

satisfies this content standard, see 11 CFR 109.21(d)(6).

(ii) A public communication that expressly advocates the election or defeat of a clearly identified candidate for Federal office.

(iii) A public communication, as defined in 11 CFR 100.26, that satisfies paragraphs (a)(2)(iii)(A) or (B) of this section:

(A) *References to House and Senate candidates.* The public communication refers to a clearly identified House or Senate candidate and is publicly distributed or otherwise publicly disseminated in the clearly identified candidate's jurisdiction 90 days or fewer before the clearly identified candidate's general, special, or runoff election, or primary or preference election, or nominating convention or caucus.

(B) *References to Presidential and Vice Presidential candidates.* The public communication refers to a clearly identified Presidential or Vice Presidential candidate and is publicly distributed or otherwise publicly disseminated in a jurisdiction during the period of time beginning 120 days before the clearly identified candidate's primary or preference election in that jurisdiction, or nominating convention or caucus in that jurisdiction, up to and including the day of the general election.

(3) The communication satisfies at least one of the conduct standards in 11 CFR 109.21(d)(1) through (d)(6), subject to the provisions of 11 CFR 109.21(e), (g), and (h). A candidate's response to an inquiry about that candidate's positions on legislative or policy issues, but not including a discussion of campaign plans, projects, activities, or needs, does not satisfy any of the conduct standards in 11 CFR 109.21(d)(1) through (d)(6). Notwithstanding paragraph (b)(1) of this section, the candidate with whom a party coordinated communication is coordinated does not receive or accept an in-kind contribution, and is not required to report an expenditure that results from conduct described in 11 CFR 109.21(d)(4) or (d)(5), unless the candidate, authorized committee, or an agent of any of the foregoing, engages in conduct described in 11 CFR 109.21(d)(1) through (d)(3).

(b) *Treatment of a party coordinated communication.* A payment by a polit-

ical party committee for a communication that is coordinated with a candidate, and that is not otherwise exempted under 11 CFR part 100, subpart C or E, must be treated by the political party committee making the payment as either:

(1) An in-kind contribution for the purpose of influencing a Federal election under 11 CFR 100.52(d) to the candidate with whom it was coordinated, which must be reported under 11 CFR part 104; or

(2) A coordinated party expenditure pursuant to coordinated party expenditure authority under 11 CFR 109.32 in connection with the general election campaign of the candidate with whom it was coordinated, which must be reported under 11 CFR part 104.

Federal Election Commission

§ 110.1

110.20 Prohibition on contributions, donations, expenditures, independent expenditures, and disbursements by foreign nationals (52 U.S.C. 30121, 36 U.S.C. 510).

AUTHORITY: 52 U.S.C. 30101(8), 30101(9), 30102(c)(2) and (g), 30104(i)(3), 30111(a)(8), 30116, 30118, 30120, 30121, 30122, 30123, 30124, and 36 U.S.C. 510.

§ 110.1 Contributions by persons other than multicandidate political committees (52 U.S.C. 30116(a)(1)).

(a) *Scope.* This section applies to all contributions made by any person as defined in 11 CFR 100.10, except multicandidate political committees as defined in 11 CFR 100.5(e)(3) or entities and individuals prohibited from making contributions under 11 CFR 110.20 and 11 CFR parts 114 and 115.

(b) *Contributions to candidates; designations; and redesignations.* (1) No person shall make contributions to any candidate, his or her authorized political committees or agents with respect to any election for Federal office that, in the aggregate, exceed \$2,000.

(i) The contribution limitation in the introductory text of paragraph (b)(1) of this section shall be increased by the percent difference in the price index in accordance with 11 CFR 110.17.

(ii) The increased contribution limitation shall be in effect for the 2-year period beginning on the first day following the date of the last general election in the year preceding the year in which the contribution limitation is increased and ending on the date of the next general election. For example, an increase in the contribution limitation made in January 2005 is effective from November 3, 2004 to November 7, 2006.

(iii) In every odd numbered year, the Commission will publish in the FEDERAL REGISTER the amount of the contribution limitation in effect and place such information on the Commission's Web site.

(2) For purposes of this section, *with respect to any election* means—

(i) In the case of a contribution designated in writing by the contributor for a particular election, the election so designated. Contributors to candidates are encouraged to designate their contributions in writing for particular elections. See 11 CFR 110.1(b)(4).

(ii) In the case of a contribution not designated in writing by the contrib-

utor for a particular election, the next election for that Federal office after the contribution is made.

(3)(i) A contribution designated in writing for a particular election, but made after that election, shall be made only to the extent that the contribution does not exceed net debts outstanding from such election. To the extent that such contribution exceeds net debts outstanding, the candidate or the candidate's authorized political committee shall return or deposit the contribution within ten days from the date of the treasurer's receipt of the contribution as provided by 11 CFR 103.3(a), and if deposited, then within sixty days from the date of the treasurer's receipt the treasurer shall take the following action, as appropriate:

(A) Refund the contribution using a committee check or draft; or

(B) Obtain a written redesignation by the contributor for another election in accordance with 11 CFR 110.1(b)(5); or

(C) Obtain a written reattribution to another contributor in accordance with 11 CFR 110.1(k)(3).

If the candidate is not a candidate in the general election, all contributions made for the general election shall be either returned or refunded to the contributors or redesignated in accordance with 11 CFR 110.1(b)(5), or reattributed in accordance with 11 CFR 110.1(k)(3), as appropriate.

(ii) In order to determine whether there are net debts outstanding from a particular election, the treasurer of the candidate's authorized political committee shall calculate net debts outstanding as of the date of the election. For purposes of this section, *net debts outstanding* means the total amount of unpaid debts and obligations incurred with respect to an election, including the estimated cost of raising funds to liquidate debts incurred with respect to the election and, if the candidate's authorized committee terminates or if the candidate will not be a candidate for the next election, estimated necessary costs associated with termination of political activity, such as the costs of complying with the post-election requirements of the Act and other necessary administrative costs associated with winding down the campaign,

§ 110.1

11 CFR Ch. I (1–1–20 Edition)

including office space rental, staff salaries and office supplies, less the sum of:

(A) The total cash on hand available to pay those debts and obligations, including: currency; balances on deposit in banks, savings and loan institutions, and other depository institutions; traveler's checks; certificates of deposit; treasury bills; and any other committee investments valued at fair market value;

(B) The total amounts owed to the candidate or political committee in the form of credits, refunds of deposits, returns, or receivables, or a commercially reasonable amount based on the collectibility of those credits, refunds, returns, or receivables; and

(C) The amount of personal loans, as defined in 11 CFR 116.11(b), that in the aggregate exceed \$250,000 per election.

(iii) The amount of the net debts outstanding shall be adjusted as additional funds are received and expenditures are made. The candidate and his or her authorized political committee(s) may accept contributions made after the date of the election if:

(A) Such contributions are designated in writing by the contributor for that election;

(B) Such contributions do not exceed the adjusted amount of net debts outstanding on the date the contribution is received; and

(C) Such contributions do not exceed the contribution limitations in effect on the date of such election.

(iv) This paragraph shall not be construed to prevent a candidate who is a candidate in the general election or his or her authorized political committee(s) from paying primary election debts and obligations with funds which represent contributions made with respect to the general election.

