting a judicial or administrative proceeding in which the United States, the Postal Service, or another federal agency is not a named party.

(3) Demand includes any request, order, or subpoena for testimony or the production of documents.

(4) Document means all records, papers, or official files, including, but not limited to, official letters, telegrams, memoranda, reports, studies, calendar and diary entries, graphs, notes, charts, tabulations, data analyses, statistical or information accumulations, records of meetings and conversations, film impressions, magnetic tapes, computer discs, and sound or mechanical reproductions.

(5) Employee or Inspection Service employee, for the purpose of this section only, refers to a Postal Service employee currently or formerly assigned to the Postal Inspection Service, student interns, contractors and employees of contractors who have access to Inspection Service information and records.

(6) Inspection Service means the organizational unit within the Postal Service that performs the functions specified in part 233 of this chapter.

(7) Inspection Service Legal Counsel is an attorney authorized by the Chief Postal Inspector to give legal advice to members of the Inspection Service.

(8) Inspection Service Manual is the directive containing the standard operating procedures for Postal Inspectors and certain Inspection Service employees.

(9) Nonpublic includes any material or information not subject to mandatory public disclosure under § 265.14(b).

(10) Official case file means official documents that relate to a particular case or investigation. These documents may be kept at any location and do not necessarily have to be in the same location in order to constitute the file.

(11) Postal Inspector reports include all written reports, letters, recordings, or other memorializations made in conjunction with the duties of a Postal Inspector.

(12) Testify or testimony includes both in-person oral statements before any body conducting a judicial or administrative proceeding and statements made in depositions, answers to interrogatories, declarations, affidavits, or other similar documents.

(13) Third-party action means an action, judicial or administrative, in which the United States, the Postal Service, or any other federal agency is not a named party.

(d) Policy. (1) No current or former employee within the Inspection Service may testify or produce documents concerning information acquired in the
course of employment or as a result of his or her relationship with the Postal Service in any proceeding to which this section applies (see paragraph (a) of this section), unless authorized to do so. Authorization will be provided by:

(i) The Postal Inspector in Charge of the affected field Division, or designee, for Division personnel and records, after that official has determined through consultation with Inspection Service legal counsel that no legal objection, privilege, or exemption applies to such testimony or production of documents.

(ii) The Chief Postal Inspector or designee for Headquarters employees and records, after that official has determined through consultation with Inspection Service legal counsel, that no legal objection, privilege, or exemption applies to such testimony or production of documents.

(2) Consideration shall be given to:

(i) Statutory restrictions, as well as any legal objection, exemption, or privilege that may apply;

(ii) Relevant legal standards for disclosure of nonpublic information and documents;

(iii) Inspection Service rules and regulations and the public interest;

(iv) Conservation of employee time; and

(v) Prevention of the expenditure of Postal Service resources for private purposes.

(3) If additional information is necessary before a determination can be made, the authorizing official may, in coordination with Inspection Service legal counsel, request assistance from the Department of Justice.

(e) Compliance with subpoena duces tecum. (1) Except as required by part 262 of this chapter, produce any other record of the Postal Service only in compliance with a subpoena duces tecum or appropriate court order.

(2) Do not release any record containing information relating to an employee’s security or loyalty.

(3) Honor subpoenas and court orders only when disclosure is authorized.

(4) When authorized to comply with a subpoena duces tecum or court order, do not leave the originals with the court.

(5) Postal Inspector reports are considered to be confidential internal documents and shall not be released unless there is specific authorization by the Chief Postal Inspector or the Inspector in Charge of the affected field Division, after consulting with Inspection Service legal counsel.

(6) The Inspection Service Manual and other operating instructions issued to Inspection Service employees are considered to be confidential and shall not be released unless there is specific authorization, after consultation with Inspection Service legal counsel. If the requested information relates to confidential investigative techniques, or release of the information would adversely affect the law enforcement mission of the Inspection Service, the subpoenaed official, through Inspection Service legal counsel, may request an in camera, ex parte conference to determine the necessity for the release of the information. The entire Manual should not be given to any party.

(7) Notes, memoranda, reports, transcriptions, whether written or recorded and made pursuant to an official investigation conducted by a member of the Inspection Service, are the property of the Inspection Service and are part of the official case file, whether stored with the official file.

(f) Compliance with summonses and subpoenas ad testificandum. (1) If an Inspection Service employee is served with a third-party summons or a subpoena requiring an appearance in court, contact should be made with Inspection Service legal counsel to determine whether and which exemptions or restrictions apply to proposed testimony. Inspection Service employees are directed to comply with summonses, subpoenas, and court orders, as to appearance, but may not testify without authorization.

(2) Postal Inspector reports or records will not be presented during testimony, in either state or federal courts in which the United States, the Postal Service, or another federal agency is not a party in interest, unless authorized by the Chief Postal Inspector or the Postal Inspector in Charge of the affected field Division, who will make the decision after consulting with Inspection Service legal counsel. If an attempt is made to compel production, through testimony, the
employee is directed to decline to produce the information or matter and to state that it may be exempted and may not be disclosed or produced without the specific approval of the Chief Postal Inspector or the Postal Inspector in Charge of the affected field Division. The Postal Service will offer all possible assistance to the courts, but the question of disclosing information for which an exemption may be claimed is a matter of discretion that rests with the appropriate official. Paragraph (e) of this section covers the release of Inspection Service documents in cases where the Postal Service or the United States is not a party.

(g) General procedures for obtaining Inspection Service documents and testimony from Inspection Service employees. (1) To facilitate the orderly response to demands for the testimony of Inspection Service employees and production of documents in cases where the United States, the Postal Service, or another federal agency is not a party, all demands for the production of nonpublic documents or testimony of Inspection Service employees concerning matters relating to their official duties and not subject to the exemptions set forth in paragraph (a) of this section shall be in writing and conform to the requirements outlined in paragraphs (g)(2) and (g)(3) of this section.

(2) Before or simultaneously with service of a demand described in paragraph (g)(1) of this section, the requesting party shall serve on the Counsel, Office of the Chief Postal Inspector, 475 L'Enfant Plaza SW., Washington, DC 20260–2101, an affidavit or declaration containing the following information:

(i) The title of the case and the forum where it will be heard;
(ii) The party's interest in the case;
(iii) The reasons for the demand;
(iv) A showing that the requested information is available, by law, to a party outside the Postal Service;
(v) If testimony is sought, a summary of the anticipated testimony;
(vi) If testimony is sought, a showing that Inspection Service records could not be provided and used in place of the requested testimony;
(vii) The intended use of the documents or testimony; and
(viii) An affirmative statement that the documents or testimony is necessary for defending or prosecuting the case at issue.

(3) The Counsel, Office of the Chief Postal Inspector, shall act as agent for the receipt of legal process for demands for production of records or testimony of Inspection Service employees where the United States, the Postal Service, or any other federal agency is not a party. A subpoena for testimony or for the production of documents from an Inspection Service employee concerning official matters shall be served in accordance with the applicable rules of civil procedure. A copy of the subpoena and affidavit or declaration, if not previously furnished, shall also be sent to the Chief Postal Inspector or the appropriate Postal Inspector in Charge.

(4) Any Inspection Service employee who is served with a demand shall promptly inform the Chief Postal Inspector, or the appropriate Postal Inspector in Charge, of the nature of the documents or testimony sought and all relevant facts and circumstances.

(h) Authorization of testimony or production of documents. (1) The Chief Postal Inspector or the Postal Inspector in Charge of the affected field Division, after consulting with Inspection Service legal counsel, shall determine whether testimony or the production of documents will be authorized.

(2) Before authorizing the requested testimony or the production of documents, the Chief Postal Inspector or the Postal Inspector in Charge of the affected field Division shall consider the following factors:

(i) Statutory restrictions, as well as any legal objection, exemption, or privilege that may apply;
(ii) Relevant legal standards for disclosure of nonpublic information and documents;
(iii) Inspection Service rules and regulations and the public interest;
(iv) Conservation of employee time; and
(v) Prevention of expenditures of government time and resources solely for private purposes.

(3) If, in the opinion of the authorizing official, the documents should not be released or testimony should not be
§ 265.13 Furnished, that official’s decision is final.

(4) Inspection Service legal counsel may consult or negotiate with the party or the party’s counsel seeking testimony or documents to refine and limit the demand, so that compliance is less burdensome, or obtain information necessary to make the determination whether the documents or testimony will be authorized. If the party or party’s counsel seeking the documents or testimony fails to cooperate in good faith, preventing Inspection Service legal counsel from making an informed recommendation to the authorizing official, that failure may be presented to the court or other body conducting the proceeding as a basis for objection.

(5) Permission to testify or to release documents in all cases will be limited to matters outlined in the affidavit or declaration described in paragraph (g)(2) of this section or to such parts as deemed appropriate by the authorizing official.

(6) If the authorizing official allows the release of documents or testimony to be given by an employee, arrangements shall be made for the taking of testimony or receipt of documents by the least disruptive methods to the employee’s official duties. Testimony may, for example, be provided by affidavits, answers to interrogatories, written depositions, or depositions transcribed, recorded, or preserved by any other means allowable by law.

(i) While giving a deposition, the employee may, at the option of the authorizing official, be represented by Inspection Service legal counsel.

(ii) While completing affidavits, or other written reports or at any time during the process of preparing for testimony or releasing documents, the employee may seek the assistance of Inspection Service legal counsel.

(7) Absent written authorization from the authorizing official, the employee shall respectfully decline to produce the requested documents, testify, or, otherwise, disclose the requested information.

(8) If the authorization is denied or not received by the return date, the employee, together with counsel, where appropriate, shall appear at the stated time and place, produce a copy of this section, and respectfully decline to testify or produce any document on the basis of the regulations in this section.

(9) The employee shall appear as ordered by the subpoena, summons, or other appropriate court order, unless:

(i) Legal counsel has advised the employee that an appearance is inappropriate, as in cases where the subpoena, summons, or other court order was not properly issued or served, has been withdrawn, discovery has been stayed; or

(ii) Where the Postal Service will present a legal objection to furnishing the requested information or testimony.

(10) **Inspection Service employees as expert or opinion witnesses.** No Inspection Service employee may testify as an expert or opinion witness, with regard to any matter arising out of the employee’s duties or functions at the Postal Service, for any party other than the United States, except that in extraordinary circumstances, the Counsel, Office of the Chief Postal Inspector, may approve such testimony in private litigation. An Inspection Service employee may not testify as such an expert or opinion witness without the express authorization of the Counsel, Office of the Chief Postal Inspector. A litigant must first obtain authorization of the Counsel, Office of the Chief Postal Inspector, before designating an Inspection Service employee as an expert or opinion witness.

(j) **Postal liability.** This section is intended to provide instructions to Inspection Service employees and does not create any right or benefit, substantive or procedural, enforceable by any party against the Postal Service.

(k) **Fees.** (1) Unless determined by 28 U.S.C. 1821 or other applicable statute, the costs of providing testimony, including transcripts, shall be borne by the requesting party.

(2) Unless limited by statute, such costs shall also include reimbursement to the Postal Service for the usual and ordinary expenses attendant upon the employee’s absence from his or her official duties in connection with the case or matter, including the employee’s salary and applicable overhead.

changes, and any necessary travel expenses as follows:

(i) The Inspection Service is authorized to charge reasonable fees to parties demanding documents or information. Such fees, calculated to reimburse the Postal Service for the cost of responding to a demand, may include the costs of time expended by Inspection Service employees, including attorneys, to process and respond to the demand; attorney time for reviewing the demand and for legal work in connection with the demand; expenses generated by equipment used to search for, produce, and copy the requested information; travel costs of the employee and the agency attorney, including lodging and per diem where appropriate. Such fees shall be assessed at the rates and in the manner specified in § 265.9.

(ii) At the discretion of the Inspection Service where appropriate, fees and costs may be estimated and collected before testimony is given.

(iii) The provisions in this section do not affect rights and procedures governing public access to official documents pursuant to the Freedom of Information Act, 5 U.S.C. 552.

Subpart C—Availability of Records

§ 265.14 Rules concerning specific categories of records.

(a) Records available to the public on request. Except as otherwise prescribed by law or regulations, including but not limited to paragraphs (b) and (c) of this section, § 265.2 and § 265.11–§ 265.13, Postal Service records will be made available to any person in accordance with the procedures provided in § 265.3.

(b) Records not subject to mandatory public disclosure. Certain classes of records are exempt from mandatory disclosure under exemptions contained in the Freedom of Information Act and in 39 U.S.C. 410(c). The Postal Service will exercise its discretion, in accordance with the policy stated in § 265.1(c), as implemented by instructions issued by the Records Office with the approval of the General Counsel in determining whether the public interest is served by the inspection or copying of records that are:

(1) Related solely to the internal personnel rules and practices of the Postal Service.

(2) Trade secrets, or privileged or confidential commercial or financial information, obtained from any person.

(3) Information of a commercial nature, including trade secrets, whether or not obtained from a person outside the Postal Service, which under good business practice would not be publicly disclosed. This class includes, but is not limited to:

(i) Information pertaining to methods of handling valuable registered mail.

(ii) Records of money orders, except as provided in R900 of the Domestic Mail Manual (DMM).

(iii) Technical information concerning postage meters and prototypes submitted for Postal Service approval prior to leasing to mailers.

(iv) Reports of market surveys conducted by or under contract in behalf of the Postal Service.

(v) Records indicating rural carrier lines of travel.

(vi) Records compiled within the Postal Service which would be of potential benefit to persons or firms in economic competition with the Postal Service.

(vii) Information which, if publicly disclosed, could materially increase procurement costs.

(viii) Information which, if publicly disclosed, could compromise testing or examination materials.

(4) Interagency or internal memoranda or letters that would not be available by law to a private party in litigation with the Postal Service.

(5) Reports and memoranda of consultants or independent contractors, except to the extent they would be required to be disclosed if prepared within the Postal Service.

(6) Files personal in nature, including medical and personnel files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

(7) Information prepared for use in connection with proceedings under
(8) Information prepared for use in connection with the negotiation of collective bargaining agreements under chapter 12 of title 39, U.S. Code, or minutes of, or notes kept during, negotiating sessions conducted under such chapter.

(9) Other matter specifically exempted from disclosure by statute.

(c) Records or information compiled for law enforcement purposes. (1) Investigatory files compiled for law enforcement purposes, whether or not considered closed, are exempt by statute from mandatory disclosure except to the extent otherwise available by law to a party other than the Postal Service, 39 U.S.C. 410(c)(6). As a matter of policy, however, the Postal Service will normally make records or information compiled for law enforcement purposes available upon request unless the production of these records: (i) Could reasonably be expected to interfere with enforcement proceedings; (ii) Would deprive a person of a right to a fair trial or an impartial adjudication; (iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy; (iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority (such as the Postal Inspection Service) in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source; (v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to endanger the life or physical safety of any individual.

(2) Whenever a request is made which involves access to records that could reasonably be expected to interfere with law enforcement proceedings, and (i) The investigation or proceeding involves a possible violation of criminal law; and (ii) There is reason to believe that, (A) The subject of the investigation or proceeding is not aware of its pendency, and (B) Disclosure of the existence of the records could reasonably be expected to interfere with enforcement proceedings, the Postal Service may, during only such time as that circumstance continues, treat the records as not subject to the requirements of the Freedom of Information Act.

(3) Whenever informant records maintained by a criminal law enforcement agency (such as the Postal Inspection Service) under an informant’s name or personal identifier are requested by a third party according to the informant’s name or personal identifier, the records may be treated as not subject to the requirements of the Freedom of Information Act unless the informant’s status as an informant has been officially confirmed.

(4) Authority to disclose records or information compiled for law enforcement purposes to persons outside the Postal Service must be obtained from the Chief Postal Inspector, U.S. Postal Service, Washington, DC 20260–2100, or designee.

(d) Disclosure of names and addresses of customers. Upon request, the names and addresses of specifically identified Postal Service customers will be made available only as follows: (1) Change of address. The new address of any specific customer who has filed a permanent or temporary change of address order (by submitting PS Form 3575, a hand-written order, or an electronically communicated order) will be furnished to any person, except that the new address of a specific customer who has indicated on the order that the address change is for an individual or an entire family will be furnished only in those circumstances stated at paragraph (d)(5) of this section. Disclosure
will be limited to the address of the specifically identified individual about whom the information is requested (not other family members or individuals whose names may also appear on the change of address order). The Postal Service reserves the right not to disclose the address of an individual for the protection of the individual’s personal safety. Other information on PS Form 3575 or copies of the form will not be furnished except in those circumstances stated at paragraphs (d)(5)(i), (d)(5)(iii), or (d)(5)(iv) of this section.

(2) Name and address of permit holder. The name and address of the holder of a particular bulk mail permit, permit imprint or similar permit (but not including postage meter licenses), and the name of any person applying for a permit in behalf of a holder will be furnished to any person upon the filing of a proper FOIA request and payment of any applicable fees. For the name and address of a postage meter license holder, see paragraph (d)(3) of this section. (Lists of permit holders may not be disclosed to members of the public. See paragraph (e)(1) of this section.)

(3) Name and address of postage evidencing user. The name and address of an authorized user of a postage meter or PC Postage product (postage evidencing systems) printing a specified indicium will be furnished to any person upon the filing of a proper FOIA request and payment of any applicable fees. For the name and address of a postage meter license holder, see paragraph (d)(3) of this section. (Lists of permit holders may not be disclosed to members of the public. See paragraph (e)(1) of this section.)

(4) Post Office boxholder information. Information from PS Form 1093, Application for Post Office Box or Caller Service, will be provided as follows:

(i) Except as provided in paragraph (d)(4)(iii) of this section, the boxholder applicant name and address from PS Form 1093 will be provided only in those circumstances stated in paragraphs (d)(5)(i) through (iii) of this section.

(ii) Except as provided in paragraph (d)(4)(iii) of this section, the names of persons listed as receiving mail, other than the boxholder applicant, will be furnished from PS Form 1093 only in those circumstances stated in paragraphs (d)(5)(i) and (iii) of this section.

(iii) When a copy of a protective order has been filed with the postmaster, information from PS Form 1093 will not be disclosed except pursuant to the order of a court of competent jurisdiction.

(5) Exceptions. Except as otherwise provided in these regulations, names or addresses of Postal Service customers will be furnished only as follows:

(1) To a Federal, State or local government agency upon prior written certification that the information is required for the performance of its duties. The Postal Service requires government agencies to use the format appearing at the end of this section when requesting the verification of a customer’s current address or a customer’s new mailing address. If the request lacks any of the required information or a proper signature, the postmaster will return the request to the agency, specifying the deficiency in the space marked ‘OTHER’. A copy of PS Form 1093 may be provided.

(ii)(A) To a person empowered by law to serve legal process, or the attorney for a party in whose behalf service will be made, or a party who is acting pro se, upon receipt of written information that specifically includes all of the following:

(1) A certification that the name or address is needed and will be used solely for service of legal process in connection with actual or prospective litigation;

(2) A citation to the statute or regulation that empowers the requester to serve process, if the requester is other

1The term pro se means that a party is not represented by an attorney but by himself or herself.
than the attorney for a party in whose behalf service will be made, or a party who is acting pro se;

(3) The names of all known parties to the litigation;

(4) The court in which the case has been or will be commenced;

(5) The docket or other identifying number, if one has been issued; and

(6) The capacity in which the boxholder is to be served, e.g., defendant or witness.

(B) By submitting such information, the requester certifies that it is true. The address of an individual who files with the postmaster a copy of a protective court order will not be disclosed except as provided under paragraphs (d)(5)(i), (iii), or (iv) of this section. A copy of Form 1093 will not be provided. The Postal Service suggests use of the standard format appearing at the end of this section when requesting information under this paragraph. When using the standard format on the submitter's own letterhead, the standard format must be used in its entirety. The warning statement and certification specifically must be included immediately before the signature block. If the request lacks any of the required information or a proper signature, the postmaster will return it to the requester specifying the deficiency.

(iii) In compliance with a subpoena or court order, except that change of address or boxholder information which is not otherwise subject to disclosure under these regulations may be disclosed only pursuant to a court order.

(iv) To a law enforcement agency, for oral requests made through the Inspection Service, but only after the Inspection Service has confirmed that the information is needed in the course of a criminal investigation. (All other requests from law enforcement agencies should be submitted in writing to the postmaster as in paragraph (d)(5)(i) of this section.)

(6) Jury service. The mailing address of any customer sought in connection with jury service, if known, will be furnished without charge upon prior written request to a court official, such as a judge, court clerk or jury commissioner.

(7) Address verification. The address of a postal customer will be verified at the request of a Federal, State, or local government agency upon written certification that the information is required for the performance of the agency's duties. “Verification” means advising such an agency whether or not its address for a postal customer is one at which mail for that customer is currently being delivered. “Verification” neither means nor implies knowledge on the part of the Postal Service as to the actual residence of the customer or as to the actual receipt by the customer of mail delivered to that address. The Postal Service requires government agencies to use the format appearing at the end of this section when requesting the verification of a customer's current address or a customer's new mailing address. If the request lacks any of the required information or a proper signature, the postmaster will return the request to the agency, specifying the deficiency in the space marked “OTHER”.

(8) Business/Residence location. If the location of a residence or a place of business is known to a Postal Service employee, whether as a result of official duties or otherwise, the employee may, but need not, disclose the location or give directions to it. No fee is charged for such information.

(9) Private mailbox information. Information from PS Form 1583, Application for Delivery of Mail Through Agent, will be provided as follows:

(i) Except as provided in paragraph (d)(9)(iii) of this section, information from PS Form 1583 will be provided only in the circumstance stated in paragraph (d)(5)(i) of this section.

(ii) To the public only for the purpose of identifying a particular address as an address of an agent to whom mail is delivered on behalf of other persons. No other information, including, but not limited to, the identities of persons on whose behalf agents receive mail, may be disclosed to the public from PS Form 1583.

(iii) Information concerning an individual who has filed a protective court order with the postmaster will not be disclosed except pursuant to the order of a court of competent jurisdiction.
(e) Information not available for public disclosure. (1) The Postal Service and its officers and employees shall not make available to the public by any means or for any purpose any mailing list or other list of names and addresses (past or present) of postal patrons or other persons in response to a request under this part except that, upon a request in accordance with the procedures of §265.3, the Postal Service will, to the extent required by law, provide a listing of postal employees working at a particular postal facility.

(2) Records or other documents which are classified or otherwise specifically authorized by Executive Order 12356 and implementing regulations to be kept secret in the interest of the national defense or foreign policy are not subject to disclosure pursuant to this part.

(3) Records consisting of trade secrets or confidential financial data, the disclosure of which is prohibited by 18 U.S.C. 1905, are not subject to disclosure pursuant to this part.

(4) Other records, the disclosure of which is prohibited by statute, are not subject to disclosure pursuant to this part.

(f) Protection of the right of privacy. If any record required or permitted by this part to be disclosed contains the name of, or other identifying details concerning, any person, including an employee of the Postal Service, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, the name or other identifying details shall be deleted before the record is disclosed and the requester so informed.

(g) Disclosure in part of otherwise exempt record. Any reasonably segregable portion of a record shall be provided after deleting the information which is neither subject to mandatory disclosure nor available as a matter of discretion.

PART 266—PRIVACY OF INFORMATION

§ 266.1 Purpose and scope.

This part is intended to protect individual privacy and affects all personal information collection and usage activities of the entire U.S. Postal Service. This includes the information interface of Postal Service employees to other employees, to individuals from...
§ 266.2 Policy.

It is the policy of the U.S. Postal Service to ensure that any record within its custody that identifies or describes any characteristic or provides historical information about an individual or that affords a basis for inferring personal characteristics, or things done by or to such individual, including the record of any affiliation with an organization or activity, or admission to an institution, is accurate, complete, timely, relevant, and reasonably secure from unauthorized access. Additionally, it is the policy to provide the means for individuals to know: (a) Of the existence of all Postal Service Privacy Act systems of records, (b) the recipients and usage made of such information, (c) what information is optional or mandatory to provide to the Postal Service, (d) the procedures for individuals to review and request update to all information maintained about themselves, (e) the reproduction fees for releasing records, (f) the procedures for individual legal appeal in cases of dissatisfaction; and (g) of the establishment or revision of a computer matching program.

§ 266.3 Responsibility.

(a) Records Office. The Records Office, within the Privacy Office, will ensure Postal Service-wide compliance with this policy.

(b) Custodian. Custodians are responsible for adherence to this part within their respective units and in particular for affording individuals their rights to inspect and obtain copies of records concerning them.

(c) Information System Executive. These managers are responsible for reporting to the Records Office the existence or proposed development of Privacy Act systems of records. They also must report any change that would alter the systems description as published in the Federal Register. They establish the relevancy of the information within those systems.

(d) Data Integrity Board—(1) Responsibilities. The Data Integrity Board oversees Postal Service computer matching activities. Its principal function is to review, approve, and maintain all written agreements for use of Postal Service records in matching programs to ensure compliance with the Privacy Act and all relevant statutes, regulations, and guidelines. In addition, the Board annually reviews matching programs and other matching activities in which the Postal Service has participated during the preceding year to determine compliance with applicable laws, regulations, and agreements; compiles a biennial matching report of matching activities; and performs review and advisory functions relating to records accuracy, recordkeeping and disposal practices, and other computer matching activities.

(2) Composition. The Privacy Act requires that the senior official responsible for implementation of agency Privacy Act policy and the Inspector General serve on the Board. The Chief Privacy Officer, as administrator of Postal Service Privacy Act policy, serves as Secretary of the Board and performs the administrative functions of the Board. The Board is composed of these and other members designated by the Postmaster General, as follows:

(i) Vice President and Consumer Advocate (Chairman).

(ii) Chief Postal Inspector.

(iii) Inspector General.

(iv) Senior Vice President, Human Resources.

(v) Vice President, General Counsel.

(vi) Chief Privacy Officer.

§ 266.4 Collection and disclosure of information about individuals.

(a) The following rules govern the collection of information about individuals throughout Postal Service operations:

(1) The Postal Service will:

(i) Collect, solicit and maintain only such information about an individual
as is relevant and necessary to accomplish a purpose required by statute or Executive Order,
(ii) Collect information, to the greatest extent practicable, directly from the subject individual when such information may result in adverse determinations about an individual’s rights, benefits or privileges,
(iii) Inform any individual who has been asked to furnish information about himself whether that disclosure is mandatory or voluntary, by what authority it is being solicited, the principal purposes for which it is intended to be used, the routine uses which may be made of it, and any penalties and specific consequences for the individual, which are known to the Postal Service, which will result from refusal to furnish it.
(2) The Postal Service will not discriminate against any individual who fails to provide information about himself unless that information is required or necessary for the conduct of the system or program in which the individual desires to participate.
(3) No information will be collected (or maintained) describing how individuals exercise rights guaranteed by the First Amendment unless the Postmaster General specifically determines that such information is relevant and necessary to carry out a statutory purpose of the Postal Service.
(4) The Postal Service will not require individuals to furnish their Social Security account number or deny a right, privilege or benefit because of an individual’s refusal to furnish the number unless it must be provided by Federal law.

(b) Disclosures—(1) Disclosure: Limitations On. The Postal Service will not disseminate information about an individual unless reasonable efforts have been made to assure that the information is accurate, complete, timely and relevant and unless:
(i) The individual to whom the record pertains has requested in writing that the information be disseminated, or
(ii) It has obtained the prior written consent of the individual to whom the record pertains, or
(iii) The dissemination is in accordance with paragraph (b)(2) of this section.
(2) Dissemination of personal information may be made:
(i) To a person pursuant to a requirement of the Freedom of Information Act (5 U.S.C. 552);
(ii) To those officers and employees of the Postal Service who have a need for such information in the performance of their duties;
(iii) For a routine use as contained in the system notices published in the Federal Register;
(iv) To a recipient who has provided advance adequate written assurance that the information will be used solely as a statistical reporting or research record, and to whom the information is transferred in a form that is not individually identifiable;
(v) To the Bureau of the Census for purposes of planning or carrying out a census or survey or related activity pursuant to the provisions of title 13, U.S.C.;
(vi) To the National Archives of the United States as a record which has sufficient historical or other value to warrant its continued preservation by the U.S. Government, or for evaluation by the Administrator of General Services or his designee to determine whether the record has such value;
(vii) To a person pursuant to a showing of compelling circumstances affecting the health or safety of an individual, if upon such disclosure notification is transmitted to the last known address of such individual;
(viii) To a federal agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity, if such activity is authorized by law and if the head of the agency or instrumentality has made a written request to the Postal Service specifying the particular portion of the record desired and the law enforcement activity for which the record is sought;
(ix) To either House of Congress or its committees or subcommittees to the extent of matter within their jurisdiction;
(x) To the Comptroller General or any of his authorized representatives in the course of the performance of the duties of the General Accounting Office;
(xi) Pursuant to the order of a court of competent jurisdiction.

(3) Names and Addresses of Postal Customers. The disclosure of lists of names or addresses of Postal customers or other persons to the public is prohibited (39 U.S.C. 412). Names or addresses of Postal Service customers will be disclosed only in those cases permitted by 39 CFR 265.14(d) relating to the Release of Information.

(4) Employee Credit References. A credit bureau or commercial firm from which an employee is seeking credit may be given the following information upon request: grade, duty status, length of service, job title, and salary.

(5) Employee Job References. Prospective employers of a postal employee or a former postal employee may be furnished with the information in paragraph (b)(4) of this section, in addition to the date and the reason for separation, if applicable. The reason for separation must be limited to one of the following terms: retired, resigned, or separated. Other terms or variations of these terms (e.g., retired—disability) may not be used. If additional information is desired, the requester must submit the written consent of the employee, and an accounting of the disclosure must be kept.

(6) Computer matching purposes. Records from a Postal Service system of records may be disclosed to another agency for the purpose of conducting a computer matching program or other matching activity as defined in paragraphs (c) and (d) of §262.5, but only after a determination by the Data Integrity Board that the procedural requirements of the Privacy Act, the guidelines issued by the Office of Management and Budget, and these regulations as may be applicable are met. These requirements include:

(i) Routine use. Disclosure is made only when permitted as a routine use of the system of records. The Manager, Records Office, determines the applicability of a particular routine use and the necessity for adoption of a new routine use.

(ii) Notice. Publication of new or revised matching programs in the Federal Register and advance notice to Congress and the Office of Management and Budget must be made pursuant to paragraph (f) of §266.5.

(iii) Computer matching agreement. The participants in a computer matching program must enter into a written agreement specifying the terms under which the matching program is to be conducted (see §266.10). The Manager, Records Office, may require that other matching activities be conducted in accordance with a written agreement.

(iv) Data Integrity Board approval. No record from a Postal Service system of records may be disclosed for use in a computer matching program unless the matching agreement has received approval by the Postal Service Data Integrity Board (see §266.10). Other matching activities may, at the discretion of the Manager, Records Office, be submitted for Board approval.

(c) Correction Disclosure. Any person or other agency to which a personal record has been or is to be disclosed shall be informed of any corrections or notations of dispute relating thereto affecting the accuracy, timeliness or relevance of that personal record.

(d) Recording of Disclosure. (1) An accurate accounting of each disclosure will be kept in all instances except those in which disclosure is made to the subject of the record, or to Postal Service employees in the performance of their duties or is required by the Freedom of Information Act (5 U.S.C. 552).

(2) The accounting will be maintained for at least five (5) years or the life of the record, whichever is longer.

(3) The accounting will be made available to the individual named in the record upon inquiry, except for disclosures made pursuant to provision paragraph (b)(2)(viii) of this section relating to law enforcement activities.

§ 266.6 Procedures for requesting inspection, copying, or amendment of records.

The purpose of this section is to provide procedures by which an individual may have access and request amendment to personal information within a Privacy Act System of Records.

(a) Submission of Requests—(1) Manner of submission. Inquiries regarding the contents of records systems or access or amendment to personal information should be submitted in writing to the custodian of the official record, if known, or to the Manager, Records Office, U.S. Postal Service, 475 L’Enfant Plaza SW., Washington, DC 20260, telephone (202) 268–2608. Requests submitted to the Office of Inspector General should be submitted to the Freedom of Information Act/Privacy Officer, Office of Inspector General, 1735 North Lynn Street, Arlington, Virginia, 22209–2020. Inquiries should be clearly marked, “Privacy Act Request”. Any inquiry concerning a specific system of records should provide the Postal Service with the information contained under “Notification” for that system as published in the Federal Register. If the information supplied is insufficient to locate or identify the record, the requester will be notified promptly and, if possible, informed of additional information required. If the requester is not a Postal Service employee, he should designate the post office at which he wishes to review or obtain copies of records. Amendment requests contest the relevance, accuracy, timeliness or completeness of the record and will include a statement of the amendment requested.

(2) Third party inquiries. Anyone desiring to review or copy records pertaining to another person must have the written consent of that person.

(3) Period for response by custodian. Upon receipt of an inquiry, the custodian will respond with an acknowledgement of receipt within ten (10) days. If the inquiry requires the custodian to determine whether a particular record exists, the inquirer shall be informed of this determination as a part of the acknowledgement letter.

(b) Compliance with Request for Access—(1) Notification of time and place for

When a requested record has been identified and is to be disclosed, the custodian shall ensure that the record is made available promptly and shall immediately notify the requester where and when the record will be available for inspection or copying. Postal Service records will normally be available for inspection and copying during regular business hours at the postal facilities at which they are maintained. The custodian may, however, designate other reasonable locations and times for inspection and copying of some or all of the records within his custody.

(2) Identification of requester. The requester must present personal identification sufficient to satisfy the custodian as to his identity prior to record review. Examples of sufficient identification are a valid driver’s license, Medicare card, and employee identification cards.

(3) Responsibilities of requester. The requester shall assume the following responsibilities regarding the review of official personal records:

(i) Requester must agree not to leave Postal Services premises with official records unless specifically given a copy for that purpose by the custodian or his representative.

(ii) Requester must sign a statement indicating he has reviewed a specific record(s) or category of record.

(iii) Requester may be accompanied by a person he so chooses to aid in the inspection of information; however, requester must furnish the Postal Service with written authorization for such review in that person’s presence.

(4) Special rules for medical records. A medical record shall be disclosed to the requester to whom it pertains unless, in the judgment of the medical officer, access to such record could have an adverse effect upon such individual. When the medical officer determines that the disclosure of medical information could have an adverse effect upon the individual to whom it pertains, the medical officer will transmit such information to a medical doctor named by the requesting individual.

(5) Limitations on access. Nothing in this section shall allow an individual access to any information compiled in reasonable anticipation of a civil action or proceeding. Other limitations on access are those specifically addressed in §§266.6(b)(4) and 266.9.

(6) Response when compliance is not possible. A reply denying a written request to review a record shall be in writing signed by the custodian or other appropriate official and shall be made only if such a record does not exist or does not contain personal information relating to the requester, or is exempt from disclosure. This reply shall include a statement regarding the determining factors of denial, and the right to appeal to denial to the General Counsel.

(c) Compliance With Request for Amendment. (1) Correct or eliminate any information that is found to be incomplete, inaccurate, not relevant to a statutory purpose of the Postal Service, or not timely and notify the requester when this action is complete, or

(2) Not later than thirty (30) working days after receipt of a request to amend, notify the requester of a determination not to amend and of the requester’s right to appeal, or to submit, in lieu of an appeal, a statement of reasonable length setting forth a position regarding the disputed information to be attached to the contested personal record.

(d) Availability of Assistance in Exercising Rights. The Manager, Records Office is available to provide an individual with assistance in exercising rights pursuant to this part.

United States Postal Service

§ 266.9

appeal is from a failure of the custodian to make a determination. The letter of appeal should include, as applicable:

(i) Reasonable identification of the record access to which or the amendment of which was requested.

(ii) A statement of the Postal Service action or failure to act and of the relief sought.

(iii) A copy of the request, of the notification of denial and of any other related correspondence.

(3) Any record found on appeal to be incomplete, inaccurate, not relevant, or not timely, shall within thirty (30) working days of the date of such findings be appropriately amended.

(4) The decision of the General Counsel, constitutes the final decision of the Postal Service on the right of the requester to inspect, copy, change, or update a record. The decision on the appeal shall be in writing and in the event of a denial shall set forth the reasons for such denial and state the individual’s right to obtain judicial review in a district court. An indexed file of decisions on appeals shall be maintained by the General Counsel.

(b) Submission of Statement of Disagreement.

If the final decision concerning a request for the amendment of a record does not satisfy the requester, any statement of reasonable length provided by that individual setting forth a position regarding the disputed information will be accepted and attached to the relevant personal record.

§ 266.8 Schedule of fees.

(a) Policy. The purpose of this section is to establish fair and equitable fees to permit duplication of records for subject individuals (or authorized representatives) while recovering the full allowable direct costs incurred by the Postal Service.

(b) Duplication. (1) For duplicating any paper or micrographic record or publication or computer report, the fee is $.15 per page, except that the first 100 pages furnished in response to a particular request shall be furnished without charge. See paragraph (d) of this section for fee limitations.

(2) The Postal Service may at its discretion make coin-operated copy machines available at any location. In that event, requesters will be given the opportunity to make copies at their own expense.

(3) The Postal Service normally will not furnish more than one copy of any record. If duplicate copies are furnished at the request of the requester, $.15 per page fee is charged for each copy of each duplicate page without regard to whether the requester is eligible for free copies pursuant to §266.8(b)(1).

(c) Aggregating requests. When the custodian reasonably believes that a requester is attempting to break a request for similar types of records down into a series of requests in order to evade the assessment of fees, the custodian may aggregate the requests and charge accordingly.

(d) Limitations. No fee will be charged an individual for the process of retrieving, reviewing, or amending a record pertaining to that individual.

(e) The Postal Service may, at its discretion, require reimbursement of its costs as a condition of participation in a computer matching program or activity with another agency. The agency to be charged is notified in writing of the approximate costs before they are incurred. Costs are calculated in accordance with the schedule of fees at §265.9.

§ 266.9 Exemptions.

(a) Subsections 552a(j) and (k) of 5 U.S.C. 552a empower the Postmaster General to exempt systems of records meeting certain criteria from various other subsections of 5 U.S.C. 552a. With respect to systems of records so exempted, nothing in this section shall require compliance with provisions hereof implementing any subsections of 5 U.S.C. 552a from which those systems have been exempted.

(b) Paragraph (b)(1) of this section contains a summary of provisions of 5 U.S.C. 552a for which exemption is claimed for some systems of records.
pursuant to, and to the extent permitted by, subsections 552a(i) and (k) of 5 U.S.C. 552a. Paragraphs (b)(2) through (5) of this section identify the exempted systems of records, the exemptions applied to each, and the reasons for the exemptions:

(1) Explanation of provisions under 5 U.S.C. 552a for which an exemption is claimed in the systems discussed below. (i) Subsection (c)(3) requires an agency to make available to the individual named in the records an accounting of each disclosure of records.

(ii) Subsection (c)(4) requires an agency to inform any person or other agency to which a record has been disclosed of any correction or notation of dispute the agency has made to the record in accordance with 5 U.S.C. 552a(d).

(iii) Subsections (d)(1) through (4) require an agency to permit an individual to gain access to records about the individual, to request amendment of such records, to request a review of an agency decision not to amend such records, and to provide a statement of disagreement about a disputed record to be filed and disclosed with the disputed record.

(iv) Subsection (e)(1) requires an agency to maintain in its records only such information about an individual that is relevant and necessary to accomplish a purpose required by statute or executive order of the President.

(v) Subsection (e)(2) requires an agency to collect information to the greatest extent practicable directly from the subject individual when the information may result in adverse determinations about an individual’s rights, benefits, and privileges under federal programs.

(vi) Subsection (e)(3) requires an agency to inform each person whom it asks to supply information of the authority under which the information is sought, the purposes for which the information will be used, the routine uses that may be made of the information, whether disclosure is mandatory or voluntary, and the effects of not providing the information.

(vii) Subsection (e)(4)(G) and (H) requires an agency to publish a Federal Register notice of its procedures whereby an individual can be notified upon request whether the system of records contains information about the individual, how to gain access to any record about the individual contained in the system, and how to contest its content.

(viii) Subsection (e)(5) requires an agency to maintain its records with such accuracy, relevance, timeliness, and completeness as is reasonably necessary to ensure fairness to the individual in making any determination about the individual.

(ix) Subsection (e)(8) requires an agency to make reasonable efforts to serve notice on an individual when any record on such individual is made available to any person under compulsory legal process when such process becomes a matter of public record.

(x) Subsection (f) requires an agency to establish procedures whereby an individual can be notified upon request if any system of records named by the individual contains a record pertaining to the individual, obtain access to the record, and request amendment.

(xi) Subsection (g) provides for civil remedies if an agency fails to comply with the access and amendment provisions of subsections (d)(1) and (d)(3), and with other provisions of 5 U.S.C. 552a, or any rule promulgated thereunder, in such a way as to have an adverse effect on an individual.

(xii) Subsection (m) requires an agency to cause the requirements of 5 U.S.C. 552a to be applied to a contractor operating a system of records to accomplish an agency function.

(2) Pursuant to subsection 552a(j)(2), Emergency Management Records, USPS 500.300; Inspection Service Investigative File System, USPS 700.000; Mail Cover Program Records, USPS 700.100; and Inspector General Investigative Records, USPS 700.300, are exempt from subsections 552a (c)(3), (c)(4), (d)(1)–(4), (e)(1)–(3), (e)(4) (G) and (H), (e)(5), (e)(8), (f), (g), and (m) because the systems contain information pertaining to the enforcement of criminal laws. The reasons for exemption follow:

(i) Disclosure to the record subject pursuant to subsections (c)(3), (c)(4), or (d)(1)–(4) could:

(A) Alert subjects that they are targets of an investigation or mail cover by the Postal Inspection Service or an
investigation by the Office of Inspector General:

(B) Alert subjects of the nature and scope of the investigation and of evidence obtained;

(C) Enable the subject of an investigation to avoid detection or apprehension;

(D) Subject confidential sources, witnesses, and law enforcement personnel to harassment or intimidation if their identities were released to the target of an investigation;

(E) Constitute unwarranted invasions of the personal privacy of third parties who are involved in a certain investigation;

(F) Intimidate potential witnesses and cause them to be reluctant to offer information;

(G) Lead to the improper influencing of witnesses, the destruction or alteration of evidence yet to be discovered, the fabrication of testimony, or the compromising of classified material; and

(H) Seriously impede or compromise law enforcement, mail cover, or background investigations that might involve law enforcement aspects as a result of the above.

(ii) Application of subsections (e)(1) and (e)(5) is impractical because the relevance, necessity, or correctness of specific information might be established only after considerable analysis and as the investigation progresses. As to relevance (subsection (e)(1)), effective law enforcement requires the keeping of information not relevant to a specific Postal Inspection Service investigation or Office of Inspector General investigation. Such information may be kept to provide leads for appropriate law enforcement and to establish patterns of activity that might relate to the jurisdiction of the Office of Inspector General, Postal Inspection Service, and/or other agencies. As to accuracy (subsection (e)(5)), the correctness of records sometimes can be established only in a court of law.

(iii) Application of subsections (e)(2) and (e)(3) would require collection of information directly from the subject of a potential or ongoing investigation. The subject would be put on alert that he or she is a target of an investigation by the Office of Inspector General, or an investigation or mail cover by the Postal Inspection Service, enabling avoidance of detection or apprehension, thereby seriously compromising law enforcement, mail cover, or background investigations involving law enforcement aspects. Moreover, in certain circumstances the subject of an investigation is not required to provide information to investigators, and information must be collected from other sources.

(iv) The requirements of subsections (e)(4)(G) and (H), and (f) do not apply because this system is exempt from the provisions of subsection (d). Nevertheless, the Postal Service has published notice of its notification, access, and contest procedures because access is appropriate in some cases.

(v) Application of subsection (e)(8) could prematurely reveal an ongoing criminal investigation to the subject of the investigation.

(vi) The provisions of subsection (g) do not apply because exemption from the provisions of subsection (d) renders the provisions on suits to enforce subsection (d) inapplicable.

(vii) If one of these systems of records is operated in whole or in part by a contractor, the exemptions claimed herein shall remain applicable to it (subsection (m)).

(3) Pursuant to subsection 552a(k)(2), Labor Relations Records, USPS 200.000; Emergency Management Records, USPS 500.300; Inspection Service Investigative File System, USPS 700.000; Mail Cover Program Records, USPS 700.100; Inspector General Investigative Records, USPS 700.300; and Financial Transactions, USPS 860.000, are exempt from certain subsections of 5 U.S.C. 552a because the systems contain investigatory material compiled for law enforcement purposes other than material within the scope of subsection 552a(j)(2).

(1) Emergency Management Records, USPS 500.300; Inspection Service Investigative File System, USPS 700.000; Mail Cover Program Records, USPS 700.100; and Inspector General Investigative Records, USPS 700.300, are exempt from certain subsections 552a(c)(3), (d)(1)–(4), (e)(1), (e)(4) (G) and (H), and (f) for the same reasons as stated in paragraph (b)(2) of this section.
§266.9

(1) Labor Relations Records, USPS 200.000, is exempt from subsections 552a(d)(1)-(4), (e)(4)(G) and (H), and (f) for the following reasons:

(A) Application of the requirements at subsections (d)(1)-(4) would cause disruption of enforcement of the laws relating to equal employment opportunity (EEO). It is essential to the integrity of the EEO complaint system that information collected in the investigative process not be prematurely disclosed and that witnesses be free from restraint, interference, coercion, or reprisal.

(B) The requirements of subsections (e)(4)(G) and (H), and (f) do not apply for the same reasons described in paragraph (b)(2)(iv) of this section.

(iii) Financial Transactions, USPS 860.000, is exempt from subsections 552a(c)(3), (d)(1)-(4), (e)(1), (e)(4)(G) and (H), and (f) for the following reasons:

(A) Disclosure to the record subject pursuant to subsections (c)(3) and (d)(1)-(4) would violate the non-notification provision of the Bank Secrecy Act, 31 U.S.C. 5318(g)(2), under which the Postal Service is prohibited from notifying a transaction participant that a suspicious transaction report has been made. In addition, the access provisions of subsections (c)(3) and (d)(1)-(4) would alert individuals that they have been identified as suspects or possible subjects of investigation and thus seriously hinder the law enforcement purposes underlying the suspicious transaction reports.

(B) This system is in compliance with subsection (e)(1) because maintenance of the records is required by law. Strict application of the relevance and necessity requirements of subsection (e)(1) to suspicious transactions would be impractical, however, because the relevance or necessity of specific information can often be established only after considerable analysis and as an investigative progresses.

(C) The requirements of subsections (e)(4)(G) and (H), and (f) do not apply because this system is exempt from the provisions of subsection (d). Nevertheless, the Postal Service has published notice of its notification, access, and contest procedures because access is appropriate in some cases.

(4) Pursuant to subsection 552a(k)(5), Recruiting, Examining, and Placement Records, USPS 100.100; Labor Relations Records, USPS 200.000; Inspection Service Investigative File System, USPS 700.000; and Inspector General Investigative Records, USPS 700.300 are exempt from certain subsections of 5 U.S.C. 552a because the systems contain investigatory material compiled for the purpose of determining suitability, eligibility, or qualifications for employment, contracts, or access to classified information.

(i) Recruiting, Examining, and Placement Records, USPS 100.100, is exempt from subsections 552a(d)(1)-(4) and (e)(1) for the following reasons:

(A) During its investigation and evaluation of an applicant for a position, the Postal Service contacts individuals who, without an assurance of anonymity, would refuse to provide information concerning the subject of the investigation. If a record subject were given access pursuant to subsection (d)(1)-(4), the promised confidentiality would be breached and the confidential source would be identified. The result would be restriction of the free flow of information vital to a determination of an individual’s qualifications and suitability for appointment to or continued occupancy of his or her position.

(B) In collecting information for investigative and evaluative purposes, it is impossible to determine in advance what information might be of assistance in determining the qualifications and suitability of an individual for appointment. Information that seems irrelevant, when linked with other information, can sometimes provide a composite picture of an individual that assists in determining whether that individual should be appointed to or retained in a position. For this reason, exemption from subsection (e)(1) is claimed.

(C) The requirements of subsections (e)(4)(G) and (H), and (f) do not apply because this system is exempt from the provisions of subsection (d). Nevertheless, the Postal Service has published notice of its notification, access, and contest procedures because access is appropriate in some cases.

(1) Labor Relations Records, USPS 200.000, is exempt from subsections
§ 266.10 Computer matching.

(a) General. Any agency or Postal Service component that wishes to use records from a Postal Service automated system of records in a computerized comparison with other postal or non-postal records must submit its proposal to the Postal Service Manager Records Office. Computer matching programs as defined in paragraph (c) of § 262.5 must be conducted in accordance with the Privacy Act, implementing guidance issued by the Office of Management and Budget and these regulations. Records may not be exchanged for a matching program until all procedural requirements of the Act and these regulations have been met. Other matching activities must be conducted in accordance with the Privacy Act and with the approval of the Manager, Records Office. See paragraph (b)(6) of § 266.4.

(b) Procedure for submission of matching proposals. A proposal must include information required for the matching agreement discussed in paragraph (d)(1) of this section. The Inspection Service must submit its proposals for matching programs and other matching activities to the Postal Service Manager Records Office through: Independent Counsel, Inspection Service, U.S. Postal Service, 475 L’Enfant Plaza SW, Rm 3417, Washington, DC 20260–2181. All other matching proposals, whether from postal organizations or other government agencies, must be mailed directly to: Manager, Records Office, U.S. Postal Service, 475 L’Enfant Plaza SW, Washington, DC 20260.

(c) Lead time. Proposals must be submitted to the Postal Service Manager Records Office at least 3 months in advance of the anticipated starting date to allow time to meet Privacy Act publication and review requirements.

(d) Matching agreements. The participants in a computer matching program must enter into a written agreement specifying the terms under which the matching program is to be conducted. The Manager, Records Office may require similar written agreements for other matching activities.
(1) **Content.** Agreements must specify:

(i) The purpose and legal authority for conducting the matching program;

(ii) The justification for the program and the anticipated results, including, when appropriate, a specific estimate of any savings in terms of expected costs and benefits, in sufficient detail for the Data Integrity Board to make an informed decision;

(iii) A description of the records that are to be matched, including the data elements to be used, the number of records, and the approximate dates of the matching program;

(iv) Procedures for providing notice to individuals who supply information that the information may be subject to verification through computer matching programs;

(v) Procedures for verifying information produced in a matching program and for providing individuals an opportunity to contest the findings in accordance with the requirement that an agency may not take adverse action against an individual as a result of information produced by a matching program until the agency has independently verified the information and provided the individual with due process;

(vi) Procedures for ensuring the administrative, technical, and physical security of the records matched; for the retention and timely destruction of records created by the matching program; and for the use and return or destruction of records used in the program;

(vii) Prohibitions concerning duplication and redisclosure of records exchanged, except where required by law or essential to the conduct of the matching program;

(viii) Assessments of the accuracy of the records to be used in the matching program; and

(ix) A statement that the Comptroller General may have access to all records of the participant agencies in order to monitor compliance with the agreement.

(2) **Approval.** Before the Postal Service may participate in a computer matching program or other computer matching activity that involves both USPS and non-USPS records, the Data Integrity Board must have evaluated the proposed match and approved the terms of the matching agreement. To be effective, the matching agreement must receive approval by each member of the Board. Votes are collected by the Postal Service Manager Records Office. Agreements are signed on behalf of the Board by the Chairman. If a matching agreement is disapproved by the Board, any party may appeal the disapproval in writing to the Director, Office of Management and Budget, Washington, DC 20503–0001, within 30 days following the Board’s written disapproval.

(3) **Effective dates.** No matching agreement is effective until 40 days after the date on which a copy is sent to Congress. The agreement remains in effect only as long as necessary to accomplish the specific matching purpose, but no longer than 18 months, at which time the agreement expires unless extended. The Data Integrity Board may extend an agreement for one additional year, without further review, if within 3 months prior to expiration of the 18-month period it finds that the matching program is to be conducted without change, and each party to the agreement certifies that the program has been conducted in compliance with the matching agreement. Renewal of a continuing matching program that has run for the full 30-month period requires a new agreement that has received Data Integrity Board approval.

§ 268.1 General principles.

In order to conduct its business, the Postal Service has the need to collect various types of personally identifiable information about its customers, employees and other individuals. Information of this nature has been entrusted to the Postal Service, and employees handling it have a legal and ethical obligation to hold it in confidence and to actively protect it from uses other than those compatible with the purpose for which the information was collected. This obligation is legally imposed by the Privacy Act of 1974, which places specific requirements upon all Federal agencies, including the Postal Service, and their employees. In implementation of these requirements, the following rules of conduct apply:

(a) Except as specifically authorized in §266.4(b)(2) of this chapter, no employee shall disclose, directly or indirectly, the contents of any record about another individual to any person or organization. Managers are to provide a direct response.

In certain instances of willful or intentional non-compliance, the plaintiff may recover damages from the Postal Service in the minimum amount of $1,000 together with costs of the action and attorney fees.

(b) The Act provides criminal sanctions for individuals, including employees, who violate certain of its provisions.

(1) Any officer or employee who, by virtue of his employment or position, has possession of, or access to, official records which contain individually identifiable information and who, knowing that disclosure of the specific material is prohibited by Postal Service regulations, willfully discloses the material to a person or agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than $5,000.

(2) Each voucher, invoice, claim form, or other individual request or demand for property, services, or money constitutes a separate claim.

(3) A claim shall be considered made, presented, or submitted to the Postal Service, recipient, or party when such claim is actually made to an agent, fiscal intermediary, or other entity, including any State or political subdivision thereof, acting for or on behalf of the Postal Service.

(4) Each claim for property, services, or money is subject to the civil penalty referred to in paragraph (a)(1) of this section regardless of whether such property, service, or money is actually delivered or paid.

(5) If the Government has made payment on a claim, a person subject to the civil penalty referred to in paragraph (a)(1) of this section shall also be subject to an assessment of not more than twice the amount of such claim or twice the amount of that portion thereof that is determined to be in violation of paragraph (a)(1) of this section. This assessment shall be in lieu of damages sustained by the United States because of such claim.

