

**§ 890.1301 Purpose.**

The purpose of this subpart is to implement section 721 of the National Defense Authorization Act for 1999, Public Law 105-261. This section amended chapter 55 of title 10, United States Code, and chapter 89 of title 5, United States Code, to establish a demonstration project under which certain Medicare and other eligible Department of Defense (DoD) beneficiaries can enroll in health benefit plans offered under the Federal Employees Health Benefits (FEHB) Program in certain geographic areas. The legislation was signed into law on October 17, 1998. The demonstration project will run for a period of three years. The legislation requires the Office of Personnel Management (OPM) and DoD to jointly produce and submit two reports to Congress designed to assess the viability of expanding access to the FEHB Program to certain Medicare and other eligible DoD beneficiaries permanently. OPM is authorizing certain differences from regular FEHB Program practices in order to ensure the successful implementation of the demonstration project. This regulation authorizes those differences.

**§ 890.1302 Duration.**

The demonstration project will run from January 1, 2000, through December 31, 2002.

**§ 890.1303 Eligibility.**

(a) To enroll in the demonstration project, an individual must live within one of the demonstration areas and meet the definition of an eligible beneficiary in 10 U.S.C. 1108(b). An eligible beneficiary under this subpart is—

(1) A member or former member of the uniformed services described in section 1074(b) of title 10, United States Code, who is entitled to hospital insurance benefits under part A of title XVIII of the Social Security Act (42 U.S.C. 1395c *et seq.*);

(2) An individual who is an unremarried former spouse of a member or former member described in section 1072(2)(F) or section 1072(2)(G) of title 10, United States Code;

(3) An individual who is—

(i) A dependent of a deceased member or former member described in section

1076(b) or 1076(a)(2)(B) of title 10, United States Code, or of a member who died while on active duty for a period of more than 30 days; and

(ii) A “member of family” as defined in section 8901(5) of title 5, United States Code; or

(4) An individual who is—

(i) A dependent of a living member or former member described in section 1076(b)(1) of title 10, United States Code, who is entitled to hospital insurance benefits under part A of title XVIII of the Social Security Act, regardless of the member’s or former member’s eligibility for such hospital insurance benefits; and

(ii) A “member of family” as defined in section 8901(5) of title 5, United States Code.

(b) An eligible beneficiary may enroll in an FEHB plan under chapter 89 of title 5, United States Code, for self-only coverage or for self and family coverage. A self and family enrollment will include coverage of a dependent of the military member or former member who meets the definition of a “member of family” in section 8901(5) of title 5, United States Code. A self and family enrollment will not cover a person related to the eligible beneficiary that does not qualify as a “member of family” (as defined in section 8901(5) of title 5, United States Code) of the military member or former member.

(c) A person eligible for coverage under this subpart shall not be required to satisfy any eligibility criteria specified in chapter 89 of title 5, United States Code, or in other subparts of this part (except as provided in paragraphs (a)(3), (a)(4), and (b) of this section) as a condition for enrollment in health benefit plans offered through the FEHB Program under the demonstration project.

(d) When determining whether an individual is a “member of family” under section 8901(5) of title 5, United States Code, for purposes of paragraph (a)(3) and (a)(4) of this section, a DoD member or former member described in section 1076(b) or 1076(a)(2)(B) of title 10, United States Code, shall be deemed to be an employee under chapter 89 of title 5, United States Code. The sole purpose for deeming these members or

former members of the uniformed services employees under chapter 89 of title 5, United States Code, is to determine which of their dependents can enroll as eligible beneficiaries in the demonstration project.

(e) A person who is eligible to enroll in the FEHB Program as an employee as defined in section 8901(1) of title 5, United States Code, is not eligible to enroll in an FEHB plan under the demonstration project.

### § 890.1304 Enrollment.

(a) Open Season for eligible beneficiaries will be held concurrent with the Open Season for regular FEHB enrollees. Open Seasons will be held in the years 1999, 2000 and 2001. Eligible beneficiaries will be able to enroll for coverage, change enrollment tiers (e.g., self-only or self and family), or change health benefit plans or plan options during these periods.

(b) Enrolled eligible beneficiaries are required to pay associate membership dues if they enroll in open employee organization sponsored plans that are participating in the demonstration project.

(c) DoD will deny enrollment of eligible beneficiaries when the total number of eligible beneficiaries and family members enrolled in the demonstration project reaches 66,000.

(d) Eligible beneficiaries can enroll only in health plans offered by health benefit carriers who are participating in the demonstration project.

(e) Eligible beneficiaries and family members enrolled in the demonstration project are not eligible to obtain services from military medical treatment facilities or to enroll in a health care plan under the TRICARE Program.

(f) An eligible beneficiary enrolled in an FEHB plan under the demonstration project may change health benefits plans and coverage in the same manner as any other FEHB Program enrollee, except as provided for in this subpart.

### § 890.1305 Termination and cancellation.

(a) If an enrolled eligible beneficiary moves out of a demonstration area, the enrollment of the eligible beneficiary and all family members will be terminated. If an enrolled eligible bene-

fiary moves to an area located within a demonstration area, he or she will continue to be eligible to participate in the demonstration project. If the eligible beneficiary was enrolled prior to the move in an HMO that does not serve the new demonstration area, the eligible beneficiary will have an opportunity to select a new health plan offered by a carrier participating in the demonstration project in the new area. If the eligible beneficiary was enrolled in a fee-for-service plan prior to the move and moves to another area that is within an existing demonstration area, the eligible beneficiary can maintain his or her current coverage.

(b) If an enrolled eligible beneficiary disenrolls, cancels, or terminates enrollment for any reason, he or she will not be eligible to reenroll in the demonstration project. Once coverage ends, eligible beneficiaries and all family members have the right to resume all of the benefits to which they are entitled to under title 10 of the United States Code. Medicare-covered eligible beneficiaries and their eligible family members who had Medigap policies prior to their enrollment in the demonstration project are entitled to reinstate that coverage under the conditions stated in section 1108(l) of title 10, United States Code.

(c) Eligible beneficiaries and their family members are eligible for Temporary Continuation of Coverage (TCC) under the conditions and for the durations described in subpart K or until the end of the demonstration project, whichever occurs first. The effective date of TCC for eligible beneficiaries or their eligible family members will be the day after other coverage under this subpart ends. Eligible beneficiaries or their eligible family members selecting TCC must enroll in a health plan offered by a carrier participating in the demonstration project. If an eligible beneficiary or eligible family member enrolled in DoD TCC moves from a demonstration project area, coverage ends. DoD TCC enrollees will be responsible for paying the entire DoD premium rate (OPM's approved net-to-carrier DoD rate plus 4 percent for contingency and administration reserves) plus 2 percent of this premium rate for administration of the program.
