(i) Timely appeals shall be accepted and processed by the Director.

(j) The NACIC shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the NACIC determines that it needs additional information from the complainant, it shall have 60 days from the date it receives the additional information to make its determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The Director may delegate the authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated.

GENERAL

§ 1900.01 Authority and purpose.

This part is issued under the authority of and in order to implement the Freedom of Information Act (FOIA), as amended (5 U.S.C. 552); the CIA Infor-

mation Act of 1984 (50 U.S.C. 431); sec. 102 of the National Security Act of 1947, as amended (50 U.S.C. 403); and sec. 6 of the Central Intelligence Agency Act of 1949, as amended (50 U.S.C. 403g). It prescribes procedures for:

(a) Requesting information on available CIA records, or the CIA administration of the FOIA, or estimates of fees that may become due as a result of a request;

(b) Requesting records pursuant to the FOIA; and

(c) Filing an administrative appeal of an initial adverse decision under the FOIA.

§ 1900.02 Definitions.

For purposes of this part, the following terms have the meanings indicated:

(a) *Agency* or *CIA* means the United States Central Intelligence Agency acting through the CIA Information and Privacy Coordinator;

(b) *Days* means calendar days when the Agency is operating and specifically excludes Saturdays, Sundays, and legal public holidays. Three (3) days may be added to any time limit imposed on a requester by this part if responding by U.S. domestic mail; ten (10) days may be added if responding by international mail;

(c) *Control* means ownership or the authority of the CIA pursuant to federal statute or privilege to regulate official or public access to records;

(d) *Coordinator* means the CIA Information and Privacy Coordinator who serves as the Agency manager of the information review and release program instituted under the Freedom of Information Act;

(e) *Direct costs* means those expenditures which an agency actually incurs in the processing of a FOIA request; it does not include overhead factors such as space; it does include:

(1) *Pages* means paper copies of standard office size or the dollar value equivalent in other media;

(2) *Reproduction* means generation of a copy of a requested record in a form appropriate for release;

(3) *Review* means all time expended in examining a record to determine whether any portion must be withheld pursuant to law and in effecting any

§ 1900.02

32 CFR Ch. XIX (7-1-18 Edition)

required deletions but excludes personnel hours expended in resolving general legal or policy issues; it also means personnel hours of professional time;

(4) *Search* means all time expended in looking for and retrieving material that may be responsive to a request utilizing available paper and electronic indices and finding aids; it also means personnel hours of professional time or the dollar value equivalent in computer searches;

(f) *Expression of interest* means a written communication submitted by a member of the public requesting information on or concerning the FOIA program and/or the availability of documents from the CIA;

(g) *Federal agency* means any executive department, military department, or other establishment or entity included in the definition of agency in 5 U.S.C. 552(f);

(h) *Fees* means those direct costs which may be assessed a requester considering the categories established by the FOIA; requesters should submit information to assist the Agency in determining the proper fee category and the Agency may draw reasonable inferences from the identity and activities of the requester in making such determinations; the fee categories include:

(1) *Commercial* means a request in which the disclosure sought is primarily in the commercial interest of the requester and which furthers such commercial, trade, income or profit interests;

(2) *Non-commercial educational or scientific institution* means a request from an accredited United States educational institution at any academic level or institution engaged in research concerning the social, biological, or physical sciences or an instructor or researcher or member of such institutions; it also means that the information will be used in a specific scholarly or analytical work, will contribute to the advancement of public knowledge, and will be disseminated to the general public;

(3) *Representative of the news media* refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term "news"

means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of "news") who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. Moreover, as traditional methods of news delivery evolve (e.g., electronic dissemination of newspapers through telecommunications services), such alternative media would be included in this category. In the case of "freelance" journalists, they may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. A publication contract would be the clearest proof, but agencies may also look to the past publication record of a requester in making this determination:

(4) *All other* means a request from an individual not within paragraph (h)(1), (2), or (3) of this section;

(i) *Freedom of Information Act* or "FOIA" means the statutes as codified at 5 U.S.C. 552;

(j) *Interested party* means any official in the executive, military, congressional, or judicial branches of government, United States or foreign, or U.S. Government contractor who, in the sole discretion of the CIA, has a subject matter or physical interest in the documents or information at issue;

(k) *Originator* means the U.S. Government official who originated the document at issue or successor in office or such official who has been delegated release or declassification authority pursuant to law;

(l) *Potential requester* means a person, organization, or other entity who submits an expression of interest;

(m) *Reasonably described records* means a description of a document (record) by unique identification number or descriptive terms which permit an Agency employee to locate documents with reasonable effort given existing indices and finding aids;

Central Intelligence Agency

§ 1900.12

(n) *Records or agency records* means all documents, irrespective of physical or electronic form, made or received by the CIA in pursuance of federal law or in connection with the transaction of public business and appropriate for preservation by the CIA as evidence of the organization, functions, policies, decisions, procedures, operations, or other activities of the CIA or because of the informational value of the data contained therein; it does not include:

(1) *Books, newspapers, magazines, journals, magnetic or printed transcripts of electronic broadcasts, or similar public sector materials* acquired generally and/or maintained for library or reference purposes; to the extent that such materials are incorporated into any form of analysis or otherwise distributed or published by the Agency, they are fully subject to the disclosure provisions of the FOIA;

(2) *Index, filing, or museum documents* made or acquired and preserved solely for reference, indexing, filing, or exhibition purposes; and

(3) *Routing and transmittal sheets and notes and filing or destruction notes* which do not also include information, comment, or statements of substance;

(o) *Responsive records* means those documents (i.e., records) which the Agency has determined to be within the scope of a FOIA request.

[62 FR 32481, June 16, 1997, as amended at 72 FR 39316, July 18, 2007]

§ 1900.03 Contact for general information and requests.

For general information on this part, to inquire about the FOIA program at CIA, or to file a FOIA request (or expression of interest), please direct your communication in writing to the Information and Privacy Coordinator, Central Intelligence Agency, Washington, DC 20505. Such inquiries will also be accepted by facsimile at (703) 613-3007. For general information or status information on pending cases only, the telephone number is (703) 613-1287. Collect calls cannot be accepted.

§ 1900.04 Suggestions and complaints.

The Agency welcomes suggestions or complaints with regard to its administration of the Freedom of Information Act. Many requesters will receive pre-

paid, customer satisfaction survey cards. Letters of suggestion or complaint should identify the specific purpose and the issues for consideration. The Agency will respond to all substantive communications and take such actions as determined feasible and appropriate.

FILING OF FOIA REQUESTS

§ 1900.11 Preliminary Information.

Members of the public shall address all communications to the CIA Coordinator as specified at 32 CFR 1900.03 and clearly delineate the communication as a request under the Freedom of Information Act and this regulation. CIA employees receiving a communication in the nature of a FOIA request shall expeditiously forward same to the Coordinator. Requests and appeals on requests, referrals, or coordinations received from members of the public who owe outstanding fees for information services at this or other federal agencies will not be accepted and action on all pending requests shall be terminated in such circumstances.

§ 1900.12 Requirements as to form and content.

(a) *Required information.* No particular form is required. A request need only reasonably describe the records of interest. This means that documents must be described sufficiently to enable a professional employee familiar with the subject to locate the documents with a reasonable effort. Commonly this equates to a requirement that the documents must be locatable through the indexing of our various systems. Extremely broad or vague requests or requests requiring research do not satisfy this requirement.

(b) *Additional information for fee determination.* In addition, a requester should provide sufficient personal identifying information to allow us to determine the appropriate fee category. A requester should also provide an agreement to pay all applicable fees or fees not to exceed a certain amount or request a fee waiver.

(c) *Otherwise.* Communications which do not meet these requirements will be considered an expression of interest and the Agency will work with, and

§ 1900.13

offer suggestions to, the potential requester in order to define a request properly.

§ 1900.13 Fees for record services.

(a) *In general.* Search, review, and reproduction fees will be charged in accordance with the provisions below relating to schedule, limitations, and category of requester. Applicable fees will be due even if our search locates no responsive records or some or all of the responsive records must be denied under one or more of the exemptions of the Freedom of Information Act.

(b) *Fee waiver requests.* Records will be furnished without charge or at a reduced rate whenever the Agency determines:

(1) That, as a matter of administrative discretion, the interest of the United States Government would be served, or

(2) That it is in the public interest because it is likely to contribute significantly to the public understanding of the operations or activities of the United States Government and is not primarily in the commercial interest of the requester; the Agency shall consider the following factors when making this determination:

(i) Whether the subject of the request concerns the operations or activities of the United States Government; and, if so,

(ii) Whether the disclosure of the requested documents is likely to contribute to an understanding of United States Government operations or activities; and, if so,

(iii) Whether the disclosure of the requested documents will contribute to public understanding of United States Government operations or activities; and, if so,

(iv) Whether the disclosure of the requested documents is likely to contribute significantly to public understanding of United States Government operations and activities; and

(v) Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so,

(vi) Whether the disclosure is primarily in the commercial interest of the requester.

(c) *Fee waiver appeals.* Denials of requests for fee waivers or reductions may be appealed to the Chair of the Agency Release Panel via the Coordinator. A requester is encouraged to provide any explanation or argument as to how his or her request satisfies the statutory requirement set forth above.

(d) *Time for fee waiver requests and appeals.* It is suggested that such requests and appeals be made and resolved prior to the initiation of processing and the incurring of costs. However, fee waiver requests will be accepted at any time prior to the release of documents or the completion of a case, and fee waiver appeals within forty-five (45) days of our initial decision subject to the following condition: If processing has been initiated, then the requester must agree to be responsible for costs in the event of an adverse administrative or judicial decision.

(e) *Agreement to pay fees.* In order to protect requesters from large and/or unanticipated charges, the Agency will request specific commitment when it estimates that fees will exceed \$100.00. The Agency will hold in abeyance for forty-five (45) days requests requiring such agreement and will thereafter deem the request closed. This action, of course, would not prevent an individual from refiling his or her FOIA request with a fee commitment at a subsequent date.

(f) *Deposits.* The Agency may require an advance deposit of up to 100 percent of the estimated fees when fees may exceed \$250.00 and the requester has no history of payment, or when, for fees of any amount, there is evidence that the requester may not pay the fees which would be accrued by processing the request. The Agency will hold in abeyance for forty-five (45) days those requests where deposits have been requested.

