For purposes of a transaction request affecting ownership and/or payment instructions with respect to a debenture announced for call, a proper request must be received not less than twenty (20) calendar days preceding the next payment date. If the twentieth day preceding a payment date falls on a Saturday, Sunday, or a Federal holiday, the last day set for the receipt of a transaction request will be the last business day preceding that date. If a transaction request is received less than twenty (20) calendar days preceding a payment date, the Department may, in its discretion, act on such request if sufficient time remains for processing. If a transaction request is received too late for completion of the requested transaction, principal and final interest on the called debentures will be paid to the owner of record and sent to the payment address of record.

(d) *Payments.* (See § 357.26 of this chapter.) Direct deposit (electronic funds transfer) payments with respect to debentures, e.g., principal, interest and cash adjustments, will be made without prenotification messages.

§ 337.13 Payment of mortgage insurance premiums.

When book-entry debentures are being purchased prior to maturity to pay for mortgage insurance premiums, the difference between the amount of the debentures purchased and the mortgage insurance premiums shall be issued to the owner in the form of a book-entry debenture in the exact amount of such difference, provided it is one dollar (\$1.00) or more.
