§ 310.4 Training Ship.

The Administration may furnish a Training Ship, if such is available, to any School. Training Ships which may be designated for use by a School will be delivered to the School at a location determined by the Administration, in condition found to be in class by the American Bureau of Shipping and certificated by the U.S. Coast Guard. If a Training Ship is not available, adequate cruising facilities shall be the responsibility of the State and its School. The furnishing of a Training Ship shall be subject to the following terms and conditions:

(a) *General provisions.* (1) The State, acting through the School shall exercise reasonable care to safeguard the interests of the Administration and avoid (i) injury to any person aboard the Training Ship, and (ii) loss and damage of every nature with respect to the Training Ship. Also, the school shall have reasonable layup procedures during noncruise status of the Training Ship.

(2) Excerpts from log books and reports shall be submitted as directed by the Supervisor.

(3) Initial telegraphic or telephonic reports shall be made promptly to the Supervisor and the appropriate Region Director in the event of an accident causing (i) serious injury to any person, or to the Training Ship, or (ii) damage inflicted by the Training Ship upon any other ship or other property. Such reports shall be followed by complete written details of the occurrence.

(4) The Supervisor shall determine whether or not the berth of the Training Ship at the base in its home port is suitable from the standpoint of safe mooring. When the Training Ship is not on cruise, the Commanding Officer or Superintendent shall keep the Supervisor informed of the location of the

Training Ship and any contemplated change of berth.

(5) The following notice shall be posted conspicuously aboard each Training Ship furnished to a State for use by a School:

This training ship is the property of the United States of America. It is furnished to the State of _____ by the Department of Transportation, Maritime Administration, for the purpose of training young men and women to become officers in the merchant marine of the United States. Neither the State, the Commanding Officer, nor any other person has any right, power or authority to create, incur or permit to be imposed upon this vessel, any lien whatever.

(6) No changes requiring U.S. Coast Guard approval shall be made to the Training Ship without the written approval of the Administration.

(7) In the event of the termination of the use of a Training Ship by the State or by the Maritime Administrator, the State shall return to the State base port, the Training Ship and all property whatsoever owned by the Administration. Title to all additions, replacements, and renewals made by the State shall vest in the Administration without charge.

(b) *Termination of use.* The Maritime Administrator may terminate the use of a Training Ship upon such reasonable notice to the State as the circumstances may permit in the judgment of the Maritime Administrator. If use of the Training Ship is terminated by the Maritime Administrator, the Maritime Administrator may:

(1) Substitute another Training Ship;

(2) Require the sharing of a Training Ship by two or more Schools; or

(3) Cooperate with the School in arranging for training time aboard commercial vessels for its Cadets and Midshipmen.

(c) *Property aboard the Training Ship.* The State shall have the complete use of a Training Ship as defined, subject to the following terms and conditions:

(1) All property, or its equivalent furnished by the Administration, shall be returned to the Administration when use of the Training Ship is terminated. The only exceptions are: spare and replacement parts consumed; and losses

due to ordinary wear and tear, unavoidable accident and perils of the sea. All other property otherwise lost or destroyed shall be replaced at the expense of the State.

(2) Administration property shall not be permanently removed from the Training Ship to the shore base without the prior written approval of the Supervisor.

(3) The administration shall take inventories of State and Federal property aboard the Training Ship at such times as it deems necessary. The school, at its expense, shall furnish such assistance as may be necessary in taking such inventories.

(d) *Condition Surveys.* Before a Training Ship is released to a School and manned by officers under State control, a condition survey shall be made by duly authorized representatives of the School and the Administration. If the Training Ship is found in order, the School representative shall sign a receipt for the Training Ship. Subsequently, after due notice to the State authorities, a condition survey may be made of the Training Ship whenever deemed advisable by the Administration, and, in any event, upon redelivery of the Training Ship by the State to the Administration.

(e) *Maintenance and repairs—(1) Administration payment.* A Training Ship shall be maintained in good repair by the Secretary as provided by the 1958 Act and the Act. Expenses for repairs, changes and alterations, repairs to equipment and replacements of equipment in accordance with the Administration's approved allowance lists for the Training Ship (i.e. authorized under the Act and to the extent that funds are available), shall be borne by the Administration under the following terms and conditions:

(i) When it is necessary to repair or drydock the Training Ship because of damage (except in an emergency, when on foreign cruise), the Commanding Officer or Superintendent shall notify the Supervisor and appropriate Region Director by telephone or telegraph in order to enable a representative of the Region Director, if available, to be present, when the survey of the damage is made.

(ii) Repairs which need not be carried out during the annual overhaul period shall be made by the Cadets or Midshipmen, if possible, under the supervision of the officers. When repair material is required for this purpose, the Commanding Officer or Superintendent shall forward to the Supervisor a list of such material and estimated costs, and a description of the repairs to be carried out by the Cadets or Midshipmen. The Supervisor shall promptly advise the Commanding Officer or Superintendent whether or not such work comes under the heading of repairs, and if procurement of the material is authorized.