(g) *Schedule of fees—(1) In general.* The schedule of fees for services performed in responding to requests for records is established as follows:

(2) *Application of schedule.* Personnel search time includes time expended in either manual paper records searches, indices searches, review of computer search results for relevance, personal computer system searches, and various reproduction services. In any event where the actual cost to the Agency of a particular item is less than the above schedule (e.g., a large production run of a document resulted in a cost less than \$5.00 per hundred pages), then the actual lesser cost will be charged. Items published and available at the National Technical Information Service (NTIS) are also available from CIA pursuant to this part at the NTIS price as authorized by statute.

(3) *Other services.* For all other types of output, production, or reproduction (e.g., photographs, maps, or published reports), actual cost or amounts authorized by statute. Determinations of actual cost shall include the commercial cost of the media, the personnel time expended in making the item to be released, and an allocated cost of the equipment used in making the item, or, if the production is effected by a commercial service, then that charge shall be deemed the actual cost for purposes of this part.

(h) *Limitations on collection of fees—(1) In general.* No fees will be charged if the cost of collecting the fee is equal to or greater than the fee itself. That cost includes the administrative costs to the Agency of billing, receiving, recording, and processing the fee for deposit to the Treasury Department and,

as of the date of these regulations, is deemed to be \$10.00.

(2) *Requests for personal information.* No fees will be charged for requesters seeking records about themselves under the FOIA; such requests are processed in accordance with both the FOIA and the Privacy Act in order to ensure the maximum disclosure without charge.

(i) *Fee categories.* There are four categories of FOIA requesters for fee purposes: *Commercial use* requesters, *educational and non-commercial scientific institution* requesters, *representatives of the news media* requesters, and *all other* requesters. The categories are defined in §1900.02, and applicable fees, which are the same in two of the categories, will be assessed as follows:

(1) *Commercial use* requesters: Charges which recover the full direct costs of searching for, reviewing, and duplicating responsive records (if any);

(2) *Educational and non-commercial scientific institution* requesters as well as “*representatives of the news media*” requesters: Only charges for reproduction beyond the first 100 pages;

(3) *All other* requesters: Charges which recover the full direct cost of searching for and reproducing responsive records (if any) beyond the first 100 pages of reproduction and the first two hours of search time which will be furnished without charge.

(j) *Associated requests.* A requester or associated requesters may not file a series of multiple requests, which are merely discrete subdivisions of the information actually sought for the purpose of avoiding or reducing applicable fees. In such instances, the Agency may aggregate the requests and charge the applicable fees.

§ 1900.14 Fee estimates (pre-request option).

In order to avoid unanticipated or potentially large fees, a requester may submit a request for a fee estimate. The Agency will endeavor within ten (10) days to provide an accurate estimate, and, if a request is thereafter submitted, the Agency will not accrue or charge fees in excess of our estimate without the specific permission of the requester. Effective October 2, 1997, the ten (10) day provision is modified to

§ 1900.21

twenty (20) days pursuant to the Electronic Freedom of Information Act Amendments of 1996.

CIA ACTION ON FOIA REQUESTS

§ 1900.21 Processing of requests for records.

(a) *In general.* Requests meeting the requirements of §§1900.11 through 1900.13 shall be accepted as formal requests and processed under the Freedom of Information Act, 5 U.S.C. 552, and these regulations. Upon receipt, the Agency shall within ten (10) days record each request, acknowledge receipt to the requester in writing, and thereafter effect the necessary taskings to the CIA components reasonably believed to hold responsive records. Effective October 2, 1997, the ten (10) day provision is modified to twenty (20) days pursuant to the Electronic Freedom of Information Act Amendments of 1996.

(b) *Database of "officially released information."* As an alternative to extensive tasking and as an accommodation to many requesters, the Agency maintains a database of "officially released information" which contains copies of documents released by this Agency. Searches of this database, containing currently in excess of 500,000 pages, can be accomplished expeditiously. Moreover, requests that are specific and well-focused will often incur minimal, if any, costs. Requesters interested in this means of access should so indicate in their correspondence. Effective November 1, 1997 and consistent with the mandate of the Electronic Freedom of Information Act Amendments of 1996, on-the-public. Detailed information regarding such access will line electronic access to these records will be available to be available at that time from the point of contact specified in §1900.03.

(c) *Effect of certain exemptions.* In processing a request, the Agency shall decline to confirm or deny the existence or nonexistence of any responsive records whenever the fact of their existence or nonexistence is itself classified under Executive Order 12958 or revealing of intelligence sources and methods protected pursuant to section 103(c)(5) of the National Security Act of

32 CFR Ch. XIX (7-1-18 Edition)

1947. In such circumstances, the Agency, in the form of a final written response, shall so inform the requester and advise of his or her right to an administrative appeal.

(d) *Time for response.* The Agency will utilize every effort to determine within the statutory guideline of ten (10) days after receipt of an initial request whether to comply with such a request. However, the current volume of requests require that the Agency seek additional time from a requester pursuant to 32 CFR 1900.33. In such event, the Agency will inform the requester in writing and further advise of his or her right to file an administrative appeal of any adverse determination. Effective October 2, 1997, the ten (10) day provision is modified to twenty (20) days pursuant to the Electronic Freedom of Information Act Amendments of 1996.

§ 1900.22 Action and determination(s) by originator(s) or any interested party.

(a) *Initial action for access.* CIA components tasked pursuant to a FOIA request shall search all relevant record systems within their cognizance which have not been excepted from search by the provisions of the CIA Information Act of 1984. They shall:

(1) Determine whether a record exists;

(2) Determine whether and to what extent any FOIA exemptions apply;

(3) Approve the disclosure of all non-exempt records or portions of records for which they are the originator; and

(4) Forward to the Coordinator all records approved for release or necessary for coordination with or referral to another originator or interested party. In making these decisions, the CIA component officers shall be guided by the applicable law as well as the procedures specified at 32 CFR 1900.31 and 32 CFR 1900.32 regarding confidential commercial information and personal information (about persons other than the requester).

(b) *Referrals and coordinations.* As applicable and within ten (10) days of receipt by the Coordinator, any CIA records containing information originated by other CIA components shall be forwarded to those entities for action in accordance with paragraph (a)

Central Intelligence Agency

§ 1900.31

of this section and return. Records originated by other federal agencies or CIA records containing other federal agency information shall be forwarded to such agencies within ten (10) days of our completion of initial action in the case for action under their regulations and direct response to the requester (for other agency records) or return to the CIA (for CIA records). Effective October 2, 1997, the ten (10) day provision is modified to twenty (20) days pursuant to the Electronic Freedom of Information Act Amendments of 1996.

§ 1900.23 Payment of fees, notification of decision, and right of appeal.

(a) *Fees in general.* Fees collected under this part do not accrue to the Central Intelligence Agency and shall be deposited immediately to the general account of the United States Treasury.

(b) *Notification of decision.* Upon completion of all required review and the receipt of accrued fees (or promise to pay such fees), the Agency will promptly inform the requester in writing of those records or portions of records which may be released and which must be denied. With respect to the former, the Agency will provide copies; with respect to the latter, the Agency shall explain the reasons for the denial, identify the person(s) responsible for such decisions by name and title, and give notice of a right of administrative appeal.

(c) *Availability of reading room.* As an alternative to receiving records by mail, a requester may arrange to inspect the records deemed releasable at a CIA "reading room" in the metropolitan Washington, DC area. Access will be granted after applicable and accrued fees have been paid. Requests to review or browse documents in our database of "officially released records" will also be honored in this manner to the extent that paper copies or electronic copies in unclassified computer systems exist. All such requests shall be in writing and addressed pursuant to 32 CFR 1900.03. The records will be available at such times as mutually agreed but not less than three (3) days from our receipt of a request. The requester will be responsible

for reproduction charges for any copies of records desired.

ADDITIONAL ADMINISTRATIVE MATTERS

§ 1900.31 Procedures for business information.

(a) *In general.* Business information obtained by the Central Intelligence Agency by a submitter shall not be disclosed pursuant to a Freedom of Information Act request except in accordance with this section. For purposes of this section, the following definitions apply:

(1) *Business information* means commercial or financial information in which a legal entity has a recognized property interest;

(2) *Confidential commercial information* means such business information provided to the United States Government by a submitter which is reasonably believed to contain information exempt from release under exemption (b)(4) of the Freedom of Information Act, 5 U.S.C. 552, because disclosure could reasonably be expected to cause substantial competitive harm;

(3) *Submitter* means any person or entity who provides confidential commercial information to the United States Government; it includes, but is not limited to, corporations, businesses (however organized), state governments, and foreign governments; and

(b) *Designation of confidential commercial information.* A submitter of business information will use good-faith efforts to designate, by appropriate markings, either at the time of submission or at a reasonable time thereafter, any portions of its submission that it considers to be confidential commercial information and hence protected from required disclosure pursuant to exemption (b)(4). Such designations shall expire ten (10) years after the date of the submission unless the submitter requests, and provides justification for, a longer designation period.

(c) *Process in event of FOIA request—*
(1) *Notice to submitters.* The Agency shall provide a submitter with prompt written notice of receipt of a Freedom of Information Act request encompassing business information whenever:

§ 1900.32

32 CFR Ch. XIX (7-1-18 Edition)

(i) The submitter has in good faith designated the information as confidential commercial information, or

(ii) The Agency believes that disclosure of the information could reasonably be expected to cause substantial competitive harm, and

(iii) The information was submitted within the last ten (10) years unless the submitter requested and provided acceptable justification for a specific notice period of greater duration.

(2) *Form of notice.* This notice shall either describe the exact nature of the confidential commercial information at issue or provide copies of the responsive records containing such information.

(3) *Response by submitter.* (i) Within seven (7) days of the above notice, all claims of confidentiality by a submitter must be supported by a detailed statement of any objection to disclosure. Such statement shall:

(A) Specify that the information has not been disclosed to the public;

(B) Explain why the information is contended to be a trade secret or confidential commercial information;

(C) Explain how the information is capable of competitive damage if disclosed;

(D) State that the submitter will provide the Agency and the Department of Justice with such litigation defense as requested; and

(E) Be certified by an officer authorized to legally bind the corporation or similar entity.

(ii) It should be noted that information provided by a submitter pursuant to this provision may itself be subject to disclosure under the FOIA.

(4) *Decision and notice of intent to disclose.* (i) The Agency shall consider carefully a submitter's objections and specific grounds for nondisclosure prior to its final determination. If the Agency decides to disclose a document over the objection of a submitter, the Agency shall provide the submitter a written notice which shall include:

(A) A statement of the reasons for which the submitter's disclosure objections were not sustained;

(B) A description of the information to be disclosed; and

(C) A specified disclosure date which is seven (7) days after the date of the instant notice.

