(DAEN-REM) advice when the final report is made to GSA. Where the report is finalized by statement confirming a preliminary report as final, copies of the preliminary report and confirming statement should be distributed in accordance with §§ 644.348 through 644.367. Distribution of preliminary Reports of Excess, except to GSA, will not be made in other cases.

§ 644.394 Protection of disposal information.

To prevent premature disclosure to the public, information on and plans for disposal of all or a portion of an installation should be protected (AR 340–16), until such time as the property is determined excess to Army or Air Force requirements. (The Air Force preliminary real estate disposal directive is not issued until a determination has been made that the property is excess to Air Force requirements.) After determinations of excess are made, it is desirable that information on the availability of the property for disposal be widely disseminated. ''FOR OFFICIAL USE ONLY'' marking on plans and correspondence pertaining to the excess action may be cancelled by any recipient or holder. Where the classification ''CONFIDENTIAL'' or higher has been used, documents must be declassified in accordance with AR 380–5.

§ 644.395 Coordination on disposal problems.

If any major change or problem requires a significant revision in the time schedule for disposal, prompt action will be taken to advise offices concerned. HQDA (DAEN-REM) should be promptly informed of any problem adversely affecting a specific disposal project or the overall program for disposal or property.

§ 644.396 Assignment of personnel to administer.

To extent appropriate according to the circumstances and nature of the property, the DE will assign a responsible representative to each installation, or group of installations, to act under his staff supervision in performance of the following functions:

(a) Monitoring and expediting the actions described in §§ 644.385 through 644.399 and maintaining close liaison with GSA on disposal problems and actions.

(b) Monitoring and expediting performance of such demolition, dismantling or other construction work as may be authorized.

(c) Administration, operation and maintenance of the excess installation until final disposal, making every effort by consolidation of activities and otherwise to reduce the costs consistent with economic management of the facilities.

(d) Coordination of ultimate transfer of assumed custodial responsibility to other agencies or persons as directed.

§§ 644.397–644.399 [Reserved]

Disposal of Fee-Owned Real Property and Easement Interests

§ 644.400 Authorities—general.

(a) *Statutory authorities.* Power to dispose of real estate belonging to the United States is vested in Congress (paragraph 2, Section 3, Article IV, Constitution of the United States), and no real estate of the Department will be sold or otherwise disposed of without authority of Congress. By the Federal Property and Administrative Services Act of 1949 (Federal Property Act), (Pub. L. 152, 81st Congress; 63 Stat. 377) as amended, (40 U.S.C. 471 *et seq.*), Congress provided authority for utilization of excess property and the disposal of surplus Federal property, and established the General Services Administration (GSA) to administer the provisions of that Act. All excess and surplus Federal real estate and real property components will be disposed of under authority of the Federal Property Act, as amended, unless other statutory authority for such disposal is specifically withheld under the provisions of the Act or enacted subsequent thereto. In connection with disposals made under statutory authority other than the Federal Property Act, attention should be given to the purposes of the legislation and insofar as practicable, disposal of property should be in accordance with the provisions of the Act and the regulations issued thereunder, in order that the greatest overall efficiency and economy be effected.

(b) *Rules and regulations*—(1) *Issued by the GSA.* Rules and regulations issued by the GSA to effectuate its authority in respect to disposal of real estate and real property components are contained in FPMR, Section 101–47, as amended, including disposition of timber, embedded sand, gravel and stone, buildings and other structures, and leaseholds and other rights to use or occupy real estate. The DE will be governed by these rules and regulations. GSA also issues, from time to time, special delegations of authority to the Department of Defense with power of redelegation.

(2) *Issued by the Departments.* Policies and procedures of the departments with respect to the control, management, maintenance, and disposition of real estate and real property components located within the continental United States and its territories and possessions, placed in excess status or to be placed in excess status are contained in AR 405–90, AFR 87–4, and AR 405–5/AFR 87–15, except Army civil works property which is governed by ER 405–1–12.

(c) *Authorities delegated to the Department of Defense.* Under the publications and special delegations issued by GSA, the Department of Defense has been designated disposal agency categories enumerated in § 644.314.

(d) *Authorities delegated to the Army and Air Force.* Department of Defense Directive 4165.6, among other things, redelegates to the Secretaries of the Army, Navy and Air Force, and to such individuals as they may designate for the purpose of administering real estate actions within their respective departments, the authorities which were then, or may hereafter be, assigned and delegated to, or vested in the Secretary of Defense by:

(1) Sections 401 and 402 of the Federal Property and Administrative Services Act of 1949, as amended (40 U.S.C. 511 and 512) and regulations of the GSA promulgated thereunder.

(2) The Administrator of General Services, pursuant to Section 203 (a), (b) and (c) of the Federal Property and Administrative Services Act of 1949, as amended (40 U.S.C. 484).

(3) Other specific delegations from the Administrator of General Services.

(e) *Authorities (Special).* In addition to the general authority cited in paragraph (d)(2) of this section, the Department derives authority from a number of special purpose statutes to transfer real property to other Federal agencies and to dispose of real property for special purposes, or to special classes or in a specific manner to achieve a specific objective. Some of these acts are utilized in conjunction with regulations of GSA and some are exercised independently thereof according to the nature of the particular law. These laws are described in subsequent sections of ER 405–1–12.

§ 644.401 Transfers—general.

Résumés of the principal legislative acts authorizing transfer of Army and Air Force real property to other Federal departments are contained in §§ 644.402 through 644.408. The authorities in these acts are exercised independently of GSA regulations. Transfers under these authorities are made without reimbursement. Real property can also be transferred under the Federal Property Act within the scope of disposal authority delegated by GSA. Transfers under the Federal Property Act are subject to reimbursement as prescribed by FPMR, section 101–47.203–7. Property reported to GSA for disposal will be transferred only at the direction of GSA. Excess property excepted from reporting may be transferred by the DE under GSA regulations. Transfers to the Department of the Interior of surplus lands chiefly valuable for migratory bird management are subject to GSA regulations but are made without reimbursement (§ 644.429).

§ 644.402 Transfers among the armed services.

10 U.S.C. 2571(a) authorizes the interchange without reimbursement of military stores, supplies, and equipment of every character, including real estate owned by the Government, between the Army, Navy, Air Force and Coast Guard upon request by the head of one service and with the approval of the head of the other service.