(b) Statements. (1) Any person who makes, presents, or submits, or causes to be made, presented, or submitted, a written statement that—

(c) In any case in which it is determined that more than one person is liable for making a claim or statement under this section, the civil penalty referred to in paragraph (a)(1) of this section may be imposed on each such person without regard to the amount of any penalties collected or demanded from others.

(d) In any case in which it is determined that more than one person is liable for making a claim under this section on which the Government has made payment, an assessment may be imposed against any such person or jointly and severally against any combination of such persons. The aggregate amount of the assessments collected with respect to such claim shall not exceed twice the portion of such claim determined to be in violation of paragraph (a)(1) of this section.

§ 273.6 Evaluation by reviewing official.

(a) Based upon the investigatory report prepared by the Investigating Official, the Reviewing Official shall determine whether there is adequate evidence to believe that a person is liable under 31 U.S.C. 3802, and, if so, whether prosecution would likely result in the imposition and collection of civil penalties and applicable assessments.

(b) If the Reviewing Official determines that a case has merit and should be referred to the Judicial Officer for assignment to a Presiding Officer, he must first transmit to the Attorney General a written notice containing the following information:

1. A statement setting forth the Reviewing Official’s reasons for proposing to refer the case to a Presiding Officer;
2. A description of the claims or statements for which liability under 31 U.S.C. 3802 is alleged;
3. A statement specifying the evidence that supports the allegations of liability;
4. An estimate of the amount of money or the value of property or services allegedly requested or demanded in violation of 31 U.S.C. 3802;
5. A statement of any exculpatory or mitigating circumstances which may relate to the claims or statements under investigation;
6. An estimate of the prospects of collecting the amount specified in paragraph (c)(5) of this section, and any reasons supporting such estimate.

§ 273.5 Investigations of alleged violations.

(a) Investigations of allegations of liability under 31 U.S.C. 3802 shall be conducted by the Investigating Official.

(b)(1) For purposes of an investigation under this part, the Investigating Official may issue a subpoena requiring the production of all information, documents, reports, answers, records, accounts, papers, and data not otherwise reasonably available to the Postal Service. Any subpoena issued by the Investigating Official under this authority shall cite 31 U.S.C. 3804(a) as the authority under which it is issued, shall be signed by the Investigating Official, and shall command each person to whom it is directed to produce the specified documentary material at a prescribed time and place.

2. In the case of contumacy or refusal to obey a subpoena issued pursuant to paragraph (b)(1) of this section, the district courts of the United States have jurisdiction to issue an appropriate order for the enforcement of such subpoena. Any failure to obey such order of the court may be punishable as contempt. In any case in which the Postal Service seeks the enforcement of a subpoena under this section, the Postal Service shall request the Attorney General to petition the district court for the district in which the person receiving the subpoena resides or conducts business to issue such an order.

(c) Upon completing an investigation under this part, the Investigating Official shall submit to the Reviewing Official a report containing the findings and conclusions of his investigation, including:

1. A description of the claims or statements for which liability under 31 U.S.C. 3802 is alleged;
2. A description of any evidence which supports allegations of liability under 31 U.S.C. 3802, or where applicable, a description of any evidence that tends to support a conclusion that such statute has not been violated;
3. An estimate of the amount of money or the value of property or services allegedly requested or demanded in violation of 31 U.S.C. 3802;
4. A statement of any exculpatory or mitigating circumstances which may relate to the claims or statements under investigation;
5. A statement of the amount of penalties and assessments that, considering the information described in paragraphs (c)(3) and (4) of this section, the Investigating Official recommends be demanded from the person alleged to be liable; and
6. An estimate of the prospects of collecting the amount specified in paragraph (c)(5) of this section, and any reasons supporting such estimate.

(d) Nothing in these regulations modifies any responsibility of the Investigating Official to report violations of criminal law to the Attorney General.

§ 273.7 Concurrence of Attorney General.

(a) The Attorney General is required by 31 U.S.C. 3803(b) to respond to the Reviewing Official’s written notice described in §273.6 within 90 days. The Reviewing Official may refer allegations of liability to the Judicial Officer only if the Attorney General or his designee approves such action in a written statement which specifies:

(1) That the Attorney General or his designee approves the referral to the Judicial Officer of the allegations of liability set forth in the notice described in §273.6; and

(2) That the initiation of a proceeding under the Program Fraud Civil Remedies Act is appropriate.

(b) If at any time after the Attorney General approves the referral of a case to the Judicial Officer, the Attorney General or his designee transmits to the Postmaster General a written finding that the continuation of any proceeding under the Program Fraud Civil Remedies Act with respect to a claim or statement may adversely affect any pending or potential criminal or civil action related to such claim or statement, such proceeding shall be immediately stayed and may be resumed only upon written authorization of the Attorney General.

§ 273.8 Issuance of complaint.

(a) If the Attorney General or his designee approves the referral of allegations of liability to the Judicial Officer, the Reviewing Official shall serve on the Respondent, pursuant to paragraph (b) of this section, a Complaint, which:

(1) Specifies the allegations of liability against the Respondent, including the statutory basis for liability;

(2) Identifies the claims or statements that are the basis for the alleged liability, and the reasons why liability allegedly arises from such claims or statements;

(3) Specifies the amount of penalties or assessments the Postal Service seeks to impose;

(4) Informs the Respondent of his right to request an oral hearing before, or a decision on the record by, a Presiding Officer concerning the allegations of liability and the amount of proposed penalties or assessments;

(5) Informs the Respondent of how to request a hearing described in paragraph (a)(4) of this section;

(6) Includes a copy of the procedures which govern hearings under the Program Fraud Civil Remedies Act, and which are set forth in part 962 of this title; and

(7) Notifies the Respondent that his or her failure to request a hearing on the issues raised by the Complaint within 30 days of its receipt may result in the imposition of the proposed penalty and assessments pursuant to §§962.4(a) and 962.15(d) of this title.

(b) Service of a Complaint issued under paragraph (a) of this section must be effected by registered or certified mail, return-receipt requested, or by personal delivery. In the case of personal service, the person making service shall, if possible, secure from the person sought to be served, or his or
her agent, a written acknowledgment of receipt, showing the date and time of such receipt. If the person upon whom service is made declines to acknowledge receipt, the person effecting service shall execute a statement, indicating the time, place and manner of service, which shall constitute evidence of service.

§ 273.9 Collection of civil penalties or assessments.

(a) Any penalty or assessment imposed under the Program Fraud Civil Remedies Act may be recovered in a civil action brought by the Attorney General. In any such action, no matter that was raised or that could have been raised in a hearing conducted under part 962 of this title or pursuant to judicial review under 31 U.S.C. 3805 may be raised as a defense and the determination of liability and the determination of amounts of penalties and assessments shall not be subject to review. A civil action to recover a penalty or assessment shall be commenced within three years after the date on which the determination of liability for such penalty or assessment becomes final.

(b) The amount of any penalty or assessment which has become final may be collected by administrative offset in accordance with 31 U.S.C 3716, 3807.

(c) Any penalty or assessment imposed by the Postal Service under this part shall be deposited in the Postal Service Fund established by section 2003 of title 39.

§ 273.10 Reports.

(a) Not later than October 31 of each year, the Postmaster General shall prepare and transmit to the appropriate committees and subcommittees of the Congress an annual report summarizing actions taken under the Program Fraud Civil Remedies Act during the most recent 12-month period ending the previous September 30.

(b) The report referred to in paragraph (a) of this section shall include the following information for the period covered by the report:

(1) A summary of matters referred by the Investigating Official to the Reviewing Official under this part;

(2) A summary of matters transmitted to the Attorney General under this part;

(3) A summary of all hearings conducted by a Presiding Officer under part 962 of this title, and the results of such hearings; and

(4) A summary of the actions taken during the reporting period to collect any civil penalty or assessment imposed under the Program Fraud Civil Remedies Act.

Damage to or Destruction of Firm Mailings

PART 281—FIRM MAILINGS DAMAGED OR DESTROYED THROUGH TRANSPORTATION ACCIDENTS OR CATASTROPHES

§ 281.1 Notification of firm mailers.

Whenever bulk firm mail shipments are involved in transportation accidents or catastrophes, such as train or highway accidents, fire, flood, etc., it will be the responsibility of the sectional center director of customer services at the office of mailing to give known mailers timely notification of the incident and its effect on their mail shipment(s).

[30 FR 20974, June 17, 1974, as amended at 40 FR 2176, Jan. 10, 1975]

§ 281.2 Action required by processing postal officials.

Postal officials processing salvable mail recovered from the scene of an accident or catastrophe are responsible for giving timely notification of the incident to the sectional center director of customer services at the office of mailing. The notification should include, but not be limited to:

(a) The determinable names of the major mailers involved;
§ 281.3 Postal inspector responsibilities.

The postal inspector investigating the incident should assure that the processing postal officials are fulfilling their notification responsibilities on a timely basis. Should the situation arise where no postal officials are involved in processing affected mail, then the investigating postal inspector will take necessary action to insure that appropriate notification is made.

[39 FR 20974, June 17, 1974]

§ 281.4 Disclaimer.

The Postal Service will not be liable in damages for any loss occasioned by any failure to notify firm mailers in accordance with this part of damage to or destruction of firm mailings.

[39 FR 20974, June 17, 1974]
Several of the items enumerated in this paragraph (a)(7) do not self-evidently lie outside of the definition of “letter.” To the extent, however, that there is any question whether these items may properly be excluded by definition, the Postal Service has determined by adoption of these regulations that the restrictions of the Private Express Statutes are suspended pursuant to 39 U.S.C. 601(b).

§ 310.1 Definitions.

(a) Letter is a message directed to a specific person or address and recorded in or on a tangible object, subject to the following:

(1) Tangible objects used for letters include, but are not limited to, paper (including paper in sheet or card form), recording disks, and magnetic tapes. Tangible objects used for letters do not include (i) objects the material or shape and design of which make them valuable or useful for purposes other than as media for long-distance communications, unless they are actually used as media for personal and business correspondence, and (ii) outsized, rigid objects not capable of enclosure in envelopes, sacks, boxes or other containers commonly used to transmit letters or packets of letters.

(2) Message means any information or intelligence that can be recorded as described in paragraph (a)(4) of this section.

(3) A message is directed to a “specific person or address” when, for example, it, or the container in which it is carried, singly or with other messages, identical or different, is marked for delivery to a specific person or place, or is delivered to a specific person or place in accordance with a selective delivery plan. Selective delivery plans include delivery to particular persons or addresses by use of detached address labels or cards; address lists; memorized groups of addresses; or “piggy-backed” delivery with addressed articles of merchandise, publications, or other items. Selective delivery plans do not include distributions of materials without written addresses to passersby on a particular street corner, or to all residents or randomly selected residents of an area. A message bearing the name or address of a specific person or place is a letter even if it is intended by the sender to be read or otherwise used by some person or persons other than or in addition to the addressee.

(4) Methods by which messages are recorded on tangible objects include, but are not limited to, the use of written or printed characters, drawing, holes, or orientations of magnetic particles in a manner having a predetermined significance.

(5) Whether a tangible object bears a message is to be determined on an objective basis without regard to the intended or actual use made of the object sent.

(6) Identical messages directed to more than one specific person or address or separately directed to the same person or address constitute separate letters.

(7) The following are not letters within the meaning of these regulations:1

(i) Telegrams.

(ii) Checks, drafts, promissory notes, bonds, other negotiable and nonnegotiable financial instruments, stock certificates, other securities, insurance policies, and title policies when shipped to, from, or between financial institutions.

(A) As used above, checks and drafts include documents intrinsically related to and regularly accompanying the

1Several of the items enumerated in this paragraph (a)(7) do not self-evidently lie outside of the definition of “letter.” To the extent, however, that there is any question whether these items may properly be excluded by definition, the Postal Service has determined by adoption of these regulations that the restrictions of the Private Express Statutes are suspended pursuant to 39 U.S.C. 601(b).
movement of checks or drafts within
the banking system. "Checks" do not
include materials accompanying the
movement of checks to financial insti-
tutions from persons who are not fi-
nancial institutions, or vice versa, ex-
cept such materials as would qualify
under §310.3(a) if "checks" were treat-
ed as cargo. Specifically, for example,"checks" do not include bank state-
ments sent to depositors showing de-
posits, debits, and account balances.

(B) As used above, financial institu-
tions means:
(1) As to checks and drafts: banks,
savings banks, savings and loan insti-
tutions, credit unions, and their of-
fices, affiliates, and facilities.
(2) As to other instruments: institu-
tions performing functions involving
the bulk generation, clearance, and
transfer of such instruments.
(iii) Abstracts of title, mortgages and
other liens, deeds, leases, releases, arti-
cles of incorporation, papers filed in
lawsuits or formal quasi-judicial pro-
ceedings, and orders of courts and of
quasi-judicial bodies.
(iv) Newspapers and periodicals.
(v) Books and catalogs consisting of
24 or more bound pages with at least 22
printed, and telephone directories. Sep-
arate letters of less than 24 bound and
22 printed pages bound to other mate-
rial do not qualify for this exclusion. In
determining whether separate letters
have been bound to other material, the
following factors will be considered,
along with any other relevant factors:
Whether the parts are visually similar;
whether the parts were printed and
bound together at the same time and
by the same process; whether the bind-
ing serves an important purpose and
has been a longstanding practice; and
whether the same individual reads all
parts of the bound document. Ordi-
narily, books and catalogs deal with
matters of interest to, and are intended
for, a substantial number of recipients.
In addition, books generally contain a
substantial number of pages. Accord-
ingly, this exclusion will not apply
when the nature of the message con-
voyed, the limited numbers of pub-
lished copies and of recipients, the lim-
ited number of pages, or other relevant
factors suggest that it is not appro-
priate to treat the material as a book
or catalog. An item distributed pri-
vately, or privately and by mail, to
fewer than 25 separate persons or
places will generally not be treated as
a book or catalog falling within this
exclusion.
(vi) Matter sent from a printer, sta-
tioner, or similar source, to a person
ordering such matter for use as his let-
ters. This exclusion applies whether or
not the printer, stationer, or similar
source is owned by or affiliated with
the person who orders such matter for
use as his letters.
(vii) Letters sent to a records storage
center exclusively for storage, letters
sent exclusively for destruction, letters
retrieved from a records storage cen-
ter, and letters sent as part of a house-
hold or business relocation.
(viii) Tags, labels, stickers, signs or
posters the type-size, layout or phys-
ical characteristics of which indicate
they are primarily intended to be at-
tached to other objects for reading.
(ix) Photographic material being sent
by a person to a processor and proc-
essed photographic material being re-
turned from the processor to the per-
son sending the material for proc-
cessing.
(x) Copy sent from a person to an
independent or company-owned printer
or compositor, or between printers and
compositors, and proofs or printed
matter returned from the printer or
compositor to the office of the person
who initially sent the copy.
(xi) Sound recordings, films, and
packets of identical printed letters
containing messages all or the over-
whelming bulk of which are to be dis-
seminated to the public. The "public"
does not include individuals residing at
the place of address; individuals em-
ployed by the organization doing busi-
ness at the place of address (whether or
not the actual place of employment is
the place of address); individuals who
are members of an organization, if an
organization is located at the place of
address; or other individuals who, indi-
vividually or as members of a group, are
reasonably identifiable to the sender.
(xii) Computer programs recorded on
media suitable for direct input. For the
conditions under which the Private Ex-
press Statutes are suspended for data
processing materials, see §320.2.
Packet means two or more letters, identical or different, or two or more packets of letters, under one cover or otherwise bound together. As used in these regulations, unless the context otherwise requires, "letter" or "letters" includes "packet" or "packets".

Packet means two or more letters, identical or different, or two or more packets of letters, under one cover or otherwise bound together. As used in these regulations, unless the context otherwise requires, "letter" or "letters" includes "packet" or "packets".

Person means an individual, corporation, association, partnership, governmental agency, or other organization or entity.

Post routes are routes on which mail is carried by the Postal Service, and includes post roads as defined in 39 U.S.C. 5003, as follows:

(1) The waters of the United States, during the time the mail is carried thereon;
(2) Railroads or parts of railroads and air routes in operation;
(3) Canals, during the time the mail is carried thereon;
(4) Public roads, highways, and toll roads during the time the mail is carried thereon; and
(5) Letter-carrier routes established for the collection and delivery of mail.

Private carriage, private carrier, and terms of similar import used in connection with the Private Express Statutes or these regulations mean carriage by anyone other than the Postal Service, regardless of any meaning ascribed to similar terms under other bodies of law or regulation.

The term identical printed letters includes letters that differ only in name, address or serial number.

§ 310.2 Unlawful carriage of letters.

Activity described in paragraph (a) of this section is lawful with respect to a letter if:

(i) The letter is enclosed in an envelope or other suitable cover;
(ii) The amount of postage which would have been charged on the letter if it had been sent through the Postal Service is paid by stamps, or postage meter stamps, on the cover or by other methods approved by the Postal Service;
(iii) The name and address of the person for whom the letter is intended appear on the cover;
(iv) The cover is so sealed that the letter cannot be taken from it without defacing the cover;
(v) Any stamps on the cover are canceled in ink by the sender; and
(vi) The date of the letter, or of its transmission or receipt by the carrier, is endorsed on the cover in ink by the sender or carrier, as appropriate;

Any activity is in accordance with the terms of a written agreement between the shipper or the carrier of the letter and the Postal Service. Such an agreement may include some or all of the provisions of paragraph (b)(1) of this section, or it may change them, but it must:

(A) Adequately ensure payment of an amount equal to the postage to which the Postal Service would have been entitled had the letters been carried in the mail;
(B) Remain in effect for a specified period (subject to renewals); and
(C) Provide for periodic review, audit, and inspection.

Possible alternative arrangements may include but are not limited to:

(A) Payment of a fixed sum at specified intervals based on the shipper’s projected shipment of letters for a given period, as verified by the Postal Service; or
(B) Utilization of a computer record to determine the volume of letters shipped during an interval and the applicable postage to be remitted to the Postal Service.

(c) The Postal Service may suspend the operation of any part of paragraph (b) of this section where the public interest requires the suspension.
(d) Activity described in paragraph (a) of this section is permitted with respect to letters which:

(1) Relate to some part of the cargo of, or to some article carried at the same time by, the conveyance carrying it (see §310.3(a));

(2) Are sent by or addressed to the carrier (see §310.3(b));

(3) Are conveyed or transmitted without compensation (see §310.3(c));

(4) Are conveyed or transmitted by special messenger employed for the particular occasion only, provided that not more than twenty-five such letters are conveyed or transmitted by such special messenger (see §310.3(d)); or

(5) Are carried prior or subsequent to mailing (see §310.3(e)).

§310.3 Exceptions.

(a) Cargo. The sending or carrying of letters is permissible if they accompany and relate in all substantial respects to some part of the cargo or to the ordering, shipping or delivering of the cargo.

(b) Letters of the carrier. (1) The sending or carrying of letters is permissible if they are sent by or addressed to the person carrying them. If the individual actually carrying the letters is not the person sending the letters or to whom the letters are addressed, then such individual must be an officer or employee of such person (see §310.3(b)(2)) and the letters must relate to the current business of such person.

(2) The fact that the individual actually carrying the letters may be an officer or employee of the person sending the letters or to whom the letters are addressed for certain purposes does not necessarily mean that he is an officer or employee for purposes of this exception. The following factors bear on qualifications for the exception: the carrying employee is employed for a substantial time, if not fulltime (letters must not be privately carried by casual employees); the carrying employee carries no matter for other senders; the carrying employee is a regular salaried employee and shares in all privileges enjoyed by other regular employees (including employees not engaged primarily by the letter carrying function), including but not limited to salary, annual vacation time, absence allowed for illness, health benefits, workmen’s compensation insurance, and retirement benefits.

(3) Separately incorporated carriers are separate entities for purposes of this exception, regardless of any subsidiary, ownership, or leasing arrangement. When, however, two concerns jointly operate an enterprise with joint employees and share directly in its revenues and expenses, either of the concerns may carry the letters of the joint enterprise.

(c) Private hands without compensation. The sending or carrying of letters without compensation is permitted. Compensation generally consists of a monetary payment for services rendered. Compensation may also consist, however, of non-monetary valuable consideration and of good will. Thus, for example, when a business relationship exists or is sought between the carrier and its user, carriage by the carrier of the user’s letter will ordinarily not fall under this exception; or, when a person is engaged in the transportation of goods or persons for hire, his carrying of letters “free of charge” for customers whom he does charge for the carriage of goods or persons does not fall under this exception.

(d) Special messenger. (1) The use of a special messenger employed for the particular occasion only is permissible to transmit letters if not more than twenty-five letters are involved. The permission granted under this exception is restricted to use of messenger service on an infrequent, irregular basis by the sender or addressee of the message.

(2) A special messenger is a person who, at the request of either the sender or the addressee, picks up a letter from the sender’s home or place of business and carries it to the addressee’s home or place of business, but a messenger or carrier operating regularly between fixed points is not a special messenger.

(e) Carriage prior or subsequent to mailing. (1) The private carriage of letters which enter the mail stream at some point between their origin and their destination is permissible. Except as provided in paragraphs (d)(3) and (e)(3) of this section, however, the carriage of letters
from a place where they have been opened, read, separated, or otherwise utilized, does not fall within this exception even though such letters had previously been in the mail stream. Similarly, the carriage of letters to a place where they will be consolidated or otherwise utilized does not fall within this exception even though they will subsequently enter the mail stream.

(2) Examples of permitted activities are the pickup and carriage of letters which are delivered to post offices for mailing; the pickup and carriage of letters at post offices for delivery to addressees; and the bulk shipment of individually addressed letters ultimately carried by the Postal Service.

(3) The private carriage of letters from branches of an organization to a location for preparation for mailing does not constitute a consolidation. The private carriage of letters from an organization’s point of mail delivery to its branches in the locality does not constitute a separation.

§ 310.4 Responsibility of carriers.

Private carriers are cautioned to make sure that their carriage of matter is lawful within the definition, exceptions, suspension, and conditions contained in this part and in part 320 of this chapter. They should take reasonable measures to inform their customers of the contents of these regulations so that only proper matter is tendered to them for carriage. Carriers should desist from carrying any matter when the form of shipment, identity of sender or recipient, or any other information reasonably accessible to them indicates that matter tendered to them for carriage is not proper under these regulations.

§ 310.5 Payment of postage on violation.

(a) Upon discovery of activity made unlawful by the Private Express Statutes, the Postal Service may require any person or persons who engage in, cause, or assist such activity to pay an amount or amounts not exceeding the total postage to which it would have been entitled had it carried the letters between their origin and destination.

(b) The amount equal to postage will be due and payable not later than 15 days after receipt of formal demand from the Inspection Service or the Manager, Mailing Standards, USPS Headquarters, unless an appeal is taken to the Judicial Officer Department in accordance with rules of procedure set out in part 959 of this chapter.

(c) Refusal to pay an unappealed demand or a demand that becomes final after appeal will subject the violator to civil suit by the Postal Service to collect the amount equal to postage.

(d) The payment of amounts equal to postage on violation shall in no way limit other actions to enforce the Private Express Statutes by civil or criminal proceedings.

§ 310.6 Advisory opinions.

An advisory opinion on any question arising under this part and part 320 of this chapter may be obtained by writing the General Counsel, U.S. Postal Service, 475 L’Enfant Plaza SW., Washington, DC 20260–1100. A numbered series of advisory opinions is available for inspection by the public in the Library of the U.S. Postal Service, and copies of individual opinions may be obtained upon payment of charges for duplicating services.

§ 310.7 Amendment of regulations.

Amendments of the regulations in this part and in part 320 may be made only in accordance with the rule-making provisions of the Administrative Procedure Act.

PART 320—SUSPENSION OF THE PRIVATE EXPRESS STATUTES

Sec. 320.1 Definitions.
320.2 Suspension for certain data processing materials.
320.3 Operations under suspension for certain data processing materials.
§ 320.1 Definitions.
The definitions in §310.1 apply to part 320 as well.1

39 CFR Ch. I (7–1–17 Edition)

§ 320.2 Suspension for certain data processing materials.
(a) The operation of 39 U.S.C. 601(a) (1) through (6) and §310.2(b) (1) through (6) of this chapter is suspended on all post routes for data processing materials defined in paragraph (c) of this section, on the terms detailed in paragraph (b) of this section, subject to the operating requirements in §320.3.

(b) The suspension referred to in paragraph (a) of this section is for data processing materials conveyed (1) to a data processing center, if carriage is completed within 12 hours or by noon of the addressee’s next business day and if data processing work is commenced on such materials within 36 hours of their receipt at the center; or (2) back from the data processing center to the address of the office originating the incoming materials, if carriage is completed within 12 hours or by noon of the addressee’s next business day, and if data processing work was commenced on the incoming materials within 36 hours of their receipt at the center. For purposes of the time limitations for completion of delivery referred to in the preceding sentence, delivery of shipments between a domestic point and a foreign point shall be deemed to begin at the time materials of foreign origin are received at the international gateway city or end at the time materials of domestic origin leave the international gateway city. This suspension does not apply to carriages from or to originating offices that are neither part of the firm owning the data processing center nor data processing customers of the firm owning the data processing center.

(c) For purposes of this suspension, (1) “addressee’s next business day” means the first calendar day, stated in his local time, on which he conducts business, following the calendar day of dispatch, stated in the sender’s local time; (2) “data processing” means electro-mechanical or electronic processing and includes the recording of data by electro-mechanical or electronic means for further processing; and (3) “data processing materials” means materials of all types that are sent exclusively for data processing and are ready for immediate data processing, but only if they are produced recurringlly in the course of the normal business operations of the office originating them or receiving them back from the processing center. The performance of clerical work which is merely preparatory and incidental to the commencement of data processing is not, for purposes of this suspension, inconsistent with the requirement that the materials be sent exclusively for data processing and be ready for immediate data processing.

39 CFR Ch. I (7–1–17 Edition)

§ 320.3 Operations under suspension for certain data processing materials.
(a) Carriers intending to establish or alter operations based on the suspension granted pursuant to §320.2 shall, as a condition to the right to operate under the suspension, notify the Manager, Mailing Standards, U.S. Postal Service, 473 L’Enfant Plaza SW, Rm. 3436, Washington, DC 20260–3436, of their intention to establish such operations not later than the beginning of such operations. Such notification, on a form available from the office of Mailing Standards, shall include information on the identity and authority

1Several of the items enumerated in §310.1(a)(7) do not self-evidently lie outside of the definition of “letter”. To the extent, however, that there is any question whether these items may properly be excluded by definition, the Postal Service has determined by adoption of these regulations that the restrictions of the Private Express Statutes are suspended pursuant to 39 U.S.C. 601(b).
of the carrier and the scope of its proposed operations.

(b) Carriers operating under the suspension granted pursuant to §320.2 are responsible for making sure that their carriage of matter under the suspension meets all conditions contained in §320.2. (See §310.4.) The containers or covers of any matter carried under the suspension must be made available for examination upon request by a properly identified representative of Mailing Standards. Carrier records—either in the form of notations on the containers or covers of any matter carried under the suspension granted pursuant to §320.2 or in the form of records kept by employees of the actual times they make delivery or pickup stops—must be sufficient to show that the delivery of such matter was completed within the applicable time limitation prescribed in §320.2. The provisions of this paragraph shall not restrict the Postal Service in the exercise of search powers conferred upon it by law.

(c) The filing of notifications under this section does not relieve the operator of responsibility for assuring that its operations conform to applicable statutes and regulations.

(d) Failure to comply with the notification requirements of this section and carriage of material or other action in violation of other provisions of this part and of part 310 are grounds for administrative revocation of the suspension as to a particular carrier for a period of not less than one year, in a proceeding instituted by the General Counsel, following a hearing by the Judicial Officer Department in accordance with the rules of procedure set out in part 959 of this chapter.

§ 320.4 Suspension for certain letters of college and university organizations.

The operation of 39 U.S.C. 601(a) (1) through (6) and §310.2(b) (1) through (6) of this chapter is suspended on all post routes to permit colleges and universities to carry in their internal mail systems the letters of their bona fide student or faculty organizations to campus destinations. This suspension does not cover the letters of faculty members, students, or organizations other than bona fide student or faculty organizations of the carrying college or university. Colleges and universities choosing to provide their student or faculty organizations access to their internal mail systems are responsible for assuring that only letters of bona fide student or faculty organizations addressed to campus destinations are carried. (See §310.4.) For purposes of this suspension, “internal mail systems” are those which carry letters on, between, and among the various campuses of a single college or university and which operate in accordance with

1 Information relates exclusively to operations under the suspension for data processing materials. This form should be used for an initial notice of operations and for any amendments to the initial or subsequent notices.
§ 320.5 Suspension for certain international-ocean carrier-related documents.

The operation of 39 U.S.C. 601(a) (1) through (6) and §310.2(b) (1) through (6) of this chapter is suspended on all post routes for documents, sent by a shipper or an ocean carrier from a foreign origin to a United States ocean-carrier port city destination or from a United States ocean-carrier port city origin to a foreign destination, that would be excepted under §310.3(a) if the documents accompanied the cargo. This suspension covers only shipments to or from ports where the cargo to which the documents relate is actually loaded on, or unloaded from, an ocean vessel. For purposes of this suspension “foreign origins” or “foreign destinations” means origins or destinations outside the contiguous 48 states.

[44 FR 52835, Sept. 11, 1979]

§ 320.6 Suspension for extremely urgent letters.

(a) The operation of 39 U.S.C. 601(a) (1) through (6) and §310.2(b) (1) through (6) of this chapter is suspended on all post routes for extremely urgent letters if the conditions of either paragraph (b) or (c) of this section, and of the other paragraphs of this section, are met.

(b)(1) For letters dispatched within 50 miles of the intended destination, delivery of those dispatched by noon must be completed within 6 hours or by the close of the addressee’s normal business hours that day, whichever is later, and delivery of those dispatched after noon and before midnight must be completed by 10 A.M. of the addressee’s next business day. For other letters, delivery must be completed within 12 hours or by noon of the addressee’s next business day. The suspension is available only if the value or usefulness of the letter would be lost or greatly diminished if it is not delivered within these time limits. For any part of a shipment of letters to qualify under this paragraph (b), each of the letters must be extremely urgent.

(2) Letters sent from the 48 contiguous states of the United States to other jurisdictions of the United States or to other nations are deemed “delivered” when they are in the custody of the international or overseas carrier at its last scheduled point of departure from the 48 contiguous states. Letters sent from other jurisdictions of the United States or from other nations into the 48 contiguous states are deemed “dispatched” when they are in the custody of the domestic carrier, having been passed by United States Customs, if applicable, at the letters’ point of arrival in the 48 contiguous states.

(3) Except as provided in this paragraph (b)(3), the times and time limits specified in paragraph (b)(1) of this section are not applicable to any locations outside the 48 contiguous states. The times and time limits specified in paragraph (b)(1) of this section are applicable to letters dispatched and delivered wholly within Alaska, Hawaii, Puerto Rico or a territory or possession of the United States. The regulations provided in paragraph (b)(2) of this section relating to the delivery and dispatch of letters are applicable by analogy to letters shipped between these jurisdictions and other nations.

(c) It will be conclusively presumed that a letter is extremely urgent and is covered by the suspension if the amount paid for private carriage of the letter is at least three dollars or twice the applicable U.S. postage for First-Class Mail (including priority mail) whichever is the greater. If a single shipment consists of a number of letters that are picked up together at a single origin and delivered together to a single destination, the applicable U.S. postage may be computed for purposes of this paragraph as though the shipment constituted a single letter of the weight of the shipment. If not actually charged on a letter-by-letter or shipment-by-shipment basis, the amount paid may be computed for purposes of this paragraph on the basis of the carrier’s actual charge divided by a bona fide estimate of the average number of letters or shipments during the period covered by the carrier’s actual charge.

[44 FR 52835, Sept. 11, 1979]
United States Postal Service

§ 320.6

(d) The sender must prominently mark the outside covers or containers of letters carried under this suspension with the words “Extremely Urgent” or “Private Carriage Authorized by Postal Regulations (39 CFR 320.6)” or with a similar legend identifying the letters as carried pursuant to this suspension. In addition, each outside container or cover must show the name and address of the carrier, and the name and address of the addressee. Carrier records must be sufficient to show that the delivery of the letters was completed within the applicable time limitations, if carried under the authority of paragraph (b) of this section, and must be made available for inspection at the request of the Postal Service. The required records may be either in the form of notations on the containers or covers of any letters asserted to be carried under this suspension, or in the form of records kept by employees of the actual times they pick up and deliver such materials.

(e) Violation by a shipper or carrier of the terms of this suspension is grounds for administrative revocation of the suspension as to such shipper or carrier for a period of one year in a proceeding instituted by the General Counsel, following a hearing by the Judicial Officer Department in accordance with the rules of procedure set out in Part 959 of this chapter. The period of the revocation may be reduced for not to exceed one additional year by the Judicial Officer, depending on such mitigating or aggravating factors as the extent of the postal revenue lost because of the violation and the presence or absence of good faith error or of previous violations. The failure of a shipper or carrier to cooperate with an authorized inspection or audit conducted by the Postal Inspection Service for the purpose of determining compliance with the terms of this suspension shall be deemed to create a presumption of a violation for the purpose of this paragraph (e) and shall shift to the shipper or carrier the burden of establishing the fact of compliance. Revocation of this suspension as to a shipper or carrier shall in no way limit other actions as to such shipper or carrier to enforce the Private Express Statutes by administrative proceedings for collection of postage (see §310.5) or by civil or criminal proceedings.

(f) The following examples illustrate the application of this suspension.

Example (1). The headquarters of a city police department each night compiles a list of the license plate numbers and descriptions of automobiles reported stolen within the metropolitan area during the previous 24 hours. This list is delivered by 7 a.m. the following day to each of the local precinct offices located throughout the city. By 9 a.m. that day, the list is circulated for use by law enforcement units operating from each office. Effective police recovery of stolen vehicles depends upon having this information hand-ed out in written form to all units on at least a daily basis. The private carriage of these lists would qualify under the test set out in paragraph (b) of this section.

Example (2). The same police department headquarters also from time to time distributes memoranda advising the local precinct officers on departmental policy and vacation schedules, and responding to inquiries from the local precinct offices. Nothing substantial turns on whether these memoranda arrive by midnight or by 10 a.m. of the next business day or whether their transmission takes a day or more longer to complete. The private carriage of these memoranda would not qualify under the test set out in paragraph (b) of this section.

Example (3). A health maintenance organization (HMO) operating its own hospital, clinics, and medical laboratory daily sends test samples and specimens from the HMO’s hospital and clinics to its medical laboratory in a different location for immediate analysis. In return, the HMO laboratory sends to the HMO’s hospital and clinics the laboratory reports for these samples and specimens on the day the reports are completed. The reports are then promptly utilized by the hospital and clinics as part of regular diagnostic procedures. The private carriage of these reports would qualify under the loss-of-value test set out in paragraph (b) of this section.

Example (4). The same HMO’s hospital and clinics send requisitions and invoices to the HMO’s central office as the need arises for the ordering of and payment for goods and services, which are handled centrally. Every other Friday, the central office sends out a daily list of the automobiles reported stolen within the metropolitan area during the previous 24 hours. By 9 a.m. that day, the list is circulated for use by law enforcement units operating from each office. Effective police recovery of stolen vehicles depends upon having this information hand-ed out in written form to all units on at least a daily basis. The private carriage of these lists would qualify under the test set out in paragraph (b) of this section.
Example (5). On Sunday, Tuesday, and Thursday evenings, the central office of a regional grocery store chain sends out to its various stores in the area inventory bulletins prepared over the previous 24 hours showing the current availability and prices of meat, produce, dairy products, breadstuffs, frozen foods and similar items. Early in the afternoon of the second day following receipt of the bulletins, each store sends the bulletins back to the central office so that supplies of such items may be shipped to the store four days later. Nothing substantial turns on whether these bulletins arrive within 12 hours or by noon of the next business day or whether their transmission takes a day or more longer to complete. The private carriage of these bulletins would therefore qualify under the test set out in paragraph (b) of this section.

Example (6). On Sunday, Tuesday, and Thursday evenings, the central office of a different regional grocery chain sends out to its various stores in the area inventory bulletins showing the current availability and prices of meat, produce, dairy products, breadstuffs, frozen foods and similar items. Early in the afternoon of the second day following receipt of the bulletins, each store sends the bulletins back to the central office so that supplies of such items may be shipped to the store four days later. Nothing substantial turns on whether these bulletins arrive within 12 hours or by noon of the next business day or whether their transmission takes a day or more longer to complete. The private carriage of these materials would not qualify under the test set out in paragraph (b) of this section.

Example (7). The headquarters office of a large bank each business day prepares and sends to its branch offices lists showing current foreign exchange rates and similar information that must be updated and distributed to the branches on a daily basis in order for the bank to avoid the risk of serious financial loss. Within three hours of their receipt by each branch office, these lists are circulated and utilized by officials of the branch office in conducting regular banking procedures involving the use of such lists. The private carriage of these lists would qualify under the test set out in paragraph (b) of this section.

Example (8). The field office of an insurance company daily sends the insurance applications it has taken in that day to the company’s central office. The applications are bound (i.e., constitute evidence of insurance) for 30 days, but may be canceled by the company. Few if any policies have been canceled by the company within 48 hours of their receipt at the central office, though the company normally begins processing the applications soon after their receipt. Nothing substantial turns on whether these bound applications arrive within 12 hours or by noon of the next business day or whether their transmission takes a day or more longer to complete. The private carriage of these materials would not qualify under the test set out in paragraph (b) of this section.

Example (9). An organization of real estate brokers in a community issues periodic bulletins containing information about properties which have been listed for sale by the constituent brokers. Each broker is entitled to show the properties to prospective buyers. In order to provide each broker with substantially equal opportunity to secure a buyer, it is necessary that the bulletins be delivered on the same day and within the shortest time span within that day. The bulletins constitute the basic source of information for the brokers and delivery in the foregoing manner is a key element in the functioning of the brokers. The private carriage of the bulletins would therefore qualify under the test set out in paragraph (b) of this section.

Example (10). The same organization distributes memoranda regarding speakers at real estate seminars, sales figures for a given period, and other information of significance and interest to real estate brokers but which does not affect their competitive positions. A failure to make simultaneous or near simultaneous delivery to the brokers, or a failure to make delivery within a specified period of time, has no material bearing upon the day-to-day operations of the brokers and private carriage of these materials would not qualify under the test set out in paragraph (b) of this section.

§ 320.9

Revocation or amendment of suspensions.

These suspensions may be revoked or amended in accordance with § 310.7. No revocation of the suspension provided in § 320.2 will curtail operations of particular carriers existing at the time of the revocation to a level of operations (in dollar or volume terms, whichever is larger) lower than that antedating the revocation in a particular market served prior to the revocation. Should the suspension referred to in § 320.2 be revoked, carriers, as a condition to continuing operations under this section, will be required to provide reasonably complete and accurate data to support estimates of past operating levels in particular markets.

The General Counsel is the Ethical Conduct Officer of the Postal Service and the Designated Agency Ethics Official for purposes of the Ethics in Government Act, as amended, and implementing regulations of the Office of Government Ethics, including 5 CFR part 2638.

(b) The Deputy Postmaster General is the Associate Ethical Conduct Officer for the Office of the Postmaster General and the Office of the Deputy Postmaster General. The Chief Operating Officer, Senior Vice Presidents, Vice Presidents, and such other persons as the Ethical Conduct Officer may designate are Associate Ethical Conduct Officers for their respective organizational elements. Each Associate Ethical Conduct Officer shall designate a suitable employee to coordinate the ethics program within his or her organization and to act as liaison with the Ethical Conduct Officer. § 447.32 Post-employment activities.

(a) Restrictions on the post-employment activities of persons who have been employed by the Postal Service are imposed by 18 U.S.C. 207. The Ethics Reform Act of 1989 includes amendments to 18 U.S.C. 207, which became effective January 1, 1991. Employees who terminated their employment prior to January 1, 1991, are subject to the restrictions imposed under 18 U.S.C. 207 in effect prior to that date, while all other employees are subject to the restrictions imposed under 18 U.S.C. 207 as amended.

(b) The Office of Government Ethics has issued regulations, contained in 5 CFR part 2637, that implement 18 U.S.C. 207 as in effect prior to January 1, 1991. Employees who terminated their employment with the Postal Service prior to January 1, 1991, may refer to 5 CFR part 2637 for guidance concerning applicable post-employment restrictions, and further guidance may be obtained in accordance with § 447.31 of this part.

(c) Employees who terminate their postal employment on or after January 1, 1991, are subject to 18 U.S.C. 207 as amended. Guidance concerning post-employment restrictions applicable to such employees may be obtained in accordance with § 447.31 of this part.

§ 447.42 Additional prohibited political activities.

(a) In addition to the restrictions on political activities mentioned in §447.51, an employee may not:

(1) Display a political picture or sticker on property owned or leased by the Postal Service. He is not forbidden by this paragraph, however, from displaying a picture, including a personally autographed picture of a political figure in his office or place of work if it has no language in the nature of political campaigning;

(2) Wear a political badge or button while in uniform or while on duty when that duty requires him to deal with the public or be in the view of the public;

(3) Display a political picture or sticker on his private vehicle while that vehicle is being used for official postal purposes.

§ 447.43 Investigation and enforcement.

The Office of the Special Counsel and the Merit Systems Protection Board investigate and adjudicate allegations of political activity in violation of the regulations of the Office of Personnel Management by Postal Service employees. For jurisdiction in such a case, see 5 CFR 734.102 and part 1201.

Subpart E—Participation in Community Affairs

§ 447.51 General.

An employee is permitted to participate in community affairs to the extent consistent with the proper performance of his postal duties and with applicable laws and regulations. Nothing in this section shall prevent an employee from serving as an official of a religious or fraternal organization or of a civil nonpolitical organization which is supported by dues or contributions from its own members.

§ 447.52 Holding of State or local office by Postal Service employees.

(a) An employee may seek, accept, or hold a nonpartisan State or local office subject to the provisions of this Code and in particular this section. A “nonpartisan” office is one filled by a “nonpartisan election”, which is an election at which none of the candidates are to be nominated or elected as representing a political party any of whose candidates for presidential elector received votes in the last preceding election at which presidential electors were selected.

(b) An employee who wishes to seek, accept, or hold a nonpartisan State or local office is responsible for ascertaining:

(1) Whether the office is “nonpartisan” within the definition in §447.62(a).

(2) Whether State or local law permits a Postal Service employee to seek, accept, or hold the particular office.

(3) Whether the duties of the office would result in a conflict with his Postal Service employment.

(4) Whether the discharge of the duties of the office would interfere with the performance by the particular employee of his Postal Service duties in an acceptable manner or would interfere with the performance by other Postal Service employees of their respective duties in an acceptable manner.

(c) An employee is encouraged to seek advice from his Associate Ethical Conduct Counselor prior to taking any action to seek, accept, or hold a State or local office. If, after the employee has entered upon the discharge of the duties of this non-postal office, his non-postal duties interfere with the proper discharge of postal duties, either by him or by other postal employees, the employee holding the non-postal office shall be advised by his superior to eliminate the interference, either by resignation from the non-postal office, or in such other manner as is appropriate under the circumstances. If the employee fails, refuses, or neglects to comply with the foregoing advice and the interference continues, he will be subject to disciplinary proceedings.
(d) Employees, other than postmasters or acting postmasters in a salary level of EAS–25 or higher, may be granted permission to campaign for a full-time State or local nonpartisan office while on annual leave or on authorized leave without pay during the campaign when:

(1) The criteria in paragraphs (b) (1) and (2) of this section are met, and

(2) The Vice President, Area Operations, determines that the employee’s postal responsibilities are being conducted in a satisfactory manner and that the absence of the employee during the campaign period will not disrupt the operation of the facility where he or she is employed.

NOTE: Requests shall be submitted through the postmaster or other installation head to the Vice President, Area Operations. If the employee is elected to and takes such a full-time office, he or she may either be separated from the Postal Service or granted leave without pay.

(e) A postmaster or acting postmaster in salary level EAS–25 or higher shall not be authorized to take annual leave or leave without pay for the purpose of campaigning for a full-time State or local nonpartisan office.

PART 491—GARNISHMENT OF SALARIES OF EMPLOYEES OF THE POSTAL SERVICE AND THE POSTAL RATE COMMISSION

Subpart F—Bribery, Undue Influence, or Coercion

§447.61 General.

(a) An employee shall report immediately to the General Counsel, U.S. Postal Service, Washington, DC 20260:

(1) Any instance in which a person either within or outside the Postal Service uses or attempts to use a bribe, undue influence, or coercion to induce or attempt to induce the employee to act or neglect to act in regard to his official responsibilities; and

(2) Any information that causes him to believe that there has been a violation of a Federal criminal statute or any law or regulation directly or indirectly related to the responsibilities of the Postal Service. A copy of a report made under this paragraph shall also be sent by the employee to the Chief Postal Inspector, Washington, DC 20260. The report shall be sent in a sealed envelope clearly marked “Limited Official Use—To Be Opened by Addressee Only”.

process. Service of process in conformity with Rule 4(i) of the Federal Rules of Civil Procedure (28 U.S.C. Appendix) is not waived for any suit or action wherein the Postal Service, its officers, or employees are parties. Any Order, issued in bankruptcy, for the withholding of sums from pay due an employee and which is directed to the Postal Service for handling outside the voluntary allotment procedure, is legal process subject to the provisions of these regulations.

§ 491.2 Manner of service.

Service of process on the Authorized Agent or his designee may be made in person or by certified or registered mail, with return receipt requested, at the address of the Authorized Agent. Service may also be made on the Authorized Agent by means of any private delivery service pursuant to its authority for the private carriage of letters under an exception to the Private Express Statutes, 39 U.S.C. 601–606, provided that the private delivery organization issues a receipt bearing the name and address of both the addressee and sender, as well as the date of delivery and the signature of the receiving agent. No garnishment is effectively served until it is received by the Authorized Agent or his designee regardless of the chosen mode of delivery. Process addressed to, delivered to, or in any manner given to any employee, other than the Authorized Agent or his designee, may, at the sole discretion of the employee, be returned to the issuing court marked “Not Effectively Served.” A copy of or reference to these regulations may be included. Employees are not authorized to redirect or forward garnishment process to the Authorized Agent. In the event that the address of the Authorized Agent is changed, mail may be forwarded from his last published address to his new official address until such time as these regulations are amended to reflect the new address.

§ 491.3 Sufficient legal form.

No document purporting to garnish employee wages shall be deemed sufficient unless it can be determined from the face of the document that it is legal process in the nature of garnishment; that it is issued by a court of competent jurisdiction or an authorized official pursuant to an order of such a court or pursuant to federal, state or local law, evidenced by a signature of the issuing person; and that it contains the name of the garnished party, with his or her social security number, orders the employing agency to withhold from pay a specific amount of money, specifically describes the judgment of debt or administrative action complete with statutory citation and contains specific advice as to where to send the funds as they are periodically withheld including the complete Zip Code (Zip + 4). When there is a suggestion that the employee is under the jurisdiction of a bankruptcy proceeding, the creditor must provide documentary evidence to prove that his legal process is not in violation of the bankruptcy court’s jurisdiction before the creditor’s garnishment may be processed. Documents deficient in any of these respects may be returned to the issuing court or authorized official inscribed “Insufficient as to legal form.”

§ 491.4 Identification of employees.

Garnishments must be accompanied by sufficient information to permit prompt identification of the employee and the payments involved. Garnishment of an employee whose name and social security number is similar to but not identical with the name and social security number on the garnishment will not be processed. An exact match of both name and social security number is required in order to permit processing; otherwise, the garnishment will be returned marked “Insufficient identifying information.” Garnishments which are insufficient in regard to identifying information will not be held pending receipt of further information and must be served again when the proper information is obtained.

§ 491.5 Costs.

The Postal Service’s administrative costs in executing the garnishment action shall be added to each garnishment and the costs recovered shall be retained as offsetting collections. The Postal Service reserves the right to re-determine the administrative cost of
§ 491.6 Response to process.

(a) Within fifteen days after receipt of process that is sufficient for legal form and contains sufficient information to identify the employee, the Authorized Agent shall send written notice that garnishment process has been served, together with a copy thereof, to the affected employee at his or her duty station or last known address. The Authorized Agent shall respond, in writing, to the garnishment or interrogatories within thirty days of receipt of process. The Authorized Agent may respond within a longer period of time as may be prescribed by applicable state Law. Neither the Authorized Agent nor any employee shall be required to respond in person to any garnishment served according to the provisions of 5 U.S.C. 5520a and the regulations in this section. A sufficient response to legal process shall consist of any action of the Postal Service consistent with these regulations. The action shall be considered to be given under penalty of perjury and shall constitute a legally sufficient answer to any garnishment. The Postal Service may, in its sole discretion, answer or otherwise respond to documents purporting to be legal process which are insufficient as to the manner of service, insufficient as to the identification of the employee, insufficient as to legal form or insufficient for any other reason.

(b) The requirements of paragraph (a) of this section are illustrated by the following example:

Example: Each periodic check with the accompanying Financial Institution Statement shall be considered to be a legally sufficient answer. Where legal process has been received but no money was deducted, (for the reason of insufficient pay, prior garnishment in force, etc.) the mailing label or other written response shall be a sufficient answer. Where the Postal Service sends a check or mailing label, no further action will be required (such as a cumulative report or notarized statement.) Documents which are defective with respect to service, lack of legal sufficiency, failure to properly identify the employee, or other reason, do not require a response or an answer but if the Postal Service chooses to act in any way, such as to return the document, that act shall be a sufficient answer.

§ 491.7 Release of information.

(a) No employee whose duties include responding to interrogatories to garnishments shall release information in response to a garnishment until it is determined that sufficient information, as required in §491.4, has been received in writing as part of the garnishment legal process. The Authorized Agent may, at his or her sole discretion, accept or initiate telephone or telefax inquiries concerning garnishments. No other employee may release any information about employees except in conformity with the Privacy Act of 1974, 5 U.S.C. 552a, and the regulations in 39 CFR Part 266, "Privacy of Information."

(b) The Authorized Agent’s response to legal process is sufficient if it contains only that information not otherwise protected from release by any federal statute including the Privacy Act. Neither the Postal Service nor the Postal Rate Commission shall be required to provide formal answers to interrogatories received prior to the receipt of legal process. Employment verification may be obtained by accessing the Postal Service’s employment verification system by dialing 1–(800) 276–9850.

§ 491.8 Execution of process.

(a) All legal process in the nature of garnishment shall be date and time stamped by the Authorized Agent when received for the purpose of determining the order of receipt of process which is sufficient as to legal form and contains sufficient information for identification of the employee, the Authorized Agent’s date and time stamp shall be conclusive evidence. Child support and alimony garnishments will be accorded priority over commercial garnishments under 5 U.S.C. 5520a as provided in 5 U.S.C. 5520a(h)(2). Garnishments shall be executed provided that the pay cycle is open for input or, if closed, will be held until the next cycle. In no event shall the Postal Service be required to
vary its normal pay or disbursement cycles in order to comply with legal process of any kind. Garnishments shall be recalculated, if required, to fit within the normal postal pay cycles. The Postal Service shall not be required to withhold pay and hold the funds in escrow. The Postal Service, in its sole discretion, may process more than one garnishment at a time within the restrictions on garnishments in Section 491.9 of these regulations. The Postal Service may, in its sole discretion, accept and hold for processing garnishments received after the garnishment currently in force.

(b) The Postal Service will only accept and effectuate legal process for a person who is currently employed. Upon cessation of employment, process relating to that individual will be terminated and not retained. The Postal Service shall not be required to establish an escrow account to comply with legal process even if the applicable law of the jurisdiction requires private employers to do so. Legal process must state on its face that the Postal Service withhold up to a specific total amount of money, the Postal Service will not calculate interest, charges, or any variable in processing a garnishment. The Postal Service may continue processing a garnishment if the garnishing attorney provides the adjusted total including the additional money owed, as determined from his calculation of the variable amounts. The attorney is deemed to certify on his professional responsibility that the calculations are correct and will indemnify the employee directly for any errors. All garnishments of periodic pay may be effectuated in accordance with the bi-weekly pay schedule. The Postal Service need not vary its pay and disbursement cycles to accommodate withholding on any other cycle.

(c) Neither the Postal Service, the Postal Rate Commission nor any disbursing officer or any other employee shall not be liable to pay money damages for failure to comply with legal process.

§ 491.9 Restrictions on garnishment.

Garnishments under this section shall be subject to the restrictions in 15 U.S.C. 1671–1677, including limits on the amounts which can be withheld from an employee’s pay and the priority of garnishments.

PART 492—ADMINISTRATIVE WAGE GARNISHMENT FROM NON-POSTAL SOURCES

SOURCE: 79 FR 46183, Aug. 7, 2014, unless otherwise noted.

§ 492.1 Collection of delinquent nontax debts by administrative wage garnishment.

(a) This section provides procedures for the Postal Service to collect money from a debtor’s disposable pay by means of administrative wage garnishment, in accordance with 31 U.S.C. 3720D and 31 CFR 285.11, to satisfy delinquent nontax debt owed to the United States.

(b) The Postal Service authorizes the U. S. Department of the Treasury Bureau of the Fiscal Service or its successor entity to collect debts by administrative wage garnishment, and conduct administrative wage garnishment hearings, on behalf of the Postal Service in accordance with the requirements of 31 U.S.C. 3720D and the procedures contained in 31 CFR 285.11.

(c) The Postal Service adopts the provisions of 31 CFR 285.11 in their entirety. The provisions of 31 CFR 285.11 should therefore be read as though modified to effectuate the application of that regulation to administrative wage garnishment proceedings conducted by, or on behalf of, the U.S. Postal Service.

§ 501.1 Definitions.