(ii) When notice is given to a submitter under this section, the Agency shall also notify the requester and, if the Agency notifies a submitter that it intends to disclose information, then the requester shall be notified also and given the proposed date for disclosure.

(5) *Notice of FOIA lawsuit.* If a requester initiates a civil action seeking to compel disclosure of information asserted to be within the scope of this section, the Agency shall promptly notify the submitter. The submitter, as specified above, shall provide such litigation assistance as required by the Agency and the Department of Justice.

(6) *Exceptions to notice requirement.* The notice requirements of this section shall not apply if the Agency determines that:

(i) The information should not be disclosed in light of other FOIA exemptions;

(ii) The information has been published lawfully or has been officially made available to the public;

(iii) The disclosure of the information is otherwise required by law or federal regulation; or

(iv) The designation made by the submitter under this section appears frivolous, except that, in such a case, the Agency will, within a reasonable time prior to the specified disclosure date, give the submitter written notice of any final decision to disclose the information.

§ 1900.32 Procedures for information concerning other persons.

(a) *In general.* Personal information concerning individuals other than the requester shall not be disclosed under the Freedom of Information Act if the proposed release would constitute a clearly unwarranted invasion of personal privacy. See 5 U.S.C. 552(b)(6). For purposes of this section, the following definitions apply:

(1) *Personal information* means any information about an individual that is not a matter of public record, or easily discernible to the public, or protected from disclosure because of the implications that arise from Government possession of such information.

Central Intelligence Agency

§ 1900.34

(2) *Public interest* means the public interest in understanding the operations and activities of the United States Government and not simply any matter which might be of general interest to the requester or members of the public.

(b) *Determination to be made.* In making the required determination under this section and pursuant to exemption (b)(6) of the FOIA, the Agency will balance the privacy interests that would be compromised by disclosure against the public interest in release of the requested information.

(c) *Otherwise.* A requester seeking information on a third person is encouraged to provide a signed affidavit or declaration from the third person waiving all or some of their privacy rights. However, all such waivers shall be narrowly construed and the Coordinator, in the exercise of his discretion and administrative authority, may seek clarification from the third party prior to any or all releases.

§ 1900.33 Allocation of resources; agreed extensions of time.

(a) *In general.* Agency components shall devote such personnel and other resources to the responsibilities imposed by the Freedom of Information Act as may be appropriate and reasonable considering:

(1) The totality of resources available to the component,

(2) The business demands imposed on the component by the Director of Central Intelligence or otherwise by law,

(3) The information review and release demands imposed by the Congress or other governmental authority, and

(4) The rights of all members of the public under the various information review and disclosure laws.

(b) *Discharge of FOIA responsibilities.* Components shall exercise due diligence in their responsibilities under the FOIA and must allocate a reasonable level of resources to requests under the Act in a strictly "first-in, first-out" basis and utilizing two or more processing queues to ensure that smaller as well as larger (i.e., project) cases receive equitable attention. The Information and Privacy Coordinator is responsible for management of the Agency-wide program defined by this

part and for establishing priorities for cases consistent with established law. The Director, Information Management through the Agency Release Panel shall provide policy and resource direction as necessary and render decisions on administrative appeals.

(c) *Requests for extension of time.* When the Agency is unable to meet the statutory time requirements of the FOIA, it will inform the requester that the request cannot be processed within the statutory time limits, provide an opportunity for the requester to limit the scope of the request so that it can be processed within the statutory time limits, or arrange with the requester an agreed upon time frame for processing the request, or determine that exceptional circumstances mandate additional time. In such instances the Agency will, however, inform a requester of his or her right to decline our request and proceed with an administrative appeal or judicial review as appropriate. Effective October 2 1997, the definition of exceptional circumstances is modified per section 552(a)(6)(C) of the Freedom of Information Act, as amended.

§ 1900.34 Requests for expedited processing.

(a) *In general.* All requests will be handled in the order received on a strictly "first-in, first-out" basis. Exceptions to this rule will only be made in accordance with the following procedures. In all circumstances, however, and consistent with established judicial precedent, requests more properly the scope of requests under the Federal Rules of Civil or Criminal Procedure (or other federal, state, or foreign judicial or quasi-judicial rules) will not be granted expedited processing under this or related (e.g., Privacy Act) provisions unless expressly ordered by a federal court of competent jurisdiction.

(b) *Procedure prior to October 2, 1997.* Requests for expedited processing shall be granted only in circumstances that the Agency deems to be exceptional. In making this determination, the Agency shall consider and must decide in the affirmative on all of the following factors:

(i) That there is a genuine need for the specific requested records; and

§ 1900.41

32 CFR Ch. XIX (7-1-18 Edition)

(ii) That the personal need is exceptional; and

(iii) That there are no alternative forums for the records or information sought; and

(iv) That it is reasonably believed that substantive records relevant to the stated needs may exist and be deemed releasable.

(2) In sum, requests shall be considered for expedited processing only when health, humanitarian, or due process considerations involving possible deprivation of life or liberty create circumstances of exceptional urgency and extraordinary need.

(c) *Procedure on or after October 2, 1997.* Requests for expedited processing will be approved only when a compelling need is established to the satisfaction of the Agency. A requester may make such a request with a certification of “compelling need” and, within ten (10) days of receipt, the Agency will decide whether to grant expedited processing and will notify the requester of its decision. The certification shall set forth with specificity the relevant facts upon which the requester relies and it appears to the Agency that substantive records relevant to the stated needs may exist and be deemed releasable. A “compelling need” is deemed to exist:

(1) When the matter involves an imminent threat to the life or physical safety of an individual; or

(2) When the request is made by a person primarily engaged in disseminating information and the information is relevant to a subject of public urgency concerning an actual or alleged Federal government activity.

CIA ACTION ON FOIA ADMINISTRATIVE APPEALS

§ 1900.41 Establishment of appeals structure.

(a) *In general.* Two administrative entities have been established by the Director of Central Intelligence to facilitate the processing of administrative appeals under the Freedom of Information Act. Their membership, authority, and rules of procedure are as follows.

(b) *Historical Records Policy Board (“HRPB” or “Board”).* This Board, the successor to the CIA Information Re-

view Committee, acts as the senior corporate board in the CIA on all matters of information review and release.

(1) *Membership.* The HRPB is composed of the Executive Director, who serves as its Chair, the Deputy Director for Administration, the Deputy Director for Intelligence, the Deputy Director for Operations, the Deputy Director for Science and Technology, the General Counsel, the Director of Congressional Affairs, the Director of the Public Affairs Staff, the Director, Center for the Study of Intelligence, and the Associate Deputy Director for Administration/Information Services, or their designees.

(2) *Authorities and activities.* The HRPB, by majority vote, may delegate to one or more of its members the authority to act on any appeal or other matter or authorize the Chair to delegate such authority, as long as such delegation is not to the same individual or body who made the initial denial. The Executive Secretary of the HRPB is the Director, Information Management. The Chair may request interested parties to participate when special equities or expertise are involved.

(c) *Agency Release Panel (“ARP” or “Panel”).* The HRPB, pursuant to its delegation of authority, has established a subordinate Agency Release Panel.

(1) *Membership.* The ARP is composed of the Director, Information Management, who serves as its Chair; the Information Review Officers from the Directorates of Administration, Intelligence, Operations, Science and Technology, and the Director of Central Intelligence Area; the CIA Information and Privacy Coordinator; the Chief, Historical Review Group; the Chair, Publications Review Board; the Chief, Records Declassification Program; and representatives from the Office of General Counsel, the Office of Congressional Affairs, and the Public Affairs Staff.

(2) *Authorities and activities.* The Panel shall meet on a regular schedule and may take action when a simple majority of the total membership is present. The Panel shall advise and assist the HRPB on all information release issues, monitor the adequacy and

Central Intelligence Agency

§ 1900.44

timeliness of Agency releases, set component search and review priorities, review adequacy of resources available to and planning for all Agency release programs, and perform such other functions as deemed necessary by the Board. The Information and Privacy Coordinator also serves as Executive Secretary of the Panel. The Chair may request interested parties to participate when special equities or expertise are involved. The Panel, functioning as a committee of the whole or through individual members, will make final Agency decisions from appeals of initial adverse decisions under the Freedom of Information Act and such other information release decisions made under 32 CFR parts 1901, 1907, and 1908. Issues shall be decided by a majority of members present; in all cases of a divided vote, any member of the ARP then present may refer such matter to the HRPB by written memorandum to the Executive Secretary of the HRPB. Matters decided by the Panel or Board will be deemed a final decision by the Agency.

§ 1900.42 Right of appeal and appeal procedures.

(a) *Right of Appeal.* A right of administrative appeal exists whenever access to any requested record or any portion thereof is denied, no records are located in response to a request, or a request for a fee waiver is denied. The Agency will apprise all requesters in writing of their right to appeal such decisions to the CIA Agency Release Panel through the Coordinator.

(b) *Requirements as to time and form.* Appeals of decisions must be received by the Coordinator within forty-five (45) days of the date of the Agency's initial decision. The Agency may, for good cause and as a matter of administrative discretion, permit an additional thirty (30) days for the submission of an appeal. All appeals shall be in writing and addressed as specified in 32 CFR 1900.03. All appeals must identify the documents or portions of documents at issue with specificity and may present such information, data, and argument in support as the requester may desire.

(c) *Exceptions.* No appeal shall be accepted if the requester has outstanding

fees for information services at this or another federal agency. In addition, no appeal shall be accepted if the information in question has been the subject of a review within the previous two (2) years or is the subject of pending litigation in the federal courts.

(d) *Receipt, recording, and tasking.* The Agency shall promptly record each request received under this part, acknowledge receipt to the requester in writing, and thereafter effect the necessary taskings to the Deputy Director(s) in charge of the directorate(s) which originated or has an interest in the record(s) subject to the appeal. As used herein, the term Deputy Director includes an equivalent senior official in the DCI-area as well as a designee known as the Information Review Officer for a directorate or area.

(e) *Time for response.* The Agency shall attempt to complete action on an appeal within twenty (20) days of the date of receipt. The current volume of requests, however, often requires that the Agency request additional time from the requester pursuant to 32 CFR 1900.33. In such event, the Agency will inform the requester of the right to judicial review.

§ 1900.43 Determination(s) by Deputy Director(s).

Each Deputy Director in charge of a directorate which originated or has an interest in any of the records subject to the appeal, or designee, is a required party to any appeal; other interested parties may become involved through the request of the Coordinator when it is determined that some or all of the information is also within their official cognizance. These parties shall respond in writing to the Coordinator with a finding as to the exempt status of the information. This response shall be provided expeditiously on a "first-in, first-out" basis taking into account the business requirements of the parties and consistent with the information rights of members of the general public under the various information review and release laws.