(4) For purposes of this section, a contribution shall be considered to be designated in writing for a particular election if—

(i) The contribution is made by check, money order, or other negotiable instrument which clearly indicates the particular election with respect to which the contribution is made;

(ii) The contribution is accompanied by a writing, signed by the contributor, which clearly indicates the particular

election with respect to which the contribution is made; or

(iii) The contribution is redesignated in accordance with 11 CFR 110.1(b)(5).

(5)(i) The treasurer of an authorized political committee may request a written redesignation of a contribution by the contributor for a different election if—

(A) The contribution was designated in writing for a particular election, and the contribution, either on its face or when aggregated with other contributions from the same contributor for the same election, exceeds the limitation on contributions set forth in 11 CFR 110.1(b)(1);

(B) The contribution was designated in writing for a particular election and the contribution was made after that election and the contribution cannot be accepted under the net debts outstanding provisions of 11 CFR 110.1(b)(3);

(C) The contribution was not designated in writing for a particular election, and the contribution exceeds the limitation on contributions set forth in 11 CFR 110.1(b)(1); or

(D) The contribution was not designated in writing for a particular election, and the contribution was received after the date of an election for which there are net debts outstanding on the date the contribution is received.

(ii)(A) A contribution shall be considered to be redesignated for another election if—

(1) The treasurer of the recipient authorized political committee requests that the contributor provide a written redesignation of the contribution and informs the contributor that the contributor may request the refund of the contribution as an alternative to providing a written redesignation; and

(2) Within sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer with a written redesignation of the contribution for another election, which is signed by the contributor.

(B) Notwithstanding paragraph (b)(5)(ii)(A) of this section or any other provision of this section, the treasurer of the recipient authorized political committee may treat all or part of the

Federal Election Commission

§ 110.1

amount of the contribution that exceeds the contribution limits in paragraph (b)(1) of this section as made with respect to the general election, provided that:

(1) The contribution was made before the primary election;

(2) The contribution was not designated for a particular election;

(3) The contribution would exceed the limitation on contributions set forth in paragraph (b)(1) of this section if it were treated as a contribution made for the primary election;

(4) Such redesignation would not cause the contributor to exceed any of the limitations on contributions set forth in paragraph (b)(1) of this section;

(5) The treasurer of the recipient authorized political committee notifies the contributor of the amount of the contribution that was redesignated and that the contributor may request a refund of the contribution; and

(6) Within sixty days from the date of the treasurer's receipt of the contribution, the treasurer shall provide notification required in paragraph (b)(5)(ii)(B)(5) of this section to the contributor by any written method including electronic mail.

(C) Notwithstanding paragraph (b)(5)(ii)(A) of this section or any other provision of this section, the treasurer of the recipient authorized political committee may treat all or part of the amount of the contribution that exceeds the contribution limits in paragraph (b)(1) of this section as made with respect to the primary election, provided that:

(1) The contribution was made after the primary election but before the general election;

(2) The contribution was not designated for a particular election;

(3) The contribution would exceed the limitation on contributions set forth in paragraph (b)(1) of this section if it were treated as a contribution made for the general election;

(4) Such redesignation would not cause the contributor to exceed any of the limitations on contributions set forth in paragraph (b)(1) of this section;

(5) The contribution does not exceed the committee's net debts outstanding for the primary election;

(6) The treasurer of the recipient authorized political committee notifies the contributor of how the contribution was redesignated and that the contributor may request a refund of the contribution; and

(7) Within sixty days from the date of the treasurer's receipt of the contribution, the treasurer shall provide notification required in paragraph (b)(5)(ii)(C)(6) of this section to the contributor by any written method, including electronic mail.

(iii) A contribution redesignated for another election shall not exceed the limitations on contributions made with respect to that election. A contribution redesignated for a previous election shall be subject to the requirements of 11 CFR 110.1(b)(3) regarding net debts outstanding.

(6) For the purposes of this section, a contribution shall be considered to be made when the contributor relinquishes control over the contribution. A contributor shall be considered to relinquish control over the contribution when it is delivered by the contributor to the candidate, to the political committee, or to an agent of the political committee. A contribution that is mailed to the candidate, or to the political committee or to an agent of the political committee, shall be considered to be made on the date of the postmark. See 11 CFR 110.1(l)(4). An in-kind contribution shall be considered to be made on the date that the goods or services are provided by the contributor.

(c) *Contributions to political party committees.* (1) No person shall make contributions to the political committees established and maintained by a national political party in any calendar year that in the aggregate exceed \$25,000.

(i) The contribution limitation in paragraph (c)(1) of this section shall be increased by the percent difference in the price index in accordance with 11 CFR 110.17.

(ii) The increased contribution limitation shall be in effect for the two calendar years starting on January 1 of the year in which the contribution limitation is increased.

§ 110.1

11 CFR Ch. I (1–1–20 Edition)

(iii) In every odd-numbered year, the Commission will publish in the FEDERAL REGISTER the amount of the contribution limitation in effect and place such information on the Commission's Web site.

(2) For purposes of this section, *political committees established and maintained by a national political party* means—

- (i) The national committee;
- (ii) The House campaign committee; and
- (iii) The Senate campaign committee.

(3) Each recipient committee referred to in 11 CFR 110.1(c)(2) may receive up to the \$25,000 limitation from a contributor.

(4) The recipient committee shall not be an authorized political committee of any candidate, except as provided in 11 CFR 9002.1(c).

(5) On or after January 1, 2003, no person shall make contributions to a political committee established and maintained by a State committee of a political party in any calendar year that, in the aggregate, exceed \$10,000.

(d) *Contributions to other political committees.* No person shall make contributions to any other political committee in any calendar year which, in the aggregate, exceed \$5,000.

(e) *Contributions by partnerships.* A contribution by a partnership shall be attributed to the partnership and to each partner—

(1) In direct proportion to his or her share of the partnership profits, according to instructions which shall be provided by the partnership to the political committee or candidate; or

(2) By agreement of the partners, as long as—

(i) Only the profits of the partners to whom the contribution is attributed are reduced (or losses increased), and

(ii) These partners' profits are reduced (or losses increased) in proportion to the contribution attributed to each of them.

A contribution by a partnership shall not exceed the limitations on contributions in 11 CFR 110.1 (b), (c), and (d). No portion of such contribution may be made from the profits of a corporation that is a partner.

(f) *Contributions to candidates for more than one Federal office.* If an individual is a candidate for more than one Federal office, a person may make contributions which do not exceed \$2,000 to the candidate, or his or her authorized political committees for each election for each office, as long as—

(1) Each contribution is designated in writing by the contributor for a particular office;

(2) The candidate maintains separate campaign organizations, including separate principal campaign committees and separate accounts; and

(3) No principal campaign committee or other authorized political committee of that candidate for one election for one Federal office transfers funds to, loans funds to, makes contributions to, or makes expenditures on behalf of another principal campaign committee or other authorized political committee of that candidate for another election for another Federal office, except as provided in 11 CFR 110.3(c)(4).

(g) *Contributions by limited liability companies ("LLC")*—(1) *Definition.* A limited liability company is a business entity that is recognized as a limited liability company under the laws of the State in which it is established.

(2) A contribution by an LLC that elects to be treated as a partnership by the Internal Revenue Service pursuant to 26 CFR 301.7701-3, or does not elect treatment as either a partnership or a corporation pursuant to that section, shall be considered a contribution from a partnership pursuant to 11 CFR 110.1(e).

(3) An LLC that elects to be treated as a corporation by the Internal Revenue Service, pursuant to 26 CFR 301.7701-3, or an LLC with publicly-traded shares, shall be considered a corporation pursuant to 11 CFR Part 114.