(iii) Requisitions covering repairs, renewals, and betterments shall be prepared in quintuplicate by the heads of departments of the Training Ship and submitted by the Commanding Officer or Superintendent to the Supervisor at least forty-five (45) days before the date of the annual overhaul, with one copy to the Region Director.

(iv) The State is authorized to expend not to exceed \$5,000 for emergency repairs which become necessary while the Training Ship is on foreign cruise. The Administration shall reimburse the State upon submission of vouchers to, and approval by, the Maritime Administrator. To obtain reimbursement for emergency repairs estimated to cost in excess of \$5,000, authorization must be obtained by the State from the Supervisor prior to undertaking such repairs. The Commanding Officer shall be responsible for all necessary filings with the United States Customs Service to avoid duties upon all emergency repairs performed outside the United States. If penalties are imposed, for non-filing or improper filing, they shall be solely the responsibility of the State.

(2) *State payment.* Except as otherwise provided in this section, the State shall, at its own expense, accomplish the following:

(i) Undertake usual preventive maintenance of the Training Ship, adhere to minimum levels of preventive maintenance as prescribed by the Administration, and keep the Training Ship clean and painted, above the waterline according to good maritime practices.

(ii) Cause the Training Ship to be fumigated if required by the Administration and forward to the Supervisor a copy of the fumigation certificate.

(iii) Pay for all consumable stores, freshwater and costs incidental to the operation of the Training Ship.

(iv) Pay for fuel of the training ship except that the Administration may assist in paying the cost of fuel consumed on the Training Ship while being used for training purposes if funds are appropriated and available for such purposes.

(f) *Cruises.* The school shall submit the cruise itinerary of the Training Ship including a listing of foreign ports to be visited, for approval of the Supervisor at least sixty (60) days in advance of the date such cruise is scheduled to begin. The Supervisor shall arrange with the Department of State for clearance of the Training Ship to visit foreign ports.

(g) *Hospitalization.* The School shall be responsible for all medical treatment and hospitalization of all persons aboard the Training Ship at all times, including officers and Cadets and Midshipmen. If available, facilities of the United States Public Health Service should be utilized.

(h) *Repatriation and return to home port.* The School shall be responsible for the return to the home port of the Training Ship of all persons, including officers and Cadets and Midshipmen, who originally embarked on a training cruise from a Continental United States port and who are left behind, after the departure of the Training Ship from any port, foreign or domestic, or are to be brought home from the ship at any time or for any reason. The School shall be solely responsible for all expenses of repatriation and return to home port.

§ 310.5 Personnel.

(a) *Selection and appointment of Superintendent and faculty by State authorities.* (1) The State shall select and appoint the Superintendent of a School in accordance with qualifications established by appropriate State authorities. The State shall notify the Maritime Administrator whenever a new Superintendent is appointed and furnished with appropriate background in-

formation on the appointee for informational purposes.

(2) The State shall appoint faculty members in disciplines other than engineering and navigation on the basis of the same criteria used in the employment of such personnel in State-supported colleges and universities throughout the State. § 310.7 Federal student subsistence allowances and student incentive payments.

(a) *Subsistence allowances—*(1) *Selection and allocation.* In accordance with the Administration's established freshmen subsidy allocation for each School, the school shall select the individuals in its new entering class who will be enrolled in the United States Maritime Service as cadets and start to receive Federal student subsistence payments for uniforms, textbooks and subsistence as provided in the 1958 Act. The freshman subsidy allocations for each school are as follows: California Maritime Academy 99; Maine Maritime Academy 135; Massachusetts Maritime Academy 69; State University of New York Maritime College 200; Great Lakes Maritime Academy 45; and the

Texas Maritime College 32. Each student who meets the entrance requirements in § 310.6(a) and applies for enrollment in the United States Maritime Service shall be entitled to consideration for a student subsistence payment at a rate and under the conditions in the 1958 Act. The list identifying the selected students shall be forwarded to the Administration on or before October 31, 1981. The Federal student subsistence payments will be paid to the School while a cadet is in attendance but not in excess of four (4) academic years for any one student.

(2) *Resignation or disenrollment.* There will be no substitution for students removed or dropped from the list of those originally receiving Federal student subsistence payments. Subsidized students who resign or are disenrolled from a school shall not, on subsequent reenrollment, be in a position to reclaim their subsidy status.

(3) *Selection criteria; rate of payment.* The selection of the students to receive such payments shall be made by the School in accordance with criteria established by the School, with the prior approval of the Administration. The rate of Federal student subsistence payments will be determined by the Administration according to the 1958 Act or the Act.

(4) *ROTC enrollment.* Subsidized cadets who make a commitment to an Armed Force Reserve Officer Training Corps will be removed from the Administration subsidy rolls effective on the date they receive funds from a U.S. military service. Should they leave the program for any reason they may not reclaim the Administration subsidy as a cadet.