§ 1900.44 Action by appeals authority.

(a) *Preparation of docket.* The Coordinator, acting in the capacity of Executive Secretary of the Agency Release

§ 1900.45

Panel, shall place administrative appeals of FOIA requests ready for adjudication on the agenda at the next occurring meeting of that Panel. The Executive Secretary shall provide a summation memorandum for consideration of the members; the complete record of the request consisting of the request, the document(s) (sanitized and full text) at issue, and the findings of the concerned Deputy Director(s) or designee(s).

(b) *Decision by the Agency Release Panel.* The Agency Release Panel shall meet and decide requests sitting as a committee of the whole. Decisions are by majority vote of those present at a meeting and shall be based on the written record and their deliberations; no personal appearances shall be permitted without the express permission of the Panel.

(c) *Decision by the Historical Records Policy Board.* In any cases of divided vote by the ARP, any member of that body is authorized to refer the request to the CIA Historical Records Policy Board which acts as the senior corporate board for the Agency. The record compiled (the request, the memoranda filed by the originator and interested parties, and the previous decision(s)) as well as any memorandum of law or policy the referent desires to be considered, shall be certified by the Executive Secretary of the Agency Release Panel and shall constitute the official record of the proceedings and must be included in any subsequent filings.

§ 1900.45 Notification of decision and right of judicial review.

The Executive Secretary of the Agency Release Panel shall promptly prepare and communicate the decision of the Panel or Board to the requester. With respect to any decision to deny information, that correspondence shall state the reasons for the decision, identify the officer responsible, and include a notice of a right to judicial review.

(3) To request that any such record be amended or augmented; and

(4) To file an administrative appeal to any initial adverse determination to deny access to or amend a record.

(c) *Other purposes.* This part also sets forth detailed limitations on how and to whom the Agency may disclose personal information and gives notice that certain actions by officers or employees of the United States Government or members of the public could constitute criminal offenses.

§ 1901.03 Contact for general information and requests.

For general information on this part, to inquire about the Privacy Act program at CIA, or to file a Privacy Act request, please direct your communication in writing to the Information and Privacy Coordinator, Central Intelligence Agency, Washington, DC. 20505. Requests with the required identification statement pursuant to 32 CFR 1901.13 must be filed in original form by mail. Subsequent communications and

§ 1901.04

any inquiries will be accepted by mail or facsimile at (703) 613-3007 or by telephone at (703) 613-1287. Collect calls cannot be accepted.

§ 1901.04 Suggestions and complaints.

The Agency welcomes suggestions or complaints with regard to its administration of the Privacy Act. Many requesters will receive pre-paid, customer satisfaction survey cards. Letters of suggestion or complaint should identify the specific purpose and the issues for consideration. The Agency will respond to all substantive communications and take such actions as determined feasible and appropriate.

FILING OF PRIVACY ACT REQUESTS

§ 1901.11 Preliminary information.

Members of the public shall address all communications to the contact specified at §1901.03 and clearly delineate the communication as a request under the Privacy Act and this regulation. Requests and administrative appeals on requests, referrals, and coordinations received from members of the public who owe outstanding fees for information services at this or other federal agencies will not be accepted and action on existing requests and appeals will be terminated in such circumstances.

§ 1901.12 Requirements as to form.

(a) *In general.* No particular form is required. All requests must contain the identification information required at §1901.13.

(b) *For access.* For requests seeking access, a requester should, to the extent possible, describe the nature of the record sought and the record system(s) in which it is thought to be included. Requesters may find assistance from information described in the Privacy Act Issuances Compilation which is published biannually by the FEDERAL REGISTER. In lieu of this, a requester may simply describe why and under what circumstances it is believed that this Agency maintains responsive records; the Agency will undertake the appropriate searches.

(c) *For amendment.* For requests seeking amendment, a requester should identify the particular record or por-

32 CFR Ch. XIX (7-1-18 Edition)

tion subject to the request, state a justification for such amendment, and provide the desired amending language.

§ 1901.13 Requirements as to identification of requester.

(a) *In general.* Individuals seeking access to or amendment of records concerning themselves shall provide their full (legal) name, address, date and place of birth, and current citizenship status together with a statement that such information is true under penalty of perjury or a notarized statement swearing to or affirming identity. If the Agency determines that this information is not sufficient, the Agency may request additional or clarifying information.

(b) *Requirement for aliens.* Only aliens lawfully admitted for permanent residence (PRAs) may file a request pursuant to the Privacy Act and this part. Such individuals shall provide, in addition to the information required under paragraph (a) of this section, their Alien Registration Number and the date that status was acquired.

(c) *Requirement for representatives.* The parent or guardian of a minor individual, the guardian of an individual under judicial disability, or an attorney retained to represent an individual shall provide, in addition to establishing the identity of the minor or individual represented as required in paragraph (a) or (b) of this section, evidence of such representation by submission of a certified copy of the minor's birth certificate, court order, or representational agreement which establishes the relationship and the requester's identity.

(d) *Procedure otherwise.* If a requester or representative fails to provide the information in paragraph (a), (b), or (c) of this section within forty-five (45) days of the date of our request, the Agency will deem the request closed. This action, of course, would not prevent an individual from refileing his or her Privacy Act request at a subsequent date with the required information.

§ 1901.14 Fees.

No fees will be charged for any action under the authority of the Privacy Act, 5 U.S.C. 552a, irrespective of the fact

Central Intelligence Agency

§ 1901.22

that a request is or may be processed under the authority of both the Privacy Act and the Freedom of Information Act.

ACTION ON PRIVACY ACT REQUESTS

§ 1901.21 Processing requests for access to or amendment of records.

(a) *In general.* Requests meeting the requirements of 32 CFR 1901.11 through 1901.13 shall be processed under both the Freedom of Information Act, 5 U.S.C. 552, and the Privacy Act, 5 U.S.C. 552a, and the applicable regulations, unless the requester demands otherwise in writing. Such requests will be processed under both Acts regardless of whether the requester cites one Act in the request, both, or neither. This action is taken in order to ensure the maximum possible disclosure to the requester.

(b) *Receipt, recording and tasking.* Upon receipt of a request meeting the requirements of §§1901.11 through 1901.13, the Agency shall within ten (10) days record each request, acknowledge receipt to the requester, and thereafter effect the necessary taskings to the components reasonably believed to hold responsive records.

(c) *Effect of certain exemptions.* In processing a request, the Agency shall decline to confirm or deny the existence or nonexistence of any responsive records whenever the fact of their existence or nonexistence is itself classified under Executive Order 12958 or revealing of intelligence sources and methods protected pursuant to section 103(c)(5) of the National Security Act of 1947. In such circumstances, the Agency, in the form of a final written response, shall so inform the requester and advise of his or her right to an administrative appeal.

(d) *Time for response.* Although the Privacy Act does not mandate a time for response, our joint treatment of requests under both the Privacy Act and the FOIA means that the Agency should provide a response within the FOIA statutory guideline of ten (10) days on initial requests and twenty (20) days on administrative appeals. However, the current volume of requests require that the Agency often seek additional time from a requester pursuant

to 32 CFR 1901.33. In such event, the Agency will inform the requester in writing and further advise of his or her right to file an administrative appeal.

§ 1901.22 Action and determination(s) by originator(s) or any interested party.

(a) *Initial action for access.* CIA components tasked pursuant to a Privacy Act access request shall search all relevant record systems within their cognizance. They shall:

(1) Determine whether responsive records exist;

(2) Determine whether access must be denied in whole or part and on what legal basis under both Acts in each such case;

(3) Approve the disclosure of records for which they are the originator; and

(4) Forward to the Coordinator all records approved for release or necessary for coordination with or referral to another originator or interested party as well as the specific determinations with respect to denials (if any).

(b) *Initial action for amendment.* CIA components tasked pursuant to a Privacy Act amendment request shall review the official records alleged to be inaccurate and the proposed amendment submitted by the requester. If they determine that the Agency's records are not accurate, relevant, timely or complete, they shall promptly:

(1) Make the amendment as requested;

(2) Write to all other identified persons or agencies to whom the record has been disclosed (if an accounting of the disclosure was made) and inform of the amendment; and

(3) Inform the Coordinator of such decisions.

(c) *Action otherwise on amendment request.* If the CIA component records manager declines to make the requested amendment or declines to make the requested amendment but agrees to augment the official records, that manager shall promptly:

(1) Set forth the reasons for refusal; and

(2) Inform the Coordinator of such decision and the reasons therefore.

§ 1901.23

32 CFR Ch. XIX (7-1-18 Edition)

(d) *Referrals and coordinations.* As applicable and within ten (10) days of receipt by the Coordinator, any CIA records containing information originated by other CIA components shall be forwarded to those entities for action in accordance with paragraphs (a), (b), or (c) of this section and return. Records originated by other federal agencies or CIA records containing other federal agency information shall be forwarded to such agencies within ten (10) days of our completion of initial action in the case for action under their regulations and direct response to the requester (for other agency records) or return to the CIA (for CIA records).

(e) *Effect of certain exemptions.* This section shall not be construed to allow access to systems of records exempted by the Director of Central Intelligence pursuant to subsections (j) and (k) of the Privacy Act or where those exemptions require that the CIA can neither confirm nor deny the existence or non-existence of responsive records.

§ 1901.23 Notification of decision and right of appeal.

Within ten (10) days of receipt of responses to all initial taskings and subsequent coordinations (if any), and dispatch of referrals (if any), the Agency will provide disclosable records to the requester. If a determination has been made not to provide access to requested records (in light of specific exemptions) or that no records are found, the Agency shall so inform the requester, identify the denying official, and advise of the right to administrative appeal.

ADDITIONAL ADMINISTRATIVE MATTERS

§ 1901.31 Special procedures for medical and psychological records.

(a) *In general.* When a request for access or amendment involves medical or psychological records and when the originator determines that such records are not exempt from disclosure, the Agency will, after consultation with the Director of Medical Services, determine:

(1) Which records may be sent directly to the requester and

(2) Which records should not be sent directly to the requester because of possible medical or psychological harm to the requester or another person.

(b) *Procedure for records to be sent to physician.* In the event that the Agency determines, in accordance with paragraph (a)(2) of this section, that records should not be sent directly to the requester, the Agency will notify the requester in writing and advise that the records at issue can be made available only to a physician of the requester's designation. Upon receipt of such designation, verification of the identity of the physician, and agreement by the physician:

(1) To review the documents with the requesting individual,

(2) To explain the meaning of the documents, and

(3) To offer counseling designed to temper any adverse reaction, the Agency will forward such records to the designated physician.

