meat of cattle, sheep, or swine in carcass form only, except upon approval by the Director upon his determination of good cause and provided that the meat can be identified in conformance with the standards.

[63 FR 72102, Dec. 31, 1998, as amended at 70 FR 58971, Oct. 11, 2005]

§ 54.5 Availability of service.

Service under these regulations may be made available with respect to products shipped or received in interstate commerce, and with respect to the products not so shipped or received if the Director or Chief determines that the furnishing of service for such products would facilitate the marketing, distribution, processing, or utilization of agricultural products through commercial channels. Also, such service may be made available under a cooperative agreement. Service under these regulations shall be provided without discrimination as to race, color, sex, creed, or national origin. Service will be furnished for products only if they were derived from animals slaughtered

in federally inspected establishments or operated under State meat inspection in a State other than one designated in 9 CFR 331.2. Service under these regulations will be furnished for imported meat only if it is marked so that the name of the country of origin appears on most of the major retail cuts. The mark of foreign origin shall be imprinted by roller brand or handstamp and shall be applied so that the imprint is at least 2 inches from the backbone of lamb, 3 inches from the backbone of veal and calf, and 4 inches from the backbone of beef carcasses. The mark of foreign origin shall be repeated parallel to the backbone of the carcass so as to appear on each round, rump, full loin, rib, and chuck of each bovine and ovine carcass in letters at least one-fourth of an inch high, with no more than three-fourths of an inch space between impressions. Imprints of each such brand shall be submitted to the Chief for the determination of compliance with these regulations prior to use of the brand on meats offered for Federal grading. It shall be the responsibility of the applicant to notify the meat grade performing the service whenever imported meat is offered for grading.

§ 54.6 How to obtain service.

(a) *Application.* Any person may apply to the Director or Chief for service under the regulations with respect to products in which the applicant is financially interested. The application shall be made on a form approved by the Director. In any case in which the service is intended to be furnished at an establishment not operated by the applicant, the application shall be approved by the operator of such establishment and such approval shall constitute an authorization for any employees of the Department to enter the establishment for the purpose of performing their functions under the regulations. The application shall state:

(1) The name and address of the establishment at which service is desired; (2) the name and post office address of the applicant; (3) the financial interest of the applicant in the products, except where application is made by an official of a Government agency in his official capacity; and (4) the signature of

§ 54.7

7 CFR Ch. I (1–18 Edition)

the applicant (or the signature and title of his representative). The application shall indicate the legal status of the applicant as an individual, partnership, corporation, or other form of legal entity. Any change in such status, at any time while service is being received, shall be promptly reported to the Director or Chief by the person receiving the service.

(b) *Notice of eligibility for service.* The applicant for service at any establishment will be notified whether his application is approved.

(c) *Request by applicant for service—(1) Noncommitment.* Upon notification of the approval on an application for service, the applicant may, from time to time as desired, make oral or written requests for service under the regulations with respect to specific products for which the service is to be furnished under such application. Such requests shall be made at an office for grading either directly or through any employee of the Agricultural Marketing Service who may be designated for such purposes.

(2) *Commitment.* If desired, the applicant may request to enter into an agreement with the Agricultural Marketing Service for the furnishing of service on a weekly commitment basis, whereby the applicant agrees to pay for 8 hours of service per day, 5 days per week, Monday through Friday, excluding Federal legal holidays occurring Monday through Friday on which no grading and certification services are performed, as provided in § 54.27, and the Agricultural Marketing Service agrees to make an official grader available to perform such service for the applicant. However, the Agricultural Marketing Service reserves the right to use any grader assigned to a plant under such a commitment to perform service for other applicants when, in the opinion of the Chief, the grader is not needed to perform service for the commitment applicant. An applicant who terminates a commitment, and within 1 year after cancellation is granted a new commitment at his request, shall pay for the moving costs actually incurred by the Agricultural Marketing Service to cover the transfer of the grader who will service the applicant's new commitment. If more

than one applicant is involved in the reapplication for a canceled meat grading and certification commitment requiring the transfer of the grader, the moving costs will be prorated among the applicants according to each applicant's committed portion of the grader's services. However, the moving costs will be charged only to those applicants who were parties to the previously canceled commitment. An applicant may, for periods of 3 months or less, enter into an agreement by memorandum with the Agricultural Marketing Service for the furnishing of service on a weekly basis. In the latter case, transfer of graders would not be involved and charges will be made in accordance with § 54.27.