(5) *Payment procedure.* The Administration shall make the Federal student subsistence payments no more frequently than monthly, directly to the School upon the presentation of a statement containing the names of each Cadet selected by the Academy (within the quotas furnished pursuant to paragraph (a) of this section) to be enrolled in the Maritime Service and to receive the Federal student subsistence payments. For newly selected Cadets in a new entering class, the statement supporting the first voucher for payment shall certify that the cadets

have met the entrance requirements in § 310.6.

(6) *Certification procedure.* All vouchers submitted for payment shall contain a certification by the Superintendent that the payment will be used to assist in defraying the cost of the uniforms, textbooks, and subsistence of each Cadet on the basis of the amount to which the cadet is entitled, as reflected by the attached Daily Attendance Report. No cadet shall receive a federal student subsistence payment for any time during which he or she is absent without leave or for absence due to a condition not in line of duty, or when determined by the School to be not in good standing.

(7) *Insufficient appropriations.* If it appears that the amount appropriated by Congress under the Act shall not be sufficient to make payments at the maximum rate, not in excess of \$1,200 per academic year per cadet, the Maritime Administrator, after consultation with the Schools, may determine the exact rate to be paid at each School for the remainder of the fiscal year.

(b) *Federal student incentive payments*—(1) *General provisions.* In accordance with the Administration's established subsidy quotas for classes entering after April 1982, each school shall identify to the Administration, no later than February 1 annually, those students who have been selected to receive the student incentive payment authorized by the Act. The students so identified must meet the requirements of § 310.6(b). The Administration shall provide the school with the necessary service obligation contracts. The contracts will be signed by the designated students and returned by the School to the Supervisor and shall become effective when signed by the Supervisor or his or her designee. A copy shall be returned to the School for transmittal to the student. Payments will be issued to midshipmen in amounts equaling \$4000 for each academic year of attendance whom execute the service obligation contracts providing for such payment amount. Payments shall commence to accrue on the day each such midshipman begins his or her first term of work at the School. Such payments shall be made quarterly to the midshipman until the completion of his or

her course of instruction but in no event for more than four (4) academic years. The School shall submit a quarterly certified Daily Attendance Report listing the names of all designated midshipmen who are entitled to student incentive payments. Midshipmen who do not take all necessary steps to maintain their midshipman status, who lose their midshipman status due to action by the U.S. Navy, or who make the commitment identified in paragraph (a)(4) of this section will have their student incentive payment terminated.

(2) *Temporary reallocation of Federal student incentive payments.* If a School does not have a sufficient number of eligible freshmen to utilize all of its allotted payments, then the unused subsidies may be reallocated on a need basis to academies with eligible students. In the next academic year, each School's subsidy quota for entering students will revert to its original level.

(3) *Form of the service obligation contract.* The service obligation contract shall obligate the midshipman to—

(i) Use the student incentive payment to defray the cost of uniforms, books and subsistence;

(ii) Complete the course of instruction at the School;

(iii) Take the examination for a license as an officer in the merchant marine of the United States on or before the date of graduation from a School and fulfill the requirements for such license not later than three (3) months after such graduation;

(iv) Maintain a valid license as an officer in the merchant marine of the United States for at least six (6) years following the date of graduation from a School, accompanied by the appropriate national and international endorsements and certification required by the United States Coast Guard for service aboard vessels on domestic and international voyages (“appropriate” means the same endorsements and certifications held at the date of graduation, or the equivalent);

(v) Apply for an appointment as, and accept if tendered, and serve as a commissioned officer in the United States Naval Reserve (including the Merchant Marine Reserve, United States Naval

Reserve), the United States Coast Guard Reserve, or any other Reserve unit of an armed force of the United States for at least six (6) years following the date of graduation from a school; and

(vi) Serve in the foreign or domestic commerce or both, and the national defense of the United States for at least three (3) years following graduation from a School—

(A) As a merchant marine officer serving on vessels documented under the laws of the United States or on vessels owned and operated by the United States or by any State or Territory of the United States;

(B) As an employee in a United States maritime-related industry, profession, or marine science (as determined by the Maritime Administrator), if the Maritime Administrator determines that service under paragraph (b)(3)(vi)(A) of this section is not available to such individual;

(C) As a commissioned officer on active duty in an armed force of the United States or in the National Oceanic and Atmospheric Administration or in other maritime-related employment with the Federal Government which serves the national security interests of the United States, as determined to be satisfactory by the Maritime Administrator; or

(D) By combining the services specified in paragraphs (b)(3)(vi)(A), (b)(3)(vi)(B) and (b)(3)(vi)(C) of this section; and

(E) Such employment in the Federal Government must be both significantly maritime-related and serve the national security interests of the United States. “Significantly” is equated to a material or essential portion of an individual's responsibilities. It does not mean a “majority” of such individual's responsibilities, but means more than just an incidental part.

(4) *Marine-related employment.* (i) graduates who intend to claim employment in a United States maritime-related industry, profession of marine science as meeting all or part of the service obligation under paragraph (b)(3)(vi) of this section, shall submit evidence to the Supervisor that they have conscientiously sought employment as a merchant marine officer, and

that such employment is not available. Such evidence and other information available, shall be considered in any finding. In view of current and projected employment opportunities, afloat, the Maritime Administrator will grant the shoreside employment option infrequently and only on the basis of comprehensive evidence.