(4) A contribution by an LLC with a single natural person member that does not elect to be treated as a corporation by the Internal Revenue Service pursuant to 26 CFR 301.7701-3 shall be attributed only to that single member.

(5) An LLC that makes a contribution pursuant to paragraph (g)(2) or (g)(4) of this section shall, at the time

Federal Election Commission

§ 110.1

it makes the contribution, provide information to the recipient committee as to how the contribution is to be attributed, and affirm to the recipient committee that it is eligible to make the contribution.

(h) *Contributions to committees supporting the same candidate.* A person may contribute to a candidate or his or her authorized committee with respect to a particular election and also contribute to a political committee which has supported, or anticipates supporting, the same candidate in the same election, as long as—

(1) The political committee is not the candidate's principal campaign committee or other authorized political committee or a single candidate committee;

(2) The contributor does not give with the knowledge that a substantial portion will be contributed to, or expended on behalf of, that candidate for the same election; and

(3) The contributor does not retain control over the funds.

(i) *Contributions by spouses.* The limitations on contributions of this section shall apply separately to contributions made by each spouse even if only one spouse has income.

(j) *Application of limitations to elections.* (1) The limitations on contributions of this section shall apply separately with respect to each election as defined in 11 CFR 100.2, except that all elections held in a calendar year for the office of President of the United States (except a general election for that office) shall be considered to be one election.

(2) An election in which a candidate is unopposed is a separate election for the purposes of the limitations on contributions of this section.

(3) A primary or general election which is not held because a candidate is unopposed or received a majority of votes in a previous election is a separate election for the purposes of the limitations on contributions of this section. The date on which the election would have been held shall be considered to be the date of the election.

(4) A primary election which is not held because a candidate was nominated by a caucus or convention with authority to nominate is not a separate

election for the purposes of the limitations on contributions of this section.

(k) *Joint contributions and reattributions.* (1) Any contribution made by more than one person, except for a contribution made by a partnership, shall include the signature of each contributor on the check, money order, or other negotiable instrument or in a separate writing.

(2) If a contribution made by more than one person does not indicate the amount to be attributed to each contributor, the contribution shall be attributed equally to each contributor.

(3)(i) If a contribution to a candidate or political committee, either on its face or when aggregated with other contributions from the same contributor, exceeds the limitations on contributions set forth in 11 CFR 110.1 (b), (c) or (d), as appropriate, the treasurer of the recipient political committee may ask the contributor whether the contribution was intended to be a joint contribution by more than one person.

(ii)(A) A contribution shall be considered to be reattributed to another contributor if—

(1) The treasurer of the recipient political committee asks the contributor whether the contribution is intended to be a joint contribution by more than one person, and informs the contributor that he or she may request the return of the excessive portion of the contribution if it is not intended to be a joint contribution; and

(2) Within sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer with a written reattribution of the contribution, which is signed by each contributor, and which indicates the amount to be attributed to each contributor if equal attribution is not intended.

(B)(1) Notwithstanding paragraph (k)(3)(ii)(A) of this section or any other provision of this section, any excessive portion of a contribution described in paragraph (k)(3)(i) of this section that was made by a written instrument that is imprinted with the names of more than one individual may be attributed among the individuals listed unless a different instruction is on the instrument or in a separate writing signed by

§ 110.1

11 CFR Ch. I (1–1–20 Edition)

the contributor(s), provided that such attribution would not cause any contributor to exceed any of the limitations on contributions set forth in paragraph (b)(1) of this section.

(2) The treasurer of the recipient political committee shall notify each contributor of how the contribution was attributed and that the contributor may request the refund of the excessive portion of the contribution if it is not intended to be a joint contribution.

(3) Within sixty days from the date of the treasurer's receipt of the contribution, the treasurer shall provide such notification to each contributor by any written method, including electronic mail.

(1) *Supporting evidence.* (1) If a political committee receives a contribution designated in writing for a particular election, the treasurer shall retain a copy of the written designation, as required by 11 CFR 110.1(b)(4) or 110.2(b)(4), as appropriate. If the written designation is made on a check or other written instrument, the treasurer shall retain a full-size photocopy of the check or written instrument.

(2) If a political committee receives a written redesignation of a contribution for a different election, the treasurer shall retain the written redesignation provided by the contributor, as required by 11 CFR 110.1(b)(5) or 110.2(b)(5), as appropriate.

(3) If a political committee receives a written reattribution of a contribution to a different contributor, the treasurer shall retain the written reattribution signed by each contributor, as required by 11 CFR 110.1(k).

(4)(i) If a political committee chooses to rely on a postmark as evidence of the date on which a contribution was made, the treasurer shall retain the envelope or a copy of the envelope containing the postmark and other identifying information; and

(ii) If a political committee chooses to rely on the redesignation presumption in 11 CFR 110.1(b)(5)(ii)(B) or (C) or the reattribution presumption in 11 CFR 110.1(k)(3)(ii)(B), the treasurer shall retain a full-size photocopy of the check or written instrument, of any signed writings that accompanied the contribution, and of the notices sent to

the contributors as required by 11 CFR 110.1(b)(5)(ii)(B) and (k)(3)(ii)(B).

(5) If a political committee does not retain the written records concerning designation required under 11 CFR 110.1(l)(1), the contribution shall not be considered designated in writing for a particular election, and the provisions of 11 CFR 110.1(b)(2)(ii) or 11 CFR 110.2(b)(2)(ii) shall apply. If a political committee does not retain the written records concerning redesignation or reattribution required under 11 CFR 110.1(l)(2), (3), (4)(ii) or (6), including the contributor notices, the redesignation or reattribution shall not be effective, and the original designation or attribution shall control.

(6) For each written redesignation or written reattribution of a contribution described in paragraph (b)(5) or paragraph (k)(3) of this section, the political committee shall retain documentation demonstrating when the written redesignation or written reattribution was received. Such documentation shall consist of:

(i) A copy of the envelope bearing the postmark and the contributor's name, or return address or other identifying code; or

(ii) A copy of the written redesignation or written reattribution with a date stamp indicating the date of the committee's receipt; or

(iii) A copy of the written redesignation or written reattribution dated by the contributor.

(m) *Contributions to delegates and delegate committees.* (1) Contributions to delegates for the purpose of furthering their selection under 11 CFR 110.14 are not subject to the limitations of this section.

(2) Contributions to delegate committees under 11 CFR 110.14 are subject to the limitations of this section.

(n) *Contributions to committees making independent expenditures.* The limitations on contributions of this section also apply to contributions made to political committees making independent expenditures under 11 CFR Part 109.

§ 110.2 Contributions by multicandidate political committees (52 U.S.C. 30116(a)(2)).

(a)(1) *Scope.* This section applies to all contributions made by any multicandidate political committee as defined in 11 CFR 100.5(e)(3). See 11 CFR 102.2(a)(3) for multicandidate political committee certification requirements. A political committee becomes a multicandidate committee at the time the political committee meets the requirements of 11 CFR 100.5(e)(3) or becomes affiliated with an existing multicandidate committee, whether or not the political committee has certified its status as a multicandidate committee with the Commission in accordance with 11 CFR 102.2(a)(3).

(2) *Notice to recipients.* Each multicandidate committee that makes a contribution under this section shall notify the recipient in writing of its status as a multicandidate committee.