(a) Postage Evidencing Systems regulated by part 501 produce evidence of prepayment of postage by any method other than postage stamps and permit imprints. A Postage Evidencing System is a device or system of components that a customer uses to generate and print evidence that postage required for mailing has been paid. Postage Evidencing Systems print indicia, such as meter imprints or information-based indicia to indicate postage payment. They include but are not limited to postage meters and PC Postage systems.

(b) A postage meter is a Postal Service-approved Postage Evidencing System that uses a device to account for postage purchased and printed. The term meter as used in this part refers to a postage meter.

(c) PC Postage products are Postal Service-approved Postage Evidencing Systems that use a personal computer as an integral part of the system. PC Postage products may use the Internet to download postage to a mailer’s computer from which the postage indicia may then be printed.

(d) A provider is a person or entity authorized under this section to manufacture and/or distribute Postage Evidencing Systems to customers.

(e) A manufacturer of postage meters produces postage meters.

(f) A distributor of postage meters may be a manufacturer who leases postage meters directly to end-user customers or may be an independent entity who leases postage meters to end-user customers on behalf of the manufacturer.

(g) A customer is a person or entity authorized by the Postal Service to use a Postage Evidencing System as an end user in accordance with Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM), including 604 Postage Payment Methods and Refunds, 4.0 Postage Meters and PC Postage Products (Postage Evidencing Systems).

[71 FR 65733, Nov. 9, 2006, as amended at 80 FR 42392, July 17, 2015]

§ 501.2 Postage Evidencing System provider authorization.

(a) The Postal Service considers Postage Evidencing Systems and their respective infrastructure to be essential to the exercise of its specific powers to prescribe postage and provide evidence of payment of postage under 39 U.S.C. 404(a)(2) and (4).

(b) Due to the potential for adverse impact upon Postal Service revenue,
the following activities may not be engaged in by any person or entity without prior, written approval of the Postal Service:

1. Producing or distributing any Postage Evidencing System that generates U.S. postage.
2. Repairing, distributing, refurbishing, remanufacturing, modifying, or destroying any component of a Postage Evidencing System that accounts for or authorizes the printing of U.S. postage.
3. Owning or operating an infrastructure that maintains operating data for the production of U.S. postage, or accounts for U.S. postage purchased for distribution through a Postage Evidencing System.
4. Owning or operating an infrastructure that maintains operating data that is used to facilitate registration with the Postal Service of customers of a Postage Evidencing System.

(c) Any person or entity seeking authorization to perform any activity described in paragraph (b) of this section, or to materially modify any activity previously approved by the Postal Service, must submit a request to the Postal Service in person or in writing. Decisions of the Postal Service upon such requests are effective only if in writing (including electronic mail).

(d) Approval shall be based upon satisfactory evidence of the applicant’s integrity and financial responsibility, commitment to comply with the Postal Service’s revenue assurance practices as outlined in section 501.16, and a determination that disclosure to the applicant of Postal Service customer, financial, or other data of a commercial nature necessary to perform the function for which approval is sought would be appropriate and consistent with good business practices within the meaning of 39 U.S.C. 410(c)(2). The Postal Service may condition its approval upon the applicant’s agreement to undertakings that would give the Postal Service appropriate assurance of the applicant’s ability to meet its obligations under this section, including but not limited to the method and manner of performing certain financial, security, and servicing functions and the need to maintain sufficient financial reserves to guarantee uninterrupted performance of not less than 3 months of operation.

(e) Qualification and approval may be based upon additional conditions agreed to by the Postal Service and the applicant. The applicant is approved in writing to engage in the function(s) for which authorization was sought and approved.

(f) To the extent that any provider manufactures and/or distributes any PC Postage product through any authorized Postage Evidencing System, such provider must adhere to the requirements of these regulations.

(g) The Postal Service office responsible for administration of this part is the Office of Payment Technology (PT) or successor organization. All submissions to the Postal Service required or invited by this part are to be made to this office in person or via mail to 475 L’Enfant Plaza SW., Room 3500, Washington DC 20260–0004.

§ 501.3 Postage Evidencing System provider qualification.

Any person or entity seeking authorization to manufacture and/or distribute Postage Evidencing Systems must:

(a) Satisfy the Postal Service of its integrity and financial responsibility.

(b) Obtain Postal Service approval under this part of at least one Postage Evidencing System satisfying the requirements of Postal Service regulations.

(c) As a condition of obtaining authorization under this section, the Postage Evidencing System provider’s facilities used for the manufacture, distribution, storage, resetting, or destruction of postage meters and all facilities housing infrastructure supporting Postage Evidencing Systems will be subject to unannounced inspection by representatives of the Postal Service. If such facilities are outside the continental United States, the provider will be responsible for all reasonable and necessary travel-related costs incurred by the Postal Service to conduct the inspections. Travel-related costs are determined in accordance
§ 501.4 Changes in ownership or control, bankruptcy, or insolvency.

(a) Any person or entity authorized under §501.2 must promptly notify the Postal Service when it has a reasonable expectation that there may be a change in its ownership or control including changes in the ownership of an affiliate which exercises control over its Postage Evidencing System operations in the United States. A change of ownership or control within the meaning of this section includes entry into a strategic alliance or other agreement whereby a third party either has access to data related to the security of the system or is a competitor to the Postal Service. Any person or entity seeking to acquire ownership or control of a person or entity authorized under §501.2 must provide the Postal Service satisfactory evidence that upon completion of the contemplated transaction, it will satisfy the conditions for approval stated in §501.2. Early notification of a proposed change in ownership or control will facilitate expeditious review of an application to acquire ownership or control under this section.

(b) Any person or entity authorized under §501.2 must promptly notify the Postal Service when it has a reasonable expectation that there may be a change in the status of its financial
condition either through bankruptcy, insolvency, assignment for the benefit of creditors, or other similar financial action. Any person or entity authorized under §501.2 who experiences a change in the status of its financial condition may, at the discretion of the Postal Service, have its authorization under §501.2 modified or terminated.

§501.5 Burden of proof standard.

The burden of proof is on the Postal Service in administrative determinations of suspension and revocation under §501.6 and administrative sanctions under §501.12. Except as otherwise indicated in those sections, the standard of proof shall be the preponderance-of-evidence standard.

§501.6 Suspension and revocation of authorization.

(a) The Postal Service may suspend and/or revoke authorization to manufacture and/or distribute any or all of a provider’s approved Postage Evidencing System(s) if the provider engages in any unlawful scheme or enterprise, fails to comply with any provision in this Part 501, fails to implement instructions issued in accordance with any final decision issued by the Postal Service within its authority over Postage Evidencing Systems or if the Postage Evidencing System or infrastructure of the provider is determined to constitute an unacceptable risk to Postal Service revenues.

(b) The decision to suspend or revoke pursuant to paragraph (a) of this section shall be based upon the nature and circumstances of the violation (e.g., whether the violation was willful, whether the provider voluntarily admitted to the violation, or cooperated with the Postal Service, whether the provider implemented successful remedial measures) and on the provider’s performance history. Before determining that a provider’s authorization to manufacture and/or distribute Postage Evidencing Systems should be suspended or revoked, the procedures in paragraph (c) of this section shall be followed.

(c) Suspension or revocation procedures:

(1) Upon determination by the Postal Service that a provider is in violation of provisions of this part, or that its Postage Evidencing System poses an unreasonable risk to postal revenue, PT, acting on behalf of the Postal Service, shall issue a written notice of proposed suspension citing the specific conditions or deficiencies for which suspension or revocation of authorization to manufacture and/or distribute a specific Postage Evidencing System or class of Postage Evidencing Systems may be imposed. Except in cases of willful violation, the provider shall be given an opportunity to correct deficiencies and achieve compliance with all requirements within a time limit corresponding to the potential risk to postal revenue.

(2) In cases of willful violation, or if the Postal Service determines that the provider has failed to correct cited deficiencies within the specified time limit, PT shall issue a written notice of suspension setting forth the facts and reasons for the decision to suspend, and the effective date if a written defense is not presented as provided in paragraph (d) of this section.

(3) The notice shall also advise the provider of its right to file a response under paragraph (d) of this section. If a written response is not presented in a timely manner the suspension may go into effect. The suspension shall remain in effect for ninety (90) calendar days unless revoked or modified by PT.

(4) If, upon consideration of the defense as provided in paragraph (d) of this section, the Postal Service deems that the suspension is warranted, the suspension shall remain in effect for up to 90 days unless withdrawn by the Postal Service, as provided in paragraph (c)(5)(iii) of this section.

(5) At the end of the ninety (90) day suspension, the Postal Service may:

(i) Extend the suspension in order to allow more time for investigation or to allow the provider time to correct the problem.

(ii) Make a determination to revoke authorization to manufacture and/or distribute a Postage Evidencing System in part or in whole.

(iii) Withdraw the suspension based on identification and implementation of a satisfactory solution to the problem.

(d) The provider may present the Postal Service with a written defense
§ 501.7 Postage Evidencing System requirements.

(a) A Postage Evidencing System submitted to the Postal Service for approval must meet the requirements of the Intelligent Mail Indicia Performance Criteria published by PT. Copies of the current Performance Criteria may be requested via mail to the address in § 501.2(g).

(b) The provider must affix to all meters a cautionary message providing the meter user with basic reminders on leasing and meter movement.

(1) The cautionary message must be placed on all meters in a conspicuous and highly visible location. PROPERTY OF [NAME OF PROVIDER] as well as the provider’s toll-free number must be emphasized by capitalized bold type and preferably printed in red. The minimum width of the message should be 3.25 inches, and the minimum height should be 1.75 inches. The message should read as follows:

RENTED POSTAGE METER—NOT FOR SALE
PROPERTY OF [NAME OF PROVIDER]
(800) ###–####
Use of this meter is permissible only under U.S. Postal Service authorization. Call [Name of Provider] at (800) ###–#### to relocate/return this meter.
WARNING! METER TAMPERING IS A FEDERAL OFFENSE.
IF YOU SUSPECT METER TAMPERING, CALL POSTAL INSpectORS AT (800) 372–8347
REWARD UP TO $50,000 for information leading to the conviction of any person who misuses postage meters resulting in the Postal Service not receiving correct postage payments.

(2) Exceptions to the formatting of the required message are determined on a case-by-case basis. Any deviation from standardized meter message requirements must be approved in writing by the Postal Service.

(c) The provider must ensure that any matter printed by a postage evidencing system, whether within the boundaries of the indicia or outside the clear zone as defined in DMM 604.4.0 and the Performance Criteria for Information-Based Indicia and Security Architecture for Open IBI Postage Evidencing Systems or Performance Criteria for Information-Based Indicia and Security Architecture for Closed IBI Postage Metering Systems, is:

(1) Consistent with the Postal Service’s intent to maintain neutrality on religious, social, political, legal, moral, or other public issues;
(2) Is not obscene, deceptive, or defamatory of any person, entity, or group, and does not advocate unlawful action;
(3) Does not emulate any form of valid postage, government, or other official indicia, or payment of postage; and
(4) Does not harm the public image, reputation, or goodwill of the Postal Service and is not otherwise derogatory or detrimental to the interests of the Postal Service.
(d) Providers must also ensure that customers acknowledge, agree, and warrant in writing that:

(1) The customer bears full responsibility and liability for obtaining authorization to reproduce and otherwise use the matter as proposed (including, without limitation, any trademarks, slogans, likenesses or copyrighted material contained in the image);

(2) The customer in fact has the legal authority to reproduce and otherwise use the matter as proposed; and

(3) The customer understands that images or other matter is not provided, approved, or endorsed in any way by the Postal Service.

§ 501.8 Postage Evidencing System test and approval.

(a) To receive Postal Service approval, each Postage Evidencing System must be submitted by the provider and evaluated by the Postal Service in accordance with the Postage Evidencing Product Submission Procedures published by PT. Copies of the current Performance Criteria may be requested via mail to the address in §501.2(g). These procedures apply to all proposed Postage Evidencing Systems regardless of whether the provider is currently authorized by the Postal Service to distribute Postage Evidencing Systems. All testing required by the Postal Service will be an expense of the provider.

(b) As provided in §501.11, the provider has a duty to report security weaknesses to the Postal Service to ensure that each approved Postage Evidencing System protects the Postal Service against loss of revenue at all times. A grant of approval of a system does not constitute an irrevocable determination that the Postal Service is satisfied with the revenue-protection capabilities of the system. After approval is granted to manufacture and/or distribute a Postage Evidencing System, no change affecting its basic features or safeguards may be made except as authorized or ordered by the Postal Service in writing.

§ 501.9 Demonstration or test Postage Evidencing Systems.

(a) A demonstration or test postage evidencing system is any system that produces an image that replicates a postage indicium for which the Postal Service has not received payment for postage. The following procedures must be followed to implement controls over demonstration or test Postage Evidencing Systems:

(1) A demonstration or test Postage Evidencing System may print only specimen or test indicia. A specimen or test indicia must clearly indicate that the indicia does not represent valid postage.

(2) A demonstration or test Postage Evidencing System must be recorded as such on internal provider inventory records and must be tracked by model number, serial number, and physical location.

(3) A demonstration or test Postage Evidencing System must remain under the provider’s direct control. A demonstration or test Postage Evidencing System may not be left in the possession of a customer under any circumstance.

(b) All indicia printed by a demonstration or test Postage Evidencing System must be collected and destroyed daily.

§ 501.10 Postage Evidencing System modifications.

(a) An authorized provider must receive prior written approval from the manager, PT, of any and all changes made to a previously approved Postage Evidencing System. The notification must include a summary of all changes made and the provider’s assessment as to the impact of those changes on the security of the Postage Evidencing System and postage funds. Upon receipt of the notification, PT will review the summary of changes and make a decision regarding the need for the following:

(1) Additional documentation.

(2) Level of test and evaluation required.

(3) Necessity for evaluation by a laboratory accredited by the National Institutes of Standards and Technology (NIST) under the National Voluntary
§ 501.11 Laboratory Accreditation Program (NVLAP).
(b) Upon receipt and review of additional documentation and/or test results, PT will issue a written acknowledgement and/or approval of the change to the provider.

§ 501.11 Reporting Postage Evidencing System security weaknesses.
(a) For purposes of this section, provider refers to the Postage Evidencing System provider authorized under §501.2 and its foreign affiliates, if any, subsidiaries, assigns, dealers, independent dealers, employees, and parent corporations.

(b) Each authorized provider of a Postage Evidencing System must notify the Postal Service within twenty-four (24) hours, upon discovery of the following:

(1) All findings or results of any testing known to the provider concerning the security or revenue protection features, capabilities, or failings of any Postage Evidencing System sold, leased, or distributed by it that has been approved for sale, lease, or distribution by the Postal Service or any foreign postal administration, or has been submitted for approval by the provider to the Postal Service or other foreign postal administration(s).

(2) All potential security weaknesses or methods of tampering with the Postage Evidencing Systems that the provider distributes of which it knows or should know and the Postage Evidencing System model subject to each such method. Potential security weaknesses include but are not limited to suspected equipment defects, suspected abuse by a customer or provider employee, suspected security breaches of the Computerized Meter Resetting System (CMRS) or databases housing confidential customer data relating to the use of Postage Evidencing Systems, occurrences outside normal performance, or any repeatable deviation from normal Postage Evidencing System performance.

(3) Cyber attacks that include, but are not limited to, gaining unauthorized access to digital systems for purposes of misappropriating assets or sensitive information, corrupting data, or causing operational disruption. Cyber attacks may also be carried out in a manner that does not require gaining unauthorized access, such as by causing denial-of-service attacks on Web sites. Cyber attacks may be carried out by third parties or insiders using techniques that range from highly sophisticated efforts to electronically circumvent network security or overwhelm Web sites to more traditional intelligence gathering and social engineering aimed at obtaining information necessary to gain access. Cyber security risk disclosures reported must adequately describe the nature of the material risks and specify how each risk affects the Postage Evidencing System.

(c) Within a time limit corresponding to the potential revenue risk to postal revenue as determined by the Postal Service, the provider must submit a written report to the Postal Service. The report must include the circumstances, proposed investigative procedure, and the anticipated completion date of the investigation. The provider must also provide periodic status reports to the Postal Service during subsequent investigation and, upon completion, must submit a summary of the investigative findings.

(d) The provider must establish and adhere to timely and efficient procedures for internal reporting of potential security weaknesses and shall provide a copy of such internal reporting procedures and instructions to the Postal Service for review.

(e) Failure to comply with this section may result in suspension of approval under §501.6 or the imposition of sanctions under §501.12.

[71 FR 65733, Nov. 9, 2006, as amended at 77 FR 23396, Apr. 19, 2012]

§ 501.12 Administrative sanctions.

(a) An authorized Postage Evidencing System provider may be responsible to the Postal Service for revenue losses caused by failure to comply with §501.11.

(b) The Postal Service shall determine all costs and revenue losses measured from the date that the provider knew, or should have known, of a potential security weakness, including, but not limited to, administrative and
investigative costs and documented revenue losses that result from any Postage Evidencing System for which the provider failed to comply with any provision in §501.11. The Postal Service issues a written demand for reimbursement of any and all such costs and losses (net of any amount collected by the Postal Service from the customers) with interest. The demand shall set forth the facts and reasons on which it is based.

(c) The provider may present the Postal Service with a written defense to the proposed action within thirty (30) calendar days of receipt. The defense must include all supporting evidence and state with specificity the reasons for which the sanction should not be imposed.

(d) After receipt and consideration of the defense, the Postal Service shall advise the provider of the decision, and the facts and reasons for it; the decision shall be effective upon receipt unless it provides otherwise. The decision shall also advise the provider that it may, within thirty (30) calendar days of receiving written notice, appeal that determination to the Chief Information Officer of the Postal Service, who shall issue a written decision upon the appeal, which will constitute the final Postal Service decision.

(e) The imposition of an administrative sanction under this section does not preclude any other criminal or civil statutory, common law, or administrative remedy that is available by law to the Postal Service, the United States, or any other person or entity.

(f) An authorized Postage Evidencing System provider, who without just cause fails to follow any Postal Service approved procedures, perform adequately any of the Postal Service approved controls, or fails to obtain approval of a required process in §501.14 in a timely fashion, is subject to an administrative sanction under this provision §501.12.

[71 FR 65733, Nov. 9, 2006, as amended at 78 FR 44439, July 24, 2013]

§ 501.14 Postage Evidencing System inventory control processes.

(a) Each authorized provider of Postage Evidencing Systems must permanently hold title to all Postage Evidencing Systems that it manufactures or distributes, except those purchased by the Postal Service or distributed outside the United States.

(b) An authorized provider must maintain sufficient facilities for and records of the business relationship, distribution, control, storage, maintenance, repair, replacement, and destruction or disposal of all Postage Evidencing Systems and their components to enable accurate accounting and location thereof throughout the entire life cycle of each Postage Evidencing System. A complete record shall entail a list by serial number of all Postage Evidencing Systems manufactured or distributed showing all movements of each system from the time that it is produced until it is scrapped, and the reading of the ascending register each time the system is checked into or out of service. These records must be available for inspection by Postal Service officials at any time during business hours.

(c) To ensure adequate control over Postage Evidencing Systems, plans for the following subjects must be submitted for prior approval, in writing, to the office of Payment Technology.

1. Service procedures for all Postage Evidencing Systems—these are procedures to address the process to be used for new Postage Evidencing Systems as well as those previously leased to another customer.
(2) Transportation and storage of Postage Evidencing Systems—these are procedures that provide reasonable precautions to prevent use by unauthorized individuals. Providers must ship all postage meters by Postal Service Registered Mail® service unless given written permission by the Postal Service to use another carrier. The provider must demonstrate that the alternative delivery carrier employs security procedures equivalent to those for Registered Mail service.

(3) Postage Evidencing System examination/inspection procedures and schedule—the provider is required to perform postage meter examinations or inspections based on an approved schedule. Failure to complete the postage meter examination or inspections by the due date may result in the Postal Service requiring the provider to disable the meter's resetting capability. If necessary, the Postal Service shall notify the customer that the postage meter is to be removed from service and the authorization to use a Postage Evidencing System revoked, following the procedures for revocation specified by regulation. The Postal Service shall notify the provider to remove the postage meter from the customer's location.

(4) Out-of-service procedures for a non-faulty Postage Evidencing System—these procedures must be used when the system is to be removed from service for any reason.

(5) Postage Evidencing System repair process—any physical or electronic access to the internal components of a postage meter, as well as any access to software or security parameters, must be conducted within an approved facility under the provider's direct control and active supervision. To prevent unauthorized use, the provider or any third party acting on its behalf must keep secure any equipment or other component that can be used to open or access the internal, electronic, or secure components of a postage meter.

(6) Handling procedures for faulty meters—the provider must maintain handling procedures for faulty meters, including those that are inoperable, misregistering, have unreadable registers, inaccurately reflect their current status, show any evidence of possible tampering or abuse, and those for which there is any indication that the postage meter has some mechanical or electrical malfunction of any critical security component, such as any component the improper operation of which could adversely affect Postal Service revenues, or of any memory component, or that affects the accuracy of the registers or the accuracy of the value printed.

(7) Lost or stolen postage meter procedures—the provider must promptly report to the Postal Service the loss or theft of any postage meter or the recovery of any lost or stolen postage meter. Such notification to the Postal Service will be made by completing and filing a standardized lost and stolen meter incident report within 10 calendar days of the provider's determination of a meter loss, theft, or recovery.

(8) Postage meter destruction—when required, the postage meter must be rendered completely inoperable by the destruction process and associated postage; printing dies and components must be destroyed. Manufacturers or distributors of meters must submit the proposed destruction method; a schedule listing the postage meters to be destroyed, by serial number and model; and the proposed time and place of destruction to Payment Technology for approval prior to any meter destruction. Providers must record and retain the serial numbers of the meters to be destroyed and provide a list of such serial numbers in electronic form in accordance with Postal Service requirements for meter accounting and tracking systems. Providers must give sufficient advance notice of the destruction to allow Payment Technology to schedule observation by its designated representative who shall verify that the destruction is performed in accordance with a Postal Service-approved method or process. To the extent that the Postal Service elects not to observe a particular destruction, the provider must submit a certification of destruction, including the serial number(s), to the Postal Service within 5 calendar days of destruction. These requirements for meter destruction apply to all postage meters, Postage Evidencing Systems, and postal security devices included as a component of a Postage Evidencing System.
§ 501.15 Computerized Meter Resetting System.

(a) Description. The Computerized Meter Resetting System (CMRS) permits customers to reset their postage meters at their places of business. Authorized providers, who operate CMRS services, are known as resetting companies (RCs).

(b) A customer is required to have funds available on deposit with the Postal Service before resetting a Postage Evidencing System or the provider may opt to provide a funds advance in accordance with paragraph (c) of this section.

(c) If the RC chooses to offer advancement of funds to customers, the RC is required to maintain a deposit with the Postal Service equal to at least one (1) day’s average funds advanced. The total amount of funds advanced to customers on any given day shall not exceed the amount the provider has on deposit with the Postal Service. The Postal Service shall not be liable for any payment made by the RC on behalf of a customer that is not reimbursed by the customer, since the RC is solely responsible for the collection of advances made by the RC.

(d) The CMRS customer is permitted to make deposits in one of three ways: check, electronic funds transfer (or wire transfer), or automated clearinghouse (ACH) transfer. These deposits must be remitted to the Postal Service’s designated bank account.

(e) The RC must require each CMRS customer that requests a meter resetting to provide the meter serial number, the CMRS account number, and the meter’s ascending and descending...
register readings. The RC must verify that there are sufficient funds in the customer’s CMRS account to cover the postage setting requested before proceeding with the setting transaction (unless the RC opts to provide the customer a funds advance). 

(f) The Postal Service requires that the RC publicize to all CMRS customers the following payment options (listed in order of preference):

(1) Automated clearinghouse (ACH) debits/credits.

(2) Electronic funds transfers (wire transfers).

(3) Checks.

(g) Returned checks and ACH debits are the responsibility of the Postal Service. Upon notice from the Postal Service’s designated bank, the provider will be required to immediately lock the customer account to prevent a meter reset until the Postal Service receives payment for the returned check or the provider is provided with valid ACH credit or wire information.

(h) Refunds. The Postal Service will issue a refund in the amount remaining in a customer’s Computerized Meter Resetting System account, after such time as the customer provides a written request to the provider, as long as the request meets the Postal Service approved minimum and time frame.

(i) Security and Revenue Protection. To receive Postal Service approval to continue to operate systems in the CMRS environment, the RC must submit to a periodic examination of its CMRS system and any other applications and technology infrastructure that may have a material impact on Postal Service revenues, as determined by the Postal Service. The examination shall be performed by a qualified, independent audit firm and shall be conducted in accordance with the Statements on Standards for Attestation Engagements (SSAEs) No. 16, Service Organizations, developed by the American Institute of Certified Public Accountants (AICPA), as amended or superseded. Expenses associated with such examination shall be incurred by the RC. The examination shall include testing of the operating effectiveness of relevant RC internal controls (SOC 1 Type II SSAE 16 Report). If the service organization uses another service organization (sub-service provider), Postal Service management should consider the nature and materiality of the transactions processed by the sub-service organization and the contribution of the sub-service organization’s processes and controls in the achievement of the Postal Service’s control objectives. The Postal Service should have access to the sub-service organization’s SOC 1 Type II SSAE 16 report. The control objectives to be covered by the SOC 1 Type II SSAE 16 report are subject to Postal Service review and approval, and are to be provided to the Postal Service 30 days prior to the initiation of each examination period. As a result of the examination, the service auditor shall provide the RC and the Postal Service with an opinion on the design and operating effectiveness of the RC’s internal controls related to the CMRS system and any other applications and technology infrastructure considered material to the services provided to the Postal Service by the RC. Such examinations are to be conducted on no less than an annual basis, and are to be as of and for the 12 months ended June 30 of each year (except for new contracts for which the examination period will be no less than the period from the contract date to the following June 30, unless otherwise agreed to by the Postal Service). The examination reports are to be provided to the Postal Service by August 15 of each year. To the extent that internal control weaknesses are identified in a SOC 1 Type II SSAE 16 report, the Postal Service may require the remediation of such weaknesses and review working papers and engage in discussions about the work performed with the service auditor. The Postal Service requires that all remediation efforts (if applicable) are completed and reported by the RC prior to the Postal Service’s fiscal year end (September 30). In addition, the RC will be responsible for performing an examination of their internal control environment related to the CMRS system and any other applications and technology infrastructure considered material to the services provided to the Postal Service by the RC, in particular, disclosing changes to internal controls for the period of July 1 to September 30. § 501.16

PC postage payment methodology.

(a) The PC Postage customer is permitted to make payments for postage in one of two ways: Automated clearinghouse (ACH) transfer or credit card.

(b) The provider must make payments on behalf of the customer to the Postal Service in accordance with contractual and/or regulatory responsibilities.

(c) The Postal Service requires that the provider publicize to all PC Postage customers the following payment options (listed in order of preference):

(1) Automated clearinghouse (ACH) debits/credits.

(2) Credit cards.

(d) Returned ACH debits are the responsibility of the Postal Service. The RC must lock the customer account immediately so that the customer is unable to reset the account until the Postal Service receives payment in full.

(e) Refunds. The provider issues a refund to a customer for any unused postage in a Postage Evidencing System. After verification by the Postal Service, the provider will be reimbursed by the Postal Service for the individual refunds provided to customers by the provider.

(f) Security and Revenue Protection. To receive Postal Service approval to continue to operate PC Postage systems, the provider must submit to a periodic examination of its PC Postage system and any other applications and technology infrastructure that may have a material impact on Postal Service revenues, as determined by the Postal Service. The examination shall be performed by a qualified, independent audit firm and shall be conducted in accordance with the Statements on Standards for Attestation Engagements (SSAEs) No. 16, Service Organizations, developed by the American Institute of Certified Public Accountants (AICPA), as amended or superseded. Expenses associated with such examination shall be incurred by the provider. The examination shall include testing of the operating effectiveness of relevant provider internal controls (SOC1 Type II SSAE 16 Report). If the service organization uses another service organization (sub-service provider), Postal Service management should consider the nature and materiality of the transactions processed by the sub-service organization and the contribution of the sub-service organization's processes and controls in the achievement of the Postal Service's control objectives. The Postal Service should have access to the sub-service organization's SOC 1 Type II SSAE 16 report. The control objectives to be covered by the SOC 1 Type II SSAE 16 report are subject to Postal Service review and approval, and are to be provided to the Postal Service 30 days prior to the initiation of each examination period. As a result of the examination, the service auditor shall provide the provider and the Postal Service with an opinion on the design and operating effectiveness of the internal controls related to the
PC Postage system, and any other applications and technology infrastructure considered material to the services provided to the Postal Service by the provider. Such examinations are to be conducted on no less than an annual basis, and are to be as of and for the 12 months ended June 30 of each year (except for new contracts for which the examination period will be no less than the period from the contract date to the following June 30, unless otherwise agreed to by the Postal Service). The examination reports are to be provided to the Postal Service by August 15 of each year. To the extent that internal control weaknesses are identified in a SOC 1 Type II SSAE 16 report, the Postal Service may require the remediation of such weaknesses, and review working papers and engage in discussions about the work performed with the service auditor. The Postal Service requires that all remediation efforts (if applicable) are completed and reported by the provider prior to the Postal Service’s fiscal year end (September 30). In addition, the provider will be responsible for performing an examination of their internal control environment related to the PC Postage system and any other applications and technology infrastructure considered material to the services provided to the Postal Service by the provider, in particular, disclosing changes to internal controls for the period of July 1 to September 30. This examination should be documented and submitted to the Postal Service by October 14. The provider will be responsible for all costs related to the examinations conducted by the service auditor and the provider.

(g) Inspection of records and facilities. The provider must make its facilities, which handle the operation of the PC Postage system and all records about the operation of the system, available for inspection by representatives of the Postal Service at all reasonable times.

(h) To the extent that the customer maintains funds on deposit for the payment of postage, the provider is required to incorporate the following language into its agreements with PC Postage customers:

ACKNOWLEDGMENT OF DEPOSIT REQUIREMENT—PC POSTAGE

By signing this agreement with the provider, you represent that you have read the Acknowledgment of Deposit Requirement—PC Postage and are familiar with its terms. You agree that, upon execution of this agreement with the provider, you will also be bound by all terms and conditions of the Acknowledgment of Deposit Requirement—PC Postage, as it may be amended from time to time.

(i) Revenue Assurance. To operate PC Postage systems, the provider must support business practices to assure Postal Service revenue and accurate payment from customers. Specifically, the provider is required to notify the customer and adjust the balance in the postage evidencing system or otherwise facilitate postage corrections to address any postage discrepancies as directed by the Postal Service, subject to the applicable notification periods and dispute mechanisms available to customers for these corrections. The Postal Service will supply the provider with the necessary detail to justify the correction and amount of the postage correction to be used in the adjustment process. The provider must supply customers with visibility into the identified postage correction, facilitate a payment adjustment from the customer in the amount equivalent to the identified postage discrepancies to the extent possible, and enable customers to submit electronic disputes of such postage discrepancies to the Postal Service. Further if the Customer does not have funds sufficient to cover the amount of the discrepancies or the postage discrepancies have not been resolved, the provider may be required to temporarily suspend or permanently shut down the customer’s ability to print PC Postage as described in the Domestic Mail Manual section 604.4.

EFFECTIVE DATE NOTE: At 82 FR 15465, Mar. 29, 2017, §501.16 was amended by revising paragraph (i), effective Aug. 1, 2017. For the convenience of the user, the revised text is set forth as follows:

§ 501.16  PC postage payment methodology.

* * * * *
United States Postal Service
§ 501.16, NI.

(1) Revenue assurance. (1) The PC Postage provider must support business practices to assure Postal Service revenue and accurate payment from customers. For purposes of this paragraph, PC Postage provider shall mean: providers who offer PC Postage products (as such terms are defined in §501.1); Click-N-Ship® service; and postage resellers when such reseller seeks free postage revenue to the Postal Service in any manner other than through a PC Postage provider. With respect to the reseller transactions described above, the resellers, and not the Postal Service providers who provide the labels, are responsible for complying with this paragraph. For the purpose of this paragraph, a reseller is an entity that obtains postage through a PC Postage provider and is authorized to resell such postage to its customers pursuant to an agreement with the Postal Service. For example, an entity that sells postage to its customers, but uses a PC Postage provider to enable its customers to print postage labels, is a reseller hereunder. If that entity collects postage revenue from its customers and transmits it to the Postal Service directly (instead of through the PC Postage provider) that entity shall be deemed a PC Postage provider hereunder. For the purpose of this paragraph, a customer is the person or entity that deposits the mail piece into the mail system. PC Postage providers must comply with these revenue assurance requirements regardless of whether they have a direct relationship with the customer or sell postage to the customer through one or more resellers.

(2)(i) For the purposes of this paragraph, a postage adjustment is defined as the difference between the postage or fee actually paid to the Postal Service for a specific service, and the actual postage due to the Postal Service under the published or negotiated rate for that service, as applicable, which shall be calculated as of the time the mail piece is entered into the mailstream.

(ii) When the collection of a postage adjustment or the provision of a refund is appropriate because a customer has underpaid or overpaid the amount of postage that should have been paid, and such postage adjustment exceeds a threshold amount to be set by the Postal Service from time to time in its discretion, the PC Postage provider must, upon receiving notice from the Postal Service, pay, attempt to collect, or refund, as applicable, the postage adjustment in accordance with paragraph (1)(2)(ii)(iii) of this section. The Postal Service will supply the PC Postage provider with the details necessary to explain the correction and the amount of the postage adjustment to be used in the adjustment process. As part of this process, the PC Postage provider shall enable customers to submit disputes concerning the postage adjustment to the Postal Service, in a method approved by the Postal Service, including via phone call to the customer care center or API in the PC Postage provider’s user interface of postage collections. In addition, the PC Postage provider must convey the Postal Service’s dispute decision to the customer. If the Postal Service determines the customer’s dispute was valid, and the customer had already paid the postage adjustment, the PC Postage provider must return the postage adjustment to the customer when notified by the Postal Service according to the rules set forth in paragraph (1)(2)(ii)(iii)(B) of this section.

(iii)(A) In the case of an underpayment that exceeds the threshold amount, within 14 business days of receiving notice of the underpayment from the Postal Service, the PC Postage provider must pay the postage adjustment directly to the Postal Service, or seek to collect the postage adjustment from the customer in accordance with this paragraph. If the PC Postage provider opts to pursue collection activity, it must notify the customer of the details of the postage adjustment (including the dispute process), retain evidence that such notice was actually received by the customer, and attempt to collect the postage adjustment by adjusting the funds available to the customer in the Postage Evidencing System, or if funds are not available, facilitating customer payment by invoicing the customer or by pursuing other methods available to collect against the customer or access funds of the customer. If the customer has a Postage Evidencing System account, the PC Postage provider must process any refunds due to the customer under paragraph (1)(2)(ii)(ii)(B) of this section before processing any collections due to the Postal Service hereunder. If the PC Postage provider opts to pursue collection activity, it shall continue to make affirmative efforts to collect the postage adjustment from the customer until the postage adjustment is satisfied in whole or the collection period (as defined in paragraph (1)(2)(ii)(ii)(C) of this section) expires. Immediately upon receiving or securing access to funds of the customer, the PC Postage provider shall remit the amount of the postage adjustment to the Postal Service any and all available funds from the customer’s account from the Postage Evidencing System or that are otherwise recovered by the PC Postage provider to the extent necessary to satisfy the postage adjustment. The postage adjustment must be paid in full; no partial payments will be accepted by the Postal Service, except for payments made under paragraph paragraph (1)(2)(ii)(ii)(C) of this section.

(B) In the case of an overpayment that exceeds the threshold amount, the Postal Service shall within 14 business days of identifying the overpayment, provide notice of the postage adjustment to the PC Postage provider and instruct the PC Postage provider to give the customer a credit and adjust the
funds available to the customer in the Postage Evidencing System. If the Postage Evidencing System account has been closed or for customers who do not have individual Postage Evidencing System accounts, the Postal Service shall instruct the PC Postage provider to issue a refund to the customer and the Postal Service shall either refund the customer directly or permit the PC Postage provider to submit a reconciliation to the Postal Service. The PC Postage provider must immediately upon receiving notice of the overpayment from the Postal Service, notify the customer and, consistent with the Postal Service’s instructions, adjust the funds available to the customer in the Postage Evidencing System, refund the postage adjustment to the customer, or provide a credit to the customer. If the PC Postage provider is unable to comply with the above requirements within 2 business days, the PC Postage provider must immediately notify the Postal Service.

(C) The **collection period** is a time period to be set by the Postal Service not to exceed 60 calendar days after initial notification by the Postal Service, subject to any applicable notification periods and dispute mechanisms that may be available to customers for these corrections. If an underpayment has not been satisfied within this collection period, the PC Postage provider shall adjust any funds available to the customer in the Postage Evidencing System to satisfy the postage adjustment to the greatest extent possible, and assist the Postal Service in its efforts to pursue any remedies that may be available in law or equity, including seeking payment directly from the customer.

(i)(A) In the case of an underpayment that exceeds the threshold amount, immediately upon receiving notice of the underpayment from the Postal Service the PC Postage provider shall prohibit the customer from printing additional postage labels until the postage adjustment is satisfied in accordance with paragraph (i)(2)(iii)(A) of this section, or the customer disputes the adjustment and prevails. The Postal Service may, in its discretion, waive or delay this prohibition in specific instances.

(B) Separately, without regard to any threshold, in certain cases (such as where a customer is suspected of having intentionally or repeatedly underpaid postage) the Postal Service may, in its discretion, instruct the PC Postage provider to shut down temporarily or permanently a customer’s ability to print PC Postage, and the PC Postage provider shall promptly comply with such instruction.

(C) In no event shall the Postal Service be liable to any PC Postage provider, customer or other party for any direct, indirect, exemplary, special, consequential, or punitive damages (including without limitation damages relating to loss of profit or business interruption) arising from or related to any customer’s permanent or temporary inability to print postage labels in accordance with this paragraph (i)(2)(iv) or as a result of funds offset in accordance with this paragraph.

(v) The Postal Service, in its discretion, may adopt and modify from time to time, and the PC Postage providers shall comply with, business rules setting forth processes (including time constraints) for payments, refunds, account suspensions, collections, notifications, dispute resolutions and other activities to be performed hereunder. Such business rules will be published in the Federal Register.

(3) (i) Without regard to any threshold, if the PC Postage provider incorrectly programmed postage rates, delayed programming postage rate changes, or otherwise provided systems or software which caused customers to pay incorrect postage amounts, then within two calendar weeks of the PC Postage provider being made aware of such error, the PC Postage provider shall:

(A) Correct the programming error;

(B) Provide the Postal Service with a detailed breakdown of how the error affected the PC Postage provider’s collection of revenue; and

(C) Pay the Postal Service for the postage deficiency caused by the programming error, except in instances where the error was caused by the Postal Service or as a direct result of incorrect specifications provided by the Postal Service.

(4) The PC Postage provider is responsible for ensuring that:

(i) All customers pay (and the Postal Service receives) the current published prices that are available to customers who purchase postage through an approved PC Postage provider, or negotiated contracted prices where applicable in accordance with this paragraph; and

(ii) All payments to the Postal Service (or the log files necessary for the Postal Service to collect payments directly from customers) are complete and accurate and are initiated or transmitted, as applicable, to the Postal Service each day.

(5) Each PC Postage provider shall:

(i) Before each customer’s first transaction following the implementation date of August 1, 2017, provide notice to such customer of the terms, conditions and processes described in this paragraph—including, without limitation, that the customer may be charged for deficient payments and prevented from printing additional postage labels while a postage adjustment remains unpaid—and obtain a certification from each customer that the customer has read, understands and agrees to such terms, conditions and processes, as they may be amended or supplemented from time to time;
United States Postal Service

§ 501.18 Customer information and authorization.

(a) Authorized providers must electronically transmit the necessary customer information to the designated Postal Service central data processing facility, in Postal Service-specified format, in order for the Postal Service to authorize a customer to use a Postage Evidencing System. Postal Service receipt and acceptance of the customer information provides the customer with the authorization to possess or use a Postage Evidencing System in accordance with DMM 604 Postage Payment Methods, 4.0 Postage Meters and PC Postage Products (Postage Evidencing Systems).

(b) The Postal Service may refuse to issue a customer authorization to use a Postage Evidencing System for the following reasons:

1. The customer submitted false or fictitious information.
2. Within five years preceding submission of the information, the customer violated any standard for the care or use of the Postage Evidencing Systems.
3. A Decertified Postage Evidencing System must be withdrawn from service by the date agreed to by the Postal Service and provider.
4. The customer owes any money to the Postal Service and is not a controlling member or officer of an entity that owes money to the Postal Service.
5. The customer does not authorize the PC Postage provider to disclose the customer’s personal information to the Postal Service and such other information retained by the provider that may enable the Postal Service to collect debts owed to it.
6. The customer maintains a complete and accurate record for each customer, which includes such customer’s current name and a valid U.S. address that is sufficient for service of process under the law, as well as a copy of all terms agreed to by the customer and the date of such agreements.
7. The customer complies with applicable laws, rules, regulations and guidelines and ensure that its Postage Evidencing Systems, software, interfaces, communications and other properties that are used to sell or market Postal Service products accurately describe such products.
8. The customer covers any costs or damages that the Postal Service may incur as a result of such PC Postage provider or its employees, contractors, or representatives failing to comply with the terms of this section, or any applicable law, regulation, rule, or government policy.
9. The customer is able to perform its obligations hereunder, comply with the business rules that shall be published in the Federal Register from time to time and provide all agreed-upon interface documentation (as updated from time to time).
10. The customer fails to exercise or delays exercising any right, remedy, or privilege under this paragraph, such failure or delay shall not operate as a waiver thereof or of any other provision hereof, nor shall any single or partial exercise of any right, remedy, or privilege preclude any further exercise of the same. The rights and remedies available to the Postal Service under this paragraph are cumulative and in addition to, and do not diminish, any rights or remedies otherwise available to the Postal Service.
§ 501.18  System, including any unresolved identified postage discrepancies that resulted in revocation of that customer's authorization.

(3) Or there is sufficient reason to believe that the Postage Evidencing System is to be used in violation of the applicable standards.

(c) The Postal Service will notify the provider of the revocation of a customer's authorization to use a Postage Evidencing System. Within ten (10) days of receipt of the notice of revocation, the provider must cancel any lease or other agreement and remove the Postage Evidencing System from service. A customer's authorization to use a Postage Evidencing system is subject to revocation for any of the following reasons:

(1) A Postage Evidencing System is used for any illegal scheme or enterprise.

(2) The customer’s Postage Evidencing System is not used for twelve (12) consecutive months.

(3) Sufficient control of a Postage Evidencing System is not exercised or the standards for its care or use are not followed.

(4) The Postage Evidencing System is kept or used outside the customs territory of the United States or those U.S. territories and possessions where the Postal Service operates.

(5) The customer is in possession of a Decertified Postage Evidencing System.

(6) The customer has any unresolved postage discrepancies.

(d) The provider must electronically transmit any updates to the necessary customer information to the designated Postal Service central data processing facility, in Postal Service-specified format.

(e) No one other than an authorized provider may possess a Postage Evidencing System without a valid rental or other agreement with the provider. Other parties in possession of a Postage Evidencing System must immediately surrender it to the provider or the Postal Service.

(f) The Postal Service may use customer information consistent with the Privacy Act and the Postal Service’s privacy policies posted on http://www.usps.com. Examples include the following:

(1) Communication with customers who may no longer be visiting a traditional Postal Service retail outlet or communication with customers through any new retail channels.

(2) Issuance (including re-authorization, renewal, transfer, revocation or denial, as applicable) of authorization to use a Postage Evidencing System to a postal patron that uses a Postage Evidencing System, and communications with respect to the status of such authorization.

(3) Disclosure to a meter provider of the identity of any meter required to be removed from service by that meter provider, and any related customer data, as the result of revocation of an authorization to use a Postage Evidencing System, questioned accurate registration of that meter, or de-certification by the Postal Service of any particular class or model of postage meter.

(4) Tracking the movement of meters between a meter provider and its customers and communications to a meter provider (but not to any third party other than the customer) concerning such movement. The term meter provider includes a meter provider’s dealers and agents.

(5) To transmit general information to all Postage Evidencing System customers concerning rate and rate category changes implemented or proposed for implementation by the Postal Service.

(6) To advertise Postal Service services relating to the acceptance, processing, and delivery of, or postage payment for, metered mail.

(7) To allow the Postal Service to communicate with Postal Service customers on products, services, and other information otherwise available to Postal Service customers through traditional retail outlets.

(8) Any internal use by Postal Service personnel, including identification and monitoring activities relating to Postage Evidencing Systems, provided that such use does not result in the disclosure of applicant information to any third party or will not enable any third party to use applicant information for
United States Postal Service

§ 551.1

PART 551—SEMIPOSTAL STAMP PROGRAM

§ 501.19 Intellectual property.

Providers submitting Postage Evidencing Systems to the Postal Service for approval are responsible for obtaining all intellectual property licenses that may be required to distribute their product in commerce and to allow the Postal Service to process mail bearing the indicia produced by the Postage Evidencing System. To the extent approval is granted and the Postage Evidencing System is capable of being used in commerce, the provider shall indemnify the Postal Service for use of such intellectual property in both the use of the Postage Evidencing System and the processing of mail bearing indicia produced by the Postage Evidencing System.

§ 501.20 Discontinued Postage Evidencing Indicia.

(a) Decertified indicia (evidence of pre-paid postage) are indicia that have been withdrawn by the Postal Service as valid forms of postage evidence through publication by the Postal Service in the Federal Register, or by voluntary withdrawal undertaken by the provider.

(b) Effective January 1, 2016, all Postage Evidencing Systems (postage meters and PC Postage products) will be required to produce Information-Based Indicia (IBI) or Intelligent Mail Indicia (IMI) for evidence of pre-paid postage. Non-IBI and non-IMI indicia will be decertified effective January 1, 2016, and may not be used as a valid form of postage evidence. These decertified indicia will not be recognized as valid postage after December 31, 2015.

[67 FR 5215, Feb. 5, 2002]

§ 551.2 Semipostal stamps.

Semipostal stamps are stamps that are sold for a price that exceeds the postage value of the stamp. The difference between the price and postage value of semipostal stamps, also known as the differential, less an offset for reasonable costs, as determined by the Postal Service, consists of a contribution to fund causes determined by the Postal Service to be in the national public interest and appropriate. Funds are to be transferred to selected recipient executive agencies, as defined under 5 U.S.C. 105. The office of Stamp Services determines the print quantities of semipostal stamps. The use of semipostal stamps shall be voluntary on the part of postal patrons.

§ 551.3 Procedure for selection of causes and recipient executive agencies.

The Postal Service has discretionary authority to select causes and recipient executive agencies to receive funds raised through the sale of semipostal stamps. These regulations apply only to such discretionary semipostal stamps and do not apply to semipostal stamps that are mandated by Act of Congress, such as the Breast Cancer Research stamp. The procedure for selection of causes and recipient executive agencies is as follows:

(a) The Office of Stamp Services will accept proposals from interested persons for future semipostal stamps beginning on May 20, 2016. The Office of Stamp Services will begin considering proposals on July 5, 2016. The Postal Service intends to issue five semipostal stamps under these regulations during the 10-year period established by Congress in 39 U.S.C. 416(g). Each semipostal stamp will be sold for no more than two years. Proposals may be submitted and will be considered on a rolling basis until seven years after May 20, 2016. The Office of Stamp Services may publicize this request for proposals in the Federal Register or through other means, as it determines in its discretion. Proposals for semipostal stamps made prior to May 20, 2016 will not be given further consideration. Nothing in these regulations should be construed as barring the resubmission of previously submitted causes and recipient executive agencies.

(b) Proposals will be received by the Office of Stamp Services, which will review each proposal under §551.4.

(c) The Office of Stamp Services will forward those proposals that satisfy the requirements of §551.4 to the Citizens’ Stamp Advisory Committee for its consideration.

(d) Based on the proposals received from the Office of Stamp Services, the Citizens’ Stamp Advisory Committee may make recommendations on causes and eligible recipient executive agencies to the postmaster general. The Citizens’ Stamp Advisory Committee may recommend more than one cause and eligible recipient executive agency at the same time.

(e) Meetings of the Citizens’ Stamp Advisory Committee are closed, and deliberations of the Citizens’ Stamp Advisory Committee are pre-decisional in nature.

(f) In making decisions concerning semipostal stamps, the postmaster general may take into consideration such factors, including the recommendations of the Citizens’ Stamp Advisory Committee, as the postmaster general determines are appropriate. The decision of the postmaster general shall be the final agency decision.

(g) The Office of Stamp Services will notify each executive agency in writing of a decision designating that agency as a recipient of funds from a semipostal stamp.

(h) As either a separate matter, or in combination with recommendations on a cause and recipient executive agencies, the Citizens’ Stamp Advisory Committee may recommend to the postmaster general a design (i.e., artwork) for the semipostal stamp. The postmaster general will make a final decision on the design to be featured.

(i) The decision of the postmaster general to exercise the Postal Service’s
United States Postal Service

§ 551.4 Submission requirements and selection criteria.

(a) Proposals on recipient executive agencies and causes must satisfy the following requirements:

(1) Interested persons must timely submit the proposal by U.S. Mail to the Office of Stamp Services, Attn: Semipostal Discretionary Program, 475 L’Enfant Plaza S.W., Room 3300, Washington, DC 20260–3501, or in a single Adobe Acrobat (.pdf) file sent by email to semipostal@usps.gov. Indicate in the Subject Line: Semipostal Discretionary Program. For purposes of this section, interested persons include, but are not limited to, individuals, corporations, associations, and executive agencies under 5 U.S.C. 105.

(2) The proposal must be signed by the individual or a duly authorized representative and must provide the mailing address, phone number, fax number (if available), and email address of a designated point of contact.

(3) The proposal must describe the cause and the purposes for which the funds would be used.

(4) The proposal must demonstrate that the cause to be funded has broad national appeal, and that the cause is in the national public interest and furthers human welfare. Respondents are encouraged to submit supporting documentation demonstrating that funding the cause would benefit the national public interest.

(5) The proposal must include a letter from an executive agency or agencies on agency letterhead representing that:

(i) It is an executive agency as defined in 5 U.S.C. 105,

(ii) It is willing and able to implement the proposal, and

(iii) It is willing and able to meet the requirements of the Semipostal Authorization Act, if it is selected. The letter must be signed by a duly authorized representative of the agency.

(6) A proposal may designate one or two recipient executive agencies to receive funds, but if more than one executive agency is proposed, the proposal must specify the percentage shares of differential revenue, net of the Postal Service’s reasonable costs, to be given to each agency. If percentage shares are not specified, it is presumed that the proposal intends that the funds be split evenly between the agencies. If more than two recipient executive agencies are proposed to receive funds and the proposal is selected, the postmaster general will provide the recipient executive agencies with an opportunity to jointly decide which two agencies will receive funds. If the agencies are unable to reach a joint decision within 20 days, the postmaster general shall either decide which two agencies will receive funds, or select another proposal.

(b) Proposals become the property of the Postal Service and are not returned to interested persons who submit them. Interested persons who submit proposals are not entitled to any remuneration, compensation, or any other form of payment, whether their proposals are selected or not, for any reason.

(c) The following persons may not submit proposals:

(1) Employees of the United States Postal Service;

(2) Any contractor of the Postal Service that may stand to benefit financially from the Semipostal Stamp Program; or

(3) Members of the Citizens’ Stamp Advisory Committee and their immediate families, and contractors of the Postal Service, and their immediate families, who are involved in any decision-making related to causes, recipient agencies, or artwork for the Semipostal Stamp Program.

(d) Consideration for evaluation will not be given to proposals that request support for any of the following: Anniversaries; public works; people; specific organizations or associations; commercial enterprises or products; cities,
§ 551.5 Frequency and other limitations.

(a) The Postal Service is authorized to issue semipostal stamps for a 10-year period beginning on the date on which semipostal stamps are first sold to the public under 39 U.S.C. 416. The Office of Stamp Services will determine the date of commencement of the 10-year period.

(b) The Postal Service will offer only one discretionary semipostal stamp for sale at any given time during the 10-year period, although a discretionary semipostal stamp may be offered for sale at the same time as one or more congressionally mandated semipostal stamps.

(c) The sales period for any given discretionary semipostal stamp is limited to no more than two years, as determined by the Office of Stamp Services.

(d) Prior to or after the issuance of a given discretionary semipostal stamp, the Postal Service may withdraw the semipostal stamp from sale, or to reduce the sales period, if, inter alia:

1. Its sales or revenue statistics are lower than expected.
2. The sales or revenue projections are lower than expected, or
3. The cause or recipient executive agency does not further, or does not comply with, the statutory purposes or requirements of the Semipostal Authorization Act.

§ 551.6 Pricing.

(a) The Semipostal Authorization Act, as amended by Public Law 107–67, section 652, 115 Stat. 514 (2001), prescribes that the price of a semipostal stamp is the rate of postage that would otherwise regularly apply, plus a differential of not less than 15 percent. The price of a semipostal stamp shall be an amount that is evenly divisible by five. For purposes of this provision, the First-Class Mail® single-piece stamped first-ounce rate of postage will be considered the rate of postage that would otherwise regularly apply.

(b) The prices of semipostal stamps are determined by the Governors of the United States Postal Service in accordance with the requirements of 39 U.S.C. 416.

§ 551.7 Calculation of funds for recipient executive agencies.

(a) The Postal Service is to determine its reasonable costs in executing its responsibilities pursuant to the Semipostal Authorization Act, as specified in §551.8. These costs are offset against the revenue received through sale of each semipostal stamp in excess of the First-Class Mail single-piece first-ounce rate in effect at the time of purchase.

(b) Any reasonable costs offset by the Postal Service shall be retained by it, along with revenue from the sale of the semipostal stamps, as recorded by sales units through the use of a specially designated account.

(c) The Postal Service is to pay designated recipient executive agency(ies) the remainder of the differential revenue less an amount to recover the reasonable costs of the Postal Service, as determined under §551.8.