[42 FR 53921, Oct. 4, 1977. Redesignated at 46 FR 63203, Dec. 31, 1981, as amended at 47 FR 44704, Oct. 12, 1982; 79 FR 67321, Nov. 13, 2014]

§ 54.7 Order of furnishing service.

Service under the regulations shall be furnished to applicants in the order in which requests therefor are received, insofar as consistent with good management, efficiency and economy. Precedence will be given, when necessary, to requests made by any government agency or any regular user of the service, and to requests for appeal service under § 54.20.

§ 54.8 When request for service deemed made.

A request for service under the regulations shall be deemed to be made when received by an office of grading. Records showing the date and time of the request shall be made and kept in such office. However, in the case of the Carcass Data Service, the purchase of official USDA eartags shall constitute a request for such service and the requisition form used to purchase the eartags shall be kept in the designated office of record.

§ 54.9 Withdrawal of application or request for service.

An application or a request for service under the regulations may be withdrawn by the applicant at any time before the application is approved or prior to performance of service, upon payment, in accordance with §§ 54.27

and 54.28, of any expenses already incurred by the Agricultural Marketing Service in connection therewith.

§ 54.10 Authority of agent.

Proof of the authority of any person making an application or a request for service under the regulations on behalf of any other person may be required at the discretion of the Director or Chief or the official in charge of the office of grading or other employee receiving the application or request under § 54.6.

§ 54.11 Denial or withdrawal of service.

(a) *For misconduct*—(1) *Bases for denial or withdrawal.* An application or a request for service may be rejected, or the benefits of the service may be otherwise denied to, or withdrawn from, any person who, or whose employee or agent in the scope of his employment or agency:

(v) Has knowingly uttered, published, or used as true any such falsely made, issued, altered, forged, or counterfeited certificate, memorandum, mark, identification, or device;

(vi) Has knowingly obtained or retained possession of any such falsely made, issued, altered, forged, or counterfeited certificate, memorandum, mark, identification, or device, or of any such official device, or of any prod-

(vii) Has applied the designation “Prime,” “Choice,” “Select,” “Good,” “Standard,” “Commercial,” “Utility,” “Cutter,” “Canner,” “Cull,” “Medium,” “No. 1,” “No. 2,” “No. 3,” “No. 4,” “Yield Grade 1,” “Yield Grade 2,” “Yield Grade 3,” “Yield Grade 4,” or “Yield Grade 5” by stamp, or brand directly on any carcass, wholesale cut, or retail cut of any carcass, as part of a grade designation;

(viii) Has applied to immediate containers or shipping containers of carcasses, wholesale cuts, or retail cuts, grade designations specified in paragraph (a)(1)(vii) of this section, when such carcasses, wholesale cuts, or retail cuts contained therein have not been federally graded;

(ix) Has knowingly used, moved, or otherwise altered, in any manner, meat or meat products identified by an official product control device, mark, or other identification as specified in § 54.17, or has removed such official device, mark, or identification from the meat or meat products so identified without the express permission of an authorized representative of the USDA; or

(x) Has in any manner not specified in this paragraph violated subsection 203(h) of the AMA: *Provided*, That paragraph (a)(1)(vi) of this section shall not be deemed to be violated if the person in possession of any item mentioned therein notifies the Director or Chief without such delay that he has possession of such item and, in the case of an official device, surrenders it to the Chief, and, in the case of any other item, surrenders it to the Director or Chief or destroys it or brings it into compliance with the regulations by obliterating or removing the violative features under supervision of the Director or Chief: *And provided further*, That paragraphs (a)(1) (ii) through (ix) of this section shall not be deemed to be violated by any act committed by any

An application or a request for service may be rejected or the benefits of the service may be otherwise denied to, or withdrawn from, any person who operates an establishment for which he has made application for service if, with the knowledge of such operator, any other person conducting any operations in such establishment has committed any of the offenses specified in paragraphs (a)(1) (i) through (x) of this section after such application was made. Moreover, an application or a request for service made in the name of a person otherwise eligible for service under the regulations may be rejected, or the benefits of the service may be otherwise denied to, or withdrawn from, such a person (A) in case the service is or would be performed at an establishment operated (1) by a corporation, partnership, or other person from whom the benefits of the service are currently being withheld under this paragraph, or (2) by a corporation, partnership, or other person having an officer, director, partner, or substantial investor from whom the benefits of the service are currently being withheld and who has any authority with respect to the establishment where service is or would be performed; or (B) in case the service is or would be performed with respect to any product in which any corporation, partnership, or other person within paragraph (a)(1)(x)(A)(1) of this section has a contract or other financial interest.