(ii) The Maritime Administrator may consider the positions of operational, management and administrative responsibility in the following marine-related categories under the provisions of paragraph (b)(3)(vi) of this section: Civilian employment in Federal and State agencies related to maritime affairs, steamship companies, stevedoring companies, vessel chartering and operations, cargo terminal operations, naval architecture, shipbuilding and repair, municipal and state port authorities, port development, marine engineering, and tug and barge companies. The above list is not all inclusive and is only intended to serve as a general guide.

(5) *Afloat employment year.* For purposes of the service obligation, a satisfactory year of afloat employment shall be the lesser of—

(i) 150 days; or

(ii) The number of days employed afloat that is at least equal to the median number of days of seafaring employment under articles achieved by deck or engine officers in the most recent calendar year for which statistics are available.

(6) *Reporting requirement.* (i) The schools must promptly submit copies of all resignation forms (containing the name, reason, address and telephone number) of juniors and seniors to the Supervisor, to be used for monitoring and enforcement purposes. Each graduate must submit an annual Service Obligation Compliance Report form (MA-930) to the Maritime Administration (Supervisor) between January 1 and March 1 following his or her graduation. After the initial report is submitted, each graduate must continue to submit annual reports during the same time frame between January 1 and March 1 for six (6) consecutive years thereafter, or until all components of the service obligation are fulfilled, whichever is latest. Each grad-

uate will file a minimum of seven (7) reports in order to give information on all six (6) years of the armed forces reserve and merchant marine officer license service obligations. Graduates are encouraged to submit their Service Obligation Compliance Report forms (MA-930) to MARAD using the web-based Internet system at <https://mscs.marad.dot.gov>. Reports may also be mailed to: Compliance Specialist, Office of Policy and Plans, Maritime Administration, Department of Transportation, 400 7th St., SW., Room 7123, Washington, DC 20590. In case a deferment has been granted to engage in a maritime-related graduate course of study, annual reports must be submitted during the extension period resulting from such deferments. Examples of the reporting requirements are as follows.

Example 1: Midshipman graduates on June 30, 2004. His or her first reporting date is between January 1, 2005 and March 1, 2005 and each following period between January 1 and March 1 for six (6) consecutive years thereafter (or until all components of the service obligation are fulfilled, whichever is latest) for a minimum of seven (7) reports.

Example 2: Midshipman has a deferred graduation on November 30, 2004. His or her first reporting date is between January 1, 2005 and March 1, 2005 and each following period between January 1 and March 1 for six (6) consecutive years thereafter (or until all components of the service obligation are fulfilled, whichever is latest) for a minimum of seven (7) reports.

Example 3: Midshipman has a deferment following graduation on June 30, 2004, to attend graduate school for two (2) years. His or her first reporting date is between January 1, 2005 and March 1, 2005 and during the same time frame between January 1 and March 1 for two (2) years during graduate school, and then during the same January 1 to March 1 time frame for six (6) consecutive years thereafter (or until all components of the service obligation are fulfilled, whichever is latest) for a total of nine (9) reports.

(ii) The Maritime Administration will provide reporting forms. However, non-receipt of such forms will not exempt a graduate from submitting information as required by this paragraph. The reporting form has been approved by the Office of Management and Budget (2133-0509).

(7) *Breach of contract*—(i) *Breach before graduation.* (A) If the Maritime Administrator determines that any individual who has accepted Federal student incentive payments for a minimum of two (2) academic years has failed to fulfill any part of the contract set forth in §310.7(b)(3), such individual may be ordered by the Secretary of Defense to active duty in one of the Armed Forces of the United States to serve a period of time not to exceed two (2) years. In cases of hardship as determined by the Maritime Administrator, the Maritime Administrator may waive this provision in whole or in part.

(B) If the Secretary of Defense is unable or unwilling to order an individual to active duty under paragraph (b)(7)(i)(A) of this section, or if the Maritime Administrator determines that reimbursement of the cost of education provided would better serve the interests of the United States, the Maritime Administrator may recover from the individual the amount of student incentive payments, plus interest and attorney's fees.

(C) The Maritime Administrator is authorized to reduce the amount to be recovered under paragraph (b)(7)(i)(B) of this section from such individual to reflect partial performance of service obligations and such other factors as the Maritime Administrator determines merit such reduction.

(D) For purposes of paragraph (b)(7)(i)(A) of this section, an "academic year" is defined as the completion by a student of the required number of semesters, trimesters, or quarters, as applicable, whether at school or at sea, which comprise a complete course of study for an academic year. Thus, liability under paragraph (b)(7)(i)(A) of this section begins for students at the beginning of their third (3rd) academic year, whether at school or at sea.

