

acceptance of the project, and the extension of time required for the remaining work to be done. The owner shall be notified of HUD's determinations and, if the owner agrees to comply with the conditions, an addendum to the Agreement shall be entered into, specifying the remaining work, pursuant to which the defects or deficiencies will be corrected and the unit(s) then accepted. If the owner is unwilling to enter into such an addendum or fails to perform under the addendum, the units will not be accepted and appropriate remedies will be sought by HUD. Paragraphs (a) through (g) will apply when the remaining work is completed satisfactorily.

(h) *Notification of non-acceptance.* If HUD determines that, based on the review of the evidence of completion and inspection, the unit(s) cannot be accepted, the Owner must be promptly notified of this decision and the reasons and steps shall be taken immediately to rescind the sale, or such other action deemed appropriate by HUD.

**§ 886.334 Execution of housing assistance payments contract.**

(a) *Time of execution.* Upon acceptance of the unit(s) by HUD pursuant to § 886.333(f), the contract will be executed first by the Owner and then by HUD. The effective date must be no earlier than the HUD inspection which provides the basis for unconditional acceptance.

(b) *Changes in initial contract rents during rehabilitation.* (1) The Contract Rents established pursuant to § 886.310 and 24 CFR part 290 will be the Contract Rents on the effective date of the Contract except under the following circumstances:

(i) When, during rehabilitation, work items are discovered which could not reasonably have been anticipated by HUD or are necessitated by an unforeseen change in local codes or ordinances; were not listed in the work write-up prepared by HUD but are deemed by HUD, in writing, to be necessary work; and will require additional expenditures which would make

the rehabilitations infeasible at the Contract Rents established in the Agreement. Under these circumstances, HUD will:

(A) Approve a change order to the rehabilitation contract, or amend the work write-up if there is no rehabilitation contract, specifying the additional work to be accomplished and the additional cost for this work,

(B) Recompute the Contract Rents, within the limits specified in paragraph (b)(4) of this section, based upon the revised cost estimate, and

(C) Prepare and execute an amendment to the Agreement stating the additional work required and the revised Contract Rents.

(ii) When the actual cost of the rehabilitation performed is less than that estimated in the calculation of Contract Rents for the Agreement.

(iii) When, due to unforeseen factors, the actual certified relocation payments made by the Owner to temporarily relocated Families varies from the cost estimated by HUD.

(2) Should changes occur as specified in paragraph (b)(1) (ii) or (iii) (either an increase or decrease), HUD may recalculate the Contract Rents and amend the Contract or Agreement, as appropriate, to reflect the revised rents. The rents shall not be recalculated based on increased costs to maintain rents at the Section 8 level during the rehabilitation period.

(3) HUD must review and approve the Owner's certification that the rehabilitation costs and relocation costs are the actual costs incurred.

(4) In establishing the revised Contract Rents, HUD must determine that the resulting Contract Rents plus an applicable Utility Allowances do not exceed the Fair Market Rent or the exception rent provided in § 886.310 in effect at the time of execution of the Agreement.

(c) *Unleased unit(s).* At the time the contract is executed, HUD will provide a list of dwelling unit(s) leased as of the effective date of the Contract and a list of the unit(s) not so leased, if any, and shall determine whether or not the owner has met the obligations with respect to any unleased unit(s) and for which of those unit(s) vacancy payments will be made by HUD. The owner

**§ 886.335**

must indicate in writing either concurrence with this determination or disagreement reserving all rights to claim vacancy payments for the unleased unit(s) pursuant to the contract, without prejudice by reason of the owner's signing the contract.

**§ 886.335 HUD review of agreement and contract compliance.**

HUD will review project operations at such intervals as it deems necessary to ensure that the owner is in full compliance with the terms and conditions of the contract, Regulatory Agreement, and Agreement to Enter into a Housing Assistance Contract, if any. The equal opportunity review may be conducted with the scheduled HUD review or at any time deemed appropriate by HUD.

**§ 886.336 Audit.**

Where a non-Federal entity (as defined in 2 CFR 200.69) is the eligible owner of a project receiving financial assistance under this part, the audit requirements in 2 CFR part 200, subpart F, shall apply.

[80 FR 75941, Dec. 7, 2015]

**§ 886.337 Selection preferences.**

Sections 5.410 through 5.430 govern the use of preferences in the selection of tenants under this subpart.

**§ 886.338 Displacement, relocation, and acquisition.**

(a) *Minimizing displacement.* Consistent with the other goals and objectives of this part, owners shall assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted under this part.

(b) *Temporary relocation.* The following policies cover residential tenants who will not be required to move permanently but who must relocate temporarily for the project. Such tenants must be provided:

**24 CFR Ch. VIII (4-1-18 Edition)**

(1) Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporary housing and any increase in monthly rent/utility costs; and

(2) Appropriate advisory services, including reasonable advance written notice of:

(i) The date and approximate duration of the temporary relocation;

(ii) The location of the suitable, decent, safe, and sanitary dwelling to be made available for the temporary period;

(iii) The terms and conditions under which the tenant may lease and occupy a suitable, decent, safe, and sanitary dwelling in the building/complex following completion of the rehabilitation; and

(iv) The provisions of paragraph (b)(1) of this section.

(c) *Relocation assistance for displaced persons.* A "displaced person" (defined in paragraph (g) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR part 24. A "displaced person" shall be advised of his or her rights under the Fair Housing Act (42 U.S.C. 3601-19), and, if the representative comparable replacement dwelling used to establish the amount of the replacement housing payment to be provided to a minority person is located in an area of minority concentration, such person also shall be given, if possible, referrals to comparable and suitable, decent, safe, and sanitary replacement dwellings not located in such areas.

(d) *Real property acquisition requirements.* The acquisition of real property for a project is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(e) *Appeals.* A person who disagrees with the owner's determination concerning whether the person qualifies as a "displaced person," or the amount of relocation assistance for which the person is found to be eligible, may file a written appeal of that determination