(b) *For miscellaneous reasons.* An application or a request for service may be rejected, or the benefits of the service may be otherwise denied to, or withdrawn from, any person, without a hearing by the official in charge of the appropriate office of grading, with the concurrence of the Director or Chief (1) for administrative reasons such as the

nonavailability of personnel to perform the service; (2) for the failure to pay for service; (3) in case the application or request relates to products which are not eligible for service under §54.5 or which are unclean or are in an unclean establishment; (4) for other noncompliance with the conditions on which service is available as provided in the regulations, except matters covered by paragraph (a) of this section; or (5) in case the person is a partnership, corporation, or other person from whom the benefits of the service are currently being withheld under paragraph (a) of this section. to all parts of establishments covered by approved applications for service under the regulations, for the purpose of examining all products in the establishments which have been or are to be graded or examined for compliance with specifications or which bear any marks of grade or compliance.

(b) Grading service will only be furnished for meat that a USDA grader determines is chilled so that grade factors are developed to the extent that a proper grade determination can be made in accordance with the official standards. To be eligible for grading, beef carcasses must be ribbed at least 10 minutes prior to being offered for grading. Meat that is presented in a frozen condition shall not be eligible for a grade determination. Meat of all eligible species shall be graded only in the establishment where the animal was slaughtered or initially chilled (except for veal and calf carcasses, which shall be graded only after the hide is removed and only in the establishment where such removal occurs). The Director may grant prior approval for grading at a location other than the establishment of slaughter or initial chill upon notification to the Division if the

Branch was unable to provide grading service in a timely manner and that the meat can be identified in conformance with the standards.

APPEAL SERVICE

§ 54.19 What is appeal service; marking products on appeal; requirements for appeal; certain determinations not appealable.

(a) Appeal service is a redetermination of the class, grade, other quality, or compliance of product when the applicant for the appeal service formally challenges the correctness of the original determination. Only a person who has title to, or is a party to a contract for the sale of, a product may request appeal service with respect to such product and if the original determination of class, grade, other quality or compliance is found on appeal to have been in error all incorrect marks of

class, grade, other quality and compliance will be removed from the product, and if the person having title to the product so requests, correct marks as determined on the appeal will be applied to the product. Examination requested to determine the class, grade, other quality, or compliance of a product which has been altered or has undergone a material change since the original service, or examination of product requested for the purpose of obtaining an up-to-date certificate and not involving any question as to the correctness of the original service for the product involved shall be considered equivalent to original service and not appeal service.

(b) Grade determinations cannot be appealed for any lot or product consisting of less than 10 similar units. Moreover, appeal service will not be furnished with respect to product that has been altered or has undergone any material change since the original service.

[42 FR 53921, Oct. 4, 1977, as amended at 45 FR 51762, Aug. 5, 1980. Redesignated at 46 FR 63203, Dec. 31, 1981]

§ 54.20 Request for appeal service.

Except as otherwise provided in § 54.19, a request for appeal service with respect to any product under the regulations may be made by any person who is financially interested in the product when he disagrees with the determination as to class, grade, other quality, or compliance of the product as shown by the markings on the product or its containers, or as stated in the applicable certificate. A request for appeal service shall be filed with the Chief, directly or through the official grader who performed the original service or the official in charge of the office of grading to which such grader was assigned at the time of the service, or through the nearest office of grading. The request shall state the reasons therefor and may be accompanied by a copy of any previous certificate or report, or any other information which the applicant may have received regarding the product at the time of the original service. Such request may be made orally (including by telephone) or in writing (including by telegram). If made orally, the person receiving the

§ 54.21

request may require that it be confirmed in writing. Requests for appeal service received through an official grader or an office of grading shall be transmitted promptly to the Chief for instructions.

§ 54.21 When request for appeal service may be withdrawn.

A request for appeal service may be withdrawn by the applicant at any time before the appeal service has been performed, upon payment of any expenses already incurred under the regulations by the Branch in connection therewith.

§ 54.22 Denial or withdrawal of appeal service.

A request for appeal service may be rejected or such service may be otherwise denied to or withdrawn from any person, without a hearing, in accordance with the procedure set forth in § 54.11(b), if it shall appear that the person or product involved is not eligible for appeal service under § 54.19, or that the identity of the product has been lost; or for any of the causes set forth in § 54.11(b). Appeal service may also be denied to, or withdrawn from, any person in any case under § 54.11(a), in accordance with the procedure set forth in said section.

§ 54.23 Who shall perform appeal service.