(ii) *Breach after graduation.* (A) If the Maritime Administrator determines that an individual has failed to fulfill any part of the service obligations (described in §310.7(b)(3)), such individual may be ordered to active duty to serve a period of time not less than two (2) years and not more than the unexpired portion of the service obligation con-

tract relating to service in the foreign or domestic commerce or the national defense, as determined by the Maritime Administrator. The Maritime Administrator, in consultation with the Secretary of Defense, shall determine in which service the individual shall be ordered to active duty to serve such period of time. In cases of hardship, as determined by the Maritime Administrator, the Maritime Administrator may waive this provision in whole or in part.

(B) If the Secretary of Defense is unable or unwilling to order an individual to active duty under paragraph (b)(7)(i)(A) of this section or if the Maritime Administrator determines that reimbursement of the Cost of Education Provided would better serve the interests of the United States, the Maritime Administrator may recover from the individual the Cost of Education Provided, plus interest and attorney's fees.

(C) The Maritime Administrator may reduce the amount to be recovered under paragraph (b)(7)(i)(B) of this section from such individual to reflect partial performance of service obligations and such other factors as the Maritime Administrator determines merit such reduction.

(8) *Waivers.* Waivers may be granted in cases where there would be undue hardship or impossibility of performance of the provisions of the contract due to accident, illness or other justifiable reason. Applications for waiver will be submitted to the Supervisor.

(9) *Deferments.* In exceptional cases the Administration may grant a deferment of all or part of the service commitment under paragraphs (b)(3)(ii) through (vi) of this section for a period not to exceed two years, only for graduates considered to have superior academic and conduct records while at the school, for the purpose of their entry after graduation into a marine-or maritime-related graduate course of study at an accredited graduate school. However, the Secretary of the department in which the United States Coast Guard is operating and the Secretary of Commerce, with respect to the National Oceanic and Atmospheric Administration, which has jurisdiction over such service shall approve any

deferment of service as a commissioned officer. Applications for such deferment shall be made through the Superintendent of Midshipman's school, who shall forward each application together with the Superintendent's recommendation for approval or disapproval and an evaluation of the applicant's academic and conduct records, to the Supervisor for appropriate action.

(10) *Determination of compliance with service obligation contract; deferment; waiver; and appeal procedures.* (i) An official of the Administration designated by the Supervisor shall:

(A) Render determinations of whether a student or graduate has breached his or her service agreement;

(B) Grant or deny a deferment of the service obligation under paragraph (b)(9) of this section, except obligations otherwise a part of the graduate Reserve officer status;

(C) Grant or deny a waiver of the requirements of the service agreement in hardship cases.

(ii)(A) If a student or graduate disagrees with the decision of the designated official, the student or graduate may appeal that decision to the Maritime Administrator. The appeal must set forth all the legal and factual grounds on which the student or graduate bases the appeal. Any grounds not set forth in the appeal are waived.

(B) Appeals must be filed with the Maritime Administrator within 30 calendar days of the date of receipt by such student or graduate of the written decision of the designated official. Appeals must be filed at the Office of the Secretary, Maritime Administration, Room 7210, 400 7th St., SW., Washington, DC 20590. Each decision will include a notice of appeal rights.

(C) A decision is deemed to be received by a student or graduate five (5) working days after the date it is mailed by first class mail, postage prepaid, to the address for such student or graduate listed with the Office of Policy and Plans. It is the responsibility of such student or graduate to ensure that their current mailing address is on file with the Office of Policy and Plans, 400 7th St., SW., Washington, DC 20590.

(D) If the appeal is sent by conventional mail (through the United States Postal Service), the date of filing is determined by the postmark date. If no legible postmark date appears on the mailing, the appeal is deemed to be filed five (5) working days before the date of its receipt in the Office of the Secretary. If delivered by other than the United States Postal Service, an appeal is filed with the Maritime Administrator on the date it is physically delivered to the Office of the Secretary at the address referenced in paragraph (b)(10)(ii)(B) of this section. The date of filing by commercial delivery (not United States Postal Service) is the date it is received at the address for the Office of the Secretary set forth in paragraph (b)(10)(ii)(B) of this section. Appeals may not be submitted by facsimile or by electronic mail. Requests for extension of the time to file an appeal may be submitted by facsimile or electronic mail to the Office of the Secretary. Requests for extension of time do not stop or toll the running of the time for filing an appeal. Appeals may only be filed after the deadline if the Maritime Administrator or his designee, in their sole discretion, grants an extension.

(E) In computing the number of days, the first day counted is the day after the event from which the time period begins to run. If the date that ordinarily would be the last day for filing falls on a Saturday, Sunday, or Federal holiday, the filing period will include the first workday after that date.

Example to paragraph (b)(10)(ii)(E): If a graduate receives a decision on July 1, the 30-day period for filing an appeal starts to run on July 2. The appeal would ordinarily be timely only if postmarked on or physically delivered by July 31. If July 31 is a Saturday, however, the last day for obtaining a postmark by mailing or physical delivery would be Monday, August 2.

(iii) The Maritime Administrator will issue a written decision for each timely appeal. This decision constitutes final agency action.

(iv) If a student or graduate fails to appeal within the time set forth in paragraph (b)(10)(i) of this section, the decision of the designated official will be final and constitute final agency action.

