§ 9007.1 Audits.

(a) *General.* (1) After each Presidential election, the Commission will conduct a thorough examination and audit of the receipts, disbursements, debts and obligations of each candidate, his or her authorized committee(s), and agents of such candidates or committees. Such examination and audit will include, but will not be limited to, expenditures pursuant to 11 CFR 9003.4 prior to the beginning of the expenditure report period, contributions to and expenditures made from the legal and accounting compliance fund established under 11 CFR 9003.3(a), contributions received to supplement any payments received from the Fund, and qualified campaign expenses.

(2) In addition, the Commission may conduct other examinations and audits from time to time as it deems necessary to carry out the provisions of this subchapter.

(3) Information obtained pursuant to any audit and examination conducted under 11 CFR 9007.1(a) (1) and (2) may be used by the Commission as the basis, or partial basis, for its repayment determinations under 11 CFR 9007.2.

(b) *Conduct of fieldwork.* (1) If the candidate or the candidate's authorized

§ 9007.1

11 CFR Ch. I (1–1–19 Edition)

committee does not maintain or use any computerized information containing the data listed in 11 CFR 9003.6, the Commission will give the candidate's authorized committee at least two weeks' notice of the Commission's intention to commence fieldwork on the audit and examination. The fieldwork shall be conducted at a site provided by the committee. If the candidate or the candidate's authorized committee maintains or uses computerized information containing any of the data listed in 11 CFR 9003.6, the Commission generally will request such information prior to commencement of audit fieldwork. Such request will be made in writing. The committee shall produce the computerized information no later than 15 calendar days after service of such request. Upon receipt of the computerized information requested and compliance with the technical specifications of 11 CFR 9003.6(b), the Commission will give the candidate's authorized committee at least two weeks' notice of the Commission's intention to commence fieldwork on the audit and examination. The fieldwork shall be conducted at a site provided by the committee. During or after audit fieldwork, the Commission may request additional or updated computerized information which expands the coverage dates of computerized information previously provided, and which may be used for purposes including, but not limited to, updating a statement of net outstanding qualified campaign expenses. During or after audit fieldwork, the Commission may also request additional computerized information which was created by or becomes available to the committee that is of assistance in the Commission's audit. The committee shall produce the additional or updated computerized information no later than 15 calendar days after service of the Commission's request.

(i) *Office space and records.* On the date scheduled for the commencement of fieldwork, the candidate or his or her authorized committee(s) shall provide Commission staff with office space and committee records in accordance with the candidate and committee agreement under 11 CFR 9003.1(b)(6).

(ii) *Availability of committee personnel.* On the date scheduled for the commencement of fieldwork, the candidate or his or her authorized committee(s) shall have committee personnel present at the site of the fieldwork. Such personnel shall be familiar with the committee's records and operation and shall be available to Commission staff to answer questions and to aid in locating records.

(iii) *Failure to provide staff, records or office space.* If the candidate or his or her authorized committee(s) fail to provide adequate office space, personnel or committee records, the Commission may seek judicial intervention under 52 U.S.C. 30107 or 26 U.S.C. 9010(c) to enforce the candidate and committee agreement made under 11 CFR 9003.1(b). Before seeking judicial intervention, the Commission will notify the candidate of his or her failure to comply with the agreement and will recommend corrective action to bring the candidate into compliance. Upon receipt of the Commission's notification, the candidate will have ten (10) calendar days in which to take the corrective action indicated or to otherwise demonstrate to the Commission in writing that he or she is complying with the candidate and committee agreements.

(iv) If, in the course of the audit process, a dispute arises over the documentation sought or other requirements of the candidate agreement, the candidate may seek review by the Commission of the issues raised. To seek review, the candidate shall submit a written statement within 10 days after the disputed Commission staff request is made, describing the dispute and indicating the candidate's proposed alternative(s).

(v) If the candidate or his or her authorized committee fails to produce particular records, materials, evidence or other information requested by the Commission, the Commission may issue an order pursuant to 52 U.S.C. 30107(a)(1) or a subpoena or subpoena duces tecum pursuant to 52 U.S.C. 30107(a)(3). The procedures set forth in 11 CFR 111.11 through 111.15, as appropriate, shall apply to the production of such records, materials, evidence or other information as specified in the

Federal Election Commission

§ 9007.1

order, subpoena or subpoena duces tecum.