(b) *Contributions to candidates; designations; and redesignations.* (1) No multicandidate political committee shall make contributions to any candidate, his or her authorized political committees or agents with respect to any election for Federal office which, in the aggregate, exceed \$5,000.

(2) For purposes of this section, *with respect to any election* means—

(i) In the case of a contribution designated in writing by the contributor for a particular election, the election so designated. (ii) In the case of a contribution not designated in writing by the contributor for a particular election, the next election for that Federal office after the contribution is made.

(3)(i) A contribution designated in writing for a particular election, but made after that election, shall be made only to the extent that the contribution does not exceed net debts outstanding from such election. To the extent that such contribution exceeds net debts outstanding, the candidate or the candidate's authorized political committee shall return or deposit the contribution within ten days from the date of the treasurer's receipt of the con-

tribution as provided by 11 CFR 103.3(a), and if deposited, then within sixty days from the date of the treasurer's receipt the treasurer shall take the following action, as appropriate:

(A) Refund the contribution using a committee check or draft; or

If the candidate is not a candidate in the general election, all contributions made for the general election shall be either returned or refunded to the contributors or redesignated in accordance with 11 CFR 110.2(b)(5).

(ii) The treasurer of the candidate's authorized political committee shall calculate net debts outstanding in accordance with 11 CFR 110.1(b)(3)(ii). The amount of the net debts outstanding shall be adjusted as additional funds are received and expenditures are made. The candidate and his or her authorized political committee(s) may accept contributions made after the date of the election if such contributions are designated in writing by the contributor for that election and if such contributions do not exceed the adjusted amount of net debts outstanding on the date the contribution is received.

(4) For purposes of this section, a contribution shall be considered to be designated in writing for a particular election if—

(i) The contribution is made by check, money order, or other negotiable instrument which clearly indicates the particular election with respect to which the contribution is made;

(ii) The contribution is accompanied by a writing, signed by the contributor, which clearly indicates the particular election with respect to which the contribution is made; or

(iii) The contribution is redesignated in accordance with 11 CFR 110.2(b)(5).

(5)(i) The treasurer of an authorized political committee may request a written redesignation of a contribution by the contributor for a different election if—

§ 110.2

11 CFR Ch. I (1–1–20 Edition)

when aggregated with other contributions from the same contributor for the same election, exceeds the limitation on contributions set forth in 11 CFR 110.2(b)(1);

(B) The contribution was designated in writing for a particular election and the contribution was made after that election and the contribution cannot be accepted under the net debts outstanding provisions of 11 CFR 110.2(b)(3);

(C) The contribution was not designated in writing for a particular election, and the contribution exceeds the limitation on contributions set forth in 11 CFR 110.2(b)(1); or

(D) The contribution was not designated in writing for a particular election and the contribution was received after the date of an election for which there are net debts outstanding on the date the contribution is received.

(ii) A contribution shall be considered to be redesignated for another election if—

(A) The treasurer of the recipient authorized political committee requests that the contributor provide a written redesignation of the contribution and informs the contributor that the contributor may request the refund of the contribution as an alternative to providing a written redesignation; and

(B) Within sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer with a written redesignation of the contribution for another election, which is signed by the contributor.

(iii) A contribution redesignated for another election shall not exceed the limitations on contributions made with respect to that election. A contribution redesignated for a previous election shall be subject to the requirements of 11 CFR 110.2(b)(3) regarding net debts outstanding.

(6) For the purposes of this section, a contribution shall be considered to be made when the contributor relinquishes control over the contribution. A contributor shall be considered to relinquish control over the contribution when it is delivered by the contributor to the candidate, to the political committee, or to an agent of the political committee. A contribution that is

mailed to the candidate, or to the political committee or to an agent of the political committee, shall be considered to be made on the date of the postmark. *See* 11 CFR 110.1(1)(4). An in-kind contribution shall be considered to be made on the date that the goods or services are provided by the contributor.

(c) *Contributions to political party committees.* (1) No multicandidate political committee shall make contributions to the political committees established and maintained by a national political party in any calendar year which, in the aggregate, exceed \$15,000.

(2) For purposes of this section, *political committees established and maintained by a national political party* means—

- (i) The national committee;
- (ii) The House campaign committee; and
- (iii) The Senate campaign committee.

(3) Each recipient committee referred to in 11 CFR 110.2(c)(2) may receive up to the \$15,000 limitation from a multicandidate political committee.

(4) The recipient committee shall not be an authorized political committee of any candidate, except as provided in 11 CFR 9002.1(c).

(d) *Contributions to other political committees.* No multicandidate political committee shall make contributions to any other political committee in any calendar year which, in the aggregate, exceed \$5,000.

(e) *Contributions by political party committees to Senatorial candidates.* (1) Notwithstanding any other provision of the Act, or of these regulations, the Republican and Democratic Senatorial campaign committees, or the national committee of a political party, may make contributions of not more than a combined total of \$35,000 to a candidate for nomination or election to the Senate during the calendar year of the election for which he or she is a candidate. Any contribution made by such committee to a Senatorial candidate under this paragraph in a year other than the calendar year in which the election is held shall be considered to be made during the calendar year in which the election is held.

Federal Election Commission

§ 110.2

(2) The contribution limitation in paragraph (e)(1) of this section shall be increased by the percent difference in the price index in accordance with 11 CFR 110.17. The increased contribution limitation shall be in effect for the two calendar years starting on January 1 of the year in which the contribution limitation is increased. In every odd-numbered year, the Commission will publish in the FEDERAL REGISTER the amount of the contribution limitation in effect and place such information on the Commission's Web site.

(f) *Contributions to candidates for more than one Federal office.* If an individual is a candidate for more than one Federal office, a multicandidate political committee may make contributions which do not exceed \$5,000 to the candidate, or his or her authorized political committees for each election for each office, provided that the requirements set forth in 11 CFR 110.1(f)(1), (2), and (3) are satisfied.

(g) *Contributions to retire pre-1975 debts.* Contributions made to retire debts resulting from elections held prior to January 1, 1975 are not subject to the limitations of 11 CFR part 110, as long as contributions and solicitations to retire these debts are designated in writing and used for that purpose. Contributions made to retire debts resulting from elections held after December 31, 1974 are subject to the limitations of 11 CFR part 110.

(h) *Contributions to committees supporting the same candidate.* A multicandidate political committee may contribute to a candidate or his or her authorized committee with respect to a particular election and also contribute to a political committee which has supported, or anticipates supporting, the same candidate in the same election, as long as—

(1) The recipient political committee is not the candidate's principal campaign committee or other authorized political committee or a single candidate committee;

(2) The multicandidate political committee does not give with the knowledge that a substantial portion will be contributed to, or expended on behalf of, that candidate for the same election; and

(3) The multicandidate political committee does not retain control over the funds.

(i) *Application of limitations to elections.* (1) The limitations on contributions of this section (other than paragraph (e) of this section) shall apply separately with respect to each election as defined in 11 CFR 100.2, except that all elections held in a calendar year for the office of President of the United States (except a general election for that office) shall be considered to be one election.

(2) An election in which a candidate is unopposed is a separate election for the purposes of the limitations on contributions of this section.

(3) A primary or general election which is not held because a candidate is unopposed or received a majority of votes in a previous election is a separate election for the purposes of the limitations on contributions of this section. The date on which the election would have been held shall be considered to be the date of the election.

(4) A primary election which is not held because a candidate was nominated by a caucus or convention with authority to nominate is not a separate election for the purposes of the limitations on contributions of this section.