(d) The amounts for recipient executive agencies are transferred in a manner and frequency determined by mutual agreement, consistent with the requirements of 39 U.S.C. 416.

§ 551.8 Cost offset policy.

(a) Postal Service policy is to recover from the differential revenue for each semipostal stamp those costs that are determined to be attributable to the semipostal stamp and that would not normally be incurred for stamps having similar sales; physical characteristics; and marketing, promotional, and public relations activities (hereinafter “comparable stamps”).

(b) Overall responsibility for tracking costs associated with semipostal
stamps will rest with the Office of Accounting, Finance, Controller. Individual organizational units incurring costs will provide supporting documentation to the Office of Accounting, Finance, Controller.

(c) For each semipostal stamp, the Office of Stamp Services, in coordination with the Office of Accounting, Finance, Controller, shall, based on judgment and available information, identify the comparable stamp(s) and create a profile of the typical cost characteristics of the comparable stamp(s) (e.g., manufacturing process, gum type), thereby establishing a baseline for cost comparison purposes. The determination of comparable stamps may change during or after the sales period, and different comparable stamp(s) may be used for specific cost comparisons.

(d) Except as specified, all costs associated with semipostal stamps will be tracked by the Office of Accounting, Finance, Controller. Costs that will not be tracked include:

(1) Costs that the Postal Service determines to be inconsequentially small, which include those cost items which are less than $3,000 per invoice and are not specifically charged to a semipostal finance number;

(2) Costs for which the cost of tracking or estimation would be burdensome (e.g., costs for which the cost of tracking exceeds the cost to be tracked);

(3) Costs attributable to mail to which semipostal stamps are affixed (which are attributable to the appropriate class and/or subclass of mail); and

(4) Administrative and support costs that the Postal Service would have incurred whether or not the Semipostal Stamp Program had been established.

(e) Cost items recoverable from the differential revenue include, but are not limited to, the following:

(1) Packaging costs in excess of the cost to package comparable stamps;

(2) Printing costs of flyers and special receipts;

(3) Costs of changes to equipment;

(4) Costs of developing and executing marketing and promotional plans in excess of the cost for comparable stamps;

(5) Other costs specific to the semipostal stamp that would not normally have been incurred for comparable stamps; and

(6) Costs in paragraph (g) of this section that materially exceed those that would normally have been incurred for comparable stamps.

(f) The Semipostal Stamp Program incorporates the following provisions that are intended to maximize differential revenues available to the selected causes. These include, but are not limited to, the following:

(1) Avoiding, to the extent practicable, promotional costs that exceed those of comparable stamps;

(2) Establishing restrictions on the number of concurrently issued semipostal stamps; and

(3) Making financial and retail system changes in conjunction with regularly scheduled revisions.

(g) Other costs attributable to semipostals but which would normally be incurred for comparable stamps would be recovered through the postage component of the semipostal stamp price. Such costs are not recovered, unless they materially exceed the costs of comparable stamps. These include, but are not limited to, the following:

(1) Costs of stamp design (including market research);

(2) Costs of stamp production and printing;

(3) Costs of stamp shipping and distribution;

(4) Estimated training costs for field staff, except for special training associated with semipostal stamps;

(5) Costs of stamp sales (including employee salaries and benefits);

(6) Costs associated with the withdrawal of the stamp issue from sale;

(7) Costs associated with the destruction of unsold stamps; and

(8) Costs associated with the incorporation of semipostal stamp images into advertising for the Postal Service as an entity.

§ 601.100 Purchasing policy.

The Postal Service acquires property and services pursuant to the authority of 39 U.S.C. 410.

§ 601.101 Effective date.

These regulations are effective November 14, 2007. Solicitations issued and resulting contracts entered into prior to that date will be governed by the regulations in effect at the time the solicitation was issued.

§ 601.102 Revocation of prior purchasing regulations.

All previous postal purchasing regulations, including the Postal Contracting Manual, Procurement Manual, the Purchasing Manual (Issues 1, 2 and 3), and procurement handbooks, circulars, and instructions, are revoked and are superseded by the regulations contained in this part.

§ 601.103 Applicability and coverage.

The regulations contained in this part apply to all Postal Service acquisition of property (except real property) and services.

§ 601.104 Postal purchasing authority.

Only the Postmaster General/CEO; the Postal Service’s vice president, Supply Management; contracting officers with written statements of specific authority; and others designated in writing or listed in this part have the authority to bind the Postal Service with respect to entering into, modifying, or terminating any contract regarding the acquisition of property, services, and related purchasing matters. The Postal Service’s vice president, Supply Management, or his or her designee, may also delegate in writing local buying authority throughout the Postal Service.

§ 601.105 Business relationships.

(a) General. A person or organization wishing to have a continuing business relationship with the Postal Service in purchasing matters is expected to treat the Postal Service in the same manner as it would other valued customers of similar size and importance. The Postal Service reserves the right to decline to accept or consider proposals from a person or organization when that person or organization fails to meet reasonable business expectations or provide a high level of confidence regarding quality, prompt service, and overall professionalism.

(b) Declining to accept or consider proposals. The Postal Service may decline to accept or consider proposals when a person or organization exhibits unacceptable conduct or business practices that do not meet reasonable business expectations or does not provide a high level of confidence about the entity’s current or future business relations. Unacceptable conduct or business practices include, but are not limited to:

(1) Marginal or dilatory contract performance;

(2) Failure to deliver on promises made in the course of dealings with the Postal Service;

(3) Providing false or misleading information regarding financial condition, ability to perform, or other material matters, including any aspect of performance on a contract; and

(4) Engaging in other questionable or unprofessional conduct or business practices.

c) Notice. If the Postal Service elects to decline to accept or consider proposals from a person or organization, the vice president, Supply Management, or his or her designee, will provide a written notice to the person or organization by Certified Mail, return receipt requested, explaining:

(1) The reasons for the decision;

(2) The effective date of the decision;

(3) The scope of the decision;

(4) The period of time the decision will be in effect, (a matter at the Postal Service’s discretion consistent with the circumstances); and

(5) The supplier’s right to contest the decision.

d) Contesting Decisions. If a person or organization believes the decision not to accept or consider proposals is not merited, it may contest the matter in accordance with §601.108. The Postal Service may reconsider the matter and, if warranted, rescind or modify the decision to decline to accept or consider proposals.

§ 601.106 [Reserved]

§ 601.107 Initial disagreement resolution.

(a) Definitions. (1) Days. Calendar days; however, any time period will run until a day that is not a Saturday, Sunday, or legal holiday.

(2) Disagreements. All disputes, protests, claims, disagreements, or demands of whatsoever nature arising in connection with the acquisition of property and services within the scope of §601.103 of this chapter, except those:

(i) That arise pursuant to a contract under the Contract Disputes Act under §601.109;

(ii) That concern debarment, suspension, or ineligibility under §601.113; or

(iii) That arise out of the nonrenewal of transportation contracts containing other provisions for the review of such decisions.

(3) Interested parties. Actual or prospective offerors whose direct economic interests would be affected by the award of, or failure to award, the contract.

(4) Lodge. A disagreement is lodged on the date it is received by the contracting officer or the Supplier Disagreement Resolution Official, as appropriate.

(5) SDR Official. The Supplier Disagreement Resolution Official, a contracting officer designated by the Postal Service to perform the functions established under §601.108.

(b) Policy. It is the policy of the Postal Service and in the interest of its suppliers to resolve disagreements by mutual agreement between the supplier and the responsible contracting officer. All disagreements must be lodged with the responsible contracting office in writing via facsimile, e-mail, hand delivery, or U.S. Mail. For disagreements that concern the award of a contract, the disagreement shall be lodged within 10 days of the date the supplier received notification of award or 10 days from the date the supplier received a debriefing, whichever is later. For disagreements that concern alleged improprieties in a solicitation, the contracting officer must receive the disagreement before the time set for the receipt of proposals, unless the disagreement concerns an alleged impropriety that does not exist in the initial solicitation but which is subsequently incorporated into the solicitation, in which event the contracting officer must receive the disagreement no later than the next closing time for the receipt of proposals following the incorporation. The resolution period shall last 10 days from the date when the disagreement is lodged with the contracting officer. During the supplier-contracting officer 10-day resolution period, the responsible contracting officer’s management may help to resolve the disagreement. At the conclusion of the 10-day resolution period, the contracting officer must communicate, in writing, to the supplier his or her resolution of the disagreement.

(c) Alternative dispute resolution. Alternative dispute resolution (ADR) procedures may be used to resolve a disagreement. If the use of ADR is agreed upon, the 10-day limitation is suspended. If agreement cannot be
§ 601.108 SDR Official disagreement resolution.

(a) General. If a disagreement under §601.107 is not resolved within 10 days after it was lodged with the contracting officer, if the use of ADR fails to resolve it at any time, if the supplier is not satisfied with the contracting officer’s resolution of the disagreement, or if the decision not to accept or consider proposals under §601.105 is contested, the SDR Official is available to provide final resolution of the matter. The Postal Service desires to resolve all such matters quickly and inexpensively in keeping with the regulations in this part.

(b) Scope and applicability. This procedure is established as the sole and exclusive means to resolve disagreements under §601.107 and contests of decisions under §601.105. This procedure is intended to expeditiously resolve disagreements that are not resolved at the responsible contracting officer level; to reduce litigation expenses, inconvenience, and other costs for all parties; to facilitate successful business relationships with Postal Service suppliers, the supplier community, and other persons; and to develop further the basis for the Postal Service’s purchasing decisions and the administrative records concerning those decisions. All disagreements under §601.107 and contests of decisions under §601.105 will be lodged with and resolved, with finality, by the SDR Official under and in accordance with the sole and exclusive procedure established in this section.

(c) Lodging. The disagreement under §601.107 or contest of decision under §601.105 must be lodged with the SDR Official in writing via facsimile, email, hand delivery, or U.S. Mail. The disagreement under §601.107 or contest of decision under §601.105 must state the factual circumstances relating to it and the remedy sought. A disagreement under §601.107 must also state the scope and outcome of the initial disagreement resolution attempt with the contracting officer. The address of the SDR Official is: Supply Management, Room 1141 (Attn: SDR Official), United States Postal Service Headquarters, 475 L’Enfant Plaza SW., Washington, DC 20260–1141; email Address: SDROfficial@usps.gov; Fax Number: (202) 268–0075.

(d) Lodging timeframes. Disagreements under §601.107 or contests of decisions under §601.105 must be lodged with the SDR Official within the following timeframes:

1. Disagreements under §601.107 not resolved with the contracting officer must be lodged with the SDR Official within 20 days after they were lodged with the contracting officer (unless ADR had been used to attempt to resolve them);

2. Disagreements under §601.107 for which ADR had been agreed to be used must be lodged with the SDR Official within 10 days after the supplier knew or was informed by the contracting officer or otherwise that the matter was not resolved;

3. Where a supplier is dissatisfied with the contracting officer’s resolution of a disagreement under §601.107, the supplier must lodge the disagreement with the SDR Official within 10 days after the supplier first receives notification of the contracting officer’s resolution; and

4. Contests of decisions under §601.105 to decline to accept or consider proposals must be lodged with the SDR Official within 10 days of the supplier’s receipt of the written notice explaining the decision.

(e) Disagreement decision process. The SDR Official will promptly provide a copy of a disagreement to the contracting officer, who will promptly notify other interested parties. The SDR Official will consider a disagreement and any response by other interested parties and appropriate Postal Service
United States Postal Service § 601.108

officials within a time frame established by the SDR Official. The SDR Official may also meet individually or jointly with the person or organization lodging the disagreement, other interested parties, and/or Postal Service officials, and may undertake other activities in order to obtain materials, information, or advice that may help to resolve the disagreement. The person or organization lodging the disagreement, other interested parties, or Postal Service officials must promptly provide all relevant, nonprivileged materials and other information requested by the SDR Official. If a submission contains trade secrets or other confidential information, it should be accompanied by a copy of the submission from which the confidential matter has been redacted. The SDR Official will determine whether any redactions are appropriate and will be solely responsible for determining the treatment of any redacted materials. After obtaining such information, materials, and advice as may be needed, the SDR Official will promptly issue a written decision resolving the disagreement and will deliver the decision to the person or organization lodging the disagreement, other interested parties, and appropriate Postal Service officials.

When resolving a disagreement raised under § 601.107, the SDR Official may grant remedies including, but not limited to, the following:

1. Directing the contracting officer to revise the solicitation or to issue a new solicitation;
2. Directing the contracting officer to recompete the requirement;
3. Directing the contracting officer to reevaluate the award on the basis of current proposals and the evaluation factors contained in the solicitation; and
4. Directing the contracting officer to terminate the contract or to refrain from exercising options under the contract.

(f) Guidance. The SDR Official will be guided by the regulations contained in this part and all applicable public laws enacted by Congress. Non-Postal Service procurement rules or regulations and revoked Postal Service regulations will not apply or be taken into account. Failure of any party to provide requested information may be taken into account by the SDR Official in the decision.

(g) Final resolution by the SDR Official and final contract award of the Postal Service. A resolution by the SDR Official will be final and binding. If the SDR Official’s final resolution affirms the original contract award of the contracting officer, the contracting officer’s original contract award becomes the Postal Service’s final contract award, and may be subject to judicial review as described in paragraph (h) of this section. If the SDR Official’s final resolution directs that the Postal Service terminate the contract award and issue a new solicitation, recompete the requirement, or reevaluate the current award, the contracting officer shall implement promptly the SDR Official’s final resolution. However, any contract award made by the contracting officer after a resolicitation, recompetition, or reevaluation directed by the SDR Official is not a final contract award of the Postal Service that may be subject to judicial review unless and until disagreements concerning that contract award have been lodged and resolved with finality by the SDR Official.

(h) Judicial review. The Postal Service’s final contract award, as described in paragraph § 601.108(g), may be appealed to a Federal court with jurisdiction based only upon an alleged violation of the regulations contained in this part or an applicable public law enacted by Congress. The party lodging the disagreement may seek review of the Postal Service’s final contract award only after the mandatory administrative remedies provided under § 601.107 and § 601.108 have been exhausted.

(i) Resolution timeframe. It is intended that this procedure generally will resolve disagreements under § 601.107 or contests of decisions under § 601.105 within approximately 30 days after receipt by the SDR Official. The time may be shortened or lengthened depending on the complexity of the issues and other relevant considerations.

§ 601.109 Contract claims and disputes.

(a) General. This section implements the Contract Disputes Act of 1978, as amended (41 U.S.C. 7101–7109). If ADR is used, the SDR official may serve as a mediator for contract performance disagreements prior to bringing a contract claim or dispute under this part.

(b) Policy. It is the Postal Service’s intent to resolve contractual claims and disputes by mutual agreement at the level of an authorized contracting officer whenever possible. In addition, the Postal Service supports and encourages the use of alternative dispute resolution as an effective way to understand, address, and resolve conflicts with suppliers. Efforts to resolve differences should be made before the issuance of a final decision on a claim, and even when the supplier does not agree to use ADR, the contracting officer should consider holding informal discussions between the parties in order to resolve the conflict before the issuance of a final decision.

(c) Supplier claim initiation. Supplier claims must be submitted in writing to the contracting officer for final decision. The contracting officer must document the contract file with evidence of the date of receipt of any submission that the contracting officer determines is a claim. Supplier claims must be submitted within 6 years after accrual of a claim unless the parties agreed to a shorter time period. The 6-year time period does not apply to contracts awarded prior to October 1, 1995.

(d) Postal Service claim initiation. The contracting officer must issue a written decision on any Postal Service claim against a supplier, within six years after accrual of a claim unless the parties agreed to a shorter time period. The 6-year time period does not apply to contracts awarded prior to October 1, 1995.

(e) Certified claims. Each supplier claim exceeding $100,000 must be accompanied by a certification in accordance with the supplier’s contract.

(f) Misrepresentation or fraud. When the contracting officer determines that the supplier is unable to support any part of the claim and there is evidence or reason to believe the inability is attributable to either misrepresentation of fact or fraud on the supplier’s part, the contracting officer must deny that part of the claim and refer the matter to the Office of Inspector General.

(g) Decision and appeal—(1) Contracting officer’s authority. A contracting officer is authorized to decide or settle all claims arising under or relating to a contract subject to the Contract Disputes Act, except for:

(i) Claims or disputes for penalties or forfeitures prescribed by statutes or regulation that a Federal agency administers; or

(ii) Claims involving fraud.

(2) Contracting officer’s decision. The contracting officer must review the facts pertinent to the claim, and may obtain assistance from assigned counsel and other advisors, and issue a final decision in writing. The decision must include a description of the claim or dispute with references to the pertinent contract provisions, a statement of the factual areas of agreement and disagreement, and a statement of the contracting officer’s decision with supporting rationale.

(3) Insufficient information. When the contracting officer cannot issue a decision because the supplier has not provided sufficient information, the contracting officer may request the required information. Further failure to provide the requested information is an adequate reason to deny the claim.

(4) Furnishing Decisions. The contracting officer must furnish a copy of the decision to the supplier by Certified Mail™, return receipt requested, or by any other method that provides evidence of receipt.

(5) Decisions on claims for $100,000 or less. If the supplier has asked for a decision within sixty days, the contracting officer must issue a final decision on a claim of $100,000 or less within sixty calendar days of its receipt. The supplier may consider the contracting officer’s failure to issue a decision within the applicable time period as a denial of its claim, and may file a suit or appeal on the claim.

(6) Decisions on certified claims. For certified claims over $100,000, the contracting officer must either issue a final decision within sixty days of their receipt or notify the supplier within
the 60-day period of the time when a decision will be issued. The time period established must be reasonable, taking into account the size and complexity of the claim, the adequacy of the supplier’s supporting data, and any other relevant factors.

(7) **Wording of decisions.** The contracting officer’s final decision must contain the following paragraph: “This is the final decision of the contracting officer pursuant to the Contract Disputes Act of 1978 and the clause of your contract entitled Claims and Disputes. You may appeal this decision to the Postal Service Board of Contract Appeals by filing a notice of appeal within ninety days from the date you receive this decision. You may file the notice of appeal online through the USPS Judicial Officer Department’s Electronic Filing System Web site located at https://uspsjoe.justware.com/JusticeWeb, or by mailing or otherwise furnishing the notice of appeal to the Postal Service Board of Contract Appeals. You also may appeal by mailing, or otherwise furnishing written notice of appeal to the contracting officer within ninety days from the date you receive this decision. The notice should identify the contract by number, reference this decision, and indicate that an appeal is intended. Alternatively, you may bring an action directly in the United States Court of Federal Claims within twelve months from the date you receive this decision.”

(8) **Additional wording for decisions of $50,000 or less.** When the claim or claims denied total $50,000 or less, the contracting officer must add the following to the paragraph: “In taking an appeal to the Board of Contract Appeals, you may include in your notice of appeal an election to proceed under the Board’s accelerated procedure, which provides for a decision within approximately 180 days. If you do not make an election in the notice of appeal, you may do so by written notice anytime thereafter.”

(9) **Additional wording for decisions over $50,000 up to $100,000.** When the claim or claims denied total $50,000 or less, but more than $50,000, the contracting officer must add the following to the paragraph: “In taking an appeal to the Board of Contract Appeals, you may include in your notice of appeal an election to proceed under the Board’s accelerated procedure, which provides for a decision within approximately 180 days. If you do not make an election in the notice of appeal, you may do so by written notice anytime thereafter.”

(10) **Information and resources.** Contracting officers must have sufficient information available at the time a final decision is issued on a claim so resolution of an appeal within the period set for an expedited disposition will not be delayed. Once an appeal is docketed, and expedited disposition is elected, contracting officers must devote sufficient resources to the appeal to ensure the schedule for resolution is met. Nothing in this part precludes an effort by the parties to settle a controversy after an appeal has been filed, although such efforts to settle the controversy will not suspend processing the appeal, unless the Board of Contract Appeals so directs.

### § 601.110 Payment of claims.

Any claim amount determined in a final decision to be payable, less any portion previously paid, should be promptly paid to the supplier without prejudice to either party in the event of appeal or action on the claim. In the absence of appeal by the Postal Service, a board or court decision favorable in whole or in part to the supplier must be implemented promptly. In cases when only the question of entitlement has been decided and the matter of amount has been remanded to the parties for negotiation, a final decision of the contracting officer must be issued if agreement is not reached promptly.

### § 601.111 Interest on claim amounts.

Interest on the amount found due on the supplier’s claim must be paid from the date the contracting officer received the claim (properly certified, if required) or from the date payment would otherwise be due, if that date is
§ 601.112 Later, until the date of payment. Simple interest will be paid at the rate established by the Secretary of the Treasury for each 6-month period in which the claim is pending. Information on the rate at which interest is payable is announced periodically in the Postal Bulletin.

§ 601.112 Review of adverse decisions.
Any party may seek review of an adverse decision of the Board of Contract Appeals in the Court of Appeals for the Federal Circuit or in any other appropriate forum.

§ 601.113 Suspension, debarment, and ineligibility.
(a) General. Except as provided otherwise in this part, contracting officers may not solicit proposals from, award contracts to, or, when a contract provides for such consent, consent to subcontract with suspended, debarred, or ineligible suppliers.

(b) Definitions.—(1) Affiliate. A business, organization, person, or individual connected by the fact that one controls or has the power to control the other or by the fact that a third party controls or has the power to control both. Indications of control include, but are not limited to, interlocking management or ownership, identity of interests among family members, shared facilities and equipment, contractual relationships, common use of employees, or a business entity organized following the suspension, debarment, or proposed debarment of a supplier which has the same or similar management, ownership, or principal employees as the supplier that was suspended, debarred, or proposed for debarment. Franchise agreements are not conclusive evidence of affiliation if the franchisee has a right to profit in proportion to its ownership and bears the risk of loss or failure.

(2) Debarment. An exclusion from contracting and subcontracting for a reasonable period of time due to specified reasons or the pendency of a debarment proceeding.

(3) Supplier. For the purposes of this part, a supplier is any individual, person, or other legal entity that:

(i) Directly or indirectly (e.g., through an affiliate) submits offers for, is awarded, or reasonably may be expected to submit offers for or be awarded, a Postal Service contract, including a contract for carriage under Postal Service or commercial bills of lading, or a subcontract under a Postal Service contract; or

(ii) Conducts business or reasonably may be expected to conduct business with the Postal Service as a subcontractor, an agent, or as a representative of another supplier.

(c) Suspension, debarment, and ineligible list. (1) The Postal Service uses the General Services Administration’s System for Award Management (SAM) to determine if suppliers are suspended, debarred, or declared ineligible by Federal agencies or the Government Accountability Office. SAM is accessible by the public on GSA’s Web site at https://www.sam.gov.

(2) SAM maintains a consolidated database of all persons and entities suspended, debarred, proposed for debarment, or declared ineligible by Federal agencies or the Government Accountability Office. SAM is accessible by the public on GSA’s Web site at https://www.sam.gov.

(3) Through a representative, the vice president, Supply Management will use the SAM Exclusions database to report Postal Service suspensions, debarments
§ 601.113

and proposed debarment decisions; including changes in the status of suppliers and any of their affiliates. Inquiries concerning listed suppliers should be directed to the agency or other authority that took the action.

(d) Treatment of suppliers included in the SAM Exclusions database. (1) Contracting officers will review the SAM Exclusions database before making a contract award.

(2) Suppliers included in the SAM Exclusions database are excluded from receiving contracts and subcontracts, and contracting officers may not solicit proposals or quotations from, award contracts to, or, when a contract provides for such consent, consent to subcontracts with such suppliers, unless the vice president, Supply Management, or his or her designee, after consultation with the General Counsel, has approved such action.

(3) Suppliers included in the SAM Exclusions database may not provide goods or services to other persons or entities for resale, in whole or part, to the Postal Service and such other persons or entities are obligated to review the consolidated GSA list in order to exclude suppliers suspended or debarred by the Postal Service from performing any part of a Postal Service contract.

(4) The suspension, debarment, or ineligibility of a supplier does not, of itself, affect the rights and obligations of the parties to any valid, pre-existing contract. The Postal Service may terminate for default a contract with a supplier that is suspended, debarred, or determined to be ineligible. Contracting officers may not add new work to any contract with a supplier that is suspended, debarred, or determined to be ineligible by supplemental agreement, by exercise of an option, or otherwise (unless the work is classified as an insignificant or significant minor service change to a mail transportation contract), except with the approval of the vice president, Supply Management, or designee after consultation with the General Counsel.

(e) Causes for suspension. (1) The vice president, Supply Management, may suspend any supplier, including any of its affiliates, for causes such as the following:

(i) If the supplier commits, is indicted for, or is convicted of fraud or a criminal offense incidental to obtaining, attempting to obtain, or performing a government contract, violates a Federal antitrust statute arising out of the submission of bids and proposals, or commits or engages in embezzlement, theft, forgery, bribery, falsification or destruction of records, or receipt of stolen property, or any other offense indicating a lack of business integrity or business honesty;

(ii) For any other cause of such serious and compelling nature that suspension is warranted; or

(iii) If the Postal Service has notified a supplier of its proposed debarment under this part.

(f) Period of suspension. A suspension will not exceed one year in duration, except a suspension may be extended for reasonable periods of time beyond one year by the vice president, Supply Management. The termination of a suspension will not prejudice the Postal Service’s position in any debarment proceeding. A suspension will be superseded by a decision rendered by the vice president, Supply Management, under paragraph (k)(5) of this section.

(g) Procedural requirements for suspension. (1) The vice president, Supply Management will notify a supplier of a suspension or an extension of a suspension and the reason(s) for the suspension or extension in writing sent to the supplier by Certified Mail, return receipt requested, within ten days after the effective date of the suspension or extension. A copy of the notice will be furnished to the Office of the Inspector General.

(2) The notice will state the cause(s) for the suspension or extension.

(3) Within thirty days of notice of suspension or an extension, a supplier may submit to the vice president, Supply Management, in writing, any information or reason(s) the supplier believes makes a suspension or an extension inappropriate, and the vice president, Supply Management, in consultation with the General Counsel, will consider the supplier’s submission, and, in their discretion, may revoke a suspension or an extension of a suspension. If a suspension or extension is revoked, the revocation will be in writing.
and a copy of the revocation will be sent to the supplier by Certified Mail, return receipt requested. A copy of the revocation will be furnished to the Office of the Inspector General.

(h) Causes for debarment. (1) The vice president, Supply Management, with the concurrence of the General Counsel, may debar a supplier, including its affiliates, for cause such as the following:

(i) Conviction of a criminal offense incidental to obtaining or attempting to obtain contracts or subcontracts, or in the performance of a contract or subcontract.

(ii) Conviction under a Federal antitrust statute arising out of the submission of bids or proposals.

(iii) Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property.

(iv) Violation of a Postal Service contract so serious as to justify debarment, such as willful failure to perform a Postal Service contract in accordance with the specifications or within the time limit(s) provided in the contract; a record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more Postal Service contracts occurring within a reasonable period of time preceding the determination to debar (except that failure to perform or unsatisfactory performance caused by acts beyond the control of the supplier may not be considered a basis for debarment); violation of a contractual provision against contingent fees; or acceptance of a contingent fee paid in violation of a contractual provision against contingent fees.

(v) Any other offense indicating a lack of business integrity or business honesty.

(vi) Any other cause of a serious and compelling nature that debarment is warranted.

(2) The existence of a conviction in paragraph (h)(1)(i) or (ii) of this section can be established by proof of a conviction in a court of competent jurisdiction. If an appeal taken from such conviction results in a reversal of the conviction, the debarment may be removed upon the request of the supplier, unless another cause or another basis for debarment exists.

(3) The existence of any of the other causes in paragraphs (h)(1)(iii), (iv), (v), or (vi) of this section can be established by a preponderance of the evidence, either direct or indirect, in the judgment of the vice president of Supply Management.

(4) The criminal, fraudulent, or improper conduct of an individual may be imputed to the firm with which he or she is or has been connected when an impropriety was committed. Likewise, when a firm is involved in criminal, fraudulent, or other improper conduct, any person who participated in, knew of, or had reason to know of the impropriety may be debarred.

(5) The criminal, fraudulent, or other improper conduct of one supplier participating in a joint venture or similar arrangement may be imputed to other participating suppliers if the conduct occurred for or on behalf of the joint venture or similar arrangement, or with the knowledge, approval, or acquiescence of the supplier. Acceptance of the benefits derived from the conduct will be evidence of such knowledge, approval, or acquiescence.

(i) Mitigating factors. (1) The existence of any cause for debarment does not necessarily require that a supplier be debarred. The decision to debar is within the discretion of the vice president, Supply Management, with the concurrence of the General Counsel, and must be made in the best interest of the Postal Service. The following factors may be assessed in determining the seriousness of the offense, failure, or inadequacy of performance, and may be taken into account in deciding whether debarment is warranted:

(i) Whether the supplier had established written standards of conduct and had published internal control systems at the time of the activity that constitutes cause for debarment or had adopted such procedures prior to any Postal Service investigation of the activity cited as a cause for debarment.

(ii) Whether the supplier brought the activity cited as a cause for debarment to the attention of the Postal Service in a prompt, timely manner.
(iii) Whether the supplier promptly and fully investigated the circumstances involving debarment and, if so, made the full results of the investigation available to appropriate officials of the Postal Service.

(iv) Whether the supplier cooperated fully with the Postal Service during its investigation into the matter.

(v) Whether the supplier paid or agreed to pay all criminal, civil and administrative liability, and other costs arising out of the improper activity, including any investigative or administrative costs incurred by the Postal Service, and made or agreed to make full restitution.

(vi) Whether the supplier took appropriate disciplinary action against the individual(s) responsible for the activity that could cause debarment.

(vii) Whether the supplier implemented and/or agreed to implement remedial measures, including those identified by the Postal Service.

(viii) Whether the supplier had adequate time to eliminate circumstances within the supplier’s organization that could lead to debarment.

(ix) Whether the supplier’s senior officers and mid-level management recognize and understand the seriousness of the misconduct giving rise to debarment.

(x) Whether the supplier’s senior officers and mid-level management recognize and understand the seriousness of the misconduct giving rise to debarment.

(2) The existence or nonexistence of mitigating factors or remedial measures such as those above is not determinative whether or not a supplier should be debarred. If a cause for debarment exists, the supplier has the burden of demonstrating, to the satisfaction of the vice president, Supply Management that debarment is not warranted or necessary.

(j) *Period of debarment.* (1) When an applicable statute, executive order, or controlling regulation of another agency, debarment may be removed or the period may be reduced by the vice president, Supply Management when requested by the debarred supplier and when the request is supported by a reasonable justification, such as newly discovered material evidence, reversal of a conviction, bona fide change of ownership or management, or the elimination of the causes for which debarment was imposed. The vice president, Supply Management may, at his or her discretion, deny any request or refer it to the Judicial Officer for a hearing and findings of fact, which the vice president, Supply Management will consider when deciding the matter. When a debarment is removed or the debarment period is reduced, the vice president, Supply Management must state in writing the reason(s) for the removal of the debarment or the reduction of the period of debarment.

(k) *Procedural requirements for debarment.* (1) After securing the concurrence of the General Counsel, the vice president, Supply Management will initiate a debarment proceeding by sending the supplier a written notice of proposed debarment. The notice will be served by sending it to the last known address of the supplier by Certified Mail, return receipt requested. A copy of the notice will be furnished to the Office of Inspector General. The notice will state that debarment is being considered; the reason(s) for the proposed debarment; the anticipated period of debarment and the proposed effective date; and that, within thirty days of the notice, the supplier, individually or through a representative, may submit in person or in writing information and argument in opposition to the proposed debarment. In the event a supplier does not submit information or argument in opposition to the proposed debarment, the period of debarment should not exceed three years. When debarment for an additional period is deemed necessary, notice of the proposed additional period of debarment must be furnished to the supplier as in the case of original debarment.
to the vice president, Supply Management within the time allowed, the debarment will become final with no further review or appeal.

(2) If the proposed debarment is based on a conviction or civil judgment, the vice president, Supply Management, with the concurrence of the General Counsel, may decide whether debarment is merited based on the conviction or judgment, including any information received from the supplier. If the debarment is based on other circumstances or if there are questions regarding material facts, the vice president, Supply Management may seek additional information from the supplier and/or other persons, and may request the Judicial Officer to hold a fact-finding hearing on such matters. The hearing will be governed by rules of procedure promulgated by the Judicial Officer. The vice president, Supply Management may reject any findings of fact, in whole or in part, when they are clearly erroneous.

(3) Questions of fact to be resolved by a hearing before the Judicial Officer will be based on the preponderance of the evidence.

(4) After consideration of the circumstances and any information and argument submitted by the supplier, the vice president, Supply Management, with the concurrence of the General Counsel, will issue a written decision regarding whether the supplier is debarred, and, if so, for the period of debarment. The decision will be mailed to the supplier by Certified Mail, return receipt requested. A copy of the decision will be furnished to the Office of the Inspector General. The decision will be final and binding, unless the decision was procured by fraud or other criminal misconduct, or the decision was obtained in violation of the regulations contained in this part or an applicable public law enacted by Congress.

otherwise noted.

§ 761.1 Definition of terms.

In this part, unless the context oth-
ervise requires or indicates:
(a) Reserve Bank means the Federal
Reserve Bank of New York (and any
other Federal Reserve Bank which
agrees to issue Postal Service securi-
ties in book-entry form) as fiscal agent
of the United States acting on behalf of
the Postal Service and when indicated
acting in its individual capacity.
(b) Postal Service security means any

book-entry Postal Service security.
(c) Definitive Postal Service security

advances or to secure deposits of public
moneys or the performance of an obli-

(f) Date of call is the date fixed in the
authorizing resolution of the Board of
Governors of the Postal Service on
which the obligor will make payment
of the security before maturity in ac-
cordance with its terms.
(g) Member bank means any national
bank, State bank, or bank or trust
company which is a member of a Re-
solve bank.

§ 761.2 Authority of Reserve Banks.

Each Reserve Bank is hereby author-
ized, in accordance with the provisions
of this part, to (a) issue book-entry
Postal Service securities by means of
entries on its records which shall in-
clude the name of the depositor, the
amount, the loan title (or series) and
maturity date; (b) effect conversions
between book-entry Postal Service se-
curities and definitive Postal Service
securities; (c) otherwise service and
maintain book-entry Postal Service
securities; and (d) issue a confirmation of
transaction in the form of a written ad-
dvice (serially numbered or otherwise)
which specifies the amount and de-
scription of any securities; that is, loan
title (or series) and maturity date, sold
or transferred, and the date of the transaction.

§ 761.3 Scope and effect of book-entry procedure.

(a) A Reserve Bank as fiscal agent of the United States acting on behalf of the Postal Service may apply the book-entry procedure provided for in this part to any Postal Service securities which have been or are hereafter deposited for any purpose in accounts with it in its individual capacity under terms and conditions which indicate that the Reserve Bank will continue to maintain such deposit accounts in its individual capacity, notwithstanding application of the book-entry procedure to such securities. This paragraph is applicable, but not limited, to securities deposited:

(1) As collateral pledged to a Reserve Bank (in its individual capacity) for advances by it;
(2) By a member bank for its sole account;
(3) By a member bank held for the account of its customers;
(4) In connection with deposits in a member bank of funds of States, municipalities, or other political subdivisions;
(5) In connection with the performance of an obligation or duty under Federal, State, municipal, or local law, or judgments or decrees of courts.

The application of the book-entry procedure under this paragraph shall not derogate from or adversely affect the relationships that would otherwise exist between a Reserve Bank in its individual capacity and its depositors concerning any deposits under this paragraph. Whenever the book-entry procedure is applied to such Postal Service securities, the Reserve Bank is authorized to take all action necessary in respect of the book-entry procedure to enable such Reserve Bank in its individual capacity to perform its obligations as depository with respect to such Postal Service securities.

(b) A Reserve Bank as fiscal agent of the United States acting on behalf of the Postal Service may apply the book-entry procedure to Postal Service securities deposited as collateral pledged to the United States under Treasury Department Circulars Nos. 92 and 176, both as revised and amended, and may apply the book-entry procedure, with the approval of the Secretary of the Treasury, to any other Postal Service securities deposited with a Reserve Bank as fiscal agent of the United States.

(c) Any person having an interest in Postal Service securities which are deposited with a Reserve Bank (in either its individual capacity or as fiscal agent of the United States) for any purpose shall be deemed to have consented to their conversion to book-entry Postal Service securities pursuant to the provisions of this part, and in the manner and under the procedures prescribed by the Reserve Bank.

(d) No deposits shall be accepted under this section on or after the date of maturity or call of the securities.

§ 761.4 Transfer or pledge.

(a) A transfer or pledge of book-entry Postal Service securities to a Reserve bank (in its individual capacity or as fiscal agent of the United States) or to the United States, or to any transferee or pledgee eligible to maintain an appropriate book-entry account in its name with a Reserve Bank under this part, is effected and perfected, notwithstanding any provision of law to the contrary, by a Reserve Bank making an appropriate entry in its records of the securities transferred or pledged. The making of such an entry in the records of a Reserve Bank shall (1) have the effect of a delivery in bearer form of definitive Postal Service securities; (2) have the effect of a taking of delivery by the transferee or pledgee; (3) constitute the transferee or pledgee a holder; and (4) if a pledge, effect a perfected security interest therein in favor of the pledgee. A transfer or pledge of book-entry Postal Service securities effected under this paragraph shall have priority over any transfer, pledge, or other interest, theretofore or thereafter effected or perfected under any other manner.

(b) A transfer or a pledge of transferable Postal Service securities, or any interest therein, which is maintained by a Reserve bank (in its individual capacity or as fiscal agent of the United States) in a book-entry account under
this part, including securities in book-entry form under §761.3(a)(3), is effected, and a pledge is perfected, by any means that would be effective under applicable law to effect a transfer or to effect and perfect a pledge of the Postal Service securities, or any interest therein, if the securities were maintained by the Reserve bank in bearer definitive form. For purposes of transfer or pledge hereunder, book-entry Postal Service securities maintained by a Reserve bank shall, notwithstanding any provision of law to the contrary, be deemed to be maintained in bearer definitive form. A Reserve bank maintaining book-entry Postal Service securities either in its individual capacity or as fiscal agent of the United States is not a bailee for purposes of notification of pledges of those securities under this paragraph, or a third person in possession for purposes of acknowledgment of transfers thereof under this paragraph. Where transferable Postal Service securities are recorded on the books of a depository (a bank, banking institution, financial firm, or similar party, which regularly accepts in the course of its business Postal Service securities as a custodial service for customers, and maintains accounts in the names of such customers reflecting ownership of or interest in such securities) for account of the pledgor or transferee thereof and such securities are on deposit with a Reserve bank in a book-entry account hereunder, such depository shall, for purposes of perfecting a pledge of such securities or effecting delivery of such securities to a purchaser under applicable provisions of law, be the bailee to which notification of the pledge of the securities may be given or the third person in possession from which acknowledgment of the holding of the securities for the purchaser may be obtained. A Reserve bank will not accept notice or advice of a transfer or pledge effected or perfected under this paragraph, and any such notice or advice shall have no effect. A Reserve bank may continue to deal with its depositor in accordance with the provisions of this part, notwithstanding any transfer or pledge effected or perfected under this paragraph.

(c) No filing or recording with a public recording office or officer shall be necessary or effective with respect to any transfer or pledge of book-entry Postal Service securities or any interest therein.

(d) A Reserve Bank shall, upon receipt of appropriate instructions, convert book-entry Postal Service securities into definitive Postal Service securities and deliver them in accordance with such instructions; no such conversion shall affect existing interests in such Postal Service securities.

(e) A transfer of book-entry Postal Service securities within a Reserve Bank shall be made in accordance with procedures established by the Bank not inconsistent with this part.

(f) All requests for transfer or withdrawal must be made prior to the maturity or date of call of the securities.

§ 761.6 Delivery of Postal Service securities.

(a) A depositor of book-entry Postal Service securities may withdraw them from a Reserve Bank by requesting delivery of like definitive Postal Service securities to itself or on its order to a transferee.

(b) Postal Service securities which are actually to be delivered upon withdrawal may be issued either in registered or in bearer form.
§ 761.17 Registered bonds and notes.

No formal assignment shall be required for the conversion to book-entry Postal Service securities of registered Postal Service securities held by a Reserve Bank (in either its individual capacity or as fiscal agent of the United States) on the effective date of this part for any purpose specified in §761.3(a). Subpart A—General, Definitions, Issuance

§ 762.11 General.

The Postal Service, at its discretion, issues a specialized postal money order, designated a Disbursement Postal Money Order in payment of Postal Service obligations. Disbursement Postal Money Orders are distinguishable on their face from other postal money orders in the following ways:

(a) Disbursement Postal Money Orders have words of negotiability—“Pay to the order of”—printed on their face, while other postal money orders simply bear the words “Pay to” on their face;
§ 762.12 Definitions.
As used in part 762 of this chapter, the term:
(a) **Disbursement Postal Money Order** means a money order (described in Part 762) issued by the Postal Service to pay one of its own obligations.
(b) **Federal Reserve Bank** means a Federal Reserve Bank or branch thereof.
(c) **Financial organization** means any bank, savings bank, savings and loan association or similar institution, or Federal or State chartered credit union.
(d) **Person or persons** means an individual or individuals, or an organization or organizations, whether incorporated or not, including all forms of banking institutions.
(e) **Presenting Bank** means a bank or other depositor of a Federal Reserve Bank which presents Disbursement Postal Money Orders to and receives credit therefor from a Federal Reserve Bank.
(f) **Reclamation** means the action taken by the Postal Service to obtain refund of the amounts of paid Disbursement Postal Money Orders.
(g) **Postal Service** means the U.S. Postal Service.

§ 762.13 Issuance.
Disbursement Postal Money Orders are issued solely by Postal Data Centers and solely for the purpose of paying Postal Service obligations. Accordingly, Disbursement Postal Money Orders may be issued in lieu of U.S. Treasury checks.

§ 762.14 Amounts for which disbursement postal money orders may be issued.
Disbursement Postal Money Orders may be issued for any amount appropriate to pay Postal Service Obligations. There is no maximum amount above which a Disbursement Postal Money Order may not be issued.

§ 762.15 Postal Service payments not made by disbursement postal money order.
Postal Service payments not made by Disbursement Postal Money Order are made by cash, U.S. Treasury Check, or by regular postal money order, and may be made by electronic funds transfer.

Subpart B—Endorsements, Payment, Guaranties, Warranties and Processing of Disbursement Postal Money Orders

§ 762.21 Scope.
The regulations in this subpart prescribe the requirements for endorsement and the conditions for payment of Disbursement Postal Money Orders drawn by the Postal Service.

§ 762.22 Definitions.
For definitions applicable to this subpart see § 762.12 of this chapter.

§ 762.23 General rules.
All Disbursement Postal Money Orders drawn by the Postal Service are payable without limitation of time. The Postal Service shall have the usual right of a drawee to examine Disbursement Postal Money Orders presented for payment and refuse payment of any Disbursement Postal Money Orders, and shall have a reasonable time to make such examination. Disbursement Postal Money Orders shall be deemed to be paid by the Postal Service only after first examination has been fully completed. If the Postal Service is on notice of a doubtful question of law or fact when a Disbursement Postal Money Order is presented for payment, payment will be deferred pending settlement by the Postal Service.

§ 762.24 Guaranty of endorsements.
The presenting bank and the endorsers of a Disbursement Postal Money Order presented to the Postal Service for payment shall be deemed to guarantee to the Postal Service that all
prior endorsements are genuine, whether or not an express guaranty is placed on the Disbursement Postal Money Order. When the first endorsement has been made by one other than the payee personally, the presenting bank and the endorsers shall be deemed to guarantee to the Postal Service, in addition to other warranties, that the person who so endorsed had unqualified capacity and authority to endorse the Disbursement Postal Money Order on behalf of the payee.

§ 762.25 Reclamation of amounts of paid disbursement postal money orders.

The Postal Service shall have the right to demand refund from the presenting bank of the amount of a paid Disbursement Postal Money Order if after payment the Disbursement Postal Money Order is found to bear a forged or unauthorized endorsement, or an endorsement by another for a deceased payee where the right to the proceeds of such Disbursement Postal Money Orders terminated upon the death of the payee, or to contain any other material defect or alteration which was not discovered upon first examination. If refund is not made, the Postal Service shall take such action against the proper parties as may be necessary to protect its interests.

§ 762.26 Postal facilities not to cash disbursement postal money orders.

Post offices and other postal facilities shall not be expected to cash Disbursement Postal Money Orders or to return cash for endorsed Disbursement Postal Money Orders offered in payment for postal service in amounts less than the value of a Disbursement Postal Money Order. However, properly endorsed Disbursement Postal Money Orders may be accepted as total or partial payment for postal services.

§ 762.27 Processing of disbursement postal money orders by Federal Reserve Banks.

In accordance with an agreement between the Postal Service and the Federal Reserve Banks as depositaries and fiscal agents of the United States, Federal Reserve Banks will handle Disbursement Postal Money Orders as follows:

(a) Federal Reserve Banks shall not be expected to cash Disbursement Postal Money Orders presented directly to them for payment; and

(b) Each Federal Reserve Bank shall:

1. Receive Disbursement Postal Money Orders from its member banks, and its other depositors which guarantee all prior endorsements thereon;

2. Give immediate credit therefor in accordance with its current Time Schedules and charge the amount thereof to the general account of the U.S. Treasury, subject to examination and payment by the Postal Service; and

3. Forward the Disbursement Postal Money Orders to the Postal Service.

§ 762.28 Release of original disbursement postal money orders.

An original Disbursement Postal Money Order may be released to a responsible endorser only upon receipt of a properly authorized request showing the reason it is required.

§ 762.29 Endorsement of disbursement postal money orders by payees.

(a) General requirements. Disbursement Postal Money Orders shall be endorsed by the payee or the payees named, or by another on behalf of such payee or payees as set forth in this subpart B. The forms of endorsement shall conform to those recognized by general principles of law and commercial usage for the negotiation, transfer, or collection of negotiable instruments.

(b) Endorsement of disbursement postal money orders by a financial organization under the payee’s authorization. When a Disbursement Postal Money Order is credited by a financial organization to the payee’s account under his authorization, the financial organization may use an endorsement substantially as follows:

Credit to the account of the within-named payee in accordance with payee’s or payees’ instructions. Absence of endorsement guaranteed.

A financial organization using this form of endorsement shall be deemed to guarantee to all subsequent endorsers and to the Postal Service that it is
§ 762.30 Disbursement postal money orders issued to incompetent payees.

(a) If the Disbursement Postal Money Order is endorsed by a legal guardian or other fiduciary and presented for payment by a bank it will be paid by the Postal Service without submission to the Postal Service of documentary proof of authority of the guardian or other fiduciary.

(b) If a guardian has not been or will not be appointed, the Disbursement Postal Money Order shall be forwarded to the Money Order Division, Postal Data Center, P.O. Box 14963, St. Louis, MO 63182, with a full explanation of the circumstances.

§ 762.31 Disbursement postal money orders issued to deceased payees.

(a) If the Disbursement Postal Money Order is endorsed by an Executor or Administrator and presented for payment by a bank it will be paid by the Postal Service without submission to the Postal Service of documentary proof of the authority of the Executor or Administrator.

(b) If an Executor or Administrator has not been appointed or if there is doubt as to whether the proceeds of the Disbursement Postal Money Order pass to the estate of the deceased payee, the instrument should be returned to the Money Order Division, Postal Data Center, P.O. Box 14963, St. Louis, MO 63182, for determination whether, under applicable laws, payment is due, and for reissuance to the appropriate payee.

Subpart C—Issuance of Substitutes for Lost, Destroyed, Mutilated, and Defaced Disbursement Postal Money Orders

§ 762.41 Advice of non-receipt or loss, destruction, or mutilation.

(a) In the event of the non-receipt, loss, or destruction of a Disbursement Postal Money Order, or the mutilation or defacement of a Disbursement Postal Money Order to an extent which renders it non-negotiable, the owner should immediately contact the Money Order Division, Postal Data Center, P.O. Box 14963, St. Louis, MO 63182, describing the Disbursement Postal Money Order, stating the purpose for which it was issued, giving, if possible, its date, number, and amount, and requesting that payment be stopped. In cases involving mutilated or defaced Disbursement Postal Money Orders the owner should enclose the mutilated or defaced item with his communication.

(b) If the Disbursement Postal Money Order, which is the basis of the owner’s claim, is determined to be outstanding, the Money Order Division shall furnish the claimant an appropriate application form for obtaining a substitute Disbursement Postal Money Order. However, the execution of an application shall not be required in the event the original written statement submitted by the claimant substantially meets the requirements of the prescribed application form.

§ 762.42 Request for substitute disbursement postal money orders; requirements for undertaking of indemnity.

In the case of a request for a substitute Disbursement Postal Money Order:

(a) An undertaking of indemnity in penal sum equal to the amount of the Disbursement Postal Money Order shall, unless otherwise provided in this section, be executed by the claimant, as may be required by the Postal Service, and submitted to the Money Order Division.

(b) Unless the Postal Service determines that an undertaking of indemnity is essential in the public interest, no undertaking of indemnity shall be submitted. 

222
United States Postal Service § 762.45

required in the following classes of cases:

(1) If the Postal Service is satisfied that the loss, theft, destruction, mutilation or defacement occurred without fault of the owner or holder, and while the Disbursement Postal Money Order was in the custody or control of the Postal Service;

(2) If substantially the entire Disbursement Postal Money Order is presented and surrendered by the owner or holder and the Postal Service is satisfied as to the identity of the Disbursement Postal Money Order presented and that any missing portions are not sufficient to form the basis of a valid claim against the Postal Service;

(3) If the Postal Service is satisfied that the original Disbursement Postal Money Order is not negotiable and cannot be made the basis of a valid claim against the Postal Service; or

(4) If the amount of the Disbursement Postal Money Order is not more than $200.

§ 762.43 Issuance of substitute disbursement postal money order.

Upon approval of the undertaking of indemnity, application, or statement of claim, the Money Order Division shall issue to the claimant a substitute Disbursement Postal Money Order showing such information as may be necessary to identify the original instrument.

§ 762.44 Receipt or recovery of original disbursement postal money order.

(a) If the original Disbursement Postal Money Order is received or recovered by the owner after he has requested the Postal Service to stop payment on the original but before a substitute has been received, he should immediately advise the Money Order Division and hold such original Disbursement Postal Money Order until receipt of instructions with respect to its negotiability.

(b) If the original Disbursement Postal Money Order is received by the owner after a substitute has been received by him, the original shall not be cashed, but shall be immediately forwarded to the Money Order Division. Under no circumstances shall both the original and substitute be cashed.

§ 762.45 Removal of stoppage of payment.

Requests for removal of stoppage of payment shall be addressed to the Money Order Division. No request for removal of stoppage of payment shall be accepted after issuance of a substitute Disbursement Postal Money Order has been approved.

(a) Actions which normally require an environment impact statement. None, however the Postal Service will prepare an EIS when necessary based on the factors identified in 40 CFR 1508.27.

(b) Actions requiring an environmental assessment. Classes of actions that will require an environmental assessment unless categorically excluded include:

1. Any project that includes the conversion, purchase, or any other alteration of the fuel source for 25 percent or more of USPS vehicles operating with fuel other than diesel or gasoline in any carbon monoxide or ozone non-attainment area;

2. Any action that would adversely affect a federally listed threatened or endangered species or its habitat;

3. Any action that would directly affect public health;

4. Any action that would require development within park lands, or be located in close proximity to a wild or scenic river or other ecologically critical area;

5. Any action affecting the quality of the physical environment that would be scientifically highly controversial;

6. Any action that may have highly uncertain or unknown risks on the human environment;

11. Postal facility function changes involving new uses of greater environmental intensity;

12. Reduction in force involving more than 1000 positions;

13. Relocation of 300 or more employees more than 50 miles;

§ 775.6 Categorical exclusions.

(a) The classes of actions in this section are those that the Postal Service has determined do not individually or cumulatively have a significant impact on the human environment. To be categorically excluded, it must be determined that a proposed action fits within a class listed and there are no extraordinary circumstances that may affect the significance of the proposal. The action must not be connected to other actions with potentially significant impacts or is not related to other proposed actions with potentially significant impacts. Extraordinary circumstances are those unique situations presented by specific proposals, such as scientific controversy about the environmental impacts of the proposal, uncertain effects or effects involving unique or unknown risks.

(b) Categorical exclusions relating to general agency actions:

1. Policy development, planning and implementation that relate to routine activities such as personnel, organizational changes or similar administrative functions.

2. Routine actions, including the management of programs or activities necessary to support the normal conduct of agency business, such as administrative, financial, operational and personnel action that involve no commitment of resources other than manpower and funding allocations.

3. Award of contracts for technical support services, management and operation of a government owned facility, and personal services.

4. Research activities and studies and routine data collection when such actions are clearly limited in context and intensity.

5. Educational and informational programs and activities.
(6) Reduction in force resulting from workload adjustments, reduced personnel or funding levels, skill imbalances or other similar causes that do not affect more than 1,000 positions.

(7) Postal rate or mail classification actions, address information system changes, post office name and zip code changes.

(8) Property protection, law enforcement and other legal activities undertaken by the Postal Inspection Service, the Law Department, the Judicial Officer, and the Inspector General.

(12) Procurement or disposal of mail handling or transport equipment.

(13) Acquisition, installation, operation, removal or disposal of communication systems, computers and data processing equipment.

(14) Postal facility function changes not involving construction where there are no substantial relocation of employees, or no substantial increase in the number of motor vehicles at a facility.

(15) Closure or consolidation of post offices under 39 U.S.C. 404(d).

(16) Minor operational changes at an existing facility to minimize waste generation and for reuse of materials. These changes include but are not limited to, adding filtration and recycling systems to allow reuse of vehicle or machine oil, setting up sorting areas to improve process efficiency, and segregating waste streams previously mingled and assigning new identification codes to the two resulting streams.