(2) Fieldwork will include the following steps designed to keep the candidate and committee informed as to the progress of the audit and to expedite the process:

(i) *Entrance conference.* At the outset of the fieldwork, Commission staff will hold an entrance conference, at which the candidate's representatives will be advised of the purpose of the audit and the general procedures to be followed. Future requirements of the candidate and his or her authorized committee, such as possible repayments to the United States Treasury, will also be discussed. Committee representatives shall provide information and records necessary to conduct the audit, and Commission staff will be available to answer committee questions.

(ii) *Review of records.* During the fieldwork, Commission staff will review committee records and may conduct interviews of committee personnel. Commission staff will be available to explain aspects of the audit and examination as it progresses. Additional meetings between Commission staff and committee personnel may be held from time to time during the fieldwork to discuss possible audit findings and to resolve issues arising during the course of the audit.

(iii) *Exit conference.* At the conclusion of the fieldwork, Commission staff will hold an exit conference to discuss with committee representatives the staff's preliminary findings and recommendations that the staff anticipates it will present to the Commission for approval. Commission staff will advise committee representatives at this conference of the committee's opportunity to respond to these preliminary findings; the projected timetables regarding the issuance of the Preliminary Audit Report, the Audit Report, and any repayment determination; the committee's opportunity for an administrative review of any repayment determination; and the procedures involved in Commission repayment determinations under 11 CFR 9007.2.

(3) Commission staff may conduct additional fieldwork after the completion of the fieldwork conducted pursuant to 11 CFR 9007.1(b) (1) and (2). Factors

that may necessitate such follow-up fieldwork include, but are not limited to, the following:

(i) Committee response to audit findings;

(ii) Financial activity of the committee subsequent to the fieldwork conducted pursuant to 11 CFR 9007.1(b)(1);

(iii) Committee responses to Commission repayment determinations made under 11 CFR 9007.2.

(4) The Commission will notify the candidate and his or her authorized committee if follow-up fieldwork is necessary. The provisions of 11 CFR 9007.1(b) (1) and (2) will apply to any additional fieldwork conducted.

(c) *Preliminary Audit Report: Issuance by Commission and committee response.*

(1) Commission staff will prepare a written Preliminary Audit Report, which will be provided to the committee after it is approved by an affirmative vote of four (4) members of the Commission. The Preliminary Audit Report may include—

(i) An evaluation of procedures and systems employed by the candidate and committee to comply with applicable provisions of the Federal Election Campaign Act, the Presidential Election Campaign Fund Act and Commission regulations;

(ii) The accuracy of statements and reports filed with the Commission by the candidate and committee; and

(iii) Preliminary calculations regarding future repayments to the United States Treasury.

(2) The candidate and his or her authorized committee may submit in writing within 60 calendar days after receipt of the Preliminary Audit Report, legal and factual materials disputing or commenting on the proposed findings contained in the Preliminary Audit Report. In addition, the committee shall submit any additional documentation requested by the Commission. Such materials may be submitted by counsel if the candidate so desires.

(d) *Approval and issuance of the audit report.* (1) Before voting on whether to approve and issue an audit report, the Commission will consider any written legal and factual materials timely submitted by the candidate or his or her

§ 9007.2

11 CFR Ch. I (1–19 Edition)

authorized committee in accordance with paragraph (c) of this section. The Commission-approved audit report may address issues other than those contained in the Preliminary Audit Report. In addition, this report will contain a repayment determination made by the Commission pursuant to 11 CFR 9007.2(c)(1).

(2) The audit report may contain issues that warrant referral to the Office of General Counsel for possible enforcement proceedings under 52 U.S.C. 30109 and 11 CFR part 111.

(3) Addenda to the audit report may be approved and issued by the Commission from time to time as circumstances warrant and as additional information becomes available. Such addenda may be based on follow-up fieldwork conducted under paragraph (b)(3) of this section, and/or information ascertained by the Commission in the normal course of carrying out its supervisory responsibilities. The procedures set forth in paragraphs (c) and (d) (1) and (2) of this section will be followed in preparing such addenda. The addenda will be placed on the public record as set forth in paragraph (e) of this section. Such addenda may also include additional repayment determination(s).