Appeal service for products shall be performed by official graders designated by the Chief or by the official in charge of an office of grading when so authorized by the Chief, and shall be conducted jointly by two official graders, or more when practicable. No official grader shall perform appeal service for any product for which he previously performed the service.

§ 54.24 Appeal certificates.

Immediately after appeal service has been performed for any products, a certificate designated as an "appeal certificate" shall be prepared, signed, and issued referring specifically to the original certificate and stating the class, grade, other quality, or compliance of the products as shown by the appeal service.

7 CFR Ch. I (1-1-18 Edition)

§ 54.25 Superseded certificates.

The appeal certificate shall supersede the original certificate which, thereupon, shall become null and void and shall not thereafter be deemed to show the class, grade, other quality, or compliance of the products described therein. However, the fees charged for the original service shall not be remitted. If the original and all copies of the superseded certificate are not delivered to the official with whom the request for appeal service is filed, the official graders issuing the appeal certificate shall forward notice of such issuance and of the cancellation of the original certificate to such persons as they may deem necessary to prevent fraudulent use of the superseded certificate.

§ 54.26 Application of other regulations to appeal service.

The regulations in §§ 54.1 through 54.18 and §§ 54.27 through 54.30 shall apply to appeal service except insofar as they are manifestly inapplicable.

CHARGES FOR SERVICE

§ 54.27 Fees and other charges for service.

(a) Fees and other charges equal as nearly as may be to the cost of the services rendered shall be assessed and collected from applicants in accordance with the following provisions unless otherwise provided in the cooperative agreement under which the services are furnished, or as provided in § 54.6. For each calendar year, AMS will calculate the rate for inspection, grading, or certification services, per hour per program employee using the following formulas:

(1) *Regular rate.* The total AMS grading, inspection, or certification program personnel direct pay divided by direct hours, which is then multiplied by the next year's percentage of cost of living increase, plus the benefits rate, plus the operating rate, plus the allowance for bad debt rate. If applicable, travel expenses may also be added to the cost of providing the service.

(2) *Overtime rate.* The total AMS grading, inspection, or certification program personnel direct pay divided by direct hours, which is then multiplied by the next year's percentage of cost of

living increase and then multiplied by 1.5 plus the benefits rate, plus the operating rate, plus an allowance for bad debt. If applicable, travel expenses may also be added to the cost of providing the service.

(3) *Holiday rate.* The total AMS grading, inspection, or certification program personnel direct pay divided by direct hours which is then multiplied by the next year's percentage of cost of living increase and then multiplied by 2, plus benefits rate, plus the operating rate, plus an allowance for bad debt. If applicable, travel expenses may also be added to the cost of providing the service.

(b)(1) For each calendar year, based on previous fiscal year/historical actual costs, AMS will calculate the benefits, operating, and allowance for bad debt components of the regular, overtime and holiday rates as follows:

(i) *Benefits rate.* The total AMS grading, inspection, or certification program direct benefits costs divided by the total hours (regular, overtime, and holiday) worked, which is then multiplied by the next calendar year's percentage cost of living increase. Some examples of direct benefits are health insurance, retirement, life insurance, and Thrift Savings Plan (TSP) retirement basic and matching contributions.

(ii) *Operating rate.* The total AMS grading, inspection, or certification program operating costs divided by total hours (regular, overtime, and holiday) worked, which is then multiplied by the percentage of inflation.

(iii) *Allowance for bad debt rate.* Total AMS grading, inspection, or certification program allowance for bad debt divided by total hours (regular, overtime, and holiday) worked.

(2) The calendar year cost of living expenses and percentage of inflation factors used in the formulas in this section are based on the most recent Office of Management and Budget's Presidential Economic Assumptions.

(c) *Fees for service on commitment basis.* Minimum fees for service performed under a commitment agreement or an agreement by memorandum shall be on the basis of 8 hours per day, Monday through Friday, excluding Federal legal holidays occurring Mon-

day through Friday on which no grading and certification services are performed. Fees will be based on the formulas in this section. The Agency reserves the right under such a commitment agreement or agreement by memorandum to use any grader assigned to the plant on a commitment basis to perform service for other applicants, as provided in §54.6(c), crediting the commitment applicant with the number of hours charged to the other applicant, provided the allowable credit hours plus hours actually worked for the applicants do not exceed 8 hours on any day, Monday through Friday, excluding legal holidays.