(j) *Contributions to delegates and delegate committees.* (1) Contributions to delegates for the purpose of furthering their selection under 11 CFR 110.14 are not subject to the limitations of this section.

(2) Contributions to delegate committees under 11 CFR 110.14 are subject to the limitations of this section.

(k) *Contributions to multicandidate political committees making independent expenditures.* The limitations on contributions of this section also apply to contributions made to multicandidate political committees making independent expenditures under 11 CFR Part 109.

(1) *Pre-candidacy expenditures by multicandidate political committees deemed in-kind contributions; effect of reimbursement.* (1) A payment by a multicandidate political committee is deemed an in-kind contribution to and

§ 110.3

an expenditure by a Presidential candidate, even though made before the individual becomes a candidate under 11 CFR 100.3, if—

(i) The expenditure is made on or after January 1 of the year immediately following the last Presidential election year;

(ii) With respect to the goods or services involved, the candidate accepted or received them, requested or suggested their provision, was materially involved in the decision to provide them, or was involved in substantial discussions about their provision; and

(iii) The goods or services are—

(A) Polling expenses for determining the favorability, name recognition, or relative support level of the candidate involved;

(B) Compensation paid to employees, consultants, or vendors for services rendered in connection with establishing and staffing offices in States where Presidential primaries, caucuses, or preference polls are to be held, other than offices in the candidate's home state and in or near the District of Columbia;

(C) Administrative expenses, including rent, utilities, office supplies and equipment, in connection with establishing and staffing offices in States where Presidential primaries, caucuses, or preference polls are to be held, other than offices in the candidate's home state and in or near the District of Columbia; or

(D) Expenses of individuals seeking to become delegates in the Presidential nomination process.

(2) Notwithstanding paragraph (1)(1) of this section, if the candidate, through an authorized committee, reimburses the multicandidate political committee within 30 days of becoming a candidate, the payment shall not be deemed an in-kind contribution for either entity, and the reimbursement shall be an expenditure of the candidate.

11 CFR Ch. I (1–1–20 Edition)

§ 110.3 Contribution limitations for affiliated committees and political party committees; transfers (52 U.S.C. 30116(a)(4), 30116(a)(5)).

(a) *Contribution limitations for affiliated committees.* (1) For the purposes of the contribution limitations of 11 CFR 110.1 and 110.2, all contributions made or received by more than one affiliated committee, regardless of whether they are political committees under 11 CFR 100.5, shall be considered to be made or received by a single political committee. *See* 11 CFR 100.5(g). Application of this paragraph means that all contributions made or received by the following committees shall be considered to be made or received by a single political committee—

(i) Authorized committees of the same candidate for the same election to Federal office; or

(ii) Committees (including a separate segregated fund, *see* 11 CFR part 114) established, financed, maintained or controlled by the same corporation, labor organization, person or group of persons, including any parent, subsidiary, branch, division, department or local unit thereof. For the purposes of this section, *local unit* may include, in appropriate cases, a franchisee, licensee, or State or regional association.

(2) Affiliated committees sharing a single contribution limitation under paragraph (a)(1)(ii) of this section include all of the committees established, financed, maintained or controlled by—

(i) A single corporation and/or its subsidiaries;

(ii) A single national or international union and/or its local unions or other subordinate organizations;

(iii) An organization of national or international unions and/or all its State and local central bodies;

(iv) A membership organization, (other than political party committees, *see* paragraph (b) of this section) including trade or professional associations, *see* 11 CFR 114.8(a), and/or related State and local entities of that organization or group; or

(v) The same person or group of persons.

(3)(i) The Commission may examine the relationship between organizations

Federal Election Commission

§ 110.3

that sponsor committees, between the committees themselves, or between one sponsoring organization and a committee established by another organization to determine whether committees are affiliated.

(ii) In determining whether committees not described in paragraphs (a)(2)(i)–(iv) of this section are affiliated, the Commission will consider the circumstantial factors described in paragraphs (a)(3)(ii) (A) through (J) of this section. The Commission will examine these factors in the context of the overall relationship between committees or sponsoring organizations to determine whether the presence of any factor or factors is evidence of one committee or organization having been established, financed, maintained or controlled by another committee or sponsoring organization. Such factors include, but are not limited to:

(A) Whether a sponsoring organization owns a controlling interest in the voting stock or securities of the sponsoring organization of another committee;

(B) Whether a sponsoring organization or committee has the authority or ability to direct or participate in the governance of another sponsoring organization or committee through provisions of constitutions, bylaws, contracts, or other rules, or through formal or informal practices or procedures;

(C) Whether a sponsoring organization or committee has the authority or ability to hire, appoint, demote or otherwise control the officers, or other decisionmaking employees or members of another sponsoring organization or committee;

(D) Whether a sponsoring organization or committee has a common or overlapping membership with another sponsoring organization or committee which indicates a formal or ongoing relationship between the sponsoring organizations or committees;

(E) Whether a sponsoring organization or committee has common or overlapping officers or employees with another sponsoring organization or committee which indicates a formal or ongoing relationship between the sponsoring organizations or committees;

(F) Whether a sponsoring organization or committee has any members, officers or employees who were members, officers or employees of another sponsoring organization or committee which indicates a formal or ongoing relationship between the sponsoring organizations or committees, or which indicates the creation of a successor entity;

(G) Whether a sponsoring organization or committee provides funds or goods in a significant amount or on an ongoing basis to another sponsoring organization or committee, such as through direct or indirect payments for administrative, fundraising, or other costs, but not including the transfer to a committee of its allocated share of proceeds jointly raised pursuant to 11 CFR 102.17;

(H) Whether a sponsoring organization or committee causes or arranges for funds in a significant amount or on an ongoing basis to be provided to another sponsoring organization or committee, but not including the transfer to a committee of its allocated share of proceeds jointly raised pursuant to 11 CFR 102.17;

(I) Whether a sponsoring organization or a committee or its agent had an active or significant role in the formation of another sponsoring organization or committee; and

(J) Whether the sponsoring organizations or committees have similar patterns of contributions or contributors which indicates a formal or ongoing relationship between the sponsoring organizations or committees.

(b) *Contribution limitations for political party committees.* (1) For the purposes of the contribution limitations of 11 CFR 110.1 and 110.2, all contributions made or received by the following political committees shall be considered to be made or received by separate political committees—

(i) The national committee of a political party and any political committees established, financed, maintained, or controlled by the same national committee; and

(ii) The State committee of the same political party.

(2) Application of paragraph (b)(1)(i) of this section means that—

§ 110.3

11 CFR Ch. I (1–1–20 Edition)

(i) The House campaign committee and the national committee of a political party shall have separate limitations on contributions under 11 CFR 110.1 and 110.2.

(ii) The Senate campaign committee and the national committee of a political party shall have separate limitations on contributions, except that contributions to a senatorial candidate made by the Senate campaign committee and the national committee of a political party are subject to a single contribution limitation under 11 CFR 110.2(e).

(3) All contributions made by the political committees established, financed, maintained, or controlled by a State party committee and by subordinate State party committees shall be presumed to be made by one political committee. This presumption shall not apply if—

(i) The political committee of the party unit in question has not received funds from any other political committee established, financed, maintained, or controlled by any party unit; and

(ii) The political committee of the party unit in question does not make its contributions in cooperation, consultation or concert with, or at the request or suggestion of any other party unit or political committee established, financed, maintained, or controlled by another party unit.