(e) *Public release of audit report.* (1) The Commission will consider the audit report in an open session agenda document. The Commission will provide the candidate and the committee with copies of any agenda document to be considered in an open session 24 hours prior to releasing the agenda document to the public.

(2) Following Commission approval of the audit report, the report will be forwarded to the committee and released to the public. The Commission will provide the candidate and committee with copies of the audit report approved by the Commission 24 hours before releasing the report to the public.

(f)(1) *Sampling.* In conducting an audit of contributions pursuant to this section, the Commission may utilize generally accepted statistical sampling techniques to quantify, in whole or in part, the dollar value of related audit findings. A projection of the total amount of violations based on apparent violations identified in such a sample

may become the basis, in whole or in part, of any audit finding.

(2) A committee in responding to a sample-based finding shall respond only to the specific sample items used to make the projection. If the committee demonstrates that any apparent errors found among the sample items were not errors, the Commission shall make a new projection based on the reduced number of errors in the sample.

(3) Within 30 days of service of the Final Audit Report, the committee shall submit a check to the United States Treasury for the total amount of any excessive or prohibited contributions not refunded, reattributed or redesignated in a timely manner in accordance with 11 CFR 103.3(b) (1), (2) or (3); or take any other action required by the Commission with respect to sample-based findings.

§ 9007.2 Repayments.

(a) *General.* (1) A candidate who has received payments from the Fund under 11 CFR part 9005 shall pay the United States Treasury any amounts which the Commission determines to be repayable under this section. In making repayment determinations under this section, the Commission may utilize information obtained from audits and examinations conducted pursuant to 11 CFR 9007.1 or otherwise obtained by the Commission in carrying out its responsibilities under this subchapter.

(2) The Commission will notify the candidate of any repayment determinations made under this section as soon as possible, but not later than 3 years after the day of the presidential election. The Commission's issuance of the audit report to the candidate under 11 CFR 9007.1(d) will constitute notification for purposes of this section.

(3) Once the candidate receives notice of the Commission's repayment determination under this section, the candidate should give preference to the repayment over all other outstanding obligations of his or her committee, except for any federal taxes owed by the committee.

Federal Election Commission

§ 9007.2

(4) Repayments may be made only from the following sources: personal funds of the candidate (without regard to the limitations of 11 CFR 9003.2(c)), contributions and federal funds in the committee's account(s), and any additional funds raised subject to the limitations and prohibitions of the Federal Election Campaign Act of 1971, as amended.

(b) *Bases for repayment.* The Commission may determine that an eligible candidate of a political party who has received payments from the Fund must repay the United States Treasury under any of the circumstances described below.

(1) *Payments in excess of candidate's entitlement.* If the Commission determines that any portion of the payments made to the candidate was in excess of the aggregate payments to which such candidate was entitled, it will so notify the candidate, and such candidate shall pay to the United States Treasury an amount equal to such portion.

(2) *Use of funds for non-qualified campaign expenses.* (i) If the Commission determines that any amount of any payment to an eligible candidate from the Fund was used for purposes other than those described in paragraphs (b)(2)(i) (A) through (C) of this section, it will notify the candidate of the amount so used, and such candidate shall pay to the United States Treasury an amount equal to such amount.

(A) To defray qualified campaign expenses;

(B) To repay loans, the proceeds of which were used to defray qualified campaign expenses; and

(C) To restore funds (other than contributions which were received and expended by minor or new party candidates to defray qualified campaign expenses) which were used to defray qualified campaign expenses.

(ii) Examples of Commission repayment determinations under 11 CFR 9007.2(b)(2) include, but are not limited to the following:

(A) Determinations that a candidate, a candidate's authorized committee(s) or agent(s) have incurred expenses in excess of the aggregate payments to which an eligible major party candidate is entitled;

(B) Determinations that amounts spent by a candidate, a candidate's authorized committee(s) or agent(s) from the Fund were not documented in accordance with 11 CFR 9003.5;

(C) Determinations that any portion of the payments made to a candidate from the Fund was expended in violation of State or Federal law; and

(D) Determinations that any portion of the payments made to a candidate from the Fund was used to defray expenses resulting from a violation of State or Federal law, such as the payment of fines or penalties.