(c) *Procedure if physician option not available.* If within sixty (60) days of the paragraph (a)(2) of this section, the requester has failed to respond or designate a physician, or the physician fails to agree to the release conditions, the Agency will hold the documents in abeyance and advise the requester that this action may be construed as a technical denial. The Agency will also advise the requester of the responsible official and of his or her rights to administrative appeal and thereafter judicial review.

§ 1901.32 Requests for expedited processing.

(a) All requests will be handled in the order received on a strictly "first-in, first-out" basis. Exceptions to this rule will only be made in circumstances that the Agency deems to be exceptional. In making this determination, the Agency shall consider and must decide in the affirmative on all of the following factors:

(1) That there is a genuine need for the records; and

(2) That the personal need is exceptional; and

(3) That there are no alternative forums for the records sought; and

(4) That it is reasonably believed that substantive records relevant to the

Central Intelligence Agency

§ 1901.41

stated needs may exist and be deemed releasable.

(b) In sum, requests shall be considered for expedited processing only when health, humanitarian, or due process considerations involving possible deprivation of life or liberty create circumstances of exceptional urgency and extraordinary need. In accordance with established judicial precedent, requests more properly the scope of requests under the Federal Rules of Civil or Criminal Procedure (or equivalent state rules) will not be granted expedited processing under this or related (e.g., Freedom of Information Act) provisions unless expressly ordered by a federal court of competent jurisdiction.

§ 1901.33 Allocation of resources; agreed extensions of time.

(a) *In general.* Agency components shall devote such personnel and other resources to the responsibilities imposed by the Privacy Act as may be appropriate and reasonable considering:

(1) The totality of resources available to the component,

(2) The business demands imposed on the component by the Director of Central Intelligence or otherwise by law,

(3) The information review and release demands imposed by the Congress or other governmental authority, and

(4) The rights of all members of the public under the various information review and disclosure laws.

(b) *Discharge of Privacy Act responsibilities.* Components shall exercise due diligence in their responsibilities under the Privacy Act and must allocate a reasonable level of resources to requests under the Act in a strictly "first-in, first-out" basis and utilizing two or more processing queues to ensure that smaller as well as larger (i.e., project) cases receive equitable attention. The Information and Privacy Coordinator is responsible for management of the Agency-wide program defined by this part and for establishing priorities for cases consistent with established law. The Director, Information Management through the Agency Release Panel shall provide policy and resource direction as necessary and shall make determinations on administrative appeals.

(c) *Requests for extension of time.* While the Privacy Act does not specify time requirements, our joint treatment of requests under the FOIA means that when the Agency is unable to meet the statutory time requirements of the FOIA, the Agency may request additional time from a requester. In such instances the Agency will inform a requester of his or her right to decline our request and proceed with an administrative appeal or judicial review as appropriate.

ACTION ON PRIVACY ACT ADMINISTRATIVE APPEALS

§ 1901.41 Establishment of appeals structure.

(a) *In general.* Two administrative entities have been established by the Director of Central Intelligence to facilitate the processing of administrative appeals under the Freedom of Information Act. Their membership, authority, and rules of procedure are as follows.

(b) *Historical Records Policy Board ("HRPB" or "Board").* This Board, the successor to the CIA Information Review Committee, acts as the senior corporate board in the CIA on all matters of information review and release.

(1) *Membership.* The HRPB is composed of the Executive Director, who serves as its Chair, the Deputy Director for Administration, the Deputy Director for Intelligence, the Deputy Director for Operations, the Deputy Director for Science and Technology, the General Counsel, the Director of Congressional Affairs, the Director of the Public Affairs Staff, the Director, Center for the Study of Intelligence, and the Associate Deputy Director for Administration/Information Services, or their designees.

(2) *Authorities and activities.* The HRPB, by majority vote, may delegate to one or more of its members the authority to act on any appeal or other matter or authorize the Chair to delegate such authority, as long as such delegation is not to the same individual or body who made the initial denial. The Executive Secretary of the HRPB is the Director, Information Management. The Chair may request interested parties to participate when

§ 1901.42

special equities or expertise are involved.

(c) *Agency Release Panel* (“ARP” or “Panel”). The HRPB, pursuant to its delegation of authority, has established a subordinate Agency Release Panel.

(1) *Membership*. The ARP is composed of the Director, Information Management, who serves as its Chair; the Information Review Officers from the Directorates of Administration, Intelligence, Operations, Science and Technology, and the Director of Central Intelligence Area; the CIA Information and Privacy Coordinator; the Chief, Historical Review Group; the Chair, Publications Review Board; the Chief, Records Declassification Program; and representatives from the Office of General Counsel, the Office of Congressional Affairs, and the Public Affairs Staff.

(2) *Authorities and activities*. The Panel shall meet on a regular schedule and may take action when a simple majority of the total membership is present. The Panel shall advise and assist the HRPB on all information release issues, monitor the adequacy and timeliness of Agency releases, set component search and review priorities, review adequacy of resources available to and planning for all Agency release programs, and perform such other functions as deemed necessary by the Board. The Information and Privacy Coordinator also serves as Executive Secretary of the Panel. The Chair may request interested parties to participate when special equities or expertise are involved. The Panel, functioning as a committee of the whole or through individual members, will make final Agency decisions from appeals of initial adverse decisions under the Freedom of Information Act and such other information release decisions made under 32 CFR parts 1901, 1907, and 1908. Issues shall be decided by a majority of members present; in all cases of a divided vote, any member of the ARP then present may refer such matter to the HRPB by written memorandum to the Executive Secretary of the HRPB. Matters decided by the Panel or Board will be deemed a final decision by the Agency.

§ 1901.42 Right of appeal and appeal procedures.

(a) *Right of Appeal*. A right of administrative appeal exists whenever access to any requested record or any portion thereof is denied, no records are located in response to a request, or a request for amendment is denied. The Agency will apprise all requesters in writing of their right to appeal such decisions to the CIA Agency Release Panel through the Coordinator.

(b) *Requirements as to time and form*. Appeals of decisions must be received by the Coordinator within forty-five (45) days of the date of the Agency’s initial decision. The Agency may, for good cause and as a matter of administrative discretion, permit an additional thirty (30) days for the submission of an appeal. All appeals to the Panel shall be in writing and addressed as specified in 32 CFR 1901.03. All appeals must identify the documents or portions of documents at issue with specificity, provide the desired amending language (if applicable), and may present such information, data, and argument in support as the requester may desire.

(c) *Exceptions*. No appeal shall be accepted if the requester has outstanding fees for information services at this or another federal agency. In addition, no appeal shall be accepted if the information in question has been the subject of an administrative review within the previous two (2) years or is the subject of pending litigation in the federal courts.

(d) *Receipt, recording, and tasking*. The Agency shall promptly record each administrative appeal, acknowledge receipt to the requester in writing, and thereafter effect the necessary taskings to the Deputy Director(s) in charge of the directorate(s) which originated or has an interest in the record(s) subject to the appeal. As used herein, the term Deputy Director includes an equivalent senior official within the DCI-area as well as a designee known as the Information Review Officer for a directorate or area.

§ 1901.43 Determination(s) by Deputy Director(s).

Each Deputy Director in charge of a directorate which originated or has an

interest in any of the records subject to the appeal, or designee, is a required party to any appeal; other interested parties may become involved through the request of the Coordinator when it is determined that some or all of the information is also within their official cognizance. These parties shall respond in writing to the Coordinator with a finding as to the exempt or non-exempt status of the information including citations to the applicable exemption and/or their agreement or disagreement as to the requested amendment and the reasons therefore. Each response shall be provided expeditiously on a "first-in, first-out" basis taking into account the business requirements of the parties and consistent with the information rights of members of the general public under the various information review and release laws.

§ 1901.44 Action by appeals authority.

(a) *Preparation of docket.* The Coordinator, acting as the Executive Secretary of the Agency Release Panel, shall place administrative appeals of Privacy Act requests ready for adjudication on the agenda at the next occurring meeting of that Panel. The Executive Secretary shall provide a summation memorandum for consideration of the members; the complete record of the request consisting of the request, the document(s) (sanitized and full text) at issue, and the findings of the concerned Deputy Director(s) or designee(s).

(b) *Decision by the Agency Release Panel.* The Agency Release Panel shall meet and decide requests sitting as a committee of the whole. Decisions are by majority vote of those present at a meeting and shall be based on the written record and their deliberations; no personal appearances shall be permitted without the express permission of the Panel.

(c) *Decision by the Historical Records Policy Board.* In any cases of divided vote by the ARP, any member of that body is authorized to refer the request to the CIA Historical Records Policy Board which acts as the senior corporate board for the Agency. The record compiled (the request, the memoranda filed by the originator and interested parties, and the previous de-

cision(s)) as well as any memorandum of law or policy the referent desires to be considered, shall be certified by the Executive Secretary of the Agency Release Panel and shall constitute the official record of the proceedings and must be included in any subsequent filings.

§ 1901.45 Notification of decision and right of judicial review.

(a) *In general.* The Executive Secretary of the Agency Release Panel shall promptly prepare and communicate the decision of the Panel or Board to the requester. With respect to any decision to deny information or deny amendment, that correspondence shall state the reasons for the decision, identify the officer responsible, and include a notice of the right to judicial review.

(b) *For amendment requests.* With further respect to any decision to deny an amendment, that correspondence shall also inform the requester of the right to submit within forty-five (45) days a statement of his or her choice which shall be included in the official records of the CIA. In such cases, the applicable record system manager shall clearly note any portion of the official record which is disputed, append the requester's statement, and provide copies of the statement to previous recipients (if any are known) and to any future recipients when and if the disputed information is disseminated in accordance with a routine use.

PROHIBITIONS

No record which is within a system of records shall be disclosed by any means of communication to any individual or to another agency, except pursuant to a written request by, or with the prior written consent of, the individual to whom the record pertains, unless disclosure of the record would be:

(a) To those officers and employees of this Agency which maintains the record who have a need for the record in the performance of their duties;

(e) To a recipient who has provided the Agency with advance adequate written assurance that the record will be used solely as a statistical research or reporting record, and the record is to be transferred in a form that is not individually identifiable;

(f) To the National Archives and Records Administration as a record which has sufficient historical or other value to warrant its continued preservation by the United States Government, or for evaluation by the Archivist of the United States or designee to determine whether the record has such value;

(g) To another agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, and if the head of that agency or instrumentality has made a written request to the CIA specifying the particular information desired and the law enforcement activity for which the record is sought;

(h) To a person pursuant to a showing of compelling circumstances affecting the health or safety of an individual if upon such disclosure notification is transmitted to the last known address of such individual;

32 CFR Ch. XIX (7-1-18 Edition)

§ 1901.52 Criminal penalties.