(c) *Permissible Transfers.* The contribution limitations of 11 CFR 110.1 and 110.2 shall not limit the transfers set forth below in 11 CFR 110.3(c) (1) through (6)—

(1) Transfers of funds between affiliated committees or between party committees of the same political party whether or not they are affiliated or by collecting agents to a separate segregated fund made pursuant to 11 CFR 102.6;

(2) Transfers of joint fundraising proceeds between organizations or committees participating in the joint fundraising activity provided that no participating committee or organization governed by 11 CFR 102.17 received more than its allocated share of the funds raised;

(3) Transfers of funds between the primary campaign and general election

campaign of a candidate of funds unused for the primary;

(4) Transfers of funds between a candidate's previous Federal campaign committee and his or her current Federal campaign committee, or between previous Federal campaign committees, provided that the candidate is not a candidate for more than one Federal office at the same time, and provided that the funds transferred are not composed of contributions that would be in violation of the Act. The cash on hand from which the transfer is made shall be considered to consist of the funds most recently received by the transferor committee. The transferor committee must be able to demonstrate that such cash on hand contains sufficient funds at the time of the transfer that comply with the limitations and prohibitions of the Act to cover the amount transferred.

(i) *Previous Federal campaign committee* means a principal campaign committee, or other authorized committee, that was organized to further the candidate's campaign in a Federal election that has already been held.

(ii) *Current Federal campaign committee* means a principal campaign committee, or other authorized committee, organized to further the candidate's campaign in a future Federal election.

(iii) For purposes of the contribution limits, a contribution made after an election has been held, or after an individual ceases to be a candidate in an election, shall be aggregated with other contributions from the same contributor for the next election unless the contribution is designated for the previous election, or is designated for another election, and the candidate has net debts outstanding for the election so designated pursuant to 11 CFR 110.1(b)(3).

(iv) For purposes of this section, an individual ceases to be a candidate in an election as of the earlier of the following dates—

(A) The date on which the candidate publicly announces that he or she will no longer be a candidate in that election for that office and ceases to conduct campaign activities with respect to that election; or

Federal Election Commission

§ 110.4

(B) The date on which the candidate is or becomes ineligible for nomination or election to that office by operation of law;

(5) Transfers of funds between the principal campaign committees of an individual seeking nomination or election to more than one Federal office, as long as the conditions in 11 CFR 110.3(c)(5) (i), (ii) and (iii) are met. An individual will be considered to be seeking nomination or election to more than one Federal office if the individual is concurrently a candidate for more than one Federal office during the same or overlapping election cycles.

(i) The transfer shall not be made when the individual is actively seeking nomination or election to more than one Federal office. An individual will not be considered to be actively seeking nomination or election to a Federal office if:

(A) The individual publicly announces that he or she will no longer seek nomination or election to that office and ceases to conduct campaign activities with respect to that election, except in connection with the retirement of debts outstanding at the time of the announcement;

(B) The individual is or becomes ineligible for nomination or election to that office by operation of law;

(C) The individual has filed a proper termination report with the Commission under 11 CFR 102.3; or

(D) The individual has notified the Commission in writing that the individual and his or her authorized committees will conduct no further campaign activities with respect to that election, except in connection with the retirement of debts outstanding at the time of the notification;

(ii) The limitations on contributions by persons shall not be exceeded by the transfer. The cash on hand from which the transfer is made shall be considered to consist of the funds most recently received by the transferor committee. The transferor committee must be able to demonstrate that such cash on hand contains sufficient funds at the time of the transfer that comply with the limitations and prohibitions of the Act to cover the amount transferred. A contribution shall be excluded from the

amount transferred to the extent that such contribution, when aggregated with other contributions from the same contributor to the transferee principal campaign committee, exceeds the contribution limits set forth at 11 CFR 110.1 or 110.2, as appropriate; and

(iii) The candidate has not elected to receive funds under 26 U.S.C. 9006 or 9037 for either election; or

(6) [Reserved]

(7) The authorized committees of a candidate for more than one Federal office, or for a Federal office and a non-federal office, shall follow the requirements for separate campaign organizations set forth at 11 CFR 110.8(d).

(d) *Transfers from nonfederal to federal campaigns.* Transfers of funds or assets from a candidate's campaign committee or account for a nonfederal election to his or her principal campaign committee or other authorized committee for a federal election are prohibited. However, at the option of the nonfederal committee, the non-federal committee may refund contributions, and may coordinate arrangements with the candidate's principal campaign committee or other authorized committee for a solicitation by such committee(s) to the same contributors. The full cost of this solicitation shall be paid by the Federal committee.

(ii) Making a contribution of money or anything of value and attributing as the source of the money or thing of value another person when in fact the contributor is the source.

(c) *Cash contributions.* (1) With respect to any campaign for nomination for election or election to Federal office, no person shall make contributions to a candidate or political committee of currency of the United States, or of any foreign country, which in the aggregate exceed \$100.

(2) A candidate or committee receiving a cash contribution in excess of \$100 shall promptly return the amount over \$100 to the contributor.

(3) A candidate or committee receiving an anonymous cash contribution in excess of \$50 shall promptly dispose of the amount over \$50. The amount over \$50 may be used for any lawful purpose unrelated to any Federal election, campaign, or candidate.

(a) *General.* All contributions by a person made on behalf of or to a candidate, including contributions which are in any way earmarked or otherwise directed to the candidate through an intermediary or conduit, are contributions from the person to the candidate.

(b) *Definitions.* (1) For purposes of this section, *earmarked* means a designation, instruction, or encumbrance, whether direct or indirect, express or implied, oral or written, which results in all or any part of a contribution or expenditure being made to, or expended on behalf of, a clearly identified candidate or a candidate's authorized committee.

(ii) Any person who is prohibited from making contributions or expenditures in connection with an election for Federal office shall be prohibited from acting as a conduit for contributions earmarked to candidates or their authorized committees. The provisions of this section shall not restrict the ability of an organization or committee to serve as a collecting agent for a separate segregated fund pursuant to 11 CFR 102.6.

(iii) Any person who receives an earmarked contribution shall forward such earmarked contribution to the candidate or authorized committee in accordance with 11 CFR 102.8, except that—

(c) *Reporting of earmarked contributions*—(1) *Reports by conduits and intermediaries.* (i) The intermediary or conduit of the earmarked contribution shall report the original source and the recipient candidate or authorized committee to the Commission and to the recipient candidate or authorized committee.

(ii) The report to the Commission shall be included in the conduit's or intermediary's report for the reporting period in which the earmarked contribution was received, or, if the conduit or intermediary is not required to report under 11 CFR part 104, by letter to the Commission within thirty days after forwarding the earmarked contribution.

(iii) The report to the recipient candidate or authorized committee shall be made when the earmarked contribution is forwarded to the recipient candidate or authorized committee pursuant to 11 CFR 102.8.

(iv) The report by the conduit or intermediary shall contain the following information:

For each earmarked con-

(d) *Direction or control.* (1) A conduit's or intermediary's contribution limits are not affected by the forwarding of an earmarked contribution except where the conduit or intermediary exercises any direction or control over the choice of the recipient candidate.

(2) If a conduit or intermediary exercises any direction or control over the choice of the recipient candidate, the earmarked contribution shall be considered a contribution by both the original contributor and the conduit or intermediary. If the conduit or intermediary exercises any direction or control over the choice of the recipient candidate, the report filed by the conduit or intermediary and the report filed by the recipient candidate or authorized committee shall indicate that

§ 110.7

the earmarked contribution is made by both the original contributor and the conduit or intermediary, and that the entire amount of the contribution is attributed to each.