(17) Actions which have an insignificant effect upon the environment as established in a previously written Environmental Assessment (EA) and Finding of No Significant Impact (FONSI) or Environmental Impact Statement (EIS). Such repetitive actions shall be considered “reference actions” and a record of all decisions concerning these “reference actions” shall be maintained by the Chief Environmental Officer or designee. The proposed action must be essentially the same in context and the same or less in intensity or create fewer impacts than the “reference action” previously studied under an EA or EIS in order to qualify for this exclusion.

(2) Testing associated with environmental cleanups or site investigations.

(d) Categorical exclusions relating to maintenance or repair actions at existing facilities:

(1) Siting, construction or operation of temporary support buildings or support structures.

(2) Routine maintenance and minor activities, such as fencing, that occur in floodplains or state and local wetlands or pursuant to the nationwide, regional or general permitting process of the US Army Corps of Engineers.

(3) Routine actions normally conducted to protect and maintain properties and which do not alter the configuration of the building.

(4) Changes in configuration of buildings required to promote handicapped accessibility pursuant to the Architectural Barriers Act.

(5) Repair to, or replacement in kind or equivalent of building equipment or components (e.g., electrical distribution, HVAC systems, doors, windows, roofs, etc.).
§ 775.8 Environmental evaluation guidelines.

(a) Approach. When dealing with proposals which may have an impact on the human environment, environmental coordinators, planners, decision makers, and other officials responsible for actions, will, as appropriate:

(6) Internal modifications or improvements to structure, or buildings to accommodate mail processing, computer, communication or other similar types of equipment or other actions which do not involve modification to the external walls of the facility.

(7) Joint development and/or joint use projects that only involve internal modifications to an existing facility.

(8) Noise abatement measures, such as construction of noise barriers and installation of noise control materials.

(9) Actions which require concurrence approval of another federal agency where the action is a categorical exclusion under the NEPA regulations of that federal agency.

(e) Categorical exclusions relating to real estate actions.

(4) Acquisition or disposal of existing facilities and real property where the planned uses do not differ significantly from past uses of the site.

(5) Acquisition of real property not connected to specific facility plans or when necessary to protect the interests of the Postal Service in advance of final project approval. This categorical exclusion only applies to the acquisition. Any subsequent use of the site for a facility project must be considered under this part.

(6) Disposal through sale or outlease of unimproved real property.

(7) Disposal through sale, outlease, transfer or exchange of real property to other federal or state agencies.

(8) Disposal of properties where the size, area, topography, and zoning are similar to existing surrounding properties and/or where current and reasonable anticipated uses are or would be similar to current surrounding uses (e.g., commercial store in a commercial strip, warehouse in an urban complex, office building in downtown area, row house or vacant lot in an urban area).

(9) Acquisition and disposal through sale, lease, transfer, reservation or exchange of real property for nature and habitat preservation, conservation, a park or wildlife management.

(10) New construction, Postal Service owned or leased, or joint development and joint use projects, of any facility unless the proposed action is listed as requiring an EA in §775.5.

(11) Expansion or improvement of an existing facility where the expansion is within the boundaries of the site or occurs in a previously developed area unless the proposed action is listed as requiring an EA in §775.5.

(12) Construction and disturbance pursuant to a nationwide, regional or general permit issued by the US Army Corps of Engineers.

(13) Any activity in floodplains being regulated pursuant to §775.6 and is not listed as requiring an EA in §775.5.

§ 775.7 Planning and early coordination.

Early planning and coordination among postal functional groups is required to properly consider environmental issues that may be attributable to the proposed action. Operational and facility personnel must cooperate in the early concept stages of a program or project. If it is determined that more than one postal organization will be involved in any action, a lead organization will be selected to complete the NEPA process before any NEPA documents are prepared. If it is determined that a project has both real estate and non-real estate actions, the facilities functional organization will take the lead.

[63 FR 45721, Aug. 27, 1998]
(1) Use a systematic approach that integrates natural and social sciences and environmental design in planning and making decisions.

(2) Identify environmental effects and values in detail, and appraise them in conjunction with economic and technical analyses.

(3) Consider environmental documents at all decision points at which other planning documents are considered. (Plans and decisions are to reflect environmental values. Proposed actions should be assessed as soon as their effects can be meaningfully evaluated, to provide the bases for early decision on whether detailed environmental impact statements must be prepared.)

(4) Study, develop, describe, and evaluate at all decision points, reasonable alternatives to recommended actions which may have a significant effect on the environment.

(b) Proposal requirements. When an environmental impact statement has been prepared, it must accompany the proposal through and be used in the decision-making process. Any other proposal must refer to applicable environmental documents (e.g., determination of categorical exclusion; finding of no significant impact; notice of intent to prepare an impact statement), and relevant comments and responses.

(c) Lead agency arrangements. If the Postal Service and another Federal agency become involved in a lead agency arrangement for the preparation of an environmental impact statement, the Service will cooperate fully.

[44 FR 63525, Nov. 5, 1979. Redesignated at 63 FR 45719, Aug. 27, 1998]

§775.9 Environmental evaluation process.

(a) All actions—(1) Assessment of actions. An environmental checklist may be used to support a record of environmental consideration as the determination that the proposed action does not require an environmental assessment. An environmental assessment must be prepared for each proposed action except that an assessment need not be made if a determination is made that:

(i) The action is one of a class listed in §775.6, Categorical Exclusions, and

(ii) The action is not affected by extraordinary circumstances which may cause it to have a significant environmental effect, or

(iii) The action is a type that is not a major federal action with a significant impact upon the environment.

(2) Findings of no significant impact. If an environmental assessment indicates that there is no significant impact of a proposed action on the environment, an environmental impact statement is not required. A "finding of no significant impact" (FONSI) is prepared and published in accordance with §775.13. When the proposed action is approved, it may be accomplished without further environmental consideration. A FONSI document briefly presents the reasons why an action will not have a significant effect on the human environment and states that an environmental impact statement will not be prepared. It must refer to the environmental assessment and any other environmentally pertinent documents related to it. The assessment may be included in the finding if it is short, in which case the discussion in the assessment need not be repeated in the finding. The FONSI may be a mitigated FONSI in which case the required mitigation factors should be listed in the FONSI. The use of a mitigated FONSI is conditioned upon the implementation of the identified mitigation measures in the EA that support the FONSI. Unless the mitigation measures are implemented by the responsible official, the use of an EA in lieu of an EIS is not acceptable.

(3) Impact statement preparation decision and notices. If an environmental assessment indicates that a proposed major action would have a significant impact on the environment, a notice of intent to prepare an impact statement is published (see §775.13) and an environmental impact statement is prepared.

(4) Role of impact statement in decision making. An environmental impact statement is used, with other analyses and materials, to decide which alternative should be pursued, or whether a proposed action should be abandoned or other courses of action pursued. See §775.12 for restrictions on the timing of this decision.
(5) **Record of decision.** For actions requiring environmental impact statements, a concise public record of decision is prepared when a decision, or a proposal for legislation, is made. The record, which may be integrated into any other record, or notice, including that required by Postal Service regulations and procedures governing intergovernmental review of Postal Service facility project actions, must:

(i) State what the decision was.

(ii) Identify all alternatives considered in reaching a decision, specifying alternatives considered to be environmentally preferable; identify and discuss all significant factors, including any essential considerations of national policy, which were weighed in making the decision and state how those considerations entered into the decision.

(iii) State whether all practicable means to avoid or minimize environmental harm from the alternative selected have been or will be adopted, and if not, why not.

(6) **Actions prohibited prior to issuance of record of decision.** Until a record of decision is issued, no action may be taken on a proposal on which an environmental impact statement is made if the action would:

(i) Have an adverse environmental impact, or

(ii) Limit the choice of reasonable alternatives.

(7) **Mitigation measures.** Practicable mitigation measures identified in an environmental assessment must be implemented. Mitigation measures described in an environmental impact statement and accepted in a decision must be implemented. Upon request, the Postal Service informs federal, state, and local agencies and the public of the progress in carrying out adopted mitigation measures.

(b) **Additional requirements for facility actions.** (1) The environmental assessment of any action which involves the construction or acquisition of a new mail processing facility must include reasonable alternatives to the proposed action and not just consideration of contending sites for a facility. This process must be started early in the planning of the action. An environmental assessment report, however, is not required until the contending project sites have been determined. The information contained in the environmental assessment report must be used, together with other site planning information, in the selection of the final site.

(2) When an environmental assessment indicates that an environmental impact statement may be needed for a proposed facility action, the responsible officer will make the decision whether to prepare an environmental impact statement for presentation to the Capital Investment Committee, and to the Board of Governors if the Board considers the proposal.

(3) If an environmental impact statement is presented to the Committee or the Board, and an analysis indicates that it would be more cost-effective to proceed immediately with continued control of sites, (including advance acquisition, if necessary, and where authorized by postal procedures), environmental impact statement preparation, and project designs, a budgetary request will include authorization of funds to permit:

(i) The preparation of an impact statement encompassing all reasonable alternatives and site alternatives,

(ii) The continued control of specified competing sites (including advance acquisition, if necessary, and where authorized by postal procedures), chosen to preserve environmental or other options, and

(iii) The development of limited designs of facilities for each competing site.

(4) A completed environmental impact statement will be presented to the Capital Investment Committee, and to the Board of Governors if the Board considers the proposal, for use in deciding whether a proposed project should proceed, be restudied, or be abandoned. If the decision is to proceed with a proposed project, the Committee, or the Board if it considers the proposal, decides which alternative site is to be
§ 775.10 Environmental assessments.

(a) An environmental assessment must contain:

(1) A summary of major considerations and conclusions,

(2) A description of the proposed action,

(3) For each reasonable alternative, a description of the affected environment, the environmental consequences, the mitigation measures, if any, and a comparison to all alternatives considered.

(4) A list of applicable environmental permits necessary to complete the proposed action.

(b) Those preparing an environmental assessment must solicit information and views from Federal, State, and local agencies and, where there is a substantial likelihood of significant effects on the environment, the public. All responsible views and information must be considered.

§ 775.11 Environmental impact statements.

(a) Determining scope. Before an environmental impact statement is prepared, the following procedures must be followed to determine what issues are to be addressed and in what depth:

(1) Affected Federal, State, and local agencies and other interested persons are invited to participate by furnishing written views and information, or at a hearing if appropriate. Notice is given in accordance with §775.13.

(2) The significance of issues to be analyzed in depth in the environmental impact statement is determined through consideration of:

(i) Actions which are closely related, or similar, or have cumulative significant impacts.

(ii) Alternatives, which must include the ‘‘no action’’ alternative, other reasonable courses of action, and mitigation measures.

(iii) Impacts, which may be direct, indirect, or cumulative.

(3) Issues which are not significant are identified and eliminated.

(4) The determinations made must be revised if substantial changes are made later in the proposed action, or if significant new circumstances or information arise which bear on the proposal or its impacts.

(b) Preparation. (1) Except for proposals for legislation, environmental impact statements are prepared in two stages:

(i) Draft environmental impact statement, prepared in accordance with the scope decided upon under paragraph (a) of this section.

(ii) Final environmental impact statement, responding to comments on the draft statement and discussing and responding to any responsible opposing view which was not adequately discussed in the draft statement.

(2) Environmental impact statements must:

(i) Be analytic rather than encyclopedic.

(ii) Contain discussions of impacts in proportion to their significance. Insufficient impacts eliminated during the process under §775.11(a) to determine the scope of issues must be discussed only to the extent necessary to state why they will not be significant.

(iii) Be concise, and not longer than is necessary to comply with NEPA. They must not contain repeated statements of the same basic points.

(iv) Contain discussions of alternatives considered and of how alternatives chosen will meet the requirements of NEPA and other environmental laws and policies.

(v) Encompass the range of alternatives to be considered by the decision makers.

(vi) Serve to assess the environmental impact of proposed actions, rather than to justify decisions already made.

(3) The text of final environmental impact statements normally should be less than 150 pages. Statements on proposals of unusual scope or complexity normally should be less than 300 pages.

United States Postal Service § 775.11

(4) Staged or “tiered” environmental impact statements must not contain repetitive discussions of the same issues. Each document must state where each earlier document is available.

(5) Material may be incorporated into an environmental impact statement by reference only when the material is reasonably available for inspection by potentially interested persons within the time allowed for comment.

(6) If information relevant to reasonably foreseeable adverse impacts cannot be obtained because the overall cost of obtaining it is exorbitant or the means to obtain it are not known, the fact that such information is incomplete or unavailable must be stated clearly. In addition, the relevance of the incomplete or unavailable information to the evaluation of the impacts must be stated, and a summary of existing credible scientific evidence relevant to evaluation of the impacts must be included, as well as an evaluation of such impacts on the basis of theoretical approaches or generally accepted research methods. For purposes of this subsection, “reasonably foreseeable” includes impacts which have catastrophic consequences, even if their probability of occurrence is low, provided that the analysis of the impacts is supported by credible scientific evidence, is not based on pure conjecture, and is within the rule of reason.

(7) If a cost-benefit analysis relevant to the choice among environmentally different alternatives was prepared for the proposed action, it must be incorporated by reference or appended to the statement to aid in evaluating the environmental consequences. The relationship between the cost-benefit analysis and any analysis of unquantified environmental impacts, values, and amenities must be discussed.

(8) Methods used must be identified, and footnote references must be made to scientific and other sources relied on for conclusions. Analytical techniques may be incorporated in appendices.

(9) Permits, licenses, and other authorizations needed to implement a proposal must be listed in the draft environmental impact statement and the prospects for obtaining them must be assessed. Where there is uncertainty as to the need for an authorization it must be indicated.

(10) An environmental impact statement must contain a discussion of any inconsistency between the proposed action and any State or local law, ordinance, or approved plan; and must contain a description of the manner and extent to which the proposed action will be reconciled with the law, ordinance, or approved plan.

(11) Where State laws or local ordinances impose environmental impact statement requirements which are not in conflict with those in NEPA, an environmental impact statement made by the Postal Service should satisfy pertinent State and local requirements to the extent practicable.

(c) Format. The standard format for environmental statements is:

(1) Cover Sheet. The cover sheet, not to exceed one page, must include:

(i) A list of the responsible agencies including the lead agency and any cooperating agencies.

(ii) The title of the proposed action that is the subject of the statement (and if appropriate, the titles of related cooperating agency actions), together with any city, state, and county where the action is to take place.

(iii) The name, address, and telephone number of a person at the agency who can supply further information.

(iv) A designation of the document as a draft or final statement or a draft or final supplement.

(v) A one-paragraph abstract of the statement.

(vi) The date by which comments must be received.

(2) Summary. The section should compare and summarize the findings of the analyses of the affected environment, the environmental impacts, the environmental consequences, the alternatives, and the mitigation measures. The summary should sharply define the issues and provide a clear basis for choosing alternatives.

(3) Table of Contents.

(4) Proposed action. This section should clearly outline the need for the EIS and the purpose and description of the proposed action. The entire action
should be discussed, including connected and similar actions. A clear discussion of the action will assist in consideration of the alternatives.

(5) Alternatives and mitigation. This portion of the environmental impact statement is vitally important. Based on the analysis in the Affected Environment and Environmental Consequences section (see §775.11(c)(6)), the environmental impacts and the alternatives are presented in comparative form, thus sharply defining the issues and providing a clear basis for choosing alternatives. Those preparing the statement must:

(i) Explore and evaluate all reasonable alternatives, including the “no action” alternative, and briefly discuss the reasons for eliminating any alternatives.

(ii) Devote substantial treatment to each alternative considered in detail, including the proposed action, so that reviewers may evaluate their comparative merits.

(iii) Identify the preferred alternative or alternatives in the draft and final statements.

(iv) Describe appropriate mitigation measures not considered to be an integral part of the proposed action or alternatives. See §775.9(a)(7).

(6) Affected Environment and Environmental Consequences. For each reasonable alternative, each affected element of the environment must be described, followed immediately by an analysis of the impacts (environmental consequences). The analysis must include, among others, the following:

(i) Any adverse environmental effects which cannot be avoided should the action be implemented.

(ii) The relationship between short-term uses of the environment and the maintenance and enhancement of long-term productivity.

(iii) Any irreversible or irreplaceable commitments of resources should the action be implemented, and

(iv) Energy requirements and conservation; and natural, or depletable, resource requirements and conservation.

(7) List of Mitigation Measures.

(8) List of Preparers. List the names, together with the qualifications (expertise, professional disciplines), of persons who were primarily responsible for preparing the environmental impact statement or significant background papers.

(9) List of Agencies, Organizations and Persons to Whom Copies of the Statement Are Sent.

(10) Index.

(11) Appendices. Include comments on draft statement in final statement.

(d) Distribution. (1) Any completed draft environmental impact statement which is made the subject of a public hearing, must be made available to the public as provided in §775.12, of this chapter at least 15 days in advance of the hearing.

(2) Draft and final environmental impact statements must be filed with the Environmental Protection Agency. Five copies are filed with EPA’s headquarters addressed to the Office of Federal Activities (A–104), Environmental Protection Agency, 401 M Street SW., Washington, DC 20460; five copies are also filed with the responsible EPA region. Statements may not be filed with the EPA earlier than they are transmitted to commenting agencies and made available to the public.

(3) Copies of draft and final environmental impact statements must be furnished to:

(i) Any Federal agency which has jurisdiction by law or special expertise with respect to any environmental impact involved.

(ii) Any appropriate Federal, state, or local agency authorized to develop and enforce environmental standards.

(iii) The appropriate review officials identified in the Postal Service regulations and procedures governing intergovernmental review of Postal Service facility project actions, the State Historic Preservation Officer, and, when National Register or eligible properties may be affected, the Advisory Council on Historic Preservation.

(iv) Any person, organization or agency requesting them.

(4) Copies of final environmental impact statements must be furnished to any person who, or organization or agency which, submitted substantive comments on the draft.

(e) Responses to comments. (1) A final statement responds to comments on a
draft statement in one or more of the following ways:
  (i) Modification of alternatives, including the proposed action.
  (ii) Development and evaluation of alternatives not previously given serious consideration.
  (iii) Supplementation, improvement, or modification of analyses.
  (iv) Correction of facts.
  (v) Explanation of why a comment does not warrant a direct response, citing supporting sources, authorities, or reasons. Relevant circumstances which may trigger reappraisal or further response must be indicated.

(2) Substantive comments received on a draft statement must be attached to the final statement.

(3) If all of the changes are minor and are confined to responses described in paragraphs (e)(1) (iv) and (v) of this section, errata sheets may be written, and only the comments and errata sheets need be recirculated. In such a case, the draft statement with the comments, errata sheets, and a new cover, must be filed as the final statement.

(f) Supplements. (1) A supplement to a draft or final environmental impact statement must be issued if:
  (i) Substantial changes are made in the proposed action that are relevant to environmental concerns; or
  (ii) Significant new circumstances or information bearing on environmental impacts of the proposed action arise or are discovered.

(2) The decision on a proposed action involving an environmental impact statement, must be delayed until any necessary supplement has been circulated and has gone through the comment-period. A supplement is prepared, circulated, and filed in the same manner (except for determining scope) as draft and final statements, unless alternative procedures are approved by CEQ.

(g) Contracting. A contractor employed to prepare an environmental impact statement must certify that it has no financial or other interest in the outcome of the project.

(h) Proposals for Legislation. Legislative environmental impact statements must be prepared and transmitted as follows:

(1) A legislative environmental impact statement is considered part of the formal transmittal of a legislative proposal to the Congress. It may be transmitted to the Congress up to 30 days after the proposal. The statement must be available in time for Congressional hearings and deliberations.

(2) Preparation and processing of a legislative statement must conform to the requirements for impact statements, except as follows:
  (i) It is not necessary to determine the scope of issues.
  (ii) A draft is considered to be a final statement. Both draft and final statements are needed only when:
    (A) A Congressional committee with jurisdiction over the proposal has a rule requiring both.
    (B) Both are specifically required by statute for proposals of the type being submitted.

(3) Comments received on a legislative statement, and the Postal Service’s responses, must be forwarded to the Congress.

(d) A minimum of 45 days must be allowed for comments on draft statements.

§ 775.13 Public notice and information.

(a) Public notice is given of NEPA-related hearings, intent to undertake environmental assessments and environmental impact statements, and the availability of environmental documents (that is, environmental assessments, findings of no significant impact, and environmental impact statements), as follows:

(1) Notices must be mailed to those who have requested them.

(2) Notices concerning a proposal of national concern must be mailed to national organizations reasonably expected to be interested. Any such notice must be published in the FEDERAL REGISTER. (See paragraph (a)(4) of this section.

(3) Notices of any proposed action having effects primarily of local concern are given as follows:

(i) Any such notice, including a copy of any pertinent environmental document, must be mailed to the appropriate review officials identified in the Postal Service regulations and procedures governing intergovernmental review of Postal Service facility project actions, to the State Historic Preservation Officer, and to local public officials.

(ii) Any such notice must be published in one or more local newspapers.

(iii) Any such notice must be posted on and near any proposed and alternate sites for an action.

(iv) Any such notice may be mailed to potentially interested community organizations, including small business associations.

(v) Any such notice may be mailed to owners and occupants of nearby or affected property.

(4) A copy of every notice of intent to prepare an environmental impact statement must be furnished to the Chief Counsel, Legislative, Law Department, who will have it published in the FEDERAL REGISTER.

(b) All notices must give the name, address, and telephone number of a postal official who may be contacted for information. Environmental documents are made available to the public on request. Inspection, copying, and the furnishing of copies will be in accordance with 39 CFR Part 265, “Release of Information.”

§ 775.14 Hearings.

(a) Public hearings must be held whenever there is:

(1) Substantial environmental controversy concerning a proposed action and a request for a hearing by any responsible individual or organization;

(2) A request for a hearing by an agency with jurisdiction over or special expertise concerning the proposed action; or

(3) A reasonable expectation that a hearing will produce significant information not likely to be obtained without a hearing.

(b) The distribution and notice requirements of §§775.11(d)(1) and 775.13 must be complied with whenever a hearing is to be held.

§ 776.1 Purpose and policy.

(a) The regulations in this part implement the goals of Executive Orders 11990, Protection of Wetlands, and 11988, Floodplain Management, and are adopted pursuant to the Postal Reorganization Act, as the Postal Service does not meet the definition of the term “agency” used in the Executive Orders.

(b) The Postal Service intends to exercise leadership in the acquisition and management of real property, construction of facilities, and disposal of real property, located in floodplains and wetlands. Consistent with the goals of the Executive Orders, the regulations in this part are not intended to prohibit floodplain and wetland development in all circumstances, but rather to create a consistent policy to minimize adverse impacts.

§ 776.2 Responsibility.

The appropriate Manager, Facilities Service Office, or functional equivalent within the Postal Service’s facilities organization, in conjunction with the appropriate Vice President, Area Operations, or functional equivalent within the Postal Service’s operations organization, are responsible for overall compliance with the regulations in this part pertaining to facilities projects. The Vice President, Area Operations, is responsible for compliance with these regulations for those projects within the Vice President’s delegated authority.

§ 776.3 Definitions.

Construction means construction, alterations, renovations, and expansions of buildings, structures and improvements.

Contending site means a site or existing building for a proposed postal facility action, which meets the requirements of the Postal Service as determined by the operations organization.

Facility means any building, appurtenant structures, or associated infrastructure.

Flooding means the lowland and relatively flat areas adjoining inland and coastal waters including flood-prone areas of offshore islands, including, at a minimum, that area subject to a one percent or greater chance of flooding in any given year (also known as a 100-year floodplain).

Practicable means capable of being accomplished within existing constraints. The test of what is practicable depends on the situation and includes consideration of many factors, such as environment, cost, technology, implementation time, and postal operational needs.

Preferred area means the specific geographical area proposed for a new postal facility, as developed by the operations organization within the Postal Service. A preferred area’s boundaries are unique for each proposed facility based on the operational and customer service needs of the Postal Service.

Preferred site means the most advantageous site for a proposed facility, taking into consideration postal operational and customer service needs, cost, and availability, as determined by the operations organization within the Postal Service.

Wetlands means those areas that are inundated or saturated by surface or groundwater at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas.

Subpart B—Floodplain Management

§ 776.4 Scope.

(a) The regulations in this subpart are applicable to the following proposed postal facility actions located in a floodplain:

1. New construction, owned or leased; or
2. Construction projects at an existing facility that would increase the amount of impervious surface at the site.

(b) These procedures are not applicable to the following postal facility actions:

1. Those actions identified in paragraphs (a)(1) and (a)(2) of this section, when the entire preferred area, or all
§ 776.5 Review procedures.

Officials shall follow the decision-making process outlined in paragraphs (a) through (f) of this section, when a facility action may involve floodplain issues. Under certain circumstances, this process may be carried out with fewer steps if all objectives of the decision-making process can be achieved. A general principle underlying this process is that a postal facility action requiring construction in a floodplain may be considered only when there is no practicable alternative.

(a) Analysis of alternatives. If a postal facility action would involve construction in a floodplain, alternative actions shall be considered.

(b) Early public notice. If a facility action at the contending site(s) could require construction in a floodplain, public notice must be provided.

(c) Floodplain location and information. (1) Personnel shall determine whether construction would occur within a floodplain. The determination shall be made by reference to appropriate Department of Housing and Urban Development (HUD) floodplain maps (sometimes referred to as Floodplain Insurance Rate Maps (FIRM)), or Federal Emergency Management Agency (FEMA) maps, or more detailed maps if available. If such maps are not available, floodplain location must be determined based on the best available information.

(2) Once the preferred site has been identified, potential floodplain impacts must be determined. As part of this determination process, specific floodplain information should be developed, which is to consider:

(i) Whether the proposed action will directly or indirectly support floodplain development;

(ii) Flood hazard and risk to lives and property;

(iii) Effects on natural and beneficial floodplain values, such as water quality maintenance, groundwater recharge, and agriculture; and

(iv) Possible measures to minimize harm to, or impact on, the floodplain.

(d) Reevaluation. After the above steps have been followed, if the determination is that there appears to be no practicable alternative to constructing in a floodplain, a further review of alternatives must be conducted by the facilities organization in conjunction with the operations organization requesting the construction of the facility. The further review of alternatives must be conducted by the operations organization for projects within the delegated authority of the Vice President, Area Operations.

(e) Final public notice. As a result of the reevaluation, if it is determined that there is no practicable alternative to constructing in a floodplain, public notice shall be provided as soon as possible for the proposed action. The notice should be publicized and should include:

(1) Identification of the project’s location;

(2) Provision for a 30-day public commenting period before irrevocable action is taken by the Postal Service; and

(3) Name and complete address of a postal contact person responsible for providing further information on the decision to proceed with a facility action or construction project in a floodplain. Upon request, that person shall provide further information as follows:

(i) A description of why the proposed action must be located in a floodplain;

(ii) A listing of alternative actions considered in making the determination; and
United States Postal Service

§ 776.10 Lease, easement, right-of-way, or disposal of property to non-federal parties.

When postal-owned wetlands or portions of wetlands are proposed for lease, easement, right-of-way, or disposal to non-federal public or private parties, the Postal Service shall:

(a) Reference in the conveyance document that the parcel is located in a wetland and may be restricted in use pursuant to federal, state, or local floodplain regulations; or

(b) Withhold the property from conveyance.

Subpart C—Wetlands Protection

§ 776.8 Scope.

(a) The regulations in this subpart are applicable to the following proposed postal facility actions located in a wetland:

(1) New construction, owned or leased; or

(2) Construction projects at an existing facility that would alter the external configuration of the facility.

(b) These procedures are not applicable to the following postal facility actions:

(1) Construction of foot and bike trails, or boardwalks, including signs, the primary purposes of which are public education, interpretation, or enjoyment of wetland resources;

(2) Construction at existing postal facilities pursuant to the Architectural Barriers Act or postal accessibility standards;

(3) Any facility construction project deemed necessary to comply with federal, state, or local health, sanitary, or safety code standards to ensure safe working conditions;

(4) Construction of facilities that are functionally dependent on water, such as piers, docks, or boat ramps; or

(5) Maintenance, repair, or renovation of existing facilities.

§ 776.9 Review procedures.

(a) Early public notice. If a facility action at the contending site(s) could require construction in a wetland, public notice must be provided.

(b) Finding of no practicable alternative. The Postal Service shall avoid construction located in a wetland unless it issues a finding of no practicable alternative. The facilities organization, in conjunction with the operations organization, or, for projects within the delegated authority of the Vice President, Area Operations, the operations organization, shall make a written determination that:

(1) There is no practicable alternative to such construction; and

(2) The proposed action includes all practicable measures to minimize harm to wetlands.

(c) NEPA coordination. If either an Environmental Impact Statement or an Environmental Assessment is required under the Postal Service’s National Environmental Policy Act (NEPA) regulations, the above review procedures must be incorporated into and evaluated in that document.

§ 776.10 Lease, easement, right-of-way, or disposal of property to non-federal parties.

When postal-owned wetlands or portions of wetlands are proposed for lease, easement, right-of-way, or disposal to non-federal public or private parties, the Postal Service shall:
§ 776.10

(a) Reference in the conveyance document that the parcel contains wetlands and may be restricted in use pursuant to federal, state, or local wetlands regulations; or

(b) Withhold the property from conveyance.
SUBCHAPTER L—SPECIAL REGULATIONS

PART 777—RELOCATION ASSISTANCE AND REAL PROPERTY ACQUISITION POLICIES

Subpart A—General Policy, Purpose and Definitions

§ 777.11 General policy.

It is the policy of the Postal Service to comply voluntarily with the provisions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (Pub. L. 91–646; 84 Stat. 1894), hereinafter referred to as the Act.

§ 777.12 Purpose.

The purpose of these regulations is to update policy and procedures for the Postal Service’s voluntary compliance with the Act.

§ 777.13 Definitions.

(b) Business. Any lawful activity, except a farm operation, that is:

(1) Conducted primarily for the purchase, sale, lease, and/or rental of personal and/or real property, and for the manufacturing, processing, and/or marketing of products, commodities, and/or any other personal property; or

(2) Conducted primarily for the sale of services to the public; or

(3) Solely for the purposes of reimbursing moving and related expenses, conducted primarily for outdoor advertising display purposes, when the display(s) must be moved as a result of the project; or

(4) Conducted by a nonprofit organization that has established its nonprofit status under applicable Federal or State law.

(c) Small business. A business having at least one but not more than 500 employees working at the location being acquired.

(d) Comparable Replacement Dwelling. A dwelling which is:

(1) Decent, safe, and sanitary.

(2) Functionally similar to the displacement dwelling with particular attention to the number of rooms and living space.

(3) In an area that is not subject to unreasonably adverse environmental conditions, is not generally less desirable than the location of the displacement dwelling with respect to public utilities and commercial and public facilities, and is reasonably accessible to the displaced person’s place of employment.

(4) On a site that is typical in size for residential development with normal site improvements including customary landscaping. The site need not
include special improvements such as outbuildings, fences, swimming pools, and greenhouses.

(5) Currently available to the displaced person.

(6) Within the financial means of the displaced person.

e) Decent, Safe, and Sanitary Dwelling. A dwelling which meets local housing and occupancy codes and the following standards, unless they are waived for good cause by the Postal Service. The dwelling must:

(1) Be structurally sound, weather-tight, and in good repair.

(2) Contain a safe electrical wiring system adequate for lighting and other electrical devices.

(3) Contain a heating system capable of sustaining a healthful temperature of approximately 70 degrees except in those areas where local climatic conditions do not require such a system.

(4) Be adequate in size with respect to the number of rooms and areas of living space needed to accommodate the displaced persons. There shall be a separate, well-lighted and ventilated bathroom that provides privacy to the user and contains a bathtub or shower stall, sink, and toilet, all in good working order and properly connected to appropriate sources of water and to a sewage drainage system. In the case of a housekeeping unit—as opposed to, for example, a room in a boarding house—there shall be a kitchen area that contains a fully usable sink, properly connected to potable hot and cold water and to a sewage draining system, and adequate space and utility service connections for a stove and a refrigerator.

(5) Contain unobstructed egress to safe, open space at ground level.

(6) For displaced persons who are handicapped, be free of any barriers which would preclude their reasonable ingress, egress, or use of the dwelling.

f) Displaced Person. (1) Subject to the additional definitions, limitations and exceptions in paragraph (f)(2) of this section, the term “displaced person” is defined as follows. (“Displaced persons” are entitled to receive benefits only as specifically provided for elsewhere in these regulations.)

(i) A person who owns real property, and who is required to move or to move personal property from the real property following Postal Service action to obtain title to, or a leasehold interest in, such real property by the exercise or the threat of the exercise of eminent domain.

(ii) A person who is a tenant and who is required to move or to move his or her personal property from real property:

(A) Following Postal Service action to obtain the tenant’s leasehold interest in such real property by the exercise or the threat of the exercise of eminent domain, or.

(B) Where the Postal Service acquires a fee interest in the property (including long-term leases of 50 years or more), as a result of a Postal Service notice of displacement or notice to vacate such real property, provided the tenant was lawfully in possession on the date title to such property transfers to the Postal Service. (The requirement that the tenant occupy such real property on the date title in such real property transfers to the Postal Service may be waived for good cause by the Postal Service.)

(C) Where such real property was used to construct a new building for the express purpose of leasing to the Postal Service under circumstances where such tenant would have been a “displaced person” hereunder had the Postal Service itself acquired the land and required the removal of the tenant to undertake construction of the building for Postal Service ownership.

(iii) Where the Postal Service acquires either a fee interest or a leasehold interest in the property, a person who is a residential tenant and is or will be required to move or to move his or her property from the real property, in order for the Postal Service to accomplish the project for which the property was acquired, provided such tenant occupies such real property on the date title in such real property transfers to the Postal Service or the date the Postal Service leases or contracts to lease such property, and further provided such tenant was lawfully in possession at the time of the initiation of negotiations. (The requirement that the tenant occupy such real property on the date title in such real
property transfers to the Postal Service may be waived for good cause by the Postal Service.

(2) The term “displaced person” covers only persons meeting the requirements in paragraph (f)(1) of this section. The term “displaced person” does not cover the following non-exclusive list of examples.

(i) An owner who voluntarily sells his or her real property to the Postal Service, or,

(ii) A tenant who voluntarily transfers his or her leasehold interest to the Postal Service without the exercise or the threat of the exercise of eminent domain, or,

(iii) A tenant who is not lawfully in possession at the times for which lawful possession is specified in paragraphs (f)(1)(ii)(B) and (f)(1)(iii) of this section. A tenant who was legally required by the lease or otherwise to have moved from the property at the times specified in such paragraphs shall not be considered to be lawfully in possession.

(iv) A person who, at the determination of the Postal Service, is not required to relocate permanently, or,

(v) A person who, after receiving a notice of displacement or notice to vacate by the Postal Service, is notified in writing that he or she will not be displaced. Such later notification shall not be issued if the person has already moved. If such later notification is issued, the Postal Service shall reimburse the person for any reasonable expenses incurred to satisfy any binding contractual relocation obligations entered into after the effective date of the notice of displacement or the notice to vacate or,

(vi) A person who is required to temporarily vacate the premises in order to permit fumigation, repair, painting, or other maintenance or code of enforcement work or,

(vii) A tenant who is required to move from real property as a result of a notice from the Postal Service to vacate such real property where such notice to vacate is issued five years or more after the date of the acquisition of such real property. A tenant who is given a notice to vacate as a result of failure to comply with the terms of his/her lease with the Postal Service or failure to renew his/her lease under prevailing market conditions is not considered to be a displaced person.

(viii) A mobile home occupant who owns the site on which the mobile home is located and who voluntarily sells the site to the Postal Service, regardless of whether such person owns or rents the mobile home.

(ix) A person whose property is acquired through a “friendly condemnation action” where price is not an issue.

(g) Displacement Dwelling. The dwelling acquired by the Postal Service from which a displaced person is required to move.

(h) Dwelling. The place of permanent or customary and usual residence of a person including a single family house; a single family unit in a two-family, multi-family, or multi-purpose property; a unit of a condominium or cooperative housing project; a non-housekeeping unit (i.e. room in a boarding house); a mobile home; or any other residential unit.

(i) Family. Two or more individuals who are related by blood, adoption, marriage, or legal guardianship who live together as a family unit. If the Postal Service considers that circumstances warrant, others who live together as a family unit may be treated as if they are a family for the purpose of determining assistance under these regulations.

(j) Farm Operation. Any activity conducted solely or primarily for the production of one or more types of agricultural products or commodities, including timber, for sale or home use, and customarily producing such products or commodities in sufficient quantity to be capable of contributing materially to the operator’s support.

(k) Financial Means. A comparable replacement dwelling is within the financial means of the displaced family or individual if the average monthly rental or housing cost (e.g., monthly mortgage payments, insurance for the dwelling unit, property taxes, and other reasonable recurring related expenses) which the displaced person will be required to pay does not exceed the greater of 25 percent of the monthly gross income of the displaced family or individual or the ratio of the present monthly rental or housing cost to the
§ 777.14 Certain indirect actions prohibited.

Postal employees shall take no indirect, coercive, or deceptive actions to cause persons to move from real property in an effort to avoid the circumstances under which such persons would be eligible to receive relocation benefits as displaced persons under these regulations. If a claimant demonstrates that such prohibited action caused him or her to move, he or she will be treated as a displaced person hereunder, if he or she otherwise meets the definition of a displaced person.

§ 777.21 General procedures.

(a) Planning Prior to Site Selection. When acquisition of a site under consideration would likely involve displacement of a person eligible under § 777.13 for relocation assistance, the Postal Service representative shall prepare a relocation needs and availability analysis. The Postal Service representative shall include in the analysis a complete inventory of persons who may be displaced and specifically identify their needs.

(b) Planning Subsequent to Site Selection. Subsequent to site selection, the Postal Service must review the relocation needs and availability analysis.
§ 777.22 Relocation assistance advisory services.

(a) General. The Postal Service carries out an advisory assistance program for displaced persons.

(b) Relocation Information. The Postal Service must contact each displaced person to provide an informational statement outlining the assistance available to the particular person. If it is impracticable to contact the displaced persons personally, the informational statement must be mailed to the persons, certified mail, return receipt requested.

(c) Time of Initial Contact to Provide Relocation Information. The initial contact to provide relocation information must take place by the following dates:

(1) Where acquisition of the property is to occur as a result of the exercise or the threat of the exercise of eminent
domain, at the time of initiation of negotiation or within 30 days thereafter. (2) In any other instance such contact must be made prior to acquisition and prior to the notice of displacement or the notice to vacate, but it should normally not be made prior to contracting for the acquisition.

(d) Service to be Provided. The advisory program shall include such services as may be necessary or appropriate to:

(1) Provide current information on the availability, purchase prices, financing, and rental costs of replacement dwellings.

(2) For displaced persons eligible for replacement housing payments, explain that the displaced person cannot be required to move unless at least one comparable replacement dwelling is made available.

(i) At the request of the displaced person, the Postal Service must inform that person, in writing, of the specific comparable replacement dwelling used as the basis for the replacement housing payment offer, the price or rent used to establish the upper limit of that offer, the basis for the determination, and the amount of the replacement housing payment to which he or she may be entitled.

(ii) Where feasible, housing must be inspected by the Postal Service representative prior to its being made available to assure that it is a comparable replacement dwelling and meets the decent, safe, and sanitary standard. The displaced person must be notified that a replacement housing payment will not be made unless the replacement dwelling is inspected and determined to be decent, safe, and sanitary.

(iii) Whenever possible, minority displaced persons must be given reasonable opportunities to relocate to comparable dwellings, not located in an area of minority concentration, that are within their financial means. This policy, however, does not require the Postal Service to provide a person a larger payment than is necessary to enable that person to relocate to a comparable replacement dwelling.

(iv) All displaced persons, especially the elderly and handicapped, must be offered transportation to inspect housing to which they are referred.

(3) Provide current and continuing information on the availability, purchase prices, and rental costs of comparable and suitable commercial and farm properties and locations, and assist any person displaced from a business or farm operation to obtain and become established in a suitable replacement location.

(4) Minimize hardships to displaced persons in adjusting to relocation by providing counseling, advice about other sources of assistance that may be available, and such other help as may be appropriate.

(5) Supply displaced persons with appropriate information concerning Federal, State, and local housing programs, disaster loan and other programs administered by the Small Business Administration, and other Federal, State, and local programs offering assistance to displaced persons.

(6) Upon selection of a replacement property by a displaced person, the Postal Service may arrange for a representative to assist the displaced person with necessary arrangements for the move.

§ 777.23 Moving expenses.

(a) Eligibility. (1) Residential displaced persons are entitled to benefits under paragraphs (b) and (c) of this section.

(2) Business and farm displaced persons are entitled to benefits under paragraphs (d) through (k) of this section.

(3) Those business or farm displaced persons who reside on the property where the business or farm operation is conducted are eligible for applicable benefits both as residents and as business or farm displaced persons, but no duplicate payments are allowed.

(4) Persons who are required to move or to move personal property from real property, an interest in which is not acquired by the Postal Service, when it is determined by the Postal Service that such move is necessary or reasonable because of the Postal Service’s having acquired an interest in other real property owned or leased by such persons and on which such persons conduct a business or farm operation,
under circumstances where such persons are displaced persons with regard to such other real property or would have been displaced persons with regard to such other real property had they been required to move or to move personal property from such other real property, are entitled to benefits as residential, business or farm displaced persons under paragraphs (a)(1) or (a)(2) of this section.

(5) Eligibility for moving expenses does not depend upon the owner's or tenant's actual occupancy of the displacement real property.

(b) Allowable Expenses, Residential Moves. Allowable moving expenses include:

(1) Transportation of the displaced person and his or her personal property. Transportation costs are limited to the costs of a move up to a distance of 50 miles unless the Postal Service determines that relocation beyond 50 miles is justified.

(2) Packing, crating, unpacking, and uncrating of the personal property.

(3) Disconnecting, dismantling, removing, reassembling, and reinstalling relocated household appliances and other personal property.

(4) Storage of the personal property not to exceed 12 months unless the Postal Service determines that a longer period is necessary.

(5) Reasonable costs for insurance for the replacement value of the personal property being moved or stored.

(6) When determined to be fair and reasonable by the Postal Service the replacement value of property lost, stolen, or damaged in the process of moving (not through the fault or negligence of the displaced person, his or her agent, or employee), but only where insurance covering such loss, theft, or damage is not reasonably available.

(7) Other moving related expenses that are not listed as non-allowable under paragraph (l)(3) of this section and which the Postal Service determines to be reasonable and necessary.

(c) Fixed payment for moving expenses. Residential moves. Any person displaced from a dwelling or a seasonal residence is entitled to receive an expense and dislocation allowance as an alternative to a payment for actual moving and related expenses. This allowance shall be determined according to the applicable schedule approved by the Federal Highway Administration. This includes a provision that the expense and dislocation allowance to a person with minimal personal possessions who is in occupancy of a dormitory style room shared by two or more other unrelated persons or a person whose residential move is performed by an agency at no cost to the person shall be limited to $50.

(d) Allowable Expenses, Business and Farm Operations. Allowable expenses include:

(1) The expenses allowed under paragraphs (b) (2), (4), (5) and (6) of this section;

(2) Transportation of personal property. Transportation costs are limited to a distance up to 50 miles unless the Postal Service makes a finding that relocation beyond 50 miles is justified.

(3) Disconnecting, dismantling, removing, reassembling, and reinstalling relocated machinery, equipment, and other personal property, and substitute personal property as described in paragraph (d)(8) of this section. This includes connection to utilities available at the replacement site or building and minor modifications to personal property to adapt it to the replacement site or building. Excluded are expenses for providing utilities to or installing utilities at the replacement site or building and expenses for repair, alteration, improvement or modification of the replacement site or building. This exclusion includes, but is not limited to, any repairs, alterations, improvements, or modifications required by local code to bring the building up to standard.

(4) Any license, permit, or certification fee required of the displaced person by a governmental authority at the replacement location. However, this payment is limited to the pro rata value for the remaining useful life of any existing license, permit, or certification.

(5) Reasonable professional services necessary for planning the move of the personal property. Such professional services must be approved in advance by the Postal Service and shall not exceed the lowest of three acceptable bids.
(6) Relettering signs and replacing stationary on hand at the time of displacement that are made obsolete as a result of the move.

(7) Actual direct loss of tangible personal property incurred as a result of moving or discontinuing the business or farm operation. The payment will consist of the reasonable costs incurred in attempting to sell the item plus the lesser of:

(i) The fair market value of the item for continued use at the displacement site, less the proceeds from its sale. (To be eligible for this payment the claimant must make a good faith effort to sell the personal property, unless the Postal Service determines that such effort is not necessary. When payment for property loss is claimed for goods held for sale, the fair market value must be based on the cost of the goods to the business, not the potential selling price.); or

(ii) The estimated cost of moving the item no more than 50 miles, but with no allowance for storage.

(8) If an item of personal property which is used as part of a business or farm operation is not moved, is promptly replaced with a substitute item that performs a comparable function at the replacement site, the displaced person is entitled to payment of the lesser of:

(i) The cost of the substitute item, including installation costs at the replacement site, less any proceeds from the sale. (To be eligible for payments under paragraph (d)(8) of this section, the claimant must make a good faith effort to sell the personal property, unless the Postal Service determines that such effort is not necessary.); or

(ii) The estimated cost of moving and reinstalling the replaced item, based on the lowest acceptable bid or estimate obtained by the Postal Service for eligible moving and related expenses, but with no allowance for storage.

(9) A displaced business or farm operation is entitled to reimbursement for actual expenses, not to exceed $1,000, which the Postal Service determines to be reasonable and which are incurred in searching for a replacement location. These expenses include transportation, meals and lodging away from home, time spent searching (based on reasonable salary or earnings) and fees paid to a real estate agent or broker to locate a replacement site, exclusive of any fees or commissions related to the purchase of such site.

(10) Other moving-related expenses, not listed as non-allowable under paragraph (l)(3) of this section, which the Postal Service determines to be reasonable and necessary.

(e) Fixed Payment in Lieu of Moving Expenses, Business Moves. Any displaced business, other than an outdoor advertising display business, or a non-profit organization, is eligible for a fixed payment in lieu of actual moving and related expenses. This payment must be in an amount equal to the average annual net earnings of the business at that location, as computed under paragraph (l)(9) of this section, but not less than $1,000 nor more than $20,000. For a displaced person to qualify for this payment, the Postal Service must determine that:

(1) The business owns or rents personal property which must be moved in connection with such displacement and for which an expense would be incurred in such move; and, the business vacates or relocates from its displacement site; and

(2) The business cannot be relocated without a substantial loss of its existing patronage (clientele or net earnings). A business is assumed to meet this test unless the Postal Service determines that it will not suffer a substantial loss of its existing patronage; and

(3) The business is not part of a commercial enterprise having more than three other entities which are not being acquired by the Postal Service, and which are under the same ownership and engaged in the same or similar business activities.

(4) The business contributed materially to the income of the displaced person during the 2 taxable years prior to displacement (see paragraph (h) of this section). However, the Postal Service may waive this test for good cause.

(5) The business is not operated at a displacement dwelling solely for the purpose of renting such dwelling to others.
(f) Determining the Number of Businesses. In determining whether two or more displaced legal entities constitute a single business which is entitled to only one fixed payment, all pertinent factors shall be considered, including the extent to which:

(1) The same premises and equipment are shared;
(2) Substantially identical or interrelated business functions are carried out and business and financial affairs are commingled;
(3) The entities are held out to the public, and to those customarily dealing with them, as one business; and
(4) The same person or closely related persons own, control, or manage the affairs of the entities.

(g) Fixed Payment in Lieu of Moving Expenses, Farm Operation. Any displaced farm operation may choose a fixed payment in lieu of a payment for actual moving and related expenses in an amount equal to its average annual net earnings as computed in accordance with paragraph (i) of this section, but not less than $1,000 nor more than $20,000. For a displaced person to qualify for this payment, the Postal Service must determine that the farm operation contributed materially to the income of the displaced person during the two taxable years prior to the displacement (see paragraph (h) of this section). In the case of acquisition of land which was part of a farm operation before the acquisition, the fixed payment shall be made only if the Postal Service determines that:

(1) The acquisition of part of the land caused the operator to be displaced from the operation on the remaining land; or
(2) The partial acquisition caused a substantial change in the nature of the farm operation.

(h) Contributes materially. The term “contributes materially,” as used in paragraphs (e) and (g) of this section means that, during the 2 taxable years prior to the taxable year in which displacement occurs, or during such other period as the Postal Service determines to be more equitable, a business or farm operation:

(1) Had average annual gross receipts of at least $5,000; or
(2) Had average annual net earnings of at least $1,000; or
(3) Contributed at least 33 1/3 percent of the owner’s or operator’s average annual gross income from all sources.
(4) If the application of the above criteria creates an inequity or hardship in any given case, the Postal Service may approve the use of other criteria as determined appropriate.

(i) Average Annual Net Earnings of a Business or Farm Operation. The average annual net earnings of a business or farm operation are one-half of its net earnings before Federal, State, and local income taxes during the 2 taxable years immediately prior to the taxable year in which it was displaced. If the business or farm was not in operation for the full 2 taxable years prior to displacement, net earnings shall be based on the actual period of operation at the displacement site during the 2 taxable years prior to displacement, projected to an annual rate. Average annual net earnings may be based upon a different period of time when the Postal Service determines it to be more equitable. Net earnings include any compensation obtained from the business or farm operation by its owner, the owner’s spouse, and dependents. The displaced person shall furnish the Postal Service proof of net earnings through income tax returns, certified financial statements, or other reasonable evidence which the Postal Service determines is satisfactory.

(j) Nonprofit Organizations. Any displaced nonprofit organization may choose a fixed payment in lieu of a payment for actual moving and related expenses in an amount of $2,500, if the Postal Service determines that:

(1) Cannot be relocated without a substantial loss of existing patronage (membership or clientele). A nonprofit organization is assumed to meet this test, unless the Postal Service demonstrates otherwise; and
(2) Is not part of an enterprise having at least one other establishment engaged in the same or similar activity which is not being acquired by the Postal Service.

(k) Relocation of Outdoor Advertising Signs. The amount of a payment for direct loss of an advertising sign which is personal property is the lesser of:
(1) The depreciated replacement cost of the sign, as determined by the Postal Service, less the proceeds from its sale; (To be eligible for payments under this paragraph (k)(1), the claimant must make a good faith effort to sell the sign, unless the Postal Service determines that such effort is not necessary.) or

(2) The estimated cost of moving the sign, no more than 50 miles, but with no allowance for storage.

(i) Payment for actual reasonable reestablishment expenses, nonresidential moves. In addition to the payments available as allowable expenses for nonresidential moves, a small business, farm or non-profit organization may be eligible to receive a payment, not to exceed $10,000 for expenses actually incurred in relocating and reestablishing such small business, farm or non-profit organization at a replacement site.

(1) Allowable expenses. Reestablishment expenses must be reasonable and necessary, as determined by the Postal Service. They may include the following:

(i) Repairs or improvements to the replacement real property as required by federal, state, local law, code or ordinance.

(ii) Modifications to the replacement property to accommodate the business operation or make replacement structures suitable for occupancy.

(iii) Construction and installation costs not to exceed $1,500 for exterior signing to advertise the business.

(iv) Installation of security or fire protection devices.

(v) Provision of utilities from right-of-way to improvements on the replacement site.

(vi) Redecoration or replacement of soiled or worn surfaces at the replacement site, such as paint, panelling or carpeting.

(vii) Licenses, fees and permits when not paid as part of the moving expenses.

(viii) Feasibility surveys, soil testing and marketing studies.

(ix) Advertisement of replacement location, not to exceed $1,500

(x) Professional services in connection with the purchase or lease of a replacement site.

(xi) Increased costs of operation during the first two years at the replacement site, not to exceed $5,000, for such items as lease or rental charges, personal or real property taxes, insurance premiums, utility charges including impact fees or one time assessments for anticipated heavy utility usage.

(xii) Other items that the Postal Service considers essential to the reestablishment of the business.

(2) Non-allowable expenses. Following is a non-exclusive listing of reestablishment expenditures not considered to be reasonable, necessary or otherwise allowable.

(i) Purchase of capital assets such as office furniture, filing cabinets, machinery, or trade fixtures.

(ii) Purchase of manufacturing materials, production supplies, product inventory, or other items used in the normal course of the business operation.

(iii) Interior or exterior refurbishment at the replacement site which are for cosmetic purposes only.

(iv) Interest on money borrowed to make the move or purchase the replacement property.

(v) Payment to a part-time business in the home which does not contribute materially to the household income.

(vi) Payment to a person whose sole business at a replacement dwelling is the rental of such dwelling to others.

(m) General Provisions—(1) Self moves. If the displaced person elects to take full responsibility for all or a part of the move, the Postal Service may approve a payment for the person's moving expenses in an amount not to exceed the lowest of three bids acceptable to the Postal Service. Bids may be obtained by either the displaced person or the Postal Service.

(2) Transfer of Ownership. Upon request by the Postal Service and in accordance with applicable law, the displaced person may transfer to the Postal Service ownership of any personal property that is not to be moved, sold, or traded-in by executing a disclaimer of all rights or interest in the property.

(3) Non-Allowable Expenses. Except as specifically otherwise provided herein, a displaced person is not entitled to payment for:
(i) The cost of moving any structure or other real property improvement.
(ii) Loss of goodwill.
(iii) Loss of profits.
(iv) Loss of trained employees.
(v) Any additional operating expenses of a business or farm operation caused by operating in a new location.
(vi) Personal injury.
(vii) Any legal fee or other cost for preparing a claim for a relocation payment or for representing the displaced person before the Postal Service.
(viii) Expenses for searching for a replacement dwelling.
(ix) Costs for storage of personal property on real property owned or leased by the displaced person.

$777.24 Replacement housing payments.

(a) Residential displaced persons are eligible for replacement housing payments as follows:

(1) Residential displaced persons who lawfully and continuously owned and occupied a displacement dwelling for not less than 180 days prior to the initiation of negotiations are entitled to the benefits set out in paragraph (b) of this section. Such displaced persons may alternately choose the benefits under paragraph (f) of this section.