(iii) In the case of a candidate who has received contributions pursuant to 11 CFR 9003.3 (b) or (c), the amount of any repayment sought under this section shall bear the same ratio to the total amount determined to have been used for non-qualified campaign expenses as the amount of payments certified to the candidate from the Fund bears to the total deposits, as of December 31 of the Presidential election year. For purposes of this section, total deposits means all deposits to all candidate accounts minus transfers between accounts, refunds, rebates, reimbursements, checks returned for insufficient funds, proceeds of loans and other similar amounts.

(3) *Surplus.* If the Commission determines that a portion of payments from the Fund remains unspent after all qualified campaign expenses have been paid, it shall so notify the candidate, and such candidate shall pay the United States Treasury that portion of surplus funds.

(4) *Income on investment or other use of payments from the Fund.* If the Commission determines that a candidate received any income as a result of an investment or other use of payments from the fund pursuant to 11 CFR 9004.5, it shall so notify the candidate, and such candidate shall pay to the United States Treasury an amount equal to the amount determined to be income, less any Federal, State or local taxes on such income.

(5) *Unlawful acceptance of contributions by an eligible candidate of a major party.* If the Commission determines that an eligible candidate of a major

party, the candidate's authorized committee(s) or agent(s) accepted contributions to defray qualified campaign expenses (other than contributions to make up deficiencies in payments from the Fund, or to defray expenses incurred for legal and accounting services in accordance with 11 CFR 9003.3(a)), it shall notify the candidate of the amount of contributions so accepted, and the candidate shall pay to the United States Treasury an amount equal to such amount.

(c) *Repayment determination procedures.* The Commission's repayment determination will be made in accordance with the procedures set forth at paragraphs (c)(1) through (c)(4) of this section.

(1) *Repayment determination.* The Commission will provide the candidate with a written notice of its repayment determination(s). This notice will be included in the Commission's audit report prepared pursuant to 11 CFR 9007.1(d) and will set forth the legal and factual reasons for such determination(s), as well as the evidence upon which any such determination is based. The candidate shall repay to the United States Treasury in accordance with paragraph (d) of this section, the amount which the Commission has determined to be repayable.

(2) *Administrative review of repayment determination.* If a candidate disputes the Commission's repayment determination(s), he or she may request an administrative review of the determination(s) as set forth in paragraph (c)(2)(i) of this section.

(i) *Submission of written materials.* A candidate who disputes the Commission's repayment determination(s) shall submit in writing, within 60 calendar days after service of the Commission's notice, legal and factual materials demonstrating that no repayment, or a lesser repayment, is required. Such materials may be submitted by counsel if the candidate so desires. The candidate's failure to timely raise an issue in written materials presented pursuant to this paragraph will be deemed a waiver of the candidate's right to raise the issue at any future stage of proceedings including any petition for review filed under 26 U.S.C. 9011(a).

(ii) *Oral hearing.* A candidate who submits written materials pursuant to paragraph (c)(2)(i) of this section may at the same time request in writing that the Commission provide such candidate with an opportunity to address the Commission in open session to demonstrate that no repayment, or a lesser repayment, is required. The candidate should identify in this request the repayment issues he or she wants to address at the oral hearing. If the Commission decides by an affirmative vote of four (4) of its members to grant the candidate's request, it will inform the candidate of the date and time set for the oral hearing. At the date and time set by the Commission, the candidate or candidate's designated representative will be allotted an amount of time in which to make an oral presentation to the Commission based upon the legal and factual materials submitted under paragraph (c)(2)(ii) of this section. The candidate or representative will also have the opportunity to answer any questions from individual members of the Commission.

(3) *Repayment determination upon review.* In deciding whether to revise any repayment determination(s) following an administrative review pursuant to paragraph (c)(2) of this section, the Commission will consider any submission made under paragraph (c)(2)(i) of this section and any oral hearing conducted under paragraph (c)(2)(ii) of this section, and may also consider any new or additional information from other sources. A determination following an administrative review that a candidate must repay a certain amount will be accompanied by a written statement of reasons supporting the Commission's determination(s). This statement will explain the legal and factual reasons underlying the Commission's determination(s) and will summarize the results of any investigation(s) upon which the determination(s) are based.

