

§ 3286.109

which HUD administers the installation program may perform installation work on the home that is in accordance with paragraph (a) of this section, provided that the work is certified in accordance with § 3286.111.

(e) *Compliance with construction and safety standards.* This rule does not alter or affect the requirements of the Act concerning compliance with the construction and safety standards, and the implementing regulations in parts 3280 and 3282 of this chapter, which apply regardless of where the work is completed.

§ 3286.109 Inspection requirements—generally.

The installer or the retailer must arrange for the inspection of the installation work on any manufactured home that is sited in a state without a qualifying installation program. Before the home can be occupied, the installer must certify, and the inspector must verify, the home as having been installed in conformance with the requirements of § 3286.107(a). The requirements for installer certification are set out in subpart E of this part.

§ 3286.111 Installer certification of installation.

(a) *Certification required.* When the installation work is complete, a licensed installer must visit the jobsite and certify that:

(1) The manufactured home has been installed in accordance with:

(i) An installation design and instructions that have been provided by the manufacturer and approved by the Secretary directly or through review by the DAPIA; or

(ii) An installation design and instructions that have been prepared and certified by a professional engineer or registered architect, that have been approved by the manufacturer and the DAPIA as providing a level of protection for residents of the home that equals or exceeds the protection provided by the federal installation standards in part 3285 of this chapter.

(2) The installation of the home has been inspected as required by § 3286.503 and an inspector has verified the installation as meeting the requirements of this part.

24 CFR Ch. XX (4-1-19 Edition)

(3) All installation defects brought to the installer's attention have been corrected.

(b) *Recipients of certification.* The installer must provide a signed copy of its certification to the retailer that contracted with the purchaser or lessee for the sale or lease of the home, and to the purchaser or other person with whom the installer contracted for the installation work.

§ 3286.113 Information provided by retailer.

(a) *Tracking information.* Within 30 days from the time a purchaser or lessee enters into a contract to purchase or lease a manufactured home, the retailer or distributor of the home must provide HUD with the following information:

(1) The home's serial number and manufacturer's certification label number;

(2) The name and address of the retailer or distributor that is selling or leasing the home;

(3) The state and address where the home is to be sited, and, if known, the name of the local jurisdiction; and

(4) The name of the purchaser or lessee.

(b) *Installation information.* Within 30 days from the date of installation, the retailer or distributor of the home must provide HUD with the following information:

(1) The name, address, telephone number, and license number of the licensed installer;

(2) The date of installer certification of completion of the installation;

(3) The date a qualified inspector verified the installation as being in compliance with the requirements of this part; and

(4) The name, address, and telephone number of the qualified inspector who performed the inspection of the installation as required by § 3286.109.

(c) *Method of providing information.* (1) The retailer or distributor must provide a copy of the information set forth in paragraphs (a) and (b) of this section to HUD by providing a copy of the information to HUD by facsimile, e-mail, or first-class or overnight delivery.

(2) The information must be sent to: Administrator, Office of Manufactured