(a) *Unauthorized disclosure.* Criminal penalties may be imposed against any officer or employee of the CIA who, by virtue of employment, has possession of or access to Agency records which contain information identifiable with an individual, the disclosure of which is prohibited by the Privacy Act or by these rules, and who, knowing that disclosure of the specific material is so prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive same.

(b) *Unauthorized maintenance.* Criminal penalties may be imposed against any officer or employee of the CIA who willfully maintains a system of records without meeting the requirements of section (e)(4) of the Privacy Act, 5 U.S.C.552a. The Coordinator and the Inspector General are authorized independently to conduct such surveys and inspect such records as necessary from time to time to ensure that these requirements are met.

(c) *Unauthorized requests.* Criminal penalties may be imposed upon any person who knowingly and willfully requests or obtains any record concerning an individual from the CIA under false pretenses.

EXEMPTIONS

§ 1901.61 Purpose and authority.

Purpose of exemptions. This part sets forth those systems of records or portions of systems of records which the Director of Central Intelligence has determined to exempt from the procedures established by this regulation and from certain provisions of the Privacy Act:

(a) The purpose of the following specified general exemption of polygraph records is to prevent access and review of records which intimately reveal CIA operational methods. The purpose of the general exemption from the provisions of sections (c)(3) and (e)(3) (A)-(D) of the Privacy Act is to avoid disclosures that may adversely affect ongoing operational relationships with other intelligence and related organizations and thus reveal or jeopardize intelligence sources and methods or risk exposure of intelligence sources

Central Intelligence Agency

§ 1901.62

and methods in the processing of covert employment applications.

(b) The purpose of the general exemption from sections (d), (e)(4)(G), (f)(1), and (g) of the Privacy Act is to protect only those portions of systems of records which if revealed would risk exposure of intelligence sources and methods or hamper the ability of the CIA to effectively use information received from other agencies or foreign governments.

(c) It should be noted that by subjecting information which would consist of, reveal, or pertain to intelligence sources and methods to separate determinations by the Director of Central Intelligence under the provision entitled "*General exemptions*," 32 CFR 1901.62 regarding access and notice, an intent is established to apply the exemption from access and notice only in those cases where notice in itself would constitute a revelation of intelligence sources and methods; in all cases where only access to information would reveal such source or method, notice will be given upon request.

(d) The purpose of the general exemption for records that consist of, pertain to, or would otherwise reveal the identities of employees who provide information to the Office of the Inspector General is to implement section 17 of the CIA Act of 1949, as amended, 50 U.S.C. 403q(e)(3), and to ensure that no action constituting a reprisal or threat of reprisal is taken because an employee has cooperated with the Office of Inspector General.

(e) The purpose of the specific exemptions provided for under section (k) of the Privacy Act is to exempt only those portions of systems of records which would consist of, reveal, or pertain to that information which is enumerated in that section of the Act.

(f) In each case, the Director of Central Intelligence currently or then in office has determined that the enumerated classes of information should be exempt in order to comply with dealing with the proper classification of national defense or foreign policy information; protect the identification of persons who provide information to the CIA Inspector General; protect the privacy of other persons who supplied information under an implied or express

grant of confidentiality in the case of law enforcement or employment and security suitability investigations (or promotion material in the case of the armed services); protect information used in connection with protective services under 18 U.S.C. 3056; protect the efficacy of testing materials; and protect information which is required by statute to be maintained and used solely as statistical records.

§ 1901.62 General exemptions.

(a) Pursuant to authority granted in section (j) of the Privacy Act, the Director of Central Intelligence has determined to exempt from all sections of the Act—except sections 552a(b); (c) (1) and (2); (e) (1), (4) (A)–(F), (5), (6), (7), (9), (10), and (11); and (i)—the following systems of records or portions of records in a system of record:

(1) Polygraph records.

(2) [Reserved]

(b) Pursuant to authority granted in section (j) of the Privacy Act, the Director of Central Intelligence has determined to exempt from sections (c)(3) and (e)(3) (A)–(D) of the Act all systems of records maintained by this Agency.

(c) Pursuant to authority granted in section (j) of the Privacy Act, the Director of Central Intelligence has determined to exempt from notification under sections (e)(4)(G) and (f)(1) those portions of each and all systems of records which have been exempted from individual access under section (j) in those cases where the Coordinator determines after advice by the responsible components that confirmation of the existence of a record may jeopardize intelligence sources and methods. In such cases the Agency must neither confirm nor deny the existence of the record and will advise a requester that there is no record which is available pursuant to the Privacy Act of 1974.

(d) Pursuant to authority granted in section (j) of the Privacy Act, the Director of Central Intelligence has determined to exempt from access by individuals under section (d) of the Act those portions and only those portions of all systems of records maintained by the CIA that:

§ 1901.63

32 CFR Ch. XIX (7-1-18 Edition)

(1) Consist of, pertain to, or would otherwise reveal intelligence sources and methods;

(2) Consist of documents or information provided by any foreign government entity, international organization, or, any United States federal, state, or other public agency or authority; and

(3) Consist of information which would reveal the identification of persons who provide information to the CIA Inspector General.

(e) Pursuant to authority granted in section (j) of the Privacy Act, the Director of Central Intelligence has determined to exempt from judicial review under section (g) of the Act all determinations to deny access under section (d) of the Act and all decisions to deny notice under sections (e)(4)(G) and (f)(1) of the Act pursuant to determination made under paragraph (c) of this section when it has been determined by an appropriate official of the CIA that such access would disclose information which would:

(1) Consist of, pertain to, or otherwise reveal intelligence sources and methods;

(2) Consist of documents or information provided by any foreign government entity, international organization, or, any United States federal, state, or other public agency or authority; and

(3) Consist of information which would reveal the identification of persons who provide information to the CIA Inspector General.

§ 1901.63 Specific exemptions.

Pursuant to authority granted in section (k) of the Privacy Act, the Director of Central Intelligence has determined to exempt from section (d) of the Privacy Act those portions and only those portions of all systems of records maintained by the CIA that would consist of, pertain to, or otherwise reveal information that is:

(a) Classified pursuant to Executive Order 12958 (or successor or prior Order) and thus subject to the provisions of 5 U.S.C. 552(b)(1) and 5 U.S.C. 552a(k)(1);

(b) Investigatory in nature and compiled for law enforcement purposes, other than material within the scope of

section (j)(2) of the Act; provided however, that if an individual is denied any right, privilege, or benefit to which they are otherwise eligible, as a result of the maintenance of such material, then such material shall be provided to that individual except to the extent that the disclosure would reveal the identity of a source who furnished the information to the United States Government under an express promise of confidentiality, or, prior to the effective date of this section, under an implied promise of confidentiality;

(c) Maintained in connection with providing protective services to the President of the United States or other individuals pursuant to 18 U.S.C. 3056;

(d) Required by statute to be maintained and used solely as statistical records;

(e) Investigatory in nature and compiled solely for the purpose of determining suitability, eligibility, or qualifications for federal civilian employment, military service, federal contracts, or access to classified information, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the United States Government under an express promise of confidentiality, or, prior to the effective date of this section, under an implied promise of confidentiality;

(f) Testing or examination material used solely to determine individual qualifications for appointment or promotion in the federal service the disclosure of which would compromise the objectivity or fairness of the testing or examination process; or

(g) Evaluation material used to determine potential for promotion in the armed services, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the United States Government under an express promise of confidentiality, or, prior to the effective date of this section, under an implied promise of confidentiality.

The provisions of this part apply to all Agency installations, and to all persons entering on to or when on an Agency installation. The Director of Central Intelligence, at his discretion, may suspend the applicability of this part, or a portion thereof, on any Agency installation, or any portion of the installation, covered under this part. Where necessary and when consistent with national security requirements notices will be posted on the affected Agency installation to indicate that the applicability of this part or a portion thereof has been suspended.

§ 1903.3 State law applicable.

(a) Unless specifically addressed by the regulations in this part, traffic safety and the permissible use and operation of vehicles within an Agency installation are governed by State law. State law that is now or may later be in effect is adopted and made a part of the regulations in this part.

(b) Violating a provision of State law is prohibited.

§ 1903.4 Vehicles and traffic safety.

(a) *Open container of alcoholic beverage.* (1) Each person within the vehicle is responsible for complying with the provisions of this section that pertain to carrying an open container. The operator of the vehicle is the person responsible for complying with the provisions of this section that pertain to the storage of an open container.

(2) Carrying or storing a bottle, can, or other receptacle containing an alcoholic beverage that is open or has been opened, or whose seal is broken, or the contents of which have been partially removed, within a vehicle on an Agency installation is prohibited.

(3) This section does not apply to:

(i) An open container stored in the trunk of a vehicle or, if a vehicle is not equipped with a trunk, to an open container stored in some other portion of the vehicle designated for the storage of luggage and not normally occupied by or readily accessible to the operator or passenger; or

(ii) An open container stored in the living quarters of a motor home or camper.

(4) For the purpose of paragraph (a)(3)(i) of this section, a utility compartment or glove compartment is deemed to be readily accessible to the operator and passengers of a vehicle.

(i) Under the influence of alcohol, drug or drugs, a controlled substance, or any combination thereof, to a degree that renders the operator incapable of safe operation; or

(ii) The alcohol concentration in the operator's blood is 0.08 grams or more of alcohol per 100 milliliters of blood or 0.08 grams or more alcohol per 210 liters of breath. Provided, however, that if the applicable State law that applies to operating a vehicle while under the influence of alcohol establishes more restrictive limits of alcohol concentration in the operator's blood or breath, those limits supersede the limits specified in this section.

(3) *Test.* (i) At the request or direction of an authorized person who has probable cause to believe that an operator of a vehicle within an Agency installation has violated a provision of paragraph (b)(1) of this section, the operator shall submit to one or more tests of blood, breath, saliva, or urine for the purpose of determining blood alcohol, drug, and controlled substance content.

(4) *Presumptive levels.* (i) The results of chemical or other quantitative tests are intended to supplement the elements of probable cause used as the basis for the arrest of an operator charged with a violation of this section. If the alcohol concentration in the operator's blood or breath at the time of the testing is less than the alcohol concentration specified in paragraph (b)(1)(ii) of this section this fact does not give rise to any presumption that the operator is or is not under the influence of alcohol.