(d) *Repayment period.* (1) Within 90 calendar days of service of the notice of the Commission's repayment determination(s), the candidate shall repay to the United States Treasury the amounts which the Commission has determined to be repayable. Upon application by the candidate, the Commission may grant an extension of up to 90

Federal Election Commission

§ 9007.3

calendar days in which to make repayment.

(2) If the candidate requests an administrative review of the Commission's repayment determination(s) under paragraph (c)(2) of this section, the time for repayment will be suspended until the Commission has concluded its administrative review of the repayment determination(s). Within 30 calendar days after service of the notice of the Commission's post-administrative review repayment determination(s), the candidate shall repay to the United States Treasury the amounts which the Commission has determined to be repayable. Upon application by the candidate, the Commission may grant an extension of up to 90 calendar days in which to make repayment.

(3) Interest shall be assessed on all repayments made after the initial 90-day repayment period established at paragraph (d)(1) of this section or the 30-day repayment period established at paragraph (d)(2) of this section. The amount of interest due shall be the greater of:

(i) An amount calculated in accordance with 28 U.S.C. 1961 (a) and (b); or

(ii) The amount actually earned on the funds set aside or to be repaid under this section.

(e) *Computation of time.* The time periods established by this section shall be computed in accordance with 11 CFR 111.2.

(f) *Additional repayments.* Nothing in this section will prevent the Commission from making additional repayment determinations on one or more of the bases set forth at 11 CFR 9007.2(b) after it has made a repayment determination on any such basis. The Commission may make additional repayment determinations where there exist facts not used as the basis for any previous determination. Any such additional repayment determination will be made in accordance with the provisions of this section.

(g) *Newly-discovered assets.* If, after any repayment determination made under this section, a candidate or his or her authorized committee(s) receives or becomes aware of assets not previously included in any statement of net outstanding qualified campaign

expenses submitted pursuant to 11 CFR 9004.9, the candidate or his or her authorized committee(s) shall promptly notify the Commission of such newly-discovered assets. Newly-discovered assets may include refunds, rebates, late-arriving receivables, and actual receipts for capital assets in excess of the value specified in any previously-submitted statement of net outstanding qualified campaign expenses. Newly-discovered assets may serve as a basis for additional repayment determinations under 11 CFR 9007.2(f).

(h) *Limit on repayment.* No repayment shall be required from the eligible candidates of a political party under 11 CFR 9007.2 to the extent that such repayment, when added to other repayments required from such candidates under 11 CFR 9007.2, exceeds the amount of payments received by such candidates under 11 CFR 9005.2.

(i) *Petitions for rehearing; stays pending appeal.* The candidate may file a petition for rehearing of a repayment determination in accordance with 11 CFR 9007.5(a). The candidate may request a stay of a repayment determination in accordance with 11 CFR 9007.5(c) pending the candidate's appeal of that repayment determination.

[56 FR 35924, July 29, 1991, as amended at 60 FR 31878, June 16, 1995]

§ 9007.3 Extensions of time.

(a) It is the policy of the Commission that extensions of time under 11 CFR part 9007 will not be routinely granted.

(b) Whenever a candidate has a right or is required to take action within a period of time prescribed by 11 CFR part 9007 or by notice given thereunder, the candidate may apply in writing to the Commission for an extension of time in which to exercise such right or take such action. The candidate shall demonstrate in the application for extension that good cause exists for his or her request.

(c) An application for extension of time shall be made at least 7 calendar days prior to the expiration of the time period for which the extension is sought. The Commission may, upon a showing of good cause, grant an extension of time to a candidate who has applied for such extension in a timely

§ 9007.4

manner. The length of time of any extension granted hereunder shall be decided by the Commission and may be less than the amount of time sought by the candidate in his or her application. If a candidate seeks an extension of any 60-day response period under 11 CFR part 9007, the Commission may grant no more than one extension to that candidate, which extension shall not exceed 15 days.

(d) If a candidate fails to seek an extension of time, exercise a right or take a required action prior to the expiration of a time period prescribed by 11 CFR part 9007, the Commission may, on the candidate's showing of excusable neglect:

(1) Permit such candidate to exercise his or her right(s), or take such required action(s) after the expiration of the prescribed time period; and

(2) Take into consideration any information obtained in connection with the exercise of any such right or taking of any such action before making decisions or determinations under 11 CFR part 9007.