§ 310.8

(11) *Remedies.* To aid in the recovery of the cost of education under this section, the Maritime Administrator may request the Attorney General to begin court proceedings, and the Maritime Administrator may make use of the Federal debt collection procedure in chapter 176 of title 28, United States Code, or other applicable administrative remedies.

Midshipmen receiving student incentive payments may be granted leaves of absence without pay, as approved by the Superintendent, for periods not to exceed one (1) academic year at a time. Midshipmen in a pay status will only be granted a leave of absence if they continue to meet all requirements for graduation in this part, including age requirements.

(2) *Forwarding test results.* Candidates shall be responsible for requesting the testing services to submit their scores directly to the Academy.

(3) *Test information.* Information on the entrance examinations may be obtained from—

The candidate's high school guidance office;
or,

College Board, P.O. Box 592, Princeton, N.J. 08540; or,

College Board, P.O. Box 1025, Berkeley, CA. 94701; or,

American College Testing Program, P.O. Box 168, Iowa City, IA 52240.

(c) *Prior Scholastic Record.* Applicants shall demonstrate scholastic achievement by having attained a relatively high standing in relation to their fellow students and by having shown proficiency in mathematics and science courses. With respect to applicants who completed high school at least one year before applying for admission to the Academy, consideration will be given to satisfactory college level study or any special study undertaken to strengthen their academic backgrounds, particularly in respect to determining whether such supplementary academic activity offsets any deficiency in high school scholastic records.

(d) *Waivers.* No waivers of scholastic requirements will be granted.

§ 310.56 Physical requirements.

(a) *Physical standards.* (1) A candidate shall meet the physical requirements prescribed by the Department of the Navy for appointment as Midshipman, USNR (including the Merchant Marine Reserve, USNR) and the requirements prescribed by the U.S. Coast Guard for original licensing as a third mate and third assistant engineer. All candidates shall have color perception and refractive error within the limits prescribed by the Department of the Navy or by the U.S. Coast Guard, whichever are higher.

(2) The requirement to meet these standards is a continuing one and shall apply through graduation from the Academy. Failure to meet the standards while attending the Academy is grounds for, and may lead to disenrollment. Individuals who have completed at least two years of study and, as a result of an accident, illness or other cause (during official duty), fail to meet this requirement may be permitted to remain at the Academy at the discretion of, and under conditions set by, the Administrator. Those individuals permitted to remain through graduation will agree to fulfill aspects of the service obligation which they are capable of, as deemed appropriate by the Administrator.

(b) *Qualifying physical examinations.* All candidates for the Academy shall have a physical and dental examination conducted by a service academy

examining facility designated by the Service Academies Central Medical Review Board. The required physical examination shall occur within 1 year preceding the date of admission to the Academy. Although there is no charge for such examination, all expenses (including travel, meals and hotel accommodations) incurred in obtaining such examination shall be borne by the applicant. Candidates may be subject to reexamination upon reporting to the Academy and at any time while attending the Academy.

(c) *Physical reexamination.* A candidate who is rejected for failure to meet the physical requirements may request either a reevaluation of the examination results or a reexamination. A midshipman failing to meet the physical requirements while attending the Academy is entitled to make the same request.

(d) *Waivers.* Some medical requirements may be waived for enrolled students and applicants to the USMMA who require such a medical waiver to qualify for admission and/or retention. Since commissioning in the United States Navy, or any other branch of the Armed Forces, is a requirement for graduation, no waivers will be granted for medical conditions which would prevent commissioning in at least a restricted status in the U.S. Navy Reserve. Individuals interested in waiver consideration may request a waiver by writing to the Superintendent, USMMA. The granting of medical waivers will be based on U.S. Navy guidelines and regulations for waiver consideration for admission to the U.S. Naval Academy and the physical requirements consistent with commissioning as a reserve officer in the U.S. Navy in a restricted line program. Individuals requesting medical waivers must be able to meet all other admission requirements, including the physical examination requirement for an original U.S. Coast Guard merchant marine license as a third mate and/or third assistant engineer. The decision of the Superintendent on any requested waiver is administratively final.

§ 310.57 Application and selection of midshipmen.

(a) *Application.* All candidates shall submit an application for admission to the Academy's Admissions Office. Prospective candidates also should submit an application, but are not considered official candidates until their nominations are received. Candidates shall submit with their applications an official transcript and personality record from the candidate's high school and, if applicable, such records from any school attended after high school graduation. Application forms are available upon request by writing to the Admissions Office at the Academy. MARAD will accept electronic options (such as facsimile and Internet) for transmission of only Part I of required information to MARAD, if practicable.

(b) *Selection of Midshipmen.* Selection of midshipmen for appointment to fill vacancies allotted to the various States and other locations, as specified in § 310.53(b) (1) and (2) of this subpart, shall be in order of merit. The order of merit shall be determined on the scores of the required entrance examinations, on assessment of the academic background of the individual and on such other factors as are considered by the Academy to be effective indicators of motivation and the probability of successful completion of training at the Academy. No preference shall be granted in selecting individuals for appointment because one or more members of their immediate families are alumni of the Academy.