(ii) The provisions of paragraph (b)(4)(i) of this section are not intended to limit the introduction of any other competent evidence bearing upon the question of whether the operator, at the time of the alleged violation, was under the influence of alcohol, a drug or drugs, or a controlled substance, or any combination thereof.

(2)(i) Require the Agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens.

(ii) The Agency has the burden of proving that compliance with § 1906.150(a) would result in that alteration or those burdens.

(iii) The decision that compliance would result in that alteration or those burdens must be made by the Director after considering all of the Agency's resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion.

(iv) If an action would result in that alteration or those burdens, the Agency shall take any other action that would not result in the alteration or burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) *Methods.* (1) The Agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps.

(2) The Agency is not required to make structural changes in existing facilities if other methods are effective in achieving compliance with this section.

(3) The Agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing that Act.

(4) In choosing among available methods for meeting the requirements of this section, the Agency shall give priority to those methods that offer

§ 1906.151

programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(c) *Time period for compliance.* The Agency shall comply with the obligations established under this section within 60 days of the effective date of this part except that if structural changes in facilities are undertaken, the changes shall be made within 3 years of the effective date of this part, but in any event as expeditiously as possible.

(d) *Transition plan.* (1) In the event that structural changes to facilities will be undertaken to achieve program accessibility, the Agency shall develop, within 6 months of the effective date of this part, a transition plan setting forth the steps necessary to complete those changes.

(2) The Agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan must be made available for public inspection.

(3) The plan must, at a minimum—

(i) Identify physical obstacles in the Agency's facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(ii) Describe in detail the methods that will be used to make the facilities accessible;

(iii) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(iv) Indicate the official responsible for implementation of the plan.

§ 1906.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of, the Agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Bar-

riers Act of 1968 (42 U.S.C. 4151-4175), as established in 41 CFR 101-19.600 to 101-19-607, apply to buildings covered by this section.

(a) The Agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public as follows:

(1)(i) The Agency shall furnish appropriate auxiliary aids if necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the Agency.

(ii) In determining what type of auxiliary aid is necessary, the Agency shall give primary consideration to the requests of the individual with handicaps.

(2) Where the Agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The Agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The Agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the Agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where Agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the Agency has the burden of proving that compliance with § 1906.160 would result in such alteration or burdens.

The decision that compliance would result in such alteration or burdens must be made by the Agency head or his or her designee after considering all Agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the Agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 1906.161–1906.169 [Reserved]

(c) The Director, Office of Equal Employment Opportunity, is responsible for coordinating implementation of this section. Complaints may be sent to Central Intelligence Agency, Director, Office of Equal Employment Opportunity, Washington, DC 20505.

(d) The Agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The Agency may extend this time period for good cause.

(f) The Agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any

complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157) is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, The Agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the Agency of the letter required by §1906.170(g). The Agency may extend this time for good cause.

FILING OF CHALLENGES

§ 1907.11 Prerequisites.

The Central Intelligence Agency has established liaison and procedures with many agencies for declassification issues. Prior to reliance on this Part, authorized holders are required to first exhaust such established administrative procedures for the review of classified information. (b) *Required determinations:* These parties shall respond in writing to the Coordinator with a finding as to the classified status of the information, including the category of protected information as set forth in section 1.4 of the Order, and, if older than ten years, the basis for the extension of classification time under sections 1.5 and 3.3 of the Order. These parties shall also indicate whether withholding is otherwise authorized and warranted in accordance with sections 3.5(c) and 6.2(d) of the Order.

(c) *Time.* This response shall be provided expeditiously on a “first-in, first-out” basis taking into account the business requirements of the originator or interested parties and consistent with the information rights of members of the general public under the Freedom of Information Act and the Privacy Act.

Appeals of decisions must be received by the Coordinator within forty-five (45) days of the date of mailing of the Agency’s initial decision. The Coordinator shall promptly record each appeal received under this part, acknowledge receipt to the requester, and task the originator and other interested parties. Additional taskings, as required during the review process, shall be accomplished within ten (10) days of notification.

§ 1908.41

§ 1908.34 Establishment of appeals structure.

(a) *In general.* Two administrative entities have been established by the Director of Central Intelligence to facilitate the processing of administrative appeals under the mandatory declassification review provisions of this Order. Their membership, authority, and rules of procedure are as follows.

(b) *Historical Records Policy Board (“HRPB” or “Board”).* This Board, the successor to the CIA Information Review Committee, acts as the senior corporate board in the CIA on all matters of information review and release. The Executive Secretary of the HRPB is the Director, Information Management. The Chair may request interested parties to participate when special equities or expertise are involved.

(c) *Agency Release Panel (“ARP” or “Panel”).* The HRPB, pursuant to its delegation of authority, has established a subordinate Agency Release Panel. This Panel is composed of the Director, Information Management, who serves as its Chair; the Information Review Officers from the Directorates of Administration, Intelligence, Operations, Science and Technology, and the Director of Central Intelligence Area; the CIA Information and Privacy Coordinator; the Chief, Historical Review Group; the Chair, Publications Review Board; the Chief, Records Declassification Program; and representatives from the Offices of General Counsel and Congressional Af-

fairs, and the Public Affairs Staff. The Information and Privacy Coordinator also serves as the Executive Secretary of the Panel. The Panel advises and assists the HRPB on all information release issues, monitors the adequacy and timeliness of Agency releases, sets component search and review priorities, reviews adequacy of resources available to and planning for all Agency release programs, and performs such other functions as deemed necessary by the Board. The Chair may request interested parties to participate when special equities or expertise are involved. The Panel, functioning as a committee of the whole or through individual members, will make final Agency decisions from appeals of initial denial decisions under E.O. 12958. Issues not resolved by the Panel will be referred by the Panel to the HRPB. Matters decided by the Panel or Board will be deemed a final decision by the Agency.

§ 1908.35 [Reserved]

§ 1909.5 Requirements as to who may apply.

(a) *Historical researchers*—(1) *In general.* Any historical researcher as defined above may submit a request in writing to the Coordinator to be given access to classified information for purposes of that research. Any such request shall indicate the nature, purpose, and scope of the research project.

(2) *Additional considerations.* In light of the very limited Agency resources, it is the policy of the Agency to consider applications for access by historical researchers (other than research associates) only in those instances where the researcher's needs cannot be satisfied through requests for access to reasonably described records under the Freedom of Information Act or the mandatory declassification review provisions of Executive Order 13526, and where issues of internal resource availability and fairness to all members of the historical research community militate in favor of a particular grant.

(b) Former Presidential and Vice Presidential appointees or designees. Any former Presidential or Vice Presidential appointee or designee as defined herein may also submit a request to be given access to any classified items which they originated, reviewed, signed, or received while serving in that capacity. Requests from such appointees or designees shall be in writing to the Coordinator and shall identify the records containing the classified information of interest. Such appointees or designees may also request approval for a research associate, but there is no entitlement to such enlargement of access and the decision in this regard shall be in the sole discretion of the Senior Agency Official.

(c) Former Presidents and Vice Presidents. Any former President or Vice President may submit a request for access to classified CIA information. Requests from former Presidents or Vice Presidents shall be in writing to the Coordinator and shall identify the records containing the classified information of interest. A former President or Vice President may also request approval for a research associate, but there is no entitlement to such enlargement of access and the decision in

§ 1909.6

this regard shall be in the sole discretion of the Senior Agency Official

§ 1909.6 Designation of authority to waive need-to-know and grant historical access requests.

(a) *The Agency Release Panel (ARP)* is designated to review requests and shall issue a recommendation to the Senior Agency Official who shall issue the final CIA decision whether or not to waive the need-to-know and grant requests for access by historical researchers, by former Presidential and Vice Presidential appointees and designees, or by former Presidents and Vice Presidents under Executive Order 13526 (or successor Orders) and these regulations.

(b) *ARP Membership.* The ARP is chaired by the Director, Information Management Services and composed of the Chief, Information Review and Release Group, the Chief, Classification Management Program Office, the Information Review Officers from the various Directorates and the DCIA area, as well as the representatives of the various release programs and offices within CIA. The Information and Privacy Coordinator also serves as Executive Secretary of the ARP.

§ 1909.7 Receipt, recording, and tasking.

The Information and Privacy Coordinator shall within ten (10) days make a record of each request for access received under this part, acknowledge receipt to the requester in writing, and take the following actions:

(a) *Compliance with general requirements.* The Coordinator shall review each request under this part and determine whether it meets the general requirements as set forth in § 1909.5 and notify the requester that the request has been accepted for consideration if it does. If it does not, the Coordinator shall so notify the requester and explain the basis for this decision and any steps that can be taken to perfect the request.

(b) *Action on requests meeting general requirements.* For requests which meet the requirements of § 1909.5, the Coordinator shall thereafter task the Director, Center for the Study of Intelligence, the originator(s) of the infor-

mation for which access is sought, and other interested parties to review the request and provide their input concerning whether or not the required determinations set forth in § 1909.8 can be made. Additional taskings may be directed as required during the review process.

§ 1909.8 Determinations on requests for access by former Presidents and Vice Presidents, former Presidential and Vice Presidential appointees or designees, and historical researchers.

(a) *Required determinations for former Presidents and Vice Presidents.* In order to recommend approval of an access request made by a former President or Vice President, the ARP must make the following determinations in writing:

(1) That the access is consistent with the interest of national security;

(2) That a nondisclosure agreement has been or will be executed by the requester and other appropriate steps are taken to assure that classified information will not be disclosed or otherwise compromised;

(3) That a CIA prepublication review agreement has been or will be executed by the requester which provides for a review of notes and any resulting manuscript; and,

(4) That appropriate steps can be taken to ensure that the information is safeguarded in a manner consistent with Executive Order 13526.

(b) *Required determinations for former Presidential and Vice Presidential appointees or designees.* In order to recommend approval of an access request made by a former Presidential or Vice Presidential appointee or designee, the ARP must make the following determinations in writing:

(1) That the requester has previously occupied a senior policy-making position to which the requester was appointed or designated by the President or Vice President;

(4) That a CIA prepublication review agreement has been or will be executed by the requester which provides for a review of notes and any resulting manuscript;

(5) That appropriate steps can be taken to ensure that the information is safeguarded in a manner consistent with Executive Order 13526; and,

(6) That access will be limited to items that the person originated, reviewed, signed, or received while serving as a Presidential or Vice Presidential appointee or designee.