§ 110.7 [Reserved]

§ 110.8 Presidential candidate expenditure limitations.

(a)(1) No candidate for the office of President of the United States who is eligible under 26 U.S.C. 9003 (relating to conditions for eligibility for payments) or under 26 U.S.C. 9033 (relating to eligibility for payments) to receive payments from the Secretary of the Treasury and has received payments, may make expenditures in excess of—

(i) \$10,000,000 in the case of a campaign for nomination for election to the office, except the aggregate of expenditures under this paragraph in any one State shall not exceed the greater of 16 cents multiplied by the voting age population of the State or \$200,000; or

(ii) \$20,000,000 in the case of a campaign for election to the office.

(2) The expenditure limitations in paragraph (a)(1) of this section shall be increased in accordance with 11 CFR 110.17.

(3) Voting age population is defined at 11 CFR 110.18.

(b) The expenditure limitations shall not be considered violated if, after the date of the primary or general election, convention or caucus, receipt of refunds and rebates causes a candidate's expenditures to be within the limitations.

(c) For the State limitations in paragraph (a)(1) of this section—

(1) Expenditures made in a State after the date of the primary election, convention or caucus relating to the primary election, convention or caucus count toward that State's expenditure limitation;

(2) The candidate may treat an amount that does not exceed 50% of the candidate's total expenditures allocable to a particular State under 11 CFR 106.2 as exempt fundraising expenses, and may exclude this amount from the candidate's total expenditures

11 CFR Ch. I (1–1–20 Edition)

attributable to the expenditure limitations for that State. The candidate may treat 100% of the cost of mass mailings as exempt fundraising expenses, unless the mass mailings were mailed within 28 days before the state's primary election, convention or caucus. The total of all amounts excluded for exempt fundraising expenses shall not exceed 20% of the overall expenditure limitation under 11 CFR 9035.1.

(d)(1) If an individual is a candidate for more than one Federal office, or for a Federal office and a State office, he or she must designate separate principal campaign committees and establish completely separate campaign organizations.

(2) No funds, goods, or services, including loans and loan guarantees, may be transferred between or used by the separate campaigns, except as provided in 11 CFR 110.3(c)(5).

(3) Except for Presidential candidates receiving Presidential Primary Matching Funds, see 26 U.S.C. 9032, or General Election Public Financing, see 26 U.S.C. 9002, campaigns may share personnel and facilities, as long as expenditures are allocated between the campaigns, and the payment made from each campaign account reflects the allocation.

(e)(1) A political party may make reimbursement for the expenses of a candidate who is engaging in party-building activities, without the payment being considered a contribution to the candidate, and without the unreimbursed expense being considered an expenditure counting against the limitations in paragraph (a) (1) or (2) of this section, as long as—

(i) The event is a bona fide party event or appearance; and

(ii) No aspect of the solicitation for the event, the setting of the event, and the remarks or activities of the candidate in connection with the event were for the purpose of influencing the candidate's nomination or election.

(2)(i) An event or appearance meeting the requirements of paragraph (e)(1) of this section and occurring prior to January 1 of the year of the election for which the individual is a candidate is presumptively party-related;

§ 110.11 Communications; advertising; disclaimers (52 U.S.C. 30120).

(a) *Scope.* The following communications must include disclaimers, as specified in this section:

(1) All public communications, as defined in 11 CFR 100.26, made by a political committee; electronic mail of more than 500 substantially similar communications when sent by a political committee; and all Internet websites of political committees available to the general public.

(2) All public communications, as defined in 11 CFR 100.26, by any person that expressly advocate the election or defeat of a clearly identified candidate.

(3) All public communications, as defined in 11 CFR 100.26, by any person that solicit any contribution.

(4) All electioneering communications by any person.

(b) *General content requirements.* A disclaimer required by paragraph (a) of this section must contain the following information:

(1) If the communication, including any solicitation, is paid for and authorized by a candidate, an authorized committee of a candidate, or an agent of either of the foregoing, the disclaimer must clearly state that the communication has been paid for by the authorized political committee;

(2) If the communication, including any solicitation, is authorized by a candidate, an authorized committee of a candidate, or an agent of either of the foregoing, but is paid for by any other person, the disclaimer must clearly state that the communication

is paid for by such other person and is authorized by such candidate, authorized committee, or agent; or

(3) If the communication, including any solicitation, is not authorized by a candidate, authorized committee of a candidate, or an agent of either of the foregoing, the disclaimer must clearly state the full name and permanent street address, telephone number, or World Wide Web address of the person who paid for the communication, and that the communication is not authorized by any candidate or candidate's committee.

(c) *Disclaimer specifications*—(1) *Specifications for all disclaimers*. A disclaimer required by paragraph (a) of this section must be presented in a clear and conspicuous manner, to give the reader, observer, or listener adequate notice of the identity of the person or political committee that paid for and, where required, that authorized the communication. A disclaimer is not clear and conspicuous if it is difficult to read or hear, or if the placement is easily overlooked.

(2) *Specific requirements for printed communications*. In addition to the general requirement of paragraphs (b) and (c)(1) of this section, a disclaimer required by paragraph (a) of this section that appears on any printed public communication must comply with all of the following:

(i) The disclaimer must be of sufficient type size to be clearly readable by the recipient of the communication. A disclaimer in twelve (12)-point type size satisfies the size requirement of this paragraph (c)(2)(i) when it is used for signs, posters, flyers, newspapers, magazines, or other printed material that measure no more than twenty-four (24) inches by thirty-six (36) inches.

(ii) The disclaimer must be contained in a printed box set apart from the other contents of the communication.

(iii) The disclaimer must be printed with a reasonable degree of color contrast between the background and the printed statement. A disclaimer satisfies the color contrast requirement of this paragraph (c)(2)(iii) if it is printed in black text on a white background or if the degree of color contrast between the background and the text of the dis-

claimer is no less than the color contrast between the background and the largest text used in the communication.

(iv) The disclaimer need not appear on the front or cover page of the communication as long as it appears within the communication, except on communications, such as billboards, that contain only a front face.

(v) A communication that would require a disclaimer if distributed separately, that is included in a package of materials, must contain the required disclaimer.

(3) *Specific requirements for radio and television communications authorized by candidates*. In addition to the general requirements of paragraphs (b) and (c)(1) of this section, a communication that is authorized or paid for by a candidate or the authorized committee of a candidate (see paragraph (b)(1) or (b)(2) of this section) that is transmitted through radio or television, or through any broadcast, cable, or satellite transmission, must comply with the following:

(i) A communication transmitted through radio must include an audio statement by the candidate that identifies the candidate and states that he or she has approved the communication; or

(ii) A communication transmitted through television or through any broadcast, cable, or satellite transmission, must include a statement that identifies the candidate and states that he or she has approved the communication. The candidate shall convey the statement either:

(A) Through an unobscured, full-screen view of himself or herself making the statement, or

(B) Through a voice-over by himself or herself, accompanied by a clearly identifiable photographic or similar image of the candidate. A photographic or similar image of the candidate shall be considered clearly identified if it is at least eighty (80) percent of the vertical screen height.