(2) Residential displaced persons who lawfully and continuously owned and occupied, and residential displaced persons who were tenants and lawfully and continuously occupied, a displacement dwelling for not less than 90 days prior to the initiation of negotiations are entitled to the benefits set out in paragraph (e) of this section.

(3) Where the replacement housing payment provided hereunder does not provide for housing within the financial means (see §777.13(j)) of the displaced person, see §777.27, Last Resort Housing.

(b) Benefits for 180 Day Owner Occupants. Displaced persons eligible under paragraph (a)(1) of this section are entitled to benefits as set out below:

(1) An amount which is the sum of:
   (i) The amount which must be added to the acquisition cost of the displacement dwelling to provide a total amount equal to the lesser of:
      (A) The reasonable cost of a comparable replacement dwelling as determined by paragraph (c) of this section; or
      (B) The purchase price of a decent, safe and sanitary replacement dwelling actually purchased and occupied by the displaced person; plus
   (ii) Interest Cost (see paragraph (d) of this section); plus
   (iii) Incidental Expenses (see paragraph (h) of this section).

(2) The benefits in paragraph (b)(1) of this section, are limited to a maximum payment of $22,500.

(3) The benefits in paragraph (b)(1) of this section, are available only if a decent, safe and sanitary replacement dwelling is purchased within 12 months after the latter of:

   (i) The date of acquisition or, in the case of condemnation, the date the required amount is deposited in a court for the displaced person's benefit, or
   (ii) The date the person moves from the displacement dwelling.

(c) Determining the Cost of a Comparable Replacement Dwelling. The cost of a comparable replacement dwelling for purposes of benefits to be paid to 180 day owner occupants will be determined by applying the following:

(1) If available, at least three representative comparable replacement dwellings must be examined and the payment offer computed on the cost of the fair market value of the dwelling most closely comparable to the displacement dwelling.

(2) To the extent, feasible, comparable replacement dwellings will be selected from the neighborhood in which the displacement dwelling was located. If this is not possible, comparable replacement dwellings will be selected from nearby or similar neighborhoods where housing costs are similar.

(d) Increased Mortgage Interest Costs.

The amount to be paid to a displaced 180 day owner occupant for increased mortgage interest costs is the amount, if any, by which the present value of the interest on the mortgage loan(s) on the replacement dwelling plus any other debt service costs exceeds the present value of the interest on the
mortgage loan(s) on the displacement dwelling plus purchaser’s points and loan origination fees, subject to the following:

(1) The payment must be based only on bona fide mortgages that were a valid lien on the displacement dwelling for at least 180 days prior to the initiation of negotiations. All such mortgages on the displacement dwelling must be used to compute the payment.

(2) The payment must be based on the unpaid mortgage balance on the displacement dwelling or the new mortgage amount, whichever is less.

(3) The payment must be based on the remaining term of the mortgage on the displacement dwelling or the actual term of the new mortgage, whichever is shorter.

(4) The new mortgage must be a bona fide mortgage and its interest rate must not exceed the prevailing interest rate currently charged by mortgage lending institutions in the area in which the replacement dwelling is located.

(5) The discount rate used to compute the present value of the increased interest cost must be the prevailing interest rate paid on demand savings deposits by commercial banks in the area in which the replacement dwelling is located.

(6) Purchaser’s points and loan origination fees, but not seller’s points, are reimbursable to the extent they are not paid as incidental expenses, they do not exceed rates normal to similar real estate transactions in the area, and the Postal Service determines them to be necessary. The computation of such points and fees shall be based on the unpaid mortgage balance on the displacement dwelling, or the new mortgage amount, whichever is less.

(e) Benefits for 90 Day Owner Occupant and Tenants. Displaced persons eligible under paragraph (a)(2) of this section are entitled to benefits as set out below:

(1) Rental assistance benefits, as set out in paragraph (f) of this section or downpayment assistance benefits, as set out in paragraph (g) of this section.

(2) The benefits in paragraph (e)(1) above are available only if a decent, safe and sanitary replacement dwelling is purchased or rented within 12 months after the latter of:

(i) The date of acquisition or, in the case of condemnation, the date the required amount is deposited in the court for the displaced person’s benefit, or

(ii) The date the person moves from the displacement dwelling.

(f) Rental Assistance. The rental assistance benefits, not to exceed $5,250, for 90 day owner occupants and tenants will be computed as follows:

(1) The amount which must be added to 42 times the average monthly rental paid at the displacement dwelling (or, if the displaced person is an owner occupant, the fair market rental value had the displacement dwelling been rented) for the three-month period prior to displacement to provide a total amount equal to the lesser of:

(i) 42 times the reasonable monthly rental of a comparable replacement dwelling; or

(ii) 42 times the actual monthly rental cost of the decent, safe, and sanitary dwelling actually rented and occupied by the displaced person.

(2) If utilities are included in either the replacement dwelling or the displacement dwelling rent, appropriate utilities must be factored into both rentals. If utilities are not included in either monthly rental then the payment will be computed using the base rental rates.

(3) If, in the opinion of the Postal Service, the monthly rental at the displacement dwelling is significantly below the fair market rent of the displacement dwelling, such fair market rent must be used in computing the rental assistance payment.

(4) The payment under this section must be disbursed in a lump-sum amount unless the Postal Service determines on a case-by-case basis, for good cause, that the payment should be made in installments. Where the rental assistance payment exceeds $5,250 under the provisions of Last Resort Housing, §777.27, installment payments or payments through escrow accounts may be considered.

(g) Downpayment assistance. Downpayment assistance, not to exceed $5,250, is available to 90 day owner occupants and 90 day tenants. This $5,250
amount may be considered to include the full amount of the required downpayment and incidental expenses.

(h) Incidental Expenses. Incidental expenses covered under paragraph (b)(1)(iii) or (g) of this section are those reasonable costs actually incurred by the displaced person incident to the purchase of a replacement dwelling and customarily paid by the buyer (not to exceed the costs of such for a comparable replacement dwelling). They include:

(1) Legal, closing, and related costs, including those for title search and insurance, preparing conveyance instruments, notary fees, preparing surveys and plats, and recording fees.

(2) Lender, FHA, or VA appraisal fees.

(3) FHA or VA application fee.

(4) Certification of structural soundness when required by the lender.

(5) Credit report.

(6) Owner's and mortgagee's evidence or assurance of title.

(7) Escrow agent's fee.

(8) State revenue or documentary stamps, sales or transfer taxes.

(9) Such other costs as the Postal Service determines to be incidental to the purchase.

§ 777.25 Additional rules for replacement housing payments.

(a) Multiple Owners. When a single family dwelling is owned by more than one person and occupied by only some of the 180 day owners (for example, when the dwelling is owned by an estate and only one of the heirs is in occupancy), the occupant(s) is (are) eligible to receive a maximum total price differential which is the lesser of:

(1) The difference between (i) the reasonable cost of a comparable replacement dwelling, as determined under § 777.24(c) and (ii) the acquisition cost of the displacement dwelling; or

(2) The difference between (i) the occupant's share of the acquisition cost of the displacement dwelling and (ii) the purchase price of a decent, safe, and sanitary replacement dwelling actually purchased and occupied by the displaced person.

(b) Multiple Occupants of One Displacement Dwelling. If two or more occupants of the displacement dwelling move to separate replacement dwellings, each occupant is entitled to a reasonable prorated share, as determined by the Postal Service, of any relocation payments that would have been made if the occupants moved together to a comparable replacement dwelling. However, if the Postal Service determines that two or more occupants maintained separate households within the same dwelling, such occupants have separate entitlements to relocation payments.

(c) Mixed Use and Multi-Family Properties Acquired. If the displacement dwelling was part of a property that contained another dwelling unit or space used for non-residential purposes, or if it is located on a lot larger than that typical for residential purposes, only that portion of the acquisition payment which is actually attributable to the displacement dwelling and site can be considered its acquisition cost when computing the price differential.

(d) Disaster-Related Insurance Proceeds. To the extent necessary to avoid duplicate compensation, the amount of any insurance proceeds received by a person in connection with a disaster related loss to the displacement dwelling must be included in the acquisition cost of the displacement dwelling when computing the price differential.

(e) Inspection of Replacement Dwelling. Before making a replacement housing payment or releasing a payment from escrow, the Postal Service must inspect the replacement dwelling and determine that it is a decent, safe, and sanitary dwelling.

(f) Purchase of Replacement Dwelling. A displaced person is considered to have met the requirement to purchase a replacement dwelling if the person has purchased an existing dwelling; purchased and rehabilitated or moved and restored an existing dwelling; or constructed a new dwelling, provided in each instance the dwelling is determined to be decent, safe and sanitary.
§ 777.26 Mobile homes.

(a) Moving Expenses. Displaced persons who are occupants of mobile homes are eligible for moving expenses under §777.23 subject to the following:

(1) If the person owns the mobile home, moving expenses may, at the owner’s option, include any reasonable costs incurred to move the mobile home to a replacement site, plus the reasonable cost of disassembling, moving, and reassembling any attached appurtenances (such as porches, decks, skirting, and awnings) which were not acquired, anchoring of the unit, and utility “hook-up charges.”

(2) If the person rents the mobile home, the Postal Service may allow the person moving expense benefits for moving the mobile home as if the person were an owner of the mobile home under paragraph (a)(1) of this section.

(3) If costs of moving a mobile home are paid as moving expenses under paragraph (a)(1) or (2) of this section, the person may not receive housing assistance benefits hereunder, other than any benefits to which they are entitled that are limited to the site of the mobile home.

(4) Displaced occupants of mobile homes are eligible for moving expenses for personal property other than the mobile home and its appurtenances, but only to the extent the Postal Service does not pay the costs of moving the mobile home (either as moving expenses or replacement housing payments or, if it does pay such costs, the

(g) Conversion of Payment. A displaced person who initially rents a replacement dwelling and receives a rental assistance payment may, within the required 12 month eligibility period, purchase a decent, safe and sanitary replacement dwelling. In such case, he or she is entitled to revise his or her original claim, and claim any additional assistance for which he or she was originally eligible. However, any portion of the rental assistance payment that has been disbursed must be deducted from the resultant replacement housing payment or downpayment assistance payment.

(h) Payment After Death. A replacement housing payment is personal to the displaced person. Upon his or her death, the undisbursed portion of any such payment shall not be paid to the heirs or assigns, except that:

(1) The amount attributable to the displaced person’s period of actual occupancy of the replacement housing will be paid.

(2) The full payment must be disbursed in any case in which a member of a displaced family dies and other family members continue to occupy the replacement dwelling selected in accordance with these regulations.

(3) Any portion of a replacement housing payment necessary to satisfy the legal obligation of an estate in connection with the selection of a replacement dwelling by or on behalf of a deceased person must be disbursed to the estate.

(i) 180 Day Owner Retention of Displacement Dwelling. If a 180 day owner occupant retains ownership of his or her dwelling or the right to move his or her dwelling from the displacement site, and he or she moves it and reoccupies it on a replacement site, the cost of the actual replacement dwelling to be computed for purposes of §777.24(b)(1)(i)(A) (not to exceed the purchase price of a comparable replacement dwelling) will be the sum of:

(1) The expenses of moving and restoring the retained dwelling to a condition comparable to that prior to the move; and

(2) The salvage or other value deducted from the acquisition cost for the retained ownership; and

(3) Additional costs, if necessary, incurred to make the unit a decent, safe, and sanitary replacement dwelling; and

(4) The cost of the replacement site, not to exceed the cost of a comparable available and suitable replacement site.

(j) 90 Day Owner/Retention of Displacement Dwelling. A 90 day owner occupant who retains ownership of his or her dwelling or the right to remove his or her dwelling may receive the benefits as if he or she were a 180 day owner occupant subject, however, to a limitation of $5,250 on maximum benefits in lieu of the $22,500 limitation set out in paragraph §777.24(b)(2).
§ 777.27 Last resort housing.

(a) Basic Determination to Provide Last Resort Housing. A displaced person cannot be required to move from his or her dwelling unless at least one comparable replacement dwelling is made available to him or her which is within his or her financial means. When such comparable replacement dwelling is not available, additional measures may be taken to provide for “last resort” housing for eligible displaced persons.

(b) Basic Rights of Persons to be Displaced. The provisions of this section do not deprive any displaced person of any rights the person may have under these regulations such as the right to accept the maximum replacement housing payment available under these regulations and to move to a decent, safe and sanitary replacement dwelling even if such dwelling is beyond the person’s financial means.

(c) Methods of Providing Replacement Housing. The Postal Service has broad latitude in implementing this section, but implementation must be on a reasonable cost basis. The Postal Service may provide last resort housing using the following methods:

(1) Rehabilitation of and/or additions to an existing replacement dwelling.

(2) The construction of a new replacement dwelling.

(3) The provision of a direct loan which requires regular amortization or deferred repayment. Terms of such loan will be at the discretion of the Postal Service.

(4) A replacement housing payment in excess of the $5,250 and $22,500 limitations contained in §777.24. A rental subsidy under this section may be provided in installments.

(5) The relocation and any needed rehabilitation of a replacement dwelling.

(6) The purchase or lease of land and/or a replacement dwelling by the Postal Service and subsequent sale or lease to, or exchange with, a displaced person.

(7) The removal of barriers to the handicapped.

(8) Any other method determined by the Postal Service to be reasonable.

(d) Proof of Financial Need. Last Resort Housing benefits exceeding the limitations under §777.24(b)(2) and
§ 777.28 Claims and appeals.

(a) Preparation of Claim. The relocation representative should assist eligible displaced persons in the preparation of claims for moving assistance and relocation housing assistance. Preliminary review should be conducted in the field by the relocation representative with the displaced person, to preclude technical difficulties in processing the claim at a higher level.

(b) Documentation. Any claim for a relocation payment must be supported by such documentation as may be required to support the claim, for example the length of occupancy at the displacement dwelling, the rent paid at the displacement dwelling, expenses incurred in relocating, etc. A displaced person must be provided reasonable assistance to complete and file any required claim.

(c) Time for Filing. All claims must be filed with the Postal Service within 18 months after the date of the actual move from the displacement property.

(d) Review, Approval and Payment. The Postal Service will review claims within 60 days of submission and approve or disapprove payment. Upon approval or partial approval of the displaced person’s claim, the Postal Service will promptly authorize payment of the approved amount. The certification that the claimant has occupied decent, safe, and sanitary housing must be completed prior to final payment of replacement housing payments.

(e) Relocation Payments Not Considered as Income. Upon approval of the claim and delivery of the relocation payment, the displaced person must be advised that no relocation payment made under these procedures shall be considered as income for the purpose of the Internal Revenue Code of 1954, or for the purpose of determining the eligibility or the extent of eligibility of any person for assistance under the Social Security Act or any other Federal Law.

(f) Certification. Certification that a person is displaced will be provided any agency requiring such information to assist that person under any Federal law or program.

(g) Advance of Funds. If the displaced person cannot arrange for the acquisition of a replacement property because of financial problems and the problems would be solved by an advance of funds, the Postal Service may determine the estimated amount of the actual claim and authorize an advance of that amount or a portion thereof. The displaced person will be fully informed in writing that his or her final claim will then be subject to adjustment. Advance payments should not be made to persons with a history of financial irresponsibility.

(h) Money Owed to the Postal Service. In cases of Postal Service leasing the acquired property to a displaced persons, or in cases of advance moving cost payments, any monies due the Postal Service by the displaced person and not paid before the remainder of the relocation payments are made must be deducted from such payments and the relocation file so documented.

(i) Notice of Denial of Claim. If the Postal Service disapproves all or part of a payment claimed, or refuses to consider the claim on its merits because of untimely filing or other grounds, it must promptly notify the claimant in writing of the determination, the basis for the determination, and the procedures for appealing the determination.

(j) Appeal Procedure. If a displaced person wishes to file an appeal:

(1) The appeal must be in writing.

(2) The appeal must be directed to the General Manager, Real Estate Division, and must set forth the displaced person’s reasons for the appeal. (The General Manager shall not have taken part in the decision which led to the appeal. Appeals misdirected to others must be forwarded immediately to the General Manager with notification of the forwarding to the appellant.)
United States Postal Service § 777.31

(3) The appeal must be submitted within 60 days after the displaced person receives written notification of the Postal Service’s original determination concerning the displacee’s claim. The Postal Service may extend this time limit for good cause.

(k) Right of Representation. A displaced person has a right to be represented by legal counsel or other representative in connection with his or her appeal, but solely at the person’s own expense.

(l) Review of Files by Appellant. The Postal Service must permit a person to inspect and copy all materials pertinent to his or her appeal, except materials which are confidential. Such inspection will be permitted as allowed under the Freedom of Information Act, 39 CFR Part 265.

(m) Scope of Review. In deciding an appeal, the Postal Service must consider all pertinent justification and other material submitted by the displaced person and all other available information that is needed to ensure a fair and full review of the appeal.

(n) Determination and Notification After Appeal. Promptly after receipt of all supporting information submitted by the appellant, the General Manager, Real Estate Division, must make a written determination on the appeal, including the basis on which the decision was made, and furnish the appellant a copy. If the full relief requested is not granted at the Service Center level, the General Manager, Real Estate Division, must advise the person of his or her right to appeal the decision to the Director, Office of Real Estate. The rules stated here for appeals to the General Manager apply as well as to appeals to the Director, Office of Real Estate.

Subpart C—Acquisition

§ 777.31 Acquisition procedures.

(a) Policy; Application of Section. The Postal Service, as a matter of policy, acquires interests in real property through voluntary agreements with owners. Only under unusual and compelling circumstances, and on a case-by-case basis, does the Postal Service acquire real property through the exercise or the threat of the exercise of eminent domain. This policy does not, however, prevent the Postal Service from occasionally entering into mutually agreeable condemnation proceedings with an owner, where price is not an issue, and for such purposes as to clear title or to acquire property from certain elected officials. For the purposes of this section, the Postal Service does not consider such voluntary and mutually agreeable uses of condemnation proceedings as the exercise or the threat of the exercise of eminent domain. The following regulations apply only to acquisitions by the exercise or the threat of the exercise of eminent domain:

(1) Notice to Owner. As soon as feasible after deciding to acquire a specific property through the exercise of eminent domain, the Postal Service must notify the owner of its intent to acquire the property.

(2) Expeditious Negotiations. The Postal Service must make every reasonable effort to acquire real property expeditiously by negotiation.

(3) Appraisal and Invitation to Owner. Before the initiation of negotiations, the real property shall be appraised in accordance with Postal Service appraisal standards as outlined in RE–1 and the owner or the owner’s designated agent shall be given an opportunity to accompany the appraiser during the appraiser’s inspection of the property.

(4) Establishment of Offer of Just Compensation. Prior to the initiation of negotiations (see § 777.13(k) for definition) the Postal Service must establish an amount which it believes is just compensation for the real property rights to be acquired. The amount must not be less than the approved appraisal of the fair market value, including damages or benefits to the remaining property. Appraisers shall not give consideration to, or include in their real property appraisals, any allowances for the benefits provided by title II of the Act.

(5) Summary Statement. Promptly after determining fair market value, the Postal Service shall make a written offer to acquire the property for the full amount believed to be just compensation. Along with the written
purchase offer, the owner must be given a written statement of the basis for the offer of just compensation. This statement must include:

(i) A statement of the amount offered as just compensation. In the case of a partial acquisition, the compensation for the real property to be acquired and the compensation for damages, if any, must be separately stated.

(ii) The location and description of the real property and the interest(s) to be acquired.

(iii) An identification of the buildings, structures, and other improvements (including removable building equipment and trade fixtures) which are considered part of the real property for which the offer of just compensation is made. Where appropriate, the statement shall identify and separately held ownership interest in the improvement(s), for example, a tenant-owned improvement.

(6) Basic Negotiation Procedures. The Postal Service must make every reasonable effort to contact the owner or the owner’s representative and:

(i) Discuss the Postal Service’s offer to purchase the property including the basis for the offer of just compensation, and;

(ii) Explain Postal Service acquisition policies and procedures including the provisions for the payment of incidental expenses as described under §777.33.

(7) Opportunity to Consider Offer. The owner must be given a reasonable opportunity to consider the Postal Service’s offer, to present material which he or she believes is relevant to determining the value of the property, and to suggest modification in the proposed terms and conditions of the purchase. The Postal Service must consider the owner’s presentation.

(8) Updating Offer of Just Compensation. If the information presented by the owner or a material change in the character or condition of the property indicates the need for new appraisal information, or if a significant delay has occurred since the time of the appraisal(s) of the property, the Postal Service must have the appraisal(s) updated or obtain a new appraisal(s). If the latest appraisal information indicates that a change in the purchase offer is warranted, the Postal Service must promptly reestablish just compensation and offer the revised amount to the owner in writing.

(9) Contracts and Options. Contracts to purchase shall cover only those items related to the acquisition of the property, and not incorporate provisions for making payments for relocation costs or related costs under title II of these regulations.

(10) Title II Benefits Not To Be Considered. In the event of condemnation, estimated compensation shall be determined solely on the basis of the appraised value of the real property with no consideration being given to or reference contained therein to the payments to be made under title II.

(11) Coercive Action. The Postal Service shall not advance the time of condemnation, or defer negotiations or condemnation, or the deposit of funds with the court, or take any other coercive action in order to induce an agreement on the price to be paid for the property.

(12) Inverse Condemnation. If the Postal Service intends to acquire any interest in real property by exercise of the power of eminent domain, it must institute formal condemnation proceedings and not intentionally make it necessary for the owner to institute proceedings to prove the fact of the taking of the real property.

(13) Payment Before Taking Possession. Before requiring the owner to surrender possession of the real property, the Postal Service must either:

(i) Pay the agreed purchase price to the owner; or

(ii) In the case of a condemnation proceeding, deposit with the court for the benefit of the owner an amount not less than the amount of the approved appraised value of the property or the amount of the award of compensation in the condemnation proceeding for the property.

(14) Right-of-Entry. With the prior approval of the owner, the Postal Service may obtain a right-of-entry before making payment to the owner.

§777.32 Acquisition of tenant-owned improvements.

(a) Acquisition of Improvements. When acquiring any interest in real property,
the Postal Service must acquire at least an equal interest in all buildings, structures, or other improvements located upon the real property. This must include any improvement of a tenant owner who has the right or obligation to remove the improvement at the expiration of the lease term.

(b) Special Conditions. Payment for tenant-owned improvements will be made to the tenant only if he or she meets the following conditions:

1. In consideration for the payment the tenant-owner assigns, transfers, and releases to the Postal Service all of the tenant-owner’s rights, title, and interests in the improvement;
2. The owner of the real property on which the improvement is located disclaims all interest in the improvement; and
3. The payment does not result in the duplication of any compensation otherwise authorized by law.

(c) Preservation of Tenant’s Rights. Nothing in this section shall be construed to deprive the tenant-owner of any rights to reject payment under this section and to obtain payment for such property interests in accordance with other applicable law.

§ 777.33 Expenses incidental to transfer of title to the Postal Service.

(a) Reimbursement. When property is acquired through the exercise or the threat of the exercise of eminent domain, the owner shall be reimbursed for all reasonable expenses he or she necessarily incurred in conveying the real property to the Postal Service for:

1. Recording fees, transfer taxes, documentary stamps, evidence of title, boundary surveys, legal descriptions of the real property, and similar incidental expenses. However, the Postal Service will not pay costs solely required to perfect the owner’s title to the real property.
2. Penalty costs and other charges for prepayment of any preexisting recorded mortgage, entered into in good faith, encumbering the real property.
3. The prorata portion of any prepaid real property taxes which are allocable to the period after the Postal Service obtains title to the property or effective possession of it, whichever is earlier.

(b) Direct Payment. Whenever feasible the Postal Service must pay these costs directly and thus avoid the need for an owner to pay such costs and then seek reimbursement from the Postal Service.

(c) Certain Litigation Expenses. The owner of the real property acquired must be reimbursed any reasonable expenses, including reasonable attorney, appraisal, and engineering fees which the owner actually incurred because of a condemnation proceeding if:

1. The final judgment of the court is that the Postal Service cannot acquire the real property by condemnation; or
2. The condemnation proceeding is abandoned by the Postal Service other than under an agreed-upon settlement; or
3. The court having jurisdiction renders a judgment in favor of the owner in an inverse condemnation proceeding or the Postal Service effects a settlement of such a proceeding.

Subpart D—Voluntary Acquisitions

§ 777.41 Acquisition procedures.

(a) Voluntary Acquisitions. Acquisition rules for voluntary purchases are set out in Handbook RE-1, Realty Acquisition and Management and cover such areas as appraisal and negotiation procedures.

(b) Tenant-Owned Improvements. In general the Postal Service deals exclusively with the fee owner on the acquisition of all real property interest at the site. The Postal Service may, however, in exceptional cases deal directly with a tenant on a leasehold improvements matter. Should the Postal Service acquire the fee interest without acquiring rights in a leasehold improvement under circumstances in which the tenant would be entitled to compensation under § 777.32 of this part, if the acquisition were by eminent domain or the under threat thereof, the tenant will be entitled to the benefits that would, under such circumstances, have been paid under § 777.32 of this part, unless the tenant has formally disclaimed further right in the real property improvement beyond the time of the expiration of his or her tenancy.
Subpart E—Donations

§ 777.51 Acceptance of donations.

Nothing in these regulations shall prevent a person from making a gift or donation of real property or any part thereof, or any interest therein, or of any compensation paid therefor, to the Postal Service. The Postal Service may obtain an appraisal of the real property for income tax or other purposes if the owner thereof requests the Postal Service to do so.

PART 778—INTERGOVERNMENTAL REVIEW OF POSTAL SERVICE FACILITY ACTIONS

§ 778.1 What is the purpose of these regulations?

(a) The regulations in this part implement Executive Order 12372, “Intergovernmental Review of Federal Programs,” issued July 14, 1982 and amended on April 8, 1983. (a) A state may select any categories of facility project actions published in the FEDERAL REGISTER in accordance with §778.3 for intergovernmental review under these regulations. Each state, before selecting categories of facility project actions, shall consult with local elected officials.

(b) Each state that adopts a process shall notify the Postal Service of the Postal Service’s categories of facility actions selected for that process.

(c) A state may notify the Postal Service of changes in its selections at any time. For each change, the state shall submit to the Postal Service an assurance that the state has consulted with local elected officials regarding the change. The Postal Service may establish deadlines by which states are required to inform the Postal Service of changes in their facility action category selections.

(d) The Postal Service uses a state’s process as soon as feasible, after the Postal Service is notified of the state’s selections.

§ 778.7 How does the Postal Service communicate with state and local officials concerning the Postal Service’s facility project actions?

This notice may be made by publication in local newspapers and/or by letter.

The Postal Service gives the NCPC 90 days to comment on projects in the Maryland and Virginia portions of the National Capital Region.

(b) This section also applies to comments in cases in which the review, coordination, and communication with the Postal Service have been delegated.

(a) If a state process provides a state process recommendation to the Postal Service through its single point of contact, the Postal Service either:

(1) Accepts the recommendation;

(2) Reaches a mutually agreeable solution with the state process; or

(3) Provides the single point of contact with such written explanation of its decision as the Postal Service in its discretion deems appropriate. The Postal Service may also supplement the written explanation by providing the explanation to the single point of contact by telephone, other telecommunication, or other means.

(b) In any explanation under paragraph (a)(3) of this section, the Postal Service informs the single point of contact that:

(1) The Postal Service will not implement its decision for at least ten days after the single point of contact receives the explanation; or

(2) The Postal Service has reviewed the decision and determined that because of unusual circumstances, the waiting period of at least ten days is not feasible.

(c) For purposes of computing the waiting period under paragraph (b)(1) of this section, a single point of contact is presumed to have received written notification 5 days after the date of mailing of such notification.

§ 778.11 What are the Postal Service's obligations in interstate situations?

(a) The Postal Service is responsible for:

§ 927.1 Noncontractual carriage of international mail by vessel.

(a) Report of infraction. Where evidence is found or reported that a carrier of mail by vessel which has transported mail pursuant to the provisions of Chapter 4, USPS Purchasing Manual, has unreasonably or unnecessarily delayed the mails, or committed other delinquencies in the transportation of mail, has failed to carry the mail in a safe and secure manner, or has caused loss or damage to the mail, the facts will be reported to International Network Operations, Headquarters.

(c) Penalty action. International Network Operations, upon review of the record, may impose a fine or penalty against a carrier for any irregularity properly documented, whether or not penalty action has been recommended. International Network Operations will send the tentative decision, including notice of the irregularities found and the amount of fine or penalty proposed, to the carrier. The carrier may present a written defense to the proposed action within 21 days after receipt of the tentative decision. International Network Operations will advise the carrier of the final decision.

(d) Appeal. If the final decision includes a penalty International Network Operations will advise the carrier that it may, within 30 days, appeal the action in writing to the Vice President, Network Operations Management, U.S. Postal Service Headquarters and that its written appeal should include all facts and arguments upon which the carrier relies in support of the appeal. A summary of the explanation, if any, will be entered in the record. A copy of the report will be provided to the local station manager of the air carrier concerned at the close of each tour or not less frequently than each 24 hours.

(b) Carrier conferences. At least one a month, postal officials will schedule meetings with the local representatives of the affected air carriers to discuss the reported irregularities. The carrier’s representative will be offered the opportunity to comment on any irregularity, and any comments will be attached and/or be made part of the record. The reports on which penalty action is recommended will then be processed by International Network Operations, Postal Headquarters.

(c) Review, investigation, penalty action. International Network Operations will review the matter and advise the carrier of the recommendations. International Network Operations will send the decision, including notice of the irregularities alleged and the amount of fine or penalty proposed to the carrier. The Postal Service may, in its discretion, deduct from payment otherwise due the air carrier an amount necessary to satisfy the penalty action taken under this section.

(d) Appeal. If the final decision includes a penalty, International Network Operations will advise the carrier that it may, within 30 days, appeal the action in writing to the Vice President, Network Operations Management, Postal Headquarters, and that its written appeal should include all facts and arguments upon which the carrier relies in support of the appeal. If an appeal is not received, International Network Operations will close the file. He will advise the carrier of the decision in writing and will take action consistent with that decision. The Vice President, Network Operations Management, may sustain, rescind, or compromise a fine or penalty. The decision of the Vice President, Network Operations Management, on appeal shall be the final decision of the Postal Service. The Postal Service may, in its discretion, deduct from payment otherwise due the air carrier an amount necessary to satisfy the penalty action taken under this section.

If judicial proceedings are not instituted within 45 days, or any extension of time for good cause shown, the contraband property must be destroyed unless the Chief Postal Inspector or delegate determines that it should be placed in official use by the Postal Inspection Service. Property subject to this part, the disposition of which is involved in litigation or is subject to an order of court, must be disposed of as determined by the court.

§ 946.4 Disposition of property of unknown owners.

1. (i) At the same time a request for deposition is filed; or

(ii) Fifteen (15) days before a scheduled hearing where the attendance of a witness at a hearing is sought.

(2) A request for a subpoena shall state the reasonable scope and relevance to the case of the testimony and of any records sought.

(3) The presiding officer, in his or her sole discretion, may honor requests for subpoenas not presented within the time limitations specified in this paragraph.

(d) Motion to quash or modify. (1) Upon written request by the person subpoenaed or by a party, the presiding officer may:

(i) Quash or modify the subpoena if it is unreasonable, oppressive or for other good cause shown, or

(ii) Require the person in whose behalf the subpoena was issued to advance the reasonable cost of producing subpoenaed records. Where circumstances require, the presiding officer may act upon such a request at any time after a copy has been served upon the opposing party.

(2) Motions to quash or modify a subpoena shall be filed within 10 days of service, or at least one day prior to any scheduled hearing, whichever first occurs. The presiding officer, in his or her sole discretion, may entertain motions to quash or modify not made within the time limitations specified in this paragraph.

(e) Form; issuance. (1) Every subpoena shall state the title of the proceeding, shall cite 39 U.S.C. 3016(a)(2) as the authority under which it is issued, and shall command each person to whom it is directed to attend and give testimony, and if appropriate, to produce specified records at a time and place therein specified. In issuing a subpoena to a requesting party, the presiding officer shall sign the subpoena and may, in his or her discretion, enter the name of the witness and otherwise leave it blank. The party to whom the subpoena is issued shall complete the subpoena before service.

(2) The party at whose instance a subpoena is issued shall be responsible for the payment of fees and mileage of the witness in accordance with 28 U.S.C. 1821, or other applicable law, and of the officer who serves the subpoena. The failure to make payment of
§ 952.21 Discovery.

(a) Voluntary discovery. The parties are encouraged to engage in voluntary discovery procedures. In connection with any deposition or other discovery procedure, the presiding officer may issue any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, and those orders may include limitations on the scope, method, time and place for discovery, and provisions for protecting such charges on demand may be deemed by the presiding officer as sufficient ground for striking the testimony of the witness and the evidence the witness has produced.

(f)(1) Service in general. The party requesting issuance of a subpoena shall arrange for service.

(2) Service within the United States. A subpoena issued under this section may be served by a person designated under 18 U.S.C. 3061 or by a United States marshal or deputy marshal, or by any other person who is not a party and not less than 18 years of age at any place within the territorial jurisdiction of any court of the United States.

(3) Service outside the United States. Any such subpoena may be served upon any person who is not to be found within the territorial jurisdiction of any court of the United States, in such manner as the Federal Rules of Civil Procedure prescribe for service in a foreign country. To the extent that the courts of the United States may assert jurisdiction over such person consistent with due process, the United States District Court for the District of Columbia shall have the same jurisdiction to take any action respecting compliance with this section by such person that such court would have if such person were personally within the jurisdiction of such court.

(4) Service on business persons. Service of any such subpoena may be made upon a partnership, corporation, association, or other legal entity by:

(i) Delivering a duly executed copy thereof to any partner, executive officer, managing agent, or general agent thereof, or to any agent thereof authorized by appointment or by law to receive service of process on behalf of such partnership, corporation, association, or entity;

(ii) Delivering a duly executed copy thereof to the principal office or place of business of the partnership, corporation, association, or entity; or

(iii) Depositing such copy in the United States mails, by registered or certified mail, return receipt requested, duly addressed to such partnership, corporation, association, or entity at its principal office or place of business.

(5) Service on natural persons. Service of any subpoena may be made upon any natural person by:

(i) Delivering a duly executed copy to the person to be served; or

(ii) Depositing such copy in the United States mails, by registered or certified mail, return receipt requested, duly addressed to such person at his or her residence or principal office or place of business.

(6) Verified return. A verified return by the individual serving any such subpoena setting forth the manner of such service shall constitute proof of service. In the case of service by registered or certified mail, such return shall be accompanied by the return post office receipt of delivery of such subpoena, or a statement of service by registered or certified mail in the event that receipt of delivery is unavailable.

(g) Contumacy or refusal to obey a subpoena. In the case of refusal to obey a subpoena, the Judicial Officer may request the Attorney General to petition the district court for any district in which the person receiving the subpoena resides, is found, or conducts business (or in the case of a person outside the territorial jurisdiction of any district court, the district court for the District of Columbia) to issue an appropriate order for the enforcement of such subpoena. Any failure to obey such order of the court may be punishable as contempt.

§ 952.20 Witness fees.

The Postal Service does not pay fees and expenses for Respondent’s witnesses or for depositions requested by Respondent, unless otherwise ordered by the presiding officer.

§ 952.21 Discovery.
the secrecy of confidential information or documents.

(b) Discovery disputes. The parties are required to make a good faith effort to resolve objections to discovery requests informally. A party receiving an objection to a discovery request, or a party which believes that another party's response to a discovery request is incomplete or entirely absent, may file a motion to compel a response, but such a motion must include a representation that the moving party has tried in good faith, prior to filing the motion, to resolve the matter informally. The motion to compel shall include a copy of each discovery request at issue and the response, if any.

(c) Discovery limitations. The presiding officer may limit the frequency or extent of use of discovery methods described in these rules. In doing so, generally the presiding officer will consider whether:

(1) The discovery sought is unreasonably cumulative or duplicative, or is obtainable from some other source that is more convenient, less burdensome, or less expensive;

(2) The party seeking discovery has had ample opportunity by discovery in the case to obtain the information sought; or

(3) The discovery is unduly burdensome and expensive, taking into account the needs of the case, the amount in controversy, limitations on the parties' resources, and the importance of the issues at stake.

(d) Interrogatories. At any time after service of the complaint, a party may serve on the other party written interrogatories to be answered separately in writing, signed under oath and returned within 30 days. Upon timely objection, the presiding officer will determine the extent to which the interrogatories will be permitted.

(e) Requests for admission. At any time after service of the complaint, a party may serve upon the other party a request for the admission of specified facts. Within 30 days after service, the party served shall answer each requested fact or file objections thereto. The factual propositions set out in the request may be ordered by the presiding officer as deemed admitted upon the failure of a party to respond timely and fully to the request for admissions.

(f) Requests for production of documents. At any time after service of the complaint, a party may serve on the other party written requests for the production, inspection, and copying of any documents, electronically stored information, or things, to be answered within 30 days. Upon timely objection, the presiding officer will determine the extent to which the requests must be satisfied, and if the parties cannot themselves agree thereon, the presiding officer shall specify just terms and conditions for compliance.

(g) Depositions. Except as stated herein, depositions shall be conducted in accordance with Rule 30 of the Federal Rules of Civil Procedure.

(1) After a complaint has been filed and docketed, the parties may mutually agree to, or the presiding officer may, upon application of either party and for good cause shown, order the taking of testimony of any person by deposition upon oral examination or written interrogatories before any officer authorized to administer oaths at the place of examination, for use as evidence or for purpose of discovery. The application for order shall specify whether the purpose of the deposition is discovery or for use as evidence.

(2) The time, place, and manner of conducting depositions shall be as mutually agreed by the parties or, failing such agreement, and upon proper application, governed by order of the presiding officer.

(3) No testimony taken by deposition shall be considered as part of the evidence in the hearing of an appeal unless and until such testimony is offered and received in evidence at or before such hearing. It will not ordinarily be received in evidence if the deponent is available to testify at the hearing, but the presiding officer may admit testimony taken by deposition in his or her discretion. A deposition may be used to contradict or impeach the testimony of the witness given at the hearing. In cases submitted on the written record in lieu of an oral hearing, the presiding officer may, in his or her discretion, receive depositions as evidence in supplementation of that record.
(4) Each party shall bear its own expenses associated with the taking of any deposition unless otherwise ordered by the presiding officer.

(h) Sanctions. If a party fails to appear for a deposition, after being served with a proper notice, or fails to serve answers or objections to interrogatories, requests for admissions, or requests for the production or inspection of documents, after proper service, the party seeking discovery may request that the presiding officer impose appropriate orders. Failure of a party to comply with an order pursuant to this rule may result in the presiding officer’s ruling that the disobedient party may not support or oppose designated charges or defenses or may not introduce designated matters in evidence. The presiding officer may also infer from the disobedient party’s failure to comply with the order that the facts to which the order related would, if produced or admitted, be adverse to such party’s interests. In the sole discretion of the presiding officer, failure of a party to comply with an order pursuant to this rule may result in the presiding officer’s issuance of an order of default under §952.11(c).

§ 952.23 Proposed findings and conclusions.

(a) Each party to a proceeding, except one who fails to answer the complaint or, having answered, either fails to appear at the hearing or indicates in the answer that he or she does not desire to appear, may, unless at the discretion of the presiding officer such is not appropriate, submit proposed findings of fact, conclusions of law, orders and supporting reasons either in oral or written form in the discretion of the presiding officer. The presiding officer may also require parties to any proceeding to submit proposed findings of fact, conclusions of law, orders, and supporting reasons. Unless given orally, the date set for filing of proposed findings of fact, conclusions of law, orders and supporting reasons shall be within 30 days after the delivery of the official transcript to the Recorder who shall notify both parties of the date of its receipt. The filing date for proposed findings of fact, conclusions of law, orders and supporting reasons shall be the same for both parties. If not submitted by such date, or unless extension of time for the filing thereof is granted, they will not be included in the record or given consideration.

(b) Except when presented orally before the close of the hearing, proposed findings of fact shall be set forth in serially numbered paragraphs and shall
§ 952.24 Decisions.

(a) Initial decision by Administrative Law Judge. A written initial decision shall be rendered by an Administrative Law Judge as soon as practical after completion of the hearing, or after close of the record in matters heard upon the written record in lieu of an oral hearing under §952.17(b)(10). The initial decision shall include findings and conclusions with the reasons therefor upon all the material issues of fact or law presented on the record, and the appropriate orders or denial thereof. The initial decision shall become the final agency decision unless an appeal is taken in accordance with §952.25.

(b) Tentative or final decision by the Judicial Officer. When the Judicial Officer presides at the hearing he or she shall issue a final or a tentative decision. Such decision shall include findings and conclusions with the reasons therefor upon all the material issues of fact or law presented on the record, and the appropriate orders or denial thereof. The tentative decision shall become the final agency decision unless exceptions are filed in accordance with §952.25.

(c) Oral decisions. The presiding officer may render an oral decision (an initial decision by an Administrative Law Judge, or a tentative or final decision by the Judicial Officer) at the close of the hearing when the nature of the case and the public interest warrant. A party which desires an oral decision shall notify the presiding officer and the opposing party at least 5 days prior to the date set for the hearing. Either party may submit proposed findings, conclusions, and proposed orders either orally or in writing at the conclusion of the hearing.

§ 952.25 Exceptions to initial decision or tentative decision.

(a) A party in a proceeding presided over by an Administrative Law Judge may appeal to the Judicial Officer by filing exceptions in a brief on appeal within 15 days from the receipt of the Administrative Law Judge’s initial decision.

(b) A party in a proceeding presided over by the Judicial Officer may file exceptions within 15 days from the receipt of the Judicial Officer’s tentative decision.

(c) If an initial or tentative decision is rendered orally by the presiding officer at the close of the hearing, he or she may then orally provide notice to the parties participating in the hearing of the time limit within which an appeal must be filed.

(d) The date for filing the reply to an appeal brief or to a brief in support of exceptions to a tentative decision by the Judicial Officer is 10 days after the receipt thereof. No additional briefs shall be received unless requested by the Judicial Officer.

(e) Briefs upon appeal or in support of exceptions to a tentative decision by the Judicial Officer and replies thereto shall be filed in duplicate with the Recorder and contain the following matter:

(1) A subject index of the matters presented, with page references; a table of cases alphabetically arranged; a list of statutes and texts cited with page references;

(2) A concise abstract or statement of the case in briefs on appeal or in support of exceptions;

(3) Numbered exceptions to specific findings and conclusions of fact, conclusions of law, or recommended orders of the presiding officer in briefs on appeal or in support of exceptions; and

(4) A concise argument clearly setting forth points of fact and of law relied upon in support of or in opposition to each exception taken, together with specific references to the parts of the
§ 952.30 Supplemental orders.

When the Chief Postal Inspector or his or her designee, or the Chief Postal Inspector’s designated representative shall have reason to believe that a person is evading or attempting to evade the provisions of any such orders by conducting the same or a similar enterprise under a different name or at a different address, he or she may file a petition with accompanying evidence setting forth the alleged evasion or attempted evasion and requesting the issuance of a supplemental order or orders against the name or names allegedly used. Notice shall then be given by the Recorder to the person that the

§ 952.29 Modification or revocation of orders.

A party against which an order or orders have been issued may file an application for modification or revocation thereof. The Recorder shall transmit a copy of the application to the Chief Postal Inspector or his or her designee, who shall file a written reply within 10 days after filing or such other period as the Judicial Officer may order. A copy of the reply shall be sent to the applicant by the Recorder. Thereafter an order granting or denying such application will be issued by the Judicial Officer.

§ 952.28 Orders.

(a) If an order is issued which prohibits delivery of mail to Respondent it shall be incorporated in the record of the proceeding. The Recorder shall cause notice of the order to be published in the Postal Bulletin and cause the order to be transmitted to such postmasters and other officers and employees of the Postal Service as may be required to place the order into effect.

(b) If an order is issued which requires Respondent to cease and desist from using certain representations for the purpose of obtaining money or property through the mail, it shall be incorporated in the record of the proceeding and a copy thereof shall be served upon Respondent or his or her or its agent by certified mail or by personal service, or if no person can be found to accept service, service shall be accomplished by ordinary mail to the last known address of Respondent or his or her or its agent. If service is not accomplished by certified mail, a statement, showing the time and place of delivery, signed by the postal employee who delivered the order, shall be forwarded to the Recorder.

§ 952.27 Motion for reconsideration.

A party may file a motion for reconsideration of a final agency decision within 10 days after receiving it or within such longer period as the Judicial Officer may order. Each motion for reconsideration shall be accompanied by a brief clearly setting forth the points of fact and of law relied upon in support of said motion.

§ 952.26 Judicial Officer.

(a) The Judicial Officer is authorized:
(1) To act as presiding officer;
(2) To render tentative decisions;
(3) To render final agency decisions;
(4) To issue Postal Service orders for the Postmaster General;
(5) To refer the record in any proceeding to the Postmaster General or the Deputy Postmaster General for final agency decision;
(6) To remand a case to the presiding officer for consideration; and,
(7) To revise or amend these rules of practice.

(b) In determining appeals from initial decisions or exceptions to tentative decisions, the entire official record will be considered before a final agency decision is rendered. Before rendering a final agency decision, the Judicial Officer may order the hearing reopened for the presentation of additional evidence by the parties.

§ 952.25 Orders.

(a) If an order is issued which prohibits delivery of mail to Respondent it shall be incorporated in the record of the proceeding. The Recorder shall cause notice of the order to be published in the Postal Bulletin and cause the order to be transmitted to such postmasters and other officers and employees of the Postal Service as may be required to place the order into effect.
order has been requested and that an answer may be filed within 10 days of the notice. The Judicial Officer, for good cause shown, may hold a hearing to consider the issues in controversy, and shall, in any event, render a final decision granting or denying the supplemental order or orders.

§ 952.31 Computation of time.
A designated period of time under these rules excludes the day the period begins, and includes the last day of the period unless the last day is a Saturday, Sunday, or legal holiday, in which event the period runs until the close of business on the next business day.

§ 952.32 Official record.
The hearing transcript together with all pleadings, orders, exhibits, briefs and other documents filed in the proceeding shall constitute the official record of the proceeding.

§ 952.33 Public information.
The Librarian of the Postal Service maintains for public inspection in the Library copies of all initial, tentative and final agency decisions and orders. The Recorder maintains the complete official record of every proceeding.

§ 952.34 Ex parte communications.
The provisions of 5 U.S.C. 551(14), 556(d), and 557(d) prohibiting ex parte communications apply to proceedings under these rules of practice.

§ 953.1 Authority for rules.
These rules of practice are issued by the Judicial Officer of the U.S. Postal Service pursuant to authority delegated by the Postmaster General.

§ 953.2 Initiation.
Mailability proceedings are initiated upon the filing of an appeal in the Judicial Officer electronic filing system at https://uspsjoe.justware.com/justiceweb or with the Recorder, Judicial Officer Department, U.S. Postal Service, 2101 Wilson Boulevard, Suite 600, Arlington, VA 22201–3078.

[81 FR 40192, June 21, 2016]

§ 953.3 Appeal.
The appeal shall:
(a) Identify the appellant;
(b) Describe or be accompanied by a copy of the determination or ruling being appealed;
(c) Describe the character or content of the matter the appellant wishes to have carried and delivered by the U.S. Postal Service;
(d) Request review of the determination or ruling, specifying each and every reason why the appellant believes the determination or ruling should be reversed;
(e) Indicate whether the appellant desires to have an oral hearing or, instead, to have the case decided solely on the basis of the written record (i.e., the appeal, the General Counsel’s or Chief Postal Inspector’s or his or her designee’s reply reply, and any documents submitted by the parties pursuant to an order of the presiding officer); and
(f) Bear the signature, typed or printed name, title, business address, and telephone number of any attorney at law representing the appellant in bringing the appeal, and of each individual appellant or, if the appellant is
a partnership, corporation, limited liability company, or unincorporated association, of the managing partner, chief executive officer, chief operating officer, or other officer authorized to bind the organization.

§ 953.4 Filing, docketing and serving documents; service of notice; reply; motion for summary judgment.

(a) Filing. Unless the presiding officer permits otherwise, all documents must be filed using the electronic filing system. Documents submitted using the electronic filing system are considered filed as of the date/time (Eastern Time) reflected in the system. Documents mailed to the Recorder are considered filed on the date mailed as evidenced by a United States Postal Service postmark. Filings by any other means are considered filed upon receipt by the Recorder of a complete copy of the filing during normal business hours. Normal business hours are between 8:45 a.m. and 4:45 p.m. (Eastern Time), Monday through Friday except holidays. If both parties are participating in the electronic filing system, separate service upon the opposing party is not required. Otherwise, documents shall be served personally or by mail on the opposing party, noting on the document filed, or on the transmitting letter, that a copy has been so furnished.

(b) Service of notice. (1) Upon receiving the appeal, the Recorder shall issue a notice specifying that the Postal Service General Counsel’s or Chief Postal Inspector’s or his or her designee’s reply shall be filed within 15 days of receipt of the notice.

(2) The Recorder shall promptly serve this notice on the parties as follows:

(i) The notice, with a copy of the appeal, shall be sent to the General Counsel or the Chief Postal Inspector or his or her designee.

(ii) When the appellant’s address is within the United States, the notice, with a copy of the appeal, shall be sent to the postmaster at the office that delivers mail to the appellant’s address. The postmaster shall be instructed that, acting personally or through a supervisory employee or a postal inspector, he or she is to serve these documents on the appellant. If the appellant cannot be found within 3 days, the postmaster shall send these documents to the appellant by ordinary mail and forward a statement to the Recorder that is signed by the delivering employee and that specifies the time and place of delivery.

(iii) When the appellant’s address is outside the United States, the notice, with a copy of the appeal, shall be sent to the appellant by registered mail, return receipt requested. A written statement by the Recorder, noting the time and place of mailing, shall be accepted as proof of service in the event a signed and dated return receipt is not received.

(c) Reply. The General Counsel, the Chief Postal Inspector, or that officer’s designee shall file a reply within the aforementioned 15-day period or any period granted by the presiding officer for good cause shown. If the reply so filed fails to address any additional allegation in the appeal, that allegation shall be deemed admitted.

(d) Motion for summary judgment. Upon motion of the General Counsel, the Chief Postal Inspector, or that officer’s designee, or the appellant, or on the presiding officer’s own initiative, the presiding officer may find that the appeal and answer present no genuine and material issues of fact requiring an evidentiary hearing, and thereupon may render an initial decision upholding or reversing the determination or ruling. The initial decision shall become the final Agency decision if a timely appeal is not taken.

§ 953.5 Hearings.

(a) In general, admissibility of evidence at hearings conducted under this part hinges on relevancy and materiality. However, relevant evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, or by considerations of undue delay, or by needless presentation of cumulative evidence. Testimony shall be given under oath or affirmation, and witnesses are subject to cross-examination. Stipulations of fact are encouraged and may be received in evidence.
(b) Objections to the admission or exclusion of evidence shall be in short form, stating the grounds of objections relied upon. The transcript shall not include argument or debate thereon except as ordered by the presiding officer. Rulings on such objections shall be a part of the transcript. 

(c) Formal exceptions to the rulings of the presiding officer made during the course of the hearing are unnecessary. For all purposes for which an exception otherwise would be taken, it is sufficient that a party, when the ruling of the presiding officer is made or sought, makes known the action he desires the presiding officer to take or his objection to an action taken, and his grounds therefor.

§ 953.6 Compromise and informal dispositions. 
Either party may request the other to consider informal disposition of any question of mailability, and the scheduled hearing date may be postponed by the presiding officer for such period of time as may be necessary to accommodate settlement discussions between the parties.

§ 953.7 Default; Appearances. 
If a timely reply to the appeal is not filed, the presiding officer shall refer the appeal to the Judicial Officer, who may find that the General Counsel or the Chief Postal Inspector or his or her designee is in default. Whenever the General Counsel or the Chief Postal Inspector or his or her designee has been deemed to be in default, the Judicial Officer shall take whatever action on the appeal he deems appropriate. If an oral evidentiary hearing is to be held, the appellant may appear at the hearing in person or by counsel. If either party fails to appear at the hearing, the presiding officer shall receive the evidence of the party appearing and render a decision.

§ 953.8 Location of hearing. 
Unless otherwise ordered by the presiding officer, the hearing shall be held at 2101 Wilson Boulevard, Suite 600, Arlington, VA 22201–3078, on the date set in the notice.

§ 953.9 Change of place of hearing. 
(a) Not later than the date fixed for the filing of the reply, a party may file a motion that the scheduled hearing be held at a place other than that designated in the notice. The motion shall include a supporting statement outlining:
(1) The evidence to be offered in such place;
(2) The names and addresses of the witnesses who will testify; and
(3) The reasons why such evidence cannot be presented in Arlington, VA.
(b) In ruling on the motion, the presiding officer shall consider the convenience and necessity of the parties and the relevancy of the evidence to be offered.

§ 953.10 Presiding Officers. 
The presiding officer at any hearing shall be an Administrative Law Judge qualified in accordance with law or the Judicial Officer (39 U.S.C. 204). The Chief Administrative Law Judge shall assign cases. The Judicial Officer may preside at the hearing if an Administrative Law Judge is unavailable.

§ 953.11 Proposed findings of fact and conclusions of law. 
Proposed findings of fact and conclusions of law shall be submitted orally or in writing at the conclusion of the hearing, or otherwise, as ordered by the presiding officer.

§ 953.12 Initial decision. 
Unless given orally at the conclusion of the hearing, the Administrative Law Judge shall render an initial decision as expeditiously as practicable after the conclusion of the hearing and the receipt of the proposed findings and conclusions, if any. The initial decision shall become the decision of the Postal Service if an appeal is not perfected. When the Judicial Officer presides at the hearing, his powers shall include those of an Administrative Law Judge,
but the Judicial Officer may render either an initial or final decision. Exceptions may be filed to an initial decision rendered by the Judicial Officer in accordance with § 953.13.

§ 953.13 Appeal from initial decision.