(c) *Required determinations for a research associate of a former President or Vice President, or of a former Presidential or Vice Presidential appointee or designee.* In order to recommend approval of a request for historical access by a research associate, the ARP must make the following determinations in writing:

(1) That the requester has been selected as a research associate of a former President or Vice President, or of a Presidential or Vice Presidential appointee or designee;

(2) That the access is consistent with the interest of national security, and one factor in that determination is that an appropriate security check has been conducted and a security clearance or access has been issued by an appropriate U.S. Government agency;

(3) That a nondisclosure agreement has been or will be executed by the requester and other appropriate steps are taken to assure that classified information will not be disclosed or otherwise compromised;

(4) That a CIA prepublication review agreement has been or will be executed by the requester which provides for a review of notes and any resulting manuscript;

(5) That appropriate steps can be taken to ensure that the information is safeguarded in a manner consistent with Executive Order 13526; and,

(6) That, in the case of a former Presidential or Vice Presidential appointee or designee, access by the research associate will be limited to items that the Presidential or Vice Presidential appointee or designee who selected the research associate originated, reviewed, signed, or received while serv-

ing as a Presidential or Vice Presidential appointee or designee.

(d) *Required determinations for a historical researcher (other than a research associate).* In order to recommend approval of an access request made by a historical researcher (other than a research associate to which paragraph (c) of this section applies) the ARP must make the following determinations in writing:

(1) That a serious professional or scholarly research project by the requester is contemplated;

(3) That a nondisclosure agreement has been or will be executed by the requester, and other appropriate steps are taken to assure that classified information will not be disclosed or otherwise compromised;

(4) That a CIA prepublication review agreement has been or will be executed by the requester, which provides for a review of notes and any resulting manuscript;

(5) That the information requested is reasonably accessible and can be located and compiled with a reasonable effort;

(6) That it is reasonably expected that substantial and substantive Government documents and/or information will be amenable to declassification and release and/or publication;

(7) That sufficient resources are available for the administrative support of the historical researcher given current requirements; and,

(8) That the request cannot be satisfied to the same extent through requests for access to reasonably described records under the Freedom of Information Act or the Mandatory Declassification Review provisions of Executive Order 13526.

§ 1909.9 Action by the ARP.

The ARP shall meet on a regular schedule and may take action when a simple majority of the total membership is present. A recommendation to the Senior Agency Official concerning

§ 1909.10

whether or not to grant requests for access to classified CIA information by former Presidents or Vice Presidents, by former Presidential or Vice Presidential appointees or designees, or by historical researchers shall be made by a majority vote of the members present.

§ 1909.10 Final CIA decision.

(a) Upon receipt of a recommendation by the ARP concerning whether or not to grant access to classified CIA information under this part, the Senior Agency Official may, in his sole discretion, waive the need-to-know requirement and approve such access only if he or she:

(1) Determines in writing that access is consistent with the interests of national security;

(2) Takes appropriate steps to protect classified information from unauthorized disclosure or compromise and ensures that the information is safeguarded in a manner consistent with Executive Order 13526; and,

(3) Limits any access granted to former Presidential or Vice Presidential appointees and designees (or any research associate they select) to the items that the former Presidential or Vice Presidential appointee or designee originated, reviewed, signed, or received while serving in that capacity.

(b) The Director of the Central Intelligence Agency reserves the authority to make a superseding decision concerning whether or not to waive the need-to-know requirement and to grant access to classified CIA information under this part in any case only if he or she:

(1) Determines in writing that access is consistent with the interests of national security;

(2) Takes appropriate steps to protect classified information from unauthorized disclosure or compromise, and ensures that the information is safeguarded in a manner consistent with Executive Order 13526; and,

(3) Limits any historical access granted to former Presidential or Vice Presidential appointees and designees (or any research associate they select) to the items that the former Presidential or Vice Presidential appointee or designee originated, reviewed,

32 CFR Ch. XIX (7-1-18 Edition)

signed, or received while serving in that capacity.

(c) The Senior Agency Official also may make a determination that a successive request for historical access falls within the scope of an earlier waiver of the “need-to-know” criterion under section 4.4 of the Order, so long as the extant waiver is no more than two years old.

§ 1909.11 Notification of decision.

The Executive Secretary shall inform the requester of the final CIA decision and, if favorable, shall manage the access for such period of time as deemed required, but in no event for more than two years unless renewed by the Senior Agency Official, in accordance with the requirements of this part for waiving need-to-know and granting access in the first instance.

§ 1909.12 Termination of access.

The Coordinator shall cancel any authorization and deny any further access whenever the Director of Security cancels the security clearance of any person who has been granted access to classified CIA information under the part; or whenever the Senior Agency Official, or the Director of the Central Intelligence Agency, determines that continued access would no longer be consistent with the requirements of this part; or at the conclusion of the authorized period of up to two years if there is no renewal under § 1909.11.

PART 1910—DEBARMENT AND SUSPENSION PROCEDURES

1911.3 Applicability.

1911.4 Federal agency requests for access and processing procedures.

AUTHORITY: 50 U.S.C. 3001 *et seq.*; 50 U.S.C. 3141 *et seq.*; Executive Order 13526, 75 FR 707, 3 CFR 2010 Comp., p. 298–327, (or successor Orders); Executive Order 12333, 40 FR 235, 3 CFR 1981 Comp., p. 200 (or successor Orders).

SOURCE: 81 FR 52591, Aug. 9, 2016, unless otherwise noted.

§ 1911.1 Authority and purpose.

(a) *Authority.* This part is issued under the authority of the National Security Act of 1947, as amended, the Central Intelligence Agency Act of 1949, as amended, Executive Order 13526 (or successor Orders), and section 1.6 of Executive Order 12333, as amended (or successor Orders).

(b) *Purpose.* This part prescribes procedures for providing, as a matter of discretion, appropriately cleared staff and contractor personnel of other Federal agencies with access to classified historical CIA records that their agency has requested when such access is not expressly required by statute.

§ 1911.2 Definitions.

As used in this part:

Agency Release Panel (ARP) means the CIA Agency Release Panel set forth in part 1900 of this chapter.

CIA means the United States Central Intelligence Agency.

Control means ownership or the authority of the CIA pursuant to Federal statute or privilege to regulate official or public access to records.

Federal agency means any executive department, military department or

other establishment or entity included in the definition of agency in 5 U.S.C. 552(f).

Information means any knowledge that can be communicated or documentary material, regardless of its physical form that is owned by, produced by or for, or is under the control of the United States Government.

Interested party means any official in the executive, military, congressional, or judicial branches of government, United States or foreign, or under U.S. Government contract who, in the sole discretion of the CIA, has a subject matter or physical interest in the documents or information at issue.

Records mean records as defined by 44 U.S.C. 3301.

§ 1911.3 Applicability.

This part does not apply to requests for access to current information or finished intelligence that is routinely disseminated to other Federal agencies in support of the CIA's intelligence, counterintelligence, or special activities responsibilities, or for administrative purposes. This part applies to special requests for access to classified historical CIA records in furtherance of historical research and not expressly required by statute that fall outside of the regular channels and procedures that CIA has already established to provide information to U.S. Government customers. Examples include, but are not limited to, a Federal agency, including a branch of the military, conducting research in preparation for the production of a set of historical studies, an official agency history, or a review of past military activities, that require access to classified historical CIA records.

§ 1911.4 Federal agency requests for access and processing procedures.

(a) *Federal agency requests.* Cleared staff and contractor personnel, working for a Federal agency, and seeking access to classified CIA historical records in an official capacity, shall send the request to the CIA Information and Privacy Coordinator (Coordinator) identifying the particular records needed, the purpose for which the records are needed, whether declassification of the information contained

§ 1911.4

32 CFR Ch. XIX (7-1-18 Edition)

in the records will be required, and the position and security clearances or security approvals held by the requester.

(b) *Special procedures.* The Coordinator shall review the request and solicit input from the Director of the Center for the Study of Intelligence and other interested parties concerning whether or not the required determinations set forth in paragraph (c) of this section can be made. After considering any input received, the Coordinator will either make or not make the determinations set forth in paragraph (c), in consultation with the ARP, and forward the request and the Coordinator's recommendation to the Chief, Information Review and Release Group (IRRG), Information Management Services for decision on whether or not to provide the access requested. A negative determination by the Chief of IRRG shall be reviewed by the Director, Information Management Services, who shall issue the final CIA decision whether or not to grant the request for access.

(c) *Determinations.* As a condition precedent for access, the Coordinator must make all of the following determinations with respect to each request:

(1) That the requester is a current staff employee or contractor of the U.S. Government;

(2) That the requester is currently cleared, or security approved, for access to classified information and that the specific clearance or security approval and access levels of that individual has been officially recorded;

(3) That the scope of the request for information is clearly delineated;

(4) That the information requested is reasonably accessible and can be located and compiled with a reasonable effort;

(5) That a nondisclosure agreement with a prepublication review clause has been executed by the requester;

(6) That all notes and any resulting document will be appropriately safeguarded, that further access will be appropriately limited, and that no further dissemination of information such as that marked ORCON (Dissemination and Extraction of Information Con-

trolled by Originator) or HUMINT (Human Intelligence) shall be made beyond the requesting agency unless CIA permission is obtained;

(7) That if the resulting document containing CIA information or equities is intended to be declassified, the document will be submitted to the Coordinator for declassification review;

(8) That the information and documents will remain classified until a final declassification review and release decision is made by CIA; and,

(9) That the request for access is an official agency request, made in the requester's official capacity on behalf of the requester's agency.

(d) *Limitations.* (1) With respect to requests for access to CIA information and equities residing outside of CIA, upon a favorable CIA determination in accordance with paragraph (c) of this section, the CIA will notify both the requester and the agency holding the records with CIA equities. The requester will need to follow the access requirements of the agency holding the records in addition to any access requirements mandated by CIA.

(2) If access to classified historical CIA records is granted, as a rule, such access shall be provided on CIA premises only. No copies of any classified historical CIA records shall be provided to the requester for reference and use on requester premises without the express approval of the Director, Information Management Services. In exceptional cases, if the provision of classified CIA historical records to the requester for reference and use on requester premises is permitted, the classified CIA historical records provided shall not be disclosed or disseminated beyond the requesting agency, and shall be returned to CIA or destroyed when use of the records has ended. Similarly, any notes taken that are derived from classified historical CIA records that have been accessed in accordance with this part shall not be disclosed or disseminated beyond the requesting agency.

PARTS 1912-1999 [RESERVED]