(iii) A communication transmitted through television or through any broadcast, cable, or satellite transmission, must also include a similar statement that must appear in clearly

Federal Election Commission

§ 110.11

readable writing at the end of the television communication. To be clearly readable, this statement must meet all of the following three requirements:

(A) The statement must appear in letters equal to or greater than four (4) percent of the vertical picture height;

(B) The statement must be visible for a period of at least four (4) seconds; and

(C) The statement must appear with a reasonable degree of color contrast between the background and the text of the statement. A statement satisfies the color contrast requirement of this paragraph (c)(3)(iii)(C) if it is printed in black text on a white background or if the degree of color contrast between the background and the text of the statement is no less than the color contrast between the background and the largest type size used in the communication.

(iv) The following are examples of acceptable statements that satisfy the spoken statement requirements of paragraph (c)(3) of this section with respect to a radio, television, or other broadcast, cable, or satellite communication, but they are not the only allowable statements:

(A) "I am [insert name of candidate], a candidate for [insert Federal office sought], and I approved this advertisement."

(B) "My name is [insert name of candidate]. I am running for [insert Federal office sought], and I approved this message."

(4) *Specific requirements for radio and television communications paid for by other persons and not authorized by a candidate.* In addition to the general requirements of paragraphs (b) and (c)(1) of this section, a communication not authorized by a candidate or a candidate's authorized committee that is transmitted through radio or television or through any broadcast, cable, or satellite transmission, must comply with the following:

(i) A communication transmitted through radio or television or through any broadcast, cable, or satellite transmission, must include the following audio statement, "XXX is responsible for the content of this advertising," spoken clearly, with the blank to be filled in with the name of the political committee or other person paying for

the communication, and the name of the connected organization, if any, of the payor unless the name of the connected organization is already provided in the "XXX is responsible" statement; and

(ii) A communication transmitted through television, or through any broadcast, cable, or satellite transmission, must include the audio statement required by paragraph (c)(4)(i) of this section. That statement must be conveyed by an unobscured full-screen view of a representative of the political committee or other person making the statement, or by a representative of such political committee or other person in voice-over.

(iii) A communication transmitted through television or through any broadcast, cable, or satellite transmission, must also include a similar statement that must appear in clearly readable writing at the end of the communication. To be clearly readable, the statement must meet all of the following three requirements:

(A) The statement must appear in letters equal to or greater than four (4) percent of the vertical picture height;

(B) The statement must be visible for a period of at least four (4) seconds; and

(C) The statement must appear with a reasonable degree of color contrast between the background and the disclaimer statement. A disclaimer satisfies the color contrast requirement of this paragraph (c)(4)(iii)(C) if it is printed in black text on a white background or if the degree of color contrast between the background and the text of the disclaimer is no less than the color contrast between the background and the largest type size used in the communication.

(d) *Coordinated party expenditures and independent expenditures by political party committees.* (1)(i) For a communication paid for by a political party committee pursuant to 52 U.S.C. 30116(d), the disclaimer required by paragraph (a) of this section must identify the political party committee that makes the expenditure as the person who paid for the communication, regardless of whether the political party committee was acting in its own capacity or as the designated agent of another political party committee.

(ii) A communication made by a political party committee pursuant to 52 U.S.C. 30116(d) and distributed prior to the date the party's candidate is nominated shall satisfy the requirements of this section if it clearly states who paid for the communication.

(2) For purposes of this section, a communication paid for by a political party committee, other than a communication covered by paragraph (d)(1)(ii) of this section, that is being treated as a coordinated expenditure under 52 U.S.C. 30116(d) and that was made with the approval of a candidate, a candidate's authorized committee, or the agent of either shall identify the political party that paid for the communication and shall state that the communication is authorized by the candidate or candidate's authorized committee.

(3) For a communication paid for by a political party committee that constitutes an independent expenditure under 11 CFR 100.16, the disclaimer required by this section must identify the political party committee that paid for the communication, and must state that the communication is not authorized by any candidate or candidate's authorized committee.

(e) *Exempt activities.* A public communication authorized by a candidate, authorized committee, or political party committee, that qualifies as an exempt activity under 11 CFR 100.140, 100.147, 100.148, or 100.149, must comply with the disclaimer requirements of paragraphs (a), (b), (c)(1), and (c)(2) of this section, unless excepted under paragraph (f)(1) of this section, but the disclaimer does not need to state whether the communication is authorized by a candidate, or any authorized committee or agent of any candidate.

(f) *Exceptions.* (1) The requirements of paragraphs (a) through (e) of this section do not apply to the following:

(i) Bumper stickers, pins, buttons, pens, and similar small items upon which the disclaimer cannot be conveniently printed;

(ii) Skywriting, water towers, wearing apparel, or other means of displaying an advertisement of such a nature that the inclusion of a disclaimer would be impracticable; or

(iii) Checks, receipts, and similar items of minimal value that are used for purely administrative purposes and do not contain a political message.

(2) For purposes of this section, whenever a separate segregated fund or its connected organization solicits contributions to the fund from those persons it may solicit under the applicable provisions of 11 CFR part 114, or makes a communication to those persons, such communication shall not be considered a type of public communication and need not contain the disclaimer required by paragraphs (a) through (c) of this section.

(g) *Comparable rate for campaign purposes.* (1) No person who sells space in a newspaper or magazine to a candidate, an authorized committee of a candidate, or an agent of the candidate, for use in connection with the candidate's campaign for nomination or for election, shall charge an amount for the space which exceeds the comparable rate for the space for non-campaign purposes.

(2) For purposes of this section, comparable rate means the rate charged to a national or general rate advertiser, and shall include discount privileges usually and normally available to a national or general rate advertiser.

(1) The educational institution makes reasonable efforts to ensure that the appearances constitute speeches, question and answer sessions, or similar communications in an academic setting, and makes reasonable efforts to ensure that the appearances are not conducted as campaign rallies or events; and

(2) The educational institution does not, in conjunction with the appearance, expressly advocate the election or defeat of any clearly identified candidate(s) or candidates of a clearly identified political party, and does not favor any one candidate or political party over any other in allowing such appearances.

§ 110.13 Candidate debates.

(a) *Staging organizations.* (1) Nonprofit organizations described in 26 U.S.C. 501 (c)(3) or (c)(4) and which do not endorse, support, or oppose political candidates or political parties may stage candidate debates in accordance with this section and 11 CFR 114.4(f).

(2) Broadcasters (including a cable television operator, programmer or producer), *bona fide* newspapers, magazines and other periodical publications may stage candidate debates in accordance with this section and 11 CFR 114.4(f), provided that they are not owned or controlled by a political party, political committee or candidate. In addition, broadcasters (including a cable television operator, programmer or producer), *bona fide* newspapers, magazines and other periodical publications, acting as press entities, may also cover or carry candidate debates in accordance with 11 CFR part 100, subparts B and C and part 100, subparts D and E.

(b) *Debate structure.* The structure of debates staged in accordance with this section and 11 CFR 114.4(f) is left to the discretion of the staging organization(s), provided that:

(1) Such debates include at least two candidates; and

(2) The staging organization(s) does not structure the debates to promote or advance one candidate over another.

(c) *Criteria for candidate selection.* For all debates, staging organization(s) must use pre-established objective criteria to determine which candidates may participate in a debate. For general election debates, staging organization(s) shall not use nomination by a particular political party as the sole objective criterion to determine whether to include a candidate in a debate. For debates held prior to a primary election, caucus or convention, staging organizations may restrict candidate participation to candidates seeking the nomination of one party, and need not stage a debate for candidates seeking the nomination of any other political party or independent candidates.