Either party may file exceptions in a brief on appeal to the Judicial Officer within 5 days after receipt of the initial decision unless additional time is granted. A reply brief may be filed within 5 days after the receipt of the appeal brief by the opposing party.

§ 953.14 Final Agency decision.

The Judicial Officer shall render a final Agency decision. The decision shall be served upon the parties and the postal official having custody of any mail detained pursuant to the determination or ruling.

§ 953.15 Expedition.

For the purpose of further expedition, either party may move to have the hearing held at an earlier date than that specified in the notice. Either party may also move to have the initial decision (if an Administrative Law Judge or the Judicial Officer is presiding) or the final Agency decision (if the Judicial Officer is presiding) rendered orally at the conclusion of the hearing. The presiding officer may grant or deny any such motion. The parties may, with the concurrence of the Judicial Officer, agree to waive any of the procedures established in these rules.

§ 953.16 Disposition.

Mail matter found to be nonmailable shall be held at the post office where detained for a period of 15 days from the date of the Postal Service decision, unless that period is extended by the Judicial Officer. During this holding period, the appellant may apply for the withdrawal of the matter. If any such application is made, the General Counsel or Chief Postal Inspector or his or her designee shall be given notice and the opportunity to oppose the application. Upon the expiration of the holding period with no application having been made, the Judicial Officer shall order that the matter be disposed of in accordance with 39 U.S.C. 3001(b). If a timely application is made, the Judicial Officer shall consider the application and any reasons advanced by the General Counsel or Chief Postal Inspector or his or her designee for denying the application. The Judicial Officer shall thereafter order either that the matter be returned to the applicant or that it be disposed of in accordance with 39 U.S.C. 3001(b). § 954.5 Application.

A publisher may file an application for Periodicals mailing privileges. (See § E213 of the Domestic Mail Manual.) An authorized administrative official of the Postal Service (hereinafter called “the authorized official”) rules upon all applications. If he or she denies the application he or she shall notify the publisher specifying the reasons for his or her denial and attaching a copy of these rules. Before taking action on an application, the authorized official may call upon the publisher for additional information or evidence to support or clarify the application. Failure of the publisher to furnish such information or evidence may be cause for the authorized official to deny the application as incomplete or, on its face, not fulfilling the requirements for entry.

§ 954.6 Revocation or suspension.

When the authorized official determines that a publication is no longer entitled to Periodicals mailing privileges, he or she shall issue a ruling of suspension or revocation to the publisher at the last known address of the office of publication stating the reasons and attaching a copy of these rules.

§ 954.7 Failure to appeal proposed action.

A ruling of the authorized official shall become final upon failure of the publisher to file a petition in accordance with the requirements of § 954.8(b).

§ 954.8 Pleading.

(a) Filing and service. All documents required under this part must be filed using the electronic filing system unless the presiding officer permits otherwise. Documents submitted using the electronic filing system are considered filed as of the date/time (Eastern Time) reflected in the system. Documents mailed to the Recorder are considered filed on the date mailed as evidenced by a United States Postal Service postmark. Filings by any other means are considered filed upon receipt by the Recorder of a complete copy of the filing during normal business hours. If both parties are participating in the electronic filing system, separate service upon the opposing party is not required. Otherwise, documents shall be served personally or by mail on the opposing party, noting on the document filed, or on the transmitting letter, that a copy has been so furnished. The Recorder shall maintain a docket and the files in all proceedings.

(b) Petition. A publisher may appeal from a ruling of the authorized official...
§ 954.12 Change of place of hearing.

Not later than the date fixed for the filing of the answer, a party may file a request that a hearing be held to receive evidence in his or her behalf at a place other than that designated for hearing in the notice. He or she shall support his request with a statement setting forth:

(a) The evidence to be offered in such place;

(b) The names and addresses of the witnesses who will testify;

(c) The reasons why such evidence cannot be produced at Arlington, VA.

The presiding officer shall give consideration to the convenience and necessity of the parties and the relevancy of the evidence to be offered.

§ 954.10 Intervention or other participation.

To intervene or otherwise participate in a proceeding, any person may file a timely application in accordance with §954.8(a). A timely application is one which will not unduly delay the proceeding. The application shall state the reasons why the potential intervenor represents, his or her interest, the extent to which he or she desires to participate, and the evidence he or she seeks to introduce. The presiding officer shall fix the time within which the parties shall answer the application. The presiding officer shall grant or deny the application on such terms and conditions as he or she deems appropriate. In so doing the presiding officer will consider, among other things, whether intervention or other participation is consistent with the timely and proper adjudication of the rights of the original parties.

§ 954.11 Hearings.

Hearings are held at 2101 Wilson Boulevard, Suite 600, Arlington, VA 22201–3078, or other locations designated by the presiding officer.

[63 FR 66050, Dec. 1, 1998]

§ 954.9 Default.

If a publisher fails to appear at the hearing, the presiding officer may: (a) Dismiss the petition; (b) order the petitioner to show cause within 30 days from the date of the order why an order of dismissal should not be entered, and thereafter enter such order as the presiding officer deems to be appropriate. If the petition is dismissed by order of an Administrative Law Judge, the dismissal may be appealed to the Judicial Officer within 15 days from the date of the order.

§ 954.13 Appearances.

(a) The General Counsel of the Postal Service or a member of his or her staff designated by him or her shall represent the authorized official.

(b) A publisher or intervenor may appear and be heard in person or by attorney. Attorneys may practice before the Postal Service in accordance with applicable rules issued by the Judicial Officer. See part 951 of this chapter.

(c) An attorney representing a publisher or intervenor shall file a written authorization from the publisher or intervenor before he or she may participate in the proceeding. The publisher or intervenor must promptly file a notice of change of attorneys.

(d) When a publisher or intervenor is represented by an authorized attorney all subsequent pleadings shall be served upon the attorney.

§ 954.14 Presiding officers.

(a) The Chief Administrative Law Judge shall assign each case to an Administrative Law Judge qualified in accordance with law to preside over the hearing. Such assignments shall be made, so far as practical, in rotation.

(b) The presiding officer shall have authority to:

(1) Administer oaths and affirmations;

(2) Examine witnesses;

(3) Rule upon matters of evidence and procedure;

(4) Order any pleading amended upon motion of a party at any time prior to the close of the hearing;

(5) Maintain discipline and decorum and exclude from the hearing any person acting in an indecorous manner;

(6) Require the filing of briefs on any matter upon which he or she is required to rule;

(7) Order prehearing conferences for the settlement or simplification of issues by consent of the parties;

(8) Order the proceeding reopened at any time prior to his or her decision for the receipt of additional evidence;

(9) Render an initial decision.

§ 954.15 Judicial Officer.

(a) Evidence. The general rules of evidence governing civil proceedings in matters not involving trial by jury in the courts of the United States apply. The rules may be relaxed to the extent that the presiding officer may deem proper to insure an adequate and fair hearing. The presiding officer may exclude irrelevant or repetitious evidence.

(b) Subpoenas. The Postal Service is not authorized to issue subpoenas.

(c) Fees. The Postal Service does not pay fees and expenses for witnesses of, or depositions requested by, the publisher or intervenor.

(d) Depositions. Depositions may be taken as follows:

(1) Not later than 5 days after the filing of the authorized official’s answer, any party may file application with the presiding officer for the taking of testimony by deposition. In support of such application the applicant shall submit under oath or affirmation a statement setting out the reasons why such testimony should be taken by deposition, the time and the place, and the name and address of the witness whose deposition is desired, the subject matter of the testimony of each witness, its relevancy, and the name and address of the person before whom the deposition is to be taken.

(2) If the application is granted, the order for the taking of the deposition will specify the time and place thereof, the name of the witness, the person before whom the deposition is to be taken and any other necessary information.

§ 954.17 Transcript.

(a) A contract reporter of the Postal Service under the supervision of the presiding officer shall report hearings. The reporter shall supply the parties with copies of the transcript at rates not to exceed those fixed by contract between the Postal Service and the reporter.

(b) Changes in the official transcript may be made only when they involve substantial errors. A party may file a motion for correction of the official transcript within 10 days after his or her receipt of the transcript or any part thereof. Other parties shall, within such time as may be specified by the presiding officer, notify the presiding officer in writing if they object to the requested corrections. Failure of a party to interpose timely objection to a proposed correction may be considered by the presiding officer to be concurrence. The presiding officer shall then specify the corrections to be made in the transcript. He or she may on his or her own initiative order corrections in the transcript after notice to the parties subject to their objection.

§ 954.18 Proposed findings and conclusions.

(a) A party to a proceeding may submit proposed findings of fact and conclusions of law to the presiding officer. The presiding officer shall determine whether they shall be oral or written. The presiding officer may require parties to a proceeding to submit proposed findings of fact and conclusions of law with supporting reasons. When the proposed findings and conclusions are not submitted orally they shall be filed within 15 days after delivery of the official transcript to the Recorder. The Recorder shall notify the parties of the filing date which shall be the same for both parties. If not submitted by that date, the findings and conclusions will not be considered or included in the record.

(b) Except when presented orally, proposed findings of fact and conclusions of law shall be set forth in numbered paragraphs and shall state with particularity all evidentiary facts in the record with appropriate citations to the transcript or exhibits relied upon to support the conclusions proposed. Each proposed conclusion shall be separately stated.

§ 954.19 Initial decision.

(a) Upon request of either party the presiding officer may render an oral initial decision at the close of the hearing when the nature of the case and the public interest warrant. If a party desires an oral initial decision he or she shall notify the presiding officer and the opposing party at least 5 days prior to the date set for hearing. Parties may then submit proposed findings and conclusions orally or in writing at the conclusion of the hearing.

(b) If an oral initial decision is not rendered, the presiding officer shall render a written initial decision with all due speed after the parties have submitted all posthearing material. The initial decision shall become the final agency decision unless it is appealed.

(c) The initial decision shall include findings upon all material issues of fact and law presented on the record and the reasons for those findings.

§ 954.20 Appeals.

(a) A party may appeal to the Judicial Officer from an initial decision by filing exceptions in a brief on appeal within 15 days from the receipt of a written or oral initial decision.

(b) The time for the filing of the reply brief is 10 days after receipt of the appeal brief. No additional briefs shall be received unless requested by the Judicial Officer.

(c) Appeal briefs shall contain the following matter in the order indicated:

(1) A subject index of the matters presented with page references;
(2) A table of cases alphabetically arranged;
(3) A list of statutes and texts cited with page references;
(4) A concise abstract or statement of the case;
(5) Numbered exceptions to the findings and conclusions of the presiding officer and the reasons for the exceptions.

(d) Reply briefs shall contain paragraphs (c) (1), (2), and (3) of this section and the reasons for opposing the exceptions.

§ 954.21 Motion for reconsideration.

Within 10 days from the date thereof, or such longer period as may be fixed by the Judicial Officer, either party may file a motion for reconsideration of a final Agency decision.

§ 954.22 Continuances.

For good cause shown, continuances or extensions may be granted by the presiding officer. Similar action may be taken by the Judicial Officer when the proceeding is on appeal.

§ 954.23 Computation of time.

A designated period of time under these rules excludes the day the period begins, and includes the last day of the period unless the last day is a Saturday, Sunday, or holiday, in which case the period is extended to the next working day.
§ 954.24 Official record.

The pleadings, orders, exhibits, transcript of testimony, briefs, decisions and other documents filed in the proceeding constitute the official record of the proceeding.

§ 954.25 Public information.

The Librarian of the Postal Service maintains for public inspection in the Library copies of all initial and final Agency decisions. The Recorder of the Postal Service maintains a complete official record of every proceeding. A person may examine a record upon authorization by the Judicial Officer.

§ 954.26 Ex parte communications.

The provisions of 5 U.S.C. 551(14), 556(d) and 557(d) prohibiting ex parte communications are made applicable to proceedings under these rules of practice.

§ 955.1 Jurisdiction, procedure, service of documents.

(a) Jurisdiction for considering appeals. Pursuant to the Contract Disputes Act of 1978, 41 U.S.C. 7101–7109, the Postal Service Board of Contract Appeals (Board) has jurisdiction to consider and decide any appeal from a decision of a contracting officer of the United States Postal Service or the Postal Regulatory Commission relative to a contract made by either. In addition the Board has jurisdiction over other matters assigned to it by the Postmaster General, and over matters otherwise authorized by applicable law.

(2) The Board consists of the Judicial Officer as Chairman, and the Judges of the Board, as appointed by the Postmaster General in accordance with the Contract Disputes Act of 1978, 41 U.S.C. 7101–7109. All members of the Board shall meet the qualifications established in the Contract Disputes Act. In general, appeals are assigned to a panel of at least three members of the Board. The decision of a majority of the panel constitutes the decision of the Board.
§ 955.2 Board procedures—

(c) Board procedures—

(1) Rules. Appeals to the Board are handled in accordance with the rules of the Board.

(2) Administration and interpretation of rules. These rules will be interpreted so as to secure a just and inexpensive determination of appeals without unnecessary delay. Emphasis is placed upon the sound administration of these rules in specific cases, because it is impracticable to articulate a rule to fit every possible circumstance which may be encountered. The Board may consider the Federal Rules of Civil Procedure for guidance in construing those Board rules that are similar to Federal Rules and for matters not specifically covered herein.

(3) Time, computation, and extensions.

(i) All time limitations specified for various procedural actions are computed as maximums, and are not to be fully exhausted if the action described can be accomplished in a lesser period. These time limitations are similarly eligible for extension in appropriate circumstances.

(ii) Unless otherwise specified by the Board, orders and decisions shall be considered received by the parties on the date posted to the electronic filing system. Except as otherwise provided by law, in computing any period of time prescribed by these rules or by any order of the Board, the day of the event from which the designated period of time begins to run shall not be included, but the last day of the period shall be included unless it is a Saturday, Sunday, or a federal holiday in which event the period shall run to the end of the next business day. Except as otherwise provided in these rules or an applicable order, prescribed periods of time are measured in calendar days rather than business days.

(iii) Requests for extensions of time from either party shall be made in writing stating good cause therefor, shall represent that the moving party has contacted the opposing party about the request, or made reasonable and good faith efforts to do so, and shall indicate whether the opposing party consents to the extension. If the request for extension of time is filed after the time for taking the required action has expired, the request should indicate the reasons for the party’s failure to have submitted the request before that time expired.

(4) Manner of filings. Pleadings and other communications shall be filed using the electronic filing system unless the Board permits otherwise. Documents submitted using that system are considered filed with the Board as of the date/time (Eastern Time) reflected in the system. Documents mailed to the Board are considered filed with the Board on the date mailed as evidenced by a United States postmark. Filings submitted by any other means are considered filed with the Board upon receipt by the Recorder of a complete copy of the filing during the Board’s working hours (8:45 a.m.–4:45 p.m. Eastern Time).

(5) Service. If both parties to an appeal are participating via the electronic filing system, separate service upon the opposing party is not required. Otherwise, documents shall be served personally or by mail with the opposing party by an equally or more expeditious means of transmittal, noting on the document filed with the Board, or on the transmitting letter, that a copy has been furnished. The filing of a document by fax transmission occurs upon receipt by the Board of the entire legible submission by fax. Copies of simultaneous briefs shall not be filed electronically or otherwise exchanged by the parties but rather shall be filed only with the Board by mail, fax, commercial carrier, or in-person. The Board will distribute simultaneous briefs electronically, or otherwise as appropriate. The Board may determine not to extend a deadline for filing if the extension is necessary solely because the Board’s fax machine is busy or otherwise unavailable when a filing is due. Submissions filed by fax shall be followed promptly by filing by mail.

§ 955.2 Initiation of appeals.

An appeal must be initiated by the filing of a notice of appeal (or equivalent). See § 955.1(c)(4). The notice of appeal must be in writing and must be
§ 955.3 Contents of notice of appeal.

(a) A notice of appeal from a contracting officer’s decision should indicate that an appeal is thereby intended. It should identify the contract by number or other identifying reference, and identify the decision from which the appeal is taken, or it should attach a copy of the contracting officer’s decision. If an appeal is taken from the failure of a contracting officer to issue a decision, the notice of appeal should describe in detail the claim that the contracting officer has failed to decide and/or attach a copy of the claim that the contracting officer has failed to decide, and explain that the contracting officer has failed to decide the claim as required.

(b) The notice of appeal should be signed personally by the appellant (the contractor taking the appeal), or by an officer of the appellant corporation or member of the appellant firm, or by the contractor’s duly authorized representative or attorney. The complaint referred to in § 955.7 may be filed with the notice of appeal, or the appellant may designate the notice of appeal as a complaint, if it otherwise fulfills the requirements of a complaint.

§ 955.4 Forwarding of appeals.

If a party seeking to file an appeal submits a notice of appeal to the contracting officer instead of filing it using the electronic filing system, the contracting officer shall indicate thereon the date of receipt and shall forward the notice of appeal, including any envelope or other wrapping indicating the date of mailing, within 10 days to the Postal Service General Counsel’s Office. A designee of the General Counsel promptly shall enter the resulting case into the electronic filing system.

§ 955.5 Preparation, contents, organization, forwarding, and status of appeal file.

(a) Duties of the respondent. Within 30 days from receipt of the Board’s docketing notice, or such other period as the Board may order, the respondent’s counsel shall file with the Board an appeal file consisting of all documents pertinent to the appeal. The appeal file shall include:

1. The claim and contracting officer’s final decision from which the appeal is taken;
2. The contract, including pertinent specifications, amendments, plans and drawings;
3. All correspondence between the parties pertinent to the appeal;
4. Transcripts of any testimony taken during the course of proceedings, and affidavits or statements of any witnesses on the matter in dispute made prior to the filing of the notice of appeal; and
5. Any additional information considered pertinent.

(b) Duties of the appellant. Within 30 days after receipt of a copy of the appeal file, the appellant shall supplement the appeal file by transmitting to the Board any documents not contained therein considered to be pertinent to the appeal.

(c) Organization of appeal file. Documents in the appeal file or supplement, as applicable shall be arranged in chronological order where practicable, numbered sequentially, tabbed, and indexed, to identify the contents. Page numbering shall be consecutive and continuous from one document to the next, so that the complete file or supplement, as applicable, will consist of one set of consecutively numbered pages.

(d) Lengthy documents. The Board may waive the requirement to exchange or electronically file bulky, lengthy, or out-of-size documents, or tangible evidence in the appeal file on a showing of impracticality or undue burden. Documents or tangible evidence subject to a waiver will be available for inspection at the Board.

(e) Status of documents in appeal file. Documents contained in the appeal file are considered, without further action by the parties, as part of the record upon which the Board will render its decision, unless a party objects to the consideration of a particular document. Unless otherwise provided by Board order, any such objection shall
§ 955.6 Motions.

(a) Any motion addressed to the jurisdiction of the Board shall be promptly filed. Oral argument on the motion may be afforded on application of either party, in the Board’s discretion, or on the Board’s initiative. The Board may at any time and on its own initiative raise the issue of its jurisdiction to proceed with a particular case.

(b) A motion filed in lieu of an answer shall be filed no later than the date on which the answer is required to be filed or such later date as may be established by Board order. Any other dispositive motion shall be filed as soon as practicable after the grounds thereof are known.

(c) Motions for summary judgment may be considered by the Board. However, the Board may defer ruling on a motion for summary judgment, in its discretion, until after a hearing or other presentation of evidence. Motions for summary judgment may be filed only when a party believes that, based upon uncontested material facts, it is entitled to relief as a matter of law. The parties are to consider proceeding by submission of the case without a hearing in accordance with §955.12, in lieu of a motion for summary judgment.

(1) Motions for summary judgment shall include a separate document titled Statement of Uncontested Facts, which shall contain in separately numbered paragraphs all of the material facts upon which the moving party bases its motion and as to which it contends there is no genuine issue. This statement shall include references to affidavits, declarations and/or documents relied upon to support such statement.

(2) The opposing party shall file with its opposition a separate document titled Statement of Genuine Issues. This document shall identify, by reference to specific paragraph numbers in the moving party’s Statement of Uncontested Facts, those facts as to which the opposing party claims there is a genuine issue necessary to be litigated. An opposing party shall state the precise nature of its disagreement, and support its opposition with references to affidavits, declarations and/or documents that demonstrate the existence of a genuine dispute.

(3) The moving party and the non-moving party shall each submit a memorandum of law supporting or opposing summary judgment.

(4) If, despite reasonable efforts, the opposing party cannot present facts essential to justify its opposition, the Board may defer ruling on the motion to permit affidavits to be obtained or depositions to be taken or other discovery to be conducted, or may issue such other order as is just. The parties should not expect the Board to search the record for evidence in support of either party’s position.

[74 FR 20592, May 5, 2009, as amended at 76 FR 37660, June 28, 2011]

§ 955.7 Pleadings.

(a) Appellant. Within 45 days after receipt of notice of docketing of the appeal, the appellant shall file with the Board a complaint setting forth simple, concise and direct statements of each of its claims, alleging the basis, with appropriate reference to contract provisions, for each claim, and the dollar amount claimed. This pleading shall fulfill the generally recognized requirements of a complaint although no particular form or formality is required. Upon the appellant’s request or on the Board’s own initiative, the appellant’s claim, notice of appeal or other document may be deemed to constitute the complaint if in the opinion of the Board the issues before the Board are sufficiently defined.

(b) Respondent. Within 30 days from receipt of said complaint, or the aforesaid notice from the Board, the respondent shall prepare and file with the Board an answer thereto, setting forth simple, concise, and direct statements of the respondent’s defenses to each claim asserted by the appellant. This pleading shall fulfill the generally
recognized requirements of an answer, and shall set forth any affirmative defenses or counterclaims as appropriate. Should the answer not be filed within the time required, the Board may, in its discretion, enter a general denial on behalf of the respondent, and the appellant shall be so notified.

(c) Affirmative claims by the respondent. Where an appellant has appealed an affirmative claim by the respondent asserted in a final decision by a Postal Service contracting officer, such as a termination for default or a Postal Service claim that a contractor owes the Postal Service money under a contract, the Board may order the respondent to file the complaint as described in §955.7(a), and the appellant to file the answer as described in §955.7(b).

§ 955.8 Amendments of pleadings or record.

(a) Upon its own initiative or upon application by a party, the Board may, in its discretion, order a party to submit a more definite statement of the complaint or answer, or to reply to an answer.

(b) When issues within the proper scope of an appeal, but not raised in the pleadings, have been raised without objection or with permission of the Board at a hearing or in record submissions, they may be treated in all respects as if they had been raised in the pleadings. If evidence is objected to at a hearing on the ground that it is not within the issues raised by the pleadings, in its discretion the Board may admit the evidence and grant the objecting party a continuance or other relief if necessary to enable it to meet such evidence.

§ 955.9 Hearing request.

As directed by Board order, each party shall inform the Board, in writing, whether it requests a hearing as prescribed in §§955.18 through 955.25, or in the alternative submission of its case on the record without a hearing as prescribed in §955.12. If a hearing is requested, the request should state where and when the requesting party desires the hearing to be conducted and should explain the reasons for its choices. After considering the parties’ requests, the Board will determine whether a hearing will be held.

[76 FR 37660, June 28, 2011]

§ 955.10 Prehearing briefs.

Based on an examination of the documentation described in §955.5, the pleadings, and a determination of whether the arguments and authorities addressed to the issues are adequately set forth therein, the Board may, in its discretion, require the parties to submit prehearing briefs in any case in which a hearing has been ordered pursuant to §955.9. In the absence of a Board requirement therefor, either party may, in its discretion and upon appropriate and sufficient notice to the other party, furnish a prehearing brief to the Board. In any case where a prehearing brief is submitted, it shall be filed with the Board at least 15 days prior to the date set for hearing.

[74 FR 20592, May 5, 2009, as amended at 76 FR 37660, June 28, 2011; 80 FR 31305, June 2, 2015]

§ 955.11 Prehearing or presubmission conference.

(a) Whether the case is to be submitted pursuant to §955.12, or heard pursuant to §§955.18 through 955.25, the Board may upon its own initiative or upon the application of either party, convene a conference to consider:

(1) The simplification or clarification of the issues;
(2) The possibility of obtaining stipulations, admissions, agreements on documents, understandings on matters already of record, or similar agreements which will avoid unnecessary proof;
(3) The limitation of the number of expert witnesses, or avoidance of similar cumulative evidence, if the case is to be heard;
(4) The possibility of agreement disposing of all or any of the issues in dispute; and
(5) Such other matters as may aid in the disposition of the appeal.

(b) The results of the conference shall be reduced to writing by the Board and
§ 955.12 Submission without a hearing.

Submission of the case without hearing does not relieve the parties from the necessity of proving the facts supporting their allegations or defenses. Affidavits, depositions, admissions, answers to interrogatories, and stipulations may be employed to supplement other documentary evidence in the record which will be settled pursuant to § 955.14. The Board may permit such submission to be supplemented by oral argument (transcribed if requested), and by briefs in accordance with § 955.24.

§ 955.13 Optional Small Claims (Expedited) and Accelerated Procedures.

(a) The Small Claims (Expedited) Procedure. (1) The Expedited Procedure is available solely at the election of the appellant. Such election requires decision of the appeal, whenever possible, within 120 days after the Board receives written notice of the appellant's election to utilize this procedure.

(2) The appellant may elect this procedure when:

(i) There is a monetary amount in dispute and that amount is $50,000 or less, or

(ii) There is a monetary amount in dispute and that amount is $150,000 or less and the appellant is a small business concern (as that term is defined in the Small Business Act and regulations promulgated under the Act).

(3) In cases proceeding under the Expedited Procedure, the respondent shall file with the Board a copy of the contract, the contracting officer's final decision, and the appellant's claim letter or letters, if any, within ten days from the respondent's first receipt from either the appellant or the Board of a copy of the appellant's notice of election to utilize this procedure.

(b) The Accelerated Procedure. (1) The Accelerated Procedure is available solely at the election of the appellant and shall apply only to appeals where there is a monetary amount in dispute and the amount in dispute is $100,000 or less. Such election requires decision of the appeal, whenever possible, within 180 days after the Board receives written notice of the appellant's election to utilize this procedure.

(2) Promptly after receipt of the appellant's election of the Accelerated Procedure, the Board shall establish a schedule of proceedings that will allow
for the timely resolution of the appeal. The Board, in its discretion, may shorten time periods prescribed elsewhere in these Rules as necessary to enable the Board to decide the appeal within 180 days after the Board has received the appellant’s notice of election of the Accelerated Procedure.

(3) Written decisions by the Board in cases processed under the Accelerated Procedure will normally be short and contain only summary findings of fact and conclusions. Decisions will be rendered for the Board by a single Judge with the concurrence of the Chairman or Vice Chairman or other designated Judge, or by a majority among these two and an additional designated member in case of disagreement. In cases where the amount in dispute is $50,000 or less and in which there has been a hearing, the single Judge presiding at the hearing may, with the concurrence of both parties, convert the appeal to an Expedited Proceeding and at the conclusion of the hearing, after entertaining such oral arguments as he or she deems appropriate, render on the record oral summary findings of fact, conclusions of law, and a decision of the appeal. Whenever such an oral decision is rendered, the Board will subsequently furnish the parties a printed copy of such oral decision for record and payment purposes and to establish the date of commencement of the period for filing a motion for reconsideration under §955.30.

(c) Denial of election. At the request of the respondent, or on its own initiative, the Board may determine whether the amount in dispute and/or the appellant’s status make the election of the Expedited Procedure or the Accelerated Procedure inappropriate.

(d) Motions for Reconsideration in Cases Arising Under §955.13. Motions for reconsideration of cases decided under either the Expedited Procedure or the Accelerated Procedure need not be decided within the time periods prescribed by this §955.13 for the initial decision of the appeal, but all such motions shall be processed and decided rapidly so as to fulfill the intent of this section.

(e) General rule. Except as herein modified, the rules of this Part 955 otherwise apply in all aspects.

§955.14 Settling the record.

(a) The record upon which the Board’s decision will be rendered consists of the appeal file described in §955.5, and to the extent the following items have been filed, pleadings, prehearing conference memoranda or orders, prehearing briefs, depositions or interrogatories received in evidence, admissions, stipulations, transcripts of conferences and hearings, hearing exhibits, posthearing briefs, and documents which the Board has specifically designated be made a part of the record.

(b) Except as the Board may otherwise order in its discretion, no proof shall be received in evidence after completion of an oral hearing or, in cases submitted on the record, after notification by the Board that the case is ready for decision.

(c) The weight to be attached to any evidence of record will rest within the sound discretion of the Board. The Board may in any case require either party, with appropriate notice to the other party, to submit additional evidence on any matter relevant to the appeal.

(d) The Board may consider the Federal Rules of Evidence for guidance regarding admissibility of evidence and other evidentiary issues in construing those Board rules that are similar to Federal Rules and for matters not specifically covered herein.

§955.15 Discovery.

(a) The parties are encouraged to engage in voluntary discovery procedures. In connection with any deposition or other discovery procedure, the Board may issue any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, and those orders may include limitations on the scope, method, time and place for discovery, and provisions
§ 955.16 Interrogatories to parties, admission of facts, and production and inspection of documents.

(a) Interrogatories to parties. After an appeal has been filed with the Board, a party may serve on the other party written interrogatories to be answered separately in writing, signed under oath and returned within 30 days. Upon timely objection, the Board will determine the extent to which the interrogatories will be permitted. The scope and use of interrogatories will be controlled by §955.15.

(b) Admission of facts. After an appeal has been filed with the Board, a party may serve upon the other party a request for the admission of specified facts. Within 30 days after service, the party served shall answer each requested fact or file objections thereto. The factual propositions set out in the request may be ordered by the Board as deemed admitted upon the failure of a party to respond timely and fully to the request for admissions.

(c) Production and inspection of documents. After an appeal has been filed with the Board, a party may serve on the other party written requests for the production, inspection, and copying of any documents, electronically stored information, or things, to be answered within 30 days. Upon timely objection, the Board will determine the extent to which the requests must be satisfied, and if the parties cannot themselves agree thereon, the Board shall specify just terms and conditions of compliance.

§ 955.17 Depositions.

(a) When depositions permitted. After an appeal has been docketed and complaint filed, the parties may mutually agree to, or the Board may, upon application of either party and for good cause shown, order the taking of testimony of any person by deposition upon oral examination or written interrogatories before any officer authorized to administer oaths at the place of examination, for use as evidence or for purpose of discovery. The application for order shall specify whether the purpose of the deposition is discovery or for use as evidence.
§ 955.22 Examination of witnesses.

Witnesses before the Board will be examined orally under oath or affirmation, unless the facts are stipulated, or the Board shall otherwise order. If the testimony of a witness is not given under oath or affirmation, the Board may warn the witness that his or her statements may be subject to the provisions of 18 U.S.C. 207 and 1001, and any other provisions of law imposing penalties for knowingly making false representations in connection with claims against the United States or in any matter within the jurisdiction of any department or agency thereof. Upon the request of either party, or if the Board deems it advisable, the Board may exclude witnesses from the hearing room. The Board will not exclude a party who is an individual, the properly designated representative of a party which is an entity, a person whose presence is essential to the presentation of a party’s case, or a person required by statute to be present.
§ 955.23 Copies of papers, withdrawal of exhibits.

(a) When books, records, papers, or documents have been received in evidence, a true copy thereof or of such part thereof as may be material or relevant may be substituted therefor, during the hearing or at the conclusion thereof. 

(b) After a decision has become final, upon request and after notice to the other party, the Board in its discretion may permit the withdrawal of original exhibits, or any part thereof, by the party entitled thereto. The substitution of true copies of exhibits or any part thereof may be required by the Board in its discretion as a condition of granting permission for such withdrawal.

§ 955.24 Posthearing briefs.

Posthearing briefs may be submitted upon such terms as may be ordered by the Board at the conclusion of the hearing. Ordinarily, they will be simultaneous briefs, submitted to the Board on a date established by the Board, following receipt of transcripts.

§ 955.25 Transcript of proceedings.

Testimony and argument at hearings shall be reported verbatim, unless the Board otherwise orders. Transcripts of the proceedings will be provided to the parties by the Board.

§ 955.26 Representation of the parties.

(a) The term appellant means a party that has filed an appeal for resolution by the Board. An individual appellant may appear before the Board in his or her own behalf, a corporation may appear before the Board by an officer thereof, a partnership or joint venture may appear before the Board by a member thereof. Any appellant may appear before the Board by an attorney at law duly licensed in any state, commonwealth, territory of the United States, or in the District of Columbia. An attorney representing an appellant shall register in the electronic filing system, and file a written notice of appearance with the Board. The notice of appearance must include an email address, mailing address, telephone number, fax number, and a jurisdiction in which the attorney is licensed to practice law.

(b) The term respondent means the U.S. Postal Service. Postal Service counsel, who shall be an attorney at law licensed to practice in a state, commonwealth, or territory of the United States, or in the District of Columbia, designated by the General Counsel, will represent the interest of the Postal Service before the Board. Postal Service counsel shall register in the electronic filing system, and file a written notice of appearance with the Board. The notice of appearance must include an email address, mailing address, telephone number, fax number, and a jurisdiction in which the attorney is licensed to practice law.

(c) References to contractor, appellant, contracting officer, respondent and parties shall include respective counsel for the parties, as soon as appropriate notices of appearance have been filed with the Board. A self-represented party or an attorney representing either party shall inform the Board promptly of any change in his or her email address, mailing address, telephone number, or fax number, and must enter the appropriate changes promptly in the electronic filing system.

§ 955.27 Withdrawal of attorney.

Any attorney for either party who has filed a notice of appearance and who wishes to withdraw from a case must file a motion or notice which includes the name, email address, mailing address, telephone number, and fax number of the person who will assume responsibility for representation of the party in question.

§ 955.28 Suspension.

(a) Whenever at any time it appears that the parties are in agreement as to disposition of the controversy, the Board may suspend further processing of the appeal: Provided, however, That if the Board is advised thereafter by either party that the controversy has not been disposed of by agreement, the case shall be restored to the Board's active docket.
(b) The Board may, in its discretion, suspend proceedings to permit a contracting officer to issue a decision when an appeal has been taken from the contracting officer's failure to render a timely decision, or for other good cause.

§ 955.29 Decisions.

Decisions of the Board will be made in writing and sent to both parties through the electronic filing system, or otherwise as appropriate. The rules of the Board and all final orders and decisions shall be open for public inspection at the offices of the Board, and may be made available on its official Web site and to commercial publishers. Decisions of the Board will be made solely upon the record, as described in §955.14.

[74 FR 20592, May 5, 2009, as amended at 80 FR 31305, June 2, 2015]

§ 955.30 Motion for reconsideration.

A motion for reconsideration, if filed by either party, shall set forth specifically the ground or grounds relied upon to sustain the motion, and shall be filed within 30 days from the date of the receipt of a copy of the decision of the Board by the party filing the motion.

§ 955.31 Dismissal without prejudice.

In certain cases, appeals docketed before the Board are required to be placed in a suspense status and the Board is unable to proceed with disposition thereof for reasons not within the control of the Board. In any such case where the suspension has continued, or it appears that it will continue, for an inordinate length of time, the Board may, in its discretion, dismiss such appeals from its docket without prejudice to their restoration when the cause of suspension has been removed. Unless either party or the Board acts within three years to reinstate any appeal dismissed without prejudice, the dismissal shall be deemed with prejudice.

§ 955.32 Dismissal for failure to prosecute.

Whenever a record discloses the failure of either party to file documents required by these rules, respond to notices or correspondence from the Board, comply with orders of the Board, or otherwise indicates an intention not to continue the prosecution or defense of an appeal, the Board may issue an order requiring the offending party to show cause why the appeal should not be either dismissed or granted, as appropriate. If the offending party shall fail to show such cause, the Board may take such action as it deems reasonable and proper under the circumstances.

§ 955.33 Ex parte communications.

No member of the Board or of the Board’s staff shall entertain, nor shall any person directly or indirectly involved in an appeal submit to the Board or the Board’s staff, off the record, any evidence, explanation, analysis, or advice, whether written or oral, regarding any matter at issue in an appeal. This provision does not apply to consultation among Board members nor to ex parte communications concerning the Board’s administrative functions or procedures.

§ 955.34 Sanctions.

(a) All parties and their attorneys must obey directions and orders prescribed by the Board and adhere to standards of conduct applicable to such parties and attorneys. As to an attorney, the standards include the rules of professional conduct and ethics of the jurisdictions in which that attorney is licensed to practice, to the extent that those rules are relevant to conduct affecting the integrity of the Board, its process, or its proceedings.

(b) If any party or its attorney fails to comply with any direction or order issued by the Board, or engages in misconduct affecting the Board, its process, or its proceedings, the Board may issue such orders as are just, including the imposition of appropriate sanctions. Sanctions may include:

1. Taking the facts pertaining to the matter in dispute to be established for the purpose of the case;
2. Forbidding challenge of the accuracy of any evidence;
3. Refusing to allow the disobedient party to support or oppose designated claims or defenses;
§ 955.35 Subpoenas.

(a) General. Upon written request of either party filed with the Recorder, or on the Board’s own initiative, the Board may issue a subpoena requiring:

(1) Testimony at a deposition. The deposing of a witness in the city or county where the witness resides or is employed or transacts business in person, or at another convenient location as determined by the Board;

(2) Testimony at a hearing. The attendance of a witness for the purpose of taking testimony at a hearing; or

(3) Production of books and papers. The production by a witness of books, papers, documents, electronically stored information, and other tangible and intangible things designated in the subpoena.

(b) Voluntary cooperation. Each party is expected:

(1) To cooperate and make available witnesses and evidence under its control as requested by the other party, without issuance of a subpoena; and

(2) To secure voluntary attendance of desired third-party witnesses, books, papers, documents, or tangible things whenever possible.

(c) Requests for subpoenas. (1) A request for a subpoena shall normally be filed at least:

(i) 15 days before a scheduled deposition where the attendance of a witness at a deposition is sought, and/or where the production by a witness of books, papers, documents, electronically stored information, and other tangible and intangible things is sought; and

(ii) 30 days before a scheduled hearing where the attendance of a witness at a hearing is sought; except that

(iii) In its discretion the Board may honor requests for subpoenas not made within these time limitations.

(2) A request for a subpoena shall state the reasonable scope and general relevance to the case of the testimony and of any books, papers, documents, electronically stored information, and other tangible and intangible things sought.

(d)(1) Requests to quash or modify. Upon written request by the person subpoenaed or by a party, made within 10 days after service but in any event not later than the time specified in the subpoena for compliance, the Board may:

(i) Quash or modify the subpoena if it is unreasonable and oppressive or for other good cause shown; or

(ii) Require the person in whose behalf the subpoena was issued to advance the reasonable cost of compliance.

Where circumstances require, the Board may act upon such a request at any time after a copy has been served upon the opposing party.

(e) Form; issuance. (1) Every subpoena shall state the name of the Board and the title of the appeal and shall command each person to whom it is directed to attend and give testimony, and where appropriate, to produce specified books, papers, documents, electronically stored information, and other tangible and intangible things at a time and place therein specified. In issuing a subpoena to a requesting party, the Judge shall sign the subpoena and may enter the name of the witness and otherwise leave it blank. The party to whom the subpoena is issued shall complete the subpoena before service.

(2) Where the witness is located in a foreign country, a letter rogatory or subpoena may be issued and served
§ 957.3  
Service.  (1) The party requesting issuance of a subpoena shall arrange for service.  
(2) A subpoena may be served by a United States marshal or deputy marshal, or by any other person who is not a party and not less than 18 years of age. Service of a subpoena upon a person named therein shall be made by personally delivering a copy to that person and tendering the fees for one day's attendance and the mileage provided by 28 U.S.C. 1821 or other applicable law.  
(3) The party at whose instance a subpoena is issued shall be responsible for the payment of fees and mileage of the witness and of the officer who serves the subpoena. The failure to make payment of such charges on demand may be deemed by the Board as a sufficient ground for striking the testimony of the witness and the evidence the witness has produced.

(g) Contumacy or refusal to obey a subpoena. In case of contumacy or refusal to obey a subpoena by a person who resides, is found, or transacts business within the jurisdiction of a United States district court, the Board will apply to the court through the Attorney General of the United States for an order requiring the person to appear before the Board or a member thereof to give testimony or produce evidence or both. Any failure of any such person to obey the order of the court may be punished by the court as a contempt thereof.

§ 957.36 Effective dates and applicability.  
These revised rules govern proceedings under this part docketed on or after July 2, 2015.

(e) Administering oaths or affirmations to witnesses.

(f) Conducting the proceedings and the hearing in a manner to maintain discipline and decorum while ensuring that relevant, reliable and probative evidence is elicited, but irrelevant, immaterial or repetitious evidence is excluded. The Hearing Officer in his or her discretion may examine witnesses to ensure that a satisfactory record is developed.

(g) Establishing the record. The weight to be attached to evidence will rest within the discretion of the Hearing Officer. Except as the Hearing Officer may otherwise order, no proof shall be received in evidence after completion of a hearing. The Hearing Officer may require either party, with appropriate notice to the other party, to submit additional evidence on any relevant matter.

(b) Granting reasonable time extensions or other relief for good cause shown, in the Hearing Officer's sole discretion.

(i) Issuing findings of fact. The Hearing Officer will issue findings of fact to the Vice President within 30 days from the close of the record, to the extent practicable.

§ 957.5 Case initiation.

(a) Upon receipt of a request or referral from the Vice President, the Recorder will docket a case under this Part. Following docketing, the Judicial Officer will assign a Hearing Officer. The Hearing Officer will establish the schedule for the proceeding, perform all judicial duties under this Part and render Findings of Fact. Whenever practicable, a hearing should be conducted within 30 days of the date of docketing.

(b) The request or referral from the Vice President shall include the notice of proposed debarment and the information or argument submitted by the Respondent pursuant to paragraphs (g) or (h) of §601.113 of this subchapter.

§ 957.6 Filing documents for the record.

The parties shall file documents, permitted by the rules in this part or required by the Hearing Officer, in the Judicial Officer Department's electronic filing system. The Web site for electronic filing is https://uspsjoe.justware.com/justiceweb. Documents submitted using that system are considered filed as of the date and time (Eastern Time) reflected in the system. Orders issued by the Hearing Officer shall be considered received by the parties on the date posted to the electronic filing system.

(d) An attorney for any party who has filed a notice of appearance and who wishes to withdraw must file a motion requesting withdrawal, explaining the reasons supporting the motion, and identifying the name, email address, mailing address, telephone number, and fax number of the person who will assume responsibility for representation of the party in question.

§ 957.10 Conduct of the hearing.
The Hearing Officer may approve or disapprove witnesses in his or her discretion. All testimony will be taken under oath or affirmation, and subject to cross-examination. The Hearing Officer may exclude evidence to avoid unfair prejudice, confusion of the issues, undue delay, waste of time, or presentation of irrelevant, immaterial, or cumulative evidence. Although the Hearing Officer will consider the Federal Rules of Evidence for guidance regarding admissibility of evidence and other evidentiary issues, he or she is not bound by those rules. The weight to be attached to evidence presented in any particular form will be within the discretion of the Hearing Officer, taking into consideration all the circumstances of the particular case. Stipulations of fact agreed upon by the parties may be accepted as evidence at the hearing. The parties may stipulate the testimony that would be given by a witness if the witness were present. The Hearing Officer may in any case require evidence in addition to that offered by the parties. § 958.1 Purpose.

This part establishes the procedures governing the hearing and appeal rights of any person alleged to be liable for civil penalties, clean-up costs and/or damages for mailing hazardous materials and/or related violations under 39 U.S.C. 3018.

§ 958.2 Definitions.

As used in this part:
(a) Complaint refers to the determination by the Determining Official that an individual has violated the prohibition against mailing hazardous materials and/or related violations under 39 U.S.C. 3018.
(b) Initial Decision refers to the written decision which the Presiding Officer renders.
(c) Determining Official refers to the Chief Postal Inspector or designee.
(d) Judicial Officer refers to the Judicial Officer or Acting Judicial Officer of the United States Postal Service or designee within the Judicial Officer Department.
(e) Party refers to the Postal Service or the respondent.
(f) Person refers to any individual, partnership, corporation, association, or private organization.
(g) Presiding Officer refers to an Administrative Law Judge designated by the Chief Administrative Law Judge to conduct a hearing, or to the Judicial Officer, if an Administrative Law Judge is not available.
(i) Representative refers to an attorney or other advocate.
(j) Respondent refers to any person determined by the Determining Official to be liable for civil penalties, clean-up costs and/or damages for mailing hazardous materials and/or related violations under 39 U.S.C. 3018.
§ 958.3 Petition for hearing.
Within 30 days of being served the Postal Service’s Complaint alleging liability under 39 U.S.C. 3018, the respondent may request a hearing by filing a written Hearing Petition with the Recorder. The respondent’s Petition must include the following:
(a) The words “Petition for Hearing Related to Prohibitions Regarding the Mailing of Hazardous Material” or other words reasonably identifying it as such;
(b) The name of the respondent as well as his or her work and home addresses, and work and home telephone numbers; and other address and telephone number where the respondent may be contacted about the hearing proceedings;
(c) The date on which the respondent received the Complaint issued by the Determining Official;
(d) A statement indicating whether the respondent requests an oral hearing or a decision solely on the written record;
(e) If the respondent requests an oral hearing, a statement proposing a city for the hearing site, with justification for holding the hearing in that city, as well as recommended dates for the hearing; and
(f) A statement admitting or denying each of the allegations of liability made in the Complaint, and stating any defense on which the respondent intends to rely.

§ 958.4 Referral of complaint.
(a) If the respondent fails to request a hearing within the specified period, the Determining Official shall transmit the Complaint to the Judicial Officer for referral to a Presiding Officer, who shall issue an Initial Decision based upon the information contained in the Complaint.
(b) If the respondent files a Hearing Petition, the Determining Official, upon receiving a copy of the Petition, shall promptly transmit to the Presiding Officer a copy of the Postal Service’s Complaint.

§ 958.5 Scope of hearing; evidentiary standard.
(a) A hearing under this part shall be conducted by the Presiding Officer on the record:
(1) To determine whether the respondent is liable under 39 U.S.C. 3018, and
(2) If so, to determine the amount of any civil penalties, clean-up costs and/or damages to be imposed.
(b) The Postal Service must prove its case against a respondent by a preponderance of the evidence.
(c) The parties may offer for insertion onto the record such relevant evidence as they deem appropriate and as would be admissible under the generally accepted rules of evidence applied in the courts of the United States in nonjury trials, subject, however, to the sound discretion of the Presiding Officer in supervising the extent and manner of presentation of such evidence. In general, admissibility will hinge on relevancy and materiality. However, relevant evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, or by considerations of undue delay, waste of time, or needless presentation of cumulative evidence.

§ 958.6 Notice of docketing and hearing.
(a) Within a reasonable time after receiving the respondent’s Hearing Petition and the Complaint, the Presiding Officer shall serve upon the respondent and the Determining Official, a Notice of Docketing and Hearing.
(b) The Notice of Docketing and Hearing required by paragraph (a) of this section may include:
(1) The tentative site, date, and time of the oral hearing, if one is requested;

(4) The matters of fact and law to be decided;
(5) A description of the procedures governing the conduct of the hearing; and
(6) Such other information as the Presiding Officer deems appropriate.
§ 958.7 Hearing location.

An oral hearing under this part shall be held:
(a) In the judicial district of the United States in which the respondent resides or transacts business;
(b) In the judicial district of the United States in which the incident or incidents occurred upon which the determination of liability under 39 U.S.C. 3018 was made by the Determining Official; or
(c) In such other place as may be determined by the Presiding Officer.

§ 958.8 Rights of parties.

Subject to the sound discretion of the Presiding Officer, acting under § 958.9, parties to a hearing under this part shall have the right:
(a) To be accompanied, represented, and advised, by an attorney or representative of his or her own choosing;
(b) To participate in any conferences held by the Presiding Officer;
(c) To agree to stipulations of fact or law, which shall be made part of the record;
(d) To make opening and closing statements at the oral hearing;
(e) To present oral and documentary evidence relevant to the issues;
(f) To submit rebuttal evidence;
(g) To conduct such cross-examination as may be required for a full and true disclosure of the facts; and
(h) To submit written briefs, proposed findings of fact, and proposed conclusions of law.

§ 958.9 Responsibilities and authority of presiding officer.

(a) The Presiding Officer shall conduct a fair and impartial hearing, avoid unnecessary delay, maintain order, and assure that a record of the proceeding is made.
(b) The Presiding Officer’s authority includes, but is not limited to, the following:
(1) Establishing, upon adequate notice to all parties, the date and time of the oral hearing, if any, as well as, in accordance with § 958.7, selecting the hearing site;
(2) Holding conferences, by telephone or in person, to identify or simplify the issues, or to consider other matters that may aid in the expeditious resolution of the proceeding;
(3) Continuing or recessing the hearing in whole or in part for a reasonable period of time;
(4) Administering oaths and affirmations to witnesses;
(5) Ruling on all offers, motions, requests by the parties, and other procedural matters;
(6) Issuing any notices, orders, or memoranda to the parties concerning the proceedings;
(7) Regulating the scope and timing of discovery;
(8) Regulating the course of the hearing and the conduct of the parties and their representatives;
(9) Examining witnesses;
(10) Receiving, ruling on, excluding, or limiting evidence in order to assure that relevant, reliable and probative evidence is elicited on the issues in dispute, but irrelevant, immaterial or repetitious evidence is excluded;
(11) Deciding cases, upon motion of a party, in whole or in part by summary judgment where there is no disputed issue of material fact;
(12) Establishing the record in the case; and
(13) Issuing a written Initial Decision containing findings of fact, conclusions of law, and determinations with respect to whether civil penalties, cleanup costs and/or damages for mailing hazardous materials and/or related violations under 39 U.S.C. 3018 should be imposed, and if so, the amounts thereof, after taking into account the penalty considerations contained in 39 U.S.C. 3018(e).

§ 958.10 Prehearing conferences.

(a) At a reasonable time after issuing the Notice of Docketing and Hearing, and with adequate notice to the parties, the Presiding Officer may conduct, in person or by telephone, one or more prehearing conferences to discuss the following:
(1) Simplification of the issues;
(2) The necessity or desirability of amendments to the pleadings, including the need for a more definite statement;
(3) Stipulations or admissions of fact or as to the contents and authenticity of documents;
§ 958.12 Depositions; interrogatories; admission of facts; production and inspection of documents.

(a) General policy and protective orders. The parties are encouraged to engage in voluntary discovery procedures. In connection with any discovery procedure permitted under this part, the Presiding Officer may issue any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense. Such orders may include limitations on the scope, method, time and place for discovery, and provisions for protecting the secrecy of confidential information or documents. Each party shall bear its own expenses relating to discovery.

(b) Depositions. After the issuance of a Notice of Docketing and Hearing, the parties may mutually agree to, or the Presiding Officer may, upon application of either party and for good cause shown, order the taking of testimony of any person by deposition upon oral examination or written interrogatories before any officer authorized to administer oaths at the place of examination, for use as evidence or for purposes of discovery. The application for an order of the Presiding Officer under this paragraph shall specify whether the purpose of the deposition is discovery or for use as evidence.

(1) The time, place, and manner of taking depositions shall be as mutually agreed by the parties, or failing such agreement, governed by order of the Presiding Officer.

(2) No testimony taken by depositions shall be considered as part of the record in the hearing unless and until such testimony is offered and received into evidence by order of the Presiding Officer. Deposition testimony may be used to contradict or impeach the testimony of the witness given at the hearing. In such instances, however, deposition testimony will not ordinarily be received in evidence if an oral hearing is requested by either party, and the deponent is available to testify personally at the hearing. In cases submitted for a decision on a written record, the Presiding Officer may, in his or her discretion, receive deposition testimony as evidence in supplement to that record.

(c) Interrogatories to parties. After the issuance of a Notice of Docketing and Hearing, a party may serve on the other party written interrogatories. Within 30 days after service, the party served shall answer each interrogatory separately in writing, signed under oath, or file objections thereto. Upon
timely objection by the party, the Presiding Officer will determine the extent to which the interrogatories will be permitted.

(d) Admission of facts. After the issuance of a Notice of Docketing and Hearing, a party may serve upon the other party a request for the admission of specified facts. Within 30 days after service, the party served shall answer each requested fact or file objections thereto. Upon timely objection by the party, the Presiding Officer will determine the extent to which the request for admission will be permitted. The factual propositions set out in the request shall be deemed admitted upon the failure of a party to respond to the request for admission.

(e) Production and inspection of documents. Upon motion of a party showing good cause therefor, and upon notice, the Presiding Officer may order the other party to produce and permit the inspection and copying or photographing of any designated documents or objects, not privileged, specifically identified, and their relevance and materiality to the cause or causes in issue explained, which are reasonably calculated to lead to the discovery or admissible evidence. If the parties cannot themselves agree thereon, the Presiding Officer shall specify just terms and conditions in making the inspection and taking the copies and photographs.

(f) Limitations. A discovery procedure may not be used to reach documents, transcripts, records, or other material which a person is not entitled to review pursuant to §958.11.

§958.13 Sanctions.

(a) In general. The Presiding Officer may sanction a person, including any party, attorney or representative, for:

(1) Failing to comply with a lawful order or prescribed procedure;
(2) Failing to prosecute or defend an action; or
(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Reasonableness. Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) Failure to comply with an order. When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party’s control, or a request for admission, the Presiding Officer may:

(1) Draw an inference in favor of the requesting party with regard to the information sought;
(2) Prohibit such party from introducing evidence concerning, or otherwise relying upon, testimony relating to the information sought;
(3) Permit the requesting party to introduce secondary evidence concerning the information sought; and
(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) Failure to prosecute or defend. If a party fails to prosecute or defend an action under this part, the Presiding Officer may dismiss the action, or enter an order of default and an Initial Decision.

(e) Failure to file timely. The Presiding Officer may refuse to consider any motion or other pleading, report, or response which is not filed in a timely fashion.

§958.14 Ex parte communications.

Communications between a Presiding Officer and a party shall not be made on any matter in issue unless on notice and opportunity for all parties to participate. This prohibition does not apply to procedural matters. A memorandum of any communication between the Presiding Officer and a party shall be transmitted by the Presiding Officer to all parties.