[56 FR 35924, July 29, 1991, as amended at 60 FR 31880, June 16, 1995]

§ 9007.4 Additional audits.

In accordance with 11 CFR 104.16(c), the Commission, pursuant to 11 CFR 111.10, may upon affirmative vote of four members conduct an audit and field investigation of any committee in any case in which the Commission finds reason to believe that a violation of a statute or regulation over which the Commission has jurisdiction has occurred or is about to occur.

§ 9007.5 Petitions for rehearing; stays of repayment determinations.

(a) *Petitions for rehearing.* (1) Following the Commission's repayment determination or a final determination that a candidate is not entitled to all or a portion of post-election funding under 11 CFR 9004.9(f), the candidate may file a petition for rehearing setting forth the relief desired and the legal and factual basis in support. To be considered by the Commission, petitions for rehearing must:

(i) Be filed within 20 calendar days following service of the Commission's

11 CFR Ch. I (1-1-19 Edition)

repayment determination or final determination;

(ii) Raise new questions of law or fact that would materially alter the Commission's repayment determination or final determination; and

(iii) Set forth clear and convincing grounds why such questions were not and could not have been presented during the original determination process.

(2) If a candidate files a timely petition under this section challenging a Commission repayment determination, the time for repayment will be suspended until the Commission serves notice on the candidate of its determination on the petition. The time periods for making repayment under 11 CFR 9007.2(d) shall apply to any amounts determined to be repayable following the Commission's consideration of a petition for rehearing under this section.

(b) *Effect of failure to raise issues.* The candidate's failure to raise an argument in a timely fashion during the original determination process or in a petition for rehearing under this section, as appropriate, shall be deemed a waiver of the candidate's right to present such arguments in any future stage of proceedings including any petition for review filed under 26 U.S.C. 9011(a). An issue is not timely raised in a petition for rehearing if it could have been raised earlier in response to the Commission's original determination.

(c) *Stay of repayment determination pending appeal.* (1)(i) The candidate may apply to the Commission for a stay of all or a portion of the amount determined to be repayable under this section or under 11 CFR 9007.2 pending the candidate's appeal of that repayment determination pursuant to 26 U.S.C. 9011(a). The repayment amount requested to be stayed shall not exceed the amount at issue on appeal.

(ii) A request for a stay shall be made in writing and shall be filed within 30 calendar days after service of the Commission's decision on a petition for rehearing under paragraph (a) of this section or, if no petition for rehearing is filed, within 30 calendar days after service of the Commission's repayment determination under 11 CFR 9007.2(c).

(2) The Commission's approval of a stay request will be conditioned upon

Federal Election Commission

§ 9007.7

the candidate's presentation of evidence in the stay request that he or she:

(i) Has placed the entire amount at issue in a separate interest-bearing account pending the outcome of the appeal and that withdrawals from the account may only be made with the joint signatures of the candidate or his or her agent and a Commission representative; or

(ii) Has posted a surety bond guaranteeing payment of the entire amount at issue plus interest; or

(iii) Has met the following criteria:

(A) He or she will suffer irreparable injury in the absence of a stay; and, if so, that

(B) He or she has made a strong showing of the likelihood of success on the merits of the judicial action.

(C) Such relief is consistent with the public interest; and

(D) No other party interested in the proceedings would be substantially harmed by the stay.

(3) In determining whether the candidate has made a strong showing of the likelihood of success on the merits under paragraph (c)(2)(iii)(B) of this section, the Commission may consider whether the issue on appeal presents a novel or admittedly difficult legal question and whether the equities of the case suggest that the status quo should be maintained.

(4) All stays shall require the payment of interest on the amount at issue. The amount of interest due shall be calculated from the date 30 days after service of the Commission's repayment determination under 11 CFR 9007.2(c)(4) and shall be the greater of:

(i) An amount calculated in accordance with 28 U.S.C. 1961 (a) and (b); or

(ii) The amount actually earned on the funds set aside under this section.

[56 FR 35924, July 29, 1991, as amended at 60 FR 31880, June 16, 1995]

§ 9007.6 Stale-dated committee checks.

If the committee has checks outstanding to creditors or contributors that have not been cashed, the committee shall notify the Commission. The committee shall inform the Commission of its efforts to locate the payees, if such efforts have been necessary, and its efforts to encourage the payees