(d) *Fees for appeal service.* Fees for appeal service shall be determined on the basis of the time of two official graders required to render the service, including the time required for the preparation of certificates and travel of such graders in connection with the performance of the service. *Provided*, that when on appeal it is found that there was error in the original determination equal to or exceeding ten percent of the total number of similar units of the products involved, no charge will be made for the appeal service unless a special agreement therefor was made with the applicant in advance.

(e) *Fees for extra copies of certificates.* In addition to copies of certificates furnished under §54.14, any financially interested person may obtain not to exceed three copies of any such certificate within one year from its date of issuance upon payment of a fee, and not to exceed three copies of any such certificate at any time thereafter, while a copy of such certificate is on file in the Department. The fee for copies of certificates will be determined using the formulas in this section.

[79 FR 67321, Nov. 13, 2014]

§ 54.28 Payment of fees and other charges.

Fees and other charges for service shall be paid in accordance with the following provisions unless otherwise provided in the cooperative agreement under which the service is furnished. Upon receipt of billing for fees and other charges for service the applicant shall remit by check, draft, or money

§ 54.29

order, made payable to the Agricultural Marketing Service, USDA, payment for the service in accordance with directions on the billing, and such fees and charges shall be paid in advance if required by the official grader or other authorized official.

MISCELLANEOUS

§ 54.29 Identification.

All official graders and supervisors of grading shall have their Agricultural Marketing Service identification cards in their possession at all times while they are performing any function under the regulations and shall identify themselves by such cards upon request.

§ 54.30 Errors in service.

When an official grader, supervisor of grading, or other responsible employee of the Branch has evidence of misgrading, or of incorrect certification or other incorrect determination or identification as to the class, grade, other quality, or compliance of a product, he shall report the matter to his immediate supervisor. The supervisor of grading will investigate the matter and, if he deems advisable, will report it to the owner or his agent. The supervisor of grading shall take appropriate action to correct errors found in the determination or identification of class, grade or other quality or compliance of products if the products are still owned by the person who owned them when, and are still located at the establishment where, the incorrect service was rendered and if such service was rendered by a grader under the jurisdiction of such supervisor, and the supervisor of grading shall take adequate measures to prevent the recurrence of such errors.

§ 54.31 Uniforms.

All meat graders and their supervisory personnel are required to wear clean, white, well-maintained outer frocks while performing any function under these regulations involving contact with or the handling of any meat or meat product.

(a) Appeal service is a re-evaluation of the compliance of a piece of equipment, portion of a piece of equipment, or utensil to design or fabrication criteria according to the standards prescribed by this subpart.

(b) Only the original applicant or their representative may request appeal service requesting a reevaluation of the original determination of the design and fabrication of the equipment or utensil for compliance with the standards specified in this subpart.

(c) Appeal service will not be furnished for:

(1) A piece of equipment, portion of a piece of equipment, or utensil which has been altered or has undergone a material change since the original service.

§ 54.1021 Request for appeal service.

(a) Except as otherwise provided in § 54.1020, an applicant or their representative may request appeal service when the applicant or their representative disagree with the determination as to compliance with the standard of the piece of equipment, portion of a piece of equipment, or utensil as documented in the applicable report.

(b) A request for appeal service shall be filed with the Chief, directly or through the design review specialist who performed the original service. The request shall state the reasons for the disagreement with the original determination and may be accompanied by a copy of any previous certificate or report, or any other information which the applicant may have received regarding the piece of equipment, portion of a piece of equipment, or utensil at the time of the original service. Such request may be made orally (including by telephone) or in writing (including by facsimile transmission). If made orally, the Dairy Grading Branch em-

§ 54.1023 Denial or withdrawal of appeal service.

A request for appeal service may be rejected or such service may be otherwise denied to or withdrawn from any person in accordance with the procedure set forth in § 54.1013(a), if it appears that the person or product involved is not eligible for appeal service under § 54.1020, or that the identity of the piece of equipment, portion of a piece of equipment, or utensil has been lost; or for any of the causes set forth in § 54.1032.

§ 54.1024 Who shall perform appeal service.

Appeal service for equipment or utensils shall be performed by the Chief or a design review specialist designated by the Chief. When a design review specialist, supervisor, or other responsible employee of the Branch has evidence of inaccurate evaluation, or of incorrect certification or other incorrect determination or identification as to the compliance of a piece of equipment or

utensil, such person shall report the matter to the Chief. The Chief will investigate the matter and, if deemed advisable, will report any material errors to the owner or the owner's agent. The Chief shall take appropriate action to correct errors found in the determination of compliance of equipment or utensils, and the Chief shall take adequate measures to prevent the recurrence of such errors.