§958.15 Post-hearing briefs.

Post-hearing briefs and reply briefs may be submitted upon such terms as established by the Presiding Officer at the conclusion of the hearing.

§958.16 Transcript of proceedings.

Testimony and argument at oral hearings shall be reported verbatim, unless the Presiding Officer orders otherwise. Transcripts or copies of the proceedings may be obtained by the parties at such rates as may be fixed by
§ 958.17 Initial decision.

(a) After the conclusion of the hearing, and the receipt of briefs, if any, from the parties, the Presiding Officer shall issue a written Initial Decision, including his or her findings and determinations. Such decision shall include the findings of fact and conclusions of law which the Presiding Officer relies upon in determining whether the respondent is liable for civil penalties, clean-up costs and/or damages for mailing hazardous materials and/or related violations under 39 U.S.C. 3018, and, if liability is found, shall set forth the amount of any civil penalties, clean-up costs and/or damages imposed.

(b) The Presiding Officer shall promptly send to each party a copy of his or her Initial Decision. A party may, in accordance with § 958.18, appeal an adverse Initial Decision to the Judicial Officer. Unless a party timely appeals in accordance with § 958.18, the Presiding Officer's Initial Decision, including the findings and determinations, becomes the final agency decision.

§ 958.18 Appeal of initial decision to Judicial Officer.

(a) Notice of appeal and supporting brief. A party may appeal an adverse Initial Decision by filing, within 30 days after the Presiding Officer issues the Initial Decision, a Notice of Appeal with the Recorder. The Judicial Officer may extend the filing period but only if the party files a request for an extension within the initial 30-day period and demonstrates good cause for such extension.

(1) The Notice of Appeal must be accompanied by a written brief specifying the party's exceptions, and any reasons for such exceptions, to the Presiding Officer's Initial Decision.

(2) Within 30 days of receiving the party's brief, the opposing party may file with the Judicial Officer a response to the specified exceptions to the Presiding Officer's Initial Decision.

(b) Form of review. Review by the Judicial Officer will be based entirely on the record and written submissions.

(1) The Judicial Officer may affirm, reduce, reverse, or remand any determination about a penalty or assessment by the Presiding Officer.

(2) The Judicial Officer shall not consider any argument or objection that was not raised in the hearing unless the interested party demonstrates that the failure to raise the argument or objection before the Presiding Officer was caused by extraordinary circumstances.

(3) If any party demonstrates to the satisfaction of the Judicial Officer that additional evidence not presented at the hearing is material and that there were reasonable grounds for the failure to present such evidence, the Judicial Officer may remand the matter to the Presiding Officer for consideration of such additional evidence.

(c) Decision of Judicial Officer. The Judicial Officer shall promptly serve each party to the appeal with a copy of his or her decision. The decision of the Judicial Officer constitutes final agency action and becomes final and binding on the parties.

§ 958.19 Form and filing of documents.

(a) Every pleading filed in a proceeding under this part must contain a caption setting forth the title of the action, the docket number (after assignment by the Recorder), an accurate designation of the document, and the name, address, and telephone number of the party on whose behalf the paper was filed. It shall also be signed by the party or party representative submitting the document.

(b) All pleadings and documents required under this part must be filed using the Judicial Officer electronic filing system unless the presiding officer permits otherwise. The Judicial Officer electronic filing system Web site is accessible 24 hours a day at https://uspsjoe.justware.com/justiceweb. Documents submitted using the electronic filing system are considered filed as of the date/time (Eastern Time) reflected in the system. Documents mailed to the Recorder are considered filed on the date mailed as evidenced by a United States Postal Service postmark. Filings by any other means are considered filed upon receipt by the
§ 958.20 Service.

If both parties are participating in the electronic filing system, separate service upon the opposing party is not required. Otherwise, documents shall be served personally or by mail on the opposing party, noting on the document filed, or on the transmitting letter, that a copy has been so furnished.

In computing any period of time provided for by this part, or any order issued pursuant to this part, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal Government, in which event it includes the next business day. Except as otherwise provided in these rules or an applicable order, prescribed periods of time are measured in calendar days rather than business days.

§ 958.22 Continuances and extensions.

Continuances and extensions may be granted under these rules for good cause shown.

§ 958.23 Settlement.

Either party may make offers of settlement or proposals of adjustment at any time. (a) A party upon whom a demand for postage has been made may appeal from the demand by filing a petition, in triplicate, with the Recorder, Judicial Officer Department, within 15 days after receipt of the demand.

(b) The petition shall:

(1) Be signed personally by an individual petitioner, by one of the partners of a partnership, or by an officer of a corporation or association;

(2) State the reasons why the person filing the petition (designated the "Petitioner" in these rules) believes the demand is not justified;

(3) Admit or deny each fact alleged in the demand and allege any facts upon which the Petitioner relies to show compliance with applicable laws and regulations; and,

(4) Be accompanied by a copy of the demand.

(c) Factual allegations that are not denied by the petition may be deemed to have been admitted. The demand and the petition (together with other documents authorized in this part) shall become the pleadings in appeals from demands.

(a) The General Counsel, or a member of the General Counsel’s staff as may be designated, may initiate a revocation of the suspension of the Private Express Statutes as provided in part 320 of this title as to any person, by filing, in triplicate, a petition with the Recorder which

(2) The answer shall contain a concise statement admitting, denying, or explaining each of the allegations set forth in the petition.

(3) Any facts alleged in the petition which are not denied, or which are expressly admitted in the answer, may be considered as proved, and no further evidence regarding these facts need be adduced at the hearing.

(4) The answer shall be signed personally by an individual respondent, or in the case of a partnership, by one of the partners, or, in the case of a corporation or association, by an officer thereof.

(5) The answer shall set forth the respondent’s address and the name and address of respondent’s attorney, if respondent is represented by counsel.

(6) The answer shall affirmatively state whether the respondent will appear in person or by counsel at the hearing.

(7) If the respondent does not desire to appear at the hearing in person or

When a petition is filed, the Recorder shall issue a notice of hearing, stating the time and place of the hearing and the date for filing an answer which shall not exceed 15 days from the date of service of the petition, and a reference to the effect of failure to file an answer or appear at the hearing. (a) The Recorder shall cause a notice of hearing and a copy of the petition to be transmitted to the postmaster at any office of address of the respondent in which the respondent is doing business, which shall be delivered to the respondent or respondent’s agent by said postmaster or the postmaster’s designee. A receipt acknowledging delivery of the notice shall be secured from the respondent or respondent’s agent and forwarded to the Recorder, to become a part of the official record.

(b) If, after 5 days, the postmaster or the postmaster’s designee, can find no person to accept service of the notice of hearing and petition pursuant to paragraph (a) of this section, the notice and copy of the petition may be delivered in the usual manner as other mail addressed to the respondent. A statement, showing the time and place of delivery, signed by the postal employee who delivered the notice of hearing and petition shall be forwarded to the Recorder and such statement shall constitute evidence of service.

§ 959.9 Filing documents for the record.

(a) All documents required under this part must be filed using the electronic filing system unless the presiding officer permits otherwise. If both parties are participating in the electronic filing system, separate service upon the opposing party is not required. (b) Documents shall be dated and state the title of the proceeding and, except initial petitions, the docket number. § 959.11 Amendment of pleadings.

(a) Amendments proposed prior to the hearing shall be filed with the Recorder. Amendments proposed thereafter shall be filed with the presiding officer.

(b) By consent of the parties, a pleading may be amended at any time. Also, a party may move to amend a pleading at any time prior to the close of the hearing and, provided that the amendment is reasonably within the scope of the proceeding initiated by the petition, the presiding officer shall make
such ruling on the motion as he or she deems fair and equitable to the parties.

(c) When issues not raised by the pleadings, but reasonably within the scope of the proceedings initiated by the petition, are tried by express or implied consent of the parties, they shall be treated in all respects as if they had been raised in the pleadings. Such amendments as may be necessary to make the pleadings conform to the evidence, and to raise such issues, shall be allowed at any time upon the motion of any party.

(d) If a party objects to the introduction of evidence at the hearing on the ground that it is not within the issues made by the pleadings, but fails to satisfy the presiding officer that an amendment of the pleadings would prejudice the objecting party on the merits, the presiding officer may allow the amendment and may grant a continuance to enable the objecting party to rebut the evidence presented.

(e) The presiding officer may, upon reasonable notice and upon such terms as are just, permit service of supplemental pleadings setting forth transactions, occurrences, or events which have happened since the date of the pleading sought to be supplemented and which are relevant to any of the issues involved.

§ 959.16 Presiding officers.

§ 959.17 Evidence.

(a) Except as otherwise provided in these rules, the rules of evidence governing civil proceedings in matters not involving trial by jury in the District courts of the United States shall govern. (b) Testimony shall be under oath or affirmation and witnesses shall be subject to cross-examination.

(c) Agreed statements of fact may be received into evidence.

(d) Official notice or knowledge may be taken of the types of matters of which judicial notice or knowledge may be taken.

(e) The written statement of a competent witness may be received into evidence provided that such statement is relevant to the issues, that the witness shall testify under oath at the hearing that the statement is in all respects true, and, in the case of expert witnesses, that the statement correctly states his or her opinion or knowledge concerning the matters in question.

(f) A party who objects to the admission of evidence shall make a brief statement of the grounds for the objection. Formal exceptions to the rulings of the presiding officer are unnecessary.

§ 959.18 Subpoenas.

The Postal Service is not authorized by law to issue subpoenas requiring the attendance or testimony of witnesses or the production of documents. This does not affect the authority of the Chief Postal Inspector to issue subpoenas for the production of documents or information pursuant to §233.1(c) of this chapter.

§ 959.19 Witness fees.

The Postal Service does not pay fees and expenses for a respondent’s witnesses or for depositions requested by a respondent.

§ 959.20 Depositions.

(a) Not later than 5 days after the filing of respondent’s answer, any party may file an application with the Recorder for the taking of testimony by deposition. In support of such application, the applicant shall submit under oath or affirmation, a statement containing the reasons why such testimony should be taken by deposition, the time and place, and the name and address of the witness whose deposition is desired, the subject matter of the testimony of each witness, its relevancy, and the name and address of the person before whom the deposition is to be taken.

(b) If the application be granted, the order shall specify the time and place thereof, the name of the witness, the person before whom the deposition is to be taken, and any other necessary information.

(c) Each deponent shall first be duly sworn, and the adverse party shall have the right to cross-examine. The questions and answers, together with all objections, shall be reduced to writing and, unless waived by stipulation of the parties, shall be read to and subscribed by the witness in the presence of the deposition officer who shall certify it in the usual form. The deposition officer shall file the testimony taken by deposition as directed in the order. All objections made at the time of examination shall be noted by the deposition officer and the evidence objected to shall be taken subject to the objections. In lieu of participating in the oral examination, a party may transmit written interrogatories to the deposition officer, who shall propound them to the witness and record the answers verbatim. Argument upon any matter may be excluded from the transcript by order of the presiding officer. A copy of the transcript shall be a part of the record and the sole official transcript of the proceeding. Copies of the transcript shall be supplied to the parties by the reporter at rates not to exceed the maximum rates fixed by the contract between the Postal Service and the reporter. Copies of parts of the official record, other than the transcript, may be obtained by the respondent from the reporter upon the payment of a reasonable price therefor.

(b) Changes in the official transcript may be made only when they involve errors affecting substance, and then only in the manner herein provided. No physical changes shall be made in or upon the official transcript, or copies thereof, which have been filed with the record. Within 10 days after the receipt by any party of a copy of the official transcript, or any part thereof, a party may file a motion requesting correction of the transcript. The opposing party shall, within such time as may be specified by the presiding officer, notify the presiding officer in writing of his or her concurrence or disagreement with the requested corrections. Failure to interpose timely objection to a proposed correction shall be considered to be concurrence. Thereafter, the presiding officer shall by order specify the corrections to be made in the transcript. The presiding officer on his or her own initiative may order corrections to be made in the transcript with prompt notice to the parties of the proceeding. Any changes ordered by the presiding officer other than by agreement of the parties shall be subject to objection and exception.

§ 959.22 Proposed findings and conclusions.

(a) Each party, except one who fails to answer the complaint or, having answered, either fails to appear at the hearing or indicates in the answer that he or she does not desire to appear, may submit proposed findings of fact, conclusions of law and supporting reasons either in oral or written form. The presiding officer may also require the parties to submit proposed findings of fact and conclusions of law with supporting reasons.

(b) Proposed findings of fact, conclusions of law and supporting reasons not presented orally before the close of the hearing, shall, unless otherwise directed by the presiding officer, be filed within 15 days after the delivery of the official transcript to the Recorder, who shall notify the parties of the date of its receipt. The proposed findings of fact, conclusions of law and supporting reasons shall be set forth in serially numbered paragraphs, and shall state with particularity, all pertinent evidentiary facts in the record with appropriate citations to the transcript or exhibits supporting the proposed findings. Each proposed conclusion of law shall be separately stated.

§ 959.23 Decisions.

(a) Oral decisions. The presiding officer may, in his or her discretion, render an oral decision (an initial decision by an Administrative Law Judge, or a tentative or final decision by the Judicial Officer) at the close of the hearing. A party who desires an oral decision shall notify the presiding officer and the opposing party at least 5 days prior to the date set for the hearing. Either party may submit proposed findings of fact and conclusions of law either orally or in writing at the conclusion of the hearing.

(b) Written initial decision by Administrative Law Judge. A written initial decision shall be rendered with all due speed. The initial decision shall include findings of fact and conclusions of law, with the reasons therefor, upon all the material issues of fact or law presented on the record, and an appropriate order. The initial decision shall become the final decision of the Postal Service unless an appeal is taken in accordance with §959.24.

(c) Written tentative or final decision by the Judicial Officer. When the Judicial Officer presides at the hearing, he or she shall issue a final or a tentative decision. Such decision shall include findings of fact and conclusions of law, with the reasons therefor, upon all the material issues of fact or law presented on the record, and appropriate order. The tentative decision shall become the final decision of the Postal Service unless exceptions are filed in accordance with §959.24.

§ 959.24 Exceptions to initial decision or tentative decision.

(b) A party in a proceeding presided over by the Judicial Officer, except one who has failed to file an answer, may file exceptions within 15 days from the receipt of the Judicial Officer’s written tentative decision.

(c) When an initial or tentative decision is rendered orally at the close of the hearing, the presiding officer may then establish and orally give notice to the parties participating in the hearing of the time limit within which exceptions must be filed.

(d) Upon receipt of the brief on appeal from an initial decision of an Administrative Law Judge, the Recorder shall promptly transmit the record to the Judicial Officer. The date for filing the reply to a brief on appeal or to a brief in support of exceptions to a tentative decision by the Judicial Officer is 10 days after the receipt thereof. No additional briefs shall be received unless requested by the Judicial Officer.

(e) Briefs on appeal or in support of exceptions and replies thereto shall be filed in triplicate with the Recorder, and contain the following matter in the order indicated:
§ 959.31 Ex parte communications.

A party may file a motion for reconsideration of a final decision of the Postal Service within 10 days after receiving it, or within such longer period as the Judicial Officer may fix. Each motion for reconsideration shall be accompanied by a brief clearly setting forth the points of fact and of law relied upon in support of said motion.

§ 959.27 Modification or revocation of orders.

A party against whom an order has been issued may file with the Recorder an application for modification or revocation, addressed to the Judicial Officer. The Recorder shall transmit a copy of the application to the General Counsel, who shall file a written reply within 10 days after filing, or such other period as the Judicial Officer may fix. A copy of the reply shall be sent to the applicant by the Recorder. Thereafter an order granting or denying such application in whole or in part will be issued by the Judicial Officer.

§ 959.28 Computation of time.

A designated period of time excludes the day the period begins, and includes the last day of the period unless the last day is a Saturday, Sunday, or legal holiday, in which event the period runs until the close of business on the next business day.

§ 959.29 Official record.

The transcript of testimony together with all pleadings, orders, exhibits, briefs and other documents filed in the proceedings shall constitute the official record of the proceeding.

§ 959.30 Public information.

The Librarian of the Postal Service maintains for public inspection in the Library copies of all initial, tentative and final decisions of the Postal Service. The Recorder maintains the complete official record of every proceeding.

§ 959.31 Ex parte communications.

The provisions of 5 U.S.C. 551(14), 556(d) and 557(d) prohibiting ex parte communications are made applicable
PART 960—RULES RELATIVE TO IMPLEMENTATION OF THE EQUAL ACCESS TO JUSTICE ACT IN POSTAL SERVICE PROCEEDINGS

Subpart A—General Provisions

§ 960.1 Purpose of these rules.

The Equal Access to Justice Act, 5 U.S.C. 504 (called "the Act" in this part), provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings (called "adversary adjudications") before the Postal Service. An eligible party may receive an award when it prevails over the Postal Service, unless the Postal Service's position was substantially justified or special circumstances make an award unjust. The rules in this part describe the parties eligible for awards and the proceedings that are covered. They also explain how to apply for awards, and the procedures and standards that the Postal Service will use to make them.

[42 FR 5358, Jan. 28, 1977]

§ 960.2 When the Act applies.

The Act applies to any adversary adjudication pending or commenced before the Postal Service on or after August 5, 1985. It also applies to any adversary adjudication commenced on or after October 1, 1984, and finally disposed of before August 5, 1985, provided that an application for fees and expenses, as described in subpart B of these rules, has been filed with the Postal Service within 30 days after August 5, 1985, and to any adversary adjudication pending on or commenced on or after October 1, 1981, in which an application for fees and other expenses was timely filed and was dismissed for lack of jurisdiction.

[52 FR 6797, Mar. 5, 1987]

§ 960.3 Proceedings covered.

(a) The Act applies to adversary adjudications conducted by the Postal Service. These are:

1. Adjudications under 5 U.S.C. 554 (called "the Act" in this part), provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings (called "adversary adjudications") before the Postal Service. An eligible party may receive an award when it prevails over the Postal Service, unless

39 CFR Ch. I (7–1–17 Edition)
(b) The Postal Service may also designate a proceeding not listed in paragraph (a) of this section as an adversary adjudication for purposes of the Act by so stating in an order initiating the proceeding or designating the matter for hearing. The failure to designate a proceeding as an adversary adjudication shall not preclude the filing of an application by a party who believes the proceeding is covered by the Act; whether the proceeding is covered will then be an issue for resolution in proceedings on the application.

(c) If a proceeding includes both matters covered by the Act and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered issues.

§ 960.4 Eligibility of applicants.

(a) To be eligible for an award of attorney fees and other expenses under the Act, the applicant must be a party to the adversary adjudication for which it seeks an award. The term “party” is defined in 5 U.S.C. 551(3). The applicant must show by clear and convincing evidence that it meets all conditions of eligibility set out in this subpart and in subpart B and must submit additional information to verify its eligibility upon order by the adjudicative officer.

(b) The types of eligible applicants are as follows:

1. An individual with a net worth of not more than $2 million;
2. The sole owner of an unincorporated business who has a net worth of not more than $7 million, including both personal and business interests, and not more than 500 employees;
3. A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;
4. A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)) with not more than 500 employees; and
5. Any other partnerships, corporation, association, unit of local government, or organization with a net worth of not more than $7 million and not more than 500 employees.

(c) For the purposes of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the proceeding was initiated, which in proceedings before the Board of Contract Appeals is the date the applicant files its appeal to the Board.

(d) An applicant who owns an unincorporated business will be considered as an “individual” rather than a “sole owner of an unincorporated business” if the issues on which the applicant prevails are related primarily to personal interests rather than to business interests.

(e) The employees of an applicant include all persons who regularly perform services for remuneration for the applicant, under the applicant’s direction and control. Part-time employees shall be included on a proportional basis.

(f) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual, corporation or other entity that directly or indirectly controls or owns a majority of the voting shares or other interest of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interest, will be considered an affiliate for purposes of this part, unless the adjudicative officer determines that such treatment would be unjust and contrary to the purposes of the Act in light of the actual relationship between the affiliated entities. In addition, the adjudicative officer may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(g) An applicant that participates in a proceeding primarily on behalf of one or more other persons or entities that would be ineligible is not itself eligible for an award.

§ 960.5 Standards for awards.

(a) A prevailing applicant may receive an award for fees and expenses incurred in connection with a proceeding, including expenses and fees incurred in
§ 960.6 Allowable fees and expenses.

(a) Awards will be based on rates customarily charged by persons engaged in the business of acting as attorneys, agents and expert witnesses, even if the services were made available without charge or at a reduced rate to the applicant.

(b) No award for the fee of an attorney or agent under these rules may exceed $125.00 per hour, or such rate as prescribed by 5 U.S.C. 504. No award to compensate an expert witness may exceed the highest rate at which the Postal Service pays expert witnesses. However, an award may also include the reasonable expenses of the attorney, agent, or witness as a separate item, if the attorney, agent or witness ordinarily charges clients separately for such expenses.

(c) In determining the reasonableness of the fee sought for an attorney, agent or expert witness, the adjudicative officer shall consider the following:

1. The time actually spent in the representation of the applicant;
2. The time reasonably spent in light of the difficulty or complexity of the issues in the proceeding; and
3. Such other factors as may bear on the value of the services provided.

(d) The reasonable cost of any study, analysis, engineering report, test, project or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the service does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of the applicant's case.

§ 960.7 Rulemaking on maximum rates for attorney fees.

(a) If warranted by an increase in the cost of living or by special circumstances (such as limited availability of attorneys qualified to handle certain types of proceedings), the Postal Service may adopt regulations providing that attorney fees may be awarded at a rate higher than $125.00 per hour, or such rate as prescribed by 5 U.S.C. 504, in some or all of the types of proceedings covered by this part. The Postal Service will conduct any rulemaking proceedings for this purpose under the informal rulemaking procedures of the Administrative Procedure Act.

(b) Any person may request the Postal Service to initiate a rulemaking proceeding to increase the maximum rate for attorney fees. The request should identify the rate the person believes the Postal Service should establish and the types of proceedings in which the rate should be used. It should also explain fully the reasons why the higher rate is warranted. The Postal Service will respond to the request within 60 days after it is filed, by determining to initiate a rulemaking proceeding, denying the request, or taking other appropriate action.

§ 960.8 Official authorized to take final action under the Act.

The Postal Service official who renders the final agency decision in a proceeding under § 952.26 or § 953.15, or the panel that renders the decision in an appeal before the Board of Contract Appeals under part 955 procedures, as the case may be, is authorized to take final action on matters pertaining to the Equal Access to Justice Act as applied to the proceeding.

Subpart B—Information Required From Applicants

§ 960.9 Contents of application.

(a) An application for an award of fees and expenses under the Act shall identify the applicant and the proceeding for which an award is sought. The application shall show that the applicant has prevailed and identify the position of the Postal Service in the proceeding that the applicant alleges was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(b) The application shall also include a statement that the applicant’s net worth does not exceed $2 million (if an individual) or $7 million (for all other applicants, including their affiliates.) However, an applicant may omit this statement if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant’s belief that it qualifies under such section; or

(2) It states on the application that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141(a)).

(c) The application shall state the amount of fees and expenses for which an award is sought.

(d) The application may also include any other matters that the applicant wishes the Postal Service to consider in determining whether and in what amount an award should be made.

(e) The application shall be signed by the applicant or an authorized officer or attorney of the applicant. It shall also contain or be accompanied by a written verification under oath or under penalty of perjury that the information provided in the application is true and correct.

§ 960.10 Net worth exhibit.

(a) Each applicant except a qualified tax-exempt organization or cooperative association must provide with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in § 960.4(f)) when the proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant’s and its affiliates’ assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in this part. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(b) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled “Confidential Financial Information”, accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 552(b) (1) through (9), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the agency.
against which the applicant seeks an award, but need not be served on any other party to the proceeding. If the adjudicative officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the Postal Service’s established procedures under the Freedom of Information Act, part 265 of this title.

§ 960.11 Documentation of fees and expenses.

(a) The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project or similar matter, for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rate at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The adjudicative officer may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed. In addition, the Board of Contract Appeals may require an applicant to submit to an audit by the Postal Service of its claimed fees and expenses.

(b) Where the case has been sustained in part and denied in part or where the applicant has prevailed in only a significant and discrete substantive portion of the case, the application must be limited to fees and expenses allocable to the portion of the case as to which the applicant was the prevailing party.

§ 960.12 When an application may be filed.

(a) An application may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after the Postal Service’s final disposition of the proceeding.

(b) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy.

(c) For purposes of this rule, final disposition means the later of (1) the date on which an initial decision or other recommended disposition of the merits of the proceeding by an adjudicative officer or intermediate review board becomes administratively final; (2) Issuance of an order disposing of any petitions for reconsideration of the Postal Service’s final order in the proceeding; (3) If no petition for reconsideration is filed, the last date on which such a petition could have been filed; (4) Issuance of a final order or any other final resolution of a proceeding, such as a settlement or voluntary dismissal, which is not subject to a petition for reconsideration; (5) In proceedings under 39 U.S.C. 3005, on the date that an Administrative Law Judge enters an order indefinitely suspending further proceedings on the basis of a compromise agreement entered into between the parties; or

(6) In proceedings before the Board of Contract Appeals, the Board of Contract Appeals decision on quantum. When the Board decides only entitlement and remands the issue of quantum to the parties, the final disposition occurs when the parties execute an agreement on quantum, or if the parties cannot agree on quantum and resubmit the quantum dispute to the Board, when the Board issues a decision on quantum.

Subpart C—Procedures for Considering Applications

§ 960.13 Filing and service of documents.

Any application for an award or other pleading or document related to
an application shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding, except as provided in §960.11(b) for confidential financial information.

§ 960.14 Answer to application.
(a) Within 30 days after service of an application, counsel representing the Postal Service may file an answer to the application. Unless the Postal Service counsel requests an extension of time for filing or files a statement of intent to negotiate under paragraph (b) of this section, failure to file an answer within the 30-day period may be treated as a consent to the award requested.

(b) If the Postal Service counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the adjudicative officer upon request by Postal Service counsel and the applicant.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of the Postal Service's position. If the answer is based on any alleged facts not already in the record of the proceeding, the Postal Service shall include with the answer either supporting affidavits or a request for further proceedings under §960.19.

§ 960.15 Reply.
Within 15 days after service of an answer, the applicant may file a reply. If the reply is based on any alleged facts not already in the record of the proceeding, the applicant shall include with the reply either supporting affidavits or a request for further proceedings under §960.19.

§ 960.16 Comments by other parties.
Any party to a proceeding other than the applicant and Postal Service may file comments on an application within 30 days after it is served or on an answer within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the adjudicative officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

§ 960.17 Settlement.
The applicant and the Postal Service may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded. If a prevailing party and Postal Service counsel agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

§ 960.18 Further proceedings.
(a) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or Postal Service counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions, or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible. Whether or not the position of the agency was substantially justified shall be determined on the basis of the entire administrative record that is made in the adversary adjudication for which fees and other expenses are sought.

(b) A request that the adjudicative officer order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

§ 960.19 Decision.
(a) The adjudicative officer shall issue an initial decision on the application as promptly as possible after completion of proceedings on the application. The decision shall include written
findings and conclusions on the applicant’s eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The decision shall also include, if at issue, findings on whether the Postal Service’s position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust. If the applicant has sought an award against the Postal Service and another agency, the decision shall allocate responsibility for payment of any award made between the Postal Service and the other agency, and shall explain the reasons for the allocation made.

(b) The Board of Contract Appeals shall issue its decision on the application as promptly as possible after completion of proceedings on the application. Whenever possible, the decision shall be made by the same Administrative Judge or panel that decided the contract appeal for which fees are sought. The decision shall be in the format described in paragraph (a) of this section.

§960.20 Further Postal Service review.

(a) Either the applicant or Postal Service counsel may seek review of the initial decision on the fee application, in accordance with §952.25 or §953.14. If neither the applicant nor the Postal Service counsel seeks review, the initial decision on the application shall become a final decision of the Postal Service 30 days after it is issued. If review is taken, the Judicial Officer will issue a final decision on the application or remand the application to the adjudicative officer for further proceedings.

(b) In Board of Contract Appeals proceedings, either party may seek reconsideration of the decision on the fee application in accordance with 39 CFR 955.30.

§ 961.1 Authority for rules.

These rules are issued by the Judicial Officer pursuant to authority delegated by the Postmaster General.

§ 961.2 Scope of rules.

The rules in this part apply to the hearing provided by section 5 of the Debt Collection Act of 1982, as amended, 5 U.S.C. 5514, challenging the Postal Service’s determination of the existence or amount of an employee debt to the Postal Service, or of the terms of the employee’s debt repayment schedule. In addition, these rules apply to a hearing under section 5 of the Debt Collection Act when an Administrative Law Judge or an Administrative Judge in the Judicial Officer Department is designated as the Hearing Official for a creditor Federal agency other than the Postal Service pursuant to an agreement between the Postal Service and that agency. In such cases, all references to Postal Service within these rules shall be construed to refer to the creditor Federal agency involved.

§ 961.3 Definitions.

As used in this part:

(a) Employee refers to a current employee of the Postal Service who is alleged to be indebted to the Postal Service; or to an employee of another Federal agency who is alleged to be indebted to that other creditor Federal agency and whose hearing under section 5 of the Debt Collection Act is being conducted under these rules.

(b) General Counsel refers to the General Counsel of the Postal Service, and includes a designated representative.

(c) Hearing Official refers to an Administrative Law Judge qualified to hear cases under the Administrative Procedure Act, an Administrative Judge appointed under the Contract Disputes Act of 1978, or other qualified person not under the control or supervision of the Postmaster General, who is designated by the Judicial Officer to conduct the hearing under section 5 of the Debt Collection Act of 1982, as amended, 5 U.S.C. 5514.

(d) Judicial Officer refers to the Judicial Officer, Associate Judicial Officer, or Acting Judicial Officer of the United States Postal Service.

§ 961.4 Employee petition for a hearing.

(a) If an employee desires a hearing, prescribed by section 5 of the Debt Collection Act, to challenge the Postal Service’s determination of the existence or amount of a debt, or to challenge the involuntary repayment terms proposed by the Postal Service, the employee must file a written petition electronically at https://uspsjoe.justicare.com/justiceweb, or by mail at Recorder, Judicial Officer Department, United States Postal Service, 2101 Wilson Blvd., Suite 600, Arlington, VA 22201–3078, on or before the fifteenth (15th) calendar day following the receipt of the Postal Service’s “Notice of Involuntary Administrative Salary Offsets Under the Debt Collection Act.” The Hearing Official, in his or her discretion may waive this deadline upon a demonstration of good cause. In the event that the Postal Service initiated involuntary administrative salary offsets without having issued a Notice as required by the Debt Collection Act, the Hearing Official, in his or her discretion, may retain authority to resolve the debt assessment as if a Notice had been issued, and may

order the Postal Service to return any
improperly offset money.

(b) A sample petition is available
through the Judicial Officer Electronic
Filing Web site (https://
uspsjoe.justware.com/justiceweb). The
hearing petition shall include the fol-

page;

(2) The name of the employee, the
employee’s work address, home ad-

telephone number, and email address,
if any, or other address and telephone
number at which the employee may be

(3) A statement of the date on which
the employee received the “Notice of
Involuntary Administrative Salary Off-

fied in the Notice of Involuntary Ad-
ministrative Salary Offsets;
(ii) the amount of the debt identified
in the Notice; and/or
(iii) the involuntary repayment
terms identified by the Postal Service
in the Notice. For each challenge, the
employee’s petition shall indicate the
basis of the employee’s disagreement.
The employee should identify and ex-
plain the facts, evidence, and legal ar-
guments which support his or her posi-
tion;

(5) Copies of all records in the em-
ployee’s possession which relate to the
debt; and

(6) If an employee contends that the
Postal Service’s proposed offset sched-
ule would result in a severe financial
hardship on the employee, his or her
spouse, and dependents, the employee

Official, the employee shall provide a
statement and supporting documents
indicating the employee’s financial
status. This statement should address

§ 961.5 Effect of filing a petition.

Upon receipt and docketing of the em-
ployee’s petition for a hearing, fur-
ther collection activity by the Postal
Service must cease, as required by sec-
tion 5 of the Debt Collection Act until
the petition is resolved by the Hearing
Official.

§ 961.6 Filing, docketing and serving
documents; computation of time;
representation of parties.

(a) Filing. After a petition is filed, all
documents relating to the Debt Collec-
tion Act hearing proceedings must be
filed using the electronic filing system
unless the Hearing Official permits
otherwise. Documents submitted using
the electronic filing system are consid-
ered filed as of the date/time (Eastern
Time) reflected in the system. Docu-
ments mailed to the Recorder are con-
sidered filed on the date mailed as evi-
denced by a United States Postal Serv-
ice postmark. Filings by any other
means are considered filed upon receipt
by the Recorder of a complete copy of
the filing during normal business hours
(Normal Recorder office business hours
are between 8:45 a.m. and 4:45 p.m.,
Eastern Time). If both parties are par-
ticipating via the electronic filing sys-
tem, separate service upon the oppos-
ing party is not required. Otherwise,
documents shall be served personally
or by mail on the opposing party, not-
ing on the document filed, or on the
transmitting letter, that a copy has
been so furnished.

(b) Docketing. The Recorder will
maintain a record of Debt Collection
Act proceedings and will assign a dock-
et number to each such case. After no-
tification of the docket number, the
employee and the Postal Service’s rep-
resentative should refer to it on any
further filings regarding the petition.

(c) Time computation. A filing period
under the rules in this Part excludes
the day the period begins, and includes
the last day of the period unless the
last day is a Saturday, Sunday, or legal
holiday, in which event the period runs

until the close of business on the next business day. Requests for extensions of time shall be made in writing prior to the date on which the submission is due, state the reason for the extension request, represent that the moving party has contacted the opposing party about the request, or made reasonable efforts to do so, and indicate whether the opposing party consents to the extension. Requests for extensions of time submitted after the date on which the submission was due shall explain why the moving party was unable to request an extension prior to the deadline.

d) Representation of parties. The representative of the Postal Service, as designated by the General Counsel, shall file a notice of appearance as soon as practicable, but no later than the date for filing the answer. If an employee has a representative, he or she also shall file a notice of appearance as soon as practicable, and further transmissions of documents and other communications by and with the employee shall be made through his or her representative.

§ 961.7 Answer to petition.

Within 15 days from the date of receiving the petition, the Postal Service’s representative shall file an answer to the petition, and attach all available relevant records and documents in support of the Postal Service’s debt claim, and/or the administrative salary offset schedule proposed by the Postal Service for collecting any such claim. The answer shall provide a clear and thorough description of the basis for the Postal Service’s determination of the alleged debt, its calculation of the amount of the alleged debt, and/or its proposed offset schedule.

§ 961.8 Hearing Official authority and responsibilities.

The Hearing Official’s authority includes, but is not limited to, the following:

(a) Ruling on all motions or requests by the parties.

(b) Issuing notices, orders or memoranda to the parties concerning the hearing proceedings.

c) Conducting telephone conferences with the parties to expedite the proceedings. The Hearing Official will prepare a Memorandum of Telephone Conference, which shall be transmitted to both parties and which serves as the official record of that conference.

d) After considering the positions of the parties, determining whether an oral hearing (or alternatively, a hearing solely on written submissions) shall be conducted, and setting the place, date, and time for such a hearing.

e) Administering oaths or affirmations to witnesses.

f) Conducting the hearing in a manner to maintain discipline and decorum while assuring that relevant, reliable and probative evidence is elicited on the issues in dispute, but irrelevant, immaterial or repetitious evidence is excluded. The Hearing Official in his or her discretion may examine witnesses to ensure that a satisfactory record is developed.

(g) Establishing the record in the case. The weight to be attached to any evidence of record will rest within the discretion of the Hearing Official. Except as the Hearing Official may otherwise order, no proof shall be received in evidence after completion of an oral hearing or, in cases submitted on the written record, after notification by the Hearing Official that the record is closed. The Hearing Official may require either party, with appropriate notice to the other party, to submit additional evidence on any relevant matter.

(h) Granting reasonable time extensions or other relief for good cause shown in the Hearing Official’s sole discretion.

(i) Issuing the final decision. The decision must include the determination of the amount and validity of the alleged debt and, where applicable, the repayment schedule. The Hearing Official will issue the decision as soon as practicable after the close of the record. Collection activity remains stayed until the decision has issued.

§ 961.9 Opportunity for oral hearing.

An oral hearing shall be conducted in the sole discretion of the Hearing Official. An oral hearing may be conducted
§ 961.10 Effect of Hearing Official's decision; motion for reconsideration.

(a) After the receipt of written submissions or after the conclusion of the hearing and the receipt of post-hearing briefs, if any, the Hearing Official shall issue a written decision, which shall include the findings of fact and conclusions of law, relied upon.

(b) The Hearing Official shall send each party a copy of the decision. The Hearing Official's decision shall be the final administrative determination on the employee's debt or repayment schedule. No reconsideration of the decision will be allowed unless a motion for reconsideration is filed within 10 days from receipt of the decision and shows good cause for reconsideration. Reconsideration will be allowed only in the discretion of the Hearing Official. A motion for reconsideration by the employee will not operate to stay a collection action authorized by the Hearing Official's decision.

§ 961.11 Consequences for failure to comply with rules.

(a) The Hearing Official may determine that the employee has abandoned the right to a hearing, and that administrative offset may be initiated if the employee files his or her petition late without good cause; or files a withdrawal of the employee's petition for a hearing.

(b) The Hearing Official may determine that the administrative offset may not be initiated if the Postal Service fails to file the answer or files the answer late without good cause; or files a withdrawal of the debt determination at issue.

(c) If a party fails to comply with these Rules or the Hearing Official's orders, the Hearing Official may take such action as he or she deems reasonable and proper under the circumstances, including dismissing or granting the petition as appropriate.

§ 961.12 Ex parte communications.

Ex parte communications are not allowed between a party and the Hearing Official or the Official's staff. Ex parte communication means an oral or written communication, not on the public record, with one party only with respect to which reasonable prior notice to all parties is not given, but it shall not include requests for status reports or procedural matters. A memorandum of any communication between the Hearing Official and a party will be transmitted to both parties.

Such orders may include limitations on the scope, method, time and place for discovery, and provisions for protecting the secrecy of confidential information or documents. Each party shall bear its own expenses relating to discovery.

(b) Depositions. (1) After the issuance of a Notice of Hearing described in §962.6, the parties may mutually agree to, or the Presiding Officer may, upon application of either party and for good cause shown, order the taking of testimony of any person by deposition upon oral examination or written interrogatories before any officer authorized to administer oaths at the place of examination, for use as evidence or for purposes of discovery. (3) The Presiding Officer, in his discretion, may honor requests for subpoenas not made within the time limitations specified in this paragraph.

(d) Requests to quash or modify. Upon written request by the person subpoenaed or by a party, made within 10 days after service but in any event not later than the time specified in the subpoena for compliance, the Presiding Officer may (1) quash or modify the subpoena if it is unreasonable and oppressive or for other good cause shown, or (2) require the person in whose behalf the subpoena was issued to advance the reasonable cost of producing subpoenaed books and papers. (c) Decision of judicial officer. (1) The Judicial Officer shall promptly serve each party to the appeal with a copy of his decision and a statement describing the right to judicial review under 31 U.S.C. 3805 of any Respondent determined to be liable under 31 U.S.C. 3802.

These rules of practice are issued by the Judicial Officer of the United States Postal Service pursuant to authority delegated by the Postmaster General (39 CFR 224.1(c)(4)).

§ 964.2 Scope of rules.

The rules in this part provide for administrative review of cases in which the Chief Postal Inspector or his delegate, acting pursuant to 39 U.S.C. 3003(a), has withheld from delivery mail which he believes is involved in a scheme described in section 3003(a), and cases in which the Chief Postal Inspector or his delegate, acting pursuant to 39 U.S.C. 3004, determines that letters
or parcels sent in the mail are addressed to places not the residence or regular business address of the person for whom they are intended to enable the person to escape identification.

§ 964.3 Customer petitions; notice of hearing; answer; summary judgment.

(a) Petition. Any addressee who receives notice from the Chief Postal Inspector or his delegate that his mail has been withheld pursuant to 39 U.S.C. 3003(a) or 3004 may oppose such action by filing with the Judicial Officer a written Petition stating the reasons for his or her opposition. The Petition, signed by the Petitioner or his or her attorney, shall be filed via the Judicial Officer Electronic filing system at https://uspsjoe.justware.com/justiceweb or via certified mail to the Recorder, Judicial Officer Department, United States Postal Service, 2101 Wilson Boulevard, Suite 600, Arlington, VA 22201–3078. The Petition must be filed within 14 days of the date upon which the Petitioner received the notice. The failure of an addressee who has received notice of withheld mail to file a Petition opposing such action with the Judicial Officer shall constitute a waiver of hearing and further procedural steps by the addressee. The Chief Postal Inspector or his or her designee of the Postal Service shall thereupon file the matter with the Judicial Officer for issuance of a final order pursuant to §964.19. Such referral shall contain a statement of the basis for the detention, evidence that the notice of the detention and the addressee’s right to petition for review under this part were served on the addressee in person or by mailing a copy to the address to which the detained mail is directed, the date of such service, and a copy of the proposed order sought by the Chief Postal Inspector or his or her designee.

(b) Notice of hearing. On receipt of the Petition, the Recorder shall schedule a hearing on a date not later than 28 days after the date of receipt. A Notice of Hearing shall be sent to the Petitioner. A copy of the Notice of Hearing and the Petition shall be sent to the Chief Postal Inspector or his or her designee of the U.S. Postal Service.

(c) Answer. The Chief Postal Inspector or his or her designee of the Postal Service shall file an Answer to the Petition within 10 days of receipt of the Petition from the Recorder.

(d) Summary judgment. Upon motion of either the Chief Postal Inspector or his or her designee or the Petitioner, or upon his own initiative, the presiding officer may find that the Petition and Answer present no material issues of fact requiring an evidentiary hearing and thereupon may render an initial decision granting or dismissing the Petition. The initial decision shall become the final agency decision if a timely appeal is not taken pursuant to §964.16 of this part.

(e) Filing and service. All documents required under this part must be filed using the electronic filing system unless the presiding officer permits otherwise. Documents submitted using the electronic filing system are considered filed as of the date/time (Eastern Time) reflected in the system. Documents mailed to the Recorder are considered filed on the date mailed as evidenced by a United States Postal Service postmark. Filings by any other means are considered filed upon receipt by the Recorder of a complete copy of the filing during normal business hours. Normal business hours are between 8:45 a.m. and 4:45 p.m. (Eastern Time), Monday through Friday except holidays. If both parties are participating in the electronic filing system, separate service upon the opposing party is not required. Otherwise, documents shall be served personally or by mail on the opposing party, noting on the document filed, or on the transmitting letter, that a copy has been so furnished.

§ 964.4 Hearings.

Hearings are held at 2101 Wilson Boulevard, Suite 600, Arlington, VA 22201–3078, or other locations designated by the presiding officer. Not later than 10 days prior to the date fixed for the hearing, a party may file a request.
§ 964.5 Election as to hearing.

If both parties elect, they may waive an oral hearing and submit the matter for decision on the basis of the Petition and Answer, subject to the authority of the presiding officer to require the parties to furnish such further evidence or such briefs as necessary. The request to waive oral hearing should be filed not later than 10 days prior to the date set for hearing.

§ 964.6 Default.

If a Petitioner fails to appear at the hearing without notice or without adequate cause the presiding officer may issue an order dismissing the Petition and refer the matter to the Judicial Officer for issuance of the order provided for under §964.19. An order of dismissal issued under this section may be appealed to the Judicial Officer within 10 days from the date of the order.

§ 964.7 Presiding officers.

(a) The presiding officer shall be an Administrative Law Judge qualified in accordance with law or the Judicial Officer. The Chief Administrative Law Judge shall assign cases. The Judicial Officer may preside at the hearing if an Administrative Law Judge is unavailable.

(b) The presiding officer has authority to:

(1) Administer oaths and affirmations;

(2) Examine witnesses;

(3) Rule upon offers of proof, admissibility of evidence and matters of procedure;

(4) Order any pleadings amended upon motion of a party at any time prior to the close of the hearing;

(5) Maintain discipline and decorum and exclude from the hearing any person acting in an indecorous manner;

(6) Require the filing of briefs or memoranda of law on any matter upon which he is required to rule;

(7) Order prehearing conferences for the purpose of the settlement or simplification of issues by the parties or for any other purpose he believes will facilitate the processing of the proceeding;

(8) Order the proceeding reopened at any time prior to his decision for the receipt of additional evidence;

(9) Render an initial decision, which becomes the final agency decision unless a timely appeal is taken: The Judicial Officer may issue a tentative or a final decision;

(10) Rule upon applications and requests filed under §964.9 of this part.

§ 964.8 Subpoenas and witness fees not authorized.

The Postal Service is not authorized to issue subpoenas requiring the attendance or testimony of witnesses, nor to pay fees and expenses for a Petitioner’s witnesses or for depositions requested by a Petitioner.

§ 964.9 Discovery; interrogatories; admission of facts; production and inspection of documents.

(a) General policy and protective orders.

The parties are encouraged to engage in voluntary discovery procedures. In connection with any discovery procedure permitted under this part, the presiding officer may issue any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense. Such orders may include limitations on the scope, method, time and place for discovery, and provisions for protecting confidential information or documents from unwarranted public disclosure. Each party
shall bear its own expenses relating to discovery.

(b) Depositions. (1) After the issuance of a notice of hearing described in §964.3 of this part, the parties may mutually agree to, or the presiding officer may, upon application of either party and for good cause shown, order the taking of testimony of any person by deposition upon oral examination or written interrogatories before any officer authorized to administer oaths at the place of examination, for use as evidence or for purposes of discovery. The application for order shall specify whether the purpose of the deposition is discovery or for use as evidence, or both.

(2) The time, place, and manner of taking depositions shall be as mutually agreed by the parties, or failing such agreement, governed by order of the presiding officer.

(3) No testimony taken by depositions shall be considered as part of the evidence in the hearing unless and until such testimony is offered and received in evidence at such hearing. Depositions will not ordinarily be received in evidence if the deponent is present and can testify personally at the hearing. In such instances, however, the deposition may be used to contradict or impeach the testimony of the witness given at the hearing. In cases submitted on the record, the presiding officer may, in his discretion, receive depositions as evidence in supplementation of the record.

(c) Interrogatories to parties. Not later than 5 days after the filing of the Answer described in §964.3, a party may serve on the other party written interrogatories to be answered separately in writing, signed under oath and returned within 10 days. Upon timely objection by the party, the presiding officer will determine the extent to which the interrogatories will be permitted.

(d) Admission of facts. Not later than 5 days after the filing of the Answer described in §964.3, a party may serve upon the other party a request for the admission of specified facts. Within 10 days after receipt of the request for admissions, the party served shall admit or answer each specified fact or file objections thereto. Any factual propositions set out in the request to which a party fails to respond shall be deemed admitted.

(e) Production and inspection of documents. Upon motion of any party showing good cause therefor, and upon notice, the presiding officer may order the other party to produce and permit the inspection and copying or photographing of any designated documents and or objects, provided that such documents and objects are not privileged, their relevance to the cause or causes in issue is explained, and they are reasonably calculated to lead to the discovery of admissible evidence. If the parties cannot themselves agree thereon, the presiding officer shall specify the terms and conditions for making the inspection and taking the copies and photographs.

§964.10 Evidence.

(a) In general, admissibility will hinge on relevancy and materiality. However, relevant evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, or by considerations of undue delay, waste of time, or needless presentation of cumulative evidence.

(b) Testimony shall be given under oath or affirmation and witnesses shall be subject to cross-examination.

(c) Agreed statements of fact are encouraged and may be received in evidence.

§964.11 Transcript.

Testimony and argument at hearings shall be reported verbatim, unless the presiding officer orders otherwise. Transcripts or copies of the proceedings are supplied to the parties at such rate as may be fixed by contract between the reporter and Postal Service. §964.12 Computation of time.

§ 964.13 Continuances and extensions.
Continuances and extensions will be granted by the presiding officer for good cause shown.

§ 964.14 Proposed findings of fact and conclusions of law.
(a) Each party to a proceeding, except one who fails to answer the petition or, having answered, either fails to appear at the hearing or indicates in the answer that he does not desire to appear, may, unless at the discretion of the presiding officer such is not appropriate, submit proposed findings of fact, conclusions of law, orders and supporting reasons either in oral or written form in the discretion of the presiding officer. The presiding officer may also require parties to submit proposed findings of fact, conclusions of law, orders, and supporting reasons. Unless given orally, the date set for filing of proposed findings of fact, conclusions of law, orders and supporting reasons shall be within 15 days after the delivery of the official transcript to the Recorder who shall notify both parties of the date of its receipt. The filing date for proposed findings of fact, conclusions of law, orders and supporting reasons shall be the same for both parties. If not submitted by such date, unless extension of time for the filing thereof is granted, they will not be included in the record or given consideration.

(b) Except when presented orally before the close of the hearing, proposed findings of fact shall be set forth in serially numbered paragraphs and shall state with particularity all evidentiary facts in the record with appropriate citations to the transcript or exhibits supporting the proposed finding. Each proposed conclusion shall be separately stated.

§ 964.15 Decisions.
(a) Initial decision by Administrative Law Judge. A written initial decision shall be rendered by an Administrative Law Judge with all due speed. The initial decision shall include findings and conclusions with the reasons therefor upon all the material issues of fact or law presented in the record, and the appropriate orders or denial thereof. The initial decision shall become the final agency decision unless an appeal is taken in accordance with §964.16.

(b) Tentative or final decision by the Judicial Officer. When the Judicial Officer presides at the hearing he shall issue a final or a tentative decision. The tentative decision shall become the final agency decision unless exceptions are filed in accordance with §964.16.

§ 964.16 Appeal.
(a) Either party may file exceptions in a brief on appeal to the Judicial Officer within 15 days after receipt of the initial or tentative decision unless additional time is granted. A reply brief may be filed within 15 days after receipt of the appeal brief by the opposing party. The Judicial Officer has all powers of a presiding officer and is authorized to decide all issues de novo.

(b) Briefs upon appeal or in support of exceptions to a tentative decision by the Judicial Officer and replies thereto shall be filed in triplicate with the Recorder and contain the following matter in the order indicated:

1. A subject index of the matters presented, with page references; a table of cases alphabetically arranged; a list of statutes and texts cited with page references.

2. A concise abstract or statement of the case in briefs on appeal or in support of exceptions.

3. Numbered exceptions to specific findings and conclusions of fact, conclusions of law, or recommended orders of the presiding officer in briefs on appeal or in support of exceptions.

A party against whom an order or orders have been issued may file an application for modification or revocation thereof. The Recorder shall transmit a copy of the application to the Chief Postal Inspector or his or her designee, who shall file a written reply within 10 days after receipt or such other period as the Judicial Officer may fix. A copy of the reply shall be sent to the applicant by the Recorder. Thereafter an order granting or denying such application will be issued by the Judicial Officer.

Unless the presiding officer otherwise permits, all documents relative to this proceeding must be filed using the electronic filing system.

§ 965.6 Comments by parties.

Within 10 days of receipt of the other party’s initial submission under §965.5, each party may file with the Recorder an additional statement or rebuttal argument setting forth in detail its disagreements, if any, with its opponent’s initial submission. Such rebuttal may include any additional documents relevant to the dispute.

§ 965.7 Default.

The decision will be brief, containing summary findings of fact, conclusions of law, and reasons therefor. If there has been a hearing the presiding officer may in his discretion render an oral decision. A typed copy of such oral decision will subsequently be furnished to the parties to establish the date for commencement of time for requesting review of the initial decision.

§ 965.12 Appeal.

The Judicial Officer, or by delegation the Associate Judicial Officer, in his or her sole discretion, also may review the initial or tentative decision on his or her own initiative. If an appeal is denied, the initial or tentative decision becomes the final agency decision upon the issuance of such denial. If an appeal is not filed and the Judicial Officer, or by delegation the Associate Judicial Officer does not review the initial or tentative decision on his or her own initiative, a final order will be issued. § 966.11 Appeal.

The initial or tentative decision will become the final agency decision thirty (30) days after its issuance unless, before the expiration of that time, a party files an appeal with the Judicial Officer, or the Judicial Officer, in his or her sole discretion, elects to conduct a review of the decision on his or her own initiative. During such review or appeal consideration, the Judicial Officer will accept all findings of fact in the original decision unless clearly erroneous. If following appeal or review, the Judicial Officer affirms the original decision, that decision becomes the final agency decision with no further right of appeal within the agency.

§ 966.10 Initial decision.

(a) After the receipt of written submissions or after the conclusion of the hearing and the receipt of any post-hearing briefs, the Hearing Official shall issue a written initial decision, including findings of fact and conclusions of law, which the Hearing Official relied upon in determining whether the former employee is indebted to the Postal Service, or in upholding or revising the administrative offset schedule proposed by the Postal Service for collecting a former employee’s debt. When the Judicial Officer presides at a hearing he or she shall issue a final or a tentative decision.

When the Hearing Official determines that an oral hearing shall not be conducted, the decision shall be based solely on written submissions. The Hearing Official shall arrange for the recording and transcription of an oral hearing, which shall serve as the official record of the hearing. The unexcused absence of a party at the time and place set for hearing may not be occasion for delay at the discretion of the Hearing Official. In the event of such absence, the hearing may proceed without the participation of the absent party.

§ 966.12 Witnessing the record.

(7) Establishing the record in the case. Except as the Hearing Official may otherwise order in his or her discretion, no proof shall be received in evidence after completion of an oral hearing or, in cases submitted on the written record, after notification by the Hearing Official that the case is ready for decision. The weight to be attached to any evidence of record will rest within the sound discretion of the Hearing Official. The Hearing Official may require either party, with appropriate notice to the other party, to submit additional evidence on any relevant matter;

(8) Issuing an initial decision or one on remand; and

(9) Granting reasonable time extensions or other relief for good cause shown.