(c) *Notification of selection.* Results of the selection process will be made known about May 1 each year. The Academy shall advise each candidate and his or her nominating official of his or her status as a principal candidate, as an alternate candidate or as an unqualified candidate. Alternates will replace principal candidates who decline appointment or fail to meet the physical requirements or the security and suitability investigation.

(d) *Service obligation agreement.* Each candidate selected for appointment to the Academy after April 1, 1982, who is a citizen of the United States, shall sign a service obligation contract as a condition of admission. The contract is prescribed in § 310.58 of this subpart.

(e) *Reporting to the Academy.* Candidates who accept offers of appointment shall, pursuant to instructions issued by the Academy, report to the Academy on a specified date in mid-July for orientation and induction.

(f) *Oath.* Each midshipman who is a citizen of the United States shall take the following oath of office at the Academy:

“I, _____, having been appointed a midshipman to the U.S. Merchant Marine Academy, accept appointment and do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I will comply with all the regulations of the U.S. Merchant Marine Academy; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter, so help me God.”

(g) *Birth Certificate.* Each candidate shall present a certificate of birth authenticated by an authorized official.

[47 FR 21812, May 20, 1982, as amended at 68 FR 62538, Nov. 5, 2003; 69 FR 61451, Oct. 19, 2004]

(iv) Other maritime-related employment with the Federal Government which serves the national security interests of the United States, as determined by the Maritime Administrator; or

(v) By combining the services specified in paragraphs (a)(5)(i), (ii), (iii) and (iv) of this section; and,

(vi) Such employment in the Federal Government that satisfies paragraph (a)(5)(iv) of this section must be both significantly maritime-related and serve the national security interests of the United States. “Significantly” is equated to a material or essential portion of an individual’s responsibilities. It does not mean a “majority” of such individual’s responsibilities, but means more than just an incidental part; and

(6) Submit periodic reports to the Administration to establish compliance with all the terms of the contract.

(b) *Service as a merchant marine officer.* For purposes of the service obligation set forth in paragraph (a)(5)(i) of this section, a satisfactory year of service on vessels in the United States

Such evidence submitted, and other information available to the Administration, shall be considered in any finding. In view of current and projected employment opportunities afloat, the Administrator will grant the shoreside employment option infrequently and only on the basis of comprehensive evidence.

(2) The Administrator may consider positions of operational, management or administrative responsibility, including, but not limited to, the following marine-related categories, to be under the provisions of § 310.58(a)(5)(ii) of this subpart and the service obligation contract: Civilian employment in Federal and State agencies related to maritime affairs; steamship companies; stevedoring companies; vessel chartering and operations; cargo terminal operations; naval architecture; shipbuilding and repair; municipal and State port authorities; and port development, marine engineering, and tug and barge companies.

(d) *Reporting requirements.* (1) Each graduate must submit an annual Service Obligation Compliance Report form (MA-930) to the Maritime Administration between January 1 and March 1 following his or her graduation. After the initial report is submitted, each graduate must continue to submit annual reports during the same time frame between January 1 and March 1

for six (6) consecutive years thereafter, or until all components of the service obligation are fulfilled, whichever is latest. Each graduate will file a minimum of seven (7) reports in order to give information on all six (6) years of the service obligation. Graduates are encouraged to submit their Service Obligation Compliance Report forms (MA-930) to MARAD using the web-based Internet system at <https://mscs.marad.dot.gov>. Reports may also be mailed to: Compliance Specialist, Office of Policy and Plans, Maritime Administration, Department of Transportation, 400 7th St., SW., Room 7123, Washington, DC 20590.

(i) Example 1: Midshipman graduates on June 30, 2004. His or her first reporting date is between January 1, 2005 and March 1, 2005 and thereafter between January 1 and March 1 for six (6) consecutive years (or until all components of the service obligation are fulfilled, whichever is latest) for a minimum of seven (7) reports.

(ii) Example 2: Midshipman has a deferred graduation on November 30, 2004. His or her first reporting period is between January 1, 2005 and March 1, 2005 and thereafter between January 1 and March 1 for six (6) consecutive years (or until all components of the service obligation are fulfilled, whichever is latest) for a minimum of seven (7) reports.

(iii) Example 3: Midshipman graduated in June 2003 and has already begun his or her service obligation reporting. His or her reports are now due between January 1 and March 1 of each reporting year.

(2) The Maritime Administration will provide reporting forms upon request. However, non-receipt of such forms will not exempt a graduate from submitting service obligation information as required by this paragraph. Graduates are encouraged to submit their Service Obligation Compliance Report forms (MA-930) electronically at <https://mscs.marad.dot.gov>. The reporting form has been approved by the Office of Management and Budget (2133–0509).

(e) *Breach of contract.* (1) Breach before graduation: (i) If the Maritime Administrator determines that an individual who has attended the Academy for not less than two (2) academic

Maritime Administration, DOT

§ 310.58

years has failed to complete the course of instruction at the Academy, such individual may be ordered by the Secretary of Defense to active duty in one of the Armed Forces of the United States to serve for a period of time not to exceed two (2) years. In cases of hardship, as determined by the Maritime Administrator, the Maritime Administrator may waive this provision in whole or in part.

