Real Property, will be used. An attempt should be made to include a provision in the option giving the Government the right to acquire all or part of the land covered by the option where the land held in a single ownership can be separated into definable parcels and the possibility exists that, as planning is developed, the entire tract will not be required.

(2) The following instructions for the use of ENG Form 2926 will be followed:

(i) Insert amount to be paid for the option privilege. This amount cannot exceed five percent of the appraised value.

(ii) If the land has been separated into definable parcels in accordance with paragraph (d)(1) of this section, the option should describe each parcel and provide for a separate purchase price inclusive of any severance damage, as well as an agreed purchase price for the entire tract. The amount to be paid for the option privilege will be apportioned among the separate parcels.

(iii) The expiration date of the option on unauthorized projects should be far enough in advance to permit the insertion of a land acquisition line item in the next available budget; enactment of legislation; apportionment of funds by the Office of Management and Budget; clearance within the Department of Defense; clearance with the Committees on Armed Services of the Senate and House of Representatives, if required; issuance of a real estate directive; and allotment of funds.

(iv) Since options obtained under this section will normally be recorded, ENG Form 2926 will be acknowledged in the form used in the jurisdiction in which the real property is located.

(e) *Report.* When all options within the approval area have been acquired, and prior to their being exercised by the Government, a report will be made to HQDA (DAEN-REA-L) WASH DC 20314 including, but not limited to, the following items:

(1) Project identification.

(2) Directive authorizing acquisition of options.

(3) Number of tracts optioned.

(4) Expiration date of options.

(5) Total acreage optioned.

(6) Total amount to be paid if options are excercised.

(7) Total amount paid for option privilege.

(8) One copy of each option.

(9) One copy of each appraisal.

§ 644.168 Exercise of options.

Upon issuance of a real estate directive for acquisition of the optioned real property, the District or Division Engineer will exercise the option and proceed with the acquisition in accordance with the procedures outlined in §§ 644.61 through 644.88.