(ii) If the Secretary of Defense is unable or unwilling to order an individual to active duty under the previous paragraph, or if the Maritime Administrator determines that reimbursement of the Cost of Education Provided by the Federal Government would better serve the interests of the United States, the Maritime Administrator may recover from the individual the Cost of Education Provided by the Federal Government.

(iii) For purposes of paragraph (e)(1)(i) of this section, an "academic year" is defined as the completion by a student of a total of three (3) trimesters, whether at the Academy or at sea. Thus, liability under paragraph (e)(1)(i) of this section begins for students when they begin their seventh (7th) trimester, whether at the Academy or at sea.

(2) Breach after graduation: (i) If the Maritime Administrator determines that an individual has failed to fulfill any part of the service obligation contract (described in §310.58(a)), such individual may be ordered to active duty to serve a period of time not less than three (3) years and not more than the unexpired portion of the service obligation contract relating to service in the foreign or domestic commerce or the national defense, as determined by the Maritime Administrator. The Maritime Administrator, in consultation with the Secretary of Defense, shall determine in which service the individual shall be ordered to active duty to serve such period of time. In cases of hardship, as determined by the Maritime Administrator, the Maritime Administrator may waive this provision in whole or in part.

(ii) If the Secretary of Defense is unable or unwilling to order an individual to active duty under paragraph (e)(2)(i) of this section or if the Maritime Ad-

ministrator determines that reimbursement of the Cost of Education Provided would better serve the interests of the United States, the Maritime Administrator may recover from the individual the Cost of Education Provided.

(iii) The Maritime Administrator may reduce the amount to be recovered from such individual to reflect partial performance of service obligations and such other factors as the Maritime Administrator determines merit such reduction.

(f) *Waivers.* The Maritime Administrator shall have the discretion to grant waivers of all or a portion of the service obligation contract in cases where there would be undue hardship or impossibility of performance due to accident, illness or other justifiable reason. Applications for waivers shall be submitted in writing to the Academies Program Officer, Office of Policy and Plans, Maritime Administration, 400 7th St., SW., Washington, DC 20590.

(g) *Deferments.* In exceptional cases, the Administration may grant a deferment of all or part of the agreement under paragraph (a)(5) of this section and the service obligation contract, for a period not to exceed 2 years, only for graduates considered to have superior academic and conduct records while at the Academy and only for the purpose of entering a marine or maritime-related graduate course of study approved by the Administrator or for the purpose of pursuing studies as recipients of scholarships or fellowships of national significance; *Provided*, that any deferment of service as a commissioned officer under paragraph (a)(5)(iii) of this section and the service obligation contract shall be subject to the sole approval of the Secretary of the department which has jurisdiction over such service (including the Secretary of the department in which the U.S. Coast Guard is operating and the Secretary of Commerce with respect to NOAA). A graduate shall make application for such deferment through the Superintendent of the Academy, who shall forward each application, together with the Superintendent's recommendation for approval or disapproval and an evaluation of the applicant's academic and conduct

§ 310.59

records, to the Academies Program Officer, Maritime Administration, Office of Policy and Plans, NASSIF Building, 400 7th St., SW., Washington, DC 20590 for appropriate action.

(2)(i) If a student or graduate disagrees with the decision of the designated official, the student or graduate may appeal that decision to the Maritime Administrator. The appeal will set forth all the legal and factual grounds on which the student or graduate bases the appeal. Any grounds not set forth in the appeal are waived.

(ii) Appeals must be filed with the Maritime Administrator within thirty (30) calendar days of the date of receipt by such student or graduate of the written decision of the designated official. Appeals must be filed at the Office of the Maritime Administrator, Maritime Administration, Room 7210, 400 7th St., SW., Washington, DC 20590. Each decision will include a notice of appeal rights.

(iii) A decision is deemed to be received by a student or graduate five (5) working days after the date it is mailed by first class mail, postage prepaid, to the address for such student or graduate listed with the Office of Policy and Plans. It is the responsibility of such student or graduate to ensure that their current mailing address is on file with the Office of Policy and Plans, Maritime Administration, 400 7th St., SW., Washington, DC 20590. Students and graduates can determine the current address on file with the Office of Policy and Plans by logging into the service obligation contract compli-

ance Web site at <http://mscs.marad.dot.gov>. Changes in the address listed can be made through the Internet.

(3) The Maritime Administrator will issue a written decision for each timely appeal. This decision constitutes final agency action.

(4) If a student or graduate fails to appeal within the time set forth in paragraph (h)(2) of this section, the decision of the designated official will be final and constitute final agency action.

(i) *Remedies.* To aid in the recovery of the Cost of Education Provided the Maritime Administrator may request the Attorney General to begin court proceedings, and the Maritime Administrator also may make use of the Federal debt collection procedures in chapter 176 of title 28, United States Code, and other applicable administrative remedies.
